

1
00:00:06,160 --> 00:00:04,869
and I'm presenting a case of out-of-body

2
00:00:11,270 --> 00:00:06,170
experiences

3
00:00:15,799 --> 00:00:11,280
happening spontaneously under waking and

4
00:00:19,840 --> 00:00:15,809
in the waking state under you know full

5
00:00:24,259 --> 00:00:19,850
consciousness it's happening to me since

6
00:00:27,019 --> 00:00:24,269
1995 and also to my husband Michael who

7
00:00:31,040 --> 00:00:27,029
has been an experiencer for the past 44

8
00:00:34,970 --> 00:00:31,050
years so last week when I was browsing

9
00:00:37,819 --> 00:00:34,980
on the internet I read an advertisement

10
00:00:42,790 --> 00:00:37,829
huge advertisement saying out-of-body

11
00:00:47,450 --> 00:00:42,800
experiences in three days guaranteed

12
00:00:50,869 --> 00:00:47,460
right no I like okay it's kind of trendy

13
00:00:52,430 --> 00:00:50,879

nowadays to pay huge bucks for someone

14

00:00:54,799 --> 00:00:52,440

who would teach you how to get out of

15

00:00:58,610 --> 00:00:54,809

body right but guess what

16

00:01:02,180 --> 00:00:58,620

I know a person who would pay a lot of

17

00:01:05,390 --> 00:01:02,190

money to someone who could teach him how

18

00:01:10,130 --> 00:01:05,400

to get back into his physical body and

19

00:01:14,000 --> 00:01:10,140

stay grounded that person is my husband

20

00:01:18,109 --> 00:01:14,010

Michael who has been having a bad

21

00:01:22,910 --> 00:01:18,119

experiences for the past 44 years since

22

00:01:25,190 --> 00:01:22,920

he was born he remembers I mean he has

23

00:01:28,730 --> 00:01:25,200

been through the so-called conscious

24

00:01:33,679 --> 00:01:28,740

birth right he remembers when his mother

25

00:01:39,020 --> 00:01:33,689

was delivering him he remembers his own

26
00:01:41,600 --> 00:01:39,030
death out of body of course Michael is a

27
00:01:45,590 --> 00:01:41,610
natural psychic and out-of-body

28
00:01:50,530 --> 00:01:45,600
experiences experimenter for the past 44

29
00:01:56,209 --> 00:01:50,540
years he has been having out-of-body

30
00:02:01,060 --> 00:01:56,219
experiences in a waking state under full

31
00:02:03,590 --> 00:02:01,070
consciousness when walking talking

32
00:02:09,320 --> 00:02:03,600
standing working what

33
00:02:12,890 --> 00:02:09,330
ever okay now dr. Atwater PMH Atwater

34
00:02:15,410 --> 00:02:12,900
who is a recognized scholar on the OBE's

35
00:02:20,060 --> 00:02:15,420
and endings and other paranormal

36
00:02:24,580 --> 00:02:20,070
experiences she would write a foreword

37
00:02:30,290 --> 00:02:24,590
to like it forward to my book on OBE

38
00:02:35,480 --> 00:02:30,300

where she would say about Michael and

39

00:02:39,380 --> 00:02:35,490

I'm quoting a man who discovered a new

40

00:02:43,910 --> 00:02:39,390

aspect to his own being the ability to

41

00:02:46,460 --> 00:02:43,920

leave his body and goes of where now she

42

00:02:50,630 --> 00:02:46,470

would also say one of our conversations

43

00:02:52,100 --> 00:02:50,640

something that I thought Michael death

44

00:02:55,840 --> 00:02:52,110

scares me a little

45

00:02:59,600 --> 00:02:55,850

she would say he is still human but

46

00:03:02,350 --> 00:02:59,610

beginning to operate better at a higher

47

00:03:07,400 --> 00:03:02,360

frequency than what's called normal

48

00:03:09,080 --> 00:03:07,410

almost as high as it has become in pure

49

00:03:12,740 --> 00:03:09,090

consciousness unclothed

50

00:03:17,000 --> 00:03:12,750

well my aim here today is to deliver my

51
00:03:20,060 --> 00:03:17,010
presentation in the most truthful honest

52
00:03:23,479 --> 00:03:20,070
and effective way effective way as

53
00:03:26,449 --> 00:03:23,489
possible and to this lovely audience

