science & spirituality

# ***UFO/ET*** ***ANSWERS***

**566-RUSS-KYLE-MARTY**

1  
00:00:00,640 --> 00:00:05,190  
on this episode of skeptico

2  
00:00:09,030 --> 00:00:07,749  
a show about finally getting some

3  
00:00:10,470 --> 00:00:09,040  
answers

4  
00:00:11,190 --> 00:00:10,480  
you made it here

5  
00:00:13,830 --> 00:00:11,200  
and

6  
00:00:18,770 --> 00:00:13,840  
it was meant for us why what did we do

7  
00:00:18,780 --> 00:00:26,150  
[Music]

8  
00:00:30,550 --> 00:00:28,790  
whether we like those answers or not

9  
00:00:32,630 --> 00:00:30,560  
have we done this before

10  
00:00:33,750 --> 00:00:32,640  
humans have been around 400 000 years at

11  
00:00:36,229 --> 00:00:33,760  
least

12  
00:00:38,869 --> 00:00:36,239  
how many times has this happened

13  
00:00:41,110 --> 00:00:38,879

the reason the gods destroy

14

00:00:43,350 --> 00:00:41,120

the tower is because

15

00:00:45,350 --> 00:00:43,360

humanity is about to discover something

16

00:00:47,190 --> 00:00:45,360

and the reason the gods say is that they

17

00:00:49,510 --> 00:00:47,200

will then become like us

18

00:00:51,830 --> 00:00:49,520

yes so i can't

19

00:00:53,350 --> 00:00:51,840

think too much about the space brothers

20

00:00:55,670 --> 00:00:53,360

aspect of this

21

00:00:56,470 --> 00:00:55,680

in that scenario

22

00:00:57,750 --> 00:00:56,480

and

23

00:00:59,990 --> 00:00:57,760

that question

24

00:01:02,150 --> 00:01:00,000

in my mind raises a different question

25

00:01:05,350 --> 00:01:02,160

and it's

26  
00:01:07,670 --> 00:01:05,360  
is consciousness or spirituality unique

27  
00:01:09,030 --> 00:01:07,680  
to mankind

28  
00:01:11,670 --> 00:01:09,040  
that first clip was from the movie

29  
00:01:14,950 --> 00:01:11,680  
prometheus the second was from our

30  
00:01:17,350 --> 00:01:14,960  
guests today ross kyle from the brothers

31  
00:01:19,749 --> 00:01:17,360  
of the serpent podcast

32  
00:01:24,070 --> 00:01:19,759  
and marty garza

33  
00:01:26,230 --> 00:01:24,080  
the ufo guru expert who is so so good at

34  
00:01:29,749 --> 00:01:26,240  
what he does

35  
00:01:31,429 --> 00:01:29,759  
stick around this is a classic classic

36  
00:01:35,830 --> 00:01:31,439  
skeptico

37  
00:01:37,990 --> 00:01:35,840  
controversial science and spirituality

38  
00:01:40,950 --> 00:01:38,000

with leading researchers thinkers and

39

00:01:42,469 --> 00:01:40,960

their critics i'm your host alex secaris

40

00:01:43,749 --> 00:01:42,479

and today

41

00:01:45,190 --> 00:01:43,759

we welcome

42

00:01:46,789 --> 00:01:45,200

russ allen

43

00:01:50,069 --> 00:01:46,799

kyle allen

44

00:01:53,030 --> 00:01:50,079

creators of that oh so excellent

45

00:01:54,550 --> 00:01:53,040

brothers of the serpent podcast and we

46

00:01:57,749 --> 00:01:54,560

also welcome

47

00:02:00,550 --> 00:01:57,759

their honorary serpent brother

48

00:02:03,109 --> 00:02:00,560

marty garza

49

00:02:04,630 --> 00:02:03,119

so wow this is just uh you know we're

50

00:02:06,709 --> 00:02:04,640

just chatting a little bit i'm super

51

00:02:07,749 --> 00:02:06,719

excited to do this show

52

00:02:09,270 --> 00:02:07,759

uh

53

00:02:12,309 --> 00:02:09,280

these guys russ and kyle have a

54

00:02:14,949 --> 00:02:12,319

fantastic show it really is great

55

00:02:15,990 --> 00:02:14,959

kind of famous the show is for doing

56

00:02:19,990 --> 00:02:16,000

these

57

00:02:21,190 --> 00:02:20,000

incredible deep dive multi-part part 14

58

00:02:24,550 --> 00:02:21,200

kind of things

59

00:02:26,390 --> 00:02:24,560

but a deep deep dive and a while back

60

00:02:28,309 --> 00:02:26,400

some people started

61

00:02:31,110 --> 00:02:28,319

turning me on to

62

00:02:33,270 --> 00:02:31,120

this series that they were doing on ufos

63

00:02:35,670 --> 00:02:33,280

which is a tiny bit out of their swing

64

00:02:36,949 --> 00:02:35,680

zone not exactly but they kept going hey

65

00:02:38,550 --> 00:02:36,959

man you gotta listen to this you gotta

66

00:02:41,589 --> 00:02:38,560

listen smartygar's a guy gotta listen

67

00:02:42,550 --> 00:02:41,599

gotta listen and i did and i gotta tell

68

00:02:45,670 --> 00:02:42,560

you

69

00:02:47,750 --> 00:02:45,680

fantastic they are up to part nine at

70

00:02:49,509 --> 00:02:47,760

this point and

71

00:02:52,229 --> 00:02:49,519

i have done

72

00:02:54,630 --> 00:02:52,239

a lot of ufo shows with some pretty

73

00:02:55,670 --> 00:02:54,640

prominent people in the ufo community

74

00:02:57,670 --> 00:02:55,680

which

75

00:02:59,430 --> 00:02:57,680

won't mention names this what they've

76

00:03:01,750 --> 00:02:59,440

done

77

00:03:04,790 --> 00:03:01,760

top of the heap i mean just really

78

00:03:07,750 --> 00:03:04,800

really quality quality stuff and

79

00:03:10,869 --> 00:03:07,760

super deep discussions super smart

80

00:03:13,589 --> 00:03:10,879

discussions tons of new information and

81

00:03:15,990 --> 00:03:13,599

particularly uh new connections that

82

00:03:18,949 --> 00:03:16,000

these guys are making that you might

83

00:03:21,190 --> 00:03:18,959

never have thought of so i really want

84

00:03:22,229 --> 00:03:21,200

to encourage you we'll just be able to

85

00:03:24,710 --> 00:03:22,239

kind of

86

00:03:27,350 --> 00:03:24,720

touch on some of it as much as i can

87

00:03:29,509 --> 00:03:27,360

kind of pull out of these guys but

88

00:03:31,350 --> 00:03:29,519

go listen to these shows go listen to

89

00:03:33,110 --> 00:03:31,360

all their shows but if you're interested

90

00:03:34,869 --> 00:03:33,120

in ufos

91

00:03:36,710 --> 00:03:34,879

it's just amazing amazing stuff and i

92

00:03:39,750 --> 00:03:36,720

was chatting with marty

93

00:03:41,430 --> 00:03:39,760

probably a book will come out of this

94

00:03:43,910 --> 00:03:41,440

certainly hope so

95

00:03:46,550 --> 00:03:43,920

but in the meantime just uh

96

00:03:49,110 --> 00:03:46,560

ross kyle congratulations guys

97

00:03:50,710 --> 00:03:49,120

congratulations for bringing this

98

00:03:52,789 --> 00:03:50,720

to be

99

00:03:54,550 --> 00:03:52,799

well thank you and alex it's a pleasure

100

00:03:55,910 --> 00:03:54,560

to be here we we did some shows with you

101  
00:03:57,509 --> 00:03:55,920  
a while back and it's great to be back

102  
00:03:59,509 --> 00:03:57,519  
man thank you so much for the invitation

103  
00:04:01,990 --> 00:03:59,519  
yeah thanks for having us yeah and uh

104  
00:04:03,350 --> 00:04:02,000  
really i mean congratulations to marty

105  
00:04:04,789 --> 00:04:03,360  
yes uh

106  
00:04:06,949 --> 00:04:04,799  
i didn't know anything about all this

107  
00:04:09,270 --> 00:04:06,959  
stuff so it's been it's been a

108  
00:04:11,270 --> 00:04:09,280  
a really fun deep dive for me

109  
00:04:13,509 --> 00:04:11,280  
um i know russ has looked into it quite

110  
00:04:15,110 --> 00:04:13,519  
a bit as well but this has all been new

111  
00:04:17,430 --> 00:04:15,120  
to me so this is my

112  
00:04:19,670 --> 00:04:17,440  
only experience of going down the ufo

113  
00:04:22,629 --> 00:04:19,680

rabbit hole so thanks a lot marty yeah

114

00:04:24,230 --> 00:04:22,639

we can all the all the yeah all the um

115

00:04:26,790 --> 00:04:24,240

the compliments you just gave us really

116

00:04:28,469 --> 00:04:26,800

on the ufo episodes go to marty i mean

117

00:04:30,469 --> 00:04:28,479

kyle and i are just podcasters over here

118

00:04:33,909 --> 00:04:30,479

but this dude has done the work you know

119

00:04:38,390 --> 00:04:35,670

but you guys have a great a great

120

00:04:39,350 --> 00:04:38,400

interaction going on and we're gonna

121

00:04:43,430 --> 00:04:39,360

really

122

00:04:45,749 --> 00:04:43,440

in this interview because

123

00:04:47,670 --> 00:04:45,759

he is such the master here but i want to

124

00:04:52,950 --> 00:04:47,680

start

125

00:04:54,629 --> 00:04:52,960

like kyle i mean you you got an

126

00:04:55,830 --> 00:04:54,639

interesting perspective i love when

127

00:04:57,430 --> 00:04:55,840

you're calling [\h\_\_\h] because you're

128

00:04:59,110 --> 00:04:57,440

calling [\h\_\_\h] on so many of the

129

00:05:02,230 --> 00:04:59,120

things that i

130

00:05:04,310 --> 00:05:02,240

am like yes i mean he is appropriately

131

00:05:06,950 --> 00:05:04,320

calling [\h\_\_\h] not like [\h\_\_\h]

