[Music]

38

00:02:09,869 --> 00:02:06,880

welcome to somewhere in the skies I'm

39

00:02:12,630 --> 00:02:09,879

your host Ryan Sprague I saw what I

40

00:02:16,050 --> 00:02:12,640

believed to have been a UFO when I was

41

00:02:18,809 --> 00:02:16,060

12 years old that event clearly had a

42

00:02:20,910 --> 00:02:18,819

huge impact on me and how my life played

43

00:02:23,820 --> 00:02:20,920

out ever since and this got me thinking

44

00:02:26,640 --> 00:02:23,830

about a topic that I haven't covered yet

45

00:02:29,699 --> 00:02:26,650

on the show in that childhood UFO

46

00:02:32,550 --> 00:02:29,709

encounters we often ignore the small

47

00:02:35,759 --> 00:02:32,560

voices of children brushing their words

48

00:02:38,400 --> 00:02:35,769

off as pure imagination but when the

49

00:02:41,309 --> 00:02:38,410

eyes of hundreds of children witness a

50

00:02:44,640 --> 00:02:41,319

UFO at the same time it's hard to ignore

51
00:02:46,710 --> 00:02:44,650
that something is going on is it merely

52
00:02:49,440 --> 00:02:46,720
children making up stories

53
00:02:53,180 --> 00:02:49,450
a mass hysteria running through their

54
00:02:55,319 --> 00:02:53,190
impressionable minds or Arthur actually

55
00:02:57,539 --> 00:02:55,329
intelligences from other planets

56
00:03:00,180 --> 00:02:57,549
visiting these children to attempt

57
00:03:03,330 --> 00:03:00,190
communication when adults simply can't

58
00:03:05,129 --> 00:03:03,340
or won't listen today I speak with

59
00:03:07,289 --> 00:03:05,139
Michael Huntington about some of the

60
00:03:10,500 --> 00:03:07,299
most interesting and bizarre cases of

61
00:03:13,250 --> 00:03:10,510
children and UFOs stretching back almost

62
00:03:16,080 --> 00:03:13,260
a century and all across the world

63
00:03:18,599 --> 00:03:16,090

Michael is a paranormal travelled writer

64

00:03:21,599 --> 00:03:18,609

and UFO researcher living in Cape

65

00:03:23,640 --> 00:03:21,609

Girardeau Missouri each year he travels

66

00:03:25,740 --> 00:03:23,650

with his wife and two young boys to

67

00:03:28,589 --> 00:03:25,750

dozens of strange and interesting

68

00:03:31,289 --> 00:03:28,599

locations throughout America chronicling

69

00:03:33,990 --> 00:03:31,299

their adventures in blog form known as

70

00:03:37,379 --> 00:03:34,000

strange travels michael has researched

71

00:03:39,659 --> 00:03:37,389

the UFO mystery for over 40 years and

72

00:03:42,089 --> 00:03:39,669

frequently writes on issues related to

73

00:03:44,580 --> 00:03:42,099

the reform of ufology and improving

74

00:03:46,500 --> 00:03:44,590

rational methodology he has been

75

00:03:49,140 --> 00:03:46,510

interviewed on television and numerous

76

00:03:51,809 --> 00:03:49,150

radio programs discussing a variety of

77

00:03:55,559 --> 00:03:51,819

paranormal topics his family's unusual

78

00:03:57,629 --> 00:03:55,569

travels and the enigmatic UFO subject so

79

00:04:00,030 --> 00:03:57,639

without further ado here's my

80

00:04:03,210 --> 00:04:00,040

conversation with Michael Huntington

81

00:04:04,710 --> 00:04:03,220

there is a topic within the UFO subset

82

00:04:06,300 --> 00:04:04,720

that I've wanted to cover for a while

83

00:04:08,130 --> 00:04:06,310

now and I couldn't think of a better

84

00:04:10,259 --> 00:04:08,140

person to bring on to sort of hash this

85

00:04:12,110 --> 00:04:10,269

out with me we're gonna overview some of

86

00:04:15,470 --> 00:04:12,120

the most famous

87

00:04:17,509 --> 00:04:15,480

called UFO cases in UFO history like I

88

00:04:20,060 --> 00:04:17,519

said this is a subset of sightings that

89

00:04:22,280 --> 00:04:20,070

often gets overlooked and now what I

90

00:04:25,129 --> 00:04:22,290

find as I'm sure you do Michael is that

91

00:04:26,719 --> 00:04:25,139

children usually are honest you know

92

00:04:28,790 --> 00:04:26,729

they're innocent by standards when it

93

00:04:31,700 --> 00:04:28,800

comes to this topic so again usually

94

00:04:33,770 --> 00:04:31,710

you're getting this unfettered sort of

95

00:04:36,379 --> 00:04:33,780

uncensored account when children have

96

00:04:38,510 --> 00:04:36,389

the UFO sighting or encounter and those

97

00:04:40,100 --> 00:04:38,520

encounters are often very dramatic and

98

00:04:43,189 --> 00:04:40,110

what I didn't know personally is that

99

00:04:44,480 --> 00:04:43,199

there are many more cases that I first

100

00:04:46,939 --> 00:04:44,490

thought could be lumped into this

101
00:04:48,830 --> 00:04:46,949
category there's so many of them out

102
00:04:50,930 --> 00:04:48,840
there so I'd love to go through a bunch

103
00:04:52,790 --> 00:04:50,940
of those today my guest is Michael

104
00:04:54,890 --> 00:04:52,800
Huntington Michael thank you so much for

105
00:04:57,409 --> 00:04:54,900
joining me today man oh it's a it's

106
00:04:59,840 --> 00:04:57,419
always great to talk to you and yeah I'm

107
00:05:01,879 --> 00:04:59,850
not looking forward to discussing these

108
00:05:04,400 --> 00:05:01,889
cases they're definitely interesting and

109
00:05:06,860 --> 00:05:04,410
I think it might surprise people with

110
00:05:08,719 --> 00:05:06,870
the what we came up with here I think so

111
00:05:11,210 --> 00:05:08,729
like we'd been talking about earlier

112
00:05:12,770 --> 00:05:11,220
there's a lot of literature and

113
00:05:14,840 --> 00:05:12,780

documentaries that are gonna be coming

114

00:05:18,080 --> 00:05:14,850

out soon about this very topic of

115

00:05:20,120 --> 00:05:18,090

children in UFOs and why so many kids

116

00:05:22,129 --> 00:05:20,130

have seen UFOs throughout the years so I

117

00:05:25,370 --> 00:05:22,139

think it's very appropriate that we kind

118

00:05:27,050 --> 00:05:25,380

of run through this and you know get

119

00:05:29,529 --> 00:05:27,060

that out there so people can look into

120

00:05:32,330 --> 00:05:29,539

it before all of this really stunning

121

00:05:35,810 --> 00:05:32,340

revelations and documentation of these

122

00:05:38,779 --> 00:05:35,820

come out so again thank you I guess we

123

00:05:41,540 --> 00:05:38,789

sort of have to start really early on

124

00:05:44,750 --> 00:05:41,550

and one of the first cases that you and

125

00:05:46,010 --> 00:05:44,760

I came across was the the 1917 Fatima

126

00:05:47,750 --> 00:05:46,020

sighting in Portugal

127

00:05:50,300 --> 00:05:47,760

you know while many believe this to be a

128

00:05:52,939 --> 00:05:50,310

religious experience the actual accounts

129

00:05:55,370 --> 00:05:52,949

were very similar to a UFO sighting if

130

00:05:57,110 --> 00:05:55,380

I'm not mistaken so maybe you could sort

131

00:05:59,860 --> 00:05:57,120

of run us through this and get us

132

00:06:03,560 --> 00:05:59,870

started on child encounters with UFOs

133

00:06:05,900 --> 00:06:03,570

yeah definitely and before we jump into

134

00:06:07,969 --> 00:06:05,910

this I would want to say that you're

135

00:06:11,420 --> 00:06:07,979

absolutely right this is giving the

136

00:06:13,879 --> 00:06:11,430

surface of these types of encounters and

137

00:06:16,250 --> 00:06:13,889

we're gonna try to focus on you know

138

00:06:18,710 --> 00:06:16,260

some of the better documented ones the

139

00:06:21,230 --> 00:06:18,720

ones with a lot of witnesses but there

140

00:06:23,630 --> 00:06:21,240

are certainly hundreds if not thousands

141

00:06:25,399 --> 00:06:23,640

of other cases out there just involving

142

00:06:27,889 --> 00:06:25,409

young children and really a gift

143

00:06:31,850 --> 00:06:27,899

place to start would be a hundred years

144

00:06:33,969 --> 00:06:31,860

ago in Fatima and you're right we people

145

00:06:36,889 --> 00:06:33,979

look at this story

146

00:06:40,339 --> 00:06:36,899

this account it's definitely viewed as a

147

00:06:43,189 --> 00:06:40,349

religious miracle and it can certainly

148

00:06:45,859 --> 00:06:43,199

be viewed through that angle in fact all

149

00:06:49,669 --> 00:06:45,869

the participants of muted through you

150

00:06:52,339 --> 00:06:49,679

know a rural hesitant Catholic view

151
00:06:55,209 --> 00:06:52,349
point when they tried to interpret what

152
00:06:57,739 --> 00:06:55,219
was an unusual series of events

153
00:07:00,649 --> 00:06:57,749
involving lights in the sky and people

154
00:07:03,109 --> 00:07:00,659
coming down from the lights and giving

155
00:07:05,749 --> 00:07:03,119
messages which you know even if you

156
00:07:08,389 --> 00:07:05,759
separate the religious aspect that you

157
00:07:10,459 --> 00:07:08,399
at least have on some level if there was

158
00:07:15,859 --> 00:07:10,469
indeed an incident you know pretty much

159
00:07:18,919 --> 00:07:15,869
a classic encounter in 1917 what this

160
00:07:21,859 --> 00:07:18,929
began around was three children and they

161
00:07:23,989 --> 00:07:21,869
were uh peasant cheeseburgers they were

162
00:07:25,489 --> 00:07:23,999
run like seven or eight years of age and

163
00:07:29,529 --> 00:07:25,499

you know they were looking after their

164

00:07:31,999 --> 00:07:29,539

their flock and they had a series of

165

00:07:34,369 --> 00:07:32,009

lights coming down from the sky and

166

00:07:37,569 --> 00:07:34,379

glowing beings which they viewed as

167

00:07:40,879 --> 00:07:37,579

angels and the Virgin Mary came out and

168

00:07:44,989 --> 00:07:40,889

gave messages and there was a I think

169

00:07:47,540 --> 00:07:44,999

five events that took place over over

170

00:07:51,040 --> 00:07:47,550

the course of that year and it became

171

00:07:54,879 --> 00:07:51,050

engulfed you know by the the local

172

00:07:58,040 --> 00:07:54,889

Catholics in the area as a miracle and

173

00:08:00,679 --> 00:07:58,050

towards the latter parts of these

174

00:08:02,749 --> 00:08:00,689

encounters there were possibly tens of

175

00:08:05,749 --> 00:08:02,759

thousands of witnesses to you know

176

00:08:08,689 --> 00:08:05,759

strange happenings in the sky now talk

177

00:08:12,279 --> 00:08:08,699

about a mass sight oh yes I think some

178

00:08:15,109 --> 00:08:12,289

numbers for I think the the October 13th

179

00:08:17,600 --> 00:08:15,119

encounter which was called the miracle

180

00:08:19,939 --> 00:08:17,610

of the Sun had somewhere seventy

181

00:08:21,919 --> 00:08:19,949

thousand witnesses Wow

182

00:08:23,649 --> 00:08:21,929

whether or not we could attribute this

183

00:08:25,729 --> 00:08:23,659

to some sort of religious mass hysteria

184

00:08:27,589 --> 00:08:25,739

coupled with you know some sort of

185

00:08:30,109 --> 00:08:27,599

atmospheric phenomenon you know that

186

00:08:32,059 --> 00:08:30,119

that's that's sort of separate from you

187

00:08:35,120 --> 00:08:32,069

know the issue as to whether or not

188

00:08:37,279 --> 00:08:35,130

something happened you know and there's

189

00:08:38,790 --> 00:08:37,289

a lot to suggest that there was least at

190

00:08:41,730 --> 00:08:38,800

the outset with the

191

00:08:44,400 --> 00:08:41,740

children some sort of some sort of

192

00:08:46,440 --> 00:08:44,410

physical event some sort of actual you

193

00:08:48,090 --> 00:08:46,450

know glowing craft you know with

194

00:08:50,280 --> 00:08:48,100

lightnings shooting out of it you know

195

00:08:53,550 --> 00:08:50,290

we get a lot of the elements here that

196

00:08:56,040 --> 00:08:53,560

went on into some of the contactee

197

00:08:58,110 --> 00:08:56,050

stories you know these children ended up

198

00:09:00,030 --> 00:08:58,120

becoming a Saints they're they're on

199

00:09:02,550 --> 00:09:00,040

their way to be become a saint you know

200

00:09:06,030 --> 00:09:02,560

they ended up going into the clergy

201
00:09:08,730 --> 00:09:06,040
because of this this miracle and they

202
00:09:11,850 --> 00:09:08,740
had revelations that they got from these

203
00:09:14,639 --> 00:09:11,860
an Angels relative to you know a lot of

204
00:09:17,699 --> 00:09:14,649
the contactee messages of you know let's

205
00:09:20,940 --> 00:09:17,709
end war let's you know work together you

206
00:09:23,280 --> 00:09:20,950
know sort of the utopian vision of of

207
00:09:25,650 --> 00:09:23,290
what earth should be so it's uh yeah

208
00:09:28,050 --> 00:09:25,660
it's really an intriguing case and it's

209
00:09:30,480 --> 00:09:28,060
a good kickoff to looking at cases that

210
00:09:32,790 --> 00:09:30,490
involve kids because they definitely

211
00:09:34,920 --> 00:09:32,800
have had their impact and this is a good

212
00:09:36,930 --> 00:09:34,930
one to start with I think so you know

213
00:09:39,420 --> 00:09:36,940

and children are so susceptible at first

214

00:09:41,850 --> 00:09:39,430

you know when these kids clearly were

215

00:09:44,310 --> 00:09:41,860

raised pretty religious I would assume

216

00:09:46,440 --> 00:09:44,320

at this time that they would perceive

217

00:09:48,329 --> 00:09:46,450

this as a miracle that this was the

218

00:09:50,220 --> 00:09:48,339

Fatima and I think that's pretty

219

00:09:52,500 --> 00:09:50,230

interesting we do hear this a lot that

220

00:09:54,690 --> 00:09:52,510

people who have UFO sightings a lot of

221

00:09:57,269 --> 00:09:54,700

them consider it a religious experience

222

00:09:58,620 --> 00:09:57,279

and I'm sure some of the other cases

223

00:10:00,600 --> 00:09:58,630

involved that as well that we'll go

224

00:10:03,300 --> 00:10:00,610

through but yeah let's fast-forward

225

00:10:06,690 --> 00:10:03,310

Michael to uh what do we got next we've

226

00:10:08,850 --> 00:10:06,700

got 1952 now this is a case that I

227

00:10:10,260 --> 00:10:08,860

