Washington DC/Rockville
Executive Meeting Center

1
00:00:04,880 --> 00:00:02,960
just as a quick review some people who

2
00:00:06,200 --> 00:00:04,890
might not know about the Ryan research

3
00:00:10,040 --> 00:00:06,210
center might not know what we do there

4
00:00:11,600 --> 00:00:10,050
the Rhine was founded back in 1935 it

5
00:00:14,629 --> 00:00:11,610
was originally as a do parasite

6
00:00:16,880 --> 00:00:14,639
parapsychology lab and it was at Duke

7
00:00:19,849 --> 00:00:16,890
University JB Ryan founded it and it's

8
00:00:21,710 --> 00:00:19,859
and now it's moved off campus it's not

9
00:00:24,080 --> 00:00:21,720
affiliated with Duke anymore we're an

10
00:00:27,109 --> 00:00:24,090
independent nonprofit research center

11
00:00:29,800 --> 00:00:27,119
and we're known the right has always

12
00:00:33,470 --> 00:00:29,810
been known for doing top-notch

13
00:00:36,920 --> 00:00:33,480

laboratory research in two different

14
00:00:38,590 --> 00:00:36,930
size phenomena everything from ESP to pk

15
00:00:41,510 --> 00:00:38,600
but working very closely in a laboratory

16
00:00:43,190 --> 00:00:41,520
now one of the things that many people

17
00:00:46,310 --> 00:00:43,200
the rise in Durham North Carolina

18
00:00:47,930 --> 00:00:46,320
because that's where Duke is right one

19
00:00:51,650 --> 00:00:47,940
of the reasons one of the things that

20
00:00:55,990 --> 00:00:51,660
people don't know about Durham is that

21
00:00:59,330 --> 00:00:56,000
it seems to be a center for healers I

22
00:01:01,700 --> 00:00:59,340
can't tell you how many people I know

23
00:01:03,080 --> 00:01:01,710
who do energy healing work and it's not

24
00:01:03,470 --> 00:01:03,090
just because I'm associated with the

25
00:01:05,600 --> 00:01:03,480
Rhine

26
00:01:09,170 --> 00:01:05,610
even before I was associated with a Ryan

27
00:01:12,020 --> 00:01:09,180
there were energy healers all around so

28
00:01:14,149 --> 00:01:12,030
it's very easy for me to find people who

29
00:01:18,230 --> 00:01:14,159
want to work within the energy healing

30
00:01:23,390 --> 00:01:18,240
world well about oh it's a little more

31
00:01:26,270 --> 00:01:23,400
than two years ago Phil Morris is just

32
00:01:28,280 --> 00:01:26,280
over here wave your head Phil I was

33
00:01:31,819 --> 00:01:28,290
talking to Jeanette Nachman who is also

34
00:01:35,120 --> 00:01:31,829
over there and said hey I'd really like

35
00:01:38,510 --> 00:01:35,130
to start an energy healing group at the

36
00:01:40,640 --> 00:01:38,520
Rhine and Phil came to me because of

37
00:01:42,380 --> 00:01:40,650
where I sit in the office there and said

38
00:01:43,399 --> 00:01:42,390

you know can we do this and I said wow

39

00:01:46,880 --> 00:01:43,409

it sounds like it's a really good idea

40

00:01:50,300 --> 00:01:46,890

can I be part of it and so we started at

41

00:01:52,219 --> 00:01:50,310

that point what pillars came up with

42

00:01:55,880 --> 00:01:52,229

named the Rhine healing energies team

43

00:01:58,010 --> 00:01:55,890

and there's actually two groups that are

44

00:02:00,920 --> 00:01:58,020

currently doing healing work at the

45

00:02:03,260 --> 00:02:00,930

Rhine we originally came from a lot of

46

00:02:05,929 --> 00:02:03,270

different backgrounds some people were

47

00:02:09,710 --> 00:02:05,939

doing Reiki some people were doing

48

00:02:12,229 --> 00:02:09,720

Healing Touch chi-gong there were other

49

00:02:13,940 --> 00:02:12,239

people who had no experience doing any

50

00:02:16,400 --> 00:02:13,950

type of energetic healing at all

51
00:02:20,480 --> 00:02:16,410
but we all had one goal and that goal

52
00:02:23,420 --> 00:02:20,490
was to learn the energy chair to take

53
00:02:26,660 --> 00:02:23,430
bill bangtan's books on the energy cure

54
00:02:30,200 --> 00:02:26,670
and to listen to his recorded lectures

55
00:02:32,630 --> 00:02:30,210
about this training on developing the

56
00:02:35,450 --> 00:02:32,640
energy cure and learning this technique

57
00:02:37,010 --> 00:02:35,460
so we were all suspending anything we

58
00:02:38,570 --> 00:02:37,020
might have known or any types of

59
00:02:41,000 --> 00:02:38,580
thoughts we had in the past related to

60
00:02:43,790 --> 00:02:41,010
healing and following bills technique it

61
00:02:47,690 --> 00:02:43,800
was really really great because we met

62
00:02:49,430 --> 00:02:47,700
every week at the Rhine and we ended

63
00:02:51,440 --> 00:02:49,440

within two and a half years now we've

64

00:02:53,960 --> 00:02:51,450

been meeting every week I'd say after

65

00:02:56,840 --> 00:02:53,970

about probably about it the first month

66

00:02:58,400 --> 00:02:56,850

or so we got into this cycling thing

67

00:03:00,920 --> 00:02:58,410

that bill must have talked about a bit

68

00:03:02,870 --> 00:03:00,930

yesterday and say and really got a good

69

00:03:04,730 --> 00:03:02,880

sense of it and we we were like wow it's

70

00:03:06,520 --> 00:03:04,740

really working we got our list together

71

00:03:10,400 --> 00:03:06,530

we were having a great time with it

72

00:03:12,680 --> 00:03:10,410

about six months later all sudden we

73

00:03:14,390 --> 00:03:12,690

realized we didn't really know anything

74

00:03:17,420 --> 00:03:14,400

about what we were doing when we started

75

00:03:19,970 --> 00:03:17,430

and the reason this happened the reason

76

00:03:21,950 --> 00:03:19,980

we recognized this was because all of a

77

00:03:22,780 --> 00:03:21,960

sudden for this entire group things

78

00:03:25,970 --> 00:03:22,790

started to click

79

00:03:28,250 --> 00:03:25,980

it was after about six months that all

80

00:03:30,560 --> 00:03:28,260

of a sudden this cycling thing really

81

00:03:33,020 --> 00:03:30,570

made sense to us we all started really

82

00:03:37,850 --> 00:03:33,030

feeling and being cohesive as a group

83

00:03:40,820 --> 00:03:37,860

and working together at this point

84

00:03:43,310 --> 00:03:40,830

people started to get really antsy they

85

00:03:45,230 --> 00:03:43,320

wanted to do something they said look

86

00:03:47,120 --> 00:03:45,240

we're feeling all this and we're we're

87

00:03:49,250 --> 00:03:47,130

acting weird practicing for a long time

88

00:03:52,040 --> 00:03:49,260

let's do some healing we want to heal

89

00:03:54,080 --> 00:03:52,050

some people well of course we're not

90

00:03:56,960 --> 00:03:54,090

qualified to heal people so what we did

91

00:03:58,490 --> 00:03:56,970

is we asked for volunteers well some of

92

00:04:01,040 --> 00:03:58,500

our first volunteers came from within

93

00:04:02,420 --> 00:04:01,050

the group and we had someone from the

94

00:04:03,920 --> 00:04:02,430

group get up on the table and we had

95

00:04:05,120 --> 00:04:03,930

some other volunteers of quick as soon

96

00:04:06,350 --> 00:04:05,130

as people started hearing about us they

97

00:04:08,120 --> 00:04:06,360

started saying can we volunteer to be

98

00:04:09,970 --> 00:04:08,130

part of the session and so they will

99

00:04:12,490 --> 00:04:09,980

come in and be part of the sessions and

100

00:04:16,310 --> 00:04:12,500

we would we would sit around and do our

101
00:04:19,160 --> 00:04:16,320
cycling and work with them and the

102
00:04:22,280 --> 00:04:19,170
interesting thing was it surprised us

103
00:04:26,930 --> 00:04:22,290
all we were getting really good results

104
00:04:31,520 --> 00:04:26,940
people started to report that they had

105
00:04:33,080 --> 00:04:31,530
and symptoms pain relief one person who

106
00:04:33,560 --> 00:04:33,090
one of the first person people we work

107
00:04:35,780 --> 00:04:33,570
with

108
00:04:38,860 --> 00:04:35,790
he had sciatica that he had been

109
00:04:43,400 --> 00:04:38,870
suffering from for years after one

110
00:04:45,560 --> 00:04:43,410
10-minute session it went away it's been

111
00:04:48,440 --> 00:04:45,570
over two years he hasn't had a

112
00:04:50,420 --> 00:04:48,450
recurrence of the sciatica at all we had

113
00:04:52,340 --> 00:04:50,430

one woman who we were working with

114

00:04:54,440 --> 00:04:52,350

remotely of course we got her permission

115

00:04:56,870 --> 00:04:54,450

but we were working with her remotely

116

00:04:58,730 --> 00:04:56,880

she wasn't there she was going in for

117

00:05:05,330 --> 00:04:58,740

knee surgery because she had a tumor

118

00:05:06,860 --> 00:05:05,340

behind her kneecap and before we we did

119

00:05:09,140 --> 00:05:06,870

the session well and the day she was

120

00:05:11,120 --> 00:05:09,150

going to get measured for her surgery

121

00:05:13,960 --> 00:05:11,130

and have the mark on her knees so they

122

00:05:18,170 --> 00:05:13,970

know where it were due to surgery

123

00:05:21,770 --> 00:05:18,180

afterwards she said the tumor is gone it

124

00:05:25,640 --> 00:05:21,780

disappeared these were really remarkable

125

00:05:28,460 --> 00:05:25,650

and very surprising because as bill says

126
00:05:30,110 --> 00:05:28,470
all the time I'm not doing anything we

127
00:05:33,380 --> 00:05:30,120
weren't doing anything we were just

128
00:05:35,240 --> 00:05:33,390
doing our cycling and focusing but we

129
00:05:38,659 --> 00:05:35,250
had no sense that we were actually doing

130
00:05:42,370 --> 00:05:38,669
healing this is really great really

131
00:05:44,870 --> 00:05:42,380
exciting but you know I'm at the ride

132
00:05:46,400 --> 00:05:44,880
we're not a healing group where this

133
00:05:50,270 --> 00:05:46,410
isn't what we do with the rhein we do

134
00:05:53,270 --> 00:05:50,280
research work and so the next step was

135
00:05:55,730 --> 00:05:53,280
to find out what is this healing stuff

136
00:06:00,290 --> 00:05:55,740
that we're doing we have to learn a

137
00:06:04,190 --> 00:06:00,300
little bit more about healing well isn't

138
00:06:06,050 --> 00:06:04,200

it obvious what healing is if you can't

139

00:06:11,890 --> 00:06:06,060

read it this is a Pizza Hut poster and

140

00:06:18,200 --> 00:06:14,360

obviously healing is a biological

141

00:06:20,510 --> 00:06:18,210

process right it repairs damage or

142

00:06:24,440 --> 00:06:20,520

returns a system to perfect health

