1
00:00:05,690 --> 00:00:03,260
warning if you like your UFO literature

2
00:00:08,059 --> 00:00:05,700
to confirm what you already know this is

3
00:00:09,709 --> 00:00:08,069
not the book for you from white crow

4
00:00:12,709 --> 00:00:09,719
books comes a brand-new collection of

5
00:00:14,900 --> 00:00:12,719
essays fourteen authors one goal to

6
00:00:17,810 --> 00:00:14,910
shatter the UFO topic and pick up the

7
00:00:19,790 --> 00:00:17,820
pieces in a whole new light compiled and

8
00:00:22,429 --> 00:00:19,800
edited by Robbie Graham with a foreword

9
00:00:25,310 --> 00:00:22,439
by Professor Diana Walsh basillica UFOs

10
00:00:27,620 --> 00:00:25,320
reframing the debate is a cold hard slap

11
00:00:28,130 --> 00:00:27,630
in the face for ufology delivered with

12
00:00:31,160 --> 00:00:28,140
love

13
00:00:32,479 --> 00:00:31,170

UFOs reframing the debate available now

14
00:00:34,700 --> 00:00:32,489
in paperback and ebook

15
00:00:37,220 --> 00:00:34,710
on Amazon and at Barnes & Noble the Book

16
00:00:38,750 --> 00:00:37,230
Depository and the iBooks store for a

17
00:00:50,150 --> 00:00:38,760
complete list of contributors and to

18
00:00:54,640 --> 00:00:50,160
learn more visit Robbie Graham UK this

19
00:01:26,410 --> 00:00:54,650
is somewhere in the sky the Brian Stein

20
00:01:28,970 --> 00:01:26,420
[Music]

