SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

1
00:00:09,850 --> 00:00:05,849

[Music]

2
00:00:13,210 --> 00:00:09,860

I'm Ryan Sprague and this is somewhere

3
00:00:13,220 --> 00:00:26,609

[Music]

4
00:00:31,480 --> 00:00:29,050

welcome to the premiere episode of

5
00:00:33,549 --> 00:00:31,490

somewhere in the skies and thank you so

6
00:00:36,009 --> 00:00:33,559

much for joining me for those of you who

7
00:00:37,330 --> 00:00:36,019

may have no clue who the hell I am let

8
00:00:39,610 --> 00:00:37,340

me bring you up to speed

9
00:00:42,069 --> 00:00:39,620

I had a UFO sighting over the st.

10
00:00:44,170 --> 00:00:42,079

Lawrence River in upstate New York when

11
00:00:47,829 --> 00:00:44,180

I was 12 years old it was what we would

12
00:00:50,049 --> 00:00:47,839

classify as a triangular UFO it hovered

13
00:00:52,149 --> 00:00:50,059

silently over my head and then headed

14

00:00:55,329 --> 00:00:52,159

north to the Canadian border

15

00:00:58,180 --> 00:00:55,339

this sighting terrified me and that

16

00:01:01,330 --> 00:00:58,190

terror led to an obsession and I've been

17

00:01:03,610 --> 00:01:01,340

searching for answers ever since I spent

18

00:01:06,340 --> 00:01:03,620

half my life researching the UFO

19

00:01:09,279 --> 00:01:06,350

phenomenon and this culminated into my

20

00:01:11,320 --> 00:01:09,289

book somewhere in the skies a human

21

00:01:14,169 --> 00:01:11,330

approach to an alien phenomenon I'm

22

00:01:16,389 --> 00:01:14,179

hoping this podcast will pick up where

23

00:01:19,029 --> 00:01:16,399

the book left off and I'm hoping you'll

24

00:01:21,820 --> 00:01:19,039

continue to join me as I discuss UFO

25

00:01:23,919 --> 00:01:21,830

cases old and new discuss current UFO

26
00:01:26,160 --> 00:01:23,929
events from around the world and hear

27
00:01:29,380 --> 00:01:26,170
from guests in various fields of study

28
00:01:32,770 --> 00:01:29,390
bringing us one step closer to asking

29
00:01:35,260 --> 00:01:32,780
new questions and possibly even getting

30
00:01:37,089 --> 00:01:35,270
some answers I have to thank a few

31
00:01:39,639 --> 00:01:37,099
people who really helped me get this off

32
00:01:42,010 --> 00:01:39,649
the ground - Micah Hanks and your

33
00:01:45,070 --> 00:01:42,020

36
00:01:52,540 --> 00:01:50,149
journey and I'm honored to continue

suggestions or a personal story of your

own you'd like to share you can reach me

48

00:02:24,910 --> 00:02:21,709

directly by emailing spreg at somewhere

49

00:02:27,910 --> 00:02:24,920

in the skies calm or visit the website

50

00:02:29,949 --> 00:02:27,920

somewhere in the skies calm before we

51
00:02:32,260 --> 00:02:29,959
get started I want to share this audio

52
00:03:05,500 --> 00:02:32,270
clip with you from a favorite film of

53
00:03:12,520 --> 00:03:08,630
you've got to get mad you've gotta say

54
00:03:15,680 --> 00:03:12,530
I'm a human being god damn it

55
00:03:18,860 --> 00:03:15,690
that was the voice of Peter Finch from

56
00:03:19,340 --> 00:03:18,870
the 1976 film Network where his

57
00:03:21,890 --> 00:03:19,350
character

58
00:03:24,680 --> 00:03:21,900
news anchor Howard Beale proclaims the

59
00:03:28,520 --> 00:03:24,690
control and the decay of the mainstream

60
00:03:31,580 --> 00:03:28,530
news meant to be satire the film rings

61
00:03:35,360 --> 00:03:31,590
nearly true now more than ever as

62
00:03:38,360 --> 00:03:35,370
24-hour news cycles bombard our eyes and

63
00:03:41,150 --> 00:03:38,370

ears with biased ideologies and

64

00:03:44,630 --> 00:03:41,160

corporate corruption there seems to be

65

00:03:47,270 --> 00:03:44,640

no end in sight but how does this deeply

66

00:03:50,569 --> 00:03:47,280

troubling issue connect with the UFO

67

00:03:53,690 --> 00:03:50,579

topic how has the perception of this

68

00:03:56,420 --> 00:03:53,700

elusive mystery changed and ultimately

69

00:03:59,330 --> 00:03:56,430

influenced our opinions and beliefs on

70

00:04:01,940 --> 00:03:59,340

it and where may we be headed as a

71

00:04:04,880 --> 00:04:01,950

society as the media bias and power

72

00:04:08,060 --> 00:04:04,890

structures wage a war for our hearts

73

00:04:11,150 --> 00:04:08,070

minds and our money my guest today is

74

00:04:13,910 --> 00:04:11,160

noted author and historian Richard Dolan

75

00:04:16,580 --> 00:04:13,920

Dolan is best known for his two volumes

76

00:04:19,099 --> 00:04:16,590
of history UFOs and the national

77

00:04:20,870 --> 00:04:19,109
security state both groundbreaking works

78

00:04:23,029 --> 00:04:20,880
which together provide the most

79

00:04:25,550 --> 00:04:23,039
factually complete and accessible

80

00:04:28,040 --> 00:04:25,560
narrative on the UFO subject he also

81

00:04:30,950 --> 00:04:28,050
co-authored a speculative book about the

82

00:04:33,620 --> 00:04:30,960
future ad after disclosure the

83

00:04:35,540 --> 00:04:33,630
first-ever analysis not only of how UFO

84

00:04:38,750 --> 00:04:35,550
secrecy might end but of the

85

00:04:41,690 --> 00:04:38,760
all-important question what happens next

86

00:04:44,089 --> 00:04:41,700
his most recent book UFOs for the 21st

87

00:04:46,760 --> 00:04:44,099
century mind provides a fresh treatment

88

00:04:47,990 --> 00:04:46,770

of the entire subject it asks fresh

89

00:04:49,640 --> 00:04:48,000

questions and off

90

00:04:52,550 --> 00:04:49,650

new insights to further our

91

00:04:55,130 --> 00:04:52,560

understanding of the UFO mystery so

92

00:04:58,640 --> 00:04:55,140

without further ado let's get to our

93

00:05:01,520 --> 00:04:58,650

interview with Richard Dolan guys I'm

94

00:05:04,040 --> 00:05:01,530

super excited and honored to have as my

95

00:05:07,010 --> 00:05:04,050

first guest on the podcast author and

96

00:05:09,680 --> 00:05:07,020

historian Richard Dolan I thought it

97

00:05:11,690 --> 00:05:09,690

appropriate he published my book to have

98

00:05:14,060 --> 00:05:11,700

him on the actual podcast based around

99

00:05:15,110 --> 00:05:14,070

that so rich thank you so much for

100

00:05:17,930 --> 00:05:15,120

joining me today man

101
00:05:20,300 --> 00:05:17,940
hi Ryan oh it's so I'm so happy to be

102
00:05:21,530 --> 00:05:20,310
your guest and I didn't realize I was

103
00:05:23,420 --> 00:05:21,540
going to be your first guest so that's

104
00:05:25,070 --> 00:05:23,430
even that's even nicer for me but it's a

105
00:05:27,800 --> 00:05:25,080
it's an honor and I'm happy to be here

106
00:05:29,960 --> 00:05:27,810
with you well thanks man so well the

107
00:05:31,460 --> 00:05:29,970
real reason I wanted to have you on as

108
00:05:34,990 --> 00:05:31,470
the first guest to talk to you today was

109
00:05:37,550 --> 00:05:35,000
because recently I attended a a

110
00:05:40,370 --> 00:05:37,560
presentation you gave and I don't really

111
00:05:42,440 --> 00:05:40,380
want to discuss the UFO reality or

112
00:05:45,409 --> 00:05:42,450
equestrian I think we're past that at

113
00:05:47,780 --> 00:05:45,419

this point in some ways but to really

114

00:05:49,730 --> 00:05:47,790

kind of get a sense of the perception of

115

00:05:54,170 --> 00:05:49,740

the topic from the mainstream media

116

00:05:58,070 --> 00:05:54,180

and you recently had a talk called media

117

00:06:00,080 --> 00:05:58,080

bias in UFO coverage culture policy or

118

00:06:02,080 --> 00:06:00,090

something else you sort of run us

119

00:06:06,140 --> 00:06:02,090

through that talk and what it entailed

120

00:06:07,820 --> 00:06:06,150

absolutely you know I was inspired to do

121

00:06:10,730 --> 00:06:07,830

this first of all I've always been

122

00:06:13,850 --> 00:06:10,740

interested in the relationship of media

123

00:06:15,170 --> 00:06:13,860

mainstream media to the UFO subject I'm

124

00:06:18,860 --> 00:06:15,180

interested in mainstream media in

125

00:06:21,320 --> 00:06:18,870

general years ago when I broke into this

126

00:06:23,390 --> 00:06:21,330

field my first book was published at

127

00:06:25,250 --> 00:06:23,400

around the same time as another book of

128

00:06:25,700 --> 00:06:25,260

by man who became a very good friend of

129

00:06:28,060 --> 00:06:25,710

mine

130

00:06:30,980 --> 00:06:28,070

Terry Hansen who has since deceased

131

00:06:33,230 --> 00:06:30,990

Terry wrote a very excellent book of

132

00:06:37,010 --> 00:06:33,240

classic I would say called the missing

133

00:06:39,409 --> 00:06:37,020

times subtitled media complicity in the

134

00:06:41,330 --> 00:06:39,419

UFO cover-up our books were sort of like

135

00:06:42,710 --> 00:06:41,340

bookends with each other I wrote UFOs in

136

00:06:44,330 --> 00:06:42,720

the national security state he wrote

137

00:06:45,590 --> 00:06:44,340

that I was dealing with the political

138

00:06:47,570 --> 00:06:45,600

aspects of the cover-up and he was

139

00:06:49,550 --> 00:06:47,580

dealing with the media aspects of the

140

00:06:53,600 --> 00:06:49,560

cover-up we had a very similar approach

141

00:06:57,200 --> 00:06:53,610

and we became friends and Terry didn't

142

00:06:59,120 --> 00:06:57,210

write any other books in this field but

143

00:07:00,740 --> 00:06:59,130

he did he did some lectures and

144

00:07:01,839 --> 00:07:00,750

presentations and we always stayed in

145

00:07:05,320 --> 00:07:01,849

touch until he died

146

00:07:07,149 --> 00:07:05,330

and I miss him he's an old friend of

147

00:07:08,980 --> 00:07:07,159

mine and I realized you know his work

148

00:07:11,919 --> 00:07:08,990

and my work are so compatible and there

149

00:07:15,219 --> 00:07:11,929

really was no one to my knowledge doing

150

00:07:16,600 --> 00:07:15,229

detailed media analysis of the UFO

151

00:07:20,169 --> 00:07:16,610

subject I thought I would like to do

152

00:07:21,510 --> 00:07:20,179

what do one for the the Phoenix

153

00:07:24,549 --> 00:07:21,520

conference the International UFO

154

00:07:28,389 --> 00:07:24,559

Congress that we did and so that's why I

155

00:07:30,579 --> 00:07:28,399

did it when you look at media and I

156

00:07:32,139 --> 00:07:30,589

really wanted to bring his that whole

157

00:07:34,980 --> 00:07:32,149

approach up-to-date incidentally and

158

00:07:36,969 --> 00:07:34,990

that's what I tried to do with this a

159

00:07:40,119 --> 00:07:36,979

couple of things that you notice about

160

00:07:43,149 --> 00:07:40,129

mainstream media before we even get into

161

00:07:45,399 --> 00:07:43,159

UFOs is it's interesting because we went

162

00:07:48,100 --> 00:07:45,409

through the whole election of 20 in 2016

163

00:07:50,799 --> 00:07:48,110

and now in 2017 and media itself is a

164

00:07:55,119 --> 00:07:50,809

story we hear everyone talking about

165

00:07:56,739 --> 00:07:55,129

so-called fake news and and you know

166

00:08:00,459 --> 00:07:56,749

there's lots of ways to look at this

167

00:08:02,350 --> 00:08:00,469

fake news phenomenon my perspective on

168

00:08:05,259 --> 00:08:02,360

it is that the corporate mainstream

169

00:08:08,799 --> 00:08:05,269

media itself is the primary conveyor and

170

00:08:10,600 --> 00:08:08,809

purveyor of fake news and I say this not

171

00:08:13,239 --> 00:08:10,610

siding with any one particular political

172

00:08:18,519 --> 00:08:13,249

party here but I have been looking at

173

00:08:22,199 --> 00:08:18,529

CNN and MSNBC and Fox and PBS and really

174

00:08:25,359 --> 00:08:22,209

all of these large corporate dominated

175

00:08:29,019 --> 00:08:25,369

intelligence community dominated sources

176
00:08:30,730 --> 00:08:29,029
of news as purveyors of fake news and I

177
00:08:32,259 --> 00:08:30,740
don't think that I'm simply speaking

178
00:08:33,759 --> 00:08:32,269
hyperbole I think that there's a lot of

179
00:08:36,370 --> 00:08:33,769
facts to back this up and I tried to

180
00:08:39,519 --> 00:08:36,380
present some of those during my talk one

181
00:08:41,620 --> 00:08:39,529
of the things that was important for me

182
00:08:43,209 --> 00:08:41,630
is just to mention the people that not

183
00:08:45,280 --> 00:08:43,219
only is a mainstream media not your

184
00:08:47,920 --> 00:08:45,290
friend or my friend I mean it lies it

185
00:08:50,559 --> 00:08:47,930
spins it censors it's owned by just a

186
00:08:52,749 --> 00:08:50,569
few very powerful corporations it is

187
00:08:54,730 --> 00:08:52,759
merged with the popular culture

188
00:08:56,319 --> 00:08:54,740

entertainment industry it cooperates

189

00:08:59,610 --> 00:08:56,329

with the intelligence community all of

190

00:09:01,840 --> 00:08:59,620

this is known people often don't

191

00:09:03,429 --> 00:09:01,850

recognize this I don't pay attention I

192

00:09:05,559 --> 00:09:03,439

don't know their history but the

193

00:09:07,710 --> 00:09:05,569

mainstream media has cooperated with us

194

00:09:10,960 --> 00:09:07,720

intelligence for decades and generations

195

00:09:12,639 --> 00:09:10,970

still does but it also makes us sick and

196

00:09:14,679 --> 00:09:12,649

I mean physically it makes us sick it

197

00:09:16,119 --> 00:09:14,689

and intellectually emotionally it makes

198

00:09:18,280 --> 00:09:16,129

us sick

199

00:09:19,600 --> 00:09:18,290

and this is not just me saying it I mean

200

00:09:22,749 --> 00:09:19,610

there were mainstream articles

201
00:09:24,910 --> 00:09:22,759
themselves saying that the selection is

202
00:09:26,590 --> 00:09:24,920
making us sick literally making us sick

203
00:09:29,980 --> 00:09:26,600
I have a BuzzFeed article I remembered

204
00:09:31,600 --> 00:09:29,990
reading and articles in The Guardian and

205
00:09:32,230 --> 00:09:31,610
elsewhere to talk about how news is bad

206
00:09:37,650 --> 00:09:32,240
for you

207
00:09:42,069 --> 00:09:37,660
thought to myself why would it be that

208
00:09:43,559 --> 00:09:42,079
being an informed person is bad for you

209
00:09:46,420 --> 00:09:43,569
mm-hmm

210
00:09:48,009 --> 00:09:46,430
and of course it's not bad for you or

211
00:09:50,769 --> 00:09:48,019
for me or for listeners to be informed

212
00:09:52,449 --> 00:09:50,779
it's not bad at all I just because

213
00:09:55,749 --> 00:09:52,459

there's an article that says make you

214

00:09:58,239 --> 00:09:55,759

know news is making me sick so what I

215

00:10:01,179 --> 00:09:58,249

would I realize is that it's how our

216

00:10:04,600 --> 00:10:01,189

mainstream corporate media delivers news

217

00:10:06,519 --> 00:10:04,610

how it packages news how it gives the

218

00:10:09,210 --> 00:10:06,529

news to us that is actually unhealthy

219

00:10:11,530 --> 00:10:09,220

for us and of course it is because all

220

00:10:13,389 --> 00:10:11,540

any intelligent person has to do when

221

00:10:18,489 --> 00:10:13,399

looking at the news is realize how

222

00:10:20,530 --> 00:10:18,499

trivial it is how sensational it is how

223

00:10:22,540 --> 00:10:20,540

it focuses on one bad thing after

224

00:10:24,759 --> 00:10:22,550

another bad thing without context

225

00:10:26,319 --> 00:10:24,769

without understanding there have been

226

00:10:28,929 --> 00:10:26,329

study after study that have shown that

227

00:10:31,509 --> 00:10:28,939

the more television news a person

228

00:10:32,920 --> 00:10:31,519

watches the less likely they are to be

229

00:10:35,129 --> 00:10:32,930

informed about key issues in the world

230

00:10:37,629 --> 00:10:35,139

the less is it an inverse relationship

231

00:10:39,220 --> 00:10:37,639

so that's right this is the first time I

232

00:10:41,379 --> 00:10:39,230

learned this was over a quarter of a

233

00:10:43,840 --> 00:10:41,389

century ago during the first the Persian

234

00:10:45,090 --> 00:10:43,850

Gulf War and there was a study study I

235

00:10:48,519 --> 00:10:45,100

believe it was done out of the

236

00:10:51,249 --> 00:10:48,529

University of Colorado I'm pretty sure

237

00:10:52,840 --> 00:10:51,259

that came to that conclusion I said the

238

00:10:55,299 --> 00:10:52,850

more CNN you watched and it was

239

00:10:57,189 --> 00:10:55,309

explicitly CNN the less likely you were

240

00:10:59,139 --> 00:10:57,199

to know where for example Syria was on a

241

00:11:02,619 --> 00:10:59,149

map okay like basic things about the

242

00:11:04,119 --> 00:11:02,629

Middle East so so there's that and back

243

00:11:06,069 --> 00:11:04,129

then they said this is a great failure

244

00:11:07,179 --> 00:11:06,079

of our journalistic profession I'm

245

00:11:09,579 --> 00:11:07,189

thinking no actually it's a great

246

00:11:11,980 --> 00:11:09,589

success the whole point see of TV news

247

00:11:14,100 --> 00:11:11,990

and a television in general is to sell

248

00:11:18,189 --> 00:11:14,110

you the viewer to the advertiser and

249

00:11:19,299 --> 00:11:18,199

that that is the sole point anything

250

00:11:22,480 --> 00:11:19,309

else is just gravy

251
00:11:24,369 --> 00:11:22,490
so they'll lure you in by letting you

252
00:11:25,389 --> 00:11:24,379
think you are being informed because

253
00:11:27,100 --> 00:11:25,399
people will do want to think they're

254
00:11:28,689 --> 00:11:27,110
being informed they lure you in by

255
00:11:29,470 --> 00:11:28,699
entertainment which of course they do

256
00:11:32,350 --> 00:11:29,480
much more than

257
00:11:35,050 --> 00:11:32,360
information and toward that end they

258
00:11:36,639 --> 00:11:35,060
sell you to the advertisers and once we

259
00:11:39,069 --> 00:11:36,649
realize that's the point of TV I think

260
00:11:41,079 --> 00:11:39,079
it's a little easier understand so I I

261
00:11:42,430 --> 00:11:41,089
would start by saying the mainstream

262
00:11:44,470 --> 00:11:42,440
makes us sick but I think mainstream

263
00:11:46,629 --> 00:11:44,480

media also makes society's sick

264

00:11:52,150 --> 00:11:46,639

I think it destabilizes an entire

265

00:11:53,019 --> 00:11:52,160

societies if we really look at the one

266

00:11:54,879 --> 00:11:53,029

of the things that I'm very interested

267

00:11:57,129 --> 00:11:54,889

in these days is a phenomenon of color

268

00:11:58,750 --> 00:11:57,139

revolution that is constructed

269

00:12:00,250 --> 00:11:58,760

revolution by intelligence communities

270

00:12:03,069 --> 00:12:00,260

in conjunction with with the corporate

271

00:12:04,420 --> 00:12:03,079

media to destabilize entire societies

272

00:12:06,850 --> 00:12:04,430

we've seen this going on currently in

273

00:12:09,129 --> 00:12:06,860

Venezuela we've seen it a year or two

274

00:12:12,069 --> 00:12:09,139

ago in Brazil where we had what was

275

00:12:15,759 --> 00:12:12,079

called a soft coup against a perfectly

276

00:12:17,230 --> 00:12:15,769

elected government and they brought in

277

00:12:18,670 --> 00:12:17,240

Goldman Sachs and the IMF and they're

278

00:12:20,860 --> 00:12:18,680

running the place but there's one going

279

00:12:22,720 --> 00:12:20,870

on currently in Macedonia and I

280

00:12:24,759 --> 00:12:22,730

personally believe that one has been

281

00:12:29,139 --> 00:12:24,769

going on in the United States in

282

00:12:30,790 --> 00:12:29,149

opposition to the election of Trump and

283

00:12:32,379 --> 00:12:30,800

again I say this not as a supporter of

284

00:12:33,600 --> 00:12:32,389

Trump you said a lot of things in

285

00:12:37,120 --> 00:12:33,610

particular in the last month that I'm

286

00:12:39,730 --> 00:12:37,130

very strongly opposed to but the point

287

00:12:42,189 --> 00:12:39,740

is that mainstream corporate media has

288

00:12:45,480 --> 00:12:42,199

helped to organize in conjunction with

289

00:12:47,379 --> 00:12:45,490

US intelligence a social movement and

290

00:12:49,420 --> 00:12:47,389

and what it has done is it has

291

00:12:52,449 --> 00:12:49,430

destabilized a society what we've really

292

00:12:54,069 --> 00:12:52,459

