

1
00:00:02,030 --> 00:00:05,650

is this working

2
00:00:14,600 --> 00:00:10,070

all right I am trying my first ever live

3
00:00:17,330 --> 00:00:14,610

Q&A here on Facebook I'm 33 years old

4
00:00:21,410 --> 00:00:17,340

not good at this stuff I'm a little bit

5
00:00:23,420 --> 00:00:21,420

nervous you can't tell I spent two years

6
00:00:25,550 --> 00:00:23,430

on the road acting I've been on

7
00:00:27,080 --> 00:00:25,560

television I've done public speaking

8
00:00:30,919 --> 00:00:27,090

events but for some reason right now I

9
00:00:33,080 --> 00:00:30,929

have knots in my stomach all right Wow

10
00:00:34,549 --> 00:00:33,090

we already have three people who've

11
00:00:39,770 --> 00:00:34,559

joined hi William

12
00:00:43,430 --> 00:00:39,780

hi Paul hi Heidi Mike and Heidi sorry um

13
00:00:46,790 --> 00:00:43,440

thanks man thank you I tried to spruce

14

00:00:50,360 --> 00:00:46,800

up just a bit here do my vocal warm-ups

15

00:00:52,869 --> 00:00:50,370

Christi's Frank I don't know who that is

16

00:00:55,610 --> 00:00:52,879

she shares the last name with me that's

17

00:00:56,770 --> 00:00:55,620

weird I'm gonna have to ancestry.com

18

00:01:02,660 --> 00:00:56,780

that one

19

00:01:03,950 --> 00:01:02,670

what's up Vance Megan strand hello wow I

20

00:01:06,109 --> 00:01:03,960

haven't heard from you since high school

21

00:01:08,480 --> 00:01:06,119

there's a little embarrassing I'm gonna

22

00:01:12,399 --> 00:01:08,490

be talking all about UFOs so I hope you

23

00:01:18,620 --> 00:01:15,530

Evan Laura Lydon okay this is a Corcoran

24

00:01:20,929 --> 00:01:18,630

Cougars reunion right now John how's it

25

00:01:22,749 --> 00:01:20,939

going man so yeah so what I'm doing here

26

00:01:26,420 --> 00:01:22,759

tonight guys is my first ever this is a

27

00:01:28,490 --> 00:01:26,430

test run of a live QA that are me doing

28

00:01:30,289 --> 00:01:28,500

based around my podcast kind of

29

00:01:35,179 --> 00:01:30,299

somewhere in the skies somewhere on this

30

00:01:37,340 --> 00:01:35,189

guy's calm but other than that yeah I I

31

00:01:40,850 --> 00:01:37,350

don't really know what to do I decided

32

00:01:42,260 --> 00:01:40,860

to do this tonight so first of all I do

33

00:01:45,289 --> 00:01:42,270

want to give a shout out to two

34

00:01:48,859 --> 00:01:45,299

individuals Scott Santa and Nick Rossler

35

00:01:50,960 --> 00:01:48,869

these two dudes gave me two gifts that I

36

00:01:53,990 --> 00:01:50,970

am going to treasure first Nick

37

00:01:57,859 --> 00:01:54,000

rossler's book about UFOs called InFocus

38

00:02:02,149 --> 00:01:57,869

some extremely compelling images about

39

00:02:03,469 --> 00:02:02,159

UFOs photo analysis this is a wonderful

40

00:02:07,399 --> 00:02:03,479

manual for anyone who wants to

41

00:02:10,160 --> 00:02:07,409

investigate UFOs and from Scott this one

42

00:02:13,250 --> 00:02:10,170

really threw me for a loop you can see

43

00:02:13,710 --> 00:02:13,260

this poster on my wall I'm a huge fan of

44

00:02:16,170 --> 00:02:13,720

great

45

00:02:19,920 --> 00:02:16,180

Parker and this book they know too much

46

00:02:22,860 --> 00:02:19,930

about flying saucers and Scott Sansa got

47

00:02:26,520 --> 00:02:22,870

me the first edition of this book it is

48

00:02:28,440 --> 00:02:26,530

a rarity and I I was speechless when I

49

00:02:30,870 --> 00:02:28,450

got this in the mail so Scott if you're

50

00:02:33,270 --> 00:02:30,880

out there man thank you so so much for

51
00:02:35,580 --> 00:02:33,280
all your support of the show and for

52
00:02:37,260 --> 00:02:35,590
giving me this it's just incredible Nik

53
00:02:40,050 --> 00:02:37,270
you as well man thank you thank you

54
00:02:41,490 --> 00:02:40,060
let's see if I have any questions yet

55
00:02:50,550 --> 00:02:41,500
thanks William yep

56
00:02:56,280 --> 00:02:50,560
that poster let's Wow Roberto how's it

57
00:02:58,440 --> 00:02:56,290
going man this is so weird just seeing

58
00:03:02,940 --> 00:02:58,450
people pop in and out sorry if I missed

59
00:03:05,940 --> 00:03:02,950
any questions let's see you have to tell

60
00:03:10,050 --> 00:03:05,950
if Myka is as much fun out drinking as I

61
00:03:13,230 --> 00:03:10,060
expect he is Teresa no comment

62
00:03:15,360 --> 00:03:13,240
no Micah is a ball of fire as you know

63
00:03:18,660 --> 00:03:15,370

from his radio show and he's even more

64

00:03:21,449 --> 00:03:18,670

fun to hang out in person with I did

65

00:03:24,600 --> 00:03:21,459

just recently party with him and a few

66

00:03:28,050 --> 00:03:24,610

other individuals Greg Bishop and Paul

67

00:03:31,050 --> 00:03:28,060

Kimball and Tim banal in Nova Scotia

68

00:03:34,620 --> 00:03:31,060

Canada of all places and we got drunk in

69

00:03:36,060 --> 00:03:34,630

a karaoke bar we weren't that welcomed

70

00:03:38,880 --> 00:03:36,070

there to be honest it was full of the

71

00:03:41,699 --> 00:03:38,890

locals and we strutted in like we were

72

00:03:45,449 --> 00:03:41,709

the and yeah it didn't go over too

73

00:03:48,600 --> 00:03:45,459

well but we had fun nonetheless I also

74

00:03:50,880 --> 00:03:48,610

got kicked out of a casino once with

75

00:03:53,850 --> 00:03:50,890

mica in Phoenix Arizona that is a story

76

00:03:55,440 --> 00:03:53,860

for another time safe to say mica is a

77

00:04:00,420 --> 00:03:55,450

lot of fun to hang out with just be

78

00:04:02,640 --> 00:04:00,430

prepared to had bail money ready mm-hmm

79

00:04:04,500 --> 00:04:02,650

Mike and Heidi asked do you think Trump

80

00:04:07,470 --> 00:04:04,510

authorized the release of the Pentagon

81

00:04:09,180 --> 00:04:07,480

UFO videos that is actually a really

82

00:04:11,190 --> 00:04:09,190

good question a lot of people believe

83

00:04:13,350 --> 00:04:11,200

that if there was a president who was

84

00:04:16,800 --> 00:04:13,360

going to disclose what people know about

85

00:04:19,409 --> 00:04:16,810

UFOs it is going to be Donald Trump that

86

00:04:21,150 --> 00:04:19,419

would be cool most people know my

87

00:04:23,640 --> 00:04:21,160

thoughts on Trump so we will not go

88

00:04:25,440 --> 00:04:23,650

there that being said I do not think

89

00:04:29,070 --> 00:04:25,450

Trump had anything to do with this

90

00:04:32,760 --> 00:04:29,080

release if you notice he hasn't brought

91

00:04:34,950 --> 00:04:32,770

it up whatsoever so either he is too

92

00:04:38,850 --> 00:04:34,960

busy watching Fox News and being on

93

00:04:40,560 --> 00:04:38,860

Twitter or he just doesn't care either

94

00:04:41,880 --> 00:04:40,570

way you would think that he would want

95

00:04:44,520 --> 00:04:41,890

to take credit for something like that

96

00:04:48,089 --> 00:04:44,530

look at the recent release of JFK

97

00:04:50,670 --> 00:04:48,099

documents um speaking of that if you do

98

00:04:51,300 --> 00:04:50,680

not follow the black vault comm head

99

00:04:56,010 --> 00:04:51,310

over there today

100

00:04:59,250 --> 00:04:56,020

John Greenwald just got over 46,000

101
00:05:01,589 --> 00:04:59,260
pages of declassified documents on the

102
00:05:03,390 --> 00:05:01,599
JFK assassination that have never seen

103
00:05:06,240 --> 00:05:03,400
the light of day I am NOT you

104
00:05:08,310 --> 00:05:06,250
these have never been seen by the public

105
00:05:10,140 --> 00:05:08,320
and he just dumped these on the internet

106
00:05:12,600 --> 00:05:10,150
today I have a feeling there's gonna be

107
00:05:16,400 --> 00:05:12,610
a much bigger story than just on a few

108
00:05:21,659 --> 00:05:16,410
Facebook groups so be prepared for that

109
00:05:23,250 --> 00:05:21,669
Tim asks will I marry him Jane I got a

110
00:05:27,659 --> 00:05:23,260
marriage proposal how do you feel about

111
00:05:33,210 --> 00:05:27,669
that James says bad um Tim we'll talk

112
00:05:36,810 --> 00:05:33,220
about that in private James Fox is here

113
00:05:40,080 --> 00:05:36,820

James what's up my man I recently saw

114

00:05:42,900 --> 00:05:40,090

you on expedition unknown and awesome

115

00:05:44,460 --> 00:05:42,910

work my man listen Bob Way UFO case is

