#553-NELSON-APOSTATA

1
00:00:08,070 --> 00:00:04,950
on this episode of skeptico

2
00:00:10,549 --> 00:00:08,080
a show about love in the extended

3
00:00:12,789 --> 00:00:10,559
consciousness realm

4
00:00:14,789 --> 00:00:12,799
we can't directly establish causation

5
00:00:16,470 --> 00:00:14,799
right if you look at what richard dolan

6
00:00:18,310 --> 00:00:16,480
was this guiding of the

7
00:00:20,310 --> 00:00:18,320
tall greys and the

8
00:00:22,550 --> 00:00:20,320
reported experiences of these people of

9
00:00:25,269 --> 00:00:22,560
overwhelming love and you compare this

10
00:00:27,910 --> 00:00:25,279
to the near death experience reports of

11
00:00:29,910 --> 00:00:27,920
this overwhelming love and then you look

12
00:00:32,229 --> 00:00:29,920
at for instance the new testament and

13
00:00:34,709 --> 00:00:32,239

it's all about love love is all that

14

00:00:37,350 --> 00:00:34,719

matters we also look at the

15

00:00:40,069 --> 00:00:37,360

counter culture in the 60s 1960s with

16

00:00:40,950 --> 00:00:40,079

the beatles all you need is love and

17

00:01:02,709 --> 00:00:40,960

i

18

00:01:04,710 --> 00:01:02,719

hey

19

00:01:07,109 --> 00:01:04,720

remember when y'all you were in the

20

00:01:08,789 --> 00:01:07,119

beatles and uh

21

00:01:11,030 --> 00:01:08,799

you did that um

22

00:01:14,469 --> 00:01:11,040

album abbey road

23

00:01:16,630 --> 00:01:14,479

and uh the song goes uh and in the end

24

00:01:18,469 --> 00:01:16,640

the love you take is equal to the love

25

00:01:21,510 --> 00:01:18,479

you make

26

00:01:24,630 --> 00:01:22,980

yes

27

00:01:28,950 --> 00:01:24,640

[Music]

28

00:01:34,880 --> 00:01:31,590

yes chris in in my experience it is i

29

00:01:36,370 --> 00:01:34,890

find the more you give the more you get

30

00:01:38,270 --> 00:01:36,380

[Applause]

31

00:01:40,789 --> 00:01:38,280

[Laughter]

32

00:01:42,310 --> 00:01:40,799

[Applause]

33

00:01:45,190 --> 00:01:42,320

i have an interview coming up in a

34

00:01:46,710 --> 00:01:45,200

minute with nelson insert pseudoname

35

00:01:49,350 --> 00:01:46,720

there who

36

00:01:51,990 --> 00:01:49,360

did just a fantastic interview with me a

37

00:01:54,389 --> 00:01:52,000

couple months ago i have no idea why i

38

00:01:56,870 --> 00:01:54,399

sat on this as long as i did

39

00:01:58,469 --> 00:01:56,880

it's actually so good that i've broken

40

00:02:01,830 --> 00:01:58,479

it up into two parts because we talk

41

00:02:04,310 --> 00:02:01,840

about so many things and we talk about

42

00:02:06,630 --> 00:02:04,320

this other subject we'll kind of hint at

43

00:02:09,029 --> 00:02:06,640

at the end but it's so different that i

44

00:02:11,910 --> 00:02:09,039

want to break it into a separate episode

45

00:02:14,229 --> 00:02:11,920

but anyway all this other great stuff is

46

00:02:17,110 --> 00:02:14,239

coming up now in my interview with

47

00:02:17,910 --> 00:02:17,120

nelson we roll right into this so i will

48

00:02:19,670 --> 00:02:17,920

say

49

00:02:22,390 --> 00:02:19,680

welcome to skeptica where we explore

50

00:02:24,470 --> 00:02:22,400

controversial science and spirituality

51
00:02:27,350 --> 00:02:24,480
with leading researchers thinkers and

52
00:02:29,830 --> 00:02:27,360
their critics i'm your host alex sacaris

53
00:02:31,589 --> 00:02:29,840
and today we welcome a guy who just

54
00:02:33,589 --> 00:02:31,599
amazing to me

55
00:02:36,390 --> 00:02:33,599
that nelson found

56
00:02:38,630 --> 00:02:36,400
the show and then found me through the

57
00:02:41,430 --> 00:02:38,640
forum i feel so grateful to have

58
00:02:43,110 --> 00:02:41,440
connected with him he's so smart and has

59
00:02:45,350 --> 00:02:43,120
brought so many brilliant

60
00:02:47,830 --> 00:02:45,360
new fresh ideas to the table this kind

61
00:02:50,869 --> 00:02:47,840
of level three discussion is exactly

62
00:02:52,630 --> 00:02:50,879
what i love to do in these shows so

63
00:02:54,869 --> 00:02:52,640

he doesn't have a website he doesn't

64

00:02:58,550 --> 00:02:54,879

have a book yet he's just a really

65

00:03:00,550 --> 00:02:58,560

really smart guy and i hope you enjoy

66

00:03:01,830 --> 00:03:00,560

this dialogue with him

67

00:03:04,630 --> 00:03:01,840

is that all right with you then just if

68

00:03:06,869 --> 00:03:04,640

we because i've written those just the

69

00:03:08,630 --> 00:03:06,879

the highlights of this and you remember

70

00:03:11,110 --> 00:03:08,640

our discussions way back because you

71

00:03:12,869 --> 00:03:11,120

know i know she was doing the

72

00:03:15,910 --> 00:03:12,879

the website through the facebook site

73

00:03:18,470 --> 00:03:15,920

from the youtube videos yep

74

00:03:21,190 --> 00:03:18,480

i mean so we go away but we go way back

75

00:03:23,750 --> 00:03:21,200

my man so you know we we ought to start

76

00:03:26,070 --> 00:03:23,760

with i mean that's that's

77

00:03:29,350 --> 00:03:26,080

that's was enough of a reason to chat up

78

00:03:33,670 --> 00:03:31,509

just totally

79

00:03:37,110 --> 00:03:33,680

blew my mind is when you sent the latest

80

00:03:40,229 --> 00:03:37,120

thing about the slave mentality

81

00:03:41,910 --> 00:03:40,239

in the romans because it just rings true

82

00:03:43,270 --> 00:03:41,920

and there's a lot of subtle things to

83

00:03:44,229 --> 00:03:43,280

unravel there

84

00:03:45,750 --> 00:03:44,239

you know

85

00:03:47,350 --> 00:03:45,760

we ought to start with kind of who you

86

00:03:50,229 --> 00:03:47,360

are in your background

87

00:03:51,750 --> 00:03:50,239

and then i i think i just don't know

88

00:03:53,110 --> 00:03:51,760

where to go on the bledsoe thing we'll

89

00:03:54,949 --> 00:03:53,120

just do it and then if it's okay with

90

00:03:57,030 --> 00:03:54,959

you i might not

91

00:03:58,309 --> 00:03:57,040

go forward with that just because all

92

00:04:01,190 --> 00:03:58,319

the reasons i told you but i'd love to

93

00:04:03,830 --> 00:04:01,200

have that chat with you so nelson you're

94

00:04:06,309 --> 00:04:03,840

here tell tell me a little bit about i

95

00:04:08,630 --> 00:04:06,319

really don't know or can't remember much

96

00:04:11,270 --> 00:04:08,640

about your background tell me

97

00:04:13,190 --> 00:04:11,280

yeah so it's i'm a classical scholar so

98

00:04:14,470 --> 00:04:13,200

ancient greece and rome

99

00:04:16,229 --> 00:04:14,480

and was a

100

00:04:17,990 --> 00:04:16,239

researcher and

101
00:04:20,150 --> 00:04:18,000
tutor in different universities in new

102
00:04:20,949 --> 00:04:20,160
zealand with this

103
00:04:24,070 --> 00:04:20,959
and

104
00:04:25,510 --> 00:04:24,080
it was really just an amazing

105
00:04:28,950 --> 00:04:25,520
time just to be with all school

106
00:04:31,830 --> 00:04:28,960
professors who really respected just the

107
00:04:33,670 --> 00:04:31,840
ancient history and the cultures and the

108
00:04:35,150 --> 00:04:33,680
ancient religions

109
00:04:36,550 --> 00:04:35,160
but then i noticed that the

110
00:04:38,790 --> 00:04:36,560
[Music]