21
00:01:32,000 --> 00:01:28,980
so you're probably wondering what that

22
00:01:34,220 --> 00:01:32,010
song was all about well this episode is

23
00:01:36,740 --> 00:01:34,230
a mash-up of sorts for the first

24
00:01:39,200 --> 00:01:36,750
in-studio interview we are joined by my

25
00:01:41,870 --> 00:01:39,210
good friend and colleague Andrew Sanford

26

00:01:44,150 --> 00:01:41,880

Andrew is a writer and performer here in

27

00:01:46,040 --> 00:01:44,160

New York City as a writer he has written

28

00:01:49,490 --> 00:01:46,050

a full-length graphic novel called

29

00:01:51,770 --> 00:01:49,500

Gwendolen that was published in 2014 he

30

00:01:56,870 --> 00:01:51,780

is also choice been a featured writer in

31

00:01:59,540 --> 00:01:56,880

the 2014 and 2016 ABC Studios new talent

32

00:02:01,370 --> 00:01:59,550

showcase when he isn't writing he is the

33

00:02:04,340 --> 00:02:01,380

host of the popular current events

34

00:02:06,560 --> 00:02:04,350

comedy podcast half-white son of a black

35

00:02:09,230 --> 00:02:06,570

man today Andrew and I have a

36

00:02:12,199 --> 00:02:09,240

light-hearted but deep conversation

37

00:02:15,199 --> 00:02:12,209

about the entire UFO and alien question

38

00:02:17,960 --> 00:02:15,209

it was a refreshing and no-holds-barred

39

00:02:20,360 --> 00:02:17,970

discussion between a skeptic and a

40

00:02:24,590 --> 00:02:20,370

belief was one of us swayed either way

41

00:02:25,910 --> 00:02:24,600

find out right now alright guys so it's

42

00:02:28,520 --> 00:02:25,920

a little different we're going to shake

43

00:02:29,540 --> 00:02:28,530

things up this week and we're going to

44

00:02:32,479 --> 00:02:29,550

be talking to a buddy of mine

45

00:02:34,430 --> 00:02:32,489

Andrew sent for this is the first studio

46

00:02:36,590 --> 00:02:34,440

interview we're doing I've been

47

00:02:38,960 --> 00:02:36,600

listening to Andrews podcasts for a

48

00:02:41,060 --> 00:02:38,970

while now I've been featured on it one

49

00:02:42,770 --> 00:02:41,070

of the funniest things out there Andrew

50

00:02:44,930 --> 00:02:42,780

thanks for joining me today my man thank

51
00:02:48,500 --> 00:02:44,940
you I am may be there with your sweet

52
00:02:49,970 --> 00:02:48,510
words when would you sweet words but

53
00:02:53,780 --> 00:02:49,980
just read the words you come out of your

54
00:02:55,460 --> 00:02:53,790
mouth you all nice and sweet thank you

55
00:02:57,470 --> 00:02:55,470
man or yeah you were actually on the

56
00:02:59,600 --> 00:02:57,480
second I think I interviewed you on the

57
00:03:02,330 --> 00:02:59,610
second episode I think you're right and

58
00:03:02,660 --> 00:03:02,340
we talked about a li yes we did yes we

59
00:03:04,580 --> 00:03:02,670
did

60
00:03:05,840 --> 00:03:04,590
yeah ever I remember very specifically

61
00:03:07,729 --> 00:03:05,850
actually because it was something that I

62
00:03:09,289 --> 00:03:07,739
was very interested in is there was

63
00:03:11,060 --> 00:03:09,299

something that happened at the time that

64

00:03:13,699 --> 00:03:11,070

I can't remember if it was debunked or

65

00:03:15,920 --> 00:03:13,709

was just something that was just proven

66

00:03:18,080 --> 00:03:15,930

to be kind of like a hoax in general um

67

00:03:20,990 --> 00:03:18,090

and I was interested in your thoughts

68

00:03:22,880 --> 00:03:21,000

and how that affected you and how that

69

00:03:24,500 --> 00:03:22,890

kept you going is somebody who believes

70

00:03:26,570 --> 00:03:24,510

from this kind of stuff when more often

71

00:03:29,420 --> 00:03:26,580

than not yeah we will hear stories that

72

00:03:31,759 --> 00:03:29,430

end up being false that's how it's how

73

00:03:33,590 --> 00:03:31,769

it is to you know keep hold and

74

00:03:36,740 --> 00:03:33,600

obviously nothing has stopped you since

75

00:03:39,020 --> 00:03:36,750

I think you're doing all right oh thanks

76

00:03:43,700 --> 00:03:39,030

I do specifically remember this was the

77

00:03:45,590 --> 00:03:43,710

Roswell slides ah yes we made that play

78

00:03:47,600 --> 00:03:45,600

tonight separate emphasis I feel like

79

00:03:49,190 --> 00:03:47,610

that was like last year or this week it

80

00:03:51,170 --> 00:03:49,200

wasn't too long ago I feel like I

81

00:03:54,500 --> 00:03:51,180

brought it back on when that happened um

82

00:03:56,780 --> 00:03:54,510

any home yes no that is a great point

83

00:03:58,970 --> 00:03:56,790

though as it's a testament it detects

84

00:04:01,820 --> 00:03:58,980

women to any researcher out there who's

85

00:04:03,170 --> 00:04:01,830

willing to be looking at this topic I

86

00:04:05,750 --> 00:04:03,180

won't say phenomenon because that's

87

00:04:09,320 --> 00:04:05,760

completely separate from the the topic

88

00:04:11,720 --> 00:04:09,330

the subculture of ufology the study of

89

00:04:12,800 --> 00:04:11,730

it you do you run into hoaxes time and

90

00:04:15,890 --> 00:04:12,810

time again when they're dealing with

91

00:04:17,780 --> 00:04:15,900

something so mysterious and just you

92

00:04:19,340 --> 00:04:17,790

know out there people are going to take

93

00:04:22,340 --> 00:04:19,350

advantage of that they're going to

94

00:04:23,930 --> 00:04:22,350

there's there's no easier way than to

95

00:04:25,730 --> 00:04:23,940

take advantage of someone's beliefs

96

00:04:28,220 --> 00:04:25,740

right and if they're willing to believe

97

00:04:30,260 --> 00:04:28,230

they will do anything including opening

98

00:04:31,430 --> 00:04:30,270

their wallets and we see a time and time

99

00:04:34,730 --> 00:04:31,440

again it's sad

100

00:04:37,070 --> 00:04:34,740

but we just hope that we can continue to

101
00:04:39,260 --> 00:04:37,080
do our own work and the most credible

102
00:04:41,719 --> 00:04:39,270
cases out there and there's tons of them

103
00:04:42,950 --> 00:04:41,729
out there or and you know it said that

104
00:04:45,080 --> 00:04:42,960
the ones that get the most attention

105
00:04:47,060 --> 00:04:45,090
usually are the hoaxes or the very

106
00:04:48,680 --> 00:04:47,070
sensational stuff but I appreciate that

107
00:04:50,960 --> 00:04:48,690
but we're not here to talk about me

108
00:04:53,450 --> 00:04:50,970
we're here to talk about you man please

109
00:04:55,460 --> 00:04:53,460
tell people about your podcast it is

110
00:04:57,140 --> 00:04:55,470
called half-wit son of a black man comes

111
00:04:59,300 --> 00:04:57,150
out pretty regular we're actually up to

112
00:05:01,790 --> 00:04:59,310
we're on a nice steady schedule recently

113
00:05:03,320 --> 00:05:01,800

it's a let's see episode 82 just came

114

00:05:05,900 --> 00:05:03,330

out my line I would say about six

115

00:05:08,090 --> 00:05:05,910

episodes I took the format and shook it

116

00:05:09,230 --> 00:05:08,100

up a little bit I needed a change like I

117

00:05:12,100 --> 00:05:09,240

remember at the beginning I had an

118

00:05:15,350 --> 00:05:12,110

interview on every episode and it was to

119

00:05:17,270 --> 00:05:15,360

interview actors who had day jobs that

120

00:05:20,240 --> 00:05:17,280

weren't your standard kind of day job or

121

00:05:22,550 --> 00:05:20,250

just working actors in general so then

122

00:05:24,530 --> 00:05:22,560

that led into like it was that with like

123

00:05:25,940 --> 00:05:24,540

a round table and then it I kept it at

124

00:05:27,590 --> 00:05:25,950

just the round table and it would be

125

00:05:29,150 --> 00:05:27,600

different guests every time and now I

126
00:05:29,930 --> 00:05:29,160
have these same two guys who are two of

127
00:05:31,700 --> 00:05:29,940
my best friends

128
00:05:33,560 --> 00:05:31,710
Michaela Paes and Rob Young you can go

129
00:05:35,000 --> 00:05:33,570
to moon monocle calm to check out Mikael

130
00:05:38,590 --> 00:05:35,010
stuff or you can look up to Ron Young

131
00:05:41,000 --> 00:05:38,600
online he's a stand-up Michaela writer I

132
00:05:42,770 --> 00:05:41,010
always joke that I purposely have like

133
00:05:44,779 --> 00:05:42,780
one white guy one black guy on there to

134
00:05:46,610 --> 00:05:44,789
split the that's like having a little

135
00:05:47,050 --> 00:05:46,620
angel and devil on my shoulder but I

136
00:05:50,500 --> 00:05:47,060
won't tell

137
00:05:53,020 --> 00:05:50,510
which one is which right um and I've got

138
00:05:55,330 --> 00:05:53,030

we hit with absolutely so now yeah with

139

00:05:56,890 --> 00:05:55,340

I changed the format to add a little bit

140

00:05:58,600 --> 00:05:56,900

more improv in there it used to be like

141

00:06:01,090 --> 00:05:58,610

very topical on top of bass now it's

142

00:06:03,430 --> 00:06:01,100

just more fun and I usually bring on

143

00:06:04,629 --> 00:06:03,440

another guest and yeah we just we do

144

00:06:07,120 --> 00:06:04,639

some new segments and then talk about

145

00:06:09,190 --> 00:06:07,130

some topical stuff but uh it that always

146

00:06:11,650 --> 00:06:09,200

skews towards the nerdy too like I feel

147

00:06:13,629 --> 00:06:11,660

like I can't help like Who I am as a

148

00:06:16,150 --> 00:06:13,639

person you can't allow her you are yeah

149

00:06:17,680 --> 00:06:16,160

well I had to at the beginning of an

150

00:06:19,270 --> 00:06:17,690

episode a few weeks ago talk about the

151

00:06:21,520 --> 00:06:19,280

fact that Batgirl or that Joss Whedon

152

00:06:22,990 --> 00:06:21,530

was making a Batgirl or might be making

153

00:06:25,330 --> 00:06:23,000

a back or a movie it's not even official

154

00:06:27,730 --> 00:06:25,340

yet but it was so exciting that I ended

155

00:06:29,590 --> 00:06:27,740

I had just changed the entire purpose of

156

00:06:32,740 --> 00:06:29,600

the podcast for the first budget feel

157

00:06:36,159 --> 00:06:32,750

like guys it's awesome in that girl come

158

00:06:38,110 --> 00:06:36,169

on very fun for you yeah you know in

159

00:06:40,060 --> 00:06:38,120

terms of who you are what's the name of

160

00:06:43,030 --> 00:06:40,070

the podcast half-white son of a black

161

00:06:45,100 --> 00:06:43,040

man why why why I oh that's why my

162

00:06:47,560 --> 00:06:45,110

father is African American

163

00:06:51,850 --> 00:06:47,570

a little Native American and there my

164

00:06:53,800 --> 00:06:51,860

mother is a honky now I yeah it was that

165

00:06:55,420 --> 00:06:53,810

was the name that I came up with a few

166

00:06:57,790 --> 00:06:55,430

years like a title that I came up with a

167

00:06:59,200 --> 00:06:57,800

I would say even a few years before I

168

00:07:01,450 --> 00:06:59,210

started the podcast started the podcast

169

00:07:03,700 --> 00:07:01,460

in 2014 I think the name was something I

170

00:07:05,409 --> 00:07:03,710

came up with in like 2011 okay when I

171

00:07:07,719 --> 00:07:05,419

was thinking of like one-man shows to do

172

00:07:09,400 --> 00:07:07,729

because I start like I'm mainly a writer

173

00:07:11,440 --> 00:07:09,410

now and then I have the podcast but I

174

00:07:14,320 --> 00:07:11,450

very much started my career wanting to

175

00:07:15,879 --> 00:07:14,330

be just a performer so I felt like a

176

00:07:17,650 --> 00:07:15,889

one-man show with that title could be

177

00:07:19,180 --> 00:07:17,660

fun and then at a certain point I was

178

00:07:21,010 --> 00:07:19,190

like I have to do something with this

179

00:07:22,930 --> 00:07:21,020

name because I really liked it and I was

180

00:07:25,090 --> 00:07:22,940

like I can brand myself with it a little

181

00:07:26,740 --> 00:07:25,100

bit so now you can go to halfway son of

182

00:07:29,260 --> 00:07:26,750

a black man calm and I'm the guy that

183

00:07:32,230 --> 00:07:29,270

shows up so mission accomplished a

184

00:07:34,870 --> 00:07:32,240

really cool logo by the way wau thing my

185

00:07:37,060 --> 00:07:34,880

good friend Joe cavity drew that who

186

00:07:40,629 --> 00:07:37,070

also drew my comical Gwendolyn which is

187

00:07:42,940 --> 00:07:40,639

no longer publicly available there was a

188

00:07:45,029 --> 00:07:42,950

we had a publisher at one point and then

189

00:07:48,010 --> 00:07:45,039

we just parted ways which happens

190

00:07:50,290 --> 00:07:48,020

so we I've been

191

00:07:51,309 --> 00:07:50,300

messing around with ways that I'm pretty

192

00:07:52,629 --> 00:07:51,319

sure I'm just going to put it on the

193

00:07:53,800 --> 00:07:52,639

website at some point cold Oh people

194

00:07:55,839 --> 00:07:53,810

could read it because I loved it it was

195

00:07:57,369 --> 00:07:55,849

a labor of love and I even if I have

196

00:07:59,350 --> 00:07:57,379

become a better writer since then and I

197

00:08:01,950 --> 00:07:59,360

know Joe has become a better artist and

198

00:08:05,619 --> 00:08:01,960

son Joe's amazing but that book is all

199

00:08:08,499 --> 00:08:05,629

he worked his butt off

200

00:08:10,540 --> 00:08:08,509

yeah it shows and it painted in these

201
00:08:12,610 --> 00:08:10,550
whites and blacks and grays and I'm like

202
00:08:14,320 --> 00:08:12,620
my writing is OK in that book it has

203
00:08:17,439 --> 00:08:14,330
made a million times better by how

204
00:08:18,999 --> 00:08:17,449
beautiful Joe's work I cannot sing the

205
00:08:22,240 --> 00:08:19,009
praises of that enough it's phenomenal

206
00:08:24,730 --> 00:08:22,250
yeah it's a really cool book and I know

207
00:08:26,290 --> 00:08:24,740
we can then wrote many intro for it I

208
00:08:28,600 --> 00:08:26,300
did yes

209
00:08:31,300 --> 00:08:28,610
forward Angela which was a complete

210
00:08:33,850 --> 00:08:31,310
honor it was really interesting it you

211
00:08:35,980 --> 00:08:33,860
know it follows this young girl and

212
00:08:38,170 --> 00:08:35,990
please forgive me if I'm butchering this

213
00:08:41,139 --> 00:08:38,180

but she was a demon yes she's

214

00:08:43,839 --> 00:08:41,149

technically she's all about 225 years

215

00:08:46,030 --> 00:08:43,849

old her human body but she was possessed

216

00:08:48,040 --> 00:08:46,040

by a demon and it's this whole race of

217

00:08:49,870 --> 00:08:48,050

like demon children they can only

218

00:08:52,269 --> 00:08:49,880

possess people who are under the age of

219

00:08:53,230 --> 00:08:52,279

11 because up until 11 your soul is not

220

00:08:56,470 --> 00:08:53,240

fully developed

221

00:08:58,030 --> 00:08:56,480

and a lot like people yeah right yeah I

222

00:08:59,620 --> 00:08:58,040

was fair I'm always I've always been

223

00:09:01,210 --> 00:08:59,630

obsessed with like adding mythology to

224

00:09:02,470 --> 00:09:01,220

things to like for my first comic book I

225

00:09:05,530 --> 00:09:02,480

was like I want to do something that's

226

00:09:06,850 --> 00:09:05,540

steeped in its own mythology but my

227

00:09:08,410 --> 00:09:06,860

problem was I was like I'm not gonna

228

00:09:10,210 --> 00:09:08,420

fill people in on that they're gonna

229

00:09:12,639 --> 00:09:10,220

figure it out by context clues and it

230

00:09:14,590 --> 00:09:12,649

was a very much an early writers mistake

231

00:09:17,230 --> 00:09:14,600

of being like let's leave him in the dog

232

00:09:20,230 --> 00:09:17,240

let's treat him with mushrooms they're

233

00:09:22,150 --> 00:09:20,240

not gonna know nothing um but it's still

234

00:09:24,010 --> 00:09:22,160

yeah it's still very fun it's about her

235

00:09:25,569 --> 00:09:24,020

she's been in the characters name is

236

00:09:27,760 --> 00:09:25,579

Gwendolyn she's been in a self-imposed

237

00:09:31,660 --> 00:09:27,770

exile for about a hundred years and then

238

00:09:34,120 --> 00:09:31,670

there's this new creation this new birth

239

00:09:35,680 --> 00:09:34,130

of another of her kind which there also

240

00:09:37,060 --> 00:09:35,690