132

00:05:10,790 --> 00:05:06,960

[\h\_\_\h] but just like you know could be

133

00:05:13,110 --> 00:05:10,800

[\h\_\_\h] you gotta consider that so

134

00:05:14,070 --> 00:05:13,120

tell me tell me from your perspective

135

00:05:15,590 --> 00:05:14,080

kyle

136

00:05:18,870 --> 00:05:15,600

how this

137

00:05:21,990 --> 00:05:18,880

project has kind of changed you shaped

138

00:05:23,830 --> 00:05:22,000

you interested you and pulled you into

139

00:05:25,909 --> 00:05:23,840

because again this isn't you know

140

00:05:28,710 --> 00:05:25,919

something that you're probably

141

00:05:30,710 --> 00:05:28,720

involved in at that level so let's start

142

00:05:33,110 --> 00:05:30,720

with let's start with kyle

143

00:05:35,350 --> 00:05:33,120

well all right this is i mean it's been

144

00:05:37,990 --> 00:05:35,360

very surprising on many levels

145

00:05:39,670 --> 00:05:38,000

um right off the right off the

146

00:05:41,350 --> 00:05:39,680

the get-go

147

00:05:43,110 --> 00:05:41,360

was all of the government involvement

148

00:05:46,710 --> 00:05:43,120

stuff that i was completely unaware of

149

00:05:50,070 --> 00:05:46,720

so that was really just like wow this is

150

00:05:51,990 --> 00:05:50,080

this is how deeply these you know people

151  
00:05:53,670 --> 00:05:52,000  
have been involved in this on you know

152  
00:05:55,350 --> 00:05:53,680  
on the government level

153  
00:05:57,110 --> 00:05:55,360  
um

154  
00:05:58,230 --> 00:05:57,120  
you know intelligence agencies all this

155  
00:06:00,230 --> 00:05:58,240  
kind of stuff so that was very

156  
00:06:02,469 --> 00:06:00,240  
surprising in the beginning

157  
00:06:04,830 --> 00:06:02,479  
obviously as we go

158  
00:06:07,990 --> 00:06:04,840  
deeper into the mysteries

159  
00:06:10,230 --> 00:06:08,000  
um the spiritual aspects i think i was

160  
00:06:11,350 --> 00:06:10,240  
somewhat aware of

161  
00:06:15,110 --> 00:06:11,360  
but

162  
00:06:15,830 --> 00:06:15,120  
uh the fact that it sort of merges into

163  
00:06:24,629 --> 00:06:15,840

the

164

00:06:26,550 --> 00:06:24,639

strange phenomena

165

00:06:28,870 --> 00:06:26,560

um is is really

166

00:06:31,110 --> 00:06:28,880

interesting to me and i'm

167

00:06:33,430 --> 00:06:31,120

you know i just get

168

00:06:35,749 --> 00:06:33,440

really skeptical of the

169

00:06:38,230 --> 00:06:35,759

anecdotal accounts that's really where

170

00:06:42,070 --> 00:06:38,240

it just it's hard to

171

00:06:44,469 --> 00:06:42,080

take stock in any of these things

172

00:06:46,550 --> 00:06:44,479

wholeheartedly what i really like about

173

00:06:49,270 --> 00:06:46,560

what marty's done is is

174

00:06:50,870 --> 00:06:49,280

draw the connections across

175

00:06:51,909 --> 00:06:50,880

all of the accounts to show you the

176  
00:06:54,070 --> 00:06:51,919  
patterns

177  
00:06:55,430 --> 00:06:54,080  
that sort of thing um

178  
00:06:56,629 --> 00:06:55,440  
and uh

179  
00:06:57,670 --> 00:06:56,639  
yeah i just

180  
00:07:12,550 --> 00:06:57,680  
i

181  
00:07:15,110 --> 00:07:12,560  
um

182  
00:07:17,510 --> 00:07:15,120  
this is all one thing taking place it's

183  
00:07:18,550 --> 00:07:17,520  
kind of been difficult for me so

184  
00:07:20,710 --> 00:07:18,560  
i think

185  
00:07:22,309 --> 00:07:20,720  
i want to draw lines like my natural

186  
00:07:24,469 --> 00:07:22,319  
inclination is to say okay there's a

187  
00:07:26,790 --> 00:07:24,479  
dividing line here there's a dividing

188  
00:07:29,110 --> 00:07:26,800

line over there and then

189

00:07:30,629 --> 00:07:29,120

go you know try to categorize these

190

00:07:31,589 --> 00:07:30,639

things in some way where we can look

191

00:07:34,710 --> 00:07:31,599

into it

192

00:07:37,110 --> 00:07:34,720

to them deeper individually and that

193

00:07:39,510 --> 00:07:37,120

doesn't seem to be able to be done which

194

00:07:42,550 --> 00:07:39,520

is the problem not with that guy not

195

00:07:44,790 --> 00:07:42,560

with that guy next to you because

196

00:07:46,790 --> 00:07:44,800

no uh it's but but kind of kidding but

197

00:07:48,869 --> 00:07:46,800

kind of seriously because uh

198

00:07:52,070 --> 00:07:48,879

russ so much of what you're doing is

199

00:07:54,150 --> 00:07:52,080

kind of being open to kind of dissolving

200

00:07:56,550 --> 00:07:54,160

those lines and kind of throwing all

201  
00:07:59,670 --> 00:07:56,560  
that so how did you come about

202  
00:08:01,670 --> 00:07:59,680  
how has it come together for you and

203  
00:08:03,670 --> 00:08:01,680  
how did it even start maybe the origin

204  
00:08:05,270 --> 00:08:03,680  
of this and then did you think it was

205  
00:08:07,670 --> 00:08:05,280  
going to go this far did you see it

206  
00:08:08,869 --> 00:08:07,680  
going the directions that it has gone

207  
00:08:14,950 --> 00:08:08,879  
and

208  
00:08:17,350 --> 00:08:14,960  
um jimmy k i became interested in ufo

209  
00:08:18,869 --> 00:08:17,360  
the ufo topic

210  
00:08:21,350 --> 00:08:18,879  
i mean decades ago

211  
00:08:23,270 --> 00:08:21,360  
uh right around the same time i was i

212  
00:08:25,430 --> 00:08:23,280  
was sort of i sort of did a deep dive

213  
00:08:27,270 --> 00:08:25,440

into all manner of just mysterious

214

00:08:28,710 --> 00:08:27,280

subjects um

215

00:08:31,589 --> 00:08:28,720

so that was when i first started getting

216

00:08:33,430 --> 00:08:31,599

into ufos but really what really

217

00:08:35,750 --> 00:08:33,440

really grabbed me was the first time i

218

00:08:37,430 --> 00:08:35,760

read a jacques vallee book and i think

219

00:08:39,509 --> 00:08:37,440

it was messengers of deception was the

220

00:08:41,829 --> 00:08:39,519

first one i read and then i was then i

221

00:08:43,990 --> 00:08:41,839

was hooked i was like okay

222

00:08:46,230 --> 00:08:44,000

i gotta check this this this subject out

223

00:08:48,470 --> 00:08:46,240

because it's far more it actually was it

224

00:08:50,389 --> 00:08:48,480

seemed far more interesting to me

225

00:08:51,829 --> 00:08:50,399

in what he was trying to say than just

226

00:08:53,269 --> 00:08:51,839

oh we're being visited by you know

227

00:08:54,389 --> 00:08:53,279

possible extraterrestrials that's

228

00:08:56,949 --> 00:08:54,399

interesting

229

00:08:59,590 --> 00:08:56,959

but it's not as

230

00:09:01,269 --> 00:08:59,600

it's not as weird as what jacques was

231

00:09:03,750 --> 00:09:01,279

presenting was just that not only is

232

00:09:05,590 --> 00:09:03,760

there some kind of presence but it also

233

00:09:07,509 --> 00:09:05,600

has all these other aspects it affects

234

00:09:08,790 --> 00:09:07,519

people's consciousness there's parts of

235

00:09:10,150 --> 00:09:08,800

it that look physical there's other

236

00:09:11,750 --> 00:09:10,160

parts of it that don't that look

237

00:09:13,430 --> 00:09:11,760

completely non-physical or what you

238

00:09:14,470 --> 00:09:13,440

would categorize as paranormal and then

239

00:09:17,430 --> 00:09:14,480

also

240

00:09:18,870 --> 00:09:17,440

you know that the the common idea of

241

00:09:20,389 --> 00:09:18,880

there's aliens here and the government

242

00:09:22,470 --> 00:09:20,399

knows about it and is keeping it secret

243

00:09:23,670 --> 00:09:22,480

valley is saying no basically the source

244

00:09:26,470 --> 00:09:23,680

of the deception comes from the

245

00:09:29,110 --> 00:09:26,480

phenomena itself that was really that

246

00:09:30,550 --> 00:09:29,120

really grabbed me um

247

00:09:31,829 --> 00:09:30,560

you know because it's one thing for

248

00:09:33,190 --> 00:09:31,839

governments to keep secret that's kind

249

00:09:35,110 --> 00:09:33,200

of what they do it's almost part of

250

00:09:37,350 --> 00:09:35,120

their job but you know when when you

251  
00:09:39,829 --> 00:09:37,360  
have something as big as this and it's

252  
00:09:42,070 --> 00:09:39,839  
also kind of hiding for some reason then

253  
00:09:43,990 --> 00:09:42,080  
you really want to dig into it or i did

254  
00:09:45,829 --> 00:09:44,000  
so that was the beginning of my

255  
00:09:46,710 --> 00:09:45,839  
exploration of the subject so by the

256  
00:09:48,230 --> 00:09:46,720  
time

257  
00:09:49,750 --> 00:09:48,240  
you know we made the podcast and we

258  
00:09:51,509 --> 00:09:49,760  
started doing this stuff and then i met

259  
00:09:54,230 --> 00:09:51,519  
marty and i just you know i'm he showed

260  
00:09:55,430 --> 00:09:54,240  
up into our uh online community the

261  
00:09:57,269 --> 00:09:55,440  
discord

262  
00:09:58,710 --> 00:09:57,279  
and at the time

263  
00:10:00,870 --> 00:09:58,720

this was a couple of years ago now at

264

00:10:02,550 --> 00:10:00,880

the time that the some interesting

265

00:10:05,030 --> 00:10:02,560

things were happening with the subject

266

00:10:06,630 --> 00:10:05,040

of ufos and uaps and in

267

00:10:07,990 --> 00:10:06,640

you know just in the mainstream view in

268

00:10:09,110 --> 00:10:08,000

the public eye

269

00:10:11,030 --> 00:10:09,120

uh

270

00:10:12,710 --> 00:10:11,040

and i knew at that point because of my

271

00:10:14,150 --> 00:10:12,720

interactions with marty that he had a

272

00:10:15,750 --> 00:10:14,160

really deep

273

00:10:17,190 --> 00:10:15,760

knowledge of this topic and i was like

274

00:10:18,470 --> 00:10:17,200

you know what we need to tackle this on

275

00:10:21,269 --> 00:10:18,480

the podcast

276

00:10:22,870 --> 00:10:21,279

uh i already thought it was ancient and

277

00:10:24,710 --> 00:10:22,880

to me you know our podcast on the

278

00:10:25,910 --> 00:10:24,720

subject of ancient mysteries this fit i

279

00:10:28,069 --> 00:10:25,920

knew it was a little bit outside the

280

00:10:29,509 --> 00:10:28,079

wheelhouse like you said we normally are

281

00:10:32,870 --> 00:10:29,519

looking at ancient civilizations but

282

00:10:34,470 --> 00:10:32,880

this this thing is old uh so i was like

283

00:10:35,990 --> 00:10:34,480

i just asked mario's like hey man you

284

00:10:37,590 --> 00:10:36,000

know i know you know a lot about this

285

00:10:38,630 --> 00:10:37,600

what would you say to coming on the show

286

00:10:41,590 --> 00:10:38,640

sometime

287

00:10:42,870 --> 00:10:41,600

and uh and let's do a ufo show and

288

00:10:44,630 --> 00:10:42,880

he agreed

289

00:10:45,990 --> 00:10:44,640

and it's turned into a nine part episode

290

00:10:48,470 --> 00:10:46,000

and there's no end in sight which is

291

00:10:51,190 --> 00:10:48,480

exactly what we want you know he won't

292

00:10:53,190 --> 00:10:51,200

tell us what's really going on yeah

293

00:10:54,870 --> 00:10:53,200

he's like we'll get to that later

294

00:10:56,069 --> 00:10:54,880

so he leaves us with questions every

295

00:10:58,470 --> 00:10:56,079

time but of course that's really the

296

00:11:00,470 --> 00:10:58,480

nature of our show is is is

297

00:11:02,790 --> 00:11:00,480

more than looking for answers is looking

298

00:11:04,389 --> 00:11:02,800

for the right questions and marty is

299

00:11:07,990 --> 00:11:04,399

great at doing that

300

00:11:09,110 --> 00:11:08,000

well you know that that origin story is

301  
00:11:11,350 --> 00:11:09,120  
so

302  
00:11:13,590 --> 00:11:11,360  
fitting for brothers of the serpent and

303  
00:11:16,230 --> 00:11:13,600  
what you guys have done in the community

304  
00:11:19,190 --> 00:11:16,240  
really and in so many kind of subtle

305  
00:11:20,230 --> 00:11:19,200  
little unique ways but you

306  
00:11:21,990 --> 00:11:20,240  
i don't think a lot of people can

307  
00:11:23,509 --> 00:11:22,000  
appreciate this but i appreciate the

308  
00:11:25,509 --> 00:11:23,519  
[h\_\_\h] out of the fact that you got a

309  
00:11:27,509 --> 00:11:25,519  
community and you so trust that

310  
00:11:30,069 --> 00:11:27,519  
community that you can turn to that

311  
00:11:33,030 --> 00:11:30,079  
community and say no this is a genuine

312  
00:11:35,350 --> 00:11:33,040  
legit guy and he deserves to be on the

313  
00:11:37,910 --> 00:11:35,360

show and he's on the show once and he

314

00:11:40,710 --> 00:11:37,920

passes the test he's on the show again

315

00:11:42,630 --> 00:11:40,720

and i think that's so hard for people to

316

00:11:44,630 --> 00:11:42,640

you know there's all these ideas of what

317

00:11:46,790 --> 00:11:44,640

will i see and you know

318

00:11:48,470 --> 00:11:46,800

what's his profile like and what's his

319

00:11:50,790 --> 00:11:48,480

you know what's his following like and

320

00:11:52,230 --> 00:11:50,800

all the rest of that and credit to you

321

00:11:54,550 --> 00:11:52,240

guys for feeling

322

00:11:56,470 --> 00:11:54,560

i guess secure enough in what you know

323

00:11:59,670 --> 00:11:56,480

and what you've put together

324

00:12:00,389 --> 00:11:59,680

to say no this is this is legit

325

00:12:02,389 --> 00:12:00,399

so

326

00:12:03,670 --> 00:12:02,399

marty from new york is still taking the

327

00:12:08,949 --> 00:12:03,680

test

328

00:12:12,710 --> 00:12:08,959

absolutely well

329

00:12:16,069 --> 00:12:12,720

well played kyle completely completely

330

00:12:17,590 --> 00:12:16,079

so uh so marty what was it like

331

00:12:20,550 --> 00:12:17,600

what was it like for you

332

00:12:22,230 --> 00:12:20,560

uh coming in doing this

333

00:12:24,310 --> 00:12:22,240

if people it's gonna be hard for people

334

00:12:26,629 --> 00:12:24,320

who haven't heard any of this because

335

00:12:27,829 --> 00:12:26,639

they're not going to really

336

00:12:30,069 --> 00:12:27,839

we're kind of talking about something

337

00:12:32,310 --> 00:12:30,079

they don't know what it is but again

338

00:12:35,430 --> 00:12:32,320

let me just recap really briefly you

339

00:12:37,190 --> 00:12:35,440

know nine episodes each one is at least

340

00:12:40,310 --> 00:12:37,200

two hours some of them are over three

341

00:12:42,710 --> 00:12:40,320

hours packed packed wall-to-wall with

342

00:12:47,030 --> 00:12:42,720

stuff and uh you know what are some of

343

00:12:49,030 --> 00:12:47,040

the ones uh part one part two uh 162 166

344

00:12:49,990 --> 00:12:49,040

173 these are just the numbers of show

345

00:12:54,150 --> 00:12:50,000

numbers

346

00:12:57,190 --> 00:12:54,160

part four the others part 5 213 a

347

00:12:59,269 --> 00:12:57,200

history of unlikely coincidences

348

00:13:01,509 --> 00:12:59,279

which had to be followed up with 214

349

00:13:04,150 --> 00:13:01,519

part two of part six a history of

350

00:13:07,110 --> 00:13:04,160

unlikely clinics is part two

351  
00:13:09,710 --> 00:13:07,120  
and then 224 d

352  
00:13:11,430 --> 00:13:09,720  
constructing demons

353  
00:13:13,190 --> 00:13:11,440  
225

354  
00:13:14,710 --> 00:13:13,200  
an overview conversation where they go

355  
00:13:16,629 --> 00:13:14,720  
back and go okay

356  
00:13:19,190 --> 00:13:16,639  
those of you this is about this two

357  
00:13:20,550 --> 00:13:19,200  
years in the making this series uh for

358  
00:13:22,389 --> 00:13:20,560  
those of you haven't followed on let's

359  
00:13:24,710 --> 00:13:22,399  
catch you up to date and then most

360  
00:13:26,069 --> 00:13:24,720  
recently 238

361  
00:13:28,150 --> 00:13:26,079  
part nine

362  
00:13:30,230 --> 00:13:28,160  
revelations which starts getting into

363  
00:13:33,030 --> 00:13:30,240

the deep waters of

364

00:13:35,110 --> 00:13:33,040

trying to understand

365

00:13:36,069 --> 00:13:35,120

this all tying it all together but at

366

00:13:38,710 --> 00:13:36,079

this

367

00:13:40,790 --> 00:13:38,720

consciousness level but at the same time

368

00:13:42,150 --> 00:13:40,800

this nuanced well we can't just be on

369

00:13:43,990 --> 00:13:42,160

the consciousness level we also have to

370

00:13:45,829 --> 00:13:44,000

be on the nuts and bolts level we have

371

00:13:47,350 --> 00:13:45,839

to be on the conspiratorial governmental

372

00:13:50,710 --> 00:13:47,360

level we have to be on

373

00:13:52,790 --> 00:13:50,720

world government level all that stuff so

374

00:13:55,509 --> 00:13:52,800

marty just a little bit about how this

375

00:13:56,710 --> 00:13:55,519

origin of this thing comes from you how

376  
00:14:03,910 --> 00:13:56,720  
you

377  
00:14:06,389 --> 00:14:03,920  
able to kind of bring to us

378  
00:14:08,790 --> 00:14:06,399  
okay there was so much said

379  
00:14:10,710 --> 00:14:08,800  
in setting this up that there are some

380  
00:14:12,550 --> 00:14:10,720  
there are a few things i have to address

381  
00:14:15,430 --> 00:14:12,560  
i may bring some

382  
00:14:17,430 --> 00:14:15,440  
information some data to the table but

383  
00:14:19,509 --> 00:14:17,440  
it's really it's really the show in

384  
00:14:20,710 --> 00:14:19,519  
other words russ and kyle have built a

385  
00:14:23,750 --> 00:14:20,720  
show

386  
00:14:25,350 --> 00:14:23,760  
that is like the perfect venue

387  
00:14:27,030 --> 00:14:25,360  
to be able to have this type of a

388  
00:14:31,750 --> 00:14:27,040

discussion

389

00:14:33,910 --> 00:14:31,760  
with a following of individuals that

390

00:14:34,870 --> 00:14:33,920  
you you feel comfortable

391

00:14:37,030 --> 00:14:34,880  
going

392

00:14:38,629 --> 00:14:37,040  
deep into the weeds on

393

00:14:40,310 --> 00:14:38,639  
details that

394

00:14:42,790 --> 00:14:40,320  
they're not uh

395

00:14:44,550 --> 00:14:42,800  
pedestrian level they're not simple

396

00:14:46,150 --> 00:14:44,560  
conversations they're

397

00:14:47,770 --> 00:14:46,160  
they're for people

398

00:14:48,949 --> 00:14:47,780  
thoughtful individuals who

399

00:14:51,430 --> 00:14:48,959  
[Music]

400

00:14:53,110 --> 00:14:51,440  
have an open mind are willing to listen

401  
00:14:54,389 --> 00:14:53,120  
to things that might make them feel

402  
00:14:56,230 --> 00:14:54,399  
uncomfortable

403  
00:14:58,230 --> 00:14:56,240  
at certain points

404  
00:15:00,550 --> 00:14:58,240  
um

405  
00:15:03,030 --> 00:15:00,560  
and without going i'm sure we're going

406  
00:15:04,230 --> 00:15:03,040  
to get into the finer details of it um

407  
00:15:05,990 --> 00:15:04,240  
but

408  
00:15:08,949 --> 00:15:06,000  
one thing that i think that makes the

409  
00:15:10,870 --> 00:15:08,959  
show quite different or our approach

410  
00:15:13,670 --> 00:15:10,880  
because you know i view this as we're a

411  
00:15:15,990 --> 00:15:13,680  
team and i think this our approach to

412  
00:15:17,430 --> 00:15:16,000  
the phenomenon what makes it different

413  
00:15:19,910 --> 00:15:17,440

is that we

414

00:15:22,150 --> 00:15:19,920

we go in and anybody that listens to the

415

00:15:25,269 --> 00:15:22,160

show knows we go into the

416

00:15:26,550 --> 00:15:25,279

earning our certificate of ignorance

417

00:15:28,790 --> 00:15:26,560

um

418

00:15:31,829 --> 00:15:28,800

i think a lot of the

419

00:15:32,629 --> 00:15:31,839

hundreds or thousands of other podcasts

420

00:15:35,749 --> 00:15:32,639

and

421

00:15:37,829 --> 00:15:35,759

the phenomenon

422

00:15:40,470 --> 00:15:37,839

tend to go into it

423

00:15:43,829 --> 00:15:40,480

with a perspective of knowing

424

00:15:46,870 --> 00:15:43,839

they're convinced of a certain

425

00:15:49,590 --> 00:15:46,880

a certain aspect of the phenomenon

426  
00:15:51,110 --> 00:15:49,600  
and really try to dwell on it and hammer

427  
00:15:53,189 --> 00:15:51,120  
it home without

428  
00:15:54,389 --> 00:15:53,199  
consideration for any

429  
00:15:57,030 --> 00:15:54,399  
data that might

430  
00:15:59,590 --> 00:15:57,040  
conflict with that um

431  
00:16:00,550 --> 00:15:59,600  
so we go in saying let's just present

432  
00:16:02,629 --> 00:16:00,560  
data

433  
00:16:05,030 --> 00:16:02,639  
let's pitch some ideas back and forth

434  
00:16:06,710 --> 00:16:05,040  
what what could account for this and how

435  
00:16:09,430 --> 00:16:06,720  
do these things

436  
00:16:11,670 --> 00:16:09,440  
correlate with other things

437  
00:16:12,629 --> 00:16:11,680  
that might be going on

438  
00:16:14,629 --> 00:16:12,639

um

439

00:16:16,949 --> 00:16:14,639  
during the show we talk about

440

00:16:17,990 --> 00:16:16,959  
at one at one point

441

00:16:19,670 --> 00:16:18,000  
how

442

00:16:22,790 --> 00:16:19,680  
rather than

443

00:16:25,910 --> 00:16:22,800  
debating individual cases because

444

00:16:27,749 --> 00:16:25,920  
any case could be argued forever there's

445

00:16:30,389 --> 00:16:27,759  
there is no

446

00:16:32,870 --> 00:16:30,399  
definitive case that can't be

447

00:16:36,629 --> 00:16:32,880  
scrutinized and debated

448

00:16:39,189 --> 00:16:36,639  
so rather than in creating a show

449

00:16:40,230 --> 00:16:39,199  
where we're simply debating individual

450

00:16:43,829 --> 00:16:40,240  
cases

451  
00:16:47,110 --> 00:16:43,839  
i said let's just start putting data out

452  
00:16:50,230 --> 00:16:47,120  
let's let's put data into this database

453  
00:16:51,829 --> 00:16:50,240  
and let's look for patterns within this

454  
00:16:55,829 --> 00:16:51,839  
data

455  
00:16:58,230 --> 00:16:55,839  
when you start discussing enough cases

456  
00:16:59,949 --> 00:16:58,240  
let's say a certain percentage of them

457  
00:17:01,829 --> 00:16:59,959  
might be

458  
00:17:05,189 --> 00:17:01,839  
misidentifications or

459  
00:17:05,829 --> 00:17:05,199  
hoaxes or whatever once you're plugging

460  
00:17:07,029 --> 00:17:05,839  
this into a

461  
00:17:10,230 --> 00:17:07,039  
[Music]