seen in other words is a an effort by

293

00:12:55,540 --> 00:12:54,079

what people are now calling the deep

294

00:12:58,900 --> 00:12:55,550

state would have often called a national

295

00:13:01,240 --> 00:12:58,910

security state as a way to corral a

296

00:13:03,939 --> 00:13:01,250

politician that they don't think is kind

297

00:13:05,199 --> 00:13:03,949

of in their in their pen but anyway

298

00:13:06,759 --> 00:13:05,209

that's an overview of mainstream now

299

00:13:09,269 --> 00:13:06,769

this is a mainstream media that has also

300

00:13:12,490 --> 00:13:09,279

dealt with the UFO subject and when we

301

00:13:16,000 --> 00:13:12,500

we look at that what I try doing is to

302

00:13:21,309 --> 00:13:16,010

see through the beginning from the 1940s

303

00:13:24,370 --> 00:13:21,319

onward mainstream media has consistently

304

00:13:29,829 --> 00:13:24,380

been incredibly hostile to the UFO

305

00:13:36,519 --> 00:13:29,839

subject what you find is that smaller

306

00:13:37,960 --> 00:13:36,529

media local media then and now today the

307

00:13:40,569 --> 00:13:37,970

equivalent would be alternative media

308

00:13:42,160 --> 00:13:40,579

but back back in the 1940s and 50s and

309

00:13:43,060 --> 00:13:42,170

60s we're talking newspapers and radio

310

00:13:46,210 --> 00:13:43,070

primary

311

00:13:48,430 --> 00:13:46,220

some TV the local media would always be

312

00:13:50,230 --> 00:13:48,440

more inquisitive and more honest and

313

00:13:52,420 --> 00:13:50,240

coming covering stories about UFOs and

314

00:13:54,249 --> 00:13:52,430

flying saucers anyone who goes through

315

00:13:55,960 --> 00:13:54,259

newspaper clippings of the UFO

316

00:13:58,749 --> 00:13:55,970

phenomenon over the 40s and 50s will

317

00:14:01,210 --> 00:13:58,759

find that 90% of the best stories are

318

00:14:02,620 --> 00:14:01,220

local newspapers local sources but

319

00:14:06,160 --> 00:14:02,630

mainstream New York Times Washington

320

00:14:08,920 --> 00:14:06,170

Post no almost never and that has never

321

00:14:11,439 --> 00:14:08,930

changed so you have an established media

322

00:14:14,170 --> 00:14:11,449

and established culture that for

323

00:14:16,569 --> 00:14:14,180

whatever reason we can get into this has

324

00:14:19,030 --> 00:14:16,579

decided UFOs are not going to exist on

325

00:14:21,910 --> 00:14:19,040

their pages and they have effectively

326

00:14:24,100 --> 00:14:21,920

then right up to the present day kept

327

00:14:27,579 --> 00:14:24,110

UFOs off to the fringe so it's an

328

00:14:31,930 --> 00:14:27,589

interesting thing so yeah and I think

329

00:14:36,699 --> 00:14:31,940

what we're looking at my basic analysis

330

00:14:38,350 --> 00:14:36,709

my conclusion is that it's very obvious

331

00:14:42,009 --> 00:14:38,360

to see that the UFO phenomenon has been

332

00:14:44,920 --> 00:14:42,019

an important part of national security

333

00:14:47,860 --> 00:14:44,930

and an important concern and in that

334

00:14:49,780 --> 00:14:47,870

lecture and in my career I've often like

335

00:14:51,939 --> 00:14:49,790

to quote a few particular documents one

336

00:14:55,540 --> 00:14:51,949

of my favorite ones is a CIA document

337

00:14:58,509 --> 00:14:55,550

from 1952 in which the director of

338

00:15:03,579 --> 00:14:58,519

scientific intelligence writes to the

339

00:15:04,930 --> 00:15:03,589

director of the CIA that these these

340

00:15:06,189 --> 00:15:04,940

sightings must have immediate attention

341

00:15:08,170 --> 00:15:06,199

that there are sightings of unexplained

342

00:15:10,420 --> 00:15:08,180

objects at great altitudes and traveling

343

00:15:11,230 --> 00:15:10,430

at high speeds near major US defense

344

00:15:12,970 --> 00:15:11,240

installations

345

00:15:15,490 --> 00:15:12,980

he said that are of such nature that

346

00:15:17,980 --> 00:15:15,500

they are not attributable to natural

347

00:15:21,759 --> 00:15:17,990

phenomena or known types of aerial

348

00:15:24,420 --> 00:15:21,769

vehicles so you know but one of a number

349

00:15:28,090 --> 00:15:24,430

of statements in the during the Cold War

350

00:15:29,710 --> 00:15:28,100

that are very highly classified in which

351

00:15:32,740 --> 00:15:29,720

this phenomenon clearly is being taken

352

00:15:34,329 --> 00:15:32,750

seriously and yet our media which is

353

00:15:38,220 --> 00:15:34,339

supposed to be the watchdog the guardian

354

00:15:40,389 --> 00:15:38,230

of the Republic really mm-hmm

355

00:15:42,040 --> 00:15:40,399

completely dropping the ball so then the

356

00:15:44,889 --> 00:15:42,050

question arises are they doing this

357

00:15:46,360 --> 00:15:44,899

because of their own journalistic biases

358

00:15:47,800 --> 00:15:46,370

and they're just bought their biases as

359

00:15:49,569 --> 00:15:47,810

human beings or is there something else

360

00:15:51,220 --> 00:15:49,579

going on and what I what I would say is

361

00:15:53,949 --> 00:15:51,230

that there's something more going on the

362

00:15:55,000 --> 00:15:53,959

media has explicitly been working in

363

00:15:56,560 --> 00:15:55,010

conjunction with the intelligence

364

00:15:58,360 --> 00:15:56,570

community

365

00:15:59,640 --> 00:15:58,370

we know this in the UFO field through

366

00:16:03,250 --> 00:15:59,650

something known as the Robertson panel

367

00:16:04,180 --> 00:16:03,260

we're in early 1953 the last weekend of

368

00:16:09,730 --> 00:16:04,190

the Truman White House

369

00:16:11,680 --> 00:16:09,740

the CIA did its own study and debunking

370

00:16:15,310 --> 00:16:11,690

of the UFO phenomenon it was already a

371

00:16:16,840 --> 00:16:15,320

rigged game even then right they they

372

00:16:18,880 --> 00:16:16,850

made it as one of their conclusions to

373

00:16:21,250 --> 00:16:18,890

work with major media to debunk the

374

00:16:23,980 --> 00:16:21,260

phenomenon to the public and we also

375

00:16:25,530 --> 00:16:23,990

know outside of the UFO subject of

376

00:16:27,760 --> 00:16:25,540

something known as operation Mockingbird

377

00:16:28,710 --> 00:16:27,770

which I believe I talked about that a

378

00:16:35,590 --> 00:16:28,720

little bit in the lecture and

379

00:16:37,600 --> 00:16:35,600

Mockingbird was a CIA coordinated media

380

00:16:41,260 --> 00:16:37,610

control program it went all through the

381

00:16:42,720 --> 00:16:41,270

Cold War 1940s 50s 60s 70s where the CIA

382

00:16:46,540 --> 00:16:42,730

would have journalists on its payroll

383

00:16:48,340 --> 00:16:46,550

who would report the news in a way that

384

00:16:52,390 --> 00:16:48,350

the CIA liked it would sometimes make up

385

00:16:54,090 --> 00:16:52,400

fake stories the CIA would do this they

386

00:16:56,290 --> 00:16:54,100

normally would make up fake stories

387

00:16:58,750 --> 00:16:56,300

internationally and let them come to the

388

00:17:01,060 --> 00:16:58,760

u.s. that was their way of doing it

389

00:17:02,440 --> 00:17:01,070

safely but they controlled spin they

390

00:17:03,700 --> 00:17:02,450

controlled editorial policy we're

391

00:17:06,460 --> 00:17:03,710

talking near Times Washington Post

392

00:17:08,829 --> 00:17:06,470

particularly and they're always they're

393

00:17:11,140 --> 00:17:08,839

the leaders but also television CBS did

394

00:17:12,670 --> 00:17:11,150

a UFO special in the 60s featuring

395

00:17:15,160 --> 00:17:12,680

Walter Cronkite the great American

396

00:17:17,319 --> 00:17:15,170

anchorman was a UFO debunking piece that

397

00:17:18,189 --> 00:17:17,329

was part of the Robertson panel I would

398

00:17:20,079 --> 00:17:18,199

say part of the whole operation

399

00:17:23,110 --> 00:17:20,089

Mockingbird I think I look at it all as

400

00:17:25,270 --> 00:17:23,120

one thing one piece so in other words

401
00:17:27,520 --> 00:17:25,280
what I'm saying to you and to listeners

402
00:17:30,250 --> 00:17:27,530
is that mainstream media has never been

403
00:17:32,190 --> 00:17:30,260
an honest player or relating to the UFO

404
00:17:35,470 --> 00:17:32,200
phenomenon and it's not an honest player

405
00:17:38,380 --> 00:17:35,480
relating really to anything political in

406
00:17:40,030 --> 00:17:38,390
our society and I think no matter what

407
00:17:41,770 --> 00:17:40,040
once one thinks that their political

408
00:17:43,180 --> 00:17:41,780
orientation is I think if you do an

409
00:17:45,790 --> 00:17:43,190
objective study of the media you see

410
00:17:48,220 --> 00:17:45,800
they are they're working for an agenda

411
00:17:50,230 --> 00:17:48,230
it's an elite agenda it's an

412
00:17:52,030 --> 00:17:50,240
intelligence community dominate agenda

413
00:17:54,240 --> 00:17:52,040

it's a financial community Genda as well

414

00:17:58,240 --> 00:17:54,250

and that these all really work together

415

00:17:59,710 --> 00:17:58,250

as a control system back in the six I've

416

00:18:01,800 --> 00:17:59,720

just wrapped this part up here back in

417

00:18:04,060 --> 00:18:01,810

the 60s and 70s and 80s Noam Chomsky

418

00:18:07,330 --> 00:18:04,070

who's still around he's getting up there

419

00:18:09,320 --> 00:18:07,340

but Chomsky really pioneered this idea

420

00:18:16,489 --> 00:18:09,330

of

421

00:18:18,889 --> 00:18:16,499

having to be superior to Soviet

422

00:18:20,840 --> 00:18:18,899

propaganda back then it was the Cold War

423

00:18:23,479 --> 00:18:20,850

and the Russians the Communists had this

424

00:18:25,879 --> 00:18:23,489

very you know prominent propaganda

425

00:18:27,919 --> 00:18:25,889

system but Chomsky said look you know

426

00:18:30,470 --> 00:18:27,929

there's maybe a little more obvious but

427

00:18:32,119 --> 00:18:30,480

but ours is better

428

00:18:33,769 --> 00:18:32,129

he said Western propaganda really is

429

00:18:35,600 --> 00:18:33,779

better because it has to be better

430

00:18:38,029 --> 00:18:35,610

you know the elites in the Soviet Union

431

00:18:39,979 --> 00:18:38,039

if you were a challenge that system back

432

00:18:41,450 --> 00:18:39,989

in the olden days fine you just get a

433

00:18:43,129 --> 00:18:41,460

3:00 a.m. knock on the door and they

434

00:18:45,169 --> 00:18:43,139

take you off to one of the prisons and

435

00:18:47,389 --> 00:18:45,179

you wouldn't be seen for a while in the

436

00:18:51,169 --> 00:18:47,399

US we didn't have they didn't have that

437

00:18:53,269 --> 00:18:51,179

luxury and so persuasion had to be much

438

00:18:56,119 --> 00:18:53,279

more insidious much much better and

439

00:18:58,629 --> 00:18:56,129

indeed as Chomsky argued for years it

440

00:19:01,460 --> 00:18:58,639

was and is and part of that included

441

00:19:03,950 --> 00:19:01,470

this illusion of a free press is

442

00:19:05,389 --> 00:19:03,960

illusion of freedom which in fact is

443

00:19:07,489 --> 00:19:05,399

much more of a control system than

444

00:19:10,279 --> 00:19:07,499

anything else and that does include UFOs

445

00:19:12,349 --> 00:19:10,289

right and what's interesting about that

446

00:19:14,629 --> 00:19:12,359

too rich is that you know I recently

447

00:19:17,930 --> 00:19:14,639

spoke to another journalist who covered

448

00:19:20,180 --> 00:19:17,940

the you know the psychokinetic and ESP

449

00:19:24,080 --> 00:19:20,190

aspect of what the CIA was doing back

450

00:19:26,419 --> 00:19:24,090

during the Cold War and this this too

451
00:19:29,180 --> 00:19:26,429
was an illusion as well while they while

452
00:19:31,430 --> 00:19:29,190
these phenomena and abilities may be

453
00:19:34,099 --> 00:19:31,440
real it wasn't even that that they were

454
00:19:37,279 --> 00:19:34,109
studying it was the impact it had on the

455
00:19:40,009 --> 00:19:37,289
enemy and their their perception of oh

456
00:19:42,830 --> 00:19:40,019
the US is this far ahead in this

457
00:19:45,619 --> 00:19:42,840
quote-unquote psychic warfare we have to

458
00:19:47,090 --> 00:19:45,629
up the ante as well meanwhile you know

459
00:19:50,149 --> 00:19:47,100
they're still trying to even figure out

460
00:19:52,460 --> 00:19:50,159
if this stuff is real while pushing

461
00:19:55,639 --> 00:19:52,470
another agenda of oh we're already

462
00:19:58,820 --> 00:19:55,649
bending spoons we're able to shut off

463
00:20:01,999 --> 00:19:58,830

you know missiles if we so choose to

464

00:20:03,769 --> 00:20:02,009

through someone's mind its fascinated

465

00:20:05,989 --> 00:20:03,779

and this could you know correlate to the

466

00:20:08,450 --> 00:20:05,999

UFO phenomenon as well and as design

467

00:20:10,820 --> 00:20:08,460

ology that each country or nation has

468

00:20:12,799 --> 00:20:10,830

and I would add a couple of things to

469

00:20:14,359 --> 00:20:12,809

that so I've been interested very

470

00:20:16,430 --> 00:20:14,369

interested from the beginning of my

471

00:20:18,560 --> 00:20:16,440

study of UFOs in in the remote viewing

472

00:20:21,430 --> 00:20:18,570

phenomenon the reason I became

473

00:20:22,700 --> 00:20:21,440

interested way back even in the 90s was

474

00:20:24,889 --> 00:20:22,710

because I

475

00:20:27,350 --> 00:20:24,899

learned that there was this thing called

476

00:20:29,090 --> 00:20:27,360

remote-viewing the CIA and US

477

00:20:31,549 --> 00:20:29,100

intelligence was doing it and that these

478

00:20:33,919 --> 00:20:31,559

remote viewers seemed to be in addition

479

00:20:37,070 --> 00:20:33,929

to other things seeing UFOs all the time

480

00:20:40,010 --> 00:20:37,080

and I noticed this this is a regular

481

00:20:42,080 --> 00:20:40,020

thing so I thought well what's going on

482

00:20:44,720 --> 00:20:42,090

here so I took some time to really study

483

00:20:46,399 --> 00:20:44,730

remote viewing and I got to know some of

484

00:20:50,360 --> 00:20:46,409

the leading remote viewers of that

485

00:20:52,940 --> 00:20:50,370

program I knew Ingo Swann I know Joe

486

00:20:54,500 --> 00:20:52,950

mcmoneagle and Limpy Kanin and some of

487

00:20:56,930 --> 00:20:54,510

these other famous remote viewers and I

488

00:20:59,960 --> 00:20:56,940

I'm not a remote viewer myself but I

489

00:21:02,750 --> 00:20:59,970

have studied this I can i can say i

490

00:21:03,799 --> 00:21:02,760

would say confidently that there's a lot

491

00:21:05,500 --> 00:21:03,809

of things going on in that remote

492

00:21:08,090 --> 00:21:05,510

viewing program part of it was

493

00:21:09,919 --> 00:21:08,100

definitely propagandizing against the

494

00:21:12,680 --> 00:21:09,929

Russians the Soviets thinking you know

495

00:21:14,510 --> 00:21:12,690

wanting them to know that what are what

496

00:21:17,110 --> 00:21:14,520

are the American capabilities but part

497

00:21:19,340 --> 00:21:17,120

of it really was to develop genuine

498

00:21:20,960 --> 00:21:19,350

espionage capabilities with remote

499

00:21:23,570 --> 00:21:20,970

viewing and some of these guys were off

500

00:21:28,340 --> 00:21:23,580

the charts amazing so they were doing

501
00:21:31,340 --> 00:21:28,350
things that like there was and is

502
00:21:33,409 --> 00:21:31,350
something genuine and powerful about

503
00:21:35,960 --> 00:21:33,419
capabilities relating to remote viewing

504
00:21:38,630 --> 00:21:35,970
this is a real thing and it's not always

505
00:21:40,549 --> 00:21:38,640
100% accurate and the real problem with

506
00:21:42,740 --> 00:21:40,559
the remote viewing isn't even getting

507
00:21:45,799 --> 00:21:42,750
the signal isn't often it's interpreting

508
00:21:48,260 --> 00:21:45,809
it so like you'll get a you'll get a

509
00:21:50,630 --> 00:21:48,270
vision of something that turns out to be

510
00:21:52,039 --> 00:21:50,640
quite accurate but it's if you don't

511
00:21:55,039 --> 00:21:52,049
really have a context for what you're

512
00:21:56,360 --> 00:21:55,049
looking at you will interpret it often

513
00:21:58,100 --> 00:21:56,370

in the wrong way so if from an

514

00:22:00,950 --> 00:21:58,110

intelligence point of view it's not

515

00:22:03,320 --> 00:22:00,960

always useful information and it's a hit

516

00:22:05,980 --> 00:22:03,330

or miss thing scientifically it's

517

00:22:10,310 --> 00:22:05,990

fascinating but certainly within the

518

00:22:13,039 --> 00:22:10,320

intelligence community these people were

519

00:22:15,440 --> 00:22:13,049

doing unbelievable work all through the

520

00:22:17,659 --> 00:22:15,450

70s and 80s and into the 90s and then of

521

00:22:20,539 --> 00:22:17,669

course the whole reason we know about it

522

00:22:23,620 --> 00:22:20,549

I can tell you frankly is that the

523

00:22:26,720 --> 00:22:23,630

journalist Jim Marrs was writing a an

524

00:22:28,460 --> 00:22:26,730

expose on it in the mid 90s he Jim Marrs

525

00:22:31,120 --> 00:22:28,470

was going to be the first author to

526
00:22:33,649 --> 00:22:31,130
break the story about remote viewing and

527
00:22:36,560 --> 00:22:33,659
I've spoken to him about this at length

528
00:22:40,970 --> 00:22:36,570
and his book got stymied

529
00:22:43,249 --> 00:22:40,980
by his publisher for several years was

530
00:22:45,649 --> 00:22:43,259
just stuck and in the meantime and they

531
00:22:47,840 --> 00:22:45,659
said well we just I can't remember the

532
00:22:50,659 --> 00:22:47,850
excuses they gave him but they they

533
00:22:53,840 --> 00:22:50,669
effectively put the book on hold and in

534
00:22:57,680 --> 00:22:53,850
the meantime a guy who many of us I

535
00:22:58,940 --> 00:22:57,690
think has CIA connections trying to

536
00:23:01,129 --> 00:22:58,950
remember his name now colleague it'll

537
00:23:03,200 --> 00:23:01,139
come to me he wrote the book he wrote

538
00:23:05,960 --> 00:23:03,210

the first remote-viewing book mmm-hmm

539

00:23:07,759 --> 00:23:05,970

and I was in the mid 90s it'll come to

540

00:23:11,389 --> 00:23:07,769

me before the end of this and and that

541

00:23:13,419 --> 00:23:11,399

in that book what he did was he said he

542

00:23:16,789 --> 00:23:13,429

really played the party line very well

543

00:23:20,690 --> 00:23:16,799

he later did a book that debunked crop

544

00:23:23,299 --> 00:23:20,700

circles - round and round in circles but

545

00:23:24,379 --> 00:23:23,309

anyway what he said was yeah you know

546

00:23:25,159 --> 00:23:24,389

they did a little bit of this they

547

00:23:27,139 --> 00:23:25,169

didn't really know what they were

548

00:23:28,430 --> 00:23:27,149

getting they got a couple of hits seems

549

00:23:31,460 --> 00:23:28,440

interesting but they didn't really have

550

00:23:33,980 --> 00:23:31,470

much success with it and that was the

551
00:23:36,470 --> 00:23:33,990
CIA's official story when they came out

552
00:23:40,460 --> 00:23:36,480
in the mid 90s they basically they

553
00:23:42,019 --> 00:23:40,470
Declassified it because Jim Marrs was I

554
00:23:43,820 --> 00:23:42,029
mean other researchers were about to

555
00:23:44,960 --> 00:23:43,830
blow the lid on it it's the only reason

556
00:23:47,570 --> 00:23:44,970
I think we really know about remote

557
00:23:48,980 --> 00:23:47,580
viewing officially and they decided to

558
00:23:51,740 --> 00:23:48,990
get out ahead of the story and control

559
00:23:54,649 --> 00:23:51,750
the spin and in that case I mean we're

560
00:23:56,659 --> 00:23:54,659
talking about media here actually the I

561
00:23:58,369 --> 00:23:56,669
think it was Nightline with Ted Koppel

562
00:24:01,749 --> 00:23:58,379
they did a thing on remote viewing and

563
00:24:04,220 --> 00:24:01,759

it was completely in line with the cia's

564

00:24:07,340 --> 00:24:04,230

party line and that's what the

565

00:24:10,419 --> 00:24:07,350

mainstream media does they work hand in

566

00:24:12,740 --> 00:24:10,429

glove with the US intelligence community

