00:00:03,249 --> 00:00:00,169  
[Music]

2  
00:00:06,110 --> 00:00:03,259  
this episode is skeptical

3  
00:00:09,049 --> 00:00:06,120  
getting real about the big picture

4  
00:00:12,049 --> 00:00:09,059  
questions we have covered science

5  
00:00:13,150 --> 00:00:12,059  
medicine technology and the physical

6  
00:00:16,189 --> 00:00:13,160  
world

7  
00:00:19,310 --> 00:00:16,199  
we search for something greater Beyond

8  
00:00:21,890 --> 00:00:19,320  
power understanding please search for

9  
00:00:24,109 --> 00:00:21,900  
the origin of the universe the greatest

10  
00:00:26,570 --> 00:00:24,119  
conceivable existence

11  
00:00:28,970 --> 00:00:26,580  
and how the data from a variety of

12  
00:00:32,269 --> 00:00:28,980  
spiritually transformative experiences

13  
00:00:34,790 --> 00:00:32,279

is staring us right in the face people

14

00:00:36,950 --> 00:00:34,800

who undergo these things are transformed

15

00:00:38,870 --> 00:00:36,960

in in so dramatic ways how do you

16

00:00:41,209 --> 00:00:38,880

explain the fact that atheists now

17

00:00:42,709 --> 00:00:41,219

believe in Supreme Beings after having

18

00:00:45,590 --> 00:00:42,719

these spiritual transformative

19

00:00:48,369 --> 00:00:45,600

experiences or dramatically change their

20

00:00:51,770 --> 00:00:48,379

opinions on on major aspects of

21

00:00:53,209 --> 00:00:51,780

philosophical and personal life that

22

00:00:56,150 --> 00:00:53,219

first clip is kind of interesting it's

23

00:00:58,850 --> 00:00:56,160

from the movie proximity when E.T comes

24

00:01:01,069 --> 00:00:58,860

down looking for Jesus or just somebody

25

00:01:04,189 --> 00:01:01,079

who can tell them what the real story is

26

00:01:07,190 --> 00:01:04,199

and the second clip was from returning

27

00:01:09,770 --> 00:01:07,200

guest the very excellent Dr Robert Davis

28

00:01:11,990 --> 00:01:09,780

who I believe is really tapping into the

29

00:01:14,649 --> 00:01:12,000

Keys of the Kingdom when it comes to

30

00:01:17,649 --> 00:01:14,659

understanding E.T and that is

31

00:01:20,149 --> 00:01:17,659

understanding spiritually transformative

32

00:01:22,910 --> 00:01:20,159

experiences this is kind of a

33

00:01:24,590 --> 00:01:22,920

wide-ranging discussion but I think it

34

00:01:28,969 --> 00:01:24,600

lands on a couple of really the

35

00:01:30,770 --> 00:01:28,979

important points I hope you enjoy it

36

00:01:32,510 --> 00:01:30,780

welcome to skeptical where we explore

37

00:01:36,170 --> 00:01:32,520

controversy of Science and spirituality

38

00:01:38,149 --> 00:01:36,180

I'm joined today by Dr Robert Davis Bob

39

00:01:41,569 --> 00:01:38,159

has been on the show a couple of times

40

00:01:44,450 --> 00:01:41,579

he's kind of a go-to guy for me because

41

00:01:47,390 --> 00:01:44,460

well a couple things one he has just his

42

00:01:50,389 --> 00:01:47,400

Stellar academic background all the

43

00:01:52,130 --> 00:01:50,399

credentials NIH grants

44

00:01:53,690 --> 00:01:52,140

published peer-reviewed journals all

45

00:01:55,910 --> 00:01:53,700

that stuff and then he goes off and he

46

00:01:58,969 --> 00:01:55,920

writes all these terrific books about

47

00:02:01,130 --> 00:01:58,979

all this off the wall stuff like

48

00:02:03,830 --> 00:02:01,140

spiritually transformative experiences

49

00:02:07,069 --> 00:02:03,840

Consciousness beyond the biological

50

00:02:10,550 --> 00:02:07,079

robot meaningless Universe nonsense UFOs

51  
00:02:14,510 --> 00:02:10,560  
just because it comes up Kundalini stuff

52  
00:02:16,250 --> 00:02:14,520  
so he just recently

53  
00:02:19,010 --> 00:02:16,260  
sent me this

54  
00:02:21,170 --> 00:02:19,020  
which is a paper he just published in

55  
00:02:23,449 --> 00:02:21,180  
Edge magazine which is from the Journal

56  
00:02:25,309 --> 00:02:23,459  
of scientific exploration which if you

57  
00:02:27,410 --> 00:02:25,319  
know this show you know it's a terrific

58  
00:02:28,970 --> 00:02:27,420  
Journal it's peer review top-notch

59  
00:02:31,790 --> 00:02:28,980  
people who are thinking out of the box

60  
00:02:35,150 --> 00:02:31,800  
but are really doing science so Bob

61  
00:02:38,270 --> 00:02:35,160  
publishes this paper spiritually

62  
00:02:41,890 --> 00:02:38,280  
transformative experience triggers

63  
00:02:45,949 --> 00:02:41,900

great stuff piqued my interest

64

00:02:50,869 --> 00:02:45,959

uh particularly as it relates to tying

65

00:02:53,809 --> 00:02:50,879

just a lot of stuff together that is uh

66

00:02:57,410 --> 00:02:53,819

like for all of us that is US listening

67

00:02:59,930 --> 00:02:57,420

to skeptico we get it we get that you

68

00:03:00,710 --> 00:02:59,940

can't just talk about

69

00:03:03,130 --> 00:03:00,720

um

70

00:03:05,150 --> 00:03:03,140

Consciousness without talking about

71

00:03:08,750 --> 00:03:05,160

near-death experience Auto Body

72

00:03:13,190 --> 00:03:08,760

Experience psychedelic experience maybe

73

00:03:15,309 --> 00:03:13,200

ET experience and so what Bob is doing

74

00:03:18,830 --> 00:03:15,319

is kind of putting that all on the table

75

00:03:20,270 --> 00:03:18,840

again in a scientific way and saying hey

76

00:03:23,449 --> 00:03:20,280

maybe we need to talk about all this

77

00:03:25,190 --> 00:03:23,459

stuff together in order to have a

78

00:03:28,610 --> 00:03:25,200

meaningful discussion

79

00:03:29,990 --> 00:03:28,620

but then Bob made the mistake of sending

80

00:03:32,390 --> 00:03:30,000

me a video he has recently stumbled

81

00:03:36,170 --> 00:03:32,400

across which many of us have seen by

82

00:03:38,690 --> 00:03:36,180

this time with Dr Gary Nolan at the salt

83

00:03:40,190 --> 00:03:38,700

connections which if you're unfamiliar

84

00:03:42,410 --> 00:03:40,200

it's kind of like Ted Talk kind of thing

85

00:03:46,250 --> 00:03:42,420

like beefed up tip talk kind of thing

86

00:03:47,930 --> 00:03:46,260

where he says 100 aliens have already

87

00:03:48,949 --> 00:03:47,940

arrived

88

00:03:52,729 --> 00:03:48,959

so

89

00:03:55,369 --> 00:03:52,739

I'm just laying the groundwork here and

90

00:03:59,509 --> 00:03:55,379

also for my friend Bob to let him know

91

00:04:02,570 --> 00:03:59,519

that buddy you've kind of uh laid

92

00:04:05,990 --> 00:04:02,580

laid the foundation for me pulling you

93

00:04:09,530 --> 00:04:06,000

in a million directions Beyond

94

00:04:11,809 --> 00:04:09,540

spiritually transformed experiences and

95

00:04:15,050 --> 00:04:11,819

uh let's get to it right

96

00:04:17,030 --> 00:04:15,060

oh please I look forward to it and thank

97

00:04:19,789 --> 00:04:17,040

you I can't I can't follow up on that

98

00:04:21,530 --> 00:04:19,799

introduction thank you for that you know

99

00:04:23,689 --> 00:04:21,540

this is a chess game

100

00:04:26,570 --> 00:04:23,699

and and there's so many pieces out there

101  
00:04:28,490 --> 00:04:26,580  
that that one tries to make sense of and

102  
00:04:30,350 --> 00:04:28,500  
I and I did that my whole life and it's

103  
00:04:32,510 --> 00:04:30,360  
in a scientific setting you know

104  
00:04:34,969 --> 00:04:32,520  
laboratory setting of course and it

105  
00:04:37,370 --> 00:04:34,979  
published or Parish environment and and

106  
00:04:40,909 --> 00:04:37,380  
since retirement I dedicate that same

107  
00:04:43,490 --> 00:04:40,919  
level of curiosity to what I deem to be

108  
00:04:46,310 --> 00:04:43,500  
the most important questions of of our

109  
00:04:48,290 --> 00:04:46,320  
time of all times you know what is in

110  
00:04:49,730 --> 00:04:48,300  
HIV allity was Consciousness all of

111  
00:04:53,270 --> 00:04:49,740  
these things that we don't that language

112  
00:04:56,390 --> 00:04:53,280  
can't ideally Explain express this

113  
00:04:58,490 --> 00:04:56,400

objective experience the interactions

114

00:05:00,830 --> 00:04:58,500

with alternate Realms non-human

115

00:05:03,110 --> 00:05:00,840

intelligence this column et's whomever

116

00:05:05,210 --> 00:05:03,120

the deceptions and lies that are out

117

00:05:08,110 --> 00:05:05,220

there by so-called experts that we hear

118

00:05:11,749 --> 00:05:08,120

brain hacking uh the Galore

119

00:05:14,749 --> 00:05:11,759

misinformation abounds why do you put

120

00:05:16,370 --> 00:05:14,759

those things together necessarily like

121

00:05:17,990 --> 00:05:16,380

that's the level let's hold it and

122

00:05:20,870 --> 00:05:18,000

that's the level three stuff that you

123

00:05:23,870 --> 00:05:20,880

and I will talk about and then sometimes

124

00:05:26,210 --> 00:05:23,880

I think we breathe these past things in

125

00:05:28,629 --> 00:05:26,220

a way that doesn't let other people into

126  
00:05:31,490 --> 00:05:28,639  
the conversation we're having because

127  
00:05:34,909 --> 00:05:31,500  
for you to say spiritually

128  
00:05:37,430 --> 00:05:34,919  
transformative experiences are clearly

129  
00:05:39,890 --> 00:05:37,440  
if you study them scientifically as you

130  
00:05:42,830 --> 00:05:39,900  
have they St we start to see these

131  
00:05:45,770 --> 00:05:42,840  
patterns across these all sorts of these

132  
00:05:47,749 --> 00:05:45,780  
experiences patterns across near-death

133  
00:05:51,529 --> 00:05:47,759  
experience Out of Body Experience

134  
00:05:54,590 --> 00:05:51,539  
psychedelic experience dare we say

135  
00:05:56,570 --> 00:05:54,600  
ET experiences so you break that down in

136  
00:05:58,670 --> 00:05:56,580  
a scientific way and you write the

137  
00:06:01,010 --> 00:05:58,680  
papers and read it and we all go wow

138  
00:06:03,409 --> 00:06:01,020

there's these cultural filters that we

139

00:06:05,930 --> 00:06:03,419

can apply on it but when we strip past

140

00:06:08,210 --> 00:06:05,940

our individual personality

141

00:06:11,090 --> 00:06:08,220

there seems to be what science would

142

00:06:13,670 --> 00:06:11,100

call an observable pattern but Bob you

143

00:06:15,650 --> 00:06:13,680

can't start laying on the deception and

144

00:06:18,950 --> 00:06:15,660

the misinformation because that Nest

145

00:06:23,350 --> 00:06:18,960

doesn't necessarily have anything to do

146

00:06:26,450 --> 00:06:23,360

with that why is it so hard for other

147

00:06:29,390 --> 00:06:26,460

academics intellectuals people we rely

148

00:06:31,010 --> 00:06:29,400

on to kind of do the full stop with just

149

00:06:33,409 --> 00:06:31,020

where you're at with the spiritually

150

00:06:36,650 --> 00:06:33,419

transformed experiences which seems

151

00:06:38,390 --> 00:06:36,660

obvious and say okay that's a reality

152

00:06:40,550 --> 00:06:38,400

that we have to deal with why do we have

153

00:06:43,850 --> 00:06:40,560

deception and misinformation on top of

154

00:06:46,189 --> 00:06:43,860

that well it's unfortunate and and that

155

00:06:48,710 --> 00:06:46,199

that some of that exists it certainly

156

00:06:50,409 --> 00:06:48,720

exists in all levels of society and

157

00:06:53,749 --> 00:06:50,419

certainly in ufology

158

00:06:56,090 --> 00:06:53,759

because of the existing misinformation

159

00:06:58,189 --> 00:06:56,100

that we have all been exposed to and we

160

00:07:00,950 --> 00:06:58,199

continually hear that trying to seek the

161

00:07:03,529 --> 00:07:00,960

truth now if you even today as we speak

162

00:07:07,730 --> 00:07:03,539

for instance NASA is having a hearing on

163

00:07:09,710 --> 00:07:07,740

the on uaps uh the Arrow just had it you

164

00:07:13,370 --> 00:07:09,720

know I would focus on the scientific

165

00:07:15,110 --> 00:07:13,380

evidence for any definitive word you

166

00:07:17,210 --> 00:07:15,120

know when when people start going into

167

00:07:20,629 --> 00:07:17,220

this spiritual transfer of experiences

168

00:07:22,969 --> 00:07:20,639

which I don't denounce I fully uh am a

169

00:07:25,850 --> 00:07:22,979

proponent of the evidence and and

170

00:07:28,070 --> 00:07:25,860

continued to try to seek ways in which

171

00:07:30,050 --> 00:07:28,080

we can make sense of that in in like a

172

00:07:32,689 --> 00:07:30,060

trying to separate the sense of the

173

00:07:35,450 --> 00:07:32,699

nonsense of the misinformation from what

174

00:07:38,510 --> 00:07:35,460

truly is scientific in other words and

175

00:07:41,150 --> 00:07:38,520

and not biased by even science itself I

176

00:07:44,029 --> 00:07:41,160

see misinformation in science because

177

00:07:47,510 --> 00:07:44,039

the explanations for these near death

178

00:07:49,990 --> 00:07:47,520

out of body Kundalini Etc uh experience

179

00:07:53,409 --> 00:07:50,000

that transform people in remarkable

180

00:07:55,790 --> 00:07:53,419

permanent ways and they try to seek

181

