

  
Hilton  
Washington DC/Rockville  
Executive Meeting Center

1  
00:00:08,660 --> 00:00:06,160  
we've got this idea with respect to UFOs

2  
00:00:10,009 --> 00:00:08,670  
this is a lot of you be very familiar

3  
00:00:12,020 --> 00:00:10,019  
with this you could probably fill in a

4  
00:00:14,180 --> 00:00:12,030  
blank other than UFOs with some of the

5  
00:00:15,289 --> 00:00:14,190  
topics we've heard this weekend but talk

6  
00:00:17,870 --> 00:00:15,299  
about UFOs

7  
00:00:21,500 --> 00:00:17,880  
so UFOs can't exist therefore they don't

8  
00:00:23,450 --> 00:00:21,510  
that's the given McCarl a corollary of

9  
00:00:25,820 --> 00:00:23,460  
course is that human could not possibly

10  
00:00:28,429 --> 00:00:25,830  
be abducted by aliens

11  
00:00:29,720 --> 00:00:28,439  
therefore they are they aren't and of

12  
00:00:33,160 --> 00:00:29,730  
course when you have that type of

13  
00:00:35,780 --> 00:00:33,170

thinking that type of mindset it

14

00:00:39,410 --> 00:00:35,790

completely circumvents and closes off

15

00:00:41,600 --> 00:00:39,420

any additional serious research because

16

00:00:44,360 --> 00:00:41,610

there's nothing to research you know the

17

00:00:46,100 --> 00:00:44,370

answer before you start and this is of

18

00:00:49,400 --> 00:00:46,110

course as a problem as I said with many

19

00:00:51,290 --> 00:00:49,410

of the topics this weekend but I might I

20

00:00:53,510 --> 00:00:51,300

dare say that it perhaps it is

21

00:00:56,000 --> 00:00:53,520

especially true with the question of

22

00:00:58,910 --> 00:00:56,010

alien abductions or if you will alien

23

00:01:02,599 --> 00:00:58,920

abduction syndrome have another little

24

00:01:04,429 --> 00:01:02,609

problem here and this ties in to

25

00:01:07,310 --> 00:01:04,439

Professor Westens talked to some degree

26  
00:01:10,429 --> 00:01:07,320  
talks about talk about my colleagues my

27  
00:01:12,920 --> 00:01:10,439  
colleagues don't take this very

28  
00:01:14,690 --> 00:01:12,930  
seriously most of them because they

29  
00:01:17,480 --> 00:01:14,700  
might argue it sounds just like another

30  
00:01:19,969 --> 00:01:17,490  
case of hysteria it sounds all too

31  
00:01:22,460 --> 00:01:19,979  
familiar to many of my colleagues in the

32  
00:01:23,359 --> 00:01:22,470  
mental health field you know been there

33  
00:01:26,330 --> 00:01:23,369  
done that

34  
00:01:29,060 --> 00:01:26,340  
heard about this before you know to what

35  
00:01:31,910 --> 00:01:29,070  
degree is behavior a function of

36  
00:01:34,910 --> 00:01:31,920  
cultural cultural competence or culprits

37  
00:01:37,490 --> 00:01:34,920  
oozma cultural cognizance cultural

38  
00:01:40,010 --> 00:01:37,500

awareness we've seen this type of thing

39

00:01:42,350 --> 00:01:40,020

before wear something that's virtually

40

00:01:44,359 --> 00:01:42,360

unheard of all of a sudden before you

41

00:01:50,990 --> 00:01:44,369

know it it's everywhere it's everywhere

42

00:01:52,999 --> 00:01:51,000

so back in the 1980s Satan appeared to

43

00:01:55,550 --> 00:01:53,009

be running rampant in the United States

44

00:01:59,240 --> 00:01:55,560

and having his way with many of our

45

00:02:02,090 --> 00:01:59,250

children there were a number of things

46

00:02:04,190 --> 00:02:02,100

that created this satanic hysteria in

47

00:02:07,609 --> 00:02:04,200

this great concern about satanic ritual

48

00:02:10,580 --> 00:02:07,619

abuse and one of them was the book

49

00:02:13,100 --> 00:02:10,590

Michelle remembers which generally has

50

00:02:13,880 --> 00:02:13,110

been found to be fraudulent written by

51

00:02:16,070 --> 00:02:13,890

psychiatry

52

00:02:17,750 --> 00:02:16,080

so you know it's got a got to be

53

00:02:20,630 --> 00:02:17,760

credible right because the psychiatrist

54

00:02:26,270 --> 00:02:20,640

wrote it and it's a story of a child who

55

00:02:28,730 --> 00:02:26,280

was exposed to early trauma from you

56

00:02:32,360 --> 00:02:28,740

know a a satanic wannabe you know

57

00:02:35,150 --> 00:02:32,370

satanic sexual ritual abuse and then we

58

00:02:38,060 --> 00:02:35,160

have Rosemary's Baby the movie in the

59

00:02:40,730 --> 00:02:38,070

book in 1988 there was a book Satan's

60

00:02:44,720 --> 00:02:40,740

underground all of these things created

61

00:02:47,660 --> 00:02:44,730

a kind of hysteria where there was this

62

00:02:50,570 --> 00:02:47,670

great concern about satanic ritual abuse

63

00:02:53,000 --> 00:02:50,580

the interesting thing was that the vast

64

00:02:56,180 --> 00:02:53,010

vast vast majority of these cases when

65

00:02:58,850 --> 00:02:56,190

they were investigated there was little

66

00:03:01,040 --> 00:02:58,860

to nothing to support it few had even

67

00:03:03,949 --> 00:03:01,050

heard of satanic ritual abuse before

68

00:03:06,290 --> 00:03:03,959

this happened then we have one of the

69

00:03:09,440 --> 00:03:06,300

most tragic incidents really in history

70

00:03:10,580 --> 00:03:09,450

