

# IS ET SATANIC?

596-MARTY-GARZA

**SKPTIKO**  
science & spirituality

1  
00:00:06,889 --> 00:00:03,530  
and this episode is skeptico

2  
00:00:11,870 --> 00:00:06,899  
show about making tough decisions how

3  
00:00:15,829 --> 00:00:13,730  
you're doing God's work we are

4  
00:00:19,189 --> 00:00:15,839  
preventing the end of days you can't

5  
00:00:21,349 --> 00:00:19,199  
prevent Evil by doing evilness and how

6  
00:00:24,590 --> 00:00:21,359  
you need the data in order to make those

7  
00:00:28,370 --> 00:00:24,600  
decisions their interest was in the

8  
00:00:30,290 --> 00:00:28,380  
mechanism for turning on ESP and turning

9  
00:00:32,690 --> 00:00:30,300  
it off we know that kit green was

10  
00:00:35,030 --> 00:00:32,700  
working on this for the CIA since at

11  
00:00:37,250 --> 00:00:35,040  
least the 70s we're just now hearing

12  
00:00:39,229 --> 00:00:37,260  
Gary Nolan talking about it the Nazis

13  
00:00:41,810 --> 00:00:39,239

were doing it during World War II the

14

00:00:44,750 --> 00:00:41,820

Russians were doing it before that we

15

00:00:47,150 --> 00:00:44,760

can't exactly fill in those gaps we

16

00:00:49,670 --> 00:00:47,160

don't know if it is the drugs right or

17

00:00:51,470 --> 00:00:49,680

we don't know if the deception on the

18

00:00:53,750 --> 00:00:51,480

other side was something we'd call

19

00:00:55,490 --> 00:00:53,760

demonic or satanic or wherever you want

20

00:00:56,569 --> 00:00:55,500

to go and that was leading it or we

21

00:00:59,689 --> 00:00:56,579

don't know if there's any difference

22

00:01:01,729 --> 00:00:59,699

between demonic and satanic and E.T that

23

00:01:04,250 --> 00:01:01,739

first clip was from an old movie called

24

00:01:05,690 --> 00:01:04,260

the end of days with Arnold

25

00:01:07,250 --> 00:01:05,700

Schwarzenegger who doesn't appear in

26

00:01:09,950 --> 00:01:07,260

that clip but it's kind of interesting

27

00:01:13,010 --> 00:01:09,960

that he was in that kind of movie and

28

00:01:16,490 --> 00:01:13,020

the second was from today's guest Marty

29

00:01:19,370 --> 00:01:16,500

Garza so you may remember Marty and his

30

00:01:24,289 --> 00:01:19,380

outstanding Deep dive into all things

31

00:01:27,230 --> 00:01:24,299

UFO ET from a couple episodes ago and if

32

00:01:29,450 --> 00:01:27,240

not you're in for a treat guy knows a

33

00:01:32,149 --> 00:01:29,460

lot and we kind of went in a lot of

34

00:01:35,030 --> 00:01:32,159

different directions with this one very

35

00:01:36,289 --> 00:01:35,040

level three skeptical style I hope you

36

00:01:38,090 --> 00:01:36,299

enjoy it

37

00:01:39,950 --> 00:01:38,100

welcome to skeptico where we explore

38

00:01:43,850 --> 00:01:39,960

controversial science and spirituality

39

00:01:46,730 --> 00:01:43,860

I'm joined today by Marty Garza and for

40

00:01:49,490 --> 00:01:46,740

those of you who are skeptico fans

41

00:01:51,649 --> 00:01:49,500

skeptical followers uh you will remember

42

00:01:55,130 --> 00:01:51,659

that Mari joined me a few episodes ago

43

00:01:57,649 --> 00:01:55,140

we did a very excellent show with the

44

00:02:00,889 --> 00:01:57,659

guys from Brothers of the serpent

45

00:02:04,069 --> 00:02:00,899

podcast Russ and Kyle and they've been

46

00:02:07,609 --> 00:02:04,079

doing this ongoing series with Marty on

47

00:02:10,070 --> 00:02:07,619

UFOs and I was just blown away with what

48

00:02:11,990 --> 00:02:10,080

Marty was bringing they've done like 10

49

00:02:15,589 --> 00:02:12,000

of them at this point and this guy has

50

00:02:18,050 --> 00:02:15,599

done fantastic Research into all sorts

51  
00:02:22,010 --> 00:02:18,060  
of different aspects this kind of Deep

52  
00:02:24,890 --> 00:02:22,020  
dive both deep and Broad into this topic

53  
00:02:27,589 --> 00:02:24,900  
I was super impressed I love the chance

54  
00:02:29,330 --> 00:02:27,599  
to have an interaction with Marty and

55  
00:02:31,990 --> 00:02:29,340  
Ross and Kyle because they have their

56  
00:02:34,970 --> 00:02:32,000  
own unique and very valuable perspective

57  
00:02:38,150 --> 00:02:34,980  
but I really really appreciated the time

58  
00:02:41,449 --> 00:02:38,160  
that I had until talking with Marty

59  
00:02:44,809 --> 00:02:41,459  
I hope at the end of this you'll see why

60  
00:02:48,290 --> 00:02:44,819  
I think he really is a tremendously

61  
00:02:50,330 --> 00:02:48,300  
valuable and important voice in this

62  
00:02:53,110 --> 00:02:50,340  
whole UFO thing and that might surprise

63  
00:02:58,070 --> 00:02:53,120

you because maybe you've never heard of

64  
00:03:02,990 --> 00:02:58,080  
Marty Garza or then again maybe you have

65  
00:03:04,970 --> 00:03:03,000  
and I say that because Marty has a

66  
00:03:07,250 --> 00:03:04,980  
secret second life or really a first

67  
00:03:09,390 --> 00:03:07,260  
life I want to play this a little bit

68  
00:03:15,440 --> 00:03:09,400  
because it's kind of fun

69  
00:03:23,390 --> 00:03:19,990  
[Applause]

