***MYSTICAL
UNDERGROUND***

#558-ROB-TRISH-MACGREGOR

1
00:00:00,719 --> 00:00:04,630
on this episode of skeptico

2
00:00:10,150 --> 00:00:07,190
a guest appearance that started out

3
00:00:12,070 --> 00:00:10,160
great welcome back alex

4
00:00:14,470 --> 00:00:12,080
good to see you alex rob

5
00:00:17,830 --> 00:00:14,480
thank you trish thanks to both of you

6
00:00:19,510 --> 00:00:17,840
and then went totally off the rails

7
00:00:21,670 --> 00:00:19,520
i mean you don't always look at science

8
00:00:24,230 --> 00:00:21,680
uh alex i mean you believe in pizzagate

9
00:00:25,429 --> 00:00:24,240
for christ's sake i mean that's crazy

10
00:00:27,589 --> 00:00:25,439
that's totally that's right that's a

11
00:00:29,429 --> 00:00:27,599
great one in the time in the time that

12
00:00:30,950 --> 00:00:29,439
we have left what do you understand

13
00:00:32,870 --> 00:00:30,960

pizzagate to be

14

00:00:35,750 --> 00:00:32,880

i don't want to get into it i just don't

15

00:00:38,310 --> 00:00:35,760

no no no no no you brought it up pal

16

00:00:39,910 --> 00:00:38,320

but what do you understand pizzagate

17

00:00:41,350 --> 00:00:39,920

well is it something against hillary

18

00:00:43,350 --> 00:00:41,360

clinton right

19

00:00:45,750 --> 00:00:43,360

right then very much

20

00:00:48,389 --> 00:00:45,760

okay hillary clinton had

21

00:00:51,750 --> 00:00:48,399

had this basement under a pizza shop and

22

00:00:54,790 --> 00:00:51,760

she was screwing boys or something uh

23

00:00:57,510 --> 00:00:54,800

pedophiles uh some sex thing is totally

24

00:00:59,270 --> 00:00:57,520

ridiculous and as a result of the right

25

00:01:01,910 --> 00:00:59,280

wing uh

26

00:01:03,349 --> 00:01:01,920

conspiracy theory about this uh saying

27

00:01:05,030 --> 00:01:03,359

it over and over again when you say

28

00:01:05,910 --> 00:01:05,040

something over and over again like trump

29

00:01:07,750 --> 00:01:05,920

says

30

00:01:09,830 --> 00:01:07,760

things over your life and people start

31

00:01:12,630 --> 00:01:09,840

to believe it and so some guy came with

32

00:01:13,429 --> 00:01:12,640

a shotgun or a rifle into that pizza

33

00:01:15,670 --> 00:01:13,439

shop

34

00:01:17,590 --> 00:01:15,680

looking for the basement

35

00:01:20,789 --> 00:01:17,600

and you don't really believe this do you

36

00:01:22,630 --> 00:01:20,799

alex see rob you're you're so incredibly

37

00:01:24,390 --> 00:01:22,640

misinformed i don't believe you spew

38

00:01:26,469 --> 00:01:24,400

this stuff out like that here's what

39

00:01:29,429 --> 00:01:26,479

here's what pizzagate was

40

00:01:31,910 --> 00:01:29,439

the emails reference spirit cooking

41

00:01:33,830 --> 00:01:31,920

which was very offensive to a lot of

42

00:01:36,149 --> 00:01:33,840

people of a kind of

43

00:01:38,710 --> 00:01:36,159

christian persuasion and then you'd have

44

00:01:40,390 --> 00:01:38,720

to understand what spirit cooking is and

45

00:01:43,190 --> 00:01:40,400

you'd have to understand

46

00:01:45,030 --> 00:01:43,200

what uh crowley you know is the guy who

47

00:01:47,270 --> 00:01:45,040

kind of directed that so right you'd

48

00:01:48,710 --> 00:01:47,280

have to dive deep into the occult and

49

00:01:50,950 --> 00:01:48,720

understand that and you'd have

50

00:01:53,190 --> 00:01:50,960

confidence intelligent conversation but

51
00:01:55,830 --> 00:01:53,200
i want you to i just want you to own

52
00:01:58,310 --> 00:01:55,840
i just want you to own what you said rob

53
00:02:00,630 --> 00:01:58,320
because what you said was just not you

54
00:02:02,709 --> 00:02:00,640
you started out by saying alex you

55
00:02:04,310 --> 00:02:02,719
believe in pizzagate and i've just

56
00:02:06,950 --> 00:02:04,320
demonstrated to you that you have no

57
00:02:09,749 --> 00:02:06,960
idea what pizzagate was you had it all

58
00:02:12,309 --> 00:02:09,759
wrong that's what pizzagate was now the

59
00:02:14,150 --> 00:02:12,319
fact that a guy did take a gun and go

60
00:02:16,550 --> 00:02:14,160
shoot up that that

61
00:02:17,589 --> 00:02:16,560
that restaurant and he really just shot

62
00:02:19,589 --> 00:02:17,599
the safe

63
00:02:22,470 --> 00:02:19,599

is what has become

64

00:02:25,350 --> 00:02:22,480

the meme that people like you pick up on

65

00:02:27,990 --> 00:02:25,360

and say that's pizzagate some right wing

66

00:02:29,910 --> 00:02:28,000

nut conspiracy theorist shot up this

67

00:02:32,550 --> 00:02:29,920

thing it's much more accurate to say

68

00:02:34,470 --> 00:02:32,560

what pizzagate was was these

69

00:02:36,550 --> 00:02:34,480

these emails that were released in an

70

00:02:39,750 --> 00:02:36,560

attempt to undermine hillary clinton's

71

00:02:40,470 --> 00:02:39,760

campaign by painting her to be connected

72

00:02:42,790 --> 00:02:40,480

to

73

00:02:44,869 --> 00:02:42,800

practices and well particularly what

74

00:02:47,589 --> 00:02:44,879

they what really stuck was that she was

75

00:02:50,869 --> 00:02:47,599

connected to occult practices and

76

00:02:53,430 --> 00:02:50,879

satanic practices and that had a a a

77

00:02:54,790 --> 00:02:53,440

dense a very substantial i don't we

78

00:02:57,030 --> 00:02:54,800

don't know how substantial but it

79

00:02:59,190 --> 00:02:57,040

definitely had an impact on her campaign

80

00:03:02,309 --> 00:02:59,200

right so you just got that wrong

81

00:03:05,430 --> 00:03:02,319

stick around i have a rebroadcast of my

82

00:03:08,630 --> 00:03:05,440

interview with rob and trish mcgregor

83

00:03:10,229 --> 00:03:08,640

from the mystical underground

84

00:03:11,990 --> 00:03:10,239

welcome to the mystical underground

85

00:03:13,110 --> 00:03:12,000

thank you for joining us this is trish

86

00:03:14,070 --> 00:03:13,120

mcgregor

87

00:03:15,509 --> 00:03:14,080

and

88

00:03:17,430 --> 00:03:15,519

rob mcgregor

89

00:03:19,470 --> 00:03:17,440
and our producer and tech magician john

90

00:03:21,110 --> 00:03:19,480
posey you can go to the

91

00:03:22,869 --> 00:03:21,120
mysticalunderground.com or we make

92

00:03:24,390 --> 00:03:22,879
regular blog posts where you can find

93

00:03:25,990 --> 00:03:24,400
out about our books

94

00:03:27,990 --> 00:03:26,000
among them are phenomenal harnessing

95

00:03:30,470 --> 00:03:28,000
your psychic abilities the secrets of

96

00:03:32,470 --> 00:03:30,480
spear communication sensing the future

97

00:03:34,309 --> 00:03:32,480
and aliens in the backyard

98

00:03:36,470 --> 00:03:34,319
our upcoming book is called the shift

99

00:03:38,390 --> 00:03:36,480
reports from the mystical underground

100

00:03:40,869 --> 00:03:38,400
tricia's new novel why crows is now

101
00:03:43,430 --> 00:03:40,879
available on amazon rob has been slowly

102
00:03:46,070 --> 00:03:43,440
releasing the audio edition of indiana

103
00:03:48,229 --> 00:03:46,080
jones and the staff of kings

104
00:03:51,270 --> 00:03:48,239
our guest our guest today is alex

105
00:03:53,910 --> 00:03:51,280
sicaris who is the author of why science

106
00:03:57,589 --> 00:03:53,920
is wrong about almost everything and

107
00:03:59,509 --> 00:03:57,599
also why evil matters alex formerly was

108
00:04:01,830 --> 00:03:59,519
a research associate at the university

109
00:04:05,030 --> 00:04:01,840
of arizona while pursuing a phd in

110
00:04:06,630 --> 00:04:05,040
artificial intelligence he left academia

111
00:04:10,229 --> 00:04:06,640
in order to found

112
00:04:13,589 --> 00:04:10,239
mind path technologies a successful itm

113
00:04:16,469 --> 00:04:13,599

firm which was acquired in 1996 alex

114

00:04:19,509 --> 00:04:16,479

began his popular podcast skeptical in

115

00:04:21,670 --> 00:04:19,519

2007 and has interviewed hundreds of

116

00:04:25,430 --> 00:04:21,680

people exploring the nature of the

117

00:04:27,830 --> 00:04:25,440

universe and beyond welcome back alex

118

00:04:29,749 --> 00:04:27,840

good to see you

119

00:04:32,070 --> 00:04:29,759

trish thanks to both of you you know i

120

00:04:34,950 --> 00:04:32,080

was just remarking to rob he kind of

121

00:04:36,390 --> 00:04:34,960

sent me this thing said hey send a bio

122

00:04:38,629 --> 00:04:36,400

and i was like

123

00:04:41,270 --> 00:04:38,639

caught in my track cycle wait a minute

124

00:04:43,189 --> 00:04:41,280

i'm interviewing you guys because

125

00:04:44,710 --> 00:04:43,199

every time every time we start this

126

00:04:46,790 --> 00:04:44,720

email chain

127

00:04:48,390 --> 00:04:46,800

rob starts sending me these stories and

128

00:04:50,790 --> 00:04:48,400

they're like true stories they're not

129

00:04:53,270 --> 00:04:50,800

like fake stories like oh yeah i

130

00:04:55,189 --> 00:04:53,280

remember the time when

131

00:04:57,030 --> 00:04:55,199

whitley strieber and us were you know

132

00:04:57,830 --> 00:04:57,040

kicking around these ideas while we're

133

00:04:59,909 --> 00:04:57,840

in

134

00:05:02,070 --> 00:04:59,919

michipichu or whatever

135

00:05:03,029 --> 00:05:02,080

i'm like i want to hear that story you

136

00:05:04,150 --> 00:05:03,039

know

137

00:05:06,710 --> 00:05:04,160

yeah

138

00:05:09,430 --> 00:05:06,720

so i i noticed uh the titles of both of

139

00:05:10,469 --> 00:05:09,440

your books alex begin with the word why

140

00:05:12,790 --> 00:05:10,479

why why

141

00:05:15,830 --> 00:05:12,800

why is that

142

00:05:18,469 --> 00:05:15,840

well i i think i think questions are at

143

00:05:20,790 --> 00:05:18,479

the heart of everything you know the the

144

00:05:23,110 --> 00:05:20,800

ethos of skepticis is inquiry to

145

00:05:25,510 --> 00:05:23,120

perpetuate doubt

146

00:05:27,670 --> 00:05:25,520

so i'm i'm always in that

147

00:05:30,230 --> 00:05:27,680

inquiry mode because i think that's

148

00:05:32,550 --> 00:05:30,240

the core essence of spirituality is to

149

00:05:38,150 --> 00:05:32,560

always be

150

00:05:39,909 --> 00:05:38,160

more so yeah it's i didn't think of it

151

00:05:42,310 --> 00:05:39,919

that way but yeah i think that's

152

00:05:44,150 --> 00:05:42,320

probably the deep psychological answer

153

00:05:46,629 --> 00:05:44,160

right yeah i have a question for you

154

00:05:49,189 --> 00:05:46,639

alex when you travel and meet new people

155

00:05:54,790 --> 00:05:49,199

are you always asking why

156

00:06:01,270 --> 00:05:59,510

i found my spot i found my spot here in

157

00:06:04,070 --> 00:06:01,280

southern california in del mar outside

158

00:06:06,790 --> 00:06:04,080

of san diego and i stay here i go to the

159

00:06:08,950 --> 00:06:06,800

beach with the dog and i do my yoga and

160

00:06:12,230 --> 00:06:08,960

i come back with the fam and that's it

161

00:06:14,710 --> 00:06:12,240

but no seriously i mean i ask why on the

162

00:06:17,430 --> 00:06:14,720

show all the time i ask why and and i

163

00:06:20,629 --> 00:06:17,440

love you know i really do

164

00:06:23,029 --> 00:06:20,639

love the the podcasting thing and i

165

00:06:25,029 --> 00:06:23,039

think it's so cool that you guys and i

166

00:06:27,590 --> 00:06:25,039

want to hear about how one of the things

167

00:06:29,990 --> 00:06:27,600

i want to know is how the podcasting

168

00:06:32,550 --> 00:06:30,000

journey has been for you guys because

169

00:06:35,510 --> 00:06:32,560

you guys are are writers you know deep

170

00:06:37,029 --> 00:06:35,520

deep in your bones you guys are writers

171

00:06:38,390 --> 00:06:37,039

and now you're doing this podcast thing

172

00:06:40,550 --> 00:06:38,400

and i see that a book is coming out of

173

00:06:42,870 --> 00:06:40,560

the podcast so right

174

00:06:45,430 --> 00:06:42,880

and yeah you did you did the same with

175

00:06:47,110 --> 00:06:45,440

evil but see no i did that i did it with

176

00:06:49,029 --> 00:06:47,120

both of them but kind of the opposite

177

00:06:50,550 --> 00:06:49,039

way around see i'm not a writer at all

178

00:06:52,070 --> 00:06:50,560

the only way i was able to put out these

179

00:06:54,230 --> 00:06:52,080

books is because i had a podcast and i

180

00:06:55,670 --> 00:06:54,240

had all these interviews you guys wrote

181

00:06:58,309 --> 00:06:55,680

a hundred books and then you did this

182

00:07:00,309 --> 00:06:58,319

podcast i think so what's that what has

183

00:07:02,070 --> 00:07:00,319

that experience been like for y'all it's

184

00:07:04,629 --> 00:07:02,080

a different grade yeah it's a different

185

00:07:07,749 --> 00:07:04,639

mode for us though you know uh

186

00:07:11,029 --> 00:07:07,759

being uh you know coming on and uh

187

00:07:13,189 --> 00:07:11,039

talking with people i mean we were doing

188

00:07:17,110 --> 00:07:13,199

being interviewed a lot uh when our

189

00:07:18,550 --> 00:07:17,120

books came out but we hadn't uh i i i

190

00:07:20,230 --> 00:07:18,560

always thought that would be the worst

191

00:07:23,029 --> 00:07:20,240

thing to do is have a podcast and have

192

00:07:25,189 --> 00:07:23,039

to get people and find people and

193

00:07:27,589 --> 00:07:25,199

do this every week but hey we've been

194

00:07:30,550 --> 00:07:27,599

doing it so three years and also john's

195

00:07:31,270 --> 00:07:30,560

our facilitator a synchronicity

196

00:07:33,350 --> 00:07:31,280

uh

197

00:07:35,110 --> 00:07:33,360

enabled this podcast

198

00:07:38,070 --> 00:07:35,120

we were on both of us were on instagram

199

00:07:40,150 --> 00:07:38,080

one night this is back in january 2020

200

00:07:42,230 --> 00:07:40,160

and we were talking i think john wasn't

201
00:07:44,390 --> 00:07:42,240
about star wars

202
00:07:46,150 --> 00:07:44,400
or indiana jones but anyway one or the

203
00:07:47,749 --> 00:07:46,160
other and then all of a sudden john says

204
00:07:50,790 --> 00:07:47,759
hey have you not thought about having a

205
00:07:52,309 --> 00:07:50,800
podcast and a week before rob and i had

206
00:07:54,150 --> 00:07:52,319
been talking about it but we didn't we

207
00:07:56,230 --> 00:07:54,160
didn't know what to do

208
00:07:59,350 --> 00:07:56,240
so along came john and facilitated the

209
00:08:00,790 --> 00:07:59,360
whole thing

210
00:08:03,110 --> 00:08:00,800
you're welcome and i've enjoyed it too

211
00:08:05,990 --> 00:08:03,120
but it all started just because i could

212
00:08:08,550 --> 00:08:06,000
not find my old copies of uh

213
00:08:10,550 --> 00:08:08,560

the expanded expanded universe indiana

214

00:08:12,469 --> 00:08:10,560

jones novels so i ordered them and they

215

00:08:14,150 --> 00:08:12,479

weren't available in they weren't

216

00:08:17,270 --> 00:08:14,160

available in epub

217

00:08:19,830 --> 00:08:17,280

so i ordered a another set off amazon

218

00:08:21,270 --> 00:08:19,840

and posted a picture of them on on uh

219

00:08:24,390 --> 00:08:21,280

because i wanted to reread them and post

220

00:08:27,110 --> 00:08:24,400

a picture on instagram and uh tagged rob

221

00:08:28,950 --> 00:08:27,120

mcgregor and uh trish showed up on their

222

00:08:30,869 --> 00:08:28,960

account on that post and then i'll kind

223

00:08:32,709 --> 00:08:30,879

of check them there

224

00:08:34,709 --> 00:08:32,719

yeah well that's really cool you know

225

00:08:36,709 --> 00:08:34,719

and i i would like and we'll see how

226

00:08:38,630 --> 00:08:36,719

this flows today

227

00:08:40,790 --> 00:08:38,640

but um

228

00:08:42,469 --> 00:08:40,800

now whenever whenever anyone says

229

00:08:45,190 --> 00:08:42,479

something like this it makes it sound

230

00:08:47,350 --> 00:08:45,200

like you guys are old but what i what i

231

00:08:49,269 --> 00:08:47,360

really want to say is you guys are a

232

00:08:51,190 --> 00:08:49,279

treasure trove of

233

00:08:53,190 --> 00:08:51,200

kind of this lived history with some

234

00:08:54,630 --> 00:08:53,200

really important people

235

00:08:57,509 --> 00:08:54,640

that um

236

00:09:00,150 --> 00:08:57,519

i almost feel like we need to do

237

00:09:02,389 --> 00:09:00,160

a couple of shows on skeptico where you

238

00:09:04,870 --> 00:09:02,399

guys just kind of do tell

239

00:09:09,110 --> 00:09:04,880

these stories because they're amazing

240

00:09:09,990 --> 00:09:09,120

you know like the joe mcmonicle uh story

241

00:09:11,910 --> 00:09:10,000

i mean

242

00:09:14,470 --> 00:09:11,920

well that one now

243

00:09:17,110 --> 00:09:14,480

i i do i do and because it's a it's

244

00:09:19,990 --> 00:09:17,120

almost like a jumping off point for all

245

00:09:22,070 --> 00:09:20,000

these things that we might talk about

246

00:09:24,550 --> 00:09:22,080

in terms of truth and it also intersects

247

00:09:27,829 --> 00:09:24,560

with some of the stuff i've done so

248

00:09:29,590 --> 00:09:27,839

maybe start off with uh who who is joe

249

00:09:31,910 --> 00:09:29,600

mcmonicle and how did you guys get to

250

00:09:33,750 --> 00:09:31,920

know him and then you know what what if

251
00:09:35,750 --> 00:09:33,760
i'm gonna ask that question here's how i

252
00:09:37,350 --> 00:09:35,760
would frame it up because i'd frame it

253
00:09:40,070 --> 00:09:37,360
up with

254
00:09:42,470 --> 00:09:40,080
this thing that kind of rob led us into

255
00:09:43,829 --> 00:09:42,480
because i think this is also at the core

256
00:09:46,230 --> 00:09:43,839
of this

257
00:09:47,670 --> 00:09:46,240
kind of truth thing that we want to that

258
00:09:49,350 --> 00:09:47,680
i really want to explore i really want

259
00:09:51,190 --> 00:09:49,360
to know where you guys are coming from

260
00:09:53,829 --> 00:09:51,200
is that

261
00:09:56,310 --> 00:09:53,839
like i came at this thing from a totally

262
00:09:58,389 --> 00:09:56,320
different perspective you guys came at

263
00:10:02,150 --> 00:09:58,399

it as uh writers

264

00:10:03,829 --> 00:10:02,160

and as storytellers and as i mean shoot

265

00:10:05,829 --> 00:10:03,839

you know i mean you guys write both

266

00:10:07,590 --> 00:10:05,839

fiction and nonfiction and you're

267

00:10:10,150 --> 00:10:07,600

collecting real stories and you're

268

00:10:11,750 --> 00:10:10,160

making up stories and then you're also

269

00:10:13,990 --> 00:10:11,760

incorporating all these different

270

00:10:16,550 --> 00:10:14,000

experiences from all these people

271

00:10:18,949 --> 00:10:16,560

i didn't come at it from that way at all

272

00:10:21,509 --> 00:10:18,959

i mean i came at it as one my training

273

00:10:24,150 --> 00:10:21,519

is as a computer programmer there are no

274

00:10:27,190 --> 00:10:24,160

stories in computer programming your

275

00:10:29,910 --> 00:10:27,200

program either works or it doesn't work

276

00:10:31,990 --> 00:10:29,920

there is no everyone's opinion matters

277

00:10:34,150 --> 00:10:32,000

if it if everyone's opinion matter you

278

00:10:35,829 --> 00:10:34,160

did programs it just don't work and then

279

00:10:37,590 --> 00:10:35,839

i came from a business background where

280

00:10:40,310 --> 00:10:37,600

the same way you either

281

00:10:42,630 --> 00:10:40,320

you know make the sale make the money or

282

00:10:44,870 --> 00:10:42,640

you or you go broke you know there isn't

283

00:10:47,750 --> 00:10:44,880

kind of in between and you guys are in

284

00:10:49,670 --> 00:10:47,760

you're in a different world and

285

00:10:51,590 --> 00:10:49,680

it's a necessity and you're on the

286

00:10:53,990 --> 00:10:51,600

fringes of that world but you're doing

287

00:10:55,590 --> 00:10:54,000

it in kind of a very

288

00:10:57,350 --> 00:10:55,600

i don't know in a very kind of

289

00:10:59,030 --> 00:10:57,360

interesting way and then along the way

290

00:11:01,750 --> 00:10:59,040

you've collected

291

00:11:03,590 --> 00:11:01,760

these amazing accounts with all these

292

00:11:05,990 --> 00:11:03,600

people who are also

293

00:11:08,069 --> 00:11:06,000

kind of on the edge of

294

00:11:11,190 --> 00:11:08,079

trying to figure out what this reality

295

00:11:12,069 --> 00:11:11,200

thing is so with that i mean that kind

296

00:11:15,350 --> 00:11:12,079

of

297

00:11:17,670 --> 00:11:15,360

really sets the the stage in a way for

298

00:11:19,350 --> 00:11:17,680

who is joe mcmonachel

299

00:11:20,710 --> 00:11:19,360

why did he think our hurricane was

300

00:11:23,110 --> 00:11:20,720

coming

301
00:11:26,710 --> 00:11:23,120
that story begins with

302
00:11:28,790 --> 00:11:26,720
nancy mcMahon eagle his wife

303
00:11:31,670 --> 00:11:28,800
and um for a decade rob and i wrote this

304
00:11:34,230 --> 00:11:31,680
sydney arm omar astrology books

305
00:11:36,710 --> 00:11:34,240
it was a serie of 13 books a year and i

306
00:11:39,430 --> 00:11:36,720
had asked scooter that's her nickname to

307
00:11:41,110 --> 00:11:39,440
submit an article so that's how i got we

308
00:11:43,110 --> 00:11:41,120
got to know her and then eventually we

309
00:11:46,150 --> 00:11:43,120
got to know joe

310
00:11:48,310 --> 00:11:46,160
and i think it was in 2005 wasn't it

311
00:11:50,870 --> 00:11:48,320
that we went to a lutheran

312
00:11:52,949 --> 00:11:50,880
well we went uh like two three other

313
00:11:54,870 --> 00:11:52,959

places with them before that uh

314

00:11:57,750 --> 00:11:54,880

something they became

315

00:11:58,949 --> 00:11:57,760

traveling partners down to the keys

316

00:12:00,310 --> 00:11:58,959

and right

317

00:12:01,590 --> 00:12:00,320

a lutheran oh i know it was when they

318

00:12:04,389 --> 00:12:01,600

were interviewed it was when joe was

319

00:12:06,550 --> 00:12:04,399

reading for bruce gurnen right yeah

320

