

**IMAGE CHEAPENING  
AND PARAPSYCHOLOGY**

**#584 JASON REZA JORJANI**

**SK≡PTIKO**  
science & spirituality

1  
00:00:08,150 --> 00:00:05,930  
and this episode of skeptical a show

2  
00:00:10,009 --> 00:00:08,160  
about being naive

3  
00:00:13,129 --> 00:00:10,019  
my father's no different than any other

4  
00:00:15,230 --> 00:00:13,139  
powerful man any man who's responsible

5  
00:00:17,870 --> 00:00:15,240  
for other people

6  
00:00:20,210 --> 00:00:17,880  
like a senator or president

7  
00:00:22,370 --> 00:00:20,220  
you know how naive you sound all right

8  
00:00:23,929 --> 00:00:22,380  
senators and presidents don't have men

9  
00:00:25,849 --> 00:00:23,939  
killed

10  
00:00:28,790 --> 00:00:25,859  
who's being naive okay

11  
00:00:31,790 --> 00:00:28,800  
and how to train yourself not to be

12  
00:00:35,150 --> 00:00:31,800  
I have a very demanding meta philosophy

13  
00:00:37,430 --> 00:00:35,160

so ontology epistemology ethics

14

00:00:39,950 --> 00:00:37,440

Aesthetics and then politics

15

00:00:41,630 --> 00:00:39,960

and it's not enough for the concepts

16

00:00:43,790 --> 00:00:41,640

that you develop to cut across all of

17

00:00:44,889 --> 00:00:43,800

these domains they have to also be

18

00:00:48,170 --> 00:00:44,899

somehow

19

00:00:50,330 --> 00:00:48,180

consistent with one another I mean your

20

00:00:53,350 --> 00:00:50,340

ethics and politics has to follow from

21

00:00:56,569 --> 00:00:53,360

your ontology and epistemology otherwise

22

00:00:58,729 --> 00:00:56,579

you will have certain naive commitments

23

00:01:01,010 --> 00:00:58,739

that go unquestioned

24

00:01:03,590 --> 00:01:01,020

first clip was of course from The

25

00:01:07,370 --> 00:01:03,600

Godfather and the second was from

26  
00:01:10,130 --> 00:01:07,380  
today's guest Dr Jason Giorjani this was

27  
00:01:12,649 --> 00:01:10,140  
a real Paradigm shattering interview for

28  
00:01:15,710 --> 00:01:12,659  
me as it kind of made me wonder what it

29  
00:01:19,550 --> 00:01:15,720  
would really be like to play the 5D

30  
00:01:21,950 --> 00:01:19,560  
chess of geopolitics on the big board

31  
00:01:24,109 --> 00:01:21,960  
I hope you enjoy it

32  
00:01:26,149 --> 00:01:24,119  
welcome to SKEPTICO where we explore

33  
00:01:28,789 --> 00:01:26,159  
controversial science and spirituality

34  
00:01:30,890 --> 00:01:28,799  
with leading researchers thinkers and

35  
00:01:33,890 --> 00:01:30,900  
their critics I'm your host Alex Sakaris

36  
00:01:35,749 --> 00:01:33,900  
and today we're joined by

37  
00:01:39,050 --> 00:01:35,759  
somebody I'm really really excited to

38  
00:01:41,149 --> 00:01:39,060

have on the show Dr Jason Riza georgiani

39

00:01:43,789 --> 00:01:41,159

is somebody I've known about for a long

40

00:01:45,469 --> 00:01:43,799

time and it's really just an oversight

41

00:01:47,870 --> 00:01:45,479

because I wanted to speak to him for the

42

00:01:50,389 --> 00:01:47,880

longest time and then Chester from

43

00:01:52,370 --> 00:01:50,399

skeptico said hey you really got to talk

44

00:01:54,050 --> 00:01:52,380

to this guy and I'm like darn it you're

45

00:01:58,670 --> 00:01:54,060

right I so want to

46

00:02:01,969 --> 00:01:58,680

so this is going to be fantastic I'm so

47

00:02:04,429 --> 00:02:01,979

looking forward to this Jason is just a

48

00:02:08,389 --> 00:02:04,439

brilliant intellectual a brilliant

49

00:02:11,089 --> 00:02:08,399

philosopher lauded by you know all the

50

00:02:15,229 --> 00:02:11,099

most respected people in our little

51  
00:02:18,530 --> 00:02:15,239  
corner of the world here in skeptico the

52  
00:02:20,570 --> 00:02:18,540  
likes of thinking aloud Jeffrey mishlov

53  
00:02:23,150 --> 00:02:20,580  
who's been on the show who's kind of

54  
00:02:25,130 --> 00:02:23,160  
cancel cultured me because of pizzagate

55  
00:02:27,710 --> 00:02:25,140  
but that's okay

56  
00:02:29,710 --> 00:02:27,720  
we might even talk about how we cancel

57  
00:02:32,690 --> 00:02:29,720  
cultured Jason

58  
00:02:34,729 --> 00:02:32,700  
lauded by Jeffrey kreipel been on the

59  
00:02:37,670 --> 00:02:34,739  
show many times and has become kind of

60  
00:02:39,170 --> 00:02:37,680  
this shining star inside of this again

61  
00:02:43,490 --> 00:02:39,180  
corner of the world of the intersection

62  
00:02:46,130 --> 00:02:43,500  
of UFOs and parapsychology and

63  
00:02:48,710 --> 00:02:46,140

alternative spirituality but he's Rice

64

00:02:51,050 --> 00:02:48,720

University he's very very mainstream in

65

00:02:55,130 --> 00:02:51,060

that respect but out there pushing the

66

00:02:58,070 --> 00:02:55,140

edge so Jason was held in just the

67

00:03:00,050 --> 00:02:58,080

highest regard by these folks in many

68

00:03:02,589 --> 00:03:00,060

other intellectuals you know that you'd

69

00:03:05,390 --> 00:03:02,599

have to read in in his latest book

70

00:03:07,910 --> 00:03:05,400

Promethean pirate which is a fantastic

71

00:03:10,369 --> 00:03:07,920

read you can find it on Amazon along

72

00:03:11,990 --> 00:03:10,379

with so many of his other amazing books

73

00:03:13,910 --> 00:03:12,000

I'll share the screen now for a second

74

00:03:15,890 --> 00:03:13,920

Jason just so we can go through and look

75

00:03:17,509 --> 00:03:15,900

at some of those books so again we

76

00:03:20,690 --> 00:03:17,519

probably won't have a chance to talk

77

00:03:23,990 --> 00:03:20,700

about a lot of these but it

78

00:03:27,170 --> 00:03:24,000

they're amazing so in the email exchange

79

00:03:29,210 --> 00:03:27,180

that I had with Jason though I came to

80

00:03:32,449 --> 00:03:29,220

the conclusion that you know we can't

81

00:03:35,690 --> 00:03:32,459

really get to any of that stuff we can't

82

00:03:39,070 --> 00:03:35,700

really get to the meat of this

83

00:03:43,030 --> 00:03:39,080

philosopher and his thinking and his

84

00:03:45,350 --> 00:03:43,040

radical but well-conceived ideas about

85

00:03:47,149 --> 00:03:45,360

UFOs about what it means to be a

86

00:03:49,850 --> 00:03:47,159

philosopher what it means to be

87

00:03:52,789 --> 00:03:49,860

politically and spiritually engaged in

88

00:03:54,890 --> 00:03:52,799

our culture all these terrific things we

89

00:03:57,350 --> 00:03:54,900

can't get to any of that stuff without

90

00:03:59,270 --> 00:03:57,360

talking about well somebody somebody in

91

00:04:01,850 --> 00:03:59,280

the CIA let me know that that's what

92

00:04:05,089 --> 00:04:01,860

they call it it's an image cheapening

93

00:04:07,309 --> 00:04:05,099

operation yes an image cheapening

94

00:04:09,770 --> 00:04:07,319

operation and that's where we have to

95

00:04:12,050 --> 00:04:09,780

begin because otherwise any interview

96

00:04:14,990 --> 00:04:12,060

with Jason really unless you're just

97

00:04:17,870 --> 00:04:15,000

gonna jump kind of right into it

98

00:04:19,430 --> 00:04:17,880

um you know like my friend at Ann bite

99

00:04:21,289 --> 00:04:19,440

McGill does

100

00:04:23,749 --> 00:04:21,299

if you're not going to do that if you're

101  
00:04:25,670 --> 00:04:23,759  
really going to try and reach somewhat

102  
00:04:28,610 --> 00:04:25,680  
of a mainstream audience the first thing

103  
00:04:31,670 --> 00:04:28,620  
on their mind is going to be yeah but

104  
00:04:33,830 --> 00:04:31,680  
isn't that the guy who and then they're

105  
00:04:36,590 --> 00:04:33,840  
gonna fill in the blank and in this case

106  
00:04:39,530 --> 00:04:36,600  
the blank is all right

107  
00:04:42,770 --> 00:04:39,540  
is he some kind of Neo-Nazi is he

108  
00:04:46,010 --> 00:04:42,780  
anti-semitic is he all these things is

109  
00:04:48,770 --> 00:04:46,020  
he a warmonger all these things so right

110  
00:04:51,710 --> 00:04:48,780  
out front I think we have to tackle that

111  
00:04:53,749 --> 00:04:51,720  
in a very direct way so

112  
00:04:55,490 --> 00:04:53,759  
you got to tell the story man you're the

113  
00:04:57,770 --> 00:04:55,500

only one who can who can tell the story

114

00:05:01,969 --> 00:04:57,780

you've done it beautifully in Corinthian

115

00:05:03,950 --> 00:05:01,979

pirate but it's it's yours to tell

116

00:05:06,409 --> 00:05:03,960

all right Alex at least give me some

117

00:05:08,210 --> 00:05:06,419

angle of approach here okay uh and I

118

00:05:10,310 --> 00:05:08,220

will try to be as concise as possible

119

00:05:12,469 --> 00:05:10,320

and then you can draw me out on specific

120

00:05:15,409 --> 00:05:12,479

points uh where we could get into more

121

00:05:19,010 --> 00:05:15,419

detail because obviously this is a um

122

00:05:21,530 --> 00:05:19,020

it's a long and sorted Saga so uh and

123

00:05:23,510 --> 00:05:21,540

the devil is often in the details

124

00:05:26,450 --> 00:05:23,520

um but give me some angle of approach

125

00:05:29,930 --> 00:05:26,460

and uh and then I'll give you you know

126  
00:05:32,150 --> 00:05:29,940  
the most concise summary that I can and

127  
00:05:35,029 --> 00:05:32,160  
we'll take it from there

128  
00:05:36,770 --> 00:05:35,039  
you know the the phrase that that

129  
00:05:38,210 --> 00:05:36,780  
captivated me

130  
00:05:40,010 --> 00:05:38,220  
and again I don't know I think it's

131  
00:05:42,650 --> 00:05:40,020  
going to take a while to get there is

132  
00:05:46,310 --> 00:05:42,660  
this idea that you are an

133  
00:05:49,010 --> 00:05:46,320  
iranian-american you're looking at

134  
00:05:51,650 --> 00:05:49,020  
what's happened in Iran and the the

135  
00:05:54,469 --> 00:05:51,660  
complexity of it as is that a false flag

136  
00:05:57,529 --> 00:05:54,479  
operation by the CIA to kind of counter

137  
00:05:59,090 --> 00:05:57,539  
block Russia I mean that is way out

138  
00:06:01,310 --> 00:05:59,100

there but that has to be kind of

139

00:06:04,670 --> 00:06:01,320

considered what does it really mean to

140

00:06:06,710 --> 00:06:04,680

install a fundamentalist Muslim regime

141

00:06:08,029 --> 00:06:06,720

what are you trying to do when you do

142

00:06:09,230 --> 00:06:08,039

that what are you doing if you allow

143

00:06:11,210 --> 00:06:09,240

that what are you doing now if you're

144

00:06:13,249 --> 00:06:11,220

resisted what does Israel think about

145

00:06:16,909 --> 00:06:13,259

that but here's the phrase that caught

146

00:06:21,469 --> 00:06:16,919

my attention the Thomas Jefferson of the

147

00:06:23,390 --> 00:06:21,479

next Iran so you are this leading bright

148

00:06:27,409 --> 00:06:23,400

star intellectual

149

00:06:29,809 --> 00:06:27,419

you see as many Iranian Americans do the

150

00:06:32,150 --> 00:06:29,819

potential the necessity the Ultimate

151  
00:06:37,010 --> 00:06:32,160  
Reality that this thing has to change in

152  
00:06:40,430 --> 00:06:37,020  
Iran it's just so fake so phony so

153  
00:06:43,189 --> 00:06:40,440  
such a betrayal of the Persian people

154  
00:06:45,469 --> 00:06:43,199  
that it just can't last and you're going

155  
00:06:48,890 --> 00:06:45,479  
it's going to change and I'm somebody

156  
00:06:51,110 --> 00:06:48,900  
who can help in that process be one of

157  
00:06:53,510 --> 00:06:51,120  
the change agents I think that's the

158  
00:06:56,749 --> 00:06:53,520  
angle because that's the only way I

159  
00:06:59,270 --> 00:06:56,759  
understand how you got drawn into

160  
00:07:01,070 --> 00:06:59,280  
some of the crap that you got drawn into

161  
00:07:03,010 --> 00:07:01,080  
that you should have sidestepped

162  
00:07:05,210 --> 00:07:03,020  
anyone's looking at this and going Jason

163  
00:07:07,430 --> 00:07:05,220

you should have seen this you should

164

00:07:09,950 --> 00:07:07,440

have sidestepped this

165

00:07:12,350 --> 00:07:09,960

yeah a good angle of approach Okay so

166

00:07:15,890 --> 00:07:12,360

look here was the situation

167

00:07:19,189 --> 00:07:15,900

I had published Prometheus and Atlas and

168

00:07:21,290 --> 00:07:19,199

I believe February of 2016 as you

169

00:07:24,170 --> 00:07:21,300

suggested in your introduction it was

170

00:07:26,529 --> 00:07:24,180

widely held as the most significant work

171

00:07:29,210 --> 00:07:26,539

in parapsychology perhaps in decades

172

00:07:31,249 --> 00:07:29,220

it's of course a work of philosophy I

173

00:07:33,230 --> 00:07:31,259

was coming from out of philosophy but as

174

00:07:35,930 --> 00:07:33,240

a philosopher I was looking at the whole

175

00:07:37,610 --> 00:07:35,940

history of data in parapsychology and

176

00:07:41,270 --> 00:07:37,620

advancing some rather revolutionary

177

00:07:43,730 --> 00:07:41,280

Theses uh that had a bearing on

178

00:07:45,770 --> 00:07:43,740

the potential of parapsychology to

179

00:07:48,710 --> 00:07:45,780

revolutionize The Sciences in general

180

00:07:51,110 --> 00:07:48,720

and to restructure what we even conceive

181

00:07:53,809 --> 00:07:51,120

of as the practice of science to point

182

00:07:56,150 --> 00:07:53,819

towards a kind of post-paradigmatic uh

183

00:07:58,249 --> 00:07:56,160

vision for doing science where theories

184

00:08:01,010 --> 00:07:58,259

are understood as models rather than as

185

00:08:03,230 --> 00:08:01,020

mirrors of some objective reality and

186

00:08:05,390 --> 00:08:03,240

this was very well received it won the

187

00:08:08,570 --> 00:08:05,400

2016 book award of the parapsychological

188

00:08:11,570 --> 00:08:08,580

association at that time I was basically

189

00:08:14,089 --> 00:08:11,580

a you know meteorically frankly rising

190

00:08:15,529 --> 00:08:14,099

star in the field was introduced to

191

00:08:18,710 --> 00:08:15,539

everybody

192

00:08:21,409 --> 00:08:18,720

and so there's a review of that book on

193

00:08:24,409 --> 00:08:21,419

the inside dust jacket from from Jeffrey

194

00:08:26,629 --> 00:08:24,419

who by the way sat on my

195

00:08:28,490 --> 00:08:26,639

dissertation committee to approve the

196

00:08:30,170 --> 00:08:28,500

dissertation version of the book that

197

00:08:32,510 --> 00:08:30,180

eventually became Prometheus and Atlas

198

00:08:34,370 --> 00:08:32,520

and then there was a review from Jeffrey

199

00:08:35,990 --> 00:08:34,380

Mitch love as well in any case I was

200

00:08:38,570 --> 00:08:36,000

doing these interviews I was in the

201  
00:08:41,089 --> 00:08:38,580  
parapsychology circuit and Prometheus

202  
00:08:43,790 --> 00:08:41,099  
and Atlas also toward the end addressed

203  
00:08:46,190 --> 00:08:43,800  
the UFO subject which then later I went

204  
00:08:47,930 --> 00:08:46,200  
on to write this tell them about you

205  
00:08:51,170 --> 00:08:47,940  
know closer Encounters this really like

206  
00:08:53,990 --> 00:08:51,180  
basically encyclopedic treatment of all

207  
00:08:56,150 --> 00:08:54,000  
of the various Theses in in the domain

208  
00:08:58,550 --> 00:08:56,160  
of uh closer encounters research of

209  
00:09:01,370 --> 00:08:58,560  
Close Encounters research and in Close

210  
00:09:04,370 --> 00:09:01,380  
Encounters I kind of come up with a a

211  
00:09:06,769 --> 00:09:04,380  
meta hypothesis that synthesizes various

212  
00:09:08,750 --> 00:09:06,779  
partly divergent theories but I had

213  
00:09:11,269 --> 00:09:08,760

already hinted at that toward the end of

214

00:09:13,310 --> 00:09:11,279

Prometheus and Atlas And so here I am

215

00:09:15,230 --> 00:09:13,320

you know connected and uh let's say

216

00:09:18,590 --> 00:09:15,240

alternative science scene

217

00:09:20,210 --> 00:09:18,600

and quite a an important scene I mean we

218

00:09:22,389 --> 00:09:20,220

can't diminish it too much because it's

219

00:09:25,550 --> 00:09:22,399

not just like this narrow niche of

220

00:09:28,970 --> 00:09:25,560

parapsychology I mean Jeffrey kreypel is

221

00:09:31,550 --> 00:09:28,980

a major a major figure in this

222

00:09:32,990 --> 00:09:31,560

alternative shaping kind of thing and

223

00:09:35,269 --> 00:09:33,000

you know what's happening with the whole

224

00:09:37,250 --> 00:09:35,279

UFO thing or is about to happen but the

225

00:09:39,110 --> 00:09:37,260

whole UFO thing and the disclosure and

226

00:09:40,910 --> 00:09:39,120

the rollout in the New York Times I mean

227

00:09:43,250 --> 00:09:40,920

a lot of this stuff is set in place

228

00:09:46,430 --> 00:09:43,260

where these guys who you're talking to

229

00:09:49,130 --> 00:09:46,440

are no longer off in the corner doing

230

00:09:52,430 --> 00:09:49,140

their thing they're being pushed onto

231

00:09:54,949 --> 00:09:52,440

the main stage as you are being pushed

232

00:09:56,509 --> 00:09:54,959

onto the main stage would you am I am I

233

00:09:57,650 --> 00:09:56,519

going too far with that or is that the

234

00:09:59,389 --> 00:09:57,660

feeling you had at the time I don't

235

00:10:01,970 --> 00:09:59,399

think you're even going far enough to be

236

00:10:03,590 --> 00:10:01,980

quite honest with you I think that it's

237

00:10:05,990 --> 00:10:03,600

the most important scene in the world

238

00:10:07,850 --> 00:10:06,000

and that what was and then now you know

239

00:10:09,650 --> 00:10:07,860

it'll it'll require laying all of this

240

00:10:11,389 --> 00:10:09,660

out for people to appreciate you know

241

00:10:12,650 --> 00:10:11,399

what I'm about to say right now it's

242

00:10:14,329 --> 00:10:12,660

going to seem a little bit out of left

243

00:10:18,590 --> 00:10:14,339

field but

244

00:10:21,470 --> 00:10:18,600

in essence I think what was done is that

245

00:10:23,930 --> 00:10:21,480

certain people in intelligence uh and

246

00:10:26,990 --> 00:10:23,940

with corporate connections saw that I

247

00:10:30,769 --> 00:10:27,000

was about to be the figure at the Nexus

248

00:10:32,509 --> 00:10:30,779

of Consciousness studies and ufology and

249

00:10:33,889 --> 00:10:32,519

they intervened to make sure that that

250

00:10:36,590 --> 00:10:33,899

wouldn't happen

251  
00:10:39,470 --> 00:10:36,600  
so that the conversation could be

252  
00:10:41,329 --> 00:10:39,480  
contained within certain parameters and

253  
00:10:43,490 --> 00:10:41,339  
so anyway to take us back to the

254  
00:10:46,130 --> 00:10:43,500  
timeline here February 2016 this book

255  
00:10:48,530 --> 00:10:46,140  
came out between February and say may of

256  
00:10:52,490 --> 00:10:48,540  
2016 I became this rising star in this

257  
00:10:54,230 --> 00:10:52,500  
in this uh area of parapsychology and

258  
00:10:58,310 --> 00:10:54,240  
ufology and the convergences between

259  
00:10:59,530 --> 00:10:58,320  
them and then I believe it was when I

260  
00:11:02,630 --> 00:10:59,540  
went to

261  
00:11:05,030 --> 00:11:02,640  
London at the end of the spring of 2016

262  
00:11:06,769 --> 00:11:05,040  
to actually give a talk about Prometheus

263  
00:11:08,329 --> 00:11:06,779

and Atlas at the society for psychical

264

00:11:10,430 --> 00:11:08,339

research I was invited for a kind of

265

00:11:13,130 --> 00:11:10,440

book launch at the society for psychical

266

00:11:14,509 --> 00:11:13,140

research in London and uh late spring

267

00:11:18,410 --> 00:11:14,519

2016.