116

00:05:46,469 --> 00:05:44,470

one of my all-time favorites I brought

117

00:05:48,570 --> 00:05:46,479

it up on numerous episodes of the show

118

00:05:50,909 --> 00:05:48,580

and he did such a wonderful job man I

119

00:05:52,409 --> 00:05:50,919

know that we have so much more to look

120

00:05:54,990 --> 00:05:52,419

forward to in terms of what you're doing

121

00:05:57,089 --> 00:05:55,000

and the films are bringing to us and I

122

00:06:00,000 --> 00:05:57,099

saw your interview about the Pentagon's

123

00:06:03,210 --> 00:06:00,010

story on I believe it was CNN and that

124

00:06:06,089 --> 00:06:03,220

was also good man great work love having

125

00:06:13,260 --> 00:06:06,099

you out there and amazing stuff I'm a

126

00:06:15,120 --> 00:06:13,270

huge fan Christie says hey Jane I'm

127

00:06:17,370 --> 00:06:15,130

gonna scroll back here just a little bit

128

00:06:18,870 --> 00:06:17,380

guys to see if I missed anything there's

129

00:06:26,040 --> 00:06:18,880

got to be an easier way to look at these

130

00:06:27,480 --> 00:06:26,050

questions hmm or not who would like to

131

00:06:29,310 --> 00:06:27,490

have who would you like to have on your

132

00:06:29,950 --> 00:06:29,320

podcast that you haven't been able to

133

00:06:33,430 --> 00:06:29,960

get this

134

00:06:34,570 --> 00:06:33,440

from Wanda um there are tons of people

135

00:06:37,600 --> 00:06:34,580

that I would like to get on the podcast

136

00:06:39,969 --> 00:06:37,610

it's literally about making the time to

137

00:06:43,240 --> 00:06:39,979

do it I recently moved to Los Angeles

138

00:06:46,150 --> 00:06:43,250

I'm working 40 hours a week I am writing

139

00:06:48,339 --> 00:06:46,160

scripts many of you may not know what

140

00:06:51,850 --> 00:06:48,349

I'm not talking about UFOs I'm writing

141

00:06:53,860 --> 00:06:51,860

plays I'm writing movies I done some

142

00:06:56,050 --> 00:06:53,870

television work that's when my other

143

00:06:57,670 --> 00:06:56,060

biggest passions I know I'm saying a lot

144

00:07:02,080 --> 00:06:57,680

I apologize this is what happens when

145

00:07:03,969 --> 00:07:02,090

you get me unedited Jesus you're fine a

146

00:07:06,490 --> 00:07:03,979

little nervous

147

00:07:09,100 --> 00:07:06,500

who would I want to have on the podcast

148

00:07:10,510 --> 00:07:09,110

if I had all the time in the world and

149

00:07:13,270 --> 00:07:10,520

the money and the resources its

150

00:07:16,120 --> 00:07:13,280

resources to do so I would like to talk

151
00:07:19,089 --> 00:07:16,130
to Tom DeLonge not just about his UFO

152
00:07:20,740 --> 00:07:19,099
work but him as a band book when 82 was

153
00:07:22,839 --> 00:07:20,750
huge for me in the past

154
00:07:24,820 --> 00:07:22,849
my sister Christie Sprague knows this my

155
00:07:26,499 --> 00:07:24,830
friend Stan tree check Bruce Tannen I

156
00:07:29,800 --> 00:07:26,509
shouldn't be saying their last names but

157
00:07:32,409 --> 00:07:29,810
I am we followed these guys all around

158
00:07:34,420 --> 00:07:32,419
the tri-state area New Found Glory any

159
00:07:36,700 --> 00:07:34,430
pop punk band you can think of with

160
00:07:38,710 --> 00:07:36,710
those nasally voices at the time we are

161
00:07:42,010 --> 00:07:38,720
all about it so yeah I'd love to have

162
00:07:43,779 --> 00:07:42,020
Tom on the show who else who else I want

163
00:07:48,310 --> 00:07:43,789

to get John Greenwald on the show from

164

00:07:51,129 --> 00:07:48,320

the black vault hmm that is a really

165

00:07:52,899 --> 00:07:51,139

good question I've put out feelers for

166

00:07:55,659 --> 00:07:52,909

everyone you can possibly think of from

167

00:07:58,360 --> 00:07:55,669

musicians artists to researchers to

168

00:08:01,149 --> 00:07:58,370

scientists to academics I'm going to be

169

00:08:06,459 --> 00:08:01,159

interviewing a professor at what is the

170

00:08:08,589 --> 00:08:06,469

University drain in California UC Irvine

171

00:08:12,159 --> 00:08:08,599

I'm going to be interviewing a professor

172

00:08:13,839 --> 00:08:12,169

who is teaching a course on UFOs at the

173

00:08:16,510 --> 00:08:13,849

University this isn't the first time

174

00:08:18,159 --> 00:08:16,520

this has happened but it certainly won't

175

00:08:19,899 --> 00:08:18,169

be the last and I'm really excited to

176

00:08:21,700 --> 00:08:19,909

talk to this guy he seems really

177

00:08:23,110 --> 00:08:21,710

passionate about the topic I've never

178

00:08:25,839 --> 00:08:23,120

heard of him which is pretty interesting

179

00:08:27,850 --> 00:08:25,849

as well so once he was coming from what

180

00:08:29,350 --> 00:08:27,860

knowledge he has and put him to the test

181

00:08:33,579 --> 00:08:29,360

he's teaching a course and getting made

182

00:08:35,860 --> 00:08:33,589

on this I wanna have you heard any

183

00:08:38,980 --> 00:08:35,870

recent updates regarding Fox's 7:01

184

00:08:40,959 --> 00:08:38,990

documentary last time I checked James is

185

00:08:43,240 --> 00:08:40,969

furiously working on the documentary

186

00:08:46,780 --> 00:08:43,250

James if you are still in the

187

00:08:48,220 --> 00:08:46,790

that film will be done in eight months

188

00:08:51,400 --> 00:08:48,230

there you go he already answered it for

189

00:08:58,240 --> 00:08:51,410

you sorry guys I'm I'm missing a lot

190

00:09:00,070 --> 00:08:58,250

here let me scroll through I'm curious

191

00:09:02,560 --> 00:09:00,080

what you think about the flap of Mothman

192

00:09:05,470 --> 00:09:02,570

sightings here in Chicago okay so this

193

00:09:07,300 --> 00:09:05,480

is pretty pretty awesome today at my

194

00:09:08,560 --> 00:09:07,310

coffee shop where I work when I'm

195

00:09:13,330 --> 00:09:08,570

slinging a lot and he's not talking

196

00:09:16,030 --> 00:09:13,340

about UFOs I ran in to to Wendy from the

197

00:09:18,400 --> 00:09:16,040

the see you on the other side podcast I

198

00:09:21,760 --> 00:09:18,410

was on this podcast maybe six months ago

199

00:09:24,630 --> 00:09:21,770

talking about obviously UFOs but she

200

00:09:26,710 --> 00:09:24,640

hosts this with Mike Huberty it's a

201
00:09:29,680 --> 00:09:26,720
credible podcast they talk about

202
00:09:34,030 --> 00:09:29,690
everything from the esoteric for Dianna

203
00:09:35,620 --> 00:09:34,040
UFOs paranormal sometimes politics and

204
00:09:37,960 --> 00:09:35,630
rock and roll they play a song from

205
00:09:41,410 --> 00:09:37,970
their albums after every episode which

206
00:09:43,690 --> 00:09:41,420
is awesome anyways often attention Wendy

207
00:09:46,440 --> 00:09:43,700
and Mike recently did an episode all

208
00:09:49,180 --> 00:09:46,450
about the Mothman sightings in Chicago

209
00:09:51,520 --> 00:09:49,190
really interesting two new books just

210
00:09:56,110 --> 00:09:51,530
came out on Mothman one by Ion Strickler

211
00:09:58,500 --> 00:09:56,120
and one by by why is his name escaping

212
00:10:01,690 --> 00:09:58,510
me the gentleman who owns the

213
00:10:03,430 --> 00:10:01,700

cryptozoology Museum Loren Coleman thank

214

00:10:03,940 --> 00:10:03,440

you Jane is a huge fan I forgot about

215

00:10:06,280 --> 00:10:03,950

that

216

00:10:08,710 --> 00:10:06,290

I got RA autographed book by him for her

217

00:10:11,410 --> 00:10:08,720

birthday trying to score some ice she

218

00:10:12,970 --> 00:10:11,420

was here guys but yeah what do I think

219

00:10:15,670 --> 00:10:12,980

about the Mothman sightings I think it's

220

00:10:19,210 --> 00:10:15,680

pretty interesting I talked to Sean

221

00:10:21,700 --> 00:10:19,220

Forker about this a while back about how

222

00:10:24,370 --> 00:10:21,710

can we try to the same could be said

223

00:10:26,860 --> 00:10:24,380

about UFOs how can we collectively try

224

00:10:28,180 --> 00:10:26,870

to investigate these things and I was

225

00:10:31,300 --> 00:10:28,190

talking to Greg Bishop about this too

226

00:10:33,460 --> 00:10:31,310

trying to find the resources to get 24/7

227

00:10:35,770 --> 00:10:33,470

monitoring of the sites where these

228

