

**GREAT RESET
RIGHT ACTION**

#581 MARK GOBER

SK=PTIKO
science & spirituality

1
00:00:10,310 --> 00:00:08,270
um this episode is skeptico a show about

2
00:00:12,950 --> 00:00:10,320
feeling out of place

3
00:00:15,049 --> 00:00:12,960
Central pay Dubai we've we've done our

4
00:00:18,590 --> 00:00:15,059
fair share of travel when I tell you I

5
00:00:20,029 --> 00:00:18,600
have never in my life seen a city with

6
00:00:23,450 --> 00:00:20,039
this level

7
00:00:26,450 --> 00:00:23,460
of of wealth the cheapest cheeseburger

8
00:00:29,029 --> 00:00:26,460
is like 86 you cannot get a cheeseburger

9
00:00:31,930 --> 00:00:29,039
for less than 80 bucks love sandwiches

10
00:00:36,049 --> 00:00:31,940
75 a coffee is 25

11
00:00:38,630 --> 00:00:36,059
and when that might not be a bad thing

12
00:00:41,030 --> 00:00:38,640
there's a certain tone deafness to

13
00:00:43,369 --> 00:00:41,040

people who hang out in Davos Switzerland

14

00:00:45,170 --> 00:00:43,379

and eat fifty dollar hamburgers I've

15

00:00:48,590 --> 00:00:45,180

heard about Davos and it was this idea

16

00:00:49,790 --> 00:00:48,600

of you're an influential person and this

17

00:00:51,830 --> 00:00:49,800

is a place where people are going to

18

00:00:53,090 --> 00:00:51,840

help the world back to your earlier

19

00:00:55,150 --> 00:00:53,100

point you know of course they're being

20

00:00:57,650 --> 00:00:55,160

deceptive of course they're being

21

00:00:59,990 --> 00:00:57,660

elitist of course they think that the

22

00:01:03,770 --> 00:01:00,000

Sheep need to be herded they're so

23

00:01:05,929 --> 00:01:03,780

beyond that it's second nature to them I

24

00:01:09,530 --> 00:01:05,939

think it's more helpful to switch to

25

00:01:12,649 --> 00:01:09,540

Kissinger because I think you can always

26

00:01:15,410 --> 00:01:12,659

understand Klaus Schwab but

27

00:01:17,990 --> 00:01:15,420

understanding Henry Kissinger that first

28

00:01:20,570 --> 00:01:18,000

clip was from the Logan Paul gang on

29

00:01:23,210 --> 00:01:20,580

their trip to Davos the second was from

30

00:01:26,390 --> 00:01:23,220

today's guest Mark Gober returning guest

31

00:01:28,010 --> 00:01:26,400

with his new book and end to the upside

32

00:01:30,230 --> 00:01:28,020

down reset

33

00:01:32,450 --> 00:01:30,240

welcome to skeptico where we explore

34

00:01:35,450 --> 00:01:32,460

controversial science and spirituality

35

00:01:37,490 --> 00:01:35,460

with leading researchers thinkers and

36

00:01:40,850 --> 00:01:37,500

their critics I'm your host Alexa

37

00:01:44,690 --> 00:01:40,860

Garrison today we welcome Mark Gober

38

00:01:48,289 --> 00:01:44,700

back to skeptico Mark keeps cranking out

39

00:01:51,830 --> 00:01:48,299

these fantastic books in his upside down

40

00:01:55,310 --> 00:01:51,840

series and I just keep having him back

41

00:01:58,190 --> 00:01:55,320

because they're so good every time I run

42

00:02:02,649 --> 00:01:58,200

across one of them and the last one and

43

00:02:05,209 --> 00:02:02,659

end to upside down reset is no exception

44

00:02:07,609 --> 00:02:05,219

and Mark it's great to have you back

45

00:02:09,469 --> 00:02:07,619

thanks for joining me here on skeptico

46

00:02:11,330 --> 00:02:09,479

Alex thank you thank you so much for

47

00:02:12,770 --> 00:02:11,340

having me back it's always fun chatting

48

00:02:16,250 --> 00:02:12,780

with you and I'm looking forward to this

49

00:02:18,110 --> 00:02:16,260

topic well this topic as it turns out

50

00:02:21,650 --> 00:02:18,120

this is almost like

51
00:02:24,650 --> 00:02:21,660
to me it's a model for this skeptical

52
00:02:27,589 --> 00:02:24,660
reboot thing you know and I don't know

53
00:02:30,710 --> 00:02:27,599
exactly how this conversation is going

54
00:02:32,990 --> 00:02:30,720
to go because I guess we should fill

55
00:02:35,690 --> 00:02:33,000
people in a little bit I actually did a

56
00:02:37,610 --> 00:02:35,700
pretty extensive pre-interview with you

57
00:02:38,990 --> 00:02:37,620
that was really great and we really

58
00:02:41,690 --> 00:02:39,000
talked about

59
00:02:43,850 --> 00:02:41,700
this topic of the great reset but then

60
00:02:45,770 --> 00:02:43,860
we talked about a lot of other things in

61
00:02:47,509 --> 00:02:45,780
terms of well particularly what

62
00:02:50,990 --> 00:02:47,519
connected me from a skeptical

63
00:02:54,229 --> 00:02:51,000

perspective to this book and your

64

00:02:56,030 --> 00:02:54,239

perspective on this topic and and then

65

00:02:57,949 --> 00:02:56,040

from there uh we scheduled the interview

66

00:02:59,270 --> 00:02:57,959

and I said wait wait I got in the middle

67

00:03:00,949 --> 00:02:59,280

I said wait you know there's a couple

68

00:03:03,410 --> 00:03:00,959

more interviews I'd like to do before we

69

00:03:05,869 --> 00:03:03,420

do that I'd like to go interview Johnny

70

00:03:08,030 --> 00:03:05,879

vedmore who's done this incredible

71

00:03:10,670 --> 00:03:08,040

series along with Whitney Webb on

72

00:03:13,970 --> 00:03:10,680

unlimited hangout on

73

00:03:16,250 --> 00:03:13,980

the Schwab family and on all this stuff

74

00:03:18,470 --> 00:03:16,260

related to this fantastic work

75

00:03:21,110 --> 00:03:18,480

interviewed him and then I said Hey in

76
00:03:23,750 --> 00:03:21,120
Charlie Robinson he's done some great

77
00:03:26,809 --> 00:03:23,760
work and the octopus of global control

78
00:03:29,630 --> 00:03:26,819
fits into this as does some of his worst

79
00:03:32,149 --> 00:03:29,640
recent work on Aspen Institute and all

80
00:03:36,229 --> 00:03:32,159
this globalist agenda stuff that's going

81
00:03:39,470 --> 00:03:36,239
on so I wanted to do all that

82
00:03:42,050 --> 00:03:39,480
mainly is kind of a result of us having

83
00:03:44,509 --> 00:03:42,060
that initial conversation where I think

84
00:03:46,430 --> 00:03:44,519
we both felt like you know maybe we were

85
00:03:48,530 --> 00:03:46,440
really troubled with this topic but we

86
00:03:50,630 --> 00:03:48,540
were kind of coming at it from a

87
00:03:53,990 --> 00:03:50,640
different perspective that we hadn't

88
00:03:56,390 --> 00:03:54,000

heard many other people talk about so

89

00:03:58,850 --> 00:03:56,400

I just want to have a very

90

00:04:01,729 --> 00:03:58,860

kind of freewheeling conversation about

91

00:04:03,530 --> 00:04:01,739

that and uh I know you're open to that

92

00:04:06,350 --> 00:04:03,540

because whenever we do we have really

93

00:04:09,229 --> 00:04:06,360

great conversations so I'd start just by

94

00:04:11,690 --> 00:04:09,239

saying I guess we have to start with

95

00:04:14,750 --> 00:04:11,700

kind of some definitional things and

96

00:04:18,710 --> 00:04:14,760

some basic things you wrote This Book

97

00:04:21,590 --> 00:04:18,720

and into the upside down reset

98

00:04:24,170 --> 00:04:21,600

thumbnail sketch what's it about

99

00:04:26,210 --> 00:04:24,180

it looks at the great reset which is the

100

00:04:28,430 --> 00:04:26,220

world economic forum's vision for

101
00:04:29,810 --> 00:04:28,440
society and one of the reasons I felt

102
00:04:31,670 --> 00:04:29,820
comfortable writing this book is that I

103
00:04:33,469 --> 00:04:31,680
didn't have to invoke conspiracy theory

104
00:04:34,909 --> 00:04:33,479
because they've written about this

105
00:04:37,730 --> 00:04:34,919
extensively they've talked about it

106
00:04:40,310 --> 00:04:37,740
extensively in June of 2020 Klaus Schwab

107
00:04:42,490 --> 00:04:40,320
and Thierry Mallory class Schwab is the

108
00:04:44,990 --> 00:04:42,500
head of the world economic forum and

109
00:04:48,170 --> 00:04:45,000
they published a book covid-19 The Great

110
00:04:50,450 --> 00:04:48,180
reset which goes through what covid-19

111
00:04:52,689 --> 00:04:50,460
meant in terms of being able to reset

112
00:04:55,430 --> 00:04:52,699
the world and they they saw

113
00:04:57,110 --> 00:04:55,440

an opportunity to implement many ideas

114

00:04:58,430 --> 00:04:57,120

that had been in place for a while and

115

00:05:02,210 --> 00:04:58,440

then there's a subsequent book The Great

116

00:05:04,550 --> 00:05:02,220

narrative so in my book I examine what

117

00:05:06,530 --> 00:05:04,560

is stated what's the stated vision and I

118

00:05:08,030 --> 00:05:06,540

break it down into six categories they

119

00:05:09,409 --> 00:05:08,040

don't do it in this way but as I

120

00:05:10,909 --> 00:05:09,419

evaluated all the things that have been

121

00:05:13,430 --> 00:05:10,919

said I wanted to create this framework

122

00:05:15,350 --> 00:05:13,440

for myself but also for others to then

123

00:05:17,390 --> 00:05:15,360

evaluate future events so the six

124

00:05:19,610 --> 00:05:17,400

categories so hold on before you go into

125

00:05:21,230 --> 00:05:19,620

those six categories total Normie

126

00:05:24,050 --> 00:05:21,240

question and I don't want to do with a

127

00:05:25,790 --> 00:05:24,060

lot of army stuff because I want to dive

128

00:05:28,310 --> 00:05:25,800

deeper than that but neither do I want

129

00:05:30,290 --> 00:05:28,320

to just lay out a bunch of facts that

130

00:05:33,350 --> 00:05:30,300

everyone kind of knows and it's almost

131

00:05:35,270 --> 00:05:33,360

like the Normie perspective needs to be

132

00:05:37,129 --> 00:05:35,280

heard here because that's where I think

133

00:05:40,430 --> 00:05:37,139

we're really going to go with this is

134

00:05:43,310 --> 00:05:40,440

you talk to uh number one I talk to

135

00:05:46,010 --> 00:05:43,320

people about the great reset

136

00:05:49,070 --> 00:05:46,020

most the time I get a Blank Stare right

137

00:05:52,790 --> 00:05:49,080

and these are educated uh people who

138

00:05:55,490 --> 00:05:52,800

know stuff and are you know in in this

139

00:05:57,710 --> 00:05:55,500

world and in business and they're like

140

00:05:59,749 --> 00:05:57,720

this and then when you explain it to

141

00:06:00,710 --> 00:05:59,759

them a lot of times what they'll do is

142

00:06:02,930 --> 00:06:00,720

go

143

00:06:05,390 --> 00:06:02,940

well what's so wrong with that I mean

144

00:06:07,909 --> 00:06:05,400

don't we have Global problems that we

145

00:06:10,670 --> 00:06:07,919

have to address and haven't we always

146

00:06:13,070 --> 00:06:10,680

had people that are looking at things at

147

00:06:15,950 --> 00:06:13,080

this kind of bigger level that that

148

00:06:20,810 --> 00:06:15,960

Ordinary People and even governments

149

00:06:24,290 --> 00:06:20,820

can't so Mark why are you agitated why

150

00:06:25,790 --> 00:06:24,300

are people like me agitated with the

151
00:06:27,529 --> 00:06:25,800
great reset

152
00:06:29,150 --> 00:06:27,539
I'm glad you mentioned that Alex because

153
00:06:31,010 --> 00:06:29,160
I've talked to some very intelligent

154
00:06:32,510 --> 00:06:31,020
people in high-powered positions who

155
00:06:33,650 --> 00:06:32,520
have not heard of the great reset maybe

156
00:06:35,390 --> 00:06:33,660
they've heard of the world economic

157
00:06:37,730 --> 00:06:35,400
Forum but they again they don't see

158
00:06:39,469 --> 00:06:37,740
problems with the idea of powerful

159
00:06:41,570 --> 00:06:39,479
people getting together to try to help

160
00:06:43,730 --> 00:06:41,580
the world and I'm not convinced that

161
00:06:45,650 --> 00:06:43,740
everyone involved in the great reset has

162
00:06:47,749 --> 00:06:45,660
a nefarious intent I think many of them

163
00:06:49,370 --> 00:06:47,759

think they're helping but the reason

164

00:06:51,170 --> 00:06:49,380

that I'm agitated and that many others

165

00:06:52,969 --> 00:06:51,180

get agitated is that

166

00:06:54,409 --> 00:06:52,979

the things that they talk about even

167

00:06:56,450 --> 00:06:54,419

though they might have a veneer of

168

00:06:59,029 --> 00:06:56,460

compassion it's out of you know this is

169

00:07:00,529 --> 00:06:59,039

for the common good the results might

170

00:07:03,770 --> 00:07:00,539

not be so good so they're talking about

171

00:07:05,409 --> 00:07:03,780

things like centralized power uh more

172

00:07:08,210 --> 00:07:05,419

Global control

173

00:07:09,529 --> 00:07:08,220

technological surveillance transhumanism

174

00:07:12,110 --> 00:07:09,539

metaverse

175

00:07:14,029 --> 00:07:12,120

those sorts of things which could spiral

176
00:07:16,070 --> 00:07:14,039
in a very negative Direction and given

177
00:07:17,809 --> 00:07:16,080
what we've seen starting in 2020 but

178
00:07:19,969 --> 00:07:17,819
probably even before that it was it

179
00:07:22,370 --> 00:07:19,979
became very clear in 2020

180
00:07:25,189 --> 00:07:22,380
um where Global government started to

181
00:07:26,749 --> 00:07:25,199
control citizens much more that I view

182
00:07:29,150 --> 00:07:26,759
these things now as a much more serious

183
00:07:31,790 --> 00:07:29,160
threat you know and I jump in there

184
00:07:33,070 --> 00:07:31,800
again because I'd say you just made a

185
00:07:35,510 --> 00:07:33,080
transition

186
00:07:37,850 --> 00:07:35,520
that should be troubling to people

187
00:07:39,230 --> 00:07:37,860
because it's like this is a part of the

188
00:07:43,249 --> 00:07:39,240

game that's played over and over again

189

00:07:46,249 --> 00:07:43,259

which is like since when does solving

190

00:07:51,790 --> 00:07:46,259

Global problems or looking at Global

191

00:07:55,490 --> 00:07:51,800

issues entail transhumanism entail uh

192

00:07:59,390 --> 00:07:55,500

worldwide vaccination programs and

193

00:08:03,230 --> 00:07:59,400

sponsoring what what who who voted for

194

00:08:06,050 --> 00:08:03,240

that being the top agenda items as a

195

00:08:09,170 --> 00:08:06,060

global thing so again it kind of is

196

00:08:11,390 --> 00:08:09,180

sailing in under this there are some

197

00:08:13,010 --> 00:08:11,400

Global problems let's get the brightest

198

00:08:14,510 --> 00:08:13,020

smartest people let's Network them

199

00:08:16,370 --> 00:08:14,520

together about solving these problems

200

00:08:18,409 --> 00:08:16,380

but then when they come out of it and

201
00:08:20,450 --> 00:08:18,419
there are all these other agenda items

202
00:08:22,430 --> 00:08:20,460
that none of us would put on the list it

203
00:08:24,770 --> 00:08:22,440
what do you think about that

204
00:08:26,990 --> 00:08:24,780
I agree with you so I'm thinking now of

205
00:08:28,369 --> 00:08:27,000
some of the clips I heard from Davos

206
00:08:31,550 --> 00:08:28,379
which is the annual meeting for the

207
00:08:33,709 --> 00:08:31,560
world economic forum and Associated uh

208
00:08:36,709 --> 00:08:33,719
individuals there's a clip of Tony Blair

209
00:08:37,610 --> 00:08:36,719
talking about the need for

210
00:08:39,709 --> 00:08:37,620
um

211
00:08:41,870 --> 00:08:39,719
a way to keep track of who's been

212
00:08:42,829 --> 00:08:41,880
vaccinated and who's not vaccinated and

213
00:08:44,570 --> 00:08:42,839

that was the sort of thing that people

214

00:08:46,190 --> 00:08:44,580

called a conspiracy theory not too long

215

00:08:47,329 --> 00:08:46,200

ago and now not only is it not a

216

00:08:49,190 --> 00:08:47,339

conspiracy theory but it's being

217

00:08:51,470 --> 00:08:49,200

advocated for that we need to keep track

218

00:08:54,350 --> 00:08:51,480

of people's health status and that could

219

00:08:56,509 --> 00:08:54,360

become more well in very quickly so I

220

00:08:58,430 --> 00:08:56,519

the problem here is that

221

00:09:00,290 --> 00:08:58,440

yes we have a bunch of people who are

222

00:09:02,410 --> 00:09:00,300

very influential and powerful and very

223

00:09:04,550 --> 00:09:02,420

intelligent in many cases but it's

224

00:09:06,350 --> 00:09:04,560

they're looking at the problems from

225

00:09:07,850 --> 00:09:06,360

their perspective and they're looking at

226

00:09:09,170 --> 00:09:07,860

their own Solutions and these are not

227

00:09:11,389 --> 00:09:09,180

people that we've elected we haven't

228

00:09:13,310 --> 00:09:11,399

voluntarily asked for them to create

229

00:09:14,870 --> 00:09:13,320

these solutions for us and that's where

230

00:09:17,389 --> 00:09:14,880

the problem can come in if things are

231

00:09:21,170 --> 00:09:17,399

imposed without our explicit consent

232

00:09:22,370 --> 00:09:21,180

yeah and it's it's it's also people

233

00:09:26,210 --> 00:09:22,380

don't realize because you talk about

234

00:09:27,889 --> 00:09:26,220

this and you just it's such a a tricky

235

00:09:30,230 --> 00:09:27,899

thing to unravel like you said these

236

00:09:31,910 --> 00:09:30,240

people are not elected and then people

237

00:09:33,710 --> 00:09:31,920

might naturally jump to the conclusion

238

00:09:36,350 --> 00:09:33,720

well then so what then they're not

239

00:09:38,030 --> 00:09:36,360

really in power and then you go no you

240

00:09:40,310 --> 00:09:38,040

don't get it I mean they're highly

241

00:09:42,350 --> 00:09:40,320

highly influential I mean they are

242

00:09:43,790 --> 00:09:42,360

influential at a level

243

00:09:46,370 --> 00:09:43,800

above

244

00:09:48,769 --> 00:09:46,380

a single government they're influential

245

00:09:50,750 --> 00:09:48,779

across governments they're the go-to for

246

00:09:53,030 --> 00:09:50,760

the World Health Organization in terms

247

00:09:54,949 --> 00:09:53,040

of getting marching orders or at least

248

00:09:57,110 --> 00:09:54,959

apparently getting marching orders

249

00:10:00,170 --> 00:09:57,120

they're the go-to for the United Nations

250

00:10:01,730 --> 00:10:00,180

in terms of setting agenda at least they

251

00:10:03,949 --> 00:10:01,740

say we've gotten this from the world

252

00:10:06,230 --> 00:10:03,959

economic Forum there's countless number

253

00:10:08,590 --> 00:10:06,240

of world leaders who reference this

254

00:10:12,650 --> 00:10:08,600

group so

255

00:10:15,230 --> 00:10:12,660

in this as we start to unravel it is we

256

00:10:17,230 --> 00:10:15,240

do have this kind of Normie world and

257

00:10:20,329 --> 00:10:17,240

then we have this radically

258

00:10:21,889 --> 00:10:20,339

conspiratorial paranoid World which I

259

00:10:24,290 --> 00:10:21,899

think is much closer to the truth but

260

00:10:27,050 --> 00:10:24,300

the truth is undoubtedly someplace in

261

00:10:28,370 --> 00:10:27,060

between but the I think we have to

262

00:10:30,949 --> 00:10:28,380

really kind of

263

00:10:33,530 --> 00:10:30,959

we've done it maybe but really dispel

264

00:10:36,590 --> 00:10:33,540

the idea that the Normie view of this

265

00:10:39,530 --> 00:10:36,600

makes any sense at all because it

266

00:10:42,650 --> 00:10:39,540

doesn't this is not a normie kind of

267

00:10:45,650 --> 00:10:42,660

thing there's some major agenda setting

268

00:10:48,590 --> 00:10:45,660

here that is that is working its way

269

00:10:52,430 --> 00:10:48,600

into law working its way into policy

270

00:10:54,530 --> 00:10:52,440

already has and is highly influential in

271

00:10:57,050 --> 00:10:54,540

terms of where we're going do you have

272

00:10:58,790 --> 00:10:57,060

anything to add to that yeah I want to

273

00:11:00,350 --> 00:10:58,800

say that what you're describing very

274

00:11:02,690 --> 00:11:00,360

well here is one of the reasons I wanted

275

00:11:04,430 --> 00:11:02,700

to write the book is to lay these facts

276

00:11:05,810 --> 00:11:04,440

out and these are just objective facts

277

00:11:07,910 --> 00:11:05,820

in many cases of things the world

278

00:11:10,610 --> 00:11:07,920

economic Forum has said

279

00:11:12,710 --> 00:11:10,620

um Klaus Schwab for example has said we

280

00:11:15,410 --> 00:11:12,720

penetrate the cabinets with his young

281

00:11:17,569 --> 00:11:15,420

global leaders program meaning that they

282

00:11:19,370 --> 00:11:17,579

have the world economic forums young

283

00:11:21,650 --> 00:11:19,380

global leaders are in governments all

284

00:11:23,210 --> 00:11:21,660

over the world not necessarily in some

285

00:11:25,190 --> 00:11:23,220

cases the highest positions like Justin

286

00:11:26,750 --> 00:11:25,200

Trudeau Vladimir Putin but in other

287

00:11:29,150 --> 00:11:26,760

cases people you might not know about

288

00:11:31,130 --> 00:11:29,160

and that's insignificant because they

289

00:11:32,449 --> 00:11:31,140

might be influence the world economic

290

00:11:33,949 --> 00:11:32,459

Forum or its Partners might be

291

00:11:36,650 --> 00:11:33,959