143

00:06:27,260 --> 00:06:24,450

obviously that's what healing is it's a

144

00:06:30,050 --> 00:06:27,270

little more complicated than that there

145

00:06:32,659 --> 00:06:30,060

are different types of healing and when

146

00:06:35,330 --> 00:06:32,669

we're trying to figure out how can we do

147

00:06:37,580 --> 00:06:35,340

research on healing how can we look into

148

00:06:38,810 --> 00:06:37,590

this in more detail we first started

149

00:06:39,140 --> 00:06:38,820

looking at what are the different types

150

00:06:41,150 --> 00:06:39,150

of

151
00:06:44,050 --> 00:06:41,160
having discussions about this within our

152
00:06:46,250 --> 00:06:44,060
team there's physical healing of course

153
00:06:47,600 --> 00:06:46,260
there's also psychological healing

154
00:06:50,330 --> 00:06:47,610
things related to the mental or

155
00:06:52,250 --> 00:06:50,340
emotional world spiritual healing you

156
00:06:53,900 --> 00:06:52,260
might call it transpersonal related the

157
00:06:56,630 --> 00:06:53,910
connections between people having

158
00:07:00,730 --> 00:06:56,640
meaning in your life there's other types

159
00:07:02,030 --> 00:07:00,740
of healing as well anybody new this is

160
00:07:05,590 --> 00:07:02,040
yeah

161
00:07:08,510 --> 00:07:05,600
that's Marvin Gaye you know why is here

162
00:07:09,830 --> 00:07:08,520
who said sexual really alright well I

163
00:07:13,550 --> 00:07:09,840

got some Zener cards for you later on

164

00:07:15,560 --> 00:07:13,560

okay there's a lot of other kinds of

165

00:07:17,720 --> 00:07:15,570

healing that could that can go on but

166

00:07:19,370 --> 00:07:17,730

there but before we can really think

167

00:07:22,900 --> 00:07:19,380

about studying healing we have to figure

168

00:07:24,980 --> 00:07:22,910

out which type of healing is occurring

169

00:07:27,590 --> 00:07:24,990

besides the types of a healing there's

170

00:07:30,790 --> 00:07:27,600

different agents who might be doing

171

00:07:33,820 --> 00:07:30,800

healing medical professionals of course

172

00:07:35,750 --> 00:07:33,830

provide healing as the agent you have

173

00:07:37,070 --> 00:07:35,760

psychologists counselors you have

174

00:07:40,330 --> 00:07:37,080

different people who might work in that

175

00:07:42,710 --> 00:07:40,340

that area related to psychological work

176

00:07:47,780 --> 00:07:42,720

energy healers and I'm using the term

177

00:07:50,840 --> 00:07:47,790

energy purposely here energy healers who

178

00:07:55,010 --> 00:07:50,850

also practice healing and then of course

179

00:07:59,230 --> 00:07:55,020

there is self healing and many people

180

00:08:05,270 --> 00:07:59,240

say that all healing is self healing

181

00:08:07,690 --> 00:08:05,280

they might be right so now going back we

182

00:08:10,100 --> 00:08:07,700

talked about different types of healing

183

00:08:12,500 --> 00:08:10,110

physical healing psychological healing

184

00:08:15,130 --> 00:08:12,510

spiritual healing etc we have different

185

00:08:19,340 --> 00:08:15,140

agents that can perform the healing

186

00:08:20,720 --> 00:08:19,350

including self healing and then these

187

00:08:24,800 --> 00:08:20,730

agents can take different approaches to

188

00:08:26,990 --> 00:08:24,810

healing sometimes they can try to

189

00:08:29,330 --> 00:08:27,000

provide a direct intervention for

190

00:08:31,060 --> 00:08:29,340

example surgery a medication to correct

191

00:08:34,010 --> 00:08:31,070

some sort of chemical imbalance

192

00:08:35,780 --> 00:08:34,020

sometimes it's more holistic it's

193

00:08:39,860 --> 00:08:35,790

related to a whole person it's often

194

00:08:42,170 --> 00:08:39,870

more gradual not quite as directed but

195

00:08:43,430 --> 00:08:42,180

besides having these different those two

196

00:08:45,370 --> 00:08:43,440

different approaches you know some

197

00:08:49,580 --> 00:08:45,380

people who are actually very intentional

198

00:08:51,140 --> 00:08:49,590

very focused on the type of on the on

199

00:08:52,820 --> 00:08:51,150

what they're trying to do they're

200

00:08:54,830 --> 00:08:52,830

intentionally trying to

201

00:08:57,320 --> 00:08:54,840

he'll a specific location or a specific

202

00:08:59,900 --> 00:08:57,330

thing where you have others who are it's

203

00:09:01,520 --> 00:08:59,910

more unconscious for example you know I

204

00:09:03,320 --> 00:09:01,530

talked about self-healing you know if I

205

00:09:05,360 --> 00:09:03,330

nicked myself shaving today whenever I

206

00:09:08,240 --> 00:09:05,370

was getting ready to come down here

207

00:09:10,970 --> 00:09:08,250

I'm not consciously healing that neck it

208

00:09:13,100 --> 00:09:10,980

happens unconsciously a lot of

209

00:09:15,830 --> 00:09:13,110

self-healing almost all of it happens

210

00:09:19,340 --> 00:09:15,840

unconsciously so these are different

211

00:09:22,760 --> 00:09:19,350

approaches so how we have different

212

00:09:25,520 --> 00:09:22,770

types of healing we have different

213

00:09:28,490 --> 00:09:25,530

healing agents including energy healers

214

00:09:30,860 --> 00:09:28,500

or self-healing we have different

215

00:09:33,110 --> 00:09:30,870

approaches to healing whether you're

216

00:09:35,870 --> 00:09:33,120

focused and trying to heal something

217

00:09:37,580 --> 00:09:35,880

specific doing more holistic whether

218

00:09:38,570 --> 00:09:37,590

you're really intentionally doing

219

00:09:41,180 --> 00:09:38,580

something or it's happening

220

00:09:42,920 --> 00:09:41,190

unconsciously and I added something else

221

00:09:44,750 --> 00:09:42,930

here and that's the mechanism of healing

222

00:09:47,960 --> 00:09:44,760

how does it actually occur when it

223

00:09:50,050 --> 00:09:47,970

occurs before we could study healing

224

00:09:52,970 --> 00:09:50,060

before we could look at it and

225

00:09:55,190 --> 00:09:52,980

understand what it was about we have to

226

00:09:57,260 --> 00:09:55,200

consider all of these different topics

227

00:09:58,970 --> 00:09:57,270

where we don't really know what we're

228

00:10:02,330 --> 00:09:58,980

studying we don't know what we're

229

00:10:04,940 --> 00:10:02,340

looking at well back to the healing

230

00:10:06,950 --> 00:10:04,950

energy team and I'm actually gonna jump

231

00:10:08,510 --> 00:10:06,960

back to this because I want to mention

232

00:10:09,890 --> 00:10:08,520

you see this picture here this is

233

00:10:11,270 --> 00:10:09,900

actually our healing energy team you

234

00:10:12,770 --> 00:10:11,280

might recognize some of the people in

235

00:10:15,620 --> 00:10:12,780

the air in the room and I wanted to

236

00:10:18,170 --> 00:10:15,630

mention to Bill we took your advice and

237

00:10:21,440 --> 00:10:18,180

we celebrated our successes and you can

238

00:10:23,810 --> 00:10:21,450

see it right there with our toes but we

239

00:10:25,970 --> 00:10:23,820

also you can't see the huge spread of

240

00:10:27,440 --> 00:10:25,980

food and it's around there and there's

241

00:10:32,390 --> 00:10:27,450

also a bunch of bent spoons behind us

242

00:10:35,450 --> 00:10:32,400

there you jump ahead again how so with

243

00:10:38,540 --> 00:10:35,460

the healing energy team we had a really

244

00:10:41,390 --> 00:10:38,550

nice group available to us so that we

245

00:10:42,770 --> 00:10:41,400

could do research well one of the first

246

00:10:45,230 --> 00:10:42,780

projects that we're looking at

247

00:10:49,100 --> 00:10:45,240

approaching now is related to the

248

00:10:52,280 --> 00:10:49,110

experience of healing this is a

249

00:10:56,810 --> 00:10:52,290

qualitative study qualitative study is

250

00:10:59,060 --> 00:10:56,820

when we look at textual information we

251
00:11:01,810 --> 00:10:59,070
look at conversations we look at

252
00:11:06,200 --> 00:11:01,820
activity and try from this from this

253
00:11:06,600 --> 00:11:06,210
information to bring out some data that

254
00:11:08,940 --> 00:11:06,610
can

255
00:11:11,790 --> 00:11:08,950
be useful for us in this case we're

256
00:11:15,360 --> 00:11:11,800
trying to say what is it like to be a

257
00:11:18,150 --> 00:11:15,370
healer within these healing sessions so

258
00:11:19,680 --> 00:11:18,160
each person were we have surveys we have

259
00:11:21,449 --> 00:11:19,690
different information different form for

260
00:11:23,780 --> 00:11:21,459
people to fill out to describe their

261
00:11:26,130 --> 00:11:23,790
experience during the healing session

262
00:11:27,389 --> 00:11:26,140
we're also asking the volunteer if we

263
00:11:29,670 --> 00:11:27,399

have a volunteer who comes in and we're

264

00:11:31,350 --> 00:11:29,680

treating them we're asking them to also

265

00:11:34,530 --> 00:11:31,360

fill out some information to tell us

266

00:11:36,990 --> 00:11:34,540

about their experience during the

267

00:11:38,519 --> 00:11:37,000

healing session for example if they had

268

00:11:40,590 --> 00:11:38,529

pain relief we want to know that

269

00:11:42,240 --> 00:11:40,600

sometimes it's immediate sometimes it

270

00:11:43,949 --> 00:11:42,250

might be later so we might follow up

271

00:11:45,840 --> 00:11:43,959

with them at a later time but the idea

272

00:11:51,030 --> 00:11:45,850

is to try to get some textual data

273

00:11:52,380 --> 00:11:51,040

related to this also and I think pretty

274

00:11:54,420 --> 00:11:52,390

much anybody in the group would agree

275

00:11:57,470 --> 00:11:54,430

with me we we don't feel like we're

276

00:12:00,509 --> 00:11:57,480

actually responsible for the healing

277

00:12:03,170 --> 00:12:00,519

there's a group experience that we have

278

00:12:06,720 --> 00:12:03,180

and this developed over a period of time

279

00:12:09,449 --> 00:12:06,730

but it's very very different than

280

00:12:11,189 --> 00:12:09,459

individual healing experience and so

281

00:12:13,410 --> 00:12:11,199

we're trying to also have a discussion

282

00:12:14,850 --> 00:12:13,420

about how it is for each heal or working

283

00:12:18,060 --> 00:12:14,860

