

A man with white hair and glasses, wearing a dark suit, white shirt, and striped tie, is speaking at a wooden podium. He is looking slightly to his right. The background is a dark, textured wall.

[Music]

2  
00:00:15,620 --> 00:00:13,010

I'm not a scientist however for the past

3  
00:00:17,630 --> 00:00:15,630

thirty nine years I have sought out and

4  
00:00:20,870 --> 00:00:17,640

interviewed former and retired Air Force

5  
00:00:22,940 --> 00:00:20,880

personnel regarding classified UFO

6  
00:00:27,050 --> 00:00:22,950

incidents that they were directly or

7  
00:00:29,570 --> 00:00:27,060

indirectly involved in those incidents

8  
00:00:31,850 --> 00:00:29,580

in large measure were not among the

9  
00:00:34,640 --> 00:00:31,860

files at Project Blue Book that dr.

10  
00:00:37,630 --> 00:00:34,650

McDonald alluded to he felt those

11  
00:00:40,130 --> 00:00:37,640

documents that he did review warranted

12  
00:00:43,520 --> 00:00:40,140

scientific investigation of the

13  
00:00:46,069 --> 00:00:43,530

phenomenon of course as we all know I

14

00:00:49,549 --> 00:00:46,079

think the vast majority of scientists

15

00:00:52,340 --> 00:00:49,559

have ignored that plea have continued to

16

00:00:55,910 --> 00:00:52,350

consider this subject without merit to

17

00:00:58,069 --> 00:00:55,920

be beneath their dignity to not be worth

18

00:01:00,889 --> 00:00:58,079

any effort whatsoever in terms of

19

00:01:03,799 --> 00:01:00,899

scientific inquiry I would simply say

20

00:01:05,990 --> 00:01:03,809

that although I am NOT a scientist the

21

00:01:10,130 --> 00:01:06,000

handful of scientists who have studied

22

00:01:11,990 --> 00:01:10,140

this phenomenon would beg to differ I am

23

00:01:15,710 --> 00:01:12,000

going to show you a number of documents

24

00:01:19,130 --> 00:01:15,720

relating to my expertise which is UFO

25

00:01:21,530 --> 00:01:19,140

incursions at nuclear weapons sites by

26

00:01:24,070 --> 00:01:21,540

and large the classification level of

27

00:01:27,679 --> 00:01:24,080

these incidents over the year years

28

00:01:30,020 --> 00:01:27,689

precluded them being analyzed by dr.

