start spreading the news I'm leaving

13
00:01:12,760 --> 00:01:09,210

today I want to be part of it

14

00:01:22,670 --> 00:01:12,770

New York New York

15

00:01:24,180 --> 00:01:22,680

[Music]

16

00:01:28,910 --> 00:01:24,190

[Applause]

17

00:01:33,590 --> 00:01:31,700

the music says it all what's up guys

18

00:01:35,690 --> 00:01:33,600

welcome to somewhere in the skies I'm

19

00:01:38,000 --> 00:01:35,700

your host Ryan Sprague and I have

20

00:01:40,280 --> 00:01:38,010

officially moved cross-country from New

21

00:01:42,410 --> 00:01:40,290

York City to Los Angeles trade in one

22

00:01:44,000 --> 00:01:42,420

crazy city for the next but I was so

23

00:01:46,640 --> 00:01:44,010

excited to start this new journey in

24

00:01:48,800 --> 00:01:46,650

California but make no mistake New York

25

00:01:51,590 --> 00:01:48,810

City is the greatest city in the world

26
00:01:54,020 --> 00:01:51,600
and I was beyond fortunate to make it my

27
00:01:56,480 --> 00:01:54,030
home for over a decade from waiting

28
00:01:57,800 --> 00:01:56,490
tables at Bubba Gump shrimp company to

29
00:02:00,680 --> 00:01:57,810
working at The Late Show with David

30
00:02:04,070 --> 00:02:00,690
Letterman I did and saw it all I had

31
00:02:05,870 --> 00:02:04,080
countless successes and failures but I

32
00:02:08,330 --> 00:02:05,880
wouldn't have traded it for the world

33
00:02:10,090 --> 00:02:08,340
but now it's time for a change and with

34
00:02:12,320 --> 00:02:10,100
that change will come tremendous

35
00:02:14,720 --> 00:02:12,330
opportunities for someone the skies in

36
00:02:16,460 --> 00:02:14,730
ways I can't quite talk about yet but

37
00:02:18,380 --> 00:02:16,470
rest assured things are gonna get kicked

38
00:02:20,210 --> 00:02:18,390

up a few notches out here on the west

39

00:02:23,000 --> 00:02:20,220

coast I look forward to sharing all of

40

00:02:25,010 --> 00:02:23,010

that with you soon but first I have some

41

00:02:27,199 --> 00:02:25,020

extremely exciting news to share with

42

00:02:29,300 --> 00:02:27,209

all of you I've officially launched a

43

00:02:31,010 --> 00:02:29,310

patreon campaign for somewhere in the

44

00:02:32,900 --> 00:02:31,020

skies for those of you who don't know

45

00:02:35,540 --> 00:02:32,910

what patreon is it's basically an

46

00:02:37,520 --> 00:02:35,550

ongoing Kickstarter where you give to

47

00:02:39,290 --> 00:02:37,530

the show what you think it's worth you

48

00:02:42,170 --> 00:02:39,300

can either give a one-time donation or

49

00:02:43,970 --> 00:02:42,180

monthly contributions for every level of

50

00:02:46,310 --> 00:02:43,980

contribution there are different rewards

51
00:02:49,280 --> 00:02:46,320
that I give back to you such as bonus

52
00:02:51,710 --> 00:02:49,290
content bonus episodes a Skype meetings

53
00:02:54,080 --> 00:02:51,720
with me and other members at certain

54
00:02:56,960 --> 00:02:54,090
levels you also get to pick my topics

55
00:02:59,300 --> 00:02:56,970
and guests all the way up to coming on

56
00:03:01,640 --> 00:02:59,310
the show and being either my guest or

57
00:03:03,140 --> 00:03:01,650
co-host my other big announcement is

58
00:03:06,470 --> 00:03:03,150
that I've officially launched the

59
00:03:09,520 --> 00:03:06,480
somewhere in the sky store t-shirts tank

60
00:03:12,170 --> 00:03:09,530
tops hoodies mugs phone and laptop cases

61
00:03:14,000 --> 00:03:12,180
stickers and notebooks all of it guys

62
00:03:16,370 --> 00:03:14,010
they're all available now at somewhere

63
00:03:19,100 --> 00:03:16,380

in the skies calm with an amazing

64

00:03:21,259 --> 00:03:19,110

original design by Eduardo Lobo this

65

00:03:23,660 --> 00:03:21,269

merchandise will also be a reward for

66

00:03:25,490 --> 00:03:23,670

certain levels of the patreon the reason

67

00:03:28,370 --> 00:03:25,500

for this patreon is to make the show

68

00:03:31,130 --> 00:03:28,380

better both in quality and quantity I

69

00:03:33,320 --> 00:03:31,140

love doing somewhere in the skies but as

70

00:03:35,599 --> 00:03:33,330

it grows it becomes more expensive to

71

00:03:37,789 --> 00:03:35,609

maintain and I pay out of pocket for all

72

00:03:40,460 --> 00:03:37,799

of it your support will help offset

73

00:03:41,250 --> 00:03:40,470

costs but also will allow me to get

74

00:03:44,550 --> 00:03:41,260

better

75

00:03:47,009 --> 00:03:44,560

and even travel to investigate research

76

00:03:49,320 --> 00:03:47,019

an interview I want to make the show

77

00:03:51,449 --> 00:03:49,330

worth not only every second of your time

78

00:03:53,670 --> 00:03:51,459

but every penny you put into it

79

00:03:55,770 --> 00:03:53,680

somewhere in the skies will always be

80

00:03:58,229 --> 00:03:55,780

free to consume but this gives you the

81

00:04:00,990 --> 00:03:58,239

opportunity to help me when you can I

82

00:04:03,539 --> 00:04:01,000

would love to make this my full-time job

83

00:04:05,309 --> 00:04:03,549

and focus every ounce of energy and

84

00:04:07,619 --> 00:04:05,319

moment I can on the show so please

85

00:04:10,920 --> 00:04:07,629

consider becoming a patreon today by

86

00:04:30,200 --> 00:04:10,930

visiting patreon.com slash somewhere

87

00:04:34,500 --> 00:04:32,580

who happened to be in town for a few

88

00:04:36,420 --> 00:04:34,510

days many of you may be familiar with

89

00:04:38,550 --> 00:04:36,430

only weirdos see UFOs an introduction to

101

00:05:07,969 --> 00:05:05,760

the public's misperception of

102

00:05:10,469 --> 00:05:07,979

unidentified aerial phenomena and

103

00:05:13,409 --> 00:05:10,479

extraterrestrial life Jason and I sit

104

00:05:16,290 --> 00:05:13,419

back crack open a few UFO beers in Times

105

00:05:18,510 --> 00:05:16,300

Square and talk UFOs the paranormal and

106

00:05:20,520 --> 00:05:18,520

the heavy impact of belief systems for

107

00:05:23,190 --> 00:05:20,530

science when it comes to investigating

108

00:05:25,710 --> 00:05:23,200

these strange topics so without further

109

00:05:27,570 --> 00:05:25,720

ado here is my last episode to

110

00:05:30,210 --> 00:05:27,580

officially take place in the city that

111

00:05:32,940 --> 00:05:30,220

never sleeps and a perfect guest to send

112

00:05:34,950 --> 00:05:32,950

me off Jason McClellan hey guys this is

113

00:05:37,620 --> 00:05:34,960

Ryan Sprague here for somewhere in the

114

00:05:41,219 --> 00:05:37,630

skies but that is not it we're also here

115

00:05:42,689 --> 00:05:41,229

today with a Jason McClellan my good

116

00:05:44,969 --> 00:05:42,699

buddy my colleague

117

00:05:46,950 --> 00:05:44,979

fellow friend he's here in New York

118

00:05:49,980 --> 00:05:46,960

visiting for a few days for some

119

00:05:52,380 --> 00:05:49,990

top-secret projects top-secret ferry

120

00:05:53,400 --> 00:05:52,390

top secret but we are together in New

121

00:05:56,190 --> 00:05:53,410

York this is awesome

122

00:05:58,350 --> 00:05:56,200

we I was very surprised and we were

123

00:06:01,050 --> 00:05:58,360

actually able to make it happen you know

124

00:06:03,600 --> 00:06:01,060

I'm leaving for Los Angeles in two days

125

00:06:05,220 --> 00:06:03,610

and he just happened to be here one of

126
00:06:07,680 --> 00:06:05,230
the days and freeze just happened to be

127
00:06:09,450 --> 00:06:07,690
here and I just happened to be in LA in

128
00:06:10,560 --> 00:06:09,460
a couple days from now so absolutely

129
00:06:12,600 --> 00:06:10,570
we'll cross paths again

130
00:06:14,040 --> 00:06:12,610
this is crazy it's pretty awesome but we

131
00:06:15,510 --> 00:06:14,050
try to do this like every time I come to

132
00:06:17,160 --> 00:06:15,520
New York and it doesn't always work out

133
00:06:18,690 --> 00:06:17,170
it sometimes works out and I think the

134
00:06:20,400 --> 00:06:18,700
last time we did a podcast in New York

135
00:06:21,870 --> 00:06:20,410
we got nice and drunk together so we

136
00:06:24,870 --> 00:06:21,880
were very drunk Maureen was there as

137
00:06:27,090 --> 00:06:24,880
well yes she was attended the New York

138
00:06:28,110 --> 00:06:27,100

Comic New York comic-con that was pretty

139

00:06:30,180 --> 00:06:28,120

awesome

140

00:06:32,220 --> 00:06:30,190

yeah that was wasn't that when you guys

141

00:06:34,440 --> 00:06:32,230

met Gillian Anderson well it wouldn't

142

00:06:35,340 --> 00:06:34,450

say met but we certainly got it got a

143

00:06:38,190 --> 00:06:35,350

photo with her

144

00:06:40,770 --> 00:06:38,200

yeah but man yeah no those things are

145

00:06:42,900 --> 00:06:40,780

weird and you always want to like strike

146

00:06:44,760 --> 00:06:42,910

up a conversation obviously and I was

147

00:06:46,740 --> 00:06:44,770

wearing a t-shirt with a big alien head

148

00:06:47,910 --> 00:06:46,750

on it no assault yeah I want to talk to

149

00:06:50,850 --> 00:06:47,920

Jillian about aliens because I know

150

00:06:51,540 --> 00:06:50,860

she's into it but no you're like herded

151
00:06:54,060 --> 00:06:51,550
like cattle

152
00:06:55,590 --> 00:06:54,070
they're all next you go in there wrap

153
00:06:57,480 --> 00:06:55,600
your arm around your photo and you're

154
00:06:59,160 --> 00:06:57,490
pushed off it's so awkward

155
00:07:00,690 --> 00:06:59,170
no it's really awkward and I'm sure it's

156
00:07:02,400 --> 00:07:00,700
awkward for them I mean it's you know

157
00:07:03,870 --> 00:07:02,410
how it is on a very small scale

158
00:07:05,820 --> 00:07:03,880
you know we experience that sometimes

159
00:07:07,530 --> 00:07:05,830
too at conferences where people want to

160
00:07:09,990 --> 00:07:07,540
come up and have photos and get good

161
00:07:12,150 --> 00:07:10,000
autographs and things like that and you

162
00:07:14,610 --> 00:07:12,160
know it's very very flattering but it

163
00:07:16,380 --> 00:07:14,620

gets exhausting too like where you just

164

00:07:18,930 --> 00:07:16,390

have the stream of people and after a

165

00:07:21,660 --> 00:07:18,940

while you know you're writing the same

166

00:07:23,400 --> 00:07:21,670

inscription or saying the same thing or

167

00:07:25,320 --> 00:07:23,410

you know it just gets repetitive and

168

00:07:27,720 --> 00:07:25,330

you're okay about what you're gonna have

169

00:07:29,430 --> 00:07:27,730

for dinner exactly you're alright next

170

00:07:31,200 --> 00:07:29,440

next next move on I want to get out of

171

00:07:33,690 --> 00:07:31,210

here and get to the bar yeah and you

172

00:07:35,880 --> 00:07:33,700

know it's it's I feel bad it's not fair

173

00:07:36,780 --> 00:07:35,890

to the people who want to meet you and

174

00:07:39,570 --> 00:07:36,790

want to have a meaningful conversation

175

00:07:42,270 --> 00:07:39,580

with you but after a while just lines of

176

00:07:45,390 --> 00:07:42,280

people it wears on you so I get it I get

177

00:07:47,610 --> 00:07:45,400

it to you and I I always go back to when

178

00:07:50,130 --> 00:07:47,620

I met David Duchovny you know I've been

179

00:07:52,320 --> 00:07:50,140

dreaming about this moment for you know

180

00:07:55,350 --> 00:07:52,330

practically me my whole life since

181

00:07:59,129 --> 00:07:55,360

x-files came out and he was doing a

182

00:08:01,529 --> 00:07:59,139

off-broadway play here in New York and I

183

00:08:04,200 --> 00:08:01,539

we're so excited it was by my favorite

184

00:08:08,700 --> 00:08:04,210

playwright starring like my favorite

185

00:08:11,730 --> 00:08:08,710

actor and I was so excited the play went

186

00:08:13,950 --> 00:08:11,740

on and the last moment of the play

187

00:08:16,110 --> 00:08:13,960

I specifically remember it's a moment

188

00:08:18,570 --> 00:08:16,120

where Duchovny is supposed to like be

189

00:08:20,429 --> 00:08:18,580

shaking his fist at God and it's

190

00:08:22,200 --> 00:08:20,439

powerful and it's supposed to be this

191

00:08:24,779 --> 00:08:22,210

big moment and you could tell there's

192

00:08:28,290 --> 00:08:24,789

supposed to be like a super quick

193

00:08:30,270 --> 00:08:28,300

blackout yeah into play so he does it

194

00:08:32,790 --> 00:08:30,280

you know he's all revved up he does his

195

00:08:35,430 --> 00:08:32,800

last line and the lights never go out No

196

00:08:38,490 --> 00:08:35,440

so he's just standing there in the

197

00:08:40,920 --> 00:08:38,500

spotlight doing his last line and then

198

00:08:44,819 --> 00:08:40,930

he just sort of you know slowly puts his

199

00:08:48,180 --> 00:08:44,829

hands down kind of looks around it just

200

00:08:49,290 --> 00:08:48,190

walks off stage it was so awkward

201
00:08:50,670 --> 00:08:49,300
although the audience didn't know

202
00:08:52,079 --> 00:08:50,680
whether or not we didn't know if the

203
00:08:54,120 --> 00:08:52,089
play was oh yeah

204
00:08:56,610 --> 00:08:54,130
it was just one element it was clear

205
00:08:57,240 --> 00:08:56,620
what was supposed to happen oh that's

206
00:09:01,860 --> 00:08:57,250
too bad

207
00:09:05,069 --> 00:09:01,870
so afterwards I brought my you know my

208
00:09:07,620 --> 00:09:05,079
big x-files book to get signed by oh my

209
00:09:09,240 --> 00:09:07,630
I want to believe poster I had this you

210
00:09:11,910 --> 00:09:09,250
know with fantasy in my head that he'd

211
00:09:13,620 --> 00:09:11,920
be like oh you're a true x-files yeah of

212
00:09:16,650 --> 00:09:13,630
course I'm gonna stop and talk to you

213
00:09:19,199 --> 00:09:16,660

yeah so we go out there and there's just

214

00:09:21,360 --> 00:09:19,209

a [h__h] ton of middle-aged women waiting

215

00:09:25,620 --> 00:09:21,370

to meet him from Californication know

216

00:09:27,449 --> 00:09:25,630

and I see him coming down the hallway so

217

00:09:29,430 --> 00:09:27,459

I opened the door for him I'm like oh

218

00:09:32,340 --> 00:09:29,440

this is it this is my end holding the

219

00:09:34,259 --> 00:09:32,350

door for him brushes right past me you

220

00:09:36,870 --> 00:09:34,269

could tell he was in a [h__h] mood cuz the

221

00:09:40,470 --> 00:09:36,880

play did not go so he like scribbled in

222

00:09:43,470 --> 00:09:40,480

one person's book and got in his car so

223

00:09:45,810 --> 00:09:43,480

my heart was just crushed you have you

224

00:09:48,000 --> 00:09:45,820

have these expectations of celebrities

225

00:09:49,470 --> 00:09:48,010

or people that you want to meet they've

226

00:09:51,720 --> 00:09:49,480

been such a big part of your life and

227

00:09:54,210 --> 00:09:51,730

then you have to realize like sometimes

228

00:09:56,340 --> 00:09:54,220

they just have off nights yeah or

229

00:09:58,110 --> 00:09:56,350

sometimes they just don't want to stand

230

00:09:59,819 --> 00:09:58,120

there and talk for hours yeah exactly

231

00:10:01,949 --> 00:09:59,829

you know they don't they don't

232

00:10:04,410 --> 00:10:01,959

necessarily owed that to anyone that's

233

00:10:06,600 --> 00:10:04,420

right you know they did his job he did

234

00:10:08,939 --> 00:10:06,610

the play he could go home if he wants

235

00:10:11,140 --> 00:10:08,949

yeah you know so I feel like those

236

00:10:12,400 --> 00:10:11,150

moments are tough so I'm

237

00:10:15,040 --> 00:10:12,410

do you guys got to get a photo with

238

00:10:16,570 --> 00:10:15,050

Gillian but also at the same time it

239

00:10:18,760 --> 00:10:16,580

doesn't surprise me that you didn't have

240

00:10:21,670 --> 00:10:18,770

like an hour to chat or anything like

241

00:10:24,850 --> 00:10:21,680

that and you know to be fair to her I'm

242

00:10:26,560 --> 00:10:24,860

sure if it were up to her she because

243

00:10:29,470 --> 00:10:26,570

she's a nice person she would have

244

00:10:31,540 --> 00:10:29,480

entertained some conversation but it's

245

00:10:33,550 --> 00:10:31,550

always the handlers you know you're at

246

00:10:35,530 --> 00:10:33,560

the mercy of so you know when they're

247

00:10:37,329 --> 00:10:35,540

pushing you along you you've got to

248

00:10:39,850 --> 00:10:37,339

follow the rules so that's a good point

249

00:10:41,350 --> 00:10:39,860

so you just follow the the orders that

250

00:10:45,040 --> 00:10:41,360

are being barked at you and she like

251
00:10:46,900 --> 00:10:45,050
smiled politely and nodded okay well it

252
00:10:50,140 --> 00:10:46,910
was what it was I enjoyed it what was

253
00:10:54,280 --> 00:10:50,150
that yeah it's a good point oh we might

254
00:10:57,010 --> 00:10:54,290
add that we are currently drinking UFO

255
00:10:59,410 --> 00:10:57,020
beer yes enough to purchase this for the

256
00:11:01,329 --> 00:10:59,420
two of them yes we are drinking UFO beer

257
00:11:03,340 --> 00:11:01,339
we are big fans of UFO beer if you

258
00:11:06,130 --> 00:11:03,350
haven't had UFO beer it's made by

259
00:11:09,000 --> 00:11:06,140
harpoon brewery they have a UFO Line

260
00:11:11,800 --> 00:11:09,010
mini flavors when we got raspberry

261
00:11:14,680 --> 00:11:11,810
raspberry huckleberry um

262
00:11:15,730 --> 00:11:14,690
Hefeweizen and a white ale not so good

263
00:11:18,850 --> 00:11:15,740

so yeah

264

00:11:21,490 --> 00:11:18,860

fantastic beer we love UFO so Thank You

265

00:11:23,740 --> 00:11:21,500

UFO beer brought to you by UFO beer