567

00:24:14,060 --> 00:24:12,750

and now I mean my goodness something

568

00:24:16,879 --> 00:24:14,070

like The Washington Post owned by Jeff

569

00:24:19,369 --> 00:24:16,889

Bezos who owns Amazon we know Amazon

570

00:24:21,110 --> 00:24:19,379

does all cloud computing and storage for

571

00:24:22,669 --> 00:24:21,120

the CIA they've got a multi multi

572

00:24:24,619 --> 00:24:22,679

multi-billion dollar contract and it's

573

00:24:27,950 --> 00:24:24,629

not just CIA anymore Bezos does the work

574

00:24:31,490 --> 00:24:27,960

for the entire US intelligence community

575

00:24:33,470 --> 00:24:31,500

my understanding is so the Washington

576

00:24:37,789 --> 00:24:33,480

Washington Post is owned by a guy who is

577

00:24:40,310 --> 00:24:37,799

deeply in bed with the US intelligence

578

00:24:44,360 --> 00:24:40,320

community it's just this is one

579

00:24:45,590 --> 00:24:44,370

connection so anything I didn't mean to

580

00:24:48,200 --> 00:24:45,600

turn this around from the remote viewing

581

00:24:49,930 --> 00:24:48,210

but to get back to the media people need

582

00:24:54,289 --> 00:24:49,940

to understand

583

00:24:56,860 --> 00:24:54,299

anything that comes through us dominated

584

00:25:01,519 --> 00:24:56,870

establishment media has to be suspect

585

00:25:04,100 --> 00:25:01,529

every single thing and people will often

586

00:25:06,080 --> 00:25:04,110

ask me well just as great Dolan so you

587

00:25:08,629 --> 00:25:06,090

don't want people to listen to CNN or

588

00:25:10,220 --> 00:25:08,639

read a New York Times or Time magazine

589

00:25:11,869 --> 00:25:10,230

what the heck are we supposed to read

590

00:25:12,919 --> 00:25:11,879

how we are we supposed to get our

591

00:25:16,940 --> 00:25:12,929

information right

592

00:25:21,230 --> 00:25:16,950

and I I what's the first thing that I

593

00:25:24,070 --> 00:25:21,240

would say is that we are in a difficult

594

00:25:27,529 --> 00:25:24,080

position every one of us who is a

595

00:25:30,259 --> 00:25:27,539

thinking person with some intellectual

596

00:25:32,960 --> 00:25:30,269

interests in this world and we all have

597

00:25:35,480 --> 00:25:32,970

to realize there's no way around this

598

00:25:39,350 --> 00:25:35,490

that we are surrounded by a very

599

00:25:43,340 --> 00:25:39,360

powerful media mind control system and

600

00:25:48,049 --> 00:25:43,350

of story it is and this is not an easy

601
00:25:51,440 --> 00:25:48,059
task for us to be educated aware

602
00:25:53,090 --> 00:25:51,450
citizens of the world but one thing that

603
00:25:56,149 --> 00:25:53,100
I would encourage people to do is to go

604
00:25:58,549 --> 00:25:56,159
to some truly independent alternative

605
00:26:01,190 --> 00:25:58,559
media sources the kind of thing that

606
00:26:03,680 --> 00:26:01,200
you're doing is one good source you know

607
00:26:05,779 --> 00:26:03,690
anything that takes us out of the

608
00:26:07,999 --> 00:26:05,789
corporate establishment mainstream is a

609
00:26:10,430 --> 00:26:08,009
good thing now there's a step there's

610
00:26:13,580 --> 00:26:10,440
alternative media that's actually not

611
00:26:16,399 --> 00:26:13,590
that alternative media like BuzzFeed is

612
00:26:20,960 --> 00:26:16,409
certainly not alternative media they'll

613
00:26:22,369 --> 00:26:20,970

pander to you know generation the

614

00:26:23,990 --> 00:26:22,379

Millennials and they'll but but that

615

00:26:25,610 --> 00:26:24,000

doesn't make them alternatives sorry

616

00:26:27,680 --> 00:26:25,620

they're they're actually totally part of

617

00:26:31,879 --> 00:26:27,690

the establishment but there are

618

00:26:34,460 --> 00:26:31,889

alternative their small or media and and

619

00:26:37,940 --> 00:26:34,470

we need to find them I go outside the US

620

00:26:39,259 --> 00:26:37,950

and I have to go to the media that are

621

00:26:42,019 --> 00:26:39,269

they're demonized

622

00:26:43,759 --> 00:26:42,029

as so-called fake news because the fact

623

00:26:47,299 --> 00:26:43,769

is that these are the only places that I

624

00:26:47,899 --> 00:26:47,309

find are generally providing information

625

00:26:49,999 --> 00:26:47,909

that are useful

626

00:26:52,220 --> 00:26:50,009

I do read my New York Times headlines on

627

00:26:53,450 --> 00:26:52,230

my iPhone mm-hmm and all the headlines

628

00:26:54,710 --> 00:26:53,460

that everyone else guess I get CNN

629

00:26:57,289 --> 00:26:54,720

headlines every day and I

630

00:26:58,700 --> 00:26:57,299

I do read CNN story so I know I failed

631

00:27:01,519 --> 00:26:58,710

as part of my job to know what they're

632

00:27:03,180 --> 00:27:01,529

saying I read The Washington Post every

633

00:27:07,650 --> 00:27:03,190

day

634

00:27:10,620 --> 00:27:07,660

I'm very aware of what mainstream is

635

00:27:13,710 --> 00:27:10,630

saying but I will also read RT that is

636

00:27:17,270 --> 00:27:13,720

formerly Russia today too discussed is

637

00:27:21,630 --> 00:27:17,280

by the current CIA director as a tool of

638

00:27:24,000 --> 00:27:21,640

Putin's propaganda nonsense I don't

639

00:27:25,050 --> 00:27:24,010

believe that in the least I don't say

640

00:27:27,330 --> 00:27:25,060

that they're right about everything of

641

00:27:29,340 --> 00:27:27,340

course but I four news around the world

642

00:27:32,190 --> 00:27:29,350

I will always want to know what they

643

00:27:33,780 --> 00:27:32,200

have to say always every time and I

644

00:27:36,600 --> 00:27:33,790

simply go by the quality of analysis

645

00:27:38,310 --> 00:27:36,610

it's always superior I also go to a

646

00:27:41,940 --> 00:27:38,320

Canadian website that's my favorite

647

00:27:44,640 --> 00:27:41,950

website for history and politics and

648

00:27:47,730 --> 00:27:44,650

that's called Global Research dot CA and

649

00:27:50,400 --> 00:27:47,740

that's run by a man named Michelle shell

650

00:27:52,380 --> 00:27:50,410

Sadovsky who is doing what I think Noam

651
00:27:53,880 --> 00:27:52,390
Chomsky should be doing but isn't doing

652
00:27:58,350 --> 00:27:53,890
so show Sadowski is doing it he's kind

653
00:28:01,080 --> 00:27:58,360
of like them I think the modern-day the

654
00:28:03,480 --> 00:28:01,090
true successor to the Chomsky tradition

655
00:28:05,760 --> 00:28:03,490
of a media analysis and political

656
00:28:07,590 --> 00:28:05,770
analysis and so the web website he runs

657
00:28:10,500 --> 00:28:07,600
Global Research CA it's run out of

658
00:28:13,290 --> 00:28:10,510
Montreal is uh he has superb

659
00:28:14,880 --> 00:28:13,300
commentators in my opinion you know like

660
00:28:16,440 --> 00:28:14,890
many of these alternative sites I don't

661
00:28:18,300 --> 00:28:16,450
I don't agree with everything that I see

662
00:28:20,790 --> 00:28:18,310
on global research dot CA and I don't

663
00:28:23,580 --> 00:28:20,800

agree with everything I read or see what

664

00:28:25,410 --> 00:28:23,590

the take of things in RT but what I find

665

00:28:27,420 --> 00:28:25,420

is that they are a different perspective

666

00:28:28,650 --> 00:28:27,430

and usually a much more correct

667

00:28:31,350 --> 00:28:28,660

perspective and a more honest one

668

00:28:33,870 --> 00:28:31,360

typically right yeah and I mean the

669

00:28:36,840 --> 00:28:33,880

mainstream yeah yeah and I mean do your

670

00:28:39,300 --> 00:28:36,850

research people I mean it sort of brings

671

00:28:42,360 --> 00:28:39,310

me back to another journalist friend of

672

00:28:44,250 --> 00:28:42,370

mine who introduced me to the lyrics of

673

00:28:46,680 --> 00:28:44,260

a Dead Kennedys song and it's quote

674

00:28:48,390 --> 00:28:46,690

don't hate the media become the media so

675

00:28:49,740 --> 00:28:48,400

things like what the penalties isn't

676

00:28:55,020 --> 00:28:49,750

that awesome

677

00:28:57,420 --> 00:28:55,030

and how long ago was that 1980 so if you

678

00:29:00,240 --> 00:28:57,430

need 79 yeah a long time ago so this

679

00:29:03,060 --> 00:29:00,250

idea of you know not only disinformation

680

00:29:04,860 --> 00:29:03,070

but media bias and everything that

681

00:29:08,460 --> 00:29:04,870

follows has been going on for a while

682

00:29:10,860 --> 00:29:08,470

guy he's the other thing that I do and

683

00:29:12,510 --> 00:29:10,870

this is just a lifelong advantage I've

684

00:29:14,280 --> 00:29:12,520

given myself is that I've just studied

685

00:29:16,410 --> 00:29:14,290

history non-stop I still study history

686

00:29:16,860 --> 00:29:16,420

non-stop on my Kindle reader in my

687

00:29:18,299 --> 00:29:16,870

downtown

688

00:29:21,720 --> 00:29:18,309

I'm reading some old history book from

689

00:29:24,780 --> 00:29:21,730

hundred years ago so I mean for me in

690

00:29:28,700 --> 00:29:24,790

other words I have I've developed a good

691

00:29:33,360 --> 00:29:28,710

perspective on history and politics and

692

00:29:34,830 --> 00:29:33,370

so I mean I just know that there are

693

00:29:37,230 --> 00:29:34,840

certain patterns that have existed in

694

00:29:38,640 --> 00:29:37,240

our world and I've developed a good

695

00:29:40,049 --> 00:29:38,650

historical foundation I don't know how

696

00:29:42,030 --> 00:29:40,059

to tell someone you there's no way to

697

00:29:43,950 --> 00:29:42,040

get these things quickly right you know

698

00:29:46,140 --> 00:29:43,960

if someone someone's living the CNN

699

00:29:47,250 --> 00:29:46,150

reality if they have that on their TV

700

00:29:49,590 --> 00:29:47,260

the first thing I would tell people is

701

00:29:52,590 --> 00:29:49,600

just turn that stuff off it's like

702

00:29:55,200 --> 00:29:52,600

someone who's drinking cans of coke

703

00:29:56,490 --> 00:29:55,210

every day or Pepsi and they want to be

704

00:29:57,720 --> 00:29:56,500

healthy I'd say the first thing you have

705

00:30:00,000 --> 00:29:57,730

to do is stop drinking that stuff

706

00:30:02,100 --> 00:30:00,010

because your place your toxifying your

707

00:30:03,810 --> 00:30:02,110

body your system all that sugar it will

708

00:30:06,500 --> 00:30:03,820

it will literally kill you I know a man

709

00:30:09,840 --> 00:30:06,510

who actually I'm convinced died of this

710

00:30:11,610 --> 00:30:09,850

I think it gave him a mess he drank 10

711

00:30:15,240 --> 00:30:11,620

plus cans of coke a day I mean it was

712

00:30:17,910 --> 00:30:15,250

just absurd and it's the same with news

713

00:30:19,530 --> 00:30:17,920

you know we talk about we have faked it

714

00:30:24,750 --> 00:30:19,540

we have more than fake news in our world

715

00:30:26,160 --> 00:30:24,760

we have fake food yeah big fake politics

716

00:30:28,110 --> 00:30:26,170

we have every everything that we

717

00:30:29,880 --> 00:30:28,120

honestly I think when we look around we

718

00:30:32,280 --> 00:30:29,890

have a almost a fake environment in many

719

00:30:35,340 --> 00:30:32,290

ways but we definitely have fake food

720

00:30:37,169 --> 00:30:35,350

and fake news and so the first thing you

721

00:30:39,330 --> 00:30:37,179

have to do is you have to stop bringing

722

00:30:41,010 --> 00:30:39,340

the poison in that's a little number

723

00:30:42,570 --> 00:30:41,020

ones you have to stop what CNN you have

724

00:30:46,140 --> 00:30:42,580

to stop with New York Times I mean truly

725

00:30:47,760 --> 00:30:46,150

stop and I'll just I'll just do this as

726

00:30:49,169 --> 00:30:47,770

an aside I don't we get into a whole

727

00:30:51,390 --> 00:30:49,179

Hillary Trump thing I mean we're getting

728

00:30:53,970 --> 00:30:51,400

kind of past that anyway but I will say

729

00:30:56,070 --> 00:30:53,980

this I was a fan of neither of those

730

00:30:57,299 --> 00:30:56,080

candidates I was one of the people had a

731

00:30:58,520 --> 00:30:57,309

Bernie sign in front of my house oh

732

00:31:01,350 --> 00:30:58,530

that's you

733

00:31:04,770 --> 00:31:01,360

okay I might lose or gain some listeners

734

00:31:08,460 --> 00:31:04,780

but that's okay you know I would say to

735

00:31:10,169 --> 00:31:08,470

people I was not a fan of either of the

736

00:31:11,580 --> 00:31:10,179

candidates I said joke and say I felt

737

00:31:13,169 --> 00:31:11,590

like I'm in the Wild West with two

738

00:31:17,100 --> 00:31:13,179

gunslingers shooting at me whatever

739

00:31:19,500 --> 00:31:17,110

wherever I go they're shooting but what

740

00:31:22,080 --> 00:31:19,510

what I noticed objectively is simply

741

00:31:23,640 --> 00:31:22,090

that the establishment media was very

742

00:31:29,280 --> 00:31:23,650

very clear as to who they wanted in it

743

00:31:30,450 --> 00:31:29,290

was obvious 95% plus literally 95% plus

744

00:31:31,650 --> 00:31:30,460

of media establish

745

00:31:35,340 --> 00:31:31,660

Vince wanted Hillary Clinton in the

746

00:31:38,490 --> 00:31:35,350

White House and the reason was obvious

747

00:31:40,320 --> 00:31:38,500

to me it was obvious because she she was

748

00:31:44,060 --> 00:31:40,330

basically a continuation of the neocon

749

00:31:46,500 --> 00:31:44,070

the neoconservative neoliberal doctrine

750

00:31:47,940 --> 00:31:46,510

where a Trump who's now fulfilling all

751
00:31:48,930 --> 00:31:47,950
of those things that Hillary talked

752
00:31:51,330 --> 00:31:48,940
about by the way he's completely

753
00:31:53,010 --> 00:31:51,340
switched over but as a candidate Trump

754
00:31:54,570 --> 00:31:53,020
was not on board with that and Hillary

755
00:31:57,390 --> 00:31:54,580
was so she was the establishment

756
00:31:58,320 --> 00:31:57,400
candidate it was obvious you know she's

757
00:32:01,560 --> 00:31:58,330
the one who went to the Bilderberg

758
00:32:03,660 --> 00:32:01,570
meeting in 2008 that was her she's the

759
00:32:05,910 --> 00:32:03,670
one who's worked with the system her

760
00:32:08,760 --> 00:32:05,920
whole career and she was a team player

761
00:32:12,390 --> 00:32:08,770
and so all corporate media wanted her on

762
00:32:14,670 --> 00:32:12,400
board and knowing that was the the

763
00:32:18,060 --> 00:32:14,680

biggest mark against her in my book

764

00:32:20,940 --> 00:32:18,070

personally that there is this lying meet

765

00:32:24,180 --> 00:32:20,950

mainstream I mean it's it astonish me or

766

00:32:25,710 --> 00:32:24,190

all of my friends I'm someone who I

767

00:32:28,260 --> 00:32:25,720

guess would identify as having been on

768

00:32:29,700 --> 00:32:28,270

the left my whole life until this last

769

00:32:32,370 --> 00:32:29,710

year I don't know what to think of the

770

00:32:34,560 --> 00:32:32,380

left anymore but my friends on the left

771

00:32:36,300 --> 00:32:34,570

none of them trust the CIA

772

00:32:38,700 --> 00:32:36,310

none of them tell me they trust the

773

00:32:42,180 --> 00:32:38,710

media until this last year when they all

774

00:32:43,860 --> 00:32:42,190

trust the CIA yeah like what happened to

775

00:32:46,140 --> 00:32:43,870

you people what happened to my friends

776

00:32:48,120 --> 00:32:46,150

they they all believe that a Trump was

777

00:32:49,350 --> 00:32:48,130

an agent of Putin and Satre net live did

778

00:32:55,100 --> 00:32:49,360

the whole thing the Trump Putin thing

779

00:32:58,080 --> 00:32:55,110

seriously anyway I feel like the media

780

00:32:59,850 --> 00:32:58,090

does create sickness in our society this

781

00:33:04,110 --> 00:32:59,860

actually might be a further study of

782

00:33:07,290 --> 00:33:04,120

mine I learned from a close friend of

783

00:33:09,090 --> 00:33:07,300

mine who when people go into therapy the

784

00:33:11,010 --> 00:33:09,100

first thing one of the first things a

785

00:33:12,120 --> 00:33:11,020

good therapist will say to them if

786

00:33:15,000 --> 00:33:12,130

they're dealing with anxiety and stress

787

00:33:17,460 --> 00:33:15,010

and so on is are you watching television

788

00:33:21,600 --> 00:33:17,470

news or are you eating news and if you

789

00:33:23,490 --> 00:33:21,610

are stopped yeah so and again this goes

790

00:33:25,950 --> 00:33:23,500

back to the idea that the media does

791

00:33:29,550 --> 00:33:25,960

kind of make us sick and but it's not

792

00:33:32,430 --> 00:33:29,560

all news you know I feel that being an

793

00:33:35,220 --> 00:33:32,440

informed person does not make us sick it

794

00:33:37,020 --> 00:33:35,230

hasn't made me sick I feel I feel great

795

00:33:38,220 --> 00:33:37,030

last thing I were saying the media and I

796

00:33:41,730 --> 00:33:38,230

know you probably want to switch gears

797

00:33:43,890 --> 00:33:41,740

is for people who are not still

798

00:33:46,200 --> 00:33:43,900

believing this I would tell them to

799

00:33:48,480 --> 00:33:46,210

get knowledgeable of a couple of really

800

00:33:50,640 --> 00:33:48,490

prominent recent media whistleblowers

801
00:33:53,580 --> 00:33:50,650
there's a later than a big fan of named

802
00:33:55,700 --> 00:33:53,590
Amber Lyon three-time Emmy Award winner

803
00:33:58,440 --> 00:33:55,710
journalist she was with CNN for years

804
00:34:00,480 --> 00:33:58,450
back in 2011 she reported on the Arab

805
00:34:02,100 --> 00:34:00,490
Spring and then she just got sick of it

806
00:34:04,350 --> 00:34:02,110
she said I can't do this anymore and she

807
00:34:09,419 --> 00:34:04,360
just says look governments are paid up

808
00:34:11,250 --> 00:34:09,429
paying us to create fake news and she

809
00:34:13,500 --> 00:34:11,260
talked she when she did the Arab Spring

810
00:34:16,409 --> 00:34:13,510
back in 2011 she just said CNN was

811
00:34:18,659 --> 00:34:16,419
routinely paid by the US government and

812
00:34:20,790 --> 00:34:18,669
by foreign governments to selectively

813
00:34:23,280 --> 00:34:20,800

report on certain events and to make up

814

00:34:25,470 --> 00:34:23,290

fake news stories and anyone has gone

815

00:34:27,360 --> 00:34:25,480

into this at all would make CNN news I

816

00:34:29,070 --> 00:34:27,370

mean there's a wealth of information to

817

00:34:32,310 --> 00:34:29,080

look for there's another man who I'm a

818

00:34:35,850 --> 00:34:32,320

big big fan of recently died as chairman

819

00:34:38,760 --> 00:34:35,860

german journalist named dr. Arata and

820

00:34:40,590 --> 00:34:38,770

he's on youtube you can find him he

821

00:34:44,149 --> 00:34:40,600

talks about how you know we all lie for

822

00:34:47,129 --> 00:34:44,159

the CIA mm-hmm he was doing stories back

823

00:34:49,379 --> 00:34:47,139

2010-2011 he said the CIA would write

824

00:34:51,090 --> 00:34:49,389

this is he said all all European news is

825

00:34:54,450 --> 00:34:51,100

controlled by the CIA they would

826

00:34:56,390 --> 00:34:54,460

literally write stories that he would

827

00:34:59,550 --> 00:34:56,400

have to put his byline to on Libya on

828

00:35:01,560 --> 00:34:59,560

Muammar Qaddafi in that case and he said

829

00:35:03,510 --> 00:35:01,570

if I if I didn't comply I would have

830

00:35:05,790 --> 00:35:03,520

just lost my job but they would write

831

00:35:07,230 --> 00:35:05,800

the stories my name would be on it and

832

00:35:10,380 --> 00:35:07,240

it would be these all these hit pieces

833

00:35:12,240 --> 00:35:10,390

propaganda pieces that as your team and

834

00:35:13,950 --> 00:35:12,250

European journalism and then I'm a big

835

00:35:17,550 --> 00:35:13,960

fan of the lading sharyl Attkisson

836

00:35:19,800 --> 00:35:17,560

former CBS News and she's out there

837

00:35:22,410 --> 00:35:19,810

she's given TED talks I believe and she

838

00:35:24,690 --> 00:35:22,420

talks about like astroturfing which is a

839

00:35:28,280 --> 00:35:24,700

very important phenomenon basically

840

00:35:31,980 --> 00:35:28,290

faking your data to promote yourself

