

1
00:00:07,130 --> 00:00:05,030
welcome to skeptico where we explore

2
00:00:09,830 --> 00:00:07,140
controversial science and spirituality

3
00:00:11,509 --> 00:00:09,840
with leading researchers thinkers and

4
00:00:12,890 --> 00:00:11,519
their critics I'm your host Alex

5
00:00:15,890 --> 00:00:12,900
zacharis

6
00:00:19,010 --> 00:00:15,900
today we welcome Dr Shiva ayaduray to

7
00:00:21,109 --> 00:00:19,020
skeptico very interesting show I'm

8
00:00:25,250 --> 00:00:21,119
really looking forward to it you know

9
00:00:28,009 --> 00:00:25,260
any way you look at it Dr Shiva is a

10
00:00:32,089 --> 00:00:28,019
brilliant guy accomplished guy really

11
00:00:34,450 --> 00:00:32,099
his story is the embodiment of what we

12
00:00:38,049 --> 00:00:34,460
still think of as the American Dreams

13
00:00:41,209 --> 00:00:38,059

slums of Dubai member of a crippling

14

00:00:44,090 --> 00:00:41,219

Indians caste system that we often

15

00:00:47,389 --> 00:00:44,100

forget still holds a lot of sway in

16

00:00:49,069 --> 00:00:47,399

Indian society today outlawed but you

17

00:00:51,770 --> 00:00:49,079

know hopefully we'll have a little bit

18

00:00:54,950 --> 00:00:51,780

of time to talk about that but somehow

19

00:00:57,110 --> 00:00:54,960

the guy that you see on the screen and

20

00:01:00,529 --> 00:00:57,120

that we're talking about he has the

21

00:01:02,510 --> 00:01:00,539

right stuff he goes to school I I heard

22

00:01:03,590 --> 00:01:02,520

that in your high school math you

23

00:01:05,870 --> 00:01:03,600

completed all the high school math

24

00:01:09,050 --> 00:01:05,880

courses by the time you're 12 years old

25

00:01:10,969 --> 00:01:09,060

graduated when you were 14. that's

26

00:01:12,649 --> 00:01:10,979

basically right right

27

00:01:14,330 --> 00:01:12,659

yeah I mean I created the first email

28

00:01:15,830 --> 00:01:14,340

system when I was 14 my high school

29

00:01:18,410 --> 00:01:15,840

didn't have any more math classes to

30

00:01:20,330 --> 00:01:18,420

give me so I ended up going to NYU in a

31

00:01:21,890 --> 00:01:20,340

special computer science program and

32

00:01:23,990 --> 00:01:21,900

what we know as emailed today is what I

33

00:01:26,090 --> 00:01:24,000

created as a 14 year old kid before I

34

00:01:29,510 --> 00:01:26,100

came to MIT yeah we talked about the

35

00:01:31,130 --> 00:01:29,520

email thing in a minute that kind of

36

00:01:32,749 --> 00:01:31,140

picks at me a little bit so we'll talk

37

00:01:35,510 --> 00:01:32,759

about that but you go on you get

38

00:01:38,030 --> 00:01:35,520

multiple degrees from MIT like you just

39

00:01:39,890 --> 00:01:38,040

mentioned including a PhD you get a

40

00:01:42,410 --> 00:01:39,900

Fulbright scholarship

41

00:01:46,069 --> 00:01:42,420

you start these businesses

42

00:01:49,789 --> 00:01:46,079

just an incredible life story in 2020

43

00:01:52,850 --> 00:01:49,799

you ran for the the U.S Senate in

44

00:01:55,370 --> 00:01:52,860

Massachusetts and you did eventually

45

00:01:57,590 --> 00:01:55,380

lose and I'm going to talk about whether

46

00:01:59,870 --> 00:01:57,600

Trump did a rug poll on you on that

47

00:02:02,270 --> 00:01:59,880

thing or just how you felt about that

48

00:02:04,850 --> 00:02:02,280

situation you lost to

49

00:02:07,969 --> 00:02:04,860

Whitey whitemeyer who went on to lose

50

00:02:10,370 --> 00:02:07,979

two to one to the Democrat who it was

51
00:02:12,589 --> 00:02:10,380
really a locked up Democratic thing to

52
00:02:15,229 --> 00:02:12,599
begin with but you kind of fought the

53
00:02:18,530 --> 00:02:15,239
good fight and along the way you just

54
00:02:19,990 --> 00:02:18,540
take on all these kind of nuclear issues

55
00:02:23,390 --> 00:02:20,000
that you're not afraid to take on

