**#554-ANDY-ROUSE**

1  
00:00:07,430 --> 00:00:04,309  
on this episode of skeptico

2  
00:00:08,230 --> 00:00:07,440  
a show about making our puzzle pieces

3  
00:00:09,990 --> 00:00:08,240  
fit

4  
00:00:11,990 --> 00:00:10,000  
it's almost like a reflection in the

5  
00:00:14,230 --> 00:00:12,000  
external world from an internal

6  
00:00:15,990 --> 00:00:14,240  
experience i've heard many people and i

7  
00:00:17,750 --> 00:00:16,000  
resonate with this that when they have

8  
00:00:19,670 --> 00:00:17,760  
psychedelic experiences or near-death

9  
00:00:22,230 --> 00:00:19,680  
experiences it almost feels like they're

10  
00:00:24,870 --> 00:00:22,240  
given this internal map or this internal

11  
00:00:26,950 --> 00:00:24,880  
puzzle and they want to

12  
00:00:29,830 --> 00:00:26,960  
find all the pieces out here

13  
00:00:31,830 --> 00:00:29,840

that match up with that internal puzzle

14

00:00:34,630 --> 00:00:31,840

that's andy rouse from the deep share

15

00:00:36,870 --> 00:00:34,640

podcast i have a great chat coming up

16

00:00:39,270 --> 00:00:36,880

with him we did kind of a swap cast

17

00:00:41,270 --> 00:00:39,280

thing and i thought it was great so

18

00:00:44,869 --> 00:00:41,280

we're gonna do it again i think we left

19

00:00:47,190 --> 00:00:44,879

some really intriguing loose ends that

20

00:00:50,069 --> 00:00:47,200

will might tie up in the future but in

21

00:00:51,350 --> 00:00:50,079

the meantime we rolled right into this

22

00:00:53,189 --> 00:00:51,360

one so

23

00:00:55,990 --> 00:00:53,199

i don't think much of an introduction is

24

00:00:59,029 --> 00:00:56,000

necessary here we go andy from deep

25

00:01:01,110 --> 00:00:59,039

shear podcast

26

00:01:02,869 --> 00:01:01,120

i'm probably going to rattle your cage

27

00:01:05,509 --> 00:01:02,879

at some point maybe you'll rattle mine

28

00:01:07,830 --> 00:01:05,519

but what i really hope is that you'll

29

00:01:11,109 --> 00:01:07,840

kind of fill in some gaps for me because

30

00:01:13,190 --> 00:01:11,119

this is vice versa vice versa my friend

31

00:01:14,710 --> 00:01:13,200

so i sent you this survey and you were

32

00:01:16,950 --> 00:01:14,720

nice enough to fill it out and your

33

00:01:19,830 --> 00:01:16,960

answers are quite brilliant and i'm not

34

00:01:21,670 --> 00:01:19,840

just saying that i i very very deep i'm

35

00:01:22,220 --> 00:01:21,680

like man i knew i was going to like this

36

00:01:23,990 --> 00:01:22,230

guy

37

00:01:25,749 --> 00:01:24,000

[Laughter]