covered on a patreon bonus episode of

228

00:10:13,410 --> 00:10:10,270

somewhere in the skies and that's the

229

00:10:15,840 --> 00:10:13,420

flatwoods monster by far one of the most

230

00:10:17,880 --> 00:10:15,850

incredible cases out there one of my

231

00:10:19,110 --> 00:10:17,890

favorites and it's pretty well known in

232

00:10:21,840 --> 00:10:19,120

West Virginia you know where this

233

00:10:24,510 --> 00:10:21,850

happened but too many monster and UFO

234

00:10:26,970 --> 00:10:24,520

Hunters it's basically it involved both

235

00:10:28,079 --> 00:10:26,980

of these things so you got to tell us a

236

00:10:29,939 --> 00:10:28,089

little bit more about what you know

237

00:10:32,970 --> 00:10:29,949

about the flatwoods monster Michael yeah

238

00:10:34,860 --> 00:10:32,980

the the flatwoods monsters is one of my

239

00:10:37,470 --> 00:10:34,870

favorite cases because it's it's just a

240

00:10:39,900 --> 00:10:37,480

weird you know it's it's got it's got

241

00:10:42,060 --> 00:10:39,910

ten foot tall creatures and then weird

242

00:10:44,519 --> 00:10:42,070

weird saucers and you know government

243

00:10:46,319 --> 00:10:44,529

men coming into you know punish

244

00:10:48,329 --> 00:10:46,329

everybody up so it's got all those sort

245

00:10:49,980 --> 00:10:48,339

of but you know classic elements that

246

00:10:52,260 --> 00:10:49,990

you would find in any sort of science

247

00:10:54,570 --> 00:10:52,270

fiction film but flat

248

00:10:57,750 --> 00:10:54,580

when it happened you know in 19

249

00:11:00,210 --> 00:10:57,760

September 12 1952 that the time period

250

00:11:02,340 --> 00:11:00,220

of the 50s was starting to you know get

251
00:11:04,920 --> 00:11:02,350
that science fiction element you know

252
00:11:06,450 --> 00:11:04,930
influence within the with within the

253
00:11:08,370 --> 00:11:06,460
culture you know you were starting to

254
00:11:10,880 --> 00:11:08,380
get a lot of book sort of science

255
00:11:13,950 --> 00:11:10,890
fiction ideas there in the culture and

256
00:11:16,080 --> 00:11:13,960
so when this story came out it was

257
00:11:19,620 --> 00:11:16,090
definitely picked up by the media and

258
00:11:22,080 --> 00:11:19,630
you know 52 you know that period

259
00:11:25,230 --> 00:11:22,090
everybody was saucer crazy and and this

260
00:11:28,380 --> 00:11:25,240
story became one of the most famous ones

261
00:11:30,990 --> 00:11:28,390
of its time because it was all over the

262
00:11:33,060 --> 00:11:31,000
media and you know a blue book looked

263
00:11:35,100 --> 00:11:33,070

into it and pretty much all the author

264

00:11:37,410 --> 00:11:35,110

researchers of the of the time period

265

00:11:40,950 --> 00:11:37,420

had opinions on this case and what it

266

00:11:42,390 --> 00:11:40,960

was is on the evening September 12

267

00:11:43,680 --> 00:11:42,400

around 7:00 there were some kids playing

268

00:11:47,190 --> 00:11:43,690

football

269

00:11:49,230 --> 00:11:47,200

around sunset kids will do that until

270

00:11:50,970 --> 00:11:49,240

you know their parents yell at him to

271

00:11:53,100 --> 00:11:50,980

come home and there were some kids

272

00:11:56,070 --> 00:11:53,110

playing in the school's football field

273

00:11:57,240 --> 00:11:56,080

and they witness an object like some

274

00:12:00,360 --> 00:11:57,250

sort of fireball or

275

00:12:03,660 --> 00:12:00,370

reddish ball of fly overhead at it and

276

00:12:06,660 --> 00:12:03,670

go into into some of the nearby fields

277

00:12:08,460 --> 00:12:06,670

you know so as any group of kids that

278

00:12:10,260 --> 00:12:08,470

would witness something like that you

279

00:12:11,820 --> 00:12:10,270

know you're gonna start running going

280

00:12:15,000 --> 00:12:11,830

towards it you know at least the braver

281

00:12:17,760 --> 00:12:15,010

kids sure there's surely some kids that

282

00:12:20,250 --> 00:12:17,770

said oh no time to go home that would be

283

00:12:23,060 --> 00:12:20,260

me not gonna lie right but some of them

284

00:12:26,520 --> 00:12:23,070

did venture up towards where this object

285

00:12:28,050 --> 00:12:26,530

presumably came down and collected a

286

00:12:30,810 --> 00:12:28,060

couple other kids along the way maybe

287

00:12:32,460 --> 00:12:30,820

and and and got an adult with them but

288

00:12:36,090 --> 00:12:32,470

yeah I think it was a Edward and Freddie

289

00:12:39,960 --> 00:12:36,100

Mae and then Tommy higher and Neil

290

00:12:42,630 --> 00:12:39,970

Nunley and Ronny shaver in Eugene lemon

291

00:12:45,090 --> 00:12:42,640

along with Kathleen Mae who was the one

292

00:12:47,400 --> 00:12:45,100

adult they all ventured climbed over a

293

00:12:49,200 --> 00:12:47,410

fence and went into the the Bailey

294

00:12:51,390 --> 00:12:49,210

Fisher farm where this object or they

295

00:12:53,190 --> 00:12:51,400

thought it went down so you know it's

296

00:12:55,260 --> 00:12:53,200

starting to get dark they're growing up

297

00:12:57,390 --> 00:12:55,270

here in the dark there's a group of them

298

00:12:59,340 --> 00:12:57,400

they're all kind of excited and they're

299

00:13:02,220 --> 00:12:59,350

moving up towards what they perceive to

300

00:13:05,090 --> 00:13:02,230

be an object you know I'm sort of maybe

301

00:13:08,150 --> 00:13:05,100

car or truck sized object

302

00:13:09,800 --> 00:13:08,160

kind of a orange reddish pear you know

303

00:13:12,200 --> 00:13:09,810

smoke coming off of it stirred of

304

00:13:14,930 --> 00:13:12,210

hissing you know Flying Saucer meteor

305

00:13:16,190 --> 00:13:14,940

who knows though they they're all kind

306

00:13:17,930 --> 00:13:16,200

of frightened they notice they can't

307

00:13:20,150 --> 00:13:17,940

smelled weird like you know some sort of

308

00:13:22,370 --> 00:13:20,160

diesel fuel or some sort of chemicals

309

00:13:24,620 --> 00:13:22,380

now there's sort of a weird mist all

310

00:13:27,410 --> 00:13:24,630

around you know yeah they ventured

311

00:13:30,470 --> 00:13:27,420

closer to try to get a better view and

312

00:13:35,690 --> 00:13:30,480

as they approached they saw a creature

313

00:13:39,050 --> 00:13:35,700

about ten feet tall with big yellowish

314

00:13:42,020 --> 00:13:39,060

eyes and a big red circular head and

315

00:13:43,940 --> 00:13:42,030

some sort of a big you know apparatus

316

00:13:45,680 --> 00:13:43,950

around its head you know possibly some

317

00:13:48,290 --> 00:13:45,690

sort of helmet or whatever and you know

318

00:13:50,800 --> 00:13:48,300

some a long metallic skirt and little

319

00:13:54,020 --> 00:13:50,810

you know spindly hands and they were

320

00:13:56,930 --> 00:13:54,030

stopped dead in their tracks and ran

321

00:13:58,340 --> 00:13:56,940

away flew back home and you know did

322

00:14:01,730 --> 00:13:58,350

what normal people would do they would

323

00:14:03,860 --> 00:14:01,740

you know call the police and and you

324

00:14:04,940 --> 00:14:03,870

know from there you get your lights you

325

00:14:06,350 --> 00:14:04,950

know typical response of course

326

00:14:09,080 --> 00:14:06,360

nothing's gonna be there when you get

327

00:14:11,510 --> 00:14:09,090

there you know maybe a little bit of

328

00:14:13,520 --> 00:14:11,520

weird you know slime on the ground maybe

329

00:14:15,470 --> 00:14:13,530

a little bit of mist leftover sort of a

330

00:14:17,570 --> 00:14:15,480

weird smell but you know nothing was

331

00:14:20,060 --> 00:14:17,580

there when the police investigated and

332

00:14:22,040 --> 00:14:20,070

as with these cases at the time I am you

333

00:14:23,810 --> 00:14:22,050

know the the local military do take

334

00:14:26,750 --> 00:14:23,820

interest you know yeah National Guard's

335

00:14:28,550 --> 00:14:26,760

and I'm out there looking to see if you

336

00:14:30,830 --> 00:14:28,560

know if there's anything out there that

337

00:14:33,620 --> 00:14:30,840

they need to be concerned of concerned

338

00:14:36,350 --> 00:14:33,630

with and you know there was there was

339

00:14:39,170 --> 00:14:36,360

nothing so ultimately you know due to

340

00:14:41,360 --> 00:14:39,180

the lack of evidence you know the

341

00:14:43,310 --> 00:14:41,370

government or I don't know maybe there

342

00:14:46,040 --> 00:14:43,320

was evidence maybe it was covered up who

343

00:14:48,650 --> 00:14:46,050

knows but you know it sort of it has

344

00:14:50,360 --> 00:14:48,660

been labeled as you know a meteor event

345

00:14:53,030 --> 00:14:50,370

you know that a meteor came down

346

00:14:56,180 --> 00:14:53,040

although I would think that there would

347

00:14:58,100 --> 00:14:56,190

still be a meteor yeah there you know so

348

00:15:00,410 --> 00:14:58,110

that that that doesn't kind of you know

349

00:15:03,110 --> 00:15:00,420

really wash what what happened there who

350

00:15:07,130 --> 00:15:03,120

knows maybe some sort of uh you know

351
00:15:08,660 --> 00:15:07,140
actual geological event maybe some sort

352
00:15:11,000 --> 00:15:08,670
of craft maybe some sort of

353
00:15:13,310 --> 00:15:11,010
hallucination connected with you know

354
00:15:15,680 --> 00:15:13,320
that gasps who knows but it's definitely

355
00:15:17,900 --> 00:15:15,690
an interesting case maybe

356
00:15:18,530 --> 00:15:17,910
kids are more open to see this sort of

357
00:15:21,620 --> 00:15:18,540
thing

358
00:15:23,450 --> 00:15:21,630
maybe although the the one adult that

359
00:15:25,550 --> 00:15:23,460
was with them was certain that she saw

360
00:15:27,530 --> 00:15:25,560
the same thing so it's one of the best

361
00:15:29,480 --> 00:15:27,540
mysteries one of the best mystery solver

362
00:15:31,550 --> 00:15:29,490
yeah and I mean even up until today

363
00:15:33,680 --> 00:15:31,560

people still celebrate this encounter

364

00:15:35,900 --> 00:15:33,690

there I mean you've got like a flatwoods

365

00:15:38,150 --> 00:15:35,910

festival every year and that's another

366

00:15:39,770 --> 00:15:38,160

interesting thing is how towns embraced

367

00:15:41,690 --> 00:15:39,780

these things I know you and I have

368

00:15:43,160 --> 00:15:41,700

talked about this in the past is when

369

00:15:45,290 --> 00:15:43,170

these things happen they ultimately

370

00:15:47,660 --> 00:15:45,300

become the history of these towns and

371

00:15:49,580 --> 00:15:47,670

sometimes the only history of these

372

00:15:52,790 --> 00:15:49,590

towns that ever make it out to the

373

00:15:54,110 --> 00:15:52,800

mainstream yeah and flatwood flat ones

374

00:15:56,270 --> 00:15:54,120

is one of those stories that sort of

375

00:15:57,920 --> 00:15:56,280

absent flows with you know the culture

376

00:16:01,520 --> 00:15:57,930

and you know how it's perceived

377

00:16:04,550 --> 00:16:01,530

definitely I think people will find even

378

00:16:08,210 --> 00:16:04,560

more interest here our friend set

379

00:16:10,550 --> 00:16:08,220

Breedlove's doing a flatwoods movie so

380

00:16:13,040 --> 00:16:10,560

you know when his documentary is I think

381

00:16:16,250 --> 00:16:13,050

that'll that'll add a lot of more

382

00:16:18,980 --> 00:16:16,260

interest into into this intriguing case

383

00:16:20,780 --> 00:16:18,990

which still remains a mystery up until

384

00:16:22,160 --> 00:16:20,790

this day well I mean the next one we're

385

00:16:24,890 --> 00:16:22,170

gonna cover man this is gonna bring us

386

00:16:27,710 --> 00:16:24,900

way across the ocean and it's perhaps

387

00:16:29,030 --> 00:16:27,720

one of the first school sightings that

388

00:16:32,300 --> 00:16:29,040

involved a mass sighting and this

389

00:16:34,400 --> 00:16:32,310

happened in Melbourne Australia in 1966

390

00:16:36,200 --> 00:16:34,410

so can you tell us a little bit about

391

00:16:39,920 --> 00:16:36,210

the Westall encounter

392

00:16:43,010 --> 00:16:39,930

yeah the West Hall encounter is is

393

00:16:47,780 --> 00:16:43,020

probably would be more it not be most

394

00:16:50,840 --> 00:16:47,790

famous mass school encounter sides-- and

395

00:16:53,210 --> 00:16:50,850

it is pretty much the template for you

396

00:16:56,210 --> 00:16:53,220

know for a lot of these a lot of these

397

00:16:58,400 --> 00:16:56,220

types of encounters yeah there's there's

398

00:17:02,300 --> 00:16:58,410

so much that's been done on this on this

399

00:17:04,010 --> 00:17:02,310

subject and it stands them as the best

400

00:17:06,050 --> 00:17:04,020

because there's so many witnesses that

401
00:17:08,000 --> 00:17:06,060
have come forward others there's been a

402
00:17:10,730 --> 00:17:08,010
lot of great solid research you know

403
00:17:12,710 --> 00:17:10,740
teen Ryan down there is pretty much you

404
00:17:14,569 --> 00:17:12,720
know continue to work this story and and

405
00:17:18,050 --> 00:17:14,579
you know he's probably the best guy to

406
00:17:20,210 --> 00:17:18,060
talk to you on this subject because you

407
00:17:22,760 --> 00:17:20,220
know there was definitely something

408
00:17:24,680 --> 00:17:22,770
there on that day I stood there

409
00:17:25,790 --> 00:17:24,690
absolutely transfixed and saw the most

410
00:17:28,760 --> 00:17:25,800
amazing thing

411
00:17:30,050 --> 00:17:28,770
and it took a while for me to sort of

412
00:17:32,240 --> 00:17:30,060
comprehend where I was actually looking

413
00:17:35,600 --> 00:17:32,250

at because I'd never seen anything like

414

00:17:40,820 --> 00:17:35,610

that before them it was three the one

415

00:17:44,390 --> 00:17:40,830

that was closer was just in the sky just

416