54
00:03:30,250 --> 00:03:26,459
here and to everyone who's willing to

55
00:03:33,640 --> 00:03:30,260
listen to my story without judging it

56
00:03:38,539 --> 00:03:33,650
before I start though I think I should

57
00:03:41,330 --> 00:03:38,549
make two points first this paper

58
00:03:43,990 --> 00:03:41,340
presented presents a case for studying

59
00:03:47,509 --> 00:03:44,000
and out-of-body experiences based on

60
00:03:50,650 --> 00:03:47,519
first-person experience as it was

61
00:03:53,030 --> 00:03:50,660
written from the perspective of

62
00:03:57,080 --> 00:03:53,040
experiences myself and Michael

63
00:04:00,340 --> 00:03:57,090

so my paper relies on observation that

64

00:04:03,220 --> 00:04:00,350

are subjective in their nature

65

00:04:07,869 --> 00:04:03,230

second a clear distinct

66

00:04:14,080 --> 00:04:07,879

should be made between an out-of-body

67

00:04:18,789 --> 00:04:14,090

experience in the waking state happening

68

00:04:23,500 --> 00:04:18,799

fully spontaneously naturally under full

69

00:04:25,060 --> 00:04:23,510

consciousness acting in the middle of

70

00:04:27,969 --> 00:04:25,070

the day out of the blue when you're

71

00:04:33,840 --> 00:04:27,979

walking talking working whatever and

72

00:04:38,770 --> 00:04:33,850

what I call Auto Body life experiences

73

00:04:42,120 --> 00:04:38,780

that will happen you know under lucidity

74

00:04:46,810 --> 00:04:42,130

or lose it states right under hypnosis

75

00:04:50,800 --> 00:04:46,820

on their influence of drugs different

76
00:04:56,250 --> 00:04:50,810
medications different but you also have

77
00:04:59,290 --> 00:04:56,260
REM intrusion right sleep paralysis

78
00:05:03,000 --> 00:04:59,300
helping a good job happiness pumping

79
00:05:07,719 --> 00:05:03,010
states you would have different

80
00:05:12,219 --> 00:05:07,729
out-of-body experiences happening under

81
00:05:16,659 --> 00:05:12,229
deep sleep when theta waves are involved

82
00:05:20,650 --> 00:05:16,669
Cesar and Eloise so I'm presenting out

83
00:05:23,950 --> 00:05:20,660
about experiences happening okay one

84
00:05:26,620 --> 00:05:23,960
more time you know waking stay under

85
00:05:30,730 --> 00:05:26,630
full consciousness in the middle of the

86
00:05:33,219 --> 00:05:30,740
day okay when person is active talking

87
00:05:40,480 --> 00:05:33,229
speaking standing right not laying down

88
00:05:43,390 --> 00:05:40,490

or sleeping now I will not use much

89

00:05:45,610 --> 00:05:43,400

rotation from different scientific works

90

00:05:48,640 --> 00:05:45,620

right people that would study

91

00:05:52,450 --> 00:05:48,650

out-of-body experiences because I want

92

00:05:55,090 --> 00:05:52,460

to present as much firsthand

93

00:05:58,870 --> 00:05:55,100

and first-hand information and facts

94

00:06:01,960 --> 00:05:58,880

possible although I might use one quote

95

00:06:04,990 --> 00:06:01,970

from Susan Blackmore well study the

96

00:06:07,540 --> 00:06:05,000

nature of all be used extensively in one

97

00:06:10,499 --> 00:06:07,550

of her stops okay she would say the

98

00:06:14,260 --> 00:06:10,509

following on the nature of all these

99

00:06:18,550 --> 00:06:14,270

well they are quote there are short

100

00:06:20,950 --> 00:06:18,560

duration and happen only once or twice

101
00:06:24,430 --> 00:06:20,960
in all lifetime

102
00:06:27,370 --> 00:06:24,440
well let me respectfully disagree with

103
00:06:31,240 --> 00:06:27,380
that statement given the fact that might

104
00:06:34,529 --> 00:06:31,250
fall under those multiple Obi's each day

105
00:06:39,700 --> 00:06:34,539
or the last 44 years

106
00:06:43,839 --> 00:06:39,710
he must have experience over fifteen