00:12:09,350 --> 00:12:06,560

about what happened on bruce grinden's

321

00:12:12,069 --> 00:12:09,360

bermuda triangle flight no but before

322

00:12:15,430 --> 00:12:12,079

you go there remind people remind people

323

00:12:17,670 --> 00:12:15,440

who joe is because he is like a a super

324

00:12:19,269 --> 00:12:17,680

in my mind he is a super important

325

00:12:21,269 --> 00:12:19,279

figure in

326

00:12:24,870 --> 00:12:21,279

in this whole thing yeah without viewing

327

00:12:26,790 --> 00:12:24,880

uh his number zero zero one zero

328

00:12:29,750 --> 00:12:26,800

uh yeah he doesn't really call him

329

00:12:32,230 --> 00:12:29,760

psychic he's a remote viewer but uh it's

330

00:12:33,990 --> 00:12:32,240

a clairvoyant uh clairvoyant

331

00:12:35,509 --> 00:12:34,000

and uh he's

332

00:12:37,430 --> 00:12:35,519

learned this uh

333

00:12:39,990 --> 00:12:37,440

through oddly enough while he is in the

334

00:12:42,949 --> 00:12:40,000

army uh and uh

335

00:12:45,430 --> 00:12:42,959

he became a part of this group that uh

336

00:12:47,990 --> 00:12:45,440

we're doing remote viewing of the

337

00:12:51,829 --> 00:12:48,000

russians and uh all kinds of different

338

00:12:53,670 --> 00:12:51,839

spy type things in the uh mid 80s uh for

339

00:12:57,030 --> 00:12:53,680

about 17 years

340

00:13:00,389 --> 00:12:57,040

and then they said all of them wanted to

341

00:13:02,310 --> 00:13:00,399

remote view ufos they started

342

00:13:04,310 --> 00:13:02,320

getting into that as well

343

00:13:06,550 --> 00:13:04,320

and then explain he he was married to

344

00:13:09,190 --> 00:13:06,560

scooter whose stepfather was robert

345

00:13:11,910 --> 00:13:09,200

monroe right yeah he had another grow

346

00:13:14,310 --> 00:13:11,920

institute that that was yeah right and

347

00:13:15,190 --> 00:13:14,320

he's he's been at the monroe institute

348

00:13:17,350 --> 00:13:15,200

many

349

00:13:21,590 --> 00:13:17,360

times as a speaker and a

350

00:13:23,670 --> 00:13:21,600

leader workshops workshops right and uh

351
00:13:25,030 --> 00:13:23,680
so and one other couple other things to

352
00:13:27,670 --> 00:13:25,040
add before you get to the hurricane

353
00:13:30,470 --> 00:13:27,680
story because it sets it up in a way so

354
00:13:32,389 --> 00:13:30,480
i i talked to i talked to joe on this

355
00:13:35,269 --> 00:13:32,399
show and uh because i've always been

356
00:13:37,590 --> 00:13:35,279
very interested in the mk ultra stuff

357
00:13:39,990 --> 00:13:37,600
you know and a lot of people forget that

358
00:13:42,150 --> 00:13:40,000
the remote viewing project

359
00:13:45,030 --> 00:13:42,160
russell tarr cal put off stanford

360
00:13:48,150 --> 00:13:45,040
research institute was under

361
00:13:49,430 --> 00:13:48,160
the very very nefarious mk ultra where

362
00:13:51,189 --> 00:13:49,440
they were doing these just horrible

363
00:13:53,350 --> 00:13:51,199

things to people

364

00:13:55,269 --> 00:13:53,360

and uh probably killing people but

365

00:13:57,509 --> 00:13:55,279

certainly destroying people's lives

366

00:13:58,470 --> 00:13:57,519

erasing their brains and doing all these

367

00:14:02,150 --> 00:13:58,480

other

368

00:14:04,790 --> 00:14:02,160

just ridiculously insane experiments on

369

00:14:07,189 --> 00:14:04,800

people in order to

370

00:14:10,389 --> 00:14:07,199

manipulate their consciousness well

371

00:14:12,310 --> 00:14:10,399

there were 150 mk ultra programs so not

372

00:14:15,430 --> 00:14:12,320

all of them can be painted with the same

373

00:14:18,470 --> 00:14:15,440

brush and certainly the stargate program

374

00:14:20,150 --> 00:14:18,480

which was the remote viewing program

375

00:14:21,269 --> 00:14:20,160

seems by all accounts that's one they

376

00:14:23,509 --> 00:14:21,279

always want to lead with because it

377

00:14:24,790 --> 00:14:23,519

seems kind of a white knight thing you

378

00:14:25,590 --> 00:14:24,800

know let's just

379

00:14:28,710 --> 00:14:25,600

do

380

00:14:29,750 --> 00:14:28,720

remote psychic spying on the russians

381

00:14:31,990 --> 00:14:29,760

but what i always thought was

382

00:14:33,910 --> 00:14:32,000

interesting about joe's story is

383

00:14:34,949 --> 00:14:33,920

he tell me that he told me the story

384

00:14:37,189 --> 00:14:34,959

about

385

00:14:39,990 --> 00:14:37,199

like he is in

386

00:14:42,470 --> 00:14:40,000

uh looks like out of a spy movie he's on

387

00:14:44,230 --> 00:14:42,480

the east german west german border at

388

00:14:46,870 --> 00:14:44,240

this restaurant he said where all the

389

00:14:48,310 --> 00:14:46,880

spies would go you know and he was there

390

00:14:50,310 --> 00:14:48,320

having lunch

391

00:14:54,069 --> 00:14:50,320

and he starts feeling sick and he

392

00:14:58,710 --> 00:14:56,870

and he starts staggering to the door

393

00:15:02,069 --> 00:14:58,720

thinking he's going to die and he does

394

00:15:03,910 --> 00:15:02,079

die he dies right there as he's exiting

395

00:15:05,750 --> 00:15:03,920

the restaurant a couple of his buddies

396

00:15:07,750 --> 00:15:05,760

grab him throw him in a jeep all of a

397

00:15:10,310 --> 00:15:07,760

sudden he's outside of his body looking

398

00:15:12,069 --> 00:15:10,320

down they go to the jeep to an ambulance

399

00:15:14,069 --> 00:15:12,079

to the hospital he is having an

400

00:15:16,710 --> 00:15:14,079

out-of-body experience he's having a

401
00:15:19,269 --> 00:15:16,720
near-death experience this is his first

402
00:15:21,670 --> 00:15:19,279
encounter with anything like this he

403
00:15:23,750 --> 00:15:21,680
awakes from his near-death experience he

404
00:15:25,829 --> 00:15:23,760
awakes from being dead

405
00:15:27,030 --> 00:15:25,839
clearly he is clinically dead during

406
00:15:27,910 --> 00:15:27,040
this time

407
00:15:31,350 --> 00:15:27,920
and

408
00:15:34,069 --> 00:15:31,360
in his face are two of his associates

409
00:15:35,030 --> 00:15:34,079
right his boss two of his superiors who

410
00:15:37,910 --> 00:15:35,040
are like

411
00:15:40,069 --> 00:15:37,920
okay what's going on and he doesn't know

412
00:15:41,829 --> 00:15:40,079
whether to tell them that he's just been

413
00:15:44,069 --> 00:15:41,839

to the other side and he doesn't know

414

00:15:45,990 --> 00:15:44,079

how that's going to sit with

415

00:15:47,670 --> 00:15:46,000

these intelligence guys or what he

416

00:15:49,189 --> 00:15:47,680

should do

417

00:15:51,829 --> 00:15:49,199

but the part of that story that i

418

00:15:53,910 --> 00:15:51,839

thought was has a couple of links to it

419

00:15:54,710 --> 00:15:53,920

uh that that i think are interesting he

420

00:15:57,350 --> 00:15:54,720

says

421

00:15:59,670 --> 00:15:57,360

when he went to stanford

422

00:16:02,069 --> 00:15:59,680

to uh stanford research institute for

423

00:16:03,509 --> 00:16:02,079

inter to interview as part of joining

424

00:16:13,189 --> 00:16:03,519

the

425

00:16:15,430 --> 00:16:13,199

secret file

426

00:16:17,670 --> 00:16:15,440

employee file and they pull out

427

00:16:19,910 --> 00:16:17,680

raymond moody's book you know the

428

00:16:22,710 --> 00:16:19,920

near-death experience book

429

00:16:25,110 --> 00:16:22,720

and he said at that point he realized

430

00:16:26,870 --> 00:16:25,120

that they understood

431

00:16:29,030 --> 00:16:26,880

the connection

432

00:16:31,509 --> 00:16:29,040

they not only stood they only they not

433

00:16:33,910 --> 00:16:31,519

only understood what happened to him but

434

00:16:36,310 --> 00:16:33,920

they understood the connection they

435

00:16:38,629 --> 00:16:36,320

understood that this was somehow in some

436

00:16:40,389 --> 00:16:38,639

way they weren't able to fully

437

00:16:42,230 --> 00:16:40,399

understand at that point there was some

438

00:16:43,749 --> 00:16:42,240

connection in this extended

439

00:16:45,749 --> 00:16:43,759

consciousness realm between the

440

00:16:47,509 --> 00:16:45,759

near-death experiences and between what

441

00:16:49,110 --> 00:16:47,519

they were doing then one other

442

00:16:51,430 --> 00:16:49,120

postscript i'd add to that is i

443

00:16:53,350 --> 00:16:51,440

interviewed ed may

444

00:16:55,910 --> 00:16:53,360

who was really pretty um obnoxious

445

00:16:58,710 --> 00:16:55,920

person he was he wrote

446

00:17:00,230 --> 00:16:58,720

but a good friend of joe's too

447

00:17:01,910 --> 00:17:00,240

great because

448

00:17:05,350 --> 00:17:01,920

like when

449

00:17:07,990 --> 00:17:05,360

ed may ran the stargate program for 10

450

00:17:10,390 --> 00:17:08,000

years yeah ed may

451
00:17:12,069 --> 00:17:10,400
when i asked him about this he said no

452
00:17:13,750 --> 00:17:12,079
that didn't happen

453
00:17:15,429 --> 00:17:13,760
really really what do you what do you

454
00:17:18,230 --> 00:17:15,439
mean that didn't happen i interviewed

455
00:17:20,230 --> 00:17:18,240
joe it's in his book he said it on air

456
00:17:22,549 --> 00:17:20,240
he said no there is absolutely no

457
00:17:25,110 --> 00:17:22,559
connection at all between near-death

458
00:17:26,470 --> 00:17:25,120
experience or between his experience and

459
00:17:28,230 --> 00:17:26,480
remote viewing

460
00:17:31,029 --> 00:17:28,240
and then i also asked him about dean

461
00:17:33,029 --> 00:17:31,039
raiden and he said he said these you

462
00:17:34,390 --> 00:17:33,039
know dean rayden he said basically you

463
00:17:37,190 --> 00:17:34,400

know he's a nice guy but he doesn't know

464

00:17:38,710 --> 00:17:37,200

what he's doing and then later he said

465

00:17:40,710 --> 00:17:38,720

after the interview he immediately said

466

00:17:42,310 --> 00:17:40,720

hey don't publish that interview and i

467

00:17:44,230 --> 00:17:42,320

know people and you better not publish

468

00:17:45,669 --> 00:17:44,240

that interview

469

00:17:46,950 --> 00:17:45,679

wow and of course i published the

470

00:17:48,230 --> 00:17:46,960

interview yeah i mean of course i

471

00:17:50,789 --> 00:17:48,240

published the interview anyway i mean

472

00:17:52,950 --> 00:17:50,799

he's just ed may but

473

00:17:56,070 --> 00:17:52,960

but i think it's interesting

474

00:17:57,029 --> 00:17:56,080

i mean in terms of fitting in my larger

475

00:17:58,150 --> 00:17:57,039

uh

476
00:17:59,750 --> 00:17:58,160
project

477
00:18:01,990 --> 00:17:59,760
in terms of

478
00:18:06,950 --> 00:18:02,000
how there is this

479
00:18:09,190 --> 00:18:06,960
definite goal to make you think you are

480
00:18:11,350 --> 00:18:09,200
not in a mystical world that you are

481
00:18:13,590 --> 00:18:11,360
that's called biological

482
00:18:15,190 --> 00:18:13,600
well it's it's also called uh you're a

483
00:18:16,950 --> 00:18:15,200
biological robot in a meaningless

484
00:18:19,510 --> 00:18:16,960
universe just do what we say you don't

485
00:18:21,830 --> 00:18:19,520
have enough there's nothing more to you

486
00:18:24,549 --> 00:18:21,840
so why are you even worried about all

487
00:18:26,870 --> 00:18:24,559
this stuff you are just there get the

488
00:18:28,950 --> 00:18:26,880

jab shut up do what we say put the mask

489

00:18:31,350 --> 00:18:28,960

on do all the rest of this stuff but the

490

00:18:33,110 --> 00:18:31,360

truth of the matter is that joe's out of

491

00:18:34,710 --> 00:18:33,120

body experience

492

00:18:37,029 --> 00:18:34,720

uh near-death experience is probably

493

00:18:39,909 --> 00:18:37,039

what triggered some of his abilities oh

494

00:18:41,990 --> 00:18:39,919

absolutely and uh he also fell out of a

495

00:18:42,950 --> 00:18:42,000

helicopter in vietnam too and survive

496

00:18:44,150 --> 00:18:42,960

that

497

00:18:45,750 --> 00:18:44,160

i didn't i mean it had something to do

498

00:18:47,990 --> 00:18:45,760

with it also

499

00:18:49,830 --> 00:18:48,000

it was in that movie uh the goats what

500

00:18:52,710 --> 00:18:49,840

is the the oh the

501

00:18:54,470 --> 00:18:52,720

men who stare at goats

502

00:18:56,470 --> 00:18:54,480

he hated that movie he never watched it

503

00:18:58,150 --> 00:18:56,480

i remember him you know scooter saying

504

00:19:01,669 --> 00:18:58,160

don't mention that movie to him he does

505

00:19:07,270 --> 00:19:04,549

so so that's that that to me that's who

506

00:19:08,710 --> 00:19:07,280

joe mcmonicle is yeah

507

00:19:10,549 --> 00:19:08,720

you know and now you guys are on

508

00:19:13,430 --> 00:19:10,559

vacation with them because you guys like

509

00:19:15,110 --> 00:19:13,440

hanging out as two couples and you're

510

00:19:17,510 --> 00:19:15,120

down in the keys

511

00:19:19,590 --> 00:19:17,520

no we were in the bahamas

512

00:19:21,270 --> 00:19:19,600

oh no the first time the first time was

513

00:19:23,990 --> 00:19:21,280

the keys yeah the first time was the

514

00:19:26,390 --> 00:19:24,000

keys it was uh related i co-authored a

515

00:19:28,070 --> 00:19:26,400

book on uh bermuda try a couple books on

516

00:19:31,750 --> 00:19:28,080

the bermuda triangle

517

00:19:33,750 --> 00:19:31,760

uh with um bruce gurnen

518

00:19:36,150 --> 00:19:33,760

and uh

519

00:19:38,710 --> 00:19:36,160

so i i had joe

520

00:19:40,310 --> 00:19:38,720

take a look uh psychically and remote

521

00:19:41,350 --> 00:19:40,320

viewing on

522

00:19:42,789 --> 00:19:41,360

some

523

00:19:45,750 --> 00:19:42,799

four different uh

524

00:19:47,350 --> 00:19:45,760

experiences from the the book and

525

00:19:48,710 --> 00:19:47,360

uh

526

00:19:50,310 --> 00:19:48,720

including

527

00:19:53,190 --> 00:19:50,320

one

528

00:19:54,310 --> 00:19:53,200

involving a ufo experience where

529

00:19:56,870 --> 00:19:54,320

uh

530

00:19:58,950 --> 00:19:56,880

first of all just briefly explaining who

531

00:20:01,430 --> 00:19:58,960

bruce gurnen is he

532

00:20:05,110 --> 00:20:01,440

what happened to him yeah if if you've

533

00:20:07,190 --> 00:20:05,120

ever seen any uh learning channel his

534

00:20:09,830 --> 00:20:07,200

history channel uh any of those

535

00:20:12,070 --> 00:20:09,840

documentaries on the bermuda triangle

536

00:20:13,430 --> 00:20:12,080

you'll almost always see bruce gernan

537

00:20:16,070 --> 00:20:13,440

usually towards the end because he's got

538

00:20:18,230 --> 00:20:16,080

one of the best stories and uh because

539

00:20:20,310 --> 00:20:18,240

he survived the bermuda triangle

540

00:20:21,669 --> 00:20:20,320

and he had a like a time travel

541

00:20:25,590 --> 00:20:21,679

experience

542

00:20:28,470 --> 00:20:25,600

involving uh it and uh so uh that

543

00:20:30,630 --> 00:20:28,480

happened i think in uh december of 1971

544

00:20:32,070 --> 00:20:30,640

and it changed his life and he he talks

545

00:20:33,750 --> 00:20:32,080

he thinks about it every day he still

546

00:20:35,590 --> 00:20:33,760

thinks about everybody it's defined his

547

00:20:37,510 --> 00:20:35,600

life yeah i mean i just got an email

548

00:20:38,789 --> 00:20:37,520

from him about the bermuda triangle

549

00:20:42,789 --> 00:20:38,799

today

550

00:20:44,070 --> 00:20:42,799

so uh and anyhow uh a month after that

551
00:20:45,830 --> 00:20:44,080
experience

552
00:20:47,110 --> 00:20:45,840
he was with a girlfriend they went out

553
00:20:49,990 --> 00:20:47,120
on a

554
00:20:51,430 --> 00:20:50,000
private plane flight out of miami um

555
00:20:53,909 --> 00:20:51,440
because the girlfriend had never been in

556
00:20:55,510 --> 00:20:53,919
a small plane at night so he when it is

557
00:20:58,549 --> 00:20:55,520
you know it's a romantic thing he wanted

558
00:21:00,630 --> 00:20:58,559
to show her the stars and uh so they fly

559
00:21:03,270 --> 00:21:00,640
off the coast

560
00:21:04,310 --> 00:21:03,280
uh about 20 miles or so

561
00:21:06,549 --> 00:21:04,320
and

562
00:21:08,710 --> 00:21:06,559
uh one of them says oh look at that star

563
00:21:11,350 --> 00:21:08,720

in the distance there that orange star

564

00:21:13,350 --> 00:21:11,360

and they look at it and

565

00:21:15,669 --> 00:21:13,360

it's it's getting bigger

566

00:21:17,830 --> 00:21:15,679

and orange it's orange and

567

00:21:21,029 --> 00:21:17,840

it's coming right at them it's not a

568

00:21:23,029 --> 00:21:21,039

star at all and uh

569

00:21:24,630 --> 00:21:23,039

and it's getting closer and closer and

570

00:21:25,669 --> 00:21:24,640

bruce tries to maneuver the plane to

571

00:21:28,230 --> 00:21:25,679

avoid it

572

00:21:31,110 --> 00:21:28,240

but he knows he can't can't do it and

573

00:21:32,630 --> 00:21:31,120

suddenly boom it's gone

574

00:21:33,990 --> 00:21:32,640

and you know

575

00:21:35,510 --> 00:21:34,000

what happened to it

576

00:21:37,830 --> 00:21:35,520

so

577

00:21:38,950 --> 00:21:37,840

joe said what happened is that

578

00:21:41,590 --> 00:21:38,960

they were

579

00:21:44,870 --> 00:21:41,600

captured they're abducted now bruce does

580

00:21:47,190 --> 00:21:44,880

not like being an abductee he wants to

581

00:21:48,470 --> 00:21:47,200

not he has no memory of that

582

00:21:49,990 --> 00:21:48,480

uh but

583

00:21:53,750 --> 00:21:50,000

that but that also happened on his

584

00:21:56,390 --> 00:21:54,549

that

585

00:21:57,750 --> 00:21:56,400

on the initial yeah on the internet

586

00:22:00,870 --> 00:21:57,760

right right on the initial part of the

587

00:22:02,070 --> 00:22:00,880

flight where he left uh

588

00:22:03,909 --> 00:22:02,080

um

589

00:22:05,750 --> 00:22:03,919

what is the name of the island andros

590

00:22:08,789 --> 00:22:05,760

island uh

591

00:22:11,029 --> 00:22:08,799

uh and they were they're heading towards

592

00:22:12,789 --> 00:22:11,039

the florida coast and there was this

593

00:22:16,710 --> 00:22:12,799

very strange

594

00:22:18,230 --> 00:22:16,720

cloud uh that looked like an elliptical

595

00:22:21,029 --> 00:22:18,240

cloud that you'd see

596

00:22:22,549 --> 00:22:21,039

like uh ten thousand feet above uh up

597

00:22:24,950 --> 00:22:22,559

above a mountain

598

00:22:27,350 --> 00:22:24,960

it was just above the ocean uh and it's

599

00:22:29,909 --> 00:22:27,360

like a huge ufo looking shape about a

600

00:22:31,350 --> 00:22:29,919

mile across and so he goes around it and

601
00:22:33,029 --> 00:22:31,360
continues on

602
00:22:33,909 --> 00:22:33,039
and then he notices

603
00:22:35,669 --> 00:22:33,919
that

604
00:22:38,710 --> 00:22:35,679
this

605
00:22:41,190 --> 00:22:38,720
seemingly very calm

606
00:22:44,630 --> 00:22:41,200
cloud starts expanding and it shoots out

607
00:22:46,630 --> 00:22:44,640
arms on either side and it seems to be

608
00:22:48,789 --> 00:22:46,640
following them and growing and growing

609
00:22:51,909 --> 00:22:48,799
and they're so he goes up and tries to

610
00:22:53,830 --> 00:22:51,919
get above this cloud and he goes down

611
00:22:54,789 --> 00:22:53,840
and tries to get below it he can't do

612
00:22:57,350 --> 00:22:54,799
either

613
00:22:59,270 --> 00:22:57,360

and then he sees another one

614

00:23:01,430 --> 00:22:59,280

in front of them doing the same thing

615

00:23:04,149 --> 00:23:01,440

spreading out arms

616

00:23:07,750 --> 00:23:04,159

the the arms all link so he's inside a

617

00:23:10,390 --> 00:23:07,760

huge donut like 25 mile diameter donut

618

00:23:13,430 --> 00:23:10,400

and he tries to get above again it looks

619

00:23:14,950 --> 00:23:13,440

like it goes up 40 50 000 feet you can't

620

00:23:17,029 --> 00:23:14,960

go over it he goes down it's coming

621

00:23:19,350 --> 00:23:17,039

right out of the ocean but then he sees

622

00:23:22,070 --> 00:23:19,360

this tunnel where the arms are coming

623

00:23:24,149 --> 00:23:22,080

together and he tries to he says this is

624

00:23:27,350 --> 00:23:24,159

our only way out of here and his father

625

00:23:29,830 --> 00:23:27,360

who's also pilot is freaking out uh

626

00:23:32,630 --> 00:23:29,840

so they they uh

627

00:23:34,630 --> 00:23:32,640

head for that tunnel and as they get to

628

00:23:36,630 --> 00:23:34,640

the tunnel it starts collapsing the

629

00:23:38,390 --> 00:23:36,640

clouds are spinning

630

00:23:40,549 --> 00:23:38,400

counterclockwise in the tunnel it's

631

00:23:42,630 --> 00:23:40,559

shrinking uh all the instruments

632

00:23:43,430 --> 00:23:42,640

electronic instruments go out

633

00:23:44,950 --> 00:23:43,440

uh

634

00:23:47,669 --> 00:23:44,960

there's no radio

635

00:23:51,269 --> 00:23:47,679

and uh before the before they entered

636

00:23:53,430 --> 00:23:51,279

the cloud they had contacted the miami

637

00:23:55,269 --> 00:23:53,440

tower and the miami tower said there's

638

00:23:57,190 --> 00:23:55,279

no there's no airplane out there by

639

00:23:58,390 --> 00:23:57,200

bimini which is where they thought they

640

00:23:59,909 --> 00:23:58,400

were

641

00:24:02,470 --> 00:23:59,919

uh and

642

00:24:04,630 --> 00:24:02,480

they go through this tunnel and uh

643

00:24:06,149 --> 00:24:04,640

because they see blue sky on the other

644

00:24:08,070 --> 00:24:06,159

side they get through it and there's no

645

00:24:09,110 --> 00:24:08,080

more blue sky it's just kind of a yellow

646

00:24:10,310 --> 00:24:09,120

fog

647

00:24:14,470 --> 00:24:10,320

and

648

00:24:15,510 --> 00:24:14,480

the instruments are still working but

649

00:24:19,669 --> 00:24:15,520

the

650

00:24:21,990 --> 00:24:19,679

picked you up uh we see a plane coming

651
00:24:24,470 --> 00:24:22,000
right over miami beach and bruce says no

652
