

ANOMALOUS TRAUMA

593 EVE LORGEN

SK=PTIKO

science & spirituality

Handwritten text in Hebrew: "אנונימיות" (Anonymity), "פאנל" (Panel), "תוכנית" (Program).

Handwritten text in Hebrew: "אליהו" (Elihu), "פאנל" (Panel).

Handwritten text in Hebrew: "אנונימיות" (Anonymity).

1
00:00:05,990 --> 00:00:03,590
and this episode is skeptical

2
00:00:08,450 --> 00:00:06,000
show about what happens when you really

3
00:00:11,930 --> 00:00:08,460
ask for answers

4
00:00:18,170 --> 00:00:13,669
bring it

5
00:00:24,950 --> 00:00:22,910
I need it now not later no

6
00:00:27,290 --> 00:00:24,960
and a show about how you sometimes get

7
00:00:29,870 --> 00:00:27,300
those answers in places you wouldn't

8
00:00:31,669 --> 00:00:29,880
normally expect

9
00:00:33,650 --> 00:00:31,679
because there's there's people now who

10
00:00:35,090 --> 00:00:33,660
are claiming that it's a it's a false

11
00:00:36,650 --> 00:00:35,100
thing and don't go in the white light

12
00:00:38,930 --> 00:00:36,660
and you're gonna get trapped the

13
00:00:41,510 --> 00:00:38,940

interesting thing to me is that I have

14

00:00:43,610 --> 00:00:41,520

no doubt that the basic premise of what

15

00:00:45,889 --> 00:00:43,620

you're saying is true is that there are

16

00:00:48,830 --> 00:00:45,899

some non-human intelligence with

17

00:00:52,010 --> 00:00:48,840

advanced technology that can

18

00:00:55,310 --> 00:00:52,020

Implement means of deception in a way

19

00:00:57,650 --> 00:00:55,320

that he interferes with or has the

20

00:00:59,810 --> 00:00:57,660

appearance of interfering with

21

00:01:01,790 --> 00:00:59,820

what people would understand to be a

22

00:01:04,310 --> 00:01:01,800

near-death experience or reincarnation

23

00:01:06,230 --> 00:01:04,320

experience they're faking it I I think

24

00:01:08,810 --> 00:01:06,240

they're faking it that is my ultimate

25

00:01:10,910 --> 00:01:08,820

conclusion but that is an important

26

00:01:12,789 --> 00:01:10,920

shift that no one in the nde community

27

00:01:16,429 --> 00:01:12,799

is really looking at

28

00:01:19,070 --> 00:01:16,439

wow I don't know all I know is what I

29

00:01:21,710 --> 00:01:19,080

experience is a realization that went

30

00:01:23,690 --> 00:01:21,720

beyond my normal consciousness of what's

31

00:01:26,630 --> 00:01:23,700

in the personality of this Identity or

32

00:01:28,789 --> 00:01:26,640

any other lifetime it's it's in Eternal

33

00:01:30,890 --> 00:01:28,799

now beingness that is so deep that it's

34

00:01:32,570 --> 00:01:30,900

beyond question of

35

00:01:34,310 --> 00:01:32,580

it's it's a dreaming

36

00:01:37,190 --> 00:01:34,320

that's how that's how I understand it

37

00:01:40,310 --> 00:01:37,200

but this is a this is a dreaming this

38

00:01:43,910 --> 00:01:40,320

here now reality is the dreaming yeah

39

00:01:44,870 --> 00:01:43,920

yeah probably everything you know but

40

00:01:46,789 --> 00:01:44,880

yeah

41

00:01:49,149 --> 00:01:46,799

I don't consider myself enlightened I

42

00:01:52,130 --> 00:01:49,159

still have a long way to go

43

00:01:55,090 --> 00:01:52,140

that is the closest to making sense to

44

00:01:58,690 --> 00:01:55,100

me it's a co-created dreaming reality

45

00:02:01,730 --> 00:01:58,700

for the purpose of our own personal

46

00:02:03,889 --> 00:02:01,740

growth of our soul in some way I mean

47

00:02:06,469 --> 00:02:03,899

that's the only way I can

48

00:02:09,350 --> 00:02:06,479

wrap my arms around it in a way that

49

00:02:13,490 --> 00:02:09,360

both feels supported by

50

00:02:18,229 --> 00:02:13,500

a total opening to the data and uh kind

51
00:02:20,330 --> 00:02:18,239
of my personal intuitive sense of it

52
00:02:22,490 --> 00:02:20,340
that first clip was from the movie The

53
00:02:24,830 --> 00:02:22,500
Gray it's a great scene and the second

54
00:02:29,030 --> 00:02:24,840
was from today's guest

55
00:02:30,290 --> 00:02:29,040
Eve Iorgan who I was reluctant to in

56
00:02:32,750 --> 00:02:30,300
this interview you'll see that I keep

57
00:02:34,550 --> 00:02:32,760
trying to pull back pull back because I

58
00:02:37,610 --> 00:02:34,560
didn't want to hit you with the whole my

59
00:02:39,290 --> 00:02:37,620
lab abduction stuff underground basis

60
00:02:43,369 --> 00:02:39,300
stuff because so many people think it's

61
00:02:45,229 --> 00:02:43,379
crazy I would of course suggest that the

62
00:02:47,210 --> 00:02:45,239
natural flow of following the data here

63
00:02:49,130 --> 00:02:47,220

is just kind of plainly leads in that

64

00:02:51,650 --> 00:02:49,140

directions I mean we live in a

65

00:02:54,710 --> 00:02:51,660

post-disclosure world where these things

66

00:02:56,869 --> 00:02:54,720

flying around are acknowledged and we

67

00:02:59,330 --> 00:02:56,879

can only assume that there is some form

68

00:03:01,369 --> 00:02:59,340

of non-human intelligence that is

69

00:03:04,309 --> 00:03:01,379

piloting those crafts that's the most

70

00:03:07,610 --> 00:03:04,319

parsimonious conclusion the part that

71

00:03:09,770 --> 00:03:07,620

throws people is that evidence dovetails

72

00:03:12,530 --> 00:03:09,780

directly with the idea that that

73

00:03:15,410 --> 00:03:12,540

non-human intelligence in some form is

74

00:03:18,170 --> 00:03:15,420

interfering with interacting with people

75

00:03:20,390 --> 00:03:18,180

here on our planet so given that all

76

00:03:22,970 --> 00:03:20,400

that is is not that hard for people to

77

00:03:25,309 --> 00:03:22,980

get to it's kind of surprising that

78

00:03:27,470 --> 00:03:25,319

people really pull up on the mylab thing

79

00:03:29,690 --> 00:03:27,480

because if you look at it from its

80

00:03:31,850 --> 00:03:29,700

simplest perspective and you've got to

81

00:03:35,210 --> 00:03:31,860

credit Melinda Leslie who will come up

82

00:03:38,089 --> 00:03:35,220

now or in future episodes as being one

83

00:03:40,190 --> 00:03:38,099

of the important voices in this if you

84

00:03:42,589 --> 00:03:40,200

take the mylab thing from the simplest

85

00:03:43,970 --> 00:03:42,599

form of hey there's non-human

86

00:03:46,670 --> 00:03:43,980

intelligence that seemed to be

87

00:03:49,250 --> 00:03:46,680

interacting with the humans down here

88

00:03:51,050 --> 00:03:49,260

well that's an intelligence issue of

89

00:03:53,750 --> 00:03:51,060

course that's an intelligence issue of

90

00:03:55,610 --> 00:03:53,760

course we need to know we need to know

91

00:03:57,890 --> 00:03:55,620

what was the interaction like what was

92

00:03:59,390 --> 00:03:57,900

their technology like what did they let

93

00:04:01,490 --> 00:03:59,400

you fly the ship which a lot of people

94

00:04:03,649 --> 00:04:01,500

say now what do they know what do they

95

00:04:06,830 --> 00:04:03,659

want those are intelligence questions

96

00:04:09,770 --> 00:04:06,840

those are questions we would expect our

97

00:04:11,570 --> 00:04:09,780

intelligence agencies to be asking so of

98

00:04:15,170 --> 00:04:11,580

course they're asking those it's just

99

00:04:17,330 --> 00:04:15,180

really hard to swallow my lab that's why

100

00:04:20,569 --> 00:04:17,340

I kept pulling back in this interview

101

00:04:24,050 --> 00:04:20,579

and if you go if you go read Evie's

102

00:04:27,230 --> 00:04:24,060

stuff it goes ooh two or three steps

103

00:04:31,010 --> 00:04:27,240

beyond that but I'm down with it I'm

104

00:04:35,150 --> 00:04:31,020

down with some form of all of it in a

105

00:04:37,249 --> 00:04:35,160

skeptico kind of way hope you enjoy it

106

00:04:39,409 --> 00:04:37,259

welcome to skeptico where we explore

107

00:04:42,950 --> 00:04:39,419

controversial science and spirituality

108

00:04:45,590 --> 00:04:42,960

today we welcome Eve Logan to skeptico

109

00:04:47,930 --> 00:04:45,600

Eve has a master's degree in counseling

110

00:04:50,450 --> 00:04:47,940

and psychology and is a trained

111

00:04:53,870 --> 00:04:50,460

hypnotherapist she's the author of two

112

00:04:57,469 --> 00:04:53,880

books The Dark Side of cupid and the

113

00:05:00,650 --> 00:04:57,479

love bite she's an expert both as a

114

00:05:03,170 --> 00:05:00,660

researcher and a therapist in anomalous

115

00:05:05,990 --> 00:05:03,180

trauma particularly as it relates to

116

00:05:07,730 --> 00:05:06,000

relationships Eve welcome to skeptico

117

00:05:09,830 --> 00:05:07,740

thanks so much for joining me

118

00:05:12,290 --> 00:05:09,840

thank you it's a pleasure to be on your

119

00:05:13,730 --> 00:05:12,300

show today and we'll just go with where

120

00:05:16,430 --> 00:05:13,740

you'd like to take it because I know

121

00:05:18,409 --> 00:05:16,440

you've had some fantastic guests that I

122

00:05:20,390 --> 00:05:18,419

actually have known in my life when you

123

00:05:23,870 --> 00:05:20,400

when you showed me the list so I thought

124

00:05:25,850 --> 00:05:23,880

oh boy I better be my best self today

125

00:05:27,890 --> 00:05:25,860

well good you know I'm glad you're

126
00:05:29,810 --> 00:05:27,900
you're bringing your game because I'm I

127
00:05:32,749 --> 00:05:29,820
am too you know we've had a really good

128
00:05:34,670 --> 00:05:32,759
exchange I really appreciate how much

129
00:05:37,430 --> 00:05:34,680
you've shared with me and you've kind of

130
00:05:39,770 --> 00:05:37,440
pointed me in different directions as

131
00:05:42,290 --> 00:05:39,780
from the way I originally contacted you

132
00:05:44,810 --> 00:05:42,300
and it's been great and I've listened to

133
00:05:48,170 --> 00:05:44,820
a lot of your interviews I did read both

134
00:05:49,550 --> 00:05:48,180
your books not thoroughly especially on

135
00:05:52,490 --> 00:05:49,560
the love bite wasn't able to get through

136
00:05:54,290 --> 00:05:52,500
with that all the way but I you know I'm

137
00:05:56,930 --> 00:05:54,300
I feel like I have a pretty good

138
00:06:00,710 --> 00:05:56,940

grounding and all that and you know so

139

00:06:02,090 --> 00:06:00,720

what I want to do is I wanted to

140

00:06:04,730 --> 00:06:02,100

well

141

00:06:08,810 --> 00:06:04,740

I I'm torn on how to approach this

142

00:06:10,490 --> 00:06:08,820

because you are super bright you do such

143

00:06:12,350 --> 00:06:10,500

a great job you're such a good presenter

144

00:06:15,290 --> 00:06:12,360

and people who listen to your other

145

00:06:17,629 --> 00:06:15,300

interviews uh you know you're highly

146

00:06:22,070 --> 00:06:17,639

intelligent you're well trained and then

147

00:06:24,890 --> 00:06:22,080

you're in this very fringy fringy out

148

00:06:27,050 --> 00:06:24,900

there kind of thing which

149

00:06:29,749 --> 00:06:27,060

even for people who are fringy it's

150

00:06:31,909 --> 00:06:29,759

fringy and you are not fringy you know

151
00:06:34,550 --> 00:06:31,919
what I mean you come across as very so

152
00:06:37,670 --> 00:06:34,560
that's a good thing oh yeah

153
00:06:41,029 --> 00:06:37,680
so what I kind of wanted to do though is

154
00:06:44,029 --> 00:06:41,039
I wanted to creep up on some of this

155
00:06:47,689 --> 00:06:44,039
stuff a little bit with you

156
00:06:50,510 --> 00:06:47,699
in a way that maybe won't totally freak

157
00:06:52,790 --> 00:06:50,520
people out right from the beginning and

158
00:06:55,969 --> 00:06:52,800
will give us a way to maybe

159
00:07:00,110 --> 00:06:55,979
even if we get fringy to kind of point

160
00:07:02,450 --> 00:07:00,120
out how wacky the non-fringy explanation

161
00:07:04,909 --> 00:07:02,460
for this stuff is because I think

162
00:07:08,210 --> 00:07:04,919
there's really a point to be made there

163
00:07:12,110 --> 00:07:08,220

so you know one of the ways I thought

164

00:07:14,210 --> 00:07:12,120

about it is if you were going to the

165

00:07:16,309 --> 00:07:14,220

American Psychological Association and

166

00:07:21,170 --> 00:07:16,319

we're asked to come and do a

167

00:07:23,510 --> 00:07:21,180

presentation just on anomalous trauma as

168

00:07:25,189 --> 00:07:23,520

it relates to relationships you know

169

00:07:28,129 --> 00:07:25,199

just if you were going to kind of

170

00:07:30,589 --> 00:07:28,139

sanitize it down to that level

171

00:07:31,670 --> 00:07:30,599

what would you talk about and because I

172

00:07:33,589 --> 00:07:31,680

think it just comes right out of your

173

00:07:36,110 --> 00:07:33,599

book does that make sense no actually

174

00:07:38,689 --> 00:07:36,120

I'm glad you asked that question because

175

00:07:40,850 --> 00:07:38,699

so much more has come to light in the

176

00:07:43,670 --> 00:07:40,860

counseling circles especially

177

00:07:45,170 --> 00:07:43,680

relationship counseling with respect to

178

00:07:48,230 --> 00:07:45,180

what they used to call in the old days

179

00:07:50,270 --> 00:07:48,240

was like codependency and addictions and

180

00:07:53,450 --> 00:07:50,280

family systems of Alcoholics and

181

00:07:55,909 --> 00:07:53,460

co-alcoholics and abusers and in the old

182

00:07:58,129 --> 00:07:55,919

days I mean I got my masters in 92 so

183

00:08:00,469 --> 00:07:58,139

that was quite a while ago that even

184

00:08:03,529 --> 00:08:00,479

then it was a popular term that they

185

00:08:05,870 --> 00:08:03,539

threw around codependency but I had no

186

00:08:08,450 --> 00:08:05,880

idea the depth of what it really means

187

00:08:13,070 --> 00:08:08,460

with respect to what now they're calling

188

00:08:16,550 --> 00:08:13,080

complex trauma or complex PTSD and how

189

00:08:17,450 --> 00:08:16,560

that manifests in relationship styles of

190

00:08:19,909 --> 00:08:17,460

relating

191

00:08:22,189 --> 00:08:19,919

that have to do a lot with not only

192

00:08:25,909 --> 00:08:22,199

certain personality disorders which is

193

00:08:28,790 --> 00:08:25,919

kind of a psychobabble term but how our

194

00:08:31,490 --> 00:08:28,800

early attachment Styles when we're you

195

00:08:34,969 --> 00:08:31,500

know young babies and children affect

196

00:08:37,909 --> 00:08:34,979

how we relate later in life so I think

197

00:08:40,070 --> 00:08:37,919

our vulnerability to having let's say

198

00:08:42,949 --> 00:08:40,080

dysfunctional relationships that don't

199

00:08:45,829 --> 00:08:42,959

work that have a lot of bizarre and

200

00:08:48,829 --> 00:08:45,839

conflicting characteristics could be

201
00:08:51,710 --> 00:08:48,839
because of unrecovered complex trauma

202
00:08:54,530 --> 00:08:51,720
that we really didn't get to the root of

203
00:08:56,630 --> 00:08:54,540
let's say people now call it Shadow work

204
00:08:59,150 --> 00:08:56,640
well we got to do our inner child Shadow

205
00:09:01,550 --> 00:08:59,160
work and work out those traumas you had

206
00:09:03,050 --> 00:09:01,560
when you were a kid and old marriage

207
00:09:05,090 --> 00:09:03,060
woes or whatever

208
00:09:07,850 --> 00:09:05,100
but it's actually much more difficult

209
00:09:11,150 --> 00:09:07,860
than one would think because with

210
00:09:13,850 --> 00:09:11,160
complex trauma it means that it is

211
00:09:17,210 --> 00:09:13,860
something that usually starts from birth

212
00:09:19,910 --> 00:09:17,220
till you know teenage hood or whatever

213
00:09:22,009 --> 00:09:19,920

so that means your brain has developed a

214

00:09:24,769 --> 00:09:22,019

certain style of relating with the

215

00:09:27,470 --> 00:09:24,779

nervous system that affects how you

216

00:09:29,690 --> 00:09:27,480

respond to you know what you think are

217

00:09:32,329 --> 00:09:29,700

threats or triggers

218

00:09:36,530 --> 00:09:32,339

so long story short I think a lot of the

219

00:09:37,730 --> 00:09:36,540

codependency issues are the narcissistic

220

00:09:40,610 --> 00:09:37,740

abuse like everything's all about

221

00:09:43,730 --> 00:09:40,620

narcissists and narcissistic abuse and

222

00:09:45,769 --> 00:09:43,740

that is has some Merit in terms of what

223

00:09:48,350 --> 00:09:45,779

people notice in relationships and

224

00:09:51,829 --> 00:09:48,360

especially people who've been abused in

225

00:09:54,650 --> 00:09:51,839

narcissistic abuse relationships so what

226

00:09:57,410 --> 00:09:54,660

I found is that with my work that I came

227

00:09:59,389 --> 00:09:57,420

from another angle I came from wanting

228

00:10:01,090 --> 00:09:59,399

to study what was happening with people

229

00:10:04,190 --> 00:10:01,100

who claim to have

230

00:10:07,310 --> 00:10:04,200

multiple alien visitation abduction

231

00:10:09,650 --> 00:10:07,320

experiences in their family lines and

232

00:10:11,870 --> 00:10:09,660

then relationships that they had in

233

00:10:14,870 --> 00:10:11,880

their families as well as with their

234

00:10:17,930 --> 00:10:14,880

romantic and Marriage Partners or those

235

00:10:19,670 --> 00:10:17,940

that seem to be set up by these beings

236

00:10:21,230 --> 00:10:19,680

that were interacting with them on these

237

00:10:24,290 --> 00:10:21,240

other levels

238

00:10:26,389 --> 00:10:24,300

if I can interject like I'm gonna pull

239

00:10:28,370 --> 00:10:26,399

the reins a little bit on the alien

240

00:10:29,449 --> 00:10:28,380

contact not because I mean I go there

241

00:10:31,910 --> 00:10:29,459

all the time and as a matter of fact

242

00:10:36,290 --> 00:10:31,920

that's how I I came to your doorstep is

243

00:10:37,850 --> 00:10:36,300

by interviewing people from my area of

244

00:10:39,829 --> 00:10:37,860

research like near-death experience

245

00:10:42,350 --> 00:10:39,839

research near-death experience science

246

00:10:44,930 --> 00:10:42,360

and some of those people are saying hey

247

00:10:47,210 --> 00:10:44,940

there's some kind of ET non non-human

248

00:10:49,790 --> 00:10:47,220

intelligence interference here thing so

249

00:10:51,769 --> 00:10:49,800

I'm with you on that I'm not like afraid

250

00:10:53,750 --> 00:10:51,779

to go there but what I want to draw

251

00:10:55,370 --> 00:10:53,760

people's attention to and I wanted to

252

00:10:58,250 --> 00:10:55,380

draw you out on this because you do it

253

00:11:02,210 --> 00:10:58,260

in in the book The Dark Side of cupid I

254

00:11:04,430 --> 00:11:02,220

think in a really cool and very grounded

255

00:11:07,850 --> 00:11:04,440

way at the beginning and that's this

256

00:11:10,009 --> 00:11:07,860

thing of anomalous trauma and anomalous

257

00:11:13,430 --> 00:11:10,019

experiences so I've had these kind of

258

00:11:15,590 --> 00:11:13,440

conversations with people who go to the

259

00:11:18,230 --> 00:11:15,600

American Psychological Association and

260

00:11:20,030 --> 00:11:18,240

they're kind of struggling with hey I'm

261

00:11:22,550 --> 00:11:20,040

trying to get these guys to talk about

262

00:11:25,490 --> 00:11:22,560

like spiritually transformative

263

00:11:28,009 --> 00:11:25,500

experiences which all these people are

264

00:11:30,050 --> 00:11:28,019

having we can't deny but psychology

265

00:11:32,269 --> 00:11:30,060

wants to pretend well no that doesn't

266

00:11:34,370 --> 00:11:32,279

really let's look the other way and then

267

00:11:36,470 --> 00:11:34,380

when you get into near-death experiences

268

00:11:39,130 --> 00:11:36,480

or you get into premonitions

269

00:11:42,290 --> 00:11:39,140

precognition all this stuff

270

00:11:45,350 --> 00:11:42,300

psychology is reluctantly over the last

271

00:11:48,769 --> 00:11:45,360

20 years had to say well I can't

272

00:11:50,509 --> 00:11:48,779

completely look away from that and then

273

00:11:52,490 --> 00:11:50,519

what you're bringing to the table which

274

00:11:54,170 --> 00:11:52,500

I thought was just fascinating and I

275

00:11:57,110 --> 00:11:54,180

hadn't thought about before but I can

276

00:11:59,870 --> 00:11:57,120

see you at the APA giving this

277

00:12:04,130 --> 00:11:59,880

presentation and saying what do you do

278

00:12:06,350 --> 00:12:04,140

with the relationship when the start of

279

00:12:09,230 --> 00:12:06,360

the relationship comes with

280

00:12:12,350 --> 00:12:09,240

I could telepathically hear what he was

281

00:12:14,090 --> 00:12:12,360

saying I had a premonition I had a dream

282

00:12:16,910 --> 00:12:14,100

that he was going to show up that she

283

00:12:19,310 --> 00:12:16,920

was going to show up we all have this I

284

00:12:22,430 --> 00:12:19,320

I remember when I the first time I saw

285

00:12:24,829 --> 00:12:22,440

my wife over 30 years ago

286

00:12:26,449 --> 00:12:24,839

I there was something about it there's

287

00:12:29,449 --> 00:12:26,459

something about the first time I laid

288

00:12:31,730 --> 00:12:29,459

eyes on her and I I don't know but I

289

00:12:33,889 --> 00:12:31,740

think this is common to so many people

290

00:12:36,130 --> 00:12:33,899

when they talk about this there is an

291

00:12:38,870 --> 00:12:36,140

anomalous aspect a lot of times

292

00:12:41,170 --> 00:12:38,880

associated with relationships sometimes

293

00:12:44,329 --> 00:12:41,180

it's good sometimes it's not good but

294

00:12:46,850 --> 00:12:44,339

this has not really been even touched on

295

00:12:48,290 --> 00:12:46,860

from a psychological standpoint and and

296

00:12:50,810 --> 00:12:48,300

you are going there in a number of

297

00:12:53,629 --> 00:12:50,820

respects in this book beyond their or I

298

00:12:55,970 --> 00:12:53,639

say as a precursor or a part of the oh

299

00:12:58,970 --> 00:12:55,980

the ET thing that we'll get into

300

00:13:02,150 --> 00:12:58,980

yeah I think I mean a lot of it is that

301
00:13:04,670 --> 00:13:02,160
we actually as many humans we don't have

302
00:13:07,670 --> 00:13:04,680
just five senses we have much more

303
00:13:09,530 --> 00:13:07,680
and there's many people who have more

304
00:13:12,410 --> 00:13:09,540
heightened perception in different ways

305
00:13:14,690 --> 00:13:12,420
so they could pre-cog for example before

306
00:13:16,910 --> 00:13:14,700
something happens or being able to

307
00:13:19,610 --> 00:13:16,920
intuitively communicate with someone

308
00:13:21,889 --> 00:13:19,620
sometimes telepathically or sometimes

309
00:13:23,810 --> 00:13:21,899
just sentiently knowing what they're

310
00:13:26,329 --> 00:13:23,820
feeling and knowing when you're going to

311
00:13:28,190 --> 00:13:26,339
see them next so I've met many people

312
00:13:32,090 --> 00:13:28,200
who have those abilities that are

313
00:13:33,829 --> 00:13:32,100

natural and so when they explain having

314

00:13:36,530 --> 00:13:33,839

something that they think is uh

315

00:13:38,329 --> 00:13:36,540

orchestrated by an entity it's often

316

00:13:41,269 --> 00:13:38,339

because they have a perception that's

317

00:13:43,610 --> 00:13:41,279

above and beyond the norm or the

318

00:13:45,889 --> 00:13:43,620

relationship is definitely beyond the

319

00:13:48,470 --> 00:13:45,899

norm of even let's say you know a

320

00:13:51,230 --> 00:13:48,480

bizarre something bizarre with a

321

00:13:53,150 --> 00:13:51,240

narcissist for example so there was

322

00:13:55,430 --> 00:13:53,160

enough witness testimonies in my work

323

00:13:58,610 --> 00:13:55,440

that indicated there's much more going

324

00:14:00,769 --> 00:13:58,620

on that we didn't even think was in our

325

00:14:03,470 --> 00:14:00,779

reality and we need to take a look at it

326

00:14:06,110 --> 00:14:03,480

so that we can really regain our own

327

00:14:09,410 --> 00:14:06,120

sense of power and control in our lives

328

00:14:11,030 --> 00:14:09,420

and learn how to mitigate the negative

329

00:14:12,290 --> 00:14:11,040

effects of that so we don't fall

330

00:14:14,949 --> 00:14:12,300

vulnerable

331

00:14:17,509 --> 00:14:14,959

so a lot of my work was really how to

332

00:14:20,030 --> 00:14:17,519

strengthen ourselves so that we are not

333

00:14:21,769 --> 00:14:20,040

vulnerable to these influences and that

334

00:14:25,310 --> 00:14:21,779

know when they're happening or before

335

00:14:27,170 --> 00:14:25,320

they happen and know what to do so that

336

00:14:28,610 --> 00:14:27,180

it doesn't become a problem and it

337

00:14:31,069 --> 00:14:28,620

doesn't really hit you over the head

338

00:14:32,569 --> 00:14:31,079

like a horrible love Obsession for years

339

00:14:34,129 --> 00:14:32,579

and years and years and you know

340

00:14:36,230 --> 00:14:34,139

believing it's your twin flame and then

341

00:14:40,310 --> 00:14:36,240

have all these strange things happen

342

00:14:42,590 --> 00:14:40,320

so I run across that and um I know that

343

00:14:44,870 --> 00:14:42,600

there are paranormal influences that are

344

00:14:47,090 --> 00:14:44,880

beyond the norm that do happen and that

345

00:14:49,970 --> 00:14:47,100

they've even photographed things and so

346

00:14:53,210 --> 00:14:49,980

we know they happen it's just for the

347

00:14:56,090 --> 00:14:53,220

standard five senses person who believes

348

00:14:59,389 --> 00:14:56,100

in only the I don't know the Western

349

00:15:01,850 --> 00:14:59,399

scientific model or even the these

350

00:15:04,910 --> 00:15:01,860

psychological model of what they think

351

00:15:07,430 --> 00:15:04,920

is the psych or what they think is a

352

00:15:10,250 --> 00:15:07,440

human is limited to what we're really

353

00:15:13,069 --> 00:15:10,260

experiencing now and I think that

354

00:15:16,550 --> 00:15:13,079

limitation of what we think science is

355

00:15:19,670 --> 00:15:16,560

or humans are keeps us as a race more

356

00:15:21,949 --> 00:15:19,680

powerless than we have to be and that we

357

00:15:25,189 --> 00:15:21,959

could actually overcome much more and be

358

00:15:27,410 --> 00:15:25,199

much more if we start going Beyond those

359

00:15:30,350 --> 00:15:27,420

five senses and start exploring more

360

00:15:33,829 --> 00:15:30,360

deeply who we are and this kind of gets

361

00:15:36,530 --> 00:15:33,839

into the the question that one of my

362

00:15:38,870 --> 00:15:36,540

colleagues Dr corado Malanga of Italy

363

00:15:41,449 --> 00:15:38,880

who is actually a PhD in organic

364

00:15:44,090 --> 00:15:41,459

chemistry he's a professor and he did

365

00:15:46,250 --> 00:15:44,100

research with alien abductions in Italy

366

00:15:48,650 --> 00:15:46,260