38

00:01:27,270 --> 00:01:25,759

yeah college i've been thinking about uh

39

00:01:29,910 --> 00:01:27,280

having this conversation with you for

40

00:01:32,230 --> 00:01:29,920

quite a while because out of the

41

00:01:34,870 --> 00:01:32,240

plethora of amazing people that we all

42

00:01:37,749 --> 00:01:34,880

get to talk to in this community uh what

43

00:01:40,149 --> 00:01:37,759

i really admire about you is your

44

00:01:41,109 --> 00:01:40,159

drive to you just never let anybody off

45

00:01:43,670 --> 00:01:41,119

the hook

46

00:01:45,030 --> 00:01:43,680

about certain things and i love that

47

00:01:46,870 --> 00:01:45,040

because i tend to be a little

48

00:01:50,069 --> 00:01:46,880

non-confrontational

49

00:01:51,030 --> 00:01:50,079

and i need a little bit of influence to

50

00:01:52,870 --> 00:01:51,040

really

51  
00:01:55,190 --> 00:01:52,880  
get my confidence about me and be like

52  
00:01:57,030 --> 00:01:55,200  
hey listen i need to i need to ask that

53  
00:01:58,310 --> 00:01:57,040  
again because you're still really not

54  
00:02:01,030 --> 00:01:58,320  
answering my question you know what i

55  
00:02:03,109 --> 00:02:01,040  
mean and i really admire that about you

56  
00:02:05,990 --> 00:02:03,119  
well i i do know what you mean but it's

57  
00:02:07,670 --> 00:02:06,000  
it's tricky isn't it because it is

58  
00:02:09,350 --> 00:02:07,680  
yeah you don't want to cut off a

59  
00:02:11,430 --> 00:02:09,360  
conversation entirely you don't want to

60  
00:02:13,190 --> 00:02:11,440  
like alienate someone

61  
00:02:14,710 --> 00:02:13,200  
you don't want to be a prick but

62  
00:02:16,390 --> 00:02:14,720  
sometimes that's what's needed right i

63  
00:02:18,710 --> 00:02:16,400

listened to a great conversation that

64

00:02:20,790 --> 00:02:18,720

you had well it was starting to be a

65

00:02:23,670 --> 00:02:20,800

great conversation from like man this

66

00:02:26,229 --> 00:02:23,680

was back in like 2014 i think with that

67

00:02:27,990 --> 00:02:26,239

neurobiologist what was her name i can't

68

00:02:29,030 --> 00:02:28,000

remember off the top of my head but she

69

00:02:31,270 --> 00:02:29,040

uh

70

00:02:33,509 --> 00:02:31,280

made a million excuses how nothing was

71

00:02:35,589 --> 00:02:33,519

working and she just had to cut off the

72

00:02:37,990 --> 00:02:35,599

conversation and you were drilling her

73

00:02:39,670 --> 00:02:38,000

you were quoting her own book and she

74

00:02:43,110 --> 00:02:39,680

couldn't back up what she was claiming

75

00:02:44,150 --> 00:02:43,120

it was it was just classic

76

00:02:46,309 --> 00:02:44,160

well

77

00:02:48,790 --> 00:02:46,319

there's so many jumping off points for

78

00:02:51,350 --> 00:02:48,800

that you know because like one of the

79

00:02:53,190 --> 00:02:51,360

things about like that interview and

80

00:02:55,830 --> 00:02:53,200

what people have kind of

81

00:02:58,550 --> 00:02:55,840

said about skeptico and there is some

82

00:03:01,270 --> 00:02:58,560

truth to it because it always happens

83

00:03:03,350 --> 00:03:01,280

for all of us you know it's like hey the

84

00:03:06,070 --> 00:03:03,360

guys on my team i'm going to kind of

85

00:03:08,550 --> 00:03:06,080

treat them one way and the guys on the

86

00:03:09,430 --> 00:03:08,560

other team i'm going to go for blood you

87

00:03:11,589 --> 00:03:09,440

know

88

00:03:14,309 --> 00:03:11,599

so when she's on the other team like

89

00:03:16,550 --> 00:03:14,319

that which she is you know materialist

90

00:03:18,790 --> 00:03:16,560

scientist really kind of

91

00:03:20,869 --> 00:03:18,800

clueless in my in my

92

00:03:24,229 --> 00:03:20,879

world view you know she needs to be

93

00:03:26,869 --> 00:03:24,239

confronted with hey this is this is a

94

00:03:28,470 --> 00:03:26,879

reality that that you know

95

00:03:31,030 --> 00:03:28,480

that you have to accept you have to at

96

00:03:34,229 --> 00:03:31,040

least deal with right right can we pause

97

00:03:35,830 --> 00:03:34,239

for one second sure no problem sorry

98

00:03:38,390 --> 00:03:35,840

no worries i'll take that time to

99

00:03:39,910 --> 00:03:38,400

introduce the show hey everybody welcome

100

00:03:41,589 --> 00:03:39,920

back to the deep share

101

00:03:44,390 --> 00:03:41,599

this morning i have

102

00:03:45,190 --> 00:03:44,400

alex sicaris from skeptico with me and

103

00:03:47,030 --> 00:03:45,200

i've been waiting to have this

104

00:03:49,589 --> 00:03:47,040

conversation for a while

105

00:03:51,350 --> 00:03:49,599

uh alex is the author of skeptico of

106

00:03:53,270 --> 00:03:51,360

course he's also the author of why

107

00:03:55,030 --> 00:03:53,280

science is wrong

108

00:03:57,750 --> 00:03:55,040

about almost everything

109

00:03:59,589 --> 00:03:57,760

um it's it's a pleasure to have him here

110

00:04:02,070 --> 00:03:59,599

because i've been following his work for

111

00:04:03,990 --> 00:04:02,080

so long and he's interested in so many

112

00:04:06,470 --> 00:04:04,000

of the topics that i find fascinating

113

00:04:08,949 --> 00:04:06,480

like near-death experience you know

114

00:04:10,710 --> 00:04:08,959

extra sensory procession

115

00:04:13,750 --> 00:04:10,720

perceptions and

116

00:04:16,310 --> 00:04:13,760

experiences of that nature but um you

117

00:04:18,229 --> 00:04:16,320

know alex is interested in a lot of

118

00:04:19,590 --> 00:04:18,239

different topics as am i so we're

119

00:04:21,909 --> 00:04:19,600

probably going to get into a number of

120

00:04:23,350 --> 00:04:21,919

different things that um don't

121

00:04:25,270 --> 00:04:23,360

necessarily relate to near-death

122

00:04:27,030 --> 00:04:25,280

experience but as i've told him off the

123

00:04:29,270 --> 00:04:27,040

air i think

124

00:04:32,390 --> 00:04:29,280

it's natural for us to

125

00:04:34,710 --> 00:04:32,400

talk about the very material conspiracy

126

00:04:37,110 --> 00:04:34,720

theories that we get into and find

127

00:04:38,150 --> 00:04:37,120

interesting and it naturally moves us

128

00:04:40,469 --> 00:04:38,160

towards

129

00:04:42,550 --> 00:04:40,479

that more personal

130

00:04:43,350 --> 00:04:42,560

conversation about consciousness

131

00:04:45,909 --> 00:04:43,360

so

132

00:04:47,909 --> 00:04:45,919

i hope you guys have a great time

133

00:04:51,510 --> 00:04:47,919

listening to this conversation with me

134

00:04:53,270 --> 00:04:51,520

and alex and uh alex has returned

135

00:04:55,430 --> 00:04:53,280

has managed to

136

00:04:57,670 --> 00:04:55,440

rally in the puppy

137

00:04:59,350 --> 00:04:57,680

i am so sorry man oh no worries no

138

00:05:01,590 --> 00:04:59,360

worries okay you have the ability to

139

00:05:02,870 --> 00:05:01,600

edit that back into uh you know what i

140

00:05:04,629 --> 00:05:02,880

took the time to just give a little

141

00:05:07,189 --> 00:05:04,639

intro and honestly that's another thing

142

00:05:09,430 --> 00:05:07,199

i don't even normally do i like barely

143

00:05:11,749 --> 00:05:09,440

give intros just because i'm caught up

144

00:05:14,469 --> 00:05:11,759

in the moment so yeah who's perfectly

145

00:05:19,990 --> 00:05:15,590

so

146

00:05:21,990 --> 00:05:20,000

appreciate you being here man

147

00:05:23,110 --> 00:05:22,000

thank you andy i think we're gonna have

148

00:05:24,469 --> 00:05:23,120

uh i think we're gonna have a great

149

00:05:29,590 --> 00:05:24,479

conversation

150

00:05:30,469 --> 00:05:29,600

that's what i was leading up to

151  
00:05:31,990 --> 00:05:30,479  
you know

152  
00:05:32,950 --> 00:05:32,000  
in what we were talking about before

153  
00:05:34,629 --> 00:05:32,960  
because

154  
00:05:36,230 --> 00:05:34,639  
one of the things that the way i put it

155  
00:05:38,070 --> 00:05:36,240  
is you know right and you understood

156  
00:05:39,270 --> 00:05:38,080  
right away because you go yep and it's

157  
00:05:42,629 --> 00:05:39,280  
like

158  
00:05:44,310 --> 00:05:42,639  
we wind up in our silos where we're you

159  
00:05:45,749 --> 00:05:44,320  
know just kind of talking to each other

160  
00:05:49,189 --> 00:05:45,759  
and everything makes sense and it's

161  
00:05:52,150 --> 00:05:49,199  
coherent and then somebody comes in

162  
00:05:53,749 --> 00:05:52,160  
outside you know and like so my thing

163  
00:05:56,870 --> 00:05:53,759

one of my things

164

00:05:58,230 --> 00:05:56,880

is ufos and e.t along with near-death

165

00:05:59,990 --> 00:05:58,240

experience along with out-of-body

166

00:06:01,590 --> 00:06:00,000

experience along with evil and along

167

00:06:02,550 --> 00:06:01,600

with you know

168

00:06:05,189 --> 00:06:02,560

uh

169

00:06:07,270 --> 00:06:05,199

all that stuff so every time somebody

170

00:06:09,990 --> 00:06:07,280

gets settled i'm the guy who's going

171

00:06:11,590 --> 00:06:10,000

wait a minute you're in your silo what

172

00:06:13,830 --> 00:06:11,600

happens when you come out of your silo

173

00:06:16,629 --> 00:06:13,840

and look at this other stuff

174

00:06:18,870 --> 00:06:16,639

you're nodding so you have i appreciate

175

00:06:20,710 --> 00:06:18,880

that yes i think uh you know

176

00:06:22,870 --> 00:06:20,720

subconsciously you probably influenced

177

00:06:25,110 --> 00:06:22,880

me in some way to to uh take that

178

00:06:25,830 --> 00:06:25,120

approach confidently at times because

179

00:06:27,590 --> 00:06:25,840

it's

180

00:06:29,590 --> 00:06:27,600

yeah i i kind of try to throw a wrench

181

00:06:31,270 --> 00:06:29,600

in the spokes well i don't try to but i

182

00:06:32,070 --> 00:06:31,280

have the wrenches and i have to throw

183

00:06:33,749 --> 00:06:32,080

them

184

00:06:35,990 --> 00:06:33,759

you know i'm sure you can relate to that

185

00:06:37,670 --> 00:06:36,000

because sometimes it's like you know

186

00:06:39,590 --> 00:06:37,680

well i strongly feel that everyone in

187

00:06:41,270 --> 00:06:39,600

this community has a piece of the puzzle

188

00:06:43,029 --> 00:06:41,280

to offer but sometimes they don't even

189

00:06:45,029 --> 00:06:43,039

understand their own puzzle i think a

190

00:06:47,909 --> 00:06:45,039

lot of us need each other to kind of

191

00:06:50,469 --> 00:06:47,919

shine the the lights in different ways

192

00:06:52,950 --> 00:06:50,479

on each other's puzzle pieces to kind of

193

00:06:55,110 --> 00:06:52,960

see what that puzzle piece really means

194

00:06:57,270 --> 00:06:55,120

and where it really fits you know people

195

00:06:59,830 --> 00:06:57,280

say demons and angels but

196

00:07:02,390 --> 00:06:59,840

then again you could say depression or

197

00:07:05,350 --> 00:07:02,400

or confidence you know it's it's a

198

00:07:07,350 --> 00:07:05,360

gradient of experience that the more we

199

00:07:08,790 --> 00:07:07,360

accept into the world view the more we

200

00:07:11,270 --> 00:07:08,800

can kind of

201  
00:07:13,749 --> 00:07:11,280  
see what's really going on i try not to

202  
00:07:15,830 --> 00:07:13,759  
throw too much out i want to keep as

203  
00:07:18,070 --> 00:07:15,840  
much in as possible and see

204  
00:07:19,430 --> 00:07:18,080  
where something might be more metaphor

205  
00:07:21,350 --> 00:07:19,440  
than than

206  
00:07:23,189 --> 00:07:21,360  
dense physicality perhaps you know

207  
00:07:24,950 --> 00:07:23,199  
especially in this realm that we're

208  
00:07:28,309 --> 00:07:24,960  
talking about near-death experience and

209  
00:07:30,950 --> 00:07:28,319  
all that if that made any sense alex

210  
00:07:33,029 --> 00:07:30,960  
it makes total sense the good side and

211  
00:07:35,670 --> 00:07:33,039  
bad side of that is it kind of does

212  
00:07:38,070 --> 00:07:35,680  
bring exactly what we're talking about

213  
00:07:39,830 --> 00:07:38,080

into focus and in terms of the challenge

214

00:07:42,230 --> 00:07:39,840

there because like i don't necessarily

215

00:07:44,469 --> 00:07:42,240

agree with uh with what you're saying i

216

00:07:46,790 --> 00:07:44,479

always come to the like one

217

00:07:47,510 --> 00:07:46,800

way i put it is like a litmus test you

218

00:07:49,029 --> 00:07:47,520

know

219

00:07:51,830 --> 00:07:49,039

like at every

220

00:07:54,309 --> 00:07:51,840

angle that you go down you know

221

00:07:55,909 --> 00:07:54,319

angels demons depression

222

00:08:00,390 --> 00:07:55,919

you know uh

223

00:08:03,110 --> 00:08:00,400

litmus test so i i i'm not quick to just

224

00:08:05,990 --> 00:08:03,120

brush past even the point that well

225

00:08:06,950 --> 00:08:06,000

everyone has a piece of the puzzle

226

00:08:10,309 --> 00:08:06,960

no

227

00:08:14,629 --> 00:08:10,319

but

228

00:08:16,469 --> 00:08:14,639

also going with that

229

00:08:18,070 --> 00:08:16,479

or where we can take it that i'd so

230

00:08:19,270 --> 00:08:18,080

totally agree with and this is where i

231

00:08:20,950 --> 00:08:19,280

need to grow

232

00:08:22,950 --> 00:08:20,960

is

233

00:08:25,350 --> 00:08:22,960

like you are

234

00:08:27,510 --> 00:08:25,360

a really cool dude i can tell

235

00:08:29,909 --> 00:08:27,520

no i could tell i'm listen i'm reading

236

00:08:31,510 --> 00:08:29,919

these these survey answers that you gave

237

00:08:34,310 --> 00:08:31,520

me and i'm like

238

00:08:37,190 --> 00:08:34,320

immediately and you know this from kind

239

00:08:39,430 --> 00:08:37,200

of deep share right it's like

240

00:08:42,389 --> 00:08:39,440

because i've heard you say this that you

241

00:08:44,070 --> 00:08:42,399

have this cool community now you know

242

00:08:45,509 --> 00:08:44,080

you've built this cool community of

243

00:08:48,630 --> 00:08:45,519

people like

244

00:08:50,710 --> 00:08:48,640

bro i get it you get me i get you

245

00:08:54,389 --> 00:08:50,720

now that's how i immediately feel with

246

00:08:57,269 --> 00:08:54,399

you because you know i'm asking you

247

00:08:58,949 --> 00:08:57,279

science and you go it's uh it's a method

248

00:09:00,870 --> 00:08:58,959

it's not a position statement it's

249

00:09:03,750 --> 00:09:00,880

inextricably linked to scientific

250

00:09:05,670 --> 00:09:03,760

materialism like bing already

251

00:09:07,110 --> 00:09:05,680

everything is consciousness you write

252

00:09:09,829 --> 00:09:07,120

that's what you wrote as an answer the

253

00:09:12,790 --> 00:09:09,839

paradox somehow allows this experience

254

00:09:15,590 --> 00:09:12,800

brilliant so i'm like i'm all over this

255

00:09:17,829 --> 00:09:15,600

guy in terms of we're like bros

256

00:09:20,070 --> 00:09:17,839

on the other hand

257

00:09:23,670 --> 00:09:20,080

so i don't want to

258

00:09:25,030 --> 00:09:23,680

alienate you or piss you off because

259

00:09:27,670 --> 00:09:25,040

like

260

00:09:29,829 --> 00:09:27,680

you can be my friend you know what i

261

00:09:32,710 --> 00:09:29,839

mean but at the same time if we're gonna

262

00:09:34,550 --> 00:09:32,720

talk about the box saga

263

00:09:37,590 --> 00:09:34,560

i'm gonna go man that sounds like

264

00:09:39,990 --> 00:09:37,600

[h\_\_\h] to me nice thank god finally

265

00:09:42,070 --> 00:09:40,000

someone that at least comments because

266

00:09:44,230 --> 00:09:42,080

it's either this is too weird i don't

267

00:09:45,990 --> 00:09:44,240

even want to touch it or wow this is

268

00:09:47,430 --> 00:09:46,000

really interesting and kind of just

269

00:09:48,790 --> 00:09:47,440

following along with what i'm saying

270

00:09:50,630 --> 00:09:48,800

about it

271

00:09:52,710 --> 00:09:50,640

i would yeah that's a different threat

272

00:09:55,670 --> 00:09:52,720

altogether but yeah i am looking for

273

00:09:58,070 --> 00:09:55,680

debates about that because i don't like

274

00:10:00,070 --> 00:09:58,080

what i'm finding necessarily in some

275

00:10:01,910 --> 00:10:00,080

areas of that story so i want to know

276

00:10:03,990 --> 00:10:01,920

what's going on there and

277

00:10:06,150 --> 00:10:04,000

why it fits so well in some places you

278

00:10:07,670 --> 00:10:06,160

know but again that's another thread

279

00:10:09,190 --> 00:10:07,680

altogether but a great example that you

280

00:10:11,509 --> 00:10:09,200

brought up

281

00:10:13,509 --> 00:10:11,519

and it's a great thread to go down

282

00:10:15,190 --> 00:10:13,519

because like

283

00:10:17,269 --> 00:10:15,200

we'll just go down it right now because

284

00:10:18,870 --> 00:10:17,279

your listeners know about it we'll just

285

00:10:23,030 --> 00:10:18,880

do a 30-second

286

00:10:25,990 --> 00:10:23,040

flyby is i'd say that the reason

287

00:10:29,110 --> 00:10:26,000

why it resonates the reason why it's

288

00:10:32,470 --> 00:10:29,120

true is because it's well crafted it's

289

00:10:35,990 --> 00:10:32,480

kind of like christianity

290

00:10:38,630 --> 00:10:36,000

why it [h\_\_h] works so well as a social

291

00:10:40,949 --> 00:10:38,640

engineering mind control project is

292

00:10:43,430 --> 00:10:40,959

because a lot of it is really solid from

293

00:10:45,509 --> 00:10:43,440

a spiritual perspective but from a

294

00:10:48,870 --> 00:10:45,519

historical perspective it really kind of

295

00:10:50,069 --> 00:10:48,880

breaks down and then from mind control

296

00:10:51,990 --> 00:10:50,079

how do i

297

00:10:54,790 --> 00:10:52,000

use this to

298

00:10:56,870 --> 00:10:54,800

kind of shepherd people into my little

299

00:10:58,470 --> 00:10:56,880

club there's all these other things

300

00:11:00,790 --> 00:10:58,480

built then so

301

00:11:03,190 --> 00:11:00,800

the fact that it's brilliant

302

00:11:05,110 --> 00:11:03,200

just for millions and millions of people

303

00:11:07,269 --> 00:11:05,120

it's still something they can't get over

304

00:11:10,230 --> 00:11:07,279

they're like no but i had this brilliant

305

00:11:12,550 --> 00:11:10,240

spiritual experience through my practice

306

00:11:14,870 --> 00:11:12,560

of christianity i'm like of course you

307

00:11:17,030 --> 00:11:14,880

did or like if you say you know the bach

308

00:11:18,630 --> 00:11:17,040

saga it really resonates and isn't this

309

00:11:20,710 --> 00:11:18,640

true and interesting and what about the

310

00:11:21,590 --> 00:11:20,720

connection to language and sound like

311

00:11:26,630 --> 00:11:21,600

yeah

312

00:11:30,389 --> 00:11:26,640

it together but that doesn't mean it's

313

00:11:32,310 --> 00:11:30,399

real either interesting yeah well i

314

00:11:33,430 --> 00:11:32,320

really appreciate that and i think that

315

00:11:35,829 --> 00:11:33,440

maybe

316

00:11:37,430 --> 00:11:35,839

down the line somewhere if i were to do

317

00:11:39,350 --> 00:11:37,440

a like a proper

318

00:11:41,430 --> 00:11:39,360

debate form with like notes and

319

00:11:43,990 --> 00:11:41,440

everything maybe you'd like to be a part

320

00:11:45,910 --> 00:11:44,000

of it i don't know i mean it's kind of

321

00:11:47,910 --> 00:11:45,920

it's a rabbit hole to go down even just

322

00:11:49,110 --> 00:11:47,920

to understand enough to debate it of

323

00:11:51,350 --> 00:11:49,120

course but

324

00:11:53,430 --> 00:11:51,360

but yeah that's that's i'm i'm glad that

325

00:11:56,629 --> 00:11:53,440

you have that perspective because often

326

00:11:58,629 --> 00:11:56,639

i don't find that you know

327

00:12:01,110 --> 00:11:58,639

so it helps but um yeah the language

328

00:12:04,310 --> 00:12:01,120

stuff in itself um yeah i think where it

329

00:12:07,110 --> 00:12:04,320

resonates for me is how it kind of

330

00:12:08,710 --> 00:12:07,120

so let me put it this way

331

00:12:12,550 --> 00:12:08,720

i do

332

00:12:14,870 --> 00:12:12,560

think something about it feels like it's

333

00:12:15,990 --> 00:12:14,880

the other end of the stick

334

00:12:17,509 --> 00:12:16,000

like

335

00:12:18,949 --> 00:12:17,519

you have this

336

00:12:21,990 --> 00:12:18,959

constant

337

00:12:25,350 --> 00:12:22,000

from a long time ago feud between this

338

00:12:27,750 --> 00:12:25,360

more natural way and this more

339

00:12:30,069 --> 00:12:27,760

artificial way i guess you could call it

340

00:12:32,550 --> 00:12:30,079

but they're both really the same people

341

00:12:35,670 --> 00:12:32,560

it's almost like a family feud and it's

342

00:12:37,509 --> 00:12:35,680

like if the box saga has any truth to it

343

00:12:39,509 --> 00:12:37,519

it doesn't mean that it's the way we

344

00:12:41,150 --> 00:12:39,519

should all be going back to by any means

345

00:12:43,910 --> 00:12:41,160

but it would be the more

346

00:12:46,389 --> 00:12:43,920

naturalistic way like it's the heathen

347

00:12:49,190 --> 00:12:46,399

the pagan the worship of nature more

348

00:12:51,670 --> 00:12:49,200

than move on from that expand outward

349

00:12:54,150 --> 00:12:51,680

build machines become the new thing it's

350

00:12:56,550 --> 00:12:54,160

a very old versus new kind of mentality

351  
00:12:58,310 --> 00:12:56,560  
that i constantly see out there but then

352  
00:13:00,550 --> 00:12:58,320  
again that also feels like a galleon

353  
00:13:02,790 --> 00:13:00,560  
dialectic as well

354  
00:13:04,790 --> 00:13:02,800  
i don't know it's a big topic

355  
00:13:07,030 --> 00:13:04,800  
to get into for sure

356  
00:13:09,670 --> 00:13:07,040  
right i mean it kind of cuts both ways

357  
00:13:12,949 --> 00:13:09,680  
there it's like the the part you landed

358  
00:13:14,790 --> 00:13:12,959  
on on the end is kind of more what i was

359  
00:13:16,230 --> 00:13:14,800  
saying right andy it's like

360  
00:13:19,509 --> 00:13:16,240  
yeah it's

361  
00:13:22,230 --> 00:13:19,519  
it's picking up some themes some

362  
00:13:24,389 --> 00:13:22,240  
metaphors some archetypes that do

363  
00:13:25,430 --> 00:13:24,399

resonate with us and have some deeper

364

00:13:28,069 --> 00:13:25,440

truth

365

00:13:30,230 --> 00:13:28,079

but what does that mean in terms of

366

00:13:32,230 --> 00:13:30,240

inquiry you perpetuate doubt you know so

367

00:13:34,069 --> 00:13:32,240

skeptico that's my ethos i didn't

368

00:13:37,509 --> 00:13:34,079

realize it even at the time that i named

369

00:13:41,030 --> 00:13:37,519

the show but inquiry to perpetuate doubt

370

00:13:43,430 --> 00:13:41,040

i am want to be doubtful because that to

371

00:13:46,150 --> 00:13:43,440

me is a spiritual process

372

00:13:50,230 --> 00:13:46,160

when i settle on something when i know

373

00:13:52,470 --> 00:13:50,240

something ah it's over i've lost

374

00:13:56,310 --> 00:13:52,480

exactly it's over i've lost it i've lost

375

00:13:58,550 --> 00:13:56,320

it when i'm always reaching and for me

376

00:14:01,269 --> 00:13:58,560

that's kind of a doubt you know so my

377

00:14:04,230 --> 00:14:01,279

point would be rather than to find

378

00:14:05,670 --> 00:14:04,240

the resonance with the box saga

379

00:14:08,069 --> 00:14:05,680

yeah there has to be some otherwise i'm

380

00:14:09,670 --> 00:14:08,079

not drawn in right right once i find the

381

00:14:11,910 --> 00:14:09,680

the resonance okay

382

00:14:14,550 --> 00:14:11,920

how can i tear this apart right is there

383

00:14:17,310 --> 00:14:14,560

any one thing because all it takes is is

