1  
00:00:12,530 --> 00:00:08,930  
on this episode of skeptico a show about

2  
00:00:13,610 --> 00:00:12,540  
considering all your options the

3  
00:00:16,070 --> 00:00:13,620  
president

4  
00:00:18,890 --> 00:00:16,080  
I would not rule out the chance to

5  
00:00:21,050 --> 00:00:18,900  
preserve a nucleus of human specimens a

6  
00:00:23,630 --> 00:00:21,060  
radioactivity would never penetrate her

7  
00:00:29,689 --> 00:00:23,640  
mind some thousands of feet deep how

8  
00:00:29,699 --> 00:00:33,350  
100 years

9  
00:00:38,060 --> 00:00:35,990  
and a show about went crazy doesn't

10  
00:00:41,150 --> 00:00:38,070  
sound crazy

11  
00:00:43,610 --> 00:00:41,160  
[Music]

12  
00:00:47,150 --> 00:00:43,620  
action kind of thing the way you lay it

13  
00:00:48,529 --> 00:00:47,160

out it actually kind of makes sense they

14

00:00:50,029 --> 00:00:48,539

were starting off the seminar but they

15

00:00:52,310 --> 00:00:50,039

were also concentrating on the nuclear

16

00:00:55,250 --> 00:00:52,320

arms race so they were both really

17

00:00:57,950 --> 00:00:55,260

scared in 1957 when um nuclear war and

18

00:00:59,869 --> 00:00:57,960

foreign policy got released from the CFR

19

00:01:01,850 --> 00:00:59,879

working group that Henry Kissinger

20

00:01:04,070 --> 00:01:01,860

released it and it kind of said okay

21

00:01:06,289 --> 00:01:04,080

what would be better than all-out

22

00:01:08,570 --> 00:01:06,299

nuclear Wars that we have this low

23

00:01:11,810 --> 00:01:08,580

Perpetual Warfare

24

00:01:14,810 --> 00:01:11,820

that first clip was from Dr Strangelove

25

00:01:17,090 --> 00:01:14,820

which if you've never watched it or if

26

00:01:20,810 --> 00:01:17,100

you haven't watched it recently

27

00:01:22,910 --> 00:01:20,820

is a must an absolute must and the

28

00:01:25,609 --> 00:01:22,920

second is from today's excellent

29

00:01:28,730 --> 00:01:25,619

excellent guest Johnny vedmore of

30

00:01:31,850 --> 00:01:28,740

unlimited hangout who has some just

31

00:01:33,350 --> 00:01:31,860

extraordinary articles that we're not

32

00:01:35,990 --> 00:01:33,360

even going to be able to scratch the

33

00:01:40,249 --> 00:01:36,000

surface on but I hope you will check out

34

00:01:42,469 --> 00:01:40,259

after listening to this interview

35

00:01:45,109 --> 00:01:42,479

welcome to skeptico where we explore

36

00:01:48,230 --> 00:01:45,119

controversial science spirituality and

37

00:01:50,630 --> 00:01:48,240

other big picture stuff like we'll hear

38

00:01:52,850 --> 00:01:50,640

about today with leading researchers

39

00:01:56,270 --> 00:01:52,860

thinkers and their critics and boy oh

40

00:01:58,910 --> 00:01:56,280

boy do we have a good one today I'm just

41

00:02:01,609 --> 00:01:58,920

super excited to welcome Johnny vedmore

42

00:02:04,730 --> 00:02:01,619

to skeptico he is an incredible

43

00:02:07,490 --> 00:02:04,740

investigative journalist and I mean

44

00:02:10,790 --> 00:02:07,500

incredible so you'll find someone's work

45

00:02:14,150 --> 00:02:10,800

on his website johnnyvedmore.com or you

46

00:02:17,330 --> 00:02:14,160

might also stumble across him on the

47

00:02:20,210 --> 00:02:17,340

very excellent unlimited Hangout

48

00:02:23,150 --> 00:02:20,220

you know investigative journalism is

49

00:02:25,729 --> 00:02:23,160

more or less dead today right from the

50

00:02:28,550 --> 00:02:25,739

usual sources that you would find it

51  
00:02:30,949 --> 00:02:28,560  
you're just not going to get this kind

52  
00:02:34,130 --> 00:02:30,959  
of stuff particularly the way that

53  
00:02:36,170 --> 00:02:34,140  
Johnny uh documents it uh researches it

54  
00:02:38,690 --> 00:02:36,180  
one of the fun things I hope we get a

55  
00:02:40,610 --> 00:02:38,700  
chance to talk about today is some of

56  
00:02:43,490 --> 00:02:40,620  
the methods I mean it's like old school

57  
00:02:45,229 --> 00:02:43,500  
hey I had to dig into this archive and I

58  
00:02:48,050 --> 00:02:45,239  
use the Wayback machine and that led me

59  
00:02:50,390 --> 00:02:48,060  
to 500 names that I had to trace now

60  
00:02:54,050 --> 00:02:50,400  
everyone this is true investigative

61  
00:02:55,070 --> 00:02:54,060  
journalism and it goes places that as We

62  
00:02:58,130 --> 00:02:55,080  
Know

63  
00:03:00,890 --> 00:02:58,140

you know we're just not getting there

64

00:03:03,290 --> 00:03:00,900

through what we call our mainstream

65

00:03:06,410 --> 00:03:03,300

journalism so it's really rare these

66

00:03:10,430 --> 00:03:06,420

days but anyways a lot of work here also

67

00:03:13,009 --> 00:03:10,440

a musician right okay what do we want to

68

00:03:16,190 --> 00:03:13,019

play right now just a little bit come on

69

00:03:19,430 --> 00:03:16,200

man oh my Lord why am I you know I'm

70

00:03:22,210 --> 00:03:19,440

proud of uh I I'd say uh evil is really

71

00:03:26,990 --> 00:03:22,220

War Machine what you've gotta yeah yeah

72

00:03:35,350 --> 00:03:29,900

one machine

73

00:03:41,509 --> 00:03:38,110

[Music]

