

Intent of tab G (BW)

- Alien pathogens are presumably the concern
- We have plans called SPIKE, HOUSE CLEANING
- Also, activate MK-ULTRA plus ARTICHOKE to conduct DOMESTIC

DRAFT

Directive Regarding TX

Designated MJ projects should be held in readiness to perform SPIKE and HOUSE CLEANING operations in major population centers in the event conventional methods are not satisfactory. Specialists from MK-ULTRA and ARTICHOKE are hereby activated to conduct DOMESTIC.

1
00:00:05,090 --> 00:00:02,030
has a few notations on the side which

2
00:00:09,650 --> 00:00:05,100
kind of reinforce the credibility of the

3
00:00:11,900 --> 00:00:09,660
existence of a program to study UFOs by

4
00:00:13,610 --> 00:00:11,910
the government but not or not as much as

5
00:00:16,039 --> 00:00:13,620
the one that i'm about to share with you

6
00:00:19,519 --> 00:00:16,049
the next one which was the burn metal

7
00:00:23,029 --> 00:00:19,529
this came from five minutes okay this

8
00:00:25,370 --> 00:00:23,039
came from mclean virginia postmark and

9
00:00:28,220 --> 00:00:25,380
it was later correlated with the CIA zip

10
00:00:30,859 --> 00:00:28,230
code the pages shows scorch marks and

11
00:00:33,920 --> 00:00:30,869
this is the first page of director of

12
00:00:35,720 --> 00:00:33,930
Central Intelligence MJ one writing to

13
00:00:39,490 --> 00:00:35,730

MJ two through seven as you can see

14

00:00:43,250 --> 00:00:39,500

talking about MJ majestic and Jehovah

15

00:00:46,310 --> 00:00:43,260

which is perhaps the real reason for the

16

00:00:49,520 --> 00:00:46,320

MJ abbreviations it also has a signature

17

00:00:51,229 --> 00:00:49,530

by Fritz for JJ angleton James Jesus

18

00:00:53,959 --> 00:00:51,239

Angleton was the guy who ran the

19

00:00:57,020 --> 00:00:53,969

counterintelligence of the CIA for many

20

00:00:59,869 --> 00:00:57,030

years in a parallel organization to

21

00:01:02,720 --> 00:00:59,879

check on the rest of the CIA the cover

22

00:01:05,020 --> 00:01:02,730

note is relevant basically it came from

23

00:01:07,160 --> 00:01:05,030

the leaker who says he's a retired CIA

24

00:01:08,899 --> 00:01:07,170

counterintelligence officer it worked

25

00:01:10,880 --> 00:01:08,909

for angleton and he says this is the

26
00:01:16,940 --> 00:01:10,890
last piece of paper that connects mj-12

27
00:01:18,859 --> 00:01:16,950
with JFK's murder and he it also says

28
00:01:20,090 --> 00:01:18,869
that that at the time is fast

29
00:01:21,830 --> 00:01:20,100
approaching when the files of the

30
00:01:23,510 --> 00:01:21,840
majestic Jehovah project will be pried

31
00:01:26,420 --> 00:01:23,520
loose in the public's right to know but

32
00:01:28,429 --> 00:01:26,430
we'll begin selena is a person who's a

33
00:01:30,560 --> 00:01:28,439
secretary for the CIA we also have a

34
00:01:33,710 --> 00:01:30,570
leak from claim they've been keeping the

35
00:01:36,499 --> 00:01:33,720
UFO community busy and in some way I

36
00:01:38,450 --> 00:01:36,509
don't know hi these are the eight tabs

37
00:01:40,300 --> 00:01:38,460
that are associated with this and I just

38
00:01:44,539 --> 00:01:40,310

got a slide on each one of these tabs

39

00:01:48,469 --> 00:01:44,549

but they're the first page summarizes

40

00:01:51,289 --> 00:01:48,479

the situation that we have that JFK was

41

00:01:54,440 --> 00:01:51,299

known as Lancer at the time and Lancer

42

00:01:57,530 --> 00:01:54,450

was inquiring about activities which we

43

00:02:00,560 --> 00:01:57,540

cannot allow namely he was asking more

44

00:02:04,069 --> 00:02:00,570

about the UFO program our deadline for

45

00:02:07,249 --> 00:02:04,079

decision MJ one Allen Dulles wanted to

46

00:02:10,550 --> 00:02:07,259

have the other MJ members decide and

47

00:02:14,000 --> 00:02:10,560

agree with his proposed ground rules

48

00:02:16,610 --> 00:02:14,010