384

00:14:20,310 --> 00:14:17,320

one thing you know that that is an

385

00:14:23,189 --> 00:14:20,320

irrecoverable kind of falsehood you know

386

00:14:25,990 --> 00:14:23,199

and then you go oh okay well i i would

387

00:14:28,150 --> 00:14:26,000

just to that i would say the problem is

388

00:14:30,230 --> 00:14:28,160

the a lot of the holes you could

389

00:14:32,629 --> 00:14:30,240

possibly find in something like the bach

390

00:14:34,550 --> 00:14:32,639

saga would then have to be looked at

391

00:14:37,670 --> 00:14:34,560

with a keen eye too because it's coming

392

00:14:39,990 --> 00:14:37,680

from say a catholic run society and we

393

00:14:42,389 --> 00:14:40,000

know that they overran and destroyed so

394

00:14:44,310 --> 00:14:42,399

much of the world and strangle holded

395

00:14:45,350 --> 00:14:44,320

everyone into their belief structure at

396

00:14:48,310 --> 00:14:45,360

one point

397

00:14:50,550 --> 00:14:48,320

scandinavia included especially i mean

398

00:14:53,189 --> 00:14:50,560

so i don't know we'd have to really dig

399

00:14:55,350 --> 00:14:53,199

into the historical aspect of it but

400

00:14:57,350 --> 00:14:55,360

along with the saga saying that this

401  
00:15:00,310 --> 00:14:57,360  
family took off and hid all of its

402  
00:15:03,189 --> 00:15:00,320  
treasures and this area of the world was

403  
00:15:05,590 --> 00:15:03,199  
destroyed by catholics

404  
00:15:07,269 --> 00:15:05,600  
does in a way fit with the historical

405  
00:15:10,150 --> 00:15:07,279  
narrative doesn't mean heathens and

406  
00:15:11,670 --> 00:15:10,160  
pagans are the good guys i don't think

407  
00:15:13,350 --> 00:15:11,680  
any of these people are the good guys

408  
00:15:15,590 --> 00:15:13,360  
because i tend to say

409  
00:15:17,430 --> 00:15:15,600  
the society wants you to lean on one

410  
00:15:18,949 --> 00:15:17,440  
wall or the other because it's easy to

411  
00:15:20,790 --> 00:15:18,959  
do that but the problem is we're

412  
00:15:22,870 --> 00:15:20,800  
supposed to be finding our own invisible

413  
00:15:25,590 --> 00:15:22,880

balance beam that there's good ideas on

414

00:15:27,829 --> 00:15:25,600

both sides of this divide and conquer

415

00:15:29,829 --> 00:15:27,839

[h\_\_h] that's been put in our faces if

416

00:15:31,350 --> 00:15:29,839

that makes sense

417

00:15:34,470 --> 00:15:31,360

the problem i have with that is i think

418

00:15:36,710 --> 00:15:34,480

if you run the catholic timeline i don't

419

00:15:38,790 --> 00:15:36,720

think it matches up with anything i've

420

00:15:41,590 --> 00:15:38,800

heard with the box saga i mean the

421

00:15:44,069 --> 00:15:41,600

catholics were pretty good at recording

422

00:15:45,990 --> 00:15:44,079

their timeline and all the popes and all

423

00:15:48,470 --> 00:15:46,000

the writings and all the bishops and all

424

00:15:49,670 --> 00:15:48,480

the phony baloney [h\_\_h] that they

425

00:15:53,509 --> 00:15:49,680

were doing

426  
00:15:55,509 --> 00:15:53,519  
and you can match that right up to uh to

427  
00:15:57,829 --> 00:15:55,519  
the box saga and it doesn't it doesn't i

428  
00:16:00,069 --> 00:15:57,839  
mean it doesn't even

429  
00:16:02,069 --> 00:16:00,079  
are we talking about the uh invasion of

430  
00:16:03,990 --> 00:16:02,079  
uh finland and stuff like that the dates

431  
00:16:05,829 --> 00:16:04,000  
are are off

432  
00:16:07,430 --> 00:16:05,839  
i noticed that as well i did it

433  
00:16:09,430 --> 00:16:07,440  
considerably so

434  
00:16:12,230 --> 00:16:09,440  
and it's and it's and then you have all

435  
00:16:13,910 --> 00:16:12,240  
this different you know

436  
00:16:15,990 --> 00:16:13,920  
i was just talking to

437  
00:16:18,629 --> 00:16:16,000  
my buddy al borealis who runs forum

438  
00:16:21,110 --> 00:16:18,639

borealis and he's yes

439

00:16:24,069 --> 00:16:21,120

good guy and he lives way up in far

440

00:16:26,949 --> 00:16:24,079

norway and uh he was

441

00:16:29,430 --> 00:16:26,959

chatting with somebody about the norse

442

00:16:31,189 --> 00:16:29,440

mythology and the norse

443

00:16:33,430 --> 00:16:31,199

religion culture and stuff like that and

444

00:16:35,030 --> 00:16:33,440

he was kind of laying a bunch of stuff

445

00:16:36,310 --> 00:16:35,040

because he's really studied it you know

446

00:16:38,310 --> 00:16:36,320

it's kind of second nature to him but

447

00:16:40,470 --> 00:16:38,320

he's kind of like okay you don't get it

448

00:16:42,790 --> 00:16:40,480

you know it's like number one

449

00:16:44,310 --> 00:16:42,800

there is nothing in

450

00:16:46,150 --> 00:16:44,320

left in

451  
00:16:49,110 --> 00:16:46,160  
norway because as you said you know

452  
00:16:51,910 --> 00:16:49,120  
there's this kind of cleansing uh it it

453  
00:16:54,310 --> 00:16:51,920  
but it's not just catholic and then some

454  
00:16:57,350 --> 00:16:54,320  
of them go over to ireland and scotland

455  
00:16:59,829 --> 00:16:57,360  
and that but iceland is most you know uh

456  
00:17:02,069 --> 00:16:59,839  
preserved of that kind of thing so once

457  
00:17:05,029 --> 00:17:02,079  
you start really breaking that down with

458  
00:17:07,990 --> 00:17:05,039  
scholars the box eye has some huge holes

459  
00:17:10,630 --> 00:17:08,000  
in it that i to me are irrecoverable

460  
00:17:13,270 --> 00:17:10,640  
that you just can't apply when the

461  
00:17:15,350 --> 00:17:13,280  
scholarship starts pulling it apart you

462  
00:17:16,630 --> 00:17:15,360  
can't start plugging the holes with just

463  
00:17:19,189 --> 00:17:16,640

you know

464

00:17:21,350 --> 00:17:19,199

anecdote perhaps yeah right yeah or just

465

00:17:23,510 --> 00:17:21,360

or just uh you know i still like it you

466

00:17:24,870 --> 00:17:23,520

know because it doesn't it ring true but

467

00:17:26,309 --> 00:17:24,880

isn't because

468

00:17:28,309 --> 00:17:26,319

and this is really you know this

469

00:17:30,310 --> 00:17:28,319

conversation we're having right now is

470

00:17:33,350 --> 00:17:30,320

what's kind of

471

00:17:37,430 --> 00:17:33,360

really motivating me pushing me in terms

472

00:17:39,029 --> 00:17:37,440

of the us as a community as truth

473

00:17:41,350 --> 00:17:39,039

seekers you know

474

00:17:44,070 --> 00:17:41,360

oh i i still think we've lost our way in

475

00:17:46,870 --> 00:17:44,080

so many ways you know lost our way and

476

00:17:48,950 --> 00:17:46,880

and have fallen into you know kind of

477

00:17:50,710 --> 00:17:48,960

flatter science you know that's okay you

478

00:17:52,870 --> 00:17:50,720

know hey everyone has an opinion you

479

00:17:56,070 --> 00:17:52,880

know i won't i i've been on a guy's show

480

00:17:58,470 --> 00:17:56,080

where i'm like look it's [h\_\_h] right

481

00:18:00,789 --> 00:17:58,480

you don't really believe in flat earth

482

00:18:02,630 --> 00:18:00,799

you know i've been on multiple shows

483

00:18:04,630 --> 00:18:02,640

where it's like okay

484

00:18:06,789 --> 00:18:04,640

you want to keep the options open number

485

00:18:08,150 --> 00:18:06,799

one why do you want to keep the options

486

00:18:09,990 --> 00:18:08,160

open and it goes back to the first thing

487

00:18:12,150 --> 00:18:10,000

i was saying andy like

488

00:18:15,029 --> 00:18:12,160

i do not want to

489

00:18:16,070 --> 00:18:15,039

piss you off so bad that like you're

490

00:18:18,470 --> 00:18:16,080

like

491

00:18:20,630 --> 00:18:18,480

[h\_\_h] that alex security

492

00:18:21,590 --> 00:18:20,640

you know what seriously but

493

00:18:23,510 --> 00:18:21,600

because

494

00:18:24,630 --> 00:18:23,520

here the here are the two

495

00:18:25,909 --> 00:18:24,640

kind of

496

00:18:27,510 --> 00:18:25,919

like you're saying walls that we're

497

00:18:28,390 --> 00:18:27,520

leaning on

498

00:18:32,070 --> 00:18:28,400

one

499

00:18:33,590 --> 00:18:32,080

is when your uncle jerry comes to

500

00:18:36,710 --> 00:18:33,600

thanksgiving

501  
00:18:39,990 --> 00:18:36,720  
you've learned man you just go you talk

502  
00:18:42,470 --> 00:18:40,000  
about the weather you talk about

503  
00:18:45,110 --> 00:18:42,480  
fishing you know you just don't talk

504  
00:18:47,590 --> 00:18:45,120  
about this stuff with right it's going

505  
00:18:49,990 --> 00:18:47,600  
nowhere it's just gonna ruin your night

506  
00:18:51,669 --> 00:18:50,000  
too you didn't get any information into

507  
00:18:53,110 --> 00:18:51,679  
any brains that were gonna hear it the

508  
00:18:55,830 --> 00:18:53,120  
right way

509  
00:18:59,590 --> 00:18:55,840  
that's on one level and on the other

510  
00:19:02,150 --> 00:18:59,600  
level is if we really were like in the

511  
00:19:04,310 --> 00:19:02,160  
real world like long time friends for

512  
00:19:05,750 --> 00:19:04,320  
the longest time and had hung out and

513  
00:19:07,430 --> 00:19:05,760

had done things and i could totally

514

00:19:08,830 --> 00:19:07,440

trust you and you could totally trust me

515

00:19:11,510 --> 00:19:08,840

and then we could have this kind of

516

00:19:12,950 --> 00:19:11,520

conversation kind of massachusetts style

517

00:19:15,110 --> 00:19:12,960

where we're just throwing down and going

518

00:19:16,950 --> 00:19:15,120

come on bro you know that's a bunch of

519

00:19:18,789 --> 00:19:16,960

well you know that's right yeah well you

520

00:19:20,549 --> 00:19:18,799

you got your [h\_\_h] too you know this and

521

00:19:23,270 --> 00:19:20,559

that and then at the end we could just

522

00:19:24,789 --> 00:19:23,280

you know like okay get on with it you

523

00:19:26,870 --> 00:19:24,799

know right but

524

00:19:28,950 --> 00:19:26,880

that those are the two

525

00:19:30,870 --> 00:19:28,960

extremes i think

526

00:19:31,750 --> 00:19:30,880

i definitely want to be on the second

527

00:19:34,630 --> 00:19:31,760

one

528

00:19:36,789 --> 00:19:34,640

and but i understand the practical part

529

00:19:39,830 --> 00:19:36,799

of you know talking to somebody we've

530

00:19:40,549 --> 00:19:39,840

never met before how do you get there

531

00:19:42,950 --> 00:19:40,559

and

532

00:19:45,350 --> 00:19:42,960

or worse yet you know we're kind of

533

00:19:46,789 --> 00:19:45,360

letting our guard down as you said worse

534

00:19:49,669 --> 00:19:46,799

yeah you schedule an interview with

535

00:19:51,669 --> 00:19:49,679

someone they've written a book or they

536

00:19:54,549 --> 00:19:51,679

have a presence they're coming on your

537

00:19:57,350 --> 00:19:54,559

show they do not want to hear

538

00:19:58,950 --> 00:19:57,360

you know andy ripping them apart it just

539

00:20:03,830 --> 00:19:58,960

doesn't

540

00:20:06,070 --> 00:20:03,840

and it's it's also like um i said this

541

00:20:07,990 --> 00:20:06,080

on twitter the other day about the saga

542

00:20:11,029 --> 00:20:08,000

because again i don't hold it to be true

543

00:20:12,710 --> 00:20:11,039

i am very much like you where it's

544

00:20:15,110 --> 00:20:12,720

i like to be open i leave i like to

545

00:20:17,990 --> 00:20:15,120

leave some some wiggle room here to just

546

00:20:20,950 --> 00:20:18,000

pull out pieces of everybody's story and

547

00:20:22,549 --> 00:20:20,960

see where they went wrong or where some

548

00:20:24,149 --> 00:20:22,559

truth might lie or something like that

549

00:20:27,190 --> 00:20:24,159

but i said the other day about the saga

550

00:20:29,350 --> 00:20:27,200

like i i want to have some like really

551

00:20:32,870 --> 00:20:29,360

intense researchers on that i really

552

00:20:34,149 --> 00:20:32,880

respect and be able to be like hey sorry

553

00:20:36,310 --> 00:20:34,159

i don't want to talk about anything

554

00:20:38,470 --> 00:20:36,320

you're working on right now can i use

555

00:20:40,390 --> 00:20:38,480

your brain for two hours and it's like

556

00:20:42,630 --> 00:20:40,400

you can't really do that with someone

557

00:20:44,470 --> 00:20:42,640

you've never met you know maybe after

558

00:20:46,870 --> 00:20:44,480

like five appearances or something like

559

00:20:49,190 --> 00:20:46,880

hey can you help me out man can you take

560

00:20:51,029 --> 00:20:49,200

a look at this for me but even then it's

561

00:20:53,990 --> 00:20:51,039

hard because everybody's very busy and

562

00:20:55,110 --> 00:20:54,000

everybody's in their own silos kind of

563

00:20:56,789 --> 00:20:55,120

you know

564

00:20:59,029 --> 00:20:56,799

it's good to get out of the silo every

565

00:21:01,430 --> 00:20:59,039

once in a while but we always kind of

566

00:21:03,270 --> 00:21:01,440

cycle back in every once in a while

567

00:21:05,669 --> 00:21:03,280

well there's a reason why we're while

568

00:21:07,669 --> 00:21:05,679

we're in the silo and it's sometimes

569

00:21:08,950 --> 00:21:07,679

it's a good reason i mean the reason why

570

00:21:13,590 --> 00:21:08,960

we're in

571

00:21:16,149 --> 00:21:13,600

spirituality and in terms of

572

00:21:17,270 --> 00:21:16,159

extended consciousness and what that

573

00:21:19,669 --> 00:21:17,280

means

574

00:21:22,149 --> 00:21:19,679

is because we think there are some

575

00:21:23,830 --> 00:21:22,159

truths there that really kind of drive

576

00:21:25,909 --> 00:21:23,840

us forward in our life you know what i

577

00:21:28,310 --> 00:21:25,919

mean and people who are shut down from

578

00:21:29,430 --> 00:21:28,320

that or in a different silo you kind of

579

00:21:31,270 --> 00:21:29,440

want to

580

00:21:33,750 --> 00:21:31,280

knock on their little glass window and

581

00:21:36,470 --> 00:21:33,760

go come on out there's this whole other

582

00:21:38,789 --> 00:21:36,480

thing because you will die and you will

583

00:21:40,470 --> 00:21:38,799

face whether or not there is anything

584

00:21:42,310 --> 00:21:40,480

after that and what that is and what

585

00:21:44,870 --> 00:21:42,320

that means and what that could have

586

00:21:46,789 --> 00:21:44,880

meant in terms of how you live your life

587

00:21:49,669 --> 00:21:46,799

yeah i like the way you put that total

588

00:21:50,789 --> 00:21:49,679

regret or total jubilation perhaps one

589

00:21:52,950 --> 00:21:50,799

of the other

590

00:21:55,270 --> 00:21:52,960

that ending circumstance that you you

591

00:21:57,990 --> 00:21:55,280

know i go down that pathway a lot well

592

00:21:59,909 --> 00:21:58,000

an interesting way to bridge from this

593

00:22:01,750 --> 00:21:59,919

box saga little tangent we went down

594

00:22:03,110 --> 00:22:01,760

into what we were really going to kind

595

00:22:05,430 --> 00:22:03,120

of get into

596

00:22:07,750 --> 00:22:05,440

was the reason that what resonates with

597

00:22:10,070 --> 00:22:07,760

me most about that saga is just the

598

00:22:12,950 --> 00:22:10,080

language because of a psychedelic

599

00:22:14,870 --> 00:22:12,960

experience i had long time ago that i

600

00:22:16,549 --> 00:22:14,880

came out of and everybody even my

601  
00:22:18,710 --> 00:22:16,559  
friends tripping with me thought i was

602  
00:22:20,390 --> 00:22:18,720  
completely crazy and then i just forgot

603  
00:22:22,950 --> 00:22:20,400  
about it after a while but this saga

604  
00:22:24,870 --> 00:22:22,960  
reinvigorated the memory of coming out

605  
00:22:26,390 --> 00:22:24,880  
of an experience going

606  
00:22:29,590 --> 00:22:26,400  
there's a hidden

607  
00:22:32,390 --> 00:22:29,600  
language inside of every

608  
00:22:35,510 --> 00:22:32,400  
modern language there's some sort of

609  
00:22:37,909 --> 00:22:35,520  
phonetic connection that tells a sacred

610  
00:22:40,149 --> 00:22:37,919  
story that exists inside every one of us

611  
00:22:41,909 --> 00:22:40,159  
and then i found joseph campbell and the

612  
00:22:42,630 --> 00:22:41,919  
hero with a thousand faces and i was

613  
00:22:43,750 --> 00:22:42,640

like

614

00:22:47,909 --> 00:22:43,760

this

615

00:22:51,350 --> 00:22:47,919

puzzle piece talking about the same

616

00:22:53,750 --> 00:22:51,360

thing like holy crap there's this

617

00:22:55,909 --> 00:22:53,760

story that exists inside of you know it

618

00:22:58,710 --> 00:22:55,919

was just that's what resonated with me

619

00:23:01,190 --> 00:22:58,720

so not that a lot of the factoids about

620

00:23:03,350 --> 00:23:01,200

saga necessarily have to be true but

621

00:23:07,029 --> 00:23:03,360

that something there resonates with my

622

00:23:10,630 --> 00:23:08,630

yeah although

623

00:23:13,430 --> 00:23:10,640

i tell you man i i would encourage you

624

00:23:14,950 --> 00:23:13,440

to kind of not tail off at the end there

625

00:23:17,190 --> 00:23:14,960

because i don't think it's necessarily

626

00:23:20,070 --> 00:23:17,200

about your your spirit there i think

627

00:23:20,830 --> 00:23:20,080

what you're saying is it connects to

628

00:23:24,549 --> 00:23:20,840

an

629

00:23:27,110 --> 00:23:24,559

experiential truth that you had in this

630

00:23:28,470 --> 00:23:27,120

extended realm so you know that's so

631

00:23:29,750 --> 00:23:28,480

that's been my

632

00:23:31,430 --> 00:23:29,760

kind of

633

00:23:32,710 --> 00:23:31,440

mission you know and it's what not a

634

00:23:35,029 --> 00:23:32,720

it's like a personal mission of

635

00:23:36,950 --> 00:23:35,039

discovery like so the first thing is

636

00:23:38,549 --> 00:23:36,960

does consciousness exist

637

00:23:40,710 --> 00:23:38,559

because you gotta

638

00:23:42,470 --> 00:23:40,720

is there's that little voice inside your

639

00:23:43,590 --> 00:23:42,480

head is that real and like i always

640

00:23:44,950 --> 00:23:43,600

point this out to people because i

641

00:23:48,310 --> 00:23:44,960

started this a long time ago in the

642

00:23:50,549 --> 00:23:48,320

popular the most popular it still is the

643

00:23:54,070 --> 00:23:50,559

predominant paradigm in science is that

644

00:23:56,230 --> 00:23:54,080

no that is an illusion that is not real

645

00:23:58,230 --> 00:23:56,240

that is an epiphenomenon your brain your

646

00:23:59,669 --> 00:23:58,240

brain is just this ball of jelly up

647

00:24:02,070 --> 00:23:59,679

there and it does this thing and you

648

00:24:05,269 --> 00:24:02,080

think that story is real but it's not

649

00:24:08,070 --> 00:24:05,279

that has been falsified scientifically

650

00:24:10,950 --> 00:24:08,080

and we talked 40 hours on that yeah but

651  
00:24:12,230 --> 00:24:10,960  
the next point that gets us to your

652  
00:24:13,990 --> 00:24:12,240  
thing

653  
00:24:17,669 --> 00:24:14,000  
so now we're saying

654  
00:24:19,990 --> 00:24:17,679  
not only is there this consciousness

655  
00:24:22,789 --> 00:24:20,000  
not only is that story that voice inside

656  
00:24:26,230 --> 00:24:22,799  
your head not only is that real

657  
00:24:28,870 --> 00:24:26,240  
but the voice can be outside your head

658  
00:24:31,510 --> 00:24:28,880  
and that can be real there is some kind

659  
00:24:33,029 --> 00:24:31,520  
of extended consciousness that we always

660  
00:24:35,269 --> 00:24:33,039  
know when we're talking about angels and

661  
00:24:36,630 --> 00:24:35,279  
demons or for christian or whatever we

662  
00:24:37,990 --> 00:24:36,640  
always know there's this extent of

663  
00:24:40,549 --> 00:24:38,000

consciousness

664

00:24:41,909 --> 00:24:40,559

but we weren't allowed to talk about it

665

00:24:44,630 --> 00:24:41,919

and part of the part of the way they

666

00:24:46,630 --> 00:24:44,640

muscled us is because they denied even

667

00:24:48,630 --> 00:24:46,640

consciousness they even said even the

668

00:24:51,029 --> 00:24:48,640

voice inside your head

669

00:24:53,350 --> 00:24:51,039

isn't real and now you're going whoa

670

00:24:55,909 --> 00:24:53,360

and you're telling me that you had some

671

00:24:58,950 --> 00:24:55,919

experience outside of your body and

672

00:25:02,310 --> 00:24:58,960

that's real and that's an experience oh

673

00:25:03,110 --> 00:25:02,320

and you are so stupid yeah right

674

00:25:07,590 --> 00:25:03,120

so

675

00:25:09,590 --> 00:25:07,600

kind of poking you a little bit in terms

676

00:25:12,390 --> 00:25:09,600

of tailing off and saying you know

677

00:25:15,830 --> 00:25:12,400

maybe it resonated me in it no man you

678

00:25:20,230 --> 00:25:15,840

had a maybe let's consider the opposite

679

00:25:21,669 --> 00:25:20,240

andy had a direct experience of knowing

680

00:25:23,510 --> 00:25:21,679

some super

681

00:25:25,990 --> 00:25:23,520

like advanced

682

00:25:28,230 --> 00:25:26,000

knowledge that is out there in some

683

00:25:29,830 --> 00:25:28,240

other realm and you pulled that

684

00:25:30,789 --> 00:25:29,840

knowledge back

685

00:25:32,710 --> 00:25:30,799

and

686

00:25:34,789 --> 00:25:32,720

then that knowledge resonated with

687

00:25:36,549 --> 00:25:34,799

something else that you came across

688

00:25:38,149 --> 00:25:36,559

whether that is

689

00:25:40,470 --> 00:25:38,159

literally true or not in terms of the

690

00:25:41,909 --> 00:25:40,480

box saga is another question but that's

691

00:25:43,830 --> 00:25:41,919

how you get what i'm saying you get this

692

00:25:46,710 --> 00:25:43,840

yes it doesn't have to even match up

693

00:25:48,470 --> 00:25:46,720

directly it just it's it relates it

694

00:25:50,870 --> 00:25:48,480

directly relates it's almost like a

695

00:25:53,269 --> 00:25:50,880

reflection in the external world from an

696

00:25:54,710 --> 00:25:53,279

internal experience and honestly you hit

697

00:25:56,390 --> 00:25:54,720

on a great point there because i've

698

00:25:58,230 --> 00:25:56,400

heard many people and i resonate with

699

00:26:00,549 --> 00:25:58,240

this that when they have psychedelic

700

00:26:01,990 --> 00:26:00,559

experiences or near-death experiences

701  
00:26:04,470 --> 00:26:02,000  
it's almo it almost feels like they're

702  
00:26:07,190 --> 00:26:04,480  
given this internal map or this internal

703  
00:26:09,830 --> 00:26:07,200  
puzzle and they want to

704  
00:26:12,870 --> 00:26:09,840  
find all the pieces out here that match

705  
00:26:14,710 --> 00:26:12,880  
up with that internal puzzle and

706  
00:26:17,669 --> 00:26:14,720  
it seems to be

707  
00:26:19,990 --> 00:26:17,679  
uh available it seems to work like

708  
00:26:22,310 --> 00:26:20,000  
putting the solution first and then

709  
00:26:24,470 --> 00:26:22,320  
finding the parts that get there it's

710  
00:26:25,830 --> 00:26:24,480  
incredible you know but again that can

711  
00:26:27,909 --> 00:26:25,840  
lead to

712  
00:26:30,230 --> 00:26:27,919  
you know bad thinking too because you

713  
00:26:33,350 --> 00:26:30,240

can get hung up on a thought and want to

714

00:26:35,510 --> 00:26:33,360

prove it more than it should be proven

715

00:26:37,430 --> 00:26:35,520

absolutely great point great pun i love

716

00:26:39,430 --> 00:26:37,440

the ping pong back and forth it's gotta

717

00:26:41,350 --> 00:26:39,440

be both man it unfortunately it has to

718

00:26:42,789 --> 00:26:41,360

be both it's those two leaning sides

719

00:26:45,669 --> 00:26:42,799

right

720

00:26:48,630 --> 00:26:45,679

exactly and you know so here's here's

721

00:26:49,909 --> 00:26:48,640