the McMartin preschool trial this was at

71

00:03:15,350 --> 00:03:10,590

one of the books and if you're not

72

00:03:17,420 --> 00:03:15,360

familiar with that case in 1983 this was

73

00:03:20,150 --> 00:03:17,430

an unbelievable a teacher was child a

74

00:03:22,970 --> 00:03:20,160

teacher and a preschool was charged with

75

00:03:24,830 --> 00:03:22,980

molesting a child now the case initially

76  
00:03:27,610 --> 00:03:24,840  
didn't go anywhere because there wasn't

77  
00:03:31,100 --> 00:03:27,620  
a lot of evidence to support it however

78  
00:03:34,550 --> 00:03:31,110  
the Chief of Police took it upon himself

79  
00:03:37,090 --> 00:03:34,560  
to send a letter to parents saying well

80  
00:03:40,190 --> 00:03:37,100  
even though this individual was not

81  
00:03:42,199 --> 00:03:40,200  
we're not going to charge him you know

82  
00:03:44,030 --> 00:03:42,209  
you you better be careful because we do

83  
00:03:47,930 --> 00:03:44,040  
have some concerns that something may

84  
00:03:49,699 --> 00:03:47,940  
have happened well that Unleashed it and

85  
00:03:52,460 --> 00:03:49,709  
I'm going to read you something one of

86  
00:03:56,780 --> 00:03:52,470  
the accounts of what happened thereafter

87  
00:04:01,100 --> 00:03:56,790  
as word spread around your child may

88  
00:04:03,259 --> 00:04:01,110

have been a victim of abuse under the

89

00:04:05,930 --> 00:04:03,269

pressure of questions by parents child

90

00:04:08,180 --> 00:04:05,940

abuse experts and police the children

91

00:04:10,880 --> 00:04:08,190

eventually began to tell tales of abuse

92

00:04:13,400 --> 00:04:10,890

as time passed the stories became

93

00:04:17,300 --> 00:04:13,410

unbelievable they claimed that they had

94

00:04:20,330 --> 00:04:17,310

seen mutilations murders dead and burned

95

00:04:23,690 --> 00:04:20,340

babies they saw movie stars involved

96

00:04:26,719 --> 00:04:23,700

with the abuse flying witches local

97

00:04:27,600 --> 00:04:26,729

politicians children said that they were

98

00:04:29,550 --> 00:04:27,610

forced to and

99

00:04:31,920 --> 00:04:29,560

Agence satanic rituals including the

100

00:04:34,260 --> 00:04:31,930

drinking of blood they were taken to

101

00:04:37,559 --> 00:04:34,270

airports to be flown to other cities for

102

00:04:39,929 --> 00:04:37,569

this sometimes they used airplanes and

103

00:04:42,360 --> 00:04:39,939

sometimes hot-air balloons

104

00:04:49,080 --> 00:04:42,370

children were flushed down the toilet

105

00:04:50,790 --> 00:04:49,090

traveled by sewer you get the idea all

106

00:04:54,629 --> 00:04:50,800

was said and done there was virtually no

107

00:04:59,219 --> 00:04:54,639

evidence that this occurred well it's

108

00:05:00,869 --> 00:04:59,229

kind of interesting because one of the

109

00:05:04,050 --> 00:05:00,879

things that you hear from time to time

110

00:05:06,959 --> 00:05:04,060

not very often but I should say that

111

00:05:08,909 --> 00:05:06,969

there are some there are some not many

112

00:05:11,490 --> 00:05:08,919

but there are some in the UFO community

113

00:05:14,010 --> 00:05:11,500

and there are a number of people outside

114

00:05:16,679 --> 00:05:14,020

of the UFO community who believe that

115

00:05:18,209 --> 00:05:16,689

Satan may very well very well be

116

00:05:21,409 --> 00:05:18,219

involved with these abductions that

117

00:05:25,499 --> 00:05:21,419

these so-called aliens are really

118

00:05:27,360 --> 00:05:25,509

demonic entities and as I said most

119

00:05:29,490 --> 00:05:27,370

people don't even give that a second

120

00:05:32,670 --> 00:05:29,500

thought but I might just throw something

121

00:05:34,740 --> 00:05:32,680

out at you parenthetically this was a

122

00:05:38,600 --> 00:05:34,750

book written by Nick Redfern called

123

00:05:45,079 --> 00:05:38,610

final events he talks a little bit about

124

00:05:48,209 --> 00:05:45,089

this hypothesis that not just these

125

00:05:50,790 --> 00:05:48,219

aliens quote-unquote but even ties it

126  
00:05:55,279 --> 00:05:50,800  
into the UFO phenomena in general could

127  
00:05:57,450 --> 00:05:55,289  
have some type of tie-in with Satan I

128  
00:06:00,689 --> 00:05:57,460  
don't want to get into it up here it's

129  
00:06:03,809 --> 00:06:00,699  
very complicated but it's a let's put it

130  
00:06:07,230 --> 00:06:03,819  
like this it is thought-provoking let's

131  
00:06:08,969 --> 00:06:07,240  
get back to our hysteria here and we

132  
00:06:10,769 --> 00:06:08,979  
have another situation here

133  
00:06:13,070 --> 00:06:10,779  
the associative identity disorder

134  
00:06:17,070 --> 00:06:13,080  
formerly known as multiple personality

135  
00:06:20,159 --> 00:06:17,080  
we have a similar situation practically

136  
00:06:23,249 --> 00:06:20,169  
unheard of we certainly had some cases

137  
00:06:25,559 --> 00:06:23,259  
and then in the 1970s you'll excuse the

138  
00:06:27,540 --> 00:06:25,569

expression all hell broke loose for a

139

