10
00:00:25,040 --> 00:00:22,800
podcast network and hellofresh hey guys

11
00:00:27,230 --> 00:00:25,050
Ryan Sprague here as you all know this

12
00:00:29,720 --> 00:00:27,240
summer in the skies podcast is always

13
00:00:31,939 --> 00:00:29,730

free to consume but it isn't free to

14

00:00:33,799 --> 00:00:31,949

create that's why I've started this

15

00:00:36,530 --> 00:00:33,809

somewhere in the skies patreon campaign

16

00:00:38,360 --> 00:00:36,540

on a monthly basis you give what you

17

00:00:41,180 --> 00:00:38,370

think the show is worth you'll be

18

00:00:43,700 --> 00:00:41,190

helping the show continue grow and to be

19

00:00:45,889 --> 00:00:43,710

something truly communal and remember

20

00:00:47,990 --> 00:00:45,899

there are rewards for each level of

21

00:00:50,510 --> 00:00:48,000

contribution and the list is only

22

00:00:53,090 --> 00:00:50,520

growing so please help somewhere in the

23

00:01:00,189 --> 00:00:53,100

skies now by becoming a patron to

24

00:01:33,929 --> 00:01:02,950

www.suprememastertv.com/heartline

25

00:01:39,249 --> 00:01:36,690

you can deny all the things I've seen

26

00:01:41,980 --> 00:01:39,259

all the things I've discovered but not

27

00:01:44,620 --> 00:01:41,990

for much longer because too many others

28

00:01:47,469 --> 00:01:44,630

know what's happening out there and no

29

00:01:49,150 --> 00:01:47,479

one no government agency has

30

00:02:02,620 --> 00:01:49,160

jurisdiction over the truth

31

00:02:07,130 --> 00:02:05,420

if you don't recognize that music I

32

00:02:09,830 --> 00:02:07,140

honestly don't know where you've been

33

00:02:12,020 --> 00:02:09,840

for the past decade and a half get ready

34

00:02:14,780 --> 00:02:12,030

because this is going to be a very

35

00:02:17,240 --> 00:02:14,790

Mulder and Scully episode you've been

36

00:02:19,970 --> 00:02:17,250

warned it may come as no surprise to any

37

00:02:22,160 --> 00:02:19,980

of you out there that the x-files is my

38

00:02:25,580 --> 00:02:22,170

wife blood I don't think the day goes by

39

00:02:27,770 --> 00:02:25,590

without me quoting Fox Mulder for no

40

00:02:29,960 --> 00:02:27,780

good reason or even just putting an

41

00:02:32,240 --> 00:02:29,970

episode on in the background to get

42

00:02:34,700 --> 00:02:32,250

through the day first world problems I

43

00:02:37,370 --> 00:02:34,710

know for the longest time I watched the

44

00:02:39,830 --> 00:02:37,380

show as it aired every Friday night on

45

00:02:42,740 --> 00:02:39,840

Fox but I had nobody to talk about it

46

00:02:44,840 --> 00:02:42,750

with it was a secret ceremony I held

47

00:02:47,360 --> 00:02:44,850

every week because I'd follow these two

48

00:02:50,540 --> 00:02:47,370

FBI agents on their adventures in

49

00:02:52,610 --> 00:02:50,550

investigating UFOs aliens ghosts

50

00:02:55,460 --> 00:02:52,620

monsters and everything in between

51
00:02:58,280 --> 00:02:55,470
it was my dreams and aspirations playing

52
00:03:00,800 --> 00:02:58,290
out on the small screen I wanted to

53
00:03:03,020 --> 00:03:00,810
believe I was Fox Mulder and to be

54
00:03:04,699 --> 00:03:03,030
honest I've come further in making that

55
00:03:05,060 --> 00:03:04,709
dream come true than I ever thought I

56
00:03:08,449 --> 00:03:05,070
would

57
00:03:11,600 --> 00:03:08,459
granted I don't work for the FBI nor am

58
00:03:14,090 --> 00:03:11,610
i unraveling a grand conspiracy of men

59
00:03:17,690 --> 00:03:14,100
in aliens working together to both

60
00:03:20,600 --> 00:03:17,700
enslave and hybridize humanity or am i I

61
00:03:23,390 --> 00:03:20,610
digress the x-files was most certainly

62
00:03:25,250 --> 00:03:23,400
my guilty pleasure and this week I was

63
00:03:27,440 --> 00:03:25,260

fortunate enough to sit down at the

64

00:03:29,990 --> 00:03:27,450

acclaimed nervous school right here in

65

00:03:32,449 --> 00:03:30,000

Los Angeles and speak with Amanda and

66

00:03:35,360 --> 00:03:32,459

Jackie the hosts of the guilty pleasure

67

00:03:37,940 --> 00:03:35,370

podcast you can find their show on all

68

00:03:40,190 --> 00:03:37,950

major podcast outlets and at its

69

00:03:42,320 --> 00:03:40,200

school.com for the bulk of the

70

00:03:44,870 --> 00:03:42,330

conversation we talked all about x-files

71

00:03:47,180 --> 00:03:44,880

and my work in the field of ufology I

72

00:03:49,880 --> 00:03:47,190

then turn the tables on them towards the

73

00:03:52,250 --> 00:03:49,890

end and get their thoughts on UFOs the

74

00:03:54,380 --> 00:03:52,260

paranormal and their favorite conspiracy

75

00:03:56,600 --> 00:03:54,390

theories it was a light-hearted but

76

00:03:58,520 --> 00:03:56,610

heavy crossover episode where we all

77

00:04:01,160 --> 00:03:58,530

just may have changed one another's

78

00:04:04,039 --> 00:04:01,170

minds on these deeply complex phenomena

79

00:04:05,140 --> 00:04:04,049

but either way it was a fun navigation

80

00:04:08,360 --> 00:04:05,150

through one of the most successful

81

00:04:10,839 --> 00:04:08,370

television shows of all time and proved

82

00:04:13,539 --> 00:04:10,849

once again that the truth has

83

00:04:15,280 --> 00:04:13,549

and always will remain out there I hope

84

00:04:17,770 --> 00:04:15,290

you enjoy this episode with Amanda and

85

00:04:20,170 --> 00:04:17,780

Jackie of the guilty pleasure podcast

86

00:04:24,040 --> 00:04:20,180

trust no one

87

00:04:27,150 --> 00:04:24,050

well except me you can trust me enjoy

88

00:04:30,640 --> 00:04:27,160

the episode so Ryan welcome to the back

89

00:04:33,070 --> 00:04:30,650

thank you thank you for having me I've

90

00:04:34,659 --> 00:04:33,080

been in LA for a week so to already be

91

00:04:36,640 --> 00:04:34,669

doing something like this I feel like oh

92

00:04:39,460 --> 00:04:36,650

it's always gonna be like this I'm gonna

93

00:04:41,290 --> 00:04:39,470

end up at the Nerdist school yeah really

94

00:04:43,839 --> 00:04:41,300

cool people who host an awesome podcast

95

00:04:45,279 --> 00:04:43,849

I love that yeah well it's a good we're

96

00:04:48,279 --> 00:04:45,289

the welcoming committee we are

97

00:04:49,600 --> 00:04:48,289

especially from the New York like oh

98

00:04:51,790 --> 00:04:49,610

you're a New Yorker moving to LA for the

99

00:04:57,430 --> 00:04:51,800

first time come be on our podcast and

100

00:05:00,550 --> 00:04:57,440

also calm down yeah calm down take a

101
00:05:08,800 --> 00:05:00,560
dump with sips o before we do that give

102
00:05:11,770 --> 00:05:08,810
you guys it's a book you can't see it

103
00:05:14,830 --> 00:05:11,780
but we'll definitely post it it's called

104
00:05:18,510 --> 00:05:14,840
somewhere in the sky a human approach to

105
00:05:23,020 --> 00:05:18,520
an alien phenomenon by Ryan Sprague

106
00:05:26,409 --> 00:05:23,030
Sprague rooks Prague Sprague Prague

107
00:05:30,189 --> 00:05:26,419
within us this is a book yeah and

108
00:05:32,649 --> 00:05:30,199
stickers oh I put sentences together and

109
00:05:34,990 --> 00:05:32,659
someone was dumb enough to make it into

110
00:05:37,270 --> 00:05:35,000
a book thank you you rope-a-dope damn

111
00:05:39,879 --> 00:05:37,280
real well thank you so much for this

112
00:05:43,839 --> 00:05:39,889
look at your picture in the back you

113
00:05:45,790 --> 00:05:43,849

look so much it was a good hair and

114

00:05:48,100 --> 00:05:45,800

there's like several people who made

115

00:05:50,589 --> 00:05:48,110

several comments about it in the back I

116

00:05:52,689 --> 00:05:50,599

love that I cannot wait to read this

117

00:05:54,339 --> 00:05:52,699

thank you so much I had no idea that you

118

00:05:56,600 --> 00:05:54,349

were I think you are the first published

119

00:05:58,100 --> 00:05:56,610

author on the pod

120

00:05:59,869 --> 00:05:58,110

well I only thought it was appropriate

121

00:06:02,179 --> 00:05:59,879

for what we'll be talking about it is

122

00:06:04,040 --> 00:06:02,189

very appropriate speaking of which what

123

00:06:15,649 --> 00:06:04,050

is your guilty pleasure my guilty

124

00:06:18,469 --> 00:06:15,659

pleasure is the x-files did that

125

00:06:20,990 --> 00:06:18,479

whenever I talk on like I've done like

126
00:06:22,790 --> 00:06:21,000
news stations and broadcast and stuff

127
00:06:25,490 --> 00:06:22,800
and every time I come on to talk about

128
00:06:32,119 --> 00:06:25,500
UFOs seriously they put the x-files

129
00:06:33,379 --> 00:06:32,129
music behind it yeah basically right

130
00:06:34,939 --> 00:06:33,389
every time you enter a room you actually

131
00:06:38,089 --> 00:06:34,949
you ask that someone play it on their

132
00:06:39,670 --> 00:06:38,099
phone yeah hey Brian can you get me a

133
00:06:48,019 --> 00:06:39,680
glass of water

134
00:06:50,779 --> 00:06:48,029
he's walking in with the water so how

135
00:06:52,279 --> 00:06:50,789
how did you get in I mean here's the

136
00:06:55,040 --> 00:06:52,289
thing is that I've known Ryan for a

137
00:06:58,399 --> 00:06:55,050
while and we work together in New York

138
00:07:01,339 --> 00:06:58,409

and now you're here etc etc and you've

139

00:07:03,499 --> 00:07:01,349

from from since I've known you which is

140

00:07:05,980 --> 00:07:03,509

a while now you've always been

141

00:07:10,100 --> 00:07:05,990

interested in UFOs extraterrestrial

142

00:07:12,529 --> 00:07:10,110

aliens that sort of a thing how were you

143

00:07:14,329 --> 00:07:12,539

introduced to the x-files and was that

144

00:07:16,219 --> 00:07:14,339

something that sparked it or what has

145

00:07:19,820 --> 00:07:16,229

this always been like a lifelong passion

146

00:07:22,579 --> 00:07:19,830

it's kind of been a lifelong passion the

147

00:07:25,670 --> 00:07:22,589

x-files came into my life at a very

148

00:07:29,990 --> 00:07:25,680

interesting time I had had my own

149

00:07:32,269 --> 00:07:30,000

personal UFO sighting like six months

150

00:07:35,029 --> 00:07:32,279

before I saw the first episode of the

151

00:07:38,540 --> 00:07:35,039

x-files oh yeah so I was I'm trying to

152

00:07:41,930 --> 00:07:38,550

dating myself now I was 12 I want to say

153

00:07:45,769 --> 00:07:41,940

in upstate New York and I was fishing

154

00:07:48,769 --> 00:07:45,779

off a dock with my parents and I it was

155

00:07:51,740 --> 00:07:48,779

nighttime and I saw these three white

156

00:07:54,980 --> 00:07:51,750

lights reflecting off of the water first

157

00:07:56,600 --> 00:07:54,990

so naturally I look up and I see the

158

00:07:59,749 --> 00:07:56,610

three white lights I couldn't see any

159

00:08:02,290 --> 00:07:59,759

sort of like structure machine if you

160

00:08:04,760 --> 00:08:02,300

will but I couldn't see the stars behind

161

00:08:06,860 --> 00:08:04,770

what I was seeing and it was just kind

162

00:08:09,110 --> 00:08:06,870

of floating over the water silent

163

00:08:10,790 --> 00:08:09,120

completely silent I could just hear like

164

00:08:12,920 --> 00:08:10,800

the water hitting the dock

165

00:08:16,520 --> 00:08:12,930

so I started yelling for my dad who's

166

00:08:18,350 --> 00:08:16,530

inside our hotel to come out and as he's

167

00:08:20,749 --> 00:08:18,360

coming out the thing starts floating

168

00:08:23,689 --> 00:08:20,759

over the water towards Canada the border

169

00:08:26,809 --> 00:08:23,699

of Canada and my father did see the tail

170

00:08:28,339 --> 00:08:26,819

end of what I saw oh and he told me you

171

00:08:29,540 --> 00:08:28,349

know it's just a plane it was just a

172

00:08:32,089 --> 00:08:29,550

plane ride calm down

173

00:08:34,100 --> 00:08:32,099

but even at 12 I knew that whatever it

174

00:08:37,010 --> 00:08:34,110

was it was not like any sort of plane

175

00:08:45,350 --> 00:08:37,020

I'd seen or heard before I'm not saying

176

00:08:47,079 --> 00:08:45,360

it was alien but it was alien and I was

177

00:08:49,310 --> 00:08:47,089

terrified and that kind of led to

178

00:08:52,030 --> 00:08:49,320

obsession I started taking a book after

179

00:08:54,319 --> 00:08:52,040

book in the library about UFOs and

180

00:08:56,500 --> 00:08:54,329

Bigfoot Loch Ness monster or whatever I

181

00:08:59,210 --> 00:08:56,510

could get my hands on and

182

00:09:00,740 --> 00:08:59,220

serendipitously I guess was it was the

183

00:09:04,300 --> 00:09:00,750

same year I saw my first episode of the

184

00:09:08,420 --> 00:09:04,310

x-files Oh crazy which was I believe

185

00:09:11,480 --> 00:09:08,430

1996 the show premiered in 93 yeah but

186

00:09:14,240 --> 00:09:11,490

the first episode I saw was in 96 cool

187

00:09:18,110 --> 00:09:14,250

yeah very cool and what was your I mean

188

00:09:20,569 --> 00:09:18,120

that's crazy not that you are crazy but

189

00:09:23,360 --> 00:09:20,579

that's like a nutso experience like that

190

00:09:26,269 --> 00:09:23,370

would blow my freaking mind that would

191

00:09:27,949 --> 00:09:26,279

be that's awesome I also think it's

192

00:09:30,620 --> 00:09:27,959

really cool though that you got your dad

193

00:09:32,810 --> 00:09:30,630

to see it and yeah effectively that like

194

00:09:35,600 --> 00:09:32,820

no I wasn't having a weird little kid

195

00:09:37,400 --> 00:09:35,610

hallucination I like there was something

196

00:09:38,780 --> 00:09:37,410

there and I loved how quick your dad I

197

00:09:40,460 --> 00:09:38,790

think that's just like the dichotomy

198

00:09:41,990 --> 00:09:40,470

between parents and kids where your

199

00:09:47,329 --> 00:09:42,000

dad's just very quick to be like it's a

200

00:09:51,170 --> 00:09:47,339

plane is a plane you're like my 12 years

201
00:09:55,400 --> 00:09:51,180
on this earth and that was no plane 12

202
00:09:57,079 --> 00:09:55,410
years I knew a lot about AVH planes make

203
00:09:59,329 --> 00:09:57,089
a very distinct sound I grew up right by

204
00:10:01,699 --> 00:09:59,339
LaGuardia Airport and so you know like I

205
00:10:03,199 --> 00:10:01,709
know what a plane like sounds and looks

206
00:10:05,240 --> 00:10:03,209
like because they were always flying

207
00:10:07,670 --> 00:10:05,250
over my backyard and if this was super

208
00:10:09,920 --> 00:10:07,680
silent that sounds very much not like a

209
00:10:11,990 --> 00:10:09,930
plane completely so yeah I didn't hear a

210
00:10:14,060 --> 00:10:12,000
thing like I said it was just the water

211
00:10:15,410 --> 00:10:14,070
like hitting the dock that was it and

212
00:10:19,150 --> 00:10:15,420
did you catch any fish

213
00:10:21,590 --> 00:10:19,160

that night I was unsuccessful okay yeah

214

00:10:24,139 --> 00:10:21,600

gotta ask the hard questions here yeah

215

00:10:24,530 --> 00:10:24,149

yeah so did you seek out the x-files or

216

00:10:26,000 --> 00:10:24,540

did you just

217

00:10:28,880 --> 00:10:26,010

kind of seed on TV and then you were

218

00:10:34,250 --> 00:10:28,890

like oh okay is that my alley yeah so

219

00:10:36,770 --> 00:10:34,260

it's kind of a depressing story I first

220

00:10:39,260 --> 00:10:36,780

saw the x-files this was an episode

221

00:10:41,150 --> 00:10:39,270

called quagmire I don't know if you guys

222

00:10:43,340 --> 00:10:41,160

know that one or have seen it but it was

223

00:10:45,230 --> 00:10:43,350

about like a Loch Ness monster creature

224

00:10:48,560 --> 00:10:45,240

a sea monster that they were

225

00:10:50,780 --> 00:10:48,570

investigating and so I was 12

226

00:10:53,420 --> 00:10:50,790

rollerskating was a big thing back then

227

00:10:56,890 --> 00:10:53,430

we would go every Friday to the skating

228

00:11:00,890 --> 00:10:56,900

place in Syracuse New York and cool kids

229

00:11:03,080 --> 00:11:00,900

you know so I my parents went out for

230

00:11:04,820 --> 00:11:03,090

the night and my friend's parents were

231

00:11:06,170 --> 00:11:04,830

gonna come pick me up you know there's a

232

00:11:09,830 --> 00:11:06,180

group of like five of us that would go

233

00:11:11,510 --> 00:11:09,840

every week they forgot me either they

234

00:11:21,020 --> 00:11:11,520

forgot me or they straight-up just

235

00:11:23,630 --> 00:11:21,030

didn't want me to go thank you and my

236

00:11:26,550 --> 00:11:23,640

friends never showed up to get me and I

237

00:11:27,820 --> 00:11:26,560

was just like what am I gonna do now

238

00:11:29,540 --> 00:11:27,830

[Music]