266

00:11:26,320 --> 00:11:23,750

maybe they want to sponsor us we

267

00:11:29,650 --> 00:11:26,330

certainly walk on my UFO sponsorship so

268

00:11:32,079 --> 00:11:29,660

yeah I guess this is a good time for any

269

00:11:33,910 --> 00:11:32,089

of my listeners who aren't familiar with

270

00:11:36,670 --> 00:11:33,920

you Jason which I find hard to believe

271

00:11:39,220 --> 00:11:36,680

let's I guess maybe dive into how we got

272

00:11:42,550 --> 00:11:39,230

connected um how did how did our

273

00:11:44,620 --> 00:11:42,560

relationship blossomed absolutely so it

274

00:11:47,980 --> 00:11:44,630

started in a lucid dream I had one night

275

00:11:49,990 --> 00:11:47,990

when I had a raging boner it no okay

276

00:11:51,430 --> 00:11:50,000

that wasn't the actual story so I

277

00:11:54,970 --> 00:11:51,440

cutting that out I'm not saying that

278

00:11:56,920 --> 00:11:54,980

didn't happen but so the way you and I

279

00:12:01,480 --> 00:11:56,930

were introduced this goes back to open

280

00:12:03,850 --> 00:12:01,490

minds days and we had launched the open

281

00:12:06,160 --> 00:12:03,860

minds magazine for those of you not

282

00:12:07,690 --> 00:12:06,170

aware open minds was a internationally

283

00:12:09,130 --> 00:12:07,700

distributed print magazine I don't

284

00:12:10,540 --> 00:12:09,140

remember how many years we put that out

285

00:12:12,910 --> 00:12:10,550

but it was out for a few years and

286

00:12:14,949 --> 00:12:12,920

distributed around the world and in my

287

00:12:19,180 --> 00:12:14,959

opinion was the best UFO magazine ever

288

00:12:21,100 --> 00:12:19,190

silly little fanboy but yeah so we were

289

00:12:23,369 --> 00:12:21,110

looking for writers and we happen to

290

00:12:25,919 --> 00:12:23,379

come across a gentleman by the name of

291

00:12:27,509 --> 00:12:25,929

Gregg who was very interested in writing

292

00:12:30,210 --> 00:12:27,519

for the magazine maybe a little too

293

00:12:35,849 --> 00:12:30,220

interest so we took a chance on Ryan and

294

00:12:37,199 --> 00:12:35,859

that is a fantastic mistake we made the

295

00:12:39,960 --> 00:12:37,209

best mistake we've ever made

296

00:12:41,999 --> 00:12:39,970

no no and that's that's uh that's how

297

00:12:44,159 --> 00:12:42,009

Ryan and I met and then you know we

298

00:12:46,919 --> 00:12:44,169

Maureen and I interviewed on interviewed

299

00:12:48,479 --> 00:12:46,929

you on spacing out yes and yeah our

300

00:12:50,699 --> 00:12:48,489

relationship blossomed and flourished

301
00:12:53,069 --> 00:12:50,709
and it's been pretty awesome you know

302
00:12:54,629 --> 00:12:53,079
you when you get involved in the UFO

303
00:12:56,819 --> 00:12:54,639
topic I don't think you really think

304
00:12:58,739 --> 00:12:56,829
about what could come of that yeah it's

305
00:13:01,349 --> 00:12:58,749
not just searching for answers to these

306
00:13:02,729 --> 00:13:01,359
questions we all have but you meet

307
00:13:05,099 --> 00:13:02,739
people along the way and you make

308
00:13:06,679 --> 00:13:05,109
friends yeah it is a community yeah and

309
00:13:09,839 --> 00:13:06,689
sometimes that community can be pretty

310
00:13:11,789 --> 00:13:09,849
fractured but there are also those

311
00:13:13,619 --> 00:13:11,799
moments when you make I think lifelong

312
00:13:16,109 --> 00:13:13,629
friends yeah and I think that's what

313
00:13:17,939 --> 00:13:16,119

happened with you me Maureen yeah you

314

00:13:20,309 --> 00:13:17,949

have those connections pretty fast I

315

00:13:22,710 --> 00:13:20,319

mean you can get a good read on people

316

00:13:24,269 --> 00:13:22,720

especially in this field and you know

317

00:13:26,639 --> 00:13:24,279

you can tell when you're generally

318

00:13:27,749 --> 00:13:26,649

aligned with somebody yeah you get it

319

00:13:31,109 --> 00:13:27,759

you get a good feel for people pretty

320

00:13:33,599 --> 00:13:31,119

fast and with you I don't know I I can't

321

00:13:35,969 --> 00:13:33,609

speak for you but I know for me we

322

00:13:37,559 --> 00:13:35,979

seemed to click pretty fast so you know

323

00:13:39,599 --> 00:13:37,569

just from the first time we started

324

00:13:41,309 --> 00:13:39,609

working together I knew that we were

325

00:13:43,409 --> 00:13:41,319

pretty well aligned and and we became

326

00:13:45,929 --> 00:13:43,419

lifelong friends yeah and I mean we have

327

00:13:47,069 --> 00:13:45,939

other just as well you know we both like

328

00:13:49,489 --> 00:13:47,079

loved music

329

00:13:51,509 --> 00:13:49,499

yeah the punk the punk scene no

330

00:13:53,879 --> 00:13:51,519

discussing all these different things

331

00:13:54,719 --> 00:13:53,889

you know and you ever hear a shot to you

332

00:14:00,179 --> 00:13:54,729

by UFO beer

333

00:14:01,889 --> 00:14:00,189

yes but ya know I I sort of when I

334

00:14:05,729 --> 00:14:01,899

learned about open minds and that there

335

00:14:08,039 --> 00:14:05,739

was an actual company that was doing UFO

336

00:14:10,049 --> 00:14:08,049

work I knew I had to be a part of it

337

00:14:12,179 --> 00:14:10,059

somehow it doesn't small way that's what

338

00:14:16,259 --> 00:14:12,189

oh yeah volunteering at the conference's

339

00:14:19,229 --> 00:14:16,269

yeah spending 12 hours a day behind a

340

00:14:22,019 --> 00:14:19,239

dark curtain with headphones on you know

341

00:14:24,599 --> 00:14:22,029

and you know I'm harassed life of UFO

342

00:14:26,039 --> 00:14:24,609

conference oh yeah big time you know

343

00:14:29,849 --> 00:14:26,049

getting that pee break in between each

344

00:14:31,439 --> 00:14:29,859

speaker if you like yeah but I wouldn't

345

00:14:34,259 --> 00:14:31,449

have traded it for the world yeah it was

346

00:14:36,390 --> 00:14:34,269

I got to see so many interesting people

347

00:14:38,760 --> 00:14:36,400

give talks

348

00:14:41,730 --> 00:14:38,770

you know the mainstream will never see

349

00:14:43,410 --> 00:14:41,740

and while that's sad it makes me feel

350

00:14:45,570 --> 00:14:43,420

very special yeah I got to like

351
00:14:47,070 --> 00:14:45,580
experience that I got to see Bob Lazar

352
00:14:48,900 --> 00:14:47,080
in the flesh

353
00:14:52,530 --> 00:14:48,910
put the [h__h] microphone on Bob Lazar

354
00:14:54,030 --> 00:14:52,540
yeah it was incredible those are the

355
00:14:55,740 --> 00:14:54,040
moment I don't never forget that's right

356
00:14:57,420 --> 00:14:55,750
now and we've had many of those I feel

357
00:14:58,470 --> 00:14:57,430
throughout the years as well absolutely

358
00:14:59,820 --> 00:14:58,480
yeah

359
00:15:01,830 --> 00:14:59,830
well speaking about conferences you just

360
00:15:05,640 --> 00:15:01,840
got back from a conference right in Nova

361
00:15:08,310 --> 00:15:05,650
Scotia Nova Scotia Wow UFO conference

362
00:15:10,950 --> 00:15:08,320
that's something I have not done oh how

363
00:15:13,500 --> 00:15:10,960

was that experience it was incredible

364

00:15:16,910 --> 00:15:13,510

yeah I didn't know quite what to expect

365

00:15:20,190 --> 00:15:16,920

I was speaking on a topic that I am

366

00:15:22,230 --> 00:15:20,200

definitely not an expert in and that's

367

00:15:24,360 --> 00:15:22,240

you know the Bermuda Triangle and

368

00:15:27,270 --> 00:15:24,370

triangles other triangles yeah out the

369

00:15:31,020 --> 00:15:27,280

world I'd written briefly about it in an

370

00:15:33,270 --> 00:15:31,030

article for Jim Herald and someone

371

00:15:35,160 --> 00:15:33,280

caught wind of it at this [h__h] at this

372

00:15:37,110 --> 00:15:35,170

you know a small town in Nova Scotia and

373

00:15:38,600 --> 00:15:37,120

why do you talk about this yeah yeah

374

00:15:42,390 --> 00:15:38,610

sure why not

375

00:15:44,820 --> 00:15:42,400

so um I got out of my comfort zone I did

376

00:15:47,040 --> 00:15:44,830

extensive research and I was able to

377

00:15:49,050 --> 00:15:47,050

find five other mysterious triangles

378

00:15:52,710 --> 00:15:49,060

throughout the world nice that had

379

00:15:54,840 --> 00:15:52,720

similar incidents that happened similar

380

00:15:57,050 --> 00:15:54,850

to the Bermuda Triangle planes crashing

381

00:15:59,820 --> 00:15:57,060

ships disappearing people vanishing

382

00:16:02,340 --> 00:15:59,830

cryptids UFOs everything you can

383

00:16:05,340 --> 00:16:02,350

possibly think of I made some

384

00:16:10,080 --> 00:16:05,350

connections but for the most part it was

385

00:16:12,690 --> 00:16:10,090

more about how we sort of shaped these

386

00:16:14,730 --> 00:16:12,700

mysteries into a triangle okay you know

387

00:16:17,970 --> 00:16:14,740

when one weird thing happened somewhere

388

00:16:20,670 --> 00:16:17,980

oh well it's between this town this town

389

00:16:24,330 --> 00:16:20,680

in this town it's a triangle so I think

390

00:16:26,490 --> 00:16:24,340

we we do have the Bermuda Triangle to

391

00:16:29,250 --> 00:16:26,500

thank for that every small town one's

392

00:16:31,320 --> 00:16:29,260

their own triangle yeah so it is more of

393

00:16:33,390 --> 00:16:31,330

a sociological study at that point I

394

00:16:34,650 --> 00:16:33,400

think which I found just as intriguing

395

00:16:38,250 --> 00:16:34,660

and that's kind of what I brought

396

00:16:41,070 --> 00:16:38,260

forward in the talk interesting yeah so

397

00:16:43,500 --> 00:16:41,080

yeah I think I don't know I don't know

398

00:16:47,520 --> 00:16:43,510

about you but I think as humans we tend

399

00:16:49,190 --> 00:16:47,530

to force things on things that aren't

400

00:16:50,330 --> 00:16:49,200

necessarily there

401
00:16:53,000 --> 00:16:50,340
one thing I'm thinking of in particular

402
00:16:55,190 --> 00:16:53,010
is our friend Chuck Zukowski and

403
00:16:58,790 --> 00:16:55,200
something you recently talked about the

404
00:17:01,790 --> 00:16:58,800
paranormal highway you know looking at a

405
00:17:05,180 --> 00:17:01,800
line a parallel line a line of latitude

406
00:17:07,490 --> 00:17:05,190
where mysterious things happen to fall

407
00:17:09,980 --> 00:17:07,500
along this point of line across the

408
00:17:11,090 --> 00:17:09,990
country they just so happened to line up

409
00:17:13,040 --> 00:17:11,100
perfectly on this line they don't

410
00:17:15,530 --> 00:17:13,050
actually you know some of it's a stretch

411
00:17:17,120 --> 00:17:15,540
but is there something there there

412
00:17:18,560 --> 00:17:17,130
certainly could be because when you look

413
00:17:21,500 --> 00:17:18,570

at it when you hear the evidence you

414

00:17:22,970 --> 00:17:21,510

hear you know what he's identified your

415

00:17:26,030 --> 00:17:22,980

own well there could be something to

416

00:17:28,580 --> 00:17:26,040

that why look at that area 51's right on

417

00:17:31,520 --> 00:17:28,590

that interesting but you know who knows

418

00:17:33,350 --> 00:17:31,530

who knows if we're you know just forcing

419

00:17:35,480 --> 00:17:33,360

that forcing something that doesn't

420

00:17:37,220 --> 00:17:35,490

exist you know on to something that

421

00:17:39,320 --> 00:17:37,230

makes sense to us or is there something

422

00:17:41,420 --> 00:17:39,330

genuinely there I think that's a good

423

00:17:42,680 --> 00:17:41,430

way to look at it in terms of you have

424

00:17:44,840 --> 00:17:42,690

all these people who talk about ley

425

00:17:47,330 --> 00:17:44,850

lines you know like oh it falls from

426

00:17:50,330 --> 00:17:47,340

this rice gotta be it's not to be I

427

00:17:53,480 --> 00:17:50,340

think we tend to want to simplify things

428

00:17:55,700 --> 00:17:53,490

put them in a box you and I deal with

429

00:17:59,030 --> 00:17:55,710

this in the UFO field a lot that the

430

00:18:01,940 --> 00:17:59,040

only answer for UFOs is alien sure and

431

00:18:04,670 --> 00:18:01,950

we both know that that probably should

432

00:18:07,160 --> 00:18:04,680

say we know we're not only keen to the

433

00:18:08,930 --> 00:18:07,170

ETH the extra-terrestrial hypothesis

434

00:18:11,750 --> 00:18:08,940

there could be a million different

435

00:18:14,920 --> 00:18:11,760

reasons for UFOs in the sky under the

436

00:18:18,140 --> 00:18:14,930

water well whatever they might be but

437

00:18:20,750 --> 00:18:18,150

for so long when people think of UFOs

438

00:18:23,000 --> 00:18:20,760

they think of aliens right and I think

439

00:18:25,130 --> 00:18:23,010

that's that's extremely limiting and

440

00:18:27,650 --> 00:18:25,140

it's tough it's tough to get people away

441

00:18:29,830 --> 00:18:27,660

from that right every TV show you know

442

00:18:33,380 --> 00:18:29,840

wants you to think it's alien rights and

443

00:18:35,810 --> 00:18:33,390

we're here saying look it could be

444

00:18:37,160 --> 00:18:35,820

something else it's yeah that's that's

445

00:18:38,840 --> 00:18:37,170

the tough thing and it's it's tough to

446

00:18:41,540 --> 00:18:38,850

get people to understand that and

447

00:18:43,580 --> 00:18:41,550

especially people in the UFO field you

448

00:18:46,190 --> 00:18:43,590

know because a lot of there's a lot of

449

00:18:47,450 --> 00:18:46,200

belief there you know a lot of wanting

450

00:18:48,860 --> 00:18:47,460

to believe that there are

451

00:18:50,420 --> 00:18:48,870

extraterrestrials and not just that

452

00:18:51,650 --> 00:18:50,430

there are extraterrestrials but the

453

00:18:53,920 --> 00:18:51,660

mysterious things we're seeing in this

454

00:18:58,220 --> 00:18:53,930

guy are courtesy of extraterrestrials

455

00:18:59,930 --> 00:18:58,230

that is certainly a possibility and I

456

00:19:01,670 --> 00:18:59,940

always want to stress to people that

457

00:19:03,139 --> 00:19:01,680

that is definitely a possibility

458

00:19:05,269 --> 00:19:03,149

but we're

459

00:19:08,419 --> 00:19:05,279

responsible in looking at the stuff and

460

00:19:11,749 --> 00:19:08,429

we're saying that 95% of all UFO

461

00:19:16,219 --> 00:19:11,759

sightings can be explained in those 95%

462

00:19:17,989 --> 00:19:16,229

of UFOs a lot of that stuff is you have

463

00:19:20,629 --> 00:19:17,999

to remember those are things that people

464

00:19:23,329 --> 00:19:20,639

are seeing and reporting is UFOs or

465

00:19:26,719 --> 00:19:23,339

things that they don't recognize in the

466

00:19:29,089 --> 00:19:26,729

sky so even some of those and the

467

00:19:30,440 --> 00:19:29,099

remaining 5% could be extraterrestrial

468

00:19:31,969 --> 00:19:30,450

but they could also be some of those

469

00:19:34,879 --> 00:19:31,979

things that are identified in the 95%

470

00:19:37,159 --> 00:19:34,889

but things in the sky can look super

471

00:19:40,310 --> 00:19:37,169

weird because there's a lot of stuff up

472

00:19:43,339 --> 00:19:40,320

there that on a day-to-day basis we're

473

00:19:44,839 --> 00:19:43,349

not used to seeing so you know people

474

00:19:46,849 --> 00:19:44,849

get tired of hearing things explained

475

00:19:48,529 --> 00:19:46,859

away as Chinese lanterns but Chinese

476
00:19:50,389 --> 00:19:48,539
lanterns aren't something that everybody

477
00:19:51,680 --> 00:19:50,399
sees in the sky every day yeah

478
00:19:54,589 --> 00:19:51,690
when you see a Chinese Lantern in the

479
00:19:56,450 --> 00:19:54,599
sky it looks weird and you see a rocket

480
00:19:58,519 --> 00:19:56,460
launch in the sky it looks weird when

481
00:20:00,619 --> 00:19:58,529
you have certain environmental you know

482
00:20:02,719 --> 00:20:00,629
weather conditions with clouds or

483
00:20:04,369 --> 00:20:02,729
whatever the situation might be that's

484
00:20:06,859 --> 00:20:04,379
going to affect how something appears in

485
00:20:07,999 --> 00:20:06,869
the sky so you might say oh I've seen a

486
00:20:11,570 --> 00:20:08,009
rocket launch and it didn't look like

487
00:20:12,919 --> 00:20:11,580
that well that was one rocket that was

488
00:20:16,039 --> 00:20:12,929

one rocket launch you could have

489

00:20:17,959 --> 00:20:16,049

different situation yeah there's so many

490

00:20:20,269 --> 00:20:17,969

variables and so many variables that

491

00:20:22,999 --> 00:20:20,279

happen all the time and you know blimps

492

00:20:24,409 --> 00:20:23,009

weather balloons missiles you know all

493

00:20:25,129 --> 00:20:24,419

sorts of things that are happening in

494

00:20:27,799 --> 00:20:25,139

the sky

495

00:20:30,259 --> 00:20:27,809

if skydivers with flares on their feet

496

00:20:31,999 --> 00:20:30,269

you know airplanes that there are

497

00:20:34,579 --> 00:20:32,009

specific companies and specific

498

00:20:37,849 --> 00:20:34,589

skydiving companies who specialize in

499

00:20:39,349 --> 00:20:37,859

doing nighttime dives with flares and

500

00:20:41,180 --> 00:20:39,359

fireworks and stuff to create these

501
00:20:41,659 --> 00:20:41,190
nighttime effects which that's what they

502
00:20:44,810 --> 00:20:41,669
do

503
00:20:46,579 --> 00:20:44,820
it looks awesome again it's not

504
00:20:48,619 --> 00:20:46,589
something you see all the time so when

505
00:20:50,089 --> 00:20:48,629
you see it in the sky you're holy [h__h]