00:17:46,940 --> 00:17:44,400

sitting there and then it went down came

417

00:17:50,690 --> 00:17:46,950

up and then banked on its side and took

418

00:17:54,080 --> 00:17:50,700

off really really fast it was moving

419

00:17:57,290 --> 00:17:54,090

away sorry to lift it off with the oval

420

00:17:59,420 --> 00:17:57,300

okay and it was moving away from us and

421

00:18:01,400 --> 00:17:59,430

we just were gobsmacked started chasing

422

00:18:03,800 --> 00:18:01,410

it and my girlfriend and I sat on the

423

00:18:05,090 --> 00:18:03,810

fence climbed up the fence and just sat

424

00:18:07,610 --> 00:18:05,100

there and cried we thought it was the

425

00:18:09,470 --> 00:18:07,620

end of the world I came down into the

426

00:18:12,470 --> 00:18:09,480

paddock where the kids had seen this

427

00:18:15,260 --> 00:18:12,480

thing land the paddock grass was about

428

00:18:18,440 --> 00:18:15,270

knee high and as I walk through with

429

00:18:21,110 --> 00:18:18,450

pushing my bike with my uncle I saw a

430

00:18:22,850 --> 00:18:21,120

group of about 20 people all huddled

431

00:18:26,960 --> 00:18:22,860

around looking at the ground looking at

432

00:18:28,820 --> 00:18:26,970

at a circle perfect circle was probably

433

00:18:31,310 --> 00:18:28,830

about four or five meters in diameter

434

00:18:33,380 --> 00:18:31,320

each of the circle was perfectly formed

435

00:18:35,570 --> 00:18:33,390

it wasn't as if you could you know cows

436

00:18:37,340 --> 00:18:35,580

or any other animals or even the kids

437

00:18:39,020 --> 00:18:37,350

had come in and just rolled around it

438

00:18:43,610 --> 00:18:39,030

was too perfect I mean I know what I

439

00:18:46,220 --> 00:18:43,620

thought and in fact I don't expect them

440

00:18:50,120 --> 00:18:46,230

to believe me because when it happened I

441

00:18:52,070 --> 00:18:50,130

didn't believe what I was seeing because

442

00:18:55,060 --> 00:18:52,080

it wasn't possible what I was feeling

443

00:18:58,880 --> 00:18:55,070

wasn't possible and it was in April 6 in

444

00:19:02,180 --> 00:18:58,890

1966 and there were some there were some

445

00:19:04,540 --> 00:19:02,190

kids that were outside presumably for I

446

00:19:09,050 --> 00:19:04,550

guess for recess or maybe a field day

447

00:19:12,260 --> 00:19:09,060

and they witnessed a couple of flying

448

00:19:17,720 --> 00:19:12,270

saucers you know your your classic

449

00:19:22,040 --> 00:19:17,730

silvery - disc objects you know flying

450

00:19:23,720 --> 00:19:22,050

over their school and as any large group

451
00:19:26,930 --> 00:19:23,730
of children and what do they became

452
00:19:31,310 --> 00:19:26,940
excited and you know screamed and yelled

453
00:19:33,110 --> 00:19:31,320
and there were hundreds of witnesses to

454
00:19:37,370 --> 00:19:33,120
this pretty much I guess the whole

455
00:19:38,520 --> 00:19:37,380
school soon learned of the objects

456
00:19:40,620 --> 00:19:38,530
outside and

457
00:19:43,530 --> 00:19:40,630
everybody pretty much left their

458
00:19:45,780 --> 00:19:43,540
classrooms to run outside and and run

459
00:19:49,260 --> 00:19:45,790
towards the objects which you know it

460
00:19:51,810 --> 00:19:49,270
phone overhead I guess the airplanes

461
00:19:56,100 --> 00:19:51,820
surrounding a couple of these objects at

462
00:19:58,320 --> 00:19:56,110
some point some sort of a single-engine

463
00:20:01,410 --> 00:19:58,330

prop they may be like a Cessna or Piper

464

00:20:05,880 --> 00:20:01,420

or something more than likely a civilian

465

00:20:08,280 --> 00:20:05,890

type craft and some of the kids noticed

466

00:20:10,100 --> 00:20:08,290

I guess that at least one of the objects

467

00:20:15,080 --> 00:20:10,110

or some of the objects went behind

468

00:20:17,220 --> 00:20:15,090

towards a wooded area called The Grange

469

00:20:20,670 --> 00:20:17,230

adjacent to the school property you know

470

00:20:22,860 --> 00:20:20,680

there was a kind of an unused field area

471

00:20:26,480 --> 00:20:22,870

where a lot of the kids head hung out

472

00:20:30,600 --> 00:20:26,490

some of the children had reported that

473

00:20:31,950 --> 00:20:30,610

something had landed out there there

474

00:20:36,300 --> 00:20:31,960

were so many different reports like that

475

00:20:39,840 --> 00:20:36,310

that it sort of makes this event uh you

476

00:20:41,130 --> 00:20:39,850

know uncontroverted well as to whether

477

00:20:45,090 --> 00:20:41,140

or not something happens something

478

00:20:46,560 --> 00:20:45,100

certainly happened you know to have so

479

00:20:49,950 --> 00:20:46,570

many witnesses whether it was you know a

480

00:20:52,080 --> 00:20:49,960

military a sort of thing you know it's

481

00:20:54,350 --> 00:20:52,090

interesting that so much has been

482

00:20:56,700 --> 00:20:54,360

covered up I mean you know a lot of the

483

00:20:58,470 --> 00:20:56,710

you know the news stories and reports

484

00:21:00,900 --> 00:20:58,480

just sort of disappeared and although

485

00:21:04,260 --> 00:21:00,910

the paperwork even though they were

486

00:21:06,390 --> 00:21:04,270

definitely on location for that you got

487

00:21:09,840 --> 00:21:06,400

with in the following days you know that

488

00:21:12,470 --> 00:21:09,850

it's is it Stefan the intriguing it's a

489

00:21:17,640 --> 00:21:12,480

it's more so than any of the other

490

00:21:19,890 --> 00:21:17,650

experienced encounters it has you know

491

00:21:21,810 --> 00:21:19,900

sort of the conspiracy aspect to the

492

00:21:24,570 --> 00:21:21,820

cover-up element more so than any either

493

00:21:26,700 --> 00:21:24,580

yeah yeah I would have to agree I mean

494

00:21:29,100 --> 00:21:26,710

well in terms of the the actual

495

00:21:31,260 --> 00:21:29,110

encounter Michael we had another one

496

00:21:32,970 --> 00:21:31,270

that happened that same year this is

497

00:21:33,840 --> 00:21:32,980

back in the United States in Miami

498

00:21:35,970 --> 00:21:33,850

Florida

499

00:21:37,590 --> 00:21:35,980

this is an opa-locka sighting could you

500

00:21:40,770 --> 00:21:37,600

tell us a little bit about this one I

501
00:21:42,870 --> 00:21:40,780
could tell you in short that at the

502
00:21:46,710 --> 00:21:42,880
Crestview school in opa-locka Florida

503
00:21:48,930 --> 00:21:46,720
April's April 7th 1967 just you know the

504
00:21:51,000 --> 00:21:48,940
following year after Westall pretty much

505
00:21:51,480 --> 00:21:51,010
almost the exact same thing that had

506
00:21:58,500 --> 00:21:51,490
happened

507
00:22:01,440 --> 00:21:58,510
some to some degree yeah you know if it

508
00:22:06,390 --> 00:22:01,450
may have lasted a actually a series of

509
00:22:08,250 --> 00:22:06,400
days but the same sort of instance as

510
00:22:11,490 --> 00:22:08,260
with West all you know a group of kids

511
00:22:13,919 --> 00:22:11,500
about an object you know the rest

512
00:22:18,180 --> 00:22:13,929
towards the object and and teachers and

513
00:22:20,070 --> 00:22:18,190

large groups of kids again in the

514

00:22:23,280 --> 00:22:20,080

hundreds here just as there was in West

515

00:22:27,180 --> 00:22:23,290

all along with teachers you know witness

516

00:22:30,480 --> 00:22:27,190

an object just beyond a the perimeter of

517

00:22:33,000 --> 00:22:30,490

the school in sort of a wet swampy field

518

00:22:35,850 --> 00:22:33,010

area they witness an object or maybe

519

00:22:38,669 --> 00:22:35,860

even multiple objects sort of a flying

520

00:22:40,470 --> 00:22:38,679

around in the distance that you get

521

00:22:44,220 --> 00:22:40,480

through the air you know through it

522

00:22:46,950 --> 00:22:44,230

throughout the trees and who knows it's

523

00:22:48,990 --> 00:22:46,960

a it's it's very similar to a stall

524

00:22:53,790 --> 00:22:49,000

which which is it really makes it

525

00:22:56,090 --> 00:22:53,800

intriguing and and and it became a it

526
00:22:58,740 --> 00:22:56,100
became a big story for its time period

527
00:23:01,500 --> 00:22:58,750
probably because of the National

528
00:23:03,330 --> 00:23:01,510
Inquirer which was literally based down

529
00:23:07,380 --> 00:23:03,340
the street from you know where the

530
00:23:10,020 --> 00:23:07,390
school was in Lantana Florida so you

531
00:23:12,900 --> 00:23:10,030
know they definitely pushed the media on

532
00:23:16,140 --> 00:23:12,910
this and it was pushed at that time

533
00:23:20,430 --> 00:23:16,150
period it became a national story but it

534
00:23:23,190 --> 00:23:20,440
sort of died down when the the Navy the

535
00:23:26,070 --> 00:23:23,200
Coast Guard actually as well as the Navy

536
00:23:29,780 --> 00:23:26,080
and NASA and some of the other nearby

537
00:23:32,970 --> 00:23:29,790
facilities initially pushed it off as

538
00:23:36,660 --> 00:23:32,980

helicopters doing maneuvers and then

539

00:23:38,520 --> 00:23:36,670

followed by the flares and you know now

540

00:23:39,960 --> 00:23:38,530

that's sort of outraged a lot of the

541

00:23:43,169 --> 00:23:39,970

witnesses in the community because by

542

00:23:44,910 --> 00:23:43,179

that time you know within a few days of

543

00:23:47,000 --> 00:23:44,920

the the school event other people had

544

00:23:49,799 --> 00:23:47,010

seen other objects throughout that area

545

00:23:51,900 --> 00:23:49,809

so that's sort of you know infuriated

546

00:23:55,320 --> 00:23:51,910

the townspeople you know when those

547

00:23:58,320 --> 00:23:55,330

explanations came forth and the Navy

548

00:24:01,740 --> 00:23:58,330

even did a demonstrative flare drop to

549

00:24:04,980 --> 00:24:01,750

try to show that what the people that

550

00:24:06,900 --> 00:24:04,990

seen was was flares very similar to

551

00:24:08,190 --> 00:24:06,910

you know what would be tried later in

552

00:24:10,710 --> 00:24:08,200

Phoenix yeah

553

00:24:12,330 --> 00:24:10,720

Phoenix lights yeah yeah so you know

554

00:24:15,600 --> 00:24:12,340

this is maybe one of the first instances

555

00:24:18,750 --> 00:24:15,610

where you know flares were dropped to

556

00:24:21,990 --> 00:24:18,760

dissuade you know UFO sightings it's

557

00:24:24,330 --> 00:24:22,000

quite possible but you have to wonder

558

00:24:26,100 --> 00:24:24,340

you know with all of these mass

559

00:24:28,620 --> 00:24:26,110

sightings happening how many weather

560

00:24:30,419 --> 00:24:28,630

balloons and flares do the military have

561

00:24:32,640 --> 00:24:30,429

in stock ready to go and these things

562

00:24:35,250 --> 00:24:32,650

happen you just you do have to wonder

563

00:24:37,290 --> 00:24:35,260

yeah and and these people you know in

564

00:24:39,090 --> 00:24:37,300

these communities is that so much that

565

00:24:40,799 --> 00:24:39,100

they were reminding you know being

566

00:24:42,990 --> 00:24:40,809

called liar just which I'm sure they

567

00:24:44,850 --> 00:24:43,000

didn't appreciate but they live next to

568

00:24:47,400 --> 00:24:44,860

military installations that they're not

569

00:24:50,040 --> 00:24:47,410

stupid you know was I think they were

570

00:24:51,630 --> 00:24:50,050

more offended but at that you know we

571

00:24:53,549 --> 00:24:51,640

know what a help you know we know what a

572

00:24:57,000 --> 00:24:53,559

Coast Guard helicopter looks like you

573

00:24:58,740 --> 00:24:57,010

know right so similar similar sort of

574

00:25:02,220 --> 00:24:58,750

thing and in Gulf Breeze and some of

575

00:25:04,260 --> 00:25:02,230

these other you know military aviation

576

00:25:06,690 --> 00:25:04,270

communities you know mundane

577

00:25:08,460 --> 00:25:06,700

explanations for what these witnesses

578

00:25:11,010 --> 00:25:08,470

are seeing it just you know really

579

00:25:14,190 --> 00:25:11,020

doesn't hold water yeah it's pretty

580

00:25:17,490 --> 00:25:14,200

offensive vivvy I asked me well the next

581

00:25:19,590 --> 00:25:17,500

one that we we decided to cover Michael

582

00:25:22,830 --> 00:25:19,600

was the one in Connecticut now this was

583

00:25:25,290 --> 00:25:22,840

at Camp Delaware and this brings us up a

584

00:25:26,700 --> 00:25:25,300

mountain with some young hikers so we're

585

00:25:29,040 --> 00:25:26,710

moving away from schools were moving

586

00:25:31,710 --> 00:25:29,050

into the woods so could you tell us a

587

00:25:34,380 --> 00:25:31,720

little bit about this 1976 sighting I

588

00:25:36,870 --> 00:25:34,390

really found this one interesting yeah

589

00:25:40,020 --> 00:25:36,880

even within you know child encounter

590

00:25:43,350 --> 00:25:40,030

cases there's the sort of this you know

591

00:25:46,470 --> 00:25:43,360

Boy Scout in the woods sort of encounter

592

00:25:48,210 --> 00:25:46,480

idea that has been demonstrated

593

00:25:51,720 --> 00:25:48,220

throughout you know the history of the

594

00:25:53,910 --> 00:25:51,730

subject you know even back in 52 with

595

00:25:57,060 --> 00:25:53,920

the famous Florida Scoutmaster you know

596

00:25:58,890 --> 00:25:57,070

were you know a Scoutmaster and his his

597

00:26:01,049 --> 00:25:58,900

little group you know see something in

598

00:26:02,549 --> 00:26:01,059

the you know in the forest and and you

599

00:26:04,560 --> 00:26:02,559

know the Scoutmaster gets burnt or

600

00:26:06,810 --> 00:26:04,570

whatever you know that that sort of

601
00:26:09,960 --> 00:26:06,820
story was around even in the in the

602
00:26:12,930 --> 00:26:09,970
early 50s and camp Delaware is a very

603
00:26:16,899 --> 00:26:12,940
similar sort of account along this along

604
00:26:20,499 --> 00:26:16,909
