somewhere in the sky's the Branzburg

22

00:01:29,190 --> 00:01:26,730

welcome to somewhere in the skies I'm

23

00:01:32,070 --> 00:01:29,200

your host Ryan Sprague there are many

24

00:01:34,410 --> 00:01:32,080

accounts of alien abduction that have

25

00:01:37,410 --> 00:01:34,420

littered the tabloids big and small

26

00:01:40,440 --> 00:01:37,420

screens and hundreds of books for

27

00:01:42,810 --> 00:01:40,450

decades now some appear to be completely

28

00:01:45,600 --> 00:01:42,820

fabricated or just couldn't stand the

29

00:01:47,419 --> 00:01:45,610

test of scientific or psychological

30

00:01:50,639 --> 00:01:47,429

rigor but there are those rare cases

31

00:01:54,270 --> 00:01:50,649

that truly leave even the most skeptical

32

00:01:56,070 --> 00:01:54,280

of minds utterly baffled today I cover

33

00:01:58,710 --> 00:01:56,080

an abduction case that has stood the

34

00:02:01,109 --> 00:01:58,720

test of time and remains one of the most

35

00:02:03,840 --> 00:02:01,119

interesting and credible accounts to

36

00:02:07,320 --> 00:02:03,850

date this is the incredible story of

37

00:02:10,160 --> 00:02:07,330

Betty andresen and the Andreasen affair

38

00:02:12,080 --> 00:02:10,170

in the city of South Ashe Burnham

39

00:02:15,660 --> 00:02:12,090

Massachusetts on the night of January

40

00:02:19,559 --> 00:02:15,670

25th 1967 one of the most celebrated

41

00:02:21,840 --> 00:02:19,569

cases of UFO abduction began Betty

42

00:02:24,420 --> 00:02:21,850

Andresen was working in her kitchen

43

00:02:26,970 --> 00:02:24,430

while her seven children mother and

44

00:02:29,520 --> 00:02:26,980

father were in the living room shortly

45

00:02:32,789 --> 00:02:29,530

after 6:30 p.m. the lights in the house

46

00:02:35,099 --> 00:02:32,799

briefly blinked immediately thereafter a

47

00:02:37,710 --> 00:02:35,109

reddish light began to being through the

48

00:02:40,199 --> 00:02:37,720

kitchen window the sudden darkness in

49

00:02:43,289 --> 00:02:40,209

the house set the kids nerves on edge

50

00:02:45,120 --> 00:02:43,299

and Betty ran to comfort them her father

51
00:02:47,490 --> 00:02:45,130
ran into the kitchen to peer out the

52
00:02:51,210 --> 00:02:47,500
window and find the source of the

53
00:02:54,000 --> 00:02:51,220
unusual light to his utter shock he saw

54
00:02:57,000 --> 00:02:54,010
five odd looking beings coming towards

55
00:02:59,370 --> 00:02:57,010
the house with a hopping motion before

56
00:03:01,800 --> 00:02:59,380
he could regained his composure he saw

57
00:03:04,229 --> 00:03:01,810
the beans walk right through the wooden

58
00:03:06,569 --> 00:03:04,239
door what happened next

59
00:03:09,420 --> 00:03:06,579
would test the imagination and strength

60
00:03:12,900 --> 00:03:09,430
of even an open-minded adventurous

61
00:03:16,039 --> 00:03:12,910
person the entire family was suddenly

62
00:03:18,660 --> 00:03:16,049
put into a state of suspended animation

63
00:03:21,030 --> 00:03:18,670

one of the creatures went to Betty's

64

00:03:23,380 --> 00:03:21,040

father while one of the other four began

65

00:03:25,830 --> 00:03:23,390

to make telepathic communication

66

00:03:28,630 --> 00:03:25,840

with Betty he was about five feet tall

67

00:03:31,240 --> 00:03:28,640

the other four appeared to be around a

68

00:03:33,850 --> 00:03:31,250

foot shorter all of the beings had a

69

00:03:37,000 --> 00:03:33,860

pear-shaped head with wide eyes and

70

00:03:39,700 --> 00:03:37,010

small ears and noses their mouths were

71

00:03:41,530 --> 00:03:39,710

only slits and never moved though they

72

00:03:44,740 --> 00:03:41,540

were able to communicate through their

73

00:03:47,620 --> 00:03:44,750

minds the beings were a type of coverall

74

00:03:50,110 --> 00:03:47,630

blue in color with a wide belt there

75

00:03:52,930 --> 00:03:50,120

also was a logo of a bird on their

76

00:03:55,600 --> 00:03:52,940

sleeves the hands had only three fingers

77

00:03:59,140 --> 00:03:55,610

and they were boots the creatures did

78

00:03:59,530 --> 00:03:59,150

not move as a human but floated as they

79

00:04:02,590 --> 00:03:59,540

went

80

00:04:05,020 --> 00:04:02,600

Betty would later recall though she was

81

00:04:08,650 --> 00:04:05,030

frightened that she felt a sense of calm

82

00:04:10,479 --> 00:04:08,660

even friendship towards the beings the

83

00:04:13,300 --> 00:04:10,489

creatures were holding Betty's children

84

00:04:15,580 --> 00:04:13,310

in a frozen state of consciousness but

85

00:04:17,680 --> 00:04:15,590

when Betty showed concern for them they

86

00:04:20,020 --> 00:04:17,690

released her eleven-year-old daughter to

87

00:04:22,030 --> 00:04:20,030

assure her that the children were not

88

00:04:24,520 --> 00:04:22,040

being harmed Betty was taken by the

89

00:04:27,010 --> 00:04:24,530

creatures outside to a waiting craft

90

00:04:29,890 --> 00:04:27,020

which rested on the side of a sloping

91

00:04:32,770 --> 00:04:29,900

backyard the craft was estimated to be

92

00:04:35,710 --> 00:04:32,780

about 20 feet in diameter in the classic

93

00:04:37,780 --> 00:04:35,720

UFO shape of a saucer Betty believes

94

00:04:40,150 --> 00:04:37,790

that after she was aboard the craft it

95

00:04:43,659 --> 00:04:40,160

joined a mothership where she underwent

96

00:04:45,790 --> 00:04:43,669

a physical examination and also was

97

00:04:48,670 --> 00:04:45,800

subjected to the effects of strange

98

00:04:51,190 --> 00:04:48,680

equipment after this she was given a

99

00:04:54,190 --> 00:04:51,200

type of bizarre test which caused her

100

00:04:57,130 --> 00:04:54,200

pain at first but resulted in a kind of

101
00:04:59,350 --> 00:04:57,140
religious experience here's an actual

102
00:05:01,690 --> 00:04:59,360
sound clip of Betty during an interview

103
00:05:09,130 --> 00:05:01,700
stating what happened during the

104
00:05:10,600 --> 00:05:09,140
examination took me back to the cubicle

105
00:05:13,030 --> 00:05:10,610
where they told me to change into my

106
00:05:16,810 --> 00:05:13,040
regular clothes and from there I was

107
00:05:25,950 --> 00:05:16,820
escorted into this room that appeared

108
00:05:31,110 --> 00:05:29,040
one of the chairs to the right and this

109
00:05:33,150 --> 00:05:31,120
wood glass like hood came down I could

110
00:05:35,850 --> 00:05:33,160
hear it click around me and then I felt

111
00:05:38,460 --> 00:05:35,860
very cold as if I was freezing and it

112
00:05:42,210 --> 00:05:38,470
seemed as if I was there for a very long

113
00:05:44,580 --> 00:05:42,220

time and from there I was taken and put

114

00:05:46,980 --> 00:05:44,590

into another chair to the left and again

115

00:05:48,390 --> 00:05:46,990

this glass like wood came down and

116

00:05:51,450 --> 00:05:48,400

sealed around me and I couldn't get a

117

00:05:53,460 --> 00:05:51,460

snap and they also put some tubes in my

118

00:05:55,560 --> 00:05:53,470

nose and I could hear it as they put

119

00:05:59,730 --> 00:05:55,570

them into the glass I could hear it seal

120

00:06:01,430 --> 00:05:59,740

like and also a two-up of my mouth and

121

00:06:05,360 --> 00:06:01,440

they told me to keep my eyes closed and

122

00:06:08,430 --> 00:06:05,370

it gave me this reddish color liquid

123

00:06:10,650 --> 00:06:08,440

cake and it tasted very sweet I felt

124

00:06:14,400 --> 00:06:10,660

very relaxed from it and meanwhile this

125

00:06:16,140 --> 00:06:14,410

gray liquid fell down you know was

126
00:06:19,530 --> 00:06:16,150
falling on my head and it was filling up

127
00:06:21,960 --> 00:06:19,540
in the bottom of the chair and when it

128
00:06:26,490 --> 00:06:21,970
was filled it vibrated like a whirlpool

129
00:06:28,530 --> 00:06:26,500
right about me and from there they

130
00:06:32,700 --> 00:06:28,540
drained that out the breathing tubes out

131
00:06:34,380 --> 00:06:32,710
and set me on this track where lunding

132
00:06:35,760 --> 00:06:34,390
was in front of me and one being was in

133
00:06:38,940 --> 00:06:35,770
back of me and at this point they had

134
00:06:43,470 --> 00:06:38,950
their different uniform it was a sort of

135
00:06:46,530 --> 00:06:43,480
a shiny aluminum type uniform and they

136
00:06:48,750 --> 00:06:46,540
put two black hoods on their head and we

137
00:06:51,330 --> 00:06:48,760
went out of this room into a very dark

138
00:06:52,980 --> 00:06:51,340

black tunnel it seemed as if it was

139

00:06:54,510 --> 00:06:52,990

chipped out of stone and there were

140

00:06:57,300 --> 00:06:54,520

other entrances I could tell because

141

00:07:00,030 --> 00:06:57,310

their uniform sent off like a bright

142

00:07:12,430 --> 00:07:00,040

light and I could see like darker holes

143

00:07:12,440 --> 00:07:17,619

[Music]