462  
00:17:11,829 --> 00:17:10,240  
database of significant size

463  
00:17:15,990 --> 00:17:11,839

those

464

00:17:18,870 --> 00:17:16,000

important than the overall in other

465

00:17:20,710 --> 00:17:18,880

words the patterns start emerging and

466

00:17:21,990 --> 00:17:20,720

they're more significant than the

467

00:17:23,429 --> 00:17:22,000

individual

468

00:17:25,829 --> 00:17:23,439

case

469

00:17:29,110 --> 00:17:25,839

i'm very hesitant to hang

470

00:17:31,590 --> 00:17:29,120

the entire phenomenon on one particular

471

00:17:34,230 --> 00:17:31,600

case or another i think for example the

472

00:17:36,549 --> 00:17:34,240

nimitz tic tac case is a very good

473

00:17:37,990 --> 00:17:36,559

example of this

474

00:17:39,750 --> 00:17:38,000

yeah i think you know what i think

475

00:17:41,669 --> 00:17:39,760

there's also another way to take that

476

00:17:43,909 --> 00:17:41,679

you know where i was going to kick this

477

00:17:45,510 --> 00:17:43,919

off and then uh

478

00:17:47,830 --> 00:17:45,520

russ you already kind of hit on it a

479

00:17:49,510 --> 00:17:47,840

little bit but i'd go all the way back

480

00:17:51,990 --> 00:17:49,520

to episode one

481

00:17:53,590 --> 00:17:52,000

and right at the beginning you guys have

482

00:17:55,110 --> 00:17:53,600

this kind of great back and forth and

483

00:17:56,710 --> 00:17:55,120

then you all kind of break down and

484

00:17:58,310 --> 00:17:56,720

laugh about this point and it's such a

485

00:18:00,789 --> 00:17:58,320

profound point and i think it ties into

486

00:18:02,549 --> 00:18:00,799

what marty was saying but you say hey

487

00:18:03,909 --> 00:18:02,559

one thing you realize when you get into

488

00:18:05,590 --> 00:18:03,919

this is

489

00:18:07,270 --> 00:18:05,600

everybody's lying

490

00:18:10,230 --> 00:18:07,280

first of all and this is like such a

491

00:18:13,029 --> 00:18:10,240

great the phenomenon is lying

492

00:18:14,950 --> 00:18:13,039

they're lying it's lying whatever it is

493

00:18:17,510 --> 00:18:14,960

this intelligence

494

00:18:20,070 --> 00:18:17,520

we know enough to pretty confidently say

495

00:18:22,390 --> 00:18:20,080

it could reveal itself if it wanted to

496

00:18:24,150 --> 00:18:22,400

and it doesn't so it's lying it's in

497

00:18:26,950 --> 00:18:24,160

deception if then you go one step

498

00:18:28,710 --> 00:18:26,960

further you go hey the government slash

499

00:18:32,470 --> 00:18:28,720

control mechanism whatever you want to

500

00:18:34,710 --> 00:18:32,480

call it is lying clearly they're lying

501  
00:18:37,270 --> 00:18:34,720  
and their intent they've developed a

502  
00:18:39,029 --> 00:18:37,280  
whole science of lying you know and

503  
00:18:40,710 --> 00:18:39,039  
that's what i think relates to what

504  
00:18:42,390 --> 00:18:40,720  
marty was just saying is because i kind

505  
00:18:45,750 --> 00:18:42,400  
of take it one step further it's not

506  
00:18:47,510 --> 00:18:45,760  
that just that one case can be debated

507  
00:18:49,669 --> 00:18:47,520  
it's the fact that that's one of the

508  
00:18:50,950 --> 00:18:49,679  
tools in their playbook you know i just

509  
00:18:52,630 --> 00:18:50,960  
was hearing this the other day you know

510  
00:18:54,549 --> 00:18:52,640  
you take a case and you take three

511  
00:18:55,990 --> 00:18:54,559  
eyewitnesses that all say the same one

512  
00:18:58,070 --> 00:18:56,000  
and you debunk each one of them

513  
00:19:00,710 --> 00:18:58,080

separately and you never combine this is

514

00:19:02,310 --> 00:19:00,720

a tool in the playbook but then to get

515

00:19:03,510 --> 00:19:02,320

back on track and i'm gonna have to stay

516

00:19:05,830 --> 00:19:03,520

on track here because there's so much

517

00:19:08,870 --> 00:19:05,840

stuff but the third leg of that lying

518

00:19:11,270 --> 00:19:08,880

thing that i think is really really deep

519

00:19:12,870 --> 00:19:11,280

is that we're lying to ourselves

520

00:19:15,510 --> 00:19:12,880

that's what i heard you guys say in

521

00:19:16,870 --> 00:19:15,520

episode one so we're lying to ourselves

522

00:19:17,990 --> 00:19:16,880

and i think that goes really deep

523

00:19:19,110 --> 00:19:18,000

because

524

00:19:21,110 --> 00:19:19,120

you know

525

00:19:22,390 --> 00:19:21,120

you you see that all the data that's

526

00:19:25,350 --> 00:19:22,400

come at us

527

00:19:27,590 --> 00:19:25,360

and most of us can't deal with it can't

528

00:19:29,430 --> 00:19:27,600

process it at least right away myself

529

00:19:31,669 --> 00:19:29,440

included and now i've been at it for a

530

00:19:33,430 --> 00:19:31,679

while it's easier to take it in but if

531

00:19:35,270 --> 00:19:33,440

you roll back the clock

532

00:19:37,750 --> 00:19:35,280

i think we can all go back to a place

533

00:19:39,830 --> 00:19:37,760

where we're like

534

00:19:42,470 --> 00:19:39,840

i can't go there and i thought that was

535

00:19:45,110 --> 00:19:42,480

such a great insight for you guys to set

536

00:19:47,510 --> 00:19:45,120

the stage and everyone can kind of drop

537

00:19:49,990 --> 00:19:47,520

their shoulders and go okay everyone's

538

00:19:52,070 --> 00:19:50,000

trying to lie to me with that now i have

539

00:19:53,270 --> 00:19:52,080

to try and find the truth

540

00:19:54,230 --> 00:19:53,280

any thoughts on that from any of you

541

00:19:55,590 --> 00:19:54,240

guys

542

00:19:58,150 --> 00:19:55,600

yeah that's that's

543

00:19:59,669 --> 00:19:58,160

yes that is a good point that the um

544

00:20:01,190 --> 00:19:59,679

uh and i guess you're just bringing up a

545

00:20:03,190 --> 00:20:01,200

point that we initially made which is

546

00:20:04,310 --> 00:20:03,200

that that and this is kind of what marty

547

00:20:05,669 --> 00:20:04,320

was saying about the certificate of

548

00:20:07,270 --> 00:20:05,679

ignorance this is sort of a we've

549

00:20:09,430 --> 00:20:07,280

developed this as a philosophy for our

550

00:20:11,190 --> 00:20:09,440

show in general is that let's try let's

551  
00:20:12,950 --> 00:20:11,200  
tackle these subjects

552  
00:20:14,310 --> 00:20:12,960  
from the best of our ability

553  
00:20:16,710 --> 00:20:14,320  
just coming in acknowledging you know

554  
00:20:18,470 --> 00:20:16,720  
what we don't know anything like we you

555  
00:20:20,149 --> 00:20:18,480  
know we have no idea what's going on

556  
00:20:21,830 --> 00:20:20,159  
here so let's try to look at this as

557  
00:20:22,950 --> 00:20:21,840  
freshly as possible

558  
00:20:24,870 --> 00:20:22,960  
and that's

559  
00:20:26,710 --> 00:20:24,880  
that's part of that you know realizing

560  
00:20:29,350 --> 00:20:26,720  
that the phenomena is lying to us or is

561  
00:20:31,190 --> 00:20:29,360  
being deceptive that government and

562  
00:20:32,710 --> 00:20:31,200  
other large organizations powerful

563  
00:20:34,870 --> 00:20:32,720

organizations are lying to us about it

564

00:20:37,029 --> 00:20:34,880

and being deceptive and then our own

565

00:20:39,029 --> 00:20:37,039

our own normal natural inability to sort

566

00:20:40,630 --> 00:20:39,039

of take in information that is far

567

00:20:44,070 --> 00:20:40,640

outside of anything you normally

568

00:20:45,750 --> 00:20:44,080

experience is part of the deception

569

00:20:48,310 --> 00:20:45,760

sometimes it seems like the phenomena

570

00:20:50,149 --> 00:20:48,320

itself you know valet points this out

571

00:20:52,870 --> 00:20:50,159

that there is

572

00:20:54,789 --> 00:20:52,880

a a purposeful almost seemingly you

573

00:20:58,070 --> 00:20:54,799

can't say this for sure but a seemingly

574

00:21:00,470 --> 00:20:58,080

purposeful injection of absurdity

575

00:21:03,430 --> 00:21:00,480

into the phenomena itself which is kind

576  
00:21:05,029 --> 00:21:03,440  
of part of how the deception works you

577  
00:21:06,149 --> 00:21:05,039  
know i do remember what you're just

578  
00:21:07,430 --> 00:21:06,159  
talking about

579  
00:21:09,990 --> 00:21:07,440  
when i was first looking into these

580  
00:21:12,149 --> 00:21:10,000  
topics and i'm reading case after case

581  
00:21:13,430 --> 00:21:12,159  
in books or on websites or whatever and

582  
00:21:14,830 --> 00:21:13,440  
sometimes you come across one you're

583  
00:21:17,990 --> 00:21:14,840  
just like

584  
00:21:19,669 --> 00:21:18,000  
what what is this even you know and you

585  
00:21:22,230 --> 00:21:19,679  
you just can't even you can't even

586  
00:21:24,070 --> 00:21:22,240  
digest it because it's so strange and so

587  
00:21:26,390 --> 00:21:24,080  
yes the the purposeful injection of

588  
00:21:28,630 --> 00:21:26,400

absurdity is part of it you're right and

589

00:21:31,029 --> 00:21:28,640

that makes us lie to ourselves or in a

590

00:21:32,789 --> 00:21:31,039

way deceive ourselves about the topic so

591

00:21:35,110 --> 00:21:32,799

this is kind of

592

00:21:36,630 --> 00:21:35,120

what our own you know certificate of

593

00:21:38,230 --> 00:21:36,640

ignorance philosophy on our show is

594

00:21:40,470 --> 00:21:38,240

supposed to help us do is just to say

595

00:21:42,230 --> 00:21:40,480

let's just get rid of all the ideas of

596

00:21:44,470 --> 00:21:42,240

what is or isn't absurd and just say

597

00:21:46,149 --> 00:21:44,480

let's look at the information and marty

598

00:21:47,270 --> 00:21:46,159

of course is fantastic at bringing the

599

00:21:48,230 --> 00:21:47,280

data

600

00:21:49,830 --> 00:21:48,240

and that's what the shows have been

601  
00:21:51,590 --> 00:21:49,840  
about we go through the data and then we

602  
00:21:53,909 --> 00:21:51,600  
talk about the cases and of course marty

603  
00:21:55,830 --> 00:21:53,919  
i think has a general idea of the

604  
00:21:57,350 --> 00:21:55,840  
direction he's going

605  
00:21:58,950 --> 00:21:57,360  
and kyle and i are always trying to like

606  
00:22:00,470 --> 00:21:58,960  
take four or five steps past him and

607  
00:22:02,149 --> 00:22:00,480  
then he tells us no

608  
00:22:02,950 --> 00:22:02,159  
that's that's how most of the episodes

609  
00:22:04,390 --> 00:22:02,960  
go

610  
00:22:06,070 --> 00:22:04,400  
is that what do you think mark but you

611  
00:22:07,669 --> 00:22:06,080  
also have to get rid of your biases

612  
00:22:09,190 --> 00:22:07,679  
right yeah i mean this is right this is

613  
00:22:10,950 --> 00:22:09,200

the way that i lie to myself all the

614

00:22:12,870 --> 00:22:10,960

time i have this bias and i'm like well

615

00:22:14,710 --> 00:22:12,880

i need to be able to explain

616

00:22:17,110 --> 00:22:14,720

this thing with physics

617

00:22:18,870 --> 00:22:17,120

or with you know something that that i

618

00:22:20,230 --> 00:22:18,880

can work with that i have knowledge of

619

00:22:22,870 --> 00:22:20,240

or that i've

620

00:22:24,950 --> 00:22:22,880

learned and uh in some cases that just

621

00:22:27,830 --> 00:22:24,960

doesn't happen and

622

00:22:29,510 --> 00:22:27,840

that is tough to accept when you've got

623

00:22:30,630 --> 00:22:29,520

especially when you have corroborating

624

00:22:31,990 --> 00:22:30,640

evidence

625

00:22:34,390 --> 00:22:32,000

and things that come together that's

626

00:22:36,549 --> 00:22:34,400

like okay so you know if i'm going to

627

00:22:37,430 --> 00:22:36,559

accept that this happened and i have

628

00:22:40,470 --> 00:22:37,440

no

629

00:22:42,070 --> 00:22:40,480

tools to use with which to deconstruct

630

00:22:43,750 --> 00:22:42,080

it or to

631

00:22:45,669 --> 00:22:43,760

explain it in any way and it's just like

632

00:22:47,750 --> 00:22:45,679

that

633

00:22:49,830 --> 00:22:47,760

totally ignorant of what's going on yeah

634

00:22:53,270 --> 00:22:49,840

the the deception

635

00:22:54,390 --> 00:22:53,280

there are deceptions at many layers

636

00:22:55,909 --> 00:22:54,400

in addition

637

00:22:58,470 --> 00:22:55,919

to

638

00:23:00,549 --> 00:22:58,480

the deception on the part of

639

00:23:01,909 --> 00:23:00,559

government agencies

640

00:23:03,190 --> 00:23:01,919

um

641

00:23:05,909 --> 00:23:03,200

you have

642

00:23:08,310 --> 00:23:05,919

reporting bias

643

00:23:10,710 --> 00:23:08,320

an example of this is jay allen hein who

644

00:23:13,270 --> 00:23:10,720

was the science advisor for

645

00:23:15,590 --> 00:23:13,280

for project blue book right

646

00:23:18,870 --> 00:23:15,600

he noted this um

647

00:23:20,950 --> 00:23:18,880

as he was getting into into the 1960s

648

00:23:25,029 --> 00:23:20,960

the latter part of the latter part of

649

00:23:26,950 --> 00:23:25,039

blue book and you know as

650

00:23:29,350 --> 00:23:26,960

for those that may not know this he he

651  
00:23:31,830 --> 00:23:29,360  
started off as a skeptic when when he

652  
00:23:35,270 --> 00:23:31,840  
was hired on to blue book but he became

653  
00:23:37,909 --> 00:23:35,280  
a believer based on what he saw

654  
00:23:40,149 --> 00:23:37,919  
and uh he eventually came to the

655  
00:23:43,430 --> 00:23:40,159  
realization that

656  
00:23:45,830 --> 00:23:43,440  
a significant portion of the reports

657  
00:23:48,310 --> 00:23:45,840  
were being filtered out because they

658  
00:23:50,789 --> 00:23:48,320  
were absurd

659  
00:23:52,470 --> 00:23:50,799  
they did not conform to

660  
00:23:55,830 --> 00:23:52,480  
the

661  
00:23:57,350 --> 00:23:55,840  
standard model of what a ufo

662  
00:23:59,909 --> 00:23:57,360  
should be

663  
00:24:02,710 --> 00:23:59,919

now there may be

664

00:24:06,070 --> 00:24:02,720

there may be other reasons there may

665

00:24:07,350 --> 00:24:06,080

that you know the easy reason

666

00:24:09,190 --> 00:24:07,360

it would be

667

00:24:11,269 --> 00:24:09,200

it's too strange

668

00:24:13,029 --> 00:24:11,279

it would discredit the uh the

669

00:24:15,909 --> 00:24:13,039

individuals making the reports it would

670

00:24:17,909 --> 00:24:15,919

discredit uh you know a lot of times the

671

00:24:19,350 --> 00:24:17,919

police officers which were generally the

672

00:24:21,750 --> 00:24:19,360

first line

673

00:24:23,430 --> 00:24:21,760

whenever there was an incident generally

674

00:24:24,950 --> 00:24:23,440

that gets called into the police

675

00:24:27,190 --> 00:24:24,960

department and the police would go and

676

00:24:29,350 --> 00:24:27,200

do an interview conduct an interview

677

00:24:31,269 --> 00:24:29,360

with the witness and then that would be

678

00:24:32,950 --> 00:24:31,279

forwarded on to

679

00:24:35,110 --> 00:24:32,960

the air force who would forward it on to

680

00:24:37,269 --> 00:24:35,120

blue hold on let's let's jump right to

681

00:24:39,669 --> 00:24:37,279

the chase with heinek do you think part

682

00:24:41,750 --> 00:24:39,679

of the reason they picked that guy

683

00:24:43,029 --> 00:24:41,760

was because they thought he would

684

00:24:45,430 --> 00:24:43,039

go the way that he went and then

685

00:24:47,110 --> 00:24:45,440

eventually he flips and he becomes but

686

00:24:49,190 --> 00:24:47,120

don't you think kind of those guys are

687

00:24:50,549 --> 00:24:49,200

smart and they know that type and they

688

00:24:51,990 --> 00:24:50,559

know that guy is

689

00:24:53,990 --> 00:24:52,000

you know what i mean do you think oh

690

00:24:55,830 --> 00:24:54,000

yeah there there were there were

691

00:24:57,909 --> 00:24:55,840

deceptions there

692

00:25:00,549 --> 00:24:57,919

there again this is complex you pointed

693

00:25:03,269 --> 00:25:00,559

out one for example one one way that

694

00:25:05,830 --> 00:25:03,279

they were deceptive is they would not uh

695

00:25:09,190 --> 00:25:05,840

corroborate the incidents let's say you

696

00:25:11,669 --> 00:25:09,200

had a sighting where there were

697

00:25:15,269 --> 00:25:11,679

three different individuals at different

698

00:25:17,269 --> 00:25:15,279

locations that had an observation

699

00:25:19,750 --> 00:25:17,279

if you look through the booba

700

00:25:21,750 --> 00:25:19,760

files you'll find that they'll have one

701  
00:25:23,990 --> 00:25:21,760  
explanation for one a completely

702  
00:25:25,430 --> 00:25:24,000  
different explanation for another

703  
00:25:27,190 --> 00:25:25,440  
and they never

704  
00:25:29,909 --> 00:25:27,200  
corroborate that information

705  
00:25:31,830 --> 00:25:29,919  
cross-reference it and go okay we have

706  
00:25:33,430 --> 00:25:31,840  
a triangulated sighting for all

707  
00:25:34,549 --> 00:25:33,440  
intensive purposes

708  
00:25:36,230 --> 00:25:34,559  
so that

709  
00:25:38,590 --> 00:25:36,240  
that negates

710  
00:25:41,430 --> 00:25:38,600  
the argument that these were

711  
00:25:43,750 --> 00:25:41,440  
mis-mis-identifications for example so

712  
00:25:45,669 --> 00:25:43,760  
that's one form that's one form of

713  
00:25:47,590 --> 00:25:45,679

deception i'm going to hammer on that a

714

00:25:49,590 --> 00:25:47,600

little bit more pardon me for for

715

00:25:51,830 --> 00:25:49,600

outside but here's the point because

716

00:25:53,669 --> 00:25:51,840

that kind of deception really takes us

717

00:25:55,430 --> 00:25:53,679

in a whole different direction in a lot

718

00:25:57,350 --> 00:25:55,440

of ways and it's like

719

00:25:59,430 --> 00:25:57,360

you have to be kind of

720

00:26:00,950 --> 00:25:59,440

shook out of it and that's why i i like

721

00:26:02,470 --> 00:26:00,960

what kyle was saying you know it's like

722

00:26:04,230 --> 00:26:02,480

we're all doing that we're all going

723

00:26:07,110 --> 00:26:04,240

down the path that we know with that we

724

00:26:09,350 --> 00:26:07,120

want to trust rely on no physics works i

725

00:26:11,830 --> 00:26:09,360

know you know i can build trucks i can

726

00:26:13,909 --> 00:26:11,840

do this i can play in my band i can tune

727

00:26:16,070 --> 00:26:13,919

my thing and everything and then you

728

00:26:18,230 --> 00:26:16,080

know get shipped out of it here was like

729

00:26:20,070 --> 00:26:18,240

a great example that you gave marty i

730

00:26:21,430 --> 00:26:20,080

thought this was just phenomenal it just

731

00:26:22,470 --> 00:26:21,440

kind of shakes you right to it you go

732

00:26:24,950 --> 00:26:22,480

hey

733

00:26:27,190 --> 00:26:24,960

if there were strange

734

00:26:28,390 --> 00:26:27,200

figures walking around at night in your

735

00:26:30,710 --> 00:26:28,400

backyard

736

00:26:34,390 --> 00:26:30,720

you would be concerned

737

00:26:36,630 --> 00:26:34,400

if your neighbors saw strange beings or

738

00:26:38,710 --> 00:26:36,640

things walking around in your backyard

739

00:26:41,110 --> 00:26:38,720

they would be concerned if the police

740

00:26:43,029 --> 00:26:41,120

saw strange they would be conserved if

741

00:26:44,310 --> 00:26:43,039

you were lived next to a military base

742

00:26:47,350 --> 00:26:44,320

and they

743

00:26:49,909 --> 00:26:47,360

if you saw strange beings walking

744

00:26:52,390 --> 00:26:49,919

there would be concern and yet there's

745

00:26:55,110 --> 00:26:52,400

this kind of level of mind control that

746

00:26:56,950 --> 00:26:55,120

we've fallen into as part of this thing

747

00:26:58,950 --> 00:26:56,960

and it you don't know if it's part of

748

00:27:01,350 --> 00:26:58,960

the phenomena that slipped over into the

749

00:27:03,430 --> 00:27:01,360

government control system or if it is

750

00:27:04,950 --> 00:27:03,440

just the government control system or if

751  
00:27:06,390 --> 00:27:04,960  
they're all blended together and those

752  
00:27:08,710 --> 00:27:06,400  
are the kind of nuances that you guys

753  
00:27:09,590 --> 00:27:08,720  
deal with but it's like what you pointed

754  
00:27:11,669 --> 00:27:09,600  
out is

755  
00:27:13,190 --> 00:27:11,679  
take a step back people that's

756  
00:27:14,710 --> 00:27:13,200  
ridiculous

757  
00:27:17,269 --> 00:27:14,720  
because what they're telling us over and

758  
00:27:20,230 --> 00:27:17,279  
over again is oh don't worry about that

759  
00:27:22,630 --> 00:27:20,240  
there's nothing there move on the lack

760  
00:27:23,669 --> 00:27:22,640  
of the lack of reaction

761  
00:27:26,870 --> 00:27:23,679  
is

762  
00:27:30,310 --> 00:27:26,880  
illustrative as well

763  
00:27:31,909 --> 00:27:30,320

in other words it suggests and

764

00:27:36,950 --> 00:27:31,919

i'm getting ahead of myself here a

765

00:27:41,830 --> 00:27:39,669

the government has generally not denied

766

00:27:43,669 --> 00:27:41,840

the existence of ufos if you get down to

767

00:27:45,110 --> 00:27:43,679

the details right they

768

00:27:47,430 --> 00:27:45,120

they say

769

00:27:49,669 --> 00:27:47,440

they none of the reports

770

00:27:51,190 --> 00:27:49,679

have indicated a threat to national

771

00:27:52,950 --> 00:27:51,200

security

772

00:27:54,710 --> 00:27:52,960

but then we come to find out that there

773

00:27:55,909 --> 00:27:54,720

have been incidents where these things

774

00:27:59,110 --> 00:27:55,919

have been

775

00:27:59,990 --> 00:27:59,120

observed over nuclear facilities over

776  
00:28:01,830 --> 00:28:00,000  
you know

777  
00:28:03,350 --> 00:28:01,840  
military facilities and all things where

778  
00:28:05,510 --> 00:28:03,360  
they're in clear

779  
00:28:07,430 --> 00:28:05,520  
there are clear clearly national

780  
00:28:11,830 --> 00:28:07,440  
security implications

781  
00:28:15,590 --> 00:28:11,840  
but yet we see no reaction and we see

782  
00:28:17,990 --> 00:28:15,600  
um you know a military's position isn't

783  
00:28:19,590 --> 00:28:18,000  
let's wait and see what happens that's

784  
00:28:22,149 --> 00:28:19,600  
not the way it works

785  
00:28:24,710 --> 00:28:22,159  
they have to assume that it's hostile

786  
00:28:27,510 --> 00:28:24,720  
until proven otherwise right you don't

787  
00:28:30,310 --> 00:28:27,520  
go flying into restricted airspace

788  
00:28:32,710 --> 00:28:30,320

and then just to and maybe they're not

789

00:28:35,190 --> 00:28:32,720

hostile or maybe they're not taking

790

00:28:37,430 --> 00:28:35,200

pictures of our secret facilities right

791

00:28:38,789 --> 00:28:37,440

you you take them down you don't respond

792

00:28:40,870 --> 00:28:38,799

we don't know who you are you don't have

793

00:28:43,029 --> 00:28:40,880

a transponder we're taking you out and

794

00:28:47,029 --> 00:28:43,039

oh if it was somebody that ventured in

795

00:28:51,190 --> 00:28:47,039

by accident that's how the chips fall so

796

00:28:53,190 --> 00:28:51,200

when we see a lack of of

797

00:28:56,310 --> 00:28:53,200

the development of the ability to

798

00:28:57,190 --> 00:28:56,320

protect us from such things

799

00:28:59,909 --> 00:28:57,200

that

800

00:29:01,590 --> 00:28:59,919

must surely be saying something

801  
00:29:04,870 --> 00:29:01,600  
is it that they

802  
00:29:07,110 --> 00:29:04,880  
know what it is and it's theirs and it's

803  
00:29:08,950 --> 00:29:07,120  
so they're playing the game that we

804  
00:29:11,269 --> 00:29:08,960  
don't know what it is it's you know it's

805  
00:29:12,710 --> 00:29:11,279  
uh maybe it's a ufo

806  
00:29:14,630 --> 00:29:12,720  
or

807  
00:29:16,310 --> 00:29:14,640  
do they know exactly what it is and if

808  
00:29:18,070 --> 00:29:16,320  
there's not a damn thing they could do

809  
00:29:18,950 --> 00:29:18,080  
about it

810  
00:29:23,269 --> 00:29:18,960  
or

811  
00:29:24,149 --> 00:29:23,279  
do you think

812  
00:29:26,549 --> 00:29:24,159  
well

813  
00:29:29,590 --> 00:29:26,559

we can back up to

814

00:29:33,269 --> 00:29:29,600

roughly 1949 to maybe start getting an

815

00:29:34,149 --> 00:29:33,279

idea of what might be going on

816

00:29:35,990 --> 00:29:34,159

you know

817

00:29:37,750 --> 00:29:36,000

the the general public has been led to

818

00:29:39,830 --> 00:29:37,760

believe that all of this started with

819

00:29:41,510 --> 00:29:39,840

the roswell and the kenneth arnold

820

00:29:43,350 --> 00:29:41,520

signing but the truth of the matter is

821

00:29:44,630 --> 00:29:43,360

there were already there was already a

822

00:29:48,470 --> 00:29:44,640

ufo

823

00:29:50,549 --> 00:29:48,480

investigation uh as early as 1944 um

824

00:29:52,789 --> 00:29:50,559

they were investigating in fact h.p

825

00:29:54,389 --> 00:29:52,799

robertson was later

826

00:29:55,909 --> 00:29:54,399

headed the uh

827

00:29:58,230 --> 00:29:55,919

robertson pen

828

00:29:59,990 --> 00:29:58,240

was tasked to investigate foo fighters

829

00:30:01,909 --> 00:30:00,000

during the war too

830

00:30:03,510 --> 00:30:01,919

so we also

831

00:30:05,750 --> 00:30:03,520

come to find out that there was the

832

00:30:07,350 --> 00:30:05,760

crash at trinity

833

00:30:09,430 --> 00:30:07,360

and a

834

00:30:11,590 --> 00:30:09,440

of recovery

835

00:30:12,870 --> 00:30:11,600

then 47 we have the kenneth arnold

836

00:30:15,909 --> 00:30:12,880

sighting

837

00:30:17,190 --> 00:30:15,919

shortly after we have the roswell crash

838

00:30:20,549 --> 00:30:17,200

we have

839

00:30:23,350 --> 00:30:20,559

a release of a statement saying we've

840

00:30:25,190 --> 00:30:23,360

recovered a crashed disc and then they

841

00:30:28,149 --> 00:30:25,200

backpedal and claim oh no it was a

842

00:30:29,430 --> 00:30:28,159

weather balloon and all

843

00:30:30,789 --> 00:30:29,440

we get

844

00:30:32,149 --> 00:30:30,799

project sign

845

00:30:33,430 --> 00:30:32,159

okay the military's going to do

846

00:30:35,190 --> 00:30:33,440

something about this to get to the

847

00:30:39,190 --> 00:30:35,200

bottom of it

848

00:30:40,470 --> 00:30:39,200

but when this started hitting the media

849

00:30:42,549 --> 00:30:40,480

we had

850

00:30:43,909 --> 00:30:42,559

sydney charlotte write a couple of

851  
00:30:44,630 --> 00:30:43,919  
articles for

852  
00:30:47,750 --> 00:30:44,640  
the

853  
00:30:51,190 --> 00:30:47,760  
saturday saturday evening post

854  
00:30:53,590 --> 00:30:51,200  
later on we have bob gina write a huge

855  
00:30:55,430 --> 00:30:53,600  
