1  
00:00:00,810 --> 00:00:07,390

[Music]

2  
00:00:33,350 --> 00:00:10,250

this is somewhere in the sky

3  
00:00:39,080 --> 00:00:33,360

- Brian spice stars at night are big and

4  
00:00:44,600 --> 00:00:39,090

bright deep in the heart of Texas the

5  
00:00:47,360 --> 00:00:44,610

Prairie sky is wide and high deep in the

6  
00:00:53,330 --> 00:00:47,370

heart of Texas

7  
00:00:55,790 --> 00:00:53,340

say the song says it all doesn't it we

8  
00:00:58,160 --> 00:00:55,800

are going to be talking about UFOs over

9  
00:00:59,930 --> 00:00:58,170

the great state of Texas today with UFO

10  
00:01:02,180 --> 00:00:59,940

researcher Jane Kyle

11  
00:01:04,700 --> 00:01:02,190

Jane has amassed a wealth of not only

12  
00:01:06,710 --> 00:01:04,710

historical cases out of Texas but some

13  
00:01:09,050 --> 00:01:06,720

that she has personally researched up

14

00:01:09,770 --> 00:01:09,060

until today this can all be found on her

15

00:01:12,770 --> 00:01:09,780

website

16

00:01:15,560 --> 00:01:12,780

Texas UFOs calm today we talk about how

17

00:01:18,200 --> 00:01:15,570

Jane got involved in UFOs some of her

18

00:01:20,780 --> 00:01:18,210

favorite cases and just exactly what is

19

00:01:23,210 --> 00:01:20,790

going on over the skies of Texas and

20

00:01:24,740 --> 00:01:23,220

beyond but before we get to this week's

21

00:01:27,050 --> 00:01:24,750

interview I want to talk about the

22

00:01:29,450 --> 00:01:27,060

recent claims made by a millionaire on

23

00:01:31,730 --> 00:01:29,460

national television Robert Bigelow was

24

00:01:33,290 --> 00:01:31,740

interviewed on 60 minutes recently and

25

00:01:35,450 --> 00:01:33,300

while the interview was focused around

26

00:01:37,520 --> 00:01:35,460

his aerospace work some of the most

27

00:01:39,320 --> 00:01:37,530

intriguing things he talked about came

28

00:01:42,170 --> 00:01:39,330

up when the interviewer Laura Logan

29

00:01:44,420 --> 00:01:42,180

asked Bigelow not only if he believed in

30

00:01:47,630 --> 00:01:44,430

alien life but if he believes it's

31

00:01:50,060 --> 00:01:47,640

already here on earth do you believe in

32

00:01:52,249 --> 00:01:50,070

alien I am absolutely convinced as

33

00:01:54,949 --> 00:01:52,259

Holder is to it do you also believe that

34

00:01:57,290 --> 00:01:54,959

UFOs have come to earth there has been

35

00:01:59,180 --> 00:01:57,300

and is an existing presence of a mutant

36

00:02:01,190 --> 00:01:59,190

presence and I spent millions and

37

00:02:02,809 --> 00:02:01,200

millions I probably spent more as an

38

00:02:05,270 --> 00:02:02,819

individual than anybody else United

39

00:02:07,609 --> 00:02:05,280

States has ever spent on this subject is

40

00:02:09,410 --> 00:02:07,619

it risky for you to say you know in

41

00:02:11,690 --> 00:02:09,420

public that you believe I'll give you a

42

00:02:13,760 --> 00:02:11,700

nose an alien I don't cure you don't

43

00:02:15,949 --> 00:02:13,770

worry that some people will say that you

44

00:02:16,580 --> 00:02:15,959

hear that guy sounds like crazy I don't

45

00:02:18,170 --> 00:02:16,590

care

46

00:02:19,580 --> 00:02:18,180

why not it's not going to make a

47

00:02:23,180 --> 00:02:19,590

difference it's not going to change

48

00:02:25,790 --> 00:02:23,190

reality of what I know do you imagine

49

00:02:28,490 --> 00:02:25,800

that in our space travels we will

50

00:02:30,979 --> 00:02:28,500

encounter other forms of intelligent

51  
00:02:31,820 --> 00:02:30,989  
life you don't have to go anywhere you

52  
00:02:36,290 --> 00:02:31,830  
can find it here

53  
00:02:38,300 --> 00:02:36,300  
yeah so yeah Robert Bigelow doesn't give

54  
00:02:40,370 --> 00:02:38,310  
interviews that often and in the past

55  
00:02:42,410 --> 00:02:40,380  
when he has it's rather brief and

56  
00:02:44,990 --> 00:02:42,420  
tight-lipped that's why this particular

57  
00:02:47,210 --> 00:02:45,000  
interview came as a surprise to many but

58  
00:02:49,010 --> 00:02:47,220  
for those within the UFO community it's

59  
00:02:51,800 --> 00:02:49,020  
no real surprise above Bigelow's

60  
00:02:54,199 --> 00:02:51,810  
feelings on UFOs and aliens he was

61  
00:02:56,630 --> 00:02:54,209  
closely tied to MUFON for a period of

62  
00:02:59,660 --> 00:02:56,640  
time in which he pumped a ton of money

63  
00:03:00,620 --> 00:02:59,670

into creating rapid response teams to go

64

00:03:02,980 --> 00:03:00,630

out and invest

65

00:03:05,300 --> 00:03:02,990

UFO reports as they were happening

66

00:03:07,940 --> 00:03:05,310

controversially all the reports were

67

00:03:10,100 --> 00:03:07,950

then turned over exclusively to Bigelow

68

00:03:12,920 --> 00:03:10,110

when that partnership ended Bigelow then

69

00:03:15,380 --> 00:03:12,930

bought up the skinwalker ranch in Utah

70

00:03:17,390 --> 00:03:15,390

where a plethora of weird [h\_\_\h]