influencing governments which can then

292

00:11:37,790 --> 00:11:36,660

impose things on its citizens so I think

293

00:11:39,829 --> 00:11:37,800

it's important for people to understand

294

00:11:41,630 --> 00:11:39,839

these basic facts that this is

295

00:11:43,670 --> 00:11:41,640

objectively happening maybe some people

296

00:11:46,790 --> 00:11:43,680

will will won't think it's as harmful as

297

00:11:48,829 --> 00:11:46,800

I do or maybe you do but just just to

298

00:11:51,889 --> 00:11:48,839

put on the table that this isn't only

299

00:11:53,269 --> 00:11:51,899

some Fringe conspiracy theory like on

300

00:11:54,889 --> 00:11:53,279

many of the YouTube videos now if you

301
00:11:55,910 --> 00:11:54,899
talk about the great reset Wikipedia has

302
00:11:57,350 --> 00:11:55,920
a little thing at the bottom which

303
00:11:59,329 --> 00:11:57,360
explains oh the great reset is an

304
00:12:01,550 --> 00:11:59,339
economic plan which makes it seem like

305
00:12:03,530 --> 00:12:01,560
it's some kind of conspiracy this is

306
00:12:05,269 --> 00:12:03,540
just objectively what's happening so I'm

307
00:12:07,490 --> 00:12:05,279
glad we're starting there

308
00:12:10,610 --> 00:12:07,500
let's jump over to the radically

309
00:12:12,110 --> 00:12:10,620
paranoid conspiracy angle on it too

310
00:12:15,470 --> 00:12:12,120
because

311
00:12:18,170 --> 00:12:15,480
that deserves some serious attention

312
00:12:20,350 --> 00:12:18,180
even if we pull back from it what is the

313
00:12:24,350 --> 00:12:20,360

the deepest darkest

314

00:12:26,990 --> 00:12:24,360

orwellian dystopian uh kind of

315

00:12:29,210 --> 00:12:27,000

understanding of what's kind of revealed

316

00:12:32,090 --> 00:12:29,220

because you can read it it doesn't take

317

00:12:33,590 --> 00:12:32,100

it doesn't take much of a stretch as

318

00:12:35,870 --> 00:12:33,600

your book points out you just read the

319

00:12:38,449 --> 00:12:35,880

book and you go oh my God they're right

320

00:12:41,210 --> 00:12:38,459

everything these conspiracy theorists

321

00:12:42,949 --> 00:12:41,220

are saying is laid out right here you

322

00:12:45,590 --> 00:12:42,959

will owe nothing and you will be happy

323

00:12:47,750 --> 00:12:45,600

you will have to eat less meat you will

324

00:12:49,370 --> 00:12:47,760

not be able to travel unless you have a

325

00:12:51,650 --> 00:12:49,380

passport I mean they're just kind of

326

00:12:54,769 --> 00:12:51,660

saying it this is what we're gonna do

327

00:12:58,490 --> 00:12:54,779

well the deepest darkest ideas here for

328

00:12:59,690 --> 00:12:58,500

me go to the metaphysical area and this

329

00:13:01,430 --> 00:12:59,700

relates to some of our prior

330

00:13:03,590 --> 00:13:01,440

conversations in my previous books

331

00:13:05,990 --> 00:13:03,600

particularly my last book and end to

332

00:13:08,269 --> 00:13:06,000

upside down contact which looks at UFOs

333

00:13:10,009 --> 00:13:08,279

aliens and spirits and the idea is that

334

00:13:12,050 --> 00:13:10,019

human beings are not alone and there are

335

00:13:13,670 --> 00:13:12,060

other intelligences that exist some of

336

00:13:16,670 --> 00:13:13,680

which might be physical others of which

337

00:13:18,650 --> 00:13:16,680

might be multi-dimensional and some of

338

00:13:20,750 --> 00:13:18,660

those beings seem to be benevolent and

339

00:13:23,210 --> 00:13:20,760

others are not so benevolent

340

00:13:25,430 --> 00:13:23,220

so my my mind goes to well what is the

341

00:13:28,490 --> 00:13:25,440

relationship between malevolent entities

342

00:13:30,470 --> 00:13:28,500

that are non-human and things that are

343

00:13:33,590 --> 00:13:30,480

happening on the planet so when I look

344

00:13:35,569 --> 00:13:33,600

at the great reset which is

345

00:13:37,550 --> 00:13:35,579

to me it's it's one iteration of a

346

00:13:39,170 --> 00:13:37,560

general ideology an ideology that wants

347

00:13:40,850 --> 00:13:39,180

to control people we call it the great

348

00:13:43,490 --> 00:13:40,860

reset and the world economic forum is

349

00:13:44,690 --> 00:13:43,500

just one version of it and I like to be

350

00:13:47,210 --> 00:13:44,700

able to write about it because it's very

351

00:13:49,250 --> 00:13:47,220

topical and they've laid out the plan

352

00:13:52,009 --> 00:13:49,260

but this is not a new idea of

353

00:13:54,650 --> 00:13:52,019

centralized Global control and sort of

354

00:13:56,930 --> 00:13:54,660

an anti-human mindset that sometimes

355

00:13:59,750 --> 00:13:56,940

comes it comes into play

356

00:14:01,730 --> 00:13:59,760

um which to me resembles a lot of the

357

00:14:03,889 --> 00:14:01,740

really dark stuff that I've examined in

358

00:14:06,949 --> 00:14:03,899

some of these other books so for just

359

00:14:10,129 --> 00:14:06,959

example ritual abuse of children animals

360

00:14:11,810 --> 00:14:10,139

and other humans where the idea is

361

00:14:14,150 --> 00:14:11,820

um through

362

00:14:17,269 --> 00:14:14,160

horrific practices it's possible to

363

00:14:19,190 --> 00:14:17,279

invoke dark entities demons and this is

364

00:14:20,329 --> 00:14:19,200

a historic practice it's been going on

365

00:14:22,430 --> 00:14:20,339

for a long time but there are many

366

00:14:23,629 --> 00:14:22,440

survivors in the modern era many

367

00:14:25,370 --> 00:14:23,639

therapists who have worked with these

368

00:14:26,690 --> 00:14:25,380

survivors and I talk about this in an

369

00:14:28,250 --> 00:14:26,700

end to upside down context some of the

370

00:14:30,889 --> 00:14:28,260

evidence for it not to say that every

371

00:14:32,750 --> 00:14:30,899

case is 100 real but there are some for

372

00:14:34,430 --> 00:14:32,760

sure and that's what matters because it

373

00:14:37,129 --> 00:14:34,440

tells us that there is a level of

374

00:14:39,710 --> 00:14:37,139

sophistication associated with evil that

375

00:14:41,629 --> 00:14:39,720

exists and what one of the themes that

376

00:14:44,509 --> 00:14:41,639

comes up when I've looked at this is

377

00:14:46,250 --> 00:14:44,519

that the dark energy wants to eradicate

378

00:14:48,410 --> 00:14:46,260

love and innocence

379

00:14:50,629 --> 00:14:48,420

and it wants to

380

00:14:52,610 --> 00:14:50,639

keep people in a state of fear and

381

00:14:54,650 --> 00:14:52,620

Trauma that that just seems to emerge

382

00:14:56,329 --> 00:14:54,660

over and over again so if you take some

383

00:14:58,009 --> 00:14:56,339

of those horrific rituals as like the

384

00:14:59,509 --> 00:14:58,019

most evil of the evil that you could

385

00:15:01,009 --> 00:14:59,519

imagine

386

00:15:03,410 --> 00:15:01,019

some of those themes seem to be

387

00:15:05,629 --> 00:15:03,420

happening on a macro level too that were

388

00:15:07,129 --> 00:15:05,639

perpetually in a state of fear

389

00:15:09,050 --> 00:15:07,139

um and we know from these rituals and

390

00:15:10,550 --> 00:15:09,060

also from MK Ultra that when you

391

00:15:12,710 --> 00:15:10,560

traumatize someone you can start to

392

00:15:14,870 --> 00:15:12,720

dissociate the personality create

393

00:15:16,430 --> 00:15:14,880

multiple personalities and that like you

394

00:15:18,350 --> 00:15:16,440

like you covered in your amazing

395

00:15:19,629 --> 00:15:18,360

interview with Tom zinser that might

396

00:15:21,769 --> 00:15:19,639

open

397

00:15:23,629 --> 00:15:21,779

multi-dimensional opportunities for dark

398

00:15:26,090 --> 00:15:23,639

entities to come in so what I'm getting

399

00:15:28,129 --> 00:15:26,100

at Alex here and then I'll pause is

400

00:15:29,810 --> 00:15:28,139

is what's happening with the great reset

401
00:15:32,750 --> 00:15:29,820
or just this general movement toward

402
00:15:34,970 --> 00:15:32,760
Global control related to darker

403
00:15:38,090 --> 00:15:34,980
energies that have an anti-human

404
00:15:40,129 --> 00:15:38,100
tendency that want to keep our inner

405
00:15:42,710 --> 00:15:40,139
love inner Divinity if you want to call

406
00:15:44,930 --> 00:15:42,720
it that suppressed in some way

407
00:15:48,350 --> 00:15:44,940
I asked you to go full paranoid

408
00:15:51,110 --> 00:15:48,360
conspiracy and you overshoot the mark by

409
00:15:53,629 --> 00:15:51,120
about three or four

410
00:15:55,670 --> 00:15:53,639
hey three or four degrees which which is

411
00:15:59,090 --> 00:15:55,680
great because where you went is really

412
00:16:01,610 --> 00:15:59,100
where I go in this but I want to make it

413
00:16:04,189 --> 00:16:01,620

clear that that's not really where most

414

00:16:05,509 --> 00:16:04,199

people go and I think that's the

415

00:16:09,170 --> 00:16:05,519

strength of this conversation we're

416

00:16:10,970 --> 00:16:09,180

about to have I hold you up before from

417

00:16:14,509 --> 00:16:10,980

laying out the structure of the book

418

00:16:16,490 --> 00:16:14,519

let's go back and do that sure so the

419

00:16:18,050 --> 00:16:16,500

book is divided into two sections and

420

00:16:19,850 --> 00:16:18,060

there's an introduction and a conclusion

421

00:16:21,889 --> 00:16:19,860

the first section of the book looks at

422

00:16:24,470 --> 00:16:21,899

the psychology underlying a lot of the

423

00:16:26,269 --> 00:16:24,480

great reset rhetoric and to just

424

00:16:28,610 --> 00:16:26,279

summarize very briefly it's about the

425

00:16:31,310 --> 00:16:28,620

weaponization of compassion and how that

426

00:16:33,650 --> 00:16:31,320

kind of mentality can fool good people

427

00:16:35,389 --> 00:16:33,660

who have a caring intention and that's

428

00:16:36,769 --> 00:16:35,399

actually my biggest concern I'm much

429

00:16:37,970 --> 00:16:36,779

less concerned about the really evil

430

00:16:39,350 --> 00:16:37,980

stuff these days I'm more concerned

431

00:16:41,569 --> 00:16:39,360

about the good people who are falling

432

00:16:44,569 --> 00:16:41,579

for the dark stuff and they don't see it

433

00:16:47,569 --> 00:16:44,579

as dark pull up full full stop there the

434

00:16:50,269 --> 00:16:47,579

weaponization of compassion is powerful

435

00:16:52,129 --> 00:16:50,279

yeah but I think you have to

436

00:16:55,730 --> 00:16:52,139

I think you have to really support that

437

00:16:58,189 --> 00:16:55,740

because you understand the pushback

438

00:17:00,769 --> 00:16:58,199

on that and there's some valid pushback

439

00:17:03,410 --> 00:17:00,779

on that which is

440

00:17:06,350 --> 00:17:03,420

one person's weaponization is another

441

00:17:09,409 --> 00:17:06,360

person's uh actualization or

442

00:17:11,929 --> 00:17:09,419

implementation how and when do we judge

443

00:17:13,669 --> 00:17:11,939

what is the weaponization of compassion

444

00:17:15,590 --> 00:17:13,679

and before we get there give me an

445

00:17:18,350 --> 00:17:15,600

example of what you think we're talking

446

00:17:20,929 --> 00:17:18,360

about this General example is the notion

447

00:17:23,329 --> 00:17:20,939

of like collectivism that we should be

448

00:17:25,730 --> 00:17:23,339

doing things for the common good

449

00:17:28,010 --> 00:17:25,740

and we've seen historically how that can

450

00:17:30,110 --> 00:17:28,020

lead to horrific instances whether it's

451

00:17:32,450 --> 00:17:30,120

in communism or fascism they end up with

452

00:17:33,830 --> 00:17:32,460

a highly collectivistic mindset where

453

00:17:35,210 --> 00:17:33,840

you can say oh well we can do these

454

00:17:37,549 --> 00:17:35,220

horrible things to individuals because

455

00:17:40,010 --> 00:17:37,559

it's in service of the greater good

456

00:17:43,070 --> 00:17:40,020

let's just take the treatment of people

457

00:17:45,169 --> 00:17:43,080

who were not vaccinated as an example

458

00:17:46,549 --> 00:17:45,179

are you a good citizen have you been

459

00:17:49,850 --> 00:17:46,559

vaccinated

460

00:17:52,730 --> 00:17:49,860

I just heard that exact question asked

461

00:17:54,890 --> 00:17:52,740

to what's that guy's name Dave Rubin you

462

00:17:56,450 --> 00:17:54,900

know and it's just it's jarring so the

463

00:17:58,430 --> 00:17:56,460

term that I use in this book and also my

464

00:18:00,890 --> 00:17:58,440

book and into upside down living is

465

00:18:02,029 --> 00:18:00,900

compassion with discernment and the more

466

00:18:03,409 --> 00:18:02,039

I think about it the more I think that's

467

00:18:04,610 --> 00:18:03,419

a really important idea because

468

00:18:06,590 --> 00:18:04,620

especially

469

00:18:08,390 --> 00:18:06,600

those of us who have a non-dual

470

00:18:09,650 --> 00:18:08,400

spiritual understanding that we're all

471

00:18:11,390 --> 00:18:09,660

one at some level and you look at

472

00:18:13,310 --> 00:18:11,400

near-death experiences and psychedelic

473

00:18:14,870 --> 00:18:13,320

accounts and meditation experiences

474

00:18:16,250 --> 00:18:14,880

people talk about the same essence of

475

00:18:18,110 --> 00:18:16,260

benevolence that they come back with

476

00:18:20,210 --> 00:18:18,120

it's hard to describe with words it's

477

00:18:21,770 --> 00:18:20,220

ineffable but I just listen to more and

478

00:18:24,289 --> 00:18:21,780

more people they had this very

479

00:18:25,789 --> 00:18:24,299

benevolent uh picture of of reality

480

00:18:27,590 --> 00:18:25,799

that's interconnected and they can't get

481

00:18:30,529 --> 00:18:27,600

past that so to me that's important data

482

00:18:32,570 --> 00:18:30,539

just objectively I can't reject that but

483

00:18:34,010 --> 00:18:32,580

then that can lead people to just just

484

00:18:35,750 --> 00:18:34,020

want to be compassionate towards

485

00:18:37,130 --> 00:18:35,760

everyone be loving towards everyone I

486

00:18:39,230 --> 00:18:37,140

tell the story in my book and end to

487

00:18:41,150 --> 00:18:39,240

upside down living a woman she had some

488

00:18:43,490 --> 00:18:41,160

kind of Spiritual Awakening she met a

489

00:18:44,690 --> 00:18:43,500

man let him into her home and then she

490

00:18:46,250 --> 00:18:44,700

said it was hell the guy started

491

00:18:47,510 --> 00:18:46,260

manipulating her and she she couldn't

492

00:18:49,130 --> 00:18:47,520

discern

493

00:18:50,270 --> 00:18:49,140

so it's like the compassion is the first

494

00:18:52,010 --> 00:18:50,280

step that's part of the non-dual

495

00:18:53,450 --> 00:18:52,020

understanding but the Paradox is that we

496

00:18:55,070 --> 00:18:53,460

live in Duality that there's Mark and

497

00:18:56,870 --> 00:18:55,080

Alex that there is separation at this

498

00:18:58,610 --> 00:18:56,880

level even though at some level we seem

499

00:19:00,230 --> 00:18:58,620

to be interconnected so the discernment

500

00:19:02,510 --> 00:19:00,240

this is what you're getting to in the

501
00:19:05,270 --> 00:19:02,520
show increasingly Alex deception that

502
00:19:07,310 --> 00:19:05,280
that exists in this world it's it's a

503
00:19:08,690 --> 00:19:07,320
very important aspect of this world so

504
00:19:10,310 --> 00:19:08,700
there's got to be the compassion first

505
00:19:12,529 --> 00:19:10,320
then the understanding of deception and

506
00:19:14,630 --> 00:19:12,539
asking the question is the compassion

507
00:19:16,370 --> 00:19:14,640
applied appropriately here or should we

508
00:19:17,690 --> 00:19:16,380
be thinking about it differently so

509
00:19:19,070 --> 00:19:17,700
that's what I try to bring out a lot in

510
00:19:21,289 --> 00:19:19,080
this first half of the book

511
00:19:22,669 --> 00:19:21,299
and and I'm going to bring you back to

512
00:19:25,250 --> 00:19:22,679
the word that you use though because

513
00:19:27,430 --> 00:19:25,260

it's really the the important word the

514

00:19:29,450 --> 00:19:27,440

operative word and that's weaponization

515

00:19:32,090 --> 00:19:29,460

because if you go there with the

516

00:19:34,190 --> 00:19:32,100

deception thing and if you say deception

517

00:19:36,529 --> 00:19:34,200

is not only real but deception's always

518

00:19:39,169 --> 00:19:36,539

in play deception is the way the world

519

00:19:41,270 --> 00:19:39,179

really works if you want to be objective

520

00:19:44,330 --> 00:19:41,280

and look at how things get done because

521

00:19:47,289 --> 00:19:44,340

we're basically in a world of Conquest

522

00:19:51,049 --> 00:19:47,299

one group conquering another and

523

00:19:54,230 --> 00:19:51,059

militarily physically dominating and

524

00:19:57,049 --> 00:19:54,240

War doesn't really discriminate too much

525

00:19:58,669 --> 00:19:57,059

between deception or those kind of

526

00:20:01,549 --> 00:19:58,679

things it doesn't it doesn't apply so

527

00:20:03,890 --> 00:20:01,559

much so it it the war model does fit in

528

00:20:06,529 --> 00:20:03,900

with weaponization so the idea of

529

00:20:10,250 --> 00:20:06,539

weaponizing compassion what you're

530

00:20:12,650 --> 00:20:10,260

pointing at is that if you have this I

531

00:20:15,529 --> 00:20:12,660

got to take that hill at all costs to

532

00:20:17,870 --> 00:20:15,539

the extent that I can control people by

533

00:20:19,850 --> 00:20:17,880

placating them with this idea that they

534

00:20:23,029 --> 00:20:19,860

are being compassionate because I find

535

00:20:25,490 --> 00:20:23,039

that that pushes their buttons then yeah

536

00:20:27,470 --> 00:20:25,500

that just becomes another play in my

537

00:20:29,870 --> 00:20:27,480

playbook it's almost like there are

538

00:20:31,490 --> 00:20:29,880

different types of evil if we want to

539

00:20:33,529 --> 00:20:31,500

call it that way there's the

540

00:20:36,230 --> 00:20:33,539

the really obvious type where it's

541

00:20:38,150 --> 00:20:36,240

murderous and torturing people I mean

542

00:20:40,789 --> 00:20:38,160

that's like a horror movie but then

543

00:20:42,890 --> 00:20:40,799

there's the the deceptive part where

544

00:20:44,330 --> 00:20:42,900

it's it's masquerading as benevolent

545

00:20:46,430 --> 00:20:44,340

it's a trickster

546

00:20:49,190 --> 00:20:46,440

and it's I think it's easier for people

547

00:20:50,630 --> 00:20:49,200

who have maybe let's say this is part of

548

00:20:52,310 --> 00:20:50,640

our Essence that we're all part of the

549

00:20:54,350 --> 00:20:52,320

one Consciousness we have this

550

00:20:55,909 --> 00:20:54,360

benevolence within us

551
00:20:57,409 --> 00:20:55,919
to get people who have that innate

552
00:20:59,510 --> 00:20:57,419
benevolence to go along with something

553
00:21:00,950 --> 00:20:59,520
in many cases it might be easier to give

554
00:21:02,810 --> 00:21:00,960
them a bit of that benevolence on the

555
00:21:04,370 --> 00:21:02,820
surface and to just hope they're not

556
00:21:05,690 --> 00:21:04,380
going to see what's beyond that surface

557
00:21:08,510 --> 00:21:05,700
level appearance

558
00:21:10,070 --> 00:21:08,520
yeah I agree and you know one of the

559
00:21:12,049 --> 00:21:10,080
things that I kept coming back to again

560
00:21:13,909 --> 00:21:12,059
we're just going to kind of roll with

561
00:21:15,950 --> 00:21:13,919
this and kind of see where it leads but

562
00:21:18,289 --> 00:21:15,960
this is Who We Are

563
00:21:20,630 --> 00:21:18,299

this is America

564

00:21:24,049 --> 00:21:20,640

you know the good and the and the bad

565

00:21:26,150 --> 00:21:24,059

the the you know I love the story I was

566

00:21:27,710 --> 00:21:26,160

listening to uh Bruce Springsteen live

567

00:21:30,409 --> 00:21:27,720

on Broadway you know and tells all these

568

00:21:31,970 --> 00:21:30,419

stories between the his songs and I

569

00:21:34,789 --> 00:21:31,980

never was much of a Bruce Springsteen

570

00:21:37,130 --> 00:21:34,799

fan and I sure as hell I am now but he

571

00:21:40,130 --> 00:21:37,140

was talking about his most famous iconic

572

00:21:43,130 --> 00:21:40,140

song Born in the USA

573

00:21:46,370 --> 00:21:43,140

which if anyone remembers it and listens

574

00:21:49,909 --> 00:21:46,380

to it is really a protest song it's

575

00:21:52,789 --> 00:21:49,919

really uh an activist activism song

576

00:21:54,950 --> 00:21:52,799

and he said when he first came out with

577

00:21:57,289 --> 00:21:54,960

it it was kind of misunderstood is

578

00:22:00,950 --> 00:21:57,299

misunderstood as a you know make America

579

00:22:03,710 --> 00:22:00,960

great Again song and then when the the

580