hasn't been for a hundred years that was

241

00:09:39,970 --> 00:09:37,070

part of the truce and that brings her

242

00:09:41,350 --> 00:09:39,980

out of her exile so and then so yeah it

243

00:09:43,240 --> 00:09:41,360

goes from there's this mystery to find

244

00:09:46,660 --> 00:09:43,250

out how this births happened and why and

245

00:09:50,260 --> 00:09:46,670

and then it also tells the story of this

246

00:09:52,960 --> 00:09:50,270

character named Jerome whose niece was

247

00:09:55,810 --> 00:09:52,970

kidnapped and it's his story running

248

00:09:57,150 --> 00:09:55,820

parallel to gwendolyn's and uh yeah it

249

00:09:59,620 --> 00:09:57,160

was a lot of fun it was definitely

250

00:10:00,720 --> 00:09:59,630

that's the most of one thing that I've

251
00:10:02,850 --> 00:10:00,730
ever written

252
00:10:04,590 --> 00:10:02,860
there's I wrote we wrote the fight that

253
00:10:07,500 --> 00:10:04,600
the first volume is about five issues we

254
00:10:09,960 --> 00:10:07,510
wrote five drug drew five he actually

255
00:10:11,759 --> 00:10:09,970
drew six there is a sixth out there we

256
00:10:13,319 --> 00:10:11,769
just never got around like certain

257
00:10:14,759 --> 00:10:13,329
things held up getting it out there and

258
00:10:17,310 --> 00:10:14,769
we also wanted to release the second

259
00:10:19,139 --> 00:10:17,320
volume as one piece as well right but I

260
00:10:21,389 --> 00:10:19,149
wrote out ten scripts like there was ten

261
00:10:23,250 --> 00:10:21,399
like it's out there and I tied it off at

262
00:10:25,319 --> 00:10:23,260
the end to and there was always had

263
00:10:27,030 --> 00:10:25,329

these big grand plans well I love

264

00:10:29,790 --> 00:10:27,040

looking into the future especially with

265

00:10:31,560 --> 00:10:29,800

stuff like comic books and I always love

266

00:10:33,900 --> 00:10:31,570

people like Geoff Johns or Scott Snyder

267

00:10:35,879 --> 00:10:33,910

who can take something at the beginning

268

00:10:38,220 --> 00:10:35,889

of their run on like Batman or Green

269

00:10:40,889 --> 00:10:38,230

Lantern and have it tie all the way back

270

00:10:42,060 --> 00:10:40,899

like four years later so that's that was

271

00:10:43,439 --> 00:10:42,070

always in the front of my head when I

272

00:10:45,210 --> 00:10:43,449

was writing that book was I was like

273

00:10:47,790 --> 00:10:45,220

what can I set up now that could come

274

00:10:49,050 --> 00:10:47,800

back later in a real satisfying way you

275

00:10:51,030 --> 00:10:49,060

know who would you say is your biggest

276

00:10:53,910 --> 00:10:51,040

inspiration when it comes to your

277

00:10:56,310 --> 00:10:53,920

writing woo I know it probably varies

278

00:10:58,139 --> 00:10:56,320

from yeah I'm ready um Geoff Johns is

279

00:11:00,600 --> 00:10:58,149

definitely up there I love Geoff Johns

280

00:11:04,230 --> 00:11:00,610

is Geoff Johns is the first comic book

281

00:11:06,300 --> 00:11:04,240

writer who I ever recognized it was one

282

00:11:08,040 --> 00:11:06,310

of these things where I was I had a

283

00:11:09,870 --> 00:11:08,050

bunch of I remember I mainly started

284

00:11:11,009 --> 00:11:09,880

collecting just like collections like a

285

00:11:12,689 --> 00:11:11,019

lot of people will just call them

286

00:11:14,009 --> 00:11:12,699

graphic novels but it's a lot of times

287

00:11:17,550 --> 00:11:14,019

like what people consider to be a

288

00:11:20,970 --> 00:11:17,560

graphic novel is issued 23 through issue

289

00:11:24,360 --> 00:11:20,980

27 just collected in one in one easy to

290

00:11:26,220 --> 00:11:24,370

hold collection so that's what I really

291

00:11:27,629 --> 00:11:26,230

started with because I get these all the

292

00:11:29,250 --> 00:11:27,639

time and I started notice I was like I

293

00:11:30,750 --> 00:11:29,260

really like this book or this collection

294

00:11:32,370 --> 00:11:30,760

and this collection and I really like

295

00:11:34,980 --> 00:11:32,380

this one and I was like wait those are

296

00:11:36,420 --> 00:11:34,990

all written by the same guy um and that

297

00:11:39,600 --> 00:11:36,430

just kind of started that there and he

298

00:11:41,910 --> 00:11:39,610

was like that was I love DC Comics and

299

00:11:43,889 --> 00:11:41,920

he was like DC's number one guy now I

300

00:11:46,199 --> 00:11:43,899

mean he's even more so that now but this

301
00:11:48,990 --> 00:11:46,209
is at a point where he was writing five

302
00:11:50,910 --> 00:11:49,000
comic books a month wishes cool race I

303
00:11:53,639 --> 00:11:50,920
can't even imagine yeah it's and that's

304
00:11:55,290 --> 00:11:53,649
22 pages a book completely different

305
00:11:56,759 --> 00:11:55,300
stories all tied to all these other

306
00:11:58,699 --> 00:11:56,769
things and that's why I like he's you

307
00:12:00,960 --> 00:11:58,709
know in charge of the movies now right

308
00:12:03,480 --> 00:12:00,970
so I love Geoff Johns and I've always

309
00:12:05,340 --> 00:12:03,490
loved Stephen King as well

310
00:12:06,569 --> 00:12:05,350
Stephen kid liked comic book guys nice

311
00:12:08,250 --> 00:12:06,579
gesture I could go on and on with

312
00:12:11,130 --> 00:12:08,260
different inspirations I get from

313
00:12:13,449 --> 00:12:11,140

different people Grant Morrison I always

314

00:12:15,970 --> 00:12:13,459

suggest people because he's just weird

315

00:12:18,759 --> 00:12:15,980

it's just and so unabashedly like

316

00:12:21,100 --> 00:12:18,769

doesn't care just weird and they're

317

00:12:22,900 --> 00:12:21,110

doing he did this story called happy I

318

00:12:24,609 --> 00:12:22,910

feel like I'm rambling a little bit if I

319

00:12:26,980 --> 00:12:24,619

ever go once people get me start talking

320

00:12:28,840 --> 00:12:26,990

about compostable there's no mosquitoes

321

00:12:30,220 --> 00:12:28,850

real quick yeah there's a book that he

322

00:12:33,400 --> 00:12:30,230

wrote that's called happy it's for

323

00:12:35,769 --> 00:12:33,410

issues it is sin city meets Care Bears

324

00:12:38,290 --> 00:12:35,779

and I said meat it's a wonderful life

325

00:12:40,210 --> 00:12:38,300

it's about this hit man who on Christmas

326

00:12:42,160 --> 00:12:40,220

Eve is visited by this little blue

327

00:12:44,199 --> 00:12:42,170

flying horse that is trying to get him

328

00:12:45,699 --> 00:12:44,209

to save this little girl it's fantastic

329

00:12:46,869 --> 00:12:45,709

it's only forest she's it's so good and

330

00:12:48,850 --> 00:12:46,879

they're doing a TV show of it with

331

00:12:51,249 --> 00:12:48,860

Christopher Meloni for Syfy oh my god

332

00:12:53,169 --> 00:12:51,259

yes for with one of the guys one of the

333

00:12:54,819 --> 00:12:53,179

crank directors being the director and

334

00:12:57,069 --> 00:12:54,829

executive producer that Neville diamond

335

00:12:58,720 --> 00:12:57,079

Terrell Taylor yeah yeah it's perfect

336

00:13:01,449 --> 00:12:58,730

comic books I can go all day

337

00:13:04,509 --> 00:13:01,459

I love Stephen King I'm a big steamin

338

00:13:08,590 --> 00:13:04,519

King there's something about a he is

339

00:13:10,809 --> 00:13:08,600

always for a man who seems like a pretty

340

00:13:12,790 --> 00:13:10,819

regular dude who lived like you know for

341

00:13:14,319 --> 00:13:12,800

all intents and purposes a regular life

342

00:13:15,639 --> 00:13:14,329

he was a school teacher and then just

343

00:13:16,809 --> 00:13:15,649

struck a big as an author and it's been

344

00:13:18,519 --> 00:13:16,819

running since end and was you know

345

00:13:23,590 --> 00:13:18,529

arguably one of the biggest pop culture

346

00:13:25,449 --> 00:13:23,600

authors in our time with and he yet he

347

00:13:26,889 --> 00:13:25,459

still is able to get these emotions for

348

00:13:28,389 --> 00:13:26,899

people that like I don't know if he's

349

00:13:30,160 --> 00:13:28,399

ever met like a little chubby

350

00:13:31,389 --> 00:13:30,170

fourteen-year-old that lived in Maine or

351

00:13:34,090 --> 00:13:31,399

I don't know if he's ever met like a

352

00:13:37,210 --> 00:13:34,100

little boy who's in a giant hotel with

353

00:13:39,669 --> 00:13:37,220

his dad but it's you feel like he has he

354

00:13:40,749 --> 00:13:39,679

I feel like he had no exact he knows

355

00:13:42,249 --> 00:13:40,759

exactly what they're going through

356

00:13:44,970 --> 00:13:42,259

there's this emotion there's also this

357

00:13:47,559 --> 00:13:44,980

crazy ability that he has which is -

358

00:13:49,389 --> 00:13:47,569

it's like a narrative stream of

359

00:13:51,429 --> 00:13:49,399

consciousness it's like this mix of

360

00:13:52,720 --> 00:13:51,439

somebody will be talking it will be from

361

00:13:54,879 --> 00:13:52,730

somebody's point of view and then they

362

00:13:57,189 --> 00:13:54,889

will something will slip out in such

363

00:14:00,400 --> 00:13:57,199

this casual way that is such a deep

364

00:14:01,679 --> 00:14:00,410

personal in like thought that the kind

365

00:14:04,090 --> 00:14:01,689

of things that we never say out loud

366

00:14:06,579 --> 00:14:04,100

right and it's just in there just

367

00:14:09,069 --> 00:14:06,589

naturally for every character and every

368

00:14:11,499 --> 00:14:09,079

time it is spot-on as to what this

369

00:14:14,079 --> 00:14:11,509

person is probably thinking um and I

370

00:14:17,049 --> 00:14:14,089

just envy that to no end well yeah he's

371

00:14:18,340 --> 00:14:17,059

able to just tap into that every I feel

372

00:14:20,470 --> 00:14:18,350

like the biggest note you can get as a

373

00:14:24,400 --> 00:14:20,480

writer there at least one that I often

374

00:14:25,420 --> 00:14:24,410

get is that somebody will see one

375

00:14:26,680 --> 00:14:25,430

character in

376

00:14:28,650 --> 00:14:26,690

something that I've written and like I

377

00:14:30,940 --> 00:14:28,660

feel like you like that character a lot

378

00:14:33,070 --> 00:14:30,950

you should put that love into the other

379

00:14:36,639 --> 00:14:33,080

characters that you have and sometimes

380

00:14:39,250 --> 00:14:36,649

it's you know even doing that will can

381

00:14:40,810 --> 00:14:39,260

only accomplish so much Stephen King

382

00:14:43,060 --> 00:14:40,820

loves every single character that he

383

00:14:46,449 --> 00:14:43,070

writes and it shows in the way that they

384

00:14:48,250 --> 00:14:46,459

are presented it's crazy yeah so yeah

385

00:14:50,800 --> 00:14:48,260

those are definitely up there on my

386

00:14:52,810 --> 00:14:50,810

influences writing wise I'd say those

387

00:14:54,310 --> 00:14:52,820

are some really good children for sure

388

00:14:56,470 --> 00:14:54,320

well writing is though we spend

389

00:14:58,900 --> 00:14:56,480

something that you and I have related on

390

00:15:00,550 --> 00:14:58,910

and we had in common but you know there

391

00:15:02,650 --> 00:15:00,560

are things that set us apart

392

00:15:05,620 --> 00:15:02,660

we have comic books we have theatre we

393

00:15:09,280 --> 00:15:05,630

have writing uh I have always been

394

00:15:11,230 --> 00:15:09,290

obsessed with UFOs even aliens this is

395

00:15:14,829 --> 00:15:11,240

apparent I have a podcast I read the

396

00:15:16,900 --> 00:15:14,839

book we could go on for days but we've

397

00:15:19,930 --> 00:15:16,910

never really sat down and had a

398

00:15:21,970 --> 00:15:19,940

discussion on this topic as friends and

399

00:15:22,720 --> 00:15:21,980

colleagues so I kind of wanted to do

400

00:15:25,540 --> 00:15:22,730

that today

401

00:15:27,100 --> 00:15:25,550

so if you if you're up for it man

402

00:15:28,660 --> 00:15:27,110

let's do it I'll robot it I'm all about

403

00:15:31,750 --> 00:15:28,670

it I'll be excited about this because I

404

00:15:34,449 --> 00:15:31,760

said I am a I am a willing skeptic I

405

00:15:37,030 --> 00:15:34,459

would love to believe a lot of different

406

00:15:38,680 --> 00:15:37,040

things like I was raised Catholic and no

407

00:15:40,500 --> 00:15:38,690

longer Catholic I would consider myself

408

00:15:42,850 --> 00:15:40,510

I would not

409

00:15:44,350 --> 00:15:42,860

agnostic and atheist and all these

410

00:15:46,720 --> 00:15:44,360

different things like I think agnostic

411

00:15:48,490 --> 00:15:46,730

is the one where you I would be open to

412

00:15:49,660 --> 00:15:48,500

the idea of there being like some kind

413

00:15:51,310 --> 00:15:49,670

of how higher power is something

414

00:15:53,410 --> 00:15:51,320

different out there but there's just

415

00:15:57,430 --> 00:15:53,420

nothing for me that has proven that yet

416

00:15:58,750 --> 00:15:57,440

and the same could be said for UFOs and

417

00:16:01,090 --> 00:15:58,760

also another thing that we talk about

418

00:16:03,040 --> 00:16:01,100

often which is the the paranormal

419

00:16:05,440 --> 00:16:03,050

because there are certain things that I

420

00:16:07,180 --> 00:16:05,450

almost feel like and I feel like I might

421

00:16:09,579 --> 00:16:07,190

be if I'm jumping ahead please feel free

422

00:16:12,610 --> 00:16:09,589

to stop me but I am when it comes to

423

00:16:16,120 --> 00:16:12,620

things like cryptozoology I don't

424

00:16:17,829 --> 00:16:16,130

consider to be crazy at all I I'd like I

425

00:16:19,630 --> 00:16:17,839

would believe a Bigfoot or a loch ness

426

00:16:22,569 --> 00:16:19,640

monster way before i would believe a

427

00:16:23,710 --> 00:16:22,579

possession or an abduction and that's

428

00:16:27,519 --> 00:16:23,720

just how I am

429

00:16:29,110 --> 00:16:27,529

yeah but it's I would want to and then

430

00:16:30,610 --> 00:16:29,120

there's things like with what happened

431

00:16:32,079 --> 00:16:30,620

with Jupiter I don't know when this will

432

00:16:33,670 --> 00:16:32,089

be coming out who knows things could

433

00:16:35,860 --> 00:16:33,680

have changed by then but we're finding

434

00:16:37,480 --> 00:16:35,870

water and moons on the moons of Jupiter

435

00:16:38,829 --> 00:16:37,490

that could sustain life and stuff like

436

00:16:39,629 --> 00:16:38,839

that so hey you know what if that

437

00:16:42,730 --> 00:16:39,639

changed

438

00:16:45,910 --> 00:16:42,740

I'm out of here whatever that I lose I'm

439

00:16:48,340 --> 00:16:45,920

willing I am willing to believe but

440

00:16:50,949 --> 00:16:48,350

nothing has pushed me over that Plateau

441

00:16:54,129 --> 00:16:50,959

boy yet that's that's that's a good

442

00:16:55,689 --> 00:16:54,139

point the the idea of a more scientific

443

00:16:57,490 --> 00:16:55,699

approach to the you know the idea that

444

00:17:00,009 --> 00:16:57,500

there could be some sort of

445

00:17:02,889 --> 00:17:00,019

single-celled organism or a bacteria on

446

00:17:06,370 --> 00:17:02,899

the water autumn moon ok let's go from

447

00:17:07,689 --> 00:17:06,380

there that's an extremely scientific

448

00:17:10,960 --> 00:17:07,699

approach to looking at the

449

00:17:13,600 --> 00:17:10,970

extraterrestrial possibility but many

450

00:17:16,960 --> 00:17:13,610

people here on earth believe that they

451
00:17:19,210 --> 00:17:16,970
they have either personally been visited

452
00:17:21,669 --> 00:17:19,220
like some sort of non-human intelligence

453
00:17:23,130 --> 00:17:21,679
or that whatever these UFOs are flying

454
00:17:25,840 --> 00:17:23,140
around that they are in fact

455
00:17:28,750 --> 00:17:25,850
extraterrestrial so there is this huge

456
00:17:32,919 --> 00:17:28,760
dichotomy between the hardcore believers

457
00:17:34,930 --> 00:17:32,929
in the UFO phenomenon being et and those

458
00:17:37,000 --> 00:17:34,940
who are willing to say no yeah there's

459
00:17:38,500 --> 00:17:37,010