00:07:58,010 --> 00:07:55,800

explanations with Fierce determination

182

00:08:00,290 --> 00:07:58,020

from that moment forward their

183

00:08:04,010 --> 00:08:00,300

explanations are discipline specific

184

00:08:06,350 --> 00:08:04,020

they're biased so we are being fed not

185

00:08:09,529 --> 00:08:06,360

intentionally with misinformation and

186

00:08:11,570 --> 00:08:09,539

but with inaccurate biased uh

187

00:08:14,990 --> 00:08:11,580

perspectives that are based on one's

188

00:08:17,330 --> 00:08:15,000

previous educational uh experience if

189

00:08:20,089 --> 00:08:17,340

I'm a neuroscientist and I do an

190

00:08:22,850 --> 00:08:20,099

experiment with giving somebody DMT and

191

00:08:25,249 --> 00:08:22,860

they say they interacted with non-newman

192

00:08:28,309 --> 00:08:25,259

entities perceived an alternate reality

193

00:08:30,890 --> 00:08:28,319

and now they believe in a deity we had

194

00:08:32,810 --> 00:08:30,900

before they were atheists and there and

195

00:08:35,269 --> 00:08:32,820

life after death in the whole nine yards

196

00:08:37,190 --> 00:08:35,279

and they're transformed and this has

197

00:08:39,889 --> 00:08:37,200

happened we see this in studies at John

198

00:08:42,589 --> 00:08:39,899

Hopkins and in other places well that's

199

00:08:44,269 --> 00:08:42,599

meaningful that means something but but

200

00:08:46,490 --> 00:08:44,279

does that really mean the person

201  
00:08:48,829 --> 00:08:46,500  
interact with an alternate realm as they

202  
00:08:51,110 --> 00:08:48,839  
claim and believe during their nine to

203  
00:08:52,910 --> 00:08:51,120  
five job in an office setting at this

204  
00:08:55,430 --> 00:08:52,920  
time even though it happened you know

205  
00:08:58,190 --> 00:08:55,440  
five years ago it's real like the back

206  
00:09:00,769 --> 00:08:58,200  
of their hand yet the neuroscientists

207  
00:09:03,350 --> 00:09:00,779  
will give an explanation that's brain

208  
00:09:05,570 --> 00:09:03,360  
based ego dissolution based on

209  
00:09:07,670 --> 00:09:05,580  
connectivity increases in this region

210  
00:09:10,310 --> 00:09:07,680  
versus is it you know that point of view

211  
00:09:13,070 --> 00:09:10,320  
when in fact that could be

212  
00:09:16,610 --> 00:09:13,080  
misinformation may be the wrong term but

213  
00:09:19,009 --> 00:09:16,620

the reader the reader is misinformed or

214

00:09:21,050 --> 00:09:19,019

a donut is interpreting it too literally

215

00:09:24,170 --> 00:09:21,060

hold on let me let me pause you there

216

00:09:26,329 --> 00:09:24,180

because we might start mixing things

217

00:09:28,670 --> 00:09:26,339

together again in a way that I want to

218

00:09:31,610 --> 00:09:28,680

really make a concerted effort to pull

219

00:09:34,550 --> 00:09:31,620

apart so you have I have this experience

220

00:09:37,910 --> 00:09:34,560

right I'm in the Rick Strassman studies

221

00:09:38,990 --> 00:09:37,920

in New Mexico they're ordained by the

222

00:09:43,009 --> 00:09:39,000

government where you're going to give me

223

00:09:45,050 --> 00:09:43,019

DMT I take the DMT I go and I go into

224

00:09:47,030 --> 00:09:45,060

the shapeshifter world the shamanic

225

00:09:49,730 --> 00:09:47,040

world when I see these other things and

226

00:09:51,769 --> 00:09:49,740

they look a lot like what E.T contactees

227

00:09:53,389 --> 00:09:51,779

have described in this and that I have

228

00:09:56,210 --> 00:09:53,399

that experience in as you describe it

229

00:09:59,030 --> 00:09:56,220

that experience is real to me and then

230

00:10:02,449 --> 00:09:59,040

as you point out in your books which are

231

00:10:04,670 --> 00:10:02,459

terrific because your books are not just

232

00:10:06,650 --> 00:10:04,680

science they are scientific because

233

00:10:09,290 --> 00:10:06,660

you're a scientist but they're also

234

00:10:11,449 --> 00:10:09,300

experiential you have experience with

235

00:10:13,009 --> 00:10:11,459

the UFO phenomena you have experience

236

00:10:15,110 --> 00:10:13,019

with the

237

00:10:17,509 --> 00:10:15,120

after death realm whatever even though

238

00:10:20,210 --> 00:10:17,519

we can't describe that completely so

239

00:10:22,250 --> 00:10:20,220

you're kind of coming at this from a

240

00:10:24,470 --> 00:10:22,260

different perspective and I think when

241

00:10:27,410 --> 00:10:24,480

you then talk about the neurologist

242

00:10:30,050 --> 00:10:27,420

who's trying to process that I think we

243

00:10:33,470 --> 00:10:30,060

have to kind of make a a cleaner break

244

00:10:36,590 --> 00:10:33,480

there in terms of that neurologist a lot

245

00:10:38,509 --> 00:10:36,600

of times is operating in this as I call

246

00:10:41,870 --> 00:10:38,519

it biological robot meaningless Universe

247

00:10:44,090 --> 00:10:41,880

materialist perspective that is just a

248

00:10:45,889 --> 00:10:44,100

major misstep I mean we don't have to

249

00:10:48,350 --> 00:10:45,899

bring them into the club and say oh they

250

00:10:50,810 --> 00:10:48,360

have an opinion too no they're just kind

251  
00:10:52,970 --> 00:10:50,820  
of flat earthing it in a way for

252  
00:10:55,130 --> 00:10:52,980  
somebody like you who's looked at all

253  
00:10:57,290 --> 00:10:55,140  
this evidence and all this science you

254  
00:10:59,030 --> 00:10:57,300  
would just kind of be nice but you'd Pat

255  
00:11:00,949 --> 00:10:59,040  
him on the head and say you know go do

256  
00:11:04,910 --> 00:11:00,959  
about 10 years of research and then come

257  
00:11:08,030 --> 00:11:04,920  
back so I think sometimes we confuse the

258  
00:11:11,690 --> 00:11:08,040  
issue when we talk about the neurologist

259  
00:11:14,150 --> 00:11:11,700  
who is just not clued into has this

260  
00:11:16,310 --> 00:11:14,160  
dogmatic view of things that has clouded

261  
00:11:17,990 --> 00:11:16,320  
their vision and we put that side by

262  
00:11:21,470 --> 00:11:18,000  
side with who we're going to talk about

263  
00:11:24,410 --> 00:11:21,480

in a minute a Dr Gary Nolan who from

264

00:11:27,650 --> 00:11:24,420

every way we look at it is playing a

265

00:11:31,130 --> 00:11:27,660

game man he's peddling an agenda he's

266

00:11:33,350 --> 00:11:31,140

CIA he's and what's your partially CIA

267

00:11:35,329 --> 00:11:33,360

you're CIA all the way and there's all

268

00:11:37,190 --> 00:11:35,339

these other connections so whether he is

269

00:11:39,650 --> 00:11:37,200

all that or not I'm not against Gary no

270

00:11:42,470 --> 00:11:39,660

one seems like a great guy to me but I'm

271

00:11:44,630 --> 00:11:42,480

just saying that potentially is a

272

00:11:47,769 --> 00:11:44,640

different character on this playing

273

00:11:50,930 --> 00:11:47,779

field than your normal you know

274

00:11:53,750 --> 00:11:50,940

run-of-the-mill Sam Harris just kind of

275

00:11:56,030 --> 00:11:53,760

Clueless neuroscientist who's

276

00:11:58,009 --> 00:11:56,040

caught up in their own I'm an atheist

277

00:11:59,389 --> 00:11:58,019

therefore I got to protect my turf kind

278

00:12:01,069 --> 00:11:59,399

of thing do you understand what I'm

279

00:12:03,710 --> 00:12:01,079

saying in my kind of belaboring a point

280

00:12:06,470 --> 00:12:03,720

there that that that needs to be drawn

281

00:12:09,410 --> 00:12:06,480

out or is it obvious to everybody

282

00:12:12,470 --> 00:12:09,420

yeah there's there's a lot there and

283

00:12:15,590 --> 00:12:12,480

that's that's why I approach it almost

284

00:12:17,930 --> 00:12:15,600

as as if it is a chess game you know you

285

00:12:19,550 --> 00:12:17,940

bring up my personal experiences yeah I

286

00:12:21,530 --> 00:12:19,560

saw two iron chew UPS I had a shared

287

00:12:23,449 --> 00:12:21,540

death experience not near death a sheer

288

00:12:25,790 --> 00:12:23,459

death and knowingness that my colleague

289

00:12:28,670 --> 00:12:25,800

died which we discussed uh something

290

00:12:31,009 --> 00:12:28,680

that's uh Indescribable but intensely

291

00:12:34,009 --> 00:12:31,019

meaningful uh and it had a Kundalini

292

00:12:36,889 --> 00:12:34,019

Awakening remarkable energetic shifts of

293

00:12:39,410 --> 00:12:36,899

the very positive uh very meaningful I'm

294

00:12:42,410 --> 00:12:39,420

not alone it flipped me like it does

295

00:12:45,170 --> 00:12:42,420

many many people and that has been well

296

00:12:48,110 --> 00:12:45,180

documented by by Wale Kat I think she

297

00:12:50,449 --> 00:12:48,120

was a you interviewed her uh a

298

00:12:53,090 --> 00:12:50,459

researcher professor at University of

299

00:12:55,129 --> 00:12:53,100

Oregon what's going on and then you have

300

00:12:57,769 --> 00:12:55,139

straussman you mentioned with the DMC

301

00:13:00,769 --> 00:12:57,779

studies in John MCA psychiatrist I met

302

00:13:03,230 --> 00:13:00,779

they compared their notes between the

303

00:13:04,910 --> 00:13:03,240

the people who claim to be have had that

304

00:13:08,090 --> 00:13:04,920

interacted with non-human entities

305

00:13:10,790 --> 00:13:08,100

associated with the UAP and straussman's

306

00:13:12,769 --> 00:13:10,800

evidence with DMT subjects and and they

307

00:13:17,150 --> 00:13:12,779

were blown away literally quote unquote

308

00:13:19,790 --> 00:13:17,160

by the the similarity of the experiences

309

00:13:22,250 --> 00:13:19,800

of these two distinctly dissimilar

310

00:13:24,350 --> 00:13:22,260

groups and I take that and I embed that

311

00:13:27,050 --> 00:13:24,360

in the article then I'll take other

312

00:13:29,750 --> 00:13:27,060

pieces that I regard as quite

313

00:13:32,269 --> 00:13:29,760

interesting from so-called experts I try

314

00:13:34,670 --> 00:13:32,279

to seek out that that kind of objective

315

00:13:37,610 --> 00:13:34,680

information as best as possible not that

316

00:13:40,310 --> 00:13:37,620

they're correct no means nor is my

317

00:13:42,170 --> 00:13:40,320

interpretation of the evidence correct

318

00:13:45,290 --> 00:13:42,180

but I'm trying to make sense of nonsense

319

00:13:47,329 --> 00:13:45,300

or misinformation not intentionally not

320

00:13:50,030 --> 00:13:47,339

purposely not always purposeful

321

00:13:52,670 --> 00:13:50,040

deception not always but we see evidence

322

00:13:54,710 --> 00:13:52,680

of that certainly and we'll get there to

323

00:13:57,110 --> 00:13:54,720

make a coherent whole as best as

324

00:14:00,290 --> 00:13:57,120

possible so the neurologists will Flat

325

00:14:03,170 --> 00:14:00,300

Earth it will put his or her diatribe on

326

00:14:05,990 --> 00:14:03,180

it discipline specific and biased as I

327

00:14:08,449 --> 00:14:06,000

mentioned but but then you have uh you

328

00:14:11,329 --> 00:14:08,459

mentioned Gary know if you want to go

329

00:14:13,610 --> 00:14:11,339

there now uh well regarding his field

330

00:14:16,009 --> 00:14:13,620

the geneticism analysis from Stanford

331

00:14:17,990 --> 00:14:16,019

University Nolan Labs named after him

332

00:14:19,970 --> 00:14:18,000

when you go on and on with his Vita and

333

00:14:21,889 --> 00:14:19,980

he comes out of the salt conference just

334

00:14:24,290 --> 00:14:21,899

a few days ago and he says a hundred

335

00:14:26,449 --> 00:14:24,300

percent he believes 100

336

00:14:27,710 --> 00:14:26,459

ET is real and they're here Paul's right

337

00:14:30,949 --> 00:14:27,720

there Paul's right there we'll play it

338

00:14:33,110 --> 00:14:30,959

would be helpful to qualify yourself

339

00:14:35,150 --> 00:14:33,120

because you are going to make some very

340

00:14:36,590 --> 00:14:35,160

bold statements here today

341

00:14:38,329 --> 00:14:36,600

and I would love for people to

342

00:14:40,310 --> 00:14:38,339

understand why they should believe you

343

00:14:42,230 --> 00:14:40,320

and so perhaps can you give a little bit

344

00:14:44,509 --> 00:14:42,240

of your background sure

345

00:14:47,990 --> 00:14:44,519

um so I'm a professor in the department

346

00:14:49,730 --> 00:14:48,000

of pathology at Stanford uh the primary

347

00:14:52,670 --> 00:14:49,740

research work in my lab is cancer

348

00:14:54,530 --> 00:14:52,680

Immunology virology we also do a lot of

349

00:14:58,310 --> 00:14:54,540

work in BIO threat so we've worked with

350

00:15:00,710 --> 00:14:58,320

ebola zika uh covid when it was a big

351

00:15:02,269 --> 00:15:00,720

problem primarily the work in my lab is

352

00:15:04,550 --> 00:15:02,279

the development of instrumentation and

353

00:15:06,949 --> 00:15:04,560

algorithms to understand the complexity

354

00:15:08,569 --> 00:15:06,959

of the immune system in cancer and in

355

00:15:11,150 --> 00:15:08,579