70  
00:03:25,610 --> 00:03:23,400  
but anyways this guy was inducted into

71  
00:03:27,890 --> 00:03:25,620  
the monster truck Hall of Fame you know

72  
00:03:30,170 --> 00:03:27,900  
that's a billion dollar industry well

73  
00:03:32,149 --> 00:03:30,180  
come on man tell us tell us a little bit

74  
00:03:35,210 --> 00:03:32,159  
about your background what we saw there

75  
00:03:37,130 --> 00:03:35,220  
the whole Overkill thing right to be on

76

00:03:39,050 --> 00:03:37,140

Alex it's a it's an honor to be on with

77

00:03:41,509 --> 00:03:39,060

you as you know I'm a big follower of

78

00:03:44,030 --> 00:03:41,519

your fan of your channel as well your

79

00:03:46,130 --> 00:03:44,040

podcast so that is I guess you could

80

00:03:48,710 --> 00:03:46,140

look at that as more like a crash reel

81

00:03:51,350 --> 00:03:48,720

or crash highlights but uh yeah that

82

00:03:53,930 --> 00:03:51,360

that's uh in industry I've been involved

83

00:03:57,170 --> 00:03:53,940

in for uh the majority of my life

84

00:03:58,610 --> 00:03:57,180

probably since about 1984 and I was

85

00:04:01,430 --> 00:03:58,620

fortunate enough to have been inducted

86

00:04:03,530 --> 00:04:01,440

into the Hall of Fame a few years ago so

87

00:04:05,210 --> 00:04:03,540

I guess that's a maybe a testament to my

88

00:04:07,729 --> 00:04:05,220

contributions

89

00:04:10,009 --> 00:04:07,739

and you know the last time we did a

90

00:04:12,050 --> 00:04:10,019

rehearsal I'm going to call it of this

91

00:04:15,069 --> 00:04:12,060

on Friday because I totally screwed up

92

00:04:18,770 --> 00:04:15,079

with the recording but you mentioned

93

00:04:20,210 --> 00:04:18,780

that there is an alien on the side of

94

00:04:22,610 --> 00:04:20,220

your truck and I went back and watched a

95

00:04:26,330 --> 00:04:22,620

video and I saw that and that your

96

00:04:29,629 --> 00:04:26,340

interest in UFO slash ET kind of

97

00:04:31,550 --> 00:04:29,639

predates the monster truck thing right

98

00:04:34,730 --> 00:04:31,560

yes I've had an interest in the

99

00:04:37,610 --> 00:04:34,740

phenomenon my the just about my entire

100

00:04:40,550 --> 00:04:37,620

life but as I got a little older I spent

101  
00:04:43,909 --> 00:04:40,560  
more time delving into it more deeply

102  
00:04:46,070 --> 00:04:43,919  
into the you know more esoteric aspects

103  
00:04:49,550 --> 00:04:46,080  
of the phenomenon and it's quite a

104  
00:04:52,610 --> 00:04:49,560  
contrast with my other life in the

105  
00:04:55,850 --> 00:04:52,620  
monster truck side where that is almost

106  
00:05:00,170 --> 00:04:55,860  
entirely nuts and bolts physical you

107  
00:05:03,350 --> 00:05:00,180  
know uh attributes versus the more uh

108  
00:05:05,270 --> 00:05:03,360  
uh I guess intangible aspects that

109  
00:05:08,150 --> 00:05:05,280  
relate to the phenomena

110  
00:05:10,490 --> 00:05:08,160  
well as I think we'll talk about you

111  
00:05:13,670 --> 00:05:10,500  
know there's several meeting up points

112  
00:05:16,010 --> 00:05:13,680  
one is nuts and bolts nuts and bolts is

113  
00:05:18,170 --> 00:05:16,020

really so much a part of the UFO thing

114

00:05:20,570 --> 00:05:18,180

and when you try and get get away from

115

00:05:23,450 --> 00:05:20,580

it like you and I do when we talk about

116

00:05:25,010 --> 00:05:23,460

Consciousness and stuff like that it

117

00:05:26,930 --> 00:05:25,020

sucks you're right back in because

118

00:05:29,930 --> 00:05:26,940

somebody has an encounter with that

119

00:05:32,330 --> 00:05:29,940

technology or someone's has a suspicion

120

00:05:36,010 --> 00:05:32,340

that we have that is the United States

121

00:05:39,110 --> 00:05:36,020

has developed some technology that is

122

00:05:41,330 --> 00:05:39,120

appearing as part of the phenomenon so

123

00:05:44,570 --> 00:05:41,340

there there is this kind of overlap

124

00:05:46,249 --> 00:05:44,580

there but the other overlap that I'm

125

00:05:47,870 --> 00:05:46,259

reaching for it a little bit but I think

126

00:05:52,790 --> 00:05:47,880

there's a connection there

127

00:05:55,909 --> 00:05:52,800

you have a passion for this topic and I

128

00:05:58,010 --> 00:05:55,919

do too I know where my passion is my

129

00:06:01,249 --> 00:05:58,020

passion is about big picture questions

130

00:06:04,370 --> 00:06:01,259

who am I why am I here and I'm just

131

00:06:05,930 --> 00:06:04,380

crazy enough to think that I can go out

132

00:06:08,330 --> 00:06:05,940

and talk to a bunch of these different

133

00:06:10,310 --> 00:06:08,340

people and I can get answers to those

134

00:06:13,129 --> 00:06:10,320

kind of big picture questions and I'm

135

00:06:15,170 --> 00:06:13,139

chuckling about it now but I really am

136

00:06:18,830 --> 00:06:15,180

not chuckling about that is how I really

137

00:06:19,850 --> 00:06:18,840

think I think I can get answers to these

138

00:06:25,309 --> 00:06:19,860

questions

139

00:06:29,510 --> 00:06:25,319

fears that I have

140

00:06:33,590 --> 00:06:29,520

and the fears about what this phenomenon

141

00:06:36,950 --> 00:06:33,600

May mean for how I understand myself and

142

00:06:39,529 --> 00:06:36,960

how I understand my my physical self in

143

00:06:41,390 --> 00:06:39,539

this world in this time space and how I

144

00:06:44,570 --> 00:06:41,400

understand myself

145

00:06:46,189 --> 00:06:44,580

from a like Soul perspective

146

00:06:48,770 --> 00:06:46,199

and one of the cool things I thought

147

00:06:50,570 --> 00:06:48,780

about the monster truck thing is like we

148

00:06:53,570 --> 00:06:50,580

talked about last time it is

149

00:06:55,909 --> 00:06:53,580

quintessentially American it is

150

00:06:59,930 --> 00:06:55,919

quintessentially I

151  
00:07:02,629 --> 00:06:59,940  
ought to be able to do pretty much what

152  
00:07:04,670 --> 00:07:02,639  
I want to do as long as I'm really not

153  
00:07:07,610 --> 00:07:04,680  
messing with anyone too much

154  
00:07:08,510 --> 00:07:07,620  
and I think that and this might be the

155  
00:07:11,270 --> 00:07:08,520  
reach

156  
00:07:14,210 --> 00:07:11,280  
I I think that that's one of the things

157  
00:07:18,469 --> 00:07:14,220  
that scares us about

158  
00:07:20,210 --> 00:07:18,479  
ET in UFO is that we might not have a

159  
00:07:24,409 --> 00:07:20,220  
handle on that at a whole different

160  
00:07:26,570 --> 00:07:24,419  
level Beyond uh the ruskies or the

161  
00:07:29,809 --> 00:07:26,580  
commies or any it's just like they're

162  
00:07:30,950 --> 00:07:29,819  
May fundamentally be something in this

163  
00:07:33,950 --> 00:07:30,960

whole

164

00:07:37,730 --> 00:07:33,960

thing that is going to seriously change

165

00:07:40,129 --> 00:07:37,740

the way we think about who we are can

166

00:07:43,430 --> 00:07:40,139

you relate to that at all or does that

167

00:07:45,589 --> 00:07:43,440

not is that not a fit no absolutely you

168

00:07:48,890 --> 00:07:45,599

touched on several points there that are

169

00:07:51,830 --> 00:07:48,900

meaningful to me the you know the the

170

00:07:56,270 --> 00:07:51,840

monster trucks being uh quintessentially

171

00:07:59,029 --> 00:07:56,280

American phenomenon I I would say that

172

00:08:00,309 --> 00:07:59,039

is true it is what appealed to me is the

173

00:08:04,070 --> 00:08:00,319

ability

174

00:08:06,409 --> 00:08:04,080

to express our individuality

175

00:08:10,129 --> 00:08:06,419

through a technological means

176

00:08:12,909 --> 00:08:10,139

but like you said I'm kind of I share

177

00:08:18,050 --> 00:08:12,919

the perspective of uh this big picture

178

00:08:20,749 --> 00:08:18,060

you know concept of of our existence as

179

00:08:23,629 --> 00:08:20,759

humans in a environment that I believe

180

00:08:26,390 --> 00:08:23,639

is more complex than the average person

181

00:08:30,230 --> 00:08:26,400

ever stops to think about

182

00:08:33,230 --> 00:08:30,240

and as that relates to how we perceive

183

00:08:35,209 --> 00:08:33,240

or the the phenomenon

184

00:08:40,070 --> 00:08:35,219

um I think it's important that to

185

00:08:42,230 --> 00:08:40,080

consider that for decades

186

00:08:46,130 --> 00:08:42,240

I guess you could say ufology has

187

00:08:49,070 --> 00:08:46,140

hungered for academic acceptance

188

00:08:51,410 --> 00:08:49,080

but at the same time I think

189

00:08:53,750 --> 00:08:51,420

that we have to consider the fact that

190

00:08:56,210 --> 00:08:53,760

we we've got to be careful what we wish

191

00:08:59,090 --> 00:08:56,220

for right we need to be careful that by

192

00:09:01,790 --> 00:08:59,100

doing so we're not inviting uh

193

00:09:05,329 --> 00:09:01,800

materialist reductionists

194

00:09:07,970 --> 00:09:05,339

perception of something that may be

195

00:09:09,949 --> 00:09:07,980

outside of that realm we we don't know

196

00:09:12,530 --> 00:09:09,959

that we possess a science that can

197

00:09:14,810 --> 00:09:12,540

adequately address what it is that we're

198

00:09:17,810 --> 00:09:14,820

encountering we we don't know

199

00:09:19,670 --> 00:09:17,820

it's broad it's very Broad

200

00:09:21,230 --> 00:09:19,680

see now I'm going to say you kind of

201  
00:09:23,690 --> 00:09:21,240  
laid a lot on the table there that we

202  
00:09:25,850 --> 00:09:23,700  
kind of need to deconstruct and we're

203  
00:09:27,769 --> 00:09:25,860  
going to get into this because one of

204  
00:09:29,210 --> 00:09:27,779  
the things I want to do in this

205  
00:09:32,090 --> 00:09:29,220  
conversation we're going to have here

206  
00:09:34,490 --> 00:09:32,100  
because I think it's really lacking is

207  
00:09:36,290 --> 00:09:34,500  
we're going to try and Pull Apart all

208  
00:09:37,730 --> 00:09:36,300  
these different angles when you say

209  
00:09:41,990 --> 00:09:37,740  
phenomenon

210  
00:09:44,030 --> 00:09:42,000  
that means a lot to you and I think some

211  
00:09:47,329 --> 00:09:44,040  
people get it but some people aren't

212  
00:09:49,070 --> 00:09:47,339  
clued into what you're talking about and

213  
00:09:50,630 --> 00:09:49,080

they're going like Marty you're talking

214

00:09:53,449 --> 00:09:50,640

about UFOs what do you mean phenomena

215

00:09:57,410 --> 00:09:53,459

well in our in our run through

216

00:09:59,269 --> 00:09:57,420

discussion I mentioned that I have this

217

00:10:01,910 --> 00:09:59,279

this way of looking at the phenomena

218

00:10:05,509 --> 00:10:01,920

that I kind of in my head

219

00:10:07,370 --> 00:10:05,519

put this effectively on a like on a

220

00:10:10,490 --> 00:10:07,380

three-dimensional graph

221

00:10:13,730 --> 00:10:10,500

where I look at all these different what

222

00:10:16,370 --> 00:10:13,740

I guess people would consider as uh

223

00:10:18,290 --> 00:10:16,380

disparate phenomena

224

00:10:20,990 --> 00:10:18,300

and I put them all on the scene graph

225

00:10:22,670 --> 00:10:21,000

and we we get all these data points that

226

00:10:26,930 --> 00:10:22,680

we have in three dimensions right we

227

00:10:30,350 --> 00:10:26,940

have them time location uh you know

228

00:10:32,690 --> 00:10:30,360

description descriptive aspects of the

229

00:10:34,550 --> 00:10:32,700

phenomenon that or each individual with

230

00:10:38,210 --> 00:10:34,560

another was encountered and all this and

231

00:10:41,210 --> 00:10:38,220

as we apply this on a large time scale

232

00:10:42,829 --> 00:10:41,220

we start to see patterns

233

00:10:45,530 --> 00:10:42,839

rather than

234

00:10:47,329 --> 00:10:45,540

yeah and and this is kind of a deep and

235

00:10:50,329 --> 00:10:47,339

I'm trying to give a brief overview of

236

00:10:52,730 --> 00:10:50,339

this concept but rather than necessarily

237

00:10:54,410 --> 00:10:52,740

debating the minutia of individual

238

00:10:56,269 --> 00:10:54,420

sightings that could

239

00:10:59,210 --> 00:10:56,279

as we know could be debated forever

240

00:11:03,650 --> 00:10:59,220

there's no there's no single case that

241

00:11:06,009 --> 00:11:03,660

is you know uh completely settled it

242

00:11:09,590 --> 00:11:06,019

okay this is definitively this because

243

00:11:12,790 --> 00:11:09,600

no amount of no amount of information is

244

00:11:15,590 --> 00:11:12,800

ever enough to satisfy some people like

245

00:11:17,990 --> 00:11:15,600

on both ends right some people see every

246

00:11:20,750 --> 00:11:18,000

light in the sky is a is a UFO and

247

00:11:23,150 --> 00:11:20,760

others even when there are physical

248

00:11:24,889 --> 00:11:23,160

Trace cases that were tracked on radar

249

00:11:28,910 --> 00:11:24,899

and all this other you know multiple

250

00:11:31,190 --> 00:11:28,920

aspects to support this this encounter

251  
00:11:32,990 --> 00:11:31,200  
there are still Skeptics that will be

252  
00:11:36,769 --> 00:11:33,000  
remain unconvinced regardless of what's

253  
00:11:38,690 --> 00:11:36,779  
presented to them so rather than waste a

254  
00:11:40,970 --> 00:11:38,700  
tremendous amount of time debating

255  
00:11:42,470 --> 00:11:40,980  
something that there will never be a

256  
00:11:45,050 --> 00:11:42,480  
solution too

257  
00:11:47,210 --> 00:11:45,060  
I Instead try to plug all of that in as

258  
00:11:49,069 --> 00:11:47,220  
just data right and and you put all this

259  
00:11:50,329 --> 00:11:49,079  
data in and you look for patterns

260  
00:11:52,970 --> 00:11:50,339  
because

261  
00:11:55,310 --> 00:11:52,980  
I don't believe that we are going to

262  
00:11:58,310 --> 00:11:55,320  
settle this

263  
00:11:59,509 --> 00:11:58,320

by looking at necessary contemporary

264

00:12:04,970 --> 00:11:59,519

events

265

00:12:07,850 --> 00:12:04,980

combination we got to take this big

266

00:12:10,069 --> 00:12:07,860

picture uh approach and look for

267

00:12:12,949 --> 00:12:10,079

patterns I think the the key is in the

268

00:12:14,449 --> 00:12:12,959

patterns because and I'm gonna this is

269

00:12:15,889 --> 00:12:14,459

something I figure is going to come up

270

00:12:18,250 --> 00:12:15,899

at some point but I think it's it

271

00:12:22,910 --> 00:12:18,260

somewhat fits right now is that

272

00:12:24,050 --> 00:12:22,920

we it has become very common lately and

273

00:12:26,329 --> 00:12:24,060

I don't know if it's just a fad or

274

00:12:28,610 --> 00:12:26,339

whatever but we keep hearing the

275

00:12:31,730 --> 00:12:28,620

allegory of the cave Plato's alegated

276

00:12:35,030 --> 00:12:31,740

Cave the idea is that we are in the cave

277

00:12:38,329 --> 00:12:35,040

and we are seeing the Shadows cast

278

00:12:40,490 --> 00:12:38,339

from a reality that's outside of our

279

00:12:43,069 --> 00:12:40,500

known reaction what we can perceive

280

00:12:44,210 --> 00:12:43,079

right the problem with that I see with

281

00:12:46,430 --> 00:12:44,220

that that I don't I don't know that

282

00:12:49,190 --> 00:12:46,440

that's necessarily the best allegory to

283

00:12:50,590 --> 00:12:49,200

apply to what what we're experiencing is

284

00:12:57,710 --> 00:12:50,600

that

285

00:12:59,329 --> 00:12:57,720

experiencing is simply a consequence of

286

00:13:00,949 --> 00:12:59,339

what is happening outside of our

287

00:13:03,410 --> 00:13:00,959

perception

288

00:13:06,170 --> 00:13:03,420

I don't think that's entirely accurate

289

00:13:09,829 --> 00:13:06,180

because some of what we're experiencing

290

00:13:12,170 --> 00:13:09,839

appears to be purposeful deceit or

291

00:13:14,210 --> 00:13:12,180

manipulation as a result of what's

292

00:13:16,490 --> 00:13:14,220

happening outside of our perception

293

00:13:17,810 --> 00:13:16,500

Martin let me interject here because

294

00:13:19,069 --> 00:13:17,820

where a lot of people are going to go

295

00:13:20,569 --> 00:13:19,079

with this from where you're going

296

00:13:22,069 --> 00:13:20,579

they're going to go okay he's just

297

00:13:24,290 --> 00:13:22,079

talking about the Jacques Valley stuff

298

00:13:25,550 --> 00:13:24,300

and Jacqueline it deserves a ton of

299

00:13:28,550 --> 00:13:25,560

credit because he was one of the first

300

00:13:30,710 --> 00:13:28,560

people to really say Hey you know don't

301  
00:13:33,350 --> 00:13:30,720  
these ETS wind up sounding a lot like

302  
00:13:36,650 --> 00:13:33,360  
elves and you know doesn't don't the

303  
00:13:39,170 --> 00:13:36,660  
stories change over time and aren't they

304  
00:13:42,170 --> 00:13:39,180  
culturally based and then he's also the

305  
00:13:44,690 --> 00:13:42,180  
deception guide to bring in that I think

306  
00:13:46,310 --> 00:13:44,700  
you're saying that what else are you

307  
00:13:49,850 --> 00:13:46,320  
saying what are you where are you taking

308  
00:13:52,250 --> 00:13:49,860  
that I guess I'll back up to to my

309  
00:13:55,009 --> 00:13:52,260  
description of this three-dimensional

310  
00:13:59,090 --> 00:13:55,019  
graph when you start looking at all

311  
00:14:01,970 --> 00:13:59,100  
these data points and we look at

312  
00:14:05,569 --> 00:14:01,980  
those and we start to look for patterns

313  
00:14:09,230 --> 00:14:05,579

in in this we will see that if we let's

314

00:14:11,930 --> 00:14:09,240

say we ignore what a you know I think if

315

00:14:14,509 --> 00:14:11,940

if nothing else what we should have

316

00:14:16,250 --> 00:14:14,519

learned by now is that nothing related

317

00:14:17,750 --> 00:14:16,260

to the phenomenon should be taken at

318

00:14:20,030 --> 00:14:17,760

face value

319

00:14:21,290 --> 00:14:20,040

are there and there are multiple reasons

320

00:14:22,850 --> 00:14:21,300

for that that I'm sure we're going to

321

00:14:24,350 --> 00:14:22,860

get into as we get further in this

322

00:14:26,990 --> 00:14:24,360

conversation but

323

00:14:30,350 --> 00:14:27,000

as this applies to the graph

324

00:14:32,329 --> 00:14:30,360

in the patterns we will see that maybe

325

00:14:35,269 --> 00:14:32,339

the appearance of the phenomena may have

326  
00:14:37,610 --> 00:14:35,279  
have been different but the conduct was

327  
00:14:39,230 --> 00:14:37,620  
the same and we start seeing this

328  
00:14:41,870 --> 00:14:39,240  
consistency there are certain

329  
00:14:44,050 --> 00:14:41,880  
consistencies in these and we can get

330  
00:14:47,150 --> 00:14:44,060  
into maybe some some of what those

331  
00:14:48,350 --> 00:14:47,160  
consistencies might be but once you

332  
00:14:50,329 --> 00:14:48,360  
start looking at it from that

333  
00:14:52,850 --> 00:14:50,339  
perspective you start to see that you

334  
00:14:54,490 --> 00:14:52,860  
know what maybe what we're seeing is

335  
00:14:57,290 --> 00:14:54,500  
effectively like

336  
00:15:00,710 --> 00:14:57,300  
a and I guess in this place to the

337  
00:15:03,050 --> 00:15:00,720  
manipulation side that their their

338  
00:15:05,930 --> 00:15:03,060

it's like let's say

339

00:15:07,790 --> 00:15:05,940

then a a newscast

340

00:15:12,610 --> 00:15:07,800

an evening newscast and what you're

341

00:15:16,370 --> 00:15:12,620

seeing on the screen is what somebody's

342

00:15:18,530 --> 00:15:16,380

narrative is that they want you to

343

00:15:20,870 --> 00:15:18,540

believe they're showing you things to

344

00:15:22,610 --> 00:15:20,880

lead you to a certain conclusion but

345

00:15:25,030 --> 00:15:22,620

they could also be excluding things that

346

00:15:28,310 --> 00:15:25,040

might be counter to that but regardless

347

00:15:30,650 --> 00:15:28,320

this you're being shown things that will

348

00:15:31,910 --> 00:15:30,660

lead you in a certain direction

349

00:15:34,129 --> 00:15:31,920

well

350

00:15:35,629 --> 00:15:34,139

that's where I think that when we start

351  
00:15:38,329 --> 00:15:35,639  
looking at these patterns we see that

352  
00:15:40,430 --> 00:15:38,339  
the things that were historically

353  
00:15:43,970 --> 00:15:40,440  
considered to be

354  
00:15:46,370 --> 00:15:43,980  
Angels demons fawns you know Bigfoot

355  
00:15:47,389 --> 00:15:46,380  
those kind of things they appear

356  
00:15:49,069 --> 00:15:47,399  
different

357  
00:15:52,009 --> 00:15:49,079  
and that includes

358  
00:15:54,829 --> 00:15:52,019  
and and that would include craft right

359  
00:15:57,610 --> 00:15:54,839  
physical craft but the conduct the

360  
00:16:00,410 --> 00:15:57,620  
pattern of conduct what they how they

361  
00:16:04,329 --> 00:16:00,420  
interacted with the individual is fairly

362  
00:16:07,490 --> 00:16:04,339  
consistent so are these simply

363  
00:16:09,110 --> 00:16:07,500

screens that were being shown that are

364

00:16:12,050 --> 00:16:09,120

not necessarily representative of what

365

00:16:14,870 --> 00:16:12,060

is truly behind it okay so I love this

366

00:16:17,810 --> 00:16:14,880

because you're going so level three you

367

00:16:19,910 --> 00:16:17,820

know so beyond the normal discourse and

368

00:16:23,210 --> 00:16:19,920

I almost feel like you're kind of going

369

00:16:26,750 --> 00:16:23,220

to the master class thing my pushback

370

00:16:30,290 --> 00:16:26,760

kind of skeptical style would be maybe a

371

00:16:32,210 --> 00:16:30,300

lens into how we would process that

372

00:16:34,610 --> 00:16:32,220

bigger picture which I'm totally with

373

00:16:36,829 --> 00:16:34,620

you on I'm totally with you so much but

374

00:16:37,689 --> 00:16:36,839

I feel like we can't go there until we

375

00:16:40,310 --> 00:16:37,699

start

376

00:16:42,829 --> 00:16:40,320

deconstructing the current discourse

377

00:16:45,370 --> 00:16:42,839

that we're having so let me start with

378

00:16:47,990 --> 00:16:45,380

with this one because I really enjoyed

379

00:16:50,030 --> 00:16:48,000

the dialogue the conversations you had

380

00:16:52,310 --> 00:16:50,040

with the grimerica guys my old friends

381

00:16:54,769 --> 00:16:52,320

Darren and Graham and you guys were

382

00:16:59,110 --> 00:16:54,779

talking about the Eric Weinstein Show

383

00:17:02,090 --> 00:16:59,120

when he was on Joe Rogan so let me play

384

00:17:05,150 --> 00:17:02,100

this clip and then we'll begin to

385

00:17:08,150 --> 00:17:05,160

deconstruct it first of all one we may

386

00:17:10,130 --> 00:17:08,160

be faking a UFO uh situation for reasons

387

00:17:12,409 --> 00:17:10,140

that I don't understand if we are faking

388

00:17:14,270 --> 00:17:12,419

a UFO situation do you think that

389

00:17:17,329 --> 00:17:14,280

there's technology that's available to

390

00:17:19,669 --> 00:17:17,339

people in the United States that is

391

00:17:23,090 --> 00:17:19,679

beyond our current understanding of