00:10:38,500 --> 00:10:35,780

these things have taken place and trying

229

00:10:40,390 --> 00:10:38,510

to capture anything maybe a live stream

230

00:10:42,550 --> 00:10:40,400

that alerts you when there's activity in

231

00:10:44,470 --> 00:10:42,560

the area but going to ground zero where

232

00:10:46,840 --> 00:10:44,480

these sightings happen recording an

233

00:10:49,600 --> 00:10:46,850

audio visual anything we can and just

234

00:10:52,420 --> 00:10:49,610

having someone like 24/7 looking at this

235

00:10:54,310 --> 00:10:52,430

stuff sounds tedious sounds boring but a

236

00:10:55,700 --> 00:10:54,320

lot of jobs are and I think this one

237

00:10:58,100 --> 00:10:55,710

will be excited if you act

238

00:10:59,600 --> 00:10:58,110

we captured something I think it's

239

00:11:05,000 --> 00:10:59,610

interesting Mothman is one of my

240

00:11:07,040 --> 00:11:05,010

favorite cryptids terrifying and I did

241

00:11:09,620 --> 00:11:07,050

talk about Mothman who did I talk about

242

00:11:12,680 --> 00:11:09,630

that was set Breedlove set Breedlove

243

00:11:15,530 --> 00:11:12,690

wrote wrote and directed and filmed a

244

00:11:17,870 --> 00:11:15,540

documentary all about Mothman I highly

245

00:11:21,020 --> 00:11:17,880

suggest checking that out it was like

246

00:11:22,520 --> 00:11:21,030

number one on Amazon for a while the

247

00:11:26,560 --> 00:11:22,530

dude is killing it he just did one on

248

00:11:29,450 --> 00:11:26,570

like champ lake champlain and the

249

00:11:32,510 --> 00:11:29,460

flatwoods monster so keep a lookout for

250

00:11:34,280 --> 00:11:32,520

those as well invasion on Chestnut Ridge

251
00:11:36,530 --> 00:11:34,290
was the one who came to talk to me about

252
00:11:40,400 --> 00:11:36,540
about UFO sightings in the Pennsylvania

253
00:11:44,060 --> 00:11:40,410
area on the Chestnut Ridge alright again

254
00:11:45,070 --> 00:11:44,070
I am missing so many questions here what

255
00:11:48,770 --> 00:11:45,080
do we got

256
00:11:53,570 --> 00:11:48,780
Mick Flanagan again korkin reunion hi

257
00:11:55,460 --> 00:11:53,580
Jennifer hi Stephen hi Ian Brian would

258
00:11:57,280 --> 00:11:55,470
you perhaps have a personal ghost story

259
00:12:03,770 --> 00:11:57,290
that you'd be willing to share with us

260
00:12:05,420 --> 00:12:03,780
ok so yeah my my personal ghost story

261
00:12:07,100 --> 00:12:05,430
took place in Nova Scotia when I was

262
00:12:08,960 --> 00:12:07,110
getting wasted with Micah Hanks this is

263
00:12:11,540 --> 00:12:08,970

prior to getting drunk we needed the

264

00:12:14,720 --> 00:12:11,550

drinks after this happened but I went on

265

00:12:18,710 --> 00:12:14,730

a ghost investigation at a museum in its

266

00:12:20,630 --> 00:12:18,720

Queens County in Nova Scotia and we

267

00:12:25,310 --> 00:12:20,640

caught some really interesting stuff on

268

00:12:26,810 --> 00:12:25,320

EVP and on I don't remember what it's

269

00:12:29,840 --> 00:12:26,820

called I'm not a paranormal investigator

270

00:12:31,610 --> 00:12:29,850

but it's like this pod thing that keeps

271

00:12:34,370 --> 00:12:31,620

track of the temperature in rooms and

272

00:12:36,860 --> 00:12:34,380

it'll beep a certain color when when

273

00:12:39,470 --> 00:12:36,870

something changes when there's a shift

274

00:12:41,090 --> 00:12:39,480

in the temperature and I had an

275

00:12:44,330 --> 00:12:41,100

experience with several other people

276
00:12:47,620 --> 00:12:44,340
where I wanted to let everyone know I'm

277
00:12:52,509 --> 00:12:50,079
that is good

278
00:12:53,470 --> 00:12:52,519
clickin distillery clay in New York go

279
00:12:58,199 --> 00:12:53,480
there get it

280
00:13:01,179 --> 00:12:58,209
support them yeah so I was in a room

281
00:13:03,850 --> 00:13:01,189
dark with a couple of other people and

282
00:13:06,309 --> 00:13:03,860
we had this ghost box so this is another

283
00:13:09,369 --> 00:13:06,319
really interesting instrument where this

284
00:13:11,889 --> 00:13:09,379
machine will constantly go through radio

285
00:13:14,879 --> 00:13:11,899
transmissions from from all over the

286
00:13:18,280 --> 00:13:14,889
spectrum the radio waves and for like a

287
00:13:19,929 --> 00:13:18,290
second maybe half a second it will just

288
00:13:22,150 --> 00:13:19,939

keep going from every station that it

289

00:13:23,259 --> 00:13:22,160

can capture and so you just get a moment

290

00:13:25,299 --> 00:13:23,269

from each one

291

00:13:27,610 --> 00:13:25,309

now some paranormal investigators

292

00:13:29,739 --> 00:13:27,620

believe that this is a means of

293

00:13:33,579 --> 00:13:29,749

communication with spirits

294

00:13:36,040 --> 00:13:33,589

you know if random radio transmissions

295

00:13:39,340 --> 00:13:36,050

are throwing out a word and it somehow

296

00:13:40,420 --> 00:13:39,350

seamlessly creates a sentence possibly

297

00:13:43,449 --> 00:13:40,430

something might be trying to communicate

298

00:13:45,819 --> 00:13:43,459

I don't know if I totally buy into this

299

00:13:48,639 --> 00:13:45,829

but that night we weren't able to

300

00:13:52,449 --> 00:13:48,649

supposedly get in touch with a young

301

00:13:57,189 --> 00:13:52,459

girl in the museum the museum used to be

302

00:13:58,780 --> 00:13:57,199

a nursery for many young people and we

303

00:14:00,699 --> 00:13:58,790

asked if she wanted to talk to us and

304

00:14:06,669 --> 00:14:00,709

she said yes we asked if she was scared

305

00:14:09,369 --> 00:14:06,679

the Machine said no and so we know it

306

00:14:12,129 --> 00:14:09,379

said yes actually it said yes she was

307

00:14:13,540 --> 00:14:12,139

scared and we got down to her level we

308

00:14:15,400 --> 00:14:13,550

said we're gonna we're all gonna sit

309

00:14:17,259 --> 00:14:15,410

down we're gonna talk to you and

310

00:14:18,790 --> 00:14:17,269

everything's gonna be okay

311

00:14:20,499 --> 00:14:18,800

at this point we started asking her a

312

00:14:22,960 --> 00:14:20,509

bunch of questions like where are you

313

00:14:24,669 --> 00:14:22,970

now and what's your name this that is

314

00:14:25,530 --> 00:14:24,679

that I don't remember exactly what her

315

00:14:29,739 --> 00:14:25,540

name was

316

00:14:33,009 --> 00:14:29,749

but there was one point where somebody

317

00:14:36,579 --> 00:14:33,019

asked a question and I felt like this

318

00:14:39,189 --> 00:14:36,589

really cold tingling on the back of my

319

00:14:40,869 --> 00:14:39,199

neck maybe there was a draft in the room

320

00:14:43,629 --> 00:14:40,879

I don't know but immediately when I got

321

00:14:46,540 --> 00:14:43,639

this cold I was sitting like with my

322

00:14:49,210 --> 00:14:46,550

legs crossed and I could feel this

323

00:14:51,610 --> 00:14:49,220

immense weight on my legs almost like

324

00:14:54,699 --> 00:14:51,620

when you're doing butterflies and my

325

00:14:56,169 --> 00:14:54,709

legs went completely down and then where

326

00:14:59,559 --> 00:14:56,179

I felt that coldness on my neck

327

00:15:01,670 --> 00:14:59,569

I felt fingertips like grasping the back

328

00:15:05,329 --> 00:15:01,680

of my neck like someone okay

329

00:15:09,410 --> 00:15:05,339

possibly was hugging me and immediately

330

00:15:12,199 --> 00:15:09,420

I like sprung back and whatever it was

331

00:15:13,819 --> 00:15:12,209

the weight lifted off of me and shot out

332

00:15:15,799 --> 00:15:13,829

of the room the only reason I say shot

333

00:15:17,420 --> 00:15:15,809

out of the room is because after I did

334

00:15:19,850 --> 00:15:17,430

this three of the other people in the

335

00:15:22,249 --> 00:15:19,860

room immediately looked the same way and

336

00:15:24,350 --> 00:15:22,259

looked at my my friend Greg Bishop who

337

00:15:26,749 --> 00:15:24,360

was in the doorway of the room and he

338

00:15:30,079 --> 00:15:26,759

said he felt a draft go right by him and

339

00:15:34,850 --> 00:15:30,089

out of the room and that was really

340

00:15:37,669 --> 00:15:34,860

interesting I I never put much credence

341

00:15:39,859 --> 00:15:37,679

into ghost investigations I've never

