REBOOT

1
00:00:07,010 --> 00:00:02,810
hi everyone I'm here to reboot skeptico

2
00:00:08,870 --> 00:00:07,020
ready to anxious to excited to reboot

3
00:00:10,910 --> 00:00:08,880
skeptico you know I took a few months

4
00:00:12,470 --> 00:00:10,920
off those of you who don't know it was

5
00:00:14,209 --> 00:00:12,480
really great to do I wasn't sure I

6
00:00:15,890 --> 00:00:14,219
thought I would come back or not but it

7
00:00:18,890 --> 00:00:15,900
seems like everybody who takes a break

8
00:00:22,490 --> 00:00:18,900
always comes back and I'm no exception

9
00:00:24,170 --> 00:00:22,500
three pivots I see down the road one is

10
00:00:27,890 --> 00:00:24,180
you know I've always said this is a show

11
00:00:29,689 --> 00:00:27,900
about my journey shared with others and

12
00:00:32,210 --> 00:00:29,699
I guess it's still essentially going to

13
00:00:35,510 --> 00:00:32,220

be that but I'd like to slight pivot to

14

00:00:38,450 --> 00:00:35,520

our journey shared with others what that

15

00:00:40,010 --> 00:00:38,460

means to me is an offer to you which

16

00:00:43,430 --> 00:00:40,020

I've made in the past but I really want

17

00:00:46,069 --> 00:00:43,440

to double down on it and offer for you

18

00:00:48,650 --> 00:00:46,079

to get involved in the show so not just

19

00:00:50,690 --> 00:00:48,660

suggesting guests but pitching me guess

20

00:00:52,729 --> 00:00:50,700

pitching me guess because what they

21

00:00:55,069 --> 00:00:52,739

would mean to you and for your

22

00:00:57,049 --> 00:00:55,079

development as well as you know fitting

23

00:00:59,389 --> 00:00:57,059

into what I'm trying to do on the show

24

00:01:01,130 --> 00:00:59,399

so I think that'd be great and then if

25

00:01:03,709 --> 00:01:01,140

you pitch me the guess then I'm gonna

26

00:01:05,630 --> 00:01:03,719

pull you in to be kind of a an associate

27

00:01:07,550 --> 00:01:05,640

producer kind of thing and then

28

00:01:09,649 --> 00:01:07,560

certainly after the show is out I'd want

29

00:01:11,450 --> 00:01:09,659

you to go out and make sure that we

30

00:01:14,570 --> 00:01:11,460

connect with anyone we should connect

31

00:01:16,609 --> 00:01:14,580

with to get that show out there and make

32

00:01:19,370 --> 00:01:16,619

people aware of it so that's what I have

33

00:01:22,070 --> 00:01:19,380

in mind on the pivot from my Journey

34

00:01:25,249 --> 00:01:22,080

shared to our journey shared the second

35

00:01:28,249 --> 00:01:25,259

point is not so much of a pivot but a

36

00:01:31,510 --> 00:01:28,259

refinement a a restatement the show's

37

00:01:35,810 --> 00:01:31,520

always been inquiry to perpetuate doubt

38

00:01:37,969 --> 00:01:35,820

and it's gonna continue to be now as you

39

00:01:39,950 --> 00:01:37,979

know when I'm experienced that pisses

40

00:01:42,170 --> 00:01:39,960

people off whether you want it to piss

41

00:01:44,569 --> 00:01:42,180

people off or not and I want to do

42

00:01:47,510 --> 00:01:44,579

everything I can not to piss people off

43

00:01:49,310 --> 00:01:47,520

and be more connected to this spiritual

44

00:01:52,069 --> 00:01:49,320

side we're all going through this kind

45

00:01:53,330 --> 00:01:52,079

of thing at the same time I don't want

46

00:01:55,310 --> 00:01:53,340

to shy away from these conversations

47

00:01:57,830 --> 00:01:55,320

that I don't see having out there and

48

00:01:59,210 --> 00:01:57,840

the Really dealing with the parts of

49

00:02:01,130 --> 00:01:59,220

this process that I want to go through

50

00:02:03,230 --> 00:02:01,140

because to me inquiry to perpetuate

51
00:02:05,990 --> 00:02:03,240
doubt means three things it means follow

52
00:02:08,089 --> 00:02:06,000
the data wherever it leads but then most

53
00:02:10,430 --> 00:02:08,099
importantly follow the deception

54
00:02:13,970 --> 00:02:10,440
wherever it leads because invariably as

55
00:02:16,729 --> 00:02:13,980
we found out there are players that are

56
00:02:19,970 --> 00:02:16,739
engaged in deception either knowingly or

57
00:02:21,589 --> 00:02:19,980
not but we still have to sort out that

58
00:02:23,690 --> 00:02:21,599
deception if we're really going to

59
00:02:26,270 --> 00:02:23,700
understand what's going on and then the

60
00:02:28,790 --> 00:02:26,280
third is follow the discernment well to

61
00:02:31,309 --> 00:02:28,800
me the whole thing boils down to how do

62
00:02:33,589 --> 00:02:31,319
I make the light how do I make God's

63
00:02:35,690 --> 00:02:33,599

light if you will shine through me how

64

00:02:39,110 --> 00:02:35,700

would I not get it blocked how do I

65

00:02:41,390 --> 00:02:39,120

become a better person to the people I

66

00:02:43,550 --> 00:02:41,400

care about and to my soul and whatever

67

00:02:45,589 --> 00:02:43,560

that means so that's where the