got to be life out there mathematically

460
00:17:40,870 --> 00:17:38,510
it's it's a given

461
00:17:41,649 --> 00:17:40,880
so to tow that line I think is very

462
00:17:44,110 --> 00:17:41,659
important

463
00:17:46,510 --> 00:17:44,120

first of all remaining objective and to

464

00:17:48,430 --> 00:17:46,520

always have your eye on that scientific

465

00:17:52,330 --> 00:17:48,440

approach to it and what it comes down to

466

00:17:53,190 --> 00:17:52,340

me too without human beings love to feel

467

00:18:00,399 --> 00:17:53,200

special

468

00:18:03,580 --> 00:18:00,409

after God's image we are we are we have

469

00:18:06,130 --> 00:18:03,590

domain over the animals and the fish in

470

00:18:09,940 --> 00:18:06,140

the sea and we are we are the divine

471

00:18:12,370 --> 00:18:09,950

human being so of course alien life must

472

00:18:15,100 --> 00:18:12,380

be interested in picking up our least

473

00:18:16,810 --> 00:18:15,110

important people in the country and and

474

00:18:19,570 --> 00:18:16,820

studying them for several minutes

475

00:18:21,220 --> 00:18:19,580

I forget I feel like this was like a

476

00:18:23,020 --> 00:18:21,230

quote that was like used for a movie but

477

00:18:25,240 --> 00:18:23,030

it's like an actual quote but it's just

478

00:18:28,690 --> 00:18:25,250

like the quote is is something along the

479

00:18:31,930 --> 00:18:28,700

lines of either there is no other life

480

00:18:33,460 --> 00:18:31,940

in the universe or they there is and

481

00:18:36,880 --> 00:18:33,470

they want nothing to do with us either

482

00:18:39,880 --> 00:18:36,890

one is equally terrifying yes my thing

483

00:18:44,380 --> 00:18:39,890

is it's like whoa why would we be

484

00:18:48,610 --> 00:18:44,390

abducted why on this backwards divided

485

00:18:52,539 --> 00:18:48,620

planet what would some other race who

486

00:18:53,049 --> 00:18:52,549

has the ability to travel the Stars want

487

00:18:57,430 --> 00:18:53,059

to do

488

00:18:59,139 --> 00:18:57,440

with us what it's a really much believed

489

00:19:00,549 --> 00:18:59,149

in life on other planets

490

00:19:03,070 --> 00:19:00,559

sooner than I would believe that they

491

00:19:06,580 --> 00:19:03,080

would give me [h__h] about what we're

492

00:19:08,799 --> 00:19:06,590

doing he yeah there's another I would be

493

00:19:10,899 --> 00:19:08,809

perfectly willing to accept the fact

494

00:19:13,269 --> 00:19:10,909

that there is of Court of course there's

495

00:19:15,190 --> 00:19:13,279

other life out there of course there has

496

00:19:16,779 --> 00:19:15,200

to be just metallic is that

497

00:19:19,180 --> 00:19:16,789

mathematically they're just absolutely

498

00:19:23,619 --> 00:19:19,190

has to be it could be nowhere near us

499

00:19:26,499 --> 00:19:23,629

what its outfit but it transcending time

500

00:19:27,909 --> 00:19:26,509

and space in a way that either you're

501
00:19:29,950 --> 00:19:27,919
either follow in the independence day

502
00:19:32,499 --> 00:19:29,960
model and it takes them 25 years each

503
00:19:34,659 --> 00:19:32,509
cycle to get to where we are or they are

504
00:19:36,879 --> 00:19:34,669
able to do it so quick that it takes

505
00:19:38,680 --> 00:19:36,889
them like maybe a couple of hours or

506
00:19:40,720 --> 00:19:38,690
even a year like to travel light-years

507
00:19:44,710 --> 00:19:40,730
in a year that's crazy

508
00:19:47,169 --> 00:19:44,720
so why like why us why wonder what what

509
00:19:51,909 --> 00:19:47,179
what it's a good question and you know

510
00:19:55,840 --> 00:19:51,919
that's where the whole idea of this

511
00:19:57,700 --> 00:19:55,850
phenomenon and if they are here and they

512
00:20:00,070 --> 00:19:57,710
are quoting whether you know studying us

513
00:20:02,919 --> 00:20:00,080

why are we so important what makes us

514

00:20:07,210 --> 00:20:02,929

integral to them coming these vast

515

00:20:09,909 --> 00:20:07,220

distances breaking every rule of logic

516

00:20:12,850 --> 00:20:09,919

and physics that we feasibly know of on

517

00:20:17,590 --> 00:20:12,860

our planet to do that and many people

518

00:20:21,820 --> 00:20:17,600

believe that this entire idea of alien

519

00:20:26,230 --> 00:20:21,830

visitation is a anxiety it's it's it's a

520

00:20:29,739 --> 00:20:26,240

fear of another it's also an absence of

521

00:20:32,379 --> 00:20:29,749

belief in possibly a higher power a

522

00:20:34,149 --> 00:20:32,389

divinity this is now the replacement for

523

00:20:38,019 --> 00:20:34,159

Tibet when people have lost all hope in

524

00:20:39,489 --> 00:20:38,029

God in their life a lot of people will

525

00:20:40,840 --> 00:20:39,499

search for something else

526

00:20:43,060 --> 00:20:40,850

and there are many you know

527

00:20:45,369 --> 00:20:43,070

psychoanalysts have really looked into

528

00:20:47,350 --> 00:20:45,379

this and they believe that the whole

529

00:20:50,560 --> 00:20:47,360

flying saucer phenomenon came around

530

00:20:52,930 --> 00:20:50,570

back in the 50s or the late excuse-me

531

00:20:55,119 --> 00:20:52,940

really early to late forties okay you're

532

00:20:58,119 --> 00:20:55,129

looking at post-world War two everyone

533

00:21:01,090 --> 00:20:58,129

has these post-war anxieties and what

534

00:21:03,159 --> 00:21:01,100

comes next you know all this evil we

535

00:21:04,629 --> 00:21:03,169

just saw throughout the world may have

536

00:21:06,530 --> 00:21:04,639

been vanquished but when will it come

537

00:21:08,630 --> 00:21:06,540

again so then this

538

00:21:10,790 --> 00:21:08,640

manifests and manifests in two different

539

00:21:13,550 --> 00:21:10,800

things who's going to be the next enemy

540

00:21:17,180 --> 00:21:13,560

yeah area of the other comes about and

541

00:21:21,370 --> 00:21:17,190

it's such an evil such an evil that is

542

00:21:24,200 --> 00:21:21,380

almost cartoonish it all Hitler did look

543

00:21:26,540 --> 00:21:24,210

committed abominations atrocities like

544

00:21:29,000 --> 00:21:26,550

things that were maybe you like seen and

545

00:21:31,060 --> 00:21:29,010

done before but on that grander scale

546

00:21:33,890 --> 00:21:31,070

and with that kind of confidence you

547

00:21:35,720 --> 00:21:33,900

could argue that the only way to be able

548

00:21:38,840 --> 00:21:35,730

to deal with something like that

549

00:21:41,690 --> 00:21:38,850

actually happen is to believe in

550

00:21:43,250 --> 00:21:41,700

something even worse to believe that

551
00:21:45,050 --> 00:21:43,260
something could be happened because that

552
00:21:47,090 --> 00:21:45,060
the Holocaust was out of people's

553
00:21:49,190 --> 00:21:47,100
control your only it was one of the

554
00:21:52,040 --> 00:21:49,200
first times where we get to see these

555
00:21:54,290 --> 00:21:52,050
horrible things happening and we over

556
00:21:56,900 --> 00:21:54,300
here and we are all the way over here

557
00:21:59,090 --> 00:21:56,910
with very little recourse we eventually

558
00:22:00,770 --> 00:21:59,100
went in and helped and that but it took

559
00:22:03,950 --> 00:22:00,780
like a military movement people went to

560
00:22:06,110 --> 00:22:03,960
war people died to stop this evil it was

561
00:22:07,730 --> 00:22:06,120
a clear-cut these are the bad guys we

562
00:22:10,850 --> 00:22:07,740
are the good guys because they are

563
00:22:14,240 --> 00:22:10,860

murdering innocence that is a that

564

00:22:16,670 --> 00:22:14,250

messes with your head that can shift

565

00:22:18,200 --> 00:22:16,680

around that your beliefs what you know

566

00:22:20,840 --> 00:22:18,210

what you think you know what you don't

567

00:22:23,480 --> 00:22:20,850

know like everything changes so the idea

568

00:22:27,140 --> 00:22:23,490

that they could be so warped that they

569

00:22:28,940 --> 00:22:27,150

have to believe like no I can't even

570

00:22:32,240 --> 00:22:28,950

deal with what is on this planet right

571

00:22:33,950 --> 00:22:32,250

now this was something else yeah this

572

00:22:36,110 --> 00:22:33,960

was from somewhere else this is some

573

00:22:37,340 --> 00:22:36,120

other and this is writer so this around

574

00:22:39,110 --> 00:22:37,350

the forty or fifty or forties and

575

00:22:40,600 --> 00:22:39,120

fifties of the the flying cops are still

576

00:22:43,190 --> 00:22:40,610

started right during the Red Scare

577

00:22:46,760 --> 00:22:43,200

absolutely yeah yeah you know then like

578

00:22:48,650 --> 00:22:46,770

the whole idea of an invasion yes or yes

579

00:22:50,090 --> 00:22:48,660

yeah because isn't that pretty much what

580

00:22:52,370 --> 00:22:50,100

invasion of the body snatchers as a

581

00:22:54,920 --> 00:22:52,380

metaphor for us all the kinda nism yeah

582

00:22:58,660 --> 00:22:54,930

if any of the early be sci-fi movies as

583

00:23:03,110 --> 00:22:58,670

they come we're a direct commentary on

584

00:23:06,350 --> 00:23:03,120

communism and the scare of not only the

585

00:23:08,260 --> 00:23:06,360

Red Scare but the idea of these weapons

586

00:23:10,310 --> 00:23:08,270

being built that were so touched

587

00:23:11,990 --> 00:23:10,320

technologically as to what we knew

588

00:23:14,450 --> 00:23:12,000

before then they could wipe out the

589

00:23:17,480 --> 00:23:14,460

entire planet right yeah yes absolutely

590

00:23:18,980 --> 00:23:17,490

and your to now yes and that is where

591

00:23:19,710 --> 00:23:18,990

things get concerning that's when I

592

00:23:23,220 --> 00:23:19,720

start to under

593

00:23:25,590 --> 00:23:23,230

stand why they would want something to

594

00:23:27,330 --> 00:23:25,600

do with us because we are capable of

595

00:23:30,539 --> 00:23:27,340

that kind of destruction but even then

596

00:23:32,190 --> 00:23:30,549

it's Flik let them destroy themselves

597

00:23:33,750 --> 00:23:32,200

and we'll come in and pick the pick up

598

00:23:35,520 --> 00:23:33,760

the pieces I think if we're ever to be

599

00:23:39,299 --> 00:23:35,530

visited by alien life we will be the

600

00:23:42,810 --> 00:23:39,309

milonga many people are risk we act

601
00:23:45,090 --> 00:23:42,820
we're a risk if I see the Earth Stood

602
00:23:48,210 --> 00:23:45,100
Still Bofors and we do not handle that

603
00:23:51,390 --> 00:23:48,220
very well that is a good point I mean a

604
00:23:54,060 --> 00:23:51,400
lot of people believe that the the first

605
00:23:56,190 --> 00:23:54,070
time you know it is putting aside the

606
00:23:58,140 --> 00:23:56,200
entire idea of ancient arrival man

607
00:24:01,470 --> 00:23:58,150
arrival I think nailed it beautifully

608
00:24:03,840 --> 00:24:01,480
this idea that our first atomic bomb

609
00:24:06,570 --> 00:24:03,850
when it was detonated was literally a

610
00:24:08,909 --> 00:24:06,580
beacon to any life out there and look at

611
00:24:10,740 --> 00:24:08,919
what that little thing on the distance

612
00:24:12,330 --> 00:24:10,750
that we never bothered to even look at

613
00:24:14,880 --> 00:24:12,340

look at what they just did yeah

614

00:24:17,970 --> 00:24:14,890

blatantly that thing could be seen from

615

00:24:20,010 --> 00:24:17,980

space and then 72 years later we're like

616

00:24:22,380 --> 00:24:20,020

let's fire up the tesseract to boom

617

00:24:24,720 --> 00:24:22,390

there beacon just that's calling up it

618

00:24:27,570 --> 00:24:24,730

was like oh there's a girl outside yeah

619

00:24:31,049 --> 00:24:27,580

now Akari once again he slips into comic

620

00:24:32,640 --> 00:24:31,059

books I have to apologize but well let's

621

00:24:36,120 --> 00:24:32,650

let's talk about that

622

00:24:38,220 --> 00:24:36,130

that idea of invasion of another there's

623

00:24:40,110 --> 00:24:38,230

something we've recently been yeah that

624

00:24:41,610 --> 00:24:40,120

you you personally found adventurous

625

00:24:42,630 --> 00:24:41,620

thing really excited me because it's

626

00:24:45,060 --> 00:24:42,640

something I haven't thought about in a

627

00:24:46,799 --> 00:24:45,070

while or the world's man yeah the radio

628

00:24:49,020 --> 00:24:46,809

program got just the book not the

629

00:24:51,419 --> 00:24:49,030

classic piece of literature right but a

630

00:24:54,770 --> 00:24:51,429

radio presentation directed by and

631

00:24:56,850 --> 00:24:54,780

starring won Orson Welles the

632

00:24:59,010 --> 00:24:56,860

Broadcasting System and its affiliated

633

00:25:01,590 --> 00:24:59,020

stations resent Orson Welles and the

634

00:25:04,440 --> 00:25:01,600

Mercury Theatre on the air in the war of

635

00:25:06,570 --> 00:25:04,450

the worlds by HD well we know now that

636

00:25:09,480 --> 00:25:06,580

in the early years of the 20th century

637

00:25:13,260 --> 00:25:09,490

this world was being watched closely by

638

00:25:17,100 --> 00:25:13,270

intelligences greater than man's and yet

639

00:25:19,169 --> 00:25:17,110

as mortal as his own we know now that as

640

00:25:22,200 --> 00:25:19,179

human beings visit themselves about

641

00:25:24,480 --> 00:25:22,210

their various concerns with infinite

642

00:25:27,299 --> 00:25:24,490

complacency people went to and probe the

643

00:25:29,190 --> 00:25:27,309

earth about their little Affairs serene

644

00:25:32,159 --> 00:25:29,200

and the assurance of their dominion over

645

00:25:33,010 --> 00:25:32,169

this small spinning fragment of solar

646

00:25:36,460 --> 00:25:33,020

driftwood

647

00:25:38,350 --> 00:25:36,470

which by chance or design man has

648

00:25:39,660 --> 00:25:38,360

inherited out of the dark mystery of

649

00:25:42,310 --> 00:25:39,670

time and space

650

00:25:44,440 --> 00:25:42,320

yeah who was a radio broadcast of war

651
00:25:47,850 --> 00:25:44,450
the world that the first I think that

652
00:25:51,610 --> 00:25:47,860
first two segments were done like actual

653
00:25:55,510 --> 00:25:51,620
news bolt yes of an alien or James just

654
00:25:57,669 --> 00:25:55,520
me it was it was so well done as we'll

655
00:25:59,740 --> 00:25:57,679
get into that it very well could have

656
00:26:01,690 --> 00:25:59,750
been happening yeah and if it freaked

657
00:26:04,090 --> 00:26:01,700
it's debatable about how many people had

658
00:26:06,040 --> 00:26:04,100
freaked out and I love I think there was

659
00:26:07,210 --> 00:26:06,050
a maybe you had cuz everybody said you

660
00:26:08,950 --> 00:26:07,220
pulled some quotes but there's some

661
00:26:11,919 --> 00:26:08,960
horse and well set or know there's

662
00:26:13,780 --> 00:26:11,929
something HG Wells said uh at one point

663
00:26:15,669 --> 00:26:13,790

him and Orson Welles finally sit down to

664

00:26:17,890 --> 00:26:15,679

talk about it years after it happened

665

00:26:21,520 --> 00:26:17,900

happens when my Massachusetts come out

666

00:26:23,530 --> 00:26:21,530

um and he says something along the lines

667

00:26:25,750 --> 00:26:23,540

of you know like it's just like when

668

00:26:27,790 --> 00:26:25,760

somebody sees a ghost they're still like

669

00:26:29,500 --> 00:26:27,800

you see there is you see a person in the

670

00:26:31,390 --> 00:26:29,510

sheet and you know it's a person in the

671

00:26:33,250 --> 00:26:31,400

sheet but you still like you know you

672

00:26:34,810 --> 00:26:33,260

act scared and you run away yeah but

673

00:26:36,730 --> 00:26:34,820

that it's like that's what was the

674

00:26:38,950 --> 00:26:36,740

reaction to people here in more of the

675

00:26:42,100 --> 00:26:38,960

world when they get on a plane or

676
00:26:44,680 --> 00:26:42,110
something happening I'm sure this rising

677
00:26:46,610 --> 00:26:44,690
out of the pit and they got a small beam

678
00:26:48,410 --> 00:26:46,620
of light against the mirror

679
00:26:51,180 --> 00:26:48,420
[Music]