268

00:11:20,449 --> 00:11:18,420

and I met a guy there who belonged to an

269

00:11:23,210 --> 00:11:20,459

organization called Iranian Renaissance

270

00:11:27,170 --> 00:11:23,220

now I have to back up here and say that

271

00:11:29,569 --> 00:11:27,180

during the 2009 to 2010 Uprising in Iran

272

00:11:32,630 --> 00:11:29,579

known as the green movement I was a

273

00:11:34,190 --> 00:11:32,640

human rights activist I was the New York

274

00:11:38,150 --> 00:11:34,200

Chapter director of an organization

275

00:11:41,210 --> 00:11:38,160

called Iran crime watch and my task in

276

00:11:44,030 --> 00:11:41,220

New York was to Lobby the security

277

00:11:47,930 --> 00:11:44,040

council members of the United Nations to

278

00:11:49,730 --> 00:11:47,940

impose sanctions on uh regime officials

279

00:11:51,889 --> 00:11:49,740

that were responsible for the brutal

280

00:11:53,329 --> 00:11:51,899

Crackdown on the uprising of the Iranian

281

00:11:55,670 --> 00:11:53,339

people

282

00:11:58,670 --> 00:11:55,680

so I had had this background in human

283

00:12:01,210 --> 00:11:58,680

rights activism and the promotion of

284

00:12:06,769 --> 00:12:01,220

let's say you know

285

00:12:08,990 --> 00:12:06,779

the cause of Liberty in Iran okay and

286

00:12:11,990 --> 00:12:09,000

I met this guy in London who was a

287

00:12:14,509 --> 00:12:12,000

member of this uh 501c3 cultural

288

00:12:16,370 --> 00:12:14,519

organization informally known as Iranian

289

00:12:18,170 --> 00:12:16,380

Renaissance formerly called the Persian

290

00:12:19,190 --> 00:12:18,180

Renaissance foundation and long story

291

00:12:20,990 --> 00:12:19,200

short he brought me into this

292

00:12:22,990 --> 00:12:21,000

organization okay

293

00:12:26,090 --> 00:12:23,000

now

294

00:12:28,250 --> 00:12:26,100

very quickly I moved to the highest

295

00:12:30,410 --> 00:12:28,260

level and to the inner Inner Circle of

296

00:12:32,870 --> 00:12:30,420

this organization Iranian Renaissance to

297

00:12:35,870 --> 00:12:32,880

the point where I mean to be honest you

298

00:12:37,550 --> 00:12:35,880

know I I I hate to to have been put in a

299

00:12:39,769 --> 00:12:37,560

position where I have to reveal these

300

00:12:42,050 --> 00:12:39,779

things but fact of the matter is that

301

00:12:44,389 --> 00:12:42,060

I was part of a secret triumvirate in

302

00:12:47,810 --> 00:12:44,399

that organization okay publicly it was a

303

00:12:50,509 --> 00:12:47,820

cultural organization 501c3 privately it

304

00:12:52,550 --> 00:12:50,519

was probably the most significant

305

00:12:55,069 --> 00:12:52,560

political organization in opposition to

306

00:12:56,690 --> 00:12:55,079

the Islamic Republic because as a

307

00:12:58,850 --> 00:12:56,700

cultural organization it did not have

308

00:13:01,730 --> 00:12:58,860

its own Party politics it was trying to

309

00:13:03,530 --> 00:13:01,740

bring together a fairly wide-ranging

310

00:13:06,590 --> 00:13:03,540

coalition

311

00:13:09,230 --> 00:13:06,600

of let's say uh more nationalist

312

00:13:11,569 --> 00:13:09,240

oriented political groups who are

313

00:13:13,670 --> 00:13:11,579

opposed to the Islamic Republic listen I

314

00:13:17,509 --> 00:13:13,680

don't want to get too off Target and

315

00:13:20,870 --> 00:13:17,519

digress too much but you do I think

316

00:13:23,810 --> 00:13:20,880

have to give people the normies because

317

00:13:27,170 --> 00:13:23,820

I'm a normie until I dug into this an

318

00:13:31,009 --> 00:13:27,180

understanding of what that means what a

319

00:13:33,710 --> 00:13:31,019

Iranian Persian resistance movement

320

00:13:35,090 --> 00:13:33,720

means in this context of you know when

321

00:13:38,690 --> 00:13:35,100

the whole thing just happened recently

322

00:13:39,889 --> 00:13:38,700

with Iran the latest thing where they

323

00:13:41,389 --> 00:13:39,899

killed that woman because she wasn't

324

00:13:42,650 --> 00:13:41,399

wearing the burqa and don't tell me it's

325

00:13:44,810 --> 00:13:42,660

not a burke I know it's not a burger

326

00:13:46,430 --> 00:13:44,820

wasn't wearing it tight enough and

327

00:13:48,470 --> 00:13:46,440

they're doing this unbelievable

328

00:13:49,790 --> 00:13:48,480

Crackdown that if we step back and look

329

00:13:52,129 --> 00:13:49,800

at it

330

00:13:54,829 --> 00:13:52,139

from an ordinary kind of what we

331

00:13:56,990 --> 00:13:54,839

consider to be rights and values that

332

00:13:59,030 --> 00:13:57,000

are fundamental to Western Society we

333

00:14:00,650 --> 00:13:59,040

just wouldn't live with for a day and

334

00:14:03,170 --> 00:14:00,660

yet we all seem to kind of turn and look

335

00:14:05,329 --> 00:14:03,180

the other way but for people who of are

336

00:14:07,550 --> 00:14:05,339

Iranian descent and particularly people

337

00:14:11,449 --> 00:14:07,560

who are connected as you are to the

338

00:14:14,990 --> 00:14:11,459

tradition of uh of the Persian uh

339

00:14:16,910 --> 00:14:15,000

culture this has been I mean you can't

340

00:14:19,550 --> 00:14:16,920

even begin to say it's like an affront

341

00:14:21,590 --> 00:14:19,560

because it's just been it and it does

342

00:14:23,629 --> 00:14:21,600

tie back to this potential thing that

343

00:14:25,730 --> 00:14:23,639

the whole thing was kind of an

344

00:14:28,790 --> 00:14:25,740

orchestrated political play from the

345

00:14:30,949 --> 00:14:28,800

beginning so you you have to somehow

346

00:14:34,370 --> 00:14:30,959

help us understand

347

00:14:37,250 --> 00:14:34,380

to what extent that might be real and

348

00:14:39,710 --> 00:14:37,260

how that's playing into you year after

349

00:14:44,810 --> 00:14:39,720

year as you see this

350

00:14:47,329 --> 00:14:44,820

kind of show go on in Iran yeah so look

351  
00:14:49,129 --> 00:14:47,339  
in the west we measured dates from the

352  
00:14:51,550 --> 00:14:49,139  
time of Christ for a Better or For Worse

353  
00:14:55,610 --> 00:14:51,560  
right two thousand years right it's

354  
00:14:57,889 --> 00:14:55,620  
2023. Iran has just 2 000 years of

355  
00:15:00,110 --> 00:14:57,899  
History before Islam

356  
00:15:02,689 --> 00:15:00,120  
before the Advent of Islam and the Arab

357  
00:15:05,389 --> 00:15:02,699  
conquest of Iran Iran already had 2 000

358  
00:15:08,389 --> 00:15:05,399  
years of history and by the way the

359  
00:15:10,610 --> 00:15:08,399  
Iranians never called Iran Persia that

360  
00:15:13,189 --> 00:15:10,620  
was the name that the Greeks gave to

361  
00:15:16,250 --> 00:15:13,199  
Iran because the Capital District was

362  
00:15:18,470 --> 00:15:16,260  
called parsā or persis in Greek and so

363  
00:15:20,750 --> 00:15:18,480

like the way we refer to Russia as

364

00:15:22,730 --> 00:15:20,760

Moscow in news reports Moscow said such

365

00:15:26,329 --> 00:15:22,740

and such that's stuck in the west but

366

00:15:29,090 --> 00:15:26,339

Iranians always called Iran Iran it's a

367

00:15:31,129 --> 00:15:29,100

middle Persian contraction of the old

368

00:15:34,430 --> 00:15:31,139

Persian word Ariana

369

00:15:38,030 --> 00:15:34,440

so land of the Aryans Ariana or Iran

370

00:15:40,370 --> 00:15:38,040

anyway uh the country has 2 000 years of

371

00:15:41,990 --> 00:15:40,380

History just before Islam and so this

372

00:15:44,210 --> 00:15:42,000

Iranian Renaissance organization or

373

00:15:46,790 --> 00:15:44,220

Persian Renaissance Foundation their

374

00:15:50,569 --> 00:15:46,800

task was to try to bring about a kind of

375

00:15:52,370 --> 00:15:50,579

Medici style Renaissance in Iran that

376

00:15:54,590 --> 00:15:52,380

would draw from the ancient Persian

377

00:15:56,509 --> 00:15:54,600

culture right as part of not just the

378

00:15:57,590 --> 00:15:56,519

political revolution but a cultural

379

00:16:01,730 --> 00:15:57,600

revolution

380

00:16:04,370 --> 00:16:01,740

from out of repressive Islamic theocracy

381

00:16:06,189 --> 00:16:04,380

and so with that kind of you know

382

00:16:08,629 --> 00:16:06,199

cultural Outlook with that kind of more

383

00:16:09,710 --> 00:16:08,639

long-term deeper vision of change in

384

00:16:12,949 --> 00:16:09,720

Iran

385

00:16:14,990 --> 00:16:12,959

that group was aiming to bring together

386

00:16:18,050 --> 00:16:15,000

a whole Coalition of political parties

387

00:16:22,129 --> 00:16:18,060

which by the way we succeeded in doing

388

00:16:24,889 --> 00:16:22,139

uh by the summer of 2017 we brought

389

00:16:26,629 --> 00:16:24,899

together groups that are monarchists

390

00:16:29,389 --> 00:16:26,639

that want a return of the monarchy

391

00:16:30,949 --> 00:16:29,399

albeit a constitutional monarchy and

392

00:16:32,750 --> 00:16:30,959

groups that are for a secular Republic

393

00:16:35,030 --> 00:16:32,760

now to put this in context for your

394

00:16:36,949 --> 00:16:35,040

listeners or viewers

395

00:16:39,009 --> 00:16:36,959

uh if they know anything about Muhammad

396

00:16:41,569 --> 00:16:39,019

mosadef Mohammed

397

00:16:45,710 --> 00:16:41,579

was a democratically elected prime

398

00:16:47,689 --> 00:16:45,720

minister of Iran in 1951 who from 1951

399

00:16:51,290 --> 00:16:47,699

to 1953

400

00:16:53,210 --> 00:16:51,300

drove the shah out of Iran and basically

401  
00:16:56,030 --> 00:16:53,220  
took steps towards creating a secular

402  
00:16:59,389 --> 00:16:56,040  
Republic in the country so there has

403  
00:17:00,829 --> 00:16:59,399  
been for decades as you know vehemently

404  
00:17:02,689 --> 00:17:00,839  
as everyone

405  
00:17:04,850 --> 00:17:02,699  
in the opposition opposes the Islamic

406  
00:17:06,970 --> 00:17:04,860  
Republic there has been a deep divide

407  
00:17:09,289 --> 00:17:06,980  
between the supporters of Muhammad Musa

408  
00:17:11,090 --> 00:17:09,299  
those who want a secular Republic in

409  
00:17:12,949 --> 00:17:11,100  
Iran and people who want a restoration

410  
00:17:14,870 --> 00:17:12,959  
of constitutional monarchy this is a big

411  
00:17:16,909 --> 00:17:14,880  
divide and it's one of the reasons why

412  
00:17:18,169 --> 00:17:16,919  
uh the opposition could never get

413  
00:17:20,329 --> 00:17:18,179

together to overthrow the Islamic

414

00:17:23,689 --> 00:17:20,339

Republic we were the first people who by

415

00:17:25,669 --> 00:17:23,699

the summer of 2017 brought together the

416

00:17:28,789 --> 00:17:25,679

mosad death camp the secular Republicans

417

00:17:30,169 --> 00:17:28,799

and the Constitutional monarchists at

418

00:17:31,730 --> 00:17:30,179

the same time Jason you've got to be

419

00:17:34,909 --> 00:17:31,740

looking over your shoulder no doubt

420

00:17:36,890 --> 00:17:34,919

because the Shah was our guy our guy

421

00:17:39,350 --> 00:17:36,900

being he was the CIA guy he was going to

422

00:17:41,930 --> 00:17:39,360

run his thing and then there is this

423

00:17:45,650 --> 00:17:41,940

thing floating out there that the Shah

424

00:17:48,289 --> 00:17:45,660

is kind of deposed by the Muslim

425

00:17:50,330 --> 00:17:48,299

Republic kind of is that possibly a

426  
00:17:52,310 --> 00:17:50,340  
false flag on our part to kind of make a

427  
00:17:54,710 --> 00:17:52,320  
block move for the Russians because this

428  
00:17:58,010 --> 00:17:54,720  
is 3D chess and unless we're willing to

429  
00:18:00,409 --> 00:17:58,020  
kind of engage at that level speculate

430  
00:18:02,029 --> 00:18:00,419  
whether we agree with it or not we're

431  
00:18:03,350 --> 00:18:02,039  
not really going to get there so you're

432  
00:18:05,270 --> 00:18:03,360  
there you're doing this cultural thing

433  
00:18:07,490 --> 00:18:05,280  
but you're totally looking over your

434  
00:18:09,230 --> 00:18:07,500  
shoulder looking at how to play the 3D

435  
00:18:11,270 --> 00:18:09,240  
chess political game because that's

436  
00:18:14,150 --> 00:18:11,280  
what's going to happen here and now in

437  
00:18:15,710 --> 00:18:14,160  
the 21st century right yeah more like 5D

438  
00:18:17,270 --> 00:18:15,720

so you know I'm gonna try to keep it

439

00:18:19,070 --> 00:18:17,280

simple at the outset and then we can get

440

00:18:21,770 --> 00:18:19,080

into some of the more convoluted

441

00:18:23,570 --> 00:18:21,780

dimensions of this but point being I

442

00:18:24,830 --> 00:18:23,580

wound up in the innermost circle of this

443

00:18:28,610 --> 00:18:24,840

organization that's trying to create

444

00:18:30,950 --> 00:18:28,620

this broad Coalition right and

445

00:18:34,010 --> 00:18:30,960

and we were developing a plan for regime

446

00:18:36,350 --> 00:18:34,020

change in Iran and it was a it was a

447

00:18:39,529 --> 00:18:36,360

very how can I put this ruthlessly

448

00:18:41,330 --> 00:18:39,539

pragmatic plan okay because there's

449

00:18:43,490 --> 00:18:41,340

things about it people who just shout oh

450

00:18:45,529 --> 00:18:43,500

democracy you know Freedom they don't

451  
00:18:47,210 --> 00:18:45,539  
understand the complexity of the

452  
00:18:50,210 --> 00:18:47,220  
situation here okay this is a country

453  
00:18:52,549 --> 00:18:50,220  
that has yes a Persian majority but it

454  
00:18:55,070 --> 00:18:52,559  
has all kinds of ethnic minorities which

455  
00:18:58,250 --> 00:18:55,080  
have now been agitated for decades by

456  
00:19:00,470 --> 00:18:58,260  
agencies like the CIA the Mossad British

457  
00:19:02,150 --> 00:19:00,480  
intelligence to try to balkanize Iran

458  
00:19:04,610 --> 00:19:02,160  
and rape and loot the country for its

459  
00:19:07,250 --> 00:19:04,620  
resources and so you just you can't have

460  
00:19:09,289 --> 00:19:07,260  
a chaotic free-for-all revolution in

461  
00:19:11,330 --> 00:19:09,299  
that country and expect that Iran is

462  
00:19:13,549 --> 00:19:11,340  
going to emerge as a cohesive entity on

463  
00:19:17,330 --> 00:19:13,559

the other side of that okay so what we

464

00:19:20,630 --> 00:19:17,340

wanted to try to do was to bring about a

465

00:19:23,330 --> 00:19:20,640

military coup inside of Iran which would

466

00:19:25,370 --> 00:19:23,340

be first an officer's coup that gets rid

467

00:19:27,169 --> 00:19:25,380

of all the people in the irgc the

468

00:19:29,210 --> 00:19:27,179

Islamic revolutionary guard Corps who

469

00:19:31,789 --> 00:19:29,220

are loyal to the ayatollahs

470

00:19:36,590 --> 00:19:31,799

and then would under conditions of

471

00:19:38,510 --> 00:19:36,600

security and Public Safety Shepherd a

472

00:19:41,630 --> 00:19:38,520

transition out of the Islamic Republic

473

00:19:44,870 --> 00:19:41,640

toward a more uh you know authentically

474

00:19:47,390 --> 00:19:44,880

Iranian government okay so we had this

475

00:19:51,350 --> 00:19:47,400

plan and

476

00:19:54,169 --> 00:19:51,360

I was approached in the summer of 2016

477

00:19:55,730 --> 00:19:54,179

at the beginning of this process and at

478

00:19:57,350 --> 00:19:55,740

the time when I wound up in the Inner

479

00:20:00,409 --> 00:19:57,360

Circle of this organization I was

480

00:20:03,830 --> 00:20:00,419

approached by this British gentleman

481

00:20:07,430 --> 00:20:03,840

who frankly his initial messages to me

482

00:20:09,830 --> 00:20:07,440

sounded insane and there was a very bad

483

00:20:11,450 --> 00:20:09,840

grammar and whatever I mean so I I

484

00:20:13,130 --> 00:20:11,460

dismissed him together with I don't know

485

00:20:15,289 --> 00:20:13,140

100 other Nut Cases who were writing to

486

00:20:16,909 --> 00:20:15,299

me at the time uh once I was doing these

487

00:20:18,890 --> 00:20:16,919

interviews on parapsychology and ufology

488

00:20:23,330 --> 00:20:18,900

and so forth until one day I got a

489

00:20:28,610 --> 00:20:25,669

official messages all

490

00:20:31,490 --> 00:20:28,620

in a paranormal subjects right but then

491

00:20:34,789 --> 00:20:31,500

I get this message from him that says

492

00:20:40,010 --> 00:20:34,799

we have a an intelligence agency called

493

00:20:42,169 --> 00:20:40,020

jellyfish and uh we're able to broadcast

494

00:20:45,169 --> 00:20:42,179

the message of the Iranian Renaissance

495

00:20:48,350 --> 00:20:45,179

into the Islamic Republic

496

00:20:50,029 --> 00:20:48,360

and so I googled this jellyfish what is

497

00:20:51,950 --> 00:20:50,039

this business and it turns out it was

498

00:20:53,870 --> 00:20:51,960

the salvaged intelligence directorate of

499

00:20:55,250 --> 00:20:53,880