74

00:03:43,610 --> 00:03:41,519

damn I'm ready to go it's got a minute

75

00:03:46,490 --> 00:03:43,620

and a half Sim solo at the end of that

76

00:03:48,890 --> 00:03:46,500

one that's uh that's mostly Sim solo to

77

00:03:51,229 --> 00:03:48,900

be perfectly honest rather than some

78

00:03:53,930 --> 00:03:51,239

I'm fired up now I mean that's gonna

79

00:03:57,470 --> 00:03:53,940

take me a while to settle back down okay

80

00:03:59,030 --> 00:03:57,480

so um anyways Johnny uh welcome to the

81

00:04:02,149 --> 00:03:59,040

show thanks so much for joining me on

82

00:04:05,509 --> 00:04:02,159

skeptico no thanks for having me I mean

83

00:04:08,030 --> 00:04:05,519

um I it's been a really hard journey to

84

00:04:11,330 --> 00:04:08,040

get to a point where where people know

85

00:04:13,009 --> 00:04:11,340

my name uh because I mean there's so

86

00:04:14,929 --> 00:04:13,019

much censorship in this and that's been

87

00:04:16,909 --> 00:04:14,939

that that's partially like runs

88

00:04:19,969 --> 00:04:16,919

alongside the fact that like like you

89

00:04:21,830 --> 00:04:19,979

said investigative journalism is dead I

90

00:04:23,689 --> 00:04:21,840

didn't really know what it was when I

91

00:04:25,909 --> 00:04:23,699

started doing it you know I didn't know

92

00:04:28,610 --> 00:04:25,919

what what I was heading towards because

93

00:04:30,110 --> 00:04:28,620

I'd never really seen that type of

94

00:04:32,689 --> 00:04:30,120

Journalism it's not introduced to you

95

00:04:34,610 --> 00:04:32,699

it's out there in the back and then you

96

00:04:36,950 --> 00:04:34,620

know there's a there's a few people who

97

00:04:38,629 --> 00:04:36,960

have kind of like inspired me and their

98

00:04:40,730 --> 00:04:38,639

work has made me go wow wow that's

99

00:04:42,230 --> 00:04:40,740

that's what you do you put you put all

100

00:04:44,030 --> 00:04:42,240

the facts there and that's why

101  
00:04:45,350 --> 00:04:44,040  
investigative journalism is you get all

102  
00:04:47,810 --> 00:04:45,360  
of the facts as many as you could

103  
00:04:50,030 --> 00:04:47,820  
possibly find and I'm a collector of

104  
00:04:53,090 --> 00:04:50,040  
facts I suppose I'm a collector of these

105  
00:04:55,249 --> 00:04:53,100  
little uh pieces of History uh little

106  
00:04:57,530 --> 00:04:55,259  
sources from history evidence from

107  
00:04:58,310 --> 00:04:57,540  
history that tells us a real story you

108  
00:05:03,290 --> 00:04:58,320  
know

109  
00:05:05,330 --> 00:05:03,300  
I kind of get the other impression I I a

110  
00:05:08,390 --> 00:05:05,340  
lot of the stuff I find more and more in

111  
00:05:12,650 --> 00:05:08,400  
the conspiratorial vein is this kind of

112  
00:05:15,409 --> 00:05:12,660  
data dump you know and I think you rise

113  
00:05:17,749 --> 00:05:15,419

above that in that you do have a little

114

00:05:19,790 --> 00:05:17,759

bit of Storytelling element maybe that's

115

00:05:22,490 --> 00:05:19,800

because of your

116

00:05:24,230 --> 00:05:22,500

you know uh music background and you're

117

00:05:26,930 --> 00:05:24,240

telling stories and you're writing

118

00:05:29,270 --> 00:05:26,940

lyrics with the beginning and an end and

119

00:05:31,249 --> 00:05:29,280

all that kind of stuff I mean I I don't

120

00:05:33,170 --> 00:05:31,259

know I think it's more than that yeah

121

00:05:36,290 --> 00:05:33,180

yeah well there I mean

122

00:05:38,330 --> 00:05:36,300

I spent years with a guitar just sitting

123

00:05:40,969 --> 00:05:38,340

there with a guitar writing song after

124

00:05:42,950 --> 00:05:40,979

song after song and I tried how long how

125

00:05:46,070 --> 00:05:42,960

long were you what is give us a

126

00:05:48,830 --> 00:05:46,080

background on uh on you oh yeah a

127

00:05:51,890 --> 00:05:48,840

Welshman a Welshman uh fighting wellsman

128

00:05:55,370 --> 00:05:51,900

with uh an edge on the music we can hear

129

00:05:57,650 --> 00:05:55,380

yeah I I mean I had a really strange

130

00:06:00,529 --> 00:05:57,660

upbringing um I I formed the capital

131

00:06:04,249 --> 00:06:00,539

city of Wales so I'm from Cardiff and um

132

00:06:06,110 --> 00:06:04,259

but but my family and my dad was uh we

133

00:06:08,570 --> 00:06:06,120

were in this uh reenactment organ

134

00:06:10,730 --> 00:06:08,580

Society so it was a 17th century

135

00:06:13,249 --> 00:06:10,740

reenactment society called the sealed

136

00:06:16,790 --> 00:06:13,259

not and uh every every week almost every

137

00:06:18,710 --> 00:06:16,800

weekend uh and for sometimes weeks I was

138

00:06:20,810 --> 00:06:18,720

out in a campsite somewhere dressed in

139

00:06:23,090 --> 00:06:20,820

17th century clothing with people

140

00:06:24,890 --> 00:06:23,100

walking around in armor fighting with

141

00:06:26,930 --> 00:06:24,900

swords cannons going off muskets

142

00:06:28,670 --> 00:06:26,940

gunpowder I used to when we used to

143

00:06:30,409 --> 00:06:28,680

travel down to the Masters

144

00:06:32,809 --> 00:06:30,419

um because my father was the commanding

145

00:06:35,330 --> 00:06:32,819

officer of Colonel Birches regiment I

146

00:06:38,510 --> 00:06:35,340

used to say on the gunpowder keg that we

147

00:06:40,670 --> 00:06:38,520

used to travel to the actual uh um

148

00:06:42,050 --> 00:06:40,680

events with for our regiment our

149

00:06:44,870 --> 00:06:42,060

regiment would have to bring their own

150

00:06:47,510 --> 00:06:44,880

gunpowder that eventually stopped in the

151

00:06:50,150 --> 00:06:47,520

90s late 80s and early 90s when the

152

00:06:52,129 --> 00:06:50,160

regulations got more heated up and they

153

00:06:54,650 --> 00:06:52,139

were a bit more careful about allowing

154

00:06:55,670 --> 00:06:54,660

people with kegs of gunpowder on the

155

00:06:57,290 --> 00:06:55,680

road

156

00:06:58,850 --> 00:06:57,300

um but I I had this really strange

157

00:07:00,950 --> 00:06:58,860

upbringing my father was a really

158

00:07:04,909 --> 00:07:00,960

eccentric man because of the way he was

159

00:07:07,610 --> 00:07:04,919

he's like uh we had a the society we

160

00:07:10,730 --> 00:07:07,620

were in was like 8 000 people so you had

161

00:07:13,850 --> 00:07:10,740

8 000 people dressed up fighting for

162

00:07:15,469 --> 00:07:13,860

charity uh loads of people come watch of

163

00:07:17,870 --> 00:07:15,479

course it was a massive event over the

164

00:07:19,610 --> 00:07:17,880

weekends uh the commentary every night

165

00:07:20,809 --> 00:07:19,620

was just you know you're out in the

166

00:07:22,249 --> 00:07:20,819

middle of a field out in the middle of

167

00:07:23,990 --> 00:07:22,259

nowhere with a load of friends you see

168

00:07:26,089 --> 00:07:24,000

every weekend but you don't live with

169

00:07:27,170 --> 00:07:26,099

and it was always party atmosphere so I

170

00:07:29,150 --> 00:07:27,180

was brought up with that party

171

00:07:31,490 --> 00:07:29,160

atmosphere all around me all of the time

172

00:07:34,129 --> 00:07:31,500

and I you know and I I got to learn

173

00:07:37,550 --> 00:07:34,139

about history I got you know really

174

00:07:39,770 --> 00:07:37,560

deeply by exploring the castles myself

175

00:07:41,990 --> 00:07:39,780

you know as kids we were just let off

176

00:07:45,050 --> 00:07:42,000

the rain our parents because we did they

177

00:07:47,029 --> 00:07:45,060

we you know this campsite was closed off

178

00:07:50,390 --> 00:07:47,039

um usually usually they would just let

179

00:07:52,850 --> 00:07:50,400

us go off and we would have to return by

180

00:07:55,490 --> 00:07:52,860

12 midnight when they finished their

181

00:07:57,170 --> 00:07:55,500

partying and and as a child that's what

182

00:07:58,790 --> 00:07:57,180

my life was we'd just go off in the

183

00:08:00,890 --> 00:07:58,800

middle of nowhere and we'd explore

184

00:08:03,230 --> 00:08:00,900

castles and we'd sneak into places we

185

00:08:04,850 --> 00:08:03,240

weren't allowed in and uh and then in

186

00:08:07,730 --> 00:08:04,860

the weekdays they had this normal life

187

00:08:09,950 --> 00:08:07,740

which going to school and everybody who

188

00:08:12,110 --> 00:08:09,960

like my experiences was so far removed

189

00:08:14,870 --> 00:08:12,120

from each other and I I think that led

190

00:08:16,610 --> 00:08:14,880

me on to understanding that you know uh

191

00:08:18,890 --> 00:08:16,620

what people see every day what most

192

00:08:21,650 --> 00:08:18,900

people see every day is just a bit

193

00:08:22,909 --> 00:08:21,660

illusory and and there's actually this

194

00:08:24,110 --> 00:08:22,919

whole other world out there and you

195

00:08:25,969 --> 00:08:24,120

could be doing loads of different things

196

00:08:27,469 --> 00:08:25,979

all around the place and you go back and

197

00:08:29,629 --> 00:08:27,479

sit in an office and everybody thinks

198

00:08:32,690 --> 00:08:29,639

you sit in an office all the time you

199

00:08:36,290 --> 00:08:32,700

know yeah I I worked in hotels when I I

200

00:08:39,529 --> 00:08:36,300

finally like you know when I I got to uh

201  
00:08:42,350 --> 00:08:39,539  
age of 19 I went into a full-time work

202  
00:08:43,610 --> 00:08:42,360  
in hotels and a lot of people talked

203  
00:08:46,310 --> 00:08:43,620  
here I was on the reception desk

204  
00:08:47,889 --> 00:08:46,320  
friendly always talking with people uh

205  
00:08:50,210 --> 00:08:47,899  
meeting people from all around the world

206  
00:08:52,430 --> 00:08:50,220  
and there was loads of people I would

207  
00:08:54,410 --> 00:08:52,440  
meet who I discovered would believe that

208  
00:08:56,630 --> 00:08:54,420  
I was constantly behind a reception desk

209  
00:08:58,490 --> 00:08:56,640  
because that's what they saw and I

210  
00:09:00,650 --> 00:08:58,500  
understood like the idea of perception

211  
00:09:01,730 --> 00:09:00,660  
was really interesting for me I also had

212  
00:09:03,470 --> 00:09:01,740  
like a load of really negative

213  
00:09:05,329 --> 00:09:03,480

experiences when I was young so my

214

00:09:07,009 --> 00:09:05,339

family there was like even though we

215

00:09:09,410 --> 00:09:07,019

were really loving in the same way there

216

00:09:10,610 --> 00:09:09,420

was loads of violence like really hard

217

00:09:13,430 --> 00:09:10,620

violence

218

00:09:16,490 --> 00:09:13,440

um I was groomed from when I was 9 to 11

219

00:09:19,250 --> 00:09:16,500

by a guy who was in this organization in

220

00:09:20,570 --> 00:09:19,260

this field not and uh ended up going to

221

00:09:23,030 --> 00:09:20,580

court

222

00:09:25,490 --> 00:09:23,040

um and he got convicted and then he got

223

00:09:27,410 --> 00:09:25,500

let back into the society again it was

224

00:09:29,570 --> 00:09:27,420

just around me all the time so I had

225

00:09:31,790 --> 00:09:29,580

this like loads of these these horrible

226

00:09:34,310 --> 00:09:31,800

experiences I had to deal with in life

227

00:09:37,550 --> 00:09:34,320

as well and and it all really affected

228

00:09:40,310 --> 00:09:37,560

me negatively by the time uh I hit into

229

00:09:42,889 --> 00:09:40,320

my 20s you know September the 11th is

230

00:09:45,170 --> 00:09:42,899

happening uh and the world just seems

231

00:09:47,810 --> 00:09:45,180

like this crazy mess you know the

232

00:09:50,030 --> 00:09:47,820

internet's coming everything's exploding

233

00:09:53,210 --> 00:09:50,040

all at the same time yet we've still got

234

00:09:56,449 --> 00:09:53,220

nothing like everywhere everyone I knew

235

00:09:58,310 --> 00:09:56,459

had nothing we were living off like we

236

00:10:00,110 --> 00:09:58,320

were earning like four pound fifty an

237

00:10:02,930 --> 00:10:00,120

hour you know I don't know how much that

238

00:10:05,930 --> 00:10:02,940

is in dollars but it was not much uh and

239

00:10:08,570 --> 00:10:05,940

couldn't get much work and uh the

240

00:10:12,650 --> 00:10:08,580

financial crisis was on its way you know

241

00:10:14,570 --> 00:10:12,660

life was really uh sad and I kind of

242

00:10:16,370 --> 00:10:14,580

like kept trying to make sense of it and

243

00:10:20,090 --> 00:10:16,380

I kept going into uh kind of the

244

00:10:22,070 --> 00:10:20,100

internet world just exploring around and

245

00:10:24,170 --> 00:10:22,080

reading and reading and reading and not

246

00:10:27,530 --> 00:10:24,180

realizing while I was doing that that I

247

00:10:30,350 --> 00:10:27,540

was actually starting uh becoming a

248

00:10:31,670 --> 00:10:30,360

journalist I was I was one step away

249

00:10:34,389 --> 00:10:31,680

from being a journalist which I was

250

00:10:37,250 --> 00:10:34,399

gathering all information yeah I wasn't

251

00:10:39,350 --> 00:10:37,260

writing that information down and that

252

00:10:42,050 --> 00:10:39,360

was the only difference between before

253

00:10:43,550 --> 00:10:42,060

and after is a Once Upon a Time I wasn't

254

00:10:45,650 --> 00:10:43,560

a journalist because I didn't write

255

00:10:47,810 --> 00:10:45,660

anything I knew down

256

00:10:50,329 --> 00:10:47,820

um and and anything I find it's not even

257

00:10:51,769 --> 00:10:50,339

why no you know you what I always

258

00:10:53,449 --> 00:10:51,779

discovered is that you can tell people

259

00:10:55,370 --> 00:10:53,459

your opinion until the cows come home

260

00:10:57,470 --> 00:10:55,380

and people disagree with it or not you

261

00:10:59,449 --> 00:10:57,480

know it doesn't matter they they they're

262

00:11:01,490 --> 00:10:59,459

ethereally disappear really quickly

263

00:11:03,410 --> 00:11:01,500

opinions you know they go with Trends

264

00:11:05,210 --> 00:11:03,420

and fads and they go with the time but

265

00:11:06,829 --> 00:11:05,220

when you collect real information when

266

00:11:09,110 --> 00:11:06,839

you're telling people facts about the

267

00:11:11,090 --> 00:11:09,120

past and history it can make them

268

00:11:13,790 --> 00:11:11,100

understand loads of things about their

269

00:11:15,050 --> 00:11:13,800

own lives and their own uh interactions

270

00:11:17,150 --> 00:11:15,060

with the world that they could never

271

00:11:20,090 --> 00:11:17,160

understand before and suddenly their

272

00:11:24,590 --> 00:11:20,100

eyes are open to so much more and and it

273

00:11:25,730 --> 00:11:24,600

goes or not or not or not or not and all

274

00:11:27,769 --> 00:11:25,740

of this time

275

00:11:29,750 --> 00:11:27,779

um I was uh suffering from something

276

00:11:31,850 --> 00:11:29,760

called Graves disease which was a really

277

00:11:34,250 --> 00:11:31,860

like it was undiagnosed for most of my

278

00:11:36,110 --> 00:11:34,260

life so only diamonds when I was 27 is a

279

00:11:38,449 --> 00:11:36,120

really heavy thyroid disease and

280

00:11:39,889 --> 00:11:38,459

basically by the time I was 27 I was

281

00:11:43,430 --> 00:11:39,899

almost dying

282

00:11:46,250 --> 00:11:43,440

um so I I was like you know as my ill

283

00:11:50,210 --> 00:11:46,260

health was going uh I was unable to sing

284

00:11:53,509 --> 00:11:50,220

I unable to to keep a job

285

00:11:56,090 --> 00:11:53,519

um all sorts of symptoms were occurring

286

00:11:57,650 --> 00:11:56,100

uh it was still undiagnosed and I felt

287

00:11:59,930 --> 00:11:57,660

like completely and utterly lost and

288

00:12:02,329 --> 00:11:59,940

eventually that that got that got

289

00:12:04,130 --> 00:12:02,339

rectified and understood and then they

290

00:12:06,170 --> 00:12:04,140

had radioactive treatment and they had

291

00:12:08,449 --> 00:12:06,180

my thyroids taken out and then they had

292

00:12:10,310 --> 00:12:08,459

all this depression anxiety and all this

293

00:12:14,329 --> 00:12:10,320

feeling of weirdness and I was put on

294

00:12:17,990 --> 00:12:14,339

loads of chemical compounds fluoxetine

295

00:12:20,090 --> 00:12:18,000

and and other things clomipramine and

296

00:12:21,829 --> 00:12:20,100

other things that made my my head go

297

00:12:23,810 --> 00:12:21,839

crazy

298

00:12:25,370 --> 00:12:23,820

um and I fell into that world I fell

299

00:12:30,350 --> 00:12:25,380

into that world and by the time I got to

300

00:12:34,310 --> 00:12:30,360

about 2014 2015 I was a mess I was a

301  
00:12:36,650 --> 00:12:34,320  
mess but I had like music my my my sort

302  
00:12:39,350 --> 00:12:36,660  
of like musical projects I had built and

303  
00:12:40,730 --> 00:12:39,360  
you know the music's really hard you get

304  
00:12:42,829 --> 00:12:40,740  
into a band you get into a band with

305  
00:12:44,329 --> 00:12:42,839  
other people and and other people like

306  
00:12:47,030 --> 00:12:44,339  
you know especially musicians are

307  
00:12:49,850 --> 00:12:47,040  
usually crazy fickle they go you know

308  
00:12:51,190 --> 00:12:49,860  
they they're Airy fairy they they turn

309  
00:12:54,110 --> 00:12:51,200  
on each other

310  
00:12:56,269 --> 00:12:54,120  
with great ease and so that wasn't going

311  
00:12:58,610 --> 00:12:56,279  
very well and I was really depressed and

312  
00:13:00,829 --> 00:12:58,620  
I was just like what am I gonna do I I

313  
00:13:02,810 --> 00:13:00,839

got to the point where I was I had just

314

00:13:04,910 --> 00:13:02,820

been taking more drugs and more drugs

315

00:13:07,009 --> 00:13:04,920

and more drugs until eventually I was

316

00:13:09,829 --> 00:13:07,019

just on morphine and I was taking

317

00:13:11,329 --> 00:13:09,839

morphine I was puking up I I would say

318

00:13:13,810 --> 00:13:11,339

you know nearly nearly straight away

319

00:13:17,810 --> 00:13:13,820

really straight away it's like I was

320

00:13:20,509 --> 00:13:17,820

heading towards dying and I knew it I

321

00:13:22,850 --> 00:13:20,519

recognized it and I I the first time I

322

00:13:25,550 --> 00:13:22,860

really recognized it was um I lied to

323

00:13:28,190 --> 00:13:25,560

someone who I love very much about what

324

00:13:30,829 --> 00:13:28,200

I was doing and what I was taking and I

325

00:13:33,829 --> 00:13:30,839

within a day I just I just felt really

326

00:13:35,269 --> 00:13:33,839

like the lowest I felt I in in years

327

00:13:37,430 --> 00:13:35,279

because I had lied to someone I had

328

00:13:39,410 --> 00:13:37,440

completely adored

329

00:13:41,269 --> 00:13:39,420

um about something that was so horrible

330

00:13:43,370 --> 00:13:41,279

and I went to that person I said I need

331

00:13:44,930 --> 00:13:43,380

help I need to get out of it and they

332

00:13:47,030 --> 00:13:44,940

said you need to work out how to get out

333

00:13:48,710 --> 00:13:47,040

of it and so I went up to the Welsh

334

00:13:51,110 --> 00:13:48,720

hillsides and they picked a load of

335

00:13:53,930 --> 00:13:51,120

mushrooms and I spent about three months

336

00:13:56,389 --> 00:13:53,940

on mushrooms like his do or die I'm

337

00:13:58,550 --> 00:13:56,399

gonna have to like take everything into

338

00:14:01,370 --> 00:13:58,560

my brain I'm gonna have to have this

339

00:14:04,850 --> 00:14:01,380

experience and I did what is it what

340

00:14:06,710 --> 00:14:04,860

grows up there which kind of uh

341

00:14:08,690 --> 00:14:06,720

um and then whilst we we have what's

342

00:14:11,050 --> 00:14:08,700

called Welsh magic mushrooms I can't

343

00:14:13,610 --> 00:14:11,060

remember the the the uh

344

00:14:15,230 --> 00:14:13,620

the the name but they have a little

345

00:14:17,509 --> 00:14:15,240

Christmas are they the little crazy yeah

346

00:14:19,910 --> 00:14:17,519

they're like little wizard wizard hat

347

00:14:22,910 --> 00:14:19,920

sort of mushrooms and they're beautiful

348

00:14:26,509 --> 00:14:22,920

they're wonderful they they so powerful

349

00:14:28,850 --> 00:14:26,519

they're really uh pie on on uh the the

350

00:14:31,069 --> 00:14:28,860

mushroom scale and you they're in

351  
00:14:32,870 --> 00:14:31,079  
abundance just just outside the city you

352  
00:14:35,329 --> 00:14:32,880  
go up to Garth Hill anybody who lives in

353  
00:14:38,509 --> 00:14:35,339  
Cardiff go up to Garth Hill in the right

354  
00:14:41,810 --> 00:14:38,519  
time of the year you can pick hundreds

355  
00:14:44,329 --> 00:14:41,820  
thousands you can try them all out and

356  
00:14:47,629 --> 00:14:44,339  
keep them in a pot and and Bob's your

357  
00:14:49,069 --> 00:14:47,639  
uncle and I I kind of just felt like my

358  
00:14:52,009 --> 00:14:49,079  
certain parts of my life were breaking

359  
00:14:54,530 --> 00:14:52,019  
down I had to reform we we take control

360  
00:14:56,629 --> 00:14:54,540  
of my life come off drugs come off all

361  
00:14:58,850 --> 00:14:56,639  
of these other things that had been you

362  
00:15:01,370 --> 00:14:58,860  
know that had been for forcing me down

363  
00:15:03,290 --> 00:15:01,380

and that was uh it was just like it it

364

00:15:05,269 --> 00:15:03,300

opened up another thing to me it made me

365

00:15:07,310 --> 00:15:05,279

realize I got to a point where I

366

00:15:09,650 --> 00:15:07,320

realized am I going to continue being

367

00:15:11,449 --> 00:15:09,660

quiet living in this world where

368

00:15:13,730 --> 00:15:11,459

everything's miserable all the people

369

00:15:16,189 --> 00:15:13,740

around me are unhappy all the systems

370

00:15:18,110 --> 00:15:16,199

don't work politics is horrible people

371

00:15:19,550 --> 00:15:18,120

are turning on each other it's getting

372

00:15:21,170 --> 00:15:19,560

worse and worse people are getting poor

373

00:15:23,750 --> 00:15:21,180

all the time do I want to live in that

374

00:15:27,110 --> 00:15:23,760

world in a little room taking morphine

375

00:15:30,110 --> 00:15:27,120

and dying and killing myself or do I

376

00:15:32,150 --> 00:15:30,120

want to go and say well if if I'm not

377

00:15:34,129 --> 00:15:32,160

going to kill myself that way because if

378

00:15:37,129 --> 00:15:34,139

I continue that way I'm gonna die then

379

00:15:39,170 --> 00:15:37,139

you're gonna have to kill me and so I've

380

00:15:41,509 --> 00:15:39,180

I looked at the people who made me the

381

00:15:44,030 --> 00:15:41,519

most angry in society you know the the

382

00:15:45,829 --> 00:15:44,040

the the secret Services the intelligence

383

00:15:48,350 --> 00:15:45,839

agencies the people who are hiding

384

00:15:50,810 --> 00:15:48,360

things from people I said okay I'm gonna

385

00:15:52,910 --> 00:15:50,820

try and find a way and politics mainly

386

00:15:57,470 --> 00:15:52,920

at first I'm going to try and find a way

387

00:15:59,210 --> 00:15:57,480

to uh you know reveal information find

388

00:16:01,970 --> 00:15:59,220

information can I ask you this because

389

00:16:04,730 --> 00:16:01,980

like there's so many twists and turns to

390

00:16:07,189 --> 00:16:04,740

the story but let's just go right where

391

00:16:10,610 --> 00:16:07,199

you were you're up there and and you

392

00:16:13,790 --> 00:16:10,620

have the psilocybin experience

393

00:16:17,090 --> 00:16:13,800

one how did you even know to to do that

394

00:16:19,009 --> 00:16:17,100

or why did you think that would be you

395

00:16:23,150 --> 00:16:19,019

know somehow help you out of this

396

00:16:27,530 --> 00:16:23,160

situation and then two how how effective

397

00:16:30,410 --> 00:16:27,540

was it for you particularly uh to

398

00:16:34,310 --> 00:16:30,420

to kind of start healing yeah if I was

399

00:16:35,750 --> 00:16:34,320

gonna I mean my thought was that if I

400

00:16:37,670 --> 00:16:35,760

wasn't gonna kill him kill myself

401  
00:16:41,269 --> 00:16:37,680  
through drugs I was just gonna end up

402  
00:16:43,970 --> 00:16:41,279  
killing myself and so the all of

403  
00:16:45,710 --> 00:16:43,980  
alternative is that you party yourself

404  
00:16:48,050 --> 00:16:45,720  
to death but I'm killing myself with the

405  
00:16:50,749 --> 00:16:48,060  
same stuff I'm partying with so I needed

406  
00:16:53,030 --> 00:16:50,759  
to get Earthly with it I needed to get I

407  
00:16:55,490 --> 00:16:53,040  
