

**SK≡PTIKO**  
science & spirituality

***UFO/ET***  
***NATIVE AMER?***

**568-BRENT-RAYNES**

1  
00:00:00,560 --> 00:00:05,269  
and this episode of skeptico

2  
00:00:10,950 --> 00:00:08,600  
who really knows e.t

3  
00:00:13,110 --> 00:00:10,960  
[Music]

4  
00:00:22,710 --> 00:00:13,120  
she's passionate

5  
00:00:27,429 --> 00:00:24,950  
and what are they trying to tell us

6  
00:00:29,509 --> 00:00:27,439  
how about these cases of angels and such

7  
00:00:31,429 --> 00:00:29,519  
a way it seems to have a positive spin

8  
00:00:33,030 --> 00:00:31,439  
and he says yeah but they always end up

9  
00:00:34,870 --> 00:00:33,040  
sour in the end

10  
00:00:37,270 --> 00:00:34,880  
and not just of native american culture

11  
00:00:39,590 --> 00:00:37,280  
but i mean it's they're actually

12  
00:00:41,270 --> 00:00:39,600  
shamanic cultures going way back all

13  
00:00:43,270 --> 00:00:41,280

over the world that have

14

00:00:45,590 --> 00:00:43,280

stories that relate these kind of

15

00:00:47,190 --> 00:00:45,600

elements

16

00:00:49,990 --> 00:00:47,200

we got a little bit of harrison ford

17

00:00:51,910 --> 00:00:50,000

getting dressed down by an indian chief

18

00:00:54,950 --> 00:00:51,920

in that first clip from cowboys and

19

00:00:58,310 --> 00:00:54,960

aliens and the second one is from

20

00:01:01,430 --> 00:00:58,320

today's guest print reigns who's been

21

00:01:06,469 --> 00:01:01,440

looking into ufos and et's longer than

22

00:01:11,429 --> 00:01:08,070

hope you like the interview

23

00:01:15,830 --> 00:01:13,190

welcome to skeptico where we explore

24

00:01:17,910 --> 00:01:15,840

controversial science and spirituality

25

00:01:20,310 --> 00:01:17,920

with leading researchers thinkers and

26

00:01:21,590 --> 00:01:20,320

their critics i'm your host alex sicaris

27

00:01:25,190 --> 00:01:21,600

and today

28

00:01:28,950 --> 00:01:25,200

we welcome brent reigns to skeptico

29

00:01:31,590 --> 00:01:28,960

if you remember a couple episodes back

30

00:01:33,670 --> 00:01:31,600

i had a chance to interview again dr bob

31

00:01:34,390 --> 00:01:33,680

davis love the guy a lot of respect for

32

00:01:36,069 --> 00:01:34,400

him

33

00:01:37,590 --> 00:01:36,079

he came on to talk about his new film on

34

00:01:39,190 --> 00:01:37,600

consciousness

35

00:01:41,270 --> 00:01:39,200

afterwards

36

00:01:42,950 --> 00:01:41,280

he sends me an email and he says hey you

37

00:01:47,270 --> 00:01:42,960

know you seem to be interested in all

38

00:01:49,270 --> 00:01:47,280

this crossover paranormal e.t ufo stuff

39

00:01:51,109 --> 00:01:49,280

have you ever heard of brent rains you

40

00:01:52,550 --> 00:01:51,119

really need to talk to this guy friend

41

00:01:54,149 --> 00:01:52,560

of mine

42

00:01:58,709 --> 00:01:54,159

wow

43

00:02:00,389 --> 00:01:58,719

i tell you you know i i started digging

44

00:02:03,429 --> 00:02:00,399

into uh

45

00:02:07,590 --> 00:02:03,439

brent stuff and i just realized how

46

00:02:09,830 --> 00:02:07,600

absolutely ignorant i am

47

00:02:11,029 --> 00:02:09,840

of these fields that i like to talk

48

00:02:12,070 --> 00:02:11,039

about

49

00:02:13,830 --> 00:02:12,080

i mean

50

00:02:16,710 --> 00:02:13,840

this guy

51

00:02:17,910 --> 00:02:16,720

amazing amazing body of work

52

00:02:19,990 --> 00:02:17,920

i don't even know how you talk about

53

00:02:22,630 --> 00:02:20,000

this body work

54

00:02:25,110 --> 00:02:22,640

40 40 plus years

55

00:02:28,309 --> 00:02:25,120

full spectrum researcher author

56

00:02:30,630 --> 00:02:28,319

excellent writer but researcher he knows

57

00:02:32,869 --> 00:02:30,640

everyone he's talked to everyone he's

58

00:02:34,390 --> 00:02:32,879

interviewed everyone he's written about

59

00:02:36,949 --> 00:02:34,400

everything

60

00:02:38,710 --> 00:02:36,959

it's just amazing you know i pulled up

61

00:02:42,229 --> 00:02:38,720

on the screen

62

00:02:44,710 --> 00:02:42,239

ap magazine.info go check that out

63

00:02:47,670 --> 00:02:44,720

there's a search

64

00:02:50,070 --> 00:02:47,680

the tagline here an alternative way to

65

00:02:52,070 --> 00:02:50,080

explore and explain the mysteries of our

66

00:02:53,990 --> 00:02:52,080

world that's pretty general

67

00:02:56,670 --> 00:02:54,000

published this is the part i want to

68

00:03:01,750 --> 00:02:56,680

draw your attention to published since

69

00:03:04,229 --> 00:03:01,760

1985 online since 2001 and if you really

70

00:03:08,790 --> 00:03:04,239

go into his work his publishing long

71

00:03:10,390 --> 00:03:08,800

before he put out this magazine so

72

00:03:11,910 --> 00:03:10,400

this is going to be

73

00:03:14,149 --> 00:03:11,920

a super

74

00:03:18,070 --> 00:03:14,159

great treat for me

75

00:03:20,390 --> 00:03:18,080

to tap into this guy's knowledge and try

76

00:03:22,550 --> 00:03:20,400

and pin things down a lot of things i'm

77

00:03:24,149 --> 00:03:22,560

interested in and the only problem is i

78

00:03:26,309 --> 00:03:24,159

have 100 questions each one could

79

00:03:29,190 --> 00:03:26,319

probably take about an hour

80

00:03:32,630 --> 00:03:29,200

to explore but

81

00:03:34,550 --> 00:03:32,640

i guess we ought to just get right to it

82

00:03:36,390 --> 00:03:34,560

brent thanks for coming on thanks so

83

00:03:39,270 --> 00:03:36,400

much for joining me

84

00:03:41,430 --> 00:03:39,280

well thanks alex uh for inviting me and

85

00:03:43,110 --> 00:03:41,440

uh wow what a what an introduction i

86

00:03:45,430 --> 00:03:43,120

hope i can live up to that and a lot of

87

00:03:46,710 --> 00:03:45,440

times i'll start out with an interview

88

00:03:48,470 --> 00:03:46,720

with someone and i'll have a list of

89

00:03:51,270 --> 00:03:48,480

things that i think we can well i've got

90

00:03:53,110 --> 00:03:51,280

a list right here to decide uh and

91

00:03:53,910 --> 00:03:53,120

and uh we might get to two of them you

92

00:03:57,190 --> 00:03:53,920

know

93

00:04:01,030 --> 00:03:57,200

it's it is so many areas that you can

94

00:04:03,270 --> 00:04:01,040

uh go into because so many things are

95

00:04:06,550 --> 00:04:03,280

uh this is a lot deeper than than a lot

96

00:04:09,030 --> 00:04:06,560

of even the ufologists themselves uh

97

00:04:11,750 --> 00:04:09,040

understand or want to believe you know

98

00:04:13,589 --> 00:04:11,760

so it's uh i've been at this actually a

99

00:04:16,310 --> 00:04:13,599

little over 55 and a half years i

100

00:04:18,229 --> 00:04:16,320

started out at age 14

101  
00:04:20,629 --> 00:04:18,239  
and i uh

102  
00:04:22,390 --> 00:04:20,639  
great great origin story

103  
00:04:25,110 --> 00:04:22,400  
you have to tell

104  
00:04:26,950 --> 00:04:25,120  
the origin story and swapping

105  
00:04:28,790 --> 00:04:26,960  
newsletters with

106  
00:04:30,310 --> 00:04:28,800  
john keel i mean

107  
00:04:31,830 --> 00:04:30,320  
if that doesn't blow your way right off

108  
00:04:34,790 --> 00:04:31,840  
the bat then

109  
00:04:37,270 --> 00:04:34,800  
well yeah when i started out it was uh

110  
00:04:39,110 --> 00:04:37,280  
you know i'd read flying saucers serious

111  
00:04:40,070 --> 00:04:39,120  
business by frank edwards and that was a

112  
00:04:42,710 --> 00:04:40,080  
very

113  
00:04:43,830 --> 00:04:42,720

you know hard line nuts and bolts ct

114

00:04:45,749 --> 00:04:43,840

type

115

00:04:47,430 --> 00:04:45,759

presentation of the evidence and that

116

00:04:49,110 --> 00:04:47,440

was where he was coming from

117

00:04:50,710 --> 00:04:49,120

and so that was uh

118

00:04:52,469 --> 00:04:50,720

like many people that's where i started

119

00:04:53,749 --> 00:04:52,479

out at but uh

120

00:04:55,590 --> 00:04:53,759

as i

121

00:04:58,070 --> 00:04:55,600

you know as a young man i got really

122

00:05:00,390 --> 00:04:58,080

excited about all this i was obsessed

123

00:05:01,990 --> 00:05:00,400

and uh i still have my bouts of

124

00:05:04,310 --> 00:05:02,000

obsession

125

00:05:06,310 --> 00:05:04,320

and uh i was really intrigued by it all

126

00:05:08,230 --> 00:05:06,320

and i started to

127

00:05:11,350 --> 00:05:08,240

represent i was actually on the board of

128

00:05:13,510 --> 00:05:11,360

directors for a magazine out of

129

00:05:15,350 --> 00:05:13,520

st petersburg florida called salsa

130

00:05:17,350 --> 00:05:15,360

school which was very popular at the

131

00:05:19,670 --> 00:05:17,360

time even brad steiger was his public

132

00:05:22,070 --> 00:05:19,680

relations director and he and the editor

133

00:05:23,270 --> 00:05:22,080

john wittner used to write articles and

134

00:05:25,189 --> 00:05:23,280

some books

135

00:05:27,670 --> 00:05:25,199

together at that time

136

00:05:30,550 --> 00:05:27,680

and i noticed this uh journalist from

137

00:05:32,310 --> 00:05:30,560

new york city named john keel

138

00:05:33,830 --> 00:05:32,320

was submitting articles and they were

139

00:05:35,270 --> 00:05:33,840

very interesting and there were things

140

00:05:36,390 --> 00:05:35,280

that

141

00:05:37,749 --> 00:05:36,400

were

142

00:05:39,510 --> 00:05:37,759

way beyond

143

00:05:41,270 --> 00:05:39,520

the things that i had read in frank

144

00:05:44,150 --> 00:05:41,280

edwards book i mean these were

145

00:05:46,550 --> 00:05:44,160

paranormal things contacting a lot of

146

00:05:47,430 --> 00:05:46,560

very high strange cases as we call them

147

00:05:51,029 --> 00:05:47,440

now

148

00:05:53,029 --> 00:05:51,039

and i was quite intrigued so actually we

149

00:05:55,830 --> 00:05:53,039

initiated correspondence beginning in

150

00:05:58,710 --> 00:05:55,840

october 1969.