along with the UFO phenomena and how

367

00:15:50,930 --> 00:15:48,660

that kind of connected and really you

368

00:15:53,389 --> 00:15:50,940

know his bottom line was we have to know

369

00:15:55,910 --> 00:15:53,399

who we are as humans in order to fully

370

00:15:58,430 --> 00:15:55,920

understand what these other beings are

371

00:16:00,350 --> 00:15:58,440

and what they're really doing and once

372

00:16:03,050 --> 00:16:00,360

we know who we are we could really

373

00:16:06,050 --> 00:16:03,060

connect more deeply with that which is

374

00:16:09,110 --> 00:16:06,060

really our eternal spirit then we have

375

00:16:11,689 --> 00:16:09,120

much more understanding and Power in our

376

00:16:13,670 --> 00:16:11,699

lives to really live the way we want to

377

00:16:16,550 --> 00:16:13,680

live and not have to worry about having

378

00:16:19,189 --> 00:16:16,560

these bizarre things happen to us

379

00:16:21,769 --> 00:16:19,199

Okay so

380

00:16:23,930 --> 00:16:21,779

this is going to be an interesting kind

381

00:16:26,689 --> 00:16:23,940

of uh tug of war but it's a true

382

00:16:29,509 --> 00:16:26,699

dialogue and I I really love the fact

383

00:16:31,850 --> 00:16:29,519

that it's so deep your work is so deep

384

00:16:34,430 --> 00:16:31,860

and the other thing I should say is that

385

00:16:37,329 --> 00:16:34,440

you were coming at this from a people

386

00:16:40,790 --> 00:16:37,339

helper perspective that's what you do

387

00:16:44,269 --> 00:16:40,800

and as your book's evidence there are a

388

00:16:46,069 --> 00:16:44,279

lot of people that are suffering greatly

389

00:16:49,189 --> 00:16:46,079

they're unable to get on with their

390

00:16:52,249 --> 00:16:49,199

lives in so many ways due to anomalous

391

00:16:54,050 --> 00:16:52,259

trauma and you know like because the

392

00:16:55,730 --> 00:16:54,060

reason I kind of pull up and kind of

393

00:16:57,889 --> 00:16:55,740

jump all over the place is like every

394

00:17:00,350 --> 00:16:57,899

word we would have to parse when we say

395

00:17:02,810 --> 00:17:00,360

these entities now we're implying

396

00:17:05,270 --> 00:17:02,820

non-human intelligence are we also

397

00:17:07,549 --> 00:17:05,280

talking about uh spirit beings are we

398

00:17:09,350 --> 00:17:07,559

talking about kind of satanic malevolent

399

00:17:11,030 --> 00:17:09,360

what does satanic even mean do we have

400

00:17:13,730 --> 00:17:11,040

to couch it in some kind of biblical

401

00:17:15,770 --> 00:17:13,740

perspective or does it go beyond that

402

00:17:18,049 --> 00:17:15,780

I wrote a book a few years ago why evil

403

00:17:21,110 --> 00:17:18,059

matters that's was the the point of the

404

00:17:23,150 --> 00:17:21,120

book was that we don't process evil at

405

00:17:25,549 --> 00:17:23,160

all really in our society we're either

406

00:17:27,110 --> 00:17:25,559

secular and go it doesn't exist or

407

00:17:28,730 --> 00:17:27,120

somebody's going to pull out their Bible

408

00:17:30,590 --> 00:17:28,740

and say no I'll tell you what it is it's

409

00:17:32,090 --> 00:17:30,600

right here and it's confined to this

410

00:17:33,470 --> 00:17:32,100

little book here and neither one of

411

00:17:35,930 --> 00:17:33,480

those makes sense we wound up with the

412

00:17:38,930 --> 00:17:35,940

kind of schizophrenic idea of what evil

413

00:17:41,750 --> 00:17:38,940

is so I'm down with so much what you're

414

00:17:43,430 --> 00:17:41,760

saying I agree that from a people helper

415

00:17:44,450 --> 00:17:43,440

perspective which is where you're coming

416

00:17:48,590 --> 00:17:44,460

at it

417

00:17:51,650 --> 00:17:48,600

you are obligated to go where these

418

00:17:53,390 --> 00:17:51,660

people are and enter into their world

419

00:17:55,190 --> 00:17:53,400

which is also you have your own

420

00:17:58,610 --> 00:17:55,200

experience with this and then work

421

00:18:01,250 --> 00:17:58,620

through that you know I'm not coming at

422

00:18:03,650 --> 00:18:01,260

it from this perspective right I mean I

423

00:18:05,810 --> 00:18:03,660

just spoke to you know the guy I

424

00:18:08,810 --> 00:18:05,820

interviewed just last week well a

425

00:18:10,430 --> 00:18:08,820

terrific guy he had a near-death

426

00:18:13,730 --> 00:18:10,440

experience he was dead for an hour

427

00:18:17,390 --> 00:18:13,740

Rigamortis had set in and

428

00:18:19,789 --> 00:18:17,400

the the EMT in the ambulance cuts the

429

00:18:22,430 --> 00:18:19,799

body bag open because there's this light

430

00:18:24,110 --> 00:18:22,440

that comes in and the voice shines and a

431

00:18:25,909 --> 00:18:24,120

voice talks to then you can see the

432

00:18:28,070 --> 00:18:25,919

voice this guy can't see it says this

433

00:18:30,409 --> 00:18:28,080

guy isn't dead puts the paddles on him

434

00:18:33,529 --> 00:18:30,419

Vinny is resuscitated has this

435

00:18:35,810 --> 00:18:33,539

incredible near-death experience right

436

00:18:37,250 --> 00:18:35,820

and Vinnie comes through and so what the

437

00:18:39,230 --> 00:18:37,260

whole thing with Vinnie was very

438

00:18:40,669 --> 00:18:39,240

interesting but one of the things I get

439

00:18:41,930 --> 00:18:40,679

from the near-death experience and I

440

00:18:43,250 --> 00:18:41,940

talked to I've talked to a bunch of

441

00:18:45,470 --> 00:18:43,260

people is that

442

00:18:46,909 --> 00:18:45,480

near-death experience is definitely

443

00:18:51,350 --> 00:18:46,919

evidence

444

00:18:55,010 --> 00:18:51,360

Consciousness survives bodily death

445

00:18:58,370 --> 00:18:55,020

I believe that it's evidence of a moral

446

00:19:02,029 --> 00:18:58,380

hierarchy uh God if you will

447

00:19:04,010 --> 00:19:02,039

but it's not evidence of Jesus it's but

448

00:19:06,110 --> 00:19:04,020

a lot some people come back and that's

449

00:19:10,610 --> 00:19:06,120

what they see is Jesus right that's

450

00:19:12,950 --> 00:19:10,620

their experience so my point is

451
00:19:16,150 --> 00:19:12,960
you're a people helper you have to go

452
00:19:19,250 --> 00:19:16,160
where people are I'm this kind of

453
00:19:21,890 --> 00:19:19,260
researcher inquiry to perpetuate doubt

454
00:19:23,470 --> 00:19:21,900
guy I'm looking at a lot of these cases

455
00:19:26,450 --> 00:19:23,480
and going

456
00:19:27,830 --> 00:19:26,460
you know we're probably in sync on some

457
00:19:30,230 --> 00:19:27,840
of this stuff but some of the other

458
00:19:32,630 --> 00:19:30,240
stuff it's just

459
00:19:34,310 --> 00:19:32,640
it's kind of confusing the whole

460
00:19:36,110 --> 00:19:34,320
situation and that's where I was going

461
00:19:37,909 --> 00:19:36,120
initially I'm sorry to go on and on but

462
00:19:39,529 --> 00:19:37,919
I want us to be on the same

463
00:19:41,330 --> 00:19:39,539

footing so you know where I'm coming

464

00:19:42,770 --> 00:19:41,340

from because at this point I know a lot

465

00:19:45,490 --> 00:19:42,780

more about where you're coming from than

466

00:19:49,070 --> 00:19:45,500

you know where I'm coming from but like

467

00:19:52,190 --> 00:19:49,080

relationships are complicated right so

468

00:19:54,350 --> 00:19:52,200

you're in field where hey man take all

469

00:19:58,370 --> 00:19:54,360

the anomalous stuff out of it it's

470

00:19:59,690 --> 00:19:58,380

complicated on a just basic level of you

471

00:20:02,330 --> 00:19:59,700

know how do we get along who's going to

472

00:20:03,590 --> 00:20:02,340

change a diaper uh did you bring your

473

00:20:05,450 --> 00:20:03,600

check home you know we got to pay the

474

00:20:08,630 --> 00:20:05,460

rent kind of thing it's complicated on

475

00:20:10,370 --> 00:20:08,640

an emotional level of love and this and

476

00:20:13,010 --> 00:20:10,380

the deepest part of me and you're so hot

477

00:20:15,650 --> 00:20:13,020

baby and it's complicated on this

478

00:20:17,270 --> 00:20:15,660

spiritual level of you know yeah it's

479

00:20:19,850 --> 00:20:17,280

compensated on a deep psychology level

480

00:20:21,590 --> 00:20:19,860

of uh you know you do that just like my

481

00:20:24,470 --> 00:20:21,600

freaking mother you know I you're

482

00:20:26,930 --> 00:20:24,480

driving me nuts kind of thing so there's

483

00:20:29,750 --> 00:20:26,940

so much to tease out before we even get

484

00:20:31,789 --> 00:20:29,760

into the anomalous stuff yeah I'm so

485

00:20:33,529 --> 00:20:31,799

glad that you're there bringing in the

486

00:20:34,970 --> 00:20:33,539

first layer of anomalous stuff is like

487

00:20:37,370 --> 00:20:34,980

you said there's this extended

488

00:20:39,770 --> 00:20:37,380

Consciousness realm we are all psychic

489

00:20:42,890 --> 00:20:39,780

telepathic all the rest of this and now

490

00:20:44,890 --> 00:20:42,900

you're gonna layer on top of that that

491

00:20:48,890 --> 00:20:44,900

potentially there's

492

00:20:52,190 --> 00:20:48,900

Advanced non-human intelligence or

493

00:20:54,830 --> 00:20:52,200

demonic stuff or whatever that is

494

00:20:57,529 --> 00:20:54,840

actually trying to manipulate that

495

00:20:59,510 --> 00:20:57,539

process so

496

00:21:01,610 --> 00:20:59,520

you you get where I'm coming from I'm a

497

00:21:07,789 --> 00:21:01,620

little bit

498

00:21:09,169 --> 00:21:07,799

the way with some of your stuff for all

499

00:21:11,690 --> 00:21:09,179

the reasons that I think we need to

500

00:21:14,150 --> 00:21:11,700

tease a lot of stuff out before we jump

501
00:21:16,070 --> 00:21:14,160
all the way to the end what are your

502
00:21:17,510 --> 00:21:16,080
thoughts on that I'm sure you've you've

503
00:21:19,010 --> 00:21:17,520
thought a lot about this you've worked

504
00:21:21,110 --> 00:21:19,020
through a lot of this that's you have 20

505
00:21:24,529 --> 00:21:21,120
how many years of experience doing this

506
00:21:26,570 --> 00:21:24,539
right now I mean I I think I wasn't well

507
00:21:28,730 --> 00:21:26,580
what drew me to be interested was that

508
00:21:32,870 --> 00:21:28,740
my own experiences that had to do with

509
00:21:35,570 --> 00:21:32,880
uh UFO sightings and what I thought were

510
00:21:38,029 --> 00:21:35,580
ET encounters and paranormal experiences

511
00:21:39,950 --> 00:21:38,039
and that kind of thing so in my own

512
00:21:42,470 --> 00:21:39,960
family I mean I was drawn because my my

513
00:21:45,169 --> 00:21:42,480

father worked for Lockheed and he had

514

00:21:47,330 --> 00:21:45,179

like books that were aerial phenomena

515

00:21:48,890 --> 00:21:47,340

and then some of the early UFO books and

516

00:21:51,409 --> 00:21:48,900

I became interested because I had

517

00:21:53,029 --> 00:21:51,419

sightings and experiences that I thought

518

00:21:54,710 --> 00:21:53,039

were benevolent but I didn't really

519

00:21:57,409 --> 00:21:54,720

remember there's always this Amnesia

520

00:21:59,810 --> 00:21:57,419

thing so there was an incongruence with

521

00:22:01,549 --> 00:21:59,820

the excitement about these positive

522

00:22:03,950 --> 00:22:01,559

space brothers and UFOs and then the

523

00:22:05,510 --> 00:22:03,960

this horrible fear behind the real

524

00:22:07,789 --> 00:22:05,520

experience itself

525

00:22:09,649 --> 00:22:07,799

so what really I mean I was a scientist

526

00:22:12,230 --> 00:22:09,659

before I became a therapist I was a

527

00:22:14,090 --> 00:22:12,240

biochemist and then changed my my field

528

00:22:15,830 --> 00:22:14,100

of study because I didn't really want to

529

00:22:18,590 --> 00:22:15,840

go there anymore I wanted to learn more

530

00:22:20,750 --> 00:22:18,600

about humans and psychology and work

531

00:22:23,149 --> 00:22:20,760

with my own family of origin issues

532

00:22:24,529 --> 00:22:23,159

which I thought could contribute to my

533

00:22:27,409 --> 00:22:24,539

understanding of all the other stuff

534

00:22:30,169 --> 00:22:27,419

which it did but I don't think it

535

00:22:31,909 --> 00:22:30,179

explains everything that happens some

536

00:22:34,909 --> 00:22:31,919

people seem to have these unusual

537

00:22:37,789 --> 00:22:34,919

experiences without having had early

538

00:22:39,470 --> 00:22:37,799

family trauma to to blame it on as being

539

00:22:40,730 --> 00:22:39,480

let's say a vulnerable victim being at

540

00:22:44,029 --> 00:22:40,740

the wrong place at the wrong time

541

00:22:45,649 --> 00:22:44,039

because of something and so they're

542

00:22:48,110 --> 00:22:45,659

normal people who were just kind of

543

00:22:51,110 --> 00:22:48,120

plucked up and taken and and had these

544

00:22:54,350 --> 00:22:51,120

unusual experiences so

545

00:22:57,649 --> 00:22:54,360

what can I say but my understanding of

546

00:22:59,930 --> 00:22:57,659

human psychology and Trauma helped me

547

00:23:01,970 --> 00:22:59,940

understand how to help people so that

548

00:23:03,950 --> 00:23:01,980

they could actually get to the root of

549

00:23:07,330 --> 00:23:03,960

their experiences and actually remember

550

00:23:10,190 --> 00:23:07,340

or recover from the trauma so somebody

551
00:23:13,850 --> 00:23:10,200
understands complex trauma or complex

552
00:23:15,770 --> 00:23:13,860
PTSD and starts working with um working

553
00:23:19,370 --> 00:23:15,780
with their nervous system to rebalance

554
00:23:21,649 --> 00:23:19,380
it and emotionally regulate and get your

555
00:23:23,510 --> 00:23:21,659
true human needs met which by the way

556
00:23:26,870 --> 00:23:23,520
many people don't even get the real

557
00:23:29,990 --> 00:23:26,880
needs met and um not even from the

558
00:23:32,390 --> 00:23:30,000
Maslow's hierarchy of needs but even

559
00:23:34,430 --> 00:23:32,400
even less than that so you're talking

560
00:23:36,230 --> 00:23:34,440
about a lot of people if if they really

561
00:23:37,789 --> 00:23:36,240
got their needs met they would be at a

562
00:23:40,370 --> 00:23:37,799
place where they could actually process

563
00:23:42,950 --> 00:23:40,380

and understand and remember and be able

564

00:23:44,690 --> 00:23:42,960

to deal with these things but it's it's

565

00:23:46,789 --> 00:23:44,700

almost like

566

00:23:49,789 --> 00:23:46,799

you know once you get in a vulnerable

567

00:23:51,289 --> 00:23:49,799

state you're more easy prey I think for

568

00:23:52,909 --> 00:23:51,299

some of these things that are happening

569

00:23:55,130 --> 00:23:52,919

and that they are

570

00:23:57,830 --> 00:23:55,140

and there's a lot of trauma related to

571

00:23:59,450 --> 00:23:57,840

the alien abduction experience as well

572

00:24:02,450 --> 00:23:59,460

as the my labs which we really didn't

573

00:24:05,090 --> 00:24:02,460

talk about yet but that was something

574

00:24:06,529 --> 00:24:05,100

that I discovered kind of coexisted with

575

00:24:08,690 --> 00:24:06,539

many of the people having the

576

00:24:11,930 --> 00:24:08,700

experiences there was there was a human

577

00:24:14,149 --> 00:24:11,940

element working in conjunction with or

578

00:24:17,029 --> 00:24:14,159

because of the alien abduction

579

00:24:19,610 --> 00:24:17,039

experiences which indicated that well it

580

00:24:21,169 --> 00:24:19,620

must be real why are they interested in

581

00:24:22,730 --> 00:24:21,179

following up and finding out what

582

00:24:24,230 --> 00:24:22,740

happened to these people because there

583

00:24:26,450 --> 00:24:24,240

really is an issue

584

00:24:28,250 --> 00:24:26,460

so that kind of opened up a whole can of

585

00:24:30,770 --> 00:24:28,260

worms and a

586

00:24:33,710 --> 00:24:30,780

a research that kind of came with a lot

587

00:24:34,490 --> 00:24:33,720

of smoke and mirrors and X-File kind of

588

00:24:37,610 --> 00:24:34,500

stuff

589

00:24:39,830 --> 00:24:37,620

instead of human psychology and I think

590

00:24:42,350 --> 00:24:39,840

it's unfortunate that many people who've

591

00:24:43,909 --> 00:24:42,360

had these unusual experiences they can't

592

00:24:46,730 --> 00:24:43,919

they don't feel comfortable just going

593

00:24:48,529 --> 00:24:46,740

to a regular psychologist sometimes they

594

00:24:50,990 --> 00:24:48,539

want to go to a specialist in

595

00:24:52,789 --> 00:24:51,000

hypnotherapy or somebody who's in the

596

00:24:55,250 --> 00:24:52,799

field who's had experiences and then

597

00:24:57,409 --> 00:24:55,260

they start taking consultations based on

598

00:24:59,990 --> 00:24:57,419

their experiences because they don't

599

00:25:01,789 --> 00:25:00,000

feel that they would be you know justly

600

00:25:03,770 --> 00:25:01,799

perceived and they would just be thrown

601
00:25:05,810 --> 00:25:03,780
on medication or something

602
00:25:07,850 --> 00:25:05,820
so that's unfortunate because I know

603
00:25:10,430 --> 00:25:07,860
that that does happen

604
00:25:12,169 --> 00:25:10,440
right so again you know we'll just keep

605
00:25:14,630 --> 00:25:12,179
going down this thing and see how it

606
00:25:17,630 --> 00:25:14,640
goes so it might be interesting for me

607
00:25:21,230 --> 00:25:17,640
to throw out kind of how I directly kind

608
00:25:24,350 --> 00:25:21,240
of came to you so I interviewed this guy

609
00:25:27,350 --> 00:25:24,360
a couple months ago Dr Jason giorgiani

610
00:25:30,710 --> 00:25:27,360
he's a philosopher and

611
00:25:33,529 --> 00:25:30,720
was kind of a very go-to guy in the

612
00:25:36,110 --> 00:25:33,539
field of parapsychology but the point is

613
00:25:38,390 --> 00:25:36,120

he starts pushing this idea that the

614

00:25:39,730 --> 00:25:38,400

near-death experience and The

615

00:25:42,169 --> 00:25:39,740

Reincarnation

616

00:25:45,590 --> 00:25:42,179

experience and the science associated

617

00:25:47,750 --> 00:25:45,600

with that is subject to interference in

618

00:25:51,350 --> 00:25:47,760

this extended Consciousness realm right

619

00:25:52,970 --> 00:25:51,360

so I had Jason on and I was I wanted to

620

00:25:56,269 --> 00:25:52,980

push him on that a little bit and I said

621

00:25:58,610 --> 00:25:56,279

well you know my read of the science

622

00:26:01,250 --> 00:25:58,620

can't really line up with that in a

623

00:26:06,049 --> 00:26:01,260

couple of important ways one the work in

624

00:26:10,549 --> 00:26:06,059

reincarnation science is among the most

625

00:26:13,549 --> 00:26:10,559

well disciplined and thorough work done

626
00:26:15,649 --> 00:26:13,559
by Ian Stevenson and all those people at

627
00:26:17,090 --> 00:26:15,659
University of Virginia a lot of people

628
00:26:19,310 --> 00:26:17,100
have looked at that peer-reviewed work

629
00:26:22,250 --> 00:26:19,320
and said that's very solid that is not

630
00:26:25,130 --> 00:26:22,260
consistent with like Ted's account of

631
00:26:26,690 --> 00:26:25,140
all reincarnation are subject to alien

632
00:26:28,549 --> 00:26:26,700
kind of thing it just doesn't fit with

633
00:26:30,529 --> 00:26:28,559
it and the same with the near-death

634
00:26:32,149 --> 00:26:30,539
experience science I mean where the

635
00:26:34,850 --> 00:26:32,159
near-death experience science really

636
00:26:37,850 --> 00:26:34,860
takes us in a way that would directly

637
00:26:41,210 --> 00:26:37,860
contradict this idea of the aliens are

638
00:26:44,029 --> 00:26:41,220

running the show there is the stuff that

639

00:26:46,549 --> 00:26:44,039

is the cross-cultural cross time look at

640

00:26:49,730 --> 00:26:46,559

near-death experience so you look at Dr

641

00:26:52,250 --> 00:26:49,740

Gregory shushan trained at Oxford

642

00:26:55,370 --> 00:26:52,260

College of London now publishes peer

643

00:26:57,169 --> 00:26:55,380

review papers of you know 600 700 years

644

00:26:59,510 --> 00:26:57,179

ago all these

645

00:27:02,630 --> 00:26:59,520

near-death experience accounts across

646

00:27:05,990 --> 00:27:02,640

culture across time and they all lead to

647

00:27:08,750 --> 00:27:06,000

beliefs in an afterlife belief that's

648

00:27:10,970 --> 00:27:08,760

relatively consistent with modern day

649

00:27:13,070 --> 00:27:10,980

near-death experience plus you have the

650

00:27:15,409 --> 00:27:13,080

current near-death experience science

651
00:27:17,870 --> 00:27:15,419
which would contradict a lot of what's

652
00:27:20,450 --> 00:27:17,880
going on but what does come through

653
00:27:24,049 --> 00:27:20,460
I think is the exactly what you're

654
00:27:26,810 --> 00:27:24,059
talking about is the potential for there

655
00:27:30,470 --> 00:27:26,820
being some technological component to

656
00:27:32,630 --> 00:27:30,480
both of those things that is possibly

657
00:27:37,610 --> 00:27:32,640
being interfered with I mean we can't

658
00:27:39,409 --> 00:27:37,620
turn away from that data but when I read

659
00:27:42,169 --> 00:27:39,419
some of that stuff and people are like I

660
00:27:44,630 --> 00:27:42,179
got it all handled and Jesus told me and

661
00:27:47,090 --> 00:27:44,640
reincarnation isn't real and near-death

662
00:27:50,690 --> 00:27:47,100
experience that doesn't hold up to to

663
00:27:53,810 --> 00:27:50,700

scrutiny either so I'm kind of

664

00:27:56,990 --> 00:27:53,820

struggling with all the great

665

00:27:59,450 --> 00:27:57,000

information you guys are bringing in and

666

00:28:02,510 --> 00:27:59,460

then sorting it out in a way that is

667

00:28:04,970 --> 00:28:02,520

consistent with this other body of

668

00:28:08,210 --> 00:28:04,980

science that just doesn't seem to to

669

00:28:09,649 --> 00:28:08,220

work its way into this work either so I

670

00:28:13,010 --> 00:28:09,659

know I'm laying a lot on the table here

671

00:28:15,169 --> 00:28:13,020

is any of that I wish I heard of this

672

00:28:17,510 --> 00:28:15,179

guy because it because I know I've had

673

00:28:20,330 --> 00:28:17,520

clients who have had experiences where

674

00:28:23,570 --> 00:28:20,340

they were recycled in an unnatural way

675

00:28:25,370 --> 00:28:23,580

in incarnated in bodies where they

676

00:28:28,010 --> 00:28:25,380

remembered I mean this actually happens

677

00:28:30,830 --> 00:28:28,020

a lot with the my labs and the people in

678

00:28:33,830 --> 00:28:30,840

the secret space program where it's as

679

00:28:36,710 --> 00:28:33,840

if they made a bargain in another life

680

00:28:38,930 --> 00:28:36,720

sometimes it's in a Nazi era where they

681

00:28:41,330 --> 00:28:38,940

were high up in the SS and were in the

682

00:28:43,850 --> 00:28:41,340

occult level making Oaths to these

683

00:28:46,610 --> 00:28:43,860

entities or something and then or

684

00:28:48,470 --> 00:28:46,620

entrapped to work for them and basically

685

00:28:50,630 --> 00:28:48,480

promising even beyond the grave that

686

00:28:53,630 --> 00:28:50,640

they'll work for them and then finding

687

00:28:56,450 --> 00:28:53,640

that after they died their soul was

688

00:28:58,370 --> 00:28:56,460

taken and then held like in a test tube

689

00:29:01,250 --> 00:28:58,380

or something and then recycled into a

690

00:29:04,070 --> 00:29:01,260

body and then they had recall of what

691

00:29:05,029 --> 00:29:04,080

they were you know in the Nazi era you

692

00:29:07,070 --> 00:29:05,039

know

693

00:29:08,690 --> 00:29:07,080

that that way and then they were my labs

694

00:29:09,769 --> 00:29:08,700

this time around and when one of these

695

00:29:11,930 --> 00:29:09,779

programs

696

00:29:13,310 --> 00:29:11,940

so I've had some who remembered like

697

00:29:15,590 --> 00:29:13,320

where they were murdered and then their

698

00:29:17,269 --> 00:29:15,600

soul was captured in like a lower astral

699

00:29:19,909 --> 00:29:17,279

realm and then recycled into another

700

00:29:20,990 --> 00:29:19,919

body that was put into directly into a

701
00:29:23,269 --> 00:29:21,000

project

702
00:29:25,789 --> 00:29:23,279

so it so the natural maybe the natural

703
00:29:27,950 --> 00:29:25,799

reincarnation system would be you know

704
00:29:30,350 --> 00:29:27,960

you go up to a higher realm and then you

705
00:29:32,930 --> 00:29:30,360

work with higher beings that maybe you

706
00:29:35,450 --> 00:29:32,940

make a decision to come back

707
00:29:36,889 --> 00:29:35,460

for some reason but in some of these

708
00:29:38,510 --> 00:29:36,899

other experiences it's like they don't

709
00:29:41,149 --> 00:29:38,520

go up to the higher Realms they actually

710
00:29:42,289 --> 00:29:41,159

get recycled from a lower astral and

711
00:29:45,470 --> 00:29:42,299

then they'll they actually have more

712
00:29:48,830 --> 00:29:45,480

recall of the life before and then

713
00:29:50,930 --> 00:29:48,840

they'll remember like in the 1940s or

714

00:29:53,870 --> 00:29:50,940

something that's really strange

715

00:29:55,970 --> 00:29:53,880

but that's not real common but I've had

716

00:29:57,889 --> 00:29:55,980

it happen enough times where I'm

717

00:29:59,990 --> 00:29:57,899

thinking something has happened where

718

00:30:02,330 --> 00:30:00,000

they they're able to well that that's

719

00:30:05,450 --> 00:30:02,340

the weird stuff capture the soul and

720

00:30:08,870 --> 00:30:05,460

transfer the soul a type of transfer of

721

00:30:11,389 --> 00:30:08,880

Soul Consciousness technology so yeah

722

00:30:14,210 --> 00:30:11,399

I'm just not I'm not convinced that we

723

00:30:19,909 --> 00:30:14,220

can rely on those

724

00:30:21,289 --> 00:30:19,919

kind of uh accounts directly I I but I

725

00:30:22,850 --> 00:30:21,299

think I I want to make sure you

726

00:30:25,909 --> 00:30:22,860

understand where I'm coming from because

727

00:30:28,029 --> 00:30:25,919

we run into the exact same thing exact

728

00:30:31,789 --> 00:30:28,039

same thing with near-death experience

729

00:30:35,630 --> 00:30:31,799

accounts right where there was an

730

00:30:37,789 --> 00:30:35,640

overall pattern there that is to a

731

00:30:40,010 --> 00:30:37,799

certain extent verify verifiable by

732

00:30:41,810 --> 00:30:40,020

science you know so the near-death

733

00:30:43,850 --> 00:30:41,820

experience the history is these people

734

00:30:45,169 --> 00:30:43,860

start having near-death experiences and

735

00:30:47,029 --> 00:30:45,179

the scientists get involved and said

736

00:30:48,590 --> 00:30:47,039