680
00:26:54,410 --> 00:26:51,190
he said the plain string as an amenity

681
00:26:57,420 --> 00:26:54,420
flutterby bashing men slicing head on

682
00:26:59,910 --> 00:26:57,430
Lord to tell you the place if you

683
00:27:00,450 --> 00:26:59,920
spotted by the woods of private stash

684
00:27:02,070 --> 00:27:00,460
pegs

685
00:27:04,140 --> 00:27:02,080
thanks to the automobile spreading

686
00:27:05,880 --> 00:27:04,150
everywhere coming this way doubt car 20

687
00:27:08,610 --> 00:27:05,890
our enemy is now in sight above the

688
00:27:11,130 --> 00:27:08,620

Palisades five people in the street see

689

00:27:13,770 --> 00:27:11,140

it now they're running toward the East

690

00:27:16,710 --> 00:27:13,780

River thousands of them dropping in like

691

00:27:20,460 --> 00:27:16,720

rats now the smoke spreading faster it

692

00:27:22,580 --> 00:27:20,470

leaps Times Square people are trying to

693

00:27:26,730 --> 00:27:22,590

run away from it but it's no you think

694

00:27:28,700 --> 00:27:26,740

they're falling like flies yeah they

695

00:27:30,990 --> 00:27:28,710

knew but they still like it's part of a

696

00:27:33,150 --> 00:27:31,000

Halloween it's part of like as it would

697

00:27:35,190 --> 00:27:33,160

like it part of the fun right this was

698

00:27:37,410 --> 00:27:35,200

Broadway Halloween is yeah you know if

699

00:27:40,440 --> 00:27:37,420

not many people knew that um but yeah

700

00:27:43,620 --> 00:27:40,450

this idea that there was like a third of

701
00:27:46,290 --> 00:27:43,630
the listenership who genuinely and this

702
00:27:48,240 --> 00:27:46,300
was an alien invasion happening the rest

703
00:27:50,280 --> 00:27:48,250
of the people who were tuning in

704
00:27:53,100 --> 00:27:50,290
sporadically throughout the the

705
00:27:55,470 --> 00:27:53,110
broadcasts they thought it was either

706
00:27:58,970 --> 00:27:55,480
some sort of natural catastrophe

707
00:28:02,610 --> 00:27:58,980
happening or the Germans so I mean again

708
00:28:04,200 --> 00:28:02,620
you know I love to then even I don't

709
00:28:05,850 --> 00:28:04,210
even think the attack on Pearl Harbor it

710
00:28:07,740 --> 00:28:05,860
happened yet in this broadcast it

711
00:28:09,210 --> 00:28:07,750
happened because right oh we know it

712
00:28:11,460 --> 00:28:09,220
couldn't have because this broadcast was

713
00:28:14,010 --> 00:28:11,470

like 1936 or so Hitler was actually

714

00:28:15,810 --> 00:28:14,020

still empowered right yes yes yes no I'm

715

00:28:17,880 --> 00:28:15,820

thinking of the when they sat down later

716

00:28:19,950 --> 00:28:17,890

on they were discussing very

717

00:28:21,390 --> 00:28:19,960

specifically because HG Wells brings up

718

00:28:23,160 --> 00:28:21,400

the fact that Britain and France were

719

00:28:24,780 --> 00:28:23,170

actively fighting in World War two when

720

00:28:27,120 --> 00:28:24,790

those two men sat down and we had not

721

00:28:30,300 --> 00:28:27,130

yet joined the conflict right so it's

722

00:28:32,130 --> 00:28:30,310

very much like oh yeah war is is you

723

00:28:33,140 --> 00:28:32,140

know war is just some spectacle until

724

00:28:36,300 --> 00:28:33,150

it's at your doorstep

725

00:28:38,580 --> 00:28:36,310

exactly that's a good point I know HG

726

00:28:41,310 --> 00:28:38,590

Wells he act when they did meet up he

727

00:28:44,250 --> 00:28:41,320

said you aren't quite serious in America

728

00:28:46,230 --> 00:28:44,260

yet right the exact quote you haven't

729

00:28:48,270 --> 00:28:46,240

got the war right under your chains and

730

00:28:50,610 --> 00:28:48,280

the consequence is you can still play

731

00:28:52,560 --> 00:28:50,620

with ideas of terror and conflict it's a

732

00:28:55,260 --> 00:28:52,570

natural thing to do until you're right

733

00:28:57,480 --> 00:28:55,270

up against it yeah you hit it on the

734

00:28:58,730 --> 00:28:57,490

head and a fun little dead people who

735

00:29:00,140 --> 00:28:58,740

really understood that

736

00:29:02,330 --> 00:29:00,150

fun little side note as the writers of

737

00:29:04,190 --> 00:29:02,340

Superman at the time because if if

738

00:29:06,140 --> 00:29:04,200

Superman ever punches a Nazi I think

739

00:29:07,430 --> 00:29:06,150

it's maybe in like one cover of some

740

00:29:09,020 --> 00:29:07,440

issue or maybe it was just on the cover

741

00:29:11,630 --> 00:29:09,030

is never a story because they were just

742

00:29:13,460 --> 00:29:11,640

like it's incentive to have this guy go

743

00:29:16,100 --> 00:29:13,470

you sent Superman over to Germany World

744

00:29:17,660 --> 00:29:16,110

War two is over in ten minutes but then

745

00:29:20,600 --> 00:29:17,670

it's still there the next day when you

746

00:29:22,130 --> 00:29:20,610

wake up yeah so it's it's true like

747

00:29:23,750 --> 00:29:22,140

we're not always America is not always

748

00:29:25,160 --> 00:29:23,760

the best with that stuff until it's

749

00:29:26,810 --> 00:29:25,170

happening to us and then we're like now

750

00:29:29,330 --> 00:29:26,820

wait a minute yes this is not to joke

751

00:29:32,120 --> 00:29:29,340

about this is a serious thing that we

752

00:29:32,960 --> 00:29:32,130

were joking about last year well I mean

753

00:29:35,930 --> 00:29:32,970

let's

754

00:29:38,360 --> 00:29:35,940

you know the broadcast aside it was

755

00:29:40,130 --> 00:29:38,370

interesting in you know there is a lot

756

00:29:42,290 --> 00:29:40,140

of controversy on you know did people

757

00:29:44,540 --> 00:29:42,300

people actually like leave their homes

758

00:29:45,799 --> 00:29:44,550

did people actually commit suicide

759

00:29:47,570 --> 00:29:45,809

thinking this is the end of the world

760

00:29:49,160 --> 00:29:47,580

that's all up for debate you know

761

00:29:51,470 --> 00:29:49,170

there's been no irrefutable evidence

762

00:29:53,450 --> 00:29:51,480

that these things happen apparently it

763

00:29:55,790 --> 00:29:53,460

was greatly exaggerated but people did

764

00:29:57,890 --> 00:29:55,800

yeah panic a lot of people called C bail

765

00:29:59,480 --> 00:29:57,900

like the phone lines of CBS were ringing

766

00:30:01,220 --> 00:29:59,490

off the hook he's like that's that is

767

00:30:03,350 --> 00:30:01,230

proof enough in itself and this is a

768

00:30:05,510 --> 00:30:03,360

time when it's not like somebody was

769

00:30:07,520 --> 00:30:05,520

like change the channel it's like if you

770

00:30:09,740 --> 00:30:07,530

change the check yeah three other radio

771

00:30:11,480 --> 00:30:09,750

stations to let me fix it this one and

772

00:30:15,500 --> 00:30:11,490

you can listen a little Orphan Annie

773

00:30:15,830 --> 00:30:15,510

thank you bullet and you know even Orson

774

00:30:18,260 --> 00:30:15,840

Welles

775

00:30:19,880 --> 00:30:18,270

he admitted like we do these kind of

776

00:30:23,150 --> 00:30:19,890

shows all the time why is this going on

777

00:30:25,610 --> 00:30:23,160

everyone's now he said the technique I

778

00:30:28,580 --> 00:30:25,620

used was not original it was not even

779

00:30:30,230 --> 00:30:28,590

new I anticipated nothing unusual so

780

00:30:32,120 --> 00:30:30,240

then people asked you know do you think

781

00:30:34,160 --> 00:30:32,130

you should have toned it down a little

782

00:30:36,440 --> 00:30:34,170

bit you know the language the brutality

783

00:30:38,810 --> 00:30:36,450

going on in this alien invasion and he

784

00:30:41,030 --> 00:30:38,820

said no you don't play murder in soft

785

00:30:45,049 --> 00:30:41,040

words which is always a beautiful ah

786

00:30:47,810 --> 00:30:45,059

he's the first is the everybody at home

787

00:30:49,160 --> 00:30:47,820

if you know who Orson Welles is if you

788

00:30:51,890 --> 00:30:49,170

don't know who are us and Welles is

789

00:30:56,240 --> 00:30:51,900

going YouTube right now and type in

790

00:30:59,780 --> 00:30:56,250

Orson Welles drunk and watch him do a a

791

00:31:03,460 --> 00:30:59,790

commercial for champagne and the late

792

00:31:06,799 --> 00:31:03,470

70s all my song champagne and he is

793

00:31:08,900 --> 00:31:06,809

wasted oh my god it's only like a minute

794

00:31:11,240 --> 00:31:08,910

and 30 seconds we'll watch it afterwards

795

00:31:14,810 --> 00:31:11,250

okay one of the funniest things of a

796

00:31:16,550 --> 00:31:14,820

heard my entire life oh god I'm just out

797

00:31:18,140 --> 00:31:16,560

of it and this is a man classically

798

00:31:18,770 --> 00:31:18,150

trained act one of the best actors that

799

00:31:20,240 --> 00:31:18,780

ever lived

800

00:31:22,820 --> 00:31:20,250

created what a lot of people consider

801
00:31:24,470 --> 00:31:22,830
one of you the best to be at least even

802
00:31:26,480 --> 00:31:24,480
if people will say like oh well it's not

803
00:31:28,370 --> 00:31:26,490
the best film anymore it changed citizen

804
00:31:30,530 --> 00:31:28,380
game changed in the way movies are made

805
00:31:32,480 --> 00:31:30,540
just like Avatar yes

806
00:31:35,150 --> 00:31:32,490
I just put Citizen Kane and Avatar in

807
00:31:37,460 --> 00:31:35,160
the same cooler line hey you know what

808
00:31:37,910 --> 00:31:37,470
that's is that guys I love I love her

809
00:31:40,820 --> 00:31:37,920
locker

810
00:31:43,820 --> 00:31:40,830
avatar changed the way movies are made

811
00:31:45,710 --> 00:31:43,830
we do CG differently now we have those

812
00:31:47,570 --> 00:31:45,720
awesome Planet of the Apes movies now

813
00:31:50,120 --> 00:31:47,580

because of avatar that's a good point

814

00:31:53,660 --> 00:31:50,130

yeah but yeah where the world is

815

00:31:54,920 --> 00:31:53,670

something where it's what I want one of

816

00:31:58,240 --> 00:31:54,930

the reasons I wanted to bring it up is

817

00:32:01,220 --> 00:31:58,250

because at the time all it took was

818

00:32:03,430 --> 00:32:01,230

there being one outlet for how people

819

00:32:06,080 --> 00:32:03,440

received entertainment at home and

820

00:32:07,640 --> 00:32:06,090

something that was not necessarily new

821

00:32:11,660 --> 00:32:07,650

but people are still getting used to a

822

00:32:13,460 --> 00:32:11,670

little bit hey something like the a war

823

00:32:15,770 --> 00:32:13,470

of the words whereas the world's scare

824

00:32:17,510 --> 00:32:15,780

could happen now just as easily all it

825

00:32:18,980 --> 00:32:17,520

takes is one Facebook story to start

826
00:32:21,020 --> 00:32:18,990
trending for some reason because some

827
00:32:22,730 --> 00:32:21,030
jerk thinks that it would be funny to

828
00:32:24,650 --> 00:32:22,740
throw different sources behind this and

829
00:32:26,030 --> 00:32:24,660
different people just not reading and

830
00:32:27,860 --> 00:32:26,040
just clicking and blindly being

831
00:32:29,300 --> 00:32:27,870
susceptible to whatever is thrown in

832
00:32:32,060 --> 00:32:29,310
front of them and it could happen just

833
00:32:34,310 --> 00:32:32,070
going yeah because people don't do

834
00:32:37,460 --> 00:32:34,320
research because there are things that

835
00:32:40,460 --> 00:32:37,470
are happening now that are way more

836
00:32:42,590 --> 00:32:40,470
important than something that if there

837
00:32:44,450 --> 00:32:42,600
was an alien invasion we'd know or at

838
00:32:46,370 --> 00:32:44,460

least if there was a large-scale what

839

00:32:48,830 --> 00:32:46,380

happens in more of the world so the

840

00:32:50,270 --> 00:32:48,840

giant ships coming down but somebody

841

00:32:53,090 --> 00:32:50,280

would see something like there are these

842

00:32:56,030 --> 00:32:53,100

are mono ships there are things like

843

00:32:58,310 --> 00:32:56,040

that that you wouldn't necessarily see

844

00:33:00,230 --> 00:32:58,320

but that you still shouldn't just

845

00:33:02,390 --> 00:33:00,240

believe just on face value that people

846

00:33:04,250 --> 00:33:02,400

do know research into and that's that's

847

00:33:05,990 --> 00:33:04,260

and no matter what political line you

848

00:33:08,660 --> 00:33:06,000

follow there are people that just don't

849

00:33:10,430 --> 00:33:08,670

do the research yet another reason why I

850

00:33:12,260 --> 00:33:10,440

don't think we'd be visited by aliens

851
00:33:14,690 --> 00:33:12,270
anytime soon and another reason why I

852
00:33:18,740 --> 00:33:14,700
think that something like the War of the

853
00:33:21,740 --> 00:33:18,750
Worlds Fiasco could happen now let me

854
00:33:24,240 --> 00:33:21,750
ask you this when you have the US

855
00:33:27,330 --> 00:33:24,250
government who back

856
00:33:30,210 --> 00:33:27,340
the 50s were officially investigating

857
00:33:32,760 --> 00:33:30,220
the UFO phenomenon sending people out to

858
00:33:35,640 --> 00:33:32,770
meet these people write up reports on

859
00:33:37,620 --> 00:33:35,650
what they'd seen finding any scant

860
00:33:40,710 --> 00:33:37,630
evidence that they could of what these

861
00:33:42,870 --> 00:33:40,720
things were and then I will tell you

862
00:33:45,290 --> 00:33:42,880
this coming to the conclusion that the

863
00:33:48,750 --> 00:33:45,300

most likely scenario is that it was

864

00:33:52,260 --> 00:33:48,760

alien that whatever was going on was

865

00:33:56,160 --> 00:33:52,270

extraterrestrial this was their official

866

00:33:58,470 --> 00:33:56,170

stance on it it was then stepped down by

867

00:34:00,180 --> 00:33:58,480

another committee who said no which we

868

00:34:01,800 --> 00:34:00,190

can't put that out to the public they'll

869

00:34:03,780 --> 00:34:01,810

be mass hysteria

870

00:34:06,200 --> 00:34:03,790

we can't say that things are visiting

871

00:34:08,399 --> 00:34:06,210

this planet what do you make of actual

872

00:34:11,250 --> 00:34:08,409

historical documentation that the

873

00:34:13,950 --> 00:34:11,260

government once said that this is most

874

00:34:17,310 --> 00:34:13,960

likely extraterrestrial I value

875

00:34:18,750 --> 00:34:17,320

information and I value education and

876

00:34:21,629 --> 00:34:18,760

people who are educated and smart and

877

00:34:23,310 --> 00:34:21,639

there is there are times when our

878

00:34:24,899 --> 00:34:23,320

government is very much run by smart

879

00:34:26,580 --> 00:34:24,909

intelligent people there are also times

880

00:34:29,190 --> 00:34:26,590

when our government was doing things

881

00:34:31,379 --> 00:34:29,200

like how long marijuana because black

882

00:34:34,860 --> 00:34:31,389

people made black people violent and

883

00:34:36,270 --> 00:34:34,870

outlying making it like saying that a

884

00:34:38,730 --> 00:34:36,280

white person couldn't get married to a

885

00:34:42,540 --> 00:34:38,740

black person because I was loving that

886

00:34:44,070 --> 00:34:42,550

case like I if it was 50 years ago my

887

00:34:46,680 --> 00:34:44,080

mother and father could not have gotten

888

00:34:48,480 --> 00:34:46,690

married right 50 years that's it that's

889

00:34:49,980 --> 00:34:48,490

right around the same time that this

890

00:34:51,690 --> 00:34:49,990

committee of people went out and

891

00:34:52,800 --> 00:34:51,700

interviewed a bunch of people in Roswell

892

00:34:54,690 --> 00:34:52,810

and went like well if they're saying

893

00:34:56,369 --> 00:34:54,700

it's aliens it's probably aliens by the

894

00:34:57,810 --> 00:34:56,379

way keep that black person away from my

895

00:35:01,080 --> 00:34:57,820

water fountain I don't want any germs

896

00:35:03,360 --> 00:35:01,090

like it's is that that's where it starts

897

00:35:05,610 --> 00:35:03,370

to get tough with me as I especially at

898

00:35:07,170 --> 00:35:05,620

the time I would be more apt to believe

899

00:35:10,410 --> 00:35:07,180

something like that now because I

900

00:35:13,380 --> 00:35:10,420

believe that our science is advanced in

901
00:35:15,150 --> 00:35:13,390
such a way that I would probably be like

902
00:35:17,130 --> 00:35:15,160
I believe there's more of a way to prove

903
00:35:20,040 --> 00:35:17,140
that this was at a time when they were

904
00:35:22,050 --> 00:35:20,050
g-men it was all dudes in suits who went

905
00:35:23,820 --> 00:35:22,060
to church every Sunday who were going

906
00:35:25,470 --> 00:35:23,830
while that honestly puts a little bit

907
00:35:27,540 --> 00:35:25,480
more in the favor of if they thought

908
00:35:29,070 --> 00:35:27,550
they saw something that it must be true

909
00:35:30,720 --> 00:35:29,080
because they weren't just going to

910
00:35:32,400 --> 00:35:30,730
believe anything willy nilly there's

911
00:35:33,930 --> 00:35:32,410
also an aspect of religion that does

912
00:35:37,560 --> 00:35:33,940
make people believe stuff really willy

913
00:35:38,140 --> 00:35:37,570

nilly so it's I am a I would call myself

914

00:37:16,390 --> 00:35:38,150

a

915

00:37:21,250 --> 00:37:16,400

debunked uh

916

00:37:23,049 --> 00:37:21,260

but what is the weather balloon oh you

917

00:37:25,599 --> 00:37:23,059

know all my research especially in

918

00:37:27,400 --> 00:37:25,609

Toronto I said no no wait I think

919

00:37:29,829 --> 00:37:27,410

there's definitely a weather balloon

920

00:37:31,839 --> 00:37:29,839

episode of Simpsons okay you're coming

921

00:37:33,819 --> 00:37:31,849

down so I have at least I have some

922

00:37:37,180 --> 00:37:33,829

tacit understanding I'm glad your

923

00:37:39,609 --> 00:37:37,190

education comes from Oh lovable Oh buddy

924

00:37:41,470 --> 00:37:39,619

I put deodorant on my undercarriage

925

00:37:45,279 --> 00:37:41,480

because of the semester I didn't realize

926
00:37:46,990 --> 00:37:45,289
that for like seven years well you know

927
00:37:49,809 --> 00:37:47,000
the Simpsons get it right every time

928
00:37:51,390 --> 00:37:49,819
reflects be honest a wonderful x-files

929
00:37:54,430 --> 00:37:51,400
episode and

930
00:37:56,560 --> 00:37:54,440
but back to Roswell a lot of people

931
00:37:59,290 --> 00:37:56,570
believe that a lot of these things were

932
00:38:02,190 --> 00:37:59,300
top-secret projects maybe what crash in

933
00:38:06,010 --> 00:38:02,200
Roswell was a spy satellite from a

934
00:38:09,060 --> 00:38:06,020
neighboring enemy country so if people

935
00:38:12,790 --> 00:38:09,070
are out there believing this was a UFO

936
00:38:15,250 --> 00:38:12,800
learn of extraterrestrial origin they're

937
00:38:19,360 --> 00:38:15,260
not going to be thinking oh my god a spy

938
00:38:22,300 --> 00:38:19,370

satellite from the Soviet Union crashed

939

00:38:24,460 --> 00:38:22,310

here it made it here oh my god we're

940

00:38:25,810 --> 00:38:24,470

going to be invaded by them no let's let

941

00:38:28,960 --> 00:38:25,820

them think it's little green men in

942

00:38:31,710 --> 00:38:28,970

space you know so it really is a big

943

00:38:34,060 --> 00:38:31,720

mixed bag of disinformation and

944

00:38:36,490 --> 00:38:34,070

persuading the public to believe one

945

00:38:38,710 --> 00:38:36,500

thing over another whether or not you

946

00:38:40,930 --> 00:38:38,720

believe you believe that we landed on

947

00:38:42,490 --> 00:38:40,940

the moon I do think that there's way

948

00:38:45,090 --> 00:38:42,500

more to support the fact that we did

949

00:38:47,620 --> 00:38:45,100