107
00:06:47,490 --> 00:06:43,849
thousand eight hundred and forty Obi's

108
00:06:52,450 --> 00:06:47,500
up today so what's the story Michael

109
00:06:55,990 --> 00:06:52,460
well basically he remembers has the

110
00:06:59,800 --> 00:06:56,000
whole prenatal state having been in his

111
00:07:04,270 --> 00:06:59,810
mother's uterus and actually he

112
00:07:07,749 --> 00:07:04,280
remembers the exact instant when his

113
00:07:12,610 --> 00:07:07,759

what let's call it soul or the light

114

00:07:18,310 --> 00:07:12,620

body or the quantum of energy was flown

115

00:07:21,550 --> 00:07:18,320

and to his mother's uterus to join the

116

00:07:28,390 --> 00:07:21,560

fetus that would later become his

117

00:07:31,659 --> 00:07:28,400

physical body and his own words quote I

118

00:07:35,680 --> 00:07:31,669

have had all these since I can remember

119

00:07:39,279 --> 00:07:35,690

I remember leaving my body as a toddler

120

00:07:43,899 --> 00:07:39,289

I remember being in my mother's suitors

121

00:07:48,689 --> 00:07:43,909

I remember how it felt there the exact

122

00:07:52,629 --> 00:07:48,699

sounds colors geometry shapes and

123

00:07:54,989 --> 00:07:52,639

surroundings well Michael telepathically

124

00:08:00,600 --> 00:07:54,999

communicates with animals

125

00:08:03,539 --> 00:08:00,610

the DC's toddlers new even babies that

126
00:08:06,329 --> 00:08:03,549
have not been warmed yet they are either

127
00:08:09,359 --> 00:08:06,339
in the prenatal stage or will only be

128
00:08:14,249 --> 00:08:09,369
born in a distant future he retrieves

129
00:08:16,889 --> 00:08:14,259
information from wall doors with trees

130
00:08:19,979 --> 00:08:16,899
this is a furniture wooden furniture

131
00:08:25,219 --> 00:08:19,989
stones crystals plants basically

132
00:08:29,699 --> 00:08:25,229
anything and which is organic what work

133
00:08:32,129 --> 00:08:29,709
plastic would not work well when Michael

134
00:08:34,980 --> 00:08:32,139
goes out of body in the middle of the

135
00:08:38,209 --> 00:08:34,990
day hey I can just tell I have been

136
00:08:41,749 --> 00:08:38,219
observing him for the last 25 years and

137
00:08:47,100 --> 00:08:41,759
what he would do went leaving his body

138
00:08:49,939 --> 00:08:47,110

he would kind of shut his eyes he

139

00:08:53,970 --> 00:08:49,949

doesn't need them when out of body

140

00:08:58,129 --> 00:08:53,980

Heywood with respect to his movements he

141

00:09:01,740 --> 00:08:58,139

would kind of like move in a rock

142

00:09:05,670 --> 00:09:01,750

robotic light of moments trying to look

143

00:09:09,150 --> 00:09:05,680

for his balance right he would have some

144

00:09:12,960 --> 00:09:09,160

vestibular issues you can tell but try

145

00:09:15,150 --> 00:09:12,970

to figure out you know the space trying

146

00:09:17,610 --> 00:09:15,160

to figure out though out the difference

147

00:09:21,990 --> 00:09:17,620

between his and too personal and extra

148

00:09:26,100 --> 00:09:22,000

personal space so to speak now he would

149

00:09:29,280 --> 00:09:26,110

also have difficulty communicating when

150

00:09:31,559 --> 00:09:29,290

out of body he would have a heart we

151

00:09:34,980 --> 00:09:31,569

would have some difficulties clearly

152

00:09:38,879 --> 00:09:34,990

with respect to his both oral and

153

00:09:43,079 --> 00:09:38,889

written fluency and his mother tongue

154

00:09:46,710 --> 00:09:43,089

which English right hey could hardly

155

00:09:51,799 --> 00:09:46,720

hold a pen hate him right because his

156

00:09:56,400 --> 00:09:51,809

muscles are all relaxed right now he

157

00:09:59,030 --> 00:09:56,410

would also exhibit so sighs I don't want

158

