

# Twenty Years of Vital Force Technology

Igor Nazarov

**SOCIETY  
FOR  
SCIENTIFIC  
EXPLORATION**

1  
00:00:09,350 --> 00:00:06,309

[Music]

2  
00:00:11,669 --> 00:00:09,360

hello everyone again so i would like to

3  
00:00:13,509 --> 00:00:11,679

dedicate this presentation to the memory

4  
00:00:15,430 --> 00:00:13,519

of my colleague and a friend of many

5  
00:00:18,150 --> 00:00:15,440

years dr ewik rob

6  
00:00:20,550 --> 00:00:18,160

passed away in april this year he was a

7  
00:00:22,470 --> 00:00:20,560

long time member of the society for

8  
00:00:25,429 --> 00:00:22,480

scientific exploration and delivered

9  
00:00:27,830 --> 00:00:25,439

multiple reports at ssc conferences

10  
00:00:30,550 --> 00:00:27,840

about the research she had conducted

11  
00:00:33,270 --> 00:00:30,560

using the approach he invented idol

12  
00:00:35,990 --> 00:00:33,280

forest technology

13  
00:00:39,590 --> 00:00:36,000

in the usa where he immigrated to in

14

00:00:42,630 --> 00:00:39,600

1989 dr krohn started to bring to life

15

00:00:45,590 --> 00:00:42,640

ideas we had been discussing back

16

00:00:47,830 --> 00:00:45,600

in the ussr at our underground meetings

17

00:00:50,069 --> 00:00:47,840

since subtle energy research wasn't

18

00:00:52,470 --> 00:00:50,079

allowed in the soviet union

19

00:00:55,189 --> 00:00:52,480

specifically the idea that we live in a

20

00:00:57,910 --> 00:00:55,199

vibrational world that if you know how

21

00:01:00,229 --> 00:00:57,920

to deliver particular vibrations to

22

00:01:02,549 --> 00:01:00,239

human body would bring about different

23

00:01:05,189 --> 00:01:02,559

kinds of beneficial effects for a

24

00:01:07,590 --> 00:01:05,199

person's well-being

25

00:01:09,830 --> 00:01:07,600

back then george zlakowski royal life

26  
00:01:11,510 --> 00:01:09,840  
and other researchers were successfully

27  
00:01:14,149 --> 00:01:11,520  
using various electromagnetic

28  
00:01:15,990 --> 00:01:14,159  
frequencies for helping people heal from

29  
00:01:18,230 --> 00:01:16,000  
various elements

30  
00:01:20,870 --> 00:01:18,240  
dr kron suggested that the healing

31  
00:01:23,350 --> 00:01:20,880  
effect of all these methods might be due

32  
00:01:25,749 --> 00:01:23,360  
to the subtle energy that is delivered

33  
00:01:27,749 --> 00:01:25,759  
to the human body along with the flow of

34  
00:01:29,830 --> 00:01:27,759  
electromagnetic waves

35  
00:01:32,870 --> 00:01:29,840  
to check this suggestion he started to

36  
00:01:35,830 --> 00:01:32,880  
experiment with a low temperature plasma

37  
00:01:39,190 --> 00:01:35,840  
of a gas discharge as a potential source

38  
00:01:41,830 --> 00:01:39,200

for subtle energy his first experimental

39

00:01:43,270 --> 00:01:41,840

setup looked like what is shown in the

40

00:01:46,550 --> 00:01:43,280

slide

41

00:01:49,190 --> 00:01:46,560

plasma from a gas discharge was vibrated

42

00:01:53,190 --> 00:01:49,200

by an electrical current modulated by

43

00:01:55,910 --> 00:01:53,200

different frequencies from a generator

44

00:01:57,670 --> 00:01:55,920

in addition these frequencies were swept

45

00:01:59,510 --> 00:01:57,680

with a specific speed within a

46

00:02:00,990 --> 00:01:59,520

particular range of vibrations

47

00:02:04,950 --> 00:02:01,000

corresponding to different

48

00:02:07,190 --> 00:02:04,960

psycho-emotional states of people

49

00:02:09,749 --> 00:02:07,200

the resulting flow of signals coming

50

00:02:12,790 --> 00:02:09,759

from the gas discharged

51  
00:02:16,949 --> 00:02:12,800  
chip was recorded to magnetic tape

52  
00:02:20,229 --> 00:02:16,959  
on a real trill tape recorder

53  
00:02:22,630 --> 00:02:20,239  
apparently no audible signal was present

54  
00:02:25,030 --> 00:02:22,640  
on the tape when it was played back even

55  
00:02:27,670 --> 00:02:25,040  
with the maximum amplification

56  
00:02:30,070 --> 00:02:27,680  
nothing but the standard heating noise

57  
00:02:32,470 --> 00:02:30,080  
or the tape

58  
00:02:35,110 --> 00:02:32,480  
however when this tape was played back

59  
00:02:37,750 --> 00:02:35,120  
to people a healing effect was absorbed

60  
00:02:41,190 --> 00:02:37,760  
during several occasions of testing with

61  
00:02:44,390 --> 00:02:41,200  
anywhere from 20 to 200 people the

62  
00:02:46,790 --> 00:02:44,400  
majority of the audience confirmed they

63  
00:02:48,390 --> 00:02:46,800

felt an energetic impact and actually

64

00:02:50,790 --> 00:02:48,400

could tell the difference between

65

00:02:58,470 --> 00:02:50,800

various subtle energy patterns that were

66

00:03:02,149 --> 00:03:00,229

in his continuing

67

00:03:04,149 --> 00:03:02,159

experiments with different combinations

68

00:03:07,509 --> 00:03:04,159

of frequencies dr chrome discovered

69

00:03:09,910 --> 00:03:07,519

several subtle energy patterns

70

00:03:11,990 --> 00:03:09,920

especially beneficial for a presence a

71

00:03:14,229 --> 00:03:12,000

person's health he found that if he

72

00:03:16,470 --> 00:03:14,239

modulated the gas discharge the

73

00:03:18,949 --> 00:03:16,480

frequencies corresponding to the

74

00:03:20,229 --> 00:03:18,959

electron transition from one energy

75

00:03:25,750 --> 00:03:20,239

level

76  
00:03:27,670 --> 00:03:25,760  
the spectroscopic signature of the atom

77  
00:03:29,830 --> 00:03:27,680  
it was possible to create a unique

78  
00:03:32,550 --> 00:03:29,840  
subtle energy pattern specific to a

79  
00:03:35,110 --> 00:03:32,560  
given atom he named this subtle energy

80  
00:03:37,589 --> 00:03:35,120  
pattern as a phantom atom since three

81  
00:03:39,589 --> 00:03:37,599  
atoms don't exist in nature

82  
00:03:41,910 --> 00:03:39,599  
when this pattern was played back to

83  
00:03:44,070 --> 00:03:41,920  
people they reported about a variety of

84  
00:03:45,750 --> 00:03:44,080  
therapeutic effect they experienced for

85  
00:03:47,270 --> 00:03:45,760  
example when

86  
00:03:49,110 --> 00:03:47,280  
dr chronic

87  
00:03:51,750 --> 00:03:49,120  
experimented with the subtle energy

88  
00:03:54,949 --> 00:03:51,760

pattern of lithium he discovered it

