

STAR

THE LAST JEDI

WARS

1
00:00:04,070 --> 00:00:01,750
hey guys before we get to this week's

2
00:00:06,789 --> 00:00:04,080
show i wanted to remind you that in this

3
00:00:08,790 --> 00:00:06,799
holiday season we can't forget those

4
00:00:10,709 --> 00:00:08,800
less fortunate than us and here at

5
00:00:13,350 --> 00:00:10,719
somewhere in the skies i am running an

6
00:00:15,270 --> 00:00:13,360
event i did last year as well for anyone

7
00:00:17,670 --> 00:00:15,280
who purchases merchandise from the

8
00:00:20,230 --> 00:00:17,680
official summer in the sky store or

9
00:00:22,710 --> 00:00:20,240
purchases my book somewhere in the skies

10
00:00:25,830 --> 00:00:22,720
a human approach to an alien phenomenon

11
00:00:27,990 --> 00:00:25,840
25 of the proceeds will be donated to

12
00:00:30,150 --> 00:00:28,000
the women's refugee commission there are

13
00:00:32,229 --> 00:00:30,160

currently almost 60 million refugees

14

00:00:34,549 --> 00:00:32,239

worldwide who have been displaced by

15

00:00:36,470 --> 00:00:34,559

conflict the women's refugee commission

16

00:00:39,270 --> 00:00:36,480

improves the lives and protects the

17

00:00:41,510 --> 00:00:39,280

rights of women children and youth who

18

00:00:43,670 --> 00:00:41,520

suffer this displacement the commission

19

00:00:46,549 --> 00:00:43,680

also researches their needs identify

20

00:00:48,950 --> 00:00:46,559

solutions and advocates for programs and

21

00:00:51,190 --> 00:00:48,960

policies to strengthen their resilience

22

00:00:53,430 --> 00:00:51,200

and drive change in humanitarian

23

00:00:55,590 --> 00:00:53,440

practice since 1989 they have been a

24

00:00:58,069 --> 00:00:55,600

leading expert on the needs of refugee

25

00:01:00,869 --> 00:00:58,079

women and children and the policies that

26
00:01:02,709 --> 00:01:00,879
can protect and empower them so help

27
00:01:05,270 --> 00:01:02,719
empower your fellow human beings this

28
00:01:07,109 --> 00:01:05,280
holiday season while also supporting

29
00:01:09,990 --> 00:01:07,119
somewhere in the skies the merchandise

30
00:01:11,670 --> 00:01:10,000
store can be found at t public.com and

31
00:01:14,630 --> 00:01:11,680
by searching for either somewhere in the

32
00:01:15,990 --> 00:01:14,640
skies or spread 5-1 that's

33
00:01:17,749 --> 00:01:16,000
s-p-r-a-g-u-e-5-1

34
00:01:20,550 --> 00:01:17,759
[Music]

35
00:01:22,310 --> 00:01:20,560
again the website is t-e-e public dot

36
00:01:24,710 --> 00:01:22,320
com for all summer in the skies

37
00:01:27,350 --> 00:01:24,720
merchandise the book is available in

38
00:01:29,710 --> 00:01:27,360

paperback and ebook and can be found on

39

00:01:31,590 --> 00:01:29,720

amazon or at

40

00:01:33,590 --> 00:01:31,600

richarddolenpress.com if you wish to

41

00:01:36,310 --> 00:01:33,600

support the show separately and help us

42

00:01:38,710 --> 00:01:36,320

grow both in quality and quantity the

43

00:01:40,870 --> 00:01:38,720

patreon campaign is still running and

44

00:01:42,390 --> 00:01:40,880

many rewards are now available for

45

00:01:45,030 --> 00:01:42,400

different levels of monthly

46

00:01:48,230 --> 00:01:45,040

contributions and the list of rewards is

47

00:01:50,870 --> 00:01:48,240

only growing in 2018. to learn more and

48

00:01:53,670 --> 00:01:50,880

to become a patron visit [patreon.com](https://www.patreon.com)

49

00:01:56,069 --> 00:01:53,680

backslash somewhere skies thank you so

50

00:01:56,500 --> 00:01:56,079

much and now let's get to this week's

51
00:02:05,990 --> 00:01:56,510
show

52
00:02:11,410 --> 00:02:08,949
this is somewhere in the skies with ryan

53
00:02:28,390 --> 00:02:11,420
spread

54
00:02:29,589 --> 00:02:28,400
[Music]

55
00:02:32,460 --> 00:02:29,599
permission to jump in our next swing and

56
00:02:41,910 --> 00:02:32,470
pull something out permission granted

57
00:02:43,589 --> 00:02:41,920
[Music]

58
00:02:45,480 --> 00:02:43,599
may the force be with you

59
00:02:48,620 --> 00:02:45,490
hey watch the language

60
00:02:49,170 --> 00:02:48,630
[Music]

61
00:02:56,949 --> 00:02:49,180
[Applause]

62
00:03:02,470 --> 00:02:59,190
hey guys ryan sprague here happy

63
00:03:04,390 --> 00:03:02,480

holidays to everybody here is my gift to

64

00:03:06,390 --> 00:03:04,400

you so i hope you enjoy

65

00:03:08,630 --> 00:03:06,400

hey it's better than a starbucks gift

66

00:03:10,869 --> 00:03:08,640

card right welcome to episode three of

67

00:03:13,350 --> 00:03:10,879

the summer in the skies movie review

68

00:03:15,350 --> 00:03:13,360

edition today i'm sitting down once

69

00:03:18,550 --> 00:03:15,360

again with the hosts of the two dumb

70

00:03:21,350 --> 00:03:18,560

dads podcast nick westmeyer and chris

71

00:03:24,550 --> 00:03:21,360

moss we are going to discuss the number

72

00:03:27,750 --> 00:03:24,560

one box office hit right now star wars

73

00:03:30,550 --> 00:03:27,760

the last jedi what crazy twists did they

74

00:03:33,910 --> 00:03:30,560

pull on us this time who is the force

75

00:03:37,190 --> 00:03:33,920

most strong with who lived who died and

76

00:03:39,430 --> 00:03:37,200

what is up with those damn porks this

77

00:03:41,670 --> 00:03:39,440

was one of the most fun discussions i've

78

00:03:45,350 --> 00:03:41,680

ever had about one of the most amazing

79

00:03:48,229 --> 00:03:45,360

franchises to ever grace my heart and my

80

00:03:50,470 --> 00:03:48,239

childhood so i hope you enjoy as much as

81

00:03:53,350 --> 00:03:50,480

i did making it if you have seen the

82

00:03:56,470 --> 00:03:53,360

movie enjoy our take on it and if not

83

00:03:59,190 --> 00:03:56,480

many many spoilers ahead you've been

84

00:04:01,270 --> 00:03:59,200

warned enjoy the show and may the force

85

00:04:04,390 --> 00:04:01,280

be with you all right guys welcome to

86

00:04:06,229 --> 00:04:04,400

another bonus movie review edition of

87

00:04:09,270 --> 00:04:06,239

somewhere in the skies today we are

88

00:04:11,990 --> 00:04:09,280

going to be talking about star wars the

89

00:04:14,309 --> 00:04:12,000

last jedi with me again i've got nick

90

00:04:16,069 --> 00:04:14,319

westermeyer chris moss gentlemen how are

91

00:04:17,110 --> 00:04:16,079

you doing hey you're doing great you've

92

00:04:19,749 --> 00:04:17,120

been good

93

00:04:21,909 --> 00:04:19,759

yes now i know nick you and i saw this

94

00:04:25,350 --> 00:04:21,919

opening night chris you went to a

95

00:04:27,350 --> 00:04:25,360

screening this morning at 9 00 a.m east

96

00:04:29,510 --> 00:04:27,360

coast time that is dedication my friend

97

00:04:31,590 --> 00:04:29,520

yeah the way i see it um i was mostly

98

00:04:33,430 --> 00:04:31,600

awake to let me bring my coffee in i

99

00:04:36,629 --> 00:04:33,440

didn't take my notes this time so i'm

100

00:04:38,310 --> 00:04:36,639

noteless but hey i i saw it i got it in

101
00:04:40,469 --> 00:04:38,320
awesome chris is like he's he's breaking

102
00:04:42,550 --> 00:04:40,479
free from his his uh he's trying to

103
00:04:44,469 --> 00:04:42,560
branch out to not having notes

104
00:04:46,950 --> 00:04:44,479
it's a rebirth for him right now off the

105
00:04:48,629 --> 00:04:46,960
cuff baby i love it love it there's no

106
00:04:50,790 --> 00:04:48,639
better way to do things like this for

107
00:04:52,950 --> 00:04:50,800
sure and i know just like the last time

108
00:04:55,590 --> 00:04:52,960
we did this guys we are very passionate

109
00:04:56,469 --> 00:04:55,600
about this franchise as well so i want

110
00:04:59,030 --> 00:04:56,479
to know

111
00:05:01,189 --> 00:04:59,040
before we even get into the last jedi

112
00:05:03,270 --> 00:05:01,199
how did star wars come into each of your

113
00:05:06,230 --> 00:05:03,280

lives i want to hear from you guys first

114

00:05:07,749 --> 00:05:06,240

what was your first memory of star wars

115

00:05:09,990 --> 00:05:07,759

mine's weird like it's not mine

116

00:05:11,990 --> 00:05:10,000

definitely is not as like succinct as

117

00:05:13,510 --> 00:05:12,000

the comic book answer but it kind of

118

00:05:15,830 --> 00:05:13,520

blends into

119

00:05:17,110 --> 00:05:15,840

like my whole geek hood growing up so we

120

00:05:18,550 --> 00:05:17,120

it was just kind of played at our house

121

00:05:20,310 --> 00:05:18,560

like it would be on so if it was on we

122

00:05:22,150 --> 00:05:20,320

would watch it but the funny thing is is

123

00:05:24,710 --> 00:05:22,160

i don't ever remember

124

00:05:27,029 --> 00:05:24,720

like i remember seeing uh return of the

125

00:05:28,469 --> 00:05:27,039

jedi a bunch like that's the movie that

126

00:05:29,909 --> 00:05:28,479

stuck in my head like is the one i

127

00:05:31,430 --> 00:05:29,919

remembered and then so do you guys

128

00:05:32,950 --> 00:05:31,440

remember when when they released the box

129

00:05:35,749 --> 00:05:32,960

sets like the first big box that

130

00:05:37,749 --> 00:05:35,759

released yes yeah yeah so i remember

131

00:05:39,270 --> 00:05:37,759

begging to get that because i feel i was

132

00:05:41,110 --> 00:05:39,280

like i've never seen new hope why have i

133

00:05:42,469 --> 00:05:41,120

never seen the first star wars movie so

134

00:05:44,230 --> 00:05:42,479

it's funny that for me like that's

135

00:05:46,150 --> 00:05:44,240

really when like stars became a big

136

00:05:47,430 --> 00:05:46,160

thing is i got like a star wars video

137

00:05:48,870 --> 00:05:47,440

every time i got a good grade on a

138

00:05:51,670 --> 00:05:48,880

report card i got like one of the

139

00:05:54,230 --> 00:05:51,680

special released what

140

00:05:55,510 --> 00:05:54,240

yeah bastard i got like a dollar from my

141

00:05:58,070 --> 00:05:55,520

grandpa no

142

00:05:59,590 --> 00:05:58,080

i got like i got a video tape um listen

143

00:06:01,909 --> 00:05:59,600

so but i remember getting them and watch

144

00:06:03,510 --> 00:06:01,919

him and just being like blown away by

145

00:06:06,309 --> 00:06:03,520

how great the story was as a whole

146

00:06:08,550 --> 00:06:06,319

because i couldn't remember empire or

147

00:06:10,550 --> 00:06:08,560

new hope i just remembered jedi

148

00:06:12,950 --> 00:06:10,560

and so then after that when they

149

00:06:14,390 --> 00:06:12,960

re-released the movies in the theater

150

00:06:16,230 --> 00:06:14,400

with all the added stuff that was kind

151
00:06:18,950 --> 00:06:16,240
of when i i totally got into it because

152
00:06:20,309 --> 00:06:18,960
i was a sucker for like new [h__h] and i

153
00:06:21,510 --> 00:06:20,319
guess from that point like i've been

154
00:06:24,150 --> 00:06:21,520
hooked but i've always been in kind of

155
00:06:26,790 --> 00:06:24,160
that like george lucas indiana jones

156
00:06:28,790 --> 00:06:26,800
star wars type world so well my geekdom

157
00:06:29,990 --> 00:06:28,800
may not go as far as it did with the

158
00:06:31,909 --> 00:06:30,000
comic books it's just been something

159
00:06:34,230 --> 00:06:31,919
that i've just loved watching and as

160
00:06:36,230 --> 00:06:34,240
i've gotten older my love of it has

161
00:06:37,990 --> 00:06:36,240
grown exponentially as i realized just

162
00:06:40,550 --> 00:06:38,000
how great it is

163
00:06:42,469 --> 00:06:40,560

in terms of super dramatic storytelling

164

00:06:44,950 --> 00:06:42,479

right like like this the space fairy

165

00:06:47,189 --> 00:06:44,960

tale essentially yeah yeah definitely

166

00:06:50,629 --> 00:06:47,199

i'm i'm in a similar boat there i was

167

00:06:53,029 --> 00:06:50,639

never the the super star wars fan and my

168

00:06:54,710 --> 00:06:53,039

my parents weren't nerdy people but for

169

00:06:57,110 --> 00:06:54,720

me it was one of those things that i saw

170

00:06:59,510 --> 00:06:57,120

on tv and whenever it was on i would

171

00:07:01,909 --> 00:06:59,520

just get sucked into it i i like some of

172

00:07:03,189 --> 00:07:01,919

my earliest members of cinema were just

173

00:07:05,110 --> 00:07:03,199

sitting around

174

00:07:07,909 --> 00:07:05,120

watching the uh darth vader luke

175

00:07:09,990 --> 00:07:07,919

skywalker fight in return of the jedi

176

00:07:12,309 --> 00:07:10,000

and just thinking wow this is the

177

00:07:14,070 --> 00:07:12,319

coolest thing ever

178

00:07:16,150 --> 00:07:14,080

and i don't think it was until much

179

00:07:18,469 --> 00:07:16,160

later in my life that i actually sat

180

00:07:19,830 --> 00:07:18,479

down and watched every one of them from

181

00:07:23,270 --> 00:07:19,840

the beginning

182

00:07:26,150 --> 00:07:23,280

um i don't think i i had seen like those

183

00:07:28,390 --> 00:07:26,160

early scenes on hoth with luke until i

184

00:07:29,430 --> 00:07:28,400

was probably in my late teens early

185

00:07:30,870 --> 00:07:29,440

twenties

186

00:07:33,830 --> 00:07:30,880

but now it's one of those things where

187

00:07:36,150 --> 00:07:33,840

i've bought all of the box sets even the

188

00:07:39,670 --> 00:07:36,160

uh awful terrible

189

00:07:40,390 --> 00:07:39,680

blu-ray collection with the most updated

190

00:07:44,150 --> 00:07:40,400

uh

191

00:07:46,309 --> 00:07:44,160

lucas revisions yeah i know i know i did

192

00:07:47,029 --> 00:07:46,319

it i i still say han shots first but you

193

00:07:49,110 --> 00:07:47,039

know

194

00:07:51,270 --> 00:07:49,120

listen i like the updated ones that make

195

00:07:54,629 --> 00:07:51,280

me a bad person yes

196

00:07:56,869 --> 00:07:54,639

okay well i do objectively yes yeah i'm

197

00:07:58,869 --> 00:07:56,879

sorry nick yeah you're alone on that one

198

00:08:00,469 --> 00:07:58,879

buddy can i say like talking about this

199

00:08:02,150 --> 00:08:00,479

i realized that my first probably real

200

00:08:05,110 --> 00:08:02,160

introduction to star wars was the ewoks

201
00:08:07,189 --> 00:08:05,120
movies and like not realizing ewoks or

202
00:08:09,029 --> 00:08:07,199
par stores but just realizing like

203
00:08:12,869 --> 00:08:09,039
the ewoks like i just remember i had a

204
00:08:14,550 --> 00:08:12,879
vfhs of ewoks and they were awesome

205
00:08:16,070 --> 00:08:14,560
production you know what that that's a

206
00:08:17,909 --> 00:08:16,080
good point though nick i mean for both

207
00:08:20,230 --> 00:08:17,919
of you return of the jedi was your first

208
00:08:21,510 --> 00:08:20,240
sort of experience and or the ewoks and

209
00:08:22,950 --> 00:08:21,520
whenever you bring up star wars to

210
00:08:25,830 --> 00:08:22,960
people they always say oh the little

211
00:08:28,710 --> 00:08:25,840
bears and it's like yeah that's kind of

212
00:08:30,710 --> 00:08:28,720
the iconic um i would say of the three

213
00:08:32,870 --> 00:08:30,720

the most iconic movie because probably

214

00:08:35,190 --> 00:08:32,880

it was the last you know a lot of the

215

00:08:37,990 --> 00:08:35,200

most famous stuff came from that one um

216

00:08:39,909 --> 00:08:38,000

i totally get it uh that makes perfect

217

00:08:42,149 --> 00:08:39,919

sense um what i think is also

218

00:08:44,550 --> 00:08:42,159

interesting is you know seeing

219

00:08:46,630 --> 00:08:44,560

jedi last and then going back and

220

00:08:49,190 --> 00:08:46,640

watching the others this franchise this

221

00:08:50,949 --> 00:08:49,200

this story i guess that george lucas had

222

00:08:54,630 --> 00:08:50,959

what's really interesting is that he

223

00:08:57,110 --> 00:08:54,640

drops you in to the world like mid

224

00:08:58,470 --> 00:08:57,120

battle every at least with the first

225

00:09:00,870 --> 00:08:58,480

three you know

226

00:09:03,269 --> 00:09:00,880

like it's an it's very episodic they're

227

00:09:04,949 --> 00:09:03,279

called episodes when you watch these so

228

00:09:07,750 --> 00:09:04,959

you don't have to have known what

229

00:09:09,750 --> 00:09:07,760

happened at the very beginning and then

230

00:09:11,430 --> 00:09:09,760

you know what got us to this point um

231

00:09:13,430 --> 00:09:11,440

which i thought was always really

232

00:09:15,509 --> 00:09:13,440

interesting i also liked going back and

233

00:09:17,190 --> 00:09:15,519

re-watching the films before seeing this

234

00:09:19,590 --> 00:09:17,200

one especially dropping into new hope

235

00:09:21,509 --> 00:09:19,600

how much you're just you're as a as a

236

00:09:23,990 --> 00:09:21,519

moviegoer as a as an audience you're

237

00:09:25,829 --> 00:09:24,000

just registered to be like oh yeah okay

238

00:09:27,190 --> 00:09:25,839

great like this is what's going on and

239

00:09:29,590 --> 00:09:27,200

it's funny because i felt kind of like

240

00:09:31,190 --> 00:09:29,600

that with last jedi two in a sense which

241

00:09:32,870 --> 00:09:31,200

i'm sure we'll get to and force awakens

242

00:09:33,990 --> 00:09:32,880

we're just kind of like okay great so

243

00:09:35,829 --> 00:09:34,000

this is where we're at this is what's

244

00:09:37,110 --> 00:09:35,839

going on and yeah and i guess we'll

245

00:09:38,949 --> 00:09:37,120

really get his blood shed he'd be like

246

00:09:40,150 --> 00:09:38,959

okay so shit's happened but this is what

247

00:09:41,509 --> 00:09:40,160

this is where i'm at right now this is

248

00:09:44,070 --> 00:09:41,519

the story that's going on and i'm gonna

249

00:09:46,550 --> 00:09:44,080

get expedition about the past but in

250

00:09:48,470 --> 00:09:46,560

some ways it doesn't matter yeah

251
00:09:50,790 --> 00:09:48,480
um so i actually have a question for you

252
00:09:52,550 --> 00:09:50,800
all uh you on this topic of kind of just

253
00:09:54,630 --> 00:09:52,560
being able to jump into the movies being

254
00:09:56,470 --> 00:09:54,640
episodic their nature and all how many

255
00:09:58,630 --> 00:09:56,480
of you when did you actually start

256
00:10:00,310 --> 00:09:58,640
understanding the star wars scroll in

257
00:10:03,269 --> 00:10:00,320
terms of like the story they were

258
00:10:05,590 --> 00:10:03,279
telling so when i was a kid i i read the

259
00:10:08,389 --> 00:10:05,600
scroll i remember knowing the scroll and

260
00:10:10,470 --> 00:10:08,399
it was this iconic thing that took place

261
00:10:12,310 --> 00:10:10,480
and as a kid for me it was just this

262
00:10:14,470 --> 00:10:12,320
little boring thing that happened before

263
00:10:17,430 --> 00:10:14,480

the awesome stuff came on

264

00:10:19,670 --> 00:10:17,440

but i think the last probably four or

265

00:10:21,750 --> 00:10:19,680

five times i've started reading it and

266

00:10:25,030 --> 00:10:21,760

actually understanding

267

00:10:26,710 --> 00:10:25,040

and it's amazing how intricate and the

268

00:10:28,310 --> 00:10:26,720

stories become once you're actually

269

00:10:31,590 --> 00:10:28,320

paying attention to the to the

270

00:10:33,829 --> 00:10:31,600

background yeah so i never paid

271

00:10:35,750 --> 00:10:33,839

attention to them i'm with you i wanted

272

00:10:37,350 --> 00:10:35,760

i wanted that first like you know when

273

00:10:39,670 --> 00:10:37,360

they the scroll disappears and they

274

00:10:42,150 --> 00:10:39,680

always drop down to either a planet a

275

00:10:44,470 --> 00:10:42,160

starship something like that right i

276

00:10:47,670 --> 00:10:44,480

just wanted i wanted to see the action

277

00:10:49,269 --> 00:10:47,680

um so yeah i think it wasn't until

278

00:10:51,190 --> 00:10:49,279

probably

279

00:10:52,710 --> 00:10:51,200

much later when i got those blu-rays

280

00:10:54,550 --> 00:10:52,720

that i actually paid attention and i was

281

00:10:56,310 --> 00:10:54,560

like whoa this is way more intricate

282

00:10:58,790 --> 00:10:56,320

than i thought of like you know

283

00:11:00,870 --> 00:10:58,800

especially those

284

00:11:02,949 --> 00:11:00,880

the prequels

285

00:11:04,550 --> 00:11:02,959

those scrolls there's a little part of

286

00:11:07,430 --> 00:11:04,560

you that just sat there and went wait

287

00:11:09,910 --> 00:11:07,440

this is all about trade politics what so

288

00:11:11,910 --> 00:11:09,920

yeah i think for me i i never really

289

00:11:12,870 --> 00:11:11,920

paid attention to him and i think that's

290

00:11:16,790 --> 00:11:12,880

a good

291

00:11:20,069 --> 00:11:16,800

they're telling even you know george

292

00:11:21,750 --> 00:11:20,079

lucas is clearly not the best writer but

293

00:11:23,670 --> 00:11:21,760

even without those scrolls like you

294

00:11:26,870 --> 00:11:23,680

totally got the entire

295

00:11:28,150 --> 00:11:26,880

feeling and story i think yeah i think i

296

00:11:30,230 --> 00:11:28,160

probably hooked into them when the

297

00:11:32,630 --> 00:11:30,240

prequels came out because that's when i

298

00:11:34,310 --> 00:11:32,640

got past the wanting to just

299

00:11:36,470 --> 00:11:34,320

get to the action actually have a better

300

00:11:37,350 --> 00:11:36,480

understanding about what the stories

301
00:11:38,870 --> 00:11:37,360
were

302
00:11:40,230 --> 00:11:38,880
and i think i was still young enough as

303
00:11:42,310 --> 00:11:40,240
a moviegoer that i still thought the

304
00:11:44,150 --> 00:11:42,320
prequels were good does that make sense

305
00:11:45,269 --> 00:11:44,160
that's just they have [h__\h] they have

306
00:11:47,030 --> 00:11:45,279
they have their merit and they have

307
00:11:48,310 --> 00:11:47,040
their place and i still really enjoy

308
00:11:50,069 --> 00:11:48,320
aspects of them like i'll go back and

309
00:11:51,910 --> 00:11:50,079
rewatch them and have fun but like but

310
00:11:53,910 --> 00:11:51,920
now as i'm older i'm like

311
00:11:55,910 --> 00:11:53,920
oh [h__\h]