I had already experienced psychedelics

408  
00:16:58,550 --> 00:16:55,500  
already a big fan of psychedelics never

409  
00:17:01,490 --> 00:16:58,560  
on that scale I I said you know I I've

410  
00:17:05,390 --> 00:17:01,500  
really got to start not just in a sense

411  
00:17:08,449 --> 00:17:05,400  
it was a reset it was Laurice it was a

412  
00:17:11,150 --> 00:17:08,459  
reset of the Mind totally yeah it was it

413  
00:17:12,110 --> 00:17:11,160

was like you know a lot of a lot of it I

414

00:17:15,230 --> 00:17:12,120

spent

415

00:17:17,630 --> 00:17:15,240

um I you know I I one night I took and

416

00:17:21,530 --> 00:17:17,640

what what Terence McKenna would call an

417

00:17:24,409 --> 00:17:21,540

epic dose of mushrooms

418

00:17:28,069 --> 00:17:24,419

um and I I fell asleep

419

00:17:30,470 --> 00:17:28,079

and I I don't remember uh the night uh

420

00:17:33,230 --> 00:17:30,480

the dreams anything I just remember

421

00:17:35,750 --> 00:17:33,240

waking up and feeling this complete

422

00:17:38,990 --> 00:17:35,760

feeling of refreshment I could refreshed

423

00:17:40,549 --> 00:17:39,000

my soul and I was doing so much in the

424

00:17:43,789 --> 00:17:40,559

way of mushroom I just felt like I was

425

00:17:47,950 --> 00:17:43,799

constantly it was about resetting my

426

00:17:50,029 --> 00:17:47,960

sadness my inability to to uh

427

00:17:52,010 --> 00:17:50,039

concentrate on certain things I was

428

00:17:55,730 --> 00:17:52,020

taking you know like the aspect that I

429

00:17:58,070 --> 00:17:55,740

got groomed I mean if you try and look

430

00:17:59,870 --> 00:17:58,080

at that when you're on psychedelics you

431

00:18:02,210 --> 00:17:59,880

have to look really deep within yourself

432

00:18:04,549 --> 00:18:02,220

and you can disconnect yourself but you

433

00:18:06,470 --> 00:18:04,559

can also be with yourself and I started

434

00:18:08,870 --> 00:18:06,480

to kind of understand that the things

435

00:18:10,610 --> 00:18:08,880

that happened in the past were kind of a

436

00:18:13,370 --> 00:18:10,620

different person you know or nearly

437

00:18:16,490 --> 00:18:13,380

every single bit of your bone and your

438

00:18:20,690 --> 00:18:16,500

skin will fall off and reform

439

00:18:22,190 --> 00:18:20,700

during like every six 12 18 months

440

00:18:23,990 --> 00:18:22,200

depending on what thing it is and

441

00:18:26,270 --> 00:18:24,000

eventually you just reform to be a new

442

00:18:28,130 --> 00:18:26,280

person and you hold all of this angst

443

00:18:30,289 --> 00:18:28,140

and all of this pain with you for

444

00:18:32,990 --> 00:18:30,299

someone who if you can get into the

445

00:18:34,850 --> 00:18:33,000

right frame of mind you can sort of

446

00:18:37,789 --> 00:18:34,860

communicate with that person from an

447

00:18:39,890 --> 00:18:37,799

external uh in an external sense in an

448

00:18:42,230 --> 00:18:39,900

external way you can say

449

00:18:44,690 --> 00:18:42,240

I know what you went through I really do

450

00:18:46,850 --> 00:18:44,700

I I'm the only person who can know

451  
00:18:49,310 --> 00:18:46,860  
what you went through and I I learned to

452  
00:18:51,049 --> 00:18:49,320  
let loads of things go I learned to let

453  
00:18:54,710 --> 00:18:51,059  
loads of things go but in letting things

454  
00:18:57,110 --> 00:18:54,720  
go also I I saw what was important and

455  
00:19:00,350 --> 00:18:57,120  
the whole time you know I I there was a

456  
00:19:03,590 --> 00:19:00,360  
sense that the the only thing you learn

457  
00:19:07,310 --> 00:19:03,600  
from resetting yourself on mushrooms is

458  
00:19:10,430 --> 00:19:07,320  
truth is the only thing that's important

459  
00:19:13,610 --> 00:19:10,440  
truth going out there and finding truth

460  
00:19:16,010 --> 00:19:13,620  
that's that's the up you know it's

461  
00:19:18,230 --> 00:19:16,020  
always opposing whenever you do anything

462  
00:19:20,690 --> 00:19:18,240  
psychedelic you know it's good bad it's

463  
00:19:23,930 --> 00:19:20,700

always it's so juxtaposed the whole

464

00:19:25,730 --> 00:19:23,940

experience but truth as opposed to lies

465

00:19:27,890 --> 00:19:25,740

because everything when you examine it

466

00:19:30,169 --> 00:19:27,900

everything that that has caused you pain

467

00:19:32,330 --> 00:19:30,179

throughout your entire life all stems

468

00:19:33,830 --> 00:19:32,340

from lies it all stems from that one

469

00:19:36,770 --> 00:19:33,840

thing that someone told you something

470

00:19:38,390 --> 00:19:36,780

that is not true and it's hurt you well

471

00:19:40,190 --> 00:19:38,400

you know what uh it's kind of

472

00:19:42,830 --> 00:19:40,200

interesting about that not to just pry

473

00:19:45,650 --> 00:19:42,840

totally into your personal kind of thing

474

00:19:48,169 --> 00:19:45,660

but like you grow up in an intentional

475

00:19:50,810 --> 00:19:48,179

alternative reality I mean you were

476  
00:19:53,390 --> 00:19:50,820  
doing simulation before there was

477  
00:19:54,890 --> 00:19:53,400  
simulation like now it's you know I've

478  
00:19:57,230 --> 00:19:54,900  
had guests on are we living in a

479  
00:19:59,510 --> 00:19:57,240  
simulation a popular topic you know dude

480  
00:20:02,750 --> 00:19:59,520  
you're living in a simulation

481  
00:20:05,090 --> 00:20:02,760  
by choice and and your father to put you

482  
00:20:08,510 --> 00:20:05,100  
in that you know Mom and Dad got four

483  
00:20:09,650 --> 00:20:08,520  
kids I can be eccentric as hell every

484  
00:20:12,230 --> 00:20:09,660  
weekend

485  
00:20:14,570 --> 00:20:12,240  
and then uh you know creating a

486  
00:20:17,450 --> 00:20:14,580  
situation where something like that

487  
00:20:20,750 --> 00:20:17,460  
could happen not that he's responsible

488  
00:20:22,970 --> 00:20:20,760

hey hey hey hey he's he's uh my father

489

00:20:25,909 --> 00:20:22,980

who I don't I don't really speak to my

490

00:20:30,950 --> 00:20:25,919

father he's a he's a special man to be

491

00:20:34,250 --> 00:20:30,960

sure he uh a extremely eccentric in his

492

00:20:37,970 --> 00:20:34,260

way unable to see anything but himself

493

00:20:42,650 --> 00:20:37,980

for most of his life and and really

494

00:20:44,810 --> 00:20:42,660

really impressive did anything that he

495

00:20:46,490 --> 00:20:44,820

put his mind Commander would do the

496

00:20:48,230 --> 00:20:46,500

commander But Not only was he the

497

00:20:51,049 --> 00:20:48,240

commanding officer afterwards he became

498

00:20:52,130 --> 00:20:51,059

a town crier so like the oh yeah oh yeah

499

00:20:53,690 --> 00:20:52,140

okay

500

00:20:56,150 --> 00:20:53,700

um and once upon a time he was a steel

501  
00:20:58,130 --> 00:20:56,160  
worker for 18 years and he grew up in a

502  
00:20:59,570 --> 00:20:58,140  
pub in the roughest area of Cardiff and

503  
00:21:01,610 --> 00:20:59,580  
he's got all of these different strings

504  
00:21:03,289 --> 00:21:01,620  
to his bow and his his cupboard used to

505  
00:21:05,450 --> 00:21:03,299  
be filled with like loads of different

506  
00:21:07,730 --> 00:21:05,460  
costumes and Diving gear and all sorts

507  
00:21:10,190 --> 00:21:07,740  
of things that usually why don't you

508  
00:21:12,830 --> 00:21:10,200  
guys talk why don't you guys talk

509  
00:21:16,430 --> 00:21:12,840  
um mainly because he was a terrible

510  
00:21:19,070 --> 00:21:16,440  
philanderer uh he was he was awful with

511  
00:21:20,810 --> 00:21:19,080  
the ladies he treated my mum like crap

512  
00:21:25,190 --> 00:21:20,820  
and it was a lot of violence in my house

513  
00:21:28,070 --> 00:21:25,200

when I was younger so I I I it comes to

514

00:21:30,649 --> 00:21:28,080

a point where anybody and this is a

515

00:21:33,289 --> 00:21:30,659

message to as well can be a message to

516

00:21:36,409 --> 00:21:33,299

anybody who physically abuses their

517

00:21:39,710 --> 00:21:36,419

children at some point their child will

518

00:21:42,169 --> 00:21:39,720

reach adulthood and will look at you in

519

00:21:44,990 --> 00:21:42,179

the eye and you will shrivel up into a

520

00:21:47,390 --> 00:21:45,000

ball and walk away that's it there is

521

00:21:50,029 --> 00:21:47,400

there is there is very rarely someone

522

00:21:53,690 --> 00:21:50,039

who can repair damage when it's been

523

00:21:56,090 --> 00:21:53,700

like years of physical uh really violent

524

00:21:57,610 --> 00:21:56,100

stuff he was a big guy was he ever able

525

00:22:01,850 --> 00:21:57,620

to own any of that

526

00:22:05,090 --> 00:22:01,860

yeah uh not with not with me no no he I

527

00:22:06,890 --> 00:22:05,100

mean I I I I think with my with my

528

00:22:10,010 --> 00:22:06,900

sisters more

529

00:22:11,810 --> 00:22:10,020

um and I I don't I I don't know I I mean

530

00:22:14,810 --> 00:22:11,820

that's it's it's it's really hard

531

00:22:17,750 --> 00:22:14,820

because I I love you know we all love

532

00:22:20,270 --> 00:22:17,760

our family so much and I I I love him in

533

00:22:22,549 --> 00:22:20,280

many ways I see myself in him in many

534

00:22:25,549 --> 00:22:22,559

ways sometimes when I look into my son's

535

00:22:28,070 --> 00:22:25,559

eyes I see my father I understand the

536

00:22:30,409 --> 00:22:28,080

the idea of looking back at your

537

00:22:33,350 --> 00:22:30,419

father's Facebook history and almost

538

00:22:35,750 --> 00:22:33,360

every uh mimetic moment in in movies

539

00:22:37,970 --> 00:22:35,760

such as Star Wars when you cut off the

540

00:22:39,890 --> 00:22:37,980

face of yourself and discover it's your

541

00:22:41,630 --> 00:22:39,900

father underneath and it's just your

542

00:22:44,390 --> 00:22:41,640

face and it's your father and it's your

543

00:22:46,549 --> 00:22:44,400

face you know this is this this is what

544

00:22:49,970 --> 00:22:46,559

builds our psychology all of these

545

00:22:52,909 --> 00:22:49,980

things you know people don't suffer uh

546

00:22:55,070 --> 00:22:52,919

um a death from just one thing when they

547

00:22:57,110 --> 00:22:55,080

they like come to an end when they

548

00:22:59,390 --> 00:22:57,120

decide to commit suicide you know it's

549

00:23:01,010 --> 00:22:59,400

death by Thousand Cuts it's all these

550

00:23:03,770 --> 00:23:01,020

different experiences from all around

551

00:23:05,930 --> 00:23:03,780

all piling up but if you can rationalize

552

00:23:09,049 --> 00:23:05,940

each one you could take out each one and

553

00:23:11,330 --> 00:23:09,059

you can understand why and I don't blame

554

00:23:14,090 --> 00:23:11,340

my dad for the way he lived his life I

555

00:23:16,970 --> 00:23:14,100

think part of it uh and I I think he'll

556

00:23:20,630 --> 00:23:16,980

accept it was extremely high strength

557

00:23:22,730 --> 00:23:20,640

alcohol uh beers mainly growing up in a

558

00:23:25,250 --> 00:23:22,740

pub didn't help him and he was wild and

559

00:23:27,049 --> 00:23:25,260

no one brought him back in uh my man was

560

00:23:28,370 --> 00:23:27,059

the great greatest person around and my

561

00:23:29,930 --> 00:23:28,380

grandpa was the greatest person around

562

00:23:31,010 --> 00:23:29,940

but I don't think they could control my

563

00:23:33,110 --> 00:23:31,020

dad

564

00:23:37,490 --> 00:23:33,120

um so so you know he's a man of his time

565

00:23:38,990 --> 00:23:37,500

very much so but he he he's molded me in

566

00:23:42,049 --> 00:23:39,000

many different ways the only thing we

567

00:23:45,529 --> 00:23:42,059

ever got on uh together

568

00:23:47,750 --> 00:23:45,539

um with with war games he he taught me

569

00:23:49,730 --> 00:23:47,760

how to play because he wanted to do it

570

00:23:51,649 --> 00:23:49,740

himself and had no one to play with he

571

00:23:54,350 --> 00:23:51,659

taught me how to play Axis and allies

572

00:23:57,110 --> 00:23:54,360

when I was like uh I I know I was

573

00:23:59,029 --> 00:23:57,120

probably about seven six seven and and

574

00:24:00,710 --> 00:23:59,039

then he would invite around his

575

00:24:03,350 --> 00:24:00,720

wargaming mates and I would beat him all

576

00:24:05,529 --> 00:24:03,360

about that basically because I I didn't

577

00:24:07,250 --> 00:24:05,539

I didn't have these

578

00:24:09,490 --> 00:24:07,260

pre-concepts of what had happened

579

00:24:12,169 --> 00:24:09,500

throughout history that they all

580

00:24:14,750 --> 00:24:12,179

automatically seemed drawn towards doing

581

00:24:17,210 --> 00:24:14,760

the same mistakes for our history that

582

00:24:20,090 --> 00:24:17,220

lost the other thing I picked up from

583

00:24:21,890 --> 00:24:20,100

your bio uh the two things one is you go

584

00:24:24,830 --> 00:24:21,900

through this dyslexic kind of thing

585

00:24:26,990 --> 00:24:24,840

you're tagged as being dyslexic like so

586

00:24:29,690 --> 00:24:27,000

many creative people are and now you

587

00:24:31,789 --> 00:24:29,700

know you're a writer a first class

588

00:24:34,730 --> 00:24:31,799

caliber writer here folks you just gotta

589

00:24:37,669 --> 00:24:34,740

go read the articles and you'll see it's

590

00:24:40,730 --> 00:24:37,679

and so that that's kind of you're you're

591

00:24:42,649 --> 00:24:40,740

probably tagged as being not super smart

592

00:24:45,470 --> 00:24:42,659

right isn't that what you were told kind

593

00:24:48,470 --> 00:24:45,480

of growing up I I think I think there's

594

00:24:51,169 --> 00:24:48,480

a lot uh I saw a lot of what I see in

595

00:24:52,370 --> 00:24:51,179

society now in the way I was treated at

596

00:24:55,070 --> 00:24:52,380

school

597

00:24:59,270 --> 00:24:55,080

um in the fact that I would the teachers

598

00:25:01,789 --> 00:24:59,280

all knew that I was is good enough to go

599

00:25:03,470 --> 00:25:01,799

up to the next class but they would keep

600

00:25:06,470 --> 00:25:03,480

me from going up to the next class

601  
00:25:09,649 --> 00:25:06,480  
because there was I I had too much of my

602  
00:25:11,750 --> 00:25:09,659  
dad in Me Maybe maybe I could say that

603  
00:25:15,289 --> 00:25:11,760  
um I hung around with some of the bad

604  
00:25:17,390 --> 00:25:15,299  
boys uh I hung around with everybody but

605  
00:25:20,149 --> 00:25:17,400  
I tended to like doing naughty things

606  
00:25:22,190 --> 00:25:20,159  
and when we were teenagers we were awful

607  
00:25:23,810 --> 00:25:22,200  
in cards we were awful we were breaking

608  
00:25:25,730 --> 00:25:23,820  
into houses and we weren't stealing

609  
00:25:27,470 --> 00:25:25,740  
stuff from people we were going and

610  
00:25:29,870 --> 00:25:27,480  
using their telephone to prone porn

611  
00:25:31,669 --> 00:25:29,880  
lines and we would we would watch all

612  
00:25:34,070 --> 00:25:31,679  
their movies eat all of their food leave

613  
00:25:35,330 --> 00:25:34,080

the place a mess and go again like you

614

00:25:37,190 --> 00:25:35,340

know we we would do we were doing

615

00:25:38,870 --> 00:25:37,200

naughty things we were breaking our

616

00:25:40,549 --> 00:25:38,880

windows for fun we're burning garages

617

00:25:42,409 --> 00:25:40,559

and outhouses so

618

00:25:45,169 --> 00:25:42,419

um the the teachers knew what we were

619

00:25:46,909 --> 00:25:45,179

doing it was a Cardiff maybe 300 000

620

00:25:49,370 --> 00:25:46,919

people but it's a small place everybody

621

00:25:51,470 --> 00:25:49,380

gets to know all of the rumors and I got

622

00:25:54,110 --> 00:25:51,480

tagged as a troublemaker more than I got

623

00:25:55,909 --> 00:25:54,120

tagged as anything else and um and so I

624

00:25:57,710 --> 00:25:55,919

remember one time when it was math we

625

00:25:58,970 --> 00:25:57,720

had to decide whether they had side

626

00:26:01,850 --> 00:25:58,980

where we were going up a greater between

627

00:26:04,490 --> 00:26:01,860

about 13 and I got like something like

628

00:26:06,830 --> 00:26:04,500

70 percent in the test and the girl who

629

00:26:09,710 --> 00:26:06,840

I had gone to a a primary school with

630

00:26:11,750 --> 00:26:09,720

and known for ages got 61 and she got

631

00:26:14,090 --> 00:26:11,760

chosen to go up and I got kept behind

632

00:26:16,070 --> 00:26:14,100

and I asked him why and they said well

633

00:26:18,409 --> 00:26:16,080

you're just trouble and none of the

634

00:26:20,450 --> 00:26:18,419

other teachers want you so it was just

635

00:26:23,029 --> 00:26:20,460

you know that sort of theme kept going

636

00:26:25,250 --> 00:26:23,039

and so in school I did the same thing as

637

00:26:27,830 --> 00:26:25,260

I do when I write now which is I I

638

00:26:31,130 --> 00:26:27,840

basically said no to teachers but I

639

00:26:32,990 --> 00:26:31,140

argued with them in a logical way and uh

640

00:26:36,049 --> 00:26:33,000

like the the Headmaster used to sit me

641

00:26:37,970 --> 00:26:36,059

down uh when whenever and we we'd have a

642

00:26:39,769 --> 00:26:37,980

conversation about why I wasn't doing

643

00:26:41,690 --> 00:26:39,779

the thing so whenever the the teachers

644

00:26:43,909 --> 00:26:41,700

the worst threat they could do was go to

645

00:26:45,649 --> 00:26:43,919

the Headmaster I went to a school which

646

00:26:47,390 --> 00:26:45,659

was extremely the Headmaster was

647

00:26:49,909 --> 00:26:47,400

extremely Christian and it was a policy

648

00:26:51,470 --> 00:26:49,919

of no expulsion whatsoever so you could

649

00:26:53,269 --> 00:26:51,480

only be suspended and I was never

650

00:26:55,130 --> 00:26:53,279

suspended there every time they sent me

651  
00:26:56,330 --> 00:26:55,140  
to the Headmaster he would give me a cup

652  
00:26:59,690 --> 00:26:56,340  
of tea we would have some chocolate

653  
00:27:01,549 --> 00:26:59,700  
biscuits we said around and he would ask

654  
00:27:03,649 --> 00:27:01,559  
me why all of these different things and

655  
00:27:05,690 --> 00:27:03,659  
I would give him answers to why and that

656  
00:27:07,909 --> 00:27:05,700  
that was basically you know that was the

657  
00:27:10,669 --> 00:27:07,919  
cycle I was in then I I just then didn't

658  
00:27:12,710 --> 00:27:10,679  
go to school for for the last year or so

659  
00:27:15,950 --> 00:27:12,720  
of it you know I I there was no one

660  
00:27:17,810 --> 00:27:15,960  
there who could keep me in school and

661  
00:27:20,690 --> 00:27:17,820  
and then they still let me into college

662  
00:27:22,970 --> 00:27:20,700  
and that's when my parents relationship

663  
00:27:26,269 --> 00:27:22,980

was breaking down and my dad was

664

00:27:29,149 --> 00:27:26,279

terrible with my mum and my mum had was

665

00:27:32,210 --> 00:27:29,159

on the lowest like place she could ever

666

00:27:34,070 --> 00:27:32,220

be my sisters were just old enough that

667

00:27:34,909 --> 00:27:34,080

they had left the house and left the

668

00:27:36,769 --> 00:27:34,919

home

669

00:27:39,470 --> 00:27:36,779

um so I ended up like just trying to

670

00:27:41,390 --> 00:27:39,480

like help my mum for two years go

671

00:27:44,570 --> 00:27:41,400

through the most horrible uh

672

00:27:46,789 --> 00:27:44,580

relationship and then that's really the

673

00:27:49,970 --> 00:27:46,799

first time when investigating began

674

00:27:52,430 --> 00:27:49,980

because I had to find out who my dad was

675

00:27:55,130 --> 00:27:52,440

having an affair with uh the name the

676  
00:27:57,649 --> 00:27:55,140  
woman in the court documents and I went

677  
00:28:00,049 --> 00:27:57,659  
through Library polling

678  
00:28:01,850 --> 00:28:00,059  
things I went through is they went

679  
00:28:03,710 --> 00:28:01,860  
through his phone book and I looked at

680  
00:28:06,470 --> 00:28:03,720  
all of the numbers and I found all of

681  
00:28:08,210 --> 00:28:06,480  
these little like coded words and they

682  
00:28:10,669 --> 00:28:08,220  
found all of the things that looked a

683  
00:28:12,710 --> 00:28:10,679  
little bit suspicious why why was he why

684  
00:28:16,430 --> 00:28:12,720  
was he so you know on the sly about it I

685  
00:28:19,730 --> 00:28:16,440  
mean um he had he had basically he he

686  
00:28:22,610 --> 00:28:19,740  
had had been caught having loads of

687  
00:28:25,250 --> 00:28:22,620  
Affairs over and over again and my mum

688  
00:28:27,950 --> 00:28:25,260

had always said to him no the next time

689

00:28:30,890 --> 00:28:27,960

that's it it's over oh no the next time

690

00:28:35,269 --> 00:28:30,900

that sentence over and this time I was

691

00:28:37,789 --> 00:28:35,279

17 it was like 1997 and I was 17 and and

692

00:28:40,549 --> 00:28:37,799

so my mum couldn't see a point of trying

693

00:28:41,930 --> 00:28:40,559

to keep the family together anymore you

694

00:28:43,850 --> 00:28:41,940

know she was like I don't want to be

695

00:28:46,549 --> 00:28:43,860

with him anymore he's he's just he's

696

00:28:48,649 --> 00:28:46,559

just all about himself so she wanted to

697

00:28:50,330 --> 00:28:48,659

get out of there and so there's a load

698

00:28:52,130 --> 00:28:50,340

of history there was a load of histories

699

00:28:54,710 --> 00:28:52,140

in my family really complicated things

700

00:28:57,110 --> 00:28:54,720

that I didn't know about with my family

701  
00:28:58,789 --> 00:28:57,120  
and my mum sat me down one day and told

702  
00:29:02,269 --> 00:28:58,799  
me some things that about her life that

703  
00:29:05,810 --> 00:29:02,279  
I had never I I still can't you know I

704  
00:29:08,210 --> 00:29:05,820  
can say by proxy that that happened to

705  
00:29:09,769 --> 00:29:08,220  
her throughout her life she was kind of

706  
00:29:11,570 --> 00:29:09,779  
eccentric as I've heard you told her

707  
00:29:14,750 --> 00:29:11,580  
before she was kind of eccentric with

708  
00:29:16,430 --> 00:29:14,760  
religion and spirituality kind of mixed

709  
00:29:19,010 --> 00:29:16,440  
in in a bunch of weird ways kind of

710  
00:29:21,289 --> 00:29:19,020  
thing yeah most most definitely she is

711  
00:29:23,389 --> 00:29:21,299  
she had had him she is she in in the

712  
00:29:25,190 --> 00:29:23,399  
sealed not she had had a friend who she

713  
00:29:27,409 --> 00:29:25,200

got really close with she was a really

714

00:29:29,750 --> 00:29:27,419

nice girl she was a sad girl but she was

715

00:29:31,190 --> 00:29:29,760

really nice and she did a tarot reading

716

00:29:34,190 --> 00:29:31,200

for her and this must have been about

717

00:29:36,889 --> 00:29:34,200

like 79 or something she did a tarot

718

00:29:39,470 --> 00:29:36,899

reading for her and and it came up bad

719

00:29:42,529 --> 00:29:39,480

and the girl killed herself like a week

720

00:29:45,049 --> 00:29:42,539

or two later and uh my mum never forgave

721

00:29:48,409 --> 00:29:45,059

herself so she was she was like in

722

00:29:51,710 --> 00:29:48,419

denial about her affinity for this so we

723

00:29:54,409 --> 00:29:51,720

had all these books all around but we

724

00:29:57,529 --> 00:29:54,419

didn't have a any like it was just

725

00:30:00,769 --> 00:29:57,539

church and she didn't look at the rest

726

00:30:02,630 --> 00:30:00,779

after that until the divorce happened

727

00:30:04,430 --> 00:30:02,640

and then when the divorce happened it

728

00:30:06,889 --> 00:30:04,440

kind of like just opened up and then she

729

00:30:08,389 --> 00:30:06,899

started going to psychic readers all

730

00:30:10,789 --> 00:30:08,399

over the place

731

00:30:13,250 --> 00:30:10,799

um how did you feel about about that I

732

00:30:14,810 --> 00:30:13,260

mean and some of it was some of it's

733

00:30:16,909 --> 00:30:14,820

really interesting because I find it I I

734

00:30:18,370 --> 00:30:16,919

think it's a bit of a hit and miss like

735

00:30:20,750 --> 00:30:18,380

for them it's a bit of Hit and Miss

736

00:30:22,010 --> 00:30:20,760

there's a load of there's a load of

737

00:30:24,769 --> 00:30:22,020

people out there who are of course

738

00:30:26,029 --> 00:30:24,779

scammers and and they see loads of

739

00:30:28,669 --> 00:30:26,039