article for life magazine

856  
00:30:57,669 --> 00:30:55,440  
and there and these things are saying

857  
00:30:59,669 --> 00:30:57,679  
you know have we have we visitors from

858  
00:31:03,029 --> 00:30:59,679  
space

859  
00:31:05,110 --> 00:31:03,039  
and you're saying oh the these these

860  
00:31:05,909 --> 00:31:05,120  
you know reporters are digging up dirt

861  
00:31:10,070 --> 00:31:05,919  
they're

862  
00:31:12,070 --> 00:31:10,080  
government's lying to us and that maybe

863  
00:31:13,750 --> 00:31:12,080

there really are extraterrestrials

864

00:31:15,990 --> 00:31:13,760

visiting earth

865

00:31:17,669 --> 00:31:16,000

can i throw something out here sure real

866

00:31:19,990 --> 00:31:17,679

quick i'm sorry to take you off course

867

00:31:22,149 --> 00:31:20,000

but that i think it was a life magazine

868

00:31:24,549 --> 00:31:22,159

article that was they were urging people

869

00:31:27,509 --> 00:31:24,559

to come forward with their accounts

870

00:31:29,190 --> 00:31:27,519

and you won't be ridiculed remember this

871

00:31:31,029 --> 00:31:29,200

absolutely and this and then we see this

872

00:31:32,389 --> 00:31:31,039

stuff going on in modern times with the

873

00:31:33,669 --> 00:31:32,399

government and stuff and they're telling

874

00:31:35,909 --> 00:31:33,679

everybody okay we're looking into this

875

00:31:37,830 --> 00:31:35,919

and i'm like oh god here we go again

876

00:31:38,950 --> 00:31:37,840

so so hold up just real quick where

877

00:31:41,190 --> 00:31:38,960

where are you taking that because

878

00:31:42,789 --> 00:31:41,200

there's two ways to take it one is that

879

00:31:44,070 --> 00:31:42,799

they're looking for people to out

880

00:31:46,389 --> 00:31:44,080

themselves

881

00:31:48,149 --> 00:31:46,399

yes so that they can yeah okay

882

00:31:49,990 --> 00:31:48,159

yeah they're telling you we're not going

883

00:31:51,669 --> 00:31:50,000

to ridicule you and yet you find out

884

00:31:54,070 --> 00:31:51,679

that they were that's what they did for

885

00:31:56,070 --> 00:31:54,080

the next several decades every account

886

00:31:58,710 --> 00:31:56,080

that came forward got ridiculed to

887

00:32:00,950 --> 00:31:58,720

ridiculous degrees to where the person's

888

00:32:03,830 --> 00:32:00,960

life was ruined to make my point

889

00:32:04,870 --> 00:32:03,840

in 1956 edward ruppel

890

00:32:06,950 --> 00:32:04,880

who was

891

00:32:08,549 --> 00:32:06,960

heading

892

00:32:10,950 --> 00:32:08,559

project blue book

893

00:32:13,190 --> 00:32:10,960

writes his book and he discloses that

894

00:32:16,389 --> 00:32:13,200

sydney charlotte and bob gina were being

895

00:32:18,230 --> 00:32:16,399

fed information by the air force

896

00:32:19,350 --> 00:32:18,240

they were a psyop

897

00:32:20,789 --> 00:32:19,360

they were

898

00:32:24,230 --> 00:32:20,799

purposely

899

00:32:26,310 --> 00:32:24,240

seeding the concept of extraterrestrials

900

00:32:29,350 --> 00:32:26,320

into

901  
00:32:31,190 --> 00:32:29,360  
the public mindset while they were

902  
00:32:33,430 --> 00:32:31,200  
also denying

903  
00:32:34,470 --> 00:32:33,440  
that they were investigating

904  
00:32:37,110 --> 00:32:34,480  
so

905  
00:32:39,750 --> 00:32:37,120  
it was like pay no mind

906  
00:32:41,750 --> 00:32:39,760  
to the object i'm holding behind my back

907  
00:32:44,710 --> 00:32:41,760  
i believe it's that

908  
00:32:46,070 --> 00:32:44,720  
they may have already figured out that

909  
00:32:49,110 --> 00:32:46,080  
this was

910  
00:32:51,590 --> 00:32:49,120  
maybe more complex than that

911  
00:32:53,590 --> 00:32:51,600  
there were signs if you take like for

912  
00:32:56,230 --> 00:32:53,600  
example i know you had a conversation

913  
00:32:57,669 --> 00:32:56,240

with grant cameron which talks about the

914

00:33:02,630 --> 00:32:57,679

uh

915

00:33:04,710 --> 00:33:02,640

memo where he talks about

916

00:33:06,630 --> 00:33:04,720

um a program

917

00:33:10,310 --> 00:33:06,640

that was more secure than

918

00:33:15,029 --> 00:33:10,320

than the h-bomb in the united states and

919

00:33:17,029 --> 00:33:15,039

it mentions that they think it may have

920

00:33:19,830 --> 00:33:17,039

uh psychic or

921

00:33:22,549 --> 00:33:19,840

or uh i try cam trying to remember the

922

00:33:24,389 --> 00:33:22,559

exact terminology mental phenomenon is

923

00:33:27,350 --> 00:33:24,399

what's in

924

00:33:29,190 --> 00:33:27,360

that was very early on

925

00:33:32,630 --> 00:33:29,200

so well there's there's a lot of

926  
00:33:34,870 --> 00:33:32,640  
speculation probably true that mk ultra

927  
00:33:36,630 --> 00:33:34,880  
one of the agendas was

928  
00:33:38,710 --> 00:33:36,640  
not just that the

929  
00:33:40,870 --> 00:33:38,720  
the russians are reading

930  
00:33:43,509 --> 00:33:40,880  
our minds but e.t is reading our mind

931  
00:33:46,149 --> 00:33:43,519  
too so but so so i'm going to try and

932  
00:33:47,430 --> 00:33:46,159  
kind of pin this down i mean and we'll

933  
00:33:51,269 --> 00:33:47,440  
start with you murdering then i want to

934  
00:33:53,590 --> 00:33:51,279  
hear russ so net net it's it's all a

935  
00:33:55,350 --> 00:33:53,600  
psyop we get that you know from the

936  
00:33:57,190 --> 00:33:55,360  
strawberry ice cream and the richard

937  
00:33:59,590 --> 00:33:57,200  
dodie and i don't know why the hell

938  
00:34:01,190 --> 00:33:59,600

anyone would even listen to lou elizondo

939

00:34:03,269 --> 00:34:01,200

from the beginning i'm like this is

940

00:34:05,430 --> 00:34:03,279

obviously a political psyop but it got

941

00:34:06,870 --> 00:34:05,440

all this traction stuff like that anyone

942

00:34:09,430 --> 00:34:06,880

who's looked at this history like you

943

00:34:11,270 --> 00:34:09,440

guys have psyopsiopsia mind control my

944

00:34:12,550 --> 00:34:11,280

control but what's the point of it i

945

00:34:14,629 --> 00:34:12,560

think is the

946

00:34:16,389 --> 00:34:14,639

is where we're trying to get what does

947

00:34:18,230 --> 00:34:16,399

that mean are they because you could

948

00:34:20,869 --> 00:34:18,240

make the argument ultimately that's the

949

00:34:22,389 --> 00:34:20,879

right call to make you know

950

00:34:25,190 --> 00:34:22,399

that's what you would do or i would do

951  
00:34:27,190 --> 00:34:25,200  
in that situation what's the net net for

952  
00:34:28,790 --> 00:34:27,200  
you in terms of

953  
00:34:31,990 --> 00:34:28,800  
the way they're handling though the

954  
00:34:33,990 --> 00:34:32,000  
psyope way that they're handling this

955  
00:34:35,669 --> 00:34:34,000  
go ahead marty okay i thought he was

956  
00:34:36,790 --> 00:34:35,679  
asking you ross no i think he's asking

957  
00:34:37,589 --> 00:34:36,800  
you and then me

958  
00:34:39,510 --> 00:34:37,599  
all right

959  
00:34:41,829 --> 00:34:39,520  
you jump in russ you jump in russ and

960  
00:34:44,310 --> 00:34:41,839  
let marty off the hook for a minute okay

961  
00:34:46,869 --> 00:34:44,320  
i uh i would have to say i have no idea

962  
00:34:49,270 --> 00:34:46,879  
i do think that there

963  
00:34:50,470 --> 00:34:49,280

i have this this

964

00:34:52,149 --> 00:34:50,480

uh i don't know what you call it just

965

00:34:53,829 --> 00:34:52,159

this way of thinking where

966

00:34:55,030 --> 00:34:53,839

i try to remind myself that when it

967

00:34:57,349 --> 00:34:55,040

looks like somebody's doing something

968

00:34:58,710 --> 00:34:57,359

that does makes absolutely no sense all

969

00:35:01,349 --> 00:34:58,720

that means is i don't know what their

970

00:35:02,950 --> 00:35:01,359

motives and reasons are uh it looks

971

00:35:04,790 --> 00:35:02,960

completely nonsensical and you're like

972

00:35:06,950 --> 00:35:04,800

what the hell are they doing but really

973

00:35:09,270 --> 00:35:06,960

they have reasons even if they don't

974

00:35:10,470 --> 00:35:09,280

know them sometimes that's the case but

975

00:35:13,270 --> 00:35:10,480

so

976

00:35:14,150 --> 00:35:13,280

i do think that

977

00:35:17,510 --> 00:35:14,160

any

978

00:35:18,950 --> 00:35:17,520

government people who seem to be

979

00:35:20,950 --> 00:35:18,960

involved in this

980

00:35:22,470 --> 00:35:20,960

they have their reasons and they

981

00:35:24,150 --> 00:35:22,480

probably make sense to them with all of

982

00:35:25,750 --> 00:35:24,160

their motivations so come on come on

983

00:35:28,150 --> 00:35:25,760

come on speculate a little bit when your

984

00:35:29,670 --> 00:35:28,160

mind goes there what do you think what

985

00:35:31,430 --> 00:35:29,680

do you think what do you think some of

986

00:35:32,870 --> 00:35:31,440

those reasons might be

987

00:35:35,750 --> 00:35:32,880

okay they could be just freaking

988

00:35:37,270 --> 00:35:35,760

terrified that's that's one reason is

989

00:35:39,030 --> 00:35:37,280

that they are afraid of it and they

990

00:35:40,470 --> 00:35:39,040

don't want you know this is this is

991

00:35:42,230 --> 00:35:40,480

probably the most open and easiest thing

992

00:35:44,230 --> 00:35:42,240

to think of is that they're afraid of it

993

00:35:45,990 --> 00:35:44,240

and they don't want the public to also

994

00:35:47,109 --> 00:35:46,000

know what's really going on yeah because

995

00:35:48,790 --> 00:35:47,119

they don't know what's going on

996

00:35:50,710 --> 00:35:48,800

especially when you go back to world war

997

00:35:52,230 --> 00:35:50,720

ii and you think about the the powers

998

00:35:54,710 --> 00:35:52,240

and the threats that were happening and

999

00:35:55,990 --> 00:35:54,720

the the secret technology that was being

1000

00:36:00,150 --> 00:35:56,000

developed

1001

00:36:02,230 --> 00:36:00,160

there is a level of like you know

1002

00:36:03,670 --> 00:36:02,240

if you're if if the government is seeing

1003

00:36:06,310 --> 00:36:03,680

something and they think it like what

1004

00:36:09,109 --> 00:36:06,320

marty was pointing out this is hostile

1005

00:36:12,310 --> 00:36:09,119

they're gonna have to dig into it right

1006

00:36:14,230 --> 00:36:12,320

if they find out that this is far beyond

1007

00:36:16,150 --> 00:36:14,240

you know some other nation or maybe they

1008

00:36:17,430 --> 00:36:16,160

never really know

1009

00:36:19,030 --> 00:36:17,440

but they think like okay this is

1010

00:36:20,870 --> 00:36:19,040

definitely not any of our enemies at

1011

00:36:22,230 --> 00:36:20,880

this time but then we're also developing

1012

00:36:23,990 --> 00:36:22,240

secret stuff and we're not wanting that

1013

00:36:25,670 --> 00:36:24,000

to get out but then we've got reports

1014

00:36:27,910 --> 00:36:25,680

from people coming in

1015

00:36:29,589 --> 00:36:27,920

and they're encouraging the reports

1016

00:36:30,790 --> 00:36:29,599

bring us reports because they need

1017

00:36:32,150 --> 00:36:30,800

information

1018

00:36:33,430 --> 00:36:32,160

you can see that they're being pulled

1019

00:36:35,030 --> 00:36:33,440

from so many different directions they

1020

00:36:36,870 --> 00:36:35,040

might be getting onto something and then

1021

00:36:39,670 --> 00:36:36,880

finally it's like okay we just found out

1022

00:36:41,190 --> 00:36:39,680

something pull back it was a psy up and

1023

00:36:42,310 --> 00:36:41,200

so they're actually pretending it was a

1024

00:36:44,310 --> 00:36:42,320

psyop

1025

00:36:46,230 --> 00:36:44,320

yeah when it wasn't because they found

1026  
00:36:48,150 --> 00:36:46,240  
something else out about it or maybe you

1027  
00:36:50,069 --> 00:36:48,160  
see what i'm saying it's like

1028  
00:36:52,150 --> 00:36:50,079  
and where does it stop especially with

1029  
00:36:54,950 --> 00:36:52,160  
the government because they're they do

1030  
00:36:57,990 --> 00:36:54,960  
have real threats and they have to keep

1031  
00:36:59,750 --> 00:36:58,000  
secrets so it i can see how

1032  
00:37:02,069 --> 00:36:59,760  
it could get really tricky in some

1033  
00:37:04,150 --> 00:37:02,079  
places you know yeah yeah it can get

1034  
00:37:06,390 --> 00:37:04,160  
tricky but i i d what i was trying to

1035  
00:37:08,550 --> 00:37:06,400  
say was that i think that it's

1036  
00:37:10,550 --> 00:37:08,560  
it may be possible to try to look at the

1037  
00:37:13,109 --> 00:37:10,560  
actions of these people

1038  
00:37:15,510 --> 00:37:13,119

and sort of reverse engineer what they

1039

00:37:17,670 --> 00:37:15,520

think about the phenomena itself but i'm

1040

00:37:19,829 --> 00:37:17,680

not as interested in that as i am in

1041

00:37:20,950 --> 00:37:19,839

just looking at the phenomena

1042

00:37:22,390 --> 00:37:20,960

itself

1043

00:37:24,310 --> 00:37:22,400

and that's even harder because the

1044

00:37:26,310 --> 00:37:24,320

phenomena also seems to be deceptive and

1045

00:37:27,829 --> 00:37:26,320

how how in the hell could you possibly

1046

00:37:29,670 --> 00:37:27,839

imagine that you could reverse engineer

1047

00:37:30,870 --> 00:37:29,680

the reasons for that

1048

00:37:32,069 --> 00:37:30,880

you know but there's plenty of people

1049

00:37:33,190 --> 00:37:32,079

like oh yeah you know they hide

1050

00:37:34,870 --> 00:37:33,200

themselves from us because we aren't

1051  
00:37:36,550 --> 00:37:34,880  
ready yet you know it's like the whole

1052  
00:37:38,790 --> 00:37:36,560  
star trek sort of

1053  
00:37:41,109 --> 00:37:38,800  
uh what is that thing they called the

1054  
00:37:43,349 --> 00:37:41,119  
prime directive right so

1055  
00:37:45,349 --> 00:37:43,359  
but to me i'm looking at our own

1056  
00:37:47,510 --> 00:37:45,359  
government people which are human beings

1057  
00:37:49,270 --> 00:37:47,520  
and there they have these convoluted

1058  
00:37:51,589 --> 00:37:49,280  
possible reasons for what they're doing

1059  
00:37:52,630 --> 00:37:51,599  
and we have no way of disentangling them

1060  
00:37:54,230 --> 00:37:52,640  
probably

1061  
00:37:55,990 --> 00:37:54,240  
and to imagine that we can do that with

1062  
00:37:58,470 --> 00:37:56,000  
whatever this other thing is doing i

1063  
00:37:59,910 --> 00:37:58,480

just don't think it's possible but

1064

00:38:01,589 --> 00:37:59,920

i don't have a problem with sitting with

1065

00:38:03,109 --> 00:38:01,599

a mystery

1066

00:38:04,870 --> 00:38:03,119

i understand that there are just going

1067

00:38:06,150 --> 00:38:04,880

to be questions and sometimes they're

1068

00:38:08,230 --> 00:38:06,160

never going to be able to be answered

1069

00:38:10,630 --> 00:38:08,240

but i still like to explore them because

1070

00:38:12,550 --> 00:38:10,640

i want the question i like to

1071

00:38:14,710 --> 00:38:12,560

to try to narrow the question down to

1072

00:38:17,270 --> 00:38:14,720

where it's the right question

1073

00:38:18,950 --> 00:38:17,280

so i i guess this probably annoys people

1074

00:38:20,790 --> 00:38:18,960

but i'm not always looking for answers

1075

00:38:22,470 --> 00:38:20,800

what i really am interested in is let's

1076

00:38:24,069 --> 00:38:22,480

explore the data let's look at the

1077

00:38:25,910 --> 00:38:24,079

broadest possible

1078

00:38:27,829 --> 00:38:25,920

grouping of the information see if we

1079

00:38:30,150 --> 00:38:27,839

see patterns see if that makes us able

1080

00:38:31,750 --> 00:38:30,160

to say ah now i can sort of recognize

1081

00:38:33,910 --> 00:38:31,760

some things and maybe i can come to some

1082

00:38:35,990 --> 00:38:33,920

conclusions but really what i'm doing is

1083

00:38:37,910 --> 00:38:36,000

i'm trying to identify what is what's

1084

00:38:40,069 --> 00:38:37,920

happened to people

1085

00:38:41,190 --> 00:38:40,079

you know and what's going on and that is

1086

00:38:43,270 --> 00:38:41,200

a question that just isn't going to be

1087

00:38:46,550 --> 00:38:43,280

able to be answered i don't think

1088

00:38:47,589 --> 00:38:46,560

marty how evil do you think the psyop is

1089

00:38:51,109 --> 00:38:47,599

well

1090

00:38:53,910 --> 00:38:51,119

i i think maybe i should clarify one one

1091

00:38:55,030 --> 00:38:53,920

thing about messiah is the psyop in my

1092

00:38:57,670 --> 00:38:55,040

opinion

1093

00:39:00,870 --> 00:38:57,680

isn't that the phenomenon doesn't exist

1094

00:39:02,710 --> 00:39:00,880

i think the psyop might be to hide the

1095

00:39:04,390 --> 00:39:02,720

fact that they didn't know what they

1096

00:39:06,790 --> 00:39:04,400

were necessarily dealing with that

1097

00:39:08,950 --> 00:39:06,800

that's one aspect because

1098

00:39:11,190 --> 00:39:08,960

like like russ just pointed out we

1099

00:39:13,750 --> 00:39:11,200

there's no way that we could

1100

00:39:16,870 --> 00:39:13,760

try to understand the motivations or

1101

00:39:19,750 --> 00:39:16,880

actions of a non-human intelligence but

1102

00:39:22,550 --> 00:39:19,760

we don't know humans pretty well and we

1103

00:39:24,550 --> 00:39:22,560

we have a history of

1104

00:39:26,950 --> 00:39:24,560

seeing what the government is capable of

1105

00:39:29,510 --> 00:39:26,960

doing and has done so

1106

00:39:30,550 --> 00:39:29,520

we can reverse engineer those actions

1107

00:39:31,829 --> 00:39:30,560

right

1108

00:39:34,470 --> 00:39:31,839

but

1109

00:39:37,430 --> 00:39:34,480

the phenomenon itself

1110

00:39:39,510 --> 00:39:37,440

um then you as you you know you've heard

1111

00:39:41,109 --> 00:39:39,520

we've got we've gone to great lengths to

1112

00:39:43,990 --> 00:39:41,119

explain how

1113

00:39:46,630 --> 00:39:44,000

there appears to be a pattern of conduct

1114

00:39:49,030 --> 00:39:46,640

that goes over millennia

1115

00:39:51,589 --> 00:39:49,040

it's not really acting any differently

1116

00:39:53,910 --> 00:39:51,599

today than it ever has

1117

00:39:55,589 --> 00:39:53,920

it's simply our interpretation of it

1118

00:39:59,589 --> 00:39:55,599

that has changed

1119

00:40:00,790 --> 00:39:59,599

and it and the phenomenon has this

1120

00:40:02,710 --> 00:40:00,800

this

1121

00:40:04,550 --> 00:40:02,720

strange ability to

1122

00:40:08,069 --> 00:40:04,560

present itself

1123

00:40:10,870 --> 00:40:08,079

in in such a form that it

1124

00:40:13,430 --> 00:40:10,880

it tends to cater to our

1125

00:40:16,230 --> 00:40:13,440

individual sensitivities

1126

00:40:18,630 --> 00:40:16,240

um and i think it it's always been that

1127

00:40:20,550 --> 00:40:18,640

way that's why they've been interpreted

1128

00:40:22,870 --> 00:40:20,560

throughout history

1129

00:40:24,950 --> 00:40:22,880

in so many different ways

1130

00:40:27,589 --> 00:40:24,960

and i don't know that uh

1131

00:40:29,589 --> 00:40:27,599

we've explained that yet but

1132

00:40:32,069 --> 00:40:29,599

in in the series we're trying to make

1133

00:40:34,309 --> 00:40:32,079

connections or i'm trying to make an

1134

00:40:36,150 --> 00:40:34,319

argument for the fact that

1135

00:40:39,270 --> 00:40:36,160

these

1136

00:40:41,750 --> 00:40:39,280

spirits and

1137

00:40:44,550 --> 00:40:41,760

angels and uh

1138

00:40:46,550 --> 00:40:44,560

you name it you know that the fae

1139

00:40:49,430 --> 00:40:46,560

and all these different uh

1140

00:40:50,550 --> 00:40:49,440

paranormal type things are all connected

1141

00:40:51,349 --> 00:40:50,560

in some way

1142

00:40:53,750 --> 00:40:51,359

um

1143

00:40:55,990 --> 00:40:53,760

again watching their conduct not

1144

00:40:58,630 --> 00:40:56,000

necessarily their appearance

1145

00:41:00,470 --> 00:40:58,640

but the messages that are related the

1146

00:41:02,630 --> 00:41:00,480

types of encounters

1147

00:41:05,349 --> 00:41:02,640

i think that they're very fundamental to

1148

00:41:07,829 --> 00:41:05,359

who we are as a species

1149

00:41:09,670 --> 00:41:07,839

let me throw a good old mk ultra log on

1150

00:41:10,630 --> 00:41:09,680

the fire because i think you guys are

1151

00:41:12,150 --> 00:41:10,640

all

1152

00:41:14,870 --> 00:41:12,160

too warm-hearted you have too much of

1153

00:41:17,270 --> 00:41:14,880

that texas kind of love going on

1154

00:41:18,710 --> 00:41:17,280

i have a darker darker look at this you

1155

00:41:20,630 --> 00:41:18,720

ever heard of

1156

00:41:23,430 --> 00:41:20,640

mk ultra

1157

00:41:25,270 --> 00:41:23,440

subproject 39.

1158

00:41:27,109 --> 00:41:25,280

so i know you haven't because i never

1159

00:41:28,550 --> 00:41:27,119

had it no one has

1160

00:41:32,470 --> 00:41:28,560

this

1161

00:41:34,710 --> 00:41:32,480

like documented like

1162

00:41:36,470 --> 00:41:34,720

they sued a bunch of people people went

1163

00:41:38,390 --> 00:41:36,480

to jail and all this [h\_\_\h] so that the

1164

00:41:39,430 --> 00:41:38,400  
documents come out

1165

00:41:40,950 --> 00:41:39,440  
they were

1166

00:41:43,430 --> 00:41:40,960  
working with

1167

00:41:45,910 --> 00:41:43,440  
mind controlling and trying to figure

1168

00:41:46,950 --> 00:41:45,920  
out how to take

1169

00:41:48,470 --> 00:41:46,960  
um

1170

00:41:51,510 --> 00:41:48,480  
serial killers

1171

00:41:53,589 --> 00:41:51,520  
most of whom had you know sexual serial

1172

00:41:55,670 --> 00:41:53,599  
killers who were in jail maximum

1173

00:41:59,030 --> 00:41:55,680  
security and they wanted to work with

1174

00:42:01,670 --> 00:41:59,040  
and try and do their you know

1175

00:42:03,510 --> 00:42:01,680  
sirhan sirhan version

1176

00:42:05,990 --> 00:42:03,520

7.8 which is kind of interesting to

1177

00:42:07,829 --> 00:42:06,000

think think how long ago

1178

00:42:09,670 --> 00:42:07,839

sirhan sirhan

1179

00:42:11,750 --> 00:42:09,680

did that thing

1180

00:42:14,550 --> 00:42:11,760

and then think like you guys sometimes

1181

00:42:16,470 --> 00:42:14,560

talk about like uh uh era airplane

1182

00:42:18,390 --> 00:42:16,480

technology you know and like

1183

00:42:21,910 --> 00:42:18,400

this one back there imagine what we have

1184

00:42:25,750 --> 00:42:21,920

now hey imagine from that level if they

1185

00:42:27,670 --> 00:42:25,760

could do that to sirhan sirhan in 1960s

1186

00:42:31,589 --> 00:42:27,680

what level of mind control have they

1187

00:42:33,349 --> 00:42:31,599

mastered we know e.t has a level of mind

1188

00:42:35,670 --> 00:42:33,359

control that's like

1189

00:42:37,270 --> 00:42:35,680

super duper we don't know how far it is

1190

00:42:39,589 --> 00:42:37,280

and then we see these guys doing this

1191

00:42:41,750 --> 00:42:39,599

stuff with serial killers in jail and

1192

00:42:44,309 --> 00:42:41,760

then trying to hide their tracks what

1193

00:42:47,270 --> 00:42:44,319

wouldn't they do so to think that they

1194

00:42:49,270 --> 00:42:47,280

would you know so i can buy into part of

1195

00:42:51,030 --> 00:42:49,280

what you're saying kyle is there's some

1196

00:42:52,710 --> 00:42:51,040

honest good people there that they

1197

00:42:53,990 --> 00:42:52,720

didn't know they're military guys

1198

00:42:55,349 --> 00:42:54,000

they're trying to do their job and then

1199

00:42:56,950 --> 00:42:55,359

they find out and they're scared and

1200

00:42:57,910 --> 00:42:56,960

they're trying to protect but there's

1201  
00:43:01,510 --> 00:42:57,920  
some

1202  
00:43:04,550 --> 00:43:01,520  
evil mo foes in this thing that will do

1203  
00:43:07,510 --> 00:43:04,560  
anything that will be uh attracted to

1204  
00:43:10,790 --> 00:43:07,520  
the evil that they're finding in

1205  
00:43:12,390 --> 00:43:10,800  
et that is just as malevolent as we are

1206  
00:43:14,470 --> 00:43:12,400  
here and

1207  
00:43:15,990 --> 00:43:14,480  
that's what the data is showing and you

1208  
00:43:17,910 --> 00:43:16,000  
know just one other little tidbit i have

1209  
00:43:19,750 --> 00:43:17,920  
to throw out because it's another great

1210  
00:43:23,670 --> 00:43:19,760  
little tidbit i picked up from this

1211  
00:43:26,630 --> 00:43:23,680  
series and i use all the time is it's um

1212  
00:43:29,109 --> 00:43:26,640  
scientology I ron hubbard guy he goes oh

1213  
00:43:30,710 --> 00:43:29,119

mind control that's easy you know here's

1214

00:43:32,870 --> 00:43:30,720

what i'm working on that's kind of more

1215

00:43:34,309 --> 00:43:32,880

difficult and you know yeah summoning

1216

00:43:36,470 --> 00:43:34,319

satan and all the rest of that that's

1217

00:43:38,069 --> 00:43:36,480

hard mind control and all these that's a

1218

00:43:40,150 --> 00:43:38,079

piece of cake

1219

00:43:41,829 --> 00:43:40,160

i don't think i was to get to say this

1220

00:43:43,349 --> 00:43:41,839

and i think i think the guys will

1221

00:43:44,430 --> 00:43:43,359

appreciate this

1222

00:43:47,910 --> 00:43:44,440

we'll get to that

1223

00:43:49,589 --> 00:43:47,920

[Laughter]

1224

00:43:51,750 --> 00:43:49,599

yeah there it is i think you'll find the

1225

00:43:55,430 --> 00:43:51,760

next i think you'll find the next couple

1226

00:43:58,230 --> 00:43:55,440

of episodes very interesting alex

1227

00:43:59,990 --> 00:43:58,240

um i think we're going to go very very

1228

00:44:02,870 --> 00:44:00,000

deep into that rabbit hole probably a

1229

00:44:04,390 --> 00:44:02,880

lot deeper than you would expect

1230

00:44:06,390 --> 00:44:04,400

do you think these guys are going to are

1231

00:44:08,230 --> 00:44:06,400

you guys going to come along for us kyle

1232

00:44:09,510 --> 00:44:08,240

are you coming along with the yeah we're

1233

00:44:10,390 --> 00:44:09,520

alone

1234

00:44:12,870 --> 00:44:10,400

but look

1235

00:44:14,309 --> 00:44:12,880

if you i'm i did stick up for some

1236

00:44:16,870 --> 00:44:14,319

government people there for a little bit

1237

00:44:17,829 --> 00:44:16,880

so just uh take it easy on me oh boy

1238

00:44:19,670 --> 00:44:17,839

but

1239

00:44:21,430 --> 00:44:19,680

yeah i didn't mention the part where you

1240

00:44:23,349 --> 00:44:21,440

know the guys that decide to bring about

1241

00:44:25,750 --> 00:44:23,359

the antichrist out in the desert i'm

1242

00:44:27,750 --> 00:44:25,760

just like screw you you're an [h\_\_h]