this line it was a group of hikers they

605
00:26:23,409 --> 00:26:20,509
I guess probably like 14 or 15 of the 14

606
00:26:27,480 --> 00:26:23,419
and then the their their hike master

607
00:26:31,419 --> 00:26:27,490
there were teenagers 14 15 years of age

608
00:26:35,230 --> 00:26:31,429
and they were hiking near Camp Delaware

609
00:26:38,440 --> 00:26:35,240
in Winston Connecticut in 1976 this was

610
00:26:41,019 --> 00:26:38,450
July 28th they were part of a camp

611
00:26:43,389 --> 00:26:41,029
program and they were high peak hiking

612
00:26:46,269 --> 00:26:43,399
towards a Blueberry Hill which was a

613
00:26:50,950 --> 00:26:46,279

nearby feature a pretty decent hike and

614

00:26:54,159 --> 00:26:50,960

as they neared a an area with a bit of a

615

00:26:56,919 --> 00:26:54,169

clearing they could see an object come

616

00:26:59,769 --> 00:26:56,929

down that was a a saucer with a red dome

617

00:27:01,629 --> 00:26:59,779

as it was described and of course they

618

00:27:05,169 --> 00:27:01,639

all stopped in their tracks and you know

619

00:27:07,119 --> 00:27:05,179

they pointed and I don't know if anybody

620

00:27:10,299 --> 00:27:07,129

took any pictures I haven't heard of any

621

00:27:12,070 --> 00:27:10,309

pictures of being taken but supposedly

622

00:27:15,789 --> 00:27:12,080

the object it had you know dipped down

623

00:27:19,690 --> 00:27:15,799

and it landed possibly behind uh you

624

00:27:22,269 --> 00:27:19,700

know some trees and the kids you know

625

00:27:25,769 --> 00:27:22,279

they ran back they went to the police

626

00:27:29,259 --> 00:27:25,779

and it was investigated and it was

627

00:27:31,330 --> 00:27:29,269

investigated as credible not just

628

00:27:33,539 --> 00:27:31,340

because the the councilor saw it just

629

00:27:36,220 --> 00:27:33,549

maybe maybe from the fact that they were

630

00:27:38,889 --> 00:27:36,230

you know they were Scouts and he said

631

00:27:41,470 --> 00:27:38,899

these kids were you know not the sort

632

00:27:42,159 --> 00:27:41,480

that are gonna lie together you know to

633

00:27:44,590 --> 00:27:42,169

the police

634

00:27:47,259 --> 00:27:44,600

so you know they they they got a lot of

635

00:27:49,180 --> 00:27:47,269

credibility just from the fact that you

636

00:27:52,480 --> 00:27:49,190

know they were I guess sort of model

637

00:27:54,789 --> 00:27:52,490

citizens for that time period but it

638

00:27:56,590 --> 00:27:54,799

became a case that was investigated by a

639

00:27:58,960 --> 00:27:56,600

pro the aerial phenomena research

640

00:28:02,169 --> 00:27:58,970

organization which was one of the

641

00:28:05,080 --> 00:28:02,179

leading groups in the 60s in the in the

642

00:28:06,970 --> 00:28:05,090

70s and they did a thorough

643

00:28:08,590 --> 00:28:06,980

investigation they investigated the area

644

00:28:11,470 --> 00:28:08,600

there was there were no trace evidence

645

00:28:13,960 --> 00:28:11,480

found but from the veracity of the

646

00:28:16,690 --> 00:28:13,970

witnesses and and these are teenagers

647

00:28:18,789 --> 00:28:16,700

these are you know older than you know

648

00:28:20,379 --> 00:28:18,799

some of these other accounts were you

649

00:28:23,169 --> 00:28:20,389

know the kids have been around you know

650

00:28:25,419 --> 00:28:23,179

10 or even younger when you get to

651
00:28:27,759 --> 00:28:25,429
teenagers the the credibility you know

652
00:28:30,450 --> 00:28:27,769
goes up a little bit especially if

653
00:28:33,070 --> 00:28:30,460
there's an adult involved because

654
00:28:35,169 --> 00:28:33,080
less likelihood of some sort of you know

655
00:28:38,289 --> 00:28:35,179
practical joke not that those don't

656
00:28:39,940 --> 00:28:38,299
occur but this case camp Delaware case

657
00:28:42,130 --> 00:28:39,950
was considered one of the one of the

658
00:28:43,690 --> 00:28:42,140
better cases of the year and I mean you

659
00:28:46,029 --> 00:28:43,700
have to wonder what kind of badge they

660
00:28:47,710 --> 00:28:46,039
have for UFO hunting for these poisonous

661
00:28:49,900 --> 00:28:47,720
I think they definitely would have

662
00:28:51,279 --> 00:28:49,910
gotten that one wow that's really

663
00:28:53,350 --> 00:28:51,289

interesting and you bring up some good

664

00:28:54,700 --> 00:28:53,360

points like these kids wouldn't why

665

00:28:57,400 --> 00:28:54,710

would they make this up

666

00:28:58,960 --> 00:28:57,410

you know you learned so many good things

667

00:29:01,299 --> 00:28:58,970

when you're going through the boy scout

668

00:29:03,039 --> 00:29:01,309

you know the thing I did that growing up

669

00:29:05,919 --> 00:29:03,049

as well and they they teach you to be

670

00:29:07,990 --> 00:29:05,929

honest so to have made this up I don't

671

00:29:10,570 --> 00:29:08,000

see it happening and to have an adult

672

00:29:13,450 --> 00:29:10,580

witness this as well they definitely saw

673

00:29:16,450 --> 00:29:13,460

something so that's interesting well

674

00:29:18,909 --> 00:29:16,460

let's move across the pond this time

675

00:29:20,980 --> 00:29:18,919

Michael and we're going to broad Haven

676

00:29:24,520 --> 00:29:20,990

this is in Wales same year nineteen

677

00:29:26,350 --> 00:29:24,530

sixties me a year later in 1977 and this

678

00:29:28,840 --> 00:29:26,360

is one of the more dramatic encounters

679

00:29:30,549 --> 00:29:28,850

that bore a striking resemblance to

680

00:29:33,100 --> 00:29:30,559

another case that we're going to talk

681

00:29:34,899 --> 00:29:33,110

about shortly one of the most famous so

682

00:29:37,919 --> 00:29:34,909

could you tell us a little about this

683

00:29:41,830 --> 00:29:37,929

case out of Wales yeah Broad Haven

684

00:29:44,440 --> 00:29:41,840

February 4th 1977 it was the the Broad

685

00:29:46,690 --> 00:29:44,450

Haven school I guess I was in the the

686

00:29:49,390 --> 00:29:46,700

morning or I'm trying to think of what

687

00:29:52,330 --> 00:29:49,400

time of the day it was but same sort of

688

00:29:54,640 --> 00:29:52,340

deal with a lot of these other cases the

689

00:29:57,580 --> 00:29:54,650

the kids notice out through the window

690

00:30:00,399 --> 00:29:57,590

something or there on the playground and

691

00:30:03,370 --> 00:30:00,409

they've noticed something and they all

692

00:30:06,850 --> 00:30:03,380

sort of as a group you know sort of

693

00:30:09,549 --> 00:30:06,860

vacate that what they're there to do you

694

00:30:11,529 --> 00:30:09,559

know that day to run outside and witness

695

00:30:13,899 --> 00:30:11,539

you know what they think is a flying

696

00:30:17,169 --> 00:30:13,909

saucer landing in a field nearby the

697

00:30:21,610 --> 00:30:17,179

school and the same thing happened here

698

00:30:23,950 --> 00:30:21,620

to to a class full of kids in this small

699

00:30:27,190 --> 00:30:23,960

Welsh town kids were around age of 10

700

00:30:29,980 --> 00:30:27,200

and they witnessed some sort of like a

701
00:30:31,750 --> 00:30:29,990
silvery object with like a red light I

702
00:30:35,680 --> 00:30:31,760
don't know if it was intermittent over

703
00:30:37,539 --> 00:30:35,690
or if it was solid but they definitely

704
00:30:39,700 --> 00:30:37,549
perceived you know saw the red light

705
00:30:42,139 --> 00:30:39,710
that's what got their attention and they

706
00:30:45,350 --> 00:30:42,149
witness at this object go

707
00:30:47,269 --> 00:30:45,360
you know nearby where the school is so

708
00:30:50,330 --> 00:30:47,279
you know wanting to get a closer look

709
00:30:53,210 --> 00:30:50,340
they do and they they see an object and

710
00:30:56,419 --> 00:30:53,220
they see nearby I guess with some sort

711
00:30:58,850 --> 00:30:56,429
of so furry being of some kind some sort

712
00:31:02,120 --> 00:30:58,860
of a robot or creature or whatever yeah

713
00:31:04,759 --> 00:31:02,130

it's not like definitely weird when kids

714

00:31:07,639 --> 00:31:04,769

start seeing robots that's that's really

715

00:31:10,279 --> 00:31:07,649

when it starts to get interesting

716

00:31:12,049 --> 00:31:10,289

you know because it always seems to be

717

00:31:15,409 --> 00:31:12,059

the children well not always

718

00:31:17,060 --> 00:31:15,419

yeah it but the the kids that definitely

719

00:31:21,259 --> 00:31:17,070

I think are more prone to see robotic

720

00:31:23,360 --> 00:31:21,269

type beings which I don't know what that

721

00:31:25,039 --> 00:31:23,370

means you know maybe there's some sort

722

00:31:26,870 --> 00:31:25,049

of psychological component you know

723

00:31:28,850 --> 00:31:26,880

related to the children how they're

724

00:31:30,889 --> 00:31:28,860

perceiving and the phenomena or maybe

725

00:31:32,600 --> 00:31:30,899

you know there was just coincidentally

726

00:31:36,259 --> 00:31:32,610

some sort of robotic creature out there

727

00:31:38,180 --> 00:31:36,269

but yeah this this area in Wales this

728

00:31:41,240 --> 00:31:38,190

account has sort of become a big deal

729

00:31:43,430 --> 00:31:41,250

there's a whole area near broad haven

730

00:31:47,120 --> 00:31:43,440

that it's been called the broad haven

731

00:31:50,000 --> 00:31:47,130

the triangle now because so much happens

732

00:31:52,519 --> 00:31:50,010

within that area related to you know

733

00:31:54,950 --> 00:31:52,529

strange phenomena

734

00:31:57,409 --> 00:31:54,960

especially aerial phenomena so you know

735

00:32:01,090 --> 00:31:57,419

forty years on this this case is still

736

00:32:04,820 --> 00:32:01,100

is still looked at as an important case

737

00:32:06,980 --> 00:32:04,830

within British geology and it's still

738

00:32:09,139 --> 00:32:06,990

celebrated and they're still strange

739

00:32:10,850 --> 00:32:09,149

things going on at we're really event

740

00:32:13,070 --> 00:32:10,860

near the school happened now some people

741

00:32:15,649 --> 00:32:13,080

have come forward saying that it might

742

00:32:18,710 --> 00:32:15,659

have been a hoax not on behalf of the

743

00:32:21,950 --> 00:32:18,720

kids but you know maybe a practical joke

744

00:32:25,129 --> 00:32:21,960

or a prank being conducted upon the kids

745

00:32:26,990 --> 00:32:25,139

by somebody else you know but I don't

746

00:32:30,049 --> 00:32:27,000

know that's a lot of work you know it's

747

00:32:32,750 --> 00:32:30,059

a build a flying saucer and you know not

748

00:32:34,970 --> 00:32:32,760

that it can't be done but I'd imagine

749

00:32:37,879 --> 00:32:34,980

that people have better things to do

750

00:32:39,980 --> 00:32:37,889

with their time you know and we would

751

00:32:43,970 --> 00:32:39,990

have heard a little bit more about such

752

00:32:46,700 --> 00:32:43,980

a hoax after 40 years you know so still

753

00:32:49,129 --> 00:32:46,710

an interesting case yes we do know that

754

00:32:51,649 --> 00:32:49,139

when the British hoax something they

755

00:32:54,860 --> 00:32:51,659

definitely wanted to be known hence crop

756

00:32:58,730 --> 00:32:54,870

circles I won't go any further

757

00:33:01,790 --> 00:32:58,740

yeah yeah well here's another one

758

00:33:04,940 --> 00:33:01,800

Michael now this happened in 1977 this

759

00:33:07,160 --> 00:33:04,950

time in West Pittsburg California this

760

00:33:10,220 --> 00:33:07,170

is one of the most interesting because J

761

00:33:12,860 --> 00:33:10,230

Alan Hynek the man the myth the legend

762

00:33:15,380 --> 00:33:12,870

he actually considered this one one of

763

00:33:18,020 --> 00:33:15,390

only three credible humanoid encounter

764

00:33:20,210 --> 00:33:18,030

cases in that year so could you tell us

765

00:33:22,400 --> 00:33:20,220

a little bit about this case out of my

766

00:33:25,340 --> 00:33:22,410

new neck of the woods California yeah

767

00:33:26,900 --> 00:33:25,350

this is this is definitely a case that I

768

00:33:29,900 --> 00:33:26,910

think people should go back and take a

769

00:33:32,630 --> 00:33:29,910

look at it it is a Center for UFO

770

00:33:35,300 --> 00:33:32,640

studies case primarily so you know you

771

00:33:37,580 --> 00:33:35,310

start off with a lot of good credit

772

00:33:41,360 --> 00:33:37,590

credible people involved in this case

773

00:33:43,540 --> 00:33:41,370

Richard Haines harder a high-neck you

774

00:33:47,150 --> 00:33:43,550

know all these guys were involved in

775

00:33:49,430 --> 00:33:47,160

some sort of investigatory aspect with

776

00:33:52,220 --> 00:33:49,440

this case so what happened

777

00:33:56,720 --> 00:33:52,230

may 20th 1977 West Pittsburg California

778

00:33:59,240 --> 00:33:56,730

this is a case of three boys wanting to

779

00:34:01,790 --> 00:33:59,250

you know enjoy some of the rural area I

780

00:34:04,660 --> 00:34:01,800

guess nearby them think they're actually

781

00:34:07,160 --> 00:34:04,670

looking to be you know just spend a day

782

00:34:09,110 --> 00:34:07,170

exploring hanging out maybe go to the

783

00:34:10,760 --> 00:34:09,120

beach they weren't really you know sure

784

00:34:13,700 --> 00:34:10,770

what they wanted to do but they were

785

00:34:17,060 --> 00:34:13,710

enjoying the outdoors and it was Lenny

786

00:34:20,390 --> 00:34:17,070

young George Ferrera and Patrick

787

00:34:22,610 --> 00:34:20,400

Morrison and as they were hiking through

788

00:34:25,280 --> 00:34:22,620

the woods getting ready to hitchhike I

789

00:34:28,370 --> 00:34:25,290

think they were at one point they they

790

00:34:30,590 --> 00:34:28,380

encountered a an object in the road sort

791

00:34:34,730 --> 00:34:30,600