within the group to get a better sense

284

00:12:21,120 --> 00:12:18,070

of that group experience of healing our

285

00:12:23,490 --> 00:12:21,130

goal with this project is to create a

286

00:12:24,750 --> 00:12:23,500

description of the experience of what

287

00:12:26,610 --> 00:12:24,760

it's like to be part of a healing

288

00:12:28,560 --> 00:12:26,620

session and one of the reasons we want

289

00:12:31,889 --> 00:12:28,570

to do this is because if we want us to

290

00:12:34,920 --> 00:12:31,899

understand healing we can't just look at

291

00:12:39,329 --> 00:12:34,930

the data that we get out of lab we have

292

00:12:40,949 --> 00:12:39,339

to put it in context so the only way to

293

00:12:42,840 --> 00:12:40,959

really put it in context is to talk to

294

00:12:44,819 --> 00:12:42,850

the people who are doing it the ones who

295

00:12:46,500 --> 00:12:44,829

are involved with it see what their

296

00:12:49,110 --> 00:12:46,510

feelings see what their experiences are

297

00:12:53,430 --> 00:12:49,120

and then apply our data within the

298

00:12:55,949 --> 00:12:53,440

context of what they're doing so this is

299

00:12:59,030 --> 00:12:55,959

one of the projects that were starting a

300

00:13:00,210 --> 00:12:59,040

second area that we're looking into is

301

00:13:02,340 --> 00:13:00,220

biophotons

302

00:13:03,840 --> 00:13:02,350

now I heard that there was a talk

303

00:13:05,340 --> 00:13:03,850

yesterday I'm sorry I got caught in

304

00:13:07,079 --> 00:13:05,350

traffic and I got here late and I missed

305

00:13:09,660 --> 00:13:07,089

some talks but I heard someone was

306

00:13:11,460 --> 00:13:09,670

talking about biophotons yesterday and

307

00:13:14,550 --> 00:13:11,470

so I don't know how much detail they

308

00:13:16,439 --> 00:13:14,560

went into but biophotons sounds like a

309

00:13:18,910 --> 00:13:16,449

pretty complex and far out kind of thing

310

00:13:23,620 --> 00:13:18,920

but actually it's really really simple

311

00:13:27,220 --> 00:13:23,630

all it is is its low level ultraviolet

312

00:13:30,240 --> 00:13:27,230

light emissions from organic matter any

313

00:13:33,910 --> 00:13:30,250

organic matter whether it's plants

314

00:13:35,920 --> 00:13:33,920

animals people even cells like for

315

00:13:38,889 --> 00:13:35,930

example we had red blood cells that we

316

00:13:42,220 --> 00:13:38,899

found have bio photons are emitted from

317

00:13:47,199 --> 00:13:42,230

them any organic matter emits a really

318

00:13:50,079 --> 00:13:47,209

low level of ultraviolet lights there's

319

00:13:52,600 --> 00:13:50,089

a man named Fritz pop who back in the

320

00:13:55,870 --> 00:13:52,610

1970s he started doing some research

321

00:13:57,610 --> 00:13:55,880

related to but to ultraviolet light

322

00:14:01,180 --> 00:13:57,620

emissions from plants he was looking

323

00:14:03,730 --> 00:14:01,190

actually at organic versus non-organic

324

00:14:05,379 --> 00:14:03,740

plants and trying to see if there was in

325

00:14:06,490 --> 00:14:05,389

healthy plants versus of not healthy

326

00:14:09,730 --> 00:14:06,500

plants to try to see if there was a

327

00:14:11,470 --> 00:14:09,740

difference his theory was that while

328

00:14:12,970 --> 00:14:11,480

healthier plants are gonna emit more bio

329

00:14:15,250 --> 00:14:12,980

photons because they're healthier and

330

00:14:16,569 --> 00:14:15,260

organic plants will emit more because

331

00:14:19,090 --> 00:14:16,579

they're grown organically and they're

332

00:14:22,750 --> 00:14:19,100

natural and he was right about that but

333

00:14:24,100 --> 00:14:22,760

it's not only related to the health of

334

00:14:26,319 --> 00:14:24,110

the organism it's also related to

335

00:14:30,340 --> 00:14:26,329

stresses on the organism there are some

336

00:14:32,340 --> 00:14:30,350

for example there's some fish that when

337

00:14:35,800 --> 00:14:32,350

they become injured they emit

338

00:14:38,530 --> 00:14:35,810

ultraviolet light and it attracts other

339

00:14:41,650 --> 00:14:38,540

fish to them which might not always be a

340

00:14:43,900 --> 00:14:41,660

great survival mechanism but but there

341

00:14:45,550 --> 00:14:43,910

it does there are some some animals that

342

00:14:49,120 --> 00:14:45,560

do emit ultraviolet light when they're

343

00:14:52,090 --> 00:14:49,130

stressed but the other thing for its pop

344

00:14:54,100 --> 00:14:52,100

found is besides this organic matter

345

00:14:56,500 --> 00:14:54,110

just emitting this and having more at

346

00:14:57,900 --> 00:14:56,510

different times it also seemed to be

347

00:15:01,930 --> 00:14:57,910

related to some sort of cellular

348

00:15:05,319 --> 00:15:01,940

communication this was far out stuff

349

00:15:07,059 --> 00:15:05,329

back in the 70s people really didn't

350

00:15:09,280 --> 00:15:07,069

understand what he was talking about and

351

00:15:12,040 --> 00:15:09,290

they it didn't really fly with the

352

00:15:14,019 --> 00:15:12,050

biology community and biology medicine

353

00:15:16,120 --> 00:15:14,029

that really didn't work didn't work with

354

00:15:18,280 --> 00:15:16,130

him at all it was on the fringe I'm

355

00:15:20,620 --> 00:15:18,290

actually Fritz pop was relating some

356

00:15:23,740 --> 00:15:20,630

work that was done back in 1920s over in

357

00:15:27,040 --> 00:15:23,750

Russia but it took 50 years for it to

358

00:15:29,559 --> 00:15:27,050

get revived in the United States well

359

00:15:31,300 --> 00:15:29,569

since that time it's taken another

360

00:15:32,319 --> 00:15:31,310

couple decades but I'd say within the

361

00:15:34,780 --> 00:15:32,329

last probably

362

00:15:36,309 --> 00:15:34,790

ten years or so fritz prof work is

363

00:15:40,210 --> 00:15:36,319

starting to become more and more

364

00:15:45,579 --> 00:15:40,220

recognized in the traditional sciences

365

00:15:47,590 --> 00:15:45,589

in Stanford Cornell MIT they're there

366

00:15:49,600 --> 00:15:47,600

studying cell communication using

367

00:15:52,090 --> 00:15:49,610

ultraviolet light they're also looking

368

00:15:54,069 --> 00:15:52,100

at there's bioenergy labs in Germany

369

00:15:56,829 --> 00:15:54,079

where fritz bopp originated some of his

370

00:16:01,389 --> 00:15:56,839

work and also Japan and India they're

371

00:16:04,359 --> 00:16:01,399

all doing bioenergy work so the in from

372

00:16:07,239 --> 00:16:04,369

this this concept is starting to catch

373

00:16:09,850 --> 00:16:07,249

on it's being taught in the upper levels

374

00:16:12,069 --> 00:16:09,860

of biology courses and people are

375

00:16:14,679 --> 00:16:12,079

studying it to try to see you know cell

376

00:16:16,269 --> 00:16:14,689

communication using light kind of

377

00:16:17,739 --> 00:16:16,279

science a little bit like some of the

378

00:16:19,449 --> 00:16:17,749

technology we might use for some of the

379

00:16:21,699 --> 00:16:19,459

types from some of the electronics we

380

00:16:24,759 --> 00:16:21,709

have so it is starting to catch on quite

381

00:16:27,729 --> 00:16:24,769

a bit what does this have to do with

382

00:16:31,449 --> 00:16:27,739

healing well I'm not sure but at the

383

00:16:34,929 --> 00:16:31,459

Rhine we have this bioenergy lab the

384

00:16:36,429 --> 00:16:34,939

bioenergy lab is I've talked about this

385

00:16:37,780 --> 00:16:36,439

in a bunch of different forums and it's

386

00:16:39,819 --> 00:16:37,790

been written up a few times so I'm gonna

387

00:16:41,229 --> 00:16:39,829

go over it pretty quickly here today but

388

00:16:43,569 --> 00:16:41,239

the bioenergy lab is essentially a

389

00:16:45,579 --> 00:16:43,579

darkroom we're looking at we're looking

390

00:16:48,929 --> 00:16:45,589

for really really low levels of light

391

00:16:53,139 --> 00:16:48,939

right so we need a really dark room and

392

00:16:57,280 --> 00:16:53,149

in it we have this machine which is a

393

00:16:59,590 --> 00:16:57,290

photomultiplier tube PMT and it's a

394

00:17:04,120 --> 00:16:59,600

really really sensitive piece of

395

00:17:08,129 --> 00:17:04,130

equipment it can measure a single photon

396

00:17:11,949 --> 00:17:08,139

of ultraviolet light every half-second

397

00:17:15,220 --> 00:17:11,959

one photon every half second it can

398

00:17:17,019 --> 00:17:15,230

detect now when I have my room my dark

399

00:17:18,909 --> 00:17:17,029

room all set up and I have the system

400

00:17:21,159 --> 00:17:18,919

cooled and I have everything weren't

401
00:17:22,480 --> 00:17:21,169
running properly if I close it up and no

402
00:17:25,210 --> 00:17:22,490
one's in the room the room is completely

403
00:17:27,939 --> 00:17:25,220
empty I usually see about three to five

404
00:17:30,879 --> 00:17:27,949
photons a second that's like no light

405
00:17:33,190 --> 00:17:30,889
there's hardly any light in this room at

406
00:17:35,289 --> 00:17:33,200
all which is really good then when I

407
00:17:36,039 --> 00:17:35,299
bring a person it doesn't matter who it

408
00:17:38,919 --> 00:17:36,049
is me

409
00:17:40,810 --> 00:17:38,929
you anyone doesn't matter anybody comes

410
00:17:43,029 --> 00:17:40,820
in and sits in front of machine that

411
00:17:44,460 --> 00:17:43,039
baseline jumps up to about 12 to 20

412
00:17:49,420 --> 00:17:44,470
photons

413
00:17:52,360 --> 00:17:49,430

we Club we have this natural glove we

414

00:17:55,480 --> 00:17:52,370

emit bio photons of this ultraviolet

415

00:17:58,930 --> 00:17:55,490

light from our bodies so what we're

416

00:18:02,950 --> 00:17:58,940

doing in the lab is we bring in people

417

00:18:06,070 --> 00:18:02,960

who are healers people who have done

418

00:18:08,050 --> 00:18:06,080

martial arts who talked about Chi people

419

00:18:10,210 --> 00:18:08,060

have done medication met at medication

420

00:18:13,210 --> 00:18:10,220

who've done meditation well maybe them

421

00:18:15,400 --> 00:18:13,220

as well but people who do meditation can

422

00:18:17,140 --> 00:18:15,410

talk about Kundalini energies moving

423

00:18:18,310 --> 00:18:17,150