392

00:17:24,169 --> 00:17:23,100

what's possible ninety percent no ninety

393

00:17:26,569 --> 00:17:24,179

percent no

394

00:17:28,909 --> 00:17:26,579

so here's my point on that and then I

395

00:17:30,770 --> 00:17:28,919

want to go right into another clip and

396

00:17:33,470 --> 00:17:30,780

then I'll get your response to it Eric

397

00:17:35,570 --> 00:17:33,480

Weinstein is a super smart guy a

398

00:17:37,850 --> 00:17:35,580

mathematician really understands physics

399

00:17:40,669 --> 00:17:37,860

and just a very bright and articulate

400

00:17:42,409 --> 00:17:40,679

guy he in this case does not know what

401  
00:17:45,470 --> 00:17:42,419  
he's talking about and what's really

402  
00:17:49,010 --> 00:17:45,480  
Troublesome is he doesn't even seem to

403  
00:17:52,370 --> 00:17:49,020  
know that he may not know what he's

404  
00:17:55,610 --> 00:17:52,380  
talking about let me play another clip

405  
00:17:59,270 --> 00:17:55,620  
and you tell me if you think this guy

406  
00:18:01,430 --> 00:17:59,280  
and the people he's referring to maybe

407  
00:18:03,890 --> 00:18:01,440  
are in a better position to know what

408  
00:18:07,130 --> 00:18:03,900  
they're talking about on this episode of

409  
00:18:10,549 --> 00:18:07,140  
skeptico Alex talks with author and UFO

410  
00:18:12,409 --> 00:18:10,559  
researcher Grant Cameron track this guy

411  
00:18:14,029 --> 00:18:12,419  
down he turns out to be Dr Eric Walker

412  
00:18:16,610 --> 00:18:14,039  
who was former president of Penn State

413  
00:18:17,930 --> 00:18:16,620

University for 15 years he was the

414

00:18:19,909 --> 00:18:17,940

chairman of the board of the institute

415

00:18:21,289 --> 00:18:19,919

for defense analysis which is the top

416

00:18:24,350 --> 00:18:21,299

military think tank for the United

417

00:18:26,930 --> 00:18:24,360

States uh military he would he was the

418

00:18:29,810 --> 00:18:26,940

co-developer of the the Homing

419

00:18:32,510 --> 00:18:29,820

torpedo he was friends with band of our

420

00:18:35,330 --> 00:18:32,520

Bush he had this incredible unbelievable

421

00:18:37,190 --> 00:18:35,340

background of uh you know military and

422

00:18:39,770 --> 00:18:37,200

uh connections with presidents and stuff

423

00:18:42,230 --> 00:18:39,780

like this so when we go to him We're

424

00:18:43,549 --> 00:18:42,240

interviewing him as UFO researchers

425

00:18:45,230 --> 00:18:43,559

we're not thinking about the mind we

426  
00:18:46,909 --> 00:18:45,240  
couldn't care less about you know we no

427  
00:18:49,070 --> 00:18:46,919  
connection whatsoever we're talking to

428  
00:18:51,409 --> 00:18:49,080  
him and we're trying to find out the

429  
00:18:54,230 --> 00:18:51,419  
supposed UFO group that runs the whole

430  
00:18:55,730 --> 00:18:54,240  
thing is the the mj-12 we're asking him

431  
00:18:58,070 --> 00:18:55,740  
questions about mj-12 did you have

432  
00:18:59,810 --> 00:18:58,080  
contact with the aliens uh how did the

433  
00:19:02,390 --> 00:18:59,820  
thing operate how did you cover up the

434  
00:19:05,090 --> 00:19:02,400  
UFO thing and in 1990 in the middle of

435  
00:19:06,950 --> 00:19:05,100  
one of these interviews he suddenly cuts

436  
00:19:09,289 --> 00:19:06,960  
off the conversation talking about

437  
00:19:12,230 --> 00:19:09,299  
Hardware about bodies and all those

438  
00:19:14,570 --> 00:19:12,240

sorts and he suddenly says how good is

439

00:19:16,370 --> 00:19:14,580

your Sixth Sense how much do you know

440

00:19:18,710 --> 00:19:16,380

about ESP and the other guy goes well

441

00:19:19,730 --> 00:19:18,720

you know I don't really he started of

442

00:19:22,970 --> 00:19:19,740

interest to him I don't know what's

443

00:19:26,090 --> 00:19:22,980

going on and Walker says then as unless

444

00:19:27,590 --> 00:19:26,100

you know about it and how to use it you

445

00:19:29,150 --> 00:19:27,600

will not be taken in because the

446

00:19:30,950 --> 00:19:29,160

question was about who's running the

447

00:19:32,810 --> 00:19:30,960

group what's this mg12 how many people

448

00:19:36,169 --> 00:19:32,820

are on the group how are these people

449

00:19:39,049 --> 00:19:36,179

operating and he says unless you uh know

450

00:19:41,630 --> 00:19:39,059

about ESP and how to use it you would

451  
00:19:44,029 --> 00:19:41,640  
not be taken in by this overriding group

452  
00:19:45,549 --> 00:19:44,039  
that runs the UFO program only a few

453  
00:19:49,070 --> 00:19:45,559  
know about it

454  
00:19:51,710 --> 00:19:49,080  
and then in 1993 there's a related story

455  
00:19:55,850 --> 00:19:51,720  
with Ben Rich Ben Rich was the guy who

456  
00:19:57,470 --> 00:19:55,860  
ran Skunk Works the the U2 the SR-71 the

457  
00:19:59,450 --> 00:19:57,480  
stealth fighter the stealth bomber they

458  
00:20:02,450 --> 00:19:59,460  
were all developed by what was called

459  
00:20:03,950 --> 00:20:02,460  
Skunk Works and Ben Rich ran it and he

460  
00:20:07,610 --> 00:20:03,960  
would get a number of questions about

461  
00:20:10,310 --> 00:20:07,620  
was this UFO technology and he's giving

462  
00:20:12,710 --> 00:20:10,320  
a lecture in 1993 he's dying of cancer

463  
00:20:15,049 --> 00:20:12,720

he gives a lecture at UCLA to a bunch of

464

00:20:16,970 --> 00:20:15,059

Engineers finishes the lecture he's

465

00:20:19,310 --> 00:20:16,980

walking out and one of the engineers

466

00:20:22,010 --> 00:20:19,320

who's interested in UFOs runs after and

467

00:20:24,470 --> 00:20:22,020

he says to Ben Rich he says Ben Rich how

468

00:20:27,169 --> 00:20:24,480

are these things propelled how Are UFOs

469

00:20:29,270 --> 00:20:27,179

propelled and Ben Rich turns around and

470

00:20:32,390 --> 00:20:29,280

he says to him let me ask you a question

471

00:20:34,310 --> 00:20:32,400

how does ESP work okay who knows what

472

00:20:35,810 --> 00:20:34,320

they're talking about who completely

473

00:20:38,810 --> 00:20:35,820

doesn't know what they're talking about

474

00:20:43,070 --> 00:20:38,820

but has millions and millions of views

475

00:20:44,930 --> 00:20:43,080

on Spotify and YouTube okay I'm gonna

476

00:20:47,270 --> 00:20:44,940

bring up something that we that we

477

00:20:51,169 --> 00:20:47,280

discussed in our previous conversation

478

00:20:53,510 --> 00:20:51,179

on on brothers of the serpent I

479

00:20:56,450 --> 00:20:53,520

um Regular listeners of the podcast

480

00:20:59,870 --> 00:20:56,460

probably understand that I very often

481

00:21:02,870 --> 00:20:59,880

will use analogies or allegories to to

482

00:21:03,950 --> 00:21:02,880

make a point and I did one uh a few

483

00:21:06,529 --> 00:21:03,960

months back

484

00:21:10,310 --> 00:21:06,539

they're referred to as the wall and it's

485

00:21:13,310 --> 00:21:10,320

the story synopsis of the story would be

486

00:21:16,010 --> 00:21:13,320

somebody wrote a message across the

487

00:21:18,890 --> 00:21:16,020

entire Great Wall of China

488

00:21:20,570 --> 00:21:18,900

and everybody was you know freaking out

489

00:21:22,190 --> 00:21:20,580

about this and trying to understand what

490

00:21:24,289 --> 00:21:22,200

was it all about what was the meaning

491

00:21:26,750 --> 00:21:24,299

and who was behind it

492

00:21:29,870 --> 00:21:26,760

and each individual Village

493

00:21:31,669 --> 00:21:29,880

that was at the wall had a completely

494

00:21:34,990 --> 00:21:31,679

different interpretation of what it was

495

00:21:38,090 --> 00:21:35,000

what it said and what it meant

496

00:21:41,510 --> 00:21:38,100

that's sort of the difference

497

00:21:43,970 --> 00:21:41,520

of the two clips that you played

498

00:21:46,909 --> 00:21:43,980

Eric Weinstein is viewing

499

00:21:49,130 --> 00:21:46,919

his part of the wall from the

500

00:21:52,070 --> 00:21:49,140

perspective of science

501  
00:21:55,909 --> 00:21:52,080  
and materialist science

502  
00:21:59,270 --> 00:21:55,919  
Grant Cameron has walked that wall

503  
00:22:00,710 --> 00:21:59,280  
he didn't just look at the part in front

504  
00:22:03,049 --> 00:22:00,720  
of his village

505  
00:22:04,870 --> 00:22:03,059  
he's walked that wall and he's got a

506  
00:22:08,330 --> 00:22:04,880  
better perspective of

507  
00:22:11,870 --> 00:22:08,340  
it appears from this part to look this

508  
00:22:13,610 --> 00:22:11,880  
way but as you take more of that in the

509  
00:22:15,890 --> 00:22:13,620  
picture starts to change and you

510  
00:22:16,970 --> 00:22:15,900  
understand that things aren't always as

511  
00:22:19,070 --> 00:22:16,980  
they appear

512  
00:22:22,669 --> 00:22:19,080  
see I think your analogy is too generous

513  
00:22:26,750 --> 00:22:22,679

uh because we've all run into this uh

514

00:22:29,330 --> 00:22:26,760

Weinstein just doesn't know and he's he

515

00:22:31,370 --> 00:22:29,340

he lives in this Ivory Tower where

516

00:22:33,049 --> 00:22:31,380

people Pat him on the back and he just

517

00:22:34,850 --> 00:22:33,059

gets around people other people tell him

518

00:22:36,649 --> 00:22:34,860

how smart he is how much he knows and

519

00:22:38,270 --> 00:22:36,659

they ask him his opinion on all sorts of

520

00:22:40,070 --> 00:22:38,280

stupid stuff that he doesn't know

521

00:22:43,730 --> 00:22:40,080

anything about and somehow he gives his

522

00:22:46,370 --> 00:22:43,740

opinion he just doesn't know what he's

523

00:22:49,549 --> 00:22:46,380

talking about we encounter this all the

524

00:22:50,630 --> 00:22:49,559

time but we as you know guys who are

525

00:22:52,430 --> 00:22:50,640

trying to answer these big picture

526

00:22:54,370 --> 00:22:52,440

questions we got to be able to see that

527

00:22:57,529 --> 00:22:54,380

difference we got to be able to see

528

00:23:00,710 --> 00:22:57,539

Weinstein is not like somebody who has a

529

00:23:02,810 --> 00:23:00,720

unique perspective based on all their

530

00:23:04,010 --> 00:23:02,820

scientific knowledge versus somebody

531

00:23:06,529 --> 00:23:04,020

just doesn't know what they're talking

532

00:23:10,070 --> 00:23:06,539

about and it's kind of just blabbing

533

00:23:12,049 --> 00:23:10,080

because they have the clout to get on

534

00:23:14,029 --> 00:23:12,059

Rogan's show

535

00:23:17,090 --> 00:23:14,039

all right let me clarify a couple of

536

00:23:20,090 --> 00:23:17,100

points you I'm I'm going to agree with

537

00:23:22,610 --> 00:23:20,100

you and disagree in that

538

00:23:25,130 --> 00:23:22,620

someone living in a village can read a

539

00:23:27,350 --> 00:23:25,140

sentence and and and interpret that

540

00:23:29,149 --> 00:23:27,360

sentence accurately

541

00:23:31,730 --> 00:23:29,159

doesn't mean they're right about what

542

00:23:33,110 --> 00:23:31,740

the overall message is but from their

543

00:23:35,690 --> 00:23:33,120

perspective they're a hundred percent

544

00:23:38,210 --> 00:23:35,700

right and it would be hard if you if

545

00:23:40,669 --> 00:23:38,220

we're to isolate

546

00:23:42,409 --> 00:23:40,679

the the view of this down to that

547

00:23:44,690 --> 00:23:42,419

sentence they could be a hundred percent

548

00:23:46,970 --> 00:23:44,700

accurate and that is what effectively

549

00:23:50,210 --> 00:23:46,980

what Einstein is doing from his

550

00:23:52,490 --> 00:23:50,220

perspective he's convinced but you have

551  
00:23:54,350 --> 00:23:52,500  
to factor in that he's only seen a very

552  
00:23:58,669 --> 00:23:54,360  
small part of it

553  
00:24:01,190 --> 00:23:58,679  
our conversation on grimerica in my I

554  
00:24:04,130 --> 00:24:01,200  
guess what impressed me about that Rogan

555  
00:24:07,669 --> 00:24:04,140  
episode had nothing to do with UFOs in

556  
00:24:10,210 --> 00:24:07,679  
the sense of the phenomenon what

557  
00:24:12,649 --> 00:24:10,220  
impressed me was his

558  
00:24:15,529 --> 00:24:12,659  
starting to give the impression that

559  
00:24:18,110 --> 00:24:15,539  
he's starting to understand the

560  
00:24:20,090 --> 00:24:18,120  
mechanisms at clay here where there

561  
00:24:22,490 --> 00:24:20,100  
again things are not always as they

562  
00:24:25,070 --> 00:24:22,500  
appear and that there appears to be some

563  
00:24:29,149 --> 00:24:25,080

type of an agenda going on in the

564

00:24:31,789 --> 00:24:29,159

background and what that agenda is might

565

00:24:35,390 --> 00:24:31,799

be related to human technology

566

00:24:38,810 --> 00:24:35,400

advancement in science that was being

567

00:24:41,990 --> 00:24:38,820

withheld from even the the open

568

00:24:44,510 --> 00:24:42,000

scientific Community not the UFO

569

00:24:46,909 --> 00:24:44,520

phenomenon per se he knows virtually

570

00:24:48,830 --> 00:24:46,919

nothing about the europhophenone other

571

00:24:50,690 --> 00:24:48,840

than what he's heard which he

572

00:24:52,789 --> 00:24:50,700

acknowledges he's heard from his friends

573

00:24:54,529 --> 00:24:52,799

Brandon fugel and people that he's

574

00:24:56,090 --> 00:24:54,539

associated with and he goes and he says

575

00:24:58,190 --> 00:24:56,100

look there's people have no reason to

576  
00:24:59,510 --> 00:24:58,200  
lie to me I believe them when they tell

577  
00:25:01,610 --> 00:24:59,520  
me that they've had these odd

578  
00:25:04,450 --> 00:25:01,620  
experiences that's the extent of his

579  
00:25:07,909 --> 00:25:04,460  
knowledge really

580  
00:25:09,830 --> 00:25:07,919  
the legwork that we have to research

581  
00:25:11,870 --> 00:25:09,840  
this for decades he's been into it for a

582  
00:25:13,850 --> 00:25:11,880  
short period of time because he was

583  
00:25:15,169 --> 00:25:13,860  
allegedly approached

584  
00:25:18,350 --> 00:25:15,179  
by

585  
00:25:21,169 --> 00:25:18,360  
government agencies or individuals

586  
00:25:23,210 --> 00:25:21,179  
representing themselves as being members

587  
00:25:26,330 --> 00:25:23,220  
of certain agencies

588  
00:25:28,010 --> 00:25:26,340

and those of us who have been following

589

00:25:29,630 --> 00:25:28,020

this for decades know that this is a

590

00:25:32,990 --> 00:25:29,640

repetitive pattern this is nothing new

591

00:25:35,570 --> 00:25:33,000

he's just the latest version of yes so

592

00:25:38,510 --> 00:25:35,580

that I want to almost carve that out of

593

00:25:40,970 --> 00:25:38,520

the the whole Opie thing and it because

594

00:25:44,450 --> 00:25:40,980

it's always in play and as you pointed

595

00:25:46,070 --> 00:25:44,460

out in this in the rehearsal is just

596

00:25:48,470 --> 00:25:46,080

because you're part of an OP doesn't

597

00:25:51,169 --> 00:25:48,480

mean you know you're part of it I mean

598

00:25:54,409 --> 00:25:51,179

that's Sometimes the best so the we

599

00:25:56,149 --> 00:25:54,419

should be curious as to why this guy who

600

00:25:58,730 --> 00:25:56,159

doesn't seem to know

601  
00:26:00,649 --> 00:25:58,740  
anything about either I would say he

602  
00:26:03,350 --> 00:26:00,659  
doesn't seem to know anything about the

603  
00:26:06,470 --> 00:26:03,360  
very human technology that may be being

604  
00:26:08,750 --> 00:26:06,480  
developed or anything really about the

605  
00:26:10,850 --> 00:26:08,760  
UFO phenomenon that's another point I'd

606  
00:26:12,529 --> 00:26:10,860  
kind of slightly disagree with you you

607  
00:26:14,330 --> 00:26:12,539  
say he's bringing to the table this

608  
00:26:16,070 --> 00:26:14,340  
knowledge of well I know this guy he's

609  
00:26:18,710 --> 00:26:16,080  
working working on anti-gravitational

610  
00:26:21,230 --> 00:26:18,720  
you know yeah he knows a little bit but

611  
00:26:23,750 --> 00:26:21,240  
as the clip I played from Grant Cameron

612  
00:26:26,630 --> 00:26:23,760  
from seven years ago and from interviews

613  
00:26:28,130 --> 00:26:26,640

he did 30 years ago

614

00:26:30,169 --> 00:26:28,140

there's all these people where they're

615

00:26:34,010 --> 00:26:30,179

in a much better position much better

616

00:26:36,310 --> 00:26:34,020

position to know that stuff and also are

617

00:26:39,470 --> 00:26:36,320

out why are they off of

618

00:26:41,450 --> 00:26:39,480

Weinstein's radar and if and why are

619

00:26:43,850 --> 00:26:41,460

they so completely off of his radar and

620

00:26:45,649 --> 00:26:43,860

how is he so oblivious that there's

621

00:26:47,390 --> 00:26:45,659

people out there that are Office right

622

00:26:49,730 --> 00:26:47,400

there he doesn't seem to be aware of

623

00:26:51,230 --> 00:26:49,740

Skunk Works Lockheed Martin all the

624

00:26:55,490 --> 00:26:51,240

technology that goes into this stuff

625

00:26:57,769 --> 00:26:55,500

that is on the borderline of you know

626  
00:26:59,390 --> 00:26:57,779  
secret and then all the stuff that's

627  
00:27:02,990 --> 00:26:59,400  
beyond that

628  
00:27:05,510 --> 00:27:03,000  
I think it is it's important to to note

629  
00:27:10,090 --> 00:27:05,520  
that he is beginning

630  
00:27:13,250 --> 00:27:10,100  
to Cave a little where he he was firmly

631  
00:27:15,649 --> 00:27:13,260  
entrenched in the skeptical you know

632  
00:27:17,570 --> 00:27:15,659  
perspective I think that he's opening

633  
00:27:20,090 --> 00:27:17,580  
himself up to the possibility that other

634  
00:27:22,490 --> 00:27:20,100  
things may be right but but again I

635  
00:27:24,470 --> 00:27:22,500  
don't I don't place any real importance

636  
00:27:28,490 --> 00:27:24,480  
on it to me his important the importance

637  
00:27:31,310 --> 00:27:28,500  
was a kind of a separate side interest

638  
00:27:35,390 --> 00:27:31,320

that I have on because I'm a techie guy

639

00:27:38,330 --> 00:27:35,400

I like technology and I have a Content

640

00:27:40,909 --> 00:27:38,340

the contention that we cracked Fusion

641

00:27:43,610 --> 00:27:40,919

technology as a part of SDI back in the

642

00:27:45,470 --> 00:27:43,620

80s or maybe even early 90s and I think

643

00:27:47,890 --> 00:27:45,480

that more or less was what impressed me

644

00:27:49,789 --> 00:27:47,900

because you don't generally don't hear

645

00:27:51,230 --> 00:27:49,799

discussion of that kind of thing and

646

00:27:53,570 --> 00:27:51,240

we've talked about that on you know

647

00:27:56,210 --> 00:27:53,580

brothers and server before where there

648

00:27:58,549 --> 00:27:56,220

appears to have been censorship of that

649

00:28:01,430 --> 00:27:58,559

kind of a discussion in the past so it's

650

00:28:04,490 --> 00:28:01,440

it's kind of strange but that leads to

651  
00:28:06,529 --> 00:28:04,500  
this disclosure movement thing because

652  
00:28:09,289 --> 00:28:06,539  
I believe that the reason that we're

653  
00:28:11,690 --> 00:28:09,299  
even having these conversations and and

654  
00:28:15,409 --> 00:28:11,700  
you're seeing these things in the media

655  
00:28:17,870 --> 00:28:15,419  
is because I believe it is likely that

656  
00:28:20,510 --> 00:28:17,880  
this is a result of

657  
00:28:22,730 --> 00:28:20,520  
potential adversaries

658  
00:28:25,970 --> 00:28:22,740  
China Russia

659  
00:28:28,370 --> 00:28:25,980  
maybe nearing or or on the verge of

660  
00:28:29,690 --> 00:28:28,380  
breaking cracking this these same

661  
00:28:32,210 --> 00:28:29,700  
Technologies

662  
00:28:34,010 --> 00:28:32,220  
and some of this is to serve as

663  
00:28:36,769 --> 00:28:34,020

disinformation right it's giving them

664

00:28:39,230 --> 00:28:36,779

plausible deniability oh that thing over

665

00:28:41,810 --> 00:28:39,240

your you know your restricted airspace

666

00:28:44,210 --> 00:28:41,820

oh it wasn't us it was it was clearly a

667

00:28:45,950 --> 00:28:44,220

UFO you know that kind of I think that

668

00:28:48,590 --> 00:28:45,960

that is definitely a factor and I guess

669

00:28:50,990 --> 00:28:48,600

I should explain also that when earlier

670

00:28:52,450 --> 00:28:51,000

when I mentioned the allegory the click

671

00:28:55,310 --> 00:28:52,460

the cave not

672

00:28:58,850 --> 00:28:55,320

not uh considering the fact that some of

673

00:29:01,190 --> 00:28:58,860

this is uh is deception this again is a

674

00:29:02,810 --> 00:29:01,200

multi-layer thing because the deception

675

00:29:06,470 --> 00:29:02,820

isn't strictly on the part of

676  
00:29:10,250 --> 00:29:06,480  
governments trying to uh you know cover

677  
00:29:13,310 --> 00:29:10,260  
up the existence of something the

678  
00:29:15,409 --> 00:29:13,320  
phenomenon itself is deceptive if you do

679  
00:29:19,190 --> 00:29:15,419  
enough Research into this you will see

680  
00:29:21,950 --> 00:29:19,200  
that it is very manipulative and

681  
00:29:25,010 --> 00:29:21,960  
so much so that it is worked its way

682  
00:29:28,190 --> 00:29:25,020  
into society to where we can't see the

683  
00:29:32,990 --> 00:29:28,200  
forest from the trees we literally live

684  
00:29:35,149 --> 00:29:33,000  
many people live in the deception that

685  
00:29:37,370 --> 00:29:35,159  
these that this phenomenon has created

686  
00:29:38,930 --> 00:29:37,380  
and I know that we're going to get into

687  
00:29:40,789 --> 00:29:38,940  
that because that gets into some really

688  
00:29:44,510 --> 00:29:40,799

touchy areas but

689

00:29:47,570 --> 00:29:44,520

it is in my opinion pervasive but it

690

00:29:50,630 --> 00:29:47,580

gets very difficult to segregate these

691

00:29:53,269 --> 00:29:50,640

things you know I know it's a it's a

692

00:29:55,730 --> 00:29:53,279

common again when you you stick to the

693

00:29:59,870 --> 00:29:55,740

materialist you know aliens in physical

694

00:30:02,330 --> 00:29:59,880

craft from another planet type of uh in

695

00:30:04,970 --> 00:30:02,340

that context there's a tendency to say

696

00:30:07,370 --> 00:30:04,980

oh the government is withholding uh

697

00:30:09,010 --> 00:30:07,380

information uh the existence of these

698

00:30:12,350 --> 00:30:09,020

this phenomena well

699

00:30:14,269 --> 00:30:12,360

bottom line the phenomenon is the one in

700

00:30:16,909 --> 00:30:14,279

charge if they wanted to make themselves

701

00:30:18,289 --> 00:30:16,919

no they would it would it's that they

702

00:30:19,549 --> 00:30:18,299

hold all the cards

703

00:30:22,010 --> 00:30:19,559

now

704

00:30:24,049 --> 00:30:22,020

what if for what reason would

705

00:30:27,289 --> 00:30:24,059

governments go along with this and what

706

00:30:30,230 --> 00:30:27,299

what inch what is the mutual interest

707

00:30:31,970 --> 00:30:30,240

involved here that's a completely

708

00:30:33,529 --> 00:30:31,980

separate topic that could be a show of

709

00:30:35,990 --> 00:30:33,539