71

00:03:19,910 --> 00:03:17,400

including UFO sightings have been

72

00:03:22,280 --> 00:03:19,920

reported so what's clear this guy has a

73

00:03:24,440 --> 00:03:22,290

keen interest in the unknown I mean

74

00:03:26,660 --> 00:03:24,450

he'll his aerospace company even Dawn's

75

00:03:28,820 --> 00:03:26,670

a huge alien head on the front of the

76  
00:03:32,330 --> 00:03:28,830  
damn building but when someone with his

77  
00:03:34,580 --> 00:03:32,340  
resources and quirky yet pretty grounded

78  
00:03:37,160 --> 00:03:34,590  
reputation as an entrepreneur is saying

79  
00:03:39,920 --> 00:03:37,170  
that aliens have visited us and are

80  
00:03:42,380 --> 00:03:39,930  
right under our noses you have to wonder

81  
00:03:44,420 --> 00:03:42,390  
if there's any credence to his claims

82  
00:03:46,280 --> 00:03:44,430  
I'm sure if this isn't the last time

83  
00:03:48,620 --> 00:03:46,290  
we're going to hear about Bigelow and as

84  
00:03:51,080 --> 00:03:48,630  
many contributions to private space

85  
00:03:54,490 --> 00:03:51,090  
exploration but when we get any more

86  
00:03:57,320 --> 00:03:54,500  
talk of alien visitation and if so any

87  
00:04:00,470 --> 00:03:57,330  
evidence or proof just like Bigelow's

88  
00:04:01,040 --> 00:04:00,480

hopes to build hotels in space only time

89

00:04:03,560 --> 00:04:01,050

will tell

90

00:04:06,620 --> 00:04:03,570

No without further ado here's our

91

00:04:09,500 --> 00:04:06,630

interview with Jane Kyle thank you for

92

00:04:11,810 --> 00:04:09,510

joining us today Jane thank you it is so

93

00:04:13,880 --> 00:04:11,820

awesome to be on your show and I really

94

00:04:16,910 --> 00:04:13,890

appreciate you having me on our pleasure

95

00:04:19,250 --> 00:04:16,920

for sure so everyone is always you know

96

00:04:21,200 --> 00:04:19,260

curious how someone how someone gets

97

00:04:23,300 --> 00:04:21,210

involved with these topics especially

98

00:04:26,030 --> 00:04:23,310

you follow jeans the first question I'm

99

00:04:27,800 --> 00:04:26,040

always asked when I'm on shows so can

100

00:04:30,260 --> 00:04:27,810

you tell us a little bit about how did

101  
00:04:31,790 --> 00:04:30,270  
you get involved with the field of UFO

102  
00:04:34,970 --> 00:04:31,800  
studies how does this happen

103  
00:04:37,640 --> 00:04:34,980  
yes it's always a good question in this

104  
00:04:41,450 --> 00:04:37,650  
world I think I mean to certain I think

105  
00:04:43,850 --> 00:04:41,460  
I just grew up very open to everything I

106  
00:04:46,730 --> 00:04:43,860  
had a very active imagination I just

107  
00:04:49,610 --> 00:04:46,740  
followed my imagination wherever it left

108  
00:04:51,260 --> 00:04:49,620  
me but really UFOs and aliens have sort

109  
00:04:54,080 --> 00:04:51,270  
of remained in the fiction books and

110  
00:04:58,340 --> 00:04:54,090  
movies and I hadn't really thought to

111  
00:05:01,130 --> 00:04:58,350  
look into it too much but then I met my

112  
00:05:04,930 --> 00:05:01,140  
husband well then you know boyfriend at

113  
00:05:07,010 --> 00:05:04,940

the time in 2007 and he had grown up

114

00:05:10,070 --> 00:05:07,020

researching this sort of finding himself

115

00:05:11,630 --> 00:05:10,080

attracted to those books that nobody

116

00:05:14,150 --> 00:05:11,640

else was reading you know at the

117

00:05:16,340 --> 00:05:14,160

bookstore in the library and so he

118

00:05:18,470 --> 00:05:16,350

pretty much an expert on all of this but

119

00:05:20,390 --> 00:05:18,480

he's not the type to go and talk about

120

00:05:24,050 --> 00:05:20,400

it a little thought or write about it I

121

00:05:26,750 --> 00:05:24,060

actually had a journalism degree from UT

122

00:05:29,360 --> 00:05:26,760

Austin and put the copywriter at the

123

00:05:31,250 --> 00:05:29,370

time and so I was once I started

124

00:05:35,450 --> 00:05:31,260

researching it it just you know ended up

125

00:05:37,460 --> 00:05:35,460

online just seemed natural so I ended up

126

00:05:40,280 --> 00:05:37,470

you know putting out online what I was

127

00:05:43,190 --> 00:05:40,290

you know finding an you know out locally

128

00:05:44,930 --> 00:05:43,200

and even regarding national cases and

129

00:05:47,990 --> 00:05:44,940

you know the rest is history I guess

130

00:05:50,210 --> 00:05:48,000

hmm that's really interesting it's

131

00:05:52,460 --> 00:05:50,220

usually you know someone has a sighting

132

00:05:54,170 --> 00:05:52,470

or they're personally interested from

133

00:05:55,970 --> 00:05:54,180

the star but that's pretty cool that you

134

00:05:58,550 --> 00:05:55,980

are kind of like brought introduced into

135

00:06:02,270 --> 00:05:58,560

the world by somebody you don't hear

136

00:06:05,930 --> 00:06:02,280

that often yeah yes I definitely feel

137

00:06:07,870 --> 00:06:05,940

like just me now there were sightings so

138

00:06:10,280 --> 00:06:07,880

it was definitely my husband and that

139

00:06:12,800 --> 00:06:10,290

investigation really online I mean the

140

00:06:16,190 --> 00:06:12,810

Internet's just a gold mine right now

141

00:06:19,100 --> 00:06:16,200

and and has been for a while but I don't

142

00:06:22,160 --> 00:06:19,110

know if you remember 2011 was kind of a

143

00:06:25,610 --> 00:06:22,170

crazy year for UFO sightings there was

144

00:06:28,520 --> 00:06:25,620

the Jerusalem yobbo which you know many

145

00:06:30,230 --> 00:06:28,530

people some people mean it was almost a

146

00:06:33,110 --> 00:06:30,240

household name at the time some people

147

00:06:35,690 --> 00:06:33,120

might be familiar with that UFO that

148

00:06:38,090 --> 00:06:35,700

appeared over the Temple in Jerusalem it

149

00:06:40,700 --> 00:06:38,100

was largely debunked a bunch of videos

150

00:06:43,370 --> 00:06:40,710

came out showing appearing to show the

151  
00:06:45,050 --> 00:06:43,380  
same thing but we're clearly fake sort

152  
00:06:47,180 --> 00:06:45,060  
of competing with the original footage

153  
00:06:49,550 --> 00:06:47,190  
which was harder to debunk it was just

154  
00:06:52,670 --> 00:06:49,560  
one strangest event

155  
00:06:54,620 --> 00:06:52,680  
strangest series of reports I ever saw

156  
00:06:57,140 --> 00:06:54,630  
and it just I still to this day

157  
00:06:59,330 --> 00:06:57,150  
don't know what that UFO was real but it

158  
00:07:01,700 --> 00:06:59,340  
just it intrigued me how much it seemed

159  
00:07:05,030 --> 00:07:01,710  
to be covered up and how important story

160  
00:07:10,100 --> 00:07:05,040  
seemed to be to people similarly it was

161  
00:07:13,340 --> 00:07:10,110  
was it 2011 March the Japan earthquake

162  
00:07:17,600 --> 00:07:13,350  
and disaster yes pretty much there were

163  
00:07:19,670 --> 00:07:17,610

a number of UFO or that were captured by

164

00:07:22,159 --> 00:07:19,680

local news cameras you know before

165

00:07:24,260 --> 00:07:22,169

during and after that you know horrific

166

00:07:27,800 --> 00:07:24,270

natural disaster you know or if they

167

00:07:30,740 --> 00:07:27,810

mean to dance or even seem to survey

168

00:07:33,920 --> 00:07:30,750

the [h\_\_\h] flooding and all that and I saw

169

00:07:38,210 --> 00:07:33,930

a lot of that footage and similarly had

170

00:07:42,500 --> 00:07:38,220

also watched relate to that live earth

171

00:07:45,020 --> 00:07:42,510

clamp that earthquake can and I think to

172

00:07:47,720 --> 00:07:45,030

this day if you're lucky on a good day

173

00:07:50,060 --> 00:07:47,730

you'll see these lights glowing over

174

00:07:53,659 --> 00:07:50,070

sorry in our earthquake cams volcano

175

00:07:55,310 --> 00:07:53,669

cams let's be wrong natural disaster

176

00:08:00,230 --> 00:07:55,320

it's predict earthquakes you know that

177

00:08:03,770 --> 00:08:00,240

much in advance of all can you know just

178

00:08:05,510 --> 00:08:03,780

over volcanoes not erupting you know

179

00:08:08,030 --> 00:08:05,520

volcano is just sitting there lights

180

00:08:09,740 --> 00:08:08,040

going in and out and and just totally

181

00:08:12,140 --> 00:08:09,750

you can't explain them and I saw that

182

00:08:14,450 --> 00:08:12,150

with my own two eyes so between this

183

00:08:16,850 --> 00:08:14,460

sort of strange phenomena where we see

184

00:08:20,150 --> 00:08:16,860

or with these little light orbs that see

185

00:08:23,659 --> 00:08:20,160

maybe intelligence definitely was

186

00:08:25,760 --> 00:08:23,669

affected me quite deeply in 2012 was

187

00:08:28,340 --> 00:08:25,770

actually when I officially started

188

00:08:30,230 --> 00:08:28,350

Texas UFOs calm you know documenting

189

00:08:32,060 --> 00:08:30,240

local sightings and national sightings

190

00:08:34,250 --> 00:08:32,070

so there were definitely events you know

191

00:08:36,200 --> 00:08:34,260

once I was aware that this was happening

192

00:08:38,450 --> 00:08:36,210

and following things you know there were

193

00:08:41,510 --> 00:08:38,460

definitely sightings that just totally

194

00:08:43,459 --> 00:08:41,520

won me over for sure awesome okay so you

195

00:08:45,650 --> 00:08:43,469

you have seen them with your your own

196

00:08:49,010 --> 00:08:45,660

two eyes I like hearing that for sure

197

00:08:53,720 --> 00:08:49,020

I don't know if it can you know on on

198

00:08:55,730 --> 00:08:53,730

this screen the closest as I've got what

199

00:08:58,930 --> 00:08:55,740

Kelly that first one is engine well in

200

00:09:01,130 --> 00:08:58,940

that same vein train is there one case

201

00:09:02,780 --> 00:09:01,140

there's definitely one for me

202

00:09:05,600 --> 00:09:02,790

I won't register it now I don't want it

203

00:09:07,550 --> 00:09:05,610

to influence your decision but is there

204

00:09:10,640 --> 00:09:07,560

one case that always intrigued you or

205

00:09:14,449 --> 00:09:10,650

drove you to become a UFO researcher

206

00:09:17,900 --> 00:09:14,459

officially in 2012 yeah so I think yes I

207

00:09:20,990 --> 00:09:17,910

mean the Jerusalem UFO the Japan UFOs

208

00:09:23,150 --> 00:09:21,000

during the earthquake disaster which in

209

00:09:26,269 --> 00:09:23,160

Fukushima which all of course happened

210

00:09:27,740 --> 00:09:26,279

in the 2011 the more recent ones but I

211

00:09:30,140 --> 00:09:27,750

think even going back to the more

212

00:09:32,900 --> 00:09:30,150

well-documented cases the Phoenix light

213

00:09:35,540 --> 00:09:32,910

for sure and I think a lot of people

214

00:09:37,130 --> 00:09:35,550

probably feel that way it's even what a

215

00:09:40,390 --> 00:09:37,140

case that's more known in the mainstream

216

00:09:42,910 --> 00:09:40,400

now you know this is gigantic

217

00:09:45,220 --> 00:09:42,920

laughs triangle-shaped but so large too

218

00:09:47,890 --> 00:09:45,230

is even I think cards totally determine

219

00:09:51,370 --> 00:09:47,900

the shape of it that was documented over

220

00:09:53,380 --> 00:09:51,380

Arizona and 1997 I believe and I was

221

00:09:56,800 --> 00:09:53,390

just such a well documented case it

222

00:09:58,660 --> 00:09:56,810

ended up being under bumped at the time

223

00:10:00,460 --> 00:09:58,670

you know local officials were saying

224

00:10:03,340 --> 00:10:00,470

don't even remember what the explanation

225

00:10:05,920 --> 00:10:03,350

was maybe a military craft with flares

226

00:10:07,990 --> 00:10:05,930

or something you know we would hear that

227

00:10:11,260 --> 00:10:08,000

a lot but then later you know that was

228

00:10:14,050 --> 00:10:11,270

retracted so that that case for sure

229

00:10:15,490 --> 00:10:14,060

definitely caught my eye and made me

230

00:10:18,280 --> 00:10:15,500

think differently about this whole

231

00:10:20,230 --> 00:10:18,290

subject oh yeah just a fascinating case

232

00:10:22,210 --> 00:10:20,240

you know I've met so many of the actual

233

00:10:24,850 --> 00:10:22,220

witnesses to that event one of my

234

00:10:26,800 --> 00:10:24,860

co-hosts included on another podcast I

235