89

00:03:57,190 --> 00:03:54,959

worked at an undynamic agent with none

90

00:03:58,630 --> 00:03:57,200

of the toxic effects it usually

91

00:04:01,030 --> 00:03:58,640

demonstrates

92

00:04:02,949 --> 00:04:01,040

similarly an electronic signature of

93

00:04:05,110 --> 00:04:02,959

germanium helped to boost the immune

94

00:04:08,229 --> 00:04:05,120

system the way prescribed doses of

95

00:04:10,869 --> 00:04:08,239

germanium work

96

00:04:13,110 --> 00:04:10,879

along these same lines dr kron found

97

00:04:15,990 --> 00:04:13,120

that a subtle energy pattern generated

98

00:04:18,629 --> 00:04:16,000

by the gas discharge modulated with the

99

00:04:21,509 --> 00:04:18,639

human resonance frequencies help

100

00:04:23,670 --> 00:04:21,519

counteract some of the

101  
00:04:25,510 --> 00:04:23,680  
harmful influences of electromagnetic

102  
00:04:27,189 --> 00:04:25,520  
radiation

103  
00:04:29,189 --> 00:04:27,199  
experiments with the quantity of

104  
00:04:31,110 --> 00:04:29,199  
electrons of polygraphy demonstrated

105  
00:04:33,990 --> 00:04:31,120  
that the human resilient subtle energy

106  
00:04:36,950 --> 00:04:34,000  
pattern applied to cell phone prevents

107  
00:04:39,430 --> 00:04:36,960  
over excitation of the brain when it

108  
00:04:40,870 --> 00:04:39,440  
exposed electromagnetic radiation

109  
00:04:42,790 --> 00:04:40,880  
emitted

110  
00:04:45,189 --> 00:04:42,800  
by the phone

111  
00:04:47,510 --> 00:04:45,199  
at this stage of his research dr cron

112  
00:04:49,909 --> 00:04:47,520  
switched the experimental setup from one

113  
00:04:51,909 --> 00:04:49,919

based on the gas discharge to the tape

114

00:04:53,110 --> 00:04:51,919  
recorder that you saw in the first

115

00:04:55,670 --> 00:04:53,120  
flight

116

00:04:58,469 --> 00:04:55,680  
to much more sensitive and sophisticated

117

00:05:00,790 --> 00:04:58,479  
digital recorder the new setup allowed

118

00:05:03,270 --> 00:05:00,800  
him to capture subtle energy patterns

119

00:05:06,469 --> 00:05:03,280  
emitted from practically any physical

120

00:05:09,350 --> 00:05:06,479  
object including gemstones plants

121

00:05:11,510 --> 00:05:09,360  
pharmaceutical drugs etc

122

00:05:13,670 --> 00:05:11,520  
this breakthrough brought forward the

123

00:05:15,990 --> 00:05:13,680  
necessity of further shielding

124

00:05:19,189 --> 00:05:16,000  
experiments from any ambient

125

00:05:22,230 --> 00:05:19,199  
environmental noise since he learned the

126

00:05:24,790 --> 00:05:22,240

ambiance was influencing the result

127

00:05:27,189 --> 00:05:24,800

of the recording with this shielding dr

128

00:05:30,070 --> 00:05:27,199

cron was able to capture subtle energy

129

00:05:32,629 --> 00:05:30,080

patterns of human prayers and even the

130

00:05:33,749 --> 00:05:32,639

intent of healing during their healing

131

00:05:35,830 --> 00:05:33,759

sessions

132

00:05:37,590 --> 00:05:35,840

having all these patterns in his

133

00:05:40,029 --> 00:05:37,600

possession he started to put them

134

00:05:42,710 --> 00:05:40,039

together in an attempt to

135

00:05:43,749 --> 00:05:42,720

synergistically enhance their beneficial

136

00:05:46,070 --> 00:05:43,759

actions

137

00:05:48,310 --> 00:05:46,080

this way the combination of subtle

138

00:05:52,070 --> 00:05:48,320

energy patterns taken from a variety of

139

00:05:54,710 --> 00:05:52,080

cbd-rich strains of marijuana was found

140

00:05:58,150 --> 00:05:54,720

to work extraordinary well as a pain

141

00:06:00,550 --> 00:05:58,160

relieving formula that ultimately became

142

00:06:02,469 --> 00:06:00,560

a base for a highly effective pain

143

00:06:05,270 --> 00:06:02,479

relieving cream

144

00:06:08,469 --> 00:06:05,280

as the experimental research showed dr

145

00:06:11,350 --> 00:06:08,479

crone had found a way of capturing the

146

00:06:13,990 --> 00:06:11,360

fatal energy patterns of objects and by

147

00:06:16,710 --> 00:06:14,000

subsequently projecting these patterns

148

00:06:18,790 --> 00:06:16,720

on another object provided the latter

149

00:06:19,749 --> 00:06:18,800

with the subtle energy qualities of the

150

00:06:21,590 --> 00:06:19,759

form

151

00:06:23,590 --> 00:06:21,600

at this time he didn't have any

152

00:06:25,670 --> 00:06:23,600

equipment that would allow him to

153

00:06:27,670 --> 00:06:25,680

measure or qualify the characteristics

154

00:06:30,070 --> 00:06:27,680

of these patterns or even

155

00:06:32,150 --> 00:06:30,080

compare it to different parts the only

156

00:06:32,950 --> 00:06:32,160

helpful assistance he found that could

157

00:06:34,950 --> 00:06:32,960

help

158

00:06:37,270 --> 00:06:34,960

determine the unique characteristics of

159

00:06:39,749 --> 00:06:37,280

each subtle energy pattern was gifted

160

00:06:42,710 --> 00:06:39,759

people he knew are able to see the

161

00:06:45,749 --> 00:06:42,720

so-called human aura it occurred to dr

162

00:06:48,950 --> 00:06:45,759

crowe that the ability to see auras with

163

00:06:51,510 --> 00:06:48,960

great consistency and in deep precise

164

00:06:53,749 --> 00:06:51,520

detail gives these people a capacity to

165

00:06:56,710 --> 00:06:53,759

observe the energy and promotional

166

00:06:58,150 --> 00:06:56,720

pattern around objects processed using

167

00:07:01,909 --> 00:06:58,160

subtle energy

168

00:07:04,710 --> 00:07:01,919

technology the question will ask for was

169

00:07:07,670 --> 00:07:04,720

can we experimentally demonstrate any

170

00:07:09,830 --> 00:07:07,680

miracle changes in an object treated

171

00:07:12,230 --> 00:07:09,840

with a subtle energy pattern

172

00:07:14,710 --> 00:07:12,240

so there is this question dr cron

173

00:07:16,870 --> 00:07:14,720

utilized raman spectroscopy as a

174

00:07:18,070 --> 00:07:16,880

detection tool to measure pure water

175

00:07:20,390 --> 00:07:18,080

processed

176

00:07:22,150 --> 00:07:20,400

by his technology the experiment

177

00:07:24,870 --> 00:07:22,160

conducted in collaboration with

178

00:07:27,510 --> 00:07:24,880

protesters roy at pennsylvania state

179