144

00:07:22,159 --> 00:07:20,179

approximately four hours later she was

145

00:07:24,920 --> 00:07:22,169

returned to her home by two of the

146

00:07:27,200 --> 00:07:24,930

captors when she arrived her entire

147

00:07:30,170 --> 00:07:27,210

family was still in a state of suspended

148

00:07:32,899 --> 00:07:30,180

animation one of the creatures had

149

00:07:35,809 --> 00:07:32,909

stayed in her house evidently to watch

150

00:07:37,820 --> 00:07:35,819

the other family members after releasing

151
00:07:40,760 --> 00:07:37,830
the family from the trance-like State

152
00:07:43,610 --> 00:07:40,770
the creatures left Betty would later

153
00:07:45,800 --> 00:07:43,620
state that the aliens had hypnotized her

154
00:07:48,170 --> 00:07:45,810
to not recall any of her experience

155
00:07:51,230 --> 00:07:48,180
until a designated time to be determined

156
00:07:53,149 --> 00:07:51,240
later she was able to recall only

157
00:07:55,249 --> 00:07:53,159
certain things at a time of her

158
00:07:57,559 --> 00:07:55,259
experience the red light through the

159
00:08:00,050 --> 00:07:57,569
kitchen window and the beings entering

160
00:08:02,959 --> 00:08:00,060
the house being two of them but before

161
00:08:05,959 --> 00:08:02,969
this bizarre happening but he had little

162
00:08:08,779 --> 00:08:05,969
or no knowledge of UFO folklore and

163
00:08:11,570 --> 00:08:08,789

being a devoted Christian she believed

164

00:08:12,320 --> 00:08:11,580

that the abduction had had a religious

165

00:08:14,719 --> 00:08:12,330

meaning

166

00:08:17,260 --> 00:08:14,729

it wouldn't be later until she began to

167

00:08:20,990 --> 00:08:17,270

view the abduction as alien in nature

168

00:08:23,689 --> 00:08:21,000

eight years later Benny answered an ad

169

00:08:26,180 --> 00:08:23,699

from dr. J Allen Hynek who was

170

00:08:28,339 --> 00:08:26,190

soliciting abduction experiences from

171

00:08:30,680 --> 00:08:28,349

the general public her letter was

172

00:08:33,909 --> 00:08:30,690

dismissed at the time because of its

173

00:08:37,670 --> 00:08:33,919

unusual details and it would be January

174

00:08:40,250 --> 00:08:37,680

1977 when her story would finally be

175

00:08:42,560 --> 00:08:40,260

fully investigated the investigative

176
00:08:45,009 --> 00:08:42,570
team assigned to the Andraesen case

177
00:08:47,689 --> 00:08:45,019
included a solar physicist an

178
00:08:49,970 --> 00:08:47,699
electronics engineer in aerospace

179
00:08:53,210 --> 00:08:49,980
engineer a telecommunications

180
00:08:55,130 --> 00:08:53,220
specialists and a UFO investigator the

181
00:08:57,829 --> 00:08:55,140
service of hypnotist and a medical

182
00:08:58,370 --> 00:08:57,839
doctor trained in psychiatry were also

183
00:09:01,210 --> 00:08:58,380
used

184
00:09:03,259 --> 00:09:01,220
Betty's case involved 12 months of

185
00:09:04,939 --> 00:09:03,269
investigation but he was given a

186
00:09:08,030 --> 00:09:04,949
character reference check to

187

lie-detector tests a psychiatric review

188
00:09:14,420 --> 00:09:11,459

and in excruciating 14 sessions of

189

00:09:17,120 --> 00:09:14,430

regressive hypnosis small sound bytes of

190

00:09:17,930 --> 00:09:17,130

the hypnosis sessions have been released

191

00:09:20,380 --> 00:09:17,940

to the public

192

00:09:22,690 --> 00:09:20,390

here is a small portion of

193

00:09:24,860 --> 00:09:22,700

them no I must warn you this may be a

194

00:09:30,950 --> 00:09:24,870

little disturbing

195

00:09:53,120 --> 00:09:40,060

[Music]

196

00:10:07,320 --> 00:10:05,550

like it pulling something that needle

197

00:10:24,440 --> 00:10:07,330

again with the tools like on the end

198

00:10:24,450 --> 00:10:29,450

[Music]