151  
00:06:00,870 --> 00:05:58,720  
again folks you're 14 years old i mean

152  
00:06:03,270 --> 00:06:00,880  
you initiated con initiated

153  
00:06:05,430 --> 00:06:03,280  
correspondence is not i have four kids

154  
00:06:07,909 --> 00:06:05,440  
none of mine at 14 were initiating

155  
00:06:10,070 --> 00:06:07,919  
correspondence with with the likes of

156  
00:06:12,950 --> 00:06:10,080  
john keel or anyone else who was serious

157  
00:06:15,029 --> 00:06:12,960  
i mean jen kill's super smart super

158  
00:06:15,909 --> 00:06:15,039  
this is not like ufo people who don't

159  
00:06:17,510 --> 00:06:15,919  
know

160  
00:06:18,950 --> 00:06:17,520  
or who are just so ignorant there's so

161  
00:06:21,189 --> 00:06:18,960  
many people are ignorant of this whole

162  
00:06:23,670 --> 00:06:21,199  
field they just think the guy's a kook

163  
00:06:25,029 --> 00:06:23,680

the no the guy's like a genius writer

164

00:06:26,870 --> 00:06:25,039

and thinker and all the rest of this

165

00:06:28,469 --> 00:06:26,880

stuff and you're 14 years old and you're

166

00:06:29,990 --> 00:06:28,479

going to start up a correspondence with

167

00:06:31,909 --> 00:06:30,000

them great great for you

168

00:06:35,430 --> 00:06:31,919

well by that time i was about you know

169

00:06:37,830 --> 00:06:35,440

16 but you know i uh i started

170

00:06:39,270 --> 00:06:37,840

corresponding i even had a a newsletter

171

00:06:42,150 --> 00:06:39,280

at the time of my own a mimeograph

172

00:06:43,510 --> 00:06:42,160

newsletter called scientific sauceritis

173

00:06:46,390 --> 00:06:43,520

review

174

00:06:47,830 --> 00:06:46,400

and i had you know he had his newsletter

175

00:06:50,309 --> 00:06:47,840

called anomaly so we were actually

176  
00:06:52,070 --> 00:06:50,319  
exchanging newsletters in fact he even

177  
00:06:54,230 --> 00:06:52,080  
quoted sometimes out of some of my

178  
00:06:56,469 --> 00:06:54,240  
newsletters and if you read his first

179  
00:06:58,790 --> 00:06:56,479  
book that came out in 1970 strange

180  
00:06:59,589 --> 00:06:58,800  
creatures in time and space he lists all

181  
00:07:02,390 --> 00:06:59,599  
these

182  
00:07:04,230 --> 00:07:02,400  
bigfoot cases and strange happenings

183  
00:07:06,309 --> 00:07:04,240  
state by state by state and the main

184  
00:07:09,430 --> 00:07:06,319  
cases actually came

185  
00:07:12,950 --> 00:07:09,440  
out of one of my newsletters

186  
00:07:15,589 --> 00:07:12,960  
so anyway you know it was really quite a

187  
00:07:17,430 --> 00:07:15,599  
paradigm shift for me to to become

188  
00:07:19,430 --> 00:07:17,440

familiar with john keel and correspond

189

00:07:21,990 --> 00:07:19,440

with him and i even asked him you know

190

00:07:24,629 --> 00:07:22,000

how can i investigate such phenomenon

191

00:07:26,710 --> 00:07:24,639

myself because i was interested in doing

192

00:07:29,189 --> 00:07:26,720

what he did keep going out on the road

193

00:07:31,029 --> 00:07:29,199

and uh going interviewing people

194

00:07:32,870 --> 00:07:31,039

and i you know wanted to know what kind

195

00:07:35,510 --> 00:07:32,880

of preparations that i

196

00:07:37,990 --> 00:07:35,520

i might need to follow and he suggested

197

00:07:39,749 --> 00:07:38,000

a a book by a man named tyrell who

198

00:07:42,070 --> 00:07:39,759

studied apparitions or wrote a book an

199

00:07:43,830 --> 00:07:42,080

apparitional phenomena he felt a lot of

200

00:07:45,430 --> 00:07:43,840

your

201  
00:07:47,110 --> 00:07:45,440  
ufo beings

202  
00:07:48,950 --> 00:07:47,120  
even the craft were often very

203  
00:07:51,350 --> 00:07:48,960  
apparition-like

204  
00:07:53,589 --> 00:07:51,360  
uh what carl young the late great swiss

205  
00:07:56,469 --> 00:07:53,599  
psychologist called psychoid

206  
00:07:57,749 --> 00:07:56,479  
and uh they're somewhere like they seem

207  
00:07:59,510 --> 00:07:57,759  
physical one moment and then they're

208  
00:08:00,710 --> 00:07:59,520  
like parapsychical or boom they just

209  
00:08:02,309 --> 00:08:00,720  
disappear

210  
00:08:04,390 --> 00:08:02,319  
uh ghost-like

211  
00:08:06,710 --> 00:08:04,400  
and in fact he even stated in that uh

212  
00:08:07,830 --> 00:08:06,720  
book strange creatures that uh

213  
00:08:09,589 --> 00:08:07,840

uh

214

00:08:12,230 --> 00:08:09,599

you know aliens ghosts what's the

215

00:08:14,790 --> 00:08:12,240

difference take your pick you know and

216

00:08:15,749 --> 00:08:14,800

so i always found that idea interesting

217

00:08:17,189 --> 00:08:15,759

he even

218

00:08:19,029 --> 00:08:17,199

claimed that

219

00:08:21,029 --> 00:08:19,039

he felt you know ufology should have

220

00:08:23,110 --> 00:08:21,039

been a branch of parapsychology really

221

00:08:25,189 --> 00:08:23,120

it's it's a shame that so many people

222

00:08:27,430 --> 00:08:25,199

get locked into one discipline you know

223

00:08:29,110 --> 00:08:27,440

it's either you're a parapsychologist or

224

00:08:30,869 --> 00:08:29,120

you're a ghost hunter you're a

225

00:08:32,550 --> 00:08:30,879

you're a bigfoot hunter some sort of

226

00:08:35,029 --> 00:08:32,560

cryptid hunter or you're

227

00:08:37,269 --> 00:08:35,039

uh you're a ufologist and you know they

228

00:08:39,269 --> 00:08:37,279

they keep themselves separate from the

229

00:08:41,509 --> 00:08:39,279

other fields when really

230

00:08:44,070 --> 00:08:41,519

as keel and even jacques philly and

231

00:08:46,310 --> 00:08:44,080

others pointed out there's evidence of a

232

00:08:47,829 --> 00:08:46,320

lot of these things being crossover like

233

00:08:48,790 --> 00:08:47,839

interconnected

234

00:08:50,310 --> 00:08:48,800

and

235

00:08:52,710 --> 00:08:50,320

if we could just

236

00:08:56,710 --> 00:08:52,720

kind of put everybody's head together

237

00:08:59,110 --> 00:08:56,720

and uh compare notes and you know

238

00:09:01,269 --> 00:08:59,120

like we're doing now or you know

239

00:09:03,110 --> 00:09:01,279

so you you would think so but i i don't

240

00:09:05,430 --> 00:09:03,120

i'd love to hear your thoughts on that

241

00:09:07,990 --> 00:09:05,440

my experience is that that's not

242

00:09:09,910 --> 00:09:08,000

really the way it works it's almost like

243

00:09:11,590 --> 00:09:09,920

this this paradigm stuff when we talk

244

00:09:13,430 --> 00:09:11,600

about paradigm as if you choose your

245

00:09:15,670 --> 00:09:13,440

paradigm and i don't know that that's

246

00:09:18,150 --> 00:09:15,680

always the case i think it does seem to

247

00:09:20,710 --> 00:09:18,160

me that some people the paradigm chooses

248

00:09:23,750 --> 00:09:20,720

them again i can't get over the fact

249

00:09:26,230 --> 00:09:23,760

that brent you're this 16 year old kid i

250

00:09:27,030 --> 00:09:26,240

mean there's two ways to look at it

251  
00:09:30,870 --> 00:09:27,040  
one

252  
00:09:34,550 --> 00:09:30,880  
you are predisposed to be this

253  
00:09:37,030 --> 00:09:34,560  
broad thinker i mean just to be able to

254  
00:09:39,350 --> 00:09:37,040  
be in this world of nuts and bolts ufos

255  
00:09:40,870 --> 00:09:39,360  
and talking to a lot of people who are

256  
00:09:43,430 --> 00:09:40,880  
knowledgeable on that and then

257  
00:09:46,070 --> 00:09:43,440  
immediately be able to reach out into

258  
00:09:48,470 --> 00:09:46,080  
this other world of oh maybe there's

259  
00:09:50,470 --> 00:09:48,480  
this crossover i mean that's a different

260  
00:09:51,910 --> 00:09:50,480  
kind of person that can go there some

261  
00:09:52,870 --> 00:09:51,920  
people they just they just can't go

262  
00:09:56,389 --> 00:09:52,880  
there

263  
00:09:58,470 --> 00:09:56,399

the other part of that it is the

264

00:09:59,910 --> 00:09:58,480

extended consciousness part and i was

265

00:10:01,910 --> 00:09:59,920

going to save this question towards the

266

00:10:04,230 --> 00:10:01,920

end but who cares

267

00:10:07,509 --> 00:10:04,240

do you ever think that maybe you were

268

00:10:10,310 --> 00:10:07,519

put in a place to be

269

00:10:12,630 --> 00:10:10,320

that person i mean it is a rather

270

00:10:14,230 --> 00:10:12,640

strange set of circumstances that

271

00:10:16,550 --> 00:10:14,240

brought you to

272

00:10:17,509 --> 00:10:16,560

together with all these people are you

273

00:10:20,630 --> 00:10:17,519

just

274

00:10:24,470 --> 00:10:20,640

playing out some scripted role to to be

275

00:10:27,269 --> 00:10:24,480

this conduit for all this stuff

276

00:10:29,590 --> 00:10:27,279

well i've certainly seen not only myself

277

00:10:30,870 --> 00:10:29,600

but others where you become to realize

278

00:10:33,190 --> 00:10:30,880

that

279

00:10:35,750 --> 00:10:33,200

instead of just being the guy who

280

00:10:38,790 --> 00:10:35,760

interviews experiences that you suddenly

281

00:10:41,190 --> 00:10:38,800

it turns reflective as keel had said

282

00:10:42,150 --> 00:10:41,200

and you begin to have experience or you

283

00:10:45,430 --> 00:10:42,160

notice

284

00:10:47,829 --> 00:10:45,440

unusual synchronicities uh that

285

00:10:49,670 --> 00:10:47,839

that occur and and

286

00:10:52,310 --> 00:10:49,680

and keep occurring sometimes sometimes

287

00:10:54,790 --> 00:10:52,320

it's it's uh based on some case you're

288

00:10:56,389 --> 00:10:54,800

working on or some particular

289

00:10:59,350 --> 00:10:56,399

experiencer

290

00:11:00,389 --> 00:10:59,360

and it's it kind of like like keel had

291

00:11:02,389 --> 00:11:00,399

described

292

00:11:04,470 --> 00:11:02,399

he felt sometimes the

293

00:11:05,829 --> 00:11:04,480

experience who was undergoing

294

00:11:07,590 --> 00:11:05,839

experiences that were actually

295

00:11:10,389 --> 00:11:07,600

demonstrated

296

00:11:12,710 --> 00:11:10,399

demonstrations for him to take notice of

297

00:11:15,110 --> 00:11:12,720

and you know i've i've kind of noticed

298

00:11:16,310 --> 00:11:15,120

that sort of thing myself that the

299

00:11:17,829 --> 00:11:16,320

someone would

300

00:11:18,949 --> 00:11:17,839

i would you know

301  
00:11:21,110 --> 00:11:18,959  
well

302  
00:11:24,550 --> 00:11:21,120  
let me give a for instance uh this was

303  
00:11:26,790 --> 00:11:24,560  
not too too long ago i was working with

304  
00:11:29,110 --> 00:11:26,800  
someone who's

305  
00:11:32,150 --> 00:11:29,120  
whose mother had had a dramatic

306  
00:11:34,550 --> 00:11:32,160  
experience out in texas back in

307  
00:11:36,470 --> 00:11:34,560  
i think about 1957

308  
00:11:37,990 --> 00:11:36,480  
and this really

309  
00:11:40,150 --> 00:11:38,000  
really uh

310  
00:11:42,630 --> 00:11:40,160  
changed this woman's world she

311  
00:11:44,550 --> 00:11:42,640  
she had um

312  
00:11:46,870 --> 00:11:44,560  
seen uh it was late at night her husband

313  
00:11:48,550 --> 00:11:46,880

was at work she was home alone usually

314

00:11:50,150 --> 00:11:48,560

she before going to bed she'll read a

315

00:11:52,949 --> 00:11:50,160

book you know and relax

316

00:11:55,990 --> 00:11:52,959

uh this night a flying saucer showed up

317

00:11:56,870 --> 00:11:56,000

outside and then this small being

318

00:11:58,310 --> 00:11:56,880

uh

319

00:12:01,509 --> 00:11:58,320

appears

320

00:12:03,509 --> 00:12:01,519

and this was not something that uh

321

00:12:05,910 --> 00:12:03,519

she ever imagined could enter her world

322

00:12:08,389 --> 00:12:05,920

you know she went and talked to a uh

323

00:12:10,150 --> 00:12:08,399

i think a local minister

324

00:12:11,750 --> 00:12:10,160

and what he said did not help her

325

00:12:13,910 --> 00:12:11,760

whatsoever

326

00:12:15,990 --> 00:12:13,920

and and after the experience she also

327

00:12:18,069 --> 00:12:16,000

developed at the psychic level

328

00:12:20,550 --> 00:12:18,079

and she had two daughters who i've been

329

00:12:23,030 --> 00:12:20,560

in touch with who uh now live fairly

330

00:12:27,030 --> 00:12:23,040

close by in the nashville area

331

00:12:28,550 --> 00:12:27,040

and they have had some ufo experiences

332

00:12:31,910 --> 00:12:28,560

themselves and

333

00:12:33,590 --> 00:12:31,920

uh as their mother did also developed at

334

00:12:35,350 --> 00:12:33,600

the psychic level

335

00:12:38,310 --> 00:12:35,360

and so

336

00:12:40,629 --> 00:12:38,320

i had had an experience back in around

337

00:12:43,509 --> 00:12:40,639

october 1975

338

00:12:45,269 --> 00:12:43,519

where i was this is kind of a long story

339

00:12:48,870 --> 00:12:45,279

but i was

340

00:12:50,389 --> 00:12:48,880

i had already been across country spent

341

00:12:51,350 --> 00:12:50,399

a lot of my

342

00:12:57,190 --> 00:12:51,360

summer

343

00:12:58,629 --> 00:12:57,200

traveling around from maine

344

00:13:01,430 --> 00:12:58,639

to florida

345

00:13:03,110 --> 00:13:01,440

and you know through pennsylvania

346

00:13:06,069 --> 00:13:03,120

ohio out into

347

00:13:08,230 --> 00:13:06,079

indiana and down through florida i mean

348

00:13:10,550 --> 00:13:08,240

down to florida through tennessee and

349

00:13:13,110 --> 00:13:10,560

alabama meeting different researchers

350

00:13:16,230 --> 00:13:13,120

experiencers and

351  
00:13:17,590 --> 00:13:16,240  
doing the the thing that you know

352  
00:13:19,590 --> 00:13:17,600  
john keel had done going through

353  
00:13:20,949 --> 00:13:19,600  
different states interviewing people

354  
00:13:22,710 --> 00:13:20,959  
and uh

355  
00:13:24,550 --> 00:13:22,720  
it was uh

356  
00:13:25,910 --> 00:13:24,560  
there was a lot of the the things that

357  
00:13:28,310 --> 00:13:25,920  
he had

358  
00:13:30,629 --> 00:13:28,320  
you know had discovered it didn't turn

359  
00:13:32,790 --> 00:13:30,639  
reflective right off but uh when i

360  
00:13:35,829 --> 00:13:32,800  
returned to maine afterwards i'm in my

361  
00:13:37,910 --> 00:13:35,839  
parents home and uh it's late at night

362  
00:13:41,829 --> 00:13:37,920  
it's a little after eleven

363  
00:13:43,990 --> 00:13:41,839

and i just uh was crawling into bed

364

00:13:46,230 --> 00:13:44,000

and uh suddenly

365

00:13:48,710 --> 00:13:46,240

it's like i'm walking

366

00:13:49,910 --> 00:13:48,720

uh across the floor toward the hallway

367

00:13:51,269 --> 00:13:49,920

door

368

00:13:57,590 --> 00:13:51,279

and

369

00:14:01,590 --> 00:13:57,600

me

370

00:14:03,750 --> 00:14:01,600

and uh

371

00:14:05,590 --> 00:14:03,760

you know uh ordinarily

372

00:14:07,670 --> 00:14:05,600

uh i heard someone use the expression

373

00:14:09,430 --> 00:14:07,680

once translogic i would be

374

00:14:11,030 --> 00:14:09,440

turning around and saying

375

00:14:13,590 --> 00:14:11,040

who's holding me back i didn't i

376

00:14:16,389 --> 00:14:13,600

continued to look straight ahead towards

377

00:14:20,629 --> 00:14:16,399

uh the hallway door which was open

378

00:14:22,949 --> 00:14:20,639

and the light was on there and uh

379

00:14:25,670 --> 00:14:22,959

my father was making you know

380

00:14:26,710 --> 00:14:25,680

late night pit stop to the bathroom

381

00:14:28,870 --> 00:14:26,720

and

382

00:14:30,550 --> 00:14:28,880

all of a sudden i'm seeing all of these

383

00:14:33,350 --> 00:14:30,560

luminous

384

00:14:37,189 --> 00:14:33,360

glowing balls of light tiny little balls

385

00:14:38,949 --> 00:14:37,199

translucent pulsating white colored

386

00:14:41,110 --> 00:14:38,959

swarming around looked like there were

387

00:14:43,750 --> 00:14:41,120

hundreds of them just swarming around

388

00:14:45,670 --> 00:14:43,760

and going down towards the floor and

389

00:14:48,310 --> 00:14:45,680

there they seem to be clustering

390

00:14:50,150 --> 00:14:48,320

together and forming like the shape of a

391

00:14:51,509 --> 00:14:50,160

four-legged animal

392

00:14:53,590 --> 00:14:51,519

and then the next thing you know i'm

393

00:14:55,030 --> 00:14:53,600

back in bed laying on my back staring at

394

00:14:58,550 --> 00:14:55,040

the ceiling which

395

00:15:00,870 --> 00:14:58,560

usually when i crawl into bed i am

396

00:15:03,110 --> 00:15:00,880

i am right there under the covers i'm

397

00:15:06,069 --> 00:15:03,120

laying on my stomach or

398

00:15:08,389 --> 00:15:06,079

uh on my side you know i don't just lay

399

00:15:09,910 --> 00:15:08,399

there looking up and feeling

400

00:15:12,629 --> 00:15:09,920

and uh

401  
00:15:13,990 --> 00:15:12,639  
so anyway i give that that description

402  
00:15:16,150 --> 00:15:14,000  
so that i can

403  
00:15:18,069 --> 00:15:16,160  
now tell you how a few years ago i

404  
00:15:19,110 --> 00:15:18,079  
decided to uh

405  
00:15:21,590 --> 00:15:19,120  
uh

406  
00:15:24,629 --> 00:15:21,600  
try to do a kind of a meditation like

407  
00:15:26,710 --> 00:15:24,639  
carl young had had talked about a a

408  
00:15:28,870 --> 00:15:26,720  
technique that could be used

409  
00:15:31,910 --> 00:15:28,880  
where you try to

410  
00:15:33,350 --> 00:15:31,920  
revisit some old memory or something

411  
00:15:35,269 --> 00:15:33,360  
and uh

412  
00:15:37,189 --> 00:15:35,279  
so i was i

413  
00:15:38,710 --> 00:15:37,199

some read some books that he

414

00:15:40,629 --> 00:15:38,720

read and where comments were made and

415

00:15:42,230 --> 00:15:40,639

did the best i could to

416

00:15:43,509 --> 00:15:42,240

to try to

417

00:15:45,670 --> 00:15:43,519

to do this

418

00:15:47,670 --> 00:15:45,680

and anyway i didn't know what i was

419

00:15:50,310 --> 00:15:47,680

fishing for exactly

420

00:15:52,150 --> 00:15:50,320

but it returned me to uh

421

00:15:53,350 --> 00:15:52,160

to that bedroom

422

00:15:55,269 --> 00:15:53,360

and

423

00:15:57,110 --> 00:15:55,279

i found myself in that bed kind of

424

00:15:58,870 --> 00:15:57,120

hiding light from people who were like

425

00:16:00,310 --> 00:15:58,880

walking around the bed you know who are

426

00:16:02,629 --> 00:16:00,320

these people

427

00:16:04,629 --> 00:16:02,639

and then suddenly about the place where

428

00:16:06,870 --> 00:16:04,639

i suddenly found myself stopped my

429

00:16:09,430 --> 00:16:06,880

mother who's been deceased for years

430

00:16:11,269 --> 00:16:09,440

appeared to me and told me everything

431

00:16:12,629 --> 00:16:11,279

was all right we hugged

432

00:16:14,389 --> 00:16:12,639

and uh

433

00:16:15,829 --> 00:16:14,399

and believed me in in real life shot

434

00:16:18,230 --> 00:16:15,839

them you know

435

00:16:19,670 --> 00:16:18,240

i was rather upset with my obsessive

436

00:16:22,310 --> 00:16:19,680

interest in ufos you know this is

437

00:16:25,430 --> 00:16:22,320

nonsense you should move on

438

00:16:26,710 --> 00:16:25,440

but in this dream it was okay

439

00:16:28,550 --> 00:16:26,720

well

440

00:16:30,790 --> 00:16:28,560

this one particular experience of

441

00:16:33,189 --> 00:16:30,800

experiencer up in nashville

442

00:16:36,470 --> 00:16:33,199

uh this lady had written to me says i

443

00:16:38,550 --> 00:16:36,480

had a strange dream about you

444

00:16:39,590 --> 00:16:38,560

and uh

445

00:16:42,629 --> 00:16:39,600

in it

446

00:16:44,949 --> 00:16:42,639

there was you and a group of people

447

00:16:47,829 --> 00:16:44,959

uh who were with you

448

00:16:49,829 --> 00:16:47,839

and my mother who passed away years ago

449

00:16:51,590 --> 00:16:49,839

who was to contact me and there seemed

450

00:16:53,269 --> 00:16:51,600

to be like some karmic connection

451  
00:16:54,310 --> 00:16:53,279  
something between the two but she said

452  
00:16:56,629 --> 00:16:54,320  
that

453  
00:16:58,150 --> 00:16:56,639  
everything was going to be all right uh

454  
00:17:00,790 --> 00:16:58,160  
and that you're you know you've been

455  
00:17:02,629 --> 00:17:00,800  
concerned about your wife who

456  
00:17:04,870 --> 00:17:02,639  
you know i had been thinking about you

457  
00:17:07,909 --> 00:17:04,880  
know my concern had was there about her

458  
00:17:09,750 --> 00:17:07,919  
uh cop condition copd

459  
00:17:11,590 --> 00:17:09,760  
and anyway

460  
00:17:13,350 --> 00:17:11,600  
uh it was just uh

461  
00:17:15,110 --> 00:17:13,360  
also coincidental because it turned out

462  
00:17:17,270 --> 00:17:15,120  
when she looked up in her diary that

463  
00:17:18,870 --> 00:17:17,280

dream was the night before

464

00:17:20,789 --> 00:17:18,880

my dream

465

00:17:23,669 --> 00:17:20,799

and then afterwards

466

00:17:25,189 --> 00:17:23,679

a little later there was a

467

00:17:28,150 --> 00:17:25,199

another woman i had interviewed in the

468

00:17:30,150 --> 00:17:28,160

past who had a con a number of contact

469

00:17:32,470 --> 00:17:30,160

experiences and ghost experiences the

470

00:17:35,110 --> 00:17:32,480

whole paranormal nine yards

471

00:17:37,270 --> 00:17:35,120

and she sent me a message one day saying

472

00:17:39,350 --> 00:17:37,280

uh brent i just had the strangest

473

00:17:41,830 --> 00:17:39,360

experience i got

474

00:17:43,830 --> 00:17:41,840

sunburned from a dream

475

00:17:45,510 --> 00:17:43,840

and i said okay let's talk tonight on

476  
00:17:46,870 --> 00:17:45,520  
the phone

477  
00:17:48,470 --> 00:17:46,880  
and

478  
00:17:50,390 --> 00:17:48,480  
so i called her up

479  
00:17:52,549 --> 00:17:50,400  
and she's telling me

480  
00:17:54,310 --> 00:17:52,559  
about this very strange dream where

481  
00:17:56,950 --> 00:17:54,320  
she's among a group of people in this

482  
00:17:58,710 --> 00:17:56,960  
room with all these class windows

483  
00:18:00,470 --> 00:17:58,720  
and

484  
00:18:02,150 --> 00:18:00,480  
her mother who had been dead for years

485  
00:18:03,590 --> 00:18:02,160  