29

00:01:32,500 --> 00:01:30,030

McDonald or anyone else who did not have

30

00:01:36,530 --> 00:01:32,510

what is called a need to know about

31

00:01:36,830 --> 00:01:36,540

these particular incidents next slide

32

00:01:41,030 --> 00:01:36,840

please

33

00:01:43,130 --> 00:01:41,040

a federal law called the Freedom of

34

00:01:46,130 --> 00:01:43,140

Information Act has permitted over the

35

00:01:48,950 --> 00:01:46,140

last three and a half decades documents

36

00:01:51,440 --> 00:01:48,960

to the tune of 100,000 pages that I am

37

00:01:54,340 --> 00:01:51,450

aware of being released from various

38

00:01:57,499 --> 00:01:54,350

military and intelligence community

39

00:01:59,300 --> 00:01:57,509

groups within the US government what I'm

40

00:02:01,249 --> 00:01:59,310

going to show you now our excerpts from

41

00:02:04,520 --> 00:02:01,259

documents confirming that what we call

42

00:02:06,710 --> 00:02:04,530

the UFO phenomenon has demonstrated a

43

00:02:09,229 --> 00:02:06,720

distinct and ongoing interest in this

44

00:02:12,880 --> 00:02:09,239

nation's nuclear weapons program since

45

00:02:17,900 --> 00:02:12,890

the late 1940s this first item is an FBI

46

00:02:20,780 --> 00:02:17,910

memorandum from January 31st for 1949 it

47

00:02:22,850 --> 00:02:20,790

was sent to director J Edgar Hoover it

48

00:02:25,280 --> 00:02:22,860

was authored by the si si

49

00:02:28,280 --> 00:02:25,290

special agent in charge of the San

50

00:02:31,040 --> 00:02:28,290

Antonio FBI office the subject of the

51  
00:02:33,950 --> 00:02:31,050  
memo as you can see is quote protection

52  
00:02:36,500 --> 00:02:33,960  
of vital installations next slide please

53  
00:02:39,170 --> 00:02:36,510  
the first paragraph which this is an

54  
00:02:41,210 --> 00:02:39,180  
excerpt from indicates that in the weeks

55  
00:02:43,490 --> 00:02:41,220  
preceding the writing of this memo a

56  
00:02:45,410 --> 00:02:43,500  
number of military and civilian

57  
00:02:47,990 --> 00:02:45,420  
intelligence groups had met to discuss

58  
00:02:49,760 --> 00:02:48,000  
quote the matter of unidentified

59  
00:02:52,670 --> 00:02:49,770  
aircraft or unidentified aerial

60  
00:02:55,760 --> 00:02:52,680  
phenomena other were otherwise known as

61  
00:02:58,070 --> 00:02:55,770  
flying discs flying saucers and balls of

62  
00:03:00,949 --> 00:02:58,080  
fire the last sentence in the first

63  
00:03:04,010 --> 00:03:00,959

paragraph was underlined presumably for

64

00:03:06,680 --> 00:03:04,020

emphasis quote this matter is considered

65

00:03:09,530 --> 00:03:06,690

top-secret by intelligence officers of

66

00:03:11,960 --> 00:03:09,540

both the Army and the Air Force's now

67

00:03:14,210 --> 00:03:11,970

why would this matter a flying saucers

68

00:03:17,150 --> 00:03:14,220

flying disks be considered top-secret

69

00:03:19,760 --> 00:03:17,160

next slide please the memo goes on to

70

00:03:22,400 --> 00:03:19,770

say during the past two months various

71

00:03:24,470 --> 00:03:22,410

sightings of unexplained phenomena have

72

00:03:26,900 --> 00:03:24,480

been reported in the vicinity of the

73

00:03:29,630 --> 00:03:26,910

Atomic Energy Commission installation at

74

00:03:32,210 --> 00:03:29,640

Los Alamos New Mexico where these

75

00:03:33,710 --> 00:03:32,220

phenomena appeared to be concentrated

76  
00:03:36,050 --> 00:03:33,720  
next slide please

77  
00:03:38,810 --> 00:03:36,060  
presumably all of you have heard of Los

78  
00:03:41,990 --> 00:03:38,820  
Alamos it is of course the birthplace of

79  
00:03:46,789 --> 00:03:42,000  
nuclear weapons that memo again was from

80  
00:03:53,330 --> 00:03:46,799  
1949 only four years earlier in 1945 Los

81  
00:03:57,410 --> 00:03:53,340  
Alamos invented nuclear weapons a second

82  
00:04:00,199 --> 00:03:57,420  
FBI memorandum from August 23rd 1950

83  
00:04:02,600 --> 00:04:00,209  
goes on to say that sightings of these

84  
00:04:05,150 --> 00:04:02,610  
unexplained objects near not only Los

85  
00:04:07,340 --> 00:04:05,160  
Alamos but another facility called

86  
00:04:10,100 --> 00:04:07,350  
Sandia Labs in my hometown of

87  
00:04:11,840 --> 00:04:10,110  
Albuquerque had occurred from the

88  
00:04:13,820 --> 00:04:11,850

government's point of view with alarming

89

00:04:16,449 --> 00:04:13,830

frequency in the preceding year and a

90

00:04:19,550 --> 00:04:16,459

half next slide please

91

00:04:21,680 --> 00:04:19,560

the importance of this memo in my view

92

00:04:23,630 --> 00:04:21,690

is that the descriptions of the objects

93

00:04:26,180 --> 00:04:23,640

are described in some detail the first

94

00:04:28,219 --> 00:04:26,190

category or the so-called green

95

00:04:31,850 --> 00:04:28,229

fireballs objects moving at high speed

96

00:04:34,969 --> 00:04:31,860

in shapes resembling half moons circles

97

00:04:36,620 --> 00:04:34,979

and discs emitting green light we now

98

00:04:39,950 --> 00:04:36,630

know from documents really

99

00:04:43,070 --> 00:04:39,960

via the FOI a from both the air force

100

00:04:46,220 --> 00:04:43,080

the FBI and I believe there's even a CIA

101  
00:04:49,130 --> 00:04:46,230  
memorandum or two regarding these green

102  
00:04:50,750 --> 00:04:49,140  