the process of doing that we've created

356

00:15:12,949 --> 00:15:11,160

any of a number of Technologies which we

357

00:15:16,129 --> 00:15:12,959

spun out into companies it's now nine

358

00:15:17,930 --> 00:15:16,139

companies two of them are on NASDAQ and

359

00:15:20,030 --> 00:15:17,940

these Immunology instruments are used

360

00:15:22,670 --> 00:15:20,040

pretty much around the world uh in

361

00:15:23,930 --> 00:15:22,680

almost any advanced Immunology analysis

362

00:15:25,250 --> 00:15:23,940

and work

363

00:15:26,990 --> 00:15:25,260

understood

364

00:15:28,790 --> 00:15:27,000

and

365

00:15:31,970 --> 00:15:28,800

I'm curious

366

00:15:36,230 --> 00:15:31,980

do you believe that extraterrestrial

367

00:15:37,910 --> 00:15:36,240

intelligence has visited planet Earth

368

00:15:39,889 --> 00:15:37,920

I think you can go a step further it

369

00:15:42,530 --> 00:15:39,899

hasn't just visited it's been here a

370

00:15:44,329 --> 00:15:42,540

long time and it's still here we'll end

371

00:15:46,189 --> 00:15:44,339

it there and then we'll we'll come back

372

00:15:48,710 --> 00:15:46,199

to it but I want to let you know where

373

00:15:51,410 --> 00:15:48,720

I'm going with Gary Nolan and that's

374

00:15:54,350 --> 00:15:51,420

that I think he's carrying water for

375

00:15:56,810 --> 00:15:54,360

somebody else so what are you thinking

376

00:15:58,730 --> 00:15:56,820

when you see Gary Noland who is he to

377

00:16:00,790 --> 00:15:58,740

you what is he doing what is he talking

378

00:16:03,829 --> 00:16:00,800

about

379

00:16:05,810 --> 00:16:03,839

Gary I think is the modern day version

380

00:16:08,449 --> 00:16:05,820

of John Mack

381

00:16:10,790 --> 00:16:08,459

similarities and obvious differences of

382

00:16:12,470 --> 00:16:10,800

course John Mack again your audience I'm

383

00:16:14,329 --> 00:16:12,480

sure is familiar with them for those not

384

00:16:16,009 --> 00:16:14,339

it was again a psychiatrist at Harvard

385

00:16:18,730 --> 00:16:16,019

who had a fight for tenure after

386

00:16:21,050 --> 00:16:18,740

advocating again that he

387

00:16:22,250 --> 00:16:21,060

believed that people believe that they

388

00:16:25,129 --> 00:16:22,260

were interacting with non-human

389

00:16:27,829 --> 00:16:25,139

intelligence Etc but Gary Nolan is

390

00:16:29,990 --> 00:16:27,839

saying that as it applies to you would

391

00:16:32,509 --> 00:16:30,000

think the nuts and bolts we have some

392

00:16:34,970 --> 00:16:32,519

meta materials analyzing it and

393

00:16:37,970 --> 00:16:34,980

Consulting with the CIA and others who

394

00:16:40,129 --> 00:16:37,980

have access to it and and he's you know

395

00:16:42,829 --> 00:16:40,139

likely not disclosing it and that's why

396

00:16:45,730 --> 00:16:42,839

he maybe says I'm 100 certain without

397

00:16:48,170 --> 00:16:45,740

disclosing it I'm not a personal

398

00:16:51,470 --> 00:16:48,180

disinformation but maybe maybe a little

399

00:16:53,090 --> 00:16:51,480

misdirection saying he he's convinced he

400

00:16:56,269 --> 00:16:53,100

has the evidence but it's not the right

401  
00:16:57,710 --> 00:16:56,279  
time to share it and in a sense uh you

402  
00:17:00,889 --> 00:16:57,720  
know he's he's letting the cat out of

403  
00:17:02,810 --> 00:17:00,899  
the bag before the evidence in in detail

404  
00:17:05,569 --> 00:17:02,820  
is provided that's the only thing I

405  
00:17:07,069 --> 00:17:05,579  
could think of why he says 100 unless

406  
00:17:09,169 --> 00:17:07,079  
he's done preparing us for some

407  
00:17:12,230 --> 00:17:09,179  
disclosure that's about to happen Okay

408  
00:17:15,230 --> 00:17:12,240  
but but here's the pause I got to put in

409  
00:17:19,610 --> 00:17:15,240  
that and that's that you know this is

410  
00:17:21,409 --> 00:17:19,620  
who else Gary Nolan is and I have I

411  
00:17:24,890 --> 00:17:21,419  
pulled up on the screen right now yeah I

412  
00:17:27,289 --> 00:17:24,900  
got it I got it that he makes to fouchy

413  
00:17:29,590 --> 00:17:27,299

at the end when thought she retires he

414

00:17:33,530 --> 00:17:29,600

says thank you Dr fauci for your

415

00:17:38,210 --> 00:17:33,540

tremendously positive contributions to

416

00:17:41,390 --> 00:17:38,220

immunology and virology and I just gotta

417

00:17:45,409 --> 00:17:41,400

play a couple other little clips into

418

00:17:47,390 --> 00:17:45,419

this one to fully put that into context

419

00:17:49,610 --> 00:17:47,400

because the first place I'd go with the

420

00:17:52,669 --> 00:17:49,620

Gary Nolan thing which some people might

421

00:17:54,710 --> 00:17:52,679

have forgotten but Diana Walsh pasolko

422

00:17:58,250 --> 00:17:54,720

who wrote the book American Cosmic which

423

00:18:01,010 --> 00:17:58,260

was extremely influential book

424

00:18:01,970 --> 00:18:01,020

the main characters in that book are two

425

00:18:04,250 --> 00:18:01,980

guys

426  
00:18:07,310 --> 00:18:04,260  
and they're pseudonyms in the book one

427  
00:18:09,529 --> 00:18:07,320  
is James and one is Tyler Durden and

428  
00:18:12,350 --> 00:18:09,539  
James is the good guy

429  
00:18:14,450 --> 00:18:12,360  
he's the guy who's doing the real

430  
00:18:18,950 --> 00:18:14,460  
science and and here's what she says

431  
00:18:23,750 --> 00:18:18,960  
about about James and James is outed

432  
00:18:26,210 --> 00:18:23,760  
later as none other than Dr Gary Nolan

433  
00:18:29,690 --> 00:18:26,220  
okay so the thing is is and I thought

434  
00:18:32,930 --> 00:18:29,700  
and I hoped that I could evade that at

435  
00:18:35,150 --> 00:18:32,940  
first I was very suspicious and to the

436  
00:18:36,950 --> 00:18:35,160  
point of being frightened really of a

437  
00:18:38,870 --> 00:18:36,960  
lot of the people that I met because

438  
00:18:40,610 --> 00:18:38,880

they were not at a level that you know

439

00:18:44,049 --> 00:18:40,620

these were not people that I'd ever met

440

00:18:46,909 --> 00:18:44,059

before and there were some who were

441

00:18:48,830 --> 00:18:46,919

professors and who were studying this as

442

00:18:51,230 --> 00:18:48,840

well and I I kind of bonded more with

443

00:18:52,730 --> 00:18:51,240

them like James in the book I bonded

444

00:18:55,370 --> 00:18:52,740

with James a lot more and he's a good

445

00:18:57,830 --> 00:18:55,380

friend of mine and so the other people

446

00:18:59,930 --> 00:18:57,840

that are you know way out there and

447

00:19:01,789 --> 00:18:59,940

doing the that space can I just

448

00:19:03,770 --> 00:19:01,799

interject something because the

449

00:19:06,710 --> 00:19:03,780

weirdness never stops yeah that's James

450

00:19:10,190 --> 00:19:06,720

right James there's also an experimenter

451  
00:19:11,450 --> 00:19:10,200  
who's had multiple experiences with

452  
00:19:14,710 --> 00:19:11,460  
ET if you want to call it that for

453  
00:19:18,970 --> 00:19:14,720  
simple terms and his main driving

454  
00:19:22,549 --> 00:19:18,980  
ambition research project is to kind of

455  
00:19:25,730 --> 00:19:22,559  
counteract this ability that E.T has to

456  
00:19:27,350 --> 00:19:25,740  
seem to just bump into us in the

457  
00:19:28,610 --> 00:19:27,360  
extended Consciousness realm wherever he

458  
00:19:29,870 --> 00:19:28,620  
wants and he wants to have greater

459  
00:19:31,549 --> 00:19:29,880  
control of that yeah

460  
00:19:35,210 --> 00:19:31,559  
so again you know maybe I'm making too

461  
00:19:37,190 --> 00:19:35,220  
big a deal out of this but James and

462  
00:19:39,230 --> 00:19:37,200  
Diana Wallace pasoka's book which is

463  
00:19:41,330 --> 00:19:39,240

this phenomenal book showing about the

464

00:19:42,950 --> 00:19:41,340

invisible college and how there's these

465

00:19:45,770 --> 00:19:42,960

good guys

466

00:19:46,789 --> 00:19:45,780

who you can really trust and I'm not

467

00:19:48,590 --> 00:19:46,799

going to give you his name his name is

468

00:19:50,630 --> 00:19:48,600

James so his name is really Gary Nolan

469

00:19:52,789 --> 00:19:50,640

as it's later revealed and he's a good

470

00:19:55,010 --> 00:19:52,799

guy he's a scientist like I am you know

471

00:19:57,289 --> 00:19:55,020

because she's a tenured professor in

472

00:20:01,610 --> 00:19:57,299

religious studies right

473

00:20:03,770 --> 00:20:01,620

but this is also Gary in August of 2022

474

00:20:07,070 --> 00:20:03,780

when he's saying fauci tremendously

475

00:20:09,230 --> 00:20:07,080

positive contributions to immunology and

476

00:20:11,870 --> 00:20:09,240

virology now I don't have to remind

477

00:20:15,830 --> 00:20:11,880

folks but I think I will

478

00:20:19,070 --> 00:20:15,840

who Dr Anthony fauci turns out to be now

479

00:20:21,650 --> 00:20:19,080

in 2023 so as I play these next couple

480

00:20:24,710 --> 00:20:21,660

clips into this I want you to keep in

481

00:20:27,110 --> 00:20:24,720

mind what is Gary thinking how is Gary

482

00:20:30,230 --> 00:20:27,120

the Stanford scientist the Stanford

483

00:20:32,150 --> 00:20:30,240

immunologist now all the data's in you

484

00:20:34,310 --> 00:20:32,160

can analyze it you can look across the

485

00:20:39,430 --> 00:20:34,320

board how is he maintaining that

486

00:20:44,510 --> 00:20:41,990

hold on one sec let me play it I know

487

00:20:47,029 --> 00:20:44,520

I'm jabbering it up here but that's uh

488

00:20:48,470 --> 00:20:47,039

I'm not gonna I'm sorry I can apologize

489

00:20:49,730 --> 00:20:48,480

for that I'm just going to play it in

490

00:20:51,590 --> 00:20:49,740

and we'll have plenty of time to talk

491

00:20:54,950 --> 00:20:51,600

let me get this

492

00:20:57,650 --> 00:20:54,960

hey conspiracy theorists as you know

493

00:21:00,049 --> 00:20:57,660

questioning Albert baller CEO of Pfizer

494

00:21:02,090 --> 00:21:00,059

or Anthony fauci former head of

495

00:21:04,669 --> 00:21:02,100

everything important is basically an

496

00:21:06,169 --> 00:21:04,679

attack on science itself so if there

497

00:21:08,450 --> 00:21:06,179

were a test that could have revealed

498

00:21:10,250 --> 00:21:08,460

that many of the laws and measures that

499

00:21:13,190 --> 00:21:10,260

were undertaken during the pandemic were

500

00:21:14,990 --> 00:21:13,200

unnecessary and the CDC ignored that

501  
00:21:18,049 --> 00:21:15,000  
test then that would be what

502  
00:21:20,570 --> 00:21:18,059  
unscientific it depends on what they say

503  
00:21:22,750 --> 00:21:20,580  
it is stupid yeah bloody conspiracy

504  
00:21:26,029 --> 00:21:22,760  
theorist

505  
00:21:28,970 --> 00:21:26,039  
you remember Albert baller saying the

506  
00:21:31,190 --> 00:21:28,980  
RFK in questioning certain medications

507  
00:21:33,590 --> 00:21:31,200  
is questioning science itself Anthony

508  
00:21:35,810 --> 00:21:33,600  
fauci essentially said in a weird Judge

509  
00:21:38,450 --> 00:21:35,820  
Dread way I am science let's remind

510  
00:21:40,430 --> 00:21:38,460  
ourselves what these smug dictators were

511  
00:21:42,350 --> 00:21:40,440  
telling us just a matter of months ago

512  
00:21:44,210 --> 00:21:42,360  
and tried to remember this is the world

513  
00:21:45,649 --> 00:21:44,220

you're still living in this is the price

514

00:21:47,870 --> 00:21:45,659

you're still paying what is your level

515

00:21:49,970 --> 00:21:47,880

of concern that we're going to discredit

516

00:21:52,310 --> 00:21:49,980

Public Health officials to the point of

517

00:21:54,169 --> 00:21:52,320

you know look at Russia I see you go

518

00:21:55,909 --> 00:21:54,179

look at him and I raise you proxy war

519

00:21:57,710 --> 00:21:55,919

with them and also we can say that they

520

00:21:58,730 --> 00:21:57,720

even caused Donald Trump that's not

521

00:22:00,950 --> 00:21:58,740

going to work for long they actually

522

00:22:02,330 --> 00:22:00,960

have a good vaccine and none of their

523

00:22:04,310 --> 00:22:02,340

citizens will take it because they don't

524

00:22:06,470 --> 00:22:04,320

trust their own government it's very

525

00:22:09,230 --> 00:22:06,480

dangerous Chuck because a lot of what

526

00:22:12,289 --> 00:22:09,240

you're seeing as a tax on me quite

527

00:22:14,330 --> 00:22:12,299

frankly are attacks on science oh you

528

00:22:17,210 --> 00:22:14,340

are the embodiment of science are you

529

00:22:19,070 --> 00:22:17,220

what a scientific thing to say that an

530

00:22:20,930 --> 00:22:19,080

entire Dogma could be embodied in an

531

00:22:22,909 --> 00:22:20,940

individual okay that was a very

532

00:22:24,950 --> 00:22:22,919

excellent Russell Brand we could also go

533

00:22:28,510 --> 00:22:24,960

to mainstream media at this point which

534

00:22:30,710 --> 00:22:28,520