wait a minute these things are all over

737

00:30:50,450 --> 00:30:48,600

the board this guy had a near-death

738

00:30:52,250 --> 00:30:50,460

experience jumping off the Golden Gate

739

00:30:54,169 --> 00:30:52,260

Bridge this person had it when they were

740

00:30:57,350 --> 00:30:54,179

in a plane crash this person what we

741

00:30:59,389 --> 00:30:57,360

need to do is study this scientifically

742

00:31:00,950 --> 00:30:59,399

medically so then they started bringing

743

00:31:03,169 --> 00:31:00,960

the near-death experience into the

744

00:31:06,289 --> 00:31:03,179

cardiac arrest Ward and they go okay now

745

00:31:08,750 --> 00:31:06,299

we got it we can basically control for

746

00:31:10,610 --> 00:31:08,760

the physiology we know what happens when

747

00:31:12,289 --> 00:31:10,620

your heart stops we know that the blood

748

00:31:14,930 --> 00:31:12,299

flow to your brain stops we know you

749

00:31:16,970 --> 00:31:14,940

can't have conscious memories let alone

750

00:31:19,610 --> 00:31:16,980

the most profound experience of your

751

00:31:22,190 --> 00:31:19,620

life there's no way to explain that from

752

00:31:23,630 --> 00:31:22,200

our current neurological model so when

753

00:31:26,269 --> 00:31:23,640

we do that we bring it into the hospital

754

00:31:28,370 --> 00:31:26,279

and now we get the same things happening

755

00:31:31,850 --> 00:31:28,380

in terms of near-death experience we can

756

00:31:34,010 --> 00:31:31,860

go aha we we do have reason to believe

757

00:31:37,850 --> 00:31:34,020

the Consciousness survives bodily death

758

00:31:39,950 --> 00:31:37,860

but the accounts no we can't really

759

00:31:41,090 --> 00:31:39,960

process these accounts like I told you I

760

00:31:43,850 --> 00:31:41,100

mean I got

761

00:31:46,250 --> 00:31:43,860

I got a guy who comes back and says hey

762

00:31:48,049 --> 00:31:46,260

I saw Jesus and I said well you know

763

00:31:50,510 --> 00:31:48,059

Christ Consciousness I get it you know

764

00:31:51,950 --> 00:31:50,520

it's a tulpa kind of thing maybe we

765

00:31:54,590 --> 00:31:51,960

don't know what it is but you know

766

00:31:55,909 --> 00:31:54,600

whatever he's like no it was Jesus and a

767

00:31:58,370 --> 00:31:55,919

matter of fact he goes around to

768

00:32:01,430 --> 00:31:58,380

churches and he kind of says if you

769

00:32:03,590 --> 00:32:01,440

didn't see Jesus then you know your nde

770

00:32:05,330 --> 00:32:03,600

is probably satanic and all the rest of

771

00:32:07,669 --> 00:32:05,340

this nonsense

772

00:32:11,090 --> 00:32:07,679

alls I can say from a science standpoint

773

00:32:13,430 --> 00:32:11,100

is the near-death experience science as

774

00:32:17,630 --> 00:32:13,440

a whole does not agree with lan

775

00:32:19,549 --> 00:32:17,640

McCormick's wacky christian-centric idea

776

00:32:21,590 --> 00:32:19,559
of near-death experiences most

777

00:32:25,310 --> 00:32:21,600
near-death experiences like 80 90

778

00:32:28,909 --> 00:32:25,320
percent say yes God yes love yes

779

00:32:30,830 --> 00:32:28,919
universal truth but no to uh to religion

780

00:32:33,470 --> 00:32:30,840
and stuff like that I don't even know if

781

00:32:35,570 --> 00:32:33,480
how how much would How firm we'd want to

782

00:32:39,070 --> 00:32:35,580
be on that but the one thing that comes

783

00:32:41,450 --> 00:32:39,080
through Evie is do not rely on

784

00:32:44,149 --> 00:32:41,460
individual accounts that's like the

785

00:32:46,669 --> 00:32:44,159
conversation I just had with Vinnie who

786

00:32:48,710 --> 00:32:46,679
is terrific but at the end I said and

787

00:32:52,310 --> 00:32:48,720
then he was super open super great guy

788

00:32:53,810 --> 00:32:52,320

and it lives the lives this the spirit

789

00:32:55,430 --> 00:32:53,820

of uh

790

00:32:56,750 --> 00:32:55,440

someone who's been spiritually

791

00:32:58,970 --> 00:32:56,760

transformed by their near-death

792

00:33:02,269 --> 00:32:58,980

experience but his thing is ultimately

793

00:33:04,190 --> 00:33:02,279

goes yeah I get it these lessons that I

794

00:33:07,310 --> 00:33:04,200

learned in my near-death experience were

795

00:33:10,430 --> 00:33:07,320

Vinnie's lessons for Vinnie to learn not

796

00:33:13,070 --> 00:33:10,440

to go out and proselytize and

797

00:33:14,810 --> 00:33:13,080

you know bang Bibles on people and all

798

00:33:16,730 --> 00:33:14,820

the rest of this stuff that's not how

799

00:33:19,549 --> 00:33:16,740

God doesn't work that way you know I

800

00:33:21,950 --> 00:33:19,559

mean God is moving all of us along our

801

00:33:24,950 --> 00:33:21,960

own path in

802

00:33:26,450 --> 00:33:24,960

in our own way kind of thing so

803

00:33:28,549 --> 00:33:26,460

do you understand I mean some of the

804

00:33:31,250 --> 00:33:28,559

accounts in the book no

805

00:33:33,409 --> 00:33:31,260

Ted's account no the Christian centered

806

00:33:35,690 --> 00:33:33,419

stuff all the Christian centered stuff

807

00:33:38,690 --> 00:33:35,700

just the Jesus stuff is completely

808

00:33:40,430 --> 00:33:38,700

inconsistent from a logical basis with

809

00:33:42,669 --> 00:33:40,440

anything else we know about near-death

810

00:33:45,110 --> 00:33:42,679

experience anything else we know about

811

00:33:47,350 --> 00:33:45,120

continuation of Consciousness near-death

812

00:33:50,570 --> 00:33:47,360

experience it just doesn't fit and yet

813

00:33:53,149 --> 00:33:50,580

why are we trying to jam that in there

814

00:33:54,889 --> 00:33:53,159

yeah I'm just curious about how little

815

00:33:57,590 --> 00:33:54,899

research there is and I think in the

816

00:34:00,769 --> 00:33:57,600

Asian and the Taoist

817

00:34:02,690 --> 00:34:00,779

um perspective of what happens at death

818

00:34:04,370 --> 00:34:02,700

and the dissolution of the five elements

819

00:34:06,529 --> 00:34:04,380

and what happens with our Consciousness

820

00:34:08,930 --> 00:34:06,539

and what goes to the higher Realms and

821

00:34:12,470 --> 00:34:08,940

what goes back to Earth and how they

822

00:34:15,409 --> 00:34:12,480

perceive an nde or when a soul comes

823

00:34:18,589 --> 00:34:15,419

back or when a soul is transferred like

824

00:34:20,510 --> 00:34:18,599

there must be you know ways that they do

825

00:34:21,889 --> 00:34:20,520

this in different ways like in Oriental

826

00:34:24,169 --> 00:34:21,899

medicine I studied Oriental medicine

827

00:34:27,290 --> 00:34:24,179

before I got my other degree because I

828

00:34:29,270 --> 00:34:27,300

was I knew there was more to this and

829

00:34:31,970 --> 00:34:29,280

and one of the reasons why was to try to

830

00:34:34,609 --> 00:34:31,980

figure out what do we not know in our

831

00:34:36,950 --> 00:34:34,619

Western model of thinking that these

832

00:34:38,750 --> 00:34:36,960

other beings must know how they're

833

00:34:40,490 --> 00:34:38,760

affecting us and how can we apply

834

00:34:42,950 --> 00:34:40,500

understanding things in a different way

835

00:34:45,349 --> 00:34:42,960

so that we can work with this in a

836

00:34:47,329 --> 00:34:45,359

different way and so incorporating let's

837

00:34:50,649 --> 00:34:47,339

say a Taoist model of the five elements

838

00:34:52,550 --> 00:34:50,659

for example and how that might change

839

00:34:53,750 --> 00:34:52,560

you know how they affect our

840

00:34:55,669 --> 00:34:53,760

consciousness

841

00:34:58,790 --> 00:34:55,679

and how are you familiar with the

842

00:35:00,589 --> 00:34:58,800

Tibetan Book of the Dead yes because I

843

00:35:02,089 --> 00:35:00,599

was a Tibetan Buddhist for many years as

844

00:35:04,550 --> 00:35:02,099

a matter of fact and learned you know

845

00:35:07,490 --> 00:35:04,560

dream yoga and um did many meditation

846

00:35:09,410 --> 00:35:07,500

Retreats and you know so I think there

847

00:35:11,870 --> 00:35:09,420

must be other ways to understand this

848

00:35:14,089 --> 00:35:11,880

and even like the whole rainbow body

849

00:35:16,609 --> 00:35:14,099

thing that there must be something that

850

00:35:18,950 --> 00:35:16,619

happens scientifically if there's enough

851
00:35:20,870 --> 00:35:18,960
of these cases where you know the the

852
00:35:22,550 --> 00:35:20,880
body literally disappears except for the

853
00:35:24,589 --> 00:35:22,560
hair and nails and they and they

854
00:35:27,230 --> 00:35:24,599
transform and transmute into light

855
00:35:29,150 --> 00:35:27,240
there's something going on there that we

856
00:35:31,490 --> 00:35:29,160
have yet to have I think scientific

857
00:35:33,470 --> 00:35:31,500
evidence in the western world that knows

858
00:35:36,410 --> 00:35:33,480
what's going on there

859
00:35:38,329 --> 00:35:36,420
so so let me ask you because you

860
00:35:41,870 --> 00:35:38,339
probably know more about this than I do

861
00:35:43,670 --> 00:35:41,880
and I I'd love to to learn and expand on

862
00:35:44,990 --> 00:35:43,680
this stuff so you take the Tibetan Book

863
00:35:47,930 --> 00:35:45,000

of the Dead

864

00:35:51,470 --> 00:35:47,940

which is very uh uh precise and is

865

00:35:53,450 --> 00:35:51,480

really just one book among a larger kind

866

00:35:56,030 --> 00:35:53,460

of Canon they have about what's

867

00:35:58,490 --> 00:35:56,040

happening at this near death EX at this

868

00:36:01,190 --> 00:35:58,500

near-death time this after death time

869

00:36:04,310 --> 00:36:01,200

and this between lives time and then

870

00:36:07,190 --> 00:36:04,320

this free Incarnation time so how is

871

00:36:10,550 --> 00:36:07,200

that how how are you squaring that with

872

00:36:13,190 --> 00:36:10,560

what you're hearing from people who are

873

00:36:15,230 --> 00:36:13,200

having these kinds of experiences

874

00:36:16,370 --> 00:36:15,240

well I think people have experiences

875

00:36:19,010 --> 00:36:16,380

based on

876

00:36:20,690 --> 00:36:19,020

their level of perception and and I

877

00:36:23,030 --> 00:36:20,700

think actually even a practicing

878

00:36:24,890 --> 00:36:23,040

Buddhist who who does a meditation

879

00:36:27,050 --> 00:36:24,900

practice or let's say lucid dreaming and

880

00:36:29,510 --> 00:36:27,060

dream yoga would have a better ability

881

00:36:31,910 --> 00:36:29,520

to have a better purity of perception

882

00:36:33,410 --> 00:36:31,920

let's say within an experience and be

883

00:36:36,589 --> 00:36:33,420

able to assess it from a different

884

00:36:39,109 --> 00:36:36,599

standpoint if you can be free of quote

885

00:36:41,109 --> 00:36:39,119

attachment and greed and fear and desire

886

00:36:43,750 --> 00:36:41,119

and be in this like witnessing

887

00:36:46,670 --> 00:36:43,760

Consciousness to observe what happens

888

00:36:48,650 --> 00:36:46,680

and so this is actually a place where

889

00:36:50,569 --> 00:36:48,660

where I'm going in my research with

890

00:36:53,870 --> 00:36:50,579

people who do DreamWork and Lucid

891

00:36:57,470 --> 00:36:53,880

DreamWork in order to observe how this

892

00:36:59,710 --> 00:36:57,480

happens in within Lucidity and then how

893

00:37:03,230 --> 00:36:59,720

to prevent it from happening and how to

894

00:37:05,329 --> 00:37:03,240

directly access what we call spiritual

895

00:37:07,790 --> 00:37:05,339

truth communication and archetypal

896

00:37:08,810 --> 00:37:07,800

language and symbols that happen in a in

897

00:37:11,930 --> 00:37:08,820

a dream

898

00:37:14,450 --> 00:37:11,940

and then working with that to find out

899

00:37:17,589 --> 00:37:14,460

how we can connect with our higher power

900

00:37:21,410 --> 00:37:17,599

of Truth so that we understand

901
00:37:22,790 --> 00:37:21,420
what's interacting with us from its how

902
00:37:24,410 --> 00:37:22,800
it's being communicated through the

903
00:37:27,050 --> 00:37:24,420
direct truth of what our spirit is

904
00:37:29,329 --> 00:37:27,060
telling us in Lucidity and I know it's

905
00:37:31,609 --> 00:37:29,339
kind of like a whole jumble of words but

906
00:37:34,490 --> 00:37:31,619
in order to assess correctly we really

907
00:37:37,010 --> 00:37:34,500
need to know let's say in the body and

908
00:37:39,170 --> 00:37:37,020
out of the body and in different states

909
00:37:41,569 --> 00:37:39,180
of Consciousness what we're really

910
00:37:43,609 --> 00:37:41,579
perceiving and what we're assuming who

911
00:37:46,550 --> 00:37:43,619
our identity even is

912
00:37:49,010 --> 00:37:46,560
so this gets back to like really having

913
00:37:51,349 --> 00:37:49,020

to recover our own traumas and getting

914

00:37:53,450 --> 00:37:51,359

really really clear on nothing but our

915

00:37:56,390 --> 00:37:53,460

our awareness of beingness that goes

916

00:37:59,210 --> 00:37:56,400

beyond even our personality

917

00:38:01,849 --> 00:37:59,220

and so we can do this and I think there

918

00:38:04,250 --> 00:38:01,859

are some people who do but it's not an

919

00:38:06,170 --> 00:38:04,260

easy place it's not something easy to do

920

00:38:08,089 --> 00:38:06,180

while you're still in trauma and not

921

00:38:10,490 --> 00:38:08,099

getting your human needs met to even

922

00:38:13,190 --> 00:38:10,500

let's say meditate or pay your bills or

923

00:38:14,810 --> 00:38:13,200

be free of abuse you know but I think

924

00:38:17,930 --> 00:38:14,820

there's different ways to perceive this

925

00:38:20,390 --> 00:38:17,940

more correctly if we can have Lucidity

926

00:38:22,150 --> 00:38:20,400

and calmness in different states of

927

00:38:25,849 --> 00:38:22,160

consciousness

928

00:38:30,170 --> 00:38:25,859

while there's there's a ton there I've

929

00:38:32,690 --> 00:38:30,180

done a couple of shows on dream yoga and

930

00:38:34,310 --> 00:38:32,700

as a practice exactly what you're saying

931

00:38:35,750 --> 00:38:34,320

one of the gentlemen I interviewed was

932

00:38:39,230 --> 00:38:35,760

was just terrific he was on the

933

00:38:41,210 --> 00:38:39,240

mentorship of his Buddhist Elder kind of

934

00:38:43,370 --> 00:38:41,220

guy and what I remember I thought was

935

00:38:45,530 --> 00:38:43,380

really interesting he was doing dream

936

00:38:47,510 --> 00:38:45,540

yoga and he was somewhat successful at

937

00:38:50,390 --> 00:38:47,520

reaching these other states and as

938

00:38:52,250 --> 00:38:50,400

you're saying being detached enough to

939

00:38:53,210 --> 00:38:52,260

kind of observe and then the guy goes

940

00:38:55,550 --> 00:38:53,220

okay

941

00:38:58,250 --> 00:38:55,560

so now what you have to do is you have

942

00:39:01,089 --> 00:38:58,260

to go into the hell space I don't know

943

00:39:03,950 --> 00:39:01,099

it's like that's what he said he said

944

00:39:05,210 --> 00:39:03,960

but eventually he you know he built up

945

00:39:10,150 --> 00:39:05,220

the

946

00:39:14,750 --> 00:39:10,160

doing that but what I really took away

947

00:39:17,510 --> 00:39:14,760

was that this is these are are practices

948

00:39:19,250 --> 00:39:17,520

that have been carried out for a long

949

00:39:21,230 --> 00:39:19,260

period of time they have a lot of

950

00:39:23,569 --> 00:39:21,240

expertise on it in exactly the way that

951
00:39:25,370 --> 00:39:23,579
you're talking about and can lead people

952
00:39:26,650 --> 00:39:25,380
through it in a way that does seem

953
00:39:29,030 --> 00:39:26,660
pretty

954
00:39:31,430 --> 00:39:29,040
quasi-scientific in a way like hey just

955
00:39:33,230 --> 00:39:31,440
tell me what you observed you know uh

956
00:39:36,710 --> 00:39:33,240
kind of like

957
00:39:38,690 --> 00:39:36,720
a good hypnotherapist does with uh Alien

958
00:39:40,430 --> 00:39:38,700
abductee I could only go from my

959
00:39:42,890 --> 00:39:40,440
personal experience where I had a direct

960
00:39:45,230 --> 00:39:42,900
realization which is different from an

961
00:39:47,030 --> 00:39:45,240
experience a direct realization of

962
00:39:49,609 --> 00:39:47,040
Eternal beingness that is beyond the

963
00:39:51,770 --> 00:39:49,619

fragment of Personality identity that we

964

00:39:54,290 --> 00:39:51,780

have in these human bodies or even out

965

00:39:56,390 --> 00:39:54,300

of the body in this so

966

00:39:59,750 --> 00:39:56,400

and I knew that it was related to Christ

967

00:40:02,870 --> 00:39:59,760

Jesus but it was more like a

968

00:40:04,849 --> 00:40:02,880

a memory realization and so that

969

00:40:06,950 --> 00:40:04,859

actually kept me on a trail of trying to

970

00:40:09,290 --> 00:40:06,960

discover what was that about and

971

00:40:12,109 --> 00:40:09,300

actually led me to Buddhism more than

972

00:40:13,730 --> 00:40:12,119

anything else in dream yoga and trying

973

00:40:15,650 --> 00:40:13,740

to understand things from that

974

00:40:18,010 --> 00:40:15,660

perspective knowing that there is an

975

00:40:21,470 --> 00:40:18,020

eternal beingness that is our true

976
00:40:23,569 --> 00:40:21,480
identity and our true home and that this

977
00:40:27,170 --> 00:40:23,579
is a dreaming so we are actually

978
00:40:30,349 --> 00:40:27,180
dreaming this body here like code

979
00:40:32,810 --> 00:40:30,359
dreaming it so if we can get Lucid in

980
00:40:35,270 --> 00:40:32,820
our dreaming here and our dreamings and

981
00:40:38,810 --> 00:40:35,280
our quote sleep dreams we can have a

982
00:40:40,370 --> 00:40:38,820
clearer way of perceiving what our real

983
00:40:43,310 --> 00:40:40,380
nature is

984
00:40:45,650 --> 00:40:43,320
that's above and beyond personality

985
00:40:49,250 --> 00:40:45,660
so that's but I knew that deep inside

986
00:40:51,829 --> 00:40:49,260
based on my experience but even with I

987
00:40:53,930 --> 00:40:51,839
think Buddhist in practice I think it

988
00:40:56,990 --> 00:40:53,940

has a lot of value when they tell you

989

00:40:58,970 --> 00:40:57,000

that not to identify too strongly with

990

00:41:01,550 --> 00:40:58,980

the thoughts that are coming in or with

991

00:41:03,710 --> 00:41:01,560

what you're fearing or Desiring and

992

00:41:06,109 --> 00:41:03,720

trying to stay kind of clear and calm

993

00:41:07,849 --> 00:41:06,119

and then just observe the arising of

994

00:41:11,150 --> 00:41:07,859

what what's happening in the experience

995

00:41:13,250 --> 00:41:11,160

and that I think that has great value so

996

00:41:14,930 --> 00:41:13,260

that you you start to see what's coming

997

00:41:16,970 --> 00:41:14,940

from your own mind what actually coming

998

00:41:19,490 --> 00:41:16,980

from outside your mind like other people

999

00:41:22,670 --> 00:41:19,500

like telepathy is real okay

1000

00:41:24,770 --> 00:41:22,680

but one thing that I did not learn from

1001
00:41:28,670 --> 00:41:24,780
Tibetan Buddhism or or Advanced

1002
00:41:30,589 --> 00:41:28,680
practices was the depth of complex

1003
00:41:32,750 --> 00:41:30,599
trauma that happens let's say in

1004
00:41:36,230 --> 00:41:32,760
relationships in your family of origin

1005
00:41:39,349 --> 00:41:36,240
that affect your ability to relate in a

1006
00:41:41,930 --> 00:41:39,359
way where you can actually

1007
00:41:43,970 --> 00:41:41,940
give and receive love in a way where you

1008
00:41:46,550 --> 00:41:43,980
feel loved and you feel like you really

1009
00:41:48,050 --> 00:41:46,560
have your true human needs met so in

1010
00:41:50,390 --> 00:41:48,060
other words relationships and

1011
00:41:54,609 --> 00:41:50,400
relationship dynamics that are related

1012
00:41:58,190 --> 00:41:54,619
to actually our early attachment

1013
00:42:00,710 --> 00:41:58,200

Styles as we're raised is much more

1014

00:42:02,270 --> 00:42:00,720

important in terms of just being able

1015

00:42:04,190 --> 00:42:02,280

to get on with your life and having a

1016

00:42:07,130 --> 00:42:04,200

balanced life so you can be like a real

1017

00:42:09,109 --> 00:42:07,140

Advanced Yogi and meditator and then

1018

00:42:11,510 --> 00:42:09,119

sometimes that just makes you more

1019

00:42:13,370 --> 00:42:11,520

dissociated but it but when you have to

1020

00:42:16,550 --> 00:42:13,380

go back to the real relationship stuff

1021

00:42:19,069 --> 00:42:16,560

or going deep into the origins of

1022

00:42:22,130 --> 00:42:19,079

complex trauma and the identities that

1023

00:42:25,069 --> 00:42:22,140

we created as a result or a response to

1024

00:42:26,990 --> 00:42:25,079

that trauma we have to go beyond that to

1025

00:42:29,329 --> 00:42:27,000

our Eternal nature that went before our

1026

00:42:32,089 --> 00:42:29,339

personality was even developed even from

1027

00:42:34,190 --> 00:42:32,099

zero years old to six years old so this

1028

00:42:37,370 --> 00:42:34,200

is where you have to go as deep as a

1029

00:42:39,349 --> 00:42:37,380

yogi to go to your Eternal nature that

1030

00:42:41,750 --> 00:42:39,359

came into this body to begin with and

1031

00:42:44,390 --> 00:42:41,760

then then you could transform all that

1032

00:42:47,270 --> 00:42:44,400

crap and all that complex trauma so you

1033

00:42:49,670 --> 00:42:47,280

could function from a much more uh I

1034

00:42:52,130 --> 00:42:49,680

don't know enlightened place and not

1035

00:42:54,710 --> 00:42:52,140

react to the usual

1036

00:42:56,450 --> 00:42:54,720

triggers and won't have the same kinds

1037

00:42:58,970 --> 00:42:56,460

of relationship patterns that you had

1038

00:43:00,829 --> 00:42:58,980

before because what tends to happen is

1039

00:43:02,690 --> 00:43:00,839

that even though people have gotten

1040

00:43:05,150 --> 00:43:02,700

educated they did all this trauma work

1041

00:43:06,829 --> 00:43:05,160

they still like they're like well I'm a

1042

00:43:09,530 --> 00:43:06,839

narc magnet you know they keep running

1043

00:43:11,990 --> 00:43:09,540

into like these narcissists or well

1044

00:43:13,730 --> 00:43:12,000

they'll run into you know these bad

1045

00:43:15,589 --> 00:43:13,740

relationships and they don't know why

1046

00:43:17,390 --> 00:43:15,599

like why does this keep happening and I

1047

00:43:19,670 --> 00:43:17,400

know on a cognitive level

1048

00:43:21,589 --> 00:43:19,680

this this is not right this doesn't feel

1049

00:43:23,690 --> 00:43:21,599

right but why does it keep happening and

1050

00:43:26,089 --> 00:43:23,700

then kind of have to go through what's

1051
00:43:28,910 --> 00:43:26,099
all that about and having to get to the

1052
00:43:30,770 --> 00:43:28,920
deep root of you know why these things

1053
00:43:32,630 --> 00:43:30,780
happen and it I think it kind of goes

1054
00:43:34,849 --> 00:43:32,640
into a little bit of Karma and a little

1055
00:43:37,730 --> 00:43:34,859
bit of understanding the spiritual

1056
00:43:40,490 --> 00:43:37,740
forces behind what's really interacting

1057
00:43:43,069 --> 00:43:40,500
in our lives and directing events and

1058
00:43:45,650 --> 00:43:43,079
timelines so that's where I've had to go

1059
00:43:48,410 --> 00:43:45,660
in order to try to understand like why

1060
00:43:50,930 --> 00:43:48,420
you know do these quote love bite things

1061
00:43:52,790 --> 00:43:50,940
keep happening to people who have had

1062
00:43:54,410 --> 00:43:52,800
abductions or they they happen to be

1063
00:43:56,630 --> 00:43:54,420

plucked out for this experimental

1064

00:43:58,910 --> 00:43:56,640

project by these alien beings and then

1065

00:44:00,349 --> 00:43:58,920

they keep having these certain patterns

1066

00:44:03,829 --> 00:44:00,359

and relationships over and over again

1067

00:44:05,990 --> 00:44:03,839

maybe until they learn something new or

1068

00:44:07,849 --> 00:44:06,000

they bypass it in a certain way and then

1069

00:44:10,309 --> 00:44:07,859

that that thing doesn't happen anymore

1070

00:44:11,809 --> 00:44:10,319

and then they're off on another project

1071

00:44:14,290 --> 00:44:11,819

or something

1072

00:44:16,670 --> 00:44:14,300

yeah

1073

00:44:19,250 --> 00:44:16,680

well there's a lot deeper things and

1074

00:44:21,530 --> 00:44:19,260

there's so much to to really get into

1075

00:44:23,150 --> 00:44:21,540

it's it's impossible really and I hope

1076

00:44:25,730 --> 00:44:23,160

I'm not going to frustrate you or

1077

00:44:27,770 --> 00:44:25,740

frustrate listeners as I try and parse

1078

00:44:28,790 --> 00:44:27,780

through this but we'll just do the best

1079

00:44:31,250 --> 00:44:28,800

we can

1080

00:44:34,609 --> 00:44:31,260

so take what you were just saying there

1081

00:44:37,550 --> 00:44:34,619

which really gets into your main thing

1082

00:44:41,089 --> 00:44:37,560

which is the interference

1083

00:44:43,670 --> 00:44:41,099

in a from an anomalous perspective in

1084

00:44:45,410 --> 00:44:43,680

relationships but I am going to want to

1085

00:44:48,250 --> 00:44:45,420

tease it out a little bit because even

1086

00:44:51,170 --> 00:44:48,260

if we just say is it possible that

1087

00:44:54,109 --> 00:44:51,180

malevolent entities as we would

1088

00:44:57,890 --> 00:44:54,119

typically understand them to be demons

1089

00:44:59,750 --> 00:44:57,900

dark Forces whatever black magic uh

1090

00:45:02,450 --> 00:44:59,760

whatever are interfering with

1091

00:45:04,370 --> 00:45:02,460

relationships in exactly the way that

1092

00:45:06,829 --> 00:45:04,380

you're talking about there's a ton of

1093

00:45:08,930 --> 00:45:06,839

people that go heck yes I know that

1094

00:45:11,210 --> 00:45:08,940

directly I've talked to some of them and

1095

00:45:13,670 --> 00:45:11,220

they said people cast spells and these

1096

00:45:15,829 --> 00:45:13,680

other things so whether somebody wants

1097

00:45:19,130 --> 00:45:15,839

to go there or not

1098

00:45:21,770 --> 00:45:19,140

you can again look across culture and

1099

00:45:23,930 --> 00:45:21,780

across time and these things pop up over

1100

00:45:26,270 --> 00:45:23,940

and over and over again that you would

1101

00:45:28,430 --> 00:45:26,280

have to be pretty hard-headed

1102

00:45:30,470 --> 00:45:28,440

close-minded materialist to just take

1103

00:45:33,710 --> 00:45:30,480

all of that and just throw it uh throw

1104

00:45:36,470 --> 00:45:33,720

it to the side so that's one class of

1105

00:45:38,690 --> 00:45:36,480

this anomalous interference in