841

00:35:33,780 --> 00:35:31,990

astroturf thing happens on Wikipedia she

842

00:35:38,910 --> 00:35:33,790

calls an astroturf Furze dream come true

843

00:35:41,880 --> 00:35:38,920

as Wikipedia but how the news around us

844

00:35:43,890 --> 00:35:41,890

is is very deliberately falsified right

845

00:35:48,930 --> 00:35:43,900

so there's a lot of information on this

846

00:35:51,570 --> 00:35:48,940

out there too much to be honest but I'm

847

00:35:54,380 --> 00:35:51,580

so happy you're able to steer us towards

848

00:35:57,570 --> 00:35:54,390

some some sources that we can actually

849

00:36:00,990 --> 00:35:57,580

write nothing thank

850

00:36:03,300 --> 00:36:01,000

nothing is certain and no source not Ark

851

00:36:05,850 --> 00:36:03,310

I talk about RT in global research look

852

00:36:08,550 --> 00:36:05,860

I like them very much I find that they

853

00:36:11,580 --> 00:36:08,560

give me a leg up against people who

854

00:36:17,370 --> 00:36:11,590

follow the mainstream that's for sure

855

00:36:19,800 --> 00:36:17,380

but that nothing is certain I mean what

856

00:36:23,040 --> 00:36:19,810

we all have to do is we have to use our

857

00:36:25,500 --> 00:36:23,050

brain we have to think and it's you know

858

00:36:27,570 --> 00:36:25,510

there's no magic formula I'm sorry to

859

00:36:29,940 --> 00:36:27,580

say this to people there's no sure-shot

860

00:36:32,790 --> 00:36:29,950

way to say oh for sure

861

00:36:34,740 --> 00:36:32,800

read this site don't go there but we

862

00:36:36,860 --> 00:36:34,750

have to do though is understand first

863

00:36:40,020 --> 00:36:36,870

and foremost that we are part of a

864

00:36:43,260 --> 00:36:40,030

control system and I think once we get

865

00:36:45,600 --> 00:36:43,270

that we can begin a process and it can

866

00:36:48,180 --> 00:36:45,610

take years for some people depending on

867

00:36:49,620 --> 00:36:48,190

how far into the system they are you

868

00:36:51,960 --> 00:36:49,630

know it's not as easy like in the matrix

869

00:36:55,200 --> 00:36:51,970

where you just take the red pill and all

870

00:36:57,570 --> 00:36:55,210

is revealed I wish it were that easy we

871

00:36:59,910 --> 00:36:57,580

are peeling the deception away by layer

872

00:37:03,810 --> 00:36:59,920

after layer after layer and it does take

873

00:37:05,130 --> 00:37:03,820

time and it's emotionally difficult you

874

00:37:07,980 --> 00:37:05,140

know I'm doing research on false flags

875

00:37:10,530 --> 00:37:07,990

these days and what I've definitely

876

00:37:13,290 --> 00:37:10,540

learned is that one reason false flags

877

00:37:16,500 --> 00:37:13,300

are so successful is because they

878

00:37:18,300 --> 00:37:16,510

combine our our emotion with our mind so

879

00:37:22,050 --> 00:37:18,310

the trauma of a false flag which is

880

00:37:26,130 --> 00:37:22,060

always horrible you know tears at us

881

00:37:28,170 --> 00:37:26,140

emotionally and and then what makes them

882

00:37:29,670 --> 00:37:28,180

effective is that the authorities will

883

00:37:32,430 --> 00:37:29,680

come in immediately with a narrative

884

00:37:34,170 --> 00:37:32,440

that appeals to our intellect and so the

885

00:37:35,820 --> 00:37:34,180

intellect is kind of married to the

886

00:37:39,450 --> 00:37:35,830

emotion the mind and the heart become

887

00:37:42,720 --> 00:37:39,460

one and once we accept that explanation

888

00:37:44,910 --> 00:37:42,730

from the authorities it becomes wedded

889

00:37:47,250 --> 00:37:44,920

to the trauma and it becomes very very

890

00:37:49,290 --> 00:37:47,260

difficult if not impossible for most

891

00:37:52,590 --> 00:37:49,300

people to question that intellectual

892

00:37:55,920 --> 00:37:52,600

explanation false flags work on this

893

00:37:59,160 --> 00:37:55,930

very devious way that they use this

894

00:38:01,620 --> 00:37:59,170

manipulation it's very effective so for

895

00:38:02,790 --> 00:38:01,630

and it doesn't work simply with false

896

00:38:05,820 --> 00:38:02,800

Flags it works with all forms of

897

00:38:07,590 --> 00:38:05,830

propaganda people buy into something and

898

00:38:08,970 --> 00:38:07,600

the longer and longer you buy into

899

00:38:10,210 --> 00:38:08,980

something the harder and harder it is to

900

00:38:12,590 --> 00:38:10,220

buy out

901
00:38:17,360 --> 00:38:12,600
absolutely I couldn't put it better

902
00:38:21,560 --> 00:38:17,370
myself well in terms of love it or hate

903
00:38:23,150 --> 00:38:21,570
it rich um a lot of people are into this

904
00:38:25,280 --> 00:38:23,160
movement and that's the idea of

905
00:38:25,850 --> 00:38:25,290
disclosure I'm getting back to the UFO

906
00:38:30,410 --> 00:38:25,860
talk

907
00:38:32,750 --> 00:38:30,420
oh yes MIT and you recently looked into

908
00:38:35,330 --> 00:38:32,760
you came out with a small publication

909
00:38:37,550 --> 00:38:35,340
about UFOs and disclosure and the Trump

910
00:38:39,230 --> 00:38:37,560
era no I just want to briefly touch on

911
00:38:43,280 --> 00:38:39,240
this because we could talk about this

912
00:38:47,090 --> 00:38:43,290
forever but this idea that you know we

913
00:38:49,160 --> 00:38:47,100

have a a POTUS who is not afraid to

914

00:38:52,760 --> 00:38:49,170

tweet at 3:00 a.m. in the morning so

915

00:38:55,430 --> 00:38:52,770

writing about anything so in terms of

916

00:38:59,210 --> 00:38:55,440

the UFO question some people think that

917

00:39:01,190 --> 00:38:59,220

this may be the time that we get a tweet

918

00:39:03,350 --> 00:39:01,200

in the morning about what happened in

919

00:39:05,990 --> 00:39:03,360

ronzo I mean that's going a little far

920

00:39:07,400 --> 00:39:06,000

but I was one of the first people I

921

00:39:08,810 --> 00:39:07,410

think the to just put that little idea

922

00:39:12,350 --> 00:39:08,820

out there and I almost did it

923

00:39:14,630 --> 00:39:12,360

whimsically I wrote a piece on Trump and

924

00:39:18,020 --> 00:39:14,640

disclosure the day after he got elected

925

00:39:21,890 --> 00:39:18,030

I remember when yeah when the world when

926

00:39:24,980 --> 00:39:21,900

most of the the I guess the liberal the

927

00:39:27,350 --> 00:39:24,990

left world was going into some serious

928

00:39:30,410 --> 00:39:27,360

serious serious trauma over that

929

00:39:32,630 --> 00:39:30,420

election and certainly in the UFO fields

930

00:39:34,790 --> 00:39:32,640

there were a lot of folks you know our

931

00:39:37,330 --> 00:39:34,800

friend Stephen Bassett and grant Cameron

932

00:39:39,790 --> 00:39:37,340

for two of them really believed that

933

00:39:42,410 --> 00:39:39,800

Hillary Clinton was the disclosure

934

00:39:44,900 --> 00:39:42,420

candidate I mean fast Bessette

935

00:39:46,670 --> 00:39:44,910

absolutely believed that actually he

936

00:39:50,420 --> 00:39:46,680

believed furthermore that Obama would do

937

00:39:51,860 --> 00:39:50,430

it before the end of the his term I for

938

00:39:53,060 --> 00:39:51,870

my part I publicly stated many times

939

00:39:55,550 --> 00:39:53,070

that I did not believe that that would

940

00:39:58,130 --> 00:39:55,560

happen but we all thought Hillary

941

00:39:59,450 --> 00:39:58,140

Clinton would win I certainly thought

942

00:40:01,160 --> 00:39:59,460

she was going to go I thought was a done

943

00:40:03,460 --> 00:40:01,170

deal frankly the whole system was just

944

00:40:05,720 --> 00:40:03,470

rigged on her behalf that was my opinion

945

00:40:07,370 --> 00:40:05,730

anyway so when Trump got elected I

946

00:40:10,520 --> 00:40:07,380

thought well let's just take a look at

947

00:40:13,640 --> 00:40:10,530

this situation this was a guy who at

948

00:40:15,170 --> 00:40:13,650

least particularly at that time there's

949

00:40:17,800 --> 00:40:15,180

been a struggle going on since then and

950

00:40:23,790 --> 00:40:17,810

we need to talk about this but Trump

951
00:40:26,190 --> 00:40:23,800
seems like a guy who he's not he

952
00:40:29,100 --> 00:40:26,200
a disruptor he's a disruptor and no

953
00:40:31,290 --> 00:40:29,110
matter how one looks at him he he's

954
00:40:33,540 --> 00:40:31,300
staring up the pot a bit and he was

955
00:40:34,740 --> 00:40:33,550
saying things this whole as a candidate

956
00:40:37,020 --> 00:40:34,750
you know let's make friends with Russia

957
00:40:39,120 --> 00:40:37,030
this is a big thing and he got reamed

958
00:40:40,590 --> 00:40:39,130
for this by him all sides of the

959
00:40:43,470 --> 00:40:40,600
political spectrum it was astonishing to

960
00:40:45,900 --> 00:40:43,480
watch and then his anti-globalist thing

961
00:40:48,810 --> 00:40:45,910
was was very clearly against the the

962
00:40:51,690 --> 00:40:48,820
main current so I thought this is a guy

963
00:40:53,040 --> 00:40:51,700

who's become an enemy of big parts of

964

00:40:56,610 --> 00:40:53,050

the national security apparatus it's

965

00:40:58,020 --> 00:40:56,620

obvious and you know I never thought

966

00:40:59,400 --> 00:40:58,030

Hillary Clinton would be a disclosure

967

00:41:03,150 --> 00:40:59,410

candidate because I saw her as the

968

00:41:05,150 --> 00:41:03,160

consummate insider Trump it's not the

969

00:41:07,680 --> 00:41:05,160

same type of insider and I thought I

970

00:41:09,060 --> 00:41:07,690

said you're still more likely to win get

971

00:41:11,460 --> 00:41:09,070

him getting a lottery ticket than

972

00:41:13,650 --> 00:41:11,470

waiting for a Trump disclosure and I

973

00:41:16,080 --> 00:41:13,660

think even more strongly that now but I

974

00:41:20,070 --> 00:41:16,090

thought actually this man's personality

975

00:41:21,780 --> 00:41:20,080

is such that he actually might do a 3

976

00:41:23,460 --> 00:41:21,790

a.m. tweet he do you say you could just

977

00:41:26,430 --> 00:41:23,470

imagine him saying something like

978

00:41:29,670 --> 00:41:26,440

everyone knows UFOs are real oh and the

979

00:41:31,860 --> 00:41:29,680

funny thing about Trump is like could

980

00:41:34,560 --> 00:41:31,870

you imagine unlike with Obama like if a

981

00:41:36,660 --> 00:41:34,570

bomb were to do a disclosure of UFOs had

982

00:41:39,180 --> 00:41:36,670

he done so I think there would have been

983

00:41:41,130 --> 00:41:39,190

a much higher like people would have

984

00:41:44,250 --> 00:41:41,140

been like oh my god I can't believe it

985

00:41:45,810 --> 00:41:44,260

Trump who's gonna believe him like think

986

00:41:48,630 --> 00:41:45,820

there's a lot of folks who would just

987

00:41:51,320 --> 00:41:48,640

say this man is you know certifiably

988

00:41:56,220 --> 00:41:51,330

insane and people think that all ready

989

00:41:57,570 --> 00:41:56,230

to do a disclosure of UFOs seriously

990

00:42:02,130 --> 00:41:57,580

this would be a real problem I don't I

991

00:42:04,860 --> 00:42:02,140

think I think would be very difficult

992

00:42:06,480 --> 00:42:04,870

for him and when I when I published this

993

00:42:10,650 --> 00:42:06,490

booklet it's about a hundred pages long

994

00:42:12,420 --> 00:42:10,660

it's just under you know it was already

995

00:42:14,610 --> 00:42:12,430

evident to me I wrote I published it in

996

00:42:19,020 --> 00:42:14,620

March about a month ago it was already

997

00:42:21,060 --> 00:42:19,030

clear that he was losing his if it was a

998

00:42:22,920 --> 00:42:21,070

battle with the deep state he was losing

999

00:42:26,130 --> 00:42:22,930

it even by mid March like it was obvious

1000

00:42:28,200 --> 00:42:26,140

to me that he was on the he'd been out

1001
00:42:30,540 --> 00:42:28,210
outmaneuvered completely outmaneuvered

1002
00:42:31,620 --> 00:42:30,550
so that any reform of the intelligence

1003
00:42:33,690 --> 00:42:31,630
community was not going to happen

1004
00:42:35,340 --> 00:42:33,700
because they took out Michael Flynn like

1005
00:42:36,150 --> 00:42:35,350
immediately he was the only person who

1006
00:42:37,980 --> 00:42:36,160
could have done it

1007
00:42:41,130 --> 00:42:37,990
of the intelligence community he was the

1008
00:42:44,640 --> 00:42:41,140
first one out in that kind of a specious

1009
00:42:46,290 --> 00:42:44,650
Russia thing there so all of all the

1010
00:42:47,820 --> 00:42:46,300
loyal people around him he's basically

1011
00:42:49,470 --> 00:42:47,830
surrounded by council on foreign

1012
00:42:51,300 --> 00:42:49,480
relations people globalists that's

1013
00:42:53,730 --> 00:42:51,310

they've taken over they've got him

1014

00:43:01,770 --> 00:42:53,740

so by mid-march it was evident to me

1015

00:43:03,240 --> 00:43:01,780

that it's unlikely but nonetheless we're

1016

00:43:06,180 --> 00:43:03,250

in a situation where there's a kind of

1017

00:43:08,040 --> 00:43:06,190

covert war going on a war of leaks for

1018

00:43:11,610 --> 00:43:08,050

example all of these leaks that we're

1019

00:43:14,760 --> 00:43:11,620

seeing against and against Trump and

1020

00:43:17,880 --> 00:43:14,770

against other people are signs that the

1021

00:43:21,750 --> 00:43:17,890

intelligence community is fighting

1022

00:43:23,430 --> 00:43:21,760

itself so in that type of a situation

1023

00:43:26,460 --> 00:43:23,440

it just seemed me there's enough

1024

00:43:30,300 --> 00:43:26,470

instability that there could be some

1025

00:43:31,260 --> 00:43:30,310

accidental or who knows what someone

1026

00:43:33,630 --> 00:43:31,270

might say what the heck just an

1027

00:43:35,750 --> 00:43:33,640

intentional putting this information out

1028

00:43:40,550 --> 00:43:35,760

there I don't think that that's likely

1029

00:43:43,770 --> 00:43:40,560

but but I will say in my own observation

1030

00:43:46,340 --> 00:43:43,780

over political history over the past 50

1031

00:43:50,760 --> 00:43:46,350

plus years during times of great

1032

00:43:53,970 --> 00:43:50,770

instability in many nations it can

1033

00:43:55,950 --> 00:43:53,980

happen that UFO data leaks out and comes

1034

00:43:58,770 --> 00:43:55,960

out particularly when there's regime

1035

00:44:00,270 --> 00:43:58,780

changed and when Mao died in China this

1036

00:44:02,340 --> 00:44:00,280

happened over there when the Soviet

1037

00:44:04,380 --> 00:44:02,350

Union broke apart it happened very much

1038

00:44:05,940 --> 00:44:04,390

so there after Watergate in our own

1039

00:44:08,010 --> 00:44:05,950

society we strengthen our Freedom of

1040

00:44:10,230 --> 00:44:08,020

Information Act which led to a great

1041

00:44:12,570 --> 00:44:10,240

release of UFO information in Spain

1042

00:44:14,880 --> 00:44:12,580

after the dictator Franco died in the

1043

00:44:17,760 --> 00:44:14,890

70s it led to a release of UFO data

1044

00:44:20,550 --> 00:44:17,770

there so when there's instability in the

1045

00:44:23,600 --> 00:44:20,560

system things come out and that includes

1046

00:44:25,710 --> 00:44:23,610

UFO data we are in a very unstable

1047

00:44:29,610 --> 00:44:25,720

political situation here in the United

1048

00:44:32,220 --> 00:44:29,620

States and so for that reason I could

1049

00:44:34,980 --> 00:44:32,230

see something unexpected something

1050

00:44:38,180 --> 00:44:34,990

accidental happening I'm not I don't say

1051

00:44:40,590 --> 00:44:38,190

bet on it I I don't think there's ever a

1052

00:44:41,640 --> 00:44:40,600

year where it's a good bet but there are

1053

00:44:42,530 --> 00:44:41,650

some years where it might be better than

1054

00:44:45,930 --> 00:44:42,540

others

1055

00:44:48,690 --> 00:44:45,940

absolutely the harder you shake the more

1056

00:44:50,339 --> 00:44:48,700

that's going to come out but who knows

1057

00:44:52,140 --> 00:44:50,349

what's gonna happen the thing that I try

1058

00:44:55,440 --> 00:44:52,150

to look at in this booklet of mine is

1059

00:44:57,410 --> 00:44:55,450

the international situation you know

1060

00:45:00,089 --> 00:44:57,420

people for years what would ask me well

1061

00:45:01,140 --> 00:45:00,099

sure there's a UFO cover-up in the

1062

00:45:02,970 --> 00:45:01,150

United States but what about other

1063

00:45:04,500 --> 00:45:02,980

countries what about what about Britain

1064

00:45:06,750 --> 00:45:04,510

what about Brazil what about Russia what

1065

00:45:09,839 --> 00:45:06,760

about India and it's true you know we're

1066

00:45:12,060 --> 00:45:09,849

in a big world so what is it about these

1067

00:45:15,089 --> 00:45:12,070

other nations that allows for this

1068

00:45:19,290 --> 00:45:15,099

phenomenon to be secret and I really do

1069

00:45:21,900 --> 00:45:19,300

try in this booklet to deal with that

1070

00:45:26,550 --> 00:45:21,910

issue and one of the things that I point

1071

00:45:27,780 --> 00:45:26,560

out is excuse me is that you know

1072

00:45:29,010 --> 00:45:27,790

although the United States isn't the

1073

00:45:32,069 --> 00:45:29,020

only nation and the world it is still

1074

00:45:37,650 --> 00:45:32,079

the dominant nation in the world by far

1075

00:45:41,609 --> 00:45:37,660

and there are only a handful of nations

1076

00:45:44,670 --> 00:45:41,619

that are outside of predominant

1077

00:45:47,190 --> 00:45:44,680

preeminent US influence alright there's

1078

00:45:48,630 --> 00:45:47,200

only a few so the u.s. runs all of the

1079

00:45:52,440 --> 00:45:48,640

NATO countries which are very powerful

1080

00:45:56,190 --> 00:45:52,450

the US has dominant influence over most

1081

00:46:00,180 --> 00:45:56,200

of Central and South America the US has

1082

00:46:03,120 --> 00:46:00,190

a very strong influence over most of the

1083

00:46:05,839 --> 00:46:03,130

significant nations in the Far East

1084

00:46:10,020 --> 00:46:05,849

we're talking Japan South Korea

1085

00:46:14,400 --> 00:46:10,030

Southeast Asia Australia obviously there

1086

00:46:16,800 --> 00:46:14,410

are only a few significant nations that

1087

00:46:17,579 --> 00:46:16,810

are still outside US control we're

1088

00:46:19,349 --> 00:46:17,589

talking Russia

1089

00:46:25,079 --> 00:46:19,359

first and foremost China those two big

1090

00:46:27,210 --> 00:46:25,089

ones Iran North Korea Syria although

1091

00:46:30,120 --> 00:46:27,220

Syria is you know the whole point is to

1092

00:46:32,849 --> 00:46:30,130

make Syria cave but those those are some

1093

00:46:35,910 --> 00:46:32,859

of the the key nations and really of

1094

00:46:40,349 --> 00:46:35,920

those don't the two big ones obviously

1095

00:46:42,059 --> 00:46:40,359

are Russia and China because of the 200

1096

00:46:44,069 --> 00:46:42,069

or so and sovereign nations that exist

1097

00:46:47,130 --> 00:46:44,079

on this planet only only a handful maybe

1098

00:46:49,440 --> 00:46:47,140

maybe 20 have a military intelligence

1099

00:46:53,640 --> 00:46:49,450

community that's significant enough that

1100

00:46:57,569 --> 00:46:53,650

would allow them to have a real

1101
00:46:59,370 --> 00:46:57,579
capability in dealing with UFO data in a

1102
00:47:02,550 --> 00:46:59,380
significant way this is my opinion I

1103
00:47:05,730 --> 00:47:02,560
mean most nations you know 90% of global

1104
00:47:09,810 --> 00:47:05,740
military spending is wrapped up with the

1105
00:47:12,000 --> 00:47:09,820
top 15 20 nations mm-hmm and so it's

1106
00:47:13,860 --> 00:47:12,010
those nations that really we have to

1107
00:47:15,570 --> 00:47:13,870
look at in terms of UFO secrecy the

1108
00:47:16,890 --> 00:47:15,580
other nations I think I don't really

1109
00:47:19,890 --> 00:47:16,900
think they have enough knowledge or data

1110
00:47:21,480 --> 00:47:19,900
or ability to have any like they

1111
00:47:24,030 --> 00:47:21,490
wouldn't be able to disclose the UFO

1112
00:47:28,740 --> 00:47:24,040
reality and of the top 20 the u.s.