things and sometimes they write about

740

00:30:31,010 --> 00:30:28,679

something and at one place she had

741

00:30:34,909 --> 00:30:31,020

turned up she had taken my auntie along

742

00:30:38,029 --> 00:30:34,919

and there was a a guy who who claimed to

743

00:30:40,669 --> 00:30:38,039

be psychic and talked about my uh

744

00:30:44,510 --> 00:30:40,679

Auntie's dead daughter who had died just

745

00:30:46,490 --> 00:30:44,520

uh like a year or two or three before it

746

00:30:49,370 --> 00:30:46,500

was devastating she was 18 you know she

747

00:30:51,830 --> 00:30:49,380

was the princess of the family and uh

748

00:30:54,649 --> 00:30:51,840

and and and that that that that really

749

00:30:59,289 --> 00:30:54,659

like I think that sparked my mum to be

750

00:31:01,730 --> 00:30:59,299

like look for all of her ways away from

751  
00:31:03,789 --> 00:31:01,740  
the bad relationship and other things

752  
00:31:07,070 --> 00:31:03,799  
into spirituality and she started

753  
00:31:09,470 --> 00:31:07,080  
attending Spiritual Church which of

754  
00:31:11,870 --> 00:31:09,480  
course people who who who were in The

755  
00:31:13,310 --> 00:31:11,880  
nowhere people who whose family attend

756  
00:31:14,710 --> 00:31:13,320  
such things they know they call them

757  
00:31:17,090 --> 00:31:14,720  
spooky Church

758  
00:31:19,730 --> 00:31:17,100  
did you go check out the spiritualist

759  
00:31:22,250 --> 00:31:19,740  
church because it's a big deal in uh in

760  
00:31:25,250 --> 00:31:22,260  
the UK you know in here even in in uh

761  
00:31:28,250 --> 00:31:25,260  
where I live in California I was never

762  
00:31:30,649 --> 00:31:28,260  
went uh no I I used to I listened to a

763  
00:31:32,690 --> 00:31:30,659

couple of the the the readings that she

764

00:31:34,549 --> 00:31:32,700

got the private readers by neverwenter

765

00:31:36,230 --> 00:31:34,559

spiritualist church and there was I mean

766

00:31:38,330 --> 00:31:36,240

there was a few reasons behind that one

767

00:31:40,490 --> 00:31:38,340

of them was I remember my mum saying

768

00:31:43,430 --> 00:31:40,500

listen we at the spiritualist church

769

00:31:45,590 --> 00:31:43,440

I've offered to uh to put together the

770

00:31:47,029 --> 00:31:45,600

compilation for the music the hymns were

771

00:31:49,850 --> 00:31:47,039

going to be singing of course their

772

00:31:51,830 --> 00:31:49,860

version of hymns and uh and what went to

773

00:31:56,510 --> 00:31:51,840

the game it was um Robbie Williams

774

00:31:59,090 --> 00:31:56,520

angels and uh um I Just Called to Say I

775

00:32:01,010 --> 00:31:59,100

Love You by Stevie Wonder and she had me

776

00:32:03,289 --> 00:32:01,020

put it down on a tape and then I gave

777

00:32:05,810 --> 00:32:03,299

the tape to her and she went in and they

778

00:32:08,870 --> 00:32:05,820

played that at every session they played

779

00:32:11,269 --> 00:32:08,880

the same two song I Just Called to Say I

780

00:32:13,310 --> 00:32:11,279

Love You love you and I just said just

781

00:32:15,409 --> 00:32:13,320

like I I couldn't I could do I would be

782

00:32:17,450 --> 00:32:15,419

laughing I would be in hysterics the

783

00:32:19,730 --> 00:32:17,460

entire time so I kind of left let left

784

00:32:21,830 --> 00:32:19,740

that I you know I don't I I don't like

785

00:32:24,529 --> 00:32:21,840

to poo poo or anything I can't disprove

786

00:32:26,389 --> 00:32:24,539

this unfalsifiable I mean the evidence

787

00:32:28,789 --> 00:32:26,399

is pretty overwhelming for after death

788

00:32:30,529 --> 00:32:28,799

Communication in terms of uh

789

00:32:32,269 --> 00:32:30,539

scientifically like we've interviewed a

790

00:32:34,789 --> 00:32:32,279

bunch of people that you you can take

791

00:32:37,130 --> 00:32:34,799

that to science you could do a quadruple

792

00:32:38,990 --> 00:32:37,140

blind study you can get people and sit

793

00:32:41,330 --> 00:32:39,000

them down and not have the people do it

794

00:32:43,250 --> 00:32:41,340

and score it independently I've done all

795

00:32:45,350 --> 00:32:43,260

that stuff yeah I had some freaky

796

00:32:46,970 --> 00:32:45,360

occurrences happen yeah but it's not

797

00:32:48,289 --> 00:32:46,980

about that I mean what it's about and

798

00:32:50,350 --> 00:32:48,299

the way it connects to all this other

799

00:32:52,730 --> 00:32:50,360

stuff we're going to talk about is that

800

00:32:54,350 --> 00:32:52,740

you know this has been kind of one of my

801  
00:32:58,010 --> 00:32:54,360  
things is what slipping through the

802  
00:33:00,529 --> 00:32:58,020  
cracks here is the metaphysical uh part

803  
00:33:03,590 --> 00:33:00,539  
of this you know Prometheus where bell

804  
00:33:06,470 --> 00:33:03,600  
and Saga right and uh Kim Kardashian and

805  
00:33:08,810 --> 00:33:06,480  
you know so some of these people are

806  
00:33:10,549 --> 00:33:08,820  
trying to tap into that energy and we

807  
00:33:12,830 --> 00:33:10,559  
can say whether of that energy is real

808  
00:33:15,529 --> 00:33:12,840  
or not you can be agnostic about that

809  
00:33:18,230 --> 00:33:15,539  
but you cannot deny the fact that they

810  
00:33:20,269 --> 00:33:18,240  
are in the belief that there is this

811  
00:33:21,830 --> 00:33:20,279  
alternative energy that will Aid them

812  
00:33:24,409 --> 00:33:21,840  
you know that's what pizzagate was about

813  
00:33:27,230 --> 00:33:24,419

you know we always talk about we talk

814

00:33:29,269 --> 00:33:27,240

about energy upon a low like level of

815

00:33:31,610 --> 00:33:29,279

intelligence normally I mean the human

816

00:33:33,769 --> 00:33:31,620

beings in general because I mean when we

817

00:33:36,230 --> 00:33:33,779

talk about when we talk about like

818

00:33:39,169 --> 00:33:36,240

sexual compromise cases and things like

819

00:33:41,389 --> 00:33:39,179

this I really find I I'm I'm bringing

820

00:33:44,149 --> 00:33:41,399

out um a five-part series that kind of

821

00:33:45,950 --> 00:33:44,159

goes back through it it it's a lot of

822

00:33:48,590 --> 00:33:45,960

things that happened in the 50s and 60s

823

00:33:50,810 --> 00:33:48,600

and no one's truly examined really well

824

00:33:52,990 --> 00:33:50,820

that's like the Takeover from being

825

00:33:55,370 --> 00:33:53,000

normal people then having their

826  
00:33:57,710 --> 00:33:55,380  
establishments taken over by Gangland

827  
00:34:00,230 --> 00:33:57,720  
members then taken over by those guys

828  
00:34:02,210 --> 00:34:00,240  
taken over by intelligence and a load of

829  
00:34:03,950 --> 00:34:02,220  
people just died in the wake and then

830  
00:34:06,649 --> 00:34:03,960  
that led to the downfall of the British

831  
00:34:10,070 --> 00:34:06,659  
government and and naughty women inside

832  
00:34:12,230 --> 00:34:10,080  
uh Kennedy's bed chamber and there's one

833  
00:34:14,329 --> 00:34:12,240  
guy in there of course in amongst these

834  
00:34:16,970 --> 00:34:14,339  
stories uh that they're coming from the

835  
00:34:19,369 --> 00:34:16,980  
profumo affair uh the downfall of the

836  
00:34:21,950 --> 00:34:19,379  
British government in in the early 60s

837  
00:34:23,869 --> 00:34:21,960  
is one guy Stephen Ward Society

838  
00:34:26,149 --> 00:34:23,879

osteopath he was kind of the guy who was

839

00:34:29,089 --> 00:34:26,159

hung out to dry taken to court and

840

00:34:32,210 --> 00:34:29,099

eventually took an overdose oh took an

841

00:34:34,490 --> 00:34:32,220

overdose and and died suicide right yeah

842

00:34:37,849 --> 00:34:34,500

yeah completely completely I mean it did

843

00:34:40,070 --> 00:34:37,859

he he he had known some of the most

844

00:34:44,389 --> 00:34:40,080

important and powerful and influential

845

00:34:46,730 --> 00:34:44,399

people and uh not only in government but

846

00:34:48,290 --> 00:34:46,740

also in the intelligence services and he

847

00:34:51,409 --> 00:34:48,300

had put himself about and he had put

848

00:34:52,909 --> 00:34:51,419

himself in the right places and he was a

849

00:34:55,129 --> 00:34:52,919

really interesting person if you

850

00:34:57,650 --> 00:34:55,139

actually read a lot the testimony about

851  
00:34:59,810 --> 00:34:57,660  
people who had experiences especially

852  
00:35:01,910 --> 00:34:59,820  
girls who had sexual experiences because

853  
00:35:04,190 --> 00:35:01,920  
you you talk about all of these

854  
00:35:06,410 --> 00:35:04,200  
different uh girls that went off to

855  
00:35:09,050 --> 00:35:06,420  
these different people uh around the

856  
00:35:11,569 --> 00:35:09,060  
Times Stephen Ward would go and chat up

857  
00:35:13,190 --> 00:35:11,579  
a load of girls and then say well do you

858  
00:35:14,810 --> 00:35:13,200  
want to meet my mate he's a politician

859  
00:35:16,790 --> 00:35:14,820  
who's got loads of money and they'd go

860  
00:35:18,290 --> 00:35:16,800  
all right then and then they'd toggle

861  
00:35:20,870 --> 00:35:18,300  
off down the road and he'd introduce

862  
00:35:22,490 --> 00:35:20,880  
them to his mate who's a politician or

863  
00:35:24,170 --> 00:35:22,500

whatever else you know

864

00:35:25,790 --> 00:35:24,180

um but when they had a relationship with

865

00:35:26,930 --> 00:35:25,800

him it was completely different often

866

00:35:28,910 --> 00:35:26,940

when they went off with other people

867

00:35:31,970 --> 00:35:28,920

they had these weird stories you know

868

00:35:34,310 --> 00:35:31,980

spankings sex with animals all these

869

00:35:36,230 --> 00:35:34,320

sort of weird things all around but with

870

00:35:38,569 --> 00:35:36,240

Stephen ward he was about

871

00:35:43,550 --> 00:35:38,579

um exchanging energy so he was about

872

00:35:46,370 --> 00:35:43,560

very much about uh and I I anybody who

873

00:35:48,470 --> 00:35:46,380

understands more than just having sex

874

00:35:51,230 --> 00:35:48,480

with somebody else knows that once you

875

00:35:53,990 --> 00:35:51,240

lay down with anybody else once you

876  
00:35:56,030 --> 00:35:54,000  
connect with someone you go into a point

877  
00:35:57,770 --> 00:35:56,040  
where you can literally just like be

878  
00:36:01,490 --> 00:35:57,780  
next to each other and exchange this

879  
00:36:03,050 --> 00:36:01,500  
feeling that that that that grows and

880  
00:36:04,609 --> 00:36:03,060  
expands and it's not talked about when

881  
00:36:07,430 --> 00:36:04,619  
you're talking about sexual compromise

882  
00:36:09,589 --> 00:36:07,440  
cases we talk sex sex sex sex sex but

883  
00:36:11,930 --> 00:36:09,599  
there's so much more to the energy that

884  
00:36:13,730 --> 00:36:11,940  
comes out of a human being and the

885  
00:36:16,069 --> 00:36:13,740  
different manifestations of it and the

886  
00:36:18,230 --> 00:36:16,079  
nuances between it and how it affects

887  
00:36:20,270 --> 00:36:18,240  
people and how it changes people's lives

888  
00:36:22,609 --> 00:36:20,280

changes people's perception of what's

889

00:36:24,890 --> 00:36:22,619

good about a bad that's almost too

890

00:36:26,870 --> 00:36:24,900

complicated to approach from the way we

891

00:36:28,190 --> 00:36:26,880

are I'll tell you one woman that I I

892

00:36:30,170 --> 00:36:28,200

reference all the time because I talked

893

00:36:32,390 --> 00:36:30,180

around the show and it's it's like I

894

00:36:34,310 --> 00:36:32,400

wrote this book a few years ago called

895

00:36:35,270 --> 00:36:34,320

why evil matters and the premise of the

896

00:36:38,210 --> 00:36:35,280

book is

897

00:36:40,609 --> 00:36:38,220

we don't deal with evil you know it's

898

00:36:42,050 --> 00:36:40,619

either evil is a social construct evil

899

00:36:43,849 --> 00:36:42,060

doesn't exist there's no such thing as

900

00:36:45,589 --> 00:36:43,859

Consciousness you're a biological robot

901  
00:36:47,750 --> 00:36:45,599  
in a meanings universe or I'll tell you

902  
00:36:50,030 --> 00:36:47,760  
what evil is let me pull out my Bible

903  
00:36:52,970 --> 00:36:50,040  
you know and here it is so I interviewed

904  
00:36:55,310 --> 00:36:52,980  
this one called Annika Lucas and she was

905  
00:36:57,650 --> 00:36:55,320  
you know you've had a horrific childhood

906  
00:37:00,470 --> 00:36:57,660  
my childhood was was not perfect but

907  
00:37:03,650 --> 00:37:00,480  
nothing nothing like that Annika goes It

908  
00:37:07,910 --> 00:37:03,660  
goes a level deeper uh basically an

909  
00:37:09,950 --> 00:37:07,920  
insane mother who sold her to uh as a

910  
00:37:13,490 --> 00:37:09,960  
sex slave at six years old in Belgium

911  
00:37:15,230 --> 00:37:13,500  
and remember the Dutro thing I I did a

912  
00:37:17,930 --> 00:37:15,240  
bit of research today so quite amazing

913  
00:37:19,730 --> 00:37:17,940

yeah I got I if you want to know a

914

00:37:22,730 --> 00:37:19,740

couple of little tidbits of what I know

915

00:37:23,930 --> 00:37:22,740

then well yeah well and likewise because

916

00:37:27,589 --> 00:37:23,940

you know one of the things they know

917

00:37:28,609 --> 00:37:27,599

about the Dutro case is you know he goes

918

00:37:31,849 --> 00:37:28,619

to jail

919

00:37:34,790 --> 00:37:31,859

and while he's in jail the little kids

920

00:37:37,550 --> 00:37:34,800

you know that he has locked up in cages

921

00:37:39,770 --> 00:37:37,560

die because they're not getting fed and

922

00:37:42,710 --> 00:37:39,780

they go and you can find pictures on the

923

00:37:44,030 --> 00:37:42,720

internet of these kids so I'm talking to

924

00:37:47,030 --> 00:37:44,040

Annika

925

00:37:49,910 --> 00:37:47,040

and uh unbelievable uh kind of

926  
00:37:52,910 --> 00:37:49,920  
experience trauma uh kind of a yogi I'm

927  
00:37:54,950 --> 00:37:52,920  
a yogi she's into that now and has used

928  
00:37:57,829 --> 00:37:54,960  
that as part of her healing kind of

929  
00:38:00,589 --> 00:37:57,839  
thing but the the thread there that's

930  
00:38:04,310 --> 00:38:00,599  
that's interesting is at some point I go

931  
00:38:07,490 --> 00:38:04,320  
well is but you know is this satanic and

932  
00:38:09,770 --> 00:38:07,500  
she goes yes it is satanic now I'm not a

933  
00:38:12,470 --> 00:38:09,780  
Christian Johnny I mean I was raised

934  
00:38:15,349 --> 00:38:12,480  
Christian but I I don't believe that

935  
00:38:18,710 --> 00:38:15,359  
satanic in the biblical sense gets us

936  
00:38:21,829 --> 00:38:18,720  
there but there are these people that

937  
00:38:24,710 --> 00:38:21,839  
it's not about energy exchange it's

938  
00:38:26,990 --> 00:38:24,720

about them specifically trying to do

939

00:38:29,510 --> 00:38:27,000

something and you know what I tie it to

940

00:38:31,250 --> 00:38:29,520

if I can't to jump around here look

941

00:38:33,230 --> 00:38:31,260

because I really want to get here and I

942

00:38:35,329 --> 00:38:33,240

want to make sure we get there so let me

943

00:38:36,589 --> 00:38:35,339

pull this up because we could talk about

944

00:38:38,650 --> 00:38:36,599

this

945

00:38:41,690 --> 00:38:38,660

freaking for an hour

946

00:38:44,150 --> 00:38:41,700

unbelievable end your Schwab Family

947

00:38:46,430 --> 00:38:44,160

Values kind of thing it's a brief

948

00:38:50,270 --> 00:38:46,440

history of the Jewish persecution in

949

00:38:52,490 --> 00:38:50,280

ravensburg which where Uncle Klaus is

950

00:38:55,849 --> 00:38:52,500

from now one of the things that jumped

951

00:38:58,150 --> 00:38:55,859

out at me is blood liable

952

00:39:02,690 --> 00:38:58,160

do you wanna do you want to tell people

953

00:39:05,930 --> 00:39:02,700

what [h\_\_h] the craziness of what blood

954

00:39:08,450 --> 00:39:05,940

liable is back in the day people were

955

00:39:10,430 --> 00:39:08,460

very crazy about stuff so when when

956

00:39:12,470 --> 00:39:10,440

something happened where people started

957

00:39:16,550 --> 00:39:12,480

accusing other people of being a witch

958

00:39:20,569 --> 00:39:16,560

or uh and somebody worshiping some sort

959

00:39:22,430 --> 00:39:20,579

of like um black magic uh it was done

960

00:39:27,050 --> 00:39:22,440

with loads of these words we don't

961

00:39:29,270 --> 00:39:27,060

really use nowadays uh but we've with in

962

00:39:32,390 --> 00:39:29,280

this case in particular they were saying

963

00:39:37,310 --> 00:39:32,400

that the Jewish people were sacrificing

964

00:39:39,710 --> 00:39:37,320

babies uh to obviously their molec or

965

00:39:42,530 --> 00:39:39,720

their their sort of devil that's what

966

00:39:44,750 --> 00:39:42,540

specifically this Blood label was about

967

00:39:47,030 --> 00:39:44,760

here's where you didn't take it that I

968

00:39:50,630 --> 00:39:47,040

want to take it and see where you go is

969

00:39:53,270 --> 00:39:50,640

that one it's about the Jews and then

970

00:39:55,010 --> 00:39:53,280

number two this is rebooted by the Nazis

971

00:39:57,530 --> 00:39:55,020

right so this is like 13th century

972

00:39:59,270 --> 00:39:57,540

they're going hey the Jews are doing

973

00:40:01,010 --> 00:39:59,280

this crazy thing because it's already

974

00:40:03,170 --> 00:40:01,020

been done for hundreds of years we've

975

00:40:04,609 --> 00:40:03,180

been sacrificing kids all the time the

976

00:40:06,829 --> 00:40:04,619

Thematic element that they're building

977

00:40:08,450 --> 00:40:06,839

on here is not new that we're going to

978

00:40:10,010 --> 00:40:08,460

get together and we're gonna you know to

979

00:40:11,750 --> 00:40:10,020

Bullock or whoever we're going to take

980

00:40:13,490 --> 00:40:11,760

these we're going to take these little

981

00:40:16,490 --> 00:40:13,500

kids we're gonna sacrifice them but now

982

00:40:18,589 --> 00:40:16,500

they're directing it at the Jews and we

983

00:40:22,089 --> 00:40:18,599

want to pick up on it like it's a Nazi

984

00:40:26,810 --> 00:40:22,099

thing it's not it's a Christian thing

985

00:40:30,109 --> 00:40:26,820

it's a it's a Martin Luther thing have

986

00:40:31,970 --> 00:40:30,119

you ever read what Martin Luther the

987

00:40:35,150 --> 00:40:31,980

founder of the Protestant Church the guy

988

00:40:37,310 --> 00:40:35,160

who goes and Nails the translates the

989

00:40:39,890 --> 00:40:37,320

Bible into like paying the death and of

990

00:40:42,290 --> 00:40:39,900

it like they they threatened the same

991

00:40:45,170 --> 00:40:42,300

with Tyndall and translate in the Bible

992

00:40:47,930 --> 00:40:45,180

into uh to English so these were like

993

00:40:49,370 --> 00:40:47,940

groundbreaking times where people were

994

00:40:51,710 --> 00:40:49,380

doing the things that they weren't

995

00:40:54,290 --> 00:40:51,720

allowed to do like so but but so

996

00:40:56,990 --> 00:40:54,300

deconstruct that for a second so uh

997

00:40:58,849 --> 00:40:57,000

Martin Luther goes and actually has a

998

00:41:00,770 --> 00:40:58,859

chance to read the Bible and says hey

999

00:41:02,990 --> 00:41:00,780

all the [h\_\_h] that the Catholic church is

1000

00:41:04,550 --> 00:41:03,000

telling us it isn't in there so he goes

1001  
00:41:06,890 --> 00:41:04,560  
and says hey everyone should be exposed

1002  
00:41:09,410 --> 00:41:06,900  
to the Bible but what the Bible tells us

1003  
00:41:11,510 --> 00:41:09,420  
is that I don't want people to take this

1004  
00:41:14,030 --> 00:41:11,520  
the wrong way it tells us what I think

1005  
00:41:16,310 --> 00:41:14,040  
is this completely false narrative about

1006  
00:41:18,290 --> 00:41:16,320  
this historical Jesus figure that really

1007  
00:41:21,770 --> 00:41:18,300  
doesn't add up but the way that story

1008  
00:41:24,050 --> 00:41:21,780  
comes down is that these Jews are the

1009  
00:41:26,450 --> 00:41:24,060  
bad guys from Jump Street there's a ones

1010  
00:41:28,190 --> 00:41:26,460  
who killed Jesus right so they went to

1011  
00:41:31,310 --> 00:41:28,200  
Pontius Pilate and Pontius Pilate said

1012  
00:41:33,410 --> 00:41:31,320  
hey man the guy looks good to me but if

1013  
00:41:37,310 --> 00:41:33,420

you Jews want to kill him the stain is

1014

00:41:39,490 --> 00:41:37,320

on You Forever This is the origin of the

1015

00:41:42,050 --> 00:41:39,500

whole Jewish thing

1016

00:41:43,910 --> 00:41:42,060

and we don't get back to that narrative

1017

00:41:46,310 --> 00:41:43,920

and look at whether that narrative is

1018

00:41:49,130 --> 00:41:46,320

true and we have archaeological evidence

1019

00:41:51,410 --> 00:41:49,140

that it isn't true is a bunch of along

1020

00:41:53,270 --> 00:41:51,420

with the fact that anyone who's looked

1021

00:41:56,089 --> 00:41:53,280

at it logically says hey there's no

1022

00:41:58,390 --> 00:41:56,099

historical evidence to suggest well

1023

00:42:01,670 --> 00:41:58,400

Joseph

1024

00:42:02,770 --> 00:42:01,680

okay I I if I was pronouncing his name

1025

00:42:05,690 --> 00:42:02,780

right

1026  
00:42:07,730 --> 00:42:05,700  
Josephus well there's there's a

1027  
00:42:11,150 --> 00:42:07,740  
couple of people who around a certain

1028  
00:42:14,030 --> 00:42:11,160  
time in the the uh Roman World decided

1029  
00:42:16,730 --> 00:42:14,040  
to adopt part of Christianity into their

1030  
00:42:20,450 --> 00:42:16,740  
own images for their own sort of brand

1031  
00:42:23,750 --> 00:42:20,460  
and and I think uh he's one of the

1032  
00:42:25,790 --> 00:42:23,760  
people who helped color that no I mean

1033  
00:42:27,710 --> 00:42:25,800  
this is kind of my thing one of my

1034  
00:42:29,750 --> 00:42:27,720  
things but Josephus is a really

1035  
00:42:32,569 --> 00:42:29,760  
interesting character do you know any of

1036  
00:42:34,910 --> 00:42:32,579  
the story of Josephus in just a couple

1037  
00:42:39,170 --> 00:42:34,920  
of little bits just so just Joseph

1038  
00:42:42,950 --> 00:42:39,180

Josephus is uh he's Jewish and he's a

1039

00:42:45,829 --> 00:42:42,960

general and uh Vespasian

1040

00:42:49,790 --> 00:42:45,839

that who is going to become the next

1041

00:42:52,130 --> 00:42:49,800

Caesar is sent over to clean up Judea

1042

00:42:55,609 --> 00:42:52,140

right and he lands in Galilee and

1043

00:42:56,930 --> 00:42:55,619

Galilee happens to be where Josephus is

1044

00:42:59,990 --> 00:42:56,940

the general

1045

00:43:02,750 --> 00:43:00,000

so one thing leads to another this is

1046

00:43:05,030 --> 00:43:02,760

Josephus's account that I'll I'll kind

1047

00:43:07,550 --> 00:43:05,040

of give a little hint here you'll see if

1048

00:43:09,770 --> 00:43:07,560

this can only be understood as a

1049

00:43:13,609 --> 00:43:09,780

propaganda agent for the Romans now I've

1050

00:43:16,430 --> 00:43:13,619

had leading historians come on biblical

1051

00:43:19,190 --> 00:43:16,440

historians and just regular historians

1052

00:43:21,349 --> 00:43:19,200

phds come on and and verify that no one

1053

00:43:23,870 --> 00:43:21,359

argues with that you'll see if this

1054

00:43:27,170 --> 00:43:23,880

begins to write this he he's basically

1055

00:43:29,890 --> 00:43:27,180

turned he's flipped right so Vespasian

1056

00:43:33,650 --> 00:43:29,900

comes in and says hey

1057

00:43:35,390 --> 00:43:33,660

uh you're gonna die or you're gonna help

1058

00:43:37,190 --> 00:43:35,400

me I mean that's our interpretation of

1059

00:43:40,609 --> 00:43:37,200

it the way Josephus spends it in his

1060

00:43:42,890 --> 00:43:40,619

story is that no he goes into a cave and

1061

00:43:45,890 --> 00:43:42,900

everyone commits suicide and then he has

1062

00:43:50,990 --> 00:43:45,900

this Revelation and his Revelation is

1063

00:43:53,690 --> 00:43:51,000

that Vespasian is the Messiah that the

1064

00:43:56,630 --> 00:43:53,700

Jewish people have been waiting for and

1065

00:43:58,630 --> 00:43:56,640

he actually writes this down this is in

1066

00:44:01,550 --> 00:43:58,640

War of the Jews the most famous book

1067

00:44:03,589 --> 00:44:01,560

that Josephus wrote and what so many

1068

00:44:05,150 --> 00:44:03,599

scholars rely on is the history of that

1069