00:10:03,610 --> 00:09:59,040

to call it symptoms but some signs of

159

00:10:08,740 --> 00:10:03,620

people that usually suffer from

160

00:10:14,110 --> 00:10:08,750

different symptoms such as a face be off

161

00:10:17,290 --> 00:10:14,120

a breakfast dyslexia at pretz-elle or

162

00:10:20,410 --> 00:10:17,300

agnosia spatial and visual acknowledges

163

00:10:23,430 --> 00:10:20,420

right now this is how my fault describes

164

00:10:26,140 --> 00:10:23,440

has physical vision without a body I

165

00:10:29,830 --> 00:10:26,150

don't have to see it with my physical

166

00:10:33,330 --> 00:10:29,840

eyes because I can see with the means of

167

00:10:36,190 --> 00:10:33,340

my consciousness extended in space

168

00:10:39,670 --> 00:10:36,200

sometimes I have problems with my eyes

169

00:10:42,760 --> 00:10:39,680

when I'm here on earth I can't breathe

170

00:10:46,330 --> 00:10:42,770

for my physical eyes only through touch

171

00:10:51,850 --> 00:10:46,340

and feel I'm only able to read through

172

00:10:56,170 --> 00:10:51,860

the shape of air and thoughts most of

173

00:10:58,150 --> 00:10:56,180

the time I'm out of body so my physical

174

00:11:00,490 --> 00:10:58,160

eyes are not a problem

175

00:11:04,360 --> 00:11:00,500

because I don't use them when I come

176

00:11:08,050 --> 00:11:04,370

back to earth however I walk into wall

177

00:11:11,700 --> 00:11:08,060

sometimes my orientation out-of-body

178

00:11:14,980 --> 00:11:11,710

relies on extrasensory perception soul I

179

00:11:19,810 --> 00:11:14,990

get a ran it through talking in distance

180

00:11:22,750 --> 00:11:19,820

as my aura as extended and its face I

181

00:11:27,250 --> 00:11:22,760

have to physically see the object to

182

00:11:30,640 --> 00:11:27,260

know what it is it's just I just feel it

183

00:11:32,770 --> 00:11:30,650

with my extended consciousness so again

184

00:11:38,200 --> 00:11:32,780

when you're out of body you don't need

185

00:11:42,520 --> 00:11:38,210

eyes because you can see by touch smell

186

00:11:47,080 --> 00:11:42,530

and taste so to speak you can feel the

187

00:11:50,710 --> 00:11:47,090

shape of objects at distance at a some

188

00:11:53,730 --> 00:11:50,720

time you can taste whatever you are

189

00:11:56,890 --> 00:11:53,740

looking at you can hear it too

190

00:12:00,130 --> 00:11:56,900

because every object has an elaboration

191

00:12:04,480 --> 00:12:00,140

or energetic signature attached to it

192

00:12:10,050 --> 00:12:04,490

and the formal both audible or inaudible

193

00:12:11,410 --> 00:12:10,060

soft sound when out-of-body I function

194

00:12:15,220 --> 00:12:11,420

multi-dimensionally

195

00:12:17,550 --> 00:12:15,230

and I'm not just on look her and I'm not

196

00:12:22,180 --> 00:12:17,560

just on looker but rather at

197

00:12:26,680 --> 00:12:22,190

participants as well so I'm not only an

198

00:12:29,710 --> 00:12:26,690

observant I'm not only an observant like

199

00:12:34,660 --> 00:12:29,720

if you're if you're watching the movie

200

00:12:41,890 --> 00:12:34,670

I'm rather a part of the move in myself

201
00:12:45,850 --> 00:12:41,900
3d movie right now back in 2016

202
00:12:49,060 --> 00:12:45,860
Michael and I began to cooperate with

203
00:12:54,420 --> 00:12:49,070
free foundation foundation for research

204
00:12:58,050 --> 00:12:54,430
of x-ray extraterrestrial encounters the

205
00:13:02,380 --> 00:12:58,060
research study conducted by the free

206
00:13:05,790 --> 00:13:02,390
demonstrating that 80% of bills with

207
00:13:10,450 --> 00:13:05,800
image I encounters non-human

208
00:13:13,260 --> 00:13:10,460
intelligence experience also auto body

209