111
00:04:40,390 --> 00:04:38,800
new blood within the system

112
00:04:41,430 --> 00:04:40,400
these new professors they were more and

113
00:04:42,710 --> 00:04:41,440

more

114

00:04:44,550 --> 00:04:42,720

ideological

115

00:04:46,710 --> 00:04:44,560

and

116

00:04:49,030 --> 00:04:46,720

they were labeling for instance the

117

00:04:51,670 --> 00:04:49,040

ancient religions as just superstition

118

00:04:54,469 --> 00:04:51,680

not to be taken seriously

119

00:04:57,189 --> 00:04:54,479

and the entire aesthetic of the art for

120

00:04:59,670 --> 00:04:57,199

instance i was a paid researcher in

121

00:05:02,070 --> 00:04:59,680

ancient greek bars

122

00:05:03,590 --> 00:05:02,080

paintings and i just noticed that this

123

00:05:06,070 --> 00:05:03,600

was all being

124

00:05:07,749 --> 00:05:06,080

corrupted and i just really wanted to

125

00:05:09,830 --> 00:05:07,759

just focus on

126
00:05:11,590 --> 00:05:09,840
the ancient world and just to immerse

127
00:05:13,749 --> 00:05:11,600
myself into this

128
00:05:15,909 --> 00:05:13,759
uh way of thinking in this material

129
00:05:17,749 --> 00:05:15,919
culture

130
00:05:21,110 --> 00:05:17,759
and so my professors for instance they

131
00:05:23,990 --> 00:05:21,120
said that i could go on to be a pro to

132
00:05:25,590 --> 00:05:24,000
that the ceiling was limitless from for

133
00:05:27,430 --> 00:05:25,600
me

134
00:05:30,790 --> 00:05:27,440
but i just decided with a heavy heart

135
00:05:33,430 --> 00:05:30,800
that i just couldn't carry on with the

136
00:05:35,029 --> 00:05:33,440
way the academy had basically been

137
00:05:36,310 --> 00:05:35,039
subverted by

138
00:05:37,909 --> 00:05:36,320

ideologues

139

00:05:40,870 --> 00:05:37,919

we were more interested in pushing

140

00:05:42,469 --> 00:05:40,880

gender than the actual ancient past can

141

00:05:44,550 --> 00:05:42,479

i interject a question because i think

142

00:05:46,710 --> 00:05:44,560

this is like a super important point

143

00:05:49,990 --> 00:05:46,720

that i keep running into again and again

144

00:05:52,550 --> 00:05:50,000

i don't have the answer to it

145

00:05:54,790 --> 00:05:52,560

to what extent do you think

146

00:05:57,270 --> 00:05:54,800

there has been this sea change that

147

00:06:00,390 --> 00:05:57,280

you're talking about because i'm sure

148

00:06:02,150 --> 00:06:00,400

you could go find old-timers there that

149

00:06:03,590 --> 00:06:02,160

you could maybe you did that you could

150

00:06:04,790 --> 00:06:03,600

pull aside and go

151

00:06:06,790 --> 00:06:04,800

hey kid

152

00:06:08,710 --> 00:06:06,800

actually it's always been like that and

153

00:06:10,790 --> 00:06:08,720

here are the political games that i had

154

00:06:13,590 --> 00:06:10,800

to play and you know all the rest of

155

00:06:16,390 --> 00:06:13,600

that stuff and maybe it varies from

156

00:06:19,430 --> 00:06:16,400

a department department maybe it varies

157

00:06:22,230 --> 00:06:19,440

from administration to administration i

158

00:06:25,270 --> 00:06:22,240

don't know i i have kind of an intuitive

159

00:06:27,270 --> 00:06:25,280

sense from just what i've done here that

160

00:06:29,749 --> 00:06:27,280

there really is a change but i don't

161

00:06:31,110 --> 00:06:29,759

want to i want to fight that too and i

162

00:06:32,309 --> 00:06:31,120

really want to challenge that do you

163

00:06:34,070 --> 00:06:32,319

know what i mean do you want to explore

164

00:06:35,990 --> 00:06:34,080

the whole

165

00:06:37,670 --> 00:06:36,000

you know what because i'm sure you have

166

00:06:38,870 --> 00:06:37,680

you probably questioned that too don't

167

00:06:41,990 --> 00:06:38,880

you

168

00:06:44,309 --> 00:06:42,000

no absolutely and tracing it back to the

169

00:06:46,790 --> 00:06:44,319

frankfurter school for instance way back

170

00:06:48,550 --> 00:06:46,800

in the earlier 20th century but it even

171

00:06:49,990 --> 00:06:48,560

goes further back than that

172

00:06:53,189 --> 00:06:50,000

that there were these

173

00:06:55,749 --> 00:06:53,199

machinations before then to become

174

00:06:57,670 --> 00:06:55,759

less and less about actual searching for

175

00:06:59,350 --> 00:06:57,680

not for knowledge about history for

176

00:07:01,909 --> 00:06:59,360

instance in my case

177

00:07:04,390 --> 00:07:01,919

and more just to to instill in the

178

00:07:06,790 --> 00:07:04,400

ideology just a few points that they

179

00:07:09,189 --> 00:07:06,800

just keep on hammering

180

00:07:10,150 --> 00:07:09,199

into the students minds just the whole

181

00:07:12,550 --> 00:07:10,160

frame

182

00:07:14,950 --> 00:07:12,560

of the oppressor versus the

183

00:07:18,309 --> 00:07:14,960

oppressed narrative

184

00:07:19,510 --> 00:07:18,319

as you know in cultural marxism

185

00:07:23,510 --> 00:07:19,520

so is it

186

00:07:25,589 --> 00:07:23,520

is it new is it same game different

187

00:07:28,070 --> 00:07:25,599

same playbook different play you know

188

00:07:31,029 --> 00:07:28,080

where now it's a different agenda being

189

00:07:33,589 --> 00:07:31,039

fishboard or is there really something

190

00:07:35,589 --> 00:07:33,599

new in terms of the consolidation of

191

00:07:37,830 --> 00:07:35,599

control and power do you feel like you

192

00:07:39,749 --> 00:07:37,840

have the ability to go to

193

00:07:42,390 --> 00:07:39,759

another institution and have it be

194

00:07:44,309 --> 00:07:42,400

different or what are your

195

00:07:45,990 --> 00:07:44,319

what are your more your broader thoughts

196

00:07:47,990 --> 00:07:46,000

about that because you know what i mean

197

00:07:49,350 --> 00:07:48,000

nelson i mean we we kind of get locked

198

00:07:52,070 --> 00:07:49,360

in and i don't want to do that i don't

199

00:07:54,150 --> 00:07:52,080

want to get locked into just kind of

200

00:07:56,070 --> 00:07:54,160

you know the diatribe oh my god we're

201

00:07:57,670 --> 00:07:56,080

oppressed and this is the way it is if

202

00:08:00,070 --> 00:07:57,680

that's the way it is i want to talk

203

00:08:03,430 --> 00:08:00,080

about it but i want to make sure we're

204

00:08:05,270 --> 00:08:03,440

kind of exploring the whole part of it

205

00:08:06,309 --> 00:08:05,280

no absolutely i can understand that and

206

00:08:08,790 --> 00:08:06,319

i think

207

00:08:11,749 --> 00:08:08,800

that people don't like these

208

00:08:13,029 --> 00:08:11,759

more nuanced processes of history of the

209

00:08:14,710 --> 00:08:13,039

development of things they're just like

210

00:08:17,110 --> 00:08:14,720

a simple causation

211

00:08:19,189 --> 00:08:17,120

and a point where they can just mark

212

00:08:20,629 --> 00:08:19,199

that's where it began right

213

00:08:22,070 --> 00:08:20,639

and i think it is what you said is

214

00:08:24,629 --> 00:08:22,080

cumulative

215

00:08:26,790 --> 00:08:24,639

and that more and more

216

00:08:28,710 --> 00:08:26,800

of these faculties have just been taken

217

00:08:30,150 --> 00:08:28,720

over by the by these ideologues

218

00:08:31,830 --> 00:08:30,160

basically

219

00:08:33,670 --> 00:08:31,840

and the people who are

220

00:08:35,670 --> 00:08:33,680

genuinely searching after knowledge of

221

00:08:37,509 --> 00:08:35,680

the ancient past that they

222

00:08:40,709 --> 00:08:37,519

uh slowly became

223

00:08:42,469 --> 00:08:40,719

and often unwittingly just pushed out

224

00:08:46,150 --> 00:08:42,479

and even if they

225

00:08:48,790 --> 00:08:46,160

were brilliant researchers and teachers

226

00:08:50,949 --> 00:08:48,800

that they just ended up um retiring and

227

00:08:52,870 --> 00:08:50,959

then the new people who are coming in

228

00:08:54,949 --> 00:08:52,880

were just taking it over and once you

229

00:08:56,949 --> 00:08:54,959

get the elite capture

230

00:08:58,470 --> 00:08:56,959

of a certain faculty

231

00:09:00,790 --> 00:08:58,480

and they start

232

00:09:03,350 --> 00:09:00,800

consciously putting in their

233

00:09:04,710 --> 00:09:03,360

fellow ideologues into the positions of

234

00:09:06,949 --> 00:09:04,720

authority

235

00:09:09,829 --> 00:09:06,959

then it's very quick that the entire

236

00:09:11,670 --> 00:09:09,839

faculty just gets taken over and tenure

237

00:09:13,990 --> 00:09:11,680

for instance is an illusion

238

00:09:15,910 --> 00:09:14,000

i've heard so many stories of

239

00:09:18,070 --> 00:09:15,920

for instance an entire faculty just

240

00:09:20,790 --> 00:09:18,080

being just being fired basically so

241

00:09:23,110 --> 00:09:20,800

everyone was let loose and then they

242

00:09:26,870 --> 00:09:23,120

re-hired only the ones that they wanted

243

00:09:28,870 --> 00:09:26,880

in so that was that was a run around

244

00:09:31,430 --> 00:09:28,880

the institution the other thing i've

245

00:09:33,990 --> 00:09:31,440

heard about tenure is the other game

246

00:09:35,590 --> 00:09:34,000

that they play is

247

00:09:38,070 --> 00:09:35,600

they're just changing the rules going

248

00:09:40,630 --> 00:09:38,080

forward you know because i've heard from

249

00:09:43,829 --> 00:09:40,640

people that have come on the show say i

250

00:09:45,030 --> 00:09:43,839

have tenure but i'm a dying breed you

251
00:09:47,829 --> 00:09:45,040
know they're just

252
00:09:49,509 --> 00:09:47,839
and and to your point when they hire

253
00:09:51,190 --> 00:09:49,519
people they just hire them and that's

254
00:09:54,230 --> 00:09:51,200
part of their employment agreement it's

255
00:09:55,990 --> 00:09:54,240
a non-tenure track you know or they'll

256
00:09:57,509 --> 00:09:56,000
they'll eliminate it so they have a lot

257
00:10:00,310 --> 00:09:57,519
of little things but if you think about

258
00:10:02,630 --> 00:10:00,320
it tenure doesn't really serve the

259
00:10:05,110 --> 00:10:02,640
system that they

260
00:10:06,870 --> 00:10:05,120
it you know would you want tenure if you

261
00:10:09,430 --> 00:10:06,880
were running a department would you

262
00:10:11,829 --> 00:10:09,440
really want tenure if you were running a

263
00:10:13,750 --> 00:10:11,839

university would you really want tenure

264

00:10:15,670 --> 00:10:13,760

and i think it kind of to me it also

265

00:10:18,150 --> 00:10:15,680

relates to this whole thing about

266

00:10:20,630 --> 00:10:18,160

capitalism and of course capitalism run

267

00:10:23,110 --> 00:10:20,640

amok is a disaster and that's why we

268

00:10:25,350 --> 00:10:23,120

have these rules but it's almost like

269

00:10:27,350 --> 00:10:25,360

the reverse of that yeah if i was

270

00:10:29,829 --> 00:10:27,360

running if i was running a business i'd

271

00:10:32,150 --> 00:10:29,839

want no restrictions no controls and the

272

00:10:34,710 --> 00:10:32,160

same thing if i was running a university

273

00:10:35,990 --> 00:10:34,720

i wouldn't want tenure because that is

274

00:10:38,230 --> 00:10:36,000

that is

275

00:10:39,829 --> 00:10:38,240

reduces my ability to control and it's

276

00:10:41,910 --> 00:10:39,839

funny how people

277

00:10:44,790 --> 00:10:41,920

see this kind of left right they don't

278

00:10:47,430 --> 00:10:44,800

see the shades of it's just

279

00:10:48,870 --> 00:10:47,440

people want total power to do what they

280

00:10:51,509 --> 00:10:48,880

want whether they're in business or

281

00:10:54,470 --> 00:10:51,519

whether they're in academia and our job

282

00:10:56,230 --> 00:10:54,480

is to put those controls and tenure was

283

00:10:59,269 --> 00:10:56,240

designed to be

284

00:11:01,670 --> 00:10:59,279

a control that you you probably should

285

00:11:03,990 --> 00:11:01,680

speak to that more because

286

00:11:05,670 --> 00:11:04,000

you that was your that was your your

287

00:11:07,910 --> 00:11:05,680

life there for a while speak to the

288

00:11:10,550 --> 00:11:07,920

whole tenure thing i when i began i i

289

00:11:13,269 --> 00:11:10,560

just had this naive view that i could

290

00:11:16,790 --> 00:11:13,279

get into the academy become

291

00:11:20,069 --> 00:11:16,800

a well-known researcher just through the

292

00:11:22,069 --> 00:11:20,079

competency that i brought to it but then

293

00:11:23,670 --> 00:11:22,079

i just realized more and more that they

294

00:11:25,670 --> 00:11:23,680

just talking to professors that they

295

00:11:27,590 --> 00:11:25,680

weren't most of them that i encountered

296

00:11:29,590 --> 00:11:27,600

in different faculties

297

00:11:31,509 --> 00:11:29,600

that they were

298

00:11:33,509 --> 00:11:31,519

really only interested in

299

00:11:35,190 --> 00:11:33,519

basically just

300

00:11:37,509 --> 00:11:35,200

getting published that was the main

301
00:11:38,470 --> 00:11:37,519
thing for them actually so it was just

302
00:11:41,750 --> 00:11:38,480
this

303
00:11:44,150 --> 00:11:41,760
the selfish the selfish aim to just get

304
00:11:46,389 --> 00:11:44,160
published or perish right you just

305
00:11:48,389 --> 00:11:46,399
have to keep publishing and

306
00:11:51,190 --> 00:11:48,399
many of them were publishing dozens and

307
00:11:52,949 --> 00:11:51,200
dozens of articles but the readership on

308
00:11:54,710 --> 00:11:52,959
these is almost zero

309
00:11:57,430 --> 00:11:54,720
so you can even

310
00:11:59,910 --> 00:11:57,440
statistically see this that how often an

311
00:12:01,829 --> 00:11:59,920
article is cited of course and i think

312
00:12:04,389 --> 00:12:01,839
the average in the humanities is only

313
00:12:06,550 --> 00:12:04,399

one one citation i i you know one of the

314

00:12:08,949 --> 00:12:06,560

conversations i had a while ago i don't

315

00:12:11,829 --> 00:12:08,959

know if you remember what was a

316

00:12:13,350 --> 00:12:11,839

virginia tech professor named dr henry

317

00:12:15,269 --> 00:12:13,360

bauer and he's

318

00:12:17,590 --> 00:12:15,279

an older guy and he's been around and

319

00:12:20,870 --> 00:12:17,600

he's really kind of seen a lot of things

320

00:12:23,350 --> 00:12:20,880

and he's kind of got interested in the

321

00:12:24,710 --> 00:12:23,360

hiv aids thing and that was one of the

322

00:12:25,829 --> 00:12:24,720

things that i don't want to go too far

323

00:12:27,990 --> 00:12:25,839

into that but

324

00:12:30,470 --> 00:12:28,000

very good science and he also got

325

00:12:32,949 --> 00:12:30,480

interested in just people whose

326

00:12:35,590 --> 00:12:32,959

in academia whose ideas were being

327

00:12:37,269 --> 00:12:35,600

suppressed but what he pointed out from

328

00:12:38,949 --> 00:12:37,279

a big picture standpoint that i thought

329

00:12:40,310 --> 00:12:38,959

was really interesting and plays into

330

00:12:42,310 --> 00:12:40,320

what you're saying

331

00:12:44,150 --> 00:12:42,320

he said if you look at it from an

332

00:12:47,350 --> 00:12:44,160

economic model

333

00:12:49,910 --> 00:12:47,360

in the 50s there was this huge

334

00:12:52,389 --> 00:12:49,920

increase in funding for

335

00:12:54,230 --> 00:12:52,399

all sorts of academic endeavors whether

336

00:12:57,030 --> 00:12:54,240

it's in the humanities or the sciences

337

00:12:58,069 --> 00:12:57,040

or whatever there was money it just

338

00:13:03,030 --> 00:12:58,079

and then

339

00:13:05,829 --> 00:13:03,040

to

340

00:13:07,269 --> 00:13:05,839

reign that in and when you reduce the

341

00:13:09,829 --> 00:13:07,279

pool

342

00:13:12,150 --> 00:13:09,839

well the fish that were in there and

343

00:13:13,990 --> 00:13:12,160

were kind of swimming and getting along

344

00:13:16,230 --> 00:13:14,000

because there was plenty of food

345

00:13:18,230 --> 00:13:16,240

started having to attack each other and

346

00:13:20,949 --> 00:13:18,240

and that's what i think

347

00:13:24,069 --> 00:13:20,959

that competitive environment

348

00:13:26,710 --> 00:13:24,079

was utilized by maybe and i'll get your

349

00:13:28,550 --> 00:13:26,720

opinion on this became a tool and a

350

00:13:29,990 --> 00:13:28,560

vehicle for

351
00:13:31,829 --> 00:13:30,000
people who wanted to control the

352
00:13:33,190 --> 00:13:31,839
situation control the message whether it

353
00:13:35,670 --> 00:13:33,200
was a corporate

354
00:13:37,110 --> 00:13:35,680
entity trying to advance its drug or

355
00:13:39,350 --> 00:13:37,120
whether it was someone who is trying to

356
00:13:41,670 --> 00:13:39,360
advance a certain idea they saw an

357
00:13:44,310 --> 00:13:41,680
opportunity that wow now i have these

358
00:13:47,030 --> 00:13:44,320
guys jumping through all sorts of hoops

359
00:13:48,949 --> 00:13:47,040
for relatively nothing in terms of what

360
00:13:51,829 --> 00:13:48,959
i can give in terms of a grant or a

361
00:13:54,710 --> 00:13:51,839
citation or all the rest of that what do

362
00:13:58,150 --> 00:13:54,720
you think about bowers analysis of that

363
00:13:59,189 --> 00:13:58,160

from an economic model

364

00:14:00,389 --> 00:13:59,199

well i didn't actually see that

365

00:14:02,550 --> 00:14:00,399

interview i've seen most of your

366

00:14:04,310 --> 00:14:02,560

interviews but it just is a fascinating

367

00:14:06,230 --> 00:14:04,320

point what you brought up because

368

00:14:08,230 --> 00:14:06,240

i just remembered straight away as you

369

00:14:10,870 --> 00:14:08,240

said that clifford geertz he's a

370

00:14:13,189 --> 00:14:10,880

cultural anthropologist and very

371

00:14:17,269 --> 00:14:13,199

influential he was maybe the most cited

372

00:14:19,829 --> 00:14:17,279

of any anthropologist in the last decade

373

00:14:23,350 --> 00:14:19,839

he said explicitly

374

00:14:25,350 --> 00:14:23,360

that he got into the academy when it

375

00:14:26,870 --> 00:14:25,360

opened up during that time that you were

376

00:14:30,230 --> 00:14:26,880

mentioning that there was an

377

00:14:31,350 --> 00:14:30,240

explosion of positions in the university

378

00:14:33,269 --> 00:14:31,360

system

379

00:14:34,710 --> 00:14:33,279

and that he got in at the right time

380

00:14:37,670 --> 00:14:34,720

during the way

381

00:14:38,470 --> 00:14:37,680

and i and he was really influential with

382

00:14:39,750 --> 00:14:38,480

just

383

00:14:41,509 --> 00:14:39,760

changing

384

00:14:44,710 --> 00:14:41,519

anthropology from something that you

385

00:14:46,870 --> 00:14:44,720

could empirically and

386

00:14:49,430 --> 00:14:46,880

sort of objectively analyze that you

387

00:14:51,269 --> 00:14:49,440

could really have discussions about

388

00:14:52,710 --> 00:14:51,279

measurable facts

389

00:14:55,110 --> 00:14:52,720

to something that is

390

00:14:56,150 --> 00:14:55,120

postmodern that you just it's just an

391

00:14:57,829 --> 00:14:56,160

opinion

392

00:15:00,230 --> 00:14:57,839

and the meaning of words are just

393

00:15:01,910 --> 00:15:00,240

completely turned around and twisted and

394

00:15:04,470 --> 00:15:01,920

so you can't really even

395

00:15:06,310 --> 00:15:04,480

have a discussion about facts anymore

396

00:15:10,310 --> 00:15:06,320

anthropology

397

00:15:13,430 --> 00:15:10,320

and

398

00:15:15,350 --> 00:15:13,440

this just reminds me that um

399

00:15:17,269 --> 00:15:15,360

looking at from a conspiratorial angle

400

00:15:18,550 --> 00:15:17,279

that if you want to

401
00:15:20,069 --> 00:15:18,560
take over

402
00:15:21,509 --> 00:15:20,079
a faculty

403
00:15:23,269 --> 00:15:21,519
at a university

404
00:15:25,189 --> 00:15:23,279
you would open up

405
00:15:26,790 --> 00:15:25,199
the number of positions

406
00:15:28,710 --> 00:15:26,800
get your people in

407
00:15:30,710 --> 00:15:28,720
who are on your side

408
00:15:31,910 --> 00:15:30,720
and then once they're in like let's say

409
00:15:34,389 --> 00:15:31,920
you've got

410
00:15:36,230 --> 00:15:34,399
half of the faculty who are

411
00:15:38,629 --> 00:15:36,240
more just old-school who are just

412
00:15:40,069 --> 00:15:38,639
interested in the material you open it

413
00:15:40,949 --> 00:15:40,079

up so that there are twice as many

414

00:15:43,590 --> 00:15:40,959

people

415

00:15:46,150 --> 00:15:43,600

but you're hiring the ones that you want

416

00:15:47,749 --> 00:15:46,160

and then you constrict it again

417

00:15:49,189 --> 00:15:47,759

like a funnel just

418

00:15:51,749 --> 00:15:49,199

constricting more and more and that's

419

00:15:53,269 --> 00:15:51,759

what's happening maybe

420

00:15:55,110 --> 00:15:53,279

that's quite brilliant i hadn't heard of

421

00:15:56,710 --> 00:15:55,120

that before but doesn't that make a lot

422

00:15:58,069 --> 00:15:56,720

of sense that's that's really quite

423

00:16:00,550 --> 00:15:58,079

interesting

424

00:16:03,189 --> 00:16:00,560

yeah so so nelson what what should we

425

00:16:05,749 --> 00:16:03,199

there's so many interesting

426
00:16:07,430 --> 00:16:05,759
things we could talk about again we've

427
00:16:09,509 --> 00:16:07,440
had this wonderful wonderful

428
00:16:11,110 --> 00:16:09,519
relationship it's so cool to talk to you

429
00:16:14,069 --> 00:16:11,120
for the first time but

430
00:16:16,470 --> 00:16:14,079
i i can't i say this all the time but

431
00:16:18,310 --> 00:16:16,480
you know i feel connected to you just

432
00:16:20,550 --> 00:16:18,320
through the emails and the forum and

433
00:16:22,389 --> 00:16:20,560
over the years and this connection we

434
00:16:24,550 --> 00:16:22,399
have through the show and it's it is

435
00:16:26,870 --> 00:16:24,560
great to talk to you but it doesn't feel

436
00:16:29,749 --> 00:16:26,880
even like it's the first time talking to

437
00:16:31,670 --> 00:16:29,759
you even though it is but in the in

438
00:16:33,670 --> 00:16:31,680

recently we've had an email exchange

439

00:16:36,470 --> 00:16:33,680

that is really

440

00:16:37,749 --> 00:16:36,480

i don't know just taken blown my mind as

441

00:16:39,749 --> 00:16:37,759

i said earlier and there's a couple

442

00:16:41,350 --> 00:16:39,759

different parts of that that we would

443

00:16:43,670 --> 00:16:41,360

might want to talk about where do you

444

00:16:46,310 --> 00:16:43,680

think we might start what's on what's on

445

00:16:49,030 --> 00:16:46,320

your agenda

446

00:16:51,110 --> 00:16:49,040

okay first off i have to give credit to

447

00:16:54,710 --> 00:16:51,120

marti gaza who is a

448

00:16:56,870 --> 00:16:54,720

an expert on the field of ufos

449

00:16:58,870 --> 00:16:56,880

and he did this amazing series on

450

00:17:01,430 --> 00:16:58,880

brothers of the certain podcast with

451
00:17:03,910 --> 00:17:01,440
whom you've had interviews before

452
00:17:05,270 --> 00:17:03,920
and he did the series on ufos and i

453
00:17:06,069 --> 00:17:05,280
believe if i'm

454
00:17:07,829 --> 00:17:06,079
um

455
00:17:08,870 --> 00:17:07,839
remembering correctly that marty was

456
00:17:11,189 --> 00:17:08,880
actually a

457
00:17:13,590 --> 00:17:11,199
consultant at fox news

458
00:17:14,789 --> 00:17:13,600
for one of their shows on ufos that he

459
00:17:16,870 --> 00:17:14,799
was

460
00:17:19,270 --> 00:17:16,880
the expert that they had where people

461
00:17:21,510 --> 00:17:19,280
would call in about their sightings and

462
00:17:24,069 --> 00:17:21,520
marty would then analyze the likelihood

463
00:17:24,949 --> 00:17:24,079

that that actually was a ufo not just

464

00:17:28,309 --> 00:17:24,959

some

465

00:17:29,830 --> 00:17:28,319

aircraft

466

00:17:32,070 --> 00:17:29,840

and so

467

00:17:33,510 --> 00:17:32,080

if anyone wants to see this then in more

468

00:17:36,150 --> 00:17:33,520

detail than

469

00:17:39,029 --> 00:17:36,160

this uh series with marty on brothers of

470

00:17:40,310 --> 00:17:39,039

a certain podcast or just to say that

471

00:17:41,750 --> 00:17:40,320

and

472

00:17:44,710 --> 00:17:41,760

this really just

473

00:17:48,630 --> 00:17:44,720

this series blew my mind and

474

00:17:50,470 --> 00:17:48,640

he comes from this study looking ufo

475

00:17:52,150 --> 00:17:50,480

whereas i come from

476
00:17:53,510 --> 00:17:52,160
the perspective of

477
00:17:55,029 --> 00:17:53,520
academically

478
00:17:56,390 --> 00:17:55,039
studying and teaching

479
00:17:58,230 --> 00:17:56,400
mythology

480
00:18:00,150 --> 00:17:58,240
ancient religions

481
00:18:02,150 --> 00:18:00,160
and just the way that people thought

482
00:18:04,470 --> 00:18:02,160
back in the ancient world

483
00:18:06,789 --> 00:18:04,480
and so the two of us we were talking on

484
00:18:07,750 --> 00:18:06,799
the brothers of the serpent discord

485
00:18:09,190 --> 00:18:07,760
forum

486
00:18:11,430 --> 00:18:09,200
marty and i

487
00:18:14,070 --> 00:18:11,440
and we did have some

488
00:18:16,789 --> 00:18:14,080

disagreements with details but just

489

00:18:19,590 --> 00:18:16,799

overall it was amazing how much

490

00:18:23,750 --> 00:18:19,600

there is this continuum between

491

00:18:25,909 --> 00:18:23,760

the phenomena in the ancient world of

492

00:18:28,310 --> 00:18:25,919

the myths talking of these

493

00:18:29,430 --> 00:18:28,320

beings which are far more powerful than

494

00:18:31,190 --> 00:18:29,440

humans

495

00:18:33,510 --> 00:18:31,200

who shape-shift

496

00:18:37,110 --> 00:18:33,520

who capricious who

497

00:18:39,510 --> 00:18:37,120

yet behave unpredictably that they can

498

00:18:42,950 --> 00:18:39,520

implant thoughts into people's minds

499

00:18:44,789 --> 00:18:42,960

abduct people at will and who can breed

500

00:18:46,950 --> 00:18:44,799

with people

501
00:18:49,430 --> 00:18:46,960
and then if we look at that

502
00:18:51,190 --> 00:18:49,440
as a general phenomena just looking at

503
00:18:53,430 --> 00:18:51,200
that as a

504
00:18:56,230 --> 00:18:53,440
as a pattern just as a

505
00:18:57,430 --> 00:18:56,240
as a meta-analysis we go then through

506
00:19:00,230 --> 00:18:57,440
folklore

507
00:19:03,029 --> 00:19:00,240
and speaking of exactly the same thing

508
00:19:04,710 --> 00:19:03,039
one of the greatest folklore researchers

509
00:19:07,029 --> 00:19:04,720
said that that's the main theme in

510
00:19:09,669 --> 00:19:07,039
folklore is

511
00:19:13,029 --> 00:19:09,679
basically hybridization between

512
00:19:15,190 --> 00:19:13,039
these entities and humans

513
00:19:16,630 --> 00:19:15,200

and then we go into the witch trials in

514

00:19:18,310 --> 00:19:16,640