239

00:11:32,420 --> 00:11:29,550

turned the TV on

240

00:11:35,660 --> 00:11:32,430

and you know it was eight o'clock on a

241

00:11:37,610 --> 00:11:35,670

Friday night Hawks and this show came on

242

00:11:42,950 --> 00:11:37,620

that I'd never heard of and that opening

243

00:11:45,680 --> 00:11:42,960

you know and the UFO UFO that weird face

244

00:11:47,420 --> 00:11:45,690

that weird face creepy face night I'm

245

00:11:50,810 --> 00:11:47,430

not a fan of that a face I saw that face

246

00:11:52,940 --> 00:11:50,820

when I was like no yeah yeah so when I

247

00:11:55,250 --> 00:11:52,950

saw the UFO that's when I kind of was

248

00:11:58,160 --> 00:11:55,260

like oh this is I gotta watch this and

249

00:12:00,890 --> 00:11:58,170

it's pretty scary it's been hiding at

250

00:12:05,150 --> 00:12:00,900

the bottom of a lake for centuries

251
00:12:07,610 --> 00:12:05,160
Friday click it's coming to the surface

252
00:12:09,920 --> 00:12:07,620
that was him Scully it's definitely not

253
00:12:13,510 --> 00:12:09,930
safe to go back in the water it looks

254
00:12:19,900 --> 00:12:17,290
and smiles Friday at 9/8 at all I mean

255
00:12:21,880 --> 00:12:19,910
it was about a sea monster but this

256
00:12:25,210 --> 00:12:21,890
thing was like pulling people under the

257
00:12:27,490 --> 00:12:25,220
water beheading people and it was gross

258
00:12:30,490 --> 00:12:27,500
yeah it was unlike anything I'd seen on

259
00:12:33,100 --> 00:12:30,500
TV before I would set I was sucked after

260
00:12:36,670 --> 00:12:33,110
that how did you how did you how did you

261
00:12:38,530 --> 00:12:36,680
see the other episode like the previous

262
00:12:40,810 --> 00:12:38,540
episodes were they in syndication yet or

263
00:12:42,280 --> 00:12:40,820

not at that point not at this point I

264

00:12:44,260 --> 00:12:42,290

was watching week to week just like

265

00:12:47,800 --> 00:12:44,270

everyone else this is obviously before

266

00:12:50,019 --> 00:12:47,810

like location and screaming and all that

267

00:12:53,440 --> 00:12:50,029

so I was kind of living it as it was

268

00:12:55,150 --> 00:12:53,450

happening yeah yeah I was following it

269

00:12:57,220 --> 00:12:55,160

and when that I saw that there was not

270

00:12:58,420 --> 00:12:57,230

only these monster of the week sort of

271

00:13:00,010 --> 00:12:58,430

things where they go out and investigate

272

00:13:02,800 --> 00:13:00,020

a ghost or a monster

273

00:13:06,010 --> 00:13:02,810

there was this overarching story this

274

00:13:09,639 --> 00:13:06,020

mythology of this huge grand alien

275

00:13:12,220 --> 00:13:09,649

conspiracy so what it was so four people

276

00:13:14,889 --> 00:13:12,230

my mother who've never seen the show

277

00:13:16,990 --> 00:13:14,899

yeah how would you describe the x-files

278

00:13:19,480 --> 00:13:17,000

yeah yeah we should probably give a

279

00:13:24,630 --> 00:13:19,490

Cliff Notes version uh so the x-files is

280

00:13:28,000 --> 00:13:24,640

two FBI agents one a firm believer in

281

00:13:30,910 --> 00:13:28,010

the paranormal the unexplained UFOs and

282

00:13:34,660 --> 00:13:30,920

one a super skeptic so we have Dana

283

00:13:38,370 --> 00:13:34,670

Scully who is hired to debunk these

284

00:13:40,750 --> 00:13:38,380

cases known as the x-files agent Mulder

285

00:13:42,430 --> 00:13:40,760

I'm Dana Scully I've been assigned to

286

00:13:45,490 --> 00:13:42,440

work with you oh isn't it nice to be

287

00:13:46,810 --> 00:13:45,500

suddenly so highly regarded so who did

288

00:13:49,300 --> 00:13:46,820

you take off to get stuck with this

289

00:13:51,579 --> 00:13:49,310
details Kelly actually I'm looking

290

00:13:53,050 --> 00:13:51,589
forward to working with you I've heard a

291

00:13:56,170 --> 00:13:53,060
lot about you oh really

292

00:13:59,410 --> 00:13:56,180
I was under the impression that you were

293

00:14:02,199 --> 00:13:59,420
sent to spy on me cases that the FBI

294

00:14:04,780 --> 00:14:02,209
either have never solved or it's just a

295

00:14:08,740 --> 00:14:04,790
little too fringe for them they give

296

00:14:11,949 --> 00:14:08,750
them to agent Fox Mulder who used to be

297

00:14:14,139 --> 00:14:11,959
a profiler for the FBI he he was known

298

00:14:16,090 --> 00:14:14,149
for bringing for arresting one of the

299

00:14:19,120 --> 00:14:16,100
most famous serial killers at the time

300

00:14:22,360 --> 00:14:19,130
but as time went on he got into all this

301
00:14:24,939 --> 00:14:22,370
UFO stuff we find out that as a child

302
00:14:25,750 --> 00:14:24,949
his sister was supposedly abducted by

303
00:14:27,700 --> 00:14:25,760
aliens

304
00:14:30,730 --> 00:14:27,710
it sent him on this lifelong course to

305
00:14:32,230 --> 00:14:30,740
not only find his sister but find out

306
00:14:35,200 --> 00:14:32,240
the truth about aliens

307
00:14:37,090 --> 00:14:35,210
so again Scully is brought in to debunk

308
00:14:40,000 --> 00:14:37,100
all of these cases give a scientific

309
00:14:43,000 --> 00:14:40,010
answer for them and Mulder is there to

310
00:14:44,200 --> 00:14:43,010
say it's aliens it's this it's that so

311
00:14:46,180 --> 00:14:44,210
you have a really interesting dichotomy

312
00:14:48,460 --> 00:14:46,190
between these two main characters and

313
00:14:52,150 --> 00:14:48,470

every week they would investigate a new

314

00:14:55,720 --> 00:14:52,160

X file and they investigate it for nine

315

00:14:58,830 --> 00:14:55,730

ten ten seasons now yeah it's I I

316

00:15:00,970 --> 00:14:58,840

haven't I never watched the show before

317

00:15:02,890 --> 00:15:00,980

knowing that we were going to be doing

318

00:15:05,890 --> 00:15:02,900

this podcast and I saw my first episode

319

00:15:07,540 --> 00:15:05,900

yesterday I saw the pilot the second

320

00:15:09,610 --> 00:15:07,550

episode and then I just watched this

321

00:15:12,730 --> 00:15:09,620

morning another episode that you sent me

322

00:15:14,110 --> 00:15:12,740

though I forget what the title is I can

323

00:15:17,650 --> 00:15:14,120

find it or I could describe to you

324

00:15:23,050 --> 00:15:17,660

you'll know it but that pilot episodes

325

00:15:24,430 --> 00:15:23,060

great holy crud all very noisy oh it

326

00:15:26,350 --> 00:15:24,440

well first of all it's very nineties

327

00:15:29,500 --> 00:15:26,360

because it was the nineties I know uh

328

00:15:33,580 --> 00:15:29,510

Scully's a fashion choices are quite a

329

00:15:37,540 --> 00:15:33,590

bit gorgeous woman shoulder pads she

330

00:15:39,220 --> 00:15:37,550

could clear most doorways actually my

331

00:15:40,480 --> 00:15:39,230

boyfriend max was watching it with me a

332

00:15:43,090 --> 00:15:40,490

little bit while he was like playing on

333

00:15:45,310 --> 00:15:43,100

his phone I was like who wears that

334

00:15:47,050 --> 00:15:45,320

anymore to their job like especially if

335

00:15:48,760 --> 00:15:47,060

you're like going in I guess she had

336

00:15:50,530 --> 00:15:48,770

like a skirt on with heels and stuff

337

00:15:51,850 --> 00:15:50,540

like you're in the field yeah what do

338

00:15:53,470 --> 00:15:51,860

you want some comfortable shoes you're

339

00:15:55,570 --> 00:15:53,480

gonna go chase an alien well maybe he

340

00:15:57,490 --> 00:15:55,580

heard she was like my library and Sheikh

341

00:16:01,390 --> 00:15:57,500

will like maybe keep me undercover

342

00:16:03,820 --> 00:16:01,400

I think it's the second episode where

343

00:16:07,120 --> 00:16:03,830

you see her running like full-speed in

344

00:16:09,730 --> 00:16:07,130

heels and he's I mean do it she can

345

00:16:11,350 --> 00:16:09,740

she's she knows what's up I do love that

346

00:16:12,850 --> 00:16:11,360

pilot though I actually watched the

347

00:16:15,070 --> 00:16:12,860

x-files for the first time a couple of

348

00:16:17,620 --> 00:16:15,080

months ago when it was on Netflix and

349

00:16:19,120 --> 00:16:17,630

it's always I stayed very very far away

350

00:16:21,310 --> 00:16:19,130

from it as a child because I'm a little

351

00:16:23,410 --> 00:16:21,320

scaredy-cat and I thought that it was

352

00:16:24,850 --> 00:16:23,420

very scary and then someone was like you

353

00:16:27,250 --> 00:16:24,860

know it's kind there's a little there's

354

00:16:28,870 --> 00:16:27,260

a few it is a little scary but it's not

355

00:16:30,640 --> 00:16:28,880

like as terrifying as I thought it was

356

00:16:32,440 --> 00:16:30,650

but overall I was very impressed but I

357

00:16:35,830 --> 00:16:32,450

like the setup and the writing I thought

358

00:16:38,130 --> 00:16:35,840

it was a really unique idea I love like

359

00:16:39,340 --> 00:16:38,140

these types of supernatural shows like

360

00:16:42,460 --> 00:16:39,350

supernatural

361

00:16:45,610 --> 00:16:42,470

and it's I just really enjoy like

362

00:16:47,470 --> 00:16:45,620

discovering that mythology and playing

363

00:16:49,780 --> 00:16:47,480

with it in a very like real kind of

364

00:16:52,210 --> 00:16:49,790

modern way and I also like how are the

365