342

00:15:42,199 --> 00:15:39,869

really had a genuine experience but that

343

00:15:44,480 --> 00:15:42,209

night definitely changed my mind on that

344

00:15:48,470 --> 00:15:44,490

and it wasn't so much about the ghost

345

00:15:50,480 --> 00:15:48,480

Fox saying things or EVPs or any of the

346

00:15:52,730 --> 00:15:50,490

any of that equipment that

347

00:15:54,829 --> 00:15:52,740

people bring on investigations I

348

00:15:57,859 --> 00:15:54,839

shouldn't say I mean there they

349

00:16:00,739 --> 00:15:57,869

might have some credibility or use but I

350

00:16:03,230 --> 00:16:00,749

talked to a good friend Chris who see a

351

00:16:06,319 --> 00:16:03,240

ghost storyteller and a ghost

352

00:16:07,999 --> 00:16:06,329

investigator who it was only something

353

00:16:09,379 --> 00:16:08,009

really interesting that I've sort of

354

00:16:12,650 --> 00:16:09,389

taken to heart and that's when you're

355

00:16:14,509 --> 00:16:12,660

investigating ghosts or spirits it's not

356

00:16:17,210 --> 00:16:14,519

about science it's about what you feel

357

00:16:20,210 --> 00:16:17,220

and what you take away from that and

358

00:16:21,619 --> 00:16:20,220

that night it's what I felt that made me

359

00:16:24,590 --> 00:16:21,629

convinced that there was something there

360

00:16:33,819 --> 00:16:24,600

it wasn't anything to do with technology

361

00:16:43,910 --> 00:16:38,059

hi Kristen hi Kim Carlsberg Highway and

362

00:16:46,129 --> 00:16:43,920

hi Judy hi John John says he took a UFO

363

00:16:48,739 --> 00:16:46,139

history abduction class taught by David

364

00:16:51,799 --> 00:16:48,749

Jacobs at Temple University thoughts on

365

00:16:54,739 --> 00:16:51,809

Jacobs yes so if I remember correctly

366

00:16:57,999 --> 00:16:54,749

Jacobs did he lose his tenure after

367

00:16:59,840 --> 00:16:58,009

teaching this course something like that

368

00:17:01,639 --> 00:16:59,850

really interesting

369

00:17:03,980 --> 00:17:01,649

Jacobs is an interesting figure in

370

00:17:06,799 --> 00:17:03,990

abduction lore when it comes to alien

371

00:17:09,800 --> 00:17:06,809

abduction worked a lot with Budd Hopkins

372

00:17:12,480 --> 00:17:09,810

I know they were colleagues

373

00:17:16,130 --> 00:17:12,490

it's really interesting because while

374

00:17:21,390 --> 00:17:16,140

Budd Hopkins believes that aliens are

375

00:17:23,310 --> 00:17:21,400

benevolent pardonne and are here to just

376

00:17:24,960 --> 00:17:23,320

communicate an experiment jacobs

377

00:17:29,550 --> 00:17:24,970

believes there's something much darker

378

00:17:32,070 --> 00:17:29,560

to that that they are here for invasion

379

00:17:33,840 --> 00:17:32,080

purposes that they are creating hybrids

380

00:17:34,740 --> 00:17:33,850

with humans and that they want to take

381

00:17:38,370 --> 00:17:34,750

over the world

382

00:17:40,290 --> 00:17:38,380

sounds like x-files to me I don't know

383

00:17:42,810 --> 00:17:40,300

what to think of Jacobs he's gone under

384

00:17:44,790 --> 00:17:42,820

much scrutiny lately and some very

385

00:17:46,740 --> 00:17:44,800

questionable actions with some of his

386

00:17:50,930 --> 00:17:46,750

patients so I think I want to leave it

387

00:18:00,570 --> 00:17:57,450

scrolling scrolling scrolling Canadian

388

00:18:02,040 --> 00:18:00,580

Club is rye whisky yes it is Mario and I

389

00:18:05,040 --> 00:18:02,050

love me some ride my favorite rye

390

00:18:06,660 --> 00:18:05,050

actually is Templeton rye Al Capone used

391

00:18:09,330 --> 00:18:06,670

to drink it I believe it's actually

392

00:18:11,310 --> 00:18:09,340

based off of his moonshine that he made

393

00:18:13,470 --> 00:18:11,320

while he was in jail you can pretty much

394

00:18:15,660 --> 00:18:13,480

get into any bar now and it's

395

00:18:17,760 --> 00:18:15,670

individually numbered the batches which

396

00:18:19,410 --> 00:18:17,770

i think is really cool so if you can get

397

00:18:21,510 --> 00:18:19,420

your hands on that Nick westmeyer and I

398

00:18:26,160 --> 00:18:21,520

have polished off a few bottles of that

399

00:18:29,160 --> 00:18:26,170

in our time Nick is a close close friend

400

00:18:31,800 --> 00:18:29,170

of mine and colleague and co-producer he

401
00:18:34,350 --> 00:18:31,810
runs a podcast called two dumb dads if

402
00:18:36,330 --> 00:18:34,360
you are a father a mother or even

403
00:18:38,280 --> 00:18:36,340
thinking of having kids I'd highly

404
00:18:41,670 --> 00:18:38,290
suggest checking out this podcast that

405
00:18:43,680 --> 00:18:41,680
Nick and Chris Moss co-host it's all

406
00:18:46,380 --> 00:18:43,690
about two new fathers and what they're

407
00:18:50,160 --> 00:18:46,390
learning from becoming fathers and about

408
00:18:52,530 --> 00:18:50,170
kids and about just parent Parenthood

409
00:18:55,170 --> 00:18:52,540
I've yet to experience that but I still

410
00:18:57,450 --> 00:18:55,180
find it extremely interesting and

411
00:19:00,810 --> 00:18:57,460
entertaining so check that out too dumb

412
00:19:06,560 --> 00:19:00,820
dads podcast that was a shameless plug

413
00:19:06,570 --> 00:19:13,539

Luke what's up my man

414

00:19:17,859 --> 00:19:15,680

everyone's just talking about whiskey

415

00:19:26,209 --> 00:19:17,869

I'm clearly not keeping people

416

00:19:28,489 --> 00:19:26,219

interested playing I just tried a triple

417

00:19:29,389 --> 00:19:28,499

cast oh my god everyone's talking about

418

00:19:31,999 --> 00:19:29,399

wish okay

419

00:19:35,949 --> 00:19:32,009

which William asks which UFO case just

420

00:19:41,989 --> 00:19:35,959

leaves you breathless um Wow

421

00:19:43,939 --> 00:19:41,999

that's a really good question what is it

422

00:19:46,369 --> 00:19:43,949

Bob way Jay says that's clearly one of

423

00:19:48,979 --> 00:19:46,379

her favorites yeah um so tons of

424

00:19:51,349 --> 00:19:48,989

schoolchildren experienced a landing of

425

00:19:55,959 --> 00:19:51,359

a UFO in their school yard this is back

426

00:19:58,639 --> 00:19:55,969

in the 80s and the craft came down and

427

00:20:00,529 --> 00:19:58,649

supposedly a being came out and kind of

428

00:20:03,469 --> 00:20:00,539

scoped out the area all the kids saw

429

00:20:05,659 --> 00:20:03,479

this and then when they went to report

430

00:20:07,399 --> 00:20:05,669

it to their teachers and investigators

431

00:20:09,499 --> 00:20:07,409

came to investigate this they separated

432

00:20:12,279 --> 00:20:09,509

all of the children and had them draw

433

00:20:15,769 --> 00:20:12,289

what they'd seen and without you know

434

00:20:18,019 --> 00:20:15,779

communicating after this event happened

435

00:20:21,169 --> 00:20:18,029

each of the kids drew strikingly similar

436

00:20:24,169 --> 00:20:21,179

images both of the crafts and of the

437

00:20:27,139 --> 00:20:24,179

beings that they saw I will be

438

00:20:29,139 --> 00:20:27,149

interviewing Emily trim one of the the

439

00:20:31,759 --> 00:20:29,149

members of that school who had an

440

00:20:33,709 --> 00:20:31,769

extremely interesting story to tell

441

00:20:35,659 --> 00:20:33,719

about what she experienced in Zimbabwe

442

00:20:38,869 --> 00:20:35,669

and I have no doubt that she's going to

443

00:20:41,419 --> 00:20:38,879

be in James Fox's documentary as well so

444

00:20:43,999 --> 00:20:41,429

stay tuned for that for sure Zimbabwe is

445

00:20:45,949 --> 00:20:44,009

one the Tehran UFO cases another one

446

00:20:49,759 --> 00:20:45,959

that really scared me

447

00:20:51,289 --> 00:20:49,769

we're Air Force pilots chased a UFO and

448

00:20:55,279 --> 00:20:51,299

all of their instrumentation

449

00:20:57,589 --> 00:20:55,289

malfunctioned and I can't even imagine

450

00:20:59,209 --> 00:20:57,599

what that must have been like having to

451
00:21:01,489 --> 00:20:59,219
you know go up and investigate a UFO

452
00:21:03,319 --> 00:21:01,499
sighting and then your plane just starts

453
00:21:04,759 --> 00:21:03,329
dropping out of the air can't imagine

454
00:21:06,559 --> 00:21:04,769
this happened with the Japan Airlines

455