00:22:05,630 --> 00:22:03,720

the Republicans the right wing kind of

581

00:22:07,730 --> 00:22:05,640

co-opted the song and they even used it

582

00:22:09,409 --> 00:22:07,740

he got really pissed and he was fighting

583

00:22:11,570 --> 00:22:09,419

him and telling him no that's not what

584

00:22:13,970 --> 00:22:11,580

it's about you know it's about this guy

585

00:22:15,470 --> 00:22:13,980

and like forced to go should kill the

586

00:22:18,529 --> 00:22:15,480

yellow man kind of thing

587

00:22:21,409 --> 00:22:18,539

Ben in his older age and Bruce is older

588

00:22:23,990 --> 00:22:21,419

he realized that maybe it's the greatest

589

00:22:27,770 --> 00:22:24,000

song that he ever wrote because it

590

00:22:30,529 --> 00:22:27,780

really encompasses all that all

591

00:22:34,250 --> 00:22:30,539

that horrible that we've done all

592

00:22:36,190 --> 00:22:34,260

the Abu ghraib and all the slavery

593

00:22:40,970 --> 00:22:36,200

and all the

594

00:22:44,149 --> 00:22:40,980

911 and all of that and yet

595

00:22:47,810 --> 00:22:44,159

or still somewhat or we need to try and

596

00:22:49,549 --> 00:22:47,820

be that Beacon of light that light on

597

00:22:51,470 --> 00:22:49,559

the hill you know what I mean and maybe

598

00:22:55,850 --> 00:22:51,480

that's why we're talking today because

599

00:22:59,510 --> 00:22:55,860

we care about what we what we can be not

600

00:23:02,870 --> 00:22:59,520

what we default into not the the worst

601
00:23:05,870 --> 00:23:02,880
that we use in the weaponization of

602
00:23:08,330 --> 00:23:05,880
these things that we have and I just

603
00:23:10,909 --> 00:23:08,340
think that just like Springsteen came

604
00:23:13,490 --> 00:23:10,919
around to the idea that

605
00:23:17,330 --> 00:23:13,500
maybe that song is his greatest song

606
00:23:19,250 --> 00:23:17,340
because it is an embodiment of that we

607
00:23:20,810 --> 00:23:19,260
don't want to live in North Korea you

608
00:23:22,610 --> 00:23:20,820
know what I mean and that's what came up

609
00:23:25,190 --> 00:23:22,620
in my interview with uh with Charlie

610
00:23:27,890 --> 00:23:25,200
Robinson who does an awesome job and was

611
00:23:30,350 --> 00:23:27,900
highly influenced by you know uh

612
00:23:31,730 --> 00:23:30,360
confessions of an economic Hitman but

613
00:23:34,130 --> 00:23:31,740

when you really think about that and you

614

00:23:37,190 --> 00:23:34,140

go yeah they went we went over and we

615

00:23:38,890 --> 00:23:37,200

over uh Uganda by putting in a

616

00:23:41,570 --> 00:23:38,900

billion dollar

617

00:23:44,210 --> 00:23:41,580

hydrogen Electric Plant in the middle of

618

00:23:45,590 --> 00:23:44,220

the Jungle that they have no no place to

619

00:23:47,510 --> 00:23:45,600

send the electricity

620

00:23:50,390 --> 00:23:47,520

but we did it to snap the commies from

621

00:23:54,049 --> 00:23:50,400

getting there and at some point somebody

622

00:23:58,190 --> 00:23:54,059

sat down with somebody like you or I

623

00:24:01,250 --> 00:23:58,200

good heartfelt people and said look kid

624

00:24:03,830 --> 00:24:01,260

I hate to tell you but it's you know

625

00:24:06,710 --> 00:24:03,840

this way or that way

626

00:24:09,350 --> 00:24:06,720

Uganda is gonna go commie or Uganda is

627

00:24:12,610 --> 00:24:09,360

going to go with us you know which do

628

00:24:15,049 --> 00:24:12,620

you want and what are you willing to

629

00:24:18,169 --> 00:24:15,059

sacrifice maybe isn't the word but what

630

00:24:21,289 --> 00:24:18,179

are you willing to tolerate in terms of

631

00:24:22,430 --> 00:24:21,299

stretching your morals in order for us

632

00:24:26,149 --> 00:24:22,440

to get there

633

00:24:29,930 --> 00:24:26,159

does any of that resonate with

634

00:24:33,470 --> 00:24:29,940

kind of the other side of the of the

635

00:24:35,630 --> 00:24:33,480

great reset well I think that I say this

636

00:24:37,430 --> 00:24:35,640

in the book it's it's we don't know the

637

00:24:39,169 --> 00:24:37,440

intent of each person involved we can

638

00:24:40,789 --> 00:24:39,179

try to guess but that's a separate

639

00:24:42,169 --> 00:24:40,799

exercise to know what they whether

640

00:24:43,430 --> 00:24:42,179

they're trying to enslave people or

641

00:24:44,810 --> 00:24:43,440

whether they mean well or whether

642

00:24:47,149 --> 00:24:44,820

they're being blackmailed we just don't

643

00:24:48,230 --> 00:24:47,159

know the real forces unless you knew the

644

00:24:49,250 --> 00:24:48,240

person well or unless you're inside

645

00:24:51,890 --> 00:24:49,260

their mind

646

00:24:53,450 --> 00:24:51,900

so I I do think there probably are some

647

00:24:56,750 --> 00:24:53,460

people who think yeah this is going to

648

00:24:59,450 --> 00:24:56,760

be uh it might harm some people to enact

649

00:25:01,430 --> 00:24:59,460

X Y and Z measures but in the end it's

650

00:25:02,450 --> 00:25:01,440

going to be for the greater good and one

651
00:25:04,190 --> 00:25:02,460
of the things I've been thinking about I

652
00:25:07,310 --> 00:25:04,200
write about this in the book too there's

653
00:25:08,870 --> 00:25:07,320
a psychological incentive especially for

654
00:25:11,210 --> 00:25:08,880
people who think they're good and want

655
00:25:13,010 --> 00:25:11,220
to be compassionate to ignore the

656
00:25:14,450 --> 00:25:13,020
instances in which they are not being

657
00:25:17,450 --> 00:25:14,460
compassionate because it would be too

658
00:25:18,830 --> 00:25:17,460
painful to acknowledge that and I think

659
00:25:20,210 --> 00:25:18,840
there's some cognitive dissonance that's

660
00:25:21,770 --> 00:25:20,220
happening all over the place where

661
00:25:23,270 --> 00:25:21,780
people would have to admit that they not

662
00:25:25,130 --> 00:25:23,280
only were wrong but they were being not

663
00:25:26,450 --> 00:25:25,140

compassionate and for people who care so

664

00:25:27,529 --> 00:25:26,460

much about compassion that could be a

665

00:25:29,990 --> 00:25:27,539

painful thing

666

00:25:33,049 --> 00:25:30,000

that's awesome Mark and you know what I

667

00:25:35,630 --> 00:25:33,059

think let's uh walk through that in

668

00:25:37,669 --> 00:25:35,640

terms of the players now because one of

669

00:25:39,649 --> 00:25:37,679

the things that's kind of come up for me

670

00:25:42,169 --> 00:25:39,659

that has really set this thing in a

671

00:25:45,230 --> 00:25:42,179

different direction is you start with

672

00:25:48,350 --> 00:25:45,240

Klaus Schwab who's become this this meme

673

00:25:50,210 --> 00:25:48,360

who's become this ultimate villain for a

674

00:25:52,909 --> 00:25:50,220

lot of people and you get the feeling

675

00:25:55,190 --> 00:25:52,919

that he didn't really see that coming he

676
00:25:57,350 --> 00:25:55,200
wasn't like super smart I mean about

677
00:26:00,230 --> 00:25:57,360
that part of it about his Public Image

678
00:26:01,850 --> 00:26:00,240
and and the reveal to that is that uh

679
00:26:05,269 --> 00:26:01,860
you will own nothing and you will be

680
00:26:07,250 --> 00:26:05,279
happy the worst marketing slogan ever I

681
00:26:10,789 --> 00:26:07,260
mean it's there's a certain tone

682
00:26:13,610 --> 00:26:10,799
deafness to the the the people who hang

683
00:26:16,010 --> 00:26:13,620
out in Davos Switzerland and eat fifty

684
00:26:18,470 --> 00:26:16,020
dollar hamburgers and think well gee you

685
00:26:21,529 --> 00:26:18,480
know what's let's figure out what the

686
00:26:23,990 --> 00:26:21,539
world needs from from this perspective

687
00:26:27,710 --> 00:26:24,000
let's talk about

688
00:26:29,710 --> 00:26:27,720

how you understand him as a as a person

689

00:26:32,149 --> 00:26:29,720

and then we're going to also talk about

690

00:26:33,130 --> 00:26:32,159

Henry Kissinger because I think those

691

00:26:35,630 --> 00:26:33,140

two

692

00:26:37,490 --> 00:26:35,640

understanding them at this deeper level

693

00:26:39,830 --> 00:26:37,500

as human beings and the way that you

694

00:26:42,470 --> 00:26:39,840

just said you know the plus is minuses

695

00:26:45,110 --> 00:26:42,480

good bad complex people it's going to be

696

00:26:46,789 --> 00:26:45,120

really really enlightening to to where

697

00:26:48,169 --> 00:26:46,799

we're going to take this I think okay

698

00:26:49,850 --> 00:26:48,179

well I'll give my perspective from

699

00:26:51,769 --> 00:26:49,860

having read the literature I know Johnny

700

00:26:53,269 --> 00:26:51,779

vedmore has gone really deep into Cloud

701
00:26:54,649 --> 00:26:53,279
Schwab's history to the extent that we

702
00:26:55,789 --> 00:26:54,659
can because a lot of it's been scrubbed

703
00:26:57,110 --> 00:26:55,799
so that makes it difficult too because

704
00:26:59,330 --> 00:26:57,120
we're trying to piece things together

705
00:27:02,450 --> 00:26:59,340
but I can understand how someone might

706
00:27:04,070 --> 00:27:02,460
read covid-19 the great reset and think

707
00:27:07,010 --> 00:27:04,080
it's benign

708
00:27:09,950 --> 00:27:07,020
because it doesn't come across as

709
00:27:11,330 --> 00:27:09,960
purely evil it's we want a more

710
00:27:13,010 --> 00:27:11,340
compassionate world we want to do things

711
00:27:14,090 --> 00:27:13,020
for the common good and therefore we

712
00:27:15,710 --> 00:27:14,100
need the return of big government

713
00:27:17,269 --> 00:27:15,720

because government's going to help

714

00:27:19,310 --> 00:27:17,279

people we need more Global coordination

715

00:27:21,289 --> 00:27:19,320

or if you get into the next book The

716

00:27:23,390 --> 00:27:21,299

Great narrative well we need stakeholder

717

00:27:25,610 --> 00:27:23,400

capitalism we need to start controlling

718

00:27:28,190 --> 00:27:25,620

how companies do things through ESG

719

00:27:29,870 --> 00:27:28,200

environmental social governance and who

720

00:27:31,430 --> 00:27:29,880

wouldn't want good better things for the

721

00:27:33,649 --> 00:27:31,440

environment better social and governance

722

00:27:35,570 --> 00:27:33,659

those things all sound really good it's

723

00:27:37,250 --> 00:27:35,580

almost this this next level of analysis

724

00:27:38,149 --> 00:27:37,260

of seeing where it could go wrong seeing

725

00:27:39,470 --> 00:27:38,159

through

726

00:27:40,909 --> 00:27:39,480

maybe in this case it's not even

727

00:27:42,289 --> 00:27:40,919

deception who knows maybe he's not

728

00:27:43,850 --> 00:27:42,299

trying to see maybe he literally thinks

729

00:27:46,370 --> 00:27:43,860

it is a good thing but just seeing that

730

00:27:48,529 --> 00:27:46,380

the downsides potentially of all this

731

00:27:50,390 --> 00:27:48,539

and maybe from my own personal

732

00:27:52,610 --> 00:27:50,400

experience of just having been in

733

00:27:54,110 --> 00:27:52,620

Silicon Valley in New York going to

734

00:27:55,190 --> 00:27:54,120

Princeton for undergrad and knowing a

735

00:27:56,950 --> 00:27:55,200

lot of people who have been in high

736

00:27:59,870 --> 00:27:56,960

level positions just throughout my life

737

00:28:01,130 --> 00:27:59,880

and like before I got before I even

738

00:28:02,690 --> 00:28:01,140

started writing about Consciousness I'd

739

00:28:04,610 --> 00:28:02,700

heard about Davos

740

00:28:06,289 --> 00:28:04,620

you know six plus years ago I'd heard

741

00:28:09,769 --> 00:28:06,299

about people going there and it was this

742

00:28:10,970 --> 00:28:09,779

idea of you're an influential person and

743

00:28:12,830 --> 00:28:10,980

this is a place where people are going

744

00:28:14,750 --> 00:28:12,840

to help the world so I think a lot of

745

00:28:16,909 --> 00:28:14,760

people who are going there are genuinely

746

00:28:18,710 --> 00:28:16,919

have that mentality and it's possible

747

00:28:20,630 --> 00:28:18,720

that there's some part of Klaus Schwab

748

00:28:21,830 --> 00:28:20,640

that feels that way too and like you're

749

00:28:23,930 --> 00:28:21,840

saying Alex there might be a tone

750

00:28:26,870 --> 00:28:23,940

deafness of people who are just part of

751
00:28:28,070 --> 00:28:26,880
a certain type of culture who who think

752
00:28:30,230 --> 00:28:28,080
they're doing good and they literally

753
00:28:31,070 --> 00:28:30,240
can't see the downside so I'm giving a

754
00:28:32,090 --> 00:28:31,080
very

755
00:28:34,010 --> 00:28:32,100
um

756
00:28:36,230 --> 00:28:34,020
been the most benevolent picture you

757
00:28:38,450 --> 00:28:36,240
probably can give right there and and

758
00:28:41,330 --> 00:28:38,460
that's not I'm not coming at it from

759
00:28:44,450 --> 00:28:41,340
that angle because I don't I mean I

760
00:28:46,549 --> 00:28:44,460
think those guys back to your earlier

761
00:28:48,830 --> 00:28:46,559
point and you said it beautifully so I

762
00:28:50,269 --> 00:28:48,840
won't try and recapture it it becomes so

763
00:28:51,890 --> 00:28:50,279

ingrained in their thinking of course

764

00:28:54,529 --> 00:28:51,900

they're being deceptive of course

765

00:28:56,630 --> 00:28:54,539

they're being elitist of course they

766

00:28:59,210 --> 00:28:56,640

think that the Sheep need to be herded

767

00:29:02,029 --> 00:28:59,220

and that that's what all these people

768

00:29:05,570 --> 00:29:02,039

are you know it's like they're so beyond

769

00:29:08,450 --> 00:29:05,580

that it's second nature to them I think

770

00:29:12,950 --> 00:29:08,460

it's more helpful that maybe to switch

771

00:29:14,649 --> 00:29:12,960

to Kissinger because I think you can

772

00:29:17,930 --> 00:29:14,659

always understand

773

00:29:20,450 --> 00:29:17,940

Klaus Schwab but understanding Henry

774

00:29:23,570 --> 00:29:20,460

Kissinger that's what I came away with

775

00:29:25,850 --> 00:29:23,580

after talking to johnnyved more and

776

00:29:27,590 --> 00:29:25,860

doing all my own research into Henry

777

00:29:30,350 --> 00:29:27,600

Kissinger because

778

00:29:33,169 --> 00:29:30,360

you know when when if if you go look at

779

00:29:35,149 --> 00:29:33,179

the conspiracy kind of culture that

780

00:29:37,669 --> 00:29:35,159

we're in that you and I kind of mix in

781

00:29:41,630 --> 00:29:37,679

Henry Kissinger evil one of the most

782

00:29:44,210 --> 00:29:41,640

evil men war criminal evil evil evil

783

00:29:46,789 --> 00:29:44,220

go look at that guy's background

784

00:29:49,250 --> 00:29:46,799

go look at some of the touch points

785

00:29:50,690 --> 00:29:49,260

first one I'd lay on the table

786

00:29:56,630 --> 00:29:50,700

Crystal knock

787

00:29:58,549 --> 00:29:56,640

the Nazis who if you understand the

788

00:30:00,889 --> 00:29:58,559

history that the Nazis just kind of

789

00:30:03,110 --> 00:30:00,899

stumble into control they never win an

790

00:30:05,570 --> 00:30:03,120

election they're just kind of there and

791

00:30:07,010 --> 00:30:05,580

the economy goes totally to crap and

792

00:30:09,049 --> 00:30:07,020

they're like they look around like all

793

00:30:11,510 --> 00:30:09,059

right all right and then they get in

794

00:30:13,010 --> 00:30:11,520

they immediately have the plan they

795

00:30:15,230 --> 00:30:13,020

immediately have the world economic

796

00:30:17,690 --> 00:30:15,240

Forum kind of planned and they implement

797

00:30:19,909 --> 00:30:17,700

it to the hilt right off the bat first

798

00:30:21,590 --> 00:30:19,919

30 days boom boom boom boom they're

799

00:30:23,210 --> 00:30:21,600

laying it down so if anyone thinks that

800

00:30:25,310 --> 00:30:23,220

this stuff doesn't happen and a few

801
00:30:27,470 --> 00:30:25,320
people can't do it look to that but

802
00:30:29,450 --> 00:30:27,480
Crystal knock if you don't remember your

803
00:30:31,430 --> 00:30:29,460
history is when they went and they

804
00:30:33,230 --> 00:30:31,440
finally you know are targeting the the

805
00:30:35,810 --> 00:30:33,240
Jews which is a crazy thing but that'll

806
00:30:38,149 --> 00:30:35,820
come up again but they go and they just

807
00:30:41,149 --> 00:30:38,159
start Crystal knock is uh Crystal's

808
00:30:44,990 --> 00:30:41,159
glass and night night clinic go break

809
00:30:46,430 --> 00:30:45,000
all these Jewish businesses and they you

810
00:30:48,529 --> 00:30:46,440
know like you've seen in the movies they

811
00:30:50,690 --> 00:30:48,539
put the big star David on they say get

812
00:30:53,870 --> 00:30:50,700
out of here let's kick the Jews out now

813
00:30:56,690 --> 00:30:53,880

now it's becoming real at a level that

814

00:30:59,210 --> 00:30:56,700

even if you could kind of pretend like

815

00:31:01,190 --> 00:30:59,220

hey maybe we can get along here if

816

00:31:02,810 --> 00:31:01,200

you're Jewish at this point you can't

817

00:31:04,430 --> 00:31:02,820

and that's what happens to Henry

818

00:31:07,010 --> 00:31:04,440

Kissinger's parents

819

00:31:09,049 --> 00:31:07,020

because three days either after before I

820

00:31:11,210 --> 00:31:09,059

can't remember Crystal knock they go oh

821

00:31:12,710 --> 00:31:11,220

my God we have to leave we have to leave

822

00:31:14,990 --> 00:31:12,720

everything

823

00:31:16,730 --> 00:31:15,000

that we've accumulated our wealth our

824

00:31:18,470 --> 00:31:16,740

business everything we've got to leave

825

00:31:21,350 --> 00:31:18,480

it all behind just to get the hell out

826

00:31:23,269 --> 00:31:21,360

of here and they get out of there

827

00:31:25,490 --> 00:31:23,279

wind up in New York

828

00:31:27,710 --> 00:31:25,500

and there's Henry Kissinger you can

829

00:31:29,690 --> 00:31:27,720

imagine this he's a kid he's a teenager

830

00:31:31,549 --> 00:31:29,700

and he's walking now he's walking on the

831

00:31:32,990 --> 00:31:31,559

other side of the street because this is

832

00:31:34,490 --> 00:31:33,000

kind of the same if you walk on the

833

00:31:36,409 --> 00:31:34,500

wrong side of the street and you're

834

00:31:38,690 --> 00:31:36,419

Jewish you get the beat out of you

835

00:31:40,990 --> 00:31:38,700

buy the other kids right he doesn't

836

00:31:44,750 --> 00:31:41,000

speak the language he can't do anything

837

00:31:47,690 --> 00:31:44,760

socially and but he's in America and

838

00:31:50,450 --> 00:31:47,700

he's glad that he's away from what would

839

00:31:55,130 --> 00:31:50,460

have been ultimate destruction

840

00:31:57,710 --> 00:31:55,140

so he joins the army and he eats ham for

841

00:32:00,950 --> 00:31:57,720

Uncle Sam which is an expression that's

842

00:32:04,130 --> 00:32:00,960

put forth by a lot of Jews who you know

843

00:32:08,090 --> 00:32:04,140

say they kind of became assimilated into

844

00:32:09,409 --> 00:32:08,100

the U.S Culture by going into the army

845

00:32:11,090 --> 00:32:09,419

where everyone's just kind of treated

846

00:32:13,010 --> 00:32:11,100

hey here's I don't want to hear about

847

00:32:14,090 --> 00:32:13,020

anything here's your dinner just eat it

848

00:32:16,909 --> 00:32:14,100

kind of thing

849

00:32:19,850 --> 00:32:16,919

he is 21 years old

850

00:32:23,269 --> 00:32:19,860

he goes over and they put a rifle in his

851
00:32:24,230 --> 00:32:23,279
hand and he's fighting Nazis and he's

852
00:32:30,710 --> 00:32:24,240
got

853
00:32:34,490 --> 00:32:30,720
say he's Jewish which means

854
00:32:37,070 --> 00:32:34,500
if he's ever captured it is immediately

855
00:32:39,950 --> 00:32:37,080
over right I mean it is immediately over

856
00:32:42,470 --> 00:32:39,960
for that guy but he's a brilliant guy

857
00:32:44,930 --> 00:32:42,480
and he's recognized this that and he

858
00:32:48,889 --> 00:32:44,940
pretty quickly becomes

859
00:32:50,870 --> 00:32:48,899
put in this intelligence role inside the

860
00:32:52,490 --> 00:32:50,880
Army and in the Battle of the Bulge he's

861
00:32:54,350 --> 00:32:52,500
kind of brought to the headquarters and

862
00:32:55,730 --> 00:32:54,360
said hey help us understand when these

863
00:32:58,070 --> 00:32:55,740

Germans come in you speak the language

864

00:32:59,990 --> 00:32:58,080

and we know you're loyal to us

865

00:33:02,470 --> 00:33:00,000

let's figure this stuff out and then

866

00:33:04,669 --> 00:33:02,480

later that becomes kind of a project

867

00:33:07,250 --> 00:33:04,679

pay-per-clip thing which I think he

868

00:33:10,010 --> 00:33:07,260

eventually evolves into a real project

869

00:33:13,789 --> 00:33:10,020

paper clip role because he doesn't leave

870

00:33:17,810 --> 00:33:13,799

Germany until 1947.