00:13:16,660 --> 00:13:13,270
well I mean they have all be East right

210
00:13:20,770 --> 00:13:16,670
now auto body experience has been

211
00:13:26,500 --> 00:13:20,780
identified as one of a poor experiences

212
00:13:31,480 --> 00:13:26,510
of energy encounters based on the great

213
00:13:35,230 --> 00:13:31,490

study dr. Rudy Schilt former Harvard

214

00:13:40,000 --> 00:13:35,240

Harvard astrophysicist what sent an

215

00:13:43,690 --> 00:13:40,010

inquiry to my last year and and his

216

00:13:47,640 --> 00:13:43,700

reply to the inquiry Michael would

217

00:13:52,000 --> 00:13:47,650

confirm the following and his auto body

218

00:13:54,820 --> 00:13:52,010

experiences Hayek's force the cold dim

219

00:13:57,760 --> 00:13:54,830

planet lock objects everywhere in the

220

00:14:01,270 --> 00:13:57,770

vast spaces between stars they have

221

00:14:04,270 --> 00:14:01,280

masses and solid course with atmospheric

222

00:14:07,780 --> 00:14:04,280

gases and weather effects much like our

223

00:14:11,200 --> 00:14:07,790

earth there's one Rock planet beyond the

224

00:14:16,840 --> 00:14:11,210

planet Pluto as the death planet people

225

00:14:20,800 --> 00:14:16,850

must accept at support life the whole

226

00:14:22,160 --> 00:14:20,810

inquiry actually was published in Mary

227

00:14:26,720 --> 00:14:22,170

Raul's

228

00:14:28,970 --> 00:14:26,730

a new book called the new human Mara

229

00:14:34,910 --> 00:14:28,980

Rawal is an internationally recognized

230

00:14:37,970 --> 00:14:34,920

expert on ETO slash NIT context and she

231

00:14:40,970 --> 00:14:37,980

devoted the entire chapter xxii

232

00:14:43,069 --> 00:14:40,980

Michaelson my story the chapter her

233

00:14:45,500 --> 00:14:43,079

those of you are interested in the

234

00:14:47,300 --> 00:14:45,510

chapters called the interdimensional

235

00:14:50,090 --> 00:14:47,310

travelers out-of-body and

236

00:14:52,220 --> 00:14:50,100

multi-dimensional journeys not Michael

237

00:14:55,460 --> 00:14:52,230

loss to visit different planets during

238

00:14:59,180 --> 00:14:55,470

its Ottawa travels this is what he said

239

00:15:03,470 --> 00:14:59,190

involved running water and I repeat

240

00:15:07,129 --> 00:15:03,480

running water on Mars back in 1998 and I

241

00:15:09,639 --> 00:15:07,139

have entered in into my diary hope I've

242

00:15:13,370 --> 00:15:09,649

been exploring Mars among other places

243

00:15:15,470 --> 00:15:13,380

there's running water there so there are

244

00:15:20,210 --> 00:15:15,480

certain types of lint creatures such as

245

00:15:23,600 --> 00:15:20,220

box and lizard unquote now NASA release

246

00:15:27,170 --> 00:15:23,610

information on running water on Mars

247

00:15:29,180 --> 00:15:27,180

only back in 2014

248

00:15:31,550 --> 00:15:29,190

now Michael told me about it back in

249

00:15:35,449 --> 00:15:31,560

1998

250

00:15:37,400 --> 00:15:35,459

sometimes when in an out-of-body mode of

251

00:15:40,720 --> 00:15:37,410

consciousness this is how I called it

252

00:15:44,870 --> 00:15:40,730

Michael experiences things which would

253

00:15:48,199 --> 00:15:44,880

happen and physical dense reality only

254

00:15:50,750 --> 00:15:48,209

later like in a couple of minutes and or

255

00:15:53,150 --> 00:15:50,760

hours or so or next day or in a week or

256

00:15:57,110 --> 00:15:53,160

basically sometimes in the future when

257

00:15:58,340 --> 00:15:57,120

this happens funny situations arise all

258

00:16:01,639 --> 00:15:58,350

the time

259

00:16:04,460 --> 00:16:01,649

the following story actually describes

260

00:16:09,170 --> 00:16:04,470

one of such funny situations I called it

261

00:16:12,939 --> 00:16:09,180