1113
00:47:31,290 --> 00:47:28,750

controls you know 17 18 of them only

1114

00:47:32,610 --> 00:47:31,300

Russia and China are not in there so we

1115

00:47:34,260 --> 00:47:32,620

really are looking at Russia and China

1116

00:47:37,380 --> 00:47:34,270

for the international scene as far as

1117

00:47:39,210 --> 00:47:37,390

the wild cards go and I see them as very

1118

00:47:41,760 --> 00:47:39,220

conservative generally speaking they're

1119

00:47:43,620 --> 00:47:41,770

conservative nations they don't want

1120

00:47:45,480 --> 00:47:43,630

they're not interested in shaking things

1121

00:47:48,510 --> 00:47:45,490

up in a dramatic way and plus they're

1122

00:47:52,230 --> 00:47:48,520

both heavily dependent on hydrocarbons

1123

00:47:54,780 --> 00:47:52,240

gas and oil to me I've looked at UFO

1124

00:47:57,330 --> 00:47:54,790

disclosure always is something that has

1125

00:48:00,060 --> 00:47:57,340

energy implications I feel that it has

1126
00:48:04,920 --> 00:48:00,070
to because once an acknowledgement of

1127
00:48:07,140 --> 00:48:04,930
UFOs is made how long will it take

1128
00:48:09,720 --> 00:48:07,150
people to realize oh wow so wait a

1129
00:48:12,920 --> 00:48:09,730
minute if they're real I assume they're

1130
00:48:15,180 --> 00:48:12,930
not using high-octane petroleum right

1131
00:48:17,940 --> 00:48:15,190
whatever it is it's better than what

1132
00:48:20,880 --> 00:48:17,950
we're using and so implicit in the UFO

1133
00:48:22,800 --> 00:48:20,890
disclosure I've always felt is a post

1134
00:48:24,720 --> 00:48:22,810
petroleum society and that's I can't

1135
00:48:28,110 --> 00:48:24,730
think of anything more revolutionary in

1136
00:48:29,790 --> 00:48:28,120
our infrastructure than that and I don't

1137
00:48:32,790 --> 00:48:29,800
think Russia and China are any more

1138
00:48:34,410 --> 00:48:32,800

interested in rocking that boat than the

1139

00:48:38,610 --> 00:48:34,420

US power structure right at least right

1140

00:48:42,240 --> 00:48:38,620

now so I see a great deal of stability

1141

00:48:43,500 --> 00:48:42,250

coming from those countries although I

1142

00:48:44,940 --> 00:48:43,510

would actually if there was to be a

1143

00:48:46,710 --> 00:48:44,950

disclosure I would probably almost

1144

00:48:50,520 --> 00:48:46,720

prefer that the Chinese or Russians do

1145

00:48:52,350 --> 00:48:50,530

it ahead of the Americans right because

1146

00:48:54,480 --> 00:48:52,360

I think the Americans are just theirs

1147

00:48:56,300 --> 00:48:54,490

they've been lying for so long and

1148

00:48:58,920 --> 00:48:56,310

they've been running this for so long

1149

00:49:00,510 --> 00:48:58,930

we've got to get over the idea I mean

1150

00:49:03,150 --> 00:49:00,520

I'm an American I love America I study

1151
00:49:05,040 --> 00:49:03,160
American history every day but America

1152
00:49:07,980 --> 00:49:05,050
is not not the good guy in this battle

1153
00:49:12,060 --> 00:49:07,990
right and you know capitalization is

1154
00:49:12,980 --> 00:49:12,070
always an issue with this even if you

1155
00:49:15,230 --> 00:49:12,990
know the

1156
00:49:18,530 --> 00:49:15,240
reality of UFOs were to be given to the

1157
00:49:20,870 --> 00:49:18,540
public and then that you know let's say

1158
00:49:24,130 --> 00:49:20,880
free energy or whatever whatever the

1159
00:49:27,650 --> 00:49:24,140
hell these things use this propulsion

1160
00:49:29,870 --> 00:49:27,660
you know how how long will it take for

1161
00:49:33,109 --> 00:49:29,880
the government which is a very broad

1162
00:49:34,760 --> 00:49:33,119
term to uh control and contain that to

1163
00:49:38,960 --> 00:49:34,770

capitalize off of it you know what I

1164

00:49:42,650 --> 00:49:38,970

mean from crude oil to free energy I'm

1165

00:49:45,920 --> 00:49:42,660

sure there's some sort of plan or agenda

1166

00:49:48,920 --> 00:49:45,930

in action to when if and when that day

1167

00:49:51,380 --> 00:49:48,930

comes say our oil resources completely

1168

00:49:54,200 --> 00:49:51,390

deplete how will they make the most

1169

00:49:55,190 --> 00:49:54,210

money off of this new form of energy you

1170

00:49:56,240 --> 00:49:55,200

let's stay with this thought for a

1171

00:49:58,160 --> 00:49:56,250

minute it's really an interesting

1172

00:49:59,630 --> 00:49:58,170

thought so there's monetizing the

1173

00:50:02,060 --> 00:49:59,640

technology which I agree with you

1174

00:50:05,720 --> 00:50:02,070

completely has got to be key and then

1175

00:50:08,750 --> 00:50:05,730

the other concern so what will it as far

1176

00:50:10,370 --> 00:50:08,760

as monetizing I mean I wonder if it's

1177

00:50:14,540 --> 00:50:10,380

possible that they haven't figured out a

1178

00:50:16,640 --> 00:50:14,550

an accurate good way to monetize this so

1179

00:50:18,950 --> 00:50:16,650

and that might be the real problem for

1180

00:50:20,780 --> 00:50:18,960

example you know there are stories and

1181

00:50:22,790 --> 00:50:20,790

rumors and I don't really know if this

1182

00:50:27,550 --> 00:50:22,800

is the truth but you know back when

1183

00:50:31,910 --> 00:50:27,560

Tesla was working on his his energy

1184

00:50:35,180 --> 00:50:31,920

transmitter at Wycliffe and Wardencliff

1185

00:50:40,640 --> 00:50:35,190

anything right and it and and JP Morgan

1186

00:50:42,770 --> 00:50:40,650

was financing him and and Tesla's lab

1187

00:50:44,090 --> 00:50:42,780

was burned down and everyone suspected -

1188

00:50:46,120 --> 00:50:44,100

JP Morgan had a hand in it probably

1189

00:50:48,950 --> 00:50:46,130

probably did Morgan was a devious

1190

00:50:50,660 --> 00:50:48,960

canasta of the universe in his day and

1191

00:50:51,950 --> 00:50:50,670

the real creator by the way of the

1192

00:50:53,720 --> 00:50:51,960

modern military industrial complex

1193

00:50:57,020 --> 00:50:53,730

incidentally he did it during World War

1194

00:51:01,880 --> 00:50:57,030

one and he he ran the whole thing but

1195

00:51:03,500 --> 00:51:01,890

the point is Morgan could very well have

1196

00:51:05,260 --> 00:51:03,510

have destroyed Tesla's work because he

1197

00:51:07,310 --> 00:51:05,270

couldn't see how to monetize it I mean

1198

00:51:10,010 --> 00:51:07,320

you know every we're all working off of

1199

00:51:13,490 --> 00:51:10,020

oil and gas back then especially oil so

1200

00:51:16,250 --> 00:51:13,500

and today how would you monetize free

1201

00:51:19,910 --> 00:51:16,260

energy if it's if it's literally or

1202

00:51:22,420 --> 00:51:19,920

nearly literally free you know to give

1203

00:51:24,650 --> 00:51:22,430

people a tremendous amount of energy

1204

00:51:26,450 --> 00:51:24,660

you're not gonna make as much money off

1205

00:51:28,220 --> 00:51:26,460

of it you just won't

1206

00:51:30,970 --> 00:51:28,230

and so that's a real problem and we are

1207

00:51:34,130 --> 00:51:30,980

living in a world that is dominated by

1208

00:51:36,200 --> 00:51:34,140

the extraction of hydrocarbons from the

1209

00:51:38,839 --> 00:51:36,210

ground and that's the physical control

1210

00:51:41,540 --> 00:51:38,849

over the oil and natural gas is what

1211

00:51:44,210 --> 00:51:41,550

dominates u.s. policy that is what it is

1212

00:51:47,390 --> 00:51:44,220

all about it's 98 99 percent of US

1213

00:51:50,420 --> 00:51:47,400

policy is control over oil and natural

1214

00:51:51,950 --> 00:51:50,430

gas and not just physical oil but the

1215

00:51:53,630 --> 00:51:51,960

sale of oil through Petro dollars the

1216

00:51:56,599 --> 00:51:53,640

whole petro dollar system is the

1217

00:51:58,220 --> 00:51:56,609

foundation of US policy that is forcing

1218

00:52:02,000 --> 00:51:58,230

oil-producing regions to sell their oil

1219

00:52:03,380 --> 00:52:02,010

in u.s. dollars the petro dollar system

1220

00:52:07,310 --> 00:52:03,390

is starting to break down Russia and

1221

00:52:08,930 --> 00:52:07,320

China are breaking it down Saddam broke

1222

00:52:12,320 --> 00:52:08,940

out of it in 2000 and that's why the

1223

00:52:15,020 --> 00:52:12,330

u.s. invaded Iraq back then but the

1224

00:52:18,500 --> 00:52:15,030

system is inevitably breaking but but

1225

00:52:20,750 --> 00:52:18,510

with free energy you know monetizing

1226

00:52:21,950 --> 00:52:20,760

this oil and gas would be I'm not excuse

1227

00:52:23,990 --> 00:52:21,960

me monetizing the new form of energy

1228

00:52:26,510 --> 00:52:24,000

would be very problematic and then the

1229

00:52:30,250 --> 00:52:26,520

other aspect of free energy that might

1230

00:52:33,349 --> 00:52:30,260

be possibly even more problematic is

1231

00:52:37,300 --> 00:52:33,359

energy gives you and to me and all the

1232

00:52:40,040 --> 00:52:37,310

listeners a tremendous amount of power

1233

00:52:44,540 --> 00:52:40,050

figuratively and literally if we had a

1234

00:52:46,510 --> 00:52:44,550

free energy device right not only could

1235

00:52:48,770 --> 00:52:46,520

you be independent of your electrical

1236

00:52:52,370 --> 00:52:48,780

you know you go off the grid essentially

1237

00:52:56,829 --> 00:52:52,380

you wouldn't you don't need your utility

1238

00:52:58,579 --> 00:52:56,839

company and you're not dependent on that

1239

00:53:01,700 --> 00:52:58,589

critically important thing for your

1240

00:53:04,120 --> 00:53:01,710

survival it would be possible if someone

1241

00:53:06,500 --> 00:53:04,130

had an independent source of energy

1242

00:53:08,540 --> 00:53:06,510

literally to go off the grid and to go

1243

00:53:09,859 --> 00:53:08,550

out into the desert somewhere and you

1244

00:53:11,270 --> 00:53:09,869

could create your own house and you

1245

00:53:15,200 --> 00:53:11,280

could create your own energy system you

1246

00:53:17,480 --> 00:53:15,210

could you could you know synthesize your

1247

00:53:20,050 --> 00:53:17,490

own water through from the air I mean

1248

00:53:22,579 --> 00:53:20,060

with energy everything is solvable

1249

00:53:24,710 --> 00:53:22,589

everything is fixable with sufficient

1250

00:53:27,650 --> 00:53:24,720

energy and so what that does is it gives

1251

00:53:30,170 --> 00:53:27,660

people freedom a lot of freedom from the

1252

00:53:32,300 --> 00:53:30,180

system from Authority and I've got to

1253

00:53:34,160 --> 00:53:32,310

assume people at the top are not

1254

00:53:38,510 --> 00:53:34,170

interested the other problem with free

1255

00:53:39,890 --> 00:53:38,520

energy is that there is a danger human

1256

00:53:40,260 --> 00:53:39,900

beings are dangerous we're not nice

1257

00:53:45,600 --> 00:53:40,270

people

1258

00:53:48,330 --> 00:53:45,610

individually you and I on a good day

1259

00:53:52,830 --> 00:53:48,340

we're nice but overall if you give

1260

00:53:54,810 --> 00:53:52,840

people infinite freedom we often become

1261

00:53:58,680 --> 00:53:54,820

very very dangerous and very very awful

1262

00:54:00,090 --> 00:53:58,690

yeah and so what if with this free

1263

00:54:01,680 --> 00:54:00,100

energy you not only could you heat your

1264

00:54:04,170 --> 00:54:01,690

house forever for free but you can make

1265

00:54:06,120 --> 00:54:04,180

a really nifty bomb

1266

00:54:08,390 --> 00:54:06,130

what if we're using something like

1267

00:54:11,370 --> 00:54:08,400

zero-point energy if that's the solution

1268

00:54:13,020 --> 00:54:11,380

you you know I remember reading a

1269

00:54:17,250 --> 00:54:13,030

statement by doctor how put off whoo I

1270

00:54:18,660 --> 00:54:17,260

know how physicist he was very much in

1271

00:54:21,360 --> 00:54:18,670

the forefront of zero-point energy

1272

00:54:23,280 --> 00:54:21,370

research and he once speculated you know

1273

00:54:24,390 --> 00:54:23,290

what if there's enough energy and his

1274

00:54:27,330 --> 00:54:24,400

cup of coffee to blow up half the

1275

00:54:29,540 --> 00:54:27,340

Pacific Ocean and and he wasn't joking

1276

00:54:32,100 --> 00:54:29,550

like he doesn't know that there is but

1277

00:54:33,390 --> 00:54:32,110

theoretically it could be the amount of

1278

00:54:35,310 --> 00:54:33,400

energy in zero point could be

1279

00:54:38,670 --> 00:54:35,320

insignificant or it could be

1280

00:54:42,120 --> 00:54:38,680

unbelievably vast and what if a free

1281

00:54:43,920 --> 00:54:42,130

energy solution allows for tremendous

1282

00:54:47,100 --> 00:54:43,930

extraction of energy or production of

1283

00:54:49,710 --> 00:54:47,110

energy that would be very destructive

1284

00:54:51,810 --> 00:54:49,720

and so now we're letting loose genie out

1285

00:54:55,290 --> 00:54:51,820

of the bottle that could be a very

1286

00:54:56,700 --> 00:54:55,300

dangerous one and so this is one one

1287

00:54:58,680 --> 00:54:56,710

area where I might have sympathy right

1288

00:55:00,120 --> 00:54:58,690

with the secret keepers I mean anyone

1289

00:55:01,080 --> 00:55:00,130

thinking the stereo would think oh my

1290

00:55:04,650 --> 00:55:01,090

god

1291

00:55:08,940 --> 00:55:04,660

the problem is hey we don't know the

1292

00:55:14,240 --> 00:55:08,950

energy applications the I do know that

1293

00:55:21,210 --> 00:55:18,510

thing for our society that for those ID

1294

00:55:23,430 --> 00:55:21,220

lists left who believe in freedom and

1295

00:55:24,810 --> 00:55:23,440

liberty and freedom of inquiry it's been

1296

00:55:27,560 --> 00:55:24,820

very dangerous for that it's been very

1297

00:55:29,880 --> 00:55:27,570

destructive and we moved into a kind of

1298

00:55:32,160 --> 00:55:29,890

neo-fascist oligarchy I don't how else

1299

00:55:34,530 --> 00:55:32,170

to call it so for those things I'm not a

1300

00:55:37,260 --> 00:55:34,540

fan of that and I believe in in the

1301

00:55:40,080 --> 00:55:37,270

sunshine of truth so for that reason I

1302

00:55:42,090 --> 00:55:40,090

always believe in disclosure I have to

1303

00:55:44,100 --> 00:55:42,100

believe in the truth because if I don't

1304

00:55:45,710 --> 00:55:44,110

I can't believe in the truth and there's

1305

00:55:48,080 --> 00:55:45,720

nothing else really for me to believe in

1306

00:55:51,150 --> 00:55:48,090

and I think that it's still the most

1307

00:55:52,910 --> 00:55:51,160

proper foundation for a stable Society

1308

00:55:55,280 --> 00:55:52,920

as truth not falsehood

1309

00:55:58,370 --> 00:55:55,290

but if the truth is that we can't

1310

00:56:00,170 --> 00:55:58,380

control this energy then then our world

1311

00:56:02,360 --> 00:56:00,180

will have to find out ways of creating

1312

00:56:08,120 --> 00:56:02,370

the control and are we moving them

1313

00:56:09,530 --> 00:56:08,130

toward a completely inclusive system

1314

00:56:13,160 --> 00:56:09,540

where everyone is monitored where

1315

00:56:14,750 --> 00:56:13,170

everything is being checked by a you

1316

00:56:16,550 --> 00:56:14,760

know centralized artificial intelligence

1317

00:56:20,240 --> 00:56:16,560

for example to make sure that no one's

1318

00:56:22,370 --> 00:56:20,250

building the world's biggest bomb right

1319

00:56:24,140 --> 00:56:22,380

yeah I mean I I don't know I don't know

1320

00:56:27,110 --> 00:56:24,150

what the solution is we're moving into a

1321

00:56:30,890 --> 00:56:27,120

very you know the UFO subject is one of

1322

00:56:34,460 --> 00:56:30,900

several key issues that are going to

1323

00:56:36,200 --> 00:56:34,470

drive our future it's only one of them

1324

00:56:39,380 --> 00:56:36,210

it's a big one but it's not the only one

1325

00:56:40,910 --> 00:56:39,390

and we're moving into a a very very

1326
00:56:42,680 --> 00:56:40,920
different world the next 20 years I

1327
00:56:43,870 --> 00:56:42,690
don't even know who could predict what

1328
00:56:46,700 --> 00:56:43,880
our world is gonna look like in 20 years

1329
00:56:49,370 --> 00:56:46,710
right it's it's never been more

1330
00:56:51,170 --> 00:56:49,380
uncertain I feel and that's I there

1331
00:56:54,440 --> 00:56:51,180
going to be an extremely exciting time

1332
00:56:56,960 --> 00:56:54,450
to live in or scary or exciting or all

1333
00:57:00,380 --> 00:56:56,970
the above you know some ways I'm I agree

1334
00:57:01,700 --> 00:57:00,390
one of the things that I did that I've

1335
00:57:03,950 --> 00:57:01,710
been thinking through is this whole

1336
00:57:07,010 --> 00:57:03,960
disclosure scenarios different scenarios

1337
00:57:13,010 --> 00:57:07,020
of disclosure right when I wrote it

1338
00:57:15,380 --> 00:57:13,020

after disclosure six years ago seven Wow

1339

00:57:17,780 --> 00:57:15,390

we really had one fundamental disclosure

1340

00:57:19,580 --> 00:57:17,790

scenario and it's what I would now call

1341

00:57:23,780 --> 00:57:19,590

premature disclosure so in other words

1342

00:57:26,240 --> 00:57:23,790

something accidental happens a citing a

1343

00:57:30,260 --> 00:57:26,250

leak something unexpected because we're

1344

00:57:32,510 --> 00:57:30,270

in a very tumultuous era where things

1345

00:57:34,550 --> 00:57:32,520

are unexpected and I've often said

1346

00:57:37,790 --> 00:57:34,560

disclosure is impossible but inevitable

1347

00:57:41,900 --> 00:57:37,800

like that that paradox and that is

1348

00:57:43,220 --> 00:57:41,910

indeed a real possible way that the

1349

00:57:45,970 --> 00:57:43,230

disclosure will happen it won't be a

1350

00:57:49,160 --> 00:57:45,980

plan but it will happen as a result of

1351
00:57:50,810 --> 00:57:49,170
some accident you know WikiLeaks or

1352
00:57:52,400 --> 00:57:50,820
sighting or something like that but

1353
00:57:55,550 --> 00:57:52,410
there are other scenarios of disclosure

1354
00:57:58,460 --> 00:57:55,560
and actually it occurred to me after we

1355
00:58:00,290 --> 00:57:58,470
wrote after disclosure that maybe the

1356
00:58:01,610 --> 00:58:00,300
the leading candidate isn't that one but

1357
00:58:05,000 --> 00:58:01,620
rather a kind of fascist form of

1358
00:58:06,200 --> 00:58:05,010
disclosure in other words we're moving

1359
00:58:08,060 --> 00:58:06,210
toward were moving

1360
00:58:09,950 --> 00:58:08,070
into towards some version of a

1361
00:58:13,070 --> 00:58:09,960
neo-fascism I said I say neo-fascism

1362
00:58:15,950 --> 00:58:13,080
because fascism in 2017 is not gonna

1363
00:58:17,510 --> 00:58:15,960

look like 1937 right with Hitler's brown

1364

00:58:19,880 --> 00:58:17,520

shirts I mean nothing's ever the same in

1365

00:58:25,370 --> 00:58:19,890

history we're in a different era but but

1366

00:58:29,030 --> 00:58:25,380

a new iteration of version and it seems

1367

00:58:30,500 --> 00:58:29,040

to me that once complete control over

1368

00:58:33,260 --> 00:58:30,510

the spin over the propaganda system

1369

00:58:34,520 --> 00:58:33,270

total control is assured then maybe we

1370

00:58:36,460 --> 00:58:34,530

might be moving into a system where

1371

00:58:40,010 --> 00:58:36,470

there'll be a disclosure of some sort

1372

00:58:42,740 --> 00:58:40,020

but I don't think that that era has

1373

00:58:44,060 --> 00:58:42,750

arised arisen yet where we've got where

1374

00:58:45,290 --> 00:58:44,070

there's total control over the span

1375

00:58:48,200 --> 00:58:45,300

there's still enough independence out

1376

00:58:49,910 --> 00:58:48,210

there so if there's a disclosure it's

1377

00:58:52,849 --> 00:58:49,920

not clear to me that the government or

1378

00:58:54,500 --> 00:58:52,859

the intelligence community would be able

1379

00:58:57,230 --> 00:58:54,510

to maintain full control over the spin

1380

00:58:59,599 --> 00:58:57,240

they control can control spin from so

1381

00:59:01,730 --> 00:58:59,609

much and they might for this but this is

1382

00:59:03,530 --> 00:59:01,740