Blackwater now most of your listeners

500

00:20:57,110 --> 00:20:55,260

probably know what Blackwater was right

501  
00:20:59,450 --> 00:20:57,120  
after Black Water the mercenary Force

502  
00:21:01,730 --> 00:20:59,460  
the U.S basically used to govern large

503  
00:21:03,650 --> 00:21:01,740  
parts of Iraq after the disaster they

504  
00:21:05,510 --> 00:21:03,660  
had in Fallujah and Eric Prince

505  
00:21:06,950 --> 00:21:05,520  
basically the head of Blackwater was

506  
00:21:08,029 --> 00:21:06,960  
effectively exiled from the United

507  
00:21:11,090 --> 00:21:08,039  
States

508  
00:21:13,250 --> 00:21:11,100  
when Black Water dissolved this guy

509  
00:21:16,310 --> 00:21:13,260  
Michael Bagley salvaged the intelligence

510  
00:21:19,010 --> 00:21:16,320  
directorate and this character Jonathan

511  
00:21:20,690 --> 00:21:19,020  
in London told me that Michael worked

512  
00:21:22,310 --> 00:21:20,700  
with him I got the impression frankly

513  
00:21:25,490 --> 00:21:22,320

over time it became clear to me that

514

00:21:28,370 --> 00:21:25,500

Michael actually worked for him and

515

00:21:31,549 --> 00:21:28,380

they had this intelligence agency which

516

00:21:33,830 --> 00:21:31,559

supposedly had a broadcast facility in

517

00:21:35,630 --> 00:21:33,840

Croatia that through some kind of

518

00:21:36,890 --> 00:21:35,640

satellite uplink or whatever was able to

519

00:21:38,390 --> 00:21:36,900

break the filters of the Islamic

520

00:21:39,950 --> 00:21:38,400

Republic and they were offering to take

521

00:21:43,130 --> 00:21:39,960

our running Renaissance content and

522

00:21:45,409 --> 00:21:43,140

bombardy run with it okay and so I I

523

00:21:48,529 --> 00:21:45,419

looked up jellyfish and

524

00:21:50,090 --> 00:21:48,539

it looked legit wired and Mother Jones

525

00:21:52,549 --> 00:21:50,100

and all these people had done stories on

526

00:21:54,289 --> 00:21:52,559

it so I said fine with one phone call

527

00:21:56,570 --> 00:21:54,299

I'm going to find out whether this guy

528

00:21:59,090 --> 00:21:56,580

this British guy is a nut Chaser really

529

00:22:00,830 --> 00:21:59,100

he has these connections and so I called

530

00:22:01,850 --> 00:22:00,840

Michael Bagley and he picked up the

531

00:22:03,430 --> 00:22:01,860

phone and we had a very nice

532

00:22:05,930 --> 00:22:03,440

conversation he was expecting my call

533

00:22:07,730 --> 00:22:05,940

and a long story short we set up lunch

534

00:22:09,649 --> 00:22:07,740

meetings and so forth

535

00:22:11,990 --> 00:22:09,659

and so I got involved with this guy and

536

00:22:13,690 --> 00:22:12,000

more importantly I got my running

537

00:22:16,130 --> 00:22:13,700

Renaissance colleagues involved with

538

00:22:18,110 --> 00:22:16,140

these characters because they were

539

00:22:22,310 --> 00:22:18,120

offering to facilitate our

540

00:22:24,649 --> 00:22:22,320

attempted regime change in Iran and so

541

00:22:27,409 --> 00:22:24,659

anyway uh long story short I got

542

00:22:29,930 --> 00:22:27,419

involved with these people and a plan

543

00:22:32,390 --> 00:22:29,940

emerged

544

00:22:33,950 --> 00:22:32,400

that had to do with the publisher of

545

00:22:35,810 --> 00:22:33,960

Prometheus and Atlas

546

00:22:37,909 --> 00:22:35,820

because you see

547

00:22:39,830 --> 00:22:37,919

and by the way I was told

548

00:22:42,409 --> 00:22:39,840

before October

549

00:22:44,510 --> 00:22:42,419

of 2016 that Donald Trump was going to

550

00:22:46,070 --> 00:22:44,520

win the election before he won the

551  
00:22:47,330 --> 00:22:46,080  
election I was told he was going to win

552  
00:22:50,090 --> 00:22:47,340  
the election

553  
00:22:52,310 --> 00:22:50,100  
and with Trump coming in with Steve

554  
00:22:55,130 --> 00:22:52,320  
Bannon at that time in such a prominent

555  
00:22:57,470 --> 00:22:55,140  
position of influence next to him it was

556  
00:23:00,350 --> 00:22:57,480  
decided that I should make an approach

557  
00:23:02,570 --> 00:23:00,360  
to Steve Bannon because Steve Bannon was

558  
00:23:05,750 --> 00:23:02,580  
an Avid Reader of books published by my

559  
00:23:09,049 --> 00:23:05,760  
publisher my publisher arcDOS

560  
00:23:11,750 --> 00:23:09,059  
was also the publisher is is to this day

561  
00:23:14,390 --> 00:23:11,760  
also the publisher of Alexander Dugan's

562  
00:23:17,210 --> 00:23:14,400  
books in English translation and of a

563  
00:23:20,110 --> 00:23:17,220

variety of other books that Steve Bannon

564

00:23:24,409 --> 00:23:20,120

is interested in from sort of new right

565

00:23:29,330 --> 00:23:26,570

anyway

566

00:23:32,810 --> 00:23:29,340

the idea was that

567

00:23:34,730 --> 00:23:32,820

through my connection with arctos I

568

00:23:38,149 --> 00:23:34,740

would reach Steve Bannon and then

569

00:23:41,090 --> 00:23:38,159

influence Bannon on Iran policy that was

570

00:23:42,470 --> 00:23:41,100

the idea uh and in order to facilitate

571

00:23:46,730 --> 00:23:42,480

this

572

00:23:50,090 --> 00:23:46,740

uh it was proposed that I take arctos

573

00:23:52,669 --> 00:23:50,100

and fuse it with two other

574

00:23:54,770 --> 00:23:52,679

um right-wing institutions

575

00:23:56,870 --> 00:23:54,780

uh something called Red Ice radio and

576

00:23:58,850 --> 00:23:56,880

television which by the way used to be a

577

00:24:01,370 --> 00:23:58,860

paranormal broadcaster they had nothing

578

00:24:03,350 --> 00:24:01,380

to do with right-wing politics because

579

00:24:06,710 --> 00:24:03,360

here's where the thing starts sliding

580

00:24:09,169 --> 00:24:06,720

off the rails uh so Heinrich from Red

581

00:24:10,789 --> 00:24:09,179

Ice right I mean I know who he is I've

582

00:24:14,270 --> 00:24:10,799

listened to him for a long time and he

583

00:24:17,390 --> 00:24:14,280

used to be like it used to be like Art

584

00:24:21,409 --> 00:24:17,400

Bell and he would occasionally kind of

585

00:24:24,289 --> 00:24:21,419

slip into this you know kind of hula

586

00:24:25,909 --> 00:24:24,299

hoaxer kind of nonsense but you could

587

00:24:27,890 --> 00:24:25,919

kind of forgive it because it was a very

588

00:24:30,529 --> 00:24:27,900

small part of the content and hey

589

00:24:32,810 --> 00:24:30,539

shouldn't we be open to research even if

590

00:24:34,250 --> 00:24:32,820

it's wacky research and yeah and all

591

00:24:36,590 --> 00:24:34,260

sorts of wacky stuff turns out to be

592

00:24:40,370 --> 00:24:36,600

real and stuff like that but I mean at

593

00:24:44,690 --> 00:24:40,380

this point now I mean he is full full

594

00:24:46,850 --> 00:24:44,700

hold on Bo Nazi hola hoaxer kind of

595

00:24:48,470 --> 00:24:46,860

thing so are are you saying I haven't

596

00:24:50,090 --> 00:24:48,480

spoken to him for four years so I have

597

00:24:51,830 --> 00:24:50,100

no idea you know I have no idea you can

598

00:24:53,990 --> 00:24:51,840

just go to his website I mean it's the

599

00:24:57,110 --> 00:24:54,000

great one is how he refers to uh Hitler

600

00:24:58,909 --> 00:24:57,120

he regularly has on people who are just

601  
00:25:01,789 --> 00:24:58,919  
uh you know the whole whole hoaxer thing

602  
00:25:03,549 --> 00:25:01,799  
really I guess it really tweaks me a

603  
00:25:07,010 --> 00:25:03,559  
little bit because it's

604  
00:25:09,649 --> 00:25:07,020  
anti-intellectual anti-history it seems

605  
00:25:11,930 --> 00:25:09,659  
like an OP to me because it's just true

606  
00:25:14,210 --> 00:25:11,940  
I can tell you it's not enough

607  
00:25:16,250 --> 00:25:14,220  
um I knew him quite well and and the

608  
00:25:18,649 --> 00:25:16,260  
more important point is that when I knew

609  
00:25:21,289 --> 00:25:18,659  
him back then he wasn't like that okay

610  
00:25:22,909 --> 00:25:21,299  
so we've got to remember this is 2016

611  
00:25:25,430 --> 00:25:22,919  
and if you go back and look at what Red

612  
00:25:27,470 --> 00:25:25,440  
Ice was putting out in 2016 he had only

613  
00:25:30,049 --> 00:25:27,480

just barely started to turn in a kind of

614

00:25:31,430 --> 00:25:30,059

right wing political Direction most of

615

00:25:33,350 --> 00:25:31,440

it shows up to that point had been

616

00:25:35,630 --> 00:25:33,360

basically you know co-extensive with

617

00:25:38,090 --> 00:25:35,640

Coast to Coast content it was about 9 11

618

00:25:40,789 --> 00:25:38,100

it was about Federal Reserve it was

619

00:25:43,909 --> 00:25:40,799

about very edgy stuff but kind of in in

620

00:25:46,250 --> 00:25:43,919

that contains a lot of people shows a

621

00:25:48,169 --> 00:25:46,260

lot of paranormal shows and so right and

622

00:25:49,730 --> 00:25:48,179

anyway the other important thing because

623

00:25:51,529 --> 00:25:49,740

before people think like what the hell

624

00:25:52,909 --> 00:25:51,539

were you thinking giorgiani uh the other

625

00:25:55,250 --> 00:25:52,919

the other important thing they need to

626  
00:25:56,930 --> 00:25:55,260  
keep in mind is that as I got involved

627  
00:25:58,669 --> 00:25:56,940  
with these intelligence people and as

628  
00:25:59,990 --> 00:25:58,679  
also the Iranian Renaissance began to

629  
00:26:02,210 --> 00:26:00,000  
make its own assessments of the

630  
00:26:04,010 --> 00:26:02,220  
Strategic situation one thing that

631  
00:26:05,870 --> 00:26:04,020  
became perfectly clear to us in the

632  
00:26:09,350 --> 00:26:05,880  
run-up to the 2016 election in November

633  
00:26:12,230 --> 00:26:09,360  
is it Hillary Clinton had as part of her

634  
00:26:14,210 --> 00:26:12,240  
agenda not just regime change in Iran

635  
00:26:16,690 --> 00:26:14,220  
through foreign intervention but the

636  
00:26:20,330 --> 00:26:16,700  
balkanization of Iran Hillary Clinton

637  
00:26:23,029 --> 00:26:20,340  
was connected to the house of Saud

638  
00:26:24,409 --> 00:26:23,039

through some people very close to her

639

00:26:26,570 --> 00:26:24,419

particularly there was this one woman

640

00:26:28,370 --> 00:26:26,580

who was a very rather direct

641

00:26:32,269 --> 00:26:28,380

intermediary between her and the house

642

00:26:35,029 --> 00:26:32,279

of Saud and her agenda coming in listen

643

00:26:37,310 --> 00:26:35,039

she talked about war mongers okay this

644

00:26:39,470 --> 00:26:37,320

woman voted for the intervention in Iraq

645

00:26:41,390 --> 00:26:39,480

uh based on the LIE that Saddam Hussein

646

00:26:43,130 --> 00:26:41,400

had weapons of mass destruction she was

647

00:26:45,590 --> 00:26:43,140

one of the most hawkish politicians in

648

00:26:48,289 --> 00:26:45,600

the United States and we had good

649

00:26:50,990 --> 00:26:48,299

intelligence that Hillary's agenda was

650

00:26:52,909 --> 00:26:51,000

going to be to have a foreign military

651  
00:26:54,289 --> 00:26:52,919  
intervention in Iran with the aim of

652  
00:26:58,490 --> 00:26:54,299  
balkanizing the country and losing its

653  
00:27:02,330 --> 00:26:58,500  
resources and in Europe

654  
00:27:04,690 --> 00:27:02,340  
there was a islamist terrorist maoist

655  
00:27:07,850 --> 00:27:04,700  
organization called

656  
00:27:09,890 --> 00:27:07,860  
organization mko or sometimes it's

657  
00:27:12,830 --> 00:27:09,900  
abbreviated m-e-k

658  
00:27:14,690 --> 00:27:12,840  
that are opposed to the Islamic Republic

659  
00:27:17,390 --> 00:27:14,700  
but they're basically they're a cult

660  
00:27:20,029 --> 00:27:17,400  
okay and they they sided with Saddam

661  
00:27:22,070 --> 00:27:20,039  
Hussein during the iran-iraq war

662  
00:27:24,730 --> 00:27:22,080  
and then when we went into Iraq they

663  
00:27:28,310 --> 00:27:24,740

wound up being pushed into Europe and

664

00:27:30,169 --> 00:27:28,320

they have a huge Lobby in Europe and all

665

00:27:32,750 --> 00:27:30,179

the left-wing politicians in Europe are

666

00:27:34,430 --> 00:27:32,760

in their pocket and by the way they also

667

00:27:36,950 --> 00:27:34,440

had a number of prominent American

668

00:27:38,570 --> 00:27:36,960

congressmen in their pocket okay so so

669

00:27:40,610 --> 00:27:38,580

we're looking at the scene in Europe and

670

00:27:42,529 --> 00:27:40,620

we see the left wing in Europe these

671

00:27:44,630 --> 00:27:42,539

socialist groups Communists they're all

672

00:27:46,430 --> 00:27:44,640

in with this islamist maoist terrorist

673

00:27:48,230 --> 00:27:46,440

organization that's their vision of

674

00:27:49,850 --> 00:27:48,240

regime change in Iran then we're looking

675

00:27:51,529 --> 00:27:49,860

at Hillary Clinton and the Democrats in

676  
00:27:54,289 --> 00:27:51,539  
the U.S and okay they want to balkanize

677  
00:27:56,390 --> 00:27:54,299  
Iran and so we sh you know the only

678  
00:27:58,909 --> 00:27:56,400  
choices Trump and the people around

679  
00:28:01,669 --> 00:27:58,919  
Trump and at least they understand the

680  
00:28:03,529 --> 00:28:01,679  
idea of a nation and you know on account

681  
00:28:05,269 --> 00:28:03,539  
of their populism they might be

682  
00:28:08,210 --> 00:28:05,279  
sympathetic to keeping Iran as a

683  
00:28:10,010 --> 00:28:08,220  
cohesive Nation so the idea was I have

684  
00:28:12,830 --> 00:28:10,020  
to get to Steve Bannon and influence

685  
00:28:14,330 --> 00:28:12,840  
Iran on influence Trump on Iran policy

686  
00:28:17,630 --> 00:28:14,340  
so this is kind of the strange

687  
00:28:20,330 --> 00:28:17,640  
bedfellows kind of thing it is a reality

688  
00:28:22,070 --> 00:28:20,340

that is just a reality and I love the

689

00:28:24,769 --> 00:28:22,080

way that you you play it out because it

690

00:28:28,490 --> 00:28:24,779

helps because Steve Bannon you know

691

00:28:31,490 --> 00:28:28,500

turns out to be the coke meth porn house

692

00:28:33,590 --> 00:28:31,500

guy in Florida and all that stuff which

693

00:28:36,230 --> 00:28:33,600

I I don't know what you do with it but

694

00:28:39,649 --> 00:28:36,240

it's real you know Trump turns out to be

695

00:28:42,350 --> 00:28:39,659

our coveted president which is is real

696

00:28:43,970 --> 00:28:42,360

that's who he was I don't know if he was

697

00:28:46,789 --> 00:28:43,980

selected for that but he certainly

698

00:28:48,649 --> 00:28:46,799

raised his hand when the plan was laid

699

00:28:52,250 --> 00:28:48,659

out and then you got and then you got

700

00:28:54,769 --> 00:28:52,260

Hillary who is the the pizzagate Hillary

701  
00:28:56,930 --> 00:28:54,779  
I mean there isn't there is an evil kind

702  
00:28:59,210 --> 00:28:56,940  
of another level other Jason

703  
00:29:01,549 --> 00:28:59,220  
conversation about what does it mean to

704  
00:29:03,590 --> 00:29:01,559  
want to connect with other forces and

705  
00:29:06,830 --> 00:29:03,600  
have those forces Aid you and kind of

706  
00:29:08,630 --> 00:29:06,840  
stuff again we can't that's the the

707  
00:29:10,970 --> 00:29:08,640  
layer and the complexity of this that

708  
00:29:13,789 --> 00:29:10,980  
really gets interesting but we can't get

709  
00:29:16,490 --> 00:29:13,799  
there because I really appreciate 8 how

710  
00:29:18,590 --> 00:29:16,500  
you're breaking this down in terms of

711  
00:29:21,289 --> 00:29:18,600  
you walking through this history what

712  
00:29:25,070 --> 00:29:21,299  
it's like for you well that what your

713  
00:29:27,769 --> 00:29:25,080

goal is here is these freaking Iranian

714

00:29:30,649 --> 00:29:27,779

people who are there like

715

00:29:32,690 --> 00:29:30,659

you can hear them screaming help us help

716

00:29:36,169 --> 00:29:32,700

us help us and that's what you're trying

717

00:29:38,810 --> 00:29:36,179

to do and Trump seems like a reasonable

718

00:29:41,750 --> 00:29:38,820

way to go about that

719

00:29:44,330 --> 00:29:41,760

initially he did yes later I actually

720

00:29:46,610 --> 00:29:44,340

turned against them very uh severely but

721

00:29:50,029 --> 00:29:46,620

initially that's what we were thinking

722

00:29:51,350 --> 00:29:50,039

and so I brought together this

723

00:29:53,450 --> 00:29:51,360

organization now there's another

724

00:29:55,669 --> 00:29:53,460

motivation that I had which I have to

725

00:29:57,889 --> 00:29:55,679

confess here which is without which the

726

00:30:00,169 --> 00:29:57,899

story doesn't make a great deal of sense

727

00:30:03,710 --> 00:30:00,179

and that's that

728

00:30:06,049 --> 00:30:03,720

I have for many years uh many years

729

00:30:08,269 --> 00:30:06,059

before this before even 2016.