has the the science is so overwhelmingly

535

00:22:32,810 --> 00:22:30,720

turned against

536

00:22:35,570 --> 00:22:32,820

what they perpetrated with the jab thing

537

00:22:37,370 --> 00:22:35,580

and how the science was completely the

538

00:22:40,310 --> 00:22:37,380

other way and they turned their back on

539

00:22:43,130 --> 00:22:40,320

it so I'm going to return to Gary Nolan

540

00:22:44,990 --> 00:22:43,140

I can't let him off the hook for what he

541

00:22:47,210 --> 00:22:45,000

says about fauci I think that reveals

542

00:22:49,070 --> 00:22:47,220

more than just about anything else we

543

00:22:51,590 --> 00:22:49,080

can hear him say about his background

544

00:22:53,330 --> 00:22:51,600

about Stanford about his grants about

545

00:22:55,669 --> 00:22:53,340

his CIA work

546

00:22:57,890 --> 00:22:55,679

he's carrying the water for somebody

547

00:22:59,990 --> 00:22:57,900

else because no one in their right mind

548

00:23:03,350 --> 00:23:00,000

would would say that at this point about

549

00:23:05,990 --> 00:23:03,360

fauci to me it kind of reveals it all

550

00:23:08,270 --> 00:23:06,000

well I I yeah I don't know if there's a

551  
00:23:10,190 --> 00:23:08,280  
cause effect there I that may be one way

552  
00:23:12,890 --> 00:23:10,200  
to interpret what he said but another

553  
00:23:15,289 --> 00:23:12,900  
way the way I would interpret it would

554  
00:23:17,570 --> 00:23:15,299  
be that he's he's looking at fauci's

555  
00:23:20,210 --> 00:23:17,580  
past achievements I do know a

556  
00:23:23,750 --> 00:23:20,220  
well-respected virologist who uh

557  
00:23:26,330 --> 00:23:23,760  
actually patented the rotavirus and and

558  
00:23:28,789 --> 00:23:26,340  
I asked him during covid what what he

559  
00:23:30,830 --> 00:23:28,799  
thought about fauci and all he said was

560  
00:23:32,830 --> 00:23:30,840  
the man is absolutely brilliant his

561  
00:23:34,810 --> 00:23:32,840  
contributions to the field of virology

562  
00:23:36,770 --> 00:23:34,820  
are are

563  
00:23:39,710 --> 00:23:36,780

unquestioned that's why he holds the

564

00:23:41,870 --> 00:23:39,720

position so I think the point I think

565

00:23:44,750 --> 00:23:41,880

was related to that and I want to be in

566

00:23:47,210 --> 00:23:44,760

your good side more political and and in

567

00:23:49,549 --> 00:23:47,220

recognition of his great past and

568

00:23:51,289 --> 00:23:49,559

ignoring his Kobe contribution which in

569

00:23:52,850 --> 00:23:51,299

retrospect could have could be and I'm

570

00:23:55,490 --> 00:23:52,860

not one to interpret it it could be a

571

00:23:57,350 --> 00:23:55,500

disaster you know it could be you know

572

00:23:59,950 --> 00:23:57,360

but it's more of an emotional disaster

573

00:24:02,270 --> 00:23:59,960

this cause it is left on society are

574

00:24:04,370 --> 00:24:02,280

unimaginable that's you know that's

575

00:24:06,830 --> 00:24:04,380

where I focus I mean let's even realize

576

00:24:08,690 --> 00:24:06,840

that I think what it's done to two

577

00:24:12,590 --> 00:24:08,700

people all over the world

578

00:24:16,250 --> 00:24:12,600

did you read RFK Junior's book on fauci

579

00:24:18,529 --> 00:24:16,260

are you aware of it no okay so it's kind

580

00:24:21,890 --> 00:24:18,539

of the definitive work on his history in

581

00:24:23,210 --> 00:24:21,900

his his history is the opposite of what

582

00:24:24,950 --> 00:24:23,220

you just said if you carefully go

583

00:24:27,770 --> 00:24:24,960

through it he's mixed in with the whole

584

00:24:31,630 --> 00:24:27,780

Aids HIV thing in a very unscrupulous

585

00:24:34,730 --> 00:24:31,640

way very very despicable

586

00:24:36,770 --> 00:24:34,740

career in medicine in my opinion in the

587

00:24:39,350 --> 00:24:36,780

in the opinion of many people who've

588

00:24:41,090 --> 00:24:39,360

read that book which by the way was the

589

00:24:44,810 --> 00:24:41,100

number one book on Amazon for the

590

00:24:47,210 --> 00:24:44,820

longest time and got zero reviews got

591

00:24:49,190 --> 00:24:47,220

zero reviews in any mainstream

592

00:24:50,870 --> 00:24:49,200

publication so there's no New York Times

593

00:24:52,310 --> 00:24:50,880

Wall Street they completely ignored it

594

00:24:55,010 --> 00:24:52,320

just like they're trying to ignore him

595

00:24:55,970 --> 00:24:55,020

now as he's running for president point

596

00:24:58,970 --> 00:24:55,980

being

597

00:25:01,310 --> 00:24:58,980

there's 150 pages of notes you know

598

00:25:04,130 --> 00:25:01,320

footnotes in that book to the research

599

00:25:05,870 --> 00:25:04,140

that fauci did which contradicts what

600

00:25:07,990 --> 00:25:05,880

your friend who's just probably going

601  
00:25:10,850 --> 00:25:08,000  
with the mainstream narrative

602  
00:25:14,870 --> 00:25:10,860  
unforgivable I think for a serious

603  
00:25:17,990 --> 00:25:14,880  
academic in virology to be tremendously

604  
00:25:21,049 --> 00:25:18,000  
grateful for his contributions without

605  
00:25:23,750 --> 00:25:21,059  
looking at him as potentially someone

606  
00:25:26,630 --> 00:25:23,760  
who's just run the largest scientific

607  
00:25:28,430 --> 00:25:26,640  
scam in history which at this point

608  
00:25:30,769 --> 00:25:28,440  
there's no other way the burden of proof

609  
00:25:33,110 --> 00:25:30,779  
would be on someone to say that the

610  
00:25:36,049 --> 00:25:33,120  
pandemic was something other than the

611  
00:25:39,110 --> 00:25:36,059  
largest medical scam in history the

612  
00:25:40,789 --> 00:25:39,120  
burden proof suggests that it is so I'm

613  
00:25:41,630 --> 00:25:40,799

open to the possibility that it isn't

614

00:25:43,610 --> 00:25:41,640

but

615

00:25:46,190 --> 00:25:43,620

man you're gonna have to convince me and

616

00:25:48,409 --> 00:25:46,200

if you can't then what does that say

617

00:25:50,690 --> 00:25:48,419

about Gary Nolan that's why I keep

618

00:25:53,450 --> 00:25:50,700

coming back to this because

619

00:25:55,490 --> 00:25:53,460

what does this say about how we're

620

00:25:57,529 --> 00:25:55,500

supposed to understand

621

00:26:00,230 --> 00:25:57,539

one aspect of the spiritually

622

00:26:04,250 --> 00:26:00,240

transformative experiences and that is

623

00:26:06,769 --> 00:26:04,260

the ET if Gary Nolan is the guy who's

624

00:26:08,090 --> 00:26:06,779

partially responsible for controlling

625

00:26:11,090 --> 00:26:08,100

the narrative

626  
00:26:13,669 --> 00:26:11,100  
then he's controlling your narrative as

627  
00:26:15,649 --> 00:26:13,679  
well in a way that maybe you haven't

628  
00:26:18,409 --> 00:26:15,659  
fully considered

629  
00:26:21,769 --> 00:26:18,419  
well you're you're exactly right he he's

630  
00:26:25,250 --> 00:26:21,779  
a focal point of public attention as

631  
00:26:28,610 --> 00:26:25,260  
well as attention by many in Academia so

632  
00:26:30,649 --> 00:26:28,620  
of course he he can persuade he consults

633  
00:26:32,570 --> 00:26:30,659  
with the CIA he consults supposedly

634  
00:26:35,029 --> 00:26:32,580  
according what he says with all peoples

635  
00:26:37,490 --> 00:26:35,039  
in the know as far as your APS are

636  
00:26:40,250 --> 00:26:37,500  
concerned he does meta material analysis

637  
00:26:42,669 --> 00:26:40,260  
he is an admitted experiencer people

638  
00:26:46,130 --> 00:26:42,679

identify certainly with that who else

639

00:26:48,590 --> 00:26:46,140

within the community other than those

640

00:26:50,810 --> 00:26:48,600

who just don't focus on him and they're

641

00:26:52,250 --> 00:26:50,820

probably most people in society and just

642

00:26:56,269 --> 00:26:52,260

go if they're interested in you

643

00:26:57,950 --> 00:26:56,279

followers on what the dod NASA Etc are

644

00:27:00,049 --> 00:26:57,960

are all doing about it as well as a

645

00:27:02,269 --> 00:27:00,059

Galileo project which Nolan is also

646

00:27:04,909 --> 00:27:02,279

involved in and I credit Abby Lowe being

647

00:27:07,070 --> 00:27:04,919

on the same breath as as to commend them

648

00:27:09,169 --> 00:27:07,080

in in one sense I don't know if they

649

00:27:11,570 --> 00:27:09,179

have anything else up their sleeve but

650

00:27:13,610 --> 00:27:11,580

they're like a John Mack in a sense that

651  
00:27:16,010 --> 00:27:13,620  
they're they're risking their reputation

652  
00:27:17,870 --> 00:27:16,020  
their status in some ways and they're

653  
00:27:21,230 --> 00:27:17,880  
pushing the envelope and you need one

654  
00:27:23,810 --> 00:27:21,240  
white crow in a sense so or scientist

655  
00:27:26,750 --> 00:27:23,820  
who does make that incredible Discovery

656  
00:27:29,649 --> 00:27:26,760  
maybe or or it comes out of Citizen

657  
00:27:32,750 --> 00:27:29,659  
science you know in terms of the public

658  
00:27:35,149 --> 00:27:32,760  
generating research on their own with

659  
00:27:37,010 --> 00:27:35,159  
limited funds to try to unravel this

660  
00:27:38,930 --> 00:27:37,020  
chess game that we all seem to be

661  
00:27:41,390 --> 00:27:38,940  
playing I think you're a hell of a lot

662  
00:27:43,490 --> 00:27:41,400  
closer to unraveling it than these guys

663  
00:27:45,470 --> 00:27:43,500

are that's my point I think these guys

664

00:27:48,169 --> 00:27:45,480

Avi lobe if you listen carefully to what

665

00:27:50,149 --> 00:27:48,179

he's saying he doesn't believe in at I

666

00:27:53,090 --> 00:27:50,159

mean not only does he not believe in E.T

667

00:27:55,610 --> 00:27:53,100

he doesn't believe in UFO right so when

668

00:27:57,110 --> 00:27:55,620

you fully process that that's back to

669

00:27:58,610 --> 00:27:57,120

what I was saying like with your stuff

670

00:28:00,289 --> 00:27:58,620

with the spiritually transforming

671

00:28:02,750 --> 00:28:00,299

experiences and then you talk to Sam

672

00:28:04,970 --> 00:28:02,760

Harris and he's like well hey I think

673

00:28:06,430 --> 00:28:04,980

Consciousness is still an illusion you

674

00:28:09,289 --> 00:28:06,440

know I'm going to spin this stuff about

675

00:28:11,510 --> 00:28:09,299

meditation but it's still all brain

676

00:28:13,909 --> 00:28:11,520

based Consciousness is an illusion it's

677

00:28:15,350 --> 00:28:13,919

like you really don't have a seat at

678

00:28:17,690 --> 00:28:15,360

this table like I don't know if you're

679

00:28:19,070 --> 00:28:17,700

just making that stuff up or not but you

680

00:28:22,190 --> 00:28:19,080

really don't have a seat at that table

681

00:28:23,690 --> 00:28:22,200

Avi lobe when he says UFOs hey if we

682

00:28:26,510 --> 00:28:23,700

ever run across to them they might be

683

00:28:29,090 --> 00:28:26,520

real it's like bro if we ever run across

684

00:28:32,570 --> 00:28:29,100

them you are somehow you you don't

685

00:28:34,549 --> 00:28:32,580

really have a seat at the table you on

686

00:28:37,250 --> 00:28:34,559

the other hand my friend is who I'm

687

00:28:39,289 --> 00:28:37,260

turning to in this discussion because

688

00:28:43,430 --> 00:28:39,299

you definitely got a seat on the table

689

00:28:46,490 --> 00:28:43,440

you are way way ahead of the curve by

690

00:28:48,289 --> 00:28:46,500

virtue of this spiritually transformed

691

00:28:52,430 --> 00:28:48,299

experiences across the board where you

692

00:28:54,830 --> 00:28:52,440

include this UAP UFO experience and

693

00:28:56,330 --> 00:28:54,840

quotes like this from that article as

694

00:28:58,370 --> 00:28:56,340

with any experience that's filtered

695

00:29:01,490 --> 00:28:58,380

through our layers of culture language

696

00:29:03,950 --> 00:29:01,500

and individuality steers that is

697

00:29:05,930 --> 00:29:03,960

spiritually transformed experiences also

698

00:29:09,730 --> 00:29:05,940

share several similarities themes and

699

00:29:13,430 --> 00:29:09,740

features man we could do a whole hour

700

00:29:16,070 --> 00:29:13,440

just on that because it's so deep that

701  
00:29:18,769 --> 00:29:16,080  
is not where Gary Nolan is is coming

702  
00:29:22,130 --> 00:29:18,779  
from Gary Nolan is trying to misdirect

703  
00:29:24,529 --> 00:29:22,140  
us away from that Avi Loeb he's trying

704  
00:29:26,810 --> 00:29:24,539  
to misdirect us by saying well none of

705  
00:29:29,330 --> 00:29:26,820  
that stuff could possibly even be on the

706  
00:29:30,950 --> 00:29:29,340  
table because there's no such thing as

707  
00:29:33,289 --> 00:29:30,960  
Consciousness Consciousness is an

708  
00:29:36,289 --> 00:29:33,299  
illusion so here's where I'm going to

709  
00:29:40,190 --> 00:29:36,299  
take you to this guy Ray Hernandez

710  
00:29:43,070 --> 00:29:40,200  