00:44:07,490 --> 00:44:05,160

time because even though they'll all

1070

00:44:10,250 --> 00:44:07,500

admit it's propaganda it's the best

1071

00:44:12,470 --> 00:44:10,260

account we have of what happens so he's

1072

00:44:15,050 --> 00:44:12,480

not inventing Christianity at this point

1073

00:44:18,710 --> 00:44:15,060

what he's doing is he's trying to mess

1074

00:44:22,130 --> 00:44:18,720

with Judaism just as a as a psyop right

1075

00:44:24,890 --> 00:44:22,140

so he's telling the Jews of which he's

1076

00:44:27,770 --> 00:44:24,900

one that your religion you're waiting

1077

00:44:30,890 --> 00:44:27,780

for this Messiah well I tell you what

1078

00:44:35,030 --> 00:44:30,900

one of your Proverbs actually predicts

1079

00:44:36,410 --> 00:44:35,040

that Vespasian will be the Messiah and

1080

00:44:39,950 --> 00:44:36,420

here he is

1081

00:44:41,930 --> 00:44:39,960

so it it's it it gets much much more

1082

00:44:44,210 --> 00:44:41,940

complicated because then a few hundred

1083

00:44:46,069 --> 00:44:44,220

years later we have Constantine

1084

00:44:48,290 --> 00:44:46,079

and you know the funny thing not to

1085

00:44:49,849 --> 00:44:48,300

digress too far but you're the reason we

1086

00:44:52,849 --> 00:44:49,859

know a lot of this stuff about Josephus

1087

00:44:54,530 --> 00:44:52,859

is because we have the archetitus you

1088

00:44:56,270 --> 00:44:54,540

can go to Rome and you can see the

1089

00:44:58,190 --> 00:44:56,280

freaking archetitus it's still there

1090

00:45:00,349 --> 00:44:58,200

it's this big rock and it shows all

1091

00:45:02,089 --> 00:45:00,359

these Romans and they've got the Star of

1092

00:45:03,710 --> 00:45:02,099

David and they have all this gold and

1093

00:45:05,990 --> 00:45:03,720

silver and stuff like that that they've

1094

00:45:08,930 --> 00:45:06,000

checked they've taken from Judea with

1095

00:45:12,410 --> 00:45:08,940

the sacking of Judea and then 300 years

1096

00:45:14,390 --> 00:45:12,420

later we have the arch of Constantine

1097

00:45:16,510 --> 00:45:14,400

but you know the the thing about

1098

00:45:18,890 --> 00:45:16,520

Constantine what they say is that

1099

00:45:21,109 --> 00:45:18,900

Constantine this famous story is

1100

00:45:23,270 --> 00:45:21,119

Constantine is the the father of the

1101

00:45:25,550 --> 00:45:23,280

Christian church if you believe kind of

1102

00:45:27,770 --> 00:45:25,560

the narrative and Constantine comes to

1103

00:45:29,510 --> 00:45:27,780

this River Crossing and he's gonna have

1104

00:45:32,569 --> 00:45:29,520

this big battle you know this story you

1105

00:45:35,329 --> 00:45:32,579

know and he sees a cross in the sky and

1106

00:45:38,030 --> 00:45:35,339

he sees that as a image and a his

1107

00:45:39,530 --> 00:45:38,040

conversion happens and he wins the

1108

00:45:42,710 --> 00:45:39,540

battle and then he says okay we should

1109

00:45:45,470 --> 00:45:42,720

convert and he converts the Empire to

1110

00:45:47,210 --> 00:45:45,480

Christianity that's not true you could

1111

00:45:49,430 --> 00:45:47,220

just go through the archeology there's

1112

00:45:52,190 --> 00:45:49,440

no crosses on the arch of Constantine

1113

00:45:54,710 --> 00:45:52,200

there's no crosses well most of the most

1114

00:45:56,930 --> 00:45:54,720

of these I mean propaganda has been

1115

00:45:59,750 --> 00:45:56,940

waited people think that we are

1116

00:46:02,030 --> 00:45:59,760

different so much different now than we

1117

00:46:04,309 --> 00:46:02,040

were a thousand years ago two thousand

1118

00:46:05,870 --> 00:46:04,319

years ago and everybody's motivate we

1119

00:46:08,390 --> 00:46:05,880

might have all of these gadgets and

1120

00:46:10,370 --> 00:46:08,400

technology and boxes and Luggage piled

1121

00:46:11,930 --> 00:46:10,380

up all over the place but all of it is

1122

00:46:14,690 --> 00:46:11,940

pretty meaningless when you get right

1123

00:46:18,050 --> 00:46:14,700

down to the Brass facts you've got only

1124

00:46:20,030 --> 00:46:18,060

the ability to look better to someone to

1125

00:46:22,190 --> 00:46:20,040

also create an idea that you're

1126  
00:46:24,829 --> 00:46:22,200  
indistinguishable from Magic basically

1127  
00:46:26,270 --> 00:46:24,839  
that you're you're worth investing in

1128  
00:46:27,650 --> 00:46:26,280  
and that they should give you all of

1129  
00:46:30,710 --> 00:46:27,660  
their stuff and that's what we've got

1130  
00:46:32,089 --> 00:46:30,720  
from history in immoral is people who

1131  
00:46:33,770 --> 00:46:32,099  
are trying to break what does that say

1132  
00:46:36,410 --> 00:46:33,780  
about the reset one of the angles I was

1133  
00:46:40,250 --> 00:46:36,420  
going to take on this interview is that

1134  
00:46:42,589 --> 00:46:40,260  
your work inadvertently pulled me out of

1135  
00:46:44,809 --> 00:46:42,599  
the Abyss with the great reset which is

1136  
00:46:46,970 --> 00:46:44,819  
pretty impossible to do because it's so

1137  
00:46:49,490 --> 00:46:46,980  
dark and what they're doing is so

1138  
00:46:53,270 --> 00:46:49,500

obvious and so revealed but you know

1139

00:46:58,309 --> 00:46:53,280

what pulls me out a little bit is just

1140

00:47:00,770 --> 00:46:58,319

the crazy humanness of Claus Schwab and

1141

00:47:02,990 --> 00:47:00,780

Henry Kissinger you know like I've

1142

00:47:04,970 --> 00:47:03,000

heard your excellent interview with Greg

1143

00:47:06,890 --> 00:47:04,980

from Higher Side chats

1144

00:47:09,589 --> 00:47:06,900

and you were talking about screwed up

1145

00:47:13,130 --> 00:47:09,599

families you know particularly Klaus

1146

00:47:16,490 --> 00:47:13,140

Schwab and uh you know how his family

1147

00:47:18,290 --> 00:47:16,500

background it but it's human it's like I

1148

00:47:21,349 --> 00:47:18,300

get it and and that also on another

1149

00:47:23,109 --> 00:47:21,359

level it's like uh you will own nothing

1150

00:47:27,050 --> 00:47:23,119

and you will be happy

1151  
00:47:30,589 --> 00:47:27,060  
is that tell me this is that the worst

1152  
00:47:33,230 --> 00:47:30,599  
freaking marketing slogan in history I

1153  
00:47:36,770 --> 00:47:33,240  
mean you couldn't you couldn't shop that

1154  
00:47:38,030 --> 00:47:36,780  
and come up with the worst thing that

1155  
00:47:39,650 --> 00:47:38,040  
you could go and now they've tried to

1156  
00:47:41,390 --> 00:47:39,660  
scrub it from the internet but it won't

1157  
00:47:44,450 --> 00:47:41,400  
scrub because nothing can really be

1158  
00:47:46,609 --> 00:47:44,460  
scrubbed the fact that the fact that

1159  
00:47:49,309 --> 00:47:46,619  
they can make that kind of mistake that

1160  
00:47:52,609 --> 00:47:49,319  
kind of misstep is a ray of Hope the

1161  
00:47:57,589 --> 00:47:52,619  
fact that Henry Kissinger is a bona fide

1162  
00:47:59,630 --> 00:47:57,599  
freaking World War II war okay okay one

1163  
00:48:03,589 --> 00:47:59,640

second one second because kissing

1164

00:48:05,809 --> 00:48:03,599

Tuesday yeah he he he created like the

1165

00:48:08,630 --> 00:48:05,819

idea of really really fundamentally of

1166

00:48:11,270 --> 00:48:08,640

limited Warfare Perpetual limited

1167

00:48:14,270 --> 00:48:11,280

Warfare and he discovered that you have

1168

00:48:17,690 --> 00:48:14,280

to create something that explodes and is

1169

00:48:19,250 --> 00:48:17,700

is dangerous and he kills to be able to

1170

00:48:21,290 --> 00:48:19,260

get along with all of this other stuff

1171

00:48:23,089 --> 00:48:21,300

over here while people are distracted

1172

00:48:26,750 --> 00:48:23,099

over there and in a sense that's what

1173

00:48:29,329 --> 00:48:26,760

Klaus Schwab uh is it and his gang do

1174

00:48:32,809 --> 00:48:29,339

with a sentence like you'll own nothing

1175

00:48:35,329 --> 00:48:32,819

and be happy it's so abusive and

1176

00:48:37,970 --> 00:48:35,339

horrible that you start from a bottom I

1177

00:48:40,190 --> 00:48:37,980

think yeah oh well well to an extent but

1178

00:48:42,349 --> 00:48:40,200

it's making people think no I want more

1179

00:48:44,390 --> 00:48:42,359

than that and then they're instantly in

1180

00:48:47,030 --> 00:48:44,400

this Frame of Mind of more than that is

1181

00:48:50,390 --> 00:48:47,040

better you know it instantly flips into

1182

00:48:52,730 --> 00:48:50,400

oh I want to own more than nothing and

1183

00:48:55,670 --> 00:48:52,740

be happy there you go that's what I have

1184

00:48:58,609 --> 00:48:55,680

it's it's trolling it's flexing and it's

1185

00:49:00,290 --> 00:48:58,619

signaling and I got those from you and I

1186

00:49:02,510 --> 00:49:00,300

didn't see that before I I modified them

1187

00:49:05,270 --> 00:49:02,520

slightly but one that you pointed out

1188

00:49:08,210 --> 00:49:05,280

first of all it's signaling you know I'm

1189

00:49:11,870 --> 00:49:08,220

in [h\_\_h] double Switzerland hamburgers

1190

00:49:14,390 --> 00:49:11,880

are fifty dollars a piece 450. you know

1191

00:49:16,849 --> 00:49:14,400

what I mean there's no I will owe

1192

00:49:20,270 --> 00:49:16,859

nothing kind of say it's that's but I'm

1193

00:49:22,609 --> 00:49:20,280

signaling to my people that hey this is

1194

00:49:24,710 --> 00:49:22,619

how we talk to these people this is what

1195

00:49:27,050 --> 00:49:24,720

they mean but it's also flexing in that

1196

00:49:29,030 --> 00:49:27,060

same way it's saying I can't get away

1197

00:49:31,609 --> 00:49:29,040

with this we can just rub it in their

1198

00:49:34,309 --> 00:49:31,619

face it's flexing I can do this stuff

1199

00:49:36,589 --> 00:49:34,319

and it's also trolling because you like

1200

00:49:38,390 --> 00:49:36,599

to troll we all like to troll we all

1201  
00:49:40,490 --> 00:49:38,400  
like to get a reaction out of people and

1202  
00:49:42,650 --> 00:49:40,500  
he likes to get a reaction I think if

1203  
00:49:44,390 --> 00:49:42,660  
you know if I get a comedy you you end

1204  
00:49:47,150 --> 00:49:44,400  
up trolling and so most of the people

1205  
00:49:49,910 --> 00:49:47,160  
who want Power are very good at comedy

1206  
00:49:52,430 --> 00:49:49,920  
and usually end up being trolls that

1207  
00:49:54,050 --> 00:49:52,440  
they may go together

1208  
00:49:57,589 --> 00:49:54,060  
well you know the other place I was

1209  
00:49:59,030 --> 00:49:57,599  
going with Kissinger is like you didn't

1210  
00:50:01,130 --> 00:49:59,040  
go all the way there but if you go into

1211  
00:50:03,349 --> 00:50:01,140  
the background of Kissinger

1212  
00:50:06,109 --> 00:50:03,359  
freaking World War II hero I mean

1213  
00:50:09,290 --> 00:50:06,119

legitimate war hero yeah yeah not like

1214

00:50:11,630 --> 00:50:09,300

any [h\_\_h] like legitimate Battle of

1215

00:50:13,849 --> 00:50:11,640

the Bulge you know yeah yeah yeah bulge

1216

00:50:17,089 --> 00:50:13,859

before Battle of Bulge he carries a gun

1217

00:50:18,650 --> 00:50:17,099

into battle he's there you know and I

1218

00:50:21,050 --> 00:50:18,660

would say I would say totally

1219

00:50:22,910 --> 00:50:21,060

psychologically scarred from being right

1220

00:50:24,829 --> 00:50:22,920

in the center of load of battles and

1221

00:50:27,410 --> 00:50:24,839

afterwards he's the guy who's kicking

1222

00:50:29,990 --> 00:50:27,420

indoors and looking for the Nazis like

1223

00:50:32,030 --> 00:50:30,000

he's heading up like groups after the

1224

00:50:35,510 --> 00:50:32,040

war because I just paid his project

1225

00:50:37,370 --> 00:50:35,520

paper clip his project paper but right

1226

00:50:39,109 --> 00:50:37,380

at the end of the war the first people

1227

00:50:42,470 --> 00:50:39,119

through your door was Henry Kissinger

1228

00:50:44,809 --> 00:50:42,480

and and and his boys if you were uh

1229

00:50:47,270 --> 00:50:44,819

generals and stuff hiding away exactly

1230

00:50:49,370 --> 00:50:47,280

so so you're gestapo we're gonna find

1231

00:50:52,250 --> 00:50:49,380

out we're gonna find but very quickly

1232

00:50:55,910 --> 00:50:52,260

your project paper clip and but this is

1233

00:50:58,609 --> 00:50:55,920

a 21 year old kid this is a kid who

1234

00:50:59,510 --> 00:50:58,619

leaves Germany three days before Crystal

1235

00:51:01,790 --> 00:50:59,520

knock

1236

00:51:05,809 --> 00:51:01,800

I mean you can't forget that either and

1237

00:51:08,270 --> 00:51:05,819

he comes over to New York and it's this

1238

00:51:09,470 --> 00:51:08,280

segregated thing you you're Jewish you

1239

00:51:11,270 --> 00:51:09,480

walk on the other side of the street

1240

00:51:13,250 --> 00:51:11,280

because those kids will beat you up you

1241

00:51:15,650 --> 00:51:13,260

know and he doesn't speak English I mean

1242

00:51:17,990 --> 00:51:15,660

there's so many things to admire about

1243

00:51:19,309 --> 00:51:18,000

this guy but he goes totally dark I mean

1244

00:51:20,630 --> 00:51:19,319

we're going to talk we're going to talk

1245

00:51:23,329 --> 00:51:20,640

back about to you and how you wind up

1246

00:51:24,829 --> 00:51:23,339

with Chile but man he don't land you

1247

00:51:27,650 --> 00:51:24,839

know you're Henry because you don't make

1248

00:51:29,510 --> 00:51:27,660

any stops in uh Santiago right because

1249

00:51:30,609 --> 00:51:29,520

he said he's still a wanted criminal

1250

00:51:33,890 --> 00:51:30,619

down there

1251

00:51:35,930 --> 00:51:33,900

yeah he listened he's a criminal he

1252

00:51:38,089 --> 00:51:35,940

should be a criminal in every single

1253

00:51:39,890 --> 00:51:38,099

country on Earth but he was tried he was

1254

00:51:42,290 --> 00:51:39,900

tried in in Chile wasn't he or they

1255

00:51:44,630 --> 00:51:42,300

tried that I I don't know too much about

1256

00:51:46,130 --> 00:51:44,640

the kid I know I I the last thing I

1257

00:51:48,530 --> 00:51:46,140

looked up about Kissinger in South

1258

00:51:50,270 --> 00:51:48,540

America was him helping to fix the

1259

00:51:52,910 --> 00:51:50,280

Argentinian World Cup

1260

00:51:55,010 --> 00:51:52,920

how did you wind up with Chile in in

1261

00:51:57,290 --> 00:51:55,020

Chile and how did how did Whitney wind

1262

00:51:59,809 --> 00:51:57,300

up in Chile too how did you well Whitney

1263

00:52:02,329 --> 00:51:59,819

was he Whitney was here first she had uh

1264

00:52:06,230 --> 00:52:02,339

she she had started to make a life down

1265

00:52:09,589 --> 00:52:06,240

here and we met and we went to doing

1266

00:52:12,890 --> 00:52:09,599

into I mean we're basically into the

1267

00:52:15,950 --> 00:52:12,900

same sort of stuff completely like not

1268

00:52:17,690 --> 00:52:15,960

only writing but how we research and

1269

00:52:20,630 --> 00:52:17,700

then all of the other things in life we

1270

00:52:22,910 --> 00:52:20,640

get on really well with so we just hit

1271

00:52:27,650 --> 00:52:22,920

it off really quickly and it was a case

1272

00:52:30,109 --> 00:52:27,660

that covid broke out uh covet broke out

1273

00:52:33,530 --> 00:52:30,119

and all of the

1274

00:52:36,589 --> 00:52:33,540

process started and it came to a point

1275

00:52:38,030 --> 00:52:36,599

where we realized that I if I stayed in

1276

00:52:41,630 --> 00:52:38,040

Britain I was going to be stuck in

1277

00:52:43,730 --> 00:52:41,640

Britain so I went over to Chile and uh

1278

00:52:45,049 --> 00:52:43,740

through covert I've been kicked out of

1279

00:52:48,650 --> 00:52:45,059

the country at times where I've not been

1280

00:52:50,210 --> 00:52:48,660

allowed in is better to say

1281

00:52:52,490 --> 00:52:50,220

um where they they pretended their

1282

00:52:54,170 --> 00:52:52,500

Embassy was open in London

1283

00:52:57,770 --> 00:52:54,180

um and they wouldn't let me back in but

1284

00:53:00,049 --> 00:52:57,780

basically I I'm applying for temporary

1285

00:53:01,250 --> 00:53:00,059

residence residency down here at the

1286

00:53:04,430 --> 00:53:01,260

moment because the last time I went back

1287

00:53:06,829 --> 00:53:04,440

to Britain I was just I was so

1288

00:53:08,809 --> 00:53:06,839

disappointed everybody's in a State of

1289

00:53:10,549 --> 00:53:08,819

Shock there it seems to me they were

1290

00:53:12,970 --> 00:53:10,559

walking around with this dumb look on

1291

00:53:15,890 --> 00:53:12,980

their face going oh no everything's fine

1292

00:53:17,809 --> 00:53:15,900

everything's fine everything's fine over

1293

00:53:20,089 --> 00:53:17,819

and over again and hoping that

1294

00:53:23,329 --> 00:53:20,099

everything's fine but the stories I was

1295

00:53:25,730 --> 00:53:23,339

hearing were were people who just hadn't

1296

00:53:27,710 --> 00:53:25,740

come to terms with what had just

1297

00:53:29,930 --> 00:53:27,720

happened over the previous two years the

1298

00:53:32,150 --> 00:53:29,940

kids were out of control

1299

00:53:35,809 --> 00:53:32,160

um there was fires going on in the park

1300

00:53:38,030 --> 00:53:35,819

outside the the house I was staying at

1301

00:53:40,490 --> 00:53:38,040

um and I I'd lived there for like

1302

00:53:42,589 --> 00:53:40,500

eight nine years beforehand and it's

1303

00:53:44,870 --> 00:53:42,599

always been a really nice place and it

1304

00:53:47,450 --> 00:53:44,880

just turned into a place where gangs of

1305

00:53:50,150 --> 00:53:47,460

kids were roaming around and being nerdy

1306

00:53:52,450 --> 00:53:50,160

Wells as we say being bad being like I

1307

00:53:54,950 --> 00:53:52,460

was when I was young

1308

00:53:58,190 --> 00:53:54,960

but but the thing is this Cardiff is

1309

00:54:00,490 --> 00:53:58,200

batches uh Britain anymore you know it's

1310

00:54:03,230 --> 00:54:00,500

not it's not the same but it's it it

1311

00:54:05,450 --> 00:54:03,240

went up in the world a little bit you

1312

00:54:08,089 --> 00:54:05,460

know it got a little bit of prestige a

1313

00:54:09,950 --> 00:54:08,099

bit of money invested in it and uh and

1314

00:54:12,410 --> 00:54:09,960

and it was really sad to see so Chile

1315

00:54:14,270 --> 00:54:12,420

has just become a better place a much

1316

00:54:15,230 --> 00:54:14,280

better place to hang out much better

1317

00:54:17,930 --> 00:54:15,240

place

1318

00:54:19,430 --> 00:54:17,940

so anything particular about Chile or

1319

00:54:23,089 --> 00:54:19,440

how did you wind up there

1320

00:54:25,549 --> 00:54:23,099

you just add me and Whitney we just we

1321

00:54:27,530 --> 00:54:25,559

hit it off so uh we lived down in Chile

1322

00:54:30,950 --> 00:54:27,540

now we've got a kid

1323

00:54:33,829 --> 00:54:30,960

um we live amongst the volcano so life

1324

00:54:35,510 --> 00:54:33,839

is pretty groovy down here you know is

1325

00:54:37,910 --> 00:54:35,520

just

1326  
00:54:40,730 --> 00:54:37,920  
seems like the right place you guys live

1327  
00:54:42,589 --> 00:54:40,740  
you live in Santiago no no no no no

1328  
00:54:45,049 --> 00:54:42,599  
because that's a pretty rough that's a

1329  
00:54:47,750 --> 00:54:45,059  
pretty rough place oh I went I did um I

1330  
00:54:49,430 --> 00:54:47,760  
did an audit there recently um when I

1331  
00:54:52,190 --> 00:54:49,440  
couldn't go into America when Whitney

1332  
00:54:55,930 --> 00:54:52,200  
did her book to uh around America with a

1333  
00:54:58,370 --> 00:54:55,940  
couple of platforms I I was like uh uh

1334  
00:55:00,530 --> 00:54:58,380  
stuck in in Chile because I couldn't

1335  
00:55:02,390 --> 00:55:00,540  
leave or I'd have to have all of these

1336  
00:55:04,370 --> 00:55:02,400  
tests come back

1337  
00:55:06,950 --> 00:55:04,380  
um so I went right up first of all to

1338  
00:55:10,190 --> 00:55:06,960

Santiago and I did some police auditing

1339

00:55:12,109 --> 00:55:10,200

so I got out the the camera and I went

1340

00:55:14,809 --> 00:55:12,119

around and I looked for police to video

1341

00:55:17,690 --> 00:55:14,819

uh to see how they reacted to the the

1342

00:55:19,430 --> 00:55:17,700

whole uh process of being filmed uh

1343

00:55:23,030 --> 00:55:19,440

which is what police auditing is about

1344

00:55:25,849 --> 00:55:23,040

and uh and I ended up getting a couple

1345

00:55:27,829 --> 00:55:25,859

of tramps while I was there there was a

1346

00:55:29,150 --> 00:55:27,839

couple of tramps you're on your way to

1347

00:55:30,670 --> 00:55:29,160

getting thrown out of there aren't you

1348

00:55:33,170 --> 00:55:30,680

yeah yeah

1349

00:55:34,790 --> 00:55:33,180

but then I went up to Eureka which is

1350

00:55:37,970 --> 00:55:34,800

right at the north of Chile by the

1351

00:55:39,770 --> 00:55:37,980

Bolivia through border and uh and I

1352

00:55:43,490 --> 00:55:39,780

stayed up there for a couple of weeks

1353

00:55:45,829 --> 00:55:43,500

and it's like the most run-down uh Rife

1354

00:55:48,170 --> 00:55:45,839

with drugs no one's employed the beach

1355

00:55:49,970 --> 00:55:48,180

was beautiful but completely empty

1356

00:55:53,870 --> 00:55:49,980

because it'd been completely decimated

1357

00:55:56,510 --> 00:55:53,880

over covid and uh and I I walked around

1358

00:55:58,309 --> 00:55:56,520

and I uh I videoed around there for a

1359

00:56:01,430 --> 00:55:58,319

bit and that was a really like

1360

00:56:03,170 --> 00:56:01,440

who Huts up on the Hills like you know

1361

00:56:05,750 --> 00:56:03,180

people don't have anything they don't

1362

00:56:07,730 --> 00:56:05,760

have any not not two pennies to rub

1363

00:56:10,069 --> 00:56:07,740

together as they'd say

1364

00:56:12,049 --> 00:56:10,079

um so the north of of Chile is much

1365

00:56:13,549 --> 00:56:12,059

different than uh the mid and the South

1366

00:56:15,470 --> 00:56:13,559

because of course when you go south you

1367

00:56:17,270 --> 00:56:15,480

get down to the Penguins and Patagonia

1368

00:56:20,450 --> 00:56:17,280

and that's right you know you've gone

1369

00:56:22,609 --> 00:56:20,460

too far if you see penguin that's that's

1370

00:56:24,470 --> 00:56:22,619

that's my my but in the middle you've

1371

00:56:27,109 --> 00:56:24,480

got some really nice places loads of

1372

00:56:29,329 --> 00:56:27,119

lakes uh you've got a run of volcanoes

1373

00:56:32,450 --> 00:56:29,339

so there's a volcano near us where which

1374

00:56:34,790 --> 00:56:32,460

is always smoking it looks beautiful uh

1375

00:56:38,030 --> 00:56:34,800

it's a really nice place to live

1376

00:56:39,829 --> 00:56:38,040

um and it it's a bit of a you know when

1377

00:56:41,809 --> 00:56:39,839

you have things like uh volcanoes and

1378

00:56:45,170 --> 00:56:41,819

stuff you've got all around year-round

1379

00:56:46,609 --> 00:56:45,180

ski ski holidays and exploring holidays

1380

00:56:49,910 --> 00:56:46,619

so you've got loads of tourists around

1381

00:56:52,130 --> 00:56:49,920

here and uh that attracts lots of funny

1382

00:56:54,290 --> 00:56:52,140

people but lots of like nice little

1383

00:56:57,650 --> 00:56:54,300

restaurants and things there's uh

1384

00:57:00,170 --> 00:56:57,660

Chili's is pretty it's the people are

1385

00:57:02,569 --> 00:57:00,180

the people are interesting but they seem

1386

00:57:04,849 --> 00:57:02,579

really like they're outside all of the

1387

00:57:08,329 --> 00:57:04,859

Troubles of the world and we like that

1388

00:57:11,990 --> 00:57:08,339

but in the same way sometimes when covid

1389

00:57:14,990 --> 00:57:12,000

happened every man woman and child was

1390

00:57:18,829 --> 00:57:15,000

covered with a mask and looking down and

1391

00:57:21,470 --> 00:57:18,839

scared about what like did not want to

1392

00:57:22,970 --> 00:57:21,480

have to argue you know say man peanut

1393

00:57:24,290 --> 00:57:22,980

said what kind of what kind of trauma

1394

00:57:27,170 --> 00:57:24,300

does that

1395

00:57:28,730 --> 00:57:27,180

yeah put into a culture right yeah and

1396

00:57:31,630 --> 00:57:28,740

that's and that's that's Henry that's

1397

00:57:36,290 --> 00:57:34,430

he did a lot of like there's a lot of in

1398

00:57:39,230 --> 00:57:36,300

different parts of the world Henry

1399