00:24:27,269 --> 00:24:24,480
we're out by bimini's uh and he looks

653
00:24:30,149 --> 00:24:27,279
down there all the fog disappears and

654
00:24:32,870 --> 00:24:30,159
there's miami beach uh so

655
00:24:33,909 --> 00:24:32,880
that was the timing way off

656
00:24:34,630 --> 00:24:33,919
yeah

657
00:24:36,789 --> 00:24:34,640
well

658
00:24:37,750 --> 00:24:36,799
you know like so we've all heard kind of

659
00:24:39,110 --> 00:24:37,760
those

660
00:24:40,710 --> 00:24:39,120
there's so many interesting parts of

661
00:24:42,070 --> 00:24:40,720
that we jump off so many ways i have a

662
00:24:44,070 --> 00:24:42,080
friend

663
00:24:46,390 --> 00:24:44,080

who i kind of know through skeptical

664

00:24:49,269 --> 00:24:46,400

fantastic researcher recently got his

665

00:24:52,950 --> 00:24:49,279

phd is probably one of the

666

00:24:54,630 --> 00:24:52,960

leading authorities on uh precognitive

667

00:24:56,390 --> 00:24:54,640

dreams and has chronicled all these

668

00:24:57,909 --> 00:24:56,400

dreams so anyways

669

00:24:59,029 --> 00:24:57,919

we've been talking about

670

00:25:00,630 --> 00:24:59,039

yeah well

671

00:25:01,990 --> 00:25:00,640

we the weeble weeble i was gonna leave

672

00:25:04,310 --> 00:25:02,000

the name out of it because i'm gonna

673

00:25:07,110 --> 00:25:04,320

tell the story

674

00:25:09,669 --> 00:25:07,120

i love his stories trish

675

00:25:13,029 --> 00:25:09,679

i'm sorry okay andy okay andy you've

676

00:25:14,950 --> 00:25:13,039

been totally outed here okay

677

00:25:17,110 --> 00:25:14,960

and he's telling me i can i can edit

678

00:25:19,909 --> 00:25:17,120

that out if we want

679

00:25:21,750 --> 00:25:19,919

do you guys decide okay

680

00:25:23,590 --> 00:25:21,760

i'm sorry real quick since i jumped in

681

00:25:25,190 --> 00:25:23,600

rob can you i was worried about audio

682

00:25:27,430 --> 00:25:25,200

when we started can you tilt your can

683

00:25:29,909 --> 00:25:27,440

you tilt your uh desktop uh camera back

684

00:25:33,110 --> 00:25:29,919

just a little bit so you're so oh your

685

00:25:35,350 --> 00:25:33,120

head's cutting off yeah ah okay sorry

686

00:25:36,710 --> 00:25:35,360

better a little bit more okay just a bit

687

00:25:38,149 --> 00:25:36,720

more smidge more

688

00:25:40,390 --> 00:25:38,159

there you go you're good okay sorry

689

00:25:42,470 --> 00:25:40,400

about that that was disappearing okay

690

00:25:43,590 --> 00:25:42,480

all right all right sorry i'll get a

691

00:25:45,669 --> 00:25:43,600

mutant now

692

00:25:47,669 --> 00:25:45,679

okay so this relates to your story

693

00:25:50,390 --> 00:25:47,679

because this guy whose name we won't

694

00:25:51,750 --> 00:25:50,400

mention is driving across the desert

695

00:25:53,430 --> 00:25:51,760

with his mom

696

00:25:55,590 --> 00:25:53,440

and i think his sister's in the back

697

00:25:58,870 --> 00:25:55,600

seat they see this strange light they

698

00:26:01,590 --> 00:25:58,880

pull off the side of the road

699

00:26:03,510 --> 00:26:01,600

they wind up back in the car and it's

700

00:26:05,830 --> 00:26:03,520

like four hours later

701
00:26:07,029 --> 00:26:05,840
the morning news is coming on

702
00:26:08,470 --> 00:26:07,039
and i go

703
00:26:10,070 --> 00:26:08,480
and he's telling me this and he's

704
00:26:12,710 --> 00:26:10,080
telling me all these other paranormal

705
00:26:14,950 --> 00:26:12,720
things that happened to him and i'm like

706
00:26:17,350 --> 00:26:14,960
you know i mean like i'm trying to be

707
00:26:18,950 --> 00:26:17,360
sensitive which i'm not always so great

708
00:26:21,029 --> 00:26:18,960
at but i go

709
00:26:22,630 --> 00:26:21,039
this is a classic

710
00:26:26,390 --> 00:26:22,640
missing time

711
00:26:29,510 --> 00:26:26,400
abduction story right you see the light

712
00:26:33,269 --> 00:26:29,520
missing time something

713
00:26:36,070 --> 00:26:33,279

and he couldn't really go there i mean

714

00:26:38,390 --> 00:26:36,080

it's not like he's like locking up but i

715

00:26:42,149 --> 00:26:38,400

just think that's interesting with the

716

00:26:44,070 --> 00:26:42,159

guy you're mentioning here it's

717

00:26:46,230 --> 00:26:44,080

that there's so many there's so many

718

00:26:49,029 --> 00:26:46,240

ways to process that both from a human

719

00:26:52,870 --> 00:26:49,039

level what do we what do we screen out

720

00:26:55,510 --> 00:26:52,880

in our ordinary consciousness you know

721

00:26:58,070 --> 00:26:55,520

suppressed memories repressed memories

722

00:27:00,230 --> 00:26:58,080

all that kind of stuff and then

723

00:27:03,510 --> 00:27:00,240

is that process being aided and

724

00:27:06,070 --> 00:27:03,520

facilitated by

725

00:27:07,990 --> 00:27:06,080

these entities who are interfering with

726

00:27:10,390 --> 00:27:08,000

or creating that process so i just think

727

00:27:11,990 --> 00:27:10,400

there's a lot to that and i always also

728

00:27:13,669 --> 00:27:12,000

yeah i'll just leave it at that we can

729

00:27:15,269 --> 00:27:13,679

all just talk about all these stories

730

00:27:18,149 --> 00:27:15,279

but the other thing that's related to

731

00:27:19,669 --> 00:27:18,159

that i think or i think may be related

732

00:27:20,950 --> 00:27:19,679

but i don't hear us always talking about

733

00:27:23,669 --> 00:27:20,960

the connection

734

00:27:25,669 --> 00:27:23,679

is the implanted memories and i always

735

00:27:27,830 --> 00:27:25,679

think of ray hernandez from the free

736

00:27:29,950 --> 00:27:27,840

project where his wife is having having

737

00:27:34,310 --> 00:27:29,960

this incredible experience

738

00:27:36,710 --> 00:27:34,320

downstairs with this eat with e.t and he

739

00:27:39,510 --> 00:27:36,720

walks gets halfway down the stairs and

740

00:27:40,710 --> 00:27:39,520

then he turns around and remembers a

741

00:27:41,990 --> 00:27:40,720

very

742

00:27:44,149 --> 00:27:42,000

dominant

743

00:27:46,310 --> 00:27:44,159

voice like his own voice saying oh this

744

00:27:48,789 --> 00:27:46,320

is ridiculous i'm going to go back

745

00:27:49,669 --> 00:27:48,799

upstairs and go to bed

746

00:27:51,750 --> 00:27:49,679

wow

747

00:27:54,389 --> 00:27:51,760

back from that you go well that doesn't

748

00:27:56,630 --> 00:27:54,399

make any logical sense it sounds like a

749

00:27:58,149 --> 00:27:56,640

screened memory and you gotta wonder if

750

00:28:00,870 --> 00:27:58,159

the same thing is going on here when

751
00:28:02,950 --> 00:28:00,880
people approach that and you lay it out

752
00:28:04,789 --> 00:28:02,960
to them you know like you guys do is

753
00:28:07,750 --> 00:28:04,799
kind of part of your thing of collecting

754
00:28:09,990 --> 00:28:07,760
store and say really that's interesting

755
00:28:12,070 --> 00:28:10,000
and then you don't there's a missing

756
00:28:14,149 --> 00:28:12,080
time but no you weren't abducted or

757
00:28:16,950 --> 00:28:14,159
anything like no no no well you know

758
00:28:18,710 --> 00:28:16,960
what i mean i mean right so so i i i

759
00:28:20,389 --> 00:28:18,720
have an interesting story about joe

760
00:28:22,389 --> 00:28:20,399
though we get back to joe here and trish

761
00:28:25,029 --> 00:28:22,399
wants to tell her story about joe but

762
00:28:27,510 --> 00:28:25,039
the the one we were in the keys uh in

763
00:28:29,669 --> 00:28:27,520

bruce gurnen's uh he had a

764

00:28:30,950 --> 00:28:29,679

a house down there and we were staying

765

00:28:32,310 --> 00:28:30,960

there

766

00:28:34,389 --> 00:28:32,320

and

767

00:28:37,350 --> 00:28:34,399

we had this uh

768

00:28:39,029 --> 00:28:37,360

we had uh our daughter and a friend and

769

00:28:39,750 --> 00:28:39,039

they were out uh

770

00:28:42,870 --> 00:28:39,760

with

771

00:28:44,710 --> 00:28:42,880

uh on a kayak and they had some diving

772

00:28:46,149 --> 00:28:44,720

gear or just uh

773

00:28:49,269 --> 00:28:46,159

snorkeling gear

774

00:28:52,549 --> 00:28:49,279

yeah and it flip flip tipped over

775

00:28:54,470 --> 00:28:52,559

and uh it sank and they were ah just 50

776

00:28:56,630 --> 00:28:54,480

75 feet offshore

777

00:28:59,190 --> 00:28:56,640

they came in and there were like two

778

00:29:00,950 --> 00:28:59,200

sets of it and i went out looking to to

779

00:29:02,549 --> 00:29:00,960

grab this stuff and i found

780

00:29:04,470 --> 00:29:02,559

just

781

00:29:06,950 --> 00:29:04,480

one set of goggles nothing else you know

782

00:29:10,389 --> 00:29:06,960

i'm right in that area and so joe

783

00:29:12,950 --> 00:29:10,399

decides to remote view this thing

784

00:29:14,230 --> 00:29:12,960

from the house you know i mean it's it's

785

00:29:15,510 --> 00:29:14,240

very close

786

00:29:17,510 --> 00:29:15,520

uh

787

00:29:19,909 --> 00:29:17,520

wait a minute this was not

788

00:29:21,029 --> 00:29:19,919

this where was this trish this was

789

00:29:23,750 --> 00:29:21,039

i don't think it was

790

00:29:25,990 --> 00:29:23,760

it was not at bruce's house we we stayed

791

00:29:29,190 --> 00:29:26,000

at a uh another friend of our it was

792

00:29:31,669 --> 00:29:29,200

al's house yeah yeah right uh so

793

00:29:33,269 --> 00:29:31,679

this is right on on the water

794

00:29:34,710 --> 00:29:33,279

it doesn't matter for the story it's

795

00:29:35,909 --> 00:29:34,720

it's still in the keys it's just a

796

00:29:39,430 --> 00:29:35,919

different key

797

00:29:42,870 --> 00:29:39,440

and anyhow so uh

798

00:29:44,549 --> 00:29:42,880

joe decides uh to remote view it and he

799

00:29:46,789 --> 00:29:44,559

and he's working away on scooters saying

800

00:29:49,350 --> 00:29:46,799

don't do it don't you're on vacation

801
00:29:50,310 --> 00:29:49,360
don't do it

802
00:29:52,389 --> 00:29:50,320
and

803
00:29:54,549 --> 00:29:52,399
he can't find it you know he's he's

804
00:29:57,110 --> 00:29:54,559
searching for searching for you know

805
00:29:59,669 --> 00:29:57,120
expect this guy you know super uh remote

806
00:30:02,070 --> 00:29:59,679
viewer number one to nail that sucker

807
00:30:03,510 --> 00:30:02,080
you know what he can't find and and

808
00:30:05,430 --> 00:30:03,520
finally you know he's i must have

809
00:30:07,029 --> 00:30:05,440
drifted off or something i don't know

810
00:30:09,590 --> 00:30:07,039
because i was out there looking for it

811
00:30:11,830 --> 00:30:09,600
it's just kind of a funny story i mean

812
00:30:15,350 --> 00:30:11,840
the you know that things don't always

813
00:30:17,590 --> 00:30:15,360

work as you expect them to work

814

00:30:21,110 --> 00:30:17,600

so that's that's a perfect that's a

815

00:30:24,310 --> 00:30:21,120

perfect lead-in to trisha's story yeah

816

00:30:26,870 --> 00:30:24,320

so we decided to meet scooter and joe

817

00:30:28,470 --> 00:30:26,880

in a lutheran and it's a really it's

818

00:30:30,070 --> 00:30:28,480

it's the largest i think it's one of the

819

00:30:31,350 --> 00:30:30,080

largest

820

00:30:35,190 --> 00:30:31,360

keys

821

00:30:36,389 --> 00:30:35,200

longest skinny yeah the skin is

822

00:30:39,510 --> 00:30:36,399

is the largest

823

00:30:41,510 --> 00:30:39,520

that's right and uh we run in a house

824

00:30:43,990 --> 00:30:41,520

and i had been sort now this is in the

825

00:30:45,990 --> 00:30:44,000

days before the iphone okay i had like a

826
00:30:47,510 --> 00:30:46,000
a blackberry that was my only connection

827
00:30:49,909 --> 00:30:47,520
to the outside world so i was kept

828
00:30:51,669 --> 00:30:49,919
trying to keep tabs on this system that

829
00:30:52,870 --> 00:30:51,679
had formed off the coast

830
00:30:54,230 --> 00:30:52,880
of uh

831
00:30:56,630 --> 00:30:54,240
of florida

832
00:30:59,430 --> 00:30:56,640
and it eventually became a

833
00:31:00,549 --> 00:30:59,440
a cat one so i said to joe and scooter i

834
00:31:02,149 --> 00:31:00,559
said we better

835
00:31:05,590 --> 00:31:02,159
i feel like this thing is going to hit

836
00:31:07,029 --> 00:31:05,600
here so we need to go get some groceries

837
00:31:09,350 --> 00:31:07,039
and so first though we went to the

838
00:31:11,269 --> 00:31:09,360

library and i used their computer and

839

00:31:12,870 --> 00:31:11,279

showed you know national hurricane

840

00:31:14,870 --> 00:31:12,880

center where they had this this

841

00:31:17,430 --> 00:31:14,880

hurricane centered and where it was

842

00:31:19,430 --> 00:31:17,440

going its path and all that now the back

843

00:31:22,630 --> 00:31:19,440

story of this is i have been studying

844

00:31:25,110 --> 00:31:22,640

hurricanes for a novel called cat 5 that

845

00:31:26,230 --> 00:31:25,120

hits my island tango key that i created

846

00:31:28,070 --> 00:31:26,240

fictionally

847

00:31:30,389 --> 00:31:28,080

so i knew quite a bit about hurricanes

848

00:31:31,830 --> 00:31:30,399

so at the at the library joe's kind of

849

00:31:33,750 --> 00:31:31,840

leaning over my shoulder and he says

850

00:31:36,310 --> 00:31:33,760

this isn't going to hit us

851

00:31:38,149 --> 00:31:36,320

i said joe it is going to hit us and we

852

00:31:39,750 --> 00:31:38,159

need to go get groceries you know we

853

00:31:41,750 --> 00:31:39,760

need camp food we need water we need

854

00:31:42,950 --> 00:31:41,760

blah blah i went through my hurricane

855

00:31:44,789 --> 00:31:42,960

list

856

00:31:46,549 --> 00:31:44,799

and so finally we did

857

00:31:49,990 --> 00:31:46,559

we did go to

858

00:31:51,669 --> 00:31:50,000

the grocery store and got some supplies

859

00:31:52,950 --> 00:31:51,679

and we get back to the house and he's

860

00:31:55,029 --> 00:31:52,960

still insisting that it's not going to

861

00:31:57,750 --> 00:31:55,039

hit i said yes it is

862

00:31:59,830 --> 00:31:57,760

and sure enough it did hit as a cat one

863

00:32:03,909 --> 00:31:59,840

we lost power

864

00:32:06,870 --> 00:32:03,919

rest of the time we were there

865

00:32:07,990 --> 00:32:06,880

and the rain was so bad that we had to

866

00:32:09,430 --> 00:32:08,000

be

867

00:32:10,470 --> 00:32:09,440

taken out

868

00:32:11,269 --> 00:32:10,480

right now yeah

869

00:32:12,950 --> 00:32:11,279

but we

870

00:32:15,430 --> 00:32:12,960

removed from the house yeah the water

871

00:32:18,470 --> 00:32:15,440

was up to six feet in one area and there

872

00:32:20,389 --> 00:32:18,480

was only one road out uh and the water

873

00:32:24,070 --> 00:32:20,399

was covering the road and we were

874

00:32:25,190 --> 00:32:24,080

basically trapped stranded yeah and uh

875

00:32:27,430 --> 00:32:25,200

and

876

00:32:29,190 --> 00:32:27,440

the even the toilets wouldn't flush

877

00:32:31,269 --> 00:32:29,200

we had to take a bucket and go down to

878

00:32:33,509 --> 00:32:31,279

shore and i would i would wait out like

879

00:32:35,909 --> 00:32:33,519

up to my ankles and put down the bucket

880

00:32:37,590 --> 00:32:35,919

and then a wave would wash over my head

881

00:32:39,509 --> 00:32:37,600

knocking me down as i'm trying to get

882

00:32:41,750 --> 00:32:39,519

water for the toilet you know it was a

883

00:32:43,509 --> 00:32:41,760

disaster basically

884

00:32:45,590 --> 00:32:43,519

and we'd sit at night with flashlights

885

00:32:47,269 --> 00:32:45,600

and play scrabble i mean that was about

886

00:32:50,310 --> 00:32:47,279

the only thing we could do

887

00:32:53,190 --> 00:32:50,320

yeah and uh then there were people

888

00:32:54,950 --> 00:32:53,200

we saw people that were also trapped

889

00:32:57,029 --> 00:32:54,960

carrying luggage on their head and

890

00:32:59,350 --> 00:32:57,039

walking in up to water in their ways

891

00:33:01,909 --> 00:32:59,360

past the house where we were staying and

892

00:33:04,310 --> 00:33:01,919

uh but no now wait a minute did did joe

893

00:33:06,149 --> 00:33:04,320

claim that he had remote viewed it and

894

00:33:08,870 --> 00:33:06,159

that's how he knew it or he was just

895

00:33:11,029 --> 00:33:08,880

looking over i don't know i don't know

896

00:33:13,590 --> 00:33:11,039

that's the thing is when you're uh it's

897

00:33:15,190 --> 00:33:13,600

like you have these abilities you know

898

00:33:18,470 --> 00:33:15,200

you say things

899

00:33:20,710 --> 00:33:18,480

uh sometimes that you know you expect to

900

00:33:23,110 --> 00:33:20,720

be taken as an authority even though

901
00:33:25,110 --> 00:33:23,120
you're not tuned in psychically and i

902
00:33:26,789 --> 00:33:25,120
think that was kind of that case but it

903
00:33:27,669 --> 00:33:26,799
was also a case that

904
00:33:29,509 --> 00:33:27,679
he

905
00:33:31,669 --> 00:33:29,519
did not want that hurricane to hit us

906
00:33:33,830 --> 00:33:31,679
because we just got there you know and

907
00:33:36,710 --> 00:33:33,840
he was kind of wishing it away i guess

908
00:33:39,110 --> 00:33:36,720
uh and trish wasn't trying to bring it

909
00:33:42,310 --> 00:33:39,120
in but she was being you know more

910
00:33:43,509 --> 00:33:42,320
realistic about what she was seeing uh

911
00:33:45,269 --> 00:33:43,519
you know

912
00:33:47,110 --> 00:33:45,279
and i mean the national hurricane center

913
00:33:50,630 --> 00:33:47,120

knows that they know their business you

914

00:33:52,710 --> 00:33:50,640

know yeah uh so you know it's so so he

915

00:33:55,190 --> 00:33:52,720

wasn't remote viewing it at all but he

916

00:33:57,590 --> 00:33:55,200

you know but anyhow uh

917

00:33:59,190 --> 00:33:57,600

that see i i agree i i don't think you

918

00:34:01,909 --> 00:33:59,200

can really like

919

00:34:03,509 --> 00:34:01,919

psychics and remote viewers and they're

920

00:34:05,590 --> 00:34:03,519

different but they're maybe similar

921

00:34:06,870 --> 00:34:05,600

they're not supposed to be on all the

922

00:34:08,629 --> 00:34:06,880

time so there's two different things one

923

00:34:10,550 --> 00:34:08,639

they're not on all the time but number

924

00:34:12,950 --> 00:34:10,560

two when they're on they're not accurate

925

00:34:14,550 --> 00:34:12,960

all the time and i think that's a that's

926

00:34:16,550 --> 00:34:14,560

a really important part of it you know

927

00:34:19,349 --> 00:34:16,560

that's the reason like the reason i

928

00:34:20,950 --> 00:34:19,359

originally contacted you guys was uh

929

00:34:23,030 --> 00:34:20,960

or one of the reasons was because the

930

00:34:24,790 --> 00:34:23,040

interview series you did with uh

931

00:34:26,790 --> 00:34:24,800

preston dennett who's been on your show

932

00:34:28,470 --> 00:34:26,800

a couple of times yeah

933

00:34:30,550 --> 00:34:28,480

and i said you know this is kind of a

934

00:34:34,230 --> 00:34:30,560

process i'm really interested in and

935

00:34:36,790 --> 00:34:34,240

that's that how do we find out who's

936

00:34:38,550 --> 00:34:36,800

who's credible and you know

937

00:34:40,389 --> 00:34:38,560

back to this thing are we about

938

00:34:43,030 --> 00:34:40,399

collecting stories

939

00:34:45,030 --> 00:34:43,040

or are we about nudging towards some

940

00:34:47,030 --> 00:34:45,040

kind of truth uh what is our

941

00:34:50,310 --> 00:34:47,040

responsibility for making sure that

942

00:34:51,510 --> 00:34:50,320

people are being truthful

943

00:34:53,589 --> 00:34:51,520

both

944

00:34:56,629 --> 00:34:53,599

intentionally being truthful or

945

00:34:59,270 --> 00:34:56,639

intentionally deceiving or inadvertently

946

00:35:01,990 --> 00:34:59,280

being untruthful inadvertently

947

00:35:04,630 --> 00:35:02,000

deceiving or being self-delusion

948

00:35:06,470 --> 00:35:04,640

delusional kind of thing it's an issue

949

00:35:08,470 --> 00:35:06,480

that i think pops up over and over again

950

00:35:11,430 --> 00:35:08,480

and i think it's especially relevant to

951
00:35:12,870 --> 00:35:11,440
the ufo community because the whole

952
00:35:17,109 --> 00:35:12,880
story of

953
00:35:19,910 --> 00:35:17,119
very very

954
00:35:22,550 --> 00:35:19,920
sophisticated uh misinformation and

955
00:35:23,510 --> 00:35:22,560
disinformation and i think in a lot of

956
00:35:26,069 --> 00:35:23,520
ways

957
00:35:28,310 --> 00:35:26,079
they should be studied as

958
00:35:30,790 --> 00:35:28,320
revealing the kind of

959
00:35:32,069 --> 00:35:30,800
tools and methods for

960
00:35:34,310 --> 00:35:32,079
the larger

961
00:35:36,550 --> 00:35:34,320
kind of social engineering that seems to

962
00:35:37,750 --> 00:35:36,560
be going on all around us whether it's

963
00:35:40,870 --> 00:35:37,760

you know

964

00:35:43,270 --> 00:35:40,880

whatever the issue is everything is a

965

00:35:45,270 --> 00:35:43,280

psyop now everything is controlled

966

00:35:47,829 --> 00:35:45,280

information and we're like used to it

967

00:35:50,069 --> 00:35:47,839

now but i think the origins of that

968

00:35:51,670 --> 00:35:50,079

within this ufo topic are quite

969

00:35:53,190 --> 00:35:51,680

revealing you know because we have

970

00:35:55,589 --> 00:35:53,200

people

971

00:35:58,150 --> 00:35:55,599

like richard dodie you know and paul

972

00:36:00,550 --> 00:35:58,160

benowitz who you know where it's it's

973

00:36:02,710 --> 00:36:00,560

open it's out in the open we can study

974

00:36:04,390 --> 00:36:02,720

what they did and how they did the

975

00:36:08,470 --> 00:36:04,400

misinformation

976

00:36:10,550 --> 00:36:08,480

particularly in a post-disclosure versus

977

00:36:12,470 --> 00:36:10,560

pre-disclosure kind of world you know we

978

00:36:14,390 --> 00:36:12,480

can look back when they denied all this