730

00:30:09,710 --> 00:30:08,279

uh and those who are closest to me the

731

00:30:11,870 --> 00:30:09,720

people who are my closest friends know

732

00:30:14,870 --> 00:30:11,880

this I I discussed this with them going

733

00:30:16,250 --> 00:30:14,880

way back to I don't know 2010 or even

734

00:30:19,450 --> 00:30:16,260

earlier than that

735

00:30:23,149 --> 00:30:19,460

that I've had for years of vision

736

00:30:24,289 --> 00:30:23,159

uh a nightmarish vision of a return of

737

00:30:27,289 --> 00:30:24,299

fascism

738

00:30:29,269 --> 00:30:27,299

to the Western World in particular

739

00:30:30,529 --> 00:30:29,279

and

740

00:30:31,909 --> 00:30:30,539

you know I mean that's a whole

741

00:30:33,710 --> 00:30:31,919

complicated discussion we could have

742

00:30:36,289 --> 00:30:33,720

what's relevant for the moment is simply

743

00:30:38,269 --> 00:30:36,299

that I have this precognitive it wasn't

744

00:30:40,850 --> 00:30:38,279

just a projected analysis it was also

745

00:30:43,010 --> 00:30:40,860

quite Vivid precognitive Vision that

746

00:30:46,370 --> 00:30:43,020

there is going to be this Resurgence of

747

00:30:48,230 --> 00:30:46,380

fascism and people like Mussolini and

748

00:30:50,090 --> 00:30:48,240

Hitler are going to be reevaluated as

749

00:30:52,730 --> 00:30:50,100

historical figures and things are going

750

00:30:56,210 --> 00:30:52,740

to be so dark in the west that you know

751  
00:30:58,549 --> 00:30:56,220  
uh our notion of History will have been

752  
00:31:01,610 --> 00:30:58,559  
revised okay and

753  
00:31:02,930 --> 00:31:01,620  
so I I had this vision and part of what

754  
00:31:04,730 --> 00:31:02,940  
I was trying to do in the way I wrote

755  
00:31:08,630 --> 00:31:04,740  
Prometheus and Atlas I wrote it very

756  
00:31:11,029 --> 00:31:08,640  
subtly was it's quite an esoteric book

757  
00:31:12,470 --> 00:31:11,039  
it has esoteric Dimensions to it and

758  
00:31:16,010 --> 00:31:12,480  
part of what I was trying to do was to

759  
00:31:20,029 --> 00:31:16,020  
hack that narrative and recode it

760  
00:31:22,909 --> 00:31:20,039  
okay to offer up an archetype around

761  
00:31:25,850 --> 00:31:22,919  
which the West could be restructured

762  
00:31:28,070 --> 00:31:25,860  
that would be much more Progressive and

763  
00:31:29,690 --> 00:31:28,080

that would promote Liberty and the

764

00:31:32,510 --> 00:31:29,700

freedom of the individual

765

00:31:34,370 --> 00:31:32,520

as opposed to the direction that I

766

00:31:36,169 --> 00:31:34,380

thought things were going to go in as

767

00:31:38,870 --> 00:31:36,179

opposed to the direction things are

768

00:31:41,090 --> 00:31:38,880

going so you got to give a thumbnail

769

00:31:44,510 --> 00:31:41,100

sketch of that and it can get really

770

00:31:48,430 --> 00:31:44,520

deep really quickly but I I think you

771

00:31:52,310 --> 00:31:48,440

have to again give people the technology

772

00:31:53,389 --> 00:31:52,320

Prometheus Atlas who they are but more

773

00:31:57,409 --> 00:31:53,399

importantly

774

00:31:59,029 --> 00:31:57,419

it is so immediate it's so present with

775

00:32:01,130 --> 00:31:59,039

everything we see you know we've been

776

00:32:03,430 --> 00:32:01,140

talking about the great reset the world

777

00:32:06,710 --> 00:32:03,440

economic forum and you know one of my

778

00:32:10,250 --> 00:32:06,720

tip of my questions to you is is that

779

00:32:14,630 --> 00:32:10,260

another uh CIA Kissinger make America

780

00:32:18,130 --> 00:32:14,640

great uh let's defend the the U.S

781

00:32:22,330 --> 00:32:18,140

currency thing or is it this next level

782

00:32:24,830 --> 00:32:22,340

Promethean totalitarian technocratic

783

00:32:27,470 --> 00:32:24,840

dystopia kind of thing and we don't know

784

00:32:31,010 --> 00:32:27,480

maybe it's all those but what you so

785

00:32:34,070 --> 00:32:31,020

brilliantly kind of sketched out and and

786

00:32:36,409 --> 00:32:34,080

in a like you said in a very subtle way

787

00:32:39,470 --> 00:32:36,419

but not so subtle way in Prometheus and

788

00:32:42,769 --> 00:32:39,480

Atlas give folks a little bit more of

789

00:32:45,830 --> 00:32:42,779

how that connects to what has happened

790

00:32:48,649 --> 00:32:45,840

since that time

791

00:32:51,289 --> 00:32:48,659

okay I mean that's we I know I know I

792

00:32:53,590 --> 00:32:51,299

don't I don't in a nutshell and Jason in

793

00:32:56,930 --> 00:32:53,600

the context of this story

794

00:32:59,690 --> 00:32:56,940

an awesome job of kind of helping us

795

00:33:03,110 --> 00:32:59,700

understand how you wound up where you

796

00:33:05,510 --> 00:33:03,120

wound up my vision of what was going to

797

00:33:07,430 --> 00:33:05,520

happen which I wanted to avert is that

798

00:33:10,149 --> 00:33:07,440

the West Was going to be pushed in the

799

00:33:13,730 --> 00:33:10,159

direction of a neo-fugal

800

00:33:15,490 --> 00:33:13,740

agrarian traditionalist society and by

801  
00:33:19,909 --> 00:33:15,500  
traditionalists I mean

802  
00:33:23,450 --> 00:33:19,919  
xenophobic Luddite opposed to women's

803  
00:33:26,090 --> 00:33:23,460  
rights uh and so on and so forth okay so

804  
00:33:28,789 --> 00:33:26,100  
winding the clock back

805  
00:33:32,810 --> 00:33:28,799  
by not just decades centuries in terms

806  
00:33:34,190 --> 00:33:32,820  
of values right okay so again pardon me

807  
00:33:36,590 --> 00:33:34,200  
for interrupting but I want to break it

808  
00:33:38,690 --> 00:33:36,600  
down because I listen to your stuff and

809  
00:33:40,549 --> 00:33:38,700  
it's so dense I think we need to break

810  
00:33:42,710 --> 00:33:40,559  
that feudal

811  
00:33:45,889 --> 00:33:42,720  
you will own nothing and you will be

812  
00:33:49,370 --> 00:33:45,899  
happy that is about as futile as you can

813  
00:33:52,549 --> 00:33:49,380

get Universal basic income that's about

814

00:33:55,210 --> 00:33:52,559

as futile as you can get the

815

00:33:58,430 --> 00:33:55,220

traditionalist part the Islamic Republic

816

00:34:00,830 --> 00:33:58,440

obviously is traditionalist but how else

817

00:34:03,649 --> 00:34:00,840

do we get in our current state of

818

00:34:04,850 --> 00:34:03,659

affairs do we get to the traditionalist

819

00:34:07,730 --> 00:34:04,860

part of that

820

00:34:09,770 --> 00:34:07,740

through the promotion of the unity of

821

00:34:12,109 --> 00:34:09,780

all of the regressive religious and

822

00:34:15,109 --> 00:34:12,119

cultural forces in the world there is

823

00:34:18,730 --> 00:34:15,119

this discourse of perennial philosophy

824

00:34:21,290 --> 00:34:18,740

Sophia perennis uh that basically

825

00:34:23,690 --> 00:34:21,300

stipulates that there is a Unity of all

826

00:34:26,869 --> 00:34:23,700

the quote great world religions unquote

827

00:34:29,450 --> 00:34:26,879

and they always argue that that Unity is

828

00:34:33,349 --> 00:34:29,460

on the basis of the most Orthodox

829

00:34:35,450 --> 00:34:33,359

um elements of those Traditions so that

830

00:34:38,270 --> 00:34:35,460

uh what I saw taking place and which

831

00:34:41,389 --> 00:34:38,280

which I think has begun to take place uh

832

00:34:43,730 --> 00:34:41,399

is a kind of coordination between let's

833

00:34:45,710 --> 00:34:43,740

say Conservative Catholics in Europe the

834

00:34:47,570 --> 00:34:45,720

Catholics who reject the the last

835

00:34:48,409 --> 00:34:47,580

Vatican Council

836

00:34:50,869 --> 00:34:48,419

um

837

00:34:54,770 --> 00:34:50,879

Islamic fundamentalists particularly the

838

00:34:58,089 --> 00:34:54,780

Shiites uh Hindu nationalists in India

839

00:35:04,010 --> 00:34:58,099

so a kind of Alliance of regressive

840

00:35:07,670 --> 00:35:04,020

forces uh for the sake of promoting a

841

00:35:10,430 --> 00:35:07,680

kind of anti-technology view of the

842

00:35:13,310 --> 00:35:10,440

world that strips us of individual

843

00:35:15,170 --> 00:35:13,320

liberties and winds the clock back in

844

00:35:16,790 --> 00:35:15,180

terms of kind of social progress that's

845

00:35:18,950 --> 00:35:16,800

taken place in the west over the past

846

00:35:20,630 --> 00:35:18,960

two centuries this is what I saw what

847

00:35:23,150 --> 00:35:20,640

was going to happen without some kind of

848

00:35:27,550 --> 00:35:23,160

intervention and could we throw in the

849

00:35:30,650 --> 00:35:27,560

pot this kind of secular atheistic

850

00:35:32,750 --> 00:35:30,660

wokeness Without Really any kind of

851  
00:35:35,510 --> 00:35:32,760  
mindfulness to what that means because

852  
00:35:38,329 --> 00:35:35,520  
again it has that universality that that

853  
00:35:40,490 --> 00:35:38,339  
kind of appeals in some vague way

854  
00:35:42,349 --> 00:35:40,500  
it's a dialectic Alex at the risk of

855  
00:35:45,770 --> 00:35:42,359  
sounding like a conspiracy theorist this

856  
00:35:47,930 --> 00:35:45,780  
has been set up they are using the

857  
00:35:50,510 --> 00:35:47,940  
soulless materialist mechanistic

858  
00:35:52,450 --> 00:35:50,520  
transhumanist world view

859  
00:35:56,410 --> 00:35:52,460  
in order to

860  
00:35:59,450 --> 00:35:56,420  
catalyze a reactionary traditionalist

861  
00:36:01,370 --> 00:35:59,460  
neofutal response and it's the dialectic

862  
00:36:02,930 --> 00:36:01,380  
between these two forces it's going to

863  
00:36:05,150 --> 00:36:02,940

produce the totalitarian political

864

00:36:06,650 --> 00:36:05,160

system of the future that's what I saw

865

00:36:08,990 --> 00:36:06,660

happening and so what I was attempting

866

00:36:10,370 --> 00:36:09,000

to do in Prometheus and Atlas was

867

00:36:12,410 --> 00:36:10,380

because see what they've done is they've

868

00:36:15,290 --> 00:36:12,420

created a false binary it's a false

869

00:36:18,230 --> 00:36:15,300

alternative that's how psyops work and

870

00:36:20,390 --> 00:36:18,240

so what I was trying to do was to

871

00:36:21,950 --> 00:36:20,400

articulate a different vision of the

872

00:36:24,710 --> 00:36:21,960

human relationship to technological

873

00:36:27,170 --> 00:36:24,720

science one that is not mechanistic and

874

00:36:29,569 --> 00:36:27,180

reductionist and one that actually

875

00:36:31,970 --> 00:36:29,579

identifies the essence of technological

876

00:36:35,990 --> 00:36:31,980

science as an archetypal or spiritual

877

00:36:38,690 --> 00:36:36,000

Force namely the archetype of Prometheus

878

00:36:40,910 --> 00:36:38,700

and at the same time that archetype of

879

00:36:43,609 --> 00:36:40,920

Prometheus offers us a spirituality

880

00:36:45,890 --> 00:36:43,619

that's about as diametrically opposite

881

00:36:48,829 --> 00:36:45,900

to regressive traditionalism as you can

882

00:36:49,970 --> 00:36:48,839

imagine I mean Prometheus is the the I

883

00:36:52,370 --> 00:36:49,980

don't want to say God because of course

884

00:36:53,990 --> 00:36:52,380

he was a Titan but he's the deity of the

885

00:36:56,089 --> 00:36:54,000

counter tradition

886

00:36:57,770 --> 00:36:56,099

right I mean he is Prometheus is the

887

00:37:02,270 --> 00:36:57,780

ultimate symbol of rebellion against

888

00:37:05,050 --> 00:37:02,280

tyrannical overlords and uh a a sort of

889

00:37:07,550 --> 00:37:05,060

divine inspiration for human

890

00:37:09,470 --> 00:37:07,560

self-determination and for us claiming

891

00:37:11,990 --> 00:37:09,480

our own destiny and our own Highest

892

00:37:14,089 --> 00:37:12,000

Potential so I was trying to articulate

893

00:37:16,670 --> 00:37:14,099

this vision of our relationship this

894

00:37:18,829 --> 00:37:16,680

technological science and a vision for a

895

00:37:20,329 --> 00:37:18,839

new spirituality that went back to the

896

00:37:24,710 --> 00:37:20,339

roots of the West

897

00:37:27,470 --> 00:37:24,720

in order to propose a different basis

898

00:37:30,710 --> 00:37:27,480

for a cohesive reorganization of Western

899

00:37:32,750 --> 00:37:30,720

Civilization a a basis that would be

900

00:37:34,910 --> 00:37:32,760

you know very different from the

901  
00:37:36,710 --> 00:37:34,920  
direction they're pushing things in uh

902  
00:37:39,410 --> 00:37:36,720  
and that could act as an alternative

903  
00:37:41,450 --> 00:37:39,420  
right well enough in advance of the

904  
00:37:43,069 --> 00:37:41,460  
impending catastrophe that I saw on the

905  
00:37:44,210 --> 00:37:43,079  
horizon and so people need to keep this

906  
00:37:46,069 --> 00:37:44,220  
in mind as well like I've got this

907  
00:37:48,290 --> 00:37:46,079  
Iranian Renaissance thing going on but

908  
00:37:50,450 --> 00:37:48,300  
also in the back of my mind is

909  
00:37:52,550 --> 00:37:50,460  
the collapse of the West is coming and

910  
00:37:54,770 --> 00:37:52,560  
this is being engineered and we need a

911  
00:37:57,829 --> 00:37:54,780  
new model for Western Civilization so

912  
00:37:59,329 --> 00:37:57,839  
when I agreed to be this figure to bring

913  
00:38:01,849 --> 00:37:59,339

together these disparate organizations

914

00:38:04,250 --> 00:38:01,859

into a uh into a single quote-unquote

915

00:38:07,010 --> 00:38:04,260

alt-right group

916

00:38:08,810 --> 00:38:07,020

it was with the idea that I was

917

00:38:11,630 --> 00:38:08,820

infiltrating

918

00:38:14,150 --> 00:38:11,640

an organization that eventually would

919

00:38:16,730 --> 00:38:14,160

call us anyhow and that I was going to

920

00:38:19,069 --> 00:38:16,740

use that influence that I had at the

921

00:38:20,270 --> 00:38:19,079

Nexus of this organization to push

922

00:38:22,849 --> 00:38:20,280

things in a completely different

923

00:38:26,089 --> 00:38:22,859

direction than the track that they were

924

00:38:28,670 --> 00:38:26,099

already headed down okay but Jason here

925

00:38:31,609 --> 00:38:28,680

here's here's kind of a hard part right

926

00:38:33,530 --> 00:38:31,619

this is from a direct quote from the

927

00:38:35,450 --> 00:38:33,540

book well it's slightly paraphrased but

928

00:38:37,670 --> 00:38:35,460

I think you'll find it you correct it if

929

00:38:39,410 --> 00:38:37,680

you need to my aim as CEO of the

930

00:38:41,750 --> 00:38:39,420

alt-right movement was to make it

931

00:38:45,470 --> 00:38:41,760

cohesive and organized enough to

932

00:38:49,490 --> 00:38:45,480

redirect its trajectory away from White

933

00:38:54,290 --> 00:38:49,500

nationalism European ethnocentrism

934

00:38:58,130 --> 00:38:54,300

that's right now that's on one hand

935

00:38:59,530 --> 00:38:58,140

I mean not a good idea right I mean not

936

00:39:01,910 --> 00:38:59,540

I mean

937

00:39:05,569 --> 00:39:01,920

I'm getting all the things you're saying

938

00:39:10,069 --> 00:39:05,579

but as a pragmatic you know how the game

939

00:39:12,829 --> 00:39:10,079

is played five D's chess really you're

940

00:39:14,150 --> 00:39:12,839

gonna alone really I'll tell you why

941

00:39:19,030 --> 00:39:14,160

really

942

00:39:25,430 --> 00:39:21,530

was a very close collaborator Benito

943

00:39:27,170 --> 00:39:25,440

Mussolini back in the 19 teens uh when

944

00:39:29,270 --> 00:39:27,180

Mussolini was still making a transition

945

00:39:30,710 --> 00:39:29,280

from being an anarchist he was an

946

00:39:33,170 --> 00:39:30,720

anarchist

947

00:39:34,970 --> 00:39:33,180

who by the way was convinced by his

948

00:39:38,210 --> 00:39:34,980

Jewish mistress

949

00:39:40,730 --> 00:39:38,220

to become a fascist anyway before

950

00:39:43,430 --> 00:39:40,740

Mussolini wound up there he was close

951

00:39:44,450 --> 00:39:43,440

collaborators with marinetti and you

952

00:39:45,890 --> 00:39:44,460

know there are a lot of ideas in

953

00:39:47,089 --> 00:39:45,900

marinetti that I agree with I mean I

954

00:39:49,609 --> 00:39:47,099

don't agree with going into the freaking

955

00:39:51,230 --> 00:39:49,619

UFC Museum and sledgehammering all the

956

00:39:52,730 --> 00:39:51,240

great you know classical and Renaissance

957

00:39:55,130 --> 00:39:52,740

sculptures because he thought that they

958

00:39:56,990 --> 00:39:55,140

were holding Italy back from futurist

959

00:39:58,790 --> 00:39:57,000

development I don't agree with that but

960

00:40:01,609 --> 00:39:58,800

there's a lot in the spirit of marinetti

961

00:40:04,370 --> 00:40:01,619

that I identify with and so there was a

962

00:40:06,829 --> 00:40:04,380

moment in time when we could have had a

963

00:40:08,030 --> 00:40:06,839

different Benito mussolin a Mussolini

964

00:40:09,410 --> 00:40:08,040

that wouldn't have fallen under the

965

00:40:10,670 --> 00:40:09,420

influence of Hitler and we would have

966

00:40:13,670 --> 00:40:10,680

had a very different kind of Italy

967

00:40:15,829 --> 00:40:13,680

emerge from out of that okay one has to

968

00:40:19,069 --> 00:40:15,839

look at these moments of opportunity in

969

00:40:21,370 --> 00:40:19,079

history and now when people look at

970

00:40:24,650 --> 00:40:21,380

somebody like Richard Spencer whatever

971

00:40:28,190 --> 00:40:24,660

they see him as this cardboard cutout

972

00:40:32,210 --> 00:40:28,200

caricature of a white nationalist when I

973

00:40:34,550 --> 00:40:32,220

knew him back in uh the fall of 2016. he

974

00:40:36,890 --> 00:40:34,560

wasn't there at all yet ideologically he

975

00:40:39,410 --> 00:40:36,900

had tremendous ideological plasticity

976

00:40:40,970 --> 00:40:39,420

and frankly also he was very open to

977

00:40:44,210 --> 00:40:40,980

going in various directions depending on

978

00:40:47,450 --> 00:40:44,220

how much funding was available okay uh

979

00:40:49,550 --> 00:40:47,460

and you know Richard Spencer later wound

980

00:40:52,190 --> 00:40:49,560

up endorsing Joe Biden and rejecting

981

00:40:54,650 --> 00:40:52,200

white nationalism so we saw How firm his

982

00:40:56,870 --> 00:40:54,660

ideology was and I saw that there was an

983

00:40:59,530 --> 00:40:56,880

opportunity to bring together a group of

984

00:41:02,450 --> 00:40:59,540

people and redirect their trajectory

985

00:41:06,109 --> 00:41:02,460

contingent on funding that had been

986

00:41:07,790 --> 00:41:06,119

promised to me directly to become the

987

00:41:10,550 --> 00:41:07,800

CEO and chairman of this organization

988

00:41:14,390 --> 00:41:10,560

and to have operational control over it

989

00:41:16,010 --> 00:41:14,400

where things went sideways is when the

990

00:41:17,990 --> 00:41:16,020

funding never came through

991

00:41:19,849 --> 00:41:18,000

and so they had us set had me set up

992

00:41:22,010 --> 00:41:19,859

this organization with these business

993

00:41:23,750 --> 00:41:22,020

partners and then left me in the Lurch

994

00:41:27,650 --> 00:41:23,760

without this funding

995

00:41:31,310 --> 00:41:27,660

and so I over time throughout the course

996

00:41:34,450 --> 00:41:31,320

of 2017 through the spring basically of

997

00:41:37,849 --> 00:41:34,460

2017. lost control of this organization

998

00:41:42,109 --> 00:41:37,859

and my partners started to make you know

999

00:41:43,810 --> 00:41:42,119

increasingly rash decisions uh and uh

1000

00:41:47,270 --> 00:41:43,820

basically

1001

00:41:49,069 --> 00:41:47,280

articulate a really crass populist

1002

00:41:51,349 --> 00:41:49,079

agenda

1003

00:41:53,390 --> 00:41:51,359

um that ultimately you know I I wasn't

1004

00:41:56,450 --> 00:41:53,400

able to endorse and I resigned in

1005

00:41:58,130 --> 00:41:56,460

protests from the organization but one

1006

00:42:00,770 --> 00:41:58,140

of the reasons why it took so long for

1007

00:42:03,230 --> 00:42:00,780

me to do that is that frankly I was

1008

00:42:05,089 --> 00:42:03,240

repeatedly played by these people who

1009

00:42:09,109 --> 00:42:05,099

promised this funding they did things

1010

00:42:11,450 --> 00:42:09,119

like put a nearly one billion dollar oil

1011

00:42:12,890 --> 00:42:11,460

contract in front of me for believe it

1012

00:42:15,230 --> 00:42:12,900

or not the Reconstruction of the

1013

00:42:17,109 --> 00:42:15,240

Venezuelan National oil industry this

1014

00:42:20,510 --> 00:42:17,119

was in Spring of

1015

00:42:23,630 --> 00:42:20,520

2017. months before any of the protests

1016

00:42:25,790 --> 00:42:23,640

against Maduro and they came back as you

1017

00:42:27,890 --> 00:42:25,800

see that unfold then you're like this is

1018

00:42:29,329 --> 00:42:27,900

legitimate okay listen they came to me

1019

00:42:31,250 --> 00:42:29,339

and they said we're going to overthrow

1020

00:42:32,870 --> 00:42:31,260

the government of Venezuela and by the

1021

00:42:33,829 --> 00:42:32,880

way I had no problem with it I had no