00:57:41,990 --> 00:57:39,240

Kissinger uh supported different regimes

1400

00:57:44,329 --> 00:57:42,000

and pretended that he wasn't sometimes

1401  
00:57:45,890 --> 00:57:44,339  
so like in Pakistan they pretended that

1402  
00:57:47,270 --> 00:57:45,900  
they were tough on Pakistan at the same

1403  
00:57:49,190 --> 00:57:47,280  
time they were helping Pakistan with

1404  
00:57:51,589 --> 00:57:49,200  
everything and Kissinger was setting up

1405  
00:57:54,530 --> 00:57:51,599  
with Jack gal brave for Benazir Bhutto

1406  
00:57:56,569 --> 00:57:54,540  
to be trained uh through Harvard and and

1407  
00:57:58,790 --> 00:57:56,579  
eventually put into Power where she

1408  
00:58:00,770 --> 00:57:58,800  
would act like she was anti-American but

1409  
00:58:03,349 --> 00:58:00,780  
in actual fact she was and what happens

1410  
00:58:06,530 --> 00:58:03,359  
to her anybody who works with Kissinger

1411  
00:58:09,790 --> 00:58:06,540  
uh for long enough gets uh the boot

1412  
00:58:13,490 --> 00:58:09,800  
eventually I'm sure apart from Schwab

1413  
00:58:15,410 --> 00:58:13,500

well you know I I there's so many ways

1414

00:58:16,609 --> 00:58:15,420

to go with this that I haven't even gone

1415

00:58:18,710 --> 00:58:16,619

but

1416

00:58:22,069 --> 00:58:18,720

you know one of the things I wonder is

1417

00:58:24,710 --> 00:58:22,079

if you look at Kissinger and you look at

1418

00:58:26,450 --> 00:58:24,720

that awesome article that you did Dr

1419

00:58:28,790 --> 00:58:26,460

Klaus Schwab or

1420

00:58:32,329 --> 00:58:28,800

how the CRF taught me to stop worrying

1421

00:58:34,970 --> 00:58:32,339

and love the bomb which is right out of

1422

00:58:36,950 --> 00:58:34,980

Dr Strangelove and you identify the guy

1423

00:58:38,390 --> 00:58:36,960

who really is Dr Strangelove and it's

1424

00:58:40,309 --> 00:58:38,400

not Kissinger which is interesting

1425

00:58:43,210 --> 00:58:40,319

because a lot of people used to think it

1426

00:58:45,109 --> 00:58:43,220

was uh Kissinger and uh

1427

00:58:47,569 --> 00:58:45,119

this is

1428

00:58:49,250 --> 00:58:47,579

get give people this the thumbnail

1429

00:58:50,990 --> 00:58:49,260

sketch on this because when we're

1430

00:58:52,809 --> 00:58:51,000

talking about Pinochet and we're talking

1431

00:58:56,150 --> 00:58:52,819

about this stuff that he does in the CIA

1432

00:58:59,150 --> 00:58:56,160

it's not as crazy

1433

00:59:02,450 --> 00:58:59,160

as it is normally portrayed and it

1434

00:59:04,970 --> 00:59:02,460

particularly plays into the maybe not as

1435

00:59:06,950 --> 00:59:04,980

crazy part of the world economic Forum

1436

00:59:09,890 --> 00:59:06,960

not to say that the world economic Forum

1437

00:59:12,470 --> 00:59:09,900

isn't evil of a first order but it's

1438

00:59:16,670 --> 00:59:12,480

like there's like this Twisted crazy

1439

00:59:19,250 --> 00:59:16,680

logic to it that is kind of revealing in

1440

00:59:22,190 --> 00:59:19,260

in a way that you do it give us the the

1441

00:59:23,930 --> 00:59:22,200

quick thumbnail sketch of this okay well

1442

00:59:24,829 --> 00:59:23,940

well it's what's really interesting

1443

00:59:27,829 --> 00:59:24,839

about

1444

00:59:30,650 --> 00:59:27,839

um Kissinger is that he uh takes people

1445

00:59:32,930 --> 00:59:30,660

and he gives them the right people to

1446

00:59:34,490 --> 00:59:32,940

help him go along but in a sense

1447

00:59:36,829 --> 00:59:34,500

everything Kissinger does isn't

1448

00:59:40,069 --> 00:59:36,839

Kissinger's really uh and in this case

1449

00:59:41,510 --> 00:59:40,079

it there was a a seminar Harvard's

1450

00:59:44,030 --> 00:59:41,520

International seminar that was

1451

00:59:46,309 --> 00:59:44,040

originally set up by William Yandel Elia

1452

00:59:49,370 --> 00:59:46,319

who was a advisor to six presidents and

1453

00:59:51,049 --> 00:59:49,380

was a a real big CFR grandee Council on

1454

00:59:54,109 --> 00:59:51,059

Friday but this is the CIA from Jump

1455

00:59:57,770 --> 00:59:54,119

Street yeah yeah a hundred percent I

1456

01:00:00,770 --> 00:59:57,780

mean by 1967 uh Internationals uh cases

1457

01:00:03,049 --> 01:00:00,780

International seminar was outed Humphrey

1458

01:00:05,569 --> 01:00:03,059

Dorman himself from Harvard had to go

1459

01:00:07,250 --> 01:00:05,579

into the Harvard crimson and publish oh

1460

01:00:10,549 --> 01:00:07,260

look yes

1461

01:00:12,589 --> 01:00:10,559

um between 1960 and 1966 Kissinger's

1462

01:00:14,870 --> 01:00:12,599

International seminar was funded by the

1463

01:00:17,450 --> 01:00:14,880

farfield foundation by the Amer American

1464

01:00:19,609 --> 01:00:17,460

friends for the Middle East and by the

1465

01:00:21,170 --> 01:00:19,619

Asian Foundation but they don't mention

1466

01:00:23,210 --> 01:00:21,180

the first 10 years and that's really

1467

01:00:25,730 --> 01:00:23,220

beautiful limited hangout total limited

1468

01:00:27,170 --> 01:00:25,740

yeah yeah and as soon as he got exposed

1469

01:00:29,089 --> 01:00:27,180

because he was about to be exposed by

1470

01:00:31,609 --> 01:00:29,099

newspapers so they just came out with it

1471

01:00:34,190 --> 01:00:31,619

now what I released the other day uh

1472

01:00:35,870 --> 01:00:34,200

Guido Goldman the CFR and uh and the

1473

01:00:37,970 --> 01:00:35,880

German Marshall fund

1474

01:00:41,030 --> 01:00:37,980

um really explores much further on to

1475

01:00:43,069 --> 01:00:41,040

that so the the moment that that got uh

1476

01:00:45,049 --> 01:00:43,079

exposed they they went away and said

1477

01:00:46,970 --> 01:00:45,059

well we got to find another way to run

1478

01:00:48,710 --> 01:00:46,980

leadership courses which was what

1479

01:00:50,630 --> 01:00:48,720

Harvard's International seminar

1480

01:00:53,150 --> 01:00:50,640

Kissinger's International Sam and I was

1481

01:00:55,910 --> 01:00:53,160

it was a young Global Leadership program

1482

01:00:57,890 --> 01:00:55,920

uh one of the first that America had run

1483

01:01:01,490 --> 01:00:57,900

so we've been running them for years run

1484

01:01:03,289 --> 01:01:01,500

from 1950 to 1967. 1972 the German

1485

01:01:05,329 --> 01:01:03,299

Marshall front is created and eventually

1486

01:01:07,549 --> 01:01:05,339

you get the Marshall uh Memorial

1487

01:01:11,510 --> 01:01:07,559

Fellowship you get the tiln leadership

1488

01:01:13,789 --> 01:01:11,520

Network you get uh everyone's leadership

1489

01:01:17,329 --> 01:01:13,799

lab you get other ones come up and that

1490

01:01:19,789 --> 01:01:17,339

was a game so set up by Kissinger and he

1491

01:01:22,789 --> 01:01:19,799

put Guido Goldman and Stanley Hoffman

1492

01:01:25,010 --> 01:01:22,799

who were both underlings Kissinger

1493

01:01:27,950 --> 01:01:25,020

Protege working at the Harvard

1494

01:01:30,829 --> 01:01:27,960

University Guido government especially

1495

01:01:32,750 --> 01:01:30,839

um put into the position uh of the

1496

01:01:34,130 --> 01:01:32,760

German Marshall fund and they were given

1497

01:01:35,750 --> 01:01:34,140

a Very Special Assistant which is a

1498

01:01:37,309 --> 01:01:35,760

woman called Abby Collins who's not

1499

01:01:39,170 --> 01:01:37,319

mentioned in the first articles I've

1500

01:01:41,809 --> 01:01:39,180

written about the international seminar

1501

01:01:45,230 --> 01:01:41,819

but she ran the international seminar

1502

01:01:47,750 --> 01:01:45,240

she completely run it at the end she was

1503

01:01:51,170 --> 01:01:47,760

the woman she was an Asian-American who

1504

01:01:53,089 --> 01:01:51,180

basically ran it for Kissinger once it

1505

01:01:54,829 --> 01:01:53,099

was completely off the ground so the

1506

01:01:57,109 --> 01:01:54,839

last years especially while they were

1507

01:01:58,730 --> 01:01:57,119

being funded by CIA gone to it it was by

1508

01:02:00,470 --> 01:01:58,740

Abby Collins and she went straight over

1509

01:02:02,089 --> 01:02:00,480

to the German martial friend afterwards

1510

01:02:04,910 --> 01:02:02,099

basically and they continued the same

1511

01:02:06,770 --> 01:02:04,920

thing which still runs today and leads

1512

01:02:09,589 --> 01:02:06,780

on here's the part I want you to draw

1513

01:02:13,670 --> 01:02:09,599

out kind of big picture part is that

1514

01:02:17,089 --> 01:02:13,680

this crazy Mutual destruction kind of

1515

01:02:20,870 --> 01:02:17,099

thing you yeah the way you lay it out it

1516

01:02:22,789 --> 01:02:20,880

actually kind of makes sense until you

1517

01:02:25,309 --> 01:02:22,799

kind of cross correlate it with the fact

1518

01:02:27,770 --> 01:02:25,319

that we almost blew each other the

1519

01:02:29,630 --> 01:02:27,780

freaking up we did I mean it almost

1520

01:02:32,390 --> 01:02:29,640

happened it was it got crazy it got

1521

01:02:34,130 --> 01:02:32,400

really crazy uh CFR putting loads of

1522

01:02:35,930 --> 01:02:34,140

working groups while this uh

1523

01:02:37,730 --> 01:02:35,940

International seminars started running

1524

01:02:39,230 --> 01:02:37,740

the CIA were doing loads of things so

1525

01:02:42,109 --> 01:02:39,240

they were starting off their coups over

1526  
01:02:45,530 --> 01:02:42,119  
in in the Middle East uh against Soviet

1527  
01:02:47,210 --> 01:02:45,540  
uh uh like infiltration and they were

1528  
01:02:48,589 --> 01:02:47,220  
doing other things but they were they

1529  
01:02:50,030 --> 01:02:48,599  
and they were starting off the seminar

1530  
01:02:52,370 --> 01:02:50,040  
but they were also concentrating on the

1531  
01:02:53,530 --> 01:02:52,380  
nuclear arms race and these people were

1532  
01:02:57,589 --> 01:02:53,540  
really really

1533  
01:02:59,150 --> 01:02:57,599  
worked out the the the the Soviets could

1534  
01:03:01,130 --> 01:02:59,160  
just launch a bomb and everybody's dead

1535  
01:03:02,270 --> 01:03:01,140  
and Soviets are like oh God the

1536  
01:03:04,390 --> 01:03:02,280  
Americans could launch bomb and

1537  
01:03:06,890 --> 01:03:04,400  
everybody's dead so so they were both

1538  
01:03:08,930 --> 01:03:06,900

really scared everybody had all this

1539

01:03:11,569 --> 01:03:08,940

propaganda this Duck and Cover sort of

1540

01:03:13,430 --> 01:03:11,579

stuff coming out at this from the TV

1541

01:03:15,710 --> 01:03:13,440

screens from the newspapers constantly

1542

01:03:18,470 --> 01:03:15,720

and they had they really pushed up the

1543

01:03:21,170 --> 01:03:18,480

Retro in 1957 when um nuclear war and

1544

01:03:23,089 --> 01:03:21,180

foreign policy got released from the CFR

1545

01:03:25,010 --> 01:03:23,099

working group that Henry Kissinger

1546

01:03:27,170 --> 01:03:25,020

released it and it kind of said okay

1547

01:03:29,450 --> 01:03:27,180

what would be better than all-out

1548

01:03:32,030 --> 01:03:29,460

nuclear Wars that we have this slope

1549

01:03:34,430 --> 01:03:32,040

Perpetual Warfare let the guys in

1550

01:03:36,710 --> 01:03:34,440

Cardiff go out in the alley after a few

1551

01:03:38,870 --> 01:03:36,720

pints and they'll get it out of their

1552

01:03:40,370 --> 01:03:38,880

system and then you know we can go on

1553

01:03:42,890 --> 01:03:40,380

and tomorrow we'll do the same thing

1554

01:03:45,410 --> 01:03:42,900

that that is that is the thought and

1555

01:03:47,329 --> 01:03:45,420

we've we've um Herman Khan he was like

1556

01:03:49,430 --> 01:03:47,339

well they're not going to fire on us

1557

01:03:51,530 --> 01:03:49,440

we're not going to fire on them you know

1558

01:03:54,049 --> 01:03:51,540

for every every finger pushing down on

1559

01:03:56,030 --> 01:03:54,059

the button is like 14 Hands pulling that

1560

01:03:58,430 --> 01:03:56,040

finger up there's so many safety

1561

01:04:00,109 --> 01:03:58,440

mechanisms and it's just very unlikely

1562

01:04:03,109 --> 01:04:00,119

that we're going to have this but it's

1563

01:04:05,569 --> 01:04:03,119

like a a stalemate so that kind of LED

1564

01:04:08,809 --> 01:04:05,579

people to realize that Henry Kissinger's

1565

01:04:11,089 --> 01:04:08,819

like previous four years before uh

1566

01:04:13,609 --> 01:04:11,099

summation that oh we should maybe have

1567

01:04:16,010 --> 01:04:13,619

this Perpetual limited Warfare that goes

1568

01:04:17,690 --> 01:04:16,020

on all the time is much more likely to

1569

01:04:19,250 --> 01:04:17,700

be the route everything's going to go

1570

01:04:21,109 --> 01:04:19,260

from this point on

1571

01:04:24,049 --> 01:04:21,119

um and and yeah but the idea that we

1572

01:04:26,450 --> 01:04:24,059

could all just destroy us each other and

1573

01:04:27,589 --> 01:04:26,460

Herman Khan is an extremely interesting

1574

01:04:29,270 --> 01:04:27,599

figure

1575

01:04:30,770 --> 01:04:29,280

um worked for the Hudson Institute uh

1576

01:04:32,870 --> 01:04:30,780

the heading up the housing Institute

1577

01:04:34,490 --> 01:04:32,880

really funded a lot by the Rand

1578

01:04:36,770 --> 01:04:34,500

Corporation

1579

01:04:39,650 --> 01:04:36,780

um he wrote he worked for the state

1580

01:04:41,809 --> 01:04:39,660

department between 1966 and 1968 and he

1581

01:04:43,370 --> 01:04:41,819

wrote this amazing paper two papers at

1582

01:04:46,250 --> 01:04:43,380

the time one was an ancillary document

1583

01:04:50,569 --> 01:04:46,260

about educating leadership outside the

1584

01:04:52,970 --> 01:04:50,579

normal university uh I um processes so

1585

01:04:55,130 --> 01:04:52,980

like a young global leaders course uh

1586

01:04:57,950 --> 01:04:55,140

but also his more public document was

1587

01:04:59,510 --> 01:04:57,960

called the year 2000 and he was looking

1588

01:05:03,349 --> 01:04:59,520

at all the technology that could

1589

01:05:05,809 --> 01:05:03,359

possibly uh be be discovered uh in the

1590

01:05:08,870 --> 01:05:05,819

net uh up until the year 2000 something

1591

01:05:10,270 --> 01:05:08,880

that Klaus does when he becomes you know

1592

01:05:14,150 --> 01:05:10,280

because

1593

01:05:17,270 --> 01:05:14,160

yeah he's introduced to Herman Khan as

1594

01:05:19,910 --> 01:05:17,280

her Khan is writing this this young

1595

01:05:22,789 --> 01:05:19,920

technocrat and I feel that the the

1596

01:05:25,130 --> 01:05:22,799

Kissinger knew that the technocrats were

1597

01:05:27,170 --> 01:05:25,140

going to be of course he knew they all

1598

01:05:29,630 --> 01:05:27,180

knew the technocrat would be the future

1599

01:05:32,450 --> 01:05:29,640

power and a totally kind of uh straight

1600

01:05:34,010 --> 01:05:32,460

up uh kind of level way which you also

1601

01:05:35,450 --> 01:05:34,020

play out you know like this stuff is

1602

01:05:37,609 --> 01:05:35,460

really dark so I don't want to kind of

1603

01:05:39,770 --> 01:05:37,619

uh it's not like I'm trying to sugarcoat

1604

01:05:41,510 --> 01:05:39,780

these people I'm just trying to help us

1605

01:05:43,849 --> 01:05:41,520

understand them better because I I think

1606

01:05:46,549 --> 01:05:43,859

your thing about if anyone takes out

1607

01:05:48,710 --> 01:05:46,559

trolling flexing signaling and just says

1608

01:05:50,930 --> 01:05:48,720

is there any truth to that it softens

1609

01:05:52,730 --> 01:05:50,940

this thing up a lot I think in a way

1610

01:05:54,470 --> 01:05:52,740

that we can kind of more digest and

1611

01:05:57,410 --> 01:05:54,480

handle that these guys are human if you

1612

01:05:59,750 --> 01:05:57,420

look at the human in a very negative way

1613

01:06:01,130 --> 01:05:59,760

I mean like criminal human but still

1614

01:06:03,410 --> 01:06:01,140

human but the other thing I was going to

1615

01:06:05,510 --> 01:06:03,420

say is like you do that with Schwab when

1616

01:06:07,849 --> 01:06:05,520

you say he takes over daddy's business

1617

01:06:09,650 --> 01:06:07,859

but he's Kick-Ass good at it you know

1618

01:06:11,329 --> 01:06:09,660

and one of the things he sees from

1619

01:06:13,010 --> 01:06:11,339

Harvard and all the rest of that is this

1620

01:06:14,270 --> 01:06:13,020

technology is coming and we're going to

1621

01:06:15,770 --> 01:06:14,280

apply it in our business and we're going

1622

01:06:17,390 --> 01:06:15,780

to make a shitload of money because

1623

01:06:18,589 --> 01:06:17,400

we're going to make a better we're going

1624

01:06:20,089 --> 01:06:18,599

to make a better business because we're

1625

01:06:21,650 --> 01:06:20,099

on top of it we're doing good stuff

1626

01:06:24,650 --> 01:06:21,660

we're doing Harvard Business School kind

1627

01:06:27,230 --> 01:06:24,660

of stuff we've got hey Klaus knows that

1628

01:06:28,730 --> 01:06:27,240

wherever he is at this point he's got at

1629

01:06:30,950 --> 01:06:28,740

that point he's getting loads of he's

1630

01:06:33,109 --> 01:06:30,960

got loads of degrees loads of extra

1631

01:06:34,549 --> 01:06:33,119

degrees on top where he just turns up at

1632

01:06:37,130 --> 01:06:34,559

a place and suddenly gets to given a

1633

01:06:39,470 --> 01:06:37,140

degree he's he's invited to Kissinger's

1634

01:06:42,289 --> 01:06:39,480

International seminar so it must have

1635

01:06:44,870 --> 01:06:42,299

been that he had such a really uh

1636

01:06:46,609 --> 01:06:44,880

amazing amount of qualifications he's

1637

01:06:49,069 --> 01:06:46,619

got a ton of dreams but he's also smart

1638

01:06:52,549 --> 01:06:49,079

I mean he's on he's on his game too yeah

1639

01:06:54,230 --> 01:06:52,559

no no Schwabs are really intelligent uh

1640

01:06:57,049 --> 01:06:54,240

guy in there he's got all of these

1641

01:06:58,970 --> 01:06:57,059

degrees he needs going places

1642

01:07:01,010 --> 01:06:58,980

um and he gets invited to this seminar

1643

01:07:03,230 --> 01:07:01,020

which is a real big deal

1644

01:07:04,970 --> 01:07:03,240

um because it puts him on the world

1645

01:07:07,490 --> 01:07:04,980

stage so it doesn't matter which

1646

01:07:10,069 --> 01:07:07,500

companies he's in to Schwab Schwab's

1647

01:07:11,750 --> 01:07:10,079

going to make a big thing himself

1648

01:07:13,970 --> 01:07:11,760

wherever he is he's going to be

1649

01:07:16,430 --> 01:07:13,980

successful and he had learned that he

1650

01:07:17,930 --> 01:07:16,440

was was interested he was a technocrat

1651

01:07:19,490 --> 01:07:17,940

from the off and I think that's

1652

01:07:22,130 --> 01:07:19,500

partially because Kissinger and other

1653

01:07:24,710 --> 01:07:22,140

people said right you're a technocrat

1654

01:07:27,829 --> 01:07:24,720

technocracy is the future you go get

1655

01:07:30,529 --> 01:07:27,839

your prize and your prize is this world

1656

01:07:32,210 --> 01:07:30,539

that no one else is aware of yet you're

1657

01:07:34,670 --> 01:07:32,220

looking when I go troll through the

1658

01:07:36,829 --> 01:07:34,680

archives I'm reading these uh stories

1659

01:07:39,589 --> 01:07:36,839

where look this computer can come up

1660

01:07:42,170 --> 01:07:39,599

with this answer oh this computer can

1661

01:07:44,750 --> 01:07:42,180

come up with this answer then it's uh

1662

01:07:47,410 --> 01:07:44,760

suddenly the computers revolutionized

1663

01:07:49,670 --> 01:07:47,420

financial industry then it's

1664

01:07:51,950 --> 01:07:49,680  
revolutionized the world with the

1665

01:07:54,829 --> 01:07:51,960  
internet and internet Commerce and

1666

01:07:56,870 --> 01:07:54,839  
information Highway and then it's

1667

01:07:58,910 --> 01:07:56,880  
something else and they were already

1668

01:08:01,250 --> 01:07:58,920  
aware of this because of Herman Khan's

1669

01:08:02,870 --> 01:08:01,260  
research and Kissinger had given Hermann

1670

01:08:05,930 --> 01:08:02,880  
Khan and John Kenneth gal Brave as

1671

01:08:08,390 --> 01:08:05,940  
mentors for Schwab so Schwab already had

1672

01:08:10,789 --> 01:08:08,400  
the person with him that was going to

1673

01:08:12,410 --> 01:08:10,799  
take him to that place where he was

1674

01:08:14,990 --> 01:08:12,420  
going to be at the king of the

1675

01:08:18,110 --> 01:08:15,000  
technocrats and I think that that that

1676

01:08:22,550 --> 01:08:18,120

Crown is going to uh he can't live

1677

01:08:24,890 --> 01:08:22,560

forever at the moment but but it maybe

1678

01:08:26,329 --> 01:08:24,900

maybe that what they really want and

1679

01:08:28,370 --> 01:08:26,339

what he's talked about what other people

1680

01:08:31,010 --> 01:08:28,380

around him has talked about is storing

1681

01:08:33,470 --> 01:08:31,020

your Consciousness up into the cloud and

1682

01:08:35,689 --> 01:08:33,480

you know all of these ideas that come

1683

01:08:37,610 --> 01:08:35,699

with the transhumanists so he's become

1684

01:08:40,450 --> 01:08:37,620

from a technocrat to a pure

1685

01:08:43,729 --> 01:08:40,460

transhumanist and I think that the the

1686

01:08:45,590 --> 01:08:43,739

he doesn't matter how many crimes he's

1687

01:08:47,870 --> 01:08:45,600

committed or how many things he does

1688

01:08:50,090 --> 01:08:47,880

wrong Klaus Schwab is going to get

1689

01:08:53,150 --> 01:08:50,100

wavered because when he dies a new

1690

01:08:55,490 --> 01:08:53,160

person who will be the anti-claus but

1691

01:08:57,890 --> 01:08:55,500

will agree with nearly everything Klaus

1692

01:09:00,289 --> 01:08:57,900

Schwab says and does will be the person

1693

01:09:02,630 --> 01:09:00,299

to take over you know to take over the

1694

01:09:05,890 --> 01:09:02,640

dream of all of these people who see

1695

01:09:10,130 --> 01:09:05,900

this technology around I think how swab

1696

01:09:12,650 --> 01:09:10,140

fitted a a like a certain era he was the

1697

01:09:15,169 --> 01:09:12,660

right man for that certain era and he

1698

01:09:16,370 --> 01:09:15,179

did a really good job maybe be here's

1699

01:09:18,110 --> 01:09:16,380

here a couple things I want to bounce

1700

01:09:20,030 --> 01:09:18,120

off you as we're kind of eventually

1701

01:09:23,269 --> 01:09:20,040

we'll run out of time here the clock is

1702

01:09:25,370 --> 01:09:23,279

moving quickly but um I see some

1703

01:09:27,470 --> 01:09:25,380

wrinkles in the Playbook I I heard you

1704

01:09:29,450 --> 01:09:27,480

on higher side chats and I think you

1705

01:09:31,910 --> 01:09:29,460

made a pretty compelling case

1706

01:09:34,370 --> 01:09:31,920

that I often make which is like if you

1707

01:09:37,070 --> 01:09:34,380

want to count these guys down you're

1708

01:09:38,870 --> 01:09:37,080

like they haven't even begun to pull out

1709

01:09:41,269 --> 01:09:38,880

any of the trick plays they're just

1710

01:09:43,630 --> 01:09:41,279

running the basic yeah you know the

1711

01:09:45,890 --> 01:09:43,640

basic stuff at this point but but but

1712

01:09:48,349 --> 01:09:45,900

there's different stuff that doesn't

1713

01:09:51,530 --> 01:09:48,359

line up your piece on the Russian thing

1714

01:09:55,490 --> 01:09:51,540

let me pull that up okay

1715

01:09:58,010 --> 01:09:55,500

but what blew me away here is uh Putin's

1716

01:10:00,590 --> 01:09:58,020

in the club right he's a global leader

1717

01:10:01,910 --> 01:10:00,600

guy but now he's out of the club now

1718

01:10:05,390 --> 01:10:01,920

he's getting scrubbed from the club

1719

01:10:07,729 --> 01:10:05,400

because of Ukraine doesn't exactly fit

1720

01:10:11,150 --> 01:10:07,739

with the the program that they're trying

1721

01:10:13,310 --> 01:10:11,160

to run and it starts revealing maybe the

1722

01:10:14,930 --> 01:10:13,320

Cardiff thing and the in the alley where

1723

01:10:17,209 --> 01:10:14,940

you know now suddenly a couple of my

1724

01:10:18,950 --> 01:10:17,219

mates come up and like no bro we stand

1725

01:10:20,870 --> 01:10:18,960

together on this thing and one guy says

1726

01:10:23,570 --> 01:10:20,880

no we're not going to play that way so

1727

01:10:26,510 --> 01:10:23,580

the globalist thing kind of breaks down

1728

01:10:28,010 --> 01:10:26,520

but you play out in this article which

1729

01:10:30,229 --> 01:10:28,020