00:16:55,930 --> 00:16:52,220

episodes they never really find out what

366

00:16:57,930 --> 00:16:55,940

happens right as the viewers are granted

367

00:17:00,310 --> 00:16:57,940

this extra view into what's actually

368

00:17:04,060 --> 00:17:00,320

happening but they can never truly

369

00:17:07,090 --> 00:17:04,070

explain it that's a good point it

370

00:17:09,370 --> 00:17:07,100

reminds me a lot of my doogie howser in

371

00:17:11,020 --> 00:17:09,380

the sense that every episode of Doogie

372

00:17:13,510 --> 00:17:11,030

Howser would start with him writing in

373

00:17:16,000 --> 00:17:13,520

his diary and it's like old 8-bit

374

00:17:18,220 --> 00:17:16,010

computer or whatever and for this one

375

00:17:20,829 --> 00:17:18,230

you would have Scully or Mulder

376

00:17:24,490 --> 00:17:20,839

introduced the case and then by the end

377

00:17:26,410 --> 00:17:24,500

like give sort of their I guess their

378

00:17:28,780 --> 00:17:26,420

debriefing of what it was and you're

379

00:17:31,090 --> 00:17:28,790

right they always remained unexplained

380

00:17:33,040 --> 00:17:31,100

it was very rare that they ever solved

381

00:17:35,700 --> 00:17:33,050

the case through science or through

382

00:17:38,440 --> 00:17:35,710

pseudoscience or even through you know

383

00:17:40,510 --> 00:17:38,450

metaphysics or mystical whatever what

384

00:17:42,610 --> 00:17:40,520

have you they just it remained elusive

385

00:17:44,410 --> 00:17:42,620

throughout the whole series and I think

386

00:17:47,020 --> 00:17:44,420

that's kind of what kept it going you

387

00:17:49,120 --> 00:17:47,030

can I guess I mean as like writing a

388

00:17:51,730 --> 00:17:49,130

show from that standpoint you can't

389

00:17:55,230 --> 00:17:51,740

really put a pin in it every episode

390

00:17:57,820 --> 00:17:55,240

because then that takes away from

391

00:18:00,010 --> 00:17:57,830

searching and trying to find out the

392

00:18:01,600 --> 00:18:00,020

truth once you kind of solidify

393

00:18:03,430 --> 00:18:01,610

something does that make sense like if

394

00:18:06,940 --> 00:18:03,440

it doesn't stay mystical and it doesn't

395

00:18:10,840 --> 00:18:06,950

stay elusive then I feel like it's

396

00:18:13,210 --> 00:18:10,850

harder to keep that going you keep each

397

00:18:15,280 --> 00:18:13,220

episode being like what's gonna happen

398

00:18:17,290 --> 00:18:15,290

next are they gonna find out are they

399

00:18:19,990 --> 00:18:17,300

what are they gonna find the pilot

400

00:18:22,060 --> 00:18:20,000

episode the pilot episode I was I was

401

00:18:24,490 --> 00:18:22,070

like aliens are real and Scully

402

00:18:26,530 --> 00:18:24,500

get on it like what the [h__h] and then

403

00:18:29,200 --> 00:18:26,540

the next episode she's like I stole it

404

00:18:31,180 --> 00:18:29,210

all I'm like what the [h__h] you just saw

405

00:18:33,670 --> 00:18:31,190

like all that crazy [h__h] just happened

406

00:18:36,970 --> 00:18:33,680

like do it and then I watched the other

407

00:18:38,560 --> 00:18:36,980

one which is on season four three and

408

00:18:41,530 --> 00:18:38,570

it's like the you said or like a sillier

409

00:18:43,990 --> 00:18:41,540

one where they're like the government is

410

00:18:46,840 --> 00:18:44,000

abducting people that one yeah and I was

411

00:18:49,550 --> 00:18:46,850

like you you're still you still don't

412

00:18:51,560 --> 00:18:49,560

believe we're in like a season four

413

00:18:53,030 --> 00:18:51,570

I think actually kind of going back to

414

00:18:55,370 --> 00:18:53,040

Scully I think it's such an interesting

415

00:18:56,990 --> 00:18:55,380

like character trait she has because I

416

00:18:59,450 --> 00:18:57,000

think it really reflects on humanity as

417

00:19:01,280 --> 00:18:59,460

a whole because as humans we so often

418

00:19:02,960 --> 00:19:01,290

put ourselves in denial not necessarily

419

00:19:04,670 --> 00:19:02,970

about the supernatural but enough things

420

00:19:07,190 --> 00:19:04,680

that we see with our own freaking eyes

421

00:19:09,110 --> 00:19:07,200

because they mess with our worldview or

422

00:19:11,240 --> 00:19:09,120

they mess with what we want to be true

423

00:19:13,520 --> 00:19:11,250

so even though you see it with your play

424

00:19:17,480 --> 00:19:13,530

not like with your eyes like it actually

425

00:19:19,430 --> 00:19:17,490

happened you're like no like she tries

426

00:19:21,200 --> 00:19:19,440

to explain it and sometimes she's just

427

00:19:24,440 --> 00:19:21,210

like I can't explain it but it's not

428

00:19:26,810 --> 00:19:24,450

that yes but it's like he's but Mulder's

429

00:19:28,700 --> 00:19:26,820

making the most sense because I don't

430

00:19:30,050 --> 00:19:28,710

want to believe him is that why you came

431

00:19:32,450 --> 00:19:30,060

down here to prove that it wasn't true

432

00:19:35,570 --> 00:19:32,460

no I came down here because you asked me

433

00:19:37,490 --> 00:19:35,580

to why can't you be honest with me what

434

00:19:39,800 --> 00:19:37,500

do you want me to say that you're right

435

00:19:41,390 --> 00:19:39,810

that that I believe it even if I don't I

436

00:19:44,690 --> 00:19:41,400

mean is that what you want is that what

437

00:19:46,300 --> 00:19:44,700

you think I want to hear no you can

438

00:19:48,530 --> 00:19:46,310

believe what you want to believe Scully

439

00:19:49,730 --> 00:19:48,540

but you can't hide the truth from me

440

00:19:53,120 --> 00:19:49,740

because if you do then you're working

441

00:19:55,160 --> 00:19:53,130

against me and yourself it's interesting

442

00:19:57,830 --> 00:19:55,170

in the beginning when the show first

443

00:19:59,720 --> 00:19:57,840

started it was so in-your-face that

444

00:20:02,030 --> 00:19:59,730

Mulder would experience these things he

445

00:20:05,090 --> 00:20:02,040

would see the UFO he would see a group

446

00:20:07,190 --> 00:20:05,100

of aliens in some abandoned warehouse

447

00:20:10,220 --> 00:20:07,200

and Scully what always come in at the

448

00:20:12,230 --> 00:20:10,230

last second when it did ya know that got

449

00:20:14,540 --> 00:20:12,240

a little ridiculous as the series went

450

00:20:18,860 --> 00:20:14,550

on it was - come on seriously he can't

451
00:20:19,700 --> 00:20:18,870
fall he season she doesn't but as the

452
00:20:22,400 --> 00:20:19,710
show goes on

453
00:20:24,050 --> 00:20:22,410
they gave Scully more agency they give

454
00:20:29,770 --> 00:20:24,060
this character more to work with and New

455
00:20:33,590 --> 00:20:29,780
Balance sneakers so she wouldn't have is

456
00:20:35,870 --> 00:20:33,600
sponsored by balance 90 so it's not the

457
00:20:38,090 --> 00:20:35,880
best time for feminism I would say in

458
00:20:41,060 --> 00:20:38,100
terms of that so constantly making her

459
00:20:43,970 --> 00:20:41,070
the character to have to rescue or it

460
00:20:46,190 --> 00:20:43,980
was clear that not only the writers but

461
00:20:47,840 --> 00:20:46,200
Gillian Anderson was like no this isn't

462
00:20:49,940 --> 00:20:47,850
what I signed up for like you wanted a

463
00:20:52,790 --> 00:20:49,950

strong female character let's do that

464

00:20:54,740 --> 00:20:52,800

let's make her complex complicated so

465

00:20:56,450 --> 00:20:54,750

it's pretty interesting I don't know if

466

00:20:58,460 --> 00:20:56,460

you guys know what happened during the

467

00:21:01,100 --> 00:20:58,470

it was either the first season or the

468

00:21:02,530 --> 00:21:01,110

second season Gillian Anderson got

469

00:21:06,070 --> 00:21:02,540

pregnant and

470

00:21:07,960 --> 00:21:06,080

this this put like a huge roadblock in

471

00:21:09,460 --> 00:21:07,970

the show they weren't sure what to do

472

00:21:12,250 --> 00:21:09,470

she's like well I'm gonna have to leave

473

00:21:14,140 --> 00:21:12,260

for like to have the baby all of this

474

00:21:17,320 --> 00:21:14,150

and they're like the show just became

475

00:21:18,940 --> 00:21:17,330

huge the first season was one of Fox one

476

00:21:21,400 --> 00:21:18,950

of the biggest successes of all time

477

00:21:23,350 --> 00:21:21,410

like oh my god what are we gonna do and

478

00:21:24,910 --> 00:21:23,360

that completely changed the entire

479

00:21:25,840 --> 00:21:24,920

course of the show for the next ten

480

00:21:28,240 --> 00:21:25,850

seasons

481

00:21:32,560 --> 00:21:28,250

oh really yeah they they worked it into

482

00:21:35,110 --> 00:21:32,570

the script and in the second season they

483

00:21:38,290 --> 00:21:35,120

had her get abducted by aliens

484

00:21:40,750 --> 00:21:38,300

oh [h__h] really yeah that's and that's

485

00:21:43,630 --> 00:21:40,760

why she's pregnant is she pregnant with

486

00:21:52,180 --> 00:21:43,640

an alien baby my something else Eddie to

487

00:22:00,400 --> 00:21:54,909

something that I need for you to keep to

488

00:22:03,220 --> 00:22:00,410

yourself I think a hard time explaining

489

00:22:03,230 --> 00:22:18,960

or believe it hum

490

00:22:27,420 --> 00:22:23,690

[Music]