1022

00:42:35,810 --> 00:42:33,839

problem in my conscience with

1023

00:42:38,210 --> 00:42:35,820

participating in that because that

1024

00:42:40,130 --> 00:42:38,220

government of Venezuela in 2009 2010

1025

00:42:41,930 --> 00:42:40,140

when I was a human rights activist that

1026

00:42:43,250 --> 00:42:41,940

government of Venezuela said that the

1027

00:42:44,930 --> 00:42:43,260

whole thing was the CIA color Revolution

1028

00:42:47,089 --> 00:42:44,940

the Iranian people deserved to be beaten

1029

00:42:48,410 --> 00:42:47,099

down by the Islamic Republic so frankly

1030

00:42:49,910 --> 00:42:48,420

I had an ax to grind against the

1031

00:42:51,050 --> 00:42:49,920

government of Venezuela and I said oh

1032

00:42:53,450 --> 00:42:51,060

great you want to throw over some of the

1033

00:42:54,890 --> 00:42:53,460

government Venezuela fine uh and I took

1034

00:42:56,450 --> 00:42:54,900

this contract they gave me to a

1035

00:42:58,010 --> 00:42:56,460

petroleum engineer who worked at one of

1036

00:43:00,589 --> 00:42:58,020

the largest oil companies in the world

1037

00:43:02,329 --> 00:43:00,599

and the idea was that if they accepted

1038

00:43:04,309 --> 00:43:02,339

to do this project the commission that

1039

00:43:06,349 --> 00:43:04,319

we would get for closing this contract

1040

00:43:08,089 --> 00:43:06,359

would be more than enough to cover for

1041

00:43:09,589 --> 00:43:08,099

the funding that had been promised for

1042

00:43:13,069 --> 00:43:09,599

the alt-right corporation but wasn't

1043

00:43:15,410 --> 00:43:13,079

delivered on okay and so these little

1044

00:43:17,630 --> 00:43:15,420

things along the way and put in kind of

1045

00:43:19,910 --> 00:43:17,640

you're not a wealthy guy I mean you're

1046

00:43:21,890 --> 00:43:19,920

you're a professor I was a professor at

1047

00:43:24,770 --> 00:43:21,900

a New Jersey Institute of Technology

1048

00:43:27,710 --> 00:43:24,780

apology and you're you're playing in

1049

00:43:30,530 --> 00:43:27,720

this in this game as well as you can but

1050

00:43:31,970 --> 00:43:30,540

they have an unbelievable Black Water I

1051  
00:43:34,670 --> 00:43:31,980  
love in the book where you kind of

1052  
00:43:37,250 --> 00:43:34,680  
explain what Blackwater you know what

1053  
00:43:39,829 --> 00:43:37,260  
that means in terms of oil and water

1054  
00:43:41,750 --> 00:43:39,839  
kind of thing and that that

1055  
00:43:44,510 --> 00:43:41,760  
anyone who knows history knows that

1056  
00:43:46,790 --> 00:43:44,520  
these corporate intelligence agencies

1057  
00:43:48,650 --> 00:43:46,800  
were really the precursor to all the

1058  
00:43:51,109 --> 00:43:48,660  
intelligence agencies and that they

1059  
00:43:54,170 --> 00:43:51,119  
still go on there's still a huge part of

1060  
00:43:56,630 --> 00:43:54,180  
this network of things going on so the

1061  
00:43:59,390 --> 00:43:56,640  
fact that your assertion or your

1062  
00:44:02,210 --> 00:43:59,400  
speculation that you were played in a

1063  
00:44:04,790 --> 00:44:02,220

very organized systematic way in a

1064

00:44:06,109 --> 00:44:04,800

Playbook that's well worn because they

1065

00:44:08,210 --> 00:44:06,119

know how to do it

1066

00:44:10,490 --> 00:44:08,220

it makes a lot of sense to me

1067

00:44:13,309 --> 00:44:10,500

now let me add Alex they didn't just

1068

00:44:16,430 --> 00:44:13,319

play on my concern for Iran they played

1069

00:44:19,430 --> 00:44:16,440

also on my deep interest in the UFO

1070

00:44:21,109 --> 00:44:19,440

phenomenon and basically alternative

1071

00:44:23,390 --> 00:44:21,119

science research

1072

00:44:25,130 --> 00:44:23,400

at one point

1073

00:44:27,710 --> 00:44:25,140

this character

1074

00:44:31,010 --> 00:44:27,720

in London

1075

00:44:33,230 --> 00:44:31,020

introduced me to a former NASA JPL

1076

00:44:39,050 --> 00:44:33,240

engineer

1077

00:44:43,130 --> 00:44:39,060

who had schematics for a retrofitting of

1078

00:44:47,569 --> 00:44:43,140

supposedly the glocka the Nazi Bell

1079

00:44:49,190 --> 00:44:47,579

from the 1940s which is a Mercury

1080

00:44:53,270 --> 00:44:49,200

thorium

1081

00:44:56,230 --> 00:44:53,280

generator uh it it basically counter

1082

00:44:58,309 --> 00:44:56,240

rotates Mercury and thorium to produce

1083

00:45:00,349 --> 00:44:58,319

Zero Point Energy and a local

1084

00:45:03,710 --> 00:45:00,359

gravitational field

1085

00:45:05,809 --> 00:45:03,720

and you know in the 1940s everything was

1086

00:45:07,910 --> 00:45:05,819

larger you know the power generation

1087

00:45:09,890 --> 00:45:07,920

devices were larger uh you know

1088

00:45:12,109 --> 00:45:09,900

electronic circuits were larger and so

1089

00:45:14,210 --> 00:45:12,119

forth and so basically the idea was that

1090

00:45:16,490 --> 00:45:14,220

now this type of device could be

1091

00:45:18,170 --> 00:45:16,500

dramatically scaled down to where you

1092

00:45:19,910 --> 00:45:18,180

could fit it inside of a car or inside

1093

00:45:22,190 --> 00:45:19,920

of a boat

1094

00:45:24,230 --> 00:45:22,200

and by the way they were really

1095

00:45:24,950 --> 00:45:24,240

underlining sea-based applications of

1096

00:45:31,849 --> 00:45:24,960

this

1097

00:45:34,250 --> 00:45:31,859

and the the gentleman in London Jonathan

1098

00:45:36,589 --> 00:45:34,260

had noticed that I had befriended

1099

00:45:38,569 --> 00:45:36,599

Jacques Valley at that by that time I

1100

00:45:39,290 --> 00:45:38,579

had already had dinner with valet at his

1101  
00:45:41,569 --> 00:45:39,300  
home

1102  
00:45:45,170 --> 00:45:41,579  
in San Francisco

1103  
00:45:46,609 --> 00:45:45,180  
and so he said to me take this engineer

1104  
00:45:49,670 --> 00:45:46,619  
Randall

1105  
00:45:51,950 --> 00:45:49,680  
there's NASA former NASA JPL engineer to

1106  
00:45:53,809 --> 00:45:51,960  
Jacques valet and just so people know

1107  
00:45:56,390 --> 00:45:53,819  
most people know this but Jack delay is

1108  
00:46:00,109 --> 00:45:56,400  
not only kind of This brilliant computer

1109  
00:46:01,849 --> 00:46:00,119  
scientist this ufologist who's kind of

1110  
00:46:04,069 --> 00:46:01,859  
well-known and his books are just

1111  
00:46:07,430 --> 00:46:04,079  
seminal books but he's also a venture

1112  
00:46:10,970 --> 00:46:07,440  
capitalist he's done a lot of VC deals

1113  
00:46:13,609 --> 00:46:10,980

in Silicon Valley so this is not like

1114

00:46:14,870 --> 00:46:13,619

out in left field here you took the

1115

00:46:16,130 --> 00:46:14,880

words out of my mouth that's that's

1116

00:46:18,890 --> 00:46:16,140

exactly what I was going to say it was

1117

00:46:22,069 --> 00:46:18,900

that not just in its capacity as a UFO

1118

00:46:23,690 --> 00:46:22,079

researcher as a venture capitalist

1119

00:46:26,150 --> 00:46:23,700

they wanted him to look at this project

1120

00:46:28,430 --> 00:46:26,160

and to see whether he could raise

1121

00:46:31,309 --> 00:46:28,440

capital in Silicon Valley Florida

1122

00:46:32,809 --> 00:46:31,319

and so I took Randall to

1123

00:46:35,390 --> 00:46:32,819

Jacques and there was this meeting at

1124

00:46:37,010 --> 00:46:35,400

the Fairmont Hotel and I I had email

1125

00:46:39,050 --> 00:46:37,020

exchanges with Jacques before this where

1126  
00:46:40,550 --> 00:46:39,060  
I said to him listen these people have

1127  
00:46:42,890 --> 00:46:40,560  
been telling me all kinds of stories for

1128  
00:46:44,690 --> 00:46:42,900  
months I think they're me around

1129  
00:46:47,329 --> 00:46:44,700  
and I really don't trust these people

1130  
00:46:48,710 --> 00:46:47,339  
and I you know I had read messengers of

1131  
00:46:49,910 --> 00:46:48,720  
deception Jacque Valley's book

1132  
00:46:52,790 --> 00:46:49,920  
messengers of deception which is all

1133  
00:46:55,010 --> 00:46:52,800  
about like quasi-corporate crime

1134  
00:46:57,589 --> 00:46:55,020  
syndicate organizations and Cults

1135  
00:46:59,809 --> 00:46:57,599  
manipulating the UFO phenomenon for

1136  
00:47:02,089 --> 00:46:59,819  
various Shady purposes and I

1137  
00:47:04,309 --> 00:47:02,099  
specifically said to Jacques ballet I

1138  
00:47:06,349 --> 00:47:04,319

would like you to give me your private

1139

00:47:08,930 --> 00:47:06,359

opinion of these people

1140

00:47:10,790 --> 00:47:08,940

because if you think that it's one of

1141

00:47:12,770 --> 00:47:10,800

those types of con jobs that you covered

1142

00:47:14,150 --> 00:47:12,780

in messengers of deception I'm going to

1143

00:47:16,849 --> 00:47:14,160

cut these people off altogether I've

1144

00:47:18,170 --> 00:47:16,859

really had enough uh of them and we

1145

00:47:20,089 --> 00:47:18,180

should add we should just throw on the

1146

00:47:22,130 --> 00:47:20,099

table Jason is that kind of the flip

1147

00:47:24,109 --> 00:47:22,140

side of that is true as well as far as

1148

00:47:26,210 --> 00:47:24,119

we know and that's that

1149

00:47:29,270 --> 00:47:26,220

there's some incredibly brilliant

1150

00:47:31,309 --> 00:47:29,280

breakthrough technology that is derailed

1151

00:47:33,349 --> 00:47:31,319

sidetracked and

1152

00:47:35,870 --> 00:47:33,359

you know run through the ring or the

1153

00:47:40,069 --> 00:47:35,880

Playbook as well so you in this

1154

00:47:41,930 --> 00:47:40,079

situation you have reason to be unsure

1155

00:47:44,089 --> 00:47:41,940

of which way to turn right I mean it's

1156

00:47:46,970 --> 00:47:44,099

crazy stuff doesn't happen in this field

1157

00:47:49,790 --> 00:47:46,980

oh yeah listen being con artists and

1158

00:47:51,349 --> 00:47:49,800

criminals is not mutually exclusive of

1159

00:47:54,230 --> 00:47:51,359

coming up with breakthrough technology

1160

00:47:56,089 --> 00:47:54,240

okay and and to be perfectly honest with

1161

00:47:58,370 --> 00:47:56,099

you what I was thinking which I didn't

1162

00:47:59,809 --> 00:47:58,380

tell any of these people is that if this

1163

00:48:02,750 --> 00:47:59,819

turns out to be the Bell or whatever

1164

00:48:04,730 --> 00:48:02,760

some you know Mercury thorium uh you

1165

00:48:06,470 --> 00:48:04,740

know anti-gravity device I'm gonna steal

1166

00:48:08,390 --> 00:48:06,480

this thing and give it to Iran to the

1167

00:48:09,650 --> 00:48:08,400

Future government of Iran to be quite

1168

00:48:11,390 --> 00:48:09,660

honest with you I was thinking that in

1169

00:48:14,150 --> 00:48:11,400

the back of my mind is that it's worth

1170

00:48:15,710 --> 00:48:14,160

it alone to find out if this thing works

1171

00:48:17,510 --> 00:48:15,720

because if it does I'm going to take

1172

00:48:19,490 --> 00:48:17,520

These Blueprints and I'm going to give

1173

00:48:21,170 --> 00:48:19,500

them to the Future governments of Iran

1174

00:48:23,089 --> 00:48:21,180

anyway I just can't help I don't check

1175

00:48:25,309 --> 00:48:23,099

one more thing another way of thinking

1176

00:48:28,130 --> 00:48:25,319

about this from your grander

1177

00:48:31,370 --> 00:48:28,140

understanding of the Promethean Atlas

1178

00:48:34,069 --> 00:48:31,380

kind of thing is that free energy is

1179

00:48:36,230 --> 00:48:34,079

probably the best chance we have of

1180

00:48:38,690 --> 00:48:36,240

really destabilizing the power structure

1181

00:48:41,030 --> 00:48:38,700

we have right so that's would be in the

1182

00:48:43,370 --> 00:48:41,040

back of my mind is like I don't care who

1183

00:48:45,770 --> 00:48:43,380

gets it first the fact that the genie is

1184

00:48:48,410 --> 00:48:45,780

let out of the bottle gives us a chance

1185

00:48:50,630 --> 00:48:48,420

for a different kind of reset in terms

1186

00:48:52,730 --> 00:48:50,640

of redefining some of those power

1187

00:48:54,410 --> 00:48:52,740

structures at a fundamental way that

1188

00:48:55,970 --> 00:48:54,420

kind of you can't think of anything else

1189

00:48:57,410 --> 00:48:55,980

that does

1190

00:48:59,089 --> 00:48:57,420

that's right and you know when I say

1191

00:49:02,150 --> 00:48:59,099

Iran it wasn't out of you know some just

1192

00:49:04,370 --> 00:49:02,160

uh sentimental personal my personal

1193

00:49:06,050 --> 00:49:04,380

Heritage or whatever it's because and

1194

00:49:07,910 --> 00:49:06,060

this is a whole other conversation we

1195

00:49:09,950 --> 00:49:07,920

can have another time I wrote a Tome

1196

00:49:11,510 --> 00:49:09,960

about Iran's history Iranian Leviathan

1197

00:49:13,550 --> 00:49:11,520

if you look at the scope of your writing

1198

00:49:14,750 --> 00:49:13,560

history you could see how if there were

1199

00:49:16,309 --> 00:49:14,760

a total reorganization of

1200

00:49:18,770 --> 00:49:16,319

socio-political power in that country

1201

00:49:21,470 --> 00:49:18,780

that country could act as a kind of

1202

00:49:23,390 --> 00:49:21,480

David versus the Goliath of tyranny in

1203

00:49:24,890 --> 00:49:23,400

the world and I was thinking if the

1204

00:49:27,109 --> 00:49:24,900

reset like that is going to take place

1205

00:49:29,329 --> 00:49:27,119

in Iran it could be an optimal place to

1206

00:49:32,030 --> 00:49:29,339

introduce free energy technology anyway

1207

00:49:34,130 --> 00:49:32,040

uh so I'm thinking these things and I

1208

00:49:36,950 --> 00:49:34,140

take this engineer to meet with Jacques

1209

00:49:38,150 --> 00:49:36,960

valet at the Fairmont Hotel on Nob Hill

1210

00:49:40,849 --> 00:49:38,160

in San Francisco

1211

00:49:42,290 --> 00:49:40,859

and anyway we had a whole conversation

1212

00:49:44,510 --> 00:49:42,300

about that thing in the course of which

1213

00:49:47,030 --> 00:49:44,520

you know valet said among other things

1214

00:49:48,650 --> 00:49:47,040

do you have a patent on this because as

1215

00:49:50,510 --> 00:49:48,660

a venture capitalist I'm not comfortable

1216

00:49:51,950 --> 00:49:50,520

looking at this unless you have a patent

1217

00:49:53,690 --> 00:49:51,960

on it you know I mean I could be having

1218

00:49:55,250 --> 00:49:53,700

breakfast here like next week with

1219

00:49:57,589 --> 00:49:55,260

somebody else and it could like just

1220

00:49:59,750 --> 00:49:57,599

slip out of my tongue that this and that

1221

00:50:01,309 --> 00:49:59,760

element of your design and you know and

1222

00:50:02,690 --> 00:50:01,319

the the guy said to him the engineer

1223

00:50:03,710 --> 00:50:02,700

said no I don't have a patent on it

1224

00:50:05,329 --> 00:50:03,720

because we didn't come up with this

1225

00:50:07,130 --> 00:50:05,339

we're basically just redesigning an

1226

00:50:08,809 --> 00:50:07,140

existing system anyway we had this

1227

00:50:11,270 --> 00:50:08,819

conversation and then I was supposed to

1228

00:50:13,430 --> 00:50:11,280

meet with valet again privately for him

1229

00:50:16,730 --> 00:50:13,440

to give me his impressions of you know

1230

00:50:18,770 --> 00:50:16,740

the engineer and Jacques had some kind

1231

00:50:20,930 --> 00:50:18,780

of ear surgery some Pro some medical

1232

00:50:22,250 --> 00:50:20,940

issue and so that meeting was sadly

1233

00:50:23,690 --> 00:50:22,260

canceled

1234

00:50:26,390 --> 00:50:23,700

now

1235

00:50:27,710 --> 00:50:26,400

I'm in San Francisco to meet with

1236

00:50:31,250 --> 00:50:27,720

Jacques valet

1237

00:50:34,370 --> 00:50:31,260

and I'm contacted by a Persian

1238

00:50:36,589 --> 00:50:34,380

billionaire who used to be a nanotech

1239

00:50:39,589 --> 00:50:36,599

innovator

1240

00:50:42,530 --> 00:50:39,599

and he says and I and okay this is a

1241

00:50:44,950 --> 00:50:42,540

very dramatic series of events so two

1242

00:50:50,030 --> 00:50:44,960

weeks earlier I was in Los Angeles

1243

00:50:51,010 --> 00:50:50,040

in August of 2017. and I was the keynote

1244

00:50:53,030 --> 00:50:51,020

speaker

1245

00:50:54,710 --> 00:50:53,040

introducing that Coalition I had

1246

00:50:55,730 --> 00:50:54,720

mentioned earlier of Iranian political

1247

00:50:57,589 --> 00:50:55,740

parties

1248

00:50:59,329 --> 00:50:57,599

I was the person who was chosen to

1249

00:51:01,250 --> 00:50:59,339

introduce it in the English language to

1250

00:51:03,349 --> 00:51:01,260

the international media and that speech

1251  
00:51:05,390 --> 00:51:03,359  
exists I can send it to you if you wanna

1252  
00:51:06,170 --> 00:51:05,400  
I don't know intercut a clip or two from

1253  
00:51:13,069 --> 00:51:06,180  
it

1254  
00:51:14,750 --> 00:51:13,079  
been bickering for 40 years

1255  
00:51:16,250 --> 00:51:14,760  
and we finally unified them in a

1256  
00:51:19,130 --> 00:51:16,260  
coalition and I'm helping to introduce

1257  
00:51:20,450 --> 00:51:19,140  
this thing the day that that happened my

1258  
00:51:22,250 --> 00:51:20,460  
partners were making the mess in

1259  
00:51:24,530 --> 00:51:22,260  
Charlottesville

1260  
00:51:26,210 --> 00:51:24,540  
okay which I wasn't present why because

1261  
00:51:28,790 --> 00:51:26,220  
I was the speaker at this Iranian

1262  
00:51:30,230 --> 00:51:28,800  
Coalition thing and so immediately after

1263  
00:51:31,790 --> 00:51:30,240

that happened I resigned from the

1264

00:51:34,190 --> 00:51:31,800

alt-right corporation I didn't even call

1265

00:51:35,750 --> 00:51:34,200

my partners I just publicly resigned in

1266

00:51:38,510 --> 00:51:35,760

protest

1267

00:51:41,930 --> 00:51:38,520

and then I go to Jacques valet to

1268

00:51:43,970 --> 00:51:41,940

introduce this engineer to Jacques and

1269

00:51:47,750 --> 00:51:43,980

while I'm there I get a call from this

1270

00:51:49,970 --> 00:51:47,760

Persian nanotech guy back in Los Angeles

1271

00:51:52,430 --> 00:51:49,980

who wants me to fly back to Los Angeles

1272

00:51:54,589 --> 00:51:52,440

to come meet with him

1273

00:51:56,569 --> 00:51:54,599

to discuss some things which he didn't

1274

00:51:58,370 --> 00:51:56,579

tell me what he wanted to discuss

1275

00:52:01,309 --> 00:51:58,380

and I thought maybe he wants me to teach

1276  
00:52:04,790 --> 00:52:01,319  
him thing you know he had hired me at

1277  
00:52:06,829 --> 00:52:04,800  
one point to basically uh teach him

1278  
00:52:08,450 --> 00:52:06,839  
about the gothas of zarathustra ancient

1279  
00:52:10,910 --> 00:52:08,460  
Persian philosophy

1280  
00:52:11,870 --> 00:52:10,920  
I had also taught him I and then let's

1281  
00:52:13,730 --> 00:52:11,880  
say some

1282  
00:52:15,170 --> 00:52:13,740  
how do you want to put it tutored him on

1283  
00:52:17,390 --> 00:52:15,180  
the subject of the history of philosophy

1284  
00:52:18,349 --> 00:52:17,400  
and science okay and so I thought this

1285  
00:52:21,290 --> 00:52:18,359  
was going to be the nature of the

1286  
00:52:22,970 --> 00:52:21,300  
conversation and I come back to LA to

1287  
00:52:25,309 --> 00:52:22,980  
meet with this guy and

1288  
00:52:26,390 --> 00:52:25,319

for a day or two at his office he

1289

00:52:28,730 --> 00:52:26,400

bullshits me about the history of

1290

00:52:30,230 --> 00:52:28,740

philosophy and whatever and then he says

1291

00:52:32,329 --> 00:52:30,240

okay no let's let's come down to

1292

00:52:34,549 --> 00:52:32,339

business dude truth is the reason why I

1293

00:52:35,690 --> 00:52:34,559

brought you here is because I have

1294

00:52:37,970 --> 00:52:35,700

information that there are people

1295

00:52:41,030 --> 00:52:37,980

planning a regime change in Iran like by

1296

00:52:42,530 --> 00:52:41,040

means of foreign military intervention

1297

00:52:45,829 --> 00:52:42,540

and it's important to note in this

1298

00:52:47,809 --> 00:52:45,839

regard that at a certain juncture

1299

00:52:50,210 --> 00:52:47,819

John Bolton was brought into the Trump

1300

00:52:53,089 --> 00:52:50,220

Administration and I had always been

1301  
00:52:56,089 --> 00:52:53,099  
vociferously opposed to John Bolton he

1302  
00:52:57,530 --> 00:52:56,099  
was lobbied by those islamist maoist

1303  
00:52:59,690 --> 00:52:57,540  
terrorist creeps that I told you had

1304  
00:53:01,849 --> 00:52:59,700  
influence in Europe and he was in with

1305  
00:53:05,089 --> 00:53:01,859  
the wrong elements in Israel and always

1306  
00:53:07,190 --> 00:53:05,099  
you know was in favor of bombing Iran

1307  
00:53:10,490 --> 00:53:07,200  
into democracy right which which I have

1308  
00:53:12,290 --> 00:53:10,500  
always been vehemently opposed to and so

1309  
00:53:13,790 --> 00:53:12,300  
so now that the Trump Administration was

1310  
00:53:15,290 --> 00:53:13,800  
shifting in this wrong direction because

1311  
00:53:17,890 --> 00:53:15,300  
we were not able to influence their

1312  
00:53:21,410 --> 00:53:17,900  
policy the way you know we had wanted to