871

00:33:20,090 --> 00:33:17,820

what does that tell you 1947 so now he's

872

00:33:22,250 --> 00:33:20,100

going in he knows the culture he can

873

00:33:25,070 --> 00:33:22,260

speak the language perfectly and he's

874

00:33:27,289 --> 00:33:25,080

meeting and he's sorting through not

875

00:33:29,570 --> 00:33:27,299

just who are the good Nazis and who are

876

00:33:31,970 --> 00:33:29,580

the bad Nazis because we never really

877

00:33:35,509 --> 00:33:31,980

cared about that he's sorting through

878

00:33:38,210 --> 00:33:35,519

who are the Nazis we can use and who are

879

00:33:40,370 --> 00:33:38,220

the Nazis we won't be able to use who

880

00:33:43,009 --> 00:33:40,380

are the Nazis who are even the worst or

881

00:33:44,169 --> 00:33:43,019

the worst but we don't want the Russians

882

00:33:46,549 --> 00:33:44,179

to get him

883

00:33:51,049 --> 00:33:46,559

undoubtedly this is the role that he

884

00:33:54,529 --> 00:33:51,059

plays and this informs this guy we think

885

00:33:57,289 --> 00:33:54,539

is so evil because he overthrows

886

00:34:00,310 --> 00:33:57,299

virtually every government Central and

887

00:34:03,110 --> 00:34:00,320

South America because he implements this

888

00:34:04,970 --> 00:34:03,120

nuclear destruction Mass nuclear

889

00:34:07,250 --> 00:34:04,980

destruction kind of thing because he's

890

00:34:09,409 --> 00:34:07,260

kind of Ruthless with foreign policy

891

00:34:11,930 --> 00:34:09,419

because he's all the things that you

892

00:34:13,129 --> 00:34:11,940

talked about in terms of lacking in

893

00:34:15,829 --> 00:34:13,139

compassion

894

00:34:16,669 --> 00:34:15,839

but when you talk to the guy he goes no

895

00:34:20,270 --> 00:34:16,679

man

896

00:34:21,589 --> 00:34:20,280

you don't get it I walked into the death

897

00:34:25,550 --> 00:34:21,599

camp

898

00:34:28,790 --> 00:34:25,560

I saw it there and I saw the people that

899

00:34:32,149 --> 00:34:28,800

did it and I saw the results and I know

900

00:34:35,690 --> 00:34:32,159

how bad it can get and I know what we're

901
00:34:39,070 --> 00:34:35,700
fighting for so you can argue that

902
00:34:41,930 --> 00:34:39,080
he forgets the true

903
00:34:45,290 --> 00:34:41,940
benevolence the true compassion the true

904
00:34:48,070 --> 00:34:45,300
love that is behind that

905
00:34:52,250 --> 00:34:48,080
but I think understanding

906
00:34:56,690 --> 00:34:52,260
that as that is America this guy

907
00:34:59,870 --> 00:34:56,700
embodies America and I'll stop there

908
00:35:02,210 --> 00:34:59,880
but it's interesting to note he is the

909
00:35:05,329 --> 00:35:02,220
most influential guy or one of the most

910
00:35:08,870 --> 00:35:05,339
influential guys in Claus Schwab's life

911
00:35:12,109 --> 00:35:08,880
other than maybe his father give me your

912
00:35:14,990 --> 00:35:12,119
understanding of how we relate that to

913
00:35:16,730 --> 00:35:15,000

this situation we find ourselves in

914

00:35:18,470 --> 00:35:16,740

well if I were to summarize the

915

00:35:21,770 --> 00:35:18,480

mentality that I'm hearing you describe

916

00:35:23,930 --> 00:35:21,780

it's that the ends justify the means and

917

00:35:27,109 --> 00:35:23,940

that can get to a point where the the

918

00:35:31,010 --> 00:35:27,119

underlying benevolence is lost

919

00:35:33,109 --> 00:35:31,020

and it can be it can be used as a

920

00:35:35,150 --> 00:35:33,119

rationale to do things that are

921

00:35:37,730 --> 00:35:35,160

horrific in some ways but the end

922

00:35:39,530 --> 00:35:37,740

results because from an elitist

923

00:35:41,810 --> 00:35:39,540

perspective we know what's best for

924

00:35:45,170 --> 00:35:41,820

others and therefore we can sacrifice a

925

00:35:46,370 --> 00:35:45,180

bit here does the end ever justify the

926
00:35:48,170 --> 00:35:46,380
means

927
00:35:50,089 --> 00:35:48,180
good question

928
00:35:51,730 --> 00:35:50,099
I don't I don't even think about it that

929
00:35:54,650 --> 00:35:51,740
way myself so I'm having trouble

930
00:35:57,050 --> 00:35:54,660
answering it I start from the lens of

931
00:35:58,670 --> 00:35:57,060
from the spiritual lens of who are we

932
00:35:59,810 --> 00:35:58,680
why are we here and then we should act

933
00:36:01,670 --> 00:35:59,820
accordingly

934
00:36:03,770 --> 00:36:01,680
rather than

935
00:36:05,390 --> 00:36:03,780
the pers I think the end justify the

936
00:36:08,150 --> 00:36:05,400
means has

937
00:36:10,670 --> 00:36:08,160
a bit of a lack of intellectual humility

938
00:36:13,310 --> 00:36:10,680

built into it it's the belief that we

939

00:36:14,630 --> 00:36:13,320

know what's best what result is best and

940

00:36:16,190 --> 00:36:14,640

therefore

941

00:36:17,089 --> 00:36:16,200

however we need to get there we can get

942

00:36:19,970 --> 00:36:17,099

there

943

00:36:23,210 --> 00:36:19,980

but Mark you you live I was thinking

944

00:36:24,589 --> 00:36:23,220

about that just this morning I was

945

00:36:27,530 --> 00:36:24,599

walking the dog

946

00:36:30,109 --> 00:36:27,540

beautiful day Southern California

947

00:36:33,290 --> 00:36:30,119

I'm down on the beach I have an

948

00:36:35,510 --> 00:36:33,300

incredibly beautiful life style I have a

949

00:36:36,650 --> 00:36:35,520

great family I have so many wonderful

950

00:36:40,250 --> 00:36:36,660

things

951
00:36:42,950 --> 00:36:40,260
if someone really sat me down and said

952
00:36:45,430 --> 00:36:42,960
bro Crow up

953
00:36:49,250 --> 00:36:45,440
you don't want to give any of that up

954
00:36:52,730 --> 00:36:49,260
here's what's necessary to maintain

955
00:36:55,730 --> 00:36:52,740
your lifestyle Drive 30 miles South Alex

956
00:36:57,290 --> 00:36:55,740
go to Tijuana do you want that you want

957
00:37:00,650 --> 00:36:57,300
that is that what you want

958
00:37:02,750 --> 00:37:00,660
oh man put me back put me back on the

959
00:37:04,190 --> 00:37:02,760
beach in Del Mar good point

960
00:37:06,230 --> 00:37:04,200
it's like where do you draw the line

961
00:37:07,910 --> 00:37:06,240
with these sorts of things it comes down

962
00:37:09,109 --> 00:37:07,920
to individual judgment ultimately and

963
00:37:11,510 --> 00:37:09,119

then you get into really spiritual

964

00:37:12,710 --> 00:37:11,520

philosophical questions about Free Will

965

00:37:14,690 --> 00:37:12,720

and where you make your decisions

966

00:37:16,130 --> 00:37:14,700

ultimately

967

00:37:18,950 --> 00:37:16,140

um and then how that

968

00:37:22,250 --> 00:37:18,960

that then spins into a discussion of

969

00:37:25,910 --> 00:37:23,870

which goes back to this notion of

970

00:37:26,750 --> 00:37:25,920

compassion with discernment that's where

971

00:37:28,130 --> 00:37:26,760

I land

972

00:37:29,630 --> 00:37:28,140

that you want to be compassionate and

973

00:37:31,550 --> 00:37:29,640

then you have to figure out

974

00:37:34,849 --> 00:37:31,560

where to go from there

975

00:37:37,730 --> 00:37:34,859

by your own judgment and it also gets

976
00:37:39,050 --> 00:37:37,740
back to to the weaponization word that

977
00:37:42,410 --> 00:37:39,060
you used

978
00:37:43,970 --> 00:37:42,420
because we'll tolerate a little bit of

979
00:37:50,150 --> 00:37:43,980
weaponization

980
00:37:51,589 --> 00:37:50,160
but I actually think that this is the

981
00:37:53,810 --> 00:37:51,599
dialogue

982
00:37:56,690 --> 00:37:53,820
that you and I are seeking

983
00:37:58,609 --> 00:37:56,700
not just for ourselves but this is the

984
00:38:02,690 --> 00:37:58,619
collective dialogue I think we're

985
00:38:05,270 --> 00:38:02,700
seeking we understand that America is

986
00:38:07,130 --> 00:38:05,280
flawed it's not perfect and that it's

987
00:38:08,510 --> 00:38:07,140
never been perfect

988
00:38:11,810 --> 00:38:08,520

but that

989

00:38:14,510 --> 00:38:11,820

it's our job to be that voice and say

990

00:38:18,890 --> 00:38:14,520

you know what we're going to fight for

991

00:38:21,349 --> 00:38:18,900

the best we can be in a in a compromised

992

00:38:23,569 --> 00:38:21,359

situation that we find ourselves in in a

993

00:38:25,490 --> 00:38:23,579

world of complex individuals with

994

00:38:27,950 --> 00:38:25,500

different motives and all the rest of

995

00:38:30,829 --> 00:38:27,960

that and you know you want to talk about

996

00:38:34,490 --> 00:38:30,839

uh globalization and you have some valid

997

00:38:36,829 --> 00:38:34,500

agenda items great but you know as you

998

00:38:38,750 --> 00:38:36,839

and I talked about on the last

999

00:38:39,710 --> 00:38:38,760

the last time we spoke one of the things

1000

00:38:41,810 --> 00:38:39,720

I really

1001
00:38:43,670 --> 00:38:41,820
like and respect about you is we kind of

1002
00:38:45,190 --> 00:38:43,680
came down to this truth thing and it's

1003
00:38:48,290 --> 00:38:45,200
like you know

1004
00:38:50,630 --> 00:38:48,300
unfortunately you can't really mess with

1005
00:38:54,589 --> 00:38:50,640
the truth and get where you want to be

1006
00:38:56,210 --> 00:38:54,599
you can't say you know I I I'll just

1007
00:38:58,550 --> 00:38:56,220
control the narrative people wouldn't

1008
00:39:01,550 --> 00:38:58,560
really understand people can't handle it

1009
00:39:03,230 --> 00:39:01,560
none of that ultimately Works does it no

1010
00:39:04,730 --> 00:39:03,240
because our decisions are based on the

1011
00:39:07,130 --> 00:39:04,740
information that we have and if the

1012
00:39:08,589 --> 00:39:07,140
information is not comprehensive then we

1013
00:39:10,849 --> 00:39:08,599

might make

1014

00:39:12,290 --> 00:39:10,859

sub-optimal decisions and that's where

1015

00:39:14,270 --> 00:39:12,300

the truth comes in and that's where I

1016

00:39:16,010 --> 00:39:14,280

mean my journey is it's based around

1017

00:39:17,870 --> 00:39:16,020

that trying to understand what's

1018

00:39:19,730 --> 00:39:17,880

actually going on in the world and

1019

00:39:22,250 --> 00:39:19,740

physically and metaphysically because

1020

00:39:23,569 --> 00:39:22,260

once I know have a better sense to the

1021

00:39:25,730 --> 00:39:23,579

answers to those questions then I can

1022

00:39:27,890 --> 00:39:25,740

know what to do and what my place is

1023

00:39:29,329 --> 00:39:27,900

but then on a micro level how do I make

1024

00:39:32,270 --> 00:39:29,339

decisions and how do I think about these

1025

00:39:33,410 --> 00:39:32,280

trade-offs of of like compassion with

1026

00:39:35,630 --> 00:39:33,420

discernment

1027

00:39:38,329 --> 00:39:35,640

so one of the

1028

00:39:39,589 --> 00:39:38,339

issues in researching all this stuff and

1029

00:39:40,670 --> 00:39:39,599

even talking about it is that we're

1030

00:39:43,010 --> 00:39:40,680

working with incomplete information

1031

00:39:44,990 --> 00:39:43,020

that's just part of life so we're trying

1032

00:39:47,510 --> 00:39:45,000

to draw inferences

1033

00:39:50,390 --> 00:39:47,520

but we don't know everything

1034

00:39:51,710 --> 00:39:50,400

and maybe even more troubling where we

1035

00:39:53,510 --> 00:39:51,720

started because I don't want to just

1036

00:39:55,310 --> 00:39:53,520

paint over this

1037

00:39:58,190 --> 00:39:55,320

what we do know

1038

00:40:00,290 --> 00:39:58,200

is really really troubling right because

1039

00:40:04,310 --> 00:40:00,300

the information that we that we do have

1040

00:40:06,230 --> 00:40:04,320

coming out of it is pretty darn scary

1041

00:40:09,710 --> 00:40:06,240

and stupid the thing that I always come

1042

00:40:12,650 --> 00:40:09,720

back to because science I think does

1043

00:40:14,930 --> 00:40:12,660

provide a shining light through this in

1044

00:40:18,770 --> 00:40:14,940

some ways but the light is being

1045

00:40:22,970 --> 00:40:18,780

obscured so the the pillars of the reset

1046

00:40:25,930 --> 00:40:22,980

are two things that stand on compromised

1047

00:40:28,670 --> 00:40:25,940

science junk science fake science

1048

00:40:32,569 --> 00:40:28,680

misrepresented science one is global

1049

00:40:35,810 --> 00:40:32,579

warming which if we have to explain to

1050

00:40:38,390 --> 00:40:35,820

you now what a sham it is it's you got

1051
00:40:39,410 --> 00:40:38,400
to go do the research but I'll tell you

1052
00:40:42,530 --> 00:40:39,420
this

1053
00:40:44,510 --> 00:40:42,540
put some ice in a glass and then sit

1054
00:40:49,310 --> 00:40:44,520
there and see that the water level rises

1055
00:40:53,329 --> 00:40:49,320
and then go ask chat GPT the new AI

1056
00:40:56,210 --> 00:40:53,339
Overlord what is the sea level rise in

1057
00:40:59,089 --> 00:40:56,220
the last hundred years in Boston Los

1058
00:41:03,170 --> 00:40:59,099
Angeles Miami all of them

1059
00:41:05,210 --> 00:41:03,180
virtually none so there I went ahead I

1060
00:41:07,069 --> 00:41:05,220
couldn't resist because people still

1061
00:41:08,630 --> 00:41:07,079
think you know still think global

1062
00:41:09,950 --> 00:41:08,640
warming is a real thing they even think

1063
00:41:12,890 --> 00:41:09,960

global warming is a real thing when

1064

00:41:15,470 --> 00:41:12,900

we've had 30 years of global warming

1065

00:41:18,770 --> 00:41:15,480

models that have completely failed the

1066

00:41:21,670 --> 00:41:18,780

point being that you and I are leery

1067

00:41:24,710 --> 00:41:21,680

right off the bat because the deception

1068

00:41:27,530 --> 00:41:24,720

begins their Cornerstone elements to

1069

00:41:29,630 --> 00:41:27,540

their whole program are deceptive global

1070

00:41:32,329 --> 00:41:29,640

warming and the other is the efficacy

1071

00:41:35,030 --> 00:41:32,339

and safety of vaccines which has been

1072

00:41:37,849 --> 00:41:35,040

completely dispelled I mean even their

1073

00:41:40,190 --> 00:41:37,859

own data is coming back now so if those

1074

00:41:43,750 --> 00:41:40,200

are the cornerstones that are really

1075

00:41:46,609 --> 00:41:43,760

advancing this from a scientific basis

1076

00:41:47,990 --> 00:41:46,619

man that's really scary isn't it right

1077

00:41:49,670 --> 00:41:48,000

so if we go back to this idea of

1078

00:41:51,109 --> 00:41:49,680

compassion with discernment we're

1079

00:41:52,670 --> 00:41:51,119

talking about discernment right now and

1080

00:41:54,470 --> 00:41:52,680

a lot of people's discernment is based

1081

00:41:56,690 --> 00:41:54,480

on facts that they believe to be true

1082

00:41:58,010 --> 00:41:56,700

certain assumptions and where those

1083

00:42:00,290 --> 00:41:58,020

assumptions coming from and why are they

1084

00:42:02,870 --> 00:42:00,300

to be trusted whether whether it's with

1085

00:42:04,910 --> 00:42:02,880

regard to climate change or vaccines or

1086

00:42:06,290 --> 00:42:04,920

Consciousness science all these things

1087

00:42:08,750 --> 00:42:06,300

were being presented with information

1088

00:42:10,550 --> 00:42:08,760

where if you investigate it beyond the

1089

00:42:12,890 --> 00:42:10,560

surface level it doesn't there seems to

1090

00:42:15,230 --> 00:42:12,900

be a lot more in the story consistently

1091

00:42:16,609 --> 00:42:15,240

and this is where it is very much an

1092

00:42:18,650 --> 00:42:16,619

information battle the more I look at

1093

00:42:20,030 --> 00:42:18,660

this because you get good people who

1094

00:42:21,650 --> 00:42:20,040

will support something that's not good

1095

00:42:23,690 --> 00:42:21,660

in the end because they're using

1096

00:42:25,490 --> 00:42:23,700

assumptions that aren't accurate I I

1097

00:42:26,990 --> 00:42:25,500

find myself right now in a more

1098

00:42:30,230 --> 00:42:27,000

pessimistic State than I have been

1099

00:42:32,630 --> 00:42:30,240

previously because of this very issue

1100

00:42:34,430 --> 00:42:32,640

of good people who I don't see looking

1101

00:42:37,550 --> 00:42:34,440

past the data that they're presented

1102

00:42:40,849 --> 00:42:37,560

with exactly so you know a few episodes

1103

00:42:42,290 --> 00:42:40,859

ago I interviewed Dr Bernardo Castro and

1104

00:42:45,230 --> 00:42:42,300

I think you and I have talked about this

1105

00:42:48,170 --> 00:42:45,240

fantastic guy on the Consciousness issue

1106

00:42:50,870 --> 00:42:48,180

one of the most clear thinkers and

1107

00:42:53,210 --> 00:42:50,880

writers on it completely shatters the

1108

00:42:55,870 --> 00:42:53,220

existing materialistic Paradigm which is

1109

00:42:57,890 --> 00:42:55,880

also totally a part of this

1110

00:42:59,630 --> 00:42:57,900

transhumanism agenda which is a

1111

00:43:01,730 --> 00:42:59,640

significant part of the Great reset so

1112

00:43:04,370 --> 00:43:01,740

that does fit in but then you pull

1113

00:43:06,829 --> 00:43:04,380

Bernardo over here and he's been totally

1114

00:43:08,990 --> 00:43:06,839

sucked into and he's a science guy he

1115

00:43:12,290 --> 00:43:09,000

should know better he's totally sucked

1116

00:43:15,410 --> 00:43:12,300

into the climate thing and as you as you

1117

00:43:17,510 --> 00:43:15,420

just said it's really really troubling

1118

00:43:19,130 --> 00:43:17,520

because we understand that you and I

1119

00:43:21,589 --> 00:43:19,140

especially because we're willing to go

1120

00:43:23,150 --> 00:43:21,599

and look at the conspiratorial side we

1121

00:43:25,370 --> 00:43:23,160

understand mind control we understand

1122

00:43:27,950 --> 00:43:25,380

Mass mind control we understand what it

1123

00:43:32,210 --> 00:43:27,960

can do to large groups and you say wow

1124

00:43:34,849 --> 00:43:32,220

it has penetrated this science Community

1125

00:43:36,410 --> 00:43:34,859

all the way up to the top where they

1126
00:43:39,290 --> 00:43:36,420
can't see it and even when you just give

1127
00:43:41,089 --> 00:43:39,300
them basic facts they just cannot

1128
00:43:43,550 --> 00:43:41,099
process it in the same way that we

1129
00:43:46,069 --> 00:43:43,560
always say oh you know the normies can't

1130
00:43:49,069 --> 00:43:46,079
see it it's like no man now it's like

1131
00:43:50,450 --> 00:43:49,079
some of the top science guys can't see

1132
00:43:52,609 --> 00:43:50,460
it you can't have an intelligent

1133
00:43:55,130 --> 00:43:52,619
conversation about this about climate

1134
00:43:58,670 --> 00:43:55,140
change I just heard Alexa Friedman just

1135
00:44:01,370 --> 00:43:58,680
did a four hour debate on climate

1136
00:44:02,750 --> 00:44:01,380
and it wasn't a debate he tried to make

1137
00:44:04,130 --> 00:44:02,760
it a debate at the beginning he goes

1138
00:44:06,650 --> 00:44:04,140

okay well you know there's some people

1139

00:44:08,150 --> 00:44:06,660

or you know I kind of think it's a

1140

00:44:10,010 --> 00:44:08,160

little bit alarmist on one side and

1141

00:44:11,329 --> 00:44:10,020

there's this is their middle ground he

1142

00:44:14,809 --> 00:44:11,339

hands it over to a guy from The New York

1143

00:44:17,990 --> 00:44:14,819

Times he goes oh no no no it's

1144

00:44:20,569 --> 00:44:18,000

there's no debate there's no scientific

1145

00:44:22,910 --> 00:44:20,579

debate about climate it's

1146

00:44:25,010 --> 00:44:22,920

how could there be no scientific debate

1147

00:44:26,750 --> 00:44:25,020

the technology for measuring the climate

1148

00:44:30,589 --> 00:44:26,760

has changed radically in the last 20

1149

00:44:34,010 --> 00:44:30,599

years how can you say that this

1150

00:44:36,650 --> 00:44:34,020

this is what's troubling to me too as

1151
00:44:40,670 --> 00:44:36,660
you just said because it's hard to see

1152
00:44:43,309 --> 00:44:40,680
how we get out of that what do you think

1153
00:44:44,930 --> 00:44:43,319
so two things come up for me one is the

1154
00:44:46,430 --> 00:44:44,940
fact that there are in my own journey

1155
00:44:49,069 --> 00:44:46,440
and probably for others too there are

1156
00:44:51,050 --> 00:44:49,079
multiple Paradigm shifts starting out as

1157
00:44:52,250 --> 00:44:51,060
a complete I'll call myself Normie but I

1158
00:44:54,470 --> 00:44:52,260
wasn't even

1159
00:44:55,430 --> 00:44:54,480
I didn't even have an enormy opinion I

1160
00:44:57,109 --> 00:44:55,440
just didn't care about anything other

1161
00:44:58,370 --> 00:44:57,119
than like what I was focused on in my

1162
00:45:00,170 --> 00:44:58,380
job I wasn't thinking about the world

1163
00:45:01,790 --> 00:45:00,180

comprehensively and I did have a

1164

00:45:03,410 --> 00:45:01,800

materialist perspective I thought life

1165

00:45:05,030 --> 00:45:03,420

was random and meaningless biological

1166

00:45:06,230 --> 00:45:05,040

robots in a meaningless Universe I

1167

00:45:08,030 --> 00:45:06,240

thought that's what science was teaching

1168

00:45:10,069 --> 00:45:08,040

us so my first Paradigm Shift was okay

1169

00:45:11,930 --> 00:45:10,079

that's wrong we live in a meaningful

1170

00:45:14,450 --> 00:45:11,940

Universe we're not just biological

1171

00:45:16,130 --> 00:45:14,460

robots post-materialism but that is

1172

00:45:17,390 --> 00:45:16,140

inadequate that's sort of like the

1173

00:45:18,829 --> 00:45:17,400

compassion part because once you get

1174

00:45:20,569 --> 00:45:18,839

there post materialists you see

1175

00:45:22,309 --> 00:45:20,579

interconnectivity you see love okay

1176

00:45:23,990 --> 00:45:22,319

great that's a huge part of it you get

1177

00:45:25,910 --> 00:45:24,000

to non-duality I think pretty easily

1178

00:45:28,250 --> 00:45:25,920

then the second paradigm shift is

1179

00:45:30,050 --> 00:45:28,260

understanding that the deception

1180

00:45:32,750 --> 00:45:30,060

that you've been covering so well in

1181

00:45:34,250 --> 00:45:32,760

your show and that's its own rabbit hole

1182

00:45:35,510 --> 00:45:34,260

but you got to have both Paradigm shifts

1183

00:45:36,950 --> 00:45:35,520

and maybe there are others too and there

1184

00:45:39,530 --> 00:45:36,960

are lots of sub Paradigm ships within

1185

00:45:41,750 --> 00:45:39,540

those and lots of things to discern and

1186

00:45:43,550 --> 00:45:41,760

that's where my pessimism is coming in

1187

00:45:45,170 --> 00:45:43,560

I'm seeing one paradigm shift or the

1188

00:45:47,210 --> 00:45:45,180

other I'm more focused on the the

1189

00:45:48,829 --> 00:45:47,220

post-materialist Paradigm people who got

1190

00:45:50,569 --> 00:45:48,839

that down then don't see the deception

1191

00:45:53,089 --> 00:45:50,579

because those people are really good and

1192

00:45:54,650 --> 00:45:53,099

I know they mean so well and how how

1193

00:45:56,450 --> 00:45:54,660

much good they could do if they saw past

1194

00:45:59,870 --> 00:45:56,460

some of the deception and there's a

1195

00:46:01,370 --> 00:45:59,880

there's a a psychological hurdle so I've

1196

00:46:03,829 --> 00:46:01,380

been thinking back to the interview that

1197

00:46:07,309 --> 00:46:03,839

was done in the 1980s With Yuri besmanov

1198

00:46:09,170 --> 00:46:07,319

allegedly an ex KGB guy I think there's

1199

00:46:10,849 --> 00:46:09,180

been some dispute about his history so I

1200

00:46:12,650 --> 00:46:10,859

haven't written about in my books but he

1201
00:46:14,150 --> 00:46:12,660
says some things that I ca that seem to

1202
00:46:16,910 --> 00:46:14,160
be right and he said it's called

1203
00:46:18,589 --> 00:46:16,920
ideological subversion you get people to

1204
00:46:19,970 --> 00:46:18,599
a point where they're so brainwashed

1205
00:46:21,710 --> 00:46:19,980
into looking at things a certain way

1206
00:46:23,390 --> 00:46:21,720
that they literally cannot see the other

1207
00:46:24,950 --> 00:46:23,400
side no matter how much data you present

1208
00:46:26,809 --> 00:46:24,960
them with I'm paraphrasing so an