199

00:10:34,020 --> 00:10:32,610

the results of the Andreasen abduction

200

00:10:36,420 --> 00:10:34,030

case were startling

201
00:10:38,460 --> 00:10:36,430
Betty along with their daughter we lived

202
00:10:41,730 --> 00:10:38,470
a detailed account of their experience

203
00:10:43,950 --> 00:10:41,740
agreeing on all the basic aspects these

204
00:10:46,050 --> 00:10:43,960
results were eventually published in

205
00:10:49,200 --> 00:10:46,060
book form by renowned author and

206
00:10:52,680 --> 00:10:49,210
investigator Raymond Fowler Fowler

207
00:10:54,330 --> 00:10:52,690
joined the US Air Force in 1952 attended

208
00:10:56,610 --> 00:10:54,340
a special school for electronic

209
00:10:59,820 --> 00:10:56,620
espionage after which he was assigned to

210
00:11:03,060 --> 00:10:59,830
the USAF security service under the

211
00:11:05,700 --> 00:11:03,070
auspices of the NSA his civilian career

212
00:11:08,040 --> 00:11:05,710
included work on US government projects

213
00:11:10,320 --> 00:11:08,050

including the Minuteman project weapon

214

00:11:12,660 --> 00:11:10,330

system later in life he became very

215

00:11:15,030 --> 00:11:12,670

interested in the UFO phenomenon and

216

00:11:17,820 --> 00:11:15,040

would subsequently serve as director of

217

00:11:20,520 --> 00:11:17,830

scientific investigations for MUFON and

218

00:11:22,860 --> 00:11:20,530

also as a scientific associate for the

219

00:11:24,960 --> 00:11:22,870

Center for UFO studies he is

220

00:11:27,830 --> 00:11:24,970

internationally known as a highly

221

00:11:31,170 --> 00:11:27,840

competent investigator and a trustworthy

222

00:11:33,360 --> 00:11:31,180

chronicler in fact J Allen Hynek who

223

00:11:36,030 --> 00:11:33,370

developed the Hynek UFO classification

224

00:11:38,250 --> 00:11:36,040

system recognized Fowler as one of the

225

00:11:41,220 --> 00:11:38,260

most outstanding investigators in the

226

00:11:43,020 --> 00:11:41,230

UFO field stating that he personally

227

00:11:46,440 --> 00:11:43,030

knew of no other investigator more

228

00:11:48,840 --> 00:11:46,450

dedicated trustworthy or persevering as

229

00:11:51,810 --> 00:11:48,850

Fowler in an interview about the case

230

00:11:56,790 --> 00:11:51,820

and about his book the undressing affair

231

00:11:58,980 --> 00:11:56,800

Fowler had this to say the most

232

00:11:59,319 --> 00:11:58,990

objective investigators in the United

233

00:12:02,679 --> 00:11:59,329

States

234

00:12:06,699 --> 00:12:02,689

and I think my buddies who saw me

235

00:12:09,519 --> 00:12:06,709

produces Pok wondered if I had lost all

236

00:12:11,350 --> 00:12:09,529

sense of objectivity and I'm really

237

00:12:14,049 --> 00:12:11,360

going on a limb really as far as my

238

00:12:18,069 --> 00:12:14,059

reputation goes and and bringing this

239

00:12:21,669 --> 00:12:18,079

this book is andreas interfere out as I

240

00:12:23,340 --> 00:12:21,679

mentioned before we decided this was too

241

00:12:25,769 --> 00:12:23,350

strange to have just one person

242

00:12:28,749 --> 00:12:25,779

investigated we had a team of five and

243

00:12:30,400 --> 00:12:28,759

most of this team of five are engaged in

244

00:12:32,859 --> 00:12:30,410

scientific research and engineering

245

00:12:34,960 --> 00:12:32,869

research within the civilian civilian

246

00:12:37,629 --> 00:12:34,970

scientific community and really

247

00:12:40,299 --> 00:12:37,639

objective people all five investigators

248

00:12:43,600 --> 00:12:40,309

in their initial individual evaluations

249

00:12:45,720 --> 00:12:43,610

in this 520 news report indicated that

250

00:12:47,619 --> 00:12:45,730

they believe that the angriest affair

251

00:12:50,259 --> 00:12:47,629

involved people who are telling the

252

00:12:51,879 --> 00:12:50,269

truth who knew it to be and that there

253

00:12:53,439 --> 00:12:51,889

was a real experience there it was a

254

00:12:56,669 --> 00:12:53,449

sign that something really is happening

255

00:13:00,009 --> 00:12:56,679

to these people especially since other

256

00:13:02,350 --> 00:13:00,019

cases exist similar to this this was

257

00:13:05,769 --> 00:13:02,360

just a unique case I wouldn't be

258

00:13:08,019 --> 00:13:05,779

interested all the way to the point or

259

00:13:10,449 --> 00:13:08,029

all the investigators are saying that

260

00:13:12,519 --> 00:13:10,459

yes Betty andreasson and Becky Andreassen

261

00:13:15,280 --> 00:13:12,529

did have a close encounter of the third

262

00:13:16,900 --> 00:13:15,290

by the Third Kind yes whatever that is

263

00:13:20,019 --> 00:13:16,910

is a close encounter of the Third Kind

264

00:13:22,329 --> 00:13:20,029

type stimulus or something like that is

265

00:13:24,129 --> 00:13:22,339

obviously extraterrestrial but to accept

266

00:13:26,049 --> 00:13:24,139

the extra-terrestrial hypothesis without

267

00:13:29,049 --> 00:13:26,059

physical proof would be non-scientific

268

00:13:32,049 --> 00:13:29,059

now the anthracene affair remains one of

269

00:13:34,629 --> 00:13:32,059

the best-selling UFO abduction books of

270

00:13:36,789 --> 00:13:34,639

all time and fouler remains one of the

271

00:13:39,429 --> 00:13:36,799

most credible abduction researchers as

272

00:13:41,859 --> 00:13:39,439

well this case is still being

273

00:13:44,199 --> 00:13:41,869

investigated today and remains one of

274

00:13:47,350 --> 00:13:44,209

the most controversial bizarre but

275

00:13:48,939 --> 00:13:47,360

genuine abduction cases of all time but

276

00:13:51,280 --> 00:13:48,949

I wanted to hear from you guys about

277

00:13:53,519 --> 00:13:51,290

what you think of this case and just

278

00:13:56,040 --> 00:13:53,529

exactly what happened to Betty

279

00:13:59,910 --> 00:13:56,050

and her children on that bizarre night

280

00:14:02,129 --> 00:13:59,920

Rob had this to say quote Betty's case

281

00:14:04,230 --> 00:14:02,139

is fascinating because it doesn't fit

282

00:14:06,540 --> 00:14:04,240

the normal mold of an abduction case

283

00:14:08,340 --> 00:14:06,550

there were multiple eyewitnesses

284

00:14:10,799 --> 00:14:08,350

involved in the home while they took

285

00:14:12,629 --> 00:14:10,809

Betty on board the craft the daughter

286

00:14:15,090 --> 00:14:12,639

was able to relive it through hypnosis

287

00:14:18,030 --> 00:14:15,100

as well as Betty this case has been

288

00:14:20,489 --> 00:14:18,040

heavily investigated and still is and it

289

00:14:24,269 --> 00:14:20,499

has not yet been dismissed

290

00:14:27,389 --> 00:14:24,279

Cate had this to say quote we have much

291

00:14:30,329 --> 00:14:27,399

the aliens want our soul loved many

292

00:14:32,790 --> 00:14:30,339

things we are worth something or they

293

00:14:35,429 --> 00:14:32,800

would just dump us all into the ocean a

294

00:14:38,519 --> 00:14:35,439

very famous experience er once advised

295

00:14:40,769 --> 00:14:38,529

me not to do hypnosis you don't want to

296

00:14:42,749 --> 00:14:40,779

remember that stuff once you become a

297

00:14:45,420 --> 00:14:42,759

famous experience er you're subject to

298

00:14:47,009 --> 00:14:45,430

ridicule and rejection from the public

299

00:14:49,379 --> 00:14:47,019

in general take a look at several

300

00:14:51,960 --> 00:14:49,389

experiences and how they are treated by

301
00:14:54,360 --> 00:14:51,970
the UFO world in general prove it and

302
00:14:56,579 --> 00:14:54,370
they spend their lives proving it and

303
00:14:59,639 --> 00:14:56,589
under attack constantly

304
00:15:01,499 --> 00:14:59,649
David had this to say quote the

305
00:15:04,530 --> 00:15:01,509
Andreasen case is one of the most

306
00:15:06,809 --> 00:15:04,540
important abduction cases thanks in

307
00:15:09,179 --> 00:15:06,819
large part to Raymond Fowler's detailed

308
00:15:11,519 --> 00:15:09,189
investigation it established that there

309
00:15:14,519 --> 00:15:11,529
is a link between alien abduction and

310
00:15:16,679 --> 00:15:14,529
out-of-body or near death experiences

311
00:15:19,350 --> 00:15:16,689
and that the aliens are quite familiar

312
00:15:22,410 --> 00:15:19,360
with the out-of-body realm that their

313
00:15:26,040 --> 00:15:22,420

technology may actually operate on quote

314

00:15:29,790 --> 00:15:26,050

both sides of the veil Tim says quote

315

00:15:32,309 --> 00:15:29,800

Betty's case is hugely important to my

316

00:15:35,189 --> 00:15:32,319

mind it calls to question the realist or

317

00:15:37,799 --> 00:15:35,199

the physicalist view of reality itself

318

00:15:40,559 --> 00:15:37,809

which is itself a metaphysical

319

00:15:43,079 --> 00:15:40,569

assumption or starting point rather than

320

00:15:45,360 --> 00:15:43,089

the settled science the mainstream

321

00:15:48,540 --> 00:15:45,370

culture would have us believe but in

322

00:15:51,030 --> 00:15:48,550

terms of that settled science some are a

323

00:15:53,639 --> 00:15:51,040

bit more skeptical I would say with good

324

00:15:56,670 --> 00:15:53,649

reason Shaun had this to say

325

00:15:58,769 --> 00:15:56,680

quote you need to ask why why would they

326

00:16:01,199 --> 00:15:58,779

pass through a door yet needs surgical

327

00:16:03,569 --> 00:16:01,209

instruments to perform experiments in

328

00:16:07,230 --> 00:16:03,579

terms of these creatures as a scientist

329

00:16:09,929 --> 00:16:07,240