the middle ages and coming into the

515

00:19:19,669 --> 00:19:18,320

early modern period

516

00:19:22,070 --> 00:19:19,679

where they're talking about the same

517

00:19:24,630 --> 00:19:22,080

things this is a central theme

518

00:19:26,390 --> 00:19:24,640

for instance the *mallius melafocarum*

519

00:19:27,830 --> 00:19:26,400

which is the main text of the witch

520

00:19:28,710 --> 00:19:27,840

trials

521

00:19:31,350 --> 00:19:28,720

is

522

00:19:33,590 --> 00:19:31,360

the interbreeding between humans and

523

00:19:35,830 --> 00:19:33,600

these demons as they call them but

524

00:19:38,789 --> 00:19:35,840

they're basically these these

525

00:19:40,950 --> 00:19:38,799

paranormal entities and then if we go

526

00:19:42,630 --> 00:19:40,960

further into ufology

527

00:19:44,630 --> 00:19:42,640

going way back

528

00:19:46,549 --> 00:19:44,640

as well before roswell and everything

529

00:19:48,710 --> 00:19:46,559

but we're getting into into this as well

530

00:19:51,029 --> 00:19:48,720

that there are these beings

531

00:19:54,230 --> 00:19:51,039

who are coming down from the sky or

532

00:19:58,230 --> 00:19:54,240

somehow appearing from the earth

533

00:19:59,430 --> 00:19:58,240

they seem extremely telepathic they can

534

00:20:01,350 --> 00:19:59,440

shape-shift

535

00:20:04,950 --> 00:20:01,360

seemingly well

536

00:20:07,510 --> 00:20:04,960

they're luminous and they can

537

00:20:08,710 --> 00:20:07,520

basically abduct people and breed with

538

00:20:09,669 --> 00:20:08,720

them

539

00:20:12,630 --> 00:20:09,679

and they're

540

00:20:14,710 --> 00:20:12,640

obsessed with bloodlines

541

00:20:16,950 --> 00:20:14,720

and they're creating this progeny which

542

00:20:19,510 --> 00:20:16,960

is a hybridization of

543

00:20:22,710 --> 00:20:19,520

human and what i will call in this

544

00:20:24,070 --> 00:20:22,720

interview just ufo being just as in

545

00:20:26,470 --> 00:20:24,080

quotation marks because it's very

546

00:20:28,710 --> 00:20:26,480

difficult to define what these entities

547

00:20:31,190 --> 00:20:28,720

are whether they're

548

00:20:32,230 --> 00:20:31,200

gods or some sort of consciousness or

549

00:20:34,870 --> 00:20:32,240

some sort of

550

00:20:35,750 --> 00:20:34,880

material purely material being if we

551

00:20:37,669 --> 00:20:35,760

want to call it we're going to

552

00:20:39,190 --> 00:20:37,679

interweave this discussion back to the

553

00:20:42,070 --> 00:20:39,200

first part of

554

00:20:44,230 --> 00:20:42,080

the controlled message and we're talking

555

00:20:46,549 --> 00:20:44,240

about the controlled message in academia

556

00:20:48,230 --> 00:20:46,559

which seems to be lying behind that you

557

00:20:51,350 --> 00:20:48,240

know why are things moving in a certain

558

00:20:53,590 --> 00:20:51,360

direction why is the theme kind of

559

00:20:55,750 --> 00:20:53,600

relativism and what i always point out

560

00:20:58,230 --> 00:20:55,760

why does it go back philosophically to

561

00:20:59,750 --> 00:20:58,240

materialism you are meaningless you are

562

00:21:01,110 --> 00:20:59,760

a biological robot which is the

563

00:21:03,029 --> 00:21:01,120

underlying

564

00:21:04,630 --> 00:21:03,039

point i think in the humanities and they

565

00:21:07,110 --> 00:21:04,640

don't even realize it because they're

566

00:21:08,549 --> 00:21:07,120

not tuned into consciousness really

567

00:21:10,950 --> 00:21:08,559

being the fundamental question in

568

00:21:12,789 --> 00:21:10,960

science so they don't even notice when

569

00:21:15,669 --> 00:21:12,799

someone is

570

00:21:18,470 --> 00:21:15,679

steering them in in a direction that

571

00:21:20,630 --> 00:21:18,480

leads towards affirming this kind of

572

00:21:22,070 --> 00:21:20,640

scientific materialism but i think

573

00:21:23,669 --> 00:21:22,080

that's the game

574

00:21:25,510 --> 00:21:23,679

at hand and you're nodding your head so

575

00:21:27,750 --> 00:21:25,520

i think we'd agree

576

00:21:29,350 --> 00:21:27,760

but i i i think

577

00:21:32,390 --> 00:21:29,360

i don't want to get too far off the

578

00:21:35,590 --> 00:21:32,400

trail but i i can't resist throwing this

579

00:21:37,110 --> 00:21:35,600

just little sub point on the table is i

580

00:21:41,430 --> 00:21:37,120

almost feel like

581

00:21:44,789 --> 00:21:41,440

when we keep talking about ufos and uaps

582

00:21:47,430 --> 00:21:44,799

there is a certain kind of conditioning

583

00:21:48,789 --> 00:21:47,440

psyop thing going on there because i

584

00:21:50,710 --> 00:21:48,799

can't believe the number of people i

585

00:21:53,830 --> 00:21:50,720

talk to and say well let's talk about

586

00:21:55,909 --> 00:21:53,840

e.t let's talk about abduction and

587

00:21:57,750 --> 00:21:55,919

there's they're they're resistant to

588

00:21:59,990 --> 00:21:57,760

going there and and there's like a

589

00:22:01,990 --> 00:22:00,000

pullback and it's like well i don't know

590

00:22:03,830 --> 00:22:02,000

i don't know how i feel about that i

591

00:22:06,470 --> 00:22:03,840

believe in

592

00:22:07,909 --> 00:22:06,480

ufos i believe but i'm not willing to go

593

00:22:10,230 --> 00:22:07,919

there and i'm like

594

00:22:13,110 --> 00:22:10,240

okay think that through for me and tell

595

00:22:15,270 --> 00:22:13,120

me how you're putting that together you

596

00:22:16,310 --> 00:22:15,280

know in in if you're if you're putting

597

00:22:18,789 --> 00:22:16,320

that together

598

00:22:21,990 --> 00:22:18,799

you know specifically in terms of saying

599

00:22:25,270 --> 00:22:22,000

well i think they're all drones operated

600

00:22:27,669 --> 00:22:25,280

you know then uh okay but it just seems

601
00:22:30,310 --> 00:22:27,679
to me that that what's been

602
00:22:33,029 --> 00:22:30,320
planted into the system is this kind of

603
00:22:36,230 --> 00:22:33,039
blot this almost mental block that like

604
00:22:37,590 --> 00:22:36,240
i will accept the evidence of the ufo

605
00:22:40,870 --> 00:22:37,600
uap

606
00:22:42,470 --> 00:22:40,880
but i won't even begin to go there with

607
00:22:44,310 --> 00:22:42,480
the et

608
00:22:46,230 --> 00:22:44,320
because it leads to all the things

609
00:22:48,950 --> 00:22:46,240
you're talking about it leads to

610
00:22:52,390 --> 00:22:48,960
abduction it leads to genetic

611
00:22:55,270 --> 00:22:52,400
manipulation it leads to what is our

612
00:22:57,350 --> 00:22:55,280
history how far back does our history go

613
00:22:59,510 --> 00:22:57,360

and of course it leads to

614

00:23:00,789 --> 00:22:59,520

the extended consciousness realm and

615

00:23:04,549 --> 00:23:00,799

what role

616

00:23:07,110 --> 00:23:04,559

are these beings entities whatever

617

00:23:09,510 --> 00:23:07,120

playing in that in that game in that

618

00:23:11,510 --> 00:23:09,520

extended field but if i can roll that

619

00:23:14,310 --> 00:23:11,520

back what do you think about that it's

620

00:23:15,830 --> 00:23:14,320

kind of a crazy idea i know but

621

00:23:17,909 --> 00:23:15,840

do you think there's anything to that

622

00:23:18,870 --> 00:23:17,919

nelson have you noticed

623

00:23:26,789 --> 00:23:18,880

that

624

00:23:29,510 --> 00:23:26,799

people have mentally between ufos and

625

00:23:32,789 --> 00:23:29,520

i have but i actually um experienced the

626
00:23:33,750 --> 00:23:32,799
ufo myself as i communicated two years

627
00:23:35,430 --> 00:23:33,760
ago

628
00:23:37,510 --> 00:23:35,440
and i just assumed that it was a nuts

629
00:23:38,390 --> 00:23:37,520
and bolts sort of craft

630
00:23:40,149 --> 00:23:38,400
and that

631
00:23:41,350 --> 00:23:40,159
it was just

632
00:23:43,430 --> 00:23:41,360
simple

633
00:23:44,390 --> 00:23:43,440
and just to very very briefly describe

634
00:23:49,430 --> 00:23:44,400
this

635
00:23:52,070 --> 00:23:49,440
a hostile in australia

636
00:23:54,950 --> 00:23:52,080
and he told me that he is in sort of a

637
00:23:56,630 --> 00:23:54,960
telepathic communication with ufos

638
00:23:58,710 --> 00:23:56,640

and then in this state where he lives in

639

00:24:01,029 --> 00:23:58,720

the us i think it was new mexico or

640

00:24:03,269 --> 00:24:01,039

arizona where it's really

641

00:24:04,789 --> 00:24:03,279

desert-like and clear skies he said that

642

00:24:06,630 --> 00:24:04,799

above his house

643

00:24:08,710 --> 00:24:06,640

every night there are these ufos and

644

00:24:10,390 --> 00:24:08,720

that they're all over the house

645

00:24:13,350 --> 00:24:10,400

and that he

646

00:24:15,190 --> 00:24:13,360

and his two sort of housemates that they

647

00:24:17,029 --> 00:24:15,200

have this telepathic communication with

648

00:24:18,710 --> 00:24:17,039

this light

649

00:24:20,630 --> 00:24:18,720

and i asked them how well to what extent

650

00:24:22,950 --> 00:24:20,640

is this connection that you had with

651
00:24:26,710 --> 00:24:22,960
them and he said that he can

652
00:24:28,630 --> 00:24:26,720
tell when these lights are in the sky

653
00:24:29,830 --> 00:24:28,640
telepathically and that they're not

654
00:24:32,710 --> 00:24:29,840
hostile

655
00:24:35,190 --> 00:24:32,720
but more than that he has no idea

656
00:24:37,669 --> 00:24:35,200
and so he was saying that

657
00:24:39,830 --> 00:24:37,679
this ufo had been following him around

658
00:24:42,470 --> 00:24:39,840
the whole world from america to

659
00:24:43,909 --> 00:24:42,480
australia when when we were backpacking

660
00:24:45,750 --> 00:24:43,919
just that

661
00:24:47,590 --> 00:24:45,760
it was present sometimes

662
00:24:49,190 --> 00:24:47,600
and so one night we're on the balcony of

663
00:24:52,470 --> 00:24:49,200

the hostel

664

00:24:55,190 --> 00:24:52,480

and it was the evening and he just said

665

00:24:57,190 --> 00:24:55,200

i can sense that this ufo is here now

666

00:24:59,110 --> 00:24:57,200

and we were looking in the sky

667

00:25:01,029 --> 00:24:59,120

and we saw him on the horizon towards

668

00:25:03,110 --> 00:25:01,039

the blue mountains towards the interior

669

00:25:05,510 --> 00:25:03,120

of australia this

670

00:25:07,430 --> 00:25:05,520

light which looked like a star

671

00:25:10,710 --> 00:25:07,440

and it started moving

672

00:25:11,990 --> 00:25:10,720

and it was in a zigzag like this

673

00:25:14,950 --> 00:25:12,000

and it was

674

00:25:16,950 --> 00:25:14,960

changing direction at a very sharp angle

675

00:25:19,430 --> 00:25:16,960

and not slowing down whatsoever

676
00:25:20,470 --> 00:25:19,440
and at this time i'd i'd only just heard

677
00:25:22,470 --> 00:25:20,480
very

678
00:25:24,470 --> 00:25:22,480
cursorily just

679
00:25:25,669 --> 00:25:24,480
what a ufo is supposed to be and i just

680
00:25:27,830 --> 00:25:25,679
assumed that there would probably be

681
00:25:30,870 --> 00:25:27,840
some sort of craft up there some flying

682
00:25:32,630 --> 00:25:30,880
saucer maybe that was making this light

683
00:25:34,149 --> 00:25:32,640
and so

684
00:25:35,590 --> 00:25:34,159
i was just amazed and was telling people

685
00:25:38,070 --> 00:25:35,600
in the hostel and one of the people in

686
00:25:39,750 --> 00:25:38,080
the hostel there in sydney

687
00:25:41,269 --> 00:25:39,760
in the kitchen of the hostel he said no

688
00:25:43,269 --> 00:25:41,279

you should be careful with these lights

689

00:25:44,789 --> 00:25:43,279

there prophesied in the book of

690

00:25:46,070 --> 00:25:44,799

revelations and that they're from the

691

00:25:48,549 --> 00:25:46,080

devil

692

00:25:50,870 --> 00:25:48,559

and he was very adamant about this and

693

00:25:53,190 --> 00:25:50,880

i just got a bit concerned that if you

694

00:25:55,430 --> 00:25:53,200

tell people that they have all of these

695

00:25:57,430 --> 00:25:55,440

these ideas these preconceived ideas of

696

00:25:59,190 --> 00:25:57,440

what these things are

697

00:26:01,029 --> 00:25:59,200

and for myself i just believed it was

698

00:26:04,230 --> 00:26:01,039

nuts and bolts right

699

00:26:06,230 --> 00:26:04,240

and then i was talking to you

700

00:26:07,990 --> 00:26:06,240

years later and

701
00:26:08,870 --> 00:26:08,000
in the form they're skeptical and i was

702
00:26:11,029 --> 00:26:08,880
just

703
00:26:12,630 --> 00:26:11,039
telling this other experience that i had

704
00:26:14,630 --> 00:26:12,640
of this

705
00:26:16,789 --> 00:26:14,640
reincarnation flashback which i'll call

706
00:26:18,470 --> 00:26:16,799
it in quotation marks

707
00:26:20,070 --> 00:26:18,480
and it was that

708
00:26:22,630 --> 00:26:20,080
at the hostel there in australia in

709
00:26:24,470 --> 00:26:22,640
sydney it was in the evening

710
00:26:27,029 --> 00:26:24,480
and i was walking from the hostel to the

711
00:26:28,549 --> 00:26:27,039
beach about 50 meters away

712
00:26:30,950 --> 00:26:28,559
and i was at the car park between the

713
00:26:32,870 --> 00:26:30,960

hostel and the beach

714

00:26:35,269 --> 00:26:32,880

and then suddenly i could feel this

715

00:26:37,590 --> 00:26:35,279

energy in my body this uh

716

00:26:39,990 --> 00:26:37,600

energy flow got very strong going up and

717

00:26:42,070 --> 00:26:40,000

down from head to toe

718

00:26:44,470 --> 00:26:42,080

and then suddenly i couldn't move

719

00:26:47,430 --> 00:26:44,480

and i just stood there

720

00:26:48,870 --> 00:26:47,440

in the middle of the night there and

721

00:26:50,390 --> 00:26:48,880

no alcohol or drugs or anything like

722

00:26:53,110 --> 00:26:50,400

that i don't take drugs or anything just

723

00:26:53,830 --> 00:26:53,120

to make clear and so i was just standing

724

00:26:55,830 --> 00:26:53,840

there

725

00:26:59,029 --> 00:26:55,840

feeling this energy and couldn't move a

726

00:27:01,909 --> 00:26:59,039

muscle and then suddenly everything went

727

00:27:03,909 --> 00:27:01,919

blindingly white electric white sort of

728

00:27:06,149 --> 00:27:03,919

light

729

00:27:07,909 --> 00:27:06,159

and then slowly out of this whiteness

730

00:27:09,990 --> 00:27:07,919

and i could i couldn't feel my body

731

00:27:12,789 --> 00:27:10,000

anymore i couldn't sense time

732

00:27:15,990 --> 00:27:12,799

i saw out of this whiteness this scene

733

00:27:19,190 --> 00:27:16,000

before my eyes of this landscape which

734

00:27:21,110 --> 00:27:19,200

somehow i knew was in the ancient past

735

00:27:24,630 --> 00:27:21,120

and i was looking down on this river

736

00:27:26,870 --> 00:27:24,640

valley which was arid the valley but

737

00:27:29,190 --> 00:27:26,880

by the river was this temple

738

00:27:30,630 --> 00:27:29,200

and on the portico of the temple was

739

00:27:31,909 --> 00:27:30,640

this figure

740

00:27:34,789 --> 00:27:31,919

who was

741

00:27:37,029 --> 00:27:34,799

dressed in white clothes he had a

742

00:27:39,269 --> 00:27:37,039

bald head shaved head

743

00:27:40,710 --> 00:27:39,279

and i was looking down at him and

744

00:27:43,350 --> 00:27:40,720

somehow i knew

745

00:27:45,669 --> 00:27:43,360

that this was a previous incarnation

746

00:27:47,590 --> 00:27:45,679

of an egyptian priest and that i was

747

00:27:50,149 --> 00:27:47,600

watching him

748

00:27:51,750 --> 00:27:50,159

as a past life experience

749

00:27:53,830 --> 00:27:51,760

and i don't know how long i witnessed

750

00:27:54,630 --> 00:27:53,840

this for but then

751
00:27:57,990 --> 00:27:54,640
the

752
00:27:59,669 --> 00:27:58,000
whiteness came back

753
00:28:01,990 --> 00:27:59,679
it's electric light and then i could

754
00:28:03,830 --> 00:28:02,000
sense my body again and the energy was

755
00:28:05,269 --> 00:28:03,840
just flowing

756
00:28:07,190 --> 00:28:05,279
up and down

757
00:28:10,549 --> 00:28:07,200
shaking my body

758
00:28:12,950 --> 00:28:10,559
and i could slowly start to move again

759
00:28:14,310 --> 00:28:12,960
and that was my reincarnation experience

760
00:28:16,230 --> 00:28:14,320
and this would become

761
00:28:18,230 --> 00:28:16,240
more important as we discuss what this

762
00:28:20,230 --> 00:28:18,240
could have actually meant because it's

763
00:28:22,310 --> 00:28:20,240

very existential and has

764

00:28:24,950 --> 00:28:22,320

your view listeners will

765

00:28:27,430 --> 00:28:24,960

notice the similarities between what i

766

00:28:28,950 --> 00:28:27,440

just described in near-death experiences

767

00:28:29,750 --> 00:28:28,960

as well

768

00:28:31,669 --> 00:28:29,760

but

769

00:28:34,070 --> 00:28:31,679

i told you about this reincarnation

770

00:28:36,389 --> 00:28:34,080

flashback on the forum

771

00:28:37,510 --> 00:28:36,399

and then you said and and then you said

772

00:28:39,269 --> 00:28:37,520

to me

773

00:28:41,430 --> 00:28:39,279

that there is research

774

00:28:43,830 --> 00:28:41,440

that ufo experiences

775

00:28:47,029 --> 00:28:43,840

and near-death experiences are often

776

00:28:49,029 --> 00:28:47,039

within a short period of each other

777

00:28:50,950 --> 00:28:49,039

and that just blew my mind when i heard

778

00:28:53,350 --> 00:28:50,960

that because i thought straight away of

779

00:28:55,430 --> 00:28:53,360

this reincarnation flashback

780

00:28:57,510 --> 00:28:55,440

and how similar this is to a near-death

781

00:29:00,630 --> 00:28:57,520

experience and that this

782

00:29:02,230 --> 00:29:00,640

flashback was within a few days of

783

00:29:03,510 --> 00:29:02,240

seeing the ufo

784

00:29:05,350 --> 00:29:03,520

at the hostel

785

00:29:08,149 --> 00:29:05,360

after this friend of mine had left

786

00:29:10,070 --> 00:29:08,159

australia back to america i was looking

787

00:29:11,510 --> 00:29:10,080

at the sky every evening

788

00:29:12,389 --> 00:29:11,520

and

789

00:29:15,590 --> 00:29:12,399

within

790

00:29:18,389 --> 00:29:15,600

two days i think it was of him leaving

791

00:29:20,789 --> 00:29:18,399

i saw this this starlight light in the

792

00:29:22,870 --> 00:29:20,799

sky doing this again this time on the

793

00:29:25,350 --> 00:29:22,880

other horizon towards the

794

00:29:27,350 --> 00:29:25,360

pacific and it was on the horizon moving

795

00:29:29,350 --> 00:29:27,360

in that characteristic shape

796

00:29:31,350 --> 00:29:29,360

and then it suddenly just went down and

797

00:29:33,669 --> 00:29:31,360

i don't know if it went over the horizon

798

00:29:35,029 --> 00:29:33,679

or into the sea

799

00:29:36,710 --> 00:29:35,039

but

800

00:29:39,510 --> 00:29:36,720

yeah that was what happened basically

801
00:29:41,590 --> 00:29:39,520
and the reincarnation flashback was

802
00:29:45,110 --> 00:29:41,600
within this

803
00:29:47,350 --> 00:29:45,120
week to 10 long a 10-day long period

804
00:29:50,149 --> 00:29:47,360
so it's extremely unlikely that that was

805
00:29:52,870 --> 00:29:50,159
a coincidence i feel

806
00:29:56,149 --> 00:29:52,880
yeah there does seem to be something to

807
00:29:58,870 --> 00:29:56,159
the opening up to this extended realm

808
00:30:01,269 --> 00:29:58,880
and i'm always hesitant to

809
00:30:02,870 --> 00:30:01,279
go too far there because

810
00:30:05,269 --> 00:30:02,880
fundamentally

811
00:30:08,149 --> 00:30:05,279
we don't understand consciousness

812
00:30:09,669 --> 00:30:08,159
and that's been my that's in my gig my

813
00:30:11,909 --> 00:30:09,679

soapbox for

814

00:30:15,190 --> 00:30:11,919

10 years is until we

815

00:30:17,590 --> 00:30:15,200

can admit okay we don't understand it

816

00:30:19,110 --> 00:30:17,600

we don't really know how to process a

817

00:30:21,990 --> 00:30:19,120

lot of this stuff

818

00:30:23,669 --> 00:30:22,000

and i i just continue to continue to go

819

00:30:26,789 --> 00:30:23,679

there i mean the fundamental question is

820

00:30:29,029 --> 00:30:26,799

is consciousness fundamental

821

00:30:32,070 --> 00:30:29,039

because if consciousness is fundamental

822

00:30:33,990 --> 00:30:32,080

and all is emerging out of consciousness

823

00:30:35,269 --> 00:30:34,000

well then it's a different game and and

824

00:30:38,549 --> 00:30:35,279

that is the

825

00:30:40,470 --> 00:30:38,559

essentially when we go to the spiritual

826

00:30:41,830 --> 00:30:40,480

that's what the the spiritual wisdom

827

00:30:44,070 --> 00:30:41,840

traditions

828

00:30:46,149 --> 00:30:44,080

especially the ones that i'm been most

829

00:30:48,710 --> 00:30:46,159

tuned into the yogic ones i mean that's

830

00:30:51,110 --> 00:30:48,720

what they've always said is that

831

00:30:52,789 --> 00:30:51,120

it's all an illusion it's all maya so

832

00:30:55,590 --> 00:30:52,799

it's all

833

00:30:58,470 --> 00:30:55,600

a play and there does seem to be a

834

00:31:00,549 --> 00:30:58,480

certain truth to that and but that would

835

00:31:02,789 --> 00:31:00,559

that would cause us to look at all of

836

00:31:05,029 --> 00:31:02,799

this stuff differently all of this

837

00:31:05,830 --> 00:31:05,039

completely differently you know

838

00:31:08,549 --> 00:31:05,840

and

839

00:31:10,789 --> 00:31:08,559

i think we don't really want to go there

840

00:31:13,029 --> 00:31:10,799

right away at least we want to sit here

841

00:31:15,509 --> 00:31:13,039

and try and figure it out but i always

842

00:31:18,789 --> 00:31:15,519

want to kind of bracket the discussion

843

00:31:20,549 --> 00:31:18,799

of figuring it out with this idea that

844

00:31:22,389 --> 00:31:20,559

at some fundamental level we don't

845

00:31:24,230 --> 00:31:22,399

really understand

846

00:31:25,750 --> 00:31:24,240

we don't understand what past life

847

00:31:26,549 --> 00:31:25,760

memories

848

00:31:28,070 --> 00:31:26,559

are

849

00:31:30,710 --> 00:31:28,080

and i think

850

00:31:34,070 --> 00:31:30,720

like if i just throw my two cents in one

851
00:31:36,870 --> 00:31:34,080
of the misunderstandings that i think

852
00:31:39,909 --> 00:31:36,880
a lot of people leap to

853
00:31:42,149 --> 00:31:39,919
is if you if you listen to jim tucker

854
00:31:44,070 --> 00:31:42,159
from the university of virginia

855
00:31:45,990 --> 00:31:44,080
and you watch the cases that he's

856
00:31:47,990 --> 00:31:46,000
reviewed or you read about the cases and

857
00:31:50,149 --> 00:31:48,000
you read the peer-reviewed

858
00:31:52,310 --> 00:31:50,159
journals and you look at the science

859
00:31:54,310 --> 00:31:52,320
behind it you know the correlation

860
00:31:57,350 --> 00:31:54,320
between

861
00:31:59,430 --> 00:31:57,360
violent death and birth marks i mean

862
00:32:01,990 --> 00:31:59,440
gosh you can't get i mean that's

863
00:32:04,230 --> 00:32:02,000

uh it's pretty hard to

864

00:32:07,350 --> 00:32:04,240

hard to walk away from and if you just

865

00:32:09,669 --> 00:32:07,360

look at the number of cases they get

866

00:32:11,029 --> 00:32:09,679

that are vile that that have a

867

00:32:13,430 --> 00:32:11,039

reincarnation

868

00:32:15,990 --> 00:32:13,440

memory associated with it and have a

869

00:32:18,230 --> 00:32:16,000

violent death associated with it

870

00:32:20,710 --> 00:32:18,240

compared to the general population well

871

00:32:23,990 --> 00:32:20,720

that jumps out too as a statistical

872

00:32:26,789 --> 00:32:24,000

anomaly and then of course

873

00:32:29,430 --> 00:32:26,799

that's a folk tradition in india as well

874

00:32:31,590 --> 00:32:29,440

i learned meditation in india and just

875

00:32:32,950 --> 00:32:31,600

spent time in the countryside and

876

00:32:34,549 --> 00:32:32,960

talked with the people and this is a

877

00:32:37,029 --> 00:32:34,559

folk belief

878

00:32:39,590 --> 00:32:37,039

of exactly what you say so

879

00:32:41,430 --> 00:32:39,600

the science and the folk tradition is

880

00:32:43,110 --> 00:32:41,440

showing the same thing again

881

00:32:44,789 --> 00:32:43,120

so it seems very unlikely that that

882

00:32:46,950 --> 00:32:44,799

would be coincident

883

00:32:48,310 --> 00:32:46,960

yeah that's great i'm glad i'm glad you

884

00:32:49,590 --> 00:32:48,320

threw that in there

885

00:32:51,110 --> 00:32:49,600

so

886

00:32:53,669 --> 00:32:51,120

back i just wanted to go back to your

887

00:32:55,430 --> 00:32:53,679

question originally about

888

00:32:58,310 --> 00:32:55,440

the psyop angle

889

00:32:59,590 --> 00:32:58,320

and if there is a style that the ufo

890

00:33:01,350 --> 00:32:59,600

phenomena

891

00:33:04,070 --> 00:33:01,360

is just being

892

00:33:06,389 --> 00:33:04,080

narrated as nuts and bolts right

893

00:33:08,310 --> 00:33:06,399

and i believe that there is this just if

894

00:33:10,230 --> 00:33:08,320

you look at the pattern

895

00:33:13,029 --> 00:33:10,240

they just want the simple narrative that

896

00:33:15,830 --> 00:33:13,039

is just reductive materialistic

897

00:33:17,509 --> 00:33:15,840

that it's a threat maybe they can create

898

00:33:19,350 --> 00:33:17,519

the problem reaction solution they can

899

00:33:22,830 --> 00:33:19,360

create this one world government through

900

00:33:25,830 --> 00:33:22,840

this a global threat therefore a global

901
00:33:27,430 --> 00:33:25,840
solution being a con on a conspiratorial

902
00:33:29,590 --> 00:33:27,440
angle but you see even this with with

903
00:33:31,430 --> 00:33:29,600
valet for instance

904
00:33:33,750 --> 00:33:31,440
hold on before we before we jump into

905
00:33:35,430 --> 00:33:33,760
valet which is a whole other thing i

906
00:33:36,710 --> 00:33:35,440
want to comment on what you just said

907
00:33:39,590 --> 00:33:36,720
because

908
00:33:41,990 --> 00:33:39,600
when you were telling me about

909
00:33:44,149 --> 00:33:42,000
your story

910
00:33:45,669 --> 00:33:44,159
the one thing that flashed to me

911
00:33:47,509 --> 00:33:45,679
which is is

912
00:33:49,509 --> 00:33:47,519
another crazy angle and when you first

913
00:33:51,509 --> 00:33:49,519

started talking you said you know we're

914

00:33:54,070 --> 00:33:51,519

gonna have to be willing to go to that

915

00:33:55,990 --> 00:33:54,080

next level i always call it level three

916

00:33:59,029 --> 00:33:56,000

inside baseball where we may lose some

917

00:34:00,870 --> 00:33:59,039

people but that's okay you know we just

918

00:34:03,590 --> 00:34:00,880

oh no no it's no problem

919

00:34:06,470 --> 00:34:03,600

we just have to go where it takes us

920