Beyond UFOs a project to try and wrap

711  
00:29:45,230 --> 00:29:43,080  
our arms around those experiences and a

712  
00:29:47,269 --> 00:29:45,240  
project that you were directly involved

713  
00:29:50,149 --> 00:29:47,279

in you were called to be a part of

714

00:29:52,510 --> 00:29:50,159

because you do have not only the

715

00:29:56,330 --> 00:29:52,520

academic credentials but you have the

716

00:29:59,570 --> 00:29:56,340

academic muscle to know how to collect

717

00:30:01,669 --> 00:29:59,580

data tell us about that project because

718

00:30:03,889 --> 00:30:01,679

I think it relates more to

719

00:30:07,250 --> 00:30:03,899

the real story

720

00:30:09,049 --> 00:30:07,260

of what's going on behind Gary Nolan and

721

00:30:10,789 --> 00:30:09,059

the rest of these guys than the fake

722

00:30:13,130 --> 00:30:10,799

story so tell me what was this project

723

00:30:15,169 --> 00:30:13,140

the doctor argumentative Research

724

00:30:18,769 --> 00:30:15,179

Foundation for Extraordinary experiences

725

00:30:20,510 --> 00:30:18,779

uh it was developed by uh and certainly

726

00:30:22,490 --> 00:30:20,520

the sixth person walked on the moon

727

00:30:25,789 --> 00:30:22,500

founder of The Institute of phonetic

728

00:30:28,010 --> 00:30:25,799

Sciences great Dr Edgar Mitchell over

729

00:30:31,010 --> 00:30:28,020

time Ray Hernandez and a few others

730

00:30:33,230 --> 00:30:31,020

developed the the study and I came on

731

00:30:36,289 --> 00:30:33,240

board about a year or two in progress

732

00:30:38,570 --> 00:30:36,299

after I wrote my UFO book they heard me

733

00:30:41,269 --> 00:30:38,580

on some podcasts and and invited me to

734

00:30:42,590 --> 00:30:41,279

join and I was thrilled I was a kid in a

735

00:30:45,049 --> 00:30:42,600

candy store I was interested always

736

00:30:47,269 --> 00:30:45,059

interested in UFOs and I was hosted

737

00:30:48,889 --> 00:30:47,279

interested in research and I this is a

738

00:30:51,110 --> 00:30:48,899

tremendous opportunity for me to

739

00:30:53,330 --> 00:30:51,120

interact with many scientists and and

740

00:30:55,490 --> 00:30:53,340

eventually I I told them I'm going to

741

00:30:57,110 --> 00:30:55,500

get this published and I did in the

742

00:30:59,210 --> 00:30:57,120

Journal of scientific exploration I

743

00:31:01,909 --> 00:30:59,220

wrote it up with Russ calpon primarily

744

00:31:04,909 --> 00:31:01,919

Ray Hernandez was also a co-author and

745

00:31:06,649 --> 00:31:04,919

without roscal pongs up I this is

746

00:31:09,049 --> 00:31:06,659

statistical analysis it wouldn't have

747

00:31:11,090 --> 00:31:09,059

been been accepted but so referee

748

00:31:13,130 --> 00:31:11,100

Journal that I'm proud about it because

749

00:31:17,269 --> 00:31:13,140

it does say something quite significant

750

00:31:20,990 --> 00:31:17,279

again it's not it's not accepted by NASA

751  
00:31:22,789 --> 00:31:21,000  
the dod Arrow Etc because it's not nuts

752  
00:31:24,710 --> 00:31:22,799  
and bolts we're talking about spiritual

753  
00:31:27,049 --> 00:31:24,720  
transformative experiences qualitative

754  
00:31:29,210 --> 00:31:27,059  
subjective experiences and we did a

755  
00:31:31,310 --> 00:31:29,220  
survey of over 3 200 individuals many

756  
00:31:32,990 --> 00:31:31,320  
people are very familiar with that and

757  
00:31:34,970 --> 00:31:33,000  
the results you know you know I'm I'm

758  
00:31:37,389 --> 00:31:34,980  
not going to go into great details about

759  
00:31:40,730 --> 00:31:37,399  
it but we there are many limitations

760  
00:31:43,010 --> 00:31:40,740  
obviously but the fact that some 3 200

761  
00:31:45,830 --> 00:31:43,020  
people are in it you know it kind of

762  
00:31:49,250 --> 00:31:45,840  
weeds out the the people who you can't

763  
00:31:51,049 --> 00:31:49,260

trust or misinforming us purposely or or

764

00:31:53,090 --> 00:31:51,059

schizophrenic for instance and are

765

00:31:55,730 --> 00:31:53,100

making it up for whatever reason there's

766

00:31:58,669 --> 00:31:55,740

a secondary gain nevertheless a large

767

00:32:01,070 --> 00:31:58,679

sample size that was controlled as best

768

00:32:03,230 --> 00:32:01,080

as possible statistically in terms of

769

00:32:05,870 --> 00:32:03,240

validity and right reliability and again

770

00:32:07,850 --> 00:32:05,880

I think Russ scalp on for that we came

771

00:32:10,490 --> 00:32:07,860

up with some interesting data which has

772

00:32:12,409 --> 00:32:10,500

been supported by subsequent Studies by

773

00:32:14,750 --> 00:32:12,419

Kathleen Martin at the experience of

774

00:32:17,810 --> 00:32:14,760

research team at mufon and a few others

775

00:32:20,450 --> 00:32:17,820

but what we found was that the the

776

00:32:22,190 --> 00:32:20,460

majority again approximately 80 85

777

00:32:24,830 --> 00:32:22,200

percent regarded as a positive

778

00:32:27,289 --> 00:32:24,840

interaction the more times I interacted

779

00:32:29,210 --> 00:32:27,299

with the UAP either physical or

780

00:32:32,630 --> 00:32:29,220

non-physical either there's an abductee

781

00:32:34,490 --> 00:32:32,640

or a contactee they regarded it as a

782

00:32:36,230 --> 00:32:34,500

positive experience especially if those

783

00:32:37,850 --> 00:32:36,240

interactions were more frequent in

784

00:32:40,850 --> 00:32:37,860

nature and we saw an increase in

785

00:32:42,830 --> 00:32:40,860

positivity which again was statistically

786

00:32:46,310 --> 00:32:42,840

derived in terms of four specific

787

00:32:48,710 --> 00:32:46,320

criteria that were weighted most heavily

788

00:32:52,370 --> 00:32:48,720

in terms of positivity criteria so again

789

00:32:55,070 --> 00:32:52,380

it was was finely tuned analytically and

790

00:32:57,889 --> 00:32:55,080

using that criteria we we saw an

791

00:33:00,230 --> 00:32:57,899

increase in positivity with increases in

792

00:33:02,630 --> 00:33:00,240

interactions whatever that meant to them

793

00:33:05,570 --> 00:33:02,640

entering another Matrix an alternate

794

00:33:07,610 --> 00:33:05,580

realm a non-nosely environment or a

795

00:33:10,010 --> 00:33:07,620

spacecraft lying on a table being

796

00:33:12,049 --> 00:33:10,020

subjected to experimental paradigms

797

00:33:15,830 --> 00:33:12,059

given a hybrid we know the whole story

798

00:33:18,289 --> 00:33:15,840

the point is initially of course it's

799

00:33:20,049 --> 00:33:18,299

horrific let's not let's not discount

800

00:33:23,389 --> 00:33:20,059

that hold on before you go horrific

801  
00:33:25,669 --> 00:33:23,399  
because I want to go horrific too but I

802  
00:33:27,649 --> 00:33:25,679  
want to pause and and let people know

803  
00:33:31,310 --> 00:33:27,659  
why I was kind of trying to Rally you up

804  
00:33:34,490 --> 00:33:31,320  
a little bit is because of this like you

805  
00:33:38,029 --> 00:33:34,500  
got the goods here Bob you've gone and

806  
00:33:39,769 --> 00:33:38,039  
done the freaking work and like the last

807  
00:33:41,690 --> 00:33:39,779  
time you were on and I tried to push you

808  
00:33:43,610 --> 00:33:41,700  
on some of the data and you push right

809  
00:33:45,529 --> 00:33:43,620  
back say no I know how to do this kind

810  
00:33:49,310 --> 00:33:45,539  
of research I know how to scientifically

811  
00:33:51,470 --> 00:33:49,320  
collect data in a scientific survey and

812  
00:33:53,149 --> 00:33:51,480  
analyze it statistically and get it

813  
00:33:55,430 --> 00:33:53,159

published in a peer-reviewed journal and

814

00:33:57,350 --> 00:33:55,440

that still means something man it does

815

00:34:00,649 --> 00:33:57,360

if it's done correctly and their peers

816

00:34:03,409 --> 00:34:00,659

are really looking at it and that lends

817

00:34:06,830 --> 00:34:03,419

tremendous credibility to what you're

818

00:34:08,450 --> 00:34:06,840

saying when I pull up that edge article

819

00:34:11,149 --> 00:34:08,460

and spiritually transformative

820

00:34:14,329 --> 00:34:11,159

experiences now people know what I mean

821

00:34:15,829 --> 00:34:14,339

Bob knows what he's talking about with

822

00:34:18,950 --> 00:34:15,839

this particular spiritually

823

00:34:21,829 --> 00:34:18,960

transformative experience which was the

824

00:34:23,389 --> 00:34:21,839

ET encounter and how do we know that's a

825

00:34:26,030 --> 00:34:23,399

spiritually transformative experience

826

00:34:27,230 --> 00:34:26,040

because we ask people they say I had

827

00:34:31,010 --> 00:34:27,240

this experience that no spiritually

828

00:34:34,070 --> 00:34:31,020

transformative that makes you more of an

829

00:34:36,589 --> 00:34:34,080

authority on how these spiritually

830

00:34:39,169 --> 00:34:36,599

transformative experiences work across

831

00:34:41,990 --> 00:34:39,179

the board across the board being ndes

832

00:34:44,389 --> 00:34:42,000

obes like we're saying stressman and you

833

00:34:46,970 --> 00:34:44,399

just take DMT kind of thing that

834

00:34:49,790 --> 00:34:46,980

conversation they are trying to pull us

835

00:34:52,010 --> 00:34:49,800

miles away from that conversation Gary

836

00:34:54,169 --> 00:34:52,020

Nolan I would suggest just like Lou

837

00:34:56,570 --> 00:34:54,179

Alexander before him who was carrying

838

00:34:58,609 --> 00:34:56,580

the you know go watch the videos on Lou

839

00:35:00,530 --> 00:34:58,619

Elizondo from a year ago he's off the

840

00:35:02,210 --> 00:35:00,540

stage right now because he somehow

841

00:35:04,849 --> 00:35:02,220

discredited himself but his thing was

842

00:35:07,190 --> 00:35:04,859

like man it's about protecting our

843

00:35:08,690 --> 00:35:07,200

airspace and you know hey if it's up

844

00:35:11,150 --> 00:35:08,700

there and it's a threat and this and

845

00:35:13,190 --> 00:35:11,160

that so he had a message he delivered

846

00:35:15,710 --> 00:35:13,200

that good before that it was Tom DeLong

847

00:35:18,890 --> 00:35:15,720

you know hey man you know I'm I'm the

848

00:35:21,050 --> 00:35:18,900

cool generation blink 182. here's my

849

00:35:23,270 --> 00:35:21,060

message carrying the water I would

850

00:35:26,329 --> 00:35:23,280

suggest that that's the only way to view

851  
00:35:28,550 --> 00:35:26,339  
uh Gary Nolan and Avi Loeb is they're

852  
00:35:32,569 --> 00:35:28,560  
just carrying the water with another

853  
00:35:34,609 --> 00:35:32,579  
message you my friend are not you're at

854  
00:35:36,770 --> 00:35:34,619  
the next level of trying to put this

855  
00:35:39,910 --> 00:35:36,780  
together and the first step is to say

856  
00:35:42,470 --> 00:35:39,920  
there is an experience

857  
00:35:45,530 --> 00:35:42,480  
associated with this

858  
00:35:49,430 --> 00:35:45,540  
and as you have written about and

859  
00:35:52,490 --> 00:35:49,440  
researched about so fantastically it is

860  
00:35:55,030 --> 00:35:52,500  
the most profound experience we can

861  
00:35:57,589 --> 00:35:55,040  
imagine it is a spiritually

862  
00:36:00,050 --> 00:35:57,599  
transformative experience if we look at

863  
00:36:02,270 --> 00:36:00,060

cultures if we look at time these are

864

00:36:04,430 --> 00:36:02,280

the things we value most are these

865

00:36:06,470 --> 00:36:04,440

experiences that scientists would say or

866

00:36:09,530 --> 00:36:06,480

spiritually transform it now you're

867

00:36:11,089 --> 00:36:09,540

saying that is at the core of all this

868

00:36:13,250 --> 00:36:11,099

stuff that these guys are talking about

869

00:36:14,630 --> 00:36:13,260

do you get where I'm going to get why

870

00:36:15,349 --> 00:36:14,640

I'm kind of poking you a little bit on

871

00:36:18,050 --> 00:36:15,359

that

872

00:36:20,089 --> 00:36:18,060

uh yeah there's no question and thank

873

00:36:21,829 --> 00:36:20,099

you for your kind words as an authority

874

00:36:23,569 --> 00:36:21,839

you know I may be familiar a little bit

875

00:36:25,310 --> 00:36:23,579

with the with the literature trying to

876

00:36:27,530 --> 00:36:25,320

put the pieces together and you don't

877

00:36:30,349 --> 00:36:27,540

know whether or not you should include

878

00:36:32,510 --> 00:36:30,359

as as objective evidence as that's not

879

00:36:34,730 --> 00:36:32,520

biased of course what's the value

880

00:36:36,710 --> 00:36:34,740

validity of the information that you

881

00:36:38,150 --> 00:36:36,720

hear when you follow G and Beyond and

882

00:36:40,370 --> 00:36:38,160

that's why and you allude to it

883

00:36:42,290 --> 00:36:40,380

beautifully the the data that's

884

00:36:45,950 --> 00:36:42,300

qualitative in nature that we generated

885

00:36:49,010 --> 00:36:45,960

in survey designs it lacks in terms of

886

00:36:50,990 --> 00:36:49,020