I always ask why before I even ponder if

330

00:16:11,280 --> 00:16:09,939

something did happen why would aliens

331

00:16:14,249 --> 00:16:11,290

who are apparently trying to be

332

00:16:16,559 --> 00:16:14,259

incognito light up their ships like a

333

00:16:18,660 --> 00:16:16,569

Goodyear blimp at a football game

334

00:16:19,980 --> 00:16:18,670

why pass through doors when they can

335

00:16:22,530 --> 00:16:19,990

just open them

336

00:16:24,780 --> 00:16:22,540

why freeze people in place when they

337

00:16:27,569 --> 00:16:24,790

could just sedate them if it doesn't

338

00:16:29,400 --> 00:16:27,579

make sense it probably didn't happen

339

00:16:32,549 --> 00:16:29,410

that way and then we have the words of

340

00:16:35,579 --> 00:16:32,559

Tristan in an article from bizarre and

341

00:16:37,350 --> 00:16:35,589

grotesque calm Tristan has this to say

342

00:16:39,900 --> 00:16:37,360

quote Betty's description of her

343

00:16:41,730 --> 00:16:39,910

abductors is strange and inconsistent

344

00:16:44,249 --> 00:16:41,740

over the years but he went from

345

00:16:47,129 --> 00:16:44,259

describing the aliens eyes as white with

346

00:16:49,199 --> 00:16:47,139

pupils to being entirely black like the

347

00:16:52,019 --> 00:16:49,209

aliens in Close Encounters of the Third

348

00:16:53,400 --> 00:16:52,029

Kind the uniforms the aliens wore also

349

00:16:56,009 --> 00:16:53,410

don't make much sense

350

00:16:58,980 --> 00:16:56,019

according to Betty they wore heavy boots

351
00:17:01,410 --> 00:16:58,990
but what would have been the point since

352
00:17:03,869 --> 00:17:01,420
the aliens apparently floated everywhere

353
00:17:05,909 --> 00:17:03,879
furthermore hypnosis sessions and

354
00:17:08,730 --> 00:17:05,919
recovered memories are notoriously

355
00:17:11,939 --> 00:17:08,740
unreliable and should not be taken as

356
00:17:12,569 --> 00:17:11,949
serious proof that an abduction actually

357
00:17:15,840 --> 00:17:12,579
happened

358
00:17:19,409 --> 00:17:15,850
Tristan also says that quote in February

359
00:17:22,110 --> 00:17:19,419
of 2007 Betty and Bob Lucas son Robert

360
00:17:26,250 --> 00:17:22,120
jr. announced that the Andreasen affair

361
00:17:28,380 --> 00:17:26,260
was a hoax in a 2000 word email Robert

362
00:17:30,840 --> 00:17:28,390
Jr claimed that his father was a

363
00:17:31,380 --> 00:17:30,850

compulsive liar who had a drinking

364

00:17:33,779 --> 00:17:31,390

problem

365

00:17:36,330 --> 00:17:33,789

according to Robert jr. Betty had been

366

00:17:38,669 --> 00:17:36,340

experiencing emotional shock because her

367

00:17:40,799 --> 00:17:38,679

two sons had earlier died in a car

368

00:17:43,200 --> 00:17:40,809

accident after meeting her second

369

00:17:46,019 --> 00:17:43,210

husband but he would write about every

370

00:17:48,419 --> 00:17:46,029

dream she had as though it were an

371

00:17:51,210 --> 00:17:48,429

abduction and Bob encouraged her and

372

00:17:54,600 --> 00:17:51,220

even manipulated investigators into

373

00:17:58,070 --> 00:17:54,610

believing the story so there's clearly

374

00:17:59,990 --> 00:17:58,080

more to this entire andrea sin affair

375

00:18:01,880 --> 00:18:00,000

meets the eye but I wanted to hear what

376

00:18:03,950 --> 00:18:01,890

someone who researched the alien

377

00:18:06,769 --> 00:18:03,960

abduction phenomenon with clear and

378

00:18:09,259 --> 00:18:06,779

objective approaches haven't even worked

379

00:18:12,080 --> 00:18:09,269

side by side for many years with claimed

380

00:18:14,480 --> 00:18:12,090

abduction researcher but Hopkins so now

381

00:18:16,850 --> 00:18:14,490

to give us a bit more insight and his

382

00:18:19,310 --> 00:18:16,860

personal thoughts on the case here is my

383

00:18:21,350 --> 00:18:19,320

mentor and our special guest Peter

384

00:18:23,330 --> 00:18:21,360

Robbins thank you for joining me today

385

00:18:27,440 --> 00:18:23,340

on someone the skies to talk about this

386

00:18:29,630 --> 00:18:27,450

I'm glad to Ryan so I guess let's start

387

00:18:31,549 --> 00:18:29,640

with what what sort of knowledge do you

388

00:18:34,340 --> 00:18:31,559

have of this case Peter I know that it

389

00:18:36,379 --> 00:18:34,350

is from the peripheral as it were but

390

00:18:39,080 --> 00:18:36,389

this is one of the more fascinating

391

00:18:40,970 --> 00:18:39,090

cases and you've been a part of some

392

00:18:43,100 --> 00:18:40,980

extremely fascinated in abduction cases

393

00:18:45,649 --> 00:18:43,110

having worked with Budd Hopkins as well

394

00:18:48,169 --> 00:18:45,659

but in terms of the undressing affair

395

00:18:52,970 --> 00:18:48,179

where does this case land in your

396

00:18:57,799 --> 00:18:52,980

opinion very high up one thing that we

397

00:19:00,740 --> 00:18:57,809

need to take stock of here is where this

398

00:19:03,590 --> 00:19:00,750

case T is the most dispassionate term

399

00:19:04,730 --> 00:19:03,600

possible for life-changing human affairs

400

00:19:07,250 --> 00:19:04,740

to put it mildly

401
00:19:12,769 --> 00:19:07,260
where it sits in the history of ufology

402
00:19:16,220 --> 00:19:12,779
it was in 1967 that Betty Andreassen had

403
00:19:19,430 --> 00:19:16,230
the experience that ultimately became

404
00:19:22,460 --> 00:19:19,440
the core of the case but she didn't

405
00:19:25,340 --> 00:19:22,470
contact anybody about it for another

406
00:19:27,440 --> 00:19:25,350
eight years it wasn't until 1975 that

407
00:19:29,810 --> 00:19:27,450
she wrote a letter to the best known

408
00:19:33,379 --> 00:19:29,820
person in the world regarding UFOs at

409
00:19:36,710 --> 00:19:33,389
the time dr. Allen Hynek and Hynek who

410
00:19:39,620 --> 00:19:36,720
I'm sure had a very busy schedule de

411
00:19:42,169 --> 00:19:39,630
Muir in that he simply put the letter

412
00:19:44,690 --> 00:19:42,179
aside like many letters and not on like

413
00:19:46,519 --> 00:19:44,700

memories of working with but over the

414

00:19:50,060 --> 00:19:46,529

years when something didn't really seem

415

00:19:53,480 --> 00:19:50,070

to be a priority also in 1975 the whole

416

00:19:55,970 --> 00:19:53,490

study of abductions per se

417

00:19:59,110 --> 00:19:55,980

was in its infancy the general attitude

418

00:20:01,700 --> 00:19:59,120

of the UFO research community

419

00:20:04,279 --> 00:20:01,710

internationally as far as I'm concerned

420

00:20:07,070 --> 00:20:04,289

was lights in the night sky radar

421

00:20:09,590 --> 00:20:07,080

returns physical traces doing all you

422

00:20:11,820 --> 00:20:09,600

could at best to appear like a

423

00:20:14,070 --> 00:20:11,830

responsible grown-up because any

424

00:20:17,009 --> 00:20:14,080

responsible grown-up who claim to have a

425

00:20:18,870 --> 00:20:17,019

serious interested in UFOs was already

426
00:20:22,500 --> 00:20:18,880
setting themselves up as something of a

427
00:20:24,810 --> 00:20:22,510
social oxymoron and Hynek understood

428
00:20:27,750 --> 00:20:24,820
that there was ridicule attached to this

429
00:20:29,909 --> 00:20:27,760
factor if one started talking about the

430
00:20:33,240 --> 00:20:29,919
beings in start inside of the craft

431
00:20:35,159 --> 00:20:33,250
there was fuel for ridicule them as dave

432
00:20:37,560 --> 00:20:35,169
jacobs once said to me and i'm

433
00:20:39,810 --> 00:20:37,570
paraphrasing here all of our attention

434
00:20:42,299 --> 00:20:39,820
was focused on the cars and none on the

435
00:20:46,740 --> 00:20:42,309
drivers the fact is this book came out

436
00:20:49,080 --> 00:20:46,750
in 1979 a full two years before Budd

437
00:20:51,980 --> 00:20:49,090
Hopkins missing time which puts it in a

438
00:20:56,190 --> 00:20:51,990

very special place also it was

439

00:20:58,200 --> 00:20:56,200

researched as dr. Hynek tells us by one

440

00:21:00,450 --> 00:20:58,210

of the original research team members

441

00:21:02,039 --> 00:21:00,460

that worked with him when he returned

442

00:21:04,590 --> 00:21:02,049

his attention to that letter and

443

00:21:07,440 --> 00:21:04,600

realized this had potential tremendous

444

00:21:09,000 --> 00:21:07,450

importance he asked Fowler Raymond

445

00:21:11,340 --> 00:21:09,010

Fowler if he would lead the

446

00:21:14,129 --> 00:21:11,350

investigation and Fowler did a brilliant

447

00:21:17,100 --> 00:21:14,139

job and his name is a very important one

448

00:21:18,539 --> 00:21:17,110

in UFO studies if your entry-level and

449

00:21:20,759 --> 00:21:18,549

trying to familiarize yourself with the

450

00:21:22,830 --> 00:21:20,769

literature or have a particular interest

451
00:21:25,259 --> 00:21:22,840
in the subject of abductions Raymond

452
00:21:28,529 --> 00:21:25,269
Fowler who is still very much with us

453
00:21:33,659 --> 00:21:28,539
but retired from the work was a such a

454
00:21:35,669 --> 00:21:33,669
careful analytical scientific pragmatic

455
00:21:38,310 --> 00:21:35,679
researcher in the way that he progressed

456
00:21:41,190 --> 00:21:38,320
in his work at the same time we learn

457
00:21:43,259 --> 00:21:41,200
years after the fact because he keeps

458
00:21:46,529 --> 00:21:43,269
writing and there is the Andreasen

459
00:21:49,710 --> 00:21:46,539
affair the Andreasen affair part two the

460
00:21:52,139 --> 00:21:49,720
Andreasen legacy and then a more general

461