00:34:09,109 --> 00:34:06,480

but nelson what i thought about is that

921

00:34:12,069 --> 00:34:09,119

when when you were talking about seeing

922

00:34:14,389 --> 00:34:12,079

the uh ufo and thinking that it's nuts

923

00:34:16,550 --> 00:34:14,399

and bolts the first thought i would

924

00:34:18,389 --> 00:34:16,560

oh my god this sounds like so many of

925

00:34:21,750 --> 00:34:18,399

the screen memory

926
00:34:23,030 --> 00:34:21,760
things that you hear from ufo from e.t

927
00:34:26,310 --> 00:34:23,040
abductees

928
00:34:27,750 --> 00:34:26,320
right you'll you'll hear about this

929
00:34:29,589 --> 00:34:27,760
over and over again you know i just

930
00:34:31,430 --> 00:34:29,599
interviewed a guy named ralph blumenthal

931
00:34:32,629 --> 00:34:31,440
who's a new york times reporter and

932
00:34:35,270 --> 00:34:32,639
maybe we'll come back to him but he

933
00:34:37,109 --> 00:34:35,280
wrote a terrific biography on john mack

934
00:34:39,589 --> 00:34:37,119
and john mack was a of course the

935
00:34:41,510 --> 00:34:39,599
harvard professor who got interested in

936
00:34:44,069 --> 00:34:41,520
people who had these abduction

937
00:34:45,589 --> 00:34:44,079
experiences and he said wow i'm a

938
00:34:47,909 --> 00:34:45,599

i'm one of the world's leading

939

00:34:50,230 --> 00:34:47,919

psychiatrists i know when people are

940

00:34:52,230 --> 00:34:50,240

making stuff up these people are not

941

00:34:54,869 --> 00:34:52,240

making this stuff up

942

00:34:55,990 --> 00:34:54,879

part of that experience is this screen

943

00:35:00,310 --> 00:34:56,000

memory

944

00:35:03,510 --> 00:35:00,320

you are okay you have in its often very

945

00:35:06,230 --> 00:35:03,520

simple kind of

946

00:35:08,870 --> 00:35:06,240

ideas that that are almost like

947

00:35:09,910 --> 00:35:08,880

you know nursery school level rhymes

948

00:35:12,150 --> 00:35:09,920

kind of thing

949

00:35:14,310 --> 00:35:12,160

but what what it it

950

00:35:16,630 --> 00:35:14,320

i just had an instant connection with

951
00:35:18,390 --> 00:35:16,640
what you were talking about there's

952
00:35:22,390 --> 00:35:18,400
nothing to worry about

953
00:35:24,790 --> 00:35:22,400
this is just a nuts and bolts machine

954
00:35:26,710 --> 00:35:24,800
you know it's like it's such an

955
00:35:29,589 --> 00:35:26,720
oversimplified

956
00:35:31,349 --> 00:35:29,599
explanation for what you're experiencing

957
00:35:33,430 --> 00:35:31,359
that it did pop to mind that it could

958
00:35:35,910 --> 00:35:33,440
potentially be a screen memory and that

959
00:35:37,990 --> 00:35:35,920
doesn't preclude it from being all those

960
00:35:40,390 --> 00:35:38,000
other things that you're saying too it

961
00:35:42,790 --> 00:35:40,400
would just suggest that there maybe is

962
00:35:44,790 --> 00:35:42,800
some cooperation between

963
00:35:46,870 --> 00:35:44,800

whoever is implanting some of those

964

00:35:50,310 --> 00:35:46,880

screen memories and your idea which i

965

00:35:52,790 --> 00:35:50,320

think is is my conclusion too is that of

966

00:35:55,190 --> 00:35:52,800

course you want people to think that it

967

00:35:57,990 --> 00:35:55,200

is a nuts and bolts of course you want

968

00:36:01,670 --> 00:35:58,000

people to think in down a materialistic

969

00:36:03,910 --> 00:36:01,680

science standpoint because you hit the

970

00:36:06,870 --> 00:36:03,920

nail on the head i think then it becomes

971

00:36:10,069 --> 00:36:06,880

a military threat then it becomes the

972

00:36:14,230 --> 00:36:10,079

impetus for us to further control and

973

00:36:16,310 --> 00:36:14,240

use our standard playbook of military

974

00:36:18,710 --> 00:36:16,320

industrial complex we're going to

975

00:36:20,310 --> 00:36:18,720

protect you kind of thing it all fits

976

00:36:22,390 --> 00:36:20,320

together

977

00:36:23,750 --> 00:36:22,400

before we jump on i have like five other

978

00:36:25,270 --> 00:36:23,760

topics that you've already kind of

979

00:36:27,510 --> 00:36:25,280

brought up that i want to

980

00:36:29,430 --> 00:36:27,520

get back to including the past lives

981

00:36:31,910 --> 00:36:29,440

memory thing

982

00:36:34,230 --> 00:36:31,920

but did i did i kind of get that right

983

00:36:35,990 --> 00:36:34,240

and i kind of took it one step further

984

00:36:38,150 --> 00:36:36,000

with perhaps

985

00:36:39,670 --> 00:36:38,160

et is

986

00:36:42,710 --> 00:36:39,680

part of that

987

00:36:44,790 --> 00:36:42,720

planting that screen memory of

988

00:36:46,550 --> 00:36:44,800

don't worry it's just it's just an

989

00:36:49,829 --> 00:36:46,560

object it's just nuts and bolts it's

990

00:36:51,910 --> 00:36:49,839

just a machine in the sky

991

00:36:52,829 --> 00:36:51,920

so how would you define screen memory by

992

00:36:55,589 --> 00:36:52,839

the

993

00:36:58,950 --> 00:36:55,599

way well screen memory isn't so much my

994

00:37:00,390 --> 00:36:58,960

term it's just a common term among

995

00:37:03,829 --> 00:37:00,400

abductees

996

00:37:06,390 --> 00:37:03,839

that they feel like and it's also a term

997

00:37:08,390 --> 00:37:06,400

that is used for people who have

998

00:37:10,870 --> 00:37:08,400

trauma disassociative identity

999

00:37:13,349 --> 00:37:10,880

kind of thing of where it's like in

1000

00:37:14,950 --> 00:37:13,359

hypnosis where there's a block you know

1001
00:37:16,870 --> 00:37:14,960
as soon as you start thinking about

1002
00:37:18,710 --> 00:37:16,880
something you're just blocked from going

1003
00:37:21,030 --> 00:37:18,720
any further

1004
00:37:23,349 --> 00:37:21,040
so the screen meant the screen memory

1005
00:37:24,710 --> 00:37:23,359
among the abduction community and i

1006
00:37:26,630 --> 00:37:24,720
don't want to overstate it because i'm

1007
00:37:29,349 --> 00:37:26,640
certainly not an expert

1008
00:37:33,109 --> 00:37:29,359
is implanted memory that when they

1009
00:37:35,589 --> 00:37:33,119
examine it further seems inconsistent

1010
00:37:37,510 --> 00:37:35,599
with what they would normally

1011
00:37:39,829 --> 00:37:37,520
how they would normally process the

1012
00:37:40,630 --> 00:37:39,839
situation you know what i mean so it's

1013
00:37:43,670 --> 00:37:40,640

just

1014

00:37:46,790 --> 00:37:43,680

stands out as kind of an unusual

1015

00:37:47,589 --> 00:37:46,800

implanted memory that doesn't exactly

1016

00:37:49,510 --> 00:37:47,599

fit

1017

00:37:51,510 --> 00:37:49,520

the scenario you know

1018

00:37:53,510 --> 00:37:51,520

why are my clothes why am i wearing

1019

00:37:55,109 --> 00:37:53,520

someone else's clothes you know it's

1020

00:37:57,030 --> 00:37:55,119

like well there's an explanation for

1021

00:37:58,950 --> 00:37:57,040

there's an explanation for everything

1022

00:38:01,589 --> 00:37:58,960

that pops into mind

1023

00:38:03,589 --> 00:38:01,599

that rationally doesn't make any sense

1024

00:38:06,230 --> 00:38:03,599

we always come back to the existential

1025

00:38:08,390 --> 00:38:06,240

question then with ufos

1026

00:38:10,230 --> 00:38:08,400
of consciousness the nature of

1027

00:38:12,230 --> 00:38:10,240
consciousness and

1028

00:38:13,829 --> 00:38:12,240
it reminds me so much of ndes as well

1029

00:38:15,990 --> 00:38:13,839
we'll get to this in a second

1030

00:38:17,430 --> 00:38:16,000
i think later on that

1031

00:38:20,630 --> 00:38:17,440
there's this

1032

00:38:24,150 --> 00:38:20,640
seemingly absurd or irrational

1033

00:38:26,470 --> 00:38:24,160
bizarreness even of of this phenomena

1034

00:38:28,630 --> 00:38:26,480
that is difficult to really

1035

00:38:30,470 --> 00:38:28,640
just make sense of

1036

00:38:32,710 --> 00:38:30,480
and this is one of the reasons why i

1037

00:38:36,069 --> 00:38:32,720
started to question what

1038

00:38:37,030 --> 00:38:36,079

these ndes actually could be

1039

00:38:38,710 --> 00:38:37,040

and

1040

00:38:40,710 --> 00:38:38,720

i do you want me to get into that now

1041

00:38:42,069 --> 00:38:40,720

actually what maybe maybe let's pause

1042

00:38:43,510 --> 00:38:42,079

let's pause on that for a second because

1043

00:38:46,550 --> 00:38:43,520

i kind of wanted to finish

1044

00:38:48,870 --> 00:38:46,560

a point that i was i maybe i was not

1045

00:38:51,910 --> 00:38:48,880

getting there fast enough but

1046

00:38:54,550 --> 00:38:51,920

with the past life memories

1047

00:38:55,829 --> 00:38:54,560

the one problem i see with that is like

1048

00:38:58,630 --> 00:38:55,839

like i was saying you know you can go

1049

00:39:00,150 --> 00:38:58,640

down the jim tucker path and the science

1050

00:39:02,069 --> 00:39:00,160

that the university of virginia has

1051
00:39:04,630 --> 00:39:02,079
compiled on that and you walk away and

1052
00:39:06,550 --> 00:39:04,640
you go wow and and the one thing that

1053
00:39:08,870 --> 00:39:06,560
strikes you is the big lie you know wow

1054
00:39:11,589 --> 00:39:08,880
how can science ignore this this is

1055
00:39:13,430 --> 00:39:11,599
overwhelming data that's replicated over

1056
00:39:15,510 --> 00:39:13,440
and over again and jim tucker is doing

1057
00:39:17,990 --> 00:39:15,520
the right thing he just says i'm just

1058
00:39:19,990 --> 00:39:18,000
compiling more and more and more data

1059
00:39:21,589 --> 00:39:20,000
more case work doing it as carefully as

1060
00:39:23,670 --> 00:39:21,599
i can and you can appreciate this from

1061
00:39:25,190 --> 00:39:23,680
your academic background is i'm just

1062
00:39:28,150 --> 00:39:25,200
going to pile it up and i'm going to

1063
00:39:30,470 --> 00:39:28,160

stack the corded wood with uh cases from

1064

00:39:32,310 --> 00:39:30,480

the north america as well because

1065

00:39:34,230 --> 00:39:32,320

there's a certain amount of dismissing

1066

00:39:37,109 --> 00:39:34,240

this because they're from india or sri

1067

00:39:39,430 --> 00:39:37,119

lanka but the the problem with that is

1068

00:39:41,430 --> 00:39:39,440

that then i think a lot of people take

1069

00:39:43,270 --> 00:39:41,440

the next step and i am unwilling to take

1070

00:39:46,310 --> 00:39:43,280

that next step the next step is to

1071

00:39:48,710 --> 00:39:46,320

suggest that it is literally true

1072

00:39:51,430 --> 00:39:48,720

that you are literally literally

1073

00:39:54,230 --> 00:39:51,440

remembering a past life

1074

00:39:56,870 --> 00:39:54,240

and that you can understand that in the

1075

00:39:58,230 --> 00:39:56,880

context of your life and if you really

1076

00:39:59,829 --> 00:39:58,240

step back and look at that and that's

1077

00:40:01,829 --> 00:39:59,839

why i guess i would relate that back to

1078

00:40:04,630 --> 00:40:01,839

your story of the your past life or

1079

00:40:06,470 --> 00:40:04,640

memory or what you suspect is a past

1080

00:40:09,030 --> 00:40:06,480

life memory

1081

00:40:10,870 --> 00:40:09,040

of the ancient egypt

1082

00:40:11,829 --> 00:40:10,880

quotation marks as well that's why i did

1083

00:40:14,790 --> 00:40:11,839

put it in

1084

00:40:20,309 --> 00:40:17,270

i sense that you have that sensibility

1085

00:40:21,750 --> 00:40:20,319

which i think is great and i i i mean i

1086

00:40:24,150 --> 00:40:21,760

guess this is kind of even more of a

1087

00:40:26,390 --> 00:40:24,160

philosophical question but you're of

1088

00:40:28,309 --> 00:40:26,400

that mindset to to be the right guy to

1089

00:40:30,309 --> 00:40:28,319

talk about this is that

1090

00:40:32,470 --> 00:40:30,319

that is a recurring theme in this in

1091

00:40:36,309 --> 00:40:32,480

terms of how do we move forward how do

1092

00:40:39,109 --> 00:40:36,319

we use that that data that new data that

1093

00:40:40,390 --> 00:40:39,119

is trying to be uh suppressed and trying

1094

00:40:43,349 --> 00:40:40,400

to be

1095

00:40:45,510 --> 00:40:43,359

denied but then how do we not overstep

1096

00:40:46,950 --> 00:40:45,520

with it because and you understand the

1097

00:40:48,870 --> 00:40:46,960

implications what i'm you understand

1098

00:40:51,510 --> 00:40:48,880

where i'm going with that is that

1099

00:40:53,670 --> 00:40:51,520

past life memories do not only make

1100

00:40:56,390 --> 00:40:53,680

sense in linear time

1101
00:40:59,589 --> 00:40:56,400
and yet they're talking about escaping

1102
00:41:01,510 --> 00:40:59,599
time and space to have those memories so

1103
00:41:03,670 --> 00:41:01,520
there's an there's already an internal

1104
00:41:06,150 --> 00:41:03,680
contradiction that no one talks about

1105
00:41:08,550 --> 00:41:06,160
how can you have a past life memory what

1106
00:41:11,109 --> 00:41:08,560
does that mean why do you think your

1107
00:41:13,430 --> 00:41:11,119
life is primary are you living multiple

1108
00:41:15,270 --> 00:41:13,440
lives at the same time you know which

1109
00:41:17,190 --> 00:41:15,280
life is

1110
00:41:19,510 --> 00:41:17,200
primary is fundamental all these

1111
00:41:21,510 --> 00:41:19,520
questions kind of just get pushed aside

1112
00:41:23,990 --> 00:41:21,520
and say well well no can you take me

1113
00:41:25,910 --> 00:41:24,000

back to a time when i had this past life

1114

00:41:27,589 --> 00:41:25,920

memory without really thinking it

1115

00:41:29,750 --> 00:41:27,599

through and then i think is our

1116

00:41:31,190 --> 00:41:29,760

challenge in terms of pushing this

1117

00:41:33,030 --> 00:41:31,200

consciousness

1118

00:41:35,190 --> 00:41:33,040

frontier is to just kind of point out

1119

00:41:38,550 --> 00:41:35,200

these obvious uh problems do you have

1120

00:41:40,230 --> 00:41:38,560

any do you have any thoughts on that

1121

00:41:41,750 --> 00:41:40,240

my thoughts on this are that

1122

00:41:43,190 --> 00:41:41,760

there are a number of angles that we've

1123

00:41:45,589 --> 00:41:43,200

been taking right the actual

1124

00:41:47,190 --> 00:41:45,599

investigators such as the university of

1125

00:41:48,470 --> 00:41:47,200

virginia professor with the with the

1126

00:41:50,710 --> 00:41:48,480

reincarnation

1127

00:41:52,550 --> 00:41:50,720

stories that he's been compiling and dr

1128

00:41:54,470 --> 00:41:52,560

long for instance and others pin

1129

00:41:55,510 --> 00:41:54,480

feminine with the near-death experiences

1130

00:41:57,349 --> 00:41:55,520

and they're really

1131

00:41:58,710 --> 00:41:57,359

the investigators who are compiling the

1132

00:42:00,230 --> 00:41:58,720

data

1133

00:42:02,790 --> 00:42:00,240

and they're specialists in their field

1134

00:42:04,470 --> 00:42:02,800

and highly qualified in that field but

1135

00:42:06,550 --> 00:42:04,480

then there is the

1136

00:42:08,950 --> 00:42:06,560

the analysis of the data and looking at

1137

00:42:09,750 --> 00:42:08,960

different data sets as well for instance

1138

00:42:11,510 --> 00:42:09,760

what

1139

00:42:14,150 --> 00:42:11,520

you've been doing on your show is

1140

00:42:15,910 --> 00:42:14,160

looking at all these different fields

1141

00:42:17,510 --> 00:42:15,920

which originally seemed to be

1142

00:42:19,829 --> 00:42:17,520

disconnected like when you started

1143

00:42:21,829 --> 00:42:19,839

talking about ufos i was really just i

1144

00:42:23,510 --> 00:42:21,839

found that

1145

00:42:24,550 --> 00:42:23,520

just quizzical really i didn't really

1146

00:42:27,270 --> 00:42:24,560

understand where you were going with

1147

00:42:28,710 --> 00:42:27,280

that and some of your audience also

1148

00:42:31,589 --> 00:42:28,720

were wondering what you were doing with

1149

00:42:33,910 --> 00:42:31,599

this but then we look at the

1150

00:42:34,950 --> 00:42:33,920

similarities just the overall patterns

1151
00:42:37,270 --> 00:42:34,960
between

1152
00:42:39,030 --> 00:42:37,280
these different fields

1153
00:42:41,990 --> 00:42:39,040
and we'll put that in quotation marks as

1154
00:42:43,750 --> 00:42:42,000
well so these different data sets

1155
00:42:45,990 --> 00:42:43,760
and we've got near-death experiences for

1156
00:42:49,670 --> 00:42:46,000
instance we've got reincarnation

1157
00:42:51,750 --> 00:42:49,680
memories and we've got ufology

1158
00:42:53,510 --> 00:42:51,760
and i just and we've got mythology as

1159
00:42:55,589 --> 00:42:53,520
well and so if we've got all of these

1160
00:42:59,270 --> 00:42:55,599
different fields of study

1161
00:43:01,750 --> 00:42:59,280
and folklore as well so many of them if

1162
00:43:04,390 --> 00:43:01,760
we look at it as a very very

1163
00:43:06,710 --> 00:43:04,400

broad pattern we're seeing very very

1164

00:43:08,230 --> 00:43:06,720

similar phenomena for instance

1165

00:43:10,710 --> 00:43:08,240

this

1166

00:43:11,829 --> 00:43:10,720

sensation of timelessness that

1167

00:43:13,910 --> 00:43:11,839

these

1168

00:43:15,670 --> 00:43:13,920

experiences have that time

1169

00:43:18,790 --> 00:43:15,680

becomes meaningless that

1170

00:43:20,230 --> 00:43:18,800

that space all also becomes meaningless

1171

00:43:22,870 --> 00:43:20,240

just with a thought

1172

00:43:24,710 --> 00:43:22,880

this ufo seems to just what the

1173

00:43:26,630 --> 00:43:24,720

inductee's recalling is that they're

1174

00:43:29,670 --> 00:43:26,640

then there at that place and that

1175

00:43:32,150 --> 00:43:29,680

there's this dislocality with this whole

1176

00:43:33,990 --> 00:43:32,160

pattern and this is what i think

1177

00:43:34,870 --> 00:43:34,000

is necessary for the few people in the

1178

00:43:36,870 --> 00:43:34,880

world

1179

00:43:38,710 --> 00:43:36,880

who have enough knowledge with these

1180

00:43:42,230 --> 00:43:38,720

different data sets who have

1181

00:43:43,990 --> 00:43:42,240

been trained as well to analyze data

1182

00:43:46,870 --> 00:43:44,000

that we can just see these overall

1183

00:43:48,870 --> 00:43:46,880

patterns and not be

1184

00:43:51,109 --> 00:43:48,880

distracted by the

1185

00:43:52,950 --> 00:43:51,119

smaller details

1186

00:43:54,470 --> 00:43:52,960

and we can just see the overall pattern

1187

00:43:56,390 --> 00:43:54,480

for instance of

1188

00:43:57,109 --> 00:43:56,400

what you were describing of timelessness

1189

00:43:59,349 --> 00:43:57,119

and

1190

00:44:01,910 --> 00:43:59,359

spacelessness within all of these data

1191

00:44:03,270 --> 00:44:01,920

sets but it's tough isn't it and i'd go

1192

00:44:04,630 --> 00:44:03,280

back to your background i thought it was

1193

00:44:07,190 --> 00:44:04,640

so interesting you said you know you

1194

00:44:09,910 --> 00:44:07,200

were studying these greek vases right

1195

00:44:11,990 --> 00:44:09,920

like and you were probably one of the

1196

00:44:13,910 --> 00:44:12,000

top experts in the world that that i

1197

00:44:15,589 --> 00:44:13,920

imagine just from what you're telling me

1198

00:44:18,550 --> 00:44:15,599

not that you're the top but one of the

1199

00:44:19,750 --> 00:44:18,560

top and so there's someone out there

1200

00:44:21,190 --> 00:44:19,760

someone out there

1201

00:44:23,430 --> 00:44:21,200

what's that

1202

00:44:25,670 --> 00:44:23,440

compared to the general population

1203

00:44:28,870 --> 00:44:25,680

so there's someone out there

1204

00:44:30,710 --> 00:44:28,880

on the site doing the archaeological dig

1205

00:44:33,349 --> 00:44:30,720

sifting through that stuff that's

1206

00:44:35,430 --> 00:44:33,359

bringing back to you the little pieces

1207

00:44:37,270 --> 00:44:35,440

and then you're compiling those little

1208

00:44:40,630 --> 00:44:37,280

pieces and then there's someone else

1209

00:44:43,190 --> 00:44:40,640

who's analyzing it as you said well

1210

00:44:45,430 --> 00:44:43,200

great nelson that's great and you've put

1211

00:44:47,270 --> 00:44:45,440

it together and you've put it in and

1212

00:44:48,630 --> 00:44:47,280

just to be clear i've always been more

1213

00:44:51,750 --> 00:44:48,640

of an

1214

00:44:53,430 --> 00:44:51,760

analyst not an investigator so i

1215

00:44:55,910 --> 00:44:53,440

specialize in the

1216

00:44:59,430 --> 00:44:55,920

the analysis not the actual

1217

00:45:00,710 --> 00:44:59,440

excavation it's not archaeology so

1218

00:45:02,309 --> 00:45:00,720

i'm looking at this more of a

1219

00:45:03,750 --> 00:45:02,319

meta-analysis of

1220

00:45:05,270 --> 00:45:03,760

all these different religions these

1221

00:45:07,750 --> 00:45:05,280

ancient religions and the ancient

1222

00:45:09,430 --> 00:45:07,760

cultures and how they thought and really

1223

00:45:11,510 --> 00:45:09,440

immersing myself from that and seeing

1224

00:45:13,750 --> 00:45:11,520

the overall patterns of this and to

1225

00:45:16,390 --> 00:45:13,760

figure out how they thought

1226

00:45:18,790 --> 00:45:16,400

how their material culture was

1227

00:45:21,190 --> 00:45:18,800

awesome totally awesome and i kind of

1228

00:45:22,710 --> 00:45:21,200

assumed so and i just was wondering if

1229

00:45:24,550 --> 00:45:22,720

you wanted to take

1230

00:45:27,030 --> 00:45:24,560

what you just said and take that even

1231

00:45:28,630 --> 00:45:27,040

further right because

1232

00:45:30,309 --> 00:45:28,640

as you described at the very beginning

1233

00:45:32,790 --> 00:45:30,319

of this show then

1234

00:45:34,790 --> 00:45:32,800

your mind when you learned about some

1235

00:45:37,030 --> 00:45:34,800

folklore and mythology that you weren't

1236

00:45:39,750 --> 00:45:37,040

familiar with you immediately expanded

1237

00:45:41,990 --> 00:45:39,760

your paradigm which was already kind of

1238

00:45:44,630 --> 00:45:42,000

there you know and i think that's what's

1239

00:45:46,630 --> 00:45:44,640

constantly constantly going on and as

1240

00:45:47,430 --> 00:45:46,640

you point out what it's going to take is

1241

00:45:49,750 --> 00:45:47,440

then

1242

00:45:52,470 --> 00:45:49,760

merging that paradigm with about four

1243

00:45:53,750 --> 00:45:52,480

other paradigms to nudge even closer to

1244

00:45:55,589 --> 00:45:53,760

it and when you look at it from that

1245

00:45:58,309 --> 00:45:55,599

perspective

1246

00:46:00,069 --> 00:45:58,319

i don't know it's a big job

1247

00:46:01,510 --> 00:46:00,079

yeah and we've got to be careful with

1248

00:46:03,430 --> 00:46:01,520

all of this that when we're seeing the

1249

00:46:05,990 --> 00:46:03,440

patterns which are actually very

1250

00:46:08,390 --> 00:46:06,000

repetitive and they're very

1251
00:46:10,150 --> 00:46:08,400
significant i think but we still have to

1252
00:46:11,190 --> 00:46:10,160
be skeptical that just because there is

1253
00:46:22,630 --> 00:46:11,200
a

1254
00:46:24,550 --> 00:46:22,640
single one

1255
00:46:26,470 --> 00:46:24,560
but i still think it's significant that

1256
00:46:29,589 --> 00:46:26,480
we still see this pattern for instance

1257
00:46:32,710 --> 00:46:29,599
of timelessness and non-locality within

1258
00:46:35,030 --> 00:46:32,720
all of this within mythology folklore

1259
00:46:37,589 --> 00:46:35,040
within ufology within near-death

1260
00:46:38,550 --> 00:46:37,599
experience science and within studies as

1261
00:46:40,069 --> 00:46:38,560
well

1262
00:46:41,510 --> 00:46:40,079
so great and i want to jump right back

1263
00:46:43,910 --> 00:46:41,520

into the mythology thing because it's

1264

00:46:45,750 --> 00:46:43,920

really kind of a hotbud issue for me but

1265

00:46:48,390 --> 00:46:45,760

i can't resist before we go there do you

1266

00:46:49,990 --> 00:46:48,400

have any examples from your personal

1267

00:46:51,670 --> 00:46:50,000

experience

1268

00:46:52,870 --> 00:46:51,680

as a researcher

1269

00:46:56,230 --> 00:46:52,880

where this

1270

00:46:58,710 --> 00:46:56,240

correlation versus causation thing did

1271

00:47:00,309 --> 00:46:58,720

crop up i always think of the cave

1272

00:47:02,069 --> 00:47:00,319

paintings and

1273

00:47:04,390 --> 00:47:02,079

the initial thing is oh that's

1274

00:47:05,190 --> 00:47:04,400

pornography you know that it's like they

1275

00:47:07,589 --> 00:47:05,200

they

1276

00:47:08,550 --> 00:47:07,599

go well no it's not at all you know it's

1277

00:47:13,030 --> 00:47:08,560

like

1278

00:47:14,230 --> 00:47:13,040

that you did where there was kind of

1279

00:47:16,230 --> 00:47:14,240

this

1280

00:47:18,470 --> 00:47:16,240

if if not you someone else who had to do

1281

00:47:21,829 --> 00:47:18,480

a major kind of oops

1282

00:47:24,390 --> 00:47:21,839

just basically what i would say is that

1283

00:47:27,589 --> 00:47:24,400

most of the people in academia now who

1284

00:47:29,670 --> 00:47:27,599

are being paid to work they are

1285

00:47:30,790 --> 00:47:29,680

extremely condescending of the ancient

1286

00:47:33,190 --> 00:47:30,800

cultures

1287

00:47:35,750 --> 00:47:33,200

and they are actually rewarded for

1288

00:47:37,430 --> 00:47:35,760

explicitly describing these religions as

1289

00:47:39,109 --> 00:47:37,440

superstition

1290

00:47:41,349 --> 00:47:39,119

explicitly

1291

00:47:42,710 --> 00:47:41,359

and this is such a huge

1292

00:47:44,150 --> 00:47:42,720

prejudice

1293

00:47:47,990 --> 00:47:44,160

that you're just assuming that it's

1294

00:47:50,309 --> 00:47:48,000

nonsensical just fantastical ridiculous

1295

00:47:53,190 --> 00:47:50,319

ideas that these people had

1296

00:47:54,950 --> 00:47:53,200

and i've seen this i've seen people

1297

00:47:56,950 --> 00:47:54,960

actually one person in particular that

1298

00:47:59,270 --> 00:47:56,960

i'm thinking of he was rewarded given a

1299

00:48:00,790 --> 00:47:59,280

prize for an essay competition a

1300

00:48:03,510 --> 00:48:00,800

national essay competition in new

1301
00:48:07,190 --> 00:48:03,520
zealand for writing that the ancient

1302
00:48:08,950 --> 00:48:07,200
religions were superstition

1303
00:48:10,630 --> 00:48:08,960
so interesting that's such a great point

1304
00:48:12,549 --> 00:48:10,640
because it fits perfectly this about

1305
00:48:14,230 --> 00:48:12,559
this other thing we're talking about

1306
00:48:15,910 --> 00:48:14,240
which has been kind of my gig for a long

1307
00:48:17,190 --> 00:48:15,920
time is

1308
00:48:18,829 --> 00:48:17,200
the main

1309
00:48:21,190 --> 00:48:18,839
message being

1310
00:48:23,430 --> 00:48:21,200
propagated is

1311
00:48:26,710 --> 00:48:23,440