fireballs it was clear to the observers

103  
00:04:51,740 --> 00:04:50,760  
these objects were under intelligent

104  
00:04:54,230 --> 00:04:51,750  
control

105  
00:04:56,990 --> 00:04:54,240  
they were artificial they were described

106  
00:04:59,450 --> 00:04:57,000  
as performing maneuvers we know also

107  
00:05:02,120 --> 00:04:59,460  
that the Air Force as a result of his

108  
00:05:08,060 --> 00:05:02,130  
ongoing incursions at Los Alamos and

109  
00:05:10,700 --> 00:05:08,070  
Sandia and a third site called the Drona

110  
00:05:13,490 --> 00:05:10,710  
Blanc anyway in a nuclear weapons

111  
00:05:15,440 --> 00:05:13,500  
storage Depot in Texas that these

112  
00:05:17,600 --> 00:05:15,450  
objects quite clearly were distinctly

113  
00:05:20,360 --> 00:05:17,610

sighted around nuclear weapons through

114

00:05:21,950 --> 00:05:20,370

facilities they were not distributed

115

00:05:23,840 --> 00:05:21,960

randomly the sightings were not

116

00:05:26,030 --> 00:05:23,850

distributed around the globe as one

117

00:05:29,300 --> 00:05:26,040

would expect from natural phenomena such

118

00:05:31,730 --> 00:05:29,310

as meteors now dr. Lincoln la Paz of the

119

00:05:33,770 --> 00:05:31,740

University of New Mexico was secretly

120

00:05:36,860 --> 00:05:33,780

contracted by the Air Force to study

121

00:05:39,550 --> 00:05:36,870

this phenomenon his conclusion in the

122

00:05:43,100 --> 00:05:39,560

Declassified files was that indeed

123

00:05:45,920 --> 00:05:43,110

because the majority of the observers

124

00:05:48,730 --> 00:05:45,930

saw these objects perform maneuvers they

125

00:05:52,310 --> 00:05:48,740

were clearly not meteors or meteorites

126

00:05:54,620 --> 00:05:52,320

dr. La Paz said that in his view this

127

00:05:57,320 --> 00:05:54,630

could have been a Russian development

128

00:05:59,660 --> 00:05:57,330

based on captured German technology at

129

00:06:01,880 --> 00:05:59,670

the end of World War two and that indeed

130

00:06:04,220 --> 00:06:01,890

the Soviets may be sending these objects

131

00:06:07,280 --> 00:06:04,230

into American airspace to spy on our

132

00:06:09,020 --> 00:06:07,290

nuclear weapons program dr. La Paz

133

00:06:11,570 --> 00:06:09,030

further said that if this were not the

134

00:06:14,410 --> 00:06:11,580

case that these could be top-secret

135

00:06:16,370 --> 00:06:14,420

projects from our own government whose

136

00:06:18,920 --> 00:06:16,380

classification level exceeded the

137

00:06:23,060 --> 00:06:18,930

persons who were investigating them well

138

00:06:25,250 --> 00:06:23,070

over the past 50 years or so no evidence

139

00:06:29,320 --> 00:06:25,260

has emerged to support either of these

140

00:06:35,330 --> 00:06:29,330

hypotheses next slide please

141

00:06:38,780 --> 00:06:35,340

the second category of objects were

142

00:06:41,540 --> 00:06:38,790

described as discs round flat shaped

143

00:06:43,760 --> 00:06:41,550

objects or phenomena moving at high

144

00:06:46,040 --> 00:06:43,770

velocity fast velocity

145

00:06:48,800 --> 00:06:46,050

emitting a brilliant white light or

146

00:06:50,690 --> 00:06:48,810

reflected light so what you have here is

147

00:06:53,600 --> 00:06:50,700

your classic flaw

148

00:06:56,240 --> 00:06:53,610

disk flying saucer something the

149

00:06:58,940 --> 00:06:56,250

Pentagon wants very badly for you to

150

00:07:00,640 --> 00:06:58,950

believe does not exist if one looks at

151

00:07:02,870 --> 00:07:00,650

the history of public relations

152

00:07:06,410 --> 00:07:02,880

announcements by the Pentagon since the

153

00:07:08,420 --> 00:07:06,420

1940s to the present day one will find

154

00:07:11,470 --> 00:07:08,430

that the Pentagon has consistently

155

00:07:14,810 --> 00:07:11,480

dismissed these objects as illusions as

156

00:07:18,080 --> 00:07:14,820

misidentified manmade aircraft hoaxes

157

00:07:20,150 --> 00:07:18,090

and the like and yet if you look beyond

158

00:07:23,540 --> 00:07:20,160

this Public Relation smokescreen that

159

00:07:26,450 --> 00:07:23,550

has been directed at us for 60-some

160

00:07:28,190 --> 00:07:26,460

years and look at the actual documents

161

00:07:30,730 --> 00:07:28,200

that have been just released through the

162

00:07:34,280 --> 00:07:30,740

Freedom of Information Act you find

163

00:07:37,040 --> 00:07:34,290

repeated references to flying discs

164

00:07:39,380 --> 00:07:37,050

flying saucers something your government

165

00:07:43,000 --> 00:07:39,390

government wants very badly for you to

166

00:07:46,340 --> 00:07:43,010

believe do not exist next slide please

167

00:07:51,590 --> 00:07:46,350

this particular FBI memorandum concludes

168

00:07:53,600 --> 00:07:51,600

by saying since 1948 approximately 150

169

00:07:56,750 --> 00:07:53,610

observations of aerial phenomena

170

00:07:58,820 --> 00:07:56,760

referred to above have been recorded

171

00:08:01,790 --> 00:07:58,830

reported rather in the vicinity of these

172

00:08:03,890 --> 00:08:01,800

atomic installations in New Mexico other

173

00:08:06,950 --> 00:08:03,900

documents too numerous for me to show

174

00:08:09,230 --> 00:08:06,960

you in this type of program indicate

175

00:08:11,570 --> 00:08:09,240