that there that there is I think that

950

00:38:49,990 --> 00:38:47,630

that didn't just happen overnight there

951
00:38:51,430 --> 00:38:50,000
was a space race don't get me wrong but

952
00:38:52,720 --> 00:38:51,440
there was a period of time where that

953
00:38:55,840 --> 00:38:52,730
was something that we were actively

954
00:38:57,640 --> 00:38:55,850
pursuing and it is arguable that in the

955
00:38:59,470 --> 00:38:57,650
late 40s we could have been trying some

956
00:39:01,990 --> 00:38:59,480
things that probably would have freaked

957
00:39:03,880 --> 00:39:02,000
people out with and we're also trying to

958
00:39:05,280 --> 00:39:03,890
send people into space and it's

959
00:39:07,720 --> 00:39:05,290
something like that that could have just

960
00:39:09,670 --> 00:39:07,730
spread all the business all over the

961
00:39:11,290 --> 00:39:09,680
side of the hill and you know it's that

962
00:39:14,410 --> 00:39:11,300
not working which is why it took a whole

963
00:39:17,710 --> 00:39:14,420

twenty another 20 years to get a manned

964

00:39:19,960 --> 00:39:17,720

rocket that we shot into the sky like

965

00:39:21,970 --> 00:39:19,970

that didn't just happen

966

00:39:24,640 --> 00:39:21,980

yeah so it's definitely something where

967

00:39:27,370 --> 00:39:24,650

I yeah I would just believe I would

968

00:39:30,010 --> 00:39:27,380

believe human error quicker than I would

969

00:39:31,630 --> 00:39:30,020

believe any kind of intervention you

970

00:39:37,150 --> 00:39:31,640

know outside intervention because it's

971

00:39:40,330 --> 00:39:37,160

just so it just seems so like bland or

972

00:39:44,350 --> 00:39:40,340

blase or unimportant like what are the

973

00:39:46,660 --> 00:39:44,360

things that from what it's not like like

974

00:39:48,730 --> 00:39:46,670

skies skyscraper has disappeared or like

975

00:39:51,730 --> 00:39:48,740

an entire town has disappeared or like

976
00:39:53,200 --> 00:39:51,740
it's always one person who was stolen in

977
00:39:56,410 --> 00:39:53,210
the middle of the night and then brought

978
00:39:57,970 --> 00:39:56,420
back why like that's what I always come

979
00:40:00,760 --> 00:39:57,980
down to what's the why when the Y

980
00:40:03,670 --> 00:40:00,770
becomes more obvious then I'll even

981
00:40:04,660 --> 00:40:03,680
start to entertain some more ideas but

982
00:40:08,410 --> 00:40:04,670
I've yet to get a

983
00:40:10,930 --> 00:40:08,420
good why I can completely understand

984
00:40:13,660 --> 00:40:10,940
that I have interviewed hundreds of

985
00:40:16,720 --> 00:40:13,670
people absolutely everything from seeing

986
00:40:19,030 --> 00:40:16,730
a small blip in the sky that was

987
00:40:21,359 --> 00:40:19,040
probably a star was probably Venus and

988
00:40:25,270 --> 00:40:21,369

it's probably a drone at this point in

989

00:40:27,010 --> 00:40:25,280

2017 or they claim to have been abducted

990

00:40:31,359 --> 00:40:27,020

by aliens

991

00:40:32,859 --> 00:40:31,369

now that spectrum is huge I am between

992

00:40:35,559 --> 00:40:32,869

seeing a light in the sky and saying you

993

00:40:39,339 --> 00:40:35,569

were taken by a man as a researcher

994

00:40:41,230 --> 00:40:39,349

however my job is not to judge the

995

00:40:43,960 --> 00:40:41,240

person short by the story of course not

996

00:40:46,720 --> 00:40:43,970

it's to hear the story out and relay

997

00:40:50,079 --> 00:40:46,730

that in the most objective way I can

998

00:40:54,130 --> 00:40:50,089

keeping the possibility open now I'm not

999

00:40:56,500 --> 00:40:54,140

out to instigate this and say oh it's a

1000

00:40:58,839 --> 00:40:56,510

Venusian from this planet would blonde

1001
00:41:01,569 --> 00:40:58,849
flowing hair they're here to give you

1002
00:41:04,420 --> 00:41:01,579
the cure for cancer or to bring you to

1003
00:41:07,770 --> 00:41:04,430
their planet to plant your human seed

1004
00:41:12,880 --> 00:41:07,780
you know this these are the things that

1005
00:41:16,539 --> 00:41:12,890
I can it I can wholeheartedly admit are

1006
00:41:19,750 --> 00:41:16,549
too far out there in the possibility of

1007
00:41:22,930 --> 00:41:19,760
people being visited by something and

1008
00:41:25,990 --> 00:41:22,940
being taken I'm open to that being

1009
00:41:28,150 --> 00:41:26,000
possible whether or not it's a physical

1010
00:41:30,490 --> 00:41:28,160
phenomenon is a completely separate

1011
00:41:32,680 --> 00:41:30,500
feature could this be happening in their

1012
00:41:34,950 --> 00:41:32,690
mind yes I do believe so and I don't

1013
00:41:38,319 --> 00:41:34,960

mean in the terms of being delusional or

1014

00:41:40,839 --> 00:41:38,329

making it up but a lot of these people

1015

00:41:43,480 --> 00:41:40,849

firmly believe these things have

1016

00:41:47,530 --> 00:41:43,490

happened to them as vivid as the memory

1017

00:41:49,049 --> 00:41:47,540

might be or the the memories regressed

1018

00:41:51,819 --> 00:41:49,059

through some sort of hypnotherapy

1019

00:41:53,589 --> 00:41:51,829

they're astounding and they're happening

1020

00:41:56,440 --> 00:41:53,599

all over the world and you have to think

1021

00:41:59,230 --> 00:41:56,450

about when the abduction phenomenon came

1022

00:42:02,589 --> 00:41:59,240

into like its prominence this was back

1023

00:42:04,390 --> 00:42:02,599

in the late 70s early 80s maybe and

1024

00:42:07,120 --> 00:42:04,400

there were many cases before that as

1025

00:42:09,730 --> 00:42:07,130

well before the internet so you have to

1026
00:42:11,770 --> 00:42:09,740
wonder how these strikingly similar

1027
00:42:15,819 --> 00:42:11,780
stories were happening all over the

1028
00:42:16,700 --> 00:42:15,829
world from Australia to Japan to here in

1029
00:42:19,180 --> 00:42:16,710
the United States

1030
00:42:21,829 --> 00:42:19,190
Canada and these people have never met

1031
00:42:24,829 --> 00:42:21,839
entertainment at this point was not

1032
00:42:26,960 --> 00:42:24,839
feeding them these stories right a lot

1033
00:42:29,510 --> 00:42:26,970
of Hollywood were getting their subject

1034
00:42:31,370 --> 00:42:29,520
material from these people from case

1035
00:42:33,140 --> 00:42:31,380
reports from project Bluebook this

1036
00:42:35,120 --> 00:42:33,150
project I told you about that the

1037
00:42:37,250 --> 00:42:35,130
government did so you do have to wonder

1038
00:42:41,390 --> 00:42:37,260

you know was this some sort of hysteria

1039

00:42:43,790 --> 00:42:41,400

that just snowballed from there but that

1040

00:42:46,900 --> 00:42:43,800

always astounded me that people from all

1041

00:42:51,710 --> 00:42:46,910

over who never met are having these

1042

00:42:53,240 --> 00:42:51,720

extremely connected experiences yeah and

1043

00:42:54,349 --> 00:42:53,250

it's I mean the mind can do interesting

1044

00:42:56,660 --> 00:42:54,359

things

1045

00:42:58,099 --> 00:42:56,670

I'm not saying immediately like oh well

1046

00:42:59,660 --> 00:42:58,109

clearly it's all their heads but there

1047

00:43:02,030 --> 00:42:59,670

is something to be said for there are

1048

00:43:04,790 --> 00:43:02,040

connect like there's the idea of you

1049

00:43:06,349 --> 00:43:04,800

know most religions have angels across

1050

00:43:07,849 --> 00:43:06,359

the world most religions have something

1051
00:43:12,140 --> 00:43:07,859
that something divine that comes down

1052
00:43:14,089 --> 00:43:12,150
from the sky and that could mold enroll

1053
00:43:15,500 --> 00:43:14,099
in snowball over the years and all of a

1054
00:43:16,700 --> 00:43:15,510
sudden it's not something define that's

1055
00:43:17,839 --> 00:43:16,710
coming out of the sky something bad

1056
00:43:19,040 --> 00:43:17,849
that's coming out of sky or it's

1057
00:43:20,660 --> 00:43:19,050
something good that's coming out of sky

1058
00:43:24,050 --> 00:43:20,670
or it's just something that's from above

1059
00:43:28,099 --> 00:43:24,060
that is coming down and affecting us so

1060
00:43:29,930 --> 00:43:28,109
what you do is no longer in your control

1061
00:43:32,180 --> 00:43:29,940
it's the same thing for me for like

1062
00:43:34,250 --> 00:43:32,190
demon possession it's just like oh the

1063
00:43:34,400 --> 00:43:34,260

devil made me do it and alien made me do

1064

00:43:36,620 --> 00:43:34,410

it

1065

00:43:39,650 --> 00:43:36,630

I know I don't usually act like this but

1066

00:43:42,910 --> 00:43:39,660

I got abducted it's an excuse yeah in a

1067

00:43:45,500 --> 00:43:42,920

way yeah you it's something I you know I

1068

00:43:46,970 --> 00:43:45,510

make excuses for myself all the time

1069

00:43:50,660 --> 00:43:46,980

without realizing that I'm doing it

1070

00:43:52,880 --> 00:43:50,670

human beings need to excuse if they feel

1071

00:43:53,960 --> 00:43:52,890

like they're not doing something that

1072

00:43:56,510 --> 00:43:53,970

they should be doing or they're doing

1073

00:43:58,520 --> 00:43:56,520

something that they shouldn't there's it

1074

00:44:01,430 --> 00:43:58,530

I feel like it's almost on instinct to

1075

00:44:02,839 --> 00:44:01,440

want to be like well I'm you know I'm

1076

00:44:05,570 --> 00:44:02,849

having chips tonight but I'll probably

1077

00:44:07,940 --> 00:44:05,580

have a salad tomorrow or like I'm gonna

1078

00:44:09,170 --> 00:44:07,950

like you know I'm gonna have three

1079

00:44:11,450 --> 00:44:09,180

drinks tonight so I'm not going to drink

1080

00:44:14,349 --> 00:44:11,460

for the rest of the week like it's

1081

00:44:17,930 --> 00:44:14,359

excusing certain behavior and when it's

1082

00:44:20,930 --> 00:44:17,940

something that's belief based the excuse

1083

00:44:23,570 --> 00:44:20,940

becomes not only more viable to yourself

1084

00:44:25,660 --> 00:44:23,580

but it becomes more you're more likely

1085

00:44:28,700 --> 00:44:25,670

to get belief or from others like

1086

00:44:31,019 --> 00:44:28,710

there's this shared hysteria like with

1087

00:44:33,210 --> 00:44:31,029

Randy Quaid and his wife

1088

00:44:34,859 --> 00:44:33,220

Randee quit again yeah Randy Quaid and

1089

00:44:36,630 --> 00:44:34,869

his wife both believe that the same

1090

00:44:38,670 --> 00:44:36,640

people that killed his ledger are trying

1091

00:44:40,349 --> 00:44:38,680

to kill them and they've been around

1092

00:44:41,789 --> 00:44:40,359

each other so long that like there's an

1093

00:44:43,799 --> 00:44:41,799

aggregate I'm sure there's an actual

1094

00:44:48,749 --> 00:44:43,809

medical term for it um but it is this

1095

00:44:50,309 --> 00:44:48,759

kind of like shared psychosis so that

1096

00:44:51,960 --> 00:44:50,319

kind of stuff is possible it is

1097

00:44:53,579 --> 00:44:51,970

interesting of course that there's like

1098

00:44:55,410 --> 00:44:53,589

the story could happen all over the

1099

00:44:58,049 --> 00:44:55,420

world but I think that's also like a fun

1100

00:45:00,329 --> 00:44:58,059

study into how we all aren't that

1101

00:45:02,009 --> 00:45:00,339

different and there are third certain

1102

00:45:03,809 --> 00:45:02,019

things throughout the world that we

1103

00:45:06,930 --> 00:45:03,819

could just be affected by on a base

1104

00:45:08,999 --> 00:45:06,940

biological level like how majestic a

1105

00:45:10,859 --> 00:45:09,009

bald eagle looks like something flying

1106

00:45:13,470 --> 00:45:10,869

through the sky is majestic that will

1107

00:45:16,589 --> 00:45:13,480

seep into your brain and could come out

1108

00:45:18,450 --> 00:45:16,599

in other ways yeah or you know

1109

00:45:21,299 --> 00:45:18,460

well we evil could be getting abducted

1110

00:45:24,420 --> 00:45:21,309

by aliens and then you have this whole

1111

00:45:26,490 --> 00:45:24,430

idea of a phenomenon that things are

1112

00:45:28,710 --> 00:45:26,500

happening around the world at the same

1113

00:45:30,599 --> 00:45:28,720

exact time with absolutely no

1114

00:45:34,289 --> 00:45:30,609

communication yeah you know they say

1115

00:45:36,390 --> 00:45:34,299

that no animal was created at different

1116

00:45:38,999 --> 00:45:36,400

parts throughout the one yeah there you

1117

00:45:41,279 --> 00:45:39,009

go yeah never met right at the same

1118

00:45:44,370 --> 00:45:41,289

collective moment in time they all were

1119

00:45:46,410 --> 00:45:44,380

like ooh this makes me feel good this

1120

00:45:47,789 --> 00:45:46,420

makes me lose my inhibition I don't I

1121

00:45:49,980 --> 00:45:47,799

can do whatever I want tonight and not

1122

00:45:52,559 --> 00:45:49,990

have to remember it tomorrow you know so

1123

00:45:55,319 --> 00:45:52,569

you have to wonder you know is this some

1124

00:45:57,809 --> 00:45:55,329

sort of I don't want to say fate or

1125

00:46:01,529 --> 00:45:57,819

destiny but the idea that things can

1126
00:46:03,569 --> 00:46:01,539
happen in synchronistic terms all over

1127
00:46:05,190 --> 00:46:03,579
the world at the right time and is the

1128
00:46:08,009 --> 00:46:05,200
abduction phenomenon part of that or

1129
00:46:11,069 --> 00:46:08,019
let's say let's take a mass UFO sighting

1130
00:46:13,470 --> 00:46:11,079
for instance something like in 1997 the

1131
00:46:17,430 --> 00:46:13,480
Phoenix lights incident thousands of

1132
00:46:21,269 --> 00:46:17,440
people witnessed a triangular formation

1133
00:46:23,279 --> 00:46:21,279
of lights in the sky massive huge people

1134
00:46:24,569 --> 00:46:23,289
got video this said this that we won't

1135
00:46:26,849 --> 00:46:24,579
go into the case history because I'm

1136
00:46:29,609 --> 00:46:26,859
most of arles first know about it but

1137
00:46:32,190 --> 00:46:29,619
while all these people were seeing the

1138
00:46:34,740 --> 00:46:32,200

same thing when they would describe it

1139

00:46:36,450 --> 00:46:34,750

to people all of their stories were

1140

00:46:38,490 --> 00:46:36,460

different and what exactly they were

1141

00:46:42,089 --> 00:46:38,500

seeing weird so that's when perception

1142

00:46:43,230 --> 00:46:42,099

and question interest while this may be

1143

00:46:45,870 --> 00:46:43,240

happening in real time

1144

00:46:47,730 --> 00:46:45,880

and a million people you know a thousand

1145

00:46:49,650 --> 00:46:47,740

in this case we're seeing it they're all

1146

00:46:51,120 --> 00:46:49,660

saying it was completely some of it

1147

00:46:53,700 --> 00:46:51,130

while the other person saying it was so

1148

00:46:55,589 --> 00:46:53,710

loud or it was going really fast

1149

00:46:59,490 --> 00:46:55,599

no it was hovering you know it's it's

1150

00:47:01,140 --> 00:46:59,500

fascinating things are they're having a

1151

00:47:02,520 --> 00:47:01,150

different effect on people and a

1152

00:47:04,680 --> 00:47:02,530

perception of what's happening is

1153

00:47:06,390 --> 00:47:04,690

different to totally now and I think

1154

00:47:09,089 --> 00:47:06,400

what's what's interesting about that too

1155

00:47:11,670 --> 00:47:09,099

is it's it's something that is a

1156

00:47:13,020 --> 00:47:11,680

constant for human beings like and it's

1157

00:47:14,609 --> 00:47:13,030

something that only kind of grows

1158

00:47:16,200 --> 00:47:14,619

stronger it's actually it's funny now

1159

00:47:17,700 --> 00:47:16,210

that I was thinking oh it's not going to

1160

00:47:19,260 --> 00:47:17,710

go like it's funny to me that there

1161

00:47:20,790 --> 00:47:19,270

haven't been more like we live in a

1162

00:47:23,070 --> 00:47:20,800

world where there are people we have

1163

00:47:25,920 --> 00:47:23,080

flat earthers again we have flat

1164

00:47:27,599 --> 00:47:25,930

earthers again let me just we have flat

1165

00:47:30,660 --> 00:47:27,609

earthers we have people that believe

1166

00:47:32,849 --> 00:47:30,670

that the world is flat because you can

1167

00:47:34,410 --> 00:47:32,859

you repeat that we have flat earth ok

1168

00:47:37,320 --> 00:47:34,420

yes mm-hmm

1169

00:47:39,300 --> 00:47:37,330

like that that's bonkers and yet I'm not

1170

00:47:41,370 --> 00:47:39,310

seeing nearly as many celebrities going

1171

00:47:44,490 --> 00:47:41,380

I believe in aliens anymore like that

1172

00:47:46,530 --> 00:47:44,500

what's weird to me is like now at a time

1173

00:47:48,690 --> 00:47:46,540

where everybody has cameras and like

1174

00:47:52,109 --> 00:47:48,700

it's not just like granny shaky footage

1175

00:47:54,540 --> 00:47:52,119

there's nothing it's a very very good

1176
00:47:56,760 --> 00:47:54,550
argument like at the time at a time when

1177
00:47:58,380 --> 00:47:56,770
we only like you at a time where it's

1178
00:48:00,349 --> 00:47:58,390
like you know you couldn't really fake a

1179
00:48:03,210 --> 00:48:00,359
photo unless you really really tried

1180
00:48:05,010 --> 00:48:03,220
there was what I get was rampant with

1181
00:48:08,339 --> 00:48:05,020
Bigfoot sightings and lockups monster

1182
00:48:10,800 --> 00:48:08,349
sightings and UFO videos and photos and

1183
00:48:14,120 --> 00:48:10,810
all this stuff and now when people have

1184
00:48:16,500 --> 00:48:14,130
drones and GoPros and all this stuff and

1185
00:48:20,040 --> 00:48:16,510
it's a very good argument a lot of

1186
00:48:22,589 --> 00:48:20,050
people argue that these things are so

1187
00:48:25,320 --> 00:48:22,599
elusive and so advanced that as we

1188
00:48:27,599 --> 00:48:25,330

progress with our own technology they're

1189

00:48:30,630 --> 00:48:27,609

always a step ahead remaining at least

1190

00:48:33,720 --> 00:48:30,640

yeah but then you got to think do they

1191

00:48:35,760 --> 00:48:33,730

really care about one person on the

1192

00:48:37,710 --> 00:48:35,770

ground with an iPhone be like oh my god

1193

00:48:40,500 --> 00:48:37,720

yeah you know what I mean I will say I

1194

00:48:43,079 --> 00:48:40,510

am having a fun time imagining just a

1195

00:48:46,020 --> 00:48:43,089

gray sitting in a circle it like up I

1196

00:48:48,450 --> 00:48:46,030

finally got eyes on like 500 years late

1197

00:48:49,890 --> 00:48:48,460

or whatever all right well um I guess

1198

00:48:52,320 --> 00:48:49,900

we'll just turn off the cloaking device

1199

00:48:53,760 --> 00:48:52,330

does it like well yeah you got to reboot

1200

00:48:55,230 --> 00:48:53,770

it I don't know I didn't know

1201

00:48:57,000 --> 00:48:55,240

take them this long to figure this out I

1202

00:48:59,490 --> 00:48:57,010

know we've moved on but this is the only

1203

00:49:01,710 --> 00:48:59,500

thing we have we are from a crash in

1204

00:49:03,300 --> 00:49:01,720

Roswell and gave them this technology of

1205

00:49:05,340 --> 00:49:03,310

the iPhone it took them this long are

1206

00:49:07,380 --> 00:49:05,350

you totally not a lot of people

1207

00:49:11,430 --> 00:49:07,390

absolutely leave that injured right no

1208

00:49:13,020 --> 00:49:11,440

like that's it's especially with like

1209

00:49:16,020 --> 00:49:13,030

iPhone technology and stuff like that

1210

00:49:18,120 --> 00:49:16,030

it's it's insane it's insanity

1211

00:49:19,680 --> 00:49:18,130

we have mother boxes in our pocket

1212

00:49:21,420 --> 00:49:19,690

that's so there's a there's a comic book

1213

00:49:24,990 --> 00:49:21,430

reference for you we have mother boxes

1214