first eat your bread then go and buy it

262

00:16:16,040 --> 00:16:12,949

well once Michael asked me to buy

263

00:16:19,430 --> 00:16:16,050

special kind of bread the breath is

264

00:16:23,930 --> 00:16:19,440

native to Slovakia so you cannot get it

265

00:16:28,100 --> 00:16:23,940

in America now the bread that I bought

266

00:16:30,250 --> 00:16:28,110

for Michael was eaten by him out of body

267

00:16:32,100 --> 00:16:30,260

before I bought it

268

00:16:35,759 --> 00:16:32,110

basically will happen

269

00:16:37,860 --> 00:16:35,769

he added out a lot first and then I you

270

00:16:41,190 --> 00:16:37,870

know one lauding brought it to him and

271

00:16:43,259 --> 00:16:41,200

physical form after me eighty so

272

00:16:45,900 --> 00:16:43,269

basically what happened is the future in

273

00:16:48,360 --> 00:16:45,910

that happens and the form of an

274

00:16:51,019 --> 00:16:48,370

out-of-body experience before it

275

00:16:54,389 --> 00:16:51,029

happened and the present reality

276

00:16:58,650 --> 00:16:54,399

Michael is accustomed to such a way of

277

00:17:03,980 --> 00:16:58,660

living and perceiving reality he lives

278

00:17:10,309 --> 00:17:03,990

for the same events situations was first

279

00:17:15,179 --> 00:17:10,319

our body and then in the dense reality

280

00:17:19,199 --> 00:17:15,189

there are times where has not sure if

281

00:17:22,049 --> 00:17:19,209

what has experiencing at a moment is the

282

00:17:25,610 --> 00:17:22,059

actual present reality of whether X a

283

00:17:30,060 --> 00:17:25,620

future that has experience in our body

284

00:17:32,130 --> 00:17:30,070

Michael is also able to enter on enter

285

00:17:35,070 --> 00:17:32,140

the bodies of other human beings animals

286

00:17:37,590 --> 00:17:35,080

including Birds trades plans and so on

287

00:17:40,260 --> 00:17:37,600

and think of their feelings emotions of

288

00:17:42,990 --> 00:17:40,270

thoughts the following is a story I call

289

00:17:45,480 --> 00:17:43,000

I fool in a body of a sad bird and

290

00:17:48,030 --> 00:17:45,490

basically describes what it felt like

291

00:17:53,880 --> 00:17:48,040

often Michael was able to enter about a

292

00:17:57,419 --> 00:17:53,890

plant bird right so could it was evening

293

00:17:59,640 --> 00:17:57,429

and it was already dark transferred into

294

00:18:00,240 --> 00:17:59,650

the body of the bird was flying I was

295

00:18:02,900 --> 00:18:00,250

scared

296

00:18:06,090 --> 00:18:02,910

I could tell the bird was very sad

297

00:18:09,840 --> 00:18:06,100

something bothered him he had to fly

298

00:18:16,470 --> 00:18:09,850

somewhere from questioning it okay so I

299

00:18:27,560 --> 00:18:16,480

guess it's so I have to finish right

300

00:18:33,859 --> 00:18:31,369

by personal experiences in trances and

301
00:18:36,799 --> 00:18:33,869
altered states inform a great deal of my

302
00:18:39,499 --> 00:18:36,809
life and my spirituality when I'm doing

303
00:18:43,700 --> 00:18:39,509
science I am always very careful to try

304
00:18:46,340 --> 00:18:43,710
to throttle that back down to statements

305
00:18:50,080 --> 00:18:46,350
that can at least in principle be

306
00:18:55,549 --> 00:18:50,090
verified by other people who aren't me

307
00:18:58,940 --> 00:18:55,559
from that perspective I like to ask why

308
00:19:01,669 --> 00:18:58,950
the rest of us should believe that any

309
00:19:05,629 --> 00:19:01,679
of Michaels testimony is something other

310
00:19:08,149 --> 00:19:05,639
than the result of some some kind of

311
00:19:15,830 --> 00:19:08,159
seizure seizure disorder accompanied by

312
00:19:20,749 --> 00:19:15,840
delusional states suffer any medical