1209
00:46:29,750 --> 00:46:26,819
interview I heard a while ago

1210
00:46:32,569 --> 00:46:29,760
but that is what I'm seeing there is a

1211
00:46:35,089 --> 00:46:32,579
psychological block and there there's

1212
00:46:37,730 --> 00:46:35,099
too much cognitive dissonance almost to

1213
00:46:39,170 --> 00:46:37,740

see through it I I experience this with

1214

00:46:40,370 --> 00:46:39,180

the Consciousness stuff you've done a

1215

00:46:42,109 --> 00:46:40,380

really good job covering this on your

1216

00:46:44,150 --> 00:46:42,119

show of people you present them with the

1217

00:46:46,010 --> 00:46:44,160

side data the statistical analysis

1218

00:46:47,870 --> 00:46:46,020

doesn't matter they're not going to see

1219

00:46:49,609 --> 00:46:47,880

through it but that goes along with this

1220

00:46:53,390 --> 00:46:49,619

deception Paradigm too that no matter

1221

00:46:54,710 --> 00:46:53,400

what you present they'll find a way to

1222

00:46:56,569 --> 00:46:54,720

um it's known as motivated reasoning

1223

00:46:58,790 --> 00:46:56,579

that's one of the psychological terms to

1224

00:47:01,010 --> 00:46:58,800

justify their position so let's take a

1225

00:47:02,150 --> 00:47:01,020

vaccination as an example I mean you

1226
00:47:04,970 --> 00:47:02,160
mentioned some of the data that's coming

1227
00:47:06,829 --> 00:47:04,980
out Dr Naomi wolf and her her group of

1228
00:47:07,670 --> 00:47:06,839
many volunteers recently published a

1229
00:47:10,790 --> 00:47:07,680
book

1230
00:47:13,370 --> 00:47:10,800
uh Pfizer wanted or the FDA wanted uh

1231
00:47:14,809 --> 00:47:13,380
Pfizer's documents to be hidden for 75

1232
00:47:16,609 --> 00:47:14,819
years and the court said no you've got

1233
00:47:18,530 --> 00:47:16,619
to release these documents so Dr Wolf

1234
00:47:20,510 --> 00:47:18,540
and her her colleagues that analyzed the

1235
00:47:22,250 --> 00:47:20,520
data it's now out in ebook and they show

1236
00:47:24,470 --> 00:47:22,260
there's all sorts of stuff that was not

1237
00:47:26,210 --> 00:47:24,480
told to the public so at the very least

1238
00:47:28,609 --> 00:47:26,220

you didn't have fully informed consent

1239

00:47:30,890 --> 00:47:28,619

and there's a lot of worse stuff there

1240

00:47:32,690 --> 00:47:30,900

um but with regard to vaccines people

1241

00:47:34,730 --> 00:47:32,700

could say well yeah the vaccines came

1242

00:47:36,470 --> 00:47:34,740

out and Yeah there have been some side

1243

00:47:38,329 --> 00:47:36,480

effects but look we're kind of out of

1244

00:47:40,010 --> 00:47:38,339

covet they can do this correlation

1245

00:47:42,230 --> 00:47:40,020

causation thing and like yeah we needed

1246

00:47:43,790 --> 00:47:42,240

the vaccines that's one example out of

1247

00:47:45,410 --> 00:47:43,800

many you can always try to create a

1248

00:47:47,390 --> 00:47:45,420

rationale and that's what I see happen

1249

00:47:50,150 --> 00:47:47,400

it's like this mental gymnastics that

1250

00:47:51,410 --> 00:47:50,160

always occurs to try to try to remove

1251

00:47:52,849 --> 00:47:51,420

the possibility that we're being

1252

00:47:54,770 --> 00:47:52,859

actively deceived

1253

00:47:59,870 --> 00:47:54,780

there's so many points I'd love to talk

1254

00:48:01,309 --> 00:47:59,880

about the the post materialist kind of a

1255

00:48:03,230 --> 00:48:01,319

deception there because you've put your

1256

00:48:04,430 --> 00:48:03,240

finger on something that I I never get a

1257

00:48:06,470 --> 00:48:04,440

chance to talk about we'll have to do it

1258

00:48:07,670 --> 00:48:06,480

now but you know what's kind of funny to

1259

00:48:09,650 --> 00:48:07,680

me is

1260

00:48:10,970 --> 00:48:09,660

and that's where I think Lex Friedman is

1261

00:48:12,230 --> 00:48:10,980

a really interesting guy and I think his

1262

00:48:13,670 --> 00:48:12,240

heart is totally in the right place but

1263

00:48:15,950 --> 00:48:13,680

I think he's totally missing the point

1264

00:48:18,710 --> 00:48:15,960

but they're tying it to AI now you know

1265

00:48:21,770 --> 00:48:18,720

again and again it's like oh it's great

1266

00:48:25,130 --> 00:48:21,780

you know they're you can be non-dual and

1267

00:48:27,770 --> 00:48:25,140

you can get past materialism and it's AI

1268

00:48:30,349 --> 00:48:27,780

because that's you know and it's like

1269

00:48:32,990 --> 00:48:30,359

bro you come out miss the whole boat

1270

00:48:35,990 --> 00:48:33,000

there the point is that Consciousness is

1271

00:48:38,930 --> 00:48:36,000

is proven to be outside of space-time

1272

00:48:41,930 --> 00:48:38,940

silicone computers AI is by definition

1273

00:48:43,609 --> 00:48:41,940

in space-time you're trying to make one

1274

00:48:46,730 --> 00:48:43,619

of these leaps you're trying to do one

1275

00:48:49,309 --> 00:48:46,740

of these global warming thing just say

1276

00:48:51,530 --> 00:48:49,319

it and never have to show any any reason

1277

00:48:52,910 --> 00:48:51,540

or Logic for it you know like I just

1278

00:48:54,829 --> 00:48:52,920

think it's

1279

00:48:57,650 --> 00:48:54,839

it's really really

1280

00:48:59,990 --> 00:48:57,660

strange to see the game

1281

00:49:01,190 --> 00:49:00,000

the game it's played and then I don't

1282

00:49:03,230 --> 00:49:01,200

know if we're gonna be able to spin all

1283

00:49:05,030 --> 00:49:03,240

this back together because all that

1284

00:49:08,329 --> 00:49:05,040

relates back to me to the very first

1285

00:49:12,370 --> 00:49:08,339

point you made in this section about

1286

00:49:17,150 --> 00:49:12,380

what is behind that what is the

1287

00:49:21,050 --> 00:49:17,160

satanic luciferian Promethean

1288

00:49:24,829 --> 00:49:21,060

drive to control to control to what to

1289

00:49:28,250 --> 00:49:24,839

control to dominate for only for the

1290

00:49:31,370 --> 00:49:28,260

sake of that you know that's

1291

00:49:33,890 --> 00:49:31,380

that's what I think really troubles you

1292

00:49:35,630 --> 00:49:33,900

and I about this from an evil standpoint

1293

00:49:38,030 --> 00:49:35,640

and I think

1294

00:49:39,950 --> 00:49:38,040

for many people it's hard to relate to

1295

00:49:41,510 --> 00:49:39,960

how troubled we are because many people

1296

00:49:43,370 --> 00:49:41,520

I'm fighting have not looked at the

1297

00:49:45,050 --> 00:49:43,380

really really dark stuff if you listen

1298

00:49:46,430 --> 00:49:45,060

to the Survivor stories you interviewed

1299

00:49:48,170 --> 00:49:46,440

Annika Lucas she has a new book out

1300

00:49:49,430 --> 00:49:48,180

which when I read these Survivor stories

1301

00:49:50,809 --> 00:49:49,440

for some reason I can't stop reading

1302

00:49:52,550 --> 00:49:50,819

them they're complete page Turners even

1303

00:49:54,950 --> 00:49:52,560

though it's horrific like you just want

1304

00:49:56,510 --> 00:49:54,960

to understand this dark mentality and

1305

00:49:58,190 --> 00:49:56,520

that's why I start I probably overshot

1306

00:50:00,230 --> 00:49:58,200

the evil in the beginning because that's

1307

00:50:02,329 --> 00:50:00,240

where my mind goes we have some extreme

1308

00:50:04,250 --> 00:50:02,339

examples of the most evil at least I've

1309

00:50:06,349 --> 00:50:04,260

come across of wanting to violate

1310

00:50:08,150 --> 00:50:06,359

another human or another living being to

1311

00:50:09,890 --> 00:50:08,160

just torture something where does that

1312

00:50:11,690 --> 00:50:09,900

come from it seems so counter to this

1313

00:50:13,609 --> 00:50:11,700

benevolence so trying to understand

1314

00:50:15,589 --> 00:50:13,619

where that comes from because it exists

1315

00:50:17,329 --> 00:50:15,599

and that's the key that it exists even

1316

00:50:19,609 --> 00:50:17,339

though we're in a non-dual reality there

1317

00:50:21,589 --> 00:50:19,619

is this dark light too we can't ignore

1318

00:50:23,809 --> 00:50:21,599

that so

1319

00:50:25,490 --> 00:50:23,819

and just interject because I want you to

1320

00:50:27,349 --> 00:50:25,500

pick up in this as you pointed out and

1321

00:50:30,410 --> 00:50:27,359

this is like so important and then we'll

1322

00:50:32,569 --> 00:50:30,420

tie it back to uh Klaus Schwab it's you

1323

00:50:35,329 --> 00:50:32,579

want to trace the history on this this

1324

00:50:38,030 --> 00:50:35,339

goes way back man yeah this ain't no uh

1325

00:50:41,450 --> 00:50:38,040

Nazis invented it kind of thing no no no

1326

00:50:43,550 --> 00:50:41,460

no no it goes Way Way Back

1327

00:50:46,430 --> 00:50:43,560

yeah I mean there's stories about

1328

00:50:47,690 --> 00:50:46,440

sacrifice in the Bible the Aztecs and

1329

00:50:49,790 --> 00:50:47,700

then if you want to look at some of the

1330

00:50:51,410 --> 00:50:49,800

scriptures the nag hamadi scriptures my

1331

00:50:53,870 --> 00:50:51,420

mind keeps going back to those so these

1332

00:50:55,549 --> 00:50:53,880

were found in 1945 in a jar in Egypt

1333

00:50:57,049 --> 00:50:55,559

bound books that were written in the

1334

00:50:59,150 --> 00:50:57,059

second third fourth Century A.D

1335

00:51:01,490 --> 00:50:59,160

approximately translated to English in

1336

00:51:02,930 --> 00:51:01,500

the late 1970s to somewhat new and they

1337

00:51:04,069 --> 00:51:02,940

talk about origin stories they talk

1338

00:51:06,049 --> 00:51:04,079

about a lot of other stuff too with

1339

00:51:08,210 --> 00:51:06,059

regard to Jesus and things like that but

1340

00:51:09,230 --> 00:51:08,220

I've honed in On the Origin stories of

1341

00:51:10,430 --> 00:51:09,240

like you know because I want to

1342

00:51:12,650 --> 00:51:10,440

understand what are we doing here and so

1343

00:51:14,030 --> 00:51:12,660

it's interesting to see oh wow they

1344

00:51:15,770 --> 00:51:14,040

um these were heretical teachings

1345

00:51:17,329 --> 00:51:15,780

apparently the the people who believed

1346

00:51:19,609 --> 00:51:17,339

in it had to hide this stuff in a jar

1347

00:51:20,990 --> 00:51:19,619

why did they have to hide it so that it

1348

00:51:22,430 --> 00:51:21,000

goes something like this my

1349

00:51:24,049 --> 00:51:22,440

understanding of some of the stories and

1350

00:51:25,790 --> 00:51:24,059

so there's the secret Gospel of John

1351
00:51:27,290 --> 00:51:25,800
there's another one called on the origin

1352
00:51:29,150 --> 00:51:27,300
of the world and another called the

1353
00:51:31,670 --> 00:51:29,160
nature of the rulers and they talk about

1354
00:51:34,309 --> 00:51:31,680
a similar cosmology that there was one

1355
00:51:36,049 --> 00:51:34,319
so Oneness and to me that aligns with my

1356
00:51:37,670 --> 00:51:36,059
metaphysics of non-duality but then

1357
00:51:39,770 --> 00:51:37,680
there were individuations that spawned

1358
00:51:41,870 --> 00:51:39,780
off of that one they call them in one of

1359
00:51:43,370 --> 00:51:41,880
the books luminaries and from what those

1360
00:51:46,430 --> 00:51:43,380
luminaries there was a being named

1361
00:51:48,349 --> 00:51:46,440
Sophia and Sophia had a rogue son known

1362
00:51:49,790 --> 00:51:48,359
as the demiur Giada bayaf goes by

1363
00:51:52,730 --> 00:51:49,800

different names and that Rogue son

1364

00:51:54,770 --> 00:51:52,740

created a realm in which the humans

1365

00:51:56,390 --> 00:51:54,780

exist and the humans have the Divine

1366

00:51:58,309 --> 00:51:56,400

spark that connects to the outside of

1367

00:52:00,170 --> 00:51:58,319

that realm the Oneness but the humans

1368

00:52:01,970 --> 00:52:00,180

were kept in a state of ignorance they

1369

00:52:03,770 --> 00:52:01,980

used the term the imprisonment of

1370

00:52:05,030 --> 00:52:03,780

humanity and a quote I think I mentioned

1371

00:52:06,829 --> 00:52:05,040

this in a prior interview but I'll say

1372

00:52:08,990 --> 00:52:06,839

it again because it's so profound that

1373

00:52:10,549 --> 00:52:09,000

it goes something like this the rulers

1374

00:52:12,349 --> 00:52:10,559

through Humanity into a state of

1375

00:52:13,910 --> 00:52:12,359

confusion and toil so that they would be

1376
00:52:15,950 --> 00:52:13,920
distracted with the things of the world

1377
00:52:17,510 --> 00:52:15,960
and not have the time to be occupied

1378
00:52:19,309 --> 00:52:17,520
with the Holy Spirit

1379
00:52:20,750 --> 00:52:19,319
so if you think about that sort of a

1380
00:52:23,390 --> 00:52:20,760
cosmology

1381
00:52:24,890 --> 00:52:23,400
it just lines up the data lines up that

1382
00:52:27,950 --> 00:52:24,900
there's some kind of a suppression of

1383
00:52:30,230 --> 00:52:27,960
humanity by darker forces that exist

1384
00:52:32,569 --> 00:52:30,240
within the overall benevolence that

1385
00:52:35,089 --> 00:52:32,579
we're trying to transcend and that just

1386
00:52:36,470 --> 00:52:35,099
Rings true to me with when we see all

1387
00:52:37,910 --> 00:52:36,480
this happening in the world and probably

1388
00:52:39,770 --> 00:52:37,920

what motivates me to write these books

1389

00:52:42,049 --> 00:52:39,780

especially when I see the great reset I

1390

00:52:43,970 --> 00:52:42,059

see the metaphysical thread if this

1391

00:52:46,490 --> 00:52:43,980

stuff goes in the most negative

1392

00:52:47,990 --> 00:52:46,500

Direction possible the suppression of

1393

00:52:49,430 --> 00:52:48,000

humanity the suppression of our own

1394

00:52:50,990 --> 00:52:49,440

Divinity both in terms of the

1395

00:52:52,790 --> 00:52:51,000

information we're exposed to but

1396

00:52:55,730 --> 00:52:52,800

possibly genetically with transhumanism

1397

00:52:57,710 --> 00:52:55,740

altering DNA what does that mean merging

1398

00:52:59,270 --> 00:52:57,720

humans with the AI what does that mean

1399

00:53:01,970 --> 00:52:59,280

in terms of possibly suppressing our

1400

00:53:05,270 --> 00:53:01,980

spirituality that's how I look at it I'm

1401
00:53:07,250 --> 00:53:05,280
with you I just I I'm gonna look at the

1402
00:53:10,370 --> 00:53:07,260
I'm going to look at the that lens of

1403
00:53:12,589 --> 00:53:10,380
history as more of a glass half full the

1404
00:53:15,410 --> 00:53:12,599
light is always shining a somehow or

1405
00:53:17,390 --> 00:53:15,420
another the the light continues to shine

1406
00:53:20,030 --> 00:53:17,400
through the darkness in a way that makes

1407
00:53:23,390 --> 00:53:20,040
you think that that is part of the job

1408
00:53:25,910 --> 00:53:23,400
of this play that we're all in let's tie

1409
00:53:27,410 --> 00:53:25,920
it back to because I think this is super

1410
00:53:29,329 --> 00:53:27,420
relevant to the conversation we're

1411
00:53:32,390 --> 00:53:29,339
having about the great reset it's about

1412
00:53:34,609 --> 00:53:32,400
the the town of ravenburg where uh

1413
00:53:37,130 --> 00:53:34,619

Claude Schwab is from

1414

00:53:40,670 --> 00:53:37,140

and if you look at uh you've referenced

1415

00:53:43,910 --> 00:53:40,680

that Johnny did this kind of very very

1416

00:53:46,010 --> 00:53:43,920

impressive investigative journalistic

1417

00:53:48,049 --> 00:53:46,020

tracing of his background right because

1418

00:53:50,390 --> 00:53:48,059

it's an awesome part impossible to find

1419

00:53:52,910 --> 00:53:50,400

Schwab is a super common German name

1420

00:53:55,010 --> 00:53:52,920

there's a whole schwabian area of

1421

00:53:56,990 --> 00:53:55,020

Germany you know but he did it and he

1422

00:53:58,490 --> 00:53:57,000

and he found out where he's from and a

1423

00:54:00,829 --> 00:53:58,500

couple things emerge from that and one

1424

00:54:02,030 --> 00:54:00,839

you can hear on the the Greg carlwood On

1425

00:54:04,130 --> 00:54:02,040

The Higher Side chats kind of brought

1426

00:54:07,190 --> 00:54:04,140

this up and other people have said it in

1427

00:54:09,109 --> 00:54:07,200

the in the conspiracy Community but it

1428

00:54:13,370 --> 00:54:09,119

doesn't get much play is that

1429

00:54:15,710 --> 00:54:13,380

but clearly there's Jewish ancestry in

1430

00:54:17,809 --> 00:54:15,720

uh Claus Schwab's background doesn't

1431

00:54:19,730 --> 00:54:17,819

mean that he's necessarily Jewish but I

1432

00:54:21,890 --> 00:54:19,740

think it's like his grandfather was

1433

00:54:23,809 --> 00:54:21,900

married to a Jewish woman or you know

1434

00:54:26,270 --> 00:54:23,819

second marriage and there's these names

1435

00:54:28,549 --> 00:54:26,280

that are very very Jewish I think none

1436

00:54:30,230 --> 00:54:28,559

of that stuff matters in the least in

1437

00:54:32,630 --> 00:54:30,240

the least but it matters to a lot of

1438

00:54:35,390 --> 00:54:32,640

people and it matters if you're in that

1439

00:54:37,609 --> 00:54:35,400

time frame in Germany in terms of how

1440

00:54:39,710 --> 00:54:37,619

what you want to scrub your your

1441

00:54:42,109 --> 00:54:39,720

background so that's the way that it

1442

00:54:44,530 --> 00:54:42,119

matters to me and it particularly

1443

00:54:47,210 --> 00:54:44,540

matters in this place that they're in

1444

00:54:50,230 --> 00:54:47,220

ravensburg or Klaus Schwab is from

1445

00:54:51,910 --> 00:54:50,240

because they have this like incredible

1446

00:54:54,770 --> 00:54:51,920

insane

1447

00:54:57,650 --> 00:54:54,780

anti-semitic past going back to like the

1448

00:54:59,750 --> 00:54:57,660

13th century and they throw all the Jews

1449

00:55:02,569 --> 00:54:59,760

out and they make it against the law for

1450

00:55:04,609 --> 00:55:02,579

a Jewish person to ever walk into town

1451
00:55:06,770 --> 00:55:04,619
and then they accuse him of this thing

1452
00:55:09,190 --> 00:55:06,780
called blood libel and I think this

1453
00:55:12,049 --> 00:55:09,200
relates right back to our story they say

1454
00:55:14,089 --> 00:55:12,059
these dirty Jews you know what they're

1455
00:55:16,309 --> 00:55:14,099
doing they're getting together and they

1456
00:55:19,430 --> 00:55:16,319
have these rituals where they get these

1457
00:55:21,650 --> 00:55:19,440
kids and they sacrifice these kids so

1458
00:55:23,930 --> 00:55:21,660
they're they're completely fabricating

1459
00:55:26,329 --> 00:55:23,940
this thing but how are they doing it

1460
00:55:29,210 --> 00:55:26,339
they're doing it in a way that resonates

1461
00:55:30,890 --> 00:55:29,220
with this dark evil that we know exists

1462
00:55:32,450 --> 00:55:30,900
we know for hundreds of years for

1463
00:55:34,430 --> 00:55:32,460

thousands of years kids have been

1464

00:55:37,670 --> 00:55:34,440

sacrificed they've taken them right out

1465

00:55:39,470 --> 00:55:37,680

of the mother's arms and gone and killed

1466

00:55:41,390 --> 00:55:39,480

them for some reason and it just gets us

1467

00:55:42,950 --> 00:55:41,400

at the deepest level it's kind of like

1468

00:55:45,530 --> 00:55:42,960

this

1469

00:55:47,930 --> 00:55:45,540

darkest darkest thing and they do that

1470

00:55:50,569 --> 00:55:47,940

and the Nazis reboot that too that

1471

00:55:54,470 --> 00:55:50,579

becomes part of their uh accusation

1472

00:55:57,230 --> 00:55:54,480

against the Jews so what what really I

1473

00:56:00,650 --> 00:55:57,240

thought was was so interesting about all

1474

00:56:03,109 --> 00:56:00,660

that is how it relates to

1475

00:56:05,630 --> 00:56:03,119

what we're really talking about in terms

1476

00:56:07,609 --> 00:56:05,640

of evil but also

1477

00:56:10,190 --> 00:56:07,619

how I think we're getting the narrative

1478

00:56:11,690 --> 00:56:10,200

wrong because the thing you most often

1479

00:56:13,309 --> 00:56:11,700

hear about Claus Schwab and

1480

00:56:15,470 --> 00:56:13,319

unfortunately this is the conclusion I

1481

00:56:16,609 --> 00:56:15,480

heard from uh johnnyvedmore is that he's

1482

00:56:20,089 --> 00:56:16,619

a Nazi

1483

00:56:22,849 --> 00:56:20,099

and uh there's like some evidence that

1484

00:56:26,329 --> 00:56:22,859

clearly his father who is

1485

00:56:30,890 --> 00:56:26,339

running this very successful is running

1486

00:56:33,530 --> 00:56:30,900

this turbine plant that becomes a key to

1487

00:56:35,210 --> 00:56:33,540

the Nazi business infrastructure but

1488

00:56:37,430 --> 00:56:35,220

it's like a large manufacturing plant

1489

00:56:38,930 --> 00:56:37,440

back then in Germany you know the Nazis

1490

00:56:41,630 --> 00:56:38,940

take over what are you going to do you

1491

00:56:43,130 --> 00:56:41,640

got you you either could fold up the

1492

00:56:44,750 --> 00:56:43,140

whole thing and they can kill you and

1493

00:56:46,910 --> 00:56:44,760

put somebody else in there or you keep

1494

00:56:48,710 --> 00:56:46,920

making the turbines and that's what he

1495

00:56:51,290 --> 00:56:48,720

does but I think there's there's been

1496

00:56:53,630 --> 00:56:51,300

this kind of underlying current about

1497

00:56:55,549 --> 00:56:53,640

claw Schwab that he was somehow a Nazi

1498

00:56:57,890 --> 00:56:55,559

there's no evidence for that the

1499

00:57:00,290 --> 00:56:57,900

evidence instead is that

1500

00:57:03,410 --> 00:57:00,300

back to tying back to another thing that

1501
00:57:05,870 --> 00:57:03,420
he's Henry Kissinger he gets picked by

1502
00:57:08,150 --> 00:57:05,880
Henry Kissinger to come to Harvard and

1503
00:57:13,849 --> 00:57:08,160
be in the young global leaders program

1504
00:57:16,730 --> 00:57:13,859
number one run by the CIA which says

1505
00:57:19,430 --> 00:57:16,740
that we want to get the best global

1506
00:57:22,910 --> 00:57:19,440
leaders in the world and we want to

1507
00:57:27,130 --> 00:57:22,920
indoctrinate them with the CIA

1508
00:57:31,250 --> 00:57:27,140
make America Empire great again thing

1509
00:57:34,430 --> 00:57:31,260
and that becomes that's becomes Klaus

1510
00:57:37,609 --> 00:57:34,440
Schwab's lens to the world and when he

1511
00:57:40,549 --> 00:57:37,619
goes back to uh Germany and he takes

1512
00:57:44,329 --> 00:57:40,559
over his father's plant that becomes his

1513
00:57:46,430 --> 00:57:44,339

lens and where I take that is that I

1514

00:57:48,410 --> 00:57:46,440

have to wonder if it's a long long and I

1515

00:57:49,970 --> 00:57:48,420

appreciate you just let me talk this out

1516

00:57:51,650 --> 00:57:49,980

because that's what I feel like I'm

1517

00:57:55,010 --> 00:57:51,660

doing here we're doing together but

1518

00:57:57,349 --> 00:57:55,020

that's kind of the part that makes me a

1519

00:58:00,170 --> 00:57:57,359

little bit less scared of this whole

1520

00:58:01,370 --> 00:58:00,180

thing because at some level it starts

1521

00:58:05,510 --> 00:58:01,380

looking like

1522

00:58:08,450 --> 00:58:05,520

a CIA operation that we've we may not

1523

00:58:10,309 --> 00:58:08,460

like or we may not be in favor of for

1524

00:58:12,710 --> 00:58:10,319

all the reasons that we said but we're

1525

00:58:14,750 --> 00:58:12,720

sure as hell familiar with it so a few

1526

00:58:16,490 --> 00:58:14,760

things taking notes Here I want to

1527

00:58:18,290 --> 00:58:16,500

piggyback off of your glass half full

1528

00:58:20,390 --> 00:58:18,300

with regards to the nagamati scriptures

1529

00:58:21,890 --> 00:58:20,400

they end in on a positive light and I

1530

00:58:23,510 --> 00:58:21,900

mentioned this in my contact book they

1531

00:58:26,210 --> 00:58:23,520

say that the light ultimately prevails

1532

00:58:28,010 --> 00:58:26,220

in spite of the darkness but going back

1533

00:58:30,250 --> 00:58:28,020

to your other points about Kissinger and

1534

00:58:33,109 --> 00:58:30,260

Klaus Schwab and all that

1535

00:58:35,150 --> 00:58:33,119

you're pointing to something a broader

1536

00:58:36,770 --> 00:58:35,160