506
00:20:51,889 --> 00:20:50,099
that is so bizarre I've never seen

507
00:20:53,209 --> 00:20:51,899
anything do like that and you say and I

508
00:20:54,499 --> 00:20:53,219
know about those skydivers who have

509
00:20:56,509 --> 00:20:54,509
flares on their feet and they can't go

510
00:20:58,459 --> 00:20:56,519
up and do loop-de-loops and stuff so it

511
00:21:00,379 --> 00:20:58,469
can't be skydivers yeah but there are

512
00:21:03,109 --> 00:21:00,389
plane companies that specialize in that

513
00:21:05,029 --> 00:21:03,119

too so it's just you know there's a lot

514

00:21:06,649 --> 00:21:05,039

out there that people people in the

515

00:21:09,109 --> 00:21:06,659

general public aren't aware of that

516

00:21:11,599 --> 00:21:09,119

exists and it's not something you see on

517

00:21:12,979 --> 00:21:11,609

a day-to-day basis so when you do see it

518

00:21:14,839 --> 00:21:12,989

it's [h__h] weird

519

00:21:16,700 --> 00:21:14,849

and you're gonna go holy [h__h] that's a

520

00:21:19,370 --> 00:21:16,710

UFO but there's just

521

00:21:23,510 --> 00:21:19,380

that people aren't accustomed to seeing

522

00:21:25,490 --> 00:21:23,520

so you know people get really excited

523

00:21:28,190 --> 00:21:25,500

when they see weird stuff and I know I'm

524

00:21:29,870 --> 00:21:28,200

guilty of it too like being in the UFO

525

00:21:31,639 --> 00:21:29,880

field seeing everything that I've seen

526

00:21:34,010 --> 00:21:31,649

for so many years

527

00:21:36,110 --> 00:21:34,020

like I'm still guilty of that when I see

528

00:21:38,060 --> 00:21:36,120

something that immediately in my mind I

529

00:21:40,310 --> 00:21:38,070

don't have an explanation for I get

530

00:21:43,519 --> 00:21:40,320

giddy I'm a schoolboy I'm jumping up and

531

00:21:45,320 --> 00:21:43,529

down what but you know you have to step

532

00:21:47,779 --> 00:21:45,330

back and understand that there is a lot

533

00:21:51,799 --> 00:21:47,789

there that has rational explanation yeah

534

00:21:53,690 --> 00:21:51,809

but at the same time knowing that and I

535

00:21:55,399 --> 00:21:53,700

have to tell myself this but knowing

536

00:21:57,440 --> 00:21:55,409

everything I know and being able to

537

00:22:00,769 --> 00:21:57,450

identify everything I can't identify I

538

00:22:02,720 --> 00:22:00,779

always have to remind myself it just

539

00:22:05,000 --> 00:22:02,730

because I see something and I think I

540

00:22:07,639 --> 00:22:05,010

know what it is that's just my opinion

541

00:22:10,190 --> 00:22:07,649

that's my thought at the time based on

542

00:22:12,289 --> 00:22:10,200

the information that I have it doesn't

543

00:22:15,980 --> 00:22:12,299

rule out aliens that's still a

544

00:22:18,380 --> 00:22:15,990

possibility the key here is to be open

545

00:22:20,659 --> 00:22:18,390

to possibilities and you can still

546

00:22:22,190 --> 00:22:20,669

unless you can absolutely write it off

547

00:22:24,769 --> 00:22:22,200

you can always entertain that

548

00:22:27,350 --> 00:22:24,779

extraterrestrial possibility yeah well

549

00:22:30,409 --> 00:22:27,360

let's take for instance the when I was

550

00:22:34,310 --> 00:22:30,419

at this conference this past weekend we

551
00:22:36,409 --> 00:22:34,320
did a ghost on and it was something I'd

552
00:22:40,310 --> 00:22:36,419
never done before okay and i will admit

553
00:22:44,600 --> 00:22:40,320
i don't necessarily not big on ghosts

554
00:22:46,580 --> 00:22:44,610
i've never had really anything i would

555
00:22:49,190 --> 00:22:46,590
consider a legitimate paranormal

556
00:22:51,830 --> 00:22:49,200
experience which is nothing with me yeah

557
00:22:54,019 --> 00:22:51,840
i will believe in aliens I've believe in

558
00:22:56,120 --> 00:22:54,029
UFOs but like when it comes to ghosts I

559
00:22:59,000 --> 00:22:56,130
don't know if it's a fear of believer in

560
00:23:01,159 --> 00:22:59,010
it but um so I was really closed off

561
00:23:04,279 --> 00:23:01,169
when we went to do this go to town and I

562
00:23:05,539 --> 00:23:04,289
think that that has a lot to do with it

563
00:23:08,360 --> 00:23:05,549

too like if you're closed off

564

00:23:11,299 --> 00:23:08,370

immediately to something if you're that

565

00:23:14,870 --> 00:23:11,309

skeptical even if something legitimate

566

00:23:17,899 --> 00:23:14,880

or genuinely paranormal or just

567

00:23:20,720 --> 00:23:17,909

anomalous happened you just would brush

568

00:23:22,789 --> 00:23:20,730

it off now or you know find some sort of

569

00:23:24,980 --> 00:23:22,799

prosaic answer for it but I will tell

570

00:23:27,529 --> 00:23:24,990

you there are things that happened at

571

00:23:30,289 --> 00:23:27,539

that ghost hunt that come

572

00:23:33,739 --> 00:23:30,299

they changed like I wouldn't say my

573

00:23:36,259 --> 00:23:33,749

belief sir but completely swayed me the

574

00:23:41,060 --> 00:23:36,269

other way that something really weird

575

00:23:44,570 --> 00:23:41,070

happened I felt I smelled I saw and I

576

00:23:46,219 --> 00:23:44,580

experienced things that were not normal

577

00:23:48,739 --> 00:23:46,229

yeah we're foreign to me

578

00:23:51,710 --> 00:23:48,749

yeah and that was pretty pretty

579

00:23:54,349 --> 00:23:51,720

life-altering I'd say and it happened

580

00:23:56,840 --> 00:23:54,359

within like five seconds the laws

581

00:23:58,999 --> 00:23:56,850

changed everything for me that's awesome

582

00:24:01,399 --> 00:23:59,009

I'm not saying I'm like I'm gonna go out

583

00:24:03,739 --> 00:24:01,409

and go Sun and start talking to spirits

584

00:24:06,200 --> 00:24:03,749

right I think that's another thing we

585

00:24:08,180 --> 00:24:06,210

have to keep in mind when you have these

586

00:24:12,979 --> 00:24:08,190

experiences they're extremely personal

587

00:24:14,119 --> 00:24:12,989

and your tuner whatever that may be if

588

00:24:15,919 --> 00:24:14,129

it's in your heart

589

00:24:18,799 --> 00:24:15,929

in your brain and your perception of

590

00:24:21,080 --> 00:24:18,809

what you're experiencing that's you

591

00:24:22,639 --> 00:24:21,090

that's only you that there's an account

592

00:24:24,200 --> 00:24:22,649

for everyone else in the room and what

593

00:24:26,719 --> 00:24:24,210

they're experiencing right in that

594

00:24:28,639 --> 00:24:26,729

moment so I think that's interesting too

595

00:24:30,320 --> 00:24:28,649

we run in that run into that with the

596

00:24:32,719 --> 00:24:30,330

UFO feel to people see something in the

597

00:24:34,759 --> 00:24:32,729

sky one person sees one thing one hears

598

00:24:36,080 --> 00:24:34,769

another well sees this it's it's

599

00:24:38,149 --> 00:24:36,090

interesting not something that I

600

00:24:42,349 --> 00:24:38,159

definitely seen an experience firsthand

601
00:24:44,029 --> 00:24:42,359
with with ghost hunts is how different

602
00:24:46,639 --> 00:24:44,039
it is for everybody you know I've been

603
00:24:49,669 --> 00:24:46,649
in the same room standing right next to

604
00:24:52,519 --> 00:24:49,679
somebody who has experienced something

605
00:24:55,519 --> 00:24:52,529
and I guess two people actually

606
00:24:57,849 --> 00:24:55,529
experience the same thing and nobody

607
00:25:00,049 --> 00:24:57,859
else in this room of like 15 people

608
00:25:03,560 --> 00:25:00,059
experience the same thing what are you

609
00:25:04,999 --> 00:25:03,570
talking about but that happens and it's

610
00:25:07,940 --> 00:25:05,009
kind of a common thing where it's just

611
00:25:11,180 --> 00:25:07,950
isolated to certain people for some

612
00:25:12,889 --> 00:25:11,190
reason and it's fascinating I could go

613
00:25:14,839 --> 00:25:12,899

off on all sorts of tangents with ghosts

614

00:25:18,049 --> 00:25:14,849

though I get so upset with ghosts and

615

00:25:19,249 --> 00:25:18,059

ghost hunting and like with UFOs man I

616

00:25:21,409 --> 00:25:19,259

mean there's a lot of assumption that

617

00:25:23,299 --> 00:25:21,419

goes on yeah you know and with ghosts

618

00:25:25,969 --> 00:25:23,309

like number one I think a lot of people

619

00:25:28,489 --> 00:25:25,979

who do ghost hunts are very I don't know

620

00:25:31,190 --> 00:25:28,499

if I were a ghost I would be offended at

621

00:25:33,289 --> 00:25:31,200

how like ghost hunters talked down to go

622

00:25:36,729 --> 00:25:33,299

just like they're like juveniles or

623

00:25:41,000 --> 00:25:36,739

something like move this pencil or like

624

00:25:43,220 --> 00:25:41,010

we're not here to harm you know

625

00:25:46,640 --> 00:25:43,230

this thing in front of me is so you can

626
00:25:48,800 --> 00:25:46,650
tell us you're here if you're here would

627
00:25:51,140 --> 00:25:48,810
you please make it light up like

628
00:25:53,690 --> 00:25:51,150
seriously yeah if you really think these

629
00:25:55,700 --> 00:25:53,700
are you know people who died and you

630
00:25:57,800 --> 00:25:55,710
know or adults and whatever like talk to

631
00:25:58,820 --> 00:25:57,810
him like adults like stop being

632
00:26:00,620 --> 00:25:58,830
demeaning stop treating them like

633
00:26:02,330 --> 00:26:00,630
children like have a normal conversation

634
00:26:04,610 --> 00:26:02,340
with them yeah yeah and say okay we're

635
00:26:06,470 --> 00:26:04,620
here we know you're dead whatever we'd

636
00:26:08,930 --> 00:26:06,480
love to like have interaction with you

637
00:26:10,160 --> 00:26:08,940
you know we have a recorder here you

638
00:26:11,360 --> 00:26:10,170

know if you talk we'll be able to hear

639

00:26:13,130 --> 00:26:11,370

you later we can't hear you right now

640

00:26:14,990 --> 00:26:13,140

for whatever reason but if you would

641

00:26:16,460 --> 00:26:15,000

have a conversation say that and we'll

642

00:26:18,170 --> 00:26:16,470

hear it later they'd be cool Thanks

643

00:26:20,840 --> 00:26:18,180

I would like talk to him like normal

644

00:26:22,340 --> 00:26:20,850

people and also the people who usually

645

00:26:24,140 --> 00:26:22,350

say like we're not here to hurt you

646

00:26:25,040 --> 00:26:24,150

they're the ones who are the [h__h] you

647

00:26:26,270 --> 00:26:25,050

know they're the ones who are gonna

648

00:26:28,550 --> 00:26:26,280

freak out and run away if anything

649

00:26:29,300 --> 00:26:28,560

happens like they're saying that and

650

00:26:31,970 --> 00:26:29,310

they're worried the ghosts are gonna

651
00:26:33,200 --> 00:26:31,980
hurt them we're not gonna hurt she

652
00:26:35,300 --> 00:26:33,210
wasn't gonna do to a ghost give me a

653
00:26:38,120 --> 00:26:35,310
break boy I you know I mean it's gonna

654
00:26:40,310 --> 00:26:38,130
be just kind of really annoy the go so

655
00:26:43,520 --> 00:26:40,320
really did you just say that if you're

656
00:26:45,740 --> 00:26:43,530
not here to hurt me you gotta wonder if

657
00:26:49,010 --> 00:26:45,750
aliens are thinking the same thing you

658
00:26:51,200 --> 00:26:49,020
know exactly exactly right indicate with

659
00:26:53,630 --> 00:26:51,210
them it's like come on well and again

660
00:26:55,670 --> 00:26:53,640
what ghosts like we're just assuming

661
00:26:57,770 --> 00:26:55,680
these things are quote-unquote ghosts

662
00:27:01,280 --> 00:26:57,780
like who's to say they're not aliens

663
00:27:02,870 --> 00:27:01,290

like people in a UFO world love to talk

664

00:27:04,700 --> 00:27:02,880

about interdimensional beings and all

665

00:27:06,980 --> 00:27:04,710

this stuff like we're talking about the

666

00:27:08,780 --> 00:27:06,990

unknown things that we don't know we're

667

00:27:10,520 --> 00:27:08,790

encountering these mysterious things

668

00:27:12,410 --> 00:27:10,530

things that we can't explain things that

669

00:27:14,630 --> 00:27:12,420

we don't really understand we kind of

670

00:27:16,730 --> 00:27:14,640

understand some of the interactions we

671

00:27:19,970 --> 00:27:16,740

have with them and and you know what

672

00:27:21,620 --> 00:27:19,980

other people have said but we really

673

00:27:23,890 --> 00:27:21,630

know that they're ghosts they're spirits

674

00:27:25,790 --> 00:27:23,900

of dead people like could they be

675

00:27:27,590 --> 00:27:25,800

interdimensional beings or you know

676
00:27:29,450 --> 00:27:27,600
aliens who are here we're like cloaked

677
00:27:31,220 --> 00:27:29,460
like the predator or like what are they

678
00:27:33,020 --> 00:27:31,230
we don't know but you know we're

679
00:27:36,260 --> 00:27:33,030
interacting with something that is not

680
00:27:38,000 --> 00:27:36,270
us that something mysterious and so I

681
00:27:39,920 --> 00:27:38,010
don't know it could it be Bigfoot I mean

682
00:27:43,370 --> 00:27:39,930
it could be like all the quotes against

683
00:27:46,190 --> 00:27:43,380
all sorts of things you know so to like

684
00:27:47,690 --> 00:27:46,200
put everything in that one pile of

685
00:27:50,300 --> 00:27:47,700
ghosts you know

686
00:27:52,130 --> 00:27:50,310
that's weird to me it's like we're I

687
00:27:54,080 --> 00:27:52,140
mean I we like to compartmentalize

688
00:27:54,710 --> 00:27:54,090

things and put things in Nice packages

689

00:27:56,419 --> 00:27:54,720

you

690

00:27:59,270 --> 00:27:56,429

just like people with UFOs we like to

691

00:28:00,980 --> 00:27:59,280

think that UFOs are extraterrestrial and

692

00:28:02,450 --> 00:28:00,990

we like to think that aliens are either

693

00:28:04,100 --> 00:28:02,460

all good or all bad

694

00:28:06,320 --> 00:28:04,110

you know we want to put a label on

695

00:28:08,840 --> 00:28:06,330

something and have it be consistent yeah

696

00:28:11,029 --> 00:28:08,850

and it's never that no and I don't think

697

00:28:15,409 --> 00:28:11,039

if we ever find an answer let's say to

698

00:28:18,200 --> 00:28:15,419

the UFO mystery that it's gonna be that

699

00:28:20,539 --> 00:28:18,210

easy you know it absolutely can't be

700

00:28:22,669 --> 00:28:20,549

certainly if it's not you know the the

701
00:28:25,010 --> 00:28:22,679
narrative where we're trying to put

702
00:28:27,940 --> 00:28:25,020
together you know in that the universe

703
00:28:30,140 --> 00:28:27,950
is vast and there's an infinite you know

704
00:28:33,590 --> 00:28:30,150
infinite life out there all sorts of

705
00:28:38,419 --> 00:28:33,600
varying communities and types of life

706
00:28:39,770 --> 00:28:38,429
and you know all of their motives and

707
00:28:43,250 --> 00:28:39,780
interests and things are going to be

708
00:28:45,590 --> 00:28:43,260
different just among individual

709
00:28:48,080 --> 00:28:45,600
civilizations I mean again when we talk

710
00:28:50,090 --> 00:28:48,090
about astrobiology and extraterrestrial

711
00:28:53,930 --> 00:28:50,100
life and intelligent extraterrestrial

712
00:28:56,270 --> 00:28:53,940
life we are basing that off of life as