491

00:22:29,850 --> 00:22:27,430

you'd hit the nail at least that's what

492

00:22:36,870 --> 00:22:29,860

the show was alluding to and you sort of

493

00:22:40,170 --> 00:22:36,880

start to learn more as the series goes a

494

00:22:43,590 --> 00:22:40,180

spoiler alert okay okay so many many

495

00:22:46,200 --> 00:22:43,600

seasons later she ends up yeah I mean

496

00:22:48,990 --> 00:22:46,210

not many see that she has the baby on

497

00:22:53,910 --> 00:22:49,000

the series and it turns out to be some

498

00:22:56,520 --> 00:22:53,920

sort of alien human hybrid superpowers

499

00:22:59,340 --> 00:22:56,530

it can move things with its mind this

500

00:23:01,650 --> 00:22:59,350

that this that it got a little crazy as

501
00:23:03,420 --> 00:23:01,660
the series goes on they kept like they

502
00:23:05,940 --> 00:23:03,430
kept the kid there what's she like I

503
00:23:07,230 --> 00:23:05,950
guess this is my kid no no she ends up

504
00:23:09,090 --> 00:23:07,240
giving it up for adoption

505
00:23:11,660 --> 00:23:09,100
and did she tell them like in the

506
00:23:15,180 --> 00:23:11,670
paperwork being like it's an alien

507
00:23:18,510 --> 00:23:15,190
father alien imagine how that would go

508
00:23:22,200 --> 00:23:18,520
over at the adoption agency yeah your

509
00:23:24,120 --> 00:23:22,210
baby has alien DNA did the baby look

510
00:23:26,760 --> 00:23:24,130
like a human and it just like had these

511
00:23:31,140 --> 00:23:26,770
supernatural powers yeah it was totally

512
00:23:33,480 --> 00:23:31,150
human nothing really stood out about it

513
00:23:35,340 --> 00:23:33,490

yeah so she gets abducted yep she comes

514

00:23:37,200 --> 00:23:35,350

back what after a couple episodes and

515

00:23:39,030 --> 00:23:37,210

she's pregnant oh I feel like three

516

00:23:41,640 --> 00:23:39,040

months pregnant six months pregnant is

517

00:23:47,250 --> 00:23:41,650

she see is she showing so in the

518

00:23:50,840 --> 00:23:47,260

television show to the side like in her

519

00:23:56,100 --> 00:23:50,850

rib cage like that's where the baby is

520

00:24:03,150 --> 00:23:56,110

that's a baby she had a hunchback it's

521

00:24:05,430 --> 00:24:03,160

like I think I'm pregnant it up there

522

00:24:07,290 --> 00:24:05,440

yeah what do you do for a lien baby

523

00:24:09,060 --> 00:24:07,300

shower is all the decoration green go in

524

00:24:11,820 --> 00:24:09,070

the door it screen it's great it's all

525

00:24:16,230 --> 00:24:11,830

like dayglo with black lights it's like

526

00:24:17,880 --> 00:24:16,240

a Spencer's gifts seemed baby she you

527

00:24:20,340 --> 00:24:17,890

couldn't have brought a better describe

528

00:24:22,220 --> 00:24:20,350

right yes yes Spencer's gifts like in

529

00:24:25,230 --> 00:24:22,230

the back where the posters are yeah

530

00:24:26,880 --> 00:24:25,240

and the lobsters mushroom posters along

531

00:24:29,280 --> 00:24:26,890

the Lampson there's a neon sign there's

532

00:24:31,050 --> 00:24:29,290

definitely like a stairway to heaven you

533

00:24:33,330 --> 00:24:31,060

know and I mean I I don't know why just

534

00:24:36,420 --> 00:24:33,340

you know goes with the theme you guys

535

00:24:39,210 --> 00:24:36,430

but I'm trying to remember how they sort

536

00:24:43,170 --> 00:24:39,220

of worked it in I knew the kid it was

537

00:24:46,620 --> 00:24:43,180

one of those like almost Virgin Mary

538

00:24:49,440 --> 00:24:46,630

things where she gets abducted and comes

539

00:24:51,510 --> 00:24:49,450

back pregnant so then you've got more

540

00:24:53,310 --> 00:24:51,520

time to work with oh my god what

541

00:24:55,050 --> 00:24:53,320

happened how did I get pregnant I you

542

00:24:56,090 --> 00:24:55,060

know I've never I haven't been with

543

00:24:59,910 --> 00:24:56,100

anyone I'm too busy at work

544

00:25:02,430 --> 00:24:59,920

investigating ghosts and UFOs and having

545

00:25:07,860 --> 00:25:02,440

steamy steamy sexual tension with my

546

00:25:10,650 --> 00:25:07,870

Mike oasis because I was like from the

547

00:25:13,140 --> 00:25:10,660

beginning yeah and you're a shipper I

548

00:25:15,240 --> 00:25:13,150

was definitely a shipper on that yeah I

549

00:25:17,310 --> 00:25:15,250

get on it well don't you know that

550

00:25:19,020 --> 00:25:17,320

proper surveillance requires two pairs

551

00:25:21,480 --> 00:25:19,030

of agents one pair relieving the other

552

00:25:22,380 --> 00:25:21,490

after 12 hours are equal 30 paragraph

553

00:25:24,000 --> 00:25:22,390

eight point seven

554

00:25:26,010 --> 00:25:24,010

this isn't about doing it by the book

555

00:25:26,490 --> 00:25:26,020

this is about you not having slept for

556

00:25:28,500 --> 00:25:26,500

three days

557

00:25:30,120 --> 00:25:28,510

Mulder you're gonna get sloppy and

558

00:25:32,100 --> 00:25:30,130

you're gonna get hurt it's inevitable at

559

00:25:33,660 --> 00:25:32,110

this point a request for other agents to

560

00:25:35,700 --> 00:25:33,670

stake out tools would be denied so then

561

00:25:40,140 --> 00:25:35,710

we have no grounds well then I'll stay

562

00:25:41,480 --> 00:25:40,150

here you go home Fox and I even made my

563

00:25:45,060 --> 00:25:41,490

parents call me Mulder

564

00:25:48,390 --> 00:25:45,070

holder Mulder I wouldn't put myself on

565

00:25:55,220 --> 00:25:48,400

the line for anybody but you if there's

566

00:26:03,570 --> 00:26:01,200

must be fate Mulder root beer oh well

567

00:26:05,490 --> 00:26:03,580

that brings up a good point too now this

568

00:26:08,430 --> 00:26:05,500

was also the time where message boards

569

00:26:11,340 --> 00:26:08,440

were big when the show came so you had

570

00:26:12,990 --> 00:26:11,350

people saying week to week about the

571

00:26:15,150 --> 00:26:13,000

x-files like what are they gonna get

572

00:26:16,470 --> 00:26:15,160

together or you should talk about this

573

00:26:19,289 --> 00:26:16,480

or you should talk about that

574

00:26:22,770 --> 00:26:19,299

and the writers have come forward and

575

00:26:25,140 --> 00:26:22,780

admitted that episodes were made were

576

00:26:27,720 --> 00:26:25,150

created directly from people on the

577

00:26:30,000 --> 00:26:27,730

message boards giving them you know

578

00:26:31,350 --> 00:26:30,010

ideas of what to write about or what

579

00:26:33,299 --> 00:26:31,360

they would like what they didn't like

580

00:26:35,370 --> 00:26:33,309

about the show and it was one of the

581

00:26:37,470 --> 00:26:35,380

first times in I believe television

582

00:26:39,330 --> 00:26:37,480

history where like the internet and

583

00:26:42,360 --> 00:26:39,340

message boards where the fans were truly

584

00:26:44,700 --> 00:26:42,370

a part of the show which was really cool

585

00:26:46,919 --> 00:26:44,710

yeah yeah and that's like a common thing

586

00:26:49,950 --> 00:26:46,929

now where people be like bring the show

587

00:26:51,630 --> 00:26:49,960

back we love it yeah I think actually

588

00:26:52,950 --> 00:26:51,640

we'll just like sidebar than we'll go

589

00:26:54,480 --> 00:26:52,960

right back into the x-files but my

590

00:26:56,280 --> 00:26:54,490

theory about the game of Thrones and

591

00:27:00,870 --> 00:26:56,290

name that just took place is that it was

592

00:27:03,180 --> 00:27:00,880

completely like just hand fan driven

593

00:27:05,220 --> 00:27:03,190

driven like it was all things that fans

594

00:27:06,330 --> 00:27:05,230

wanted to see but yeah yeah which I

595

00:27:08,100 --> 00:27:06,340

don't know it was kind of like I'm games

596

00:27:12,930 --> 00:27:08,110

Game of Thrones like but anyway I

597

00:27:14,700 --> 00:27:12,940

digress a show I've never seen and you

598

00:27:16,950 --> 00:27:14,710

watch it I watched it tried to watch it

599

00:27:19,260 --> 00:27:16,960

a couple years ago and I failed because

600

00:27:22,380 --> 00:27:19,270

and then I tried again with subtitles

601
00:27:24,330 --> 00:27:22,390
and you know what I do subtitles for a

602
00:27:25,950 --> 00:27:24,340
lot of because they're all freaking

603
00:27:27,990 --> 00:27:25,960
mumble and they're British accents and

604
00:27:30,810 --> 00:27:28,000
they all got weird ass names and there's

605
00:27:32,580 --> 00:27:30,820
like a cast of 50 people and so it

606
00:27:34,470 --> 00:27:32,590
actually really helps because I'm be

607
00:27:35,820 --> 00:27:34,480
like this guy has like eight names but

608
00:27:37,260 --> 00:27:35,830
you're calling him by this name and he's

609
00:27:38,810 --> 00:27:37,270
not on screen it's really hard to like

610
00:27:44,270 --> 00:27:38,820
kind of follow those plot points right

611
00:27:48,450 --> 00:27:47,039
that being said it's like what 70 hours

612
00:27:50,640 --> 00:27:48,460
of television you have to dedicate your

613
00:27:52,980 --> 00:27:50,650

life to so I can do it I can do it I

614

00:27:54,810 --> 00:27:52,990

believe in myself yeah take a moment you

615

00:27:57,330 --> 00:27:54,820

know I can do like I was thinking about

616

00:27:59,940 --> 00:27:57,340

it because it is a show that I am

617

00:28:01,110 --> 00:27:59,950

interested in watching and it does seem

618

00:28:03,450 --> 00:28:01,120

like it would be right up my alley I

619

00:28:05,549 --> 00:28:03,460

love all that kind of stuff and I was

620

00:28:07,410 --> 00:28:05,559

like you know what an hour a day you

621

00:28:08,610 --> 00:28:07,420

know the time you get home and

622

00:28:10,110 --> 00:28:08,620

be caught up for next summer and then

623

00:28:11,940 --> 00:28:10,120

you can get wrapped up in all the

624

00:28:14,370 --> 00:28:11,950

nonsense really get into the whole

625

00:28:18,270 --> 00:28:14,380

rigmarole of the whole thing yeah but

626

00:28:20,910 --> 00:28:18,280

I'm back to sexual tension you guys do

627

00:28:21,300 --> 00:28:20,920

they do they don't they do there don't

628

00:28:24,960 --> 00:28:21,310

they

629

00:28:28,110 --> 00:28:24,970

so this is something that was throughout

630

00:28:31,230 --> 00:28:28,120

the entire show where you always thought

631

00:28:34,110 --> 00:28:31,240

they were going to and it's tough it's

632

00:28:36,270 --> 00:28:34,120

tough because they they form such a

633

00:28:38,850 --> 00:28:36,280

strong bond throughout the series having

634

00:28:42,150 --> 00:28:38,860

experienced like the most weird crazy

635

00:28:44,280 --> 00:28:42,160

can I swear on your raise your [h__h] you

636

00:28:45,570 --> 00:28:44,290

can possibly think of life-altering

637

00:28:47,670 --> 00:28:45,580

things together

638

00:28:49,950 --> 00:28:47,680

I can't imagine like a relationship

639

00:28:51,870 --> 00:28:49,960

becoming stronger after having

640

00:28:54,180 --> 00:28:51,880

experienced things like that so I think

641

00:28:57,090 --> 00:28:54,190

a lot of people hoped it wouldn't happen

642

00:28:58,410 --> 00:28:57,100

but then again you see you have certain

643

00:29:01,140 --> 00:28:58,420

episodes of the show where you see how

644

00:29:03,000 --> 00:29:01,150

lonely each character is in their

645

00:29:05,490 --> 00:29:03,010

personal lives outside of the office

646

00:29:07,800 --> 00:29:05,500

outside of what they do and you're like

647

00:29:10,140 --> 00:29:07,810

oh just get together why did they assign

648

00:29:12,960 --> 00:29:10,150

me to you in the first place Mulder to

649

00:29:14,520 --> 00:29:12,970

debunk your work to rein you in to shut

650

00:29:17,040 --> 00:29:14,530

you dead you saved me

651
00:29:18,450 --> 00:29:17,050
as difficult as frustrating as it's been

652
00:29:20,100 --> 00:29:18,460
sometimes your goddamn strict

653
00:29:23,190 --> 00:29:20,110
rationalism and science would save me a

654
00:29:26,130 --> 00:29:23,200
thousand times over you kept me honest

655
00:29:30,800 --> 00:29:26,140
he made me a whole person I owe you

656
00:29:34,140 --> 00:29:30,810
everything you owe me nothing together

657
00:29:36,870 --> 00:29:34,150
you're already like in motels in right

658
00:29:38,670 --> 00:29:36,880
you know the sticks of America right

659
00:29:41,370 --> 00:29:38,680
just get on it yeah you know what I mean

660
00:29:43,590 --> 00:29:41,380
I mean if it was the first episode where

661
00:29:45,410 --> 00:29:43,600
Scully comes in if she's got like these

662
00:29:49,890 --> 00:29:45,420
weird

663
00:29:52,380 --> 00:29:49,900

I was like yeah here it is oh my god

664

00:29:55,350 --> 00:29:52,390

already it's their first case together

665

00:29:57,390 --> 00:29:55,360

yeah and they you know she trusts her

666

00:30:00,360 --> 00:29:57,400

partner enough to be like okay I'm just

667

00:30:02,970 --> 00:30:00,370

gonna lift my shirt up and she's like

668

00:30:04,680 --> 00:30:02,980

she had the robe on it wasn't her and I

669

00:30:07,080 --> 00:30:04,690

was just like good for you this is gonna

670

00:30:09,720 --> 00:30:07,090