through their bodies and we say okay

424

00:18:21,580 --> 00:18:18,320

come on in and sit down

425

00:18:23,410 --> 00:18:21,590

don't do anything let's get a baseline

426

00:18:26,080 --> 00:18:23,420

reading on how much light you're

427

00:18:29,410 --> 00:18:26,090

emitting naturally and then we say start

428

00:18:31,810 --> 00:18:29,420

your healing start your martial arts or

429

00:18:36,010 --> 00:18:31,820

your meditation and we look for

430

00:18:41,400 --> 00:18:36,020

variations from that baseline any

431

00:18:46,450 --> 00:18:44,410

about 10% of the people that we've

432

00:18:49,240 --> 00:18:46,460

brought into the lab show variation from

433

00:18:50,530 --> 00:18:49,250

the baseline only about 10% of the

434

00:18:51,760 --> 00:18:50,540

healers that we brought in and we've

435

00:18:52,900 --> 00:18:51,770

brought in a lot of people who've been

436

00:18:57,040 --> 00:18:52,910

doing healing but they're showing about

437

00:18:59,980 --> 00:18:57,050

variations when I say variations

438

00:19:04,150 --> 00:18:59,990

remember I'm talking 12 to 20 photons is

439

00:19:05,140 --> 00:19:04,160

our baseline right these healers when

440

00:19:06,730 --> 00:19:05,150

they begin their healing

441

00:19:08,770 --> 00:19:06,740

all of a sudden throughout the process

442

00:19:13,210 --> 00:19:08,780

will start seeing these spikes it'll

443

00:19:16,720 --> 00:19:13,220

jump up 80 photons 80 photons is four

444

00:19:19,170 --> 00:19:16,730

times the baseline it's an extremely

445

00:19:21,520 --> 00:19:19,180

significant change in light in that room

446

00:19:25,990 --> 00:19:21,530

we have people who goes up to two

447

00:19:28,180 --> 00:19:26,000

hundred two thousand four hundred

448

00:19:31,420 --> 00:19:28,190

thousand and we've even had two people

449

00:19:35,170 --> 00:19:31,430

go over a million photons a second from

450

00:19:37,170 --> 00:19:35,180

twenty at the baseline and what happens

451
00:19:40,030 --> 00:19:37,180
is when they start their healing process

452
00:19:42,610 --> 00:19:40,040
after a brief period of time we'll start

453
00:19:45,610 --> 00:19:42,620
seeing some jumps and start seeing these

454
00:19:47,440 --> 00:19:45,620
levels going up high and then we'll say

455
00:19:49,930 --> 00:19:47,450
stop take a break and it goes right back

456
00:19:52,210 --> 00:19:49,940
down to the baseline we say start again

457
00:19:55,950 --> 00:19:52,220
it goes back up again and we start

458
00:19:57,430 --> 00:19:55,960
seeing this so it seems that there is

459
00:19:59,560 --> 00:19:57,440
something

460
00:20:01,990 --> 00:19:59,570
related to the processes going on for

461
00:20:04,779 --> 00:20:02,000
10% of the people we're bringing in that

462
00:20:07,330 --> 00:20:04,789
they are demonstrating or expressing

463
00:20:10,119 --> 00:20:07,340

more biophotons or some people might say

464

00:20:13,330 --> 00:20:10,129

recruiting those biophotons

465

00:20:16,119 --> 00:20:13,340

to them it's more light is occurring in

466

00:20:17,769 --> 00:20:16,129

the room we have some successful healers

467

00:20:19,450 --> 00:20:17,779

people who have been doing healing for a

468

00:20:21,700 --> 00:20:19,460

long time who have had a lot of success

469

00:20:24,669 --> 00:20:21,710

have a career doing healing they show no

470

00:20:26,259 --> 00:20:24,679

variation in fact bill I hope you don't

471

00:20:28,629 --> 00:20:26,269

mind if I'm saying when bill came down

472

00:20:30,220 --> 00:20:28,639

to the Rhine a couple years ago I asked

473

00:20:33,419 --> 00:20:30,230

him to sit in the bioenergy lab and he

474

00:20:36,220 --> 00:20:33,429

did his cycling and we got no variation

475

00:20:40,570 --> 00:20:36,230

so he was part of the 90% that we didn't

476

00:20:43,659 --> 00:20:40,580

see a variation related to this but we

477

00:20:45,549 --> 00:20:43,669

some of them 10% did show a variation

478

00:20:50,340 --> 00:20:45,559

and some of them very significant

479

00:20:55,480 --> 00:20:50,350

variation well this is exciting

480

00:20:57,369 --> 00:20:55,490

part of biophotons healing energy are we

481

00:21:00,070 --> 00:20:57,379

have we finally found this and you know

482

00:21:03,789 --> 00:21:00,080

people talk about energetic healing you

483

00:21:05,830 --> 00:21:03,799

know light is energy light is

484

00:21:07,659 --> 00:21:05,840

electromagnetic energy you can take the

485

00:21:10,960 --> 00:21:07,669

wavelength times Planck's constant and

486

00:21:13,180 --> 00:21:10,970

you get an energy reading so are we

487

00:21:14,860 --> 00:21:13,190

finding this energy Chi we have martial

488

00:21:16,360 --> 00:21:14,870

artists come in they're finding we're

489

00:21:19,180 --> 00:21:16,370

finding the bio photons when they're

490

00:21:21,460 --> 00:21:19,190

doing manipulation are we finding this

491

00:21:23,619 --> 00:21:21,470

Chi are we finding this are we finally

492

00:21:26,049 --> 00:21:23,629

finding a reading we can take to find

493

00:21:30,399 --> 00:21:26,059

this energy seems like it really

494

00:21:32,169 --> 00:21:30,409

exciting but you know I got this little

495

00:21:35,850 --> 00:21:32,179

scientist he sits on my shoulder and he

496

00:21:43,509 --> 00:21:40,330

maybe it's something else maybe it's not

497

00:21:50,529 --> 00:21:43,519

this light could it be something

498

00:21:55,599 --> 00:21:52,659

we know from experiments that we're done

499

00:21:58,149 --> 00:21:55,609

in pair you see I think some of you guys

500

00:22:00,549 --> 00:21:58,159

have mine lamps here last night and a

501
00:22:02,619 --> 00:22:00,559
little Sylar on random number generator

502
00:22:05,169 --> 00:22:02,629
this is a machine that Helmut Schmidt

503
00:22:08,349 --> 00:22:05,179
put together and was working on it with

504
00:22:09,789 --> 00:22:08,359
the Rhine back in the 70s and that's the

505
00:22:12,219 --> 00:22:09,799
guy from the matrix been in the spoon

506
00:22:14,619 --> 00:22:12,229
but but these other ones are actually

507
00:22:19,269 --> 00:22:14,629
real life type of things and people have

508
00:22:22,359 --> 00:22:19,279
an effect on machinery intentionally you

509
00:22:24,879 --> 00:22:22,369
can affect machines but not only

510
00:22:27,129 --> 00:22:24,889
intentionally can you cause random

511
00:22:30,629 --> 00:22:27,139
events to occur electronic systems of

512
00:22:33,189 --> 00:22:30,639
very quantum quantum processes to very

513
00:22:36,339 --> 00:22:33,199

last when I guess it's been about a year

514

00:22:39,129 --> 00:22:36,349

and a half no I went to do an

515

00:22:41,469 --> 00:22:39,139

investigation of a poltergeist where

516

00:22:44,859 --> 00:22:41,479

there was a little child who's 11 years

517

00:22:49,599 --> 00:22:44,869

old and he was having effects on

518

00:22:53,769 --> 00:22:49,609

electronics computer systems on printers

519

00:22:56,199 --> 00:22:53,779

remote controls TV sets telephone smoke

520

00:22:57,549 --> 00:22:56,209

alarms he was having effects on all of

521

00:23:00,399 --> 00:22:57,559

these things and it was disturbing to

522

00:23:04,029 --> 00:23:00,409

him he wasn't doing it on purpose it was

523

00:23:06,699 --> 00:23:04,039

unintentional so here I am and I'm

524

00:23:09,069 --> 00:23:06,709

thinking wow this stuff can happen

525

00:23:16,389 --> 00:23:09,079

unintentionally I have people going into

526

00:23:18,819 --> 00:23:16,399

this dark room and I got this really

527

00:23:21,099 --> 00:23:18,829

really sensitive pieces of electronic

528

00:23:22,659 --> 00:23:21,109

equipment in there and it's really

529

00:23:26,499 --> 00:23:22,669

sensitive piece of electronic equipment

530

00:23:29,019 --> 00:23:26,509

is showing me variations it's showing me

531

00:23:30,189 --> 00:23:29,029

that there's electronics that are or

532

00:23:31,509 --> 00:23:30,199

that showed me that there are photons

533

00:23:35,169 --> 00:23:31,519

being produced because that's what it's

534

00:23:38,859 --> 00:23:35,179

designed to do but maybe they're

535

00:23:42,279 --> 00:23:38,869

actually affecting the machine maybe

536

00:23:44,799 --> 00:23:42,289

they're not producing light maybe

537

00:23:47,799 --> 00:23:44,809

they're actually expressing PK well how

538

00:23:49,479 --> 00:23:47,809

do I test this you know my machine is

539

00:23:51,219 --> 00:23:49,489

designed to test light and I'm putting

540

00:23:53,559 --> 00:23:51,229

them in a dark room with the machine

541

00:23:57,099 --> 00:23:53,569

that's designed to test light how do I

542

00:23:59,079 --> 00:23:57,109

test if it's PK or light this is a

543

00:24:02,850 --> 00:23:59,089

dilemma but it actually turned out to be

544

00:24:08,880 --> 00:24:05,190

I put him in a dark room and I close the

545

00:24:13,320 --> 00:24:08,890

shutter no light could get into the

546

00:24:15,060 --> 00:24:13,330

machine and so I took one of our one of

547

00:24:17,990 --> 00:24:15,070

our healers who have come died

548

00:24:21,289 --> 00:24:18,000

repeatedly and has shown consistent

549

00:24:23,760 --> 00:24:21,299

consistent results with Pete with

550

00:24:25,950 --> 00:24:23,770

biophotons always getting high readings

551
00:24:29,130 --> 00:24:25,960
with biophoton turns it on and off like

552
00:24:30,000 --> 00:24:29,140
this and I said go in the room and we

553
00:24:38,159 --> 00:24:30,010
close the shutter

554
00:24:40,860 --> 00:24:38,169
I still got photon readings he was doing

555
00:24:43,230 --> 00:24:40,870
PK I'm not saying there wasn't light

556
00:24:44,640 --> 00:24:43,240
that was being produced because I still

557
00:24:47,970 --> 00:24:44,650
believe that there is light that's

558
00:24:50,549 --> 00:24:47,980
produced but he was at least

559
00:24:55,549 --> 00:24:50,559
supplementing his results with having PK

560
00:24:59,909 --> 00:24:55,559
effects on this machine so here now I

561
00:25:02,610 --> 00:24:59,919
want to know is this guy he's getting PK

562
00:25:04,350 --> 00:25:02,620
results can I make sure that it's not

563
00:25:06,060 --> 00:25:04,360

just something that's kind of a weird