1243

00:44:29,270 --> 00:44:27,760

yeah you know those there's plenty of

1244

00:44:30,710 --> 00:44:29,280

those people and i get what you're

1245

00:44:32,550 --> 00:44:30,720

saying alex you're just trying to point

1246

00:44:33,750 --> 00:44:32,560

out that there's that there's evil

1247

00:44:35,270 --> 00:44:33,760

involved in this as well and you're

1248

00:44:36,710 --> 00:44:35,280

totally right yeah and

1249

00:44:37,589 --> 00:44:36,720

and you have to take that into account

1250

00:44:39,270 --> 00:44:37,599

because

1251  
00:44:40,870 --> 00:44:39,280  
again when you're when you're trying to

1252  
00:44:43,430 --> 00:44:40,880  
look at the actions of government people

1253  
00:44:44,870 --> 00:44:43,440  
and non-governmental people you know

1254  
00:44:46,230 --> 00:44:44,880  
we're not always talking about people in

1255  
00:44:48,470 --> 00:44:46,240  
the government uh

1256  
00:44:50,069 --> 00:44:48,480  
like I ron hubbard but you're

1257  
00:44:51,990 --> 00:44:50,079  
you have to take into account that some

1258  
00:44:54,790 --> 00:44:52,000  
people are really

1259  
00:44:56,230 --> 00:44:54,800  
evil they're bad you know and and that

1260  
00:44:57,510 --> 00:44:56,240  
they will do and given enough power

1261  
00:45:00,069 --> 00:44:57,520  
they'll do really bad stuff and so

1262  
00:45:01,430 --> 00:45:00,079  
you're your point there that you know

1263  
00:45:03,430 --> 00:45:01,440

that they were messing with mind control

1264

00:45:05,750 --> 00:45:03,440

technology a long time ago and what are

1265

00:45:06,870 --> 00:45:05,760

they doing now it's a good question yeah

1266

00:45:08,950 --> 00:45:06,880

it is

1267

00:45:10,550 --> 00:45:08,960

well particularly i think how it relates

1268

00:45:11,829 --> 00:45:10,560

to this conversation and you guys have

1269

00:45:13,589 --> 00:45:11,839

brought this

1270

00:45:15,430 --> 00:45:13,599

you know i i hear you marty you got some

1271

00:45:19,510 --> 00:45:15,440

more cards that you're holding close to

1272

00:45:23,109 --> 00:45:19,520

your vest but there is no doubt that

1273

00:45:25,030 --> 00:45:23,119

the the malevolence of the phenomenon

1274

00:45:27,910 --> 00:45:25,040

is somewhat of a question mark but we

1275

00:45:31,030 --> 00:45:27,920

can nail down some of it i mean some of

1276

00:45:34,069 --> 00:45:31,040

it you can't walk past the you know i

1277

00:45:36,309 --> 00:45:34,079

was raped by a reptilian data set you

1278

00:45:39,270 --> 00:45:36,319

know you can you can kind of pick here

1279

00:45:40,230 --> 00:45:39,280

and there but there's there's data there

1280

00:45:43,190 --> 00:45:40,240

yes

1281

00:45:45,430 --> 00:45:43,200

that's right um i i've hinted at this a

1282

00:45:48,309 --> 00:45:45,440

little bit on our discord everything but

1283

00:45:50,470 --> 00:45:48,319

one point that i've made is that when

1284

00:45:52,390 --> 00:45:50,480

when we're talking about

1285

00:45:54,470 --> 00:45:52,400

how the government has

1286

00:45:57,109 --> 00:45:54,480

exploited anything let's say that

1287

00:45:58,710 --> 00:45:57,119

they've learned from the phenomenon

1288

00:46:00,950 --> 00:45:58,720

most often

1289

00:46:03,430 --> 00:46:00,960

almost entirely the focus is on

1290

00:46:05,510 --> 00:46:03,440

aerospace applications we see oh you

1291

00:46:07,030 --> 00:46:05,520

know we can we gain a better propulsion

1292

00:46:11,109 --> 00:46:07,040

system or

1293

00:46:13,990 --> 00:46:11,119

those lines and i'm and i'm constantly

1294

00:46:15,510 --> 00:46:14,000

telling people what makes you think that

1295

00:46:18,390 --> 00:46:15,520

the application

1296

00:46:20,470 --> 00:46:18,400

yeah the a of their technology of this

1297

00:46:24,230 --> 00:46:20,480

advanced degree is limited to those type

1298

00:46:27,190 --> 00:46:24,240

of mechanical devices just consider

1299

00:46:29,030 --> 00:46:27,200

their ability to manipulate mankind

1300

00:46:31,430 --> 00:46:29,040

their ability to

1301  
00:46:32,309 --> 00:46:31,440  
play with your emotions to play with

1302  
00:46:33,990 --> 00:46:32,319  
your

1303  
00:46:35,670 --> 00:46:34,000  
thoughts to

1304  
00:46:37,829 --> 00:46:35,680  
affect you know

1305  
00:46:40,150 --> 00:46:37,839  
we've we've again we've gone into this

1306  
00:46:42,309 --> 00:46:40,160  
quite a bit in the series of how

1307  
00:46:45,430 --> 00:46:42,319  
people have lost their lives because

1308  
00:46:47,750 --> 00:46:45,440  
they believe in this stuff so much

1309  
00:46:50,150 --> 00:46:47,760  
and what is it play what mechanisms are

1310  
00:46:53,030 --> 00:46:50,160  
at play that leads to that kind of

1311  
00:46:54,550 --> 00:46:53,040  
control over somebody's actions

1312  
00:46:57,190 --> 00:46:54,560  
where they would actually

1313  
00:46:59,829 --> 00:46:57,200

give up their life for because something

1314

00:47:01,829 --> 00:46:59,839

told them they had to do something

1315

00:47:04,390 --> 00:47:01,839

think of the military applications for

1316

00:47:05,910 --> 00:47:04,400

such technology

1317

00:47:07,270 --> 00:47:05,920

yeah and then there's the you know the

1318

00:47:09,030 --> 00:47:07,280

we went through many accounts of people

1319

00:47:11,109 --> 00:47:09,040

getting what i guess you would call

1320

00:47:13,349 --> 00:47:11,119

downloads like flashes of information

1321

00:47:15,030 --> 00:47:13,359

that lead it lead to patents

1322

00:47:17,190 --> 00:47:15,040

you know how often is that happening are

1323

00:47:18,390 --> 00:47:17,200

would would you know would a government

1324

00:47:20,230 --> 00:47:18,400

organization

1325

00:47:22,710 --> 00:47:20,240

find out about that say well this is

1326

00:47:25,349 --> 00:47:22,720

really possible and then can we

1327

00:47:26,870 --> 00:47:25,359

learn how to make it take place

1328

00:47:27,910 --> 00:47:26,880

of course they would

1329

00:47:29,670 --> 00:47:27,920

you know

1330

00:47:30,870 --> 00:47:29,680

seeking secret information there well i

1331

00:47:32,309 --> 00:47:30,880

want to turn this around on you alex

1332

00:47:33,589 --> 00:47:32,319

where are you going where is your mind

1333

00:47:35,750 --> 00:47:33,599

going with all this you've listened to

1334

00:47:37,670 --> 00:47:35,760

all the episodes you've you've dove into

1335

00:47:40,150 --> 00:47:37,680

this topic and you're also done a lot of

1336

00:47:42,470 --> 00:47:40,160

research on evil and consciousness what

1337

00:47:44,069 --> 00:47:42,480

do you think is going on

1338

00:47:46,470 --> 00:47:44,079

well you know you know what i i would

1339

00:47:48,069 --> 00:47:46,480

just pick up on what we're saying and i

1340

00:47:50,150 --> 00:47:48,079

i appreciate that you guys are willing

1341

00:47:51,349 --> 00:47:50,160

to kind of speculate and go those places

1342

00:47:53,109 --> 00:47:51,359

because to me

1343

00:47:55,349 --> 00:47:53,119

those are some of the best moments in

1344

00:47:57,349 --> 00:47:55,359

this series when we kind of hear you

1345

00:47:59,349 --> 00:47:57,359

guys kind of playing around with these

1346

00:48:02,069 --> 00:47:59,359

different positions because that's what

1347

00:48:03,430 --> 00:48:02,079

i think we're all doing in our head and

1348

00:48:04,950 --> 00:48:03,440

one of the places that i take it

1349

00:48:06,630 --> 00:48:04,960

recently is

1350

00:48:07,430 --> 00:48:06,640

and it's kind of hard it's hard for even

1351  
00:48:09,750 --> 00:48:07,440  
me

1352  
00:48:11,670 --> 00:48:09,760  
to do and and you touched on it a little

1353  
00:48:13,430 --> 00:48:11,680  
bit russ is that

1354  
00:48:16,150 --> 00:48:13,440  
what if you were to really be

1355  
00:48:18,470 --> 00:48:16,160  
machiavellian and put yourself in their

1356  
00:48:20,390 --> 00:48:18,480  
position and say okay look

1357  
00:48:21,990 --> 00:48:20,400  
here's the way this thing plays out

1358  
00:48:23,910 --> 00:48:22,000  
number one we gotta have a one world

1359  
00:48:26,710 --> 00:48:23,920  
government i mean it just doesn't make

1360  
00:48:28,710 --> 00:48:26,720  
sense 140 you know these little tribes

1361  
00:48:29,829 --> 00:48:28,720  
running around doing all their own thing

1362  
00:48:31,990 --> 00:48:29,839  
it just

1363  
00:48:33,109 --> 00:48:32,000

big scheme we've seen how the galaxy

1364

00:48:35,030 --> 00:48:33,119

works out

1365

00:48:37,990 --> 00:48:35,040

doesn't work out that way and then the

1366

00:48:40,950 --> 00:48:38,000

next thing you'd say is you know

1367

00:48:42,630 --> 00:48:40,960

we're kind of got a lot of people here

1368

00:48:45,510 --> 00:48:42,640

and some of them

1369

00:48:47,270 --> 00:48:45,520

maybe we don't need quite as much of

1370

00:48:50,309 --> 00:48:47,280

that

1371

00:48:51,990 --> 00:48:50,319

do you kind of again just naturally fall

1372

00:48:53,910 --> 00:48:52,000

into okay well what can i do i can

1373

00:48:55,990 --> 00:48:53,920

provide them these services i can

1374

00:48:57,990 --> 00:48:56,000

provide them health water this and that

1375

00:49:00,309 --> 00:48:58,000

i can provide them money

1376

00:49:03,030 --> 00:49:00,319

what if there were just fewer of them

1377

00:49:05,349 --> 00:49:03,040

that i had to do that for kind of thing

1378

00:49:08,470 --> 00:49:05,359

so i think if you take that line of

1379

00:49:10,710 --> 00:49:08,480

reasoning really far and take it beyond

1380

00:49:13,190 --> 00:49:10,720

the u.s survey and the flag and the

1381

00:49:16,150 --> 00:49:13,200

stuff like that and you put it on that

1382

00:49:17,990 --> 00:49:16,160

level of an e.t perspective and you have

1383

00:49:19,510 --> 00:49:18,000

multiple et's

1384

00:49:22,549 --> 00:49:19,520

species

1385

00:49:25,510 --> 00:49:22,559

agendas in your head i think it's really

1386

00:49:27,750 --> 00:49:25,520

easy to come to a lot of places where it

1387

00:49:30,790 --> 00:49:27,760

wouldn't even sound evil it would sound

1388

00:49:32,549 --> 00:49:30,800

like the greater good yeah yeah that

1389

00:49:35,349 --> 00:49:32,559

makes me think of to the you know the

1390

00:49:38,150 --> 00:49:35,359

aspect of this that is that starts

1391

00:49:39,670 --> 00:49:38,160

merging into the angels and demons

1392

00:49:41,910 --> 00:49:39,680

side of things

1393

00:49:44,150 --> 00:49:41,920

as far back as you go in the ancient

1394

00:49:45,430 --> 00:49:44,160

text there is a policy on one side of

1395

00:49:48,790 --> 00:49:45,440

less humans

1396

00:49:50,790 --> 00:49:48,800

that's right one side or another right

1397

00:49:53,430 --> 00:49:50,800

i mean one of the oldest stories is like

1398

00:49:55,349 --> 00:49:53,440

the these two main guys in key and in

1399

00:49:58,230 --> 00:49:55,359

lille and in lille

1400

00:50:00,309 --> 00:49:58,240

is just like yeah kill kill most of them

1401

00:50:02,549 --> 00:50:00,319

and we just need a few slaves

1402

00:50:04,390 --> 00:50:02,559

that's right so there's

1403

00:50:06,790 --> 00:50:04,400

there's definitely that aspect and if it

1404

00:50:08,069 --> 00:50:06,800

is connected

1405

00:50:10,309 --> 00:50:08,079

then

1406

00:50:13,109 --> 00:50:10,319

this is not all you know

1407

00:50:14,790 --> 00:50:13,119

warm and fuzzy alien stuff it's a

1408

00:50:17,109 --> 00:50:14,800

it's yeah it's not space brothers right

1409

00:50:19,270 --> 00:50:17,119

yeah space bro and so he brings up enki

1410

00:50:20,790 --> 00:50:19,280

and in lil and again you know a modern

1411

00:50:21,910 --> 00:50:20,800

take on them might be that they were

1412

00:50:23,270 --> 00:50:21,920

they're gods right they're

1413

00:50:27,670 --> 00:50:23,280

extraterrestrial they're they're

1414

00:50:30,230 --> 00:50:27,680

non-human and you have the same uh

1415

00:50:32,150 --> 00:50:30,240

a lot of the very similar elements built

1416

00:50:33,829 --> 00:50:32,160

into these guys there's the evil the

1417

00:50:35,430 --> 00:50:33,839

controlling the sort of one world

1418

00:50:36,870 --> 00:50:35,440

government like i'm in charge and then

1419

00:50:39,270 --> 00:50:36,880

there's the trickster

1420

00:50:40,870 --> 00:50:39,280

uh the beneficiary the one who gives

1421

00:50:42,390 --> 00:50:40,880

technology to mankind we were just

1422

00:50:44,069 --> 00:50:42,400

talking about people secretly giving

1423

00:50:45,829 --> 00:50:44,079

technology to manchester united you know

1424

00:50:49,190 --> 00:50:45,839

starting up secret brotherhoods and

1425

00:50:50,549 --> 00:50:49,200

trying to trying to keep man uh out as

1426  
00:50:53,109 --> 00:50:50,559  
as much as possible out from under the

1427  
00:50:54,549 --> 00:50:53,119  
thumb of the in little side i mean the

1428  
00:50:56,390 --> 00:50:54,559  
stories are all over the place so it

1429  
00:50:57,910 --> 00:50:56,400  
seems like and this is another reason

1430  
00:50:59,589 --> 00:50:57,920  
why i've been fascinated with it is it

1431  
00:51:01,430 --> 00:50:59,599  
seems like

1432  
00:51:03,990 --> 00:51:01,440  
i think marty is probably getting at

1433  
00:51:05,589 --> 00:51:04,000  
this as well but it seems like this is

1434  
00:51:06,870 --> 00:51:05,599  
part of who we are

1435  
00:51:08,790 --> 00:51:06,880  
in the sense that we've been living with

1436  
00:51:11,270 --> 00:51:08,800  
this phenomena since as far back as you

1437  
00:51:12,710 --> 00:51:11,280  
care to go

1438  
00:51:15,030 --> 00:51:12,720

you know and we we have we have a

1439

00:51:16,630 --> 00:51:15,040

civilization or a continuous line of

1440

00:51:19,270 --> 00:51:16,640

civilizations that have been recording

1441

00:51:21,990 --> 00:51:19,280

these stories but who i mean

1442

00:51:24,230 --> 00:51:22,000

who knows how far back it goes hundreds

1443

00:51:26,549 --> 00:51:24,240

of thousands of years maybe

1444

00:51:28,630 --> 00:51:26,559

and it seems like maybe in the past they

1445

00:51:30,710 --> 00:51:28,640

had a better grasp of what it was that

1446

00:51:32,470 --> 00:51:30,720

was going on yeah because they don't

1447

00:51:34,069 --> 00:51:32,480

they make no bones about who it was and

1448

00:51:35,270 --> 00:51:34,079

what right you know what the deal is

1449

00:51:37,109 --> 00:51:35,280

yeah there might have been a little less

1450

00:51:39,109 --> 00:51:37,119

deception on the part of the phenomena

1451  
00:51:40,870 --> 00:51:39,119  
in the past at some point

1452  
00:51:42,950 --> 00:51:40,880  
yeah one real big

1453  
00:51:46,309 --> 00:51:42,960  
stumbling block that we run into

1454  
00:51:47,349 --> 00:51:46,319  
constantly is is the labels that we use

1455  
00:51:49,910 --> 00:51:47,359  
uh you

1456  
00:51:51,109 --> 00:51:49,920  
certain words automatically

1457  
00:51:54,150 --> 00:51:51,119  
invoke

1458  
00:51:56,870 --> 00:51:54,160  
you know thoughts of

1459  
00:51:58,549 --> 00:51:56,880  
religious you know viewpoints and things

1460  
00:52:01,349 --> 00:51:58,559  
like that so

1461  
00:52:03,190 --> 00:52:01,359  
sometimes we're using a term that's

1462  
00:52:04,470 --> 00:52:03,200  
really more of a placeholder not

1463  
00:52:06,630 --> 00:52:04,480

necessarily

1464

00:52:07,910 --> 00:52:06,640  
used in the context as it might be

1465

00:52:11,510 --> 00:52:07,920  
viewed from

1466

00:52:13,270 --> 00:52:11,520  
a particular religious standpoint or

1467

00:52:14,870 --> 00:52:13,280  
you know it

1468

00:52:16,829 --> 00:52:14,880  
that's where the

1469

00:52:19,430 --> 00:52:16,839  
angel and demon

1470

00:52:20,790 --> 00:52:19,440  
uh labels come in

1471

00:52:21,589 --> 00:52:20,800  
um

1472

00:52:23,750 --> 00:52:21,599  
and

1473

00:52:26,069 --> 00:52:23,760  
we i'm sure you heard quite a bit of

1474

00:52:27,270 --> 00:52:26,079  
discussion about the uh the collins

1475

00:52:28,710 --> 00:52:27,280  
elite and

1476  
00:52:31,270 --> 00:52:28,720  
this uh

1477  
00:52:34,470 --> 00:52:31,280  
this cabal within the u.s government

1478  
00:52:36,710 --> 00:52:34,480  
that uh is comprised of fundamentalist

1479  
00:52:39,270 --> 00:52:36,720  
christians who think that this is all

1480  
00:52:41,589 --> 00:52:39,280  
demonic and shouldn't be messed with and

1481  
00:52:43,910 --> 00:52:41,599  
and i you know i've tried to provide a

1482  
00:52:45,510 --> 00:52:43,920  
lot of information because

1483  
00:52:47,190 --> 00:52:45,520  
i think

1484  
00:52:49,190 --> 00:52:47,200  
it's possible

1485  
00:52:50,549 --> 00:52:49,200  
you know we talk about these psyops

1486  
00:52:52,390 --> 00:52:50,559  
right

1487  
00:52:54,549 --> 00:52:52,400  
i think this group exists i think

1488  
00:52:57,030 --> 00:52:54,559

there's been enough reference to him to

1489

00:52:59,589 --> 00:52:57,040

prove that there really is something to

1490

00:53:01,829 --> 00:52:59,599

this when you see how many programs have

1491

00:53:04,549 --> 00:53:01,839

been shut down by this group

1492

00:53:08,069 --> 00:53:04,559

but i think the tendency is to believe

1493

00:53:10,470 --> 00:53:08,079

that oh these guys are just using their

1494

00:53:11,829 --> 00:53:10,480

their religious beliefs to

1495

00:53:16,390 --> 00:53:11,839

to

1496

00:53:18,390 --> 00:53:16,400

information from the public but

1497

00:53:20,710 --> 00:53:18,400

when you start looking at

1498

00:53:22,470 --> 00:53:20,720

the descriptions used a lot of times

1499

00:53:24,309 --> 00:53:22,480

like for example i recently saw an

1500

00:53:26,390 --> 00:53:24,319

interview with brandon funeral the owner

1501  
00:53:29,109 --> 00:53:26,400  
of skinwalker

1502  
00:53:31,270 --> 00:53:29,119  
skinwalker wrench and he's describing

1503  
00:53:32,390 --> 00:53:31,280  
some of the encounters

1504  
00:53:35,109 --> 00:53:32,400  
and uh

1505  
00:53:37,510 --> 00:53:35,119  
the interviewer asks how would you how

1506  
00:53:39,270 --> 00:53:37,520  
would you describe this

1507  
00:53:40,549 --> 00:53:39,280  
this intelligence

1508  
00:53:41,990 --> 00:53:40,559  
and uh

1509  
00:53:44,950 --> 00:53:42,000  
his responsible oh it's definitely

1510  
00:53:46,390 --> 00:53:44,960  
malevolent you know it it it it has it's

1511  
00:53:49,430 --> 00:53:46,400  
hostile and

1512  
00:53:50,870 --> 00:53:49,440  
and you hear that over and over and over

1513  
00:53:53,270 --> 00:53:50,880

and you know i know

1514

00:53:55,349 --> 00:53:53,280

i saw i i listened to grant cameron

1515

00:53:56,790 --> 00:53:55,359

reese recently and he's talking about it

1516

00:53:58,230 --> 00:53:56,800

and he goes you know

1517

00:54:00,470 --> 00:53:58,240

when you look at

1518

00:54:03,030 --> 00:54:00,480

the balance of it he goes i kind of side

1519

00:54:05,430 --> 00:54:03,040

with those guys it it looks demonic you

1520

00:54:07,670 --> 00:54:05,440

know and again i i think it's because

1521

00:54:10,150 --> 00:54:07,680

when you hear that term

1522

00:54:12,790 --> 00:54:10,160

demon or demon you automatically make

1523

00:54:14,230 --> 00:54:12,800

the association with christianity or

1524

00:54:17,510 --> 00:54:14,240

with religion

1525

00:54:21,109 --> 00:54:17,520

maybe a demon is just a type of being

1526

00:54:21,910 --> 00:54:21,119

it's maybe it's in its a belief system

1527

00:54:25,030 --> 00:54:21,920

it's

1528

00:54:26,230 --> 00:54:25,040

it doesn't have to be religious

1529

00:54:27,670 --> 00:54:26,240

per se

1530

00:54:29,750 --> 00:54:27,680

um

1531

00:54:32,790 --> 00:54:29,760

and i think that

1532

00:54:35,109 --> 00:54:32,800

i'll that that's true throughout

1533

00:54:38,309 --> 00:54:35,119

our discussions in other words there

1534

00:54:41,030 --> 00:54:38,319

does appear to be more than one party

1535

00:54:43,510 --> 00:54:41,040

involved in whatever is

1536

00:54:45,750 --> 00:54:43,520

manipulating mankind because we see you

1537

00:54:48,069 --> 00:54:45,760

know where we kind of take the uh

1538

00:54:50,710 --> 00:54:48,079

bramley-esque uh gods of eden

1539

00:54:53,430 --> 00:54:50,720

perspective that we're all puppets on a

1540

00:54:54,630 --> 00:54:53,440

string right now i i use this

1541

00:54:56,390 --> 00:54:54,640

this uh

1542

00:54:58,630 --> 00:54:56,400

thing i said that the guys got a kick