a big topic this is a tough one

1383

00:59:05,900 --> 00:59:03,540

so I think once they get to a point

1384

00:59:07,670 --> 00:59:05,910

where they're convinced that yes we

1385

00:59:10,070 --> 00:59:07,680

controlled the news we're surveilling

1386

00:59:11,420 --> 00:59:10,080

people 24/7 we've got everyone ship we

1387

00:59:12,770 --> 00:59:11,430

got everyone drugged we've got everyone

1388

00:59:15,560 --> 00:59:12,780

basically zoned out when watching

1389

00:59:16,700 --> 00:59:15,570

Dancing with the Stars now we can we can

1390

00:59:17,660 --> 00:59:16,710

roll this out because no one knows

1391

00:59:20,270 --> 00:59:17,670

anything anymore

1392

00:59:22,220 --> 00:59:20,280

I mean we've erased and really all you

1393

00:59:23,540 --> 00:59:22,230

have to do is look around you and it's

1394

00:59:26,630 --> 00:59:23,550

it's distressing to me

1395

00:59:28,370 --> 00:59:26,640

I see so few people with even the most

1396

00:59:33,859 --> 00:59:28,380

bare-bones understanding of history and

1397

00:59:36,710 --> 00:59:33,869

politics it's I don't know if it was any

1398

00:59:39,950 --> 00:59:36,720

better when I was a younger guy but I

1399

00:59:42,109 --> 00:59:39,960

think it was better um I I don't know

1400

00:59:44,960 --> 00:59:42,119

there there are there's a few people

1401
00:59:47,839 --> 00:59:44,970
nowadays who are kind of awake mm-hmm

1402
00:59:50,720 --> 00:59:47,849
but there's an enormous mass of people

1403
00:59:52,609 --> 00:59:50,730
who I just think are as asleep at the

1404
00:59:54,740 --> 00:59:52,619
switch as ever maybe maybe I don't know

1405
00:59:55,910 --> 00:59:54,750
maybe I'm wrong but anyway I think we're

1406
00:59:57,349 --> 00:59:55,920
moving toward a fascist kind of

1407
00:59:59,200 --> 00:59:57,359
disclosure I think that's the preferred

1408
01:00:02,240 --> 00:59:59,210
method of disclosure but there's other

1409
01:00:04,570 --> 01:00:02,250
there's other ways there's you know an

1410
01:00:07,130 --> 01:00:04,580
accident can happen a leak can happen or

1411
01:00:10,040 --> 01:00:07,140
best-case scenario the people themselves

1412
01:00:11,690 --> 01:00:10,050
we can drive this process and I I think

1413
01:00:13,790 --> 01:00:11,700

that's the healthiest way because it

1414

01:00:16,700 --> 01:00:13,800

helps us to reclaim our power help

1415

01:00:18,349 --> 01:00:16,710

reclaim the helplessness to get rid of

1416

01:00:18,870 --> 01:00:18,359

that which has been encroaching on our

1417

01:00:22,140 --> 01:00:18,880

lives

1418

01:00:24,390 --> 01:00:22,150

has generation or more right well you

1419

01:00:27,029 --> 01:00:24,400

know rich I do have to bring this up the

1420

01:00:30,120 --> 01:00:27,039

black sheep in ufology at this moment in

1421

01:00:33,240 --> 01:00:30,130

terms of disclosure and that's Tom

1422

01:00:36,390 --> 01:00:33,250

DeLonge what well indeed what do you

1423

01:00:38,279 --> 01:00:36,400

make of this entire thing going on is

1424

01:00:39,920 --> 01:00:38,289

this guy for real

1425

01:00:43,170 --> 01:00:39,930

it's he actually being fed

1426

01:00:45,059 --> 01:00:43,180

disinformation information probably a

1427

01:00:46,769 --> 01:00:45,069

mixture both or is this all complete

1428

01:00:49,349 --> 01:00:46,779

[h__h] like what what do you make of

1429

01:00:52,349 --> 01:00:49,359

this uh yeah that's a very good question

1430

01:00:55,220 --> 01:00:52,359

I met I met Tom to launch once back in

1431

01:00:57,720 --> 01:00:55,230

2014 he was I liked him you know he's

1432

01:01:00,420 --> 01:00:57,730

for anyone who's living in a cave he's

1433

01:01:02,430 --> 01:01:00,430

the head lead singer blink-182 my

1434

01:01:06,859 --> 01:01:02,440

daughter who's now 18 you know when she

1435

01:01:10,170 --> 01:01:06,869

was a few years ago she loved Blanco and

1436

01:01:13,829 --> 01:01:10,180

and so he's he's into UFOs I met him in

1437

01:01:16,109 --> 01:01:13,839

2014 he was really into it then this was

1438

01:01:22,710 --> 01:01:16,119

before he wrote his book secret machines

1439

01:01:25,769 --> 01:01:22,720

and I am I'm very cautious I'm very I

1440

01:01:27,839 --> 01:01:25,779

actually I don't I don't take what he's

1441

01:01:30,870 --> 01:01:27,849

saying at face value I haven't from the

1442

01:01:32,910 --> 01:01:30,880

beginning and I and I will not it seems

1443

01:01:34,829 --> 01:01:32,920

to me it's way too convenient the

1444

01:01:37,529 --> 01:01:34,839

leakers coming to him have convinced him

1445

01:01:39,299 --> 01:01:37,539

that they're the white hats that the

1446

01:01:40,799 --> 01:01:39,309

secrecy exists for a good reason and he

1447

01:01:42,420 --> 01:01:40,809

has said this and that they're

1448

01:01:44,999 --> 01:01:42,430

protecting us they're they're working on

1449

01:01:49,410 --> 01:01:45,009

our behalf and I just think that that's

1450

01:01:51,390 --> 01:01:49,420

a very self-serving way to promote the

1451

01:01:54,569 --> 01:01:51,400

information when I look at the history

1452

01:01:57,440 --> 01:01:54,579

of secrecy I do not see that I see

1453

01:02:00,420 --> 01:01:57,450

secrecy as a very self-serving

1454

01:02:04,650 --> 01:02:00,430

profit-driven control driven type of

1455

01:02:07,400 --> 01:02:04,660

situation where there may very well be

1456

01:02:10,380 --> 01:02:07,410

people on the inside who believe that

1457

01:02:11,549 --> 01:02:10,390

they'll they'll rationalize anything you

1458

01:02:14,430 --> 01:02:11,559

know we're doing this for the people but

1459

01:02:15,690 --> 01:02:14,440

in reality I don't I don't believe that

1460

01:02:17,220 --> 01:02:15,700

that is the case I think there's way too

1461

01:02:20,430 --> 01:02:17,230

much profit and power involved in the

1462

01:02:22,620 --> 01:02:20,440

UFO secret having said that are these

1463

01:02:26,700 --> 01:02:22,630

people for real are they giving them

1464

01:02:29,279 --> 01:02:26,710

genuine information bottom line is this

1465

01:02:33,020 --> 01:02:29,289

none of this is really gonna make much

1466

01:02:36,290 --> 01:02:33,030

headway until genuine confirmable date

1467

01:02:38,870 --> 01:02:36,300

is released otherwise it's just people

1468

01:02:39,980 --> 01:02:38,880

talking right and even if they're head

1469

01:02:42,110 --> 01:02:39,990

of Lockheed skunkworks

1470

01:02:45,740 --> 01:02:42,120

even if they run run the lab at

1471

01:02:47,540 --> 01:02:45,750

wright-patterson where we believe alien

1472

01:02:49,690 --> 01:02:47,550

tech was being studied I mean those are

1473

01:02:54,290 --> 01:02:49,700

two of his leaguers two of his people

1474

01:02:57,830 --> 01:02:54,300

doesn't matter it these people none of

1475

01:02:59,570 --> 01:02:57,840

them have made a public statement that

1476

01:03:02,750 --> 01:02:59,580

can be directly attributable to them

1477

01:03:07,490 --> 01:03:02,760

that they will publicly support alright

1478

01:03:11,420 --> 01:03:07,500

so when the head of Boeing skunk works

1479

01:03:13,280 --> 01:03:11,430

excuse me Lockheed skunkworks comes out

1480

01:03:15,200 --> 01:03:13,290

and says yes I've been meeting with Tom

1481

01:03:17,950 --> 01:03:15,210

to launch we talked about this this is

1482

01:03:20,390 --> 01:03:17,960

real if the head of right Pat's

1483

01:03:23,060 --> 01:03:20,400

Laboratory comes out McCaslin I think

1484

01:03:26,270 --> 01:03:23,070

his name is comes out and says this then

1485

01:03:27,980 --> 01:03:26,280

yes if the Major General over at

1486

01:03:30,260 --> 01:03:27,990

Cheyenne Mountain comes out and states

1487

01:03:31,970 --> 01:03:30,270

we're doing this right now these people

1488

01:03:33,890 --> 01:03:31,980

are hiding away in the background and

1489

01:03:37,130 --> 01:03:33,900

Tom DeLonge is their front man

1490

01:03:39,950 --> 01:03:37,140

and he's putting himself out there but

1491

01:03:43,250 --> 01:03:39,960

the problem with that strategy is that

1492

01:03:45,080 --> 01:03:43,260

Tom DeLonge is a rock star and and I

1493

01:03:45,880 --> 01:03:45,090

believe he's a good guy but that's not

1494

01:03:51,950 --> 01:03:45,890

enough

1495

01:03:53,660 --> 01:03:51,960

to give credibility to this phenomenon

1496

01:03:57,110 --> 01:03:53,670

well these guys are hanging out in the

1497

01:04:00,340 --> 01:03:57,120

background no public statements and and

1498

01:04:02,900 --> 01:04:00,350

absolutely no data well yeah

1499

01:04:05,060 --> 01:04:02,910

informations coming out so yeah so all

1500

01:04:08,660 --> 01:04:05,070

this is is talk talk talk it's talk and

1501

01:04:11,270 --> 01:04:08,670

and to add I mean their names were never

1502

01:04:13,460 --> 01:04:11,280

supposed to be given until the Podesta

1503

01:04:15,980 --> 01:04:13,470

emails were leaked so I mean right there

1504

01:04:18,920 --> 01:04:15,990

they're even further back in the corner

1505

01:04:21,200 --> 01:04:18,930

not willing to come forward or make any

1506

01:04:22,640 --> 01:04:21,210

public statement I agree with you and I

1507

01:04:26,840 --> 01:04:22,650

think the Podesta angle has been really

1508

01:04:28,580 --> 01:04:26,850

overplayed and played up okay this is

1509

01:04:29,900 --> 01:04:28,590

where I had yeah I have to strongly

1510

01:04:31,670 --> 01:04:29,910

disagree with my friend colleague

1511

01:04:34,100 --> 01:04:31,680

Stephen Bassett I think he got this

1512

01:04:35,840 --> 01:04:34,110

whole thing wrong and Grant Cameron and

1513

01:04:37,940 --> 01:04:35,850

I respect them both tremendously but I

1514

01:04:40,040 --> 01:04:37,950

never agreed with him on this where they

1515

01:04:43,370 --> 01:04:40,050

think Podesta is genuinely pushing for

1516

01:04:44,960 --> 01:04:43,380

disclosure I never seen this it's one

1517

01:04:47,480 --> 01:04:44,970

thing to have an interest in UFOs which

1518

01:04:51,380 --> 01:04:47,490

okay he does

1519

01:04:54,110 --> 01:04:51,390

and yes yes Podesta made a couple of

1520

01:04:55,520 --> 01:04:54,120

statements about UFOs in his career he

1521

01:04:58,190 --> 01:04:55,530

did this he did the press conference

1522

01:05:02,200 --> 01:04:58,200

back in o2 and he made the tweets the

1523

01:05:04,730 --> 01:05:02,210

one tweet hashtag disclosure however

1524

01:05:06,770 --> 01:05:04,740

John Podesta is one of the most savvy

1525

01:05:13,640 --> 01:05:06,780

political operators in the world right

1526

01:05:18,440 --> 01:05:13,650

right and I firmly believe that he has

1527

01:05:23,330 --> 01:05:18,450

made a recognition that the UFO subject

1528

01:05:26,000 --> 01:05:23,340

in 2014 2015 2016 and today this is not

1529

01:05:27,770 --> 01:05:26,010

where it was that in the 1990s 1990s you

1530

01:05:28,610 --> 01:05:27,780

talk about UFOs it's a career ender

1531

01:05:31,820 --> 01:05:28,620

you're done

1532

01:05:33,440 --> 01:05:31,830

hell even in 2008 it torpedoed the

1533

01:05:35,530 --> 01:05:33,450

career of Dennis Kucinich for his

1534

01:05:38,210 --> 01:05:35,540

presidential candidate candidacy when

1535

01:05:39,770 --> 01:05:38,220

they just tore him to pieces over the

1536

01:05:42,500 --> 01:05:39,780

fact that he had been a UFO witness I

1537

01:05:44,270 --> 01:05:42,510

didn't talk about it and by the way he

1538

01:05:46,970 --> 01:05:44,280

was corroborated by two other people who

1539

01:05:48,050 --> 01:05:46,980

said oh yes absolutely it was a triangle

1540

01:05:49,310 --> 01:05:48,060

it was unbelievable we were on the

1541

01:05:51,560 --> 01:05:49,320

property of Shirley MacLaine when it

1542

01:05:54,050 --> 01:05:51,570

happened I mean it was a really good

1543

01:05:57,890 --> 01:05:54,060

sighting back in the 80s and Kucinich

1544

01:06:00,010 --> 01:05:57,900

got reamed in 2008 for that but even

1545

01:06:02,630 --> 01:06:00,020

since oh wait we've gone through a

1546

01:06:04,900 --> 01:06:02,640

dramatic transformation of the culture

1547

01:06:07,670 --> 01:06:04,910

with YouTube and Facebook social media

1548

01:06:09,830 --> 01:06:07,680

and I think Podesta is a savvy political

1549

01:06:13,250 --> 01:06:09,840

operator has recognized that there are

1550

01:06:15,220 --> 01:06:13,260

votes to be won that UFOs are kind of

1551

01:06:18,650 --> 01:06:15,230

cool they actually are kind of cool

1552

01:06:21,070 --> 01:06:18,660

people are into it there's a tremendous

1553

01:06:24,680 --> 01:06:21,080

market ufo's in other words are a brand

1554

01:06:26,870 --> 01:06:24,690

yes Sarah Brown and Podesta realizes

1555

01:06:29,360 --> 01:06:26,880

that this brand can be tapped as long as

1556

01:06:31,280 --> 01:06:29,370

you're careful like and he's been very

1557

01:06:32,960 --> 01:06:31,290

careful he's very smart about this and

1558

01:06:35,690 --> 01:06:32,970

Hillary was very smart about this

1559

01:06:37,670 --> 01:06:35,700

she let Podesta do the talking for the

1560

01:06:38,570 --> 01:06:37,680

most part a little bit then she did her

1561

01:06:43,420 --> 01:06:38,580

thing on Jimmy Kimmel

1562

01:06:45,890 --> 01:06:43,430

but she never overplayed the UFO part

1563

01:06:49,040 --> 01:06:45,900

they did it just enough to get people

1564

01:06:50,620 --> 01:06:49,050

into UFOs to think oh wow wow they're

1565

01:06:53,660 --> 01:06:50,630

into UFOs I'm gonna vote for her

1566

01:06:54,830 --> 01:06:53,670

and I be I believe that's exactly and a

1567

01:06:57,800 --> 01:06:54,840

hundred percent of what it was all about

1568

01:06:59,750 --> 01:06:57,810

was simply to get the vote and I would I

1569

01:07:00,180 --> 01:06:59,760

mean we'll never know because she didn't

1570

01:07:03,480 --> 01:07:00,190

win the

1571

01:07:06,300 --> 01:07:03,490

but had she won I I would absolutely

1572

01:07:10,260 --> 01:07:06,310

never have expected her to do anything

1573

01:07:14,460 --> 01:07:10,270

like a disclosure never yeah well in

1574

01:07:18,270 --> 01:07:14,470

terms of civilian research into the UFO

1575

01:07:19,829 --> 01:07:18,280

topic Rachel I want to touch on you know

1576

01:07:22,470 --> 01:07:19,839

the the the big one

1577

01:07:24,030 --> 01:07:22,480

let's say MUFON this is a listener

1578

01:07:26,040 --> 01:07:24,040

question from I believe a field

1579

01:07:28,410 --> 01:07:26,050

investigator what are your thoughts on

1580

01:07:30,809 --> 01:07:28,420

the functionality and the behavior of

1581

01:07:34,640 --> 01:07:30,819

research organizations looking into the

1582

01:07:38,579 --> 01:07:34,650

UFO topic that's a great question

1583

01:07:40,680 --> 01:07:38,589

I'm a strong supporter and the in the

1584

01:07:44,700 --> 01:07:40,690

idea of MUFON I think we need

1585

01:07:46,050 --> 01:07:44,710

organizations like MUFON I get a little

1586

01:07:47,700 --> 01:07:46,060

frustrated when people say oh we're done

1587

01:07:49,530 --> 01:07:47,710

we're done with UFO reports now let's

1588

01:07:51,210 --> 01:07:49,540

talk about the implications well yes and

1589

01:07:52,530 --> 01:07:51,220

no we're not really done with the UFO

1590

01:07:54,720 --> 01:07:52,540

reports and the reason we're not done

1591

01:07:58,190 --> 01:07:54,730

with them is because what we absolutely

1592

01:08:01,710 --> 01:07:58,200

need are well researched solid

1593

01:08:03,569 --> 01:08:01,720

investigative cases this strengthens the

1594

01:08:07,319 --> 01:08:03,579

cause for all of us

1595

01:08:08,819 --> 01:08:07,329

and MUFON above any other organization

1596

01:08:10,109 --> 01:08:08,829

that I can think of is really best

1597

01:08:12,270 --> 01:08:10,119

suited to do this

1598

01:08:16,110 --> 01:08:12,280

in other words a very strong MUFON

1599

01:08:17,249 --> 01:08:16,120

investigation that goes to the process

1600

01:08:20,430 --> 01:08:17,259

properly that interviews witnesses

1601
01:08:22,680 --> 01:08:20,440
against any kind of evidence that it can

1602
01:08:25,050 --> 01:08:22,690
put forth and in a proper analysis to

1603
01:08:26,340 --> 01:08:25,060
show that such and such a UFO incident

1604
01:08:28,380 --> 01:08:26,350
is genuine and doesn't seem to be

1605
01:08:31,309 --> 01:08:28,390
explainable conventionally we need this

1606
01:08:33,059 --> 01:08:31,319
we need this in 2017 as much as ever

1607
01:08:34,499 --> 01:08:33,069
there's a lot of times people think

1608
01:08:35,849 --> 01:08:34,509
about UFOs and they think oh well that's

1609
01:08:38,959 --> 01:08:35,859
back you know there were UFO sightings

1610
01:08:41,760 --> 01:08:38,969
in the 50s so we need this today and we

1611
01:08:43,740 --> 01:08:41,770
need MUFON to be at the top of its game

1612
01:08:46,200 --> 01:08:43,750
to do this now the problem has always

1613
01:08:47,070 --> 01:08:46,210

been that MUFON look there's never been

1614

01:08:49,200 --> 01:08:47,080

money and move on

1615

01:08:50,999 --> 01:08:49,210

the investigators who are involved in

1616

01:08:53,479 --> 01:08:51,009

this do this on their own dime their own

1617

01:08:56,459 --> 01:08:53,489

energy their own time commitment and

1618

01:08:58,079 --> 01:08:56,469

some of them do a fantastic job with all

1619

01:09:00,749 --> 01:08:58,089

of those obstacles and they still do a

1620

01:09:05,130 --> 01:09:00,759

great job but it's very difficult it's

1621

01:09:06,720 --> 01:09:05,140

very difficult for years I was a little

1622

01:09:09,689 --> 01:09:06,730

bit of a gadfly I think I'd like to stay

1623

01:09:12,479 --> 01:09:09,699

with MUFON and one of the things that

1624

01:09:14,010 --> 01:09:12,489

I've always said is that MUFON needed to

1625

01:09:17,190 --> 01:09:14,020

put together an annual

1626
01:09:18,840 --> 01:09:17,200
port if nothing else MUFON I said stop

1627
01:09:20,220 --> 01:09:18,850
sucking in the information and not

1628
01:09:21,720 --> 01:09:20,230
giving anything back we need to have

1629
01:09:24,200 --> 01:09:21,730
data what are you investigating what are

1630
01:09:27,329 --> 01:09:24,210
the results of your investigation and

1631
01:09:30,240 --> 01:09:27,339
Jan horizon-- and I say this to his

1632
01:09:33,510 --> 01:09:30,250
credit has been attempting to do these

1633
01:09:35,039 --> 01:09:33,520
annual reports I have one of them I

1634
01:09:37,860 --> 01:09:35,049
think he's been doing them every year to

1635
01:09:39,720 --> 01:09:37,870
put out you know how bare bones like

1636
01:09:41,070 --> 01:09:39,730
these are the number of cases we have

1637
01:09:42,510 --> 01:09:41,080
these what we've investigated these are

1638
01:09:46,110 --> 01:09:42,520

our unknowns and these are our top

1639

01:09:47,970 --> 01:09:46,120

unknowns of the year and I said this is

1640

01:09:50,400 --> 01:09:47,980

what you need to do move on and so I

1641

01:09:53,220 --> 01:09:50,410

think they're still doing that but

1642

01:09:55,170 --> 01:09:53,230

there's so much more to go and we're

1643

01:09:56,670 --> 01:09:55,180

only talking the United States the

1644

01:09:57,650 --> 01:09:56,680

United States has five percent four

1645

01:09:59,610 --> 01:09:57,660

percent of the world's population

1646

01:10:02,910 --> 01:09:59,620

there's a whole big world out there and

1647

01:10:06,900 --> 01:10:02,920

as bad as it is in the u.s. it's vastly

1648

01:10:09,720 --> 01:10:06,910

worse in every other country in terms of

1649

01:10:11,130 --> 01:10:09,730

generating UFO data well I mean it's

1650

01:10:13,890 --> 01:10:11,140

frightening to say that the u.s. is the

1651
01:10:18,450 --> 01:10:13,900
best at this u.s. and Canada but really

1652
01:10:20,310 --> 01:10:18,460
us Brazil they have got good UFO

1653
01:10:22,890 --> 01:10:20,320
researchers but there's is there a

1654
01:10:25,740 --> 01:10:22,900
