

time, or time, ordained by the

1  
00:00:04,610 --> 00:00:02,510  
I think the UFO phenomenon or the UAP

2  
00:00:06,410 --> 00:00:04,620  
phenomenon it's one of the top three

3  
00:00:08,690 --> 00:00:06,420  
mysteries we have in front of us today

4  
00:00:11,509 --> 00:00:08,700  
to me those are baby steps and kind of

5  
00:00:14,089 --> 00:00:11,519  
looking in the wrong direction it's not

6  
00:00:16,010 --> 00:00:14,099  
about UFOs or uaps which I hate because

7  
00:00:17,210 --> 00:00:16,020  
it's just a psyop the UAP just to

8  
00:00:19,370 --> 00:00:17,220  
confuse people and the guy thought it

9  
00:00:21,769 --> 00:00:19,380  
was about UFOs no it's uaps this new

10  
00:00:22,849 --> 00:00:21,779  
acronym it's not about that it's about

11  
00:00:25,070 --> 00:00:22,859  
E.T

12  
00:00:26,450 --> 00:00:25,080  
when Rick Strassman at the University of

13  
00:00:28,670 --> 00:00:26,460

## New Mexico

14

00:00:31,730 --> 00:00:28,680

gave his subjects for the first time

15

00:00:35,030 --> 00:00:31,740

ordained by the great government drug

16

00:00:38,090 --> 00:00:35,040

taking experimenting arm that it had

17

00:00:40,850 --> 00:00:38,100

when he gave him the DMT they went into

18

00:00:42,830 --> 00:00:40,860

that other realm and there was E.T and

19

00:00:45,110 --> 00:00:42,840

E.T said