which are the following eight slides for

49

00:02:20,030 --> 00:02:16,620

first what happens if the president asks

50

00:02:21,589 --> 00:02:20,040

about UFOs Roja why is he asking declare

51

00:02:24,920 --> 00:02:21,599

that it's not a security threat will

52

00:02:28,039 --> 00:02:24,930

come to that just home on the FB keep

53

00:02:30,199 --> 00:02:28,049

the FBI included just enough to so they

54

00:02:31,850 --> 00:02:30,209

can keep the secret and the instruction

55

00:02:34,369 --> 00:02:31,860

risky power spies or back channels

56

00:02:36,740 --> 00:02:34,379

they're in place so that we know what

57

00:02:39,020 --> 00:02:36,750

the FBI is thinking the intent of the

58

00:02:41,390 --> 00:02:39,030

second third tab was to say that DoD a

59

00:02:43,929 --> 00:02:41,400

security does not apply to MJ except in

60

00:02:46,160 --> 00:02:43,939

the case of a couple of sub 1

61

00:02:49,220 --> 00:02:46,170

subcommittee but a national security

62

00:02:51,410 --> 00:02:49,230

council 5412 and some special classified

63

00:02:57,949 --> 00:02:51,420

executive orders which some people claim

64

00:03:00,619 --> 00:02:57,959

don't even exist the attentive tab d was

65

00:03:04,520 --> 00:03:00,629

to define blue book as in the National

66

00:03:07,729 --> 00:03:04,530

Intelligence Estimate and proceed with

67

00:03:12,530 --> 00:03:07,739

its role which was to discredit

68

00:03:16,009 --> 00:03:12,540

credibility and if anybody asks any

69

00:03:19,159 --> 00:03:16,019

Congress Supreme Court whoever asks even

70

00:03:21,199 --> 00:03:19,169

if they're authorized in with a pretty

71

00:03:22,809 --> 00:03:21,209

high ranking tell them that we won't

72

00:03:25,159 --> 00:03:22,819

tell them anything about the program

73

00:03:26,629 --> 00:03:25,169

attentive tabitha was on psychological

74

00:03:29,330 --> 00:03:26,639

operations one of the things that has

75

00:03:30,830 --> 00:03:29,340

impressed me is the enormous emphasis

76

00:03:32,360 --> 00:03:30,840

that is placed in the UFO leaked

77

00:03:35,119 --> 00:03:32,370

documents that i have on psychological

78

00:03:37,729 --> 00:03:35,129

operations to make sure that we have a

79

00:03:39,470 --> 00:03:37,739

sophisticated set of cover stories so

80

00:03:43,670 --> 00:03:39,480

that the public really never grasps

81

00:03:45,379 --> 00:03:43,680

what's going on and finally not finally

82

00:03:47,720 --> 00:03:45,389

but the next-to-last is the intent of

83

00:03:50,930 --> 00:03:47,730

tab g was concerning biological warfare

84

00:03:53,210 --> 00:03:50,940

and presumably the problem is alien

85

00:03:54,860 --> 00:03:53,220

pathogens when they have a program

86

00:03:57,289 --> 00:03:54,870

called spike and housecleaning that's

87

00:04:01,490 --> 00:03:57,299

already in place but they have a plan

88

00:04:03,530 --> 00:04:01,500

for backup using MK ULTRA MK ULTRA as

89

00:04:06,770 --> 00:04:03,540

some of you may know was an illegal

90

00:04:09,920 --> 00:04:06,780

unethical program for mind control using

91

00:04:11,990 --> 00:04:09,930

chemicals of the day plus other programs

92

00:04:14,180 --> 00:04:12,000

called artichoke and domestic what we

93

00:04:16,699 --> 00:04:14,190

don't know what they are and finally the

94

00:04:17,870 --> 00:04:16,709

the grabber here was it if it looks like

95

00:04:20,750 --> 00:04:17,880

we're going to lose our group and

96

00:04:23,510 --> 00:04:20,760

getting over money then we ought to try

97

00:04:25,399 --> 00:04:23,520

assassinated and if you look at these

98

00:04:25,940 --> 00:04:25,409

words here it basically says at the

99

00:04:27,860 --> 00:04:25,950

bottom

100

00:04:30,110 --> 00:04:27,870

if the weather is lacking any

101
00:04:32,930 --> 00:04:30,120
precipitation it should be wet and what

102