another you know uh ping pong paradigm

722

00:26:53,269 --> 00:26:49,919

flip

723

00:26:54,070 --> 00:26:53,279

is that extended consciousness realm

724

00:26:57,269 --> 00:26:54,080

more

725

00:26:59,029 --> 00:26:57,279

real whatever that means real than this

726  
00:27:00,390 --> 00:26:59,039  
realm right because immediately you're

727  
00:27:02,870 --> 00:27:00,400  
nodding your head because you're like

728  
00:27:04,470 --> 00:27:02,880  
yeah that's what we keep hearing yeah

729  
00:27:07,029 --> 00:27:04,480  
you talk to anyone who's had a

730  
00:27:10,390 --> 00:27:07,039  
near-death experience overwhelmingly

731  
00:27:13,990 --> 00:27:10,400  
like 90 percent off the charts

732  
00:27:15,510 --> 00:27:14,000  
this is real this is home you're living

733  
00:27:21,430 --> 00:27:15,520  
the illusion

734  
00:27:24,389 --> 00:27:21,440  
that was real out-of-body experience uh

735  
00:27:26,230 --> 00:27:24,399  
all sorts of different experiences e.t

736  
00:27:28,710 --> 00:27:26,240  
you know what does that mean when people

737  
00:27:29,990 --> 00:27:28,720  
have that experience they go okay you

738  
00:27:31,510 --> 00:27:30,000

know this is

739

00:27:38,149 --> 00:27:31,520

so

740

00:27:39,350 --> 00:27:38,159

this extended consciousness experience

741

00:27:41,830 --> 00:27:39,360

like you did

742

00:27:44,149 --> 00:27:41,840

it's profound

743

00:27:45,990 --> 00:27:44,159

and it's true in a way that you just

744

00:27:47,430 --> 00:27:46,000

knew it in your you can't say in your

745

00:27:50,230 --> 00:27:47,440

bones because you're out of your body

746

00:27:52,549 --> 00:27:50,240

right you knew it it you know soul level

747

00:27:54,789 --> 00:27:52,559

and now you're coming back and now

748

00:27:56,310 --> 00:27:54,799

you're trying to rationalize it just

749

00:27:59,909 --> 00:27:56,320

like you said you're trying to fit those

750

00:28:00,830 --> 00:27:59,919

pieces together in an inferior

751  
00:28:02,310 --> 00:28:00,840  
form

752  
00:28:04,950 --> 00:28:02,320  
yes so

753  
00:28:07,350 --> 00:28:04,960  
we're coming back from the uh i like to

754  
00:28:10,470 --> 00:28:07,360  
say it's like the the uh

755  
00:28:12,070 --> 00:28:10,480  
ecstatic experience of non-ego or

756  
00:28:13,909 --> 00:28:12,080  
something along those lines and we're

757  
00:28:16,470 --> 00:28:13,919  
coming back and we're explaining it to

758  
00:28:18,149 --> 00:28:16,480  
everybody and sharing those experiences

759  
00:28:20,630 --> 00:28:18,159  
with our egoic

760  
00:28:23,830 --> 00:28:20,640  
conscious linear mind so we have this

761  
00:28:25,590 --> 00:28:23,840  
feeling of non-linearity and all that

762  
00:28:27,669 --> 00:28:25,600  
and then you come back in and the only

763  
00:28:28,950 --> 00:28:27,679

way you can describe it is using this

764

00:28:32,789 --> 00:28:28,960

inferior

765

00:28:35,909 --> 00:28:32,799

uh reduced form as i would say it's like

766

00:28:37,110 --> 00:28:35,919

a reduced form i think illusion is a

767

00:28:39,350 --> 00:28:37,120

is um

768

00:28:40,630 --> 00:28:39,360

it can be a dangerous term i i wouldn't

769

00:28:41,510 --> 00:28:40,640

wonder if you would agree with that

770

00:28:42,710 --> 00:28:41,520

because

771

00:28:44,389 --> 00:28:42,720

um

772

00:28:47,430 --> 00:28:44,399

you know again trying to find that

773

00:28:49,430 --> 00:28:47,440

middle path always um

774

00:28:51,750 --> 00:28:49,440

there's a way to

775

00:28:54,789 --> 00:28:51,760

get spiritual and then get carried off

776

00:28:57,029 --> 00:28:54,799

by certain people's ideas that kind of

777

00:28:59,190 --> 00:28:57,039

say the body is meaningless it's just

778

00:29:02,070 --> 00:28:59,200

this spirit this inner gnosis that

779

00:29:04,470 --> 00:29:02,080

matters where i go more into the

780

00:29:05,669 --> 00:29:04,480

alchemical explanation of things like

781

00:29:07,590 --> 00:29:05,679

for instance

782

00:29:08,870 --> 00:29:07,600

those people you mentioned in science

783

00:29:10,950 --> 00:29:08,880

like neil degrasse tyson all these

784

00:29:13,750 --> 00:29:10,960

people that we used to kind of

785

00:29:15,909 --> 00:29:13,760

accept i did blindly like 20 years ago

786

00:29:17,510 --> 00:29:15,919

for sure i loved all of those guys

787

00:29:19,830 --> 00:29:17,520

they're it's like they're looking at a

788

00:29:21,269 --> 00:29:19,840

model of reality and going yeah see

789

00:29:22,630 --> 00:29:21,279

clearly this is how it works and it's

790

00:29:24,950 --> 00:29:22,640

like dude that's made out of legos

791

00:29:26,070 --> 00:29:24,960

that's not the real thing if that does

792

00:29:28,310 --> 00:29:26,080

that make sense to you does that

793

00:29:29,110 --> 00:29:28,320

resonate yeah that's great

794

00:29:30,230 --> 00:29:29,120

and

795

00:29:32,789 --> 00:29:30,240

yeah

796

00:29:34,230 --> 00:29:32,799

where i was going with that but it's

797

00:29:35,350 --> 00:29:34,240

just

798

00:29:38,310 --> 00:29:35,360

it uh

799

00:29:41,190 --> 00:29:38,320

yeah it feels like um we're kind of

800

00:29:43,350 --> 00:29:41,200

reduced here but it's not that it's fake

801

00:29:45,190 --> 00:29:43,360

it's not that it's an illusion i think

802

00:29:46,750 --> 00:29:45,200

even the word maya in buddhism and

803

00:29:49,110 --> 00:29:46,760

hinduism has been

804

00:29:52,070 --> 00:29:49,120

misappropriated to illusion when it

805

00:29:55,510 --> 00:29:52,080

really represents uh the appearance of

806

00:29:58,149 --> 00:29:55,520

what is real so it's you know let me

807

00:30:00,789 --> 00:29:58,159

quote from andy and his answer to my

808

00:30:01,830 --> 00:30:00,799

survey question consciousness again this

809

00:30:04,470 --> 00:30:01,840

is really

810

00:30:06,230 --> 00:30:04,480

it's it's short but it's really uh very

811

00:30:08,389 --> 00:30:06,240

profound i don't want to play i don't

812

00:30:11,350 --> 00:30:08,399

love too much smoke everything is

813

00:30:15,110 --> 00:30:11,360

consciousness and then what you added is

814

00:30:17,990 --> 00:30:15,120

the paradox somehow allows this

815

00:30:21,830 --> 00:30:18,000

experience to me that is exactly what

816

00:30:24,549 --> 00:30:21,840

you just said there yeah alchemical

817

00:30:27,029 --> 00:30:24,559

opposites and creating this third what

818

00:30:29,590 --> 00:30:27,039

what is this why are we here what's

819

00:30:31,110 --> 00:30:29,600

happening right now do we hold on to it

820

00:30:32,950 --> 00:30:31,120

what do we do

821

00:30:33,990 --> 00:30:32,960

poof

822

00:30:36,230 --> 00:30:34,000

i don't know

823

00:30:38,310 --> 00:30:36,240

and i yeah and not to cut you off it uh

824

00:30:39,350 --> 00:30:38,320

it's given me a lot of stress

825

00:30:42,630 --> 00:30:39,360

about

826

00:30:44,630 --> 00:30:42,640

afterlife honestly and i love symbolism

827

00:30:46,549 --> 00:30:44,640

and i love ancient religions and looking

828

00:30:47,830 --> 00:30:46,559

at all the comparisons and

829

00:30:48,789 --> 00:30:47,840

how they're different and how they're

830

00:30:50,789 --> 00:30:48,799

similar

831

00:30:53,990 --> 00:30:50,799

but i often wonder are they ever really

832

00:30:55,830 --> 00:30:54,000

talking about beyond conscious life

833

00:30:58,630 --> 00:30:55,840

are they talking about what's missing

834

00:31:00,870 --> 00:30:58,640

from our perception right now

835

00:31:03,269 --> 00:31:00,880

that you know what i mean heaven here

836

00:31:06,310 --> 00:31:03,279

because on psychedelics especially i see

837

00:31:07,830 --> 00:31:06,320

my my desk i see my computer but much

838

00:31:09,830 --> 00:31:07,840

like that psychedelic art that's just

839

00:31:12,310 --> 00:31:09,840

been around forever there's like more

840

00:31:14,389 --> 00:31:12,320

layers to it and it's beautiful and

841

00:31:15,750 --> 00:31:14,399

there's majesties everywhere but it's

842

00:31:17,909 --> 00:31:15,760

not that it's anything different than

843

00:31:18,710 --> 00:31:17,919

what i'm seeing i'm just seeing all of

844

00:31:20,470 --> 00:31:18,720

it

845

00:31:22,870 --> 00:31:20,480

if that adds up

846

00:31:25,350 --> 00:31:22,880

well it does add up it's just how you're

847

00:31:27,509 --> 00:31:25,360

going to add it up so and here's here's

848

00:31:29,590 --> 00:31:27,519

a here's a pivot that i think is kind of

849

00:31:31,830 --> 00:31:29,600

really interesting so you take the

850

00:31:33,990 --> 00:31:31,840

psychedelic experience and it has all

851  
00:31:36,230 --> 00:31:34,000  
sorts of baggage associated with it and

852  
00:31:38,230 --> 00:31:36,240  
we all get that so pivot to the

853  
00:31:40,549 --> 00:31:38,240  
near-death experience and let's see what

854  
00:31:43,110 --> 00:31:40,559  
that looks like compared to that because

855  
00:31:45,269 --> 00:31:43,120  
i think the parallels are just

856  
00:31:47,669 --> 00:31:45,279  
stunning so people have near-death

857  
00:31:48,549 --> 00:31:47,679  
experiences and as we know

858  
00:31:50,909 --> 00:31:48,559  
they

859  
00:31:54,470 --> 00:31:50,919  
the variety of these are just

860  
00:31:56,549 --> 00:31:54,480  
unexplainable and their weirdness is

861  
00:31:58,630 --> 00:31:56,559  
unexplainable and in some ways would

862  
00:32:01,029 --> 00:31:58,640  
seem to be irresolvable in the same way

863  
00:32:03,190 --> 00:32:01,039

that psychedelic experiences are oh i

864

00:32:04,470 --> 00:32:03,200

saw this man i saw that well i saw this

865

00:32:05,669 --> 00:32:04,480

you know and like then we're going to

866

00:32:07,830 --> 00:32:05,679

try and

867

00:32:10,950 --> 00:32:07,840

resolve those at some physical level

868

00:32:13,350 --> 00:32:10,960

well that means that there's 17 million

869

00:32:15,509 --> 00:32:13,360

layers to reality and it's like when i

870

00:32:17,110 --> 00:32:15,519

hear that stuff it's like

871

00:32:19,269 --> 00:32:17,120

here's here's a guy he interviewed from

872

00:32:21,190 --> 00:32:19,279

a near-death experience

873

00:32:22,950 --> 00:32:21,200

loved guy great guy his name is david

874

00:32:25,590 --> 00:32:22,960

ditchfield

875

00:32:28,470 --> 00:32:25,600

think about this british guy

876

00:32:30,070 --> 00:32:28,480

he's going to kiss his wife goodbye at

877

00:32:32,470 --> 00:32:30,080

the train

878

00:32:33,990 --> 00:32:32,480

he leans forward this is england so it's

879

00:32:35,509 --> 00:32:34,000

like massachusetts it's always raining

880

00:32:36,710 --> 00:32:35,519

it's always shitty weather except now

881

00:32:39,110 --> 00:32:36,720

you probably gotta go with her now

882

00:32:41,110 --> 00:32:39,120

sometimes it's humid as hell yeah

883

00:32:42,470 --> 00:32:41,120

he leads forward his coat gets caught in

884

00:32:45,350 --> 00:32:42,480

the doors

885

00:32:47,830 --> 00:32:45,360

and he is along for the ride as the

886

00:32:50,789 --> 00:32:47,840

train takes off he's thrown under the

887

00:32:52,789 --> 00:32:50,799

train the train rolls him over he dies

888

00:32:54,710 --> 00:32:52,799

common misconception about near-death

889

00:32:56,789 --> 00:32:54,720

experience and not a good use of the

890

00:32:59,990 --> 00:32:56,799

term because he is dead

891

00:33:02,789 --> 00:33:00,000

by any means that we're clinically

892

00:33:04,710 --> 00:33:02,799

talking about in terms of uh you know 50

893

00:33:06,149 --> 00:33:04,720

or 100 years ago

894

00:33:08,149 --> 00:33:06,159

when before we could do this

895

00:33:10,230 --> 00:33:08,159

resuscitation of being

896

00:33:12,389 --> 00:33:10,240

bring people back to death he's dead

897

00:33:14,710 --> 00:33:12,399

dead dead dead yes yes

898

00:33:16,789 --> 00:33:14,720

and he's dead for a while

899

00:33:18,549 --> 00:33:16,799

in his experience

900

00:33:20,230 --> 00:33:18,559

he meets jesus

901  
00:33:23,430 --> 00:33:20,240  
and he's very

902  
00:33:24,470 --> 00:33:23,440  
clear about the fact that he meets jesus

903  
00:33:33,830 --> 00:33:24,480  
he

904  
00:33:35,909 --> 00:33:33,840  
that after his near-death experience but

905  
00:33:37,750 --> 00:33:35,919  
he also develops these incredible

906  
00:33:39,509 --> 00:33:37,760  
artistic abilities i see you have a

907  
00:33:42,070 --> 00:33:39,519  
keyboard in the background yes this guy

908  
00:33:44,549 --> 00:33:42,080  
had this guy had no musical background

909  
00:33:47,669 --> 00:33:44,559  
all of a sudden he's

910  
00:33:50,230 --> 00:33:47,679  
you know writing symphonies and even had

911  
00:33:52,789 --> 00:33:50,240  
one performed you know at his thing

912  
00:33:55,669 --> 00:33:52,799  
drawing these art pieces these huge

913  
00:33:57,350 --> 00:33:55,679

large-scale art pieces i'm not an art

914

00:33:59,269 --> 00:33:57,360

expert i can't tell you but they look

915

00:33:59,990 --> 00:33:59,279

pretty incredible to me i couldn't do

916

00:34:02,389 --> 00:34:00,000

them

917

00:34:04,470 --> 00:34:02,399

but jesus is a central part of his

918

00:34:07,269 --> 00:34:04,480

experience you know so i'm talking to

919

00:34:09,030 --> 00:34:07,279

him i'm saying david i get it a lot of

920

00:34:10,869 --> 00:34:09,040

people see jesus

921

00:34:14,149 --> 00:34:10,879

i gotta tell you if you look at it

922

00:34:16,629 --> 00:34:14,159

scientifically statistically

923

00:34:18,710 --> 00:34:16,639

not everybody sees jesus small

924

00:34:20,230 --> 00:34:18,720

percentage of people see jesus what are

925

00:34:22,629 --> 00:34:20,240

we to make of that

926

00:34:25,190 --> 00:34:22,639

all the other parts of their experience

927

00:34:29,109 --> 00:34:25,200

line up oneness love

928

00:34:30,710 --> 00:34:29,119

god connection all that lines up but

929

00:34:32,869 --> 00:34:30,720

some of them see buddha some of them

930

00:34:34,790 --> 00:34:32,879

just see light some of them see energy

931

00:34:37,349 --> 00:34:34,800

what do you make of that

932

00:34:39,909 --> 00:34:37,359

i'm pretty sure it's jesus you know and

933

00:34:41,669 --> 00:34:39,919

then i had this other kind of hypnotic

934

00:34:44,310 --> 00:34:41,679

regression and the woman who was

935

00:34:46,069 --> 00:34:44,320

regressing me said hey you were there

936

00:34:47,030 --> 00:34:46,079

with jesus

937

00:34:49,829 --> 00:34:47,040

okay

938

00:34:51,829 --> 00:34:49,839

i said how about this david i said i've

939

00:34:53,750 --> 00:34:51,839

interviewed a lot of people in with

940

00:34:56,629 --> 00:34:53,760

near-death experiences

941

00:34:58,310 --> 00:34:56,639

and some of them have told me

942

00:35:00,230 --> 00:34:58,320

it was jesus

943

00:35:01,910 --> 00:35:00,240

but then when they thought about it more

944

00:35:03,430 --> 00:35:01,920

and as they lived their life and some of

945

00:35:04,950 --> 00:35:03,440

them even had multiple near-death

946

00:35:07,589 --> 00:35:04,960

experiences

947

00:35:09,910 --> 00:35:07,599

they said yeah it was jesus but there

948

00:35:11,990 --> 00:35:09,920

was something more there was something

949

00:35:14,950 --> 00:35:12,000

more behind it

950

00:35:17,190 --> 00:35:14,960

and then he paused for a second he goes

951  
00:35:19,510 --> 00:35:17,200  
yeah i kind of get the sense that maybe

952  
00:35:21,430 --> 00:35:19,520  
there's something more so

953  
00:35:24,230 --> 00:35:21,440  
back to switch over to our

954  
00:35:27,430 --> 00:35:24,240  
hallucinogenic experience

955  
00:35:29,190 --> 00:35:27,440  
so you're presented with all these kind

956  
00:35:33,349 --> 00:35:29,200  
of things that

957  
00:35:35,270 --> 00:35:33,359  
i like if you're not experienced

958  
00:35:37,270 --> 00:35:35,280  
become the focus of it you know like all

959  
00:35:40,230 --> 00:35:37,280  
the lights and the colors and stuff yeah

960  
00:35:41,910 --> 00:35:40,240  
the illusions are still in here too yeah

961  
00:35:43,270 --> 00:35:41,920  
and and as you

962  
00:35:45,349 --> 00:35:43,280  
some of them aren't illusions because

963  
00:35:47,990 --> 00:35:45,359

some of them are mixed in with like the

964

00:35:49,829 --> 00:35:48,000

deep knowing that you had right yes same

965

00:35:51,510 --> 00:35:49,839

for david you know same for david and

966

00:35:53,990 --> 00:35:51,520

when he came back with jesus he came

967

00:35:56,710 --> 00:35:54,000

back with some good [h\_\_h] yeah damn right

968

00:35:59,430 --> 00:35:56,720

yeah but but maybe there's maybe there's

969

00:36:02,870 --> 00:35:59,440

more so that the trick there is back to

970

00:36:05,990 --> 00:36:02,880

what we're saying not being stuck in the

971

00:36:08,950 --> 00:36:06,000

narrative not being stuck in i've i've

972

00:36:11,430 --> 00:36:08,960

now experienced everything let me come

973

00:36:13,190 --> 00:36:11,440

back and proselytize and convert people

974

00:36:15,030 --> 00:36:13,200

into everything

975

00:36:16,790 --> 00:36:15,040

i love where we're going with this

976  
00:36:18,870 --> 00:36:16,800  
because it brought me to the thought of

977  
00:36:21,349 --> 00:36:18,880  
how um you know it's the inner to the

978  
00:36:23,589 --> 00:36:21,359  
outer the micro to the macro how we're

979  
00:36:25,990 --> 00:36:23,599  
describing an inner experience

980  
00:36:27,109 --> 00:36:26,000  
but we're also talking about society too

981  
00:36:29,349 --> 00:36:27,119  
because a lot of times when we're

982  
00:36:31,990 --> 00:36:29,359  
talking about conspiracy theories and

983  
00:36:34,470 --> 00:36:32,000  
what the elites do the big bad capital t

984  
00:36:36,310 --> 00:36:34,480  
they whatever that means

985  
00:36:38,230 --> 00:36:36,320  
it's always that well there's always

986  
00:36:39,990 --> 00:36:38,240  
truth mixed in with the lies and it's

987  
00:36:42,310 --> 00:36:40,000  
like well why does that keep reflecting

988  
00:36:44,390 --> 00:36:42,320

consciousness's behavior you know when i

989

00:36:48,150 --> 00:36:44,400

had my psychedelic experiences i found

990

00:36:50,150 --> 00:36:48,160

the conspirator and it was me it was my

991

00:36:52,230 --> 00:36:50,160

surface level self it was my ego

992

00:36:54,390 --> 00:36:52,240

whatever you know discipline you you

993

00:36:56,710 --> 00:36:54,400

want to pull from it was that word it

994

00:36:58,710 --> 00:36:56,720

was that part of myself that couldn't

995

00:37:01,349 --> 00:36:58,720

face traumas that i dealt with so i

996

00:37:03,190 --> 00:37:01,359

created patterns and walls whatever

997

00:37:05,109 --> 00:37:03,200

but it seems like

998

00:37:07,190 --> 00:37:05,119

it's such a very

999

00:37:09,589 --> 00:37:07,200

you know conscious experience going on

1000

00:37:12,150 --> 00:37:09,599

here in the world when you see that kind

1001  
00:37:14,550 --> 00:37:12,160  
of as above so below

1002  
00:37:16,390 --> 00:37:14,560  
structure of everything that almost i

1003  
00:37:19,030 --> 00:37:16,400  
call it fractal i talk about fractal

1004  
00:37:22,230 --> 00:37:19,040  
geometry a lot because not only is that

1005  
00:37:25,510 --> 00:37:22,240  
a fan favorite of of the psychedelic

1006  
00:37:27,910 --> 00:37:25,520  
visual stimulus that occurs but along

1007  
00:37:30,790 --> 00:37:27,920  
with those visual cool hallucinations

1008  
00:37:33,109 --> 00:37:30,800  
comes a a gnosis of a deep philosophy

1009  
00:37:33,990 --> 00:37:33,119  
about reality and how everything seems

1010  
00:37:36,630 --> 00:37:34,000  
to be

1011  
00:37:39,829 --> 00:37:36,640  
fractal on some level that behind that

1012  
00:37:42,950 --> 00:37:39,839  
jesus or buddha there is this thing

1013  
00:37:44,710 --> 00:37:42,960

that exists that is just self-similar on

1014

00:37:46,630 --> 00:37:44,720

every level and that's why people say

1015

00:37:49,510 --> 00:37:46,640

you know god is everywhere god is within

1016

00:37:51,190 --> 00:37:49,520

you or you can find god anywhere it's

1017

00:37:55,270 --> 00:37:51,200

why terence mckenna came back from a

1018

00:37:57,349 --> 00:37:55,280

psychedelic trip saying a song is a song

1019

00:37:59,510 --> 00:37:57,359

to us that made no sense and it didn't

1020

00:38:02,150 --> 00:37:59,520

have any profound impact on me when he

1021

00:38:03,589 --> 00:38:02,160

told it everybody laughs in the audience

1022

00:38:05,349 --> 00:38:03,599

because they get it that he's saying

1023

00:38:08,310 --> 00:38:05,359

that literally the truth is within

1024

00:38:10,630 --> 00:38:08,320

everything it's just it's fractal and it

1025

00:38:11,829 --> 00:38:10,640

it could mean a million different things

1026  
00:38:14,230 --> 00:38:11,839  
i don't know we kind of jumped around

1027  
00:38:17,670 --> 00:38:14,240  
there but

1028  
00:38:20,390 --> 00:38:17,680  
spot on here's the dilemma we face

1029  
00:38:23,990 --> 00:38:20,400  
the reality that you're probing so

1030  
00:38:25,349 --> 00:38:24,000  
deeply that few people are willing to go

1031  
00:38:26,470 --> 00:38:25,359  
here's where i was going to go with that

1032  
00:38:28,950 --> 00:38:26,480  
okay

1033  
00:38:30,550 --> 00:38:28,960  
the the truth mixed with the lie thing

1034  
00:38:34,470 --> 00:38:30,560  
that you said

1035  
00:38:37,270 --> 00:38:34,480  
hey if i'm a they and my job is [h\_\_h]

1036  
00:38:39,430 --> 00:38:37,280  
socially engineering people and you want

1037  
00:38:40,950 --> 00:38:39,440  
me on that wall you need me on that wall

1038  
00:38:44,390 --> 00:38:40,960

kind of thing which is

1039

00:38:46,470 --> 00:38:44,400

true too you know we we do live

1040

00:38:49,430 --> 00:38:46,480

under the red white and blue

1041

00:38:52,390 --> 00:38:49,440

and all the [h\_\_h] that we've done we own

1042

00:38:54,470 --> 00:38:52,400

that to a certain extent and we own

1043

00:38:56,150 --> 00:38:54,480

and have to own and have to acknowledge

1044

00:38:59,589 --> 00:38:56,160

that people are doing

1045

00:39:03,109 --> 00:38:59,599

mean nasty horribly evil stuff in our

1046

00:39:05,349 --> 00:39:03,119

name yes those people have perfected

1047

00:39:08,150 --> 00:39:05,359

misinformation disinformation mixing

1048

00:39:11,510 --> 00:39:08,160

truth and lie bam that's a recipe for

1049

00:39:13,510 --> 00:39:11,520

what is most effective for to get this

1050

00:39:15,670 --> 00:39:13,520

group from a to b

1051

00:39:18,310 --> 00:39:15,680

i am reluctant

1052

00:39:20,870 --> 00:39:18,320

to connect that to

1053

00:39:22,790 --> 00:39:20,880

the deeper experience that you had i

1054

00:39:25,270 --> 00:39:22,800

understand that at some level it all has

1055

00:39:27,349 --> 00:39:25,280

to be connected but i'm reluctant to go

1056

00:39:30,630 --> 00:39:27,359

there because i hear what you're saying

1057

00:39:32,630 --> 00:39:30,640

on a spiritual level which is fantastic

1058

00:39:34,870 --> 00:39:32,640

because what i hear you saying is

1059

00:39:35,829 --> 00:39:34,880

as soon as i start pointing at someone

1060

00:39:37,510 --> 00:39:35,839

else

1061

00:39:39,349 --> 00:39:37,520

i need to do the old thing and look

1062

00:39:42,550 --> 00:39:39,359

about yes

1063

00:39:44,790 --> 00:39:42,560

how is that if i'm able to see that mean

1064

00:39:47,589 --> 00:39:44,800

nasty evil [\h\_\_\h]