you are meaningless and you do not

1312
00:48:28,630 --> 00:48:26,720
consciousness is an illusion and

1313
00:48:31,270 --> 00:48:28,640

it's so funny that people in the

1314

00:48:33,750 --> 00:48:31,280

humanities don't understand that but

1315

00:48:35,910 --> 00:48:33,760

that would be the natural

1316

00:48:38,150 --> 00:48:35,920

extension of that and it's also funny

1317

00:48:39,910 --> 00:48:38,160

like we're talking about that

1318

00:48:41,990 --> 00:48:39,920

like i look at the reincarnation

1319

00:48:43,750 --> 00:48:42,000

research at jim tucker and i guess

1320

00:48:44,870 --> 00:48:43,760

that's what i was kind of alluding to is

1321

00:48:46,549 --> 00:48:44,880

like

1322

00:48:49,990 --> 00:48:46,559

you know great

1323

00:48:53,109 --> 00:48:50,000

reincarnation how about just using that

1324

00:48:54,390 --> 00:48:53,119

just to completely break down

1325

00:48:57,030 --> 00:48:54,400

this

1326

00:48:58,870 --> 00:48:57,040

scientific materialism dogma and its

1327

00:49:01,030 --> 00:48:58,880

implications for consciousness because

1328

00:49:02,549 --> 00:49:01,040

this to me relates directly back to your

1329

00:49:05,790 --> 00:49:02,559

point

1330

00:49:08,309 --> 00:49:05,800

if there is this extended realm if a

1331

00:49:11,030 --> 00:49:08,319

reincarnation is in fact the evidence

1332

00:49:13,670 --> 00:49:11,040

for that is is strong then

1333

00:49:16,230 --> 00:49:13,680

that guy no longer looks credible not

1334

00:49:18,309 --> 00:49:16,240

that he ever did look credible but it i

1335

00:49:19,670 --> 00:49:18,319

guess what i'm saying is doesn't a lot

1336

00:49:21,910 --> 00:49:19,680

of the stuff we're talking about

1337

00:49:24,790 --> 00:49:21,920

including reincarnation science

1338

00:49:26,710 --> 00:49:24,800

including near-death experience science

1339

00:49:28,870 --> 00:49:26,720

do you think that that part of the

1340

00:49:31,190 --> 00:49:28,880

pushback on that is that it

1341

00:49:33,910 --> 00:49:31,200

fundamentally undermines that guy you're

1342

00:49:36,870 --> 00:49:33,920

talking about in a way that probably he

1343

00:49:38,630 --> 00:49:36,880

doesn't even realize and that

1344

00:49:41,270 --> 00:49:38,640

you know maybe that's really the game

1345

00:49:43,990 --> 00:49:41,280

that's afoot without a lot of people

1346

00:49:45,510 --> 00:49:44,000

knowing it with inside of academia it's

1347

00:49:47,430 --> 00:49:45,520

always difficult to

1348

00:49:49,910 --> 00:49:47,440

analyze what people are actually

1349

00:49:51,430 --> 00:49:49,920

motivated by what their inner life is so

1350

00:49:54,150 --> 00:49:51,440

i don't really want to comment too much

1351

00:49:56,950 --> 00:49:54,160

on that but i think a lot of it probably

1352

00:50:00,069 --> 00:49:56,960

is unconscious with many of these

1353

00:50:03,030 --> 00:50:00,079

individuals that they're so seat in this

1354

00:50:05,270 --> 00:50:03,040

world view of reductionist materialism

1355

00:50:07,190 --> 00:50:05,280

and this meaningless universe and that

1356

00:50:08,790 --> 00:50:07,200

it's just ridiculous superstition what

1357

00:50:10,150 --> 00:50:08,800

the ancients were doing

1358

00:50:12,549 --> 00:50:10,160

that they really

1359

00:50:13,750 --> 00:50:12,559

probably haven't even heard an

1360

00:50:15,829 --> 00:50:13,760

alternative

1361

00:50:18,230 --> 00:50:15,839

view of this that

1362

00:50:19,589 --> 00:50:18,240

like i i just come

1363

00:50:22,390 --> 00:50:19,599

at the whole

1364

00:50:23,589 --> 00:50:22,400

past with this open mind that

1365

00:50:25,670 --> 00:50:23,599

maybe

1366

00:50:27,990 --> 00:50:25,680

what the ancients were describing was

1367

00:50:31,109 --> 00:50:28,000

literally true or at least the kernel of

1368

00:50:33,430 --> 00:50:31,119

truth of what they were experiencing

1369

00:50:35,030 --> 00:50:33,440

but it's a radical idea but what if what

1370

00:50:35,990 --> 00:50:35,040

they're describing in their religions

1371

00:50:37,910 --> 00:50:36,000

and

1372

00:50:40,390 --> 00:50:37,920

in communication with these entities

1373

00:50:41,589 --> 00:50:40,400

which they were obsessively

1374

00:50:42,630 --> 00:50:41,599

trying to do

1375

00:50:44,549 --> 00:50:42,640

to get

1376

00:50:45,670 --> 00:50:44,559

real-world effects maybe they were

1377

00:50:48,069 --> 00:50:45,680

actually

1378

00:50:49,589 --> 00:50:48,079

connecting with some entities

1379

00:50:51,750 --> 00:50:49,599

or maybe these myths that they're

1380

00:50:54,630 --> 00:50:51,760

describing actually are some entities

1381

00:50:56,790 --> 00:50:54,640

which are visiting humans and that it's

1382

00:50:58,710 --> 00:50:56,800

not just nonsense that's the question

1383

00:50:59,750 --> 00:50:58,720

that i have i'm open to this whereas

1384

00:51:03,270 --> 00:50:59,760

most

1385

00:51:05,030 --> 00:51:03,280

academics are just completely closed

1386

00:51:06,790 --> 00:51:05,040

right and at this point it's almost like

1387

00:51:08,950 --> 00:51:06,800

we need to leave

1388

00:51:11,030 --> 00:51:08,960

academia behind in scientific

1389

00:51:14,230 --> 00:51:11,040

materialism behind because

1390

00:51:17,030 --> 00:51:14,240

if it is an operation as we both kind of

1391

00:51:19,190 --> 00:51:17,040

suspect if it is a psyop if it is a

1392

00:51:21,910 --> 00:51:19,200

conspiracy

1393

00:51:23,910 --> 00:51:21,920

then to kind of constantly refer back to

1394

00:51:26,470 --> 00:51:23,920

it is almost

1395

00:51:28,069 --> 00:51:26,480

-serving its purpose to a certain extent

1396

00:51:30,630 --> 00:51:28,079

so if we

1397

00:51:32,470 --> 00:51:30,640

kind of lose that rocket

1398

00:51:34,549 --> 00:51:32,480

and or what are they that stage of the

1399

00:51:36,790 --> 00:51:34,559

rocket and leave that behind and kind of

1400

00:51:37,990 --> 00:51:36,800

zoom forward i want to get right to your

1401
00:51:39,910 --> 00:51:38,000
point because right when you said it

1402
00:51:41,829 --> 00:51:39,920
from the beginning this is kind of a

1403
00:51:44,150 --> 00:51:41,839
skeptical moment

1404
00:51:47,510 --> 00:51:44,160
i'm uncomfortable with where a lot of

1405
00:51:50,549 --> 00:51:47,520
people are taking the mythology folklore

1406
00:51:53,349 --> 00:51:50,559
jacques valet kind of stuff because jack

1407
00:51:55,190 --> 00:51:53,359
filet of course was the first one to

1408
00:51:57,349 --> 00:51:55,200
or i don't know if he was the first one

1409
00:51:59,670 --> 00:51:57,359
but is it i think he was i think he was

1410
00:52:01,109 --> 00:51:59,680
the first one to really draw this

1411
00:52:02,710 --> 00:52:01,119
you think

1412
00:52:05,349 --> 00:52:02,720
yeah i think he's definitely the most

1413
00:52:07,109 --> 00:52:05,359

influential yes good way of putting it

1414

00:52:08,710 --> 00:52:07,119

certainly the most influential and

1415

00:52:11,190 --> 00:52:08,720

definitely one of the first people to

1416

00:52:13,670 --> 00:52:11,200

draw this connection between

1417

00:52:14,870 --> 00:52:13,680

folklore fairies

1418

00:52:17,829 --> 00:52:14,880

other

1419

00:52:19,910 --> 00:52:17,839

mythical beings and their striking

1420

00:52:21,430 --> 00:52:19,920

similarity to what people are reporting

1421

00:52:24,069 --> 00:52:21,440

as the

1422

00:52:25,990 --> 00:52:24,079

ufo experience in the et experience the

1423

00:52:28,549 --> 00:52:26,000

abduction experience the contact

1424

00:52:31,510 --> 00:52:28,559

experience all those things

1425

00:52:32,790 --> 00:52:31,520

what i also point out is that you know

1426

00:52:34,630 --> 00:52:32,800

jacques villa

1427

00:52:36,150 --> 00:52:34,640

i interviewed him he also walks around

1428

00:52:39,270 --> 00:52:36,160

with a

1429

00:52:42,710 --> 00:52:39,280

little bit of uh slag in his pocket from

1430

00:52:44,790 --> 00:52:42,720

the ufo that he the ship that he has

1431

00:52:46,870 --> 00:52:44,800

where it's a physical thing and he's put

1432

00:52:48,470 --> 00:52:46,880

it under the microscope and said hey we

1433

00:52:49,589 --> 00:52:48,480

don't know how to build this material we

1434

00:52:51,510 --> 00:52:49,599

don't know how to manufacture this

1435

00:52:53,030 --> 00:52:51,520

material we don't know how to fuse these

1436

00:52:56,309 --> 00:52:53,040

metals together

1437

00:52:59,430 --> 00:52:56,319

from a technology standpoint so he is

1438

00:53:01,109 --> 00:52:59,440

standing with one foot in one world and

1439

00:53:02,710 --> 00:53:01,119

one foot in the other world and that's

1440

00:53:04,470 --> 00:53:02,720

where i think we all have to stand on

1441

00:53:05,910 --> 00:53:04,480

this and it returns to my thing about

1442

00:53:08,150 --> 00:53:05,920

reincarnation

1443

00:53:10,870 --> 00:53:08,160

if we fundamentally don't understand

1444

00:53:14,069 --> 00:53:10,880

consciousness then we have to be really

1445

00:53:16,470 --> 00:53:14,079

careful about where we go with extended

1446

00:53:17,670 --> 00:53:16,480

consciousness and i'll just tie a couple

1447

00:53:19,990 --> 00:53:17,680

of threads

1448

00:53:21,829 --> 00:53:20,000

back in without really winding them too

1449

00:53:23,670 --> 00:53:21,839

tight because we can't

1450

00:53:26,309 --> 00:53:23,680

i think the genetic engineering

1451

00:53:27,750 --> 00:53:26,319

component of this is central and i'm

1452

00:53:29,589 --> 00:53:27,760

glad you brought it up from the

1453

00:53:31,829 --> 00:53:29,599

beginning

1454

00:53:32,630 --> 00:53:31,839

i think the work of bruce fenton have

1455

00:53:36,390 --> 00:53:32,640

you

1456

00:53:38,790 --> 00:53:36,400

i think his work

1457

00:53:42,150 --> 00:53:38,800

is absolutely uh critical to

1458

00:53:45,030 --> 00:53:42,160

understanding this and for also also for

1459

00:53:47,510 --> 00:53:45,040

reestablishing a potential timeline his

1460

00:53:49,990 --> 00:53:47,520

timeline is 800 000 years

1461

00:53:52,470 --> 00:53:50,000

okay so what if we can show

1462

00:53:56,309 --> 00:53:52,480

some evidence of genetic manipulation

1463

00:53:58,069 --> 00:53:56,319

for the last 800 000 years for an

1464

00:53:59,910 --> 00:53:58,079

ongoing

1465

00:54:02,950 --> 00:53:59,920

process of

1466

00:54:05,430 --> 00:54:02,960

genetic manipulation it changes the

1467

00:54:08,309 --> 00:54:05,440

whole thing so dramatically and we're

1468

00:54:11,430 --> 00:54:08,319

less focused on our little world and our

1469

00:54:12,549 --> 00:54:11,440

little slice of time that that it is

1470

00:54:15,190 --> 00:54:12,559

being

1471

00:54:17,270 --> 00:54:15,200

manipulated and shaped and then and

1472

00:54:18,230 --> 00:54:17,280

injected into what do you think about

1473

00:54:20,390 --> 00:54:18,240

all that

1474

00:54:23,030 --> 00:54:20,400

well even the concept of time our

1475

00:54:25,990 --> 00:54:23,040

perception of it is so limited it seems

1476

00:54:29,270 --> 00:54:26,000

whereas these beings seem to be in this

1477

00:54:31,430 --> 00:54:29,280

far more expansive reality of time

1478

00:54:33,990 --> 00:54:31,440

and you see this in mythology as well of

1479

00:54:35,510 --> 00:54:34,000

the gods that they're in this

1480

00:54:37,349 --> 00:54:35,520

timeless realm

1481

00:54:39,589 --> 00:54:37,359

and for them

1482

00:54:41,990 --> 00:54:39,599

just the blink of an eye is for many

1483

00:54:43,990 --> 00:54:42,000

human lifetimes and that they can

1484

00:54:46,950 --> 00:54:44,000

punish humans for instance they can do

1485

00:54:49,589 --> 00:54:46,960

terrible things on mass to humans

1486

00:54:51,670 --> 00:54:49,599

causing global catastrophes

1487

00:54:54,950 --> 00:54:51,680

generations after they've been insulted

1488

00:54:56,950 --> 00:54:54,960

by an individual and this is explicitly

1489

00:54:57,990 --> 00:54:56,960

talked about in the greek myths as well

1490

00:54:59,270 --> 00:54:58,000

of

1491

00:55:00,710 --> 00:54:59,280

esseod

1492

00:55:02,470 --> 00:55:00,720

one of the

1493

00:55:05,190 --> 00:55:02,480

most fundamental sources of greek

1494

00:55:07,270 --> 00:55:05,200

mythology along with homer he explicitly

1495

00:55:08,950 --> 00:55:07,280

states this that that the gods

1496

00:55:10,309 --> 00:55:08,960

have a different timeline

1497

00:55:12,789 --> 00:55:10,319

than humans

1498

00:55:14,549 --> 00:55:12,799

right and and i you know we keep we keep

1499

00:55:16,549 --> 00:55:14,559

hitting on a lot of the a lot of the

1500

00:55:18,870 --> 00:55:16,559

same things

1501

00:55:20,470 --> 00:55:18,880

where else do we want to go

1502

00:55:23,190 --> 00:55:20,480

i'll tell you where i want to go

1503

00:55:27,829 --> 00:55:23,200

i i want to see if we can get some

1504

00:55:30,470 --> 00:55:27,839

degree of closure with the ufo et thing

1505

00:55:32,870 --> 00:55:30,480

by bringing it back to

1506

00:55:35,589 --> 00:55:32,880

what we're experiencing right now and

1507

00:55:36,710 --> 00:55:35,599

what we're seeing right now particularly

1508

00:55:38,150 --> 00:55:36,720

as it

1509

00:55:39,430 --> 00:55:38,160

relates to

1510

00:55:41,910 --> 00:55:39,440

the control

1511

00:55:44,230 --> 00:55:41,920

and the global control and the message

1512

00:55:47,589 --> 00:55:44,240

and how the message is being shaped it

1513

00:55:49,349 --> 00:55:47,599

is stunning to me that people

1514

00:55:50,230 --> 00:55:49,359

even entertained really intelligent

1515

00:55:53,190 --> 00:55:50,240

people

1516

00:55:54,870 --> 00:55:53,200

really entertain this idea of disclosure

1517

00:56:00,150 --> 00:55:54,880

as if

1518

00:56:03,190 --> 00:56:00,160

when the new york times released these

1519

00:56:05,910 --> 00:56:03,200

videos from 10 years ago as if that is

1520

00:56:08,309 --> 00:56:05,920

somehow disclosure i mean even in our

1521

00:56:09,990 --> 00:56:08,319

memory in our living memory we have to

1522

00:56:12,470 --> 00:56:10,000

scratch our heads and go

1523

00:56:15,430 --> 00:56:12,480

well wait a minute what about all those

1524

00:56:17,510 --> 00:56:15,440

other cases what about roswell what

1525

00:56:20,390 --> 00:56:17,520

about you know all these cases what

1526

00:56:22,549 --> 00:56:20,400

about the flappin dc all these i could

1527

00:56:24,870 --> 00:56:22,559

go on and on but you get the point so i

1528

00:56:28,470 --> 00:56:24,880

want to go there and i want to talk

1529

00:56:30,150 --> 00:56:28,480

about that and bring the ufo et thing

1530

00:56:32,390 --> 00:56:30,160

up to the present but i want to make

1531

00:56:34,710 --> 00:56:32,400

sure we leave some time to talk about

1532

00:56:36,230 --> 00:56:34,720

the romans because as i maybe mentioned

1533

00:56:38,230 --> 00:56:36,240

to you i don't know it was before after

1534

00:56:41,270 --> 00:56:38,240

we started recording

1535

00:56:42,230 --> 00:56:41,280

you have quite an amazing insight my

1536

00:56:44,470 --> 00:56:42,240

little

1537

00:56:46,309 --> 00:56:44,480

foray into that stuff that that kind of

1538

00:56:47,910 --> 00:56:46,319

blew my mind so

1539

00:56:49,990 --> 00:56:47,920

we'll start with

1540

00:56:52,470 --> 00:56:50,000

what's going on today with ufo

1541

00:56:55,190 --> 00:56:52,480

disclosure

1542

00:56:56,150 --> 00:56:55,200

so i basically agree with marty gaza

1543

00:56:57,829 --> 00:56:56,160

from the

1544

00:57:00,789 --> 00:56:57,839

brothers of the certain podcast that

1545

00:57:02,549 --> 00:57:00,799

this disclosure is so limited

1546

00:57:03,910 --> 00:57:02,559

and actually just from my perspective

1547

00:57:06,309 --> 00:57:03,920

just reading that document the

1548

00:57:09,430 --> 00:57:06,319

unclassified version was just so

1549

00:57:11,510 --> 00:57:09,440

insulting the language just as if

1550

00:57:13,270 --> 00:57:11,520

the audience the idiots just hardly

1551
00:57:15,910 --> 00:57:13,280
saying anything basically nothing

1552
00:57:18,390 --> 00:57:15,920
sandwich right

1553
00:57:20,069 --> 00:57:18,400
when you say that remind people remind

1554
00:57:21,109 --> 00:57:20,079
people what you're what you're referring

1555
00:57:23,670 --> 00:57:21,119
to there

1556
00:57:27,510 --> 00:57:23,680
the document that you're referring to

1557
00:57:28,789 --> 00:57:27,520
this was in june of this year 2021

1558
00:57:32,390 --> 00:57:28,799
of

1559
00:57:36,069 --> 00:57:32,400
release

1560
00:57:38,309 --> 00:57:36,079
the information that was held on ufo

1561
00:57:40,309 --> 00:57:38,319
if i understand that quickly and

1562
00:57:42,069 --> 00:57:40,319
right and what a lot of people point out

1563
00:57:44,069 --> 00:57:42,079

and rightfully should be but a lot of

1564

00:57:48,309 --> 00:57:44,079

people don't make the connection is

1565

00:57:51,430 --> 00:57:48,319

so this was introduced by donald trump

1566

00:57:54,390 --> 00:57:51,440

in a bill that was tied to you know is

1567

00:57:56,230 --> 00:57:54,400

buried in a bl bill that the government

1568

00:57:58,390 --> 00:57:56,240

should have to release all information

1569

00:58:00,470 --> 00:57:58,400

within 180 days

1570

00:58:03,589 --> 00:58:00,480

and the whole thing was absurd from the

1571

00:58:06,470 --> 00:58:03,599

beginning and it it kind of is

1572

00:58:09,349 --> 00:58:06,480

disappointing to me the extent to which

1573

00:58:11,430 --> 00:58:09,359

our our community this broader community

1574

00:58:13,990 --> 00:58:11,440

falls into the same game it's like we're

1575

00:58:15,510 --> 00:58:14,000

watching the the sports channel you know

1576

00:58:17,270 --> 00:58:15,520

either in europe and the america the

1577

00:58:19,270 --> 00:58:17,280

sports channel is a sports channel

1578

00:58:20,630 --> 00:58:19,280

everywhere in the world it's like hey

1579

00:58:22,470 --> 00:58:20,640

what are we going to talk about today

1580

00:58:23,990 --> 00:58:22,480

and let's talk about it and talk about

1581

00:58:25,030 --> 00:58:24,000

it and talk about the same thing over

1582

00:58:26,630 --> 00:58:25,040

and over again and there's no

1583

00:58:28,630 --> 00:58:26,640

information they don't even have to

1584

00:58:30,470 --> 00:58:28,640

program people to do that they just move

1585

00:58:32,390 --> 00:58:30,480

the cheese a little bit and people

1586

00:58:35,349 --> 00:58:32,400

follow that how could it be any more

1587

00:58:37,270 --> 00:58:35,359

absurd why would anyone in the world

1588

00:58:39,990 --> 00:58:37,280

think that they would release anything

1589

00:58:43,510 --> 00:58:40,000

after 180 days they haven't released

1590

00:58:45,589 --> 00:58:43,520

anything in 60 70 years or however long

1591

00:58:47,670 --> 00:58:45,599

they've known about it why would they

1592

00:58:50,150 --> 00:58:47,680

feel compelled to release anything in

1593

00:58:52,069 --> 00:58:50,160

180 days and again i go back to the

1594

00:58:54,870 --> 00:58:52,079

disclosure thing because i interviewed

1595

00:58:57,589 --> 00:58:54,880

both leslie kane and ralph blumenthal

1596

00:58:59,829 --> 00:58:57,599

who were the two had the byline

1597

00:59:03,349 --> 00:58:59,839

on the new york times

1598

00:59:05,270 --> 00:59:03,359

big disclosure thing in december of 2017

1599

00:59:07,670 --> 00:59:05,280

2018 i can't remember now dates are

1600

00:59:10,069 --> 00:59:07,680

flipping out of my head but

1601
00:59:12,470 --> 00:59:10,079
the idea that that

1602
00:59:14,470 --> 00:59:12,480
forget about everything else forget

1603
00:59:16,789 --> 00:59:14,480
about how we've threatened to kill

1604
00:59:19,030 --> 00:59:16,799
people forget about how we've said we

1605
00:59:22,230 --> 00:59:19,040
will take your family out in the desert

1606
00:59:24,069 --> 00:59:22,240
and and bury them alive if you ever

1607
00:59:27,349 --> 00:59:24,079
disclose any of the things that you've

1608
00:59:28,870 --> 00:59:27,359
seen forget all about that disclosure

1609
00:59:30,950 --> 00:59:28,880
will now be

1610
00:59:33,829 --> 00:59:30,960
this video that we just released and

1611
00:59:35,750 --> 00:59:33,839
we'll have a bunch of can talk about who

1612
00:59:37,030 --> 00:59:35,760
was the guy piloting the ship and what

1613
00:59:40,309 --> 00:59:37,040

do they know here

1614

00:59:43,430 --> 00:59:40,319

it is such an obvious obvious

1615

00:59:45,589 --> 00:59:43,440

kind of uh ploy trick not even it's not

1616

00:59:48,390 --> 00:59:45,599

even that sophisticated

1617

00:59:50,470 --> 00:59:48,400

because the timeline is so restricted

1618

00:59:51,750 --> 00:59:50,480

that it's just going a tiny bit back

1619

00:59:53,510 --> 00:59:51,760

into the past

1620

00:59:55,349 --> 00:59:53,520

and the number of cases that are

1621

00:59:57,910 --> 00:59:55,359

unexplained is also

1622

00:59:59,829 --> 00:59:57,920

so limited whereas even on 60 minutes

1623

01:00:01,829 --> 00:59:59,839

there were pilots saying

1624

01:00:04,069 --> 01:00:01,839

that they are over the carrier fleets

1625

01:00:07,270 --> 01:00:04,079

they're seeing the ufos almost on a

1626

01:00:10,390 --> 01:00:07,280

daily basis for years

1627

01:00:13,030 --> 01:00:10,400

what does this say about the extent of

1628

01:00:16,309 --> 01:00:13,040

the control of the message and the

1629

01:00:18,870 --> 01:00:16,319

extent to which the population is easily

1630

01:00:20,870 --> 01:00:18,880

manipulated by a controlled message to

1631

01:00:23,270 --> 01:00:20,880

me it's it's

1632

01:00:24,870 --> 01:00:23,280

it doesn't leave a lot a lot of hope i

1633

01:00:27,190 --> 01:00:24,880

mean this is stuff that

1634

01:00:29,190 --> 01:00:27,200

i think anyone should be able to kind of

1635

01:00:31,750 --> 01:00:29,200

figure out pretty

1636

01:00:32,789 --> 01:00:31,760

pretty easily and i'm surprised i mean

1637

01:00:34,230 --> 01:00:32,799

you go about i'm not even going to

1638

01:00:35,349 --> 01:00:34,240

mention names because they're people i

1639

01:00:37,589 --> 01:00:35,359

really like

1640

01:00:39,990 --> 01:00:37,599

but the people i've had on it

1641

01:00:42,390 --> 01:00:40,000

i can just tell you i almost ignore

1642

01:00:43,910 --> 01:00:42,400

this thing just with this government

1643

01:00:44,950 --> 01:00:43,920

disclosure business because it's just so

1644

01:00:47,190 --> 01:00:44,960

obvious

1645

01:00:48,309 --> 01:00:47,200

that they're just creating this tiny

1646

01:00:50,309 --> 01:00:48,319

frame

1647

01:00:52,309 --> 01:00:50,319

with which to understand the phenomenon

1648

01:00:54,789 --> 01:00:52,319

but nelson the question i'm asking is

1649

01:00:56,789 --> 01:00:54,799

why do so many people in our community

1650

01:00:58,950 --> 01:00:56,799

the leaders in our community

1651
01:01:00,950 --> 01:00:58,960
buy into this and it's not even that

1652
01:01:02,870 --> 01:01:00,960
they're buying into it they're just seem

1653
01:01:05,349 --> 01:01:02,880
to be compelled to talk about this

1654
01:01:08,150 --> 01:01:05,359
talking point of disclosure rather than

1655
01:01:10,870 --> 01:01:08,160
going this is obviously a psyop we don't

1656
01:01:13,750 --> 01:01:10,880
know who exactly is behind the psyop we

1657
01:01:17,270 --> 01:01:13,760
don't know the the entire method but

1658
01:01:18,470 --> 01:01:17,280
completely political psyop and you know

1659
01:01:19,589 --> 01:01:18,480
you can go look at the shows that i've

1660
01:01:21,910 --> 01:01:19,599
done where

1661
01:01:24,150 --> 01:01:21,920
the leading people are going and i i

1662
01:01:27,109 --> 01:01:24,160
don't think so you know lou elizondo

1663
01:01:29,270 --> 01:01:27,119

even though he's a lifetime spy

1664

01:01:31,829 --> 01:01:29,280

disinformation agent i think he's

1665

01:01:33,349 --> 01:01:31,839

telling the truth this time i'm like

1666

01:01:35,510 --> 01:01:33,359

what have we learned what have we

1667

01:01:37,750 --> 01:01:35,520

learned you know in all this stuff that

1668

01:01:40,230 --> 01:01:37,760

we've investigated absolutely and that's

1669

01:01:41,750 --> 01:01:40,240

why i just just tend to look at the

1670

01:01:44,549 --> 01:01:41,760

overall patterns

1671

01:01:45,510 --> 01:01:44,559

way way back into history and

1672

01:01:47,510 --> 01:01:45,520

um

1673

01:01:48,630 --> 01:01:47,520

just going beyond this frame not giving

1674

01:01:51,030 --> 01:01:48,640

even

1675

01:01:52,390 --> 01:01:51,040

this official disclosure much attention

1676

01:01:55,270 --> 01:01:52,400

really because it's so

1677

01:01:57,589 --> 01:01:55,280

irrelevant it's only really relevant

1678

01:01:58,630 --> 01:01:57,599

in terms of being a psyop but it's not

1679

01:02:01,190 --> 01:01:58,640

actually

1680

01:02:02,789 --> 01:02:01,200

that relevant as part of the data set

1681

01:02:05,109 --> 01:02:02,799

itself right

1682

01:02:06,870 --> 01:02:05,119

so this is what i wanted to

1683

01:02:08,710 --> 01:02:06,880

sort of draw back on is that even though

1684

01:02:10,390 --> 01:02:08,720

it's disappointing right the

1685

01:02:11,990 --> 01:02:10,400

the disclosure was going to be

1686

01:02:14,230 --> 01:02:12,000

disappointing anyway

1687

01:02:15,829 --> 01:02:14,240

for most people but it's disappointing

1688

01:02:18,549 --> 01:02:15,839

the reaction of

1689

01:02:20,470 --> 01:02:18,559

many investigators as well

1690

01:02:22,470 --> 01:02:20,480

but i think if we go beyond that and

1691

01:02:23,750 --> 01:02:22,480

just focus on

1692

01:02:27,349 --> 01:02:23,760

the

1693

01:02:28,870 --> 01:02:27,359

different fields that your show has

1694

01:02:30,870 --> 01:02:28,880

covered over the years

1695

01:02:32,870 --> 01:02:30,880

and i think this is

1696

01:02:35,190 --> 01:02:32,880

extremely significant

1697

01:02:36,470 --> 01:02:35,200

that we have so many similarities and

1698

01:02:38,470 --> 01:02:36,480

core

1699

01:02:40,150 --> 01:02:38,480

uh characteristics of

1700

01:02:41,349 --> 01:02:40,160

as we were saying in mythology and

1701

01:02:44,309 --> 01:02:41,359

folklore

1702

01:02:45,029 --> 01:02:44,319

and then even in even in mythology and

1703

01:02:49,190 --> 01:02:45,039

in

1704

01:02:50,950 --> 01:02:49,200

studies

1705

01:02:53,029 --> 01:02:50,960