00:06:31,740 --> 00:06:27,550

number of different reasons one of the

140

00:06:35,130 --> 00:06:31,750

reasons what whoops sorry was the

141

00:06:37,820 --> 00:06:35,140

and the book Sybil Sybil was a story of

142

00:06:42,210 --> 00:06:37,830

a woman who ostensibly had 16 different

143

00:06:45,060 --> 00:06:42,220

personalities they made a movie Sally

144

00:06:47,190 --> 00:06:45,070

Field was in the starting role a lot of

145

00:06:49,140 --> 00:06:47,200

my students say oh I know about Sybil

146

00:06:51,180 --> 00:06:49,150

yeah it was a fascinating case well

147

00:06:53,370 --> 00:06:51,190

unfortunately a lot of students don't

148

00:06:56,760 --> 00:06:53,380

know about another book called Sybil

149

00:06:59,460 --> 00:06:56,770

expose the extraordinary story behind

150

00:07:00,960 --> 00:06:59,470

the famous multiple personality case by

151  
00:07:04,290 --> 00:07:00,970  
investigative reporter

152  
00:07:06,870 --> 00:07:04,300  
Debbie Nathan and based on Debbie

153  
00:07:10,820 --> 00:07:06,880  
Nathan's investigation of the civil case

154  
00:07:15,450 --> 00:07:10,830  
it is at best iatrogenic and most likely

155  
00:07:18,780 --> 00:07:15,460  
purely fraudulent and yet all of these

156  
00:07:21,810 --> 00:07:18,790  
cases of multiple personality we went

157  
00:07:24,740 --> 00:07:21,820  
from several hundred pre-civil to

158  
00:07:27,990 --> 00:07:24,750  
thousands and thousands post-civil

159  
00:07:30,930 --> 00:07:28,000  
workshops on multiple personality

160  
00:07:35,130 --> 00:07:30,940  
courses on multiple personality experts

161  
00:07:38,880 --> 00:07:35,140  
on multiple personality in 1992 Sheppard

162  
00:07:41,250 --> 00:07:38,890  
Pratt Hospital a local hospital hired a

163  
00:07:45,120 --> 00:07:41,260

expert in multiple personality disorder

164

00:07:48,300 --> 00:07:45,130

and the number of cases increased by 900

165

00:07:51,390 --> 00:07:48,310

percent after that time of course in

166

00:07:54,300 --> 00:07:51,400

1980 multiple personality was officially

167

00:07:57,890 --> 00:07:54,310

recognized by the American Psychiatric

168

00:08:01,740 --> 00:07:57,900

Association so insurance companies

169

00:08:03,840 --> 00:08:01,750

insurance companies would reimburse the

170

00:08:09,150 --> 00:08:03,850

psychiatrist was happy big farmer was

171

00:08:13,950 --> 00:08:09,160

happy you know so how does this relate

172

00:08:17,760 --> 00:08:13,960

to alien abductions well we just heard

173

00:08:22,100 --> 00:08:17,770

dr. westrom talk about Whitley Strieber

174

00:08:28,469 --> 00:08:25,620

but Hopkins we have movies Close

175

00:08:31,230 --> 00:08:28,479

Encounters we have it became part of our

176

00:08:34,079 --> 00:08:31,240

cultural awareness cultural cognizance

177

00:08:36,450 --> 00:08:34,089

and then when these books came out when

178

00:08:38,430 --> 00:08:36,460

it became a culturally became more

179

00:08:40,709 --> 00:08:38,440

culturally aware of it than what did we

180

00:08:43,170 --> 00:08:40,719

have we have cases now of alien

181

00:08:45,269 --> 00:08:43,180

abductions and then a similar type of

182

00:08:47,280 --> 00:08:45,279

scenario as he said he have some

183

00:08:49,730 --> 00:08:47,290

or groups you have experts you have

184

00:08:50,879 --> 00:08:49,740

conferences all of a sudden you've got

185

00:08:53,480 --> 00:08:50,889

hybrids

186

00:08:57,840 --> 00:08:53,490

you've got reptilians you got alien

187

00:08:59,819 --> 00:08:57,850

alien half-alien half-human babies to

188

00:09:03,210 --> 00:08:59,829

mental health professionals this was as

189

00:09:06,030 --> 00:09:03,220

Yogi Berra said deja vu all over again

190

00:09:11,189 --> 00:09:06,040

here we go again it's just another type

191

00:09:13,019 --> 00:09:11,199

of hysteria so from what I've said so

192

00:09:15,660 --> 00:09:13,029

far you might say well gee well why

193

00:09:17,759 --> 00:09:15,670

bother what's the point well I even even

194

00:09:20,309 --> 00:09:17,769

consider this why even to look in this

195

00:09:23,249 --> 00:09:20,319

if there is so little of substance which

196

00:09:27,449 --> 00:09:23,259

supports the verticality one might argue

197

00:09:29,220 --> 00:09:27,459

so far by what so much of what is

198

00:09:34,759 --> 00:09:29,230

written and spoken and presented it's

199

00:09:39,059 --> 00:09:37,410

then why bother to look into this well

200

00:09:42,629 --> 00:09:39,069

there's a couple of things first of all

201  
00:09:45,119 --> 00:09:42,639  
there are some very very highly

202  
00:09:47,610 --> 00:09:45,129  
respected very credible scientific

203  
00:09:50,790 --> 00:09:47,620  
researchers that study this and we've

204  
00:09:54,360 --> 00:09:50,800  
heard from two of them this evening also

205  
00:10:00,299 --> 00:09:54,370  
there are some good and scholarly work

206  
00:10:02,490 --> 00:10:00,309  
out there well there we go these are two

207  
00:10:04,230 --> 00:10:02,500  
books of varieties of anomalous

208  