1065

00:39:49,829 --> 00:39:47,599

that means it's in me if i'm able to

1066

00:39:53,190 --> 00:39:49,839

process that dmt

1067

00:39:55,829 --> 00:39:53,200

that means that my body is

1068

00:39:57,829 --> 00:39:55,839

capable of processing otherwise it was a

1069

00:39:59,430 --> 00:39:57,839

total foreign substance nothing would

1070

00:40:02,069 --> 00:39:59,440

happen or something you know else would

1071

00:40:04,550 --> 00:40:02,079

happen so i but you get what i'm saying

1072

00:40:06,470 --> 00:40:04,560

i think i do i think i do so

1073

00:40:07,430 --> 00:40:06,480

let me let me try to rephrase under the

1074

00:40:11,190 --> 00:40:07,440

the

1075

00:40:14,069 --> 00:40:11,200

it's like

1076

00:40:16,870 --> 00:40:14,079

perhaps what i was experiencing and kind

1077

00:40:19,349 --> 00:40:16,880

of you know mirroring mirroring out to

1078

00:40:23,510 --> 00:40:19,359

the elites or whatever with my own inner

1079

00:40:25,670 --> 00:40:23,520

behavior is um is just simply the ego or

1080

00:40:27,589 --> 00:40:25,680

something it's the bad behavior that i

1081

00:40:29,910 --> 00:40:27,599

have which can

1082

00:40:31,910 --> 00:40:29,920

naturally be compared to the

1083

00:40:34,390 --> 00:40:31,920

macro of the bad behavior that is in

1084

00:40:35,589 --> 00:40:34,400

collective society

1085

00:40:38,390 --> 00:40:35,599

i was kind of saying i was kind of

1086

00:40:40,309 --> 00:40:38,400

saying something slightly different okay

1087

00:40:41,349 --> 00:40:40,319

well it's it's not contradictory it's

1088

00:40:43,589 --> 00:40:41,359

just that

1089

00:40:46,870 --> 00:40:43,599

as we're trying to navigate

1090

00:40:49,589 --> 00:40:46,880

this world this space and particularly

1091

00:40:51,270 --> 00:40:49,599

what we're trying to do you know

1092

00:40:53,829 --> 00:40:51,280

uh you and i

1093

00:40:55,829 --> 00:40:53,839

is we're trying to

1094

00:40:59,430 --> 00:40:55,839

live in these two worlds

1095

00:41:01,829 --> 00:40:59,440

and i'm saying that i don't think

1096

00:41:04,950 --> 00:41:01,839

right now i'm willing to

1097

00:41:06,870 --> 00:41:04,960

uh say that my feet aren't planted in

1098

00:41:08,790 --> 00:41:06,880

two worlds because that's how it seems

1099

00:41:11,190 --> 00:41:08,800

to me and the deeper spiritual

1100

00:41:13,829 --> 00:41:11,200

understandings you came to about truth

1101

00:41:17,190 --> 00:41:13,839

and lie i think are beautiful but i

1102

00:41:18,630 --> 00:41:17,200

think they are separate from

1103

00:41:23,030 --> 00:41:18,640

at least at this point from my

1104

00:41:25,510 --> 00:41:23,040

understanding of what that guy

1105

00:41:26,950 --> 00:41:25,520

who's running these

1106

00:41:29,589 --> 00:41:26,960

psyops

1107

00:41:31,750 --> 00:41:29,599

what he's doing and so i just want to

1108

00:41:33,829 --> 00:41:31,760

for a minute kind of remove the

1109

00:41:34,710 --> 00:41:33,839

spiritual part of that and just look at

1110

00:41:37,990 --> 00:41:34,720

the

1111

00:41:40,550 --> 00:41:38,000

if i was charged with doing that job and

1112

00:41:41,430 --> 00:41:40,560

i was like into it and wanted to do that

1113

00:41:45,990 --> 00:41:41,440

job

1114

00:41:46,790 --> 00:41:46,000

this is how i do it i mix information

1115

00:41:48,390 --> 00:41:46,800

with

1116

00:41:51,109 --> 00:41:48,400

false information

1117

00:41:52,950 --> 00:41:51,119

i'd have exaggerated information i'd

1118

00:41:55,510 --> 00:41:52,960

somehow find like

1119

00:41:57,589 --> 00:41:55,520

when i see people take off on

1120

00:42:00,870 --> 00:41:57,599

flat earth or tataria

1121

00:42:03,190 --> 00:42:00,880

i'd subtly kind of really promote that

1122

00:42:04,630 --> 00:42:03,200

because that's going to divide this

1123

00:42:06,230 --> 00:42:04,640

group in a way that they don't even

1124

00:42:08,069 --> 00:42:06,240

realize because people are going to be

1125

00:42:12,069 --> 00:42:08,079

forced to choose you know is it good

1126

00:42:14,390 --> 00:42:12,079

so there's all these techniques uh

1127

00:42:17,910 --> 00:42:14,400

plays in the playbook uh part of the

1128

00:42:20,550 --> 00:42:17,920

trade that when when we shift over and

1129

00:42:21,670 --> 00:42:20,560

we're talking about that i think we have

1130

00:42:23,190 --> 00:42:21,680

to kind of

1131

00:42:24,870 --> 00:42:23,200

say okay i'm turning my back on the

1132

00:42:26,870 --> 00:42:24,880

spiritual because i'm not assuming that

1133

00:42:29,510 --> 00:42:26,880

these guys are working on that level

1134

00:42:31,430 --> 00:42:29,520

they're just doing their freaking job

1135

00:42:33,589 --> 00:42:31,440

okay okay okay i like this i like where

1136

00:42:35,349 --> 00:42:33,599

we're going here because okay

1137

00:42:37,990 --> 00:42:35,359

so

1138

00:42:40,150 --> 00:42:38,000

maybe it's more like

1139

00:42:42,069 --> 00:42:40,160

what they're doing out there

1140

00:42:44,710 --> 00:42:42,079

is simply influencing our personal

1141

00:42:47,109 --> 00:42:44,720

consciousness to act in that way

1142

00:42:49,270 --> 00:42:47,119

sometimes you know maybe that's why i'm

1143

00:42:51,109 --> 00:42:49,280

making that connection but at the same

1144

00:42:53,030 --> 00:42:51,119

time also we kind of can go back to what

1145

00:42:54,630 --> 00:42:53,040

we were saying before about how

1146

00:42:56,230 --> 00:42:54,640

you know just because we can relate

1147

00:42:58,790 --> 00:42:56,240

everything outwards to the greater

1148

00:43:00,550 --> 00:42:58,800

fractal reality of spirituality or

1149

00:43:02,069 --> 00:43:00,560

something like that doesn't mean that we

1150

00:43:03,510 --> 00:43:02,079

don't have to go to work tomorrow

1151  
00:43:05,910 --> 00:43:03,520  
doesn't mean we don't have to deal with

1152  
00:43:07,910 --> 00:43:05,920  
this physical situation that maybe when

1153  
00:43:10,150 --> 00:43:07,920  
we take a big step back it's this

1154  
00:43:12,150 --> 00:43:10,160  
beautiful mosaic but when you get up

1155  
00:43:14,150 --> 00:43:12,160  
close there's individual free will

1156  
00:43:17,030 --> 00:43:14,160  
that's pushing and pulling and making

1157  
00:43:19,990 --> 00:43:17,040  
their own decisions that impact everyone

1158  
00:43:21,670 --> 00:43:20,000  
else and can really screw things up

1159  
00:43:22,550 --> 00:43:21,680  
does that sound a little bit more on

1160  
00:43:25,510 --> 00:43:22,560  
point

1161  
00:43:27,750 --> 00:43:25,520  
yeah exactly and you know it's partly

1162  
00:43:30,470 --> 00:43:27,760  
because i come at this from a business

1163  
00:43:32,950 --> 00:43:30,480

background in that you know that was my

1164

00:43:35,190 --> 00:43:32,960

that was my focus for my life it's like

1165

00:43:37,910 --> 00:43:35,200

hey man i want to make the dough you

1166

00:43:40,470 --> 00:43:37,920

know so i was computer science guy and

1167

00:43:42,390 --> 00:43:40,480

then i got an mba and then i started a

1168

00:43:45,349 --> 00:43:42,400

tech company

1169

00:43:47,589 --> 00:43:45,359

and i was all in it because

1170

00:43:51,349 --> 00:43:47,599

i had this spiritual side of me and i

1171

00:43:52,230 --> 00:43:51,359

was doing yoga yogananda classes and all

1172

00:43:54,870 --> 00:43:52,240

that

1173

00:43:56,790 --> 00:43:54,880

but to me money was clarity i would

1174

00:43:59,750 --> 00:43:56,800

never have known

1175

00:44:02,230 --> 00:43:59,760

my own [h\_\_h] unless i could

1176

00:44:03,510 --> 00:44:02,240

get to some point where like okay

1177

00:44:05,109 --> 00:44:03,520

got that

1178

00:44:06,790 --> 00:44:05,119

check now

1179

00:44:09,270 --> 00:44:06,800

explore this other stuff

1180

00:44:11,349 --> 00:44:09,280

in the realm the only way that i was

1181

00:44:13,190 --> 00:44:11,359

able to be successful in business

1182

00:44:15,829 --> 00:44:13,200

was by just doing the same thing that i

1183

00:44:18,230 --> 00:44:15,839

do now just learning [\h\_\_\h] you know i i

1184

00:44:21,910 --> 00:44:18,240

had the educational stuff but my real

1185

00:44:22,870 --> 00:44:21,920

education came from books from seminars

1186

00:44:24,870 --> 00:44:22,880

from

1187

00:44:26,710 --> 00:44:24,880

youtube's before there were youtubes you

1188

00:44:28,710 --> 00:44:26,720

know and i was always and i had them in

1189

00:44:30,950 --> 00:44:28,720

my car's always listening 10 times over

1190

00:44:34,150 --> 00:44:30,960

and you know all the classic kind of

1191

00:44:36,470 --> 00:44:34,160

ones and i still do to this day because

1192

00:44:39,030 --> 00:44:36,480

i love learning and i love staying kind

1193

00:44:41,349 --> 00:44:39,040

of on top of my game so where i was

1194

00:44:43,030 --> 00:44:41,359

going to take that is like if you look

1195

00:44:45,670 --> 00:44:43,040

at sales

1196

00:44:47,750 --> 00:44:45,680

training for lack of a better term sales

1197

00:44:51,510 --> 00:44:47,760

self-help stuff like that

1198

00:44:55,589 --> 00:44:51,520

there is so much of that that is pure

1199

00:44:58,390 --> 00:44:55,599

black magic left hand path yep jordan

1200

00:45:00,950 --> 00:44:58,400

belfort go read jordan belfort wolf of

1201  
00:45:03,430 --> 00:45:00,960  
wall street go read his book on selling

1202  
00:45:07,670 --> 00:45:03,440  
it's one of the best books out there on

1203  
00:45:10,150 --> 00:45:07,680  
selling it is black magic now

1204  
00:45:12,470 --> 00:45:10,160  
you have to dive really deep into

1205  
00:45:15,430 --> 00:45:12,480  
understanding

1206  
00:45:17,990 --> 00:45:15,440  
what that means in terms of black magic

1207  
00:45:20,550 --> 00:45:18,000  
or you're going to go down and think

1208  
00:45:22,390 --> 00:45:20,560  
damien eccles is kind of a cool guy even

1209  
00:45:25,030 --> 00:45:22,400  
though he raped and killed three little

1210  
00:45:27,510 --> 00:45:25,040  
kids because he was following aleister

1211  
00:45:29,270 --> 00:45:27,520  
crowley and thought that was magic

1212  
00:45:30,550 --> 00:45:29,280  
and so

1213  
00:45:32,230 --> 00:45:30,560

so that's another yeah i threw out a

1214

00:45:35,349 --> 00:45:32,240

little grenade there to see if anyone

1215

00:45:38,910 --> 00:45:35,359

would would i like to blow up on that

1216

00:45:42,390 --> 00:45:38,920

so but i think it's kind of interesting

1217

00:45:44,550 --> 00:45:42,400

juxtaposing damien echols and jordan

1218

00:45:46,710 --> 00:45:44,560

belfort and then oh here's the third guy

1219

00:45:48,550 --> 00:45:46,720

i'll throw in gosh i forget his name but

1220

00:45:50,390 --> 00:45:48,560

his book is uh never split the

1221

00:45:52,390 --> 00:45:50,400

difference never split the difference

1222

00:45:54,870 --> 00:45:52,400

negotiating as if your life depended on

1223

00:45:57,109 --> 00:45:54,880

it chris that's it chris voss

1224

00:45:58,790 --> 00:45:57,119

is that boss okay

1225

00:45:59,670 --> 00:45:58,800

interesting i love this guy i hate this

1226

00:46:03,270 --> 00:45:59,680

guy

1227

00:46:04,630 --> 00:46:03,280

but

1228

00:46:06,470 --> 00:46:04,640

check this out

1229

00:46:08,550 --> 00:46:06,480

this is i want you on that wall i need

1230

00:46:12,630 --> 00:46:08,560

you on that wall stuff

1231

00:46:14,470 --> 00:46:12,640

vos is an fbi negotiator he opens up

1232

00:46:17,270 --> 00:46:14,480

that book with a story

1233

00:46:19,510 --> 00:46:17,280

of being in manhattan two guys have

1234

00:46:21,589 --> 00:46:19,520

robbed a bank taken a dozen people

1235

00:46:24,550 --> 00:46:21,599

hostage are holding a gun to their head

1236

00:46:26,950 --> 00:46:24,560

and saying get us a car get us out of

1237

00:46:31,829 --> 00:46:26,960

here or we're gonna kill these people

1238

00:46:32,870 --> 00:46:31,839

right now his job is to use his black

1239

00:46:36,630 --> 00:46:32,880

magic

1240

00:46:39,510 --> 00:46:36,640

to negotiate out of this situation

1241

00:46:42,150 --> 00:46:39,520

do we want him to use his left-hand path

1242

00:46:43,829 --> 00:46:42,160

[h\_\_h] we're like yeah man those innocent

1243

00:46:47,109 --> 00:46:43,839

people just showed up for work they

1244

00:46:49,829 --> 00:46:47,119

didn't deserve that so do what you have

1245

00:46:52,870 --> 00:46:49,839

to do which we've told every

1246

00:46:55,670 --> 00:46:52,880

soldier and how our country got to do

1247

00:46:57,270 --> 00:46:55,680

what you have to do

1248

00:46:59,109 --> 00:46:57,280

the point is

1249

00:47:01,349 --> 00:46:59,119

how do we understand that how do we

1250

00:47:04,230 --> 00:47:01,359

process that and then how do we process

1251  
00:47:07,109 --> 00:47:04,240  
damien eccles too

1252  
00:47:08,390 --> 00:47:07,119  
that was awesome man because you're you

1253  
00:47:10,870 --> 00:47:08,400  
kind of

1254  
00:47:12,390 --> 00:47:10,880  
paint the picture that this left-hand

1255  
00:47:15,190 --> 00:47:12,400  
right-hand path

1256  
00:47:17,829 --> 00:47:15,200  
is kind of built into a lot of the act

1257  
00:47:20,069 --> 00:47:17,839  
the everyday actions the the constant

1258  
00:47:21,910 --> 00:47:20,079  
human behavior we see everywhere i

1259  
00:47:23,990 --> 00:47:21,920  
wonder if it's it can be split right

1260  
00:47:26,150 --> 00:47:24,000  
down the middle in that case like do

1261  
00:47:28,390 --> 00:47:26,160  
you know how we're all doing left hand

1262  
00:47:29,829 --> 00:47:28,400  
or right hand path magic probably both

1263  
00:47:31,349 --> 00:47:29,839

at times

1264

00:47:33,829 --> 00:47:31,359

you know without even knowing it without

1265

00:47:36,230 --> 00:47:33,839

having any background or education into

1266

00:47:39,109 --> 00:47:36,240

magic or even thinking it's all hui

1267

00:47:41,829 --> 00:47:39,119

we're still doing it you know it's crazy

1268

00:47:43,750 --> 00:47:41,839

and you know to to add a little bit of i

1269

00:47:46,710 --> 00:47:43,760

guess bones to that so it doesn't sound

1270

00:47:49,589 --> 00:47:46,720

totally abstract if you read vos's book

1271

00:47:51,270 --> 00:47:49,599

the first thing he says is that one

1272

00:47:53,750 --> 00:47:51,280

everybody talks too much in these

1273

00:47:56,150 --> 00:47:53,760

situations negotiating situations or

1274

00:47:57,990 --> 00:47:56,160

selling situations they're parallel talk

1275

00:47:59,109 --> 00:47:58,000

too much

1276

00:48:01,990 --> 00:47:59,119

silence

1277

00:48:04,309 --> 00:48:02,000

right so oh well that's not black magic

1278

00:48:07,750 --> 00:48:04,319

ah it's a technique now

1279

00:48:11,349 --> 00:48:07,760

the next exactly the the the next thing

1280

00:48:14,069 --> 00:48:11,359

is empathetic questioning right so and

1281

00:48:16,309 --> 00:48:14,079

and but then he gets much deeper so you

1282

00:48:18,870 --> 00:48:16,319

know making that person feel heard we've

1283

00:48:21,190 --> 00:48:18,880

all heard of this stuff

1284

00:48:23,829 --> 00:48:21,200

once you get into it deeper and deeper

1285

00:48:27,589 --> 00:48:23,839

you at some point have to acknowledge

1286

00:48:31,430 --> 00:48:27,599

he's trying to manipulate consciousness

1287

00:48:33,430 --> 00:48:31,440

yes in order to get to his end game in

1288

00:48:34,470 --> 00:48:33,440

the same way that

1289

00:48:36,309 --> 00:48:34,480

for those

1290

00:48:38,150 --> 00:48:36,319

out there that you know are into a lot

1291

00:48:40,309 --> 00:48:38,160

of the topics i talk about but maybe not

1292

00:48:42,549 --> 00:48:40,319

the magic side of it you know this is a

1293

00:48:45,589 --> 00:48:42,559

really important part that

1294

00:48:47,990 --> 00:48:45,599

manipulation is literally you're always

1295

00:48:49,910 --> 00:48:48,000

after some goal in the material world

1296

00:48:50,870 --> 00:48:49,920

whether it's affection from someone that

1297

00:48:52,470 --> 00:48:50,880

you don't deserve because you're

1298

00:48:55,349 --> 00:48:52,480

treating them horribly whatever the

1299

00:48:57,829 --> 00:48:55,359

situation it's a material gain in this

1300

00:48:59,910 --> 00:48:57,839

experience so you're literally

1301  
00:49:01,270 --> 00:48:59,920  
doing magic whether you believe in it or

1302  
00:49:03,750 --> 00:49:01,280  
not you're literally taking something

1303  
00:49:05,750 --> 00:49:03,760  
that exists in the consciousness and

1304  
00:49:08,790 --> 00:49:05,760  
bringing it into this world and we're

1305  
00:49:09,829 --> 00:49:08,800  
doing that all the time and it's so

1306  
00:49:12,710 --> 00:49:09,839  
subtle

1307  
00:49:15,190 --> 00:49:12,720  
that it's just ignored it's not believed

1308  
00:49:17,109 --> 00:49:15,200  
in it's laughed at and like i said to

1309  
00:49:17,910 --> 00:49:17,119  
you in that random little rant i sent

1310  
00:49:22,790 --> 00:49:17,920  
you

1311  
00:49:25,430 --> 00:49:22,800  
coming out of sticks and stuff like that

1312  
00:49:27,030 --> 00:49:25,440  
it's this parody because that's that way

1313  
00:49:28,549 --> 00:49:27,040

no one really recognizes what's

1314

00:49:30,230 --> 00:49:28,559

happening all the time

1315

00:49:33,349 --> 00:49:30,240

my big thing a couple years ago i wrote

1316

00:49:37,430 --> 00:49:33,359

this book rival matters my point with

1317

00:49:39,990 --> 00:49:37,440

why evil matters was to really say okay

1318

00:49:42,230 --> 00:49:40,000

consciousness is conspiratorial that

1319

00:49:44,470 --> 00:49:42,240

scientific materialism insists that you

1320

00:49:46,230 --> 00:49:44,480

you know that's that's out the window no

1321

00:49:48,630 --> 00:49:46,240

one really believed that but this

1322

00:49:50,390 --> 00:49:48,640

extended consciousness realm

1323

00:49:52,549 --> 00:49:50,400

now brings us to

1324

00:49:54,710 --> 00:49:52,559

the real question we have in our life

1325

00:49:57,910 --> 00:49:54,720

how should i live my life what are the

1326

00:49:59,670 --> 00:49:57,920

what is right action is there such a

1327

00:50:01,750 --> 00:49:59,680

thing as right action hey is the right

1328

00:50:03,349 --> 00:50:01,760

or wrong hey maybe you know it's all

1329

00:50:05,349 --> 00:50:03,359

relative kind of thing

1330

00:50:07,910 --> 00:50:05,359

and the way that i think what brings

1331

00:50:10,390 --> 00:50:07,920

that into focus better than anything

1332

00:50:11,750 --> 00:50:10,400

else is evil

1333

00:50:14,150 --> 00:50:11,760

and that's another one it immediately

1334

00:50:17,349 --> 00:50:14,160

triggers people to go no there's no such

1335

00:50:19,750 --> 00:50:17,359

thing as evil evil is a social construct

1336

00:50:21,990 --> 00:50:19,760

and it's what you define you know

1337

00:50:23,510 --> 00:50:22,000

whatever you think it is it is and it's

1338

00:50:25,990 --> 00:50:23,520

like okay

1339

00:50:27,670 --> 00:50:26,000

let me tell you story from the book

1340

00:50:30,470 --> 00:50:27,680

another fbi guy

1341

00:50:33,349 --> 00:50:30,480

i really not an fbi guy how do you get

1342

00:50:35,190 --> 00:50:33,359

how do you do how do you do that fbi

1343

00:50:38,470 --> 00:50:35,200

thing oh my god with

1344

00:50:39,990 --> 00:50:38,480

with j edgar hoover um i mean i people i

1345

00:50:41,829 --> 00:50:40,000

i don't want to get taught but but i

1346

00:50:42,950 --> 00:50:41,839

don't anyone who says they're fbi i'm

1347

00:50:45,589 --> 00:50:42,960

like

1348

00:50:48,950 --> 00:50:45,599

j edgar hoover man what what

1349

00:50:51,030 --> 00:50:48,960

how are you processing that but

1350

00:50:54,390 --> 00:50:51,040

so i interview this guy

1351

00:50:55,990 --> 00:50:54,400

he's an undercover fbi agent

1352

00:50:58,069 --> 00:50:56,000

it is difficult to become an undercover

1353

00:50:59,430 --> 00:50:58,079

fbi agent but it also takes a certain

1354

00:51:01,349 --> 00:50:59,440

kind of person

1355

00:51:03,030 --> 00:51:01,359

back andy to what we're talking about in

1356

00:51:04,630 --> 00:51:03,040

terms of you know who is that kind of

1357

00:51:07,190 --> 00:51:04,640

person who can spin that magic because

1358

00:51:09,750 --> 00:51:07,200

that's magic too right you have to cloak

1359

00:51:12,870 --> 00:51:09,760

yourself you have to become that other

1360

00:51:14,549 --> 00:51:12,880

character and it's acting and is that

1361

00:51:16,069 --> 00:51:14,559

magic but this is even at a different

1362

00:51:18,309 --> 00:51:16,079

level because this is life or death this

1363

00:51:21,270 --> 00:51:18,319

guy's working with drug dealers arms

1364

00:51:25,270 --> 00:51:21,280

dealers gang members all this stuff

1365

00:51:27,829 --> 00:51:25,280

his last gig he's infiltrating nambla

1366

00:51:29,990 --> 00:51:27,839

you know which is south park it's funny

1367

00:51:32,390 --> 00:51:30,000

you know

1368

00:51:34,390 --> 00:51:32,400

he's in new york on one of their field

1369

00:51:36,790 --> 00:51:34,400

trips and

1370

00:51:38,630 --> 00:51:36,800

they're in the old toys r us that used

1371

00:51:41,190 --> 00:51:38,640

to be in times square and they're on the

1372

00:51:44,390 --> 00:51:41,200

railing looking down at this 20-foot

1373

00:51:45,990 --> 00:51:44,400

big carousel ferris wheel and they're

1374

00:51:48,390 --> 00:51:46,000

these men

1375

00:51:50,150 --> 00:51:48,400

are looking at these little kids

1376  
00:51:52,150 --> 00:51:50,160  
and they're talking about what they want

1377  
00:51:54,950 --> 00:51:52,160  
to do to these kids and it's not just

1378  
00:51:57,829 --> 00:51:54,960  
sexual they want to inflict pain because

1379  
00:52:01,349 --> 00:51:57,839  
it's a power and it's a control thing

1380  
00:52:03,750 --> 00:52:01,359  
and he said man alex if i wasn't

1381  
00:52:05,750 --> 00:52:03,760  
undercover i would have picked them

1382  
00:52:09,270 --> 00:52:05,760  
[h\_\_\h] up and thrown them over that

1383  
00:52:11,030 --> 00:52:09,280  
rail and watched their head splatter

1384  
00:52:13,430 --> 00:52:11,040  
yeah as a father of a restraint you'd

1385  
00:52:16,390 --> 00:52:13,440  
have to have oh my god

1386  
00:52:19,430 --> 00:52:16,400  
as a father so maybe not even

1387  
00:52:21,670 --> 00:52:19,440  
no i get it i get it as a father of four

1388  
00:52:25,750 --> 00:52:21,680

and and so but here's the point

1389

00:52:27,589 --> 00:52:25,760

is is is that evil yeah allowing that

1390

00:52:29,510 --> 00:52:27,599

for some greater good some abstract

1391

00:52:31,190 --> 00:52:29,520

greater good well i wasn't even going

1392

00:52:33,109 --> 00:52:31,200

there andy i was okay the first part

1393

00:52:34,470 --> 00:52:33,119

because the people who are on the fence

1394

00:52:36,069 --> 00:52:34,480

about evil

1395

00:52:37,589 --> 00:52:36,079

everyone i've talked to they come right

1396

00:52:39,910 --> 00:52:37,599

off the fence they go no that's [h\_\_h]

1397

00:52:43,270 --> 00:52:39,920

evil that's [h\_\_h] evil somebody wants

1398

00:52:45,190 --> 00:52:43,280

to do that to somebody

1399

00:52:47,349 --> 00:52:45,200

no i totally i know stealing of

1400

00:52:49,750 --> 00:52:47,359

innocence yes the removal of innocence

1401

00:52:51,750 --> 00:52:49,760

is the uh i think for some reason we

1402

00:52:53,190 --> 00:52:51,760

could explore that for hours and hours

1403

00:52:55,430 --> 00:52:53,200

as a root

1404

00:52:57,829 --> 00:52:55,440

problem in society and civilization and

1405

00:52:58,950 --> 00:52:57,839

history in a way it it kind of rolls us

1406

00:53:01,750 --> 00:52:58,960

back to the very beginning of this

1407

00:53:04,470 --> 00:53:01,760

conversation it's like everyone has an

1408

00:53:07,750 --> 00:53:04,480

opinion everyone's voice matters it's

1409

00:53:10,390 --> 00:53:07,760

like let me anchor you now because i

1410

00:53:12,470 --> 00:53:10,400

said evil and you said evil is a social

1411

00:53:14,309 --> 00:53:12,480

construct there's really no such thing

1412

00:53:17,349 --> 00:53:14,319

as good and bad now i'm going to anchor

1413

00:53:19,750 --> 00:53:17,359

you with that experience and you're

1414

00:53:21,589 --> 00:53:19,760

going to come off of that [h\_\_\h]