what hardcore materialists regard as as

887

00:36:53,750 --> 00:36:51,000

reflections of the ultimate truth

888

00:36:56,030 --> 00:36:53,760

despite the fact that that people who

889

00:36:58,190 --> 00:36:56,040

who undergo these things are transformed

890

00:37:00,109 --> 00:36:58,200

and in so dramatic ways how do you

891

00:37:02,390 --> 00:37:00,119

explain the fact that atheists now

892

00:37:03,950 --> 00:37:02,400

believe in Supreme Beings after having

893

00:37:06,770 --> 00:37:03,960

these spiritual transformative

894

00:37:09,589 --> 00:37:06,780

experiences or dramatically change their

895

00:37:13,190 --> 00:37:09,599

opinions on on major aspects of

896

00:37:15,490 --> 00:37:13,200

philosophical and personal life to me

897

00:37:18,109 --> 00:37:15,500

you know at least it can be argued

898

00:37:21,290 --> 00:37:18,119

metaphysically philosophically which I'm

899

00:37:24,530 --> 00:37:21,300

not but you can regard that as being the

900

00:37:27,050 --> 00:37:24,540

Ultimate Reality truth if it if it makes

901  
00:37:30,410 --> 00:37:27,060  
one more ecologically sensitive and

902  
00:37:33,410 --> 00:37:30,420  
that's maybe a big issue uh one of the

903  
00:37:35,329 --> 00:37:33,420  
pieces that I think you are aware of and

904  
00:37:37,490 --> 00:37:35,339  
and certainly many others are when

905  
00:37:39,650 --> 00:37:37,500  
people have these kind of experiences it

906  
00:37:41,569 --> 00:37:39,660  
seems like of course they're not the

907  
00:37:43,490 --> 00:37:41,579  
center of the universe anymore they

908  
00:37:45,470 --> 00:37:43,500  
become like a particle of the wave if

909  
00:37:47,150 --> 00:37:45,480  
you want to go into that wave particle

910  
00:37:50,270 --> 00:37:47,160  
duality thing I mean you really go in

911  
00:37:52,790 --> 00:37:50,280  
that direction and also make the analogy

912  
00:37:55,550 --> 00:37:52,800  
between the subjective experience and

913  
00:37:57,829 --> 00:37:55,560

and true reality because the unit of

914

00:37:59,569 --> 00:37:57,839

experience that underlies the spiritual

915

00:38:03,170 --> 00:37:59,579

transformative experience that Unity

916

00:38:05,510 --> 00:38:03,180

where I feel interrelated with with the

917

00:38:07,250 --> 00:38:05,520

world reality the environment like I

918

00:38:10,130 --> 00:38:07,260

never had before and it feels beautiful

919

00:38:13,010 --> 00:38:10,140

normal natural peaceful loving all that

920

00:38:14,870 --> 00:38:13,020

glittering gold New Age stuff but it's

921

00:38:16,370 --> 00:38:14,880

but it's there let me interject

922

00:38:19,069 --> 00:38:16,380

something here sure because I think

923

00:38:20,810 --> 00:38:19,079

you're doing it in more of a way than

924

00:38:23,510 --> 00:38:20,820

you might even realize the thing I

925

00:38:27,130 --> 00:38:23,520

always point out is so the survey you

926  
00:38:29,990 --> 00:38:27,140  
guys do at free and you publish is about

927  
00:38:33,470 --> 00:38:30,000  
experience in a way that we generally

928  
00:38:36,290 --> 00:38:33,480  
accept in science right so if someone is

929  
00:38:39,410 --> 00:38:36,300  
experienced depression we accept that

930  
00:38:41,990 --> 00:38:39,420  
they are experiencing depression if

931  
00:38:44,990 --> 00:38:42,000  
someone is experiencing grief we accept

932  
00:38:47,210 --> 00:38:45,000  
that they are experiencing grief we

933  
00:38:49,370 --> 00:38:47,220  
don't double clutch on that we don't say

934  
00:38:51,890 --> 00:38:49,380  
what is the physics you know how does it

935  
00:38:54,349 --> 00:38:51,900  
relate down to quantum physics kind of

936  
00:38:56,630 --> 00:38:54,359  
thing and we don't just stop there we

937  
00:38:58,190 --> 00:38:56,640  
say we can measure that that's what

938  
00:39:00,170 --> 00:38:58,200

you're bringing to it it's not like

939

00:39:02,390 --> 00:39:00,180

you're off in your own kind of thing oh

940

00:39:05,990 --> 00:39:02,400

it's all anecdotal you are applying

941

00:39:08,690 --> 00:39:06,000

rather well understood scientific

942

00:39:10,550 --> 00:39:08,700

principles to experience and you're just

943

00:39:12,170 --> 00:39:10,560

applying them in an area that no one

944

00:39:13,910 --> 00:39:12,180

ever wanted to apply it to because it

945

00:39:16,190 --> 00:39:13,920

was the third rail and you're going to

946

00:39:18,589 --> 00:39:16,200

get electrocuted on your career you're

947

00:39:22,670 --> 00:39:18,599

exactly right with respect to how we

948

00:39:24,890 --> 00:39:22,680

rely on surveys in order to inform our

949

00:39:26,270 --> 00:39:24,900

medical community how severe the pain is

950

00:39:29,450 --> 00:39:26,280

how severe the depression is you're

951  
00:39:32,630 --> 00:39:29,460  
exactly right and often often tailored

952  
00:39:35,750 --> 00:39:32,640  
appropriate doses of a specific drug to

953  
00:39:38,510 --> 00:39:35,760  
to uh minimize the severity of that

954  
00:39:41,150 --> 00:39:38,520  
particular symptom largely survey based

955  
00:39:42,950 --> 00:39:41,160  
largely anecdotal how else can a

956  
00:39:45,050 --> 00:39:42,960  
psychologist psychiatrist medical

957  
00:39:47,930 --> 00:39:45,060  
physician get an understanding of your

958  
00:39:50,810 --> 00:39:47,940  
physical condition and to understand how

959  
00:39:53,390 --> 00:39:50,820  
you express it yet yet you're exactly

960  
00:39:56,270 --> 00:39:53,400  
right yet when when you see survey

961  
00:39:58,250 --> 00:39:56,280  
results as it relates to the free survey

962  
00:40:00,530 --> 00:39:58,260  
or other surveys and that's all they are

963  
00:40:04,430 --> 00:40:00,540

in spiritual transformative experience

964

00:40:07,730 --> 00:40:04,440

related uh research all all surveys

965

00:40:09,829 --> 00:40:07,740

except for the DMT which is survey in

966

00:40:12,650 --> 00:40:09,839

terms of understanding the semantic

967

00:40:15,470 --> 00:40:12,660

systematic content of the individual's

968

00:40:18,170 --> 00:40:15,480

experience under the DMT or psilocybin

969

00:40:20,690 --> 00:40:18,180

but also correlating that with some

970

00:40:23,210 --> 00:40:20,700

underlying EEG neurophysiological

971

00:40:24,829 --> 00:40:23,220

patterns whatever that may mean not and

972

00:40:26,390 --> 00:40:24,839

that's not an answer other than there's

973

00:40:29,089 --> 00:40:26,400

major changes going on there's no

974

00:40:30,770 --> 00:40:29,099

question about it you know is is it DMT

975

00:40:32,930 --> 00:40:30,780

in the penis when we can only we could

976  
00:40:34,849 --> 00:40:32,940  
only throw these things out and suspect

977  
00:40:37,310 --> 00:40:34,859  
let me just recap what you're saying

978  
00:40:39,710 --> 00:40:37,320  
because it's important is so we go look

979  
00:40:42,170 --> 00:40:39,720  
at Strassman Spirit Molecule and we

980  
00:40:46,210 --> 00:40:42,180  
repeat it and we mix in the DMT

981  
00:40:49,190 --> 00:40:46,220  
component I would say almost as a way of

982  
00:40:51,950 --> 00:40:49,200  
apologizing for the fact that what all

983  
00:40:53,990 --> 00:40:51,960  
that research is really about is the

984  
00:40:55,550 --> 00:40:54,000  
qualitative the anecdotal that's what

985  
00:40:57,710 --> 00:40:55,560  
it's all about because if you can look

986  
00:40:59,210 --> 00:40:57,720  
at the Ayahuasca experience right and

987  
00:41:00,589 --> 00:40:59,220  
you go down to hey I was down to Peru

988  
00:41:02,630 --> 00:41:00,599

and the same thing I'm taking

989

00:41:04,190 --> 00:41:02,640

stressman's work and they had the DMT

990

00:41:06,109 --> 00:41:04,200

and down there they gave the DMT and

991

00:41:08,030 --> 00:41:06,119

then one person goes well you know as a

992

00:41:10,490 --> 00:41:08,040

matter of fact I didn't drink

993

00:41:12,290 --> 00:41:10,500

they just came along and they just moved

994

00:41:16,430 --> 00:41:12,300

the feather and I had the same

995

00:41:19,550 --> 00:41:16,440

experience and now you go whoa Strassman

996

00:41:21,650 --> 00:41:19,560

has to push the materialistic and I'm

997

00:41:24,410 --> 00:41:21,660

not saying he's pushing it but the way

998

00:41:27,890 --> 00:41:24,420

that gets interpreted is it's about the

999

00:41:30,710 --> 00:41:27,900

DMT versus if we look more broadly at

1000

00:41:32,870 --> 00:41:30,720

your work I think your work points us to

1001

00:41:34,730 --> 00:41:32,880

what's really going on is there's

1002

00:41:37,190 --> 00:41:34,740

something called a spiritually

1003

00:41:39,710 --> 00:41:37,200

transformative experience and we're not

1004

00:41:43,910 --> 00:41:39,720

exactly sure what the correlation is

1005

00:41:46,609 --> 00:41:43,920

between that and this biological robot

1006

00:41:49,250 --> 00:41:46,619

part of us and that's the heart of the

1007

00:41:52,190 --> 00:41:49,260

current debate there's no way to get an

1008

00:41:54,710 --> 00:41:52,200

objective measure one having an nde it's

1009

00:41:58,190 --> 00:41:54,720

impossible because it's spontaneous in

1010

00:42:01,069 --> 00:41:58,200

nature except the one in which it can

1011

00:42:03,890 --> 00:42:01,079

control here here's some psilocybin DMT

1012

00:42:07,250 --> 00:42:03,900

at an appropriate dose and you get some

1013

00:42:09,349 --> 00:42:07,260

incredible things happening the value of

1014

00:42:11,329 --> 00:42:09,359

psychedelics is it's significant in

1015

00:42:13,130 --> 00:42:11,339

terms of those who can play around with

1016

00:42:15,230 --> 00:42:13,140

it and try to make sense of something

1017

00:42:17,690 --> 00:42:15,240

that changes their personality at the

1018

00:42:20,510 --> 00:42:17,700

same time you can get some hard data so

1019

00:42:22,430 --> 00:42:20,520

it pleases the materialists and and they

1020

00:42:25,069 --> 00:42:22,440

go in that direction in terms of an

1021

00:42:28,190 --> 00:42:25,079

explanation and the question is do you

1022

00:42:31,250 --> 00:42:28,200

interpret hallucinations as real events

1023

00:42:33,349 --> 00:42:31,260

no they don't they they regard these

1024

00:42:35,569 --> 00:42:33,359

reports that's hallucinatory in nature

1025

00:42:37,730 --> 00:42:35,579

and not evidence of an alternate reality

1026

00:42:40,190 --> 00:42:37,740

whereas another person would look

1027

00:42:42,730 --> 00:42:40,200

at it in the rehearse so how do you

1028

00:42:45,109 --> 00:42:42,740

relate to subjective experience of these

1029

00:42:47,810 --> 00:42:45,119

transpersonal events and we know the

1030

00:42:49,790 --> 00:42:47,820

statistics just to remind some people 70

1031

00:42:52,550 --> 00:42:49,800

for instance of people who have a native

1032

00:42:55,670 --> 00:42:52,560

experience you know Alex have a divorce

1033

00:42:57,410 --> 00:42:55,680

within seven years it's remarkable much

1034

00:42:59,809 --> 00:42:57,420

higher than expected but we see this

1035

00:43:01,849 --> 00:42:59,819

with sces we need more data we're

1036

00:43:03,710 --> 00:43:01,859

scratching the surface not only how it

1037

00:43:06,770 --> 00:43:03,720

affects the person involved the

1038

00:43:09,349 --> 00:43:06,780

experiencer but the family members first

1039

00:43:12,530 --> 00:43:09,359

second third person and that's where we

1040

00:43:14,990 --> 00:43:12,540

need to go there's some thematic the

1041

00:43:17,809 --> 00:43:15,000

semantic content of what the meaning

1042

00:43:20,510 --> 00:43:17,819

meaning was of that event look for these

1043

00:43:23,450 --> 00:43:20,520

comparisons and and it's going to take a

1044

00:43:28,250 --> 00:43:23,460

long time before science adopts this as

1045

00:43:31,370 --> 00:43:28,260

a true valid reflection of reality

1046

00:43:33,530 --> 00:43:31,380

you are in the middle of creating this

1047

00:43:35,750 --> 00:43:33,540

documentary which you think is going to

1048

00:43:37,309 --> 00:43:35,760

move the ball forward a little bit in

1049

00:43:38,690 --> 00:43:37,319

terms of the issues that you're just

1050

00:43:40,309 --> 00:43:38,700

talking about in terms of Consciousness

1051  
00:43:42,470 --> 00:43:40,319  
it's called the Consciousness Connection

1052  
00:43:43,970 --> 00:43:42,480  
let me play a little bit of just the end

1053  
00:43:45,650 --> 00:43:43,980  
of the trailer and then we'll talk about

1054  
00:43:48,170 --> 00:43:45,660  
it

1055  
00:43:50,809 --> 00:43:48,180  
will we break through the stigma of this

1056  
00:43:54,109 --> 00:43:50,819  
science of the extraordinary and

1057  
00:43:55,950 --> 00:43:54,119  
challenge the true nature of reality

1058  
00:43:59,150 --> 00:43:55,960  
in the Consciousness Connection

1059  
00:44:01,670 --> 00:43:59,160  
[Music]