1313  
00:53:24,530 --> 00:53:21,420

and he this guy tells me this nanotech

1314

00:53:26,390 --> 00:53:24,540

you know billionaire Persian guy tells

1315

00:53:27,950 --> 00:53:26,400

me I haven't you know he's obviously

1316

00:53:30,109 --> 00:53:27,960

very well connected okay in U.S

1317

00:53:31,670 --> 00:53:30,119

political Arena and he said I have

1318

00:53:33,710 --> 00:53:31,680

information that there's going to be

1319

00:53:35,870 --> 00:53:33,720

this attempt at a regime change in Iran

1320

00:53:38,569 --> 00:53:35,880

and we shouldn't allow what happened in

1321

00:53:40,069 --> 00:53:38,579

Iraq to happen in Iran where a bunch of

1322

00:53:41,270 --> 00:53:40,079

foreigners come and write a constitution

1323

00:53:43,670 --> 00:53:41,280

for us

1324

00:53:46,130 --> 00:53:43,680

somebody should write a constitution in

1325

00:53:48,470 --> 00:53:46,140

advance for Iran and the idea was that

1326  
00:53:50,210 --> 00:53:48,480  
it should enshrine I don't want to even

1327  
00:53:51,770 --> 00:53:50,220  
say zoroastrian principles but

1328  
00:53:54,829 --> 00:53:51,780  
principles true to the teaching of

1329  
00:53:56,630 --> 00:53:54,839  
zarathustra without using any religious

1330  
00:53:58,010 --> 00:53:56,640  
language in other words

1331  
00:54:00,230 --> 00:53:58,020  
just the way that the founders of the

1332  
00:54:02,630 --> 00:54:00,240  
United States framed the constitution in

1333  
00:54:04,730 --> 00:54:02,640  
a manner that reflected deist thinking

1334  
00:54:07,430 --> 00:54:04,740  
but without using any specifically

1335  
00:54:09,950 --> 00:54:07,440  
ideological language such a constitution

1336  
00:54:11,750 --> 00:54:09,960  
should be framed for Iran that in a

1337  
00:54:13,730 --> 00:54:11,760  
functional way incorporates these

1338  
00:54:15,710 --> 00:54:13,740

principles that are true to Iran's

1339

00:54:17,990 --> 00:54:15,720

philosophical Heritage and he chose me

1340

00:54:19,910 --> 00:54:18,000

as the person to write this and he was

1341

00:54:22,309 --> 00:54:19,920

going to back it financially not just

1342

00:54:24,109 --> 00:54:22,319

you know the time and energy to come up

1343

00:54:25,910 --> 00:54:24,119

with this Constitution and the research

1344

00:54:28,010 --> 00:54:25,920

that would be required I was going to

1345

00:54:29,329 --> 00:54:28,020

put the put 10 different constitutions

1346

00:54:31,970 --> 00:54:29,339

of different countries in front of me

1347

00:54:33,650 --> 00:54:31,980

anyway and

1348

00:54:35,510 --> 00:54:33,660

but he was going to also make the

1349

00:54:37,670 --> 00:54:35,520

introductions that would be needed in

1350

00:54:41,030 --> 00:54:37,680

order to field this as a viable proposal

1351  
00:54:43,430 --> 00:54:41,040  
for future Iranian Constitution

1352  
00:54:44,750 --> 00:54:43,440  
so meeting with Jacques valet literally

1353  
00:54:46,670 --> 00:54:44,760  
a week later this meeting with this

1354  
00:54:48,049 --> 00:54:46,680  
Persian nanotech innovator I'm about to

1355  
00:54:50,510 --> 00:54:48,059  
start working on the future constitution

1356  
00:54:51,890 --> 00:54:50,520  
of Iran one month later I'm defamed in

1357  
00:54:53,930 --> 00:54:51,900  
the New York Times

1358  
00:54:55,190 --> 00:54:53,940  
one month after this

1359  
00:54:56,690 --> 00:54:55,200  
exactly

1360  
00:54:59,210 --> 00:54:56,700  
so

1361  
00:55:00,950 --> 00:54:59,220  
I mean do the math

1362  
00:55:03,770 --> 00:55:00,960  
well there's a couple ways to do the

1363  
00:55:05,450 --> 00:55:03,780

math really because the other way to do

1364

00:55:08,870 --> 00:55:05,460

the math is

1365

00:55:11,750 --> 00:55:08,880

they had set the Trap pretty well you

1366

00:55:13,970 --> 00:55:11,760

know so when they chose to spring it

1367

00:55:15,349 --> 00:55:13,980

really doesn't matter at that point they

1368

00:55:17,390 --> 00:55:15,359

have you

1369

00:55:20,150 --> 00:55:17,400

kind of boxed in in a number of

1370

00:55:22,430 --> 00:55:20,160

different ways there so I guess the

1371

00:55:25,490 --> 00:55:22,440

question would be how do you feel about

1372

00:55:28,069 --> 00:55:25,500

that that the timing of that the way

1373

00:55:29,270 --> 00:55:28,079

that was done how it was done the

1374

00:55:31,069 --> 00:55:29,280

recording

1375

00:55:34,670 --> 00:55:31,079

the whole thing

1376

00:55:37,190 --> 00:55:34,680

I think that they had okay so I have to

1377

00:55:40,190 --> 00:55:37,200

back up here now you know let's I don't

1378

00:55:41,990 --> 00:55:40,200

need any more legal issues you know so

1379

00:55:44,930 --> 00:55:42,000

let me let me couch this in these terms

1380

00:55:47,990 --> 00:55:44,940

I was told

1381

00:55:50,270 --> 00:55:48,000

by the fellow in London

1382

00:55:51,589 --> 00:55:50,280

who turned out to be and I didn't know

1383

00:55:53,750 --> 00:55:51,599

this when I got involved with him but

1384

00:55:56,450 --> 00:55:53,760

later it turned out he was a British

1385

00:55:57,890 --> 00:55:56,460

intelligence operative MI6

1386

00:56:00,770 --> 00:55:57,900

and and you've got to tell the story

1387

00:56:03,770 --> 00:56:00,780

because it's an interesting spycraft

1388

00:56:07,730 --> 00:56:03,780

it's not even spycraft it's just

1389

00:56:09,710 --> 00:56:07,740

incredible but he invites you to do this

1390

00:56:11,930 --> 00:56:09,720

major presentation

1391

00:56:14,870 --> 00:56:11,940

and then he very conveniently doesn't

1392

00:56:17,510 --> 00:56:14,880

show up he does kind of a classic rug

1393

00:56:21,290 --> 00:56:17,520

pull and the person he introduces you to

1394

00:56:22,730 --> 00:56:21,300

at the time is an antifa guy that you

1395

00:56:25,250 --> 00:56:22,740

don't know that at the time I mean

1396

00:56:27,470 --> 00:56:25,260

there's so many things that are kind of

1397

00:56:29,329 --> 00:56:27,480

a key part of your story of I want to

1398

00:56:31,549 --> 00:56:29,339

say I was about to say verifiable I

1399

00:56:34,430 --> 00:56:31,559

can't verify them but you've verified

1400

00:56:35,530 --> 00:56:34,440

them that kind of does help people

1401  
00:56:39,349 --> 00:56:35,540  
understand

1402  
00:56:41,750 --> 00:56:39,359  
again this spycraft spy versus spy kind

1403  
00:56:43,849 --> 00:56:41,760  
of aspect to this

1404  
00:56:46,730 --> 00:56:43,859  
yeah this is all in my book Promethean

1405  
00:56:49,190 --> 00:56:46,740  
pirate and also in the second chapter of

1406  
00:56:51,049 --> 00:56:49,200  
my book Uber man uberman is is kind of

1407  
00:56:54,170 --> 00:56:51,059  
Science Fiction but the second chapter

1408  
00:56:56,630 --> 00:56:54,180  
of uber man is uh basically a an

1409  
00:56:58,609 --> 00:56:56,640  
unembroidered account of this series of

1410  
00:57:01,670 --> 00:56:58,619  
events and then again it's it's you know

1411  
00:57:03,349 --> 00:57:01,680  
it's reiterated in Promethean pirate

1412  
00:57:06,650 --> 00:57:03,359  
but my point was this

1413  
00:57:09,109 --> 00:57:06,660

fellow in MI6

1414

00:57:12,109 --> 00:57:09,119

who who was running jellyfish Michael

1415

00:57:13,849 --> 00:57:12,119

Bagley was the front man working the

1416

00:57:16,130 --> 00:57:13,859

jellyfish office in Washington but

1417

00:57:17,450 --> 00:57:16,140

really jellyfish was being run by

1418

00:57:19,190 --> 00:57:17,460

someone who was a British intelligence

1419

00:57:21,230 --> 00:57:19,200

operated and this points back to what

1420

00:57:23,750 --> 00:57:21,240

Carol Quigley called The anglo-american

1421

00:57:25,910 --> 00:57:23,760

Establishment that there is a secret

1422

00:57:27,650 --> 00:57:25,920

Stranglehold of a certain British Elite

1423

00:57:30,530 --> 00:57:27,660

over the United States that persists to

1424

00:57:32,930 --> 00:57:30,540

this day uh in any case

1425

00:57:35,569 --> 00:57:32,940

this fellow told me that the

1426

00:57:39,170 --> 00:57:35,579

organization that sent the antifa

1427

00:57:40,370 --> 00:57:39,180

youth to secretly record me in a pub in

1428

00:57:42,410 --> 00:57:40,380

the shadow of the Empire State Building

1429

00:57:44,450 --> 00:57:42,420

and then make word salad out of the

1430

00:57:46,309 --> 00:57:44,460

recording take a two-hour recording and

1431

00:57:48,950 --> 00:57:46,319

splice and Ice sentences and half

1432

00:57:50,690 --> 00:57:48,960

sentences of it to defame me in this

1433

00:57:53,870 --> 00:57:50,700

video that he then gave to the New York

1434

00:57:55,849 --> 00:57:53,880

Times the fellow in London told me that

1435

00:57:58,130 --> 00:57:55,859

the organization that that antifa youth

1436

00:58:01,609 --> 00:57:58,140

was working for is a front for British

1437

00:58:03,230 --> 00:58:01,619

intelligence for MI5 initially domestic

1438

00:58:04,910 --> 00:58:03,240

British intelligence but then

1439

00:58:07,190 --> 00:58:04,920

potentially it's moved over to MI6

1440

00:58:08,510 --> 00:58:07,200

because that group hope not hate now I

1441

00:58:10,370 --> 00:58:08,520

believe has an office in the United

1442

00:58:12,890 --> 00:58:10,380

States as well which would then change

1443

00:58:14,990 --> 00:58:12,900

the jurisdiction from MI5 to MI6 in any

1444

00:58:16,430 --> 00:58:15,000

case he told me after I was defamed and

1445

00:58:18,470 --> 00:58:16,440

I grabbed this caller and basically was

1446

00:58:21,109 --> 00:58:18,480

like listen you know you're responsible

1447

00:58:23,750 --> 00:58:21,119

for this situation that you know I was

1448

00:58:25,250 --> 00:58:23,760

put in he said well yeah I mean the guy

1449

00:58:28,609 --> 00:58:25,260

you know that organization is the front

1450

00:58:32,210 --> 00:58:28,619

for British intelligence and whatever so

1451  
00:58:34,609 --> 00:58:32,220  
so they made this recording and I think

1452  
00:58:37,910 --> 00:58:34,619  
I think it was the early summer of 2017

1453  
00:58:41,329 --> 00:58:37,920  
maybe it was June something like that

1454  
00:58:44,809 --> 00:58:41,339  
and I believe that they would have held

1455  
00:58:46,609 --> 00:58:44,819  
on to that recording for a long time had

1456  
00:58:49,010 --> 00:58:46,619  
I not resigned from the alt-right

1457  
00:58:50,329 --> 00:58:49,020  
corporation and had I not been put in a

1458  
00:58:51,910 --> 00:58:50,339  
position where I was about to write the

1459  
00:58:55,609 --> 00:58:51,920  
Constitution of Iran

1460  
00:58:58,010 --> 00:58:55,619  
they used it only because I was no

1461  
00:59:00,109 --> 00:58:58,020  
longer a valuable asset to them

1462  
00:59:02,450 --> 00:59:00,119  
and they couldn't allow me to redefine

1463  
00:59:04,730 --> 00:59:02,460

myself on the other side of the Trap

1464

00:59:07,609 --> 00:59:04,740

that they tried to lay for me yeah that

1465

00:59:11,750 --> 00:59:07,619

makes a lot of sense because

1466

00:59:14,210 --> 00:59:11,760

they had compromised you in a very kind

1467

00:59:16,970 --> 00:59:14,220

of ordinary old-fashioned way you know

1468

00:59:19,970 --> 00:59:16,980

not any kind of lurid sexual kind of

1469

00:59:23,569 --> 00:59:19,980

stuff any illegal misconduct they had

1470

00:59:27,170 --> 00:59:23,579

just kind of compromised you with your

1471

00:59:30,349 --> 00:59:27,180

position if you will but they usually

1472

00:59:33,289 --> 00:59:30,359

that currency is spent very very

1473

00:59:35,089 --> 00:59:33,299

carefully so I I think your your

1474

00:59:36,770 --> 00:59:35,099

speculation there would seem to have

1475

00:59:39,170 --> 00:59:36,780

have some weight to it right because

1476  
00:59:41,870 --> 00:59:39,180  
otherwise play that card they would have

1477  
00:59:44,150 --> 00:59:41,880  
loved for you to run that out the the

1478  
00:59:46,549 --> 00:59:44,160  
fish to take the bait and run it out to

1479  
00:59:48,349 --> 00:59:46,559  
sea before they really reel it in

1480  
00:59:50,930 --> 00:59:48,359  
absolutely they wanted me to continue

1481  
00:59:52,849 --> 00:59:50,940  
being a business partner of Spencer and

1482  
00:59:55,849 --> 00:59:52,859  
you know these alt-right characters and

1483  
00:59:57,289 --> 00:59:55,859  
whatever and uh but I don't know what

1484  
00:59:58,789 --> 00:59:57,299  
they were thinking as if I would sit

1485  
01:00:00,109 --> 00:59:58,799  
there and watch the show at

1486  
01:00:02,150 --> 01:00:00,119  
Charlottesville and continue to be

1487  
01:00:04,370 --> 01:00:02,160  
associated with these people you know I

1488  
01:00:05,990 --> 01:00:04,380

don't but I do think that the issue with

1489

01:00:08,270 --> 01:00:06,000

the writing the constitution of Iran

1490

01:00:10,089 --> 01:00:08,280

that was very significant uh in terms of

1491

01:00:14,569 --> 01:00:10,099

their decision of when to try to burn me

1492

01:00:16,670 --> 01:00:14,579

and it's it's significant because what

1493

01:00:18,829 --> 01:00:16,680

wound up happening after I resigned from

1494

01:00:20,750 --> 01:00:18,839

the alt-right corporation and even after

1495

01:00:23,089 --> 01:00:20,760

I was defamed in the New York Times and

1496

01:00:24,589 --> 01:00:23,099

Newsweek and you know NBC and the

1497

01:00:28,130 --> 01:00:24,599

intercept and all these Publications

1498

01:00:29,690 --> 01:00:28,140

what happened even after that was that

1499

01:00:32,390 --> 01:00:29,700

my role in the Iranian Renaissance

1500

01:00:33,829 --> 01:00:32,400

became even more prominent because look

1501

01:00:36,109 --> 01:00:33,839

I was removed from my teaching

1502

01:00:38,390 --> 01:00:36,119

responsibilities as a result of this and

1503

01:00:39,710 --> 01:00:38,400

so I had a lot more time on my hands so

1504

01:00:43,010 --> 01:00:39,720

my work with the Iranian Renaissance

1505

01:00:45,589 --> 01:00:43,020

kind of became full-time work and by the

1506

01:00:48,589 --> 01:00:45,599

winter of 2017-2018 we had a plan for

1507

01:00:50,450 --> 01:00:48,599

regime change in Iran and

1508

01:00:52,670 --> 01:00:50,460

frankly there was some level of

1509

01:00:55,130 --> 01:00:52,680

involvement from the Iranian Renaissance

1510

01:00:57,950 --> 01:00:55,140

in fomenting that massive Uprising that

1511

01:01:02,089 --> 01:00:57,960

took place in the winter of 2017

1512

01:01:05,270 --> 01:01:02,099

December 2017 into January of 2018. it

1513

01:01:08,569 --> 01:01:05,280

was an attempt at a kind of uh

1514

01:01:09,890 --> 01:01:08,579

a coup against the Islamic Republic and

1515

01:01:11,809 --> 01:01:09,900

there's a number of reasons why that

1516

01:01:13,849 --> 01:01:11,819

failed uh which I don't know whether

1517

01:01:15,650 --> 01:01:13,859

they're relevant or not to get into but

1518

01:01:17,270 --> 01:01:15,660

my point is this that

1519

01:01:19,069 --> 01:01:17,280

with the kind of foresight that these

1520

01:01:21,650 --> 01:01:19,079

people have in their projective analyzes

1521

01:01:23,450 --> 01:01:21,660

these people in intelligence they could

1522

01:01:25,069 --> 01:01:23,460

have seen that coming they could have

1523

01:01:27,470 --> 01:01:25,079

seen okay there's going to be this

1524

01:01:30,170 --> 01:01:27,480

moment in Iran and if we let this guy

1525

01:01:32,630 --> 01:01:30,180

write this constitution there will be a

1526

01:01:36,289 --> 01:01:32,640

situation in which it could be fielded

1527

01:01:38,270 --> 01:01:36,299

as it amplifies his power yeah and

1528

01:01:41,150 --> 01:01:38,280

that's why they burned me when they did

1529

01:01:42,650 --> 01:01:41,160

so the last thing that I think the piece

1530

01:01:45,470 --> 01:01:42,660

of this story that I really want to make

1531

01:01:48,410 --> 01:01:45,480

sure we get in there is

1532

01:01:51,049 --> 01:01:48,420

uh Jeffrey mishlove and Jeff kreypel

1533

01:01:54,470 --> 01:01:51,059

because know them both through this show

1534

01:01:56,150 --> 01:01:54,480

multiple times and and both of them the

1535

01:01:57,890 --> 01:01:56,160

relationships kind of started out one

1536

01:02:00,950 --> 01:01:57,900

way and kind of turned into something

1537

01:02:04,910 --> 01:02:00,960

else but what you put your finger on in

1538

01:02:06,109 --> 01:02:04,920

the book Promethean pirate is really

1539

01:02:09,170 --> 01:02:06,119

important I think for people to

1540

01:02:11,510 --> 01:02:09,180

understand and that is to understand the

1541

01:02:13,730 --> 01:02:11,520

intellectual headspace that these guys

1542

01:02:15,829 --> 01:02:13,740

have worked themselves into and each one

1543

01:02:18,049 --> 01:02:15,839

of them is different but each one of

1544

01:02:20,890 --> 01:02:18,059

them are somewhat the same and I don't

1545

01:02:24,289 --> 01:02:20,900

know how this fits into your overall

1546

01:02:25,789 --> 01:02:24,299

understanding of this cultural battle

1547

01:02:27,589 --> 01:02:25,799

that we're in and I want to understand

1548

01:02:28,970 --> 01:02:27,599

that and I would love to have you back

1549

01:02:32,450 --> 01:02:28,980

on to kind of have that next level

1550

01:02:34,609 --> 01:02:32,460

discussion but the whole uh wokeness

1551  
01:02:37,069 --> 01:02:34,619  
thing and it's beyond wokeness it's the

1552  
01:02:39,710 --> 01:02:37,079  
willful ignorance thing it's the naivete

1553  
01:02:42,349 --> 01:02:39,720  
you can't even say uh naivete doesn't

1554  
01:02:46,490 --> 01:02:42,359  
even begin to to describe it now

1555  
01:02:48,770 --> 01:02:46,500  
not so much purple kind of is Savvy

1556  
01:02:50,750 --> 01:02:48,780  
enough to know that you know where he

1557  
01:02:53,270 --> 01:02:50,760  
can step and where he can't step but

1558  
01:02:55,069 --> 01:02:53,280  
underneath that is very very much a

1559  
01:02:57,109 --> 01:02:55,079  
value system that is

1560  
01:02:58,910 --> 01:02:57,119  
completely in line with what I'm saying

1561  
01:03:00,650 --> 01:02:58,920  
this love on the other hand is just he

1562  
01:03:03,049 --> 01:03:00,660  
just doesn't seem that bright to me I

1563  
01:03:07,549 --> 01:03:03,059

mean he's just you know I mean

1564

01:03:10,609 --> 01:03:07,559

but the damage that they do and the

1565

01:03:12,589 --> 01:03:10,619

people that they represent do has to be

1566

01:03:15,950 --> 01:03:12,599

kind of put into perspective which you

1567

01:03:18,710 --> 01:03:15,960

do beautifully in the book so maybe

1568

01:03:21,049 --> 01:03:18,720

sketch that out we gotta we gotta talk

1569

01:03:23,569 --> 01:03:21,059

about it listen I don't want to sit here

1570

01:03:25,970 --> 01:03:23,579

and trash Jeffrey mishlov and and

1571

01:03:29,030 --> 01:03:25,980

Jeffrey look after all Jeffrey

1572

01:03:31,130 --> 01:03:29,040

was on my dissertation committee

1573

01:03:33,109 --> 01:03:31,140

um you know he was a quite a helpful

1574

01:03:35,690 --> 01:03:33,119

person in my early years of involvement

1575

01:03:39,650 --> 01:03:35,700

with the parapsychological and you know

1576  
01:03:42,049 --> 01:03:39,660  
ufology community and Jeffrey mishlov I

1577  
01:03:44,150 --> 01:03:42,059  
did 37 interviews with Jeffrey mishlov

1578  
01:03:46,370 --> 01:03:44,160  
he was a close friend he scrubbed them

1579  
01:03:49,609 --> 01:03:46,380  
all he's you're the most popular test on

1580  
01:03:53,829 --> 01:03:49,619  
the new thinking louder literally he

1581  
01:03:57,289 --> 01:03:53,839  
went any unlisted he he unlisted

1582  
01:04:00,650 --> 01:03:57,299  
37 interviews that I did with him over

1583  
01:04:02,930 --> 01:04:00,660  
the course of five years where I flew

1584  
01:04:05,870 --> 01:04:02,940  
first to Las Vegas and then to

1585  
01:04:08,210 --> 01:04:05,880  
Albuquerque and spent countless hours by

1586  
01:04:10,910 --> 01:04:08,220  
the way preparing him for these

1587  
01:04:13,250 --> 01:04:10,920  
interviews I used to sit there with him

1588  
01:04:16,630 --> 01:04:13,260

and prepare him for these interviews for

1589

01:04:19,430 --> 01:04:16,640

an hour or so before each one

1590

01:04:21,950 --> 01:04:19,440

and that's a lot of time and energy and

1591

01:04:25,490 --> 01:04:21,960

he basically scrubbed all of that okay

1592

01:04:29,150 --> 01:04:25,500

now why did he do that

1593

01:04:31,910 --> 01:04:29,160

um and why did Jeff basically uh

1594

01:04:32,990 --> 01:04:31,920

cut me off you could say

1595

01:04:36,950 --> 01:04:33,000

um

1596

01:04:40,430 --> 01:04:36,960

because after what happened to me

1597

01:04:42,289 --> 01:04:40,440

where my academic career was destroyed

1598

01:04:44,450 --> 01:04:42,299

and where ultimately and this is a long

1599

01:04:46,010 --> 01:04:44,460

story okay that again I don't think we

1600

01:04:48,109 --> 01:04:46,020