and the chance that that would be a

1706

01:02:55,190 --> 01:02:53,039

coincidence

1707

01:02:56,870 --> 01:02:55,200

i find just extremely unlikely for

1708

01:02:58,150 --> 01:02:56,880

instance even in near-death experiences

1709

01:03:00,870 --> 01:02:58,160

if you go on the

1710

01:03:02,950 --> 01:03:00,880

database and look up aliens or et or

1711

01:03:04,470 --> 01:03:02,960

something you'll actually see even that

1712

01:03:05,670 --> 01:03:04,480

that these

1713

01:03:07,589 --> 01:03:05,680

entities

1714

01:03:08,549 --> 01:03:07,599

seem to be appearing more reportedly

1715

01:03:10,950 --> 01:03:08,559

anyway

1716

01:03:12,950 --> 01:03:10,960

in their death experiences

1717

01:03:14,069 --> 01:03:12,960

see the problem i have with that nelson

1718

01:03:15,589 --> 01:03:14,079

is

1719

01:03:18,710 --> 01:03:15,599

most people

1720

01:03:20,549 --> 01:03:18,720

including myself at times have problems

1721

01:03:23,270 --> 01:03:20,559

resolving the

1722

01:03:27,109 --> 01:03:23,280

data set of

1723

01:03:30,630 --> 01:03:27,119

the current disclosure the ufos the

1724

01:03:33,589 --> 01:03:30,640

obvious you know our best pilots our

1725

01:03:36,309 --> 01:03:33,599

best observers reporting them in the sky

1726

01:03:39,510 --> 01:03:36,319

the videos of them in the sky the

1727

01:03:41,910 --> 01:03:39,520

accounts of people who have a hard time

1728

01:03:45,190 --> 01:03:41,920

resolving that with

1729

01:03:47,109 --> 01:03:45,200

folklore mythology as we understand it

1730

01:03:49,190 --> 01:03:47,119

and i'd say you know like i have i have

1731

01:03:52,069 --> 01:03:49,200

a hard time talking to people if i don't

1732

01:03:54,390 --> 01:03:52,079

want to talk about covid and i i i don't

1733

01:03:56,630 --> 01:03:54,400

mind talking about covid i talked to the

1734

01:04:00,069 --> 01:03:56,640

other day he's a major broadcaster in

1735

01:04:01,589 --> 01:04:00,079

canada and you know i tr and he i want

1736

01:04:04,150 --> 01:04:01,599

to talk to him about the bigger

1737

01:04:06,789 --> 01:04:04,160

spiritual questions of evil is there

1738

01:04:09,190 --> 01:04:06,799

evil behind some of these people who we

1739

01:04:11,829 --> 01:04:09,200

see are running this program he could

1740

01:04:12,630 --> 01:04:11,839

not get there and i understand why he

1741

01:04:14,870 --> 01:04:12,640

has

1742

01:04:16,390 --> 01:04:14,880

his kids that he's sending to school

1743

01:04:19,349 --> 01:04:16,400

that are

1744

01:04:20,630 --> 01:04:19,359

encountering a mobile vaccination i

1745

01:04:23,109 --> 01:04:20,640

don't care what anyone thinks about

1746

01:04:24,549 --> 01:04:23,119

vaccination pro or khan

1747

01:04:27,109 --> 01:04:24,559

what he doesn't like is they have a

1748

01:04:29,750 --> 01:04:27,119

mobile vaccination station

1749

01:04:31,109 --> 01:04:29,760

and his kids are minors and they're said

1750

01:04:32,789 --> 01:04:31,119

hey it doesn't matter if you're a minor

1751

01:04:34,789 --> 01:04:32,799

it doesn't matter if your parents are

1752

01:04:36,390 --> 01:04:34,799

consenting you can come on in here and

1753

01:04:38,069 --> 01:04:36,400

you can decide yourself you know and

1754

01:04:40,470 --> 01:04:38,079

it's against the law and all the rest

1755

01:04:42,390 --> 01:04:40,480

yet he is like consumed with this

1756

01:04:45,029 --> 01:04:42,400

because he's a parent and he lives in

1757

01:04:46,950 --> 01:04:45,039

canada and it's just a trampling of laws

1758

01:04:49,510 --> 01:04:46,960

and rights and stuff like that

1759

01:04:51,349 --> 01:04:49,520

this is where people are at and i think

1760

01:04:55,109 --> 01:04:51,359

there's a corollary to where people are

1761

01:04:57,670 --> 01:04:55,119

at with ufos and the corollary is well

1762

01:04:59,190 --> 01:04:57,680

are they are they a threat what's going

1763

01:05:02,630 --> 01:04:59,200

on what is going to happen in my

1764

01:05:04,950 --> 01:05:02,640

lifetime is e.t going to take over in my

1765

01:05:08,069 --> 01:05:04,960

lifetime and i think when we hit people

1766

01:05:11,190 --> 01:05:08,079

with the folklore mythology data set

1767

01:05:12,789 --> 01:05:11,200

which is very real as you point out

1768

01:05:15,750 --> 01:05:12,799

it is somewhat

1769

01:05:17,750 --> 01:05:15,760

irresolvable you know you cannot resolve

1770

01:05:19,829 --> 01:05:17,760

i agree with that i just don't think it

1771

01:05:21,829 --> 01:05:19,839

is irresolvable

1772

01:05:23,750 --> 01:05:21,839

it's just the perception that it seems

1773

01:05:25,029 --> 01:05:23,760

so complicated that it wouldn't be

1774

01:05:27,109 --> 01:05:25,039

resolvable

1775

01:05:28,309 --> 01:05:27,119

but even for instance as joe atwell

1776

01:05:31,750 --> 01:05:28,319

should well

1777

01:05:34,309 --> 01:05:31,760

had this incredibly

1778

01:05:36,789 --> 01:05:34,319

paradoxical seeming data set of the new

1779

01:05:38,069 --> 01:05:36,799

testament and then just as one

1780

01:05:40,789 --> 01:05:38,079

researcher just

1781

01:05:42,069 --> 01:05:40,799

had this brilliant insight that josephus

1782

01:05:44,630 --> 01:05:42,079

was the

1783

01:05:46,870 --> 01:05:44,640

template for the new testament and

1784

01:05:48,950 --> 01:05:46,880

researchers before him but i studied the

1785

01:05:50,950 --> 01:05:48,960

new testament as well myself

1786

01:05:53,190 --> 01:05:50,960

and they this was the typical attitude

1787

01:05:55,349 --> 01:05:53,200

before atwood was that it's irresolvable

1788

01:05:57,029 --> 01:05:55,359

the new testament who wrote it for what

1789

01:05:59,029 --> 01:05:57,039

reasons why are there these

1790

01:06:02,150 --> 01:05:59,039

contradictions and

1791

01:06:04,390 --> 01:06:02,160

it's so ancient that we'll never know

1792

01:06:07,029 --> 01:06:04,400

but i just disagree with that i think

1793

01:06:09,589 --> 01:06:07,039

you can have insights and you can see

1794

01:06:11,829 --> 01:06:09,599

patterns like at will did for instance

1795

01:06:14,549 --> 01:06:11,839

absolutely classic just

1796

01:06:16,150 --> 01:06:14,559

in terms of analysis

1797

01:06:19,349 --> 01:06:16,160

that he could

1798

01:06:21,910 --> 01:06:19,359

find a pattern and he could

1799

01:06:24,069 --> 01:06:21,920

so firmly establish

1800

01:06:27,589 --> 01:06:24,079

causation as far as you possibly could i

1801

01:06:29,829 --> 01:06:27,599

think is a research of antiquity

1802

01:06:32,950 --> 01:06:29,839

and now even more and more of the

1803

01:06:34,309 --> 01:06:32,960

mainstream even in academia they're just

1804

01:06:35,990 --> 01:06:34,319

going with it they're not really giving

1805

01:06:37,670 --> 01:06:36,000

him credit but they're

1806

01:06:39,670 --> 01:06:37,680

they're agreeing with him

1807

01:06:41,990 --> 01:06:39,680

so i think we can come to resolve

1808

01:06:43,670 --> 01:06:42,000

analyses with these things i love it i

1809

01:06:46,069 --> 01:06:43,680

love it so let me push that a little bit

1810

01:06:47,430 --> 01:06:46,079

further let's try and connect a couple

1811

01:06:51,029 --> 01:06:47,440

of these

1812

01:06:51,829 --> 01:06:51,039

data sets i'll expand your your phrase

1813

01:06:54,630 --> 01:06:51,839

there

1814

01:06:56,710 --> 01:06:54,640

take the bruce fenton data set which i

1815

01:06:57,750 --> 01:06:56,720

think is very important in my mind

1816

01:07:01,109 --> 01:06:57,760

because

1817

01:07:03,910 --> 01:07:01,119

he has some really good science behind

1818

01:07:06,150 --> 01:07:03,920

that he has the astral tech tights and

1819

01:07:07,990 --> 01:07:06,160

the dating of those he has a bunch of

1820

01:07:10,069 --> 01:07:08,000

other stuff including

1821

01:07:13,270 --> 01:07:10,079

genetics genetics

1822

01:07:15,510 --> 01:07:13,280

very very powerful stuff so

1823

01:07:17,910 --> 01:07:15,520

from that falls out a couple other a

1824

01:07:20,950 --> 01:07:17,920

couple of things one calls

1825

01:07:23,349 --> 01:07:20,960

falls out is a clear pat a clear pattern

1826

01:07:24,950 --> 01:07:23,359

of genetic manipulation and the other is

1827

01:07:28,150 --> 01:07:24,960

a timeline that now

1828

01:07:29,990 --> 01:07:28,160

extends back to 800 000 years but the

1829

01:07:32,069 --> 01:07:30,000

other thing that fault that falls out of

1830

01:07:35,349 --> 01:07:32,079

that that a lot of people

1831

01:07:40,230 --> 01:07:35,359

don't immediately grab onto is

1832

01:07:41,589 --> 01:07:40,240

a very kind of a a faction divided

1833

01:07:44,630 --> 01:07:41,599

et

1834

01:07:45,430 --> 01:07:44,640

and maybe species divided e.t

1835

01:07:47,910 --> 01:07:45,440

that

1836

01:07:50,309 --> 01:07:47,920

we can certainly identify with you know

1837

01:07:52,630 --> 01:07:50,319

hey this is my planet no this is my

1838

01:07:54,309 --> 01:07:52,640

planet oh well i'm going to shoot at you

1839

01:07:56,789 --> 01:07:54,319

you're going to shoot at me i'm going to

1840

01:07:59,910 --> 01:07:56,799

win you're going to lose it sounds very

1841

01:08:03,910 --> 01:07:59,920

familiar it sounds very familiar so you

1842

01:08:07,109 --> 01:08:03,920

know back to my point of irresolvable so

1843

01:08:09,270 --> 01:08:07,119

if we take those and run with it run

1844

01:08:10,470 --> 01:08:09,280

with 800 000 years of genetic

1845

01:08:16,149 --> 01:08:10,480

manipulation

1846

01:08:17,910 --> 01:08:16,159

consistently reported by abductees is

1847

01:08:19,110 --> 01:08:17,920

it's all about genetics it's all about

1848

01:08:21,829 --> 01:08:19,120

this

1849

01:08:23,990 --> 01:08:21,839

here's where it doesn't resolve for me

1850

01:08:27,110 --> 01:08:24,000

when i hear people talk about uh

1851

01:08:29,349 --> 01:08:27,120

mythology they'll say like you said a

1852

01:08:31,189 --> 01:08:29,359

while back they seem to be obsessed with

1853

01:08:34,070 --> 01:08:31,199

bloodlines

1854

01:08:37,510 --> 01:08:34,080

no i look at bruce fenton and say dude

1855

01:08:39,590 --> 01:08:37,520

they are so far past bloodlines

1856

01:08:41,669 --> 01:08:39,600

they're doing genetic splicing in a

1857

01:08:43,590 --> 01:08:41,679

million different ways and creating all

1858

01:08:45,510 --> 01:08:43,600

these different in their garden they're

1859

01:08:46,870 --> 01:08:45,520

creating all these different varieties

1860

01:08:48,309 --> 01:08:46,880

and they're paring them down and they're

1861

01:08:51,829 --> 01:08:48,319

doing all this stuff

1862

01:08:55,030 --> 01:08:51,839

the idea of a literal

1863

01:08:57,749 --> 01:08:55,040

and that you know it it just is

1864

01:09:00,470 --> 01:08:57,759

it's it's a very it's it's a reading of

1865

01:09:02,709 --> 01:09:00,480

the folklore in mythology that doesn't

1866

01:09:04,630 --> 01:09:02,719

get us closer in that way it can't

1867

01:09:08,630 --> 01:09:04,640

really be resolved it can only be

1868

01:09:11,430 --> 01:09:08,640

resolved when we say oh perhaps that's a

1869

01:09:13,269 --> 01:09:11,440

metaphorical connection to what bruce

1870

01:09:15,910 --> 01:09:13,279

fenton is saying but we should never

1871

01:09:17,749 --> 01:09:15,920

dare take that literally that you know

1872

01:09:19,910 --> 01:09:17,759

they're worried about who they're

1873

01:09:22,229 --> 01:09:19,920

so that they get the the right

1874

01:09:25,590 --> 01:09:22,239

offspring kind of thing yeah that's a

1875

01:09:28,709 --> 01:09:25,600

huge can of worms right because

1876

01:09:31,910 --> 01:09:28,719

was it just the ancients describing it

1877

01:09:33,269 --> 01:09:31,920

laboratory style genetic manipulation

1878

01:09:36,149 --> 01:09:33,279

using

1879

01:09:37,829 --> 01:09:36,159

language such as bloodlines and breeding

1880

01:09:39,430 --> 01:09:37,839

into breeding

1881

01:09:42,229 --> 01:09:39,440

or was it more

1882

01:09:45,910 --> 01:09:42,239

a laboratory sterile objective

1883

01:09:49,030 --> 01:09:45,920

scientific manipulation of the genetics

1884

01:09:52,630 --> 01:09:49,040

but just taking the ancients literally

1885

01:09:54,310 --> 01:09:52,640

the gods and quotation marks were

1886

01:09:57,110 --> 01:09:54,320

lustful

1887

01:09:59,669 --> 01:09:57,120

sexually aroused by

1888

01:10:00,709 --> 01:09:59,679

human individuals and mated with them

1889

01:10:03,830 --> 01:10:00,719

right

1890

01:10:05,830 --> 01:10:03,840

and actually this is what uh ballet

1891

01:10:08,149 --> 01:10:05,840

fastball tonight um

1892

01:10:09,510 --> 01:10:08,159

begonia actually in that classic uh book

1893

01:10:11,910 --> 01:10:09,520

of his on

1894

01:10:13,669 --> 01:10:11,920

the continuum of folklore to ufology he

1895

01:10:15,669 --> 01:10:13,679

doesn't actually go back into

1896

01:10:17,590 --> 01:10:15,679

mythology but he does make the

1897

01:10:20,870 --> 01:10:17,600

connections between between sorry

1898

01:10:22,790 --> 01:10:20,880

folklore the witch trials and

1899

01:10:24,550 --> 01:10:22,800

ufology

1900

01:10:26,550 --> 01:10:24,560

and i actually just wrote this quote as

1901

01:10:27,590 --> 01:10:26,560

well because it's so important that

1902

01:10:30,470 --> 01:10:27,600

god

1903

01:10:32,550 --> 01:10:30,480

considerable problems arose however

1904

01:10:33,590 --> 01:10:32,560

when one had to identify the physical

1905

01:10:35,750 --> 01:10:33,600

process

1906

01:10:38,870 --> 01:10:35,760

of intercourse with demons

1907

01:10:40,229 --> 01:10:38,880

this is clearly a most difficult point

1908

01:10:42,790 --> 01:10:40,239

and then he writes in brackets as

1909

01:10:46,390 --> 01:10:42,800

difficult as that of identifying the

1910

01:10:48,310 --> 01:10:46,400

physical nature of flying sources

1911

01:10:50,149 --> 01:10:48,320

who wrote that and

1912

01:10:52,229 --> 01:10:50,159

that was valet that was vale's quote and

1913

01:10:53,830 --> 01:10:52,239

he was referring to the

1914

01:10:55,990 --> 01:10:53,840

um theologians

1915

01:10:57,990 --> 01:10:56,000

in the middle ages who were wrestling

1916

01:11:00,630 --> 01:10:58,000

with the

1917

01:11:03,669 --> 01:11:00,640

implications that this seemed to be

1918

01:11:05,430 --> 01:11:03,679

these entities these demons

1919

01:11:07,830 --> 01:11:05,440

who were interbreeding with humans

1920

01:11:09,189 --> 01:11:07,840

especially human females and creating

1921

01:11:11,830 --> 01:11:09,199

offspring eating

1922

01:11:13,669 --> 01:11:11,840

and how is this even possible is this

1923

01:11:15,590 --> 01:11:13,679

some sort of physical process some sort

1924

01:11:17,510 --> 01:11:15,600

of bloodline compatibility and when we

1925

01:11:19,510 --> 01:11:17,520

use the word bloodlines and all that

1926

01:11:20,950 --> 01:11:19,520

it's more of an old style of language

1927

01:11:22,630 --> 01:11:20,960

but

1928

01:11:24,550 --> 01:11:22,640

they didn't have that vocabulary to

1929

01:11:25,750 --> 01:11:24,560

describe this but just looking at it on

1930

01:11:27,669 --> 01:11:25,760

its surface

1931

01:11:29,669 --> 01:11:27,679

i still think we have to be

1932

01:11:31,430 --> 01:11:29,679

to be true to what the

1933

01:11:34,550 --> 01:11:31,440

ancient and the medieval sources were

1934

01:11:36,390 --> 01:11:34,560

saying it that there is this lust

1935

01:11:38,950 --> 01:11:36,400

it seems to be there seems to be a lust

1936

01:11:40,550 --> 01:11:38,960

of these entities like sexual desire of

1937

01:11:43,110 --> 01:11:40,560

these entities for

1938

01:11:45,110 --> 01:11:43,120

mating with humans so it's not just some

1939

01:11:47,270 --> 01:11:45,120

sterile laboratory thing

1940

01:11:49,350 --> 01:11:47,280

so i'd go a couple of different

1941

01:11:52,229 --> 01:11:49,360

directions with that

1942

01:11:55,270 --> 01:11:52,239

one that level of i don't know what to

1943

01:11:56,950 --> 01:11:55,280

even call it but but that to me that

1944

01:11:58,870 --> 01:11:56,960

resonates with this extended

1945

01:11:59,750 --> 01:11:58,880

consciousness realm that we're talking

1946

01:12:03,910 --> 01:11:59,760

about

1947

01:12:05,430 --> 01:12:03,920

those level of emotions uh to me

1948

01:12:07,990 --> 01:12:05,440

seem most

1949

01:12:10,149 --> 01:12:08,000

to most fit with the angels and the

1950

01:12:12,470 --> 01:12:10,159

demons and the extended consciousness

1951

01:12:14,229 --> 01:12:12,480

realm that filters through us so i

1952

01:12:15,430 --> 01:12:14,239

immediately want to pivot on that and

1953

01:12:17,110 --> 01:12:15,440

say hey

1954

01:12:20,709 --> 01:12:17,120

what do we really know what do we really

1955

01:12:24,229 --> 01:12:20,719

know of as lust and and lust being this

1956

01:12:27,189 --> 01:12:24,239

very human emotion but in so many ways

1957

01:12:29,990 --> 01:12:27,199

it seems to transcend our humanness and

1958

01:12:32,390 --> 01:12:30,000

that's both the allure of it and it's

1959

01:12:34,950 --> 01:12:32,400

also the destructive element of it and

1960

01:12:37,830 --> 01:12:34,960

that's been recorded forever so when we

1961

01:12:39,590 --> 01:12:37,840

talk about e.t with that i go back to my

1962

01:12:41,669 --> 01:12:39,600

question what does et's near-death

1963

01:12:43,990 --> 01:12:41,679

experience look like what is et's past

1964

01:12:46,790 --> 01:12:44,000

life what does et's life review look

1965

01:12:49,669 --> 01:12:46,800

like to me that gets us closer than

1966

01:12:52,950 --> 01:12:49,679

reading the sumerian tablets or reading

1967

01:12:53,990 --> 01:12:52,960

the anunnaki you know who say

1968

01:12:56,149 --> 01:12:54,000

what i was just hearing some of the

1969

01:12:58,470 --> 01:12:56,159

other days an expert in the anunnaki say

1970

01:13:00,470 --> 01:12:58,480

yeah you know we tried the genetic i'm

1971

01:13:03,189 --> 01:13:00,480

paraphrasing obviously we tried the

1972

01:13:04,950 --> 01:13:03,199

genetic engineering in a clay pot but

1973

01:13:06,950 --> 01:13:04,960

that didn't work so good so then they

1974

01:13:08,630 --> 01:13:06,960

had to shift to you know and you read

1975

01:13:10,790 --> 01:13:08,640

this stuff and you go

1976

01:13:12,229 --> 01:13:10,800

man i mean if they had genetic

1977

01:13:14,630 --> 01:13:12,239

engineering done i don't think they

1978

01:13:17,510 --> 01:13:14,640

tried it with a clay pot i think they

1979

01:13:18,310 --> 01:13:17,520

realized that might not work so well so

1980

01:13:20,070 --> 01:13:18,320

that's why i mean where it's

1981

01:13:22,709 --> 01:13:20,080

irresolvable and that's where we get

1982

01:13:24,709 --> 01:13:22,719

into this whole other layer of

1983

01:13:26,390 --> 01:13:24,719

false research or i don't want to call

1984

01:13:28,070 --> 01:13:26,400

it disinformation but

1985

01:13:30,310 --> 01:13:28,080

sitchin for instance

1986

01:13:32,390 --> 01:13:30,320

sitchin's the one who translated the

1987

01:13:33,430 --> 01:13:32,400

sumerian texts for anyone who doesn't

1988

01:13:35,590 --> 01:13:33,440

know and it's

1989

01:13:37,830 --> 01:13:35,600

it's just being very much criticized his

1990

01:13:38,790 --> 01:13:37,840

translations of certain words and that

1991

01:13:40,870 --> 01:13:38,800

it's very

1992

01:13:43,510 --> 01:13:40,880

much just leading into his

1993

01:13:44,870 --> 01:13:43,520

pet theory of this and i just i don't

1994

01:13:47,910 --> 01:13:44,880

want to go there too much because that's

1995

01:13:50,950 --> 01:13:47,920

not my field but we would we would have

1996

01:13:51,910 --> 01:13:50,960

to interject that over time

1997

01:13:57,669 --> 01:13:51,920

some of

1998

01:14:00,470 --> 01:13:57,679

have proven to be much more accurate

1999

01:14:02,550 --> 01:14:00,480

than the original academic

2000

01:14:04,390 --> 01:14:02,560

interpretations of it so we're in this

2001

01:14:07,030 --> 01:14:04,400

no man's land that we we kind of

2002

01:14:09,350 --> 01:14:07,040

returned to of like yeah did he take it

2003

01:14:11,669 --> 01:14:09,360

too far and did he misquote it yes but

2004

01:14:14,709 --> 01:14:11,679

was he on somehow the right track in

2005

01:14:15,750 --> 01:14:14,719

some way we don't know right but yeah

2006

01:14:17,830 --> 01:14:15,760

because

2007

01:14:19,830 --> 01:14:17,840

just from my perspective just looking at

2008

01:14:20,790 --> 01:14:19,840

it as academically as possible i would

2009

01:14:22,870 --> 01:14:20,800

just

2010

01:14:25,110 --> 01:14:22,880

use the standard trends academic

2011

01:14:27,350 --> 01:14:25,120

translations of these texts like the

2012

01:14:29,430 --> 01:14:27,360

enumera elisha and these other like the

2013

01:14:31,750 --> 01:14:29,440

gilgamesh epic and all these different

2014

01:14:33,669 --> 01:14:31,760

ones and just use the standard

2015

01:14:35,030 --> 01:14:33,679

academic translations which are accepted

2016

01:14:37,189 --> 01:14:35,040

by everyone

2017

01:14:39,669 --> 01:14:37,199

and you don't even need some specific

2018

01:14:40,390 --> 01:14:39,679

special translations of words to just

2019

01:14:42,870 --> 01:14:40,400

see

2020

01:14:44,709 --> 01:14:42,880

just this overwhelming pattern of

2021

01:14:46,709 --> 01:14:44,719

interbreeding between

2022

01:14:48,790 --> 01:14:46,719

gods and humans

2023

01:14:49,830 --> 01:14:48,800

and this is in in different continents

2024

01:14:52,229 --> 01:14:49,840

even going

2025

01:14:54,550 --> 01:14:52,239

right into the folklore of the american

2026

01:14:58,310 --> 01:14:54,560

indian rd6 killer clarks

2027

01:15:00,950 --> 01:14:58,320

the professor of um anthropology right

2028

01:15:03,669 --> 01:15:00,960

and her reports of these that later

2029

01:15:07,110 --> 01:15:03,679

people star people is with them

2030

01:15:09,750 --> 01:15:07,120

and and at several books as well now and

2031

01:15:11,110 --> 01:15:09,760

it's just remarkable the continuum

2032

01:15:13,430 --> 01:15:11,120

throughout time

2033

01:15:14,709 --> 01:15:13,440

and even of

2034

01:15:16,310 --> 01:15:14,719

beings

2035

01:15:18,790 --> 01:15:16,320

that we would have encountered in

2036

01:15:21,110 --> 01:15:18,800

mythology of these serpentine beings

2037

01:15:22,470 --> 01:15:21,120

even what david ike has been passing on

2038

01:15:24,550 --> 01:15:22,480

which he was ex

2039

01:15:26,310 --> 01:15:24,560

just absolutely made a laughing stock

2040

01:15:28,550 --> 01:15:26,320

off in the mainstream but

2041

01:15:29,590 --> 01:15:28,560

what is this is of a coincidence that

2042

01:15:31,510 --> 01:15:29,600

you've got

2043

01:15:33,030 --> 01:15:31,520

people these traditional people on the

2044

01:15:34,229 --> 01:15:33,040

other side of the world

2045

01:15:35,910 --> 01:15:34,239

in america

2046

01:15:37,830 --> 01:15:35,920

birth this

2047

01:15:40,070 --> 01:15:37,840

relatively unbroken tradition of

2048

01:15:40,870 --> 01:15:40,080

folklore and they're even experiencing

2049

01:15:43,950 --> 01:15:40,880

these

2050

01:15:46,310 --> 01:15:43,960

serpentine seemingly interdimensional

2051

01:15:48,070 --> 01:15:46,320

metamorphising beings that are

2052

01:15:49,350 --> 01:15:48,080

serpentine and they seem hostile to

2053

01:15:51,750 --> 01:15:49,360

humans

2054

01:15:54,630 --> 01:15:51,760

and just as a researcher

2055

01:15:57,110 --> 01:15:54,640

who's open-minded you just have to

2056

01:15:59,030 --> 01:15:57,120

take these seriously you just can't just

2057

01:16:01,189 --> 01:15:59,040

pass them off as nonsense

2058

01:16:02,950 --> 01:16:01,199

hey that's a that's a super great point

2059

01:16:03,750 --> 01:16:02,960

and i think you i think you did i think

2060

01:16:07,270 --> 01:16:03,760

you

2061

01:16:11,110 --> 01:16:07,280

won that one in terms of that's a very

2062

01:16:14,070 --> 01:16:11,120

direct here and now example of where we

2063

01:16:16,470 --> 01:16:14,080

are forced to resolve that we are forced

2064

01:16:17,990 --> 01:16:16,480

which is your point we do have to kind

2065

01:16:20,310 --> 01:16:18,000

of and that's what i think you're

2066

01:16:23,590 --> 01:16:20,320

advocating hey that has to be part of

2067

01:16:25,110 --> 01:16:23,600

your paradigm in a here now kind of

2068

01:16:28,070 --> 01:16:25,120

world because

2069

01:16:30,790 --> 01:16:28,080

as you point out if we go to the

2070

01:16:33,189 --> 01:16:30,800

native american tradition some of those

2071

01:16:35,669 --> 01:16:33,199

encounters are not that

2072

01:16:37,750 --> 01:16:35,679

they're more or less present day kind of

2073

01:16:39,750 --> 01:16:37,760

thing or within a couple of generations

2074

01:16:41,830 --> 01:16:39,760

yeah like her latest book i think it's

2075

01:16:44,630 --> 01:16:41,840

the latest book the one on

2076

01:16:46,070 --> 01:16:44,640

uh different seeming species of

2077

01:16:48,790 --> 01:16:46,080

ufo beings

2078

01:16:52,550 --> 01:16:48,800

and one of the sections on this is on

2079

01:16:54,390 --> 01:16:52,560

these reptilian sort of entities which

2080

01:16:56,950 --> 01:16:54,400

are shape-shifters

2081

01:16:58,709 --> 01:16:56,960

and she's getting these reports

2082

01:17:00,229 --> 01:16:58,719

apparently from

2083

01:17:03,510 --> 01:17:00,239

veterans from

2084

01:17:04,870 --> 01:17:03,520

vietnam and from more recent uh reports

2085

01:17:07,669 --> 01:17:04,880

as well so it's very

2086

01:17:09,270 --> 01:17:07,679

uh recent all of her accounts and i just

2087

01:17:12,709 --> 01:17:09,280

find her a

2088

01:17:15,510 --> 01:17:12,719

relatively trustworthy thought i mean

2089

01:17:18,310 --> 01:17:15,520

professor for retired now but professor

2090

01:17:20,229 --> 01:17:18,320

of anthropology and she seems to have

2091

01:17:22,790 --> 01:17:20,239

good protocols for

2092

01:17:25,030 --> 01:17:22,800

the collection of data and not

2093

01:17:27,910 --> 01:17:25,040

seeming to have leading questions unlike

2094

01:17:29,750 --> 01:17:27,920

for instance what i saw from

2095

01:17:32,390 --> 01:17:29,760

for instance the betting barney hill

2096

01:17:34,070 --> 01:17:32,400

case way back in the 50s with

2097