00:49:27,980 --> 00:49:25,000

we have science fiction is becoming

1215

00:49:31,500 --> 00:49:27,990

science fact more and more and more and

1216

00:49:32,910 --> 00:49:31,510

it's still something where it's always

1217

00:49:35,910 --> 00:49:32,920

interesting about it is it's still

1218

00:49:39,420 --> 00:49:35,920

man-made like most of the advances that

1219

00:49:41,880 --> 00:49:39,430

we have are still man-made and yet we

1220

00:49:45,240 --> 00:49:41,890

can do something as phenomenal as make

1221

00:49:47,780 --> 00:49:45,250

an iPhone but we can't possibly make a

1222

00:49:51,390 --> 00:49:47,790

crystal skull or the pyramids or

1223

00:49:53,640 --> 00:49:51,400

Stonehenge or any other it was all alien

1224

00:49:56,220 --> 00:49:53,650

I assume you're not in hmm yeah no it's

1225

00:49:58,230 --> 00:49:56,230

not not not particularly let's let's

1226

00:49:59,910 --> 00:49:58,240

give humid subscribe yeah well not even

1227

00:50:01,800 --> 00:49:59,920

let's give humans come credits let's

1228

00:50:03,210 --> 00:50:01,810

give slave owners some cred very

1229

00:50:07,080 --> 00:50:03,220

actually the only time you're gonna ever

1230

00:50:09,330 --> 00:50:07,090

hear me say that if you do not care if

1231

00:50:12,810 --> 00:50:09,340

the person that is making your pyramid

1232

00:50:15,150 --> 00:50:12,820

eat or sleep or Dyess can't get it done

1233

00:50:16,500 --> 00:50:15,160

pretty quick it's gonna be you're just

1234

00:50:18,540 --> 00:50:16,510

gonna work out you're gonna fight these

1235

00:50:20,640 --> 00:50:18,550

people are capable of things that nobody

1236

00:50:22,290 --> 00:50:20,650

thought humans were capable of cuz they

1237

00:50:23,970 --> 00:50:22,300

sleep on each other yeah and they don't

1238

00:50:27,140 --> 00:50:23,980

get to bathe and they don't get to eat

1239

00:50:30,120 --> 00:50:27,150

regularly and they die all the time

1240

00:50:31,590 --> 00:50:30,130

being crushed by giant rocks and then it

1241

00:50:33,420 --> 00:50:31,600

was probably the process of elimination

1242

00:50:35,820 --> 00:50:33,430

it's like oh five people couldn't lift

1243

00:50:36,570 --> 00:50:35,830

that rock do ten people know if that

1244

00:50:38,340 --> 00:50:36,580

didn't work either

1245

00:50:40,980 --> 00:50:38,350

alright twenty people this time like

1246

00:50:42,330 --> 00:50:40,990

that's what happened it was like it's

1247

00:50:45,320 --> 00:50:42,340

not like they had the pyramids done in

1248

00:50:47,880 --> 00:50:45,330

like a week forty years trying

1249

00:50:49,980 --> 00:50:47,890

generations built the pyramids right and

1250

00:50:51,420 --> 00:50:49,990

the building the pyramids it's a

1251
00:50:52,890 --> 00:50:51,430
really good point the Crystal Skull

1252
00:50:56,970 --> 00:50:52,900
stuff too it's just like that

1253
00:50:58,650 --> 00:50:56,980
it's that one I can kind of understand

1254
00:51:00,200 --> 00:50:58,660
because of like the smoothness people

1255
00:51:02,580 --> 00:51:00,210
always bring up how smooth they are

1256
00:51:05,640 --> 00:51:02,590
stuff like that but it's still like

1257
00:51:08,010 --> 00:51:05,650
people human beings are made

1258
00:51:10,559 --> 00:51:08,020
are able to do some amazing things they

1259
00:51:15,180 --> 00:51:10,569
are incredibly capable when there is

1260
00:51:17,160 --> 00:51:15,190
when ego is removed when onedrive is

1261
00:51:20,150 --> 00:51:17,170
remote not necessarily Drive but like

1262
00:51:22,349 --> 00:51:20,160
when this idea that to succeed

1263
00:51:26,400 --> 00:51:22,359

necessarily is kinda removed when you're

1264

00:51:29,220 --> 00:51:26,410

just doing something to do it man is

1265

00:51:34,769 --> 00:51:29,230

capable of a lot right so ya know not an

1266

00:51:38,519 --> 00:51:34,779

ancient aliens guy is always at all yeah

1267

00:51:42,210 --> 00:51:38,529

yeah the fact that that television show

1268

00:51:44,309 --> 00:51:42,220

has been on for like 12 years now it's

1269

00:51:46,019 --> 00:51:44,319

you know it's fun like that was a venue

1270

00:51:48,620 --> 00:51:46,029

and it's funny and it's another thing

1271

00:51:51,269 --> 00:51:48,630

where it's like I honestly enough and

1272

00:51:53,190 --> 00:51:51,279

this comes back to my humans want to be

1273

00:51:54,630 --> 00:51:53,200

important thing we want to be special we

1274

00:51:57,569 --> 00:51:54,640

want to be better than everybody else or

1275

00:51:59,519 --> 00:51:57,579

everything else you is so of course

1276
00:52:02,700 --> 00:51:59,529
we've been visited by aliens in the past

1277
00:52:04,170 --> 00:52:02,710
but what's ironic about that is I would

1278
00:52:05,519 --> 00:52:04,180
argue that we are much more special

1279
00:52:07,799 --> 00:52:05,529
having been able to do those things

1280
00:52:09,960 --> 00:52:07,809
ourselves yeah it was no alien

1281
00:52:11,279 --> 00:52:09,970
assistance guarantee but to insinuate

1282
00:52:13,289 --> 00:52:11,289
that the aliens went down there to

1283
00:52:15,720 --> 00:52:13,299
jumpstart our civilization or something

1284
00:52:18,120 --> 00:52:15,730
levy is quite a bit of importance

1285
00:52:20,370 --> 00:52:18,130
against our race which I don't think

1286
00:52:23,339 --> 00:52:20,380
that we are necessarily like that's

1287
00:52:25,769 --> 00:52:23,349
that's bonkers that's like three three

1288
00:52:27,359 --> 00:52:25,779

thousand years ago three thousand years

1289

00:52:30,000 --> 00:52:27,369

ago there was somebody that was capable

1290

00:52:32,099 --> 00:52:30,010

of traveling here they would own us at

1291

00:52:34,140 --> 00:52:32,109

this point that's a good point you have

1292

00:52:36,960 --> 00:52:34,150

to wonder why like if they were visiting

1293

00:52:40,079 --> 00:52:36,970

us so often during the time of antiquity

1294

00:52:42,299 --> 00:52:40,089

ago why have they not intervened since

1295

00:52:44,609 --> 00:52:42,309

yes actually when they know that we're

1296

00:52:46,049 --> 00:52:44,619

now capable of wiping out the entire

1297

00:52:48,269 --> 00:52:46,059

planet in harm

1298

00:52:51,359 --> 00:52:48,279

yeah maybe that's part of them Pleasant

1299

00:52:53,309 --> 00:52:51,369

maybe they they gave us the nudge at the

1300

00:52:55,529 --> 00:52:53,319

beginning you know into the deep end of

1301
00:52:57,450 --> 00:52:55,539
the pool and now it's let's see how they

1302
00:53:00,059 --> 00:52:57,460
fend on their own maybe it's the

1303
00:53:03,480 --> 00:53:00,069
grandest social experiment maybe we are

1304
00:53:06,329 --> 00:53:03,490
a reality show or this galactic Network

1305
00:53:08,940 --> 00:53:06,339
but even that and it comes back to like

1306
00:53:11,819 --> 00:53:08,950
religion or anything else it's giving us

1307
00:53:14,309 --> 00:53:11,829
a reason for being I agree which is

1308
00:53:16,109 --> 00:53:14,319
comforting of course but guess what

1309
00:53:17,670 --> 00:53:16,119
there might just not be a reason that

1310
00:53:19,109 --> 00:53:17,680
we're here there might know we're just

1311
00:53:22,380 --> 00:53:19,119
here to be you

1312
00:53:24,839 --> 00:53:22,390
and to live and to exist and like I said

1313
00:53:27,839 --> 00:53:24,849

whether there is alien life or not that

1314

00:53:30,180 --> 00:53:27,849

question of why we're here is the most

1315

00:53:31,769 --> 00:53:30,190

terrifying Yael yeah now they're knowing

1316

00:53:33,719 --> 00:53:31,779

the answer yeah cuz they're just at

1317

00:53:35,700 --> 00:53:33,729

least for now there isn't one

1318

00:53:37,440 --> 00:53:35,710

yeah there is no answer this is where

1319

00:53:39,599 --> 00:53:37,450

religion gives in this is where back

1320

00:53:42,569 --> 00:53:39,609

it's all to comfort people it's all to

1321

00:53:44,400 --> 00:53:42,579

be like well especially people who may

1322

00:53:46,739 --> 00:53:44,410

or may not be special yeah like that's

1323

00:53:49,079 --> 00:53:46,749

or or or even just arrogant enough to

1324

00:53:51,239 --> 00:53:49,089

think that they're special like anybody

1325

00:53:53,940 --> 00:53:51,249

who just kind of goes about their

1326

00:53:56,729 --> 00:53:53,950

day-to-day life and it is just moving

1327

00:53:58,349 --> 00:53:56,739

through the day it's very easy for

1328

00:54:01,249 --> 00:53:58,359

somebody like that to be like oh well I

1329

00:54:03,930 --> 00:54:01,259

can give all this to a higher power and

1330

00:54:05,279 --> 00:54:03,940

I'll be rewarded for that at some point

1331

00:54:08,489 --> 00:54:05,289

or things will be different something

1332

00:54:10,890 --> 00:54:08,499

will change and it's enticing and that's

1333

00:54:14,339 --> 00:54:10,900

exciting but it's it's also just very

1334

00:54:17,700 --> 00:54:14,349

easy to fall into that trap and to then

1335

00:54:19,890 --> 00:54:17,710

your life kind of to an extent arguably

1336

00:54:22,170 --> 00:54:19,900

I'm not here to come in and [h__h] I I

1337

00:54:23,910 --> 00:54:22,180

like I said I was raised Catholic and I

1338

00:54:28,259 --> 00:54:23,920

am very much very confident that I

1339

00:54:30,630 --> 00:54:28,269

turned out to not be a jerk because I

1340

00:54:32,459 --> 00:54:30,640

was raised with a set of morals that

1341

00:54:34,829 --> 00:54:32,469

were instilled in me whether or not I

1342

00:54:37,709 --> 00:54:34,839

believe the other aspects of that now

1343

00:54:39,420 --> 00:54:37,719

that's it doesn't matter to me because I

1344

00:54:41,759 --> 00:54:39,430

know that I am a good person and

1345

00:54:43,680 --> 00:54:41,769

actively trying to be a good person but

1346

00:54:45,390 --> 00:54:43,690

it can also have a negative effect and

1347

00:54:47,279 --> 00:54:45,400

it can make people closed-minded and it

1348

00:54:49,620 --> 00:54:47,289

can make and that's that can be said

1349

00:54:53,459 --> 00:54:49,630

about any belief system is all of a

1350

00:54:55,920 --> 00:54:53,469

sudden other things have to not be true

1351

00:54:57,599 --> 00:54:55,930

for your thing to be true and that's

1352

00:54:59,430 --> 00:54:57,609

where it becomes problematic and that's

1353

00:55:01,229 --> 00:54:59,440

the same with aliens or demon possession

1354

00:55:02,579 --> 00:55:01,239

or religion or anything like that that I

1355

00:55:05,969 --> 00:55:02,589

always come into trouble with is it's

1356

00:55:09,180 --> 00:55:05,979

like something suffers for one belief to

1357

00:55:11,279 --> 00:55:09,190

continue something else has to like

1358

00:55:13,950 --> 00:55:11,289

there was like if you if you are

1359

00:55:15,690 --> 00:55:13,960

Catholic or a Christian you have to

1360

00:55:17,969 --> 00:55:15,700

believe in the devil you have to believe

1361

00:55:19,620 --> 00:55:17,979

in demon possession you get like there's

1362

00:55:21,900 --> 00:55:19,630

no if ands or buts about it

1363

00:55:24,269 --> 00:55:21,910

to believe in God is to believe in the

1364

00:55:27,029 --> 00:55:24,279

devil and to believe in demons so then

1365

00:55:29,009 --> 00:55:27,039

it's just like well to believe in alien

1366

00:55:32,730 --> 00:55:29,019

abduction while there are some things

1367

00:55:34,140 --> 00:55:32,740

that have been proven to be a hoax

1368

00:55:35,550 --> 00:55:34,150

and this is where it could get tough as

1369

00:55:36,960 --> 00:55:35,560

well and this is where I admire you

1370

00:55:40,260 --> 00:55:36,970

greatly because like I said you're

1371

00:55:42,060 --> 00:55:40,270

resolved does not dissolve you have you

1372

00:55:43,680 --> 00:55:42,070

there is an extent where you almost have

1373

00:55:46,770 --> 00:55:43,690

to believe anything that isn't a hoax

1374

00:55:49,380 --> 00:55:46,780

because it's one step closer to making

1375

00:55:50,730 --> 00:55:49,390

what you believe be true it's one more

1376

00:55:52,560 --> 00:55:50,740

thing that you there's one more notch

1377

00:55:54,750 --> 00:55:52,570

like we're one step closer because this

1378

00:55:57,290 --> 00:55:54,760

happened this this thing over here not

1379

00:56:00,000 --> 00:55:57,300

true but this triangle fiery triangle

1380

00:56:00,810 --> 00:56:00,010

thousands of people saw it we're one

1381

00:56:02,880 --> 00:56:00,820

step closer

1382

00:56:04,080 --> 00:56:02,890

it didn't get proof and proof other

1383

00:56:06,120 --> 00:56:04,090

buddies stories are different but

1384

00:56:07,830 --> 00:56:06,130

everybody saw the same thing that's a

1385

00:56:10,500 --> 00:56:07,840

win and that's something you have to

1386

00:56:12,810 --> 00:56:10,510

stick by that's hard and it could also

1387

00:56:16,410 --> 00:56:12,820

mean that you have to even if something

1388

00:56:19,320 --> 00:56:16,420

sounds so unbelievable so crazy because

1389

00:56:21,450 --> 00:56:19,330

it hasn't been disproved you gotta go

1390

00:56:23,880 --> 00:56:21,460

with it some of these stories I've heard

1391

00:56:27,359 --> 00:56:23,890

when I'm writing down notes about what

1392

00:56:32,930 --> 00:56:27,369

people are telling me the inherent need

1393

00:56:39,000 --> 00:56:36,359

because you run into this problem of if

1394

00:56:42,300 --> 00:56:39,010

I'm going to be a journalist on this

1395

00:56:44,700 --> 00:56:42,310

topic I want my readers to come away

1396

00:56:46,620 --> 00:56:44,710

believing it right you know like maybe

1397

00:56:50,040 --> 00:56:46,630

that's your goal maybe that's your

1398

00:56:51,990 --> 00:56:50,050

objective is to change someone's mind

1399

00:56:55,320 --> 00:56:52,000

but at least open your mind

1400

00:56:57,630 --> 00:56:55,330

absolutely now if someone sees a UFO and

1401
00:57:01,109 --> 00:56:57,640
then says also it was piloted by a

1402
00:57:04,230 --> 00:57:01,119
Bigfoot I'm going to be a little thrown

1403
00:57:07,380 --> 00:57:04,240
off by that and I might not include the

1404
00:57:12,359 --> 00:57:07,390
Bigfoot piloting the spaceship into the

1405
00:57:13,830 --> 00:57:12,369
narrative no that is a that is not doing

1406
00:57:16,970 --> 00:57:13,840
the person who you're interviewing any

1407
00:57:20,130 --> 00:57:16,980
justice on if they believe this happened

1408
00:57:22,320 --> 00:57:20,140
Who am I to say it didn't exactly the

1409
00:57:23,760 --> 00:57:22,330
more bizarre I come to find out in this

1410
00:57:26,700 --> 00:57:23,770
topic the more I'm willing to believe

1411
00:57:27,359 --> 00:57:26,710
yeah I I get that I am so the stability

1412
00:57:29,370 --> 00:57:27,369
is t-man

1413
00:57:33,510 --> 00:57:29,380

yeah and and in that changes from time

1414

00:57:35,099 --> 00:57:33,520

to time absolutely but if they if this

1415

00:57:36,480 --> 00:57:35,109

is what they believe happened and I come

1416

00:57:37,890 --> 00:57:36,490

back to the time and time again and they

1417

00:57:40,290 --> 00:57:37,900

are telling me the same story over and

1418

00:57:42,180 --> 00:57:40,300

over and they haven't exaggerated it

1419

00:57:43,859 --> 00:57:42,190

they haven't added anything I'm more

1420

00:57:45,630 --> 00:57:43,869

willing to be like yeah I totally

1421

00:57:46,890 --> 00:57:45,640

believe that happened to you you look at

1422

00:57:50,160 --> 00:57:46,900

someone like Travis

1423

00:57:54,060 --> 00:57:50,170

this man was supposedly abducted in the

1424

00:57:56,490 --> 00:57:54,070

late 70s mhm he was a walker he was with

1425

00:57:59,460 --> 00:57:56,500

five other people they all witnessed

1426

00:58:02,760 --> 00:57:59,470

this man get shot by a beam of light

1427

00:58:05,610 --> 00:58:02,770

from the sky and he disappeared

1428

00:58:08,250 --> 00:58:05,620

what happened Travis your own words

1429

00:58:11,100 --> 00:58:08,260

briefly okay well there was another day

1430

00:58:11,430 --> 00:58:11,110

yeah just another workday out in the

1431

00:58:14,700 --> 00:58:11,440

woods

1432

00:58:17,910 --> 00:58:14,710

captain trees this is where in the state

1433

00:58:19,470 --> 00:58:17,920

greater National Forest in Arizona there

1434

00:58:21,600 --> 00:58:19,480

were seven of us we were starting to get

1435

00:58:25,290 --> 00:58:21,610

dark we loaded up our chainsaws and

1436

00:58:27,480 --> 00:58:25,300

you're a logger yeah and we were headed

1437

00:58:30,600 --> 00:58:27,490

home as we were leaving there we saw a

1438

00:58:31,800 --> 00:58:30,610

light coming through the trees and when

1439

00:58:33,990 --> 00:58:31,810

we finally got down the road where we

1440

00:58:37,320 --> 00:58:34,000

could see the source of this light we

1441

00:58:41,010 --> 00:58:37,330

saw any UFO how do we near the road all

1442

00:58:43,650 --> 00:58:41,020

seven all seven of us it was only 90

1443

00:58:45,720 --> 00:58:43,660

feet away it was very clear and

1444

00:58:47,730 --> 00:58:45,730

unmistakable the minute it came into

1445

00:58:49,320 --> 00:58:47,740

view somebody yelled except it's a

1446

00:58:51,450 --> 00:58:49,330

spaceship or something like that

1447

00:58:54,630 --> 00:58:51,460

we stopped the truck and they got out

1448

00:58:57,270 --> 00:58:54,640

and went toward it not exist you not the

1449

00:58:59,070 --> 00:58:57,280

o-6 not the insects they were yelling at

1450

00:59:01,410 --> 00:58:59,080

me to get back on the truck and get away

1451
00:59:04,710 --> 00:59:01,420
from there good thinking you know it

1452
00:59:08,430 --> 00:59:04,720
would have been anyway as I got closer

1453
00:59:11,940 --> 00:59:08,440
to it it started to move and started to

1454
00:59:13,830 --> 00:59:11,950
the sound started to get louder and that

1455
00:59:17,070 --> 00:59:13,840
scared me I jumped down behind some

1456
00:59:19,620 --> 00:59:17,080
cover there and then in the truck were

1457
00:59:24,750 --> 00:59:19,630
screaming at me to get away from that so

1458
00:59:28,290 --> 00:59:24,760
I raised up to go and I was hit it felt

1459
00:59:30,510 --> 00:59:28,300
like a physical blow and I blacked out

1460
00:59:32,670 --> 00:59:30,520
the men in the truck said they saw a

1461
00:59:36,270 --> 00:59:32,680
powerful bolt of energy come out of the

1462
00:59:37,770 --> 00:59:36,280
bottom of the craft and hit me I said it

1463
00:59:39,180 --> 00:59:37,780

just looked like a grenade went off in

1464

00:59:41,430 --> 00:59:39,190

front of me in there sometimes I said it

1465

00:59:43,080 --> 00:59:41,440

threw me through the air about ten feet

1466

00:59:46,120 --> 00:59:43,090

you were watching this right Mike

1467

00:59:51,309 --> 00:59:46,130

yes I said I hit the ground

1468

00:59:56,019 --> 00:59:51,319

and they thought it killed me he's gone

1469

00:59:58,930 --> 00:59:56,029

for week two weeks I don't recall those

1470

01:00:02,079 --> 00:59:58,940

five people still alive yes most of them

1471

01:00:04,839 --> 01:00:02,089

I believe now for those weeks where he

1472

01:00:06,460 --> 01:00:04,849

was missing everyone believed that these

1473

01:00:08,109 --> 01:00:06,470

men had murdered him right that an

1474

01:00:10,630 --> 01:00:08,119

accident happened they were covering it

1475

01:00:13,089 --> 01:00:10,640

up this idea of an alien abduction was

1476

01:00:15,339 --> 01:00:13,099

completely made up this made

1477

01:00:17,259 --> 01:00:15,349