suddenly comes to her comforts her and

486  
00:18:06,070 --> 00:18:03,600  
they put the rhymes around each other

487  
00:18:08,390 --> 00:18:06,080  
and there's this bright burst of light

488  
00:18:10,390 --> 00:18:08,400

all the other people around her are like

489

00:18:12,390 --> 00:18:10,400

laying or crouched down and it's like

490

00:18:13,830 --> 00:18:12,400

the the bright light coming in the rooms

491

00:18:15,110 --> 00:18:13,840

like it felt like the end of the world

492

00:18:17,350 --> 00:18:15,120

or something but she was with a mother

493

00:18:18,310 --> 00:18:17,360

and everything was going to be okay

494

00:18:19,830 --> 00:18:18,320

and

495

00:18:23,669 --> 00:18:19,840

anyway with that

496

00:18:27,110 --> 00:18:25,909

that dream i told you about we've had a

497

00:18:29,270 --> 00:18:27,120

number of

498

00:18:30,390 --> 00:18:29,280

synchronistic moments since then you

499

00:18:31,669 --> 00:18:30,400

know

500

00:18:33,510 --> 00:18:31,679

and uh

501  
00:18:35,110 --> 00:18:33,520  
that's just an example of a number of

502  
00:18:37,270 --> 00:18:35,120  
things that you know

503  
00:18:39,190 --> 00:18:37,280  
have transpired you know uh

504  
00:18:41,750 --> 00:18:39,200  
it just kind of

505  
00:18:42,710 --> 00:18:41,760  
makes you wonder what's what's going on

506  
00:18:44,950 --> 00:18:42,720  
here

507  
00:18:47,669 --> 00:18:44,960  
well yeah yeah don't don't downplay it

508  
00:18:49,029 --> 00:18:47,679  
like that i i i get what you mean you

509  
00:18:51,590 --> 00:18:49,039  
know what it reminded me of when you

510  
00:18:54,549 --> 00:18:51,600  
were telling the story remind me of

511  
00:18:57,510 --> 00:18:54,559  
the john kill story into your book and

512  
00:18:59,590 --> 00:18:57,520  
john is a pretty amazing guy you know

513  
00:19:01,430 --> 00:18:59,600

the fact that you had such a long-term

514

00:19:03,270 --> 00:19:01,440

relationship with him and close

515

00:19:04,470 --> 00:19:03,280

relationship with him like you said from

516

00:19:06,630 --> 00:19:04,480

the beginning

517

00:19:09,190 --> 00:19:06,640

he recognized you recognized that you

518

00:19:11,270 --> 00:19:09,200

had some talent maybe recognized in the

519

00:19:13,590 --> 00:19:11,280

grander scheme you had some role to play

520

00:19:16,070 --> 00:19:13,600

in all this so i think it's very fitting

521

00:19:18,470 --> 00:19:16,080

that you wrote this book on him but i

522

00:19:21,110 --> 00:19:18,480

love the story

523

00:19:23,909 --> 00:19:21,120

from the book where keel

524

00:19:27,190 --> 00:19:23,919

as you said is really one of the very

525

00:19:28,710 --> 00:19:27,200

first people to kind of

526

00:19:30,390 --> 00:19:28,720

just have

527

00:19:32,470 --> 00:19:30,400

not just i want to say an intuition but

528

00:19:34,470 --> 00:19:32,480

it's more than an intuition again it's

529

00:19:37,190 --> 00:19:34,480

this thing of he's just able to look at

530

00:19:38,789 --> 00:19:37,200

the data in a more objective way and say

531

00:19:40,310 --> 00:19:38,799

this stuff fits together in some way i

532

00:19:42,950 --> 00:19:40,320

don't totally understand but i gotta

533

00:19:44,549 --> 00:19:42,960

start i can't silo it like

534

00:19:46,150 --> 00:19:44,559

like we're saying today so many people

535

00:19:47,669 --> 00:19:46,160

still want to silo and say oh you know

536

00:19:48,870 --> 00:19:47,679

i'm in my little thing here and ever the

537

00:19:50,789 --> 00:19:48,880

two shall meet

538

00:19:53,669 --> 00:19:50,799

and i don't want to bury the lead on the

539

00:19:55,190 --> 00:19:53,679

story that you tell in the book but john

540

00:19:57,590 --> 00:19:55,200

keel writes

541

00:20:00,070 --> 00:19:57,600

an article for true magazine

542

00:20:01,750 --> 00:20:00,080

and you can tell the story and they call

543

00:20:03,830 --> 00:20:01,760

them over and they say hey john come

544

00:20:05,990 --> 00:20:03,840

here can you help us out that you got

545

00:20:08,630 --> 00:20:06,000

some mail here and he goes in the back

546

00:20:09,510 --> 00:20:08,640

room and there's like six

547

00:20:12,870 --> 00:20:09,520

big

548

00:20:14,310 --> 00:20:12,880

bales of mail and what i take from that

549

00:20:16,310 --> 00:20:14,320

story is

550

00:20:18,710 --> 00:20:16,320

for the

551  
00:20:20,549 --> 00:20:18,720  
like you are let me again

552  
00:20:22,789 --> 00:20:20,559  
digress and but you'll pull all these

553  
00:20:23,990 --> 00:20:22,799  
pieces together for me i know

554  
00:20:25,110 --> 00:20:24,000  
you are

555  
00:20:27,029 --> 00:20:25,120  
uh

556  
00:20:28,149 --> 00:20:27,039  
because you've done this level of

557  
00:20:30,070 --> 00:20:28,159  
research

558  
00:20:32,230 --> 00:20:30,080  
and again you're driving around all over

559  
00:20:34,390 --> 00:20:32,240  
the country you're talking to people you

560  
00:20:35,750 --> 00:20:34,400  
are somehow able to pull if anyone reads

561  
00:20:36,789 --> 00:20:35,760  
your interviews and i read them from a

562  
00:20:38,310 --> 00:20:36,799  
couple of your different books they're

563  
00:20:40,310 --> 00:20:38,320

amazing i can't even get through all

564

00:20:43,909 --> 00:20:40,320

this stuff but i mean you get people to

565

00:20:46,390 --> 00:20:43,919

open up and tell you a lot of stuff

566

00:20:48,950 --> 00:20:46,400

you're so deep into it now that you have

567

00:20:50,710 --> 00:20:48,960

all these connections john keel was able

568

00:20:52,710 --> 00:20:50,720

to elicit that kind of reaction to

569

00:20:55,029 --> 00:20:52,720

people in his writing because no one

570

00:20:56,710 --> 00:20:55,039

else would talk about this stuff so when

571

00:20:59,190 --> 00:20:56,720

he comes out and starts talking about

572

00:21:01,830 --> 00:20:59,200

abductions starts talking about strange

573

00:21:04,870 --> 00:21:01,840

paranormal dreams ghosts and all this

574

00:21:07,110 --> 00:21:04,880

stuff he is flooded with mail and

575

00:21:09,190 --> 00:21:07,120

correspondence because there's this huge

576

00:21:11,029 --> 00:21:09,200

part of our population again this is the

577

00:21:13,669 --> 00:21:11,039

living history stuff if you're talking

578

00:21:16,470 --> 00:21:13,679

about 70s if you're talking about 80s

579

00:21:18,950 --> 00:21:16,480

even or 60s you know there is there's no

580

00:21:20,390 --> 00:21:18,960

outlet for these people they are living

581

00:21:22,310 --> 00:21:20,400

and i'm sure you have tons of stories

582

00:21:23,909 --> 00:21:22,320

about that people you just told the

583

00:21:26,950 --> 00:21:23,919

story you know someone who's troubled

584

00:21:29,750 --> 00:21:26,960

their whole life from 1957 and has no

585

00:21:30,870 --> 00:21:29,760

outlet for it goes to their local you

586

00:21:36,789 --> 00:21:30,880

know

587

00:21:39,510 --> 00:21:36,799

there is that element to this that you

588

00:21:42,470 --> 00:21:39,520

represent in terms of what you've done

589

00:21:45,110 --> 00:21:42,480

and in your book about john keel you you

590

00:21:47,510 --> 00:21:45,120

are telling how their

591

00:21:49,110 --> 00:21:47,520

this is a validation for so many people

592

00:21:51,990 --> 00:21:49,120

that they need because it's a real

593

00:21:54,390 --> 00:21:52,000

experience i know i hit on a million

594

00:21:56,630 --> 00:21:54,400

different items there but pull that

595

00:21:58,070 --> 00:21:56,640

together and tell us about that story

596

00:22:00,070 --> 00:21:58,080

and tell us about it i'm sure you've

597

00:22:02,070 --> 00:22:00,080

encountered that too

598

00:22:03,909 --> 00:22:02,080

well i know that to back

599

00:22:06,549 --> 00:22:03,919

prior to we'll see when keel came into

600

00:22:08,630 --> 00:22:06,559

the field in 1966 he thought

601  
00:22:10,870 --> 00:22:08,640  
uh he was thinking along the e.t lines

602  
00:22:13,430 --> 00:22:10,880  
but before long he got out in the field

603  
00:22:15,110 --> 00:22:13,440  
and traveled through about 20 different

604  
00:22:17,510 --> 00:22:15,120  
states and

605  
00:22:18,950 --> 00:22:17,520  
soon realized oh this is uh there's a

606  
00:22:20,390 --> 00:22:18,960  
lot of things

607  
00:22:22,710 --> 00:22:20,400  
that are here that

608  
00:22:24,710 --> 00:22:22,720  
the mainstream of ufology isn't isn't

609  
00:22:26,870 --> 00:22:24,720  
paying attention to and i and it helped

610  
00:22:28,710 --> 00:22:26,880  
him to get away from he called a lot of

611  
00:22:30,230 --> 00:22:28,720  
the books on the subject cult literature

612  
00:22:34,149 --> 00:22:30,240  
you know they were they were misleading

613  
00:22:35,590 --> 00:22:34,159

you from the the big picture and and and

614

00:22:37,909 --> 00:22:35,600

what he uh

615

00:22:39,190 --> 00:22:37,919

you know that that incident with the the

616

00:22:49,430 --> 00:22:39,200

uh

617

00:22:53,990 --> 00:22:51,750

something like who cares about the ufos

618

00:22:55,430 --> 00:22:54,000

who's piloting the things and so he

619

00:22:57,110 --> 00:22:55,440

wrote about some cases you know where

620

00:22:58,310 --> 00:22:57,120

people had seen the occupants or the

621

00:23:01,350 --> 00:22:58,320

beings

622

00:23:03,830 --> 00:23:01,360

and uh he was uh in this flood of mail

623

00:23:04,870 --> 00:23:03,840

he got he got letters from people who

624

00:23:07,029 --> 00:23:04,880

were

625

00:23:08,470 --> 00:23:07,039

what he called silent contactees they

626  
00:23:10,390 --> 00:23:08,480  
had the experiences but they never had

627  
00:23:12,310 --> 00:23:10,400  
anybody they could open up to

628  
00:23:15,190 --> 00:23:12,320  
and they also had missing time and at

629  
00:23:20,630 --> 00:23:15,200  
the time in background you know the earl

630  
00:23:22,470 --> 00:23:20,640  
the the 1960s 1967 1968 1969 when he was

631  
00:23:24,470 --> 00:23:22,480  
making all these contacts

632  
00:23:27,029 --> 00:23:24,480  
there was really uh

633  
00:23:29,430 --> 00:23:27,039  
hardly anyone in the mainstream apology

634  
00:23:30,950 --> 00:23:29,440  
the so-called respected ufology and of

635  
00:23:32,630 --> 00:23:30,960  
course he was a journalist and i think

636  
00:23:34,950 --> 00:23:32,640  
some of the people were upset that he

637  
00:23:36,390 --> 00:23:34,960  
got into the things he did

638  
00:23:38,390 --> 00:23:36,400

because they expected better i mean he

639

00:23:39,909 --> 00:23:38,400

was corresponding with uh

640

00:23:42,470 --> 00:23:39,919

uh coral lorenzen of the aerial

641

00:23:44,870 --> 00:23:42,480

phenomena research organization a very

642

00:23:45,750 --> 00:23:44,880

big civilian group at the time and and

643

00:23:50,070 --> 00:23:45,760

they

644

00:23:52,070 --> 00:23:50,080

advocating you know an e.t presence and

645

00:23:53,750 --> 00:23:52,080

all but kiel thought maybe this was some

646

00:23:56,710 --> 00:23:53,760

sort of earth-based

647

00:23:58,230 --> 00:23:56,720

phenomena that was related to

648

00:24:00,310 --> 00:23:58,240

all kinds of other phenomena that gone

649

00:24:02,950 --> 00:24:00,320

on for ages and ages from marion

650

00:24:05,029 --> 00:24:02,960

apparitions uh you know

651  
00:24:06,789 --> 00:24:05,039  
some incredible stories there and

652  
00:24:08,950 --> 00:24:06,799  
poltergeist manifestations he found

653  
00:24:11,350 --> 00:24:08,960  
frequently after someone had a close

654  
00:24:14,149 --> 00:24:11,360  
encounter with the ufo there would be

655  
00:24:16,710 --> 00:24:14,159  
a sudden development of psychic uh

656  
00:24:19,190 --> 00:24:16,720  
phenomena in their life uh poltergeist

657  
00:24:21,029 --> 00:24:19,200  
manifestations noisy ghost

658  
00:24:23,750 --> 00:24:21,039  
they may develop some sort of psychic

659  
00:24:26,070 --> 00:24:23,760  
abilities themselves uh telepathy

660  
00:24:28,149 --> 00:24:26,080  
maybe like uri gel or psychokinesis or

661  
00:24:29,510 --> 00:24:28,159  
something and uh

662  
00:24:31,669 --> 00:24:29,520  
you know i'm going through this stuff

663  
00:24:33,029 --> 00:24:31,679

and my my mind is like okay i was

664

00:24:35,029 --> 00:24:33,039

meaning to say something else and i'm

665

00:24:37,029 --> 00:24:35,039

off on this but you know i'll just go

666

00:24:38,789 --> 00:24:37,039

with the flow but you know the thing

667

00:24:41,590 --> 00:24:38,799

with keel

668

00:24:45,430 --> 00:24:41,600

when he brought it out in you know when

669

00:24:48,070 --> 00:24:45,440

he did in the 1960s late 1960s 1970 and

670

00:24:49,510 --> 00:24:48,080

and the early 70s he generated some

671

00:24:50,870 --> 00:24:49,520

interest

672

00:24:51,990 --> 00:24:50,880

but uh

673

00:24:55,590 --> 00:24:52,000

it took

674

00:24:57,430 --> 00:24:55,600

really about 1987

675

00:24:58,870 --> 00:24:57,440

for the mainstream ecology to really pay

676

00:25:02,390 --> 00:24:58,880

attention to the

677

00:25:04,789 --> 00:25:02,400

the abduction phenomena the missing time

678

00:25:07,190 --> 00:25:04,799

that keel tried to introduce it was bud

679

00:25:09,110 --> 00:25:07,200

hopkins and whitley strieber

680

00:25:11,430 --> 00:25:09,120

when their books came out you know and

681

00:25:13,350 --> 00:25:11,440

then foundations were created

682

00:25:16,390 --> 00:25:13,360

support groups it was the communion

683

00:25:18,870 --> 00:25:16,400

foundation the intruders foundation

684

00:25:20,630 --> 00:25:18,880

and they were inundated letters after

685

00:25:23,350 --> 00:25:20,640

their books came out i think each

686

00:25:24,630 --> 00:25:23,360

claimed about 4 000 letters

687

00:25:27,430 --> 00:25:24,640

and

688

00:25:29,990 --> 00:25:27,440

but it was keele who actually

689

00:25:32,149 --> 00:25:30,000

first tried to blaze that trail and uh

690

00:25:33,750 --> 00:25:32,159

kind of got shut down by a lot of a lot

691

00:25:36,789 --> 00:25:33,760

of the mainstreamers

692

00:25:38,310 --> 00:25:36,799

what is what is your speculation about

693

00:25:40,470 --> 00:25:38,320

that so

694

00:25:42,549 --> 00:25:40,480

again this is that lived history thing

695

00:25:44,310 --> 00:25:42,559

that i think you can do

696

00:25:45,909 --> 00:25:44,320

better than almost anybody because you

697

00:25:47,269 --> 00:25:45,919

lived through all that

698

00:25:48,950 --> 00:25:47,279

because you've been in the field for a

699

00:25:50,710 --> 00:25:48,960

long time and highly connected and

700

00:25:54,470 --> 00:25:50,720

deeply in the field so

701  
00:25:56,870 --> 00:25:54,480  
uh bud hopkins and whitley strieber 1987

702  
00:25:59,590 --> 00:25:56,880  
come out of this and i remember

703  
00:26:01,909 --> 00:25:59,600  
not that i was really tuned into it but

704  
00:26:03,350 --> 00:26:01,919  
they were like laying the groundwork for

705  
00:26:04,549 --> 00:26:03,360  
this

706  
00:26:07,430 --> 00:26:04,559  
mass

707  
00:26:09,750 --> 00:26:07,440  
uh recovered memory thing right they go

708  
00:26:11,750 --> 00:26:09,760  
look we just do the numbers which people

709  
00:26:13,669 --> 00:26:11,760  
have done the numbers since and it does

710  
00:26:15,990 --> 00:26:13,679  
come up with pretty extraordinary

711  
00:26:17,990 --> 00:26:16,000  
numbers no matter what percentage of

712  
00:26:20,630 --> 00:26:18,000  
people you think have had contact

713  
00:26:23,750 --> 00:26:20,640

experience the numbers range in the one

714

00:26:25,750 --> 00:26:23,760

percent to two or three percent range

715

00:26:27,909 --> 00:26:25,760

and that's a lot of people

716

00:26:29,990 --> 00:26:27,919

and they were like preparing that once

717

00:26:32,390 --> 00:26:30,000

this comes out this is

718

00:26:34,950 --> 00:26:32,400

and to a certain extent that did happen

719

00:26:35,990 --> 00:26:34,960

communion with that famous

720

00:26:37,830 --> 00:26:36,000

e.t

721

00:26:40,149 --> 00:26:37,840

picture and people through reports of

722

00:26:42,149 --> 00:26:40,159

people walking by the bookstore and

723

00:26:43,430 --> 00:26:42,159

falling to their knees and crying and

724

00:26:46,470 --> 00:26:43,440

having these

725

00:26:49,430 --> 00:26:46,480

recovered memory kind of things

726  
00:26:51,710 --> 00:26:49,440  
but you gotta wonder in you lived

727  
00:26:54,470 --> 00:26:51,720  
through the misinformation

728  
00:26:56,390 --> 00:26:54,480  
disinformation thing to now where we

729  
00:26:59,190 --> 00:26:56,400  
don't even acknowledge that that whole

730  
00:27:01,590 --> 00:26:59,200  
period existed where there were they

731  
00:27:03,669 --> 00:27:01,600  
were working so hard to keep a lid on it

732  
00:27:05,510 --> 00:27:03,679  
and now their work is so hard to push it

733  
00:27:07,830 --> 00:27:05,520  
out and they're saying no no it really

734  
00:27:08,789 --> 00:27:07,840  
is true and people like nah we heard

735  
00:27:10,710 --> 00:27:08,799  
it's all

736  
00:27:11,590 --> 00:27:10,720  
so i don't want to get too far afield

737  
00:27:13,750 --> 00:27:11,600  
though

738  
00:27:15,590 --> 00:27:13,760

because the point is

739

00:27:18,389 --> 00:27:15,600

i don't think they wanted whitley to

740

00:27:20,870 --> 00:27:18,399

come out in 1987. i don't think they

741

00:27:22,789 --> 00:27:20,880

wanted bud hopkins to come out just like

742

00:27:25,750 --> 00:27:22,799

they didn't want john mack to come out

743

00:27:27,350 --> 00:27:25,760

it's just these guys were just

744

00:27:30,230 --> 00:27:27,360

confident enough in themselves but

745

00:27:32,149 --> 00:27:30,240

hopkins an artist i can do anything and

746

00:27:34,149 --> 00:27:32,159

you know john mack is i'm harvard i'm

747

00:27:35,830 --> 00:27:34,159

pulitzer prize of course just come out

748

00:27:38,870 --> 00:27:35,840

with the truth

749

00:27:41,510 --> 00:27:38,880

that's my speculation

750

00:27:43,669 --> 00:27:41,520

how do how do you think that message was

751  
00:27:45,669 --> 00:27:43,679  
managed mismanaged

752  
00:27:47,269 --> 00:27:45,679  
surprise

753  
00:27:49,190 --> 00:27:47,279  
because as you're pointing out keel

754  
00:27:51,430 --> 00:27:49,200  
didn't have a big coming out party they

755  
00:27:52,950 --> 00:27:51,440  
kept him under wraps

756  
00:27:55,350 --> 00:27:52,960  
yeah okay when i

757  
00:27:57,110 --> 00:27:55,360  
yeah one of the things i noticed was the

758  
00:27:59,669 --> 00:27:57,120  
national investigations committee on

759  
00:28:02,630 --> 00:27:59,679  
aerial phenomena in washington d.c a

760  
00:28:05,190 --> 00:28:02,640  
civilian group that uh the you know

761  
00:28:06,549 --> 00:28:05,200  
retired major donald kehoe

762  
00:28:08,789 --> 00:28:06,559  
had uh

763  
00:28:10,149 --> 00:28:08,799

organized in 1956 it was a major

764

00:28:12,549 --> 00:28:10,159

civilian group

765

00:28:13,830 --> 00:28:12,559

and uh he wanted to

766

00:28:15,909 --> 00:28:13,840

generate a

767

00:28:18,950 --> 00:28:15,919

uh make you fall as you're respectable

768

00:28:20,549 --> 00:28:18,960

he wrote a true magazine article on ufos

769

00:28:21,990 --> 00:28:20,559

wrote a book more than one book

770

00:28:23,830 --> 00:28:22,000

eventually but

771

00:28:27,590 --> 00:28:23,840

he generated a lot of public interest

772

00:28:29,590 --> 00:28:27,600

and uh he was onto the e.t bandwagon

773

00:28:31,510 --> 00:28:29,600

uh and he was fighting the air force he

774

00:28:32,870 --> 00:28:31,520

felt the air force was covering it all

775

00:28:34,950 --> 00:28:32,880

up and

776

00:28:37,190 --> 00:28:34,960

he wanted a congressional hearing where

777

00:28:39,750 --> 00:28:37,200

the evidence could be presented uh

778

00:28:41,350 --> 00:28:39,760

competently to the american people and

779

00:28:43,269 --> 00:28:41,360

open this thing wide open find out what

780

00:28:45,110 --> 00:28:43,279

the government really knew

781

00:28:46,870 --> 00:28:45,120

and

782

00:28:49,190 --> 00:28:46,880

ultimately in the process one of the

783

00:28:51,269 --> 00:28:49,200

things he began doing was fighting the

784

00:28:53,350 --> 00:28:51,279

reports of anyone who claimed they had a

785

00:28:55,029 --> 00:28:53,360

contact it was okay

786

00:28:56,630 --> 00:28:55,039

if a uh

787

00:28:58,950 --> 00:28:56,640

if a craft was seen by a credible

788

00:29:00,470 --> 00:28:58,960

observer but when it landed and someone

789

00:29:03,669 --> 00:29:00,480

got out

790

00:29:05,510 --> 00:29:03,679

you know

791

00:29:08,950 --> 00:29:05,520

gave some sort of positive message it

792

00:29:11,430 --> 00:29:08,960

sounded too too uh

793

00:29:12,950 --> 00:29:11,440

too out there apro was really more open

794

00:29:15,029 --> 00:29:12,960

to it they were

795

00:29:16,950 --> 00:29:15,039

they allowed the beings to come out if

796

00:29:18,630 --> 00:29:16,960

they acted like scientists but if they

797

00:29:21,269 --> 00:29:18,640

started preaching about

798

00:29:23,830 --> 00:29:21,279

brotherly love and uh we should

799

00:29:25,669 --> 00:29:23,840

discontinue using the atomic bombs where

800

00:29:27,669 --> 00:29:25,679

we're endangering the planet and some

801  
00:29:30,230 --> 00:29:27,679  
sort of you know thing it sounded too

802  
00:29:32,549 --> 00:29:30,240  
fictional to them so for a long time

803  
00:29:33,750 --> 00:29:32,559  
they wanted to suppress a lot of these

804  
00:29:36,310 --> 00:29:33,760  
reports of

805  
00:29:38,630 --> 00:29:36,320  
human entity encounters

806  
00:29:41,269 --> 00:29:38,640  
and they were doing really even though

807  
00:29:44,230 --> 00:29:41,279  
like nycap wanted to fight the air force

808  
00:29:46,870 --> 00:29:44,240  
they were often using the air force's

