

1
00:00:06,079 --> 00:00:02,750
presented in Phillip Corsos book I think

2
00:00:12,100 --> 00:00:06,089
it's what Roswell revisited good

3
00:00:15,379 --> 00:00:12,110
question how the I gave a whole talk on

4
00:00:19,970 --> 00:00:15,389
to a course those book and feel course

5
00:00:22,820 --> 00:00:19,980
so at at one time and my recollection of

6
00:00:25,910 --> 00:00:22,830
what I said and what I think now is that

7
00:00:28,390 --> 00:00:25,920
when Phil Corso states specifically that

8
00:00:31,220 --> 00:00:28,400
he did something he's probably

9
00:00:34,850 --> 00:00:31,230
accurately stating that when he states

10
00:00:36,830 --> 00:00:34,860
that someone else did something like we

11
00:00:39,470 --> 00:00:36,840
reverse-engineer this but he never saw

12
00:00:41,930 --> 00:00:39,480
it then I'd say he might be susceptible

13
00:00:45,020 --> 00:00:41,940

to exaggeration and or speculation I

14

00:00:46,639 --> 00:00:45,030

don't know it's possible that John

15

00:00:49,490 --> 00:00:46,649

Alexander may comment on that on that

16

00:00:52,580 --> 00:00:49,500

point but I I think when he stated

17

00:00:54,110 --> 00:00:52,590

something that he did himself I think it

18

00:00:57,350 --> 00:00:54,120

was an honest man and I think he was

19

00:00:59,840 --> 00:00:57,360

stating it what he what he did whether

20

00:01:01,790 --> 00:00:59,850

what he stated about other people is

21

00:01:04,759 --> 00:01:01,800

more questionable ok we have just one

22

00:01:05,960 --> 00:01:04,769

more question I'm sorry and this may be

23

00:01:09,830 --> 00:01:05,970

a technical question on the bone

24

00:01:11,450 --> 00:01:09,840

document but i'm a bit puzzled why for a

25

00:01:14,570 --> 00:01:11,460

document that parently preserved pretty

26
00:01:16,550 --> 00:01:14,580
high up in the air force hierarchy ends

27
00:01:18,020 --> 00:01:16,560
up being released by the Fort Meade for

28
00:01:20,480 --> 00:01:18,030
your office I that doesn't make much

29
00:01:22,730 --> 00:01:20,490
sense to me well I'm agreed with that

30
00:01:25,820 --> 00:01:22,740
question to rule if you want me to

31
00:01:27,289 --> 00:01:25,830
speculate on the answer basically this

32
00:01:29,990 --> 00:01:27,299
document was truly given to the Air

33
00:01:32,359 --> 00:01:30,000
Force for evaluation and and was

34
00:01:33,499 --> 00:01:32,369
evaluated at a classified level but

35
00:01:35,330 --> 00:01:33,509
there was nothing there there was

36
00:01:36,980 --> 00:01:35,340
nothing important and so they stuck it

37
00:01:39,020 --> 00:01:36,990
in a file and here he is in a top-secret

38
00:01:41,060 --> 00:01:39,030

file well it's not easy to declassify it

39

00:01:43,429 --> 00:01:41,070

and i think frankly the guys who are in

40

00:01:45,830 --> 00:01:43,439

charge of the that particular file

41

00:01:47,719 --> 00:01:45,840

didn't know what to do with it but they

42

00:01:50,420 --> 00:01:47,729

did follow the subject enough said well

43

00:01:52,550 --> 00:01:50,430

he knew this guy tim cooper was

44

00:01:54,319 --> 00:01:52,560

receiving leaked documents let's mail it

45

00:01:55,969 --> 00:01:54,329

to him and so i think it was as simple

46

00:01:58,340 --> 00:01:55,979

as that they stuck it in the envelope

47

00:01:59,840 --> 00:01:58,350

there was no transmittal letter they got

48

00:02:05,780 --> 00:01:59,850

it out of their files they didn't have

49

00:02:10,550 --> 00:02:05,790

to account for it ok Brenda what I'm

50

00:02:17,550 --> 00:02:13,740

I'm new to this and so I'm looking at it

51
00:02:20,330 --> 00:02:17,560
from a perspective of trying to really

52
00:02:23,490 --> 00:02:20,340
the previous speaker talked about

53
00:02:26,400 --> 00:02:23,500
leaving the observation and questioning

54
00:02:28,380 --> 00:02:26,410
the explanation yes when I look at what

55
00:02:29,910 --> 00:02:28,390
you presented it seems very credible to

56
00:02:31,230 --> 00:02:29,920
me that these are real documents and

57
00:02:35,250 --> 00:02:31,240
that these are real statements that were

58
00:02:36,570 --> 00:02:35,260
made my impression is that my first

59
00:02:40,100 --> 00:02:36,580
impression is that well why couldn't

60
00:02:41,970 --> 00:02:40,110
this be evidence of a black ops

61
00:02:43,979 --> 00:02:41,980
operation in the government which we

62
00:02:48,420 --> 00:02:43,989
know exists we know that they go through

63
00:02:50,160 --> 00:02:48,430

a great deal of effort to do a lot of

64

00:02:53,820 --> 00:02:50,170

black ops experimentation and

65

00:02:56,580 --> 00:02:53,830

development and the explanation would be

66

00:02:58,170 --> 00:02:56,590

there for the relationship with JFK if

67

00:03:00,449 --> 00:02:58,180

someone and especially when you

68

00:03:06,120 --> 00:03:00,459

mentioned funding that's one of the