phenomenon I'm seeing a lot in the let's

1537

00:58:38,390 --> 00:58:36,780

just call it the community of people

1538

00:58:41,690 --> 00:58:38,400

seeking the truth who are looking at

1539

00:58:43,730 --> 00:58:41,700

various conspiracies is is drawing

1540

00:58:46,190 --> 00:58:43,740

inferences off of too little too little

1541

00:58:47,569 --> 00:58:46,200

data like when seeing the two things are

1542

00:58:48,589 --> 00:58:47,579

somewhat connected and then saying oh

1543

00:58:52,069 --> 00:58:48,599

these people are automatically

1544

00:58:54,710 --> 00:58:52,079

conspiring or Klaus Schwab has a Nazi

1545

00:58:56,750 --> 00:58:54,720

background and therefore he is a Nazi

1546

00:58:58,730 --> 00:58:56,760

drawing that therefore too quickly

1547

00:59:00,289 --> 00:58:58,740

that's something that happens very often

1548

00:59:01,309 --> 00:59:00,299

and I personally I mean there's a

1549

00:59:02,990 --> 00:59:01,319

tendency to want to do that without

1550

00:59:04,849 --> 00:59:03,000

having complete information we have to

1551
00:59:06,829 --> 00:59:04,859
be really careful about drawing those

1552
00:59:09,049 --> 00:59:06,839
conclusions now with regard to your

1553
00:59:10,849 --> 00:59:09,059
comment about not being worried about

1554
00:59:13,130 --> 00:59:10,859
the great reset because maybe it is a

1555
00:59:15,650 --> 00:59:13,140
CIA op at its core

1556
00:59:18,109 --> 00:59:15,660
um my concern goes back to what I said

1557
00:59:20,210 --> 00:59:18,119
before I'm less concerned about the evil

1558
00:59:21,950 --> 00:59:20,220
from the great reset itself I'm more

1559
00:59:24,829 --> 00:59:21,960
concerned about the good people who are

1560
00:59:27,650 --> 00:59:24,839
going to support more control and how

1561
00:59:29,450 --> 00:59:27,660
Darkness can spiral within that when you

1562
00:59:32,569 --> 00:59:29,460
have centralized power

1563
00:59:34,970 --> 00:59:32,579

so to me it's it's more about

1564

00:59:36,289 --> 00:59:34,980

a direction for society whether we call

1565

00:59:38,510 --> 00:59:36,299

it the great reset or something else

1566

00:59:40,609 --> 00:59:38,520

whether it's CIA or something else it

1567

00:59:42,890 --> 00:59:40,619

has the Hallmarks to me a potential

1568

00:59:44,809 --> 00:59:42,900

Darkness because it's about control and

1569

00:59:47,030 --> 00:59:44,819

that's where it leads so that's where

1570

00:59:49,370 --> 00:59:47,040

I'm in some ways I share your optimism

1571

00:59:51,950 --> 00:59:49,380

and that it's not like maybe this Grand

1572

00:59:54,530 --> 00:59:51,960

satanic plan at its core like explicitly

1573

00:59:56,390 --> 00:59:54,540

but it could turn into that because the

1574

00:59:58,010 --> 00:59:56,400

ideology lends itself to those sorts of

1575

00:59:59,510 --> 00:59:58,020

things and then we come back to our our

1576

01:00:02,270 --> 00:59:59,520

prior discussion about good people

1577

01:00:04,069 --> 01:00:02,280

falling for it and that's where I just I

1578

01:00:05,150 --> 01:00:04,079

can't get out of that loop as we're

1579

01:00:07,130 --> 01:00:05,160

having this conversation right now

1580

01:00:09,829 --> 01:00:07,140

that's like my current obsession is is

1581

01:00:12,289 --> 01:00:09,839

the good people who aren't seeing it so

1582

01:00:13,609 --> 01:00:12,299

that that still is a risk to me I think

1583

01:00:15,109 --> 01:00:13,619

that's really interesting we are going

1584

01:00:17,450 --> 01:00:15,119

around but I think every time we go

1585

01:00:19,490 --> 01:00:17,460

around we're hooking on to a new piece

1586

01:00:21,650 --> 01:00:19,500

of it because I'm going to go around to

1587

01:00:23,990 --> 01:00:21,660

it and latch on to what you said about

1588

01:00:26,990 --> 01:00:24,000

compassion because I think

1589

01:00:30,230 --> 01:00:27,000

to whatever extent this journey that

1590

01:00:32,809 --> 01:00:30,240

we're on down here in this space time is

1591

01:00:34,970 --> 01:00:32,819

about uh anything from a lesson

1592

01:00:36,890 --> 01:00:34,980

standpoint it's about

1593

01:00:39,109 --> 01:00:36,900

how to be compassion and how to be

1594

01:00:41,210 --> 01:00:39,119

compassionate in the face of all the

1595

01:00:42,829 --> 01:00:41,220

complexities that we're talking about

1596

01:00:46,730 --> 01:00:42,839

and that's what I think you're trying to

1597

01:00:50,390 --> 01:00:46,740

kind of suss out in a really uh

1598

01:00:52,609 --> 01:00:50,400

in a really good way and that's so how

1599

01:00:54,950 --> 01:00:52,619

that I think applies here is

1600

01:00:57,049 --> 01:00:54,960

I'd come back to this thing if someone

1601
01:00:59,210 --> 01:00:57,059
explained it to you

1602
01:01:01,789 --> 01:00:59,220
in terms of

1603
01:01:03,349 --> 01:01:01,799
kind of a global politics thing and

1604
01:01:04,789 --> 01:01:03,359
that's why I think the Putin thing and

1605
01:01:07,130 --> 01:01:04,799
the Russian thing is so interesting

1606
01:01:10,250 --> 01:01:07,140
because he was in the club right like

1607
01:01:12,589 --> 01:01:10,260
you said he was a young Global leader he

1608
01:01:15,770 --> 01:01:12,599
scratched he he's now attempted to be

1609
01:01:17,809 --> 01:01:15,780
erased from that part of the world

1610
01:01:20,870 --> 01:01:17,819
economic Forum because he's not exactly

1611
01:01:23,990 --> 01:01:20,880
doing what they want right now so

1612
01:01:27,170 --> 01:01:24,000
if we look at it from a global world

1613
01:01:29,690 --> 01:01:27,180

political standpoint it has these

1614

01:01:34,010 --> 01:01:29,700

different nuanced points that we return

1615

01:01:37,549 --> 01:01:34,020

to which is like hey Mark look you don't

1616

01:01:41,089 --> 01:01:37,559

want Russia to win and you don't want

1617

01:01:43,970 --> 01:01:41,099

China to win so this is the chess move

1618

01:01:46,730 --> 01:01:43,980

mark this is how we go because

1619

01:01:51,109 --> 01:01:46,740

if you if you just and again you can't

1620

01:01:53,569 --> 01:01:51,119

help but be condescending uh to to the

1621

01:01:55,490 --> 01:01:53,579

masses because that's where you get when

1622

01:01:58,309 --> 01:01:55,500

you have these conversations but that

1623

01:02:00,950 --> 01:01:58,319

same guy says because look you know that

1624

01:02:03,109 --> 01:02:00,960

people are easily manipulated and you

1625

01:02:05,750 --> 01:02:03,119

know that that whole commie thing is

1626
01:02:08,569 --> 01:02:05,760
very attractive to people so what we're

1627
01:02:11,270 --> 01:02:08,579
going to do is kind of co-opt it and one

1628
01:02:14,150 --> 01:02:11,280
up it we're going to call it Universal

1629
01:02:16,970 --> 01:02:14,160
basic income we're going to call it you

1630
01:02:19,430 --> 01:02:16,980
know protect your protect the

1631
01:02:24,109 --> 01:02:19,440
environment we're going to call it

1632
01:02:26,569 --> 01:02:24,119
protect your your your safety and we're

1633
01:02:29,150 --> 01:02:26,579
going to do that as a stop Gap because

1634
01:02:31,069 --> 01:02:29,160
otherwise this Kami thing we already

1635
01:02:32,930 --> 01:02:31,079
know it looks it looks attractive to

1636
01:02:36,470 --> 01:02:32,940
people so this is this is our chess move

1637
01:02:37,609 --> 01:02:36,480
Mark what do you think I don't like it I

1638
01:02:39,349 --> 01:02:37,619

don't know if this is what you're asking

1639

01:02:41,390 --> 01:02:39,359

but this is where my mind goes as I was

1640

01:02:44,030 --> 01:02:41,400

listening to you talk I'm asking myself

1641

01:02:46,670 --> 01:02:44,040

how is it that metaphysical evil

1642

01:02:48,470 --> 01:02:46,680

manifests in our world

1643

01:02:49,970 --> 01:02:48,480

because it seems like it can manifest in

1644

01:02:51,349 --> 01:02:49,980

multiple ways it can manifest through

1645

01:02:53,630 --> 01:02:51,359

this rationalization that you're

1646

01:02:55,549 --> 01:02:53,640

describing of while the ends justify the

1647

01:02:57,230 --> 01:02:55,559

means it's all for good it can manifest

1648

01:02:59,390 --> 01:02:57,240

in the explicit through just murder and

1649

01:03:01,250 --> 01:02:59,400

torture and things like that

1650

01:03:02,690 --> 01:03:01,260

but how is it getting into our

1651
01:03:04,609 --> 01:03:02,700
Consciousness so going back to

1652
01:03:06,049 --> 01:03:04,619
post-materialism the brain doesn't

1653
01:03:07,490 --> 01:03:06,059
create Consciousness is the brain like

1654
01:03:09,770 --> 01:03:07,500
an antenna or a filtering mechanism

1655
01:03:11,510 --> 01:03:09,780
that's processing something and you

1656
01:03:12,890 --> 01:03:11,520
Helene wabe's book the science of

1657
01:03:15,230 --> 01:03:12,900
channelings is talking about this that

1658
01:03:16,609 --> 01:03:15,240
we're picking stuff up from other Realms

1659
01:03:18,770 --> 01:03:16,619
in terms of where our thoughts are

1660
01:03:19,910 --> 01:03:18,780
coming from so where do these creative

1661
01:03:21,770 --> 01:03:19,920
ideas come from that you're talking

1662
01:03:25,069 --> 01:03:21,780
about Universal basic income these chess

1663
01:03:27,010 --> 01:03:25,079

moves what is the source of that and to

1664

01:03:29,450 --> 01:03:27,020

what extent is the individual in control

1665

01:03:31,490 --> 01:03:29,460

of those thoughts that come in I mean to

1666

01:03:33,770 --> 01:03:31,500

me I think we have control over

1667

01:03:35,930 --> 01:03:33,780

what we do with the thoughts for sure

1668

01:03:37,970 --> 01:03:35,940

but are there ways of strengthening the

1669

01:03:39,710 --> 01:03:37,980

mind or having a certain intention such

1670

01:03:41,569 --> 01:03:39,720

that those

1671

01:03:43,549 --> 01:03:41,579

potentially deceptive thoughts aren't

1672

01:03:47,270 --> 01:03:43,559

entering as frequently

1673

01:03:50,030 --> 01:03:47,280

brother that is so next level but it's

1674

01:03:52,970 --> 01:03:50,040

really really where my heart is at too

1675

01:03:55,609 --> 01:03:52,980

I'll bounce something else off you

1676

01:03:57,710 --> 01:03:55,619

this is true for me and tell me if this

1677

01:04:00,829 --> 01:03:57,720

resonates with you

1678

01:04:04,309 --> 01:04:00,839

when the truth comes through somebody

1679

01:04:07,190 --> 01:04:04,319

and their intent is truly with the

1680

01:04:10,010 --> 01:04:07,200

benevolent with the the light

1681

01:04:11,990 --> 01:04:10,020

it just boom it just comes through like

1682

01:04:14,030 --> 01:04:12,000

a like a lightning bolt it's just

1683

01:04:14,990 --> 01:04:14,040

obvious that that's where they're coming

1684

01:04:18,230 --> 01:04:15,000

from

1685

01:04:21,170 --> 01:04:18,240

and the deceptive always has a little

1686

01:04:22,910 --> 01:04:21,180

bit of a different flavor to it I can't

1687

01:04:27,470 --> 01:04:22,920

think of many times when I've really

1688

01:04:30,650 --> 01:04:27,480

been completely deceived by someone who

1689

01:04:34,849 --> 01:04:30,660

and I think we have this intuitive deep

1690

01:04:36,770 --> 01:04:34,859

sense of knowing what's true and we have

1691

01:04:39,410 --> 01:04:36,780

a lot of evidence for

1692

01:04:41,329 --> 01:04:39,420

that not waking up in people and being

1693

01:04:43,609 --> 01:04:41,339

drawn into Cults or being drawn into

1694

01:04:44,990 --> 01:04:43,619

following the wrong things but I think

1695

01:04:46,309 --> 01:04:45,000

in the same way that you're talking

1696

01:04:49,190 --> 01:04:46,319

about it quite beautifully about

1697

01:04:52,250 --> 01:04:49,200

building up that that inner strength and

1698

01:04:54,890 --> 01:04:52,260

attuning ourselves to the light I think

1699

01:04:57,890 --> 01:04:54,900

it gives us a better ability to tune

1700

01:05:00,410 --> 01:04:57,900

into people who maybe are in this power

1701

01:05:01,849 --> 01:05:00,420

position who are of the light what do

1702

01:05:03,829 --> 01:05:01,859

you think about that

1703

01:05:05,630 --> 01:05:03,839

um

1704

01:05:08,450 --> 01:05:05,640

I I think you're talking about building

1705

01:05:10,130 --> 01:05:08,460

a muscle we all have it innately but the

1706

01:05:11,569 --> 01:05:10,140

extent to which we use it has to be

1707

01:05:13,670 --> 01:05:11,579

developed I think

1708

01:05:15,470 --> 01:05:13,680

and I'm just saying that Based on data

1709

01:05:17,030 --> 01:05:15,480

points in my life of people who seem to

1710

01:05:18,829 --> 01:05:17,040

have a lot of Truth in certain ways but

1711

01:05:20,030 --> 01:05:18,839

then in other ways aren't seeing the

1712

01:05:21,650 --> 01:05:20,040

full picture so it's like there's

1713

01:05:23,809 --> 01:05:21,660

there's a blockage

1714

01:05:25,190 --> 01:05:23,819

and

1715

01:05:27,829 --> 01:05:25,200

this is probably where spiritual

1716

01:05:29,990 --> 01:05:27,839

practice ultimately comes in

1717

01:05:31,609 --> 01:05:30,000

um I I often refer back to Ken Wilbur's

1718

01:05:33,109 --> 01:05:31,619

framework and I talk about in this new

1719

01:05:35,030 --> 01:05:33,119

book and into the upside down reset as

1720

01:05:37,069 --> 01:05:35,040

well waking up cleaning up and growing

1721

01:05:39,829 --> 01:05:37,079

up I'm thinking about cleaning up in

1722

01:05:42,109 --> 01:05:39,839

particular of working on our own inner

1723

01:05:43,670 --> 01:05:42,119

darkness and Trauma that's unhealed to

1724

01:05:46,490 --> 01:05:43,680

transmute that because maybe it makes

1725

01:05:48,170 --> 01:05:46,500

our antenna so to speak get a clearer

1726

01:05:50,630 --> 01:05:48,180

picture like we get less noise more

1727

01:05:52,670 --> 01:05:50,640

signal that way and therefore our inner

1728

01:05:53,870 --> 01:05:52,680

discernment is able to come out more so

1729

01:05:56,329 --> 01:05:53,880

it might be that this is just me

1730

01:05:58,849 --> 01:05:56,339

speculating that a lack of discernment

1731

01:06:00,650 --> 01:05:58,859

is a lack of inner work it's a

1732

01:06:03,710 --> 01:06:00,660

manifestation of a lack of inner work in

1733

01:06:07,490 --> 01:06:03,720

some way I think that's profound let's

1734

01:06:11,150 --> 01:06:07,500

apply that Wilbur methodology which I

1735

01:06:14,870 --> 01:06:11,160

think is great too let's apply it to

1736

01:06:17,390 --> 01:06:14,880

these two kind of Cornerstone agendas

1737

01:06:20,450 --> 01:06:17,400

that are being pushed one is global

1738

01:06:23,990 --> 01:06:20,460

warming and the other is

1739

01:06:26,690 --> 01:06:24,000

viruses vaccines kind of thing you know

1740

01:06:30,230 --> 01:06:26,700

what's the waking up

1741

01:06:32,029 --> 01:06:30,240

what's the cleaning up and what's the

1742

01:06:34,670 --> 01:06:32,039

growing up

1743

01:06:37,609 --> 01:06:34,680

okay let's say it's waking up to the

1744

01:06:41,390 --> 01:06:37,619

truth to some degree to some body of

1745

01:06:44,029 --> 01:06:41,400

facts that we can look at in using like

1746

01:06:47,210 --> 01:06:44,039

scientific method reason logic and say

1747

01:06:48,890 --> 01:06:47,220

wow it's kind of pretty hard not to not

1748

01:06:51,289 --> 01:06:48,900

to say that you know

1749

01:06:53,690 --> 01:06:51,299

okay and then cleaning up is

1750

01:06:56,270 --> 01:06:53,700

looking at the darkness that might be

1751

01:06:57,829 --> 01:06:56,280

there and transmuting it so that's an

1752

01:07:00,170 --> 01:06:57,839

acknowledgment of the darkness and then

1753

01:07:02,870 --> 01:07:00,180

growing up is about typically maturation

1754

01:07:04,549 --> 01:07:02,880

personal responsibility and accepting

1755

01:07:06,349 --> 01:07:04,559

reality as it is not looking at things

1756

01:07:07,609 --> 01:07:06,359

with rose-colored glasses so all these

1757

01:07:09,230 --> 01:07:07,619

things are somewhat interrelated but

1758

01:07:10,910 --> 01:07:09,240

they can be regarded as distinct too

1759

01:07:12,650 --> 01:07:10,920

there's a fourth one too which I think

1760

01:07:15,049 --> 01:07:12,660

we should include here and I included in

1761

01:07:16,849 --> 01:07:15,059

this new book showing up that Wilbur

1762

01:07:18,349 --> 01:07:16,859

talks about waking up cleaning up

1763

01:07:19,970 --> 01:07:18,359

growing up and showing up he calls them

1764

01:07:22,309 --> 01:07:19,980

lines of development meaning that you

1765

01:07:23,750 --> 01:07:22,319

could be highly elevated in one area but

1766

01:07:25,910 --> 01:07:23,760

maybe not in the others and he talks

1767

01:07:27,529 --> 01:07:25,920

about a collect a comprehensive holistic

1768

01:07:29,569 --> 01:07:27,539

type of evolution that's not just one of

1769

01:07:32,750 --> 01:07:29,579

those categories but all of them and we

1770

01:07:35,390 --> 01:07:32,760

will not talk about how that might apply

1771

01:07:37,789 --> 01:07:35,400

or not apply to Ken Wilbur at different

1772

01:07:40,250 --> 01:07:37,799

times in his life but that doesn't

1773

01:07:41,809 --> 01:07:40,260

matter either because exactly

1774

01:07:43,789 --> 01:07:41,819

well this is one of the big challenges

1775

01:07:45,470 --> 01:07:43,799

too is trying to take the good from what

1776

01:07:46,910 --> 01:07:45,480

you see in various people that no human

1777

01:07:48,650 --> 01:07:46,920

is perfect you can focus on the

1778

01:07:50,089 --> 01:07:48,660

negatives exclusively on everyone and

1779

01:07:52,190 --> 01:07:50,099

then just dismiss everything but I try

1780

01:07:53,510 --> 01:07:52,200

to take the The Beneficial things that

1781

01:07:56,930 --> 01:07:53,520

have been helpful to me in my journey

1782

01:07:59,990 --> 01:07:56,940

absolutely so all right so so let's talk

1783

01:08:01,309 --> 01:08:00,000

about climate and vaccines with regard

1784

01:08:04,130 --> 01:08:01,319

to these things

1785

01:08:06,289 --> 01:08:04,140

let me interject again sure and and the

1786

01:08:08,510 --> 01:08:06,299

the reason that this is particularly

1787

01:08:12,289 --> 01:08:08,520

relevant to the end of The Upside Down

1788

01:08:15,650 --> 01:08:12,299

reset is that as usual Mark has provided

1789

01:08:20,570 --> 01:08:15,660

you an incredible collection of

1790

01:08:24,110 --> 01:08:20,580

footnotes links references to real stuff

1791

01:08:26,209 --> 01:08:24,120

real data real waking up stuff and a lot

1792

01:08:28,729 --> 01:08:26,219

of it relates to climate and a lot of it

1793

01:08:31,669 --> 01:08:28,739

relates to vaccines so we're not going

1794

01:08:34,370 --> 01:08:31,679

outside of the by this book get this

1795

01:08:35,870 --> 01:08:34,380

book because it will give you that you

1796

01:08:38,689 --> 01:08:35,880

can go get a number of other places but

1797

01:08:42,289 --> 01:08:40,789

okay so with regard to climate this is

1798

01:08:44,450 --> 01:08:42,299

actually the first book where I went

1799

01:08:46,370 --> 01:08:44,460

deep into it it's not a topic that I've

1800

01:08:48,110 --> 01:08:46,380

wasn't felt like I was an expert in but

1801

01:08:51,470 --> 01:08:48,120

in my Liberty book my third book I did

1802

01:08:53,870 --> 01:08:51,480

mention project Veritas has undercover

1803

01:08:56,510 --> 01:08:53,880

footage of the technical director at CNN

1804

01:08:58,849 --> 01:08:56,520

talking about a number of things but he

1805

01:09:02,269 --> 01:08:58,859

talked about climate as well so that was

1806

01:09:04,849 --> 01:09:02,279

my first uh red flag that went up a few

1807

01:09:06,709 --> 01:09:04,859

years ago and he said look right now

1808

01:09:08,269 --> 01:09:06,719

this was April 2021 that's when the

1809

01:09:09,709 --> 01:09:08,279

footage was taken he didn't know he was

1810

01:09:11,870 --> 01:09:09,719

being recorded at the time

1811

01:09:13,430 --> 01:09:11,880

he said right now Cove it's big but

1812

01:09:15,590 --> 01:09:13,440

that's going to end

1813

01:09:17,809 --> 01:09:15,600

and we're being told by the head of the

1814

01:09:20,870 --> 01:09:17,819

company that we need to focus on climate

1815

01:09:22,249 --> 01:09:20,880

next because fear sells and climates got

1816

01:09:24,050 --> 01:09:22,259

longevity

1817

01:09:25,490 --> 01:09:24,060

so we're going to be focusing on ways to

1818

01:09:26,930 --> 01:09:25,500

keep people in fear I'm paraphrasing it

1819

01:09:28,789 --> 01:09:26,940

in my book I've got the exact quotes you

1820

01:09:30,650 --> 01:09:28,799

can go on Project veritas's website and

1821

01:09:32,090 --> 01:09:30,660

listen to his word saying this sort of

1822

01:09:34,490 --> 01:09:32,100

thing

1823

01:09:36,229 --> 01:09:34,500

so this might be actually more of a

1824

01:09:37,970 --> 01:09:36,239

cleaning up with regard to climate the

1825

01:09:40,550 --> 01:09:37,980

notion that we're not being told the

1826

01:09:41,630 --> 01:09:40,560

truth because there is an agenda behind

1827

01:09:44,450 --> 01:09:41,640

it

1828

01:09:46,070 --> 01:09:44,460

I think that is cleaning up so we'll

1829

01:09:48,829 --> 01:09:46,080

move it over to that category but it's

1830

01:09:50,269 --> 01:09:48,839

an awesome example go back because in

1831

01:09:52,490 --> 01:09:50,279

the book you also have the waking up

1832

01:09:54,910 --> 01:09:52,500

just the data it's like like I was

1833

01:09:58,070 --> 01:09:54,920

telling Bernardo you know

1834

01:10:01,209 --> 01:09:58,080

you think that the Netherlands is going

1835

01:10:04,490 --> 01:10:01,219

to be underwater they've been measuring

1836

01:10:06,169 --> 01:10:04,500

high tide low tide and it's not hard to

1837

01:10:07,729 --> 01:10:06,179

do right I mean it's something that they

1838

01:10:11,030 --> 01:10:07,739

could do for the last hundred years and

1839

01:10:13,970 --> 01:10:11,040

do very very effectively they've done it

1840

01:10:15,709 --> 01:10:13,980

what is that data tell us long story

1841

01:10:18,650 --> 01:10:15,719

short a lot of what we're being told

1842

01:10:20,990 --> 01:10:18,660

about the imminent catastrophe is is

1843

01:10:22,189 --> 01:10:21,000

questionable I mean I'm being mild about

1844

01:10:24,950 --> 01:10:22,199

it there

1845

01:10:27,110 --> 01:10:24,960

um from from many angles and I think

1846

01:10:28,790 --> 01:10:27,120

part of the waking up is to realize that

1847

01:10:30,350 --> 01:10:28,800

we don't have two sides of the debate

1848

01:10:32,330 --> 01:10:30,360

very often and it parallels

1849

01:10:33,950 --> 01:10:32,340

Consciousness science where you're

1850

01:10:35,390 --> 01:10:33,960

allowed to say certain things and if you

1851

01:10:37,250 --> 01:10:35,400

go outside of the narrative then you're

1852

01:10:39,350 --> 01:10:37,260

a pseudoscientist you're a skeptic you're

1853

01:10:40,910 --> 01:10:39,360

you're not allowed in so we see Dr

1854

01:10:43,250 --> 01:10:40,920

Judith Curry who's the head of climate

1855

01:10:44,630 --> 01:10:43,260

science at Georgia Tech and she started

1856

01:10:46,370 --> 01:10:44,640

to speak out and I wrote this in my book

1857

01:10:48,169 --> 01:10:46,380

she said they basically finished me off

1858

01:10:49,550 --> 01:10:48,179

and she has a new book coming out which

1859

01:10:52,010 --> 01:10:49,560

I'll be interested to read and she's

1860

01:10:54,590 --> 01:10:52,020

speaking out against the the prevailing

1861

01:10:56,330 --> 01:10:54,600

narrative uh she also references the

1862

01:10:57,830 --> 01:10:56,340

climate gate emails which point to some

1863

01:11:00,169 --> 01:10:57,840

of this deception maybe also this isn't

1864

01:11:02,090 --> 01:11:00,179

cleaning up but that they're we're not

1865

01:11:04,310 --> 01:11:02,100

being told the full story here and they