00:21:08,089 --> 00:21:06,569
case as well which I covered on

456
00:21:10,789 --> 00:21:08,099
mysteries at the museum

457
00:21:14,610 --> 00:21:10,799
check that out if you can another

458
00:21:17,090 --> 00:21:14,620
shameless plug but yeah I would say

459
00:21:19,290 --> 00:21:17,100
those two cases are two that really

460
00:21:24,390 --> 00:21:19,300
really stuck with me

461
00:21:28,560 --> 00:21:24,400
the Chicago hair case of 2006 where at

462
00:21:30,780 --> 00:21:28,570
an airport a UFO was seen hundreds of

463
00:21:33,180 --> 00:21:30,790

employees at the airport saw this

464

00:21:35,040 --> 00:21:33,190

witnesses and whatever this thing was it

465

00:21:38,010 --> 00:21:35,050

shot up into the clouds and left like a

466

00:21:40,590 --> 00:21:38,020

clear cut in the cloud and disappeared

467

00:21:42,120 --> 00:21:40,600

all of the employees at the airport were

468

00:21:45,480 --> 00:21:42,130

told never to speak about what they'd

469

00:21:46,770 --> 00:21:45,490

seen supposedly there's video supposedly

470

00:21:48,440 --> 00:21:46,780

there's photographs if we'll ever see

471

00:21:50,669 --> 00:21:48,450

that I have no idea there are

472

00:21:52,890 --> 00:21:50,679

transmissions between the FAA and the

473

00:21:54,990 --> 00:21:52,900

radio towers about what happened and

474

00:21:56,850 --> 00:21:55,000

those are pretty pretty interesting you

475

00:21:59,580 --> 00:21:56,860

can hear those check it out on YouTube

476
00:22:06,140 --> 00:21:59,590
just type in Chicago O'Hare UFO case

477
00:22:12,690 --> 00:22:10,530
let's see how old are you Eric how old

478
00:22:15,780 --> 00:22:12,700
do I look I'll leave it at that

479
00:22:20,580 --> 00:22:15,790
give me your best guess Christy Sprague

480
00:22:23,400 --> 00:22:20,590
you're not allowed to answer this when

481
00:22:26,610 --> 00:22:23,410
are you and Jane getting married well

482
00:22:30,600 --> 00:22:26,620
that is a good question Jane we've come

483
00:22:32,490 --> 00:22:30,610
over here no wonder Jane and I getting

484
00:22:36,120 --> 00:22:32,500
married Jane is in grad school right now

485
00:22:39,060 --> 00:22:36,130
so that is her husband her significant

486
00:22:41,220 --> 00:22:39,070
other right now she's doing amazing

487
00:22:42,750 --> 00:22:41,230
she's at the top of her class and she's

488
00:22:45,270 --> 00:22:42,760

studying public diplomacy which is

489

00:22:47,760 --> 00:22:45,280

something I give her all the credit in

490

00:22:54,240 --> 00:22:47,770

the world for especially in today's

491

00:22:56,010 --> 00:22:54,250

political climate moving on don't you

492

00:22:58,260 --> 00:22:56,020

think we need an East Coast UFO

493

00:23:02,600 --> 00:22:58,270

conference upper New York State or even

494

00:23:05,880 --> 00:23:02,610

Ontario Sean yeah so there are very few

495

00:23:08,610 --> 00:23:05,890

UFO researchers in on the East Coast in

496

00:23:10,380 --> 00:23:08,620

the tri-state area whenever I tried to

497

00:23:13,049 --> 00:23:10,390

meet up with people it never really came

498

00:23:14,580 --> 00:23:13,059

to fruition Peter Robbins is one he

499

00:23:16,919 --> 00:23:14,590

lives in Ithaca New York so he and I

500

00:23:19,950 --> 00:23:16,929

would meet once a month in New York City

501
00:23:23,100 --> 00:23:19,960
his hometown to discuss everything you

502
00:23:25,500 --> 00:23:23,110
Falacci Cole we do have our leaf Spiegel

503
00:23:27,690 --> 00:23:25,510
lives in New York as well there are

504
00:23:28,320 --> 00:23:27,700
people out there it's just about getting

505
00:23:30,240 --> 00:23:28,330
enough

506
00:23:31,860 --> 00:23:30,250
able to get a conference going it's

507
00:23:34,799 --> 00:23:31,870
definitely something I've thought about

508
00:23:38,610 --> 00:23:34,809
and spoke to a few people producers on

509
00:23:40,380 --> 00:23:38,620
the East Coast about so like I did

510
00:23:42,230 --> 00:23:40,390
mention I live in LA right now I might

511
00:23:45,419 --> 00:23:42,240
be going back to New York in the future

512
00:23:46,860 --> 00:23:45,429
everything permitting but yeah I would

513
00:23:49,380 --> 00:23:46,870

love to get something like that going

514

00:23:51,360 --> 00:23:49,390

and bringing people in from all over I

515

00:23:53,490 --> 00:23:51,370

know we have people in the Hudson Valley

516

00:23:55,860 --> 00:23:53,500

area Linda Zimmerman is another

517

00:23:59,159 --> 00:23:55,870

researcher who I think has done some

518

00:24:01,440 --> 00:23:59,169

incredible work and would love to see

519

00:24:04,009 --> 00:24:01,450

her up on the stage she'll Costa my

520

00:24:06,539 --> 00:24:04,019

homegirl from Syracuse New York who

521

00:24:07,950 --> 00:24:06,549

before this new york times pentagon

522

00:24:09,539 --> 00:24:07,960

story went viral

523

00:24:11,940 --> 00:24:09,549

she had an article in The New York Times

524

00:24:14,460 --> 00:24:11,950

about UFOs many people don't know that

525

00:24:17,700 --> 00:24:14,470

about her book that came out this past

526

00:24:21,299 --> 00:24:17,710

year and she's an incredible resource

527

00:24:23,159 --> 00:24:21,309

and asset to the u UFO community so I

528

00:24:27,090 --> 00:24:23,169

would love to see her as well we'll get

529

00:24:28,169 --> 00:24:27,100

a go definitely get it going mmm let's

530

00:24:30,330 --> 00:24:28,179

see what are your thoughts on the new

531

00:24:32,070 --> 00:24:30,340

x-files season I knew this is gonna come

532

00:24:36,419 --> 00:24:32,080

up Kevin thank you so much for asking

533

00:24:38,399 --> 00:24:36,429

that awesome first episode terrible I

534

00:24:42,330 --> 00:24:38,409

was terrified of what was to come after

535

00:24:45,299 --> 00:24:42,340

that my issue with the x-files is Chris

536

00:24:47,340 --> 00:24:45,309

Carter created an incredible show he he

537

00:24:50,629 --> 00:24:47,350

creates incredible stories but he's one

538

00:24:52,980 --> 00:24:50,639

of the worst writers in television I

539

00:24:56,850 --> 00:24:52,990

really hope that doesn't get back to him

540

00:25:00,060 --> 00:24:56,860

somehow that being said this season has

541

00:25:02,460 --> 00:25:00,070

been incredible I recently interviewed

542

00:25:04,799 --> 00:25:02,470

Dean Haglund who plays Langley one of

543

00:25:07,289 --> 00:25:04,809

the lone gunmen on the x-files two weeks

544

00:25:10,470 --> 00:25:07,299

ago you can check that out at this guy's

545

00:25:12,450 --> 00:25:10,480

comm about his episode which is really

546

00:25:14,490 --> 00:25:12,460

cool is all about uploading one's

547

00:25:17,519 --> 00:25:14,500

consciousness into this you know this

548

00:25:20,519 --> 00:25:17,529

other realm once the body is ceases to

549

00:25:23,639 --> 00:25:20,529

be when it dies really interesting got a

550

00:25:26,610 --> 00:25:23,649

lot in like quantum physics and you know

551

00:25:30,480 --> 00:25:26,620

AI really really interesting

552

00:25:33,480 --> 00:25:30,490

we got an episode about doppelgangers

553

00:25:36,629 --> 00:25:33,490

which was really cool and then this past

554

00:25:38,220 --> 00:25:36,639

week was my favorite Darrin Morgan the

555

00:25:40,320 --> 00:25:38,230

dude who writes the funny episodes of

556

00:25:43,139 --> 00:25:40,330

x-files Jose transferred

557

00:25:45,810 --> 00:25:43,149

where the cook-off that they geez I

558

00:25:50,310 --> 00:25:45,820

think it is cockroaches what else has he

559

00:25:53,970 --> 00:25:50,320

done yeah they're all escaping me right

560

00:25:56,730 --> 00:25:53,980

now um did one about a freak show which

561

00:25:58,620 --> 00:25:56,740

was really good and he writes the funny

562

00:26:00,120 --> 00:25:58,630

episodes let's put it at that where we

563

00:26:03,450 --> 00:26:00,130

see Mulder and Scully in a whole

564

00:26:05,669 --> 00:26:03,460

different light and this this was no

565

00:26:10,560 --> 00:26:05,679

exception this season it was all about

566

00:26:13,529 --> 00:26:10,570

the Mandela effect Mandela effect

567

00:26:17,009 --> 00:26:13,539

Jane edited my book she also edits my

568

00:26:18,269 --> 00:26:17,019