happen and then he just like but the

671

00:30:12,960 --> 00:30:09,730

candlelight I was like yeah of course on

672

00:30:14,670 --> 00:30:12,970

the line but they don't they don't they

673

00:30:17,140 --> 00:30:14,680

don't and as I understand they don't get

674

00:30:20,600 --> 00:30:17,150

together throughout the entire

675

00:30:23,090 --> 00:30:20,610

what happens it never does well so I'm

676

00:30:25,670 --> 00:30:23,100

sure you guys know the nine seasons were

677

00:30:28,370 --> 00:30:25,680

kind of like the x-files the official

678

00:30:32,810 --> 00:30:28,380

x-files with two movies interspersed

679

00:30:35,360 --> 00:30:32,820

between and we got a season ten last

680

00:30:40,790 --> 00:30:35,370

year a miniseries we're getting a full

681

00:30:43,640 --> 00:30:40,800

season 11 now in the last season of the

682

00:30:45,410 --> 00:30:43,650

show they do get together they finally

683

00:30:47,690 --> 00:30:45,420

gave the shippers what they wanted and

684

00:30:51,920 --> 00:30:47,700

then you come to find out that the baby

685

00:30:53,930 --> 00:30:51,930

is actually Mulder was abducted at one

686

00:30:59,630 --> 00:30:53,940

point in the series Scully was abducted

687

00:31:02,030 --> 00:30:59,640

this baby is theirs and it kind of just

688

00:31:04,520 --> 00:31:02,040

the original series ends that way with

689

00:31:07,100 --> 00:31:04,530

them on the run from the government

690

00:31:09,230 --> 00:31:07,110

they've exposed this huge conspiracy

691

00:31:11,570 --> 00:31:09,240

that the aliens are working with this

692

00:31:14,450 --> 00:31:11,580

shadowy government I could definitely go

693

00:31:16,130 --> 00:31:14,460

into more specifics of you db2 and the

694

00:31:18,050 --> 00:31:16,140

series ends with them just in bed

695

00:31:21,440 --> 00:31:18,060

holding each other it's an extremely

696

00:31:23,750 --> 00:31:21,450

touching heartwarming and then when this

697

00:31:25,700 --> 00:31:23,760

season 10 came back last year a lot of

698

00:31:29,600 --> 00:31:25,710

years have passed everything's changed

699

00:31:31,550 --> 00:31:29,610

and we see that they their relationship

700

00:31:33,920 --> 00:31:31,560

couldn't stand the test of time and

701
00:31:36,140 --> 00:31:33,930
they're they're separated at this point

702
00:31:42,860 --> 00:31:36,150
so now we're back to square one

703
00:31:46,330 --> 00:31:42,870
where hopefully they'll reconnect how to

704
00:31:49,580 --> 00:31:46,340
go to therapy for sex addiction he did

705
00:31:54,230 --> 00:31:49,590
there's a fun fact about Mulder too he

706
00:31:56,240 --> 00:31:54,240
is David Duchovny or molder matter which

707
00:31:59,390 --> 00:31:56,250
should they're strikingly similar but

708
00:32:02,330 --> 00:31:59,400
Mulder is actually a porn addict no in

709
00:32:05,410 --> 00:32:02,340
the x-files yeah and you get glimpses of

710
00:32:07,490 --> 00:32:05,420
this throughout the series he has like

711
00:32:09,170 --> 00:32:07,500
prostitutes leaving messages on his

712
00:32:14,000 --> 00:32:09,180
answering machine

713
00:32:16,340 --> 00:32:14,010

yep 90s or he has you know a bill comes

714

00:32:17,810 --> 00:32:16,350

in the mail and it's all you know sex

715

00:32:21,499 --> 00:32:17,820

lines or something

716

00:32:23,509 --> 00:32:21,509

which is maybe doing maybe David

717

00:32:25,099 --> 00:32:23,519

Duchovny this is my theory from hearing

718

00:32:28,489 --> 00:32:25,109

those four sentences you just had

719

00:32:32,690 --> 00:32:28,499

research doing method acting it has to

720

00:32:34,940 --> 00:32:32,700

has to meet up with you know some phone

721

00:32:36,799 --> 00:32:34,950

sex line stuff yep as well as like watch

722

00:32:38,719 --> 00:32:36,809

a ton of porn and then it says it's a

723

00:32:40,430 --> 00:32:38,729

spiral II it's it's a it's a downward

724

00:32:43,789 --> 00:32:40,440

spiral from there I feel like every

725

00:32:46,669 --> 00:32:43,799

actor writer has used that expired too

726

00:32:48,200 --> 00:32:46,679

much yeah yeah so let's talk a little

727

00:32:50,719 --> 00:32:48,210

bit about how your lower the x-files

728

00:32:53,419 --> 00:32:50,729

affected your life yeah so like were you

729

00:32:55,729 --> 00:32:53,429

where you did you share this like of the

730

00:32:57,649 --> 00:32:55,739

show with your friends or would it kind

731

00:32:58,789 --> 00:32:57,659

of like separate you from them like how

732

00:33:00,440 --> 00:32:58,799

did it kind of come through in your

733

00:33:07,159 --> 00:33:00,450

daily life I mean you read you wrote a

734

00:33:10,339 --> 00:33:07,169

book about aliens yeah your life - and I

735

00:33:13,239 --> 00:33:10,349

think I'm like people like me or kind of

736

00:33:16,039 --> 00:33:13,249

the closest it comes doing actual like

737

00:33:18,320 --> 00:33:16,049

ufologist they sort of call it which is

738

00:33:20,749 --> 00:33:18,330

an interesting term but between the show

739

00:33:23,210 --> 00:33:20,759

and my personal interest in UFOs and

740

00:33:25,669 --> 00:33:23,220

aliens no I did not share it with many

741

00:33:28,759 --> 00:33:25,679

people for most of my life you know as

742

00:33:31,700 --> 00:33:28,769

an adolescent school took over sports

743

00:33:35,479 --> 00:33:31,710

girls everything you know that a young

744

00:33:37,669 --> 00:33:35,489

person experiences and this this weird

745

00:33:40,639 --> 00:33:37,679

fringe topic was always kind of in the

746

00:33:42,289 --> 00:33:40,649

background I would research it without

747

00:33:44,450 --> 00:33:42,299

anyone knowing I would watch the x-files

748

00:33:47,139 --> 00:33:44,460

and not have anyone to talk about it

749

00:33:49,729 --> 00:33:47,149

with unless I like snuck down onto

750

00:33:54,589 --> 00:33:49,739

America online and got on the message

751

00:33:56,690 --> 00:33:54,599

boards x-files fan the 1996 what was

752

00:34:01,219 --> 00:33:56,700

your what was your what was your screen

753

00:34:03,200 --> 00:34:01,229

name I'm so ready so this is what I

754

00:34:06,289 --> 00:34:03,210

wanted on my license plate if I ever get

755

00:34:10,909 --> 00:34:06,299

a car again it was the letter I mm-hmm

756

00:34:12,440 --> 00:34:10,919

for UFOs nice yeah yeah you're Pro UFO

757

00:34:14,180 --> 00:34:12,450

I'm still waiting I'm just still waiting

758

00:34:15,889 --> 00:34:14,190

for that day to happen and I know

759

00:34:17,690 --> 00:34:15,899

someone probably has it oh yeah yeah

760

00:34:21,049 --> 00:34:17,700

you'll be able to get a vanity plate I'm

761

00:34:22,909 --> 00:34:21,059

sure hopefully so it was like a guilt it

762

00:34:24,619 --> 00:34:22,919

was a real guilty but you didn't really

763

00:34:26,329 --> 00:34:24,629

talk about it did you feel like if you

764

00:34:28,460 --> 00:34:26,339

talked about it you would you'd be

765

00:34:30,079 --> 00:34:28,470

looked at differently there's a big

766

00:34:31,129 --> 00:34:30,089

ridicule factor when it comes to this

767

00:34:34,069 --> 00:34:31,139

you look at anyone

768

00:34:36,139 --> 00:34:34,079

reports in actual UFO sighting or the

769

00:34:39,319 --> 00:34:36,149

way the news media handles it and it's

770

00:34:42,109 --> 00:34:39,329

always with a smirk or a side glance or

771

00:34:45,259 --> 00:34:42,119

they put the x-files music behind it and

772

00:34:47,359 --> 00:34:45,269

that that that bothered me you know as a

773

00:34:50,539 --> 00:34:47,369

kid that you're very persuaded you

774

00:34:51,319 --> 00:34:50,549

didn't want to be different you wanted

775

00:34:53,659 --> 00:34:51,329

to fit in

776

00:34:55,849 --> 00:34:53,669

so that ridicule factor did affect me I

777

00:34:57,769 --> 00:34:55,859

didn't talk about it with anybody for a

778

00:35:01,519 --> 00:34:57,779

really long time I would say not until

779

00:35:03,349 --> 00:35:01,529

college or so when I when I sort of grew

780

00:35:05,150 --> 00:35:03,359

into myself and became comfortable as

781

00:35:07,700 --> 00:35:05,160

when I started shouting it from the

782

00:35:08,589 --> 00:35:07,710

rooftops to be like hey UFOs are pretty

783

00:35:11,779 --> 00:35:08,599

cool

784

00:35:13,609 --> 00:35:11,789

they're super awesome and everyone

785

00:35:15,799 --> 00:35:13,619

should look into it and that's when I

786

00:35:17,809 --> 00:35:15,809

really got heavily into it I started

787

00:35:20,809 --> 00:35:17,819

seeking people out and interviewing them

788

00:35:23,359 --> 00:35:20,819

about having seen a UFO or claimed to

789

00:35:25,370 --> 00:35:23,369

have been abducted by aliens or even

790

00:35:28,309 --> 00:35:25,380

seen a ghost like going into the more

791

00:35:31,789 --> 00:35:28,319

paranormal and supernatural realm and

792

00:35:35,089 --> 00:35:31,799

that that really sparked my my interest

793

00:35:37,519 --> 00:35:35,099

in furthering that I started writing

794

00:35:39,799 --> 00:35:37,529

essays about it or submitting to these

795

00:35:41,599 --> 00:35:39,809

alternative magazines and writing about

796

00:35:43,910 --> 00:35:41,609

it and it kind of snowballed from there

797

00:35:46,940 --> 00:35:43,920

and then that's kind of the culmination

798

00:35:49,460 --> 00:35:46,950

of the book it's hundreds of people who

799

00:35:52,099 --> 00:35:49,470

I've interviewed about having seen UFOs

800

00:35:54,140 --> 00:35:52,109

or claimed alien abduction and I mean

801
00:35:56,480 --> 00:35:54,150
these are everyday people yeah their

802
00:35:59,349 --> 00:35:56,490
teachers their doctors their law

803
00:36:02,809 --> 00:35:59,359
enforcement so these aren't like crazy

804
00:36:04,519 --> 00:36:02,819
backwoods people who were drunk seeing a

805
00:36:06,890 --> 00:36:04,529
light in the sky and saying it was an

806
00:36:08,599 --> 00:36:06,900
alien they these people experienced

807
00:36:11,930 --> 00:36:08,609
something they couldn't explain it was

808
00:36:14,180 --> 00:36:11,940
unidentified and it changed their lives

809
00:36:16,430 --> 00:36:14,190
and that's kind of what I wanted to

810
00:36:18,769 --> 00:36:16,440
encapsulate is how something like this

811
00:36:20,980 --> 00:36:18,779
can affect your life and change your

812
00:36:23,539 --> 00:36:20,990
life and make your entire outlook on

813
00:36:26,089 --> 00:36:23,549

reality or what you thought the world

814

00:36:28,849 --> 00:36:26,099

was how it can make a change yeah what's

815

00:36:30,740 --> 00:36:28,859

one of the most fascinating or eerie

816

00:36:32,029 --> 00:36:30,750

what was the big like out of all the

817

00:36:33,680 --> 00:36:32,039

interviews you've had or if it's one of

818

00:36:36,259 --> 00:36:33,690

your own personal experience what story

819

00:36:39,079 --> 00:36:36,269

like really resonates you and like kind

820

00:36:42,440 --> 00:36:39,089

of revisits your mind okay so there

821

00:36:45,080 --> 00:36:42,450

there's one story in the book where it's

822

00:36:48,740 --> 00:36:45,090

between a mother and her two

823

00:36:52,310 --> 00:36:48,750

this is in Michigan and they lived near

824

00:36:55,520 --> 00:36:52,320

Lake Michigan and they had a sighting of

825

00:36:58,310 --> 00:36:55,530

like a triangular UFO over their home

826
00:37:00,680 --> 00:36:58,320
and what really caught my attention is

827
00:37:03,080 --> 00:37:00,690
when I interviewed each of the women

828
00:37:05,300 --> 00:37:03,090
individually because I always want to

829
00:37:07,820 --> 00:37:05,310
get like a personal story and see how

830
00:37:10,100 --> 00:37:07,830
they correlate it was fascinating

831
00:37:12,430 --> 00:37:10,110
because each of them described what they

832
00:37:14,390 --> 00:37:12,440
saw completely differently like how it

833
00:37:16,400 --> 00:37:14,400
physiologically affected them or

834
00:37:19,070 --> 00:37:16,410
psychologically affected them which I

835
00:37:21,920 --> 00:37:19,080
thought was really cool so the mother

836
00:37:24,350 --> 00:37:21,930
she saw the triangle and she said that

837
00:37:27,910 --> 00:37:24,360
she felt euphoric when she saw it like

838
00:37:30,680 --> 00:37:27,920

it was super calm and peaceful and

839

00:37:34,070 --> 00:37:30,690

completely silent and then I talked to

840

00:37:36,200 --> 00:37:34,080

her daughter and she said no I felt like

841

00:37:38,330 --> 00:37:36,210

threatened I felt like we were about to

842

00:37:40,940 --> 00:37:38,340

get invaded by something and it was

843

00:37:43,040 --> 00:37:40,950

unbearably loud so it was really

844

00:37:45,440 --> 00:37:43,050

interesting to me that these these

845

00:37:47,210 --> 00:37:45,450

people were looking at the same thing

846

00:37:49,970 --> 00:37:47,220

but having completely different

847

00:37:51,560 --> 00:37:49,980

experiences so that one really stuck

848

00:37:53,720 --> 00:37:51,570

with me and I come across that a lot

849