00:10:06,629 --> 00:10:04,240  
experience and I mentioned this book

209  
00:10:09,920 --> 00:10:06,639  
this book is not specifically about

210  
00:10:12,869 --> 00:10:09,930  
alien abductions this book is about a

211  
00:10:15,090 --> 00:10:12,879  
well what it says a variety of anomalous

212  
00:10:18,119 --> 00:10:15,100  
experiences and yes it is a play on

213  
00:10:19,679 --> 00:10:18,129

words memorializing William James is

214

00:10:21,569 --> 00:10:19,689

classic varieties of religious

215

00:10:23,610 --> 00:10:21,579

experiences talks about a number of

216

00:10:26,249 --> 00:10:23,620

different topics including some that

217

00:10:28,470 --> 00:10:26,259

we've heard here this weekend and one of

218

00:10:30,869 --> 00:10:28,480

them was at one of the articles written

219

00:10:32,699 --> 00:10:30,879

by the esteemed Stanley Crippler that we

220

00:10:36,679 --> 00:10:32,709

heard this this morning talks about

221

00:10:40,049 --> 00:10:36,689

anomalous hearing healing but one of the

222

00:10:43,079 --> 00:10:40,059

one of the chapters has to do with alien

223

00:10:45,809 --> 00:10:43,089

abductions and written by psychologists

224

00:10:48,299 --> 00:10:45,819

and they very carefully look at some of

225

00:10:51,059 --> 00:10:48,309

the more popular hypotheses fantasy

226

00:10:54,419 --> 00:10:51,069

prone personality psychopathology sleep

227

00:10:56,579 --> 00:10:54,429

paralysis etc the interesting thing

228

00:10:58,540 --> 00:10:56,589

about the chapter on abductions is that

229

00:11:01,000 --> 00:10:58,550

if you read the chapter very Kerr

230

00:11:04,060 --> 00:11:01,010

fully they don't really come to a

231

00:11:06,730 --> 00:11:04,070

conclusion they really can't

232

00:11:09,360 --> 00:11:06,740

definitively say what's going on they

233

00:11:13,660 --> 00:11:09,370

basically say that some of these

234

00:11:18,009 --> 00:11:13,670

hypotheses some of these hypotheses may

235

00:11:20,620 --> 00:11:18,019

explain you know some accounts but no

236

00:11:28,180 --> 00:11:20,630

hypothesis really explains all of these

237

00:11:30,880 --> 00:11:28,190

accounts of abductions so this is a book

238

00:11:34,569 --> 00:11:30,890

the abduction and then enigma written by

239

00:11:37,480 --> 00:11:34,579

a psychologist a medical doctor it tends

240

00:11:39,400 --> 00:11:37,490

to be anti abduction but I think it's

241

00:11:44,470 --> 00:11:39,410

worth reading and I think it's also been

242

00:11:47,199 --> 00:11:44,480

sort of misunderstood that I think what

243

00:11:50,740 --> 00:11:47,209

it does is to talk about the importance

244

00:11:53,050 --> 00:11:50,750

of being very careful researchers you

245

00:11:58,170 --> 00:11:53,060

know you should rule out such things as

246

00:12:00,069 --> 00:11:58,180

sleep paralysis such things as you know

247

00:12:03,160 --> 00:12:00,079

hallucinations you should rule these

248

00:12:07,510 --> 00:12:03,170

things out before we start assuming that

249

00:12:12,610 --> 00:12:07,520

it's people are being abducted so it

250

00:12:14,410 --> 00:12:12,620

looks like we're I think what I'm gonna

251  
00:12:16,000 --> 00:12:14,420  
do here is I'm gonna move on a little

252  
00:12:19,620 --> 00:12:16,010  
bit I want to talk about me and I want

253  
00:12:21,639 --> 00:12:19,630  
to talk about one of the cases that I

254  
00:12:24,100 --> 00:12:21,649  
want to discuss a little bit this

255  
00:12:26,290 --> 00:12:24,110  
evening so you sort of see where I'm

256  
00:12:31,920 --> 00:12:26,300  
coming from so I was sort of skeptical

257  
00:12:35,170 --> 00:12:31,930  
about this whole issue in the 1970s mid

258  
00:12:39,069 --> 00:12:35,180  
1970s I worked for a while as a there I

259  
00:12:41,860 --> 00:12:39,079  
say this as a bartender at Bolling Air

260  
00:12:44,650 --> 00:12:41,870  
Force Base in Washington DC what used to

261  
00:12:47,139 --> 00:12:44,660  
be called bowling field and one night it

262  
00:12:48,819 --> 00:12:47,149  
was tending bar and this gentleman came

263  
00:12:50,290 --> 00:12:48,829

in and he had a very distinct southern

264

00:12:52,630 --> 00:12:50,300

accident and I asked him where he was

265

00:12:55,360 --> 00:12:52,640

from and he says well I'm from a little

266

00:12:58,240 --> 00:12:55,370

town called Pascagoula in Mississippi

267

00:13:00,759 --> 00:12:58,250

well I was aware of this Pascagoula case

268

00:13:04,750 --> 00:13:00,769

this Pascagoula abduction case that

269

00:13:06,670 --> 00:13:04,760

occurred back in October of 1973 there

270

00:13:09,730 --> 00:13:06,680

are a lot of abduction cases some are

271

00:13:12,280 --> 00:13:09,740

more compelling than others on the

272

00:13:14,710 --> 00:13:12,290

surface the Pascagoula abduction case

273

00:13:16,990 --> 00:13:14,720

is the most inane the most ridiculous

274

00:13:19,540 --> 00:13:17,000

the silliest got a couple of good old

275

00:13:22,629 --> 00:13:19,550

boys at they're going fishing one night

276