1543

00:55:00,309 --> 00:54:58,640

out of i said the last thing the

1544

00:55:02,470 --> 00:55:00,319

government wants the public to believe

1545

00:55:05,190 --> 00:55:02,480

is that jiminy cricket is real

1546

00:55:07,430 --> 00:55:05,200

right that we actually have this little

1547

00:55:09,270 --> 00:55:07,440

voice talking to us or

1548

00:55:10,069 --> 00:55:09,280

guiding us right

1549

00:55:11,750 --> 00:55:10,079

and

1550

00:55:13,589 --> 00:55:11,760

i think that

1551  
00:55:16,789 --> 00:55:13,599  
those type of

1552  
00:55:19,270 --> 00:55:16,799  
beliefs tend to lean in the direction of

1553  
00:55:21,109 --> 00:55:19,280  
organized religion but

1554  
00:55:22,870 --> 00:55:21,119  
i don't know that that necessarily they

1555  
00:55:23,829 --> 00:55:22,880  
don't have to in other words there can

1556  
00:55:26,150 --> 00:55:23,839  
be

1557  
00:55:27,910 --> 00:55:26,160  
just like a a government might have the

1558  
00:55:30,150 --> 00:55:27,920  
ability to influence

1559  
00:55:32,069 --> 00:55:30,160  
your your thought processes

1560  
00:55:34,789 --> 00:55:32,079  
maybe another intelligence has the

1561  
00:55:36,549 --> 00:55:34,799  
ability to do the same you know i just

1562  
00:55:39,349 --> 00:55:36,559  
published an interview with a guy named

1563  
00:55:40,390 --> 00:55:39,359

dr bob davis and terrific guy super

1564

00:55:42,630 --> 00:55:40,400

smart

1565

00:55:44,309 --> 00:55:42,640

well credentialed academic background

1566

00:55:46,870 --> 00:55:44,319

before he got into but he's had an

1567

00:55:48,390 --> 00:55:46,880

encounter and he was part of the free

1568

00:55:49,510 --> 00:55:48,400

organization when they did that big

1569

00:55:51,430 --> 00:55:49,520

survey

1570

00:55:53,190 --> 00:55:51,440

of contactees

1571

00:55:54,630 --> 00:55:53,200

and the headline that they always lead

1572

00:55:56,710 --> 00:55:54,640

with i'm really surprised here grant

1573

00:55:58,870 --> 00:55:56,720

cameron i i'm sure he had

1574

00:56:03,510 --> 00:55:58,880

the other part of that because grant is

1575

00:56:07,349 --> 00:56:06,150

but the data and i really pushed bob on

1576

00:56:09,589 --> 00:56:07,359

this and he

1577

00:56:12,069 --> 00:56:09,599

he really stood up and said no i know

1578

00:56:14,150 --> 00:56:12,079

this science and the data is

1579

00:56:16,710 --> 00:56:14,160

solid the way that we've collected it

1580

00:56:19,030 --> 00:56:16,720

and 80 percent of people

1581

00:56:21,430 --> 00:56:19,040

view their experiences positive and

1582

00:56:23,510 --> 00:56:21,440

there's a lot of that it lines up with

1583

00:56:26,230 --> 00:56:23,520

positive near-death experiences and

1584

00:56:27,829 --> 00:56:26,240

spiritually transformative experiences

1585

00:56:29,589 --> 00:56:27,839

and i don't know quite what to make of

1586

00:56:32,309 --> 00:56:29,599

that and i don't know if the data really

1587

00:56:33,030 --> 00:56:32,319

is solid but i'm not i i don't want to

1588

00:56:35,109 --> 00:56:33,040

go

1589

00:56:37,430 --> 00:56:35,119

all the demonic thing and the negative

1590

00:56:39,430 --> 00:56:37,440

thing because there's also again this

1591

00:56:40,390 --> 00:56:39,440

data that's coming back and saying

1592

00:56:42,150 --> 00:56:40,400

that's

1593

00:56:44,710 --> 00:56:42,160

just like down here you know most the

1594

00:56:45,750 --> 00:56:44,720

people you meet are pretty freaking cool

1595

00:56:48,150 --> 00:56:45,760

and wanna

1596

00:56:50,549 --> 00:56:48,160

raise a good family and live a good life

1597

00:56:52,150 --> 00:56:50,559

and be good each other it's only a small

1598

00:56:54,069 --> 00:56:52,160

percent that are really kind of messed

1599

00:56:55,270 --> 00:56:54,079

up but i tell you

1600

00:56:56,549 --> 00:56:55,280

before we run out of time because

1601  
00:56:59,510 --> 00:56:56,559  
there's so many topics we could talk

1602  
00:57:00,630 --> 00:56:59,520  
about i i want to shift gears and i want

1603  
00:57:02,309 --> 00:57:00,640  
to make sure we talk about this one

1604  
00:57:04,390 --> 00:57:02,319  
other thing i'm super interested in and

1605  
00:57:07,430 --> 00:57:04,400  
it always seems to come up

1606  
00:57:08,309 --> 00:57:07,440  
in this dialogue and i i would put the

1607  
00:57:11,349 --> 00:57:08,319  
word

1608  
00:57:12,950 --> 00:57:11,359  
singularity to it and whenever we think

1609  
00:57:14,230 --> 00:57:12,960  
of singularity you know we always think

1610  
00:57:16,470 --> 00:57:14,240  
of

1611  
00:57:18,150 --> 00:57:16,480  
the the technology you know and our

1612  
00:57:19,510 --> 00:57:18,160  
computer's going to be so smart and the

1613  
00:57:21,829 --> 00:57:19,520

ai and all that

1614

00:57:24,870 --> 00:57:21,839

and that's one part of it but the other

1615

00:57:27,270 --> 00:57:24,880

part of the singularity is like the

1616

00:57:29,750 --> 00:57:27,280

genetic singularity like are we at a

1617

00:57:31,990 --> 00:57:29,760

point where we're now able to manipulate

1618

00:57:34,549 --> 00:57:32,000

the genome in the same way that it looks

1619

00:57:36,069 --> 00:57:34,559

like et has been manipulating the genome

1620

00:57:38,069 --> 00:57:36,079

and are we reaching some kind of

1621

00:57:40,069 --> 00:57:38,079

crossover point with there so are we

1622

00:57:42,390 --> 00:57:40,079

reaching our crossover point with ai are

1623

00:57:44,470 --> 00:57:42,400

we reaching a crossover point with

1624

00:57:45,829 --> 00:57:44,480

genetics are we reaching a crossover

1625

00:57:47,430 --> 00:57:45,839

point with

1626  
00:57:49,589 --> 00:57:47,440  
we don't know what to call it in terms

1627  
00:57:51,750 --> 00:57:49,599  
of spiritual and this

1628  
00:57:53,349 --> 00:57:51,760  
extended consciousness you know screen

1629  
00:57:54,470 --> 00:57:53,359  
memory and stuff like that that

1630  
00:57:56,390 --> 00:57:54,480  
technology

1631  
00:57:57,829 --> 00:57:56,400  
and does that put us

1632  
00:58:00,069 --> 00:57:57,839  
and i always hesitate to say this

1633  
00:58:02,069 --> 00:58:00,079  
because it sounds so hokey are we at a

1634  
00:58:03,990 --> 00:58:02,079  
special point in time

1635  
00:58:07,030 --> 00:58:04,000  
where we're kind of

1636  
00:58:08,230 --> 00:58:07,040  
heading towards this crossover where

1637  
00:58:09,109 --> 00:58:08,240  
we're going to be thinking about this

1638  
00:58:10,710 --> 00:58:09,119

stuff

1639

00:58:12,630 --> 00:58:10,720

totally differently because we're going

1640

00:58:15,349 --> 00:58:12,640

to be able to do it ourselves and is

1641

00:58:18,470 --> 00:58:15,359

that part of what's

1642

00:58:20,789 --> 00:58:18,480

cooking up here and why this is so

1643

00:58:22,390 --> 00:58:20,799

relevant to us right now

1644

00:58:24,470 --> 00:58:22,400

i have a different take on this i'll let

1645

00:58:27,589 --> 00:58:24,480

the guys

1646

00:58:29,270 --> 00:58:27,599

their vision first well i yeah that so

1647

00:58:31,109 --> 00:58:29,280

the genetic and technological singular

1648

00:58:33,270 --> 00:58:31,119

you know i don't know i've i've i've

1649

00:58:35,510 --> 00:58:33,280

thought about this quite a bit and i

1650

00:58:36,549 --> 00:58:35,520

understand the concept

1651

00:58:38,789 --> 00:58:36,559

uh

1652

00:58:41,430 --> 00:58:38,799

the the question you asked like are we

1653

00:58:42,950 --> 00:58:41,440

at a special point in history i

1654

00:58:45,430 --> 00:58:42,960

i have been thinking about that recently

1655

00:58:46,630 --> 00:58:45,440

too kyle and i just finished doing um

1656

00:58:48,630 --> 00:58:46,640

we just finished going through the

1657

00:58:50,630 --> 00:58:48,640

character of physical law by by richard

1658

00:58:53,510 --> 00:58:50,640

feynman and he says in one of his

1659

00:58:55,109 --> 00:58:53,520

lectures there that we are in a special

1660

00:58:56,710 --> 00:58:55,119

point in history in his mind because the

1661

00:58:58,710 --> 00:58:56,720

kind of discovery that's happened in

1662

00:59:00,630 --> 00:58:58,720

physics during his lifetime

1663

00:59:01,829 --> 00:59:00,640

is not something that can continue

1664

00:59:03,030 --> 00:59:01,839

forever

1665

00:59:04,870 --> 00:59:03,040

uh

1666

00:59:06,069 --> 00:59:04,880

and we live in the middle of it and

1667

00:59:07,430 --> 00:59:06,079

that's kind of a special thing it's sort

1668

00:59:08,789 --> 00:59:07,440

of like you know just it's sort of like

1669

00:59:10,309 --> 00:59:08,799

the exploration of the world you can

1670

00:59:12,390 --> 00:59:10,319

only do it once

1671

00:59:13,589 --> 00:59:12,400

so is it a special time and then the

1672

00:59:15,750 --> 00:59:13,599

other question of course that comes to

1673

00:59:16,789 --> 00:59:15,760

my mind and i'm not i know i sound like

1674

00:59:18,710 --> 00:59:16,799

i'm getting far away from what you're

1675

00:59:19,510 --> 00:59:18,720

talking about alex but i'll get back to

1676

00:59:21,910 --> 00:59:19,520

it is

1677

00:59:23,829 --> 00:59:21,920

is have we done this before

1678

00:59:26,150 --> 00:59:23,839

you know because our our podcast focuses

1679

00:59:27,589 --> 00:59:26,160

on ancient mysteries and to me i have

1680

00:59:30,150 --> 00:59:27,599

wondered you know humans have been

1681

00:59:32,069 --> 00:59:30,160

around 400 000 years at least

1682

00:59:34,549 --> 00:59:32,079

how many times has this happened have we

1683

00:59:36,549 --> 00:59:34,559

gone through singularities before is is

1684

00:59:38,470 --> 00:59:36,559

our is the fact that when we look back

1685

00:59:40,630 --> 00:59:38,480

in history and we see like this the

1686

00:59:41,990 --> 00:59:40,640

civilization seems to disappear around 6

1687

00:59:43,589 --> 00:59:42,000

000 years ago

1688

00:59:45,270 --> 00:59:43,599

uh but there's indications that maybe

1689

00:59:46,549 --> 00:59:45,280

it's been around longer have we gone

1690

00:59:48,069 --> 00:59:46,559

through singularities before that have

1691

00:59:49,270 --> 00:59:48,079

been destructive to us you know and we

1692

00:59:51,109 --> 00:59:49,280

know that there have been

1693

00:59:52,549 --> 00:59:51,119

uh catastrophic destructions of the of

1694

00:59:54,950 --> 00:59:52,559

the planet in terms of climate like the

1695

00:59:57,589 --> 00:59:54,960

younger dryas so has this happened to us

1696

00:59:59,589 --> 00:59:57,599

before is it a special place is there

1697

01:00:02,630 --> 00:59:59,599

such a thing as a singularity and can it

1698

01:00:05,349 --> 01:00:02,640

can it result in either a brand new you

1699

01:00:07,510 --> 01:00:05,359

know brave new world uh in a good way or

1700

01:00:08,630 --> 01:00:07,520

a bad way uh i don't know

1701

01:00:10,950 --> 01:00:08,640

but

1702

01:00:13,109 --> 01:00:10,960

i do wonder if there's some connection

1703

01:00:15,589 --> 01:00:13,119

with

1704

01:00:17,430 --> 01:00:15,599

ah there okay i'll tie this back again

1705

01:00:19,349 --> 01:00:17,440

to enki and in lil and what you were

1706

01:00:21,990 --> 01:00:19,359

saying about the the possibility of evil

1707

01:00:24,789 --> 01:00:22,000

being involved with this the in lil

1708

01:00:27,030 --> 01:00:24,799

in lil had his followers

1709

01:00:28,470 --> 01:00:27,040

you know and you just wonder like why

1710

01:00:30,390 --> 01:00:28,480

would you follow that guy the one who

1711

01:00:32,470 --> 01:00:30,400

wanted to kill off humans but he had his

1712

01:00:34,069 --> 01:00:32,480

followers he was a powerful god

1713

01:00:35,750 --> 01:00:34,079

and uh you know and he's basically in

1714

01:00:38,069 --> 01:00:35,760

charge of the government in those

1715

01:00:40,829 --> 01:00:38,079

stories right so inky is always the guy

1716

01:00:43,750 --> 01:00:40,839

in the background so yes in lil has his

1717

01:00:46,230 --> 01:00:43,760

followers and

1718

01:00:47,109 --> 01:00:46,240

the phenomena that seems to evolve with

1719

01:00:52,710 --> 01:00:47,119

us

1720

01:00:55,030 --> 01:00:52,720

is it a giant control mechanism to keep

1721

01:00:56,870 --> 01:00:55,040

those singularities from taking place or

1722

01:00:58,950 --> 01:00:56,880

to germinate them so that they do take

1723

01:01:00,390 --> 01:00:58,960

place because it causes a collapse

1724

01:01:02,549 --> 01:01:00,400

these are the ways i think about that

1725

01:01:05,670 --> 01:01:02,559

question

1726

01:01:07,589 --> 01:01:05,680

that's pretty good you you got me there

1727

01:01:08,470 --> 01:01:07,599

that's a good one he got me too i don't

1728

01:01:10,150 --> 01:01:08,480

know

1729

01:01:10,950 --> 01:01:10,160

phenomenal that was phenomenal it really

1730

01:01:12,630 --> 01:01:10,960

was

1731

01:01:14,630 --> 01:01:12,640

well thank you

1732

01:01:15,750 --> 01:01:14,640

yeah i don't i

1733

01:01:17,349 --> 01:01:15,760

i haven't really thought about that

1734

01:01:18,950 --> 01:01:17,359

question that you're pointing out though

1735

01:01:20,069 --> 01:01:18,960

um

1736

01:01:23,270 --> 01:01:20,079

but i

1737

01:01:24,789 --> 01:01:23,280

i just i'm not sure that we're there yet

1738

01:01:26,390 --> 01:01:24,799

um

1739

01:01:28,630 --> 01:01:26,400

and i i'm kind of

1740

01:01:30,950 --> 01:01:28,640

skeptical about the idea that uh let's

1741

01:01:32,950 --> 01:01:30,960

say we create you know artificial

1742

01:01:35,190 --> 01:01:32,960

intelligence or whatever or maybe we

1743

01:01:37,190 --> 01:01:35,200

discover all the laws of physics

1744

01:01:39,510 --> 01:01:37,200

i don't think that this is

1745

01:01:41,829 --> 01:01:39,520

a bad thing necessarily i don't i'm

1746

01:01:44,390 --> 01:01:41,839

actually more on the

1747

01:01:45,910 --> 01:01:44,400

like not on the negative side of of

1748

01:01:47,030 --> 01:01:45,920

artificial intelligence i don't think

1749

01:01:48,870 --> 01:01:47,040

we're gonna

1750

01:01:50,309 --> 01:01:48,880

build like giant armies of robots that

1751  
01:01:52,230 --> 01:01:50,319  
are gonna be like okay these guys suck

1752  
01:01:53,270 --> 01:01:52,240  
and then wipe us out like it's just i

1753  
01:01:56,390 --> 01:01:53,280  
don't know

1754  
01:01:57,270 --> 01:01:56,400  
i don't see it going that way um

1755  
01:01:58,470 --> 01:01:57,280  
but

1756  
01:02:01,510 --> 01:01:58,480  
thinking of

1757  
01:02:02,630 --> 01:02:01,520  
i can only think of the the demonic side

1758  
01:02:04,470 --> 01:02:02,640  
here

1759  
01:02:06,710 --> 01:02:04,480  
of this you know going back to the ufo

1760  
01:02:08,789 --> 01:02:06,720  
phenomena that if they're seeing us make

1761  
01:02:10,950 --> 01:02:08,799  
rapid advancements and being able to

1762  
01:02:13,029 --> 01:02:10,960  
achieve there's something i'd have to

1763  
01:02:15,670 --> 01:02:13,039

bring up the ancient texts as well

1764

01:02:17,270 --> 01:02:15,680

in these destructive events and in and

1765

01:02:20,710 --> 01:02:17,280

i'll just use the tower of babel for

1766

01:02:22,950 --> 01:02:20,720

example the reason the gods destroy

1767

01:02:25,270 --> 01:02:22,960

the tower is because

1768

01:02:27,190 --> 01:02:25,280

humanity is about to discover something

1769

01:02:29,109 --> 01:02:27,200

and the reason the gods say is that they

1770

01:02:31,349 --> 01:02:29,119

will then become like us

1771

01:02:33,670 --> 01:02:31,359

yes so i can't

1772

01:02:35,270 --> 01:02:33,680

think too much about the space brothers

1773

01:02:37,990 --> 01:02:35,280

aspect of this

1774

01:02:39,109 --> 01:02:38,000

in that scenario it seems like yes the

1775

01:02:41,190 --> 01:02:39,119

point is

1776

01:02:43,190 --> 01:02:41,200

destroy them right before they get to

1777

01:02:45,029 --> 01:02:43,200

that point where they become like that

1778

01:02:47,270 --> 01:02:45,039

like us so

1779

01:02:49,910 --> 01:02:47,280

um yeah that's a great point too yes if

1780

01:02:51,589 --> 01:02:49,920

that's not really going on

1781

01:02:53,270 --> 01:02:51,599

i don't know why those stories are there

1782

01:02:55,190 --> 01:02:53,280

but they are there and they're they've

1783

01:02:58,710 --> 01:02:55,200

always fascinated me in the ancient

1784

01:03:00,069 --> 01:02:58,720

texts these these times of destruction

1785

01:03:02,069 --> 01:03:00,079

um

1786

01:03:03,270 --> 01:03:02,079

and why it seems always to be the same

1787

01:03:06,230 --> 01:03:03,280

thing

1788

01:03:08,230 --> 01:03:06,240

we will become like them

1789

01:03:09,750 --> 01:03:08,240

all right marty you know you're you're

1790

01:03:10,870 --> 01:03:09,760

we know you're waiting there in the

1791

01:03:13,910 --> 01:03:10,880

wings

1792

01:03:14,950 --> 01:03:13,920

well i again i look at things i try to

1793

01:03:16,390 --> 01:03:14,960

look at things from different

1794

01:03:17,670 --> 01:03:16,400

perspectives and

1795

01:03:19,910 --> 01:03:17,680

that question

1796

01:03:22,069 --> 01:03:19,920

in my mind raises a different question

1797

01:03:25,270 --> 01:03:22,079

and it's

1798

01:03:26,309 --> 01:03:25,280

is consciousness or spirituality unique

1799

01:03:28,950 --> 01:03:26,319

to

1800

01:03:29,829 --> 01:03:28,960

mankind

1801

01:03:31,029 --> 01:03:29,839

does

1802

01:03:34,230 --> 01:03:31,039

et

1803

01:03:36,470 --> 01:03:34,240

have consciousness spirituality

1804

01:03:38,710 --> 01:03:36,480

because if they do and what we're

1805

01:03:41,510 --> 01:03:38,720

talking about is

1806

01:03:46,309 --> 01:03:41,520

like in order us modifying our

1807

01:03:48,470 --> 01:03:46,319

our biology or dna or anything is is

1808

01:03:51,029 --> 01:03:48,480

you know it's along the same lines of

1809

01:03:52,309 --> 01:03:51,039

customizing your car

1810

01:03:54,549 --> 01:03:52,319

right um

1811

01:03:56,309 --> 01:03:54,559

does your car get too good

1812

01:03:57,190 --> 01:03:56,319

do you in other words

1813

01:03:59,510 --> 01:03:57,200

is

1814

01:04:01,750 --> 01:03:59,520

that the driver

1815

01:04:04,270 --> 01:04:01,760

is the car the driver or you the driver

1816

01:04:07,029 --> 01:04:04,280

and so i don't know how

1817

01:04:09,270 --> 01:04:07,039

fundamentally important it is in the

1818

01:04:14,069 --> 01:04:09,280

grand scheme of things maybe that's the

1819

01:04:15,109 --> 01:04:14,079

way things are supposed to be um

1820

01:04:25,349 --> 01:04:15,119

i

1821

01:04:26,870 --> 01:04:25,359

for many reasons

1822

01:04:28,309 --> 01:04:26,880

not the least of which is personal

1823

01:04:30,390 --> 01:04:28,319

experience

1824

01:04:32,950 --> 01:04:30,400

and it's not anything i ever talk about

1825

01:04:36,390 --> 01:04:32,960

on the show or anything but i have my

1826

01:04:38,789 --> 01:04:36,400

reasons for being on this journey and i

1827

01:04:41,349 --> 01:04:38,799

have my reasons for searching for

1828

01:04:43,349 --> 01:04:41,359

answers and for making some of these

1829

01:04:45,109 --> 01:04:43,359

connections that don't necessarily seem

1830

01:04:46,150 --> 01:04:45,119

like this

1831

01:04:49,190 --> 01:04:46,160

so

1832

01:04:51,990 --> 01:04:49,200

i i you know i i can't i can

1833

01:04:53,670 --> 01:04:52,000

say that yeah i have concerns about

1834

01:04:55,829 --> 01:04:53,680

ai

1835

01:04:58,549 --> 01:04:55,839

but they're not

1836

01:05:00,390 --> 01:04:58,559

they're not as big of a concern as

1837

01:05:01,829 --> 01:05:00,400

as when i see the

1838

01:05:03,270 --> 01:05:01,839

the phenomenon

1839

01:05:05,910 --> 01:05:03,280

being

1840

01:05:07,349 --> 01:05:05,920

such an integral part of

1841

01:05:10,150 --> 01:05:07,359

human history

1842

01:05:12,069 --> 01:05:10,160

that i cannot believe that it's not

1843

01:05:14,549 --> 01:05:12,079

explored and not

1844

01:05:18,390 --> 01:05:14,559

more well known

1845

01:05:20,950 --> 01:05:18,400

you know by academics oh

1846

01:05:22,710 --> 01:05:20,960

you know it's interesting because i uh i

1847

01:05:24,549 --> 01:05:22,720

when i was interviewing whitley strieber

1848

01:05:27,109 --> 01:05:24,559

i asked him kind of we're talking about

1849

01:05:30,150 --> 01:05:27,119

all this stuff and then i got so how far