979

00:36:16,710 --> 00:36:14,400

stuff and now we can look at where it's

980

00:36:19,030 --> 00:36:16,720

now an official part of the story right

981

00:36:21,589 --> 00:36:19,040

and then we can compare that to the

982

00:36:24,150 --> 00:36:21,599

misinformation disinformation

983

00:36:25,589 --> 00:36:24,160

during that period and i think we we get

984

00:36:27,270 --> 00:36:25,599

a really

985

00:36:31,270 --> 00:36:27,280

really interesting uh kind of

986

00:36:34,230 --> 00:36:33,190

yeah so as story collectors which you

987

00:36:37,109 --> 00:36:34,240

guys are

988

00:36:39,030 --> 00:36:37,119

what's uh what how responsible is

989

00:36:40,870 --> 00:36:39,040

preston for telling

990

00:36:42,390 --> 00:36:40,880

for his stories but him being

991

00:36:43,990 --> 00:36:42,400

responsible for his stories being

992

00:36:45,190 --> 00:36:44,000

truthful whether he's intentionally

993

00:36:46,710 --> 00:36:45,200

lying or not

994

00:36:49,030 --> 00:36:46,720

i don't think he's intentionally lying

995

00:36:50,069 --> 00:36:49,040

why i like preston is he's done so much

996

00:36:51,109 --> 00:36:50,079

research

997

00:36:54,150 --> 00:36:51,119

and he's

998

00:36:55,990 --> 00:36:54,160

poured this research into his books i

999

00:36:57,910 --> 00:36:56,000

mean who'd ever think about writing a

1000

00:36:59,510 --> 00:36:57,920

book about ufos over

1001
00:37:02,710 --> 00:36:59,520
drive-ins

1002
00:37:04,710 --> 00:37:02,720
you know but he's collected the stories

1003
00:37:05,750 --> 00:37:04,720
or what what was his other one robbed

1004
00:37:10,870 --> 00:37:05,760
about

1005
00:37:14,550 --> 00:37:10,880
various states

1006
00:37:16,390 --> 00:37:14,560
just an odd place 27 or 28 but uh

1007
00:37:18,870 --> 00:37:16,400
the thing is he just

1008
00:37:22,230 --> 00:37:18,880
lays those stories out there he has very

1009
00:37:24,550 --> 00:37:22,240
little analysis uh related to to the

1010
00:37:26,310 --> 00:37:24,560
stories and he doesn't uh

1011
00:37:28,790 --> 00:37:26,320
he doesn't dissect them yeah he doesn't

1012
00:37:30,310 --> 00:37:28,800
dissect him he doesn't uh question them

1013
00:37:33,109 --> 00:37:30,320

he just says okay this is what they're

1014

00:37:34,950 --> 00:37:33,119

saying the so here here's the story it's

1015

00:37:37,349 --> 00:37:34,960

and more or less it's up to you to

1016

00:37:40,069 --> 00:37:37,359

whether you believe it or not and

1017

00:37:41,990 --> 00:37:40,079

no it's like entering no i no that's not

1018

00:37:43,670 --> 00:37:42,000

no that's not it at all i just

1019

00:37:44,470 --> 00:37:43,680

re-listened to the interview that you

1020

00:37:46,470 --> 00:37:44,480

guys

1021

00:37:48,230 --> 00:37:46,480

gave with him and he gives he has plenty

1022

00:37:50,710 --> 00:37:48,240

of analysis about

1023

00:37:53,910 --> 00:37:50,720

why they're doing it why they allowed

1024

00:37:57,030 --> 00:37:53,920

dolly to pilot this [h__h] why they why

1025

00:37:59,270 --> 00:37:57,040

they don't reveal what they could reveal

1026

00:38:02,069 --> 00:37:59,280

how these videos were collected what he

1027

00:38:04,310 --> 00:38:02,079

saw and yeah dolly is another dolly's

1028

00:38:07,190 --> 00:38:04,320

his latest book is another case uh he he

1029

00:38:09,589 --> 00:38:07,200

does go into more uh

1030

00:38:11,190 --> 00:38:09,599

analysis about her story and well i've

1031

00:38:13,030 --> 00:38:11,200

heard plenty of other interviews with

1032

00:38:16,790 --> 00:38:13,040

him where he he makes all sorts of

1033

00:38:19,510 --> 00:38:16,800

claims that to me just uh

1034

00:38:22,870 --> 00:38:19,520

need to be challenged i i'm a believer

1035

00:38:25,430 --> 00:38:22,880

you know but the way i process this data

1036

00:38:28,390 --> 00:38:25,440

and the the reliable sources is a lot

1037

00:38:30,390 --> 00:38:28,400

different than uh preston dennett does

1038

00:38:32,950 --> 00:38:30,400

and i think when whenever people claim

1039

00:38:34,550 --> 00:38:32,960

that you know oh they don't they don't

1040

00:38:36,390 --> 00:38:34,560

don't worry about anyone who doesn't

1041

00:38:39,829 --> 00:38:36,400

believe me because they're skeptics and

1042

00:38:41,829 --> 00:38:39,839

stuff like that i'm very uh reluctant to

1043

00:38:44,230 --> 00:38:41,839

that you know the people that i most

1044

00:38:47,829 --> 00:38:44,240

respect in this field

1045

00:38:50,310 --> 00:38:47,839

are very open to the fact that they have

1046

00:38:51,270 --> 00:38:50,320

to establish what they know and how they

1047

00:38:52,069 --> 00:38:51,280

know it

1048

00:38:53,349 --> 00:38:52,079

uh

1049

00:38:55,349 --> 00:38:53,359

you know the best they can one of the

1050

00:38:56,630 --> 00:38:55,359

guys i really like is robert hastings

1051
00:38:59,109 --> 00:38:56,640
and i've never interviewed him but i had

1052
00:39:02,069 --> 00:38:59,119
a very nice email exchange with him and

1053
00:39:04,950 --> 00:39:02,079
he's of course the guy who did the ufo

1054
00:39:06,870 --> 00:39:04,960
and nukes thing for 40 years he

1055
00:39:09,670 --> 00:39:06,880
investigated it and you guys are

1056
00:39:11,430 --> 00:39:09,680
familiar with that no doubt but out of

1057
00:39:15,190 --> 00:39:11,440
that comes

1058
00:39:18,069 --> 00:39:15,200
some very important like data like they

1059
00:39:20,230 --> 00:39:18,079
shut down the freaking nukes

1060
00:39:22,470 --> 00:39:20,240
one at a time and they shut down 10 of

1061
00:39:24,630 --> 00:39:22,480
them and then they turned them on and

1062
00:39:26,230 --> 00:39:24,640
then they go the wall comes down in

1063
00:39:27,910 --> 00:39:26,240

russia and they go over and they find

1064

00:39:31,270 --> 00:39:27,920

that hey the same thing happened to the

1065

00:39:33,990 --> 00:39:31,280

ukraine and ussr and they activated the

1066

00:39:35,829 --> 00:39:34,000

nukes and he has all the

1067

00:39:39,109 --> 00:39:35,839

officials from the air force and other

1068

00:39:41,030 --> 00:39:39,119

who confirm that that did happen so you

1069

00:39:42,790 --> 00:39:41,040

know there's a guy who very carefully

1070

00:39:44,069 --> 00:39:42,800

goes through the data and then at the

1071

00:39:46,710 --> 00:39:44,079

very end

1072

00:39:48,550 --> 00:39:46,720

adds that well i am an experienter and

1073

00:39:50,069 --> 00:39:48,560

my mom is an experienter but that

1074

00:39:52,069 --> 00:39:50,079

doesn't have anything to do with the way

1075

00:39:55,270 --> 00:39:52,079

i've constructed this story i've

1076

00:39:58,390 --> 00:39:55,280

constructed this story with 140

1077

00:40:01,670 --> 00:39:58,400

of the most reliable witnesses you could

1078

00:40:03,030 --> 00:40:01,680

find and what's the name of his book

1079

00:40:05,190 --> 00:40:03,040

does he have a book

1080

00:40:06,710 --> 00:40:05,200

oh robert hastings he has uh several

1081

00:40:10,150 --> 00:40:06,720

books uh

1082

00:40:13,270 --> 00:40:10,160

ufos and nukes yeah ufos uh ufos and

1083

00:40:15,190 --> 00:40:13,280

nukes ufos and nukes

1084

00:40:16,630 --> 00:40:15,200

is this a nuclear base in montana that

1085

00:40:18,069 --> 00:40:16,640

they shut down is that the one you're

1086

00:40:19,990 --> 00:40:18,079

talking about

1087

00:40:22,550 --> 00:40:20,000

he there you know

1088

00:40:25,589 --> 00:40:22,560

you really investigate it like he has

1089

00:40:30,790 --> 00:40:25,599

there are multiple ones of these okay

1090

00:40:34,230 --> 00:40:30,800

60s oh in the 40s 50s 60s 70s 80s

1091

00:40:37,270 --> 00:40:34,240

there are uh reports of this but the and

1092

00:40:40,550 --> 00:40:37,280

it's super important information i think

1093

00:40:42,550 --> 00:40:40,560

in in data sets because

1094

00:40:45,030 --> 00:40:42,560

it says so many things and i mean since

1095

00:40:46,790 --> 00:40:45,040

you got i can't i'm surprised i should

1096

00:40:47,910 --> 00:40:46,800

say that you guys are not aware of that

1097

00:40:49,829 --> 00:40:47,920

kind of stuff because i thought it was

1098

00:40:53,430 --> 00:40:49,839

good

1099

00:40:55,109 --> 00:40:53,440

but you know

1100

00:40:56,230 --> 00:40:55,119

the most interesting part of my email

1101
00:40:57,349 --> 00:40:56,240
exchange

1102
00:41:01,990 --> 00:40:57,359
with uh

1103
00:41:06,309 --> 00:41:04,470
like uh preston dennett gives this kind

1104
00:41:09,190 --> 00:41:06,319
of environmental speech which is really

1105
00:41:11,829 --> 00:41:09,200
kind of silly you know that hey the e.t

1106
00:41:14,470 --> 00:41:11,839
is here to save us and you know he's

1107
00:41:16,630 --> 00:41:14,480
green just like us and wants to save the

1108
00:41:18,710 --> 00:41:16,640
planet and all this other nonsense he

1109
00:41:21,270 --> 00:41:18,720
just has no support for and is not

1110
00:41:23,430 --> 00:41:21,280
supported by the larger data that we see

1111
00:41:25,589 --> 00:41:23,440
and i'm an environmentalist but i i

1112
00:41:28,470 --> 00:41:25,599
don't know i disagree with that i think

1113
00:41:29,990 --> 00:41:28,480

there's a lot of uh experiencers who say

1114

00:41:31,670 --> 00:41:30,000

this very same thing about the

1115

00:41:34,550 --> 00:41:31,680

environment that that's their message

1116

00:41:36,390 --> 00:41:34,560

and that goes all the way back to bed

1117

00:41:38,390 --> 00:41:36,400

so so there's a lot of people say that

1118

00:41:40,470 --> 00:41:38,400

you know what you know what a direct uh

1119

00:41:43,670 --> 00:41:40,480

point on that is do you know how kenneth

1120

00:41:45,510 --> 00:41:43,680

ring is yeah they're very out-of-body

1121

00:41:47,430 --> 00:41:45,520

uh researchers

1122

00:41:49,910 --> 00:41:47,440

near-death experience researcher and

1123

00:41:52,790 --> 00:41:49,920

then got interested in the out of body

1124

00:41:55,270 --> 00:41:52,800

and etsy you know back in the back in

1125

00:41:59,349 --> 00:41:55,280

the day like in late 80s there were a

1126
00:42:00,790 --> 00:41:59,359
lot of near-death experiencers who were

1127
00:42:02,710 --> 00:42:00,800
coming forward there's a pattern of

1128
00:42:04,150 --> 00:42:02,720
people saying i see

1129
00:42:07,030 --> 00:42:04,160
these

1130
00:42:08,550 --> 00:42:07,040
catastrophic cataclysmic environmental

1131
00:42:10,390 --> 00:42:08,560
things happening

1132
00:42:11,630 --> 00:42:10,400
and they were even specifically pointing

1133
00:42:14,309 --> 00:42:11,640
to a date

1134
00:42:16,470 --> 00:42:14,319
1988 was the date

1135
00:42:19,270 --> 00:42:16,480
and then there was a researcher in the

1136
00:42:20,470 --> 00:42:19,280
uk that actually replicated the work

1137
00:42:23,270 --> 00:42:20,480
with other

1138
00:42:25,069 --> 00:42:23,280

nde and they were all pointing towards

1139

00:42:26,870 --> 00:42:25,079

the same date

1140

00:42:29,510 --> 00:42:26,880

1988.

1141

00:42:31,510 --> 00:42:29,520

of course that day came and went and

1142

00:42:34,630 --> 00:42:31,520

nothing like that happened so they're

1143

00:42:36,790 --> 00:42:34,640

really so yeah there's a lot of those

1144

00:42:38,790 --> 00:42:36,800

stories but when we look to into

1145

00:42:40,790 --> 00:42:38,800

independently verify that and i'm an

1146

00:42:43,670 --> 00:42:40,800

environmentalist

1147

00:42:44,550 --> 00:42:43,680

i just don't i just don't think the data

1148

00:42:47,670 --> 00:42:44,560

for

1149

00:42:49,190 --> 00:42:47,680

the uh cataclysmic

1150

00:42:49,990 --> 00:42:49,200

global warming

1151

00:42:53,109 --> 00:42:50,000

uh

1152

00:42:55,349 --> 00:42:53,119

science hijack which has been done is

1153

00:42:58,150 --> 00:42:55,359

supported by the scientific evidence it

1154

00:43:01,430 --> 00:42:58,160

just clearly isn't it is clearly a scam

1155

00:43:05,109 --> 00:43:01,440

it is clearly an abomination of science

1156

00:43:06,790 --> 00:43:05,119

so the truth about the environment is

1157

00:43:09,109 --> 00:43:06,800

going to have to be found someplace else

1158

00:43:10,829 --> 00:43:09,119

because it isn't going to be found in

1159

00:43:13,030 --> 00:43:10,839

the lies that are

1160

00:43:16,790 --> 00:43:13,040

being let me ask you a question

1161

00:43:19,510 --> 00:43:16,800

alex if you have a personal experience

1162

00:43:20,870 --> 00:43:19,520

about any of this say ufo or climate

1163

00:43:24,069 --> 00:43:20,880

change or whatever

1164

00:43:26,069 --> 00:43:24,079

do you believe your own experience

1165

00:43:27,750 --> 00:43:26,079

i i think that's an i think that's a

1166

00:43:30,630 --> 00:43:27,760

great question and it's really at the

1167

00:43:33,589 --> 00:43:30,640

core of a lot of this yeah it is because

1168

00:43:36,230 --> 00:43:33,599

because like one of the things i'd say

1169

00:43:38,829 --> 00:43:36,240

is that if we're really objective about

1170

00:43:41,910 --> 00:43:38,839

it like look on one

1171

00:43:43,670 --> 00:43:41,920

level none of this is real i mean

1172

00:43:46,710 --> 00:43:43,680

consciousness is fundamental there is

1173

00:43:49,270 --> 00:43:46,720

some spiritual dimension of this

1174

00:43:50,630 --> 00:43:49,280

that makes all of this kind of silly

1175

00:43:53,109 --> 00:43:50,640

right i mean

1176

00:43:55,750 --> 00:43:53,119

we're not really

1177

00:43:57,349 --> 00:43:55,760

doing anything we're just on this little

1178

00:43:58,470 --> 00:43:57,359

space for a short period of time and

1179

00:44:00,470 --> 00:43:58,480

then we're

1180

00:44:02,390 --> 00:44:00,480

it appears that our consciousness

1181

00:44:04,550 --> 00:44:02,400

survives and there is this existence

1182

00:44:06,790 --> 00:44:04,560

before and after and in that time frame

1183

00:44:11,270 --> 00:44:06,800

all this stuff is kind of

1184

00:44:15,670 --> 00:44:12,950

because i i think it's an important

1185

00:44:19,109 --> 00:44:15,680

question and my answer to it is

1186

00:44:21,430 --> 00:44:19,119

i'm very i'm skeptical of my own

1187

00:44:23,190 --> 00:44:21,440

individual experience because the

1188

00:44:25,510 --> 00:44:23,200

evidence suggests that i should be

1189

00:44:27,829 --> 00:44:25,520

skeptical in the same way that i said

1190

00:44:31,030 --> 00:44:27,839

when ray hernandez is walking down the

1191

00:44:32,630 --> 00:44:31,040

stairs and the voice inside his head his

1192

00:44:34,470 --> 00:44:32,640

head says

1193

00:44:36,550 --> 00:44:34,480

there's nothing going on here go back

1194

00:44:37,750 --> 00:44:36,560

upstairs and go to bed well should he

1195

00:44:39,670 --> 00:44:37,760

just

1196

00:44:42,069 --> 00:44:39,680

he has to question

1197

00:44:44,309 --> 00:44:42,079

that experience even though it's his own

1198

00:44:46,630 --> 00:44:44,319

experience if you're a near-death

1199

00:44:49,270 --> 00:44:46,640

experiencer and your

1200

00:44:51,030 --> 00:44:49,280

your experience falls outside of the

1201
00:44:53,109 --> 00:44:51,040
range let's say and i've interviewed a

1202
00:44:55,510 --> 00:44:53,119
couple of people jesus it's all about

1203
00:44:57,349 --> 00:44:55,520
jesus anyone who doesn't see jesus and

1204
00:44:58,870 --> 00:44:57,359
doesn't have jesus as the central focus

1205
00:45:00,069 --> 00:44:58,880
of their near-death experience it's

1206
00:45:02,230 --> 00:45:00,079
satanic

1207
00:45:03,589 --> 00:45:02,240
do they need to question their

1208
00:45:05,750 --> 00:45:03,599
experience

1209
00:45:07,670 --> 00:45:05,760
they do they need to look at the broader

1210
00:45:09,750 --> 00:45:07,680
data thousands of cases that have been

1211
00:45:11,589 --> 00:45:09,760
collected throughout all these different

1212
00:45:12,950 --> 00:45:11,599
religious traditions and they need to

1213
00:45:15,670 --> 00:45:12,960

say hmm

1214

00:45:18,230 --> 00:45:15,680

i need to re-examine my experience i

1215

00:45:20,470 --> 00:45:18,240

don't need to deny it but i need to

1216

00:45:22,950 --> 00:45:20,480

maybe re-examine it because it doesn't

1217

00:45:24,790 --> 00:45:22,960

seem to fit in this broader experience

1218

00:45:28,069 --> 00:45:24,800

that's what i think

1219

00:45:30,150 --> 00:45:28,079

okay here's something in 1987 rob and i

1220

00:45:32,309 --> 00:45:30,160

were living in fort lauderdale and we

1221

00:45:33,670 --> 00:45:32,319

knew two psychics renee wiley and tony

1222

00:45:36,069 --> 00:45:33,680

grosso

1223

00:45:38,069 --> 00:45:36,079

both were very good psychics

1224

00:45:39,190 --> 00:45:38,079

but renee had this voice that was

1225

00:45:40,550 --> 00:45:39,200

hypnotic

1226

00:45:43,109 --> 00:45:40,560

and so one night we're sitting there and

1227

00:45:45,510 --> 00:45:43,119

she goes hey let me progress you guys to

1228

00:45:47,430 --> 00:45:45,520

the future we'll make it unspecified and

1229

00:45:49,670 --> 00:45:47,440

tell me what you see

1230

00:45:51,670 --> 00:45:49,680

so i said okay this sounds good rob said

1231

00:45:53,829 --> 00:45:51,680

okay tony said fine

1232

00:45:55,190 --> 00:45:53,839

and she started talking and i felt

1233

00:45:56,230 --> 00:45:55,200

myself

1234

00:45:57,589 --> 00:45:56,240

you know

1235

00:45:59,270 --> 00:45:57,599

going to wherever that place is when

1236

00:46:01,349 --> 00:45:59,280

you're under hypnosis

1237

00:46:04,870 --> 00:46:01,359

and i saw myself

1238

00:46:05,750 --> 00:46:04,880

as a very tall bald woman living in a

1239

00:46:08,710 --> 00:46:05,760

dome

1240

00:46:09,910 --> 00:46:08,720

because the world outside was so toxic

1241

00:46:13,030 --> 00:46:09,920

it was just

1242

00:46:14,710 --> 00:46:13,040

that image so two years later i run

1243

00:46:16,870 --> 00:46:14,720

across a book

1244

00:46:19,190 --> 00:46:16,880

called mass dreams of the future it was

1245

00:46:21,430 --> 00:46:19,200

by helen wamba who was a psychologist

1246

00:46:23,910 --> 00:46:21,440

who was known as a past life

1247

00:46:26,710 --> 00:46:23,920

regressionist well apparently at one

1248

00:46:29,670 --> 00:46:26,720

point she went to europe and progressed

1249

00:46:32,390 --> 00:46:29,680

20 like over 2 000 people to the future

1250

00:46:34,710 --> 00:46:32,400

she said 2100 she would take

1251
00:46:35,829 --> 00:46:34,720
and one of the three scenarios that came

1252
00:46:38,309 --> 00:46:35,839
out of this

1253
00:46:40,790 --> 00:46:38,319
was a was people living in a dome

1254
00:46:43,030 --> 00:46:40,800
just like what i saw

1255
00:46:44,870 --> 00:46:43,040
you know and she said it was because the

1256
00:46:46,710 --> 00:46:44,880
outside world was so toxic well for me

1257
00:46:48,069 --> 00:46:46,720
that was kind of a confirmation of what

1258
00:46:50,950 --> 00:46:48,079
i had seen

1259
00:46:52,710 --> 00:46:50,960
but she she saw like three d

1260
00:46:55,030 --> 00:46:52,720
from three three or four different

1261
00:46:57,589 --> 00:46:55,040
options yeah options that was one of the

1262
00:47:00,150 --> 00:46:57,599
future one was a more a primitive

1263
00:47:03,270 --> 00:47:00,160

existence where there was no internet

1264

00:47:05,109 --> 00:47:03,280

and right uh and the another one was the

1265

00:47:06,390 --> 00:47:05,119

space station yeah right and there was

1266

00:47:08,150 --> 00:47:06,400

some other

1267

00:47:09,589 --> 00:47:08,160

yeah i think there were just three and

1268

00:47:10,790 --> 00:47:09,599

then the dome

1269

00:47:15,190 --> 00:47:10,800

yeah

1270

00:47:16,950 --> 00:47:15,200

so anyway in 1989 my daughter was born

1271

00:47:18,710 --> 00:47:16,960

the day after she was born it was about

1272

00:47:20,790 --> 00:47:18,720

1 30 in the morning they'd just taken

1273

00:47:23,190 --> 00:47:20,800

her back to the nursery so i laid back

1274

00:47:25,109 --> 00:47:23,200

down and i hear somebody calling my name

1275

00:47:26,790 --> 00:47:25,119

now i was not drugged i was just you

1276

00:47:28,390 --> 00:47:26,800

know sleepy

1277

00:47:30,870 --> 00:47:28,400

so i thought well that's weird so i sat

1278

00:47:32,870 --> 00:47:30,880

up nobody else in the ward is awake the

1279

00:47:35,109 --> 00:47:32,880

door's shut there's nobody standing

1280

00:47:36,870 --> 00:47:35,119

there so i laid back down

1281

00:47:39,750 --> 00:47:36,880

and i realized that the voice was

1282

00:47:41,030 --> 00:47:39,760

internal so i said i said i said okay

1283

00:47:44,230 --> 00:47:41,040

what is this

1284

00:47:47,030 --> 00:47:44,240

and i had an incredibly vivid

1285

00:47:49,430 --> 00:47:47,040

image of my daughter or a granddaughter

1286

00:47:52,390 --> 00:47:49,440

at some point in the future and megan or

1287

00:47:55,109 --> 00:47:52,400

whoever this was said i need to know

1288

00:47:56,790 --> 00:47:55,119

what you all were doing when i was born

1289

00:47:58,790 --> 00:47:56,800

where did you live i need all the facts

1290

00:48:01,750 --> 00:47:58,800

what time was i born you know all this

1291

00:48:03,349 --> 00:48:01,760

kind of stuff so i said why

1292

00:48:06,549 --> 00:48:03,359

so because all the records have been

1293

00:48:08,150 --> 00:48:06,559

destroyed i thought oh okay so i gave

1294

00:48:08,950 --> 00:48:08,160

her the information she asked for and

1295

00:48:10,150 --> 00:48:08,960

then i

1296

00:48:13,190 --> 00:48:10,160

that was it

1297

00:48:15,349 --> 00:48:13,200

but that was like another piece

1298

00:48:18,150 --> 00:48:15,359

of that same progression that renee had

1299

00:48:20,470 --> 00:48:18,160

done in 1987.