1415

00:53:23,430 --> 00:53:21,599

agnostic

1416

00:53:24,390 --> 00:53:23,440

middle never hold stuff and you're going

1417

00:53:28,390 --> 00:53:24,400

to go

1418

00:53:30,549 --> 00:53:28,400

okay i get it yes yes that is evil

1419

00:53:32,710 --> 00:53:30,559

everyone says that and what they don't

1420

00:53:35,190 --> 00:53:32,720

realize as soon as you have anchored

1421

00:53:36,309 --> 00:53:35,200

that and driven that stake in the ground

1422

00:53:38,710 --> 00:53:36,319

now

1423

00:53:40,390 --> 00:53:38,720

you're playing in a different

1424

00:53:42,470 --> 00:53:40,400

field and it's the one that we've been

1425

00:53:45,030 --> 00:53:42,480

talking about here like so

1426  
00:53:47,030 --> 00:53:45,040  
so what does that really mean now that

1427  
00:53:48,390 --> 00:53:47,040  
there is evil and what if we atta what

1428  
00:53:50,950 --> 00:53:48,400  
if we connect that with what we said

1429  
00:53:54,150 --> 00:53:50,960  
that hey this extended consciousness

1430  
00:53:56,390 --> 00:53:54,160  
realm that seems real too

1431  
00:53:58,150 --> 00:53:56,400  
so is there evil there

1432  
00:54:00,390 --> 00:53:58,160  
and there's evil here

1433  
00:54:02,790 --> 00:54:00,400  
and there's good and now

1434  
00:54:04,230 --> 00:54:02,800  
now i'm ready to talk you know now i'm

1435  
00:54:06,309 --> 00:54:04,240  
ready to talk

1436  
00:54:08,230 --> 00:54:06,319  
hell yeah man yeah this is a lot this is

1437  
00:54:10,309 --> 00:54:08,240  
a lot to unpack um

1438  
00:54:12,549 --> 00:54:10,319

but so i would like to clarify because i

1439

00:54:14,870 --> 00:54:12,559

tend to generalize too much sometimes i

1440

00:54:16,630 --> 00:54:14,880

would like to rewrite what i said about

1441

00:54:18,549 --> 00:54:16,640

everybody has their their puzzle piece

1442

00:54:20,069 --> 00:54:18,559

that matters i would like to say

1443

00:54:22,230 --> 00:54:20,079

that everyone that's

1444

00:54:26,309 --> 00:54:22,240

in this line of questioning and everyone

1445

00:54:27,670 --> 00:54:26,319

that's pursuing wisdom and we we may be

1446

00:54:29,829 --> 00:54:27,680

off here and there maybe i'm talking

1447

00:54:31,829 --> 00:54:29,839

about our community perhaps or even the

1448

00:54:33,910 --> 00:54:31,839

listeners people that are asking these

1449

00:54:35,910 --> 00:54:33,920

questions and going against what society

1450

00:54:38,390 --> 00:54:35,920

would like them to do and they're taking

1451  
00:54:40,309 --> 00:54:38,400  
that route of asking weird questions and

1452  
00:54:41,990 --> 00:54:40,319  
finding you know seeking i would say

1453  
00:54:43,589 --> 00:54:42,000  
that each one of us is doing that

1454  
00:54:45,910 --> 00:54:43,599  
because of something inside that tells

1455  
00:54:47,349 --> 00:54:45,920  
us we have to go against this grain and

1456  
00:54:49,430 --> 00:54:47,359  
i think that's the puzzle piece i'm

1457  
00:54:51,829 --> 00:54:49,440  
talking about so no you know someone in

1458  
00:54:53,270 --> 00:54:51,839  
my life that i you know won't name that

1459  
00:54:54,870 --> 00:54:53,280  
doesn't like any of this stuff yeah

1460  
00:54:56,069 --> 00:54:54,880  
their puzzle piece if they they probably

1461  
00:54:58,150 --> 00:54:56,079  
don't have one or it's been

1462  
00:55:00,470 --> 00:54:58,160  
disintegrated or maybe they traded it

1463  
00:55:02,470 --> 00:55:00,480

for something you know but yeah i would

1464

00:55:04,470 --> 00:55:02,480

like to clarify that and maybe scale it

1465

00:55:05,670 --> 00:55:04,480

down a bit that there's those among us

1466

00:55:10,150 --> 00:55:05,680

that

1467

00:55:12,470 --> 00:55:10,160

search for something i guess and others

1468

00:55:13,750 --> 00:55:12,480

that don't you know i know that that

1469

00:55:15,670 --> 00:55:13,760

doesn't really

1470

00:55:17,670 --> 00:55:15,680

necessarily respond to everything you

1471

00:55:19,190 --> 00:55:17,680

said but you said a lot there um but

1472

00:55:21,670 --> 00:55:19,200

that's just to kick it off a little bit

1473

00:55:24,150 --> 00:55:21,680

you know well i'd also

1474

00:55:25,510 --> 00:55:24,160

tie it back to and we said this before

1475

00:55:27,349 --> 00:55:25,520

i'm not against

1476  
00:55:29,829 --> 00:55:27,359  
everyone has a puzzle piece because on

1477  
00:55:31,589 --> 00:55:29,839  
some level from a spiritual perspective

1478  
00:55:33,990 --> 00:55:31,599  
like we were talking about

1479  
00:55:35,829 --> 00:55:34,000  
that's undeniable i mean everyone has a

1480  
00:55:37,349 --> 00:55:35,839  
puzzle piece for their puzzle you know

1481  
00:55:38,309 --> 00:55:37,359  
sometimes it gets destroyed when they're

1482  
00:55:40,309 --> 00:55:38,319  
children

1483  
00:55:41,190 --> 00:55:40,319  
or well you know with trauma and all

1484  
00:55:43,270 --> 00:55:41,200  
that

1485  
00:55:44,870 --> 00:55:43,280  
or you know it

1486  
00:55:47,190 --> 00:55:44,880  
you know as all these

1487  
00:55:49,430 --> 00:55:47,200  
analogies we could do or it gets hidden

1488  
00:55:51,190 --> 00:55:49,440

and then the their job is to rediscover

1489

00:55:52,950 --> 00:55:51,200

it you know and you can say all this but

1490

00:55:54,710 --> 00:55:52,960

and i don't want to demean that or sound

1491

00:55:55,430 --> 00:55:54,720

like i'm being you know demeaning

1492

00:55:57,589 --> 00:55:55,440

because

1493

00:55:59,349 --> 00:55:57,599

like the the part that we connected with

1494

00:56:01,270 --> 00:55:59,359

at the beginning is that

1495

00:56:03,109 --> 00:56:01,280

the spiritual journey sounds trite but

1496

00:56:05,270 --> 00:56:03,119

it's ultimately

1497

00:56:06,710 --> 00:56:05,280

it's true everything we run across it so

1498

00:56:08,390 --> 00:56:06,720

right i'm on this spiritual journey

1499

00:56:10,470 --> 00:56:08,400

you're on the spiritual journey and the

1500

00:56:12,470 --> 00:56:10,480

person who's clueless you know neil

1501  
00:56:13,510 --> 00:56:12,480  
degrasse tyson is on a spiritual journey

1502  
00:56:16,069 --> 00:56:13,520  
and you know that's one of the things

1503  
00:56:18,069 --> 00:56:16,079  
that that's one of my other kind of pet

1504  
00:56:20,789 --> 00:56:18,079  
peeve little pet projects right now is

1505  
00:56:23,589 --> 00:56:20,799  
rich spiritual lives how does this world

1506  
00:56:26,950 --> 00:56:23,599  
look like if we accept this

1507  
00:56:29,670 --> 00:56:26,960  
kind of obvious fact once you process it

1508  
00:56:30,390 --> 00:56:29,680  
is we're all living rich spiritual lives

1509  
00:56:32,069 --> 00:56:30,400  
right

1510  
00:56:35,109 --> 00:56:32,079  
so that guy

1511  
00:56:37,670 --> 00:56:35,119  
who was looking at that kid

1512  
00:56:40,710 --> 00:56:37,680  
he's living a rich spiritual life that's

1513  
00:56:43,990 --> 00:56:40,720

his voice the voice inside he's got the

1514

00:56:46,630 --> 00:56:44,000

same voices not the same but he has the

1515

00:56:48,870 --> 00:56:46,640

voices and he's wrestling with them and

1516

00:56:52,150 --> 00:56:48,880

human musk is wrestling with them and

1517

00:56:54,789 --> 00:56:52,160

bill gates and they're not just and yeah

1518

00:56:56,950 --> 00:56:54,799

they're human totally but where i think

1519

00:57:00,150 --> 00:56:56,960

we need to go with that is

1520

00:57:02,870 --> 00:57:00,160

they're leading rich spiritual lives

1521

00:57:05,349 --> 00:57:02,880

this that implies this extended

1522

00:57:08,870 --> 00:57:05,359

consciousness realm that like you tapped

1523

00:57:10,390 --> 00:57:08,880

into with your experience like

1524

00:57:11,910 --> 00:57:10,400

you you already said this so i'm just

1525

00:57:13,589 --> 00:57:11,920

going to kind of bring it back to the

1526  
00:57:17,030 --> 00:57:13,599  
surface

1527  
00:57:19,910 --> 00:57:17,040  
is your understanding that that extended

1528  
00:57:20,870 --> 00:57:19,920  
realm that you were in is somehow

1529  
00:57:23,270 --> 00:57:20,880  
gone

1530  
00:57:25,270 --> 00:57:23,280  
shut off from you now that you're back

1531  
00:57:28,549 --> 00:57:25,280  
or is it still connected to you in some

1532  
00:57:30,870 --> 00:57:28,559  
way oh yeah i guess well the way it felt

1533  
00:57:32,390 --> 00:57:30,880  
to me was that it faded like it was like

1534  
00:57:35,109 --> 00:57:32,400  
okay we're gonna we're gonna go back

1535  
00:57:37,829 --> 00:57:35,119  
into the shadows now but it's always

1536  
00:57:39,510 --> 00:57:37,839  
here it's always around you it's

1537  
00:57:41,109 --> 00:57:39,520  
constant it's like terence i'll bring

1538  
00:57:42,470 --> 00:57:41,119

them up again because you know how you

1539

00:57:45,430 --> 00:57:42,480

said you were always listening in the

1540

00:57:47,670 --> 00:57:45,440

car man i spent my entire 20s

1541

00:57:50,150 --> 00:57:47,680

just doing my job and listening to

1542

00:57:51,670 --> 00:57:50,160

endless lectures from people i wanted to

1543

00:57:53,670 --> 00:57:51,680

hear about and terrence was one of them

1544

00:57:55,990 --> 00:57:53,680

that i just happened to have like 15

1545

00:57:58,789 --> 00:57:56,000

hours of lectures and he once said about

1546

00:58:01,510 --> 00:57:58,799

how someone came in the room during the

1547

00:58:04,390 --> 00:58:01,520

middle of a dmt trip and it kind of sent

1548

00:58:06,069 --> 00:58:04,400

his consciousness right back to normal

1549

00:58:08,789 --> 00:58:06,079

everyday reality kind of trying to

1550

00:58:10,549 --> 00:58:08,799

address this friend that walked in but

1551

00:58:13,829 --> 00:58:10,559

the elves were still hanging from the

1552

00:58:15,349 --> 00:58:13,839

curtains and they were going oh shh

1553

00:58:17,589 --> 00:58:15,359

you know it's like it and of course it's

1554

00:58:19,270 --> 00:58:17,599

a reflection of how he felt was on their

1555

00:58:21,510 --> 00:58:19,280

faces and everything

1556

00:58:23,349 --> 00:58:21,520

it's always there it's always a part of

1557

00:58:26,069 --> 00:58:23,359

us and uh yeah that's where my

1558

00:58:27,750 --> 00:58:26,079

questioning has been a lot lately in

1559

00:58:29,670 --> 00:58:27,760

regards to near-death experience and

1560

00:58:31,670 --> 00:58:29,680

stuff like that because again for some

1561

00:58:33,270 --> 00:58:31,680

reason unlike some of my friends that

1562

00:58:36,630 --> 00:58:33,280

would take the same damn bag of

1563

00:58:39,349 --> 00:58:36,640

mushrooms with me i had this

1564

00:58:41,109 --> 00:58:39,359

profound perspective given to me that

1565

00:58:41,910 --> 00:58:41,119

directly relates to a lot of what i hear

1566

00:58:45,270 --> 00:58:41,920

from

1567

00:58:48,230 --> 00:58:45,280

written about near-death experience and

1568

00:58:50,069 --> 00:58:48,240

stuff um so maybe i just need to go back

1569

00:58:52,390 --> 00:58:50,079

into those realms again and refresh

1570

00:58:54,230 --> 00:58:52,400

myself maybe my ego will get slapped

1571

00:58:56,549 --> 00:58:54,240

around like you thought this was just

1572

00:58:59,190 --> 00:58:56,559

inside your head again how long have you

1573

00:59:00,950 --> 00:58:59,200

been away from this place come on

1574

00:59:03,510 --> 00:59:00,960

you know maybe a refresher this is why

1575

00:59:05,589 --> 00:59:03,520

people meditate right keep that state of

1576

00:59:07,990 --> 00:59:05,599

mind more and more present in their

1577

00:59:09,349 --> 00:59:08,000

lives i've heard that before maybe it

1578

00:59:10,950 --> 00:59:09,359

works

1579

00:59:12,390 --> 00:59:10,960

well it's interesting what you're saying

1580

00:59:14,069 --> 00:59:12,400

because you're talking about the

1581

00:59:16,789 --> 00:59:14,079

integration process

1582

00:59:18,150 --> 00:59:16,799

and then you're also talking about

1583

00:59:19,589 --> 00:59:18,160

the fact that whether you integrate or

1584

00:59:21,910 --> 00:59:19,599

not you're integrated you know what i

1585

00:59:23,589 --> 00:59:21,920

mean so i was like yes isn't that such a

1586

00:59:26,150 --> 00:59:23,599

common theme in near-death experience

1587

00:59:27,910 --> 00:59:26,160

where they say all these rules all these

1588

00:59:30,230 --> 00:59:27,920

spiritual oh you have to do this or

1589

00:59:32,390 --> 00:59:30,240

you'll never escape the the

1590

00:59:34,150 --> 00:59:32,400

you just wake up like i've heard that so

1591

00:59:35,270 --> 00:59:34,160

many times from people on my show on

1592

00:59:37,750 --> 00:59:35,280

your show

1593

00:59:40,309 --> 00:59:37,760

it's like man that throws a wrench in

1594

00:59:41,990 --> 00:59:40,319

and it really does uh you know it speaks

1595

00:59:44,390 --> 00:59:42,000

to the question you had before like is

1596

00:59:45,750 --> 00:59:44,400

there a right way to live or not because

1597

00:59:47,990 --> 00:59:45,760

a lot of near-death experience would

1598

00:59:50,549 --> 00:59:48,000

come back and say relax

1599

00:59:52,870 --> 00:59:50,559

uh you know it's okay just

1600

00:59:55,349 --> 00:59:52,880

just experience this which that has

1601  
00:59:57,510 --> 00:59:55,359  
implications into good or evil i would

1602  
01:00:00,150 --> 00:59:57,520  
say um and on the other end it's like no

1603  
01:00:02,549 --> 01:00:00,160  
no no you have to you know ascend to

1604  
01:00:05,430 --> 01:00:02,559  
this level of consciousness before you

1605  
01:00:08,309 --> 01:00:05,440  
die or else you're screwed or it's a

1606  
01:00:11,750 --> 01:00:08,319  
very dualistic again very divided

1607  
01:00:14,470 --> 01:00:11,760  
conquer kind of set up in it i'm in it

1608  
01:00:16,710 --> 01:00:14,480  
you're it we're all kind of in this like

1609  
01:00:18,630 --> 01:00:16,720  
where is our invincible balancing beam

1610  
01:00:20,710 --> 01:00:18,640  
on that issue you know

1611  
01:00:22,069 --> 01:00:20,720  
and oh my god

1612  
01:00:24,710 --> 01:00:22,079  
it's difficult it's difficult to

1613  
01:00:26,549 --> 01:00:24,720

navigate and you know i to bridge into

1614

01:00:28,390 --> 01:00:26,559

something new that you and i kind of

1615

01:00:30,390 --> 01:00:28,400

wanted to talk about tactaria and flat

1616

01:00:33,109 --> 01:00:30,400

earth a little bit and again it's always

1617

01:00:33,990 --> 01:00:33,119

the same conversational in in some way

1618

01:00:36,470 --> 01:00:34,000

uh

1619

01:00:39,030 --> 01:00:36,480

that cognitive dissonance you know that

1620

01:00:41,109 --> 01:00:39,040

divide and conquer line of

1621

01:00:43,510 --> 01:00:41,119

let's get them to you know question one

1622

01:00:45,270 --> 01:00:43,520

or the other you know or you know round

1623

01:00:47,670 --> 01:00:45,280

or flat you know there's a good reason

1624

01:00:48,950 --> 01:00:47,680

to question nasa the funding behind it

1625

01:00:51,190 --> 01:00:48,960

there's good reason to question the

1626

01:00:53,430 --> 01:00:51,200

people that started it and all the

1627

01:00:55,829 --> 01:00:53,440

establishment that surrounds it and

1628

01:00:58,150 --> 01:00:55,839

there's so much good reason to question

1629

01:01:00,230 --> 01:00:58,160

nasa directly uh

1630

01:01:01,030 --> 01:01:00,240

but there's a lot of reason to hold on

1631

01:01:07,510 --> 01:01:01,040

to

1632

01:01:09,670 --> 01:01:07,520

and every religion has written that

1633

01:01:11,349 --> 01:01:09,680

about the pieces of [h\_\_h] in society they

1634

01:01:12,630 --> 01:01:11,359

don't like to create they lob on to

1635

01:01:15,109 --> 01:01:12,640

what's already

1636

01:01:18,069 --> 01:01:15,119

created by the creative uh they wouldn't

1637

01:01:20,150 --> 01:01:18,079

be able to come up with some fake

1638

01:01:22,150 --> 01:01:20,160

universe i don't think i don't think

1639

01:01:24,950 --> 01:01:22,160

they would be able to come up with some

1640

01:01:27,030 --> 01:01:24,960

amazing mathematical alignment with

1641

01:01:28,950 --> 01:01:27,040

earth and the planets and the this and

1642

01:01:31,829 --> 01:01:28,960

that they're not creative enough to come

1643

01:01:33,910 --> 01:01:31,839

up with that i don't think i think if

1644

01:01:36,950 --> 01:01:33,920

anything they have to

1645

01:01:39,510 --> 01:01:36,960

skew or whatever as much as they can

1646

01:01:41,430 --> 01:01:39,520

that already exists and that's kind of

1647

01:01:43,990 --> 01:01:41,440

an extreme opinion but i don't think

1648

01:01:45,510 --> 01:01:44,000

it's extreme it's almost like so in this

1649

01:01:47,990 --> 01:01:45,520

other discussion that we're going to

1650

01:01:49,349 --> 01:01:48,000

kind of switch to

1651  
01:01:51,510 --> 01:01:49,359  
what i'm

1652  
01:01:52,390 --> 01:01:51,520  
kind of advocating for

1653  
01:01:53,510 --> 01:01:52,400  
is

1654  
01:01:54,789 --> 01:01:53,520  
science

1655  
01:01:56,470 --> 01:01:54,799  
okay so

1656  
01:01:57,750 --> 01:01:56,480  
how dare you

1657  
01:02:00,870 --> 01:01:57,760  
well

1658  
01:02:02,549 --> 01:02:00,880  
as you again as you answered you know

1659  
01:02:04,630 --> 01:02:02,559  
with my favorite it was my answer but

1660  
01:02:06,470 --> 01:02:04,640  
you picked my favorite answer is you

1661  
01:02:07,510 --> 01:02:06,480  
know what is science and you said it's a

1662  
01:02:09,670 --> 01:02:07,520  
method

1663  
01:02:12,390 --> 01:02:09,680

it's not a position statement it's a

1664

01:02:14,150 --> 01:02:12,400

stepping stone that's a tool yes so

1665

01:02:18,069 --> 01:02:14,160

we've been kind of conditioned

1666

01:02:20,549 --> 01:02:18,079

especially lately i mean the most kind

1667

01:02:23,349 --> 01:02:20,559

of in your face kind of grotesque

1668

01:02:25,750 --> 01:02:23,359

example of it was with the pandemic

1669

01:02:26,789 --> 01:02:25,760

where they said you know this is science

1670

01:02:29,510 --> 01:02:26,799

this is

1671

01:02:32,470 --> 01:02:29,520

overwhelming this should end any

1672

01:02:35,910 --> 01:02:32,480

scientific debate i actually did a

1673

01:02:38,630 --> 01:02:35,920

a show on the phony mask science and a

1674

01:02:41,670 --> 01:02:38,640

guy from yale university

1675

01:02:43,829 --> 01:02:41,680

who was part of the study actually

1676

01:02:46,069 --> 01:02:43,839

was quoted as saying that

1677

01:02:49,589 --> 01:02:46,079

in the washington post

1678

01:02:52,789 --> 01:02:49,599

this should end any scientific debate

1679

01:02:55,750 --> 01:02:52,799

this is nail in the coffin research

1680

01:02:58,390 --> 01:02:55,760

this is the antithesis of the scientific

1681

01:03:01,190 --> 01:02:58,400

method yes who says this should end

1682

01:03:02,549 --> 01:03:01,200

scientific debate your spider sensei

1683

01:03:03,910 --> 01:03:02,559

should immediately be going off but i

1684

01:03:07,349 --> 01:03:03,920

digress

1685

01:03:08,870 --> 01:03:07,359

so when i kind of started skeptical eons

1686

01:03:10,630 --> 01:03:08,880

ago

1687

01:03:12,309 --> 01:03:10,640

my first

1688

01:03:13,950 --> 01:03:12,319

i was drawn to the the guys who were

1689

01:03:15,589 --> 01:03:13,960

doing science you know like the

1690

01:03:17,190 --> 01:03:15,599

parapsychology people because i was

1691

01:03:18,710 --> 01:03:17,200

interested in this question of

1692

01:03:20,950 --> 01:03:18,720

consciousness

1693

01:03:22,309 --> 01:03:20,960

and the parapsychology people are the

1694

01:03:23,910 --> 01:03:22,319

people are doing like the esp

1695

01:03:25,750 --> 01:03:23,920

experiments you know

1696

01:03:28,870 --> 01:03:25,760

i'm like okay is there anything to that

1697

01:03:32,230 --> 01:03:28,880

you know that would really kind of

1698

01:03:33,190 --> 01:03:32,240

kind of answer this question in a way

1699

01:03:35,029 --> 01:03:33,200

so

1700

01:03:37,670 --> 01:03:35,039

i got into that and

1701

01:03:39,510 --> 01:03:37,680

i had i knew science kind of but i

1702

01:03:42,230 --> 01:03:39,520

didn't you know i had to really sharpen

1703

01:03:44,230 --> 01:03:42,240

my skills i had to understand how you

1704

01:03:46,150 --> 01:03:44,240

put together a good experiment what good

1705

01:03:48,230 --> 01:03:46,160

controls will look like what fake

1706

01:03:51,349 --> 01:03:48,240

science looks like even the stuff that

1707

01:03:54,230 --> 01:03:51,359

we're inundated with all the time

1708

01:03:57,270 --> 01:03:54,240

it's an approach it's a discipline that

1709

01:03:59,750 --> 01:03:57,280

gives us a different perspective the

1710

01:04:01,029 --> 01:03:59,760

pers and it's much more of a also what

1711

01:04:02,870 --> 01:04:01,039

i'm kind of comfortable with from a

1712

01:04:04,549 --> 01:04:02,880

business standpoint from a business

1713

01:04:07,349 --> 01:04:04,559

standpoint you know what

1714

01:04:09,430 --> 01:04:07,359

you make the sale and you cash the check

1715

01:04:12,870 --> 01:04:09,440

or you do not

1716

01:04:17,829 --> 01:04:12,880

there is no in between it's did you

1717

01:04:20,630 --> 01:04:17,839

[h\_\_\h] get paid that is the answer so

1718

01:04:23,829 --> 01:04:20,640

science in some ways is the same

1719

01:04:24,950 --> 01:04:23,839

you know if you got a no result like i

1720

01:04:26,150 --> 01:04:24,960

don't know

1721

01:04:27,910 --> 01:04:26,160

i thought i was just in for that it

1722

01:04:30,230 --> 01:04:27,920

didn't come out like okay great you

1723

01:04:32,710 --> 01:04:30,240

gotta throw that in the scrap heap it's

1724

01:04:35,190 --> 01:04:32,720

try again you know you can try again but

1725

01:04:37,589 --> 01:04:35,200

no that's you know so

1726

01:04:39,589 --> 01:04:37,599

did you control all the variables did

1727

01:04:40,390 --> 01:04:39,599

you get a statistically significant

1728

01:04:42,309 --> 01:04:40,400

result

1729

01:04:43,990 --> 01:04:42,319

so and i'm not saying that always

1730

01:04:47,349 --> 01:04:44,000

directly applies to the stuff we're

1731

01:04:49,029 --> 01:04:47,359

talking about but i think that method

1732

01:04:52,710 --> 01:04:49,039

that we're talking about the scientific

1733

01:04:54,710 --> 01:04:52,720

method has to be applied here so

1734

01:04:57,270 --> 01:04:54,720

nasa all that stuff

1735

01:04:59,670 --> 01:04:57,280

got it understand agree you know why

1736

01:05:02,069 --> 01:04:59,680

haven't we gone back

1737

01:05:04,870 --> 01:05:02,079

you know all that yeah yeah yeah that as

1738

01:05:08,230 --> 01:05:04,880

a scientist that is noise

1739

01:05:10,390 --> 01:05:08,240

that i want to get out of the signal the

1740

01:05:14,470 --> 01:05:10,400

signal is

1741

01:05:17,029 --> 01:05:14,480

sputnik

1742

01:05:19,829 --> 01:05:17,039

1955.