national database of sightings no there

1655
01:10:28,440 --> 01:10:25,750
isn't not to my knowledge they it's all

1656
01:10:29,460 --> 01:10:28,450
sporadic we have the MUFON database and

1657
01:10:31,740 --> 01:10:29,470
we have the national UFO Reporting

1658
01:10:33,420 --> 01:10:31,750
Center here in North America so if

1659
01:10:34,860 --> 01:10:33,430
someone sees what they think is a UFO at

1660
01:10:37,500 --> 01:10:34,870
the very least they can report it

1661
01:10:40,130 --> 01:10:37,510
elsewhere in the world got nothing yeah

1662
01:10:43,340 --> 01:10:40,140
Europe nothing Britain no nothing really

1663
01:10:45,750 --> 01:10:43,350

Germany Russia to my knowledge China

1664

01:10:48,930 --> 01:10:45,760

these countries all have good UFO

1665

01:10:51,840 --> 01:10:48,940

researchers in them but they need we

1666

01:10:55,400 --> 01:10:51,850

need data and beyond that we need data

1667

01:11:00,300 --> 01:10:55,410

that's been investigated and that

1668

01:11:03,090 --> 01:11:00,310

approaches some level of scientific data

1669

01:11:03,930 --> 01:11:03,100

because that's really the only way we're

1670

01:11:06,630 --> 01:11:03,940

gonna make a breakthrough

1671

01:11:08,250 --> 01:11:06,640

we need a good sledgehammer break

1672

01:11:11,400 --> 01:11:08,260

through this wall of secrecy and we can

1673

01:11:14,100 --> 01:11:11,410

only do it with scientific data

1674

01:11:17,760 --> 01:11:14,110

well investigated data and that's what

1675

01:11:20,640 --> 01:11:17,770

MUFON should be doing and can do I'm

1676

01:11:23,760 --> 01:11:20,650

speaking at this year's MUFON symposium

1677

01:11:27,209 --> 01:11:23,770

for the first time in years I feel that

1678

01:11:29,549 --> 01:11:27,219

I was unofficially banned for six years

1679

01:11:33,569 --> 01:11:29,559

I mean honestly I think I was that's

1680

01:11:34,680 --> 01:11:33,579

fine but I'm a little bit this is all

1681

01:11:39,239 --> 01:11:34,690

about they're doing a thing on the

1682

01:11:41,540 --> 01:11:39,249

secret space program and and I I'm gonna

1683

01:11:43,739 --> 01:11:41,550

say here and here and now the

1684

01:11:45,660 --> 01:11:43,749

individuals that I'm gonna be on a panel

1685

01:11:48,629 --> 01:11:45,670

with on this our individuals that I

1686

01:11:51,089 --> 01:11:48,639

don't all consider reputable and I will

1687

01:11:53,580 --> 01:11:51,099

be making it very clear when I'm at this

1688

01:11:56,819 --> 01:11:53,590

panel that I'm not starting a war with

1689

01:12:00,799 --> 01:11:56,829

anyone but I will be I will be speaking

1690

01:12:02,790 --> 01:12:00,809

very candidly about the failure of

1691

01:12:04,589 --> 01:12:02,800

number of these other individuals to

1692

01:12:07,109 --> 01:12:04,599

provide any kind of confirmable or

1693

01:12:10,379 --> 01:12:07,119

reasonable or even logical data behind

1694

01:12:12,330 --> 01:12:10,389

them and I'm gonna call them out so but

1695

01:12:15,299 --> 01:12:12,340

what I'm a little bit distressed by is

1696

01:12:18,060 --> 01:12:15,309

that this is a the main feature MUFON

1697

01:12:20,580 --> 01:12:18,070

because it's popular people love to talk

1698

01:12:22,709 --> 01:12:20,590

about the secret space program if you go

1699

01:12:26,629 --> 01:12:22,719

to the UFO subject those types of books

1700

01:12:28,739 --> 01:12:26,639

are the top-selling books these days and

1701

01:12:31,109 --> 01:12:28,749

so it's a matter of giving the people

1702

01:12:34,219 --> 01:12:31,119

what they want however this is not going

1703

01:12:38,100 --> 01:12:34,229

to be done in a scientific detached way

1704

01:12:42,930 --> 01:12:38,110

and my fear you know MUFON i it in a

1705

01:12:44,850 --> 01:12:42,940

MUFON show hangar one on TV but which

1706

01:12:47,250 --> 01:12:44,860

was a good idea and which had its own

1707

01:12:51,569 --> 01:12:47,260

problems to be perfectly candid yeah and

1708

01:12:54,709 --> 01:12:51,579

so much here is that MUFON who funds got

1709

01:12:58,529 --> 01:12:54,719

to be very careful here about going into

1710

01:13:00,779 --> 01:12:58,539

an area where they're just dealing more

1711

01:13:03,899 --> 01:13:00,789

with public relations and less with

1712

01:13:05,399 --> 01:13:03,909

scientific inquiry I mean they need PR

1713

01:13:08,189 --> 01:13:05,409

they need to get the word out there

1714

01:13:12,569 --> 01:13:08,199

absolutely move on all through the 80s

1715

01:13:14,729 --> 01:13:12,579

and 90s utterly failed at that MUFON is

1716

01:13:16,890 --> 01:13:14,739

website and you know for most of its

1717

01:13:19,189 --> 01:13:16,900

history has been absolute junk they're

1718

01:13:22,109 --> 01:13:19,199

only now just making it something nice

1719

01:13:24,419 --> 01:13:22,119

but they still have to remain scientific

1720

01:13:26,759 --> 01:13:24,429

and if they don't do that that's their

1721

01:13:29,129 --> 01:13:26,769

core that is their strength their

1722

01:13:32,160 --> 01:13:29,139

strength is not in pretending to have

1723

01:13:34,109 --> 01:13:32,170

underground base files on hangar one or

1724

01:13:35,399 --> 01:13:34,119

presidential files of UFOs and Hank like

1725

01:13:38,060 --> 01:13:35,409

they did in hangar one that's not their

1726

01:13:40,180 --> 01:13:38,070

strength their strength is in doing

1727

01:13:42,370 --> 01:13:40,190

field investigations

1728

01:13:44,020 --> 01:13:42,380

and when they move away from that that

1729

01:13:46,330 --> 01:13:44,030

is their core that's their core business

1730

01:13:48,250 --> 01:13:46,340

as it were and if they move away from

1731

01:13:51,730 --> 01:13:48,260

that they are going to endanger

1732

01:13:54,690 --> 01:13:51,740

themselves and they'll just be just

1733

01:13:57,520 --> 01:13:54,700

another PR company selling their brand

1734

01:14:03,960 --> 01:13:57,530

expand if that happens then we're all

1735

01:14:06,850 --> 01:14:03,970

we're all worse off so let's say yeah

1736

01:14:09,310 --> 01:14:06,860

yeah it's a delicate balance too rich I

1737

01:14:11,710 --> 01:14:09,320

mean in the last week I've spoken to

1738

01:14:14,380 --> 01:14:11,720

several MUFON investigators who off the

1739

01:14:16,990 --> 01:14:14,390

top of their head could give me the

1740

01:14:19,930 --> 01:14:17,000

amount of reports from this year on

1741

01:14:22,300 --> 01:14:19,940

cigar-shaped craft or these orbs or

1742

01:14:24,760 --> 01:14:22,310

these discs what-have-you so that core

1743

01:14:28,060 --> 01:14:24,770

work like you mentioned is being done

1744

01:14:30,730 --> 01:14:28,070

but it is not at the forefront and that

1745

01:14:33,310 --> 01:14:30,740

is a delicate balance between wanting to

1746

01:14:37,000 --> 01:14:33,320

get something like hangar 1 on a you

1747

01:14:38,860 --> 01:14:37,010

know a cable network to get that this

1748

01:14:42,130 --> 01:14:38,870

organization out to the public but then

1749

01:14:44,020 --> 01:14:42,140

again it's a risky game because the more

1750

01:14:47,500 --> 01:14:44,030

sensational you become with these

1751

01:14:49,030 --> 01:14:47,510

underground files it's tricky I get it I

1752

01:14:51,700 --> 01:14:49,040

totally they need they need to make

1753

01:14:53,410 --> 01:14:51,710

their money we can all appreciate that

1754

01:14:55,000 --> 01:14:53,420

you can't run a decent organization if

1755

01:14:57,100 --> 01:14:55,010

you're not getting some cash flow so

1756

01:14:58,270 --> 01:14:57,110

they have to do that the way that

1757

01:15:01,000 --> 01:14:58,280

they've been doing it in the past I

1758

01:15:02,320 --> 01:15:01,010

think was really really questionable and

1759

01:15:04,420 --> 01:15:02,330

in fact they think they still do it's

1760

01:15:05,680 --> 01:15:04,430

like the board members of MUFON are on

1761

01:15:07,180 --> 01:15:05,690

the board because they pay a lot of

1762

01:15:11,260 --> 01:15:07,190

money to move on right

1763

01:15:15,160 --> 01:15:11,270

they basically buy their way in I think

1764

01:15:20,220 --> 01:15:15,170

that's uh not not a good way to do it I

1765

01:15:23,470 --> 01:15:20,230

don't think I support this at all but

1766

01:15:25,030 --> 01:15:23,480

but they on the other hand they need to

1767

01:15:27,060 --> 01:15:25,040

find to find a way to make the money and

1768

01:15:29,830 --> 01:15:27,070

now they're doing it through TV and

1769

01:15:32,170 --> 01:15:29,840

through getting their brand out there

1770

01:15:33,880 --> 01:15:32,180

which is not the worst way to do it but

1771

01:15:36,160 --> 01:15:33,890

they've just got to be very careful with

1772

01:15:37,750 --> 01:15:36,170

how they do it exactly and when you go

1773

01:15:39,400 --> 01:15:37,760

in a TV you're making a deal with the

1774

01:15:42,120 --> 01:15:39,410

devil MUFON did this back in the 70s

1775

01:15:44,440 --> 01:15:42,130

with the National Enquirer by the way

1776

01:15:47,020 --> 01:15:44,450

and talked about media and National

1777

01:15:49,750 --> 01:15:47,030

Enquirer is and was at least was a CIA

1778

01:15:51,760 --> 01:15:49,760

outfit I don't know if it still is back

1779

01:15:53,110 --> 01:15:51,770

in the 70s it was absolutely doing work

1780

01:15:54,010 --> 01:15:53,120

for the CIA it was run by a guy named

1781

01:15:58,470 --> 01:15:54,020

Jean Pope who was

1782

01:16:03,130 --> 01:15:58,480

CIA X mafioso - but definitely CIA and

1783

01:16:04,870 --> 01:16:03,140

and MUFON was actually very close with

1784

01:16:08,950 --> 01:16:04,880

the National Inquirer for through the

1785

01:16:10,630 --> 01:16:08,960

70s and a lot of people back then

1786

01:16:12,310 --> 01:16:10,640

thought why are we doing this and

1787

01:16:17,050 --> 01:16:12,320

because it's really hurting our

1788

01:16:18,640 --> 01:16:17,060

reputation and MUFON leadership's answer

1789

01:16:21,670 --> 01:16:18,650

it was Walter hundreds running MUFON at

1790

01:16:23,200 --> 01:16:21,680

the time said look we you know any

1791

01:16:24,310 --> 01:16:23,210

publicity is better than no publicity

1792

01:16:26,230 --> 01:16:24,320

that thing that was essentially his

1793

01:16:28,750 --> 01:16:26,240

answer until he eventually he got

1794

01:16:30,730 --> 01:16:28,760

overruled and MUFON pulled its

1795

01:16:32,980 --> 01:16:30,740

relationship away from The Enquirer but

1796

01:16:36,250 --> 01:16:32,990

for the mid-70s they were very much in

1797

01:16:37,990 --> 01:16:36,260

bed with the National Enquirer and now

1798

01:16:40,540 --> 01:16:38,000

you've got the situation with hangar one

1799

01:16:42,100 --> 01:16:40,550

it's a similar kind of a thing where the

1800

01:16:43,660 --> 01:16:42,110

problem with that show and I'll just say

1801

01:16:47,770 --> 01:16:43,670

this because I was on it for both of the

1802

01:16:51,070 --> 01:16:47,780

seasons that was a very heavily scripted

1803

01:16:53,440 --> 01:16:51,080

show yes to my knowledge I was I might

1804

01:16:56,230 --> 01:16:53,450

have been the only person in all of

1805

01:16:59,740 --> 01:16:56,240

season two to my knowledge who refused

1806

01:17:02,950 --> 01:16:59,750

to read from a script they wanted me to

1807

01:17:06,040 --> 01:17:02,960

that both seasons and I said are you I

1808

01:17:07,390 --> 01:17:06,050

said look I'll work with you just ask me

1809

01:17:09,970 --> 01:17:07,400

your questions and I'll do my best to

1810

01:17:12,010 --> 01:17:09,980

answer them relevantly yes I mean I just

1811

01:17:13,360 --> 01:17:12,020

for any of the TV shows but I'm not

1812

01:17:15,100 --> 01:17:13,370

gonna read your script I mean goodness

1813

01:17:16,900 --> 01:17:15,110

gracious but they had everyone else

1814

01:17:19,060 --> 01:17:16,910

doing this and they had actual voice

1815

01:17:20,320 --> 01:17:19,070

actors pretending to be UFO researchers

1816

01:17:22,960 --> 01:17:20,330

on there and they had producers on there

1817

01:17:24,580 --> 01:17:22,970

who are not researchers and and a really

1818

01:17:27,130 --> 01:17:24,590

harm and then then the whole pretense

1819

01:17:29,290 --> 01:17:27,140

the false pretense that MUFON had these

1820

01:17:34,000 --> 01:17:29,300

their files in this place called hangar

1821

01:17:35,530 --> 01:17:34,010

one my mother my mother when she she's

1822

01:17:37,930 --> 01:17:35,540

always excited when I'm on television

1823

01:17:39,730 --> 01:17:37,940

and she got excited about hangar one and

1824

01:17:42,850 --> 01:17:39,740

it beginning she said so where is this

1825

01:17:45,580 --> 01:17:42,860

hangar one and I said look mom there

1826

01:17:49,600 --> 01:17:45,590

it's just it's a convenient fiction and

1827

01:17:53,290 --> 01:17:49,610

my mother got so angry being lied to

1828

01:17:54,340 --> 01:17:53,300

right yeah and and I think our instincts

1829

01:17:57,190 --> 01:17:54,350

are good you know you don't want to be

1830

01:17:59,320 --> 01:17:57,200

lied to on TV the idea was when Dave

1831

01:18:00,820 --> 01:17:59,330

McDonald was running MUFON he did he's

1832

01:18:03,670 --> 01:18:00,830

an aviator and he did store MUFON files

1833

01:18:05,860 --> 01:18:03,680

in a hangar and when they were doing the

1834

01:18:07,380 --> 01:18:05,870

creating when they were developing the

1835

01:18:09,600 --> 01:18:07,390

show that was

1836

01:18:11,640 --> 01:18:09,610

MUFON files were stored in a hangar and

1837

01:18:13,920 --> 01:18:11,650

they said let's call it hangar 1 course

1838

01:18:15,780 --> 01:18:13,930

the images of the of the building we're

1839

01:18:20,040 --> 01:18:15,790

all fictional I mean right

1840

01:18:22,260 --> 01:18:20,050

like in that part I mean all right you

1841

01:18:24,360 --> 01:18:22,270

want to like give them this enabling

1842

01:18:26,310 --> 01:18:24,370

fiction fine but then what they would do

1843

01:18:29,070 --> 01:18:26,320

is move on you know we've got our files

1844

01:18:30,510 --> 01:18:29,080

on on this and on that and they they

1845

01:18:32,700 --> 01:18:30,520

don't they don't have their files on

1846

01:18:34,740 --> 01:18:32,710

those cases right but they have a

1847

01:18:38,400 --> 01:18:34,750

tremendous number of case files

1848

01:18:40,680 --> 01:18:38,410

yeah and they don't have files dealing

1849

01:18:43,050 --> 01:18:40,690

with underground bases right there are

1850

01:18:46,770 --> 01:18:43,060

files dealing with the president that's

1851

01:18:50,940 --> 01:18:46,780

grand Cameron he's got this and a few of

1852

01:18:53,370 --> 01:18:50,950

us other researchers you know so I mean

1853

01:18:56,030 --> 01:18:53,380

they were kind of making these it was

1854

01:18:58,700 --> 01:18:56,040

getting down this slippery road of I

1855

01:18:59,970 --> 01:18:58,710

think the producers really had a good

1856

01:19:02,010 --> 01:18:59,980

intention

1857

01:19:04,370 --> 01:19:02,020

I honestly do believe it I met I talked

1858

01:19:08,820 --> 01:19:04,380

with the peruses and I think they

1859

01:19:11,040 --> 01:19:08,830

overall wanted to do a good reliable

1860

01:19:12,870 --> 01:19:11,050

show that dealt with genuine issues and

1861

01:19:15,600 --> 01:19:12,880

some of the shows did deal very well

1862

01:19:17,340 --> 01:19:15,610

with these issues I want to give them

1863

01:19:18,900 --> 01:19:17,350

some credit but they they hampered

1864

01:19:21,680 --> 01:19:18,910

themselves and move on hampered itself

1865

01:19:23,400 --> 01:19:21,690

by going in down this road that is

1866

01:19:24,720 --> 01:19:23,410

they're talking about things that are

1867

01:19:28,470 --> 01:19:24,730

not accurate and this is the danger with

1868

01:19:30,060 --> 01:19:28,480

television anytime you do TV work and I

1869

01:19:33,870 --> 01:19:30,070

don't know I've done enough of it and

1870

01:19:35,850 --> 01:19:33,880

it's very hard these TV producers

1871

01:19:38,160 --> 01:19:35,860

they're not UFO people they don't care

1872

01:19:40,290 --> 01:19:38,170

they want good ratings yes and some of

1873

01:19:42,540 --> 01:19:40,300

them might care a little bit about the

1874

01:19:44,160 --> 01:19:42,550

subject they they do some of them to get

1875

01:19:45,930 --> 01:19:44,170

interested but they don't have a lot of

1876
01:19:48,800 --> 01:19:45,940
knowledge generally speaking and and

1877
01:19:52,470 --> 01:19:48,810
they're out there to get good ratings

1878
01:19:54,030 --> 01:19:52,480
and that's their job their job is to get

1879
01:19:57,450 --> 01:19:54,040
good ratings a job isn't to be truthful

1880
01:19:58,770 --> 01:19:57,460
about UFOs so I'm not faulting them it's

1881
01:20:02,580 --> 01:19:58,780
the nature of the beast

1882
01:20:04,530 --> 01:20:02,590
but MUFON has got to be careful yeah and

1883
01:20:05,910 --> 01:20:04,540
they really I would just say to MUFON I

1884
01:20:08,220 --> 01:20:05,920
would say to Jan and I will say when I

1885
01:20:12,300 --> 01:20:08,230
see him again don't lose sight of your

1886
01:20:17,250 --> 01:20:12,310
core reason to be your core reason to be

1887
01:20:20,340 --> 01:20:17,260
is to have and train and encourage and

1888
01:20:21,120 --> 01:20:20,350

inspire good investigators to do good

1889

01:20:24,620 --> 01:20:21,130

work

1890

01:20:28,110 --> 01:20:24,630

in the field to produce good analyses of

1891

01:20:30,150 --> 01:20:28,120

UFO cases yes that's you do and don't

1892

01:20:32,070 --> 01:20:30,160

lose sight of that move on stick to the

1893

01:20:35,040 --> 01:20:32,080

mission guys no I I have hope for the

1894

01:20:38,250 --> 01:20:35,050

future of MUFON I really do rich in

1895

01:20:41,130 --> 01:20:38,260

terms of a this this may piss off some

1896

01:20:43,050 --> 01:20:41,140

of our more skeptical listeners but in

1897

01:20:46,170 --> 01:20:43,060

closing I've got one more listener

1898

01:20:48,390 --> 01:20:46,180

question for you and that's what do you

1899

01:20:52,410 --> 01:20:48,400

think is the best evidence we have that

1900

01:20:54,330 --> 01:20:52,420

UFOs have anything to do with an

1901
01:20:58,080 --> 01:20:54,340
extraterrestrial intelligence I know

1902
01:20:59,100 --> 01:20:58,090
that's a very loaded question I answer

1903
01:21:01,250 --> 01:20:59,110
it in two stages

1904
01:21:05,580 --> 01:21:01,260
all right so stage one is I look at

1905
01:21:07,110 --> 01:21:05,590
confirmed government documents I always

1906
01:21:09,690 --> 01:21:07,120
start with that

1907
01:21:11,160 --> 01:21:09,700
why because I know they're real I know

1908
01:21:12,900 --> 01:21:11,170
there's a paper trail and I know that

1909
01:21:14,640 --> 01:21:12,910
the national security community has

1910
01:21:18,080 --> 01:21:14,650
taken this subject very seriously

1911
01:21:20,640 --> 01:21:18,090
among documents in the paper trail our

1912
01:21:23,130 --> 01:21:20,650
radar tracking and visuals of objects

1913
01:21:25,040 --> 01:21:23,140

that are described as disc shaped this

1914

01:21:27,600 --> 01:21:25,050

is back in the 1940s and 50s

1915

01:21:29,190 --> 01:21:27,610

sometimes zigzagging sometimes it's an

1916

01:21:31,260 --> 01:21:29,200

acceleration always incredible

1917

01:21:33,420 --> 01:21:31,270

maneuverability silent in other words

1918

01:21:37,650 --> 01:21:33,430

extraordinary so we know that that

1919

01:21:38,930 --> 01:21:37,660

part's real we know this it leaves us a

1920

01:21:42,020 --> 01:21:38,940

couple of options

1921

01:21:44,760 --> 01:21:42,030

extraterrestrial right black-budget

1922

01:21:50,160 --> 01:21:44,770

classified us black-budget classified

1923

01:21:51,660 --> 01:21:50,170

Soviet Russian and the like so on that

1924