of a flattish saucer maybe kind of a

792

00:34:37,070 --> 00:34:34,740

bluish tint to it it looked like a you

793

00:34:38,510 --> 00:34:37,080

know your classic sort of flying saucer

794

00:34:41,510 --> 00:34:38,520

but it was you know maybe a little

795

00:34:45,200 --> 00:34:41,520

squatter it really gets strange soon

796

00:34:47,030 --> 00:34:45,210

after they noticed that there's you know

797

00:34:50,060 --> 00:34:47,040

some sort of bees coming out of this

798

00:34:53,240 --> 00:34:50,070

craft they were sort of shadowy they

799

00:34:55,340 --> 00:34:53,250

were you know sort of robotic there were

800

00:34:58,010 --> 00:34:55,350

kind of nondescript they were kind of

801
00:35:00,770 --> 00:34:58,020
difficult to describe but the boys all

802
00:35:04,310 --> 00:35:00,780
definitely claim to have seen these

803
00:35:05,070 --> 00:35:04,320
beings and that they were you know sort

804
00:35:09,240 --> 00:35:05,080
of

805
00:35:11,880 --> 00:35:09,250
smoky and ethereal you know yet robotic

806
00:35:14,730 --> 00:35:11,890
there was a lot of mist there was a lot

807
00:35:17,990 --> 00:35:14,740
of smoke that was put around the round

808
00:35:20,610 --> 00:35:18,000
the saucer as well so definitely

809
00:35:22,760 --> 00:35:20,620
interesting definitely weird I don't

810
00:35:25,140 --> 00:35:22,770
think there was too much fiscal evidence

811
00:35:27,180 --> 00:35:25,150
gathered again this is one of those

812
00:35:29,400 --> 00:35:27,190
cases where through interviewing the

813
00:35:32,280 --> 00:35:29,410

witnesses looking at motivations looking

814

00:35:35,190 --> 00:35:32,290

at locations looking at consistencies

815

00:35:38,180 --> 00:35:35,200

with with an accounts all the motivating

816

00:35:40,170 --> 00:35:38,190

factors that that you have from

817

00:35:43,170 --> 00:35:40,180

interviewing witnesses

818

00:35:45,390 --> 00:35:43,180

I think this became a solid case just

819

00:35:48,660 --> 00:35:45,400

based upon the testimony now either

820

00:35:51,960 --> 00:35:48,670

these these kids got their story you

821

00:35:55,020 --> 00:35:51,970

know just worked out really well or you

822

00:35:58,440 --> 00:35:55,030

know they had a shared event and a lot

823

00:35:59,960 --> 00:35:58,450

of noted researchers at the time were

824

00:36:02,370 --> 00:35:59,970

convinced that they had a shared event

825

00:36:04,350 --> 00:36:02,380

what I think is interesting is the

826

00:36:07,590 --> 00:36:04,360

description of you know the beings which

827

00:36:12,570 --> 00:36:07,600

but it is really not found anywhere else

828

00:36:14,820 --> 00:36:12,580

and it's you know the the fact that

829

00:36:17,730 --> 00:36:14,830

they were kind of you know nondescript

830

00:36:19,410 --> 00:36:17,740

and he really couldn't see features you

831

00:36:22,130 --> 00:36:19,420

know that they were shadowy you know

832

00:36:24,090 --> 00:36:22,140

that sort of makes for interesting the

833

00:36:26,280 --> 00:36:24,100

possibility is to consider you know

834

00:36:28,740 --> 00:36:26,290

relative to you know how these creatures

835

00:36:30,780 --> 00:36:28,750

are perceived again you know whether or

836

00:36:34,020 --> 00:36:30,790

not they can change perception wise

837

00:36:36,510 --> 00:36:34,030

through you know the boys themselves you

838

00:36:39,240 --> 00:36:36,520

know is it's definitely interesting yeah

839

00:36:41,010 --> 00:36:39,250

yeah very unique and bizarre and I think

840

00:36:42,630 --> 00:36:41,020

that's when you know things start to

841

00:36:45,030 --> 00:36:42,640

really get interesting and when that

842

00:36:47,400 --> 00:36:45,040

credibility factor kind of gets bumped

843

00:36:50,400 --> 00:36:47,410

up a notch when something is so utterly

844

00:36:53,220 --> 00:36:50,410

different from these prototypical things

845

00:36:55,470 --> 00:36:53,230

we hear a lot of these cases involve

846

00:36:58,830 --> 00:36:55,480

very similar things robotic like things

847

00:37:00,750 --> 00:36:58,840

landing in the schoolyard this that this

848

00:37:03,600 --> 00:37:00,760

is one of those cases like you know

849

00:37:06,270 --> 00:37:03,610

Hynek said where it was so different and

850

00:37:07,770 --> 00:37:06,280

like you said it was so you know

851
00:37:10,590 --> 00:37:07,780
concrete between these three witnesses

852
00:37:13,100 --> 00:37:10,600
that yeah definitely something strange

853
00:37:14,700 --> 00:37:13,110
happened and what these creatures were

854
00:37:16,860 --> 00:37:14,710
unfortunately we will probably never

855
00:37:18,900 --> 00:37:16,870
know but interesting nonetheless

856
00:37:23,220 --> 00:37:18,910
but all right my man

857
00:37:26,279 --> 00:37:23,230
here here's one that when I read this

858
00:37:28,319 --> 00:37:26,289
description I just we got to prepare the

859
00:37:31,349 --> 00:37:28,329
listeners for this one we've got a

860
00:37:33,809 --> 00:37:31,359
three-eyed alien and a robot so we're

861
00:37:37,589 --> 00:37:33,819
back to robots again this is in our our

862
00:37:40,829 --> 00:37:37,599
friends the USSR this was in 1989 so

863
00:37:42,150 --> 00:37:40,839

please you got to tell us everyone get

864

00:37:46,970 --> 00:37:42,160

your whiskey you got to tell us about

865

00:37:55,410 --> 00:37:49,950

no I can't do the whole thing with that

866

00:37:58,500 --> 00:37:55,420

accent no this is probably when it

867

00:38:01,230 --> 00:37:58,510

happened it was probably and I remember

868

00:38:03,720 --> 00:38:01,240

this very distinctly probably the top

869

00:38:07,230 --> 00:38:03,730

news story of the day it was on all the

870

00:38:09,630 --> 00:38:07,240

newspapers and it was it was a Russian

871

00:38:12,870 --> 00:38:09,640

task story and you know we're talking

872

00:38:15,510 --> 00:38:12,880

about the old Soviet Union here even

873

00:38:18,510 --> 00:38:15,520

even back then you know government

874

00:38:20,220 --> 00:38:18,520

controlled so whatever was released was

875

00:38:23,370 --> 00:38:20,230

released by the Russian government and

876

00:38:26,309 --> 00:38:23,380

this story was released to the American

877

00:38:30,539 --> 00:38:26,319

press as a big story you know throughout

878

00:38:32,690 --> 00:38:30,549

the world so you know the story from the

879

00:38:37,190 --> 00:38:32,700

motherland that took place September

880

00:38:41,700 --> 00:38:37,200

27th 1989 in voter Enosh us tests are

881

00:38:45,990 --> 00:38:41,710

small urban you know industrial city in

882

00:38:47,670 --> 00:38:46,000

eastern yes I guess it's in Russia you

883

00:38:49,620 --> 00:38:47,680

know there's a lot of Russian states out

884

00:38:53,240 --> 00:38:49,630

there who knows where they're at now no

885

00:38:56,460 --> 00:38:53,250

but it was you know industrial Russian

886

00:38:59,220 --> 00:38:56,470

city park you know it's end of the Cold

887

00:39:01,109 --> 00:38:59,230

War era you know so he's the way I

888

00:39:04,950 --> 00:39:01,119

pictured everything is kinda drab and

889

00:39:07,799 --> 00:39:04,960

dreary you know like like what yeah like

890

00:39:11,339 --> 00:39:07,809

you like you see you know Russia in the

891

00:39:13,559 --> 00:39:11,349

in the 80s you know but they they love

892

00:39:16,289 --> 00:39:13,569

their kids just like everybody else and

893

00:39:18,690 --> 00:39:16,299

you know they had parked and then and

894

00:39:20,160 --> 00:39:18,700

they enjoyed spending time outdoors and

895

00:39:22,380 --> 00:39:20,170

the South Park

896

00:39:25,260 --> 00:39:22,390

verónica South Park on this day there

897

00:39:27,690 --> 00:39:25,270

was a number of kids playing and you

898

00:39:30,029 --> 00:39:27,700

know some adults and it's people walking

899

00:39:32,620 --> 00:39:30,039

by in the streets it's a public city

900

00:39:37,240 --> 00:39:32,630

park and the kids began to know

901
00:39:39,760 --> 00:39:37,250
a red maybe a pinkish red sort of object

902
00:39:43,060 --> 00:39:39,770
like a like a circular you know like a

903
00:39:46,000 --> 00:39:43,070
cherry in the sky just sort of coming

904
00:39:47,770 --> 00:39:46,010
down towards the park and you know of

905
00:39:49,990 --> 00:39:47,780
course everybody's pointing and looking

906
00:39:52,720 --> 00:39:50,000
and their mouths are open and they're

907
00:39:55,120 --> 00:39:52,730
saying stuff in Russian the screaming

908
00:39:58,900 --> 00:39:55,130
Russian embouchure and the object comes

909
00:40:00,430 --> 00:39:58,910
down and lands in the park you know near

910
00:40:02,500 --> 00:40:00,440
the playground equipment where the kids

911
00:40:05,170 --> 00:40:02,510
are so I guess the kids are the closest

912
00:40:08,800 --> 00:40:05,180
you know to this object good-sized

913
00:40:11,170 --> 00:40:08,810

object I guess maybe the size of you

914

00:40:14,260 --> 00:40:11,180

know a semi-truck or you know summer

915

00:40:17,170 --> 00:40:14,270

halfway big enough for you know an 8

916

00:40:20,590 --> 00:40:17,180

foot tall or 10 foot tall robotic

917

00:40:22,450 --> 00:40:20,600

creature to get out of you know or you

918

00:40:25,270 --> 00:40:22,460

know some sort of 3rd alien because

919

00:40:28,360 --> 00:40:25,280

that's pretty much what happened

920

00:40:30,870 --> 00:40:28,370

you'll see of a demon I was tending not

921

00:40:34,990 --> 00:40:30,880

far from the main root of the south part

922

00:40:39,930 --> 00:40:35,000

and I saw this flying object at an

923

00:40:42,730 --> 00:40:39,940

approximate height 200 of 250 meters

924

00:40:45,400 --> 00:40:42,740

once a second ah : ah

925

00:40:48,280 --> 00:40:45,410

it stated the same height and did not

926
00:40:51,460 --> 00:40:48,290
move horizontally I was very interested

927
00:40:56,560 --> 00:40:51,470
by all that because it could not be any

928
00:40:59,350 --> 00:40:56,570
kind of meteorological balloon but there

929
00:41:02,080 --> 00:40:59,360
was a squeaking sound perhaps some

930
00:41:03,780 --> 00:41:02,090
drilling tool was operating like it was

931
00:41:07,090 --> 00:41:03,790
boring a hole in the ground

932
00:41:09,400 --> 00:41:07,100
the creature started coming out they did

933
00:41:11,920 --> 00:41:09,410
not look too much like humans there were

934
00:41:14,580 --> 00:41:11,930
much taller than chance did you have

935
00:41:18,670 --> 00:41:14,590
shoulders but they didn't see the head

936
00:41:22,270 --> 00:41:18,680
he was human really hew bigger than Rhea

937
00:41:23,920 --> 00:41:22,280
he was a mighty figure I remember a

938
00:41:26,740 --> 00:41:23,930

crowd that gathered around the place

939

00:41:29,200 --> 00:41:26,750

everybody was scared everybody turned

940

00:41:32,320 --> 00:41:29,210

pale I was absolutely flabbergasted I

941

00:41:35,590 --> 00:41:32,330

saw some traces there and also a strange

942

00:41:37,630 --> 00:41:35,600

man outwardly he looked like any other

943

00:41:40,960 --> 00:41:37,640

man only he was huge

944

00:41:43,470 --> 00:41:40,970

a moment later he suddenly disappeared

945

00:41:46,420 --> 00:41:43,480

was

946

00:41:49,360 --> 00:41:46,430

I had no doubt that the UFO and the

947

00:41:51,760 --> 00:41:49,370

Giants existed because I saw them but

948

00:41:53,860 --> 00:41:51,770

sometimes when I look back it seems sort

949

00:41:58,690 --> 00:41:53,870

of like a fairy tale and within a few

950

00:42:03,250 --> 00:41:58,700

minutes you know the door opens and 10

951

00:42:08,470 --> 00:42:03,260

foot tall three-eyed strange kind of I

952

00:42:12,640 --> 00:42:08,480

don't know overall clad metal overalls

953

00:42:15,370 --> 00:42:12,650

sort of a creature that comes out with a

954

00:42:18,730 --> 00:42:15,380

a little small little uh you know square

955

00:42:21,430 --> 00:42:18,740

robot next to it and sort of looks

956

00:42:23,320 --> 00:42:21,440

around and it sort of gets weird I guess

957

00:42:26,020 --> 00:42:23,330

they look around they go back in their

958

00:42:28,060 --> 00:42:26,030

ship they come out they disappear they

959

00:42:29,860 --> 00:42:28,070

look around you know they're so they're

960

00:42:31,960 --> 00:42:29,870

sort of doing this in and out thing with

961

00:42:34,450 --> 00:42:31,970

their flying saucer and you know the

962

00:42:35,920 --> 00:42:34,460

kids you know the closest and of course

963

00:42:38,410 --> 00:42:35,930

the more curious and the more

964

00:42:40,270 --> 00:42:38,420

adventurous and also you know the

965

00:42:42,730 --> 00:42:40,280

dumbest you know they're they're gonna

966

00:42:45,850 --> 00:42:42,740

you know approach this object and these

967

00:42:48,040 --> 00:42:45,860

these beings and at some point you know

968

00:42:50,770 --> 00:42:48,050

these four kids that are getting closest

969

00:42:53,590 --> 00:42:50,780

to the object one of them gets zapped by

970

00:42:57,220 --> 00:42:53,600

a rod that the big creature the the big

971

00:42:58,780 --> 00:42:57,230

three-eyed ten-foot tall guy is holding

972

00:43:01,000 --> 00:42:58,790

points to that one of the kids is

973

00:43:04,900 --> 00:43:01,010

getting too close and he sort of freezes

974

00:43:06,640 --> 00:43:04,910

this you know like not frozen like with

975

00:43:08,590 --> 00:43:06,650

icicles hanging off them but you know

976
00:43:12,460 --> 00:43:08,600
like a suspended form of but you know

977
00:43:13,810 --> 00:43:12,470
paralysis and they get back in their

978
00:43:16,750 --> 00:43:13,820
ship and that you know at some point

979
00:43:18,640 --> 00:43:16,760
they take off and you know the kid bran

980
00:43:20,440 --> 00:43:18,650