1106

00:45:42,050 --> 00:45:38,700

relationships and I want you to speak to

1107

00:45:45,530 --> 00:45:42,060

that and speak to why we would even

1108

00:45:46,550 --> 00:45:45,540

suspect that that is happening for all

1109

00:45:50,270 --> 00:45:46,560

the reasons that we're just talking

1110

00:45:51,910 --> 00:45:50,280

about a minute ago and then is the

1111

00:45:54,829 --> 00:45:51,920

ET non-human intelligence thing

1112

00:45:56,690 --> 00:45:54,839

different because it feels to me like

1113

00:45:57,410 --> 00:45:56,700

it's different and yet we kind of I

1114

00:45:59,329 --> 00:45:57,420

think

1115

00:46:00,470 --> 00:45:59,339

blend them together in a way that isn't

1116

00:46:02,809 --> 00:46:00,480

super helpful because there's a

1117

00:46:04,309 --> 00:46:02,819

technology component there there's a

1118

00:46:07,430 --> 00:46:04,319

different agenda

1119

00:46:10,130 --> 00:46:07,440

component there is that a can we

1120

00:46:11,270 --> 00:46:10,140

bifurcate that way or do they bleed over

1121

00:46:12,890 --> 00:46:11,280

too much in ways that we don't

1122

00:46:15,410 --> 00:46:12,900

understand

1123

00:46:17,569 --> 00:46:15,420

no I think you've said all of that

1124

00:46:19,730 --> 00:46:17,579

actually is true there are definitely

1125

00:46:22,670 --> 00:46:19,740

what they call attached entities and

1126
00:46:24,829 --> 00:46:22,680
demonic overlays and sometimes full-on

1127
00:46:27,290 --> 00:46:24,839
possession and um I've had clients

1128
00:46:28,970 --> 00:46:27,300
report those things to me where it would

1129
00:46:31,550 --> 00:46:28,980
happen like the classic one would be

1130
00:46:34,970 --> 00:46:31,560
like a reptilian lizard snake-like being

1131
00:46:37,490 --> 00:46:34,980
went overshadow the lover that they're

1132
00:46:39,290 --> 00:46:37,500
having sex with and then all of a sudden

1133
00:46:41,150 --> 00:46:39,300
they'll see them like shape-shift while

1134
00:46:43,250 --> 00:46:41,160
they're having sex because it's the

1135
00:46:45,349 --> 00:46:43,260
entity that's actually feeding on the

1136
00:46:47,329 --> 00:46:45,359
Sexual Energy so a lot of times

1137
00:46:49,130 --> 00:46:47,339
clairvoyantly you just like actually you

1138
00:46:52,609 --> 00:46:49,140

literally see it like in your third eye

1139

00:46:54,890 --> 00:46:52,619

for people who are some some even normal

1140

00:46:58,250 --> 00:46:54,900

non-psychics can see it because it's

1141

00:47:01,130 --> 00:46:58,260

it's so amazing when that happens so

1142

00:47:03,349 --> 00:47:01,140

people see things like shape-shifty so

1143

00:47:05,630 --> 00:47:03,359

that definitely happens and

1144

00:47:07,910 --> 00:47:05,640

the I don't know I mean

1145

00:47:09,530 --> 00:47:07,920

a lot of people are naturally psychic

1146

00:47:11,329 --> 00:47:09,540

and so they perceive these things or

1147

00:47:14,450 --> 00:47:11,339

Paranormal Activity like when somebody

1148

00:47:16,309 --> 00:47:14,460

comes over like after they if there's in

1149

00:47:18,470 --> 00:47:16,319

my book like let's say you start dating

1150

00:47:19,849 --> 00:47:18,480

someone and you have this interesting

1151
00:47:21,890 --> 00:47:19,859
attraction and you have a lot of these

1152
00:47:24,530 --> 00:47:21,900
weird synchronicities that happen that

1153
00:47:26,510 --> 00:47:24,540
sometimes it's mixed up with uh now it's

1154
00:47:29,030 --> 00:47:26,520
mixed up with technology like texting

1155
00:47:31,010 --> 00:47:29,040
and Ai and all that kind of I think

1156
00:47:32,930 --> 00:47:31,020
there's a connection there but let's say

1157
00:47:35,809 --> 00:47:32,940
after dating them and then this entity

1158
00:47:38,809 --> 00:47:35,819
keeps visiting you that's like a demonic

1159
00:47:40,910 --> 00:47:38,819
uh strange entity that's connected to

1160
00:47:43,670 --> 00:47:40,920
the the partner you were dating in is

1161
00:47:46,190 --> 00:47:43,680
like a demon and so then you have to do

1162
00:47:47,990 --> 00:47:46,200
like a a clearing and a prayer and a

1163
00:47:49,550 --> 00:47:48,000

whatever to clear yourself from the

1164

00:47:52,250 --> 00:47:49,560

entity you actually got from somebody

1165

00:47:54,230 --> 00:47:52,260

you dated and that sometimes you could

1166

00:47:55,849 --> 00:47:54,240

see it like overshadowing like literally

1167

00:47:58,190 --> 00:47:55,859

it's like a shadow that comes over them

1168

00:48:00,109 --> 00:47:58,200

or their their eyes will change or

1169

00:48:02,270 --> 00:48:00,119

they'll have a sudden personality shift

1170

00:48:04,190 --> 00:48:02,280

where you know you know something

1171

00:48:06,109 --> 00:48:04,200

unnatural just happened and then it

1172

00:48:08,329 --> 00:48:06,119

could happen when you're you're

1173

00:48:10,670 --> 00:48:08,339

stop or your cell phone battery becomes

1174

00:48:12,290 --> 00:48:10,680

dead and like with abductions for

1175

00:48:15,170 --> 00:48:12,300

example we would know something happened

1176

00:48:17,690 --> 00:48:15,180

if you know the same night you know your

1177

00:48:19,309 --> 00:48:17,700

cell phone battery like went dead and

1178

00:48:20,270 --> 00:48:19,319

you had to recharge it like over and

1179

00:48:21,710 --> 00:48:20,280

over and over again there was nothing

1180

00:48:23,750 --> 00:48:21,720

wrong with your phone and then three

1181

00:48:25,670 --> 00:48:23,760

light bulbs in the house burned out like

1182

00:48:27,349 --> 00:48:25,680

on the same night and then on the same

1183

00:48:28,609 --> 00:48:27,359

night like two people in the house had

1184

00:48:30,829 --> 00:48:28,619

the same dream that something really

1185

00:48:33,370 --> 00:48:30,839

weird happened and then at the same time

1186

00:48:35,690 --> 00:48:33,380

so you knew like something happened

1187

00:48:37,430 --> 00:48:35,700

because all these different things

1188

00:48:39,650 --> 00:48:37,440

happened at the same time so we would

1189

00:48:41,930 --> 00:48:39,660

start connecting the dots that you know

1190

00:48:44,390 --> 00:48:41,940

electrical malfunctions cell phone

1191

00:48:46,730 --> 00:48:44,400

batteries Technologies and weird

1192

00:48:48,829 --> 00:48:46,740

nightmares or missing time would happen

1193

00:48:50,329 --> 00:48:48,839

you know around the same time

1194

00:48:52,390 --> 00:48:50,339

so that we would know there's there's

1195

00:48:56,089 --> 00:48:52,400

something going on and it does affect

1196

00:48:57,349 --> 00:48:56,099

electrical equipment we know that it can

1197

00:49:00,170 --> 00:48:57,359

affect your health you could wake up

1198

00:49:01,670 --> 00:49:00,180

with body marks and stuff so

1199

00:49:03,710 --> 00:49:01,680

um so I believe you know these things

1200

00:49:07,069 --> 00:49:03,720

happen based on what people report to me

1201
00:49:08,630 --> 00:49:07,079
and then how it feels when when you're

1202
00:49:11,150 --> 00:49:08,640
around someone who's

1203
00:49:13,010 --> 00:49:11,160
who's hosted I mean it's hard not to if

1204
00:49:15,530 --> 00:49:13,020
you're an empathic person and you're

1205
00:49:17,569 --> 00:49:15,540
like around somebody who's got an entity

1206
00:49:19,910 --> 00:49:17,579
you could feel it sometimes you could

1207
00:49:22,550 --> 00:49:19,920
see it you know and and it seems like

1208
00:49:24,589 --> 00:49:22,560
many of the people who have had lifelong

1209
00:49:26,150 --> 00:49:24,599
abductions first one reason or another

1210
00:49:27,710 --> 00:49:26,160
I'm sure Mary Rodwell might have

1211
00:49:29,510 --> 00:49:27,720
mentioned this it's like they're all

1212
00:49:31,730 --> 00:49:29,520
basically psychic all these people are

1213
00:49:33,829 --> 00:49:31,740

just they're naturally psychic and

1214

00:49:36,050 --> 00:49:33,839

sometimes the reason why these military

1215

00:49:37,609 --> 00:49:36,060

groups take them is because they were

1216

00:49:39,109 --> 00:49:37,619

already psychic as children and then

1217

00:49:41,030 --> 00:49:39,119

they want to turn around and use them

1218

00:49:43,550 --> 00:49:41,040

and these other projects and use them as

1219

00:49:45,290 --> 00:49:43,560

remote viewers or psychic spies or or

1220

00:49:47,210 --> 00:49:45,300

whatever and they're doing these other

1221

00:49:49,849 --> 00:49:47,220

things clandestinely and they're hiding

1222

00:49:52,670 --> 00:49:49,859

under some like an alien abduction

1223

00:49:54,770 --> 00:49:52,680

so it's through the people who've had

1224

00:49:56,450 --> 00:49:54,780

more Clairvoyant perception that they're

1225

00:49:58,130 --> 00:49:56,460

able to see a little bit more of what's

1226

00:49:59,870 --> 00:49:58,140

going on they just can get a little bit

1227

00:50:01,609 --> 00:49:59,880

bigger picture

1228

00:50:04,370 --> 00:50:01,619

but I don't think that means that they

1229

00:50:07,370 --> 00:50:04,380

can't be deceived by the entities that

1230

00:50:09,829 --> 00:50:07,380

are masquerading and doing things

1231

00:50:11,870 --> 00:50:09,839

in fact one of the things that that I

1232

00:50:14,089 --> 00:50:11,880

believe is like the hugest thing that we

1233

00:50:17,030 --> 00:50:14,099

can do to empower ourselves as humans is

1234

00:50:19,670 --> 00:50:17,040

number one we need to be able to recover

1235

00:50:21,349 --> 00:50:19,680

and heal from complex trauma and truly

1236

00:50:23,569 --> 00:50:21,359

understand online a purely human

1237

00:50:25,010 --> 00:50:23,579

psychological level and the body and the

1238

00:50:27,470 --> 00:50:25,020

nervous system okay that's real simple

1239

00:50:30,410 --> 00:50:27,480

science and then if we could truly

1240

00:50:32,210 --> 00:50:30,420

recover and get what we truly need and

1241

00:50:35,630 --> 00:50:32,220

and you know go through recovery that

1242

00:50:37,849 --> 00:50:35,640

way that will help one level of not

1243

00:50:40,150 --> 00:50:37,859

being vulnerable but the other level is

1244

00:50:43,069 --> 00:50:40,160

spiritual deception which actually

1245

00:50:45,829 --> 00:50:43,079

blocks your ability to perceive clearly

1246

00:50:47,630 --> 00:50:45,839

what your eternal spirit and quote the

1247

00:50:51,109 --> 00:50:47,640

spirit of the all that is that is good

1248

00:50:52,670 --> 00:50:51,119

would be trying to tell you so what we

1249

00:50:54,890 --> 00:50:52,680

noticed what was happening this is part

1250

00:50:57,230 --> 00:50:54,900

of Dr Corrado malanga's research of

1251
00:50:59,569 --> 00:50:57,240
Italy who work with abductees and he

1252
00:51:02,870 --> 00:50:59,579
found that these entities that are let's

1253
00:51:04,309 --> 00:51:02,880
say not as benevolent they we have

1254
00:51:06,530 --> 00:51:04,319
something that they don't have therefore

1255
00:51:08,990 --> 00:51:06,540
they want it okay so it's kind of like

1256
00:51:10,670 --> 00:51:09,000
the eternal spirit battery they want so

1257
00:51:12,829 --> 00:51:10,680
they could live through us like

1258
00:51:15,770 --> 00:51:12,839
parasites and just kind of put in their

1259
00:51:17,569 --> 00:51:15,780
flash drive of Consciousness mind and

1260
00:51:20,210 --> 00:51:17,579
then live through us and have us do what

1261
00:51:23,510 --> 00:51:20,220
they want us to do and to believe and so

1262
00:51:26,210 --> 00:51:23,520
they could interfere in the ability to

1263
00:51:28,670 --> 00:51:26,220

perceive and communicate with our higher

1264

00:51:30,829 --> 00:51:28,680

self for example and then be able to

1265

00:51:33,049 --> 00:51:30,839

pretend they're our spirit guide or

1266

00:51:35,630 --> 00:51:33,059

there may be a past life memory or we we

1267

00:51:37,490 --> 00:51:35,640

are an alien in a past life or make us

1268

00:51:40,010 --> 00:51:37,500

think things and have downloads and

1269

00:51:43,069 --> 00:51:40,020

memories that really come from a

1270

00:51:45,250 --> 00:51:43,079

different place so this is where this is

1271

00:51:48,710 --> 00:51:45,260

where we have to be absolutely

1272

00:51:51,230 --> 00:51:48,720

uh serious and honest about wanting to

1273

00:51:54,230 --> 00:51:51,240

connect with the most high regardless of

1274

00:51:56,089 --> 00:51:54,240

what we were believing before and on the

1275

00:51:58,190 --> 00:51:56,099

only the truth no matter how hard it

1276

00:52:01,069 --> 00:51:58,200

hurts so that we can connect with the

1277

00:52:03,049 --> 00:52:01,079

most high and have that show us so we

1278

00:52:05,690 --> 00:52:03,059

can receive the truth and then be able

1279

00:52:08,329 --> 00:52:05,700

to perceive how that comes to us in our

1280

00:52:11,030 --> 00:52:08,339

unique way to show us what the truth is

1281

00:52:12,890 --> 00:52:11,040

about anything going on in our life and

1282

00:52:15,290 --> 00:52:12,900

then the spirit does come through in

1283

00:52:17,150 --> 00:52:15,300

many miraculous ways it doesn't matter I

1284

00:52:19,609 --> 00:52:17,160

don't think it doesn't matter your faith

1285

00:52:21,650 --> 00:52:19,619

and I think the more faith you have in

1286

00:52:23,630 --> 00:52:21,660

something good the more it can

1287

00:52:25,970 --> 00:52:23,640

communicate with you and actually show

1288

00:52:28,190 --> 00:52:25,980

you what's going on

1289

00:52:30,770 --> 00:52:28,200

and so that's that's the way to go you

1290

00:52:32,390 --> 00:52:30,780

have to be really honest and not want to

1291

00:52:34,430 --> 00:52:32,400

believe in something that feels good

1292

00:52:36,829 --> 00:52:34,440

because it makes you feel popular or

1293

00:52:39,109 --> 00:52:36,839

whatever the channeled messages are but

1294

00:52:41,390 --> 00:52:39,119

just be completely honest and open about

1295

00:52:43,609 --> 00:52:41,400

the absolute truth no matter what it is

1296

00:52:46,130 --> 00:52:43,619

so that you could receive it in from

1297

00:52:47,870 --> 00:52:46,140

your own internal natural resources to

1298

00:52:50,630 --> 00:52:47,880

the connection to your eternal spirit

1299

00:52:52,190 --> 00:52:50,640

and that's where where we need to go

1300

00:52:53,930 --> 00:52:52,200

with it that's when we find the truth

1301

00:52:57,049 --> 00:52:53,940

that's what I believe

1302

00:52:59,329 --> 00:52:57,059

I I love that I love so many things

1303

00:53:01,250 --> 00:52:59,339

about that I'm challenged though with

1304

00:53:03,049 --> 00:53:01,260

some of that in terms of

1305

00:53:05,390 --> 00:53:03,059

like when you jump in and say you know

1306

00:53:07,250 --> 00:53:05,400

they live through us it's some kind of

1307

00:53:09,890 --> 00:53:07,260

harvesting of energy and stuff like that

1308

00:53:11,990 --> 00:53:09,900

we don't know that I don't think we know

1309

00:53:13,730 --> 00:53:12,000

that and and I can understand that that

1310

00:53:15,530 --> 00:53:13,740

is your experience from you know working

1311

00:53:18,349 --> 00:53:15,540

with these people but

1312

00:53:21,770 --> 00:53:18,359

again I keep coming back to the tagline

1313

00:53:24,829 --> 00:53:21,780

or the ethos of skeptical inquiry to

1314

00:53:28,250 --> 00:53:24,839

perpetuate doubt I think doubt is a

1315

00:53:32,210 --> 00:53:28,260

spiritual thing I think that greater

1316

00:53:35,870 --> 00:53:32,220

love light truth that we know is there

1317

00:53:38,809 --> 00:53:35,880

doesn't want us to be certain certainty

1318

00:53:41,030 --> 00:53:38,819

is for something else is for another

1319

00:53:43,130 --> 00:53:41,040

realm another realm of knowing when

1320

00:53:44,569 --> 00:53:43,140

everything is known in that other realm

1321

00:53:46,849 --> 00:53:44,579

that's what people tell us from that

1322

00:53:49,309 --> 00:53:46,859

other realm is I knew everything

1323

00:53:51,410 --> 00:53:49,319

you couldn't even ask a question and the

1324

00:53:54,049 --> 00:53:51,420

answer came into my head and then I was

1325

00:53:56,450 --> 00:53:54,059

put back down in this time space reality

1326
00:54:00,770 --> 00:53:56,460
and not so much of knowing everything

1327
00:54:04,370 --> 00:54:00,780
but where I was trying to go with that

1328
00:54:08,390 --> 00:54:04,380
and you did take us there is that if we

1329
00:54:11,210 --> 00:54:08,400
want to look at malevolent entities in

1330
00:54:14,089 --> 00:54:11,220
this extended Consciousness Realm we

1331
00:54:16,370 --> 00:54:14,099
have a lot of anthropological support

1332
00:54:18,890 --> 00:54:16,380
for that we can go look at all these

1333
00:54:20,329 --> 00:54:18,900
cultures where they'll tell you exactly

1334
00:54:23,329 --> 00:54:20,339
the kind of stories you're talking about

1335
00:54:25,849 --> 00:54:23,339
from the shamanic experience going over

1336
00:54:28,370 --> 00:54:25,859
in the shamanic dream and having

1337
00:54:30,710 --> 00:54:28,380
always it's always serpents or it's

1338
00:54:32,210 --> 00:54:30,720

crocodiles or it's whatever and they're

1339

00:54:35,030 --> 00:54:32,220

coming in and they're interfering

1340

00:54:37,490 --> 00:54:35,040

they'll have spells being cast on people

1341

00:54:39,470 --> 00:54:37,500

to break up lovers or to bring lovers

1342

00:54:41,450 --> 00:54:39,480

together all the stuff you're talking

1343

00:54:45,790 --> 00:54:41,460

about is there in the shamanic

1344

00:54:49,250 --> 00:54:45,800

Traditions with no ET overlay on it so

1345

00:54:52,670 --> 00:54:49,260

that makes me wonder should we be

1346

00:54:54,950 --> 00:54:52,680

considering that without E.T without

1347

00:54:57,170 --> 00:54:54,960

non-human intelligence and what does

1348

00:54:58,970 --> 00:54:57,180

that tell us about non-human

1349

00:55:00,470 --> 00:54:58,980

intelligence and the other thing because

1350

00:55:02,450 --> 00:55:00,480

I like to throw so many things on the

1351

00:55:04,790 --> 00:55:02,460

table all at once is

1352

00:55:07,430 --> 00:55:04,800

I don't think Mary Rodwell would come

1353

00:55:10,730 --> 00:55:07,440

down on the same side you guys do in

1354

00:55:14,089 --> 00:55:10,740

terms of these beings being all negative

1355

00:55:16,430 --> 00:55:14,099

she sees a lot more positive beings in

1356

00:55:18,829 --> 00:55:16,440

the non-human intelligence realm and

1357

00:55:22,490 --> 00:55:18,839

what she does is kind of say the my lab

1358

00:55:24,770 --> 00:55:22,500

stuff is she's kind of

1359

00:55:28,010 --> 00:55:24,780

she's if you will to me a little bit too

1360

00:55:31,250 --> 00:55:28,020

much segmenting all the negative stuff

1361

00:55:32,930 --> 00:55:31,260

oh that's all my lab which yeah I don't

1362

00:55:34,970 --> 00:55:32,940

think makes I don't think makes sense

1363

00:55:37,010 --> 00:55:34,980

but I don't think it makes sense to say

1364

00:55:39,710 --> 00:55:37,020

oh this is all dark you know this is

1365

00:55:42,069 --> 00:55:39,720

everything that E.T is doing is is all

1366

00:55:44,390 --> 00:55:42,079

dark it's a there's too much

1367

00:55:46,250 --> 00:55:44,400

genuine spiritual experiences that

1368

00:55:48,530 --> 00:55:46,260

people are having there there's some of

1369

00:55:51,170 --> 00:55:48,540

it there's healing which is hard to kind

1370

00:55:53,150 --> 00:55:51,180

of see in any other way as helping

1371

00:55:54,530 --> 00:55:53,160

people get on with their life there is a

1372

00:55:56,030 --> 00:55:54,540

lot of negative stuff which you're

1373

00:55:58,609 --> 00:55:56,040

pointing out and I don't want to lost

1374

00:56:00,950 --> 00:55:58,619

that over but I'm trying to kind of

1375

00:56:03,230 --> 00:56:00,960

paint a landscape that's more complex

1376

00:56:04,910 --> 00:56:03,240

that isn't so siled which is what I see

1377

00:56:06,950 --> 00:56:04,920

happening all over the place like the

1378

00:56:10,309 --> 00:56:06,960

hegelian dialectic they always get

1379

00:56:12,170 --> 00:56:10,319

there's always like a a polarization to

1380

00:56:14,450 --> 00:56:12,180

try to make it simple and you know it's

1381

00:56:16,130 --> 00:56:14,460

either this or that and I I kind of

1382

00:56:19,490 --> 00:56:16,140

understand that but one of the things

1383

00:56:21,650 --> 00:56:19,500

that was a problem with people that had

1384

00:56:22,970 --> 00:56:21,660

come to me or in the early days let's

1385

00:56:25,069 --> 00:56:22,980

say people who were in these super

1386

00:56:27,170 --> 00:56:25,079

soldier projects like the Montauk boys

1387

00:56:29,770 --> 00:56:27,180

and even some of the earlier secret

1388

00:56:32,450 --> 00:56:29,780

Space Project they called it special

1389

00:56:34,690 --> 00:56:32,460

unacknowledged access projects or

1390

00:56:37,910 --> 00:56:34,700

whatever right but many of them had

1391

00:56:40,309 --> 00:56:37,920

trauma and gosh so much trauma and

1392

00:56:43,010 --> 00:56:40,319

programming but uh

1393

00:56:45,530 --> 00:56:43,020

different beings having interacted with

1394

00:56:47,390 --> 00:56:45,540

them as well as human military in these

1395

00:56:49,370 --> 00:56:47,400

secret projects and then when they

1396

00:56:51,470 --> 00:56:49,380

discovered what was going on with them

1397

00:56:53,569 --> 00:56:51,480

they would search the ends of the Earth

1398

00:56:55,849 --> 00:56:53,579

you know going to Nepal and Tibet and

1399

00:56:58,069 --> 00:56:55,859

going to different yogis and gurus and

1400

00:57:00,109 --> 00:56:58,079

and you know begging for help and asking

1401
00:57:01,730 --> 00:57:00,119
for help and trying to do exorcisms and

1402
00:57:04,490 --> 00:57:01,740
it's like nobody could help them they're

1403
00:57:06,950 --> 00:57:04,500
like sorry I guess it's your karma and

1404
00:57:10,069 --> 00:57:06,960
and they were really a lot of people

1405
00:57:12,710 --> 00:57:10,079
were they were sunned and not understood

1406
00:57:14,270 --> 00:57:12,720
and it and it made me wonder like wait a

1407
00:57:16,730 --> 00:57:14,280
minute here if there's these people

1408
00:57:18,410 --> 00:57:16,740
claiming that they're friggin gurus and

1409
00:57:20,030 --> 00:57:18,420
they know all about Enlightenment and

1410
00:57:22,130 --> 00:57:20,040
they can't help one of these people in

1411
00:57:24,650 --> 00:57:22,140
one of these projects they don't their

1412
00:57:26,770 --> 00:57:24,660
religion is missing something

1413
00:57:29,750 --> 00:57:26,780

and this is what made me question

1414

00:57:32,569 --> 00:57:29,760

there's some kind of intelligence or a

1415

00:57:34,490 --> 00:57:32,579

force that's what I call it enabling the

1416

00:57:36,410 --> 00:57:34,500

Predator parasite programming within

1417

00:57:38,690 --> 00:57:36,420

religions and certain spiritual

1418

00:57:40,010 --> 00:57:38,700

narratives and traditions that are

1419

00:57:43,430 --> 00:57:40,020

missing something really really

1420

00:57:45,470 --> 00:57:43,440

important and and I know that one of the

1421

00:57:49,309 --> 00:57:45,480

simple things they're missing is they're

1422

00:57:52,250 --> 00:57:49,319

bypassing the the real importance of

1423

00:57:54,770 --> 00:57:52,260

recovering from complex trauma even from

1424

00:57:56,510 --> 00:57:54,780

just a simple psychological level but

1425

00:57:58,970 --> 00:57:56,520

somehow they're not dealing with the

1426
00:58:01,730 --> 00:57:58,980
attached entity business and they're not

1427
00:58:05,030 --> 00:58:01,740
able to truly deal with that effectively

1428
00:58:07,069 --> 00:58:05,040
even with their own faith because

1429
00:58:09,349 --> 00:58:07,079
there's something's been omitted in

1430
00:58:11,510 --> 00:58:09,359
terms of their thoroughness of

1431
00:58:13,490 --> 00:58:11,520
understanding of how things work

1432
00:58:16,010 --> 00:58:13,500
what about the whole samskara stuff

1433
00:58:18,829 --> 00:58:16,020
you're familiar with the yoga tradition

1434
00:58:22,730 --> 00:58:18,839
a lot I mean does it to me when you say

1435
00:58:25,490 --> 00:58:22,740
that it's like Evie that is exactly the

1436
00:58:28,010 --> 00:58:25,500
practice of the release of the samskara

1437
00:58:30,650 --> 00:58:28,020
you know is that you can create the the

1438
00:58:33,049 --> 00:58:30,660

example I always love is I first heard

1439

00:58:34,849 --> 00:58:33,059

from a Mickey singer the untethered Soul

1440

00:58:37,250 --> 00:58:34,859

which is a super popular book and a

1441

00:58:39,589 --> 00:58:37,260

western guy but he was like

1442

00:58:41,390 --> 00:58:39,599

this is like to me is like right out of

1443

00:58:44,150 --> 00:58:41,400

your practice and working with people is

1444

00:58:47,569 --> 00:58:44,160

I'm driving down the road and I see this

1445

00:58:50,750 --> 00:58:47,579

blue Corvette go by and there's my

1446

00:58:52,010 --> 00:58:50,760

girlfriend with this guy and they're

1447

00:58:53,690 --> 00:58:52,020

just having a good old time and they're

1448

00:58:57,349 --> 00:58:53,700

making out there all this stuff and I'm

1449

00:59:00,410 --> 00:58:57,359

like you know boom I just go off and

1450

00:59:03,049 --> 00:59:00,420

then later I come to understand that no

1451

00:59:05,809 --> 00:59:03,059

that wasn't my girlfriend it just looked

1452

00:59:09,170 --> 00:59:05,819

like my girlfriend but

1453

00:59:11,750 --> 00:59:09,180

every time I see a blue Corvette boom my

1454

00:59:14,870 --> 00:59:11,760

body just goes off and I have this flood

1455

00:59:16,910 --> 00:59:14,880

of emotions so from a yogic perspective

1456

00:59:19,190 --> 00:59:16,920

they'd say well you have a samskara

1457

00:59:21,470 --> 00:59:19,200

there is God's energy that's flowing

1458

00:59:23,990 --> 00:59:21,480

through you and you've blocked it in a

1459

00:59:26,750 --> 00:59:24,000

way and you've probably blocked it in a

1460

00:59:28,130 --> 00:59:26,760

million ways including stuff that you

1461

00:59:30,410 --> 00:59:28,140

came in with that you weren't even

1462

00:59:32,150 --> 00:59:30,420

responsible for but they would explain

1463

00:59:35,030 --> 00:59:32,160

that in a very direct way and they'd say

1464

00:59:36,829 --> 00:59:35,040

here's how you release those but get

1465

00:59:38,750 --> 00:59:36,839

ready because you got a million of them

1466

00:59:40,370 --> 00:59:38,760