1850

01:05:31,750 --> 01:05:30,160

away are they and i was talking about on

1851  
01:05:34,309 --> 01:05:31,760  
this consciousness level because that's

1852  
01:05:36,309 --> 01:05:34,319  
what interests me the most too

1853  
01:05:38,789 --> 01:05:36,319  
and his answer was instant like

1854  
01:05:40,870 --> 01:05:38,799  
reflexive he goes oh they're right there

1855  
01:05:43,990 --> 01:05:40,880  
they are right there and that's the

1856  
01:05:46,150 --> 01:05:44,000  
sense that i get to is that all the

1857  
01:05:48,789 --> 01:05:46,160  
bells and whistles about technology and

1858  
01:05:50,710 --> 01:05:48,799  
all the rest of that it's like no

1859  
01:05:52,870 --> 01:05:50,720  
they're right there working through the

1860  
01:05:54,630 --> 01:05:52,880  
[h\_\_\h] the same way that we are and

1861  
01:05:56,870 --> 01:05:54,640  
they're facing the e they're facing

1862  
01:05:59,270 --> 01:05:56,880  
their near-death experience life review

1863  
01:06:01,510 --> 01:05:59,280

where they have to go oh gosh when i sat

1864

01:06:03,270 --> 01:06:01,520

that one guy in his room man that was

1865

01:06:07,109 --> 01:06:03,280

really cringe you know

1866

01:06:09,270 --> 01:06:07,119

i that's that's kind of my my my take on

1867

01:06:11,670 --> 01:06:09,280

it and you know i think of the feynman

1868

01:06:13,670 --> 01:06:11,680

you know feynman's famous for saying

1869

01:06:16,309 --> 01:06:13,680

that there's plenty of room at the

1870

01:06:18,029 --> 01:06:16,319

bottom you know because uh that's kind

1871

01:06:21,109 --> 01:06:18,039

of what he was all about and the

1872

01:06:23,349 --> 01:06:21,119

nanotechnology and all that risk that

1873

01:06:25,029 --> 01:06:23,359

i wonder if spiritually there isn't

1874

01:06:26,710 --> 01:06:25,039

plenty of room at the top

1875

01:06:28,309 --> 01:06:26,720

and by that i mean if you look at the

1876

01:06:31,029 --> 01:06:28,319

accounts of where

1877

01:06:32,549 --> 01:06:31,039

consciousness like i'm not religious but

1878

01:06:34,309 --> 01:06:32,559

if you just look at the accounts like

1879

01:06:36,309 --> 01:06:34,319

the near death experience accounts you

1880

01:06:37,670 --> 01:06:36,319

look at the lbe account shamanic

1881

01:06:40,150 --> 01:06:37,680

accounts you guys have pulled a lot of

1882

01:06:42,230 --> 01:06:40,160

this stuff into this into this series

1883

01:06:44,309 --> 01:06:42,240

but there's all these levels of

1884

01:06:45,910 --> 01:06:44,319

consciousness and they keep going higher

1885

01:06:48,630 --> 01:06:45,920

and higher and higher and we haven't

1886

01:06:51,670 --> 01:06:48,640

even begun to understand and can't

1887

01:06:55,750 --> 01:06:51,680

pretend we understand so maybe we are in

1888

01:06:57,430 --> 01:06:55,760

this very kind of fish bullish kind of

1889

01:06:59,750 --> 01:06:57,440

levels where we think there's all these

1890

01:07:02,470 --> 01:06:59,760

levels but there's plenty of room above

1891

01:07:04,630 --> 01:07:02,480

that where we're mind-blown kind of

1892

01:07:07,029 --> 01:07:04,640

thing

1893

01:07:08,950 --> 01:07:07,039

yeah it's cool i i also yeah and that

1894

01:07:11,349 --> 01:07:08,960

makes me think of

1895

01:07:13,029 --> 01:07:11,359

is it us at the top on the other side

1896

01:07:14,150 --> 01:07:13,039

you know because i know you've alex

1897

01:07:16,309 --> 01:07:14,160

you've interviewed so many people and

1898

01:07:17,990 --> 01:07:16,319

you've done so much so many great shows

1899

01:07:19,430 --> 01:07:18,000

on this on this concept of you know that

1900

01:07:20,870 --> 01:07:19,440

the near death experiences and what

1901

01:07:21,670 --> 01:07:20,880

happens to people

1902

01:07:23,349 --> 01:07:21,680

and

1903

01:07:25,190 --> 01:07:23,359

what if all of this interaction that

1904

01:07:27,430 --> 01:07:25,200

we're having is just with ourselves in

1905

01:07:29,829 --> 01:07:27,440

some way or another you know whatever it

1906

01:07:30,950 --> 01:07:29,839

is that we are when we're not here

1907

01:07:32,710 --> 01:07:30,960

you know and that's another thing that

1908

01:07:33,910 --> 01:07:32,720

you can find in ancient texts and plenty

1909

01:07:37,670 --> 01:07:33,920

of different religions and everything

1910

01:07:39,109 --> 01:07:37,680

like this this idea that there is this

1911

01:07:40,950 --> 01:07:39,119

hierarchy

1912

01:07:43,109 --> 01:07:40,960

you know are you a simulation theory guy

1913

01:07:45,829 --> 01:07:43,119

are you uh welcome open to the

1914

01:07:47,349 --> 01:07:45,839

simulation theory i mean i we discuss it

1915

01:07:49,109 --> 01:07:47,359

you know but i'm not i don't know if i

1916

01:07:50,549 --> 01:07:49,119

would buy it but yeah it's an

1917

01:07:52,549 --> 01:07:50,559

interesting idea what do you think

1918

01:07:55,349 --> 01:07:52,559

you're in the simulation

1919

01:07:57,430 --> 01:07:55,359

are you a simulation guy i i don't know

1920

01:07:59,990 --> 01:07:57,440

i can't i can't go there kyle how about

1921

01:08:01,430 --> 01:08:00,000

you i'm i'm just i'm like look if it's a

1922

01:08:03,029 --> 01:08:01,440

simulation we still got to figure out

1923

01:08:05,510 --> 01:08:03,039

how the damn thing works so i don't

1924

01:08:07,349 --> 01:08:05,520

really care i just i think it's silly

1925

01:08:08,549 --> 01:08:07,359

it's like kicking the can down the road

1926

01:08:10,789 --> 01:08:08,559

to me

1927

01:08:12,150 --> 01:08:10,799

yeah i mean that's yeah the question is

1928

01:08:14,230 --> 01:08:12,160

what do they mean by simulation is it

1929

01:08:16,390 --> 01:08:14,240

like a game somebody's running and if so

1930

01:08:18,309 --> 01:08:16,400

then you're you're still in in it and

1931

01:08:19,269 --> 01:08:18,319

you got to figure it out right yeah

1932

01:08:21,030 --> 01:08:19,279

yeah

1933

01:08:23,829 --> 01:08:21,040

but i don't think near death experiences

1934

01:08:26,149 --> 01:08:23,839

simula are uh they don't seem to be like

1935

01:08:28,070 --> 01:08:26,159

uh waking up in the gaming chair

1936

01:08:29,910 --> 01:08:28,080

you know it's something else right it's

1937

01:08:31,829 --> 01:08:29,920

it isn't like that they go into some

1938

01:08:33,829 --> 01:08:31,839

place and then they're remembering

1939

01:08:35,030 --> 01:08:33,839

that they've had many lives or something

1940

01:08:36,789 --> 01:08:35,040

that they're there there's something

1941

01:08:38,390 --> 01:08:36,799

they're a part of some something much

1942

01:08:39,749 --> 01:08:38,400

larger and that's what i mean is the

1943

01:08:42,229 --> 01:08:39,759

phenomena that we've been talking about

1944

01:08:44,309 --> 01:08:42,239

this a lot of this uh angels and demons

1945

01:08:45,349 --> 01:08:44,319

and you know the interactions is it

1946

01:08:48,470 --> 01:08:45,359

really with

1947

01:08:50,070 --> 01:08:48,480

that part of the universe

1948

01:08:53,189 --> 01:08:50,080

marty if you had to guess where do you

1949

01:08:55,590 --> 01:08:53,199

think this phenomenon sits

1950

01:08:58,709 --> 01:08:55,600

in this hierarchy of consciousness kind

1951

01:09:00,070 --> 01:08:58,719

of thing are they at the top

1952

01:09:01,749 --> 01:09:00,080

i think there's

1953

01:09:02,789 --> 01:09:01,759

i kind of follow the model of the chain

1954

01:09:04,950 --> 01:09:02,799

of being

1955

01:09:07,430 --> 01:09:04,960

where it's the phenomenon

1956

01:09:10,789 --> 01:09:07,440

is represents

1957

01:09:11,990 --> 01:09:10,799

multiple links within this chain we're

1958

01:09:14,870 --> 01:09:12,000

in the chain

1959

01:09:18,070 --> 01:09:14,880

but there are other links above us

1960

01:09:19,709 --> 01:09:18,080

and that might explain why

1961

01:09:22,309 --> 01:09:19,719

there are different

1962

01:09:24,309 --> 01:09:22,319

manifestations um and i'm when i say

1963

01:09:26,709 --> 01:09:24,319

that i'm not talking about oh there's

1964

01:09:28,870 --> 01:09:26,719

the reptilian and the great that's not

1965

01:09:30,630 --> 01:09:28,880

at all what i mean what i mean is

1966

01:09:33,590 --> 01:09:30,640

there are

1967

01:09:35,349 --> 01:09:33,600

non-physical aspects and physical

1968

01:09:37,110 --> 01:09:35,359

aspects and

1969

01:09:40,309 --> 01:09:37,120

these might be

1970

01:09:43,510 --> 01:09:40,319

characteristics of different lakes

1971

01:09:45,829 --> 01:09:43,520

um you know as far as the simulation

1972

01:09:47,829 --> 01:09:45,839

theory side of it i think that

1973

01:09:48,950 --> 01:09:47,839

i tend to view us

1974

01:09:50,390 --> 01:09:48,960

from uh

1975

01:09:52,229 --> 01:09:50,400

i guess from a consciousness

1976

01:09:53,349 --> 01:09:52,239

spirituality

1977

01:09:55,189 --> 01:09:53,359

aspect

1978

01:09:57,350 --> 01:09:55,199

or perspective

1979

01:09:59,110 --> 01:09:57,360

i think we're more

1980

01:10:01,590 --> 01:09:59,120

i see rather than seeing it as a

1981

01:10:03,430 --> 01:10:01,600

simulation i think maybe it's like the

1982

01:10:06,470 --> 01:10:03,440

universe

1983

01:10:07,189 --> 01:10:06,480

uh manifesting a physical representation

1984

01:10:08,870 --> 01:10:07,199

to

1985

01:10:11,750 --> 01:10:08,880

experience itself

1986

01:10:14,790 --> 01:10:11,760

we're all part of the same thing

1987

01:10:16,630 --> 01:10:14,800

it's not here for our entertainment

1988

01:10:17,510 --> 01:10:16,640

or someone else's entertainment i think

1989

01:10:20,550 --> 01:10:17,520

it's

1990

01:10:22,630 --> 01:10:20,560

a function of evolution

1991

01:10:24,630 --> 01:10:22,640

you know uh one last thing i just throw

1992

01:10:27,590 --> 01:10:24,640

on the table on that you know i was

1993

01:10:30,390 --> 01:10:27,600

talking to through email robert hastings

1994

01:10:33,270 --> 01:10:30,400

the guy who did the ufo nuke stuff

1995

01:10:36,390 --> 01:10:33,280

phenomenal work 40 years collected all

1996

01:10:37,830 --> 01:10:36,400

this data all these guys he interviewed

1997

01:10:39,669 --> 01:10:37,840

and a lot of people don't know but he's

1998

01:10:41,510 --> 01:10:39,679

an experimenter himself

1999

01:10:43,590 --> 01:10:41,520

and he's you know the next generation

2000

01:10:44,870 --> 01:10:43,600

experience or the multiple generation

2001

01:10:46,630 --> 01:10:44,880

experience or his mother was an

2002

01:10:49,430 --> 01:10:46,640

experiencer although she has kind of

2003

01:10:51,030 --> 01:10:49,440

like shady memories or sketchy memories

2004

01:10:52,550 --> 01:10:51,040

of it which is a whole other thing we

2005

01:10:54,390 --> 01:10:52,560

could get into from the genetics

2006

01:10:56,550 --> 01:10:54,400

standpoint too what does that mean and

2007

01:10:57,910 --> 01:10:56,560

then the nolan stuff you guys there's

2008

01:11:00,550 --> 01:10:57,920

like things you could talk about there's

2009

01:11:01,590 --> 01:11:00,560

science emerging science related to that

2010

01:11:03,750 --> 01:11:01,600

now

2011

01:11:05,590 --> 01:11:03,760

so i i asked

2012

01:11:07,830 --> 01:11:05,600

hastings

2013

01:11:11,590 --> 01:11:07,840

so the the the thing that's so cool

2014

01:11:13,350 --> 01:11:11,600

about robert hastings is it kind of

2015

01:11:16,550 --> 01:11:13,360

drives a stake in the ground

2016

01:11:18,229 --> 01:11:16,560

e.t turned off the nukes right so we

2017

01:11:20,870 --> 01:11:18,239

don't know how that's possible they're

2018

01:11:23,110 --> 01:11:20,880

all separate turns off 10 nukes

2019

01:11:25,189 --> 01:11:23,120

e.t goes to ukraine and we don't find

2020

01:11:28,470 --> 01:11:25,199

this out until after the wall wall comes

2021

01:11:30,470 --> 01:11:28,480

down e.t turned on the nukes over in the

2022

01:11:32,950 --> 01:11:30,480

ukraine and then when i talked to

2023

01:11:34,950 --> 01:11:32,960

hastings he said you know actually they

2024

01:11:36,390 --> 01:11:34,960

also there's reports they turned them on

2025

01:11:37,910 --> 01:11:36,400

here too so

2026

01:11:40,550 --> 01:11:37,920

that's kind of

2027

01:11:42,790 --> 01:11:40,560

so cross over now between the mind

2028

01:11:44,709 --> 01:11:42,800

mental and the physical which you know

2029

01:11:45,830 --> 01:11:44,719

really throws things you know boom

2030

01:11:47,030 --> 01:11:45,840

they're doing it with their mind but

2031

01:11:48,790 --> 01:11:47,040

they're also going to do it physically

2032

01:11:49,510 --> 01:11:48,800

and they're reading the mind all this

2033

01:11:50,870 --> 01:11:49,520

stuff

2034

01:11:52,790 --> 01:11:50,880

but here's here's the guy i guess from

2035

01:11:56,550 --> 01:11:52,800

barry in the lead

2036

01:11:59,189 --> 01:11:56,560

i go you mentioned before 20 years ago

2037

01:12:01,669 --> 01:11:59,199

you mentioned that you thought this was

2038

01:12:05,110 --> 01:12:01,679

kind of space brothers like saying

2039

01:12:07,830 --> 01:12:05,120

be careful with these weapons they could

2040

01:12:10,070 --> 01:12:07,840

destroy you because i det i said i had

2041

01:12:11,270 --> 01:12:10,080

to tech you have a different thing

2042

01:12:14,229 --> 01:12:11,280

and he said

2043

01:12:16,470 --> 01:12:14,239

yeah he says now i kind of see it as

2044

01:12:18,229 --> 01:12:16,480

uh it's kind of in our mutual interest

2045

01:12:20,470 --> 01:12:18,239

that you don't uh

2046

01:12:22,470 --> 01:12:20,480

blow up this thing

2047

01:12:24,149 --> 01:12:22,480

and i wonder

2048

01:12:26,630 --> 01:12:24,159

how you guys

2049

01:12:28,390 --> 01:12:26,640

unpack that because i think that's

2050

01:12:29,910 --> 01:12:28,400

that's one of the threads that's coming

2051

01:12:32,470 --> 01:12:29,920

through this is

2052

01:12:33,510 --> 01:12:32,480

we're a lot closer to these

2053

01:12:36,390 --> 01:12:33,520

others

2054

01:12:39,030 --> 01:12:36,400

and we're kind of in the same boat yeah

2055

01:12:40,470 --> 01:12:39,040

it's it's gonna answer that

2056

01:12:43,110 --> 01:12:40,480

well

2057

01:12:44,950 --> 01:12:43,120

i have to bite my tongue a little bit

2058

01:12:46,709 --> 01:12:44,960

why do you have it

2059

01:12:49,510 --> 01:12:46,719

it would be nice to have more data like

2060

01:12:51,990 --> 01:12:49,520

if you know they're working on fusion

2061

01:12:53,990 --> 01:12:52,000

right as a power source it'd be

2062

01:12:55,590 --> 01:12:54,000

interesting to find out if when they

2063

01:12:57,350 --> 01:12:55,600

actually figure that out then it gets

2064

01:12:58,950 --> 01:12:57,360

shut down or is that why we haven't

2065

01:13:00,470 --> 01:12:58,960

figured it out yet

2066

01:13:02,709 --> 01:13:00,480

that could be another question there

2067

01:13:04,070 --> 01:13:02,719

seems to be a problem when they

2068

01:13:06,470 --> 01:13:04,080

when they're working on the fusion that

2069

01:13:08,790 --> 01:13:06,480

like the more energy they put in it

2070

01:13:10,310 --> 01:13:08,800

suddenly starts getting cooler

2071

01:13:12,310 --> 01:13:10,320

oh yeah like it's being stopped like

2072

01:13:15,270 --> 01:13:12,320

what if it's being stopped on the

2073

01:13:16,950 --> 01:13:15,280

individual experimental level

2074

01:13:18,470 --> 01:13:16,960

um so that's weird i've never thought

2075

01:13:19,990 --> 01:13:18,480

about that before but

2076

01:13:22,149 --> 01:13:20,000

one really cool

2077

01:13:24,550 --> 01:13:22,159

aspect of this interview

2078

01:13:26,070 --> 01:13:24,560

is there's a very strange dichotomy here

2079

01:13:28,470 --> 01:13:26,080

that

2080

01:13:30,830 --> 01:13:28,480

alex you've interviewed so many key

2081

01:13:32,550 --> 01:13:30,840

players in this

2082

01:13:40,790 --> 01:13:32,560

that

2083

01:13:43,350 --> 01:13:40,800

i have not had direct communication with

2084

01:13:45,350 --> 01:13:43,360

these people that you interview

2085

01:13:47,669 --> 01:13:45,360

but i'm connecting the dots behind the

2086

01:13:50,070 --> 01:13:47,679

scenes on all these yeah

2087

01:13:52,790 --> 01:13:50,080

and there are individuals that you've

2088

01:13:55,270 --> 01:13:52,800

interviewed that have provided clues to

2089

01:13:57,830 --> 01:13:55,280

the question you just asked

2090

01:13:58,870 --> 01:13:57,840

um and that's part of the presentation

2091

01:14:01,350 --> 01:13:58,880

i'm going to be

2092

01:14:03,270 --> 01:14:01,360

trying not to be too evasive and trying

2093

01:14:04,390 --> 01:14:03,280

to and at least provide some answer but

2094

01:14:06,390 --> 01:14:04,400

there's

2095

01:14:09,990 --> 01:14:06,400

there may be

2096

01:14:13,110 --> 01:14:10,000

understandable reasons for

2097

01:14:16,390 --> 01:14:13,120

why we see certain actions like this

2098

01:14:18,470 --> 01:14:16,400

and it's not and i can't say it's not

2099

01:14:19,990 --> 01:14:18,480

because we're destroying the planet

2100

01:14:22,149 --> 01:14:20,000

that's that's the path of least

2101

01:14:23,189 --> 01:14:22,159

resistance response there

2102

01:14:24,149 --> 01:14:23,199

you know

2103

01:14:29,350 --> 01:14:24,159

are you

2104

01:14:31,750 --> 01:14:29,360

our creator yes i am your creator uh are

2105

01:14:32,630 --> 01:14:31,760

you uh are you here to save us yes i

2106

01:14:33,590 --> 01:14:32,640

mean

2107

01:14:36,470 --> 01:14:33,600

that's

2108

01:14:38,790 --> 01:14:36,480

yet you look the apocalyptic visions go

2109

01:14:40,709 --> 01:14:38,800

back throughout history the those

2110

01:14:42,630 --> 01:14:40,719

those same things that telling people

2111

01:14:45,669 --> 01:14:42,640

now that were telling people 2 000 years

2112

01:14:46,950 --> 01:14:45,679

ago 8 000 years ago that's not what it

2113

01:14:49,030 --> 01:14:46,960

is there's

2114

01:14:51,510 --> 01:14:49,040

there's something else going on there

2115

01:14:54,149 --> 01:14:51,520

it's still it's a legitimate

2116

01:14:58,550 --> 01:14:54,159

a legitimate reason and we might it's

2117

01:15:02,550 --> 01:15:00,390

yeah it's it

2118

01:15:04,310 --> 01:15:02,560

i mean the you know one way to take that

2119

01:15:07,830 --> 01:15:04,320

what you just said alex that it's like

2120

01:15:09,669 --> 01:15:07,840

it's in our mutual best interest is

2121

01:15:11,350 --> 01:15:09,679

i mean a simple answer to that is that

2122

01:15:12,870 --> 01:15:11,360

we're some kind of experiment and if we

2123

01:15:14,630 --> 01:15:12,880

blow ourselves up they have to start

2124

01:15:16,709 --> 01:15:14,640

over i mean that's that's one possible

2125

01:15:18,470 --> 01:15:16,719

you know they're like dang it

2126

01:15:20,870 --> 01:15:18,480

not again right

2127

01:15:22,229 --> 01:15:20,880

rats committed suicide guys we gotta

2128

01:15:24,470 --> 01:15:22,239

start over

2129

01:15:26,630 --> 01:15:24,480

just wasted ten thousand years

2130

01:15:28,630 --> 01:15:26,640

yeah but you also can't overlook the

2131

01:15:30,229 --> 01:15:28,640

fact that this reinforces the

2132

01:15:31,189 --> 01:15:30,239

the idea that there's more than one

2133

01:15:32,390 --> 01:15:31,199

party

2134

01:15:33,270 --> 01:15:32,400

you know sure

2135

01:15:35,510 --> 01:15:33,280

yeah

2136

01:15:37,910 --> 01:15:35,520

it would seemingly appear that one party

2137

01:15:40,550 --> 01:15:37,920

is providing us with knowledge on how to

2138

01:15:42,070 --> 01:15:40,560

create certain technologies while the

2139

01:15:44,229 --> 01:15:42,080

other side is trying to prevent us from

2140

01:15:45,830 --> 01:15:44,239

blowing ourselves up right

2141

01:15:47,350 --> 01:15:45,840

again it goes back to the inky and

2142

01:15:49,110 --> 01:15:47,360

inline you know one is giving knowledge

2143

01:15:51,030 --> 01:15:49,120

and the other was always mad that they

2144

01:15:52,550 --> 01:15:51,040

seem to have this information and then

2145

01:15:53,910 --> 01:15:52,560

they want to sit like let's wipe the

2146

01:15:55,669 --> 01:15:53,920

slate clean

2147

01:15:56,790 --> 01:15:55,679

you know so turning them on and turning

2148

01:15:59,750 --> 01:15:56,800

them off

2149

01:16:01,510 --> 01:15:59,760

uh i also um i'm a huge fan of science

2150

01:16:03,830 --> 01:16:01,520

fiction i've read thousands of sci-fi

