1
00:00:06,530 --> 00:00:02,270
I was wondering exactly what did the

2
00:00:09,530 --> 00:00:06,540
healers do I mean did they chant or pray

3
00:00:11,660 --> 00:00:09,540
or was it just intentionality or what

4
00:00:13,430 --> 00:00:11,670
exactly did they do to perform this

5
00:00:15,919 --> 00:00:13,440
treatment okay the the second part of

6
00:00:17,779 --> 00:00:15,929
that is was it's based on special

7
00:00:21,320 --> 00:00:17,789
abilities of these people or is it

8
00:00:23,570 --> 00:00:21,330
behaviors that could a person could

9
00:00:25,880 --> 00:00:23,580
learn and therefore you know be able to

10
00:00:28,849 --> 00:00:25,890
treat others as well well I'll tell you

11
00:00:31,060 --> 00:00:28,859
that I have since over this decade

12
00:00:32,659 --> 00:00:31,070
trained myself so now even I can do it

13
00:00:35,209 --> 00:00:32,669

okay

14

00:00:37,639 --> 00:00:35,219

I had a number of undergraduate students

15

00:00:41,170 --> 00:00:37,649

at University of California Irvine that

16

00:00:44,569 --> 00:00:41,180

I took a crash course in pranic healing

17

00:00:46,880 --> 00:00:44,579

about an hour and they treated the cells

18

00:00:49,700 --> 00:00:46,890

in culture they did not do as good a job

19

00:00:52,430 --> 00:00:49,710

as an experienced healer but they still

20

00:00:54,830 --> 00:00:52,440

had a result and what they actually did

21

00:00:59,209 --> 00:00:54,840

with pranic healing at least was that

22

00:01:01,279 --> 00:00:59,219

they imagined and pull through energy

23

00:01:04,700 --> 00:01:01,289

from the universe through their bodies

24

00:01:07,429 --> 00:01:04,710

and visualized first green light

25

00:01:10,670 --> 00:01:07,439

emitting from their hands clean the

26

00:01:14,030 --> 00:01:10,680

cells with green light whitish green

27

00:01:17,600 --> 00:01:14,040

light then clean the cells with whitish

28

00:01:20,330 --> 00:01:17,610

orange light stimulated the cells with

29

00:01:25,670 --> 00:01:20,340

bright white light through their hands

30

00:01:32,770 --> 00:01:25,680

then placed blue light oh the cells and

31

00:01:41,350 --> 00:01:36,070

it's what they visualize if you look at

32

00:01:42,820 --> 00:01:41,360

it clairvoyantly you see colors but what

33

00:01:47,050 --> 00:01:42,830

this actually entails it's far more

34

00:01:49,480 --> 00:01:47,060

obviously than electromagnetic or energy

35

00:01:52,930 --> 00:01:49,490

because you can do this in a area that

36

00:01:54,880 --> 00:01:52,940

shielded from electromagnetic fields and

37

00:01:56,680 --> 00:01:54,890

the other healers that we work with

38

00:01:58,510 --> 00:01:56,690

there are many healers who work with do

39

00:02:00,820 --> 00:01:58,520

not have a clue what they do but they

40

00:02:03,580 --> 00:02:00,830

seem to be able to bring about a healing