that the Hanford Site in Washington

176

00:08:14,330 --> 00:08:11,580

state a plutonium production facility

177

00:08:17,360 --> 00:08:14,340

was also a focal point of these UFO

178

00:08:20,360 --> 00:08:17,370

incursions as was the Oak Ridge National

179

00:08:22,460 --> 00:08:20,370

Laboratory and Tennessee which produced

180

00:08:26,150 --> 00:08:22,470

both plutonium and uranium for these

181

00:08:28,760 --> 00:08:26,160

weapons the other documents described in

182

00:08:30,250 --> 00:08:28,770

addition to those sites sites involving

183

00:08:33,110 --> 00:08:30,260

nuclear weapons tests in general

184

00:08:37,010 --> 00:08:33,120

including atmospheric testing in Nevada

185

00:08:38,990 --> 00:08:37,020

and the Pacific so what I can

186

00:08:41,360 --> 00:08:39,000

demonstrate and document thoroughly

187

00:08:44,780 --> 00:08:41,370

there's a handout in the room across

188

00:08:47,060 --> 00:08:44,790

from the coffee urns that has some links

189

00:08:49,460 --> 00:08:47,070

that you will find useful if this topic

190

00:08:52,700 --> 00:08:49,470

is of interest to you what I can

191

00:08:54,800 --> 00:08:52,710

document beyond doubt is that the US

192

00:08:57,860 --> 00:08:54,810

government has been covertly collecting

193

00:09:01,610 --> 00:08:57,870

data on the UFO phenomenon since the

194

00:09:04,380 --> 00:09:01,620

summer of 1947 if not earlier the data

195

00:09:07,290 --> 00:09:04,390

include radar data which are impure

196

00:09:09,449 --> 00:09:07,300

not anecdotal the majority of the data

197

00:09:12,420 --> 00:09:09,459

that I possess and I have investigated

198

00:09:15,480 --> 00:09:12,430

however involved sighting reports by

199

00:09:18,389 --> 00:09:15,490

military pilots who when sent to chase

200

00:09:21,840 --> 00:09:18,399

these uncorrelated targets as they're

201  
00:09:23,940 --> 00:09:21,850  
called unknown targets saw if they were

202  
00:09:27,540 --> 00:09:23,950  
fortunate enough to get closed disc

203  
00:09:29,460 --> 00:09:27,550  
shaped craft spheres this triangular

204  
00:09:38,340 --> 00:09:29,470  
shaped craft clearly not fixed-wing

205  
00:09:41,579 --> 00:09:38,350  
aircraft and if this were not enough to

206  
00:09:44,490 --> 00:09:41,589  
alarm the powers-that-be it's clear that

207  
00:09:46,949 --> 00:09:44,500  
by December of 1948 whoever were flying

208  
00:09:48,900 --> 00:09:46,959  
these craft which by the way we're

209  
00:09:51,720 --> 00:09:48,910  
capable of traveling thousands of miles

210  
00:09:55,920 --> 00:09:51,730  
per hour instantaneously stopping in

211  
00:09:58,310 --> 00:09:55,930  
midair or doing 90 degree or 180 degree

212  
00:10:03,090 --> 00:09:58,320  
turns that is reversals of flight

213  
00:10:05,519 --> 00:10:03,100

according to multiple unequivocal cases

214

00:10:07,889 --> 00:10:05,529

involving multiple radars if all of this

215

00:10:10,380 --> 00:10:07,899

was not enough to alarm Washington by

216

00:10:12,689 --> 00:10:10,390

December of 1948 these unknown craft

217

00:10:15,030 --> 00:10:12,699

whatever their origin whatever the

218

00:10:17,639 --> 00:10:15,040

intention of those flying them seemed to

219

00:10:20,759 --> 00:10:17,649

be this nation's number one national

220

00:10:22,850 --> 00:10:20,769

security program nuclear weapons next

221

00:10:28,500 --> 00:10:22,860

slide please

222

00:10:31,110 --> 00:10:28,510

moving on to the decade of 1960s this is

223

00:10:34,110 --> 00:10:31,120

an FBI or excuse me an Air Force report

224

00:10:37,500 --> 00:10:34,120

from Fe Warren Air Force Base relating

225

00:10:42,500 --> 00:10:37,510

to incidents in July and August July

226  
00:10:44,699 --> 00:10:42,510  
31st August 1st of 1965 where multiple

227  
00:10:46,710 --> 00:10:44,709  
missile sites what are called launch

228  
00:10:49,829 --> 00:10:46,720  
facilities ten of them are controlled by

229  
00:10:51,810 --> 00:10:49,839  
a launch control facility located in the

230  
00:10:56,250 --> 00:10:51,820  
tri-state state region of Colorado

231  
00:10:58,829 --> 00:10:56,260  
Nebraska and Wyoming crews at the site

232  
00:11:03,540 --> 00:10:58,839  
suddenly began experiencing a rash of

233  
00:11:05,819 --> 00:11:03,550  
UFO sightings next slide please one of

234  
00:11:08,210 --> 00:11:05,829  
the entries in this document describes

235  
00:11:10,410 --> 00:11:08,220  
the type type of objects being reported

236  
00:11:12,329 --> 00:11:10,420  
further along you can see that there

237  
00:11:15,630 --> 00:11:12,339  
were actually formation flights of

238  
00:11:18,150 --> 00:11:15,640

various configurations and this went on

239

00:11:20,280 --> 00:11:18,160

for the period of several hours

240

00:11:22,770 --> 00:11:20,290

on and off I have interviewed a number

241

00:11:25,350 --> 00:11:22,780

of the former Minutemen launch officers

242

00:11:28,560 --> 00:11:25,360

who were present for this incident their

243

00:11:31,830 --> 00:11:28,570

reporting is appears in my book UFOs and

244

00:11:35,250 --> 00:11:31,840

nukes however anyone who writes to me at

245

00:11:37,710 --> 00:11:35,260

my website the email addresses of my

246

00:11:40,170 --> 00:11:37,720

website I will provide you excerpts from

247