713
00:28:59,919 --> 00:28:56,280

we know it and what we understand is

714

00:29:02,299 --> 00:28:59,929

life and civilizations and communities

715

00:29:05,020 --> 00:29:02,309

because we have nothing else to base it

716

00:29:07,460 --> 00:29:05,030

on so we're using human ideas and

717

00:29:09,890 --> 00:29:07,470

putting that on something else that's

718

00:29:12,740 --> 00:29:09,900

most likely not going to be human at all

719

00:29:15,350 --> 00:29:12,750

or human-like but that's what we have to

720

00:29:18,380 --> 00:29:15,360

base things on yeah so we look at that

721

00:29:21,740 --> 00:29:18,390

and just using that as an example

722

00:29:25,820 --> 00:29:21,750

looking at humanity obviously there's so

723

00:29:28,460 --> 00:29:25,830

much variation with humans let alone

724

00:29:30,590 --> 00:29:28,470

countries and cultures and all of that

725

00:29:31,789 --> 00:29:30,600

we're all different we all have

726

00:29:33,470 --> 00:29:31,799

different interests we all have

727

00:29:37,250 --> 00:29:33,480

different motives for doing whatever we

728

00:29:39,260 --> 00:29:37,260

do so I don't I will never understand

729

00:29:41,419 --> 00:29:39,270

why people have a difficult time

730

00:29:43,340 --> 00:29:41,429

grasping that or fixating on the

731

00:29:46,460 --> 00:29:43,350

question of our aliens good or are they

732

00:29:49,070 --> 00:29:46,470

bad like I think the easy answer is yes

733

00:29:52,190 --> 00:29:49,080

yes good point so we're going to be good

734

00:29:53,840 --> 00:29:52,200

so we're going to be bad like if they're

735

00:29:56,330 --> 00:29:53,850

not just like the Borg you know a

736

00:29:58,370 --> 00:29:56,340

collective mind like they're going to be

737

00:30:01,130 --> 00:29:58,380

different and we like to believe that

738

00:30:04,010 --> 00:30:01,140

there are you know all sorts a multitude

739

00:30:06,020 --> 00:30:04,020

of races and civilizations out there so

740

00:30:07,580 --> 00:30:06,030

obviously there's going to be a lot of

741

00:30:09,529 --> 00:30:07,590

everything

742

00:30:11,570 --> 00:30:09,539

yeah so the reason for being here you

743

00:30:13,009 --> 00:30:11,580

know or aliens coming to eat us are they

744

00:30:14,509 --> 00:30:13,019

coming to take our resources are they

745

00:30:16,159 --> 00:30:14,519

coming to be friends are they coming to

746

00:30:20,720 --> 00:30:16,169

warn us of nuclear war what are they

747

00:30:22,039 --> 00:30:20,730

doing yes all of that like you know if

748

00:30:25,129 --> 00:30:22,049

there really are all these civilizations

749

00:30:26,690 --> 00:30:25,139

out there that are able to travel

750

00:30:28,610 --> 00:30:26,700

through space and are visiting earth

751

00:30:30,110 --> 00:30:28,620

like I think the answer is yes to all of

752

00:30:33,259 --> 00:30:30,120

that I think it's a bit of everything

753

00:30:35,360 --> 00:30:33,269

yeah that's a great point I mean we we

754

00:30:37,909 --> 00:30:35,370

have like the contactee movement back in

755

00:30:39,950 --> 00:30:37,919

the 60s and 70s preaching you know that

756

00:30:43,369 --> 00:30:39,960

these aliens are here to stop nuclear

757

00:30:46,129 --> 00:30:43,379

war to help the environment and it's

758

00:30:48,049 --> 00:30:46,139

like really really they came from vast

759

00:30:50,450 --> 00:30:48,059

distances they have no idea how to

760

00:30:52,430 --> 00:30:50,460

communicate with us they you know their

761

00:30:55,700 --> 00:30:52,440

makeup is completely different their

762

00:30:57,409 --> 00:30:55,710

ethical scale could be non-existent and

763

00:30:59,720 --> 00:30:57,419

they're gonna come here to be like you

764

00:31:01,970 --> 00:30:59,730

need to stop putting candy wrappers on

765

00:31:04,039 --> 00:31:01,980

the lawn that's another one of my pet

766

00:31:05,509 --> 00:31:04,049

peeves dude so same thing I think

767

00:31:07,460 --> 00:31:05,519

probably I with ghosts and like ghost

768

00:31:09,859 --> 00:31:07,470

hunting shows and in horror movies too

769

00:31:11,149 --> 00:31:09,869

just the issue with communication like

770

00:31:14,389 --> 00:31:11,159

in horror movies you always see it with

771

00:31:16,909 --> 00:31:14,399

ghosts like they'll like mumble and make

772

00:31:18,320 --> 00:31:16,919

noises and grunt and groan and freak

773

00:31:19,759 --> 00:31:18,330

people out and do all sorts of

774

00:31:21,289 --> 00:31:19,769

questionable things and then in the end

775

00:31:22,340 --> 00:31:21,299

they'll finally like communicate with

776

00:31:24,289 --> 00:31:22,350

somebody and tell them what they really

777

00:31:25,820 --> 00:31:24,299

want they're like trying to get help to

778

00:31:28,220 --> 00:31:25,830

resolve certain issues they have or

779

00:31:31,249 --> 00:31:28,230

whatever but I would scream at the TV

780

00:31:33,080 --> 00:31:31,259

and well if you can talk use your words

781

00:31:34,549 --> 00:31:33,090

like be more effective in your

782

00:31:36,919 --> 00:31:34,559

communication you have the ability to

783

00:31:38,299 --> 00:31:36,929

communicate communicate tell us what you

784

00:31:40,940 --> 00:31:38,309

want why are you here and what you want

785

00:31:42,680 --> 00:31:40,950

us to do so I think with with aliens and

786

00:31:45,259 --> 00:31:42,690

people who say that you know aliens come

787

00:31:48,259 --> 00:31:45,269

to them and deliver an important message

788

00:31:50,539 --> 00:31:48,269

to them like we need you to spread the

789

00:31:52,539 --> 00:31:50,549

word that you know humans need to change

790

00:31:56,720 --> 00:31:52,549

because they're going to ruin the earth

791

00:31:58,220 --> 00:31:56,730

alright so here we are the same people

792

00:32:00,220 --> 00:31:58,230

who say this are the people who believe

793

00:32:02,450 --> 00:32:00,230

that aliens are vastly superior

794

00:32:05,090 --> 00:32:02,460

technologically and can communicate

795

00:32:08,810 --> 00:32:05,100

telepathically and you know these higher

796

00:32:11,989 --> 00:32:08,820

beings they decide it's the best course

797

00:32:14,149 --> 00:32:11,999

of action to go to one [h__\h] in the

798

00:32:16,820 --> 00:32:14,159

middle of nowhere and deliver this

799

00:32:19,129 --> 00:32:16,830

important message and say alright now

800

00:32:21,620 --> 00:32:19,139

it's on you but you saved the world yeah

801
00:32:23,540 --> 00:32:21,630
like really know if they

802
00:32:25,460 --> 00:32:23,550
the ability to communicate and they have

803
00:32:26,900 --> 00:32:25,470
this vast technology and they could

804
00:32:28,910 --> 00:32:26,910
communicate telepathically

805
00:32:31,430 --> 00:32:28,920
what are they broadcast a message like

806
00:32:34,160 --> 00:32:31,440
tell everybody like they have the

807
00:32:35,960 --> 00:32:34,170
ability but they don't so either they're

808
00:32:39,820 --> 00:32:35,970
[h__h] or they don't have the ability

809
00:32:42,590 --> 00:32:39,830
I don't get it it's the oldest story in

810
00:32:45,380 --> 00:32:42,600
human history yeah you know giving this

811
00:32:47,210 --> 00:32:45,390
message to one person to spread amongst

812
00:32:49,670 --> 00:32:47,220
the people I mean look at Christianity

813
00:32:52,100 --> 00:32:49,680

that's all it's based on right is

814

00:32:54,530 --> 00:32:52,110

putting this on one man's shoulder yeah

815

00:32:57,560 --> 00:32:54,540

to spread the word nope

816

00:32:59,660 --> 00:32:57,570

so again that whole idea of belief

817

00:33:02,840 --> 00:32:59,670

system comes in a lot of people believe

818

00:33:07,250 --> 00:33:02,850

that ufology is nothing but a religion

819

00:33:10,360 --> 00:33:07,260

and at times I can't argue that I try to

820

00:33:12,800 --> 00:33:10,370

defend that it is not that there is a

821

00:33:14,450 --> 00:33:12,810

extremely rigorous scientific approach

822

00:33:16,340 --> 00:33:14,460

by some within ufology

823

00:33:19,820 --> 00:33:16,350

there's a philosophical approach there's

824

00:33:23,090 --> 00:33:19,830

a psychological approach but a lot of it

825

00:33:26,510 --> 00:33:23,100

is does rest on belief oh absolutely and

826

00:33:30,410 --> 00:33:26,520

in and in a way it has to be you know

827

00:33:33,470 --> 00:33:30,420

yes it does but it doesn't have to be to

828

00:33:35,360 --> 00:33:33,480

the extreme of religion and that

829

00:33:36,680 --> 00:33:35,370

component does exist yeah well yeah I

830

00:33:39,200 --> 00:33:36,690

mean when we're when we're completely

831

00:33:43,280 --> 00:33:39,210

honest with ourselves yes when it comes

832

00:33:45,590 --> 00:33:43,290

down to it a big portion of this does

833

00:33:48,320 --> 00:33:45,600

rest on belief and you know what I'm

834

00:33:51,080 --> 00:33:48,330

fine with that yeah but that keeps me

835

00:33:52,940 --> 00:33:51,090

going you know we're we're looking for

836

00:33:55,550 --> 00:33:52,950

for evidence for that proof for the

837

00:33:57,920 --> 00:33:55,560

thing to convince us of of new things

838

00:33:59,450 --> 00:33:57,930

and you know more than just just stories

839

00:34:01,850 --> 00:33:59,460

or things that are told to us by other

840

00:34:03,800 --> 00:34:01,860

people so you know we're on that quest

841

00:34:07,670 --> 00:34:03,810

you know and that's a quest we'll be on

842

00:34:09,649 --> 00:34:07,680

a forever but it's having that belief

843

00:34:11,840 --> 00:34:09,659

that keeps us going on that path yeah

844

00:34:13,700 --> 00:34:11,850

and not being content with that belief

845

00:34:16,879 --> 00:34:13,710

you know understanding that that belief

846

00:34:20,480 --> 00:34:16,889

is just a belief and those beliefs can

847

00:34:23,000 --> 00:34:20,490

change and I think that's a problem with

848

00:34:24,680 --> 00:34:23,010

with many people is they are ingrained

849

00:34:27,020 --> 00:34:24,690

in the beliefs because they've been told

850

00:34:29,240 --> 00:34:27,030

certain things and anything that comes

851
00:34:33,080 --> 00:34:29,250
after that that conflicts with what

852
00:34:34,790 --> 00:34:33,090
they've been told so no that's wrong and

853
00:34:35,550 --> 00:34:34,800
they're not going to change their

854
00:34:38,040 --> 00:34:35,560
beliefs

855
00:34:42,649 --> 00:34:38,050
and we live at least here in America

856
00:34:44,700 --> 00:34:42,659
right now in a time where your belief is

857
00:34:46,919 --> 00:34:44,710
not going to be changed

858
00:34:50,149 --> 00:34:46,929
I'm inserted topics from here looking at

859
00:34:52,379 --> 00:34:50,159
it politically or anything else people

860
00:34:55,230 --> 00:34:52,389
you're not gonna change anyone's mind

861
00:34:57,420 --> 00:34:55,240
yelman certain things and we leave we

862
00:35:00,360 --> 00:34:57,430
live in such extremes right now in this

863
00:35:04,590 --> 00:35:00,370

country which is scary that you know

864

00:35:06,870 --> 00:35:04,600

it's pretty scary but I think the same

865

00:35:09,390 --> 00:35:06,880

could be said for the field of ufology

866

00:35:12,330 --> 00:35:09,400

you know even if you have an explanation

867

00:35:15,750 --> 00:35:12,340

for something someone's gonna come up

868

00:35:19,260 --> 00:35:15,760

and say no no I know the truth yeah I

869

00:35:22,290 --> 00:35:19,270

know it was a blue avian alien bird that

870

00:35:24,150 --> 00:35:22,300

came and gave me a message and you're

871

00:35:27,180 --> 00:35:24,160

not gonna change their mind that's right

872

00:35:29,580 --> 00:35:27,190

I simply not that's right yeah you don't

873

00:35:30,810 --> 00:35:29,590

need to try like people some people have

874

00:35:32,670 --> 00:35:30,820

made up their minds and that's how it's

875

00:35:35,730 --> 00:35:32,680

gonna be my mind is made up

876

00:35:38,490 --> 00:35:35,740

that's right so you know good for them

877

00:35:41,040 --> 00:35:38,500

yeah you know so you move on you know I

878

00:35:43,800 --> 00:35:41,050

I decided a long time ago that you know

879

00:35:46,830 --> 00:35:43,810

it's not my job to to preach to anybody

880

00:35:49,560 --> 00:35:46,840

or change anybody's mind you know I'm

881

00:35:52,440 --> 00:35:49,570

happy to relay the information that that

882

00:35:53,940 --> 00:35:52,450

I find that I uncover present the news

883

00:35:55,110 --> 00:35:53,950

to people and let people make up their

884

00:35:57,720 --> 00:35:55,120

own minds that's the way it's gonna be

885

00:35:59,670 --> 00:35:57,730

you know it's not my job to to tell

886

00:36:01,680 --> 00:35:59,680

people how to think or to change their

887

00:36:05,660 --> 00:36:01,690

minds yeah that's all on them and you

888

00:36:08,370 --> 00:36:05,670

know it's it's really a humanity issue

889

00:36:10,800 --> 00:36:08,380

with deciding to believe things people

890

00:36:12,300 --> 00:36:10,810

generally want to be told how to think

891

00:36:14,700 --> 00:36:12,310

frankly and that's you know why people

892

00:36:18,090 --> 00:36:14,710

gravitate toward religion or political

893

00:36:20,220 --> 00:36:18,100

parties or football teams or you know we

894

00:36:22,380 --> 00:36:20,230

that's that's just how we are as humans

895

00:36:23,970 --> 00:36:22,390

you know we we decide what team we're

896

00:36:27,240 --> 00:36:23,980

gonna going to be on or team we're gonna

897

00:36:29,730 --> 00:36:27,250

root for and that's it yeah we drive in

898

00:36:31,980 --> 00:36:29,740

and we support until the end so right

899

00:36:34,890 --> 00:36:31,990

and then when you're that far in that

900

00:36:36,930 --> 00:36:34,900

deep that's right it's what you don't

901
00:36:39,420 --> 00:36:36,940
want to turn back then that's right yeah

902
00:36:42,300 --> 00:36:39,430
yeah majority of people you know are not

903
00:36:45,990 --> 00:36:42,310
gonna be that person who you know wants

904
00:36:47,079 --> 00:36:46,000
to take that hit and doesn't want to you

905
00:36:52,150 --> 00:36:47,089
know admit

906
00:36:54,729 --> 00:36:52,160
Hey I was wrong good I read and yeah

907
00:36:56,349 --> 00:36:54,739
yeah I was wrong

908
00:37:00,849 --> 00:36:56,359
well I mean we can look at someone like

909
00:37:02,620 --> 00:37:00,859
I know someone we both find as a pretty

910
00:37:05,589 --> 00:37:02,630
good hero in that Stanton Friedman

911
00:37:10,959 --> 00:37:05,599
you know for so long this man has been

912
00:37:15,069 --> 00:37:10,969
touting the mj-12 document and he's so

913
00:37:17,589 --> 00:37:15,079

far into his life and his career and his

914

00:37:19,180 --> 00:37:17,599

age you know that he there's no turning

915

00:37:20,559 --> 00:37:19,190

back for him right he's never gonna come

916

00:37:21,640 --> 00:37:20,569

out and say oh that's right they're a

917

00:37:23,259 --> 00:37:21,650

complete [h__h]