1300

00:48:21,990 --> 00:48:20,480

but that's what it felt like

1301
00:48:25,510 --> 00:48:22,000
but not enough right so are there any

1302
00:48:28,390 --> 00:48:25,520
reasons are there any reasons to be

1303
00:48:31,190 --> 00:48:28,400
uh to consider alternatives to that

1304
00:48:33,190 --> 00:48:31,200
reality that you saw or the precognitive

1305
00:48:35,670 --> 00:48:33,200
experience are there anyone who's had a

1306
00:48:37,829 --> 00:48:35,680
precognitive experience that's different

1307
00:48:40,069 --> 00:48:37,839
from yours that then we would have to

1308
00:48:41,670 --> 00:48:40,079
kind of say well gee one has to be right

1309
00:48:43,829 --> 00:48:41,680
one has to be wrong or there has to be

1310
00:48:45,910 --> 00:48:43,839
these multiple timelines which is kind

1311
00:48:48,390 --> 00:48:45,920
of impossible to go on and you know i

1312
00:48:50,150 --> 00:48:48,400
can ian mccormick is the guy who had the

1313
00:48:52,630 --> 00:48:50,160

near-death experience

1314

00:48:54,630 --> 00:48:52,640

and he's it's all about jesus and if

1315

00:48:57,190 --> 00:48:54,640

it's not about jesus it's about satan so

1316

00:48:58,790 --> 00:48:57,200

and he's sure of that he's d he was dead

1317

00:49:01,270 --> 00:48:58,800

as a matter of fact he was really dead

1318

00:49:04,309 --> 00:49:01,280

he got bit by or stung by

1319

00:49:06,710 --> 00:49:04,319

no he really was by uh box jellyfish you

1320

00:49:07,829 --> 00:49:06,720

know highly toxic seven times he was in

1321

00:49:12,870 --> 00:49:07,839

the morgue

1322

00:49:14,710 --> 00:49:12,880

a couple hours in this little island so

1323

00:49:16,390 --> 00:49:14,720

he was really there and he went and saw

1324

00:49:17,910 --> 00:49:16,400

jesus and jesus told him all these

1325

00:49:21,270 --> 00:49:17,920

things so

1326

00:49:24,470 --> 00:49:21,280

who do i trust who do i trust do i trust

1327

00:49:26,069 --> 00:49:24,480

ian he saw jesus or do i trust trish i

1328

00:49:28,309 --> 00:49:26,079

mean you didn't see jesus on this did

1329

00:49:30,390 --> 00:49:28,319

you jesus didn't tell you oh okay

1330

00:49:32,230 --> 00:49:30,400

well then we gotta go with ian right

1331

00:49:34,390 --> 00:49:32,240

oh but we got to go with ian we got to

1332

00:49:37,270 --> 00:49:34,400

go with his story he's a christian right

1333

00:49:38,870 --> 00:49:37,280

that's what i'm saying i mean

1334

00:49:40,870 --> 00:49:38,880

we have to sort this out and then i'm

1335

00:49:42,470 --> 00:49:40,880

telling you it can ring ken ring had all

1336

00:49:45,750 --> 00:49:42,480

these near-death experiences come back

1337

00:49:47,589 --> 00:49:45,760

and said 1988 is the end of the world

1338

00:49:49,109 --> 00:49:47,599

yeah i don't know you know it's but this

1339

00:49:50,309 --> 00:49:49,119

is something that has perplexed me my

1340

00:49:52,790 --> 00:49:50,319

whole life

1341

00:49:54,710 --> 00:49:52,800

you know it's it's like okay do you if

1342

00:49:57,510 --> 00:49:54,720

you have an experience do you disbelieve

1343

00:49:58,630 --> 00:49:57,520

your own experience

1344

00:50:00,710 --> 00:49:58,640

yes

1345

00:50:02,390 --> 00:50:00,720

be very suspicious be very skeptical of

1346

00:50:03,910 --> 00:50:02,400

your own experience it's just an

1347

00:50:05,670 --> 00:50:03,920

experience it's just the chattering of

1348

00:50:07,990 --> 00:50:05,680

your little mind up there that we all

1349

00:50:10,950 --> 00:50:08,000

have okay let me let me tell you

1350

00:50:13,589 --> 00:50:10,960

another story uh when tristan this is

1351
00:50:14,470 --> 00:50:13,599
when trish and i first met uh

1352
00:50:21,910 --> 00:50:14,480
i

1353
00:50:24,390 --> 00:50:21,920
both

1354
00:50:27,030 --> 00:50:24,400
involved in lives where nobody around us

1355
00:50:29,589 --> 00:50:27,040
had any interest in that we were both uh

1356
00:50:32,390 --> 00:50:29,599
reading these uh jane roberts seth books

1357
00:50:34,309 --> 00:50:32,400
but nobody else was and nobody had any

1358
00:50:35,270 --> 00:50:34,319
interest in these books and then we

1359
00:50:37,430 --> 00:50:35,280
found

1360
00:50:40,390 --> 00:50:37,440
when i i met her

1361
00:50:41,190 --> 00:50:40,400
that we had that that in common and so

1362
00:50:43,750 --> 00:50:41,200
uh

1363
00:50:46,309 --> 00:50:43,760

shortly after i met her i said have you

1364

00:50:47,750 --> 00:50:46,319

ever tried a ouija board uh

1365

00:50:50,630 --> 00:50:47,760

let's let's pick one up and just see

1366

00:50:53,750 --> 00:50:50,640

what happens so we did and

1367

00:50:55,670 --> 00:50:53,760

we got we got this message to

1368

00:50:58,710 --> 00:50:55,680

that it was coming from a ufo and that

1369

00:50:59,910 --> 00:50:58,720

we should go to the airport and uh there

1370

00:51:04,950 --> 00:50:59,920

would be

1371

00:51:06,790 --> 00:51:04,960

trish was living in fort lauderdale i

1372

00:51:09,430 --> 00:51:06,800

was in hollywood

1373

00:51:11,589 --> 00:51:09,440

so uh

1374

00:51:13,270 --> 00:51:11,599

it was like one o'clock in the morning

1375

00:51:15,109 --> 00:51:13,280

we went out there and we sat out there

1376

00:51:16,549 --> 00:51:15,119

for uh 12 30 to

1377

00:51:19,270 --> 00:51:16,559

we sat out there for

1378

00:51:21,589 --> 00:51:19,280

over an hour you know and looking up uh

1379

00:51:22,790 --> 00:51:21,599

there's there's no ufos here there's

1380

00:51:24,950 --> 00:51:22,800

this this

1381

00:51:27,750 --> 00:51:24,960

message must you know this must be a

1382

00:51:29,510 --> 00:51:27,760

trickster of some sort so

1383

00:51:31,990 --> 00:51:29,520

the next morning i have to get up really

1384

00:51:33,190 --> 00:51:32,000

early uh and uh i'm working in a

1385

00:51:36,230 --> 00:51:33,200

newspaper

1386

00:51:38,470 --> 00:51:36,240

and i have this deadline this uh some

1387

00:51:41,670 --> 00:51:38,480

kind of school board event was going on

1388

00:51:43,270 --> 00:51:41,680

and i had to call it in uh at like 9 30

1389

00:51:44,870 --> 00:51:43,280

or so and then i

1390

00:51:47,670 --> 00:51:44,880

had to rush back to the office and

1391

00:51:49,190 --> 00:51:47,680

follow up on it and contin

1392

00:51:51,589 --> 00:51:49,200

fill out the story

1393

00:51:53,030 --> 00:51:51,599

and as i finish the person on the next

1394

00:51:55,589 --> 00:51:53,040

desk

1395

00:51:57,030 --> 00:51:55,599

just was finishing her story and i look

1396

00:51:58,870 --> 00:51:57,040

over at her

1397

00:52:02,309 --> 00:51:58,880

and ask so what are you writing about

1398

00:52:04,549 --> 00:52:02,319

and she said oh there was a ufo cited

1399

00:52:07,190 --> 00:52:04,559

last night over perry airport well perry

1400

00:52:09,430 --> 00:52:07,200

airport is the small airport 10 miles

1401

00:52:11,670 --> 00:52:09,440

from fort lauderdale

1402

00:52:13,750 --> 00:52:11,680

where we were yeah and so that that

1403

00:52:16,390 --> 00:52:13,760

story her story was on the front page of

1404

00:52:20,230 --> 00:52:16,400

the hollywood sun tatler the next uh the

1405

00:52:22,150 --> 00:52:20,240

next uh that afternoon and uh so so that

1406

00:52:24,150 --> 00:52:22,160

night we go let's go to perry airport

1407

00:52:26,710 --> 00:52:24,160

and look for that ufo

1408

00:52:28,390 --> 00:52:26,720

you do we did yeah and there's no lights

1409

00:52:31,430 --> 00:52:28,400

at perry airport at night you know it's

1410

00:52:34,549 --> 00:52:31,440

really dark there's no ufos either

1411

00:52:37,349 --> 00:52:34,559

but as we're driving away trish and iron

1412

00:52:38,950 --> 00:52:37,359

separate carson i i turn on the radio

1413

00:52:40,309 --> 00:52:38,960

and there's an old

1414

00:52:44,150 --> 00:52:40,319

fashioned type

1415

00:52:45,910 --> 00:52:44,160

uh radio drama on which is strange i'm

1416

00:52:48,309 --> 00:52:45,920

i just kind of gone through the channel

1417

00:52:50,950 --> 00:52:48,319

so i started listening and it's about an

1418

00:52:53,430 --> 00:52:50,960

alien an alien is talking in this

1419

00:52:56,069 --> 00:52:53,440

story and you know it's just

1420

00:52:59,270 --> 00:52:56,079

uh like a simple synchronicity yeah

1421

00:53:02,309 --> 00:52:59,280

you know uh we we uh years ago we told

1422

00:53:03,829 --> 00:53:02,319

this to a ufologist very into it and he

1423

00:53:05,910 --> 00:53:03,839

said well

1424

00:53:08,100 --> 00:53:05,920

you didn't see any ufos you didn't meet

1425

00:53:10,390 --> 00:53:08,110

any aliens so that's really not a story

1426

00:53:12,549 --> 00:53:10,400

[Laughter]

1427

00:53:14,950 --> 00:53:12,559

but it's very much of a paranormal

1428

00:53:16,630 --> 00:53:14,960

psychic event you know that's very much

1429

00:53:17,589 --> 00:53:16,640

synchronicity

1430

00:53:20,470 --> 00:53:17,599

yeah

1431

00:53:23,750 --> 00:53:20,480

oh absolutely we have no idea i mean

1432

00:53:25,510 --> 00:53:23,760

what what the relationship is with uh

1433

00:53:27,589 --> 00:53:25,520

synchronicities with out-of-body

1434

00:53:29,910 --> 00:53:27,599

experiences with shamanic experiences

1435

00:53:32,150 --> 00:53:29,920

with near-death experiences we all all

1436

00:53:34,069 --> 00:53:32,160

have this sense that it's connected but

1437

00:53:34,870 --> 00:53:34,079

i think this issue of truth is going to

1438

00:53:40,230 --> 00:53:34,880

keep

1439

00:53:42,870 --> 00:53:40,240

is central to how we move forward and i

1440

00:53:44,390 --> 00:53:42,880

just don't think we can

1441

00:53:45,750 --> 00:53:44,400

like again and and i really mean this

1442

00:53:47,829 --> 00:53:45,760

sincerely what i was saying at the

1443

00:53:49,670 --> 00:53:47,839

beginning i'd like to explore this more

1444

00:53:51,109 --> 00:53:49,680

because

1445

00:53:53,510 --> 00:53:51,119

you guys are coming at this from a

1446

00:53:55,829 --> 00:53:53,520

different perspective which is a very

1447

00:53:57,589 --> 00:53:55,839

very valid perspective it is your and

1448

00:53:59,510 --> 00:53:57,599

it's also your lived experience you guys

1449

00:54:00,309 --> 00:53:59,520

are storytellers

1450

00:54:02,710 --> 00:54:00,319

so

1451
00:54:05,109 --> 00:54:02,720
i can come on pretty strong because i'm

1452
00:54:07,589 --> 00:54:05,119
trying to jar you out of that mindset

1453
00:54:09,990 --> 00:54:07,599
because that is not my mindset i am not

1454
00:54:12,870 --> 00:54:10,000
interested in people's stories i don't

1455
00:54:15,670 --> 00:54:12,880
give a [h__h] about your story i wan i'm

1456
00:54:17,829 --> 00:54:15,680
under this fantasy that i can move

1457
00:54:19,270 --> 00:54:17,839
towards something closer to what we

1458
00:54:21,670 --> 00:54:19,280
would call truth

1459
00:54:23,829 --> 00:54:21,680
so how do you see that

1460
00:54:25,270 --> 00:54:23,839
playing out how do you see that drama

1461
00:54:27,670 --> 00:54:25,280
playing out because you guys are also

1462
00:54:29,030 --> 00:54:27,680
you know news reporters i mean do you

1463
00:54:32,230 --> 00:54:29,040

understand that you have to get the

1464

00:54:34,150 --> 00:54:32,240

story right it has to be truthful right

1465

00:54:35,990 --> 00:54:34,160

i was what's that dynamic what's that

1466

00:54:37,510 --> 00:54:36,000

push and pull you know i pushed pretty

1467

00:54:39,430 --> 00:54:37,520

hard on preston dennett trying to get a

1468

00:54:40,950 --> 00:54:39,440

reaction out of you guys

1469

00:54:42,950 --> 00:54:40,960

well the thing is what you're talking

1470

00:54:45,030 --> 00:54:42,960

about is what's why the world was so

1471

00:54:47,750 --> 00:54:45,040

screwed up now because there's so much

1472

00:54:49,270 --> 00:54:47,760

disinformation about everything and so

1473

00:54:50,789 --> 00:54:49,280

the united states the people are just

1474

00:54:52,710 --> 00:54:50,799

totally divided

1475

00:54:54,870 --> 00:54:52,720

what's ever thus

1476

00:54:57,430 --> 00:54:54,880

is there a time when it wasn't

1477

00:54:58,950 --> 00:54:57,440

well now when i was part i i always

1478

00:55:00,789 --> 00:54:58,960

really you know i always point out

1479

00:55:02,390 --> 00:55:00,799

things

1480

00:55:06,710 --> 00:55:02,400

i don't know

1481

00:55:09,109 --> 00:55:06,720

50 years ago uh during the uh uh time

1482

00:55:11,190 --> 00:55:09,119

when people were really divide invited

1483

00:55:13,990 --> 00:55:11,200

again that uh this

1484

00:55:18,829 --> 00:55:14,000

was uh was the same thing it was uh kind

1485

00:55:22,789 --> 00:55:18,839

of the hippie era and the leftist uh

1486

00:55:24,789 --> 00:55:22,799

uh and the the the uh people on the

1487

00:55:26,390 --> 00:55:24,799

right were at each other's throats

1488

00:55:27,910 --> 00:55:26,400

basically and

1489

00:55:30,549 --> 00:55:27,920

i always like to i also like to remind

1490

00:55:34,470 --> 00:55:30,559

people about gloria steinem right

1491

00:55:36,390 --> 00:55:34,480

gloria steinem who like we needed a

1492

00:55:38,950 --> 00:55:36,400

woman's movement

1493

00:55:41,349 --> 00:55:38,960

women were in a you know i think about i

1494

00:55:43,990 --> 00:55:41,359

was reference my mom you know my mom

1495

00:55:46,470 --> 00:55:44,000

didn't have any options she's very

1496

00:55:49,030 --> 00:55:46,480

artistic intelligent you know she didn't

1497

00:55:50,950 --> 00:55:49,040

have any options that she could do and

1498

00:55:52,710 --> 00:55:50,960

it led to some really bad things in her

1499

00:55:54,630 --> 00:55:52,720

life because she couldn't you know

1500

00:55:56,150 --> 00:55:54,640

express herself i think that's part of

1501

00:55:58,549 --> 00:55:56,160

the reason why she

1502

00:56:00,789 --> 00:55:58,559

so we needed a woman's movement

1503

00:56:02,470 --> 00:56:00,799

but we didn't need the freaking cia to

1504

00:56:05,349 --> 00:56:02,480

run the women's movement

1505

00:56:06,950 --> 00:56:05,359

gloria steinem was cia and what a lot of

1506

00:56:10,230 --> 00:56:06,960

people don't real

1507

00:56:11,030 --> 00:56:10,240

how can you not know that um

1508

00:56:14,150 --> 00:56:11,040

just

1509

00:56:16,630 --> 00:56:14,160

she wasn't well she can go look in her

1510

00:56:17,670 --> 00:56:16,640

own words see so in the here's the

1511

00:56:20,950 --> 00:56:17,680

double

1512

00:56:23,270 --> 00:56:20,960

thing that you'll get so somebody outs

1513

00:56:24,789 --> 00:56:23,280

glorious dynam and then gloria steinem

1514

00:56:26,150 --> 00:56:24,799

has to respond and you can watch the old

1515

00:56:27,430 --> 00:56:26,160

black and white thing where she responds

1516

00:56:30,630 --> 00:56:27,440

she goes yes

1517

00:56:32,870 --> 00:56:30,640

i did cooperate with the cia but

1518

00:56:34,630 --> 00:56:32,880

i had to do it because this was too

1519

00:56:35,670 --> 00:56:34,640

important of a movement and i found them

1520

00:56:37,430 --> 00:56:35,680

to be

1521

00:56:38,789 --> 00:56:37,440

really not what you think you know

1522

00:56:39,510 --> 00:56:38,799

they're really progressive and all the

1523

00:56:41,589 --> 00:56:39,520

rest

1524

00:56:43,510 --> 00:56:41,599

well sounds good but it's [h__h]

1525

00:56:46,789 --> 00:56:43,520

because the truth is if you go look at

1526

00:56:49,190 --> 00:56:46,799

her past she was cia before she started

1527

00:56:51,750 --> 00:56:49,200

the movies the women's movement she was

1528

00:56:54,069 --> 00:56:51,760

cia from the beginning she was cia when

1529

00:56:56,230 --> 00:56:54,079

she was working with the

1530

00:56:59,349 --> 00:56:56,240

student movement and then she was

1531

00:57:02,069 --> 00:56:59,359

interjected into this just like they

1532

00:57:03,829 --> 00:57:02,079

co-opted the ufo uh

1533

00:57:04,950 --> 00:57:03,839

movement right so there's all these

1534

00:57:06,870 --> 00:57:04,960

people

1535

00:57:08,309 --> 00:57:06,880

so hold on we got to finish this story

1536

00:57:09,430 --> 00:57:08,319

we got what we're going to talk about

1537

00:57:11,349 --> 00:57:09,440

we're going to talk about your story

1538

00:57:13,349 --> 00:57:11,359

peter lamenda but the point you can't

1539

00:57:15,670 --> 00:57:13,359

slip off of gloria steinem because

1540

00:57:18,309 --> 00:57:15,680

because gloria steinem if you didn't

1541

00:57:20,789 --> 00:57:18,319

know that then you lived through the you

1542

00:57:22,470 --> 00:57:20,799

lived through that whole era thinking

1543

00:57:24,630 --> 00:57:22,480

wow aren't things

1544

00:57:27,670 --> 00:57:24,640

aren't things really kind of great and

1545

00:57:29,589 --> 00:57:27,680

once you understand the death story

1546

00:57:31,670 --> 00:57:29,599

but you know the point the point's the

1547

00:57:34,390 --> 00:57:31,680

same it's like you're saying wow the

1548

00:57:36,630 --> 00:57:34,400

disinformation misinformation is so bad

1549

00:57:38,630 --> 00:57:36,640

now in a lot of ways i could say it's

1550

00:57:40,870 --> 00:57:38,640

worse back then because you didn't even

1551
00:57:42,630 --> 00:57:40,880
know it but what did she what did she do

1552
00:57:44,710 --> 00:57:42,640
that affected us in a

1553
00:57:46,789 --> 00:57:44,720
negative way regarding this yeah [h__h]

1554
00:57:50,710 --> 00:57:46,799
rob that's the wrong [h__h] question

1555
00:57:53,589 --> 00:57:50,720
isn't it she was run by the [h__h] cia

1556
00:57:55,990 --> 00:57:53,599
why would we why would we why would that

1557
00:57:57,349 --> 00:57:56,000
would be the question

1558
00:58:01,670 --> 00:57:57,359
was interesting business women's

1559
00:58:03,829 --> 00:58:01,680
movement what business does the cia have

1560
00:58:06,390 --> 00:58:03,839
in socially engineering the women's

1561
00:58:08,870 --> 00:58:06,400
movement what business do they have what

1562
00:58:12,150 --> 00:58:08,880
was their purpose what was their purpose

1563
00:58:13,750 --> 00:58:12,160

yeah well let's go find out go ask them

1564

00:58:15,670 --> 00:58:13,760

but the point no you guys are missing

1565

00:58:17,510 --> 00:58:15,680

the point the point isn't that's like

1566

00:58:19,510 --> 00:58:17,520

saying you know what was uh what was

1567

00:58:21,270 --> 00:58:19,520

gobel's purpose why did goebbels you

1568

00:58:22,390 --> 00:58:21,280

know generate all that propaganda what

1569

00:58:24,390 --> 00:58:22,400

was his purpose

1570

00:58:26,950 --> 00:58:24,400

no the point is that if he was

1571

00:58:29,750 --> 00:58:26,960

controlling the information flow then

1572

00:58:31,910 --> 00:58:29,760

you have to be suspicious so if gloria

1573

00:58:34,870 --> 00:58:31,920

and then if gloria steinem was

1574

00:58:36,950 --> 00:58:34,880

was cia and if she was cia before she

1575

00:58:39,190 --> 00:58:36,960

ever entered the women's movement that

1576

00:58:41,270 --> 00:58:39,200

tells the story you can't then work

1577

00:58:42,309 --> 00:58:41,280

backwards what is the story

1578

00:58:45,030 --> 00:58:42,319

and what what

1579

00:58:47,510 --> 00:58:45,040

she was cia the story is she was cia i

1580

00:58:49,510 --> 00:58:47,520

mean so is so is so is harry geller you

1581

00:58:52,230 --> 00:58:49,520

know i mean uri geller works with a lot

1582

00:58:54,950 --> 00:58:52,240

of intelligence he's mossad he was he's

1583

00:58:56,470 --> 00:58:54,960

mossad right right he was doing you know

1584

00:59:01,829 --> 00:58:56,480

uh

1585

00:59:04,470 --> 00:59:01,839

know if it's just bending spoons for the

1586

00:59:07,750 --> 00:59:04,480

cia and the mossad or whatever but he

1587

00:59:08,870 --> 00:59:07,760

was he was working with them uh and you

1588

00:59:11,829 --> 00:59:08,880

know i mean

1589

00:59:13,510 --> 00:59:11,839

that he was he was hired by them uh and

1590

00:59:15,030 --> 00:59:13,520

that's one of the

1591

00:59:17,270 --> 00:59:15,040

ways he became

1592

00:59:19,270 --> 00:59:17,280

and also a lot of private uh people as

1593

00:59:21,270 --> 00:59:19,280

well in business

1594

00:59:24,069 --> 00:59:21,280

he became a multi-millionaire and lives

1595

00:59:26,549 --> 00:59:24,079

in a capsule and uh so he made use of

1596

00:59:28,950 --> 00:59:26,559

his abilities and the ways

1597

00:59:31,270 --> 00:59:28,960

that uh that he could but i don't think

1598

00:59:33,670 --> 00:59:31,280

he thinks that he did anything really

1599

00:59:35,750 --> 00:59:33,680

terrible he was trying to you know help

1600

00:59:37,670 --> 00:59:35,760

help people out i think

1601
00:59:39,829 --> 00:59:37,680
maybe i don't know

1602
00:59:41,670 --> 00:59:39,839
well have you ever had him on

1603
00:59:42,789 --> 00:59:41,680
have yuri geller on

1604
00:59:43,829 --> 00:59:42,799
no i i

1605
00:59:45,030 --> 00:59:43,839
well

1606
00:59:48,309 --> 00:59:45,040
can you know

1607
00:59:49,829 --> 00:59:48,319
like i i don't quite understand where

1608
00:59:51,910 --> 00:59:49,839
where you're going with that i mean the

1609
00:59:56,630 --> 00:59:51,920
important thing to me in that story is

1610
00:59:59,510 --> 00:59:56,640
that yes uh eric geller was uh mossad he

1611
01:00:00,870 --> 00:59:59,520
was cia and our intelligence agencies

1612
01:00:02,950 --> 01:00:00,880
were deeply

1613
01:00:04,789 --> 01:00:02,960

i mean try this on for size here's where

1614

01:00:07,750 --> 01:00:04,799

i take that

1615

01:00:11,349 --> 01:00:07,760

our intelligence agencies were deeply

1616

01:00:14,150 --> 01:00:11,359

deeply interested in operationalizing

1617

01:00:16,230 --> 01:00:14,160

weapon weaponizing extended

1618

01:00:18,470 --> 01:00:16,240

consciousness

1619

01:00:21,430 --> 01:00:18,480

at the same time

1620

01:00:24,390 --> 01:00:21,440

they were perpetuating this false

1621

01:00:26,230 --> 01:00:24,400

narrative among academia that still

1622

01:00:28,470 --> 01:00:26,240

persists to this day

1623

01:00:30,630 --> 01:00:28,480

that there is no such thing as extended

1624

01:00:33,030 --> 01:00:30,640

consciousness there's nothing to see

1625

01:00:36,870 --> 01:00:33,040

here folks don't worry about it none of

1626
01:00:40,789 --> 01:00:39,270
i think that's changing

1627
01:00:44,470 --> 01:00:40,799
i do

1628
01:00:47,349 --> 01:00:44,480
can i play a clip uh yeah john play clip

1629
01:00:49,990 --> 01:00:47,359
but do i have the ability to um you yeah

1630
01:00:51,030 --> 01:00:50,000
just uh share your screen

1631
01:00:59,430 --> 01:00:51,040
okay

1632
01:01:01,430 --> 01:00:59,440
this is from my

1633
01:01:03,910 --> 01:01:01,440
and and by the way when when you guys

1634
01:01:05,750 --> 01:01:03,920
get done before we uh before we sign off

1635
01:01:07,510 --> 01:01:05,760
i've got i've got a question that might

1636
01:01:08,950 --> 01:01:07,520
be like it's not related to any of this

1637
01:01:10,390 --> 01:01:08,960
but i would be interested in getting a

1638
01:01:13,349 --> 01:01:10,400

response from alex

1639

01:01:17,349 --> 01:01:13,359

maybe maybe a post show clip but uh

1640

01:01:19,589 --> 01:01:17,359

uh after show uh after credit scene yeah

1641

01:01:22,549 --> 01:01:19,599

hey you gotta john you're gonna have to

1642

01:01:24,309 --> 01:01:22,559

allow me to share my screen

1643

01:01:27,030 --> 01:01:24,319

okay i think you go over to

1644

01:01:28,230 --> 01:01:27,040

participation cia be careful

1645

01:01:30,490 --> 01:01:28,240

no

1646

01:01:32,390 --> 01:01:30,500

the defense department yeah dod

1647

01:01:34,789 --> 01:01:32,400

[Laughter]