313
00:19:26,749 --> 00:19:20,759

conditions as a healthy individual he

314

00:19:31,999 --> 00:19:26,759

was hired by government back in 1998 to

315

00:19:36,289 --> 00:19:32,009

solve some criminal cases in Europe case

316

00:19:38,710 --> 00:19:36,299

of murder of politicians high-ranking

317

00:19:44,299 --> 00:19:38,720

politician which he solved to

318

00:19:45,859 --> 00:19:44,309

satisfaction so I mean it's that from

319

00:19:51,440 --> 00:19:45,869

research standpoint we're always looking

320

00:19:52,940 --> 00:19:51,450

for ways in which one can validate these

321

00:19:56,119 --> 00:19:52,950

kinds of things these kinds of

322

00:19:57,950 --> 00:19:56,129

experiences and so when you have

323

00:20:00,200 --> 00:19:57,960

something that's reproducible as what

324

00:20:02,869 --> 00:20:00,210

Michael does it seems like a very

325

00:20:06,349 --> 00:20:02,879

natural condition to do this kind of

326

00:20:08,629 --> 00:20:06,359

research so for example clairvoyant kind

327

00:20:11,450 --> 00:20:08,639

of research would be in principle fairly

328

00:20:15,409 --> 00:20:11,460

simple to have something at a remote

329

00:20:18,799 --> 00:20:15,419

site and have him leave his body

330

00:20:21,560 --> 00:20:18,809

I go to that remote site and describe

331

00:20:23,389 --> 00:20:21,570

what is there come back you know write

332

00:20:25,099 --> 00:20:23,399

it down or whatever and then that can

333

00:20:27,349 --> 00:20:25,109

validate it and that would be in

334

00:20:29,389 --> 00:20:27,359

principle a very clean way to do

335

00:20:32,359 --> 00:20:29,399

research so I'm wondering has he been

336

00:20:36,109 --> 00:20:32,369

tested in this way he has not been

337

00:20:37,640 --> 00:20:36,119

tested yet but he does not want to come

338

00:20:42,260 --> 00:20:37,650

out of the closet yet

339

00:20:46,299 --> 00:20:42,270

but his retiring this year and you know

340

00:20:51,500 --> 00:20:46,309

we would like him to get tested starting

341

00:20:53,990 --> 00:20:51,510

2018 right and there's much more well

342

00:20:59,500 --> 00:20:54,000

the reason why he does not want to get

343

00:21:08,840 --> 00:20:59,510

out of the closet is rather that he

344

00:21:12,500 --> 00:21:08,850

claims he has been in touch with college

345

00:21:15,230 --> 00:21:12,510

any guy or different entities early on

346

00:21:21,080 --> 00:21:15,240

when he was four years old right that

347

00:21:24,500 --> 00:21:21,090

would kind of fly through his life one

348

00:21:28,100 --> 00:21:24,510

havel for three years old he would be

349

00:21:30,290 --> 00:21:28,110

shown who the walk well he wouldn't be

350

00:21:33,350 --> 00:21:30,300

shown me right away

351

00:21:36,140 --> 00:21:33,360

Julia that that's a life you have to

352

00:21:39,530 --> 00:21:36,150

have so many kids and this is what

353

00:21:43,780 --> 00:21:39,540

you're going to do in your life right so

354

00:21:48,410 --> 00:21:43,790

he had certain like stages that has been

355

00:21:53,360 --> 00:21:48,420

following and the reason why all my

356

00:21:58,340 --> 00:21:53,370

period here in 2017 is that he is

357

00:22:01,430 --> 00:21:58,350

retiring in 2019 and is ready to get

358

00:22:04,490 --> 00:22:01,440

tested in to get out of the closet I

359

00:22:07,910 --> 00:22:04,500

mean I have written the book right on

360

00:22:11,600 --> 00:22:07,920

out about experiences which is in Slovak

361

00:22:15,230 --> 00:22:11,610

and was translated in English but

362

00:22:16,250 --> 00:22:15,240

Michael stopped it he said it's not the

363

00:22:20,480 --> 00:22:16,260

time yeah

364

00:22:23,299 --> 00:22:20,490