918

00:37:25,630 --> 00:37:23,269

yeah he's never gonna come out and say

919

00:37:27,759 --> 00:37:25,640

it and nobody expects him to at this

920

00:37:31,180 --> 00:37:27,769

point in his life to go it's in his 80s

921

00:37:33,459 --> 00:37:31,190

you know still witty and sharpest

922

00:37:35,620 --> 00:37:33,469

attacked at the same time stubborn as

923

00:37:38,469 --> 00:37:35,630

hell and convinced that these things

924

00:37:40,660 --> 00:37:38,479

were real Bianchi mj-12 documents but

925

00:37:42,309 --> 00:37:40,670

yeah you have to wonder or you have

926

00:37:45,339 --> 00:37:42,319

someone like Peter Robbins our good

927

00:37:48,009 --> 00:37:45,349

friend who for years and years defended

928

00:37:52,089 --> 00:37:48,019

a person supposedly involved in a very

929

00:37:54,670 --> 00:37:52,099

famous UFO incident and now has had his

930

00:37:55,089 --> 00:37:54,680

hand forced and had to admit that he was

931

00:37:58,059 --> 00:37:55,099

wrong

932

00:38:00,339 --> 00:37:58,069

yeah so you have it on both sides you

933

00:38:03,910 --> 00:38:00,349

have those people who are who find

934

00:38:05,769 --> 00:38:03,920

humility in a situation and find that

935

00:38:07,209 --> 00:38:05,779

you know that truth deep within them to

936

00:38:10,749 --> 00:38:07,219

say I was wrong

937

00:38:12,729 --> 00:38:10,759

let's move on yeah so you have to wonder

938

00:38:14,200 --> 00:38:12,739

you really have to wonder it really

939

00:38:15,910 --> 00:38:14,210

comes down to the character of a person

940

00:38:18,039 --> 00:38:15,920

absolutely it does and I think that's

941

00:38:20,950 --> 00:38:18,049

something important for us all to

942

00:38:23,739 --> 00:38:20,960

remember especially you know people as

943

00:38:25,809 --> 00:38:23,749

researchers in the UFO field you know

944

00:38:29,140 --> 00:38:25,819

sometimes it it's easy to get frustrated

945

00:38:32,109 --> 00:38:29,150

by things happening in in the study of

946

00:38:33,249 --> 00:38:32,119

UFOs in the UFO community but you know

947

00:38:36,400 --> 00:38:33,259

we have to remember that we're all

948

00:38:38,739 --> 00:38:36,410

individuals and we're all different we

949

00:38:40,029 --> 00:38:38,749

all different personalities people you

950

00:38:41,709 --> 00:38:40,039

know interact differently people

951
00:38:43,839 --> 00:38:41,719
approach things differently and people

952
00:38:47,890 --> 00:38:43,849
have certain certainly different levels

953
00:38:49,599 --> 00:38:47,900
of humility and it's easy to get stuck

954
00:38:51,910 --> 00:38:49,609
in your ways and that's just what you're

955
00:38:54,700 --> 00:38:51,920
gonna do but ultimately it comes down to

956
00:38:57,130 --> 00:38:54,710
the person so yeah I think it's

957
00:39:00,070 --> 00:38:57,140
important to to remember that you know

958
00:39:03,580 --> 00:39:00,080
especially for me I just have to be

959
00:39:07,900 --> 00:39:03,590
with the fact that I am not trying to

960
00:39:10,390 --> 00:39:07,910
force ideas on anybody I am not a

961
00:39:13,270 --> 00:39:10,400
preacher or a cult leader or Steven

962
00:39:15,910 --> 00:39:13,280
Greer oops did I just say that yes I did

963
00:39:17,830 --> 00:39:15,920

you know I don't I don't have answers so

964

00:39:20,110 --> 00:39:17,840

don't listen to me like I will just tell

965

00:39:23,050 --> 00:39:20,120

you what I know would I find out what I

966

00:39:25,810 --> 00:39:23,060

learn along the way but that's it man

967

00:39:28,690 --> 00:39:25,820

I'm just a guy digging into this like

968

00:39:32,200 --> 00:39:28,700

everybody else and I'm happy to present

969

00:39:35,650 --> 00:39:32,210

my is best I can

970

00:39:37,150 --> 00:39:35,660

my objective view of things and people

971

00:39:39,370 --> 00:39:37,160

can take that and do with it what they

972

00:39:43,330 --> 00:39:39,380

want yeah and if they don't agree with

973

00:39:45,430 --> 00:39:43,340

you you know I'm I'm not gonna come up

974

00:39:47,830 --> 00:39:45,440

to you and say hey you're wrong I'm

975

00:39:50,560 --> 00:39:47,840

right you're wrong damn right because

976

00:39:52,060 --> 00:39:50,570

you know what I don't know like you

977

00:39:54,340 --> 00:39:52,070

could certainly be right and I could be

978

00:39:56,650 --> 00:39:54,350

completely wrong that's fantastic

979

00:39:59,560 --> 00:39:56,660

you know good for you I'm happy to be

980

00:40:00,340 --> 00:39:59,570

wrong but you know I'm not gonna tell

981

00:40:01,900 --> 00:40:00,350

you that

982

00:40:04,360 --> 00:40:01,910

oh I'm hundred percent right and I

983

00:40:06,100 --> 00:40:04,370

guarantee it you know no that's never

984

00:40:08,560 --> 00:40:06,110

gonna happen you know I'm certainly

985

00:40:10,990 --> 00:40:08,570

always open to other possibilities I

986

00:40:12,610 --> 00:40:11,000

will present what I know to the best of

987

00:40:15,690 --> 00:40:12,620

my ability it will present facts and

988

00:40:20,230 --> 00:40:15,700

cite my sources and that's that yeah I

989

00:40:23,110 --> 00:40:20,240

remember when when my book got released

990

00:40:25,330 --> 00:40:23,120

and people started asking me like well

991

00:40:27,940 --> 00:40:25,340

you say you interviewed like hundreds of

992

00:40:29,680 --> 00:40:27,950

people there had to be some people who

993

00:40:32,170 --> 00:40:29,690

are just flat-out lying to you right

994

00:40:34,540 --> 00:40:32,180

like it was there anyone who you

995

00:40:34,990 --> 00:40:34,550

interviewed or talked to who you just

996

00:40:38,500 --> 00:40:35,000

flat-out

997

00:40:41,320 --> 00:40:38,510

thought this was [h__h] and when I

998

00:40:44,290 --> 00:40:41,330

first started talking about the book and

999

00:40:47,080 --> 00:40:44,300

the people I interviewed I wanted so you

1000

00:40:48,460 --> 00:40:47,090

know just easily to say yeah of course

1001
00:40:50,920 --> 00:40:48,470
there are people I thought were just

1002
00:40:53,170 --> 00:40:50,930
batshit crazy or weren't lying to my

1003
00:40:56,530 --> 00:40:53,180
face but then I really had to sit back

1004
00:40:57,970 --> 00:40:56,540
and say you know what I wasn't there and

1005
00:41:00,100 --> 00:40:57,980
I think that's really important to

1006
00:41:02,470 --> 00:41:00,110
whenever someone comes forward and says

1007
00:41:05,550 --> 00:41:02,480
they had a paranormal experience at UFO

1008
00:41:09,250 --> 00:41:05,560
sighting anything anything a psychic

1009
00:41:10,150 --> 00:41:09,260
premonition I wasn't there in the room

1010
00:41:13,170 --> 00:41:10,160
when it happened

1011
00:41:17,010 --> 00:41:13,180
sorry so I try to keep that in mind too

1012
00:41:19,980 --> 00:41:17,020
as as the years go on and I get more

1013
00:41:22,740 --> 00:41:19,990

involved in this field if we even want

1014

00:41:24,720 --> 00:41:22,750

to call it that I've become more

1015

00:41:26,940 --> 00:41:24,730

skeptical but I also become more

1016

00:41:29,819 --> 00:41:26,950

open-minded so it's just such a

1017

00:41:32,670 --> 00:41:29,829

juxtaposition absolutely to flow all the

1018

00:41:34,140 --> 00:41:32,680

time absolutely and I totally get that I

1019

00:41:36,269 --> 00:41:34,150

wasn't there yeah

1020

00:41:39,660 --> 00:41:36,279

now I totally get that and yeah you and

1021

00:41:42,150 --> 00:41:39,670

I are aligned definitely on that so for

1022

00:41:45,000 --> 00:41:42,160

those of you who don't know one of the

1023

00:41:47,339 --> 00:41:45,010

main reasons that I became a fanboy of

1024

00:41:49,260 --> 00:41:47,349

mr. Jason McClellan here was a web

1025

00:41:50,940 --> 00:41:49,270

series he had called spacing out and

1026

00:41:53,490 --> 00:41:50,950

this was sponsored through open minds

1027

00:41:55,650 --> 00:41:53,500

yeah so this is something that Maureen

1028

00:41:58,400 --> 00:41:55,660

Elsberry and I put together I forget

1029

00:42:01,289 --> 00:41:58,410

what year we started it but it started

1030

00:42:06,710 --> 00:42:01,299

because there was a need we were filling

1031

00:42:09,180 --> 00:42:06,720

a void so at open minds at the time our

1032

00:42:15,329 --> 00:42:09,190

colleague Alejandro Rojas had left the

1033

00:42:17,789 --> 00:42:15,339

company and so we no longer had his UFO

1034

00:42:20,160 --> 00:42:17,799

podcast that he was doing so we needed a

1035

00:42:21,900 --> 00:42:20,170

show to fill that so I was thinking

1036

00:42:26,220 --> 00:42:21,910

about you know just doing another

1037

00:42:28,140 --> 00:42:26,230

podcast but I had wanted to launch a web

1038

00:42:29,910 --> 00:42:28,150

series as well and oh well we could kill

1039

00:42:32,309 --> 00:42:29,920

two birds with one stone here and and do

1040

00:42:34,049 --> 00:42:32,319

a web series and have that audio be an

1041

00:42:36,180 --> 00:42:34,059

audio podcast but also have a web series

1042

00:42:39,799 --> 00:42:36,190

so so that's what we did we launched

1043

00:42:44,880 --> 00:42:39,809

spacing out it was essentially a hybrid

1044

00:42:48,420 --> 00:42:44,890

talk show news program where we would

1045

00:42:51,779 --> 00:42:48,430

present recent ufo-related headlines and

1046

00:42:54,180 --> 00:42:51,789

we would also have interviews and we

1047

00:42:56,059 --> 00:42:54,190

would morning and I would discuss the

1048

00:42:59,250 --> 00:42:56,069

the headlines too so we would present

1049

00:43:01,769 --> 00:42:59,260

the news in an objective journalistic

1050

00:43:03,569 --> 00:43:01,779

fashion and then we would after the fact

1051
00:43:05,640 --> 00:43:03,579
interject our personal opinions into

1052
00:43:07,200 --> 00:43:05,650
that so we tried to separate that but

1053
00:43:08,880 --> 00:43:07,210
also have the the talk show element of

1054
00:43:11,460 --> 00:43:08,890
it to you with that discussion and

1055
00:43:14,640 --> 00:43:11,470
discussion with guests so that was the

1056
00:43:16,950 --> 00:43:14,650
the gist of it and yeah we had a lot of

1057
00:43:20,940 --> 00:43:16,960
fun with that show and that ran for how

1058
00:43:22,829 --> 00:43:20,950
long we did that for a couple years at

1059
00:43:24,060 --> 00:43:22,839
least yeah we did more than a hundred

1060
00:43:27,510 --> 00:43:24,070
episodes of that

1061
00:43:29,610 --> 00:43:27,520
and yeah it was a great great run and

1062
00:43:32,280 --> 00:43:29,620
made a lot of contacts through that show

1063
00:43:35,400 --> 00:43:32,290

we were also featured on The Huffington

1064

00:43:37,110 --> 00:43:35,410

Post at the time as like one of the top

1065

00:43:38,640 --> 00:43:37,120

five YouTube channels you're not

1066

00:43:41,340 --> 00:43:38,650

watching but you should or something

1067

00:43:42,900 --> 00:43:41,350

like that so and we were invited on at

1068

00:43:44,880 --> 00:43:42,910

the time Huffington Post had their

1069

00:43:48,300 --> 00:43:44,890

HuffPost live there like 24-hour live

1070

00:43:49,590 --> 00:43:48,310

streaming program so got to go on that

1071

00:43:51,420 --> 00:43:49,600

and talk about spacing out it's pretty

1072

00:43:54,300 --> 00:43:51,430

cool I think it's awesome because you

1073

00:43:56,610 --> 00:43:54,310

don't see often

1074

00:43:58,920 --> 00:43:56,620

first of all younger people talking

1075

00:44:03,030 --> 00:43:58,930

about UFOs and second of all on such a

1076

00:44:05,700 --> 00:44:03,040

professional level yeah if I wasn't

1077

00:44:11,220 --> 00:44:05,710

entrenched in this topic and I happen to

1078

00:44:13,890 --> 00:44:11,230

come across a mini news show on YouTube

1079

00:44:16,140 --> 00:44:13,900

about UFOs like of course I'm gonna

1080

00:44:17,550 --> 00:44:16,150

subscribe you know it's just that's

1081

00:44:19,200 --> 00:44:17,560

freaking awesome

1082

00:44:22,530 --> 00:44:19,210

yeah and you don't hear about it that

1083

00:44:24,960 --> 00:44:22,540

often right this topic for the younger

1084

00:44:27,450 --> 00:44:24,970

generation so I thought it was pretty

1085

00:44:29,940 --> 00:44:27,460

cool that like you open this up to

1086

00:44:32,100 --> 00:44:29,950

people who necessarily may not have ever

1087

00:44:34,440 --> 00:44:32,110

been interested in UFOs yeah and just

1088

00:44:36,630 --> 00:44:34,450

for like ah it's awesome it's like 10

1089

00:44:39,270 --> 00:44:36,640

minutes long out of my day I'm gonna

1090

00:44:41,100 --> 00:44:39,280

watch this yeah and I know like you guys

1091

00:44:43,470 --> 00:44:41,110

had fans like come up to you all the

1092

00:44:44,850 --> 00:44:43,480

time be like ah spacing out spacing what

1093

00:44:47,700 --> 00:44:44,860

happened what did spacing out yeah

1094

00:44:49,440 --> 00:44:47,710

because the run eventually unfortunately

1095

00:44:54,270 --> 00:44:49,450

did come to an end at one point though

1096

00:44:56,670 --> 00:44:54,280

but you recently announced that spacing

1097

00:45:01,200 --> 00:44:56,680

out is actually gonna be coming back we

1098

00:45:05,610 --> 00:45:01,210

did yeah yeah so spacing outs coming

1099

00:45:07,650 --> 00:45:05,620

back probably in September okay that's

1100

00:45:11,400 --> 00:45:07,660

what I promised anyway so we'll see if I

1101
00:45:12,780 --> 00:45:11,410
can hold myself to that promise but yeah

1102
00:45:14,640 --> 00:45:12,790
so it's gonna be a little different

1103
00:45:16,560 --> 00:45:14,650
obviously because Maureen and I are in

1104
00:45:19,140 --> 00:45:16,570
different states now yeah so she's in

1105
00:45:21,230 --> 00:45:19,150
Washington and I'm in Arizona so I've

1106
00:45:24,450 --> 00:45:21,240
got some logistical things to figure out

1107
00:45:27,840 --> 00:45:24,460
and we said we're gonna make it a little

1108
00:45:30,450 --> 00:45:27,850
a little more broad as well not strictly

1109
00:45:32,700 --> 00:45:30,460
focused on UFOs and extraterrestrials I

1110
00:45:34,560 --> 00:45:32,710
mean that will obviously still be the

1111
00:45:36,210 --> 00:45:34,570
the primary focus of it but we'll

1112
00:45:37,920 --> 00:45:36,220
probably open it up to some other

1113
00:45:39,420 --> 00:45:37,930

paranormal topics as well be

1114

00:45:42,630 --> 00:45:39,430

as obviously we're both interested and

1115

00:45:44,849 --> 00:45:42,640

other things but our main focus is UFOs

1116

00:45:46,950 --> 00:45:44,859

and extraterrestrials so we're still

1117

00:45:49,770 --> 00:45:46,960

figuring out some of the details but the

1118

00:45:52,380 --> 00:45:49,780

plan is to in September spacing out

1119

00:45:53,819 --> 00:45:52,390

we'll come back that's the that's the

1120

00:45:56,910 --> 00:45:53,829

most important part it's coming back

1121

00:45:59,609 --> 00:45:56,920

well I will be subscribing again and

1122

00:46:03,329 --> 00:45:59,619

well and I have a feeling that you might

1123

00:46:05,609 --> 00:46:03,339

be involved and we're another I think so

1124

00:46:07,020 --> 00:46:05,619

I hope so we'll see how it goes I'll

1125

00:46:09,180 --> 00:46:07,030

have to talk to more people you'll

1126

00:46:11,760 --> 00:46:09,190

you'll be you'll be uh sort of in my

1127

00:46:13,349 --> 00:46:11,770

neighborhood now so we'll make doing

1128

00:46:15,150 --> 00:46:13,359

things easier that's true you guys are

1129

00:46:17,490 --> 00:46:15,160

gonna get used to Jason McClellan trust

1130

00:46:19,859 --> 00:46:17,500

me once I'm out in LA it's not that far

1131

00:46:23,339 --> 00:46:19,869

hop skip and a jump damn right it's it's

1132

00:46:25,500 --> 00:46:23,349

much more of a event when we're able to

1133

00:46:27,660 --> 00:46:25,510

make it to either New York or Arizona

1134

00:46:29,339 --> 00:46:27,670

now you know we're gonna be in each

1135

00:46:30,960 --> 00:46:29,349

other's backyard so that's gonna make

1136

00:46:34,549 --> 00:46:30,970

all the difference I have a question for

1137

00:46:35,700 --> 00:46:34,559

you and so broadening spacing out

1138

00:46:40,589 --> 00:46:35,710

toppings

1139

00:46:43,440 --> 00:46:40,599

what is like besides UFOs what is like

1140

00:46:46,430 --> 00:46:43,450

the next thing you'd really want to dive

1141

00:46:48,990 --> 00:46:46,440

into with weather with spacing out or

1142

00:46:51,569 --> 00:46:49,000

other projects what other things would

1143

00:46:59,400 --> 00:46:51,579

you want to investigate I want to

1144

00:47:01,980 --> 00:46:59,410

investigate fantastic alcohol okay I'm

1145

00:47:04,470 --> 00:47:01,990

not joking at all of course but I mean

1146

00:47:08,430 --> 00:47:04,480

it right now with UFO beer UFO beer

1147

00:47:16,440 --> 00:47:14,130

yeah man I mean I I certainly have in

1148

00:47:21,210 --> 00:47:16,450

recent years explored more paranormal

1149

00:47:23,339 --> 00:47:21,220

topics and I do want to because I have

1150

00:47:25,170 --> 00:47:23,349

the technology to do it and you can get

1151

00:47:28,140 --> 00:47:25,180

technology to do it and I've had

1152

00:47:31,049 --> 00:47:28,150

interesting results obviously the ghost

1153

00:47:32,549 --> 00:47:31,059

hunting is fun I I really enjoy that and

1154

00:47:35,039 --> 00:47:32,559

have had some some of the more

1155

00:47:37,309 --> 00:47:35,049

unexplainable things happen to me with

1156

00:47:40,349 --> 00:47:37,319

ghost hunting okay

1157

00:47:44,490 --> 00:47:40,359

so pardon me that's something that that

1158

00:47:46,559 --> 00:47:44,500

I want to do more just because there is

1159

00:47:47,880 --> 00:47:46,569

and that's you know people talk about

1160

00:47:48,900 --> 00:47:47,890

that and you know you and I are both

1161

00:47:51,300 --> 00:47:48,910

experienced this where we have

1162

00:47:53,610 --> 00:47:51,310

television producers like

1163

00:47:55,980 --> 00:47:53,620

coming to us and basically wanting us to

1164

00:47:57,900 --> 00:47:55,990

be able to do what ghost hunting shows

1165

00:47:59,670 --> 00:47:57,910

do but with UFOs and you know well

1166

00:48:02,850 --> 00:47:59,680

there's an obvious difference there it's

1167

00:48:04,170 --> 00:48:02,860

not yes on some level and I tell people

1168

00:48:06,630 --> 00:48:04,180

this all the time especially when people

1169

00:48:09,830 --> 00:48:06,640

say where should I go to see a UFO I

1170

00:48:12,450 --> 00:48:09,840

tell them walk outside and look up like

1171

00:48:14,190 --> 00:48:12,460

if you invest the time you have the

1172

00:48:16,050 --> 00:48:14,200

patience just stare at the sky and you

1173

00:48:17,940 --> 00:48:16,060

will most likely see something strange

1174

00:48:19,590 --> 00:48:17,950

because there's all sorts of weird [h__\h]