00:13:24,879 --> 00:13:22,639

and all of a sudden they they hear this

277

00:13:27,999 --> 00:13:24,889

zipping sound they turn around they see

278

00:13:29,499 --> 00:13:28,009

this blue ship there and they get into

279

00:13:33,610 --> 00:13:29,509

this ship and they report being abducted

280

00:13:36,189 --> 00:13:33,620

and this this eye contraption supposedly

281

00:13:40,449 --> 00:13:36,199

circled around them and they went out

282

00:13:42,970 --> 00:13:40,459

and you know ended up talking to the

283

00:13:46,629 --> 00:13:42,980

police in the military so this this

284

00:13:49,269 --> 00:13:46,639

gentleman at the at the bar was actually

285

00:13:52,540 --> 00:13:49,279

a police officer and pass a ghoul in

286

00:13:55,780 --> 00:13:52,550

Mississippi and he was at Bolling Air

287

00:13:59,499 --> 00:13:55,790

Force Base on I guess he was it was in

288

00:14:01,809 --> 00:13:59,509

the reserves so I met him and I

289

00:14:04,030 --> 00:14:01,819

interviewed him and we spent some time

290

00:14:06,850 --> 00:14:04,040

together and he says some interesting

291

00:14:08,829 --> 00:14:06,860

things to me about the one of the two

292

00:14:12,100 --> 00:14:08,839

gentlemen involved with the case Charlie

293

00:14:13,689 --> 00:14:12,110

Higson he was 42 he said to me said did

294

00:14:16,360 --> 00:14:13,699

you know that Charles Hickson was a war

295

00:14:17,620 --> 00:14:16,370

hero and I said no he said did you know

296

00:14:20,590 --> 00:14:17,630

that Charles Hickson passed the

297

00:14:22,629 --> 00:14:20,600

polygraph tests that I said no Jim the

298

00:14:24,670 --> 00:14:22,639

case was taken very seriously by Air

299

00:14:29,970 --> 00:14:24,680

Force personnel at Keesler Air Force

300

00:14:32,769 --> 00:14:29,980

Base I said no he said he says I know

301

00:14:36,009 --> 00:14:32,779

Charlie Hickson he says I worked with

302

00:14:38,790 --> 00:14:36,019

the with the man he says these stories

303

00:14:41,110 --> 00:14:38,800

of him having a drinking problem are

304

00:14:44,860 --> 00:14:41,120

exaggerated he's not prone to fantasy

305

00:14:47,620 --> 00:14:44,870

and he says he was he was I guess he

306

00:14:49,689 --> 00:14:47,630

still was at that time but he had been a

307

00:14:51,790 --> 00:14:49,699

member of the pass a goal of police

308

00:14:54,840 --> 00:14:51,800

department and he was involved with the

309

00:14:57,009 --> 00:14:54,850

case and he said to me that his

310

00:15:00,250 --> 00:14:57,019

colleagues on the police department

311

00:15:03,759 --> 00:15:00,260

almost to a person were convinced that

312

00:15:06,069 --> 00:15:03,769

Hickson in the 19 year old friend Calvin

313

00:15:08,800 --> 00:15:06,079

Parker were telling the truth and he

314

00:15:11,559 --> 00:15:08,810

said to me did you know that they were

315

00:15:13,960 --> 00:15:11,569

secretly tape recorded and I said well I

316

00:15:15,699 --> 00:15:13,970

heard tell about that but they must have

317

00:15:17,650 --> 00:15:15,709

known they were being tape recorded and

318

00:15:18,850 --> 00:15:17,660

this police officer said to me his name

319

00:15:21,759 --> 00:15:18,860

was Bill Gennaro

320

00:15:23,620 --> 00:15:21,769

he says I can assure you it worked for

321

00:15:25,129 --> 00:15:23,630

the Pascagoula Police Department they

322

00:15:26,989 --> 00:15:25,139

did not know

323

00:15:29,660 --> 00:15:26,999

they were being tape recorded this

324

00:15:31,999 --> 00:15:29,670

happened shortly after the abduction now

325

00:15:37,069 --> 00:15:32,009

what I have here I don't I hope we can

326

00:15:39,499 --> 00:15:37,079

show it is the actual this is not a

327

00:15:43,929 --> 00:15:39,509

reproduction this is the actual tape

328

00:15:50,119 --> 00:15:43,939

recording of Charlie Hickson aged 42 and

329

00:15:53,179 --> 00:15:50,129

Calvin Parker aged 19 after they went to

330

00:15:54,979 --> 00:15:53,189

the to the police department and they

331

00:15:57,019 --> 00:15:54,989

were placed they weren't arrested but

332

00:15:59,689 --> 00:15:57,029

they were placed in this room alone the

333

00:16:00,979 --> 00:15:59,699

officers left them alone figuring

334

00:16:03,019 --> 00:16:00,989

they're going to say oh we pulled a fast

335

00:16:04,830 --> 00:16:03,029

one over and didn't wait well that's not

336

00:16:20,560 --> 00:16:04,840

exactly what what they found

337

00:16:23,290 --> 00:16:20,570

[Music]

338

00:16:26,129 --> 00:16:23,300

returned

339

00:16:34,170 --> 00:16:26,139

[Applause]

340

00:16:41,770 --> 00:16:38,500

although additional beyond the initial

341

00:16:41,780 --> 00:16:55,619

[Music]

342

00:16:55,629 --> 00:17:01,400

you know the last time

343

00:17:12,720 --> 00:17:07,460

[Music]

344

00:17:19,329 --> 00:17:15,370

you know that I guess she really put

345

00:17:21,520 --> 00:17:19,339

upon initially they don't even painted a

346

00:17:28,690 --> 00:17:21,530

hurt me right why don't you stick Tessa

347

00:17:38,890 --> 00:17:36,480

[Music]