56
00:02:26,449 --> 00:02:23,400
vaccines voter fraud you're out there

57
00:02:28,369 --> 00:02:26,459
really early on saying the just the

58
00:02:29,869 --> 00:02:28,379
super straightforward like why are we

59
00:02:31,910 --> 00:02:29,879
forcing people to take these vaccines

60
00:02:34,729 --> 00:02:31,920
Beyond questioning

61
00:02:36,949 --> 00:02:34,739
how efficacious they are or how safe

62
00:02:39,350 --> 00:02:36,959
they are you're also asking just the

63
00:02:41,990 --> 00:02:39,360

basic question that got lost in that of

64

00:02:43,850 --> 00:02:42,000

from a political standpoint you know why

65

00:02:46,070 --> 00:02:43,860

are we being forced to do that

66

00:02:47,570 --> 00:02:46,080

so just as a way of kind of wrapping up

67

00:02:48,770 --> 00:02:47,580

this intro because we are going to have

68

00:02:50,509 --> 00:02:48,780

to kind of talk about a lot of different

69

00:02:53,390 --> 00:02:50,519

things

70

00:02:56,210 --> 00:02:53,400

you kind of take on everybody in

71

00:02:59,630 --> 00:02:56,220

sometimes in a way that agitates some

72

00:03:02,869 --> 00:02:59,640

people I mean you take on people that we

73

00:03:05,990 --> 00:03:02,879

wouldn't expect you to take on as a kind

74

00:03:08,630 --> 00:03:06,000

of guy who ran for the United States

75

00:03:11,750 --> 00:03:08,640

Senate as a republican you're taking on

76
00:03:14,210 --> 00:03:11,760
tuckle Carlson you're taking on James

77
00:03:16,430 --> 00:03:14,220
O'Keefe at project veritas

78
00:03:18,309 --> 00:03:16,440
you're taking on Joe Rogan you know

79
00:03:21,290 --> 00:03:18,319
everybody is in your your your

80
00:03:24,229 --> 00:03:21,300
crosshairs and you've been coming down

81
00:03:26,330 --> 00:03:24,239
pretty hard on them and now lately what

82
00:03:28,449 --> 00:03:26,340
we'll talk about is your latest thing

83
00:03:31,490 --> 00:03:28,459
your movement

84
00:03:33,710 --> 00:03:31,500
truthfreedomhealth.com so I'm just

85
00:03:36,710 --> 00:03:33,720
trying to lay out the whole playing

86
00:03:38,930 --> 00:03:36,720
field here there's a lot to talk about

87
00:03:40,729 --> 00:03:38,940
super super excited to have you on Dr

88
00:03:43,550 --> 00:03:40,739

Shiva thanks so much for being here

89

00:03:45,710 --> 00:03:43,560

great to be here so I guess since you

90

00:03:48,830 --> 00:03:45,720

hit the email thing let me push back on

91

00:03:50,330 --> 00:03:48,840

that like here's the objection

92

00:03:53,030 --> 00:03:50,340

that I have and I think some other

93

00:03:55,490 --> 00:03:53,040

people have that we don't always hear

94

00:03:57,890 --> 00:03:55,500

dude what you did is incredible you're

95

00:03:59,330 --> 00:03:57,900

14 year old and you wrote an incredible

96

00:04:05,990 --> 00:03:59,340

program

97

00:04:07,850 --> 00:04:06,000

in the 1980s I was at the University of

98

00:04:10,009 --> 00:04:07,860

Arizona getting a PhD I wrote the

99

00:04:12,410 --> 00:04:10,019

artificial intelligence expert system I

100

00:04:15,170 --> 00:04:12,420

went on to sell it to a bunch of Fortune

101
00:04:17,449 --> 00:04:15,180
500 companies and then started an AI

102
00:04:20,870 --> 00:04:17,459
company I would never say that I wrote

103
00:04:22,909 --> 00:04:20,880
the first PC based expert system because

104
00:04:24,830 --> 00:04:22,919
there were other it was out there or in

105
00:04:27,290 --> 00:04:24,840
the thing and other people were doing it

106
00:04:31,189 --> 00:04:27,300
I just saw it as a way to make money you

107
00:04:33,230 --> 00:04:31,199
saw it as an assignment to say in 1980

108
00:04:35,689 --> 00:04:33,240
that like there weren't any messaging

109
00:04:38,330 --> 00:04:35,699
systems that's why I think people push

110
00:04:40,610 --> 00:04:38,340
back from The Tech Community saying wait