00:11:45,770 --> 00:11:40,180

my book at nauseam so you don't have to

248

00:11:50,850 --> 00:11:48,750

further along this documents describes

249

00:11:54,120 --> 00:11:50,860

the nature of the observers which again

250

00:11:56,520 --> 00:11:54,130

were Minuteman personnel the actual

251  
00:11:58,290 --> 00:11:56,530  
launch officers are 60 feet underground

252  
00:12:00,210 --> 00:11:58,300  
they could not visually see what was

253  
00:12:03,000 --> 00:12:00,220  
being reported to them by their guards

254  
00:12:05,250 --> 00:12:03,010  
at ground level as you'll see in my tape

255  
00:12:08,760 --> 00:12:05,260  
recorded conversations with these

256  
00:12:10,620 --> 00:12:08,770  
persons they unanimously said at various

257  
00:12:14,280 --> 00:12:10,630  
sites scattered across several hundred

258  
00:12:15,750 --> 00:12:14,290  
square miles that the personnel up at

259  
00:12:18,030 --> 00:12:15,760  
ground level the security people were

260  
00:12:19,530 --> 00:12:18,040  
scared to the point of trembling or

261  
00:12:21,030 --> 00:12:19,540  
frightened beyond belief at what they

262  
00:12:22,800 --> 00:12:21,040  
were observing and were frantically

263  
00:12:24,260 --> 00:12:22,810

reporting these objects maneuvering

264

00:12:30,380 --> 00:12:24,270

around these very sensitive

265

00:12:30,390 --> 00:12:37,940

moving on to the decade of the 1970s

266

00:12:43,260 --> 00:12:41,040

this is an Air Force letter released via

267

00:12:45,090 --> 00:12:43,270

the Freedom of Information Act it was

268

00:12:47,430 --> 00:12:45,100

sent to my associate the late Todd's

269

00:12:50,160 --> 00:12:47,440

eckle who researched the CIA's

270

00:12:51,960 --> 00:12:50,170

involvement in all of this what you're

271

00:12:55,680 --> 00:12:51,970

about to see in this letter next slide

272

00:12:58,910 --> 00:12:55,690

please are verbatim excerpts from what

273

00:13:02,430 --> 00:12:58,920

are called NORAD logs commanders logs

274

00:13:04,560 --> 00:13:02,440

detailing incursions of UFOs at various

275

00:13:07,260 --> 00:13:04,570

missile sites outside of another Air

276

00:13:10,170 --> 00:13:07,270

Force Base Malmstrom Air Force Base in

277

00:13:11,700 --> 00:13:10,180

Great Falls Montana and the next slide

278

00:13:14,190 --> 00:13:11,710

I'm going to excerpt a few of these

279

00:13:16,140 --> 00:13:14,200

entries again these reports that were

280

00:13:18,300 --> 00:13:16,150

flooding in from security personnel

281

00:13:21,030 --> 00:13:18,310

located at various launched facilities

282

00:13:24,690 --> 00:13:21,040

or launch control facilities the first

283

00:13:27,570 --> 00:13:24,700

entry says quote received a call from

284

00:13:30,060 --> 00:13:27,580

the 340 first Strategic Air Command post

285

00:13:31,980 --> 00:13:30,070

saying that the MOPP following missile

286

00:13:34,470 --> 00:13:31,990

locations reported seeing a law

287

00:13:36,300 --> 00:13:34,480

large red to orange to yellow object it

288

00:13:38,970 --> 00:13:36,310

then lists the missile sites by their

289

00:13:41,389 --> 00:13:38,980

coded designations next slide please

290

00:13:44,639 --> 00:13:41,399

again these are coming in sequentially

291

00:13:46,650 --> 00:13:44,649

sac Strategic Air Command advised the

292

00:13:49,320 --> 00:13:46,660

launch control facility at harlot in

293

00:13:51,000 --> 00:13:49,330

Montana observed an object which emitted

294

00:13:56,639 --> 00:13:51,010

a light which illuminated the site

295

00:13:59,310 --> 00:13:56,649

driveway the next entry sac advise

296

00:14:01,230 --> 00:13:59,320

missile site k1 says very bright object

297

00:14:02,220 --> 00:14:01,240

to their East is now southeast of them

298

00:14:04,889 --> 00:14:02,230

and they're looking at it with

299

00:14:07,199 --> 00:14:04,899

binoculars object seems to have lights

300

00:14:10,470 --> 00:14:07,209

several on it but no distinct pattern

301  
00:14:13,610 --> 00:14:10,480  
the orange gold object overhead also has

302  
00:14:16,769 --> 00:14:13,620  
small lights on it next slide please

303  
00:14:18,990 --> 00:14:16,779  
missile site I1 reports that the object

304  
00:14:22,230 --> 00:14:19,000  
to their northeast seems to be issuing a

305  
00:14:25,320 --> 00:14:22,240  
black object from it tubular in shape in

306  
00:14:28,050 --> 00:14:25,330  
all this time surveillance meaning radar

307  
00:14:30,690 --> 00:14:28,060  
has not been able to detect any sort of

308  
00:14:33,060 --> 00:14:30,700  
trap track except for known traffic in

309  
00:14:35,190 --> 00:14:33,070  
other words you have this rash of calls

310  
00:14:37,829 --> 00:14:35,200  
from widely separated locations by

311  
00:14:40,980 --> 00:14:37,839  
security personnel describing these very

312  
00:14:42,930 --> 00:14:40,990  
strange objects by the way refer to as

313  
00:14:45,600 --> 00:14:42,940

objects because they have no clue what

314

00:14:47,730 --> 00:14:45,610

they're looking at and indicating that

315

00:14:50,160 --> 00:14:47,740

they were hovering near their sites

316

00:14:52,500 --> 00:14:50,170

you'll see the reference to surveillance

317

00:14:54,930 --> 00:14:52,510

that's radar next slide please you'll

318

00:14:56,610 --> 00:14:54,940