00:04:35,090 --> 00:04:32,940
that is is commonly known to be as wet

103
00:04:38,300 --> 00:04:35,100
is a code word for assassination in the

104
00:04:40,190 --> 00:04:38,310
criminal world so basically this is an

105
00:04:44,960 --> 00:04:40,200
authorization in principle to

106
00:04:47,360 --> 00:04:44,970
assassinate JFK and so i'll have another

107
00:04:50,390 --> 00:04:47,370
20 seconds of conclusions here and that

108
00:04:51,620 --> 00:04:50,400
is that i think the original paper and

109
00:04:53,390 --> 00:04:51,630
ink dating essentially rules out a

110
00:04:55,310 --> 00:04:53,400
modern hoax for these two documents if

111
00:04:59,270 --> 00:04:55,320
there was a hoax it was done then not

112
00:05:01,160 --> 00:04:59,280
now the bow and marginalia strongly

113
00:05:03,500 --> 00:05:01,170

suggest that MJ trial program existed

114

00:05:06,320 --> 00:05:03,510

and the burn memo shows issues between

115

00:05:09,350 --> 00:05:06,330

JFK and mj-12 and reinforces the

116

00:05:12,010 --> 00:05:09,360

existence of CIA covert projects buried

117

00:05:21,590 --> 00:05:12,020

in the counterintelligence world and so

118

00:05:25,480 --> 00:05:21,600

how about that Courtney I think you're

119

00:05:35,300 --> 00:05:28,640

you do yeah who would like to ask

120

00:05:37,010 --> 00:05:35,310

questions we have five minutes Oh Brenda

121

00:05:41,600 --> 00:05:37,020

needs to make a short announcement first

122

00:05:50,770 --> 00:05:41,610

where's Brenda do the questions okay

123

00:05:59,620 --> 00:05:54,110

convincing the burn memo it is the most

124

00:06:06,830 --> 00:06:03,230

something like this it has such an

125

00:06:08,870 --> 00:06:06,840

explosive import that it would seem to

126

00:06:12,830 --> 00:06:08,880

me that it could have been hoaxed by

127

00:06:15,770 --> 00:06:12,840

some extremely devilishly clever hoaxers

128

00:06:19,400 --> 00:06:15,780

they could have obtained old paper and

129

00:06:23,930 --> 00:06:19,410

old ink and created a very convincing

130

00:06:25,850 --> 00:06:23,940

fake isn't that possible well it's

131

00:06:29,360 --> 00:06:25,860

always possible to imagine a scenario

132

00:06:31,250 --> 00:06:29,370

where there is a hoax situation but the

133

00:06:32,810 --> 00:06:31,260

question is what is the probability of

134

00:06:35,030 --> 00:06:32,820

that hypothesis is being correct that's

135

00:06:37,280 --> 00:06:35,040

what the SS a typically does is is list

136

00:06:38,720 --> 00:06:37,290

the different hypotheses like the one

137

00:06:39,839 --> 00:06:38,730

that's most reasonable but yes that

138

00:06:48,889 --> 00:06:39,849

should be on the list of

139

00:06:55,260 --> 00:06:51,839

have to admit that what strains

140

00:06:58,649 --> 00:06:55,270

credibility for me the most in this is

141

00:07:01,709 --> 00:06:58,659

the amazingly variable level of

142

00:07:05,159 --> 00:07:01,719

competence and dedication involved I

143

00:07:07,499 --> 00:07:05,169

mean if a rogue US government agency had

144

00:07:10,199 --> 00:07:07,509

enough clout in enough secrecy to

145

00:07:11,579 --> 00:07:10,209

arrange the assassination of a president

146

00:07:15,719 --> 00:07:11,589

who is getting too close to the truth

147

00:07:18,179 --> 00:07:15,729

arm why have not you for example with

148

00:07:21,299 --> 00:07:18,189

all of these leaked classified documents

149

00:07:25,679 --> 00:07:21,309

in your possession not quietly been

150

00:07:29,279 --> 00:07:25,689

disappeared Oh ten years ago or so well

151

00:07:31,859 --> 00:07:29,289

that's a fair question actually I feel

152

00:07:33,809 --> 00:07:31,869

that the documents are very important I

153

00:07:36,269 --> 00:07:33,819

keep them you know locked up pretty

154

00:07:39,329 --> 00:07:36,279

securely now however this is the first

155