00:21:55,350 --> 00:21:52,149
book on abductions inspired by the

462
00:21:58,409 --> 00:21:55,360
Andreasen studies called the Watchers he

463
00:22:01,620 --> 00:21:58,419

lays out for us in very analytical terms

464

00:22:04,950 --> 00:22:01,630

why he takes this case so seriously and

465

00:22:06,210 --> 00:22:04,960

runs it through rigorous testing in fact

466

00:22:09,470 --> 00:22:06,220

one of the things that caught me

467

00:22:12,389 --> 00:22:09,480

off-guard was leading up to his

468

00:22:14,310 --> 00:22:12,399

stupendous research on the Andreas and

469

00:22:17,639 --> 00:22:14,320

incidents because there are many of them

470

00:22:19,889 --> 00:22:17,649

dr. Hynek and his team did an exhaustive

471

00:22:23,129 --> 00:22:19,899

investigation of betty andreas ins

472

00:22:25,529 --> 00:22:23,139

claims interviewing family members her

473

00:22:27,330 --> 00:22:25,539

husband bob had had a

474

00:22:28,950 --> 00:22:27,340

experience when he was young and one

475

00:22:32,070 --> 00:22:28,960

later in life

476
00:22:35,039 --> 00:22:32,080
her daughter their daughter Becky had

477
00:22:39,239 --> 00:22:35,049
had experiences with her mom and they

478
00:22:43,469 --> 00:22:39,249
looked at everything the psychiatric

479
00:22:45,479 --> 00:22:43,479
examinations stress analysis checks on

480
00:22:47,849 --> 00:22:45,489
her character analysis of the weather

481
00:22:50,609 --> 00:22:47,859
reports of the days that she said the

482
00:22:53,009 --> 00:22:50,619
weather was such-and-such and supporting

483
00:22:56,820 --> 00:22:53,019
testimony of other observers it turned

484
00:22:59,899 --> 00:22:56,830
out to be a 528 page single-spaced

485
00:23:03,359 --> 00:22:59,909
report I mean the initial investigation

486
00:23:07,259 --> 00:23:03,369
before Fowler began to focus in on it

487
00:23:12,960 --> 00:23:07,269
for years is really worth a great deal

488
00:23:15,719 --> 00:23:12,970

of respect also again this is 1979 now

489

00:23:19,139 --> 00:23:15,729

in general UFO studies the abduction

490

00:23:21,359 --> 00:23:19,149

subject is taken very seriously in I

491

00:23:23,700 --> 00:23:21,369

guess in a way UFO counterculture

492

00:23:27,229 --> 00:23:23,710

there's a strong trend which I

493

00:23:30,749 --> 00:23:27,239

understand to look at things from more a

494

00:23:35,700 --> 00:23:30,759

Jacques Vallee pioneered point of view

495

00:23:38,039 --> 00:23:35,710

or the more anomalous aspects of the

496

00:23:40,580 --> 00:23:38,049

theories of what UFOs are and the

497

00:23:44,430 --> 00:23:40,590

intelligences behind them ultimately

498

00:23:46,529 --> 00:23:44,440

Fowler in his work has no where to go

499

00:23:51,539 --> 00:23:46,539

except to marry and to a degree the

500

00:23:54,749 --> 00:23:51,549

world of hard ufos so to say and the

501
00:23:56,879 --> 00:23:54,759
world of parapsychology and the

502
00:24:00,950 --> 00:23:56,889
confirmed and reconfirmed and reconfirm

503
00:24:04,499 --> 00:24:00,960
facts that in the Andreasen and other

504
00:24:07,200 --> 00:24:04,509
significant cases those two aspects of

505
00:24:09,570 --> 00:24:07,210
individuals lives often intertwine and

506
00:24:12,869 --> 00:24:09,580
wanted to read just one quick quote from

507
00:24:16,320 --> 00:24:12,879
the introduction to the Andreasen affair

508
00:24:19,049 --> 00:24:16,330
only because now it seems so passe but

509
00:24:22,049 --> 00:24:19,059
at that time even for a figure as

510
00:24:26,399 --> 00:24:22,059
respected as allen hynek i think it took

511
00:24:28,560 --> 00:24:26,409
great courage to say which is okay a

512
00:24:31,200 --> 00:24:28,570
former book by mr. fowler UFOs

513
00:24:34,289 --> 00:24:31,210

interplanetary visitors upholds this

514

00:24:36,239 --> 00:24:34,299

more popular concept of ufos and many of

515

00:24:39,030 --> 00:24:36,249

the cases he describes tend to give

516

00:24:41,760 --> 00:24:39,040

strong support to that hypothesis

517

00:24:45,030 --> 00:24:41,770

but here we have creatures of light who

518

00:24:47,700 --> 00:24:45,040

find walls no obstacle to free passage

519

00:24:50,070 --> 00:24:47,710

into rooms and who find no difficulty in

520

00:24:52,530 --> 00:24:50,080

answering uncanny control over the

521

00:24:54,750 --> 00:24:52,540

witness's Minds if this represents an

522

00:24:57,660 --> 00:24:54,760

advanced technology then it must

523

00:25:00,090 --> 00:24:57,670

incorporate the paranormal just as our

524

00:25:03,120 --> 00:25:00,100

own incorporates transistors and

525

00:25:06,180 --> 00:25:03,130

computers end quote he says ensure that

526
00:25:09,600 --> 00:25:06,190
they have mastered the puzzle of mind

527
00:25:12,420 --> 00:25:09,610
over matter and again that was kind of

528
00:25:14,940 --> 00:25:12,430
reshaped me up when I was just preparing

529
00:25:17,940 --> 00:25:14,950
for this interview how different the

530
00:25:22,020 --> 00:25:17,950
times were from here Fowler and his team

531
00:25:25,620 --> 00:25:22,030
go on to document a brilliantly analyzed

532
00:25:30,000 --> 00:25:25,630
and researched life history we also find

533
00:25:32,580 --> 00:25:30,010
that the Watchers the beings as betty

534
00:25:35,850 --> 00:25:32,590
describes them have an agenda that

535
00:25:38,610 --> 00:25:35,860
although their interactions are often

536
00:25:41,610 --> 00:25:38,620
very frightening to her they have a

537
00:25:44,220 --> 00:25:41,620
message for Humanity it's not unlike

538
00:25:46,650 --> 00:25:44,230

certain biblical messages or contactee

539

00:25:48,650 --> 00:25:46,660

messages we're messing up we need help

540

00:25:51,630 --> 00:25:48,660

and we're not giving it to ourselves

541

00:25:54,180 --> 00:25:51,640

there's a fair amount of what I would

542

00:25:56,790 --> 00:25:54,190

call channeling involved a great deal of

543

00:25:59,490 --> 00:25:56,800

regressive hypnosis that seems extremely

544

00:26:02,940 --> 00:25:59,500

responsible and well done but it's quite

545

00:26:07,560 --> 00:26:02,950

an epic and if you superimpose upon it a

546

00:26:11,730 --> 00:26:07,570

book from almost ten years later but

547

00:26:14,670 --> 00:26:11,740

Hopkins intruders from 1987 about Debby

548

00:26:17,490 --> 00:26:14,680

Jordan Debby Jordan cabals experience

549

00:26:21,270 --> 00:26:17,500

you see almost template other important

550

00:26:24,090 --> 00:26:21,280

cases and analysis of claims of

551
00:26:25,860 --> 00:26:24,100
abductees have followed of course but I

552
00:26:29,310 --> 00:26:25,870
give a great deal of credit to Fowler

553
00:26:31,470 --> 00:26:29,320
and I can't say I know Betty we've met a

554
00:26:34,110 --> 00:26:31,480
number of times and have a very cordial

555
00:26:36,540 --> 00:26:34,120
acquaintance ship I was scheduled to see

556
00:26:39,270 --> 00:26:36,550
her last month but a health problem

557
00:26:40,740 --> 00:26:39,280
caused her to have to cancel out of the

558
00:26:42,720 --> 00:26:40,750
conference that she's going to speak at

559
00:26:44,970 --> 00:26:42,730
so I am looking forward to seeing her

560
00:26:48,570 --> 00:26:44,980
again I know that she and Bob have their

561
00:26:52,140 --> 00:26:48,580
own book out now which I am sure will

562
00:26:52,710 --> 00:26:52,150
add to the important contactee and

563
00:26:54,960 --> 00:26:52,720

abductive

564

00:26:57,299 --> 00:26:54,970

literature that we have available to us

565

00:26:59,220 --> 00:26:57,309

one of the things I wanted to touch on a

566

00:27:01,700 --> 00:26:59,230

little bit Peter is that that idea of

567

00:27:03,990 --> 00:27:01,710

the paranormal you know I know that you

568

00:27:08,100 --> 00:27:04,000

personally worked with but on a case

569

00:27:11,549 --> 00:27:08,110

where a woman was literally floated out

570

00:27:14,640 --> 00:27:11,559

of a solid wall out of a window and onto

571

00:27:18,000 --> 00:27:14,650

a craft now we have this claim by Betty

572

00:27:19,770 --> 00:27:18,010

that her family when she was in her

573

00:27:22,799 --> 00:27:19,780

house and being taken that they were

574

00:27:25,440 --> 00:27:22,809

left in a suspended animation that they

575

00:27:27,870 --> 00:27:25,450

all were just frozen and that one of the

576

00:27:30,120 --> 00:27:27,880

creatures actually stayed behind to

577

00:27:32,460 --> 00:27:30,130

watch after them so this whole idea of

578

00:27:35,549 --> 00:27:32,470

the paranormal being involved with in a

579

00:27:37,620 --> 00:27:35,559

UFO case really struck me this is why a

580

00:27:39,899 --> 00:27:37,630

lot of people consider this case very

581

00:27:42,539 --> 00:27:39,909

bizarre and many people consider Linda's

582

00:27:45,210 --> 00:27:42,549

case Linda Cortile a very bizarre case

583

00:27:47,820 --> 00:27:45,220

as well do you see any sort of

584

00:27:51,390 --> 00:27:47,830

connecting or similar things between

585

00:27:54,029 --> 00:27:51,400

these two cases sure first the obvious

586

00:27:57,090 --> 00:27:54,039

that these are two women who were

587

00:28:01,169 --> 00:27:57,100

repeatedly taken from their places of

588

00:28:04,560 --> 00:28:01,179

residence through solid walls or windows

589

00:28:08,669 --> 00:28:04,570

in in Linda's case which is the subject

590

00:28:10,440 --> 00:28:08,679

of Budd Hopkins 1996 book witnessed the

591

00:28:13,560 --> 00:28:10,450

true story of the Brooklyn Bridge UFO