312
00:11:58,470 --> 00:11:55,920
i mean look getting to see yoda jump

313
00:12:00,069 --> 00:11:58,480

around and do stuff was was really cool

314

00:12:01,509 --> 00:12:00,079

i mean that was one of those things that

315

00:12:03,110 --> 00:12:01,519

as a kid you always wanted to see and

316

00:12:04,630 --> 00:12:03,120

then they did it and

317

00:12:06,150 --> 00:12:04,640

we can debate whether or not it was

318

00:12:07,670 --> 00:12:06,160

worthwhile but they did it and that was

319

00:12:08,870 --> 00:12:07,680

cool absolutely thank you for bringing

320

00:12:11,430 --> 00:12:08,880

that up because i'm going to bring that

321

00:12:13,910 --> 00:12:11,440

up later on when we deal with uh one

322

00:12:15,990 --> 00:12:13,920

master skywalker yeah before we go any

323

00:12:18,949 --> 00:12:16,000

further guys i do have to share my first

324

00:12:20,629 --> 00:12:18,959

memory so yeah please i switched to

325

00:12:22,230 --> 00:12:20,639

public school when i was in middle

326

00:12:24,310 --> 00:12:22,240

school from i was i was going to

327

00:12:26,790 --> 00:12:24,320

catholic school got kicked out long

328

00:12:29,110 --> 00:12:26,800

story so when i switched over to public

329

00:12:32,310 --> 00:12:29,120

school i didn't have many friends uh so

330

00:12:34,389 --> 00:12:32,320

i had that obligatory moment of

331

00:12:37,030 --> 00:12:34,399

like being in the lunchroom the first

332

00:12:39,190 --> 00:12:37,040

day and not knowing where to sit and i

333

00:12:42,310 --> 00:12:39,200

remember distinctly there were these

334

00:12:43,829 --> 00:12:42,320

three dudes uh i guess boys at that time

335

00:12:46,389 --> 00:12:43,839

and they told me i could sit with them

336

00:12:48,629 --> 00:12:46,399

and um they were playing this card game

337

00:12:50,389 --> 00:12:48,639

and i thought it was like magic the

338

00:12:52,389 --> 00:12:50,399

gathering i thought that's what it was

339

00:12:54,870 --> 00:12:52,399

but when i sat down

340

00:12:57,430 --> 00:12:54,880

i i saw that it was actually star wars

341

00:13:00,150 --> 00:12:57,440

themed and at that time i'd never seen

342

00:13:03,110 --> 00:13:00,160

star wars i had never heard of it and

343

00:13:04,949 --> 00:13:03,120

this dude he had the trilogy on vhs that

344

00:13:07,430 --> 00:13:04,959

original trilogy we're talking about and

345

00:13:09,990 --> 00:13:07,440

he let me bring him home and i watched

346

00:13:13,110 --> 00:13:10,000

him straight through in one sitting i

347

00:13:16,710 --> 00:13:13,120

was absolutely hooked and uh i became

348

00:13:19,110 --> 00:13:16,720

obsessed after that besides ufos this is

349

00:13:21,910 --> 00:13:19,120

by far one of the biggest things and

350

00:13:24,710 --> 00:13:21,920

closest things to my heart and uh i even

351

00:13:26,629 --> 00:13:24,720

wrote a fanfiction novel i'm not kidding

352

00:13:29,350 --> 00:13:26,639

oh that's amazing oh can i please read

353

00:13:31,350 --> 00:13:29,360

that i will give i will give anything

354

00:13:33,590 --> 00:13:31,360

to get my hand you need to make that uh

355

00:13:36,310 --> 00:13:33,600

something for for your patreon members

356

00:13:38,790 --> 00:13:36,320

yeah so here's the thing about that guys

357

00:13:41,430 --> 00:13:38,800

as much as i would love to so in my

358

00:13:44,069 --> 00:13:41,440

novel i created a jedi named creased

359

00:13:46,389 --> 00:13:44,079

collusion i have no idea why that was

360

00:13:48,069 --> 00:13:46,399

his name he was uh hunting the bounty

361

00:13:51,509 --> 00:13:48,079

hunter who killed his parents which

362

00:13:53,509 --> 00:13:51,519

essentially became boba fett and uh

363

00:13:55,430 --> 00:13:53,519

what happened was when i was going to

364

00:13:58,870 --> 00:13:55,440

turn it into my english teacher at the

365

00:14:01,110 --> 00:13:58,880

time a bully in school stole the only

366

00:14:03,829 --> 00:14:01,120

copy i had because this was before the

367

00:14:05,750 --> 00:14:03,839

word processor i typed this thing out on

368

00:14:06,949 --> 00:14:05,760

an electric typewriter

369

00:14:10,710 --> 00:14:06,959

oh my god

370

00:14:13,750 --> 00:14:10,720

it was he took it he ripped it up and he

371

00:14:16,790 --> 00:14:13,760

threw it out and it was the worst moment

372

00:14:18,470 --> 00:14:16,800

of my middle school life he apologized

373

00:14:21,990 --> 00:14:18,480

many many years later he found me on

374

00:14:23,829 --> 00:14:22,000

facebook and he said dude there is no

375

00:14:26,629 --> 00:14:23,839

like i don't know what the hell was

376

00:14:28,710 --> 00:14:26,639

wrong he was a kid you know right sure

377

00:14:30,310 --> 00:14:28,720

he apologized and he's like i can't

378

00:14:32,069 --> 00:14:30,320

believe i would do something like that

379

00:14:33,910 --> 00:14:32,079

but you know the cut was deep at that

380

00:14:35,430 --> 00:14:33,920

point so we may never know the

381

00:14:38,150 --> 00:14:35,440

conclusion to what happened to creche

382

00:14:40,389 --> 00:14:38,160

collusion unfortunately

383

00:14:43,269 --> 00:14:40,399

but uh yeah that was my first memory was

384

00:14:45,110 --> 00:14:43,279

the card game of star wars introduced me

385

00:14:46,949 --> 00:14:45,120

to the movies and then

386

00:14:49,030 --> 00:14:46,959

i was hooked after that everything my

387

00:14:51,030 --> 00:14:49,040

entire apartment was filled with star

388

00:14:53,829 --> 00:14:51,040

wars to this day i still have a

389

00:14:55,990 --> 00:14:53,839

life-sized yoda cut out stored safely in

390

00:14:59,110 --> 00:14:56,000

my parents attic so yeah

391

00:15:02,230 --> 00:14:59,120

this is this franchise has just meant

392

00:15:04,710 --> 00:15:02,240

everything to me i am a die-hard fan not

393

00:15:07,910 --> 00:15:04,720

to the annoying point which we will get

394

00:15:10,470 --> 00:15:07,920

to but yeah the this this new trilogy

395

00:15:13,030 --> 00:15:10,480

just speaks volumes to me i love where

396

00:15:15,590 --> 00:15:13,040

they're going as we will get into

397

00:15:17,750 --> 00:15:15,600

so i guess getting into that here is the

398

00:15:19,269 --> 00:15:17,760

brief description of this movie which

399

00:15:21,990 --> 00:15:19,279

when we actually get into the plot isn't

400

00:15:24,069 --> 00:15:22,000

so brief but here we go

401
00:15:26,230 --> 00:15:24,079
rey develops her newly discovered

402
00:15:28,629 --> 00:15:26,240
abilities with the guidance of luke

403
00:15:30,870 --> 00:15:28,639
skywalker who is unsettled by the

404
00:15:33,030 --> 00:15:30,880
strength of her powers meanwhile the

405
00:15:35,030 --> 00:15:33,040
resistance prepares to do battle with

406
00:15:37,430 --> 00:15:35,040
the first order that's all that's all

407
00:15:39,990 --> 00:15:37,440
wikipedia gave us that's crazy

408
00:15:41,590 --> 00:15:40,000
you know that's really not that far off

409
00:15:44,949 --> 00:15:41,600
it's not when you really think about it

410
00:15:47,110 --> 00:15:44,959
yeah it's completely off

411
00:15:49,030 --> 00:15:47,120
let me see what's the line it's amazing

412
00:15:52,949 --> 00:15:49,040
how none of those things you said were

413
00:15:55,030 --> 00:15:52,959

true yes you think so i do i i mean i i

414

00:15:56,949 --> 00:15:55,040

think it's hard to say that uh ray

415

00:16:00,310 --> 00:15:56,959

developed her her abilities with the

416

00:16:03,430 --> 00:16:00,320

guidance of luke skywalker um i had two

417

00:16:05,189 --> 00:16:03,440

lessons dude she had two lessons so so

418

00:16:06,949 --> 00:16:05,199

presumably eventually she's getting the

419

00:16:09,910 --> 00:16:06,959

third oh by the way we're spoiling this

420

00:16:11,590 --> 00:16:09,920

right oh god oh yeah i am so sorry

421

00:16:13,990 --> 00:16:11,600

ladies and gentlemen anyone listening

422

00:16:16,710 --> 00:16:14,000

from here on out spoilers galore you've

423

00:16:18,389 --> 00:16:16,720

been warned so i mean

424

00:16:21,189 --> 00:16:18,399

like okay presumably we're gonna get

425

00:16:23,189 --> 00:16:21,199

that third lesson somewhere somehow he's

426

00:16:24,069 --> 00:16:23,199

going to do the spirit thing but

427

00:16:25,749 --> 00:16:24,079

um

428

00:16:28,230 --> 00:16:25,759

oh yeah okay

429

00:16:29,509 --> 00:16:28,240

obviously okay no i don't but we'll get

430

00:16:31,509 --> 00:16:29,519

to that i don't

431

00:16:32,710 --> 00:16:31,519

one of my big beefs oh no because they

432

00:16:34,629 --> 00:16:32,720

already did the spirit thing they

433

00:16:35,990 --> 00:16:34,639

already did the spirit thing

434

00:16:37,509 --> 00:16:36,000

there's a really specific line that

435

00:16:39,749 --> 00:16:37,519

makes me think that he isn't going to be

436

00:16:40,389 --> 00:16:39,759

back we'll we'll get to that let's um

437

00:16:43,749 --> 00:16:40,399

yeah

438

00:16:46,389 --> 00:16:43,759

so there are some extremely surprising

439

00:16:47,189 --> 00:16:46,399

moments in this movie so first of all

440

00:16:50,230 --> 00:16:47,199

okay

441

00:16:52,069 --> 00:16:50,240

so far this movie has grossed almost 500

442

00:16:54,150 --> 00:16:52,079

million worldwide

443

00:16:55,110 --> 00:16:54,160

amazing secondly we have the writer and

444

00:16:57,590 --> 00:16:55,120

director

445

00:16:59,990 --> 00:16:57,600

is it rianne or ryan i i don't know i

446

00:17:02,829 --> 00:17:00,000

thought it was rain rain like like like

447

00:17:04,870 --> 00:17:02,839

the dude like the dude from um

448

00:17:08,630 --> 00:17:04,880

pronunciation i've written it directed

449

00:17:11,510 --> 00:17:08,640

by ryan rhiann rayne johnson who did

450

00:17:14,390 --> 00:17:11,520

brick and looper so yes

451

00:17:16,630 --> 00:17:14,400

what the hell i i'm really interested in

452

00:17:18,870 --> 00:17:16,640

why they chose this guy to continue the

453

00:17:20,230 --> 00:17:18,880

star wars trilogy uh this is not the

454

00:17:21,510 --> 00:17:20,240

last we're going to be hearing from him

455

00:17:23,029 --> 00:17:21,520

he's going to be writing and directing

456

00:17:26,230 --> 00:17:23,039

more from what i've been doing well a

457

00:17:28,710 --> 00:17:26,240

whole new trilogy isn't it an entire new

458

00:17:30,950 --> 00:17:28,720

yes story three steps three set story

459

00:17:33,830 --> 00:17:30,960

yep and we'll get to that at the end as

460

00:17:37,110 --> 00:17:33,840

well for sure nick um so

461

00:17:39,590 --> 00:17:37,120

yeah we've got we've got this guy who's

462

00:17:42,070 --> 00:17:39,600

done some pretty low i would say low

463

00:17:44,470 --> 00:17:42,080

budget sort of indie films looper was a

464

00:17:46,950 --> 00:17:44,480

little bit more mainstream obviously

465

00:17:48,950 --> 00:17:46,960

but uh wow to put this into his hands

466

00:17:51,029 --> 00:17:48,960

was very interesting um

467

00:17:53,830 --> 00:17:51,039

so right at the beginning we have this

468

00:17:56,870 --> 00:17:53,840

moment where uh general hux our our our

469

00:18:00,470 --> 00:17:56,880

uh redheaded friend and poe dameron this

470

00:18:03,190 --> 00:18:00,480

this this movie starts right after

471

00:18:04,789 --> 00:18:03,200

force awakens like the next scene which

472

00:18:07,190 --> 00:18:04,799

is really interesting this seems to be a

473

00:18:09,350 --> 00:18:07,200

running theme with all the new movies um

474

00:18:11,350 --> 00:18:09,360

he's starting them right after so they

475

00:18:14,390 --> 00:18:11,360

have this banter which was really

476
00:18:16,789 --> 00:18:14,400
comedic you know this uh sorry i can't

477
00:18:17,990 --> 00:18:16,799
hear you uh can you please hold sorry

478
00:18:19,750 --> 00:18:18,000
sorry um

479
00:18:21,110 --> 00:18:19,760
really set the tone i think for what we

480
00:18:24,150 --> 00:18:21,120
were going to see throughout the rest of

481
00:18:26,470 --> 00:18:24,160
this movie there were some extremely

482
00:18:28,310 --> 00:18:26,480
interesting choices that he made in

483
00:18:30,950 --> 00:18:28,320
telling this story and things that i

484
00:18:32,070 --> 00:18:30,960
think a lot of die-hard star wars fans

485
00:18:33,669 --> 00:18:32,080
were either

486
00:18:36,630 --> 00:18:33,679
okay with or

487
00:18:38,710 --> 00:18:36,640
very against i can well it's funny i saw

488
00:18:40,710 --> 00:18:38,720

a great quote that said if you dig the

489

00:18:41,909 --> 00:18:40,720

first five to ten minutes of that film

490

00:18:44,390 --> 00:18:41,919

basically that conversation right

491

00:18:46,230 --> 00:18:44,400

between hux and poe you will like the

492

00:18:47,990 --> 00:18:46,240

rest of the movie if you get into that

493

00:18:50,470 --> 00:18:48,000

first moment you're like

494

00:18:52,310 --> 00:18:50,480

oh [h__h] this yeah then you're probably

495

00:18:53,590 --> 00:18:52,320

not gonna dig what's gonna come later on

496

00:18:55,430 --> 00:18:53,600

because it is like you said it sets the

497

00:18:57,110 --> 00:18:55,440

tone for damn your everything that

498

00:18:59,029 --> 00:18:57,120

happens i mean the first moment with

499

00:19:00,870 --> 00:18:59,039

luke and ray is in that same kind of

500

00:19:03,350 --> 00:19:00,880

vein right yeah

501
00:19:05,190 --> 00:19:03,360
yeah nick can you describe that scene

502
00:19:07,669 --> 00:19:05,200
yeah so you know you have this you have

503
00:19:09,430 --> 00:19:07,679
this banter of you know poe and hawks

504
00:19:11,669 --> 00:19:09,440
and it splits to that moment like this

505
00:19:13,909 --> 00:19:11,679
iconic moment that we've been waiting

506
00:19:16,230 --> 00:19:13,919
two years to see that we saw the end of

507
00:19:17,270 --> 00:19:16,240
force awakens right yeah yeah so we've

508
00:19:19,110 --> 00:19:17,280
been waiting we've been waiting two

509
00:19:22,150 --> 00:19:19,120
years to see what's gonna happen when

510
00:19:24,470 --> 00:19:22,160
ray hands luke the lightsaber and like

511
00:19:26,310 --> 00:19:24,480
in a beat he like touches it looks at it

512
00:19:29,270 --> 00:19:26,320
and [h__h] flips it over his shoulder

513
00:19:30,789 --> 00:19:29,280

and walks away yeah and um i just

514

00:19:33,270 --> 00:19:30,799

remember being like

515

00:19:34,310 --> 00:19:33,280

what i mean it was such a moment of like

516

00:19:35,350 --> 00:19:34,320

okay

517

00:19:39,750 --> 00:19:35,360

i both

518

00:19:42,390 --> 00:19:39,760

this is not gonna be what i thought it

519

00:19:43,830 --> 00:19:42,400

was gonna be yeah um and i kind of so

520

00:19:45,830 --> 00:19:43,840

for me as a viewer i was like well it

521

00:19:47,350 --> 00:19:45,840

looks like i'm gonna go along with this

522

00:19:48,789 --> 00:19:47,360

ride and

523

00:19:50,310 --> 00:19:48,799

and i'm either gonna i'm either gonna

524

00:19:52,390 --> 00:19:50,320

love it or i'm not and so i kind of went

525

00:19:54,390 --> 00:19:52,400

with like i'm gonna go with it and and

526

00:19:56,630 --> 00:19:54,400

that helped that first moment of of

527

00:19:57,669 --> 00:19:56,640

huxon poe and luke and ray tells you

528

00:19:59,190 --> 00:19:57,679

everything you need to know of what this

529

00:20:00,870 --> 00:19:59,200

movie is gonna be i was just gonna say

530

00:20:03,590 --> 00:20:00,880

it's basically gonna take everything you

531

00:20:05,590 --> 00:20:03,600

thought you like knew tonally for these

532

00:20:06,470 --> 00:20:05,600

movies and sort of flip it on its end we

533

00:20:08,390 --> 00:20:06,480

thought this was going to be an

534

00:20:10,390 --> 00:20:08,400

extremely dark film everyone was saying

535

00:20:13,029 --> 00:20:10,400

it's the the next empire strikes back

536

00:20:15,350 --> 00:20:13,039

which is an extremely depressing movie

537

00:20:17,669 --> 00:20:15,360

and here we are like two scenes into

538

00:20:20,070 --> 00:20:17,679

this new one and he's just like quips

539

00:20:22,870 --> 00:20:20,080

left and right yeah it's a very

540

00:20:24,870 --> 00:20:22,880

different feel for a star wars film and

541

00:20:28,470 --> 00:20:24,880

i don't think it's necessarily a bad

542

00:20:30,630 --> 00:20:28,480

thing i think um it's just the way the

543

00:20:31,990 --> 00:20:30,640

times have taken us

544

00:20:34,710 --> 00:20:32,000

i think you can argue that part of the

545

00:20:37,350 --> 00:20:34,720

problem with the the prequels was that

546

00:20:40,830 --> 00:20:37,360

they didn't update themselves they they

547

00:20:43,669 --> 00:20:40,840

tried to stick too much to the old uh

548

00:20:47,350 --> 00:20:43,679

1970s 1980s

549

00:20:50,390 --> 00:20:47,360

style of storytelling but using modern

550

00:20:51,270 --> 00:20:50,400

somewhat modern i guess technology yeah

551
00:20:53,270 --> 00:20:51,280
um

552
00:20:55,029 --> 00:20:53,280
and this feels pretty decided

553
00:20:57,750 --> 00:20:55,039
at the time no absolutely i mean it

554
00:21:00,390 --> 00:20:57,760
doesn't hold up because yeah whatever uh

555
00:21:02,470 --> 00:21:00,400
computer graphics just don't do that but

556
00:21:04,710 --> 00:21:02,480
these this film at least definitely

557
00:21:06,310 --> 00:21:04,720
tried to update itself and i think it

558
00:21:08,310 --> 00:21:06,320
did it in a charming way which

559
00:21:11,029 --> 00:21:08,320
maintained a lot of the

560
00:21:12,390 --> 00:21:11,039
elements of the early films while also

561
00:21:14,470 --> 00:21:12,400
acknowledging like look this is what

562
00:21:15,350 --> 00:21:14,480
humor is now this is what humor is in

563
00:21:16,870 --> 00:21:15,360

film

564

00:21:18,630 --> 00:21:16,880

you're either going to go with us or

565

00:21:20,710 --> 00:21:18,640

you're not and we think we're going to

566

00:21:22,470 --> 00:21:20,720

make the money either way

567

00:21:24,470 --> 00:21:22,480

good point chris in the word

568

00:21:26,390 --> 00:21:24,480

the key word i think is charming this

569

00:21:28,230 --> 00:21:26,400

movie charmed the hell out of me i don't

570

00:21:30,310 --> 00:21:28,240

know about you guys well no you know

571

00:21:31,830 --> 00:21:30,320

it's funny because i think so and i

572

00:21:33,430 --> 00:21:31,840

think we'll continue to get into it more

573

00:21:35,110 --> 00:21:33,440

and more i had a really good

574

00:21:36,950 --> 00:21:35,120

conversation with someone about it who

575

00:21:38,630 --> 00:21:36,960

did not like the film who was completely

576

00:21:40,230 --> 00:21:38,640

just like i can't i think my comment

577

00:21:42,630 --> 00:21:40,240

that my content then was you'd like

578

00:21:44,390 --> 00:21:42,640

justice league but you didn't like this

579

00:21:45,909 --> 00:21:44,400

um in terms of storytelling i think

580

00:21:47,830 --> 00:21:45,919

chris is right like it's totally updated

581

00:21:50,710 --> 00:21:47,840

and it's quippy and it's fun and it

582

00:21:52,870 --> 00:21:50,720

feels very disney dare i say like oh

583

00:21:54,149 --> 00:21:52,880

disney definitely got its hand on it um

584

00:21:56,710 --> 00:21:54,159

and i think that's why they might have

585

00:21:58,149 --> 00:21:56,720

picked uh the director to take the

586

00:22:00,789 --> 00:21:58,159

series in a different direction to not

587

00:22:03,029 --> 00:22:00,799

have it be empire but i do think that

588

00:22:05,029 --> 00:22:03,039

there are things that in my opinion

589

00:22:07,190 --> 00:22:05,039

again i i should just say i liked the

590

00:22:09,750 --> 00:22:07,200

film a lot but i think there were things

591

00:22:11,830 --> 00:22:09,760

and moments that were lost because of

592

00:22:14,149 --> 00:22:11,840

that and they were like well i would

593

00:22:16,070 --> 00:22:14,159

have to jump to like the very end to get

594

00:22:17,510 --> 00:22:16,080

to get to that moment so i don't know if

595

00:22:19,590 --> 00:22:17,520

we want to do that right now if you want

596

00:22:22,470 --> 00:22:19,600

me to like slowly move there but i think

597

00:22:24,710 --> 00:22:22,480

the use of of luke skywalker and i think

598

00:22:26,950 --> 00:22:24,720

that i feel that skywalker was wasted in

599

00:22:29,270 --> 00:22:26,960

a lot of ways it's my big beef with the

600

00:22:30,950 --> 00:22:29,280

film really is that personally i would

601
00:22:32,230 --> 00:22:30,960
disagree but okay

602
00:22:33,990 --> 00:22:32,240
so here's the thing i don't know which

603
00:22:35,750 --> 00:22:34,000
character you guys loved growing up

604
00:22:38,549 --> 00:22:35,760
watching star wars but mine has always

605
00:22:39,590 --> 00:22:38,559
been and still is luke skywalker okay

606
00:22:40,950 --> 00:22:39,600
beer like

607
00:22:43,110 --> 00:22:40,960
everything about them i don't know what

608
00:22:44,870 --> 00:22:43,120
i just i i'm always the like i like the

609
00:22:46,710 --> 00:22:44,880
really good guys if that makes sense

610
00:22:48,549 --> 00:22:46,720
yeah like you know i like the superman i

611
00:22:51,110 --> 00:22:48,559
like luke skywalker i like it's the

612
00:22:53,669 --> 00:22:51,120
reluctant hero this is the oldest story

613
00:22:54,390 --> 00:22:53,679

in storytelling history so i totally get

614

00:22:56,470 --> 00:22:54,400

that

615

00:22:58,310 --> 00:22:56,480

it's literally called the hero's journey

616

00:22:59,990 --> 00:22:58,320

yep yeah you know some people love han

617

00:23:01,669 --> 00:23:00,000

like han's their dude right i think if

618

00:23:03,350 --> 00:23:01,679

you like batman you like han does that

619

00:23:05,510 --> 00:23:03,360

make sense you're like you're the han

620

00:23:07,430 --> 00:23:05,520

solo guy he's kind of the rebel and like

621

00:23:09,430 --> 00:23:07,440

i just like i liked han and i thought

622

00:23:11,270 --> 00:23:09,440

han got a great send-off and a great

623

00:23:12,950 --> 00:23:11,280

movie in force awakens and my thing with

624

00:23:15,430 --> 00:23:12,960

luke was i was totally cool with him

625

00:23:17,190 --> 00:23:15,440

being like the reluctant hermit and

626

00:23:19,270 --> 00:23:17,200

the train of rey and the moving into

627

00:23:21,029 --> 00:23:19,280

exile but

628

00:23:23,270 --> 00:23:21,039

i literally have to skip to the end so

629

00:23:25,110 --> 00:23:23,280

my my stuff

630

00:23:27,110 --> 00:23:25,120

yeah my huge beef is i just feel like

631

00:23:30,149 --> 00:23:27,120

there was moments where especially when

632

00:23:32,149 --> 00:23:30,159

he uh faces kylo that it was just not

633

00:23:34,630 --> 00:23:32,159

like i was i was waiting for a payoff

634

00:23:36,710 --> 00:23:34,640

for him to have a heroic return and i

635

00:23:39,510 --> 00:23:36,720

got a little bit of it but then it was

636

00:23:41,190 --> 00:23:39,520

fast and masked and like lost some in

637

00:23:42,630 --> 00:23:41,200

the humor i just there was too much

638

00:23:44,149 --> 00:23:42,640

humor for me if that makes sense

639

00:23:46,549 --> 00:23:44,159

especially around skywalker where i was

640

00:23:47,909 --> 00:23:46,559

like okay okay like i get it i get it

641

00:23:51,270 --> 00:23:47,919

he's a hermit oh look at him look at him

642

00:23:54,470 --> 00:23:51,280

milk that bird for some milk that's okay

643

00:23:56,630 --> 00:23:54,480

great see i i have a i think i disagree

644

00:24:00,230 --> 00:23:56,640

with you because i see

645

00:24:02,630 --> 00:24:00,240

luke skywalker in this film as yoda and

646

00:24:05,350 --> 00:24:02,640

this is very much the path yoda took the

647

00:24:08,630 --> 00:24:05,360

reluctant uh master who

648

00:24:11,990 --> 00:24:08,640

who knew the possible um

649

00:24:14,310 --> 00:24:12,000

faults in his uh in his training and

650

00:24:16,149 --> 00:24:14,320

fighters against doing it um i mean this

651
00:24:18,390 --> 00:24:16,159
is very much the same thing yoda does

652
00:24:20,149 --> 00:24:18,400
where which is arguably one of the

653
00:24:22,549 --> 00:24:20,159
problems you could say with the film is

654
00:24:25,190 --> 00:24:22,559
that in many ways this is just empire

655
00:24:28,070 --> 00:24:25,200
strikes back yes yes

656
00:24:31,430 --> 00:24:28,080
i i don't think that i am not one of the

657
00:24:34,230 --> 00:24:31,440
people who have prescribed to the

658
00:24:36,630 --> 00:24:34,240
the telling of the uh the empire strikes

659
00:24:38,549 --> 00:24:36,640
back remake i think this was an

660
00:24:42,070 --> 00:24:38,559
interesting uh

661
00:24:44,390 --> 00:24:42,080
take on both empire in return i felt

662
00:24:46,149 --> 00:24:44,400
like they did something that i i wasn't

663
00:24:49,510 --> 00:24:46,159

expecting i was expecting to make a

664

00:24:51,110 --> 00:24:49,520

literal uh remake of empire strikes back

665

00:24:53,830 --> 00:24:51,120

but instead they took both of those

666

00:24:56,470 --> 00:24:53,840

formulas and kind of perverted them and

667

00:24:58,950 --> 00:24:56,480

i thought that was terrific i i wasn't

668

00:25:00,710 --> 00:24:58,960

every time they did something i wasn't

669

00:25:02,630 --> 00:25:00,720

expecting it and i really appreciated

670

00:25:04,310 --> 00:25:02,640

that so that's interesting you bring up

671

00:25:06,630 --> 00:25:04,320

yoda and like chris i agree with you and

672

00:25:07,990 --> 00:25:06,640

that's that is what i thought he was

673

00:25:09,269 --> 00:25:08,000

going to be even from the moment of her

674

00:25:10,950 --> 00:25:09,279

giving the lightsaber i was like okay

675

00:25:11,990 --> 00:25:10,960

yoda moment i think we even talked about

676

00:25:13,110 --> 00:25:12,000

that but here's the thing and this is

677

00:25:14,870 --> 00:25:13,120

what i'm talking about like i feel like

678

00:25:16,549 --> 00:25:14,880

a lot of times this movie didn't have

679

00:25:18,549 --> 00:25:16,559

some of the payoffs that i wanted as a

680

00:25:20,470 --> 00:25:18,559

viewer and again i prefer this by saying

681

00:25:22,230 --> 00:25:20,480

i still love the [h__h] out of this movie

682

00:25:24,149 --> 00:25:22,240

and like wanted to see it again the next

683

00:25:26,230 --> 00:25:24,159

day and that's so great so one of the

684

00:25:28,390 --> 00:25:26,240

things i love about empire and while it

685

00:25:30,710 --> 00:25:28,400

may seem quick is like there's training

686

00:25:32,470 --> 00:25:30,720

there like there's some legit training

687

00:25:33,909 --> 00:25:32,480

and they do it they film it quickly

688

00:25:34,870 --> 00:25:33,919

again because i just rewatched all these

689

00:25:36,549 --> 00:25:34,880

movies

690

00:25:38,870 --> 00:25:36,559

but there's moments of training in this

691

00:25:41,110 --> 00:25:38,880

movie like his training of ray is like

692

00:25:43,269 --> 00:25:41,120

all right so feel the force feel less

693

00:25:45,430 --> 00:25:43,279

than one feel the force feel the force

694

00:25:48,789 --> 00:25:45,440

see that you didn't even ignore it okay

695

00:25:50,310 --> 00:25:48,799

second lesson third lesson meh and it

696

00:25:52,070 --> 00:25:50,320

just seemed too fast to me and it seemed

697

00:25:54,710 --> 00:25:52,080

like i kind of lost that that yoda

698

00:25:57,029 --> 00:25:54,720

moment training and again i'm okay with

699

00:25:58,070 --> 00:25:57,039

it and it worked i am i'm quote-unquote

700

00:25:59,909 --> 00:25:58,080

okay with it and it worked for me

701
00:26:02,230 --> 00:25:59,919
because i like the film as a whole but

702
00:26:03,830 --> 00:26:02,240
i could have gotten more like i could i

703
00:26:05,750 --> 00:26:03,840
would have more payoff like i feel like

704
00:26:07,830 --> 00:26:05,760
this film didn't pay me off all the time

705
00:26:08,789 --> 00:26:07,840
in the way that i as a viewer might have

706
00:26:11,110 --> 00:26:08,799
wanted

707
00:26:12,070 --> 00:26:11,120
no i i i get what you're saying nick i

708
00:26:16,390 --> 00:26:12,080
think

709
00:26:19,510 --> 00:26:16,400
between empire and this movie if we are

710
00:26:23,029 --> 00:26:19,520
to make any comparisons is the training

711
00:26:25,190 --> 00:26:23,039
aspect of both luke skywalker and ray uh

712
00:26:27,750 --> 00:26:25,200
respectively is that they're not done

713
00:26:31,669 --> 00:26:27,760

you know even even at the end of this

714

00:26:33,430 --> 00:26:31,679

one uh with rey's battle with kylo ren

715

00:26:36,070 --> 00:26:33,440

and the same with darth vader and luke

716

00:26:38,630 --> 00:26:36,080

skywalker is they're not done and there

717

00:26:40,630 --> 00:26:38,640

are strong ramifications to not being

718

00:26:42,630 --> 00:26:40,640

done with their training at the end of

719

00:26:43,430 --> 00:26:42,640

both of these movies i think

720

00:26:45,750 --> 00:26:43,440

right

721

00:26:48,549 --> 00:26:45,760

so i i i get what you're saying nick the

722

00:26:51,750 --> 00:26:48,559

payoff wasn't there this is not the the

723

00:26:54,230 --> 00:26:51,760

epitome the obi-wan the the full effect

724

00:26:56,310 --> 00:26:54,240

jedi uh i don't think we're there yet so

725

00:26:58,630 --> 00:26:56,320

if anything i think it's interesting

726

00:27:00,549 --> 00:26:58,640

that we still have a ways to go we still

727

00:27:02,390 --> 00:27:00,559

don't even know if rey is going to

728

00:27:04,870 --> 00:27:02,400

continue to stay on the light side of

729

00:27:06,789 --> 00:27:04,880

the force or not you know oh see i was

730

00:27:08,070 --> 00:27:06,799

pretty i thought i felt pretty pretty

731

00:27:09,590 --> 00:27:08,080

like

732

00:27:11,110 --> 00:27:09,600

about that by the end of that film i

733

00:27:13,590 --> 00:27:11,120

don't know because we see this

734

00:27:16,230 --> 00:27:13,600

blossoming relationship between kylo and

735

00:27:18,149 --> 00:27:16,240

rey um whether it's romantic or not

736

00:27:21,029 --> 00:27:18,159

there's a deep connection between those

737

00:27:23,750 --> 00:27:21,039

two uh a lot can argue that snoke did

738

00:27:25,990 --> 00:27:23,760

that the the villain the the emperor of

739

00:27:27,510 --> 00:27:26,000

this movie but i don't know man that

740

00:27:29,350 --> 00:27:27,520

they are the two sides like they're the

741

00:27:30,710 --> 00:27:29,360

only they're the last two right so you

742

00:27:31,990 --> 00:27:30,720

always have to have the sith and the

743

00:27:33,510 --> 00:27:32,000

jedi so there's going to be a very

744

00:27:34,470 --> 00:27:33,520

strong connection between those two

745

00:27:36,310 --> 00:27:34,480

forces

746

00:27:37,909 --> 00:27:36,320

which i think is why snoke and luke have

747

00:27:39,830 --> 00:27:37,919

such a strong connection for so long

748

00:27:41,590 --> 00:27:39,840

which we never get answered which i know

749

00:27:43,269 --> 00:27:41,600

pissed a ton of people off we were just

750

00:27:44,390 --> 00:27:43,279

like i actually didn't give a [h__\h]

751
00:27:45,750 --> 00:27:44,400
because if you think about the original

752
00:27:48,230 --> 00:27:45,760
trilogy like you don't know who

753
00:27:49,350 --> 00:27:48,240
palpatine is it doesn't matter we never

754
00:27:50,710 --> 00:27:49,360
get off

755
00:27:52,070 --> 00:27:50,720
yeah you just you just meet him the

756
00:27:54,549 --> 00:27:52,080
reason we know who palpatine is is

757
00:27:56,470 --> 00:27:54,559
because they remade three more movies

758
00:27:58,070 --> 00:27:56,480
otherwise he's just the empire and his

759
00:27:59,750 --> 00:27:58,080
ass gets killed at the end of jedi i

760
00:28:01,269 --> 00:27:59,760
felt like snoke was the same thing it

761
00:28:03,669 --> 00:28:01,279
doesn't

762
00:28:05,990 --> 00:28:03,679
like you want to know i get that but

763
00:28:07,430 --> 00:28:06,000

ultimately that's not the important

764

00:28:09,510 --> 00:28:07,440

thing here's another thing i want to

765

00:28:11,830 --> 00:28:09,520

bring up we have this new writer

766

00:28:14,149 --> 00:28:11,840

director and he is feeling a lot like

767

00:28:16,070 --> 00:28:14,159

joss whedon to me in terms of like

768

00:28:17,909 --> 00:28:16,080

justice league where he's kind of giving

769

00:28:20,470 --> 00:28:17,919

the middle finger to some stuff that

770

00:28:21,990 --> 00:28:20,480

they tried to set up in force awakens

771

00:28:23,590 --> 00:28:22,000

which i thought was pretty interesting

772

00:28:25,350 --> 00:28:23,600

yeah you know you mean like everything

773

00:28:26,389 --> 00:28:25,360

they tried to set up in force awakens

774

00:28:27,510 --> 00:28:26,399

yeah like

775

00:28:28,310 --> 00:28:27,520

which is what a lot of people didn't

776

00:28:30,149 --> 00:28:28,320

like

777

00:28:32,149 --> 00:28:30,159

i waited two years for that i get it

778

00:28:34,389 --> 00:28:32,159

that's that's what you okay cool i

779

00:28:36,389 --> 00:28:34,399

completely get that i mean for example

780

00:28:38,630 --> 00:28:36,399

we've got you know we we've all been

781

00:28:40,870 --> 00:28:38,640

waiting to see where rey comes from like

782

00:28:43,430 --> 00:28:40,880

what lineage she comes from is she

783

00:28:46,789 --> 00:28:43,440

luke's daughter is she some like far off

784

00:28:49,909 --> 00:28:46,799

jedi in this we learned that possibly we

785

00:28:52,230 --> 00:28:49,919

don't know for sure she's nobody she oh

786

00:28:55,830 --> 00:28:52,240

i love it she's absolutely nobody and

787

00:28:58,870 --> 00:28:55,840

chris i agree i think it was a gorgeous

788

00:29:01,669 --> 00:28:58,880

moment of storytelling that it does not

789

00:29:04,310 --> 00:29:01,679

matter if you're a jedi or not jedi is a

790

00:29:05,830 --> 00:29:04,320

religion the force is something that

791

00:29:07,909 --> 00:29:05,840

everyone can have and i think that was

792

00:29:10,230 --> 00:29:07,919

the message of the movie luke preaches

793

00:29:12,789 --> 00:29:10,240

it yoda preaches it and even [h__h]