1060  
00:44:03,890 --> 00:44:01,680  
because we're putting your energy and

1061  
00:44:06,650 --> 00:44:03,900  
it's where we should be putting our

1062  
00:44:08,750 --> 00:44:06,660  
passion and our energy and The Meta

1063  
00:44:11,150 --> 00:44:08,760

materials and the anti-gravitational

1064

00:44:14,569 --> 00:44:11,160

stuff I'm not saying that's not a path

1065

00:44:17,270 --> 00:44:14,579

but in terms of a more direct path we

1066

00:44:20,270 --> 00:44:17,280

have to go with the experience it is the

1067

00:44:22,370 --> 00:44:20,280

closest thing we have to potentially

1068

00:44:26,210 --> 00:44:22,380

finding out the meaning of this it's the

1069

00:44:28,670 --> 00:44:26,220

experience and that's where you are

1070

00:44:30,050 --> 00:44:28,680

it is a passion it's an energy my

1071

00:44:32,210 --> 00:44:30,060

experiences I mentioned earlier

1072

00:44:34,670 --> 00:44:32,220

certainly fueled that it gave me the

1073

00:44:36,770 --> 00:44:34,680

determination that little hint that

1074

00:44:39,290 --> 00:44:36,780

there likely is something more my

1075

00:44:41,569 --> 00:44:39,300

experiences told me something that

1076

00:44:43,490 --> 00:44:41,579

beyond belief never thought I could

1077

00:44:45,230 --> 00:44:43,500

experience what I did so I'm trying to

1078

00:44:47,210 --> 00:44:45,240

make sense of it but I'm making the

1079

00:44:50,270 --> 00:44:47,220

documentary because I'm trying to find

1080

00:44:53,030 --> 00:44:50,280

the pieces and keep researchers who look

1081

00:44:55,309 --> 00:44:53,040

at human to human interaction on an

1082

00:44:57,589 --> 00:44:55,319

invisible pathway or existence of

1083

00:45:00,530 --> 00:44:57,599

perception human to physical system

1084

00:45:01,910 --> 00:45:00,540

interaction psychokinesis a near-death

1085

00:45:03,770 --> 00:45:01,920

experiences certainly we're going to be

1086

00:45:05,690 --> 00:45:03,780

filming at the International Association

1087

00:45:08,750 --> 00:45:05,700

for near death studies I went to Monroe

1088

00:45:10,849 --> 00:45:08,760

Institute on and on ions and yes Gary

1089

00:45:14,210 --> 00:45:10,859

Nolan let's you know let's bring that

1090

00:45:16,250 --> 00:45:14,220

into UFO not not everything you're very

1091

00:45:18,290 --> 00:45:16,260

selective what he's doing you have a

1092

00:45:21,290 --> 00:45:18,300

top-notch academic Edition like many

1093

00:45:23,450 --> 00:45:21,300

others Dean Rayden Evan Alexander and

1094

00:45:25,730 --> 00:45:23,460

unfortunately as a producer you know I'm

1095

00:45:27,890 --> 00:45:25,740

out there saying we need funding for

1096

00:45:29,930 --> 00:45:27,900

travel probably early to get from here

1097

00:45:33,290 --> 00:45:29,940

to there to to make these kinds of

1098

00:45:35,870 --> 00:45:33,300

interviews but more than that Alex and

1099

00:45:38,210 --> 00:45:35,880

you mentioned that the experimenter we do

1100

00:45:40,849 --> 00:45:38,220

have experiences near the people who've

1101  
00:45:43,790 --> 00:45:40,859  
had many of these and that's the value

1102  
00:45:48,109 --> 00:45:43,800  
of the film okay Bob so last question

1103  
00:45:51,170 --> 00:45:48,119  
then what concerns do you have about the

1104  
00:45:53,329 --> 00:45:51,180  
signal to noise ratio if one does take

1105  
00:45:55,250 --> 00:45:53,339  
as you're talking about the big tent

1106  
00:45:58,309 --> 00:45:55,260  
approach which I think is awesome talk

1107  
00:45:59,470 --> 00:45:58,319  
to a lot of different people but tying

1108  
00:46:01,910 --> 00:45:59,480  
it back to the misinformation

1109  
00:46:04,970 --> 00:46:01,920  
disinformation how do you balance that

1110  
00:46:07,430 --> 00:46:04,980  
oh very very careful I will do my very

1111  
00:46:09,770 --> 00:46:07,440  
best to make sure that that's not the

1112  
00:46:11,690 --> 00:46:09,780  
case because the intent and I can't be

1113  
00:46:13,490 --> 00:46:11,700

perfect certainly we're all moral human

1114

00:46:16,550 --> 00:46:13,500

and make those errors of inductive

1115

00:46:19,790 --> 00:46:16,560

reasoning deception abounds and it

1116

00:46:22,730 --> 00:46:19,800

certainly exists in all media forms and

1117

00:46:24,770 --> 00:46:22,740

I can held hostage to that so I I and

1118

00:46:26,690 --> 00:46:24,780

Dave and Betty and Wilson Hawthorne that

1119

00:46:29,210 --> 00:46:26,700

Michael produces we talk talked about

1120

00:46:33,470 --> 00:46:29,220

that and that's why we don't want to

1121

00:46:35,750 --> 00:46:33,480

include UFOs and we debated that and you

1122

00:46:38,270 --> 00:46:35,760

know getting Gary Nolan on board is

1123

00:46:40,069 --> 00:46:38,280

wonderful but let's focus on other stuff

1124

00:46:42,170 --> 00:46:40,079

I don't want to really go there I don't

1125

00:46:44,210 --> 00:46:42,180

want to go there we talked about Chris

1126

00:46:45,650 --> 00:46:44,220

Bledsoe let's get some orbs you know and

1127

00:46:47,990 --> 00:46:45,660

all that jazz he's doing another

1128

00:46:50,150 --> 00:46:48,000

documentary and he can't and he doesn't

1129

00:46:52,670 --> 00:46:50,160

even address that you can't you can't do

1130

00:46:54,650 --> 00:46:52,680

it before he got the documentary come on

1131

00:46:57,650 --> 00:46:54,660

come on up spend the night you know take

1132

00:47:00,290 --> 00:46:57,660

all the videos you want he's wonderful I

1133

00:47:01,730 --> 00:47:00,300

have great great respect for him uh cias

1134

00:47:04,370 --> 00:47:01,740

involved

1135

00:47:06,349 --> 00:47:04,380

um uh John Alexander I know I spoke with

1136

00:47:08,089 --> 00:47:06,359

him and he's been up there and he

1137

00:47:10,130 --> 00:47:08,099

believes that I may have messages before

1138

00:47:12,650 --> 00:47:10,140

that that Chris Bledsoe is the one

1139

00:47:13,790 --> 00:47:12,660

responsible he's the one that calls down

1140

00:47:16,910 --> 00:47:13,800

these elect well that's his

1141

00:47:20,089 --> 00:47:16,920

interpretation but the CIA is always a

1142

00:47:22,370 --> 00:47:20,099

CIA retired or not and they will gather

1143

00:47:24,230 --> 00:47:22,380

information among the citizenry and uh

1144

00:47:25,370 --> 00:47:24,240

let's see what they're up to and that's

1145

00:47:28,309 --> 00:47:25,380

probably the best source of information

1146

00:47:29,930 --> 00:47:28,319

they can get so that's what that's their

1147

00:47:32,990 --> 00:47:29,940

discipline when they do it very well

1148

00:47:34,849 --> 00:47:33,000

even um even getting up front and closer

1149

00:47:36,650 --> 00:47:34,859

or establishing personal relationships

1150

00:47:38,990 --> 00:47:36,660

with people who are experiences to try

1151  
00:47:42,050 --> 00:47:39,000  
to extract information and deceiving

1152  
00:47:46,309 --> 00:47:42,060  
them deceiving them

1153  
00:47:47,930 --> 00:47:46,319  
um to do so gaining their trust but also

1154  
00:47:49,970 --> 00:47:47,940  
taking their brain you know call it

1155  
00:47:51,950 --> 00:47:49,980  
brain hacking whatever you want but

1156  
00:47:53,690 --> 00:47:51,960  
there's an ulterior motive they're not

1157  
00:47:55,970 --> 00:47:53,700  
mean and vicious but they're deceptive

1158  
00:47:59,530 --> 00:47:55,980  
you know they're deceptive people they

1159  
00:48:02,569 --> 00:47:59,540  
could be being patients too but yeah

1160  
00:48:04,370 --> 00:48:02,579  
that's unethical it's unethical you know

1161  
00:48:06,230 --> 00:48:04,380  
to be that way with another human being

1162  
00:48:08,809 --> 00:48:06,240  
as far as I'm concerned you know Mission

1163  
00:48:10,609 --> 00:48:08,819

aside and they admittedly tell people

1164

00:48:11,750 --> 00:48:10,619

they're encounter intelligence they

1165

00:48:13,849 --> 00:48:11,760

admit that

1166

00:48:15,109 --> 00:48:13,859

so I I said last question but actually

1167

00:48:18,170 --> 00:48:15,119

I'm going to stretch it out with one

1168

00:48:21,170 --> 00:48:18,180

more question because like look at at a

1169

00:48:25,069 --> 00:48:21,180

deep level if one reads your books one

1170

00:48:27,349 --> 00:48:25,079

understands that you have this deeper

1171

00:48:31,130 --> 00:48:27,359

spiritual connection yourself

1172

00:48:34,730 --> 00:48:31,140

the signal-to-noise ratio isn't lost on

1173

00:48:37,910 --> 00:48:34,740

Dr Robert Davis I'm not sure that we can

1174

00:48:40,309 --> 00:48:37,920

extend that courtesy to some of these

1175

00:48:42,050 --> 00:48:40,319

other folks and in particular you know

1176

00:48:44,870 --> 00:48:42,060

the little thing you just did on the CIA

1177

00:48:46,010 --> 00:48:44,880

it's like I guess I'd wrap this into the

1178

00:48:49,550 --> 00:48:46,020

question of you know what do you think

1179

00:48:51,770 --> 00:48:49,560

about my lab because one of the holes in

1180

00:48:54,290 --> 00:48:51,780

the free survey that you did with Ray

1181

00:48:57,890 --> 00:48:54,300

Hernandez is hey man these things are 80

1182