809  
00:29:48,950 --> 00:29:46,880  
you know witness you know observation

810  
00:29:50,789 --> 00:29:48,960  
forms to fill out and they were

811  
00:29:53,029 --> 00:29:50,799  
practicing pretty much the same process

812  
00:29:54,549 --> 00:29:53,039  
the air force was so they had a lot of

813  
00:29:56,789 --> 00:29:54,559

respect for the way the air force did

814

00:29:57,990 --> 00:29:56,799

they didn't uh also like the air force

815

00:30:01,190 --> 00:29:58,000

they considered

816

00:30:02,950 --> 00:30:01,200

uh reports of entities as lunatic fringe

817

00:30:05,110 --> 00:30:02,960

you know uh

818

00:30:06,549 --> 00:30:05,120

uh flying saucer missionaries different

819

00:30:09,430 --> 00:30:06,559

titles that were

820

00:30:13,350 --> 00:30:09,440

given to to those those people

821

00:30:15,590 --> 00:30:13,360

and uh i think uh rosemary guyley who

822

00:30:17,029 --> 00:30:15,600

wrote thee forward to my book on keel

823

00:30:19,430 --> 00:30:17,039

was a good friend of kiehl's and she

824

00:30:20,310 --> 00:30:19,440

said she already suspected that keel

825

00:30:22,389 --> 00:30:20,320

uh

826

00:30:24,070 --> 00:30:22,399

well she knew that he was aware that a

827

00:30:26,389 --> 00:30:24,080

lot of the experiences were somehow

828

00:30:28,389 --> 00:30:26,399

wired differently and she felt that keel

829

00:30:29,269 --> 00:30:28,399

was too it was interesting to find out

830

00:30:32,389 --> 00:30:29,279

that

831

00:30:35,590 --> 00:30:32,399

in kiel's early life like age seven

832

00:30:38,230 --> 00:30:35,600

he claimed that he had seen a with his

833

00:30:39,669 --> 00:30:38,240

uh stepfather and his mother

834

00:30:41,430 --> 00:30:39,679

riding out of the country somewhere in

835

00:30:44,070 --> 00:30:41,440

new york state had seen this big

836

00:30:45,190 --> 00:30:44,080

barn-sized spherical object rise up from

837

00:30:47,110 --> 00:30:45,200

a hilltop

838

00:30:48,789 --> 00:30:47,120

at first they thought a barn was on fire

839

00:30:50,310 --> 00:30:48,799

until it cleared the trees and then they

840

00:30:51,510 --> 00:30:50,320

could see it was this bright glowing

841

00:30:53,510 --> 00:30:51,520

sphere

842

00:30:55,430 --> 00:30:53,520

and then it just took off at

843

00:30:56,870 --> 00:30:55,440

unbelievable speed off in the distance

844

00:30:58,389 --> 00:30:56,880

and out of sight

845

00:31:00,310 --> 00:30:58,399

and also

846

00:31:01,350 --> 00:31:00,320

not far from i think his grandparents

847

00:31:04,789 --> 00:31:01,360

farm

848

00:31:07,110 --> 00:31:04,799

there was uh when he was age 10

849

00:31:09,590 --> 00:31:07,120

people were putting a gorilla

850

00:31:11,830 --> 00:31:09,600

in the area and guys are you know the

851  
00:31:14,310 --> 00:31:11,840  
farmers are getting their shotguns going

852  
00:31:16,950 --> 00:31:14,320  
up trying to track it down

853  
00:31:19,430 --> 00:31:16,960  
and as often happens with these

854  
00:31:21,269 --> 00:31:19,440  
bigfoot events it just suddenly stops as

855  
00:31:23,029 --> 00:31:21,279  
mysteriously as it began

856  
00:31:25,269 --> 00:31:23,039  
and so that gave him an insight into

857  
00:31:27,190 --> 00:31:25,279  
that it was a poltergeist phenomena he

858  
00:31:28,630 --> 00:31:27,200  
experienced as a young man

859  
00:31:31,269 --> 00:31:28,640  
and

860  
00:31:33,430 --> 00:31:31,279  
at age 19 he had an experience

861  
00:31:34,310 --> 00:31:33,440  
where his there was illumination in his

862  
00:31:35,990 --> 00:31:34,320  
room

863  
00:31:37,750 --> 00:31:36,000

and he suddenly

864

00:31:39,669 --> 00:31:37,760

had the answer to everything like the

865

00:31:40,950 --> 00:31:39,679

answers to it

866

00:31:42,710 --> 00:31:40,960

everything you want to know was just

867

00:31:43,590 --> 00:31:42,720

downloaded his brain it was a strange

868

00:31:45,750 --> 00:31:43,600

glow

869

00:31:47,669 --> 00:31:45,760

and then the next morning it was like he

870

00:31:48,549 --> 00:31:47,679

could only remember fragments of it you

871

00:31:50,789 --> 00:31:48,559

know

872

00:31:52,389 --> 00:31:50,799

uh so i think that those early

873

00:31:53,350 --> 00:31:52,399

experiences

874

00:31:55,029 --> 00:31:53,360

um

875

00:31:57,190 --> 00:31:55,039

gave him some

876

00:31:59,190 --> 00:31:57,200

some insight

877

00:32:00,389 --> 00:31:59,200

once he made that connection you know

878

00:32:03,430 --> 00:32:00,399

because he went from

879

00:32:05,110 --> 00:32:03,440

himself thinking e.t in 66

880

00:32:07,029 --> 00:32:05,120

and then going around the country and

881

00:32:08,549 --> 00:32:07,039

hearing all these stories about

882

00:32:11,029 --> 00:32:08,559

these other phenomena that would happen

883

00:32:12,710 --> 00:32:11,039

to the ufo experiences and i think that

884

00:32:14,870 --> 00:32:12,720

helped him to connect the dots it's all

885

00:32:16,149 --> 00:32:14,880

about connecting the dots as you go

886

00:32:18,470 --> 00:32:16,159

along

887

00:32:20,549 --> 00:32:18,480

so brent what do you think about how

888

00:32:22,070 --> 00:32:20,559

they've managed the narrative you kind

889

00:32:24,230 --> 00:32:22,080

of gave part of the story part of the

890

00:32:26,070 --> 00:32:24,240

history but then the story changes and

891

00:32:27,789 --> 00:32:26,080

there's a complete lockdown complete

892

00:32:29,509 --> 00:32:27,799

denial then there's the whole

893

00:32:31,310 --> 00:32:29,519

disinformation

894

00:32:34,470 --> 00:32:31,320

misinformation there's the pretty

895

00:32:36,630 --> 00:32:34,480

aggressively going after people who

896

00:32:39,750 --> 00:32:36,640

report anything will kill you you will

897

00:32:43,029 --> 00:32:39,760

kill your family kind of stuff and then

898

00:32:45,430 --> 00:32:43,039

2017 there's disclosure here's a 10 year

899

00:32:47,430 --> 00:32:45,440

old video and i interviewed kevin day

900

00:32:49,350 --> 00:32:47,440

who was on board the ship it was in his

901  
00:32:52,070 --> 00:32:49,360  
email the next day

902  
00:32:54,389 --> 00:32:52,080  
but suddenly eight years later it's

903  
00:32:56,950 --> 00:32:54,399  
new york times headline news

904  
00:32:59,190 --> 00:32:56,960  
what's your general feeling about

905  
00:33:01,830 --> 00:32:59,200  
how they've handled

906  
00:33:04,789 --> 00:33:01,840  
this narrative what's ba what is their

907  
00:33:06,710 --> 00:33:04,799  
agenda in trying to manage this

908  
00:33:08,549 --> 00:33:06,720  
and what have you seen what what has it

909  
00:33:10,230 --> 00:33:08,559  
been like for you to live through that

910  
00:33:11,590 --> 00:33:10,240  
and live through you know they poisoned

911  
00:33:13,909 --> 00:33:11,600  
the well of the

912  
00:33:15,830 --> 00:33:13,919  
ufo community did you get caught up in

913  
00:33:18,310 --> 00:33:15,840

that at all there's a million questions

914

00:33:21,110 --> 00:33:18,320

there well i i really thought back

915

00:33:24,149 --> 00:33:21,120

around the mid 70s that you know i was i

916

00:33:27,029 --> 00:33:24,159

was seeing a lot of alternative um

917

00:33:28,630 --> 00:33:27,039

activity going on and and these things

918

00:33:30,149 --> 00:33:28,640

that keel addressed

919

00:33:31,509 --> 00:33:30,159

others were taken more and more

920

00:33:34,070 --> 00:33:31,519

seriously and at one point in an

921

00:33:37,029 --> 00:33:34,080

interview with tim beckley tim beckley

922

00:33:39,750 --> 00:33:37,039

congratulated john keel for his victory

923

00:33:41,350 --> 00:33:39,760

in i think largely writing in a magazine

924

00:33:43,509 --> 00:33:41,360

that had an international audience out

925

00:33:45,590 --> 00:33:43,519

of england called flying saucer review

926  
00:33:48,710 --> 00:33:45,600  
for making a lot of other researchers

927  
00:33:50,710 --> 00:33:48,720  
aware of the the paranormal psychic uh

928  
00:33:52,789 --> 00:33:50,720  
aspect of ufology which was an

929  
00:33:55,029 --> 00:33:52,799  
accomplishment itself

930  
00:33:57,269 --> 00:33:55,039  
and he'll resp you know didn't take a a

931  
00:33:59,269 --> 00:33:57,279  
victory laugh he said no actually it's

932  
00:34:01,830 --> 00:33:59,279  
kind of a hollow victory it's it's like

933  
00:34:03,430 --> 00:34:01,840  
opening pandora's box he says we've only

934  
00:34:05,830 --> 00:34:03,440  
made you know by doing this the

935  
00:34:08,149 --> 00:34:05,840  
situation we discover is only much more

936  
00:34:10,470 --> 00:34:08,159  
complicated than we originally believed

937  
00:34:12,790 --> 00:34:10,480  
so i mean it's you know and it seemed

938  
00:34:15,510 --> 00:34:12,800

like back in the 70s i really thought

939

00:34:19,750 --> 00:34:15,520

okay you got a parapsychologist named d

940

00:34:21,990 --> 00:34:19,760

scott rogo who is uh you know writing

941

00:34:24,310 --> 00:34:22,000

in the you know writing about all the

942

00:34:27,030 --> 00:34:24,320

things going on in ufology he uh

943

00:34:30,149 --> 00:34:27,040

co-wrote a book with uh ann truffalo in

944

00:34:32,629 --> 00:34:30,159

california on some abduction cases out

945

00:34:35,349 --> 00:34:32,639

in that state that uh several women

946

00:34:37,510 --> 00:34:35,359

and he was putting a paranormal uh

947

00:34:41,510 --> 00:34:37,520

you know parapsychological spin on some

948

00:34:42,950 --> 00:34:41,520

of that and he actually wrote uh helped

949

00:34:46,069 --> 00:34:42,960

turned out it was his distant cousin

950

00:34:49,270 --> 00:34:46,079

jeffrey mishlov uh of new thinking aloud

951  
00:34:52,230 --> 00:34:49,280  
who wrote the book the pk man contactee

952  
00:34:54,230 --> 00:34:52,240  
named ted owens who uh

953  
00:34:56,069 --> 00:34:54,240  
who was a quite an interesting character

954  
00:34:58,550 --> 00:34:56,079  
and could uh

955  
00:35:01,190 --> 00:34:58,560  
actually you know

956  
00:35:06,870 --> 00:35:04,150  
the two of them you know jeffrey and and

957  
00:35:09,670 --> 00:35:06,880  
and uh jeffrey mishloven and d scott

958  
00:35:11,190 --> 00:35:09,680  
rubler they they penned down a lot of uh

959  
00:35:12,790 --> 00:35:11,200  
a lot of testimonials from i think

960  
00:35:15,510 --> 00:35:12,800  
around 100 people

961  
00:35:17,750 --> 00:35:15,520  
who said they had actually witnessed

962  
00:35:18,710 --> 00:35:17,760  
ufos they'd actually

963  
00:35:20,790 --> 00:35:18,720

seen

964

00:35:22,150 --> 00:35:20,800

owens make incredible predictions that

965

00:35:24,310 --> 00:35:22,160

come true even

966

00:35:27,030 --> 00:35:24,320

jeff michelle's has michelob has his own

967

00:35:29,750 --> 00:35:27,040

stories on that score and even seen him

968

00:35:31,910 --> 00:35:29,760

go out and say i'm going to make a

969

00:35:33,190 --> 00:35:31,920

lightning bolt during a storm

970

00:35:36,069 --> 00:35:33,200

strike the

971

00:35:37,589 --> 00:35:36,079

strike that building over there and

972

00:35:39,589 --> 00:35:37,599

and that was the only lightning bolt i

973

00:35:41,670 --> 00:35:39,599

saw was the one that struck the building

974

00:35:43,750 --> 00:35:41,680

and he did that more than once so i mean

975

00:35:45,750 --> 00:35:43,760

it's uh i really thought okay you know

976  
00:35:46,710 --> 00:35:45,760  
uh there's an awakening going on and

977  
00:35:48,950 --> 00:35:46,720  
then

978  
00:35:50,550 --> 00:35:48,960  
people started pushing roswell's in area

979  
00:35:53,030 --> 00:35:50,560  
51 and it's like whoa whoa whoa where

980  
00:35:55,910 --> 00:35:53,040  
are we going now yeah

981  
00:35:57,910 --> 00:35:55,920  
and and so i i see some some some people

982  
00:35:59,829 --> 00:35:57,920  
now who are it seems quite promising

983  
00:36:00,870 --> 00:35:59,839  
they're looking at this whole peri ufo

984  
00:36:03,589 --> 00:36:00,880  
realm but

985  
00:36:06,630 --> 00:36:03,599  
i don't know i don't know that it's

986  
00:36:08,950 --> 00:36:06,640  
going to be enough to break through the

987  
00:36:09,670 --> 00:36:08,960  
the the barrier that currently exists

988  
00:36:11,190 --> 00:36:09,680

so

989

00:36:14,150 --> 00:36:11,200

that's what i'm asking though you're not

990

00:36:16,870 --> 00:36:14,160

answering what is the barrier

991

00:36:18,230 --> 00:36:16,880

what is the barrier i mean we are

992

00:36:20,230 --> 00:36:18,240

going through

993

00:36:23,750 --> 00:36:20,240

right now we have to deal with tom

994

00:36:25,270 --> 00:36:23,760

delong and uh lou elizondo

995

00:36:28,950 --> 00:36:25,280

i mean i always i hammer on this and

996

00:36:31,190 --> 00:36:28,960

people don't care but lou elizondo

997

00:36:33,030 --> 00:36:31,200

richard doty 2.0

998

00:36:35,910 --> 00:36:33,040

you know behind the curtain strawberry

999

00:36:37,150 --> 00:36:35,920

ice cream lou elizondo

1000

00:36:38,710 --> 00:36:37,160

right uh

1001  
00:36:40,310 --> 00:36:38,720  
counterintelligence

1002  
00:36:41,589 --> 00:36:40,320  
that's the guy who's going to tell us

1003  
00:36:44,710 --> 00:36:41,599  
the truth

1004  
00:36:47,430 --> 00:36:44,720  
him and peter lavender peter lavender

1005  
00:36:49,349 --> 00:36:47,440  
peter lavender very kind of interesting

1006  
00:36:51,270 --> 00:36:49,359  
past very spooky

1007  
00:36:53,030 --> 00:36:51,280  
related so they're going to come out and

1008  
00:36:55,190 --> 00:36:53,040  
they're going to say hey

1009  
00:36:58,390 --> 00:36:55,200  
we gotta find we gotta get to the bottom

1010  
00:37:00,390 --> 00:36:58,400  
of this let's go talk to the ci i mean

1011  
00:37:02,550 --> 00:37:00,400  
the whole thing if you step back like

1012  
00:37:04,550 --> 00:37:02,560  
you're laughing well come on why are we

1013  
00:37:06,550 --> 00:37:04,560

laughing and why is it

1014

00:37:08,870 --> 00:37:06,560

why are most people not laughing most

1015

00:37:11,829 --> 00:37:08,880

people are like really what it what did

1016

00:37:14,470 --> 00:37:11,839

lou say on his twitter today i mean you

1017

00:37:16,150 --> 00:37:14,480

lived through all this over and

1018

00:37:17,910 --> 00:37:16,160

over again

1019

00:37:19,589 --> 00:37:17,920

yeah you can't uh

1020

00:37:20,950 --> 00:37:19,599

you can't just put all your eggs into

1021

00:37:23,589 --> 00:37:20,960

one basket

1022

00:37:26,230 --> 00:37:23,599

and uh probably one of the only one of

1023

00:37:28,550 --> 00:37:26,240

the biggest things to me was was like

1024

00:37:30,630 --> 00:37:28,560

strangers strangers the pentagon with

1025

00:37:33,750 --> 00:37:30,640

all of you know the bigelow

1026

00:37:35,750 --> 00:37:33,760

uh site there the skinwalker ranch and

1027

00:37:38,790 --> 00:37:35,760

the fact that what they were describing

1028

00:37:43,670 --> 00:37:41,349

telling about and presumably very

1029

00:37:45,670 --> 00:37:43,680

credible observers attesting to the fact

1030

00:37:47,349 --> 00:37:45,680

they've seen and interacted with some

1031

00:37:48,630 --> 00:37:47,359

sort of pair of

1032

00:37:50,630 --> 00:37:48,640

parasitic

1033

00:37:53,829 --> 00:37:50,640

entities or whatever paranormal events

1034

00:37:55,430 --> 00:37:53,839

going on and ufo and then it turns

1035

00:37:57,750 --> 00:37:55,440

reflective and they're having

1036

00:37:58,550 --> 00:37:57,760

poltergeist phenomena and apparitions at

1037

00:38:02,390 --> 00:37:58,560

their

1038

00:38:03,510 --> 00:38:02,400

and kids are suddenly involved you know

1039

00:38:06,310 --> 00:38:03,520

back in

1040

00:38:07,829 --> 00:38:06,320

virginia or wherever they live and uh

1041

00:38:09,430 --> 00:38:07,839

i thought yeah they call it the

1042

00:38:11,829 --> 00:38:09,440

hitchhiker effect but really that's what

1043

00:38:14,710 --> 00:38:11,839

keel called the reflective phenomena

1044

00:38:16,150 --> 00:38:14,720

and they're confirming that i know other

1045

00:38:18,069 --> 00:38:16,160

people i'm not sure where they're headed

1046

00:38:19,349 --> 00:38:18,079

with this but i know there's a lot of

1047

00:38:22,310 --> 00:38:19,359

people who are trying to figure out the

1048

00:38:24,550 --> 00:38:22,320

propulsion system i think it's a little

1049

00:38:26,870 --> 00:38:24,560

you know that's still way on out there

1050

00:38:28,710 --> 00:38:26,880

but you know i think everybody

1051  
00:38:30,550 --> 00:38:28,720  
is entitled and needs to look whatever

1052  
00:38:32,550 --> 00:38:30,560  
aspect they need to but let's not all

1053  
00:38:34,550 --> 00:38:32,560  
jump on the same bandwagon and just say

1054  
00:38:36,069 --> 00:38:34,560  
ah this is it you know

1055  
00:38:39,270 --> 00:38:36,079  
and this is where

1056  
00:38:42,069 --> 00:38:39,280  
yeah there i i hear you there but i keep

1057  
00:38:43,589 --> 00:38:42,079  
kind of i'm gonna i'm gonna press you a

1058  
00:38:45,190 --> 00:38:43,599  
little bit on this

1059  
00:38:46,390 --> 00:38:45,200  
because like the skin walker thing is

1060  
00:38:48,870 --> 00:38:46,400  
super interesting

1061  
00:38:50,950 --> 00:38:48,880  
somebody go read

1062  
00:38:54,150 --> 00:38:50,960  
go read brent's book let me pull up the

1063  
00:38:56,150 --> 00:38:54,160

book this one that i read

1064

00:38:58,230 --> 00:38:56,160

go read this one

1065

00:39:00,630 --> 00:38:58,240

on the edge of reality dreamweaver it's

1066

00:39:03,030 --> 00:39:00,640

the mastering of space and time

1067

00:39:04,710 --> 00:39:03,040

all sorts of accounts of dreamweavers uh

1068

00:39:06,790 --> 00:39:04,720

skin walkers right

1069

00:39:08,790 --> 00:39:06,800

i mean you you've had we haven't even

1070

00:39:11,589 --> 00:39:08,800

talked about this because there's so

1071

00:39:15,430 --> 00:39:11,599

much more to talk about but you've been

1072

00:39:17,910 --> 00:39:15,440

very very interested in the shamanic

1073

00:39:19,910 --> 00:39:17,920

native american traditions and they're

1074

00:39:20,710 --> 00:39:19,920

telling these stories

1075

00:39:22,150 --> 00:39:20,720

and

1076

00:39:24,630 --> 00:39:22,160

it's out of you telling their stories

1077

00:39:26,710 --> 00:39:24,640

their lived experience with

1078

00:39:28,390 --> 00:39:26,720

these encounters and how they're even

1079

00:39:31,589 --> 00:39:28,400

interwoven in their direct experience

1080

00:39:33,510 --> 00:39:31,599

like no my cousin went out and was

1081

00:39:36,069 --> 00:39:33,520

missing for four days and came back and

1082

00:39:39,270 --> 00:39:36,079

said this kind of thing or we all as a

1083

00:39:41,190 --> 00:39:39,280

community saw you know these four eagles

1084

00:39:43,109 --> 00:39:41,200

and then they turned into

1085

00:39:45,910 --> 00:39:43,119

spaceships and stuff and then there was

1086

00:39:48,630 --> 00:39:45,920

this shape-shifting beast that you know

1087

00:39:51,589 --> 00:39:48,640

you have to be very fearful of because

1088

00:39:53,349 --> 00:39:51,599

they have stolen children before and

1089

00:39:55,109 --> 00:39:53,359

so

1090

00:39:58,310 --> 00:39:55,119

again folks like i said at the beginning

1091

00:40:00,710 --> 00:39:58,320

this is going to sound scattered but

1092

00:40:03,349 --> 00:40:00,720

go look into brent stuff there's a

1093

00:40:04,790 --> 00:40:03,359

million a million different things to to

1094

00:40:07,349 --> 00:40:04,800

pull on here so i don't know if we want

1095

00:40:10,230 --> 00:40:07,359

to pivot over there but

1096

00:40:12,309 --> 00:40:10,240

we can't before i nail you down on the

1097

00:40:15,030 --> 00:40:12,319

what's going on what's going on with

1098

00:40:17,510 --> 00:40:15,040

this so-called disclosure they are again

1099

00:40:19,910 --> 00:40:17,520

trying to control the narrative in an

1100

00:40:21,910 --> 00:40:19,920

obvious way you know and it's like you

1101

00:40:24,710 --> 00:40:21,920

know you know grant cameron and you know

1102

00:40:26,550 --> 00:40:24,720

those guys and you know can't can't

1103

00:40:27,990 --> 00:40:26,560

grant cameron this is another topic to

1104

00:40:30,550 --> 00:40:28,000

talk about

1105

00:40:32,630 --> 00:40:30,560

those guys have gone overboard on the

1106

00:40:34,390 --> 00:40:32,640

consciousness thing and i wonder what

1107

00:40:37,030 --> 00:40:34,400

your conversations are when you talk

1108

00:40:39,030 --> 00:40:37,040

about the goody tea baddie t the demonic

1109

00:40:41,430 --> 00:40:39,040

the evil however you do that i'm not a

1110

00:40:43,109 --> 00:40:41,440

religious person but why are we leaving

1111

00:40:45,349 --> 00:40:43,119

that out of the equation i mean the

1112

00:40:47,990 --> 00:40:45,359

space brothers thing plays great to a

1113

00:40:50,390 --> 00:40:48,000

certain extent but it don't play great

1114

00:40:53,030 --> 00:40:50,400

when they're raping your wife you know i

1115

00:40:54,950 --> 00:40:53,040

mean that's that well uh you informed

1116

00:40:57,670 --> 00:40:54,960

consent at a different level in a

1117

00:41:00,069 --> 00:40:57,680

previous life i don't that doesn't

1118

00:41:02,069 --> 00:41:00,079

that doesn't fly for most people

1119

00:41:04,230 --> 00:41:02,079

so what is going on what is going on

1120

00:41:05,829 --> 00:41:04,240

with disclosure why would we trust these

1121

00:41:07,670 --> 00:41:05,839

people the reason i brought up greg

1122

00:41:09,670 --> 00:41:07,680

cameron of course is because

1123

00:41:12,470 --> 00:41:09,680

he references the wilbert smith memo

1124

00:41:14,309 --> 00:41:12,480

from back in the 50s when they go hey

1125

00:41:15,990 --> 00:41:14,319

this is the most you know from the

1126

00:41:17,589 --> 00:41:16,000

canadians come down and write a memo

1127