00:10:30,640 --> 00:10:26,810

do saw the Phoenix lights so right there

236

00:10:32,740 --> 00:10:30,650

like we have first-hand testimony for

237

00:10:34,390 --> 00:10:32,750

this pass which i think is essential you

238

00:10:36,130 --> 00:10:34,400

know I'm sure you've spoken to many

239

00:10:37,750 --> 00:10:36,140

individuals who have seen things and

240

00:10:39,880 --> 00:10:37,760

that's very important that we have

241

00:10:42,130 --> 00:10:39,890

living and breathing witnesses so many

242

00:10:44,800 --> 00:10:42,140

of these cases like Roswell everyone

243

00:10:48,070 --> 00:10:44,810

that originally was involved is gone now

244

00:10:50,320 --> 00:10:48,080

so that just that already and it taints

245

00:10:52,180 --> 00:10:50,330

the case and it's just a race with the

246

00:10:54,940 --> 00:10:52,190

Undertaker at that point though it's

247

00:10:59,050 --> 00:10:54,950

exciting to know that 1997 isn't too far

248

00:11:00,940 --> 00:10:59,060

off we're right right is one of the more

249

00:11:02,500 --> 00:11:00,950

recent amazing cases where we can

250

00:11:05,890 --> 00:11:02,510

actually talk to living witness because

251  
00:11:07,870 --> 00:11:05,900  
ya know in terms of those researching

252  
00:11:10,270 --> 00:11:07,880  
that and interviewing witnesses are

253  
00:11:12,670 --> 00:11:10,280  
there any researchers or individuals

254  
00:11:14,920 --> 00:11:12,680  
that have really sort of fueled your

255  
00:11:17,280 --> 00:11:14,930  
work and if so what about them or their

256  
00:11:21,370 --> 00:11:17,290  
approach do you find most I guess

257  
00:11:24,070 --> 00:11:21,380  
interesting or inspiring right so I mean

258  
00:11:27,160 --> 00:11:24,080  
it's really hard for me not to say Linda

259  
00:11:29,320 --> 00:11:27,170  
Moulton Howe yes right yeah off the top

260  
00:11:33,130 --> 00:11:29,330  
of my head I've always left her delivery

261  
00:11:35,020 --> 00:11:33,140  
and her dedication to her sources and as

262  
00:11:37,330 --> 00:11:35,030  
fantastical some of the things you know

263  
00:11:40,210 --> 00:11:37,340

conclusion she's come to over the years

264

00:11:42,880 --> 00:11:40,220

she always is so good at coming at it

265

00:11:45,600 --> 00:11:42,890

from really a scientific objective

266

00:11:48,100 --> 00:11:45,610

perspective and I think she just gives

267

00:11:50,500 --> 00:11:48,110

witnesses the forum that they deserve

268

00:11:51,940 --> 00:11:50,510

and so I've always really admired her

269

00:11:53,800 --> 00:11:51,950

you know her being a woman I think

270

00:11:54,100 --> 00:11:53,810

that's definitely part of it but what

271

00:11:56,800 --> 00:11:54,110

was

272

00:11:59,829 --> 00:11:56,810

great as I got to see her at I got to

273

00:12:02,380 --> 00:11:59,839

see her speak at a lien con mmm okay

274

00:12:06,130 --> 00:12:02,390

yeah which is really it also basically

275

00:12:10,870 --> 00:12:06,140

put on the cosmic on helped to put it on

276

00:12:13,360 --> 00:12:10,880

but as you know the ancient aliens oh so

277

00:12:15,340 --> 00:12:13,370

it was a great event and she spoke there

278

00:12:17,920 --> 00:12:15,350

and she signed a million and a half

279

00:12:20,079 --> 00:12:17,930

autograph I'm sitting there was her

280

00:12:23,650 --> 00:12:20,089

trying to get her from event event and

281

00:12:25,930 --> 00:12:23,660

she would just linger and to try to sign

282

00:12:27,730 --> 00:12:25,940

as many more autographs as she could and

283

00:12:29,680 --> 00:12:27,740

she was just she was one of the most

284

00:12:32,019 --> 00:12:29,690

prominent people at that event you know

285

00:12:34,960 --> 00:12:32,029

just speaking constantly so she just has

286

00:12:37,509 --> 00:12:34,970

so much energy and passion to this day

287

00:12:41,019 --> 00:12:37,519

to have so much passion still yeah after

288

00:12:43,660 --> 00:12:41,029

all these years for this subject matter

289

00:12:45,160 --> 00:12:43,670

I think is super admirable there's a lot

290

00:12:47,470 --> 00:12:45,170

of great voices out there but she

291

00:12:50,139 --> 00:12:47,480

definitely stands out that's awesome

292

00:12:51,610 --> 00:12:50,149

yeah she she really is just such a ball

293

00:12:53,620 --> 00:12:51,620

of energy and I think that's very

294

00:12:55,960 --> 00:12:53,630

important when it comes to a being a

295

00:12:58,540 --> 00:12:55,970

journalist in this topic and B being a

296

00:13:00,939 --> 00:12:58,550

UFO researcher like you said these these

297

00:13:03,310 --> 00:13:00,949

older researchers they're so burned out

298

00:13:05,710 --> 00:13:03,320

I've had so many of them come up to me

299

00:13:08,500 --> 00:13:05,720

and say like I'm I'm done dude like I'm

300

00:13:10,120 --> 00:13:08,510

exhausted I I don't feel like I've

301

00:13:12,579 --> 00:13:10,130

gotten to where I want to I haven't

302

00:13:14,530 --> 00:13:12,589

found any answers but they're excited to

303

00:13:16,750 --> 00:13:14,540

see younger people involved because

304

00:13:18,819 --> 00:13:16,760

that's almost like them passing the

305

00:13:21,189 --> 00:13:18,829

torch and be like okay now you try to

306

00:13:24,630 --> 00:13:21,199

unravel this you know thousand year old

307

00:13:27,579 --> 00:13:24,640

mystery if we take a generic

308

00:13:29,740 --> 00:13:27,589

incineration right exactly

309

00:13:31,480 --> 00:13:29,750

Jade I want to move to your neck of the

310

00:13:33,550 --> 00:13:31,490

woods actually right now being that you

311

00:13:35,500 --> 00:13:33,560

are based out of Texas I want to cover a

312

00:13:38,170 --> 00:13:35,510

couple of the famous incidents in your

313

00:13:38,680 --> 00:13:38,180

area and you have a lot which is really

314

00:13:40,810 --> 00:13:38,690

cool

315

00:13:43,300 --> 00:13:40,820

one of the most credible modern UFO

316

00:13:45,699 --> 00:13:43,310

cases was the Stevensville lights

317

00:13:47,980 --> 00:13:45,709

someone asked me recently like what is

318

00:13:50,199 --> 00:13:47,990

the one case that you can point people

319

00:13:52,329 --> 00:13:50,209

to that's happened in the last like ten

320

00:13:55,150 --> 00:13:52,339

years so could you tell us a little bit

321

00:13:57,639 --> 00:13:55,160

about the Stevensville lights and where

322

00:14:00,280 --> 00:13:57,649

you think it stands today is a UFO case

323

00:14:02,290 --> 00:14:00,290

yes absolutely so yeah that is

324

00:14:04,540 --> 00:14:02,300

definitely that's right up there with

325

00:14:05,920 --> 00:14:04,550

the Phoenix like lights as far as you

326

00:14:07,420 --> 00:14:05,930

know is a similar type of sighting a

327

00:14:10,600 --> 00:14:07,430

large

328

00:14:14,050 --> 00:14:10,610

crafts we can presume with you know

329

00:14:17,620 --> 00:14:14,060

bright lights seen by the masses and

330

00:14:21,910 --> 00:14:17,630

Stephenville Texas in 2008 it was also

331

00:14:24,340 --> 00:14:21,920

similarly debunked way as a craft with

332

00:14:26,650 --> 00:14:24,350

flares yes um you know like the Phoenix

333

00:14:28,810 --> 00:14:26,660

like you can find a trail of those

334

00:14:31,030 --> 00:14:28,820

articles but then in more recent years

335

00:14:33,490 --> 00:14:31,040

you know witnesses keep coming forward

336

00:14:35,290 --> 00:14:33,500

this is a more recent sighting again you

337

00:14:37,600 --> 00:14:35,300

know unlike Roswell where we have plenty

338

00:14:40,300 --> 00:14:37,610

of living witnesses and there was even

339

00:14:42,820 --> 00:14:40,310

ray our evidence I believe that confirms

340

00:14:44,800 --> 00:14:42,830

the craft and even suggested that it was

341

00:14:47,889 --> 00:14:44,810

heading toward I think then President

342

00:14:49,990 --> 00:14:47,899

George Bush's ranch and prospectus oh I

343

00:14:52,600 --> 00:14:50,000

didn't know that yeah I remember that

344

00:14:55,540 --> 00:14:52,610

actually being widely circulated at the

345

00:14:58,269 --> 00:14:55,550

time but what it's kind of spooky is I

346

00:14:59,829 --> 00:14:58,279

was looking into this again recently

347

00:15:01,600 --> 00:14:59,839

because I do still get we still get

348

00:15:05,050 --> 00:15:01,610

sightings out of Stephenville you know

349

00:15:07,510 --> 00:15:05,060

of bright strange lights and things but

350

00:15:09,610 --> 00:15:07,520

it's actually really it's increasingly

351

00:15:11,829 --> 00:15:09,620

hard to find the Stephenville light

352

00:15:14,920 --> 00:15:11,839

story online and I would guess that all

353

00:15:16,780 --> 00:15:14,930

your listeners go out and try because I

354

00:15:19,120 --> 00:15:16,790

was I can't there used to be a site

355

00:15:21,790 --> 00:15:19,130

dedicated to the phenomenon and it

356

00:15:24,430 --> 00:15:21,800

appears it's not around anymore it's

357

00:15:26,410 --> 00:15:24,440

hard to find and some of these stories

358

00:15:28,420 --> 00:15:26,420

and it's really easy to find some of the

359

00:15:31,660 --> 00:15:28,430

older articles that debunked it I

360

00:15:34,000 --> 00:15:31,670

thought that was a little spooky yeah so

361

00:15:35,650 --> 00:15:34,010

hopefully that's just a little blip but

362

00:15:37,329 --> 00:15:35,660

so I was you know I don't really know

363

00:15:40,000 --> 00:15:37,339

what's currently going on with it right

364

00:15:42,850 --> 00:15:40,010

now or where everything stands right now

365

00:15:44,530 --> 00:15:42,860

it doesn't appear to be clear right well

366

00:15:46,900 --> 00:15:44,540

that's I mean that's a good point too a

367

00:15:48,640 --> 00:15:46,910

lot of the a lot of UFO cases there's no

368

00:15:51,100 --> 00:15:48,650

follow up you know even if the

369

00:15:54,610 --> 00:15:51,110

mainstream media covers an event there's

370

00:15:56,769 --> 00:15:54,620

their five-minute you know segment fluff

371

00:15:58,780 --> 00:15:56,779

piece as it were and then we never hear

372

00:16:01,569 --> 00:15:58,790

about it again and you got a wonder is

373

00:16:04,030 --> 00:16:01,579

this is this on purpose or are they just

374

00:16:07,199 --> 00:16:04,040

not you know responsible journalists and

375

00:16:11,190 --> 00:16:07,209

broadcasters ourselves you are eating a

376

00:16:14,380 --> 00:16:11,200

very persistent pattern and the more

377

00:16:17,680 --> 00:16:14,390

compares more compelling cases the more

378

00:16:19,480 --> 00:16:17,690

witnesses the more documentation the

379

00:16:20,329 --> 00:16:19,490

less you end up hearing about it over

380

00:16:24,139 --> 00:16:20,339

time

381

00:16:25,429 --> 00:16:24,149

heresy maybe oh yeah I just have to make

382

00:16:28,730 --> 00:16:25,439

up our minds

383

00:16:31,429 --> 00:16:28,740

exactly well another famous case is cash

384

00:16:34,059 --> 00:16:31,439

Landrum this is one of the few UFO cases

385

00:16:36,379 --> 00:16:34,069

that actually involved physical ailments

386

00:16:38,600 --> 00:16:36,389

possibly due to the aftermath of a case

387

00:16:41,900 --> 00:16:38,610

and the US government was involved too

388

00:16:45,170 --> 00:16:41,910

from what I remember um do you do you

389

00:16:46,970 --> 00:16:45,180

have any knowledge about this case yeah

390

00:16:49,009 --> 00:16:46,980

what can you tell us so yeah I know I

391

00:16:51,049 --> 00:16:49,019

have not you know spoken to you know

392

00:16:53,059 --> 00:16:51,059

anybody directly involved you know just

393

00:16:56,059 --> 00:16:53,069

really as a researcher you know living

394

00:16:59,840 --> 00:16:56,069

in Texas especially curious right this

395

00:17:02,509 --> 00:16:59,850

is this case happened in 1980 out near

396

00:17:04,819 --> 00:17:02,519

Houston and the Pineywoods so you know

397

00:17:09,769 --> 00:17:04,829

just imagine a trait you know winding

398

00:17:11,840 --> 00:17:09,779

road through Susie woods and Betty cash

399

00:17:14,449 --> 00:17:11,850

and Vickie Landrum were in the car and

400

00:17:17,120 --> 00:17:14,459

then I think it was Vicki ER but I don't