794

00:29:15,190 --> 00:29:12,799

kylo ren in saying that like you are a

795

00:29:17,110 --> 00:29:15,200

part of this you come from nothing come

796

00:29:18,470 --> 00:29:17,120

with me right in the last moments too

797

00:29:20,230 --> 00:29:18,480

where it's the kid

798

00:29:22,549 --> 00:29:20,240

i mean like the stable boy who has the

799

00:29:24,549 --> 00:29:22,559

force which is another beautiful last

800

00:29:26,149 --> 00:29:24,559

moment um this you know it's funny

801
00:29:28,149 --> 00:29:26,159
because i'm thinking about this in

802
00:29:30,149 --> 00:29:28,159
retrospect you realize that the director

803
00:29:31,510 --> 00:29:30,159
and writer he's setting this up in the

804
00:29:34,870 --> 00:29:31,520
very beginning that it doesn't matter

805
00:29:36,230 --> 00:29:34,880
because that one the line of some in one

806
00:29:38,070 --> 00:29:36,240
way or another letting the past be

807
00:29:39,909 --> 00:29:38,080
letting it die letting it go is

808
00:29:41,909 --> 00:29:39,919
constantly mentioned right like

809
00:29:45,269 --> 00:29:41,919
throughout the whole past does not

810
00:29:46,789 --> 00:29:45,279
matter at all and it is just reinforced

811
00:29:48,710 --> 00:29:46,799
through this whole movie and i was like

812
00:29:51,350 --> 00:29:48,720
and i also wonder if that's not just the

813
00:29:53,029 --> 00:29:51,360

director i kept being like it screamed

814

00:29:55,430 --> 00:29:53,039

of jj abrams to me because it screamed

815

00:29:56,230 --> 00:29:55,440

of spoilers lost where at the end of the

816

00:29:57,750 --> 00:29:56,240

day

817

00:29:59,750 --> 00:29:57,760

none of it mattered other than just the

818

00:30:01,190 --> 00:29:59,760

people in the moment that were involved

819

00:30:02,950 --> 00:30:01,200

and i felt like that was pretty much

820

00:30:05,669 --> 00:30:02,960

this movie it's like listen the past in

821

00:30:08,310 --> 00:30:05,679

the past is dying now even in terms of

822

00:30:10,470 --> 00:30:08,320

like your old characters from the last

823

00:30:12,149 --> 00:30:10,480

star wars like it's it's it's starting

824

00:30:13,830 --> 00:30:12,159

to not matter it's a new beginning it's

825

00:30:15,510 --> 00:30:13,840

a new rebellion it's a new resistance

826

00:30:18,630 --> 00:30:15,520

the resistance is gone essentially it's

827

00:30:21,269 --> 00:30:18,640

a new grand leader yeah sure and rey's

828

00:30:23,590 --> 00:30:21,279

just a nobody for lack of a better term

829

00:30:26,149 --> 00:30:23,600

right she comes from nowhere so her past

830

00:30:28,149 --> 00:30:26,159

doesn't matter well yeah and nick too

831

00:30:30,630 --> 00:30:28,159

like the point you bring up is really

832

00:30:33,909 --> 00:30:30,640

interesting because that's kind of what

833

00:30:35,990 --> 00:30:33,919

has made luke what he is now he's so

834

00:30:38,070 --> 00:30:36,000

you know stuck in the past of what

835

00:30:39,830 --> 00:30:38,080

happened with kylo ren

836

00:30:41,990 --> 00:30:39,840

you know him turning to the dark side

837

00:30:44,149 --> 00:30:42,000

killing off the entire jedi order that

838

00:30:46,070 --> 00:30:44,159

entire thing he believes was his own

839

00:30:48,470 --> 00:30:46,080

fault and that he has caused all this

840

00:30:51,029 --> 00:30:48,480

and that's made him go into exile and i

841

00:30:53,350 --> 00:30:51,039

think like you said this nobody this

842

00:30:55,350 --> 00:30:53,360

this ray comes to get him out of that

843

00:30:57,590 --> 00:30:55,360

and show him like look things are going

844

00:30:59,750 --> 00:30:57,600

on right now and we need your help which

845

00:31:02,070 --> 00:30:59,760

i think you know again luke learns

846

00:31:05,750 --> 00:31:02,080

another valuable lesson before his

847

00:31:07,350 --> 00:31:05,760

inevitable fate oh the that line of you

848

00:31:08,950 --> 00:31:07,360

know you learned the being of teacher

849

00:31:10,710 --> 00:31:08,960

your failures are as much a part of

850

00:31:13,269 --> 00:31:10,720

being a teacher as your success that was

851

00:31:16,389 --> 00:31:13,279

a cool moment loved it

852

00:31:18,789 --> 00:31:16,399

yeah yeah delivered by a unknown tiny

853

00:31:21,110 --> 00:31:18,799

green jedi that we have never seen

854

00:31:22,870 --> 00:31:21,120

before

855

00:31:25,510 --> 00:31:22,880

so i'm trying to think of more of these

856

00:31:27,350 --> 00:31:25,520

really surprising moments that we got

857

00:31:28,870 --> 00:31:27,360

throughout this what about not finding

858

00:31:30,070 --> 00:31:28,880

out finn's past i know that was

859

00:31:31,350 --> 00:31:30,080

something a lot of people got that like

860

00:31:33,669 --> 00:31:31,360

the one person who knows finn's

861

00:31:35,190 --> 00:31:33,679

background get get i mean we get it

862

00:31:37,830 --> 00:31:35,200

though right we get it in the first

863

00:31:41,590 --> 00:31:37,840

movie essentially we get that it's a

864

00:31:44,230 --> 00:31:41,600

person who's what sold to the uh was the

865

00:31:46,470 --> 00:31:44,240

first order as a child or something it's

866

00:31:48,230 --> 00:31:46,480

basically the same as child slave yeah

867

00:31:50,070 --> 00:31:48,240

yeah it's funny because like i don't

868

00:31:51,509 --> 00:31:50,080

care about it but i know the person i

869

00:31:52,950 --> 00:31:51,519

talked to did not like the movie that

870

00:31:55,350 --> 00:31:52,960

was one of his big things it's like he

871

00:31:57,269 --> 00:31:55,360

wanted to know finn's past yeah you have

872

00:31:59,190 --> 00:31:57,279

still mystery around it and like that's

873

00:32:00,630 --> 00:31:59,200

totally i guess unresolved because of

874

00:32:01,509 --> 00:32:00,640

phasma it didn't bother me i'm just

875

00:32:03,190 --> 00:32:01,519

trying to think of things like the

876

00:32:04,470 --> 00:32:03,200

person who didn't like the movie like

877

00:32:06,710 --> 00:32:04,480

brought up to me well that's a good

878

00:32:08,950 --> 00:32:06,720

point i i think finn's character did get

879

00:32:11,029 --> 00:32:08,960

the short end in this movie for sure he

880

00:32:13,509 --> 00:32:11,039

had this weird b plot with this new

881

00:32:14,789 --> 00:32:13,519

character i like that plot guys what's

882

00:32:17,350 --> 00:32:14,799

her name

883

00:32:19,350 --> 00:32:17,360

it's escaping me right now uh uh rose

884

00:32:21,430 --> 00:32:19,360

tico rose tico there we go yeah

885

00:32:24,389 --> 00:32:21,440

interesting we get introduced to this

886

00:32:25,990 --> 00:32:24,399

new character who makes a pretty bold

887

00:32:28,230 --> 00:32:26,000

heroic decision towards the end of the

888

00:32:30,389 --> 00:32:28,240

movie she was what did you guys think of

889

00:32:32,310 --> 00:32:30,399

her i i the way the trailer and the

890

00:32:34,149 --> 00:32:32,320

posters sort of portrayed her is she's

891

00:32:36,870 --> 00:32:34,159

going to be a very integral part of this

892

00:32:39,590 --> 00:32:36,880

new not just trilogy just new franchise

893

00:32:40,789 --> 00:32:39,600

moving forward and she has this weird b

894

00:32:42,950 --> 00:32:40,799

plot with

895

00:32:45,350 --> 00:32:42,960

finn that ends up at some weird ass

896

00:32:46,710 --> 00:32:45,360

casino which uh don't get me started

897

00:32:48,470 --> 00:32:46,720

that they could have cut that entire

898

00:32:49,750 --> 00:32:48,480

part out i do want to talk well when we

899

00:32:51,669 --> 00:32:49,760

get to that before do you want to talk

900

00:32:53,669 --> 00:32:51,679

about benicio del toro but chris what'd

901
00:32:55,269 --> 00:32:53,679
you think of her this new character i

902
00:32:56,950 --> 00:32:55,279
loved the character i thought the

903
00:32:59,269 --> 00:32:56,960
character was amazing i thought the

904
00:33:01,830 --> 00:32:59,279
actress was phenomenal

905
00:33:04,470 --> 00:33:01,840
i had a problem with a lot of that

906
00:33:06,389 --> 00:33:04,480
entire plot like honestly the more i

907
00:33:08,230 --> 00:33:06,399
think about it this film took place in

908
00:33:09,590 --> 00:33:08,240
two parts and both of them were a little

909
00:33:13,110 --> 00:33:09,600
underwhelming

910
00:33:15,350 --> 00:33:13,120
i really enjoyed that the uh the the

911
00:33:19,110 --> 00:33:15,360
finn the finpo

912
00:33:21,190 --> 00:33:19,120
rose storyline existed i think it was on

913
00:33:23,110 --> 00:33:21,200

ultimately what the film was

914

00:33:25,430 --> 00:33:23,120

supposed to be about

915

00:33:28,310 --> 00:33:25,440

but it didn't really

916

00:33:30,630 --> 00:33:28,320

land for me because of the subversion of

917

00:33:32,389 --> 00:33:30,640

expectations at every corner

918

00:33:34,950 --> 00:33:32,399

like on the one hand i really love that

919

00:33:37,830 --> 00:33:34,960

they essentially can we just acknowledge

920

00:33:40,710 --> 00:33:37,840

that this film is largely an allegory

921

00:33:43,190 --> 00:33:40,720

for society as we know it right now yeah

922

00:33:45,350 --> 00:33:43,200

yeah i would say that and to that end i

923

00:33:48,870 --> 00:33:45,360

i think that uh

924

00:33:51,350 --> 00:33:48,880

they're going to the one percent planet

925

00:33:53,110 --> 00:33:51,360

um that is largely

926

00:33:55,190 --> 00:33:53,120

i mean this is what it is right that's

927

00:33:58,149 --> 00:33:55,200

literally oh yeah they propose it the

928

00:34:00,710 --> 00:33:58,159

fact that they do that and they find the

929

00:34:03,430 --> 00:34:00,720

the children and the the minds and then

930

00:34:04,630 --> 00:34:03,440

the uh the the stables and all that i

931

00:34:06,310 --> 00:34:04,640

think that's beautiful and i think

932

00:34:07,909 --> 00:34:06,320

that's wonderful i think that's a really

933

00:34:11,030 --> 00:34:07,919

important message

934

00:34:13,190 --> 00:34:11,040

but as a story it didn't really do much

935

00:34:15,190 --> 00:34:13,200

for me

936

00:34:16,950 --> 00:34:15,200

movie right like its own like mini movie

937

00:34:18,470 --> 00:34:16,960

inside of the bigger movie in a weird

938

00:34:20,790 --> 00:34:18,480

way to me honestly i thought it was the

939

00:34:23,510 --> 00:34:20,800

other way around i felt like the uh i

940

00:34:26,389 --> 00:34:23,520

felt like the the because the ray uh

941

00:34:28,950 --> 00:34:26,399

luke storyline just didn't go anywhere

942

00:34:31,349 --> 00:34:28,960

for such a long time

943

00:34:33,109 --> 00:34:31,359

i mean it was fun watching it not go

944

00:34:34,629 --> 00:34:33,119

anywhere but it didn't go anywhere for

945

00:34:35,669 --> 00:34:34,639

such a long time that i just kind of

946

00:34:37,270 --> 00:34:35,679

feel like all right this is what they

947

00:34:38,950 --> 00:34:37,280

want this movie to be about they wanted

948

00:34:40,950 --> 00:34:38,960

to be about the

949

00:34:42,629 --> 00:34:40,960

uh the rebels fighting the empire and

950

00:34:44,550 --> 00:34:42,639

that was really exciting and really

951
00:34:46,470 --> 00:34:44,560
dynamic except for the fact that it

952
00:34:48,790 --> 00:34:46,480
wasn't those things

953
00:34:51,030 --> 00:34:48,800
like it doesn't change at all it's like

954
00:34:53,750 --> 00:34:51,040
okay we're being chased this thing is

955
00:34:55,829 --> 00:34:53,760
being chased and now we're going to to

956
00:34:57,430 --> 00:34:55,839
find a person and they find a person but

957
00:34:59,910 --> 00:34:57,440
the person is and i thought that was

958
00:35:01,990 --> 00:34:59,920
cool that uh that dj

959
00:35:03,829 --> 00:35:02,000
turns on them and that's not like a

960
00:35:06,230 --> 00:35:03,839
double turn

961
00:35:07,990 --> 00:35:06,240
he just turns he's just like nah i'm bad

962
00:35:10,310 --> 00:35:08,000
yeah that's great

963
00:35:12,310 --> 00:35:10,320

he's not bad he's just indifferent and i

964

00:35:15,670 --> 00:35:12,320

thought that was a great change for the

965

00:35:17,109 --> 00:35:15,680

star wars universe whereas usually uh

966

00:35:20,310 --> 00:35:17,119

that character would have turned into

967

00:35:21,670 --> 00:35:20,320

han slow lo solo or in his situation

968

00:35:23,990 --> 00:35:21,680

orlando yeah

969

00:35:25,910 --> 00:35:24,000

yeah i did get you know

970

00:35:28,069 --> 00:35:25,920

definitely wafts of lando in that

971

00:35:28,870 --> 00:35:28,079

character unless they say if this were

972

00:35:34,069 --> 00:35:28,880

uh

973

00:35:35,990 --> 00:35:34,079

that would you would have had lando pop

974

00:35:37,990 --> 00:35:36,000

up somewhere on that planet i still kind

975

00:35:38,950 --> 00:35:38,000

of ended up on that planet guys i'm not

976

00:35:39,910 --> 00:35:38,960

gonna lie

977

00:35:44,550 --> 00:35:39,920

do we

978

00:35:46,630 --> 00:35:44,560

hasn't returned to these movies

979

00:35:49,190 --> 00:35:46,640

my understanding is that it was just a

980

00:35:51,349 --> 00:35:49,200

matter of uh they didn't have a place

981

00:35:52,790 --> 00:35:51,359

for him is what the the interview said

982

00:35:54,950 --> 00:35:52,800

so i don't know what the actual reason

983

00:35:57,510 --> 00:35:54,960

is that's what they said hmm

984

00:35:59,670 --> 00:35:57,520

interesting yet we can have these porgs

985

00:36:02,470 --> 00:35:59,680

which we'll get to i love the pores back

986

00:36:04,550 --> 00:36:02,480

off the pores dude they are adorable did

987

00:36:05,829 --> 00:36:04,560

you love walks were you an ewok person i

988

00:36:07,589 --> 00:36:05,839

wasn't you i'm still in your locker

989

00:36:10,069 --> 00:36:07,599

person that's why you love the porks

990

00:36:11,670 --> 00:36:10,079

yeah absolutely well here's okay before

991

00:36:14,150 --> 00:36:11,680

we go any further let's discuss the

992

00:36:16,630 --> 00:36:14,160

porks now before this movie even came

993

00:36:19,349 --> 00:36:16,640

out these porgs became a cultural

994

00:36:21,109 --> 00:36:19,359

phenomenon a meme they were everywhere

995

00:36:23,910 --> 00:36:21,119

merchandisers out there

996

00:36:26,630 --> 00:36:23,920

everything and then uh

997

00:36:28,150 --> 00:36:26,640

like what what we got them a little

998

00:36:30,790 --> 00:36:28,160

towards the end of the movie and there

999

00:36:32,950 --> 00:36:30,800

was tons of them and they were they they

1000

00:36:35,109 --> 00:36:32,960

weren't even a part of the plot so this

1001

00:36:37,349 --> 00:36:35,119

is interesting um i think it's i think

1002

00:36:38,710 --> 00:36:37,359

it's toys and comic relief again

1003

00:36:40,710 --> 00:36:38,720

like this one i think the director was

1004

00:36:42,470 --> 00:36:40,720

like here's the line for me to from for

1005

00:36:43,990 --> 00:36:42,480

comedy right like i'm gonna draw a line

1006

00:36:45,670 --> 00:36:44,000

in the sand and i'm gonna just step

1007

00:36:47,349 --> 00:36:45,680

forward a few times just to see if i can

1008

00:36:49,030 --> 00:36:47,359

just to be like you know what

1009

00:36:50,390 --> 00:36:49,040

[h__\h] it i'm gonna try it i'm gonna put

1010

00:36:51,990 --> 00:36:50,400

some porgs in there

1011

00:36:53,430 --> 00:36:52,000

and they're just gonna be around and i'm

1012

00:36:56,150 --> 00:36:53,440

gonna make a joke i've made a joke out

1013

00:36:57,030 --> 00:36:56,160

of vegan chewbacca so uh yeah cause i

1014

00:36:59,589 --> 00:36:57,040

can

1015

00:37:01,990 --> 00:36:59,599

i think the porgs are indicative of the

1016

00:37:05,349 --> 00:37:02,000

difference between the justice league

1017

00:37:08,069 --> 00:37:05,359

film and uh the star wars films

1018

00:37:09,750 --> 00:37:08,079

the porgs are a completely useless thing

1019

00:37:11,990 --> 00:37:09,760

that doesn't need to be there but it

1020

00:37:13,270 --> 00:37:12,000

adds so much characterization to this

1021

00:37:14,069 --> 00:37:13,280

universe

1022

00:37:16,150 --> 00:37:14,079

um

1023

00:37:18,150 --> 00:37:16,160

there are these cute little animals

1024

00:37:20,150 --> 00:37:18,160

these creatures that are

1025

00:37:23,030 --> 00:37:20,160

that are on the world and they show you

1026

00:37:26,310 --> 00:37:23,040

what life would be like here this film

1027

00:37:29,990 --> 00:37:26,320

is full of life you you see even in the

1028

00:37:33,270 --> 00:37:30,000

backgrounds of scenes with luke and rey

1029

00:37:35,109 --> 00:37:33,280

like some weird dragon sea creature off

1030

00:37:36,950 --> 00:37:35,119

in the distance

1031

00:37:39,109 --> 00:37:36,960

when you're on a planet you see the

1032

00:37:40,790 --> 00:37:39,119

birds flying you see

1033

00:37:42,950 --> 00:37:40,800

people doing weird things in the

1034

00:37:45,349 --> 00:37:42,960

background and every shot has

1035

00:37:48,150 --> 00:37:45,359

personality and you feel like this is a

1036

00:37:50,630 --> 00:37:48,160

living breathing universe whereas

1037

00:37:52,230 --> 00:37:50,640

it's fleshed out totally it's it is and

1038

00:37:53,829 --> 00:37:52,240

you feel like you're a part of something

1039

00:37:56,230 --> 00:37:53,839

you're seeing is something that's really

1040

00:37:57,910 --> 00:37:56,240

happening and that's great whereas as we

1041

00:38:00,069 --> 00:37:57,920

said with the justice league films they

1042

00:38:02,470 --> 00:38:00,079

just they're completely devoid of that

1043

00:38:04,790 --> 00:38:02,480

they have no humanity as i've said and i

1044

00:38:07,270 --> 00:38:04,800

think that's where this film really

1045

00:38:09,030 --> 00:38:07,280

thrives uh like all of the star wars

1046

00:38:10,790 --> 00:38:09,040

films when you really start to look at

1047

00:38:12,550 --> 00:38:10,800

them and study them the stories are

1048

00:38:14,790 --> 00:38:12,560

fairly rudimentary

1049

00:38:17,750 --> 00:38:14,800

but the world that they've created is

1050

00:38:18,950 --> 00:38:17,760

just overflowing with life yeah and

1051
00:38:20,150 --> 00:38:18,960
that's something you know you mentioned

1052
00:38:22,069 --> 00:38:20,160
that chris because you know going back

1053
00:38:23,750 --> 00:38:22,079
again having it's i really think it's

1054
00:38:25,030 --> 00:38:23,760
beneficial if you can to re-watch all

1055
00:38:26,230 --> 00:38:25,040
these movies before you go into a new

1056
00:38:29,109 --> 00:38:26,240
one that was i think one of the big

1057
00:38:31,270 --> 00:38:29,119
problems with the original the the the

1058
00:38:32,870 --> 00:38:31,280
the episode one two and three is that

1059
00:38:34,950 --> 00:38:32,880
they brought back to like this movie

1060
00:38:36,630 --> 00:38:34,960
especially end force awakens like the

1061
00:38:38,790 --> 00:38:36,640
tangible world right like the things

1062
00:38:41,030 --> 00:38:38,800
that you can touch and feel and you're a

1063
00:38:43,349 --> 00:38:41,040

part of like you said the porgs or any

1064

00:38:45,910 --> 00:38:43,359

like the the caretakers on the island

1065

00:38:48,390 --> 00:38:45,920

which i love right yeah absolutely that

1066

00:38:50,630 --> 00:38:48,400

i think you know that both jj abrams and

1067

00:38:52,150 --> 00:38:50,640

in a lot of ways disney because we gotta

1068

00:38:53,589 --> 00:38:52,160

throw you know good or bad you gotta

1069

00:38:55,109 --> 00:38:53,599

give him credit like we're like we need

1070

00:38:56,870 --> 00:38:55,119

to take this back to a place where it's

1071

00:38:58,390 --> 00:38:56,880

it feels tangible and real like the

1072

00:39:00,550 --> 00:38:58,400

first trilogy or the you know the

1073

00:39:02,069 --> 00:39:00,560

original four five and six and i really

1074

00:39:03,990 --> 00:39:02,079

did like this about this movie even the

1075

00:39:05,349 --> 00:39:04,000

even the the worlds that were really cgi

1076

00:39:07,030 --> 00:39:05,359

like the casino

1077

00:39:08,790 --> 00:39:07,040

i still felt like it was a tangible

1078

00:39:11,990 --> 00:39:08,800

place to me like some place that i could

1079

00:39:14,310 --> 00:39:12,000

go and exist and and engross myself in

1080

00:39:15,829 --> 00:39:14,320

and that's why i'll forgive a lot of the

1081

00:39:17,589 --> 00:39:15,839

like quote unquote sins that i thought

1082

00:39:19,109 --> 00:39:17,599

this movie had because which is the same

1083

00:39:21,109 --> 00:39:19,119

way i feel about four five six like i'll

1084

00:39:23,270 --> 00:39:21,119

forgive whatever sins they have because

1085

00:39:25,589 --> 00:39:23,280

i'm so transported into that world it's

1086

00:39:27,349 --> 00:39:25,599

so engrossive sure and i felt this was

1087

00:39:29,190 --> 00:39:27,359

even more so like i love the part where

1088

00:39:31,030 --> 00:39:29,200

they're on the planet and they they pick

1089

00:39:32,550 --> 00:39:31,040

up the and again it's exposition but

1090

00:39:34,550 --> 00:39:32,560

it's just beautiful they're like it's

1091

00:39:36,790 --> 00:39:34,560

salt and you're like oh

1092

00:39:39,190 --> 00:39:36,800

all right i hated that moment like i

1093

00:39:41,510 --> 00:39:39,200

understood why it was there but all it

1094

00:39:43,430 --> 00:39:41,520

screamed to me of some sort of a design

1095

00:39:45,430 --> 00:39:43,440

choice where they just went

1096

00:39:46,710 --> 00:39:45,440

we gotta explain what this step is

1097

00:39:48,550 --> 00:39:46,720

because people are gonna think he's

1098

00:39:51,430 --> 00:39:48,560

bleeding so let's just have him point

1099

00:39:52,870 --> 00:39:51,440

out exposition it away it'll be fine

1100

00:39:54,230 --> 00:39:52,880

it's funny i just felt the opposite

1101
00:39:56,470 --> 00:39:54,240
because for me and maybe this is because

1102
00:39:58,870 --> 00:39:56,480
i'm not a writer like you guys are um

1103
00:40:01,030 --> 00:39:58,880
that for me it's just like joe smo actor

1104
00:40:02,390 --> 00:40:01,040
guy watching a movie i sometimes like

1105
00:40:03,430 --> 00:40:02,400
that little stuff because i wouldn't

1106
00:40:04,710 --> 00:40:03,440
have cared either way if you would have

1107
00:40:06,870 --> 00:40:04,720
never told me what it was i would have

1108
00:40:08,470 --> 00:40:06,880
been like don't give a [h__\h] but the fact

1109
00:40:10,310 --> 00:40:08,480
that you did i just enjoyed it it just

1110
00:40:11,589 --> 00:40:10,320
showed like a new thought to a movie

1111
00:40:12,710 --> 00:40:11,599
right like even if it was like we want

1112
00:40:14,390 --> 00:40:12,720
to make something that looks cool we

1113
00:40:16,310 --> 00:40:14,400

don't want it to be stone uh snow

1114

00:40:17,670 --> 00:40:16,320

because we had hop already make it salt

1115

00:40:19,510 --> 00:40:17,680

but i just i don't know it was a nice

1116

00:40:21,349 --> 00:40:19,520

touch i liked it i liked that it was it

1117

00:40:22,950 --> 00:40:21,359

felt very exposition to me but i still

1118

00:40:24,310 --> 00:40:22,960

liked it it made me like okay that's

1119

00:40:26,310 --> 00:40:24,320

what this world is it's a brand new

1120

00:40:28,069 --> 00:40:26,320

world i i think i think you're right i

1121

00:40:29,670 --> 00:40:28,079

think it helped flesh out

1122

00:40:32,069 --> 00:40:29,680

what the one thing i always appreciated

1123

00:40:35,030 --> 00:40:32,079

about star wars is the the difference in

1124

00:40:36,550 --> 00:40:35,040

all the planets it's like extremes you

1125

00:40:38,310 --> 00:40:36,560

know what i mean and every time you go

1126

00:40:41,030 --> 00:40:38,320

to a new planet it's something that

1127

00:40:43,030 --> 00:40:41,040

you're like oh wow like it's an entire

1128

00:40:45,589 --> 00:40:43,040

planet of forest it's an entire planet

1129

00:40:47,190 --> 00:40:45,599

of snow really interesting so i i like

1130

00:40:49,829 --> 00:40:47,200

that they sort of hearken back to that

1131

00:40:52,230 --> 00:40:49,839

idea of all white um there's something

1132

00:40:53,750 --> 00:40:52,240

about it that was extremely it just

1133

00:40:55,910 --> 00:40:53,760

captured the eye especially when the

1134

00:40:57,190 --> 00:40:55,920

battle began on the planet

1135

00:40:59,430 --> 00:40:57,200

they thought they were just doing hoth

1136

00:41:00,470 --> 00:40:59,440

again hoth again yeah i did see it first

1137

00:41:02,950 --> 00:41:00,480

part d

1138

00:41:04,390 --> 00:41:02,960

did you guys catch the like love square

1139

00:41:06,790 --> 00:41:04,400

that they're setting up at the end of

1140

00:41:10,150 --> 00:41:06,800

the film between like rey and poe ray

1141

00:41:11,349 --> 00:41:10,160

and finn finn yeah that's weird

1142

00:41:12,630 --> 00:41:11,359

i'm like where's it gonna get might not

1143

00:41:15,270 --> 00:41:12,640

go anywhere knowing this it could be

1144

00:41:17,270 --> 00:41:15,280

nothing but like so i kind of just can i

1145

00:41:20,230 --> 00:41:17,280

just say that they had suggested that

1146

00:41:22,470 --> 00:41:20,240

eventually there's gonna be an lgbtqa

1147

00:41:23,829 --> 00:41:22,480

relationship in this india star wars

1148

00:41:25,750 --> 00:41:23,839

universe

1149

00:41:28,230 --> 00:41:25,760

is anybody wondering if they're going to

1150

00:41:29,829 --> 00:41:28,240

start adding polyamory too because

1151

00:41:32,390 --> 00:41:29,839

that's the only way i can see this

1152

00:41:33,829 --> 00:41:32,400

working because of how many different

1153

00:41:36,950 --> 00:41:33,839

relationships they have in that thing

1154

00:41:39,589 --> 00:41:36,960

now here's my thing and i hate hate hate

1155

00:41:42,390 --> 00:41:39,599

to say this but we have to remember that

1156

00:41:44,470 --> 00:41:42,400

this is disney and they have to take

1157

00:41:46,870 --> 00:41:44,480

baby steps when it comes to that stuff

1158

00:41:49,430 --> 00:41:46,880

now when if when we first when force

1159

00:41:51,270 --> 00:41:49,440

awakens came and went you know the

1160

00:41:53,109 --> 00:41:51,280

rumors were that finn and poe were gonna

1161

00:41:55,430 --> 00:41:53,119

end up together and i was all for that

1162

00:41:58,470 --> 00:41:55,440

i'm like that'd be incredible and now

1163

00:42:00,309 --> 00:41:58,480

this new writer again i think he's

1164

00:42:02,150 --> 00:42:00,319

keeping us on our toes that we have no

1165

00:42:04,069 --> 00:42:02,160

idea what's coming next and because of

1166

00:42:06,710 --> 00:42:04,079

how successful this movie was with this

1167

00:42:08,950 --> 00:42:06,720

writer and director i do wonder you know

1168

00:42:10,710 --> 00:42:08,960

i believe jj abrams is writing the next

1169

00:42:13,589 --> 00:42:10,720

one uh he's writing and directing the

1170

00:42:15,270 --> 00:42:13,599

next okay yeah um if they will tackle

1171

00:42:17,270 --> 00:42:15,280

any of that chris uh it'll be

1172

00:42:19,190 --> 00:42:17,280

interesting i think right now we have

1173

00:42:21,190 --> 00:42:19,200

absolutely no clue who might be

1174

00:42:23,430 --> 00:42:21,200

romantically interested who might not or

1175

00:42:25,589 --> 00:42:23,440

if any of them will who knows i

1176

00:42:27,349 --> 00:42:25,599

personally suspect that rose and her

1177

00:42:30,470 --> 00:42:27,359

sister were originally supposed to be

1178

00:42:32,069 --> 00:42:30,480

rose and her lover and that once rayne