its own you know but

710

00:30:38,029 --> 00:30:36,000

we have to recognize that there are many

711

00:30:40,190 --> 00:30:38,039

factors involved we can't break it down

712

00:30:41,090 --> 00:30:40,200

into these simple little tidy little

713

00:30:44,029 --> 00:30:41,100

pick

714

00:30:47,529 --> 00:30:44,039

this picture that I believe

715

00:30:50,630 --> 00:30:47,539

is something that was purposefully

716

00:30:54,350 --> 00:30:50,640

manufactured it's a narrative that was

717

00:30:56,930 --> 00:30:54,360

created almost from the beginning of the

718

00:30:58,130 --> 00:30:56,940

modern UFO era I believe that a lot of

719

00:31:01,130 --> 00:30:58,140

this

720

00:31:02,570 --> 00:31:01,140

has been constrained down to a very

721

00:31:06,190 --> 00:31:02,580

nightly

722

00:31:08,210 --> 00:31:06,200

you know segregated it's either

723

00:31:10,610 --> 00:31:08,220

extraterrestrial or it doesn't exist

724

00:31:12,529 --> 00:31:10,620

it's this binary choice and I don't

725

00:31:15,230 --> 00:31:12,539

believe that's the case

726

00:31:17,330 --> 00:31:15,240

well this is kind of again mind-blowing

727

00:31:20,389 --> 00:31:17,340

level three kind of stuff that I'm right

728

00:31:22,370 --> 00:31:20,399

there with you and I'd love to jump

729

00:31:24,889 --> 00:31:22,380

right in there and that's what I usually

730

00:31:26,210 --> 00:31:24,899

do I'm going to play a different role

731

00:31:29,690 --> 00:31:26,220

here because

732

00:31:31,789 --> 00:31:29,700

I I think in a way we're going to talk

733

00:31:36,110 --> 00:31:31,799

in in the process of doing it this way

734

00:31:39,350 --> 00:31:36,120

we're going to show uh another aspect of

735

00:31:42,470 --> 00:31:39,360

the multi-layered impossible to Fathom

736

00:31:45,649 --> 00:31:42,480

always a contradiction and a deception

737

00:31:47,570 --> 00:31:45,659

kind of uh Thing by doing it

738

00:31:50,090 --> 00:31:47,580

and I think we already started down that

739

00:31:51,710 --> 00:31:50,100

path and that is to say you know here's

740

00:31:54,110 --> 00:31:51,720

this guy Eric Weinstein when you start

741

00:31:56,330 --> 00:31:54,120

pulling it apart it doesn't it just

742

00:31:57,409 --> 00:31:56,340

doesn't make sense and it's for me it

743

00:31:58,370 --> 00:31:57,419

doesn't make sense because he doesn't

744

00:32:00,830 --> 00:31:58,380

have

745

00:32:03,350 --> 00:32:00,840

the knowledge that we would that these

746

00:32:06,470 --> 00:32:03,360

other people clearly have and yet he's

747

00:32:08,870 --> 00:32:06,480

the one who's being ordained to come out

748

00:32:11,630 --> 00:32:08,880

and talk and this is I think really

749

00:32:14,149 --> 00:32:11,640

important because this is what drives

750

00:32:17,269 --> 00:32:14,159

you and I I think is that this shapes

751

00:32:19,610 --> 00:32:17,279

people's opinion in a way that

752

00:32:21,409 --> 00:32:19,620

this kind of drives us crazy right

753

00:32:23,990 --> 00:32:21,419

because you or I will talk to somebody

754

00:32:26,750 --> 00:32:24,000

and they'll go oh man did you see that

755

00:32:29,450 --> 00:32:26,760

oh I'm blown away you know he told me

756

00:32:31,250 --> 00:32:29,460

this and then you want to go okay sit

757

00:32:33,049 --> 00:32:31,260

down do you have like three hours let me

758

00:32:35,269 --> 00:32:33,059

tell you how that whole thing fits into

759

00:32:38,090 --> 00:32:35,279

this other thing let me interject right

760

00:32:40,490 --> 00:32:38,100

there real quick I mean and this is this

761

00:32:41,389 --> 00:32:40,500

is pulling from my other life back into

762

00:32:42,830 --> 00:32:41,399

this

763

00:32:44,630 --> 00:32:42,840

when you're in the entertainment

764

00:32:47,690 --> 00:32:44,640

industry which is effectively what the

765

00:32:49,549 --> 00:32:47,700

monster truck industry is you you

766

00:32:52,669 --> 00:32:49,559

quickly learn

767

00:32:55,130 --> 00:32:52,679

that it isn't about Talent

768

00:32:57,110 --> 00:32:55,140

there are many very talented people that

769

00:33:00,230 --> 00:32:57,120

no one ever heard of

770

00:33:02,630 --> 00:33:00,240

it's it's all especially nowadays it's

771

00:33:04,370 --> 00:33:02,640

all about who's got the who's God how

772

00:33:06,710 --> 00:33:04,380

many you know the most followers on

773

00:33:09,230 --> 00:33:06,720

Twitter or or

774

00:33:11,750 --> 00:33:09,240

it's not about how much knowledge does

775

00:33:14,750 --> 00:33:11,760

he have how you know how authoritatively

776

00:33:18,889 --> 00:33:14,760

can he speak about this it's about his

777

00:33:21,169 --> 00:33:18,899

public Persona he's he's well known so

778

00:33:23,509 --> 00:33:21,179

he's he's gonna get the attention the

779

00:33:27,470 --> 00:33:23,519

shiny object always gets the attention

780

00:33:30,289 --> 00:33:27,480

meanwhile the guys that have their head

781

00:33:32,690 --> 00:33:30,299

down and just focus on getting to the

782

00:33:33,950 --> 00:33:32,700

bottom of this they're they're very

783

00:33:35,750 --> 00:33:33,960

resell them are they going to be the

784

00:33:39,409 --> 00:33:35,760

ones with the spotlight based on them

785

00:33:41,810 --> 00:33:39,419

okay uh accept that as as true you know

786

00:33:44,570 --> 00:33:41,820

we can all kind of Nod our head and go

787

00:33:46,310 --> 00:33:44,580

along with that what I want to point out

788

00:33:49,549 --> 00:33:46,320

and that that's why you're on this show

789

00:33:52,490 --> 00:33:49,559

right now is because what I resonate

790

00:33:55,009 --> 00:33:52,500

with is Marta guards is looking for the

791

00:33:58,789 --> 00:33:55,019

truth he's not looking to build

792

00:34:01,190 --> 00:33:58,799

followers about his UFO stuff you would

793

00:34:04,009 --> 00:34:01,200

go about it in a different way you would

794

00:34:06,230 --> 00:34:04,019

express yourself in a different way and

795

00:34:08,990 --> 00:34:06,240

I I think there's enough people like you

796

00:34:11,450 --> 00:34:09,000

and I who are like they're not beholding

797

00:34:14,690 --> 00:34:11,460

to anyone they don't really have an

798

00:34:16,190 --> 00:34:14,700

agenda other than to figure this stuff

799

00:34:17,810 --> 00:34:16,200

out and I won't even I was about to say

800

00:34:20,210 --> 00:34:17,820

Seek the truth but it's not like truth

801  
00:34:22,490 --> 00:34:20,220  
seeking is a deeper spiritual thing this

802  
00:34:25,790 --> 00:34:22,500  
is just like sorting through the data

803  
00:34:30,050 --> 00:34:25,800  
and that's what I think we're doing and

804  
00:34:31,609 --> 00:34:30,060  
at the end goal for me is to be able to

805  
00:34:34,250 --> 00:34:31,619  
approach the topics that you were

806  
00:34:36,290 --> 00:34:34,260  
talking about because we might have a

807  
00:34:37,490 --> 00:34:36,300  
slight difference of opinion on to what

808  
00:34:42,589 --> 00:34:37,500  
extent

809  
00:34:45,050 --> 00:34:42,599  
it's all about deception or it's an OP

810  
00:34:47,690 --> 00:34:45,060  
or but those are the level three

811  
00:34:49,970 --> 00:34:47,700  
conversations that we can only get to

812  
00:34:53,030 --> 00:34:49,980  
if we kind of

813  
00:34:55,909 --> 00:34:53,040

clean the deck a little bit so we clean

814

00:34:59,210 --> 00:34:55,919

the deck with Eric Weinstein a little

815

00:35:02,690 --> 00:34:59,220

bit and here's the next bit of deck

816

00:35:04,070 --> 00:35:02,700

cleaning that I do and actually it goes

817

00:35:06,470 --> 00:35:04,080

back because we're gonna have to pick on

818

00:35:08,210 --> 00:35:06,480

Eric Weiss a little bit more because you

819

00:35:09,530 --> 00:35:08,220

mentioned a really important thing to me

820

00:35:12,109 --> 00:35:09,540

this is like the heart and soul of

821

00:35:15,290 --> 00:35:12,119

skeptico you talked about materialist

822

00:35:18,950 --> 00:35:15,300

science and

823

00:35:21,410 --> 00:35:18,960

you and I at this point are so far past

824

00:35:24,530 --> 00:35:21,420

that like you talk about the phenomenon

825

00:35:26,510 --> 00:35:24,540

just casually you're like of course it

826

00:35:28,609 --> 00:35:26,520

extends Beyond you know

827

00:35:31,069 --> 00:35:28,619

this nuts and bolts human consciousness

828

00:35:34,069 --> 00:35:31,079

voice inside your head kind of thing and

829

00:35:37,490 --> 00:35:34,079

what people don't realize is that is not

830

00:35:40,370 --> 00:35:37,500

the case for Eric Weinstein these guys

831

00:35:43,550 --> 00:35:40,380

who are materialist science have made

832

00:35:45,950 --> 00:35:43,560

the ultimate blunder about how they

833

00:35:48,650 --> 00:35:45,960

think the world exists they think the

834

00:35:51,710 --> 00:35:48,660

world exists inside your head and there

835

00:35:55,970 --> 00:35:51,720

can be no such thing as telepathy with a

836

00:35:58,250 --> 00:35:55,980

alien or screen memory I mean they're on

837

00:36:00,890 --> 00:35:58,260

board with it in a very limited way if

838

00:36:04,130 --> 00:36:00,900

it was like technological in some way

839

00:36:06,950 --> 00:36:04,140

but beyond that they can't get there so

840

00:36:10,370 --> 00:36:06,960

let me play another clip another

841

00:36:11,510 --> 00:36:10,380

skeptical clip from Dean Raiden and this

842

00:36:13,310 --> 00:36:11,520

one actually will pick on somebody

843

00:36:15,109 --> 00:36:13,320

different we'll pick on Michael sherber

844

00:36:15,890 --> 00:36:15,119

who is another guy has been on Rogan

845

00:36:18,770 --> 00:36:15,900

like

846

00:36:21,890 --> 00:36:18,780

a gajillion times for

847

00:36:24,349 --> 00:36:21,900

all the wrong reasons but let me play

848

00:36:26,270 --> 00:36:24,359

let me play this clip I have an

849

00:36:28,730 --> 00:36:26,280

interview coming up with the Fantastic

850

00:36:31,910 --> 00:36:28,740

Dean Rayden who I can assure you 100

851  
00:36:35,770 --> 00:36:31,920  
years from now students will be studying

852  
00:36:38,870 --> 00:36:35,780  
his work because Dr Dean Raiden

853  
00:36:41,270 --> 00:36:38,880  
experimentally has destroyed crushed

854  
00:36:43,970 --> 00:36:41,280  
falsified to put it in scientific terms

855  
00:36:47,089 --> 00:36:43,980  
the long-standing dominant soulless

856  
00:36:49,490 --> 00:36:47,099  
Paradigm that we are biological robots

857  
00:36:51,349 --> 00:36:49,500  
in a meaningless universe and if you

858  
00:36:53,510 --> 00:36:51,359  
think I'm laying it on a little too hard

859  
00:36:56,089 --> 00:36:53,520  
there Give a listen to none other than

860  
00:36:59,089 --> 00:36:56,099  
Joe Rogan be acting it up with our old

861  
00:37:01,790 --> 00:36:59,099  
Frenemy Michael Shermer but if you think

862  
00:37:03,470 --> 00:37:01,800  
about it from the simple perspective the

863  
00:37:05,030 --> 00:37:03,480

entire universe is in your brain and

864

00:37:07,190 --> 00:37:05,040

when you cease to exist the universe

865

00:37:09,230 --> 00:37:07,200

ceases to exist it's just sort of True

866

00:37:10,490 --> 00:37:09,240

by definition now he goes a little bit

867

00:37:12,770 --> 00:37:10,500

further and says you know that

868

00:37:15,589 --> 00:37:12,780

Consciousness is everything and that we

869

00:37:16,970 --> 00:37:15,599

bring into existence material stuff by

870

00:37:18,290 --> 00:37:16,980

thinking about or observing it or

871

00:37:20,750 --> 00:37:18,300

whatever and here's some quantum physics

872

00:37:22,730 --> 00:37:20,760

experiments are really spooky it's like

873

00:37:24,410 --> 00:37:22,740

okay time out you know quantum physics

874

00:37:25,790 --> 00:37:24,420

is weird and spooky Consciousness is

875

00:37:28,130 --> 00:37:25,800

weird and spooky that doesn't mean

876

00:37:30,890 --> 00:37:28,140

they're connected so you see it now

877

00:37:33,770 --> 00:37:30,900

right you see the Tremor is just wrong

878

00:37:36,770 --> 00:37:33,780

or put it in another way his claims have

879

00:37:38,690 --> 00:37:36,780

been falsified experimentally by none

880

00:37:41,390 --> 00:37:38,700

other than the work of today's guest Dr

881

00:37:44,030 --> 00:37:41,400

Dean Rayden the spooky weird things with

882

00:37:46,550 --> 00:37:44,040

quantum physics are related to

883

00:37:48,770 --> 00:37:46,560

Consciousness and we can show it

884

00:37:50,690 --> 00:37:48,780

experimentally here's a clip from the

885

00:37:52,790 --> 00:37:50,700

interview coming up with Dean well so

886

00:37:54,950 --> 00:37:52,800

we're trying to connect it to quantum

887

00:37:57,290 --> 00:37:54,960

mechanics and so we've done that in two

888

00:37:59,870 --> 00:37:57,300

ways the first way is using a double

889

00:38:02,870 --> 00:37:59,880

slit Optical system to see if you can

890

00:38:05,270 --> 00:38:02,880

gain which path information which is uh

891

00:38:08,030 --> 00:38:05,280

which of the two slits a photon goes

892

00:38:11,390 --> 00:38:08,040

through and so we've we've now done

893

00:38:12,650 --> 00:38:11,400

about two dozen such experiments and uh

894

00:38:14,690 --> 00:38:12,660

some of them worked and some of them

895

00:38:16,430 --> 00:38:14,700

don't work but if you do a meta-analysis

896

00:38:19,010 --> 00:38:16,440

across the board it looks like there's

897

00:38:21,109 --> 00:38:19,020

pretty good evidence that something is

898

00:38:23,150 --> 00:38:21,119

going on that the the Consciousness is

899

00:38:24,530 --> 00:38:23,160

involved in some way in the quantum

900

00:38:26,390 --> 00:38:24,540

process

901

00:38:28,970 --> 00:38:26,400

I also want to add in the one other

902

00:38:31,069 --> 00:38:28,980

Quantum oriented experiment that we more

903

00:38:33,710 --> 00:38:31,079

recently published which involves the

904

00:38:36,230 --> 00:38:33,720

use of entangled photons as the target

905

00:38:37,810 --> 00:38:36,240

of a mind matter interaction because he

906

00:38:40,490 --> 00:38:37,820

wanted to look at non-local mind

907

00:38:42,650 --> 00:38:40,500

interacting with non-local matter

908

00:38:44,089 --> 00:38:42,660

and did it do anything part of the

909

00:38:45,890 --> 00:38:44,099

experiment was looking at could you

910

00:38:48,530 --> 00:38:45,900

increase the strength of entanglement

911

00:38:49,849 --> 00:38:48,540

and then intentionally decrease the

912

00:38:51,829 --> 00:38:49,859

strength of entanglement the short

913

00:38:52,550 --> 00:38:51,839

answer is yeah we were able to modulate

914

00:38:55,310 --> 00:38:52,560

it

915

00:38:56,990 --> 00:38:55,320

so that might be slightly obtuse to

916

00:39:00,410 --> 00:38:57,000

those who haven't kind of been around

917

00:39:04,010 --> 00:39:00,420

and do this I know you get it but trust

918

00:39:07,550 --> 00:39:04,020

me or don't trust me that completely

919

00:39:10,450 --> 00:39:07,560

violates Eric Weinstein's view of the

920

00:39:13,849 --> 00:39:10,460

world and science he's just wrong

921

00:39:16,069 --> 00:39:13,859

materialism has been falsified by those

922

00:39:18,230 --> 00:39:16,079

experiments that he mentioned what

923

00:39:21,670 --> 00:39:18,240

Michael Shermer said in that quote from

924

00:39:24,650 --> 00:39:21,680

Joe Rogan is completely contradicted

925

00:39:27,710 --> 00:39:24,660

experimentally by what Dean Rayden says

926  
00:39:29,210 --> 00:39:27,720  
so back to our conversation that you and

927  
00:39:31,490 --> 00:39:29,220  
I are having Marty

928  
00:39:34,010 --> 00:39:31,500  
one reason we shouldn't trust Eric

929  
00:39:36,349 --> 00:39:34,020  
Weinstein is because he doesn't seem to

930  
00:39:38,510 --> 00:39:36,359  
know that there's a weird desk at

931  
00:39:41,630 --> 00:39:38,520  
Lockheed Martin that sees all sorts of

932  
00:39:44,089 --> 00:39:41,640  
stuff that he has no uh imagination for

933  
00:39:46,849 --> 00:39:44,099  
but the second reason we shouldn't trust

934  
00:39:49,730 --> 00:39:46,859  
him or Neil deGrasse Tyson or Michael

935  
00:39:52,609 --> 00:39:49,740  
Shermer not trust him as Liars but trust

936  
00:39:54,770 --> 00:39:52,619  
him is as reliable in this conversation

937  
00:39:58,970 --> 00:39:54,780  
that we're having is they don't seem to

938  
00:40:01,730 --> 00:39:58,980

understand that Consciousness is always

939

00:40:04,730 --> 00:40:01,740

at play and that Consciousness is a

940

00:40:08,510 --> 00:40:04,740

fundamental aspect to the phenomenon as

941

00:40:10,670 --> 00:40:08,520

you keep saying E.T is telepathic we

942

00:40:12,890 --> 00:40:10,680

don't know how we don't know why but E.T

943

00:40:15,650 --> 00:40:12,900

is telepathic EP

944

00:40:18,890 --> 00:40:15,660

ET seems to have the ability to deceive

945

00:40:21,710 --> 00:40:18,900

us at a level of screen memory or time

946

00:40:23,810 --> 00:40:21,720

shifting or all this other stuff that if

947

00:40:26,270 --> 00:40:23,820

you're not open to what I just played

948

00:40:28,730 --> 00:40:26,280

there you are going to be shut down to

949

00:40:30,710 --> 00:40:28,740

that and you won't even be able to bring

950

00:40:33,290 --> 00:40:30,720

it into your point of reference because

951  
00:40:35,630 --> 00:40:33,300  
it violates everything that all the guys

952  
00:40:38,030 --> 00:40:35,640  
at your Club say the club being you know

953  
00:40:40,130 --> 00:40:38,040  
the conferences that you go to the

954  
00:40:42,530 --> 00:40:40,140  
meetings you have of the department all

955  
00:40:45,230 --> 00:40:42,540  
that stuff it's just it can't possibly

956  
00:40:46,370 --> 00:40:45,240  
be in your wheelhouse well I mean

957  
00:40:49,609 --> 00:40:46,380  
there's a lot there was a lot there

958  
00:40:52,010 --> 00:40:49,619  
right but I'll start with this part

959  
00:40:55,370 --> 00:40:52,020  
just like Eric Weinstein is

960  
00:40:56,450 --> 00:40:55,380  
acknowledging now that there are there

961  
00:40:59,750 --> 00:40:56,460  
is

962  
00:41:01,490 --> 00:40:59,760  
public science and black science black

963  
00:41:04,609 --> 00:41:01,500

project science

964

00:41:08,630 --> 00:41:04,619

instead of going by what the Talking

965

00:41:11,450 --> 00:41:08,640

Heads say in public instead I would

966

00:41:12,770 --> 00:41:11,460

suggest we look at the record of what is

967

00:41:14,990 --> 00:41:12,780

it that the government has been

968

00:41:17,210 --> 00:41:15,000

investing in for

969

00:41:21,770 --> 00:41:17,220

decades

970

00:41:23,690 --> 00:41:21,780

as early as the 1952

971

00:41:26,089 --> 00:41:23,700

and I know you've talked had you've had

972

00:41:30,650 --> 00:41:26,099

discussions about it Andre paharic

973

00:41:33,650 --> 00:41:30,660

was already working on the mechanisms to

974

00:41:36,290 --> 00:41:33,660

turn on and off this communication this

975

00:41:37,490 --> 00:41:36,300

non-verbal communication this

976

00:41:40,190 --> 00:41:37,500

interaction

977

00:41:43,130 --> 00:41:40,200

I'm trying not to give too much

978

00:41:46,430 --> 00:41:43,140

information something that's still in is

979

00:41:48,650 --> 00:41:46,440

developing I've got a series that that

980

00:41:50,930 --> 00:41:48,660

Russ and Kyler first and I are

981

00:41:53,210 --> 00:41:50,940

presenting right now that I call the

982

00:41:55,670 --> 00:41:53,220

spookiest story never told and we have

983

00:41:57,589 --> 00:41:55,680

only done one part but I've got

984

00:41:59,630 --> 00:41:57,599

three at least three more parts coming

985

00:42:01,370 --> 00:41:59,640

and it and it's sort of without giving

986

00:42:06,130 --> 00:42:01,380

too much away

987

00:42:10,370 --> 00:42:06,140

talks about how governments came about

988

00:42:13,670 --> 00:42:10,380

discovering that there was this non

989

00:42:15,950 --> 00:42:13,680

-verbal maybe non-human intelligent

990

00:42:17,270 --> 00:42:15,960

Communications hold on you're not going

991

00:42:18,770 --> 00:42:17,280

to tell the story I'm going to tell the

992

00:42:22,910 --> 00:42:18,780

story and then that's going to force you

993

00:42:24,829 --> 00:42:22,920

to pull into it because puharic is

994

00:42:28,490 --> 00:42:24,839

like he's

995

00:42:30,349 --> 00:42:28,500

a genius he's at he's a PhD at

996

00:42:33,290 --> 00:42:30,359

Northwestern which is known to be kind

997

00:42:34,790 --> 00:42:33,300

of CIA incubation Center he does all

998

00:42:35,750 --> 00:42:34,800

these various things but we'll cut to

999

00:42:39,230 --> 00:42:35,760

the chase

1000

00:42:42,230 --> 00:42:39,240

he starts having these seances with the

1001  
00:42:45,290 --> 00:42:42,240  
nine and the nine are this Intergalactic

1002  
00:42:46,609 --> 00:42:45,300  
if you will right out of Star Wars group

1003  
00:42:49,250 --> 00:42:46,619  
that's

1004  
00:42:51,770 --> 00:42:49,260  
ET essentially and it pulls them in a

1005  
00:42:55,130 --> 00:42:51,780  
million different ways it's hard to know

1006  
00:42:57,230 --> 00:42:55,140  
what part of that is a deception on that

1007  
00:42:59,870 --> 00:42:57,240  
other part and this and that but it

1008  
00:43:01,430 --> 00:42:59,880  
becomes he is so important to the

1009  
00:43:03,170 --> 00:43:01,440  
military at this point he is totally

1010  
00:43:05,150 --> 00:43:03,180  
plugged in at the highest levels and

1011  
00:43:06,650 --> 00:43:05,160  
they're being told to go do this but he

1012  
00:43:08,630 --> 00:43:06,660  
then he always kind of Ventures off and

1013  
00:43:11,329 --> 00:43:08,640

does his own thing so

1014

00:43:13,609 --> 00:43:11,339

I I had to set the table because I want

1015

00:43:15,470 --> 00:43:13,619

you to take over but this is like

1016

00:43:18,170 --> 00:43:15,480

if anyone goes and reads his history

1017

00:43:21,349 --> 00:43:18,180

this is like in play this is like more

1018

00:43:24,290 --> 00:43:21,359

than in play okay and without giving a

1019

00:43:26,930 --> 00:43:24,300

lot of detail because in the series we

1020

00:43:29,569 --> 00:43:26,940

go into like the minutia of how these

1021

00:43:31,130 --> 00:43:29,579

things came about because I think a lot

1022

00:43:33,470 --> 00:43:31,140

of times people have heard certain

1023

00:43:36,589 --> 00:43:33,480

stories but they have no context they

1024

00:43:38,990 --> 00:43:36,599

can't they don't understand how that bit

1025

00:43:41,510 --> 00:43:39,000

of data fits in with the big picture and

1026

00:43:43,010 --> 00:43:41,520

and how this progressed over decades but

1027

00:43:47,450 --> 00:43:43,020

just to give

1028

00:43:49,849 --> 00:43:47,460

an example of how important this is

1029

00:43:51,890 --> 00:43:49,859

as you mentioned Park was already doing