1648

01:01:38,789 --> 01:01:34,799

oh man is that true john really it is

1649

01:01:39,829 --> 01:01:38,799

that is true man yeah i'm i'm a software

1650

01:01:42,309 --> 01:01:39,839

engineer

1651

01:01:43,620 --> 01:01:42,319

just like you so just like me okay oh

1652

01:01:45,589 --> 01:01:43,630

then you're good thank you yeah

1653

01:01:47,990 --> 01:01:45,599

[Laughter]

1654

01:01:49,990 --> 01:01:48,000

um let's see yeah

1655

01:01:50,829 --> 01:01:50,000

i have i don't guess this has ever come

1656

01:01:52,870 --> 01:01:50,839

up

1657

01:01:55,750 --> 01:01:52,880

before i don't think it is

1658

01:01:57,510 --> 01:01:55,760

that's no big i i can just talk you

1659

01:01:59,430 --> 01:01:57,520

through it

1660

01:02:01,910 --> 01:01:59,440

i just i just published this interview

1661

01:02:03,190 --> 01:02:01,920

with this terrific guy dr gregory

1662

01:02:07,109 --> 01:02:03,200

shushan

1663

01:02:10,230 --> 01:02:07,119

who is uh you know oxford college london

1664

01:02:12,150 --> 01:02:10,240

i mean just very recognized scholar

1665

01:02:15,190 --> 01:02:12,160

see if it'll let you know i just i just

1666

01:02:18,789 --> 01:02:15,200

uh okay change the set

1667

01:02:25,029 --> 01:02:22,230

okay here it comes

1668

01:02:31,270 --> 01:02:27,349

okay

1669

01:02:32,520 --> 01:02:31,280

here's dr gregory shashan i'll just play

1670

01:02:34,230 --> 01:02:32,530

this

1671

01:02:38,069 --> 01:02:34,240

[Music]