00:37:56,690 --> 00:37:53,730

with individuals who claim to have seen

850

00:37:59,330 --> 00:37:56,700

these things so is so people have are

851
00:38:02,870 --> 00:37:59,340
there other instances where people were

852
00:38:05,599 --> 00:38:02,880
telling you of the same instance but

853
00:38:07,190 --> 00:38:05,609
experiencing it completely different yes

854
00:38:09,830 --> 00:38:07,200
and do you feel like that discredits it

855
00:38:12,800 --> 00:38:09,840
or it's or is it just like that is an

856
00:38:14,810 --> 00:38:12,810
element of coming in close contact with

857
00:38:16,940 --> 00:38:14,820
one of these things I think it is I

858
00:38:19,760 --> 00:38:16,950
think like the subtitle of my book says

859
00:38:22,310 --> 00:38:19,770
it's a very human experience and we

860
00:38:23,930 --> 00:38:22,320
memory is faulty we all experience

861
00:38:25,760 --> 00:38:23,940
things completely different and I think

862
00:38:27,740 --> 00:38:25,770
it has something to do with that

863
00:38:29,720 --> 00:38:27,750

whatever these people are seeing I'm not

864

00:38:32,150 --> 00:38:29,730

saying it's aliens from another planet

865

00:38:34,520 --> 00:38:32,160

it's literally something unconventional

866

00:38:36,650 --> 00:38:34,530

and that they can't explain in that

867

00:38:38,030 --> 00:38:36,660

moment that it it affects each of them

868

00:38:40,400 --> 00:38:38,040

differently I don't think it discredits

869

00:38:42,500 --> 00:38:40,410

them having interviewed hundreds and

870

00:38:45,109 --> 00:38:42,510

hundreds of people I can tell you some

871

00:38:47,540 --> 00:38:45,119

people are just batshit crazy yeah some

872

00:38:49,609 --> 00:38:47,550

people are delusional and some people

873

00:38:51,650 --> 00:38:49,619

make it up they just make it up they

874

00:38:55,099 --> 00:38:51,660

they think it's gonna you know give them

875

00:38:57,819 --> 00:38:55,109

notoriety or something but then there

876

00:39:00,039 --> 00:38:57,829

are those cases which I firmly

877

00:39:03,279 --> 00:39:00,049

believe in the book are those people who

878

00:39:05,469 --> 00:39:03,289

genuinely saw something and experienced

879

00:39:06,999 --> 00:39:05,479

it and it changed a life so what are

880

00:39:08,949 --> 00:39:07,009

what are some ways that you can kind of

881

00:39:10,299 --> 00:39:08,959

like differentiate between those types

882

00:39:12,039 --> 00:39:10,309

of people like the ones that are

883

00:39:13,930 --> 00:39:12,049

delusional are just making stuff up

884

00:39:16,989 --> 00:39:13,940

versus people that have a very genuine

885

00:39:18,489 --> 00:39:16,999

response to your questions I think a lot

886

00:39:21,039 --> 00:39:18,499

of it has to do with following up with

887

00:39:24,910 --> 00:39:21,049

people like someone can tell you a story

888

00:39:26,739 --> 00:39:24,920

and you never talk to him again so what

889

00:39:29,019 --> 00:39:26,749

do I have to go on with that so with a

890

00:39:30,729 --> 00:39:29,029

lot of these people I will go back time

891

00:39:33,160 --> 00:39:30,739

and time again and try to trip them up

892

00:39:35,170 --> 00:39:33,170

try to you know say oh so it happened in

893

00:39:38,109 --> 00:39:35,180

October but it actually happened in

894

00:39:40,809 --> 00:39:38,119

August you know just not trying to

895

00:39:43,269 --> 00:39:40,819

deceive them but just trying to see how

896

00:39:44,829 --> 00:39:43,279

accurate it is how honest they can

897

00:39:48,519 --> 00:39:44,839

actually be with me I mean I'm no

898

00:39:52,690 --> 00:39:48,529

lie-detector by any means I I don't have

899

00:39:55,479 --> 00:39:52,700

any credentials to say like this is what

900

00:39:57,400 --> 00:39:55,489

it was they're telling the truth I go on

901

00:40:00,430 --> 00:39:57,410

gut instinct I think with a lot of these

902

00:40:01,809 --> 00:40:00,440

people and I remember talking to one

903

00:40:05,079 --> 00:40:01,819

woman who claimed to have been abducted

904

00:40:09,370 --> 00:40:05,089

by aliens and I met with her in a diner

905

00:40:11,289 --> 00:40:09,380

with her husband and she was so scared

906

00:40:13,989 --> 00:40:11,299

to like come forward and tell me this

907

00:40:17,229 --> 00:40:13,999

story and she was like gripping her

908

00:40:20,650 --> 00:40:17,239

husband's hands so tight and like

909

00:40:22,660 --> 00:40:20,660

shaking and crying and he's just like

910

00:40:23,589 --> 00:40:22,670

supporting her and saying like you can

911

00:40:27,519 --> 00:40:23,599

do it you can do it

912

00:40:29,589 --> 00:40:27,529

whoa like not only does she believe this

913

00:40:31,779 --> 00:40:29,599

happened to her he believes her and

914

00:40:33,640 --> 00:40:31,789

supports are in it so right there no

915

00:40:36,400 --> 00:40:33,650

matter what happened to her it could

916

00:40:38,289 --> 00:40:36,410

have been anything these people firmly

917

00:40:39,999 --> 00:40:38,299

believe that these things have happened

918

00:40:42,579 --> 00:40:40,009

to them and I'm not gonna take that away

919

00:40:44,319 --> 00:40:42,589

from them I'm gonna take their story I'm

920

00:40:45,459 --> 00:40:44,329

gonna get it out there and let the

921

00:40:48,609 --> 00:40:45,469

public decide

922

00:40:57,400 --> 00:40:48,619

I guess you're like a hybrid of Mulder

923

00:40:59,979 --> 00:40:57,410

and Scully yeah I think you're coming at

924

00:41:01,719 --> 00:40:59,989

it from a very unwisely like reasonable

925

00:41:03,759 --> 00:41:01,729

place but like you're coming from like a

926

00:41:06,519 --> 00:41:03,769

very honest place and you you know

927

00:41:09,339 --> 00:41:06,529

you've had your experience and I think

928

00:41:10,970 --> 00:41:09,349

that opens your eyes to what other

929

00:41:12,800 --> 00:41:10,980

people may have experienced in

930

00:41:14,720 --> 00:41:12,810

and really being empathetic towards

931

00:41:17,330 --> 00:41:14,730

these people I think you know I think

932

00:41:18,890 --> 00:41:17,340

you know but also being like reasonable

933

00:41:20,870 --> 00:41:18,900

about it yeah you know what I mean like

934

00:41:22,580 --> 00:41:20,880

you're really taking it like these are

935

00:41:26,630 --> 00:41:22,590

this is the story these are the facts

936

00:41:29,359 --> 00:41:26,640

who's to say what it was not everybody

937

00:41:31,430 --> 00:41:29,369

was there but this is you know I this

938

00:41:33,620 --> 00:41:31,440

I'm listening to this story and I'm

939

00:41:36,170 --> 00:41:33,630

seeing someone be truly honest with me

940

00:41:40,220 --> 00:41:36,180

or you know seems to be a lot like

941

00:41:41,840 --> 00:41:40,230

Scully I think it's if I'm going to say

942

00:41:44,599 --> 00:41:41,850

that if I'm gonna write a book about

943

00:41:46,780 --> 00:41:44,609

UFOs or even like talk to these people

944

00:41:50,359 --> 00:41:46,790

about it I think you have sort of a

945

00:41:52,130 --> 00:41:50,369

responsibility to to bring only the most

946

00:41:53,630 --> 00:41:52,140

credible things forward and not try to

947

00:41:56,359 --> 00:41:53,640

enable these people who might be

948

00:41:58,970 --> 00:41:56,369

delusional or whatnot so I think you

949

00:42:00,680 --> 00:41:58,980

have your job isn't to prove that it was

950

00:42:03,020 --> 00:42:00,690

alien sir job is to prove that it was

951
00:42:05,480 --> 00:42:03,030
anything but aliens so then when that's

952
00:42:06,680 --> 00:42:05,490
the only answer left that's when you

953
00:42:10,460 --> 00:42:06,690
really have to look at it and be like

954
00:42:12,920 --> 00:42:10,470
what is going on yeah 99% of UFO

955
00:42:15,050 --> 00:42:12,930
sightings can be explained firmly like

956
00:42:17,300 --> 00:42:15,060
in some Prezi a conventional way but

957
00:42:19,490 --> 00:42:17,310
there's always that 1% and that's kind

958
00:42:20,930 --> 00:42:19,500
of what I'm looking at and other people

959
00:42:23,900 --> 00:42:20,940
who are interested are looking at that

960
00:42:26,120 --> 00:42:23,910
1% of these things that just cannot be

961
00:42:30,680 --> 00:42:26,130
explained and continue to perpetuate and

962
00:42:33,560 --> 00:42:30,690
happen that's freaking wild that's wild

963
00:42:36,260 --> 00:42:33,570

what do you think about the future of

964

00:42:38,660 --> 00:42:36,270

x-files I feel like there's movies and

965

00:42:41,390 --> 00:42:38,670

there's other seasons coming out where

966

00:42:44,300 --> 00:42:41,400

do you think that the I guess franchise

967

00:42:46,520 --> 00:42:44,310

is going yes so it's interesting between

968

00:42:48,290 --> 00:42:46,530

the end of season 9 which we believed

969

00:42:50,599 --> 00:42:48,300

was going to be the end of the x-files

970

00:42:52,970 --> 00:42:50,609

it was a completely different America a

971

00:43:00,980 --> 00:42:52,980

different world that we were living in

972

00:43:02,930 --> 00:43:00,990

what year was it was very different from

973

00:43:06,200 --> 00:43:02,940

2016 exactly

974

00:43:08,840 --> 00:43:06,210

and within that series those nine

975

00:43:11,750 --> 00:43:08,850

seasons it was it was this whole grand

976
00:43:14,270 --> 00:43:11,760
conspiracy of aliens that they were

977
00:43:16,190 --> 00:43:14,280
working with this shadow government like

978
00:43:17,599 --> 00:43:16,200
I said to like they were they were going

979
00:43:19,460 --> 00:43:17,609
to come invade earth no matter what

980
00:43:21,500 --> 00:43:19,470
there was no question like look we're

981
00:43:23,510 --> 00:43:21,510
vastly more intelligent than you we're

982
00:43:24,430 --> 00:43:23,520
gonna come here deplete your resources

983
00:43:27,160 --> 00:43:24,440
do it we're gonna

984
00:43:29,800 --> 00:43:27,170
do we will save some of you and that's

985
00:43:31,569 --> 00:43:29,810
this like shadow government so then this

986
00:43:33,640 --> 00:43:31,579
is like the conspiracy that molders

987
00:43:35,680 --> 00:43:33,650
trying to unravel throughout the series

988
00:43:37,960 --> 00:43:35,690

I've learned to pretend over the past

989

00:43:39,609 --> 00:43:37,970

nine years to pretend that my victories

990

00:43:42,460 --> 00:43:39,619

mattered only to realize that no one was

991

00:43:44,319 --> 00:43:42,470

keeping score to realize that Liars do

992

00:43:47,109 --> 00:43:44,329

not fear the truth if there are enough

993

00:43:49,960 --> 00:43:47,119

Liars that the devil is just one man

994

00:43:52,660 --> 00:43:49,970

with a plan but evil true evil is a

995

00:43:56,349 --> 00:43:52,670

collaboration of men which is what we

996

00:43:58,870 --> 00:43:56,359

have here today if I am a guilty man my

997

00:44:01,420 --> 00:43:58,880

crime is in daring to believe that the

998

00:44:08,380 --> 00:44:01,430

truth will out and that no one lie can

999

00:44:10,660 --> 00:44:08,390

live forever I believe it's still much

1000

00:44:11,819 --> 00:44:10,670

as you try to bury it the truth is out

1001
00:44:14,559 --> 00:44:11,829
there

1002
00:44:16,590 --> 00:44:14,569
greater than your lies the truth wants

1003
00:44:21,480 --> 00:44:16,600
to be known

1004
00:44:25,770 --> 00:44:21,490
you will know it it'll come to you as

1005
00:44:28,700 --> 00:44:25,780
it's come to me faster than the speed of

1006
00:44:38,420 --> 00:44:32,060
you may believe yourselves rid of your

1007
00:44:39,740 --> 00:44:38,430
headache now maybe you are but you've

1008
00:44:46,099 --> 00:44:39,750
only done it by cutting off your own

1009
00:44:49,130 --> 00:44:46,109
heads that ended and it didn't happen

1010
00:44:51,650 --> 00:44:49,140
the show ended and this invasion didn't

1011
00:44:54,349 --> 00:44:51,660
occur so then the show comes back almost

1012
00:44:56,450 --> 00:44:54,359
a decade later and like we said it's

1013
00:44:59,480 --> 00:44:56,460

completely different world though so

1014

00:45:01,339 --> 00:44:59,490

they had to kind of explain that when

1015

00:45:03,500 --> 00:45:01,349

they brought the show back like what is

1016

00:45:06,290 --> 00:45:03,510

the world we live in now so what they

1017

00:45:08,150 --> 00:45:06,300

went with is a conspiracy of men that

1018

00:45:10,520 --> 00:45:08,160

aliens were never actually a part of

1019

00:45:14,300 --> 00:45:10,530

this this was all a what they call like

1020

00:45:17,180 --> 00:45:14,310

a false flag operation where we create a

1021

00:45:19,640 --> 00:45:17,190

fake enemy to then do what we want with

1022

00:45:21,530 --> 00:45:19,650

our military with our government to get

1023

00:45:25,640 --> 00:45:21,540

what they want to make sure that the

1024

00:45:27,710 --> 00:45:25,650

people highest up are benefiting from it

1025

00:45:32,329 --> 00:45:27,720

and we'll create an enemy whether it's a

1026

00:45:34,670 --> 00:45:32,339

rival country or a you know a faction of

1027

00:45:36,920 --> 00:45:34,680