1743

01:05:22,230 --> 01:05:19,839

go listen to eddie bravo

1744

01:05:25,589 --> 01:05:22,240

and his other guys i love eddie bravo's

1745

01:05:27,829 --> 01:05:25,599

fantastic jujitsu genius in so many ways

1746

01:05:29,750 --> 01:05:27,839

right but he's i don't know if he really

1747

01:05:31,990 --> 01:05:29,760

believes this [h\_\_h] or or what but it's

1748

01:05:33,589 --> 01:05:32,000

like satellites are are held up by

1749

01:05:36,710 --> 01:05:33,599

helium

1750

01:05:38,789 --> 01:05:36,720

it's like this is this is like or elon

1751

01:05:39,589 --> 01:05:38,799

musk again i'm not a big elon musketeer

1752

01:05:40,950 --> 01:05:39,599

hey

1753

01:05:42,710 --> 01:05:40,960

how come

1754

01:05:44,789 --> 01:05:42,720

you know what he said flat earth he goes

1755

01:05:46,950 --> 01:05:44,799

how come there isn't any uh flat mars

1756

01:05:48,710 --> 01:05:46,960

society you know

1757

01:05:50,710 --> 01:05:48,720

because we look out we see mars we see

1758

01:05:54,710 --> 01:05:50,720

us around oh well yeah it's a

1759

01:05:57,910 --> 01:05:54,720

it it doesn't it doesn't pass

1760

01:06:00,069 --> 01:05:57,920

any kind of scientific reasonable i

1761

01:06:03,270 --> 01:06:00,079

should look at it for more than 30

1762

01:06:05,910 --> 01:06:03,280

seconds and what our community has done

1763

01:06:07,789 --> 01:06:05,920

is kind of elevated this

1764

01:06:10,470 --> 01:06:07,799

openness to

1765

01:06:13,430 --> 01:06:10,480

non-conforming ideas we've opened that

1766

01:06:16,150 --> 01:06:13,440

lens so far that we've lost the ability

1767

01:06:18,390 --> 01:06:16,160

to discern and i think the the way to

1768

01:06:21,109 --> 01:06:18,400

return to that discernment

1769

01:06:23,990 --> 01:06:21,119

is through the scientific method and

1770

01:06:26,150 --> 01:06:24,000

it's brutal but it's the way to to

1771

01:06:28,150 --> 01:06:26,160

really kind of discern and cut through

1772

01:06:29,829 --> 01:06:28,160

[h\_\_\h] and you've touched on a really good

1773

01:06:31,029 --> 01:06:29,839

point that in recent years we've been

1774

01:06:33,589 --> 01:06:31,039

made to

1775

01:06:36,549 --> 01:06:33,599

or or just or just willingly have

1776

01:06:38,710 --> 01:06:36,559

learned to distrust science and

1777

01:06:40,549 --> 01:06:38,720

i always use throwing the baby out with

1778

01:06:42,950 --> 01:06:40,559

the bathwater i sound like a broken

1779

01:06:45,829 --> 01:06:42,960

record but that's what a lot of people

1780

01:06:47,430 --> 01:06:45,839

do a lot of times with science is like

1781

01:06:48,870 --> 01:06:47,440

it's all failing what else are they

1782

01:06:52,390 --> 01:06:48,880

lying about

1783

01:06:53,990 --> 01:06:52,400

and i do that too i often i get that and

1784

01:06:56,470 --> 01:06:54,000

i do it with history and i do it with

1785

01:06:58,230 --> 01:06:56,480

technology a lot of different subjects

1786

01:07:00,950 --> 01:06:58,240

but again i go back to that thing where

1787

01:07:01,990 --> 01:07:00,960

i don't think they're that creative

1788

01:07:04,390 --> 01:07:02,000

one

1789

01:07:06,710 --> 01:07:04,400

um but also

1790

01:07:09,670 --> 01:07:06,720

for me with the flat earth particularly

1791

01:07:11,670 --> 01:07:09,680

it's like i really hold hold dear to

1792

01:07:13,190 --> 01:07:11,680

that as above so below principle and i

1793

01:07:15,270 --> 01:07:13,200

know that part of my community even

1794

01:07:17,670 --> 01:07:15,280

thinks that sentence is some satanic

1795

01:07:20,150 --> 01:07:17,680

thing and that's a problem too

1796

01:07:21,270 --> 01:07:20,160

but um sticking with this the as above

1797

01:07:22,950 --> 01:07:21,280

so below

1798

01:07:25,510 --> 01:07:22,960

you look at the subconscious realm you

1799

01:07:27,670 --> 01:07:25,520

look at brains compared to galaxies and

1800

01:07:28,549 --> 01:07:27,680

and you look at all that self-similar

1801  
01:07:30,789 --> 01:07:28,559  
behavior

1802  
01:07:32,470 --> 01:07:30,799  
throughout everything and it's beautiful

1803  
01:07:35,029 --> 01:07:32,480  
it makes up this beautiful existence

1804  
01:07:37,109 --> 01:07:35,039  
that we're a part of but

1805  
01:07:38,950 --> 01:07:37,119  
flat earth will throw out not only space

1806  
01:07:40,470 --> 01:07:38,960  
but also the subatomic world oh electron

1807  
01:07:42,390 --> 01:07:40,480  
microscopes that's all fake that's all

1808  
01:07:43,589 --> 01:07:42,400  
just silly stuff that they're throwing

1809  
01:07:45,510 --> 01:07:43,599  
in our faces

1810  
01:07:48,309 --> 01:07:45,520  
and i'm like come on

1811  
01:07:50,950 --> 01:07:48,319  
these these levels of reality that

1812  
01:07:52,309 --> 01:07:50,960  
exists within us as fractal as just

1813  
01:07:54,150 --> 01:07:52,319

i mean that's kind of a weird way to say

1814

01:07:56,789 --> 01:07:54,160

it but

1815

01:07:59,109 --> 01:07:56,799

you can see this self-similar pattern at

1816

01:08:01,670 --> 01:07:59,119

least i did even inside myself with

1817

01:08:03,910 --> 01:08:01,680

behaviors and situations in my life from

1818

01:08:06,309 --> 01:08:03,920

the past repeating themselves in bigger

1819

01:08:08,230 --> 01:08:06,319

and better ways or worse ways depending

1820

01:08:09,750 --> 01:08:08,240

on what i was in control of negative or

1821

01:08:11,910 --> 01:08:09,760

positive doesn't matter with things that

1822

01:08:14,549 --> 01:08:11,920

go outwards through our lives on every

1823

01:08:16,470 --> 01:08:14,559

level this as above so below is such an

1824

01:08:18,309 --> 01:08:16,480

important thing to me at least

1825

01:08:20,070 --> 01:08:18,319

and to others that

1826

01:08:22,070 --> 01:08:20,080

that's where i fall with the flat earth

1827

01:08:23,749 --> 01:08:22,080

because i can get behind stuff that i

1828

01:08:24,950 --> 01:08:23,759

don't understand scientifically and go

1829

01:08:26,470 --> 01:08:24,960

home maybe

1830

01:08:28,390 --> 01:08:26,480

i don't know what a scientist would say

1831

01:08:30,630 --> 01:08:28,400

to that you know i don't know if the

1832

01:08:33,110 --> 01:08:30,640

pilot's just lying because you have a

1833

01:08:34,870 --> 01:08:33,120

camera in his face oh yeah flat totally

1834

01:08:37,110 --> 01:08:34,880

yeah we all know it up here maybe he's

1835

01:08:39,189 --> 01:08:37,120

trolling you i don't i don't know i'm

1836

01:08:41,910 --> 01:08:39,199

not going there but i can go with what i

1837

01:08:44,309 --> 01:08:41,920

feel inside and it's that

1838

01:08:46,070 --> 01:08:44,319

that flowing self-similarity that

1839

01:08:48,229 --> 01:08:46,080

happens in reality

1840

01:08:49,110 --> 01:08:48,239

but i don't know i what would you say to

1841

01:08:51,110 --> 01:08:49,120

that

1842

01:08:53,110 --> 01:08:51,120

i'd say a bunch of different

1843

01:08:54,950 --> 01:08:53,120

units no

1844

01:08:57,510 --> 01:08:54,960

i'm all over the place alex

1845

01:08:59,510 --> 01:08:57,520

no no no because no it's good stuff so

1846

01:09:01,430 --> 01:08:59,520

i'm making notes here because i want to

1847

01:09:03,510 --> 01:09:01,440

kind of respond i think

1848

01:09:04,950 --> 01:09:03,520

like one of the things that's kind of

1849

01:09:07,829 --> 01:09:04,960

difficult for all of us in this

1850

01:09:08,870 --> 01:09:07,839

community is we understand the value of

1851  
01:09:10,870 --> 01:09:08,880  
this

1852  
01:09:12,470 --> 01:09:10,880  
conspiratorial

1853  
01:09:15,430 --> 01:09:12,480  
paranoid

1854  
01:09:18,550 --> 01:09:15,440  
paradigm that we're in and we're like

1855  
01:09:22,070 --> 01:09:18,560  
[h\_\_\h] a right that is right because

1856  
01:09:25,030 --> 01:09:22,080  
they are lying to us and it's provable

1857  
01:09:28,309 --> 01:09:25,040  
over and over and over again and that is

1858  
01:09:29,349 --> 01:09:28,319  
important to hold on to and i think that

1859  
01:09:31,269 --> 01:09:29,359  
you know

1860  
01:09:32,789 --> 01:09:31,279  
that that's part of the rub here right

1861  
01:09:34,870 --> 01:09:32,799  
is because now

1862  
01:09:37,110 --> 01:09:34,880  
you're really it's back to this two two

1863  
01:09:38,550 --> 01:09:37,120

worlds like a foot in both worlds you

1864

01:09:40,470 --> 01:09:38,560

know and

1865

01:09:42,149 --> 01:09:40,480

like now we have two different another

1866

01:09:44,149 --> 01:09:42,159

two worlds you know one world is the

1867

01:09:48,900 --> 01:09:44,159

conspiracy world it's like

1868

01:09:54,790 --> 01:09:52,309

[Laughter]

1869

01:09:57,990 --> 01:09:54,800

think conspiracy think something

1870

01:09:59,750 --> 01:09:58,000

someone's getting [h\_\_h] him exactly i

1871

01:10:02,790 --> 01:09:59,760

don't want to say that yeah look at that

1872

01:10:05,590 --> 01:10:02,800

built into society come on exactly it's

1873

01:10:07,910 --> 01:10:05,600

built in so i think that conspiratorial

1874

01:10:10,630 --> 01:10:07,920

perspective is kind of essential the

1875

01:10:13,750 --> 01:10:10,640

foot the other foot though is i need

1876

01:10:15,750 --> 01:10:13,760

discernment and i need rapid discernment

1877

01:10:18,470 --> 01:10:15,760

flat earth doesn't just doesn't deserve

1878

01:10:20,870 --> 01:10:18,480

more than 30 seconds of my time and when

1879

01:10:22,229 --> 01:10:20,880

it when it takes more than 30 seconds of

1880

01:10:24,229 --> 01:10:22,239

my time to

1881

01:10:25,910 --> 01:10:24,239

kind of understand that then the

1882

01:10:29,590 --> 01:10:25,920

question becomes back to the

1883

01:10:32,950 --> 01:10:29,600

conspiratorial part why is that

1884

01:10:36,390 --> 01:10:32,960

being perpetuated what what might i look

1885

01:10:38,630 --> 01:10:36,400

at in terms of why that exists why i've

1886

01:10:41,189 --> 01:10:38,640

been doing this show for 15 years i've

1887

01:10:44,550 --> 01:10:41,199

never had more people contact me like oh

1888

01:10:47,750 --> 01:10:44,560

you should do a debate on uh flat earth

1889

01:10:50,790 --> 01:10:47,760

something out there in the ethers is

1890

01:10:53,990 --> 01:10:50,800

trying to get this bubbled up to the top

1891

01:10:55,910 --> 01:10:54,000

because it it just throws [h\_\_h] on our

1892

01:10:57,350 --> 01:10:55,920

whole community that there's the people

1893

01:10:59,510 --> 01:10:57,360

out there that actually believe in flat

1894

01:11:01,750 --> 01:10:59,520

earth when you talk to any normies and

1895

01:11:05,350 --> 01:11:01,760

most people in our lives are normies if

1896

01:11:09,110 --> 01:11:05,360

you mention flat earth you are it is

1897

01:11:11,669 --> 01:11:09,120

done it is a done kind of thing so um

1898

01:11:13,669 --> 01:11:11,679

and it should be because it's it's not

1899

01:11:16,550 --> 01:11:13,679

it doesn't deserve

1900

01:11:18,709 --> 01:11:16,560

serious scientific thought and then

1901

01:11:21,110 --> 01:11:18,719

number two i guess is

1902

01:11:22,229 --> 01:11:21,120

i think it's important this is my kind

1903

01:11:24,870 --> 01:11:22,239

of personal

1904

01:11:28,229 --> 01:11:24,880

hobbyhorse but to plant the flag

1905

01:11:30,790 --> 01:11:28,239

to plant the flag and not keep all doors

1906

01:11:33,189 --> 01:11:30,800

open well you know i don't know it could

1907

01:11:36,709 --> 01:11:33,199

be you know maybe there's a chance i

1908

01:11:39,990 --> 01:11:36,719

don't know no plant the flag and say no

1909

01:11:41,990 --> 01:11:40,000

it's ridiculous [h\_\_h] but i get it i

1910

01:11:44,470 --> 01:11:42,000

get it in the realm of the

1911

01:11:46,149 --> 01:11:44,480

conspiratorial realm but yeah that one

1912

01:11:47,590 --> 01:11:46,159

doesn't pass

1913

01:11:49,830 --> 01:11:47,600

that test

1914

01:11:51,830 --> 01:11:49,840

and then the last one i want to throw in

1915

01:11:53,189 --> 01:11:51,840

which is kind of unrelated to that but i

1916

01:11:56,870 --> 01:11:53,199

want to get it out there and maybe it'll

1917

01:11:58,709 --> 01:11:56,880

spark a more discussion i also like the

1918

01:11:59,750 --> 01:11:58,719

as below so above

1919

01:12:02,390 --> 01:11:59,760

because

1920

01:12:04,229 --> 01:12:02,400

which is implied in what you're saying

1921

01:12:05,270 --> 01:12:04,239

as above so below

1922

01:12:09,510 --> 01:12:05,280

but

1923

01:12:11,669 --> 01:12:09,520

where as below so above gets us is

1924

01:12:13,750 --> 01:12:11,679

as we're talking about like you don't

1925

01:12:16,070 --> 01:12:13,760

want you don't think there's evil

1926

01:12:18,550 --> 01:12:16,080

[h\_\_\h] just look down here you don't have

1927

01:12:21,910 --> 01:12:18,560

to you don't have to contemplate demons

1928

01:12:24,470 --> 01:12:21,920

and all the rest just look here yes oh

1929

01:12:26,229 --> 01:12:24,480

might that also be reflected of course

1930

01:12:28,310 --> 01:12:26,239

because the two are

1931

01:12:29,910 --> 01:12:28,320

synonymous but anyways so

1932

01:12:32,149 --> 01:12:29,920

that's a really good point

1933

01:12:34,310 --> 01:12:32,159

on the table back to you well you know

1934

01:12:36,390 --> 01:12:34,320

okay so this brings me to a very weird

1935

01:12:38,310 --> 01:12:36,400

kind of point it may be hard to even get

1936

01:12:39,990 --> 01:12:38,320

out but you know there's a lot of

1937

01:12:42,070 --> 01:12:40,000

gatekeeping in the spiritual community

1938

01:12:44,950 --> 01:12:42,080

of course too you know i would point to

1939

01:12:46,390 --> 01:12:44,960

you know a pro a place like gaia tv is

1940

01:12:48,950 --> 01:12:46,400

is really interesting for a lot of

1941

01:12:50,550 --> 01:12:48,960

information and then there's a lot of

1942

01:12:52,630 --> 01:12:50,560

they really want us to feel like we're

1943

01:12:54,950 --> 01:12:52,640

all superheroes and we're going to be

1944

01:12:57,590 --> 01:12:54,960

transcending into different forms of

1945

01:12:59,910 --> 01:12:57,600

of physicality and

1946

01:13:02,149 --> 01:12:59,920

it's a it's a really it's convoluted in

1947

01:13:05,189 --> 01:13:02,159

my opinion there's a lot of convolution

1948

01:13:07,270 --> 01:13:05,199

spirit guides versus archetypes versus

1949

01:13:09,830 --> 01:13:07,280

feelings for what what is it is it does

1950

01:13:11,750 --> 01:13:09,840

it matter to discern or is it just a

1951

01:13:13,990 --> 01:13:11,760

perspective thing you know it's very

1952

01:13:15,030 --> 01:13:14,000

convoluted in there and it's it's hard

1953

01:13:17,270 --> 01:13:15,040

to kind of

1954

01:13:19,270 --> 01:13:17,280

dissect on again how do we bring it back

1955

01:13:21,030 --> 01:13:19,280

down to baseline how do we

1956

01:13:23,350 --> 01:13:21,040

what should be thrown off the table what

1957

01:13:26,229 --> 01:13:23,360

should be kept on you know can we call

1958

01:13:28,790 --> 01:13:26,239

it satanist can we call it luciferians

1959

01:13:32,070 --> 01:13:28,800

because of course in physical reality

1960

01:13:33,910 --> 01:13:32,080

they have those silly groups but then do

1961

01:13:37,030 --> 01:13:33,920

we take it to that next level where it's

1962

01:13:39,830 --> 01:13:37,040

demons and it's angels or is it just

1963

01:13:41,910 --> 01:13:39,840

that's a perspective of something that's

1964

01:13:42,950 --> 01:13:41,920

just naturally occurring

1965

01:13:45,510 --> 01:13:42,960

in this

1966

01:13:48,149 --> 01:13:45,520

experience of duality i mean whether we

1967

01:13:51,750 --> 01:13:48,159

can point to you know humans making the

1968

01:13:54,790 --> 01:13:51,760

decision to have divide and conquer put

1969

01:13:56,630 --> 01:13:54,800

into the society to [h\_\_\h] people up or if

1970

01:13:59,430 --> 01:13:56,640

it's literally the forces of the

1971

01:14:01,750 --> 01:13:59,440

universe like you know yin and yang

1972

01:14:04,790 --> 01:14:01,760

describe it perfectly and the opposite

1973

01:14:06,709 --> 01:14:04,800

is seated in each side you know it's

1974

01:14:08,310 --> 01:14:06,719

i want i said this on a couple podcasts

1975

01:14:09,990 --> 01:14:08,320

now and i again i'd like to sound like a

1976

01:14:12,630 --> 01:14:10,000

broken record sometimes i guess but it's

1977

01:14:14,070 --> 01:14:12,640

important to say that like it feels like

1978

01:14:16,790 --> 01:14:14,080

anyone that gets really behind the

1979

01:14:18,950 --> 01:14:16,800

curtain and gets to see what the evil

1980

01:14:20,630 --> 01:14:18,960

that's going on it's almost like

1981

01:14:26,229 --> 01:14:20,640

oh

1982

01:14:28,950 --> 01:14:26,239

falls apart or something like that this

1983

01:14:31,270 --> 01:14:28,960

push and pull of these opposing forces

1984

01:14:33,510 --> 01:14:31,280

this back to alchemy perhaps that these

1985

01:14:35,830 --> 01:14:33,520

two opposing forces kind of create this

1986

01:14:37,270 --> 01:14:35,840

middle ground of even being able to hear

1987

01:14:38,950 --> 01:14:37,280

to talk to each other

1988

01:14:41,350 --> 01:14:38,960

i don't know that's kind of wild it's a

1989

01:14:42,709 --> 01:14:41,360

little psychedelic but maybe i just like

1990

01:14:44,470 --> 01:14:42,719

to throw things at you and see what you

1991

01:14:46,630 --> 01:14:44,480

can do with it

1992

01:14:49,350 --> 01:14:46,640

i like that i'm still stuck in the in

1993

01:14:52,310 --> 01:14:49,360

the multiple worlds thing

1994

01:14:54,950 --> 01:14:52,320

let's clarify it no no no no i i'm not

1995

01:14:57,350 --> 01:14:54,960

opposing what you're saying i'm just

1996

01:15:01,110 --> 01:14:57,360

saying in parallel to that i think the

1997

01:15:03,350 --> 01:15:01,120

thing that trips us up andy is

1998

01:15:04,149 --> 01:15:03,360

we're always forced

1999

01:15:07,030 --> 01:15:04,159

to

2000

01:15:09,030 --> 01:15:07,040

like you say wake up and oh [h\_\_h] hit the

2001

01:15:11,110 --> 01:15:09,040

alarm clock i got to get my ass to work

2002

01:15:13,110 --> 01:15:11,120

you know right this is the best route

2003

01:15:15,189 --> 01:15:13,120

this is the best way to go and traffic

2004

01:15:15,990 --> 01:15:15,199

is bad and the bridge is closed all that

2005

01:15:19,270 --> 01:15:16,000

[h\_\_\h]