01:17:36,310 --> 01:17:34,080

the hypnosis that was done and there's

2098

01:17:38,149 --> 01:17:36,320

the audio of this which is available on

2099

01:17:39,910 --> 01:17:38,159

youtube that you can actually hear the

2100

01:17:42,550 --> 01:17:39,920

original recordings

2101
01:17:46,870 --> 01:17:42,560
and this hypnotist is asking extremely

2102
01:17:48,870 --> 01:17:46,880
leading questions and is filling in even

2103
01:17:51,669 --> 01:17:48,880
what the meaning of certain things are

2104
01:17:54,070 --> 01:17:51,679
so i was just very impressed with rd six

2105
01:17:57,030 --> 01:17:54,080
killer clock book for instance on

2106
01:17:59,430 --> 01:17:57,040
on these different seeming species of

2107
01:18:01,910 --> 01:17:59,440
ufo beings if we can call them that

2108
01:18:02,950 --> 01:18:01,920
in quotation marks

2109
01:18:05,270 --> 01:18:02,960
and

2110
01:18:08,070 --> 01:18:05,280
this is very strange right that there

2111
01:18:10,149 --> 01:18:08,080
would seem to be

2112
01:18:11,590 --> 01:18:10,159
these species these factions which are

2113
01:18:13,430 --> 01:18:11,600

fighting against each other and that

2114

01:18:16,070 --> 01:18:13,440

they're actually

2115

01:18:19,189 --> 01:18:16,080

in their encounters with humans

2116

01:18:19,990 --> 01:18:19,199

explicitly telling the humans

2117

01:18:22,229 --> 01:18:20,000

that

2118

01:18:23,350 --> 01:18:22,239

there are these factions of these beings

2119

01:18:25,510 --> 01:18:23,360

and that they're

2120

01:18:26,790 --> 01:18:25,520

fighting against each other and that

2121

01:18:29,110 --> 01:18:26,800

some are

2122

01:18:31,510 --> 01:18:29,120

extremely hostile to humans these

2123

01:18:34,149 --> 01:18:31,520

reptilians

2124

01:18:36,390 --> 01:18:34,159

and the which are also shape-shifters as

2125

01:18:38,070 --> 01:18:36,400

well to at least some degree

2126
01:18:40,229 --> 01:18:38,080
and these

2127
01:18:40,950 --> 01:18:40,239
other species if we can call them this

2128
01:18:42,630 --> 01:18:40,960
of

2129
01:18:45,030 --> 01:18:42,640
these ufo beings

2130
01:18:46,550 --> 01:18:45,040
which seem to be more

2131
01:18:47,669 --> 01:18:46,560
friendly towards humans and even

2132
01:18:49,910 --> 01:18:47,679
protecting

2133
01:18:52,470 --> 01:18:49,920
humans from from

2134
01:18:54,229 --> 01:18:52,480
disease and curing people and taking

2135
01:18:56,310 --> 01:18:54,239
them away from war zones for instance

2136
01:18:58,550 --> 01:18:56,320
and i just see this pattern over and

2137
01:19:01,189 --> 01:18:58,560
over again of

2138
01:19:02,229 --> 01:19:01,199

factions or species of these ufo beings

2139

01:19:04,070 --> 01:19:02,239

which are

2140

01:19:05,910 --> 01:19:04,080

in conflict with each other and humans

2141

01:19:07,669 --> 01:19:05,920

seem to be

2142

01:19:10,550 --> 01:19:07,679

in the middle of this and quite

2143

01:19:11,510 --> 01:19:10,560

unwitting and even quite

2144

01:19:13,350 --> 01:19:11,520

minor

2145

01:19:14,870 --> 01:19:13,360

players in the whole

2146

01:19:17,030 --> 01:19:14,880

cosmos

2147

01:19:19,430 --> 01:19:17,040

and this is actually exactly what we see

2148

01:19:23,590 --> 01:19:19,440

in mythology that

2149

01:19:25,910 --> 01:19:23,600

humans are actually very minor in the

2150

01:19:28,310 --> 01:19:25,920

scale of the cosmos and

2151

01:19:30,709 --> 01:19:28,320

the different species if we can call

2152

01:19:32,390 --> 01:19:30,719

them that of these gods in conflict with

2153

01:19:34,229 --> 01:19:32,400

each other for instance in the in greek

2154

01:19:36,470 --> 01:19:34,239

mythology it's between the

2155

01:19:39,189 --> 01:19:36,480

olympians and the titans

2156

01:19:41,270 --> 01:19:39,199

and there's this great struggle between

2157

01:19:42,870 --> 01:19:41,280

zeus for instance the

2158

01:19:44,470 --> 01:19:42,880

king of the olympians the leader of the

2159

01:19:47,430 --> 01:19:44,480

olympians and

2160

01:19:49,270 --> 01:19:47,440

prometheus the titan who is

2161

01:19:52,310 --> 01:19:49,280

aiding humans it seems giving them

2162

01:19:55,189 --> 01:19:52,320

technology giving humans technology

2163

01:19:58,950 --> 01:19:55,199

and zeus being so so angry at this that

2164

01:20:01,110 --> 01:19:58,960

he tortured prometheus in perpetuity

2165

01:20:03,750 --> 01:20:01,120

and then you've got in this fragmented

2166

01:20:05,430 --> 01:20:03,760

hesiod who is one of the most important

2167

01:20:09,030 --> 01:20:05,440

sources of mythology

2168

01:20:10,709 --> 01:20:09,040

it explicitly detailing how jews decided

2169

01:20:12,390 --> 01:20:10,719

that there was too much interbreeding

2170

01:20:13,110 --> 01:20:12,400

between

2171

01:20:28,310 --> 01:20:13,120

the

2172

01:20:31,189 --> 01:20:28,320

bloodlines so it's it's very much a

2173

01:20:33,510 --> 01:20:31,199

pattern again that we see in euphoria

2174

01:20:35,110 --> 01:20:33,520

these factions who are fighting amongst

2175

01:20:36,709 --> 01:20:35,120

themselves and humans seem to be in the

2176

01:20:39,110 --> 01:20:36,719

middle of this and

2177

01:20:40,470 --> 01:20:39,120

just small players and then you've got

2178

01:20:42,709 --> 01:20:40,480

mythology

2179

01:20:44,950 --> 01:20:42,719

basically saying the same thing hey let

2180

01:20:47,669 --> 01:20:44,960

me let me jump in there that is that is

2181

01:20:49,510 --> 01:20:47,679

wonderful and i see where

2182

01:20:51,270 --> 01:20:49,520

now i see more clearly where you've been

2183

01:20:54,070 --> 01:20:51,280

going all along

2184

01:20:56,390 --> 01:20:54,080

and i i just here would be my my

2185

01:20:58,550 --> 01:20:56,400

pushback the the interesting part of the

2186

01:21:01,110 --> 01:20:58,560

discussion we can have

2187

01:21:03,590 --> 01:21:01,120

to me it seems like uh one it seems like

2188

01:21:05,750 --> 01:21:03,600

a why evil matters kind of question it

2189

01:21:08,149 --> 01:21:05,760

also seems like an as below so above

2190

01:21:09,910 --> 01:21:08,159

kind of question in terms of we see the

2191

01:21:12,390 --> 01:21:09,920

same thing

2192

01:21:15,510 --> 01:21:12,400

within ourselves and within our culture

2193

01:21:17,910 --> 01:21:15,520

people who are deemed as less worthy

2194

01:21:20,229 --> 01:21:17,920

less valuable and we've done this

2195

01:21:21,990 --> 01:21:20,239

throughout our recorded history you know

2196

01:21:23,030 --> 01:21:22,000

these people can be ignored these people

2197

01:21:25,669 --> 01:21:23,040

can be

2198

01:21:28,870 --> 01:21:25,679

butchered killed in all sorts of ways

2199

01:21:31,430 --> 01:21:28,880

enslaved all these things so this idea

2200

01:21:34,950 --> 01:21:31,440

of there being this hierarchy that we

2201

01:21:38,229 --> 01:21:34,960

impose that is beyond any kind of moral

2202

01:21:40,709 --> 01:21:38,239

imperative of some ultimate highest form

2203

01:21:43,350 --> 01:21:40,719

of the consciousness is

2204

01:21:45,750 --> 01:21:43,360

it is always that question

2205

01:21:46,790 --> 01:21:45,760

and maybe i'm not being direct enough so

2206

01:21:48,950 --> 01:21:46,800

the point

2207

01:21:51,990 --> 01:21:48,960

i would make is do we think

2208

01:21:54,229 --> 01:21:52,000

consciousness is hierarchical are we

2209

01:21:56,790 --> 01:21:54,239

willing to speculate that there is a

2210

01:21:59,590 --> 01:21:56,800

hierarchy and that hierarchy would point

2211

01:22:00,629 --> 01:21:59,600

to something that we would identify as

2212

01:22:02,950 --> 01:22:00,639

god

2213

01:22:04,950 --> 01:22:02,960

and i think that most of our wisdom

2214

01:22:07,510 --> 01:22:04,960

traditions would tell us

2215

01:22:09,510 --> 01:22:07,520

and along with the science that i see

2216

01:22:12,870 --> 01:22:09,520

like the near-death experience science

2217

01:22:14,310 --> 01:22:12,880

is telling us that the prometheus is a

2218

01:22:20,550 --> 01:22:14,320

head fake

2219

01:22:22,550 --> 01:22:20,560

the sense of if you think that's god

2220

01:22:24,790 --> 01:22:22,560

you've kind of missed the point the

2221

01:22:27,189 --> 01:22:24,800

point is they're going to have a life

2222

01:22:29,350 --> 01:22:27,199

review too and they have a soul and

2223

01:22:31,350 --> 01:22:29,360

their soul is on some kind of journey

2224

01:22:32,870 --> 01:22:31,360

that we can't understand and this is why

2225

01:22:35,110 --> 01:22:32,880

i'm being reluctant to go there because

2226

01:22:36,870 --> 01:22:35,120

we can't really talk about this stuff in

2227

01:22:38,629 --> 01:22:36,880

any meaningful way but at the same time

2228

01:22:40,790 --> 01:22:38,639

i think if we don't i think that's the

2229

01:22:42,790 --> 01:22:40,800

limiting belief i think we can

2230

01:22:45,510 --> 01:22:42,800

we just need to look at the data

2231

01:22:48,550 --> 01:22:45,520

and if we look at near-death experiences

2232

01:22:49,270 --> 01:22:48,560

it's undeniable that there's a hierarchy

2233

01:22:52,470 --> 01:22:49,280

of

2234

01:22:54,550 --> 01:22:52,480

souls shown there all the way up to

2235

01:22:56,550 --> 01:22:54,560

what you could call god

2236

01:22:58,149 --> 01:22:56,560

and we see this in the mythology as well

2237

01:22:59,350 --> 01:22:58,159

they're talking about hierarchies it's

2238

01:23:00,790 --> 01:22:59,360

extremely

2239

01:23:02,629 --> 01:23:00,800

hierarchical

2240

01:23:05,510 --> 01:23:02,639

so we just look at the data and the data

2241

01:23:07,030 --> 01:23:05,520

shows overwhelmingly that it's not

2242

01:23:08,629 --> 01:23:07,040

egalitarian there are there are

2243

01:23:10,870 --> 01:23:08,639

hierarchies and

2244

01:23:12,149 --> 01:23:10,880

in these wisdom traditions and these

2245

01:23:13,350 --> 01:23:12,159

extremely

2246

01:23:15,750 --> 01:23:13,360

internal

2247

01:23:18,390 --> 01:23:15,760

meditative traditions in

2248

01:23:19,990 --> 01:23:18,400

tibet and in india we're seeing exactly

2249

01:23:21,110 --> 01:23:20,000

the same thing as well let me just

2250

01:23:22,390 --> 01:23:21,120

interject here because i want to get

2251

01:23:25,430 --> 01:23:22,400

your thought on this

2252

01:23:27,189 --> 01:23:25,440

the way i read that from a lot of the

2253

01:23:29,830 --> 01:23:27,199

indian tradition and the non-dual

2254

01:23:32,229 --> 01:23:29,840

tradition is that what we're what we're

2255

01:23:36,470 --> 01:23:32,239

really looking at is

2256

01:23:38,470 --> 01:23:36,480

confusion is misunderstanding is a less

2257

01:23:40,310 --> 01:23:38,480

than full learning and that if we did

2258

01:23:42,390 --> 01:23:40,320

look at it more broadly and i'm just

2259

01:23:45,669 --> 01:23:42,400

throwing this out as a hypothesis is

2260

01:23:48,709 --> 01:23:45,679

that that kind of hierarchy is

2261

01:23:52,390 --> 01:23:48,719

attuned to our consciousness down here

2262

01:23:54,790 --> 01:23:52,400

but that the ultimate reality is that

2263

01:23:56,629 --> 01:23:54,800

we're all just bubbles in the ocean and

2264

01:23:58,229 --> 01:23:56,639

there's a lot of bubbles in the ocean

2265

01:24:00,470 --> 01:23:58,239

and every time a wave hits there's a

2266

01:24:02,790 --> 01:24:00,480

bunch of new bubbles don't get too hung

2267

01:24:05,189 --> 01:24:02,800

up on your bubble and don't get too in

2268

01:24:08,149 --> 01:24:05,199

prometheus man that's a big bubble but

2269

01:24:09,590 --> 01:24:08,159

it's just a bubble that would be

2270

01:24:11,830 --> 01:24:09,600

the non-dual

2271

01:24:13,669 --> 01:24:11,840

philosophy that we're all kind of back

2272

01:24:15,910 --> 01:24:13,679

to that sorry to interrupt that this is

2273

01:24:17,350 --> 01:24:15,920

the biggest debate in indian philosophy

2274

01:24:19,910 --> 01:24:17,360

right in vedanta

2275

01:24:21,270 --> 01:24:19,920

of dualism versus non-jewish and

2276

01:24:23,830 --> 01:24:21,280

qualified

2277

01:24:24,790 --> 01:24:23,840

non-dualism so you've got these mixtures

2278

01:24:29,030 --> 01:24:24,800

of

2279

01:24:31,110 --> 01:24:29,040

but i i just

2280

01:24:32,229 --> 01:24:31,120

think look at the data right

2281

01:24:33,669 --> 01:24:32,239

and

2282

01:24:35,590 --> 01:24:33,679

the data is showing that there are

2283

01:24:37,830 --> 01:24:35,600

hierarchies so i just think

2284

01:24:39,510 --> 01:24:37,840

you've got to somehow get around that

2285

01:24:42,229 --> 01:24:39,520

you could say that

2286

01:24:44,229 --> 01:24:42,239

there's something beyond it

2287

01:24:47,270 --> 01:24:44,239

but to just deny that there is hierarchy

2288

01:24:49,110 --> 01:24:47,280

within the nde experiences would just be

2289

01:24:51,030 --> 01:24:49,120

to just falsify things right now i just

2290

01:24:53,189 --> 01:24:51,040

want to be clear about that then let's

2291

01:24:54,950 --> 01:24:53,199

agree on that and see where that takes

2292

01:24:57,430 --> 01:24:54,960

us because

2293

01:25:00,149 --> 01:24:57,440

sometimes what i hear

2294

01:25:02,310 --> 01:25:00,159

you saying and i hear this in the in the

2295

01:25:04,950 --> 01:25:02,320

mythology folklore you know

2296

01:25:06,149 --> 01:25:04,960

shape-shifting alien kind of thing

2297

01:25:11,189 --> 01:25:06,159

is

2298

01:25:13,510 --> 01:25:11,199

different than i would assume it to be

2299

01:25:15,110 --> 01:25:13,520

so when i look at

2300

01:25:17,830 --> 01:25:15,120

ted bundy

2301
01:25:18,870 --> 01:25:17,840
and i look at somebody who i think was

2302
01:25:23,430 --> 01:25:18,880
being

2303
01:25:26,149 --> 01:25:23,440
consciousness realm

2304
01:25:28,709 --> 01:25:26,159
i'm not sure where to put ted bundy in

2305
01:25:31,510 --> 01:25:28,719
that hierarchy when i look at the people

2306
01:25:33,830 --> 01:25:31,520
who are behind some of these

2307
01:25:37,189 --> 01:25:33,840
global control mechanisms that seem to

2308
01:25:40,629 --> 01:25:37,199
be imposed on us when i look at you know

2309
01:25:43,110 --> 01:25:40,639
the arrival matters the annika lucas

2310
01:25:45,270 --> 01:25:43,120
souled into a satanic ritual abuse cult

2311
01:25:47,910 --> 01:25:45,280
at six years old by her mother

2312
01:25:50,310 --> 01:25:47,920
i don't know what her how her mother

2313
01:25:53,189 --> 01:25:50,320

fits in the hierarchy i don't know how

2314

01:25:56,709 --> 01:25:53,199

the people who brought this child to a

2315

01:25:59,510 --> 01:25:56,719

mansion and were the highest ranking

2316

01:26:01,750 --> 01:25:59,520

the european rulers and raped a

2317

01:26:04,470 --> 01:26:01,760

six-year-old i don't know how they fit

2318

01:26:06,870 --> 01:26:04,480

into this hierarchy but i would suggest

2319

01:26:09,350 --> 01:26:06,880

my gut instinct is that if we're

2320

01:26:11,590 --> 01:26:09,360

thinking of it as purely a human

2321

01:26:13,990 --> 01:26:11,600

hierarchy we're kind of missing the

2322

01:26:16,790 --> 01:26:14,000

point and i would say this similarly

2323

01:26:19,590 --> 01:26:16,800

that if we're thinking of the reptilian

2324

01:26:22,470 --> 01:26:19,600

who's raping the abductee which we hear

2325

01:26:24,070 --> 01:26:22,480

about in the et encounters as somehow

2326

01:26:26,709 --> 01:26:24,080

fitting into this hierarchy and we're

2327

01:26:29,910 --> 01:26:26,719

going to slot him or her in there or

2328

01:26:30,950 --> 01:26:29,920

there i don't think we have the ability

2329

01:26:33,990 --> 01:26:30,960

to

2330

01:26:36,550 --> 01:26:34,000

do that in a way that is reliable

2331

01:26:38,390 --> 01:26:36,560

i agree because we just we we can't

2332

01:26:40,790 --> 01:26:38,400

really look into the minds of these

2333

01:26:42,790 --> 01:26:40,800

individuals right we have to also leave

2334

01:26:44,070 --> 01:26:42,800

open the possibility that

2335

01:26:46,229 --> 01:26:44,080

there is

2336

01:26:48,390 --> 01:26:46,239

direct entity possession of people and

2337

01:26:50,229 --> 01:26:48,400

this goes way back

2338

01:26:53,830 --> 01:26:50,239

into the ancient past and we wouldn't

2339

01:26:56,550 --> 01:26:53,840

even know where to slot those entities

2340

01:26:58,310 --> 01:26:56,560

uh i can even give you some some

2341

01:27:00,229 --> 01:26:58,320

data point here which i actually wrote

2342

01:27:01,830 --> 01:27:00,239

down before shows

2343

01:27:03,510 --> 01:27:01,840

because we didn't really discuss

2344

01:27:05,510 --> 01:27:03,520

much of this we're just really opening

2345

01:27:08,070 --> 01:27:05,520

cans of worms here that according to

2346

01:27:09,990 --> 01:27:08,080

wikipedia on spirit possession i'll just

2347

01:27:13,030 --> 01:27:10,000

cloak the sentence quote

2348

01:27:16,070 --> 01:27:13,040

in a 1969 study funded by the national

2349

01:27:18,310 --> 01:27:16,080

institute of mental health

2350

01:27:20,709 --> 01:27:18,320

spirit possession beliefs were found to

2351

01:27:24,470 --> 01:27:20,719

exist in 74

2352

01:27:28,870 --> 01:27:24,480

of a sample of 488 societies in all

2353

01:27:30,229 --> 01:27:28,880

parts of the world so 74 of societies

2354

01:27:32,310 --> 01:27:30,239

that's great

2355

01:27:34,390 --> 01:27:32,320

that's a great quote wikipedia finally

2356

01:27:35,830 --> 01:27:34,400

pays off

2357

01:27:37,669 --> 01:27:35,840

yes and i just think you just got to

2358

01:27:39,510 --> 01:27:37,679

follow the data with these things and

2359

01:27:41,189 --> 01:27:39,520

there's too much speculation too much

2360

01:27:43,510 --> 01:27:41,199

philosophizing

2361

01:27:46,310 --> 01:27:43,520

without really getting the feet firmly

2362

01:27:47,990 --> 01:27:46,320

on the ground of the data itself right

2363

01:27:49,270 --> 01:27:48,000

but but i'm going to drill on this a

2364

01:27:53,590 --> 01:27:49,280

little bit further

2365

01:27:55,590 --> 01:27:53,600

i'm suggesting that that data again is

2366

01:27:57,990 --> 01:27:55,600

even when we creep closer to it's all

2367

01:28:01,430 --> 01:27:58,000

about exactly what you're doing is that

2368

01:28:03,350 --> 01:28:01,440

the data moves us closer to being a

2369

01:28:05,590 --> 01:28:03,360

little bit less wrong we're always going

2370

01:28:07,750 --> 01:28:05,600

to be wrong but a little bit less wrong

2371

01:28:09,590 --> 01:28:07,760

but where i see a lot of people going

2372

01:28:11,910 --> 01:28:09,600

with that and it seemed like you were

2373

01:28:14,149 --> 01:28:11,920

with me and you agreed is that the

2374

01:28:17,990 --> 01:28:14,159

implications of that are unclear the

2375

01:28:20,470 --> 01:28:18,000

implications of where we would slot the

2376

01:28:24,070 --> 01:28:20,480

demon that's possessing someone in the

2377

01:28:25,990 --> 01:28:24,080

hierarchical structure is unclear to us

2378

01:28:26,870 --> 01:28:26,000

just like it's unclear where we would

2379

01:28:30,229 --> 01:28:26,880

slot

2380

01:28:31,510 --> 01:28:30,239

somebody who is out there living

2381

01:28:34,070 --> 01:28:31,520

right next to us that you're going to

2382

01:28:37,750 --> 01:28:34,080

walk past the street that is an advanced

2383

01:28:39,990 --> 01:28:37,760

human being of a spiritual order that we

2384

01:28:42,870 --> 01:28:40,000

can't really understand maybe that

2385

01:28:45,189 --> 01:28:42,880

person would be slotted like way way up

2386

01:28:47,510 --> 01:28:45,199

there i don't think we know and i think

2387

01:28:48,550 --> 01:28:47,520

we we make the mistake when we assume

2388

01:28:54,470 --> 01:28:48,560

that

2389

01:28:57,510 --> 01:28:54,480

grasp i don't think it is

2390

01:28:59,270 --> 01:28:57,520

no i agree i agree with that because

2391

01:29:02,709 --> 01:28:59,280

how do we even define

2392

01:29:05,270 --> 01:29:02,719

what is a more evolved being if we can

2393

01:29:07,030 --> 01:29:05,280

just use this hierarchy as a structure

2394

01:29:08,790 --> 01:29:07,040

we've identified this in the data but

2395

01:29:11,350 --> 01:29:08,800

how do we even define

2396

01:29:12,550 --> 01:29:11,360

what is then a more advanced being for

2397

01:29:14,470 --> 01:29:12,560

instance

2398

01:29:16,470 --> 01:29:14,480

the typical

2399

01:29:18,390 --> 01:29:16,480

ancient religious fear was that

2400

01:29:21,189 --> 01:29:18,400

especially in the east in india and in

2401

01:29:23,990 --> 01:29:21,199

tibet was that the

2402

01:29:26,629 --> 01:29:24,000

the more advanced being was just just

2403

01:29:28,149 --> 01:29:26,639

beyond the physical and had released the

2404

01:29:30,390 --> 01:29:28,159

attachments of

2405

01:29:31,830 --> 01:29:30,400

the physical so to speak

2406

01:29:33,030 --> 01:29:31,840

and was

2407

01:29:38,470 --> 01:29:33,040

in

2408

01:29:39,590 --> 01:29:38,480

huge can of worms here because i haven't

2409

01:29:40,870 --> 01:29:39,600

actually

2410

01:29:43,270 --> 01:29:40,880

heard anyone

2411

01:29:44,229 --> 01:29:43,280

say this before but i

2412

01:29:47,270 --> 01:29:44,239

was

2413

01:29:49,350 --> 01:29:47,280

reading about what carl gustav jung the

2414

01:29:50,629 --> 01:29:49,360

psychologist wrote about his ufo

2415

01:29:53,110 --> 01:29:50,639

experience because he wrote a book on

2416

01:29:54,790 --> 01:29:53,120

you of course as well and he relates the

2417

01:29:57,669 --> 01:29:54,800

dream that he had

2418

01:30:00,149 --> 01:29:57,679

where he was by a lake in this dream and

2419

01:30:02,149 --> 01:30:00,159

it seems very very vivid and real and on

2420

01:30:04,709 --> 01:30:02,159

the edge of the lake there was this

2421

01:30:07,270 --> 01:30:04,719

light which was obvious and

2422

01:30:08,709 --> 01:30:07,280

grew larger and became a ufo

2423

01:30:11,669 --> 01:30:08,719

and from this

2424

01:30:14,390 --> 01:30:11,679

this ufo came this beam of light and

2425

01:30:17,510 --> 01:30:14,400

it's shone on him and somehow he had

2426

01:30:19,350 --> 01:30:17,520

this intuition this feeling that he

2427

01:30:20,390 --> 01:30:19,360

cargo starving the

2428

01:30:21,990 --> 01:30:20,400

individual

2429

01:30:25,270 --> 01:30:22,000

was actually

2430

01:30:27,350 --> 01:30:25,280

a projection of the u.s so that he was

2431

01:30:29,189 --> 01:30:27,360

created by the ufo

2432

01:30:30,550 --> 01:30:29,199

and this to me was absolutely

2433

01:30:33,510 --> 01:30:30,560

mind-blowing when i started thinking

2434

01:30:34,870 --> 01:30:33,520

about this because i respect calculus

2435

01:30:35,750 --> 01:30:34,880

just his

2436

01:30:38,390 --> 01:30:35,760

his

2437

01:30:40,629 --> 01:30:38,400

audacity just to open up these these

2438

01:30:43,110 --> 01:30:40,639

more hidden fields

2439

01:30:45,110 --> 01:30:43,120

and just his experiences to relate them

2440

01:30:48,550 --> 01:30:45,120

and it's just seemed so bizarre that a

2441

01:30:51,669 --> 01:30:48,560

ufo would actually be creating

2442

01:30:52,790 --> 01:30:51,679

yourself your own ego your own physical

2443

01:30:55,350 --> 01:30:52,800

body

2444

01:30:57,030 --> 01:30:55,360

and then i started to wonder

2445

01:30:58,629 --> 01:30:57,040

was this to get back to the very

2446

01:31:00,629 --> 01:30:58,639

beginning was this reincarnation

2447

01:31:01,510 --> 01:31:00,639

experience and quotation marks that i

2448

01:31:03,270 --> 01:31:01,520

had

2449

01:31:06,070 --> 01:31:03,280

was this a

2450

01:31:08,149 --> 01:31:06,080

projection some sort of

2451

01:31:10,229 --> 01:31:08,159

telepathic

2452

01:31:12,070 --> 01:31:10,239

sort of reality that i saw that was

2453

01:31:14,550 --> 01:31:12,080

completely controlled

2454

01:31:16,629 --> 01:31:14,560

by this ufo

2455

01:31:19,110 --> 01:31:16,639

but how do i actually know

2456

01:31:21,990 --> 01:31:19,120

that this was real what i saw maybe it

2457

01:31:24,629 --> 01:31:22,000

was just like seeing a movie a film

2458

01:31:27,669 --> 01:31:24,639

by this ufo of something that it wanted

2459

01:31:28,870 --> 01:31:27,679

me to see but it has no basis whatsoever

2460

01:31:32,629 --> 01:31:28,880

in reality

2461

01:31:35,189 --> 01:31:32,639

like as a historical reality

2462

01:31:37,510 --> 01:31:35,199

i'm totally with you i i i really

2463

01:31:39,350 --> 01:31:37,520

appreciate where you're going with that

2464

01:31:41,830 --> 01:31:39,360

historical reality

2465

01:31:44,149 --> 01:31:41,840

again that that is just

2466

01:31:46,550 --> 01:31:44,159

another looking glass another lens

2467

01:31:48,470 --> 01:31:46,560

through which to look at and i guess i

2468

01:31:51,350 --> 01:31:48,480

always come back to this point

2469

01:31:53,310 --> 01:31:51,360

all the data all the data sets we have

2470

01:31:56,390 --> 01:31:53,320

suggest that we have the most

2471

01:31:58,550 --> 01:31:56,400

disadvantaged viewpoint of all this

2472

01:32:00,709 --> 01:31:58,560

right so it's like if you're going to

2473

01:32:03,669 --> 01:32:00,719

process that back in the here and now

2474

01:32:06,070 --> 01:32:03,679

reality everything we have tells us man

2475

01:32:07,830 --> 01:32:06,080

you're you're kind of at a at a loss

2476

01:32:10,229 --> 01:32:07,840

like people who have transcendent

2477

01:32:11,750 --> 01:32:10,239

experience and say i knew everything i

2478

01:32:14,149 --> 01:32:11,760

knew the answer to all the physics

2479

01:32:15,990 --> 01:32:14,159

questions i could even ask in my head

2480

01:32:17,990 --> 01:32:16,000

they immediately came to me and then i

2481

01:32:19,110 --> 01:32:18,000

came back and i don't have it anymore i

2482

01:32:20,950 --> 01:32:19,120

had you know

2483

01:32:23,430 --> 01:32:20,960

unlimited telepathic and spiritual

2484

01:32:25,189 --> 01:32:23,440

powers and i don't have them anymore so

2485

01:32:27,830 --> 01:32:25,199

i just think

2486

01:32:31,189 --> 01:32:27,840

i just gotta check myself check you when

2487

01:32:33,590 --> 01:32:31,199

we come back and say okay now i'm here

2488

01:32:36,790 --> 01:32:33,600

now in this time space reality and i'm

2489

01:32:39,910 --> 01:32:36,800

contemplating what young wrote in his

2490

01:32:42,470 --> 01:32:39,920

book it's like cool but realize we're

2491

01:32:44,310 --> 01:32:42,480

really at a disadvantage when we do that