111
00:04:44,450 --> 00:04:40,620
a minute computer programmers don't call

112
00:04:46,010 --> 00:04:44,460
those really brilliant programs like the

113
00:04:47,749 --> 00:04:46,020

one that you wrote they don't call it an

114

00:04:48,670 --> 00:04:47,759

invention you don't have to agree with

115

00:04:50,930 --> 00:04:48,680

it

116

00:04:52,790 --> 00:04:50,940

no I don't get the pushback because

117

00:04:54,590 --> 00:04:52,800

we're going to talk about a lot of

118

00:04:56,689 --> 00:04:54,600

things today because if a white guy did

119

00:04:58,730 --> 00:04:56,699

it you wouldn't say that because they

120

00:05:00,469 --> 00:04:58,740

say Ray Tomlinson invented email and you

121

00:05:01,909 --> 00:05:00,479

don't have a problem with that let me

122

00:05:03,590 --> 00:05:01,919

get to the heart I do have a problem

123

00:05:04,550 --> 00:05:03,600

with that well no no let me get to the

124

00:05:06,290 --> 00:05:04,560

heart of this

125

00:05:09,830 --> 00:05:06,300

by U.S law

126

00:05:11,390 --> 00:05:09,840

I can hit it at many many different ways

127

00:05:13,189 --> 00:05:11,400

um but hopefully you'll understand this

128

00:05:14,810 --> 00:05:13,199

and the importance of this at a very

129

00:05:16,610 --> 00:05:14,820

deep level

130

00:05:18,409 --> 00:05:16,620

when Mozart wrote a Symphonies do you

131

00:05:22,249 --> 00:05:18,419

question if you wrote them what's going

132

00:05:25,270 --> 00:05:22,259

on no do you I want to ask you I I don't

133

00:05:27,770 --> 00:05:25,280

know crap about uh music

134

00:05:29,450 --> 00:05:27,780

Okay so

135

00:05:31,010 --> 00:05:29,460

it's the yes or no question do you

136

00:05:33,290 --> 00:05:31,020

question them

137

00:05:37,330 --> 00:05:33,300

again I'm trying to be straight up with

138

00:05:43,189 --> 00:05:41,029

there's a long monologue okay so if you

139

00:05:44,510 --> 00:05:43,199

want to have a discussion let's have a

140

00:05:46,790 --> 00:05:44,520

discussion

141

00:05:49,370 --> 00:05:46,800

so I want to ask you if when people say

142

00:05:50,510 --> 00:05:49,380

blah blah blah invented something do you

143

00:05:52,730 --> 00:05:50,520

question that

144

00:05:54,409 --> 00:05:52,740

generally yeah I do because I'm kind of

145

00:05:56,450 --> 00:05:54,419

a skeptical kind of person

146

00:05:58,969 --> 00:05:56,460

all right

147

00:06:01,490 --> 00:05:58,979

here are the facts

148

00:06:03,050 --> 00:06:01,500

you can go pick up uh Walter isaacson's

149

00:06:04,850 --> 00:06:03,060

book which he wrote in the middle of the

150

00:06:06,650 --> 00:06:04,860

so-called fabricated controversy on who

151
00:06:08,629 --> 00:06:06,660
invented email because when you look at

152
00:06:10,249 --> 00:06:08,639
the facts it was a 14 year old brown

153
00:06:12,290 --> 00:06:10,259
skin Indian kid

154
00:06:15,290 --> 00:06:12,300
in Newark New Jersey who invented a days

155
00:06:17,930 --> 00:06:15,300
in fact no controversy except for people

156
00:06:19,909 --> 00:06:17,940
want to fabricate a controversy and and

157
00:06:22,309 --> 00:06:19,919
that's a much much deeper issue friend

158
00:06:23,930 --> 00:06:22,319
of mine who runs Business Insider when

159
00:06:25,309 --> 00:06:23,940
he came to know about it Kevin said you

160
00:06:28,129 --> 00:06:25,319
know what's really fascinating about the

161
00:06:31,189 --> 00:06:28,139
stories why is there a controversy

162
00:06:33,350 --> 00:06:31,199
and that's what the real story is

163
00:06:36,529 --> 00:06:33,360

so here's a kid

164

00:06:38,809 --> 00:06:36,539

in 1978 by the way

165

00:06:40,670 --> 00:06:38,819

who takes the entire interoffice Mail

166

00:06:43,730 --> 00:06:40,680

system

167

00:06:45,529 --> 00:06:43,740

not just inbox outbox let's get it very