68

00:02:48,770 --> 00:02:45,599

discernment comes in you know walking up

69

00:02:50,750 --> 00:02:48,780

to the abyss but not falling in but it

70

00:02:53,089 --> 00:02:50,760

also relates to the other two points if

71

00:02:55,250 --> 00:02:53,099

I'm making major life decisions I want

72

00:02:57,650 --> 00:02:55,260

to have the best date I can and I want

73

00:02:59,869 --> 00:02:57,660

to be aware of the deception that may be

74

00:03:01,250 --> 00:02:59,879

at play as you know we've talked about

75

00:03:02,750 --> 00:03:01,260

this on so many issues but you can

76

00:03:04,610 --> 00:03:02,760

imagine all the issues for that comes up

77

00:03:07,670 --> 00:03:04,620

and those are kind of fundamental

78

00:03:09,890 --> 00:03:07,680

questions to me to getting to that

79

00:03:12,770 --> 00:03:09,900

discernment point so recapping the

80

00:03:14,809 --> 00:03:12,780

second pivot refocus is inquiry to

81

00:03:18,229 --> 00:03:14,819

perpetuate doubt means

82

00:03:22,369 --> 00:03:18,239

data deception and discernment and the

83

00:03:24,770 --> 00:03:22,379

third pivot refocus restatement is

84

00:03:27,290 --> 00:03:24,780

whatever we do will be enough

85

00:03:30,350 --> 00:03:27,300

think of what a miracle it is that

86

00:03:33,110 --> 00:03:30,360

you're here I'm here so that's true on

87

00:03:35,809 --> 00:03:33,120

the metaphysical basis of just you are

88

00:03:37,670 --> 00:03:35,819

you you are here but then even beyond

89

00:03:39,350 --> 00:03:37,680

that that we're here we're somehow

90

00:03:42,110 --> 00:03:39,360

connected you're listening to me I'm

91

00:03:45,110 --> 00:03:42,120

talking to you that's a freaking Miracle

92

00:03:48,410 --> 00:03:45,120

no question about it so I'm enough of a

93

00:03:51,410 --> 00:03:48,420

non-dual guy to be unsure about whether

94

00:03:53,210 --> 00:03:51,420

doing even matters at all and I

95

00:03:57,170 --> 00:03:53,220

certainly don't think God needs our help

96

00:04:01,130 --> 00:03:57,180

with uh skeptico but I do continue to

97

00:04:03,110 --> 00:04:01,140

have a desire to speak to get my voice

98

00:04:06,289 --> 00:04:03,120

out there and I need to follow that

99

00:04:09,369 --> 00:04:06,299

because I also appreciate that non-doing

100

00:04:11,929 --> 00:04:09,379

is doing too not taking action is

101
00:04:14,690 --> 00:04:11,939
preventing action from happening so

102
00:04:16,250 --> 00:04:14,700
we're in the soup as I see it so we're

103
00:04:17,930 --> 00:04:16,260
gonna have to figure it out and that's

104
00:04:19,729 --> 00:04:17,940
something I guess we'll we'll figure out

105
00:04:21,890 --> 00:04:19,739
together but that's my thinking on that

106
00:04:25,310 --> 00:04:21,900
and then finally with regard to this

107
00:04:27,469 --> 00:04:25,320
point and it's just meaningful to me but

108
00:04:30,050 --> 00:04:27,479
I'm playing the game but I'm not letting

109
00:04:33,230 --> 00:04:30,060
the game play me there are other things

110
00:04:35,270 --> 00:04:33,240
in life that are more important a lot of

111
00:04:37,670 --> 00:04:35,280
other things and the main thing that's

112
00:04:40,850 --> 00:04:37,680
most important is just life just

113
00:04:43,129 --> 00:04:40,860

appreciating the joy of not thinking of

114

00:04:45,350 --> 00:04:43,139

going down on the beach with the dog

115

00:04:48,350 --> 00:04:45,360

that you saw in the cover photo who just

116

00:04:50,990 --> 00:04:48,360

lights up everyone because the love

117

00:04:53,450 --> 00:04:51,000

wants to shine through and sometimes we

118

00:04:55,490 --> 00:04:53,460

see things like my dog Freddy and it

119

00:04:57,590 --> 00:04:55,500

just somehow blows through all the

120

00:04:59,450 --> 00:04:57,600

blocks and the light shines through and

121

00:05:02,689 --> 00:04:59,460

I see it in other people's faces and I

122

00:05:05,450 --> 00:05:02,699

see it in children's faces and I even

123

00:05:08,090 --> 00:05:05,460

see it myself so I'm gonna play the game

124

00:05:10,850 --> 00:05:08,100

but I ain't gonna let the game play me

125

00:05:13,010 --> 00:05:10,860

stick around there's a lot more skeptico

126

00:05:15,950 --> 00:05:13,020

to come but even more than sticking

127

00:05:18,890 --> 00:05:15,960

around jump in we'll have fun together

128

00:05:20,870 --> 00:05:18,900

it's a small Club you can jump in and

129

00:05:23,029 --> 00:05:20,880

have a piece of it we can all have a

130

00:05:26,749 --> 00:05:23,039

piece of it together so if you feel down

131

00:05:29,150 --> 00:05:26,759

to do that jump in join me if not stick

132

00:05:32,689 --> 00:05:29,160

around for the ride that's okay too but

133

00:05:35,270 --> 00:05:32,699

in either case till next time take care

134

00:05:41,810 --> 00:05:35,280

and bye for now