401  
00:17:19,460 --> 00:17:17,130  
recall one of the woman's son younger

402  
00:17:21,710 --> 00:17:19,470  
sons was also in the car with them and

403  
00:17:24,019 --> 00:17:21,720  
they're driving along and they see a

404  
00:17:26,059 --> 00:17:24,029  
strange glowing light in the sky they

405  
00:17:30,110 --> 00:17:26,069  
get out to check it out it gets closer

406  
00:17:32,779 --> 00:17:30,120  
and it appears now as a diamond with the

407  
00:17:35,240 --> 00:17:32,789  
top cutter off so I don't know how you

408  
00:17:38,180 --> 00:17:35,250  
know upside-down pyramid or triangle and

409  
00:17:40,190 --> 00:17:38,190  
they then sort of feel heat from the

410  
00:17:43,310 --> 00:17:40,200  
craft they of course you know get back

411  
00:17:45,590 --> 00:17:43,320  
into the vehicle and as time passes it

412  
00:17:47,990 --> 00:17:45,600  
turns out that they ended up getting

413  
00:17:50,560 --> 00:17:48,000

diagnosed by at least one doctor with

414

00:17:54,080 --> 00:17:50,570

radiation sickness so all the symptoms

415

00:17:56,810 --> 00:17:54,090

you know hair loss I'm trying to think

416

00:18:01,399 --> 00:17:56,820

you know other I guess classic radiation

417

00:18:03,860 --> 00:18:01,409

sickness symptoms and so these ladies

418

00:18:06,080 --> 00:18:03,870

actually ended up suing the US

419

00:18:07,610 --> 00:18:06,090

government I guess proposing it was

420

00:18:11,120 --> 00:18:07,620

their craft

421

00:18:13,430 --> 00:18:11,130

for these these physical ailments now

422

00:18:17,269 --> 00:18:13,440

one party to leave out about their

423

00:18:19,700 --> 00:18:17,279

sighting is the craft before they got in

424

00:18:21,260 --> 00:18:19,710

the car the craft took off and was then

425

00:18:25,070 --> 00:18:21,270

joined by a bunch of helicopters

426

00:18:27,769 --> 00:18:25,080

yeah yes so this is again there's photos

427

00:18:30,350 --> 00:18:27,779

it's well documented there's even been

428

00:18:32,990 --> 00:18:30,360

series more recently that this was a

429

00:18:33,460 --> 00:18:33,000

government craft and that indeed you

430

00:18:37,480 --> 00:18:33,470

know they

431

00:18:40,390 --> 00:18:37,490

should pay out to the victims that yeah

432

00:18:42,750 --> 00:18:40,400

that's a truly fascinating case and

433

00:18:46,690 --> 00:18:42,760

there are other cases where people

434

00:18:49,630 --> 00:18:46,700

report heat and illness you know after

435

00:18:51,909 --> 00:18:49,640

sighting even the well sci-fi film Close

436

00:18:55,029 --> 00:18:51,919

Encounters of the Third Kind is be

437

00:18:56,620 --> 00:18:55,039

eerily similar to this 1980 incident you

438

00:18:58,510 --> 00:18:56,630

know that happened you know more than a

439

00:19:01,630 --> 00:18:58,520

decade after or about a decade after

440

00:19:03,250 --> 00:19:01,640

that movie came out yeah and like you

441

00:19:05,919 --> 00:19:03,260

mentioned trace evidence is very

442

00:19:08,919 --> 00:19:05,929

important when it comes to a proper UFO

443

00:19:11,740 --> 00:19:08,929

investigation it sometimes it's that

444

00:19:13,870 --> 00:19:11,750

that's almost our smoking gun like hey

445

00:19:16,299 --> 00:19:13,880

look at Jael and hynek's like Close

446

00:19:18,430 --> 00:19:16,309

Encounters spectrum from like lights in

447

00:19:21,340 --> 00:19:18,440

the sky up to like abduction or whatever

448

00:19:23,799 --> 00:19:21,350

this is like teetering towards the other

449

00:19:26,529 --> 00:19:23,809

side I mean we actually have someone

450

00:19:29,620 --> 00:19:26,539

being affected physically by an event I

451

00:19:31,270 --> 00:19:29,630

think this this will always remain one

452

00:19:34,510 --> 00:19:31,280

of the most important cases seventh out

453

00:19:36,730 --> 00:19:34,520

of Texas in my opinion oh yes I have an

454

00:19:38,919 --> 00:19:36,740

article somewhere on this site about

455

00:19:41,620 --> 00:19:38,929

eating of the top sightings in Texas and

456

00:19:44,440 --> 00:19:41,630

this was the very first one that came to

457

00:19:47,380 --> 00:19:44,450

mind and I know the young boy is still

458

00:19:49,120 --> 00:19:47,390

speaking about the event I didn't know I

459

00:19:52,090 --> 00:19:49,130

would love to hear what he said about it

460

00:19:54,430 --> 00:19:52,100

yeah I he may still be in your in your

461

00:19:57,039 --> 00:19:54,440

neck of the woods I'm not sure but up

462

00:19:59,169 --> 00:19:57,049

yeah he's recently come forward to talk

463

00:20:02,070 --> 00:19:59,179

about it pretty tight-lipped but he is

464

00:20:04,690 --> 00:20:02,080

really descent command of it yeah yeah

465

00:20:06,370 --> 00:20:04,700

you got a wonder maybe he was the one to

466

00:20:08,799 --> 00:20:06,380

finally get paid off by the government

467

00:20:11,500 --> 00:20:08,809

who knows I mean I think after a certain

468

00:20:13,149 --> 00:20:11,510

amount of time passes you know the truth

469

00:20:16,419 --> 00:20:13,159

it's like you have this limited window

470

00:20:19,000 --> 00:20:16,429

to really investigate and then you know

471

00:20:20,590 --> 00:20:19,010

who knows how the story gets spun or

472

00:20:23,799 --> 00:20:20,600

what people convince themselves you know

473

00:20:25,390 --> 00:20:23,809

over time so exactly Ricky well moving

474

00:20:27,100 --> 00:20:25,400

away from the famous cases I want to

475

00:20:29,169 --> 00:20:27,110

talk about some of these really cool

476  
00:20:33,250 --> 00:20:29,179  
cases that you've personally research

477  
00:20:34,840 --> 00:20:33,260  
one of those was in 2014 in Houston

478  
00:20:38,200 --> 00:20:34,850  
could you tell us a little bit about the

479  
00:20:40,770 --> 00:20:38,210  
ring of light and what what this is this

480  
00:20:45,130 --> 00:20:40,780  
is pretty interesting yeah this is the

481  
00:20:47,350 --> 00:20:45,140  
weirdest thing in August 2014 and I

482  
00:20:49,630 --> 00:20:47,360  
think there were reports sort of going

483  
00:20:52,690 --> 00:20:49,640  
into the fall maybe as late as November

484  
00:20:55,830 --> 00:20:52,700  
but really just that time period and in

485  
00:20:58,450 --> 00:20:55,840  
Houston Texas there was a series of

486  
00:21:00,160 --> 00:20:58,460  
sightings of this ring of light just

487  
00:21:01,630 --> 00:21:00,170  
sitting up there and hovering in the

488  
00:21:04,480 --> 00:21:01,640

night sky was just witnessed report

489

00:21:06,669 --> 00:21:04,490

after witness report photos videos it

490

00:21:09,760 --> 00:21:06,679

was the strangest thing and there were

491

00:21:11,950 --> 00:21:09,770

no doubt some photos of street lamps

492

00:21:14,200 --> 00:21:11,960

that did get into the mix I mean it was

493

00:21:16,270 --> 00:21:14,210

such a mass sighting it was getting so

494

00:21:19,120 --> 00:21:16,280

much attention even local even in the

495

00:21:21,909 --> 00:21:19,130

local news outlets not just in UFO sites

496

00:21:24,370 --> 00:21:21,919

like mine I mean I'm glad to break

497

00:21:26,350 --> 00:21:24,380

stories like this you know for sure but

498

00:21:28,780 --> 00:21:26,360

this you know made it to the the local

499

00:21:30,580 --> 00:21:28,790

news as well so you know some people did

500

00:21:34,539 --> 00:21:30,590

I think you know see a street lamp and

501  
00:21:36,610 --> 00:21:34,549  
you know excited as we do happen right

502  
00:21:39,010 --> 00:21:36,620  
right right it's just just natural but

503  
00:21:41,530 --> 00:21:39,020  
it definitely occurred and like we were

504  
00:21:43,810 --> 00:21:41,540  
just talking about that started you know

505  
00:21:47,260 --> 00:21:43,820  
the reports came in it was never really

506  
00:21:50,440 --> 00:21:47,270  
debunked and then just nothing just no

507  
00:21:53,200 --> 00:21:50,450  
follow-up nothing so to this day I don't

508  
00:21:56,530 --> 00:21:53,210  
know what was going on in Houston at the

509  
00:22:00,510 --> 00:21:56,540  
time but it definitely happened yeah I

510  
00:22:03,130 --> 00:22:00,520  
have no doubt um well another

511  
00:22:05,830 --> 00:22:03,140  
interesting phenomena happening in Texas

512  
00:22:08,140 --> 00:22:05,840  
and a few other places I've been hearing

513  
00:22:11,590 --> 00:22:08,150

about this a lot lately this is like

514

00:22:13,330 --> 00:22:11,600

kind of a new millennial phenomena that

515

00:22:16,120 --> 00:22:13,340

seems to be happening this is the

516

00:22:18,210 --> 00:22:16,130

humming noise and this terrifies me

517

00:22:20,680 --> 00:22:18,220

first of all there's like these biblical

518

00:22:22,720 --> 00:22:20,690

images that come into my mind of like

519

00:22:25,600 --> 00:22:22,730

the end of times when I hear about this

520

00:22:27,700 --> 00:22:25,610

could you describe this phenomenon to us

521

00:22:30,570 --> 00:22:27,710

Jane the humming noise and what some of

522

00:22:33,150 --> 00:22:30,580

these reports consisted of out of Texas

523

00:22:35,680 --> 00:22:33,160

yes the sounds is the apocalypse

524

00:22:38,740 --> 00:22:35,690

Olympics oh yeah so there was definitely

525

00:22:41,169 --> 00:22:38,750

a worldwide phenomenon I don't even know

526

00:22:43,539 --> 00:22:41,179

exactly the year be interesting if it

527

00:22:48,190 --> 00:22:43,549

was 2011 I want to say it kind of was

528

00:22:49,600 --> 00:22:48,200

2011 2012 said this worldwide phenomenon

529

00:22:52,060 --> 00:22:49,610

really started happening where people

530

00:22:55,480 --> 00:22:52,070

you're in he's almost like howling

531

00:22:58,419 --> 00:22:55,490

noises or rumbling sound or yes very

532

00:23:00,880 --> 00:22:58,429

much in almost trumpeting but the more

533

00:23:02,320 --> 00:23:00,890

the more well documented on

534

00:23:05,049 --> 00:23:02,330

phenomenons a little bit less dramatic

535

00:23:07,419 --> 00:23:05,059

like that but no less mysterious really

536

00:23:09,250 --> 00:23:07,429

and we we've heard about it and tell

537

00:23:11,950 --> 00:23:09,260

some places like that but it also

538

00:23:15,070 --> 00:23:11,960

appears to be happening in Texas and

539

00:23:17,289 --> 00:23:15,080

I'll just get waves just certain times a

540

00:23:20,490 --> 00:23:17,299

year just these waves of reports of

541

00:23:22,780 --> 00:23:20,500

people hearing this humming noise

542

00:23:25,210 --> 00:23:22,790

sometimes it's described as like this

543

00:23:28,450 --> 00:23:25,220

low rumbling and just like never stopped

544

00:23:30,910 --> 00:23:28,460

though and only certain not everybody

545

00:23:33,820 --> 00:23:30,920

hears it for in some cases it's driving

546

00:23:36,880 --> 00:23:33,830

them crazy and they tried to diagnosis

547

00:23:39,130 --> 00:23:36,890

as tinnitus which is you know the

548

00:23:42,100 --> 00:23:39,140

ringing or the hump you know humming in

549

00:23:44,289 --> 00:23:42,110

your ear but have you no figured out you

550

00:23:45,760 --> 00:23:44,299

know right with other people hearing it

551  
00:23:47,799 --> 00:23:45,770  
as well that it really is you know

552  
00:23:50,919 --> 00:23:47,809  
occurring there's been people have

553  
00:23:52,900 --> 00:23:50,929  
uploaded videos of this sound again it's

554  
00:23:55,090 --> 00:23:52,910  
definitely a real phenomenon it's hard

555  
00:23:57,909 --> 00:23:55,100  
to say if it's connected to the

556  
00:23:59,799 --> 00:23:57,919  
worldwide event you know sounds that

557  
00:24:04,450 --> 00:23:59,809  
we're here I was doing some research

558  
00:24:06,730 --> 00:24:04,460  
into this recently and a lot of people

559  
00:24:09,250 --> 00:24:06,740  
have suggested all kinds of theories it

560  
00:24:12,159 --> 00:24:09,260  
could be related to sink holder

561  
00:24:15,190 --> 00:24:12,169  
earthquake right right something natural

562  
00:24:17,950 --> 00:24:15,200  
right yeah or even I've heard the theory

563  
00:24:22,360 --> 00:24:17,960

of fish say a certain species of fish

564

00:24:25,230 --> 00:24:22,370