168

00:06:47,570 --> 00:06:45,539

specific

169

00:06:49,249 --> 00:06:47,580

because facts are very important and

170

00:06:50,990 --> 00:06:49,259

people tend to brush over them and it's

171

00:06:52,430 --> 00:06:51,000

inconvenient for them and even though

172

00:06:53,990 --> 00:06:52,440

sometimes they don't even know why it's

173

00:06:56,450 --> 00:06:54,000

inconvenient for them

174

00:06:58,969 --> 00:06:56,460

the inbox the outbox the folders the

175

00:07:01,070 --> 00:06:58,979

drafts every single feature in that

176

00:07:04,010 --> 00:07:01,080

inner Office Mail system

177

00:07:06,770 --> 00:07:04,020

every single feature attachments

178

00:07:09,350 --> 00:07:06,780

registered mail every single feature you

179

00:07:10,790 --> 00:07:09,360

see in modern email systems

180

00:07:12,770 --> 00:07:10,800

okay

181

00:07:15,230 --> 00:07:12,780

packed one

182

00:07:17,330 --> 00:07:15,240

wrote fifty thousand lines of code in

183

00:07:19,969 --> 00:07:17,340

what was known as a

184

00:07:22,969 --> 00:07:19,979

scientific program called portraying had

185

00:07:25,850 --> 00:07:22,979

to write all the memory handlers

186

00:07:28,370 --> 00:07:25,860

at a time when in December of 1977 which

187

00:07:30,950 --> 00:07:28,380

we found this about 20 30 years later

188

00:07:32,689 --> 00:07:30,960

a scumbag

189

00:07:34,909 --> 00:07:32,699

technical term

190

00:07:38,390 --> 00:07:34,919

David Crocker

191

00:07:41,809 --> 00:07:40,550

later

192

00:07:43,070 --> 00:07:41,819

um why don't you bring up the inventor

193

00:07:45,050 --> 00:07:43,080

of email site

194

00:07:46,909 --> 00:07:45,060

because I brought up the tech site

195

00:07:49,070 --> 00:07:46,919

because I thought these guys from my

196

00:07:51,189 --> 00:07:49,080

perspective gave a pretty good account

197

00:07:54,670 --> 00:07:51,199

were pretty much

198

00:07:57,890 --> 00:07:54,680

you sued him for defense

199

00:08:00,050 --> 00:07:57,900

you lost if you if you want me to talk

200

00:08:01,129 --> 00:08:00,060

about it I can and we can have a

201
00:08:04,129 --> 00:08:01,139
discussion but if you're going to break

202
00:08:04,850 --> 00:08:04,139
up Tech dirt a guy that we sued and you

203
00:08:09,529 --> 00:08:04,860
lost

204
00:08:11,689 --> 00:08:09,539
didn't we won The Gawker lawsuit this

205
00:08:14,029 --> 00:08:11,699
was a different lawsuit

206
00:08:15,230 --> 00:08:14,039
it was an opinion loss did they pay you

207
00:08:17,689 --> 00:08:15,240
money

208
00:08:18,950 --> 00:08:17,699
Gawker paid me 750 000 and they're

209
00:08:20,390 --> 00:08:18,960
forced to remove three defamatory

210
00:08:22,550 --> 00:08:20,400
articles it's interesting you don't want

211
00:08:24,950 --> 00:08:22,560
to bring that up well I

212
00:08:26,990 --> 00:08:24,960
where are that detector yeah the claims

213
00:08:28,249 --> 00:08:27,000

protector claims that you didn't that uh

214

00:08:30,830 --> 00:08:28,259

they didn't have to pay you any money

215

00:08:32,990 --> 00:08:30,840

and they can still run them because they

216

00:08:34,430 --> 00:08:33,000

settled out of court because we were

217

00:08:36,769 --> 00:08:34,440

going to continue the lawsuit to an

218

00:08:38,389 --> 00:08:36,779

appeal and they were forced to put legs

219

00:08:41,810 --> 00:08:38,399

but why don't you bring up The Gawker

220

00:08:43,490 --> 00:08:41,820

lawsuit that we won I I'm happy to do

221

00:08:45,949 --> 00:08:43,500

that do you want me to wait what I'm

222

00:08:47,690 --> 00:08:45,959

saying look you're bringing this up with

223

00:08:49,490 --> 00:08:47,700

the Assumption because you don't want to

224

00:08:52,370 --> 00:08:49,500

listen to the facts

225

00:08:54,710 --> 00:08:52,380

and the visceral reaction to that goes