592

00:28:17,419 --> 00:28:13,570

abductions it would be one thing if it

593

00:28:22,110 --> 00:28:17,429

was this woman's account on her own and

594

00:28:24,090 --> 00:28:22,120

to add outrageousness that she lives in

595

00:28:27,029 --> 00:28:24,100

lower Manhattan very close to the

596

00:28:30,930 --> 00:28:27,039

Brooklyn Bridge and that the circular

597

00:28:32,430 --> 00:28:30,940

glowing UFO that she sought but nobody

598

00:28:33,029 --> 00:28:32,440

else happened to even though it's 2:00

599

00:28:35,070 --> 00:28:33,039

in the morning

600

00:28:39,510 --> 00:28:35,080

it's Manhattan that would be outrageous

601
00:28:42,870 --> 00:28:39,520
the fact is that several other several

602
00:28:45,320 --> 00:28:42,880
dozen independent individuals who we

603
00:28:50,430 --> 00:28:45,330
were able to confirm were actual people

604
00:28:52,590 --> 00:28:50,440
observed that glowing disk over there

605
00:28:55,200 --> 00:28:52,600
building around lower Manhattan Budd

606
00:28:57,180 --> 00:28:55,210
Hopkins being a well-known figure in UFO

607
00:28:59,370 --> 00:28:57,190
investigation at that time in a public

608
00:29:02,669 --> 00:28:59,380
person would be a likely person to

609
00:29:04,860 --> 00:29:02,679
receive correspondence on this and this

610
00:29:05,790 --> 00:29:04,870
was a case that I worked with him for

611
00:29:09,210 --> 00:29:05,800
long

612
00:29:12,390 --> 00:29:09,220
and with the deeper involvement than any

613
00:29:14,820 --> 00:29:12,400

other event in the years that I was his

614

00:29:18,690 --> 00:29:14,830

assistant in fact it was six regular

615

00:29:21,000 --> 00:29:18,700

years it was 89 that he begins and began

616

00:29:23,250 --> 00:29:21,010

his investigation and again six years

617

00:29:26,940 --> 00:29:23,260

later that the book was published when

618

00:29:29,910 --> 00:29:26,950

several dozen people write to you you

619

00:29:31,920 --> 00:29:29,920

being but and they say were they making

620

00:29:33,210 --> 00:29:31,930

a movie I saw it from the Brooklyn

621

00:29:35,280 --> 00:29:33,220

Bridge I saw it from the West Side

622

00:29:36,900 --> 00:29:35,290

Highway I saw it from the loading dock

623

00:29:39,480 --> 00:29:36,910

of the New York Post or wherever and

624

00:29:40,950 --> 00:29:39,490

this is what they it looked like during

625

00:29:43,770 --> 00:29:40,960

this investigation one of the most

626

00:29:46,860 --> 00:29:43,780

exciting parts for me and I think but in

627

00:29:49,050 --> 00:29:46,870

a very quiet researchy way is that many

628

00:29:52,560 --> 00:29:49,060

of these letters all this again you know

629

00:29:54,860 --> 00:29:52,570

pre-internet actual letters sent from

630

00:29:57,720 --> 00:29:54,870

different postal addresses with

631

00:30:00,450 --> 00:29:57,730

different handwriting's etc most of them

632

00:30:03,120 --> 00:30:00,460

and many of them included drawings but

633

00:30:05,460 --> 00:30:03,130

and I being trained artists found it

634

00:30:08,460 --> 00:30:05,470

doubly moving because normally a witness

635

00:30:11,190 --> 00:30:08,470

drawing overwhelmingly the chances are

636

00:30:13,590 --> 00:30:11,200

that it's done by an untrained hand but

637

00:30:16,830 --> 00:30:13,600

one thing is almost certain there's a

638

00:30:20,280 --> 00:30:16,840

great deal of intention in the drawing

639

00:30:23,370 --> 00:30:20,290

if it's not you know beautifully

640

00:30:25,260 --> 00:30:23,380

rendered it's done with great integrity

641

00:30:27,900 --> 00:30:25,270

and attention to detail

642

00:30:30,950 --> 00:30:27,910

sometimes things are labeled in this

643

00:30:34,860 --> 00:30:30,960

case there was a specific color sequence

644

00:30:37,110 --> 00:30:34,870

to these craft to the craft and every

645

00:30:39,300 --> 00:30:37,120

single drawing captured the shape and

646

00:30:42,060 --> 00:30:39,310

the color sequence from different

647

00:30:44,100 --> 00:30:42,070

locations in lower Manhattan again this

648

00:30:47,490 --> 00:30:44,110

is what we call circumstantial evidence

649

00:30:49,410 --> 00:30:47,500

but when added to a growing stack of

650

00:30:51,750 --> 00:30:49,420

very credible circumstantial evidence

651
00:30:53,220 --> 00:30:51,760
and then physical evidence etc you have

652
00:30:56,970 --> 00:30:53,230
the makings of a very important

653
00:31:00,240 --> 00:30:56,980
investigation all abductees that I've

654
00:31:03,180 --> 00:31:00,250
spent time with are told things in their

655
00:31:05,730 --> 00:31:03,190
heads and some of them obviously willing

656
00:31:08,580 --> 00:31:05,740
to share them many of them very much the

657
00:31:13,290 --> 00:31:08,590
same seemingly word-for-word in certain

658
00:31:15,960 --> 00:31:13,300
cases and I think that cuts across major

659
00:31:18,540 --> 00:31:15,970
abduction studies if we wanted to dig

660
00:31:19,310 --> 00:31:18,550
and pick I'm sure we could draw quite a

661
00:31:21,950 --> 00:31:19,320
number of pair

662
00:31:22,790 --> 00:31:21,960
else between Linda's case and Betty's

663
00:31:25,760 --> 00:31:22,800

case for sure

664

00:31:27,950 --> 00:31:25,770

right and another big aspect of Betty's

665

00:31:30,410 --> 00:31:27,960

case in particular Peter is this idea of

666

00:31:33,980 --> 00:31:30,420

spirituality playing a very big role in

667

00:31:36,380 --> 00:31:33,990

this know a lot of people they know that

668

00:31:39,200 --> 00:31:36,390

Betty is very Christian a very

669

00:31:41,480 --> 00:31:39,210

practicing religious person and the

670

00:31:43,460 --> 00:31:41,490

displayed a big role in her perception

671

00:31:45,860 --> 00:31:43,470

of what happened to her the being of

672

00:31:48,140 --> 00:31:45,870

light you know that this godly figure

673

00:31:49,670 --> 00:31:48,150

almost that she believes gave her these

674

00:31:51,830 --> 00:31:49,680

messages now hmm

675

00:31:53,780 --> 00:31:51,840

I'm sure you've come across this in your

676

00:31:56,720 --> 00:31:53,790

abduction research and working with

677

00:31:59,300 --> 00:31:56,730

abductees as well that a lot of them do

678

00:32:02,030 --> 00:31:59,310

see this as either an angelic experience

679

00:32:05,000 --> 00:32:02,040

or something extremely spiritual I know

680

00:32:07,280 --> 00:32:05,010

I have come across several experiencers

681

00:32:09,440 --> 00:32:07,290

who who claim that even a UFO sighting

682

00:32:11,510 --> 00:32:09,450

was something angelic no what do you

683

00:32:14,360 --> 00:32:11,520

make of this whole aspect of Betty's

684

00:32:16,160 --> 00:32:14,370

case hey guys I have to interrupt this

685

00:32:18,020 --> 00:32:16,170

686

00:32:19,850 --> 00:32:18,030

podcast network and hellofresh and now

705
00:33:07,810 --> 00:33:05,730
back to the show as she said that last

706
00:33:11,330 --> 00:33:07,820
part my first thought was a very

707
00:33:13,760 --> 00:33:11,340
important case if you will not so much

708
00:33:17,020 --> 00:33:13,770
for you follow G but for the Christian

709
00:33:21,410 --> 00:33:17,030
religion is the famous miracle of Fatima

710
00:33:25,280 --> 00:33:21,420
these uneducated Shepherd children who

711
00:33:29,050 --> 00:33:25,290
observed what they called a a vision of

712
00:33:31,760 --> 00:33:29,060
the mother Mary Virgin Mary in the sky

713
00:33:35,090 --> 00:33:31,770

has become a huge part

714

00:33:38,090 --> 00:33:35,100

of the miracles of the Catholic Church

715

00:33:41,090 --> 00:33:38,100

from the early 20th century in this case

716

00:33:43,430 --> 00:33:41,100

however in the accounts very well

717

00:33:46,400 --> 00:33:43,440

documented of the time when they're

718

00:33:48,530 --> 00:33:46,410

specifically asked to describe what that

719

00:33:51,400 --> 00:33:48,540

vision looked like they don't describe

720

00:33:55,580 --> 00:33:51,410

the face of a beatific beautiful

721

00:34:00,170 --> 00:33:55,590

shrouded woman in the sky they describe

722

00:34:03,080 --> 00:34:00,180

a huge glowing circle I am of a mind

723

00:34:05,590 --> 00:34:03,090

after more than 40 years of looking at

724

00:34:09,020 --> 00:34:05,600

this subject from different angles that

725

00:34:11,810 --> 00:34:09,030

there are variables that we may never be

726
00:34:15,880 --> 00:34:11,820
able to pin down we know as well as we

727
00:34:18,380 --> 00:34:15,890
can that they these other particular

728
00:34:20,990 --> 00:34:18,390
intelligences they have the power or the

729
00:34:23,870 --> 00:34:21,000
technology or the psychic abilities or

730
00:34:26,600 --> 00:34:23,880
whatever the mechanism is to put certain

731
00:34:29,240 --> 00:34:26,610
things in the minds of the human beings

732
00:34:33,350 --> 00:34:29,250
they interact with either what they may

733
00:34:37,100 --> 00:34:33,360
be thinking feeling or seeing also and

734
00:34:39,620 --> 00:34:37,110
if that's so then perhaps that is what

735
00:34:41,510 --> 00:34:39,630
they these individuals are seeing what

736
00:34:43,580 --> 00:34:41,520
we would call a screen memory rather

737
00:34:47,990 --> 00:34:43,590
than what is actually in front of them

738
00:34:50,570 --> 00:34:48,000

or what is actually in front of them but

739

00:34:52,520 --> 00:34:50,580

then there's a third variable that some

740

00:34:56,360 --> 00:34:52,530

of our colleagues don't really take into

741