00:07:30,230 --> 00:07:27,520

university shows the spectrum of water

180

00:07:32,550 --> 00:07:30,240

has changed significantly

181

00:07:34,469 --> 00:07:32,560

in this slide you see the samples of the

182

00:07:36,950 --> 00:07:34,479

same spring water

183

00:07:39,670 --> 00:07:36,960

uh processes different subtle energy

184

00:07:40,870 --> 00:07:39,680

patterns return different spectrum

185

00:07:42,950 --> 00:07:40,880

behavior

186

00:07:45,749 --> 00:07:42,960

it is suggested this change in raman

187

00:07:48,230 --> 00:07:45,759

spectrograms is due to water structuring

188

00:07:50,710 --> 00:07:48,240

into clusters that are bonded together

189

00:07:52,150 --> 00:07:50,720

much stronger than we usually observe in

190

00:07:54,309 --> 00:07:52,160

pure water

191

00:07:57,029 --> 00:07:54,319

the change in structuring depends on the

192

00:07:59,670 --> 00:07:57,039

subtle energy profiles in this case

193

00:08:00,710 --> 00:07:59,680

specialized patterns dr krohn eventually

194

00:08:04,390 --> 00:08:00,720

named

195

00:08:07,430 --> 00:08:04,400

oxygen stress relief and regeneration

196

00:08:12,710 --> 00:08:09,830

summarizing all that is being said here

197

00:08:14,710 --> 00:08:12,720

energy sensitive people are able to see

198

00:08:17,270 --> 00:08:14,720

different shapes and colors around

199

00:08:19,909 --> 00:08:17,280

subtle energy processed objects

200

00:08:22,629 --> 00:08:19,919

in turn these subjects affect living

201  
00:08:25,749 --> 00:08:22,639  
systems including people human cells

202  
00:08:28,230 --> 00:08:25,759  
genes animals and plants and lastly

203  
00:08:29,909 --> 00:08:28,240  
subtle energy processed water solutions

204  
00:08:33,350 --> 00:08:29,919  
demonstrate different levels of

205  
00:08:34,230 --> 00:08:33,360  
structure depending on the size of japan

206  
00:08:38,870 --> 00:08:34,240  
now

207  
00:08:40,709 --> 00:08:38,880  
experimental results of our research but

208  
00:08:43,990 --> 00:08:40,719  
we still cannot answer the question

209  
00:08:46,389 --> 00:08:44,000  
about the exact nature of subtle energy

210  
00:08:49,110 --> 00:08:46,399  
back when we first started working in

211  
00:08:51,030 --> 00:08:49,120  
subtle energy in the ussr one of the

212  
00:08:53,670 --> 00:08:51,040  
driving forces in creating the

213  
00:08:56,150 --> 00:08:53,680

technology was a well-known model

214

00:08:58,389 --> 00:08:56,160

describing how the three-dimensional

215

00:09:01,670 --> 00:08:58,399

material world which is what science

216

00:09:03,550 --> 00:09:01,680

mainly explores is considered by some to

217

00:09:05,990 --> 00:09:03,560

be the last layer of the

218

00:09:07,990 --> 00:09:06,000

multi-dimensional multiverse which

219

00:09:11,509 --> 00:09:08,000

squeezes itself into the dense

220

00:09:13,590 --> 00:09:11,519

conditions we know as our existence it

221

00:09:15,910 --> 00:09:13,600

is hypothesized that this

222

00:09:18,310 --> 00:09:15,920

three-dimensional world is constructed

223

00:09:20,550 --> 00:09:18,320

according to the blueprints of higher

224

00:09:22,630 --> 00:09:20,560

dimensions many ancient and modern

225

00:09:23,750 --> 00:09:22,640

pioneering scientist called the subtle

226

00:09:26,630 --> 00:09:23,760

world

227

00:09:29,750 --> 00:09:26,640

if this is correct then every object we

228

00:09:31,829 --> 00:09:29,760

deal with in the material world has been

229

00:09:34,790 --> 00:09:31,839

manifested in alignment with this

230

00:09:39,110 --> 00:09:37,110

vital force technology invaded by dr

231

00:09:41,590 --> 00:09:39,120

crone demonstrated in various

232

00:09:44,710 --> 00:09:41,600

experiments conducted with genes human

233

00:09:47,110 --> 00:09:44,720

cells plants animals and people that

234

00:09:49,750 --> 00:09:47,120

information reached subtle energy

235

00:09:52,070 --> 00:09:49,760

blueprints recorded this equipment

236

00:09:54,470 --> 00:09:52,080

utilizing frequencies characteristics of

237

00:09:57,110 --> 00:09:54,480

the south region of vibrations are

238

00:10:00,310 --> 00:09:57,120

capable of delivering information that

239

00:10:02,630 --> 00:10:00,320

might belong to higher dimensions

240

00:10:05,030 --> 00:10:02,640

the number of questions naturally arose

241

00:10:07,030 --> 00:10:05,040

what about the other frequency ranges

242

00:10:09,190 --> 00:10:07,040

would they work in the same way or

243

00:10:11,670 --> 00:10:09,200

better or worse

244

00:10:14,230 --> 00:10:11,680

to answer these questions four years ago

245

00:10:16,710 --> 00:10:14,240

we started to work in a newly created

246

00:10:19,430 --> 00:10:16,720

lab on the next generation of satellite

247

00:10:21,670 --> 00:10:19,440

energy technology switching the approach

248

00:10:23,990 --> 00:10:21,680

for one based on sound

249

00:10:26,230 --> 00:10:24,000

to using the electromagnetic spectrum of

250

00:10:29,030 --> 00:10:26,240

visible light we named this new

251  
00:10:30,110 --> 00:10:29,040  
technology mig which is drawn from the

252  
00:10:33,590 --> 00:10:30,120  
words

253  
00:10:36,389 --> 00:10:33,600  
multi-dimensional imaging by the way

254  
00:10:39,030 --> 00:10:36,399  
our interest in light wasn't based only

255  
00:10:41,590 --> 00:10:39,040  
on the biblical statement that light was

256  
00:10:43,750 --> 00:10:41,600  
brought into existence by god on the

257  
00:10:45,269 --> 00:10:43,760  
first day of creation

258  
00:10:48,389 --> 00:10:45,279  
but also

259  
00:10:50,310 --> 00:10:48,399  
to lights non-linear behavior when it

260  
00:10:52,389 --> 00:10:50,320  
interacts with matter

261  
00:10:54,150 --> 00:10:52,399  
it allows us to capture much more

262  
00:10:56,470 --> 00:10:54,160  
information in comparison with the

263  
00:10:58,230 --> 00:10:56,480

amount of information we can get using

264

00:11:00,790 --> 00:10:58,240

audio frequencies

265

00:11:01,670 --> 00:11:00,800

the experimental setup

266

00:11:04,870 --> 00:11:01,680

for

267

00:11:06,550 --> 00:11:04,880

of mig technology is schematically shown

268

00:11:08,790 --> 00:11:06,560

in this line