that emits this this noise okay yeah and

565

00:24:28,330 --> 00:24:25,240

then of course you know large spaceship

566

00:24:31,390 --> 00:24:28,340

very well could be I'm gonna go with the

567

00:24:33,720 --> 00:24:31,400

fish me sounds yes I was much prefer it

568

00:24:36,970 --> 00:24:33,730

to be fish that's a little less scary

569

00:24:39,850 --> 00:24:36,980

well this brings up an interesting point

570

00:24:41,470 --> 00:24:39,860

Ujjain like this idea of like one person

571

00:24:43,810 --> 00:24:41,480

hearing something and then everyone

572

00:24:46,930 --> 00:24:43,820

hearing it we hear this a lot in the UFO

573

00:24:49,120 --> 00:24:46,940

field of what a recent author I've been

574

00:24:52,270 --> 00:24:49,130

reading this David Clarke is his name

575

00:24:54,850 --> 00:24:52,280

here he quoted he quoted this term the

576

00:24:56,980 --> 00:24:54,860

UFO syndrome where like one person sees

577

00:24:58,930 --> 00:24:56,990

something and then everyone's influenced

578

00:25:01,750 --> 00:24:58,940

thereafter you know we look at like the

579

00:25:04,120 --> 00:25:01,760

Kenneth Arnold UFO sighting where he did

580

00:25:06,760 --> 00:25:04,130

not see flying saucers he was misquoted

581

00:25:09,340 --> 00:25:06,770

in a paper as seeing saucers and then

582

00:25:11,860 --> 00:25:09,350

that's when everyone saw after that yeah

583

00:25:14,220 --> 00:25:11,870

you have to wonder is this just some

584

00:25:16,020 --> 00:25:14,230

sort of hysteria like one person

585

00:25:17,400 --> 00:25:16,030

would tinnitus heard this and that

586

00:25:19,080 --> 00:25:17,410

everyone claimed to have heard it but

587

00:25:21,660 --> 00:25:19,090

you also mentioned there's like there's

588

00:25:23,100 --> 00:25:21,670

documented video and audio of this but

589

00:25:25,620 --> 00:25:23,110

you do have to wonder like how much

590

00:25:28,260 --> 00:25:25,630

influence witnesses have on one another

591

00:25:31,260 --> 00:25:28,270

in terms of something like this and and

592

00:25:33,510 --> 00:25:31,270

it's connection to UFOs the humming

593

00:25:35,280 --> 00:25:33,520

noise is it's very intriguing and we

594

00:25:37,650 --> 00:25:35,290

have these mystery booms happening

595

00:25:40,020 --> 00:25:37,660

around the world so yeah have you come

596

00:25:40,770 --> 00:25:40,030

across any of those cases at all UFO or

597

00:25:42,690 --> 00:25:40,780

excuse me

598

00:25:45,540 --> 00:25:42,700

mystery booms what's up what an answer

599

00:25:49,830 --> 00:25:45,550

do it gonna start a whole new I know

600

00:25:52,620 --> 00:25:49,840

saying they're hearing us also not as

601  
00:25:54,810 --> 00:25:52,630  
much and I'm sure I feel like I have

602  
00:25:57,480 --> 00:25:54,820  
actually seen maybe some reports like

603  
00:25:59,700 --> 00:25:57,490  
that in Texas more so in other parts of

604  
00:26:02,130 --> 00:25:59,710  
the world and I can't think of specific

605  
00:26:05,160 --> 00:26:02,140  
dates or cities right now but yeah that

606  
00:26:07,230 --> 00:26:05,170  
has definitely been ongoing yeah maybe

607  
00:26:10,710 --> 00:26:07,240  
their propulsion just isn't working

608  
00:26:12,510 --> 00:26:10,720  
correctly yes right we really just keep

609  
00:26:15,000 --> 00:26:12,520  
trying they're trying to escape and they

610  
00:26:17,730 --> 00:26:15,010  
can't okay can't escape our planet

611  
00:26:19,860 --> 00:26:17,740  
there's ships aren't working yeah it's

612  
00:26:23,370 --> 00:26:19,870  
super fascinating and it's kind of funny

613  
00:26:25,380 --> 00:26:23,380

how I end up with all of these I let you

614

00:26:27,720 --> 00:26:25,390

know I fascinated with theory about

615

00:26:29,730 --> 00:26:27,730

aliens and I really tend to believe that

616

00:26:31,380 --> 00:26:29,740

they exist and sorry not to believe that

617

00:26:34,290 --> 00:26:31,390

they visit but for the most part

618

00:26:36,720 --> 00:26:34,300

studying UFOs you end up really you end

619

00:26:38,460 --> 00:26:36,730

up finding a lot about meteors just

620

00:26:40,320 --> 00:26:38,470

different sky phenomenon because the

621

00:26:42,420 --> 00:26:40,330

reason that this ends up on my plate is

622

00:26:44,010 --> 00:26:42,430

because it's associated these sounds

623

00:26:47,460 --> 00:26:44,020

seem like they're coming from the sky

624

00:26:49,740 --> 00:26:47,470

you know in the sky is huge so so much

625

00:26:52,440 --> 00:26:49,750

you know ends up on my plate that I get

626  
00:26:52,860 --> 00:26:52,450  
to investigate and I totally agree with

627  
00:26:55,170 --> 00:26:52,870  
that

628  
00:26:57,780 --> 00:26:55,180  
you know hysteria I think it's just

629  
00:27:00,210 --> 00:26:57,790  
human nature and evitable but one

630  
00:27:03,360 --> 00:27:00,220  
advantage boy I have it I get raw

631  
00:27:06,450 --> 00:27:03,370  
reports from people as they're happening

632  
00:27:07,920 --> 00:27:06,460  
and for the most part when people are

633  
00:27:08,790 --> 00:27:07,930  
reporting some things they're

634  
00:27:11,250 --> 00:27:08,800  
embarrassed

635  
00:27:13,410 --> 00:27:11,260  
they don't nobody else is experiencing

636  
00:27:16,410 --> 00:27:13,420  
it and they want to be kept anonymous

637  
00:27:18,510 --> 00:27:16,420  
they feel that they're alone even as I'm

638  
00:27:20,370 --> 00:27:18,520

sometimes with this humming so that's

639

00:27:23,820 --> 00:27:20,380

not always it's not always the case but

640

00:27:26,010 --> 00:27:23,830

for the most part people don't feel like

641

00:27:27,919 --> 00:27:26,020

they're they feel like it's pretty

642

00:27:30,350 --> 00:27:27,929

unique to them oh yeah

643

00:27:33,379 --> 00:27:30,360

and so it's hard you have to very lend

644

00:27:35,389 --> 00:27:33,389

some authenticity to their experiences I

645

00:27:37,399 --> 00:27:35,399

think that's a wonderful point that raw

646

00:27:38,210 --> 00:27:37,409

data and the fact that people like come

647

00:27:40,509 --> 00:27:38,220

straight to you

648

00:27:42,859 --> 00:27:40,519

that's very integral to being a

649

00:27:46,669 --> 00:27:42,869

researcher you know I've dealt with that

650

00:27:48,320 --> 00:27:46,679

on many occasions where they don't want

651  
00:27:50,570 --> 00:27:48,330  
to talk about it people don't understand

652  
00:27:53,509 --> 00:27:50,580  
that be more like clamoring to come to

653  
00:27:56,149 --> 00:27:53,519  
UFO researchers know we're usually the

654  
00:27:58,789 --> 00:27:56,159  
ones you know trying to pull it out of

655  
00:28:00,980 --> 00:27:58,799  
them and you look at someone like

656  
00:28:03,529 --> 00:28:00,990  
stenting Friedman who gets on stage and

657  
00:28:06,529 --> 00:28:03,539  
asks crowd of like a thousand people you

658  
00:28:07,879 --> 00:28:06,539  
know who's seen a UFO and 90% of the

659  
00:28:10,970 --> 00:28:07,889  
people raise their hand how many people

660  
00:28:13,070 --> 00:28:10,980  
reported it like maybe 20 percent raise

661  
00:28:15,169 --> 00:28:13,080  
their hand so right there there's like

662  
00:28:17,570 --> 00:28:15,179  
80% of the people who've seen something

663  
00:28:18,590 --> 00:28:17,580

but don't report it why why do you think

664

00:28:20,779 --> 00:28:18,600

that is you mentioned they're

665

00:28:22,430 --> 00:28:20,789

embarrassed but is there more to it than

666

00:28:25,759 --> 00:28:22,440

that do you think I think there's an

667

00:28:28,489 --> 00:28:25,769

embarrassment there's a fear and there's

668

00:28:30,590 --> 00:28:28,499

just there's not this there's no public

669

00:28:32,830 --> 00:28:30,600

come really mainstream public

670

00:28:35,419 --> 00:28:32,840

conversation about that nobody feels

671

00:28:37,759 --> 00:28:35,429

encouraged by anywhere to go report

672

00:28:40,970 --> 00:28:37,769

these things you know so it's just

673

00:28:43,039 --> 00:28:40,980

there's it's how do you even do it I

674

00:28:45,169 --> 00:28:43,049

mean there's not even a good you know

675

00:28:46,340 --> 00:28:45,179

you can obviously you know if you see

676  
00:28:48,499 --> 00:28:46,350  
something in Texas anywhere you can go

677  
00:28:50,419 --> 00:28:48,509  
to my site report it to me and I'm going

678  
00:28:52,070 --> 00:28:50,429  
to look at it you know MUFON the place

679  
00:28:53,480 --> 00:28:52,080  
people can report it to but you're not

680  
00:28:54,830 --> 00:28:53,490  
going to know of any of these places off

681  
00:28:56,239 --> 00:28:54,840  
the top of your head if you're just

682  
00:28:58,669 --> 00:28:56,249  
going along your way and see something

683  
00:28:59,960 --> 00:28:58,679  
like this I think people do talk about

684  
00:29:02,389 --> 00:28:59,970  
it with their friends and family and

685  
00:29:05,899 --> 00:29:02,399  
maybe they get kind of shut down or

686  
00:29:08,210 --> 00:29:05,909  
laughed at and just leave it at that

687  
00:29:11,509 --> 00:29:08,220  
yeah it's but people do report

688  
00:29:13,369 --> 00:29:11,519

anonymously there are oh my gosh so

689

00:29:16,070 --> 00:29:13,379

there's constant reports going into that

690

00:29:18,889 --> 00:29:16,080

are flooded into the MUFON database most

691

00:29:20,869 --> 00:29:18,899

of them really don't get seen you know

692

00:29:22,940 --> 00:29:20,879

the light of day they might show up on a

693

00:29:24,980 --> 00:29:22,950

site that sort of feeding reports but

694

00:29:27,619 --> 00:29:24,990

that's pretty much you know all the

695

00:29:29,899 --> 00:29:27,629

action will get like you know how do I

696

00:29:32,509 --> 00:29:29,909

get reports constantly so as we were

697

00:29:34,789 --> 00:29:32,519

saying like how to know objectively well

698

00:29:36,889 --> 00:29:34,799

if I get five reports in a month I'm

699

00:29:39,379 --> 00:29:36,899

probably I might be exaggerating about a

700

00:29:40,760 --> 00:29:39,389

home from five different people you know

701

00:29:42,470 --> 00:29:40,770

days this month yes

702

00:29:44,300 --> 00:29:42,480

I can probably gather that there's

703

00:29:46,220 --> 00:29:44,310

something to that versus you know one

704

00:29:49,430 --> 00:29:46,230

random one although there is a huge

705

00:29:52,640 --> 00:29:49,440

stigma it is it is out there it's almost

706

00:29:55,520 --> 00:29:52,650

so numerous but it makes it difficult

707

00:29:58,190 --> 00:29:55,530

actually define you know the better

708

00:30:01,580 --> 00:29:58,200

cases I would say that's it's a problem

709

00:30:04,430 --> 00:30:01,590

actually yeah I imagine it's like a

710

00:30:06,740 --> 00:30:04,440

needle in a haystack trying to find

711

00:30:08,660 --> 00:30:06,750

something worth investigating usually

712

00:30:12,050 --> 00:30:08,670

well another one you investigated was

713

00:30:15,230 --> 00:30:12,060

this was in Georgetown Texas and this

714

00:30:17,810 --> 00:30:15,240

was of a let me get this straight it was

715

00:30:19,670 --> 00:30:17,820

a Pentagon shaped craft no this is this

716

00:30:22,130 --> 00:30:19,680

is a shape I've never heard of in terms

717

00:30:25,640 --> 00:30:22,140

of UFO reports we've got diamonds

718

00:30:28,520 --> 00:30:25,650

triangles saucers cigars but a pentagon

719

00:30:29,930 --> 00:30:28,530

that seems so specific can you tell us a

720

00:30:32,390 --> 00:30:29,940

bit about this case and what you

721

00:30:33,800 --> 00:30:32,400

personally feel it could be so I wish

722

00:30:36,500 --> 00:30:33,810

that the witness is taking a picture of

723

00:30:38,810 --> 00:30:36,510

this unfortunately one your honestly for

724

00:30:40,570 --> 00:30:38,820

the most part I try to feature only

725

00:30:43,370 --> 00:30:40,580

feature sightings of photos or videos

726  
00:30:45,170 --> 00:30:43,380  
because you know it's just as amazing as

727  
00:30:47,990 --> 00:30:45,180  
you know witness testimony is if you

728  
00:30:50,750 --> 00:30:48,000  
don't have any other documentation it's

729  
00:30:52,810 --> 00:30:50,760  