226

00:08:55,850 --> 00:08:54,720

at a very deep issue that you don't want

227

00:08:59,030 --> 00:08:55,860

to talk about

228

00:09:01,730 --> 00:08:59,040

can have a discussion but if you're

229

00:09:03,650 --> 00:09:01,740

going to bring up garbage we should just

230

00:09:07,130 --> 00:09:03,660

end the interview

231

00:09:08,930 --> 00:09:07,140

well that that will always be your

232

00:09:10,370 --> 00:09:08,940

option here is you're talking about

233

00:09:13,570 --> 00:09:10,380

being a skeptic but you're not even

234

00:09:15,829 --> 00:09:13,580

allowing me to bring up the facts

235

00:09:17,389 --> 00:09:15,839

I'm totally willing for you to bring up

236

00:09:18,710 --> 00:09:17,399

this the fox I'm going to just let me

237

00:09:20,750 --> 00:09:18,720

know let me know when you want me to

238

00:09:22,730 --> 00:09:20,760

talk or let me know if you want me to

239

00:09:24,829 --> 00:09:22,740

end the interview but you haven't really

240

00:09:26,150 --> 00:09:24,839

addressed where I was coming from no you

241

00:09:27,829 --> 00:09:26,160

weren't no because you've already made

242

00:09:29,449 --> 00:09:27,839

an assumption I'm going down the facts

243

00:09:31,670 --> 00:09:29,459

and you're bringing up a garbage thing

244

00:09:33,889 --> 00:09:31,680

to what we want in federal court in fact

245

00:09:35,870 --> 00:09:33,899

in bankruptcy court

246

00:09:38,630 --> 00:09:35,880

and you weren't even aware of that

247

00:09:40,670 --> 00:09:38,640

well correct I was not aware of the

248

00:09:42,470 --> 00:09:40,680

right look but I am aware that they

249

00:09:43,970 --> 00:09:42,480

still have I am aware that you suit them

250

00:09:45,769 --> 00:09:43,980

for defamation and they still have their

251
00:09:47,870 --> 00:09:45,779
article up there and they're nowadays

252
00:09:49,790 --> 00:09:47,880
wait wait you don't even know the

253
00:09:53,030 --> 00:09:49,800
background they were forced

254
00:09:55,670 --> 00:09:53,040
to put up a link to the actual facts

255
00:09:57,829 --> 00:09:55,680
so we're gonna have a conversation like

256
00:10:00,290 --> 00:09:57,839
this because I'm a scientist and an

257
00:10:02,329 --> 00:10:00,300
engineer and you seem to just not want

258
00:10:03,470 --> 00:10:02,339
to have that conversation

259
00:10:04,910 --> 00:10:03,480
okay

260
00:10:06,889 --> 00:10:04,920
so if you want to have the conversation

261
00:10:08,810 --> 00:10:06,899
about who invented email and you want to

262
00:10:10,550 --> 00:10:08,820
get over potentially your own racism we

263
00:10:11,930 --> 00:10:10,560

can have a discussion about that and I

264

00:10:14,329 --> 00:10:11,940

want you to explore that

265

00:10:15,769 --> 00:10:14,339

are you willing to do that yeah yeah how

266

00:10:18,230 --> 00:10:15,779

will I do that I think that's that's

267

00:10:19,790 --> 00:10:18,240

such crazy no no no no no because I

268

00:10:21,949 --> 00:10:19,800

think you should be willing to explore

269

00:10:24,110 --> 00:10:21,959

that because when Walter Isaac's in the

270

00:10:25,430 --> 00:10:24,120

middle of this controversy wrote the

271

00:10:27,650 --> 00:10:25,440

innovators of the digital Revolution

272

00:10:29,870 --> 00:10:27,660

they're all white people

273

00:10:32,870 --> 00:10:29,880

are you wearing that

274

00:10:34,070 --> 00:10:32,880

yeah I don't I don't really like that no

275

00:10:35,870 --> 00:10:34,080

I think we should have a longer

276

00:10:38,150 --> 00:10:35,880

discussion about this because doing

277

00:10:40,370 --> 00:10:38,160

tidbits like this is a disservice to you

278

00:10:41,269 --> 00:10:40,380

as a human being but also to your

279

00:10:43,610 --> 00:10:41,279

viewers

280

00:10:45,710 --> 00:10:43,620