00:41:19,589 --> 00:41:17,599

back that gets released in the fruit of

1128

00:41:21,750 --> 00:41:19,599

information they say mean you know all

1129

00:41:24,390 --> 00:41:21,760

this stuff they say this is the highest

1130

00:41:26,790 --> 00:41:24,400

priority thing in the united states

1131

00:41:27,589 --> 00:41:26,800

higher than the hydrogen bomb and by the

1132

00:41:30,950 --> 00:41:27,599

way

1133

00:41:33,510 --> 00:41:30,960

there is this mental phenomenon aspect

1134

00:41:36,230 --> 00:41:33,520

that they're very interested in hello

1135

00:41:37,990 --> 00:41:36,240

john keel hello john mack

1136

00:41:40,390 --> 00:41:38,000

they saw it from the beginning they've

1137

00:41:43,270 --> 00:41:40,400

investigated from the beginning why do

1138

00:41:45,750 --> 00:41:43,280

we take this spoon feeding that they try

1139

00:41:47,349 --> 00:41:45,760

and give us of showing a video here or

1140

00:41:50,309 --> 00:41:47,359

that what

1141

00:41:51,670 --> 00:41:50,319

what agenda do they have our united

1142

00:41:53,910 --> 00:41:51,680

states

1143

00:41:56,630 --> 00:41:53,920

government has in this latest round of

1144

00:41:58,630 --> 00:41:56,640

disclosure brent i'm nailing you down

1145

00:42:00,870 --> 00:41:58,640

what is their agenda

1146

00:42:05,349 --> 00:42:00,880

well

1147

00:42:07,430 --> 00:42:05,359

levels top secret security level with

1148

00:42:08,790 --> 00:42:07,440

the government but i

1149

00:42:11,430 --> 00:42:08,800

i will say

1150

00:42:13,109 --> 00:42:11,440

you know uh it is a whole different

1151

00:42:15,030 --> 00:42:13,119

position that you know where we're

1152

00:42:16,630 --> 00:42:15,040

hearing these days then back in the

1153

00:42:18,309 --> 00:42:16,640

early days when it was there's no threat

1154

00:42:20,230 --> 00:42:18,319

to national security

1155

00:42:21,910 --> 00:42:20,240

uh and uh

1156

00:42:23,750 --> 00:42:21,920

there's no evidence no sufficient

1157

00:42:26,309 --> 00:42:23,760

evidence proved this is anything

1158

00:42:28,390 --> 00:42:26,319

extraterrestrial and now they're not

1159

00:42:29,910 --> 00:42:28,400

saying it's extraterrestrial but they

1160

00:42:31,670 --> 00:42:29,920

they leave the door open slightly you

1161

00:42:33,430 --> 00:42:31,680

know that maybe it is their their

1162

00:42:35,109 --> 00:42:33,440

concern being that it is a threat to

1163

00:42:37,270 --> 00:42:35,119

national security because

1164

00:42:38,630 --> 00:42:37,280

there are craft and things in our skies

1165

00:42:40,550 --> 00:42:38,640

we don't identify and they're doing

1166

00:42:42,630 --> 00:42:40,560

things that seem

1167

00:42:44,309 --> 00:42:42,640

extraordinary now i just but hold on

1168

00:42:47,430 --> 00:42:44,319

hold on don't you think they're saying

1169

00:42:49,829 --> 00:42:47,440

e.t they might not be using e.t but

1170

00:42:52,150 --> 00:42:49,839

they're saying e.t all over the place

1171

00:42:53,829 --> 00:42:52,160

and they're saying skinwalker ranch too

1172

00:42:56,150 --> 00:42:53,839

they're pushing that narrative out at

1173

00:42:58,150 --> 00:42:56,160

the same time they want you to let you

1174

00:43:00,470 --> 00:42:58,160

know that all this stuff you've been

1175

00:43:02,470 --> 00:43:00,480

talking about really is connected but

1176  
00:43:04,150 --> 00:43:02,480  
the you know they just released the dump

1177  
00:43:06,069 --> 00:43:04,160  
to all the you know all this stuff but

1178  
00:43:07,750 --> 00:43:06,079  
they released a bunch of documents on

1179  
00:43:10,069 --> 00:43:07,760  
the genetic

1180  
00:43:12,150 --> 00:43:10,079  
manipulation stuff pregnancy stuff and

1181  
00:43:14,550 --> 00:43:12,160  
stuff like that so anyone who's really

1182  
00:43:16,950 --> 00:43:14,560  
paying attention yeah they're not just

1183  
00:43:19,510 --> 00:43:16,960  
trying to do the oh there's things in

1184  
00:43:22,710 --> 00:43:19,520  
the sky thing

1185  
00:43:25,910 --> 00:43:24,790  
yeah i was just talking with with greg

1186  
00:43:28,150 --> 00:43:25,920  
little you know i've been working with

1187  
00:43:30,550 --> 00:43:28,160  
him since 85 was

1188  
00:43:32,069 --> 00:43:30,560

with uh my magazine and on many

1189

00:43:34,550 --> 00:43:32,079

different projects and he just came out

1190

00:43:37,270 --> 00:43:34,560

with a booklet by uh andrew collins

1191

00:43:39,829 --> 00:43:37,280

called origins of the gods which is a

1192

00:43:41,910 --> 00:43:39,839

a real uh great book and if you can

1193

00:43:43,829 --> 00:43:41,920

interview either of those two or both

1194

00:43:45,829 --> 00:43:43,839

uh talking about that uh they look at

1195

00:43:47,030 --> 00:43:45,839

the shamans they look at the modern ufo

1196

00:43:49,910 --> 00:43:47,040

phenomenon

1197

00:43:51,349 --> 00:43:49,920

uh all of this quite deeply uh they're

1198

00:43:52,870 --> 00:43:51,359

also both

1199

00:43:55,430 --> 00:43:52,880

like myself had their own past

1200

00:43:57,270 --> 00:43:55,440

interactions with keel and

1201  
00:43:58,230 --> 00:43:57,280  
all helium students i guess you could

1202  
00:44:00,950 --> 00:43:58,240  
say

1203  
00:44:03,109 --> 00:44:00,960  
and and so a lot of their uh

1204  
00:44:04,950 --> 00:44:03,119  
their research investigations have uh

1205  
00:44:07,510 --> 00:44:04,960  
always had a keel in the back of their

1206  
00:44:09,510 --> 00:44:07,520  
mind too but greg had said that you know

1207  
00:44:11,510 --> 00:44:09,520  
this whole thing with uh and it's it's

1208  
00:44:13,670 --> 00:44:11,520  
in a recent interview that's on my my

1209  
00:44:15,190 --> 00:44:13,680  
site for the september issue of ap

1210  
00:44:17,030 --> 00:44:15,200  
magazine.info

1211  
00:44:18,950 --> 00:44:17,040  
i was interviewing greg

1212  
00:44:20,870 --> 00:44:18,960  
uh about uh a variety of different

1213  
00:44:22,630 --> 00:44:20,880

phenomena and he brought up on you know

1214

00:44:24,309 --> 00:44:22,640

about these navy sightings and a lot of

1215

00:44:25,430 --> 00:44:24,319

what they're seeing is in the infrared

1216

00:44:26,870 --> 00:44:25,440

range

1217

00:44:29,030 --> 00:44:26,880

and uh

1218

00:44:31,430 --> 00:44:29,040

he's thinking that maybe this was a

1219

00:44:33,910 --> 00:44:31,440

black ops project

1220

00:44:36,390 --> 00:44:33,920

and that uh they were able to you know

1221

00:44:37,990 --> 00:44:36,400

like taking a flashlight and able to

1222

00:44:40,150 --> 00:44:38,000

maneuver something this way and that way

1223

00:44:42,630 --> 00:44:40,160

making it appear like what you're seeing

1224

00:44:44,390 --> 00:44:42,640

in the infrared is actually uh

1225

00:44:47,430 --> 00:44:44,400

going at this tremendous speed when

1226

00:44:49,510 --> 00:44:47,440

actually it's it's uh

1227

00:44:50,470 --> 00:44:49,520

perhaps some sort of a plasma type thing

1228

00:44:52,710 --> 00:44:50,480

or something

1229

00:44:53,990 --> 00:44:52,720

and it's not really

1230

00:44:55,270 --> 00:44:54,000

you know

1231

00:44:56,309 --> 00:44:55,280

so i don't know

1232

00:44:58,710 --> 00:44:56,319

i don't know about that but i

1233

00:45:01,190 --> 00:44:58,720

interviewed kevin day i just mentioned a

1234

00:45:02,870 --> 00:45:01,200

minute ago and he was the uh do you know

1235

00:45:05,990 --> 00:45:02,880

who kevin day is

1236

00:45:09,190 --> 00:45:06,000

was he one of the uh the pilots or

1237

00:45:11,829 --> 00:45:09,200

he was actually the the radar operator

1238

00:45:13,430 --> 00:45:11,839

so he was directing the pilots and his

1239

00:45:15,589 --> 00:45:13,440

story is really kind of interesting in a

1240

00:45:17,589 --> 00:45:15,599

couple of respects because

1241

00:45:19,190 --> 00:45:17,599

number one

1242

00:45:20,870 --> 00:45:19,200

i like the term you used i can't

1243

00:45:23,349 --> 00:45:20,880

remember it but i always think of ray

1244

00:45:25,510 --> 00:45:23,359

hernandez in the thing where his wife is

1245

00:45:27,670 --> 00:45:25,520

like this dramatic

1246

00:45:28,950 --> 00:45:27,680

quasi-spiritual experience with an et he

1247

00:45:31,510 --> 00:45:28,960

walks down the stairs and he gets

1248

00:45:34,150 --> 00:45:31,520

halfway downstairs he goes oh there's

1249

00:45:36,390 --> 00:45:34,160

nothing going on here i should go up and

1250

00:45:38,870 --> 00:45:36,400

go back to bed which you are walking

1251  
00:45:41,109 --> 00:45:38,880  
down the hallway and you're seeing these

1252  
00:45:43,190 --> 00:45:41,119  
lights you're like oh nothing going on

1253  
00:45:44,630 --> 00:45:43,200  
here or go back to bed well

1254  
00:45:46,950 --> 00:45:44,640  
in in

1255  
00:45:49,990 --> 00:45:46,960  
the case of kevin day

1256  
00:45:52,710 --> 00:45:50,000  
he is the guy in charge he is top gun

1257  
00:45:55,270 --> 00:45:52,720  
guy running all the radar and really

1258  
00:45:57,910 --> 00:45:55,280  
running all the planes that go up

1259  
00:46:00,790 --> 00:45:57,920  
they're on this operation for a week

1260  
00:46:01,750 --> 00:46:00,800  
these objects are trailing them for a

1261  
00:46:03,589 --> 00:46:01,760  
week

1262  
00:46:05,829 --> 00:46:03,599  
he later remembers

1263  
00:46:07,829 --> 00:46:05,839

and i asked him i said

1264

00:46:11,430 --> 00:46:07,839

kevin don't you think it's curious that

1265

00:46:14,390 --> 00:46:11,440

you didn't go to your co before that

1266

00:46:16,309 --> 00:46:14,400

and there's a long pause he goes yeah

1267

00:46:18,550 --> 00:46:16,319

that is kind of strange

1268

00:46:21,589 --> 00:46:18,560

i mean it's beyond strange it's green

1269

00:46:24,150 --> 00:46:21,599

memories strange you are running this

1270

00:46:26,470 --> 00:46:24,160

major drill out the ocean with all these

1271

00:46:28,710 --> 00:46:26,480

ships and you see these things and

1272

00:46:29,829 --> 00:46:28,720

they're keeping right alongside you for

1273

00:46:31,829 --> 00:46:29,839

days

1274

00:46:33,430 --> 00:46:31,839

you know and you don't do anything and

1275

00:46:34,870 --> 00:46:33,440

then the other part of it that i thought

1276  
00:46:36,550 --> 00:46:34,880  
is interesting and maybe you remember

1277  
00:46:38,710 --> 00:46:36,560  
this from the case or not but there's

1278  
00:46:40,390 --> 00:46:38,720  
this mental phenomenon thing like they

1279  
00:46:42,870 --> 00:46:40,400  
have this

1280  
00:46:46,470 --> 00:46:42,880  
meeting point in the sky that they'll go

1281  
00:46:48,950 --> 00:46:46,480  
right and they go there and there's e.t

1282  
00:46:50,790 --> 00:46:48,960  
so yeah waiting on them

1283  
00:46:52,069 --> 00:46:50,800  
so there's something going on at this

1284  
00:46:54,309 --> 00:46:52,079  
other realm and then the final thing

1285  
00:46:57,030 --> 00:46:54,319  
about kevin day's story is he has the

1286  
00:46:58,390 --> 00:46:57,040  
valet davis effect he is devastated

1287  
00:47:01,430 --> 00:46:58,400  
after this in a way that he doesn't even

1288  
00:47:03,670 --> 00:47:01,440

know he comes back to san diego and he

1289

00:47:05,670 --> 00:47:03,680

winds up going to the va and says i

1290

00:47:07,670 --> 00:47:05,680

don't know what this is a post-traumatic

1291

00:47:09,829 --> 00:47:07,680

stress but it doesn't feel like that

1292

00:47:11,990 --> 00:47:09,839

finally somebody comes along goes dude

1293

00:47:13,750 --> 00:47:12,000

you saw ufo that's what it is and you

1294

00:47:16,550 --> 00:47:13,760

have all these

1295

00:47:17,750 --> 00:47:16,560

you know strange kind of

1296

00:47:18,630 --> 00:47:17,760

so

1297

00:47:21,910 --> 00:47:18,640

no

1298

00:47:23,670 --> 00:47:21,920

the tic tac thing

1299

00:47:26,390 --> 00:47:23,680

and again you know the other thing kevin

1300

00:47:28,630 --> 00:47:26,400

daley i told you it's in his it's in his

1301  
00:47:30,470 --> 00:47:28,640  
security email on board the ship the day

1302  
00:47:32,390 --> 00:47:30,480  
after all the videos

1303  
00:47:34,710 --> 00:47:32,400  
so

1304  
00:47:37,190 --> 00:47:34,720  
i i don't know i mean what intrigues me

1305  
00:47:39,190 --> 00:47:37,200  
about it and the reason i keep pressing

1306  
00:47:40,870 --> 00:47:39,200  
it is these the issues we're dealing

1307  
00:47:43,030 --> 00:47:40,880  
with today you know

1308  
00:47:45,270 --> 00:47:43,040  
uh one world government you know don't

1309  
00:47:47,510 --> 00:47:45,280  
you don't really have to worry about the

1310  
00:47:49,670 --> 00:47:47,520  
united states anymore or we the people

1311  
00:47:51,430 --> 00:47:49,680  
or any of that this is the great

1312  
00:47:53,109 --> 00:47:51,440  
reset

1313  
00:47:55,190 --> 00:47:53,119

global government really does make the

1314

00:47:57,349 --> 00:47:55,200

most sense it particularly makes sense

1315

00:47:59,190 --> 00:47:57,359

from an et perspective from an at

1316

00:48:01,589 --> 00:47:59,200

perspective it's the only way to go you

1317

00:48:02,549 --> 00:48:01,599

know you don't need 147 little tribes

1318

00:48:04,470 --> 00:48:02,559

out there

1319

00:48:06,309 --> 00:48:04,480

with run around with hatchets it doesn't

1320

00:48:08,470 --> 00:48:06,319

make any sense it's the same thing with

1321

00:48:11,109 --> 00:48:08,480

the global warming nonsense yes the

1322

00:48:12,870 --> 00:48:11,119

climate i get it all that stuff but the

1323

00:48:15,109 --> 00:48:12,880

only thing here about global warming is

1324

00:48:17,030 --> 00:48:15,119

it's global you got to give up all your

1325

00:48:19,430 --> 00:48:17,040

rights and we're going to try track your

1326

00:48:21,270 --> 00:48:19,440

carbon and get in line all that seems to

1327

00:48:24,069 --> 00:48:21,280

be the agenda and then the transhuman

1328

00:48:26,309 --> 00:48:24,079

agenda you know take the jab do what we

1329

00:48:29,349 --> 00:48:26,319

say we're gonna

1330

00:48:31,829 --> 00:48:29,359

to me they've kind of that's the beauty

1331

00:48:33,910 --> 00:48:31,839

of what they did with the pandemic is if

1332

00:48:37,109 --> 00:48:33,920

there were any doubts that we had they

1333

00:48:38,710 --> 00:48:37,119

kind of laid out the plan and this is

1334

00:48:41,109 --> 00:48:38,720

the plan

1335

00:48:42,950 --> 00:48:41,119

and to me i just see direct

1336

00:48:45,910 --> 00:48:42,960

parallels to

1337

00:48:48,390 --> 00:48:45,920

disclosure again because it's global

1338

00:48:51,030 --> 00:48:48,400

it's like as soon as they advance that

1339

00:48:53,829 --> 00:48:51,040

agenda there's only one solution for it

1340

00:48:56,950 --> 00:48:53,839

it's not a u.s solution it's not a

1341

00:48:58,870 --> 00:48:56,960

russia solution it's a global solution

1342

00:49:00,790 --> 00:48:58,880

is that resonating with you or you just

1343

00:49:02,870 --> 00:49:00,800

don't like to talk about that stuff

1344

00:49:07,190 --> 00:49:02,880

well i i uh

1345

00:49:09,270 --> 00:49:07,200

yeah i i you know it's like star trek uh

1346

00:49:11,270 --> 00:49:09,280

federation of planets you know

1347

00:49:13,829 --> 00:49:11,280

and that's why that that i think that

1348

00:49:16,470 --> 00:49:13,839

show back in the 60s had so much

1349

00:49:18,549 --> 00:49:16,480

appeal to us because we're hopeful that

1350

00:49:21,030 --> 00:49:18,559

that's where we're headed you know

1351  
00:49:23,270 --> 00:49:21,040  
but here we are all these years later

1352  
00:49:24,150 --> 00:49:23,280  
thinking that we're

1353  
00:49:26,870 --> 00:49:24,160  
uh

1354  
00:49:28,829 --> 00:49:26,880  
we're becoming a more advanced society

1355  
00:49:30,950 --> 00:49:28,839  
you know we've had all these good

1356  
00:49:33,589 --> 00:49:30,960  
ideas that have

1357  
00:49:35,670 --> 00:49:33,599  
sprung up from things like that and then

1358  
00:49:37,510 --> 00:49:35,680  
and then we see

1359  
00:49:39,190 --> 00:49:37,520  
uh how people are

1360  
00:49:40,470 --> 00:49:39,200  
you know

1361  
00:49:42,870 --> 00:49:40,480  
are behaving

1362  
00:49:45,190 --> 00:49:42,880  
misbehaving and and

1363  
00:49:47,990 --> 00:49:45,200

you know other countries not uh not

1364

00:49:50,150 --> 00:49:48,000

wanting to get on board and uh

1365

00:49:52,390 --> 00:49:50,160

uh be a

1366

00:49:54,790 --> 00:49:52,400

be a part of uh

1367

00:49:57,190 --> 00:49:54,800

what really needs to be done and bring

1368

00:49:59,430 --> 00:49:57,200

all the tribes together so i i see over

1369

00:50:01,910 --> 00:49:59,440

there thinking

1370

00:50:04,630 --> 00:50:01,920

well you're not you're you're not giving

1371

00:50:06,390 --> 00:50:04,640

me much you're you're you which i get

1372

00:50:09,270 --> 00:50:06,400

you know i mean

1373

00:50:10,549 --> 00:50:09,280

anything you say is going to be

1374

00:50:12,870 --> 00:50:10,559

well number one it's going to piss

1375

00:50:14,549 --> 00:50:12,880

people off on one side or other and

1376

00:50:16,069 --> 00:50:14,559

number two it's

1377

00:50:19,270 --> 00:50:16,079

who knows

1378

00:50:21,670 --> 00:50:19,280

but man i think we gotta

1379

00:50:23,829 --> 00:50:21,680

we gotta settle up and and ride here and

1380

00:50:25,750 --> 00:50:23,839

figure out you know

1381

00:50:28,549 --> 00:50:25,760

lots of is happening really well

1382

00:50:30,309 --> 00:50:28,559

how are you processing the demonic uh

1383

00:50:33,190 --> 00:50:30,319

part of this uh again are you a

1384

00:50:35,829 --> 00:50:33,200

religious guy or are you uh

1385

00:50:37,990 --> 00:50:35,839

i'm not but i think the spirituality is

1386

00:50:40,630 --> 00:50:38,000

fundamental to this i look at people

1387

00:50:42,710 --> 00:50:40,640

drawing parallels with near-death

1388

00:50:44,950 --> 00:50:42,720

experience and other transformative

1389

00:50:47,270 --> 00:50:44,960

spiritual experiences and i'm like

1390

00:50:48,710 --> 00:50:47,280

i'm all for looking at the parallels

1391

00:50:50,390 --> 00:50:48,720

the next level is to look at the

1392

00:50:52,470 --> 00:50:50,400

difference is there differences is there

1393

00:50:55,030 --> 00:50:52,480

a moral imperative is there god is there

1394

00:50:57,390 --> 00:50:55,040

right and wrong because the message

1395

00:51:00,470 --> 00:50:57,400

that's being

1396

00:51:03,430 --> 00:51:00,480

consistently consistently

1397

00:51:05,510 --> 00:51:03,440

fed into the culture is a

1398

00:51:07,510 --> 00:51:05,520

crowley and do it thou wilt there really

1399

00:51:09,910 --> 00:51:07,520

is no right or wrong it's a moral

1400

00:51:12,470 --> 00:51:09,920

construct it's just you know

1401  
00:51:13,670 --> 00:51:12,480  
transhumanism no big deal

1402  
00:51:15,190 --> 00:51:13,680  
i don't know

1403  
00:51:16,950 --> 00:51:15,200  
how are you and all that

1404  
00:51:18,390 --> 00:51:16,960  
yeah we wrestle with a lot of these you

1405  
00:51:21,190 --> 00:51:18,400  
know that's what's so interesting really

1406  
00:51:22,549 --> 00:51:21,200  
about these experiences is they uh

1407  
00:51:24,470 --> 00:51:22,559  
they

1408  
00:51:27,430 --> 00:51:24,480  
it's not just

1409  
00:51:29,349 --> 00:51:27,440  
the simplified version of ufology that i

1410  
00:51:32,150 --> 00:51:29,359  
initially thought it was

1411  
00:51:34,309 --> 00:51:32,160  
and uh i did it one time

1412  
00:51:37,430 --> 00:51:34,319  
uh decide to

1413  
00:51:41,670 --> 00:51:37,440

join a group up in maine back in uh may

1414

00:51:44,309 --> 00:51:41,680  
of 1975 accepted christ in my life

1415

00:51:47,510 --> 00:51:44,319  
uh and uh i'm sure it looks like a

1416

00:51:50,230 --> 00:51:47,520  
backslidden since then but uh i was you

1417

00:51:52,790 --> 00:51:50,240  
know keel was actually a lifelong

1418

00:51:54,630 --> 00:51:52,800  
atheist although said said sometimes he

1419

00:51:56,309 --> 00:51:54,640  
he told some that he thought maybe every

1420

00:51:57,990 --> 00:51:56,319  
once in a while he'd be an agnostic you

1421

00:51:59,190 --> 00:51:58,000  
know just in case you might be a little

1422

00:52:01,510 --> 00:51:59,200  
wrong but

1423

00:52:03,030 --> 00:52:01,520  
he uh he considered himself

1424

00:52:04,950 --> 00:52:03,040  
instead of a ufologist more of a

1425

00:52:06,069 --> 00:52:04,960  
demonologist because he was often trying

1426  
00:52:08,150 --> 00:52:06,079  
to help

1427  
00:52:09,750 --> 00:52:08,160  
contactees and experiences who fought

1428  
00:52:13,349 --> 00:52:09,760  
felt that they were being manipulated

1429  
00:52:14,549 --> 00:52:13,359  
and used by a devious intelligence

1430  
00:52:16,790 --> 00:52:14,559  
that wasn't

1431  
00:52:18,710 --> 00:52:16,800  
doing things for their best interest

1432  
00:52:20,710 --> 00:52:18,720  
and i asked him one time and we were

1433  
00:52:22,790 --> 00:52:20,720  
talking on the phone i said what about

1434  
00:52:25,750 --> 00:52:22,800  
and this is in my book uh how about

1435  
00:52:27,670 --> 00:52:25,760  
these cases of uh angels and such a way

1436  
00:52:29,829 --> 00:52:27,680  
it seems to have a positive spin and he

1437  
00:52:32,630 --> 00:52:29,839  
says yeah but they always end up sour in

1438  
00:52:34,950 --> 00:52:32,640

the end he said you know in his view so

1439

00:52:35,829 --> 00:52:34,960

he didn't really see

1440

00:52:38,069 --> 00:52:35,839

uh

1441

00:52:40,549 --> 00:52:38,079

a lot of a lot of hope there

1442

00:52:42,390 --> 00:52:40,559

but you know

1443

00:52:45,030 --> 00:52:42,400

my wife is pot native american we used

1444

00:52:46,790 --> 00:52:45,040

to have a sweat lodge in our backyard uh

1445

00:52:49,750 --> 00:52:46,800

we've uh

1446

00:52:51,349 --> 00:52:49,760

in fact when we first met i