1175

00:48:20,940 --> 00:48:19,600

just flying around up there like it is

1176

00:48:27,120 --> 00:48:20,950

there you just have to spend the time

1177

00:48:28,620 --> 00:48:27,130

and look but ghost hunting shows or you

1178

00:48:30,840 --> 00:48:28,630

know they're sexy because you've got all

1179

00:48:33,030 --> 00:48:30,850

sorts of gadgets you can run around and

1180

00:48:35,030 --> 00:48:33,040

like you know it's good for TV there's

1181

00:48:37,200 --> 00:48:35,040

stuff that happens and you can see it

1182

00:48:40,110 --> 00:48:37,210

exactly she's got it you've got a back

1183

00:48:41,850 --> 00:48:40,120

story you've got things and you know

1184

00:48:44,970 --> 00:48:41,860

whether or not the stuff they are

1185

00:48:46,560 --> 00:48:44,980

pushing you know is true you know these

1186

00:48:48,150 --> 00:48:46,570

things that are causing things to happen

1187

00:48:50,130 --> 00:48:48,160

have anything to do with that history

1188

00:48:51,660 --> 00:48:50,140

you don't know right but stuff is

1189

00:48:53,130 --> 00:48:51,670

happening there's interesting flashing

1190

00:48:54,660 --> 00:48:53,140

lights they you know there's there's

1191

00:48:58,650 --> 00:48:54,670

stuff going on and potentially stuff to

1192

00:49:02,010 --> 00:48:58,660

see where is UFOs for a TV show you know

1193

00:49:04,650 --> 00:49:02,020

yes again you can't see stuff but it

1194

00:49:07,190 --> 00:49:04,660

takes a lot longer a lot more time to

1195

00:49:08,970 --> 00:49:07,200

invest in a production and usually

1196

00:49:10,170 --> 00:49:08,980

production companies aren't gonna do

1197

00:49:11,790 --> 00:49:10,180

that they're not gonna spend an entire

1198

00:49:13,410 --> 00:49:11,800

day with you while you sit there and

1199

00:49:16,110 --> 00:49:13,420

stare at the sky hoping for something to

1200

00:49:18,510 --> 00:49:16,120

show up right well and you know like

1201

00:49:20,850 --> 00:49:18,520

this is scientists biggest argument with

1202

00:49:22,860 --> 00:49:20,860

UFOs is of course we want to look into

1203

00:49:26,430 --> 00:49:22,870

UFOs of course we're interesting we have

1204

00:49:29,010 --> 00:49:26,440

nothing to monitor no once a UFO event

1205

00:49:30,480 --> 00:49:29,020

happens it's gone yeah how do we repeat

1206

00:49:33,120 --> 00:49:30,490

that yeah like that's the scientific

1207

00:49:35,910 --> 00:49:33,130

method right there YUM so I mean ability

1208

00:49:37,590 --> 00:49:35,920

I love the guys with the the UFO tog

1209

00:49:41,610 --> 00:49:37,600

project you know they're they're trying

1210

00:49:43,620 --> 00:49:41,620

to make that happen so was the the group

1211

00:49:44,130 --> 00:49:43,630

that Leslie Kane's involved with UFO

1212

00:49:49,170 --> 00:49:44,140

data

1213

00:49:52,740 --> 00:49:49,180

that's lacking and they're trying to fix

1214

00:49:55,680 --> 00:49:52,750

that by having stations set up with

1215

00:49:58,550 --> 00:49:55,690

various meters to detect various things

1216

00:50:01,110 --> 00:49:58,560

you know various atmospheric conditions

1217

00:50:04,380 --> 00:50:01,120

you know just anything you would want

1218

00:50:07,049 --> 00:50:04,390

from a scientific standpoint but

1219

00:50:08,849 --> 00:50:07,059

yeah UFOs are hard man because even if

1220

00:50:10,710 --> 00:50:08,859

you have the best camera technology

1221

00:50:13,349 --> 00:50:10,720

you've got all that [h__\h] setup and you

1222

00:50:15,359 --> 00:50:13,359

happen to just be in the right place at

1223

00:50:17,999 --> 00:50:15,369

the right time and actually you know

1224

00:50:19,559 --> 00:50:18,009

image one of these things still you're

1225

00:50:23,160 --> 00:50:19,569

not gonna get in much information from

1226

00:50:24,870 --> 00:50:23,170

that yeah so take a point so and and

1227

00:50:27,420 --> 00:50:24,880

with ghosts you know I mean you would

1228

00:50:27,690 --> 00:50:27,430

pretty much have the same stuff to work

1229

00:50:31,499 --> 00:50:27,700

with

1230

00:50:36,120 --> 00:50:31,509

explain it you just go wow those weird

1231

00:50:39,120 --> 00:50:36,130

[h__h] know and that passes yeah but it's

1232

00:50:41,130 --> 00:50:39,130

interesting yeah I I II I think I would

1233

00:50:42,630 --> 00:50:41,140

have the same answer to like I would

1234

00:50:44,579 --> 00:50:42,640

definitely want to experience something

1235

00:50:47,039 --> 00:50:44,589

paranormal mmm

1236

00:50:50,729 --> 00:50:47,049

but there's so much baggage with that

1237

00:50:53,729 --> 00:50:50,739

you know I grew up staunch Catholic you

1238

00:50:55,859 --> 00:50:53,739

know my spirituality meant a lot to me

1239

00:50:59,910 --> 00:50:55,869

at a younger age and it's since I will

1240

00:51:04,019 --> 00:50:59,920

admit that it is it's waned in terms of

1241

00:51:06,660 --> 00:51:04,029

like a dogmatic religion but at the

1242

00:51:09,120 --> 00:51:06,670

same time like when I think about UFOs

1243

00:51:12,390 --> 00:51:09,130

I'm not thinking you know oh my god it's

1244

00:51:15,180 --> 00:51:12,400

Jesus in a UFO but when really the

1245

00:51:18,509 --> 00:51:15,190

ghosts that's my God we're so we're

1246

00:51:20,430 --> 00:51:18,519

drinking warm beer because we don't have

1247

00:51:21,989 --> 00:51:20,440

a refrigerator no refrigerator and no

1248

00:51:24,150 --> 00:51:21,999

ice machines come on

1249

00:51:26,339 --> 00:51:24,160

row hotel in midtown Manhattan New York

1250

00:51:29,910 --> 00:51:26,349

City get your ass what do you expect

1251

00:51:32,700 --> 00:51:29,920

it's a hotel in New York I'm lucky we

1252

00:51:35,970 --> 00:51:32,710

have a room at all it's about the size

1253

00:51:37,829 --> 00:51:35,980

of my apartment yeah so yeah we're we're

1254

00:51:40,170 --> 00:51:37,839

doing ghetto style here we've got beer

1255

00:51:42,120 --> 00:51:40,180

with ice I love it such a sin but I love

1256

00:51:45,900 --> 00:51:42,130

it oh okay yeah that's UFO beer

1257

00:51:48,870 --> 00:51:45,910

sponsored by UFO beer yeah speaking of

1258

00:51:50,910 --> 00:51:48,880

sin yeah so Jesus on a UFO I don't

1259

00:51:53,609 --> 00:51:50,920

necessarily ever connect my spirituality

1260

00:51:55,979 --> 00:51:53,619

with UFOs but I always run into that

1261

00:51:58,829 --> 00:51:55,989

problem you know we're ghost shows sure

1262

00:52:02,539 --> 00:51:58,839

like um and like is this an actual

1263

00:52:06,960 --> 00:52:02,549

spirit this like something that once was

1264

00:52:08,999 --> 00:52:06,970

is this higher power if it's a God is he

1265

00:52:10,890 --> 00:52:09,009

allow them to communicate with us

1266

00:52:13,269 --> 00:52:10,900

wherever they might be in the afterlife

1267

00:52:16,239 --> 00:52:13,279

so there's a lot of baggage that

1268

00:52:19,930 --> 00:52:16,249

I think with ghost hunting that you

1269

00:52:22,329 --> 00:52:19,940

bring into it sure but at the same time

1270

00:52:25,329 --> 00:52:22,339

like that could be pretty rewarding too

1271

00:52:28,420 --> 00:52:25,339

I think that could change your your

1272

00:52:31,150 --> 00:52:28,430

faith if it were challenged injury of a

1273

00:52:35,019 --> 00:52:31,160

ghost sighting or encounter or

1274

00:52:37,239 --> 00:52:35,029

experience sure yeah and I don't know I

1275

00:52:40,989 --> 00:52:37,249

mean I think more in recent years I've

1276
00:52:43,719 --> 00:52:40,999
grown more interested in ghost hunting

1277
00:52:48,009 --> 00:52:43,729
and the ghost aspect because I've

1278
00:52:50,109 --> 00:52:48,019
started thinking about the nature of

1279
00:52:51,519 --> 00:52:50,119
ghosts you know and the possibility that

1280
00:52:53,680 --> 00:52:51,529
they could be extraterrestrials or

1281
00:52:55,630 --> 00:52:53,690
something else like just quantum physics

1282
00:52:57,699 --> 00:52:55,640
just the fact that you know it's such an

1283
00:53:00,999 --> 00:52:57,709
unknown but it's something that I've

1284
00:53:03,549 --> 00:53:01,009
definitely experienced and you know can

1285
00:53:05,319 --> 00:53:03,559
pretty easily experience when I mean

1286
00:53:07,749 --> 00:53:05,329
I've had pretty good success with it you

1287
00:53:10,839 --> 00:53:07,759
know on ghost hunts so it's it's

1288
00:53:12,999 --> 00:53:10,849

rewarding in that sense and I mean I

1289

00:53:15,509 --> 00:53:13,009

like to I would like to think that maybe

1290

00:53:18,370 --> 00:53:15,519

I would come up with some more answers

1291

00:53:21,519 --> 00:53:18,380

you know for my own questions in my own

1292

00:53:23,739 --> 00:53:21,529

edification just by doing more but I

1293

00:53:26,079 --> 00:53:23,749

would also do I would like to do some

1294

00:53:29,410 --> 00:53:26,089

some like camping and Bigfoot stuff

1295

00:53:31,180 --> 00:53:29,420

because again same question like some

1296

00:53:32,829 --> 00:53:31,190

people think Bigfoot's are ghosts but

1297

00:53:34,809 --> 00:53:32,839

you know this thing Bigfoot's an

1298

00:53:40,029 --> 00:53:34,819

extraterrestrial so we're looking at you

1299

00:53:42,789 --> 00:53:40,039

greg Newkirk Oh Greg about Rio yeah but

1300

00:53:45,609 --> 00:53:42,799

you know Kewanee laughs Rytas you know

1301
00:53:47,079 --> 00:53:45,619
is a big you a Bigfoot researcher and in

1302
00:53:49,269 --> 00:53:47,089
fact when he presented at the UFO

1303
00:53:50,469 --> 00:53:49,279
congress he told us that there were two

1304
00:53:52,209 --> 00:53:50,479
Bigfoot in the audience and they

1305
00:53:54,189 --> 00:53:52,219
approved of what he was saying also a

1306
00:53:55,779 --> 00:53:54,199
Bigfoot like has a cloaking device or

1307
00:53:57,969 --> 00:53:55,789
something and can be invisible that's

1308
00:53:59,439 --> 00:53:57,979
fantastic so like he has that ability so

1309
00:54:00,489 --> 00:53:59,449
who's to say like when you're ghost

1310
00:54:03,279 --> 00:54:00,499
hunting and you experience something

1311
00:54:04,390 --> 00:54:03,289
that's not Bigfoot yeah like it's these

1312
00:54:07,269 --> 00:54:04,400
things were all intertwined it's

1313
00:54:09,069 --> 00:54:07,279

fantastic but you know that there is the

1314

00:54:10,209 --> 00:54:09,079

mindset out there with many people that

1315

00:54:13,180 --> 00:54:10,219

Bigfoot could be an extraterrestrial

1316

00:54:14,439 --> 00:54:13,190

there is a correlation with a lot of UFO

1317

00:54:17,739 --> 00:54:14,449

sightings and things with Bigfoot

1318

00:54:19,569 --> 00:54:17,749

sightings and you know based on people

1319

00:54:22,229 --> 00:54:19,579

who claim to communicate with Bigfoot

1320

00:54:24,579 --> 00:54:22,239

you know Bigfoot's even acknowledge that

1321

00:54:26,470 --> 00:54:24,589

it is an extraterrestrial they are an

1322

00:54:28,480 --> 00:54:26,480

extraterrestrial species so

1323

00:54:30,069 --> 00:54:28,490

yeah and again like why have we never

1324

00:54:33,430 --> 00:54:30,079

found a body you have a Bigfoot sure

1325

00:54:37,920 --> 00:54:33,440

this is a living breathing ape-like

1326
00:54:41,109 --> 00:54:37,930
creature why has one never been found

1327
00:54:44,800 --> 00:54:41,119
are they immortal do they just wander

1328
00:54:46,990 --> 00:54:44,810
the woods forever you know was a

1329
00:54:48,609 --> 00:54:47,000
cloaking device stay intact for everyone

1330
00:54:50,500 --> 00:54:48,619
they die so and you're just like walking

1331
00:54:53,770 --> 00:54:50,510
and you trip over something you don't

1332
00:54:55,780 --> 00:54:53,780
see you know what the hell yeah that's a

1333
00:54:57,599 --> 00:54:55,790
good point that the idea that the all

1334
00:54:59,800 --> 00:54:57,609
these things are intertwined I think

1335
00:55:01,990 --> 00:54:59,810
that's the thing I mean I don't

1336
00:55:04,599 --> 00:55:02,000
understand people who put boxes you know

1337
00:55:06,460 --> 00:55:04,609
around things and stay within that box

1338
00:55:08,200 --> 00:55:06,470

and don't want to touch things you find

1339

00:55:09,550 --> 00:55:08,210

that so much in the UFO community they

1340

00:55:11,349 --> 00:55:09,560

have no interest in ghosts or no

1341

00:55:16,030 --> 00:55:11,359

interest in Bigfoot there's just all

1342

00:55:17,950 --> 00:55:16,040

UFOs and really like that's so foreign

1343

00:55:21,430 --> 00:55:17,960

to me I don't understand that concept

1344

00:55:24,000 --> 00:55:21,440

because for me it's all about the

1345

00:55:27,069 --> 00:55:24,010

mystery of the unknown like it's unknown

1346

00:55:28,420 --> 00:55:27,079

mysteries and you know this is all

1347

00:55:29,200 --> 00:55:28,430

fascinating stuff to me I'm just looking

1348

00:55:31,870 --> 00:55:29,210

for answers

1349

00:55:34,270 --> 00:55:31,880

and these things are all mysterious

1350

00:55:36,940 --> 00:55:34,280

things that you know in one way or

1351
00:55:38,680 --> 00:55:36,950
another I've determined through my own

1352
00:55:40,540 --> 00:55:38,690
work that there's something there to

1353
00:55:41,980 --> 00:55:40,550
look into like there's something there

1354
00:55:43,960 --> 00:55:41,990
that people experience that I've

1355
00:55:46,809 --> 00:55:43,970
experienced and I don't have an answer

1356
00:55:49,270 --> 00:55:46,819
for you know so how do I know they're

1357
00:55:51,010 --> 00:55:49,280
not related how do I know what they are

1358
00:55:52,450 --> 00:55:51,020
even and I don't know what they are and

1359
00:55:56,620 --> 00:55:52,460
that's that's you know what's exciting

1360
00:55:59,770 --> 00:55:56,630
to me when I spoke at the paranormal

1361
00:56:02,230 --> 00:55:59,780
conference this past weekend that was

1362
00:56:03,970 --> 00:56:02,240
the most exciting thing for me I was

1363
00:56:06,460 --> 00:56:03,980

outside of my wheelhouse

1364

00:56:09,220 --> 00:56:06,470

like I wasn't at a UFO conference I

1365

00:56:11,530 --> 00:56:09,230

wasn't having people saying you're know

1366

00:56:14,920 --> 00:56:11,540

you got that date wrong or no that's not

1367

00:56:16,740 --> 00:56:14,930

right this that this that no because hey

1368

00:56:19,450 --> 00:56:16,750

I was talking about a topic that had

1369

00:56:21,010 --> 00:56:19,460

seemingly nothing to do with UFOs the

1370

00:56:25,180 --> 00:56:21,020

more I looked into it no I'm starting to

1371

00:56:27,339 --> 00:56:25,190

think it did but there were people there

1372

00:56:29,589 --> 00:56:27,349

from all walks of life with all

1373

00:56:33,370 --> 00:56:29,599

different interests know just coming to

1374

00:56:35,530 --> 00:56:33,380

talk not learn not preach but to talk

1375

00:56:37,280 --> 00:56:35,540

and converse yeah which is really cool

1376

00:56:40,700 --> 00:56:37,290

we got to talk about

1377

00:56:43,430 --> 00:56:40,710

we had a talk about mysticism we had one

1378

00:56:46,400 --> 00:56:43,440