I take this very seriously because

281

00:10:47,990 --> 00:10:45,720

a 14 year old brown skin Indian kid

282

00:10:49,730 --> 00:10:48,000

didn't that email in fact there's no

283

00:10:51,069 --> 00:10:49,740

controversy

284

00:10:53,329 --> 00:10:51,079

and if you wanted

285

00:10:55,250 --> 00:10:53,339

the controversy and that's what I was

286

00:10:56,690 --> 00:10:55,260

trying to get across with no no why

287

00:10:59,389 --> 00:10:56,700

don't you actually listen to the person

288

00:11:01,370 --> 00:10:59,399

who's alive who was primary and that's a

289

00:11:03,350 --> 00:11:01,380

disrespect that you're doing this wrote

290

00:11:06,230 --> 00:11:03,360

a computer program what's the big deal

291

00:11:08,290 --> 00:11:06,240

mention of email it's like okay come on

292

00:11:10,790 --> 00:11:08,300

dude

293

00:11:11,870 --> 00:11:10,800

when you want to become a mature human

294

00:11:13,730 --> 00:11:11,880

being and you want to have a

295

00:11:15,050 --> 00:11:13,740

conversation we'll do that for right now

296

00:11:16,550 --> 00:11:15,060

you're coming to it with presumptions

297

00:11:18,650 --> 00:11:16,560

and I find it interesting to call

298

00:11:22,670 --> 00:11:18,660

yourself skeptic what it really means

299

00:11:23,990 --> 00:11:22,680

is that you have pre-defined agenda and

300

00:11:25,610 --> 00:11:24,000

a goal but if you want to have a comp

301
00:11:27,769 --> 00:11:25,620
you want to have an actual conversation

302
00:11:29,389 --> 00:11:27,779
go through the facts as a human being

303
00:11:31,130 --> 00:11:29,399
well I did I don't think you've

304
00:11:32,870 --> 00:11:31,140
responded to any of the things you want

305
00:11:34,610 --> 00:11:32,880
to have a conversation as a human being

306
00:11:36,650 --> 00:11:34,620
about the actual facts yes or no you

307
00:11:38,569 --> 00:11:36,660
want to point do you want to respond to

308
00:11:39,590 --> 00:11:38,579
the points yeah that's right that's the

309
00:11:41,449 --> 00:11:39,600
way you are

310
00:11:42,530 --> 00:11:41,459
you're showing great arrogance and when

311
00:11:44,389 --> 00:11:42,540
I come back at you you're calling me

312
00:11:46,490 --> 00:11:44,399
Aryan

313
00:11:48,050 --> 00:11:46,500

do you want something you want do you

314

00:11:51,370 --> 00:11:48,060

want to just leave you want to have a

315

00:11:56,630 --> 00:11:54,590

every human being should know about the

316

00:11:58,970 --> 00:11:56,640

invention of email and the fact that you

317

00:12:01,670 --> 00:11:58,980

said wow I'm a computer programmer so

318

00:12:03,949 --> 00:12:01,680

you have unconscious incompetence and if

319

00:12:05,990 --> 00:12:03,959

you're willing to follow through the guy

320

00:12:08,829 --> 00:12:06,000

that's actually why why do I have

321

00:12:11,509 --> 00:12:08,839

unconscious incompetence because

322

00:12:13,790 --> 00:12:11,519

you don't know what you don't know but

323

00:12:15,790 --> 00:12:13,800

but why does a computer programmer make

324

00:12:19,690 --> 00:12:15,800

me have listening

325

00:12:21,710 --> 00:12:19,700

do you just want to be call skeptical

326

00:12:23,630 --> 00:12:21,720

there's something that I made I kind of

327

00:12:27,310 --> 00:12:23,640

related it back to mine what do you call

328

00:12:35,389 --> 00:12:33,470

I'm like the first AI business system

329

00:12:37,610 --> 00:12:35,399

all right I would never call it an

330

00:12:40,850 --> 00:12:37,620

invention I would never call it I would

331

00:12:42,410 --> 00:12:40,860

never lead with um an actual copyright

332

00:12:43,970 --> 00:12:42,420

which is the way software inventions are

333

00:12:45,769 --> 00:12:43,980

being characterized so that means anyone

334

00:12:47,449 --> 00:12:45,779

who gets a patent you don't call what do

