sing

, you

1
00:00:04,789 --> 00:00:02,570

I think one thing that people have lost

2
00:00:08,210 --> 00:00:04,799

sight of in this whole discussion of

3
00:00:10,790 --> 00:00:08,220

Zero Point Energy is that if you produce

4
00:00:14,150 --> 00:00:10,800

a controlled singularity

5
00:00:16,790 --> 00:00:14,160

you're not just achieving extraordinary

6
00:00:19,130 --> 00:00:16,800

propulsion system you're manipulating