1030

00:43:53,270 --> 00:43:51,900

this he was in uh you know the part

1031

00:43:54,170 --> 00:43:53,280

about the communication with the nine

1032

00:43:56,390 --> 00:43:54,180

and everything

1033

00:43:59,390 --> 00:43:56,400

there's a lot of detail there there's a

1034

00:44:02,510 --> 00:43:59,400

lot to discuss but the most important

1035

00:44:05,329 --> 00:44:02,520

thing to recognize is that and this is

1036

00:44:08,030 --> 00:44:05,339

part of his presentations to the

1037

00:44:11,450 --> 00:44:08,040

Pentagon and how he was able to get them

1038

00:44:15,589 --> 00:44:11,460

to fund This research was their interest

1039

00:44:18,109 --> 00:44:15,599

was in the mechanism for turning on

1040

00:44:20,390 --> 00:44:18,119

ESP and turning it off

1041

00:44:23,569 --> 00:44:20,400

and how that relates to what we see

1042

00:44:24,770 --> 00:44:23,579

going on today is now you have Gary

1043

00:44:27,950 --> 00:44:24,780

Nolan

1044

00:44:30,290 --> 00:44:27,960

talking about schizophrenics

1045

00:44:32,809 --> 00:44:30,300

hearing voices

1046

00:44:34,309 --> 00:44:32,819

and what mechanism might be at play to

1047

00:44:36,829 --> 00:44:34,319

that

1048

00:44:37,849 --> 00:44:36,839

schizophrenia is the inability to turn

1049

00:44:40,370 --> 00:44:37,859

it off

1050

00:44:42,109 --> 00:44:40,380

and how Sooners they're getting clues we

1051

00:44:45,470 --> 00:44:42,119

know that kit green was working on this

1052

00:44:47,569 --> 00:44:45,480

for the CIA since at least the 70s

1053

00:44:49,370 --> 00:44:47,579

we're just now hearing Gary Nolan here

1054

00:44:52,370 --> 00:44:49,380

you know talking about it you know

1055

00:44:54,050 --> 00:44:52,380

within the last year or so but the

1056

00:44:56,329 --> 00:44:54,060

reality is this is research the

1057

00:44:59,329 --> 00:44:56,339

government has been conducting since at

1058

00:45:01,490 --> 00:44:59,339

least the 50s that's the U.S government

1059

00:45:03,589 --> 00:45:01,500

back up

1060

00:45:06,170 --> 00:45:03,599

the Nazis were doing it during World War

1061

00:45:09,829 --> 00:45:06,180

II the Russians were doing it before

1062

00:45:12,710 --> 00:45:09,839

that and in part one I explained how how

1063

00:45:14,450 --> 00:45:12,720

this came about how how it transitioned

1064

00:45:17,450 --> 00:45:14,460

from being

1065

00:45:21,230 --> 00:45:17,460

an interest of the of the Soviets

1066

00:45:23,870 --> 00:45:21,240

it got adopted by the Nazis then after

1067

00:45:25,849 --> 00:45:23,880

the parts are going to get into how the

1068

00:45:28,130 --> 00:45:25,859

U.S picked up the ball when we do

1069

00:45:30,950 --> 00:45:28,140

Operation Paperclip we started to learn

1070

00:45:32,990 --> 00:45:30,960

what they knew about this what did the

1071

00:45:35,329 --> 00:45:33,000

Russians learn about this and how did

1072

00:45:38,569 --> 00:45:35,339

that go forward there's a huge story

1073

00:45:41,089 --> 00:45:38,579

that's never been adequately told I know

1074

00:45:43,370 --> 00:45:41,099

Annie Jacobson has talked a good bit

1075

00:45:45,890 --> 00:45:43,380

about it but she's she's just kind of

1076

00:45:48,470 --> 00:45:45,900

hitting the surface of much more

1077

00:45:50,630 --> 00:45:48,480

esoteric things that were going on

1078

00:45:52,970 --> 00:45:50,640

right the the only problem with that and

1079

00:45:54,290 --> 00:45:52,980

that is like another show both for for

1080

00:45:56,870 --> 00:45:54,300

you guys to have because you're going to

1081

00:45:59,390 --> 00:45:56,880

plow all that ground in great depth and

1082

00:46:02,930 --> 00:45:59,400

you do a great great job of it the the

1083

00:46:06,349 --> 00:46:02,940

pull-up for me is that we can't exactly

1084

00:46:08,870 --> 00:46:06,359

fill in those gaps in in a way paharic

1085

00:46:12,890 --> 00:46:08,880

is like the the perfect figure for this

1086

00:46:15,050 --> 00:46:12,900

because he kind of goes crazy in a way

1087

00:46:17,690 --> 00:46:15,060

and part of it is because he starts

1088

00:46:19,670 --> 00:46:17,700

doing too much drugs you know because

1089

00:46:21,770 --> 00:46:19,680

the drugs are tapping into these

1090

00:46:23,390 --> 00:46:21,780

extended Realms and then he's doing more

1091

00:46:25,490 --> 00:46:23,400

and more and that kind of leads him the

1092

00:46:27,770 --> 00:46:25,500

wrong way and then also what we don't

1093

00:46:30,290 --> 00:46:27,780

know that even that is like we don't

1094

00:46:32,750 --> 00:46:30,300

know if it is the drugs right or we

1095

00:46:35,390 --> 00:46:32,760

don't know if the deception on the other

1096

00:46:37,910 --> 00:46:35,400

side was not really E.T but was

1097

00:46:39,230 --> 00:46:37,920

something we'd call demonic or satanic

1098

00:46:40,849 --> 00:46:39,240

or wherever you want to go and that was

1099

00:46:42,890 --> 00:46:40,859

leading it or we don't know if there's

1100

00:46:46,010 --> 00:46:42,900

any difference between demonic and

1101  
00:46:47,990 --> 00:46:46,020  
satanic and E.T so that's where I think

1102  
00:46:49,790 --> 00:46:48,000  
you and I would have this kind of level

1103  
00:46:53,569 --> 00:46:49,800  
three to discussion

1104  
00:46:57,109 --> 00:46:53,579  
but I just don't think most people can

1105  
00:47:00,349 --> 00:46:57,119  
can get there without a huge huge uh

1106  
00:47:03,050 --> 00:47:00,359  
background that it it needs to be in

1107  
00:47:05,150 --> 00:47:03,060  
some ways broader than where you're

1108  
00:47:07,550 --> 00:47:05,160  
trying to go with the MK Ultra thing

1109  
00:47:09,710 --> 00:47:07,560  
because what I always thought was a

1110  
00:47:12,050 --> 00:47:09,720  
great discovery about UFO researcher

1111  
00:47:14,870 --> 00:47:12,060  
Grant Cameron is when he talks about the

1112  
00:47:17,809 --> 00:47:14,880  
Wilbert Smith memo people are in UFO

1113  
00:47:19,849 --> 00:47:17,819

know what it is but it's basically he

1114

00:47:23,390 --> 00:47:19,859

writes this memory says

1115

00:47:25,730 --> 00:47:23,400

bro it's going on it is the most top

1116

00:47:28,609 --> 00:47:25,740

secret thing and there's a mental

1117

00:47:32,690 --> 00:47:28,619

phenomenon associated with it which is

1118

00:47:36,349 --> 00:47:32,700

the key word I think that that is

1119

00:47:39,470 --> 00:47:36,359

fundamental to their interest in puharic

1120

00:47:42,470 --> 00:47:39,480

their interest in MK Ultra their

1121

00:47:43,609 --> 00:47:42,480

interest in Project Stargate and remote

1122

00:47:46,190 --> 00:47:43,619

viewing

1123

00:47:47,870 --> 00:47:46,200

it's at some level that isn't exposed to

1124

00:47:50,829 --> 00:47:47,880

us because this is how the military does

1125

00:47:53,510 --> 00:47:50,839

things in Secrets things no one it's

1126  
00:47:56,450 --> 00:47:53,520  
compartmentalized so no one knows that

1127  
00:47:58,190 --> 00:47:56,460  
that is the agenda but they kind of are

1128  
00:48:00,770 --> 00:47:58,200  
stumbling through this and they know

1129  
00:48:03,170 --> 00:48:00,780  
that something's up with

1130  
00:48:05,030 --> 00:48:03,180  
ET and the mental aspect of it so you

1131  
00:48:07,069 --> 00:48:05,040  
got all this stuff popping up over here

1132  
00:48:09,710 --> 00:48:07,079  
and that's part of the reason and the

1133  
00:48:12,829 --> 00:48:09,720  
reason I don't think it's about like

1134  
00:48:15,710 --> 00:48:12,839  
literally turning it on and off that

1135  
00:48:17,630 --> 00:48:15,720  
would be like 0.1 out of a hundred

1136  
00:48:20,150 --> 00:48:17,640  
things that you'd want to know about

1137  
00:48:23,390 --> 00:48:20,160  
this extended Consciousness realm and

1138  
00:48:27,050 --> 00:48:23,400

how it fits with E.T yeah I think that

1139

00:48:30,589 --> 00:48:27,060

that that's a good segue to

1140

00:48:32,329 --> 00:48:30,599

again to what we see going on today how

1141

00:48:37,849 --> 00:48:32,339

this

1142

00:48:40,069 --> 00:48:37,859

you know disclosure

1143

00:48:42,589 --> 00:48:40,079

something from the you know stemming

1144

00:48:45,950 --> 00:48:42,599

from the December or 17 uh New York

1145

00:48:47,870 --> 00:48:45,960

Times uh 2017 New York Times article uh

1146

00:48:51,230 --> 00:48:47,880

like blowing auras and black money by

1147

00:48:52,370 --> 00:48:51,240

Leslie Keane and Ralph Blumenthal

1148

00:48:55,430 --> 00:48:52,380

people

1149

00:48:58,250 --> 00:48:55,440

have that are are probably not aware I

1150

00:49:01,069 --> 00:48:58,260

tend to say forgotten because I'm maybe

1151  
00:49:03,710 --> 00:49:01,079  
showing my age there a little bit they

1152  
00:49:05,450 --> 00:49:03,720  
have are unaware that this is a yet

1153  
00:49:07,609 --> 00:49:05,460  
again simply

1154  
00:49:09,170 --> 00:49:07,619  
a repetitive pattern

1155  
00:49:12,230 --> 00:49:09,180  
and

1156  
00:49:17,150 --> 00:49:12,240  
going back to

1157  
00:49:18,770 --> 00:49:17,160  
the 19 uh what in 1949 there was uh

1158  
00:49:21,670 --> 00:49:18,780  
there were articles in the Saturday

1159  
00:49:26,150 --> 00:49:21,680  
evening post written by Sydney Charlotte

1160  
00:49:28,730 --> 00:49:26,160  
then we had in 1951 we had the life

1161  
00:49:30,290 --> 00:49:28,740  
article by Bob Gina have we visited her

1162  
00:49:34,190 --> 00:49:30,300  
some space

1163  
00:49:37,309 --> 00:49:34,200

and we had Donald Kehoe doing his his

1164

00:49:39,770 --> 00:49:37,319  
articles for True magazine

1165

00:49:41,870 --> 00:49:39,780  
and all of these

1166

00:49:44,510 --> 00:49:41,880  
effectively were saying

1167

00:49:47,809 --> 00:49:44,520  
the government is withholding evidence

1168

00:49:51,230 --> 00:49:47,819  
of extraterrestrials

1169

00:49:53,390 --> 00:49:51,240  
but then we come to find out through

1170

00:49:54,829 --> 00:49:53,400  
through Edward rupelt the head of

1171

00:49:57,890 --> 00:49:54,839  
Project Blue Book

1172

00:50:00,710 --> 00:49:57,900  
in his book that all of these articles

1173

00:50:03,430 --> 00:50:00,720  
were inspired by the military

1174

00:50:07,730 --> 00:50:03,440  
the Department of Defense

1175

00:50:09,349 --> 00:50:07,740  
selected their reporters they wanted to

1176

00:50:10,670 --> 00:50:09,359

convey these messages

1177

00:50:17,030 --> 00:50:10,680

why

1178

00:50:19,069 --> 00:50:17,040

the idea that they're hiding something

1179

00:50:20,930 --> 00:50:19,079

into the public Consciousness and I

1180

00:50:23,870 --> 00:50:20,940

think

1181

00:50:26,809 --> 00:50:23,880

as a the component the important part of

1182

00:50:29,750 --> 00:50:26,819

that was they were introducing this

1183

00:50:32,630 --> 00:50:29,760

again binary choice of either that

1184

00:50:34,130 --> 00:50:32,640

doesn't exist or it's extraterrestrials

1185

00:50:35,890 --> 00:50:34,140

involved

1186

00:50:38,450 --> 00:50:35,900

they have

1187

00:50:43,609 --> 00:50:38,460

indoctrinated us into viewing this

1188

00:50:46,450 --> 00:50:43,619

phenomenon as objects in the sky that

1189

00:50:49,849 --> 00:50:46,460

are coming from a distant place

1190

00:50:53,510 --> 00:50:49,859

not that this is something that may

1191

00:50:56,630 --> 00:50:53,520

reside within our realm all around us

1192

00:50:58,790 --> 00:50:56,640

and it interacts with us directly

1193

00:51:00,290 --> 00:50:58,800

it's and ours it's it's two completely

1194

00:51:02,390 --> 00:51:00,300

different things when they were aware of

1195

00:51:03,410 --> 00:51:02,400

this from the very beginning almost very

1196

00:51:06,410 --> 00:51:03,420

beginning

1197

00:51:08,450 --> 00:51:06,420

are you against the idea that there are

1198

00:51:11,750 --> 00:51:08,460

objects from other planets that are

1199

00:51:15,530 --> 00:51:11,760

flying here and have intelligent beings

1200

00:51:19,370 --> 00:51:15,540

inside of their are you willing to

1201

00:51:21,770 --> 00:51:19,380

entertain the idea that that is an

1202

00:51:24,049 --> 00:51:21,780

aspect of this phenomenon and it's real

1203

00:51:26,450 --> 00:51:24,059

in the sense that in the same way we

1204

00:51:27,950 --> 00:51:26,460

think stealth bombers are real that

1205

00:51:31,549 --> 00:51:27,960

that's real

1206

00:51:34,069 --> 00:51:31,559

okay that's that that's a rather complex

1207

00:51:35,809 --> 00:51:34,079

question or should I say requires a

1208

00:51:38,809 --> 00:51:35,819

rather complex

1209

00:51:46,250 --> 00:51:42,410

and I'll preface it by saying even the

1210

00:51:48,410 --> 00:51:46,260

most unlikely explanation has as much

1211

00:51:51,950 --> 00:51:48,420

validity as any other in ours it could

1212

00:51:53,990 --> 00:51:51,960

be the most unlikely thing that could be

1213

00:51:55,490 --> 00:51:54,000

behind this and it doesn't mean it's not

1214

00:51:57,890 --> 00:51:55,500

that right but

1215

00:52:01,849 --> 00:51:57,900

I personally believe just looking at

1216

00:52:04,609 --> 00:52:01,859

this analytically I I tried to

1217

00:52:06,710 --> 00:52:04,619

consider all the options as many options

1218

00:52:10,490 --> 00:52:06,720

as I'm aware of right

1219

00:52:13,250 --> 00:52:10,500

and I think it's unlike

1220

00:52:18,589 --> 00:52:15,049

physical

1221

00:52:21,950 --> 00:52:18,599

extraterrestrial beings are traveling as

1222

00:52:24,829 --> 00:52:21,960

in moving from one place to another here

1223

00:52:27,650 --> 00:52:24,839

in in craft

1224

00:52:29,510 --> 00:52:27,660

I think and and the reason I say I get

1225

00:52:31,790 --> 00:52:29,520

there's this is a really complicated

1226

00:52:34,069 --> 00:52:31,800

explanation but I think first we have to

1227

00:52:37,430 --> 00:52:34,079

understand it

1228

00:52:40,690 --> 00:52:37,440

as human beings as Homo sapiens we have

1229

00:52:42,470 --> 00:52:40,700

this tendency to view

1230

00:52:45,170 --> 00:52:42,480

intelligence

1231

00:52:46,490 --> 00:52:45,180

on us on a scale let's call this a one

1232

00:52:48,589 --> 00:52:46,500

to ten scale

1233

00:52:51,170 --> 00:52:48,599

and we view ourselves like we're so

1234

00:52:52,790 --> 00:52:51,180

smart you know we're an eight on this

1235

00:52:54,230 --> 00:52:52,800

one to ten scale and these

1236

00:52:55,910 --> 00:52:54,240

extraterrestrials have been around a lot

1237

00:52:58,069 --> 00:52:55,920

longer than us so they're they're

1238

00:53:00,349 --> 00:52:58,079

probably at 10 you know but but we can

1239

00:53:02,030 --> 00:53:00,359

get there there what they know we're

1240

00:53:04,370 --> 00:53:02,040

capable of understanding we just haven't

1241

00:53:07,069 --> 00:53:04,380

quite gotten it yet when the reality is

1242

00:53:09,049 --> 00:53:07,079

we could uh following that same scale we

1243

00:53:11,210 --> 00:53:09,059

could be an eight and they could be a

1244

00:53:13,370 --> 00:53:11,220

billion in other words they could be so

1245

00:53:16,910 --> 00:53:13,380

far more advanced that we're incapable

1246

00:53:19,010 --> 00:53:16,920

of even perceiving them we couldn't and

1247

00:53:23,030 --> 00:53:19,020

where's we may live within a reality

1248

00:53:24,410 --> 00:53:23,040

that is a make a piece of a much grander

1249

00:53:27,349 --> 00:53:24,420

mechanism that we're incapable of

1250

00:53:31,730 --> 00:53:27,359

comprehending right so following on that

1251

00:53:33,770 --> 00:53:31,740

I think that only the most basic of an

1252

00:53:36,170 --> 00:53:33,780

extraterrestrial intelligences would be

1253

00:53:39,049 --> 00:53:36,180

traveling in the meat by means of

1254

00:53:41,750 --> 00:53:39,059

mechanical devices the way we as human

1255

00:53:44,329 --> 00:53:41,760

beings travel by mechanical devices

1256

00:53:45,710 --> 00:53:44,339

I believe that it is based on the

1257

00:53:51,829 --> 00:53:45,720

evidence

1258

00:53:55,730 --> 00:53:51,839

suggestive as Ben rich said

1259

00:53:58,849 --> 00:53:55,740

if you're using ESP if we know that from

1260

00:54:00,950 --> 00:53:58,859

the ndes and remote viewing entering

1261

00:54:03,349 --> 00:54:00,960

that we are capable of

1262

00:54:06,010 --> 00:54:03,359

separating our Consciousness from our

1263

00:54:09,710 --> 00:54:06,020

physical body

1264

00:54:13,069 --> 00:54:09,720

that is very possible that that form of

1265

00:54:16,970 --> 00:54:13,079

Technology if they want our ability is

1266

00:54:19,430 --> 00:54:16,980

more likely to be a means of exploring

1267

00:54:20,930 --> 00:54:19,440

vast distances instantaneously or

1268

00:54:25,970 --> 00:54:20,940

anything rather than through mechanical

1269

00:54:29,270 --> 00:54:27,589

I don't know if that's that I know

1270

00:54:31,549 --> 00:54:29,280

that's a really complicated explanation

1271

00:54:33,829 --> 00:54:31,559

but it's complicated I just think it's

1272

00:54:36,530 --> 00:54:33,839

it's I'm gonna push it I think it's

1273

00:54:38,569 --> 00:54:36,540

inadequate if we want to go down the

1274

00:54:40,910 --> 00:54:38,579

simulation hypothesis

1275

00:54:42,950 --> 00:54:40,920

Theory we can do that you know we're

1276  
00:54:45,470 --> 00:54:42,960  
living in a simulation everything's a

1277  
00:54:47,450 --> 00:54:45,480  
simulation but there's no there there in

1278  
00:54:49,930 --> 00:54:47,460  
terms of having any kind of discussion I

1279  
00:54:54,530 --> 00:54:49,940  
think the same is true in terms of like

1280  
00:54:56,510 --> 00:54:54,540  
if the stealth bomber which was hidden

1281  
00:54:58,670 --> 00:54:56,520  
from us and now isn't hidden from us and

1282  
00:55:00,349 --> 00:54:58,680  
we think we know it and we can point to

1283  
00:55:02,290 --> 00:55:00,359  
it when it's on the field at the air

1284  
00:55:06,109 --> 00:55:02,300  
show and say that it does those things

1285  
00:55:09,290 --> 00:55:06,119  
if we're saying that's the same as this

1286  
00:55:12,170 --> 00:55:09,300  
guy my new favorite guy Gary Hazeltine

1287  
00:55:14,809 --> 00:55:12,180  
and he's a retired detective constables

1288  
00:55:16,609 --> 00:55:14,819

what they call it in Britain and he

1289

00:55:19,430 --> 00:55:16,619

started this thing called the police

1290

00:55:21,530 --> 00:55:19,440

reporting UFO sightings and then he just

1291

00:55:23,990 --> 00:55:21,540

published this book that is

1292

00:55:27,290 --> 00:55:24,000

pretty incredible book about

1293

00:55:28,790 --> 00:55:27,300

rendersham Forest right and he did these

1294

00:55:29,750 --> 00:55:28,800

extensive interviews I was telling you

1295

00:55:31,010 --> 00:55:29,760

about you know he's over there in

1296

00:55:33,410 --> 00:55:31,020

Britain he's calling over talking to

1297

00:55:36,230 --> 00:55:33,420

these army guys who are on the base in

1298

00:55:39,290 --> 00:55:36,240

1980 when brendelstrom happened and

1299

00:55:42,410 --> 00:55:39,300

they're telling them like all this new

1300

00:55:43,970 --> 00:55:42,420

information that completely confirms all

1301

00:55:46,790 --> 00:55:43,980

the old information we know about

1302

00:55:49,609 --> 00:55:46,800

randallship is that it happened and

1303

00:55:52,309 --> 00:55:49,619

there was a craft and it cut through the

1304

00:55:54,650 --> 00:55:52,319

trees and you can see where the trees

1305

00:55:57,170 --> 00:55:54,660

were cut in half and you can see the

1306

00:55:58,849 --> 00:55:57,180

marks uh the trace marks on the end and

1307

00:56:01,609 --> 00:55:58,859

then you've got another guy who says

1308

00:56:04,309 --> 00:56:01,619

yeah the bunch of people simultaneously

1309

00:56:06,950 --> 00:56:04,319

reported that they flew over the nuclear

1310

00:56:09,410 --> 00:56:06,960

weapons that were secretly there that no

1311

00:56:11,930 --> 00:56:09,420

one knew about and they deactivated them

1312

00:56:14,510 --> 00:56:11,940

and then they reactivated them and it

1313

00:56:16,849 --> 00:56:14,520

totally confirms with what Robert

1314

00:56:19,790 --> 00:56:16,859

Hastings reported on for 40 years of

1315

00:56:23,270 --> 00:56:19,800

interactions we've had with E.T that's

1316

00:56:26,030 --> 00:56:23,280

done this so my point is I don't know

1317

00:56:28,069 --> 00:56:26,040

how you thread that Marty and maybe

1318

00:56:32,450 --> 00:56:28,079

you'll tell me I don't know how you say

1319

00:56:35,210 --> 00:56:32,460

okay well that's real but then somehow

1320

00:56:38,630 --> 00:56:35,220

in some way it's not real unless you

1321

00:56:40,670 --> 00:56:38,640

want to go full bore simulation nothing

1322

00:56:43,250 --> 00:56:40,680

can be really counted on we don't even

1323

00:56:44,930 --> 00:56:43,260

know if we're here or if we exist or if

1324

00:56:47,510 --> 00:56:44,940

it's all a time slip or all the rest of

1325

00:56:49,970 --> 00:56:47,520

that I know no no I'm not I'm not

1326

00:56:53,089 --> 00:56:49,980

talking about simulation Theory

1327

00:56:55,790 --> 00:56:53,099

in other words we have to think big like

1328

00:56:57,230 --> 00:56:55,800

what are the what capabilities

1329

00:57:05,150 --> 00:56:57,240

could

1330

00:57:08,569 --> 00:57:05,160

in other words the at one time the idea

1331

00:57:10,670 --> 00:57:08,579

of being able to send a fax to the other

1332

00:57:12,710 --> 00:57:10,680

side of the world would have been

1333

00:57:16,490 --> 00:57:12,720

science fiction

1334

00:57:18,230 --> 00:57:16,500

the idea that you could send a file that

1335

00:57:19,910 --> 00:57:18,240

could be printed out in

1336

00:57:21,650 --> 00:57:19,920

three-dimensional on a three-dimensional

1337

00:57:23,990 --> 00:57:21,660

printer on the other side of the planet

1338

00:57:28,309 --> 00:57:24,000

would be far outside the realm of

1339

00:57:31,430 --> 00:57:28,319

reality not that long ago

1340

00:57:34,730 --> 00:57:31,440

so let me give some examples

1341

00:57:36,829 --> 00:57:34,740

I absolutely the rendersham forest craft

1342

00:57:39,170 --> 00:57:36,839

was real what it was exactly we don't

1343

00:57:42,470 --> 00:57:39,180

know but that it was a physical reality

1344

00:57:44,270 --> 00:57:42,480

I would I would not I would not argue

1345

00:57:46,910 --> 00:57:44,280

against that in other words

1346

00:57:49,430 --> 00:57:46,920

Burrows and those involved they

1347

00:57:51,829 --> 00:57:49,440

physically touched it it was there what

1348

00:57:54,410 --> 00:57:51,839

it was could be debated but there are

1349

00:57:58,069 --> 00:57:54,420

many interesting aspects to that the the

1350

00:58:01,190 --> 00:57:58,079

uh the binary code thing that was

1351  
00:58:04,849 --> 00:58:01,200  
supposedly transmitted that's part of