just hard to prove that case but this

730  
00:30:56,150 --> 00:30:52,820  
witness just get it was too long

731  
00:30:58,310 --> 00:30:56,160  
detailed testimony about what they saw

732  
00:31:00,290 --> 00:30:58,320  
and just seemed to affect them so

733  
00:31:04,940 --> 00:31:00,300  
greatly and what they described was a

734  
00:31:08,300 --> 00:31:04,950  
massive dark chalky craft great chart

735  
00:31:10,490 --> 00:31:08,310  
chalky gray craft that was so large that

736  
00:31:11,930 --> 00:31:10,500  
it all seems like they could touch but

737  
00:31:14,120 --> 00:31:11,940  
they knew it was up high and this guy

738  
00:31:17,750 --> 00:31:14,130

was just that massive there were fighter

739

00:31:20,570 --> 00:31:17,760

jets nearby his or her dogs were barking

740

00:31:23,720 --> 00:31:20,580

like crazy about it I didn't believe it

741

00:31:26,810 --> 00:31:23,730

it is a him not misreport at the time a

742

00:31:29,540 --> 00:31:26,820

dogs were barking like crazy even an owl

743

00:31:36,410 --> 00:31:29,550

flew in front of him at the time just to

744

00:31:40,040 --> 00:31:36,420

make things you know weird creepy yeah

745

00:31:41,630 --> 00:31:40,050

they called 9-1-1 afterward tried to get

746

00:31:43,340 --> 00:31:41,640

to the bottom of it and report it you

747

00:31:45,260 --> 00:31:43,350

know we're obviously turned up empty

748

00:31:48,290 --> 00:31:45,270

with them so it's just this really

749

00:31:49,760 --> 00:31:48,300

compelling testimony and then you know i

750

00:31:52,370 --> 00:31:49,770

put it out there on the site because it

751  
00:31:54,380 --> 00:31:52,380  
just struck me as sincere and it just a

752  
00:31:57,350 --> 00:31:54,390  
lot of people were skeptic

753  
00:31:59,480 --> 00:31:57,360  
how could something so massive be there

754  
00:32:01,700 --> 00:31:59,490  
in you know Georgetown Texas and we're

755  
00:32:04,520 --> 00:32:01,710  
not seeing any other reports and I eNOS

756  
00:32:07,190 --> 00:32:04,530  
Emily felt the same way so if this crap

757  
00:32:07,880 --> 00:32:07,200  
is so large we should be seeing lots of

758  
00:32:10,400 --> 00:32:07,890  
sightings

759  
00:32:11,900 --> 00:32:10,410  
however I've got to say like we were

760  
00:32:14,210 --> 00:32:11,910  
talking about earlier the more

761  
00:32:16,520 --> 00:32:14,220  
compelling amazing sightings but you

762  
00:32:19,250 --> 00:32:16,530  
expect lots of witnesses tend to be the

763  
00:32:21,710 --> 00:32:19,260

ones that get you don't - hunter reports

764

00:32:24,950 --> 00:32:21,720

on it's pretty amazing but it does

765

00:32:27,350 --> 00:32:24,960

happen so I try to remain open and so

766

00:32:29,720 --> 00:32:27,360

this case is still open to me because

767

00:32:33,110 --> 00:32:29,730

there the witness has come forward since

768

00:32:35,900 --> 00:32:33,120

to defend his sighting and elaborate and

769

00:32:38,600 --> 00:32:35,910

draw a photo of it and so I may be

770

00:32:40,910 --> 00:32:38,610

sharing that soon and apparently another

771

00:32:43,280 --> 00:32:40,920

person has reached out to let me know

772

00:32:45,770 --> 00:32:43,290

that there's might be another a video

773

00:32:48,800 --> 00:32:45,780

out there of a craft like this in

774

00:32:51,620 --> 00:32:48,810

Georgetown in March oh wow I will be

775

00:32:54,260 --> 00:32:51,630

following up to see if there's some you

776

00:32:56,120 --> 00:32:54,270

know more witness testimony or video

777

00:32:58,640 --> 00:32:56,130

about this case because I'm pretty

778

00:33:01,580 --> 00:32:58,650

intrigued it's definitely still open so

779

00:33:04,460 --> 00:33:01,590

so far possible I hope yeah I hope you

780

00:33:06,710 --> 00:33:04,470

get that i we will definitely be waiting

781

00:33:07,460 --> 00:33:06,720

to see that on your site um Wow

782

00:33:09,830 --> 00:33:07,470

pentagons

783

00:33:12,530 --> 00:33:09,840

so think I never thought I'd hear Easley

784

00:33:14,930 --> 00:33:12,540

the disc or the triangle or you know

785

00:33:17,030 --> 00:33:14,940

something like that Pentagon is unusual

786

00:33:19,460 --> 00:33:17,040

yes very geometric there's got to be

787

00:33:21,260 --> 00:33:19,470

something there yeah well I want to kind

788

00:33:24,020 --> 00:33:21,270

of move a little bit more to your

789

00:33:26,660 --> 00:33:24,030

thoughts on certain things change one of

790

00:33:29,110 --> 00:33:26,670

the most recent YouTube videos that you

791

00:33:32,000 --> 00:33:29,120

came out with covers the very

792

00:33:34,910 --> 00:33:32,010

controversial work being done by like

793

00:33:37,390 --> 00:33:34,920

182 front man turns UFO researcher Tom

794

00:33:39,620 --> 00:33:37,400

Dwan you found some very interesting

795

00:33:42,410 --> 00:33:39,630

connections between what he's bringing

796

00:33:44,900 --> 00:33:42,420

forward and right now with his to the

797

00:33:46,790 --> 00:33:44,910

Stars and secret machines franchises

798

00:33:48,680 --> 00:33:46,800

well you you were able to sort of

799

00:33:50,150 --> 00:33:48,690

connect this to the men in black I want

800

00:33:52,250 --> 00:33:50,160

to hear about this can you tell us a

801  
00:33:54,800 --> 00:33:52,260  
little about your theories on too long

802  
00:33:58,070 --> 00:33:54,810  
and his aim with the government as it

803  
00:34:00,040 --> 00:33:58,080  
were yes leave it to me to connect some

804  
00:34:03,020 --> 00:34:00,050  
pretty funky dots that really success

805  
00:34:04,220 --> 00:34:03,030  
for better for worse maybe too so I mean

806  
00:34:06,350 --> 00:34:04,230  
for those who don't know you know the

807  
00:34:07,820 --> 00:34:06,360  
men in black are those well wouldn't you

808  
00:34:10,399 --> 00:34:07,830  
picture your men in black suits

809  
00:34:13,040 --> 00:34:10,409  
showing up after UFOs or paranormal

810  
00:34:15,169 --> 00:34:13,050  
weird encounters and really telling

811  
00:34:17,210 --> 00:34:15,179  
witnesses to be quiet about it or

812  
00:34:19,460 --> 00:34:17,220  
intimidating them sometimes they're

813  
00:34:21,829 --> 00:34:19,470

actually described as like weird shadowy

814

00:34:22,369 --> 00:34:21,839

figures to make batters all just the

815

00:34:24,349 --> 00:34:22,379

weirder

816

00:34:26,240 --> 00:34:24,359

so you know how does this relate to Tom

817

00:34:28,579 --> 00:34:26,250

DeLonge well he claims to be a

818

00:34:31,040 --> 00:34:28,589

government insider he will be coming out

819

00:34:33,230 --> 00:34:31,050

with some announcement soon and his

820

00:34:35,270 --> 00:34:33,240

story lines so far and he has said this

821

00:34:37,240 --> 00:34:35,280

publicly on coast Coast AM and that it's

822

00:34:41,629 --> 00:34:37,250

based on his government insider sources

823

00:34:43,940 --> 00:34:41,639

that there are indeed negative iki on

824

00:34:46,520 --> 00:34:43,950

our planet which will they're really

825

00:34:49,220 --> 00:34:46,530

called the others he really hesitated to

826

00:34:52,790 --> 00:34:49,230

define them specifically where they're

827

00:34:55,159 --> 00:34:52,800

really from and that our shadow secret

828

00:34:58,550 --> 00:34:55,169

government has been investigating this

829

00:35:01,550 --> 00:34:58,560

and I guess combating that this covertly

830

00:35:03,260 --> 00:35:01,560

for our best interest so this sort of

831

00:35:04,880 --> 00:35:03,270

leads us back to men in black and it

832

00:35:07,099 --> 00:35:04,890

gives allah and men in black are super

833

00:35:10,339 --> 00:35:07,109

well documented there were even a recent

834

00:35:12,290 --> 00:35:10,349

wave of sightings of them in 2016 in the

835

00:35:14,450 --> 00:35:12,300

united states so that's it leaves a

836

00:35:16,370 --> 00:35:14,460

little more credence to the whole men in

837

00:35:19,190 --> 00:35:16,380

black theory if his storyline has any

838

00:35:21,079 --> 00:35:19,200

truth to it right and so long like this

839

00:35:24,290 --> 00:35:21,089

old caught you know alongside this these

840

00:35:26,599 --> 00:35:24,300

two points tom delonge also said that he

841

00:35:28,940 --> 00:35:26,609

was warned not to happen in a car with

842

00:35:31,370 --> 00:35:28,950

any strangers so he's being warned by

843

00:35:33,320 --> 00:35:31,380

his government insiders who would both

844

00:35:34,940 --> 00:35:33,330

no doubt in a wake maybe would be

845

00:35:37,790 --> 00:35:34,950

connected to the men in black you know

846

00:35:40,280 --> 00:35:37,800

will smith says there there are the good

847

00:35:42,440 --> 00:35:40,290

guys right so let's go along that line

848

00:35:44,930 --> 00:35:42,450

so here for you Tom DeLonge would

849

00:35:47,839 --> 00:35:44,940

essentially be working with them and to

850

00:35:51,250 --> 00:35:47,849

really wrap up this strange connection

851  
00:35:54,410 --> 00:35:51,260  
it's time I have another separate video

852  
00:35:57,770 --> 00:35:54,420  
interviewing Michael horn who's the

853  
00:35:59,470 --> 00:35:57,780  
representative of the billy meier UFO

854  
00:36:03,980 --> 00:35:59,480  
case that some people are aware of

855  
00:36:07,640 --> 00:36:03,990  
because Tom DeLonge posted a photo but

856  
00:36:11,180 --> 00:36:07,650  
from that witness contact a billy meier

857  
00:36:13,400 --> 00:36:11,190  
billy meier is largely been debunked in

858  
00:36:16,430 --> 00:36:13,410  
the UFO community people say that his

859  
00:36:19,339 --> 00:36:16,440  
photos are hoaxes so why is Tom DeLonge

860  
00:36:21,150 --> 00:36:19,349  
is this new Europe Authority posting

861  
00:36:23,520 --> 00:36:21,160  
this hoax photograph

862  
00:36:26,250 --> 00:36:23,530  
make matters super weird the Billy Meyer

863  
00:36:28,349 --> 00:36:26,260

camp says it's a reason that there's all

864

00:36:31,620 --> 00:36:28,359

these accusations of hoaxes it's because

865

00:36:35,190 --> 00:36:31,630

of the men in black all right there are

866

00:36:39,329 --> 00:36:35,200

no negative et and that this is all you

867

00:36:42,029 --> 00:36:39,339

know government disinfo so we have a

868

00:36:44,789 --> 00:36:42,039

very very weird spiderweb

869

00:36:47,940 --> 00:36:44,799

yeah being crafted by these two

870

00:36:50,430 --> 00:36:47,950

completely opposing voices in this field

871

00:36:53,400 --> 00:36:50,440

and with announcements and disclosure

872

00:36:55,349 --> 00:36:53,410

coming so it's a little confusing and I

873

00:36:57,059 --> 00:36:55,359

hope that you guys were able to stick

874

00:36:59,579 --> 00:36:57,069

with me through all that because I know

875

00:37:04,170 --> 00:36:59,589

it's not very it's very confusing even

876

00:37:05,880 --> 00:37:04,180

for me but as Tom DeLonge comes out with

877

00:37:08,670 --> 00:37:05,890

more more announcements about this

878

00:37:11,520 --> 00:37:08,680

really crazy kind of ancient aliens saga

879

00:37:14,849 --> 00:37:11,530

yep I think it's important that we keep

880

00:37:18,000 --> 00:37:14,859

the men and black in mind and the

881

00:37:21,240 --> 00:37:18,010

reality of disinformation and taxes and

882

00:37:23,099 --> 00:37:21,250

all that in the picture that's a great

883

00:37:25,230 --> 00:37:23,109

way to look at it yeah we've been

884

00:37:28,440 --> 00:37:25,240

promised something big within the next

885

00:37:31,260 --> 00:37:28,450

60 days or so from Tom DeLonge so I

886

00:37:33,210 --> 00:37:31,270

definitely suggest everyone interested

887

00:37:34,200 --> 00:37:33,220

in this topic keep your eyes and ears

888

00:37:37,140 --> 00:37:34,210

open

889

00:37:38,789 --> 00:37:37,150

yes stay tuned stay tuned to james

890

00:37:42,990 --> 00:37:38,799

website because she's making a

891

00:37:45,510 --> 00:37:43,000

connection oh yeah I'm always finding

892

00:37:48,390 --> 00:37:45,520

out what he's up to and what he's saying

893

00:37:50,130 --> 00:37:48,400

and he did give us a hint I mean if you

894

00:37:52,799 --> 00:37:50,140

if anybody who's dug through the

895

00:37:55,500 --> 00:37:52,809