01:21:53,100 --> 01:21:51,670

level alone we go through process of

1925

01:21:54,720 --> 01:21:53,110

elimination and we'd know by the way

1926

01:21:57,780 --> 01:21:54,730

that within the US intelligence

1927

01:21:59,700 --> 01:21:57,790

community that the glimpses that we have

1928

01:22:03,410 --> 01:21:59,710

of their analyses that we are permitted

1929

01:22:05,370 --> 01:22:03,420

to see many of them have concluded

1930

01:22:07,800 --> 01:22:05,380

extraterrestrial interplanetary it was

1931

01:22:09,750 --> 01:22:07,810

the most likely scenario because there

1932

01:22:11,670 --> 01:22:09,760

was an evidence of a us-based or Soviet

1933

01:22:14,820 --> 01:22:11,680

based technology program that could do

1934

01:22:16,890 --> 01:22:14,830

it and indeed to this day there isn't on

1935

01:22:20,370 --> 01:22:16,900

top of that we have non-military

1936

01:22:22,770 --> 01:22:20,380

evidence so we have evidence of people

1937

01:22:26,430 --> 01:22:22,780

who have had encounters and here's the

1938

01:22:27,930 --> 01:22:26,440

thing that a skeptic will argue against

1939

01:22:31,050 --> 01:22:27,940

which is that the evidence for these

1940

01:22:34,470 --> 01:22:31,060

encounters is not of a high level of

1941

01:22:37,050 --> 01:22:34,480

scientific credibility in their opinion

1942

01:22:38,690 --> 01:22:37,060

I would be inclined to agree with that

1943

01:22:41,610 --> 01:22:38,700

except I would I would have one caveat

1944

01:22:45,630 --> 01:22:41,620

the amount of that evidence is is so

1945

01:22:46,890 --> 01:22:45,640

vast at this point and and to call it

1946

01:22:50,610 --> 01:22:46,900

non-scientific is a little bit

1947

01:22:52,380 --> 01:22:50,620

problematic anyway there have been some

1948

01:22:55,470 --> 01:22:52,390

very detailed investigations of

1949

01:22:57,990 --> 01:22:55,480

individual cases from back to the Betty

1950

01:23:00,300 --> 01:22:58,000

and Barney Hill abduction case to the

1951

01:23:03,540 --> 01:23:00,310

even the veils Boas cases in Brazil from

1952

01:23:06,420 --> 01:23:03,550

nineteen 1957 to more recent cases in

1953

01:23:09,330 --> 01:23:06,430

the 70s and 80s and 90s that have gone

1954

01:23:11,790 --> 01:23:09,340

through detailed analysis the Betty

1955

01:23:13,920 --> 01:23:11,800

Andreas and Lucca case investigated by

1956

01:23:16,440 --> 01:23:13,930

Ray Fowler is a very very interesting

1957

01:23:18,330 --> 01:23:16,450

case hard for me to dismiss this as

1958

01:23:20,690 --> 01:23:18,340

anything other than dealing with

1959

01:23:23,670 --> 01:23:20,700

extraterrestrial or non-human entities

1960

01:23:26,370 --> 01:23:23,680

the work of Budd Hopkins and John Mack

1961

01:23:30,960 --> 01:23:26,380

and Dave Jacobs and nowadays people like

1962

01:23:33,210 --> 01:23:30,970

Kathleen Martin and Yvonne Smith you

1963

01:23:36,900 --> 01:23:33,220

know the these people do regressive

1964

01:23:38,340 --> 01:23:36,910

hypnosis Barbara lamb I don't even agree

1965

01:23:39,450 --> 01:23:38,350

with all of the conclusions that they

1966

01:23:42,360 --> 01:23:39,460

have about the nature of the phenomenon

1967

01:23:46,110 --> 01:23:42,370

itself but all of these people are

1968

01:23:48,390 --> 01:23:46,120

meeting with large numbers of

1969

01:23:49,920 --> 01:23:48,400

individuals who've had what they believe

1970

01:23:52,560 --> 01:23:49,930

our abduction experience our encounter

1971

01:23:54,590 --> 01:23:52,570

experiences then the quantity of these

1972

01:23:57,360 --> 01:23:54,600

individuals is so vast and these are not

1973

01:24:01,710 --> 01:23:57,370

psychologically disturbed people now is

1974

01:24:04,470 --> 01:24:01,720

there an explanation that could account

1975

01:24:06,840 --> 01:24:04,480

for the tremendous consistency of what

1976

01:24:10,380 --> 01:24:06,850

most of these people are saying they're

1977

01:24:12,180 --> 01:24:10,390

having experiences with non-human

1978

01:24:16,940 --> 01:24:12,190

entities who are doing things to their

1979

01:24:19,020 --> 01:24:16,950

body is there some kind of psychological

1980

01:24:21,960 --> 01:24:19,030

manifestation of something that's

1981

01:24:23,670 --> 01:24:21,970

causing this well in theory I suppose

1982

01:24:25,950 --> 01:24:23,680

it's possible we don't know what that is

1983

01:24:27,600 --> 01:24:25,960

no one's identified it on the other hand

1984

01:24:29,729 --> 01:24:27,610

knowing that there's a UFO phenomenon

1985

01:24:31,860 --> 01:24:29,739

that is real and we know it's real

1986

01:24:34,650 --> 01:24:31,870

because we have the documentation to

1987

01:24:37,080 --> 01:24:34,660

prove it's real and we have the reasons

1988

01:24:39,240 --> 01:24:37,090

to believe that it may indeed be not of

1989

01:24:43,370 --> 01:24:39,250

our civilization so when I combine that

1990

01:24:45,450 --> 01:24:43,380

evidence with the very large amount of

1991

01:24:46,979 --> 01:24:45,460

personal testimony that people have of

1992

01:24:48,329 --> 01:24:46,989

encounters with non-human beings in

1993

01:24:50,790 --> 01:24:48,339

connection with the UFO subject

1994

01:24:52,979 --> 01:24:50,800

the Topix sightings excuse me then I

1995

01:24:55,429 --> 01:24:52,989

have to think that's the most by far

1996

01:24:59,279 --> 01:24:55,439

rarely it's the most logical conclusion

1997

01:25:01,679 --> 01:24:59,289

and it doesn't all come down to evidence

1998

01:25:03,329 --> 01:25:01,689

from regressive hypnosis by the way all

1999

01:25:06,689 --> 01:25:03,339

right there's a lot of people who have

2000

01:25:09,739 --> 01:25:06,699

had encounters with UFOs and beings or

2001
01:25:11,549 --> 01:25:09,749
endor occupants inside that have not

2002
01:25:13,709 --> 01:25:11,559
revealed this information through

2003
01:25:16,259 --> 01:25:13,719
hypnosis I mean there's an enormous

2004
01:25:18,750 --> 01:25:16,269
number of accounts from around the world

2005
01:25:21,290 --> 01:25:18,760
that's just America where this is the

2006
01:25:26,309 --> 01:25:21,300
case so I think that's the most likely

2007
01:25:29,279 --> 01:25:26,319
scenario that's not the same as

2008
01:25:30,509 --> 01:25:29,289
scientific laboratory proof but it's a

2009
01:25:32,759 --> 01:25:30,519
messy world out there this is what I

2010
01:25:35,369 --> 01:25:32,769
think we're looking at I think it's the

2011
01:25:37,229 --> 01:25:35,379
best hypothesis by far yes and that's

2012
01:25:41,219 --> 01:25:37,239
why I say I think that's why we are

2013
01:25:42,959 --> 01:25:41,229

dealing with a presence of another are

2014

01:25:44,669 --> 01:25:42,969

they from another planet well I would

2015

01:25:46,649 --> 01:25:44,679

say probably but they could be from some

2016

01:25:48,359 --> 01:25:46,659

other portion of reality that I don't

2017

01:25:50,219 --> 01:25:48,369

quite understand because I'm not smart

2018

01:25:54,299 --> 01:25:50,229

enough because my brain doesn't work in

2019

01:25:56,309 --> 01:25:54,309

the way that I wish I could yeah well I

2020

01:25:58,500 --> 01:25:56,319

know I mean rich you and I both know as

2021

01:26:00,659 --> 01:25:58,510

all the listeners that this topic in

2022

01:26:05,129 --> 01:26:00,669

general UFOs is not so black and white

2023

01:26:09,000 --> 01:26:05,139

so there is no one core answer to any of

2024

01:26:10,290 --> 01:26:09,010

this I had a conversation I've been

2025

01:26:12,829 --> 01:26:10,300

interrupted you've been so nice to me

2026

01:26:15,239 --> 01:26:12,839

this whole interview right all right

2027

01:26:18,540 --> 01:26:15,249

once with a researcher named Chris

2028

01:26:20,609 --> 01:26:18,550

O'Brien yeah I like Chris he he's done

2029

01:26:21,869 --> 01:26:20,619

great work on cattle mutilations and not

2030

01:26:23,819 --> 01:26:21,879

just that though he's done work on

2031

01:26:27,809 --> 01:26:23,829

really a lot of the high strangeness of

2032

01:26:29,459 --> 01:26:27,819

this whole subject and Chris we were

2033

01:26:34,109 --> 01:26:29,469

talking about this once and he he said

2034

01:26:37,649 --> 01:26:34,119

to me I I said I think you know no

2035

01:26:39,509 --> 01:26:37,659

there's no one theory that seems to

2036

01:26:40,709 --> 01:26:39,519

explain all of UFOs and he said I would

2037

01:26:42,779 --> 01:26:40,719

go further I would say a lot of the

2038

01:26:44,549 --> 01:26:42,789

theories fight against each other in

2039

01:26:49,099 --> 01:26:44,559

other words the idea of extraterrestrial

2040

01:26:52,939 --> 01:26:49,109

or time travelers or interdimensional

2041

01:26:54,959 --> 01:26:52,949

entities or black-budget

2042

01:26:57,929 --> 01:26:54,969

but they are there's all of these

2043

01:26:59,609 --> 01:26:57,939

competing theories when we when we ask

2044

01:27:01,350 --> 01:26:59,619

ourselves what is the core what's

2045

01:27:03,870 --> 01:27:01,360

causing this phenomenon

2046

01:27:06,180 --> 01:27:03,880

is it some psychosocial phenomenon is is

2047

01:27:08,430 --> 01:27:06,190

the earth itself is reality itself

2048

01:27:11,010 --> 01:27:08,440

getting inside our heads to make us see

2049

01:27:12,140 --> 01:27:11,020

these things in a way that comports with

2050

01:27:13,800 --> 01:27:12,150

our own cultural and psychological

2051
01:27:16,130 --> 01:27:13,810
expectations I mean if you go through

2052
01:27:19,410 --> 01:27:16,140
UFO sightings over the centuries people

2053
01:27:20,880 --> 01:27:19,420
in medieval times banned sightings of

2054
01:27:23,640 --> 01:27:20,890
things they didn't describe the most

2055
01:27:25,530 --> 01:27:23,650
spacemen in flying saucers because well

2056
01:27:27,810 --> 01:27:25,540
they didn't have that concept so they

2057
01:27:30,600 --> 01:27:27,820
described things differently so is there

2058
01:27:32,550 --> 01:27:30,610
a phenomenon that's causing us to see

2059
01:27:33,570 --> 01:27:32,560
things the way we expect to see them and

2060
01:27:34,260 --> 01:27:33,580
does that mean that they're physically

2061
01:27:36,120 --> 01:27:34,270
real or not

2062
01:27:40,230 --> 01:27:36,130
that's a psychosocial type of

2063
01:27:42,210 --> 01:27:40,240

explanation and then there's the whole

2064

01:27:44,940 --> 01:27:42,220

idea that are we living in a constructed

2065

01:27:47,120 --> 01:27:44,950

matrix type of reality a kind of a you

2066

01:27:49,110 --> 01:27:47,130

know simulating simulation hypothesis

2067

01:27:54,240 --> 01:27:49,120

but then I think the extra-terrestrial

2068

01:27:56,730 --> 01:27:54,250

hypothesis is a is still the probably

2069

01:27:59,100 --> 01:27:56,740

the front-runner in my opinion when I

2070

01:28:01,640 --> 01:27:59,110

look at our own future tech our own

2071

01:28:03,750 --> 01:28:01,650

ability in the next generation or two to

2072

01:28:06,300 --> 01:28:03,760

get some part of our civilization

2073

01:28:09,570 --> 01:28:06,310

civilization out to the stars I mean

2074

01:28:11,340 --> 01:28:09,580

where you and I may not make it but next

2075

01:28:13,950 --> 01:28:11,350

gen artificial intelligence next

2076

01:28:15,450 --> 01:28:13,960

generation 3d printing next generation

2077

01:28:17,760 --> 01:28:15,460

propulsion yeah I could see it happening

2078

01:28:19,260 --> 01:28:17,770

we could send something out there and so

2079

01:28:21,000 --> 01:28:19,270

has another civilization had already

2080

01:28:23,580 --> 01:28:21,010

done that for us are they sending their

2081

01:28:26,100 --> 01:28:23,590

own artificially created beings their

2082

01:28:27,930 --> 01:28:26,110

own avatars who knows I think that's

2083

01:28:29,190 --> 01:28:27,940

probably the most likely scenario and I

2084

01:28:33,150 --> 01:28:29,200

think that's what we're dealing with I

2085

01:28:37,320 --> 01:28:33,160

agree it is in extremely enticing future

2086

01:28:38,490 --> 01:28:37,330

to to live in and I look forward to

2087

01:28:40,560 --> 01:28:38,500

seeing where that goes

2088

01:28:42,270 --> 01:28:40,570

rich what do you got coming up my man

2089

01:28:42,720 --> 01:28:42,280

what can we expect from you in the near

2090

01:28:46,380 --> 01:28:42,730

future

2091

01:28:50,580 --> 01:28:46,390

well I I just shot a had a reshoot but

2092

01:28:53,250 --> 01:28:50,590

we did a full season episode of false

2093

01:28:54,960 --> 01:28:53,260

flags on Gaia TV so I've had a show on

2094

01:28:57,900 --> 01:28:54,970

guides coming out it'll be out this

2095

01:28:59,900 --> 01:28:57,910

early summer I think on the history of

2096

01:29:02,010 --> 01:28:59,910

false flag operation this is not a UFO

2097

01:29:03,690 --> 01:29:02,020

oriented program at all it's all

2098

01:29:05,790 --> 01:29:03,700

politics it's something very different

2099

01:29:07,800 --> 01:29:05,800

for Gaia this is not anything like what

2100

01:29:09,720 --> 01:29:07,810

they do is they're taking a chance on me

2101

01:29:12,690 --> 01:29:09,730

so I'm hoping it doesn't fall flat I

2102

01:29:14,520 --> 01:29:12,700

think it's a good show it deals with the

2103

01:29:15,930 --> 01:29:14,530

phenomenon of false flags as

2104

01:29:19,290 --> 01:29:15,940

has occurred throughout human history

2105

01:29:22,560 --> 01:29:19,300

particular in last century and in

2106

01:29:25,020 --> 01:29:22,570

focusing really on a lot of the us false

2107

01:29:26,370 --> 01:29:25,030

flags over the last 50 years it's only

2108

01:29:28,020 --> 01:29:26,380

scratching the surface there's so much

2109

01:29:29,540 --> 01:29:28,030

more to do but I've written and hosted

2110

01:29:32,129 --> 01:29:29,550

that that'll be out soon

2111

01:29:35,010 --> 01:29:32,139

I'll keep people posted on that as we

2112

01:29:39,390 --> 01:29:35,020

approach airing and then in terms of my

2113

01:29:41,220 --> 01:29:39,400

own writing and researching I'm working

2114

01:29:44,220 --> 01:29:41,230

on my own publishing projects right now

2115

01:29:46,470 --> 01:29:44,230

I've spoken cluding yours over the last

2116

01:29:47,760 --> 01:29:46,480

year I've got us some of my own things

2117

01:29:49,589 --> 01:29:47,770

I've done this little lecture series

2118

01:29:51,419 --> 01:29:49,599

whose booklet set up putting out but

2119

01:29:53,609 --> 01:29:51,429

fundamentally I'm I want to finish my

2120

01:29:55,470 --> 01:29:53,619

false flag book I'll be doing a number

2121

01:29:59,879 --> 01:29:55,480

of appearances I'll be in Joshua Tree

2122

01:30:02,220 --> 01:29:59,889

California in late May with my fiance

2123

01:30:04,260 --> 01:30:02,230

Tracy who you met a few months ago in

2124

01:30:06,089 --> 01:30:04,270

Phoenix yes I did congratulations

2125

01:30:09,000 --> 01:30:06,099

yeah thank you it's a very wonderful

2126

01:30:10,919 --> 01:30:09,010

thing and I will be in Roswell New

2127

01:30:13,680 --> 01:30:10,929

Mexico oh and before that I'll be in

2128

01:30:17,339 --> 01:30:13,690

Greece with my good our good buddy Peter

2129

01:30:19,649 --> 01:30:17,349

Robbins yes you a group in Athens that

2130

01:30:21,919 --> 01:30:19,659

is I encourage people it's called

2131

01:30:24,870 --> 01:30:21,929

contact with space if you are in Europe

2132

01:30:27,180 --> 01:30:24,880

if you can get to Athens we will be

2133

01:30:29,010 --> 01:30:27,190

there in early June could go to my

2134

01:30:32,459 --> 01:30:29,020

website I've got this linked Richard

2135

01:30:35,010 --> 01:30:32,469

Dolan press comm I'll be in Roswell

2136

01:30:38,520 --> 01:30:35,020

after that and I'll be at MUFON in Las

2137

01:30:40,379 --> 01:30:38,530

Vegas at the end of July and I imagine

2138

01:30:43,109 --> 01:30:40,389

that'll be an interesting panel I can

2139

01:30:45,810 --> 01:30:43,119

only imagine well rich I couldn't have

2140

01:30:47,970 --> 01:30:45,820

asked for a better first interview we

2141

01:30:50,339 --> 01:30:47,980

really ran the gamut I hope people

2142

01:30:52,439 --> 01:30:50,349

enjoyed it and I can't thank you enough

2143

01:30:54,629 --> 01:30:52,449

for coming on with me today for

2144

01:30:56,010 --> 01:30:54,639

somewhere in the skies Ryan you were

2145

01:30:58,500 --> 01:30:56,020

really nice to me you just let me roll

2146

01:31:01,740 --> 01:30:58,510

the hey man you do to work with this

2147

01:31:03,959 --> 01:31:01,750

that was the plan from the beginning it

2148

01:31:05,459 --> 01:31:03,969

was really nice being on your show and I

2149

01:31:07,910 --> 01:31:05,469

think it's gonna be really successful

2150

01:31:10,589 --> 01:31:07,920

and I just want to say on your behalf

2151
01:31:13,740 --> 01:31:10,599
the book you wrote somewhere in the

2152
01:31:16,950 --> 01:31:13,750
skies I consider one of the best books

2153
01:31:20,370 --> 01:31:16,960
of the decade in this field what I like

2154
01:31:24,299 --> 01:31:20,380
what you did is you I think there was a

2155
01:31:27,419 --> 01:31:24,309
real lack of books about experiencers

2156
01:31:28,380 --> 01:31:27,429
direct sightings and experiences of the

2157
01:31:30,510 --> 01:31:28,390
UFO phenomenon

2158
01:31:32,700 --> 01:31:30,520
you know the the people who did

2159
01:31:35,970 --> 01:31:32,710
abduction books had had been doing this

2160
01:31:38,790 --> 01:31:35,980
but my sense is that there's a lack of

2161
01:31:40,080 --> 01:31:38,800
these books out there and and you don't

2162
01:31:43,080 --> 01:31:40,090
have to do this through abduction

2163
01:31:44,430 --> 01:31:43,090

research or hypnotic regression you can

2164

01:31:47,400 --> 01:31:44,440

do it as a journalist as you have done

2165

01:31:50,790 --> 01:31:47,410

and so you um you're getting people's

2166

01:31:53,730 --> 01:31:50,800

stories and this is really valuable

2167

01:31:57,180 --> 01:31:53,740

because it's it's so important for us to

2168

01:31:59,580 --> 01:31:57,190

understand the human aspects of this

2169

01:32:01,710 --> 01:31:59,590

phenomenon how it affects us the

2170

01:32:05,040 --> 01:32:01,720

inexplicable nature of what people are

2171

01:32:06,330 --> 01:32:05,050

dealing with and I really like the way

2172

01:32:09,480 --> 01:32:06,340

you did this book it's a very

2173

01:32:10,980 --> 01:32:09,490

well-written book it's engaging and it's

2174

01:32:12,390 --> 01:32:10,990

filled with interesting ideas which is

2175

01:32:13,650 --> 01:32:12,400

what makes any book interesting if it

2176
01:32:14,130 --> 01:32:13,660
doesn't have interesting ideas and why

2177
01:32:15,990 --> 01:32:14,140
bother

2178
01:32:17,790 --> 01:32:16,000
yours is interesting in that way and I

2179
01:32:20,070 --> 01:32:17,800
really feel it's a great service that's

2180
01:32:21,270 --> 01:32:20,080
why I was proud to publish it and I want

2181
01:32:23,700 --> 01:32:21,280
everyone to know that this is an

2182
01:32:25,680 --> 01:32:23,710
excellent book and they should they

2183
01:32:28,050 --> 01:32:25,690
should buy it they can read it well

2184
01:32:30,660 --> 01:32:28,060
thank you I was not expecting that but I

2185
01:32:34,200 --> 01:32:30,670
I highly appreciate that coming from you

2186
01:32:36,330 --> 01:32:34,210
um and yeah I hope everyone can someday

2187
01:32:38,910 --> 01:32:36,340
realize that no matter what's at the

2188
01:32:41,270 --> 01:32:38,920

core of these phenomena it's it's the

2189

01:32:43,920 --> 01:32:41,280

humans that matter most so thank you

2190

01:32:45,990 --> 01:32:43,930

humans and yeah we should be interested

2191

01:32:47,700 --> 01:32:46,000

how does it affect us and I like the way

2192

01:32:49,320 --> 01:32:47,710

you go about it in your book thank you

2193

01:32:53,130 --> 01:32:49,330

so much and again thank you for joining

2194

01:32:55,410 --> 01:32:53,140