1179

00:42:33,829 --> 00:42:32,079

or ryan or whatever his name is got a

1180

00:42:35,349 --> 00:42:33,839

hold of it they changed it

1181

00:42:36,870 --> 00:42:35,359

or maybe disney backed out i don't want

1182

00:42:38,230 --> 00:42:36,880

to blame the director just because

1183

00:42:39,910 --> 00:42:38,240

things change you never know it could

1184

00:42:42,230 --> 00:42:39,920

have been any number of things but i

1185

00:42:44,710 --> 00:42:42,240

could see that when i saw her

1186

00:42:46,150 --> 00:42:44,720

looking down at that uh that necklace in

1187

00:42:47,670 --> 00:42:46,160

her hands i just

1188

00:42:49,349 --> 00:42:47,680

looked and i was like oh my god they did

1189

00:42:50,710 --> 00:42:49,359

it this is amazing this is a and they

1190

00:42:52,950 --> 00:42:50,720

don't even have to acknowledge it like

1191

00:42:55,349 --> 00:42:52,960

people who know will know and then that

1192

00:42:57,109 --> 00:42:55,359

gets the disney uh the disney vacation

1193

00:42:59,030 --> 00:42:57,119

of it out of the way and it'll work i

1194

00:43:01,990 --> 00:42:59,040

was so excited and then she said i just

1195

00:43:03,430 --> 00:43:02,000

lost my sister i was like oh you cowards

1196

00:43:05,190 --> 00:43:03,440

yeah but i mean i always remember like

1197

00:43:06,550 --> 00:43:05,200

it is disney we have to take i mean i

1198

00:43:07,990 --> 00:43:06,560

know this is a cop but like because it

1199

00:43:09,270 --> 00:43:08,000

doesn't you have to take the like good

1200

00:43:10,630 --> 00:43:09,280

and the bad of disney right same thing

1201

00:43:12,069 --> 00:43:10,640

the marvel films like i watch those

1202

00:43:13,829 --> 00:43:12,079

films i'm like i know it's a good disney

1203

00:43:16,069 --> 00:43:13,839

fight but i'll take it because right now

1204

00:43:18,790 --> 00:43:16,079

they're still really good yeah and i

1205

00:43:20,470 --> 00:43:18,800

just i want good yeah and i mean again

1206

00:43:23,030 --> 00:43:20,480

force awakens was the first time we saw

1207

00:43:24,230 --> 00:43:23,040

blood in a star wars movie you know

1208

00:43:27,109 --> 00:43:24,240

that's not true there's blood in your

1209

00:43:30,150 --> 00:43:27,119

head was it blood was it blood or was it

1210

00:43:32,150 --> 00:43:30,160

just uh his uniform chopping up

1211

00:43:34,390 --> 00:43:32,160

hmm i thought it was just his red

1212

00:43:35,510 --> 00:43:34,400

uniform being chopped up hmm

1213

00:43:36,630 --> 00:43:35,520

i think it's blood because there is

1214

00:43:38,710 --> 00:43:36,640

blood and new hope guys when his arm

1215

00:43:39,670 --> 00:43:38,720

gets cut off there's blood is there i

1216

00:43:42,550 --> 00:43:39,680

remember yes

1217

00:43:44,710 --> 00:43:42,560

when obi-wan chops the arm off of uh the

1218

00:43:46,390 --> 00:43:44,720

dude in the bar there's blood all right

1219

00:43:48,470 --> 00:43:46,400

i retract my statement that i'm a huge

1220

00:43:50,309 --> 00:43:48,480

star wars fan all right

1221

00:43:55,030 --> 00:43:50,319

all the reason i know so let's get to

1222

00:43:56,790 --> 00:43:55,040

laura dern vice admiral amelon haldo um

1223

00:43:59,589 --> 00:43:56,800

i didn't care for this one guys i

1224

00:44:02,069 --> 00:43:59,599

thought it was completely unnecessary i

1225

00:44:03,670 --> 00:44:02,079

understand sarah's work lower turns in

1226

00:44:05,430 --> 00:44:03,680

that movie i think that was a pretty

1227

00:44:07,510 --> 00:44:05,440

good like she looked like she was out of

1228

00:44:09,430 --> 00:44:07,520

the fifth element or something i mean

1229

00:44:11,589 --> 00:44:09,440

star wars it kind of always comes out

1230

00:44:14,790 --> 00:44:11,599

that way yeah but i mean i guess my

1231

00:44:16,630 --> 00:44:14,800

question is was her storyline like yeah

1232

00:44:18,710 --> 00:44:16,640

she ends up sacrificing herself at the

1233

00:44:21,349 --> 00:44:18,720

end for this greater cause but like i

1234

00:44:23,349 --> 00:44:21,359

didn't understand really what was going

1235

00:44:25,910 --> 00:44:23,359

on between her and poe and this struggle

1236

00:44:28,630 --> 00:44:25,920

for like control over what the you know

1237

00:44:30,710 --> 00:44:28,640

the resistance was gonna do next it just

1238

00:44:33,510 --> 00:44:30,720

felt weird i didn't know like was she

1239

00:44:34,630 --> 00:44:33,520

was she like a double agent and like

1240

00:44:37,190 --> 00:44:34,640

trying to

1241

00:44:38,870 --> 00:44:37,200

uh sabotage i think that's what it was

1242

00:44:41,349 --> 00:44:38,880

unclear to me i think that's what they

1243

00:44:42,470 --> 00:44:41,359

were trying to set up and by that i mean

1244

00:44:43,990 --> 00:44:42,480

they were trying to set up that

1245

00:44:45,990 --> 00:44:44,000

suspicion of oh my god they're being

1246

00:44:47,349 --> 00:44:46,000

followed maybe she's a double agent and

1247

00:44:50,550 --> 00:44:47,359

it's her fault

1248

00:44:52,790 --> 00:44:50,560

but honestly i i don't feel like if they

1249

00:44:55,829 --> 00:44:52,800

were trying to do that that it landed i

1250

00:44:57,430 --> 00:44:55,839

honestly think it was very clearly a

1251

00:44:58,870 --> 00:44:57,440

second act set up for the third act

1252

00:45:00,950 --> 00:44:58,880

twist where

1253

00:45:03,270 --> 00:45:00,960

uh poe dameron has to become the

1254

00:45:06,390 --> 00:45:03,280

commander because

1255

00:45:08,390 --> 00:45:06,400

leia's no longer with us

1256

00:45:10,390 --> 00:45:08,400

right but then yeah this is the part

1257

00:45:11,750 --> 00:45:10,400

where the pacing really fell flat for me

1258

00:45:14,390 --> 00:45:11,760

guys because then

1259

00:45:16,309 --> 00:45:14,400

it's like oh poe takes control oh no now

1260

00:45:17,990 --> 00:45:16,319

she's back in control it was just it was

1261

00:45:19,270 --> 00:45:18,000

way too quick for me i don't know i

1262

00:45:20,950 --> 00:45:19,280

think it's i think yeah it didn't work

1263

00:45:23,030 --> 00:45:20,960

for me i again a lot of the stuff that

1264

00:45:25,349 --> 00:45:23,040

didn't i just i was like okay whatever

1265

00:45:26,870 --> 00:45:25,359

but i think it's also the idea of giving

1266

00:45:28,710 --> 00:45:26,880

poe someone to learn what it is to be a

1267

00:45:30,309 --> 00:45:28,720

leader if that makes sense because like

1268

00:45:32,950 --> 00:45:30,319

while there is leia like pose the hot

1269

00:45:35,349 --> 00:45:32,960

head right he's the i guess the han solo

1270

00:45:37,190 --> 00:45:35,359

oh i just realized something and this is

1271

00:45:40,309 --> 00:45:37,200

going to sound really bad do you think

1272

00:45:41,990 --> 00:45:40,319

that the reason she's in this is because

1273

00:45:43,910 --> 00:45:42,000

uh um

1274

00:45:45,750 --> 00:45:43,920

carrie fisher passed away and

1275

00:45:47,510 --> 00:45:45,760

a lot of that was no it's not possible

1276

00:45:49,430 --> 00:45:47,520

because they're in scenes together

1277

00:45:51,430 --> 00:45:49,440

yep and she died and carrie fisher the

1278

00:45:53,109 --> 00:45:51,440

you know terry fisher's still very much

1279

00:45:55,190 --> 00:45:53,119

alive at the end of this movie carrie

1280

00:45:57,990 --> 00:45:55,200

fisher pulled a superman and we will get

1281

00:46:05,190 --> 00:45:58,000

to that oh oh that uh yeah we will get

1282

00:46:08,950 --> 00:46:07,670

i'm sorry go ahead go ahead uh i know

1283

00:46:10,790 --> 00:46:08,960

obviously i think

1284

00:46:12,390 --> 00:46:10,800

characters there just to like so poe can

1285

00:46:14,630 --> 00:46:12,400

see what like quote-unquote true

1286

00:46:15,910 --> 00:46:14,640

leadership is right that she had this

1287

00:46:17,990 --> 00:46:15,920

this is what it's like to have a bigger

1288

00:46:19,750 --> 00:46:18,000

plan besides just like [\h__\h] drop the

1289

00:46:21,670 --> 00:46:19,760

bombs because we can and she's like no

1290

00:46:23,670 --> 00:46:21,680

there was a bigger idea and a bigger

1291

00:46:27,030 --> 00:46:23,680

plan at work and then when it came time

1292

00:46:28,710 --> 00:46:27,040

for her to react impulsively and be you

1293

00:46:30,309 --> 00:46:28,720

know for her to be the fly but just fly

1294

00:46:32,550 --> 00:46:30,319

the ship into it she does it right so

1295

00:46:33,910 --> 00:46:32,560

it's like this is what leadership is

1296

00:46:35,750 --> 00:46:33,920

that might not have worked but i got

1297

00:46:37,109 --> 00:46:35,760

what they were trying to do with that

1298

00:46:38,870 --> 00:46:37,119

character because you they didn't want

1299

00:46:40,870 --> 00:46:38,880

to kill leia off yet

1300

00:46:41,589 --> 00:46:40,880

right which you can only you can only

1301

00:46:43,990 --> 00:46:41,599

lose

1302

00:46:46,230 --> 00:46:44,000

movie guys one character a movie well

1303

00:46:48,630 --> 00:46:46,240

that's the thing and we're almost there

1304

00:46:50,710 --> 00:46:48,640

uh that was one of the biggest twists in

1305

00:46:53,670 --> 00:46:50,720

this movie that a lot of people were not

1306

00:46:56,309 --> 00:46:53,680

expecting was uh which character we were

1307

00:46:58,710 --> 00:46:56,319

going to lose so we are going to tread

1308

00:47:01,109 --> 00:46:58,720

lightly and get to that but before we go

1309

00:47:04,390 --> 00:47:01,119

any further guys there is a i don't know

1310

00:47:07,190 --> 00:47:04,400

if he's uncredited but he is credited in

1311

00:47:11,030 --> 00:47:07,200

the cast list on wikipedia and that's

1312

00:47:12,790 --> 00:47:11,040

tom hardy so as who stormtrooper that's

1313

00:47:15,750 --> 00:47:12,800

it oh kinda like how uh

1314

00:47:18,550 --> 00:47:15,760

how um daniel daniel craig of uh force

1315

00:47:21,030 --> 00:47:18,560

awakens was yeah so i see this being the

1316

00:47:22,870 --> 00:47:21,040

new you know sort of stan lee in every

1317

00:47:25,349 --> 00:47:22,880

marvel movie we're gonna get like an

1318

00:47:27,430 --> 00:47:25,359

a-list celebrity playing an uncredited

1319

00:47:28,870 --> 00:47:27,440

usually masked character in all of these

1320

00:47:31,109 --> 00:47:28,880

who just wants to be in [h__\h] star

1321

00:47:32,630 --> 00:47:31,119

wars which is awesome and i wish i had

1322

00:47:33,829 --> 00:47:32,640

the clout to do something like that yeah

1323

00:47:35,270 --> 00:47:33,839

hey i just want to be in it i don't care

1324

00:47:37,670 --> 00:47:35,280

what i do just can you put me in it

1325

00:47:39,430 --> 00:47:37,680

thanks seriously yeah so yeah i'm hardy

1326

00:47:43,190 --> 00:47:39,440

was in this one again proving that he's

1327

00:47:45,670 --> 00:47:43,200

the best actor to wear a mask so i'm on

1328

00:47:48,550 --> 00:47:45,680

it's true i'm on imdb right now it turns

1329

00:47:51,270 --> 00:47:48,560

out it looks like there's a few more uh

1330

00:47:54,150 --> 00:47:51,280

surprises that you probably didn't catch

1331

00:47:56,550 --> 00:47:54,160

so joseph gordon-levitt did the voice of

1332

00:47:58,069 --> 00:47:56,560

slow and low

1333

00:48:00,710 --> 00:47:58,079

i don't even know what that is that

1334

00:48:01,829 --> 00:48:00,720

makes sense he was a hooper yeah exactly

1335

00:48:05,510 --> 00:48:01,839

and um

1336

00:48:09,109 --> 00:48:05,520

and it looks like uh lord

1337

00:48:11,349 --> 00:48:09,119

um i assume that's who uh billy lord is

1338

00:48:14,710 --> 00:48:11,359

is lieutenant comics

1339

00:48:16,550 --> 00:48:14,720

um uh justin thoreau was master code

1340

00:48:19,109 --> 00:48:16,560

breaker so the guy who they were

1341

00:48:20,790 --> 00:48:19,119

supposed to get that's who that is okay

1342

00:48:23,349 --> 00:48:20,800

wait who's just yeah

1343

00:48:25,349 --> 00:48:23,359

nicholas bro was in the leftovers he was

1344

00:48:27,190 --> 00:48:25,359

he was or is married to jennifer aniston

1345

00:48:28,790 --> 00:48:27,200

oh okay i thought we were talking about

1346

00:48:32,069 --> 00:48:28,800

the uh dude

1347

00:48:32,829 --> 00:48:32,079

billy lord is is uh k fisher's daughter

1348

00:48:36,870 --> 00:48:32,839

oh

1349

00:48:39,030 --> 00:48:36,880

right

1350

00:48:42,230 --> 00:48:39,040

that's true fisher's daughter absolutely

1351

00:48:45,990 --> 00:48:42,240

that's right we also have gareth edwards

1352

00:48:47,670 --> 00:48:46,000

uh was resistance trench soldier and i

1353

00:48:49,750 --> 00:48:47,680

think that's all of them that are listed

1354

00:48:52,069 --> 00:48:49,760

here on imdb

1355

00:48:55,589 --> 00:48:52,079

that's awesome i love it oh and gary the

1356

00:48:57,030 --> 00:48:55,599

dog played the space gary uncredited

1357

00:48:59,030 --> 00:48:57,040

nice i don't know i just think that

1358

00:49:01,349 --> 00:48:59,040

one's funny to say that's pretty awesome

1359

00:49:03,030 --> 00:49:01,359

okay so okay let's get to it i i know

1360

00:49:05,109 --> 00:49:03,040

you're chomping no no there's one they

1361

00:49:06,790 --> 00:49:05,119

want to get you so hello we all know who

1362

00:49:08,230 --> 00:49:06,800

becomes the great the grand supreme

1363

00:49:09,750 --> 00:49:08,240

leader by the end of this movie right

1364

00:49:11,349 --> 00:49:09,760

hold on before we move on to luke

1365

00:49:14,470 --> 00:49:11,359

skywalker can i say my piece about

1366

00:49:16,150 --> 00:49:14,480

carrie fisher and her uh her okay

1367

00:49:17,829 --> 00:49:16,160

i disagree with you on this one all

1368

00:49:20,790 --> 00:49:17,839

right so this i

1369

00:49:23,870 --> 00:49:20,800

i i am really upset that that princess

1370

00:49:26,470 --> 00:49:23,880

leia arguably the most exciting and

1371

00:49:29,430 --> 00:49:26,480

anticipated jedi

1372

00:49:32,150 --> 00:49:29,440

in all of the world is never going to

1373

00:49:35,109 --> 00:49:32,160

get to use her power in any sort of

1374

00:49:37,510 --> 00:49:35,119

interesting way okay she did some weird

1375

00:49:40,150 --> 00:49:37,520

like as you as you call it supermanning

1376

00:49:42,230 --> 00:49:40,160

out of space and then she promptly fell

1377

00:49:44,390 --> 00:49:42,240

asleep for the next half a movie

1378

00:49:46,630 --> 00:49:44,400

i was like okay cool you got to see that

1379

00:49:48,549 --> 00:49:46,640

she had powers i granted she's been

1380

00:49:50,150 --> 00:49:48,559

telepathically communicating with people

1381

00:49:52,230 --> 00:49:50,160

for however long

1382

00:49:54,470 --> 00:49:52,240

but why couldn't she lift those boulders

1383

00:49:56,309 --> 00:49:54,480

at the end why couldn't she have like

1384

00:49:59,510 --> 00:49:56,319

lowered the door with her why couldn't

1385

00:50:02,790 --> 00:49:59,520

she have had her beautiful moments where

1386

00:50:05,910 --> 00:50:02,800

she's going to to do something like why

1387

00:50:07,910 --> 00:50:05,920

couldn't she drive the the ship with her

1388

00:50:08,710 --> 00:50:07,920

mind or something like she needed to

1389

00:50:12,630 --> 00:50:08,720

have

1390

00:50:15,589 --> 00:50:12,640

a moment where she got because she is a

1391

00:50:19,510 --> 00:50:15,599

generations princess who finally became

1392

00:50:21,349 --> 00:50:19,520

a general who she is the embodiment of

1393

00:50:22,309 --> 00:50:21,359

the feminist movement

1394

00:50:26,470 --> 00:50:22,319

and

1395

00:50:28,390 --> 00:50:26,480

that's really depressing

1396

00:50:29,990 --> 00:50:28,400

well i can say go read the books because

1397

00:50:31,430 --> 00:50:30,000

in the books she does have force she

1398

00:50:32,549 --> 00:50:31,440

does use it right you know the thing i

1399

00:50:34,470 --> 00:50:32,559

think if you think about i agree with

1400

00:50:36,230 --> 00:50:34,480

you chris i actually do maybe that was

1401
00:50:38,870 --> 00:50:36,240
gonna come and she passed away that's

1402
00:50:41,510 --> 00:50:38,880
what i'm thinking no we like that that

1403
00:50:43,109 --> 00:50:41,520
that scene was an introduction to

1404
00:50:44,950 --> 00:50:43,119
because she's the last one right she's

1405
00:50:46,630 --> 00:50:44,960
the last of the three and they and they

1406
00:50:49,030 --> 00:50:46,640
had said that they were leaving her they

1407
00:50:51,430 --> 00:50:49,040
are she was going to be the major player

1408
00:50:54,230 --> 00:50:51,440
in the third movie as well so maybe that

1409
00:50:55,910 --> 00:50:54,240
force was that was gonna happen later on

1410
00:50:57,270 --> 00:50:55,920
and now we've that opportunity's gone

1411
00:50:58,870 --> 00:50:57,280
which is really sad and that was an

1412
00:51:01,589 --> 00:50:58,880
introduction to just how powerful

1413
00:51:04,150 --> 00:51:01,599

potentially she is because ben is too

1414

00:51:06,390 --> 00:51:04,160

and so is luke yeah agreed yeah i i

1415

00:51:08,390 --> 00:51:06,400

think this is so sad and christian right

1416

00:51:10,870 --> 00:51:08,400

it still sucks but it sucks and i think

1417

00:51:12,470 --> 00:51:10,880

it was it was just a tiny hint of what

1418

00:51:14,309 --> 00:51:12,480

we were going to get in this third

1419

00:51:16,230 --> 00:51:14,319

installment of the trilogy um

1420

00:51:18,069 --> 00:51:16,240

unfortunately as we all know she passed

1421

00:51:20,390 --> 00:51:18,079

away how they're going to deal with this

1422

00:51:22,950 --> 00:51:20,400

is going to be very interesting because

1423

00:51:25,430 --> 00:51:22,960

this leads to the biggest twist i would

1424

00:51:27,510 --> 00:51:25,440

say in the entire movie so nick i know

1425

00:51:28,549 --> 00:51:27,520

you've been sort of waiting for this so

1426

00:51:29,670 --> 00:51:28,559

i'm going to let you i want to

1427

00:51:33,430 --> 00:51:29,680

definitely well i want to talk about

1428

00:51:35,670 --> 00:51:33,440

kylo ren before i get into this because

1429

00:51:38,710 --> 00:51:35,680

fine i was kidding dude

1430

00:51:40,790 --> 00:51:38,720

i was giving you gold and you just shut

1431

00:51:42,470 --> 00:51:40,800

it back in my face okay

1432

00:51:44,069 --> 00:51:42,480

i want kylo ren to be bad i don't want a

1433

00:51:45,589 --> 00:51:44,079

good kylo ren i want kylo ren to be bad

1434

00:51:46,950 --> 00:51:45,599

for the entire film and i don't want him

1435

00:51:49,750 --> 00:51:46,960

to redeem himself now i can talk about

1436

00:51:52,069 --> 00:51:49,760

luke if you want me to no let's actually

1437

00:51:53,910 --> 00:51:52,079

let's discuss kylo just for a moment

1438

00:51:56,390 --> 00:51:53,920

here for sure what do you guys think of

1439

00:51:58,710 --> 00:51:56,400

adam driver's portrayal of what we

1440

00:52:00,549 --> 00:51:58,720

consider the new darth vader i think

1441

00:52:01,990 --> 00:52:00,559

kylo ren

1442

00:52:03,589 --> 00:52:02,000

actually let me rephrase this i think

1443

00:52:07,670 --> 00:52:03,599

adam driver

1444

00:52:10,710 --> 00:52:07,680

is a very mediocre actor whose very

1445

00:52:11,670 --> 00:52:10,720

mediocre talents show very well in star

1446

00:52:14,150 --> 00:52:11,680

wars

1447

00:52:16,630 --> 00:52:14,160

he's he doesn't do angry very well he

1448

00:52:19,430 --> 00:52:16,640

doesn't do conflicted very well

1449

00:52:22,069 --> 00:52:19,440

but dang it it works it works in that

1450

00:52:23,670 --> 00:52:22,079

kind of caricature style that star wars

1451

00:52:26,150 --> 00:52:23,680

has always had

1452

00:52:28,790 --> 00:52:26,160

where good and bad is always very

1453

00:52:30,870 --> 00:52:28,800

clearly outlined so much so that their

1454

00:52:33,670 --> 00:52:30,880

swords change colors based upon their

1455

00:52:35,750 --> 00:52:33,680

feelings i i like it it's not good but i

1456

00:52:37,670 --> 00:52:35,760

like it i will take a kyle i will take

1457

00:52:39,990 --> 00:52:37,680

an driver over a hating christian

1458

00:52:42,630 --> 00:52:40,000

christensen playing a distraught jedi

1459

00:52:43,990 --> 00:52:42,640

all day and twice on sunday um

1460

00:52:46,230 --> 00:52:44,000

i think he's i think he's what they

1461

00:52:48,150 --> 00:52:46,240

wanted anakin to be but couldn't get a

1462

00:52:50,390 --> 00:52:48,160

decent actor to do it yeah or just

1463

00:52:51,670 --> 00:52:50,400

george lucas was just like i love him i

1464

00:52:53,430 --> 00:52:51,680

you know what's funny like i'm i'm kind

1465

00:52:55,430 --> 00:52:53,440

of with chris and again chris pryous

1466

00:52:57,589 --> 00:52:55,440

remember this we saw em driver on stage

1467

00:52:59,670 --> 00:52:57,599

a long time ago at rattlestick theater

1468

00:53:00,630 --> 00:52:59,680

company and i remember seeing him being

1469

00:53:02,630 --> 00:53:00,640

like

1470

00:53:04,230 --> 00:53:02,640

okay do you remember what play that was

1471

00:53:05,990 --> 00:53:04,240

i don't i remember chris you took it to

1472

00:53:07,829 --> 00:53:06,000

me it was that was one of the like you

1473

00:53:10,230 --> 00:53:07,839

know experimental plays

1474

00:53:11,670 --> 00:53:10,240

wasn't it no no no it was not like a

1475

00:53:14,069 --> 00:53:11,680

major annie baker plan i don't think it

1476

00:53:15,510 --> 00:53:14,079

ever got produced past battle wow for

1477

00:53:17,349 --> 00:53:15,520

anyone who doesn't know rattlestick is

1478

00:53:20,710 --> 00:53:17,359

one of the best theater companies in new

1479

00:53:23,670 --> 00:53:20,720

york city hands down new bold risky

1480

00:53:24,950 --> 00:53:23,680

plays go see their work okay plug done

1481

00:53:26,710 --> 00:53:24,960

and they workshop a lot of stuff which

1482

00:53:28,470 --> 00:53:26,720

is what we which is what chris and i saw

1483

00:53:30,950 --> 00:53:28,480

so here's the thing like i'm not like an

1484

00:53:33,270 --> 00:53:30,960

adam driver fan like i i have moments

1485

00:53:35,990 --> 00:53:33,280

from like i can i can recognize that he

1486

00:53:37,589 --> 00:53:36,000

can do really good work and i can

1487

00:53:39,349 --> 00:53:37,599

i can enjoy his work and i think he does

1488

00:53:41,030 --> 00:53:39,359

some interesting stuff as a character

1489

00:53:42,870 --> 00:53:41,040

that can be subtle and i think he's

1490

00:53:44,549 --> 00:53:42,880

doing exactly what they want him to do

1491

00:53:46,309 --> 00:53:44,559

in those in those massive mood swings

1492

00:53:47,349 --> 00:53:46,319

and to be clear i think that's hard as

1493

00:53:49,270 --> 00:53:47,359

an actor because when you have those

1494

00:53:52,390 --> 00:53:49,280

massive mood swings you have to justify

1495

00:53:54,790 --> 00:53:52,400

it for it to work um sure but that being

1496

00:53:57,109 --> 00:53:54,800

said i'm just not an adam driver fan

1497

00:53:58,950 --> 00:53:57,119

does that make sense yeah like he's fine

1498

00:54:00,790 --> 00:53:58,960

i enjoy him i enjoy him in the movie i

1499

00:54:02,549 --> 00:54:00,800

think he does a good job with it i'm

1500

00:54:04,390 --> 00:54:02,559

just not like oh yeah

1501
00:54:06,150 --> 00:54:04,400
dude i'm drivers in this movie i gotta

1502
00:54:08,230 --> 00:54:06,160
go see it i'm just like oh adam driver's

1503
00:54:09,990 --> 00:54:08,240
here okay he's not you know he's not

1504
00:54:11,750 --> 00:54:10,000
gonna make it bad he's just he's going

1505
00:54:14,390 --> 00:54:11,760
to be there and he's going to serve the

1506
00:54:15,750 --> 00:54:14,400
role yeah i miss the helmet yeah i

1507
00:54:18,549 --> 00:54:15,760
really like that it was a really good

1508
00:54:19,750 --> 00:54:18,559
design it was it was pretty scary too

1509
00:54:21,430 --> 00:54:19,760
you just wanted to have a shirt off the

1510
00:54:25,190 --> 00:54:21,440
whole time don't you you were like adam

1511
00:54:27,030 --> 00:54:25,200
driver as long as he has his helmet on

1512
00:54:28,230 --> 00:54:27,040
that that was another great moment we

1513
00:54:30,470 --> 00:54:28,240

had when uh

1514

00:54:33,270 --> 00:54:30,480

when kylo and rey are having their like

1515

00:54:35,829 --> 00:54:33,280

intimate uh telepathic communication

1516

00:54:37,990 --> 00:54:35,839

it's uh kylo's their shirtless and she

1517

00:54:40,630 --> 00:54:38,000

can see him and she's just like uh could

1518

00:54:42,309 --> 00:54:40,640

you put you know maybe a cowl on or

1519

00:54:43,750 --> 00:54:42,319

something

1520

00:54:46,150 --> 00:54:43,760

i really like what they're doing with

1521

00:54:47,990 --> 00:54:46,160

the character though in terms of spoiler

1522

00:54:50,829 --> 00:54:48,000

he kills snoke which is one of the big

1523

00:54:52,630 --> 00:54:50,839

things where you're like oh [h__h] yeah um

1524

00:54:55,510 --> 00:54:52,640

yeah and let's let's point out like that

1525

00:54:57,510 --> 00:54:55,520

is shocking like that is arguably the

1526

00:54:58,710 --> 00:54:57,520

most shocking thing in this film i

1527

00:55:00,549 --> 00:54:58,720

thought it was one of the most effective

1528

00:55:02,230 --> 00:55:00,559

moments in the film in terms of the

1529

00:55:03,829 --> 00:55:02,240

twist they did do to me that was the

1530

00:55:05,829 --> 00:55:03,839

most effective where i was like holy

1531

00:55:07,589 --> 00:55:05,839

[h__h] he's the you know the sith they

1532

00:55:09,589 --> 00:55:07,599

always kill their master like that's the

1533

00:55:11,670 --> 00:55:09,599

the thing we set up from episode like

1534

00:55:13,349 --> 00:55:11,680

one two three four five six seven like

1535

00:55:16,230 --> 00:55:13,359

and to just see that happen to finally

1536

00:55:17,510 --> 00:55:16,240

witness the apprentice kill the master

1537

00:55:20,309 --> 00:55:17,520

and become

1538

00:55:22,950 --> 00:55:20,319

the sith lord i was like [h__h] yeah man

1539

00:55:24,549 --> 00:55:22,960

yeah you do it you lightsaber that dude

1540

00:55:25,910 --> 00:55:24,559

and try to take an apprentice but now

1541

00:55:27,670 --> 00:55:25,920

here's the thing i don't want to see him

1542

00:55:29,910 --> 00:55:27,680

become good like make that change

1543

00:55:31,349 --> 00:55:29,920

complete i think they will i don't know

1544

00:55:33,670 --> 00:55:31,359

i'm worried they'll be like because

1545

00:55:35,430 --> 00:55:33,680

because like driver is a heartthrob and

1546

00:55:37,030 --> 00:55:35,440

some weird girls universe that they'll

1547

00:55:39,109 --> 00:55:37,040

be like no disney's be like no we gotta

1548

00:55:42,309 --> 00:55:39,119

make them good again guys so the ladies

1549

00:55:44,150 --> 00:55:42,319

will be happy maybe yeah i agree i don't

1550

00:55:45,109 --> 00:55:44,160

i don't think it's gonna hold i think

1551
00:55:46,309 --> 00:55:45,119
there's

1552
00:55:50,150 --> 00:55:46,319
i i

1553
00:55:53,109 --> 00:55:50,160
i just don't have faith in star wars

1554
00:55:55,109 --> 00:55:53,119
not to do the the redemption arc um but

1555
00:55:57,910 --> 00:55:55,119
i want them to right i want him to just

1556
00:56:00,309 --> 00:55:57,920
be [h__h] bad like you are a sith lord

1557
00:56:03,510 --> 00:56:00,319
now right i want to see the darth vader

1558
00:56:07,190 --> 00:56:03,520
that we saw in rogue one just like a

1559
00:56:08,150 --> 00:56:07,200
badass terrifying doesn't give a [h__h]