1352  
00:58:06,470 --> 00:58:04,859  
this Consciousness thing right but to

1353  
00:58:08,630 --> 00:58:06,480  
give an example of

1354  
00:58:09,530 --> 00:58:08,640  
how just because you're seeing a

1355  
00:58:11,690 --> 00:58:09,540  
physical

1356  
00:58:13,670 --> 00:58:11,700  
triangular craft doesn't necessarily

1357  
00:58:15,190 --> 00:58:13,680  
mean that it traveled here from another

1358  
00:58:19,730 --> 00:58:15,200  
planet

1359  
00:58:21,890 --> 00:58:19,740  
in 1211 in uh Gervais of Tilbury tells

1360  
00:58:25,910 --> 00:58:21,900  
the story and we this is in wonders in

1361  
00:58:28,250 --> 00:58:25,920  
ballets wonders in the sky uh a ship

1362  
00:58:31,849 --> 00:58:28,260  
a cloud ship

1363  
00:58:34,490 --> 00:58:31,859

uh has its anchor lodged in in stones

1364

00:58:38,990 --> 00:58:34,500  
and a church full people ran out

1365

00:58:42,170 --> 00:58:39,000  
and saw uh an entity come down the Rope

1366

00:58:44,870 --> 00:58:42,180  
trying to dislodge the anchor and he's

1367

00:58:47,030 --> 00:58:44,880  
captured and he subsequently died and

1368

00:58:51,770 --> 00:58:47,040  
was given a Christian burial

1369

00:58:55,130 --> 00:58:51,780  
then in 1250 in in Ireland

1370

00:58:57,289 --> 00:58:55,140  
another cloud ship has an anchor that

1371

00:58:59,690 --> 00:58:57,299  
hooks on an arch of a church

1372

00:59:01,490 --> 00:58:59,700  
and a bean comes down the rope and cuts

1373

00:59:04,130 --> 00:59:01,500  
it and they keep the anchor and the

1374

00:59:05,930 --> 00:59:04,140  
anchor is on display to commemorate the

1375

00:59:09,230 --> 00:59:05,940  
event in the church

1376

00:59:12,470 --> 00:59:09,240

there there was one in Texas there was

1377

00:59:16,430 --> 00:59:12,480

one in London England these things

1378

00:59:19,190 --> 00:59:16,440

you know by the records have happened

1379

00:59:22,309 --> 00:59:19,200

so if we're going to take

1380

00:59:25,809 --> 00:59:22,319

the rendelshim craft as a literal

1381

00:59:28,430 --> 00:59:25,819

triangular craft from an extra a

1382

00:59:30,829 --> 00:59:28,440

extraterrestrial Planet somewhere in the

1383

00:59:34,490 --> 00:59:30,839

universe are we suggesting also that

1384

00:59:37,130 --> 00:59:34,500

these were sailing ships with masks and

1385

00:59:39,230 --> 00:59:37,140

and you know all this coming here and

1386

00:59:41,450 --> 00:59:39,240

using anchors and everything or we're

1387

00:59:43,549 --> 00:59:41,460

taking it at face value that way and I

1388

00:59:45,650 --> 00:59:43,559

don't think we should be taking it at

1389

00:59:48,589 --> 00:59:45,660

face value that's the phenomenon is far

1390

00:59:50,930 --> 00:59:48,599

stranger than that when we really start

1391

00:59:52,849 --> 00:59:50,940

getting into it and with you right up to

1392

00:59:55,670 --> 00:59:52,859

the end then you say it's far Stranger

1393

00:59:58,430 --> 00:59:55,680

Than well we don't we don't know that

1394

01:00:02,270 --> 00:59:58,440

because we don't know what the problem

1395

01:00:05,170 --> 01:00:02,280

with saying the phenomenon and being

1396

01:00:08,150 --> 01:00:05,180

inclusive of a lot of different things

1397

01:00:10,910 --> 01:00:08,160

we don't know the things that constitute

1398

01:00:12,890 --> 01:00:10,920

the things we're talking about so you

1399

01:00:16,069 --> 01:00:12,900

know it could be and I know you're not

1400

01:00:18,049 --> 01:00:16,079

against this this is more a methodology

1401  
01:00:20,930 --> 01:00:18,059  
what we're exploring is the methodology

1402  
01:00:24,049 --> 01:00:20,940  
for how to to sift through this stuff

1403  
01:00:28,030 --> 01:00:24,059  
and I would suggest that UFOs from

1404  
01:00:31,190 --> 01:00:28,040  
another planet inhabited by intelligent

1405  
01:00:34,730 --> 01:00:31,200  
operators of those craft

1406  
01:00:37,069 --> 01:00:34,740  
should be on the table because it's kind

1407  
01:00:39,710 --> 01:00:37,079  
of a parsimony thing it's kind of an

1408  
01:00:41,210 --> 01:00:39,720  
Occam's razor thing Randalls from forest

1409  
01:00:43,370 --> 01:00:41,220  
does not fit with what you're saying

1410  
01:00:45,589 --> 01:00:43,380  
because it's 1980 we did not have

1411  
01:00:47,990 --> 01:00:45,599  
advanced technology as I you know you

1412  
01:00:51,470 --> 01:00:48,000  
know the definitive book on monster

1413  
01:00:53,569 --> 01:00:51,480

trucks and a monster truck technology we

1414

01:00:55,609 --> 01:00:53,579

should point out and you get all this

1415

01:00:57,530 --> 01:00:55,619

praise for it because it's like the

1416

01:00:59,930 --> 01:00:57,540

definitive book if you want to go back

1417

01:01:02,270 --> 01:00:59,940

and understand how they made this

1418

01:01:03,890 --> 01:01:02,280

modification so it could do this trick

1419

01:01:06,470 --> 01:01:03,900

and then how it made this modification

1420

01:01:08,569 --> 01:01:06,480

and who came up with it you trace that

1421

01:01:11,750 --> 01:01:08,579

back that has a direct parallel with the

1422

01:01:15,650 --> 01:01:11,760

UFO thing right we cannot create that

1423

01:01:19,430 --> 01:01:15,660

trail back from 1980 and show how that

1424

01:01:21,170 --> 01:01:19,440

technology could possibly be okay but

1425

01:01:24,230 --> 01:01:21,180

again

1426

01:01:27,170 --> 01:01:24,240

you have to view not just a certain

1427

01:01:30,589 --> 01:01:27,180

section of the wall we got to start also

1428

01:01:32,569 --> 01:01:30,599

considering similar similar events that

1429

01:01:35,770 --> 01:01:32,579

might be interpreted different ways like

1430

01:01:38,450 --> 01:01:35,780

there are many instances where we have

1431

01:01:40,309 --> 01:01:38,460

multiple Witnesses

1432

01:01:43,130 --> 01:01:40,319

to an event

1433

01:01:45,349 --> 01:01:43,140

who each described what they observed in

1434

01:01:46,910 --> 01:01:45,359

radically different ways and they're and

1435

01:01:48,950 --> 01:01:46,920

we're not suggesting that these are not

1436

01:01:52,130 --> 01:01:48,960

actually physically there A lot of times

1437

01:01:54,829 --> 01:01:52,140

these things were tracked on radar but

1438

01:01:57,109 --> 01:01:54,839

there could be more than one thing going

1439

01:01:59,450 --> 01:01:57,119

on there in terms of our ability to

1440

01:02:02,210 --> 01:01:59,460

perceive what is actually

1441

01:02:05,329 --> 01:02:02,220

being represented there as well as

1442

01:02:06,829 --> 01:02:05,339

active manipulation of our perception to

1443

01:02:08,990 --> 01:02:06,839

where we perceive it in a certain way

1444

01:02:11,230 --> 01:02:09,000

each person kind of perceives it within

1445

01:02:14,870 --> 01:02:11,240

their

1446

01:02:18,010 --> 01:02:14,880

realm of understanding possibly notice

1447

01:02:20,750 --> 01:02:18,020

we have the opposite in this case

1448

01:02:24,109 --> 01:02:20,760

someone who talks to says this says it's

1449

01:02:26,390 --> 01:02:24,119

the same right but the Noel no not

1450

01:02:28,670 --> 01:02:26,400

exactly there are some discrepancies

1451  
01:02:31,849 --> 01:02:28,680  
between what some people describe in

1452  
01:02:35,210 --> 01:02:31,859  
others the boroughs and peniston who

1453  
01:02:39,230 --> 01:02:35,220  
actually were at the craft do more or

1454  
01:02:40,730 --> 01:02:39,240  
less agree on what what they saw and but

1455  
01:02:42,410 --> 01:02:40,740  
what and their experiences were a little

1456  
01:02:44,750 --> 01:02:42,420  
bit different they had Burrows had

1457  
01:02:47,210 --> 01:02:44,760  
physical effects and the craft was there

1458  
01:02:49,309 --> 01:02:47,220  
and the and I'm not arguing that this

1459  
01:02:51,109 --> 01:02:49,319  
was not necessarily human Tech in other

1460  
01:02:53,150 --> 01:02:51,119  
words and when we discussed this the

1461  
01:02:54,710 --> 01:02:53,160  
other day like and because again I I

1462  
01:02:56,329 --> 01:02:54,720  
plug this into like a historical

1463  
01:03:01,849 --> 01:02:56,339

framework and I go okay

1464

01:03:04,750 --> 01:03:01,859

in 1976 we had the Tehran Iran UFO that

1465

01:03:07,430 --> 01:03:04,760

sat over the city Jets were were

1466

01:03:09,849 --> 01:03:07,440

dispatched to intercept the thing toyed

1467

01:03:12,410 --> 01:03:09,859

with them it locked their weapons it was

1468

01:03:14,270 --> 01:03:12,420

impervious to attack it sat there and

1469

01:03:16,970 --> 01:03:14,280

mocked them

1470

01:03:20,870 --> 01:03:16,980

uh two years later or three years later

1471

01:03:24,710 --> 01:03:20,880

we have the the Iran Iran hostage crisis

1472

01:03:27,890 --> 01:03:24,720

and we can't do anything about we send

1473

01:03:30,170 --> 01:03:27,900

operation Eagle Claw in 1990 and it

1474

01:03:32,690 --> 01:03:30,180

fails so we resort to Wiley Coyote

1475

01:03:35,930 --> 01:03:32,700

technology and strap Rockets to a C-130

1476

01:03:38,870 --> 01:03:35,940

with a credible operation credible sport

1477

01:03:41,930 --> 01:03:38,880

in other words it it clearly it costs

1478

01:03:43,370 --> 01:03:41,940

Carter his his uh you know re-election

1479

01:03:46,730 --> 01:03:43,380

chances

1480

01:03:48,589 --> 01:03:46,740

so clearly if we had the technology

1481

01:03:50,450 --> 01:03:48,599

we knew where they were right we even

1482

01:03:52,970 --> 01:03:50,460

the remote viewers played a role in this

1483

01:03:54,410 --> 01:03:52,980

and we knew where that were the hostages

1484

01:03:56,450 --> 01:03:54,420

were being held but we didn't have the

1485

01:03:59,150 --> 01:03:56,460

ability to get them out right we did not

1486

01:04:01,010 --> 01:03:59,160

have the technology to do it so I think

1487

01:04:04,309 --> 01:04:01,020

that that is a reasonable again

1488

01:04:07,130 --> 01:04:04,319

parsimonious way to look at this and go

1489

01:04:09,589 --> 01:04:07,140

it seems unlikely that we had the

1490

01:04:12,710 --> 01:04:09,599

technology that's being displayed by

1491

01:04:16,130 --> 01:04:12,720

crafts such as what we see in rentals

1492

01:04:19,730 --> 01:04:16,140

but again just because it's a physical

1493

01:04:23,630 --> 01:04:19,740

craft even let's let's agree that it's a

1494

01:04:25,370 --> 01:04:23,640

triangular physical Craft on on tripod

1495

01:04:28,910 --> 01:04:25,380

legs that lands and leaves physical

1496

01:04:29,809 --> 01:04:28,920

Trace cases uh Trace uh evidence on the

1497

01:04:31,730 --> 01:04:29,819

ground

1498

01:04:34,190 --> 01:04:31,740

you know we're I don't think you're

1499

01:04:36,710 --> 01:04:34,200

quite understanding when I say that it

1500

01:04:39,410 --> 01:04:36,720

doesn't have to necessarily travel here

1501

01:04:41,329 --> 01:04:39,420

from a plan another planet for it to be

1502

01:04:42,890 --> 01:04:41,339

a physical representation here because

1503

01:04:45,410 --> 01:04:42,900

there are many ways this could be

1504

01:04:47,930 --> 01:04:45,420

achieved in other words theoretically we

1505

01:04:50,270 --> 01:04:47,940

may we can conceive of

1506

01:04:52,549 --> 01:04:50,280

the ability to

1507

01:04:55,010 --> 01:04:52,559

through various means

1508

01:04:58,809 --> 01:04:55,020

fabricate like manipulate it's almost

1509

01:05:02,870 --> 01:04:58,819

like alchemical an alchemical process to

1510

01:05:05,750 --> 01:05:02,880

fabricate a physical object from eat

1511

01:05:07,370 --> 01:05:05,760

from The Ether in a in a remote location

1512

01:05:09,650 --> 01:05:07,380

so where we don't actually have to

1513

01:05:11,990 --> 01:05:09,660

travel there we can send

1514

01:05:14,270 --> 01:05:12,000

effectively like the blueprints to a

1515

01:05:16,069 --> 01:05:14,280

craft to a physical place we don't in

1516

01:05:19,309 --> 01:05:16,079

other words instantaneously rather than

1517

01:05:21,349 --> 01:05:19,319

sending because we sometimes the idea of

1518

01:05:23,990 --> 01:05:21,359

space travel is oversimplified like we

1519

01:05:26,990 --> 01:05:24,000

think that oh if we if we discover the

1520

01:05:29,270 --> 01:05:27,000

ability to create anti-gravity or we

1521

01:05:30,829 --> 01:05:29,280

build more powerful Rockets all that's

1522

01:05:32,390 --> 01:05:30,839

going to automatically grant us the

1523

01:05:34,010 --> 01:05:32,400

ability to explore the universe like no

1524

01:05:36,530 --> 01:05:34,020

it's not that's only like the first

1525

01:05:38,329 --> 01:05:36,540

minute step in that we still have to

1526

01:05:40,549 --> 01:05:38,339

solve communication problems control

1527

01:05:42,770 --> 01:05:40,559

problems navigational problems how do

1528

01:05:44,809 --> 01:05:42,780

you not hit the hit the go button and

1529

01:05:46,789 --> 01:05:44,819

not instantaneously vaporize when you

1530

01:05:48,230 --> 01:05:46,799

run into the next asteroid or plane in

1531

01:05:51,049 --> 01:05:48,240

other words there's all sorts of

1532

01:05:55,490 --> 01:05:51,059

problems we greatly oversimplify that

1533

01:05:58,010 --> 01:05:55,500

it seems to me that by using other means

1534

01:06:02,690 --> 01:05:58,020

of exploring the universe using

1535

01:06:04,130 --> 01:06:02,700

Next Level ideas not not just a

1536

01:06:07,569 --> 01:06:04,140

evolution

1537

01:06:10,430 --> 01:06:07,579

of our what we already know just

1538

01:06:12,349 --> 01:06:10,440

revolutionary ideas something far more

1539

01:06:14,569 --> 01:06:12,359

advanced than what we're capable of at

1540

01:06:17,329 --> 01:06:14,579

this point

1541

01:06:19,910 --> 01:06:17,339

not and that's not count also look the

1542

01:06:22,910 --> 01:06:19,920

other ability is potential is that this

1543

01:06:24,710 --> 01:06:22,920

is coming from outside of our

1544

01:06:26,329 --> 01:06:24,720

three-dimensional or you know

1545

01:06:28,970 --> 01:06:26,339

four-dimensional if you include time

1546

01:06:33,230 --> 01:06:28,980

space that this might be something that

1547

01:06:36,289 --> 01:06:33,240

is we're sharing an environment with and

1548

01:06:39,470 --> 01:06:36,299

it it has may have the ability to reach

1549

01:06:41,630 --> 01:06:39,480

into our reality or effectively flatten

1550

01:06:44,750 --> 01:06:41,640

create a flattened out object from its

1551

01:06:47,150 --> 01:06:44,760

perspective that can be introduced

1552

01:06:49,250 --> 01:06:47,160

into our three-dimensional realm and out

1553

01:06:50,329 --> 01:06:49,260

in other words there are so many other

1554

01:06:52,370 --> 01:06:50,339

ways

1555

01:06:54,410 --> 01:06:52,380

that this could be achieved we can't

1556

01:06:55,789 --> 01:06:54,420

just say oh it's it's a triangular craft

1557

01:06:57,589 --> 01:06:55,799

it must have come from another planet

1558

01:06:59,750 --> 01:06:57,599

it's I think it's a little bit more

1559

01:07:01,789 --> 01:06:59,760

complicated I think we've been entrained

1560

01:07:03,289 --> 01:07:01,799

to think that way uh simulation

1561

01:07:06,230 --> 01:07:03,299

hypothesis why are you throwing that no

1562

01:07:08,329 --> 01:07:06,240

that's not that's not well wait see

1563

01:07:10,549 --> 01:07:08,339

that's my point I just caught you right

1564

01:07:12,950 --> 01:07:10,559

there right it's like no what we're what

1565

01:07:14,809 --> 01:07:12,960

we're trying to do and and this is the

1566

01:07:17,390 --> 01:07:14,819

methodology that I think we're trying to

1567

01:07:19,549 --> 01:07:17,400

reveal is or we're trying to exercise

1568

01:07:21,410 --> 01:07:19,559

between the two of us is how you would

1569

01:07:25,370 --> 01:07:21,420

go about that and I'm pushing back

1570

01:07:27,589 --> 01:07:25,380

because I'm totally on board with your

1571

01:07:31,190 --> 01:07:27,599

initial uh what you've painted in our

1572

01:07:33,109 --> 01:07:31,200

head of the 3D diagram where you're

1573

01:07:35,089 --> 01:07:33,119

plotting all the things you know which

1574

01:07:37,250 --> 01:07:35,099

is kind of like a Jacques filet kind of

1575

01:07:39,529 --> 01:07:37,260

thing which I won't play another clip

1576

01:07:43,190 --> 01:07:39,539

but listen to what Jacqueline is saying

1577

01:07:46,609 --> 01:07:43,200

nowadays about government uh okay I

1578

01:07:49,430 --> 01:07:46,619

can't resist playing I'm very hopeful I

1579

01:07:53,510 --> 01:07:49,440

think it's a new phase I'm very grateful

1580

01:07:57,170 --> 01:07:53,520

to been here to see it and you know to

1581

01:08:00,950 --> 01:07:57,180

be in reasonably good health to continue

1582

01:08:04,250 --> 01:08:00,960

my work and hopefully to exchange data

1583

01:08:07,130 --> 01:08:04,260

with uh you know if called upon with

1584

01:08:10,370 --> 01:08:07,140

people who are running those those new

1585

01:08:14,329 --> 01:08:10,380

projects and uh as you know I've been

1586

01:08:16,729 --> 01:08:14,339

working with them all along and we know

1587

01:08:20,329 --> 01:08:16,739

each other and so on but the government

1588

01:08:23,510 --> 01:08:20,339

has its own structure and its own need

1589

01:08:25,669 --> 01:08:23,520

to do things in a certain way especially

1590

01:08:30,470 --> 01:08:25,679

when you're talking about the Pentagon

1591

01:08:35,150 --> 01:08:30,480

so I'm it's it's a third phase you know

1592

01:08:38,950 --> 01:08:35,160

I roughly you know it's not formal but I

1593

01:08:43,669 --> 01:08:38,960

roughly organized the history into three

1594

01:08:50,890 --> 01:08:43,679

major phases you know from 1945

1595

01:08:54,950 --> 01:08:50,900

to the content report we in in 67 68

1596

01:08:58,269 --> 01:08:54,960

we have uh mainly the Air Force taking

1597

01:09:01,490 --> 01:08:58,279

an interest in this the Air France was

1598

01:09:05,209 --> 01:09:01,500

charged with the responsibility to

1599

01:09:07,309 --> 01:09:05,219

follow the reports to gather them that

1600

01:09:10,550 --> 01:09:07,319

they took reports from the public as

1601

01:09:12,229 --> 01:09:10,560

well as reports from the old pilots of

1602

01:09:17,510 --> 01:09:12,239

other branches of the government like

1603

01:09:20,990 --> 01:09:19,070

thanks for hanging with me I'm going to

1604

01:09:23,450 --> 01:09:21,000

trim that down a little bit

1605

01:09:25,729 --> 01:09:23,460

but like we got to have this discussion

1606

01:09:27,950 --> 01:09:25,739

already like only you and I can have

1607

01:09:30,110 --> 01:09:27,960

this discussion

1608

01:09:33,289 --> 01:09:30,120

what he's saying

1609

01:09:36,590 --> 01:09:33,299

completely contradicts where you had

1610

01:09:38,809 --> 01:09:36,600

taken him with the phenomenon and you're

1611

01:09:40,970 --> 01:09:38,819

right he's wrong he's I don't know what

1612

01:09:43,729 --> 01:09:40,980

his game is I don't know why he's saying

1613

01:09:46,430 --> 01:09:43,739

you know three phases Condon report the

1614

01:09:47,930 --> 01:09:46,440

Condon report need we be remembered that

1615

01:09:50,990 --> 01:09:47,940

the content report is a disinformation

1616

01:09:53,269 --> 01:09:51,000

campaign it came out and said hey we got

1617

01:09:55,189 --> 01:09:53,279

it all covered guys there's nothing here

1618

01:09:56,810 --> 01:09:55,199

to look at and this goes back to the

1619

01:09:59,990 --> 01:09:56,820

very first thing we had with Weinstein

1620

01:10:01,430 --> 01:10:00,000

not saying it's this or it's that or

1621

01:10:03,709 --> 01:10:01,440

like you said you know we'd have to

1622

01:10:06,290 --> 01:10:03,719

compare it with elves and ships that

1623

01:10:08,570 --> 01:10:06,300

leave anchors he no no he's saying no

1624

01:10:10,790 --> 01:10:08,580

they got it completely wrapped up the

1625

01:10:12,050 --> 01:10:10,800

content report does they got the reports

1626

01:10:14,270 --> 01:10:12,060

from the Navy guys and the Air Force

1627

01:10:16,810 --> 01:10:14,280

guys and this is what it is that is a

1628

01:10:19,550 --> 01:10:16,820

direct contradiction to everything

1629

01:10:21,830 --> 01:10:19,560

Jacque Valley has always been about he's

1630

01:10:23,390 --> 01:10:21,840

now saying trust the government trust

1631

01:10:24,890 --> 01:10:23,400

the government they'll tell us what we

1632

01:10:28,550 --> 01:10:24,900

need to know when we need to know it

1633

01:10:29,810 --> 01:10:28,560

this is not your 3D diagram that you

1634

01:10:32,209 --> 01:10:29,820

were talking about that he was talking

1635

01:10:34,490 --> 01:10:32,219

about that says there's a lot of weird

1636

01:10:36,590 --> 01:10:34,500

stuff that we have to consider and some

1637

01:10:38,510 --> 01:10:36,600

of it might fall into this category and

1638

01:10:41,750 --> 01:10:38,520

some of it might look like what Alex is

1639

01:10:43,490 --> 01:10:41,760

talking about with these UFOs that fly

1640

01:10:46,610 --> 01:10:43,500

in from other stars that have been

1641

01:10:48,950 --> 01:10:46,620

identified by ancient people for as long

1642

01:10:51,290 --> 01:10:48,960

as we could and they said they came from

1643

01:10:53,270 --> 01:10:51,300

that star system and by the way it's a

1644

01:10:54,950 --> 01:10:53,280

twin star system and no one knows it's a

1645

01:10:56,630 --> 01:10:54,960

twin star system until a hundred years

1646

01:10:59,630 --> 01:10:56,640

later and we get the telescope to say it

1647

01:11:02,930 --> 01:10:59,640

to me all that's evidence that some of

1648

01:11:04,729 --> 01:11:02,940

that some of these cases are UFOs coming

1649

01:11:06,530 --> 01:11:04,739

from other planets and doing all that

1650

01:11:08,990 --> 01:11:06,540

stuff but where the the next level

1651  
01:11:10,850 --> 01:11:09,000  
conversation I have with you is I'm

1652  
01:11:13,870 --> 01:11:10,860  
totally down with what you're saying too

1653  
01:11:16,669 --> 01:11:13,880  
that is mixed up with interdimensional

1654  
01:11:19,610 --> 01:11:16,679  
demonic all these other things that have

1655  
01:11:21,709 --> 01:11:19,620  
to be sorted out again in this diagram

1656  
01:11:23,270 --> 01:11:21,719  
that you're drawing for us this where

1657  
01:11:25,130 --> 01:11:23,280  
you're charting it both on time and

1658  
01:11:25,970 --> 01:11:25,140  
complexity and all the other scales you

1659  
01:11:29,270 --> 01:11:25,980  
have

1660  
01:11:31,370 --> 01:11:29,280  
but that's for the average person to

1661  
01:11:33,709 --> 01:11:31,380  
listen to Jacques filet

1662  
01:11:34,850 --> 01:11:33,719  
they're not hearing what I'm hearing and

1663  
01:11:36,830 --> 01:11:34,860

I don't know if you're hearing it are

1664

01:11:39,610 --> 01:11:36,840

you hearing what I'm hearing I mean

1665