2151  
01:16:05,510 --> 01:16:03,840  
books and there's plenty of you know

2152  
01:16:08,390 --> 01:16:05,520  
just just i know it's fiction but

2153  
01:16:10,470 --> 01:16:08,400  
there's plenty of ideas about how what

2154  
01:16:12,310 --> 01:16:10,480  
exactly would be the scenario if we end

2155  
01:16:13,590 --> 01:16:12,320  
up interacting with some kind of

2156  
01:16:14,950 --> 01:16:13,600  
extraterrestrial and one thing they

2157  
01:16:16,550 --> 01:16:14,960  
would want to do is find out the level

2158  
01:16:18,229 --> 01:16:16,560  
of our technology and they'd play with

2159  
01:16:19,830 --> 01:16:18,239  
it turn it on and turn it off whether

2160  
01:16:21,990 --> 01:16:19,840  
they're interested in us destroying

2161  
01:16:23,830 --> 01:16:22,000  
ourselves or not doesn't matter but yeah

2162  
01:16:25,510 --> 01:16:23,840  
you want to find out

2163  
01:16:27,590 --> 01:16:25,520

you know what is what exactly is the

2164

01:16:29,990 --> 01:16:27,600

what what what are they doing here and

2165

01:16:31,910 --> 01:16:30,000

can we manipulate it you know or maybe

2166

01:16:33,590 --> 01:16:31,920

you're just trying to scare them

2167

01:16:35,669 --> 01:16:33,600

if you're the aliens you know turn it on

2168

01:16:37,590 --> 01:16:35,679

turn it off freak them out it's part of

2169

01:16:40,070 --> 01:16:37,600

the it's part of the whole operation do

2170

01:16:42,310 --> 01:16:40,080

you guys know the brandenburg research

2171

01:16:44,790 --> 01:16:42,320

john brandenburg the physicist really

2172

01:16:49,270 --> 01:16:44,800

brilliant guy he's not fake at all

2173

01:16:53,189 --> 01:16:49,280

the nuclear weapons signature from mars

2174

01:16:54,630 --> 01:16:53,199

150 000 years so yes that would play

2175

01:16:56,470 --> 01:16:54,640

into its

2176  
01:16:58,390 --> 01:16:56,480  
you know they kind of know what they

2177  
01:16:59,750 --> 01:16:58,400  
kind of know what these things do you

2178  
01:17:04,870 --> 01:16:59,760  
know yes

2179  
01:17:06,950 --> 01:17:05,990  
as well

2180  
01:17:08,709 --> 01:17:06,960  
and his

2181  
01:17:11,110 --> 01:17:08,719  
what he saw

2182  
01:17:12,950 --> 01:17:11,120  
oh yeah that's right yes and then but

2183  
01:17:14,950 --> 01:17:12,960  
back to your point marty you know just

2184  
01:17:16,310 --> 01:17:14,960  
again toss another little tidbit on the

2185  
01:17:17,350 --> 01:17:16,320  
table because in the near death

2186  
01:17:19,030 --> 01:17:17,360  
experience

2187  
01:17:20,229 --> 01:17:19,040  
community there's a guy named kenneth

2188  
01:17:22,070 --> 01:17:20,239

ring i don't know if you guys have ever

2189

01:17:23,350 --> 01:17:22,080

heard of him but

2190

01:17:24,950 --> 01:17:23,360

he did

2191

01:17:26,709 --> 01:17:24,960

and he kind of dabbled in he crossed

2192

01:17:29,189 --> 01:17:26,719

over and got into the abduction thing

2193

01:17:33,510 --> 01:17:29,199

too and eta experience but he had a

2194

01:17:37,270 --> 01:17:33,520

bunch of people back in 1988 who were

2195

01:17:39,430 --> 01:17:37,280

nd ears and were predicting the

2196

01:17:41,750 --> 01:17:39,440

kind of environmental catastrophe and

2197

01:17:44,470 --> 01:17:41,760

they were all prophesizing about things

2198

01:17:47,270 --> 01:17:44,480

and stuff like that again folks we're

2199

01:17:48,790 --> 01:17:47,280

talking about this nine part series and

2200

01:17:51,990 --> 01:17:48,800

marty's already tipping his hand he's

2201

01:17:54,149 --> 01:17:52,000

got part 10 and 11 right there ready to

2202

01:17:55,990 --> 01:17:54,159

come out so stick around for this

2203

01:17:58,550 --> 01:17:56,000

because you you the questions we haven't

2204

01:18:01,110 --> 01:17:58,560

answered will be answered on brothers of

2205

01:18:02,630 --> 01:18:01,120

the serpent no answers no episode

2206

01:18:05,430 --> 01:18:02,640

episode 10 is going to be titled we'll

2207

01:18:09,030 --> 01:18:05,440

be getting to that later

2208

01:18:11,310 --> 01:18:09,040

great so

2209

01:18:14,550 --> 01:18:11,320

again the trickster thing you know

2210

01:18:15,910 --> 01:18:14,560

prophesizing about stuff that you know

2211

01:18:17,350 --> 01:18:15,920

doesn't come true i love the way you

2212

01:18:18,950 --> 01:18:17,360

guys put it you know like oh yeah is it

2213

01:18:21,110 --> 01:18:18,960

that oh yeah what's that

2214

01:18:23,510 --> 01:18:21,120

oh yeah it's whatever it is yes that's

2215

01:18:25,110 --> 01:18:23,520

right and and they they'll do this thing

2216

01:18:26,390 --> 01:18:25,120

where it's they make some prophecies

2217

01:18:28,310 --> 01:18:26,400

that do come true

2218

01:18:30,550 --> 01:18:28,320

exactly and then they make the big one

2219

01:18:32,550 --> 01:18:30,560

that the person publicizes and that one

2220

01:18:34,630 --> 01:18:32,560

completely fails and it's like you see

2221

01:18:36,550 --> 01:18:34,640

this pattern like what

2222

01:18:38,229 --> 01:18:36,560

is the purpose of that you know what is

2223

01:18:41,830 --> 01:18:38,239

the whole point of it

2224

01:18:43,350 --> 01:18:41,840

another thing i've thought about is if

2225

01:18:45,910 --> 01:18:43,360

and this is a this is a hugely

2226

01:18:48,149 --> 01:18:45,920

speculative question but if

2227

01:18:50,070 --> 01:18:48,159

all of these accounts seem to indicate

2228

01:18:52,229 --> 01:18:50,080

that we are being

2229

01:18:54,470 --> 01:18:52,239

visited by or manipulated by however you

2230

01:18:55,910 --> 01:18:54,480

want to put it some kind of very

2231

01:18:57,830 --> 01:18:55,920

powerful

2232

01:18:59,990 --> 01:18:57,840

something that we we basically can't

2233

01:19:01,350 --> 01:19:00,000

understand at all it may be beyond our

2234

01:19:02,950 --> 01:19:01,360

ability to understand it at this point

2235

01:19:03,990 --> 01:19:02,960

even though people are working on it

2236

01:19:05,830 --> 01:19:04,000

maybe there are some people that do

2237

01:19:07,669 --> 01:19:05,840

understand it but the point is that it's

2238

01:19:09,350 --> 01:19:07,679

very far beyond us

2239

01:19:11,510 --> 01:19:09,360

how much of what we see about the

2240

01:19:12,630 --> 01:19:11,520

universe can even be trusted

2241

01:19:14,790 --> 01:19:12,640

you know and i'm talking about

2242

01:19:16,709 --> 01:19:14,800

cosmological observations

2243

01:19:18,470 --> 01:19:16,719

what if the

2244

01:19:20,390 --> 01:19:18,480

so much of our of our current

2245

01:19:22,709 --> 01:19:20,400

understanding about physics

2246

01:19:24,470 --> 01:19:22,719

has come from looking out in space and

2247

01:19:26,709 --> 01:19:24,480

observing stars and looking at

2248

01:19:28,229 --> 01:19:26,719

interactions between objects out there

2249

01:19:30,229 --> 01:19:28,239

and if you were interested in keeping

2250

01:19:32,390 --> 01:19:30,239

the human race from making certain kinds

2251

01:19:33,350 --> 01:19:32,400

of advancements and you have the ability

2252

01:19:36,390 --> 01:19:33,360

to

2253

01:19:37,830 --> 01:19:36,400

make people see or not see what you want

2254

01:19:39,669 --> 01:19:37,840

and how can we trust any of our

2255

01:19:41,030 --> 01:19:39,679

observations about what's going on i

2256

01:19:42,630 --> 01:19:41,040

mean

2257

01:19:46,310 --> 01:19:42,640

would could they be manipulating our

2258

01:19:47,910 --> 01:19:46,320

science at that level is what i'm asking

2259

01:19:50,229 --> 01:19:47,920

yeah well i mean as kyle pointed out i

2260

01:19:51,270 --> 01:19:50,239

mean it's a contemplate and i hadn't

2261

01:19:53,110 --> 01:19:51,280

thought of it but i think it's an

2262

01:19:55,510 --> 01:19:53,120

interesting place to go

2263

01:19:58,149 --> 01:19:55,520

down to the level of the experiment you

2264

01:19:59,750 --> 01:19:58,159

know forget the whole thing down to oh

2265

01:20:02,310 --> 01:19:59,760

wait a minute that guy over there is

2266

01:20:05,110 --> 01:20:02,320

starting to do this on his experiment

2267

01:20:07,189 --> 01:20:05,120

let's you know you gotta throw that as a

2268

01:20:09,189 --> 01:20:07,199

that's right keep it from working yeah

2269

01:20:10,709 --> 01:20:09,199

some of these guys perhaps were

2270

01:20:12,629 --> 01:20:10,719

overlooked

2271

01:20:13,350 --> 01:20:12,639

and they found out certain things before

2272

01:20:20,310 --> 01:20:13,360

the

2273

01:20:21,590 --> 01:20:20,320

this guy had invented this thing and it

2274

01:20:23,110 --> 01:20:21,600

this is how it worked and then it just

2275

01:20:24,870 --> 01:20:23,120

vanishes and then everybody's trying to

2276

01:20:27,189 --> 01:20:24,880

remake it but they're like nope nope

2277

01:20:28,709 --> 01:20:27,199

yeah yeah make sure it never works again

2278

01:20:31,030 --> 01:20:28,719

yes

2279

01:20:33,430 --> 01:20:31,040

so you end up with a cold fusion effect

2280

01:20:36,470 --> 01:20:33,440

well you guys this has been so so

2281

01:20:37,910 --> 01:20:36,480

awesome uh marty okay spill the beans

2282

01:20:39,830 --> 01:20:37,920

what's coming up

2283

01:20:42,629 --> 01:20:39,840

part ten

2284

01:20:45,590 --> 01:20:42,639

oh man i've been working on this one for

2285

01:20:47,990 --> 01:20:45,600

oh points probably seven months now yeah

2286

01:20:51,270 --> 01:20:48,000

i have to give him time sometimes yeah a

2287

01:20:53,510 --> 01:20:51,280

lot of well see they have their uh back

2288

01:20:54,790 --> 01:20:53,520

to pyramids proud that that's right it's

2289

01:20:57,189 --> 01:20:54,800

upset when we

2290

01:20:58,870 --> 01:20:57,199

put too many ufos you know episodes

2291

01:21:00,470 --> 01:20:58,880

together stick to the pyramids crowd

2292

01:21:02,390 --> 01:21:00,480

yeah they get they get pretty they get

2293

01:21:05,590 --> 01:21:02,400

pretty uh aggressive

2294

01:21:06,709 --> 01:21:05,600

yeah so we try to sprinkle in the ufo

2295

01:21:08,870 --> 01:21:06,719

stuff and

2296

01:21:11,750 --> 01:21:08,880

it you know i admittedly it can get

2297

01:21:14,790 --> 01:21:11,760

pretty fringy um but

2298

01:21:16,149 --> 01:21:14,800

um i try to bring it down to

2299

01:21:22,310 --> 01:21:16,159

to

2300

01:21:24,629 --> 01:21:22,320

these next couple episodes are very uh

2301

01:21:27,030 --> 01:21:24,639

data driven there's a lot of uh

2302

01:21:28,390 --> 01:21:27,040

substantiating documentation from a lot

2303

01:21:30,629 --> 01:21:28,400

of the stuff i'm going to be presenting

2304

01:21:33,510 --> 01:21:30,639

and it's going to be stuff that

2305

01:21:35,189 --> 01:21:33,520

you're pretty familiar with and then

2306

01:21:37,189 --> 01:21:35,199

probably adding in some things you may

2307

01:21:39,910 --> 01:21:37,199

not have heard about

2308

01:21:44,070 --> 01:21:39,920

more recent revelations related to older

2309

01:21:47,750 --> 01:21:46,950

but again sometimes when you look at

2310

01:21:50,229 --> 01:21:47,760

them

2311

01:21:52,950 --> 01:21:50,239

individually they don't have they don't

2312

01:21:55,110 --> 01:21:52,960

have quite the same significance as they

2313

01:21:56,629 --> 01:21:55,120

do when you look at the

2314

01:21:59,189 --> 01:21:56,639

macro

2315

01:22:03,110 --> 01:21:59,199

um overview of the

2316

01:22:04,310 --> 01:22:03,120

past century and see where developed

2317

01:22:06,310 --> 01:22:04,320

developments

2318

01:22:08,550 --> 01:22:06,320

appeared to be going and

2319

01:22:11,110 --> 01:22:08,560

um that's a little that's probably about

2320

01:22:14,950 --> 01:22:11,120

as much like oh i was being very being

2321

01:22:16,950 --> 01:22:14,960

very shady on that and hey kyle before

2322

01:22:19,990 --> 01:22:16,960

we before we do go

2323

01:22:23,110 --> 01:22:20,000

man you got excellent work with there it

2324

01:22:25,430 --> 01:22:23,120

is i had to pull it up 50 dynasty

2325

01:22:27,350 --> 01:22:25,440

tell folks about the band check it out

2326

01:22:28,709 --> 01:22:27,360

you'll hear the music if you listen to

2327

01:22:31,110 --> 01:22:28,719

the show but

2328

01:22:32,629 --> 01:22:31,120

man great great work really really good

2329

01:22:35,510 --> 01:22:32,639

i really appreciate that

2330

01:22:37,990 --> 01:22:35,520

yeah so 50 dynasty is my band uh we've

2331

01:22:41,430 --> 01:22:38,000

been together since i think

2332

01:22:42,950 --> 01:22:41,440

was it 2007 or six or something like

2333

01:22:45,189 --> 01:22:42,960

that it's been a long time we're good

2334

01:22:47,350 --> 01:22:45,199

friends close friends and we've all got

2335

01:22:49,830 --> 01:22:47,360

lives but we've been working on this

2336

01:22:52,470 --> 01:22:49,840

project procession

2337

01:22:54,790 --> 01:22:52,480

um for many years on the weekends and we

2338

01:22:58,470 --> 01:22:54,800

just released it this past

2339

01:22:59,910 --> 01:22:58,480

uh solstice and it's a 12 song album

2340

01:23:02,310 --> 01:22:59,920

and it has

2341

01:23:05,189 --> 01:23:02,320

a lot of esoteric things put in it's

2342

01:23:05,910 --> 01:23:05,199

like kind of you know

2343

01:23:08,310 --> 01:23:05,920

uh

2344

01:23:10,550 --> 01:23:08,320

it's in the light of this all of these

2345

01:23:13,510 --> 01:23:10,560

mysteries that we've been digging into

2346

01:23:15,030 --> 01:23:13,520

for many years on the podcast so

2347

01:23:15,990 --> 01:23:15,040

you'll find a lot of that in there if

2348

01:23:18,310 --> 01:23:16,000

you really

2349

01:23:20,149 --> 01:23:18,320

pay attention and it's free and it is

2350

01:23:21,910 --> 01:23:20,159

free it's also value for value that's

2351

01:23:23,669 --> 01:23:21,920

right you know you can download it for

2352

01:23:25,430 --> 01:23:23,679

free it's also out on streaming

2353

01:23:28,550 --> 01:23:25,440

platforms everywhere but you can get it

2354

01:23:30,310 --> 01:23:28,560

from our website 50 dynasty.com

2355

01:23:32,149 --> 01:23:30,320

i've listened it's phenomenal great i

2356

01:23:33,910 --> 01:23:32,159

mean it's incredible music is a whole

2357

01:23:34,790 --> 01:23:33,920

other thing and like i have no talents

2358

01:23:36,229 --> 01:23:34,800

when i

2359

01:23:38,229 --> 01:23:36,239

hear people that are really telling i go

2360

01:23:40,870 --> 01:23:38,239

like how does that even

2361

01:23:43,750 --> 01:23:40,880

work how do you do that you know

2362

01:23:46,629 --> 01:23:43,760

so lots of time

2363

01:23:49,510 --> 01:23:46,639

so this has been absolutely terrific uh

2364

01:23:51,430 --> 01:23:49,520

russ why don't you kind of take us out

2365

01:23:54,229 --> 01:23:51,440

with maybe telling

2366

01:23:55,510 --> 01:23:54,239

how this fits in with the larger project

2367

01:23:57,350 --> 01:23:55,520

because you guys are kidding around

2368

01:23:58,149 --> 01:23:57,360

about the the pyramid stuff you guys

2369

01:24:02,709 --> 01:23:58,159

bring

2370

01:24:05,189 --> 01:24:02,719

to that too and it it like i think

2371

01:24:07,030 --> 01:24:05,199

people will pick up on it all along that

2372

01:24:08,790 --> 01:24:07,040

is informing

2373

01:24:09,910 --> 01:24:08,800

some of these discussions too in a way

2374

01:24:13,510 --> 01:24:09,920

it's

2375

01:24:16,629 --> 01:24:13,520

you've already brought it up on this

2376

01:24:18,709 --> 01:24:16,639

kind of grander scale time wise that

2377

01:24:20,950 --> 01:24:18,719

really you know you're not getting

2378

01:24:23,270 --> 01:24:20,960

pulled into the lou elizondo stuff

2379

01:24:25,430 --> 01:24:23,280

because you're going like

2380

01:24:26,790 --> 01:24:25,440

oh i got thousands of years i got a

2381

01:24:29,510 --> 01:24:26,800

process i'm not worried about this guy

2382

01:24:31,430 --> 01:24:29,520

who just showed up two years ago

2383

01:24:33,030 --> 01:24:31,440

that's right it is

2384

01:24:33,750 --> 01:24:33,040

you're that's a great way to put it the

2385

01:24:37,430 --> 01:24:33,760

the

2386

01:24:39,350 --> 01:24:37,440

point of our podcast which was to

2387

01:24:42,950 --> 01:24:39,360

explore ancient mysteries and human

2388

01:24:45,510 --> 01:24:42,960

history and the origins of ourselves

2389

01:24:48,149 --> 01:24:45,520

uh and of course also earth history and

2390

01:24:50,470 --> 01:24:48,159

everything else that i think i feel like

2391

01:24:51,590 --> 01:24:50,480

this subject the ufo subject and of

2392

01:24:55,189 --> 01:24:51,600

course

2393

01:24:57,189 --> 01:24:55,199

in the broader sense evil itself uh

2394

01:24:59,910 --> 01:24:57,199

and consciousness

2395

01:25:01,590 --> 01:24:59,920

are all tied in like you can't you can't

2396

01:25:03,270 --> 01:25:01,600

look at some of the ancient structures

2397

01:25:04,790 --> 01:25:03,280

and these ancient civilizations and the

2398

01:25:06,310 --> 01:25:04,800

texts that they left us and the

2399

01:25:07,430 --> 01:25:06,320

buildings and the architecture that they

2400

01:25:09,030 --> 01:25:07,440

left us

2401  
01:25:12,149 --> 01:25:09,040  
or even how sometimes they seem to

2402  
01:25:13,750 --> 01:25:12,159  
spring out of nowhere with just there's

2403  
01:25:16,310 --> 01:25:13,760  
nothing and then suddenly bam they're

2404  
01:25:18,709 --> 01:25:16,320  
building megalithic structures and

2405  
01:25:19,990 --> 01:25:18,719  
inventing agriculture you know alongside

2406  
01:25:22,229 --> 01:25:20,000  
of it and mathematics and everything

2407  
01:25:25,590 --> 01:25:22,239  
else you can think of that all of this

2408  
01:25:27,350 --> 01:25:25,600  
ties in it's it's it's it's one thing

2409  
01:25:29,830 --> 01:25:27,360  
that you can really look at this as one

2410  
01:25:32,870 --> 01:25:29,840  
subject or that they merge together but

2411  
01:25:35,669 --> 01:25:32,880  
yes the ancient civilization aspects

2412  
01:25:37,030 --> 01:25:35,679  
do and the ancient texts do uh help kyle

2413  
01:25:38,950 --> 01:25:37,040

and i take

2414

01:25:40,950 --> 01:25:38,960

an interesting and fun view of the ufo

2415

01:25:42,629 --> 01:25:40,960

subject because i do think it's ancient

2416

01:25:44,550 --> 01:25:42,639

and so that's why every time we have

2417

01:25:46,229 --> 01:25:44,560

marty on i don't care what the stick to

2418

01:25:48,149 --> 01:25:46,239

the pyramids crowd thinks i think it's

2419

01:25:49,590 --> 01:25:48,159

part of the same mystery

2420

01:25:51,910 --> 01:25:49,600

so yeah and we're just giving those

2421

01:25:57,250 --> 01:25:51,920

people some flack yeah yeah not really

2422

01:26:03,510 --> 01:26:01,990

[Laughter]

2423

01:26:06,870 --> 01:26:03,520

we've never said aliens built the

2424

01:26:10,070 --> 01:26:06,880

pyramids but it's the same thing

2425

01:26:14,390 --> 01:26:12,790

and it was us

2426

01:26:15,430 --> 01:26:14,400

well thanks for having us on alex it was

2427

01:26:18,470 --> 01:26:15,440

a blast

2428

01:26:20,470 --> 01:26:18,480

oh thank you guys so much and uh

2429

01:26:22,790 --> 01:26:20,480

can't wait can't wait for the next one

2430

01:26:25,990 --> 01:26:22,800

keep up this awesome work that you guys

2431

01:26:28,310 --> 01:26:26,000

are bringing forth to all of us

2432

01:26:30,629 --> 01:26:28,320

thank you very much

2433

01:26:32,870 --> 01:26:30,639

thanks again to russ and kyle and marty

2434

01:26:34,470 --> 01:26:32,880

for joining me today on skeptico

2435

01:26:37,430 --> 01:26:34,480

the one question to tf from this

2436

01:26:40,229 --> 01:26:37,440

interview the big big big question is

2437

01:26:41,870 --> 01:26:40,239

what is the agenda

2438

01:26:44,790 --> 01:26:41,880

what is this whole

2439

01:26:46,950 --> 01:26:44,800

ufoet thing all about

2440

01:26:48,870 --> 01:26:46,960

why settle for anything other than the

2441

01:26:50,709 --> 01:26:48,880

big question

2442

01:26:52,470 --> 01:26:50,719

let me know your thoughts jump on over

2443

01:26:54,870 --> 01:26:52,480

to the forum tell me over there reach

2444

01:26:56,790 --> 01:26:54,880

out to me anyway you see fit

2445

01:26:58,229 --> 01:26:56,800

that's going to do it for this one

2446

01:26:59,350 --> 01:26:58,239

until next time

2447

01:27:01,430 --> 01:26:59,360

take care

2448

01:27:15,010 --> 01:27:01,440

bye for now