1560
00:56:11,270 --> 00:56:08,160
and just

1561
00:56:12,950 --> 00:56:11,280
kills anything in his path

1562
00:56:16,230 --> 00:56:12,960
i mean if you think about it this dude

1563
00:56:19,589 --> 00:56:16,240

has now killed his father and he's also

1564

00:56:21,589 --> 00:56:19,599

killed the sith lord like it doesn't get

1565

00:56:23,190 --> 00:56:21,599

much worse than that and that makes his

1566

00:56:25,109 --> 00:56:23,200

flaw the fact that he's young right

1567

00:56:27,190 --> 00:56:25,119

exactly he's just still young and so

1568

00:56:29,270 --> 00:56:27,200

angry and he hasn't channeled that anger

1569

00:56:31,829 --> 00:56:29,280

in the way that palpatine has or vader

1570

00:56:34,549 --> 00:56:31,839

did in a lot of ways i i will find that

1571

00:56:36,309 --> 00:56:34,559

way more dynamic if if rey has to just

1572

00:56:38,630 --> 00:56:36,319

[h__\h] off him if she's just like like

1573

00:56:40,549 --> 00:56:38,640

luke says you know i can't save him i

1574

00:56:42,549 --> 00:56:40,559

can't save him like it's and lays even

1575

00:56:43,990 --> 00:56:42,559

like i know and that's what i want like

1576

00:56:46,069 --> 00:56:44,000

follow that [h__h] storyline now

1577

00:56:48,230 --> 00:56:46,079

because that would be a great uh i think

1578

00:56:51,589 --> 00:56:48,240

climax with ray and him and like this

1579

00:56:53,589 --> 00:56:51,599

final battle actually being final yeah

1580

00:56:55,190 --> 00:56:53,599

that's fair which one's fair they won't

1581

00:56:56,870 --> 00:56:55,200

do because we know

1582

00:56:58,870 --> 00:56:56,880

not only are we getting one another

1583

00:57:00,870 --> 00:56:58,880

trilogy we're getting another trilogy

1584

00:57:02,549 --> 00:57:00,880

after that they've already said this and

1585

00:57:04,390 --> 00:57:02,559

then we're getting on the off sheets

1586

00:57:06,069 --> 00:57:04,400

daisy ridley said that she's not doing

1587

00:57:08,470 --> 00:57:06,079

past three like she was signed on for

1588

00:57:10,390 --> 00:57:08,480

three and that's her story so i i don't

1589

00:57:12,950 --> 00:57:10,400

i personally think that's the robert

1590

00:57:15,270 --> 00:57:12,960

downey junior movie exactly like maybe

1591

00:57:16,630 --> 00:57:15,280

who knows listen negotiate in public

1592

00:57:18,549 --> 00:57:16,640

yeah i think i think that's just how

1593

00:57:21,270 --> 00:57:18,559

people have to do business

1594

00:57:23,829 --> 00:57:21,280

you know that they will pay big money to

1595

00:57:26,150 --> 00:57:23,839

keep her and they will also change their

1596

00:57:27,670 --> 00:57:26,160

stories to make sure that these

1597

00:57:30,390 --> 00:57:27,680

characters that people seem to really

1598

00:57:31,910 --> 00:57:30,400

like uh continue like exactly it's

1599

00:57:33,829 --> 00:57:31,920

robert downey jr

1600

00:57:35,270 --> 00:57:33,839

until it until they [h__h] it up i trust

1601
00:57:36,870 --> 00:57:35,280
him i tell him it's like the marvel

1602
00:57:38,309 --> 00:57:36,880
movies until then i start [h__h] it up

1603
00:57:40,950 --> 00:57:38,319
i'm gonna be like you know what you got

1604
00:57:42,390 --> 00:57:40,960
my heart you got my heart star wars same

1605
00:57:43,990 --> 00:57:42,400
sure all right now you want me to talk

1606
00:57:45,349 --> 00:57:44,000
about lucy walker at the end all right

1607
00:57:48,150 --> 00:57:45,359
guys are you gonna let him set you up

1608
00:57:50,470 --> 00:57:48,160
this time so i cried twice i cried twice

1609
00:57:52,470 --> 00:57:50,480
during this movie once was the scroll

1610
00:57:55,030 --> 00:57:52,480
chris when the music comes in and star

1611
00:57:57,990 --> 00:57:55,040
wars shows up i lost it grabbed jane's

1612
00:58:01,030 --> 00:57:58,000
hand and just yeah tear came down and

1613
00:58:03,270 --> 00:58:01,040

then this was the second moment not not

1614

00:58:05,510 --> 00:58:03,280

the lead up to it but the final moment

1615

00:58:07,750 --> 00:58:05,520

when it and we both know what it is

1616

00:58:09,910 --> 00:58:07,760

happens so i was blubbering like a

1617

00:58:11,829 --> 00:58:09,920

little child so nick please take care i

1618

00:58:13,910 --> 00:58:11,839

can't i can't do it this is like my

1619

00:58:16,630 --> 00:58:13,920

superman moment guys like the last time

1620

00:58:18,150 --> 00:58:16,640

um so here's the thing okay there's so

1621

00:58:19,670 --> 00:58:18,160

much that i liked about luke skywalker

1622

00:58:21,750 --> 00:58:19,680

moment and then there's so much that i

1623

00:58:23,750 --> 00:58:21,760

was like really disappointed and liked

1624

00:58:25,510 --> 00:58:23,760

again his moment with leia when he comes

1625

00:58:27,670 --> 00:58:25,520

in and talks to her gorgeous when he

1626

00:58:29,829 --> 00:58:27,680

just shows up and you're like yeah [\h__\h]

1627

00:58:32,309 --> 00:58:29,839

yeah luke skywalker's back [\h__\h]