on Oak Island like the history and you

1379

00:56:49,370 --> 00:56:46,410

know curses of this remote island in

1380

00:56:51,350 --> 00:56:49,380

Nova Scotia really cool I talked about

1381

00:56:54,770 --> 00:56:51,360

Bermuda Triangle Greg Bishop talked

1382

00:56:57,920 --> 00:56:54,780

about Roswell so like you had every

1383

00:56:59,510 --> 00:56:57,930

realm of all these zones in one room

1384

00:57:01,730 --> 00:56:59,520

together yeah so we weren't there

1385

00:57:04,430 --> 00:57:01,740

preaching to one another about a UFO

1386

00:57:06,200 --> 00:57:04,440

case or this witness yeah no we were all

1387

00:57:09,440 --> 00:57:06,210

there telling stories about people who

1388

00:57:10,730 --> 00:57:09,450

just had plain weird [\h__\h] happened yeah

1389

00:57:12,890 --> 00:57:10,740

all over the world that could not be

1390

00:57:15,470 --> 00:57:12,900

explained and that was really cool

1391

00:57:16,880 --> 00:57:15,480

that's really cool I I love that and

1392

00:57:18,350 --> 00:57:16,890

that's so refreshing I mean not to take

1393

00:57:19,760 --> 00:57:18,360

anything away from UFO conferences

1394

00:57:21,350 --> 00:57:19,770

because I think they definitely have

1395

00:57:23,000 --> 00:57:21,360

their place there's a value for them

1396

00:57:25,850 --> 00:57:23,010

they they serve a purpose

1397

00:57:27,560 --> 00:57:25,860

but you know at the same time when

1398

00:57:29,450 --> 00:57:27,570

you're you're presenting there when

1399

00:57:32,150 --> 00:57:29,460

you're giving a lecture there it's a

1400

00:57:34,460 --> 00:57:32,160

total different vibe because like you

1401

00:57:36,800 --> 00:57:34,470

said you know you're essentially

1402

00:57:40,130 --> 00:57:36,810

preaching to the choir and if you're not

1403

00:57:43,760 --> 00:57:40,140

to let you know but you know it's that

1404

00:57:44,990 --> 00:57:43,770

audience like they are aware of what

1405

00:57:48,620 --> 00:57:45,000

you're talking about

1406

00:57:50,600 --> 00:57:48,630

and you know either casually or they

1407

00:57:52,100 --> 00:57:50,610

consider themselves an expert on it and

1408

00:57:54,650 --> 00:57:52,110

they're happy to let you know about that

1409

00:57:57,200 --> 00:57:54,660

and all the places that you're wrong but

1410

00:57:58,820 --> 00:57:57,210

you know other conferences paranormal

1411

00:58:00,860 --> 00:57:58,830

conferences or just pop culture

1412

00:58:05,360 --> 00:58:00,870

conferences I know Maureen and I were

1413

00:58:07,340 --> 00:58:05,370

just at Denver Comic Con oh yes x-files

1414

00:58:10,730 --> 00:58:07,350

panel they're about real-life x-files

1415

00:58:12,350 --> 00:58:10,740

and that's awesome it was so packed they

1416

00:58:14,180 --> 00:58:12,360

turned people away because there was no

1417

00:58:15,620 --> 00:58:14,190

room left yeah like we thought you know

1418

00:58:17,900 --> 00:58:15,630

maybe a handful of people would come and

1419

00:58:19,460 --> 00:58:17,910

they would be you know there by accident

1420

00:58:21,680 --> 00:58:19,470

because they thought like we're sitting

1421

00:58:23,570 --> 00:58:21,690

Davidic company would be there well but

1422

00:58:25,220 --> 00:58:23,580

like we walked up there and we're all

1423

00:58:27,140 --> 00:58:25,230

holy [h__h] there's a like a waiting room

1424

00:58:29,840 --> 00:58:27,150

and people have this line coming out the

1425

00:58:31,280 --> 00:58:29,850

door like this is kind of freaky but it

1426

00:58:34,220 --> 00:58:31,290

was awesome and those people were

1427

00:58:35,630 --> 00:58:34,230

awesome they were so engaged and this is

1428

00:58:37,910 --> 00:58:35,640

just the general public you know it's

1429

00:58:39,800 --> 00:58:37,920

not your typical UFO crowd or the UFO

1430

00:58:41,870 --> 00:58:39,810

community this is just pop culture

1431

00:58:44,780 --> 00:58:41,880

people like who loved x-files but are

1432

00:58:46,940 --> 00:58:44,790

also into paranormal stuff and wanted to

1433

00:58:48,710 --> 00:58:46,950

hear about like real stories and as we

1434

00:58:50,960 --> 00:58:48,720

talked about you know military

1435

00:58:54,920 --> 00:58:50,970

involvement and UFO investigations

1436

00:59:00,040 --> 00:58:54,930

and some skinwalker ranch and talked

1437

00:59:03,770 --> 00:59:00,050

some you know CIA you know mind

1438

00:59:06,560 --> 00:59:03,780

explorations studies and you know mind

1439

00:59:07,340 --> 00:59:06,570

warfare but these people were just

1440

00:59:09,650 --> 00:59:07,350

eating it up

1441

00:59:12,770 --> 00:59:09,660

and at the end like we left time for Q&A

1442

00:59:14,240 --> 00:59:12,780

and usually at UFO conferences you don't

1443

00:59:17,420 --> 00:59:14,250

want to do that because that's opening

1444

00:59:17,870 --> 00:59:17,430

yourself up to a cannibal but this was

1445

00:59:22,820 --> 00:59:17,880

great

1446

00:59:24,680 --> 00:59:22,830

we talked about like the we mentioned

1447

00:59:27,560 --> 00:59:24,690

the Montauk Monster from a few years ago

1448

00:59:29,150 --> 00:59:27,570

and there was this little little kid I

1449

00:59:30,920 --> 00:59:29,160

don't know how old he was but at the end

1450

00:59:33,650 --> 00:59:30,930

it might have been a girl can't remember

1451

00:59:37,370 --> 00:59:33,660

no but they asked at the end like what

1452

00:59:38,030 --> 00:59:37,380

was the name of that monster this is

1453

00:59:39,980 --> 00:59:38,040

adorable

1454

00:59:41,510 --> 00:59:39,990

wait these people were great they ask

1455

00:59:43,550 --> 00:59:41,520

great questions they were engaged and

1456

00:59:45,440 --> 00:59:43,560

after afterwards a lot of people came up

1457

00:59:48,650 --> 00:59:45,450

and talked to us gonna ask us questions

1458

00:59:50,600 --> 00:59:48,660

like just to us and it was fantastic it

1459

00:59:52,370 --> 00:59:50,610

was a really really great reception and

1460

00:59:53,810 --> 00:59:52,380

I love talking to crowds like that

1461

00:59:55,220 --> 00:59:53,820

and I think a lot of people do you know

1462

00:59:57,680 --> 00:59:55,230

that's why I don't think a lot of people

1463

00:59:59,990 --> 00:59:57,690

know but Travis Walton you know does a

1464

01:00:01,520 --> 01:00:00,000

lot of Comic Cons and things he goes to

1465

01:00:03,230 --> 01:00:01,530

like Dragon Con and some other things

1466

01:00:04,550 --> 01:00:03,240

like that and there's some other

1467

01:00:07,340 --> 01:00:04,560

researchers to do that too I know Chuck

1468

01:00:08,660 --> 01:00:07,350

Zukowski goes to some of them he was at

1469

01:00:11,330 --> 01:00:08,670

San Diego comic-con a couple years ago

1470

01:00:14,510 --> 01:00:11,340

but yeah I mean they're they're totally

1471

01:00:16,970 --> 01:00:14,520

different vibes but you know I love them

1472

01:00:20,240 --> 01:00:16,980

because as you know and you know you're

1473

01:00:23,800 --> 01:00:20,250

in the same boat but man when I do this

1474

01:00:27,620 --> 01:00:23,810

when I talk to people when I try to

1475

01:00:29,210 --> 01:00:27,630

inform people about these topics like I

1476

01:00:32,450 --> 01:00:29,220

have no interest in preaching to the

1477

01:00:34,370 --> 01:00:32,460

choir and that that's not my target

1478

01:00:35,870 --> 01:00:34,380

audience I love people in the UFO

1479

01:00:39,170 --> 01:00:35,880

community I do don't get me wrong

1480

01:00:42,770 --> 01:00:39,180

those are my peeps but you know my goal

1481

01:00:45,700 --> 01:00:42,780

is to reach pop culture the general

1482

01:00:48,170 --> 01:00:45,710

public the people who generally

1483

01:00:50,930 --> 01:00:48,180

genuinely have an interest in this stuff

1484

01:00:52,250 --> 01:00:50,940

because pretty much everybody does you

1485

01:00:54,890 --> 01:00:52,260

just need to present the information to

1486

01:00:57,770 --> 01:00:54,900

them and you know they don't really get

1487

01:01:00,880 --> 01:00:57,780

it other than garbage things like

1488

01:01:02,739 --> 01:01:00,890

ancient aliens sorry dudes

1489

01:01:05,589 --> 01:01:02,749

yeah like ancient aliens that's like

1490

01:01:07,779 --> 01:01:05,599

their view into UFOs everyone every know

1491

01:01:10,239 --> 01:01:07,789

who I tell what I do then Oh like

1492

01:01:12,220 --> 01:01:10,249

ancient aliens yeah no yeah not like

1493

01:01:13,630 --> 01:01:12,230

ancient so I mean they want to hear the

1494

01:01:15,700 --> 01:01:13,640

stuff they don't want to see you know

1495

01:01:18,120 --> 01:01:15,710

the the [h__h] that you know all those

1496

01:01:21,400 --> 01:01:18,130

like fake YouTube sites are putting out

1497

01:01:24,190 --> 01:01:21,410

you know hearing people talk about legit

1498

01:01:25,749 --> 01:01:24,200

stuff you know they're hungry for it and

1499

01:01:27,940 --> 01:01:25,759

they they want to hear people they want

1500

01:01:29,829 --> 01:01:27,950

to be in that atmosphere where they can

1501
01:01:31,660 --> 01:01:29,839
you know have a serious conversation

1502
01:01:35,140 --> 01:01:31,670
about UFOs not be ridiculed about it

1503
01:01:37,599 --> 01:01:35,150
yeah I had a very powerful moment when I

1504
01:01:41,589 --> 01:01:37,609
was giving a talk in Rochester New York

1505
01:01:44,019 --> 01:01:41,599
to a small UFO meetup group hosted by

1506
01:01:45,729 --> 01:01:44,029
cookie Stringfellow the wonderful cookie

1507
01:01:47,859 --> 01:01:45,739
stream loved cookie who I know is

1508
01:01:49,690 --> 01:01:47,869
probably listening to this cookie thank

1509
01:01:52,539 --> 01:01:49,700
you so much for all the work you do hi

1510
01:01:56,769 --> 01:01:52,549
cookie sweetheart she is a sweet she's

1511
01:02:01,599 --> 01:01:56,779
great so my parents came to this talk

1512
01:02:03,729 --> 01:02:01,609
and I was very hesitant to the they were

1513
01:02:07,089 --> 01:02:03,739

never a part of that aspect of my life

1514

01:02:10,329 --> 01:02:07,099

okay UFO research um or me talking about

1515

01:02:11,680 --> 01:02:10,339

in front of people so I was really

1516

01:02:13,390 --> 01:02:11,690

interested to see what they thought and

1517

01:02:16,359 --> 01:02:13,400

of course they're my parents they're

1518

01:02:19,210 --> 01:02:16,369

supportive like you know when I got up

1519

01:02:21,400 --> 01:02:19,220

there to talk I saw my mom that's my kid

1520

01:02:24,700 --> 01:02:21,410

that's my kid which is great in

1521

01:02:26,440 --> 01:02:24,710

everything but the information I brought

1522

01:02:30,099 --> 01:02:26,450

forward in the conversation that took

1523

01:02:31,930 --> 01:02:30,109

place after the talk I pulled my mom

1524

01:02:34,150 --> 01:02:31,940

aside we went out to dinner afterwards

1525

01:02:37,890 --> 01:02:34,160

and I said so what did you think and

1526

01:02:43,960 --> 01:02:37,900

she's like is this stuff for real well

1527

01:02:45,489 --> 01:02:43,970

in it was it was so like unlike her just

1528

01:02:47,079 --> 01:02:45,499

come out and say something that usually

1529

01:02:49,749 --> 01:02:47,089

she just been oh you did great

1530

01:02:52,450 --> 01:02:49,759

yeah oh it was wonderful like you spoke

1531

01:02:54,670 --> 01:02:52,460

smoker but she actually listened she

1532

01:02:57,579 --> 01:02:54,680

actually like took in the information

1533

01:03:00,130 --> 01:02:57,589

and she was genuinely concerned Wow

1534

01:03:02,109 --> 01:03:00,140

information I brought forward and that

1535

01:03:03,910 --> 01:03:02,119

that was a pinnacle moment for me yeah

1536

01:03:06,009 --> 01:03:03,920

someone who never really thought about

1537

01:03:08,370 --> 01:03:06,019

the topic happened to be a family member

1538

01:03:11,099 --> 01:03:08,380

and confided in me and

1539

01:03:12,870 --> 01:03:11,109

said is this real yeah do I really need

1540

01:03:15,210 --> 01:03:12,880

to be concerned about this or think

1541

01:03:17,339 --> 01:03:15,220

about this yeah I said if you want or

1542

01:03:19,079 --> 01:03:17,349

I'm like I'm just telling you what I've

1543

01:03:21,480 --> 01:03:19,089

heard right what I've experienced and

1544

01:03:24,539 --> 01:03:21,490

what I've researched and I think you're

1545

01:03:26,460 --> 01:03:24,549

right it's not like you know we're not

1546

01:03:26,880 --> 01:03:26,470

trying to convince people that UFOs are

1547

01:03:28,499 --> 01:03:26,890

real

1548

01:03:31,140 --> 01:03:28,509

we're just saying this is the stuff

1549

01:03:33,390 --> 01:03:31,150

that's going on if you want to look into

1550

01:03:36,299 --> 01:03:33,400

it cool if you don't it's our life yeah

1551

01:03:40,620 --> 01:03:36,309

you know it's your cool iana as they say

1552

01:03:44,279 --> 01:03:40,630

in Hawaii that's always always my goal

1553

01:03:46,559 --> 01:03:44,289

is to just you know present what we know

1554

01:03:48,539 --> 01:03:46,569

put it out there and encourage people to

1555

01:03:49,680 --> 01:03:48,549

do their own research you know because

1556

01:03:53,370 --> 01:03:49,690

ultimately people have to make their own

1557

01:03:55,140 --> 01:03:53,380

decisions like and you know they can

1558

01:03:57,529 --> 01:03:55,150

pick and choose the the researchers they

1559

01:03:59,430 --> 01:03:57,539

want to follow or you know believe

1560

01:04:02,370 --> 01:03:59,440

information that's being put out there

1561

01:04:05,880 --> 01:04:02,380

but that's not my job I just want to

1562

01:04:07,380 --> 01:04:05,890

kind of ignite that spark you know and

1563

01:04:08,749 --> 01:04:07,390

send people on their way yeah I think

1564

01:04:11,220 --> 01:04:08,759

that's the biggest thing we can do and

1565

01:04:13,470 --> 01:04:11,230

that's how you get people interested and

1566

01:04:15,630 --> 01:04:13,480

then hopefully we get more researchers

1567

01:04:18,660 --> 01:04:15,640

doing active research which is fantastic

1568

01:04:23,249 --> 01:04:18,670

out there yeah it's so funny because I

1569

01:04:26,160 --> 01:04:23,259

remember with the UFO Congress like for

1570

01:04:29,509 --> 01:04:26,170

most of the years I was there my

1571

01:04:33,749 --> 01:04:29,519

grandparents like out of the blue like

1572

01:04:35,849 --> 01:04:33,759

wanted tickets and I really want to come

1573

01:04:38,789 --> 01:04:35,859

to a UFO conference yeah gonna be pretty

1574

01:04:40,769 --> 01:04:38,799

boring probably but no they were like

1575

01:04:43,200 --> 01:04:40,779

all into it and they came like every

1576

01:04:44,700 --> 01:04:43,210

year no so that's that's interesting

1577

01:04:46,200 --> 01:04:44,710

yeah I never would have thought my

1578

01:04:48,749 --> 01:04:46,210

grandparents would want to come to UFO

1579

01:04:50,370 --> 01:04:48,759

conference but they did I my grandpa was

1580

01:04:53,279 --> 01:04:50,380

super NT I think my grandma spent all