chilly comes out of it this whole series

981
00:43:23,590 --> 00:43:20,450
of events I guess is like maybe half

982
00:43:25,810 --> 00:43:23,600
hour 45 minutes certainly it seems like

983
00:43:28,330 --> 00:43:25,820
that you know based upon all the

984
00:43:30,700 --> 00:43:28,340
descriptions you know the sequence of

985
00:43:32,140 --> 00:43:30,710
events but you know it's one of those

986
00:43:34,390 --> 00:43:32,150
things where just like everybody was

987
00:43:35,980 --> 00:43:34,400
like hey there's a UFO down the park you

988
00:43:38,440 --> 00:43:35,990

know so the the crowd had actually

989

00:43:39,040 --> 00:43:38,450

gotten bigger so they're not just the

990

00:43:41,650 --> 00:43:39,050

kids

991

00:43:45,040 --> 00:43:41,660

we're witness to this playground event

992

00:43:47,500 --> 00:43:45,050

but upwards of you know maybe 50 people

993

00:43:50,230 --> 00:43:47,510

or maybe even into the hundreds you know

994

00:43:51,920 --> 00:43:50,240

had begun to move down towards this park

995

00:43:54,050 --> 00:43:51,930

so and then

996

00:43:56,540 --> 00:43:54,060

Media and it was a big deal on Russian

997

00:43:59,930 --> 00:43:56,550

press and then American private so who

998

00:44:03,620 --> 00:43:59,940

knows man they always gotta try to outdo

999

00:44:06,230 --> 00:44:03,630

us don't they yeah you know and the

1000

00:44:09,260 --> 00:44:06,240

Russians you know they they did their

1001
00:44:12,560 --> 00:44:09,270
investigation and their military police

1002
00:44:13,730 --> 00:44:12,570
and all that interesting though the

1003
00:44:16,670 --> 00:44:13,740
Russians were actually a little more

1004
00:44:18,710 --> 00:44:16,680
open to this sort of thing back then hmm

1005
00:44:20,240 --> 00:44:18,720
you know so when they talked to like an

1006
00:44:22,220 --> 00:44:20,250
investigator you know some sort of

1007
00:44:24,080 --> 00:44:22,230
general that was investigating the you

1008
00:44:28,240 --> 00:44:24,090
know the general would say stuff like it

1009
00:44:33,440 --> 00:44:30,470
totally okay with saying that because

1010
00:44:35,570 --> 00:44:33,450
you know it's their news service so they

1011
00:44:37,160 --> 00:44:35,580
can say whatever they want right yeah if

1012
00:44:42,590 --> 00:44:37,170
we've learned anything from our T news

1013
00:44:45,440 --> 00:44:42,600

that's going to help all right man so on

1014

00:44:48,110 --> 00:44:45,450

a more serious note we are going to move

1015

00:44:51,170 --> 00:44:48,120

to our final case probably the most

1016

00:44:52,700 --> 00:44:51,180

famous case to date many documentaries

1017

00:44:54,140 --> 00:44:52,710

have covered it there's gonna be some

1018

00:44:56,300 --> 00:44:54,150

more coming out even the Harvard

1019

00:44:59,720 --> 00:44:56,310

psychiatrist John Mack was involved with

1020

00:45:01,640 --> 00:44:59,730

this one so please to sort of cap all of

1021

00:45:03,860 --> 00:45:01,650

these cases off for us can you run us

1022

00:45:07,930 --> 00:45:03,870

through the deeply dramatic rule of

1023

00:45:12,440 --> 00:45:07,940

Zimbabwe case of 1994 absolutely and

1024

00:45:16,280 --> 00:45:12,450

yeah this is probably one of the high

1025

00:45:19,880 --> 00:45:16,290

caliber cases in this you know subset of

1026
00:45:22,190 --> 00:45:19,890
UFO investigation and history mostly

1027
00:45:24,590 --> 00:45:22,200
because of the the quality of the

1028
00:45:27,320 --> 00:45:24,600
investigation and the quality of the

1029
00:45:31,010 --> 00:45:27,330
quality of the investigator involved in

1030
00:45:32,960 --> 00:45:31,020
us and you know if if dr. John Mack who

1031
00:45:34,400 --> 00:45:32,970
was head of the psychological department

1032
00:45:36,310 --> 00:45:34,410
I believe at Harvard that at the time

1033
00:45:39,470 --> 00:45:36,320
and taught at Cambridge University

1034
00:45:42,890 --> 00:45:39,480
really high caliber you know learning

1035
00:45:45,350 --> 00:45:42,900
man within legitimate psychiatry and

1036
00:45:49,640 --> 00:45:45,360
psychology began to take an interest in

1037
00:45:52,640 --> 00:45:49,650
in UFOs not so much you know with with

1038
00:45:54,830 --> 00:45:52,650

an idea of investigating the phenomena

1039

00:45:56,990 --> 00:45:54,840

but investigating people that claimed

1040

00:45:59,720 --> 00:45:57,000

interaction with the phenomena because

1041

00:46:02,330 --> 00:45:59,730

as a psychologist and a psychiatrist he

1042

00:46:03,890 --> 00:46:02,340

was interested in you know what they

1043

00:46:08,269 --> 00:46:03,900

perceived

1044

00:46:09,589 --> 00:46:08,279

what they thought what you know it if

1045

00:46:12,380 --> 00:46:09,599

there was certain psychological

1046

00:46:16,460 --> 00:46:12,390

components that he can explore you know

1047

00:46:19,160 --> 00:46:16,470

can he deem through examination and

1048

00:46:21,950 --> 00:46:19,170

psychoanalysis you know if there was

1049

00:46:24,019 --> 00:46:21,960

some sort of you know reality to the

1050

00:46:26,870 --> 00:46:24,029

circumstances involving you know

1051
00:46:29,420 --> 00:46:26,880
encounters with especially beings and he

1052
00:46:31,210 --> 00:46:29,430
would use hypnotic regression and some

1053
00:46:34,190 --> 00:46:31,220
of the class of methods to explore that

1054
00:46:38,329 --> 00:46:34,200
so he was interested in the subject at

1055
00:46:40,640 --> 00:46:38,339
the mainstream psychologists and as

1056
00:46:43,670 --> 00:46:40,650
somebody interested in as I had said the

1057
00:46:46,819 --> 00:46:43,680
psychological aspects of of encounters

1058
00:46:49,130 --> 00:46:46,829
and so he was already on the radar he

1059
00:46:51,200 --> 00:46:49,140
was already out there he had written

1060
00:46:53,900 --> 00:46:51,210
some papers and you know was under

1061
00:46:56,329 --> 00:46:53,910
scrutiny by Harvard you know relative to

1062
00:46:58,250 --> 00:46:56,339
big University a legitimate university

1063
00:46:59,720 --> 00:46:58,260

should be involved in investigating you

1064

00:47:01,609 --> 00:46:59,730

know such things and and he was

1065

00:47:04,339 --> 00:47:01,619

ultimately giving a given academic

1066

00:47:07,269 --> 00:47:04,349

freedom to explore these issues and as a

1067

00:47:10,099 --> 00:47:07,279

result you know he began to get cases

1068

00:47:14,240 --> 00:47:10,109

thrown to him and he was coincidentally

1069

00:47:17,750 --> 00:47:14,250

in Zuba Zimbabwe near there back in 1994

1070

00:47:21,079 --> 00:47:17,760

and he was told of this case at the

1071

00:47:23,660 --> 00:47:21,089

aerial school in Rua Zimbabwe just

1072

00:47:26,089 --> 00:47:23,670

outside of Harare and he made it down

1073

00:47:29,240 --> 00:47:26,099

there I think within you know maybe a

1074

00:47:31,579 --> 00:47:29,250

week or two the initial encounters and

1075

00:47:33,769 --> 00:47:31,589

he was able to interview and and

1076

00:47:35,029 --> 00:47:33,779

investigate more so than anybody I've

1077

00:47:38,569 --> 00:47:35,039

heard of you know a case you know

1078

00:47:41,140 --> 00:47:38,579

relatively quickly be at on location

1079

00:47:43,760 --> 00:47:41,150

you know after after it happened he

1080

00:47:47,210 --> 00:47:43,770

described these experiences or these

1081

00:47:49,480 --> 00:47:47,220

events like a person talks about

1082

00:47:52,010 --> 00:47:49,490

something that has happened to them and

1083

00:47:53,630 --> 00:47:52,020

when you're talking with a psychotic

1084

00:47:55,730 --> 00:47:53,640

who's telling you something that it's a

1085

00:47:58,160 --> 00:47:55,740

delusion and you feel that it really

1086

00:48:00,680 --> 00:47:58,170

didn't happen I can tell I mean I know

1087

00:48:02,680 --> 00:48:00,690

this is something that person wants me

1088

00:48:04,849 --> 00:48:02,690

to believe or they're frightened do they

1089

00:48:06,559 --> 00:48:04,859

distorting reality in some way there's

1090

00:48:10,370 --> 00:48:06,569

nothing like that here these are people

1091

00:48:13,579 --> 00:48:10,380

of sound mind by and large telling me

1092

00:48:14,890 --> 00:48:13,589

something that's very they know that I

1093

00:48:16,720 --> 00:48:14,900

might

1094

00:48:18,820 --> 00:48:16,730

think they're crazy and so they're a

1095

00:48:20,920 --> 00:48:18,830

little concerned about telling me and

1096

00:48:23,650 --> 00:48:20,930

and they they're very full of

1097

00:48:25,600 --> 00:48:23,660

questioning themselves and doubt and I

1098

00:48:27,640 --> 00:48:25,610

mean their way and then they described

1099

00:48:29,440 --> 00:48:27,650

something very real and intense the

1100

00:48:33,010 --> 00:48:29,450

light or somebody happened to their body

1101

00:48:34,300 --> 00:48:33,020

or it's the whole quality of the way

1102

00:48:38,200 --> 00:48:34,310

they talk about it is the way a person

1103

00:48:41,460 --> 00:48:38,210

talks about experiences that happened to

1104

00:48:45,850 --> 00:48:41,470

them what happened on September 16 1994

1105

00:48:50,470 --> 00:48:45,860

there were 60 kids at this Arial school

1106

00:48:53,110 --> 00:48:50,480

and Zimbabwe has you know had its head

1107

00:48:55,540 --> 00:48:53,120

its periods of colonialism you know so

1108

00:48:58,030 --> 00:48:55,550

there were different ethnic makeups

1109

00:48:59,920 --> 00:48:58,040

within this school different backgrounds

1110

00:49:02,470 --> 00:48:59,930

you know white children and Indian

1111

00:49:05,260 --> 00:49:02,480

children and African native children all

1112

00:49:07,720 --> 00:49:05,270

attend this school it was very you know

1113

00:49:10,870 --> 00:49:07,730

popular and order organized and ordered

1114

00:49:14,110 --> 00:49:10,880

school and 60 of these kids this day

1115

00:49:15,760 --> 00:49:14,120

were on the playground and similar to

1116

00:49:17,830 --> 00:49:15,770

you know the other accounts they

1117

00:49:19,360 --> 00:49:17,840

wouldn't list you know an object you

1118

00:49:22,390 --> 00:49:19,370

know like a cigar-shaped or flying

1119

00:49:24,420 --> 00:49:22,400

saucer shaped object land in the fields

1120

00:49:26,680 --> 00:49:24,430

just beyond the school grounds and

1121

00:49:29,200 --> 00:49:26,690

similar to you know some of these other

1122

00:49:33,370 --> 00:49:29,210

stories they they see a couple of men

1123

00:49:36,100 --> 00:49:33,380

and you know with the big black alien

1124

00:49:38,920 --> 00:49:36,110

bug eyes you know started going in out

1125

00:49:41,590 --> 00:49:38,930

of this flying saucer and and that's

1126
00:49:44,680 --> 00:49:41,600
what dr. a dr. Mac had gone down here to

1127
00:49:45,820 --> 00:49:44,690
investigate and these these kids you

1128
00:49:48,400 --> 00:49:45,830
know when he invested when he

1129
00:49:50,170 --> 00:49:48,410
interviewed them and they told Adama

1130
00:49:52,990 --> 00:49:50,180
will be the same story but they just

1131
00:49:55,150 --> 00:49:53,000
said you know they had little many sort

1132
00:49:56,770 --> 00:49:55,160
of cultural changes you know cultural

1133
00:49:59,830 --> 00:49:56,780
descriptions that were a little

1134
00:50:02,590 --> 00:49:59,840
different you know relative to you know

1135
00:50:08,620 --> 00:50:02,600
to the creatures appearance or even the

1136
00:50:09,760 --> 00:50:08,630
appearance of the crack what scared you

1137
00:50:13,150 --> 00:50:09,770
good boys

1138
00:50:15,520 --> 00:50:13,160

what noise the noise that we heard of

1139

00:50:18,140 --> 00:50:15,530

the ear you've heard the noise in the

1140

00:50:20,150 --> 00:50:18,150

air what was it like like a roar

1141

00:50:23,049 --> 00:50:20,160

buzz or a home or what kind of the noise

1142

00:50:26,809 --> 00:50:23,059

was like someone was playing the flute

1143

00:50:33,920 --> 00:50:26,819

it was scary myself it was scary because

1144

00:50:36,319 --> 00:50:33,930

you saw something yourself I saw little

1145

00:50:36,859 --> 00:50:36,329

objects hovering it was quite big

1146

00:50:39,049 --> 00:50:36,869

actually

1147

00:50:41,809 --> 00:50:39,059

and then there was little ones around it

1148

00:50:44,960 --> 00:50:41,819

we saw something silver and then would

1149

00:50:49,370 --> 00:50:44,970

quickly rental out to the logs and we

1150

00:50:52,279 --> 00:50:49,380

saw a silver silver thing and we saw a

1151
00:50:54,319 --> 00:50:52,289
man standing list it was a little feel

1152
00:50:57,650 --> 00:50:54,329
like when he was looking at you I felt

1153
00:50:58,779 --> 00:50:57,660
scared ups it felt scared what was scary

1154
00:51:02,480 --> 00:50:58,789
about it

1155
00:51:06,769 --> 00:51:02,490
well that scared because I've never seen

1156
00:51:09,499 --> 00:51:06,779
such a person not that before was he

1157
00:51:16,370 --> 00:51:09,509
knew the silver object or was he fought

1158
00:51:19,130 --> 00:51:16,380
on top of the silver object okay and did

1159
00:51:22,700 --> 00:51:19,140
you look at him did he look at you he

1160
00:51:24,650 --> 00:51:22,710
gave me the creeps actually your drawing

1161
00:51:26,329 --> 00:51:24,660
you shot him standing up didn't you you

1162
00:51:31,640 --> 00:51:26,339
said if I'm standing up was up in drunk

1163
00:51:33,470 --> 00:51:31,650

City what I thought was maybe the rule

1164

00:51:36,319 --> 00:51:33,480

is gonna end maybe they're telling us

1165

00:51:40,210 --> 00:51:36,329

the rules gonna end that's sort of an

1166

00:51:42,200 --> 00:51:40,220

interesting aspect it's I think

1167

00:51:44,930 --> 00:51:42,210

everybody involved

1168

00:51:46,759 --> 00:51:44,940

you know the main investigator is an dr.