I'll try and bring some pieces into this

1730

01:10:33,350 --> 01:10:30,239

conversation so it has some context but

1731

01:10:36,050 --> 01:10:33,360

like they are like doing a flip where

1732

01:10:38,450 --> 01:10:36,060

they're taking the world economic Forum

1733

01:10:40,790 --> 01:10:38,460

crazy reset stuff and they're doubling

1734

01:10:42,410 --> 01:10:40,800

down on it they're taking it way to the

1735

01:10:44,510 --> 01:10:42,420

next level if we're just gonna surveil

1736

01:10:47,030 --> 01:10:44,520

everyone and we're Russia and we can get

1737

01:10:49,910 --> 01:10:47,040

away with this and meanwhile the

1738

01:10:52,370 --> 01:10:49,920

schwabians and the CIA which is this

1739

01:10:53,750 --> 01:10:52,380

really about USA USA they're pumping the

1740

01:10:56,390 --> 01:10:53,760

brakes and they're going whoa whoa whoa

1741

01:10:59,090 --> 01:10:56,400

wait a minute now so this isn't part of

1742

01:11:02,390 --> 01:10:59,100

the program is it I mean that's my read

1743

01:11:06,830 --> 01:11:02,400

of it I'm I think that it's a case that

1744

01:11:09,410 --> 01:11:06,840

if you uh as a nation as a people uh as

1745

01:11:13,250 --> 01:11:09,420

the Russians in general be constantly

1746

01:11:15,110 --> 01:11:13,260

being undermined by this West and it's

1747

01:11:17,689 --> 01:11:15,120

got to a point where I mean you had

1748

01:11:20,570 --> 01:11:17,699

floods of ngos around every single

1749

01:11:22,970 --> 01:11:20,580

country that surrounds your country and

1750

01:11:24,890 --> 01:11:22,980

it's taken they've taken political

1751

01:11:26,750 --> 01:11:24,900

control and nearly every single one of

1752

01:11:28,850 --> 01:11:26,760

those countries you've got no he's like

1753

01:11:31,550 --> 01:11:28,860

you've got the cultural borders that's

1754

01:11:33,410 --> 01:11:31,560

all you've got left uh and they're all

1755

01:11:35,030 --> 01:11:33,420

afraid and they're at breaking point and

1756

01:11:36,410 --> 01:11:35,040

they're pushing further and further well

1757

01:11:38,330 --> 01:11:36,420

you've got to realize that you're on the

1758

01:11:40,550 --> 01:11:38,340

losing side and you've been on a losing

1759

01:11:42,350 --> 01:11:40,560

side for a long time because you haven't

1760

01:11:44,209 --> 01:11:42,360

been watching what the other guys are

1761

01:11:45,950 --> 01:11:44,219

doing you've been watching there's just

1762

01:11:47,450 --> 01:11:45,960

nothing you can do about it yeah I mean

1763

01:11:51,350 --> 01:11:47,460

it's about it's about controlling the

1764

01:11:53,030 --> 01:11:51,360

currency and we own the currency USA USA

1765

01:11:56,990 --> 01:11:53,040

if we want to continue to own the

1766

01:11:58,370 --> 01:11:57,000

currency USA USA so now when Russia says

1767

01:11:59,750 --> 01:11:58,380

well maybe you don't own the currency

1768

01:12:01,250 --> 01:11:59,760

maybe I get together with China and

1769

01:12:03,890 --> 01:12:01,260

Brazil and India and maybe we can come

1770

01:12:05,450 --> 01:12:03,900

up that ain't gonna fly but the part

1771

01:12:08,570 --> 01:12:05,460

that I want you to particularly hone in

1772

01:12:11,290 --> 01:12:08,580

on which is article does is they're on

1773

01:12:13,790 --> 01:12:11,300

board with the world economic Forum

1774

01:12:16,610 --> 01:12:13,800

technocratic craziness of all this stuff

1775

01:12:18,290 --> 01:12:16,620

at least they're completely I mean but

1776

01:12:20,030 --> 01:12:18,300

now they're now they're on the outs so

1777

01:12:22,010 --> 01:12:20,040

how do you do that how do they they take

1778

01:12:23,450 --> 01:12:22,020

it and they go oh this is great we have

1779

01:12:25,850 --> 01:12:23,460

more we have more surveillance cameras

1780

01:12:28,070 --> 01:12:25,860

in anybody if we could lock down all our

1781

01:12:30,410 --> 01:12:28,080

people we can take this to the max now

1782

01:12:32,630 --> 01:12:30,420

what happens when they become your enemy

1783

01:12:34,850 --> 01:12:32,640

I think there's a glimmer of hope there

1784

01:12:36,229 --> 01:12:34,860

where the globalist thing kind of breaks

1785

01:12:37,610 --> 01:12:36,239

down a little bit where you kind of are

1786

01:12:39,950 --> 01:12:37,620

pointing at them like North Korea and

1787

01:12:42,649 --> 01:12:39,960

going hey nobody wants that let's make

1788

01:12:45,050 --> 01:12:42,659

sure we're we're not that so by Russia

1789

01:12:47,810 --> 01:12:45,060

going over the top is there a wedge in

1790

01:12:49,550 --> 01:12:47,820

the globalist agenda so with Russia what

1791

01:12:52,189 --> 01:12:49,560

they've done is they've they like the

1792

01:12:53,810 --> 01:12:52,199

the guy who uh runs Burbank I forget his

1793

01:12:55,729 --> 01:12:53,820

name he's the guy he's the guy who's

1794

01:12:57,290 --> 01:12:55,739

basically pushed forward the same thing

1795

01:12:59,810 --> 01:12:57,300

that Elon Musk is talking in America

1796

01:13:01,490 --> 01:12:59,820

like the everything sort of app have

1797

01:13:03,050 --> 01:13:01,500

everything on one app all your bank all

1798

01:13:04,790 --> 01:13:03,060

your bills all your shopping everything

1799

01:13:07,189 --> 01:13:04,800

you do on this one thing you don't get

1800

01:13:09,950 --> 01:13:07,199

to go outside this app that's the start

1801

01:13:13,070 --> 01:13:09,960

of like squeal real serious social

1802

01:13:15,590 --> 01:13:13,080

control and and it's been snuck in over

1803

01:13:17,030 --> 01:13:15,600

here and I see that as cultural in a lot

1804

01:13:19,669 --> 01:13:17,040

of cultures they have to sneak these

1805

01:13:21,229 --> 01:13:19,679

things in in China and Russia you don't

1806

01:13:23,209 --> 01:13:21,239

have to be so sneaky because the people

1807

01:13:25,310 --> 01:13:23,219

know you're sneaking so you just stomp

1808

01:13:28,850 --> 01:13:25,320

around round and they're not in control

1809

01:13:32,270 --> 01:13:28,860

anyway so the they're they're trying to

1810

01:13:34,610 --> 01:13:32,280

get ahead of what the Americans want to

1811

01:13:36,590 --> 01:13:34,620

do and what the West wants to do they're

1812

01:13:39,649 --> 01:13:36,600

trying to get ahead of them now if they

1813

01:13:41,930 --> 01:13:39,659

do that could be a winner that could be

1814

01:13:45,649 --> 01:13:41,940

a winner but did this Society they're

1815

01:13:48,649 --> 01:13:45,659

creating is one which is uh everybody

1816

01:13:50,750 --> 01:13:48,659

looking inwards and not outwards and

1817

01:13:52,729 --> 01:13:50,760

that doesn't necessarily suggest that

1818

01:13:55,430 --> 01:13:52,739

there's going to be massive Global War

1819

01:13:57,169 --> 01:13:55,440

or conflict because everybody's more

1820

01:13:59,030 --> 01:13:57,179

likely to be stuck in their one place

1821

01:14:02,450 --> 01:13:59,040

and people not wanting people to move

1822

01:14:04,189 --> 01:14:02,460

around and we want other people probably

1823

01:14:05,870 --> 01:14:04,199

to be scared of the people who are next

1824

01:14:08,030 --> 01:14:05,880

door to different countries next door

1825

01:14:10,370 --> 01:14:08,040

and just keeping that fear where their

1826

01:14:12,709 --> 01:14:10,380

information and what we see in Russia

1827

01:14:15,590 --> 01:14:12,719

and what we see in China is a race to

1828

01:14:17,930 --> 01:14:15,600

what the American model uh was mapped

1829

01:14:20,450 --> 01:14:17,940

out by these people in the past by these

1830

01:14:22,910 --> 01:14:20,460

technocrats like the Western model and

1831

01:14:25,149 --> 01:14:22,920

we see a lot of the fight between them

1832

01:14:28,970 --> 01:14:25,159

is is now like

1833

01:14:30,830 --> 01:14:28,980

battles to do the same thing first and

1834

01:14:33,350 --> 01:14:30,840

that's why I think Ukraine's happened

1835

01:14:36,189 --> 01:14:33,360

because it's got down to the point where

1836

01:14:39,110 --> 01:14:36,199

friction's rubbing together the kids

1837

01:14:41,209 --> 01:14:39,120

that's the breaking point Ukraine has

1838

01:14:43,430 --> 01:14:41,219

been flooded with more ngos than any

1839

01:14:46,550 --> 01:14:43,440

other country in the region they knew

1840

01:14:50,870 --> 01:14:46,560

that it had really strong Russian re uh

1841

01:14:53,510 --> 01:14:50,880

uh regions and would would incite uh a

1842

01:14:56,689 --> 01:14:53,520

split a potential Civil War

1843

01:14:58,669 --> 01:14:56,699

um and it's perpetual War but you're not

1844

01:15:00,350 --> 01:14:58,679

seeing proper Warfare over there if

1845

01:15:02,930 --> 01:15:00,360

you're seeing proper Warfare Russia has

1846

01:15:05,689 --> 01:15:02,940

taken Ukraine Oprah in a week and a half

1847

01:15:08,330 --> 01:15:05,699

and just rolled in or if you see proper

1848

01:15:09,649 --> 01:15:08,340

Warfare that is what you would see and

1849

01:15:12,169 --> 01:15:09,659

you're not seeing that at all you're

1850

01:15:14,990 --> 01:15:12,179

seeing they take a pic and they lose it

1851  
01:15:16,669 --> 01:15:15,000  
again and over here they take a bit and

1852  
01:15:20,390 --> 01:15:16,679  
they lose it again and that's

1853  
01:15:22,790 --> 01:15:20,400  
Kissinger's Perpetual Warfare and they

1854  
01:15:23,870 --> 01:15:22,800  
are all playing under the same the same

1855  
01:15:26,209 --> 01:15:23,880  
game

1856  
01:15:27,950 --> 01:15:26,219  
but they're all competing still

1857  
01:15:31,570 --> 01:15:27,960  
but the winner

1858  
01:15:34,130 --> 01:15:31,580  
the taking all isn't actually all

1859  
01:15:36,890 --> 01:15:34,140  
globalism it's just like the first one

1860  
01:15:38,870 --> 01:15:36,900  
to get to globalism will probably have a

1861  
01:15:40,970 --> 01:15:38,880  
little bit of say on how it goes in the

1862  
01:15:42,950 --> 01:15:40,980  
future and that it will be beneficial to

1863  
01:15:44,870 --> 01:15:42,960

them but in actual fact they don't know

1864

01:15:46,970 --> 01:15:44,880

either they're just

1865

01:15:48,830 --> 01:15:46,980

trudging towards the thing they think

1866

01:15:50,270 --> 01:15:48,840

they need to trudge towards because

1867

01:15:51,590 --> 01:15:50,280

that's what they've been told and

1868

01:15:53,810 --> 01:15:51,600

they're in the mindset and everything

1869

01:15:55,610 --> 01:15:53,820

around them Stalin that's what the other

1870

01:15:58,010 --> 01:15:55,620

people are doing so they're playing a

1871

01:16:00,290 --> 01:15:58,020

game and that game may be destructive

1872

01:16:02,870 --> 01:16:00,300

for us down here

1873

01:16:04,610 --> 01:16:02,880

um but it's a slow process it's gonna go

1874

01:16:06,830 --> 01:16:04,620

on for a long time what do you think of

1875

01:16:09,770 --> 01:16:06,840

this what do you think of this

1876

01:16:12,530 --> 01:16:09,780

yeah I I I

1877

01:16:14,450 --> 01:16:12,540

what what and this is I've talked with a

1878

01:16:17,090 --> 01:16:14,460

few people in the independent Medias and

1879

01:16:19,430 --> 01:16:17,100

behind the scenes as well and at most of

1880

01:16:20,689 --> 01:16:19,440

the the feeling is that we're with we're

1881

01:16:23,209 --> 01:16:20,699

going to see the thing that we're going

1882

01:16:25,970 --> 01:16:23,219

to see next is some sort of fake war

1883

01:16:27,830 --> 01:16:25,980

between countries because all of this

1884

01:16:29,750 --> 01:16:27,840

stuff bro this ain't fake I talk about

1885

01:16:34,250 --> 01:16:29,760

fake nuclear attack I'm talking about

1886

01:16:36,890 --> 01:16:34,260

maybe China I'm an AI guy artificial

1887

01:16:38,630 --> 01:16:36,900

intelligence guy so I I was in the PHD

1888

01:16:40,669 --> 01:16:38,640

program for artificial intelligence I

1889

01:16:42,709 --> 01:16:40,679

left to start an AI company I started an

1890

01:16:44,750 --> 01:16:42,719

AI company way back in the day when

1891

01:16:47,750 --> 01:16:44,760

we're doing expert systems sold it

1892

01:16:51,050 --> 01:16:47,760

became a one percenter after a few uh

1893

01:16:52,610 --> 01:16:51,060

Investments I know this stuff and I

1894

01:16:54,590 --> 01:16:52,620

don't know it I don't know it like

1895

01:16:56,750 --> 01:16:54,600

really really know it but I know it

1896

01:16:59,689 --> 01:16:56,760

enough to kind of fumble through it no

1897

01:17:02,090 --> 01:16:59,699

bro the AI thing is real now right so

1898

01:17:05,990 --> 01:17:02,100

the machine learning thing is real you

1899

01:17:07,490 --> 01:17:06,000

cut off these chips from China it is the

1900

01:17:10,550 --> 01:17:07,500

oil embargo

1901

01:17:14,209 --> 01:17:10,560

against Japan that starts World War II I

1902

01:17:17,630 --> 01:17:14,219

mean it is full on yeah but you know you

1903

01:17:20,510 --> 01:17:17,640

know that no one wants to risk the

1904

01:17:22,910 --> 01:17:20,520

biscuits they know what it leads to they

1905

01:17:24,950 --> 01:17:22,920

have it would lead to the thing that

1906

01:17:27,229 --> 01:17:24,960

they had and this is what always comes

1907

01:17:28,750 --> 01:17:27,239

around in my mind it always leads to

1908

01:17:30,890 --> 01:17:28,760

when you look at it tactically

1909

01:17:32,810 --> 01:17:30,900

strategically you'd end up saying well

1910

01:17:34,850 --> 01:17:32,820

the only way is to make our own people

1911

01:17:36,169 --> 01:17:34,860

afraid and believe everything like

1912

01:17:38,209 --> 01:17:36,179

that's going on and it doesn't really

1913

01:17:41,090 --> 01:17:38,219

matter anyway and we'll fake some form

1914

01:17:43,430 --> 01:17:41,100

of big nuclear war going on in the far

1915

01:17:45,470 --> 01:17:43,440

off distance and everybody's crapping

1916

01:17:47,209 --> 01:17:45,480

themselves because oh finally it's here

1917

01:17:49,610 --> 01:17:47,219

and people don't realize that thousands

1918

01:17:52,790 --> 01:17:49,620

of nuclear warheads have been detonated

1919

01:17:53,930 --> 01:17:52,800

on this Earth already uh take the

1920

01:17:56,270 --> 01:17:53,940

nuclear thing out of it for a minute

1921

01:17:58,189 --> 01:17:56,280

this is about our crypto versus everyone

1922

01:18:00,290 --> 01:17:58,199

else's crypto right the United States

1923

01:18:02,510 --> 01:18:00,300

currency is a crypto it's a fiat

1924

01:18:05,510 --> 01:18:02,520

currency it's a crypto right but we

1925

01:18:07,310 --> 01:18:05,520

wanna our crypto it's our crypto we want

1926

01:18:09,169 --> 01:18:07,320

to have control of it so what this is

1927

01:18:12,050 --> 01:18:09,179

about about to me the thing with China

1928

01:18:14,930 --> 01:18:12,060

and the thing with Russia is don't mess

1929

01:18:16,970 --> 01:18:14,940

with our crypto it's our crypto that

1930

01:18:20,030 --> 01:18:16,980

runs the world right now as long as we

1931

01:18:21,890 --> 01:18:20,040

can keep that in order so China stepped

1932

01:18:24,110 --> 01:18:21,900

out of line a little bit and it's just

1933

01:18:25,850 --> 01:18:24,120

pulling on the chain and going no you're

1934

01:18:28,430 --> 01:18:25,860

not going to do that and it's all CBS

1935

01:18:31,310 --> 01:18:28,440

they're going to wipe this all away and

1936

01:18:33,830 --> 01:18:31,320

well as long as as long as art crypto

1937

01:18:36,470 --> 01:18:33,840

comes out on top from a United States

1938

01:18:37,970 --> 01:18:36,480

standpoint these guys the guys we're

1939

01:18:40,250 --> 01:18:37,980

talking about that's what they care

1940

01:18:42,890 --> 01:18:40,260

about because if I see it the global

1941

01:18:46,310 --> 01:18:42,900

thing is kind of sh is kind of showing

1942

01:18:48,590 --> 01:18:46,320

how it doesn't it doesn't really fit I

1943

01:18:50,510 --> 01:18:48,600

mean Klaus Schwab is not really a

1944

01:18:53,950 --> 01:18:50,520

globalist he is working for the freaking

1945

01:18:58,010 --> 01:18:53,960

CIA is what he's doing

1946

01:19:01,130 --> 01:18:58,020

yeah this is a technocratic push to get

1947

01:19:02,930 --> 01:19:01,140

to a technology arms race as quickly as

1948

01:19:05,570 --> 01:19:02,940

possible really that's his technological

1949

01:19:07,189 --> 01:19:05,580

arms race we're in something that's been

1950

01:19:10,130 --> 01:19:07,199

going on for a long time

1951

01:19:12,470 --> 01:19:10,140

um once they once we got this is why the

1952

01:19:15,350 --> 01:19:12,480

atomic age was so important once we got

1953

01:19:17,810 --> 01:19:15,360

to that level of Technology it was a

1954

01:19:20,090 --> 01:19:17,820

real like signal to everybody in charge

1955

01:19:21,610 --> 01:19:20,100

that all of the rest of the stuff is

1956

01:19:23,630 --> 01:19:21,620

coming and very quickly because

1957

01:19:26,390 --> 01:19:23,640

technological growth is basically

1958

01:19:28,610 --> 01:19:26,400

exponential and if you can believe that

1959

01:19:31,130 --> 01:19:28,620

if you truly believe that the route

1960

01:19:33,350 --> 01:19:31,140

we're heading in 10 years is insane it's

1961

01:19:35,630 --> 01:19:33,360

in crazy what what where what we're

1962

01:19:39,950 --> 01:19:35,640

going towards now I'm really intrigued

1963

01:19:41,390 --> 01:19:39,960

to say and ask you well you know what do

1964

01:19:43,430 --> 01:19:41,400

you think we're going are we going

1965

01:19:45,530 --> 01:19:43,440

towards are we already at Quantum

1966

01:19:47,630 --> 01:19:45,540

enabled computer uh Computing are we

1967

01:19:49,970 --> 01:19:47,640

already at Quantum Computing I heard you

1968

01:19:52,430 --> 01:19:49,980

mentioned that on the on the higher side

1969

01:19:54,649 --> 01:19:52,440

chats and it's like I was like bro you

1970

01:19:56,689 --> 01:19:54,659

you have it so a qubit is the way we

1971

01:19:59,090 --> 01:19:56,699

measure Quantum Computing and they've

1972

01:20:01,010 --> 01:19:59,100

made exponential growth in that just

1973

01:20:02,990 --> 01:20:01,020

every month they're increasing it and

1974

01:20:06,070 --> 01:20:03,000

they say that a hundred qubit is more

1975

01:20:10,570 --> 01:20:06,080

powerful than all the super computers

1976

01:20:15,530 --> 01:20:13,550

every single crypto every single piece

1977

01:20:18,110 --> 01:20:15,540

of technology that they're about to

1978

01:20:22,370 --> 01:20:18,120

fight over every nuclear which just

1979

01:20:24,830 --> 01:20:22,380

becomes water well Johnny Johnny well

1980

01:20:26,390 --> 01:20:24,840

Johnny you you put your finger on it on

1981

01:20:29,390 --> 01:20:26,400

one of the Articles you wrote again

1982

01:20:33,950 --> 01:20:29,400

brilliant you brought this piece to the

1983

01:20:35,510 --> 01:20:33,960

front about how their first Which flies

1984

01:20:37,430 --> 01:20:35,520

under the radar no one was talking about

1985

01:20:40,669 --> 01:20:37,440

this you wrote this two years ago which

1986

01:20:43,910 --> 01:20:40,679

is security so right so the first thing

1987

01:20:46,550 --> 01:20:43,920

you want to do with your AI is hack

1988

01:20:47,950 --> 01:20:46,560

everybody else so you want to do promise

1989

01:20:52,550 --> 01:20:47,960

software

1990

01:20:54,649 --> 01:20:52,560

10.0 where now everyone has their pants

1991

01:20:56,149 --> 01:20:54,659

down and everyone can be looked at I'll

1992

01:20:57,830 --> 01:20:56,159

pull up that article for people after

1993

01:21:00,110 --> 01:20:57,840

the shows so they can see it but it's

1994

01:21:01,970 --> 01:21:00,120

phenomenal but then you take that you

1995

01:21:04,250 --> 01:21:01,980

know what what Elon has said and here's

1996

01:21:06,830 --> 01:21:04,260

another thing like I don't know what the

1997

01:21:08,390 --> 01:21:06,840

I don't know what to make of Elon but I

1998

01:21:12,350 --> 01:21:08,400

don't know how you read the Twitter

1999

01:21:14,930 --> 01:21:12,360

files as anything other than a step

2000

01:21:17,270 --> 01:21:14,940

forward I mean it's like there's no I

2001

01:21:18,430 --> 01:21:17,280

don't see the alternative motive play

2002

01:21:21,050 --> 01:21:18,440

there

2003

01:21:22,130 --> 01:21:21,060

let me put that aside let me put that

2004

01:21:24,709 --> 01:21:22,140

aside for a minute because I want to get

2005

01:21:26,030 --> 01:21:24,719

back to the to the AI thing what I sent

2006

01:21:28,689 --> 01:21:26,040

you and maybe I'll share this with

2007

01:21:31,790 --> 01:21:28,699

people is I did the chat GPT thing

2008

01:21:33,830 --> 01:21:31,800

and Johnny and it's like it's like a

2009

01:21:35,390 --> 01:21:33,840

joke it's like hilarious but what it

2010

01:21:38,510 --> 01:21:35,400

points out is something that Elon said

2011

01:21:41,330 --> 01:21:38,520

again I'm not a big Elon guy but you

2012

01:21:43,250 --> 01:21:41,340

gotta I think take take the complicated

2013

01:21:45,229 --> 01:21:43,260

aspects of people and stuff like that

2014

01:21:46,610 --> 01:21:45,239

but what Elon said is we're all going to

2015

01:21:49,669 --> 01:21:46,620

need our own AI

2016

01:21:54,229 --> 01:21:49,679

and I think he's right because chat GPT

2017

01:21:57,169 --> 01:21:54,239

is down the tank it is down the tank in

2018

01:21:58,970 --> 01:21:57,179

terms of its bias you type in chat GPT

2019

01:22:01,250 --> 01:21:58,980

and maybe I'll do this session and add

2020

01:22:03,169 --> 01:22:01,260

it to the video great reset

2021

01:22:05,090 --> 01:22:03,179

it's like I don't know you do chat

2022

01:22:06,590 --> 01:22:05,100

there's a classic one you do chat GPT

2023

01:22:08,990 --> 01:22:06,600

you will own nothing and you will be

2024

01:22:16,209 --> 01:22:09,000

happy chat GPT says

2025

01:22:20,510 --> 01:22:17,830

exactly

2026

01:22:21,649 --> 01:22:20,520

I mean you just I mean it's so it's so

2027

01:22:24,770 --> 01:22:21,659

transparent all you have to do is go

2028

01:22:26,990 --> 01:22:24,780

over to go over to uh Google and oh it's

2029

01:22:28,490 --> 01:22:27,000

like okay here it is Forbes you know

2030

01:22:30,410 --> 01:22:28,500

here it is where they tried to scrub it

2031

01:22:32,090 --> 01:22:30,420

the original Twitter post Wayback

2032

01:22:35,110 --> 01:22:32,100

machine but then interestingly enough

2033

01:22:38,689 --> 01:22:35,120

like I said you go over to uh chat Sonic

2034

01:22:40,970 --> 01:22:38,699

another Ai and type in the same thing

2035

01:22:42,830 --> 01:22:40,980

and it lays it all out it says oh this

2036

01:22:45,050 --> 01:22:42,840

is people were really upset about that

2037

01:22:48,110 --> 01:22:45,060

because you know it's orwellian and all

2038

01:22:50,810 --> 01:22:48,120

the rest so Elon looks pretty prophetic

2039

01:22:54,169 --> 01:22:50,820

there we're gonna need our own AI our

2040

01:22:56,090 --> 01:22:54,179

own machine learning to sort through the

2041

01:22:58,250 --> 01:22:56,100

completely controlled but if they're

2042

01:23:00,350 --> 01:22:58,260

that far ahead of the curve where

2043

01:23:03,590 --> 01:23:00,360

because the pitch they're making about

2044

01:23:06,229 --> 01:23:03,600

the machine learning chat GPT is that oh

2045

01:23:07,970 --> 01:23:06,239

it's it's out of control now it's just

2046

01:23:10,189 --> 01:23:07,980

you know doing its own thing well

2047

01:23:12,649 --> 01:23:10,199

apparently not I mean apparently they

2048

01:23:15,050 --> 01:23:12,659

can Reign it in and focus it to say what

2049

01:23:18,470 --> 01:23:15,060

they want it to say they can yeah they

2050

01:23:21,649 --> 01:23:18,480

can I I what we're seeing is lots of a

2051

01:23:25,630 --> 01:23:21,659

phenomenon all over the place that look

2052

01:23:29,090 --> 01:23:25,640

good look like the real thing

2053

01:23:31,130 --> 01:23:29,100

culture and Society no but I mean how it

2054

01:23:33,050 --> 01:23:31,140

acts and how it how it how it functions

2055

01:23:35,630 --> 01:23:33,060

looks like it's working that's the same

2056

01:23:37,610 --> 01:23:35,640

in culture as well as it is within

2057

01:23:39,590 --> 01:23:37,620

technology it's like mimicking all over

2058

01:23:41,930 --> 01:23:39,600

it seems like the bread and circuses