1581

01:04:54,779 --> 01:04:53,289

her time in the casino but actually yeah

1582

01:04:56,670 --> 01:04:54,789

I know he was there and then my parents

1583

01:05:00,839 --> 01:04:56,680

came out to you and that was really

1584

01:05:04,079 --> 01:05:00,849

funny because I think the first lecture

1585

01:05:06,480 --> 01:05:04,089

they went to was Barbara lamb and they

1586

01:05:09,990 --> 01:05:06,490

came out of it and they're all that was

1587

01:05:13,499 --> 01:05:10,000

interesting hearing about alien penises

1588

01:05:14,599 --> 01:05:13,509

and how were alien hybrids yeah sorry

1589

01:05:17,430 --> 01:05:14,609

about that

1590

01:05:22,140 --> 01:05:17,440

yeah that's always tough that's tough

1591

01:05:24,990 --> 01:05:22,150

you you get a pretty broad spectrum

1592

01:05:27,390 --> 01:05:25,000

at such a large UFO conference that's

1593

01:05:29,940 --> 01:05:27,400

five days long you know oh yeah for sure

1594

01:05:32,040 --> 01:05:29,950

here everything from like ex-military to

1595

01:05:34,470 --> 01:05:32,050

scientists and again I mean emotionally

1596

01:05:36,630 --> 01:05:34,480

UFO conferences aren't geared for the

1597

01:05:38,700 --> 01:05:36,640

general public you know as much as you

1598

01:05:41,160 --> 01:05:38,710

know as organizers we try to make things

1599

01:05:42,570 --> 01:05:41,170

accessible to everybody and try to get

1600

01:05:45,330 --> 01:05:42,580

things that the general general public

1601

01:05:48,060 --> 01:05:45,340

will be you know able to take in

1602

01:05:49,560 --> 01:05:48,070

ya know UFO conferences you're gonna

1603

01:05:51,090 --> 01:05:49,570

have some pretty pretty deep stuff

1604

01:05:52,710 --> 01:05:51,100

pretty far down the rabbit hole type

1605

01:05:56,130 --> 01:05:52,720

stuff that like if you're just coming

1606

01:05:57,810 --> 01:05:56,140

into UFO as you go what the hell it

1607

01:06:01,380 --> 01:05:57,820

would be tough for someone who's just

1608

01:06:03,420 --> 01:06:01,390

getting into the top yeah yeah I that's

1609

01:06:06,300 --> 01:06:03,430

another big concern is out like you

1610

01:06:09,750 --> 01:06:06,310

mentioned secure team ten seven yeah

1611

01:06:12,000 --> 01:06:09,760

whatever they are or something like

1612

01:06:14,460 --> 01:06:12,010

ancient aliens which was I have to admit

1613

01:06:17,010 --> 01:06:14,470

they're pretty awesome the first season

1614

01:06:19,350 --> 01:06:17,020

sure but how do you stretch a show in

1615

01:06:22,020 --> 01:06:19,360

tune in twelve years so you start making

1616

01:06:23,580 --> 01:06:22,030

[h__\h] up you have to at that point

1617

01:06:26,220 --> 01:06:23,590

dealing with a lot of stuff that's not

1618

01:06:27,990 --> 01:06:26,230

ancient history it's so weird the stuff

1619

01:06:31,860 --> 01:06:28,000

they cover now yeah anyways we could

1620

01:06:34,050 --> 01:06:31,870

mention mr. su clothes all we wanted but

1621

01:06:37,200 --> 01:06:34,060

yeah like you said for someone just

1622

01:06:39,510 --> 01:06:37,210

getting into this topic it's tough you

1623

01:06:41,340 --> 01:06:39,520

know there's so much garbage out there

1624

01:06:43,680 --> 01:06:41,350

on the internet when it comes to UFOs

1625

01:06:45,150 --> 01:06:43,690

that like where do you turn where do you

1626

01:06:46,950 --> 01:06:45,160

even start mmm

1627

01:06:50,430 --> 01:06:46,960

you know we were lucky to like have

1628

01:06:53,850 --> 01:06:50,440

people to influence our research who we

1629

01:06:56,430 --> 01:06:53,860

trusted yeah who haven't gone that far

1630

01:06:58,800 --> 01:06:56,440

down the rabbit hole where you know like

1631

01:07:02,100 --> 01:06:58,810

they're just crazy at this point or

1632

01:07:03,930 --> 01:07:02,110

delusional very fortunate for I think

1633

01:07:08,550 --> 01:07:03,940

eventually you know after you have the

1634

01:07:10,680 --> 01:07:08,560

start I think you know we both reach the

1635

01:07:13,140 --> 01:07:10,690

point which I think is an important

1636

01:07:15,900 --> 01:07:13,150

point to reach in your research and

1637

01:07:18,390 --> 01:07:15,910

that's the point where you no longer

1638

01:07:21,930 --> 01:07:18,400

really care and I know that sounds bad

1639

01:07:24,510 --> 01:07:21,940

but what I mean by that is not being

1640

01:07:26,610 --> 01:07:24,520

beholden to anybody correct not feeling

1641

01:07:29,400 --> 01:07:26,620

that you need to appease anybody you're

1642

01:07:31,170 --> 01:07:29,410

not worried about to an extent you're

1643

01:07:32,760 --> 01:07:31,180

not worried about you know upsetting

1644

01:07:33,980 --> 01:07:32,770

somebody because you don't agree with

1645

01:07:35,810 --> 01:07:33,990

their views

1646

01:07:37,700 --> 01:07:35,820

you know you're just doing your thing

1647

01:07:39,230 --> 01:07:37,710

and I think that's that's what you've

1648

01:07:40,640 --> 01:07:39,240

got to do you've got to be you you've

1649

01:07:44,210 --> 01:07:40,650

got to do what you're comfortable with

1650

01:07:46,280 --> 01:07:44,220

and you can't really worry about you

1651
01:07:48,260 --> 01:07:46,290
know what others are going to think if

1652
01:07:50,600 --> 01:07:48,270
you're you're being true to yourself

1653
01:07:52,730 --> 01:07:50,610
you're being a genuine researcher and

1654
01:07:55,430 --> 01:07:52,740
doing what you feel is right that's what

1655
01:07:58,280 --> 01:07:55,440
you got to do like you know it might not

1656
01:07:59,960 --> 01:07:58,290
win you a lot of friends but you know

1657
01:08:03,650 --> 01:07:59,970
we're not doing this to make friends

1658
01:08:07,070 --> 01:08:03,660
no we've made friends we have and that's

1659
01:08:08,990 --> 01:08:07,080
another another thing to keep in mind is

1660
01:08:11,330 --> 01:08:09,000
that we all have our own reasons for

1661
01:08:13,250 --> 01:08:11,340
being into this topic you know it's not

1662
01:08:16,460 --> 01:08:13,260
an altruism that we want to bring the

1663
01:08:18,410 --> 01:08:16,470

truth to the public right we want to

1664

01:08:20,420 --> 01:08:18,420

know for ourselves that's right we

1665

01:08:22,370 --> 01:08:20,430

you've lived a different life than I

1666

01:08:24,470 --> 01:08:22,380

have you know you've lived a completely

1667

01:08:27,349 --> 01:08:24,480

different life different family

1668

01:08:30,019 --> 01:08:27,359

different relationships everything but

1669

01:08:31,910 --> 01:08:30,029

we have this one thing in common and we

1670

01:08:34,579 --> 01:08:31,920

can actually talk about into one another

1671

01:08:36,860 --> 01:08:34,589

but you know I'll be the first to admit

1672

01:08:38,329 --> 01:08:36,870

like I have my own selfish reason oh

1673

01:08:40,519 --> 01:08:38,339

yeah I'm wanting to know the answer yeah

1674

01:08:42,740 --> 01:08:40,529

no I I have have no qualms about

1675

01:08:45,980 --> 01:08:42,750

admitting that sorry guys I'm doing this

1676

01:08:49,309 --> 01:08:45,990

for me I'm I'm glad you like listening

1677

01:08:51,200 --> 01:08:49,319

to but yeah this is all about me not

1678

01:08:53,630 --> 01:08:51,210

really but yeah no it's totally selfish

1679

01:08:55,579 --> 01:08:53,640

yeah obviously I mean we wouldn't do

1680

01:08:56,900 --> 01:08:55,589

this if we didn't you know have a

1681

01:08:59,570 --> 01:08:56,910

genuine passion for it a genuine

1682

01:09:01,940 --> 01:08:59,580

personal interest and if we didn't have

1683

01:09:04,579 --> 01:09:01,950

that would be a big fat phonies right

1684

01:09:06,710 --> 01:09:04,589

like so I mean if there are people out

1685

01:09:08,930 --> 01:09:06,720

there and you don't you know feel they

1686

01:09:10,610 --> 01:09:08,940

have a genuine interest and passion in

1687

01:09:11,599 --> 01:09:10,620

this topic then they don't know why

1688

01:09:15,380 --> 01:09:11,609

you're listening to them

1689

01:09:17,930 --> 01:09:15,390

yeah because really you know that that

1690

01:09:20,749 --> 01:09:17,940

says it all that being said I hope you

1691

01:09:23,450 --> 01:09:20,759

all still listen Yeah right

1692

01:09:24,349 --> 01:09:23,460

we're doing this for you too guys yes

1693

01:09:30,079 --> 01:09:24,359

exactly

1694

01:09:33,170 --> 01:09:30,089

well yeah I think that's probably right

1695

01:09:34,970 --> 01:09:33,180

Cheers that we're almost out of beer so

1696

01:09:36,559 --> 01:09:34,980

we should probably wrap up my stuff

1697

01:09:38,210 --> 01:09:36,569

we're gonna go to the arcade yeah I'm

1698

01:09:42,579 --> 01:09:38,220

gonna go to the arcade and see if we

1699

01:09:45,110 --> 01:09:42,589

can find some some alien games well um

1700

01:09:46,710 --> 01:09:45,120

Jason where can we find all of your work

1701

01:09:49,890 --> 01:09:46,720

for my listeners Oh

1702

01:09:52,050 --> 01:09:49,900

right so rogue planet TV that is the

1703

01:09:55,800 --> 01:09:52,060

fantastic website you can go to to find

1704

01:10:00,900 --> 01:09:55,810

all sorts of UFO another weird geeky

1705

01:10:03,120 --> 01:10:00,910

content all the various shows I do and

1706

01:10:04,590 --> 01:10:03,130

there'll be more shows coming soon in

1707

01:10:07,080 --> 01:10:04,600

the future that's where you can find any

1708

01:10:10,920 --> 01:10:07,090

information about spacing out that will

1709

01:10:14,640 --> 01:10:10,930

be coming also on Twitter at a centric

1710

01:10:15,510 --> 01:10:14,650

that's a CEC entr I see and I'm on

1711

01:10:17,250 --> 01:10:15,520

Facebook too

1712

01:10:19,050 --> 01:10:17,260

I don't remember my facebook name right

1713

01:10:21,300 --> 01:10:19,060

now and no one goes on Facebook anymore

1714

01:10:22,980 --> 01:10:21,310

don't know and if you go on Facebook and

1715

01:10:25,170 --> 01:10:22,990

just type my name and you can find me

1716

01:10:26,580 --> 01:10:25,180

but if you go to my facebook page just

1717

01:10:28,770 --> 01:10:26,590

look for Jason and you'll find it there

1718

01:10:32,400 --> 01:10:28,780

you go and that works to know I have

1719

01:10:35,430 --> 01:10:32,410

some cool Facebook name like the UFO

1720

01:10:37,140 --> 01:10:35,440

geek or something like yeah I don't know

1721

01:10:39,720 --> 01:10:37,150

I'm on there my name is Jason McClellan

1722

01:10:43,560 --> 01:10:39,730

find out and that's the unknown podcast

1723

01:10:47,400 --> 01:10:43,570

yes one podcast is is the unknown

1724

01:10:50,190 --> 01:10:47,410

podcast the UFO podcast also do the punk

1725

01:10:52,230 --> 01:10:50,200

rocker moon stopper podcast with my our

1726

01:10:55,160 --> 01:10:52,240

mutual friend and colleague Amy Shira

1727

01:10:58,050 --> 01:10:55,170

Teitel when we talk a lot about space

1728

01:11:02,610 --> 01:10:58,060

but also our mutual love a punk rock and

1729

01:11:04,920 --> 01:11:02,620

alcohol and we get into UFOs - and we're

1730

01:11:07,770 --> 01:11:04,930

soon going to do a UFO episode with mr.

1731

01:11:09,270 --> 01:11:07,780

Ryan's Briggs ah can't wait and yeah

1732

01:11:10,290 --> 01:11:09,280

what about you Ryan where can we find

1733

01:11:13,440 --> 01:11:10,300

all about you

1734

01:11:16,470 --> 01:11:13,450

oh my work can be found at somewhere in

1735

01:11:18,330 --> 01:11:16,480

the skies calm oh that's awesome didn't

1736

01:11:19,740 --> 01:11:18,340

you write a book I did I wrote a book it

1737

01:11:22,140 --> 01:11:19,750

is called somewhere in this guy's a

1738

01:11:24,600 --> 01:11:22,150

human approach to an alien phenomenon

1739

01:11:26,070 --> 01:11:24,610

that's fantastic see your subtitle is so

1740

01:11:27,150 --> 01:11:26,080

much shorter than mine so it makes it

1741

01:11:29,100 --> 01:11:27,160

difficult for me to remember mine

1742

01:11:31,830 --> 01:11:29,110

anytime I try to say the name of my book

1743

01:11:36,210 --> 01:11:31,840

I can't remember it try so so my books

1744

01:11:39,090 --> 01:11:36,220

on Amazon as is Ryan's my book is called

1745

01:11:41,750 --> 01:11:39,100

only weirdos see UFOs and before you get

1746

01:11:46,010 --> 01:11:41,760

angry at me the subtitle is an

1747

01:11:48,060 --> 01:11:46,020

introduction to the misperception of

1748

01:11:49,770 --> 01:11:48,070

unidentified aerial phenomena and

1749

01:11:52,320 --> 01:11:49,780

extraterrestrial life you got it all

1750

01:11:54,450 --> 01:11:52,330

right yep I know that is it's a

1751

01:11:56,670 --> 01:11:54,460

wonderful book again like read the

1752

01:11:58,340 --> 01:11:56,680

subtitle people absolutely and that's

1753

01:12:00,200 --> 01:11:58,350

asking too much yeah

1754

01:12:01,520 --> 01:12:00,210

I was very honored to have been featured

1755

01:12:03,590 --> 01:12:01,530

in the book as well for accounting my

1756

01:12:05,750 --> 01:12:03,600

own UFO sighting yes thank you for that

1757

01:12:08,120 --> 01:12:05,760

oh I needed you in there yeah for sure

1758

01:12:11,600 --> 01:12:08,130

with wonderful cover art by one Caleb a

1759

01:12:14,210 --> 01:12:11,610

scale of Hanks yes he made our weirdo on

1760

01:12:16,460 --> 01:12:14,220

the cover it's fantastic awesome yeah

1761

01:12:18,890 --> 01:12:16,470

we'll be seeing more art from mr. Caleb

1762

01:12:21,440 --> 01:12:18,900

Hanks in the future with upcoming shows

1763

01:12:23,180 --> 01:12:21,450

so look for that awesome all right well

1764

01:12:25,880 --> 01:12:23,190

this has been great man I'm so happy we

1765

01:12:27,740 --> 01:12:25,890

got to meet up in the Big Apple

1766

01:12:29,360 --> 01:12:27,750

that's right literally staring at Times

1767

01:12:31,340 --> 01:12:29,370

Square right now yeah it's kind of

1768

01:12:33,110 --> 01:12:31,350

awesome at the Opera though and you know

1769

01:12:36,200 --> 01:12:33,120

I think we only heard a couple sirens so

1770

01:12:37,460 --> 01:12:36,210

that's weird for New York yeah I called

1771

01:12:40,070 --> 01:12:37,470

in a favor told them we were recording a

1772

01:12:41,570 --> 01:12:40,080

podcast yeah I'm surprised no one's

1773

01:12:43,430 --> 01:12:41,580

banging down the door yet that's right

1774

01:12:44,630 --> 01:12:43,440

these walls are paper-thin yeah it's

1775

01:12:46,490 --> 01:12:44,640

probably interested and they're probably

1776

01:12:50,200 --> 01:12:46,500

going to look us up and listen to the

1777

01:12:53,000 --> 01:12:50,210

podcast those new doing in there

1778

01:12:54,890 --> 01:12:53,010

scandalous alright guys well that's it

1779

01:12:55,940 --> 01:12:54,900

we'll talk soon we're gonna go play some

1780

arcade games

1781

01:13:00,190 --> 01:12:57,780

it's arcade time she episode was

1782

01:13:02,330 --> 01:13:00,200

sponsored by UFO beer yeah [h__h] beer

1783

01:13:04,280 --> 01:13:02,340

1784

01:13:07,550 --> 01:13:04,290

1785

01:13:09,140 --> 01:13:07,560