348

00:17:42,010 --> 00:17:38,900

basically these two guys are talking

349

00:17:44,190 --> 00:17:42,020

about really being horrified being

350

00:17:47,590 --> 00:17:44,200

frightened nobody's gonna believe us

351

00:17:51,390 --> 00:17:47,600

what are we gonna do you know that there

352

00:17:55,900 --> 00:17:51,400

was no evidence that they were lying now

353

00:17:58,390 --> 00:17:55,910

this police officer this whole thing

354

00:18:00,730 --> 00:17:58,400

kind of really make you piqued my

355

00:18:07,420 --> 00:18:00,740

curiosity so there's Hickson and Parker

356

00:18:09,820 --> 00:18:07,430

so let's let's fast-forward to 2003 30th

357

00:18:13,170 --> 00:18:09,830

anniversary of the passing ghoul

358

00:18:15,520 --> 00:18:13,180

abduction case I was giving a talk at a

359

00:18:17,800 --> 00:18:15,530

seminar called mysteries of space and

360

00:18:21,490 --> 00:18:17,810

sky and I decided to talk about this

361

00:18:25,060 --> 00:18:21,500

case and what I did was to have a series

362

00:18:27,280 --> 00:18:25,070

of interviews with Charlie Hickson and I

363

00:18:29,680 --> 00:18:27,290

have to tell you I had a series of

364

00:18:32,770 --> 00:18:29,690

interviews with Charlie got to know him

365

00:18:36,640 --> 00:18:32,780

somewhat well and I was convinced that

366

00:18:39,130 --> 00:18:36,650

this man was telling the truth I am

367

00:18:41,470 --> 00:18:39,140

convinced as was J Allen Hynek who

368

00:18:44,350 --> 00:18:41,480

interviewed him that he had an

369

00:18:46,120 --> 00:18:44,360

experience do not believe this man was

370

00:18:51,190 --> 00:18:46,130

lying I believe the man was very

371

00:18:52,960 --> 00:18:51,200

honorable so if this case which on the

372

00:18:55,960 --> 00:18:52,970

surface would be sort of the most

373

00:18:58,300 --> 00:18:55,970

ridiculous the most inane what does that

374

00:19:00,880 --> 00:18:58,310

say or suggest about some other cases

375

00:19:03,160 --> 00:19:00,890

that may be much more compelling and if

376

00:19:08,190 --> 00:19:03,170

you will believable such as the Travis

377

00:19:11,800 --> 00:19:08,200

Walton case so there's a picture of

378

00:19:15,370 --> 00:19:11,810

Charlie holding a sketch of he and

379

00:19:17,410 --> 00:19:15,380

Calvin would be with the UFO now I don't

380

00:19:19,960 --> 00:19:17,420

haven't had a chance to do this to do

381

00:19:23,290 --> 00:19:19,970

this justice but suffice it to say that

382

00:19:26,740 --> 00:19:23,300

my opportunity to get to know this man

383

00:19:29,380 --> 00:19:26,750

change my attitude about abductions so

384

00:19:30,880 --> 00:19:29,390

that it's much more open-minded now and

385

00:19:33,390 --> 00:19:30,890

again I ended up working with some

386

00:19:37,150 --> 00:19:33,400

people who claimed to have been abducted

387

00:19:38,560 --> 00:19:37,160

abducted and then finally you know the

388

00:19:40,090 --> 00:19:38,570

theme of this conference is making

389

00:19:42,010 --> 00:19:40,100

connections I'm going to give you a

390

00:19:43,630 --> 00:19:42,020

chance to make some connections with

391

00:19:46,200 --> 00:19:43,640

other people interested in this field

392

00:19:51,220 --> 00:19:46,210

with a shameless

393

00:19:53,110 --> 00:19:51,230

October 24 24th 2015 we're not going to

394

00:19:54,820 --> 00:19:53,120

be talking about Charlie Hickson but we

395

00:19:56,560 --> 00:19:54,830

are going to be talking about mysteries

396

00:19:58,390 --> 00:19:56,570

of space and sky we're going to be

397

00:20:03,400 --> 00:19:58,400

hearing from Rob's why check his wife

398

00:20:05,590 --> 00:20:03,410

sue in in the lobby out there have some

399

00:20:08,110 --> 00:20:05,600

fliers I also have some here that will

400

00:20:10,470 --> 00:20:08,120

talk about it I hope that you folks will

401  
00:20:13,659 --> 00:20:10,480  
make some connections and considering

402  
00:20:16,210 --> 00:20:13,669  
coming attending the conference that

403  
00:20:18,340 --> 00:20:16,220  
fliers have all the information that you

404  
00:20:19,899 --> 00:20:18,350  
need to know about the conference I'll

405  
00:20:22,990 --> 00:20:19,909  
also be hanging around on tell you what

406  
00:20:24,960 --> 00:20:23,000  
I know about it so far

407  
00:20:27,430 --> 00:20:24,970  
sorry for the sort of the helter skelter

408  
00:20:32,380 --> 00:20:27,440  
addressed here but I will leave you with

409  
00:20:39,279 --> 00:20:32,390  
one final sentiment thank you Peter

410  
00:20:42,460 --> 00:20:39,289  
I agree with you about the Hickson

411  
00:20:44,260 --> 00:20:42,470  
Parker case it is I mean it's really

412  
00:20:47,680 --> 00:20:44,270  
hard to disprove that but the thing that

413  
00:20:49,510 --> 00:20:47,690

makes it so ridiculous in spite of all

414

00:20:52,240 --> 00:20:49,520

the evidence it's the fact they're

415

00:20:54,580 --> 00:20:52,250

they're not out in the woods are on some

416

00:20:56,200 --> 00:20:54,590

distant lake I mean they're in an area

417

00:20:58,930 --> 00:20:56,210

in Pascagoula that was fairly well

418

00:21:01,000 --> 00:20:58,940

populated they were on the bank of a

419

00:21:03,490 --> 00:21:01,010

river I think it was off an old fishing

420

00:21:07,149 --> 00:21:03,500

pier or something like that and then

421

00:21:12,070 --> 00:21:07,159

this craft just appears and opens it

422

00:21:15,190 --> 00:21:12,080

doors and these aliens float out and

423

00:21:17,919 --> 00:21:15,200

float them into it into this craft and

424

00:21:21,310 --> 00:21:17,929

then keep them for about a half an hour

425

00:21:23,680 --> 00:21:21,320