1866

01:11:06,110 --> 01:11:04,320

talk about hiding the decline which many

1867

01:11:07,310 --> 01:11:06,120

have interpreted to mean hiding the

1868

01:11:10,010 --> 01:11:07,320

decline in temperatures which would go

1869

01:11:11,450 --> 01:11:10,020

against the prevailing narrative but I

1870

01:11:12,770 --> 01:11:11,460

think part of the waking up is to

1871

01:11:14,689 --> 01:11:12,780

acknowledge that there are dissenting

1872

01:11:16,370 --> 01:11:14,699

voices out there that are really smart I

1873

01:11:18,470 --> 01:11:16,380

mean I also reference Stephen coonan in

1874

01:11:20,090 --> 01:11:18,480

my book who was in the energy Department

1875

01:11:21,830 --> 01:11:20,100

under Obama he wrote this new book

1876

01:11:24,050 --> 01:11:21,840

called unsettled he was the Provost at

1877

01:11:25,490 --> 01:11:24,060

Caltech a physicist and he wrote this

1878

01:11:27,530 --> 01:11:25,500

book where he just says look we don't

1879

01:11:29,330 --> 01:11:27,540

know for sure we can't take this fully

1880

01:11:31,610 --> 01:11:29,340

catastrophic position because there's

1881

01:11:32,930 --> 01:11:31,620

data that counteracts the narrative and

1882

01:11:35,149 --> 01:11:32,940

the point that he makes which others

1883

01:11:36,830 --> 01:11:35,159

make including Charles eisenstein he

1884

01:11:38,510 --> 01:11:36,840

says look I'm I've got a PhD in

1885

01:11:40,610 --> 01:11:38,520

mathematics and I'm trying to understand

1886

01:11:42,830 --> 01:11:40,620

some of this data and I can't even come

1887

01:11:44,570 --> 01:11:42,840

to a conclusion on some of it and that's

1888

01:11:46,430 --> 01:11:44,580

what coonan points to as well that some

1889

01:11:48,830 --> 01:11:46,440

of this stuff is really sophisticated

1890

01:11:50,390 --> 01:11:48,840

and what we hear from the media or from

1891

01:11:52,370 --> 01:11:50,400

even some of the experts is like their

1892

01:11:53,990 --> 01:11:52,380

interpretation of a summary report of

1893

01:11:57,229 --> 01:11:54,000

something and actually getting to that

1894

01:11:58,970 --> 01:11:57,239

core data of the real stuff it's

1895

01:12:01,010 --> 01:11:58,980

multiple steps removed from where the

1896

01:12:02,750 --> 01:12:01,020

public is so I think waking up to that

1897

01:12:04,669 --> 01:12:02,760

fact is really critical for just an

1898

01:12:06,470 --> 01:12:04,679

everyday person looking at this very

1899

01:12:10,149 --> 01:12:06,480

important issue that is being talked

1900

01:12:12,350 --> 01:12:10,159

about everywhere it's presented to us as

1901

01:12:14,270 --> 01:12:12,360

incontrovertible fact that unless we do

1902

01:12:16,430 --> 01:12:14,280

X Y and Z we know that we're headed for

1903

01:12:18,709 --> 01:12:16,440

mass extinction that's the catastrophic

1904

01:12:21,709 --> 01:12:18,719

narrative that we're getting and

1905

01:12:23,810 --> 01:12:21,719

that might not be true to put it mildly

1906

01:12:27,350 --> 01:12:23,820

yeah and and I'd almost take a different

1907

01:12:29,090 --> 01:12:27,360

uh cut at it because the first

1908

01:12:31,610 --> 01:12:29,100

problem with the data that you're

1909

01:12:33,350 --> 01:12:31,620

alluding to is you've got to go what

1910

01:12:36,290 --> 01:12:33,360

data there's a lot of data out there

1911

01:12:39,350 --> 01:12:36,300

which data am I looking at and the data

1912

01:12:43,729 --> 01:12:39,360

in this case is the data that would

1913

01:12:47,930 --> 01:12:43,739

suggest that humans are

1914

01:12:50,630 --> 01:12:47,940

I think a catastrophic impact on the

1915

01:12:54,229 --> 01:12:50,640

warming of the planet so that's number

1916

01:12:57,530 --> 01:12:54,239

one and that by taking certain policy

1917

01:13:01,310 --> 01:12:57,540

measures we can reverse that

1918

01:13:03,050 --> 01:13:01,320

I think anyone who breaks that down and

1919

01:13:05,330 --> 01:13:03,060

pursues that will come out to the

1920

01:13:08,450 --> 01:13:05,340

conclusion that that's just has not been

1921

01:13:10,729 --> 01:13:08,460

proven and if anything the evidence is

1922

01:13:13,010 --> 01:13:10,739

stronger for the counter argument all

1923

01:13:15,649 --> 01:13:13,020

you would have to do to kind of falsify

1924

01:13:18,470 --> 01:13:15,659

that is to say the null hypothesis is

1925

01:13:21,470 --> 01:13:18,480

there isn't substantial evidence that

1926

01:13:23,930 --> 01:13:21,480

humans are having a catastrophic impact

1927

01:13:25,729 --> 01:13:23,940

on GL I'm at warming because let's not

1928

01:13:28,550 --> 01:13:25,739

forget that's what this whole thing is

1929

01:13:30,709 --> 01:13:28,560

about so that's number one and then

1930

01:13:33,649 --> 01:13:30,719

number two I mean you can kind of take

1931

01:13:35,930 --> 01:13:33,659

it too but I I always you know Judith

1932

01:13:37,370 --> 01:13:35,940

Curry who by the way you know I just

1933

01:13:39,410 --> 01:13:37,380

mentioned the sea level rise which is

1934

01:13:41,510 --> 01:13:39,420

all you really have to look at right the

1935

01:13:44,149 --> 01:13:41,520

ice and the glass melts and the sea

1936

01:13:47,689 --> 01:13:44,159

level rises you can look at one one

1937

01:13:49,669 --> 01:13:47,699

factor are the sea levels Rising if they

1938

01:13:52,310 --> 01:13:49,679

are then there's warming if there's not

1939

01:13:54,410 --> 01:13:52,320

then they're not and she's done the most

1940

01:13:56,390 --> 01:13:54,420

thorough scientific analysis of that

1941

01:13:57,590 --> 01:13:56,400

just a couple years ago and her

1942

01:13:59,570 --> 01:13:57,600

conclusion

1943

01:14:02,450 --> 01:13:59,580

published peer-reviewed

1944

01:14:04,790 --> 01:14:02,460

very highly regarded climatologist is no

1945

01:14:07,130 --> 01:14:04,800

there just isn't any evidence for it so

1946

01:14:10,310 --> 01:14:07,140

the other thing that I I see she just

1947

01:14:12,709 --> 01:14:10,320

gets flustered and agitated about is

1948

01:14:15,229 --> 01:14:12,719

that and again you can this is data you

1949

01:14:20,030 --> 01:14:15,239

can just go track this down for yourself

1950

01:14:22,610 --> 01:14:20,040

if we implemented all the policies that

1951

01:14:23,450 --> 01:14:22,620

the schwabians and all the globalists

1952

01:14:25,850 --> 01:14:23,460

want

1953

01:14:29,209 --> 01:14:25,860

there is no evidence that that would

1954

01:14:32,570 --> 01:14:29,219

lead to any significant reduction in

1955

01:14:35,870 --> 01:14:32,580

what is already a minuscule contribution

1956

01:14:37,729 --> 01:14:35,880

to global warming

1957

01:14:39,890 --> 01:14:37,739

yeah you broke it down into two great

1958

01:14:41,030 --> 01:14:39,900

categories human impact and policy and

1959

01:14:43,070 --> 01:14:41,040

these are assumptions that are often

1960

01:14:44,750 --> 01:14:43,080

taken for granted the the extent of

1961

01:14:46,910 --> 01:14:44,760

human impact on the climate number one

1962

01:14:48,770 --> 01:14:46,920

and two that we have policies because

1963

01:14:50,570 --> 01:14:48,780

we're so enlightened that we'll correct

1964

01:14:53,090 --> 01:14:50,580

this so the first one with regard to

1965

01:14:54,890 --> 01:14:53,100

human impact is just there are so many

1966

01:14:56,810 --> 01:14:54,900

variables involved and you are you don't

1967

01:14:58,550 --> 01:14:56,820

you don't hear them talked about I mean

1968

01:15:00,310 --> 01:14:58,560

climate is a very complex thing and I do

1969

01:15:04,130 --> 01:15:00,320

talk about this in the book The

1970

01:15:06,050 --> 01:15:04,140

inadequacy of models as well

1971

01:15:08,990 --> 01:15:06,060

um going back to the meteorologist

1972

01:15:11,149 --> 01:15:09,000

Lorenz oh this goes back to chaos theory

1973

01:15:12,729 --> 01:15:11,159

he altered his model by a decimal point

1974

01:15:16,010 --> 01:15:12,739

and it got a wildly different

1975

01:15:18,830 --> 01:15:16,020

outcome by having one thing off by a

1976

01:15:20,149 --> 01:15:18,840

decimal so climate is extremely complex

1977

01:15:22,010 --> 01:15:20,159

and we have all these variables and

1978

01:15:23,270 --> 01:15:22,020

models what if you just changed one by a

1979

01:15:24,830 --> 01:15:23,280

little bit you could end up with a very

1980

01:15:26,209 --> 01:15:24,840

different result so that's always

1981

01:15:27,890 --> 01:15:26,219

important to keep in mind it's just not

1982

01:15:29,630 --> 01:15:27,900

talked about there's this to use Michael

1983

01:15:32,090 --> 01:15:29,640

schellenberger's terminology he wrote a

1984

01:15:34,850 --> 01:15:32,100

book called apocalypse never he was more

1985

01:15:36,169 --> 01:15:34,860

on the let's call it the the pro-human

1986

01:15:38,390 --> 01:15:36,179

impact climate change he was more

1987

01:15:39,890 --> 01:15:38,400

mainstream and he switched since then he

1988

01:15:41,930 --> 01:15:39,900

says it's false precision

1989

01:15:43,430 --> 01:15:41,940

that we have with these models so that's

1990

01:15:45,649 --> 01:15:43,440

important to keep in mind but that also

1991

01:15:47,450 --> 01:15:45,659

applies to the policy issues because

1992

01:15:50,330 --> 01:15:47,460

we're making projections about the

1993

01:15:52,790 --> 01:15:50,340

future with a very complex thing climate

1994

01:15:54,770 --> 01:15:52,800

how many I mean there's the sun there's

1995

01:15:56,390 --> 01:15:54,780

geothermal stuff there are lots of

1996

01:15:57,709 --> 01:15:56,400

things being put in the atmosphere

1997

01:15:59,030 --> 01:15:57,719

whether it's CO₂ and other things

1998

01:16:00,410 --> 01:15:59,040

there's just a million variables you

1999

01:16:01,729 --> 01:16:00,420

could come up with and who knows on a

2000

01:16:03,229 --> 01:16:01,739

metaphysical level how all this works

2001
01:16:04,430 --> 01:16:03,239
too I always think about that the really

2002
01:16:06,110 --> 01:16:04,440
invisible stuff that we don't even

2003
01:16:08,570 --> 01:16:06,120
understand we don't understand dark

2004
01:16:09,649 --> 01:16:08,580
matter and dark energy but my point is

2005
01:16:11,450 --> 01:16:09,659
there are a lot of variables that aren't

2006
01:16:13,490 --> 01:16:11,460
talked about so that goes with making

2007
01:16:16,070 --> 01:16:13,500
projections about the future we saw this

2008
01:16:17,930 --> 01:16:16,080
in covid there were projections of this

2009
01:16:20,090 --> 01:16:17,940
many people are going to die Imperial

2010
01:16:21,770 --> 01:16:20,100
College London and policy was made based

2011
01:16:23,090 --> 01:16:21,780
off of those predict predictions and

2012
01:16:25,550 --> 01:16:23,100
assumptions and they turned out to be

2013
01:16:28,669 --> 01:16:25,560

very wrong they overshot the number of

2014

01:16:30,649 --> 01:16:28,679

deaths and what happened Liberties were

2015

01:16:32,689 --> 01:16:30,659

taken away people's business livelihoods

2016

01:16:35,030 --> 01:16:32,699

were altered mental health was affected

2017

01:16:37,010 --> 01:16:35,040

based on the predictions of a few people

2018

01:16:38,330 --> 01:16:37,020

and the other place that I thought you

2019

01:16:40,010 --> 01:16:38,340

were going to go that I don't hear a lot

2020

01:16:42,229 --> 01:16:40,020

of people talk about and I think you

2021

01:16:45,350 --> 01:16:42,239

were going there is that there are all

2022

01:16:47,750 --> 01:16:45,360

sorts of variables associated with the

2023

01:16:51,470 --> 01:16:47,760

policies and the implementation of those

2024

01:16:53,870 --> 01:16:51,480

policies so you can draw up on a piece

2025

01:16:56,990 --> 01:16:53,880

of paper how you will roll this out so

2026

01:16:58,130 --> 01:16:57,000

then how how then do we move to cleaning

2027

01:16:59,209 --> 01:16:58,140

up because you already you already

2028

01:17:00,890 --> 01:16:59,219

dropped a couple of them on there

2029

01:17:02,630 --> 01:17:00,900

because for people like you and I who

2030

01:17:05,149 --> 01:17:02,640

have been through it a lot of times you

2031

01:17:06,890 --> 01:17:05,159

jump right to the cleanup thing like how

2032

01:17:09,590 --> 01:17:06,900

could they do climate gate and how do

2033

01:17:11,330 --> 01:17:09,600

people not just say this because

2034

01:17:12,950 --> 01:17:11,340

sometimes they'll reverse climate

2035

01:17:14,810 --> 01:17:12,960

they'll say that didn't really happen if

2036

01:17:16,729 --> 01:17:14,820

you if you talk to chat GPT and ask

2037

01:17:18,890 --> 01:17:16,739

about climate okay they go oh they were

2038

01:17:20,270 --> 01:17:18,900

all uh that none of them did anything if

2039

01:17:22,310 --> 01:17:20,280

you really investigate it you find the

2040

01:17:25,450 --> 01:17:22,320

opposite is true it was one of the the

2041

01:17:29,270 --> 01:17:25,460

most egregious examples of scientific

2042

01:17:31,130 --> 01:17:29,280

fraud that we kind of know of but but

2043

01:17:32,810 --> 01:17:31,140

sort of like the Twitter files

2044

01:17:34,189 --> 01:17:32,820

people are saying oh it's not an issue

2045

01:17:36,530 --> 01:17:34,199

the media isn't covering it and it's

2046

01:17:38,090 --> 01:17:36,540

just explicit government collusion to

2047

01:17:40,130 --> 01:17:38,100

shut down narratives and to steer

2048

01:17:41,450 --> 01:17:40,140

information so it's it's kind of the

2049

01:17:43,130 --> 01:17:41,460

same Playbook that we're seeing over and

2050

01:17:44,689 --> 01:17:43,140

over again in different areas and that's

2051

01:17:46,430 --> 01:17:44,699

where I to me it's just the pattern

2052

01:17:48,169 --> 01:17:46,440

recognition comes in as someone who's

2053

01:17:49,970 --> 01:17:48,179

not a climate scientist per se but I've

2054

01:17:51,890 --> 01:17:49,980

seen this movie before in other areas so

2055

01:17:54,229 --> 01:17:51,900

my red flags the red flags are all over

2056

01:17:55,490 --> 01:17:54,239

the place with this and

2057

01:17:56,810 --> 01:17:55,500

um and then you look so now in the

2058

01:17:58,790 --> 01:17:56,820

cleaning up we see what the CNN

2059

01:18:00,649 --> 01:17:58,800

technical director said very explicitly

2060

01:18:02,630 --> 01:18:00,659

so he wasn't making a statement about

2061

01:18:04,669 --> 01:18:02,640

climate science itself he was talking

2062

01:18:06,649 --> 01:18:04,679

about how it would be used it's sort of

2063

01:18:08,270 --> 01:18:06,659

like covid did people die did people get

2064

01:18:10,250 --> 01:18:08,280

sick was there tragedy from it

2065

01:18:12,169 --> 01:18:10,260

absolutely but there seems to be this

2066

01:18:13,790 --> 01:18:12,179

pattern where it's like if there is a

2067

01:18:15,470 --> 01:18:13,800

problem then the authorities therefore

2068

01:18:18,530 --> 01:18:15,480

have had the ability to do whatever they

2069

01:18:20,570 --> 01:18:18,540

want because this problem exists so that

2070

01:18:22,610 --> 01:18:20,580

to me is where climate seems to be

2071

01:18:24,770 --> 01:18:22,620

heading where okay we've got this big

2072

01:18:26,450 --> 01:18:24,780

crisis Global crisis we therefore get to

2073

01:18:28,910 --> 01:18:26,460

tell you everything you're going to be

2074

01:18:31,729 --> 01:18:28,920

doing in terms of where how your uh your

2075

01:18:34,189 --> 01:18:31,739

transportation what you eat and so forth

2076

01:18:35,090 --> 01:18:34,199

so the cleaning up is to acknowledge all

2077

01:18:38,510 --> 01:18:35,100

of that

2078

01:18:40,070 --> 01:18:38,520

that crisis or the perception of Crisis

2079

01:18:41,930 --> 01:18:40,080

can be weaponized and has been

2080

01:18:43,970 --> 01:18:41,940

weaponized historically

2081

01:18:45,590 --> 01:18:43,980

and to acknowledge that Darkness exists

2082

01:18:47,270 --> 01:18:45,600

within all the stuff it's not just the

2083

01:18:48,649 --> 01:18:47,280

benevolence of oh we want to save the

2084

01:18:50,630 --> 01:18:48,659

planet we're all interconnected look at

2085

01:18:52,910 --> 01:18:50,640

all the biodiversity loss I mean that's

2086

01:18:54,350 --> 01:18:52,920

the kind of argumentation you hear

2087

01:18:55,430 --> 01:18:54,360

um we're We Are Spiritual people

2088

01:18:56,689 --> 01:18:55,440

therefore we've got to help the

2089

01:18:58,310 --> 01:18:56,699

environment and these people are saying

2090

01:18:59,810 --> 01:18:58,320

we got to do this to help the climate

2091

01:19:01,130 --> 01:18:59,820

therefore we're going to do it it misses

2092

01:19:03,229 --> 01:19:01,140

the cleaning up to me it misses the

2093

01:19:06,530 --> 01:19:03,239

potential deception

2094

01:19:09,709 --> 01:19:06,540

and I think it also kind of naturally

2095

01:19:12,050 --> 01:19:09,719

flows into the growing up

2096

01:19:14,270 --> 01:19:12,060

because I think the growing up is all

2097

01:19:16,250 --> 01:19:14,280

about the deception all about the

2098

01:19:20,030 --> 01:19:16,260

metaphysical all about

2099

01:19:23,630 --> 01:19:20,040

how that darkness is entering into not

2100

01:19:26,930 --> 01:19:23,640

just our world but us into our thoughts

2101

01:19:28,970 --> 01:19:26,940

into our actions into what we do it

2102

01:19:32,990 --> 01:19:28,980

that's how I understand growing up but

2103

01:19:35,630 --> 01:19:33,000

do you agree yeah and it's acknowledging

2104

01:19:38,090 --> 01:19:35,640

that the world doesn't work in such a

2105

01:19:40,430 --> 01:19:38,100

pleasant way as we might like it to be

2106

01:19:42,169 --> 01:19:40,440

that's this this kind of deception

2107

01:19:44,330 --> 01:19:42,179

exists and we have to accept it even

2108

01:19:46,010 --> 01:19:44,340

though many people are very good that

2109

01:19:48,169 --> 01:19:46,020

that other that other people who are not

2110

01:19:50,090 --> 01:19:48,179

you would want to deceive you

2111

01:19:52,010 --> 01:19:50,100

and there could there is a psychological

2112

01:19:53,270 --> 01:19:52,020

incentive to not wanting to believe

2113

01:19:54,950 --> 01:19:53,280

those things because it's much more

2114

01:19:55,970 --> 01:19:54,960

comforting to think we live in a in a

2115

01:19:58,189 --> 01:19:55,980

world where no one's going to do that

2116

01:19:59,570 --> 01:19:58,199

for these major Global issues that no

2117

01:20:01,790 --> 01:19:59,580

they wouldn't deceive us that would be

2118

01:20:03,050 --> 01:20:01,800

horrific to me that's the growing up

2119

01:20:05,750 --> 01:20:03,060

with this

2120

01:20:07,910 --> 01:20:05,760

I think the other part of growing up

2121

01:20:11,030 --> 01:20:07,920

with this is something you talked about

2122

01:20:12,709 --> 01:20:11,040

before and I I again I I so love and

2123

01:20:13,850 --> 01:20:12,719

respect the way you interweave these

2124

01:20:16,790 --> 01:20:13,860

things together

2125

01:20:19,189 --> 01:20:16,800

it's about the personal growing up in

2126
01:20:22,370 --> 01:20:19,199
the personal realizing that that shadow

2127
01:20:24,649 --> 01:20:22,380
is my shadow I can't just project it out

2128
01:20:28,310 --> 01:20:24,659
on the world and all these evil people

2129
01:20:31,910 --> 01:20:28,320
in Davos it's it's me it's when I sit

2130
01:20:33,649 --> 01:20:31,920
alone why can't I be happy and still and

2131
01:20:35,149 --> 01:20:33,659
why can't the lightness always shine

2132
01:20:38,030 --> 01:20:35,159
through from me and why do I do things

2133
01:20:40,370 --> 01:20:38,040
that I don't think are are positive in

2134
01:20:44,450 --> 01:20:40,380
the world and is that

2135
01:20:47,570 --> 01:20:44,460
you know is that in a small way

2136
01:20:49,850 --> 01:20:47,580
what's going on on this larger scale too

2137
01:20:52,250 --> 01:20:49,860
and and only when we're able to really

2138
01:20:54,470 --> 01:20:52,260

look at that look at that shadow do I

2139

01:20:57,350 --> 01:20:54,480

think we even have a chance of growing

2140

01:20:58,729 --> 01:20:57,360

up what do you think well I do think it

2141

01:21:00,229 --> 01:20:58,739

starts with the individual and maybe

2142

01:21:01,970 --> 01:21:00,239

this goes back to our earlier discussion

2143

01:21:03,290 --> 01:21:01,980

about the ability to discern once you've

2144

01:21:05,209 --> 01:21:03,300

started to clean it up on your own then

2145

01:21:07,970 --> 01:21:05,219

you can precede the deception a bit

2146

01:21:09,350 --> 01:21:07,980

better on a collective level the

2147

01:21:11,209 --> 01:21:09,360

cleaning up that's more challenging

2148

01:21:13,310 --> 01:21:11,219

because we can't control other people's

2149

01:21:16,010 --> 01:21:13,320

behavior we they you have to want to do

2150

01:21:17,450 --> 01:21:16,020

it yourself I think what we're doing by

2151
01:21:18,709 --> 01:21:17,460
having this conversation and what you do

2152
01:21:21,169 --> 01:21:18,719
on your podcast and what I try to do

2153
01:21:22,610 --> 01:21:21,179
with my books is to give people more

2154
01:21:23,810 --> 01:21:22,620
information and ways of thinking about

2155
01:21:25,729 --> 01:21:23,820
things so that they might be more

2156
01:21:27,169 --> 01:21:25,739
inclined to want to clean up and they

2157
01:21:29,510 --> 01:21:27,179
might be more inclined to want to look

2158
01:21:31,430 --> 01:21:29,520
at things so but it starts with you it

2159
01:21:34,370 --> 01:21:31,440
starts with the individual you clean

2160
01:21:36,110 --> 01:21:34,380
yourself up and then I think as a

2161
01:21:37,729 --> 01:21:36,120
byproduct then you end up positively

2162
01:21:40,970 --> 01:21:37,739
impacting others

2163
01:21:43,250 --> 01:21:40,980

and and do you wind up growing up or do

2164

01:21:44,390 --> 01:21:43,260

you have to make that explicit growing

2165

01:21:46,669 --> 01:21:44,400

up because one of the things I've

2166

01:21:49,130 --> 01:21:46,679

respect about Wilbur the little bit that

2167

01:21:51,169 --> 01:21:49,140

I've I've kind of read into this is that

2168

01:21:53,870 --> 01:21:51,179

he really gets to the growing up part

2169

01:21:55,130 --> 01:21:53,880

and and I think he kind of stresses as I

2170

01:21:57,350 --> 01:21:55,140

remember it is

2171

01:21:59,090 --> 01:21:57,360

this is the hard part really for a lot

2172

01:22:01,550 --> 01:21:59,100

of us we can kind of get through the

2173

01:22:03,950 --> 01:22:01,560

other two but we get to okay now I

2174

01:22:05,930 --> 01:22:03,960

because it's about change right

2175

01:22:09,169 --> 01:22:05,940

what do you think yeah well personal

2176
01:22:12,350 --> 01:22:09,179
responsibility versus victimhood that's

2177
01:22:14,990 --> 01:22:12,360
maybe the Crux of it of growing up and

2178
01:22:18,110 --> 01:22:15,000
that takes energy it takes a willingness

2179
01:22:20,090 --> 01:22:18,120
to go there in a in a way that might be

2180
01:22:21,709 --> 01:22:20,100
uncomfortable to think that you are the

2181
01:22:23,390 --> 01:22:21,719
one that is ultimately responsible

2182
01:22:25,250 --> 01:22:23,400
rather than Mommy and Daddy government

2183
01:22:27,050 --> 01:22:25,260
or of the experts the technocrats who

2184
01:22:28,850 --> 01:22:27,060
are going to tell us what to do so

2185
01:22:30,970 --> 01:22:28,860
that's where like we talked about last

2186
01:22:34,430 --> 01:22:30,980
time this idea of toughness and strength

2187
01:22:35,930 --> 01:22:34,440
is really critical uh because if not

2188
01:22:37,550 --> 01:22:35,940

then you're just gonna go with wherever

2189

01:22:38,630 --> 01:22:37,560

Society is leading you and just assuming

2190

01:22:40,910 --> 01:22:38,640

that everyone's going to take care of

2191

01:22:42,830 --> 01:22:40,920