can get into all the details of it here

1601  
01:04:50,690 --> 01:04:48,119  
but as my work with the Iranian

1602  
01:04:52,549 --> 01:04:50,700  
Renaissance progressed

1603  
01:04:54,950 --> 01:04:52,559  
because we didn't have the kind of

1604  
01:04:58,069 --> 01:04:54,960  
funding that I had been promised to

1605  
01:05:00,289 --> 01:04:58,079  
pursue a more independent pass

1606  
01:05:03,349 --> 01:05:00,299  
my associates

1607  
01:05:05,089 --> 01:05:03,359  
got too close to alphabet agencies for

1608  
01:05:07,309 --> 01:05:05,099  
my taste and I started to see a

1609  
01:05:08,930 --> 01:05:07,319  
situation where I was working with

1610  
01:05:10,190 --> 01:05:08,940  
people who were Consulting for the CIA

1611  
01:05:11,210 --> 01:05:10,200  
I'm talking about in the Iranian

1612  
01:05:13,069 --> 01:05:11,220  
opposition

1613  
01:05:15,049 --> 01:05:13,079

okay and

1614

01:05:18,349 --> 01:05:15,059

um and so I left the running opposition

1615

01:05:21,589 --> 01:05:18,359

as well for that reason see and so I was

1616

01:05:23,089 --> 01:05:21,599

in a situation where I'm no longer

1617

01:05:25,370 --> 01:05:23,099

I'm no longer working with anybody

1618

01:05:27,530 --> 01:05:25,380

moreover opportunities have been closed

1619

01:05:30,170 --> 01:05:27,540

off to me so what did I do I took an

1620

01:05:31,549 --> 01:05:30,180

independent pass I framed my

1621

01:05:33,109 --> 01:05:31,559

philosophical project as something

1622

01:05:35,329 --> 01:05:33,119

called prometheism

1623

01:05:37,609 --> 01:05:35,339

and I attempted to start building an

1624

01:05:39,589 --> 01:05:37,619

institution based on it where I wouldn't

1625

01:05:43,010 --> 01:05:39,599

have to compromise my integrity and my

1626

01:05:46,190 --> 01:05:43,020

values okay it would be my project

1627

01:05:48,950 --> 01:05:46,200

beginning in July of 2020 I came out and

1628

01:05:50,390 --> 01:05:48,960

declared this uh movement with a

1629

01:05:52,789 --> 01:05:50,400

Manifesto

1630

01:05:55,250 --> 01:05:52,799

and the first line of the manifesto is

1631

01:05:57,589 --> 01:05:55,260

this is a declaration of war

1632

01:05:59,450 --> 01:05:57,599

and I go on to make it clear that what I

1633

01:06:01,849 --> 01:05:59,460

mean by that is that it's a declaration

1634

01:06:03,049 --> 01:06:01,859

of the kind of revolutionary war that

1635

01:06:05,150 --> 01:06:03,059

let's say the founders of the United

1636

01:06:07,670 --> 01:06:05,160

States fought against the British Empire

1637

01:06:09,410 --> 01:06:07,680

my vision of the struggle of prometheism

1638

01:06:11,270 --> 01:06:09,420

is the vision of a David at war with

1639

01:06:14,809 --> 01:06:11,280

Goliath okay

1640

01:06:18,049 --> 01:06:14,819

so I'm not a pacifist I think that

1641

01:06:20,690 --> 01:06:18,059

change often has to come by means of

1642

01:06:22,730 --> 01:06:20,700

violent struggle and that's how we've

1643

01:06:24,109 --> 01:06:22,740

gained a lot of the most Progressive

1644

01:06:25,730 --> 01:06:24,119

advancements throughout the course of

1645

01:06:27,289 --> 01:06:25,740

human history

1646

01:06:29,210 --> 01:06:27,299

so this is the spirit in which I

1647

01:06:31,910 --> 01:06:29,220

launched prometheism and what wound up

1648

01:06:33,470 --> 01:06:31,920

happening is that first Jeffrey I I

1649

01:06:36,250 --> 01:06:33,480

don't know what order really it happened

1650

01:06:38,210 --> 01:06:36,260

in but both of them wound up basically

1651  
01:06:40,609 --> 01:06:38,220  
turning on me

1652  
01:06:44,150 --> 01:06:40,619  
because they were

1653  
01:06:47,150 --> 01:06:44,160  
how can I put it scandalized by this

1654  
01:06:50,329 --> 01:06:47,160  
militant discourse see Jason I see it

1655  
01:06:52,370 --> 01:06:50,339  
slightly differently in that I'm so glad

1656  
01:06:56,450 --> 01:06:52,380  
you covered this in the book because

1657  
01:06:58,910 --> 01:06:56,460  
what you re the mishlov's counter you

1658  
01:07:02,470 --> 01:06:58,920  
know his explanation for why I'm

1659  
01:07:04,730 --> 01:07:02,480  
excommunicating from Jason is

1660  
01:07:07,010 --> 01:07:04,740  
self-revealing so revealing you could

1661  
01:07:09,770 --> 01:07:07,020  
watch hundreds and hundreds listen he

1662  
01:07:10,849 --> 01:07:09,780  
defends the Federal Reserve he says that

1663  
01:07:12,529 --> 01:07:10,859

they're good people they're

1664

01:07:14,450 --> 01:07:12,539

conscientious they're looking out for us

1665

01:07:15,829 --> 01:07:14,460

he says the United States government is

1666

01:07:17,990 --> 01:07:15,839

not hiding anything from the people

1667

01:07:20,270 --> 01:07:18,000

there are no conspiracies they've been

1668

01:07:21,890 --> 01:07:20,280

totally transparent on UFOs and and

1669

01:07:25,010 --> 01:07:21,900

other subjects telling us the truth

1670

01:07:27,049 --> 01:07:25,020

about UFOs as they learn them and he

1671

01:07:29,029 --> 01:07:27,059

laughs into the camera as he says he

1672

01:07:31,130 --> 01:07:29,039

used to be anti-establishment back in

1673

01:07:32,990 --> 01:07:31,140

the days of the Vietnam War but these

1674

01:07:35,870 --> 01:07:33,000

days he tends to trust the establishment

1675

01:07:37,910 --> 01:07:35,880

well excuse me Jeffrey but you know did

1676

01:07:40,910 --> 01:07:37,920

you not realize that the same people who

1677

01:07:42,410 --> 01:07:40,920

drop Napalm on Vietnamese children the

1678

01:07:44,029 --> 01:07:42,420

same people who ran the Rand Corporation

1679

01:07:45,710 --> 01:07:44,039

and Dow Chemical are the people

1680

01:07:47,450 --> 01:07:45,720

responsible for what happened in Iraq

1681

01:07:49,250 --> 01:07:47,460

and Afghanistan over the last few years

1682

01:07:51,829 --> 01:07:49,260

it's the same military-industrial

1683

01:07:53,089 --> 01:07:51,839

corporate complex uh so so basically

1684

01:07:55,730 --> 01:07:53,099

this guy

1685

01:07:57,410 --> 01:07:55,740

wound up revealing that he's very much

1686

01:07:59,210 --> 01:07:57,420

for the establishment and part of the

1687

01:08:00,950 --> 01:07:59,220

establishment and I'm sorry to say the

1688

01:08:03,650 --> 01:08:00,960

same is true of Jeffrey and I

1689

01:08:05,690 --> 01:08:03,660

lay this out in Promethean pirate that

1690

01:08:10,190 --> 01:08:05,700

Chronicle now effectively is running

1691

01:08:10,970 --> 01:08:10,200

excellent and esln is part and parcel of

1692

01:08:13,190 --> 01:08:10,980

this

1693

01:08:15,349 --> 01:08:13,200

Savvy Silicon Valley corporate

1694

01:08:18,229 --> 01:08:15,359

intelligence complex I mean like burning

1695

01:08:21,289 --> 01:08:18,239

man for example is the most uh

1696

01:08:23,390 --> 01:08:21,299

infiltrated surveilled event by

1697

01:08:26,150 --> 01:08:23,400

intelligence agencies that that there is

1698

01:08:28,729 --> 01:08:26,160

in the country okay FBI cointel Pro

1699

01:08:31,309 --> 01:08:28,739

people are crawling all over Burning Man

1700

01:08:33,890 --> 01:08:31,319

the largest encampment at Burning Man is

1701

01:08:37,010 --> 01:08:33,900

the Playa gone fielded by the Pentagon

1702

01:08:38,329 --> 01:08:37,020

okay and so there and all these

1703

01:08:40,970 --> 01:08:38,339

billionaires of Google and other

1704

01:08:42,890 --> 01:08:40,980

corporations that show up there are

1705

01:08:44,150 --> 01:08:42,900

totally involved in shaping the

1706

01:08:46,189 --> 01:08:44,160

discourse of the so-called human

1707

01:08:48,229 --> 01:08:46,199

potential movement that excellent is at

1708

01:08:51,050 --> 01:08:48,239

the center of and so what will end up

1709

01:08:52,789 --> 01:08:51,060

happening and and if you look at

1710

01:08:54,829 --> 01:08:52,799

cripple's latest book on the

1711

01:08:56,570 --> 01:08:54,839

superhumanities you see that he has

1712

01:08:58,849 --> 01:08:56,580

swallowed Lock Stock and barreled the

1713

01:09:00,950 --> 01:08:58,859

cultural relativist identity politics

1714

01:09:03,169 --> 01:09:00,960

discourse how could he not how could he

1715

01:09:05,150 --> 01:09:03,179

not once you swim in those Waters once

1716

01:09:07,430 --> 01:09:05,160

you make that intellectual compromise

1717

01:09:09,769 --> 01:09:07,440

then you can't you know we've been

1718

01:09:11,990 --> 01:09:09,779

talking about for a while here is this

1719

01:09:15,349 --> 01:09:12,000

idea and it's it's stunning to me

1720

01:09:17,450 --> 01:09:15,359

because you know I started out kind of

1721

01:09:20,209 --> 01:09:17,460

on the the spiritual

1722

01:09:21,829 --> 01:09:20,219

path through science on this show and

1723

01:09:25,390 --> 01:09:21,839

that's you follow the data wherever it

1724

01:09:28,430 --> 01:09:25,400

leads why are these phony scientists

1725

01:09:30,709 --> 01:09:28,440

disguised as atheist and the Sam

1726

01:09:32,749 --> 01:09:30,719

Harris's and the Dawkins why are they

1727

01:09:34,910 --> 01:09:32,759

ignoring science and they're why are

1728

01:09:36,410 --> 01:09:34,920

they not being straight up isn't that

1729

01:09:39,289 --> 01:09:36,420

how we're supposed to do it but that led

1730

01:09:41,769 --> 01:09:39,299

me to conspiracy and that led me to and

1731

01:09:44,930 --> 01:09:41,779

what I don't understand about

1732

01:09:48,289 --> 01:09:44,940

mislove and the like is they

1733

01:09:50,150 --> 01:09:48,299

seem to be completely blind to this

1734

01:09:53,269 --> 01:09:50,160

incredible naivete you know about

1735

01:09:56,030 --> 01:09:53,279

deception and these wonderful blindness

1736

01:09:58,250 --> 01:09:56,040

it's willful blindness it is willful

1737

01:09:59,570 --> 01:09:58,260

blindness but I can't quite wrap my head

1738

01:10:01,610 --> 01:09:59,580

around it because there's a certain mind

1739

01:10:03,590 --> 01:10:01,620

control aspect of it you know when like

1740

01:10:06,709 --> 01:10:03,600

mishlov's thing I always point this out

1741

01:10:08,510 --> 01:10:06,719

it's so baby step kind of thing but like

1742

01:10:10,189 --> 01:10:08,520

Mitch Love's talking about the JFK

1743

01:10:11,689 --> 01:10:10,199

assassination I don't believe a

1744

01:10:13,250 --> 01:10:11,699

conspiracy theories like the JFK

1745

01:10:16,370 --> 01:10:13,260

interception I know that's really old

1746

01:10:19,070 --> 01:10:16,380

but I always want to say you know 1978

1747

01:10:21,470 --> 01:10:19,080

they had a senate select committee on

1748

01:10:25,010 --> 01:10:21,480

assassinations and the finding of that

1749

01:10:26,750 --> 01:10:25,020

committee was conspiracy so you know I

1750

01:10:28,850 --> 01:10:26,760

know you've been kind of mind controlled

1751

01:10:31,070 --> 01:10:28,860

into thinking that you know the

1752

01:10:33,890 --> 01:10:31,080

conspiracy theory which is a CIA

1753

01:10:35,810 --> 01:10:33,900

invented term doesn't kind of exist but

1754

01:10:38,450 --> 01:10:35,820

I I don't know how you're really

1755

01:10:41,090 --> 01:10:38,460

functioning in this larger intellectual

1756

01:10:43,189 --> 01:10:41,100

pool or Cesspool whatever it is that

1757

01:10:44,930 --> 01:10:43,199

we're swimming in if you don't have some

1758

01:10:46,970 --> 01:10:44,940

kind of grip on this stuff and that's

1759

01:10:48,830 --> 01:10:46,980

that's what I think you revealed but I I

1760

01:10:50,510 --> 01:10:48,840

I guess I'd spin it a little bit

1761

01:10:54,050 --> 01:10:50,520

differently that

1762

01:10:56,750 --> 01:10:54,060

if they can't understand jellyfish

1763

01:10:58,430 --> 01:10:56,760

you know and and it's not it's it's one

1764

01:11:01,370 --> 01:10:58,440

thing to say oh you're full of

1765

01:11:04,010 --> 01:11:01,380

Jason it didn't happen that way fine

1766

01:11:06,709 --> 01:11:04,020

okay that's what neither of them doubted

1767

01:11:08,870 --> 01:11:06,719

a word I said about how things happened

1768

01:11:11,169 --> 01:11:08,880

that wasn't the issue at all

1769

01:11:13,729 --> 01:11:11,179

so how do you make that that

1770

01:11:16,430 --> 01:11:13,739

intellectual temporary blindness to say

1771

01:11:18,229 --> 01:11:16,440

therefore I will I will look away that's

1772

01:11:19,070 --> 01:11:18,239

a lame ass question here's the real

1773

01:11:21,530 --> 01:11:19,080

question

1774

01:11:23,750 --> 01:11:21,540

how do you understand that this is going

1775

01:11:25,850 --> 01:11:23,760

to tee up and follow on interview we're

1776

01:11:28,630 --> 01:11:25,860

going to do but how do you understand

1777

01:11:31,729 --> 01:11:28,640

that within the larger larger

1778

01:11:33,590 --> 01:11:31,739

intellectual framework that you are you

1779

01:11:35,330 --> 01:11:33,600

are laying out there which I by the way

1780

01:11:36,830 --> 01:11:35,340

don't totally agree with and have some

1781

01:11:38,870 --> 01:11:36,840

interesting data points that I want to

1782

01:11:41,030 --> 01:11:38,880

discuss with you but you get my question

1783

01:11:42,890 --> 01:11:41,040

right

1784

01:11:44,330 --> 01:11:42,900

I don't entirely agree with myself a lot

1785

01:11:47,330 --> 01:11:44,340

of the time so I mean that's the nature

1786

01:11:48,470 --> 01:11:47,340

of being a thinker uh but no I get your

1787

01:11:51,649 --> 01:11:48,480

question

1788

01:11:54,050 --> 01:11:51,659

I think the answer is really dark

1789

01:11:57,590 --> 01:11:54,060

um and it has to do with money

1790

01:12:01,970 --> 01:11:57,600

the worst thing that mishlov said in his

1791

01:12:05,229 --> 01:12:01,980

uh explanations of why he canceled me

1792

01:12:09,169 --> 01:12:05,239

is that he said that

1793

01:12:11,090 --> 01:12:09,179

georgiani doesn't really consider the

1794

01:12:13,910 --> 01:12:11,100

power of Finance

1795

01:12:15,530 --> 01:12:13,920

and that maybe we first time where

1796

01:12:18,050 --> 01:12:15,540

Commerce

1797

01:12:22,610 --> 01:12:18,060

Trump's ethos

1798

01:12:24,830 --> 01:12:22,620

or maybe Commerce is an ethos

1799

01:12:28,490 --> 01:12:24,840

well you see this is the problem here

1800

01:12:31,070 --> 01:12:28,500

okay because what I am most opposed to

1801  
01:12:33,229 --> 01:12:31,080  
is the view that everyone can be bought

1802  
01:12:36,290 --> 01:12:33,239  
and everything can be traded

1803  
01:12:38,750 --> 01:12:36,300  
and that's the jellyfish world view so

1804  
01:12:40,370 --> 01:12:38,760  
in a perverse irony

1805  
01:12:42,709 --> 01:12:40,380  
this guy

1806  
01:12:45,229 --> 01:12:42,719  
is ultimately siding with the people who

1807  
01:12:47,330 --> 01:12:45,239  
defamed me and destroyed my career

1808  
01:12:50,209 --> 01:12:47,340  
by believing that all ideological

1809  
01:12:53,149 --> 01:12:50,219  
conflicts all sources of spiritual

1810  
01:12:56,630 --> 01:12:53,159  
struggle can ultimately be liquidated

1811  
01:12:59,990 --> 01:12:56,640  
through the lubricants of Commerce

1812  
01:13:01,790 --> 01:13:00,000  
and interestingly enough shortly after

1813  
01:13:05,810 --> 01:13:01,800

he canceled me

1814

01:13:09,649 --> 01:13:05,820

Jeffrey cry Jeffrey shared a

1815

01:13:11,570 --> 01:13:09,659

committee that awarded Jeffrey mishlov

1816

01:13:13,790 --> 01:13:11,580

with half a million dollars of prize

1817

01:13:16,490 --> 01:13:13,800

money from Bob Bigelow

1818

01:13:19,250 --> 01:13:16,500

which Jeffrey mishlov by the way had the

1819

01:13:21,169 --> 01:13:19,260

courtesy to email me telling me how I

1820

01:13:23,390 --> 01:13:21,179

screwed myself out of a lot of that

1821

01:13:24,770 --> 01:13:23,400

money that he would have shared with me

1822

01:13:26,750 --> 01:13:24,780

which

1823

01:13:29,870 --> 01:13:26,760

I thought was particularly lacking in

1824

01:13:32,630 --> 01:13:29,880

Grace considering my situation right uh

1825

01:13:34,850 --> 01:13:32,640

in any case how how ironic that after

1826

01:13:36,649 --> 01:13:34,860

Commerce is in ethos

1827

01:13:38,149 --> 01:13:36,659

and I don't understand that that

1828

01:13:41,270 --> 01:13:38,159

everything can ultimately be resolved by

1829

01:13:43,790 --> 01:13:41,280

money and then winds up being

1830

01:13:45,770 --> 01:13:43,800

the judge on a committee that Awards

1831

01:13:48,229 --> 01:13:45,780

mishlov who by the way already is a

1832

01:13:51,229 --> 01:13:48,239

multi-millionaire with half a million

1833

01:13:53,390 --> 01:13:51,239

dollars of Bob Bigelow's prize money

1834

01:13:55,610 --> 01:13:53,400

take it back just to a little bit of a

1835

01:13:56,930 --> 01:13:55,620

historical context because

1836

01:13:59,390 --> 01:13:56,940

you know

1837

01:14:01,610 --> 01:13:59,400

this he's talking about China right now

1838

01:14:04,310 --> 01:14:01,620

and he's because this is roll the clock

1839

01:14:06,350 --> 01:14:04,320

back so this is back when these people

1840

01:14:08,510 --> 01:14:06,360

are jumping out of the factory and they

1841

01:14:10,130 --> 01:14:08,520

have Nets down below you know because as

1842

01:14:12,770 --> 01:14:10,140

long as they keep putting those iPhones

1843

01:14:14,570 --> 01:14:12,780

together that's okay and maybe we can

1844

01:14:17,930 --> 01:14:14,580

sleep at night with the thought that

1845

01:14:19,370 --> 01:14:17,940

well it's better than they're at least a

1846

01:14:20,510 --> 01:14:19,380

little bit capitalist maybe they have a

1847

01:14:23,390 --> 01:14:20,520

little bit more freedom than they did

1848

01:14:25,070 --> 01:14:23,400

before so maybe the great dollar is kind

1849

01:14:26,990 --> 01:14:25,080

of working its magic through the whole

1850

01:14:29,330 --> 01:14:27,000

thing so that's the context that he's

1851

01:14:32,030 --> 01:14:29,340

saying it in and it's interesting I

1852

01:14:33,830 --> 01:14:32,040

think now because the tables have

1853

01:14:36,890 --> 01:14:33,840

shifted a little bit just like you know

1854

01:14:39,050 --> 01:14:36,900

Putin was World economic Forum Global

1855

01:14:40,729 --> 01:14:39,060

leader and now not so much that scrub

1856

01:14:43,130 --> 01:14:40,739

from the internet China was our friend

1857

01:14:44,709 --> 01:14:43,140

now no you can't buy the AI chips

1858

01:14:47,030 --> 01:14:44,719

because those might be strategically

1859

01:14:49,910 --> 01:14:47,040

important you know maybe there'll be a

1860

01:14:53,330 --> 01:14:49,920

South China war again if you're if

1861

01:14:54,770 --> 01:14:53,340

you're in that mindset then these things

1862

01:14:56,810 --> 01:14:54,780

can kind of

1863

01:14:58,729 --> 01:14:56,820

slipped past you in a way that you just

1864

01:15:01,970 --> 01:14:58,739

can't think deeply about and that's what

1865

01:15:04,970 --> 01:15:01,980

strikes me with that Commerce as the the

1866

01:15:06,110 --> 01:15:04,980

lubricant for Morality really because

1867

01:15:08,270 --> 01:15:06,120

that's because that's what we're talking

1868

01:15:10,610 --> 01:15:08,280

about you're talking about morality a

1869

01:15:13,189 --> 01:15:10,620

spiritually based foundation for

1870

01:15:14,870 --> 01:15:13,199

understanding the world that has to be

1871

01:15:17,090 --> 01:15:14,880

out the window if you

1872

01:15:19,250 --> 01:15:17,100

say Commerce Trump said I mean the the

1873

01:15:21,649 --> 01:15:19,260

random thought but would you like to

1874

01:15:23,870 --> 01:15:21,659

expound on that a little bit no that's

1875

01:15:26,630 --> 01:15:23,880

exactly it look you know I have been

1876

01:15:28,250 --> 01:15:26,640

vehemently opposed to China for years

1877

01:15:30,830 --> 01:15:28,260

because not because I have anything

1878

01:15:33,709 --> 01:15:30,840

against Chinese people as a race or

1879

01:15:35,870 --> 01:15:33,719

ethnicity uh you know the doubt Ching

1880

01:15:39,050 --> 01:15:35,880

was my favorite book when I was in my

1881

01:15:40,189 --> 01:15:39,060

you know early 20s late late teens early

1882

01:15:42,830 --> 01:15:40,199

twenties

1883

01:15:44,570 --> 01:15:42,840

I've been opposed to by the way the

1884

01:15:47,030 --> 01:15:44,580

taoists have been persecuted in China

1885

01:15:50,450 --> 01:15:47,040

going back thousands of years and the

1886

01:15:52,430 --> 01:15:50,460

Chan Chinese Buddhists as well so look

1887

01:15:55,310 --> 01:15:52,440

my problem with China has to do with the

1888

01:15:58,010 --> 01:15:55,320

fact that they are the model for the

1889

01:16:00,229 --> 01:15:58,020

totalitarian technocratic economic

1890

01:16:01,310 --> 01:16:00,239

system of the future and they're the

1891

01:16:03,649 --> 01:16:01,320

vehicle

1892

01:16:05,890 --> 01:16:03,659

by means of which this system is going

1893

01:16:08,689 --> 01:16:05,900

to be imposed in the world