564

00:25:08,070 --> 00:25:06,070

thing that's happened in a bioenergy lab

565

00:25:11,039 --> 00:25:08,080

so I have PK test think I can do in a

566

00:25:12,900 --> 00:25:11,049

bioenergy lab but also I had to have the

567

00:25:16,409 --> 00:25:12,910

silo silo Ron random knocking random

568

00:25:19,049 --> 00:25:16,419

event generator so I had him do some

569

00:25:20,700 --> 00:25:19,059

testing with this and doing some testing

570

00:25:22,200 --> 00:25:20,710

using their standard software which is

571

00:25:25,470 --> 00:25:22,210

really great software Roger I want to

572

00:25:27,539 --> 00:25:25,480

mention it really great software the we

573

00:25:28,980 --> 00:25:27,549

do some testing with it the see if he

574

00:25:31,409 --> 00:25:28,990

could go out of bounds

575

00:25:34,590 --> 00:25:31,419

knock it two standard deviations off

576

00:25:37,159 --> 00:25:34,600

there mean not only did he knock it off

577

00:25:40,110 --> 00:25:37,169

the mean he knocked it out of the park I

578

00:25:41,850 --> 00:25:40,120

ended up doing and at one point he not

579

00:25:43,890 --> 00:25:41,860

only worked on it directly within the

580

00:25:47,880 --> 00:25:43,900

lab but at one point I had him go use

581

00:25:51,240 --> 00:25:47,890

Skype from his home in Georgia to Durham

582

00:25:53,010 --> 00:25:51,250

and he's looking at the machine and we

583

00:25:55,169 --> 00:25:53,020

did 30 trials I was trying to get a

584

00:25:58,740 --> 00:25:55,179

sense of you know what he could do we

585

00:26:00,840 --> 00:25:58,750

did 30 trials 11 of them were very

586

00:26:03,150 --> 00:26:00,850

significant more than two standard

587

00:26:05,190 --> 00:26:03,160

deviations some of them were just way

588

00:26:09,270 --> 00:26:05,200

more than two standard deviations off 11

589

00:26:11,130 --> 00:26:09,280

out of 30 that's really unusual but he

590

00:26:15,120 --> 00:26:11,140

was consistently doing this we're still

591

00:26:16,360 --> 00:26:15,130

looking at his the extent of this we

592

00:26:19,180 --> 00:26:16,370

also used other electron

593

00:26:21,640 --> 00:26:19,190

devices that were related to that were

594

00:26:25,240 --> 00:26:21,650

designed to detect electronic

595

00:26:28,870 --> 00:26:25,250

interference and he also was able to

596

00:26:34,060 --> 00:26:28,880

affect these so it's clear that he's

597

00:26:37,290 --> 00:26:34,070

doing PK so we're healing and PK the

598

00:26:38,950 --> 00:26:37,300

same thing you know a lot of

599

00:26:40,630 --> 00:26:38,960

parapsychologists and a lot of lot of

600

00:26:45,190 --> 00:26:40,640

researchers that I've spoken to think

601
00:26:49,270 --> 00:26:45,200
that healing is by definition PK but

602
00:26:50,470 --> 00:26:49,280
before we can say that this seems to

603
00:26:53,830 --> 00:26:50,480
demonstrate that maybe they're right

604
00:26:55,360 --> 00:26:53,840
because I have a healer here he has a

605
00:26:58,150 --> 00:26:55,370
career in here he's been doing it for a

606
00:27:01,900 --> 00:26:58,160
long time he's been doing a bio photon

607
00:27:03,430 --> 00:27:01,910
stuff and he's also doing PK but before

608
00:27:04,870 --> 00:27:03,440
we can say that we have to consider

609
00:27:06,640 --> 00:27:04,880
remember going back at the beginning we

610
00:27:07,240 --> 00:27:06,650
have to consider their approach to

611
00:27:10,630 --> 00:27:07,250
healing

612
00:27:13,299 --> 00:27:10,640
how are people approaching it not all

613
00:27:15,880 --> 00:27:13,309

people approach it the same way this man

614

00:27:19,120 --> 00:27:15,890

who demonstrated PK and it's this is

615

00:27:21,460 --> 00:27:19,130

still ongoing research but this single

616

00:27:25,660 --> 00:27:21,470

man who was demonstrated PK he's a very

617

00:27:28,660 --> 00:27:25,670

directed healer he targets very specific

618

00:27:31,120 --> 00:27:28,670

things he's also extremely conscious of

619

00:27:33,700 --> 00:27:31,130

what he's trying to do so he's very

620

00:27:38,190 --> 00:27:33,710

focused and very directed and that's his

621

00:27:42,700 --> 00:27:38,200

approach to healing it's intentional

622

00:27:44,320 --> 00:27:42,710

not all healers are demonstrating PK in

623

00:27:45,190 --> 00:27:44,330

our lab not all of them are shown

624

00:27:47,350 --> 00:27:45,200

biophotons

625

00:27:51,370 --> 00:27:47,360

but not all of them are able to do PK

626

00:27:53,350 --> 00:27:51,380

either so it seems that there may be

627

00:27:56,230 --> 00:27:53,360

something related to the approach that

628

00:27:58,510 --> 00:27:56,240

you take to your healing activity that

629

00:28:04,080 --> 00:27:58,520

may determine whether you're using PK or

630

00:28:09,270 --> 00:28:04,090

you might be using another method so

631

00:28:13,560 --> 00:28:09,280

what have we seen we've seen that some

632

00:28:18,460 --> 00:28:13,570

but not all healers work directly and

633

00:28:20,919 --> 00:28:18,470

intentionally some healers use a more

634

00:28:23,020 --> 00:28:20,929

holistic approach and a lot of healers

635

00:28:23,880 --> 00:28:23,030

are not conscious of the type of healing

636

00:28:26,310 --> 00:28:23,890

they're doing

637

00:28:28,680 --> 00:28:26,320

they're not because they're not aware of

638

00:28:31,410 --> 00:28:28,690

what the mechanisms are what's going on

639

00:28:33,900 --> 00:28:31,420

and they're not creating dynamic images

640

00:28:37,380 --> 00:28:33,910

of what's happening they're more just

641

00:28:40,530 --> 00:28:37,390

allowing it to happen some healers who

642

00:28:43,220 --> 00:28:40,540

use this more holistic approach they

643

00:28:47,880 --> 00:28:43,230

don't demonstrate biophotons in our lab

644

00:28:50,520 --> 00:28:47,890

at least one healer who uses a very

645

00:28:56,820 --> 00:28:50,530

directional approach demonstrated PK

646

00:28:58,410 --> 00:28:56,830

effects in many cases the volunteers who

647

00:29:02,610 --> 00:28:58,420

are working with any of these healers

648

00:29:04,290 --> 00:29:02,620

are reporting benefits so it's not like

649

00:29:07,320 --> 00:29:04,300

this type of healing work and that one

650

00:29:09,630 --> 00:29:07,330

doesn't know the approach still seems to

651
00:29:13,040 --> 00:29:09,640
provide benefits to people or people

652
00:29:16,590 --> 00:29:13,050
seem to be reporting benefits from this

653
00:29:19,620 --> 00:29:16,600
so what do we want to do for further

654
00:29:24,120 --> 00:29:19,630
study here's a couple hypotheses we want

655
00:29:26,520 --> 00:29:24,130
to look at first of all can we detect

656
00:29:30,690 --> 00:29:26,530
these energy healing effects in living

657
00:29:33,990 --> 00:29:30,700
organisms bill did a really nice job

658
00:29:35,990 --> 00:29:34,000
working with the mice and showing that

659
00:29:39,240 --> 00:29:36,000
there is an effect in a living organism

660
00:29:40,710 --> 00:29:39,250
can we replicate this you know one of

661
00:29:43,140 --> 00:29:40,720
the things I didn't mention early on is

662
00:29:46,320 --> 00:29:43,150
when we started this whole this whole

663
00:29:48,000 --> 00:29:46,330

research related to healing we wanted to

664

00:29:49,950 --> 00:29:48,010

do it without really talking too much

665

00:29:51,480 --> 00:29:49,960

the bill even well we're using a system

666

00:29:54,060 --> 00:29:51,490

even though we're all training we one of

667

00:29:57,390 --> 00:29:54,070

those it without him none because Bill's

668

00:29:59,640 --> 00:29:57,400

research when Bill knows about it people

669

00:30:01,920 --> 00:29:59,650

get healed my torrent shouldn't MIT mice

670

00:30:03,180 --> 00:30:01,930

get healed well anytime bill knows about

671

00:30:05,220 --> 00:30:03,190

the mites so we want to make sure that

672

00:30:06,630 --> 00:30:05,230

he didn't wasn't really aware of the

673

00:30:08,220 --> 00:30:06,640

details of what was going on or what

674

00:30:10,170 --> 00:30:08,230

we're doing this is the first time I'm

675

00:30:13,560 --> 00:30:10,180

really talking about it and so he's

676
00:30:15,810 --> 00:30:13,570
understanding it in this case we're

677
00:30:18,030 --> 00:30:15,820
trying we want to try to replicate some

678
00:30:20,130 --> 00:30:18,040
of his results just working from the

679
00:30:21,900 --> 00:30:20,140
training method that he presented and

680
00:30:25,140 --> 00:30:21,910
from the from the training that we've

681
00:30:26,670 --> 00:30:25,150
done the practice we've done so that's

682
00:30:29,010 --> 00:30:26,680
the first thing we want to do one of the

683
00:30:31,670 --> 00:30:29,020
other things hypotheses we want to look

684
00:30:34,440 --> 00:30:31,680
at is some healers who use this

685
00:30:38,080 --> 00:30:34,450
intentional directional approach

686
00:30:41,230 --> 00:30:38,090
do they produce more biophotons and do

687
00:30:43,720 --> 00:30:41,240
they demonstrate PK is this type of

688
00:30:47,500 --> 00:30:43,730

healing approach related to a PK

689

00:30:49,330 --> 00:30:47,510

expression and a corollary to this is

690

00:30:52,650 --> 00:30:49,340

people who use other approaches a more

691

00:30:55,630 --> 00:30:52,660

holistic or unconscious approach do they

692

00:30:59,260 --> 00:30:55,640

not produce so much biophotons

693

00:31:00,700 --> 00:30:59,270

are they not so PK oriented that's a

694

00:31:04,300 --> 00:31:00,710

corollary that we would want to look at

695

00:31:08,850 --> 00:31:04,310

and finally this last one here I would

696

00:31:13,060 --> 00:31:08,860

like to ensure that volunteers report

697

00:31:15,400 --> 00:31:13,070

beneficial results regardless of which

698

00:31:18,220 --> 00:31:15,410

approach is used it seems that way

699

00:31:20,080 --> 00:31:18,230

I want to formalize this so these are

700

00:31:24,700 --> 00:31:20,090

some of the hypotheses that we want to

701
00:31:29,440 --> 00:31:24,710
follow up on well yeah I don't know how

702
00:31:31,320 --> 00:31:29,450
much time I've used up but perfect there

703
00:31:40,770 --> 00:31:31,330
we are

704
00:31:43,510 --> 00:31:40,780
[Applause]