1628

00:58:34,069 --> 00:58:32,319

dude it was like a perfect silhouette

1629

00:58:35,910 --> 00:58:34,079

shot from return of the jedi it was

1630

00:58:37,030 --> 00:58:35,920

awesome oh and he came back and he

1631

00:58:38,950 --> 00:58:37,040

looked different i'm like you look

1632

00:58:40,870 --> 00:58:38,960

different mr skywalker but i was like

1633

00:58:42,710 --> 00:58:40,880

i'm going with it i'm like you look you

1634

00:58:44,390 --> 00:58:42,720

look thin and ready to do some fighting

1635

00:58:45,270 --> 00:58:44,400

and he goes out and there's a reason for

1636

00:58:47,430 --> 00:58:45,280

that yeah

1637

00:58:49,349 --> 00:58:47,440

yeah oh i know well this this is my

1638

00:58:51,910 --> 00:58:49,359

anyway he goes out and he faces down the

1639

00:58:55,910 --> 00:58:51,920

the eight the the do eighty

1640

00:58:58,390 --> 00:58:55,920

ats t's ats t's atats atats faces down

1641

00:58:59,349 --> 00:58:58,400

new atats and like kylo ren's like fire

1642

00:59:00,789 --> 00:58:59,359

everything

1643

00:59:02,789 --> 00:59:00,799

and you and you just watch this sneak

1644

00:59:03,670 --> 00:59:02,799

walks out and he's just unscathed and

1645

00:59:05,750 --> 00:59:03,680

you're like

1646

00:59:08,150 --> 00:59:05,760

he does the brush of the shoulder i know

1647

00:59:09,829 --> 00:59:08,160

but i had that moment of being like holy

1648

00:59:11,670 --> 00:59:09,839

[h__h] because you know he's powerful

1649

00:59:13,349 --> 00:59:11,680

right and you wanted to see how powerful

1650

00:59:15,109 --> 00:59:13,359

is luke really because we have all of

1651
00:59:17,670 --> 00:59:15,119
his backstory we don't know right but

1652
00:59:19,349 --> 00:59:17,680
you sure i led to bleh believe that he

1653
00:59:22,390 --> 00:59:19,359
is a legend beyond just return of the

1654
00:59:24,230 --> 00:59:22,400
jedi he is a legend on you know on a

1655
00:59:26,549 --> 00:59:24,240
scale that is oh my god

1656
00:59:28,390 --> 00:59:26,559
he is so powerful the force that like

1657
00:59:30,230 --> 00:59:28,400
[h__\h] laser beams can't touch him i

1658
00:59:32,309 --> 00:59:30,240
was like all right it's go time and then

1659
00:59:33,990 --> 00:59:32,319
kylo ren comes down and like the fight

1660
00:59:35,510 --> 00:59:34,000
scene starts right and i'm like oh

1661
00:59:37,510 --> 00:59:35,520
there's the classic stance he's in the

1662
00:59:39,270 --> 00:59:37,520
stance like a little old but he's in the

1663
00:59:40,710 --> 00:59:39,280

stance and you know he does the cool

1664

00:59:42,470 --> 00:59:40,720

dots the lightsaber thing and the cool

1665

00:59:44,069 --> 00:59:42,480

lightsaber swing and then it's over and

1666

00:59:45,349 --> 00:59:44,079

it was like i wanted the yoda moment

1667

00:59:48,309 --> 00:59:45,359

like chris mentioned earlier i wanted

1668

00:59:50,150 --> 00:59:48,319

the like badass [h__h] lightsaber fight

1669

00:59:51,670 --> 00:59:50,160

yoda moment with luke skywalker because

1670

00:59:53,109 --> 00:59:51,680

i never really got it because we weren't

1671

00:59:54,549 --> 00:59:53,119

there with return of the jedi yet you

1672

00:59:56,470 --> 00:59:54,559

know we just weren't there

1673

00:59:58,470 --> 00:59:56,480

fight choreography wise

1674

01:00:00,870 --> 00:59:58,480

i will argue that those fight scenes

1675

01:00:03,109 --> 01:00:00,880

with uh vader and luke were better than

1676

01:00:05,829 --> 01:00:03,119

any fight uh the lightsaber fight i've

1677

01:00:07,589 --> 01:00:05,839

seen since agreed oh i i disagree but

1678

01:00:10,069 --> 01:00:07,599

that's because i'm i'm a glutton for

1679

01:00:12,470 --> 01:00:10,079

like action so i want i like a little i

1680

01:00:14,470 --> 01:00:12,480

like it's a little spark sparked up like

1681

01:00:16,950 --> 01:00:14,480

i like the ray lightsaber fight scene

1682

01:00:20,230 --> 01:00:16,960

last film great oh yeah the kybo and

1683

01:00:22,789 --> 01:00:20,240

race lightsaber fight uh with the guards

1684

01:00:24,549 --> 01:00:22,799

in the you know that was the i i think

1685

01:00:26,870 --> 01:00:24,559

the fight choreography in this movie was

1686

01:00:29,030 --> 01:00:26,880

great the lightsaber so do i yeah i'm

1687

01:00:30,870 --> 01:00:29,040

gonna i wish the fight with kylo ren

1688

01:00:32,309 --> 01:00:30,880

luke was a little bit longer does that

1689

01:00:34,309 --> 01:00:32,319

make sense absolutely i would have liked

1690

01:00:36,470 --> 01:00:34,319

a little bit more payoff from it because

1691

01:00:37,990 --> 01:00:36,480

it was so badass but hold on you

1692

01:00:38,950 --> 01:00:38,000

couldn't though right because of what

1693

01:00:40,549 --> 01:00:38,960

happens

1694

01:00:41,910 --> 01:00:40,559

well this is my saying so that that's

1695

01:00:44,230 --> 01:00:41,920

right go

1696

01:00:45,990 --> 01:00:44,240

so um so this fight happens luke does

1697

01:00:47,990 --> 01:00:46,000

the cool lightsaber dodge and like does

1698

01:00:49,589 --> 01:00:48,000

some white super sweeney swings and

1699

01:00:51,030 --> 01:00:49,599

finally kylo ren like you know he turns

1700

01:00:52,789 --> 01:00:51,040

his lightsaber off and you're like oh

1701
01:00:54,150 --> 01:00:52,799
man it's gonna be the obi moment and i'm

1702
01:00:55,990 --> 01:00:54,160
like [h__\h] man that wasn't long enough

1703
01:00:58,230 --> 01:00:56,000
for the ob moment but okay obi moment i

1704
01:00:59,510 --> 01:00:58,240
knew it was coming and kylo ren like you

1705
01:01:01,190 --> 01:00:59,520
know looks like he's going to slice him

1706
01:01:02,309 --> 01:01:01,200
in half and luke skywalker just turns

1707
01:01:04,950 --> 01:01:02,319
around i'm like

1708
01:01:06,549 --> 01:01:04,960
[h__\h] you can't even touch him

1709
01:01:07,910 --> 01:01:06,559
yeah and then you realize that he's not

1710
01:01:10,470 --> 01:01:07,920
even really there

1711
01:01:12,470 --> 01:01:10,480
yeah and i was like oh

1712
01:01:15,030 --> 01:01:12,480
oh you didn't like that nick okay so

1713
01:01:15,750 --> 01:01:15,040

this is no good okay go tell you why

1714

01:01:17,430 --> 01:01:15,760

though

1715

01:01:19,349 --> 01:01:17,440

cause i was so this is what and then you

1716

01:01:21,190 --> 01:01:19,359

know then so just to finish it and then

1717

01:01:23,109 --> 01:01:21,200

you see him and you're as he is

1718

01:01:25,430 --> 01:01:23,119

transmitting himself he's so strong with

1719

01:01:27,510 --> 01:01:25,440

the force he's transmitted himself there

1720

01:01:28,950 --> 01:01:27,520

and caused the decoy to save everybody

1721

01:01:30,870 --> 01:01:28,960

to me

1722

01:01:32,230 --> 01:01:30,880

it diminished just how badass it would

1723

01:01:34,150 --> 01:01:32,240

have been had he actually been able to

1724

01:01:36,230 --> 01:01:34,160

stop all the [h__h] laser beams i'm a

1725

01:01:37,589 --> 01:01:36,240

simple man and i wanted to actually see

1726

01:01:38,870 --> 01:01:37,599

luke skywalker be there but i thought

1727

01:01:40,549 --> 01:01:38,880

the end moment the skywalker was

1728

01:01:42,870 --> 01:01:40,559

beautiful and i loved that last shot and

1729

01:01:44,470 --> 01:01:42,880

the symbolism of it i just really want

1730

01:01:47,349 --> 01:01:44,480

him to actually be there

1731

01:01:50,710 --> 01:01:47,359

and i mean i i understand like the oh

1732

01:01:53,829 --> 01:01:50,720

yeah aspect of of that sentiment but

1733

01:01:59,349 --> 01:01:56,069

yeah that's the meathead perspective

1734

01:02:02,630 --> 01:01:59,359

because the i mean that lovingly but the

1735

01:02:06,069 --> 01:02:02,640

whole uh concept of the jedi is supposed

1736

01:02:09,190 --> 01:02:06,079

to be pacifism it's the light it's the

1737

01:02:11,030 --> 01:02:09,200

we win without the sword if you use the

1738

01:02:12,309 --> 01:02:11,040

sword that you have and that you hold

1739

01:02:15,190 --> 01:02:12,319

and that you carry with you at all

1740

01:02:17,990 --> 01:02:15,200

moments you turn to the dark side it's

1741

01:02:19,589 --> 01:02:18,000

the moments when you lower your sword

1742

01:02:21,990 --> 01:02:19,599

that you win the battle

1743

01:02:24,710 --> 01:02:22,000

and that is an important i mean that's

1744

01:02:25,589 --> 01:02:24,720

carried through all seven eight movies

1745

01:02:28,230 --> 01:02:25,599

now

1746

01:02:30,069 --> 01:02:28,240

and so you can't have luke skywalker

1747

01:02:32,470 --> 01:02:30,079

show up and beat him with his fists

1748

01:02:35,270 --> 01:02:32,480

because that's how skywalker turns to

1749

01:02:37,910 --> 01:02:35,280

dark side once and for all and instead

1750

01:02:40,549 --> 01:02:37,920

he turns to the light once and for all

1751

01:02:42,630 --> 01:02:40,559

yes chris not only that but i also think

1752

01:02:44,390 --> 01:02:42,640

it would have it just would not have

1753

01:02:47,109 --> 01:02:44,400

come off genuine if

1754

01:02:50,069 --> 01:02:47,119

and i'm talking just you know logistics

1755

01:02:52,069 --> 01:02:50,079

having luke at this age mark hamill i

1756

01:02:54,069 --> 01:02:52,079

should say at this age fighting a young

1757

01:02:55,829 --> 01:02:54,079

kylo ren it just i i don't think it

1758

01:02:58,069 --> 01:02:55,839

would have worked maybe it could have

1759

01:03:00,309 --> 01:02:58,079

and that would have shown how strong

1760

01:03:01,829 --> 01:03:00,319

physically luke skywalker is but chris

1761

01:03:04,549 --> 01:03:01,839

like you say i think what's most

1762

01:03:06,390 --> 01:03:04,559

important is this this idea that this

1763

01:03:08,789 --> 01:03:06,400

writer is giving us glimpses of the

1764

01:03:10,870 --> 01:03:08,799

force we've never seen before and you

1765

01:03:12,390 --> 01:03:10,880

know what that forced projection of

1766

01:03:14,390 --> 01:03:12,400

being able to transmit yourself

1767

01:03:17,029 --> 01:03:14,400

somewhere else i think that was

1768

01:03:19,750 --> 01:03:17,039

incredible and now we know

1769

01:03:22,069 --> 01:03:19,760

more of what these jedi are capable of

1770

01:03:24,470 --> 01:03:22,079

if they reach this level that luke seems

1771

01:03:26,630 --> 01:03:24,480

to have done so yeah i thought it was

1772

01:03:28,549 --> 01:03:26,640

really interesting i see both sides of

1773

01:03:30,390 --> 01:03:28,559

it i did think when he showed up for

1774

01:03:32,789 --> 01:03:30,400

that battle with kylo ren that he's

1775

01:03:35,029 --> 01:03:32,799

looking a little thin a little younger a

1776

01:03:36,710 --> 01:03:35,039

little cgi what's going on he's good

1777

01:03:38,230 --> 01:03:36,720

luke you're looking looking like you oh

1778

01:03:40,549 --> 01:03:38,240

yeah he looks red looks like a good

1779

01:03:42,309 --> 01:03:40,559

looking fella it was weird so right then

1780

01:03:43,109 --> 01:03:42,319

i'm like something's off about this and

1781

01:03:45,829 --> 01:03:43,119

then

1782

01:03:47,109 --> 01:03:45,839

when it's revealed what he did yeah

1783

01:03:48,470 --> 01:03:47,119

i just i just

1784

01:03:49,589 --> 01:03:48,480

i guess my one thing is the one moment

1785

01:03:51,270 --> 01:03:49,599

took away is when the light when the

1786

01:03:53,910 --> 01:03:51,280

lasers hit him like that to me was such

1787

01:03:55,510 --> 01:03:53,920

like a gist i was just like oh

1788

01:03:57,589 --> 01:03:55,520

yeah and i was like oh well he's not

1789

01:03:59,990 --> 01:03:57,599

there but you'll always have that moment

1790

01:04:01,510 --> 01:04:00,000

like you'll have that moment and and at

1791

01:04:03,349 --> 01:04:01,520

the same time like

1792

01:04:05,349 --> 01:04:03,359

he's still an awesome badass for having

1793

01:04:06,950 --> 01:04:05,359

thought of this oh yeah no listen it's

1794

01:04:08,549 --> 01:04:06,960

still i still love miss luke skywalker

1795

01:04:10,069 --> 01:04:08,559

um you know what made me think it was

1796

01:04:11,589 --> 01:04:10,079

off it wasn't his look it was the blue

1797

01:04:13,190 --> 01:04:11,599

lightsaber

1798

01:04:14,549 --> 01:04:13,200

why is that

1799

01:04:15,990 --> 01:04:14,559

because he had a green one in the

1800

01:04:17,270 --> 01:04:16,000

confrontation with kylo ren and he's had

1801

01:04:19,029 --> 01:04:17,280

a green one

1802

01:04:20,470 --> 01:04:19,039

uh as far as we know

1803

01:04:21,990 --> 01:04:20,480

since we turned the jedi and when that

1804

01:04:24,950 --> 01:04:22,000

lightsaber lights up blue i was like why

1805

01:04:29,190 --> 01:04:24,960

is he a blue lightsaber it was obi-wan's

1806

01:04:32,470 --> 01:04:31,510

because he has the green one that breaks

1807

01:04:34,789 --> 01:04:32,480

in the

1808

01:04:36,230 --> 01:04:34,799

battle correct no raise is blue because

1809

01:04:38,870 --> 01:04:36,240

she has luke's

1810

01:04:41,510 --> 01:04:38,880

uh oh we're getting our electricity

1811

01:04:43,589 --> 01:04:41,520

is green so luke's is green from jedi

1812

01:04:45,430 --> 01:04:43,599

and it's green when he goes to

1813

01:04:47,670 --> 01:04:45,440

potentially kill kylo ren but doesn't

1814

01:04:50,230 --> 01:04:47,680

it's his green lightsaber from jedi when

1815

01:04:52,390 --> 01:04:50,240

he unveils and lights up his lightsaber

1816

01:04:57,910 --> 01:04:52,400

in the in the last fight

1817

01:05:02,630 --> 01:05:00,549

that's the lightsaber that ray got from

1818

01:05:04,470 --> 01:05:02,640

the uh it wasn't it from like the the

1819

01:05:07,510 --> 01:05:04,480

temple or whatever

1820

01:05:09,430 --> 01:05:07,520

yeah which was ben's which was

1821

01:05:11,270 --> 01:05:09,440

but i thought ray had luke's lightsaber

1822

01:05:13,270 --> 01:05:11,280

that gets snapped

1823

01:05:14,390 --> 01:05:13,280

when she's fighting with kylo when

1824

01:05:16,230 --> 01:05:14,400

they're when they're pulling the force

1825

01:05:18,390 --> 01:05:16,240

and it it shatters

1826

01:05:20,309 --> 01:05:18,400

if there are any larger star wars nerds

1827

01:05:21,910 --> 01:05:20,319

than we are please write into swing work

1828

01:05:23,510 --> 01:05:21,920

in the sky

1829

01:05:24,390 --> 01:05:23,520

are they [h__h] using in that movie

1830

01:05:26,069 --> 01:05:24,400

anyway

1831

01:05:28,150 --> 01:05:26,079

i'm getting it all mixed up now yeah all

1832

01:05:30,150 --> 01:05:28,160

i know is that is confusing nick i get

1833

01:05:31,829 --> 01:05:30,160

that but i did but i did like i mean

1834

01:05:33,190 --> 01:05:31,839

listen i but i thought the end in his

1835

01:05:35,750 --> 01:05:33,200

moment of

1836

01:05:37,510 --> 01:05:35,760

his his death was beautiful and like the

1837

01:05:39,190 --> 01:05:37,520

silhouette of the two sons again like

1838

01:05:40,630 --> 01:05:39,200

the close-up

1839

01:05:41,829 --> 01:05:40,640

the full like

1840

01:05:43,190 --> 01:05:41,839

coming out though

1841

01:05:44,470 --> 01:05:43,200

speaking that this is why i don't think

1842

01:05:45,750 --> 01:05:44,480

he's coming back guys i would love him

1843

01:05:47,349 --> 01:05:45,760

to come back let me just be clear i

1844

01:05:49,670 --> 01:05:47,359

would love some ghost luke like we got

1845

01:05:51,270 --> 01:05:49,680

some ghost yoda okay but carrie i mean

1846

01:05:54,870 --> 01:05:51,280

princess leia says

1847

01:05:56,549 --> 01:05:54,880

he's gone i felt his presence leave and

1848

01:05:57,990 --> 01:05:56,559

i think yeah no that's not one thing to

1849

01:05:59,829 --> 01:05:58,000

mention that she's like

1850

01:06:01,430 --> 01:05:59,839

that he she can't feel him at all

1851

01:06:04,789 --> 01:06:01,440

anymore and so i think it means that

1852

01:06:06,150 --> 01:06:04,799

he's so he's he's not he's not

1853

01:06:08,710 --> 01:06:06,160

yoda or

1854

01:06:10,710 --> 01:06:08,720

or obi-wan he is i think you're going

1855

01:06:11,829 --> 01:06:10,720

too far with that statement i i think so

1856

01:06:13,029 --> 01:06:11,839

too

1857

01:06:15,109 --> 01:06:13,039

i think you're i think you're taking

1858

01:06:17,109 --> 01:06:15,119

that line a little too i think it was

1859

01:06:18,870 --> 01:06:17,119

too broadly i think we'll see a fuzzy

1860

01:06:20,230 --> 01:06:18,880

blue luke in the future

1861

01:06:21,670 --> 01:06:20,240

i would love a fuzzy blue luke but i'm

1862

01:06:23,829 --> 01:06:21,680

just saying guys if there's not a fuzzy

1863

01:06:26,309 --> 01:06:23,839

blue luke in a year and a half now

1864

01:06:28,150 --> 01:06:26,319

listen so here's the thing close that

1865

01:06:30,470 --> 01:06:28,160

line so everyone was under the

1866

01:06:32,549 --> 01:06:30,480

assumption that princess leia was going

1867

01:06:35,029 --> 01:06:32,559

to die in this movie we have lost carrie

1868

01:06:37,750 --> 01:06:35,039

fisher disney has made it very clear

1869

01:06:40,630 --> 01:06:37,760

they will not do a cgi version of her in

1870

01:06:43,349 --> 01:06:40,640

the next film again this movie was

1871

01:06:45,990 --> 01:06:43,359

finished filming before she passed away

1872

01:06:48,150 --> 01:06:46,000

so the plan was that she was going to be

1873

01:06:49,670 --> 01:06:48,160

an integral part of this next film my

1874

01:06:51,190 --> 01:06:49,680

question to you guys is how do you think

1875

01:06:53,109 --> 01:06:51,200

they're going to cover this

1876

01:06:54,950 --> 01:06:53,119

i hope it's not some half-assed like

1877

01:06:56,309 --> 01:06:54,960

just oh she died

1878

01:06:57,750 --> 01:06:56,319

i that's exactly what i think it's going

1879

01:06:59,750 --> 01:06:57,760

to be i think it's going to be

1880

01:07:01,190 --> 01:06:59,760

the scroll that sets up sets up whatever

1881

01:07:03,270 --> 01:07:01,200

is going on because here's the thing

1882

01:07:04,870 --> 01:07:03,280

that this film we don't really get the

1883

01:07:06,789 --> 01:07:04,880

next act we get an idea that there's

1884

01:07:09,349 --> 01:07:06,799

some rebellion left ray has embraced the

1885

01:07:10,950 --> 01:07:09,359

jedi and that ren is now the first order

1886

01:07:12,870 --> 01:07:10,960

right he's in charge of the first order

1887

01:07:14,309 --> 01:07:12,880

yeah but everything's in tatters so i

1888

01:07:15,910 --> 01:07:14,319

think it very well could be the

1889

01:07:17,589 --> 01:07:15,920

motivation for whatever happens in the

1890

01:07:19,829 --> 01:07:17,599

next film and they had to rework that

1891

01:07:21,190 --> 01:07:19,839

third film that her death is going to

1892

01:07:23,190 --> 01:07:21,200

spurs a

1893

01:07:24,789 --> 01:07:23,200