00:34:58,610 --> 00:34:56,370

consideration I do for more than 20 odd

742

00:35:01,820 --> 00:34:58,620

years because I worked for years in

743

00:35:03,080 --> 00:35:01,830

crisis intervention and part of our

744

00:35:06,830 --> 00:35:03,090

training was to understand the

745

00:35:09,800 --> 00:35:06,840

physiology of human shock and if you're

746

00:35:13,960 --> 00:35:09,810

looking at something that you absolutely

747

00:35:16,730 --> 00:35:13,970

cannot accept in a total shock situation

748

00:35:19,220 --> 00:35:16,740

the mind is a powerful and in its own

749

00:35:21,380 --> 00:35:19,230

way wonderful thing and will mask that

750

00:35:23,420 --> 00:35:21,390

memory either it will become the

751
00:35:25,970 --> 00:35:23,430
repressed memory of your life or one of

752
00:35:29,090 --> 00:35:25,980
them or it will emerge at a time that

753
00:35:32,420 --> 00:35:29,100
you can deal with it either coaxed out

754
00:35:34,490 --> 00:35:32,430
or or naturally making itself a parent

755
00:35:37,010 --> 00:35:34,500
so with those three understandings

756
00:35:39,980 --> 00:35:37,020
number one I'm damned if I know which

757
00:35:43,520 --> 00:35:39,990
one it is for Betty or which combination

758
00:35:45,050 --> 00:35:43,530
of them what I do know is that in the

759
00:35:47,570 --> 00:35:45,060
case of Betty Andreas and

760
00:35:49,700 --> 00:35:47,580
person that I know a little and like

761
00:35:52,910 --> 00:35:49,710
very much yes she is a religious

762
00:35:56,510 --> 00:35:52,920
Christian as is her husband and they

763
00:35:59,540 --> 00:35:56,520

draw peace and comfort and positive

764

00:36:03,170 --> 00:35:59,550

aspects of their life from those deeply

765

00:36:05,420 --> 00:36:03,180

entrenched beliefs I think in life which

766

00:36:07,670 --> 00:36:05,430

can be tough enough if something serves

767

00:36:11,230 --> 00:36:07,680

you it's not necessary to push too hard

768

00:36:13,490 --> 00:36:11,240

and ask questions as to why or how

769

00:36:16,100 --> 00:36:13,500

especially in the spiritual realm

770

00:36:17,600 --> 00:36:16,110

god bless Betty and Bob I I know that

771

00:36:19,250 --> 00:36:17,610

they have been through tragedies in

772

00:36:22,490 --> 00:36:19,260

their life that would absolutely waste

773

00:36:25,280 --> 00:36:22,500

other people and that their belief in

774

00:36:27,590 --> 00:36:25,290

Jesus and and the tenants that he taught

775

00:36:30,050 --> 00:36:27,600

have helped get them through and move on

776

00:36:32,000 --> 00:36:30,060

and live full lives so I almost don't

777

00:36:34,490 --> 00:36:32,010

care it's interesting because there was

778

00:36:36,620 --> 00:36:34,500

a time in my work that that was the

779

00:36:39,700 --> 00:36:36,630

driving force which are these things is

780

00:36:42,760 --> 00:36:39,710

it well any of the above and all and

781

00:36:46,640 --> 00:36:42,770

that's what we have here a situation

782

00:36:50,390 --> 00:36:46,650

where the paranormal the hard reality of

783

00:36:52,580 --> 00:36:50,400

UFOs traditional Christian beliefs come

784

00:36:56,150 --> 00:36:52,590

together in a matrix it's important to

785

00:36:58,310 --> 00:36:56,160

note also that during the writing of

786

00:37:00,560 --> 00:36:58,320

these two books that in his

787

00:37:03,470 --> 00:37:00,570

investigative work with dr. Hynek

788

00:37:05,630 --> 00:37:03,480

beforehand Raymond Fowler never made

789

00:37:08,720 --> 00:37:05,640

public the fact that he did later in

790

00:37:10,850 --> 00:37:08,730

life that he was an abductee very much

791

00:37:13,490 --> 00:37:10,860

in the spirit that Kathleen Martin did

792

00:37:15,860 --> 00:37:13,500

not make that public earlier in life I

793

00:37:18,590 --> 00:37:15,870

think they both understood innately that

794

00:37:20,210 --> 00:37:18,600

it would be a distraction it would be

795

00:37:22,220 --> 00:37:20,220

something that naysayers and

796

00:37:25,310 --> 00:37:22,230

ankle-biters would pick at and try to

797

00:37:29,810 --> 00:37:25,320

find meaning in also Raymond Fowler is

798

00:37:31,760 --> 00:37:29,820

also a very Christian man and I say that

799

00:37:35,720 --> 00:37:31,770

with a capital C and with all respect

800

00:37:38,420 --> 00:37:35,730

and for me part of my admiration for him

801
00:37:40,550 --> 00:37:38,430
as an investigative writer in a very

802
00:37:43,550 --> 00:37:40,560
complex subject to put it mildly

803
00:37:45,800 --> 00:37:43,560
is that his work straight through his

804
00:37:48,560 --> 00:37:45,810
career is completely analytical it

805
00:37:50,990 --> 00:37:48,570
reminds me of one of the most important

806
00:37:53,990 --> 00:37:51,000
lessons I felt that was passed on to me

807
00:37:56,450 --> 00:37:54,000
by one of my three major mentors when I

808
00:37:57,829 --> 00:37:56,460
started Colonel retired common bond

809
00:38:01,729 --> 00:37:57,839
cadets key

810
00:38:03,920 --> 00:38:01,739
as a Hungarian I think 99% of whom are

811
00:38:06,219 --> 00:38:03,930
Catholics and Coleman went to church on

812
00:38:09,099 --> 00:38:06,229
Sunday he practiced his religion

813
00:38:14,269 --> 00:38:09,109

religiously but he had no patience for

814

00:38:17,420 --> 00:38:14,279

people having their scientific UFO

815

00:38:20,959 --> 00:38:17,430

research informed by the kind of

816

00:38:23,209 --> 00:38:20,969

mysticism that he felt did not help us

817

00:38:25,459 --> 00:38:23,219

understand the nature of the subject

818

00:38:27,380 --> 00:38:25,469

that we were dealing with again if

819

00:38:29,779 --> 00:38:27,390

anything now an even more complex

820

00:38:33,279 --> 00:38:29,789

subject with so many people looking at

821

00:38:35,630 --> 00:38:33,289

the whole UFO phenomena from a decidedly

822

00:38:39,109 --> 00:38:35,640

religious quasi religious sort of matrix

823

00:38:41,449 --> 00:38:39,119

it is it's an eternal struggle and

824

00:38:45,289 --> 00:38:41,459

battle I believe between science and

825

00:38:47,390 --> 00:38:45,299

religion that again if you have one of

826

00:38:49,009 --> 00:38:47,400

these experiences it really is the lens

827

00:38:51,739 --> 00:38:49,019

in which you choose to perceive it

828

00:38:53,660 --> 00:38:51,749

whatever you decide and choose to accept

829

00:38:55,370 --> 00:38:53,670

in your life as this is what happened to

830

00:38:57,499 --> 00:38:55,380

me I would have to agree Peter that at

831

00:39:00,289 --> 00:38:57,509

this point in my research I don't

832

00:39:02,089 --> 00:39:00,299

necessarily care one way or another this

833

00:39:03,679 --> 00:39:02,099

is what Betty believes happened that's

834

00:39:05,209 --> 00:39:03,689

the story she's going to tell and it's

835

00:39:07,279 --> 00:39:05,219

up to the listener and the other

836

00:39:10,219 --> 00:39:07,289

experiencers to decide if they choose to

837

00:39:12,079 --> 00:39:10,229

believe that or not the other small

838

00:39:13,759 --> 00:39:12,089

thing I did want to bring up in terms of

839

00:39:16,699 --> 00:39:13,769

this case is that one of the family

840

00:39:19,849 --> 00:39:16,709

members came forward in the last few

841

00:39:23,689 --> 00:39:19,859

years or so claiming that they believe

842

00:39:25,209 --> 00:39:23,699

that this entire incident was a hoax

843

00:39:28,400 --> 00:39:25,219

perpetrated by Betty

844

00:39:30,410 --> 00:39:28,410

unfortunately no in terms of family

845

00:39:33,229 --> 00:39:30,420

members coming forward and and making

846

00:39:35,209 --> 00:39:33,239

these claims what would you say to

847

00:39:37,699 --> 00:39:35,219

someone who is a severe skeptic and

848

00:39:40,069 --> 00:39:37,709

would believe that someone would make

849

00:39:41,029 --> 00:39:40,079

this entire thing up and spend the rest

850

00:39:42,289 --> 00:39:41,039

of their life

851
00:39:43,279 --> 00:39:42,299
talking about it like you mentioned

852
00:39:45,459 --> 00:39:43,289
Betty went there were a lot of hard

853
00:39:47,809 --> 00:39:45,469
times after this event happened

854
00:39:50,089 --> 00:39:47,819
family members were lost and whatnot

855
00:39:52,219 --> 00:39:50,099
what do you make of the idea to the

856
00:39:55,069 --> 00:39:52,229
skeptics who say nope none of this it's

857
00:39:58,640 --> 00:39:55,079
all complete [h__\h] well for starters

858
00:40:01,699 --> 00:39:58,650
if somebody has an intention to deceive

859
00:40:04,069 --> 00:40:01,709
and they come off as a basically sincere

860
00:40:06,769 --> 00:40:04,079
person commit committed in every respect

861
00:40:09,920 --> 00:40:06,779
of behavior and language and

862
00:40:12,710 --> 00:40:09,930
pronouncements and work

863
00:40:15,500 --> 00:40:12,720

to make it seem the deception they want

864

00:40:18,230 --> 00:40:15,510

to perpetrate is actual it's doable for

865

00:40:21,260 --> 00:40:18,240

whatever reasons it seems to be part of

866

00:40:23,240 --> 00:40:21,270

human nature that some people are intent

867

00:40:25,760 --> 00:40:23,250

on deceiving other people and some

868

00:40:27,710 --> 00:40:25,770

people are very good at it so let me put

869

00:40:32,510 --> 00:40:27,720

it this way much as I like respect

870

00:40:34,730 --> 00:40:32,520

admire Betty if it could be proved to my

871

00:40:37,730 --> 00:40:34,740

satisfaction which is fairly high

872

00:40:40,370 --> 00:40:37,740