2059

01:23:43,970 --> 01:23:41,940

moment of a civilization that's where I

2060

01:23:47,090 --> 01:23:43,980

keep coming to the conclusion of we're

2061

01:23:49,970 --> 01:23:47,100

coming to the end of ideas for this

2062

01:23:52,490 --> 01:23:49,980

period of our human existence and we're

2063

01:23:54,590 --> 01:23:52,500

gonna need some other ideas if we're

2064

01:23:57,709 --> 01:23:54,600

gonna get over these

2065

01:23:59,149 --> 01:23:57,719

I doofus dicks I don't know whatever you

2066

01:24:03,290 --> 01:23:59,159

want to call them that are running

2067

01:24:06,950 --> 01:24:03,300

Society with Elon Musk I've gotta say

2068

01:24:09,530 --> 01:24:06,960

out loud I I there's parts of me that

2069

01:24:12,649 --> 01:24:09,540

like him and his part for me that hate

2070

01:24:15,229 --> 01:24:12,659

him but I can tell you if you think he's

2071

01:24:18,770 --> 01:24:15,239

a prophet it's only and this is to

2072

01:24:20,630 --> 01:24:18,780

everybody it's only because you haven't

2073

01:24:21,950 --> 01:24:20,640

read certain things that if you had

2074

01:24:23,510 --> 01:24:21,960

already read he'd be like oh yeah

2075

01:24:24,950 --> 01:24:23,520

someone else said that and someone else

2076

01:24:26,810 --> 01:24:24,960

said that someone else said that someone

2077

01:24:30,229 --> 01:24:26,820

else said that well he is very good at

2078

01:24:33,350 --> 01:24:30,239

is having people map out and game out

2079

01:24:35,630 --> 01:24:33,360

and think himself and analyze a

2080

01:24:38,090 --> 01:24:35,640

situation how it's going to plan and

2081

01:24:40,430 --> 01:24:38,100

play out eventually especially when it

2082

01:24:42,410 --> 01:24:40,440

comes to technology he understands right

2083

01:24:44,030 --> 01:24:42,420

under all that but but tell me this like

2084

01:24:45,770 --> 01:24:44,040

when we try and pin this stuff down and

2085

01:24:48,590 --> 01:24:45,780

this drives me nuts about the uh

2086

01:24:50,630 --> 01:24:48,600

conspiracy community and I'm not tagging

2087

01:24:52,970 --> 01:24:50,640

this at all on you but like one of my

2088

01:24:55,610 --> 01:24:52,980

goals is to kind of hold the conspiracy

2089

01:24:58,850 --> 01:24:55,620

Community accountable and not just go

2090

01:25:00,850 --> 01:24:58,860

into this oh Elon Musk oh did you see

2091

01:25:04,970 --> 01:25:00,860

this his parents

2092

01:25:09,770 --> 01:25:04,980

bro you know that was so bullshit what

2093

01:25:12,050 --> 01:25:09,780

could explain the Twitter files from uh

2094

01:25:14,090 --> 01:25:12,060

from a conspirator I don't see anything

2095

01:25:16,189 --> 01:25:14,100

okay here I don't see anything I tell

2096

01:25:18,410 --> 01:25:16,199

you I tell you I'll tell you I tell you

2097

01:25:21,470 --> 01:25:18,420

quite simply you've got a load of

2098

01:25:24,470 --> 01:25:21,480

information that you need out you've got

2099

01:25:25,850 --> 01:25:24,480

control of all and you're not Elon Musk

2100

01:25:28,910 --> 01:25:25,860

this isn't Elon Musk this is someone

2101  
01:25:30,950 --> 01:25:28,920  
else this is intelligence they are in

2102  
01:25:32,990 --> 01:25:30,960  
control of everything they've got their

2103  
01:25:35,510 --> 01:25:33,000  
their men in here they're men in there

2104  
01:25:38,930 --> 01:25:35,520  
they there they can pull a string here

2105  
01:25:40,370 --> 01:25:38,940  
pull a string there and they can they

2106  
01:25:43,130 --> 01:25:40,380  
get to a point where they end an

2107  
01:25:45,770 --> 01:25:43,140  
operation uh or an operation is is going

2108  
01:25:47,930 --> 01:25:45,780  
to be exposed they are looking at all

2109  
01:25:50,510 --> 01:25:47,940  
the chatter they see all of the chatter

2110  
01:25:53,209 --> 01:25:50,520  
all around telling them that this is

2111  
01:25:54,830 --> 01:25:53,219  
about to be exposed no one else has seen

2112  
01:25:56,750 --> 01:25:54,840  
that chapter because these guys are

2113  
01:25:58,970 --> 01:25:56,760

listening to lots of things and they

2114

01:26:01,790 --> 01:25:58,980

decide we can expose it in whichever way

2115

01:26:03,590 --> 01:26:01,800

we like but the best way would be to

2116

01:26:05,450 --> 01:26:03,600

flip the ownership of the company make

2117

01:26:07,550 --> 01:26:05,460

the people in the company that you want

2118

01:26:09,649 --> 01:26:07,560

to keep running look like the heroes by

2119

01:26:12,470 --> 01:26:09,659

releasing the information you kind of

2120

01:26:15,470 --> 01:26:12,480

whitewash it it goes out of it this

2121

01:26:17,870 --> 01:26:15,480

happens this is like intelligence resets

2122

01:26:20,570 --> 01:26:17,880

I feel feel this with Snowden as well

2123

01:26:23,510 --> 01:26:20,580

and I do feel this with Snowden that you

2124

01:26:26,149 --> 01:26:23,520

got to a point where snow that operation

2125

01:26:28,250 --> 01:26:26,159

needed was about to come out about to be

2126  
01:26:30,770 --> 01:26:28,260  
known and you needed to release it so

2127  
01:26:33,709 --> 01:26:30,780  
why not have somebody then you can put

2128  
01:26:35,270 --> 01:26:33,719  
out that then become Central to all of

2129  
01:26:37,010 --> 01:26:35,280  
these people who were looking over there

2130  
01:26:39,290 --> 01:26:37,020  
and not looking at what you're doing

2131  
01:26:42,229 --> 01:26:39,300  
next because these programs are always

2132  
01:26:44,570 --> 01:26:42,239  
stop gaps they always looking over there

2133  
01:26:46,850 --> 01:26:44,580  
no one's looking over there in a way

2134  
01:26:49,910 --> 01:26:46,860  
that's evidence for what I'm saying is

2135  
01:26:51,649 --> 01:26:49,920  
that uh you know they were people that

2136  
01:26:53,930 --> 01:26:51,659  
they're successful evidence that they're

2137  
01:26:56,030 --> 01:26:53,940  
successful you can't have it both ways

2138  
01:26:59,229 --> 01:26:56,040

you can't have it both ways you can't

2139

01:27:02,870 --> 01:26:59,239

come out in with Twitter files and just

2140

01:27:05,209 --> 01:27:02,880

verify what has been rumored for this

2141

01:27:11,350 --> 01:27:05,219

whole time which is the the fourth

2142

01:27:16,970 --> 01:27:14,450

all they're doing is saving Twitter as

2143

01:27:18,709 --> 01:27:16,980

an entity by having the people but it

2144

01:27:20,689 --> 01:27:18,719

wasn't about to push down really quickly

2145

01:27:22,490 --> 01:27:20,699

the the revelations really weren't about

2146

01:27:25,850 --> 01:27:22,500

Twitter they were about Google Facebook

2147

01:27:27,830 --> 01:27:25,860

and how they all work in content what's

2148

01:27:29,689 --> 01:27:27,840

happened what's happened about Google or

2149

01:27:32,990 --> 01:27:29,699

Facebook or nothing the rest of them

2150

01:27:34,729 --> 01:27:33,000

yeah and and unless they decide that

2151  
01:27:36,470 --> 01:27:34,739  
that point has ended and they need to

2152  
01:27:39,229 --> 01:27:36,480  
refresh it and they have someone else

2153  
01:27:41,990 --> 01:27:39,239  
come in and it's like a rebranding so

2154  
01:27:43,970 --> 01:27:42,000  
all I see with Elon Musk buying Twitter

2155  
01:27:47,030 --> 01:27:43,980  
all of a sudden doing the Twitter files

2156  
01:27:50,810 --> 01:27:47,040  
everybody knows all the truth Matt taibi

2157  
01:27:52,669 --> 01:27:50,820  
and advice their their Heroes it's all a

2158  
01:27:55,550 --> 01:27:52,679  
narrative that you've chosen I mean

2159  
01:27:59,450 --> 01:27:55,560  
taibi he's a guy who just like hates the

2160  
01:28:02,450 --> 01:27:59,460  
conspiracy world he hates a-e-pe he's

2161  
01:28:05,390 --> 01:28:02,460  
he's not on uh the side of the people in

2162  
01:28:07,129 --> 01:28:05,400  
my opinion uh maybe maybe but what take

2163  
01:28:09,830 --> 01:28:07,139

your other thing I mean let's say let's

2164

01:28:11,570 --> 01:28:09,840

say Elon does want to conquer the world

2165

01:28:13,370 --> 01:28:11,580

from a business standpoint which he

2166

01:28:15,709 --> 01:28:13,380

clearly does I mean he's he works

2167

01:28:17,110 --> 01:28:15,719

incredibly hard at Tesla and has made

2168

01:28:18,890 --> 01:28:17,120

unbelievable a lot of Technology

2169

01:28:20,149 --> 01:28:18,900

breakthroughs with that company and I

2170

01:28:22,250 --> 01:28:20,159

think it's total [h\_\_h] I don't know

2171

01:28:26,770 --> 01:28:22,260

why anyone would drive into him given to

2172

01:28:35,770 --> 01:28:30,189

like look I'm not a Twitter I'm not a a

2173

01:28:37,610 --> 01:28:35,780

Elon guy I don't but you know PhD PhD

2174

01:28:40,729 --> 01:28:37,620

undergraduate degree physics

2175

01:28:43,550 --> 01:28:40,739

undergraduate a business degree uh from

2176

01:28:45,530 --> 01:28:43,560

Penn uh you know he's not a slouch guy

2177

01:28:48,129 --> 01:28:45,540

studying uh Stanford there's something

2178

01:28:52,790 --> 01:28:48,139

there there's something now

2179

01:28:55,689 --> 01:28:52,800

right Stanford he drops out he drops he

2180

01:28:58,610 --> 01:28:55,699

drops out of a freaking PhD program

2181

01:29:00,290 --> 01:28:58,620

no I know he dropped out but what's

2182

01:29:03,110 --> 01:29:00,300

really interesting around that that

2183

01:29:05,270 --> 01:29:03,120

phase is that it there's like a couple

2184

01:29:07,250 --> 01:29:05,280

of years which you don't get to see what

2185

01:29:08,750 --> 01:29:07,260

he's done or you have no evidence of

2186

01:29:10,790 --> 01:29:08,760

what he's done like no one has any

2187

01:29:13,129 --> 01:29:10,800

evidence and I looked through a load of

2188

01:29:14,750 --> 01:29:13,139

Articles and I found that saying that he

2189

01:29:16,129 --> 01:29:14,760

had worked for Microsoft during that

2190

01:29:18,350 --> 01:29:16,139

time and I found a couple of rumors

2191

01:29:19,970 --> 01:29:18,360

about what people have said but there

2192

01:29:23,450 --> 01:29:19,980

was loads of Microsoft leadership

2193

01:29:26,450 --> 01:29:23,460

programs going and Elon Musk right he's

2194

01:29:29,209 --> 01:29:26,460

not in saying that he's probably not out

2195

01:29:31,729 --> 01:29:29,219

for the best interest of humanity uh

2196

01:29:34,729 --> 01:29:31,739

isn't necessarily saying he's not an

2197

01:29:36,470 --> 01:29:34,739

intelligent guy a super high functioning

2198

01:29:39,530 --> 01:29:36,480

intelligence that I can't quite

2199

01:29:40,910 --> 01:29:39,540

understand in in his realm and he

2200

01:29:43,370 --> 01:29:40,920

doesn't have a place what would be the

2201  
01:29:46,689 --> 01:29:43,380  
best interest of humanity I mean that's

2202  
01:29:49,370 --> 01:29:46,699  
back to Kissinger is is uh

2203  
01:29:52,550 --> 01:29:49,380  
Mutual nuclear destruction in the best

2204  
01:29:55,189 --> 01:29:52,560  
interest of humanity uh Kissinger kind

2205  
01:29:58,310 --> 01:29:55,199  
of convinces well it maybe is is in a

2206  
01:30:00,709 --> 01:29:58,320  
Twisted way it kind of is I I just think

2207  
01:30:02,209 --> 01:30:00,719  
that this is the conspiracy stuff that

2208  
01:30:04,910 --> 01:30:02,219  
kind of drives me nuts I don't know what

2209  
01:30:09,229 --> 01:30:04,920  
to make of Elon Musk but the openness

2210  
01:30:11,629 --> 01:30:09,239  
the two that's Brandon's PR he's

2211  
01:30:15,590 --> 01:30:11,639  
but it's real but it's real he turns

2212  
01:30:17,209 --> 01:30:15,600  
down the deception to 96 97-98 his

2213  
01:30:19,070 --> 01:30:17,219

mother's working heavily on other

2214

01:30:20,810 --> 01:30:19,080

people's branding and at the same time

2215

01:30:22,430 --> 01:30:20,820

her company's working for her son's

2216

01:30:24,950 --> 01:30:22,440

working for a very successful company

2217

01:30:27,709 --> 01:30:24,960

that's gonna that's projected to be able

2218

01:30:29,209 --> 01:30:27,719

to be sold for lots of money so he's in

2219

01:30:31,370 --> 01:30:29,219

a situation where he needs all of that

2220

01:30:33,470 --> 01:30:31,380

branding help and she's very good at

2221

01:30:36,290 --> 01:30:33,480

that she's very good at that and he's

2222

01:30:38,390 --> 01:30:36,300

coming he turned from being this geeky

2223

01:30:40,370 --> 01:30:38,400

guy in school with some of the pictures

2224

01:30:42,649 --> 01:30:40,380

you see of him is like he's like Super

2225

01:30:44,990 --> 01:30:42,659

Geek it's beautiful it's like almost

2226

01:30:47,330 --> 01:30:45,000

it's almost like someone's who's drawn a

2227

01:30:49,310 --> 01:30:47,340

character of him yeah like of what you'd

2228

01:30:50,270 --> 01:30:49,320

expect a guy like that to be like Bill

2229

01:30:52,790 --> 01:30:50,280

Gates

2230

01:30:56,990 --> 01:30:52,800

um yeah yeah but but he he really does

2231

01:31:00,290 --> 01:30:57,000

have this uh carefully crafted Persona

2232

01:31:02,510 --> 01:31:00,300

there's so well it's so well forced I

2233

01:31:05,450 --> 01:31:02,520

mean yes and it's it's it's really

2234

01:31:07,090 --> 01:31:05,460

nuanced and slight but it's not

2235

01:31:09,430 --> 01:31:07,100

definitely together

2236

01:31:12,830 --> 01:31:09,440

you can go watch

2237

01:31:14,629 --> 01:31:12,840

Joe Rogan and and you can watch him a

2238

01:31:17,149 --> 01:31:14,639

million other places he'll conveniently

2239

01:31:20,950 --> 01:31:17,159

smoke a blunt on there to show his

2240

01:31:27,290 --> 01:31:24,649

I get I get the cynicism I totally get

2241

01:31:31,250 --> 01:31:27,300

the citizen cynicism I understand it but

2242

01:31:33,050 --> 01:31:31,260

the fact that we in the United States we

2243

01:31:34,270 --> 01:31:33,060

had the we had the president of the

2244

01:31:37,250 --> 01:31:34,280

United States

2245

01:31:39,709 --> 01:31:37,260

de-platformed from Twitter do you

2246

01:31:41,930 --> 01:31:39,719

realize what a total mind [h\_\_h] that is

2247

01:31:44,090 --> 01:31:41,940

to is people still can't wrap their head

2248

01:31:46,129 --> 01:31:44,100

around you're gonna say you're gonna say

2249

01:31:49,370 --> 01:31:46,139

it's the end of an operation I'm going

2250

01:31:51,350 --> 01:31:49,380

to say uh it's it's it's I don't see the

2251

01:31:53,510 --> 01:31:51,360

purpose of ending that operation the end

2252

01:31:55,669 --> 01:31:53,520

of an operation it's the start of a new

2253

01:31:57,770 --> 01:31:55,679

operation is what I'm saying it's not

2254

01:32:01,370 --> 01:31:57,780

the end of an operation that operation

2255

01:32:04,189 --> 01:32:01,380

is run really up above by exactly the

2256

01:32:06,350 --> 01:32:04,199

same people the Elon Musk gets his

2257

01:32:07,790 --> 01:32:06,360

contracts gets his tax breaks because

2258

01:32:09,770 --> 01:32:07,800

he's working with the Department of

2259

01:32:12,169 --> 01:32:09,780

Defense he's working for the people and

2260

01:32:14,149 --> 01:32:12,179

he knows they're powerful enough to pick

2261

01:32:16,070 --> 01:32:14,159

him out and throw him in the ocean and

2262

01:32:18,770 --> 01:32:16,080

he'll net he'll be remembered in the

2263

01:32:20,450 --> 01:32:18,780

footnotes of history but that's all all

2264

01:32:23,330 --> 01:32:20,460

where he'll be we'll be able to make his

2265

01:32:25,370 --> 01:32:23,340

is but it's all look at his style look

2266

01:32:27,110 --> 01:32:25,380

at the way he's been built he's turned

2267

01:32:29,930 --> 01:32:27,120

from something to something really

2268

01:32:32,090 --> 01:32:29,940

strange and significant that the whole

2269

01:32:34,189 --> 01:32:32,100

world should take notice of and I find

2270

01:32:37,310 --> 01:32:34,199

it really I'm drawn to both the the

2271

01:32:40,910 --> 01:32:37,320

figures of cloud Schwab and him as being

2272

01:32:43,189 --> 01:32:40,920

the same Cut From the Same Cloth at two

2273

01:32:44,570 --> 01:32:43,199

separate points in two separate eras

2274

01:32:46,370 --> 01:32:44,580

like two separate points in their

2275

01:32:48,709 --> 01:32:46,380

history so Clive Schwab's coming to the

2276

01:32:51,050 --> 01:32:48,719

end of his technocratic Arena and during

2277

01:32:52,850 --> 01:32:51,060

that era it looked like that and I see

2278

01:32:54,830 --> 01:32:52,860

musk and the new technocrats and the

2279

01:32:56,990 --> 01:32:54,840

building of the mega City being in the

2280

01:32:59,870 --> 01:32:57,000

next era and that's going to be people

2281

01:33:03,010 --> 01:32:59,880

who are really they don't care about you

2282

01:33:08,570 --> 01:33:05,990

of course and they will jump through you

2283

01:33:10,910 --> 01:33:08,580

yeah what we're gonna we're gonna wrap

2284

01:33:13,090 --> 01:33:10,920

this up if there's any way you can do

2285

01:33:16,669 --> 01:33:13,100

this again we should do it again

2286

01:33:19,070 --> 01:33:16,679

hey when one of the things is is I've

2287

01:33:21,890 --> 01:33:19,080

already seen positive change and I was

2288

01:33:25,310 --> 01:33:21,900

expecting to see positive change but I I

2289

01:33:28,310 --> 01:33:25,320

see it as also coins okay but they can

2290

01:33:31,189 --> 01:33:28,320

they they're also coins thrown by a guy

2291

01:33:35,090 --> 01:33:31,199

passing in a carriage grab them in a

2292

01:33:38,510 --> 01:33:35,100

space Carriage hey hey the solution is

2293

01:33:40,010 --> 01:33:38,520

this process of truth that you talked

2294

01:33:42,410 --> 01:33:40,020

about from the very beginning when you

2295

01:33:45,410 --> 01:33:42,420

come down from the the hills with the

2296

01:33:48,290 --> 01:33:45,420

shrooms it's truth and I think truth is

2297

01:33:49,970 --> 01:33:48,300

spiritual I think doubt is spiritual

2298

01:33:52,610 --> 01:33:49,980

um and I think we're all on this

2299

01:33:54,770 --> 01:33:52,620

spiritual journey and I think because of

2300

01:33:56,930 --> 01:33:54,780

my research because the science that

2301

01:33:59,390 --> 01:33:56,940

we're all going to

2302

01:34:00,950 --> 01:33:59,400

judge ourselves at some point so we

2303

01:34:02,750 --> 01:34:00,960

don't need to worry about some mean God

2304

01:34:04,370 --> 01:34:02,760

judging us we are going to judge

2305

01:34:05,629 --> 01:34:04,380

ourselves with this this life will end

2306

01:34:07,310 --> 01:34:05,639

and our Consciousness will continue

2307

01:34:09,350 --> 01:34:07,320

because that's what the evidence says

2308

01:34:11,750 --> 01:34:09,360

and it's said forever every wisdom

2309

01:34:13,790 --> 01:34:11,760

tradition throughout time and recently

2310

01:34:15,470 --> 01:34:13,800

they've tried to refigure it no it maybe

2311

01:34:18,350 --> 01:34:15,480

it doesn't maybe you need to be up in

2312

01:34:20,450 --> 01:34:18,360

the Silicon no freaking go talk to every

2313

01:34:22,610 --> 01:34:20,460

wisdom tradition forever your

2314

01:34:24,410 --> 01:34:22,620

Consciousness doesn't end with death and

2315

01:34:25,910 --> 01:34:24,420

there's something I'm completely down

2316

01:34:28,070 --> 01:34:25,920

with that I'm completely done with that

2317

01:34:30,410 --> 01:34:28,080

man I I believe I believe it just keeps

2318

01:34:32,209 --> 01:34:30,420

going I believe this I I believe there's

2319

01:34:34,970 --> 01:34:32,219

a whole load of energy just flying

2320

01:34:37,129 --> 01:34:34,980

around place and we've got eyes to see

2321

01:34:39,530 --> 01:34:37,139

things and we've got a body to feel

2322

01:34:40,729 --> 01:34:39,540

things and all of this but see if we

2323

01:34:42,169 --> 01:34:40,739

can't do anything about all of the

2324

01:34:44,209 --> 01:34:42,179

energy all around the place and it all

2325

01:34:47,209 --> 01:34:44,219

means different things okay I tell you

2326

01:34:49,070 --> 01:34:47,219

what let's let's wrap this up would you

2327

01:34:50,689 --> 01:34:49,080

think about would you think about that

2328

01:34:52,910 --> 01:34:50,699

how to take

2329

01:34:55,850 --> 01:34:52,920

what you guys are doing

2330

01:34:57,530 --> 01:34:55,860

and let's test it Twitter says we're

2331

01:35:00,410 --> 01:34:57,540

open now we're open for business

2332

01:35:02,090 --> 01:35:00,420

everyone can get this we're no more

2333

01:35:04,250 --> 01:35:02,100

d-platform we're no more playing this

2334

01:35:07,729 --> 01:35:04,260

cat and mouse game on YouTube oh don't

2335

01:35:10,430 --> 01:35:07,739

say that word no Elon says the door is

2336

01:35:13,430 --> 01:35:10,440

open let's walk through the door what do

2337

01:35:15,590 --> 01:35:13,440

we need to do that yeah I I've been

2338

01:35:18,970 --> 01:35:15,600

feeling I've been feeling I've been I I

2339

01:35:23,090 --> 01:35:18,980

tried to that all the time I try I'm I I

2340

01:35:25,070 --> 01:35:23,100

I I don't know how far to push it I

2341

01:35:27,709 --> 01:35:25,080

think the way to do it is to be up front

2342

01:35:30,470 --> 01:35:27,719

and saying we're testing whether or not

2343

01:35:32,510 --> 01:35:30,480

the gates are open you said the gates

2344

01:35:34,729 --> 01:35:32,520

are open here's the truth and we can

2345

01:35:39,410 --> 01:35:34,739

just start all the stuff you've done

2346

01:35:43,129 --> 01:35:39,420

tell me what what we need to take

2347

01:35:46,129 --> 01:35:43,139

unlimited Hangout to Twitter on the next

2348

01:35:47,810 --> 01:35:46,139

level and run ads and say

2349

01:35:49,250 --> 01:35:47,820

well that'd be interesting that'd be

2350

01:35:51,290 --> 01:35:49,260

I'll have to talk to Whitney but yeah

2351  
01:35:53,350 --> 01:35:51,300  
well that would be interesting because I

2352  
01:35:55,669 --> 01:35:53,360  
mean

2353  
01:35:56,930 --> 01:35:55,679  
I don't even know what the internet's

2354  
01:36:00,830 --> 01:35:56,940  
going to look like in a couple of years

2355  
01:36:03,290 --> 01:36:00,840  
time so I mean most of the time we we

2356  
01:36:06,110 --> 01:36:03,300  
spend we spend research in most of the

2357  
01:36:07,910 --> 01:36:06,120  
free time we got uh we've spent research

2358  
01:36:11,810 --> 01:36:07,920  
and all the rest of the time we exactly

2359  
01:36:13,729 --> 01:36:11,820  
the kids so we we we are uh looking at

2360  
01:36:16,189 --> 01:36:13,739  
taking a bit of time off in February but

2361  
01:36:18,890 --> 01:36:16,199  
that is something focusing on getting

2362  
01:36:21,590 --> 01:36:18,900  
stuff out that really cuts through

2363  
01:36:24,410 --> 01:36:21,600

it would be something that I really need

2364

01:36:26,870 --> 01:36:24,420

to I need to get right but we I mean

2365

01:36:29,689 --> 01:36:26,880

though the figures is that everybody's

2366

01:36:32,450 --> 01:36:29,699

gotta get together on this there's going

2367

01:36:34,910 --> 01:36:32,460

to be two the signs will become more and

2368

01:36:36,530 --> 01:36:34,920

more polarized it will be truthful or it

2369

01:36:38,750 --> 01:36:36,540

will be lies you won't have another

2370

01:36:40,610 --> 01:36:38,760

option and by the end of it everybody

2371

01:36:42,709 --> 01:36:40,620

will know which side you're on

2372

01:36:45,530 --> 01:36:42,719

okay you're awesome we'll be in touch

2373

01:36:47,330 --> 01:36:45,540

awesome man see you soon see you later

2374

01:36:49,370 --> 01:36:47,340

thanks again to Johnny vedmore for

2375

01:36:50,530 --> 01:36:49,380

joining me today on skeptico check out

2376

01:36:54,470 --> 01:36:50,540

his website

2377

01:36:57,350 --> 01:36:54,480

johnnyvedmore.com I have I'll never have

2378

01:37:00,229 --> 01:36:57,360

interviews coming up related to this

2379

01:37:03,530 --> 01:37:00,239

topic it's been quite an interesting

2380

01:37:06,470 --> 01:37:03,540

little journey down this path very much

2381

01:37:09,290 --> 01:37:06,480

in keeping with the skeptical reboot

2382

01:37:12,530 --> 01:37:09,300

thing I'm just kind of following the

2383

01:37:15,050 --> 01:37:12,540

data in following the deception and

2384

01:37:18,470 --> 01:37:15,060

let's see if you enjoy

2385

01:37:22,250 --> 01:37:18,480

where it takes us for the ride so that's

2386

01:37:24,260 --> 01:37:22,260

it for now until next time take care bye