1672

01:02:40,069 --> 01:02:38,079

a show about finding truth in science

1673

01:02:42,549 --> 01:02:40,079

there actually were a lot of accounts

1674

01:02:44,789 --> 01:02:42,559

overtly saying this particular person

1675

01:02:46,950 --> 01:02:44,799

died went to the other world and came

1676

01:02:49,109 --> 01:02:46,960

back and that's how we know what the

1677

01:02:51,349 --> 01:02:49,119

afterlife was like i found you know

1678

01:02:52,309 --> 01:02:51,359

40 50 60 of them from different parts of

1679

01:02:54,390 --> 01:02:52,319

the world

1680

01:02:55,990 --> 01:02:54,400

so that's not in dispute

1681

01:02:57,670 --> 01:02:56,000

the idea that

1682

01:03:00,549 --> 01:02:57,680

for all these thousands of years in

1683

01:03:02,470 --> 01:03:00,559

pretty much every cultural region of the

1684

01:03:05,109 --> 01:03:02,480

planet people have just been making

1685

01:03:06,950 --> 01:03:05,119

things up and let's instead

1686

01:03:08,390 --> 01:03:06,960

look at the world through our own sort

1687

01:03:11,270 --> 01:03:08,400

of mechanistic

1688

01:03:13,270 --> 01:03:11,280

materialistic scientific viewpoint

1689

01:03:15,029 --> 01:03:13,280

and say that no it's all culture and

1690

01:03:17,029 --> 01:03:15,039

it's all in the brain

1691

01:03:18,470 --> 01:03:17,039

to me that's a pretty limited way of

1692

01:03:20,470 --> 01:03:18,480

looking at the world and that to me

1693

01:03:22,789 --> 01:03:20,480

seems completely illogical and

1694

01:03:25,430 --> 01:03:22,799

unreasonable and it's faith rather than

1695

01:03:28,069 --> 01:03:25,440

science it's people sticking to their

1696

01:03:29,270 --> 01:03:28,079

predetermined philosophical paradigms

1697

01:03:31,990 --> 01:03:29,280

rather than looking at the actual

1698

01:03:34,470 --> 01:03:32,000

evidence and extrapolating from it

1699

01:03:36,630 --> 01:03:34,480

and a show about spotting scientists who

1700

01:03:38,789 --> 01:03:36,640

are full of baloney

1701

01:03:42,549 --> 01:03:38,799

i don't have any answer in the bible

1702

01:03:44,470 --> 01:03:42,559

what to do when humans are no longer

1703

01:03:46,789 --> 01:03:44,480

useful to the economy

1704

01:03:48,549 --> 01:03:46,799

you need completely new ideologies

1705

01:03:50,870 --> 01:03:48,559

completely new religions

1706

01:03:52,470 --> 01:03:50,880

and they are likely to emerge from

1707

01:03:54,150 --> 01:03:52,480

silicon valley

1708

01:03:55,430 --> 01:03:54,160

everything that the old religions

1709

01:03:58,630 --> 01:03:55,440

promised

1710

01:04:02,069 --> 01:03:58,640

happiness and justice and even eternal

1711

01:04:05,349 --> 01:04:02,079

life but here on earth with the help of

1712

01:04:07,829 --> 01:04:05,359

technology and not after death with the

1713

01:04:10,630 --> 01:04:07,839

help of some supernatural being

1714

01:04:12,870 --> 01:04:10,640

what are humans for

1715

01:04:14,309 --> 01:04:12,880

as far as we know for nothing i mean

1716

01:04:19,910 --> 01:04:14,319

there is

1717

01:04:22,710 --> 01:04:19,920

great cosmic plan

1718

01:04:25,270 --> 01:04:22,720

that we have a role to play in it

1719

01:04:27,190 --> 01:04:25,280

uh this has been the story of

1720

01:04:29,990 --> 01:04:27,200

all religions and ideologies and so

1721

01:04:31,990 --> 01:04:30,000

forth but as a scientist the best i can

1722

01:04:33,910 --> 01:04:32,000

say this is not true

1723

01:04:36,470 --> 01:04:33,920

first clip you heard was from today's

1724

01:04:38,309 --> 01:04:36,480

guest dr gregory shushaun who seemed to

1725

01:04:40,789 --> 01:04:38,319

be a little bit embarrassed when i said

1726

01:04:43,990 --> 01:04:40,799

he's doing some of the most important

1727

01:04:46,230 --> 01:04:44,000

work in science period full stop

1728

01:04:49,750 --> 01:04:46,240

so in this introduction i had to pair

1729

01:04:53,349 --> 01:04:49,760

his quote with one from a science

1730

01:04:55,829 --> 01:04:53,359

darling right now dr yuval harari who is

1731

01:04:57,589 --> 01:04:55,839

name dropped by barack obama and bill

1732

01:04:59,670 --> 01:04:57,599

gates and zuckerberg and has sold 30

1733

01:05:01,829 --> 01:04:59,680

million books and is on 60 minutes and

1734

01:05:03,270 --> 01:05:01,839

is all over the place and of course is

1735

01:05:05,589 --> 01:05:03,280

one of the key members in the world

1736

01:05:07,910 --> 01:05:05,599

economic forum great reset that's just

1737

01:05:10,870 --> 01:05:07,920

the way it is but as that quote reveals

1738

01:05:13,430 --> 01:05:10,880

he's really not too well informed on

1739

01:05:17,349 --> 01:05:13,440

science is he at least on the science

1740

01:05:20,069 --> 01:05:17,359

we've explored here on skeptica he's

1741

01:05:22,789 --> 01:05:20,079

certainly not up to date on why we're

1742

01:05:26,630 --> 01:05:22,799

not biological robots in a meaningless

1743

01:05:28,150 --> 01:05:26,640

universe ah but we shall leave all

1744

01:05:30,549 --> 01:05:28,160

okay so i'll leave that alone but that

1745

01:05:33,430 --> 01:05:30,559

directly contradicts what you just said

1746

01:05:34,630 --> 01:05:33,440

trish no it's not changing

1747

01:05:37,750 --> 01:05:34,640

this guy

1748

01:05:38,950 --> 01:05:37,760

is the lead guy right now in terms of

1749

01:05:41,910 --> 01:05:38,960

science

1750

01:05:44,549 --> 01:05:41,920

and he's saying exactly the opposite of

1751
01:05:47,109 --> 01:05:44,559
what you're saying no there is no remote

1752
01:05:49,109 --> 01:05:47,119
viewing that never really happened yuri

1753
01:05:51,829 --> 01:05:49,119
never bent those spoons none of that

1754
01:05:53,190 --> 01:05:51,839
stuff happened you were a biological

1755
01:05:56,710 --> 01:05:53,200
that is

1756
01:05:59,270 --> 01:05:56,720
you're saying you know yeah and it's not

1757
01:06:01,589 --> 01:05:59,280
changing it's not changing it's not

1758
01:06:03,029 --> 01:06:01,599
there isn't this big momentum or any

1759
01:06:04,710 --> 01:06:03,039
it's not true

1760
01:06:07,750 --> 01:06:04,720
i'm not saying that science is changing

1761
01:06:10,390 --> 01:06:07,760
i'm saying that people are shifting

1762
01:06:11,349 --> 01:06:10,400
no everybody took the jab they took the

1763
01:06:15,029 --> 01:06:11,359

jab

1764

01:06:17,109 --> 01:06:15,039

global warming they're not changing they

1765

01:06:19,190 --> 01:06:17,119

don't understand science the problem

1766

01:06:21,270 --> 01:06:19,200

with global warming isn't that we

1767

01:06:23,510 --> 01:06:21,280

shouldn't care about the environment the

1768

01:06:26,150 --> 01:06:23,520

problem with global warming is that it

1769

01:06:29,190 --> 01:06:26,160

isn't supported by the science sea level

1770

01:06:30,630 --> 01:06:29,200

right sea levels haven't risen in 40

1771

01:06:33,589 --> 01:06:30,640

years in

1772

01:06:35,750 --> 01:06:33,599

forever

1773

01:06:37,670 --> 01:06:35,760

no it's just not true go look at the

1774

01:06:40,390 --> 01:06:37,680

data in the miami beach they've been

1775

01:06:42,549 --> 01:06:40,400

collecting that data forever go look at

1776

01:06:53,910 --> 01:06:42,559

the data they've collected no it hasn't

1777

01:06:57,670 --> 01:06:55,430

drive down there

1778

01:06:58,870 --> 01:06:57,680

after a rainstorm and see how it's

1779

01:07:00,390 --> 01:06:58,880

flooded

1780

01:07:02,710 --> 01:07:00,400

that's

1781

01:07:04,630 --> 01:07:02,720

trish when you say it's [h__\h] what i

1782

01:07:07,829 --> 01:07:04,640

interpret that to me based on what i

1783

01:07:09,829 --> 01:07:07,839

just said is there are people

1784

01:07:12,309 --> 01:07:09,839

scientists i should say

1785

01:07:14,950 --> 01:07:12,319

who have for the longest time been

1786

01:07:17,910 --> 01:07:14,960

collecting the sea level recording the

1787

01:07:21,430 --> 01:07:17,920

sea level right of miami beach they do

1788

01:07:23,990 --> 01:07:21,440

it in a is a precise way as possible

1789

01:07:26,390 --> 01:07:24,000

i would challenge you to go look at

1790

01:07:29,190 --> 01:07:26,400

their data and see if their data

1791

01:07:30,950 --> 01:07:29,200

confirms your observation your

1792

01:07:33,829 --> 01:07:30,960

individual observation of how it looks

1793

01:07:36,390 --> 01:07:33,839

after a storm i think you'll find

1794

01:07:38,470 --> 01:07:36,400

that's not true that's not it isn't alex

1795

01:07:41,430 --> 01:07:38,480

listen okay one day that's true what's

1796

01:07:44,470 --> 01:07:43,109

what's not true is that

1797

01:07:46,230 --> 01:07:44,480

the

1798

01:07:49,510 --> 01:07:46,240

what you're saying is not true because

1799

01:07:51,990 --> 01:07:49,520

there is flooding in areas like alton

1800

01:07:54,630 --> 01:07:52,000

road that have never flooded before and

1801
01:07:56,470 --> 01:07:54,640
it's scientifically now yeah and it's

1802
01:07:58,150 --> 01:07:56,480
scientifically verified we hear it all

1803
01:07:59,910 --> 01:07:58,160
the time it's there's a lot of evidence

1804
01:08:01,349 --> 01:07:59,920
you're not looking at the right evidence

1805
01:08:05,109 --> 01:08:01,359
everybody's

1806
01:08:07,190 --> 01:08:05,119
you know and they're smarter

1807
01:08:11,990 --> 01:08:07,200
here's the well then then what we can

1808
01:08:14,230 --> 01:08:12,000
what we could probably agree on is that

1809
01:08:16,149 --> 01:08:14,240
there is an official record

1810
01:08:17,990 --> 01:08:16,159
of the sea level

1811
01:08:20,229 --> 01:08:18,000
that they've recorded probably for the

1812
01:08:23,349 --> 01:08:20,239
last at least 50 years

1813
01:08:25,269 --> 01:08:23,359

in miami beach they record it every day

1814

01:08:27,829 --> 01:08:25,279

the scientists do

1815

01:08:30,709 --> 01:08:27,839

if that data shows that the fever level

1816

01:08:33,030 --> 01:08:30,719

hasn't risen significantly then you are

1817

01:08:35,349 --> 01:08:33,040

wrong and i am right because that's the

1818

01:08:37,349 --> 01:08:35,359

only measure we have is for the last 50

1819

01:08:38,950 --> 01:08:37,359

years they've been measuring sea level

1820

01:08:40,870 --> 01:08:38,960

and they have the data and they publish

1821

01:08:43,110 --> 01:08:40,880

the data and that's the data we would

1822

01:08:45,110 --> 01:08:43,120

look at right to answer that question

1823

01:08:47,749 --> 01:08:45,120

isn't that what we'd look at

1824

01:08:48,950 --> 01:08:47,759

let me i think uh if

1825

01:08:50,709 --> 01:08:48,960

okay let's say

1826

01:08:52,229 --> 01:08:50,719

let's say accuweather

1827

01:08:54,709 --> 01:08:52,239

don't you have to don't you have to

1828

01:08:57,669 --> 01:08:54,719

answer that question is that whether

1829

01:08:59,669 --> 01:08:57,679

whether or not the official sea level

1830

01:09:00,630 --> 01:08:59,679

that they've recorded in miami beach for

1831

01:09:01,990 --> 01:09:00,640

the last

1832

01:09:03,349 --> 01:09:02,000

flooding

1833

01:09:05,110 --> 01:09:03,359

that's a different question you're

1834

01:09:07,030 --> 01:09:05,120

slipping no it's part of the same

1835

01:09:09,910 --> 01:09:07,040

question it's part i don't know why it's

1836

01:09:11,910 --> 01:09:09,920

flooding i i don't i don't have an

1837

01:09:13,910 --> 01:09:11,920

answer to that all i can tell you is

1838

01:09:16,630 --> 01:09:13,920

your assumption that because some road

1839

01:09:17,510 --> 01:09:16,640

flooded is not the best way to look at

1840

01:09:18,470 --> 01:09:17,520

that

1841

01:09:19,269 --> 01:09:18,480

better

1842

01:09:22,789 --> 01:09:19,279

yeah it's

1843

01:09:26,149 --> 01:09:22,799

a regular occurrence right you know

1844

01:09:27,669 --> 01:09:26,159

you guys but you understand

1845

01:09:29,590 --> 01:09:27,679

in fort lauderdale they're building a

1846

01:09:30,390 --> 01:09:29,600

huge they're planning on building a huge

1847

01:09:33,590 --> 01:09:30,400

wall

1848

01:09:36,309 --> 01:09:33,600

uh to keep uh

1849

01:09:38,550 --> 01:09:36,319

from uh you know the rising tides from

1850

01:09:40,870 --> 01:09:38,560

coming into the city you know i mean are

1851

01:09:43,590 --> 01:09:40,880

are they just joking is it

1852

01:09:46,870 --> 01:09:43,600

[h__\h] is it all [h__\h] just because

1853

01:09:49,510 --> 01:09:46,880

you know uh there's certain people that

1854

01:09:51,269 --> 01:09:49,520

are uh

1855

01:09:53,110 --> 01:09:51,279

have uh

1856

01:09:56,550 --> 01:09:53,120

a different outlook about it that

1857

01:09:59,270 --> 01:09:56,560

doesn't conform to you know what uh

1858

01:10:00,070 --> 01:09:59,280

majority of scientists are saying i mean

1859

01:10:05,030 --> 01:10:00,080

there's

1860

01:10:07,510 --> 01:10:05,040

science say that i agree with and that's

1861

01:10:10,790 --> 01:10:07,520

in health for instance they don't i

1862

01:10:13,510 --> 01:10:10,800

don't think agree with them about ufos

1863

01:10:16,310 --> 01:10:13,520

and about the nature of reality in terms

1864

01:10:18,709 --> 01:10:16,320

of life after death they're wrong there

1865

01:10:21,990 --> 01:10:18,719

but some things

1866

01:10:24,310 --> 01:10:22,000

are they're right about and uh you know

1867

01:10:26,709 --> 01:10:24,320

and and health is one thing and i think

1868

01:10:29,830 --> 01:10:26,719

the global warming is another that

1869

01:10:32,149 --> 01:10:29,840

they're right about 99 of people uh of

1870

01:10:34,390 --> 01:10:32,159

scientists agree with that that's

1871

01:10:36,310 --> 01:10:34,400

actually not a true figure at all and i

1872

01:10:38,550 --> 01:10:36,320

can show you where that's

1873

01:10:40,229 --> 01:10:38,560

and here is kind of one of my go-to

1874

01:10:42,790 --> 01:10:40,239

people she is a

1875

01:10:45,590 --> 01:10:42,800

climatologist at georgia tech university

1876

01:10:48,390 --> 01:10:45,600

like legitimate climate silent scientist

1877

01:10:49,990 --> 01:10:48,400

and her name is judith curry and you

1878

01:10:52,229 --> 01:10:50,000

know here's her special report on sea

1879

01:10:55,750 --> 01:10:52,239

level rise from a couple years ago spent

1880

01:10:57,669 --> 01:10:55,760

18 months looking so you can't

1881

01:11:00,070 --> 01:10:57,679

like you guys are not really

1882

01:11:02,470 --> 01:11:00,080

approaching this scientifically in terms

1883

01:11:04,470 --> 01:11:02,480

of saying okay we could measure things

1884

01:11:05,830 --> 01:11:04,480

scientifically and then when you're

1885

01:11:07,430 --> 01:11:05,840

confronted with that you kind of want to

1886

01:11:09,510 --> 01:11:07,440

slide off of that and say well no that

1887

01:11:11,750 --> 01:11:09,520

doesn't matter it's like

1888

01:11:13,430 --> 01:11:11,760

maybe it doesn't matter in this grander

1889

01:11:15,270 --> 01:11:13,440

kind of thing that we don't have to kind

1890

01:11:16,950 --> 01:11:15,280

of care we can all have our own story in

1891

01:11:19,030 --> 01:11:16,960

our own narrative but if we're going to

1892

01:11:20,870 --> 01:11:19,040

play this consensus reality game if

1893

01:11:23,189 --> 01:11:20,880

we're going to play the game of science

1894

01:11:25,910 --> 01:11:23,199

then we would look at we would kind of

1895

01:11:27,910 --> 01:11:25,920

agree that this is the way that we do it

1896

01:11:30,709 --> 01:11:27,920

so if you're looking at the issue of

1897

01:11:32,709 --> 01:11:30,719

global warming you could reduce it down

1898

01:11:34,870 --> 01:11:32,719

to one question

1899

01:11:35,910 --> 01:11:34,880

have sea levels

1900

01:11:37,030 --> 01:11:35,920

risen

1901

01:11:39,590 --> 01:11:37,040

because it's like

1902

01:11:41,350 --> 01:11:39,600

ask the polar bears

1903

01:11:43,830 --> 01:11:41,360

rob do you understand that that's not

1904

01:11:46,950 --> 01:11:43,840

that's not scientific you can't go and

1905

01:11:49,350 --> 01:11:46,960

ask why is that not scientific

1906

01:11:50,310 --> 01:11:49,360

i don't understand why you don't you

1907

01:11:51,189 --> 01:11:50,320

don't

1908

01:11:52,950 --> 01:11:51,199

do you

1909

01:11:54,790 --> 01:11:52,960

if if you're

1910

01:11:57,270 --> 01:11:54,800

it's like have you studied what's going

1911

01:11:59,189 --> 01:11:57,280

on with the polar bears yeah i i have

1912

01:12:01,030 --> 01:11:59,199

but you realize that's a deer you think

1913

01:12:02,310 --> 01:12:01,040

that's a joke

1914

01:12:05,110 --> 01:12:02,320

you're you know you're wrong on the

1915

01:12:06,550 --> 01:12:05,120

polar bears and you can't go research

1916

01:12:08,229 --> 01:12:06,560

but here's my point

1917

01:12:09,910 --> 01:12:08,239

here's no you're not but here's the

1918

01:12:11,830 --> 01:12:09,920

point is that

1919

01:12:14,310 --> 01:12:11,840

you would if you were going to approach

1920

01:12:17,350 --> 01:12:14,320

things scientifically you would kind of

1921

01:12:19,830 --> 01:12:17,360

agree on certain criteria that you would

1922

01:12:21,990 --> 01:12:19,840

measure to come up with your scientific

1923

01:12:24,310 --> 01:12:22,000

hypothesis that's how science that's how

1924

01:12:26,229 --> 01:12:24,320

science is done it's a controlled

1925

01:12:28,390 --> 01:12:26,239

experiment you don't talk about an

1926

01:12:30,070 --> 01:12:28,400

experiment and then have somebody lob in

1927

01:12:33,590 --> 01:12:30,080

from the sideline what about the

1928

01:12:37,750 --> 01:12:33,600

freaking polar bears no you go on one

1929

01:12:40,709 --> 01:12:37,760

experiment at a time so it's like

1930

01:12:43,110 --> 01:12:40,719

you're making it sound like our our i

1931

01:12:44,790 --> 01:12:43,120

what are we're saying is

1932

01:12:46,950 --> 01:12:44,800

you know something

1933

01:12:49,110 --> 01:12:46,960

on the fringe you're on the fringe we're

1934

01:12:51,030 --> 01:12:49,120

not on the fringe at all about climate

1935

01:12:53,430 --> 01:12:51,040

change you are very out on the fringe

1936

01:12:55,510 --> 01:12:53,440

you know it too well you know you would

1937

01:12:57,510 --> 01:12:55,520

you would have you would have to

1938

01:13:00,550 --> 01:12:57,520

back that assertion up

1939

01:13:02,070 --> 01:13:00,560

by scientifically right so like one of

1940

01:13:03,990 --> 01:13:02,080

the things like you you repeated this

1941

01:13:05,990 --> 01:13:04,000

thing that is completely connected but

1942

01:13:07,510 --> 01:13:06,000

journalistically

1943

01:13:09,030 --> 01:13:07,520

well

1944

01:13:11,430 --> 01:13:09,040

again i mean i don't trust you don't

1945

01:13:13,590 --> 01:13:11,440

trust the mainstream media do you

1946

01:13:14,709 --> 01:13:13,600

you think it's no fake news

1947

01:13:16,830 --> 01:13:14,719

am i right

1948

01:13:19,350 --> 01:13:16,840

what are you come on why are you why are

1949

01:13:21,350 --> 01:13:19,360

you laughing lobbying these things at me

1950

01:13:23,750 --> 01:13:21,360

like when you said the 97 we're outing

1951

01:13:25,590 --> 01:13:23,760

you we're outing you alex

1952

01:13:27,110 --> 01:13:25,600

we want the sun

1953

01:13:29,750 --> 01:13:27,120

skeptical

1954

01:13:30,550 --> 01:13:29,760

you got it you'll get it

1955

01:13:33,510 --> 01:13:30,560

so

1956

01:13:36,390 --> 01:13:33,520

like if you take uh dr judith curry and

1957

01:13:39,990 --> 01:13:36,400

she also did uh a great thing on the

1958

01:13:41,510 --> 01:13:40,000

manufactured consensus thing the 97

1959

01:13:44,149 --> 01:13:41,520

consensus

1960

01:13:47,669 --> 01:13:44,159

that came primarily from a paper

1961

01:13:49,669 --> 01:13:47,679

published by a guy named cook

1962

01:13:51,030 --> 01:13:49,679

cook remember that because he cooked the

1963

01:13:52,709 --> 01:13:51,040

books

1964

01:13:55,910 --> 01:13:52,719

what cook did

1965

01:13:58,709 --> 01:13:55,920

to come up with that 97 percent figure

1966

01:14:00,870 --> 01:13:58,719

is he hired a bunch of grad students

1967

01:14:03,110 --> 01:14:00,880

to read the abstracts

1968

01:14:05,910 --> 01:14:03,120

from all these papers

1969

01:14:07,669 --> 01:14:05,920

and he asked them to evaluate based on

1970

01:14:10,790 --> 01:14:07,679

the abstract

1971

01:14:12,830 --> 01:14:10,800

whether or not that person was for or

1972

01:14:14,070 --> 01:14:12,840

against the proposition

1973

01:14:16,550 --> 01:14:14,080

of uh

1974

01:14:17,990 --> 01:14:16,560

man-made global warming

1975

01:14:19,830 --> 01:14:18,000

that seemed like you're going to throw

1976

01:14:22,550 --> 01:14:19,840

polar bears in here at some point but

1977

01:14:25,350 --> 01:14:22,560

what i'm telling you is the methodology

1978

01:14:27,830 --> 01:14:25,360

that cook used in coming up with his

1979

01:14:30,149 --> 01:14:27,840

conclusions the reason that's a bad

1980

01:14:31,510 --> 01:14:30,159

methodology is pretty obvious

1981

01:14:33,910 --> 01:14:31,520

one

1982

01:14:36,149 --> 01:14:33,920

you can't have grad students if that

1983

01:14:37,189 --> 01:14:36,159

isn't really asking a scientist what he

1984

01:14:38,550 --> 01:14:37,199

thinks

1985

01:14:40,550 --> 01:14:38,560

that's

1986

01:14:42,790 --> 01:14:40,560

how about all the other let me finish

1987

01:14:43,750 --> 01:14:42,800

let me just finish the thought so what

1988

01:14:46,870 --> 01:14:43,760

so what

1989

01:14:49,030 --> 01:14:46,880

dr judith kirby curry did who is a real

1990

01:14:51,229 --> 01:14:49,040

climatologist

1991

01:14:52,870 --> 01:14:51,239

she relied on the survey of

1992

01:14:55,830 --> 01:14:52,880

climatologist

1993

01:14:57,189 --> 01:14:55,840

and she found that the real number is 52

1994

01:15:00,229 --> 01:14:57,199

percent

1995

01:15:03,110 --> 01:15:00,239

found agreed with the idea that

1996

01:15:05,910 --> 01:15:03,120

human factors

1997

01:15:07,430 --> 01:15:05,920

probably are causing or contributing to

1998

01:15:11,350 --> 01:15:07,440

global warming

1999

01:15:13,590 --> 01:15:11,360

so the question then becomes why was the

2000

01:15:15,910 --> 01:15:13,600

if anyone can figure it out and i've had

2001

01:15:18,149 --> 01:15:15,920

you know people like you who are

2002

01:15:20,550 --> 01:15:18,159

kind of catastrophic global warming

2003

01:15:23,270 --> 01:15:20,560

people on the show and when you show

2004

01:15:25,110 --> 01:15:23,280

them the cook numbers and you show them

2005

01:15:27,910 --> 01:15:25,120

the methodology go well that's clearly a

2006

01:15:29,590 --> 01:15:27,920

shitty methodology no one should come to

2007

01:15:32,070 --> 01:15:29,600

that conclusion based on that

2008

01:15:33,990 --> 01:15:32,080

methodology it's just poor it's not

2009

01:15:35,510 --> 01:15:34,000

doing what you say you're doing so then

2010

01:15:38,709 --> 01:15:35,520

the question is

2011

01:15:42,229 --> 01:15:38,719

why is obama repeating that why is bush

2012

01:15:44,790 --> 01:15:42,239

repeating that why is that on nasa is

2013

01:15:47,270 --> 01:15:44,800

like are they just like oh my gosh they

2014

01:15:49,910 --> 01:15:47,280

didn't know it you know no they're

2015

01:15:51,189 --> 01:15:49,920

perpetuating it because that is the goal

2016

01:15:53,750 --> 01:15:51,199

of what they're they're trying to

2017

01:15:54,950 --> 01:15:53,760

manufacture so we don't have any alex so

2018

01:15:56,470 --> 01:15:54,960

the bottom line is we don't have

2019

01:15:58,870 --> 01:15:56,480

anything to worry about right there's no

2020

01:16:01,590 --> 01:15:58,880

global warming everything's cool i

2021

01:16:02,310 --> 01:16:01,600

didn't say that i didn't say that i said

2022

01:16:04,390 --> 01:16:02,320

then

2023

01:16:06,630 --> 01:16:04,400

i think that if you want to understand

2024

01:16:09,750 --> 01:16:06,640

these questions you have to go about it

2025

01:16:12,310 --> 01:16:09,760

in a scientific methodical way you can't

2026

01:16:14,709 --> 01:16:12,320

just let your emotions carry you you

2027

01:16:17,189 --> 01:16:14,719

can't just say oh i had a dream and i

2028

01:16:19,350 --> 01:16:17,199

saw the world collapsing therefore i'm

2029

01:16:21,510 --> 01:16:19,360

going to live my life as this the world

2030

01:16:23,430 --> 01:16:21,520

is going to collapse maybe the world is

2031

01:16:25,270 --> 01:16:23,440

going to collapse but the other data

2032

01:16:28,149 --> 01:16:25,280

that i pointed out to you is true

2033

01:16:29,910 --> 01:16:28,159

kenneth ring had near-death experiencers

2034

01:16:32,550 --> 01:16:29,920

say that the world was going to end in

2035

01:16:34,149 --> 01:16:32,560

1988 and it didn't the other thing i

2036

01:16:35,990 --> 01:16:34,159

told you about the christian uh you can

2037

01:16:38,709 --> 01:16:36,000

go listen to him those are his words on

2038

01:16:41,510 --> 01:16:38,719

the show right people can believe a lot

2039

01:16:44,310 --> 01:16:41,520

of weird things and but what really

2040

01:16:47,270 --> 01:16:44,320

worries me is when i tried to just apply

2041

01:16:49,350 --> 01:16:47,280

like common sense like down-to-earth

2042

01:16:51,990 --> 01:16:49,360

logic that haven't they been recording

2043

01:16:54,470 --> 01:16:52,000

the level of the sea level in miami for

2044

01:16:57,110 --> 01:16:54,480

50 years why would we not want to rely

2045

01:16:59,590 --> 01:16:57,120

on that data you guys just totally blew

2046

01:17:01,350 --> 01:16:59,600

a gasket no we can't rely on what we've

2047

01:17:02,630 --> 01:17:01,360

been doing for the last 50 years this is

2048

01:17:05,189 --> 01:17:02,640

new we got to worry about the polar

2049

01:17:07,430 --> 01:17:05,199

bears and the roads no no no alex you're

2050

01:17:09,030 --> 01:17:07,440

that that's total [h__h]

2051

01:17:10,470 --> 01:17:09,040

we're not that dramatic what we're

2052

01:17:11,669 --> 01:17:10,480

saying is that

2053

01:17:14,790 --> 01:17:11,679

you

2054

01:17:16,950 --> 01:17:14,800

i've lived here since 1963

2055

01:17:19,350 --> 01:17:16,960

things have changed since 1963

2056

01:17:20,470 --> 01:17:19,360

weather-wise just

2057

01:17:22,229 --> 01:17:20,480

you know

2058

01:17:24,149 --> 01:17:22,239

i don't need to look at science to know

2059

01:17:26,149 --> 01:17:24,159

that i mean you don't always look at

2060

01:17:28,149 --> 01:17:26,159

science uh alex i mean you believe in

2061

01:17:30,229 --> 01:17:28,159

pizzagate for christ's sake i mean

2062

01:17:32,229 --> 01:17:30,239

that's crazy that's totally that's right

2063

01:17:33,990 --> 01:17:32,239

that's a great one in the time in the

2064

01:17:36,070 --> 01:17:34,000

time that we have left what do you

2065

01:17:37,910 --> 01:17:36,080

understand pizzagate to be

2066

01:17:40,790 --> 01:17:37,920

i don't want to get into it i just don't

2067

01:17:43,430 --> 01:17:40,800

no no no no no you brought it up pal

2068

01:17:45,030 --> 01:17:43,440

but what do you understand pizzagate

2069

01:17:46,390 --> 01:17:45,040

well is it something against hillary

2070

01:17:47,430 --> 01:17:46,400

clinton right

2071

01:17:50,870 --> 01:17:47,440

right then

2072

01:17:53,430 --> 01:17:50,880

very much okay hillary clinton had

2073

01:17:56,830 --> 01:17:53,440

had this basement under a pizza shop and

2074

01:17:59,830 --> 01:17:56,840

she was screwing boys or something

2075

01:18:02,630 --> 01:17:59,840

uh uh some sex thing is totally

2076

01:18:04,390 --> 01:18:02,640

ridiculous and as a result of the right

2077

01:18:07,030 --> 01:18:04,400

wing uh

2078

01:18:08,470 --> 01:18:07,040

conspiracy theory about this uh saying

2079

01:18:10,149 --> 01:18:08,480

it over and over again when you say

2080

01:18:11,030 --> 01:18:10,159

something over and over again like trump

2081

01:18:13,270 --> 01:18:11,040

says

2082

01:18:15,430 --> 01:18:13,280

things over your life people start to

2083

01:18:18,470 --> 01:18:15,440

believe it and so some guy came with a

2084

01:18:20,790 --> 01:18:18,480

shotgun or a rifle into that pizza shop

2085

01:18:22,709 --> 01:18:20,800

looking for the basement

2086

01:18:25,910 --> 01:18:22,719

and you don't really believe this do you

2087

01:18:27,669 --> 01:18:25,920

alex see rob you're you're so incredibly

2088

01:18:29,430 --> 01:18:27,679

misinformed i don't believe you spew

2089

01:18:31,750 --> 01:18:29,440

this stuff out like that here's what

2090

01:18:33,590 --> 01:18:31,760

here's what pizzagate was four days

2091

01:18:36,310 --> 01:18:33,600

before the election

2092

01:18:40,470 --> 01:18:36,320

this is uh hillary versus trump

2093

01:18:43,110 --> 01:18:40,480

wikileaks wikileaks released a batch of

2094

01:18:45,189 --> 01:18:43,120

emails from john podesta

2095

01:18:46,630 --> 01:18:45,199

and the emails were

2096

01:18:49,030 --> 01:18:46,640

all about this

2097

01:18:51,350 --> 01:18:49,040

kind of they were salacious particularly

2098

01:18:53,110 --> 01:18:51,360

about this spirit cooking thing and they

2099

01:18:55,510 --> 01:18:53,120

were designing someone who's an artist

2100

01:18:57,430 --> 01:18:55,520

it was an art let me let me finish

2101
01:18:59,030 --> 01:18:57,440
because you just there's so many things

2102
01:19:01,430 --> 01:18:59,040
that you said they're just completely

2103
01:19:03,350 --> 01:19:01,440
not true you can verify but here's what

2104
01:19:05,590 --> 01:19:03,360
you will relate no it's not you're right

2105
01:19:06,950 --> 01:19:05,600
you're right it's not true

2106
01:19:07,910 --> 01:19:06,960
you don't know what you're talking about

2107
01:19:10,950 --> 01:19:07,920
pal

2108
01:19:13,910 --> 01:19:10,960
but the emails were designed to

2109
01:19:17,270 --> 01:19:13,920
undermine hillary's campaign they were

2110
01:19:18,950 --> 01:19:17,280
an intentional operation in order for

2111
01:19:21,510 --> 01:19:18,960
trump to get elected that's why they

2112
01:19:23,990 --> 01:19:21,520
released him four days before they were

2113
01:19:26,070 --> 01:19:24,000

in operation to undermine hillary to

2114

01:19:27,750 --> 01:19:26,080

paint her as a satanist to paint her

2115

01:19:29,590 --> 01:19:27,760

assistant friendly

2116

01:19:31,510 --> 01:19:29,600

well don't say obviously rob just said

2117

01:19:33,590 --> 01:19:31,520

it was a bunch of different [h__h] this is

2118

01:19:35,830 --> 01:19:33,600

what pizzagate was and if you look at

2119

01:19:37,510 --> 01:19:35,840

the history of elections they always do

2120

01:19:39,590 --> 01:19:37,520

these things like

2121

01:19:41,189 --> 01:19:39,600

four days three days ahead of time they

2122

01:19:42,709 --> 01:19:41,199

don't do them two weeks ahead of time

2123

01:19:45,270 --> 01:19:42,719

because then they get debunked and all

2124

01:19:47,669 --> 01:19:45,280

the rest that that's what pizzagate was

2125

01:19:50,470 --> 01:19:47,679

well when they released those emails

2126

01:19:54,390 --> 01:19:50,480

john podesta's emails

2127

01:19:55,189 --> 01:19:54,400

there was this uh public kind of

2128

01:19:57,669 --> 01:19:55,199

uh

2129

01:19:59,350 --> 01:19:57,679

you know it was the group sourcing kind

2130

01:20:01,590 --> 01:19:59,360

of thing back in the day where we're all

2131

01:20:03,830 --> 01:20:01,600

used to it but then everyone on social

2132

01:20:06,470 --> 01:20:03,840

media particularly people who were

2133

01:20:08,390 --> 01:20:06,480

energized in this in a right-wing way

2134

01:20:10,149 --> 01:20:08,400

started searching through these emails

2135

01:20:12,470 --> 01:20:10,159

started looking for connections

2136

01:20:14,550 --> 01:20:12,480

certainly they found a connection with a

2137

01:20:17,030 --> 01:20:14,560

guy who was across the street this guy

2138

01:20:20,390 --> 01:20:17,040

named james alifantas who ran this pizza

2139

01:20:22,390 --> 01:20:20,400

place he ran a pizza place well it turns

2140

01:20:25,669 --> 01:20:22,400

out he was also one of the 50 most

2141

01:20:28,390 --> 01:20:25,679

influential people in washington dc and

2142

01:20:29,990 --> 01:20:28,400

he was rated as such by this magazine

2143

01:20:31,350 --> 01:20:30,000

and he had all these connections to

2144

01:20:33,590 --> 01:20:31,360

hillary clinton and all these other

2145

01:20:35,430 --> 01:20:33,600

people and there were some very very

2146

01:20:38,229 --> 01:20:35,440

shady things in his background and he

2147

01:20:40,950 --> 01:20:38,239

got out he had they trolled through his

2148

01:20:43,510 --> 01:20:40,960

instagram and they found all this

2149

01:20:45,350 --> 01:20:43,520

kind of soft kitty porn stuff that he

2150

01:20:47,350 --> 01:20:45,360

was commenting on and doing all the rest

2151

01:20:49,189 --> 01:20:47,360

of this stuff the point is it was

2152

01:20:51,430 --> 01:20:49,199

expected hillary clinton have to do with

2153

01:20:54,870 --> 01:20:51,440

all that nothing you're missing the

2154

01:20:57,990 --> 01:20:54,880

point rob i'm giving you facts

2155

01:21:01,750 --> 01:20:58,000

you're missing the point rob the point

2156

01:21:05,750 --> 01:21:01,760

is it was effective at undermining

2157

01:21:07,910 --> 01:21:05,760

hillary's campaign it was effective at

2158

01:21:11,189 --> 01:21:07,920

being one of the contributing factors

2159

01:21:12,830 --> 01:21:11,199

but it was a lie it was a lie

2160

01:21:16,790 --> 01:21:12,840

don't you agree again

2161

01:21:20,229 --> 01:21:16,800

rob get a grip

2162

01:21:21,669 --> 01:21:20,239

the emails were real that no one ever

2163

01:21:24,149 --> 01:21:21,679

denied

2164

01:21:26,470 --> 01:21:24,159

john podesta never came out and said

2165

01:21:28,629 --> 01:21:26,480

those aren't my emails i never sent

2166

01:21:31,990 --> 01:21:28,639

those emails i never received those

2167

01:21:34,229 --> 01:21:32,000

emails those emails were in fact true

2168

01:21:35,910 --> 01:21:34,239

and accurate the interpretation that

2169

01:21:37,430 --> 01:21:35,920

people made about those emails

2170

01:21:39,590 --> 01:21:37,440

particularly people

2171

01:21:41,750 --> 01:21:39,600

in the christian i'm not christian

2172

01:21:44,390 --> 01:21:41,760

people in the christian right

2173

01:21:46,629 --> 01:21:44,400

the the their outr their outrage over

2174

01:21:49,030 --> 01:21:46,639

their emails are a separate thing

2175

01:21:51,270 --> 01:21:49,040

but again you you're you're just wrong

2176

01:21:54,790 --> 01:21:51,280

rob they weren't a lie they were real

2177

01:21:57,270 --> 01:21:54,800

emails and they really did inspire a lot

2178

01:22:00,629 --> 01:21:57,280

of people to vote against hillary

2179

01:22:04,070 --> 01:22:00,639

clinton clinton that whole operation

2180

01:22:06,390 --> 01:22:04,080

was called pizzagate rob that's what

2181

01:22:08,470 --> 01:22:06,400

pizzagate was hang on a second because

2182

01:22:10,229 --> 01:22:08,480

because we're way off track and we're

2183

01:22:12,709 --> 01:22:10,239

never we're not gonna go we're not gonna

2184

01:22:14,870 --> 01:22:12,719

we're not gonna resolve any of this so

2185

01:22:17,030 --> 01:22:14,880

we can totally resolve it that's just

2186

01:22:18,870 --> 01:22:17,040

factual anyone can go look that up well

2187

01:22:20,709 --> 01:22:18,880

well no no no no i'm just saying that

2188

01:22:22,870 --> 01:22:20,719

between the three of

2189

01:22:25,189 --> 01:22:22,880

you we're not gonna resolve this i don't

2190

01:22:28,790 --> 01:22:25,199

think you can pull the i think quickly i

2191

01:22:29,590 --> 01:22:28,800

i think we can both agree uh all of us

2192

01:22:30,709 --> 01:22:29,600

agree

2193

01:22:31,990 --> 01:22:30,719

that

2194

01:22:33,830 --> 01:22:32,000

there was

2195

01:22:34,790 --> 01:22:33,840

no basement

2196

01:22:37,430 --> 01:22:34,800

below

2197

01:22:39,189 --> 01:22:37,440

the pizza shop so you're wrong on all

2198

01:22:40,629 --> 01:22:39,199

the other stuff you said and now you're

2199

01:22:42,310 --> 01:22:40,639

going to lay something else on because

2200

01:22:43,990 --> 01:22:42,320

you're so well informed you're going to

2201

01:22:48,390 --> 01:22:44,000

tell us this next part so tell us the

2202

01:22:53,110 --> 01:22:50,709

there is no basement first of all below

2203

01:22:55,270 --> 01:22:53,120

the pizza i think i think the pizza shop

2204

01:22:57,590 --> 01:22:55,280

i think we agree with that so there were

2205

01:22:59,110 --> 01:22:57,600

no pedophiles and hillary clinton had

2206

01:23:00,870 --> 01:22:59,120

nothing to do with i think we can all

2207

01:23:03,990 --> 01:23:00,880

agree with that

2208

01:23:06,950 --> 01:23:04,000

i i i'm just going off of the facts that

2209

01:23:08,709 --> 01:23:06,960

we have that do you disagree on anything

2210

01:23:10,950 --> 01:23:08,719

do you disagree with anything that i've

2211

01:23:13,030 --> 01:23:10,960

said do you disagree with anything that

2212

01:23:17,110 --> 01:23:13,040

i've said

2213

01:23:20,149 --> 01:23:17,120

do you disagree yeah there was there was

2214

01:23:22,950 --> 01:23:20,159

yeah podesta had emails so what and

2215

01:23:25,430 --> 01:23:22,960

there was this art show that related to

2216

01:23:27,510 --> 01:23:25,440

this thing you're talking about yeah

2217

01:23:30,149 --> 01:23:27,520

i agree but your

2218

01:23:33,270 --> 01:23:30,159

people it's been exploited basically for

2219

01:23:35,750 --> 01:23:33,280

the election you're right i agree

2220

01:23:39,270 --> 01:23:35,760

okay john so the emails the emails

2221

01:23:41,590 --> 01:23:39,280

reference spirit cooking which was very

2222

01:23:42,310 --> 01:23:41,600

offensive to a lot of people of a kind

2223

01:23:44,709 --> 01:23:42,320

of

2224

01:23:47,189 --> 01:23:44,719

christian persuasion and then you'd have

2225

01:23:50,550 --> 01:23:47,199

to understand what spirit cooking is and

2226

01:23:52,629 --> 01:23:50,560

you'd have to understand what uh crowley

2227

01:23:55,110 --> 01:23:52,639

you know is the guy who kind of directed

2228

01:23:57,030 --> 01:23:55,120

that so you'd have to dive deep into the

2229

01:23:58,229 --> 01:23:57,040

occult and understand that and you'd

2230

01:24:00,310 --> 01:23:58,239

have to come in an intelligent

2231

01:24:01,750 --> 01:24:00,320

conversation but i want you to i just

2232

01:24:06,870 --> 01:24:01,760

want you to own

2233

01:24:09,189 --> 01:24:06,880

because what you said was just not you

2234

01:24:11,270 --> 01:24:09,199

you started out by saying alex you

2235

01:24:12,870 --> 01:24:11,280

believe in pizzagate and i've just

2236

01:24:15,510 --> 01:24:12,880

demonstrated to you that you have no

2237

01:24:18,310 --> 01:24:15,520

idea what pizzagate was you had it all

2238

01:24:20,790 --> 01:24:18,320

wrong that's what pizzagate was now the

2239

01:24:22,629 --> 01:24:20,800

fact that a guy did take a gun and go

2240

01:24:25,030 --> 01:24:22,639

shoot up that that

2241

01:24:28,149 --> 01:24:25,040

that restaurant and he really just shot

2242

01:24:30,950 --> 01:24:28,159

the safe is what has become

2243

01:24:33,910 --> 01:24:30,960

the meme that people like you pick up on

2244

01:24:36,550 --> 01:24:33,920

and say that's pizzagate some right wing

2245

01:24:38,470 --> 01:24:36,560

nut conspiracy theorist shot up this

2246

01:24:41,110 --> 01:24:38,480

thing it's much more accurate to say

2247

01:24:42,950 --> 01:24:41,120

what pizzagate was was these

2248

01:24:45,110 --> 01:24:42,960

these emails that were released in an

2249

01:24:48,310 --> 01:24:45,120

attempt to undermine hillary clinton's

2250

01:24:49,030 --> 01:24:48,320

campaign by painting her to be connected

2251

01:24:51,350 --> 01:24:49,040

to

2252

01:24:53,430 --> 01:24:51,360

practices and well particularly what

2253

01:24:56,149 --> 01:24:53,440

they what really stuck was that she was

2254

01:24:59,830 --> 01:24:56,159

connected to occult practices and

2255

01:25:02,229 --> 01:24:59,840

satanic practices and that had a a dense

2256

01:25:04,070 --> 01:25:02,239

a very substantial i don't we don't know

2257

01:25:06,149 --> 01:25:04,080

how substantial but it definitely had an

2258

01:25:09,030 --> 01:25:06,159

impact on her campaign right so you just

2259

01:25:10,950 --> 01:25:09,040

got that wrong and so when you say you

2260

01:25:12,629 --> 01:25:10,960

believe in pizzagate then you that would

2261

01:25:15,270 --> 01:25:12,639

mean that you believe all of this stuff

2262

01:25:16,470 --> 01:25:15,280

about hillary clinton

2263

01:25:18,709 --> 01:25:16,480

right

2264

01:25:20,149 --> 01:25:18,719

no rob i just told you what pizzagate is

2265

01:25:21,910 --> 01:25:20,159

go back and look it up that's what

2266

01:25:24,629 --> 01:25:21,920

pizzagate originally was you had it

2267

01:25:27,430 --> 01:25:24,639

wrong so you had it wrong i had it right

2268

01:25:28,709 --> 01:25:27,440

that's okay we can move on

2269

01:25:30,390 --> 01:25:28,719

okay

2270

01:25:32,229 --> 01:25:30,400

well you're not right about miami beach

2271

01:25:34,790 --> 01:25:32,239

i'll tell you that

2272

01:25:36,629 --> 01:25:34,800

we'll only know if you send me the tide

2273

01:25:38,149 --> 01:25:36,639

records which we've had for the 50 years

2274

01:25:40,229 --> 01:25:38,159

and then you show me that it's risen

2275

01:25:41,910 --> 01:25:40,239

right that'd be the way to see whether

2276

01:25:43,510 --> 01:25:41,920

you're right or wrong about that okay

2277

01:25:46,070 --> 01:25:43,520

you go down there drive through the

2278

01:25:47,750 --> 01:25:46,080

flood and we'll watch your car drown

2279

01:25:49,670 --> 01:25:47,760

and then you come back from the after

2280

01:25:51,270 --> 01:25:49,680

world and tell me that was wrong

2281

01:25:53,270 --> 01:25:51,280

[Laughter]