705
00:31:47,260 --> 00:31:43,520
yeah I want to follow up on your

706
00:31:49,740 --> 00:31:47,270
biophoton angle um earlier early in the

707
00:31:51,700 --> 00:31:49,750
biophoton one of the earliest

708
00:31:55,840 --> 00:31:51,710
researchers biker which had to do with

709
00:31:57,520 --> 00:31:55,850
bio photons from cell division yes so

710
00:31:59,350 --> 00:31:57,530
I'm wondering it seems to me the real

711
00:32:02,560 --> 00:31:59,360
the important question is have you

712
00:32:05,320 --> 00:32:02,570
thought or have you already done bio

713
00:32:07,570 --> 00:32:05,330

photons emissions of the person or

714

00:32:11,470 --> 00:32:07,580

organism being treated because it seems

715

00:32:13,630 --> 00:32:11,480

like to me if you change the rate of by

716

00:32:15,300 --> 00:32:13,640

all photon emissions from the target

717

00:32:17,410 --> 00:32:15,310

object that would be the more

718

00:32:20,740 --> 00:32:17,420

interesting question or the correct

719

00:32:23,890 --> 00:32:20,750

question with regard to the whatever

720

00:32:25,300 --> 00:32:23,900

healing is taking place yes we we've

721

00:32:26,350 --> 00:32:25,310

done different things with the bioenergy

722

00:32:28,090 --> 00:32:26,360

lab it's been running for thirty years

723

00:32:30,430 --> 00:32:28,100

they've been doing a lot of different

724

00:32:31,900 --> 00:32:30,440

work in there but what we've we have had

725

00:32:34,000 --> 00:32:31,910

healers in there alone when they're

726

00:32:36,340 --> 00:32:34,010

doing their healing work we've had

727

00:32:38,980 --> 00:32:36,350

healers in there with someone that they

728

00:32:40,630 --> 00:32:38,990

were treating and we found that there's

729

00:32:42,460 --> 00:32:40,640

a missions during that time as well

730

00:32:45,610 --> 00:32:42,470

we've have done studies where we've had

731

00:32:47,940 --> 00:32:45,620

healers outside the room and had someone

732

00:32:50,050 --> 00:32:47,950

inside the room who was being treated

733

00:32:51,370 --> 00:32:50,060

unfortunately we didn't see any results

734

00:32:53,040 --> 00:32:51,380

when we did that we didn't see

735

00:32:54,940 --> 00:32:53,050

variations and biophotons

736

00:32:56,860 --> 00:32:54,950

one of the things that I'm really

737

00:32:58,750 --> 00:32:56,870

interested in is to get another

738

00:32:59,140 --> 00:32:58,760

photomultiplier and set up another dark

739

00:33:03,190 --> 00:32:59,150

room

740

00:33:05,470 --> 00:33:03,200

have someone being treated in another

741

00:33:07,720 --> 00:33:05,480

room and see if I have consistent

742

00:33:09,490 --> 00:33:07,730

correlations between the variations and

743

00:33:11,320 --> 00:33:09,500

for times this would give me a better

744

00:33:13,420 --> 00:33:11,330

sense of whether there is a signaling

745

00:33:17,020 --> 00:33:13,430

mechanism and this is a mechanism might

746

00:33:18,790 --> 00:33:17,030

be used to make healing occur so we've

747

00:33:21,970 --> 00:33:18,800

thought about this we haven't seen

748

00:33:23,370 --> 00:33:21,980

results one more short suggestion you

749

00:33:27,550 --> 00:33:23,380

might want to think about can you

750

00:33:29,440 --> 00:33:27,560

increase growth rates and that might be

751

00:33:31,480 --> 00:33:29,450

a really I mean that might help you

752

00:33:33,010 --> 00:33:31,490

narrow down what you're doing - yeah I

753

00:33:35,230 --> 00:33:33,020

have a phoenician have a young

754

00:33:37,440 --> 00:33:35,240

researcher who's just joined us who's

755

00:33:39,940 --> 00:33:37,450

very interested in that topic

756

00:33:42,010 --> 00:33:39,950

Hidell okay you just answered the

757

00:33:46,570 --> 00:33:42,020

question I'm here to ask so then I'll

758

00:33:49,460 --> 00:33:46,580

just make our comment back in 1976 in

759

00:33:53,240 --> 00:33:49,470

the Soviet Union a researcher

760

00:33:55,070 --> 00:33:53,250

Norma was publicizing and Michael genic

761

00:33:58,490 --> 00:33:55,080

radiation this is basically a UV

762

00:34:00,740 --> 00:33:58,500

radiation hypothesizing that this was to

763

00:34:04,250 --> 00:34:00,750

waste me SP work through this kind of

764

00:34:06,350 --> 00:34:04,260

cellular communication unfortunately the

765

00:34:07,940 --> 00:34:06,360

Silvius took a dim view of that locked

766

00:34:09,859 --> 00:34:07,950

him up in prison for a couple of years

767

00:34:12,379 --> 00:34:09,869

because they thought he was giving away

768

00:34:14,540 --> 00:34:12,389

important secrets to the US government

769

00:34:16,849 --> 00:34:14,550

so for those of you that think of being

770

00:34:20,270 --> 00:34:16,859

persecuted by the vor for seeing this

771

00:34:24,379 --> 00:34:20,280

country think back then

772

00:34:25,879 --> 00:34:24,389

and related to this Dale I've talked

773

00:34:28,040 --> 00:34:25,889

about healers today we've had other

774

00:34:30,230 --> 00:34:28,050

people doing different sized phenomena

775

00:34:33,200 --> 00:34:30,240

in the room and demonstrating biophotons

776

00:34:37,760 --> 00:34:33,210

as well so it's not just isolated to

777

00:34:42,800 --> 00:34:37,770

healers well you mentioned also in

778

00:34:45,260 --> 00:34:42,810

passing that you used detectors to to

779

00:34:47,119 --> 00:34:45,270

detect electromagnetic interference I

780

00:34:49,609 --> 00:34:47,129

believe is the words you use could you

781

00:34:53,260 --> 00:34:49,619

describe what what those instruments are

782

00:34:56,180 --> 00:34:53,270

and and also with regard to the PMT room

783

00:35:00,740 --> 00:34:56,190

can people visit the lab and be tested

784

00:35:02,329 --> 00:35:00,750

do you take appointments well first

785

00:35:04,640 --> 00:35:02,339

related to the electronics that are

786

00:35:07,910 --> 00:35:04,650

designed specifically to detect

787

00:35:09,589 --> 00:35:07,920

electronic interference I'm sorry Ross

788

00:35:12,170 --> 00:35:09,599

left because he's electrical in an error

789

00:35:14,120 --> 00:35:12,180

I'm not so I can't tell you the details

790

00:35:15,589 --> 00:35:14,130

of the systems but essentially their

791

00:35:16,970 --> 00:35:15,599

systems that were designed so that if

792

00:35:21,170 --> 00:35:16,980

there is electrical interference the

793

00:35:22,820 --> 00:35:21,180

register of motion so it'll register by

794

00:35:24,440 --> 00:35:22,830

showing some motion in the system I

795

00:35:25,849 --> 00:35:24,450

don't know the details of the

796

00:35:27,980 --> 00:35:25,859

electronics I can't tell you about that

797

00:35:29,990 --> 00:35:27,990

in terms of coming to visit the lab I'd

798

00:35:34,400 --> 00:35:30,000

be happy to give you a tour I always

799

00:35:37,510 --> 00:35:34,410

give tours it a lab but told you there's

800

00:35:40,490 --> 00:35:37,520

healers coming out my ears endure my

801
00:35:43,339 --> 00:35:40,500
people oftentimes want to be tested in a

802
00:35:46,099 --> 00:35:43,349
lab I have to prioritize my time a bit

803
00:35:48,530 --> 00:35:46,109
so it's not always easy to fit people in

804
00:35:51,130 --> 00:35:48,540
but if you're interested you can talk

805
00:35:53,450 --> 00:35:51,140
with me yes my question is about

806
00:35:55,670 --> 00:35:53,460
creating an intentional intentional

807
00:35:58,190 --> 00:35:55,680
space that promotes whatever you're

808
00:35:59,720 --> 00:35:58,200
doing this your case healing theirs I've

809
00:36:01,819 --> 00:35:59,730
had experiences with that another

810
00:36:04,249 --> 00:36:01,829
phenomenon you find in the literature

811
00:36:06,829 --> 00:36:04,259
how creating an intentional space where

812
00:36:09,289 --> 00:36:06,839
things happen hey I don't know how you

813
00:36:12,229 --> 00:36:09,299

would do a research you know comparison

814

00:36:13,699 --> 00:36:12,239

this is your space with going off where

815

00:36:15,380 --> 00:36:13,709

you don't have a space individual

816

00:36:16,729 --> 00:36:15,390

healers and see what the results would

817

00:36:19,640 --> 00:36:16,739

be but I think it'd be an interesting