America that people don't agree with

1028

00:45:38,180 --> 00:45:36,930

some sort of enemy to make it be like

1029

00:45:41,000 --> 00:45:38,190

look this is what we're gonna put our

1030

00:45:43,130 --> 00:45:41,010

money into now to fight this so in the

1031

00:45:45,890 --> 00:45:43,140

new series it's now a conspiracy of men

1032

00:45:48,530 --> 00:45:45,900

now this whole thing Mulder is trying to

1033

00:45:51,560 --> 00:45:48,540

unravel the government that's created

1034

00:45:55,280 --> 00:45:51,570

this fake alien thing so they're just

1035

00:45:58,010 --> 00:45:55,290

like so so so there's no aliens in this

1036

00:46:00,710 --> 00:45:58,020

now like there wait apparently

1037

00:46:04,250 --> 00:46:00,720

apparently but then there is but there

1038

00:46:06,560 --> 00:46:04,260

isn't see the show never show is never

1039

00:46:09,200 --> 00:46:06,570

clear god goddamn it just leave it where

1040

00:46:11,810 --> 00:46:09,210

it was just leave it idea that there's

1041

00:46:14,620 --> 00:46:11,820

aliens I know it was so said like I did

1042

00:46:17,720 --> 00:46:14,630

to don't make it it was so simple yeah

1043

00:46:19,370 --> 00:46:17,730

[h__\h] I'm sorry I just hate it when

1044

00:46:21,320 --> 00:46:19,380

they dredge up stuff I mean I know

1045

00:46:22,760 --> 00:46:21,330

people were excited for the x-files I'm

1046

00:46:24,140 --> 00:46:22,770

sure you was a die-hard family like very

1047

00:46:25,849 --> 00:46:24,150

excited for you yeah like are you kind

1048

00:46:28,099 --> 00:46:25,859

of disappointed by that just like what

1049

00:46:31,370 --> 00:46:28,109

and almost negates all nine seasons

1050

00:46:33,109 --> 00:46:31,380

oh my god yeah it was it was a huge slap

1051
00:46:36,950 --> 00:46:33,119
in the face to people who followed the

1052
00:46:38,750 --> 00:46:36,960
show for so long ya know in terms of

1053
00:46:40,550 --> 00:46:38,760
where it's heading now you do have to

1054
00:46:42,080 --> 00:46:40,560
wonder if they're still gonna stick with

1055
00:46:44,930 --> 00:46:42,090
that was this

1056
00:46:47,480 --> 00:46:44,940
you know molders believed for so long

1057
00:46:50,210 --> 00:46:47,490
but never gotten that truth that was out

1058
00:46:51,620 --> 00:46:50,220
there he never got it so like is he just

1059
00:46:54,290 --> 00:46:51,630
giving up at this point and say oh

1060
00:46:56,660 --> 00:46:54,300
whatever it's just humans fine maybe

1061
00:46:58,970 --> 00:46:56,670
we'll see a resurgence in that that

1062
00:47:01,910 --> 00:46:58,980
maybe it was aliens and he's gonna start

1063
00:47:08,450 --> 00:47:01,920

to believe again who knows who knows

1064

00:47:09,890 --> 00:47:08,460

where the shows go now I would just go

1065

00:47:12,770 --> 00:47:09,900

back to the pilot and all those like

1066

00:47:14,450 --> 00:47:12,780

teenage kids getting abducted yeah and

1067

00:47:16,490 --> 00:47:14,460

then you're like no it's just the

1068

00:47:20,180 --> 00:47:16,500

government just the government lamp

1069

00:47:22,550 --> 00:47:20,190

sorry that you all died yeah so then

1070

00:47:25,040 --> 00:47:22,560

that so then going back to Scully's and

1071

00:47:28,550 --> 00:47:25,050

like incredibly weird impregnation story

1072

00:47:30,800 --> 00:47:28,560

yeah some we're supposed to believe that

1073

00:47:33,590 --> 00:47:30,810

the government abducted Mulder and then

1074

00:47:38,350 --> 00:47:33,600

abducted Scully and then put their stuff

1075

00:47:43,010 --> 00:47:38,360

together back in Scully and so weird

1076

00:47:47,800 --> 00:47:43,020

this is my biggest question also a

1077

00:47:50,720 --> 00:47:47,810

question about the baby is the big so

1078

00:47:53,510 --> 00:47:50,730

how did the alien DNA again to the baby

1079

00:47:55,910 --> 00:47:53,520

if it's his baby and her baby so not

1080

00:47:57,860 --> 00:47:55,920

just like a normal baby a lot of people

1081

00:47:59,960 --> 00:47:57,870

who've claimed after actual alien

1082

00:48:02,420 --> 00:47:59,970

abductions have claimed that when they

1083

00:48:05,240 --> 00:48:02,430

were taken aboard these craft that the

1084

00:48:08,600 --> 00:48:05,250

women they were experimented on and they

1085

00:48:10,910 --> 00:48:08,610

had eggs taken from them men have said

1086

00:48:13,310 --> 00:48:10,920

that they've had semen semen extracted

1087

00:48:16,330 --> 00:48:13,320

from them and that it was used for this

1088

00:48:20,240 --> 00:48:16,340

hybridization between humans and aliens

1089

00:48:22,490 --> 00:48:20,250

so in the show that's kind of what

1090

00:48:24,770 --> 00:48:22,500

they're going for that they were both

1091

00:48:29,600 --> 00:48:24,780

abducted this baby was made between

1092

00:48:31,880 --> 00:48:29,610

Mulder Scully and some alien DNA as well

1093

00:48:34,580 --> 00:48:31,890

and now you've got this superhuman

1094

00:48:36,590 --> 00:48:34,590

hybridization happening on the planet

1095

00:48:38,570 --> 00:48:36,600

without anyone knowing so they're like

1096

00:48:42,680 --> 00:48:38,580

while they're coming to invade the

1097

00:48:45,470 --> 00:48:42,690

planet they're also creating this hybrid

1098

00:48:46,450 --> 00:48:45,480

alien and human to now take over the

1099

00:48:48,099 --> 00:48:46,460

planet

1100

00:48:50,920 --> 00:48:48,109

that's kind of what I went with yeah

1101

00:48:54,040 --> 00:48:50,930

it's a little out there but the show's

1102

00:48:56,470 --> 00:48:54,050

done much crazier things I just feel

1103

00:48:58,809 --> 00:48:56,480

like I'm picturing an alien at a

1104

00:49:02,380 --> 00:48:58,819

computer on a message board being like

1105

00:49:03,970 --> 00:49:02,390

what if we did this guys let's ship them

1106

00:49:08,440 --> 00:49:03,980

together if they're not gonna do it on

1107

00:49:09,849 --> 00:49:08,450

their own let's make it happen enter and

1108

00:49:11,530 --> 00:49:09,859

they're like let's abduct I mean I'm

1109

00:49:13,930 --> 00:49:11,540

really fascinated by the abduction

1110

00:49:15,520 --> 00:49:13,940

stories because I feel that's

1111

00:49:16,660 --> 00:49:15,530

interesting so they actually the people

1112

00:49:17,920 --> 00:49:16,670

who have claimed they've been abducted

1113

00:49:19,780 --> 00:49:17,930

and you've spoken to them they say that

1114

00:49:22,150 --> 00:49:19,790

they were present for and like aware

1115

00:49:23,920 --> 00:49:22,160

during this experimentation when they're

1116

00:49:27,280 --> 00:49:23,930

returned is it like no time has passed

1117

00:49:29,200 --> 00:49:27,290

like what our who's the time yeah that's

1118

00:49:32,200 --> 00:49:29,210

a big aspect of it it's missing time

1119

00:49:34,390 --> 00:49:32,210

which has been written about a lie even

1120

00:49:37,150 --> 00:49:34,400

people who just see UFOs claimed to have

1121

00:49:40,870 --> 00:49:37,160

a missing time where they just maybe 10

1122

00:49:42,970 --> 00:49:40,880

20 an hour has just passed and they they

1123

00:49:45,130 --> 00:49:42,980

don't know where it went they saw it and

1124

00:49:46,690 --> 00:49:45,140

then they get home and they're like wait

1125

00:49:49,870 --> 00:49:46,700

how does it no way that could have

1126
00:49:53,230 --> 00:49:49,880
happened no in terms of abductions yeah

1127
00:49:57,370 --> 00:49:53,240
people there was a case in the 70s where

1128
00:50:00,430 --> 00:49:57,380
a guy was abducted in front of six other

1129
00:50:02,770 --> 00:50:00,440
witnesses they saw this happen they saw

1130
00:50:05,680 --> 00:50:02,780
a craft come down shoot a beam at this

1131
00:50:07,510 --> 00:50:05,690
dude he gets like you know he's on the

1132
00:50:10,990 --> 00:50:07,520
ground they think he's dead they bolt

1133
00:50:12,730 --> 00:50:11,000
and he's missing so everyone in this

1134
00:50:14,530 --> 00:50:12,740
town assumed that these guys murdered

1135
00:50:16,809 --> 00:50:14,540
this guy and they're covering it up with

1136
00:50:19,059 --> 00:50:16,819
this stupid alien story they take a lie

1137
00:50:21,579 --> 00:50:19,069
lie detector tests claiming to have that

1138
00:50:24,339 --> 00:50:21,589

what they saw is what happened they all

1139

00:50:26,410 --> 00:50:24,349

passed with flying colors and then the

1140

00:50:30,309 --> 00:50:26,420

dude shows up he shows up like on the

1141

00:50:32,650 --> 00:50:30,319

side of a road and he has the same exact

1142

00:50:34,690 --> 00:50:32,660

story as them but doesn't remember what

1143

00:50:37,120 --> 00:50:34,700

happened after he got hit with that beam

1144

00:50:39,400 --> 00:50:37,130

of light he's then put under hypnotic

1145

00:50:42,569 --> 00:50:39,410

regression and this whole alien

1146

00:50:45,910 --> 00:50:42,579

abduction they start settler word yeah

1147

00:50:47,530 --> 00:50:45,920

yeah dang so we have about 10 minutes

1148

00:50:50,890 --> 00:50:47,540

left and I know that you wanted to do

1149

00:50:58,359 --> 00:50:56,240

your time this has never happened on the

1150

00:51:01,849 --> 00:50:58,369

guilty pleasure podcast we're so excited

1151
00:51:04,010 --> 00:51:01,859
so I as well have a podcast called

1152
00:51:06,079 --> 00:51:04,020
somewhere in the skies all about UFOs

1153
00:51:08,240 --> 00:51:06,089
aliens where I bring on researchers who

1154
00:51:10,430 --> 00:51:08,250
look into this stuff scientists

1155
00:51:12,470 --> 00:51:10,440
academics everyone you can think of

1156
00:51:14,059 --> 00:51:12,480
everyone in every walk of life just to

1157
00:51:16,400 --> 00:51:14,069
talk about it what they think about it

1158
00:51:18,620 --> 00:51:16,410
what they believe so I kind of wanted to

1159
00:51:21,140 --> 00:51:18,630
turn the tables on you guys do a little

1160
00:51:24,470 --> 00:51:21,150
interview session would have yeah yeah

1161
00:51:26,329 --> 00:51:24,480
so what do you guys are you guys into

1162
00:51:28,790 --> 00:51:26,339
this at all when you knew that I was

1163
00:51:30,470 --> 00:51:28,800

coming in to talk about not just x-files

1164

00:51:34,160 --> 00:51:30,480

but the fact that I legitimately

1165

00:51:36,500 --> 00:51:34,170

seriously study UFOs I would be a little

1166

00:51:40,099 --> 00:51:36,510

hesitant at first I mean we've known

1167

00:51:43,760 --> 00:51:40,109

each other for a while that I'm not

1168

00:51:46,549 --> 00:51:43,770

actually crazy yeah but what are your

1169

00:51:48,470 --> 00:51:46,559

thoughts on the whole UFO topic you know

1170

00:51:51,200 --> 00:51:48,480

what like honest like I'm thinking of

1171

00:51:53,690 --> 00:51:51,210

this and I was like very cognizant of

1172

00:51:56,059 --> 00:51:53,700

any pre biases that I had in my mind as

1173

00:51:57,589 --> 00:51:56,069

you were talking and I was just like

1174

00:51:59,270 --> 00:51:57,599

like guys you're talking about like

1175

00:52:01,420 --> 00:51:59,280

these eyewitness accounts I'm probably

1176
00:52:04,280 --> 00:52:01,430
like my immediate reaction is to go like

1177
00:52:06,349 --> 00:52:04,290
yeah right but at the same time I've

1178
00:52:08,390 --> 00:52:06,359
never really given it any thought other

1179
00:52:10,490 --> 00:52:08,400
than like it's never really crossed my

1180
00:52:12,890 --> 00:52:10,500
mind like I said I love supernatural

1181
00:52:14,829 --> 00:52:12,900
stuff I've always been more inclined to

1182
00:52:16,930 --> 00:52:14,839
listen to people's like creepy

1183
00:52:18,859 --> 00:52:16,940
experiences like ghost stories

1184
00:52:20,690 --> 00:52:18,869
paranormal stuff I can kind of get a

1185
00:52:23,900 --> 00:52:20,700
little bit more onboard with but to that

1186
00:52:29,990 --> 00:52:23,910
effect I really have no like discernible

1187
00:52:31,490 --> 00:52:30,000
opinion and I don't think you're crazy I

1188
00:52:32,870 --> 00:52:31,500

was like I don't think you're crazy it's

1189

00:52:34,940 --> 00:52:32,880

just it's fascinating because I've never

1190

00:52:38,000 --> 00:52:34,950

I've never spoken with someone who's

1191

00:52:39,829 --> 00:52:38,010

been so open about it so I mean I have

1192

00:52:42,789 --> 00:52:39,839

no opinion I think that's my final

1193

00:52:48,500 --> 00:52:46,069

yeah I guess I I'm I'm on the same page

1194

00:52:51,130 --> 00:52:48,510

as you are Jackie with I've always been

1195

00:52:56,240 --> 00:52:51,140

intrigued by people's experiences

1196

00:53:00,620 --> 00:52:56,250

specifically with like alien UFO or like

1197

00:53:03,500 --> 00:53:00,630

spiritual ghost situations and I I think

1198

00:53:06,410 --> 00:53:03,510

there is I think the way that

1199

00:53:08,540 --> 00:53:06,420

you talk about it is like a really

1200

00:53:10,220 --> 00:53:08,550

healthy way of talking about it like

1201

00:53:12,230 --> 00:53:10,230

just looking at like the facts that

1202

00:53:16,100 --> 00:53:12,240

you're given and I don't want to say

1203

00:53:19,550 --> 00:53:16,110