see that radar ultimately does pick up

319

00:14:58,560 --> 00:14:56,620

the objects

320

00:15:00,870 --> 00:14:58,570

let's see nope that's the next one

321

00:15:03,360 --> 00:15:00,880

another camper team that's the security

322

00:15:04,980 --> 00:15:03,370

team reporting a UFO I've just got my

323

00:15:07,769 --> 00:15:04,990

five minute card so let's move ahead

324

00:15:09,870 --> 00:15:07,779

next slide here you have finally hi

325

00:15:12,360 --> 00:15:09,880

finder radar confirming the presence of

326

00:15:14,630 --> 00:15:12,370

these objects in the sky you can see a

327

00:15:16,380 --> 00:15:14,640

reference to stationary that is hovering

328

00:15:19,050 --> 00:15:16,390

subsequently moving around at

329

00:15:20,240 --> 00:15:19,060

seven-night knots above these sites next

330

00:15:23,490 --> 00:15:20,250

slide please

331

00:15:25,410 --> 00:15:23,500

here you have a reference to jets being

332

00:15:27,810 --> 00:15:25,420

launched to chase these objects once

333

00:15:30,690 --> 00:15:27,820

their reality their physical presence

334

00:15:31,880 --> 00:15:30,700

have been confirmed by radar next slide

335

00:15:34,860 --> 00:15:31,890

please

336

00:15:37,370 --> 00:15:34,870

you have another reference to this

337

00:15:41,100 --> 00:15:37,380

object maneuvering and again racing

338

00:15:42,630 --> 00:15:41,110

skyward at enormous velocity moments

339

00:15:45,090 --> 00:15:42,640

earlier their hovering or moving around

340

00:15:45,570 --> 00:15:45,100

at just a few miles per hour now one of

341

00:15:47,280 --> 00:15:45,580

them

342

00:15:49,110 --> 00:15:47,290

is racing skyward next slide please

343

00:15:51,630 --> 00:15:49,120

clearly these are not conventional

344

00:15:53,640 --> 00:15:51,640

aircraft you have another reference to

345

00:15:55,370 --> 00:15:53,650

an object being tracked as it maneuvered

346

00:15:57,860 --> 00:15:55,380

between two and four thousand feet

347

00:16:00,930 --> 00:15:57,870

confirming that these phenomena were not

348

00:16:03,240 --> 00:16:00,940

high up in space such as meteors or in

349

00:16:05,060 --> 00:16:03,250

the atmosphere but indeed high up in the

350

00:16:07,860 --> 00:16:05,070

atmosphere such as the aurora borealis

351  
00:16:10,790 --> 00:16:07,870  
but indeed were craft maneuvering quite

352  
00:16:13,020 --> 00:16:10,800  
near the ground next slide please

353  
00:16:15,600 --> 00:16:13,030  
here you have the most important

354  
00:16:16,980 --> 00:16:15,610  
reference in my view because the object

355  
00:16:18,750 --> 00:16:16,990  
was close enough to the security

356  
00:16:24,030 --> 00:16:18,760  
personnel that they could determine it's

357  
00:16:26,070 --> 00:16:24,040  
disc shape so to run this point

358  
00:16:26,820 --> 00:16:26,080  
thoroughly in the ground if you look at

359  
00:16:28,260 --> 00:16:26,830  
the Pentagon's

360  
00:16:30,660 --> 00:16:28,270  
take on all this none of this ever

361  
00:16:32,430 --> 00:16:30,670  
happened disc shaped craft do not exist

362  
00:16:34,470 --> 00:16:32,440  
and yet if you looked at the documents

363  
00:16:37,910 --> 00:16:34,480

reporting these incidents quite clearly

364

00:16:42,180 --> 00:16:37,920

that is not true next slide please

365

00:16:44,940 --> 00:16:42,190

in September September 27th of 2010 I

366

00:16:46,910 --> 00:16:44,950

held a press conference in the National

367

00:16:49,740 --> 00:16:46,920

Press Club in Washington DC

368

00:16:51,480 --> 00:16:49,750

CNN streamed it live in the handout

369

00:16:54,780 --> 00:16:51,490

across the hall there is a link to that

370

00:16:56,940 --> 00:16:54,790

entire 63 minute presentation with it

371

00:16:59,240 --> 00:16:56,950

with me during that presentation were

372

00:17:01,440 --> 00:16:59,250

seven retired Air Force officers

373

00:17:04,170 --> 00:17:01,450

describing incidents such as the ones

374

00:17:05,970 --> 00:17:04,180

I've been reporting including incidents

375

00:17:07,560 --> 00:17:05,980

where disc shaped craft hovered over

376

00:17:10,410 --> 00:17:07,570

nuclear missiles and suddenly the

377

00:17:12,360 --> 00:17:10,420

missiles malfunction other reports from

378

00:17:15,689 --> 00:17:12,370

the former Soviet Union confirmed that

379

00:17:17,579 --> 00:17:15,699

this went on in the former Soviet Union

380

00:17:19,130 --> 00:17:17,589

as well at their nuclear weapons sites

381

00:17:21,449 --> 00:17:19,140

next slide please

382

00:17:23,430 --> 00:17:21,459

now there's a group that has a different

383

00:17:26,040 --> 00:17:23,440

point of view you can read their names

384

00:17:28,170 --> 00:17:26,050

and acronyms they publish a magazine

385

00:17:30,180 --> 00:17:28,180

called skeptical inquirer the editor

386

00:17:32,820 --> 00:17:30,190

Kendrick C Frazier next slide please

387

00:17:34,800 --> 00:17:32,830

has made his position on all of this

388

00:17:37,640 --> 00:17:34,810

quite clear he thinks that best what

389

00:17:40,590 --> 00:17:37,650

I've told you today is an exaggeration

390

00:17:42,360 --> 00:17:40,600

what this magazine never tells its

391

00:17:44,790 --> 00:17:42,370

readers or the public at large in

392

00:17:47,190 --> 00:17:44,800

addition to being a science writer mr.