real life my IRL because I I don't do

569

00:26:20,460 --> 00:26:18,279

good without a script i mislaid your

570

00:26:24,240 --> 00:26:20,470

script I am a playwright dammit that's

571

00:26:29,129 --> 00:26:24,250

it yeah so he wrote this awesome episode

572

00:26:31,529 --> 00:26:29,139

all about that and how this dude was

573

00:26:33,930 --> 00:26:31,539

actually Mulder and Scully's a third

574

00:26:36,480 --> 00:26:33,940

partner so he actually got to go back

575

00:26:37,110 --> 00:26:36,490

and see old footage from old episodes of

576

00:26:40,080 --> 00:26:37,120

the x-files

577

00:26:53,299 --> 00:26:40,090

with this other I just spit all over my

578

00:26:59,970 --> 00:26:56,789

this is what people like yeah it was um

579

00:27:01,830 --> 00:26:59,980

it was all about him being the third

580

00:27:04,889 --> 00:27:01,840

investigator with Mulder and Scully

581

00:27:07,080 --> 00:27:04,899

which was hilarious also Mulder was

582

00:27:10,049 --> 00:27:07,090

given the truth that he's been searching

583

00:27:11,549 --> 00:27:10,059

for this whole time by an alien so right

584

00:27:13,620 --> 00:27:11,559

there that was pretty good that they

585

00:27:15,419 --> 00:27:13,630

could have ended the series right there

586

00:27:16,980 --> 00:27:15,429

and it would have been a perfect ending

587

00:27:19,860 --> 00:27:16,990

but I think we have like five more

588

00:27:21,960 --> 00:27:19,870

episodes to go so I'm nervous a little

589

00:27:25,200 --> 00:27:21,970

nervous about what comes next I'm going

590

00:27:28,169 --> 00:27:25,210

to be on a podcast next week called not

591

00:27:30,180 --> 00:27:28,179

another x-files podcast podcast where

592

00:27:32,970 --> 00:27:30,190

I'm gonna be discussing this upcoming

593

00:27:34,560 --> 00:27:32,980

week's episode called ghuli which is

594

00:27:38,759 --> 00:27:34,570

about this weird creature that was

595

00:27:40,470 --> 00:27:38,769

created on creepypasta so I'll have a

596

00:27:43,590 --> 00:27:40,480

feeling that the episode is sort of in

597

00:27:45,419 --> 00:27:43,600

the vein of like Slenderman and how we

598

00:27:48,029 --> 00:27:45,429

create these things that have eventually

599

00:27:50,850 --> 00:27:48,039

manifest into reality which is a really

600

00:27:52,890 --> 00:27:50,860

cool concept I think James Wong wrote

601
00:27:55,080 --> 00:27:52,900
this episode or Chris Carter

602
00:27:57,180 --> 00:27:55,090
either way I'm getting too ahead of

603
00:27:59,279 --> 00:27:57,190
myself watch the episode and then check

604
00:28:08,909 --> 00:27:59,289
out the not another x-files podcast

605
00:28:11,220 --> 00:28:08,919
podcast all right Vincent asks have you

606
00:28:13,140 --> 00:28:11,230
heard anything about the newest remote

607
00:28:16,019 --> 00:28:13,150
viewing project from the farside

608
00:28:17,340 --> 00:28:16,029
Institute I'd never heard of that I see

609
00:28:19,470 --> 00:28:17,350
that you linked something here I'm gonna

610
00:28:21,120 --> 00:28:19,480
check that out after this my man for

611
00:28:23,399 --> 00:28:21,130
sure thank you for sending that to me

612
00:28:26,340 --> 00:28:23,409
remote viewing is something I've always

613
00:28:30,180 --> 00:28:26,350

been really interested in men who stare

614

00:28:31,830 --> 00:28:30,190

at goats is a really good movie and what

615

00:28:34,590 --> 00:28:31,840

else remote view I wrote an article

616

00:28:36,659 --> 00:28:34,600

about Ingo Swann who supposedly remote

617

00:28:38,700 --> 00:28:36,669

viewed the moon for the CIA and the

618

00:28:41,669 --> 00:28:38,710

government and was able to find

619

00:28:44,340 --> 00:28:41,679

structures on the moon and this is a

620

00:28:47,070 --> 00:28:44,350

conspiracy theory that's pretty big

621

00:28:49,950 --> 00:28:47,080

right now all over YouTube and whatnots

622

00:28:52,049 --> 00:28:49,960

just Google moon structures and it's

623

00:28:54,029 --> 00:28:52,059

endless material so I'm gonna check that

624

00:28:57,029 --> 00:28:54,039

out thank you for sending that Falcon

625

00:28:58,440 --> 00:28:57,039

Lake is a good one - Mario yes Falcon

626

00:29:00,690 --> 00:28:58,450

link is a case that I'm actually going

627

00:29:05,490 --> 00:29:00,700

to be doing an entire episode on so stay

628

00:29:09,330 --> 00:29:05,500

tuned for that man Falcon Lake again yes

629

00:29:13,049 --> 00:29:09,340

Kevin guesses that I'm 22 years old you

630

00:29:15,570 --> 00:29:13,059

are my best friend I'll give away my age

631

00:29:17,370 --> 00:29:15,580

at the end if you were given the rare

632

00:29:21,180 --> 00:29:17,380

opportunity to see a UFO and meet an

633

00:29:22,560 --> 00:29:21,190

alien and know 100% it was all real but

634

00:29:26,570 --> 00:29:22,570

you're not allowed to ever speak about

635

00:29:31,169 --> 00:29:26,580

it would you continue your podcast Wow

636

00:29:37,889 --> 00:29:31,179

what is that noise oh sorry I thought I

637

00:29:40,950 --> 00:29:37,899

was being abducted whoo that is a really

638

00:29:42,870 --> 00:29:40,960

good question Jennifer um I know a lot

639

00:29:46,289 --> 00:29:42,880

of researchers have been asked that if

640

00:29:47,850 --> 00:29:46,299

they were given that key to to know the

641

00:29:51,330 --> 00:29:47,860

truth but they were never allowed to

642

00:29:53,820 --> 00:29:51,340

talk about it that is that is a

643

00:29:58,080 --> 00:29:53,830

conundrum the altruistic person in me

644

00:29:59,909 --> 00:29:58,090

wants to say that no I'd rather keep

645

00:30:02,159 --> 00:29:59,919

searching for answers so that it was

646

00:30:04,520 --> 00:30:02,169

open to the public the selfish side of

647

00:30:06,890 --> 00:30:04,530

me says hell yeah I would want to know

648

00:30:11,330 --> 00:30:06,900

what I continue the podcast at that

649

00:30:13,340 --> 00:30:11,340

point if I knew I don't know I don't

650

00:30:15,980 --> 00:30:13,350

know what I would do in that case I

651
00:30:20,960 --> 00:30:15,990
think I would pull the whistleblower

652
00:30:24,610 --> 00:30:20,970
card Snowden or Bob Lazar and probably

653
00:30:28,810 --> 00:30:24,620
probably leak it and take whatever

654
00:30:40,910 --> 00:30:37,930
let's see awkward silence awkward

655
00:30:43,190 --> 00:30:40,920
silence did Morgan write postmodern

656
00:30:44,480 --> 00:30:43,200
Prometheus yes Wanda he did that's the

657
00:30:48,590 --> 00:30:44,490
one I was forgetting the black and white

658
00:30:54,350 --> 00:30:48,600
episode of the x-files with some amazing

659
00:30:57,890 --> 00:30:54,360
cher karaoke at the end and a really

660
00:31:00,740 --> 00:30:57,900
good episode let's say the Mengel

661
00:31:02,740 --> 00:31:00,750
effects Sean says so in the current

662
00:31:05,890 --> 00:31:02,750
Darin Morgan episode of the x-files

663
00:31:08,720 --> 00:31:05,900

everyone knows it as the Mandela effect

664

00:31:11,720 --> 00:31:08,730

but this other guy remembers that as the

665

00:31:14,030 --> 00:31:11,730

Mengel effect thus you know crossing

666

00:31:16,340 --> 00:31:14,040

streams and negating one another I guess

667

00:31:21,080 --> 00:31:16,350

is a good way to put it you are just

668

00:31:28,670 --> 00:31:21,090

chilly off your tattoo boy here's my boy

669

00:31:33,290 --> 00:31:28,680

dad - it's upside down it's a typewriter

670

00:31:36,260 --> 00:31:33,300

and this one I got the question mark in

671

00:31:38,270 --> 00:31:36,270

Roswell New Mexico in a desert a shack

672

00:31:41,450 --> 00:31:38,280

if you will where a dude at a tattoo

673

00:31:43,640 --> 00:31:41,460

shop and it was awesome I went in there

674

00:31:46,160 --> 00:31:43,650

I had no idea what I wanted and it just

675

00:31:51,500 --> 00:31:46,170

kind of popped in my head and now it's

676

00:31:54,140 --> 00:31:51,510

on my arm forever you need a nice

677

00:32:00,160 --> 00:31:54,150

whiskey glass I know daddy it's not

678

00:32:05,270 --> 00:32:02,930

Michael asks what are my thoughts on the

679

00:32:06,440 --> 00:32:05,280

Mandela effect I keep saying it wrong I

680

00:32:09,290 --> 00:32:06,450