00:07:42,029 --> 00:07:39,339

time I've exposed this level of detail

156

00:07:43,920 --> 00:07:42,039

and that document to any audience so I

157

00:07:46,290 --> 00:07:43,930

don't think I've ever stated before that

158

00:07:49,529 --> 00:07:46,300

that document clearly links mj-12 with

159

00:07:51,239 --> 00:07:49,539

the Kennedy assassination so however

160

00:07:53,219 --> 00:07:51,249

I've enjoyed life and if I get

161

00:07:58,409 --> 00:07:53,229

assassinated way that's the breaks I've

162

00:08:01,019 --> 00:07:58,419

had a lot of fun bob is this thing on ya

163

00:08:03,209 --> 00:08:01,029

Bob I have a question you said that you

164

00:08:05,999 --> 00:08:03,219

had contacted the son of Vernon Bowen

165

00:08:08,399 --> 00:08:06,009

yes and I was wondering were you able to

166

00:08:10,309 --> 00:08:08,409

determine how through your talks with

167

00:08:12,809 --> 00:08:10,319

him what happened to any of the other

168

00:08:14,459 --> 00:08:12,819

research or papers that Vernon Bowen

169

00:08:15,509 --> 00:08:14,469

hands and if it has been preserved

170

00:08:18,569 --> 00:08:15,519

because I thank you that's an excellent

171

00:08:19,859 --> 00:08:18,579

question because as soon as I found out

172

00:08:21,689 --> 00:08:19,869

that he was willing to be friendly and

173

00:08:23,429 --> 00:08:21,699

cooperative I said well hey I got lots

174

00:08:25,379 --> 00:08:23,439

of reasons to come to New York City

175

00:08:28,790 --> 00:08:25,389

because my sister lives there is she

176

00:08:31,259 --> 00:08:28,800

sitting in the audience too and so I

177

00:08:33,179 --> 00:08:31,269

said is it okay for me to come and let's

178

00:08:35,129 --> 00:08:33,189

look and your father's files and so he

179

00:08:36,719 --> 00:08:35,139

said sure so actually we went over to a

180

00:08:38,670 --> 00:08:36,729

second house crawled up into the attic

181

00:08:41,040 --> 00:08:38,680

and open up the doors to all of his

182

00:08:45,920 --> 00:08:41,050

father's files we found a few additional

183

00:08:49,679 --> 00:08:45,930

papers from what he had but there was no

184

00:08:52,769 --> 00:08:49,689

there was nothing that was really earth

185

00:08:53,680 --> 00:08:52,779

earth shattering result but thank you

186

00:08:56,980 --> 00:08:53,690

that's a good

187

00:09:00,460 --> 00:08:56,990

you have been reported that the

188

00:09:03,280 --> 00:09:00,470

astronauts saw some object on the moon

189

00:09:05,560 --> 00:09:03,290

did you ever interview the astronauts

190

00:09:12,010 --> 00:09:05,570

because you make no mention of that kind

191

00:09:13,780 --> 00:09:12,020

of a sauce eldritch okay well I do i do

192

00:09:15,520 --> 00:09:13,790

know EDD Mitchell a little bit in fact

193

00:09:17,890 --> 00:09:15,530

he's participated I thinking SSE

194

00:09:22,780 --> 00:09:17,900

meetings but one of the things that you

195

00:09:25,270 --> 00:09:22,790

find in in a discipline like ufology it

196

00:09:27,580 --> 00:09:25,280

is so broad that you wind up having to

197

00:09:31,000 --> 00:09:27,590

specialize and so I specialize in

198

00:09:32,860 --> 00:09:31,010

documents if somebody would tell me what

199

00:09:34,960 --> 00:09:32,870

they saw last night I would find

200

00:09:36,460 --> 00:09:34,970

somebody else to go examine it in fact

201

00:09:39,340 --> 00:09:36,470

the mutual UFO network as a whole

202

00:09:41,530 --> 00:09:39,350

arsenal of people who go out and and

203

00:09:47,500 --> 00:09:41,540

follow up on reports including reports

204

00:09:50,020 --> 00:09:47,510

from other astronauts oh yes oh

205

00:09:51,670 --> 00:09:50,030

absolutely astronauts are wonderful but

206

00:09:54,130 --> 00:09:51,680

that's not the thing that I do and I've

207

00:09:58,870 --> 00:09:54,140

never tried to interview people it's not