let's publish it in English in 2018 it's

365

00:22:28,370 --> 00:22:23,309

all ready to be published but there's

366

00:22:33,790 --> 00:22:28,380

many things that are not revealing here

367

00:22:39,670 --> 00:22:37,120

I mean you know what I'm fine yes yes so

368

00:22:43,570 --> 00:22:39,680

I think thank you well thanks for the

369

00:22:47,890 --> 00:22:45,780

early in the talk you alluded to

370

00:22:51,060 --> 00:22:47,900

suggestion that perhaps this is

371

00:22:53,230 --> 00:22:51,070

representative of a stage of evolution

372

00:22:55,330 --> 00:22:53,240

that you know perhaps this is an

373

00:22:57,420 --> 00:22:55,340

advanced state of being that maybe some

374

00:23:00,340 --> 00:22:57,430

of us can look forward to at some point

375

00:23:03,790 --> 00:23:00,350

but with that I would like you to

376

00:23:04,960 --> 00:23:03,800

clarify so I think ken wilber is quoted

377

00:23:08,130 --> 00:23:04,970

with saying there's a difference between

378

00:23:10,270 --> 00:23:08,140

waking up and growing up right and so

379

00:23:11,890 --> 00:23:10,280

indication of but like a really advanced

380

00:23:14,200 --> 00:23:11,900

abilities in one dimension doesn't

381

00:23:16,180 --> 00:23:14,210

necessarily always come with it the

382

00:23:18,040 --> 00:23:16,190

ethics we would like to see onboard with

383

00:23:21,300 --> 00:23:18,050

it so my question is what what kind of

384

00:23:23,710 --> 00:23:21,310

define that in these states is Michael

385

00:23:25,930 --> 00:23:23,720

participating in some kind of like Maxie

386

00:23:28,480 --> 00:23:25,940

fraternal or a substantial types of

387

00:23:30,280 --> 00:23:28,490

tasks or as he just kind of pop it

388

00:23:33,520 --> 00:23:30,290

around looking at stuff I mean what you

389

00:23:36,070 --> 00:23:33,530

know encapsulating the body of a bird is

390

00:23:37,540 --> 00:23:36,080

impressive of course but you know you

391

00:23:39,390 --> 00:23:37,550

could imagine cases of working at an

392

00:23:41,080 --> 00:23:39,400

extra physical clinic and helping like

393

00:23:42,880 --> 00:23:41,090

pathological consciousness that are

394

00:23:45,910 --> 00:23:42,890

discarnating and things like this so

395

00:23:50,080 --> 00:23:45,920

he's not involved in any of this yeah

396

00:23:53,350 --> 00:23:50,090

but he would like to in the future I

397

00:23:56,740 --> 00:23:53,360

mean he can talk to as I said he can

398

00:23:58,840 --> 00:23:56,750

talk to animals he can talk to cases of

399

00:24:02,200 --> 00:23:58,850

pregnant woman and they just happened

400

00:24:06,550 --> 00:24:02,210

last week right and he was interacting

401
00:24:10,810 --> 00:24:06,560
with the fetus he can't talk to feces I

402
00:24:13,690 --> 00:24:10,820
mean his it's not his open in the future

403
00:24:18,550 --> 00:24:13,700
he is open to do all this kind of things

404
00:24:20,020 --> 00:24:18,560
he is doing it right now I am keeping my

405
00:24:22,330 --> 00:24:20,030
diary

406
00:24:25,750 --> 00:24:22,340
I have thousands of pages okay she's

407
00:24:32,410 --> 00:24:25,760
ready all right I started in 1995 1994

408
00:24:34,840 --> 00:24:32,420
but as I said he said it's not the time

409
00:24:39,580 --> 00:24:34,850
yeah you know for him to get out of the

410
00:24:42,010 --> 00:24:39,590
closet and I hopefully next year we can

411
00:24:42,710 --> 00:24:42,020
go ahead with some of the research and

412
00:24:45,680 --> 00:24:42,720
that's why

413
00:24:47,779 --> 00:24:45,690

presenting the paper here right now if

414

00:24:49,130 --> 00:24:47,789

that makes sense well it makes sense

415

00:24:53,220 --> 00:24:49,140

from a research standpoint and we're