1169

00:51:50,089 --> 00:51:46,769

Matt Mack you know believe that there

1170

00:51:52,489 --> 00:51:50,099

was some sort of encounter and again you

1171

00:51:54,229 --> 00:51:52,499

know you you start getting into the you

1172

00:51:56,299 --> 00:51:54,239

know when you investigate it especially

1173

00:51:59,390 --> 00:51:56,309

with children you start you start to see

1174

00:52:01,640 --> 00:51:59,400

these perceptual aspects that are that

1175

00:52:04,430 --> 00:52:01,650

are kind of interesting and and for dr.

1176

00:52:06,259 --> 00:52:04,440

Matt was part of his investigation you

1177

00:52:08,390 --> 00:52:06,269

know some of those you know for instance

1178

00:52:10,910 --> 00:52:08,400

like the the African children who

1179

00:52:13,880 --> 00:52:10,920

witnessed that sort of perceived like

1180

00:52:17,539 --> 00:52:13,890

hair you know and they identified it as

1181

00:52:20,239 --> 00:52:17,549

like a classic creature deal from their

1182

00:52:22,370 --> 00:52:20,249

culture called a togolese she you know

1183

00:52:25,339 --> 00:52:22,380

which is like some sort of like spirit

1184

00:52:27,049 --> 00:52:25,349

or some sort of being so you know

1185

00:52:30,440 --> 00:52:27,059

there's there's interesting stuff there

1186

00:52:31,400 --> 00:52:30,450

to explore I know means an aerial expert

1187

00:52:33,200 --> 00:52:31,410

there are a lot of

1188

00:52:35,539 --> 00:52:33,210

people out there that know a lot more

1189

00:52:37,099 --> 00:52:35,549

there there are in our documentaries

1190

00:52:40,210 --> 00:52:37,109

coming down the road I think aerial

1191

00:52:43,160 --> 00:52:40,220

phenomena is one that is going to be

1192

00:52:45,859 --> 00:52:43,170

coming out I think our friend James Fox

1193

00:52:50,059 --> 00:52:45,869

has been doing some aerial stuff as well

1194

00:52:51,970 --> 00:52:50,069

for for his projects oh yeah and some of

1195

00:52:55,339 --> 00:52:51,980

the some of the children witnesses

1196

00:52:58,549 --> 00:52:55,349

they're growing up now so they've taken

1197

00:53:00,589 --> 00:52:58,559

to speaking about their encounters Emily

1198

00:53:04,700 --> 00:53:00,599

trim is one she's out there she speaks

1199

00:53:07,609 --> 00:53:04,710

about the encounter that she that she

1200

00:53:10,190 --> 00:53:07,619

was about with that day and you know

1201

00:53:12,289 --> 00:53:10,200

some of the some of the kids claimed in

1202

00:53:15,500 --> 00:53:12,299

my further encounters or at least you

1203

00:53:18,079 --> 00:53:15,510

know messages you know we're we started

1204

00:53:20,390 --> 00:53:18,089

to have that contact I expect of you

1205

00:53:23,720 --> 00:53:20,400

know receiving messages by by some of

1206

00:53:26,870 --> 00:53:23,730

the the witnesses you know utopian type

1207

00:53:28,069 --> 00:53:26,880

stuff which is fascinating yeah

1208

00:53:31,099 --> 00:53:28,079

absolutely

1209

00:53:32,569 --> 00:53:31,109

it's a great case and like you said the

1210

00:53:34,849 --> 00:53:32,579

witnesses are still willing to talk

1211

00:53:36,769 --> 00:53:34,859

about what happened to them and it's

1212

00:53:40,099 --> 00:53:36,779

clear that they're still affected by

1213

00:53:41,299 --> 00:53:40,109

this and they stick by their stories so

1214

00:53:43,279 --> 00:53:41,309

that's what I find most interesting

1215

00:53:45,470 --> 00:53:43,289

about this one it's the most current one

1216

00:53:47,029 --> 00:53:45,480

we have to date and it's also the one

1217

00:53:49,549 --> 00:53:47,039

where we still have these witnesses

1218

00:53:51,730 --> 00:53:49,559

around to tell this story so this case

1219

00:53:53,569 --> 00:53:51,740

is not going to die these documentaries

1220

00:53:55,940 --> 00:53:53,579

documentaries are only going to shine

1221

00:53:59,329 --> 00:53:55,950

more light on it so I'm excited to see

1222

00:54:00,980 --> 00:53:59,339

where that goes like this these cases

1223

00:54:03,049 --> 00:54:00,990

it's astounding how many there are and

1224

00:54:06,109 --> 00:54:03,059

like you said right before we started

1225

00:54:08,420 --> 00:54:06,119

there's hundreds of more but with all of

1226

00:54:11,000 --> 00:54:08,430

these all of these cases that involve

1227

00:54:14,240 --> 00:54:11,010

children I want to hear from you man in

1228

00:54:15,769 --> 00:54:14,250

your opinion do you think whatever is

1229

00:54:18,019 --> 00:54:15,779

happening to these kids do you think

1230

00:54:19,910 --> 00:54:18,029

it's intentional by these possible

1231

00:54:22,549 --> 00:54:19,920

intelligences are they actually

1232

00:54:25,160 --> 00:54:22,559

targeting these children to appear to or

1233

00:54:26,809 --> 00:54:25,170

is this all complete happenstance is it

1234

00:54:29,299 --> 00:54:26,819

different for every case where do you

1235

00:54:31,309 --> 00:54:29,309

sort of land in terms of why so many

1236

00:54:33,529 --> 00:54:31,319

child UFO encounters happen

1237

00:54:36,289 --> 00:54:33,539

well ultimately I would say I think it's

1238

00:54:39,260 --> 00:54:36,299

you know it's different each case you

1239

00:54:41,960 --> 00:54:39,270

know I do think that these cases have to

1240

00:54:44,000 --> 00:54:41,970

kind of you know be viewed independently

1241

00:54:45,310 --> 00:54:44,010

of each other but you know that the

1242

00:54:48,310 --> 00:54:45,320

comparisons are

1243

00:54:51,280 --> 00:54:48,320

or really sir Peggy you know you can't

1244

00:54:53,200 --> 00:54:51,290

get around that I don't know what what

1245

00:54:55,450 --> 00:54:53,210

kids are seeing or they are they more

1246

00:54:58,750 --> 00:54:55,460

open to that sort of thing I would think

1247

00:55:01,240 --> 00:54:58,760

that it's probably the personality you

1248

00:55:03,880 --> 00:55:01,250

know of whoever is perceiving I guess

1249

00:55:08,550 --> 00:55:03,890

whatever whatever is being perceived

1250

00:55:11,140 --> 00:55:08,560

that sort of a long way around of saying

1251
00:55:13,510 --> 00:55:11,150
you know maybe it maybe it depends on

1252
00:55:16,690 --> 00:55:13,520
the person and maybe it does depend on

1253
00:55:19,390 --> 00:55:16,700
the fact that these are children and you

1254
00:55:21,970 --> 00:55:19,400
know perception not does play as part

1255
00:55:24,280 --> 00:55:21,980
into it I can tell you myself though and

1256
00:55:27,460 --> 00:55:24,290
I think you're right along there with me

1257
00:55:32,110 --> 00:55:27,470
that as a person who saw an object as a

1258
00:55:35,740 --> 00:55:32,120
kid it definitely influenced me it got

1259
00:55:38,080 --> 00:55:35,750
me it got me further interested in into

1260
00:55:40,060 --> 00:55:38,090
the subject you know I don't know if a

1261
00:55:43,570 --> 00:55:40,070
lot of these these people who saw these

1262
00:55:45,520 --> 00:55:43,580
and ended up going on to you know not

1263
00:55:47,680 --> 00:55:45,530

too many of them that that I've heard of

1264

00:55:51,340 --> 00:55:47,690

have gone on to you know spread the UFO

1265

00:55:53,530 --> 00:55:51,350

message or or whatnot but you know at

1266

00:55:56,110 --> 00:55:53,540

least for a time they were vocal in in

1267

00:55:57,550 --> 00:55:56,120

the reality of what they saw I don't

1268

00:55:58,990 --> 00:55:57,560

know I think you know in some of these

1269

00:56:01,720 --> 00:55:59,000

cases maybe there's some sort of

1270

00:56:03,700 --> 00:56:01,730

misidentification mass hysteria is

1271

00:56:06,870 --> 00:56:03,710

always a possibility houses are a

1272

00:56:11,440 --> 00:56:06,880

possibility and some in some instances

1273

00:56:15,340 --> 00:56:11,450

but they all of these cases I think

1274

00:56:17,320 --> 00:56:15,350

stand out in that you know when you

1275

00:56:20,590 --> 00:56:17,330

start getting into hundreds of witnesses

1276
00:56:22,390 --> 00:56:20,600
and you start moving out of you know the

1277
00:56:24,490 --> 00:56:22,400
child demographic and you're starting to

1278
00:56:27,070 --> 00:56:24,500
get adult and other people seeing the

1279
00:56:28,780 --> 00:56:27,080
same thing then something is being seen

1280
00:56:31,810 --> 00:56:28,790
then you know something is being

1281
00:56:34,390 --> 00:56:31,820
experienced you know perceptions as to

1282
00:56:38,680 --> 00:56:34,400
you know beings and all that I I find

1283
00:56:42,130 --> 00:56:38,690
very intriguing very interesting what's

1284
00:56:44,230 --> 00:56:42,140
going on I don't know yeah that's what

1285
00:56:47,290 --> 00:56:44,240
makes it so it makes these you know

1286
00:56:49,000 --> 00:56:47,300
especially interesting and you know I'd

1287
00:56:50,710 --> 00:56:49,010
love to track some of some more of these

1288
00:56:53,560 --> 00:56:50,720

witnesses down to some of these cases to

1289

00:56:56,260 --> 00:56:53,570

see how it's affected them long-term or

1290

00:56:59,020 --> 00:56:56,270

if or if they've changed their mind I

1291

00:57:01,690 --> 00:56:59,030

think from those that have come forward

1292

00:57:04,450 --> 00:57:01,700

even to this day they stand by ya

1293

00:57:05,800 --> 00:57:04,460

themselves as children you know this is

1294

00:57:07,810 --> 00:57:05,810

what I saw when I was a kid

1295

00:57:09,820 --> 00:57:07,820

yep and you can't ask for more than that

1296

00:57:12,430 --> 00:57:09,830

from a witness you know they they have

1297

00:57:15,610 --> 00:57:12,440

defied that sort of stigma that comes

1298

00:57:18,010 --> 00:57:15,620

with reporting a UFO they were kids you

1299

00:57:19,900 --> 00:57:18,020

know there wasn't that this this idea

1300

00:57:23,110 --> 00:57:19,910

that I'm gonna lose my job if I talk

1301
00:57:25,270 --> 00:57:23,120
about this or you know the Johnsons next

1302
00:57:27,880 --> 00:57:25,280
door are gonna talk about us it's it's

1303
00:57:31,030 --> 00:57:27,890
you know it's they're open they're

1304
00:57:33,310 --> 00:57:31,040
honest and like you said they're willing

1305
00:57:34,930 --> 00:57:33,320
to be more honest than I think an adult

1306
00:57:38,650 --> 00:57:34,940
would be in terms of coming forward with

1307
00:57:40,840 --> 00:57:38,660
things like this in terms of that I have

1308
00:57:43,950 --> 00:57:40,850
a question for you and in terms of like

1309
00:57:46,900 --> 00:57:43,960
UFO organizations that investigate cases

1310
00:57:49,180 --> 00:57:46,910
do you think in terms of these cases

1311
00:57:51,340 --> 00:57:49,190
that there should be some sort of

1312
00:57:54,340 --> 00:57:51,350
organization that strict's strictly

1313
00:57:56,890 --> 00:57:54,350

deals with kids that's a good question I

1314

00:57:59,220 --> 00:57:56,900

think it's always advantageous to you

1315

00:58:02,110 --> 00:57:59,230

know have people you know interested in

1316

00:58:05,920 --> 00:58:02,120

specialized aspects of you know this

1317

00:58:08,650 --> 00:58:05,930

subject and its history as far as an

1318

00:58:12,010 --> 00:58:08,660

organization I think I think there's a

1319

00:58:14,380 --> 00:58:12,020

pretty good Westall group on Facebook

1320

00:58:17,670 --> 00:58:14,390

where a lot of these cases are discussed

1321

00:58:19,840 --> 00:58:17,680

it's a chain running the West Hall

1322

00:58:22,510 --> 00:58:19,850

investigator down there and he's done

1323

00:58:25,870 --> 00:58:22,520

some other investigations and - into

1324

00:58:28,630 --> 00:58:25,880

similar school type events I think his

1325

00:58:31,360 --> 00:58:28,640

group would probably be a good one to to

1326

00:58:34,780 --> 00:58:31,370

sort of interconnect with but different

1327

00:58:37,960 --> 00:58:34,790

people you know what makes these

1328

00:58:40,540 --> 00:58:37,970

interesting and a little more

1329

00:58:42,850 --> 00:58:40,550

problematic gistic Lee for having a

1330

00:58:46,660 --> 00:58:42,860

group as you know these cases are all

1331

00:58:48,550 --> 00:58:46,670

over the world you know so if if we're

1332

00:58:50,200 --> 00:58:48,560

gonna interact you know relative to

1333

00:58:52,210 --> 00:58:50,210

these cases you know it's probably gonna

1334

00:58:54,820 --> 00:58:52,220

have to be his cyber organization like

1335

00:58:57,690 --> 00:58:54,830

the West Hall group but definitely I

1336

00:59:00,490 --> 00:58:57,700

think that it's a good area of focus and

1337

00:59:03,130 --> 00:59:00,500

yeah and and there's other accounts out

1338

00:59:06,220 --> 00:59:03,140

there yeah we we just hit the iceberg

1339

00:59:09,250 --> 00:59:06,230

you know that the famous delphos case

1340

00:59:10,390 --> 00:59:09,260

was a child case the cash Landrum cash

1341

00:59:13,660 --> 00:59:10,400

Landrum was

1342

00:59:16,900 --> 00:59:13,670

case you know there's a lot of a lot of

1343

00:59:19,000 --> 00:59:16,910

our famous cases involve children and

1344

00:59:21,610 --> 00:59:19,010

it's it would be good for somebody to

1345

00:59:23,530 --> 00:59:21,620

look into that I think we got a lot of

1346

00:59:26,380 --> 00:59:23,540

good searchers like Shane out there

1347

00:59:28,120 --> 00:59:26,390

doing that for us so yeah he is doing

1348

00:59:29,620 --> 00:59:28,130

some great work and again the West our

1349

00:59:31,330 --> 00:59:29,630

case is definitely one people should