apologize um

681

00:32:10,160 --> 00:32:09,300

it's interesting I never really thought

682

00:32:12,710 --> 00:32:10,170

about it

683

00:32:14,600 --> 00:32:12,720

Jim Harold who hosts the paranormal

684

00:32:15,860 --> 00:32:14,610

podcast I'm plugging him I'm gonna be

685

00:32:17,280 --> 00:32:15,870

doing so many plugs in this guy's I

686

00:32:19,960 --> 00:32:17,290

apologize

687

00:32:22,240 --> 00:32:19,970

he did a whole episode on this it was

688

00:32:24,700 --> 00:32:22,250

pretty interesting and the more I think

689

00:32:27,400 --> 00:32:24,710

about it the more I'm starting to think

690

00:32:30,640 --> 00:32:27,410

that you know the collective

691

00:32:33,910 --> 00:32:30,650

consciousness can really be a powerful

692

00:32:36,520 --> 00:32:33,920

tool and and I don't know if we

693

00:32:38,710 --> 00:32:36,530

attribute this this phenomenon to that

694

00:32:41,380 --> 00:32:38,720

if we can manifest things or

695

00:32:43,420 --> 00:32:41,390

collectively forget things that's what

696

00:32:46,120 --> 00:32:43,430

this Darin Morgan episode was about and

697

00:32:48,550 --> 00:32:46,130

I really don't know what to make of it

698

00:32:51,700 --> 00:32:48,560

a big part of me thinks it's all sheer

699

00:32:53,710 --> 00:32:51,710

coincidence but at the same time it's

700

00:32:55,540 --> 00:32:53,720

pretty interesting the Bernstein bears

701
00:32:57,070 --> 00:32:55,550
thing seems to be the big one that goes

702
00:33:00,700 --> 00:32:57,080
around all the time how it's actually

703
00:33:02,860 --> 00:33:00,710
spelled so yeah I don't know I don't

704
00:33:04,990 --> 00:33:02,870
know what to quite make of it yet I I

705
00:33:05,950 --> 00:33:05,000
want to talk to Marie D Jones about this

706
00:33:08,380 --> 00:33:05,960
I think she'd be a really interesting

707
00:33:10,900 --> 00:33:08,390
person to talk about it with she does a

708
00:33:12,910 --> 00:33:10,910
lot of work on time prompts and

709
00:33:15,400 --> 00:33:12,920
synchronicity and stuff like that I

710
00:33:18,120 --> 00:33:15,410
think it'd be pretty cool so I'll have

711
00:33:20,530 --> 00:33:18,130
to have her back on to talk about that

712
00:33:22,780 --> 00:33:20,540
John asks do you look at the world can

713
00:33:26,080 --> 00:33:22,790

spirit orally or would you say you are

714

00:33:31,900 --> 00:33:26,090

more rational I'm a rational conspiracy

715

00:33:35,680 --> 00:33:31,910

theorist I would say John um I this is a

716

00:33:38,770 --> 00:33:35,690

tough one because I am so entrenched in

717

00:33:40,960 --> 00:33:38,780

UFO studies that I often get pegged as a

718

00:33:43,090 --> 00:33:40,970

conspiracy theorist and I completely

719

00:33:46,690 --> 00:33:43,100

understand that but when it comes down

720

00:33:51,100 --> 00:33:46,700

to it there's very few conspiracies I

721

00:33:53,200 --> 00:33:51,110

actually put much into so I think you

722

00:33:54,910 --> 00:33:53,210

have to live your life and if you get

723

00:33:59,530 --> 00:33:54,920

too entrenched in that sort of stuff

724

00:34:02,100 --> 00:33:59,540

you're going to be a miserable so

725

00:34:05,530 --> 00:34:02,110

yeah I would say you know I will I will

726

00:34:08,050 --> 00:34:05,540

question things I will look into them

727

00:34:11,230 --> 00:34:08,060

but when it comes down to it I still

728

00:34:14,860 --> 00:34:11,240

have trust in my government that they

729

00:34:18,520 --> 00:34:14,870

want the best for their people but be

730

00:34:19,900 --> 00:34:18,530

careful and don't say things that you're

731

00:34:21,790 --> 00:34:19,910

gonna regret on the internet about the

732

00:34:27,840 --> 00:34:21,800

government or the president I learned

733

00:34:39,390 --> 00:34:31,210

hi Carlo hi Aaron hi Sean

734

00:34:39,400 --> 00:34:43,560

hi NAT hi Susan

735

00:34:48,640 --> 00:34:46,450

well I see you in a couple weeks Carlo

736

00:34:50,230 --> 00:34:48,650

I'm still working on it man

737

00:34:52,120 --> 00:34:50,240

I would give anything to come back to

738

00:34:53,710 --> 00:34:52,130

the International UFO Congress where

739

00:34:56,050 --> 00:34:53,720

I've been volunteering for many years I

740

00:35:00,520 --> 00:34:56,060

spoke last year and I love working with

741

00:35:02,800 --> 00:35:00,530

you man you do incredible work and dude

742

00:35:04,750 --> 00:35:02,810

if I can get there I'm gonna try Jason

743

00:35:07,390 --> 00:35:04,760

McClellan and myself are going to try

744

00:35:09,160 --> 00:35:07,400

our hardest to get there I live in LA no

745

00:35:11,440 --> 00:35:09,170

there's really no reason I can't take

746

00:35:16,390 --> 00:35:11,450

the quick flight over it all depends on

747

00:35:19,260 --> 00:35:16,400

logistics finances and of course you

748

00:35:22,350 --> 00:35:19,270

know just if I can do it so yeah

749

00:35:24,700 --> 00:35:22,360

hopefully I'll see you soon lemon

750

00:35:31,120 --> 00:35:24,710

excellent skin art that's a great tattoo

751
00:35:33,100 --> 00:35:31,130
story Thanks hmm let's see what is your

752
00:35:37,120 --> 00:35:33,110
most feared topic out of all of the

753
00:35:39,340 --> 00:35:37,130
topics our podcast families cover aliens

754
00:35:41,260 --> 00:35:39,350
ghosts dogma and sasquatch many black

755
00:35:43,330 --> 00:35:41,270
black eyed kids there we go black eye

756
00:35:47,980 --> 00:35:43,340
kids that's all I have to say I actually

757
00:35:50,050 --> 00:35:47,990
interviewed the original witness of who

758
00:35:53,220 --> 00:35:50,060
basically is the reason we know anything

759
00:35:55,450 --> 00:35:53,230
about black eye kids Brian Bethel a

760
00:35:59,740 --> 00:35:55,460
really terrifying story that he

761
00:36:02,890 --> 00:35:59,750
recounted one dark night in front of a

762
00:36:04,150 --> 00:36:02,900
movie theater and he's really the only

763
00:36:06,520 --> 00:36:04,160

reason we know anything about the

764

00:36:08,770 --> 00:36:06,530

black-eyed kids phenomenon so definitely

765

00:36:11,400 --> 00:36:08,780

go back into my archives check out that

766

00:36:14,110 --> 00:36:11,410

episode I cannot do it justice right now

767

00:36:16,980 --> 00:36:14,120

that is the topic that scares me the

768

00:36:20,650 --> 00:36:16,990

most for some reason and just the cold

769

00:36:22,630 --> 00:36:20,660

dead look in their black eyes and their

770

00:36:25,420 --> 00:36:22,640

insistence about coming into your home

771

00:36:27,730 --> 00:36:25,430

and possibly you know into your life

772

00:36:31,440 --> 00:36:27,740

whether you like it or not so that

773

00:36:38,620 --> 00:36:35,620

hi Susie I'm in LA - you're in LA -

774

00:36:42,970 --> 00:36:38,630

Susan awesome let's meet up coffee for

775

00:36:48,560 --> 00:36:45,620

just remember supermoons bringing

776
00:36:54,710 --> 00:36:48,570
increased earthquakes I will remember

777
00:36:56,330 --> 00:36:54,720
that the 31st of this month yes super

778
00:36:57,290 --> 00:36:56,340
moon oh you we just talked about this

779
00:37:00,350 --> 00:36:57,300
last night

780
00:37:04,280 --> 00:37:00,360
sorry that's my producer over there I

781
00:37:06,230 --> 00:37:04,290
won't turn the camera I promise what

782
00:37:10,160 --> 00:37:06,240
individual from the UFO past would you

783
00:37:18,820 --> 00:37:10,170
like to meet Jane Allen Hynek enough

784
00:37:25,040 --> 00:37:21,410
me and my wife Brittany say hi from New

785
00:37:27,560 --> 00:37:25,050
Orleans what's up guys bend your neck of

786
00:37:32,960 --> 00:37:27,570
the woods a couple times don't remember

787
00:37:34,670 --> 00:37:32,970
most of it for obvious reasons why do

788
00:37:36,859 --> 00:37:34,680

people think that disclosure will

789

00:37:38,330 --> 00:37:36,869

actually clear things up many people in

790

00:37:38,870 --> 00:37:38,340

this field say they don't trust the

791

00:37:43,070 --> 00:37:38,880

government

792

00:37:44,510 --> 00:37:43,080

them the truth carload that is a prime

793

00:37:48,050 --> 00:37:44,520

example of what is going on with this

794

00:37:50,150 --> 00:37:48,060

pentagon UFO story for so many years so

795