1447

00:52:53,349 --> 00:52:51,359

drove her up to pennsylvania we met a

1448

00:52:54,309 --> 00:52:53,359

sequona hock medicine man who claimed he

1449

00:52:56,549 --> 00:52:54,319

was

1450

00:52:58,630 --> 00:52:56,559

having uh e.t encounters in fact they

1451  
00:53:00,950 --> 00:52:58,640  
were part of his tribe's folklore the

1452  
00:53:03,430 --> 00:53:00,960  
eudusqua he called them they were very

1453  
00:53:06,069 --> 00:53:03,440  
tall beings and they

1454  
00:53:07,990 --> 00:53:06,079  
his wife even uh drew out on an envelope

1455  
00:53:09,910 --> 00:53:08,000  
picture of the craft that landed behind

1456  
00:53:12,069 --> 00:53:09,920  
their house she said and this was like

1457  
00:53:13,990 --> 00:53:12,079  
back in 1961

1458  
00:53:15,910 --> 00:53:14,000  
and they came in they had to bend over

1459  
00:53:17,270 --> 00:53:15,920  
because you know they were so tall that

1460  
00:53:18,470 --> 00:53:17,280  
they were gonna bump their heads on the

1461  
00:53:21,270 --> 00:53:18,480  
door

1462  
00:53:22,470 --> 00:53:21,280  
and uh he said then they they spoke to

1463  
00:53:24,710 --> 00:53:22,480

him

1464

00:53:26,870 --> 00:53:24,720

and he told me uh you know a lot of his

1465

00:53:29,589 --> 00:53:26,880

his stories and so i've been very

1466

00:53:32,390 --> 00:53:29,599

interested since then and and uh what

1467

00:53:34,630 --> 00:53:32,400

native americans have to say and shamans

1468

00:53:36,309 --> 00:53:34,640

medicine men or whatever and not just of

1469

00:53:38,069 --> 00:53:36,319

native american culture but i mean it's

1470

00:53:40,390 --> 00:53:38,079

they're actually

1471

00:53:42,710 --> 00:53:40,400

shamanic cultures going way back all

1472

00:53:45,670 --> 00:53:42,720

over the world that have stories that

1473

00:53:48,309 --> 00:53:45,680

relate to these kind of elements

1474

00:53:50,710 --> 00:53:48,319

contact with the sky beings beings who

1475

00:53:53,190 --> 00:53:50,720

came down from the heavens and

1476  
00:53:56,069 --> 00:53:53,200  
communicated with the people maybe

1477  
00:53:57,750 --> 00:53:56,079  
prophets shamans and instructed them on

1478  
00:54:00,230 --> 00:53:57,760  
how to

1479  
00:54:02,950 --> 00:54:00,240  
try to develop a better a better life

1480  
00:54:05,270 --> 00:54:02,960  
taught them things about

1481  
00:54:06,309 --> 00:54:05,280  
harvesting plants

1482  
00:54:10,390 --> 00:54:06,319  
how to

1483  
00:54:12,390 --> 00:54:10,400  
build houses or pyramids or whatever and

1484  
00:54:14,470 --> 00:54:12,400  
you know trying to take all that into

1485  
00:54:16,470 --> 00:54:14,480  
consideration along with people who

1486  
00:54:17,670 --> 00:54:16,480  
claim to be channelers mediums and what

1487  
00:54:20,470 --> 00:54:17,680  
they get

1488  
00:54:22,230 --> 00:54:20,480

uh and then there's you know of course

1489

00:54:23,270 --> 00:54:22,240

there's the trickster elements you know

1490

00:54:26,549 --> 00:54:23,280

and

1491

00:54:29,030 --> 00:54:26,559

uh there's a being that uh as greg would

1492

00:54:30,870 --> 00:54:29,040

greg little would tell you uh here

1493

00:54:33,430 --> 00:54:30,880

that uh like in the

1494

00:54:35,589 --> 00:54:33,440

in the beginning of a vision quest or

1495

00:54:37,750 --> 00:54:35,599

when someone's first encountering say a

1496

00:54:39,990 --> 00:54:37,760

ufo being or a spirit or whatever it may

1497

00:54:42,390 --> 00:54:40,000

be there's a trickster element where

1498

00:54:44,150 --> 00:54:42,400

it seems like maybe it's testing you to

1499

00:54:46,309 --> 00:54:44,160

determine what your intentions are

1500

00:54:48,549 --> 00:54:46,319

whether you're worthy of

1501  
00:54:50,470 --> 00:54:48,559  
true information or if you're just an

1502  
00:54:52,069 --> 00:54:50,480  
egotistical person

1503  
00:54:53,990 --> 00:54:52,079  
who has ulterior motives that aren't

1504  
00:54:56,309 --> 00:54:54,000  
really exactly spiritual

1505  
00:54:57,430 --> 00:54:56,319  
so there's the test phase

1506  
00:54:59,910 --> 00:54:57,440  
and uh

1507  
00:55:03,750 --> 00:54:59,920  
he always felt that uh betty anderson

1508  
00:55:05,829 --> 00:55:03,760  
luca was a perhaps a good contactee case

1509  
00:55:07,589 --> 00:55:05,839  
example of that in the beginning her

1510  
00:55:11,030 --> 00:55:07,599  
experiences were very

1511  
00:55:12,950 --> 00:55:11,040  
frightening to her and then over time

1512  
00:55:15,670 --> 00:55:12,960  
they seemed to strengthen her christian

1513  
00:55:18,150 --> 00:55:15,680

beliefs and she

1514

00:55:20,230 --> 00:55:18,160

had a level of acceptance so he felt

1515

00:55:22,150 --> 00:55:20,240

that as you

1516

00:55:23,990 --> 00:55:22,160

uh if you could navigate around the

1517

00:55:26,549 --> 00:55:24,000

trickster which you said that

1518

00:55:28,549 --> 00:55:26,559

the late carl young said that shamans

1519

00:55:30,309 --> 00:55:28,559

were that was their

1520

00:55:33,589 --> 00:55:30,319

their deal they always tried to navigate

1521

00:55:35,670 --> 00:55:33,599

around the trickster who could either

1522

00:55:38,390 --> 00:55:35,680

direct them to higher levels of truth

1523

00:55:40,150 --> 00:55:38,400

and understanding or could uh

1524

00:55:43,349 --> 00:55:40,160

you know

1525

00:55:46,470 --> 00:55:43,359

delusions and

1526

00:55:48,710 --> 00:55:46,480

leave them where they found them

1527

00:55:51,109 --> 00:55:48,720

you know i got really interested in the

1528

00:55:52,630 --> 00:55:51,119

near-death experience stuff and

1529

00:55:55,430 --> 00:55:52,640

researching that

1530

00:55:57,190 --> 00:55:55,440

again because i i got interested in just

1531

00:56:00,069 --> 00:55:57,200

the the christian stuff too because the

1532

00:56:02,630 --> 00:56:00,079

christian stuff i don't know how you

1533

00:56:04,470 --> 00:56:02,640

pack that back in but to me there's a

1534

00:56:06,789 --> 00:56:04,480

history there that you got to deal with

1535

00:56:08,549 --> 00:56:06,799

there's dogma that you have to deal with

1536

00:56:10,710 --> 00:56:08,559

that doesn't square with history you

1537

00:56:15,510 --> 00:56:10,720

know the historical jesus like i am

1538

00:56:17,990 --> 00:56:15,520

totally uh accepting of anyone who has

1539

00:56:19,510 --> 00:56:18,000

a christ consciousness experience

1540

00:56:20,630 --> 00:56:19,520

i'm not accepting of it because i'm a

1541

00:56:24,069 --> 00:56:20,640

nice guy

1542

00:56:26,710 --> 00:56:24,079

of it because the evidence is pretty

1543

00:56:28,549 --> 00:56:26,720

substantial that people have had these

1544

00:56:30,390 --> 00:56:28,559

christ consciousness experiences that

1545

00:56:31,990 --> 00:56:30,400

they're transformative

1546

00:56:33,750 --> 00:56:32,000

in ways that we can kind of measure from

1547

00:56:35,829 --> 00:56:33,760

a social science standpoint their life

1548

00:56:37,589 --> 00:56:35,839

changes everyone around them says their

1549

00:56:40,870 --> 00:56:37,599

life changed and it stays for a long

1550

00:56:43,190 --> 00:56:40,880

time that is real the the history of

1551

00:56:45,349 --> 00:56:43,200

jesus just doesn't hold up the books

1552

00:56:47,030 --> 00:56:45,359

don't hold up there's all sorts of roman

1553

00:56:50,069 --> 00:56:47,040

manipulation that's

1554

00:56:51,670 --> 00:56:50,079

pretty clear when you look at it and i'm

1555

00:56:53,589 --> 00:56:51,680

writing writing a book with some other

1556

00:56:56,309 --> 00:56:53,599

people on that right now it's just it's

1557

00:56:58,789 --> 00:56:56,319

just clear it's just clear that it was a

1558

00:57:02,150 --> 00:56:58,799

psyop social engineering program that

1559

00:57:04,549 --> 00:57:02,160

they did all the time why not why

1560

00:57:06,150 --> 00:57:04,559

better than using sticks and stones and

1561

00:57:09,270 --> 00:57:06,160

swords to

1562

00:57:10,710 --> 00:57:09,280

you know subjugate a population

1563

00:57:12,789 --> 00:57:10,720

give them give them the religion and

1564

00:57:14,470 --> 00:57:12,799

this and that doesn't mean that christ

1565

00:57:16,950 --> 00:57:14,480

but that none of that doesn't mean that

1566

00:57:18,549 --> 00:57:16,960

christ consciousness isn't real that

1567

00:57:19,910 --> 00:57:18,559

whatever whatever that means right so

1568

00:57:21,109 --> 00:57:19,920

i'm interviewing this guy david

1569

00:57:23,030 --> 00:57:21,119

ditchfield

1570

00:57:25,430 --> 00:57:23,040

terrific guy has written a book saw

1571

00:57:27,990 --> 00:57:25,440

jesus in his near-death experience many

1572

00:57:30,549 --> 00:57:28,000

many people have seen have had a direct

1573

00:57:32,390 --> 00:57:30,559

experience with jesus it always kind of

1574

00:57:34,309 --> 00:57:32,400

confuses me a little bit when i talk to

1575

00:57:36,710 --> 00:57:34,319

these people i go you experience christ

1576

00:57:38,870 --> 00:57:36,720

conscious and they go no no it was jesus

1577

00:57:41,829 --> 00:57:38,880

like okay well you know jesus is a

1578

00:57:43,270 --> 00:57:41,839

historical figure that lived 2 000 years

1579

00:57:45,030 --> 00:57:43,280

ago so

1580

00:57:46,710 --> 00:57:45,040

are you talking to me about like time

1581

00:57:48,630 --> 00:57:46,720

slip or something like that they go no

1582

00:57:50,789 --> 00:57:48,640

it was so you're talking about this

1583

00:57:53,589 --> 00:57:50,799

being in this extended consciousness

1584

00:57:55,270 --> 00:57:53,599

that's jesus okay i'm okay with that but

1585

00:57:57,990 --> 00:57:55,280

let's be clear that is christ

1586

00:57:59,990 --> 00:57:58,000

consciousness or you put another term on

1587

00:58:02,309 --> 00:58:00,000

it the point of the story is i go to

1588

00:58:07,109 --> 00:58:02,319

david

1589

00:58:09,990 --> 00:58:07,119  
countered it had a mediumistic

1590

00:58:11,270 --> 00:58:10,000  
experience they saw jesus too

1591

00:58:13,270 --> 00:58:11,280  
i said david you know i've talked to a

1592

00:58:15,990 --> 00:58:13,280  
lot of near-death experiencers that have

1593

00:58:17,430 --> 00:58:16,000  
had multiple near-death experiences

1594

00:58:19,750 --> 00:58:17,440  
and some of them

1595

00:58:21,750 --> 00:58:19,760  
initially thought it was jesus and then

1596

00:58:23,910 --> 00:58:21,760  
later felt that maybe there was

1597

00:58:26,870 --> 00:58:23,920  
something more

1598

00:58:29,349 --> 00:58:26,880  
and he paused for a minute he goes

1599

00:58:31,829 --> 00:58:29,359  
there might be something more

1600

00:58:34,549 --> 00:58:31,839  
so this has been one of my

1601  
00:58:37,510 --> 00:58:34,559  
areas of interest because like the only

1602  
00:58:39,030 --> 00:58:37,520  
reason i do this freaking show

1603  
00:58:41,430 --> 00:58:39,040  
because i've done it for a long time

1604  
00:58:42,870 --> 00:58:41,440  
like you i'm not a long i don't have the

1605  
00:58:44,710 --> 00:58:42,880  
history that you do

1606  
00:58:47,109 --> 00:58:44,720  
but i want to know

1607  
00:58:49,349 --> 00:58:47,119  
how to live my life better

1608  
00:58:51,990 --> 00:58:49,359  
i want to know who i am what i'm here

1609  
00:58:53,750 --> 00:58:52,000  
why i'm here and what decisions i should

1610  
00:58:55,829 --> 00:58:53,760  
make you know

1611  
00:58:57,430 --> 00:58:55,839  
and fundamental to that is is there a

1612  
00:58:59,030 --> 00:58:57,440  
moral imperative

1613  
00:59:00,309 --> 00:58:59,040

is there a hierarchy to this

1614

00:59:03,270 --> 00:59:00,319

consciousness

1615

00:59:05,589 --> 00:59:03,280

is there good and evil

1616

00:59:08,950 --> 00:59:05,599

and i think there is

1617

00:59:11,109 --> 00:59:08,960

and i get pissed off when people

1618

00:59:12,789 --> 00:59:11,119

do the crowley aleister crowley and

1619

00:59:14,630 --> 00:59:12,799

we'll do what thou wilt because really

1620

00:59:16,870 --> 00:59:14,640

there's no i don't see the evidence for

1621

00:59:18,470 --> 00:59:16,880

that i see the evidence for

1622

00:59:20,710 --> 00:59:18,480

hierarchy of consciousness moral

1623

00:59:22,710 --> 00:59:20,720

imperative there is god there is good i

1624

00:59:25,109 --> 00:59:22,720

see it all over the place

1625

00:59:27,349 --> 00:59:25,119

but i don't see it in a strict reading

1626  
00:59:29,109 --> 00:59:27,359  
of christianity to me you want to talk

1627  
00:59:31,670 --> 00:59:29,119  
about trickster it's like

1628  
00:59:33,190 --> 00:59:31,680  
it's a history of tricksterism

1629  
00:59:35,270 --> 00:59:33,200  
so

1630  
00:59:36,069 --> 00:59:35,280  
this is the stuff i think that we have

1631  
00:59:40,390 --> 00:59:36,079  
to

1632  
00:59:43,270 --> 00:59:40,400  
and uh

1633  
00:59:45,270 --> 00:59:43,280  
e.t only confuses the issue

1634  
00:59:47,430 --> 00:59:45,280  
even the shamanic experiences that

1635  
00:59:49,349 --> 00:59:47,440  
you're talking about i mean you know the

1636  
00:59:51,030 --> 00:59:49,359  
the the starting point for the for the

1637  
00:59:53,190 --> 00:59:51,040  
shamatic thing is

1638  
00:59:55,190 --> 00:59:53,200

great you got all this info

1639

00:59:57,270 --> 00:59:55,200

and they still came in and trampled over

1640

00:59:59,910 --> 00:59:57,280

your culture and just destroyed you you

1641

01:00:00,630 --> 00:59:59,920

know it just destroyed you

1642

01:00:04,069 --> 01:00:00,640

why

1643

01:00:06,309 --> 01:00:04,079

and that's the question we could ask

1644

01:00:09,109 --> 01:00:06,319

about god all the time you know why does

1645

01:00:10,470 --> 01:00:09,119

god seem indifferent but times when he

1646

01:00:12,470 --> 01:00:10,480

should be

1647

01:00:15,030 --> 01:00:12,480

joining on the side of the good those

1648

01:00:17,589 --> 01:00:15,040

are questions we'll never answer but i i

1649

01:00:21,190 --> 01:00:17,599

still feel compelled to try and poke at

1650

01:00:23,990 --> 01:00:21,200

those questions and nudge closer about

1651

01:00:26,470 --> 01:00:24,000

is there good or evil is there god is

1652

01:00:28,470 --> 01:00:26,480

this how is that working in this data

1653

01:00:29,349 --> 01:00:28,480

we're collecting

1654

01:00:32,150 --> 01:00:29,359

there's

1655

01:00:34,789 --> 01:00:32,160

physics and consciousness it's

1656

01:00:37,990 --> 01:00:34,799

it's the two areas

1657

01:00:40,470 --> 01:00:38,000

that really we need really serious

1658

01:00:43,750 --> 01:00:40,480

focus and attention scientists

1659

01:00:45,829 --> 01:00:43,760

the academics that are jumping on this

1660

01:00:47,990 --> 01:00:45,839

but yet you know

1661

01:00:50,470 --> 01:00:48,000

what is the x factor that unites me like

1662

01:00:51,270 --> 01:00:50,480

synchronicity non-causal

1663

01:00:53,670 --> 01:00:51,280

uh

1664

01:00:56,150 --> 01:00:53,680

coincidence there's something there that

1665

01:00:58,230 --> 01:00:56,160

seems to connect

1666

01:01:00,710 --> 01:00:58,240

but yet it's it's you know we don't

1667

01:01:03,349 --> 01:01:00,720

really know what it is yet uh we haven't

1668

01:01:05,349 --> 01:01:03,359

yet identified

1669

01:01:08,470 --> 01:01:05,359

what this is we know that

1670

01:01:09,910 --> 01:01:08,480

when a person has an experience

1671

01:01:11,349 --> 01:01:09,920

because like near-death experiences

1672

01:01:12,870 --> 01:01:11,359

carlos solces

1673

01:01:15,430 --> 01:01:12,880

and one of his colleagues wrote a book

1674

01:01:17,510 --> 01:01:15,440

about uh cases of near-death experiences

1675

01:01:18,630 --> 01:01:17,520

in india and then compared them to near

1676

01:01:20,390 --> 01:01:18,640

to experience the united states and

1677

01:01:22,230 --> 01:01:20,400

there were variances you know they would

1678

01:01:24,710 --> 01:01:22,240

they would be seeing buddha or something

1679

01:01:26,069 --> 01:01:24,720

would see christ and yet there were

1680

01:01:28,549 --> 01:01:26,079

similarities and there were slight

1681

01:01:31,589 --> 01:01:28,559

differences affected by culture a person

1682

01:01:33,829 --> 01:01:31,599

has a ufo contact experience

1683

01:01:36,069 --> 01:01:33,839

or in you know like all these other

1684

01:01:38,230 --> 01:01:36,079

experiences and

1685

01:01:40,150 --> 01:01:38,240

it seems to be like it seems like an

1686

01:01:41,349 --> 01:01:40,160

intelligence interacting

1687

01:01:43,829 --> 01:01:41,359

but also

1688

01:01:46,309 --> 01:01:43,839

it affects uh you know it conforms to

1689

01:01:47,430 --> 01:01:46,319

our expectations and things and that's

1690

01:01:48,870 --> 01:01:47,440

how it gets

1691

01:01:51,430 --> 01:01:48,880

gets

1692

01:01:52,950 --> 01:01:51,440

by us and embedded in our our thoughts

1693

01:01:54,230 --> 01:01:52,960

and our lives

1694

01:01:55,829 --> 01:01:54,240

and uh

1695

01:01:58,069 --> 01:01:55,839

so i think it could be

1696

01:01:59,589 --> 01:01:58,079

an actual interactive intelligence and

1697

01:02:02,710 --> 01:01:59,599

then it waits to see how we're going to

1698

01:02:04,390 --> 01:02:02,720

react and yet it can read us and so then

1699

01:02:07,750 --> 01:02:04,400

it uh

1700

01:02:09,670 --> 01:02:07,760

you know it goes from there and

1701

01:02:13,349 --> 01:02:09,680

we don't really know sometimes how much

1702

01:02:15,270 --> 01:02:13,359

is it and how much is us

1703

01:02:16,710 --> 01:02:15,280

like that uh like a gentleman you just

1704

01:02:18,150 --> 01:02:16,720

talked about like you know you had to

1705

01:02:21,750 --> 01:02:18,160

point it out to him do you really think

1706

01:02:23,349 --> 01:02:21,760

that is christ or a representation of

1707

01:02:24,470 --> 01:02:23,359

christ consciousness something else

1708

01:02:27,430 --> 01:02:24,480

higher or

1709

01:02:28,390 --> 01:02:27,440

or is it part of your own unconscious

1710

01:02:30,549 --> 01:02:28,400

that's

1711

01:02:32,390 --> 01:02:30,559

you know your expectations of what you

1712

01:02:35,109 --> 01:02:32,400

you've been told was

1713

01:02:36,789 --> 01:02:35,119

was the real deal here what uh your you

1714

01:02:39,510 --> 01:02:36,799

were told or your condition through your

1715

01:02:41,589 --> 01:02:39,520

culture or spiritual background is the

1716

01:02:42,950 --> 01:02:41,599

answer or you know

1717

01:02:45,349 --> 01:02:42,960

because a lot of people enter these

1718

01:02:48,870 --> 01:02:45,359

experiences unexpectedly

1719

01:02:50,950 --> 01:02:48,880

and their brain is like trying

1720

01:02:52,789 --> 01:02:50,960

desperately i'm sure to

1721

01:02:56,069 --> 01:02:52,799

put this in some kind of a

1722

01:02:57,510 --> 01:02:56,079

context or or framework

1723

01:02:58,549 --> 01:02:57,520

and

1724

01:03:00,549 --> 01:02:58,559

so

1725

01:03:02,549 --> 01:03:00,559

i find myself

1726

01:03:04,950 --> 01:03:02,559

trying to connect the dots but also at

1727

01:03:06,630 --> 01:03:04,960

the same time i have a hesitancy to just

1728

01:03:07,829 --> 01:03:06,640

jump in and say

1729

01:03:08,630 --> 01:03:07,839

aha

1730

01:03:13,270 --> 01:03:08,640

it's

1731

01:03:15,510 --> 01:03:13,280

certainty and uh

1732

01:03:17,029 --> 01:03:15,520

keel was certainly a good

1733

01:03:19,670 --> 01:03:17,039

i realized

1734

01:03:22,470 --> 01:03:19,680

a good springboard to use to actually

1735

01:03:24,069 --> 01:03:22,480

delve into things and interview people

1736

01:03:26,309 --> 01:03:24,079

who had known him

1737

01:03:28,069 --> 01:03:26,319

and actually take my own

1738

01:03:30,150 --> 01:03:28,079

involvement tutor

1739

01:03:31,910 --> 01:03:30,160

to say yes these are really valid areas

1740

01:03:33,109 --> 01:03:31,920

to look into and there's still so much

1741

01:03:34,390 --> 01:03:33,119

that we

1742

01:03:36,390 --> 01:03:34,400

don't know

1743

01:03:38,789 --> 01:03:36,400

and it would be it's like a spiritual

1744

01:03:40,230 --> 01:03:38,799

journey you're going through it i'm

1745

01:03:41,829 --> 01:03:40,240

going through it lots of people are

1746

01:03:43,829 --> 01:03:41,839

going through it and

1747

01:03:46,549 --> 01:03:43,839

and sometimes it's like beating our head

1748

01:03:49,750 --> 01:03:46,559

into a wall trying to uh

1749

01:03:52,069 --> 01:03:49,760

address the contradictions and the

1750

01:03:54,390 --> 01:03:52,079

yeah i just read some discussions people

1751

01:03:56,150 --> 01:03:54,400

had on facebook about

1752

01:03:57,910 --> 01:03:56,160

uh the bible and different things it

1753

01:04:00,549 --> 01:03:57,920

says that contradict one another says a

1754

01:04:03,190 --> 01:04:00,559

book of contradictions it's very

1755

01:04:05,349 --> 01:04:03,200

very difficult to you know and then was

1756

01:04:07,029 --> 01:04:05,359

a native american who

1757

01:04:10,549 --> 01:04:07,039

uh was telling

1758

01:04:12,390 --> 01:04:10,559

my wife and i one time says

1759

01:04:15,029 --> 01:04:12,400

peter paul and mary you know in the

1760

01:04:16,870 --> 01:04:15,039

bible those are really good uh catholic

1761

01:04:20,789 --> 01:04:16,880

names

1762

01:04:23,029 --> 01:04:20,799

know you would expect from that part of

1763

01:04:24,710 --> 01:04:23,039

the world and there's a lot of

1764

01:04:26,630 --> 01:04:24,720

a lot of good questions that sometimes

1765

01:04:27,750 --> 01:04:26,640

it takes someone from another culture to

1766

01:04:30,069 --> 01:04:27,760

really

1767

01:04:32,390 --> 01:04:30,079

framework correctly where you say oh

1768

01:04:34,309 --> 01:04:32,400

well yeah i guess you know but when you

1769

01:04:35,349 --> 01:04:34,319

grow up with it sometimes you're just

1770

01:04:37,910 --> 01:04:35,359

sort of

1771