rebirth in the rebellion maybe like the

1894

01:07:27,750 --> 01:07:24,799

thing that really like

1895

01:07:29,670 --> 01:07:27,760

sparks again is is her death yeah i

1896

01:07:32,230 --> 01:07:29,680

think two things are possible i think

1897

01:07:33,430 --> 01:07:32,240

the first one which would really suck

1898

01:07:36,470 --> 01:07:33,440

is that

1899

01:07:38,230 --> 01:07:36,480

after the scroll you pan down to a ship

1900

01:07:40,309 --> 01:07:38,240

you see a silhouette in the chair that's

1901

01:07:42,789 --> 01:07:40,319

supposed to be leia and kylo ren

1902

01:07:43,910 --> 01:07:42,799

destroying the ship that that would be

1903

01:07:45,750 --> 01:07:43,920

awful

1904

01:07:47,190 --> 01:07:45,760

i think hopefully the thing that's more

1905

01:07:49,670 --> 01:07:47,200

likely

1906

01:07:52,950 --> 01:07:49,680

is that they do a jump in time

1907

01:07:54,549 --> 01:07:52,960

they all those kids who were

1908

01:07:56,150 --> 01:07:54,559

encouraged or

1909

01:07:57,349 --> 01:07:56,160

motivated to become part of the

1910

01:08:00,309 --> 01:07:57,359

rebellion

1911

01:08:03,430 --> 01:08:00,319

are aging some of them have joined rey

1912

01:08:05,109 --> 01:08:03,440

as disciples uh whatever their jedi

1913

01:08:07,349 --> 01:08:05,119

children what younglings

1914

01:08:08,870 --> 01:08:07,359

padawans padawans whatever the hell they

1915

01:08:11,190 --> 01:08:08,880

called them in the

1916

01:08:11,990 --> 01:08:11,200

in the the prequels they killed the

1917

01:08:14,069 --> 01:08:12,000

young

1918

01:08:16,390 --> 01:08:14,079

[h__\h] yeah they're the only the babies

1919

01:08:19,189 --> 01:08:16,400

so anyway they like those those kids

1920

01:08:20,950 --> 01:08:19,199

have are being trained by rey

1921

01:08:22,789 --> 01:08:20,960

and we're starting to see the grand

1922

01:08:25,829 --> 01:08:22,799

battle that never was

1923

01:08:28,070 --> 01:08:25,839

and somewhere in that maybe uh princess

1924

01:08:30,789 --> 01:08:28,080

leia or general leia

1925

01:08:32,470 --> 01:08:30,799

slowly passes in her sleep i think that

1926

01:08:33,990 --> 01:08:32,480

would be a nice beautiful touching

1927

01:08:35,189 --> 01:08:34,000

moment i don't think that's what we're

1928

01:08:36,789 --> 01:08:35,199

gonna get i think we'll probably get

1929

01:08:39,030 --> 01:08:36,799

something between the two

1930

01:08:40,550 --> 01:08:39,040

but i think that's how it should go

1931

01:08:41,829 --> 01:08:40,560

i like yeah i hope she could i hope she

1932

01:08:44,309 --> 01:08:41,839

gets a send-off i hope she gets an

1933

01:08:45,430 --> 01:08:44,319

actual send-off one way or another but

1934

01:08:46,870 --> 01:08:45,440

it is sad like it's one of those things

1935

01:08:47,829 --> 01:08:46,880

like man i wish we would have seen what

1936

01:08:49,430 --> 01:08:47,839

leia

1937

01:08:51,030 --> 01:08:49,440

where that would have gone because if i

1938

01:08:53,189 --> 01:08:51,040

think if there was a redemption story to

1939

01:08:55,189 --> 01:08:53,199

be told for kylo ren it would be through

1940

01:08:56,630 --> 01:08:55,199

leia but i think now that leia is gone i

1941

01:08:57,669 --> 01:08:56,640

think that that should be

1942

01:08:59,749 --> 01:08:57,679

and she's the one that doesn't get the

1943

01:09:01,829 --> 01:08:59,759

send-off right like all of our original

1944

01:09:03,510 --> 01:09:01,839

people got send-offs yeah yeah really

1945

01:09:04,550 --> 01:09:03,520

lovely ways i mean i told chris the

1946

01:09:06,789 --> 01:09:04,560

other day

1947

01:09:08,309 --> 01:09:06,799

han getting killed in force awakens

1948

01:09:10,789 --> 01:09:08,319

maybe it's because i have a son i just

1949

01:09:13,829 --> 01:09:10,799

like i watch him like he touched his

1950

01:09:19,030 --> 01:09:17,189

i get it man i think i'm i i was in such

1951

01:09:20,789 --> 01:09:19,040

shock because it was the first time we

1952

01:09:23,749 --> 01:09:20,799

saw one of our

1953

01:09:26,550 --> 01:09:23,759

beloved characters from the originals

1954

01:09:28,550 --> 01:09:26,560

gone gone forever i mean i i had called

1955

01:09:31,349 --> 01:09:28,560

it months before and so i think

1956

01:09:32,870 --> 01:09:31,359

everybody i knew but oh it still got me

1957

01:09:35,349 --> 01:09:32,880

as soon as he walked down there i was

1958

01:09:36,709 --> 01:09:35,359

like and he's dead all right he's dead i

1959

01:09:38,630 --> 01:09:36,719

mean

1960

01:09:40,630 --> 01:09:38,640

when you were there watching that force

1961

01:09:42,309 --> 01:09:40,640

awakens and you see that long shot of

1962

01:09:44,550 --> 01:09:42,319

him going down the bridge i'm like oh

1963

01:09:46,309 --> 01:09:44,560

this is not going to end well

1964

01:09:47,110 --> 01:09:46,319

yeah but it still gets me man it's still

1965

01:09:48,390 --> 01:09:47,120

like

1966

01:09:51,030 --> 01:09:48,400

you know that was something that came up

1967

01:09:52,630 --> 01:09:51,040

i was i was talking to sarah and not

1968

01:09:54,310 --> 01:09:52,640

weird she's like did you like it and i

1969

01:09:55,830 --> 01:09:54,320

was like you know yeah i did and she's

1970

01:09:56,630 --> 01:09:55,840

like you don't sound sure i was like you

1971

01:09:58,470 --> 01:09:56,640

know

1972

01:09:59,750 --> 01:09:58,480

no no except i didn't like it um and i

1973

01:10:00,709 --> 01:09:59,760

was trying to express to it without like

1974

01:10:02,149 --> 01:10:00,719

ruining anything so i ended up

1975

01:10:04,149 --> 01:10:02,159

expressing it to my brother because he

1976

01:10:06,390 --> 01:10:04,159

had seen i was like it's really

1977

01:10:09,030 --> 01:10:06,400

sad in a way for me to see all of these

1978

01:10:10,470 --> 01:10:09,040

old characters come to an end even if

1979

01:10:11,750 --> 01:10:10,480

they are in beautiful ways like and i

1980

01:10:13,430 --> 01:10:11,760

get it and i like that there's a new

1981

01:10:15,270 --> 01:10:13,440

story and new

1982

01:10:16,550 --> 01:10:15,280

blood and new adventure and a new saga

1983

01:10:18,950 --> 01:10:16,560

but like there's that little part of me

1984

01:10:20,709 --> 01:10:18,960

that's kind of like man it took so long

1985

01:10:22,310 --> 01:10:20,719

to get these movies and there's so much

1986

01:10:24,550 --> 01:10:22,320

story that wasn't told around these

1987

01:10:26,550 --> 01:10:24,560

people's lives and like i'm gonna miss

1988

01:10:27,830 --> 01:10:26,560

them like it's like part of my childhood

1989

01:10:29,430 --> 01:10:27,840

it's like when you let something go from

1990

01:10:30,790 --> 01:10:29,440

your childhood and you're like like you

1991

01:10:33,350 --> 01:10:30,800

put those action figures away for the

1992

01:10:35,430 --> 01:10:33,360

last time you're like all right

1993

01:10:36,790 --> 01:10:35,440

yeah yeah i'll see you later and i just

1994

01:10:38,390 --> 01:10:36,800

so whenever i watch these movies i have

1995

01:10:39,669 --> 01:10:38,400

this and when luke died that was kind of

1996

01:10:42,390 --> 01:10:39,679

the moment of like

1997

01:10:45,910 --> 01:10:42,400

yeah that's done that that is it's it's

1998

01:10:47,669 --> 01:10:45,920

dunzo and i was sad not in like a like

1999

01:10:49,030 --> 01:10:47,679

in a part of my childhood was like well

2000

01:10:55,030 --> 01:10:49,040

there you go

2001

01:10:58,149 --> 01:10:55,040

you killed it yep sure you killed it i

2002

01:11:00,470 --> 01:10:58,159

which i think is it was bound to happen

2003

01:11:02,310 --> 01:11:00,480

guys i mean i didn't i didn't expect any

2004

01:11:04,310 --> 01:11:02,320

of our original characters to go past

2005

01:11:06,070 --> 01:11:04,320

force awakens when i heard that they

2006

01:11:08,950 --> 01:11:06,080

were going to be in it i was like that's

2007

01:11:11,030 --> 01:11:08,960

nice it's like a good cool homage and

2008

01:11:14,550 --> 01:11:11,040

send-off for these characters they are

2009

01:11:16,950 --> 01:11:14,560

integral parts of this trilogy and yeah

2010

01:11:19,030 --> 01:11:16,960

i i enjoy that they're or i should say i

2011

01:11:21,110 --> 01:11:19,040

respect that they're taking their time

2012

01:11:23,430 --> 01:11:21,120

and actually making them a part of this

2013

01:11:26,070 --> 01:11:23,440

like yeah i agree they're passing on

2014

01:11:28,470 --> 01:11:26,080

both the really dark side of these

2015

01:11:31,189 --> 01:11:28,480

characters and the really light side and

2016

01:11:32,950 --> 01:11:31,199

i think that's that's great i'm i don't

2017

01:11:34,229 --> 01:11:32,960

know about you guys i'm excited for

2018

01:11:36,709 --> 01:11:34,239

whatever

2019

01:11:39,270 --> 01:11:36,719

star wars pumps out at this point like

2020

01:11:40,470 --> 01:11:39,280

take my money well the other thing is

2021

01:11:42,149 --> 01:11:40,480

the new movie's gonna like i feel like

2022

01:11:43,750 --> 01:11:42,159

this next this what are we at nine is

2023

01:11:45,270 --> 01:11:43,760

that cause it's gonna be nine seven

2024

01:11:46,790 --> 01:11:45,280

eight nine the newest one three four

2025

01:11:48,870 --> 01:11:46,800

five six five the final of this level

2026

01:11:50,550 --> 01:11:48,880

yeah yep yep yep i feel like this it

2027

01:11:52,630 --> 01:11:50,560

really set up for like it's it's a brand

2028

01:11:54,310 --> 01:11:52,640

new day now like it's it is time for

2029

01:11:56,390 --> 01:11:54,320

these characters to come into their own

2030

01:11:57,910 --> 01:11:56,400

and own this story because it's now

2031

01:12:00,070 --> 01:11:57,920

theirs like i feel like that passing of

2032

01:12:02,229 --> 01:12:00,080

luke was like okay

2033

01:12:03,510 --> 01:12:02,239

it's yours now yeah so where you go it

2034

01:12:05,510 --> 01:12:03,520

is like someone's i brought a great

2035

01:12:07,430 --> 01:12:05,520

quote was like it is a new hope right

2036

01:12:09,350 --> 01:12:07,440

and that's why it was okay with this

2037

01:12:10,630 --> 01:12:09,360

movie not being as dark as empire

2038

01:12:12,470 --> 01:12:10,640

because

2039

01:12:14,709 --> 01:12:12,480

i think chris you said it's not empire

2040

01:12:16,390 --> 01:12:14,719

and it shouldn't be in a lot of ways oh

2041

01:12:18,149 --> 01:12:16,400

i was just gonna say because if that

2042

01:12:20,149 --> 01:12:18,159

were the case nick like

2043

01:12:22,790 --> 01:12:20,159

i think you make a good point that we

2044

01:12:26,310 --> 01:12:22,800

don't want to see a recycled trilogy we

2045

01:12:29,110 --> 01:12:26,320

don't want to see the same arc play out

2046

01:12:31,590 --> 01:12:29,120

we do want to see that at some point

2047

01:12:35,030 --> 01:12:31,600

this galaxy will be

2048

01:12:38,310 --> 01:12:35,040

free and equal for everyone that the

2049

01:12:41,350 --> 01:12:38,320

resistance will have won um everyone can

2050

01:12:43,910 --> 01:12:41,360

live in peace and the true

2051
01:12:47,030 --> 01:12:43,920
meaning for the force is finally like

2052
01:12:49,270 --> 01:12:47,040
revealed i guess in a way we don't we

2053
01:12:52,229 --> 01:12:49,280
don't want to see this play out again

2054
01:12:55,910 --> 01:12:52,239
and again and again with a new villain a

2055
01:12:57,430 --> 01:12:55,920
new resistance a new battle

2056
01:12:59,030 --> 01:12:57,440
it will it will there's always gonna be

2057
01:13:01,430 --> 01:12:59,040
like a jedi and a jedi but you know i

2058
01:13:02,790 --> 01:13:01,440
think you're right like it it's just

2059
01:13:04,229 --> 01:13:02,800
i don't know it's nice to see like it's

2060
01:13:06,310 --> 01:13:04,239
a new thing i feel like when ray opens

2061
01:13:07,990 --> 01:13:06,320
those doors you're like it is a new it's

2062
01:13:09,669 --> 01:13:08,000
a new movie in a lot of ways but still a

2063
01:13:11,350 --> 01:13:09,679

lot of homage to the old trilogies which

2064

01:13:13,830 --> 01:13:11,360

i like right they still they still get

2065

01:13:15,350 --> 01:13:13,840

like [h__h] yoda showing up guys

2066

01:13:17,830 --> 01:13:15,360

i was just like

2067

01:13:20,310 --> 01:13:17,840

like i just slow clapped slow clapping

2068

01:13:22,550 --> 01:13:20,320

theater dude so yoda

2069

01:13:25,189 --> 01:13:22,560

took lightning from the sky like thor

2070

01:13:26,790 --> 01:13:25,199

and blew up a jedi temple with the

2071

01:13:29,189 --> 01:13:26,800

scepter

2072

01:13:30,470 --> 01:13:29,199

but the books did you read them well

2073

01:13:33,590 --> 01:13:30,480

real parade experience weren't they i

2074

01:13:35,830 --> 01:13:33,600

was like

2075

01:13:39,189 --> 01:13:35,840

yeah that was pretty awesome

2076

01:13:40,950 --> 01:13:39,199

but but before we go any further uh ray

2077

01:13:42,870 --> 01:13:40,960

took those books did anyone notice that

2078

01:13:44,870 --> 01:13:42,880

she smuggled them

2079

01:13:47,189 --> 01:13:44,880

i did not notice that she smuggled the

2080

01:13:49,750 --> 01:13:47,199

jedi books out so clearly i think that

2081

01:13:52,310 --> 01:13:49,760

proves that she is not done and she

2082

01:13:54,950 --> 01:13:52,320

wants to learn more about the jedi as

2083

01:13:56,870 --> 01:13:54,960

her powers increase and she is

2084

01:13:58,630 --> 01:13:56,880

continuing with this you know this

2085

01:14:00,870 --> 01:13:58,640

journey she wants to learn about the

2086

01:14:04,070 --> 01:14:00,880

past which could be not a good thing

2087

01:14:06,070 --> 01:14:04,080

like we said let the past die oh man you

2088

01:14:09,110 --> 01:14:06,080

you guys are so smart

2089

01:14:11,510 --> 01:14:09,120

so my question to you all in the spirit

2090

01:14:14,149 --> 01:14:11,520

of the new group as you're saying this

2091

01:14:16,310 --> 01:14:14,159

is this isn't the old character story

2092

01:14:18,310 --> 01:14:16,320

anymore this is the new uh the do

2093

01:14:20,870 --> 01:14:18,320

character story and so

2094

01:14:23,510 --> 01:14:20,880

i want to ask you about your thoughts on

2095

01:14:25,189 --> 01:14:23,520

the uh the increasing diversity in the

2096

01:14:28,070 --> 01:14:25,199

star wars universe

2097

01:14:30,149 --> 01:14:28,080

i [h__h] love it it's amazing i mean we

2098

01:14:32,070 --> 01:14:30,159

we've brought up a few times tonight

2099

01:14:33,990 --> 01:14:32,080

like the sort of the messages that these

2100

01:14:36,390 --> 01:14:34,000

new movies are sending i think this one

2101

01:14:39,110 --> 01:14:36,400

had a lot to do with they bring it up a

2102

01:14:41,350 --> 01:14:39,120

few times that like war is

2103

01:14:43,430 --> 01:14:41,360

inevitable it's always going to be here

2104

01:14:46,310 --> 01:14:43,440

and it's for one reason only and that's

2105

01:14:49,030 --> 01:14:46,320

money and power um that was interesting

2106

01:14:52,070 --> 01:14:49,040

we got a huge like animal rights message

2107

01:14:55,270 --> 01:14:52,080

throughout this movie oh vegan chewbacca

2108

01:14:57,669 --> 01:14:55,280

vegan chewbacca and like in even like

2109

01:14:59,510 --> 01:14:57,679

saving those you know those

2110

01:15:02,310 --> 01:14:59,520

race things on the planet with the

2111

01:15:05,270 --> 01:15:02,320

casino the dog horses yeah the dog horse

2112

01:15:07,590 --> 01:15:05,280

thingies really cool messages but yes we

2113

01:15:10,149 --> 01:15:07,600

do have an extremely diverse cast uh

2114

01:15:13,189 --> 01:15:10,159

across the rainbow spectrum which i

2115

01:15:15,669 --> 01:15:13,199

think is incredible and like you said

2116

01:15:19,430 --> 01:15:15,679

chris like this is a new story it is a

2117

01:15:20,790 --> 01:15:19,440

new star wars so many young kids who are

2118

01:15:24,070 --> 01:15:20,800

not white

2119

01:15:29,030 --> 01:15:24,080

are going to now see that like i could

2120

01:15:31,910 --> 01:15:29,040

be a jedi i could be in this epic galaxy

2121

01:15:34,310 --> 01:15:31,920

story have you seen a non-white jedi yet

2122

01:15:36,070 --> 01:15:34,320

samuel l jackson

2123

01:15:38,470 --> 01:15:36,080

so i'm sorry go ahead i didn't mean to

2124

01:15:40,709 --> 01:15:38,480

cut you off ryan no no that's a good

2125

01:15:44,310 --> 01:15:40,719

point like no

2126

01:15:46,790 --> 01:15:44,320

i have i i have very painful thoughts

2127

01:15:47,990 --> 01:15:46,800

about this issue because i think it's an

2128

01:15:50,470 --> 01:15:48,000

amazing thing that they're trying to

2129

01:15:52,470 --> 01:15:50,480

diversify star wars i mean this is one

2130

01:15:53,669 --> 01:15:52,480

of the most popular franchises of

2131

01:15:56,149 --> 01:15:53,679

history

2132

01:15:59,510 --> 01:15:56,159

but in doing so they're creating a

2133

01:16:02,149 --> 01:15:59,520

really awkward situation where they're

2134

01:16:04,630 --> 01:16:02,159

really creating more and more a white

2135

01:16:05,669 --> 01:16:04,640

savior trope in star wars

2136

01:16:08,390 --> 01:16:05,679

this

2137

01:16:10,550 --> 01:16:08,400

every single i mean the jedi have always

2138

01:16:13,430 --> 01:16:10,560

been an allegory for christianity and

2139

01:16:14,870 --> 01:16:13,440

the christ figure being luke skywalker

2140

01:16:16,709 --> 01:16:14,880

or whoever

2141

01:16:18,550 --> 01:16:16,719

and so now what they're doing is it

2142

01:16:20,790 --> 01:16:18,560

seems like they're saying okay all of

2143

01:16:23,350 --> 01:16:20,800

these sub characters are going to be

2144

01:16:25,830 --> 01:16:23,360

incredibly incredibly diverse but when

2145

01:16:27,510 --> 01:16:25,840

you gotta have somebody fight a jedi you

2146

01:16:30,070 --> 01:16:27,520

gotta get down to it and you gotta be

2147

01:16:31,910 --> 01:16:30,080

the savior we want a white person there

2148

01:16:34,709 --> 01:16:31,920

and not just a white person a white

2149

01:16:36,630 --> 01:16:34,719

person with a british accent

2150

01:16:37,590 --> 01:16:36,640

it doesn't get much more white than that

2151

01:16:39,110 --> 01:16:37,600

i think there's two things i think

2152

01:16:40,709 --> 01:16:39,120

you're right chris but i'm wondering as

2153

01:16:42,390 --> 01:16:40,719

we move past this next trilogy as they

2154

01:16:44,149 --> 01:16:42,400

diversify more and more if that's

2155

01:16:45,830 --> 01:16:44,159

eventually going to change that like you

2156

01:16:47,910 --> 01:16:45,840

like ryan you said or christian and i've

2157

01:16:49,910 --> 01:16:47,920

said it like it's disney it's baby steps

2158

01:16:51,030 --> 01:16:49,920