269

00:11:09,910 --> 00:11:08,800

the recording stage of this technology

270

00:11:12,870 --> 00:11:09,920

includes

271

00:11:15,190 --> 00:11:12,880

lasers that create around an object a

272

00:11:17,750 --> 00:11:15,200

sophisticated picture of

273

00:11:19,509 --> 00:11:17,760

direct and reflected light

274

00:11:21,670 --> 00:11:19,519

the picture is recording through a

275

00:11:24,710 --> 00:11:21,680

system of filters by a commercial high

276

00:11:26,829 --> 00:11:24,720

quality cam coil

277

00:11:28,389 --> 00:11:26,839

the resulting

278

00:11:30,870 --> 00:11:28,399

video

279

00:11:32,310 --> 00:11:30,880

is played back with a powerful projector

280

00:11:34,310 --> 00:11:32,320

on the object

281

00:11:35,910 --> 00:11:34,320

that is infused with the subtle energy

282

00:11:37,030 --> 00:11:35,920

patterns

283

00:11:39,670 --> 00:11:37,040

um

284

00:11:42,230 --> 00:11:39,680

captured in the first stage comparing

285

00:11:45,030 --> 00:11:42,240

the therapeutic effects of subtle energy

286

00:11:46,230 --> 00:11:45,040

patterns created using light technology

287

00:11:48,790 --> 00:11:46,240

versus the

288

00:11:51,030 --> 00:11:48,800

same pattern that use sound technology

289

00:11:53,829 --> 00:11:51,040

it has been shown that they work the

290

00:11:54,790 --> 00:11:53,839

same way experimental studies indicate

291

00:11:59,829 --> 00:11:54,800

some

292

00:12:02,069 --> 00:11:59,839

increasing a person's health and

293

00:12:04,310 --> 00:12:02,079

well-being than these two methods are

294

00:12:06,389 --> 00:12:04,320

combined especially when the energy

295

00:12:07,430 --> 00:12:06,399

informational blueprints are taken from

296

00:12:09,829 --> 00:12:07,440

plants

297

00:12:12,470 --> 00:12:09,839

mig technology was found to be more

298

00:12:15,269 --> 00:12:12,480

effective in creating a long-lived

299

00:12:17,670 --> 00:12:15,279

macroscopic entanglement which is now

300

00:12:20,150 --> 00:12:17,680

being used for electromagnetic

301  
00:12:22,389 --> 00:12:20,160  
radiation protected devices entangled

302  
00:12:24,870 --> 00:12:22,399  
with the ionosphere human real nouns

303  
00:12:27,030 --> 00:12:24,880  
frequencies and for creating equipment

304  
00:12:30,870 --> 00:12:27,040  
sensitive to subtle energy

305  
00:12:33,269 --> 00:12:30,880  
let's talk about this equipment now

306  
00:12:35,750 --> 00:12:33,279  
during our experimentation with subtle

307  
00:12:38,069 --> 00:12:35,760  
energy we realized the successful

308  
00:12:40,949 --> 00:12:38,079  
continuation of this research needs

309  
00:12:43,829 --> 00:12:40,959  
apparatus that is sensitive to different

310  
00:12:46,389 --> 00:12:43,839  
manifestations of energy blueprints

311  
00:12:48,550 --> 00:12:46,399  
preliminary results using our first

312  
00:12:51,350 --> 00:12:48,560  
prototype of this device have shown we

313  
00:12:55,190 --> 00:12:51,360

are moving in the right direction

314

00:12:59,670 --> 00:12:57,190

is shown in the next slide we have

315

00:13:02,389 --> 00:12:59,680

reconfigured and reconstructed the

316

00:13:05,430 --> 00:13:02,399

commercial prototype the so-called

317

00:13:07,670 --> 00:13:05,440

scalar wave tesla coil for radionic

318

00:13:10,310 --> 00:13:07,680

machine the wave 4

319

00:13:12,470 --> 00:13:10,320

coils were combined as it's shown in the

320

00:13:16,629 --> 00:13:12,480

slide

321

00:13:19,030 --> 00:13:16,639

the central coil is used as a test plane

322

00:13:22,230 --> 00:13:19,040

the know how we use comes from a design

323

00:13:23,269 --> 00:13:22,240

is which all central coils are entangled

324

00:13:25,590 --> 00:13:23,279

by

325

00:13:28,310 --> 00:13:25,600

mig technology

326

00:13:30,629 --> 00:13:28,320

the arms of the device are in resonance

327

00:13:32,550 --> 00:13:30,639

with the reference pre-programmed

328

00:13:34,949 --> 00:13:32,560

samples that correspond to different

329

00:13:36,069 --> 00:13:34,959

vibrational levels of the subtle energy

330

00:13:38,310 --> 00:13:36,079

field

331

00:13:40,389 --> 00:13:38,320

if they test it out to displace a

332

00:13:42,310 --> 00:13:40,399

particular affinity

333

00:13:44,310 --> 00:13:42,320

there's a reference sample of several of

334

00:13:46,550 --> 00:13:44,320

them it gives us an idea about the

335

00:13:51,189 --> 00:13:46,560

subtle energy blueprints it might carry

336

00:13:55,590 --> 00:13:53,110

it would be good to point out that the

337

00:13:57,829 --> 00:13:55,600

substantial number of the pre-programmed

338

00:13:59,269 --> 00:13:57,839

samples carrying subtle energy patterns

339

00:14:02,230 --> 00:13:59,279

created during the research and

340

00:14:04,790 --> 00:14:02,240

development stage of mig's technology

341

00:14:06,710 --> 00:14:04,800

allowed us to create a library of the

342

00:14:08,389 --> 00:14:06,720

testing objects with their known

343

00:14:10,710 --> 00:14:08,399

characteristics

344

00:14:13,509 --> 00:14:10,720

this kind of library makes it possible

345

00:14:15,430 --> 00:14:13,519

to collaborate with other researchers in

346

00:14:18,150 --> 00:14:15,440

establishing a standard

347

00:14:20,389 --> 00:14:18,160

of reference describing subtle energy

348

00:14:22,710 --> 00:14:20,399

qualities eventually creating a mutual

349

00:14:24,389 --> 00:14:22,720

language for portraying south orange

350

00:14:26,790 --> 00:14:24,399

blueprints

351  
00:14:29,110 --> 00:14:26,800  
dr zhiri's chromebook summarizing his

352  
00:14:31,949 --> 00:14:29,120  
life work on vital force technology is

353  
00:14:35,910 --> 00:14:31,959  
scheduled to be printed in july

354  
00:14:37,750 --> 00:14:35,920  
2022 by inner traditions book publisher

355  
00:14:40,949 --> 00:14:37,760  
thank you very much for your kind

356  
00:14:46,949 --> 00:14:44,870  
yes thank you any questions coming up um

357  
00:14:47,829 --> 00:14:46,959  
there was a lot in there packed packed

358  
00:14:49,350 --> 00:14:47,839  
in there

359  
00:14:51,670 --> 00:14:49,360  
i'm just curious more about the

360  
00:14:53,110 --> 00:14:51,680  