to release so it's a you know you're not

1467

00:59:42,890 --> 00:59:40,380

going to get through them all but you're

1468

00:59:45,230 --> 00:59:42,900

going to to me that is a direct parallel

1469

00:59:47,210 --> 00:59:45,240

with exactly what you're saying and I I

1470

00:59:50,270 --> 00:59:47,220

think it makes a lot of sense is that

1471

00:59:54,170 --> 00:59:50,280

complex trauma and then how to release

1472

00:59:56,930 --> 00:59:54,180

that and that that is nurturing our

1473

01:00:00,049 --> 00:59:56,940

inner true spirituality and connection

1474

01:00:02,329 --> 01:00:00,059

with the source so I'm totally down with

1475

01:00:05,270 --> 01:00:02,339

that part of it what do you see is

1476

01:00:07,670 --> 01:00:05,280

lacking from and couldn't we find that

1477

01:00:09,349 --> 01:00:07,680

in the mystical Christian tradition in

1478

01:00:10,130 --> 01:00:09,359

the Buddhist tradition in the okay go

1479

01:00:12,109 --> 01:00:10,140

ahead

1480

01:00:14,870 --> 01:00:12,119

well yeah I mean I believe that there is

1481

01:00:16,789 --> 01:00:14,880

a a deeper tradition of those who really

1482

01:00:19,370 --> 01:00:16,799

I don't know you can call it people who

1483

01:00:24,710 --> 01:00:19,380

really have the Holy Spirit or or they

1484

01:00:27,289 --> 01:00:24,720

really have a deeper connection because

1485

01:00:29,289 --> 01:00:27,299

their perception opens up so that

1486

01:00:33,170 --> 01:00:29,299

they're not blinded by their own

1487

01:00:35,930 --> 01:00:33,180

preconceived notions or dogmatic ways of

1488

01:00:37,789 --> 01:00:35,940

perceiving it's like

1489

01:00:40,490 --> 01:00:37,799

you know like well the Taoist would call

1490

01:00:42,410 --> 01:00:40,500

it spontaneous wisdom and the Christians

1491

01:00:43,910 --> 01:00:42,420

would call it the Holy Spirit and it the

1492

01:00:45,890 --> 01:00:43,920

holy spirit's usually imbued with love

1493

01:00:48,530 --> 01:00:45,900

and and mercy but it could also give you

1494

01:00:50,329 --> 01:00:48,540

spontaneous wisdom of the direct

1495

01:00:53,450 --> 01:00:50,339

perception of what's going on with this

1496

01:00:55,430 --> 01:00:53,460

person and and knowing what it just

1497

01:00:57,109 --> 01:00:55,440

shows you what's going on and I think

1498

01:00:59,510 --> 01:00:57,119

the same thing happens with people who

1499

01:01:03,530 --> 01:00:59,520

are really connected and then it gives

1500

01:01:05,510 --> 01:01:03,540

them insight into how to proceed uh in

1501

01:01:07,970 --> 01:01:05,520

life and how to maybe help people if

1502

01:01:10,250 --> 01:01:07,980

they're open but that that's not always

1503

01:01:12,710 --> 01:01:10,260

easy like one of the difficulties that

1504

01:01:14,809 --> 01:01:12,720

I've run across with many people

1505

01:01:18,349 --> 01:01:14,819

um they had once they uncovered let's

1506

01:01:20,150 --> 01:01:18,359

say the dark underbelly of what you know

1507

01:01:22,609 --> 01:01:20,160

secret societies are the ones

1508

01:01:24,230 --> 01:01:22,619

controlling let's say the dark side of

1509

01:01:25,250 --> 01:01:24,240

the earth if they want to keep it secret

1510

01:01:27,289 --> 01:01:25,260

and they don't want you to know the

1511

01:01:29,569 --> 01:01:27,299

whole thing and then you bring up too

1512

01:01:32,210 --> 01:01:29,579

much attention or influence on a certain

1513

01:01:34,730 --> 01:01:32,220

aspect of the ufology for example then

1514

01:01:36,589 --> 01:01:34,740

you become a targeted individual and so

1515

01:01:39,589 --> 01:01:36,599

what happens with targeted vigils

1516

01:01:42,890 --> 01:01:39,599

sometimes it's technology sometimes it's

1517

01:01:45,230 --> 01:01:42,900

direct you can relate it to human you

1518

01:01:47,150 --> 01:01:45,240

know them doing stuff to your bank

1519

01:01:48,470 --> 01:01:47,160

account or they're gang stalking you and

1520

01:01:50,170 --> 01:01:48,480

there's a whole there's a whole thing

1521

01:01:52,789 --> 01:01:50,180

with that but there is a technology

1522

01:01:54,650 --> 01:01:52,799

that's related to very Advanced

1523

01:01:57,470 --> 01:01:54,660

Technologies that it could actually

1524

01:02:00,589 --> 01:01:57,480

explain a lot of some of the alien and

1525

01:02:03,109 --> 01:02:00,599

my lab stuff that people think are

1526

01:02:05,210 --> 01:02:03,119

coming from Aliens so that there are

1527

01:02:07,370 --> 01:02:05,220

technologies that could affect you on

1528

01:02:09,770 --> 01:02:07,380

very deep and even spiritual levels now

1529

01:02:12,010 --> 01:02:09,780

that's being employed to try to prevent

1530

01:02:15,650 --> 01:02:12,020

people from bringing to light

1531

01:02:18,589 --> 01:02:15,660

truth or you know different aspects so

1532

01:02:21,410 --> 01:02:18,599

that people could wake up to actually

1533

01:02:23,329 --> 01:02:21,420

have solutions to what the problems are

1534

01:02:26,030 --> 01:02:23,339

so that there are forces that are trying

1535

01:02:27,470 --> 01:02:26,040

to prevent people but and that's what I

1536

01:02:29,270 --> 01:02:27,480

run across is like people who are

1537

01:02:31,069 --> 01:02:29,280

actually being targeted and they're

1538

01:02:32,690 --> 01:02:31,079

trying to get out from under it and

1539

01:02:34,549 --> 01:02:32,700

working through all these quote

1540

01:02:36,650 --> 01:02:34,559

psychological ways of doing it but but

1541

01:02:38,150 --> 01:02:36,660

it ain't working because maybe there's

1542

01:02:40,549 --> 01:02:38,160

so there's something else that we don't

1543

01:02:43,549 --> 01:02:40,559

know and but we're finding out more all

1544

01:02:48,049 --> 01:02:43,559

the time and and I think that's good

1545

01:02:50,390 --> 01:02:48,059

so yeah and it's super important work

1546

01:02:53,690 --> 01:02:50,400

and you're bringing a lot forward that

1547

01:02:56,329 --> 01:02:53,700

we definitely need to get out there and

1548

01:02:59,270 --> 01:02:56,339

sort through and process and I know I've

1549

01:03:01,010 --> 01:02:59,280

kind of pushed back in a lot of ways but

1550

01:03:02,390 --> 01:03:01,020

I also want to at the same time as I

1551

01:03:05,450 --> 01:03:02,400

said in the beginning

1552

01:03:09,410 --> 01:03:05,460

kind of connect this with the Normie

1553

01:03:12,349 --> 01:03:09,420

World in a way that helps us see how

1554

01:03:15,289 --> 01:03:12,359

completely ridiculous that is at the

1555

01:03:18,049 --> 01:03:15,299

same time because you know we we have

1556

01:03:20,870 --> 01:03:18,059

disclosure now which is like an

1557

01:03:23,210 --> 01:03:20,880

unbelievable well it's a fake it's a

1558

01:03:26,210 --> 01:03:23,220

fake disclosure it's a very limited

1559

01:03:28,609 --> 01:03:26,220

hangout disclosure but I mean who you've

1560

01:03:30,890 --> 01:03:28,619

been at this for long enough and I have

1561

01:03:33,349 --> 01:03:30,900

two not to the extent that you have but

1562

01:03:35,390 --> 01:03:33,359

who would have ever thought that the New

1563

01:03:39,230 --> 01:03:35,400

York Times would run the story and say

1564

01:03:41,589 --> 01:03:39,240

here they are here's the video and you

1565

01:03:44,450 --> 01:03:41,599

know that the Senate

1566

01:03:46,130 --> 01:03:44,460

that Congress would say hey we have to

1567

01:03:49,210 --> 01:03:46,140

start looking at this because we do have

1568

01:03:52,190 --> 01:03:49,220

these there is an orchestrated

1569

01:03:54,230 --> 01:03:52,200

manipulative but there is a kind of

1570

01:03:56,750 --> 01:03:54,240

disclosure that makes it undeniable and

1571

01:03:59,210 --> 01:03:56,760

yet at the same time when we look at the

1572

01:04:00,170 --> 01:03:59,220

people who are our public intellectuals

1573

01:04:04,549 --> 01:04:00,180

and

1574

01:04:07,430 --> 01:04:04,559

listened to his show but he talks about

1575

01:04:10,010 --> 01:04:07,440

this like there is no disclosure and he

1576

01:04:12,470 --> 01:04:10,020

has avilopram Harvard on and he talks

1577

01:04:14,390 --> 01:04:12,480

about anomalous things but they pretend

1578

01:04:17,569 --> 01:04:14,400

like they haven't seen the Tic Tac

1579

01:04:19,789 --> 01:04:17,579

videos it's like what are we trying to

1580

01:04:22,370 --> 01:04:19,799

do what is going on here for a lot of us

1581

01:04:25,309 --> 01:04:22,380

we're kind of like you know what what

1582

01:04:27,410 --> 01:04:25,319

game is being played the other thing I

1583

01:04:30,710 --> 01:04:27,420

would connect it to and I I want to get

1584

01:04:33,589 --> 01:04:30,720

into this as well with you is the MK

1585

01:04:36,890 --> 01:04:33,599

Ultra stuff is super important to this

1586

01:04:39,289 --> 01:04:36,900

and it's been outed I mean I sent you

1587

01:04:41,930 --> 01:04:39,299

the link to Annie Jacobson's book I mean

1588

01:04:45,530 --> 01:04:41,940

Annie Jacobson has 10 million views with

1589

01:04:46,490 --> 01:04:45,540

Rogan she pulls up way short uh with her

1590

01:04:48,470 --> 01:04:46,500

book

1591

01:04:50,690 --> 01:04:48,480

um it's a limited hangout kind of thing

1592

01:04:52,870 --> 01:04:50,700

but give her credit it is the most

1593

01:04:56,390 --> 01:04:52,880

thorough uh

1594

01:05:00,470 --> 01:04:56,400

explanation of the whole MK Ultra

1595

01:05:03,230 --> 01:05:00,480

project starting with uh puerich and his

1596

01:05:05,750 --> 01:05:03,240

talking to the nine then the council and

1597

01:05:07,849 --> 01:05:05,760

you get all the all the E.T stuff is in

1598

01:05:10,250 --> 01:05:07,859

there as well and but then she brings it

1599

01:05:12,970 --> 01:05:10,260

up to date with in terms of the mind

1600

01:05:15,650 --> 01:05:12,980

control stuff it's well freaking

1601
01:05:18,109 --> 01:05:15,660
documented so anyone who's coming at

1602
01:05:20,390 --> 01:05:18,119
this from a normie perspective and

1603
01:05:22,309 --> 01:05:20,400
calling into question anything that you

1604
01:05:24,410 --> 01:05:22,319
just said needs to go read that freaking

1605
01:05:26,390 --> 01:05:24,420
book because it's all right parent for

1606
01:05:28,430 --> 01:05:26,400
you it's like hell yes we were doing

1607
01:05:30,530 --> 01:05:28,440
that we're doing every kind of mind

1608
01:05:33,770 --> 01:05:30,540
control imaginable and it wasn't just

1609
01:05:37,069 --> 01:05:33,780
giving people LSD it was Manchurian

1610
01:05:38,809 --> 01:05:37,079
Candidate but it was also demonic let's

1611
01:05:40,730 --> 01:05:38,819
bring in the Demonic guy let's see what

1612
01:05:44,089 --> 01:05:40,740
we can do let's do disassociative

1613
01:05:46,190 --> 01:05:44,099

identity disorder uh by uh on demand you

1614

01:05:48,530 --> 01:05:46,200

know I interviewed Whitley streamer a

1615

01:05:50,349 --> 01:05:48,540

couple times that is his experience you

1616

01:05:54,049 --> 01:05:50,359

know being

1617

01:05:56,089 --> 01:05:54,059

recruited into an Air Force program for

1618

01:05:57,470 --> 01:05:56,099

gifted children because it's dead and

1619

01:05:59,030 --> 01:05:57,480

going in there and seeing the kids in

1620

01:06:01,010 --> 01:05:59,040

Faraday cages and they're cutting

1621

01:06:03,230 --> 01:06:01,020

rabbits heads off and saying if you ever

1622

01:06:06,049 --> 01:06:03,240

say any of this and kind of traumatizing

1623

01:06:08,329 --> 01:06:06,059

me doing this this is all over the

1624

01:06:10,250 --> 01:06:08,339

place in terms of documents

1625

01:06:12,170 --> 01:06:10,260

yeah that's the my lab thing where I

1626
01:06:14,630 --> 01:06:12,180
mean it's and it's trauma-based mind

1627
01:06:17,150 --> 01:06:14,640
control taken to all these other levels

1628
01:06:19,370 --> 01:06:17,160
of interacting in and out of time and

1629
01:06:21,349 --> 01:06:19,380
and is they really are doing these

1630
01:06:23,690 --> 01:06:21,359
things which is the reason why we need

1631
01:06:26,809 --> 01:06:23,700
to understand how trauma affects the

1632
01:06:28,789 --> 01:06:26,819
brain and how to restore our our balance

1633
01:06:31,549 --> 01:06:28,799
and then actually have more abilities

1634
01:06:33,230 --> 01:06:31,559
than we would have if we hadn't had that

1635
01:06:35,510 --> 01:06:33,240
actually they're what they're doing I

1636
01:06:37,670 --> 01:06:35,520
know it sounds nuts but they're they're

1637
01:06:40,309 --> 01:06:37,680
activating what they call the metagene

1638
01:06:42,529 --> 01:06:40,319

and I guess that's just a term whether

1639

01:06:45,049 --> 01:06:42,539

or not it's real but they'll traumatize

1640

01:06:47,510 --> 01:06:45,059

a lot of people sometimes killing them

1641

01:06:48,890 --> 01:06:47,520

because they they work with many right I

1642

01:06:50,569 --> 01:06:48,900

mean these are the black projects they'd

1643

01:06:53,390 --> 01:06:50,579

never want you to know about and then

1644

01:06:55,430 --> 01:06:53,400

they try to get some to activate like an

1645

01:06:57,230 --> 01:06:55,440

ability to do things like supernatural

1646

01:06:59,930 --> 01:06:57,240

abilities like the X-Men kind of thing

1647

01:07:01,609 --> 01:06:59,940

like bi-locating or you know popping in

1648

01:07:03,230 --> 01:07:01,619

and out of time or doing whatever and

1649

01:07:05,569 --> 01:07:03,240

then certain people can do these things

1650

01:07:07,789 --> 01:07:05,579

when they're pushed to certain traumas

1651
01:07:09,589 --> 01:07:07,799
of dissociation and then they have these

1652
01:07:12,109 --> 01:07:09,599
abilities pop out but they can only do

1653
01:07:13,849 --> 01:07:12,119
it during certain triggers so the whole

1654
01:07:15,349 --> 01:07:13,859
idea with a lot of these Montauk boys

1655
01:07:17,450 --> 01:07:15,359
and these people who realized they were

1656
01:07:19,730 --> 01:07:17,460
in these secret space programs is to

1657
01:07:22,250 --> 01:07:19,740
recover and integrate their traumas

1658
01:07:24,890 --> 01:07:22,260
release the Demonic and all the icky

1659
01:07:27,710 --> 01:07:24,900
mind control triggers and restore their

1660
01:07:29,990 --> 01:07:27,720
true and natural real abilities that

1661
01:07:32,270 --> 01:07:30,000
they have and then start using it for

1662
01:07:36,190 --> 01:07:32,280
the good and start helping others and

1663
01:07:41,630 --> 01:07:38,690

what do you mean on that last part

1664

01:07:44,690 --> 01:07:41,640

that's what who is trying to do

1665

01:07:48,710 --> 01:07:44,700

who this has been going on for a long

1666

01:07:51,950 --> 01:07:48,720

time actually well I mean has it been

1667

01:07:54,710 --> 01:07:51,960

going on for 788 000 years I think it

1668

01:07:57,890 --> 01:07:54,720

has I interviewed Bruce Fenton and he

1669

01:08:00,410 --> 01:07:57,900

shows kind of a genetic record and uh so

1670

01:08:02,390 --> 01:08:00,420

shows techno signatures or you know look

1671

01:08:05,690 --> 01:08:02,400

at the same thing with the MK Ultra

1672

01:08:07,789 --> 01:08:05,700

project part of it is the whole Stargate

1673

01:08:09,170 --> 01:08:07,799

thing and the remote viewing thing and

1674

01:08:12,650 --> 01:08:09,180

if you look at those guys when they

1675

01:08:15,170 --> 01:08:12,660

remote view Mars they see people over

1676

01:08:17,410 --> 01:08:15,180

there I don't know if they're us or if

1677

01:08:19,370 --> 01:08:17,420

they're non-human intelligences from

1678

01:08:22,430 --> 01:08:19,380

extraterrestrials but this is a million

1679

01:08:26,090 --> 01:08:22,440

years ago right and if you go look at Dr

1680

01:08:29,749 --> 01:08:26,100

uh John Brandenburg and uh it's the

1681

01:08:33,289 --> 01:08:29,759

nuclear bomb Trace elements and the

1682

01:08:36,349 --> 01:08:33,299

Isotopes from Mars he's a astrophysicist

1683

01:08:39,050 --> 01:08:36,359

he's a solid guy you know he's very

1684

01:08:41,030 --> 01:08:39,060

published peer-reviewed papers on that I

1685

01:08:41,990 --> 01:08:41,040

I think the time the other thing that

1686

01:08:46,070 --> 01:08:42,000

kind of

1687

01:08:47,930 --> 01:08:46,080

con want to compress the time frame down

1688

01:08:50,209 --> 01:08:47,940

and say what about Roswell that's when

1689

01:08:52,970 --> 01:08:50,219

this started now what if it started a

1690

01:08:55,249 --> 01:08:52,980

million years ago what if it started 750

1691

01:08:57,470 --> 01:08:55,259

000 years ago with ongoing genetic

1692

01:08:59,570 --> 01:08:57,480

manipulation the whole way isn't that

1693

01:09:02,269 --> 01:08:59,580

how why would why wouldn't it be that

1694

01:09:06,289 --> 01:09:02,279

way so when I hear you know

1695

01:09:07,970 --> 01:09:06,299

Corey Goode who now has outed himself as

1696

01:09:10,070 --> 01:09:07,980

you know not

1697

01:09:12,229 --> 01:09:10,080

telling the truth in his deposition or

1698

01:09:15,410 --> 01:09:12,239

whatever or any of this other recent

1699

01:09:18,229 --> 01:09:15,420

stuff I have a hard time kind of really

1700

01:09:20,209 --> 01:09:18,239

focusing on that is like okay this is it

1701

01:09:23,030 --> 01:09:20,219

you know buckle up it's all happening

1702

01:09:25,729 --> 01:09:23,040

right now I mean what do you think

1703

01:09:28,070 --> 01:09:25,739

well I know that these projects are

1704

01:09:31,430 --> 01:09:28,080

happening and many people don't go

1705

01:09:33,470 --> 01:09:31,440

public and they prefer not to so

1706

01:09:36,050 --> 01:09:33,480

I don't I know that there's something

1707

01:09:38,090 --> 01:09:36,060

going on and there has been for a long

1708

01:09:41,450 --> 01:09:38,100

time though I mean we're just in our

1709

01:09:43,610 --> 01:09:41,460

current ERA of technology and culture

1710

01:09:45,410 --> 01:09:43,620

that's just taking it to the degree that

1711

01:09:47,209 --> 01:09:45,420

it's going but I think this has been

1712

01:09:50,570 --> 01:09:47,219

going on for thousands of years through

1713

01:09:52,070 --> 01:09:50,580

ancient family lines and Cults and that

1714

01:09:53,930 --> 01:09:52,080

kind of thing

1715

01:09:55,970 --> 01:09:53,940

um from ancient Egypt and who knows

1716

01:09:57,169 --> 01:09:55,980

maybe Atlantis and some of these other

1717

01:09:58,790 --> 01:09:57,179

lemuria

1718

01:10:00,650 --> 01:09:58,800

I think these things have been going on

1719

01:10:03,110 --> 01:10:00,660

for a long time with the same kinds of

1720

01:10:05,090 --> 01:10:03,120

beings that they're connecting with to

1721

01:10:06,770 --> 01:10:05,100

work through certain human groups and

1722

01:10:08,750 --> 01:10:06,780

doing the same kinds of things maybe

1723

01:10:10,610 --> 01:10:08,760

they weren't as technologically the same

1724

01:10:12,890 --> 01:10:10,620

but then again maybe they were maybe

1725

01:10:15,110 --> 01:10:12,900

they were even more so

1726

01:10:16,370 --> 01:10:15,120

so well that's why you know the question

1727

01:10:19,550 --> 01:10:16,380

for me

1728

01:10:21,590 --> 01:10:19,560

for a while has been and I really pushed

1729

01:10:24,410 --> 01:10:21,600

Mary on this and I love she gave me a

1730

01:10:28,490 --> 01:10:24,420

really concise answer too but my kind of

1731

01:10:30,110 --> 01:10:28,500

cheeky question is does ET have an nde

1732

01:10:34,010 --> 01:10:30,120

does

1733

01:10:36,410 --> 01:10:34,020

ET have a Life review and so I had to

1734

01:10:38,450 --> 01:10:36,420

ask her that a few times she goes well

1735

01:10:42,350 --> 01:10:38,460

well yeah she goes I remember doing a

1736

01:10:46,370 --> 01:10:42,360

regression with a gentleman who went to

1737

01:10:49,970 --> 01:10:46,380

a past life where he was uh E.T he was

1738

01:10:51,110 --> 01:10:49,980

from another planet and he remem he

1739

01:10:53,930 --> 01:10:51,120

remembered

1740

01:10:55,790 --> 01:10:53,940

just kind of decimating this culture

1741

01:10:58,250 --> 01:10:55,800

which was just kind of a primitive

1742

01:10:59,870 --> 01:10:58,260

culture and he went in and they just you

1743

01:11:01,430 --> 01:10:59,880

know kind of wiped it out and did all

1744

01:11:03,830 --> 01:11:01,440

the stuff that we know from our

1745

01:11:07,550 --> 01:11:03,840

historical past you know has happened

1746

01:11:10,550 --> 01:11:07,560

both by us but also seems to have been

1747

01:11:12,410 --> 01:11:10,560

reported in their lore as happening from

1748

01:11:14,450 --> 01:11:12,420

other entities that came in and did this

1749

01:11:16,430 --> 01:11:14,460

and he's identifying with this and he's

1750

01:11:17,750 --> 01:11:16,440

having a very hard time dealing with

1751

01:11:20,870 --> 01:11:17,760

this because it wasn't a conscious

1752

01:11:21,590 --> 01:11:20,880

memory he had but it came up under

1753

01:11:25,010 --> 01:11:21,600

um

1754

01:11:27,830 --> 01:11:25,020

regression and as you know

1755

01:11:30,530 --> 01:11:27,840

people want to poo poo regression but

1756

01:11:33,550 --> 01:11:30,540

when you really push on the evidence for

1757

01:11:35,110 --> 01:11:33,560

regression it's highly highly uh

1758

01:11:38,750 --> 01:11:35,120

significantly

1759

01:11:41,270 --> 01:11:38,760

verifiable I mean people can bring

1760

01:11:43,669 --> 01:11:41,280

recover memories not in all cases it can

1761

01:11:46,250 --> 01:11:43,679

be you know misused but it can be a real

1762

01:11:50,110 --> 01:11:46,260

tool for memory but anyways the the

1763

01:11:53,750 --> 01:11:50,120

point back to that is she says yes E.T

1764

01:11:56,270 --> 01:11:53,760

does have an nde to me that is my only

1765

01:11:58,729 --> 01:11:56,280

way I can understand the hierarchy of

1766

01:12:01,550 --> 01:11:58,739

Consciousness is that because the

1767

01:12:03,950 --> 01:12:01,560

central most Salient point of the

1768

01:12:06,410 --> 01:12:03,960

near-death experience is

1769

01:12:07,430 --> 01:12:06,420

more than anything else is one it's

1770

01:12:09,530 --> 01:12:07,440

about love

1771

01:12:11,390 --> 01:12:09,540

it's about connection and and people

1772

01:12:13,310 --> 01:12:11,400

don't go fishing for that if you just go

1773

01:12:15,770 --> 01:12:13,320

and look at the accounts that's what

1774

01:12:18,350 --> 01:12:15,780

they say overwhelmingly over 90 but the

1775

01:12:20,870 --> 01:12:18,360

other thing is that you will be judged

1776

01:12:23,090 --> 01:12:20,880

you will be judged there is a right and

1777

01:12:26,390 --> 01:12:23,100

wrong there is a moral imperative and

1778

01:12:29,870 --> 01:12:26,400

you will be judged but you will be the

1779

01:12:31,729 --> 01:12:29,880

judge your soul will be the judge of

1780

01:12:33,169 --> 01:12:31,739

your actions your Deeds that's what

1781

01:12:35,030 --> 01:12:33,179

comes through from the near-death

1782

01:12:37,189 --> 01:12:35,040

experience science

1783

01:12:39,410 --> 01:12:37,199

so that's why to me the most relevant

1784

01:12:40,610 --> 01:12:39,420

question is is E.T going through that

1785

01:12:44,750 --> 01:12:40,620

same cycle

1786

01:12:46,910 --> 01:12:44,760

I believe from what I've seen is that I

1787

01:12:49,910 --> 01:12:46,920

suspect that E.T is

1788

01:12:52,130 --> 01:12:49,920

ET is in the School of Life whatever

1789

01:12:54,830 --> 01:12:52,140

that is broader than just down on this

1790

01:12:57,709 --> 01:12:54,840

planet and to me that makes the whole

1791

01:13:00,550 --> 01:12:57,719

thing seem a lot different than to think

1792

01:13:03,530 --> 01:13:00,560

it's some kind of Gnostic war against

1793

01:13:05,090 --> 01:13:03,540

good and bad but good doesn't really

1794

01:13:07,370 --> 01:13:05,100

have an upper hand we don't know who's

1795

01:13:08,750 --> 01:13:07,380

going to come out the the near-death

1796

01:13:10,729 --> 01:13:08,760

experience science kind of tells us

1797

01:13:14,750 --> 01:13:10,739

something different kind of tells us hey

1798

01:13:17,330 --> 01:13:14,760

man the light is a billion times more

1799

01:13:19,750 --> 01:13:17,340

powerful more meaningful than the dark

1800

01:13:23,330 --> 01:13:19,760

but you're going to play out this little

1801
01:13:25,310 --> 01:13:23,340
drama down here that's okay it's part of

1802
01:13:27,770 --> 01:13:25,320
the school it's part of the thing but

1803
01:13:30,410 --> 01:13:27,780
you're all going to be advancing based

1804
01:13:32,630 --> 01:13:30,420
on what you're able to do down here so I

1805
01:13:33,950 --> 01:13:32,640
laid a ton on the table there what are

1806
01:13:36,770 --> 01:13:33,960
some of your thoughts

1807
01:13:39,530 --> 01:13:36,780
well I mean who could I mean when people

1808
01:13:41,930 --> 01:13:39,540
have these experiences I can't question

1809
01:13:45,110 --> 01:13:41,940
them I think love is really important

1810
01:13:47,750 --> 01:13:45,120
and maybe having a perspective of how we

1811
01:13:50,689 --> 01:13:47,760
affect others in our different

1812
01:13:53,450 --> 01:13:50,699
existences is important but one of the

1813
01:13:55,729 --> 01:13:53,460

things that uh Dr Corrado Malanga

1814

01:13:58,790 --> 01:13:55,739

brought to light in his research was

1815

01:14:00,649 --> 01:13:58,800

that the beings that he called the

1816

01:14:03,530 --> 01:14:00,659

beings that were the more malevolent ETS

1817

01:14:07,189 --> 01:14:03,540

I guess he claimed that they did not

1818

01:14:10,130 --> 01:14:07,199

have the eternal spirit or anima that we

1819

01:14:13,610 --> 01:14:10,140

had and that they they could exist in

1820

01:14:15,890 --> 01:14:13,620

time and space but they were temporal so

1821

01:14:18,290 --> 01:14:15,900

they would have to kind of borrow and

1822

01:14:20,630 --> 01:14:18,300

attach on to us and use our eternal

1823

01:14:22,790 --> 01:14:20,640

spirit to live through Us in whatever

1824

01:14:25,370 --> 01:14:22,800

capacity they wanted so they were kind

1825

01:14:28,189 --> 01:14:25,380

of like piggybackers so part of the

1826

01:14:31,189 --> 01:14:28,199

process to prevent them from interfering

1827

01:14:32,870 --> 01:14:31,199

was to release them and they had to stay

1828

01:14:35,270 --> 01:14:32,880

back in the temporal realm while we

1829

01:14:37,310 --> 01:14:35,280

connected with our eternal spirit and

1830