01:04:39,670 --> 01:04:37,920

you're too relaxed in your acceptance of

1772

01:04:41,990 --> 01:04:39,680

different things

1773

01:04:44,870 --> 01:04:42,000

and then something like

1774

01:04:47,829 --> 01:04:44,880

i know keloids wrote in different plot

1775

01:04:49,270 --> 01:04:47,839

parts you know say you're out one day

1776

01:04:50,470 --> 01:04:49,280

strolling around your

1777

01:04:52,870 --> 01:04:50,480

yard and

1778

01:04:55,990 --> 01:04:52,880

suddenly this flying saucer looks like a

1779

01:04:58,470 --> 01:04:56,000

flying saw some lands and this uh

1780

01:05:00,470 --> 01:04:58,480

silver suited humanoid being walks up to

1781

01:05:02,549 --> 01:05:00,480

you and tells us from venus

1782

01:05:04,789 --> 01:05:02,559

at that point are you going to say

1783

01:05:05,910 --> 01:05:04,799

you're not real you know

1784

01:05:07,910 --> 01:05:05,920

you're going to become one of those

1785

01:05:08,789 --> 01:05:07,920

space-age messiahs you know you're gonna

1786

01:05:13,670 --> 01:05:08,799

be

1787

01:05:14,789 --> 01:05:13,680

and uh

1788

01:05:19,270 --> 01:05:14,799

how do you

1789

01:05:21,510 --> 01:05:19,280

that you know so

1790

01:05:24,470 --> 01:05:21,520

bravo you know like like you said brent

1791

01:05:26,789 --> 01:05:24,480

yeah you're on the spiritual journey

1792

01:05:29,029 --> 01:05:26,799

yeah and i can't really advise you know

1793

01:05:31,589 --> 01:05:29,039

i think that

1794

01:05:33,109 --> 01:05:31,599

you know and then i'm

1795

01:05:34,789 --> 01:05:33,119

i still find

1796

01:05:36,870 --> 01:05:34,799

it's it's hard for me to advise anyone

1797

01:05:40,710 --> 01:05:36,880

else exactly you know

1798

01:05:42,549 --> 01:05:40,720

and a real clear path to take because i

1799

01:05:46,150 --> 01:05:42,559

think you have to

1800

01:05:48,710 --> 01:05:46,160

it's got to be a kind of a pathway you

1801

01:05:52,390 --> 01:05:48,720

have to allow yourself to kind of

1802

01:05:55,190 --> 01:05:52,400

mix things up and ask the questions like

1803

01:05:56,150 --> 01:05:55,200

you've been asking and the questions you

1804

01:05:58,950 --> 01:05:56,160

know that

1805

01:06:02,390 --> 01:05:58,960

a lot of people just get on one path

1806

01:06:03,670 --> 01:06:02,400

and they stick there and uh

1807

01:06:16,950 --> 01:06:03,680

i

1808

01:06:18,710 --> 01:06:16,960

and

1809

01:06:20,950 --> 01:06:18,720

you know keel uh

1810

01:06:23,270 --> 01:06:20,960

to at the end kiel wrote me and said uh

1811

01:06:25,270 --> 01:06:23,280

after my my book uh my first book

1812

01:06:28,230 --> 01:06:25,280

visitors from hidden realms

1813

01:06:30,309 --> 01:06:28,240

uh came out 2004 i sent him a copy of my

1814

01:06:32,630 --> 01:06:30,319

book and he said that essentially

1815

01:06:35,109 --> 01:06:32,640

i had followed a path that he had but he

1816

01:06:37,750 --> 01:06:35,119

said in the end we don't know we really

1817

01:06:39,190 --> 01:06:37,760

don't know anymore i said churches are

1818

01:06:41,589 --> 01:06:39,200

are not really

1819

01:06:42,549 --> 01:06:41,599

our religions have failed us and all and

1820

01:06:45,430 --> 01:06:42,559

uh

1821

01:06:47,510 --> 01:06:45,440

we don't have any definite solid answers

1822

01:06:50,630 --> 01:06:47,520

uh he said the best that i could offer

1823

01:06:51,829 --> 01:06:50,640

in my writings was speculation and you

1824

01:06:52,710 --> 01:06:51,839

know

1825

01:06:54,870 --> 01:06:52,720

uh

1826

01:06:56,789 --> 01:06:54,880

it was kind of a you know a heartfelt

1827

01:06:59,190 --> 01:06:56,799

and somewhat uh

1828

01:07:00,470 --> 01:06:59,200

depressing letter i felt that he that he

1829

01:07:02,710 --> 01:07:00,480

had written you know

1830

01:07:03,750 --> 01:07:02,720

but uh well that's an atheist

1831

01:07:04,870 --> 01:07:03,760

you know

1832

01:07:06,309 --> 01:07:04,880

that's

1833

01:07:09,270 --> 01:07:06,319

there's no hope

1834

01:07:11,109 --> 01:07:09,280

yeah and i i certainly you know i i

1835

01:07:13,270 --> 01:07:11,119

always tell people i want to be a little

1836

01:07:16,549 --> 01:07:13,280

more upbeat positive than keel laws even

1837

01:07:18,069 --> 01:07:16,559

though i i highly respected you know the

1838

01:07:19,829 --> 01:07:18,079

the direction that he took and i

1839

01:07:21,589 --> 01:07:19,839

understand the complications and

1840

01:07:23,829 --> 01:07:21,599

contradictions

1841

01:07:27,029 --> 01:07:23,839

that uh

1842

01:07:29,270 --> 01:07:27,039

that befall us all in trying to

1843

01:07:32,069 --> 01:07:29,280

tie this up into a neat little package i

1844

01:07:33,750 --> 01:07:32,079

mean they're really in their minds a lot

1845

01:07:36,470 --> 01:07:33,760

of people think they've got that package

1846

01:07:37,829 --> 01:07:36,480

but in my mind it's it's very complex

1847

01:07:40,829 --> 01:07:37,839

and uh

1848

01:07:42,789 --> 01:07:40,839

a lot of it's very tricky trick

1849

01:07:44,950 --> 01:07:42,799

trickster-like yeah

1850

01:07:46,950 --> 01:07:44,960

yeah we'll we'll we'll head towards

1851

01:07:50,309 --> 01:07:46,960

wrapping it up but i can't resist you

1852

01:07:53,190 --> 01:07:50,319

know one of my fav fame favorite

1853

01:07:56,789 --> 01:07:53,200

points on that is uh

1854

01:07:59,190 --> 01:07:56,799

albert camus who uh philosopher

1855

01:08:00,710 --> 01:07:59,200

uh and it this could kind of be

1856

01:08:02,549 --> 01:08:00,720

interpreted a lot of different ways but

1857

01:08:04,230 --> 01:08:02,559

there's only one philosophical question

1858

01:08:05,750 --> 01:08:04,240

suicide

1859

01:08:08,150 --> 01:08:05,760

and that's what i always lay out to

1860

01:08:09,510 --> 01:08:08,160

atheists it's like really you think life

1861

01:08:10,390 --> 01:08:09,520

is meaningless

1862

01:08:11,829 --> 01:08:10,400

you think

1863

01:08:13,349 --> 01:08:11,839

you're a biological robot and

1864

01:08:14,870 --> 01:08:13,359

meaningless universe

1865

01:08:16,390 --> 01:08:14,880

no you don't

1866

01:08:19,590 --> 01:08:16,400

you got up you took your head off the

1867

01:08:22,630 --> 01:08:19,600

pillow today you made that decision so

1868

01:08:25,349 --> 01:08:22,640

don't tell me this agnostic

1869

01:08:27,749 --> 01:08:25,359

you're not agnostic you're here

1870

01:08:28,630 --> 01:08:27,759

you took another breath you took another

1871

01:08:31,110 --> 01:08:28,640

step

1872

01:08:33,590 --> 01:08:31,120

you're a believer just like me you just

1873

01:08:35,829 --> 01:08:33,600

want to play hide and seek with well i'm

1874

01:08:38,070 --> 01:08:35,839

not really sure i don't really know kind

1875

01:08:38,870 --> 01:08:38,080

of stuff i like the believers whether

1876

01:08:41,669 --> 01:08:38,880

they're

1877

01:08:44,390 --> 01:08:41,679

christians or

1878

01:08:45,910 --> 01:08:44,400

cherokee or whatever the hell

1879

01:08:47,749 --> 01:08:45,920

what else can you be other than a

1880

01:08:50,829 --> 01:08:47,759

believer it's just moving from one

1881

01:08:53,749 --> 01:08:50,839

belief to another being fluid about

1882

01:08:55,590 --> 01:08:53,759

it long as they're genuine and authentic

1883

01:08:57,349 --> 01:08:55,600

and you know

1884

01:08:59,349 --> 01:08:57,359

not just trying to make money and be a

1885

01:09:01,030 --> 01:08:59,359

televangelist or something

1886

01:09:03,669 --> 01:09:01,040

yeah yeah yeah those are those are the

1887

01:09:05,829 --> 01:09:03,679

ones you got to look out for hey so

1888

01:09:06,709 --> 01:09:05,839

you're obviously not going to stop with

1889

01:09:07,510 --> 01:09:06,719

this

1890

01:09:09,910 --> 01:09:07,520

but

1891

01:09:13,990 --> 01:09:09,920

let me pull it up here

1892

01:09:16,470 --> 01:09:14,000

where are you going with this work

1893

01:09:18,550 --> 01:09:16,480

and again there's so much here i i do i

1894

01:09:19,749 --> 01:09:18,560

have to come back and bring back

1895

01:09:22,470 --> 01:09:19,759

folks too

1896

01:09:26,709 --> 01:09:22,480

you could go read all his books but go

1897

01:09:29,430 --> 01:09:28,550

and just type something in that search

1898

01:09:32,309 --> 01:09:29,440

bar

1899

01:09:34,950 --> 01:09:32,319

anything you want related to this topic

1900

01:09:36,789 --> 01:09:34,960

and you're going to be amazed like i was

1901

01:09:38,550 --> 01:09:36,799

it's like that was driving me nuts when

1902

01:09:40,390 --> 01:09:38,560

i was preparing for this interviews

1903

01:09:42,229 --> 01:09:40,400

every time i did i had three or four

1904

01:09:43,110 --> 01:09:42,239

other you know complete articles i had

1905

01:09:45,030 --> 01:09:43,120

to read

1906

01:09:48,789 --> 01:09:45,040

a million questions to ask

1907

01:09:50,950 --> 01:09:48,799

go there and that will lead you towards

1908

01:09:52,950 --> 01:09:50,960

these remarkable books we talked a lot

1909

01:09:54,630 --> 01:09:52,960

about the john keel book

1910

01:09:56,470 --> 01:09:54,640

again

1911

01:09:59,750 --> 01:09:56,480

and three of those books are mine the

1912

01:10:01,669 --> 01:09:59,760

others are by uh greg little who uh has

1913

01:10:02,390 --> 01:10:01,679

been working with me

1914

01:10:05,070 --> 01:10:02,400

as

1915

01:10:08,149 --> 01:10:05,080

co-editor publisher columnist for since

1916

01:10:10,310 --> 01:10:08,159

1985 when i first started this magazine

1917

01:10:12,070 --> 01:10:10,320

as para ufology forum

1918

01:10:13,030 --> 01:10:12,080

which was a print magazine then we

1919

01:10:14,149 --> 01:10:13,040

actually

1920

01:10:16,470 --> 01:10:14,159

greg was

1921

01:10:18,950 --> 01:10:16,480

co-editing with me uh

1922

01:10:22,149 --> 01:10:18,960

up to about you know 2 000 we did have a

1923

01:10:24,630 --> 01:10:22,159

print magazine which uh about 58 pages

1924

01:10:26,149 --> 01:10:24,640

and it was quite spectacular uh we had

1925

01:10:28,229 --> 01:10:26,159

subscribers

1926

01:10:29,910 --> 01:10:28,239

all over the world we had uh

1927

01:10:32,709 --> 01:10:29,920

magazine distributors from coast to

1928

01:10:34,709 --> 01:10:32,719

coast uh but you know everybody's gone

1929

01:10:37,270 --> 01:10:34,719

to the internet book sales on set you

1930

01:10:38,390 --> 01:10:37,280

can you go to a bookstore now barnes and

1931

01:10:40,229 --> 01:10:38,400

noble's or

1932

01:10:43,590 --> 01:10:40,239

or you know books a million and find a

1933

01:10:45,990 --> 01:10:43,600

ufo book it's very hard for a magazine

1934

01:10:49,270 --> 01:10:46,000

uh now now it's like it's gone to uh you

1935

01:10:51,590 --> 01:10:49,280

know i ching books of witchcraft or

1936

01:10:52,470 --> 01:10:51,600

uh maybe you want to buy a crystal or

1937

01:10:54,870 --> 01:10:52,480

something

1938

01:10:56,870 --> 01:10:54,880

uh it's it's it's uh it used to be able

1939

01:11:00,870 --> 01:10:56,880

to go and there'd be all these magazines

1940

01:11:01,910 --> 01:11:00,880

ufo universe or saga's ufo report and so

1941

01:11:04,070 --> 01:11:01,920

on and

1942

01:11:06,709 --> 01:11:04,080

and uh fake magazine it's it's still

1943

01:11:08,790 --> 01:11:06,719

published but it's very very

1944

01:11:11,189 --> 01:11:08,800

i guess you just have to subscribe to it

1945

01:11:12,790 --> 01:11:11,199

i never see it on a book stand anymore

1946

01:11:14,550 --> 01:11:12,800

it's a whole

1947

01:11:17,590 --> 01:11:14,560

whole new world

1948

01:11:19,830 --> 01:11:17,600

it is and it's pluses and minuses and

1949

01:11:21,030 --> 01:11:19,840

the medium is the message and the medium

1950

01:11:22,709 --> 01:11:21,040

is the message

1951

01:11:25,510 --> 01:11:22,719

to uh quote

1952

01:11:27,189 --> 01:11:25,520

uh marshall mcluhan and there definitely

1953

01:11:29,430 --> 01:11:27,199

was i'm old enough to remember there was

1954

01:11:31,430 --> 01:11:29,440

something about getting that magazine

1955

01:11:32,470 --> 01:11:31,440

and i didn't read a lot of ufo magazines

1956

01:11:34,310 --> 01:11:32,480

but

1957

01:11:36,790 --> 01:11:34,320

sitting down and knowing that you're

1958

01:11:39,910 --> 01:11:36,800

going to have that page turning

1959

01:11:41,590 --> 01:11:39,920

experience and going through and just

1960

01:11:42,630 --> 01:11:41,600

sitting in a comfortable place all that

1961

01:11:44,550 --> 01:11:42,640

stuff

1962

01:11:46,630 --> 01:11:44,560

we have lost that but we've gained some

1963

01:11:48,310 --> 01:11:46,640

stuff too you know we can search now and

1964

01:11:52,950 --> 01:11:48,320

that search bar

1965

01:11:54,790 --> 01:11:52,960

so you know there's the

1966

01:11:55,590 --> 01:11:54,800

there's the trade-off so what's caught

1967

01:11:58,790 --> 01:11:55,600

your

1968

01:12:00,950 --> 01:11:58,800

interest lately where do you want to go

1969

01:12:03,990 --> 01:12:00,960

uh where do we expect you expect to see

1970

01:12:05,990 --> 01:12:04,000

you go in the next year or two

1971

01:12:07,750 --> 01:12:06,000

i i am thinking about running another

1972

01:12:09,590 --> 01:12:07,760

keel book

1973

01:12:11,350 --> 01:12:09,600

describing maybe a little starting out

1974

01:12:14,470 --> 01:12:11,360

with a little more of where i

1975

01:12:16,229 --> 01:12:14,480

where i started from as a teenager and

1976

01:12:18,870 --> 01:12:16,239

bringing that forward you know some road

1977

01:12:20,550 --> 01:12:18,880

trips i took and different things and

1978

01:12:22,790 --> 01:12:20,560

what happened and

1979

01:12:23,830 --> 01:12:22,800

how i became as diluted as i am today

1980

01:12:27,669 --> 01:12:23,840

you know

1981

01:12:29,590 --> 01:12:27,679

and uh and then present cases that uh

1982

01:12:31,830 --> 01:12:29,600

uh additional cases that i did in the

1983

01:12:34,630 --> 01:12:31,840

keel book that um

1984

01:12:37,669 --> 01:12:34,640

you know they just don't fit the

1985

01:12:40,070 --> 01:12:37,679

the mainstream nuts and bolts ep theme

1986

01:12:41,910 --> 01:12:40,080

but they're out there and they seem to

1987

01:12:44,070 --> 01:12:41,920

cross over to all these other unusual

1988

01:12:46,470 --> 01:12:44,080

phenomena they seem to be a part of it

1989

01:12:48,149 --> 01:12:46,480

it's just our mindset has

1990

01:12:50,470 --> 01:12:48,159

tried to pigeonhole them where we want

1991

01:12:52,229 --> 01:12:50,480

it if it's not what we want to hear

1992

01:12:53,750 --> 01:12:52,239

we shelve it away or

1993

01:12:55,189 --> 01:12:53,760

put it in the circular file and forget

1994

01:12:57,590 --> 01:12:55,199

about it

1995

01:12:59,830 --> 01:12:57,600

but uh i want to be one of those people

1996

01:13:02,149 --> 01:12:59,840

who keeps putting it out there under

1997

01:13:03,110 --> 01:13:02,159

people's noses so they can't uh avoid it

1998

01:13:07,110 --> 01:13:03,120

now we got

1999

01:13:08,310 --> 01:13:07,120

and and one of the good things about uh

2000

01:13:09,830 --> 01:13:08,320

today

2001

01:13:11,830 --> 01:13:09,840

these times is

2002

01:13:13,590 --> 01:13:11,840

like you and ice being able to sit here

2003

01:13:15,510 --> 01:13:13,600

and uh converse

2004

01:13:19,110 --> 01:13:15,520

face to face even though it's through a

2005

01:13:21,510 --> 01:13:19,120

digital system uh it's more personal and

2006

01:13:23,910 --> 01:13:21,520

you know back in the day you had to

2007

01:13:26,470 --> 01:13:23,920

drive miles to get to see and talk with

2008

01:13:28,070 --> 01:13:26,480

someone or attend a conference you know

2009

01:13:29,910 --> 01:13:28,080

and uh

2010

01:13:31,990 --> 01:13:29,920

and of course we still fortunately have

2011

01:13:33,590 --> 01:13:32,000

a few conferences they're coming back

2012

01:13:35,510 --> 01:13:33,600

after you know

2013

01:13:37,189 --> 01:13:35,520

a couple years of uh interruption with

2014

01:13:40,229 --> 01:13:37,199

kovid but uh

2015

01:13:42,630 --> 01:13:40,239

anyway uh even during that we still had

2016

01:13:45,590 --> 01:13:42,640

this and this is great

2017

01:13:48,070 --> 01:13:45,600

and uh thank you for having me

2018

01:13:49,430 --> 01:13:48,080

me on to talk with you sorry i couldn't

2019

01:13:51,830 --> 01:13:49,440

provide

2020

01:13:53,750 --> 01:13:51,840

maybe the answers and insights that

2021

01:13:55,350 --> 01:13:53,760

you were trying to get right i don't

2022

01:13:57,510 --> 01:13:55,360

know

2023

01:13:59,830 --> 01:13:57,520

no you did you you tipped your hand

2024

01:14:01,830 --> 01:13:59,840

right there at the end which is

2025

01:14:04,470 --> 01:14:01,840

i get it you let your writing do the

2026

01:14:07,030 --> 01:14:04,480

talking you just put it out there here's

2027

01:14:08,790 --> 01:14:07,040

another case and i love your interviews

2028

01:14:10,950 --> 01:14:08,800

they're incredibly

2029

01:14:12,550 --> 01:14:10,960

in-depth and you elicit

2030

01:14:14,390 --> 01:14:12,560

so much information in a very

2031

01:14:16,870 --> 01:14:14,400

non-judgmental way

2032

01:14:18,790 --> 01:14:16,880

and you just put it out there so

2033

01:14:21,110 --> 01:14:18,800

that's what you're about now i get it it

2034

01:14:23,189 --> 01:14:21,120

just took me an hour and a half you just

2035

01:14:25,350 --> 01:14:23,199

put it out there let everyone kind of

2036

01:14:28,149 --> 01:14:25,360

have at it but it's out there you got to

2037

01:14:30,550 --> 01:14:28,159

deal with it you know it's there i i

2038

01:14:32,470 --> 01:14:30,560

can't uh i can't say what it's all about

2039

01:14:35,350 --> 01:14:32,480

i really don't know i'm still

2040

01:14:37,669 --> 01:14:35,360

after 55 and a little over half

2041

01:14:39,590 --> 01:14:37,679

you know years i'm still

2042

01:14:40,790 --> 01:14:39,600

struggling it's still a challenge but i

2043

01:14:42,630 --> 01:14:40,800

know there's

2044

01:14:44,310 --> 01:14:42,640

something to it and

2045

01:14:46,790 --> 01:14:44,320

i hadn't even talked about i guess you

2046

01:14:48,550 --> 01:14:46,800

read it but you know i after keele's

2047

01:14:50,709 --> 01:14:48,560

pass and i thought what a loss and so on

2048

01:14:52,510 --> 01:14:50,719

and there was a contact experiencer i

2049

01:14:56,950 --> 01:14:52,520

met named brett oldham

2050

01:14:59,110 --> 01:14:56,960

a little over 10 years ago now and and

2051

01:15:01,510 --> 01:14:59,120

he introduced me to this evp method

2052

01:15:04,229 --> 01:15:01,520

called evp method electronic voice

2053

01:15:06,390 --> 01:15:04,239

phenomena called a ghost box which was

2054

01:15:08,310 --> 01:15:06,400

based on the early frank's box if anyone

2055

01:15:11,510 --> 01:15:08,320

familiar with it

2056

01:15:13,830 --> 01:15:11,520

i mean we were getting john keel after

2057

01:15:15,590 --> 01:15:13,840

he had died coming i read i wrote a

2058

01:15:17,350 --> 01:15:15,600

little bit about the story uh you and

2059

01:15:19,430 --> 01:15:17,360

your son and your wife right in the

2060

01:15:20,950 --> 01:15:19,440

spirit box and

2061

01:15:27,110 --> 01:15:20,960

please go back

2062

01:15:29,430 --> 01:15:27,120

to john keel right

2063

01:15:31,910 --> 01:15:29,440

yeah i mean okay i was

2064

01:15:33,910 --> 01:15:31,920

you know i had tried evp things in in

2065

01:15:35,750 --> 01:15:33,920

the past and didn't have much any

2066

01:15:37,350 --> 01:15:35,760

success really i was i was more the

2067

01:15:39,590 --> 01:15:37,360

debunker than anything

2068

01:15:41,110 --> 01:15:39,600

but uh suddenly we did these sessions

2069

01:15:43,590 --> 01:15:41,120

with him and he was

2070

01:15:46,950 --> 01:15:43,600

he was a person who from age five had

2071

01:15:48,070 --> 01:15:46,960

seen a ghost age five had seen a uh

2072

01:15:50,390 --> 01:15:48,080

a gray

2073

01:15:51,350 --> 01:15:50,400

which he first thought was a demon

2074

01:15:54,950 --> 01:15:51,360

and

2075

01:15:57,030 --> 01:15:54,960

psychics but it was a ghost time that's

2076

01:15:58,470 --> 01:15:57,040

how i met him first didn't even tell me

2077

01:15:59,830 --> 01:15:58,480

in the beginning that he was also an

2078

01:16:03,590 --> 01:15:59,840

abductee

2079

01:16:05,430 --> 01:16:03,600

and but he was he had this method

2080

01:16:07,830 --> 01:16:05,440

he seemed to

2081

01:16:09,910 --> 01:16:07,840

be able to work with the the ghostbox

2082

01:16:12,229 --> 01:16:09,920

which is a digital radio from radio

2083

01:16:14,310 --> 01:16:12,239

shack you can get one and just adjust it

2084

01:16:16,709 --> 01:16:14,320

where it goes on continuous scan and the

2085

01:16:17,910 --> 01:16:16,719

idea is the white noise you'll pick up

2086

01:16:21,030 --> 01:16:17,920

these voices

2087

01:16:23,350 --> 01:16:21,040

and i let we got together one time and

2088

01:16:25,270 --> 01:16:23,360

this was right after my daughter had a

2089

01:16:27,750 --> 01:16:25,280

young boy named connor

2090

01:16:29,430 --> 01:16:27,760

and so somebody had a babysit so i sat

2091

01:16:31,510 --> 01:16:29,440

out on the first session

2092

01:16:32,630 --> 01:16:31,520

and uh let my wife and daughter go in

2093

01:16:34,070 --> 01:16:32,640

because they're really interested in

2094

01:16:35,830 --> 01:16:34,080

this this kind of thing as well and

2095

01:16:37,189 --> 01:16:35,840

going ghost hunts

2096

01:16:40,390 --> 01:16:37,199

and uh

2097

01:16:41,830 --> 01:16:40,400

they told me that uh junk name some some

2098

01:16:43,750 --> 01:16:41,840

voice said joan

2099

01:16:45,189 --> 01:16:43,760

and then said jesse and jesse was a

2100

01:16:47,430 --> 01:16:45,199

deceased brother

2101

01:16:50,630 --> 01:16:47,440