1350

00:59:33,940 --> 00:59:31,340

look into well speaking of children

1351

00:59:36,220 --> 00:59:33,950

Michael many of my listeners they know

1352

00:59:39,130 --> 00:59:36,230

this but some may not you are the host

1353

00:59:40,360 --> 00:59:39,140

of this strange travels blog and don't

1354

00:59:42,670 --> 00:59:40,370

think you weren't gonna get away without

1355

00:59:44,800 --> 00:59:42,680

talking about this man this is where you

1356

00:59:46,900 --> 00:59:44,810

chronicle your adventures across the US

1357

00:59:49,930 --> 00:59:46,910

and with your children and your wife

1358

00:59:54,220 --> 00:59:49,940

which again I envy tremendously and

1359

00:59:56,470 --> 00:59:54,230

you've gone to some amazing places this

1360

00:59:58,660 --> 00:59:56,480

past year tell me to brief me have you

1361

01:00:00,280 --> 00:59:58,670

personally been to any places that you

1362

01:00:03,280 --> 01:00:00,290

really want to talk about anything

1363

01:00:05,740 --> 01:00:03,290

strange happen or really come to stick

1364

01:00:08,200 --> 01:00:05,750

out man

1365

01:00:11,830 --> 01:00:08,210

yeah we're we're doing the same thing

1366

01:00:13,960 --> 01:00:11,840

that we've but we've been doing I call

1367

01:00:17,650 --> 01:00:13,970

myself a paranormal travel writer but

1368

01:00:20,110 --> 01:00:17,660

that's that's not really my job I'm just

1369

01:00:23,530 --> 01:00:20,120

a regular you know just UFO junkie here

1370

01:00:26,380 --> 01:00:23,540

in Missouri but I do take my wife and

1371

01:00:28,780 --> 01:00:26,390

kids to interesting spots and we'll

1372

01:00:31,990 --> 01:00:28,790

visit the occasional famous UFO place

1373

01:00:34,480 --> 01:00:32,000

and I like to take pictures and document

1374

01:00:38,230 --> 01:00:34,490

and share the big thang probably this

1375

01:00:41,230 --> 01:00:38,240

past year we went to Kelly Kentucky at

1376

01:00:44,680 --> 01:00:41,240

home of the the the Kelly

1377

01:00:47,140 --> 01:00:44,690

Hopkinsville encounter of 1955 you know

1378

01:00:49,620 --> 01:00:47,150

her house was besieged by goblins that's

1379

01:00:52,860 --> 01:00:49,630

sure everybody's familiar with it but

1380

01:00:56,530 --> 01:00:52,870

yeah I went there for the the Eclipse

1381

01:01:00,040 --> 01:00:56,540

and it just so it happens on the day the

1382

01:01:01,810 --> 01:01:00,050

anniversary a day of the the Eclipse was

1383

01:01:05,940 --> 01:01:01,820

also the anniversary of the encounter

1384

01:01:09,310 --> 01:01:05,950

Wow okay so and it was also the highest

1385

01:01:12,970 --> 01:01:09,320

longest duration of point for the

1386

01:01:16,540 --> 01:01:12,980

Eclipse is the epicenter of the Eclipse

1387

01:01:19,120 --> 01:01:16,550

at this famous UFO spot so we had fun we

1388

01:01:21,910 --> 01:01:19,130

had fun there and I got to look I got to

1389

01:01:23,740 --> 01:01:21,920

go on to the the grounds of the property

1390

01:01:26,740 --> 01:01:23,750

ll and then the stand where the

1391

01:01:29,080 --> 01:01:26,750

goblins were and look at the trees that

1392

01:01:32,230 --> 01:01:29,090

they left up into and even saw the

1393

01:01:34,780 --> 01:01:32,240

flying saucer that are the saw circular

1394

01:01:39,100 --> 01:01:34,790

patch that they're saucer supposedly

1395

01:01:40,270 --> 01:01:39,110

landed in in 1955 that was that was sort

1396

01:01:42,190 --> 01:01:40,280

of that that was one of the big

1397

01:01:44,110 --> 01:01:42,200

highlights but that's the sort of thing

1398

01:01:46,780 --> 01:01:44,120

that we do yet you know they have a UFO

1399

01:01:48,970 --> 01:01:46,790

festival and all that but yeah we like

1400

01:01:51,730 --> 01:01:48,980

to do a lot of the the pair tourism and

1401

01:01:53,830 --> 01:01:51,740

the UFO tourism and you know we we go to

1402

01:01:56,320 --> 01:01:53,840

haunted houses in be full of places and

1403

01:01:58,840 --> 01:01:56,330

we're still doing that and we're still

1404

01:02:01,870 --> 01:01:58,850

talking about it and that Thank You Ryan

1405

01:02:04,000 --> 01:02:01,880

I know you've been liking a lot of my

1406

01:02:05,530 --> 01:02:04,010

stuff and complimenting me you've been a

1407

01:02:08,170 --> 01:02:05,540

big supporter and I do appreciate that

1408

01:02:11,290 --> 01:02:08,180

oh I love it man it's more jealousy than

1409

01:02:13,420 --> 01:02:11,300

anything but no I have a great respect

1410

01:02:15,030 --> 01:02:13,430

for what you do and that you introduce

1411

01:02:17,260 --> 01:02:15,040

this to your children I think that's

1412

01:02:19,390 --> 01:02:17,270

important you're not telling them what I

1413

01:02:21,310 --> 01:02:19,400

think you're not telling them what all

1414

01:02:24,310 --> 01:02:21,320

of this is you're introducing them to a

1415

01:02:26,680 --> 01:02:24,320

topic that many parents would be shy

1416

01:02:29,560 --> 01:02:26,690

away from with their children and you

1417

01:02:31,810 --> 01:02:29,570

know we grew up having experiences and

1418

01:02:33,940 --> 01:02:31,820

that's what led us to do this so I I do

1419

01:02:36,490 --> 01:02:33,950

I know I've asked you this on into the

1420

01:02:38,320 --> 01:02:36,500

fray but I want to ask you again how do

1421

01:02:41,410 --> 01:02:38,330

you deal with this with your kids what

1422

01:02:44,350 --> 01:02:41,420

what do they what do they take away from

1423

01:02:47,410 --> 01:02:44,360

seeing the indentation or a possible UFO

1424

01:02:49,030 --> 01:02:47,420

landed and goblins came out what does it

1425

01:02:49,990 --> 01:02:49,040

kid make of this that would blow my

1426

01:02:53,770 --> 01:02:50,000

frickin mind

1427

01:02:55,540 --> 01:02:53,780

well well first off yeah I'm jealous of

1428

01:02:57,610 --> 01:02:55,550

my kids because I'm you know when I was

1429

01:03:02,740 --> 01:02:57,620

a kid reading about this stuff I wanted

1430

01:03:06,310 --> 01:03:02,750

to go there immediately you know you

1431

01:03:07,630 --> 01:03:06,320

know so my kids are kind of lucky in

1432

01:03:11,770 --> 01:03:07,640

that you know they get to go to a lot of

1433

01:03:13,240 --> 01:03:11,780

interesting you know places and when

1434

01:03:14,920 --> 01:03:13,250

they're there they know what they're

1435

01:03:17,400 --> 01:03:14,930

there for they know that you know

1436

01:03:19,900 --> 01:03:17,410

supposedly a alien was seen over there

1437

01:03:21,130 --> 01:03:19,910

you know a Bigfoot listening you know

1438

01:03:23,320 --> 01:03:21,140

right where you're staying and whatever

1439

01:03:27,400 --> 01:03:23,330

and they think it's fun and I think it's

1440

01:03:29,650 --> 01:03:27,410

interesting the third luckily they're

1441

01:03:32,260 --> 01:03:29,660

into all this to you know they ask a lot

1442

01:03:35,620 --> 01:03:32,270

of questions I don't push

1443

01:03:37,180 --> 01:03:35,630

you know hypotheses in fact I encourage

1444

01:03:39,730 --> 01:03:37,190

my kids to

1445

01:03:40,480 --> 01:03:39,740

with different ideas and that's always

1446

01:03:42,490 --> 01:03:40,490

fun

1447

01:03:45,700 --> 01:03:42,500

you know when we're going through the

1448

01:03:47,890 --> 01:03:45,710

TNT area looking for the Mothman and you

1449

01:03:52,059 --> 01:03:47,900

know my boys will get into a competition

1450

01:03:55,059 --> 01:03:52,069

of of theories as to what they think it

1451

01:03:57,130 --> 01:03:55,069

really is you know but there's there's

1452

01:03:59,920 --> 01:03:57,140

always that little bit of mystery that

1453

01:04:01,779 --> 01:03:59,930

little kids maintain that always gives

1454

01:04:05,230 --> 01:04:01,789

them a little bit of fright and a little

1455

01:04:08,589 --> 01:04:05,240

bit of you know intrigue and a little

1456

01:04:11,589 --> 01:04:08,599

bit of mystery you know within them they

1457

01:04:13,359 --> 01:04:11,599

that keeps them engaged and my kids

1458

01:04:15,670 --> 01:04:13,369

luckily they love monsters and aliens

1459

01:04:21,039 --> 01:04:15,680

and all that and they love going along

1460

01:04:22,900 --> 01:04:21,049

with me and exploring as well well what

1461

01:04:24,970 --> 01:04:22,910

can we expect next where you where are

1462

01:04:27,069 --> 01:04:24,980

you guys head in this year the years

1463

01:04:30,430 --> 01:04:27,079

almost wrapped up what's coming next for

1464

01:04:31,900 --> 01:04:30,440

you guys well we're probably good a tool

1465

01:04:34,390 --> 01:04:31,910

around here in this area does it a

1466

01:04:36,730 --> 01:04:34,400

couple of you know local urban legends

1467

01:04:41,980 --> 01:04:36,740

you know there's a couple of spooky

1468

01:04:43,420 --> 01:04:41,990

haunted places and alien landing site

1469

01:04:46,839 --> 01:04:43,430

that I need to check out before the end

1470

01:04:49,210 --> 01:04:46,849

of the year but next year I think we're

1471

01:04:51,220 --> 01:04:49,220

gonna I think we're gonna go up to

1472

01:04:53,680 --> 01:04:51,230

Hannibal Missouri visit Mark Twain's

1473

01:04:55,529 --> 01:04:53,690

town and have some fun up there I think

1474

01:04:57,640 --> 01:04:55,539

that's probably one of our big trips

1475

01:04:59,799 --> 01:04:57,650

that we're looking to do we're gonna go

1476

01:05:01,960 --> 01:04:59,809

up there and maybe you have my kids

1477

01:05:05,620 --> 01:05:01,970

paint defense you know and I'm sorry

1478

01:05:08,019 --> 01:05:05,630

your book fan competition I think that

1479

01:05:10,420 --> 01:05:08,029

might be unmarked yeah that's great man

1480

01:05:12,789 --> 01:05:10,430

it's not all UFOs and ghosts and goblins

1481

01:05:15,700 --> 01:05:12,799

together teachers some literature to

1482

01:05:18,549 --> 01:05:15,710

write well but you know Ryan there's a

1483

01:05:23,289 --> 01:05:18,559

lot of it also right near there's the

1484

01:05:27,220 --> 01:05:23,299

first memo saying okay and you had the

1485

01:05:31,710 --> 01:05:27,230

famous you know famous UFO landing spot

1486

01:05:34,269 --> 01:05:31,720

so yeah I'm still gonna take it because

1487

01:05:36,010 --> 01:05:34,279

yeah and of course there's haunted

1488

01:05:37,630 --> 01:05:36,020

places in Hannibal I'm sure so yeah

1489

01:05:40,390 --> 01:05:37,640

we're we're gonna do the weird stuff

1490

01:05:43,589 --> 01:05:40,400

while we do our normal family stuff you

1491

01:05:46,359 --> 01:05:43,599

know okay good I'm glad to hear that

1492

01:05:48,310 --> 01:05:46,369

where where can we find out more about

1493

01:05:51,400 --> 01:05:48,320

what you're doing well

1494

01:05:54,460 --> 01:05:51,410

I am all over social media you can find

1495

01:05:56,170 --> 01:05:54,470

me on Facebook Instagram Twitter you

1496

01:05:58,570 --> 01:05:56,180

know although all that good stuff I'm

1497

01:06:01,150 --> 01:05:58,580

usually on Facebook quite a bit and if

1498

01:06:03,250 --> 01:06:01,160

I'm posting something somewhere or

1499

01:06:05,800 --> 01:06:03,260

talking on the radio somewhere I usually

1500

01:06:09,460 --> 01:06:05,810

put a link up there so just look me up

1501
01:06:11,800 --> 01:06:09,470
there and you can you can file what what

1502
01:06:15,940 --> 01:06:11,810
we're dealing I do have my wordpress

1503
01:06:18,550 --> 01:06:15,950
blog just keep an at it that's still

1504
01:06:20,980 --> 01:06:18,560
working out in the book hopefully well

1505
01:06:22,690 --> 01:06:20,990
we're actually expanding that and we're

1506
01:06:25,720 --> 01:06:22,700
gonna do some art projects connected

1507
01:06:28,000 --> 01:06:25,730
with it but uh you know when it's done

1508
01:06:31,660 --> 01:06:28,010
it's done you know we'll see how it goes

1509
01:06:33,250 --> 01:06:31,670
but you know it's a lot of stuff out

1510
01:06:36,400 --> 01:06:33,260
there a lot of stuff you want to do and

1511
01:06:39,130 --> 01:06:36,410
then and we're keeping at it but always

1512
01:06:40,900 --> 01:06:39,140
interested in making more friends and if

1513
01:06:43,390 --> 01:06:40,910

anybody's got a cool place they want to

1514

01:06:46,360 --> 01:06:43,400

tell me about or a cool story I'm always

1515

01:06:48,400 --> 01:06:46,370

good to hit up for a chat awesome that's

1516

01:06:50,140 --> 01:06:48,410

so great to hear man well this this has

1517

01:06:52,240 --> 01:06:50,150

been an absolutely fascinating crash

1518

01:06:54,700 --> 01:06:52,250

course in a subtopic of UFO sightings

1519

01:06:56,980 --> 01:06:54,710

that doesn't get talked about often and

1520

01:06:58,150 --> 01:06:56,990

I'm so glad that this is what we landed

1521

01:07:01,060 --> 01:06:58,160

on I know

1522

01:07:02,830 --> 01:07:01,070

I've wanted you on since I started the

1523

01:07:05,170 --> 01:07:02,840

podcast and we couldn't really like nail

1524

01:07:06,850 --> 01:07:05,180

down a topic but I think this was a good

1525

01:07:09,070 --> 01:07:06,860

one we haven't talked about it before

1526

01:07:11,470 --> 01:07:09,080

there's clearly a lot of questions to

1527

01:07:13,690 --> 01:07:11,480

still be asked about why all of these

1528

01:07:15,010 --> 01:07:13,700

trials UFO encounters happen and i

1529

01:07:17,230 --> 01:07:15,020

couldn't think of a better person to do

1530

01:07:19,300 --> 01:07:17,240