01:14:40,970 --> 01:14:37,320

then worked with our eternal spirit to

1831

01:14:42,950 --> 01:14:40,980

get rid of that which is truly not us so

1832

01:14:47,090 --> 01:14:42,960

if it was an attached thing that really

1833

01:14:49,970 --> 01:14:47,100

is not us or originally us then then it

1834

01:14:53,209 --> 01:14:49,980

would go back to its origin and not

1835

01:14:55,610 --> 01:14:53,219

bother us anymore so part of his theory

1836

01:14:57,530 --> 01:14:55,620

and this is what I believe with respect

1837

01:14:59,689 --> 01:14:57,540

to those that are what I call the

1838

01:15:02,530 --> 01:14:59,699

narcissists who create chaos and drama

1839

01:15:04,970 --> 01:15:02,540

and feed on negative or a lot of emotion

1840

01:15:07,550 --> 01:15:04,980

they're obviously doing something to

1841

01:15:09,590 --> 01:15:07,560

feed on and we see that a lot with

1842

01:15:11,450 --> 01:15:09,600

certain entities that they attach and

1843

01:15:13,490 --> 01:15:11,460

they feed on negative or positive

1844

01:15:14,810 --> 01:15:13,500

emotions and that or they create a lot

1845

01:15:17,090 --> 01:15:14,820

of Chaos

1846

01:15:19,010 --> 01:15:17,100

so they they tend to why do they have to

1847

01:15:21,050 --> 01:15:19,020

do that what are they not connected to

1848

01:15:25,130 --> 01:15:21,060

that they have to feed on someone else

1849

01:15:27,050 --> 01:15:25,140

and I don't think predation is normal I

1850

01:15:31,189 --> 01:15:27,060

don't think predation is a normal state

1851

01:15:33,310 --> 01:15:31,199

of being but in this realm it is but I

1852

01:15:36,110 --> 01:15:33,320

think that where we come from eternally

1853

01:15:37,910 --> 01:15:36,120

predation and parasitism is not even

1854

01:15:40,490 --> 01:15:37,920

like a thing

1855

01:15:42,950 --> 01:15:40,500

I think it's something here because

1856

01:15:44,510 --> 01:15:42,960

there's beings who need something that

1857

01:15:46,669 --> 01:15:44,520

we have and they're just going to take

1858

01:15:49,070 --> 01:15:46,679

it and that's just what they're doing

1859

01:15:52,189 --> 01:15:49,080

and that's how I see a lot of it the

1860

01:15:54,169 --> 01:15:52,199

ones that have a malevolent effect and

1861

01:15:56,450 --> 01:15:54,179

that they they draw up all this energy

1862

01:15:58,130 --> 01:15:56,460

and drama and chaos and then when you

1863

01:15:59,990 --> 01:15:58,140

release them it's like ah then you feel

1864

01:16:02,750 --> 01:16:00,000

peace that you're like it's just not an

1865

01:16:04,970 --> 01:16:02,760

issue anymore so I have to ask that

1866

01:16:06,709 --> 01:16:04,980

question and that comes to me that good

1867

01:16:08,450 --> 01:16:06,719

and evil is like evil would be something

1868

01:16:10,550 --> 01:16:08,460

that wants to create a lot of misery and

1869

01:16:12,770 --> 01:16:10,560

chaos and feed on that negative energy

1870

01:16:15,830 --> 01:16:12,780

and actually have a malicious intent or

1871

01:16:19,790 --> 01:16:15,840

not care at all about how they affect

1872

01:16:21,530 --> 01:16:19,800

you that to me is is evil or just so

1873

01:16:24,530 --> 01:16:21,540

ignorant or like a machine or something

1874

01:16:26,689 --> 01:16:24,540

I don't know so I don't know but I think

1875

01:16:28,610 --> 01:16:26,699

the ones that are good that they would

1876

01:16:31,010 --> 01:16:28,620

be Eternal also and they're just going

1877

01:16:34,729 --> 01:16:31,020

through a an existence and an experience

1878

01:16:36,110 --> 01:16:34,739

and learning from it like we are well I

1879

01:16:39,169 --> 01:16:36,120

was with you there and then you kind of

1880

01:16:40,550 --> 01:16:39,179

threw me at the end so where how are you

1881

01:16:43,850 --> 01:16:40,560

understanding

1882

01:16:45,290 --> 01:16:43,860

these extended Realms as it relates to

1883

01:16:46,610 --> 01:16:45,300

you know because in this conversation

1884

01:16:49,729 --> 01:16:46,620

we've kind of

1885

01:16:53,149 --> 01:16:49,739

and I'm not being I'm not being critical

1886

01:16:56,570 --> 01:16:53,159

because I think we we there's so much

1887

01:16:59,630 --> 01:16:56,580

you know are we how are we to understand

1888

01:17:01,910 --> 01:16:59,640

these extended conscious Realms is there

1889

01:17:04,370 --> 01:17:01,920

such a thing as lower Realms what does

1890

01:17:06,169 --> 01:17:04,380

that even mean we see that through in

1891

01:17:08,930 --> 01:17:06,179

many many cultures and they talk about

1892

01:17:12,350 --> 01:17:08,940

us how close are we to these lower

1893

01:17:14,689 --> 01:17:12,360

Realms are there such a thing as higher

1894

01:17:17,630 --> 01:17:14,699

Realms are there some higher Realms that

1895

01:17:19,790 --> 01:17:17,640

are closer to us than other Realms what

1896

01:17:21,950 --> 01:17:19,800

would that even mean then if we start

1897

01:17:25,010 --> 01:17:21,960

talking about different phenomena that

1898

01:17:27,709 --> 01:17:25,020

we talk about experience you know Auto

1899

01:17:29,990 --> 01:17:27,719

Body travel where are we going the dream

1900

01:17:31,310 --> 01:17:30,000

yoga when he says go to those Realms

1901

01:17:34,370 --> 01:17:31,320

here they are here's the directions

1902

01:17:37,550 --> 01:17:34,380

here's the road map where are they

1903

01:17:40,310 --> 01:17:37,560

ET where is ET what you know so

1904

01:17:43,010 --> 01:17:40,320

I think we got to pin this down a little

1905

01:17:45,950 --> 01:17:43,020

bit more and I'm interested in what your

1906

01:17:47,990 --> 01:17:45,960

read of it is well I think I don't know

1907

01:17:49,970 --> 01:17:48,000

I just think there's good ones and and

1908

01:17:52,910 --> 01:17:49,980

bad ones and the and the bad ones are

1909

01:17:55,970 --> 01:17:52,920

like narcissistics and parasites and

1910

01:17:59,630 --> 01:17:55,980

predators or like machines and they

1911

01:18:00,649 --> 01:17:59,640

they're amoral or like Amor they don't

1912

01:18:03,290 --> 01:18:00,659

like they don't care they're just doing

1913

01:18:04,910 --> 01:18:03,300

a job and it's like their program and a

1914

01:18:06,590 --> 01:18:04,920

lot of them kind of act like it's just a

1915

01:18:07,910 --> 01:18:06,600

program you know they're just doing what

1916

01:18:09,050 --> 01:18:07,920

they're doing because they have to do it

1917

01:18:12,649 --> 01:18:09,060

and it's their job they don't really

1918

01:18:15,050 --> 01:18:12,659

care how it affects you but my sense is

1919

01:18:16,490 --> 01:18:15,060

that if somebody really has an immortal

1920

01:18:19,010 --> 01:18:16,500

eternal spirit and they're living an

1921

01:18:21,590 --> 01:18:19,020

experience they're eventually going to

1922

01:18:24,830 --> 01:18:21,600

to learn and and not have to be

1923

01:18:27,290 --> 01:18:24,840

predators and parasites so when someone

1924

01:18:29,149 --> 01:18:27,300

when someone does recover their trauma

1925

01:18:31,970 --> 01:18:29,159

like a human we really go through

1926

01:18:33,770 --> 01:18:31,980

recovery and and you connect with your

1927

01:18:35,750 --> 01:18:33,780

spirit and you like release the grief

1928

01:18:37,490 --> 01:18:35,760

and and you the the joy and the

1929

01:18:39,709 --> 01:18:37,500

compassion of your natural Spirit comes

1930

01:18:43,370 --> 01:18:39,719

back in a sense of peace and goodness

1931

01:18:46,130 --> 01:18:43,380

and Harmony comes back and so that's a

1932

01:18:47,870 --> 01:18:46,140

restoration of your original nature

1933

01:18:50,930 --> 01:18:47,880

without the trauma

1934

01:18:53,930 --> 01:18:50,940

Evie we have met the enemy and it is us

1935

01:18:55,910 --> 01:18:53,940

we have met the Nazis it is us the the

1936

01:18:58,970 --> 01:18:55,920

pictures that Abu ghraib are still

1937

01:19:01,130 --> 01:18:58,980

burned in all our memories of you know

1938

01:19:03,110 --> 01:19:01,140

let's do enhanced interrogation of

1939

01:19:06,290 --> 01:19:03,120

people this is great let's can we do all

1940

01:19:09,290 --> 01:19:06,300

sorts of weird sexual stuff let's abuse

1941

01:19:11,030 --> 01:19:09,300

people this is our government everything

1942

01:19:13,010 --> 01:19:11,040

we've done this is the history always

1943

01:19:15,530 --> 01:19:13,020

put under slavery you know let's have

1944

01:19:17,570 --> 01:19:15,540

enslaved these people rape these kids

1945

01:19:19,870 --> 01:19:17,580

let's go to church and come home and go

1946

01:19:24,890 --> 01:19:19,880

oh it's okay and then

1947

01:19:27,229 --> 01:19:24,900

how how are we not in absolutely in the

1948

01:19:29,870 --> 01:19:27,239

middle of this and at the same time we

1949

01:19:31,669 --> 01:19:29,880

identify with I want you on that wall I

1950

01:19:33,890 --> 01:19:31,679

need you on that wall because I don't

1951
01:19:36,830 --> 01:19:33,900
want the Chinese marching in here and

1952
01:19:39,709 --> 01:19:36,840
telling me that you know I I whatever

1953
01:19:42,229 --> 01:19:39,719
illusion I have of uh self-determination

1954
01:19:44,209 --> 01:19:42,239
and Free Will is out the window and it

1955
01:19:48,050 --> 01:19:44,219
should all be for the state either so

1956
01:19:50,030 --> 01:19:48,060
there's a lot of complexity here that

1957
01:19:52,850 --> 01:19:50,040
kind of gets swept under the rug with

1958
01:19:55,610 --> 01:19:52,860
some of this stuff yeah

1959
01:19:56,930 --> 01:19:55,620
I I just well the I see where it swept

1960
01:20:01,130 --> 01:19:56,940
under the rug

1961
01:20:03,169 --> 01:20:01,140
and um and I I see problems with um like

1962
01:20:06,770 --> 01:20:03,179
feeding the Predator parasite

1963
01:20:08,810 --> 01:20:06,780

programming the enablers and so why are

1964

01:20:11,270 --> 01:20:08,820

they not seeing that they're enabling

1965

01:20:13,189 --> 01:20:11,280

the Predators why are they not aware of

1966

01:20:15,169 --> 01:20:13,199

this sometimes it's it's a perplexing

1967

01:20:18,590 --> 01:20:15,179

question like well how come you can't

1968

01:20:20,930 --> 01:20:18,600

see this how come you can't see the harm

1969

01:20:24,610 --> 01:20:20,940

you're doing when you're doing that like

1970

01:20:29,149 --> 01:20:26,450

sometimes you have to ask that question

1971

01:20:31,189 --> 01:20:29,159

do you know the the Michael Aquino story

1972

01:20:34,130 --> 01:20:31,199

do you know who Michael is Colonel

1973

01:20:36,950 --> 01:20:34,140

Michael Aquino he's dead now he's dead

1974

01:20:38,390 --> 01:20:36,960

now I mean it was a Satanist yeah

1975

01:20:40,010 --> 01:20:38,400

pedophile

1976

01:20:41,750 --> 01:20:40,020

I mean at least that's what the

1977

01:20:43,910 --> 01:20:41,760

government concluded when they finally

1978

01:20:47,229 --> 01:20:43,920

let him go but they weren't able inside

1979

01:20:50,330 --> 01:20:47,239

the our judicial system or the military

1980

01:20:53,390 --> 01:20:50,340

judicial system to ever convict him or

1981

01:20:57,470 --> 01:20:53,400

anything so that is who we are you know

1982

01:21:00,530 --> 01:20:57,480

that that is us that is our democracy is

1983

01:21:04,729 --> 01:21:00,540

Satanist Colonel Michael Aquino who's a

1984

01:21:08,450 --> 01:21:04,739

pedophile and is respected among his

1985

01:21:09,350 --> 01:21:08,460

super soldier peers in the military I

1986

01:21:12,950 --> 01:21:09,360

mean

1987

01:21:16,850 --> 01:21:12,960

I I don't I don't know how we get out of

1988

01:21:20,390 --> 01:21:16,860

that without going spiritual in a way

1989

01:21:21,890 --> 01:21:20,400

that is transcends all this oh we're the

1990

01:21:24,350 --> 01:21:21,900

center of the story and it's all about

1991

01:21:27,830 --> 01:21:24,360

us and it can't be all about us it has

1992

01:21:30,649 --> 01:21:27,840

to be bigger than that

1993

01:21:33,110 --> 01:21:30,659

well there are malevolent groups that

1994

01:21:36,470 --> 01:21:33,120

control and through trickery and mind

1995

01:21:38,750 --> 01:21:36,480

control and spiritual deception to

1996

01:21:41,689 --> 01:21:38,760

prevent us from perceiving the whole

1997

01:21:43,430 --> 01:21:41,699

thing and then when you do you're alone

1998

01:21:45,770 --> 01:21:43,440

for a while

1999

01:21:47,870 --> 01:21:45,780

and get targeted sometimes they kill you

2000

01:21:50,090 --> 01:21:47,880

but then sometimes other people kind of

2001

01:21:52,070 --> 01:21:50,100

wake up too and I just think

2002

01:21:54,050 --> 01:21:52,080

it reminds me of that and Rand movie

2003

01:21:56,870 --> 01:21:54,060

Atlas Shrugged and I don't know why but

2004

01:21:58,669 --> 01:21:56,880

that movie stuck with me

2005

01:22:01,430 --> 01:21:58,679

um on the end where I guess it was John

2006

01:22:04,010 --> 01:22:01,440

Galt had a statement that you know what

2007

01:22:06,649 --> 01:22:04,020

he discovered all along that you know

2008

01:22:09,169 --> 01:22:06,659

don't ever allow them to steal the fire

2009

01:22:12,709 --> 01:22:09,179

of your spirit which is you know the

2010

01:22:14,510 --> 01:22:12,719

spirit of invention uh individuality to

2011

01:22:17,510 --> 01:22:14,520

to get ahead to strive for excellence

2012

01:22:20,450 --> 01:22:17,520

and not allow the program it's like the

2013

01:22:23,090 --> 01:22:20,460

Communist program uh to basically feed

2014

01:22:24,830 --> 01:22:23,100

the predator and the parasite and then

2015

01:22:28,250 --> 01:22:24,840

let everything else go to because

2016

01:22:30,050 --> 01:22:28,260

well we're just gonna allow them to to

2017

01:22:31,550 --> 01:22:30,060

do and be what they do and we'll feel

2018

01:22:33,709 --> 01:22:31,560

sorry for them and not see what's really

2019

01:22:35,750 --> 01:22:33,719

happening with the overall evil of this

2020

01:22:37,729 --> 01:22:35,760

whole scheme so let's just escape and

2021

01:22:39,470 --> 01:22:37,739

create another world and just like sorry

2022

01:22:41,990 --> 01:22:39,480

we're going elsewhere

2023

01:22:45,290 --> 01:22:42,000

so sometimes I wonder if if that's what

2024

01:22:47,870 --> 01:22:45,300

some groups have done or some secret

2025

01:22:50,330 --> 01:22:47,880

yogis who have all these like phenomenal

2026

01:22:52,910 --> 01:22:50,340

abilities or go hiding out they're like

2027

01:22:54,530 --> 01:22:52,920

they're off the radar

2028

01:22:56,810 --> 01:22:54,540

they don't want to go and argue and be

2029

01:22:58,729 --> 01:22:56,820

on the disclosure panel and and play

2030

01:23:00,890 --> 01:22:58,739

that game for freaking 30 years and find

2031

01:23:03,350 --> 01:23:00,900

out where that goes you know what I mean

2032

01:23:05,689 --> 01:23:03,360

I mean I didn't know what you mean but

2033

01:23:08,570 --> 01:23:05,699

isn't that part of the personal

2034

01:23:10,189 --> 01:23:08,580

development and education process too I

2035

01:23:12,350 --> 01:23:10,199

mean because that goes

2036

01:23:14,630 --> 01:23:12,360

that's another part of the recovery

2037

01:23:19,189 --> 01:23:14,640

process isn't it when you say complex

2038

01:23:20,930 --> 01:23:19,199

trauma is how do I deal with these these

2039

01:23:23,330 --> 01:23:20,940

people who

2040

01:23:25,250 --> 01:23:23,340

all over the board as you again

2041

01:23:27,709 --> 01:23:25,260

folks you you will get a lot out of

2042

01:23:30,470 --> 01:23:27,719

these books if you read them they are

2043

01:23:33,410 --> 01:23:30,480

challenging the material will

2044

01:23:36,229 --> 01:23:33,420

seriously fundamentally rattle your

2045

01:23:38,390 --> 01:23:36,239

Paradigm but we all need that on a

2046

01:23:40,130 --> 01:23:38,400

regular basis but we need to tell the

2047

01:23:42,110 --> 01:23:40,140

truth though I think like part of the

2048

01:23:43,610 --> 01:23:42,120

process is we can't like run away and

2049

01:23:45,950 --> 01:23:43,620

just like okay I'm done with this place

2050

01:23:47,270 --> 01:23:45,960

they ain't going to listen right

2051

01:23:49,070 --> 01:23:47,280

um so I'm just like leaving and you

2052

01:23:51,169 --> 01:23:49,080

create another world of sambala or

2053

01:23:52,850 --> 01:23:51,179

something but I think part of our

2054

01:23:56,570 --> 01:23:52,860

process even people who've gone through

2055

01:23:58,430 --> 01:23:56,580

like 12-step programs or recovery or you

2056

01:24:00,169 --> 01:23:58,440

know witnessing doing their testimony

2057

01:24:02,510 --> 01:24:00,179

and witness for Jesus whatever it is

2058

01:24:05,149 --> 01:24:02,520

there's there comes a point where you

2059

01:24:08,030 --> 01:24:05,159

need to we need to tell the truth and

2060

01:24:11,450 --> 01:24:08,040

express ourselves for what Our Truth is

2061

01:24:13,850 --> 01:24:11,460

and Find meaning and belonging in that

2062

01:24:15,530 --> 01:24:13,860

process we heal as a result of being

2063

01:24:18,590 --> 01:24:15,540

able to tell the truth as we understand

2064

01:24:20,030 --> 01:24:18,600

it as we're learning the whole way and I

2065

01:24:22,130 --> 01:24:20,040

think we also we always need a

2066

01:24:25,729 --> 01:24:22,140

connection with another human being or

2067

01:24:27,530 --> 01:24:25,739

more to express our truth safely and I

2068

01:24:29,630 --> 01:24:27,540

think that's a real important part of

2069

01:24:31,729 --> 01:24:29,640

recovery when we can create that safety

2070

01:24:33,950 --> 01:24:31,739

to express address whatever that

2071

01:24:37,250 --> 01:24:33,960

experience is without you know feeling

2072

01:24:39,410 --> 01:24:37,260

we're going to be you know ridiculed or

2073

01:24:43,430 --> 01:24:39,420

killed and that that's an awesome point

2074

01:24:46,270 --> 01:24:43,440

and let's talk a little bit about the

2075

01:24:49,610 --> 01:24:46,280

flip side of that too which is the the

2076

01:24:51,950 --> 01:24:49,620

after effects proselytizing kind of

2077

01:24:53,510 --> 01:24:51,960

stuff because this is a real issue I

2078

01:24:56,450 --> 01:24:53,520

don't know if you're aware of it but in

2079

01:24:58,010 --> 01:24:56,460

the near-death experience research right

2080

01:24:59,390 --> 01:24:58,020

so again what I love about the

2081

01:25:01,070 --> 01:24:59,400

near-death experience research is

2082

01:25:02,290 --> 01:25:01,080

there's a scientific angle of it where

2083

01:25:04,910 --> 01:25:02,300

we say okay

2084

01:25:06,770 --> 01:25:04,920

physiologically this defies explanation

2085

01:25:08,930 --> 01:25:06,780

our neurological models are out the

2086

01:25:10,910 --> 01:25:08,940

window now but now let's go look at the

2087

01:25:13,610 --> 01:25:10,920

accounts and then like we talked about

2088

01:25:16,130 --> 01:25:13,620

if you go look cross-culture and you go

2089

01:25:18,410 --> 01:25:16,140

look in India and you say oh my God

2090

01:25:20,209 --> 01:25:18,420

these people are having this basically

2091

01:25:22,790 --> 01:25:20,219

samadhi experience they're kind of

2092

01:25:24,830 --> 01:25:22,800

waking up and they're all about God and

2093

01:25:26,689 --> 01:25:24,840

love and some fantastic things are

2094

01:25:28,729 --> 01:25:26,699

happening including some paranormal

2095

01:25:31,610 --> 01:25:28,739

psychic things but they're also filled

2096

01:25:33,530 --> 01:25:31,620

with the Holy Spirit or whatever and the

2097

01:25:35,570 --> 01:25:33,540

people in India will go okay yeah what

2098

01:25:38,330 --> 01:25:35,580

we need to do is kind of take care of

2099

01:25:40,729 --> 01:25:38,340

them over here put them you know go feed

2100

01:25:42,410 --> 01:25:40,739

them you know keep Pat them on the head

2101

01:25:44,450 --> 01:25:42,420

and six months later it'll kind of

2102

01:25:47,209 --> 01:25:44,460

settle down and they'll kind of come

2103

01:25:48,950 --> 01:25:47,219

back and can rejoin Society this is like

2104

01:25:51,890 --> 01:25:48,960

the traditional kind of Indian thing

2105

01:25:54,350 --> 01:25:51,900

well the near-death experience because

2106

01:25:56,209 --> 01:25:54,360

there's a technological component of

2107

01:25:58,669 --> 01:25:56,219

that which we'll talk about in terms of

2108

01:26:00,649 --> 01:25:58,679

MK Ultra because it's so important but

2109

01:26:03,530 --> 01:26:00,659

with near-death experience it's

2110

01:26:05,030 --> 01:26:03,540

resuscitation we are now resuscitating

2111

01:26:07,310 --> 01:26:05,040

people bringing them back from the dead

2112

01:26:08,510 --> 01:26:07,320

in greater numbers what does that mean

2113

01:26:10,129 --> 01:26:08,520

in terms of people having these

2114

01:26:12,770 --> 01:26:10,139

experiences but people have these

2115

01:26:15,410 --> 01:26:12,780

experience and they do higher divorce

2116

01:26:17,629 --> 01:26:15,420

rates and kind of depression and

2117

01:26:20,390 --> 01:26:17,639

suicidal ideation and all this other

2118

01:26:23,689 --> 01:26:20,400

stuff is higher much higher than normal

2119

01:26:25,850 --> 01:26:23,699

because it is this spiritually

2120

01:26:29,330 --> 01:26:25,860

transformative experience and that

2121

01:26:32,450 --> 01:26:29,340

rattles people's lives so

2122

01:26:34,970 --> 01:26:32,460

you are I'm sure all over this in your

2123

01:26:36,169 --> 01:26:34,980

work but speak to that for a minute in

2124

01:26:39,050 --> 01:26:36,179

terms of

2125

01:26:42,709 --> 01:26:39,060

feeling your truth embodying your truth

2126
01:26:45,410 --> 01:26:42,719
but at the same time finding a way to

2127
01:26:48,169 --> 01:26:45,420
integrate into

2128
01:26:49,729 --> 01:26:48,179
you know our social structure in a way

2129
01:26:51,530 --> 01:26:49,739
that isn't going to totally screw up

2130
01:26:54,290 --> 01:26:51,540
your life

2131
01:26:55,610 --> 01:26:54,300
totally that's the big

2132
01:26:57,649 --> 01:26:55,620
yeah

2133
01:26:59,689 --> 01:26:57,659
I mean that's the hard part like if

2134
01:27:01,430 --> 01:26:59,699
you've had a profound experience where

2135
01:27:04,129 --> 01:27:01,440
you let's say realize something that's

2136
01:27:05,990 --> 01:27:04,139
out of the norm of the bell curve of the

2137
01:27:08,689 --> 01:27:06,000
population for what they believe is

2138
01:27:10,850 --> 01:27:08,699

reality it makes you feel alone and

2139

01:27:11,930 --> 01:27:10,860

isolated for a Time unless you could

2140

01:27:15,169 --> 01:27:11,940

basically

2141

01:27:18,290 --> 01:27:15,179

find your own kind or your own tribe and

2142

01:27:20,570 --> 01:27:18,300

get these social relational support to

2143

01:27:23,270 --> 01:27:20,580

to be with at least some mutual

2144

01:27:26,090 --> 01:27:23,280

understanding and that that's a big a

2145

01:27:27,590 --> 01:27:26,100

big thing that makes people depressed

2146

01:27:30,290 --> 01:27:27,600

when they find out

2147

01:27:32,810 --> 01:27:30,300

I think like the narc abuse recovery for

2148

01:27:35,330 --> 01:27:32,820

example is a big it's a good parallel to

2149

01:27:37,790 --> 01:27:35,340

use and it's something that a therapist

2150

01:27:41,209 --> 01:27:37,800

named Ross Rosenberg does with his a

2151

01:27:43,910 --> 01:27:41,219

12-step recovery from self-love deficit

2152

01:27:45,709 --> 01:27:43,920

disorder but basically people found out

2153

01:27:47,629 --> 01:27:45,719

who were codependents who were like

2154

01:27:49,910 --> 01:27:47,639

married or had partners that were like

2155

01:27:51,110 --> 01:27:49,920

narcissistic personality disorder you

2156

01:27:52,850 --> 01:27:51,120

know like it's the worst kind of

2157

01:27:55,370 --> 01:27:52,860

relationship you can have but but it's

2158

01:27:57,290 --> 01:27:55,380

like a magnet syndrome of unresolved

2159

01:28:00,050 --> 01:27:57,300

complex trauma on both ends that's like

2160

01:28:01,850 --> 01:28:00,060

two sides of the same coin so once you

2161

01:28:03,649 --> 01:28:01,860

let's say it's the codependent end that

2162

01:28:06,229 --> 01:28:03,659

tends to get into recovery because

2163

01:28:07,669 --> 01:28:06,239

they're the ones that hurt the most and

2164

01:28:09,890 --> 01:28:07,679

the other the other ones really don't

2165

01:28:11,689 --> 01:28:09,900

get well which is actually a worse curse

2166

01:28:13,070 --> 01:28:11,699

when you think about it but once you

2167

01:28:15,229 --> 01:28:13,080

start getting well and you start

2168

01:28:17,149 --> 01:28:15,239

realizing the truth and quit gaslighting

2169

01:28:19,790 --> 01:28:17,159

yourself and quit doubting yourself and

2170

01:28:22,490 --> 01:28:19,800

recover your identity and you know

2171

01:28:24,530 --> 01:28:22,500

release the grief then there's like a

2172

01:28:27,110 --> 01:28:24,540

stage of like kind of being suspended in

2173

01:28:29,390 --> 01:28:27,120

a No Man's Land of like losing 75 to 80

2174

01:28:31,850 --> 01:28:29,400

percent of your friends and then like

2175

01:28:33,110 --> 01:28:31,860

trying to find start dating again when

2176
01:28:35,570 --> 01:28:33,120
you're just really afraid you're going

2177
01:28:37,910 --> 01:28:35,580
to attract another one of those and and

2178
01:28:39,950 --> 01:28:37,920
just having to to start all over again

2179
01:28:41,570 --> 01:28:39,960
from knowing that you're going to lose a

2180
01:28:44,570 --> 01:28:41,580
lot of family connections and friend

2181
01:28:46,729 --> 01:28:44,580
connections and maybe even jobs and

2182
01:28:48,229 --> 01:28:46,739
that's that's the the part where you

2183
01:28:50,209 --> 01:28:48,239
really have to get through that and

2184
01:28:52,790 --> 01:28:50,219
start building

2185
01:28:55,250 --> 01:28:52,800
connections with your own kind that have

2186
01:28:58,070 --> 01:28:55,260
that level of understanding and then

2187
01:29:01,010 --> 01:28:58,080
start building from that place but the

2188
01:29:03,410 --> 01:29:01,020

isolation is really hard but when you

2189

01:29:05,390 --> 01:29:03,420

you know top it off with like my laby

2190

01:29:07,850 --> 01:29:05,400

people for example or people who've been

2191

01:29:09,770 --> 01:29:07,860

through Love Bites it's not only the

2192

01:29:11,450 --> 01:29:09,780

isolation that you can have from the