international headlines within the week

1478

01:00:18,460 --> 01:00:17,269

people from all over the world were

1479

01:00:20,859 --> 01:00:18,470

coming to interview these people they

1480

01:00:23,170 --> 01:00:20,869

were put under polygraph examinations

1481

01:00:24,700 --> 01:00:23,180

they passed with flying colors

1482

01:00:27,519 --> 01:00:24,710

meanwhile the guys still missing

1483

01:00:29,259 --> 01:00:27,529

presumed the presumed dead at this point

1484

01:00:30,969 --> 01:00:29,269

they can't find a body they go back to

1485

01:00:34,299 --> 01:00:30,979

the site when this happened nothing

1486

01:00:37,210 --> 01:00:34,309

several weeks later he shows up without

1487

01:00:40,539 --> 01:00:37,220

having talked to these loggers within

1488

01:00:42,579 --> 01:00:40,549

that time supposedly they had

1489

01:00:46,870 --> 01:00:42,589

corroborating stories about what

1490

01:00:49,180 --> 01:00:46,880

happened that's a no-no means you have

1491

01:00:51,999 --> 01:00:49,190

to wonder oh absolutely yeah there's

1492

01:00:54,819 --> 01:00:52,009

things there there are exceptions to the

1493

01:00:58,059 --> 01:00:54,829

rule with you anything because I as you

1494

01:01:00,309 --> 01:00:58,069

very well now I am fascinated by Ed and

1495

01:01:02,920 --> 01:01:00,319

Lorraine Warren hmm because there's this

1496

01:01:05,019 --> 01:01:02,930

idea when something it's it's things

1497

01:01:06,489 --> 01:01:05,029

like that I honestly you telling mattad

1498

01:01:08,259 --> 01:01:06,499

me that story makes me want to go home

1499

01:01:10,930 --> 01:01:08,269

and read all about it if you have

1500

01:01:13,420 --> 01:01:10,940

there's a book borrow it yeah and I'm

1501
01:01:15,719 --> 01:01:13,430
moving into a horror movie they like

1502
01:01:18,339 --> 01:01:15,729
Hollywood I stayed at of course yeah um

1503
01:01:20,709 --> 01:01:18,349
that to me is very interesting and

1504
01:01:22,749 --> 01:01:20,719
that's when it's that's that's woes are

1505
01:01:25,989 --> 01:01:22,759
the kind of stories where I will I will

1506
01:01:27,430 --> 01:01:25,999
listen at the very least like with the

1507
01:01:29,620 --> 01:01:27,440
Warren's like I know how crazy the

1508
01:01:31,630 --> 01:01:29,630
Catholic Church's I know how extreme the

1509
01:01:32,920 --> 01:01:31,640
Catholic Church is the idea that the

1510
01:01:36,489 --> 01:01:32,930
Catholic Church looked at these two

1511
01:01:40,900 --> 01:01:36,499
people and said yes you go do this

1512
01:01:43,299 --> 01:01:40,910
exorcism is crazy yeah it's crazy like

1513
01:01:45,549 --> 01:01:43,309

the idea of doing an exorcism is it sane

1514

01:01:48,940 --> 01:01:45,559

insane to begin with but the fact that

1515

01:01:51,519 --> 01:01:48,950

they break hundreds or thousands of

1516

01:01:54,670 --> 01:01:51,529

years of tradition to allow these two

1517

01:01:56,559 --> 01:01:54,680

non priests one of whom was a woman to

1518

01:01:58,809 --> 01:01:56,569

perform an exorcism I could be wrong I

1519

01:01:59,320 --> 01:01:58,819

think I could be wrong in the sense that

1520

01:02:00,820 --> 01:01:59,330

I feel like

1521

01:02:02,650 --> 01:02:00,830

they ordained given together with the

1522

01:02:04,330 --> 01:02:02,660

Catholic Church I would put five bucks

1523

01:02:06,610 --> 01:02:04,340

down right now that says that Ed was

1524

01:02:08,350 --> 01:02:06,620

ordained to do it Lorraine got to watch

1525

01:02:10,900 --> 01:02:08,360

her yeah even though she's the one with

1526

01:02:12,580 --> 01:02:10,910

inherent psychic abilities apparently so

1527

01:02:14,560 --> 01:02:12,590

like it's stuff like that that makes me

1528

01:02:16,300 --> 01:02:14,570

well like I said I'm tying it back to

1529

01:02:18,130 --> 01:02:16,310

the beginning I want to believe I'm

1530

01:02:19,720 --> 01:02:18,140

gonna look up Travis Walton I want to

1531

01:02:22,540 --> 01:02:19,730

read some more about Travis Walton but

1532

01:02:24,130 --> 01:02:22,550

it's put my hand in that wound man yeah

1533

01:02:28,270 --> 01:02:24,140

I put my hand on that woman's back to

1534

01:02:31,050 --> 01:02:28,280

that handout yeah putting salt in it

1535

01:02:34,810 --> 01:02:31,060

salt up my hand and shoving that way Oh

1536

01:02:35,950 --> 01:02:34,820

what do you got for me I got so you

1537

01:02:37,300 --> 01:02:35,960

thought it would be kind of fun and I

1538

01:02:38,590 --> 01:02:37,310

thought this could be a fun way to close

1539

01:02:39,280 --> 01:02:38,600

us out here well we've been talking for

1540

01:02:41,740 --> 01:02:39,290

over an hour

1541

01:02:44,150 --> 01:02:41,750

huh so on my show to the segments that

1542

01:02:49,830 --> 01:02:44,160

we do we do a segment called spin it

1543

01:02:53,530 --> 01:02:52,120

okay which is where I'm not going to

1544

01:02:55,720 --> 01:02:53,540

give you a spin it today but this is a

1545

01:02:58,510 --> 01:02:55,730

funnel type of people at home is spin it

1546

01:03:00,420 --> 01:02:58,520

I give my guests a negative story and I

1547

01:03:04,300 --> 01:03:00,430

have them give me the old Sean Spicer

1548

01:03:06,310 --> 01:03:04,310

and spin it to me positively tell me why

1549

01:03:08,410 --> 01:03:06,320

it's good the other segment we do is

1550

01:03:10,420 --> 01:03:08,420

called explain where I give people just

1551
01:03:12,520 --> 01:03:10,430
the headline and then they give me the

1552
01:03:14,830 --> 01:03:12,530
story really have fun with it

1553
01:03:16,150 --> 01:03:14,840
I want to very much clarify because I

1554
01:03:17,860 --> 01:03:16,160
would hate to have this whole wonderful

1555
01:03:20,530 --> 01:03:17,870
talk and then make it seem like I am

1556
01:03:22,990 --> 01:03:20,540
making fun of anybody at all I purposely

1557
01:03:25,810 --> 01:03:23,000
chose these two headlines that I'm going

1558
01:03:28,690 --> 01:03:25,820
to give you from weekly world news oh my

1559
01:03:31,600 --> 01:03:28,700
god yes yes yes I know it is ridiculous

1560
01:03:34,090 --> 01:03:31,610
I know it is stupid I love Ryan I've

1561
01:03:35,140 --> 01:03:34,100
known him for many years now I'm just

1562
01:03:37,150 --> 01:03:35,150
gonna have we're just gonna have a

1563
01:03:39,790 --> 01:03:37,160

little fun this is just that totally

1564

01:03:41,140 --> 01:03:39,800

lights out just have fun not take those

1565

01:03:43,240 --> 01:03:41,150

seriously and I'm just going to give you

1566

01:03:45,430 --> 01:03:43,250

some some headlines if we can't take

1567

01:03:48,930 --> 01:03:45,440

this topic you know with a grain of

1568

01:03:55,209 --> 01:03:48,940

laughing what the hell suppose exactly

1569

01:04:00,489 --> 01:03:57,309

so this one from the Weekly World News

1570

01:04:03,160 --> 01:04:00,499

uncle sam oatman aging space-alien

1571

01:04:05,319 --> 01:04:03,170

applies for Social Security what's

1572

01:04:06,699 --> 01:04:05,329

happening there I am why would a why

1573

01:04:08,709 --> 01:04:06,709

would an alien feel like they're

1574

01:04:12,819 --> 01:04:08,719

entitled to social sense of my money to

1575

01:04:17,769 --> 01:04:12,829

my tax to my tax money well given that

1576

01:04:20,229 --> 01:04:17,779

this creature most likely is not here on

1577

01:04:23,650 --> 01:04:20,239

their own you know volition they

1578

01:04:26,170 --> 01:04:23,660

probably crashed at some point Roswell

1579

01:04:28,749 --> 01:04:26,180

1947 or brought to wright-patterson Air

1580

01:04:30,640 --> 01:04:28,759

Field II and then study the area 51 and

1581

01:04:32,999 --> 01:04:30,650

then was secretly let out into the

1582

01:04:36,940 --> 01:04:33,009

public disguise physically may be

1583

01:04:42,059 --> 01:04:36,950

married at that point what Social

1584

01:04:46,299 --> 01:04:42,069

Security they are now a legal documented

1585

01:04:48,609 --> 01:04:46,309

individual of the great USA okay Uncle

1586

01:04:51,190 --> 01:04:48,619

Sam oh is that okay okay okay now

1587

01:04:54,489 --> 01:04:51,200

usually usually it is a lot of fun when

1588

01:04:56,140 --> 01:04:54,499

I do these headlines because the the

1589

01:04:57,729 --> 01:04:56,150

explanation is usually way different

1590

01:04:59,799 --> 01:04:57,739

than what the story is actually about

1591

01:05:01,660 --> 01:04:59,809

I am almost convinced that you saw the

1592

01:05:04,180 --> 01:05:01,670

rest of this picture because it's a very

1593

01:05:07,870 --> 01:05:04,190

bottom it says says he's been employed

1594

01:05:13,120 --> 01:05:07,880

at area 51 since crashing nice

1595

01:05:18,910 --> 01:05:13,130

I'm swear to god this real run deep

1596

01:05:29,140 --> 01:05:18,920

y'all there is it that I could have it a

1597

01:05:33,189 --> 01:05:29,150

bit better okay last one last one a lien

1598

01:05:36,249 --> 01:05:33,199

Bible found they worship Oprah what so

1599

01:05:38,199 --> 01:05:36,259

what so so aliens rural Iowa I mean I

1600

01:05:40,719 --> 01:05:38,209

get this one I actually kind of get okay

1601

01:05:42,880 --> 01:05:40,729

right why is alien to it worshiping over

1602

01:05:44,499 --> 01:05:42,890

a whole Bible oh I have new answers to

1603

01:05:47,170 --> 01:05:44,509

this okay all right I'm excited

1604

01:05:49,900 --> 01:05:47,180

Hey whoo it's more of a question who

1605

01:05:50,829 --> 01:05:49,910

doesn't that's yeah to shanks beyond a

1606

01:05:53,079 --> 01:05:50,839

Touche my friend

1607

01:05:54,299 --> 01:05:53,089

yeah he's divinity with voice of my full

1608

01:05:57,969 --> 01:05:54,309

force on a fight

1609

01:06:00,370 --> 01:05:57,979

my second answer would have to be look

1610

01:06:01,930 --> 01:06:00,380

look at someone like Carl Sagan okay

1611

01:06:04,630 --> 01:06:01,940

don't contact me looking at him right

1612

01:06:06,390 --> 01:06:04,640

now look at the beginning of Haase book

1613

01:06:10,440 --> 01:06:06,400

so much with the movie no you sir

1614

01:06:13,170 --> 01:06:10,450

with this the message being sent out

1615

01:06:15,270 --> 01:06:13,180

into the universe from so long ago from

1616

01:06:18,540 --> 01:06:15,280

our satellites beaming things out there

1617

01:06:22,890 --> 01:06:18,550

from like maybe a broadcast from the

1618

01:06:26,300 --> 01:06:22,900

Olympics in the 40s and then to model of

1619

01:06:28,860 --> 01:06:26,310

the networks that I love the network

1620

01:06:30,900 --> 01:06:28,870

like that and then you have something

1621

01:06:33,360 --> 01:06:30,910

like a Spice Girls song you know the

1622

01:06:36,350 --> 01:06:33,370

further you go out the better

1623

01:06:40,260 --> 01:06:36,360

possibility of finding something maybe

1624

01:06:42,390 --> 01:06:40,270

instead of the Olympics in Germany where

1625

01:06:44,130 --> 01:06:42,400

Hitler made an announcement maybe other

1626

01:06:47,550 --> 01:06:44,140

than that being the first thing that

1627

01:06:51,060 --> 01:06:47,560

some alien civilization found it was

1628

01:06:52,740 --> 01:06:51,070

Oprah saying you've got an iPhone you've

1629

01:06:54,870 --> 01:06:52,750

got an iPhone you've got it on you say

1630

01:06:56,820 --> 01:06:54,880

this is the Galaxy Quest absolutely yeah

1631

01:06:58,230 --> 01:06:56,830

I get it that makes total sense there's

1632

01:07:01,230 --> 01:06:58,240

probably a ship out there that's just

1633

01:07:03,120 --> 01:07:01,240

full of like Callisto music and tiny

1634

01:07:04,590 --> 01:07:03,130

little pieces and then like bird up

1635

01:07:06,660 --> 01:07:04,600

coffees with tiny little pieces once

1636

01:07:09,890 --> 01:07:06,670

that guy in the front there's yeah

1637

01:07:12,900 --> 01:07:09,900

there's a whole crew knows it I mean

1638

01:07:15,690 --> 01:07:12,910

look at like oh look at something like

1639

01:07:18,540 --> 01:07:15,700

in the Simpsons the episode where they

1640

01:07:20,400 --> 01:07:18,550

create the the miniature civilisation

1641

01:07:22,290 --> 01:07:20,410

and I think it was that a tree on some

1642

01:07:25,620 --> 01:07:22,300

other trails or at the play off of a

1643

01:07:27,750 --> 01:07:25,630

toilet x22 so yeah where they become

1644

01:07:31,410 --> 01:07:27,760

their God and we all they know we've

1645

01:07:34,080 --> 01:07:31,420

learned to immature to you isn't exactly

1646

01:07:37,220 --> 01:07:34,090

maybe on some far-off planet may be

1647

01:07:40,860 --> 01:07:37,230

closer than we think there is a huge

1648

01:07:43,950 --> 01:07:40,870

statue of Oprah oh man and they are just

1649

01:07:46,890 --> 01:07:43,960

I did even better with these headphones

1650

01:07:48,690 --> 01:07:46,900

but I could we'll have to come on

1651
01:07:50,970 --> 01:07:48,700
halfway son of a black man I would love

1652
01:07:51,930 --> 01:07:50,980
to yeah although that is when can we

1653
01:07:53,760 --> 01:07:51,940
listen ah

1654
01:07:55,590 --> 01:07:53,770
you can listen not every Saturday we

1655
01:07:56,850 --> 01:07:55,600
usually really sit you can go to you can

1656
01:08:00,360 --> 01:07:56,860
look up half what some of the black men

1657
01:08:02,730 --> 01:08:00,370
on iTunes or I think it's on like pod

1658
01:08:04,050 --> 01:08:02,740
crunch or two and a few other as if

1659
01:08:05,340 --> 01:08:04,060
anybody's familiar with lips and

1660
01:08:06,990 --> 01:08:05,350
anything that you get through lips and

1661
01:08:10,380 --> 01:08:07,000
you can listen the half way to a black

1662
01:08:12,330 --> 01:08:10,390
man on or you can go to WWF I am a black

1663
01:08:14,700 --> 01:08:12,340

man calm and download the mp3s for free

1664

01:08:16,140 --> 01:08:14,710

it is hilarious I listen every week and

1665

01:08:19,290 --> 01:08:16,150

there's not just as I know you there's

1666

01:08:20,550 --> 01:08:19,300

also a podcast there's at least the

1667

01:08:23,130 --> 01:08:20,560

first half of something that will

1668

01:08:24,960 --> 01:08:23,140

hopefully be completed down the line

1669

01:08:27,570 --> 01:08:24,970

which is with my friend Joe cavity which

1670

01:08:29,220 --> 01:08:27,580

was in the sky from the shadows is what

1671

01:08:31,770 --> 01:08:29,230

is called this basically us talking

1672

01:08:34,760 --> 01:08:31,780

about the effects of it was inspired by

1673

01:08:37,380 --> 01:08:34,770

when Batman V Superman came out and how

1674

01:08:39,510 --> 01:08:37,390

Batman and Superman have both been

1675

01:08:41,670 --> 01:08:39,520

molded by their interpretations and

1676
01:08:43,920 --> 01:08:41,680
other media over the years significantly

1677
01:08:45,570 --> 01:08:43,930
like just for a little taste Jimmy Olsen

1678
01:08:47,880 --> 01:08:45,580
and kryptonite both introduced in the

1679
01:08:49,110 --> 01:08:47,890
radio show not introduced in the comic

1680
01:08:50,970 --> 01:08:49,120
books again I love your single word

1681
01:08:53,730 --> 01:08:50,980
doing the radio show we would not have

1682
01:08:55,320 --> 01:08:53,740
Jimmy Olsen or kryptonite I never knew

1683
01:08:57,510 --> 01:08:55,330
that I wouldn't have Batgirl without the

1684
01:08:59,790 --> 01:08:57,520
66 TV show we wouldn't have yeah there's

1685
01:09:02,490 --> 01:08:59,800
all kinds it's all there like it's all

1686
01:09:03,840 --> 01:09:02,500
stuff that is like it Christopher's the

1687
01:09:05,250 --> 01:09:03,850
Christopher Reeve Superman movies

1688
01:09:06,780 --> 01:09:05,260

affected what happened in the comic

1689

01:09:09,810 --> 01:09:06,790

books and insight like there's just it's

1690

01:09:12,000 --> 01:09:09,820

all from that so I was it was very much

1691

01:09:13,050 --> 01:09:12,010

me being like listen Batman V Superman

1692

01:09:14,940 --> 01:09:13,060

is what people are going to be talking

1693

01:09:17,130 --> 01:09:14,950

about 15 years from now you watch so

1694

01:09:21,540 --> 01:09:17,140

that is a bold state is and I stand by

1695

01:09:22,980 --> 01:09:21,550

it and then there's another little fun

1696

01:09:24,810 --> 01:09:22,990

podcast for a company I do work for

1697

01:09:26,160 --> 01:09:24,820

called a Sanford on the city there's

1698

01:09:28,350 --> 01:09:26,170

about two episodes now if you go to the

1699

01:09:30,720 --> 01:09:28,360

New York tour one Facebook page you can

1700

01:09:33,990 --> 01:09:30,730

listen to those on there I love me some

1701

01:09:35,460 --> 01:09:34,000

podcasts me to my me yeah yeah well

1702

01:09:37,950 --> 01:09:35,470

thank you so much for joining me today

1703

01:09:40,830 --> 01:09:37,960

it was a healthy debates a blast I'm

1704

01:09:43,290 --> 01:09:40,840

gonna motivate conversation I that's the

1705

01:09:45,540 --> 01:09:43,300

thing I am open to legacy I want to know

1706

01:09:48,360 --> 01:09:45,550

more about Travis Walton I wanna I want

1707

01:09:51,750 --> 01:09:48,370

to believe look look at that guys we got

1708

01:09:54,330 --> 01:09:51,760

one more for travel as Mulder what do we

1709

01:09:57,420 --> 01:09:54,340

say I wanted to leave exactly thank you

1710

01:09:59,820 --> 01:09:57,430

so much Andrew thanks Ron all right that

1711

01:10:02,580 --> 01:09:59,830

is it for this week's first in-studio

1712

01:10:04,980 --> 01:10:02,590

interview I had to think Andrew once

1713

01:10:07,170 --> 01:10:04,990

again for coming on his work can be

1714

01:10:10,140 --> 01:10:07,180

found at half-white son of a black man

1715

01:10:12,690 --> 01:10:10,150

calm he is one of the nicest people I

1716

01:10:15,630 --> 01:10:12,700

know and it was so refreshing to talk to

1717

01:10:18,480 --> 01:10:15,640

an open-minded skeptic he is currently

1718

01:10:21,240 --> 01:10:18,490

reading my copy of fire in the sky the

1719

01:10:22,920 --> 01:10:21,250

Travis Walton experience so I'll have

1720

01:10:25,560 --> 01:10:22,930

him on again to see what he makes of the

1721

01:10:27,720 --> 01:10:25,570

entire Travis Walton incident I also

1722

01:10:29,670 --> 01:10:27,730

want to take this opportunity to say

1723

01:10:30,640 --> 01:10:29,680

that the show is going to become a bit

1724

01:10:33,250 --> 01:10:30,650

less real

1725

01:10:35,380 --> 01:10:33,260

and scripted moving forward I've

1726

01:10:37,450 --> 01:10:35,390

received a lot of feedback and I'll be

1727

01:10:40,420 --> 01:10:37,460

the first to admit I'm a slave to a

1728

01:10:43,750 --> 01:10:40,430

script so get used to hearing me be much

1729

01:10:45,880 --> 01:10:43,760

more laid-back unedited and just being

1730

01:10:47,590 --> 01:10:45,890

myself with all of you if you haven't

1731

01:10:49,900 --> 01:10:47,600

already please rate and review the show

1732

01:10:52,540 --> 01:10:49,910

wherever applicable and if you have any

1733

01:10:54,400 --> 01:10:52,550

guests or topic suggestions hit me up at

1734

01:10:56,530 --> 01:10:54,410

spread it somewhere in the skies calm

1735

01:10:58,090 --> 01:10:56,540

I've also got a ton going on over at the

1736

01:11:01,030 --> 01:10:58,100

website so please check that out

1737

01:11:03,310 --> 01:11:01,040

somewhere in the skies calm remember

1738

01:11:20,020 --> 01:11:03,320

keep your feet on the ground but never

1739

01:11:23,140 --> 01:11:20,030

stop searching somewhere in the sky this