393

00:17:49,320 --> 00:17:47,200

Frazier for 20-some years he was writing

394

00:17:51,480 --> 00:17:49,330

publishing this magazine editing I

395

00:17:52,700 --> 00:17:51,490

should say had a day job next slide

396

00:17:55,440 --> 00:17:52,710

please

397

00:17:57,000 --> 00:17:55,450

he was a public relations specialist for

398

00:17:59,150 --> 00:17:57,010

the US government's nuclear weapons

399

00:18:01,200 --> 00:17:59,160

program at Sandia Labs

400

00:18:03,450 --> 00:18:01,210

another leading member of this group

401

00:18:05,880 --> 00:18:03,460

James Oberg supposedly a skeptic

402

00:18:08,730 --> 00:18:05,890

quote/unquote when one of my sources

403

00:18:11,370 --> 00:18:08,740

leaked a classified top-secret incident

404

00:18:13,860 --> 00:18:11,380

to the media in the early 80s this James

405

00:18:16,410 --> 00:18:13,870

Oberg wrote to him to chastise him for

406

00:18:17,130 --> 00:18:16,420

releasing classified UFO data so

407

00:18:20,610 --> 00:18:17,140

publicly

408

00:18:22,770 --> 00:18:20,620

he's a UFO skeptic skeptics say UFOs

409

00:18:25,049 --> 00:18:22,780

don't exist and yet if you look behind

410

00:18:27,600 --> 00:18:25,059

the scenes at what went on you have

411

00:18:30,390 --> 00:18:27,610

pressure applied against this person who

412

00:18:32,990 --> 00:18:30,400

broke classification and published this

413

00:18:36,060 --> 00:18:33,000

one incident next slide please

414

00:18:41,419 --> 00:18:36,070

there are true skeptics this is a

415

00:18:47,640 --> 00:18:45,120

dr. Bernard Hesh an astronomer has put

416

00:18:50,280 --> 00:18:47,650

up what I think is truly a skeptic how

417

00:18:54,240 --> 00:18:50,290

the definition of a skeptic quite

418

00:18:56,310 --> 00:18:54,250

clearly what you find in the scientific

419

00:18:58,799 --> 00:18:56,320

community as a whole are not skeptics

420

00:19:00,510 --> 00:18:58,809

but persons with all due respect to

421

00:19:02,039 --> 00:19:00,520

their expertise in this field know

422

00:19:04,590 --> 00:19:02,049

nothing about it you know ever never

423

00:19:08,130 --> 00:19:04,600

have heard of James McDonald and in fact

424

00:19:12,740 --> 00:19:08,140

are ignoring as he said a part a matter

425

00:19:14,340 --> 00:19:12,750

of extraordinary importance questions

426

00:19:15,310 --> 00:19:14,350

thank you for a very interesting

427

00:19:30,070 --> 00:19:15,320

presentation

428

00:19:36,379 --> 00:19:33,049

I'm John Kinnaman thank you for a very

429

00:19:39,680 --> 00:19:36,389

interesting talk I'm neither a skeptic

430

00:19:42,109 --> 00:19:39,690

nor do I have any way of helping or

431

00:19:44,450 --> 00:19:42,119

confirming any of this but I wanted to

432

00:19:46,450 --> 00:19:44,460

make a comment because I'm really

433

00:19:49,339 --> 00:19:46,460

interested in the entire discussion of

434

00:19:53,089 --> 00:19:49,349

UFOs and something that's puzzled me

435

00:19:57,560 --> 00:19:53,099

from the beginning is why we use the

436

00:20:00,889 --> 00:19:57,570

acronym UFO now I worked in the federal

437

00:20:02,810 --> 00:20:00,899

government for 27 years and one of the

438

00:20:05,389 --> 00:20:02,820

things that we're extremely good at is

439

00:20:11,779 --> 00:20:05,399

inventing TLA S which are three-letter

440

00:20:13,909 --> 00:20:11,789

acronyms and clearly UFO is unidentified

441

00:20:16,159 --> 00:20:13,919

flying object which is used for anything

442

00:20:18,349 --> 00:20:16,169

that we don't know what it is

443

00:20:21,739 --> 00:20:18,359

could be an airplane it could be a beach

444

00:20:25,310 --> 00:20:21,749

ball it could be an alien craft I'm

445

00:20:28,869 --> 00:20:25,320

surprised that the people researching

446

00:20:31,759 --> 00:20:28,879

this topic are using that that

447

00:20:35,269 --> 00:20:31,769

three-letter acronym to refer to what

448

00:20:37,129 --> 00:20:35,279

they believe or alien craft why not use

449

00:20:39,919 --> 00:20:37,139

a different term that'll clarify that

450

00:20:41,629 --> 00:20:39,929

and sort of separate the discussion of

451  
00:20:43,279 --> 00:20:41,639  
things we don't know from the things

452  
00:20:46,820 --> 00:20:43,289  
that you're presuming let me cut to the

453  
00:20:48,799 --> 00:20:46,830  
chase due to lack of time other persons

454  
00:20:51,019 --> 00:20:48,809  
have used other acronyms anomalous

455  
00:20:53,060 --> 00:20:51,029  
aerial phenomena unidentified aerial

456  
00:20:56,299 --> 00:20:53,070  
phenomena the documents themselves

457  
00:20:58,190 --> 00:20:56,309  
however refer to UFOs for many many

458  
00:21:01,339 --> 00:20:58,200  
decades that in fact was coined by

459  
00:21:03,979 --> 00:21:01,349  
Project Blue Book and I use it because

460  
00:21:08,119 --> 00:21:03,989  
it is referenced in the documents I

461  
00:21:10,419 --> 00:21:08,129  
think it goes without saying that 95% of

462  
00:21:12,109 --> 00:21:10,429  
UFO sighting reports would have prosaic

463  
00:21:15,169 --> 00:21:12,119

explanations if indeed they were

464

00:21:16,729 --> 00:21:15,179

investigated but this is separating the

465

00:21:18,169 --> 00:21:16,739

wheat from the chaff when you look at

466

00:21:20,419 --> 00:21:18,179

what the military is concerned about

467

00:21:22,129 --> 00:21:20,429

what they've lied to the American public

468

00:21:24,619 --> 00:21:22,139

and the rest of the world for 60 some

469

00:21:26,749 --> 00:21:24,629

years now about our incidents involving

470

00:21:31,190 --> 00:21:26,759

craft clearly craf of symmetrical

471

00:21:33,889 --> 00:21:31,200

designs discs discs spheres and so on

472

00:21:36,169 --> 00:21:33,899

not fixed-wing aircraft that not only

473

00:21:37,489 --> 00:21:36,179

can run rings around our own aircraft

474

00:21:40,129 --> 00:21:37,499

but seem to have an interest in our

475

00:21:41,260 --> 00:21:40,139

nuclear weapons I use that term for

476

00:21:49,150 --> 00:21:41,270

those reasons

477

00:21:54,070 --> 00:21:49,160

yes sir Unicron in June of 1980

478

00:21:57,820 --> 00:21:54,080

I observed together with about 30 other

479

00:22:00,430 --> 00:21:57,830

people flying object with what which was

480

00:22:04,780 --> 00:22:00,440

in my estimation about 30 meters in

481

00:22:08,440 --> 00:22:04,790

diameter it was a meeting for streams of

482

00:22:14,110 --> 00:22:08,450

glowing gases and it changed the

483

00:22:16,480 --> 00:22:14,120

reaction of its is the reaction on 90

484

00:22:19,030 --> 00:22:16,490

degrees and then speed up with

485

00:22:21,520 --> 00:22:19,040

absolutely incredible speed so that your

486

00:22:30,120 --> 00:22:21,530

eye even couldn't register how fast it

487

00:22:37,860 --> 00:22:30,130

is it was the place near to Instituto