2193

01:29:13,070 --> 01:29:11,460

standard psychological thing but

2194

01:29:15,709 --> 01:29:13,080

sometimes you know they try to kill you

2195

01:29:17,390 --> 01:29:15,719

they do murder your mentors they they

2196

01:29:19,729 --> 01:29:17,400

make you sick they poison you they give

2197

01:29:21,290 --> 01:29:19,739

you cancer they financially they you get

2198

01:29:23,810 --> 01:29:21,300

targeted you turn into a targeted

2199

01:29:25,790 --> 01:29:23,820

individual and this is the real test

2200

01:29:28,310 --> 01:29:25,800

this is like okay you have to be a super

2201

01:29:31,370 --> 01:29:28,320

Yogi enlightened being to start dealing

2202

01:29:32,990 --> 01:29:31,380

with this now because this is the

2203

01:29:34,910 --> 01:29:33,000

place we're going to have to be to

2204

01:29:36,830 --> 01:29:34,920

really overcome

2205

01:29:39,290 --> 01:29:36,840

all these things so that we can go to

2206

01:29:41,149 --> 01:29:39,300

the next level so that when Humanity

2207

01:29:43,250 --> 01:29:41,159

really starts waking up and realizing

2208

01:29:45,830 --> 01:29:43,260

what's been kind of running the show and

2209

01:29:47,390 --> 01:29:45,840

keeping them dummy down they're going to

2210

01:29:49,790 --> 01:29:47,400

be really pissed they're going to be

2211

01:29:51,770 --> 01:29:49,800

going through a lot of trauma and they

2212

01:29:55,250 --> 01:29:51,780

may not come out of it unless they have

2213

01:29:57,950 --> 01:29:55,260

somebody there for them I I mean I'm a

2214

01:30:00,649 --> 01:29:57,960

I think most people can't handle

2215

01:30:02,750 --> 01:30:00,659

the truth to be honest I mean if they

2216

01:30:04,910 --> 01:30:02,760

really knew like the like the deep deep

2217

01:30:07,129 --> 01:30:04,920

stuff like the secret space program and

2218

01:30:09,229 --> 01:30:07,139

the real entities and like the real the

2219

01:30:12,050 --> 01:30:09,239

real weird woo-woo stuff most people

2220

01:30:15,530 --> 01:30:12,060

just could not handle it so

2221

01:30:16,610 --> 01:30:15,540

so if that is a bridge too far for a lot

2222

01:30:20,750 --> 01:30:16,620

of people

2223

01:30:23,629 --> 01:30:20,760

I think we need to connect it to

2224

01:30:27,590 --> 01:30:23,639

what we already know is kind of

2225

01:30:31,310 --> 01:30:27,600

happening like with uh targeting people

2226

01:30:33,770 --> 01:30:31,320

we already have documented proof that

2227

01:30:38,689 --> 01:30:33,780

they're targeting people in all sorts of

2228

01:30:41,090 --> 01:30:38,699

ways but in in particular in the

2229

01:30:42,649 --> 01:30:41,100

you know the the like I guess I'd want

2230

01:30:45,590 --> 01:30:42,659

to break that down from kind of the

2231

01:30:47,510 --> 01:30:45,600

kindergarten level of the my lab stuff

2232

01:30:49,970 --> 01:30:47,520

and we kind of touched on it with

2233

01:30:52,430 --> 01:30:49,980

Whitley strieber but the other way to to

2234

01:30:54,830 --> 01:30:52,440

approach it is to say

2235

01:30:57,590 --> 01:30:54,840

well why wouldn't

2236

01:31:00,050 --> 01:30:57,600

the military industrial complex the

2237

01:31:03,169 --> 01:31:00,060

alphabet soup agencies as everybody say

2238

01:31:05,930 --> 01:31:03,179

why wouldn't they want to know what is

2239

01:31:08,390 --> 01:31:05,940

going on with uh people who have had

2240

01:31:10,370 --> 01:31:08,400

these contacts or even alleged contacts

2241

01:31:11,870 --> 01:31:10,380

so what you would want to do is you

2242

01:31:13,970 --> 01:31:11,880

would want to get these people and you'd

2243

01:31:15,470 --> 01:31:13,980

want to talk to them and you would want

2244

01:31:19,070 --> 01:31:15,480

to talk to them in a way that doesn't

2245

01:31:21,169 --> 01:31:19,080

reveal that you what you know and we

2246

01:31:24,830 --> 01:31:21,179

actually have evidence of this I mean

2247

01:31:27,290 --> 01:31:24,840

Richard Doty was outed for doing this

2248

01:31:29,229 --> 01:31:27,300

with Paul benowitz it's out they wrote

2249

01:31:31,850 --> 01:31:29,239

the books

2250

01:31:33,830 --> 01:31:31,860

and the only thing they did is they they

2251

01:31:36,290 --> 01:31:33,840

did it before disclosure so they hid it

2252

01:31:38,570 --> 01:31:36,300

as oh he must have seen a stealth bomber

2253

01:31:40,970 --> 01:31:38,580

well no he didn't see a stealth bomber

2254

01:31:44,149 --> 01:31:40,980

we all know now that disclosure we know

2255

01:31:46,490 --> 01:31:44,159

that he saw what he saw so if that is a

2256

01:31:49,790 --> 01:31:46,500

bridge too far

2257

01:31:52,790 --> 01:31:49,800

kind of walk it back a little bit and

2258

01:31:53,770 --> 01:31:52,800

how how would you get a normie to

2259

01:31:58,129 --> 01:31:53,780

understand

2260

01:32:02,390 --> 01:31:58,139

this idea of uh targeting and this idea

2261

01:32:05,209 --> 01:32:02,400

of you being someone who they could have

2262

01:32:08,209 --> 01:32:05,219

a special interest in and could cause

2263

01:32:09,470 --> 01:32:08,219

havoc and interfere with someone's life

2264

01:32:13,910 --> 01:32:09,480

I mean

2265

01:32:16,310 --> 01:32:13,920

I don't know if it helps to to like

2266

01:32:18,709 --> 01:32:16,320

whine about it all the time once you

2267

01:32:21,530 --> 01:32:18,719

know your your targeted individual it

2268

01:32:23,689 --> 01:32:21,540

doesn't help like socially to like tell

2269

01:32:26,330 --> 01:32:23,699

people that like it's better just to not

2270

01:32:28,850 --> 01:32:26,340

say anything and try to connect on on

2271

01:32:30,709 --> 01:32:28,860

like normal levels of like walking your

2272

01:32:32,590 --> 01:32:30,719

dog and going to the park and gardening

2273

01:32:34,550 --> 01:32:32,600

together and cooking together and just

2274

01:32:37,189 --> 01:32:34,560

reducing your life to actually

2275

01:32:41,090 --> 01:32:37,199

Simplicity of connecting on like real

2276

01:32:43,310 --> 01:32:41,100

natural easy levels and just working on

2277

01:32:45,350 --> 01:32:43,320

increasing your your love for one

2278

01:32:47,209 --> 01:32:45,360

another and for people to treat each

2279

01:32:50,330 --> 01:32:47,219

other with kindness and just focus on

2280

01:32:53,390 --> 01:32:50,340

that so that if you can build that

2281

01:32:55,550 --> 01:32:53,400

quality that can overcome the the

2282

01:32:58,070 --> 01:32:55,560

malevolent effects of some of the

2283

01:33:00,050 --> 01:32:58,080

targeting and this is what some people

2284

01:33:01,790 --> 01:33:00,060

that I know who could perceive things in

2285

01:33:04,370 --> 01:33:01,800

different ways it's as if there's a

2286

01:33:07,550 --> 01:33:04,380

technology that's overlaying Humanity we

2287

01:33:09,050 --> 01:33:07,560

can call it like the theosophist uh

2288

01:33:12,010 --> 01:33:09,060

Rudolph Steiner people called it the

2289

01:33:14,709 --> 01:33:12,020

afriman which is a almost like a

2290

01:33:17,990 --> 01:33:14,719

machine-like contractual

2291

01:33:20,810 --> 01:33:18,000

malevolent controlling evil machine-like

2292

01:33:23,870 --> 01:33:20,820

amoral force that can move in and around

2293

01:33:25,610 --> 01:33:23,880

and create chaos and as if it you know

2294

01:33:27,169 --> 01:33:25,620

it has a program so it's like it's

2295

01:33:29,390 --> 01:33:27,179

automated once they have your frequency

2296

01:33:31,070 --> 01:33:29,400

you're on this automated program for

2297

01:33:33,350 --> 01:33:31,080

to happen but it happens in

2298

01:33:35,209 --> 01:33:33,360

clusters and waves and it operates

2299

01:33:37,129 --> 01:33:35,219

almost like a

2300

01:33:39,770 --> 01:33:37,139

like a machine

2301

01:33:42,950 --> 01:33:39,780

so if you could figure out how to bring

2302

01:33:44,990 --> 01:33:42,960

light into that into your Consciousness

2303

01:33:46,910 --> 01:33:45,000

and the people you're with to just

2304

01:33:48,890 --> 01:33:46,920

basically create cracks of light and

2305

01:33:51,470 --> 01:33:48,900

awareness to break up those clouds those

2306

01:33:54,169 --> 01:33:51,480

psychic clouds then you won't be as

2307

01:33:56,930 --> 01:33:54,179

influenced by those when you're when

2308

01:33:58,490 --> 01:33:56,940

you're in one of those clouds uh when

2309

01:34:01,010 --> 01:33:58,500

they're targeting you because it's like

2310

01:34:03,590 --> 01:34:01,020

it's almost like a we call them like

2311

01:34:05,870 --> 01:34:03,600

dark astral blobs where it's like I

2312

01:34:07,310 --> 01:34:05,880

don't know I feel another one coming you

2313

01:34:09,470 --> 01:34:07,320

know and then then for the next few

2314

01:34:11,570 --> 01:34:09,480

hours you're like oh my God I did just

2315

01:34:13,430 --> 01:34:11,580

threw me one you know and and then

2316

01:34:15,709 --> 01:34:13,440

trying to bring light to it so that you

2317

01:34:17,209 --> 01:34:15,719

don't react and you you pull in light

2318

01:34:19,010 --> 01:34:17,219

and then all of a sudden things just

2319

01:34:21,410 --> 01:34:19,020

shift and change so it's like you have

2320

01:34:24,050 --> 01:34:21,420

to change your patterns and habits of

2321

01:34:26,390 --> 01:34:24,060

thinking and believing and regardless of

2322

01:34:28,610 --> 01:34:26,400

that wave that happened through whoever

2323

01:34:30,290 --> 01:34:28,620

it happened through not to blame them

2324

01:34:33,229 --> 01:34:30,300

because they're just being part of it

2325

01:34:35,450 --> 01:34:33,239

it's like I don't know how to blame them

2326

01:34:37,070 --> 01:34:35,460

you know well sometimes it is just

2327

01:34:39,410 --> 01:34:37,080

because they're they're

2328

01:34:42,290 --> 01:34:39,420

part of it it's their Consciousness it's

2329

01:34:44,209 --> 01:34:42,300

hard to explain but I think our own

2330

01:34:47,030 --> 01:34:44,219

light and our own awareness and our own

2331

01:34:49,070 --> 01:34:47,040

intentions could create cracks in that

2332

01:34:50,390 --> 01:34:49,080

so that we actually start creating our

2333

01:34:53,030 --> 01:34:50,400

reality and we start dreaming

2334

01:34:54,950 --> 01:34:53,040

differently and they can't they can't

2335

01:34:57,830 --> 01:34:54,960

it's like they're infecting our dreaming

2336

01:35:00,229 --> 01:34:57,840

reality process with stupid ass

2337

01:35:01,669 --> 01:35:00,239

programs that we don't want that's

2338

01:35:03,890 --> 01:35:01,679

coming in through different uh

2339

01:35:05,810 --> 01:35:03,900

perceptual windows but they're able to

2340

01:35:08,689 --> 01:35:05,820

do it more easily and and if we could

2341

01:35:11,450 --> 01:35:08,699

manage to pull those out and not have

2342

01:35:14,149 --> 01:35:11,460

those enter into our reality creation

2343

01:35:16,490 --> 01:35:14,159

mechanism in our dreaming then we can

2344

01:35:19,129 --> 01:35:16,500

smooth more clearly in and around all

2345

01:35:21,169 --> 01:35:19,139

this stuff and just basically nobody

2346

01:35:23,930 --> 01:35:21,179

even knows who you are

2347

01:35:25,129 --> 01:35:23,940

they don't have to know who you you just

2348

01:35:27,290 --> 01:35:25,139

do it

2349

01:35:29,390 --> 01:35:27,300

wonderful wonderful we we keep coming

2350

01:35:31,910 --> 01:35:29,400

back I keep coming at it from an

2351

01:35:33,169 --> 01:35:31,920

evidential scientific kind of prove it

2352

01:35:35,689 --> 01:35:33,179

kind of thing because I think that's an

2353

01:35:37,430 --> 01:35:35,699

important Truth for people to get and

2354

01:35:41,330 --> 01:35:37,440

then you keep flipping it to the

2355

01:35:43,610 --> 01:35:41,340

Therapeutics no no don't apologize no

2356

01:35:47,330 --> 01:35:43,620

it's it's it's it's beautiful and I I

2357

01:35:49,550 --> 01:35:47,340

hope that in this kind of jerky

2358

01:35:52,850 --> 01:35:49,560

conversation people can understand that

2359

01:35:55,810 --> 01:35:52,860

if you're at a place where what Evie's

2360

01:35:58,610 --> 01:35:55,820

saying resonates at all in terms of

2361

01:36:00,530 --> 01:35:58,620

anomalous trauma we haven't even talked

2362

01:36:03,649 --> 01:36:00,540

about the relationship stuff but I guess

2363

01:36:06,169 --> 01:36:03,659

we've touched on it if that resonates at

2364

01:36:08,570 --> 01:36:06,179

all in that you know my relationship

2365

01:36:11,870 --> 01:36:08,580

seems to have anomalous trauma

2366

01:36:13,390 --> 01:36:11,880

associated with it whether it's you know

2367

01:36:16,910 --> 01:36:13,400

it's not

2368

01:36:20,090 --> 01:36:16,920

demonic or malevolent or I was part of

2369

01:36:22,250 --> 01:36:20,100

uh I was part of a a Wicca group or you

2370

01:36:24,050 --> 01:36:22,260

know I was practicing Satanism or black

2371

01:36:26,090 --> 01:36:24,060

magic and next thing you know I've

2372

01:36:27,649 --> 01:36:26,100

talked to people like this guy you know

2373

01:36:29,629 --> 01:36:27,659

he'll talk to them and they'll say they

2374

01:36:31,550 --> 01:36:29,639

have these things going going on and

2375

01:36:33,770 --> 01:36:31,560

then you go well hi you know well I

2376

01:36:37,310 --> 01:36:33,780

guess we did do these kind of occult

2377

01:36:40,550 --> 01:36:37,320

practices you know that's like oh really

2378

01:36:42,770 --> 01:36:40,560

do you think uh anyways I don't want to

2379

01:36:45,410 --> 01:36:42,780

go too far afield if that it all

2380

01:36:46,729 --> 01:36:45,420

resonates with you as with you know we

2381

01:36:49,810 --> 01:36:46,739

haven't kind of done the full

2382

01:36:52,850 --> 01:36:49,820

bifurcation with the alien contact

2383

01:36:55,010 --> 01:36:52,860

contactee and is that evil malevolent or

2384

01:36:57,890 --> 01:36:55,020

is it just somebody doing their job you

2385

01:37:00,229 --> 01:36:57,900

know on sector six Planet whatever

2386

01:37:03,050 --> 01:37:00,239

if that resonates at all I think you get

2387

01:37:07,250 --> 01:37:03,060

a sense that this person who I'm talking

2388

01:37:08,930 --> 01:37:07,260

to today has walked this walk and might

2389

01:37:11,030 --> 01:37:08,940

be able to help you and that's what you

2390

01:37:13,310 --> 01:37:11,040

do you try and help people number one

2391

01:37:15,709 --> 01:37:13,320

with support right both one-on-one

2392

01:37:17,149 --> 01:37:15,719

support and group support how does that

2393

01:37:19,250 --> 01:37:17,159

work

2394

01:37:21,350 --> 01:37:19,260

really it's well people come to me for

2395

01:37:22,610 --> 01:37:21,360

sessions I usually work with zoom or

2396

01:37:24,110 --> 01:37:22,620

phone

2397

01:37:25,850 --> 01:37:24,120

um and then it's really sometimes just

2398

01:37:27,649 --> 01:37:25,860

to tell me what's going on with them

2399

01:37:29,390 --> 01:37:27,659

because they need some kind of

2400

01:37:31,189 --> 01:37:29,400

confirmation or to figure out what

2401

01:37:32,629 --> 01:37:31,199

what's really happening and then

2402

01:37:36,050 --> 01:37:32,639

oftentimes I can do a guided

2403

01:37:38,870 --> 01:37:36,060

hypnotherapy to do deeper work or or

2404

01:37:41,330 --> 01:37:38,880

sometimes to do a group where we do

2405

01:37:43,550 --> 01:37:41,340

dream work we start working with dreams

2406

01:37:45,290 --> 01:37:43,560

as a way of healing and getting greater

2407

01:37:47,570 --> 01:37:45,300

insights and working with the the

2408

01:37:49,790 --> 01:37:47,580

dreaming reality mechanism and really

2409

01:37:50,990 --> 01:37:49,800

assessing perception on a whole

2410

01:37:53,450 --> 01:37:51,000

different level

2411

01:37:56,870 --> 01:37:53,460

so I work with individuals and groups

2412

01:38:00,290 --> 01:37:56,880

and mostly Zoom though online

2413

01:38:02,209 --> 01:38:00,300

that I guess leads into one of the parts

2414

01:38:04,970 --> 01:38:02,219

of the book that I really appreciated

2415

01:38:06,590 --> 01:38:04,980

because so few people talk about it as

2416

01:38:08,209 --> 01:38:06,600

directly as you do even though you just

2417

01:38:10,990 --> 01:38:08,219

touch on that's a tiny part of the book

2418

01:38:14,750 --> 01:38:11,000

is the deception element

2419

01:38:17,629 --> 01:38:14,760

and there's so many parts to that there

2420

01:38:20,930 --> 01:38:17,639

is definitely in my opinion and I think

2421

01:38:23,149 --> 01:38:20,940

it's just very hard to argue this we are

2422

01:38:26,750 --> 01:38:23,159

being run through uh misinformation

2423

01:38:28,729 --> 01:38:26,760

disinformation program constantly and

2424

01:38:31,550 --> 01:38:28,739

it's constantly evolving and it's

2425

01:38:34,250 --> 01:38:31,560

incredibly sophisticated and you know I

2426

01:38:37,669 --> 01:38:34,260

just uh mentioned to you like the Lou

2427

01:38:40,129 --> 01:38:37,679

Elizondo thing you know Lou Alexander

2428

01:38:42,530 --> 01:38:40,139

he's a Conor intelligence agent that's

2429

01:38:45,410 --> 01:38:42,540

what it says on his freaking card and

2430

01:38:47,990 --> 01:38:45,420

yet he's on 60 Minutes he's on the

2431

01:38:50,629 --> 01:38:48,000

History Channel he's promoting The

2432

01:38:53,810 --> 01:38:50,639

Narrative on disclosure and that's like

2433

01:38:55,669 --> 01:38:53,820

a small tiny example from your world but

2434

01:38:57,950 --> 01:38:55,679

it's so clear and I mentioned some other

2435

01:39:01,330 --> 01:38:57,960

ones in this thing so you talk about

2436

01:39:04,010 --> 01:39:01,340

that kind of deception that kind of

2437

01:39:05,510 --> 01:39:04,020

programming that's being thrown at us

2438

01:39:07,910 --> 01:39:05,520

all the time to kind of knock us off

2439

01:39:09,590 --> 01:39:07,920

kilter and to make it harder for us to

2440

01:39:12,290 --> 01:39:09,600

integrate with other people when we say

2441

01:39:15,229 --> 01:39:12,300

Hey you know this is true and they go oh

2442

01:39:16,970 --> 01:39:15,239

no didn't you hear I just read this

2443

01:39:18,530 --> 01:39:16,980

then there is also and I want you to

2444

01:39:21,050 --> 01:39:18,540

talk about this too there is the

2445

01:39:22,490 --> 01:39:21,060

self-deception now I don't know how you

2446

01:39:24,610 --> 01:39:22,500

deal with that because you're a people

2447

01:39:27,050 --> 01:39:24,620

Helper and somebody comes for you

2448

01:39:30,290 --> 01:39:27,060

therapeutically they don't need you

2449

01:39:32,870 --> 01:39:30,300

saying you know you're probably kind of

2450

01:39:36,830 --> 01:39:32,880

deluding yourself a little bit here but

2451

01:39:39,950 --> 01:39:36,840

that is in play too so how do you deal

2452

01:39:41,990 --> 01:39:39,960

with those two aspects of deception and

2453

01:39:46,430 --> 01:39:42,000

then how do we find discernment through

2454

01:39:48,830 --> 01:39:46,440

all that I mean um well for me

2455

01:39:51,649 --> 01:39:48,840

direct realization of your Eternal

2456

01:39:55,310 --> 01:39:51,659

nature is always the best uh gold

2457

01:39:57,410 --> 01:39:55,320

standard you know to launch from but

2458

01:39:59,689 --> 01:39:57,420

sometimes we don't have that and I found

2459

01:40:01,610 --> 01:39:59,699

that the sermon is directly related to

2460

01:40:03,350 --> 01:40:01,620

or say inversely proportional to the

2461

01:40:05,810 --> 01:40:03,360

amount of trauma you've had

2462

01:40:08,629 --> 01:40:05,820

so the more trauma we've had that means

2463

01:40:11,090 --> 01:40:08,639

the more self-disconnection we have from

2464

01:40:12,410 --> 01:40:11,100

our Eternal nature and our heart because

2465

01:40:14,270 --> 01:40:12,420

you know we don't want to remember all

2466

01:40:16,550 --> 01:40:14,280

those icky feelings and memories so we

2467

01:40:19,550 --> 01:40:16,560

have to like stay in the head and live

2468

01:40:22,189 --> 01:40:19,560

in the um illusion so that takes away

2469

01:40:24,649 --> 01:40:22,199

your discernment so we always have to

2470

01:40:27,189 --> 01:40:24,659

reconnect to create discernment but I

2471

01:40:29,750 --> 01:40:27,199

think there's a level of

2472

01:40:33,770 --> 01:40:29,760

Ethics where you really have to have a

2473

01:40:34,970 --> 01:40:33,780

pure heart of goodness to allow truth to

2474

01:40:37,790 --> 01:40:34,980

come through

2475

01:40:40,189 --> 01:40:37,800

because if you really don't have a good

2476

01:40:42,590 --> 01:40:40,199

intention and you really want to hide

2477

01:40:46,010 --> 01:40:42,600

your stuff and not feel and know the

2478

01:40:47,990 --> 01:40:46,020

truth then you'll be easily deceived and

2479

01:40:50,270 --> 01:40:48,000

spiritual manipulation is is some of the

2480

01:40:52,370 --> 01:40:50,280

worst and and I've seen this

2481

01:40:54,709 --> 01:40:52,380

this is why I know it's true and I'm I'm

2482

01:40:56,030 --> 01:40:54,719

basically a Christian because of of what

2483

01:40:58,430 --> 01:40:56,040

I've seen

2484

01:40:59,689 --> 01:40:58,440

but let's say the high level deceivers

2485

01:41:01,910 --> 01:40:59,699

you're talking about high-level

2486

01:41:04,729 --> 01:41:01,920

Spiritual Beings who could masquerade as

2487

01:41:06,590 --> 01:41:04,739

wonderful ascended masters and they

2488

01:41:08,629 --> 01:41:06,600

could do these twin flame things they

2489

01:41:10,850 --> 01:41:08,639

could activate your Kundalini they can

2490

01:41:12,770 --> 01:41:10,860

give you accurate information they can

2491

01:41:14,689 --> 01:41:12,780

give you psychic information to lead you

2492

01:41:16,610 --> 01:41:14,699

on a certain way and then they will

2493

01:41:18,169 --> 01:41:16,620

confirm with their Bona fides that

2494

01:41:20,629 --> 01:41:18,179

everything's going to go fine as long as

2495

01:41:22,910 --> 01:41:20,639

you follow their way and and you really

2496

01:41:25,189 --> 01:41:22,920

believe that it's true and we have this

2497

01:41:28,430 --> 01:41:25,199

kind of spiritual arrogance but once you

2498

01:41:30,649 --> 01:41:28,440

challenge it because they actually led

2499

01:41:33,050 --> 01:41:30,659

someone astray and I learned this from

2500

01:41:35,270 --> 01:41:33,060

people who went to psychics and Terrors

2501

01:41:37,669 --> 01:41:35,280

or even icking or this or that and they

2502

01:41:40,430 --> 01:41:37,679

LED them to the to the friggin love bite

2503

01:41:42,649 --> 01:41:40,440

that was like hosted by a demon and told

2504

01:41:44,350 --> 01:41:42,659

him it was their twin flame and it led

2505

01:41:47,030 --> 01:41:44,360

them into this like horrible

2506

01:41:48,350 --> 01:41:47,040

relationship that was well who is this

2507

01:41:49,729 --> 01:41:48,360

hierarchy giving them psychic

2508

01:41:53,330 --> 01:41:49,739

information when they're leading them

2509

01:41:55,370 --> 01:41:53,340

down that road okay okay let me jump in

2510

01:41:57,290 --> 01:41:55,380

because I I've kind of sidestepped the

2511

01:42:00,229 --> 01:41:57,300

whole love bite thing and it's Central

2512

01:42:02,229 --> 01:42:00,239

to what you do and let's just tackle it

2513

01:42:06,229 --> 01:42:02,239

here two hours in or hours

2514

01:42:08,689 --> 01:42:06,239

but the the reason I think it it really

2515

01:42:10,490 --> 01:42:08,699

resonates and it's awesome so awesome

2516

01:42:12,169 --> 01:42:10,500

and I know it seems like I'm pushing on

2517

01:42:14,330 --> 01:42:12,179

you really hard but I think your work is

2518

01:42:16,430 --> 01:42:14,340

so important and that's why I guess I'm

2519

01:42:18,850 --> 01:42:16,440

pushing to kind of tidy up some of what

2520

01:42:21,290 --> 01:42:18,860

I see is kind of the Loose Ends there

2521

01:42:26,990 --> 01:42:21,300

why would

2522

01:42:30,109 --> 01:42:27,000

trying to

2523

01:42:31,850 --> 01:42:30,119

manipulate control in all these ways

2524

01:42:33,709 --> 01:42:31,860

we're talking about why would they focus

2525

01:42:36,050 --> 01:42:33,719

on relationships

2526

01:42:37,910 --> 01:42:36,060

well that's the biggest loose feed

2527

01:42:40,609 --> 01:42:37,920

um the sexual energy is life force

2528

01:42:43,910 --> 01:42:40,619

energy and emotional energy is a big

2529

01:42:45,709 --> 01:42:43,920

feed so you get more energy and you feel

2530

01:42:48,290 --> 01:42:45,719

more alive

2531

01:42:50,270 --> 01:42:48,300

um through a relationship emotions and

2532

01:42:52,430 --> 01:42:50,280

especially Sexual Energy like tantric

2533

01:42:55,310 --> 01:42:52,440

sexual Kundalini that's like the super

2534

01:42:57,410 --> 01:42:55,320

wow whatever right so a lot of these

2535

01:42:58,669 --> 01:42:57,420

beings that's where they go right for it

2536

01:43:00,709 --> 01:42:58,679

and they'll they'll activate your

2537

01:43:02,810 --> 01:43:00,719

Kundalini and they'll make you think

2538

01:43:05,450 --> 01:43:02,820

that you know you met your twin flame or

2539

01:43:07,609 --> 01:43:05,460

you get set up in certain situations and

2540

01:43:09,770 --> 01:43:07,619

then you find out later that oh my God

2541

01:43:12,470 --> 01:43:09,780

you know that was like a manipulation

2542

01:43:14,450 --> 01:43:12,480

and then I'm drained and I was led down

2543

01:43:16,129 --> 01:43:14,460

a path that I thought was true and then

2544

01:43:17,450 --> 01:43:16,139

I found out that this Guru is like

2545

01:43:19,550 --> 01:43:17,460

totally manipulating all these people

2546

01:43:21,229 --> 01:43:19,560

but he still has like these magical

2547

01:43:22,850 --> 01:43:21,239

powers because he's pulling it off other

2548

01:43:26,689 --> 01:43:22,860

people's life for us and it's like wow

2549

01:43:29,350 --> 01:43:26,699

you know how come I didn't see this how

2550

01:43:33,050 --> 01:43:29,360

come all these people didn't see that

2551

01:43:36,229 --> 01:43:33,060

how come my perception was like

2552

01:43:39,350 --> 01:43:36,239

what happened why didn't we perceive

2553

01:43:41,390 --> 01:43:39,360

those spiritual Predators that's my big

2554

01:43:43,370 --> 01:43:41,400

question it's like how come we didn't

2555

01:43:44,870 --> 01:43:43,380

see those spiritual Predators how come

2556

01:43:46,669 --> 01:43:44,880

we weren't warned about them and how