2492

01:32:46,149 --> 01:32:44,320

absolutely i agree with you there but

2493

01:32:47,110 --> 01:32:46,159

there are other just looking at it at

2494

01:32:49,590 --> 01:32:47,120

this

2495

01:32:52,310 --> 01:32:49,600

level of recollection right

2496

01:32:54,229 --> 01:32:52,320

that jung is recollecting what he was

2497

01:32:56,390 --> 01:32:54,239

experiencing and i'm recollecting what i

2498

01:32:58,950 --> 01:32:56,400

experienced and i can say as well like

2499

01:33:00,950 --> 01:32:58,960

uh richard dolan that

2500

01:33:03,270 --> 01:33:00,960

he had an excellent um

2501
01:33:05,510 --> 01:33:03,280
video recently on the psychology of

2502
01:33:07,189 --> 01:33:05,520
aliens and we can just let's just call

2503
01:33:10,229 --> 01:33:07,199
him aliens for that right

2504
01:33:11,430 --> 01:33:10,239
i prefer the term ufo being because it's

2505
01:33:13,830 --> 01:33:11,440
more

2506
01:33:15,030 --> 01:33:13,840
open but but he just made the amazing

2507
01:33:17,030 --> 01:33:15,040
point that

2508
01:33:19,430 --> 01:33:17,040
these tall greys

2509
01:33:20,950 --> 01:33:19,440
that they they seem to be really scary

2510
01:33:22,709 --> 01:33:20,960
if you just think about it

2511
01:33:24,629 --> 01:33:22,719
but so often

2512
01:33:26,709 --> 01:33:24,639
these experiences

2513
01:33:29,750 --> 01:33:26,719

are reporting that they are feeling

2514

01:33:32,310 --> 01:33:29,760

these overwhelming feelings of love

2515

01:33:33,350 --> 01:33:32,320

and dolan is just making just putting

2516

01:33:34,870 --> 01:33:33,360

these two

2517

01:33:36,390 --> 01:33:34,880

together and just saying like how is

2518

01:33:38,629 --> 01:33:36,400

this even possible these people are

2519

01:33:40,629 --> 01:33:38,639

experiencing more love

2520

01:33:42,070 --> 01:33:40,639

reportedly anyway than they've ever

2521

01:33:44,629 --> 01:33:42,080

experienced before

2522

01:33:46,550 --> 01:33:44,639

in the presence of these tall great and

2523

01:33:48,390 --> 01:33:46,560

this this just to me just shows that

2524

01:33:50,550 --> 01:33:48,400

these beings seem to be able to

2525

01:33:51,510 --> 01:33:50,560

manipulate our consciousness our

2526

01:33:54,070 --> 01:33:51,520

feelings

2527

01:33:56,070 --> 01:33:54,080

to such an enormous degree for instance

2528

01:33:58,870 --> 01:33:56,080

ray hernandez another example who you've

2529

01:34:00,550 --> 01:33:58,880

interviewed he was going down the stairs

2530

01:34:02,790 --> 01:34:00,560

and just had this

2531

01:34:04,470 --> 01:34:02,800

thought put into his head seemingly just

2532

01:34:06,310 --> 01:34:04,480

this is nonsense the thing is you have

2533

01:34:08,550 --> 01:34:06,320

thrown down with his wife healing the

2534

01:34:10,790 --> 01:34:08,560

dog and he just walks up to the bed

2535

01:34:13,669 --> 01:34:10,800

right and it's just so

2536

01:34:15,430 --> 01:34:13,679

controlling its extreme control that's

2537

01:34:17,110 --> 01:34:15,440

the screen memory by the way you know i

2538

01:34:19,669 --> 01:34:17,120

i was stumbling with the term that's a

2539

01:34:21,510 --> 01:34:19,679

great example of a of a screen memory or

2540

01:34:23,350 --> 01:34:21,520

implanted thought if we take into

2541

01:34:25,750 --> 01:34:23,360

consideration this data

2542

01:34:28,709 --> 01:34:25,760

that these ufo beings are extremely

2543

01:34:31,350 --> 01:34:28,719

telepathic and control people's thoughts

2544

01:34:32,550 --> 01:34:31,360

and feelings and actions to such a huge

2545

01:34:35,510 --> 01:34:32,560

degree

2546

01:34:37,270 --> 01:34:35,520

including overwhelming feelings of love

2547

01:34:38,229 --> 01:34:37,280

that they've never experienced to such a

2548

01:34:39,990 --> 01:34:38,239

degree

2549

01:34:42,709 --> 01:34:40,000

that we have to

2550

01:34:44,629 --> 01:34:42,719

leave it on the table that maybe nds are

2551

01:34:46,950 --> 01:34:44,639

also a manipulation

2552

01:34:48,390 --> 01:34:46,960

that it's not the foundation of reality

2553

01:34:51,030 --> 01:34:48,400

that it could be

2554

01:34:53,510 --> 01:34:51,040

the ufos manipulating our consciousness

2555

01:34:55,109 --> 01:34:53,520

while we're somehow loosened from our

2556

01:34:57,910 --> 01:34:55,119

physical bonds

2557

01:35:00,229 --> 01:34:57,920

totally it's totally a possibility

2558

01:35:03,350 --> 01:35:00,239

it just doesn't add up to me it's like

2559

01:35:05,510 --> 01:35:03,360

the super psy explanation for

2560

01:35:07,590 --> 01:35:05,520

after death communication it doesn't

2561

01:35:09,830 --> 01:35:07,600

really make any sense if you if you

2562

01:35:12,310 --> 01:35:09,840

think it through because it doesn't

2563

01:35:14,229 --> 01:35:12,320

fit the reported phenomenon that you

2564

01:35:16,310 --> 01:35:14,239

hear all the time it's also like when i

2565

01:35:18,229 --> 01:35:16,320

hear about the simulation theory that

2566

01:35:20,390 --> 01:35:18,239

we're living in a simulation you know

2567

01:35:22,870 --> 01:35:20,400

and the same thing i would say here

2568

01:35:26,629 --> 01:35:22,880

we are they are somehow projecting a

2569

01:35:29,109 --> 01:35:26,639

feeling of infinite love and oneness

2570

01:35:31,030 --> 01:35:29,119

simulation simulation of what

2571

01:35:33,270 --> 01:35:31,040

what are they simulating this is again

2572

01:35:35,189 --> 01:35:33,280

this is now outside of time and space

2573

01:35:38,870 --> 01:35:35,199

it's outside of our

2574

01:35:41,189 --> 01:35:38,880

physical emotional you know brain based

2575

01:35:43,350 --> 01:35:41,199

experience chemical kind of thing right

2576

01:35:45,189 --> 01:35:43,360

because near-death experience we no

2577

01:35:46,550 --> 01:35:45,199

longer have a brain we no longer have a

2578

01:35:49,910 --> 01:35:46,560

body

2579

01:35:52,550 --> 01:35:49,920

to process it at a biochemical level so

2580

01:35:54,790 --> 01:35:52,560

if it is doing that what are they

2581

01:35:57,430 --> 01:35:54,800

simulating to me

2582

01:36:00,229 --> 01:35:57,440

i would read it as they're simulating

2583

01:36:01,669 --> 01:36:00,239

something that is real is authentic and

2584

01:36:03,669 --> 01:36:01,679

they're trying to

2585

01:36:05,750 --> 01:36:03,679

co-opt it in some way

2586

01:36:09,350 --> 01:36:05,760

possible or for instance that there's a

2587

01:36:11,510 --> 01:36:09,360

layer of say a field of let's say rupert

2588

01:36:14,310 --> 01:36:11,520

sheldrake's morphe resonance field let's

2589

01:36:15,830 --> 01:36:14,320

just say just to hypothesize this and

2590

01:36:17,189 --> 01:36:15,840

then it's something so subtle that we

2591

01:36:18,229 --> 01:36:17,199

can't measure with our current

2592

01:36:20,709 --> 01:36:18,239

instruments

2593

01:36:23,109 --> 01:36:20,719

but that somehow we are then

2594

01:36:24,790 --> 01:36:23,119

experiencing reality so to speak within

2595

01:36:29,030 --> 01:36:24,800

this

2596

01:36:31,669 --> 01:36:29,040

our consciousness but it's not the

2597

01:36:34,470 --> 01:36:31,679

ultimate foundation of reality and that

2598

01:36:35,590 --> 01:36:34,480

somehow these ufo beings are able to

2599

01:36:36,550 --> 01:36:35,600

manipulate

2600

01:36:39,669 --> 01:36:36,560

this

2601

01:36:40,870 --> 01:36:39,679

more subtle reality

2602

01:36:43,669 --> 01:36:40,880

and give us

2603

01:36:45,270 --> 01:36:43,679

experiences which are so vivid so

2604

01:36:47,510 --> 01:36:45,280

real seeming

2605

01:36:49,669 --> 01:36:47,520

and filled with so much emotion

2606

01:36:51,990 --> 01:36:49,679

and it is still on this

2607

01:36:54,470 --> 01:36:52,000

sort of intermediary level between

2608

01:36:56,070 --> 01:36:54,480

physical normal consciousness and the

2609

01:36:59,350 --> 01:36:56,080

ultimate foundation

2610

01:37:00,149 --> 01:36:59,360

of let's say some idealistic universe of

2611

01:37:02,149 --> 01:37:00,159

of

2612

01:37:04,870 --> 01:37:02,159

consciousness is

2613

01:37:08,070 --> 01:37:04,880

immaterial and completely free of

2614

01:37:10,229 --> 01:37:08,080

material see so again you know a

2615

01:37:11,669 --> 01:37:10,239

possibility and certainly something that

2616

01:37:13,830 --> 01:37:11,679

has to be

2617

01:37:16,550 --> 01:37:13,840

thrown on the table and considered as an

2618

01:37:20,070 --> 01:37:16,560

explanation for some of these cases

2619

01:37:22,390 --> 01:37:20,080

it doesn't to me fit with the overall

2620

01:37:24,550 --> 01:37:22,400

data on the near death experience

2621

01:37:26,790 --> 01:37:24,560

experience because

2622

01:37:28,550 --> 01:37:26,800

one thing i always try and remind people

2623

01:37:30,870 --> 01:37:28,560

of with the near death experience is you

2624

01:37:32,950 --> 01:37:30,880

you almost have to bifurcate it in term

2625

01:37:35,830 --> 01:37:32,960

into two parts one is

2626

01:37:38,070 --> 01:37:35,840

is it evidential of extended

2627

01:37:40,629 --> 01:37:38,080

consciousness and you go

2628

01:37:43,350 --> 01:37:40,639

boom boom boom over and over again okay

2629

01:37:45,830 --> 01:37:43,360

it is so back to this getting past

2630

01:37:49,350 --> 01:37:45,840

scientific materialism were there

2631

01:37:51,350 --> 01:37:49,360

from that then can we make certain

2632

01:37:54,390 --> 01:37:51,360

assumptions can we begin to find

2633

01:37:56,229 --> 01:37:54,400

patterns in the stories in the accounts

2634

01:37:58,070 --> 01:37:56,239

and i think we can again you reference

2635

01:38:00,310 --> 01:37:58,080

jeff long

2636

01:38:01,189 --> 01:38:00,320

statistically you start seeing patterns

2637

01:38:03,510 --> 01:38:01,199

that

2638

01:38:06,709 --> 01:38:03,520

you you can't totally go there but you

2639

01:38:08,310 --> 01:38:06,719

can say hey that that doesn't really

2640

01:38:10,550 --> 01:38:08,320

that seems to be pointing towards

2641

01:38:11,669 --> 01:38:10,560

something you know i i always reference

2642

01:38:13,910 --> 01:38:11,679

the

2643

01:38:15,590 --> 01:38:13,920

netflix excellent special

2644

01:38:17,350 --> 01:38:15,600

surviving death i think is the name of

2645

01:38:19,590 --> 01:38:17,360

it by leslie kane again who did a

2646

01:38:22,310 --> 01:38:19,600

fantastic job but

2647

01:38:25,189 --> 01:38:22,320

the opening scene of that six-part

2648

01:38:26,470 --> 01:38:25,199

series on netflix is this woman who her

2649

01:38:29,270 --> 01:38:26,480

name escapes him right now but she's

2650

01:38:32,070 --> 01:38:29,280

become quite famous she was

2651

01:38:34,709 --> 01:38:32,080

a a doctor and quite an quite an

2652

01:38:36,629 --> 01:38:34,719

accomplished doctor and she was kayaking

2653

01:38:38,310 --> 01:38:36,639

down in central america

2654

01:38:40,390 --> 01:38:38,320

and her kayak turned over and she was

2655

01:38:42,310 --> 01:38:40,400

underwater for 20 minutes and she died

2656

01:38:44,629 --> 01:38:42,320

and she had a near-death experience

2657

01:38:47,910 --> 01:38:44,639

classic near-death experience

2658

01:38:49,750 --> 01:38:47,920

the crux or the the real kind of

2659

01:38:52,229 --> 01:38:49,760

point of her near-death experience is

2660

01:38:54,550 --> 01:38:52,239

she reaches a point where many endy ears

2661

01:38:56,550 --> 01:38:54,560

do where she actually has a choice again

2662

01:38:58,709 --> 01:38:56,560

this speaks to the issue of free will

2663

01:39:00,870 --> 01:38:58,719

philosophically the choice shall she

2664

01:39:04,229 --> 01:39:00,880

return to her life

2665

01:39:05,590 --> 01:39:04,239

as she knew it or shall she stay in this

2666

01:39:08,470 --> 01:39:05,600

other realm

2667

01:39:10,149 --> 01:39:08,480

she chooses to return as she's walking

2668

01:39:11,669 --> 01:39:10,159

out the door and this makes no sense to

2669

01:39:13,750 --> 01:39:11,679

me i don't know how to make sense of it

2670

01:39:15,590 --> 01:39:13,760

but this is her account as she's quote

2671

01:39:19,350 --> 01:39:15,600

unquote walking out the door i'm kidding

2672

01:39:22,470 --> 01:39:19,360

they go oh by the way your son

2673

01:39:25,590 --> 01:39:22,480

sorry but he only has 10 years to live

2674

01:39:27,669 --> 01:39:25,600

so she returns and her husband and her

2675

01:39:30,470 --> 01:39:27,679

are living with this which is

2676

01:39:32,390 --> 01:39:30,480

unimaginable to me you know having kids

2677

01:39:34,310 --> 01:39:32,400

that your son has 10 years to live but

2678

01:39:35,270 --> 01:39:34,320

they're like we don't know you know life

2679

01:39:39,270 --> 01:39:35,280

is

2680

01:39:41,430 --> 01:39:39,280

that 10 years pass

2681

01:39:43,830 --> 01:39:41,440

and they're like

2682

01:39:44,950 --> 01:39:43,840

cautiously celebrating because he hasn't

2683

01:39:46,709 --> 01:39:44,960

died

2684

01:39:48,310 --> 01:39:46,719

within several months he walks out into

2685

01:39:49,350 --> 01:39:48,320

the street and is hit by a boss and is

2686

01:39:50,550 --> 01:39:49,360

killed

2687

01:39:52,470 --> 01:39:50,560

so

2688

01:39:54,709 --> 01:39:52,480

that account to me

2689

01:39:57,350 --> 01:39:54,719

doesn't sound like e.t

2690

01:39:59,189 --> 01:39:57,360

and the hundreds and hundreds of other

2691

01:40:02,070 --> 01:39:59,199

accounts that i've read

2692

01:40:04,870 --> 01:40:02,080

don't sound like e.t they sound like

2693

01:40:06,229 --> 01:40:04,880

more what we'd identify as genuine

2694

01:40:10,790 --> 01:40:06,239

compassion

2695

01:40:13,270 --> 01:40:10,800

genuine love genuine experiences of

2696

01:40:15,629 --> 01:40:13,280

the highest order of

2697

01:40:18,550 --> 01:40:15,639

feelings of this

2698

01:40:20,390 --> 01:40:18,560

spirituality that we all experience at

2699

01:40:22,550 --> 01:40:20,400

our best in

2700

01:40:25,270 --> 01:40:22,560

and most profound times that is

2701

01:40:27,990 --> 01:40:25,280

uplifting and the counter to that i

2702

01:40:31,030 --> 01:40:28,000

think would have to fit inside of some

2703

01:40:33,910 --> 01:40:31,040

other paradigm so if there is another

2704

01:40:36,229 --> 01:40:33,920

paradigm in which that would fit then i

2705

01:40:38,870 --> 01:40:36,239

think you have to offer some kind of

2706

01:40:41,350 --> 01:40:38,880

explanation for how that would work

2707

01:40:43,750 --> 01:40:41,360

and even what would be the goals of such

2708

01:40:45,350 --> 01:40:43,760

such a paradigm and all those whined

2709

01:40:47,590 --> 01:40:45,360

with me

2710

01:40:49,990 --> 01:40:47,600

sounding very materialistic

2711

01:40:51,990 --> 01:40:50,000

sound very much like well the aliens

2712

01:40:54,950 --> 01:40:52,000

need to collect gold to get their

2713

01:40:57,470 --> 01:40:54,960

atmosphere back they sound so not

2714

01:40:59,430 --> 01:40:57,480

spiritual that they are almost a

2715

01:41:02,550 --> 01:40:59,440

non-starting point

2716

01:41:05,350 --> 01:41:02,560

okay i i agree with you on your analysis

2717

01:41:08,229 --> 01:41:05,360

of the data just on the data of the ndes

2718

01:41:09,750 --> 01:41:08,239

right we can establish that with enough

2719

01:41:11,590 --> 01:41:09,760

surety i think

2720

01:41:12,709 --> 01:41:11,600

that that is a genuine pattern that

2721

01:41:14,229 --> 01:41:12,719

there is

2722

01:41:16,390 --> 01:41:14,239

this uh

2723

01:41:18,470 --> 01:41:16,400

love is hugely important and that there

2724

01:41:20,390 --> 01:41:18,480

are hierarchies that there's god

2725

01:41:22,229 --> 01:41:20,400

let me just add i have to i have to add

2726

01:41:25,669 --> 01:41:22,239

one thing because it's an important

2727

01:41:26,950 --> 01:41:25,679

distinction it's not a feeling of love

2728

01:41:29,510 --> 01:41:26,960

right

2729

01:41:31,510 --> 01:41:29,520

because it can't be a feeling of love

2730

01:41:34,709 --> 01:41:31,520

because when we use that language we're

2731

01:41:37,669 --> 01:41:34,719

talking about a biochemical reaction

2732

01:41:39,030 --> 01:41:37,679

inside of this biology that we walk

2733

01:41:41,030 --> 01:41:39,040

around with

2734

01:41:43,189 --> 01:41:41,040

and these people and it's an important

2735

01:41:46,390 --> 01:41:43,199

point from the near-death experience

2736

01:41:49,030 --> 01:41:46,400

we know they are relieved of that

2737

01:41:52,070 --> 01:41:49,040

of of of those requirements they no

2738

01:41:55,510 --> 01:41:52,080

longer have a physiology that could

2739

01:41:57,830 --> 01:41:55,520

process that biochemical reaction so we

2740

01:41:59,590 --> 01:41:57,840

would have to speculate on that whole

2741

01:42:01,669 --> 01:41:59,600

level as well

2742

01:42:02,709 --> 01:42:01,679

yeah that's speculation as well because

2743

01:42:06,149 --> 01:42:02,719

um

2744

01:42:07,030 --> 01:42:06,159

we could call it a sensation or

2745

01:42:28,709 --> 01:42:07,040

a

2746

01:42:29,430 --> 01:42:28,719

i know i know this is the

2747

01:42:44,790 --> 01:42:29,440

the

2748

01:42:47,590 --> 01:42:44,800

certain things for instance love and

2749

01:42:50,310 --> 01:42:47,600

sometimes fear and yeah but nelson i'm

2750

01:42:52,709 --> 01:42:50,320

i'm saying it more from a kind of

2751
01:42:54,790 --> 01:42:52,719
nuts and pulse materialistic standpoint

2752
01:42:57,669 --> 01:42:54,800
if you're going to drag along the whole

2753
01:42:59,990 --> 01:42:57,679
biochemical reaction inside the body and

2754
01:43:02,709 --> 01:43:00,000
the inside the brain which people want

2755
01:43:04,790 --> 01:43:02,719
to do that is gone so whatever you're

2756
01:43:05,669 --> 01:43:04,800
going to speculate about

2757
01:43:07,830 --> 01:43:05,679
you ca

2758
01:43:10,390 --> 01:43:07,840
whoever it is you're saying can spill

2759
01:43:12,950 --> 01:43:10,400
still experience the feelings you're

2760
01:43:16,149 --> 01:43:12,960
going to have to leave behind all the

2761
01:43:19,030 --> 01:43:16,159
neurology all the physiology all the

2762
01:43:21,830 --> 01:43:19,040
biochemistry associated with what we

2763
01:43:23,510 --> 01:43:21,840

commonly talk about as experiencing

2764

01:43:25,990 --> 01:43:23,520

feelings you know and you know what i'm

2765

01:43:29,189 --> 01:43:26,000

saying yeah so we just have to be open i

2766

01:43:31,189 --> 01:43:29,199

think to the possibility that

2767

01:43:33,910 --> 01:43:31,199

when you're in these altered

2768

01:43:35,910 --> 01:43:33,920

states of not being corporeal that

2769

01:43:38,149 --> 01:43:35,920

you're you can still

2770

01:43:40,470 --> 01:43:38,159

sense certain things certain longings as

2771

01:43:41,510 --> 01:43:40,480

well for instance see loved ones again

2772

01:43:43,030 --> 01:43:41,520

and i just think it would be

2773

01:43:44,149 --> 01:43:43,040

closed-minded just

2774

01:43:45,350 --> 01:43:44,159

to

2775

01:43:48,550 --> 01:43:45,360

assume

2776

01:43:52,870 --> 01:43:48,560

that certain sensations are only

2777

01:43:54,149 --> 01:43:52,880

physical such as love or fear or longing

2778

01:43:56,310 --> 01:43:54,159

because

2779

01:43:59,510 --> 01:43:56,320

it doesn't seem to fit with the data

2780

01:44:01,990 --> 01:43:59,520

well but my point is once you get there

2781

01:44:04,310 --> 01:44:02,000

then kind of all bets are off because

2782

01:44:07,669 --> 01:44:04,320

now you're talking about your

2783

01:44:09,510 --> 01:44:07,679

uh shape-shifting reptilian and you you

2784

01:44:11,270 --> 01:44:09,520

you just have no

2785

01:44:13,830 --> 01:44:11,280

you're

2786

01:44:16,950 --> 01:44:13,840

you have no way of really talking about

2787

01:44:20,149 --> 01:44:16,960

what a shape-shifting reptilian is

2788

01:44:21,350 --> 01:44:20,159

when we talk about you experiencing what

2789

01:44:24,229 --> 01:44:21,360

you're

2790

01:44:26,470 --> 01:44:24,239

you experiencing what your brain is

2791

01:44:28,310 --> 01:44:26,480

setting off in your head

2792

01:44:30,550 --> 01:44:28,320

that's one thing and if we talk about

2793

01:44:32,790 --> 01:44:30,560

that shape-shifting reptilian

2794

01:44:35,030 --> 01:44:32,800

coming in and raping a loved one of

2795

01:44:37,109 --> 01:44:35,040

yours we can talk about that but as soon

2796

01:44:39,830 --> 01:44:37,119

as we shift to that other realm

2797

01:44:41,830 --> 01:44:39,840

again kind of all bets are off we don't

2798

01:44:43,189 --> 01:44:41,840

we don't even know what your experience

2799

01:44:45,350 --> 01:44:43,199

is anymore

2800

01:44:47,510 --> 01:44:45,360

we can't directly establish causation

2801

01:44:49,270 --> 01:44:47,520

right we can't really

2802

01:44:51,510 --> 01:44:49,280

establish that but i would just go back

2803

01:44:54,629 --> 01:44:51,520

to this looking at patterns again

2804

01:44:56,870 --> 01:44:54,639

and this is going to come into the

2805

01:44:58,790 --> 01:44:56,880

scio angle of things

2806

01:45:00,310 --> 01:44:58,800

and that

2807

01:45:03,669 --> 01:45:00,320

if you look at what richard dolan was

2808

01:45:05,750 --> 01:45:03,679

this guiding of the tall greys and the

2809

01:45:07,990 --> 01:45:05,760

reported experiences of these people of

2810

01:45:10,629 --> 01:45:08,000

overwhelming love and you compare this

2811

01:45:13,350 --> 01:45:10,639

to the near death experience reports of

2812

01:45:15,270 --> 01:45:13,360

this overwhelming love and then you look

2813

01:45:16,870 --> 01:45:15,280

at for instance the new testament and

2814

01:45:18,870 --> 01:45:16,880

it's all about love

2815

01:45:20,310 --> 01:45:18,880

love is all that matters and

2816

01:45:22,629 --> 01:45:20,320

yeah it is very

2817

01:45:25,350 --> 01:45:22,639

much just on this jesus character that

2818

01:45:28,070 --> 01:45:25,360

we also look at the um counter culture

2819

01:45:30,870 --> 01:45:28,080

in the 60s 1960s with the beatles all

2820

01:45:32,550 --> 01:45:30,880

you need is love and i

2821

01:45:34,709 --> 01:45:32,560

just started to get a little bit

2822

01:45:37,430 --> 01:45:34,719

suspicious of this why is it always just

2823

01:45:39,510 --> 01:45:37,440

love why is it all only about that and

2824

01:45:40,870 --> 01:45:39,520

not about for instance

2825

01:45:42,950 --> 01:45:40,880

material

2826

01:45:44,390 --> 01:45:42,960

accomplishments in this world why is it

2827

01:45:46,390 --> 01:45:44,400

always just love

2828

01:45:48,790 --> 01:45:46,400

and i just started to get suspicious

2829

01:45:50,709 --> 01:45:48,800

that this was some sort of scion and i'm

2830

01:45:53,030 --> 01:45:50,719

not saying it is i'm just throwing it

2831

01:45:55,189 --> 01:45:53,040

out there as a devil's advocate right

2832

01:45:56,950 --> 01:45:55,199

right it so the only thing and this is

2833

01:45:58,550 --> 01:45:56,960

going to hopefully get us into this kind

2834

01:46:00,229 --> 01:45:58,560

of last topic that we're going to talk

2835

01:46:01,910 --> 01:46:00,239

about because i want to talk about the

2836

01:46:04,470 --> 01:46:01,920

romans i want to talk about the

2837

01:46:07,590 --> 01:46:04,480

christian psyop and i want to

2838

01:46:09,750 --> 01:46:07,600

it's been an absolutely terrific chat

2839

01:46:11,590 --> 01:46:09,760

nelson where do we go from here where do

2840

01:46:13,510 --> 01:46:11,600

you go from here are you

2841

01:46:15,030 --> 01:46:13,520

writing about this publishing any of

2842

01:46:18,070 --> 01:46:15,040

this or is it just

2843

01:46:20,310 --> 01:46:18,080

cooking up there in your brain

2844

01:46:23,030 --> 01:46:20,320

it's it's in the cooking mode at the

2845

01:46:24,390 --> 01:46:23,040

moment and oh i'll be in touch with you

2846

01:46:26,629 --> 01:46:24,400

after the show and i'll send you some

2847

01:46:29,350 --> 01:46:26,639

links as well okay i don't even have a

2848

01:46:31,590 --> 01:46:29,360

website yet so oh but i'll i'll give you

2849

01:46:33,590 --> 01:46:31,600

some links of i'll start some things up

2850

01:46:35,510 --> 01:46:33,600

as well because i am planning on

2851

01:46:37,350 --> 01:46:35,520

actually writing a historical novel and

2852

01:46:38,629 --> 01:46:37,360

i've like even david matheson and our

2853

01:46:41,109 --> 01:46:38,639

discussions with each other he

2854

01:46:43,109 --> 01:46:41,119

recommended i would write a book and

2855

01:46:44,790 --> 01:46:43,119

i really appreciate his work by the way

2856

01:46:46,550 --> 01:46:44,800

david matheson so i don't want to be too

2857

01:46:49,109 --> 01:46:46,560

harsh on some of these

2858

01:46:51,270 --> 01:46:49,119

great thinkers and researchers

2859

01:46:54,470 --> 01:46:51,280

grateful it's been terrific and thanks

2860

01:46:55,830 --> 01:46:54,480

again nelson we'll stay in touch

2861

01:46:57,990 --> 01:46:55,840

all right thank you very much it's been

2862

01:47:00,310 --> 01:46:58,000

a pleasure thanks again to nelson for

2863

01:47:06,390 --> 01:47:00,320

joining me today on skeptico the one

2864

01:47:10,790 --> 01:47:09,669

what do you make of nelson's suspicion

2865

01:47:14,149 --> 01:47:10,800

about

2866

01:47:15,910 --> 01:47:14,159

love in the extended consciousness realm

2867

01:47:17,870 --> 01:47:15,920

i love the

2868

01:47:20,950 --> 01:47:17,880

the pullback the paranoia the

2869

01:47:24,629 --> 01:47:20,960

conspiratorial mindset it's so

2870

01:47:26,390 --> 01:47:24,639

importantly refreshing from a

2871

01:47:30,709 --> 01:47:26,400

from an academic

2872

01:47:33,350 --> 01:47:30,719

real philos

2873

01:47:35,750 --> 01:47:33,360

from a from a really deep thinker

2874

01:47:37,990 --> 01:47:35,760

academically trained deep thinker like

2875

01:47:40,229 --> 01:47:38,000

nelson it's quite refreshing and i think

2876

01:47:42,229 --> 01:47:40,239

it took us in so many interesting ways

2877

01:47:43,350 --> 01:47:42,239

but what do you think about his theory

2878

01:47:45,830 --> 01:47:43,360

let me know

2879

01:47:48,149 --> 01:47:45,840

come to the skeptical forum like nelson

2880

01:47:51,109 --> 01:47:48,159

did and make some brilliant comments i'd

2881

01:47:54,710 --> 01:47:51,119

love to find you there until next time

2882

01:48:08,310 --> 01:47:54,720

take care and bye for now