measurements you're doing uh you're

361  
00:14:55,670 --> 00:14:53,120  
particularly that last one you had the

362  
00:14:57,990 --> 00:14:55,680  
little vials over the tesla coils what

363  
00:15:01,430 --> 00:14:58,000

how were you actually measuring anything

364

00:15:03,829 --> 00:15:01,440

from those those little vials

365

00:15:08,470 --> 00:15:06,069

the device you see me just

366

00:15:10,870 --> 00:15:08,480

last

367

00:15:13,590 --> 00:15:10,880

resort what maybe had found before

368

00:15:16,069 --> 00:15:13,600

during the 20 years of research because

369

00:15:19,030 --> 00:15:16,079

during this 20 years of working the

370

00:15:21,590 --> 00:15:19,040

subtle energy we had different samples

371

00:15:23,189 --> 00:15:21,600

in the same vials which would reflect a

372

00:15:25,590 --> 00:15:23,199

prayer

373

00:15:28,230 --> 00:15:25,600

energy of the heal

374

00:15:30,150 --> 00:15:28,240

a particular gemstone

375

00:15:31,749 --> 00:15:30,160

with the characteristics which are known

376

00:15:36,310 --> 00:15:31,759

to people for

377

00:15:40,069 --> 00:15:36,320

many years like describing in terms of

378

00:15:43,670 --> 00:15:40,079

chinese energy channels or elements or

379

00:15:46,230 --> 00:15:43,680

chakras influences or colors of the aura

380

00:15:47,350 --> 00:15:46,240

and a lot of parameters

381

00:15:49,189 --> 00:15:47,360

and so

382

00:15:51,749 --> 00:15:49,199

since

383

00:15:53,749 --> 00:15:51,759

dr kron found a way how we can capture

384

00:15:56,870 --> 00:15:53,759

this information so

385

00:15:58,389 --> 00:15:56,880

it is possible to infuse any well with

386

00:16:00,230 --> 00:15:58,399

the particular

387

00:16:02,150 --> 00:16:00,240

um

388

00:16:04,069 --> 00:16:02,160

energy

389

00:16:06,790 --> 00:16:04,079

imprint which uh

390

00:16:10,710 --> 00:16:06,800

we use as a reference point for example

391

00:16:14,230 --> 00:16:10,720

uh we have some energy we would like to

392

00:16:18,310 --> 00:16:14,240

know how it influences human chakras so

393

00:16:21,110 --> 00:16:18,320

we have an energy of the crown chakra

394

00:16:23,990 --> 00:16:21,120

and root chakra and

395

00:16:27,350 --> 00:16:24,000

these samples shows affinity to root

396

00:16:29,670 --> 00:16:27,360

chakra so we make a conclusion that that

397

00:16:32,870 --> 00:16:29,680

particular profile is

398

00:16:34,949 --> 00:16:32,880

targeting a root chuck

399

00:16:36,790 --> 00:16:34,959

thank you there's another question

400

00:16:37,910 --> 00:16:36,800

asking about covid

401  
00:16:40,550 --> 00:16:37,920  
anything

402  
00:16:42,629 --> 00:16:40,560  
particularly cuckerman the the turmeric

403  
00:16:43,749 --> 00:16:42,639  
whether it's has an energy that can help

404  
00:16:45,590 --> 00:16:43,759  
with

405  
00:16:47,829 --> 00:16:45,600  
treating covet

406  
00:16:51,829 --> 00:16:47,839  
infections virus infection

407  
00:16:54,629 --> 00:16:51,839  
to some extent yes but

408  
00:16:57,189 --> 00:16:54,639  
i didn't want to touch this

409  
00:16:59,990 --> 00:16:57,199  
medicinal part of our work

410  
00:17:02,629 --> 00:17:00,000  
but we have in our library and the

411  
00:17:05,429 --> 00:17:02,639  
energy speech will boost your immune

412  
00:17:10,230 --> 00:17:05,439  
system in general so giving it this

413  
00:17:17,829 --> 00:17:11,590

infection

414

00:17:20,949 --> 00:17:17,839

and so in comet just part of this big

415

00:17:23,270 --> 00:17:20,959

number of infections we can catch

416

00:17:26,949 --> 00:17:23,280

okay thank you and then also another

417

00:17:28,470 --> 00:17:26,959

question is about um do you use um

418

00:17:30,470 --> 00:17:28,480

how does using light such as with a

419

00:17:32,789 --> 00:17:30,480

video camera to transfer subtle energy

420

00:17:34,870 --> 00:17:32,799

compared to using a plasma to do it how

421

00:17:36,390 --> 00:17:34,880

does the light compare to plasma

422

00:17:39,029 --> 00:17:36,400

to transferring the

423

00:17:41,750 --> 00:17:39,039

subtle energy

424

00:17:44,470 --> 00:17:41,760

i guess both methods are legitimate

425

00:17:47,909 --> 00:17:44,480

since you saw in the design

426

00:17:50,710 --> 00:17:47,919

dr krohn used uh in the beginning it was

427

00:17:53,909 --> 00:17:50,720

against discharge uh plasma which

428

00:17:56,950 --> 00:17:53,919

definitely emitted some kind of subtle

429

00:18:04,230 --> 00:17:59,990

this spectrum was recorded using audio

430

00:18:06,630 --> 00:18:04,240

technique so what we used here we used

431

00:18:09,430 --> 00:18:06,640

another part of the spectrum for

432

00:18:11,350 --> 00:18:09,440

recording because it was the question

433

00:18:12,470 --> 00:18:11,360

but i guess

434

00:18:16,230 --> 00:18:12,480

there are

435

00:18:18,710 --> 00:18:16,240

many different methods how you can

436

00:18:21,110 --> 00:18:18,720

emit subtle energy and record it the

437

00:18:24,070 --> 00:18:21,120

difficulty is how you

438

00:18:26,549 --> 00:18:24,080

then check how they work that's why our

439

00:18:28,950 --> 00:18:26,559

suggestion is to create a library mutual

440

00:18:31,270 --> 00:18:28,960

language

441

00:18:32,549 --> 00:18:31,280

okay

442

00:18:34,070 --> 00:18:32,559

in my experience there's another

443

00:18:35,990 --> 00:18:34,080

question different people who claim to

444

00:18:38,390 --> 00:18:36,000

see auras often see a different color

445

00:18:39,830 --> 00:18:38,400

when observing a person at the same time

446

00:18:41,750 --> 00:18:39,840

can you explain how different aura

447

00:18:43,750 --> 00:18:41,760

readers see something differently at the

448

00:18:46,390 --> 00:18:43,760

same time

449

00:18:48,549 --> 00:18:46,400

it depends on person so as you said so

450

00:18:50,870 --> 00:18:48,559

they see it differently actually it's

451  
00:18:52,710 --> 00:18:50,880  
one of the difficulties to work with

452  
00:18:54,870 --> 00:18:52,720  
these people

453  
00:18:56,020 --> 00:18:54,880  
you have to combine their vision

454  
00:18:58,070 --> 00:18:56,030  
together to

455  
00:19:00,070 --> 00:18:58,080  
[Music]