01:11:42,950 --> 01:11:39,620

I I I've listened to a lot of his

1666

01:11:44,090 --> 01:11:42,960

interviews and I have come to recognize

1667

01:11:47,689 --> 01:11:44,100

that

1668

01:11:51,350 --> 01:11:47,699

there are almost like two Jack ballets

1669

01:11:53,209 --> 01:11:51,360

his persona in his books

1670

01:11:54,530 --> 01:11:53,219

is completely different than in

1671

01:11:58,490 --> 01:11:54,540

interviews

1672

01:12:03,470 --> 01:11:58,500

he is always much more cautious

1673

01:12:06,410 --> 01:12:03,480

and much more toting the party line the

1674

01:12:09,110 --> 01:12:06,420

uh SRI party line when he's doing

1675

01:12:11,810 --> 01:12:09,120

interviews he's very

1676

01:12:14,990 --> 01:12:11,820

for example in in that particular

1677

01:12:16,390 --> 01:12:15,000

interview with Jeffrey mishlove he goes

1678

01:12:23,810 --> 01:12:16,400

into

1679

01:12:27,350 --> 01:12:23,820

discussing uh a document

1680

01:12:29,990 --> 01:12:27,360

that he discovered in Jay Allen

1681

01:12:33,950 --> 01:12:30,000

heineck's files

1682

01:12:36,530 --> 01:12:33,960

but he doesn't really tell you what the

1683

01:12:38,510 --> 01:12:36,540

document actually said he's saying I had

1684

01:12:41,270 --> 01:12:38,520

concerns about this but he doesn't ever

1685

01:12:44,570 --> 01:12:41,280

say what his concerns were

1686

01:12:46,430 --> 01:12:44,580

or the Providence of that document

1687

01:12:48,229 --> 01:12:46,440

and I can tell you what it was it was

1688

01:12:53,169 --> 01:12:48,239

the pentacle mammal

1689

01:12:57,110 --> 01:12:53,179

written by Howard cross who was the head

1690

01:12:59,330 --> 01:12:57,120

of the shape Memory Metal program at

1691

01:13:02,030 --> 01:12:59,340

Bethel Memorial Institute

1692

01:13:03,590 --> 01:13:02,040

where allegedly the debris from Roswell

1693

01:13:08,209 --> 01:13:03,600

ended up

1694

01:13:11,209 --> 01:13:08,219

and through that was the development of

1695

01:13:12,890 --> 01:13:11,219

shape memory metal known as night night

1696

01:13:15,770 --> 01:13:12,900

null

1697

01:13:18,850 --> 01:13:15,780

Elroy Center was a scientist a

1698

01:13:24,290 --> 01:13:18,860

metallurgist that worked for under

1699

01:13:27,169 --> 01:13:24,300

cross at Bethel who before dying

1700

01:13:29,689 --> 01:13:27,179

claimed that he worked on a reverse

1701

01:13:31,669 --> 01:13:29,699

engineering program at Bethel

1702

01:13:33,350 --> 01:13:31,679

reverse engineering material from the

1703

01:13:35,090 --> 01:13:33,360

garage wall crash buddy how does this

1704

01:13:38,270 --> 01:13:35,100

not contradict what you were just saying

1705

01:13:40,370 --> 01:13:38,280

about random again it it can be physical

1706

01:13:42,050 --> 01:13:40,380

material I'm not arguing that it's

1707

01:13:45,290 --> 01:13:42,060

physical material it is physical

1708

01:13:48,890 --> 01:13:45,300

material tangible physical material but

1709

01:13:51,709 --> 01:13:48,900

how it enters into our realm is where or

1710

01:13:55,370 --> 01:13:51,719

where it originates from is where there

1711

01:13:58,430 --> 01:13:55,380

may be some it may not be cut as cut and

1712

01:14:01,070 --> 01:13:58,440

dry as flying from one maybe but can't

1713

01:14:03,649 --> 01:14:01,080

we put that can't we put that aside for

1714

01:14:06,530 --> 01:14:03,659

a second yeah and I mean there there are

1715

01:14:09,950 --> 01:14:06,540

many that's why I say this is so complex

1716

01:14:12,410 --> 01:14:09,960

to to try to just narrow it down to

1717

01:14:14,870 --> 01:14:12,420

something really simple I don't think

1718

01:14:18,530 --> 01:14:14,880

it's and where's like for example part

1719

01:14:21,649 --> 01:14:18,540

part of that Pinnacle memo was the the

1720

01:14:22,970 --> 01:14:21,659

what what concerned uh ballet about it

1721

01:14:26,570 --> 01:14:22,980

was that

1722

01:14:29,149 --> 01:14:26,580

this was a letter written to to try to

1723

01:14:32,270 --> 01:14:29,159

stop the Robertson panel from occurring

1724

01:14:34,430 --> 01:14:32,280

he didn't want the Robertson panel to

1725

01:14:36,410 --> 01:14:34,440

meet the CIA for those who don't know it

1726

01:14:40,910 --> 01:14:36,420

was a panel that the CIA convened in

1727

01:14:43,250 --> 01:14:40,920

1953 uh 52 that was looking into the UFO

1728

01:14:45,110 --> 01:14:43,260

UFO phenomena we're looking into it I

1729

01:14:47,510 --> 01:14:45,120

mean what were they really doing well

1730

01:14:50,149 --> 01:14:47,520

they were establishing policies to

1731

01:14:52,370 --> 01:14:50,159

discredit Witnesses and infiltrate all

1732

01:14:54,530 --> 01:14:52,380

the UFO organizations all right that's

1733

01:14:57,110 --> 01:14:54,540

what resulted from it but the reason

1734

01:14:59,990 --> 01:14:57,120

that but that that cross was trying to

1735

01:15:01,970 --> 01:15:00,000

stop this was because he was in the

1736

01:15:03,950 --> 01:15:01,980

midst of their own project store their

1737

01:15:05,930 --> 01:15:03,960

own investigation and they hadn't

1738

01:15:07,910 --> 01:15:05,940

reached any conclusions yet we didn't

1739

01:15:09,410 --> 01:15:07,920

come to find this out for a very long

1740

01:15:11,870 --> 01:15:09,420

time afterwards but they're the ones

1741

01:15:14,689 --> 01:15:11,880

that prepared Blue Book Special Report

1742

01:15:17,149 --> 01:15:14,699

number 14 where 23 percent of the

1743

01:15:18,830 --> 01:15:17,159

sightings were unexplainable and that's

1744

01:15:22,130 --> 01:15:18,840

a whole other conversation that ties

1745

01:15:24,350 --> 01:15:22,140

into the the the current Congressional

1746

01:15:27,890 --> 01:15:24,360

hearing stuff of how that was really a

1747

01:15:29,689 --> 01:15:27,900

complete rehash of that you know but we

1748

01:15:31,790 --> 01:15:29,699

also come to find out that there were

1749

01:15:34,490 --> 01:15:31,800

programs during World War II that were

1750

01:15:36,229 --> 01:15:34,500

already researching The Foo Fighter

1751

01:15:37,189 --> 01:15:36,239

phenomenon or anything it was there this

1752

01:15:39,830 --> 01:15:37,199

has been

1753

01:15:42,410 --> 01:15:39,840

this there's a long dark unknown history

1754

01:15:44,750 --> 01:15:42,420

to this that you know the idea that the

1755

01:15:47,330 --> 01:15:44,760

UFO phenomenon started in 2004 with the

1756

01:15:49,550 --> 01:15:47,340

Nimitz cases ridiculous and that's this

1757

01:15:54,290 --> 01:15:49,560

narrative that we're being entrained to

1758

01:15:56,689 --> 01:15:54,300

to fall for and and to me it's it's it's

1759

01:15:58,550 --> 01:15:56,699

I I believe that it could be a red

1760

01:16:00,950 --> 01:15:58,560

herring they're trying to get us all

1761

01:16:03,110 --> 01:16:00,960

completely vested in the Nimitz Tic Tac

1762

01:16:05,090 --> 01:16:03,120

thing to then all of a sudden pull a rug

1763

01:16:06,830 --> 01:16:05,100

out from under us and say okay it really

1764

01:16:08,750 --> 01:16:06,840

is Lockheed developed a secret

1765

01:16:14,990 --> 01:16:08,760

technology that we've been withholding

1766

01:16:18,010 --> 01:16:17,330

you're all

1767

01:16:20,810 --> 01:16:18,020

oh

1768

01:16:23,030 --> 01:16:20,820

pull you in because you are not all over

1769

01:16:24,530 --> 01:16:23,040

the board you were just we're having

1770

01:16:27,050 --> 01:16:24,540

this conversation that is this level

1771

01:16:29,510 --> 01:16:27,060

three conversation and it drives people

1772

01:16:32,510 --> 01:16:29,520

nuts and I want it to kind of uh not

1773

01:16:34,669 --> 01:16:32,520

right well it is but like here's the

1774

01:16:36,410 --> 01:16:34,679

thing that I'm trying to uh pull out and

1775

01:16:39,169 --> 01:16:36,420

I love this because

1776

01:16:39,890 --> 01:16:39,179

as I offered up at the beginning you

1777

01:16:41,630 --> 01:16:39,900

know

1778

01:16:43,970 --> 01:16:41,640

think about it who else is going to have

1779

01:16:45,830 --> 01:16:43,980

this kind of conversation with you who's

1780

01:16:48,110 --> 01:16:45,840

going to be able to pull in all those

1781

01:16:49,550 --> 01:16:48,120

different things I just don't see it and

1782

01:16:51,770 --> 01:16:49,560

what I'm kind of pointing out with these

1783

01:16:53,990 --> 01:16:51,780

clips which I think is I I hope people

1784

01:16:55,490 --> 01:16:54,000

appreciate that it's like you can't get

1785

01:16:57,770 --> 01:16:55,500

it from Jacques Valley

1786

01:16:59,390 --> 01:16:57,780

I mean you should be able to he's a

1787

01:17:01,490 --> 01:16:59,400

freaking genius and he's been in this

1788

01:17:03,229 --> 01:17:01,500

thing forever and he knows

1789

01:17:05,450 --> 01:17:03,239

ten times more than you and I have

1790

01:17:08,209 --> 01:17:05,460

forgotten right but he ain't going to

1791

01:17:10,490 --> 01:17:08,219

give it to you straight he can't read

1792

01:17:13,970 --> 01:17:10,500

his books and you'll get more and for

1793

01:17:16,250 --> 01:17:13,980

much better maybe you will I don't know

1794

01:17:18,350 --> 01:17:16,260

about you but I don't like people when

1795

01:17:20,570 --> 01:17:18,360

you say read my book but when you talk

1796

01:17:22,669 --> 01:17:20,580

to me I say something else and it I

1797

01:17:25,250 --> 01:17:22,679

don't be I'm not that way you're not

1798

01:17:27,290 --> 01:17:25,260

that way you don't I don't find you know

1799

01:17:29,390 --> 01:17:27,300

other things that you've written that

1800

01:17:31,910 --> 01:17:29,400

you know I can't pin you down and say

1801  
01:17:34,370 --> 01:17:31,920  
how come this doesn't match this and and

1802  
01:17:35,870 --> 01:17:34,380  
do you give me a straight answer so and

1803  
01:17:37,850 --> 01:17:35,880  
that's what I'm saying like that's when

1804  
01:17:39,050 --> 01:17:37,860  
we started off this thing with Joe Rogan

1805  
01:17:41,090 --> 01:17:39,060  
if we didn't even get in the Joe Rogan

1806  
01:17:43,490 --> 01:17:41,100  
the Bob Lazar thing it's like you know

1807  
01:17:45,770 --> 01:17:43,500  
why are you duped why are you so easily

1808  
01:17:48,410 --> 01:17:45,780  
duped why was everyone so easily duped

1809  
01:17:50,630 --> 01:17:48,420  
all of this is a part of this process of

1810  
01:17:53,090 --> 01:17:50,640  
finding out who we can trust and why we

1811  
01:17:55,850 --> 01:17:53,100  
can trust them and that's why I do come

1812  
01:17:58,130 --> 01:17:55,860  
back to kind of the the rendelson forest

1813  
01:18:00,649 --> 01:17:58,140

thing I think you're too quick to go

1814

01:18:04,250 --> 01:18:00,659

this level three thing where it's like

1815

01:18:06,709 --> 01:18:04,260

hey maybe all this material is

1816

01:18:08,930 --> 01:18:06,719

manifesting in a way that is beyond what

1817

01:18:11,270 --> 01:18:08,940

we understand because fundamentally

1818

01:18:13,490 --> 01:18:11,280

Consciousness is

1819

01:18:15,950 --> 01:18:13,500

fundamental and all material comes out

1820

01:18:17,990 --> 01:18:15,960

of that hey great but as the

1821

01:18:20,570 --> 01:18:18,000

conversation we're having over zoomed

1822

01:18:23,149 --> 01:18:20,580

into this electromagnetic field that

1823

01:18:25,070 --> 01:18:23,159

we're in that would be so far out of it

1824

01:18:27,470 --> 01:18:25,080

that don't we need to kind of put some

1825

01:18:29,930 --> 01:18:27,480

barriers down and say okay all that's

1826

01:18:32,209 --> 01:18:29,940

possible we don't know and the ship with

1827

01:18:34,790 --> 01:18:32,219

the anchor may be possible and the

1828

01:18:38,450 --> 01:18:34,800

demonic stuff definitely may be possible

1829

01:18:40,910 --> 01:18:38,460

but let's narrow our Focus here and say

1830

01:18:42,649 --> 01:18:40,920

this seems to be going on because one of

1831

01:18:45,229 --> 01:18:42,659

my frustrations and it's a frustration I

1832

01:18:47,930 --> 01:18:45,239

I have with Brothers of the serpent but

1833

01:18:50,030 --> 01:18:47,940

it's really not uh Russ and Kyle it but

1834

01:18:53,689 --> 01:18:50,040

it's but it's like there's a ton of

1835

01:18:57,110 --> 01:18:53,699

people that are really really quick to

1836

01:18:59,570 --> 01:18:57,120

jump into the anything but a UFO kind of

1837

01:19:02,390 --> 01:18:59,580

thing anything but that triangular

1838

01:19:04,550 --> 01:19:02,400

shaped craft that crashed through those

1839

01:19:07,010 --> 01:19:04,560

crashed through the forest landed there

1840

01:19:09,050 --> 01:19:07,020

had a physical experience shined lights

1841

01:19:12,649 --> 01:19:09,060

three days in a row went over the

1842

01:19:15,169 --> 01:19:12,659

nuclear things anything but that has to

1843

01:19:17,570 --> 01:19:15,179

be at play because it doesn't fit into

1844

01:19:20,330 --> 01:19:17,580

my thing it's like uh you know when you

1845

01:19:23,330 --> 01:19:20,340

hear uh Randall Carlson right again

1846

01:19:25,310 --> 01:19:23,340

genius love the guy love what he brings

1847

01:19:28,130 --> 01:19:25,320

the table but when he gets the UFO he's

1848

01:19:30,350 --> 01:19:28,140

like nah it's not it's not what you

1849

01:19:32,209 --> 01:19:30,360

think it's not what you think well if

1850

01:19:33,770 --> 01:19:32,219

it's not what you think that's fine but

1851

01:19:36,470 --> 01:19:33,780

tell me what the [h\_\_h] was in renderson

1852

01:19:39,229 --> 01:19:36,480

Forest because what you're not thinking

1853

01:19:42,470 --> 01:19:39,239

your explanation for what it's not does

1854

01:19:44,149 --> 01:19:42,480

not fit The observed thing that happened

1855

01:19:47,390 --> 01:19:44,159

there

1856

01:19:50,209 --> 01:19:47,400

well that sort of illustrates my

1857

01:19:52,310 --> 01:19:50,219

hesitance to rely too much on like

1858

01:19:54,470 --> 01:19:52,320

contemporary and I guess it's hard to

1859

01:19:57,290 --> 01:19:54,480

say that 80s is a contemporary for most

1860

01:19:59,750 --> 01:19:57,300

people but for me but

1861

01:20:02,030 --> 01:19:59,760

when we get into the the more

1862

01:20:03,830 --> 01:20:02,040

contemporary site like definitely by the

1863

01:20:07,010 --> 01:20:03,840

time we get into the Tic Tac stuff is

1864

01:20:10,630 --> 01:20:07,020

that it is we don't have a clear picture

1865

01:20:13,910 --> 01:20:10,640

of the technological

1866

01:20:16,729 --> 01:20:13,920

background to what we might be seeing in

1867

01:20:18,649 --> 01:20:16,739

other words technology tends to be at

1868

01:20:21,050 --> 01:20:18,659

least military technology tends to be 20

1869

01:20:24,410 --> 01:20:21,060

to 30 years in advance of public not

1870

01:20:26,930 --> 01:20:24,420

awareness but when we go back to the 80s

1871

01:20:29,330 --> 01:20:26,940

we have a decent idea of the things that

1872

01:20:32,209 --> 01:20:29,340

we're being worked on in the 60s and 70s

1873

01:20:34,790 --> 01:20:32,219

but maybe not completely because

1874

01:20:37,490 --> 01:20:34,800

but for example I mean the SR-71 being

1875

01:20:39,290 --> 01:20:37,500

you know to this day still touted as

1876

01:20:41,570 --> 01:20:39,300

being the fastest air you know aircraft

1877

01:20:43,610 --> 01:20:41,580

ever built that and we know that thing

1878

01:20:46,250 --> 01:20:43,620

was built with slide rules we don't

1879

01:20:48,649 --> 01:20:46,260

really know what they were working on in

1880

01:20:52,310 --> 01:20:48,659

the 70s and you know that thing was it

1881

01:20:54,530 --> 01:20:52,320

was uh retired in the in the 90s and we

1882

01:20:57,290 --> 01:20:54,540

you know there's no telling there's no

1883

01:20:59,510 --> 01:20:57,300

telling what the true level of state of

1884

01:21:01,729 --> 01:20:59,520

the artist today but if you got to take

1885

01:21:03,709 --> 01:21:01,739

a stab at it no that that rendelson

1886

01:21:07,630 --> 01:21:03,719

Forest thing was not us and it wasn't

1887

01:21:10,729 --> 01:21:07,640

again it's unlikely because of again

1888

01:21:12,950 --> 01:21:10,739

others other cases that we see well why

1889

01:21:16,310 --> 01:21:12,960

wasn't this technology used here and I'm

1890

01:21:18,350 --> 01:21:16,320

very much uh aware of the silver bullet

1891

01:21:20,030 --> 01:21:18,360

theory where we have certain

1892

01:21:21,830 --> 01:21:20,040

technologies that we hold in our back

1893

01:21:24,110 --> 01:21:21,840

pocket for when we need them but we

1894

01:21:26,450 --> 01:21:24,120

don't use them unless it's absolutely I

1895

01:21:29,270 --> 01:21:26,460

think I would say that the Iran hostage

1896

01:21:31,970 --> 01:21:29,280

crisis was a pretty significant case

1897

01:21:34,370 --> 01:21:31,980

incident where we were going to use

1898

01:21:36,350 --> 01:21:34,380

every tool in our disposal at our

1899

01:21:38,810 --> 01:21:36,360

disposal to to try to rescue those

1900

01:21:40,610 --> 01:21:38,820

people so if we had the ability to go in

1901

01:21:42,410 --> 01:21:40,620

there with anti-gravity craft or

1902

01:21:44,750 --> 01:21:42,420

whatever to extract those people I think

1903

01:21:47,270 --> 01:21:44,760

we would have used it most likely so

1904

01:21:49,870 --> 01:21:47,280

again I don't believe that the your

1905

01:21:53,030 --> 01:21:49,880

Anderson object was

1906

01:21:55,430 --> 01:21:53,040

man-made I don't believe that but but

1907

01:21:58,130 --> 01:21:55,440

there are other reasons also that add to

1908

01:22:00,110 --> 01:21:58,140

why I don't believe that are you are you

1909

01:22:02,209 --> 01:22:00,120

familiar with and I I don't know a whole

1910

01:22:06,290 --> 01:22:02,219

lot about it I've read parts of the book

1911

01:22:08,630 --> 01:22:06,300

but the information transmission that uh

1912

01:22:11,890 --> 01:22:08,640

that Jim peniston received

1913

01:22:16,490 --> 01:22:14,630

I've seen images yeah you started

1914

01:22:18,290 --> 01:22:16,500

writing I mean it's very uh Close

1915

01:22:20,930 --> 01:22:18,300

Encounters that the Third Kind you know

1916

01:22:22,250 --> 01:22:20,940

Spielberg thing where he's getting these

1917

01:22:24,709 --> 01:22:22,260

messages and he's got to write them down

1918

01:22:26,450 --> 01:22:24,719

and he gets this binary code that he

1919

01:22:28,729 --> 01:22:26,460

didn't even recognize as being binary

1920

01:22:31,330 --> 01:22:28,739

why would you get binary code I mean

1921

01:22:34,550 --> 01:22:31,340

it's another yeah

1922

01:22:36,530 --> 01:22:34,560

like craft with wings you know UFOs with

1923

01:22:38,510 --> 01:22:36,540

wings and like wings are human

1924

01:22:41,930 --> 01:22:38,520

technology we need them to fly in our

1925

01:22:44,770 --> 01:22:41,940

atmosphere an alien that has developed

1926

01:22:49,010 --> 01:22:44,780

this anti-gravity technology or means to

1927

01:22:50,750 --> 01:22:49,020

somehow leap from one point in time and

1928

01:22:53,390 --> 01:22:50,760

space to another isn't going to need

1929

01:22:54,770 --> 01:22:53,400

Wings necessarily right that's our but

1930

01:22:58,930 --> 01:22:54,780

again these are

1931

01:23:02,030 --> 01:22:58,940

very possibly things that are

1932

01:23:04,370 --> 01:23:02,040

more a function of our perception they

1933

01:23:07,669 --> 01:23:04,380

may not be exactly the way we perceive

1934

01:23:09,169 --> 01:23:07,679

them to be maybe in some cases though I

1935

01:23:11,870 --> 01:23:09,179

think you come up down a little bit too

1936

01:23:15,050 --> 01:23:11,880

strong on that as an explanation and

1937

01:23:17,510 --> 01:23:15,060

it's explanatory power is very limited I

1938

01:23:20,270 --> 01:23:17,520

think that's my pushback I do is to say

1939

01:23:23,030 --> 01:23:20,280

Hey you know it could be you know

1940

01:23:25,310 --> 01:23:23,040

deception well possibly I guess you know

1941

01:23:29,030 --> 01:23:25,320

in part of my sensitivity in this is

1942

01:23:31,010 --> 01:23:29,040

because I I spent so much time with the

1943

01:23:32,450 --> 01:23:31,020

Consciousness thing and like the

1944

01:23:34,250 --> 01:23:32,460

near-death experience thing or The

1945

01:23:36,110 --> 01:23:34,260

Reincarnation science you know that's

1946

01:23:38,330 --> 01:23:36,120

come through and you're the same thing

1947

01:23:41,030 --> 01:23:38,340

the way I always put it is burden proof

1948

01:23:42,709 --> 01:23:41,040

is that that's all we're ever doing is

1949

01:23:45,709 --> 01:23:42,719

we're just shifting the burden of proof

1950

01:23:48,050 --> 01:23:45,719

from one to another so like I'm saying

1951

01:23:50,390 --> 01:23:48,060

that the renderson forest case to me

1952

01:23:53,930 --> 01:23:50,400

that kind of thing shifts the burden of

1953

01:23:56,630 --> 01:23:53,940

proof if you want to say it's not as it

1954

01:23:58,669 --> 01:23:56,640

appears then that's fine but the burden

1955

01:24:02,630 --> 01:23:58,679

of proof is on you because for the rest

1956

01:24:05,149 --> 01:24:02,640

of us it looks like a freaking UFO from

1957

01:24:07,430 --> 01:24:05,159

another planet who came down here and

1958

01:24:09,169 --> 01:24:07,440

did something with the nukes which I

1959

01:24:11,750 --> 01:24:09,179

always remember this conversation I had

1960

01:24:13,189 --> 01:24:11,760

by email with Robert Hastings there's a

1961

01:24:16,189 --> 01:24:13,199

fantastically interesting guy and did

1962

01:24:19,790 --> 01:24:16,199

all the research on the UFOs and nukes

1963

01:24:22,610 --> 01:24:19,800

thing and I said uh hey you know what do

1964

01:24:24,290 --> 01:24:22,620

you think is the agenda he goes I used

1965

01:24:26,870 --> 01:24:24,300

to think that

1966

01:24:29,570 --> 01:24:26,880

et's trying to protect us he's trying to

1967

01:24:31,970 --> 01:24:29,580

send us a message you know don't destroy

1968

01:24:34,790 --> 01:24:31,980

your planet guys you are the precious

1969

01:24:39,350 --> 01:24:34,800

Gaia thing he does now I think it's more

1970

01:24:41,510 --> 01:24:39,360

of a mutual interest kind of thing and

1971

01:24:43,370 --> 01:24:41,520

uh I thought I thought that was curious

1972

01:24:46,189 --> 01:24:43,380

but I'll stick with the burden of proof

1973

01:24:47,870 --> 01:24:46,199

is on someone to tell that story in a

1974

01:24:49,790 --> 01:24:47,880

different way and provide the same

1975

01:24:52,310 --> 01:24:49,800

measure of evidence that Hazeltine is

1976

01:24:54,830 --> 01:24:52,320

providing yeah but the perception thing

1977

01:24:57,530 --> 01:24:54,840

is real I mean we can take even in case

1978

01:25:02,330 --> 01:24:57,540

for example like the Hudson Valley flap

1979