2557

01:43:48,050 --> 01:43:46,679

come we have narratives and religions

2558

01:43:49,550 --> 01:43:48,060

that are enabling those brigging

2559

01:43:51,890 --> 01:43:49,560

Predators continue doing what they're

2560

01:43:55,669 --> 01:43:51,900

doing those are all good questions but

2561

01:43:57,410 --> 01:43:55,679

the other kind of related answer if you

2562

01:44:02,330 --> 01:43:57,420

will and it comes right out of those

2563

01:44:04,609 --> 01:44:02,340

questions is that if you had advanced

2564

01:44:06,890 --> 01:44:04,619

intelligence either non-human

2565

01:44:09,290 --> 01:44:06,900

Intelligence on the spiritual realm or

2566

01:44:10,790 --> 01:44:09,300

non-human Intelligence on the ET realm

2567

01:44:13,250 --> 01:44:10,800

we don't even know what those two mean

2568

01:44:14,870 --> 01:44:13,260

and how they're different so we were

2569

01:44:18,169 --> 01:44:14,880

just kind of playing with Wordsmith

2570

01:44:20,209 --> 01:44:18,179

there but what I hear you saying is this

2571

01:44:23,209 --> 01:44:20,219

is where you'd go I mean if you're just

2572

01:44:25,609 --> 01:44:23,219

going to kind of if you or I were

2573

01:44:27,890 --> 01:44:25,619

sitting in the role of these benevolent

2574

01:44:30,410 --> 01:44:27,900

beings and we said okay how do we get

2575

01:44:32,270 --> 01:44:30,420

this done where do we go do we go money

2576

01:44:34,250 --> 01:44:32,280

oh let's go money and another guy says

2577

01:44:36,890 --> 01:44:34,260

oh no no no let's go over here let's go

2578

01:44:38,870 --> 01:44:36,900

you know greed and then the guy says

2579

01:44:41,570 --> 01:44:38,880

squirrel all that here's where you go

2580

01:44:43,850 --> 01:44:41,580

you go right here you go sexual you go

2581

01:44:45,830 --> 01:44:43,860

relationship you go in motion and

2582

01:44:47,689 --> 01:44:45,840

everyone goes ah of course you're right

2583

01:44:49,850 --> 01:44:47,699

that's where we go all the rest of the

2584

01:44:51,709 --> 01:44:49,860

stuff you know what I mean that is the

2585

01:44:54,709 --> 01:44:51,719

that is the answer is if you are an

2586

01:44:56,870 --> 01:44:54,719

advanced intelligent intelligence this

2587

01:44:58,669 --> 01:44:56,880

is where you would wind up going

2588

01:45:01,070 --> 01:44:58,679

yeah yeah they were they would

2589

01:45:04,010 --> 01:45:01,080

traumatize people multi-generationally

2590

01:45:05,810 --> 01:45:04,020

and then give them lies about God or

2591

01:45:07,609 --> 01:45:05,820

light and they would Gaslight you so

2592

01:45:10,189 --> 01:45:07,619

that when you felt bad about them

2593

01:45:11,330 --> 01:45:10,199

treating you like you know you

2594

01:45:14,209 --> 01:45:11,340

would you wouldn't believe yourself

2595

01:45:16,250 --> 01:45:14,219

anymore you would say oh it must be me

2596

01:45:18,530 --> 01:45:16,260

but particularly with this relationship

2597

01:45:20,870 --> 01:45:18,540

thing on a kind of on a sub-project

2598

01:45:22,729 --> 01:45:20,880

level like if you look at MK Ultra they

2599

01:45:25,450 --> 01:45:22,739

have all these projects and sub-projects

2600

01:45:27,470 --> 01:45:25,460

I mean a major sub-project would be

2601

01:45:30,530 --> 01:45:27,480

exactly the kind of stuff you're talking

2602

01:45:33,229 --> 01:45:30,540

about in the book Let's kind of pit

2603

01:45:35,390 --> 01:45:33,239

these two people against each other in a

2604

01:45:37,669 --> 01:45:35,400

sexual relationship let's get these

2605

01:45:40,010 --> 01:45:37,679

people involved let's you would you

2606

01:45:42,530 --> 01:45:40,020

would just absolutely do that it would

2607

01:45:45,350 --> 01:45:42,540

why would it'd be so powerful

2608

01:45:47,570 --> 01:45:45,360

yeah they keep people at each other with

2609

01:45:49,790 --> 01:45:47,580

chaos in the relationships and

2610

01:45:52,129 --> 01:45:49,800

unresolved trauma so that people hurt

2611

01:45:54,169 --> 01:45:52,139

one another and get fight one another

2612

01:45:56,209 --> 01:45:54,179

when really there's somebody else

2613

01:45:59,750 --> 01:45:56,219

pulling the strings and feeding off of

2614

01:46:01,669 --> 01:45:59,760

all of that and so that's why you go

2615

01:46:03,470 --> 01:46:01,679

back to simplistic if we can go back to

2616

01:46:05,330 --> 01:46:03,480

simplistic teachings of you know

2617

01:46:08,330 --> 01:46:05,340

honoring and loving one another

2618

01:46:10,250 --> 01:46:08,340

as much as we can so that

2619

01:46:12,709 --> 01:46:10,260

um their power to cause us to get in

2620

01:46:14,390 --> 01:46:12,719

fights and to hurt one another is not as

2621

01:46:17,629 --> 01:46:14,400

powerful and so that when they really

2622

01:46:19,729 --> 01:46:17,639

Target you when someone's hungry or when

2623

01:46:21,830 --> 01:46:19,739

someone you know lost a place to live

2624

01:46:23,810 --> 01:46:21,840

someone lovingly will take them in and

2625

01:46:25,790 --> 01:46:23,820

help them find a job instead of leaving

2626

01:46:28,129 --> 01:46:25,800

them they're out on the streets to to

2627

01:46:31,010 --> 01:46:28,139

just fend for themselves it's it we

2628

01:46:33,290 --> 01:46:31,020

really have to love each other more I

2629

01:46:34,910 --> 01:46:33,300

know it's hard it's it's it's I just

2630

01:46:37,669 --> 01:46:34,920

feel like this has been going on for a

2631

01:46:40,189 --> 01:46:37,679

very very long time because the the

2632

01:46:42,530 --> 01:46:40,199

poverty of you know like women and

2633

01:46:44,510 --> 01:46:42,540

children and human trafficking and the

2634

01:46:46,790 --> 01:46:44,520

abuse and the you know I know in the

2635

01:46:49,070 --> 01:46:46,800

patriarchal religions like it was always

2636

01:46:50,990 --> 01:46:49,080

the orphans and the widows that the

2637

01:46:52,669 --> 01:46:51,000

whole of the New Testament people like

2638

01:46:55,010 --> 01:46:52,679

the whole of their job was like helping

2639

01:46:56,750 --> 01:46:55,020

orphans and widows what the hell what

2640

01:46:58,850 --> 01:46:56,760

problem is that

2641

01:47:01,010 --> 01:46:58,860

why are there so many orphans and widows

2642

01:47:02,750 --> 01:47:01,020

in the first place this is what my

2643

01:47:05,030 --> 01:47:02,760

question was why are they making them

2644

01:47:07,850 --> 01:47:05,040

believe in the devaluation of women and

2645

01:47:10,070 --> 01:47:07,860

children to begin with that causes that

2646

01:47:12,229 --> 01:47:10,080

problem all the time so they're spending

2647

01:47:13,790 --> 01:47:12,239

all their time doing the religion to

2648

01:47:16,129 --> 01:47:13,800

help the women and the children but it

2649

01:47:18,229 --> 01:47:16,139

never gets resolved oh

2650

01:47:20,450 --> 01:47:18,239

well that's that's because religion is

2651

01:47:22,790 --> 01:47:20,460

is and how always has been a social

2652

01:47:24,169 --> 01:47:22,800

engineering project first and foremost

2653

01:47:26,450 --> 01:47:24,179

and that's the problem I have with

2654

01:47:29,750 --> 01:47:26,460

Christianity if you go and look at the

2655

01:47:33,850 --> 01:47:29,760

history and if you read Josephus the

2656

01:47:38,990 --> 01:47:33,860

Roman slash Jewish historian he lays out

2657

01:47:41,450 --> 01:47:39,000

Josephus War the Jews 4.5.6 he lays bare

2658

01:47:43,010 --> 01:47:41,460

the social engineering operation only it

2659

01:47:46,370 --> 01:47:43,020

was first to the Jews you know it's like

2660

01:47:47,990 --> 01:47:46,380

hey Titus is really the Messiah all the

2661

01:47:49,790 --> 01:47:48,000

Jewish people like me we should realize

2662

01:47:51,410 --> 01:47:49,800

that you know he's really it well then

2663

01:47:54,109 --> 01:47:51,420

they just pull the same thing with Jesus

2664

01:47:56,570 --> 01:47:54,119

on the next thing with with Constantine

2665

01:47:59,209 --> 01:47:56,580

and that whole thing it's it's just it's

2666

01:48:01,250 --> 01:47:59,219

very effective and why wouldn't you do

2667

01:48:03,770 --> 01:48:01,260

that why wouldn't you if I want to

2668

01:48:06,470 --> 01:48:03,780

control a population do I want to really

2669

01:48:09,770 --> 01:48:06,480

go in there with uh weapons and arms and

2670

01:48:12,290 --> 01:48:09,780

March my troops if I can just say hey

2671

01:48:13,790 --> 01:48:12,300

it's this is it this is the book just

2672

01:48:15,830 --> 01:48:13,800

follow the book we're all under the same

2673

01:48:19,550 --> 01:48:15,840

thing if I can control you that way it's

2674

01:48:21,709 --> 01:48:19,560

just the much more efficient way to to

2675

01:48:24,709 --> 01:48:21,719

do it I I don't know to me it isn't even

2676

01:48:26,450 --> 01:48:24,719

that difficult to understand what's hard

2677

01:48:28,310 --> 01:48:26,460

to understand is why

2678

01:48:30,890 --> 01:48:28,320

but this is the super big spiritual

2679

01:48:34,250 --> 01:48:30,900

question why is God allowing this to

2680

01:48:35,990 --> 01:48:34,260

play out you know why is and I resist

2681

01:48:38,209 --> 01:48:36,000

the idea that and I was going to say

2682

01:48:40,270 --> 01:48:38,219

this before I resist the idea that God

2683

01:48:43,129 --> 01:48:40,280

needs our help in any of this you know

2684

01:48:45,410 --> 01:48:43,139

uh God needs our help we gotta we're

2685

01:48:48,350 --> 01:48:45,420

soldiers and just doesn't that just

2686

01:48:51,530 --> 01:48:48,360

doesn't Square you know somehow I'm on

2687

01:48:53,629 --> 01:48:51,540

some kind of Soul journey I need to find

2688

01:48:55,850 --> 01:48:53,639

truth I need to be the embodiment of

2689

01:48:58,669 --> 01:48:55,860

that truth I need to grow and all the

2690

01:49:02,350 --> 01:48:58,679

rest of that that I get the idea that I

2691

01:49:05,890 --> 01:49:02,360

need to go strike down some you know

2692

01:49:08,930 --> 01:49:05,900

evil being you know it just doesn't

2693

01:49:10,430 --> 01:49:08,940

logically it doesn't add up to how that

2694

01:49:11,930 --> 01:49:10,440

could work and and I kind of feel like

2695

01:49:13,609 --> 01:49:11,940

you're coming from a slightly different

2696

01:49:16,850 --> 01:49:13,619

place on that

2697

01:49:19,129 --> 01:49:16,860

I think well what moved me the most was

2698

01:49:22,070 --> 01:49:19,139

actually discovery of how narcissistic

2699

01:49:25,430 --> 01:49:22,080

abuse really works and how it's enabled

2700

01:49:28,010 --> 01:49:25,440

in our culture and society and and how

2701

01:49:31,070 --> 01:49:28,020

to truly recover from that what we

2702

01:49:33,050 --> 01:49:31,080

really need to be and do and that that

2703

01:49:35,209 --> 01:49:33,060

to me moved me more even than learning

2704

01:49:37,910 --> 01:49:35,219

about alien abductions it was just

2705

01:49:39,649 --> 01:49:37,920

another form of let's say narcissistic

2706

01:49:43,310 --> 01:49:39,659

abuse and mind control and spiritual

2707

01:49:45,169 --> 01:49:43,320

deception to take our resources and and

2708

01:49:46,250 --> 01:49:45,179

then Gaslight us into thinking it's like

2709

01:49:48,530 --> 01:49:46,260

all our fault there's something wrong

2710

01:49:51,290 --> 01:49:48,540

with us but if we really reconnect with

2711

01:49:53,330 --> 01:49:51,300

our true Essence we find ways to get

2712

01:49:55,850 --> 01:49:53,340

around like basically with narcissists

2713

01:49:57,590 --> 01:49:55,860

you don't really fight them directly if

2714

01:49:59,450 --> 01:49:57,600

you tell them what they are they just

2715

01:50:00,830 --> 01:49:59,460

they're like what do you call it pigs in

2716

01:50:02,810 --> 01:50:00,840

a pig pen they're always better at

2717

01:50:04,910 --> 01:50:02,820

fighting and and turning around on you

2718

01:50:06,169 --> 01:50:04,920

and they just met they're just better at

2719

01:50:08,390 --> 01:50:06,179

you know

2720

01:50:10,490 --> 01:50:08,400

doing what they do so it's like gray

2721

01:50:12,709 --> 01:50:10,500

rocking and you ignore them you don't

2722

01:50:14,390 --> 01:50:12,719

give them your attention you just kind

2723

01:50:16,790 --> 01:50:14,400

of move around it and you basically have

2724

01:50:18,470 --> 01:50:16,800

to accept your losses you may not ever

2725

01:50:20,689 --> 01:50:18,480

be able to recover your losses from

2726

01:50:23,330 --> 01:50:20,699

their theft which will never stop as

2727

01:50:25,129 --> 01:50:23,340

long as you interact with them so you

2728

01:50:28,430 --> 01:50:25,139

basically just have to start connecting

2729

01:50:30,590 --> 01:50:28,440

with people who understand the nature of

2730

01:50:32,870 --> 01:50:30,600

the Predator versus the nature of those

2731

01:50:35,030 --> 01:50:32,880

who are not predators

2732

01:50:37,729 --> 01:50:35,040

I mean I just see it as like the

2733

01:50:39,950 --> 01:50:37,739

Predators plain and simple and maybe

2734

01:50:42,050 --> 01:50:39,960

it's ignorance but I'm not there to try

2735

01:50:44,990 --> 01:50:42,060

to make them better I'm there to to

2736

01:50:46,970 --> 01:50:45,000

learn and get better myself and they can

2737

01:50:48,709 --> 01:50:46,980

find their own path because I need to

2738

01:50:50,270 --> 01:50:48,719

recover I I'm not going to take care of

2739

01:50:52,250 --> 01:50:50,280

them and then

2740

01:50:53,629 --> 01:50:52,260

starve to death trying to always take

2741

01:50:56,330 --> 01:50:53,639

care of all these people who are never

2742

01:50:58,850 --> 01:50:56,340

going to change you know it's like

2743

01:51:01,729 --> 01:50:58,860

yeah I I hear you this is such a

2744

01:51:03,590 --> 01:51:01,739

interesting topic to me because we all

2745

01:51:06,649 --> 01:51:03,600

appreciate that the narcissistic thing

2746

01:51:09,410 --> 01:51:06,659

is just way overused to the point of

2747

01:51:13,070 --> 01:51:09,420

where it's kind of lost its meaning and

2748

01:51:15,590 --> 01:51:13,080

it's become a gender kind of thing in a

2749

01:51:16,790 --> 01:51:15,600

way that it really shouldn't in that you

2750

01:51:19,510 --> 01:51:16,800

know we're usually talking about men

2751

01:51:22,669 --> 01:51:19,520

when we talk about narcissists

2752

01:51:25,370 --> 01:51:22,679

no no I I get it but you also get that

2753

01:51:26,689 --> 01:51:25,380

you know that's when we hear when I hear

2754

01:51:28,790 --> 01:51:26,699

a lot of the interviews you do and

2755

01:51:31,189 --> 01:51:28,800

that's what we're really kind of a lot

2756

01:51:34,070 --> 01:51:31,199

of times talking about and it loses the

2757

01:51:35,810 --> 01:51:34,080

fact that the other parts of our culture

2758

01:51:39,770 --> 01:51:35,820

that we're comfortable with

2759

01:51:43,250 --> 01:51:39,780

are very much about promoting that kind

2760

01:51:46,010 --> 01:51:43,260

of male energy that borders on

2761

01:51:49,189 --> 01:51:46,020

narcissism you know the get thing done

2762

01:51:50,169 --> 01:51:49,199

kind of mentality the protect at all

2763

01:51:52,970 --> 01:51:50,179

cost

2764

01:51:55,430 --> 01:51:52,980

mentality the I need you on that wall I

2765

01:51:58,070 --> 01:51:55,440

want you on that wall go take that Hill

2766

01:52:01,609 --> 01:51:58,080

doesn't matter how you do it kind of

2767

01:52:04,790 --> 01:52:01,619

energy we are a product of that we are a

2768

01:52:07,970 --> 01:52:04,800

product of the most narcissistic people

2769

01:52:10,970 --> 01:52:07,980

that fought bravely for us to chop that

2770

01:52:13,189 --> 01:52:10,980

other guy's head off in a one-on-one

2771

01:52:15,890 --> 01:52:13,199

battle you know what I mean and I think

2772

01:52:17,570 --> 01:52:15,900

we're trying to understand that and

2773

01:52:18,470 --> 01:52:17,580

resolve that and sometimes I think when

2774

01:52:25,430 --> 01:52:18,480

we

2775

01:52:28,010 --> 01:52:25,440

help so it's like labels are problematic

2776
01:52:29,870 --> 01:52:28,020
in so many ways but so is the cultural

2777
01:52:31,790 --> 01:52:29,880
overlay on this and

2778
01:52:34,129 --> 01:52:31,800
what I really resonate with much more

2779
01:52:36,530 --> 01:52:34,139
than the narcissistic thing is the

2780
01:52:39,709 --> 01:52:36,540
trauma thing that you're talking about

2781
01:52:41,990 --> 01:52:39,719
both anomalous trauma and the kind of

2782
01:52:44,209 --> 01:52:42,000
non-anomalous trauma and I thought it

2783
01:52:45,770 --> 01:52:44,219
was very beautiful and eloquent the way

2784
01:52:50,209 --> 01:52:45,780
that you said of

2785
01:52:52,490 --> 01:52:50,219
our ability to kind of be our full self

2786
01:52:55,010 --> 01:52:52,500
is inversely proportional look at the

2787
01:52:57,050 --> 01:52:55,020
moment trauma we can relieve to me

2788
01:52:59,330 --> 01:52:57,060

that's the samskara thing that is the

2789

01:53:00,890 --> 01:52:59,340

yogic thing that I totally get and

2790

01:53:04,689 --> 01:53:00,900

understand

2791

01:53:08,750 --> 01:53:04,699

I'm not sure that narcissism

2792

01:53:11,390 --> 01:53:08,760

exactly fits into that other than we all

2793

01:53:14,930 --> 01:53:11,400

got yet and some of the winds up

2794

01:53:17,930 --> 01:53:14,940

looking a lot like narcissistic behavior

2795

01:53:21,229 --> 01:53:17,940

yeah yeah but there's a real personality

2796

01:53:23,390 --> 01:53:21,239

disorder that that's actually more um

2797

01:53:25,729 --> 01:53:23,400

you know pathological and it comes from

2798

01:53:28,430 --> 01:53:25,739

complex trauma so that's the ones that

2799

01:53:29,390 --> 01:53:28,440

I'm talking about that like even in my

2800

01:53:31,669 --> 01:53:29,400

work

2801

01:53:33,709 --> 01:53:31,679

where when someone became hosted by an

2802

01:53:36,229 --> 01:53:33,719

entity it was because of that

2803

01:53:39,609 --> 01:53:36,239

personality style and the trauma that

2804

01:53:43,070 --> 01:53:39,619

actually allowed those entities to even

2805

01:53:45,950 --> 01:53:43,080

exacerbate those behaviors so

2806

01:53:48,169 --> 01:53:45,960

um yeah that's what I mean but not not

2807

01:53:50,570 --> 01:53:48,179

in the normal male female

2808

01:53:52,010 --> 01:53:50,580

now this is complex trauma that I'm

2809

01:53:53,450 --> 01:53:52,020

talking I I just think that all that

2810

01:53:54,950 --> 01:53:53,460

gets really blurry and I think the

2811

01:53:57,169 --> 01:53:54,960

labeling gets really blurry and then

2812

01:53:59,629 --> 01:53:57,179

when we say real you know from some

2813

01:54:01,790 --> 01:53:59,639

psychology perspective like they have

2814

01:54:03,649 --> 01:54:01,800

any freaking clue they still don't

2815

01:54:05,570 --> 01:54:03,659

believe that Consciousness is real I

2816

01:54:07,970 --> 01:54:05,580

mean the official position among

2817

01:54:10,010 --> 01:54:07,980

psychology is that Consciousness is an

2818

01:54:12,350 --> 01:54:10,020

epiphenomenon of the brain so all this

2819

01:54:14,109 --> 01:54:12,360

stuff that we're talking about is a

2820

01:54:16,729 --> 01:54:14,119

product of the brain there is nothing

2821

01:54:19,250 --> 01:54:16,739

real in terms of your conscious

2822

01:54:20,810 --> 01:54:19,260

experience they're not there yet when we

2823

01:54:23,270 --> 01:54:20,820

talk about spiritually transformative

2824

01:54:25,430 --> 01:54:23,280

experiences at the beginning at the APA

2825

01:54:27,229 --> 01:54:25,440

conference there ain't no breakouts

2826

01:54:29,930 --> 01:54:27,239

those those breakouts on spiritual

2827

01:54:32,270 --> 01:54:29,940

transformative experiences are like tiny

2828

01:54:34,129 --> 01:54:32,280

compared to overall psychology hasn't

2829

01:54:36,470 --> 01:54:34,139

come around to the idea that there are

2830

01:54:38,090 --> 01:54:36,480

these extended Consciousness Realms you

2831

01:54:40,189 --> 01:54:38,100

are because that's where you live and

2832

01:54:42,229 --> 01:54:40,199

that's where you work but in general

2833

01:54:43,910 --> 01:54:42,239

that's why you tell people they can't

2834

01:54:46,310 --> 01:54:43,920

the people that come to you they can't

2835

01:54:48,770 --> 01:54:46,320

go to a normal therapist right they go

2836

01:54:50,570 --> 01:54:48,780

to a normal therapist so it I mean

2837

01:54:52,790 --> 01:54:50,580

that's where I think it does get kind of

2838

01:54:56,149 --> 01:54:52,800

siled a little bit where you kind of see

2839

01:54:58,910 --> 01:54:56,159

it and you lose sight of the the world

2840

01:55:02,149 --> 01:54:58,920

that that really exists out there and

2841

01:55:05,090 --> 01:55:02,159

how it is so detached from what you and

2842

01:55:06,890 --> 01:55:05,100

I accept isn't obvious obvious reality

2843

01:55:08,270 --> 01:55:06,900

which is of course are these other

2844

01:55:09,970 --> 01:55:08,280

realms

2845

01:55:13,010 --> 01:55:09,980

yeah

2846

01:55:14,570 --> 01:55:13,020

I I wish it was easier

2847

01:55:16,310 --> 01:55:14,580

um but I

2848

01:55:18,709 --> 01:55:16,320

sometimes you don't have to talk about

2849

01:55:20,510 --> 01:55:18,719

experiences like I've found that

2850

01:55:23,510 --> 01:55:20,520

um we didn't have to go into this story

2851
01:55:25,189 --> 01:55:23,520
and the particularities of the story of

2852
01:55:27,709 --> 01:55:25,199
the weirdness and just talk about

2853
01:55:30,109 --> 01:55:27,719
feelings and and feelings and needs from

2854
01:55:31,970 --> 01:55:30,119
like a really basic human level and then

2855
01:55:34,010 --> 01:55:31,980
then you're able to do work with a

2856
01:55:36,470 --> 01:55:34,020
therapist without having to like give

2857
01:55:38,510 --> 01:55:36,480
National Security Secrets or or get in

2858
01:55:40,430 --> 01:55:38,520
trouble that you're you know talking

2859
01:55:42,890 --> 01:55:40,440
about that they're just gonna

2860
01:55:44,870 --> 01:55:42,900
you get in trouble for so there's ways

2861
01:55:47,330 --> 01:55:44,880
to get around that because sometimes it

2862
01:55:49,189 --> 01:55:47,340
is a national security issue and you

2863
01:55:51,050 --> 01:55:49,199

really can't talk about it so I feel

2864

01:55:52,669 --> 01:55:51,060

sorry for people who have to work for

2865

01:55:55,790 --> 01:55:52,679

those you know

2866

01:55:57,169 --> 01:55:55,800

companies and they really can't talk and

2867

01:56:01,609 --> 01:55:57,179

yeah

2868

01:56:02,750 --> 01:56:01,619

well folks if if any of this does seem

2869

01:56:04,729 --> 01:56:02,760

to

2870

01:56:07,310 --> 01:56:04,739

resonate with you in a way that makes

2871

01:56:10,910 --> 01:56:07,320

you feel like you need to connect with

2872

01:56:14,030 --> 01:56:10,920

this very awesome open-hearted person

2873

01:56:16,910 --> 01:56:14,040

who we've been talking to Eve Logan then

2874

01:56:21,350 --> 01:56:16,920

please do contact her you can find her

2875

01:56:23,810 --> 01:56:21,360

at her website evilorgan.com and uh

2876

01:56:27,290 --> 01:56:23,820

what where what else should people know

2877

01:56:28,970 --> 01:56:27,300

in terms of working with you or reading

2878

01:56:31,729 --> 01:56:28,980

the books or anything else like that

2879

01:56:34,430 --> 01:56:31,739

well you can get my hard copy books

2880

01:56:36,649 --> 01:56:34,440

directly through me on my website and

2881

01:56:38,330 --> 01:56:36,659

then they're both uh Dark Side of cupid

2882

01:56:40,970 --> 01:56:38,340

and the love bytes still available on

2883

01:56:43,189 --> 01:56:40,980

Kindle so you still can get a Kindle

2884

01:56:45,590 --> 01:56:43,199

edition there and then I have a small

2885

01:56:47,990 --> 01:56:45,600

alien loved by a telegram group that I'm

2886

01:56:50,149 --> 01:56:48,000

posting to that I can do a little more

2887

01:56:52,609 --> 01:56:50,159

quickly than my regular website

2888

01:56:54,290 --> 01:56:52,619

so you can always get in contact me that

2889

01:56:56,750 --> 01:56:54,300

way or through my email

2890

01:56:58,490 --> 01:56:56,760

and that's probably the best way or you

2891

01:56:59,750 --> 01:56:58,500

know any interviews you've heard me on I

2892

01:57:01,850 --> 01:56:59,760

don't even have my own YouTube channel

2893

01:57:03,830 --> 01:57:01,860

that I use I just you know do other

2894

01:57:05,689 --> 01:57:03,840

people's shows and it's easier for me

2895

01:57:08,450 --> 01:57:05,699

that way so

2896

01:57:10,850 --> 01:57:08,460

well excellent It's been terrific I'm

2897

01:57:12,770 --> 01:57:10,860

very grateful for you being so open and

2898

01:57:15,169 --> 01:57:12,780

allowing this conversation to go in ways

2899

01:57:17,030 --> 01:57:15,179

that I don't think a lot of people hear

2900

01:57:20,510 --> 01:57:17,040

when they approach your work we didn't

2901
01:57:21,890 --> 01:57:20,520
even touch on really my labs and what

2902
01:57:25,010 --> 01:57:21,900
all that's about but I think people will

2903
01:57:27,350 --> 01:57:25,020
get the get the general idea so thanks

2904
01:57:29,330 --> 01:57:27,360
so much for doing it Eve well thank you

2905
01:57:31,729 --> 01:57:29,340
it's great conversation

2906
01:57:34,669 --> 01:57:31,739
thanks Canada Eve Logan for joining me

2907
01:57:36,950 --> 01:57:34,679
today on skeptico dude check her out I

2908
01:57:39,950 --> 01:57:36,960
think if you have any kind of issues

2909
01:57:41,570 --> 01:57:39,960
surrounding this anomalous trauma issue

2910
01:57:43,790 --> 01:57:41,580
it seems to me like she'd be a great

2911
01:57:45,709 --> 01:57:43,800
person her books are challenging for the

2912
01:57:47,750 --> 01:57:45,719
ways that I outlined in this interview

2913
01:57:49,430 --> 01:57:47,760

but other than that

2914

01:57:51,709 --> 01:57:49,440

I don't know I think they're definitely

2915

01:57:53,689 --> 01:57:51,719

definitely worth checking out so then

2916

01:57:55,609 --> 01:57:53,699

finally you know one question I'd tee up

2917

01:57:57,410 --> 01:57:55,619

from this interview and it's kind of one

2918

01:57:59,089 --> 01:57:57,420

of these where the question is just

2919

01:58:02,990 --> 01:57:59,099

obvious you know

2920

01:58:11,340 --> 01:58:05,570

let me know your thoughts as always