456  
00:19:03,590 --> 00:19:00,080  
get a picture of what they are talking

457  
00:19:06,630 --> 00:19:03,600  
about because there is no common uh

458  
00:19:09,029 --> 00:19:06,640  
language of describing this there is

459  
00:19:12,310 --> 00:19:09,039  
different depths in the vision of the

460  
00:19:14,630 --> 00:19:12,320  
aura there is different level where you

461  
00:19:16,950 --> 00:19:14,640  
concentrate what you see

462  
00:19:18,870 --> 00:19:16,960  
and finally the language is very

463  
00:19:22,830 --> 00:19:18,880

different even for different cultures

464

00:19:22,840 --> 00:19:26,230

okay um

465

00:19:31,190 --> 00:19:28,549

is there any other questions i

466

00:19:35,510 --> 00:19:33,430

do you any other anything else to

467

00:19:37,350 --> 00:19:35,520

tell us i was curious about researchers

468

00:19:39,510 --> 00:19:37,360

working with some of your library and

469

00:19:41,750 --> 00:19:39,520

testing some of your

470

00:19:43,110 --> 00:19:41,760

products um do you work with other

471

00:19:45,590 --> 00:19:43,120

researchers to

472

00:19:48,549 --> 00:19:45,600

on experiments

473

00:19:50,470 --> 00:19:48,559

we're applied scientists we create

474

00:19:53,669 --> 00:19:50,480

products and we work within their

475

00:19:55,830 --> 00:19:53,679

network of alternative doctors

476  
00:19:57,510 --> 00:19:55,840  
and they're using our product and they

477  
00:19:59,909 --> 00:19:57,520  
report back to us

478  
00:20:01,350 --> 00:19:59,919  
that's our feedback

479  
00:20:03,750 --> 00:20:01,360  
and having

480  
00:20:08,310 --> 00:20:03,760  
discussing with them about the results

481  
00:20:09,830 --> 00:20:08,320  
we know how they work because the first

482  
00:20:11,990 --> 00:20:09,840  
recommendation

483  
00:20:18,710 --> 00:20:12,000  
which we give to them

484  
00:20:22,950 --> 00:20:21,510  
vision how we see the product will work

485  
00:20:26,390 --> 00:20:22,960  
according to the

486  
00:20:29,750 --> 00:20:26,400  
meridian structure chakra structure

487  
00:20:32,310 --> 00:20:29,760  
or a structure but practice is something

488  
00:20:34,710 --> 00:20:32,320

different when they treat their patients

489

00:20:36,070 --> 00:20:34,720

with this

490

00:20:38,710 --> 00:20:36,080

products

491

00:20:43,270 --> 00:20:38,720

sometimes they have very unexpected

492

00:20:46,950 --> 00:20:44,950

i was curious at the very beginning your

493

00:20:49,190 --> 00:20:46,960

talk you you talked about the

494

00:20:51,190 --> 00:20:49,200

dr krohn's early experiments using those

495

00:20:54,390 --> 00:20:51,200

three categories of physiology mental

496

00:20:58,710 --> 00:20:54,400

and emotional state the 150 to 300 300

497

00:21:00,390 --> 00:20:58,720

450 450 to 600 um the 450 to 600 just

498

00:21:02,070 --> 00:21:00,400

looked really interesting to me have you

499

00:21:03,110 --> 00:21:02,080

worked more with those frequencies

500

00:21:04,710 --> 00:21:03,120

because i

501  
00:21:06,549 --> 00:21:04,720  
i've recorded those high frequencies

502  
00:21:07,590 --> 00:21:06,559  
like at the monroe institute i was just

503  
00:21:08,710 --> 00:21:07,600  
curious

504  
00:21:10,230 --> 00:21:08,720  
um

505  
00:21:12,870 --> 00:21:10,240  
that does seem to be a very effective

506  
00:21:13,340 --> 00:21:12,880  
range the 450 to 600.

507  
00:21:14,549 --> 00:21:13,350  
um

508  
00:21:17,350 --> 00:21:14,559  
[Music]