WikiLeaks emails they're suppose stuff

896

00:37:57,450 --> 00:37:55,510

in there so it was definitely my duty to

897

00:38:00,299 --> 00:37:57,460

find out all that Tom DeLonge you know

898

00:38:02,640 --> 00:38:00,309

goes is back in fourth you know with

899

00:38:05,069 --> 00:38:02,650

government officials about you know

900

00:38:07,170 --> 00:38:05,079

coming out about UFO disclosure you know

901  
00:38:08,849 --> 00:38:07,180  
officially so we can guess that you know

902  
00:38:10,859 --> 00:38:08,859  
he'll just be bringing these government

903  
00:38:13,620 --> 00:38:10,869  
insiders forward I think interviewing

904  
00:38:15,599 --> 00:38:13,630  
them directly for us I think yes there's

905  
00:38:17,190 --> 00:38:15,609  
a lot of exciting revelations to come

906  
00:38:18,450 --> 00:38:17,200  
but we just need to keep in mind you

907  
00:38:21,210 --> 00:38:18,460  
know who can we trust

908  
00:38:23,069 --> 00:38:21,220  
well I'm excited either way humor okay

909  
00:38:25,890 --> 00:38:23,079  
it's a I could tell just in this

910  
00:38:27,870 --> 00:38:25,900  
interview like your your passion and

911  
00:38:30,660 --> 00:38:27,880  
excitement for the topic it's palpable

912  
00:38:33,520 --> 00:38:30,670  
and that comes with this younger

913  
00:38:36,610 --> 00:38:33,530

generation I think of UFO researchers

914

00:38:39,520 --> 00:38:36,620

there so why why do you think that the

915

00:38:44,020 --> 00:38:39,530

UFO field seems to usually consist of I

916

00:38:45,790 --> 00:38:44,030

hate this term older people oh god they

917

00:38:48,220 --> 00:38:45,800

probably hate us for saying that but you

918

00:38:51,040 --> 00:38:48,230

know the mainstream perception is that

919

00:38:54,160 --> 00:38:51,050

this field is wrought with old white

920

00:38:55,960 --> 00:38:54,170

dudes with beards and trade suits but

921

00:38:58,270 --> 00:38:55,970

you are clearly not that what do you

922

00:39:00,520 --> 00:38:58,280

think we have to do to get younger

923

00:39:02,530 --> 00:39:00,530

people involved with this topic yeah

924

00:39:04,510 --> 00:39:02,540

really great question so I think you

925

00:39:06,580 --> 00:39:04,520

know how we were talking about people's

926  
00:39:09,250 --> 00:39:06,590  
memories and you know cases like the

927  
00:39:11,650 --> 00:39:09,260  
Roswell I think there was actually while

928  
00:39:13,810 --> 00:39:11,660  
maybe generation grew up thinking that

929  
00:39:15,490 --> 00:39:13,820  
this was only you know Hollywood movie

930  
00:39:17,190 --> 00:39:15,500  
eye movies I think there was a

931  
00:39:19,720 --> 00:39:17,200  
generation I grew up hearing stories

932  
00:39:21,850 --> 00:39:19,730  
about you know from their grandparents

933  
00:39:24,610 --> 00:39:21,860  
and from their parents you know even

934  
00:39:27,250 --> 00:39:24,620  
related to Roswell and events like that

935  
00:39:29,260 --> 00:39:27,260  
and grew up maybe a little more open to

936  
00:39:32,680 --> 00:39:29,270  
this and then turned into those

937  
00:39:34,930 --> 00:39:32,690  
researchers and also I think we have to

938  
00:39:36,910 --> 00:39:34,940

do really good investigation you need to

939

00:39:39,370 --> 00:39:36,920

be out in the field you need to collect

940

00:39:41,920 --> 00:39:39,380

sources I mean this is one of the most

941

00:39:44,680 --> 00:39:41,930

difficult topics to investigate and up

942

00:39:46,900 --> 00:39:44,690

until you know really recently you

943

00:39:49,780 --> 00:39:46,910

couldn't adequately investigate online

944

00:39:52,020 --> 00:39:49,790

so I think it's just the nature of you

945

00:39:55,420 --> 00:39:52,030

know people have more established

946

00:39:58,840 --> 00:39:55,430

contacts and in journalistic careers you

947

00:40:01,690 --> 00:39:58,850

know owning rightfully you know in some

948

00:40:05,110 --> 00:40:01,700

respects owning you know this story but

949

00:40:07,210 --> 00:40:05,120

now we have this new resurgence of young

950

00:40:09,160 --> 00:40:07,220

UFO I mean there's so much true of

951

00:40:12,880 --> 00:40:09,170

covert funds to Gators now it's just

952

00:40:14,680 --> 00:40:12,890

amazing you know just just deciding to

953

00:40:16,420 --> 00:40:14,690

pick up the torch and start you know

954

00:40:18,400 --> 00:40:16,430

filming and you know I'm all about it

955

00:40:20,680 --> 00:40:18,410

because maybe you know we've had events

956

00:40:23,110 --> 00:40:20,690

like the Stephenville lights or you know

957

00:40:25,180 --> 00:40:23,120

maybe Phoenix lights and you had

958

00:40:27,340 --> 00:40:25,190

personal experiences we're seeing videos

959

00:40:29,830 --> 00:40:27,350

online like we never did before so

960

00:40:34,090 --> 00:40:29,840

there's this new I think wave just of

961

00:40:36,100 --> 00:40:34,100

younger blood in this in this field so

962

00:40:37,360 --> 00:40:36,110

it's interesting to watch but I think

963

00:40:40,570 --> 00:40:37,370

you know there's room for everybody

964

00:40:43,780 --> 00:40:40,580

though so all ages all hands on deck

965

00:40:45,700 --> 00:40:43,790

absolutely I like you said like we take

966

00:40:46,430 --> 00:40:45,710

what we learned from that older

967

00:40:48,740 --> 00:40:46,440

generation

968

00:40:51,380 --> 00:40:48,750

we build upon it that's like any any

969

00:40:53,210 --> 00:40:51,390

field of study in the same way yeah I

970

00:40:54,890 --> 00:40:53,220

couldn't agree more I'm not I'm excited

971

00:40:57,859 --> 00:40:54,900

to see younger people getting involved

972

00:40:59,900 --> 00:40:57,869

and where they may take ufology for sure

973

00:41:02,809 --> 00:40:59,910

I guess in that same vein

974

00:41:05,359 --> 00:41:02,819

what are those around you think about

975

00:41:07,520 --> 00:41:05,369

your work Jane do they support it do

976

00:41:10,010 --> 00:41:07,530

they laugh it off is it like a mixture

977

00:41:11,780 --> 00:41:10,020

of both how do people what is the

978

00:41:14,630 --> 00:41:11,790

reaction when you tell them you're a UFO

979

00:41:16,880 --> 00:41:14,640

researcher because I think we both know

980

00:41:19,220 --> 00:41:16,890

like this this is uh this is a messy

981

00:41:22,010 --> 00:41:19,230

topic and I'm sure the reactions

982

00:41:22,520 --> 00:41:22,020

different mm-hmm so close friends and

983

00:41:25,069 --> 00:41:22,530

family

984

00:41:27,200 --> 00:41:25,079

I've always been super transparent with

985

00:41:29,120 --> 00:41:27,210

and have always been supportive you know

986

00:41:30,770 --> 00:41:29,130

to my face at least yeah I assume I

987

00:41:33,140 --> 00:41:30,780

always assume the conversations happen

988

00:41:35,089 --> 00:41:33,150

behind my back but it's harmless and

989

00:41:37,040 --> 00:41:35,099

it's I wouldn't be into the subject

990

00:41:39,020 --> 00:41:37,050

matter I cared about that right like

991

00:41:41,900 --> 00:41:39,030

there's just no way I cared about what

992

00:41:44,120 --> 00:41:41,910

people thought but for the most part as

993

00:41:47,240 --> 00:41:44,130

far as anybody outside that close circle

994

00:41:48,770 --> 00:41:47,250

that I feel completely supported by even

995

00:41:50,990 --> 00:41:48,780

if they're not believers or even if

996

00:41:52,970 --> 00:41:51,000

they're on the fence they they get what

997

00:41:55,190 --> 00:41:52,980

I'm doing they know I'm seeking truce

998

00:41:57,140 --> 00:41:55,200

and so they're they encouraged me right

999

00:41:59,390 --> 00:41:57,150

and they will talk to me about it you

1000

00:42:01,550 --> 00:41:59,400

know so series around it it's fun it's a

1001  
00:42:03,710 --> 00:42:01,560  
nice unifying topic actually right now I

1002  
00:42:05,780 --> 00:42:03,720  
highly recommend if you get into

1003  
00:42:10,550 --> 00:42:05,790  
arguments or whatever you bring up alien

1004  
00:42:13,250 --> 00:42:10,560  
like they're like sorry my England but

1005  
00:42:16,099 --> 00:42:13,260  
as far as outside that circle who knows

1006  
00:42:16,670 --> 00:42:16,109  
about it it's kind of on a I don't bring

1007  
00:42:19,190 --> 00:42:16,680  
it up

1008  
00:42:22,579 --> 00:42:19,200  
just randomly I respect that not

1009  
00:42:24,109 --> 00:42:22,589  
everybody wants to talk about this or in

1010  
00:42:25,849 --> 00:42:24,119  
theory we all like to talk about aliens

1011  
00:42:28,670 --> 00:42:25,859  
maybe you don't want to know it's really

1012  
00:42:30,710 --> 00:42:28,680  
real I'm not gonna let go and like shove

1013  
00:42:33,740 --> 00:42:30,720

that down anybody's throat or preach to

1014

00:42:35,630 --> 00:42:33,750

them but it just comes up if it comes up

1015

00:42:37,730 --> 00:42:35,640

and I you know find that that person's

1016

00:42:41,000 --> 00:42:37,740

already interested in it you know share

1017

00:42:42,740 --> 00:42:41,010

the site with them but once people do

1018

00:42:44,900 --> 00:42:42,750

find out about it they actually end up

1019

00:42:47,569 --> 00:42:44,910

coming to me telling me about UFOs they

1020

00:42:49,309 --> 00:42:47,579

see you're asking me about cases so

1021

00:42:52,220 --> 00:42:49,319

that's really what I get are questions

1022

00:42:54,620 --> 00:42:52,230

and increasingly so as time goes on and

1023

00:42:56,990 --> 00:42:54,630

I think disclosure approaches and people

1024

00:42:59,810 --> 00:42:57,000

are more open about it oh well you hit

1025

00:43:02,510 --> 00:42:59,820

on a very controversial word there

1026

00:43:04,010 --> 00:43:02,520

so I want I'm going to I've got some

1027

00:43:07,520 --> 00:43:04,020

other questions but I want to skip to

1028

00:43:09,380 --> 00:43:07,530

that do you believe that we're ever

1029

00:43:12,140 --> 00:43:09,390

going to get some sort of official

1030

00:43:14,510 --> 00:43:12,150

disclosure on the UFO topic from any

1031

00:43:18,760 --> 00:43:14,520

body of government or anything like that

1032

00:43:22,670 --> 00:43:18,770

yeah so I think to degree we have gotten

1033

00:43:25,040 --> 00:43:22,680

disclosure so you can go on CIA gov

1034

00:43:27,170 --> 00:43:25,050

right now you can go in fbi.gov right

1035

00:43:31,250 --> 00:43:27,180

now and you can find all the documents

1036

00:43:34,370 --> 00:43:31,260

that confirm the UFO phenomenon as well

1037

00:43:37,060 --> 00:43:34,380

as other even paranormal and explained

1038

00:43:40,310 --> 00:43:37,070

phenomenons in our serious investigation

1039

00:43:43,700 --> 00:43:40,320

of it so I think that's already happened

1040

00:43:46,850 --> 00:43:43,710

I think the next step now is okay

1041

00:43:48,350 --> 00:43:46,860

they're real we've classified them and I

1042

00:43:50,930 --> 00:43:48,360

don't mean drones and weather balloons

1043

00:43:52,640 --> 00:43:50,940

and misidentifications yes that's always

1044

00:43:54,140 --> 00:43:52,650

going to end up in the mix anytime

1045

00:43:55,670 --> 00:43:54,150

you're studying something unknown you're

1046

00:43:57,860 --> 00:43:55,680

going to have red herrings constantly

1047

00:44:00,410 --> 00:43:57,870

until you know it it's just part of it

1048

00:44:03,740 --> 00:44:00,420

so I think we know it's happening the

1049

00:44:06,470 --> 00:44:03,750

next part of disclosure is what are they

1050

00:44:07,970 --> 00:44:06,480

where do they come from and yes those

1051

00:44:09,500 --> 00:44:07,980

bigger question is there

1052

00:44:11,810 --> 00:44:09,510

extraterrestrial life are they

1053

00:44:14,240 --> 00:44:11,820

responsible for some easier flows that

1054

00:44:17,320 --> 00:44:14,250

that is a part of disclosure but

1055

00:44:20,390 --> 00:44:17,330

disclosure means there are these real

1056

00:44:23,270 --> 00:44:20,400

maybe the most important you know

1057

00:44:25,520 --> 00:44:23,280

histories happening that are be that

1058

00:44:27,770 --> 00:44:25,530

we're investigated secretly and now no

1059

00:44:30,980 --> 00:44:27,780

longer are and it's you know what are we