818

00:36:22,219 --> 00:36:19,650

thing to look into that sounds very

819

00:36:23,930 --> 00:36:22,229

interesting and in fact Jeannette

820

00:36:25,009 --> 00:36:23,940

weren't you mentioning this to me what

821

00:36:26,509 --> 00:36:25,019

are we talking about this at one point

822

00:36:28,339 --> 00:36:26,519

you might want to you might want to talk

823

00:36:29,959 --> 00:36:28,349

to Jeannette Nachman - she and I were

824

00:36:32,209 --> 00:36:29,969

talking about this because we do have a

825

00:36:36,499 --> 00:36:32,219

single space that we work in on a

826

00:36:40,339 --> 00:36:36,509

regular basis I was intrigued by your

827

00:36:43,459 --> 00:36:40,349

description that the it was a very

828

00:36:46,489 --> 00:36:43,469

directed focused intentional healer who

829

00:36:50,569 --> 00:36:46,499

was producing piqué effects during his

830

00:36:52,549 --> 00:36:50,579

healing sessions because an important

831

00:36:54,890 --> 00:36:52,559

feature that he has in common with your

832

00:36:58,219 --> 00:36:54,900

poltergeist which you did not mention

833

00:37:00,199 --> 00:36:58,229

explicitly is that the PK was

834

00:37:03,650 --> 00:37:00,209

unintentional he was doing a healing

835

00:37:05,779 --> 00:37:03,660

session and this this PK was showing up

836

00:37:08,239 --> 00:37:05,789

as a side-effect I had hoped that you

837

00:37:10,219 --> 00:37:08,249

would develop that concept in somewhat

838

00:37:14,239 --> 00:37:10,229

more detail but you never got back to it

839

00:37:16,759 --> 00:37:14,249

well this this person in particular he

840

00:37:19,459 --> 00:37:16,769

talks about his healing as if it's all

841

00:37:22,279 --> 00:37:19,469

electrical everything is electrical and

842

00:37:25,930 --> 00:37:22,289

he considers that he has the ability to

843

00:37:30,140 --> 00:37:25,940

manipulate electricity and so he sends

844

00:37:34,130 --> 00:37:30,150

positive or negative ions and sends

845

00:37:37,249 --> 00:37:34,140

electricity through the body and so this

846

00:37:40,249 --> 00:37:37,259

is how he intentionally does his healing

847

00:37:42,559 --> 00:37:40,259

work utilizing affecting the this is his

848

00:37:45,109 --> 00:37:42,569

words affecting the electrical system of

849

00:37:47,719 --> 00:37:45,119

the body I don't see that because I

850

00:37:50,299 --> 00:37:47,729

don't I can't directly measure that but

851
00:37:52,279 --> 00:37:50,309
these are his and so as I was saying we

852
00:37:54,469 --> 00:37:52,289
have to take our data in the context of

853
00:37:55,789 --> 00:37:54,479
the people who are experiencing it so

854
00:37:57,439 --> 00:37:55,799
that's why I mentioned that he's very

855
00:38:00,679 --> 00:37:57,449
intentional and directed because that's

856
00:38:07,799 --> 00:38:04,140
hey Jenna hi this this is great this is

857
00:38:11,339 --> 00:38:07,809
great by Tricon as you know I've worked

858
00:38:15,599 --> 00:38:11,349
with and studied with dr. Welsh an Wang

859
00:38:19,019 --> 00:38:15,609
Chan and and he's always telling us that

860
00:38:21,900 --> 00:38:19,029
when he would talk to healers and or to

861
00:38:24,029 --> 00:38:21,910
mediums which anyone doing side say how

862
00:38:27,120 --> 00:38:24,039
did you do it each one had a different

863
00:38:29,459 --> 00:38:27,130

recipe on how they did it so then he

864

00:38:32,729 --> 00:38:29,469

changed good and his goal was to

865

00:38:35,609 --> 00:38:32,739

understand to work on a theory of how

866

00:38:38,640 --> 00:38:35,619

this all works so then instead he asked

867

00:38:44,160 --> 00:38:38,650

how do you experience reality how do you

868

00:38:47,130 --> 00:38:44,170

experience the world when this saw event

869

00:38:49,589 --> 00:38:47,140

is taking place and that helped and so

870

00:38:52,890 --> 00:38:49,599

then everyone out of like 50 did

871

00:38:55,049 --> 00:38:52,900

different recipes of I go to dine face

872

00:38:58,229 --> 00:38:55,059

the east I do energy I do

873

00:39:02,880 --> 00:38:58,239

electricity he found it boiled down to

874

00:39:05,819 --> 00:39:02,890

fewer more couple of common method you

875

00:39:08,489 --> 00:39:05,829

know experiences I'm in one with the

876

00:39:10,559 --> 00:39:08,499

person and I think this usually it's the

877

00:39:12,809 --> 00:39:10,569

oneness in their love now I guess it's

878

00:39:14,969 --> 00:39:12,819

not always especially if someone who's

879

00:39:16,949 --> 00:39:14,979

just sitting you say okay do a healing

880

00:39:20,759 --> 00:39:16,959

this catch the head and they can do a

881

00:39:23,370 --> 00:39:20,769

healing but I'm this father like quick

882

00:39:26,789 --> 00:39:23,380

boy and he also said that in terms of

883

00:39:29,759 --> 00:39:26,799

energy the concept like obviously there

884

00:39:33,029 --> 00:39:29,769

are energetic things are going on and

885

00:39:36,599 --> 00:39:33,039

maybe the photons are a byproduct of the

886

00:39:39,809 --> 00:39:36,609

healing as opposed to the doing the

887

00:39:43,919 --> 00:39:39,819

healing and so he says but he always

888

00:39:46,349 --> 00:39:43,929

cautions us about to not work within

889

00:39:50,039 --> 00:39:46,359

that as a concept in doing the healing

890

00:39:52,229 --> 00:39:50,049

training or doing that because course

891

00:39:55,650 --> 00:39:52,239

the doctor talked about energy because

892

00:39:58,279 --> 00:39:55,660

that freezes one's mind to think of

893

00:40:03,709 --> 00:39:58,289

energy as we usually know it electricity

894

00:40:06,929 --> 00:40:03,719

from here to there and time and space

895

00:40:10,349 --> 00:40:06,939

usually what's going on I mean is for

896

00:40:11,920 --> 00:40:10,359

many people's experience is outside of

897

00:40:16,900 --> 00:40:11,930

times

898

00:40:21,500 --> 00:40:16,910

but these but this is incredibly this is

899

00:40:23,450 --> 00:40:21,510

it shows like two worlds well very good

900

00:40:24,800 --> 00:40:23,460

suggestions about you know taking world

901
00:40:26,359 --> 00:40:24,810
view into account when we're talking

902
00:40:28,819 --> 00:40:26,369
about healing because I think that has a

903
00:40:30,589 --> 00:40:28,829
lot to do more than just the experience

904
00:40:32,510 --> 00:40:30,599
but how they put it in context within

905
00:40:36,170 --> 00:40:32,520
their own life and within their view of

906
00:40:40,579 --> 00:40:36,180
the world you know if biophotons really

907
00:40:42,680 --> 00:40:40,589
are this healing energy if it is then it

908
00:40:44,420 --> 00:40:42,690
is within timing space and it is

909
00:40:46,430 --> 00:40:44,430
measurable because we can find it

910
00:40:48,109 --> 00:40:46,440
exact so there's different perspectives

911
00:40:49,520 --> 00:40:48,119
and I think the different approaches

912
00:40:51,440 --> 00:40:49,530
might have a lot to do with this yeah

913
00:41:05,270 --> 00:40:51,450

well we'll find out more than anymore

914

00:41:08,410 --> 00:41:05,280

Thank You Jones great conference and

915

00:41:12,440 --> 00:41:08,420

everyone going forward in time could

916

00:41:15,109 --> 00:41:12,450

think about this well yeah it's not just

917

00:41:17,569 --> 00:41:15,119

a personal thing that I've spent my

918

00:41:21,260 --> 00:41:17,579

entire career in physics and I think of

919

00:41:23,020 --> 00:41:21,270

energy as something well it's something

920

00:41:26,000 --> 00:41:23,030

that can be measured in joules or

921

00:41:31,520 --> 00:41:26,010

foot-pounds whatever right what many

922

00:41:33,800 --> 00:41:31,530

people in this field in this are

923

00:41:38,270 --> 00:41:33,810

referring to is something vastly more

924

00:41:40,190 --> 00:41:38,280

complicated and in simplest terms I wish

925

00:41:46,579 --> 00:41:40,200

people would use a different word than

926

00:41:48,710 --> 00:41:46,589

the words energy you know and well I

927

00:41:51,170 --> 00:41:48,720

think everyone knows knows what I'm

928

00:41:52,579 --> 00:41:51,180

talking about here and would like to see

929