00:49:01,730 --> 00:48:57,900

positive well number one we can't be

1183

00:49:03,530 --> 00:49:01,740

absolutely sure that deception on that

1184

00:49:04,790 --> 00:49:03,540

other side in terms of screened memory

1185

00:49:07,690 --> 00:49:04,800

and all this other stuff which we

1186

00:49:10,130 --> 00:49:07,700

acknowledge isn't somehow

1187

00:49:12,170 --> 00:49:10,140

contaminating that in a way that weak of

1188

00:49:15,710 --> 00:49:12,180

just effectively cannot measure because

1189

00:49:18,109 --> 00:49:15,720

the technology on the other side on the

1190

00:49:20,750 --> 00:49:18,119

non-human intelligence is sufficient to

1191

00:49:22,190 --> 00:49:20,760

disguise it from us so I just throw that

1192

00:49:24,530 --> 00:49:22,200

out there and if you want to respond to

1193

00:49:25,970 --> 00:49:24,540

that that's kind of one thing but the

1194

00:49:30,410 --> 00:49:25,980

other thing is then we go to the other

1195

00:49:32,750 --> 00:49:30,420

20 which are negative and it is clear to

1196

00:49:36,290 --> 00:49:32,760

me at this point that the military

1197

00:49:37,970 --> 00:49:36,300

abduction thing is one thousand percent

1198

00:49:39,470 --> 00:49:37,980

in play and the reason I'd say one

1199

00:49:41,569 --> 00:49:39,480

thousand percent is because Gary Nolan

1200

00:49:42,890 --> 00:49:41,579

said 100 we've got to beat him but the

1201

00:49:46,849 --> 00:49:42,900

other thing is if you just look at the

1202

00:49:48,170 --> 00:49:46,859

data like look at rendelson Forest I was

1203

00:49:50,650 --> 00:49:48,180

just looking at that again because

1204

00:49:53,270 --> 00:49:50,660

there's a new book out that's more

1205

00:49:55,550 --> 00:49:53,280

research more interviews with the

1206

00:49:57,910 --> 00:49:55,560

participants with The Observers the

1207

00:50:00,530 --> 00:49:57,920

military guys who were there that's

1208

00:50:02,930 --> 00:50:00,540

1980. and you know what they do to those

1209

00:50:05,410 --> 00:50:02,940

guys who observe it who see the trees

1210

00:50:08,750 --> 00:50:05,420

being knocked down see the trace

1211

00:50:11,569 --> 00:50:08,760

elements on the of The Craft see the the

1212

00:50:13,609 --> 00:50:11,579

craft lie over the nuclear missiles and

1213

00:50:16,670 --> 00:50:13,619

Target what do they do with those guys

1214

00:50:18,770 --> 00:50:16,680

they round their ass up they bring them

1215

00:50:21,650 --> 00:50:18,780

back to the base they lock them down

1216

00:50:23,390 --> 00:50:21,660

they bring in the Men in Black kind of

1217

00:50:26,569 --> 00:50:23,400

not literally but they bring in the

1218

00:50:29,990 --> 00:50:26,579

Heavy Hitters they illegally induce them

1219

00:50:32,510 --> 00:50:30,000

with sodium pentathol they subject them

1220

00:50:34,910 --> 00:50:32,520

to just the worst kind of tortured

1221

00:50:37,069 --> 00:50:34,920

interrogation they threaten them that

1222

00:50:39,050 --> 00:50:37,079

you will be killed your family will be

1223

00:50:41,510 --> 00:50:39,060

killed if you ever tell anyone about

1224

00:50:43,490 --> 00:50:41,520

this and this is not just unique to the

1225

00:50:46,069 --> 00:50:43,500

rentals from forest case this is we hear

1226

00:50:47,329 --> 00:50:46,079

this all the time the connection that I

1227

00:50:50,150 --> 00:50:47,339

haven't heard a lot of people make is

1228

00:50:52,670 --> 00:50:50,160

that's my lap that's at least the

1229

00:50:54,130 --> 00:50:52,680

beginnings of my lab because it's saying

1230

00:50:56,809 --> 00:50:54,140

the military

1231

00:51:00,230 --> 00:50:56,819

understands the abduction process enough

1232

00:51:03,829 --> 00:51:00,240

to say we got to figure it out we got to

1233

00:51:07,130 --> 00:51:03,839

know what those guys know and if that is

1234

00:51:10,309 --> 00:51:07,140

your 20 what you guys found I'm free

1235

00:51:12,710 --> 00:51:10,319

I'm not sure that's not the big story

1236

00:51:15,650 --> 00:51:12,720

rather than the 80 percent think it's

1237

00:51:18,650 --> 00:51:15,660

positive it's a it's an interesting take

1238

00:51:20,450 --> 00:51:18,660

you can't discount that as a possibility

1239

00:51:23,930 --> 00:51:20,460

and I thought I thought of that how do

1240

00:51:26,270 --> 00:51:23,940

you exclude my lab so and I and my labs

1241

00:51:28,250 --> 00:51:26,280

has happened yes the question is does it

1242

00:51:30,890 --> 00:51:28,260

still happens I don't know if abductions

1243

00:51:32,870 --> 00:51:30,900

happens like sauces aren't seen and we

1244

00:51:34,549 --> 00:51:32,880

don't have Trace elements anymore you

1245

00:51:37,790 --> 00:51:34,559

know you know things change over time

1246

00:51:39,470 --> 00:51:37,800

why does that mean motivations have

1247

00:51:41,510 --> 00:51:39,480

changed objectives have changed

1248

00:51:43,490 --> 00:51:41,520

decisions are in some unengowished

1249

00:51:46,790 --> 00:51:43,500

access program has changed or modified

1250

00:51:48,650 --> 00:51:46,800

to conform for whatever reason to comply

1251  
00:51:51,650 --> 00:51:48,660  
with changing events I don't know could

1252  
00:51:54,349 --> 00:51:51,660  
the 20 be in my library be whisked away

1253  
00:51:56,329 --> 00:51:54,359  
in subject is sodium pencil all in

1254  
00:51:58,670 --> 00:51:56,339  
screen memory yeah it happens I know

1255  
00:52:00,950 --> 00:51:58,680  
somebody who would happen to and that's

1256  
00:52:03,589 --> 00:52:00,960  
the basis for my books here's the facts

1257  
00:52:05,990 --> 00:52:03,599  
go figure it out I'll throw in a little

1258  
00:52:08,809 --> 00:52:06,000  
two cents of my bias yes but I'm trying

1259  
00:52:11,750 --> 00:52:08,819  
to orchestrate it and and here's that

1260  
00:52:14,630 --> 00:52:11,760  
section of instruments that section that

1261  
00:52:17,750 --> 00:52:14,640  
section but let's bring it together and

1262  
00:52:19,670 --> 00:52:17,760  
make music as best as possible and

1263  
00:52:23,030 --> 00:52:19,680

that's the basis of what I'm trying to

1264

00:52:25,430 --> 00:52:23,040

do and whatever that means to people if

1265

00:52:26,870 --> 00:52:25,440

they can support it in whatever way and

1266

00:52:29,109 --> 00:52:26,880

I hate to keep bringing it up or visit

1267

00:52:31,069 --> 00:52:29,119

our website at

1268

00:52:32,870 --> 00:52:31,079

consciousnessfilm.info we have a

1269

00:52:34,910 --> 00:52:32,880

GoFundMe page and thank you for the

1270

00:52:37,670 --> 00:52:34,920

opportunities before mentioning this and

1271

00:52:39,890 --> 00:52:37,680

for the time in which to do so so to

1272

00:52:42,290 --> 00:52:39,900

help you travel we're not expecting to

1273

00:52:44,329 --> 00:52:42,300

make money on this this is a uh with

1274

00:52:46,609 --> 00:52:44,339

Dave and Wilson tell me is a passion

1275

00:52:49,069 --> 00:52:46,619

project they're they're artists as as

1276  
00:52:52,010 --> 00:52:49,079  
producers cinematographers they make

1277  
00:52:54,589 --> 00:52:52,020  
money great you know I'm tired and you

1278  
00:52:57,829 --> 00:52:54,599  
know 10 20 years at best and that's and

1279  
00:53:00,170 --> 00:52:57,839  
I'm okay point is it's a message it's

1280  
00:53:01,970 --> 00:53:00,180  
not ego maybe a little bit that I so

1281  
00:53:04,609 --> 00:53:01,980  
behuman yes so there's a little bit of

1282  
00:53:06,650 --> 00:53:04,619  
ego admittedly but more importantly what

1283  
00:53:09,710 --> 00:53:06,660  
can I what can I bring to the table

1284  
00:53:11,809 --> 00:53:09,720  
leave a legacy of and maybe resonate

1285  
00:53:13,790 --> 00:53:11,819  
with some people that that benefit in

1286  
00:53:16,549 --> 00:53:13,800  
some way well it's excellent Bob I

1287  
00:53:17,990 --> 00:53:16,559  
always really really enjoy the

1288  
00:53:19,490 --> 00:53:18,000

perspective you bring to this and the

1289

00:53:22,190 --> 00:53:19,500

work you know you put in the work so

1290

00:53:24,950 --> 00:53:22,200

thanks again I'm sure we'll do it again

1291

00:53:26,870 --> 00:53:24,960

when that when that movie gets out

1292

00:53:28,790 --> 00:53:26,880

thank you so much it's always a pleasure

1293

00:53:31,010 --> 00:53:28,800

speaking with you Alex thanks again to

1294

00:53:33,470 --> 00:53:31,020

Dr Robert Davis for joining me today on

1295

00:53:37,069 --> 00:53:33,480

skeptco one question I T up from this

1296

00:53:39,109 --> 00:53:37,079

interview is what are spiritual what are

1297

00:53:42,890 --> 00:53:39,119

spiritually transformative experiences

1298

00:53:44,870 --> 00:53:42,900

telling us about encounters with ET or

1299

00:53:46,309 --> 00:53:44,880

you could ask that in reverse and kind

1300

00:53:49,790 --> 00:53:46,319

of get an interesting question as well

1301

00:53:51,950 --> 00:53:49,800

either way take a stab at it and let me

1302

00:53:55,309 --> 00:53:51,960

know what you think love to hear from

1303

00:53:56,960 --> 00:53:55,319

you until next time take care bye for