healthy I found like a dick right now

1204

00:53:23,210 --> 00:53:19,560

but like I just your opinion and I trust

1205

00:53:25,100 --> 00:53:23,220

you as a human so I I think that yeah I

1206

00:53:27,560 --> 00:53:25,110

think that I mean it just it just makes

1207

00:53:29,900 --> 00:53:27,570

it like having I mean the universe is so

1208

00:53:32,120 --> 00:53:29,910

big it's just so big yeah like I don't

1209

00:53:34,160 --> 00:53:32,130

think there's not people out there yeah

1210

00:53:37,520 --> 00:53:34,170

if they're people or if they're not if

1211

00:53:39,830 --> 00:53:37,530

it's like you know critters and ice or

1212

00:53:42,200 --> 00:53:39,840

like whatever I definitely think that

1213

00:53:45,620 --> 00:53:42,210

there are other there's other life

1214

00:53:47,720 --> 00:53:45,630

outside of this this universe of course

1215

00:53:49,670 --> 00:53:47,730

mathematically mathematically I mean

1216

00:53:52,850 --> 00:53:49,680

like carls hey-- good like let's just

1217

00:53:54,560 --> 00:53:52,860

you know what I mean but I and also

1218

00:53:58,550 --> 00:53:54,570

there's a part of me who's like yeah

1219

00:54:01,430 --> 00:53:58,560

yeah yeah yeah like why not I'm under

1220

00:54:03,560 --> 00:54:01,440

the I'm under the under the assumption

1221

00:54:06,170 --> 00:54:03,570

when it comes to this stuff that proved

1222

00:54:08,360 --> 00:54:06,180

to me it's not real I'm totally open to

1223

00:54:10,070 --> 00:54:08,370

it yeah like I've been studying it for

1224

00:54:12,680 --> 00:54:10,080

half my life and I could tell you right

1225

00:54:14,720 --> 00:54:12,690

now I'm still extremely skeptical

1226
00:54:15,410 --> 00:54:14,730
mmm-hmm that any of this has to do with

1227
00:54:17,750 --> 00:54:15,420
aliens

1228
00:54:19,610 --> 00:54:17,760
yeah but proved to me that it's not the

1229
00:54:22,340 --> 00:54:19,620
aliens and I'm totally fine with that

1230
00:54:24,530 --> 00:54:22,350
same with ghosts same with Loch Ness

1231
00:54:27,410 --> 00:54:24,540
monster I definitely think there's some

1232
00:54:29,210 --> 00:54:27,420
like funky like paranormal [h__\h] that

1233
00:54:31,700 --> 00:54:29,220
goes down in our day to day and I think

1234
00:54:33,920 --> 00:54:31,710
that like as humans who are so self

1235
00:54:36,170 --> 00:54:33,930
consumed with our own things we probably

1236
00:54:37,580 --> 00:54:36,180
don't notice it as much I think some

1237
00:54:39,710 --> 00:54:37,590
people maybe are more attune to that

1238
00:54:41,510 --> 00:54:39,720

kind of paranormal than other people are

1239

00:54:44,420 --> 00:54:41,520

yeah but I mean when you think about it

1240

00:54:47,000 --> 00:54:44,430

like it's so interesting when people

1241

00:54:48,740 --> 00:54:47,010

have like these biases about certain

1242

00:54:50,930 --> 00:54:48,750

beliefs that aren't necessarily rooted

1243

00:54:53,300 --> 00:54:50,940

in fact but like I was raised Catholic

1244

00:54:54,980 --> 00:54:53,310

and I'm like I was taught for like quite

1245

00:54:58,520 --> 00:54:54,990

a few years that someone rose from the

1246

00:55:01,310 --> 00:54:58,530

dead so yeah and like saved your soul

1247

00:55:04,300 --> 00:55:01,320

and saved my died for my sins although I

1248

00:55:06,650 --> 00:55:04,310

wasn't even thought I was a bleep

1249

00:55:09,260 --> 00:55:06,660

thousands of years thousands of years in

1250

00:55:11,300 --> 00:55:09,270

the future and then came back was like

1251

00:55:13,310 --> 00:55:11,310

you know I know you guys killed me but I

1252

00:55:14,140 --> 00:55:13,320

think let's give us a second charge yeah

1253

00:55:15,849 --> 00:55:14,150

and let's give it

1254

00:55:17,440 --> 00:55:15,859

let's give this a second coat it's like

1255

00:55:20,380 --> 00:55:17,450

breaking up with like it's like just

1256

00:55:22,120 --> 00:55:20,390

broke up with an abusive spouse and then

1257

00:55:26,740 --> 00:55:22,130

three days later was like one more

1258

00:55:28,569 --> 00:55:26,750

chance 40 40 more days you got 40 days

1259

00:55:30,069 --> 00:55:28,579

and then his dad came and was like we're

1260

00:55:35,470 --> 00:55:30,079

packing up your [h__h] and I'm taking you

1261

00:55:37,690 --> 00:55:35,480

back home well I guess my second

1262

00:55:39,640 --> 00:55:37,700

question for you guys would be then the

1263

00:55:41,890 --> 00:55:39,650

x-files deals a lot with conspiracy

1264

00:55:45,640 --> 00:55:41,900

are there any conspiracies that you guys

1265

00:55:57,160 --> 00:55:45,650

really buy into you're like Oh totally

1266

00:55:59,740 --> 00:55:57,170

you know conspiracy theories you know

1267

00:56:01,990 --> 00:55:59,750

what I'll say this very confidently I've

1268

00:56:04,420 --> 00:56:02,000

gotten a lot more involved in government

1269

00:56:08,230 --> 00:56:04,430

in the last year for obvious reasons I

1270

00:56:11,019 --> 00:56:08,240

if I think that the people who are in

1271

00:56:14,289 --> 00:56:11,029

charge of my life and my country are

1272

00:56:15,730 --> 00:56:14,299

secretly doing some shady ash and they

1273

00:56:17,950 --> 00:56:15,740

are doing shady [h__\h] I know there's

1274

00:56:19,510 --> 00:56:17,960

people there doing shady [h__\h] but if I

1275

00:56:21,579 --> 00:56:19,520

think that there's like these grand

1276

00:56:28,420 --> 00:56:21,589

conspiracy theories like I don't think I

1277

00:56:30,039 --> 00:56:28,430

could I can't deal with it like I think

1278

00:56:32,289 --> 00:56:30,049

people that are really involved in

1279

00:56:34,150 --> 00:56:32,299

conspiracy theories and if someone out

1280

00:56:36,130 --> 00:56:34,160

there listening is you know let us know

1281

00:56:38,410 --> 00:56:36,140

about it like I'd love to hear it below

1282

00:56:44,049 --> 00:56:38,420

yeah that's you that's fine I personally

1283

00:56:46,630 --> 00:56:44,059

cannot take that on yes there's a bunch

1284

00:56:50,740 --> 00:56:46,640

of there's like all sorts of theories I

1285

00:56:53,380 --> 00:56:50,750

feel like there's I'm I like JFK like

1286

00:56:55,510 --> 00:56:53,390

that to me I'm like there is some crazy

1287

00:56:57,279 --> 00:56:55,520

there that's not it yeah like that

1288

00:56:59,920 --> 00:56:57,289

wasn't it like that's something there's

1289

00:57:01,839 --> 00:56:59,930

something else and it for whatever

1290

00:57:03,700 --> 00:57:01,849

reason I actually I think it was my

1291

00:57:05,289 --> 00:57:03,710

mother who's like she said this one

1292

00:57:08,109 --> 00:57:05,299

looks like oh girl get it

1293

00:57:10,180 --> 00:57:08,119

she is like I don't think Marilyn Monroe

1294

00:57:11,650 --> 00:57:10,190

had a drug overdose or anything like

1295

00:57:14,650 --> 00:57:11,660

that she's like I think she knew too

1296

00:57:16,900 --> 00:57:14,660

much and they killed her like that's

1297

00:57:19,599 --> 00:57:16,910

interesting she's like there's she was

1298

00:57:24,400 --> 00:57:19,609

like I think that yeah she knew too much

1299

00:57:26,710 --> 00:57:24,410

and then well she actually she was one

1300

00:57:30,520 --> 00:57:26,720

of the proponents to get

1301

00:57:34,060 --> 00:57:30,530

the truth about UFOs to the public and

1302

00:57:36,610 --> 00:57:34,070

was trying to get JFK to do this when he

1303

00:57:38,950 --> 00:57:36,620

was in office to bring the truth Ford

1304

00:57:41,080 --> 00:57:38,960

about whatever we knew at that time the

1305

00:57:43,540 --> 00:57:41,090

government was officially investigating

1306

00:57:46,810 --> 00:57:43,550

UFOs it's called Project Blue Book and

1307

00:57:50,290 --> 00:57:46,820

then when it came for that she was gonna

1308

00:57:52,870 --> 00:57:50,300

you know dude that use her plot use her

1309

00:57:56,380 --> 00:57:52,880

platform to like bring forth UFO

1310

00:58:01,930 --> 00:57:56,390

disclosure yeah she died before JFK

1311

00:58:05,710 --> 00:58:01,940

right yeah gosh American history I don't

1312

00:58:08,020 --> 00:58:05,720

know yeah maybe yeah that's just what my

1313

00:58:10,960 --> 00:58:08,030

mom said once and I was or she's still

1314

00:58:13,630 --> 00:58:10,970

alive or she's still alive just like it

1315

00:58:16,450 --> 00:58:13,640

with Tupac is this yeah I Walt Disney's

1316

00:58:19,210 --> 00:58:16,460

frozen somewhere yeah for sure yet I

1317

00:58:22,030 --> 00:58:19,220

think there are conspiracy theories you

1318

00:58:23,260 --> 00:58:22,040

know I I don't I don't really follow it

1319

00:58:25,180 --> 00:58:23,270

yeah you know what I mean

1320

00:58:27,940 --> 00:58:25,190

well it's a slippery slope like you said

1321

00:58:30,910 --> 00:58:27,950

like it's a lot to take on it can run

1322

00:58:33,730 --> 00:58:30,920

your life and make you miserable like

1323

00:58:36,010 --> 00:58:33,740

you wouldn't trust anyone yeah yeah I

1324

00:58:38,020 --> 00:58:36,020

would get too paranoid eeh I do have

1325

00:58:40,480 --> 00:58:38,030

faith in my government that at the core

1326

00:58:43,780 --> 00:58:40,490

they want the best for the public but

1327

00:58:46,900 --> 00:58:43,790

they will do some stuff to make sure

1328

00:58:49,150 --> 00:58:46,910

again that the status quo remains status

1329

00:58:50,620 --> 00:58:49,160

quo that the people making the money are

1330

00:58:54,370 --> 00:58:50,630

making the money and that things

1331

00:58:57,550 --> 00:58:54,380

continue to go in to their benefit

1332

00:58:59,140 --> 00:58:57,560

exactly so like I could never if someone

1333

00:59:00,820 --> 00:58:59,150

was trying to argue with me that like

1334

00:59:02,530 --> 00:59:00,830

vaccines were caused by the government

1335

00:59:04,810 --> 00:59:02,540

to call it like I am like no like I

1336

00:59:05,650 --> 00:59:04,820

can't like no I cannot easily I can't

1337

00:59:09,220 --> 00:59:05,660

even with that

1338

00:59:11,440 --> 00:59:09,230

I can't even doubt that like I can't but

1339

00:59:13,690 --> 00:59:11,450

yeah it's it's crazy like there's only

1340

00:59:17,020 --> 00:59:13,700

as a person like you can really truly

1341

00:59:18,910 --> 00:59:17,030

only control like how you react to

1342

00:59:21,280 --> 00:59:18,920

things and you can only really construct

1343

00:59:22,780 --> 00:59:21,290

your own life so to think about things

1344

00:59:25,960 --> 00:59:22,790

that are completely out of your control

1345

00:59:27,520 --> 00:59:25,970

are very is maybe not the best use of

1346

00:59:29,200 --> 00:59:27,530

your time yeah and I think that's the

1347

00:59:31,810 --> 00:59:29,210

biggest fear with a lot of people who

1348

00:59:33,910 --> 00:59:31,820

don't believe in aliens or UFOs it's

1349

00:59:36,700 --> 00:59:33,920

completely out of their control it's

1350

00:59:37,580 --> 00:59:36,710

also discredit so many things that like

1351

00:59:40,160 --> 00:59:37,590

you

1352

00:59:44,000 --> 00:59:40,170

come to find comfort and like religion

1353

00:59:45,770 --> 00:59:44,010

or yeah us being by ourselves and also

1354

00:59:47,780 --> 00:59:45,780

like all of a sudden we're not the

1355

00:59:49,490 --> 00:59:47,790

smartest yeah and we're not the top of

1356

00:59:50,060 --> 00:59:49,500

the food chain anymore everything would

1357

00:59:52,190 --> 00:59:50,070

change

1358

00:59:54,770 --> 00:59:52,200

yeah we're told there is an alien

1359

00:59:56,720 --> 00:59:54,780

presence coming to our planet or has

1360

00:59:59,210 --> 00:59:56,730

been here yeah then the government's

1361

01:00:01,520 --> 00:59:59,220

been lying to us for 50 60 years

1362

01:00:03,230 --> 01:00:01,530

yeah then what do you do you know like

1363

01:00:05,780 --> 01:00:03,240

you said religion would change the

1364

01:00:08,240 --> 01:00:05,790

economy would change the military would

1365

01:00:11,300 --> 01:00:08,250

change everything would be impacted yeah

1366

01:00:13,250 --> 01:00:11,310

I think this big profound question that

1367

01:00:15,860 --> 01:00:13,260

so many people are interested in but are

1368

01:00:18,350 --> 01:00:15,870

too afraid to ask yeah so I'm gonna keep

1369

01:00:22,940 --> 01:00:18,360

asking and keep getting scared shitless

1370

01:00:24,920 --> 01:00:22,950

I come closer to an answer I think thank

1371

01:00:27,230 --> 01:00:24,930

you thank you that was great I really

1372

01:00:30,140 --> 01:00:27,240

enjoyed this chat any other questions or

1373

01:00:31,610 --> 01:00:30,150

no so you have a podcast called

1374

01:00:33,260 --> 01:00:31,620

somewhere in the skies you also have a

1375

01:00:35,300 --> 01:00:33,270

book that now Amanda and I are the proud

1376

01:00:37,250 --> 01:00:35,310

owners of is there anything else that

1377

01:00:39,710 --> 01:00:37,260

you want to plug no that's it the

1378

01:00:41,780 --> 01:00:39,720

podcast is every week you can find it at