1060

00:44:33,650 --> 00:44:30,990

the human you know American through

1061

00:44:36,170 --> 00:44:33,660

global population to do with this

1062

00:44:38,450 --> 00:44:36,180

information can we handle the truth or

1063

00:44:40,520 --> 00:44:38,460

can't we that's that I think that's the

1064

00:44:42,470 --> 00:44:40,530

more important question it really is and

1065

00:44:44,690 --> 00:44:42,480

like you said I think these small

1066

00:44:46,760 --> 00:44:44,700

personal disclosures are what's

1067

00:44:49,850 --> 00:44:46,770

important the the witness who saw the

1068

00:44:51,440 --> 00:44:49,860

Pentagon or the lights or the the ring

1069

00:44:53,510 --> 00:44:51,450

of lights like that to their disclosure

1070

00:44:55,760 --> 00:44:53,520

they saw something they couldn't explain

1071

00:44:57,410 --> 00:44:55,770

they're going to perceive that how they

1072

00:44:58,760 --> 00:44:57,420

may whether they're religious it might

1073

00:45:02,420 --> 00:44:58,770

have been spiritual if they believe in

1074

00:45:04,670 --> 00:45:02,430

aliens and it's it's aliens oh yeah like

1075

00:45:06,380 --> 00:45:04,680

that's kind of their disclosure and the

1076  
00:45:09,110 --> 00:45:06,390  
more and more that happens too I think

1077  
00:45:10,810 --> 00:45:09,120  
the everyday people the more ready we're

1078  
00:45:12,580 --> 00:45:10,820  
going to be eventually if some

1079  
00:45:14,950 --> 00:45:12,590  
and answer were to come from the

1080  
00:45:17,200 --> 00:45:14,960  
phenomenon in my opinion absolutely I

1081  
00:45:18,610 --> 00:45:17,210  
agree completely I think it starts with

1082  
00:45:20,950 --> 00:45:18,620  
just these conversations and the

1083  
00:45:23,140 --> 00:45:20,960  
acceptance of it it's like the stages of

1084  
00:45:26,920 --> 00:45:23,150  
truth right yes I think we're past

1085  
00:45:30,730 --> 00:45:26,930  
denial and it will be on autism it'll be

1086  
00:45:33,850 --> 00:45:30,740  
a new world I think a lot of people they

1087  
00:45:35,380 --> 00:45:33,860  
do believe that UFOs are alien ghosts

1088  
00:45:37,270 --> 00:45:35,390

are supernatural Bigfoot is a

1089

00:45:40,810 --> 00:45:37,280

flesh-and-blood creature and that's that

1090

00:45:43,120 --> 00:45:40,820

none of these topics they you know

1091

00:45:45,250 --> 00:45:43,130

become connected but do you believe that

1092

00:45:47,770 --> 00:45:45,260

this is the case or do you feel that

1093

00:45:49,810 --> 00:45:47,780

there are some similarities or

1094

00:45:52,600 --> 00:45:49,820

connections to be made with all of these

1095

00:45:55,030 --> 00:45:52,610

topics well you know back in the day and

1096

00:45:56,260 --> 00:45:55,040

this is I mean why it's fun to always

1097

00:45:58,090 --> 00:45:56,270

speak the truth because you're always

1098

00:46:01,000 --> 00:45:58,100

you're kind of always changing your mind

1099

00:46:02,350 --> 00:46:01,010

a little bit and it's exciting you just

1100

00:46:05,800 --> 00:46:02,360

never know at least you're gonna turn

1101  
00:46:08,440 --> 00:46:05,810  
over originally I really I would I like

1102  
00:46:12,540 --> 00:46:08,450  
all that stuff I like Loch Ness monster

1103  
00:46:14,860 --> 00:46:12,550  
as experi it's just fun yeah and go some

1104  
00:46:17,850 --> 00:46:14,870  
it's kind of I just thought about it

1105  
00:46:20,980 --> 00:46:17,860  
different and not this well-documented

1106  
00:46:23,980 --> 00:46:20,990  
scientific thing to study like UFOs but

1107  
00:46:26,950 --> 00:46:23,990  
as time goes on yes indeed all these

1108  
00:46:29,500 --> 00:46:26,960  
topics are coming together and Bigfoot

1109  
00:46:31,810 --> 00:46:29,510  
is especially a weird one the latest

1110  
00:46:34,870 --> 00:46:31,820  
more popular theories from what I gather

1111  
00:46:38,740 --> 00:46:34,880  
that Bigfoot is some interdimensional

1112  
00:46:41,530 --> 00:46:38,750  
creature why are we never why there are

1113  
00:46:45,130 --> 00:46:41,540

20 ways disappearin why can we never

1114

00:46:47,530 --> 00:46:45,140

find the body and if there's been too

1115

00:46:51,280 --> 00:46:47,540

many I mean it's like UFOs there's been

1116

00:46:54,490 --> 00:46:51,290

so many reports of these creatures and

1117

00:46:55,810 --> 00:46:54,500

off sometimes around UFOs so that and

1118

00:46:57,220 --> 00:46:55,820

you have actually taken up and you know

1119

00:46:59,980 --> 00:46:57,230

what Bigfoot looks an awful lot like

1120

00:47:03,130 --> 00:46:59,990

Chewie because it's a great intelligent

1121

00:47:04,900 --> 00:47:03,140

space traveler and pilot love hours for

1122

00:47:08,350 --> 00:47:04,910

those of you who are you know don't know

1123

00:47:11,680 --> 00:47:08,360

Star Wars yes he's a wonderful baritone

1124

00:47:13,750 --> 00:47:11,690

singer I've heard as well yes and he's

1125

00:47:15,520 --> 00:47:13,760

quite sophisticated you know but he's a

1126

00:47:18,820 --> 00:47:15,530

big hairy creature that kind of looks

1127

00:47:21,280 --> 00:47:18,830

like a Yeti yeah so yeah I think it's I

1128

00:47:23,470 --> 00:47:21,290

think the more more that we uncover the

1129

00:47:24,220 --> 00:47:23,480

more we find these topics that are

1130

00:47:26,620 --> 00:47:24,230

similarly

1131

00:47:30,220 --> 00:47:26,630

covered up kind of and seem to be

1132

00:47:32,440 --> 00:47:30,230

debunked there you're crazy you know if

1133

00:47:36,070 --> 00:47:32,450

you believe them yes or indeed connected

1134

00:47:38,170 --> 00:47:36,080

I think so and I mean I you know maybe

1135

00:47:39,970 --> 00:47:38,180

it starts as Bigfoot being a

1136

00:47:42,070 --> 00:47:39,980

flesh-and-blood creature as perceived by

1137

00:47:43,510 --> 00:47:42,080

the witness but then like you said like

1138

00:47:46,120 --> 00:47:43,520

there's this idea that it could be

1139

00:47:49,030 --> 00:47:46,130

interdimensional or even I have friends

1140

00:47:51,220 --> 00:47:49,040

who think that he is a ghost that he is

1141

00:47:53,070 --> 00:47:51,230

an apparition but then some people

1142

00:47:55,480 --> 00:47:53,080

believe that an apparition is

1143

00:47:58,690 --> 00:47:55,490

interdimensional so right here

1144

00:48:02,349 --> 00:47:58,700

like they're all connecting and it could

1145

00:48:05,109 --> 00:48:02,359

be like let's start with avian let's

1146

00:48:06,340 --> 00:48:05,119

move to ghost and then interdimensional

1147

00:48:08,800 --> 00:48:06,350

it's fascinating

1148

00:48:11,530 --> 00:48:08,810

okay and you know what we're all right

1149

00:48:13,660 --> 00:48:11,540

and we're probably all wrong - yes

1150

00:48:16,270 --> 00:48:13,670

that's exactly we're all right and we're

1151  
00:48:17,980 --> 00:48:16,280  
all wrong yeah but we're in a desert in

1152  
00:48:20,740 --> 00:48:17,990  
a more true statement

1153  
00:48:22,690 --> 00:48:20,750  
Jane whoa it serves about right and

1154  
00:48:24,190 --> 00:48:22,700  
wrong what's next for you as a UFO

1155  
00:48:26,770 --> 00:48:24,200  
researcher what are you working on now

1156  
00:48:28,180 --> 00:48:26,780  
yeah so all I mean always those

1157  
00:48:31,120 --> 00:48:28,190  
sightings happening so I'm always

1158  
00:48:33,190 --> 00:48:31,130  
updating the site and researching I had

1159  
00:48:36,130 --> 00:48:33,200  
mentioned Michael horn earlier he's a

1160  
00:48:38,020 --> 00:48:36,140  
representative of that billy meier UFO

1161  
00:48:40,470 --> 00:48:38,030  
contactee i'll be doing an interview

1162  
00:48:42,880 --> 00:48:40,480  
with him soon so that should be exciting

1163  
00:48:44,530 --> 00:48:42,890

talking about maybe some more Tom

1164

00:48:47,830 --> 00:48:44,540

DeLonge latest and get his perspective

1165

00:48:50,859 --> 00:48:47,840

if he disagrees completely so yeah I'm

1166

00:48:53,380 --> 00:48:50,869

excited for that just you know hoping to

1167

00:48:56,109 --> 00:48:53,390

get the content just pick it up to the

1168

00:48:58,230 --> 00:48:56,119

next notch you know on YouTube on the

1169

00:49:01,660 --> 00:48:58,240

site you know over this coming year and

1170

00:49:04,000 --> 00:49:01,670

I'm dedicated so oh yeah that's that

1171

00:49:06,609 --> 00:49:04,010

yeah definitely for certain know in any

1172

00:49:07,870 --> 00:49:06,619

where your material comes out of the day

1173

00:49:09,370 --> 00:49:07,880

it's very exciting

1174

00:49:11,770 --> 00:49:09,380

well let's tell people where can we find

1175

00:49:14,890 --> 00:49:11,780

all of your work where's the best places

1176

00:49:17,770 --> 00:49:14,900

to go for that Texas UFOs calm is where

1177

00:49:20,530 --> 00:49:17,780

pretty much everything ends up you know

1178

00:49:22,300 --> 00:49:20,540

if I do youtube video all you know put

1179

00:49:24,970 --> 00:49:22,310

it there so that's a great starting

1180

00:49:27,700 --> 00:49:24,980

point from there you know you can find

1181

00:49:29,470 --> 00:49:27,710

my youtube where I've got videos up and

1182

00:49:31,660 --> 00:49:29,480

you know you can connect on Facebook and

1183

00:49:33,340 --> 00:49:31,670

Twitter and all that - well it's it's

1184

00:49:35,859 --> 00:49:33,350

been such a pleasure dream like it's so

1185

00:49:36,600 --> 00:49:35,869

good to see a journalists being involved

1186

00:49:39,000 --> 00:49:36,610

in the south

1187

00:49:41,280 --> 00:49:39,010

be people as passionate as you are so

1188

00:49:43,230 --> 00:49:41,290

from one researcher to another thank you

1189

00:49:45,720 --> 00:49:43,240

I look forward to hopefully our work

1190

00:49:48,000 --> 00:49:45,730

together someday and let's just keep

1191

00:49:50,610 --> 00:49:48,010

looking up yes keep your eyes to the sky

1192

00:49:54,330 --> 00:49:50,620

yeah thanks again Jane for joining us

1193

00:49:56,430 --> 00:49:54,340

thank you this is a blast that's it for

1194

00:49:59,070 --> 00:49:56,440

this week's episode once again you can

1195

00:50:01,950 --> 00:49:59,080

find all of Jane Kyle's work at Texas

1196

00:50:03,870 --> 00:50:01,960

UFOs comm I wanted to take a moment to

1197

00:50:06,600 --> 00:50:03,880

announce that the new book UFOs

1198

00:50:09,390 --> 00:50:06,610

reframing the debate is now available on

1199

00:50:11,070 --> 00:50:09,400

Amazon this is a collection of essays by

1200

00:50:13,920 --> 00:50:11,080

researchers from around the world

1201  
00:50:16,650 --> 00:50:13,930  
shaking things up on the entire UFO

1202  
00:50:19,590 --> 00:50:16,660  
question yours truly is featured and

1203  
00:50:21,690 --> 00:50:19,600  
extremely honored to have contributed so

1204  
00:50:23,460 --> 00:50:21,700  
please check out the book and let me

1205  
00:50:26,100 --> 00:50:23,470  
know what you think it's available in

1206  
00:50:29,040 --> 00:50:26,110  
paperback and ebook and at white crow

1207  
00:50:31,320 --> 00:50:29,050  
Books calm if you haven't already please

1208  
00:50:33,810 --> 00:50:31,330  
rate and review the show on iTunes it

1209  
00:50:35,940 --> 00:50:33,820  
gains visibility for the show and allows

1210  
00:50:38,370 --> 00:50:35,950  
us to grow and attract more listeners

1211  
00:50:40,920 --> 00:50:38,380  
and who doesn't want that we're on

1212  
00:50:43,470 --> 00:50:40,930  
twitter at somewhere skies email at

1213  
00:50:45,630 --> 00:50:43,480

somewhere in the skies calm and all past

1214

00:50:48,870 --> 00:50:45,640

episodes can be found at the website

1215

00:50:50,610 --> 00:50:48,880

somewhere in the skies calm next week is

1216

00:50:53,610 --> 00:50:50,620

going to be our first in-studio

1217

00:50:55,890 --> 00:50:53,620

interview and trust me it was a fun one

1218

00:50:58,680 --> 00:50:55,900

we'll be talking to the half white Sun

1219

00:51:01,470 --> 00:50:58,690

of a black man it'll all make sense next

1220

00:51:03,840 --> 00:51:01,480

week so see you on Monday remember keep

1221

00:51:09,050 --> 00:51:03,850

your feet on the ground but never stop

1222

00:51:22,740 --> 00:51:16,860

[Music]