509  
00:21:20,070 --> 00:21:17,360  
it was 25 years ago i was not working

510  
00:21:21,990 --> 00:21:20,080  
with dr crone at that time

511  
00:21:24,870 --> 00:21:22,000  
and what he found

512  
00:21:27,110 --> 00:21:24,880  
that this ranges they will repeat

513  
00:21:29,430 --> 00:21:27,120

itself if you

514

00:21:32,870 --> 00:21:29,440

multiply this frequency by two like

515

00:21:35,750 --> 00:21:32,880

octals in the musical instrument and he

516

00:21:38,149 --> 00:21:35,760

also worked with the monroe institute

517

00:21:40,950 --> 00:21:38,159

but then he switched to another approach

518

00:21:43,350 --> 00:21:40,960

and so i missed it so i can help you

519

00:21:44,710 --> 00:21:43,360

with that okay well thank you yeah

520

00:21:46,470 --> 00:21:44,720

because those frequencies were

521

00:21:47,430 --> 00:21:46,480

interesting because you were into some

522

00:21:49,110 --> 00:21:47,440

of those

523

00:21:51,350 --> 00:21:49,120

frequencies you record with magnetic

524

00:21:53,830 --> 00:21:51,360

fields so what's next in your research

525

00:21:55,909 --> 00:21:53,840

what what uh what other

526

00:21:57,110 --> 00:21:55,919

things do you plan

527

00:21:59,430 --> 00:21:57,120

as i said

528

00:22:03,430 --> 00:21:59,440

at the end of my presentation so we are

529

00:22:05,830 --> 00:22:03,440

concentrated on the device because

530

00:22:07,750 --> 00:22:05,840

the device we can work with other

531

00:22:13,350 --> 00:22:07,760

researchers and

532

00:22:17,430 --> 00:22:14,950

like some

533

00:22:19,350 --> 00:22:17,440

event which you have to describe to many

534

00:22:21,350 --> 00:22:19,360

different terms and still not

535

00:22:25,350 --> 00:22:21,360

understanding what we're both talking

536

00:22:27,110 --> 00:22:25,360

about so that's our main

537

00:22:29,350 --> 00:22:27,120

goal now but

538

00:22:32,470 --> 00:22:29,360

since we have a library of other

539

00:22:35,590 --> 00:22:32,480

energetic uh

540

00:22:37,110 --> 00:22:35,600

staff so we are trying to help people as

541

00:22:39,110 --> 00:22:37,120

much as we can

542

00:22:40,789 --> 00:22:39,120

i it looked like you were using a

543

00:22:43,350 --> 00:22:40,799

similar technology to what some people

544

00:22:44,950 --> 00:22:43,360

are using to display the aura around

545

00:22:48,070 --> 00:22:44,960

human beings have you looked at that

546

00:22:50,870 --> 00:22:48,080

sort of technology to to show that aura

547

00:22:55,830 --> 00:22:50,880

for people like physicians to look at

548

00:23:00,230 --> 00:22:58,070

yeah portable yeah yeah we worked with

549

00:23:01,750 --> 00:23:00,240

that but we found that they are not

550

00:23:05,430 --> 00:23:01,760

reliable

551  
00:23:10,230 --> 00:23:08,870  
that's that's good to know um all right

552  
00:23:12,470 --> 00:23:10,240  
yeah all right probably because

553  
00:23:14,390 --> 00:23:12,480  
everyone's different right

554  
00:23:15,350 --> 00:23:14,400  
that's true

555  
00:23:16,549 --> 00:23:15,360  
okay

556  
00:23:18,789 --> 00:23:16,559  
um

557  
00:23:20,830 --> 00:23:18,799  
so any advice for researchers going into

558  
00:23:23,029 --> 00:23:20,840  
this field have you got any

559  
00:23:24,549 --> 00:23:23,039  
uh um

560  
00:23:26,310 --> 00:23:24,559  
because uh you're probably you can't

561  
00:23:28,149 --> 00:23:26,320  
record everything right you can't your

562  
00:23:29,270 --> 00:23:28,159  
library or do you think there's a limit

563  
00:23:30,950 --> 00:23:29,280

to how many

564

00:23:32,390 --> 00:23:30,960

things you need in your library to

565

00:23:35,029 --> 00:23:32,400

really affect the health of a human

566

00:23:36,549 --> 00:23:35,039

being what's your thoughts about

567

00:23:38,390 --> 00:23:36,559

just the

568

00:23:40,070 --> 00:23:38,400

all the energy patterns how many energy

569

00:23:42,230 --> 00:23:40,080

pin

570

00:23:45,350 --> 00:23:42,240

we can record anything which is

571

00:23:47,909 --> 00:23:45,360

projected into this three dimensional

572

00:23:50,070 --> 00:23:47,919

world but you see since this

573

00:23:53,190 --> 00:23:50,080

multi-dimensional world is much higher

574

00:23:56,470 --> 00:23:53,200

that we can even comprehend so

575

00:23:59,590 --> 00:23:56,480

we're far away from all possibilities

576

00:24:01,990 --> 00:23:59,600

but what we can do that's enough to do a

577

00:24:03,549 --> 00:24:02,000

lot of very helpful things

578

00:24:05,669 --> 00:24:03,559

but what's interesting is you're fine

579

00:24:08,269 --> 00:24:05,679

correspondences which really gets back

580

00:24:11,029 --> 00:24:08,279

into the old esoteric literature of

581

00:24:12,390 --> 00:24:11,039

correspondences of energy with different

582

00:24:13,830 --> 00:24:12,400

things like the chakras and maybe

583

00:24:15,750 --> 00:24:13,840

particular colors right i mean you're

584

00:24:16,470 --> 00:24:15,760

finding coarse and then maybe a flower

585

00:24:23,510 --> 00:24:16,480

is

586

00:24:26,070 --> 00:24:23,520

correspondences um connections between

587

00:24:27,669 --> 00:24:26,080

the same similar subtle energy patterns

588

00:24:29,430 --> 00:24:27,679

between different very different like a

589

00:24:31,269 --> 00:24:29,440

mineral with a you know particular

590

00:24:33,430 --> 00:24:31,279

chakra is this true or

591

00:24:36,149 --> 00:24:33,440

yeah that is true because for example if

592

00:24:37,590 --> 00:24:36,159

we have an energy of the heart chakra

593

00:24:40,310 --> 00:24:37,600

infused in these

594

00:24:42,710 --> 00:24:40,320

trace minerals and we will put some

595

00:24:45,269 --> 00:24:42,720

drops into the glass of water of a heart

596

00:24:47,350 --> 00:24:45,279

chakra and somebody would need

597

00:24:50,390 --> 00:24:47,360

additional boost of heart chakra the

598

00:24:52,390 --> 00:24:50,400

person would immediately feel it

599

00:24:55,669 --> 00:24:52,400

and if you

600

00:24:58,310 --> 00:24:55,679

use a sensitive person who sees the

601  
00:25:00,710 --> 00:24:58,320  
colors of the chakra the person the

602  
00:25:03,750 --> 00:25:00,720  
psychic person will report that the

603  
00:25:05,269 --> 00:25:03,760  
change has happened

604  
00:25:06,470 --> 00:25:05,279  
yeah so it's fascinating you're really

605  
00:25:08,310 --> 00:25:06,480  
you're sort of

606  
00:25:11,029 --> 00:25:08,320  
discovering sort of the basis for the

607  
00:25:13,350 --> 00:25:11,039  
esoteric literature of correspondences

608  
00:25:15,350 --> 00:25:13,360  
so actually we began from that back

609  
00:25:17,190 --> 00:25:15,360  
there in the soviet union not to forget

610  
00:25:20,070 --> 00:25:17,200  
it was forbidden

611  
00:25:21,990 --> 00:25:20,080  