now the hard part to believe is you know

426

00:21:26,620 --> 00:21:23,690

where was everybody else wasn't anybody

427

00:21:29,289 --> 00:21:26,630

seeing this crap was it interdimensional

428

00:21:31,720 --> 00:21:29,299

you know just that that's the part of

429

00:21:33,340 --> 00:21:31,730

course about this whole phenomena is the

430

00:21:35,770 --> 00:21:33,350

way these things appear and then

431

00:21:38,710 --> 00:21:35,780

disappear but everything about their

432

00:21:40,690 --> 00:21:38,720

story holds true to me it seems to me to

433

00:21:42,789 --> 00:21:40,700

be what yeah and and my skepticism of

434

00:21:44,350 --> 00:21:42,799

this case also was because this is we

435

00:21:46,510 --> 00:21:44,360

didn't have the traditional gray alien

436

00:21:48,820 --> 00:21:46,520

we had this weird-looking mummy here but

437

00:21:50,669 --> 00:21:48,830

what I discovered from office in Janeiro

438

00:21:53,740 --> 00:21:50,679

and what I discovered in subsequent

439

00:21:57,490 --> 00:21:53,750

evaluations and research on this case is

440

00:21:59,049 --> 00:21:57,500

in fact at that time there was a wave of

441

00:22:02,680 --> 00:21:59,059

UFO

442

00:22:06,010 --> 00:22:02,690

in and around Pascagoula and some of

443

00:22:09,280 --> 00:22:06,020

these reports did the reporters did say

444

00:22:14,080 --> 00:22:09,290

they saw something down by that shawl

445

00:22:16,960 --> 00:22:14,090

Peter shipyard close to word the the

446

00:22:20,440 --> 00:22:16,970

incident took place so there were some

447

00:22:22,720 --> 00:22:20,450

reports ultimately that ultimately came

448

00:22:25,210 --> 00:22:22,730

out they said yeah we saw something down

449

00:22:27,340 --> 00:22:25,220

in that same area but the police officer

450

00:22:28,870 --> 00:22:27,350

that I had a chance to interview said

451  
00:22:31,299 --> 00:22:28,880  
that there were sightings all over

452  
00:22:33,909 --> 00:22:31,309  
Pascagoula at that time including one

453  
00:22:37,450 --> 00:22:33,919  
that he had and of course October of

454  
00:22:39,070 --> 00:22:37,460  
1973 was part of the big flap year for

455  
00:22:42,030 --> 00:22:39,080  
UFOs and that so-called year of the

456  
00:22:44,350 --> 00:22:42,040  
humanoid last questioner hi Peter uh

457  
00:22:45,940 --> 00:22:44,360  
you've mentioned the kind of argument

458  
00:22:48,159 --> 00:22:45,950  
we've heard for many decades that

459  
00:22:50,049 --> 00:22:48,169  
talking about this more openly in the

460  
00:22:52,240 --> 00:22:50,059  
media would cause mass hysteria going

461  
00:22:54,070 --> 00:22:52,250  
back to the War of the Worlds and that

462  
00:22:56,260 --> 00:22:54,080  
we're familiar with that argument but as

463  
00:22:58,750 --> 00:22:56,270

a clinical social worker what about the

464

00:23:00,520 --> 00:22:58,760

flipside of this of the stress of a

465

00:23:01,720 --> 00:23:00,530

person who has experienced this but

466

00:23:03,610 --> 00:23:01,730

can't talk about it

467

00:23:06,070 --> 00:23:03,620

maybe because they are served in an

468

00:23:08,080 --> 00:23:06,080

official capacity and they only talk

469

00:23:09,310 --> 00:23:08,090

about it on their deathbed or something

470

00:23:12,430 --> 00:23:09,320

like that and I'll give you an example

471

00:23:13,930 --> 00:23:12,440

two years ago in Washington DC we had

472

00:23:15,760 --> 00:23:13,940

the Citizen hearing which someone

473

00:23:18,159 --> 00:23:15,770

mentioned the Steven Bassett where we

474

00:23:21,039 --> 00:23:18,169

had 40 witnesses over five days at the

475

00:23:23,830 --> 00:23:21,049

National Press Club giving testimony

476  
00:23:26,740 --> 00:23:23,840  
under sworn oath to six retired Congress

477  
00:23:29,409 --> 00:23:26,750  
people including a senator we had for

478  
00:23:32,310 --> 00:23:29,419  
retired missile control launch officers

479  
00:23:35,650 --> 00:23:32,320  
who each told us similar stories of

480  
00:23:38,470 --> 00:23:35,660  
flying discs coming over their bases and

481  
00:23:43,860 --> 00:23:38,480  
all of maybe sometimes 10 to 15 missiles

482  
00:23:46,000 --> 00:23:43,870  
going down at the same time and later on

483  
00:23:47,950 --> 00:23:46,010  
people would come into the base to have

484  
00:23:49,870 --> 00:23:47,960  
them sign something saying nothing

485  
00:23:51,730 --> 00:23:49,880  
happened and you won't talk about what

486  
00:23:53,590 --> 00:23:51,740  
never happened and there was one

487  
00:23:56,020 --> 00:23:53,600  
particular individual there his name was

488  
00:23:58,299 --> 00:23:56,030

David Schindler he was shaking when he

489

00:23:59,799 --> 00:23:58,309

was talking about this because he

490

00:24:01,810 --> 00:23:59,809

couldn't decide whether to come to this

491

00:24:04,360 --> 00:24:01,820

event until the last moment because he

492

00:24:07,180 --> 00:24:04,370

was breaking his security oath to talk

493

00:24:10,510 --> 00:24:07,190

about something that was seen by many

494

00:24:11,790 --> 00:24:10,520

people at serving at the base he was

495

00:24:13,680 --> 00:24:11,800

told by one of the Congo

496

00:24:15,690 --> 00:24:13,690

people that he could testify because

497

00:24:17,310 --> 00:24:15,700

they were been in Congress and it became

498

00:24:19,260 --> 00:24:17,320

a question of if this was actually even

499

00:24:20,670 --> 00:24:19,270

legal to have this type of testimony

500

00:24:24,300 --> 00:24:20,680

given the security oath

501  
00:24:25,890 --> 00:24:24,310  
signed in any case the media were there

502  
00:24:27,930 --> 00:24:25,900  