1894

01:16:11,689 --> 01:16:08,699

yeah the tests have been ringing the

1895

01:16:13,430 --> 01:16:11,699

alarm Bell on that for years and ish

1896

01:16:15,590 --> 01:16:13,440

love there are a lot of things about

1897

01:16:17,510 --> 01:16:15,600

this that could be said which I don't

1898

01:16:19,669 --> 01:16:17,520

know I mean I even in Promethean pirate

1899

01:16:23,209 --> 01:16:19,679

I didn't mention some of them

1900

01:16:24,410 --> 01:16:23,219

I mean look his adopted son was raised

1901

01:16:27,410 --> 01:16:24,420

in China

1902

01:16:29,870 --> 01:16:27,420

there are other factors here okay where

1903

01:16:32,390 --> 01:16:29,880

this man is not thinking clearly on top

1904

01:16:33,830 --> 01:16:32,400

of which he's he claims to be a pacifist

1905

01:16:36,410 --> 01:16:33,840

see these are the things that really rub

1906

01:16:39,110 --> 01:16:36,420

me the wrong way if you are like a

1907

01:16:43,550 --> 01:16:39,120

practitioner of patanjali system of yoga

1908

01:16:45,830 --> 01:16:43,560

and you know you're some Kaya Hindu and

1909

01:16:48,410 --> 01:16:45,840

on the basis of this deep metaphysical

1910

01:16:50,750 --> 01:16:48,420

worldview you are a consistent pacifist

1911

01:16:52,729 --> 01:16:50,760

fine I have a philosophical disagreement

1912

01:16:54,530 --> 01:16:52,739

with you or let's say you're a therabada

1913

01:16:56,390 --> 01:16:54,540

Buddhist and on that basis you're a

1914

01:16:57,830 --> 01:16:56,400

consistent pacifist no problem we can

1915

01:17:00,830 --> 01:16:57,840

have a philosophical argument about that

1916

01:17:03,410 --> 01:17:00,840

but when you claim you're a pacifist and

1917

01:17:05,149 --> 01:17:03,420

you have giant campaign contributions to

1918

01:17:09,410 --> 01:17:05,159

Hillary Clinton

1919

01:17:12,169 --> 01:17:09,420

right who is an actual warmonger

1920

01:17:14,810 --> 01:17:12,179

responsible for attempted regime change

1921

01:17:16,550 --> 01:17:14,820

in Libya that you know uh catalyzed a

1922

01:17:17,750 --> 01:17:16,560

Civil War which you know who knows how

1923

01:17:20,030 --> 01:17:17,760

many thousands of libyans have been

1924

01:17:21,830 --> 01:17:20,040

killed at this point responsible for you

1925

01:17:24,169 --> 01:17:21,840

know the what was it 15-year I don't

1926

01:17:26,149 --> 01:17:24,179

know over a decade occupation of Iraq

1927

01:17:28,490 --> 01:17:26,159

and the starvation of all these Iraqi

1928

01:17:31,490 --> 01:17:28,500

children when you give huge campaign

1929

01:17:32,930 --> 01:17:31,500

contributions to candidates that are

1930

01:17:34,250 --> 01:17:32,940

fielded by the military-industrial

1931

01:17:36,229 --> 01:17:34,260

complex of the United States and then

1932

01:17:38,390 --> 01:17:36,239

you want to say you're a pacifist and

1933

01:17:41,090 --> 01:17:38,400

I'm a war Monger well frankly that makes

1934

01:17:43,430 --> 01:17:41,100

you a hypocrite is what it makes you so

1935

01:17:44,510 --> 01:17:43,440

look that's what happened with mishlov I

1936

01:17:46,610 --> 01:17:44,520

think that

1937

01:17:48,050 --> 01:17:46,620

I was canceled ultimately by his

1938

01:17:49,850 --> 01:17:48,060

hypocrisy

1939

01:17:52,310 --> 01:17:49,860

not on the basis of any principle

1940

01:17:55,910 --> 01:17:52,320

pacifism

1941

01:17:58,669 --> 01:17:55,920

I think you were canceled by his naivete

1942

01:18:00,709 --> 01:17:58,679

I mean I think unless you're able to

1943

01:18:02,209 --> 01:18:00,719

and that's what I guess we're saying and

1944

01:18:04,189 --> 01:18:02,219

I'm putting forth you know that's why I

1945

01:18:06,530 --> 01:18:04,199

think what you laid out here is so

1946

01:18:08,270 --> 01:18:06,540

important because unless someone can

1947

01:18:10,430 --> 01:18:08,280

process what you're saying not agree

1948

01:18:13,189 --> 01:18:10,440

with what you're saying but process what

1949

01:18:16,490 --> 01:18:13,199

you're saying as the kind of next level

1950

01:18:18,770 --> 01:18:16,500

of how this game is being played and the

1951

01:18:20,570 --> 01:18:18,780

next level in a way that is going to

1952

01:18:22,669 --> 01:18:20,580

surprise people if they think it through

1953

01:18:25,130 --> 01:18:22,679

because they go well wait a minute this

1954

01:18:28,130 --> 01:18:25,140

guy isn't like some

1955

01:18:31,370 --> 01:18:28,140

political figurehead this guy isn't some

1956

01:18:33,890 --> 01:18:31,380

labor leader or some you know he's an

1957

01:18:37,970 --> 01:18:33,900

intellectual he's a philosopher that's

1958

01:18:42,470 --> 01:18:37,980

what he does why is he being manipulated

1959

01:18:44,390 --> 01:18:42,480

played in so so hard I mean he's played

1960

01:18:47,090 --> 01:18:44,400

hard in this thing and I think that's

1961

01:18:48,950 --> 01:18:47,100

really really important and if these

1962

01:18:50,930 --> 01:18:48,960

other guys were talking about I'm not

1963

01:18:53,390 --> 01:18:50,940

putting them down Jeff cripples seems

1964

01:18:55,550 --> 01:18:53,400

like a terrific guy you know to me and

1965

01:18:56,990 --> 01:18:55,560

every time I've talked to him but if

1966

01:18:59,390 --> 01:18:57,000

they're not getting this then they're

1967

01:19:01,610 --> 01:18:59,400

just not in the conversation because the

1968

01:19:02,570 --> 01:19:01,620

conversation is just going to go on and

1969

01:19:04,310 --> 01:19:02,580

they're just going to be at a different

1970

01:19:08,209 --> 01:19:04,320

level with it and which is where they're

1971

01:19:10,310 --> 01:19:08,219

at there's a new responsibility that

1972

01:19:12,530 --> 01:19:10,320

comes with being an intellectual if you

1973

01:19:16,550 --> 01:19:12,540

read my work beginning with Prometheus

1974

01:19:19,189 --> 01:19:16,560

and Atlas going forward My Views are

1975

01:19:22,370 --> 01:19:19,199

actually if they are to be categorized

1976

01:19:24,770 --> 01:19:22,380

at all on the extent political Spectrum

1977

01:19:27,830 --> 01:19:24,780

they're very far to the left

1978

01:19:29,750 --> 01:19:27,840

I mean I like to think of myself as an

1979

01:19:31,370 --> 01:19:29,760

up Winger rather than a left wing or a

1980

01:19:34,910 --> 01:19:31,380

right winger this was a term coined by

1981

01:19:37,250 --> 01:19:34,920

this Iranian futurist FM esandiari in

1982

01:19:41,450 --> 01:19:37,260

the 1970s he wrote this book called up

1983

01:19:43,370 --> 01:19:41,460

Wingers and so My Views obviously you

1984

01:19:45,290 --> 01:19:43,380

know for my views of how Society should

1985

01:19:47,830 --> 01:19:45,300

ideally be reorganized socio-politically

1986

01:19:51,530 --> 01:19:47,840

don't fit the binary of the Left Right

1987

01:19:53,990 --> 01:19:51,540

Paradigm at all but if you were to force

1988

01:19:57,110 --> 01:19:54,000

them into that they certainly wouldn't

1989

01:19:59,810 --> 01:19:57,120

be right wing I mean I I have like no

1990

01:20:02,149 --> 01:19:59,820

right-wing political views at all when

1991

01:20:05,510 --> 01:20:02,159

it comes to you know how Society should

1992

01:20:08,990 --> 01:20:05,520

be organized so it's a real travesty

1993

01:20:10,729 --> 01:20:09,000

what's been done uh the the only thing

1994

01:20:13,250 --> 01:20:10,739

that people could identify in my

1995

01:20:15,470 --> 01:20:13,260

thinking that maybe someone might argue

1996

01:20:18,490 --> 01:20:15,480

aligns with the right is that I've

1997

01:20:21,470 --> 01:20:18,500

Advanced a very uh

1998

01:20:24,830 --> 01:20:21,480

rigorous critique of democracy I'm not

1999

01:20:26,750 --> 01:20:24,840

for democracy okay uh in the way that

2000

01:20:28,010 --> 01:20:26,760

Plato wasn't for democracy in the way

2001

01:20:29,870 --> 01:20:28,020

that the founders of the United States

2002

01:20:32,450 --> 01:20:29,880

considered democracy a tyranny of the

2003

01:20:34,910 --> 01:20:32,460

majority as much as I'm an advocate for

2004

01:20:37,550 --> 01:20:34,920

individual liberty I'm opposed to

2005

01:20:40,970 --> 01:20:37,560

democracy which I consider mobocracy

2006

01:20:42,890 --> 01:20:40,980

okay but I don't even see that as

2007

01:20:44,930 --> 01:20:42,900

particularly right wing because look I

2008

01:20:46,130 --> 01:20:44,940

mean Stalin wasn't for democracy either

2009

01:20:47,990 --> 01:20:46,140

there have been just as many

2010

01:20:49,430 --> 01:20:48,000

authoritarian left-wing movements that

2011

01:20:51,290 --> 01:20:49,440

have taken power in the world as

2012

01:20:52,430 --> 01:20:51,300

authoritarian right-wing movements and

2013

01:20:54,830 --> 01:20:52,440

so the fact that I've somehow been

2014

01:20:56,689 --> 01:20:54,840

caricaturized as some right-wing thinker

2015

01:20:58,669 --> 01:20:56,699

is ludicrous

2016

01:21:01,430 --> 01:20:58,679

you know what maybe that brings us to a

2017

01:21:04,370 --> 01:21:01,440

way to to wrap this up by kind of going

2018

01:21:06,470 --> 01:21:04,380

back to the beginning of Promethean

2019

01:21:08,930 --> 01:21:06,480

pirate your latest book

2020

01:21:11,990 --> 01:21:08,940

and that's that you talk about the

2021

01:21:16,490 --> 01:21:12,000

philosopher and you talk about how the

2022

01:21:19,130 --> 01:21:16,500

true philosopher is a rare breed and

2023

01:21:21,290 --> 01:21:19,140

I love how you broaden

2024

01:21:24,950 --> 01:21:21,300

what we need to understand the role of

2025

01:21:29,270 --> 01:21:24,960

the philosopher to the spiritual to the

2026

01:21:31,910 --> 01:21:29,280

political to the activist to all these

2027

01:21:33,709 --> 01:21:31,920

different aspects which are just the

2028

01:21:36,110 --> 01:21:33,719

exact opposite of where they've taken

2029

01:21:39,470 --> 01:21:36,120

philosophy which is such a dorky kind of

2030

01:21:43,010 --> 01:21:39,480

you know mathematical logical system

2031

01:21:46,010 --> 01:21:43,020

talk to us as a philosopher about what

2032

01:21:47,870 --> 01:21:46,020

it means to you to be a philosopher

2033

01:21:50,810 --> 01:21:47,880

so there's something called meta

2034

01:21:53,149 --> 01:21:50,820

philosophy meta philosophy is your

2035

01:21:54,950 --> 01:21:53,159

understanding or definition of what

2036

01:21:58,669 --> 01:21:54,960

counts for philosophy in the first place

2037

01:22:00,950 --> 01:21:58,679

right what makes a philosopher and I

2038

01:22:04,070 --> 01:22:00,960

have a very demanding meta philosophy

2039

01:22:06,649 --> 01:22:04,080

which I lay out in Promethean pirate I

2040

01:22:09,890 --> 01:22:06,659

think that the Criterion the Criterion

2041

01:22:12,770 --> 01:22:09,900

for being a philosopher is very high

2042

01:22:14,450 --> 01:22:12,780

um and let me explain why that Criterion

2043

01:22:15,709 --> 01:22:14,460

I set in Promethean pirate is not

2044

01:22:18,770 --> 01:22:15,719

arbitrary

2045

01:22:23,450 --> 01:22:18,780

so so what I say is that

2046

01:22:28,250 --> 01:22:23,460

to be a philosopher you have to

2047

01:22:31,970 --> 01:22:28,260

either discover or develop Concepts in

2048

01:22:35,090 --> 01:22:31,980

all the domains of philosophical thought

2049

01:22:37,970 --> 01:22:35,100

which extend from metaphysics or

2050

01:22:39,950 --> 01:22:37,980

probably better called ontology in other

2051  
01:22:40,930 --> 01:22:39,960  
words an understanding of the nature of

2052  
01:22:44,330 --> 01:22:40,940  
reality

2053  
01:22:47,209 --> 01:22:44,340  
epistemology or the theory of knowledge

2054  
01:22:49,850 --> 01:22:47,219  
and then ethics

2055  
01:22:51,830 --> 01:22:49,860  
which is related to Aesthetics because

2056  
01:22:54,530 --> 01:22:51,840  
Aesthetics as a branch of philosophy

2057  
01:22:56,510 --> 01:22:54,540  
that has to do with perception and uh

2058  
01:22:59,510 --> 01:22:56,520  
Judgment of things that aren't purely

2059  
01:23:02,090 --> 01:22:59,520  
mathematical or scientific uh is very

2060  
01:23:03,410 --> 01:23:02,100  
bound up with with ethics and I would

2061  
01:23:05,990 --> 01:23:03,420  
even argue that if you go back and you

2062  
01:23:09,290 --> 01:23:06,000  
look at like say Aristotle's nicomachian

2063  
01:23:12,350 --> 01:23:09,300

ethics Aristotle's Criterion for the

2064

01:23:13,669 --> 01:23:12,360

good is ultimately aesthetic uh and then

2065

01:23:17,030 --> 01:23:13,679

you see this again very much in

2066

01:23:19,970 --> 01:23:17,040

Nietzsche so ontology epistemology

2067

01:23:22,430 --> 01:23:19,980

ethics Aesthetics and then politics

2068

01:23:24,169 --> 01:23:22,440

and it's not enough for the concepts

2069

01:23:26,390 --> 01:23:24,179

that you develop to cut across all of

2070

01:23:27,550 --> 01:23:26,400

these domains they have to also be

2071

01:23:30,770 --> 01:23:27,560

somehow

2072

01:23:32,870 --> 01:23:30,780

consistent with one another I mean your

2073

01:23:35,689 --> 01:23:32,880

ethics and politics has to follow from

2074

01:23:38,450 --> 01:23:35,699

your ontology and epistemology so it's

2075

01:23:41,450 --> 01:23:38,460

not enough that let's say Noam Chomsky

2076

01:23:44,229 --> 01:23:41,460

who did Serious work in epistemology

2077

01:23:47,330 --> 01:23:44,239

uh or Burton Russell who was a serious

2078

01:23:49,490 --> 01:23:47,340

metaphysician and epistemologist also

2079

01:23:52,430 --> 01:23:49,500

happened the two of them also happen to

2080

01:23:56,510 --> 01:23:52,440

be political activists right Russell big

2081

01:23:58,910 --> 01:23:56,520

uh that's a peace movement protest

2082

01:24:00,350 --> 01:23:58,920

leader and then you know Shamsky of

2083

01:24:03,669 --> 01:24:00,360

course with his kind of anarchist

2084

01:24:06,050 --> 01:24:03,679

opposition to uh the corporate

2085

01:24:08,750 --> 01:24:06,060

military-industrial complex

2086

01:24:10,250 --> 01:24:08,760

they don't have a political philosophy

2087

01:24:12,350 --> 01:24:10,260

that follows from their ontology and

2088

01:24:15,290 --> 01:24:12,360

epistemology they happen to also be

2089

01:24:17,510 --> 01:24:15,300

political activists so by my Criterion

2090

01:24:19,689 --> 01:24:17,520

they're not philosophers

2091

01:24:22,130 --> 01:24:19,699

whereas let's say somebody like Ein Rand

2092

01:24:23,750 --> 01:24:22,140

whatever you might think of her okay

2093

01:24:25,910 --> 01:24:23,760

whether you agree or disagree with her

2094

01:24:27,830 --> 01:24:25,920

and I have big problems with various

2095

01:24:30,590 --> 01:24:27,840

aspects of our thinking but she

2096

01:24:34,250 --> 01:24:30,600

developed an internally consistent and

2097

01:24:36,169 --> 01:24:34,260

cohesive metaphysics epistemology ethics

2098

01:24:38,990 --> 01:24:36,179

Aesthetics and politics

2099

01:24:41,750 --> 01:24:39,000

okay and that's the work of a

2100

01:24:43,729 --> 01:24:41,760

philosopher now why is it important why

2101

01:24:47,810 --> 01:24:43,739

is it important to have that kind of uh

2102

01:24:49,970 --> 01:24:47,820

sort of coherent and integral thinking

2103

01:24:51,110 --> 01:24:49,980

it's important because otherwise and

2104

01:24:55,010 --> 01:24:51,120

this goes back to our discussion about

2105

01:24:57,590 --> 01:24:55,020

mishlov and karipel otherwise you will

2106

01:25:00,350 --> 01:24:57,600

have certain naive commitments that go

2107

01:25:02,570 --> 01:25:00,360

unquestioned you will have a politics

2108

01:25:04,790 --> 01:25:02,580

that you naively subscribe to that you

2109

01:25:06,770 --> 01:25:04,800

haven't dared to question you may be

2110

01:25:08,270 --> 01:25:06,780

very politically Savvy but you may be a

2111

01:25:10,910 --> 01:25:08,280

materialist ontologically or

2112

01:25:12,649 --> 01:25:10,920

epistemologically right until and unless

2113

01:25:14,689 --> 01:25:12,659

you're willing to question all

2114

01:25:16,550 --> 01:25:14,699

assumptions in all areas

2115

01:25:18,169 --> 01:25:16,560

of human endeavor

2116

01:25:19,669 --> 01:25:18,179

and then and then after you've

2117

01:25:22,130 --> 01:25:19,679

questioned them develop some new

2118

01:25:24,290 --> 01:25:22,140

Concepts having to do with them you're

2119

01:25:27,110 --> 01:25:24,300

not working as a philosopher a

2120

01:25:29,030 --> 01:25:27,120

philosopher has to challenge all

2121

01:25:30,950 --> 01:25:29,040

presuppositions preconceptions and

2122

01:25:32,810 --> 01:25:30,960

cannot have any naive commitments to

2123

01:25:34,250 --> 01:25:32,820

anything which is why philosophers have

2124

01:25:36,169 --> 01:25:34,260

been persecuted and martyred throughout

2125

01:25:38,149 --> 01:25:36,179

the course of history because they're

2126  
01:25:41,330 --> 01:25:38,159  
dangerous they're questioning everything

2127  
01:25:43,370 --> 01:25:41,340  
within themselves and then in a way that

2128  
01:25:46,250 --> 01:25:43,380  
destabilizes Society by extension of

2129  
01:25:48,110 --> 01:25:46,260  
that is dangerous okay from Pythagoras

2130  
01:25:50,570 --> 01:25:48,120  
how do schools burn down onto the

2131  
01:25:52,669 --> 01:25:50,580  
martyrdom of Socrates and Giordano Bruno

2132  
01:25:55,430 --> 01:25:52,679  
you know becoming a human torch in a

2133  
01:25:57,530 --> 01:25:55,440  
Public Square in Rome it's it's all

2134  
01:26:00,649 --> 01:25:57,540  
having to do with

2135  
01:26:04,010 --> 01:26:00,659  
the duty of the philosopher to question

2136  
01:26:06,649 --> 01:26:04,020  
in every domain of human existence and

2137  
01:26:08,810 --> 01:26:06,659  
Enterprise uh and to break new ground

2138  
01:26:10,970 --> 01:26:08,820

right in developing Concepts that have

2139

01:26:13,550 --> 01:26:10,980

to deal with these areas of human life

2140

01:26:15,850 --> 01:26:13,560

that was beautifully said and I think

2141

01:26:20,090 --> 01:26:15,860

anyone who hears that can understand

2142

01:26:22,430 --> 01:26:20,100

how relevant it is today in a world that

2143

01:26:24,590 --> 01:26:22,440

has taken the mind control game that's

2144

01:26:28,430 --> 01:26:24,600

been going on throughout history and

2145

01:26:30,590 --> 01:26:28,440

just upscaled it with the technology and

2146

01:26:34,010 --> 01:26:30,600

what the technology is hinting towards

2147

01:26:34,850 --> 01:26:34,020

is a dramatic increase in that so I

2148

01:26:37,310 --> 01:26:34,860

think

2149

01:26:40,129 --> 01:26:37,320

would you go that far as to say that

2150

01:26:43,189 --> 01:26:40,139

this is also maybe the first line of

2151

01:26:46,310 --> 01:26:43,199

defense against that kind of

2152

01:26:49,669 --> 01:26:46,320

mind control mind manipulation

2153

01:26:51,470 --> 01:26:49,679

of course absolutely and again that's

2154

01:26:53,330 --> 01:26:51,480

why philosophers have been so badly

2155

01:26:55,850 --> 01:26:53,340

persecuted because they're the ones who

2156

01:26:58,070 --> 01:26:55,860

call on systems of mind control

2157

01:27:00,830 --> 01:26:58,080

and and social engineering

2158

01:27:03,770 --> 01:27:00,840

well Jason it's been terrific having you

2159

01:27:06,110 --> 01:27:03,780

on again folks Jason giorgiani you can

2160

01:27:09,110 --> 01:27:06,120

find all his books on Amazon and on his

2161

01:27:10,610 --> 01:27:09,120

website Jason reesigerjony.com we'll

2162

01:27:14,390 --> 01:27:10,620

have a link to it

2163

01:27:17,390 --> 01:27:14,400

love to have you back a lot to still all

2164

01:27:18,890 --> 01:27:17,400

the other good stuff lies Beyond this

2165

01:27:20,510 --> 01:27:18,900

and I would love to have you back to

2166

01:27:22,850 --> 01:27:20,520

talk about it

2167

01:27:25,490 --> 01:27:22,860

absolute pleasure Alex it's been great

2168

01:27:28,910 --> 01:27:25,500

and let's please keep in touch

2169

01:27:34,129 --> 01:27:31,250

thanks again to Dr churchani for joining

2170

01:27:36,410 --> 01:27:34,139

me today on skeptico the one question I

2171

01:27:38,990 --> 01:27:36,420

tee up from this interview it's the one

2172

01:27:41,209 --> 01:27:39,000

that I really wrestle with is what would

2173

01:27:44,090 --> 01:27:41,219

you do in his situation what would you

2174

01:27:46,669 --> 01:27:44,100

do if you felt like your people a whole

2175

01:27:49,370 --> 01:27:46,679

country had been kind of overrun but the

2176

01:27:52,850 --> 01:27:49,380

really crazy totalitarian regime and you

2177

01:27:55,250 --> 01:27:52,860

felt you had an obligation to change it

2178

01:27:58,669 --> 01:27:55,260

what would you do what would you not do

2179

01:27:59,870 --> 01:27:58,679

I don't know it's a tough one so let me

2180

01:28:02,810 --> 01:27:59,880

know your thoughts

2181

01:28:04,250 --> 01:28:02,820

until next time take care and bye for