standard that this family members

873

00:40:44,030 --> 00:40:40,380

allegation were true I'm go gosh that's

874

00:40:47,720 --> 00:40:44,040

kind of sad and it happens it does not

875

00:40:49,760 --> 00:40:47,730

make other cases or other individuals

876

00:40:52,010 --> 00:40:49,770

who have claimed similar things and had

877

00:40:54,200 --> 00:40:52,020

them backed up and scientifically etc

878

00:40:56,359 --> 00:40:54,210

wrong it just means that this person

879

00:41:00,230 --> 00:40:56,369

wasn't telling the truth and was good at

880

00:41:02,170 --> 00:41:00,240

it and perpetrated a fraud yeah those

881

00:41:04,760 --> 00:41:02,180

things happen i I think in ufology

882

00:41:06,650 --> 00:41:04,770

they're well in the minority but they

883

00:41:08,569 --> 00:41:06,660

certainly happen I I think that's a good

884

00:41:11,150 --> 00:41:08,579

point to is I spoke to a gentleman

885

00:41:12,680 --> 00:41:11,160

recently about being the first person to

886

00:41:15,650 --> 00:41:12,690

ever have witnessed the black-eyed

887

00:41:18,620 --> 00:41:15,660

children-- phenomenon and he told me you

888

00:41:20,930 --> 00:41:18,630

know if if someone could come forward

889

00:41:23,000 --> 00:41:20,940

and tell me that they pulled a prank on

890

00:41:25,309 --> 00:41:23,010

me that day or that this was all you

891

00:41:27,710 --> 00:41:25,319

know part of some some elaborate hoax he

892

00:41:30,470 --> 00:41:27,720

said please do it please tell me please

893

00:41:32,660 --> 00:41:30,480

prove to me that what I saw was not a

894

00:41:34,640 --> 00:41:32,670

genuine experience and I will I will

895

00:41:37,370 --> 00:41:34,650

accept that and I will move on I think

896

00:41:40,430 --> 00:41:37,380

it's important that Betty has never

897

00:41:42,260 --> 00:41:40,440

claimed that oh try to prove me wrong

898

00:41:44,930 --> 00:41:42,270

try to prove me wrong she will say if

899

00:41:47,839 --> 00:41:44,940

you can back up my case with scientific

900

00:41:49,280 --> 00:41:47,849

evidence I hope you can but until then

901
00:41:51,500 --> 00:41:49,290
this is what I believe happened to me

902
00:41:53,210 --> 00:41:51,510
and that's what I'm going to continue to

903
00:41:55,339 --> 00:41:53,220
believe and I think that's very

904
00:41:56,780 --> 00:41:55,349
important so I would have to agree with

905
00:42:00,380 --> 00:41:56,790
you anyone who believes that this case

906
00:42:02,870 --> 00:42:00,390
is 100% a hoax I highly suggest that

907
00:42:05,809 --> 00:42:02,880
they look at the work of Fowler and take

908
00:42:07,609 --> 00:42:05,819
the the opinions and the educated

909
00:42:09,380 --> 00:42:07,619
opinions by people like yourself and

910
00:42:12,049 --> 00:42:09,390
other abduction researchers that

911
00:42:14,150 --> 00:42:12,059
something definitely happened to Betty

912
00:42:16,490 --> 00:42:14,160
what exactly that was we may never know

913
00:42:17,780 --> 00:42:16,500

but again we deal with that every day

914

00:42:20,299 --> 00:42:17,790

with this topic

915

00:42:23,230 --> 00:42:20,309

yeah I'm remembering at this point

916

00:42:25,480 --> 00:42:23,240

there's no hard statistic of

917

00:42:28,359 --> 00:42:25,490

how many of what type of beings

918

00:42:31,960 --> 00:42:28,369

abductees and experiences report having

919

00:42:34,930 --> 00:42:31,970

seen or interfaced or had exchanges with

920

00:42:36,820 --> 00:42:34,940

and if such a statistic alleged to exist

921

00:42:38,880 --> 00:42:36,830

we would immediately have to question it

922

00:42:41,770 --> 00:42:38,890

as problematic because there's no way of

923

00:42:44,020 --> 00:42:41,780

actually knowing okay and maybe they'll

924

00:42:47,440 --> 00:42:44,030

never be in the years I work with Budd

925

00:42:51,270 --> 00:42:47,450

I think we both agreed informally that

926
00:42:54,850 --> 00:42:51,280
of all the reports of beings other

927
00:42:57,940 --> 00:42:54,860
intelligences aliens a word I've never

928
00:43:00,490 --> 00:42:57,950
been comfortable with in this realm etc

929
00:43:04,960 --> 00:43:00,500
I don't know three-quarters eighty

930
00:43:06,340 --> 00:43:04,970
percent of them maybe were in the very

931
00:43:09,130 --> 00:43:06,350
much in the range of what we'll call an

932
00:43:12,760 --> 00:43:09,140
archetypical gray also it's interesting

933
00:43:14,710 --> 00:43:12,770
to note that in the Andreasen affair the

934
00:43:17,080 --> 00:43:14,720
beings that we keep dealing with are

935
00:43:18,850 --> 00:43:17,090
these archetypical greys but this book

936
00:43:21,490 --> 00:43:18,860
was written so long ago that that term

937
00:43:26,200 --> 00:43:21,500
didn't exist at the time but the other

938
00:43:30,099 --> 00:43:26,210

20% or quarter or so varied wildly once

939

00:43:33,010 --> 00:43:30,109

again was this a function of a fact that

940

00:43:36,220 --> 00:43:33,020

there are a whole lot of them and they

941

00:43:38,740 --> 00:43:36,230

look really different and maybe a range

942

00:43:44,170 --> 00:43:38,750

of them fit into the immortally

943

00:43:46,090 --> 00:43:44,180

wonderful Star Wars bar scene or that

944

00:43:49,300 --> 00:43:46,100

they're you know pulsating bits of

945

00:43:52,300 --> 00:43:49,310

amoeba that have no relationship or

946

00:43:54,790 --> 00:43:52,310

appearance similarities to humanoids or

947

00:43:57,280 --> 00:43:54,800

is this something that is put in the

948

00:43:59,920 --> 00:43:57,290

minds of those involved by these

949

00:44:02,109 --> 00:43:59,930

intelligences for whatever reasons or is

950

00:44:04,990 --> 00:44:02,119

it informed by the physiology and

951
00:44:07,870 --> 00:44:05,000
defensive aspects of human shock or some

952
00:44:12,099 --> 00:44:07,880
combination thereof I am completely sure

953
00:44:13,570 --> 00:44:12,109
that I have no idea I could not agree

954
00:44:15,730 --> 00:44:13,580
with you more my friend and I think

955
00:44:18,550 --> 00:44:15,740
that's where I land on this case as well

956
00:44:19,990 --> 00:44:18,560
it is fascinating I have no idea yet

957
00:44:22,000 --> 00:44:20,000
what to make of it I'm gonna continue

958
00:44:23,980 --> 00:44:22,010
looking into it as I'm sure all the

959
00:44:26,380 --> 00:44:23,990
listeners will and I have to thank you

960
00:44:28,900 --> 00:44:26,390
for taking the time to come on and talk

961
00:44:30,790 --> 00:44:28,910
through this with me today I value your

962
00:44:33,190 --> 00:44:30,800
educated opinion on this as I'm sure the

963
00:44:35,680 --> 00:44:33,200

listeners will as well I guess to end

964

00:44:37,040 --> 00:44:35,690

you have anything coming up that you can

965

00:44:40,880 --> 00:44:37,050

let our listeners know about

966

00:44:43,790 --> 00:44:40,890

right now funny here in the Northeast

967

00:44:46,940 --> 00:44:43,800

where the seasonal change is very visual

968

00:44:50,329 --> 00:44:46,950

as we have come into autumn my schedule

969

00:44:52,220 --> 00:44:50,339

out there speaking in the world is now

970

00:44:55,670 --> 00:44:52,230

gone quiet for a while

971

00:44:57,950 --> 00:44:55,680

after a fairly intense late summer in

972

00:45:01,400 --> 00:44:57,960

early autumn and so this is where I go

973

00:45:03,650 --> 00:45:01,410

back to finishing up the book that I

974

00:45:05,450 --> 00:45:03,660

have been working on for a while that

975

00:45:07,640 --> 00:45:05,460

will be out sometime next year hopefully

976

00:45:10,520 --> 00:45:07,650

early next year begin to look for

977

00:45:14,359 --> 00:45:10,530

speaking jobs also for next year and

978

00:45:17,000 --> 00:45:14,369

drafting out a project that I had in

979

00:45:19,760 --> 00:45:17,010

mind for some time but need to complete

980

00:45:22,160 --> 00:45:19,770

this one on and the odd bits of weather

981

00:45:24,079 --> 00:45:22,170

proofing and getting ready for winter

982

00:45:26,780 --> 00:45:24,089

here in central New York nothing you can

983

00:45:28,970 --> 00:45:26,790

relate to I'm sure I will tell you one

984

00:45:31,040 --> 00:45:28,980

thing my friend adapting to the west

985

00:45:37,970 --> 00:45:31,050

coast has been difficult but I will not

986

00:45:39,859 --> 00:45:37,980

miss this coming winter with that Peter

987

00:45:41,690 --> 00:45:39,869

again thank you for coming on somewhere

988

00:45:44,480 --> 00:45:41,700

in this guise today my pleasure and

989

00:45:46,970 --> 00:45:44,490

looking forward to our paths crossing

990

00:45:49,070 --> 00:45:46,980

again next wherever and whenever always

991

00:45:51,079 --> 00:45:49,080

992

00:45:56,810 --> 00:45:54,420

served as a detailed overview of this

994

00:45:59,750 --> 00:45:56,820

hotly debated abduction case whether you

995

00:46:02,690 --> 00:45:59,760

love escaping the city tune in and I

1045

00:48:10,060 --> 00:48:07,400

know this is a touchy subject for us

1046

00:48:12,400 --> 00:48:10,070

that would be butter tarts touchy all

1047

00:48:14,350 --> 00:48:12,410

right some say polarizing I love the

1048

00:48:15,220 --> 00:48:14,360

raisin and I love the napkin some people

1049

00:48:17,800 --> 00:48:15,230

they go plain

1050

00:48:19,840 --> 00:48:17,810

well maybe Jeff wood can settle the

1051

00:48:21,490 --> 00:48:19,850

debate he created the core that

1052

00:48:23,680 --> 00:48:21,500

Northumberland butter tart sewer and