including the New York Times and The

503  
00:24:32,040 --> 00:24:27,940  
Washington Post and The Washington Post

504  
00:24:33,720 --> 00:24:32,050  
editorial had a story about this and we

505  
00:24:36,590 --> 00:24:33,730  
were curious to see if they reported

506  
00:24:39,360 --> 00:24:36,600  
seriously or not and they said after

507  
00:24:41,400 --> 00:24:39,370  
covering this just superficially that

508  
00:24:43,890 --> 00:24:41,410  
they had talked to a psychiatrist and

509  
00:24:46,980 --> 00:24:43,900  
this was a form of schizo tippie mental

510  
00:24:49,560 --> 00:24:46,990  
disorder now the last time I checked sac

511  
00:24:52,080 --> 00:24:49,570  
radar doesn't have skits a temple Messel

512  
00:24:54,570 --> 00:24:52,090  
disorder you know radar is highly

513  
00:24:57,660 --> 00:24:54,580

calibrated it's not it's not a credible

514

00:25:00,060 --> 00:24:57,670

argument when you have so much data air

515

00:25:01,740 --> 00:25:00,070

radar ground radar multiple sightings to

516

00:25:03,300 --> 00:25:01,750

call this a schizo typical mental

517

00:25:05,220 --> 00:25:03,310

disorder so I think we need to move

518

00:25:07,050 --> 00:25:05,230

forward past that point and really deal

519

00:25:08,130 --> 00:25:07,060

with the evidence because quite frankly

520

00:25:09,870 --> 00:25:08,140

I'm concerned that there could be

521

00:25:12,330 --> 00:25:09,880

hundreds or thousands of people out

522

00:25:13,740 --> 00:25:12,340

there in our society let alone the

523

00:25:15,300 --> 00:25:13,750

Soviet Union where we know this sort of

524

00:25:18,270 --> 00:25:15,310

incident has also happened with their

525

00:25:19,980 --> 00:25:18,280

nuclear missiles that can't talk about

526

00:25:21,420 --> 00:25:19,990

it and they tell their kids as they're

527

00:25:24,150 --> 00:25:21,430

about to die we should hear about it

528

00:25:27,060 --> 00:25:24,160

here not at the end of their life thank

529

00:25:29,700 --> 00:25:27,070

you well I think you're I mean it's hard

530

00:25:32,550 --> 00:25:29,710

to top that you're absolutely right but

531

00:25:34,350 --> 00:25:32,560

I just to sort of piggyback it research

532

00:25:36,810 --> 00:25:34,360

shows that the vast majority of these

533

00:25:40,170 --> 00:25:36,820

so-called abductees psychopathology does

534

00:25:42,510 --> 00:25:40,180

not explain their experience it simply

535

00:25:44,280 --> 00:25:42,520

doesn't it may explain some of them but

536

00:25:46,410 --> 00:25:44,290

psychopathology does not explain it

537

00:25:48,570 --> 00:25:46,420

coaxing does not explain it again it may

538

00:25:52,790 --> 00:25:48,580

explain some but not most of them these

539

00:25:57,240 --> 00:25:52,800

people are found to be not psychotic and

540

00:26:00,780 --> 00:25:57,250

not faking and most of them and you're

541

00:26:03,360 --> 00:26:00,790

right I've had gentlemen that I saw that

542

00:26:04,980 --> 00:26:03,370

lived in northern Pennsylvania that came

543

00:26:07,050 --> 00:26:04,990

all the way down to see me in Prince

544

00:26:08,670 --> 00:26:07,060

George's County which you don't know

545

00:26:11,990 --> 00:26:08,680

where that is it's on the south end of

546

00:26:14,880 --> 00:26:12,000

DC came down and see me several times

547

00:26:17,970 --> 00:26:14,890

for individual therapy to talk about his

548

00:26:19,830 --> 00:26:17,980

experiences because he says he doesn't

549

00:26:22,510 --> 00:26:19,840

can't tell anybody else because anybody

550

00:26:24,160 --> 00:26:22,520

talks to what's the usual you're lying

551  
00:26:26,290 --> 00:26:24,170  
you're crazy it's the devil and he

552  
00:26:28,180 --> 00:26:26,300  
couldn't talk to anybody else I finally

553  
00:26:30,310 --> 00:26:28,190  
let him know that David Jacobs was

554  
00:26:31,060 --> 00:26:30,320  
closer to home couldn't talk about it

555  
00:26:32,380 --> 00:26:31,070  
with anyone

556  
00:26:35,110 --> 00:26:32,390  
it was another case was actually

557  
00:26:38,740 --> 00:26:35,120  
referred to me by this white X of a

558  
00:26:41,680 --> 00:26:38,750  
woman who had abduction experiences at a

559  
00:26:43,420 --> 00:26:41,690  
segment of her life told no one told did

560  
00:26:45,460 --> 00:26:43,430  
not tell her husband did not tell her

561  
00:26:47,710 --> 00:26:45,470  
closest friend who she's had lunch with

562  
00:26:49,450 --> 00:26:47,720  
every month since she ate they were in

563  
00:26:52,000 --> 00:26:49,460

high school and she felt like she's

564

00:26:55,270 --> 00:26:52,010

getting older now she doesn't want to go

565

00:26:59,440 --> 00:26:55,280

to her deathbed and tell no one so she

566

00:27:02,800 --> 00:26:59,450

called foo for I guess and thus white X

567

00:27:06,460 --> 00:27:02,810

come to find out this lady is lives in

568

00:27:10,140 --> 00:27:06,470

walking distance to my house and I saw

569

00:27:13,090 --> 00:27:10,150

her a number of times and like you say

570

00:27:15,850 --> 00:27:13,100

she she hadn't told anyone and she felt

571

00:27:17,260 --> 00:27:15,860

like I got to tell someone so you're

572

00:27:20,080 --> 00:27:17,270

right it's a big problem because people

573

00:27:22,150 --> 00:27:20,090

have these experiences faint talking so

574

00:27:24,340 --> 00:27:22,160

many of them so which I what's the real

575

00:27:26,170 --> 00:27:24,350

incidence or prevalence who knows

576

00:27:28,270 --> 00:27:26,180

because so many don't don't want to

577

00:27:30,700 --> 00:27:28,280

admit it because again you're lying

578

00:27:32,130 --> 00:27:30,710

you're crazy it's the devil thank you