00:41:54,440 --> 00:41:52,589

what you would have to say yeah you've

930

00:41:58,099 --> 00:41:54,450

used the word in your talk you use the

931

00:42:01,220 --> 00:41:58,109

word energy purposely both meanings I

932

00:42:05,480 --> 00:42:01,230

use it purposely though and and you know

933

00:42:06,470 --> 00:42:05,490

part that I left out was that pissis say

934

00:42:09,020 --> 00:42:06,480

there's potential energy and kinetic

935

00:42:13,099 --> 00:42:09,030

energy your guys are talking about

936

00:42:16,609 --> 00:42:13,109

something completely different but light

937

00:42:18,980 --> 00:42:16,619

is electromagnetic energy sure if that

938

00:42:20,990 --> 00:42:18,990

is what people are talking about if

939

00:42:22,390 --> 00:42:21,000

that's what they're feeling if that was

940

00:42:25,150 --> 00:42:22,400

that's what they're sensitive to

941

00:42:26,559 --> 00:42:25,160

it is energy in terms that you cannot

942

00:42:30,160 --> 00:42:26,569

that you would be but there is an

943

00:42:33,099 --> 00:42:30,170

information content which you don't

944

00:42:36,519 --> 00:42:33,109

measure in joules you're right maybe the

945

00:42:38,049 --> 00:42:36,529

entropy somehow comes into it but I just

946

00:42:40,420 --> 00:42:38,059

wish people would be more cognizant

947

00:42:43,329 --> 00:42:40,430

cognizant of this distinction between

948

00:42:44,799 --> 00:42:43,339

the two meanings of the word and I wish

949

00:42:52,840 --> 00:42:44,809

there were some other word that people

950

00:42:55,230 --> 00:42:52,850

could use I don't not a measure mode job

951
00:42:57,910 --> 00:42:55,240

[Laughter]

952
00:43:01,769 --> 00:42:57,920

yes I absolutely agree with the last

953
00:43:06,460 --> 00:43:01,779

speaker and I think the best word was

954
00:43:10,049 --> 00:43:06,470

invented by Italian mathematician back

955
00:43:14,109 --> 00:43:10,059

in the fifties he called it's entropy

956
00:43:16,870 --> 00:43:14,119

it's the compliment of entropy and it's

957
00:43:21,400 --> 00:43:16,880

what I will be talking about life energy

958
00:43:27,430 --> 00:43:21,410

I will call it anyway what I really

959
00:43:31,120 --> 00:43:27,440

wanted to say was about the computerized

960
00:43:36,309 --> 00:43:31,130

Killian system developed by constituting

961
00:43:38,319 --> 00:43:36,319

korotkov which I have at home do you

962
00:43:41,760 --> 00:43:38,329

know about that on this this is

963
00:43:45,760 --> 00:43:41,770

quantitative and it could be a very good

964

00:43:50,740 --> 00:43:45,770

adjunct to your work too especially for

965

00:43:52,000 --> 00:43:50,750

the effects on the Healy's I'm not I'm

966

00:43:54,309 --> 00:43:52,010

not familiar with what you're talking

967

00:43:59,819 --> 00:43:54,319

about so we can catch up afterwards if

968

00:44:05,470 --> 00:44:03,160

this is an easy one slightly off topic

969

00:44:09,160 --> 00:44:05,480

though one of your slides you had a

970

00:44:11,950 --> 00:44:09,170

picture of Nina Kellogg Nia yes I wanted

971

00:44:14,819 --> 00:44:11,960

to get your view and you believe it was

972

00:44:18,309 --> 00:44:14,829

a slam dunk that she legitimately had

973

00:44:21,700 --> 00:44:18,319

pique abilities or do you think as some

974

00:44:23,410 --> 00:44:21,710

do that she was fraudulently don't know

975

00:44:25,510 --> 00:44:23,420

I had her on the slide because I was

976
00:44:28,779 --> 00:44:25,520
talking about PK testing and there was a

977
00:44:31,450 --> 00:44:28,789
lot of PK testing around her besides I

978
00:44:33,499 --> 00:44:31,460
wanted to make it an interesting slide I

979
00:44:34,909 --> 00:44:33,509
I don't have I you know

980
00:44:36,829 --> 00:44:34,919
I haven't really looked into it enough

981
00:44:39,859 --> 00:44:36,839
to know if there was fraud or not I

982
00:44:43,069 --> 00:44:39,869
think you know many people who are

983
00:44:44,809 --> 00:44:43,079
involved who do pique I think a lot of

984
00:44:46,939 --> 00:44:44,819
them have abilities and express

985
00:44:48,169 --> 00:44:46,949
abilities and oftentimes they get into

986
00:44:50,749 --> 00:44:48,179
the put into a position where they have

987
00:44:52,249 --> 00:44:50,759
to demonstrate it on demand and often

988
00:44:54,679 --> 00:44:52,259

times in entertainment type of

989

00:44:56,059 --> 00:44:54,689

situations and they're not always so

990

00:44:58,669 --> 00:44:56,069

good at it so sometimes they might

991

00:45:00,499 --> 00:44:58,679

resort to other things that doesn't mean

992

00:45:02,809 --> 00:45:00,509

that they didn't actually have some

993

00:45:05,120 --> 00:45:02,819

ability that they can do sometimes it

994

00:45:07,669 --> 00:45:05,130

means it's sometimes they might also do

995

00:45:10,219 --> 00:45:07,679

fraud so I think you think that might

996

00:45:14,659 --> 00:45:10,229

have to be questioned I brand the how

997

00:45:17,239 --> 00:45:14,669

are ya I'm delighted that you're

998

00:45:21,829 --> 00:45:17,249

continuing or looking into this area of

999

00:45:24,589 --> 00:45:21,839

research I might point out however we've

1000

00:45:26,870 --> 00:45:24,599

known for its pop since the early days

1001

00:45:29,559 --> 00:45:26,880

of his work in fact he was one of the

1002

00:45:32,569 --> 00:45:29,569

founding members of our IC RL

1003

00:45:36,559 --> 00:45:32,579

organization so we've talked about this

1004

00:45:42,229 --> 00:45:36,569

phenomenon many times and I believe that

1005

00:45:45,199 --> 00:45:42,239

for him the magnitude of the bio photon

1006

00:45:48,379 --> 00:45:45,209

emission was less important than the

1007

00:45:51,739 --> 00:45:48,389

coherence that he was observing within

1008

00:45:54,559 --> 00:45:51,749

that emission and I might suggest that

1009

00:45:57,589 --> 00:45:54,569

you look into that he felt that healthy

1010

00:46:04,209 --> 00:45:57,599

organisms projected a more coherent

1011

00:46:09,469 --> 00:46:04,219

pattern of bio photons and unhealthy or

1012

00:46:11,929 --> 00:46:09,479

less vital organisms produce more random

1013

00:46:14,239 --> 00:46:11,939

patterns so I just put that out as a

1014

00:46:16,909 --> 00:46:14,249

suggestion for you to consider in the

1015

00:46:20,779 --> 00:46:16,919

future thank you very much you know one

1016

00:46:22,789 --> 00:46:20,789

of the things that I one of our best

1017

00:46:26,049 --> 00:46:22,799

performers in the bioenergy lab who

1018

00:46:28,249 --> 00:46:26,059

consistently gets really high numbers I

1019

00:46:30,439 --> 00:46:28,259

after working with for a while I

1020

00:46:32,929 --> 00:46:30,449

realized he was just trying to get

1021

00:46:34,579 --> 00:46:32,939

really big numbers and so he'd go in and

1022

00:46:36,109 --> 00:46:34,589

try to get really big numbers and we got

1023

00:46:38,029 --> 00:46:36,119

them consistently but then I talked to

1024

00:46:39,679 --> 00:46:38,039

him and I said when you do your healing

1025

00:46:41,449 --> 00:46:39,689

work is that what you do you just kind

1026

00:46:43,489 --> 00:46:41,459

of like try to get these really really

1027

00:46:46,140 --> 00:46:43,499

big surges no no no I don't do that at

1028

00:46:48,450 --> 00:46:46,150

all and I said well

1029

00:46:51,000 --> 00:46:48,460

what you do when you heal because I want

1030

00:46:53,760 --> 00:46:51,010

to see what healing is about I don't

1031

00:46:55,529 --> 00:46:53,770

want to get big numbers so it's related

1032

00:46:57,839 --> 00:46:55,539

to what your what you're saying Brenda

1033

00:47:01,140 --> 00:46:57,849

and then I'm trying I would like to see

1034

00:47:03,569 --> 00:47:01,150

the natural type of order of things and

1035

00:47:05,099 --> 00:47:03,579

see how biophotons are within that area

1036

00:47:06,779 --> 00:47:05,109

rather than looking for the biggest

1037

00:47:08,370 --> 00:47:06,789

numbers we can possibly get

1038

00:47:11,740 --> 00:47:08,380

although the big numbers are pretty cool

1039

00:47:12,140 --> 00:47:11,750

- thank you very much

1040

00:47:13,430 --> 00:47:12,150

[Applause]