335

00:12:49,370 --> 00:12:47,459

you consider an invention listen if you

336

00:12:50,930 --> 00:12:49,380

want to go through the facts we can but

337

00:12:52,850 --> 00:12:50,940

if you don't

338

00:12:54,170 --> 00:12:52,860

then I don't even think you should have

339

00:12:56,210 --> 00:12:54,180

the name skeptical because you're

340

00:12:58,129 --> 00:12:56,220

actually following the original

341

00:13:00,769 --> 00:12:58,139

narrative I'm just saying that

342

00:13:03,829 --> 00:13:00,779

professional as a professional computer

343

00:13:06,129 --> 00:13:03,839

programmer all the people I know they

344

00:13:08,449 --> 00:13:06,139

would never really well

345

00:13:12,910 --> 00:13:08,459

you know what I've never called what you

346

00:13:12,920 --> 00:13:16,509

anyways

347

00:13:20,750 --> 00:13:18,949

I don't think it dismissed I don't think

348

00:13:22,970 --> 00:13:20,760

it finishes what you know you know what

349

00:13:24,889 --> 00:13:22,980

you're coming with predefined and you

350

00:13:26,509 --> 00:13:24,899

don't want to listen to the person who's

351

00:13:28,190 --> 00:13:26,519

still alive typically the inventor

352

00:13:34,210 --> 00:13:28,200

something dies and I don't want to agree

353

00:13:39,230 --> 00:13:37,550

cut me off multiple times you should go

354

00:13:41,150 --> 00:13:39,240

review this video

355

00:13:43,730 --> 00:13:41,160

I'm gonna review it I'm gonna edit it

356

00:13:46,550 --> 00:13:43,740

yeah all right so when you want to have

357

00:13:48,170 --> 00:13:46,560

a conversation let's do that and I'll be

358

00:13:49,310 --> 00:13:48,180

we can do that and if you want to talk

359

00:13:51,110 --> 00:13:49,320

about email we'll go through the whole

360

00:13:53,870 --> 00:13:51,120

thing if you want to talk stuff like

361

00:13:55,490 --> 00:13:53,880

this you say with your with your systems

362

00:13:57,110 --> 00:13:55,500

theory which again I'm

363

00:13:58,190 --> 00:13:57,120

I think I'm smart enough to know you

364

00:14:01,250 --> 00:13:58,200

know where you don't even know who I am

365

00:14:04,250 --> 00:14:01,260

a bit about system you say only 10 to 50

366

00:14:10,150 --> 00:14:04,260

people in the whole world no I said 10

367

00:14:15,470 --> 00:14:12,590

we'll see I'll play the clip I don't

368

00:14:20,329 --> 00:14:15,480

think I got it down I our movement is as

369

00:14:25,610 --> 00:14:23,090

okay he dropped the the other one that I

370

00:14:28,970 --> 00:14:25,620

got that I really like is oh the lawsuit

371

00:14:31,190 --> 00:14:28,980

of the century so he's gone you know I

372

00:14:34,490 --> 00:14:31,200

didn't know if I wanted to go with the

373

00:14:36,889 --> 00:14:34,500

email thing right from the beginning

374

00:14:40,069 --> 00:14:36,899

but I think right now I want to get this

375

00:14:42,290 --> 00:14:40,079

raw it was the right move because we

376

00:14:45,170 --> 00:14:42,300

could have spent an hour on all this

377

00:14:47,689 --> 00:14:45,180

that I like and respect the guy

378

00:14:48,470 --> 00:14:47,699

about but this really got to the core of

379

00:14:50,569 --> 00:14:48,480

it

380

00:14:52,670 --> 00:14:50,579

and man the other thing is you never

381

00:14:55,069 --> 00:14:52,680

drop from interviews like this I don't

382

00:14:57,110 --> 00:14:55,079

think I think you just I don't think you

383

00:14:58,910 --> 00:14:57,120

look good but

384

00:15:00,290 --> 00:14:58,920

he did the only thing the only thing I'm

385

00:15:02,030 --> 00:15:00,300

going to add to this is I'm going to add

386

00:15:06,110 --> 00:15:02,040

a couple of those a couple of those

387

00:15:08,150 --> 00:15:06,120

clips that I got just because

388

00:15:09,650 --> 00:15:08,160

he says I got a factual layer let's see