and so that was rather odd so

2102

01:16:52,790 --> 01:16:50,640

i said okay i'll i'll go and attend uh

2103

01:16:54,149 --> 01:16:52,800

next time we have a gathering

2104

01:16:56,470 --> 01:16:54,159

and

2105

01:16:58,390 --> 01:16:56,480

so next time i'm sitting there in the

2106

01:16:59,990 --> 01:16:58,400

basement of an old supposedly slightly

2107

01:17:01,590 --> 01:17:00,000

haunted church over in fayetteville

2108

01:17:04,950 --> 01:17:01,600

tennessee

2109

01:17:06,870 --> 01:17:04,960

and we're doing this and i am thinking

2110

01:17:09,669 --> 01:17:06,880

of john keel

2111

01:17:11,750 --> 01:17:09,679

well at the very end of it

2112

01:17:15,510 --> 01:17:11,760

uh at the very end of this

2113

01:17:17,350 --> 01:17:15,520

uh brett oldham says okay joan i heard

2114

01:17:20,149 --> 01:17:17,360

you know let's let's go ahead and see if

2115

01:17:21,990 --> 01:17:20,159

we can get your brother jesse

2116

01:17:24,390 --> 01:17:22,000

uh we're about to wind this up and he

2117

01:17:25,590 --> 01:17:24,400

even tells that on the tape

2118

01:17:29,030 --> 01:17:25,600

and

2119

01:17:32,550 --> 01:17:30,630

jesse are you there can you say

2120

01:17:34,709 --> 01:17:32,560

something to joan

2121

01:17:37,270 --> 01:17:34,719

now i'm paraphrasing here but

2122

01:17:38,550 --> 01:17:37,280

anyway instead of her brother coming

2123

01:17:40,229 --> 01:17:38,560

through it's

2124

01:17:44,149 --> 01:17:40,239

healed johnny

2125

01:17:46,149 --> 01:17:44,159

you know and uh

2126

01:17:47,030 --> 01:17:46,159

the thing is i was there i didn't hear

2127

01:17:50,550 --> 01:17:47,040

that

2128

01:17:52,229 --> 01:17:50,560

of cassette tapes and i was trying to

2129

01:17:54,470 --> 01:17:52,239

figure out what's here and this is like

2130

01:17:56,790 --> 01:17:54,480

five months six months later and i put

2131

01:17:58,390 --> 01:17:56,800

it in the recorder oh that's a ghost box

2132

01:17:59,669 --> 01:17:58,400

session i realized oh that's the first

2133

01:18:01,830 --> 01:17:59,679

one we did

2134

01:18:03,030 --> 01:18:01,840

and then i hear that that one little

2135

01:18:05,990 --> 01:18:03,040

sliver

2136

01:18:08,149 --> 01:18:06,000

and uh i'm like oh so anyway by that

2137

01:18:10,790 --> 01:18:08,159

time i'd ever heard john keel a number

2138

01:18:13,350 --> 01:18:10,800

of times coming through the ghost box

2139

01:18:16,550 --> 01:18:13,360

and suddenly i was uh

2140

01:18:18,390 --> 01:18:16,560

you know uh i had to get one

2141

01:18:19,430 --> 01:18:18,400

in my own hands now

2142

01:18:21,910 --> 01:18:19,440

uh

2143

01:18:24,790 --> 01:18:21,920

my daughter's husband

2144

01:18:27,910 --> 01:18:24,800

uh likes technological challenges so he

2145

01:18:31,030 --> 01:18:27,920

went to uh radio shack and he modified

2146

01:18:32,229 --> 01:18:31,040

one and we had us a ghost box in no time

2147

01:18:33,830 --> 01:18:32,239

and uh

2148

01:18:35,750 --> 01:18:33,840

found out that we could be sitting at

2149

01:18:38,070 --> 01:18:35,760

the house and

2150

01:18:40,790 --> 01:18:38,080

uh from time to time we'd get john key

2151

01:18:42,630 --> 01:18:40,800

one time got john keel brent

2152

01:18:45,030 --> 01:18:42,640

and then another voice says bur here and

2153

01:18:47,110 --> 01:18:45,040

bert was a psychiatrist who studied

2154

01:18:49,030 --> 01:18:47,120

parapsychology and ufos was a good

2155

01:18:51,350 --> 01:18:49,040

friend of john keel and i had

2156

01:18:53,350 --> 01:18:51,360

corresponded with him for

2157

01:18:54,870 --> 01:18:53,360

uh quite a number of years also for

2158

01:18:56,870 --> 01:18:54,880

several decades

2159

01:18:59,350 --> 01:18:56,880

and he had just died shortly after i

2160

01:19:01,270 --> 01:18:59,360

started this ghost box thing

2161

01:19:03,590 --> 01:19:01,280

and so

2162

01:19:06,790 --> 01:19:03,600

for a while we were hearing

2163

01:19:08,950 --> 01:19:06,800

dr swartz sounded like coming through

2164

01:19:11,030 --> 01:19:08,960

and we were hearing john keel so much

2165

01:19:12,470 --> 01:19:11,040

that uh my wife one time

2166

01:19:14,870 --> 01:19:12,480

said john

2167

01:19:15,990 --> 01:19:14,880

uh i would like to talk to some some of

2168

01:19:18,950 --> 01:19:16,000

my people

2169

01:19:20,709 --> 01:19:18,960

uh could you quit trying to hog

2170

01:19:22,550 --> 01:19:20,719

you know and then i didn't hear from

2171

01:19:25,270 --> 01:19:22,560

john keel too much after i was afraid

2172

01:19:27,350 --> 01:19:25,280

she kicked him off but you know just the

2173

01:19:30,070 --> 01:19:27,360

the idea i mean it was so clear and i

2174

01:19:32,070 --> 01:19:30,080

even shared some of the audio with uh

2175

01:19:35,669 --> 01:19:32,080

dan drazen who was mentioned several

2176

01:19:37,590 --> 01:19:35,679

times in the mothman prophecy dan was a

2177

01:19:39,030 --> 01:19:37,600

documentary film producer he had just

2178

01:19:40,790 --> 01:19:39,040

seen a ufo

2179

01:19:41,910 --> 01:19:40,800

back in 67

2180

01:19:43,189 --> 01:19:41,920

and

2181

01:19:45,830 --> 01:19:43,199

he was a little interested in the

2182

01:19:48,229 --> 01:19:45,840

subject and a friend of his said john

2183

01:19:50,790 --> 01:19:48,239

keel because they both lived in new york

2184

01:19:52,550 --> 01:19:50,800

city is doing a talk on ufos you just

2185

01:19:55,030 --> 01:19:52,560

saw and wanted to go talk with him so he

2186

01:19:56,709 --> 01:19:55,040

went talk with him ended up they they

2187

01:19:57,910 --> 01:19:56,719

hit it off they became friends he

2188

01:20:00,790 --> 01:19:57,920

traveled to

2189

01:20:02,950 --> 01:20:00,800

point pleasant west virginia four times

2190

01:20:05,350 --> 01:20:02,960

in 1967

2191

01:20:07,110 --> 01:20:05,360

along with keel to point pleasant west

2192

01:20:09,430 --> 01:20:07,120

virginia interviewed some of the you

2193

01:20:10,550 --> 01:20:09,440

know talked with witnesses saw phenomena

2194

01:20:12,629 --> 01:20:10,560

himself

2195

01:20:15,110 --> 01:20:12,639

he was even this is this is mothman

2196

01:20:18,390 --> 01:20:15,120

location right just this is mock man

2197

01:20:20,390 --> 01:20:18,400

location yeah yeah and and you know he

2198

01:20:22,390 --> 01:20:20,400

he said the voice actually sounds kind

2199

01:20:25,189 --> 01:20:22,400

of like john keel to me he says you know

2200

01:20:27,590 --> 01:20:25,199

um and he has he also by the way he has

2201  
01:20:29,030 --> 01:20:27,600  
since produced a documentary on evps and

2202  
01:20:30,310 --> 01:20:29,040  
such in a

2203  
01:20:33,189 --> 01:20:30,320  
video called

2204  
01:20:34,790 --> 01:20:33,199  
uh calling earth uh so just you know

2205  
01:20:36,390 --> 01:20:34,800  
anybody that's interested is quite a

2206  
01:20:38,470 --> 01:20:36,400  
quite a good video

2207  
01:20:40,070 --> 01:20:38,480  
uh and that's how i tracked him down was

2208  
01:20:43,270 --> 01:20:40,080  
you know i was watching one of his

2209  
01:20:45,110 --> 01:20:43,280  
videos and uh oh that i've been on the

2210  
01:20:46,470 --> 01:20:45,120  
radar for this guy for quite some time

2211  
01:20:50,149 --> 01:20:46,480  
turned out this is the guy so i

2212  
01:20:52,870 --> 01:20:50,159  
interviewed him for the book as well and

2213  
01:20:54,629 --> 01:20:52,880

he had seen ufos he saw he was

2214

01:20:56,870 --> 01:20:54,639

he saw one of the classic encounters

2215

01:20:58,870 --> 01:20:56,880

described by keel where they're all

2216

01:21:00,390 --> 01:20:58,880

seeing a ufo

2217

01:21:02,550 --> 01:21:00,400

i think they're standing at an airport

2218

01:21:04,070 --> 01:21:02,560

around point pleasant and it goes behind

2219

01:21:05,510 --> 01:21:04,080

a cloud

2220

01:21:07,510 --> 01:21:05,520

and they're waiting for it to come out

2221

01:21:09,350 --> 01:21:07,520

the other side but instead of

2222

01:21:11,910 --> 01:21:09,360

the ufo

2223

01:21:14,470 --> 01:21:11,920

it's a noisy airplane

2224

01:21:16,790 --> 01:21:14,480

that comes out of the cloud

2225

01:21:19,830 --> 01:21:16,800

and uh keel mentioned it in the mothman

2226

01:21:20,950 --> 01:21:19,840

prophecies too you know and so anyway uh

2227

01:21:23,510 --> 01:21:20,960

that's

2228

01:21:26,149 --> 01:21:23,520

but i've had some some very interesting

2229

01:21:28,629 --> 01:21:26,159

to me anyway evp responses it seems

2230

01:21:29,990 --> 01:21:28,639

intelligent it's interactive but it's

2231

01:21:32,709 --> 01:21:30,000

like it's

2232

01:21:34,149 --> 01:21:32,719

it never tells me anything

2233

01:21:38,550 --> 01:21:34,159

that's

2234

01:21:41,830 --> 01:21:38,560

knows it's interacting with me it's

2235

01:21:43,910 --> 01:21:41,840

teasing me like and after four trickster

2236

01:21:46,149 --> 01:21:43,920

stuff again yeah yeah yeah after after

2237

01:21:47,910 --> 01:21:46,159

about four years of just being

2238

01:21:50,149 --> 01:21:47,920

like doing two sessions a week and then

2239

01:21:52,070 --> 01:21:50,159

spending hours going through the audio

2240

01:21:55,510 --> 01:21:52,080

it's like okay

2241

01:21:57,830 --> 01:21:55,520

i'm gonna do this uh but not as ex

2242

01:21:59,510 --> 01:21:57,840

obsessively as i have because there are

2243

01:22:01,350 --> 01:21:59,520

cases to investigate you know i got to

2244

01:22:04,149 --> 01:22:01,360

quit

2245

01:22:06,629 --> 01:22:04,159

and keel himself even talked about such

2246

01:22:08,550 --> 01:22:06,639

things wrote about such things he uh he

2247

01:22:10,390 --> 01:22:08,560

knew an instance where someone had been

2248

01:22:11,830 --> 01:22:10,400

with a psychic medium and this voice

2249

01:22:13,669 --> 01:22:11,840

came through and said it was exactly

2250

01:22:16,629 --> 01:22:13,679

like this person he knew

2251

01:22:18,790 --> 01:22:16,639

but kiel said nah nah it's it's a it's a

2252

01:22:21,750 --> 01:22:18,800

trickster phenomenal they can mimic

2253

01:22:24,149 --> 01:22:21,760

our voices so i can't say that this is

2254

01:22:26,070 --> 01:22:24,159

john keel i'd like to say you know maybe

2255

01:22:29,510 --> 01:22:26,080

but oh one of the things that did sound

2256

01:22:31,430 --> 01:22:29,520

like john keele's voice was uh one time

2257

01:22:33,669 --> 01:22:31,440

knowing how keel

2258

01:22:36,229 --> 01:22:33,679

uh told people exactly what he thought

2259

01:22:38,629 --> 01:22:36,239

he was straight he shot straight he

2260

01:22:40,790 --> 01:22:38,639

didn't mince words and uh there were

2261

01:22:43,669 --> 01:22:40,800

people he really argued with in the

2262

01:22:45,030 --> 01:22:43,679

field so i said we're gonna play a game

2263

01:22:46,790 --> 01:22:45,040

john uh

2264

01:22:48,390 --> 01:22:46,800

i'm gonna mention some names and you

2265

01:22:50,229 --> 01:22:48,400

tell me what you think

2266

01:22:53,350 --> 01:22:50,239

so i deliberately selected some that i

2267

01:22:55,510 --> 01:22:53,360

knew would be juicy and uh but what i

2268

01:22:57,669 --> 01:22:55,520

didn't know was when i played the tape

2269

01:22:59,510 --> 01:22:57,679

back at the beginning

2270

01:23:01,669 --> 01:22:59,520

i said you want to hear what you'll say

2271

01:23:03,270 --> 01:23:01,679

about him this voice that to me sounded

2272

01:23:04,950 --> 01:23:03,280

like john keel because i talked with him

2273

01:23:06,950 --> 01:23:04,960

on the phone some

2274

01:23:07,910 --> 01:23:06,960

and it said what i'd like to say about

2275

01:23:10,390 --> 01:23:07,920

you

2276

01:23:11,350 --> 01:23:10,400

and

2277

01:23:13,750 --> 01:23:11,360

uh

2278

01:23:16,709 --> 01:23:13,760

it wasn't really a class a recording but

2279

01:23:20,149 --> 01:23:16,719

i had my headphones on and i i heard it

2280

01:23:21,830 --> 01:23:20,159

i heard it you know and uh to me it was

2281

01:23:23,669 --> 01:23:21,840

uh that was a pretty

2282

01:23:25,990 --> 01:23:23,679

clear enough that i could hear it and

2283

01:23:27,110 --> 01:23:26,000

identify it as sounding like his voice

2284

01:23:31,830 --> 01:23:27,120

and

2285

01:23:34,470 --> 01:23:31,840

wow but anyway

2286

01:23:37,350 --> 01:23:34,480

hey brent final question can't resist

2287

01:23:40,709 --> 01:23:37,360

you know from a spiritual perspective

2288

01:23:43,350 --> 01:23:40,719

you can get this from the christian

2289

01:23:45,830 --> 01:23:43,360

deep thinkers as well as kind of

2290

01:23:48,229 --> 01:23:45,840

more into yogic and non-dual but kind of

2291

01:23:50,390 --> 01:23:48,239

not attached to anything i just but

2292

01:23:52,629 --> 01:23:50,400

don't mess with this stuff you don't one

2293

01:23:54,390 --> 01:23:52,639

you don't need this stuff it's just a

2294

01:23:55,510 --> 01:23:54,400

distraction

2295

01:23:57,750 --> 01:23:55,520

it's

2296

01:23:59,910 --> 01:23:57,760

i'm not saying that i'm saying what do

2297

01:24:02,470 --> 01:23:59,920

you think about that what do you think

2298

01:24:04,790 --> 01:24:02,480

about you know

2299

01:24:06,390 --> 01:24:04,800

the stillness within is really all we

2300

01:24:09,270 --> 01:24:06,400

need and

2301  
01:24:11,510 --> 01:24:09,280  
everything it like that is a distraction

2302  
01:24:13,910 --> 01:24:11,520  
is fundamentally going to remove you

2303  
01:24:14,709 --> 01:24:13,920  
from the path what you really got to do

2304  
01:24:15,669 --> 01:24:14,719  
is

2305  
01:24:17,270 --> 01:24:15,679  
you know

2306  
01:24:19,590 --> 01:24:17,280  
go hug your

2307  
01:24:21,510 --> 01:24:19,600  
daughter go ahead to your grandkids be

2308  
01:24:24,070 --> 01:24:21,520  
nice to people

2309  
01:24:25,510 --> 01:24:24,080  
love everyone tell the truth and

2310  
01:24:27,189 --> 01:24:25,520  
of course we're fascinated with all that

2311  
01:24:28,830 --> 01:24:27,199  
stuff what do you think about that in

2312  
01:24:31,590 --> 01:24:28,840  
general as a

2313  
01:24:34,310 --> 01:24:31,600

spiritual principle are we being

2314

01:24:37,350 --> 01:24:34,320

distracted from

2315

01:24:39,910 --> 01:24:37,360

what really matters

2316

01:24:42,310 --> 01:24:39,920

yeah i think sometimes you know that's

2317

01:24:44,629 --> 01:24:42,320

the positive side of this some people

2318

01:24:48,790 --> 01:24:44,639

get and they the people that are

2319

01:24:52,950 --> 01:24:50,950

people like myself and and

2320

01:24:55,669 --> 01:24:52,960

and like you i'm sure we we like to

2321

01:24:57,350 --> 01:24:55,679

analyze you know it deeper there's some

2322

01:25:00,070 --> 01:24:57,360

people that become like

2323

01:25:02,070 --> 01:25:00,080

faith healers uh very spiritual and

2324

01:25:04,950 --> 01:25:02,080

they're always saying

2325

01:25:05,750 --> 01:25:04,960

and doing really positive things and you

2326

01:25:10,870 --> 01:25:05,760

know

2327

01:25:13,270 --> 01:25:10,880

uh i was in the navy and i sometimes use

2328

01:25:15,830 --> 01:25:13,280

you know cuss like a sailor you know but

2329

01:25:16,629 --> 01:25:15,840

it's it's it's

2330

01:25:19,030 --> 01:25:16,639

uh

2331

01:25:20,790 --> 01:25:19,040

yeah it's you'd like to give a clear

2332

01:25:22,550 --> 01:25:20,800

message say this is where you got to go

2333

01:25:24,550 --> 01:25:22,560

and this is what you got to do you know

2334

01:25:26,709 --> 01:25:24,560

it's what gurus and

2335

01:25:29,189 --> 01:25:26,719

religious leaders uh shamans are

2336

01:25:31,510 --> 01:25:29,199

supposed to educate their their tribe

2337

01:25:33,189 --> 01:25:31,520

their clan their their people but at the

2338

01:25:36,310 --> 01:25:33,199

end i remember keel was being

2339

01:25:37,669 --> 01:25:36,320

interviewed uh in 2003 when he attended

2340

01:25:39,350 --> 01:25:37,679

the mothman

2341

01:25:41,750 --> 01:25:39,360

festival in west virginia and someone

2342

01:25:43,750 --> 01:25:41,760

asked him i think that question he says

2343

01:25:45,030 --> 01:25:43,760

something like i think sometimes you

2344

01:25:46,629 --> 01:25:45,040

know

2345

01:25:48,470 --> 01:25:46,639

people are better off if they don't even

2346

01:25:49,270 --> 01:25:48,480

get into this stuff

2347

01:25:50,790 --> 01:25:49,280

and

2348

01:25:53,030 --> 01:25:50,800

i remember some

2349

01:25:56,070 --> 01:25:53,040

keel fans who were like why did you say

2350

01:25:58,229 --> 01:25:56,080

that this is great stuff i love it

2351  
01:26:00,310 --> 01:25:58,239  
but yeah sometimes i think if you know

2352  
01:26:01,830 --> 01:26:00,320  
maybe it was

2353  
01:26:03,030 --> 01:26:01,840  
it might be better

2354  
01:26:05,030 --> 01:26:03,040  
just to

2355  
01:26:06,450 --> 01:26:05,040  
try to embrace a

2356  
01:26:07,750 --> 01:26:06,460  
love for people and

2357  
01:26:10,870 --> 01:26:07,760  
[Music]

2358  
01:26:14,310 --> 01:26:10,880  
do things with integrity and honesty and

2359  
01:26:16,229 --> 01:26:14,320  
and but it's i've just been so

2360  
01:26:18,629 --> 01:26:16,239  
anchored into this

2361  
01:26:21,430 --> 01:26:18,639  
this subject and looking for

2362  
01:26:23,350 --> 01:26:21,440  
the meaning and the and the

2363  
01:26:25,430 --> 01:26:23,360

connecting the dots

2364

01:26:27,750 --> 01:26:25,440

uh sometimes i i think i'd i'd almost

2365

01:26:29,590 --> 01:26:27,760

like to depart from here maybe

2366

01:26:30,870 --> 01:26:29,600

work on science fiction something where

2367

01:26:32,950 --> 01:26:30,880

i could have

2368

01:26:33,750 --> 01:26:32,960

finally even though it's fictional you

2369

01:26:38,790 --> 01:26:33,760

know

2370

01:26:40,390 --> 01:26:38,800

well

2371

01:26:42,950 --> 01:26:40,400

yeah i think

2372

01:26:46,470 --> 01:26:42,960

i think as i said at the very beginning

2373

01:26:48,629 --> 01:26:46,480

it's hard for me not to believe that

2374

01:26:51,669 --> 01:26:48,639

you're not doing exactly what you're

2375

01:26:54,709 --> 01:26:51,679

supposed to do i mean 14 years old

2376

01:26:57,270 --> 01:26:54,719

that you know john that just is

2377

01:26:58,550 --> 01:26:57,280

too remarkable for me at well

2378

01:27:00,390 --> 01:26:58,560

at 14

2379

01:27:02,070 --> 01:27:00,400

and and before that i mean i was into

2380

01:27:03,350 --> 01:27:02,080

all kinds of things and i was like

2381

01:27:05,830 --> 01:27:03,360

sometimes it felt like i was in a

2382

01:27:08,390 --> 01:27:05,840

different thing each week you know

2383

01:27:10,870 --> 01:27:08,400

but i was always kind of interested in

2384

01:27:13,030 --> 01:27:10,880

i mean the year before ufos they'd been

2385

01:27:14,629 --> 01:27:13,040

in the news a lot i look out the sky

2386

01:27:16,390 --> 01:27:14,639

hoping i might catch one i was

2387

01:27:19,430 --> 01:27:16,400

interested in astronomy i was interested

2388

01:27:21,110 --> 01:27:19,440

in dinosaurs i was interested in

2389

01:27:21,990 --> 01:27:21,120

all kinds of things i even wanted to be

2390

01:27:23,669 --> 01:27:22,000

uh

2391

01:27:26,070 --> 01:27:23,679

i even liked the idea of maybe having a

2392

01:27:30,390 --> 01:27:26,080

carnival you know just

2393

01:27:33,030 --> 01:27:30,400

but for some reason along came

2394

01:27:34,950 --> 01:27:33,040

that book by frank edwards and i decided

2395

01:27:38,229 --> 01:27:34,960

i'm going to become what i later found

2396

01:27:40,310 --> 01:27:38,239

out was a ufologist whatever that is

2397

01:27:44,790 --> 01:27:40,320

but anyways here i am all these years

2398

01:27:47,750 --> 01:27:44,800

later 70 years old still hammering away

2399

01:27:50,070 --> 01:27:47,760

as john keel said this can of worms

2400

01:27:52,390 --> 01:27:50,080

well it's been just awesome having you

2401

01:27:54,790 --> 01:27:52,400

on brent and i really appreciate it

2402

01:27:56,870 --> 01:27:54,800

well thank you uh for having me on and

2403

01:27:58,149 --> 01:27:56,880

uh and i've i've already thanked bob

2404

01:27:59,750 --> 01:27:58,159

davis for

2405

01:28:00,870 --> 01:27:59,760

uh putting my name in the hat there with

2406

01:28:03,669 --> 01:28:00,880

you so

2407

01:28:08,149 --> 01:28:05,430

thanks again to brent rains for joining

2408

01:28:09,910 --> 01:28:08,159

me today on skeptico

2409

01:28:11,990 --> 01:28:09,920

i know it kind of bounced around a lot

2410

01:28:14,709 --> 01:28:12,000

in this interview so it might be hard to

2411

01:28:17,830 --> 01:28:14,719

pin down a question but if i did i'd

2412

01:28:19,990 --> 01:28:17,840

kind of go back to the shaman native

2413

01:28:23,030 --> 01:28:20,000

american thing and

2414

01:28:23,910 --> 01:28:23,040

just ask what your thoughts are in terms

2415

01:28:29,270 --> 01:28:23,920

of

2416

01:28:31,350 --> 01:28:29,280

knowledge about

2417

01:28:33,430 --> 01:28:31,360

e.t about ufo

2418

01:28:36,390 --> 01:28:33,440

because it comes in hot it comes in

2419

01:28:38,950 --> 01:28:36,400

strange it doesn't fit and then in some

2420

01:28:40,709 --> 01:28:38,960

ways it does fit with a lot of the other

2421

01:28:43,910 --> 01:28:40,719

narratives that are getting

2422

01:28:46,390 --> 01:28:43,920

forced down our throat right now

2423

01:28:48,550 --> 01:28:46,400

so if you're into a kind of level three

2424

01:28:50,950 --> 01:28:48,560

discussion on that

2425

01:28:53,110 --> 01:28:50,960

come join me on the skeptical forum or

2426

01:28:56,229 --> 01:28:53,120

track me down and let me know your

2427

01:28:57,910 --> 01:28:56,239

thoughts as always love to hear from you

2428

01:28:59,189 --> 01:28:57,920

until next time

2429

01:29:01,390 --> 01:28:59,199

take care

2430

01:29:14,970 --> 01:29:01,400

and bye for now