01:25:04,550 --> 01:25:02,340

where we had well over 8 000 witnesses

1980

01:25:06,950 --> 01:25:04,560

to this phenomenon this giant triangular

1981

01:25:09,229 --> 01:25:06,960

craft but there were cases there were

1982

01:25:11,689 --> 01:25:09,239

instances where we had simultaneous

1983

01:25:13,370 --> 01:25:11,699

Witnesses standing side by side looking

1984

01:25:14,510 --> 01:25:13,380

at the object describing it in different

1985

01:25:17,030 --> 01:25:14,520

ways

1986

01:25:19,729 --> 01:25:17,040

and I'll go to one that an interview

1987

01:25:22,310 --> 01:25:19,739

that you've conducted Ray Hernandez

1988

01:25:25,250 --> 01:25:22,320

Ray comes down into the living room and

1989

01:25:26,149 --> 01:25:25,260

is there's this glowing object in his

1990

01:25:30,229 --> 01:25:26,159

living room

1991

01:25:33,770 --> 01:25:30,239

and his wife sees an angel and he sees a

1992

01:25:35,990 --> 01:25:33,780

U-shaped glowing object that somehow had

1993

01:25:38,090 --> 01:25:36,000

an effect on him that made him think oh

1994

01:25:39,290 --> 01:25:38,100

that's [h\_\_\h] he turns around goes

1995

01:25:41,270 --> 01:25:39,300

back to bed

1996

01:25:43,370 --> 01:25:41,280

and wakes up 30 minutes later goes what

1997

01:25:46,070 --> 01:25:43,380

the hell was that and runs back down he

1998

01:25:48,590 --> 01:25:46,080

realizes so there's a lot going on there

1999

01:25:52,790 --> 01:25:48,600

their perceptions were different somehow

2000

01:25:56,930 --> 01:25:52,800

or another it it affected his reason

2001  
01:25:58,490 --> 01:25:56,940  
in other words again and then subsequent

2002  
01:26:00,590 --> 01:25:58,500  
to that he's getting messages go outside

2003  
01:26:03,470 --> 01:26:00,600  
and look and there's a craft over his

2004  
01:26:07,070 --> 01:26:03,480  
there's an interaction there

2005  
01:26:08,750 --> 01:26:07,080  
it's it's yours it's there's more going

2006  
01:26:10,010 --> 01:26:08,760  
on than just these things flying around

2007  
01:26:12,530 --> 01:26:10,020  
in the sky

2008  
01:26:15,169 --> 01:26:12,540  
granted but we have the same problem

2009  
01:26:17,390 --> 01:26:15,179  
with near-death experience research and

2010  
01:26:20,030 --> 01:26:17,400  
I think this is a part that we've really

2011  
01:26:21,110 --> 01:26:20,040  
connected and maybe we'll do another one

2012  
01:26:22,910 --> 01:26:21,120  
of these because we're kind of running

2013  
01:26:24,709 --> 01:26:22,920

out of time and we can get into that

2014

01:26:26,110 --> 01:26:24,719

spiritual Dimension because it's really

2015

01:26:28,370 --> 01:26:26,120

important it's

2016

01:26:31,070 --> 01:26:28,380

fundamentally important to factor into

2017

01:26:33,110 --> 01:26:31,080

this even if we don't see it exactly the

2018

01:26:35,209 --> 01:26:33,120

same way it's the next conversation that

2019

01:26:39,050 --> 01:26:35,219

needs to happen needs to occur and

2020

01:26:41,030 --> 01:26:39,060

that's that man this is the debunker

2021

01:26:43,430 --> 01:26:41,040

approach to near-death experience

2022

01:26:45,890 --> 01:26:43,440

they'll say yeah but that guy saw Jesus

2023

01:26:47,930 --> 01:26:45,900

I mean in Jesus you know historical

2024

01:26:49,790 --> 01:26:47,940

Jesus isn't real for whatever reason

2025

01:26:52,729 --> 01:26:49,800

whatever or they'll they'll pick out

2026

01:26:55,430 --> 01:26:52,739

some other part of these differences in

2027

01:26:57,649 --> 01:26:55,440

these accounts and what what this

2028

01:27:01,070 --> 01:26:57,659

relates back to something you said at

2029

01:27:03,590 --> 01:27:01,080

the beginning patterns start to emerge

2030

01:27:06,050 --> 01:27:03,600

and those patterns are really what

2031

01:27:09,550 --> 01:27:06,060

scientists are all about scientists are

2032

01:27:13,310 --> 01:27:09,560

totally capable of kind of saying okay

2033

01:27:15,590 --> 01:27:13,320

I'm going to filter out this part of the

2034

01:27:17,870 --> 01:27:15,600

observation and I'm going to focus on

2035

01:27:20,149 --> 01:27:17,880

this part of it to get to that signal

2036

01:27:21,950 --> 01:27:20,159

noise thing and that's okay I can do

2037

01:27:23,689 --> 01:27:21,960

that that's a scientific way of doing

2038

01:27:25,729 --> 01:27:23,699

that that's where I think you wind up

2039

01:27:27,470 --> 01:27:25,739

with near-death experience at the end of

2040

01:27:29,149 --> 01:27:27,480

the day you go okay well this person

2041

01:27:30,890 --> 01:27:29,159

experience this this person experienced

2042

01:27:33,229 --> 01:27:30,900

this it's different but wait a minute

2043

01:27:35,030 --> 01:27:33,239

what about these similarities what about

2044

01:27:37,250 --> 01:27:35,040

this ability to recall what about

2045

01:27:39,169 --> 01:27:37,260

bringing into a hospital and ask him to

2046

01:27:40,669 --> 01:27:39,179

recount their resuscitation and they're

2047

01:27:42,350 --> 01:27:40,679

able to do it in a statistically

2048

01:27:45,310 --> 01:27:42,360

significant way let's do the next one

2049

01:27:48,410 --> 01:27:45,320

let's do the next one there is a way to

2050

01:27:50,209 --> 01:27:48,420

identify these patterns let me ask you

2051

01:27:52,850 --> 01:27:50,219

this as we wrap it up

2052

01:27:56,169 --> 01:27:52,860

since that was your thing and I think

2053

01:27:59,870 --> 01:27:56,179

it's it's it's a very insightful Point

2054

01:28:02,209 --> 01:27:59,880

Marty what are the patterns that you do

2055

01:28:03,530 --> 01:28:02,219

see more in terms of trying to tie this

2056

01:28:05,930 --> 01:28:03,540

thing down

2057

01:28:07,490 --> 01:28:05,940

well one one thing and I know that

2058

01:28:10,790 --> 01:28:07,500

because this is this is your wheelhouse

2059

01:28:13,790 --> 01:28:10,800

so I'm going to mention this and I think

2060

01:28:16,729 --> 01:28:13,800

that this is important and yeah this is

2061

01:28:18,649 --> 01:28:16,739

this you're I'm trying to distill like a

2062

01:28:20,450 --> 01:28:18,659

lot of information down to something in

2063

01:28:22,850 --> 01:28:20,460

just a few words which is really hard

2064

01:28:23,830 --> 01:28:22,860

for me um tend to over explain things

2065

01:28:25,970 --> 01:28:23,840

but

2066

01:28:29,330 --> 01:28:25,980

trying to

2067

01:28:34,090 --> 01:28:29,340

to view this phenomenon

2068

01:28:37,610 --> 01:28:34,100

by ignoring or or filtering out certain

2069

01:28:40,610 --> 01:28:37,620

certain part aspects of it is sort of

2070

01:28:42,050 --> 01:28:40,620

like you're trying to to study music

2071

01:28:44,330 --> 01:28:42,060

theory and you're trying to learn

2072

01:28:46,970 --> 01:28:44,340

everything about music theory

2073

01:28:48,530 --> 01:28:46,980

strictly listening to hip-hop

2074

01:28:52,129 --> 01:28:48,540

you can't

2075

01:28:54,950 --> 01:28:52,139

truly have an understanding if by by

2076

01:28:56,030 --> 01:28:54,960

exception you can't in other words the

2077

01:29:00,110 --> 01:28:56,040

the

2078

01:29:02,810 --> 01:29:00,120

heinek made was that he came to

2079

01:29:05,149 --> 01:29:02,820

recognize once he jumped

2080

01:29:06,590 --> 01:29:05,159

jumped ship and actually started

2081

01:29:08,330 --> 01:29:06,600

believing that there really was

2082

01:29:11,090 --> 01:29:08,340

something to this he very quickly

2083

01:29:13,790 --> 01:29:11,100

realized that the high what he referred

2084

01:29:17,510 --> 01:29:13,800

to as the high strangeness cases or

2085

01:29:21,290 --> 01:29:17,520

being filtered out and that that might

2086

01:29:23,149 --> 01:29:21,300

be more there might be more to learn

2087

01:29:25,910 --> 01:29:23,159

about the phenomena from the high

2088

01:29:28,669 --> 01:29:25,920

strategist cases than from the lights in

2089

01:29:30,169 --> 01:29:28,679

the sky type observations

2090

01:29:32,090 --> 01:29:30,179

so

2091

01:29:37,010 --> 01:29:32,100

having said that

2092

01:29:41,110 --> 01:29:37,020

I think that when you look at encounters

2093

01:29:43,910 --> 01:29:41,120

such as that of uh why like Juan Perez

2094

01:29:47,470 --> 01:29:43,920

and that you'll start to see this

2095

01:29:50,930 --> 01:29:47,480

overlap with this

2096

01:29:52,070 --> 01:29:50,940

nde Consciousness Realm

2097

01:29:55,189 --> 01:29:52,080

so

2098

01:29:57,890 --> 01:29:55,199

I won't I would not discount the

2099

01:30:00,010 --> 01:29:57,900

possibility that

2100

01:30:03,229 --> 01:30:00,020

that the phenomenon

2101  
01:30:04,610 --> 01:30:03,239  
originates on a plane

2102  
01:30:06,950 --> 01:30:04,620  
where

2103  
01:30:11,149 --> 01:30:06,960  
Consciousness resides

2104  
01:30:14,090 --> 01:30:11,159  
or where Consciousness can

2105  
01:30:16,970 --> 01:30:14,100  
travel to or this other plane that it

2106  
01:30:19,310 --> 01:30:16,980  
could because and and do you know a lot

2107  
01:30:22,610 --> 01:30:19,320  
of these stories that I'm I'm trying to

2108  
01:30:25,910 --> 01:30:22,620  
not bring up but things like the

2109  
01:30:27,290 --> 01:30:25,920  
experiences uh Joe mcmonagle has had

2110  
01:30:29,689 --> 01:30:27,300  
experiences with this in other words

2111  
01:30:31,790 --> 01:30:29,699  
there's a lot of overlap there and we

2112  
01:30:34,010 --> 01:30:31,800  
can't simply ignore that there's this

2113  
01:30:35,570 --> 01:30:34,020

overlap may be telling us more than

2114

01:30:36,890 --> 01:30:35,580

focusing on oh there was a triangular

2115

01:30:37,910 --> 01:30:36,900

ship what can we learn from the strange

2116

01:30:38,990 --> 01:30:37,920

like that's not going to tell you

2117

01:30:41,030 --> 01:30:39,000

anything

2118

01:30:42,229 --> 01:30:41,040

we need to understand where this is

2119

01:30:44,750 --> 01:30:42,239

coming from

2120

01:30:46,370 --> 01:30:44,760

see what we're gonna we're gonna tip our

2121

01:30:48,290 --> 01:30:46,380

hand maybe we should we're gonna preview

2122

01:30:50,110 --> 01:30:48,300

this next conversation about the

2123

01:30:52,550 --> 01:30:50,120

spiritual because I think it's

2124

01:30:54,830 --> 01:30:52,560

problematic in the same way that we're

2125

01:30:56,870 --> 01:30:54,840

talking about here and that's that

2126

01:30:59,570 --> 01:30:56,880

ultimately the question of near-death

2127

01:31:01,910 --> 01:30:59,580

experience in my opinion comes down to

2128

01:31:05,090 --> 01:31:01,920

the question of the moral imperative is

2129

01:31:06,890 --> 01:31:05,100

there right and wrong is there good is

2130

01:31:08,990 --> 01:31:06,900

there God you know we're afraid to say

2131

01:31:11,930 --> 01:31:09,000

that but is there God and that's really

2132

01:31:16,010 --> 01:31:11,940

what we want to know we want to know is

2133

01:31:18,590 --> 01:31:16,020

our soul really with us are we carrying

2134

01:31:20,570 --> 01:31:18,600

it forward in this journey we're having

2135

01:31:21,830 --> 01:31:20,580

as we've been told by so many different

2136

01:31:24,890 --> 01:31:21,840

traditions

2137

01:31:27,530 --> 01:31:24,900

I would say that overwhelmingly the data

2138

01:31:29,810 --> 01:31:27,540

collectively that's what the data comes

2139

01:31:31,129 --> 01:31:29,820

back and says and it's confirmed by the

2140

01:31:34,070 --> 01:31:31,139

near-death experience science

2141

01:31:36,890 --> 01:31:34,080

objectively looking at it it's confirmed

2142

01:31:38,810 --> 01:31:36,900

by the shared death experience where

2143

01:31:40,850 --> 01:31:38,820

people don't even die but go along with

2144

01:31:43,370 --> 01:31:40,860

person who do die and come back and have

2145

01:31:44,990 --> 01:31:43,380

this it's The Reincarnation research

2146

01:31:46,850 --> 01:31:45,000

points that way the after death

2147

01:31:50,570 --> 01:31:46,860

communication research points that way

2148

01:31:52,669 --> 01:31:50,580

over and over again so to focus on the

2149

01:31:56,330 --> 01:31:52,679

deceptive element that are in these

2150

01:31:59,450 --> 01:31:56,340

Realms of Consciousness is to me a side

2151  
01:32:01,550 --> 01:31:59,460  
track kind of thing I always boil it

2152  
01:32:04,550 --> 01:32:01,560  
down to this question does ET have an

2153  
01:32:06,830 --> 01:32:04,560  
nde and what that means to me is there

2154  
01:32:08,450 --> 01:32:06,840  
is this kind of Life review and the key

2155  
01:32:11,990 --> 01:32:08,460  
thing about this Life review what people

2156  
01:32:16,189 --> 01:32:12,000  
say is I now realize I was not being

2157  
01:32:17,330 --> 01:32:16,199  
judged I was the judge my soul was the

2158  
01:32:19,729 --> 01:32:17,340  
judge

2159  
01:32:23,870 --> 01:32:19,739  
this whole question about ET can be

2160  
01:32:28,610 --> 01:32:23,880  
summed up if E.T is in that same mode if

2161  
01:32:30,110 --> 01:32:28,620  
E.T is going to have to judge their E.T

2162  
01:32:32,090 --> 01:32:30,120  
Soul Journey

2163  
01:32:33,649 --> 01:32:32,100

then I'm cool with it everything can be

2164

01:32:38,570 --> 01:32:33,659

worked out all the questions we have

2165

01:32:41,390 --> 01:32:38,580

become simplified to a great degree if

2166

01:32:43,430 --> 01:32:41,400

not then I think we're in another thing

2167

01:32:47,090 --> 01:32:43,440

we're in simulation Theory or we're in

2168

01:32:50,030 --> 01:32:47,100

some kind of Gnostic battle between good

2169

01:32:53,390 --> 01:32:50,040

and evil and as Sammy Davis Jr said hey

2170

01:32:55,189 --> 01:32:53,400

man Satan's just as powerful as God

2171

01:32:57,290 --> 01:32:55,199

Sammy the evidence doesn't point that

2172

01:33:01,669 --> 01:32:57,300

way but if you're right we got a

2173

01:33:05,390 --> 01:33:01,679

different game to kind of play out here

2174

01:33:08,030 --> 01:33:05,400

yeah absolutely that that see that I

2175

01:33:10,010 --> 01:33:08,040

think is is part of the problem that I'm

2176

01:33:12,050 --> 01:33:10,020

the heart that's at the heart of the

2177

01:33:15,709 --> 01:33:12,060

matter that I'm trying to get at when

2178

01:33:18,010 --> 01:33:15,719

you discount that when you start to to

2179

01:33:21,050 --> 01:33:18,020

Discount the

2180

01:33:26,330 --> 01:33:21,060

the interaction with

2181

01:33:30,550 --> 01:33:26,340

with past relatives and and the personal

2182

01:33:34,430 --> 01:33:30,560

connection that some sometimes occurs

2183

01:33:37,850 --> 01:33:34,440

during these alien encounters

2184

01:33:41,030 --> 01:33:37,860

and the messaging and the things that

2185

01:33:44,570 --> 01:33:41,040

they're completely in line with these

2186

01:33:47,330 --> 01:33:44,580

nde experiences and these remote viewing

2187

01:33:50,530 --> 01:33:47,340

experiences and all you know obes all

2188

01:33:55,430 --> 01:33:50,540

these things there there's

2189

01:33:58,729 --> 01:33:55,440

appears to be consistency in this and

2190

01:34:02,090 --> 01:33:58,739

I don't think it serves us well to

2191

01:34:04,850 --> 01:34:02,100

to segregate them and say okay this is

2192

01:34:07,129 --> 01:34:04,860

this and this is this and when they act

2193

01:34:09,110 --> 01:34:07,139

the same they they appear to you know

2194

01:34:11,330 --> 01:34:09,120

you know this like

2195

01:34:13,850 --> 01:34:11,340

Joe mcmonagle having a conversation

2196

01:34:15,590 --> 01:34:13,860

because very often just to get maybe

2197

01:34:20,290 --> 01:34:15,600

some they're not aware of this but very

2198

01:34:24,649 --> 01:34:20,300

often the the you know OB or the nde

2199

01:34:27,350 --> 01:34:24,659

experencer meets entities very similar

2200

01:34:29,270 --> 01:34:27,360

to people on Ayahuasca or having these

2201  
01:34:30,530 --> 01:34:29,280  
you know mushrooms and this kind of

2202  
01:34:33,350 --> 01:34:30,540  
stuff they're going back to my heart

2203  
01:34:37,250 --> 01:34:33,360  
these entities that they encounter and

2204  
01:34:39,830 --> 01:34:37,260  
stuff this they're very similar and the

2205  
01:34:43,129 --> 01:34:39,840  
things that they communicate are very

2206  
01:34:45,110 --> 01:34:43,139  
similar and and it ties to this you know

2207  
01:34:48,350 --> 01:34:45,120  
the aliens are looking out for us type

2208  
01:34:50,629 --> 01:34:48,360  
thing where you know you or you you know

2209  
01:34:51,890 --> 01:34:50,639  
are you Angels yes Where Angels oh are

2210  
01:34:54,530 --> 01:34:51,900  
you here to save us yes we're here to

2211  
01:34:57,530 --> 01:34:54,540  
the path of least resistant stuff you

2212  
01:34:59,689 --> 01:34:57,540  
know you can't get a really good

2213  
01:35:02,030 --> 01:34:59,699

understanding without walking that wall

2214

01:35:06,950 --> 01:35:02,040

you gotta walk past that sectional wall

2215

01:35:10,370 --> 01:35:06,960

it may tell you something very important

2216

01:35:12,470 --> 01:35:10,380

that to me the the physical nuts and

2217

01:35:16,070 --> 01:35:12,480

bolts craft if if that's what they

2218

01:35:19,550 --> 01:35:16,080

really are is not what's most

2219

01:35:21,649 --> 01:35:19,560

fundamentally important for mankind for

2220

01:35:24,229 --> 01:35:21,659

our Human Experience

2221

01:35:25,669 --> 01:35:24,239

these things are the things that are

2222

01:35:28,070 --> 01:35:25,679

important they're

2223

01:35:30,229 --> 01:35:28,080

we tend to when we start talking about

2224

01:35:31,790 --> 01:35:30,239

that aspect you know the angel and demon

2225

01:35:34,550 --> 01:35:31,800

and that kind of stuff related to the

2226

01:35:36,530 --> 01:35:34,560

UFO Farm we go oh you're you're you know

2227

01:35:40,390 --> 01:35:36,540

you're associating UFOs with religion

2228

01:35:42,950 --> 01:35:40,400

like no that's a mischaracterization

2229

01:35:45,470 --> 01:35:42,960

religions are associated with UFOs in

2230

01:35:49,070 --> 01:35:45,480

other words every virtually every

2231

01:35:51,830 --> 01:35:49,080

religion came about as a result of an

2232

01:35:54,050 --> 01:35:51,840

encounter some form of encounter with

2233

01:35:55,490 --> 01:35:54,060

some non-human intelligence

2234

01:35:58,250 --> 01:35:55,500

you can't

2235

01:35:59,689 --> 01:35:58,260

make it into the religion and then oh

2236

01:36:01,669 --> 01:35:59,699

well and then it's associated with your

2237

01:36:04,550 --> 01:36:01,679

the other way around you have to

2238

01:36:06,530 --> 01:36:04,560

understand how these things came to be

2239

01:36:10,850 --> 01:36:06,540

and

2240

01:36:12,669 --> 01:36:10,860

for another probably another that we're

2241

01:36:15,950 --> 01:36:12,679

going to have to get into but that's

2242

01:36:18,410 --> 01:36:15,960

huge that gets into the Ancient Aliens

2243

01:36:21,649 --> 01:36:18,420

thing and all sorts of aspects of this

2244

01:36:23,270 --> 01:36:21,659

that there's just so much there to to

2245

01:36:25,310 --> 01:36:23,280

pick apart

2246

01:36:27,950 --> 01:36:25,320

absolutely when you come back so we can

2247

01:36:29,810 --> 01:36:27,960

hash that out sure anytime all right

2248

01:36:32,090 --> 01:36:29,820

Marty it's been awesome so tell folks

2249

01:36:34,490 --> 01:36:32,100

what you're up to you guys are working

2250

01:36:36,890 --> 01:36:34,500

on some great shows those serpent boys

2251

01:36:38,330 --> 01:36:36,900

are keep pulling you in for more and

2252

01:36:40,729 --> 01:36:38,340

more great content that you're putting

2253

01:36:42,530 --> 01:36:40,739

out and you got this whole MK Ultra

2254

01:36:43,729 --> 01:36:42,540

thing that you're working on tip your

2255

01:36:45,410 --> 01:36:43,739

hand a little bit tell us what we're

2256

01:36:47,270 --> 01:36:45,420

gonna find over there yeah we're working

2257

01:36:49,610 --> 01:36:47,280

on this series right now on brothers and

2258

01:36:52,310 --> 01:36:49,620

serpent uh called the spookiest story

2259

01:36:54,290 --> 01:36:52,320

never told we've done one part so far

2260

01:36:57,350 --> 01:36:54,300

there are at least three more episodes

2261

01:36:59,629 --> 01:36:57,360

depending on how much detail I find that

2262

01:37:01,850 --> 01:36:59,639

I end up having to do a lot of editing

2263

01:37:04,490 --> 01:37:01,860

for to be a little more concise if

2264

01:37:08,709 --> 01:37:04,500

that's even if you can it's kind of like

2265

01:37:11,870 --> 01:37:08,719

an oxymoron but in order to understand

2266

01:37:14,149 --> 01:37:11,880

the historical progression of some of

2267

01:37:16,850 --> 01:37:14,159

these Technologies and abilities and the

2268

01:37:18,350 --> 01:37:16,860

overlaps and it gets very again very

2269

01:37:20,510 --> 01:37:18,360

complicated because there are a lot of

2270

01:37:23,090 --> 01:37:20,520

overlaps between these Technologies

2271

01:37:25,250 --> 01:37:23,100

whether they're you know

2272

01:37:28,370 --> 01:37:25,260

human Technologies or non-human

2273

01:37:31,370 --> 01:37:28,380

Technologies and things like that but we

2274

01:37:32,510 --> 01:37:31,380

have a lot of data coming up that I

2275

01:37:34,189 --> 01:37:32,520

think people might find really

2276

01:37:35,990 --> 01:37:34,199

interesting and you know it's really

2277

01:37:37,729 --> 01:37:36,000

cool our interaction I think is what

2278

01:37:40,550 --> 01:37:37,739

makes it really like our conversation

2279

01:37:42,649 --> 01:37:40,560

here it's not just the data that we're

2280

01:37:45,169 --> 01:37:42,659

discuss that it's being presented it's

2281

01:37:47,030 --> 01:37:45,179

the interaction the conversations that

2282

01:37:48,229 --> 01:37:47,040

we have about that data that make it

2283

01:37:50,750 --> 01:37:48,239

most interesting

2284

01:37:53,270 --> 01:37:50,760

oh yeah it's it's great it's it's really

2285

01:37:55,610 --> 01:37:53,280

really great it's entertaining but it's

2286

01:37:57,950 --> 01:37:55,620

also extremely informative I'm a huge

2287

01:38:01,010 --> 01:37:57,960

fan so uh I'm right there with you but

2288

01:38:01,790 --> 01:38:01,020

this has been great and we'll do it

2289

01:38:05,570 --> 01:38:01,800

again

2290

01:38:07,610 --> 01:38:05,580

thanks for having me on I loved it

2291

01:38:09,770 --> 01:38:07,620

thanks again to Marty Garza for joining

2292

01:38:12,050 --> 01:38:09,780

me today on skeptico the one question

2293

01:38:17,149 --> 01:38:12,060

idea from this interview is the title of

2294

01:38:22,010 --> 01:38:17,159

the show is E.T satanic in all the ways

2295

01:38:25,070 --> 01:38:22,020

that might obfuscate or clarify this

2296

01:38:28,550 --> 01:38:25,080

question let me know let me hear from

2297

01:38:30,070 --> 01:38:28,560

you until next time take care bye for