you and that historically would tell you

2192

01:22:45,470 --> 01:22:42,840

is is not a good assumption to make and

2193

01:22:48,530 --> 01:22:45,480

then let's finally talk about showing up

2194

01:22:51,610 --> 01:22:48,540

because I think showing up has an

2195

01:22:55,490 --> 01:22:51,620

interesting interplay with growing up

2196

01:22:59,090 --> 01:22:55,500

because we can grow up and then decide

2197

01:23:00,709 --> 01:22:59,100

that okay so I got my together I

2198

01:23:03,290 --> 01:23:00,719

don't need anybody else

2199

01:23:05,030 --> 01:23:03,300

yep and that's why I included this with

2200

01:23:07,130 --> 01:23:05,040

regard to not only climate but the great

2201

01:23:08,450 --> 01:23:07,140

reset generally is you could be you

2202

01:23:09,770 --> 01:23:08,460

could do your waking up cleaning up and

2203

01:23:12,530 --> 01:23:09,780

growing up and say all right I'm good

2204

01:23:14,750 --> 01:23:12,540

I'm enlightened I'm a comprehensively

2205

01:23:15,950 --> 01:23:14,760

evolved person so I'm just going to be

2206

01:23:18,470 --> 01:23:15,960

passive

2207

01:23:21,290 --> 01:23:18,480

and I don't resonate with that at all

2208

01:23:23,270 --> 01:23:21,300

the more I look at this and I I'm so

2209

01:23:25,070 --> 01:23:23,280

sensitized to this going back to my

2210

01:23:28,790 --> 01:23:25,080

earlier point in the non-dual community

2211

01:23:30,410 --> 01:23:28,800

I see this tendency of it's all one

2212

01:23:32,090 --> 01:23:30,420

that's the Ultimate Reality and

2213

01:23:33,290 --> 01:23:32,100

therefore I can just do nothing and I'm

2214

01:23:35,450 --> 01:23:33,300

going to repeat a story I can't remember

2215

01:23:37,430 --> 01:23:35,460

if I told her on a past interview this

2216

01:23:39,709 --> 01:23:37,440

is this was a pivotal point for me in my

2217

01:23:42,050 --> 01:23:39,719

own Development David Hawkins talking

2218

01:23:43,430 --> 01:23:42,060

about Ramana maharshi Ramana maharshi

2219

01:23:45,229 --> 01:23:43,440

said the world that we see doesn't exist

2220

01:23:47,270 --> 01:23:45,239

and Hawkins said yep that's right at

2221

01:23:48,770 --> 01:23:47,280

some level of reality and and Robin and

2222

01:23:50,709 --> 01:23:48,780

maharshi is operating at that level of

2223

01:23:52,669 --> 01:23:50,719

reality but Hawkins who himself

2224

01:23:54,110 --> 01:23:52,679

allegedly got to those sorts of states

2225

01:23:55,910 --> 01:23:54,120

he came back into the world he said

2226

01:23:57,590 --> 01:23:55,920

because there's a lot of suffering in

2227

01:23:59,209 --> 01:23:57,600

the world even though maharshi is

2228

01:24:00,649 --> 01:23:59,219

correct the people who are suffering are

2229

01:24:02,689 --> 01:24:00,659

not operating at that level that there

2230

01:24:04,790 --> 01:24:02,699

is no world to them the suffering is

2231

01:24:07,010 --> 01:24:04,800

very much real so Hawkins said it would

2232

01:24:08,750 --> 01:24:07,020

be therefore be a spiritual error to

2233

01:24:10,130 --> 01:24:08,760

ignore the suffering of others in spite

2234

01:24:12,590 --> 01:24:10,140

of the fact that we exist within a

2235

01:24:14,810 --> 01:24:12,600

non-dual reality and to me that points

2236

01:24:15,830 --> 01:24:14,820

toward uh the idea that we need to be

2237

01:24:17,750 --> 01:24:15,840

active

2238

01:24:19,550 --> 01:24:17,760

to try to alleviate the suffering of

2239

01:24:20,990 --> 01:24:19,560

others and that's where showing up comes

2240

01:24:22,430 --> 01:24:21,000

into play it can manifest so many

2241

01:24:24,229 --> 01:24:22,440

different ways it can manifest in terms

2242

01:24:26,270 --> 01:24:24,239

of presenting information it can

2243

01:24:28,430 --> 01:24:26,280

manifest in terms of caring for other

2244

01:24:30,050 --> 01:24:28,440

people but in terms of the great reset I

2245

01:24:31,669 --> 01:24:30,060

think it's about resistance it's about

2246

01:24:34,490 --> 01:24:31,679

actively saying no and setting

2247

01:24:37,610 --> 01:24:34,500

boundaries to things that we perceive to

2248

01:24:39,590 --> 01:24:37,620

be evil and I'll I'll quote uh Seth

2249

01:24:41,930 --> 01:24:39,600

Dillon who's the head of Babylon B which

2250

01:24:43,010 --> 01:24:41,940

is a satirical news outlet and it's

2251

01:24:44,750 --> 01:24:43,020

pretty funny because a lot of their

2252

01:24:46,130 --> 01:24:44,760

headlines from a few years ago which

2253

01:24:48,530 --> 01:24:46,140

were satirical have turned out to be

2254

01:24:50,330 --> 01:24:48,540

real headlines in the modern era and he

2255

01:24:52,790 --> 01:24:50,340

he makes the point that

2256

01:24:55,130 --> 01:24:52,800

uh some I'm paraphrasing him some people

2257

01:24:57,169 --> 01:24:55,140

think that we are becoming a better

2258

01:24:59,030 --> 01:24:57,179

Society because we're more tolerant of

2259

01:25:00,410 --> 01:24:59,040

of things and we're not making fun of of

2260

01:25:01,610 --> 01:25:00,420

things that are happening he goes I

2261

01:25:03,530 --> 01:25:01,620

think we're more depraved than ever

2262

01:25:05,570 --> 01:25:03,540

because we're not standing up to things

2263

01:25:07,850 --> 01:25:05,580

that we should be standing up to so it's

2264

01:25:09,110 --> 01:25:07,860

this very tricky notion of Tolerance and

2265

01:25:10,669 --> 01:25:09,120

going back to the weaponization of

2266

01:25:12,050 --> 01:25:10,679

compassion sometimes we shouldn't be

2267

01:25:14,630 --> 01:25:12,060

tolerant we shouldn't be tolerant of

2268

01:25:16,310 --> 01:25:14,640

things that are evil and someone with a

2269

01:25:17,390 --> 01:25:16,320

very benevolent intent who wants to go

2270

01:25:19,250 --> 01:25:17,400

for the common good we're all

2271

01:25:21,110 --> 01:25:19,260

interconnected it's all about love it's

2272

01:25:22,490 --> 01:25:21,120

all tolerance all the time but sometimes

2273

01:25:24,530 --> 01:25:22,500

we need to set boundaries and that's

2274

01:25:26,330 --> 01:25:24,540

where showing up comes in

2275

01:25:28,669 --> 01:25:26,340

I love that Mark

2276

01:25:31,130 --> 01:25:28,679

I take two other directions on that as

2277

01:25:33,169 --> 01:25:31,140

we start to wrap it up is the other

2278

01:25:36,350 --> 01:25:33,179

thing that resonates with me is the

2279

01:25:40,130 --> 01:25:36,360

complexity of being an American being

2280

01:25:41,689 --> 01:25:40,140

USA USA because what we're striving for

2281

01:25:43,729 --> 01:25:41,699

here is

2282

01:25:46,070 --> 01:25:43,739

has been laid out before

2283

01:25:48,110 --> 01:25:46,080

has been has been taught to us in our

2284

01:25:51,470 --> 01:25:48,120

lessons from our history of our country

2285

01:25:54,410 --> 01:25:51,480

which is if you don't talk up if you

2286

01:25:57,830 --> 01:25:54,420

don't speak up it doesn't get done it is

2287

01:26:00,890 --> 01:25:57,840

your job to keep this Republic in line

2288

01:26:03,410 --> 01:26:00,900

because we realize how tenuous this

2289

01:26:05,270 --> 01:26:03,420

whole thing is and it does it is held

2290

01:26:07,790 --> 01:26:05,280

together with you know

2291

01:26:10,610 --> 01:26:07,800

chewing gum in wax or whatever the only

2292

01:26:12,830 --> 01:26:10,620

kind of expression is it's our job it's

2293

01:26:14,870 --> 01:26:12,840

our job to talk about it and do it and

2294

01:26:16,550 --> 01:26:14,880

the other thing I match that with is is

2295

01:26:17,990 --> 01:26:16,560

a story that I've repeated you know I

2296

01:26:19,550 --> 01:26:18,000

don't know that you repeated that lesson

2297

01:26:21,350 --> 01:26:19,560

I think I heard that one before from you

2298

01:26:23,390 --> 01:26:21,360

but it's the story I like to tell about

2299

01:26:25,490 --> 01:26:23,400

Amma the hugging Saint from India you

2300

01:26:27,770 --> 01:26:25,500

know and she goes and she does all these

2301

01:26:30,290 --> 01:26:27,780

incredible Gatherings where you know

2302

01:26:32,450 --> 01:26:30,300

people can come and people get they get

2303

01:26:34,070 --> 01:26:32,460

hugged you know so I've I went to one of

2304

01:26:36,350 --> 01:26:34,080

them in LA and there's a thousand people

2305

01:26:39,050 --> 01:26:36,360

two thousand I think lined up to get a

2306

01:26:43,070 --> 01:26:39,060

hug and how this woman this old woman

2307

01:26:45,350 --> 01:26:43,080

sits there and hugs for 18 hours a day I

2308

01:26:46,850 --> 01:26:45,360

don't know but she she does and it's an

2309

01:26:49,250 --> 01:26:46,860

incredible experience for a lot of

2310

01:26:51,050 --> 01:26:49,260

people but one day one of her devotees

2311

01:26:54,890 --> 01:26:51,060

comes up and goes

2312

01:26:57,350 --> 01:26:54,900

um I I don't understand you you say uh

2313

01:26:59,209 --> 01:26:57,360

that you're not about this world and yet

2314

01:27:01,189 --> 01:26:59,219

everything you're doing you know you're

2315

01:27:03,950 --> 01:27:01,199

doing all this work you're digging

2316

01:27:05,570 --> 01:27:03,960

latrines in India you're unending and

2317

01:27:08,270 --> 01:27:05,580

the work that you're doing why are you

2318

01:27:10,310 --> 01:27:08,280

doing so much work for this world

2319

01:27:13,010 --> 01:27:10,320

and she says she's

2320

01:27:17,870 --> 01:27:13,020

told to say we're told that she says

2321

01:27:20,629 --> 01:27:17,880

world what world and to me that is the

2322

01:27:23,570 --> 01:27:20,639

there's an aspect of that that I would

2323

01:27:26,270 --> 01:27:23,580

like I would like to get to in terms of

2324

01:27:29,930 --> 01:27:26,280

my spiritual understanding or I don't

2325

01:27:32,629 --> 01:27:29,940

have to judge other people in order to

2326

01:27:34,010 --> 01:27:32,639

judge the right action that I need to

2327

01:27:38,930 --> 01:27:34,020

take at the time

2328

01:27:39,950 --> 01:27:38,940

yes so two things one on judging other

2329

01:27:41,450 --> 01:27:39,960

people

2330

01:27:43,129 --> 01:27:41,460

and let's just let's just say with

2331

01:27:45,229 --> 01:27:43,139

regard to the fact that we seem to be

2332

01:27:47,030 --> 01:27:45,239

living in like a bifurcated Society

2333

01:27:48,530 --> 01:27:47,040

where some people see what reality other

2334

01:27:50,030 --> 01:27:48,540

people see in other reality some people

2335

01:27:52,490 --> 01:27:50,040

say this is good and other people will

2336

01:27:54,890 --> 01:27:52,500

see the same thing and say it's evil

2337

01:27:56,330 --> 01:27:54,900

the challenge there it's not as much

2338

01:27:58,129 --> 01:27:56,340

from a judgmental perspective that I

2339

01:28:00,290 --> 01:27:58,139

talk about it I talk about it from a

2340

01:28:02,870 --> 01:28:00,300

practical perspective it is difficult to

2341

01:28:04,250 --> 01:28:02,880

coexist and even have conversations when

2342

01:28:06,410 --> 01:28:04,260

you're not looking at the same things

2343

01:28:08,510 --> 01:28:06,420

you're just talking past each other

2344

01:28:09,530 --> 01:28:08,520

constantly so there are practical issues

2345

01:28:10,970 --> 01:28:09,540

with that and you can still have

2346

01:28:13,010 --> 01:28:10,980

compassion for people

2347

01:28:15,709 --> 01:28:13,020

who might not see something that you see

2348

01:28:18,649 --> 01:28:15,719

that's fine uh but it doesn't

2349

01:28:22,490 --> 01:28:18,659

remove the fact that it's challenging

2350

01:28:24,590 --> 01:28:22,500

and with regard to the AMA story I I

2351

01:28:26,270 --> 01:28:24,600

think that sums up the attitude that I

2352

01:28:29,990 --> 01:28:26,280

would like to get to as well which is

2353

01:28:32,330 --> 01:28:30,000

really one of non-attachment to outcomes

2354

01:28:34,610 --> 01:28:32,340

it's the idea that

2355

01:28:36,169 --> 01:28:34,620

she's doing her duty to the best of her

2356

01:28:37,970 --> 01:28:36,179

ability

2357

01:28:39,350 --> 01:28:37,980

but whatever happens to the world is out

2358

01:28:40,850 --> 01:28:39,360

of her control

2359

01:28:42,050 --> 01:28:40,860

and that I've been asked this a few

2360

01:28:42,890 --> 01:28:42,060

times actually like Mark what do you

2361

01:28:45,110 --> 01:28:42,900

think is going to happen with the great

2362

01:28:47,030 --> 01:28:45,120

reset and first of all I don't know

2363

01:28:51,050 --> 01:28:47,040

what's going to happen but

2364

01:28:52,550 --> 01:28:51,060

in some regard I don't care

2365

01:28:55,129 --> 01:28:52,560

and that could be taken the wrong way I

2366

01:28:56,689 --> 01:28:55,139

I do care I hope it turns into a it goes

2367

01:28:58,729 --> 01:28:56,699

in a positive direction but that's not

2368

01:29:00,709 --> 01:28:58,739

where my focus is my focus is on is on

2369

01:29:03,290 --> 01:29:00,719

what I can do and whether I'm doing the

2370

01:29:05,450 --> 01:29:03,300

best job I can the outcome of that is

2371

01:29:07,189 --> 01:29:05,460

beyond my control

2372

01:29:09,530 --> 01:29:07,199

so it's sort of like we just do the best

2373

01:29:11,450 --> 01:29:09,540

that we can and I I hearken this back to

2374

01:29:12,709 --> 01:29:11,460

some of like my tennis days as a

2375

01:29:15,110 --> 01:29:12,719

competitive athlete

2376

01:29:16,430 --> 01:29:15,120

if I have a certain strategy let's say

2377

01:29:18,350 --> 01:29:16,440

I'm going to hit an approach shot to the

2378

01:29:20,510 --> 01:29:18,360

guy's backhand and I know that if I do

2379

01:29:21,709 --> 01:29:20,520

that nine out of ten times I'm gonna get

2380

01:29:23,570 --> 01:29:21,719

the volley that I want and I'm going to

2381

01:29:25,430 --> 01:29:23,580

win the point but one out of ten times I

2382

01:29:26,570 --> 01:29:25,440

might lose but I'm gonna do it because

2383

01:29:28,370 --> 01:29:26,580

it's the right thing and that's the

2384

01:29:31,250 --> 01:29:28,380

right strategy at that point

2385

01:29:33,110 --> 01:29:31,260

so you've got to be unattached to what

2386

01:29:34,669 --> 01:29:33,120

the result is in the end but it's

2387

01:29:35,930 --> 01:29:34,679

different and Hawkins makes this very

2388

01:29:38,810 --> 01:29:35,940

important distinction the different

2389

01:29:40,729 --> 01:29:38,820

distinction between non-attachment and

2390

01:29:42,950 --> 01:29:40,739

detachment

2391

01:29:44,810 --> 01:29:42,960

Detachment is about just literally not

2392

01:29:48,709 --> 01:29:44,820

caring and that's not what I'm talking

2393

01:29:50,570 --> 01:29:48,719

about I'm talking about caring but not

2394

01:29:52,910 --> 01:29:50,580

not being attached to what the ultimate

2395

01:29:56,030 --> 01:29:52,920

result is there's a real Nuance to that

2396

01:29:58,370 --> 01:29:56,040

that I think becomes clear I love your

2397

01:30:01,490 --> 01:29:58,380

example of the competitive Sports

2398

01:30:03,290 --> 01:30:01,500

analogy because I think it we do hear

2399

01:30:05,330 --> 01:30:03,300

that again and again from athletes

2400

01:30:09,169 --> 01:30:05,340

particularly very elite athletes that

2401

01:30:12,229 --> 01:30:09,179

are able to detach from the ultimate

2402

01:30:15,590 --> 01:30:12,239

outcome by focusing really really

2403

01:30:17,990 --> 01:30:15,600

intensely on the more immediate outcome

2404

01:30:19,970 --> 01:30:18,000

of you'll hear this in football all the

2405

01:30:23,570 --> 01:30:19,980

time it's like have that short memory

2406

01:30:25,610 --> 01:30:23,580

just do my assignment on this play and

2407

01:30:28,490 --> 01:30:25,620

then when that plays over the next play

2408

01:30:30,770 --> 01:30:28,500

just do what I'm supposed to do on this

2409

01:30:31,910 --> 01:30:30,780

play and if everyone in the team does

2410

01:30:34,129 --> 01:30:31,920

that

2411

01:30:35,450 --> 01:30:34,139

more often than not we win

2412

01:30:37,610 --> 01:30:35,460

mm-hmm

2413

01:30:39,890 --> 01:30:37,620

it's a compartmentalization it's it's

2414

01:30:41,510 --> 01:30:39,900

both it's a kind of a paradox at one

2415

01:30:42,830 --> 01:30:41,520

level there's a compartmentalization of

2416

01:30:44,930 --> 01:30:42,840

what's happening in the present time and

2417

01:30:46,370 --> 01:30:44,940

this immediate task in front of me but

2418

01:30:48,470 --> 01:30:46,380

it's also while holding the bigger

2419

01:30:50,390 --> 01:30:48,480

picture in mind of the broader objective

2420

01:30:52,070 --> 01:30:50,400

that it's fitting into so we could take

2421

01:30:53,450 --> 01:30:52,080

this interview as an example both of us

2422

01:30:54,890 --> 01:30:53,460

probably have a vision for our lives to

2423

01:30:56,930 --> 01:30:54,900

some degree but right now we're focused

2424

01:30:58,610 --> 01:30:56,940

on this conversation that's our Focus

2425

01:31:03,290 --> 01:30:58,620

but it's when within the context of

2426

01:31:05,810 --> 01:31:03,300

something bigger yes it is so this has

2427

01:31:08,629 --> 01:31:05,820

been awesome let me try and turn it into

2428

01:31:10,149 --> 01:31:08,639

something that people can understand to

2429

01:31:13,310 --> 01:31:10,159

some extent and I think they will

2430

01:31:14,750 --> 01:31:13,320

they've listened so far yeah I think

2431

01:31:16,669 --> 01:31:14,760

they're they're in in for a penny and

2432

01:31:18,110 --> 01:31:16,679

for a pound again the book you're going

2433

01:31:20,330 --> 01:31:18,120

to want to check out you want to check

2434

01:31:23,930 --> 01:31:20,340

out several of his books the three that

2435

01:31:26,030 --> 01:31:23,940

I have up here are particularly great in

2436

01:31:29,510 --> 01:31:26,040

my opinion and end to upside down

2437

01:31:31,370 --> 01:31:29,520

thinking all about kind of how we got

2438

01:31:32,870 --> 01:31:31,380

derailed on the Consciousness thing

2439

01:31:35,390 --> 01:31:32,880

which we've talked a lot about on this

2440

01:31:38,030 --> 01:31:35,400

show but Mark has a very

2441

01:31:39,110 --> 01:31:38,040

he just has a very great way of breaking

2442

01:31:40,910 --> 01:31:39,120

things down and making them

2443

01:31:43,310 --> 01:31:40,920

understandable and communicating in a

2444

01:31:45,709 --> 01:31:43,320

way that you'll get and you'll feel like

2445

01:31:49,129 --> 01:31:45,719

ah this is something I can pass along to

2446

01:31:51,830 --> 01:31:49,139

somebody else and then the other book an

2447

01:31:53,810 --> 01:31:51,840

end to upside down contact again

2448

01:31:58,729 --> 01:31:53,820

fantastic and where he's willing to go

2449

01:32:00,290 --> 01:31:58,739

with the UFO ET experience is just

2450

01:32:03,110 --> 01:32:00,300

refreshing because

2451

01:32:04,910 --> 01:32:03,120

few people are are willing to go all the

2452

01:32:06,290 --> 01:32:04,920

way there and tie it into all these

2453

01:32:08,990 --> 01:32:06,300

other things that we're talking about in

2454

01:32:11,570 --> 01:32:09,000

terms of spirituality and

2455

01:32:12,649 --> 01:32:11,580

and what it means in a bigger sense and

2456

01:32:15,070 --> 01:32:12,659

then finally the book we've talked about

2457

01:32:18,649 --> 01:32:15,080

today and end to the upside down reset

2458

01:32:21,110 --> 01:32:18,659

so Mark it's it's been great having you

2459

01:32:23,450 --> 01:32:21,120

on tell us what else we should know as

2460

01:32:24,830 --> 01:32:23,460

we uh say goodbye well Alex I want to

2461

01:32:26,689 --> 01:32:24,840

thank you for all of your ongoing

2462

01:32:28,970 --> 01:32:26,699

support I really truly appreciate it and

2463

01:32:31,430 --> 01:32:28,980

thank you for having me on in terms of

2464

01:32:32,930 --> 01:32:31,440

like what's next uh well first of all

2465

01:32:36,189 --> 01:32:32,940

where your viewers and listeners can

2466

01:32:38,330 --> 01:32:36,199

find me my website is markgober.com

2467

01:32:40,669 --> 01:32:38,340

m-a-r-k-g-o-b-e-r.com and I have five

2468

01:32:43,189 --> 01:32:40,679

books out they're all on Amazon Kindle

2469

01:32:44,810 --> 01:32:43,199

hard copy and Audible for all five and I

2470

01:32:46,189 --> 01:32:44,820

have a podcast series called where is my

2471

01:32:47,510 --> 01:32:46,199

mind which is on the idea that

2472

01:32:48,350 --> 01:32:47,520

Consciousness does not come from the

2473

01:32:49,910 --> 01:32:48,360

brain

2474

01:32:52,490 --> 01:32:49,920

so that's what I've been working on for

2475

01:32:54,890 --> 01:32:52,500

the last it started in 2016 and now here

2476

01:32:56,149 --> 01:32:54,900

we are I don't know what's next and I

2477

01:32:57,890 --> 01:32:56,159

feel like I say that every time we talk

2478

01:32:58,970 --> 01:32:57,900

because I literally don't I didn't know

2479

01:33:00,290 --> 01:32:58,980

I was going to write this new book on

2480

01:33:01,129 --> 01:33:00,300

the great reset when we talked not long

2481

01:33:03,709 --> 01:33:01,139

ago

2482

01:33:06,110 --> 01:33:03,719

so I'm just trying to follow where the

2483

01:33:08,209 --> 01:33:06,120

breadcrumbs lead me I'm gonna repeat

2484

01:33:10,370 --> 01:33:08,219

what I've said multiple times before I'm

2485

01:33:12,110 --> 01:33:10,380

stuck on this topic of these like

2486

01:33:13,729 --> 01:33:12,120

different Paradigm shifts that people

2487

01:33:15,410 --> 01:33:13,739

are in and what are the psychological

2488

01:33:17,209 --> 01:33:15,420

barriers to those various Paradigm

2489

01:33:19,250 --> 01:33:17,219

shifts because that's

2490

01:33:20,990 --> 01:33:19,260

if we're thinking about outcomes now

2491

01:33:22,790 --> 01:33:21,000

maybe that's where the outcome is gonna

2492

01:33:24,470 --> 01:33:22,800

that's where the outcome is going to go

2493

01:33:26,149 --> 01:33:24,480

one way or the other is whether people

2494

01:33:29,810 --> 01:33:26,159

can break through those Paradigm shifts

2495

01:33:31,550 --> 01:33:29,820

and and understanding why people are not

2496

01:33:32,810 --> 01:33:31,560

and trying to get to the solution to

2497

01:33:35,570 --> 01:33:32,820

rectify it

2498

01:33:38,090 --> 01:33:35,580

great Mark great all right thanks again

2499

01:33:39,890 --> 01:33:38,100

it's been awesome thanks Alex

2500

01:33:42,350 --> 01:33:39,900

thanks again to Mark Gober for joining

2501
01:33:44,450 --> 01:33:42,360
me today on skeptico the one question I

2502
01:33:47,689 --> 01:33:44,460
T up from this interview

2503
01:33:51,830 --> 01:33:47,699
class F empty glass half full

2504
01:33:54,169 --> 01:33:51,840
how bad is this insane wef globalist

2505
01:33:55,390 --> 01:33:54,179
stuff and in particular as this show

2506
01:33:59,330 --> 01:33:55,400
points out

2507
01:34:01,370 --> 01:33:59,340
how bad is it through the lens of all

2508
01:34:05,209 --> 01:34:01,380
the other bad stuff we've lived through

2509
01:34:07,189 --> 01:34:05,219
and have to embrace as being part of our

2510
01:34:09,770 --> 01:34:07,199
history because I think that's the lens

2511
01:34:11,930 --> 01:34:09,780
that I wound up kind of coming back to

2512
01:34:14,149 --> 01:34:11,940
is like are we always just going to

2513
01:34:16,669 --> 01:34:14,159

point at this timeline now and pretend

2514

01:34:18,950 --> 01:34:16,679

like all this other stuff hasn't

2515

01:34:21,890 --> 01:34:18,960

happened and that we don't have to kind

2516

01:34:25,070 --> 01:34:21,900

of contextualize what's going on in this

2517

01:34:28,129 --> 01:34:25,080

larger geopolitical World unfortunately

2518

01:34:30,350 --> 01:34:28,139

I kind of think we do but let's hear

2519

01:34:34,070 --> 01:34:30,360

what you have to say that'll do it for

2520

01:34:35,900 --> 01:34:34,080

this one until next time take care bye