2006

01:15:21,030 --> 01:15:19,280

that's a different world you know and so

2007

01:15:23,030 --> 01:15:21,040

we're always in these two different

2008

01:15:25,270 --> 01:15:23,040

worlds and we have a different set of

2009

01:15:26,950 --> 01:15:25,280

tools that work in one world and in

2010

01:15:29,350 --> 01:15:26,960

another world and what we're bringing to

2011

01:15:30,870 --> 01:15:29,360

the table is saying

2012

01:15:33,270 --> 01:15:30,880

in that world

2013

01:15:34,709 --> 01:15:33,280

of hit the alarm clock avoid the bridge

2014

01:15:35,990 --> 01:15:34,719

traffic

2015

01:15:37,750 --> 01:15:36,000

you also got to worry about these

2016

01:15:41,110 --> 01:15:37,760

[h\_\_h] guys who are trying to jab you

2017

01:15:43,830 --> 01:15:41,120

in the arm in order to you know that you

2018

01:15:48,149 --> 01:15:43,840

never thought that was part of the alarm

2019

01:15:49,830 --> 01:15:48,159

clock world and that doesn't necessarily

2020

01:15:51,990 --> 01:15:49,840

mean the same thing in the spiritual

2021

01:15:53,510 --> 01:15:52,000

world like i don't want to start i don't

2022

01:15:54,870 --> 01:15:53,520

want to start making that connection

2023

01:15:56,709 --> 01:15:54,880

right off the bat and say right well

2024

01:16:00,149 --> 01:15:56,719

they're trying to jab you in the arm

2025

01:16:03,030 --> 01:16:00,159

because spiritually there's a like

2026

01:16:04,790 --> 01:16:03,040

i'm open maybe but the first part i want

2027

01:16:07,750 --> 01:16:04,800

to process is

2028

01:16:09,110 --> 01:16:07,760

yes the bridge really is out just

2029

01:16:10,870 --> 01:16:09,120

because they haven't done the

2030

01:16:12,310 --> 01:16:10,880

maintenance on it that isn't a

2031

01:16:14,310 --> 01:16:12,320

conspiracy

2032

01:16:16,149 --> 01:16:14,320

but the jab in the arm that they're

2033

01:16:19,350 --> 01:16:16,159

trying to do to my kids at school

2034

01:16:20,470 --> 01:16:19,360

without my consent yes that is a

2035

01:16:23,030 --> 01:16:20,480

conspiracy

2036

01:16:24,950 --> 01:16:23,040

so i can navigate the whole thing and

2037

01:16:27,669 --> 01:16:24,960

then we can have a discussion about my

2038

01:16:29,510 --> 01:16:27,679

trip right

2039

01:16:32,390 --> 01:16:29,520

yeah okay i like that and now you know

2040

01:16:35,750 --> 01:16:32,400

i'm guilty of of uh you know

2041

01:16:37,030 --> 01:16:35,760

desiring that integration and i think

2042

01:16:38,149 --> 01:16:37,040

you know now that you put it this way

2043

01:16:39,590 --> 01:16:38,159

it's a really

2044

01:16:41,030 --> 01:16:39,600

it's a good thing to play with because

2045

01:16:43,510 --> 01:16:41,040

it's like you can get lost in

2046

01:16:45,189 --> 01:16:43,520

integration as well perhaps where and

2047

01:16:47,750 --> 01:16:45,199

maybe that's something that you know

2048

01:16:50,790 --> 01:16:47,760

they would look forward to just

2049

01:16:53,110 --> 01:16:50,800

confusion by a simple suggestion right

2050

01:16:55,510 --> 01:16:53,120

and i've pondered why psychedelics were

2051

01:16:57,990 --> 01:16:55,520

used for so long because uh yeah

2052

01:16:59,910 --> 01:16:58,000

suggestion i can see that but

2053

01:17:02,630 --> 01:16:59,920

man if if a certain percentage we're

2054

01:17:04,470 --> 01:17:02,640

having my psychedelic experience

2055

01:17:06,470 --> 01:17:04,480

none of that brainwashing [h\_\_h] was

2056

01:17:07,990 --> 01:17:06,480

even real and we would i would have been

2057

01:17:09,270 --> 01:17:08,000

laughing at them well maybe they just

2058

01:17:11,590 --> 01:17:09,280

get shot in the head of three times

2059

01:17:13,590 --> 01:17:11,600

after that you know but you know i had a

2060

01:17:15,430 --> 01:17:13,600

hard time understanding i gotta jump in

2061

01:17:17,510 --> 01:17:15,440

there because cause like that to me is

2062

01:17:19,030 --> 01:17:17,520

like a super super interesting point on

2063

01:17:21,350 --> 01:17:19,040

a bunch of different levels okay so you

2064

01:17:23,350 --> 01:17:21,360

go back and you look at the psychedelic

2065

01:17:25,189 --> 01:17:23,360

experiments and you look at the mk ultra

2066

01:17:27,030 --> 01:17:25,199

thing and one of the things that pops

2067

01:17:28,390 --> 01:17:27,040

out to me again i don't know this for

2068

01:17:30,630 --> 01:17:28,400

sure but if i'm going to put on that

2069

01:17:31,750 --> 01:17:30,640

rational in this world avoid the bridge

2070

01:17:33,750 --> 01:17:31,760

hat

2071

01:17:35,910 --> 01:17:33,760

i go back to your point andy is like

2072

01:17:38,149 --> 01:17:35,920

they're not that [h\_\_h] smart so like

2073

01:17:40,070 --> 01:17:38,159

they really thought they didn't know

2074

01:17:42,470 --> 01:17:40,080

they're like oh man you know

2075

01:17:44,870 --> 01:17:42,480

we'll be able to mind control people

2076

01:17:47,430 --> 01:17:44,880

will be able to suggest things

2077

01:17:50,310 --> 01:17:47,440

they didn't they really believe just

2078

01:17:51,669 --> 01:17:50,320

like you know uh people with diff

2079

01:17:55,350 --> 01:17:51,679

brought up in certain kind of crazy

2080

01:17:57,910 --> 01:17:55,360

religions like scientology or mormonism

2081

01:17:59,910 --> 01:17:57,920

or catholicism then they have these

2082

01:18:02,709 --> 01:17:59,920

beliefs saying throw a grenade out there

2083

01:18:05,430 --> 01:18:02,719

see if anyone see if it goes off

2084

01:18:06,470 --> 01:18:05,440

yeah so maybe um yeah maybe just simply

2085

01:18:08,149 --> 01:18:06,480

to

2086

01:18:08,950 --> 01:18:08,159

because i would say i guess i answer my

2087

01:18:11,430 --> 01:18:08,960

own

2088

01:18:14,470 --> 01:18:11,440

question about why use psychedelics you

2089

01:18:17,350 --> 01:18:14,480

know uh is that you know at a young age

2090

01:18:19,350 --> 01:18:17,360

or an untrained mind is gonna

2091

01:18:20,630 --> 01:18:19,360

you know be in a world of chaos after

2092

01:18:22,550 --> 01:18:20,640

something like that if you don't have

2093

01:18:24,950 --> 01:18:22,560

some sort of person to kind of be like

2094

01:18:27,430 --> 01:18:24,960

well to help guide you back in in some

2095

01:18:29,750 --> 01:18:27,440

cases not a guru necessarily but you

2096

01:18:31,510 --> 01:18:29,760

know it took me a long time to

2097

01:18:32,709 --> 01:18:31,520

reintegrate into reality because i

2098

01:18:34,070 --> 01:18:32,719

didn't know

2099

01:18:35,350 --> 01:18:34,080

you know my whole world had been thrown

2100

01:18:36,870 --> 01:18:35,360

upside down when i started doing

2101

01:18:38,870 --> 01:18:36,880

psychedelics you know i spent a lot of

2102

01:18:39,990 --> 01:18:38,880

time reading dead people in bookstores

2103

01:18:42,229 --> 01:18:40,000

because i didn't have a lot of people

2104

01:18:43,669 --> 01:18:42,239

around me to bounce ideas off of but

2105

01:18:46,149 --> 01:18:43,679

yeah i guess you know it could just be

2106

01:18:48,310 --> 01:18:46,159

used in that way to cause the confusion

2107

01:18:49,510 --> 01:18:48,320

they love to create perhaps

2108

01:18:51,510 --> 01:18:49,520

you know well

2109

01:18:52,790 --> 01:18:51,520

and i think we're saying the same thing

2110

01:18:56,070 --> 01:18:52,800

but it's like

2111

01:18:58,229 --> 01:18:56,080

it could be used that way because they

2112

01:19:03,270 --> 01:18:58,239

really were dumb

2113

01:19:04,870 --> 01:19:03,280

there was probably a community in there

2114

01:19:06,550 --> 01:19:04,880

that because as soon as people start

2115

01:19:09,270 --> 01:19:06,560

using this and this is back to terence

2116

01:19:11,669 --> 01:19:09,280

mckenna you know it's like hey man

2117

01:19:13,750 --> 01:19:11,679

when these mushrooms grow out of the cow

2118

01:19:16,070 --> 01:19:13,760

pasture

2119

01:19:18,149 --> 01:19:16,080

there's no there's no controlling what's

2120

01:19:19,750 --> 01:19:18,159

gonna happen you know right so like you

2121

01:19:20,709 --> 01:19:19,760

said you know some people have the bag

2122

01:19:22,709 --> 01:19:20,719

of mushrooms and they have one

2123

01:19:23,910 --> 01:19:22,719

experience the other but you got a bunch

2124

01:19:25,189 --> 01:19:23,920

of mushrooms growing out there in the

2125

01:19:26,229 --> 01:19:25,199

field and people eating them but there's

2126

01:19:28,149 --> 01:19:26,239

going to be some people are going to

2127

01:19:29,669 --> 01:19:28,159

wake up and the same thing i think is

2128

01:19:32,070 --> 01:19:29,679

true with sydney gottlieb just so just

2129

01:19:33,030 --> 01:19:32,080

because he doesn't get it doesn't mean

2130

01:19:35,510 --> 01:19:33,040

that

2131

01:19:37,910 --> 01:19:35,520

some of those people didn't get it right

2132

01:19:39,189 --> 01:19:37,920

okay i like that you know where it's

2133

01:19:42,470 --> 01:19:39,199

again it's

2134

01:19:45,030 --> 01:19:42,480

it's that mixture of intent and mistake

2135

01:19:47,830 --> 01:19:45,040

or unknowing yeah like ken keezy once

2136

01:19:48,709 --> 01:19:47,840

said that lsd to describe lsd it's

2137

01:19:50,550 --> 01:19:48,719

it's

2138

01:19:52,630 --> 01:19:50,560

we opened up a door

2139

01:19:54,149 --> 01:19:52,640

or the government opened up a door

2140

01:19:55,270 --> 01:19:54,159

they saw something in it they didn't

2141

01:19:57,990 --> 01:19:55,280

understand

2142

01:19:59,910 --> 01:19:58,000

they put people in that room to see what

2143

01:20:01,910 --> 01:19:59,920

it was those people came out and

2144

01:20:03,189 --> 01:20:01,920

wouldn't listen to anything they the

2145

01:20:05,270 --> 01:20:03,199

people putting them in the room set

2146

01:20:07,270 --> 01:20:05,280

anymore and they said okay let's close

2147

01:20:09,110 --> 01:20:07,280

that door and close it up forever

2148

01:20:11,030 --> 01:20:09,120

so in a way that kind of speaks to that

2149

01:20:12,470 --> 01:20:11,040

ignorance that fear ignorance that okay

2150

01:20:14,950 --> 01:20:12,480

let's shut the friggin door i don't know

2151

01:20:16,790 --> 01:20:14,960

what we just did to society but but then

2152

01:20:19,030 --> 01:20:16,800

of course you can go into how the 60s

2153

01:20:21,590 --> 01:20:19,040

and the psychedelic revolution was a way

2154

01:20:23,830 --> 01:20:21,600

to discredit a real movement you know so

2155

01:20:26,709 --> 01:20:23,840

that's a whole nother you know that's an

2156

01:20:29,510 --> 01:20:26,719

intentional side of it perhaps you know

2157

01:20:31,830 --> 01:20:29,520

plus you can go into

2158

01:20:35,510 --> 01:20:31,840

the pharmacological

2159

01:20:38,390 --> 01:20:35,520

archaeological work in pompeii you know

2160

01:20:39,430 --> 01:20:38,400

the city that was covered by right you i

2161

01:20:41,669 --> 01:20:39,440

think you know where i'm going oh yeah

2162

01:20:45,510 --> 01:20:41,679

yes and they look in the medicine chest

2163

01:20:48,470 --> 01:20:45,520

and oh there's cocaine there's uh uh

2164

01:20:50,629 --> 01:20:48,480

cannabis and there is i forget you

2165

01:20:51,990 --> 01:20:50,639

probably know uh you know the name of

2166

01:21:03,830 --> 01:20:52,000

the

2167

01:21:06,950 --> 01:21:03,840

preserved right so it's like again

2168

01:21:08,149 --> 01:21:06,960

that's classic us to think we opened the

2169

01:21:10,149 --> 01:21:08,159

door

2170

01:21:12,390 --> 01:21:10,159

this swish

2171

01:21:14,709 --> 01:21:12,400

we didn't open no door

2172

01:21:16,550 --> 01:21:14,719

somebody was brushing their hands in the

2173

01:21:19,030 --> 01:21:16,560

wheat field and brought it up to their

2174

01:21:20,790 --> 01:21:19,040

face and something happened

2175

01:21:22,310 --> 01:21:20,800

thousands of years ago which is what

2176

01:21:25,830 --> 01:21:22,320

terence mckenna

2177

01:21:29,030 --> 01:21:25,840

has said it is undoubtedly true and

2178

01:21:30,709 --> 01:21:29,040

so anyways i'll throw that on the table

2179

01:21:32,790 --> 01:21:30,719

man we could go in a lot of places from

2180

01:21:35,270 --> 01:21:32,800

here we've been going for a while and

2181

01:21:36,790 --> 01:21:35,280

i man i would just love to have you back

2182

01:21:38,950 --> 01:21:36,800

sometime to have more of these this is

2183

01:21:40,310 --> 01:21:38,960

great i i don't know where we would

2184

01:21:44,310 --> 01:21:40,320

where would you like to go from here

2185

01:21:45,830 --> 01:21:44,320

because we've covered so much ground

2186

01:21:48,390 --> 01:21:45,840

you know what i'd like to do i'd like to

2187

01:21:50,070 --> 01:21:48,400

put this out on my channel too

2188

01:21:51,669 --> 01:21:50,080

this is uh

2189

01:21:54,470 --> 01:21:51,679

great because this is such an

2190

01:21:56,790 --> 01:21:54,480

interesting discussion and then i think

2191

01:21:57,990 --> 01:21:56,800

you and i ought to huddle and talk about

2192

01:22:00,310 --> 01:21:58,000

doing

2193

01:22:02,310 --> 01:22:00,320

maybe even like a mini series on this

2194

01:22:04,790 --> 01:22:02,320

because i think it's so

2195

01:22:06,470 --> 01:22:04,800

critical to this because there's a lot

2196

01:22:07,910 --> 01:22:06,480

of different ways to slice it i think

2197

01:22:10,070 --> 01:22:07,920

that would

2198

01:22:11,830 --> 01:22:10,080

that does lead down you know the river

2199

01:22:13,990 --> 01:22:11,840

you know they they kind of merge at some

2200

01:22:15,990 --> 01:22:14,000

point and we didn't quite get them to

2201

01:22:17,590 --> 01:22:16,000

merge all the way

2202

01:22:18,790 --> 01:22:17,600

yet

2203

01:22:20,470 --> 01:22:18,800

but i think it's potent there's a

2204

01:22:21,830 --> 01:22:20,480

potential there to do so i would be

2205

01:22:25,189 --> 01:22:21,840

totally open to that i'm sure the

2206

01:22:27,669 --> 01:22:25,199

audience would love that as well so yeah

2207

01:22:29,430 --> 01:22:27,679

so for now we'll wrap up you know any

2208

01:22:30,709 --> 01:22:29,440

last words before we

2209

01:22:32,149 --> 01:22:30,719

you know have you plug your show and

2210

01:22:34,629 --> 01:22:32,159

everything

2211

01:22:37,430 --> 01:22:34,639

last word really is

2212

01:22:40,070 --> 01:22:37,440

i'm just really excited about this

2213

01:22:42,390 --> 01:22:40,080

because the grenades went off and

2214

01:22:43,830 --> 01:22:42,400

it was just like i was hoping for at the

2215

01:22:46,629 --> 01:22:43,840

beginning like

2216

01:22:48,390 --> 01:22:46,639

no one ran you know no jumped out of the

2217

01:22:50,310 --> 01:22:48,400

foxhole you didn't jump out of the fox

2218

01:22:52,950 --> 01:22:50,320

all right it's like no that's what you

2219

01:22:54,790 --> 01:22:52,960

think you know you think that uh okay

2220

01:22:57,669 --> 01:22:54,800

great let's let's dive into it and hash

2221

01:22:59,750 --> 01:22:57,679

it out yes at its core

2222

01:23:02,950 --> 01:22:59,760

i really really like where you're coming

2223

01:23:04,870 --> 01:23:02,960

from so i i want to go on that

2224

01:23:06,790 --> 01:23:04,880

i want to go on that journey with you

2225

01:23:08,229 --> 01:23:06,800

because we all know especially in our

2226

01:23:10,310 --> 01:23:08,239

community that's what keeps bringing us

2227

01:23:12,070 --> 01:23:10,320

back to this community is these are the

2228

01:23:13,590 --> 01:23:12,080

people we do want to go on the journey

2229

01:23:15,990 --> 01:23:13,600

with because there's a lot of other

2230

01:23:17,750 --> 01:23:16,000

people in our life are like oh man just

2231

01:23:19,189 --> 01:23:17,760

put on the freaking ball game because i

2232

01:23:20,790 --> 01:23:19,199

don't even wanna

2233

01:23:22,550 --> 01:23:20,800

yeah if you can't if you know it's like

2234

01:23:24,790 --> 01:23:22,560

building a house if you can't get the

2235

01:23:26,709 --> 01:23:24,800

foundation with a relationship going

2236

01:23:28,310 --> 01:23:26,719

then all the other layers are just gonna

2237

01:23:30,149 --> 01:23:28,320

fall apart so

2238

01:23:32,229 --> 01:23:30,159

yeah it's it's um we're finding a lot of

2239

01:23:34,149 --> 01:23:32,239

uh common ground in this community i i

2240

01:23:35,910 --> 01:23:34,159

love being a part of it and you know

2241

01:23:38,149 --> 01:23:35,920

when i took psychedelics

2242

01:23:40,470 --> 01:23:38,159

and had those crazy feelings i didn't

2243

01:23:42,550 --> 01:23:40,480

have a community like this so it's it's

2244

01:23:44,229 --> 01:23:42,560

great that it's expanding i'm so glad

2245

01:23:46,229 --> 01:23:44,239

that i got to have you on and we got to

2246

01:23:48,629 --> 01:23:46,239

know each other and and then yeah

2247

01:23:50,390 --> 01:23:48,639

further work ahead i appreciate it and i

2248

01:23:53,270 --> 01:23:50,400

would love to do that so without further

2249

01:23:55,030 --> 01:23:53,280

ado alex for anyone that doesn't know

2250

01:23:56,950 --> 01:23:55,040

at this point in the game please let

2251

01:23:59,590 --> 01:23:56,960

them know where they can find you

2252

01:24:03,830 --> 01:23:59,600

it's skeptico and it's with a ko on the

2253

01:24:05,990 --> 01:24:03,840

end and uh you'll find it and uh

2254

01:24:09,350 --> 01:24:06,000

and you'll like it or not like it and

2255

01:24:11,270 --> 01:24:09,360

that's the way it goes damn right

2256

01:24:12,950 --> 01:24:11,280

all right everyone well thank you so

2257

01:24:15,030 --> 01:24:12,960

much for tuning in to this episode of

2258

01:24:17,110 --> 01:24:15,040

the deep share with alex sakaris and go

2259

01:24:18,070 --> 01:24:17,120

check out his books check out all of his

2260

01:24:20,709 --> 01:24:18,080

shows

2261

01:24:23,110 --> 01:24:20,719

and yeah you will hear from us again so