488

00:22:43,420 --> 00:22:37,870

which is equivalent of MIT here so the

489

00:22:52,510 --> 00:22:43,430

aircraft was flying next to it and pilot

490

00:22:57,430 --> 00:22:52,520

reported to the personnel at the airport

491

00:23:00,100 --> 00:22:57,440

that he sees UFO it was of course

492

00:23:03,430 --> 00:23:00,110

dismissed and next day was published

493

00:23:07,110 --> 00:23:03,440

article how you know deceiving this

494

00:23:13,480 --> 00:23:07,120

phenomenon can be and it this of course

495

00:23:20,110 --> 00:23:13,490

not you for very familiar story thank

496

00:23:23,730 --> 00:23:20,120

you sir next please by named Olga proud

497

00:23:28,570 --> 00:23:23,740

knee which is suburb of Moscow and in

498

00:23:31,240 --> 00:23:28,580

the progeny that Institute of which I

499

00:23:34,630 --> 00:23:31,250

said I don't know how to translate it

500

00:23:35,850 --> 00:23:34,640

exactly it's a equivalent of MIT in

501  
00:23:41,390 --> 00:23:35,860  
Russia

502  
00:23:48,510 --> 00:23:46,289  
York Dobyns a few years ago I acquired a

503  
00:23:51,870 --> 00:23:48,520  
security clearance for reasons having

504  
00:23:55,470 --> 00:23:51,880  
absolutely nothing to do with UFOs but

505  
00:23:57,149 --> 00:23:55,480  
when I was granted clearance people went

506  
00:23:59,279 --> 00:23:57,159  
to great lengths to make clear to me the

507  
00:24:01,350 --> 00:23:59,289  
absolutely draconian legal penalties

508  
00:24:02,840 --> 00:24:01,360  
that apply to anybody who reveals

509  
00:24:06,779 --> 00:24:02,850  
classified information

510  
00:24:09,659 --> 00:24:06,789  
so I find it rather puzzling that the

511  
00:24:12,600 --> 00:24:09,669  
UFO research literature is absolutely

512  
00:24:15,779 --> 00:24:12,610  
filled with stories about classified

513  
00:24:18,529 --> 00:24:15,789

doctor documents being released without

514

00:24:21,360 --> 00:24:18,539

authorization here there and everywhere

515

00:24:24,060 --> 00:24:21,370

the cover-up is apparently leaking like

516

00:24:28,880 --> 00:24:24,070

a sieve and yet nobody is getting

517

00:24:31,620 --> 00:24:28,890

hammered for these highly illegal

518

00:24:34,740 --> 00:24:31,630

they're actually phenol felonies with

519

00:24:38,580 --> 00:24:34,750

many years of jail time as the usual

520

00:24:40,590 --> 00:24:38,590

penalty two points first as with citing

521

00:24:42,659 --> 00:24:40,600

reports themselves one has to separate

522

00:24:44,419 --> 00:24:42,669

the wheat from the chaff if one goes on

523

00:24:46,830 --> 00:24:44,429

the internet and reads about quote

524

00:24:49,620 --> 00:24:46,840

declassified documents or inside

525

00:24:51,330 --> 00:24:49,630

government documents about UFOs one has

526

00:24:53,159 --> 00:24:51,340

to realize that there are credible

527

00:24:54,570 --> 00:24:53,169

documents that have a provenance they

528

00:24:57,060 --> 00:24:54,580

have been released via the Freedom of

529

00:24:58,710 --> 00:24:57,070

Information Act the majority of things I

530

00:25:00,630 --> 00:24:58,720

have read on the majority of websites

531

00:25:03,120 --> 00:25:00,640

however do not have such provenance

532

00:25:06,180 --> 00:25:03,130

there are in fact some fabrications

533

00:25:08,490 --> 00:25:06,190

which I helped expose in 1983 that were

534

00:25:10,289 --> 00:25:08,500

being documents being forged by what

535

00:25:12,269 --> 00:25:10,299

it's called OSI Office of Special

536

00:25:14,039 --> 00:25:12,279

Investigations at Kirtland Air Force

537

00:25:16,980 --> 00:25:14,049

Base I won't bore you with the details

538

00:25:20,519 --> 00:25:16,990

so one has to be selective in terms of

539

00:25:22,080 --> 00:25:20,529

analyzing or finding for oneself the

540

00:25:24,120 --> 00:25:22,090

provenance of this document or that

541

00:25:26,430 --> 00:25:24,130

document everything I presented to you

542

00:25:30,180 --> 00:25:26,440

has come directly from the agencies and

543

00:25:32,130 --> 00:25:30,190

departments involved furthermore the

544

00:25:33,990 --> 00:25:32,140

persons the seven gentlemen who appeared

545

00:25:37,560 --> 00:25:34,000

with me at the National Press Club in

546

00:25:39,779 --> 00:25:37,570

September of 2010 again the handout

547

00:25:42,419 --> 00:25:39,789

across the hall has the link to the 63

548

00:25:43,860 --> 00:25:42,429

minute video of these gentlemen all of

549

00:25:45,690 --> 00:25:43,870

them were told in no uncertain terms

550

00:25:47,970 --> 00:25:45,700

that they would not discuss the

551  
00:25:50,190 --> 00:25:47,980  
incidents they were too involved in many

552  
00:25:52,680 --> 00:25:50,200  
of them waited 30 and 40 years before

553  
00:25:54,269 --> 00:25:52,690  
they felt comfortable going public each

554  
00:25:55,649 --> 00:25:54,279  
and every one of them have told

555  
00:25:57,930 --> 00:25:55,659  
they didn't know if they were going to

556  
00:26:00,509 --> 00:25:57,940  
get a knock on the door after they first

557  
00:26:02,669 --> 00:26:00,519  
just agreed to be interviewed by me over

558  
00:26:04,469 --> 00:26:02,679  
a several year period so they did not

559  
00:26:08,060 --> 00:26:04,479  
take lightly what they were doing in

560  
00:26:10,289 --> 00:26:08,070  
terms of violating security these are

561  
00:26:12,299 --> 00:26:10,299  
technical violations of national

562  
00:26:14,580 --> 00:26:12,309  
security because these persons were

563  
00:26:16,859 --> 00:26:14,590

either required to sign what are called

564

00:26:21,229 --> 00:26:16,869

written national security non-disclosure

565

00:26:23,849 --> 00:26:21,239

statements and or given oral

566

00:26:25,680 --> 00:26:23,859

admonishments never discusses not even

567

00:26:27,899 --> 00:26:25,690

among the two-man crews the missile

568

00:26:29,789 --> 00:26:27,909

crews and yet as I do they

569

00:26:32,129 --> 00:26:29,799

philosophically believe the American

570

00:26:34,619 --> 00:26:32,139

public has does deserves to know the

571

00:26:36,930 --> 00:26:34,629

facts after this many years and so they

572

00:26:39,749 --> 00:26:36,940

have stuck their necks out there all of

573

00:26:41,310 --> 00:26:39,759

these people were literally the persons

574

00:26:43,349 --> 00:26:41,320

who would have launched World War three

575

00:26:45,060 --> 00:26:43,359

had we gone to war with the Soviets they

576

00:26:47,070 --> 00:26:45,070

were to turn the keys and launch their

577

00:26:48,989 --> 00:26:47,080

missiles they're not flakes they're not

578

00:26:51,389 --> 00:26:48,999

cooks they're backgrounds have been

579

00:26:54,810 --> 00:26:51,399

rigorously vetted and they feel strongly

580

00:26:57,680 --> 00:26:54,820

that they need to risk their own persons