this literary literature not uh

612  
00:25:23,590 --> 00:25:22,000  
supporting the communist doctrine was

613  
00:25:25,590 --> 00:25:23,600

forbidden

614

00:25:26,470 --> 00:25:25,600

yes i imagined difficult to get these

615

00:25:29,350 --> 00:25:26,480

books

616

00:25:30,310 --> 00:25:29,360

yes yes yes yeah

617

00:25:33,190 --> 00:25:30,320

um

618

00:25:34,630 --> 00:25:33,200

any other questions out there

619

00:25:37,430 --> 00:25:34,640

there's i know there's people who are

620

00:25:40,390 --> 00:25:37,440

interested in technology

621

00:25:47,909 --> 00:25:40,400

uh your heart chakra story

622

00:25:52,870 --> 00:25:50,870

oh and confirms the bell i feel an idea

623

00:25:58,870 --> 00:25:52,880

about a need for healing

624

00:26:02,870 --> 00:26:00,549

oh margaret i meant bill's idea i'm

625

00:26:04,710 --> 00:26:02,880

sorry i had my microphone

626  
00:26:06,710 --> 00:26:04,720  
so that that would be consistent perhaps

627  
00:26:09,669 --> 00:26:06,720  
with bill's idea about a need when you

628  
00:26:15,190 --> 00:26:11,750  
when you put that uh mineral on top of

629  
00:26:19,510 --> 00:26:17,909  
yeah yeah i think so oh god could you

630  
00:26:21,510 --> 00:26:19,520  
right put your um

631  
00:26:22,870 --> 00:26:21,520  
in the chat please could you write your

632  
00:26:27,750 --> 00:26:22,880  
question in the chat

633  
00:26:29,990 --> 00:26:27,760  
uh yes i i wrote the question mark um

634  
00:26:34,870 --> 00:26:30,000  
but it it was a

635  
00:26:37,110 --> 00:26:34,880  
mistake i directly to um dr nazarov

636  
00:26:38,710 --> 00:26:37,120  
um

637  
00:26:42,310 --> 00:26:38,720  
are you familiar

638  
00:26:44,310 --> 00:26:42,320

uh with the work of eric thompson subtle

639

00:26:45,830 --> 00:26:44,320

energy technologies

640

00:26:49,990 --> 00:26:45,840

he's very

641

00:26:53,350 --> 00:26:50,000

very um productive man of uh recording

642

00:26:55,750 --> 00:26:53,360

different types of

643

00:26:59,830 --> 00:26:55,760

subtle energy situations

644

00:27:04,870 --> 00:27:02,789

i heard about it and so actually we

645

00:27:07,430 --> 00:27:04,880

during all these years of our research

646

00:27:09,430 --> 00:27:07,440

we were trying to

647

00:27:11,909 --> 00:27:09,440

make ourselves familiar with any

648

00:27:13,990 --> 00:27:11,919

research in this area

649

00:27:16,789 --> 00:27:14,000

but

650

00:27:20,149 --> 00:27:16,799

we were going our way this research is

651  
00:27:21,510 --> 00:27:20,159  
going day away and so

652  
00:27:22,710 --> 00:27:21,520  
as i said

653  
00:27:25,909 --> 00:27:22,720  
uh

654  
00:27:28,870 --> 00:27:25,919  
subtle energy can manifest itself in so

655  
00:27:32,149 --> 00:27:28,880  
many ways that any researcher has the

656  
00:27:36,470 --> 00:27:32,159  
right to claim that that approach works

657  
00:27:41,590 --> 00:27:38,870  
but we do what we do and so i just

658  
00:27:43,830 --> 00:27:41,600  
presented to the work yuri kron had been

659  
00:27:45,830 --> 00:27:43,840  
doing all his life and

660  
00:27:50,710 --> 00:27:45,840  
that it will be published in his book

661  
00:27:53,110 --> 00:27:50,720  
next year and i just invite everyone to

662  
00:27:56,149 --> 00:27:53,120  
create a common language in describing

663  
00:27:59,190 --> 00:27:56,159

what we observe what we do

664

00:28:02,389 --> 00:27:59,200

i certainly agree that we need a

665

00:28:05,430 --> 00:28:02,399

vocabulary a mutual vocabulary it's it's

666

00:28:08,070 --> 00:28:05,440

a big problem and um

667

00:28:10,389 --> 00:28:08,080

lauren said about

668

00:28:12,070 --> 00:28:10,399

um in his um

669

00:28:13,269 --> 00:28:12,080

conducting um

670

00:28:20,870 --> 00:28:13,279

of uh

671

00:28:24,789 --> 00:28:20,880

changing

672

00:28:26,950 --> 00:28:24,799

wood energy into information

673

00:28:28,789 --> 00:28:26,960

would be not a bad idea because energy

674

00:28:31,750 --> 00:28:28,799

is information

675

00:28:33,029 --> 00:28:31,760

and maybe it will be not that confusing

676  
00:28:33,530 --> 00:28:33,039  
with other

677  
00:28:34,710 --> 00:28:33,540  
other

678  
00:28:38,230 --> 00:28:34,720  
[Music]

679  
00:28:39,830 --> 00:28:38,240  
names but um i brought up eric thompson

680  
00:28:43,029 --> 00:28:39,840  
only because he said that you want to

681  
00:28:46,549 --> 00:28:43,039  
collaborate your your planning to

682  
00:28:49,510 --> 00:28:46,559  
look at other researches this is uh this

683  
00:28:53,430 --> 00:28:49,520  
is only this is why i brought eric

684  
00:28:56,310 --> 00:28:53,440  
thompson name um he looks

685  
00:28:58,950 --> 00:28:56,320  
may i interrupt um there's obviously a

686  
00:29:00,310 --> 00:28:58,960  
lot more to discuss on this topic and

687  
00:29:02,149 --> 00:29:00,320  
we're going to move on to the next

688  
00:29:03,830 --> 00:29:02,159

presentation but igor will be back in

689

00:29:05,590 --> 00:29:03,840

this room when we go on our break a

690

00:29:07,029 --> 00:29:05,600

little bit later

691

00:29:10,149 --> 00:29:07,039

so i hope you can continue the

692

00:29:13,750 --> 00:29:10,159

discussion at that point

693

00:29:15,510 --> 00:29:13,760

thank you so much jen uh what what time

694

00:29:17,909 --> 00:29:15,520

uh it will be remember

695

00:29:20,389 --> 00:29:17,919

it will be 12 o'clock eastern time that

696

00:29:22,710 --> 00:29:20,399

we will go on break and so um hopefully

697

00:29:24,870 --> 00:29:22,720

eric igor can join us back in the room

698

00:29:27,430 --> 00:29:24,880

at that time yeah it will be 9 o'clock

699

00:29:29,190 --> 00:29:27,440

here okay thank you very much yeah i

700

00:29:30,549 --> 00:29:29,200

want more one more thing to say um

701  
00:29:32,470 --> 00:29:30,559  
someone wanted to know is there like a

702  
00:29:34,789 --> 00:29:32,480  
mailing list to hear about when the book

703  
00:29:36,070 --> 00:29:34,799  
is published is it on energy tools is

704  
00:29:38,470 --> 00:29:36,080  
there a mailing list

705  
00:29:41,269 --> 00:29:38,480  
that they can

706  
00:29:43,190 --> 00:29:41,279  
yeah i've got the confirmation of that

707  
00:29:45,430 --> 00:29:43,200  
okay okay so people can go to energy

708  
00:29:47,430 --> 00:29:45,440  
tools international website and and get

709  
00:29:50,149 --> 00:29:47,440  
on the mailing list for the book yeah

710  
00:29:57,660 --> 00:29:50,159  
yeah vital for technology thank you

711  
00:29:57,670 --> 00:30:02,389  
[Music]

712  
00:30:07,269 --> 00:30:04,310  
so thank you igor thank you margaret it

713  
00:30:09,190 --> 00:30:07,279

was a very interesting presentation it's

714

00:30:10,470 --> 00:30:09,200

wonderful that we have this diversity of