2282

01:25:55,189 --> 01:25:53,280

okay

2283

01:25:57,830 --> 01:25:55,199

what if i see jesus in the after world

2284

01:25:59,350 --> 01:25:57,840

though well then that's your problem

2285

01:26:06,830 --> 01:25:59,360

you get get mad at him because you

2286

01:26:06,840 --> 01:26:12,070

john come here

2287

01:26:17,030 --> 01:26:14,070

you tried right you tried and it didn't

2288

01:26:22,629 --> 01:26:19,590

i was uh i was hoping that uh that it

2289

01:26:25,910 --> 01:26:22,639

would tail off but it just never did so

2290

01:26:27,830 --> 01:26:25,920

but uh uh my dog is here well yep so

2291

01:26:30,550 --> 01:26:27,840

yeah

2292

01:26:32,550 --> 01:26:30,560

nigel's been uh up here for 10 minutes

2293

01:26:34,629 --> 01:26:32,560

let me let me well let me let me do give

2294

01:26:35,430 --> 01:26:34,639

let me let me do give one last question

2295

01:26:38,310 --> 01:26:35,440

maybe

2296

01:26:41,669 --> 01:26:38,320

minutes that we can

2297

01:26:44,390 --> 01:26:41,679

salvage some of the political talk um so

2298

01:26:47,030 --> 01:26:44,400

uh so alex uh in particular with your

2299

01:26:50,550 --> 01:26:47,040

background in a.i was curious to see

2300

01:26:52,790 --> 01:26:50,560

what your take on the google uh

2301
01:26:54,310 --> 01:26:52,800
developer that got released last week

2302
01:26:55,350 --> 01:26:54,320
for uh

2303
01:26:58,870 --> 01:26:55,360
nda

2304
01:27:02,629 --> 01:26:58,880
uh claiming that the uh uh that uh that

2305
01:27:05,189 --> 01:27:02,639
the conversation uh framework had gone

2306
01:27:07,430 --> 01:27:05,199
sentiment uh is this is it is it

2307
01:27:09,669 --> 01:27:07,440
possible this is just google has finally

2308
01:27:13,669 --> 01:27:09,679
passed the touring test or

2309
01:27:19,510 --> 01:27:16,390
what was okay so john i always what is

2310
01:27:22,229 --> 01:27:19,520
your take on it uh it just uh well i

2311
01:27:23,830 --> 01:27:22,239
think i think the guy's probably not i

2312
01:27:25,350 --> 01:27:23,840
think the guy's probably stressed a

2313
01:27:28,709 --> 01:27:25,360

little too stressed probably saw some

2314

01:27:30,790 --> 01:27:28,719

things that uh that probably probably it

2315

01:27:33,669 --> 01:27:30,800

passed the turing test probably it did

2316

01:27:35,110 --> 01:27:33,679

come across as if it was uh sentient

2317

01:27:37,750 --> 01:27:35,120

but i find it hard to believe that

2318

01:27:40,709 --> 01:27:37,760

google is hanging on to uh sentiments

2319

01:27:42,629 --> 01:27:40,719

yeah uh programmatic sentiments yeah so

2320

01:27:46,070 --> 01:27:42,639

uh tell tell folks what the turing test

2321

01:27:49,510 --> 01:27:46,080

is uh the touring test is simply a piece

2322

01:27:51,750 --> 01:27:49,520

of software that convinces the user or

2323

01:27:54,070 --> 01:27:51,760

yeah the user that that they're speaking

2324

01:27:56,790 --> 01:27:54,080

with the human but they're speaking with

2325

01:27:58,629 --> 01:27:56,800

a piece of software yeah right so

2326

01:28:00,310 --> 01:27:58,639

there's this very famous

2327

01:28:01,590 --> 01:28:00,320

computer scientist the guy who kind of

2328

01:28:03,350 --> 01:28:01,600

made the first computer the guy who

2329

01:28:05,030 --> 01:28:03,360

broke the enigma code you can go watch

2330

01:28:07,030 --> 01:28:05,040

the movie he's a british

2331

01:28:08,709 --> 01:28:07,040

computer scientist his name is alan

2332

01:28:09,910 --> 01:28:08,719

turing

2333

01:28:12,950 --> 01:28:09,920

one of the things that's really cool

2334

01:28:16,470 --> 01:28:12,960

about alan turing i think is that

2335

01:28:17,350 --> 01:28:16,480

he basically won world war ii for us in

2336

01:28:20,550 --> 01:28:17,360

a way

2337

01:28:23,669 --> 01:28:20,560

by breaking cracking the code an enigma

2338

01:28:26,149 --> 01:28:23,679

by inventing a computer and then later

2339

01:28:29,430 --> 01:28:26,159

he was completely his life was destroyed

2340

01:28:32,950 --> 01:28:29,440

because he was gay and they it was

2341

01:28:34,070 --> 01:28:32,960

illegal at that time and they

2342

01:28:36,709 --> 01:28:34,080

forced

2343

01:28:38,390 --> 01:28:36,719

kind of him to take these drugs

2344

01:28:39,830 --> 01:28:38,400

and he eventually committed suicide it's

2345

01:28:41,510 --> 01:28:39,840

a horrible story but to think that

2346

01:28:43,110 --> 01:28:41,520

someone who served

2347

01:28:47,990 --> 01:28:43,120

his country

2348

01:28:50,550 --> 01:28:48,000

that nobly it would then be basically

2349

01:28:53,030 --> 01:28:50,560

killed by his country's very interest so

2350

01:28:55,189 --> 01:28:53,040

he said he said look if people

2351
01:28:56,870 --> 01:28:55,199
so way back this is world war ii he said

2352
01:28:58,709 --> 01:28:56,880
if you want to know where this stuff is

2353
01:29:01,910 --> 01:28:58,719
going

2354
01:29:03,910 --> 01:29:01,920
question is could this computer ever be

2355
01:29:05,910 --> 01:29:03,920
smarter than you are and that's when he

2356
01:29:08,470 --> 01:29:05,920
said well

2357
01:29:11,270 --> 01:29:08,480
really that's kind of the wrong question

2358
01:29:12,950 --> 01:29:11,280
the right question is as john said

2359
01:29:14,390 --> 01:29:12,960
could it ever trick you into thinking

2360
01:29:15,750 --> 01:29:14,400
that it's smarter than you are because

2361
01:29:17,270 --> 01:29:15,760
if it can trick him to thinking it's

2362
01:29:19,910 --> 01:29:17,280
smarter than you are then it kind of

2363
01:29:21,669 --> 01:29:19,920

wins the game and that raises a bunch of

2364

01:29:23,590 --> 01:29:21,679

other questions about consciousness

2365

01:29:25,110 --> 01:29:23,600

extended consciousness

2366

01:29:26,310 --> 01:29:25,120

ufos

2367

01:29:28,629 --> 01:29:26,320

all the rest of this stuff which is

2368

01:29:30,149 --> 01:29:28,639

beyond what the computer can do

2369

01:29:32,310 --> 01:29:30,159

so when we

2370

01:29:35,590 --> 01:29:32,320

narrow the question down to

2371

01:29:38,229 --> 01:29:35,600

the turing test like can you be fooled

2372

01:29:40,229 --> 01:29:38,239

well anyone who's ever played chess

2373

01:29:42,709 --> 01:29:40,239

knows that the computer can

2374

01:29:44,550 --> 01:29:42,719

whip your butt it just without even

2375

01:29:47,430 --> 01:29:44,560

trying but the other thing i always

2376

01:29:50,310 --> 01:29:47,440

point out to folks about ai

2377

01:29:53,189 --> 01:29:50,320

is that you're already living ai

2378

01:29:56,149 --> 01:29:53,199

i mean if you trade stocks even a little

2379

01:29:59,270 --> 01:29:56,159

bit you're competing with ai if you play

2380

01:30:01,590 --> 01:29:59,280

online poker you're competing with ai if

2381

01:30:03,510 --> 01:30:01,600

you're those little

2382

01:30:07,510 --> 01:30:03,520

search engine bots that follow you

2383

01:30:10,070 --> 01:30:07,520

around are ai so even the points at

2384

01:30:12,870 --> 01:30:10,080

which you're already are interfacing

2385

01:30:15,669 --> 01:30:12,880

with ai are kind of unsettling so where

2386

01:30:20,550 --> 01:30:18,470

it's it's very it's very hard to imagine

2387

01:30:22,790 --> 01:30:20,560

that it's not it's not much much further

2388

01:30:25,750 --> 01:30:22,800

along than we think but i think the the

2389

01:30:29,510 --> 01:30:25,760

question really is a spiritual question

2390

01:30:30,790 --> 01:30:29,520

of whether or not uh is what sentence

2391

01:30:32,870 --> 01:30:30,800

means what

2392

01:30:35,830 --> 01:30:32,880

uh you know

2393

01:30:37,830 --> 01:30:35,840

being human really means becomes uh

2394

01:30:39,590 --> 01:30:37,840

becomes a spiritual question because if

2395

01:30:42,229 --> 01:30:39,600

you're thinking about it from a

2396

01:30:44,070 --> 01:30:42,239

materialistic science perspective it's

2397

01:30:45,830 --> 01:30:44,080

game over yes of course the computer's

2398

01:30:47,990 --> 01:30:45,840

going to be smarter than you are

2399

01:30:49,669 --> 01:30:48,000

well and it's a question of sentence and

2400

01:30:51,990 --> 01:30:49,679

that and that's what that's what that's

2401

01:30:53,750 --> 01:30:52,000

what our question is i mean really i

2402

01:30:55,590 --> 01:30:53,760

mean i don't

2403

01:30:57,110 --> 01:30:55,600

and i could yeah obviously could be

2404

01:30:58,790 --> 01:30:57,120

totally off base on this but i don't

2405

01:31:00,470 --> 01:30:58,800

think we have the neural networks and

2406

01:31:03,030 --> 01:31:00,480

stuff that we need to have you know to

2407

01:31:05,270 --> 01:31:03,040

even approach sentence in a machine

2408

01:31:07,990 --> 01:31:05,280

we've just got some really really good

2409

01:31:09,830 --> 01:31:08,000

heuristics engines that can make that

2410

01:31:12,709 --> 01:31:09,840

because a couple years ago some russian

2411

01:31:16,550 --> 01:31:12,719

programmers actually won you know won a

2412

01:31:18,310 --> 01:31:16,560

uh uk uh touring test uh but they but

2413

01:31:20,790 --> 01:31:18,320

they dumbed down their bots so that it

2414

01:31:24,149 --> 01:31:20,800

spoke as like a three-year-old russian

2415

01:31:26,310 --> 01:31:24,159

and well in english in english so

2416

01:31:28,790 --> 01:31:26,320

translated from a three-year-old russian

2417

01:31:31,270 --> 01:31:28,800

to english and actually managed to fool

2418

01:31:33,030 --> 01:31:31,280

some people but that's that's kind of

2419

01:31:35,110 --> 01:31:33,040

that's kind of uh i think perk did

2420

01:31:36,870 --> 01:31:35,120

something like that and uh star trek to

2421

01:31:39,030 --> 01:31:36,880

uh you know uh

2422

01:31:40,950 --> 01:31:39,040

you know the uh kovarachi maru or

2423

01:31:42,310 --> 01:31:40,960

whatever but yeah

2424

01:31:44,310 --> 01:31:42,320

well and i think you've changed the

2425

01:31:46,550 --> 01:31:44,320

rules of the game basically yeah i mean

2426

01:31:49,430 --> 01:31:46,560

i think it gets back to the quote that i

2427

01:31:52,310 --> 01:31:49,440

played you by uh harare

2428

01:31:54,629 --> 01:31:52,320

um the new world order guy who is the

2429

01:31:55,750 --> 01:31:54,639

science darling right so he doesn't

2430

01:31:59,189 --> 01:31:55,760

believe

2431

01:32:01,669 --> 01:31:59,199

that you are a conscious being john he

2432

01:32:03,510 --> 01:32:01,679

believes that you are a biological robot

2433

01:32:06,149 --> 01:32:03,520

the consciousness is

2434

01:32:09,030 --> 01:32:06,159

emerging is an epiphenomena of your

2435

01:32:12,310 --> 01:32:09,040

brain there is nothing more to you than

2436

01:32:15,030 --> 01:32:12,320

this biology that's cranking that out

2437

01:32:17,189 --> 01:32:15,040

that's how they want to frame things

2438

01:32:19,669 --> 01:32:17,199

from an ai perspective because then from

2439

01:32:22,629 --> 01:32:19,679

an ai perspective you can nev you will

2440

01:32:24,709 --> 01:32:22,639

lose that battle but if you are more and

2441

01:32:27,590 --> 01:32:24,719

the best science suggests that you are

2442

01:32:28,709 --> 01:32:27,600

more that you are a spiritual being

2443

01:32:31,189 --> 01:32:28,719

then

2444

01:32:33,590 --> 01:32:31,199

ai can never really touch that unless we

2445

01:32:36,310 --> 01:32:33,600

start hypothesizing that at some point

2446

01:32:37,990 --> 01:32:36,320

the silic the soul enters the silicon

2447

01:32:40,550 --> 01:32:38,000

and that kind of thing but that's a kind

2448

01:32:41,910 --> 01:32:40,560

of different discussion yeah it is a

2449

01:32:44,229 --> 01:32:41,920

different discussion

2450

01:32:46,070 --> 01:32:44,239

yeah yeah i just i just don't i don't

2451

01:32:48,149 --> 01:32:46,080

think i don't think google i don't think

2452

01:32:51,430 --> 01:32:48,159

we need to worry about anything escaping

2453

01:32:54,390 --> 01:32:51,440

uh a google lab and uh and uh taking

2454

01:32:56,870 --> 01:32:54,400

over the world i i just that that's

2455

01:32:58,149 --> 01:32:56,880

and i could be wrong but i just i don't

2456

01:32:59,669 --> 01:32:58,159

know that we're that advanced and

2457

01:33:01,830 --> 01:32:59,679

actually i think back to the fact that

2458

01:33:03,990 --> 01:33:01,840

we're just kind of some biological

2459

01:33:06,709 --> 01:33:04,000

computers um

2460

01:33:08,790 --> 01:33:06,719

you know we we don't we don't do we

2461

01:33:10,870 --> 01:33:08,800

don't we don't do a very good job but so

2462

01:33:12,390 --> 01:33:10,880

so we're flawed in of in and of

2463

01:33:14,149 --> 01:33:12,400

ourselves and then we're gonna we're

2464

01:33:15,830 --> 01:33:14,159

gonna i mean

2465

01:33:17,590 --> 01:33:15,840

so we're really that close to being god

2466

01:33:19,990 --> 01:33:17,600

that we can create a senate sentiment

2467

01:33:24,950 --> 01:33:22,229

again i think that plays into what

2468

01:33:26,950 --> 01:33:24,960

they're the meme that they're trying to

2469

01:33:30,149 --> 01:33:26,960

the paradigm that they're trying really

2470

01:33:32,070 --> 01:33:30,159

really hard to advance which is that

2471

01:33:34,149 --> 01:33:32,080

yeah that's that's what harare says that

2472

01:33:36,550 --> 01:33:34,159

directly he says that's going to be god

2473

01:33:38,390 --> 01:33:36,560

god is going to come from silicon valley

2474

01:33:40,310 --> 01:33:38,400

and that's why i jumped on rob about the

2475

01:33:43,189 --> 01:33:40,320

uri geller thing that's the important

2476

01:33:45,510 --> 01:33:43,199

point about early geller is

2477

01:33:47,910 --> 01:33:45,520

this the scientists that were working

2478

01:33:51,110 --> 01:33:47,920

with uri geller they didn't have any of

2479

01:33:53,110 --> 01:33:51,120

these transhumanist notions that there's

2480

01:33:54,790 --> 01:33:53,120

nothing more they were saying this guy

2481

01:33:56,790 --> 01:33:54,800

is obviously connecting with something

2482

01:33:59,030 --> 01:33:56,800

more there's something more out there

2483

01:34:01,669 --> 01:33:59,040

but the message for

2484

01:34:04,310 --> 01:34:01,679

the climate catastrophist like robin

2485

01:34:06,629 --> 01:34:04,320

trish is no give us control of

2486

01:34:08,149 --> 01:34:06,639

everything give us the technical control

2487

01:34:09,910 --> 01:34:08,159

and we'll figure everything out and

2488

01:34:11,110 --> 01:34:09,920

that's just that the science doesn't

2489

01:34:13,110 --> 01:34:11,120

support that

2490

01:34:15,430 --> 01:34:13,120

well and and to be clear that's what

2491

01:34:17,510 --> 01:34:15,440

bothers me when it kind of bothers me

2492

01:34:19,510 --> 01:34:17,520

that this that this whole story may have

2493

01:34:21,510 --> 01:34:19,520

been a you know may have been a plant

2494

01:34:23,270 --> 01:34:21,520

you know that totally

2495

01:34:26,950 --> 01:34:23,280

to terrify people that google or

2496

01:34:32,229 --> 01:34:26,960

google's on the verge of uh uh sentinel

2497

01:34:38,149 --> 01:34:34,790

one of the one of the things that uh

2498

01:34:39,669 --> 01:34:38,159

you said alex about uh eric yeller about

2499

01:34:40,470 --> 01:34:39,679

the the scientists

2500

01:34:41,510 --> 01:34:40,480

uh

2501
01:34:44,189 --> 01:34:41,520
actually

2502
01:34:47,189 --> 01:34:44,199
blends right in with a lot of what

2503
01:34:50,790 --> 01:34:47,199
parapsychologists believe that they they

2504
01:34:52,470 --> 01:34:50,800
may believe in telepathy precognition

2505
01:34:55,109 --> 01:34:52,480
but many of them

2506
01:34:56,870 --> 01:34:55,119
including dean rayden i believe do not

2507
01:34:59,590 --> 01:34:56,880
believe in an afterlife

2508
01:35:01,109 --> 01:34:59,600
do not believe that we are spirit beings

2509
01:35:02,470 --> 01:35:01,119
well i i don't know

2510
01:35:05,030 --> 01:35:02,480
maybe i don't know where you're getting

2511
01:35:07,189 --> 01:35:05,040
that from dean but i mean he published

2512
01:35:09,510 --> 01:35:07,199
his book on magic and

2513
01:35:10,470 --> 01:35:09,520

spirits and all the rest of that stuff

2514

01:35:12,950 --> 01:35:10,480

yeah i know

2515

01:35:15,430 --> 01:35:12,960

i've read books but

2516

01:35:18,149 --> 01:35:15,440

i just remember maybe his change

2517

01:35:21,030 --> 01:35:18,159

uh changed his thinking but i remember

2518

01:35:23,189 --> 01:35:21,040

maybe 20 years ago you say from a

2519

01:35:25,109 --> 01:35:23,199

scientific point of view there is there

2520

01:35:26,390 --> 01:35:25,119

is no evidence that

2521

01:35:29,189 --> 01:35:26,400

uh

2522

01:35:32,310 --> 01:35:29,199

that there is any spirit world that that

2523

01:35:34,629 --> 01:35:32,320

life continues to survives well that's

2524

01:35:36,709 --> 01:35:34,639

noah i mean ed is in his book in the the

2525

01:35:38,070 --> 01:35:36,719

magic real magic book he kind of says

2526

01:35:40,830 --> 01:35:38,080

hey i didn't know any of this stuff

2527

01:35:44,070 --> 01:35:40,840

before and now i understand this okay

2528

01:35:45,990 --> 01:35:44,080

yeah cult spirit but i i still think

2529

01:35:48,070 --> 01:35:46,000

he's you know he's transhumanist i had

2530

01:35:49,669 --> 01:35:48,080

him on the show and i was just stunned

2531

01:35:52,950 --> 01:35:49,679

that he he's kind of

2532

01:35:54,149 --> 01:35:52,960

fallen into this transhumanist trap so

2533

01:35:56,070 --> 01:35:54,159

that's where i thought you were going

2534

01:35:58,149 --> 01:35:56,080

he's kind of of this hey maybe we could

2535

01:36:00,390 --> 01:35:58,159

all just be a hive mind and maybe that's

2536

01:36:02,149 --> 01:36:00,400

better for everybody and it'll save the

2537

01:36:03,830 --> 01:36:02,159

planet if you don't have your individual

2538

01:36:07,830 --> 01:36:03,840

consciousness if you just

2539

01:36:09,510 --> 01:36:07,840

merge it all in the one big hive

2540

01:36:10,550 --> 01:36:09,520

the man who felt the man who fell to

2541

01:36:12,550 --> 01:36:10,560

earth

2542

01:36:14,310 --> 01:36:12,560

yeah and and and maybe this would be a

2543

01:36:16,709 --> 01:36:14,320

good place to end it we'll just tell

2544

01:36:18,550 --> 01:36:16,719

people that in the afterlife we'll find

2545

01:36:19,910 --> 01:36:18,560

each other and record a follow-up

2546

01:36:22,149 --> 01:36:19,920

podcast

2547

01:36:23,669 --> 01:36:22,159

oh that sounds good yeah right as above

2548

01:36:27,510 --> 01:36:23,679

so below

2549

01:36:29,910 --> 01:36:27,520

as below so above right all right

2550

01:36:31,669 --> 01:36:29,920

thank you thank you guys thank you alex

2551

01:36:33,510 --> 01:36:31,679

this is the kind of this is the kind of

2552

01:36:34,950 --> 01:36:33,520

discussions that need to be had so this

2553

01:36:36,629 --> 01:36:34,960

is the discussion i want to have i don't

2554

01:36:38,950 --> 01:36:36,639

know what someone you want to have no

2555

01:36:40,229 --> 01:36:38,960

that's what it's like that's good

2556

01:36:42,870 --> 01:36:40,239

it's true

2557

01:36:44,629 --> 01:36:42,880

it's about finding truth so i'm gonna

2558

01:36:47,030 --> 01:36:44,639

i'm gonna send you to miami i'm gonna

2559

01:36:48,870 --> 01:36:47,040

send you the miami beach sea levels and

2560

01:36:50,950 --> 01:36:48,880

then i'm gonna send you a ticket to

2561

01:36:52,470 --> 01:36:50,960

miami to go drive during hurricanes

2562

01:36:54,790 --> 01:36:52,480

those those are not those are not

2563

01:36:56,629 --> 01:36:54,800

equivalent those are not the same hey

2564

01:36:57,470 --> 01:36:56,639

don't but don't turn down a free trip to

2565

01:36:59,910 --> 01:36:57,480

miami you know

2566

01:37:01,109 --> 01:36:59,920

[Laughter]

2567

01:37:03,270 --> 01:37:01,119

okay

2568

01:37:06,709 --> 01:37:03,280

see you guys thanks take care appreciate

2569

01:37:08,390 --> 01:37:06,719

it appreciate you guys

2570

01:37:10,310 --> 01:37:08,400

thanks to these guys rob and trish

2571

01:37:13,350 --> 01:37:10,320

mcguire for having me on i'm sure this

2572

01:37:16,070 --> 01:37:14,709

the end of it

2573

01:37:16,950 --> 01:37:16,080

um

2574

01:37:22,390 --> 01:37:16,960

it's

2575

01:37:25,109 --> 01:37:22,400

i'm going to continue to cover is like

2576

01:37:27,830 --> 01:37:25,119

the truth is too important mistakes are

2577

01:37:30,229 --> 01:37:27,840

raised now i mean we have to be able to

2578

01:37:33,109 --> 01:37:30,239

get through this stuff and

2579

01:37:35,350 --> 01:37:33,119

just really poor logic just

2580

01:37:37,590 --> 01:37:35,360

isn't gonna cut it and i don't think it

2581

01:37:39,750 --> 01:37:37,600

should be you know

2582

01:37:41,990 --> 01:37:39,760

kind of a suffer fools gladly kind of

2583

01:37:43,030 --> 01:37:42,000

thing i don't know what do you think let

2584

01:37:46,600 --> 01:37:43,040

me know

2585

01:38:00,160 --> 01:37:46,610

until next time take care bye for now