389

00:15:12,889 --> 00:15:09,660

if I did or not

390

00:15:17,870 --> 00:15:12,899

these are from Dr Shiva truth Freedom

391

00:15:20,509 --> 00:15:17,880

Health podcast episode 1166 that Shane

392

00:15:22,550 --> 00:15:20,519

who is a listener of skeptica who helped

393

00:15:24,350 --> 00:15:22,560

me set up this interview really the one

394

00:15:27,050 --> 00:15:24,360

driving me to do this interview I have

395

00:15:29,509 --> 00:15:27,060

to say I got halfway into kind of

396

00:15:32,030 --> 00:15:29,519

looking at Shiva and I was thinking of

397

00:15:33,769 --> 00:15:32,040

not doing the interview but I made this

398

00:15:35,689 --> 00:15:33,779

commitment that this is our journey

399

00:15:37,610 --> 00:15:35,699

shared and I love when people get

400

00:15:41,090 --> 00:15:37,620

involved in the show and help book

401
00:15:42,769 --> 00:15:41,100
guests and help research the guests so I

402
00:15:44,930 --> 00:15:42,779
really wanted to follow through at this

403
00:15:47,269 --> 00:15:44,940
and I'm glad that I did anyways here

404
00:15:48,530 --> 00:15:47,279
here are a couple of those clips these

405
00:15:51,590 --> 00:15:48,540
Concepts

406
00:15:53,150 --> 00:15:51,600
will lead you your own Consciousness

407
00:15:54,769 --> 00:15:53,160
raising no different than those people

408
00:15:57,350 --> 00:15:54,779
starting to learn how to plow oh wait a

409
00:15:58,670 --> 00:15:57,360
minute let me make a plow and let me let

410
00:16:01,310 --> 00:15:58,680
me domesticate animals you see the

411
00:16:04,790 --> 00:16:01,320
Innovation we're in a world now the

412
00:16:06,650 --> 00:16:04,800
innovation has to come from within you

413
00:16:08,329 --> 00:16:06,660

and that is why truth Freedom health is

414

00:16:11,030 --> 00:16:08,339

such a profound movement

415

00:16:14,030 --> 00:16:11,040

because we have figured this out

416

00:16:16,370 --> 00:16:14,040

not only we figured it out but we have

417

00:16:18,710 --> 00:16:16,380

it's not in some Ivory Tower by the way

418

00:16:20,030 --> 00:16:18,720

what I just shared this Concepts ten

419

00:16:23,269 --> 00:16:20,040

thousand people know system science food

420

00:16:26,569 --> 00:16:23,279

I just shared with you maybe 15

421

00:16:28,310 --> 00:16:26,579

to 50 people in the world know this

422

00:16:31,129 --> 00:16:28,320

I guess that's the first song Let me see

423

00:16:33,410 --> 00:16:31,139

if I could find this what is it our

424

00:16:34,850 --> 00:16:33,420

movement is as profound as the

425

00:16:37,129 --> 00:16:34,860

inventional fire

426
00:16:39,290 --> 00:16:37,139
hold on

427
00:16:40,610 --> 00:16:39,300
you have to raise your Consciousness to

428
00:16:42,949 --> 00:16:40,620
understand this

429
00:16:45,069 --> 00:16:42,959
we have to build community and we have

430
00:16:48,470 --> 00:16:45,079
to constantly be calling this stuff out

431
00:16:50,949 --> 00:16:48,480
way ahead of time way ahead and that's

432
00:16:53,930 --> 00:16:50,959
what we do and that is why our movement

433
00:16:57,230 --> 00:16:53,940
our movement everything we put together

434
00:16:59,569 --> 00:16:57,240
is as profound as a discovery of fire

435
00:17:02,629 --> 00:16:59,579
okay enough I didn't really want it to

436
00:17:04,610 --> 00:17:02,639
turn into a hate Fest but because I

437
00:17:07,970 --> 00:17:04,620
should have saw it coming doctor she's

438
00:17:10,370 --> 00:17:07,980

not you're welcome back anytime I stick

439

00:17:12,409 --> 00:17:10,380

to what I said at the beginning you are

440

00:17:16,069 --> 00:17:12,419

truly a brilliant guy in a lot of ways

441

00:17:18,169 --> 00:17:16,079

and we're all complex we all say all

442

00:17:20,210 --> 00:17:18,179

sorts of different stuff

443

00:17:23,230 --> 00:17:20,220

so hey