like as much as that sucks and they need

2159

01:16:52,470 --> 01:16:51,040

to like

2160

01:16:53,910 --> 01:16:52,480

not you know it was like spider-man like

2161

01:16:56,470 --> 01:16:53,920

spider-man couldn't be miles morales

2162

01:16:58,950 --> 01:16:56,480

like there was no way that was happening

2163

01:17:00,870 --> 01:16:58,960

so that was sony though disney wanted

2164

01:17:02,870 --> 01:17:00,880

miles morales yeah but it's still the

2165

01:17:05,350 --> 01:17:02,880

same idea right even i'm saying like

2166

01:17:06,950 --> 01:17:05,360

sony was like can't do that so i think

2167

01:17:08,070 --> 01:17:06,960

we'll see it diversify more and more

2168

01:17:09,270 --> 01:17:08,080

especially if they're doing more

2169

01:17:10,550 --> 01:17:09,280

trilogies

2170

01:17:13,110 --> 01:17:10,560

here i think you're gonna see that start

2171

01:17:15,669 --> 01:17:13,120

to change i hope i think so what i think

2172

01:17:18,149 --> 01:17:15,679

is interesting too is now we know

2173

01:17:20,630 --> 01:17:18,159

you know with rey and with what yoda and

2174

01:17:24,070 --> 01:17:20,640

luke have come to learn and preach is

2175

01:17:25,830 --> 01:17:24,080

that anyone can be can be a jedi anyone

2176

01:17:26,550 --> 01:17:25,840

can use the force it's just harnessing

2177

01:17:28,790 --> 01:17:26,560

it

2178

01:17:31,430 --> 01:17:28,800

my hope my biggest hope for this

2179

01:17:34,870 --> 01:17:31,440

franchise is that john boyega is going

2180

01:17:37,189 --> 01:17:34,880

to get his time and we we saw him handle

2181

01:17:39,430 --> 01:17:37,199

a lightsaber and force awakens i thought

2182

01:17:41,910 --> 01:17:39,440

it was amazing he was going to become

2183

01:17:43,270 --> 01:17:41,920

the next guy maybe we will see that

2184

01:17:44,390 --> 01:17:43,280

twist there wasn't like well because

2185

01:17:46,070 --> 01:17:44,400

that right the force awakens it's going

2186

01:17:47,910 --> 01:17:46,080

to be john he's going to be the one no

2187

01:17:49,910 --> 01:17:47,920

it's the it's the lady it's the lady

2188

01:17:51,910 --> 01:17:49,920

it's the white lady which again

2189

01:17:53,910 --> 01:17:51,920

it's a lady but it's a lady man it is a

2190

01:17:55,990 --> 01:17:53,920

lady who's doing some badass [h__h] with a

2191

01:17:58,070 --> 01:17:56,000

lightsaber yep no and i am i mean

2192

01:17:59,750 --> 01:17:58,080

there's an argument there's a an

2193

01:18:02,390 --> 01:17:59,760

argument here about white feminism and

2194

01:18:04,390 --> 01:18:02,400

yada yada i'm not gonna make it but

2195

01:18:07,189 --> 01:18:04,400

no i think there's uh you're right it

2196

01:18:09,270 --> 01:18:07,199

was it's i love seeing finn i love poe i

2197

01:18:11,990 --> 01:18:09,280

love that all of these characters are

2198

01:18:15,910 --> 01:18:12,000

diverse multicultural and that they're

2199

01:18:17,430 --> 01:18:15,920

all portrayed in loving ways um that was

2200

01:18:19,030 --> 01:18:17,440

just one of those things that jumped out

2201

01:18:22,790 --> 01:18:19,040

at me when i started thinking about it

2202

01:18:25,189 --> 01:18:22,800

today no yes completely understood right

2203

01:18:26,550 --> 01:18:25,199

yeah the more you think about it yeah

2204

01:18:27,910 --> 01:18:26,560

and that's a problem we have with these

2205

01:18:29,189 --> 01:18:27,920

movies i mean like even in the comic

2206

01:18:30,709 --> 01:18:29,199

book movies right like it's still an

2207

01:18:31,990 --> 01:18:30,719

ongoing problem i think it's slowly

2208

01:18:34,149 --> 01:18:32,000

being

2209

01:18:35,510 --> 01:18:34,159

addressed and you know like again [h__h]

2210

01:18:37,110 --> 01:18:35,520

the people who have backlash to it but

2211

01:18:38,390 --> 01:18:37,120

that's probably why they move so slow as

2212

01:18:40,790 --> 01:18:38,400

they're like whoa

2213

01:18:41,590 --> 01:18:40,800

gotta watch out for the backlash from

2214

01:18:44,790 --> 01:18:41,600

right

2215

01:18:46,709 --> 01:18:44,800

stoopies but i think again like we're

2216

01:18:48,950 --> 01:18:46,719

getting closer and closer and they're

2217

01:18:53,110 --> 01:18:48,960

willing to take chances with you know

2218

01:18:56,310 --> 01:18:53,120

this this rhian ryan rhian rowan rin guy

2219

01:18:58,070 --> 01:18:56,320

um mr johnson mr johnson let's just go

2220

01:19:00,229 --> 01:18:58,080

with that um they're willing to take a

2221

01:19:02,149 --> 01:19:00,239

chance and have someone challenge

2222

01:19:04,790 --> 01:19:02,159

everything we thought we knew about star

2223

01:19:08,070 --> 01:19:04,800

wars uh we see this you know we're

2224

01:19:10,070 --> 01:19:08,080

finally getting a black panther movie so

2225

01:19:13,830 --> 01:19:10,080

we're moving in the right direction with

2226

01:19:16,470 --> 01:19:13,840

marvel with disney and hopefully

2227

01:19:19,669 --> 01:19:16,480

in our lifetime we will see

2228

01:19:22,470 --> 01:19:19,679

a minority hopefully a minority female

2229

01:19:25,030 --> 01:19:22,480

up there as the prime you know

2230

01:19:27,270 --> 01:19:25,040

reason that this entire star wars saga

2231

01:19:28,870 --> 01:19:27,280

has gone on for centuries

2232

01:19:30,550 --> 01:19:28,880

i think rogue one was a good step in

2233

01:19:31,830 --> 01:19:30,560

that direction with uh the main actor

2234

01:19:33,430 --> 01:19:31,840

from that i know it was still like a

2235

01:19:36,149 --> 01:19:33,440

female lead which is still great but he

2236

01:19:37,990 --> 01:19:36,159

was really especially have him not be

2237

01:19:41,430 --> 01:19:38,000

the english dialect like chris said it

2238

01:19:44,149 --> 01:19:41,440

was you know a guy with a latino latinx

2239

01:19:45,350 --> 01:19:44,159

dialect and i thought that was cool an

2240

01:19:46,630 --> 01:19:45,360

interesting point though about the the

2241

01:19:48,390 --> 01:19:46,640

burst dialect is that this theme

2242

01:19:50,790 --> 01:19:48,400

throughout star wars with like higher

2243

01:19:53,350 --> 01:19:50,800

class lower class stuff too

2244

01:19:55,830 --> 01:19:53,360

oh sure no my point is simply the whole

2245

01:19:58,149 --> 01:19:55,840

you know colonization thing yeah yeah

2246

01:19:59,669 --> 01:19:58,159

yeah yeah i know you're totally right

2247

01:20:02,310 --> 01:19:59,679

it's like the least fifty episode we've

2248

01:20:03,830 --> 01:20:02,320

ever had guys i think so well one thing

2249

01:20:06,870 --> 01:20:03,840

we did not mention before we wrap up

2250

01:20:11,430 --> 01:20:06,880

here gentlemen bibi hate i love me some

2251

01:20:15,910 --> 01:20:13,830

the whole the bad one yeah that's my

2252

01:20:17,510 --> 01:20:15,920

point man like this is the last one the

2253

01:20:21,030 --> 01:20:17,520

last movie too though right i don't

2254

01:20:23,430 --> 01:20:21,040

think so no there's only good bb-8 yeah

2255

01:20:25,990 --> 01:20:23,440

so we were promised just like the porgs

2256

01:20:28,390 --> 01:20:26,000

that this bb hate was going to be some

2257

01:20:31,030 --> 01:20:28,400

like integral part of the story and it

2258

01:20:33,030 --> 01:20:31,040

didn't pan out that way exactly i think

2259

01:20:34,149 --> 01:20:33,040

it it turned and looked at bb-8 with

2260

01:20:37,030 --> 01:20:34,159

some like

2261

01:20:38,630 --> 01:20:37,040

some robotic glaring eye and that was

2262

01:20:39,750 --> 01:20:38,640

about all we got

2263

01:20:42,470 --> 01:20:39,760

you know i didn't even know there was

2264

01:20:43,590 --> 01:20:42,480

going to be a bad bb-8 in the movie so

2265

01:20:44,630 --> 01:20:43,600

i didn't know the pores are going to be

2266

01:20:46,310 --> 01:20:44,640

a big party though i thought the poor

2267

01:20:48,709 --> 01:20:46,320

was going to be like mini ewoks and just

2268

01:20:49,750 --> 01:20:48,719

kind of be around so far

2269

01:20:50,550 --> 01:20:49,760

neither one of those things were ruined

2270

01:20:52,070 --> 01:20:50,560

for me

2271

01:20:53,910 --> 01:20:52,080

i guess it's neither here nor there i

2272

01:20:56,070 --> 01:20:53,920

thought i would just bring it up i also

2273

01:20:57,110 --> 01:20:56,080

like saying bb hate

2274

01:20:58,950 --> 01:20:57,120

important thing that did happen this

2275

01:21:01,669 --> 01:20:58,960

movie no one's face

2276

01:21:03,270 --> 01:21:01,679

was cgi and [\h__\h] up no no mustaches

2277

01:21:07,350 --> 01:21:03,280

were removed in the making of this movie

2278

01:21:08,950 --> 01:21:07,360

you have so much hate for that

2279

01:21:10,950 --> 01:21:08,960

because it's chris it's my favorite

2280

01:21:12,630 --> 01:21:10,960

character it's my favorite one and they

2281

01:21:14,070 --> 01:21:12,640

[\h__\h] his face and he was weird it was

2282

01:21:16,310 --> 01:21:14,080

bad i do have a lot of hate you have a

2283

01:21:18,229 --> 01:21:16,320

lot of hateful it was a shitty movie i

2284

01:21:20,229 --> 01:21:18,239

don't care if you [\h__\h] up a mediocre

2285

01:21:24,149 --> 01:21:20,239

character in a shitty movie superman is

2286

01:21:27,030 --> 01:21:25,350

i'm going to sit cross-legged i'm going

2287

01:21:28,390 --> 01:21:27,040

to sit cross-legged and float away and

2288

01:21:31,030 --> 01:21:28,400

be one with the force now we might be

2289

01:21:31,990 --> 01:21:31,040

hanging off point here no not at all i

2290

01:21:34,550 --> 01:21:32,000

love it

2291

01:21:37,270 --> 01:21:34,560

and again the fact that disney just

2292

01:21:40,709 --> 01:21:37,280

bought fox as well guys anything

2293

01:21:43,030 --> 01:21:40,719

anything is possible guys it's so bad

2294

01:21:44,950 --> 01:21:43,040

for like the world but so great if

2295

01:21:47,830 --> 01:21:44,960

you're a comic book fan

2296

01:21:49,110 --> 01:21:47,840

and for anyone listening to this episode

2297

01:21:51,990 --> 01:21:49,120

for sure

2298

01:21:54,229 --> 01:21:52,000

so guys i have to thank you for coming

2299

01:21:57,030 --> 01:21:54,239

on i guess any final thoughts final

2300

01:22:00,229 --> 01:21:57,040

reactions i loved it i loved the movie i

2301

01:22:02,229 --> 01:22:00,239

can't wait for what's next i assume you

2302

01:22:04,550 --> 01:22:02,239

both are going to go see whatever they

2303

01:22:07,350 --> 01:22:04,560

come up with next yeah i'll be at han

2304

01:22:10,149 --> 01:22:07,360

solo whenever they release it awesome

2305

01:22:11,990 --> 01:22:10,159

nick yeah no i loved it again you guys

2306

01:22:13,750 --> 01:22:12,000

thought like the i could see the issues

2307

01:22:15,350 --> 01:22:13,760

some people had but overall i was i was

2308

01:22:17,110 --> 01:22:15,360

like i told you i want to see it again

2309

01:22:18,310 --> 01:22:17,120

like the next day i looked at my wife

2310

01:22:19,830 --> 01:22:18,320

and i was like we're we need to figure

2311

01:22:21,910 --> 01:22:19,840

we need to get a babysitter and we need

2312

01:22:23,189 --> 01:22:21,920

to go and you see it and you see it now

2313

01:22:25,350 --> 01:22:23,199

because it's that great so wait what

2314

01:22:27,510 --> 01:22:25,360

movie we doing next guys oh that is a

2315

01:22:30,149 --> 01:22:27,520

great question is it is it black panther

2316

01:22:32,149 --> 01:22:30,159

is that the next biggie i think it is

2317

01:22:34,870 --> 01:22:32,159

yeah good for that we will definitely be

2318

01:22:37,669 --> 01:22:34,880

back for that maybe uh maybe disaster

2319

01:22:40,070 --> 01:22:37,679

artist no no it'll be black panther it

2320

01:22:42,310 --> 01:22:40,080

is going to be black panther yes there

2321

01:22:44,709 --> 01:22:42,320

you go so we got a little time for that

2322

01:22:45,669 --> 01:22:44,719

guys but uh before we go

2323

01:22:48,629 --> 01:22:45,679

again

2324

01:22:51,030 --> 01:22:48,639

we have your podcast coming up i know

2325

01:22:54,070 --> 01:22:51,040

you guys have recorded some episodes um

2326

01:22:56,390 --> 01:22:54,080

this is the two dumb dads podcast we are

2327

01:22:58,229 --> 01:22:56,400

going to play an exclusive clip for the

2328

01:22:59,189 --> 01:22:58,239

listeners right now so they get a taste

2329

01:23:01,430 --> 01:22:59,199

of it

2330

01:23:02,870 --> 01:23:01,440

like i said now that's not not a thing

2331

01:23:03,990 --> 01:23:02,880

that there's a lot of anymore that now

2332

01:23:05,669 --> 01:23:04,000

there's like all right there's no

2333

01:23:08,870 --> 01:23:05,679

definitive you will kill your kid by

2334

01:23:10,470 --> 01:23:08,880

doing this we're kind of figuring it out

2335

01:23:12,550 --> 01:23:10,480

going day by day

2336

01:23:15,189 --> 01:23:12,560

like i said my wife is

2337

01:23:17,830 --> 01:23:15,199

a preschool teacher a director of a

2338

01:23:18,830 --> 01:23:17,840

preschool slash daycare she

2339

01:23:21,830 --> 01:23:18,840

had

2340

01:23:25,189 --> 01:23:21,840

a sibling who's 10 years younger than

2341

01:23:26,870 --> 01:23:25,199

her she was in elementary education

2342

01:23:29,669 --> 01:23:26,880

she's trained to be a teacher i mean

2343

01:23:32,310 --> 01:23:29,679

she's been working in a preschool for 10

2344

01:23:35,189 --> 01:23:32,320

plus years at this point she went she's

2345

01:23:37,510 --> 01:23:35,199

a social worker um like if there's

2346

01:23:39,189 --> 01:23:37,520

anybody who is prepared to be a parent

2347

01:23:40,470 --> 01:23:39,199

it's my wife

2348

01:23:43,189 --> 01:23:40,480

and then there's me who was an only

2349

01:23:45,990 --> 01:23:43,199

child didn't like hated kids

2350

01:23:47,910 --> 01:23:46,000

everywhere and like i i'm the person on

2351

01:23:50,149 --> 01:23:47,920

the subway who sees somebody walk in

2352

01:23:51,750 --> 01:23:50,159

with a crying baby like oh son of a

2353

01:23:54,470 --> 01:23:51,760

[h__h]

2354

01:23:56,390 --> 01:23:54,480

yeah you are that guy yeah i i am like

2355

01:23:57,750 --> 01:23:56,400

the crabby ass are you still that guy

2356

01:23:59,910 --> 01:23:57,760

now that you have a kid though and you

2357

01:24:02,229 --> 01:23:59,920

know i am like the [h__h] sap now like

2358

01:24:04,070 --> 01:24:02,239

i i said that i scope out the people

2359

01:24:05,510 --> 01:24:04,080

with a uh with a cr

2360

01:24:08,470 --> 01:24:05,520

a stroller or something i'll sit right

2361

01:24:10,550 --> 01:24:08,480

across them i will stare into that that

2362

01:24:12,310 --> 01:24:10,560

stroller with like oh look how cute the

2363

01:24:13,830 --> 01:24:12,320

baby and just creep the [h__\h] out of the

2364

01:24:15,030 --> 01:24:13,840

parents it's terrible it's crazy that

2365

01:24:16,070 --> 01:24:15,040

changes right like you go from like

2366

01:24:17,590 --> 01:24:16,080

being annoyed about little kids and

2367

01:24:19,030 --> 01:24:17,600

being like well no i get it i totally

2368

01:24:21,350 --> 01:24:19,040

get you know you're doing the best you

2369

01:24:22,950 --> 01:24:21,360

can do on the subway right now oh yeah

2370

01:24:24,470 --> 01:24:22,960

with you yeah and you look over at the

2371

01:24:25,830 --> 01:24:24,480

parents and they're like either one of

2372

01:24:27,590 --> 01:24:25,840

two things that's happening either they

2373

01:24:28,790 --> 01:24:27,600

they give you that look of like i'm

2374

01:24:31,030 --> 01:24:28,800

sorry and i just kind of like tell

2375

01:24:32,629 --> 01:24:31,040

myself i got you it's all good i got you

2376

01:24:34,149 --> 01:24:32,639

yeah or they look at you with disdain

2377

01:24:35,590 --> 01:24:34,159

like don't [h__\h] look at me this is

2378

01:24:38,070 --> 01:24:35,600

your problem they're not looking at you

2379

01:24:41,830 --> 01:24:39,830

when when can we expect this guys i'm

2380

01:24:43,590 --> 01:24:41,840

getting really excited any any firm

2381

01:24:46,070 --> 01:24:43,600

dates yet yeah if you're listening to

2382

01:24:47,590 --> 01:24:46,080

this episode you can find us out there

2383

01:24:50,070 --> 01:24:47,600

in the world uh we should be able to

2384

01:24:51,510 --> 01:24:50,080

find this podcast hopefully on itunes we

2385

01:24:53,990 --> 01:24:51,520

still haven't been officially approved

2386

01:24:57,990 --> 01:24:54,000

yet but hopefully there and of course

2387

01:24:59,910 --> 01:24:58,000

our website at uh in any rss catchers i

2388

01:25:01,910 --> 01:24:59,920

believe our abs our current website is

2389

01:25:02,990 --> 01:25:01,920

something along the lines of two dumb

2390

01:25:04,950 --> 01:25:03,000

dads at

2391

01:25:07,189 --> 01:25:04,960

libsyn.com or something like that or

2392

01:25:08,950 --> 01:25:07,199

libsyn.com find us on facebook you can

2393

01:25:10,229 --> 01:25:08,960

find that so the facebook page is fully

2394

01:25:11,910 --> 01:25:10,239

up and running it's got some pictures

2395

01:25:13,910 --> 01:25:11,920

it's got some fun stuff up there we'll

2396

01:25:15,270 --> 01:25:13,920

link to this episode it's it's linked to

2397

01:25:17,750 --> 01:25:15,280

somewhere in the skies and you'll find

2398

01:25:19,350 --> 01:25:17,760

the audio episode launch up there's

2399

01:25:21,590 --> 01:25:19,360

probably later this week i would say am

2400

01:25:22,950 --> 01:25:21,600

i too far ahead on that chris moss i

2401

01:25:24,550 --> 01:25:22,960

think you might be too far behind i

2402

01:25:26,550 --> 01:25:24,560

think we should be up as soon as this

2403

01:25:28,390 --> 01:25:26,560

podcast gets going that's very much

2404

01:25:30,390 --> 01:25:28,400

random

2405

01:25:33,110 --> 01:25:30,400

and it doesn't make us sound smart ryan

2406

01:25:34,870 --> 01:25:33,120

oh yes that's the glory of editing right

2407

01:25:37,430 --> 01:25:34,880

yeah

2408

01:25:39,189 --> 01:25:37,440

again that is the two dumb dads podcast

2409

01:25:41,350 --> 01:25:39,199

i cannot wait to hear this guys and i

2410

01:25:43,510 --> 01:25:41,360

cannot wait to have you on again to talk

2411

01:25:45,350 --> 01:25:43,520

movies i love that we're doing this i

2412

01:25:47,910 --> 01:25:45,360

hope the listeners appreciate it and i

2413

01:25:49,830 --> 01:25:47,920

hope they enjoyed star wars the last

2414

01:26:57,990 --> 01:25:49,840

jedi so again guys thank you for joining

2415

01:27:08,630 --> 01:26:59,140

um

2416

01:27:14,320 --> 01:27:08,640

[Applause]

2417

01:27:14,330 --> 01:28:48,149

[Music]

2418

01:28:55,669 --> 01:28:49,110

no

2419

01:28:57,030 --> 01:28:55,679

you must unlearn what you have learned

2420

01:28:58,629 --> 01:28:57,040

why not