00:37:51,859 --> 00:37:50,160

many UFO people have said we don't trust

796

00:37:54,349 --> 00:37:51,869

the government the government's gonna

797

00:37:57,680 --> 00:37:54,359

lie to us the minute this story came

798

00:37:59,260 --> 00:37:57,690

forward from supposedly the Department

799

00:38:02,750 --> 00:37:59,270

of Defense and the government

800

00:38:05,630 --> 00:38:02,760

respectively we were all pretty damn

801
00:38:06,830 --> 00:38:05,640
quick to believe them so I don't know

802
00:38:09,050 --> 00:38:06,840
man I don't know what to make of that

803
00:38:12,260 --> 00:38:09,060
it's a very at the critical thing in

804
00:38:14,120 --> 00:38:12,270
many ways but I've had a big proponent

805
00:38:16,010 --> 00:38:14,130
of disclosure and I know I might we'll

806
00:38:18,140 --> 00:38:16,020
use some listeners and viewers for

807
00:38:19,520 --> 00:38:18,150
saying that but I do not believe the

808
00:38:21,170 --> 00:38:19,530
government is going to disclose the

809
00:38:24,680 --> 00:38:21,180
truth about what they know about UFOs I

810
00:38:26,540 --> 00:38:24,690
don't think they know what UFOs are but

811
00:38:27,890 --> 00:38:26,550
my good friend Robby Graham always

812
00:38:30,710 --> 00:38:27,900
brings up a really interesting point

813
00:38:32,060 --> 00:38:30,720

that they may not know what it is but

814

00:38:34,400 --> 00:38:32,070

they have the power to control the

815

00:38:35,720 --> 00:38:34,410

information about it to the public so I

816

00:38:39,230 --> 00:38:35,730

think that's a really good thing to keep

817

00:38:41,180 --> 00:38:39,240

in mind is I don't know what UFOs are I

818

00:38:44,480 --> 00:38:41,190

don't think the government does but just

819

00:38:46,580 --> 00:38:44,490

be careful what you hear and who you're

820

00:38:47,990 --> 00:38:46,590

listening to there's so many charlatans

821

00:38:50,690 --> 00:38:48,000

out there in the UFO field and the

822

00:38:52,400 --> 00:38:50,700

paranormal and just be careful I'm not

823

00:38:53,290 --> 00:38:52,410

going to name names you know who they

824

00:38:55,270 --> 00:38:53,300

are

825

00:38:58,660 --> 00:38:55,280

I can message you privately if you would

826

00:39:01,030 --> 00:38:58,670

like my personal list of who is straight

827

00:39:03,280 --> 00:39:01,040

up lying to your face and who's just

828

00:39:08,220 --> 00:39:03,290

making money off of it maybe I'll they

829

00:39:14,140 --> 00:39:11,410

let's see Jamie rose Hamilton I'm pretty

830

00:39:17,380 --> 00:39:14,150

new to this topic but a hi Jamie by the

831

00:39:19,360 --> 00:39:17,390

way but have been researching for the

832

00:39:21,670 --> 00:39:19,370

past few months awesome awesome

833

00:39:24,580 --> 00:39:21,680

I'm having a hard time reconciling it

834

00:39:27,220 --> 00:39:24,590

with my faith and finding evidence with

835

00:39:29,200 --> 00:39:27,230

Christianity texts any suggestions for

836

00:39:31,720 --> 00:39:29,210

something to read or do you have any

837

00:39:37,270 --> 00:39:31,730

thoughts on it um absolutely

838

00:39:40,300 --> 00:39:37,280

so UFO studies often gets related to

839

00:39:43,930 --> 00:39:40,310

religion in many respects for many

840

00:39:47,230 --> 00:39:43,940

people UFOs are a belief system for me

841

00:39:50,260 --> 00:39:47,240

UFOs are a topic of interest that I

842

00:39:52,570 --> 00:39:50,270

pursue it is not a belief many people

843

00:39:56,470 --> 00:39:52,580

ask me do I believe in UFOs do I believe

844

00:39:58,870 --> 00:39:56,480

in aliens I do believe in the UFOs and I

845

00:40:02,050 --> 00:39:58,880

do believe in aliens because I saw a UFO

846

00:40:04,000 --> 00:40:02,060

I did not see an alien that being said a

847

00:40:07,270 --> 00:40:04,010

UFO is nothing but an unidentified

848

00:40:11,200 --> 00:40:07,280

flying object where you ap as Miss

849

00:40:14,830 --> 00:40:11,210

Hillary Clinton would say in terms of

850

00:40:18,600 --> 00:40:14,840

your faith I think there is a very fine

851

00:40:21,430 --> 00:40:18,610

line but I think you can find ways to

852

00:40:22,270 --> 00:40:21,440

connect the two and to keep them

853

00:40:25,300 --> 00:40:22,280

separate

854

00:40:27,130 --> 00:40:25,310

I actually I told the story in my

855

00:40:30,910 --> 00:40:27,140

presentation at the UFO calenders Jamie

856

00:40:34,810 --> 00:40:30,920

that when I was younger I went to

857

00:40:37,870 --> 00:40:34,820

confession at my church and I I went

858

00:40:40,990 --> 00:40:37,880

into you know into the booth and I sat

859

00:40:44,190 --> 00:40:41,000

down I told a couple sins you know I I

860

00:40:47,320 --> 00:40:44,200

lied to my mom I didn't do my chores

861

00:40:49,660 --> 00:40:47,330

whatever I didn't pray that night and

862

00:40:51,850 --> 00:40:49,670

then I just straight up asked my priest

863

00:40:55,660 --> 00:40:51,860

what is the Church's stance on aliens

864

00:40:57,250 --> 00:40:55,670

and you know around the parish I was

865

00:40:59,230 --> 00:40:57,260

kind of known as the UFO guy even at

866

00:41:01,210 --> 00:40:59,240

that young age I've been you know

867

00:41:03,749 --> 00:41:01,220

talking about it I always at books in

868

00:41:07,859 --> 00:41:03,759

school that I would bring in about UFOs

869

00:41:10,679 --> 00:41:07,869

and he immediately knew it was me even

870

00:41:15,120 --> 00:41:10,689

that the partition was between us and he

871

00:41:17,999 --> 00:41:15,130

just said Ryan the Catholic Church does

872

00:41:21,089 --> 00:41:18,009

not have a stance on this to my

873

00:41:24,269 --> 00:41:21,099

knowledge says but I personally believe

874

00:41:27,139 --> 00:41:24,279

that there is other life out there so

875

00:41:28,859 --> 00:41:27,149

right there that was enough for me too

876

00:41:32,519 --> 00:41:28,869

that was enough for me

877

00:41:34,849 --> 00:41:32,529

he said if God were that powerful to

878

00:41:38,479 --> 00:41:34,859

create life why would he just do it on

879

00:41:41,370 --> 00:41:38,489

one planet you know on one world and

880

00:41:45,149 --> 00:41:41,380

that's a pretty risky thing for a priest

881

00:41:48,629 --> 00:41:45,159

to say I think but I took it I took it

882

00:41:50,999 --> 00:41:48,639

for every word that he said and I wish I

883

00:41:52,919 --> 00:41:51,009

could talk to him now he's since left

884

00:41:54,929 --> 00:41:52,929

the parish maybe I can get a hold of him

885

00:41:58,169 --> 00:41:54,939

to see what his thoughts are now but um

886

00:42:01,019 --> 00:41:58,179

yeah I don't know really what else to

887

00:42:02,789 --> 00:42:01,029

say in terms of text to read you might

888

00:42:06,389 --> 00:42:02,799

want to look at the work of a gentleman

889

00:42:08,779 --> 00:42:06,399

named Michael Carter or Susan Palmer I

890

00:42:11,129 --> 00:42:08,789

believe her name is who have

891

00:42:13,889 --> 00:42:11,139

specifically looked at the topic of UFOs

892

00:42:16,620 --> 00:42:13,899

and religion again you're just got to be

893

00:42:19,469 --> 00:42:16,630

careful when you try to link the two

894

00:42:22,139 --> 00:42:19,479

because it can get really really touchy

895

00:42:23,669 --> 00:42:22,149

um I'm excited to hear that you're

896

00:42:26,339 --> 00:42:23,679

looking into the topic though that's

897

00:42:31,169 --> 00:42:26,349

pretty interesting but yeah I mean I'm a

898

00:42:35,039 --> 00:42:31,179

practicing Catholic sometimes and I've

899

00:42:39,449 --> 00:42:35,049

just found a way to to sort of infuse

900

00:42:41,669 --> 00:42:39,459

this topic into my faith most of UFOs is

901
00:42:44,699 --> 00:42:41,679
faith to begin with we have very little

902
00:42:47,459 --> 00:42:44,709
scientific evidence of what these things

903
00:42:49,099 --> 00:42:47,469
are so yeah there's always a little bit

904
00:42:53,129 --> 00:42:49,109
of belief when it comes to this topic

905
00:42:55,319 --> 00:42:53,139
stick to the facts ask people have they

906
00:42:55,939 --> 00:42:55,329
seen a UFO and sort of just take it from

907
00:43:00,689 --> 00:42:55,949
there

908
00:43:03,079 --> 00:43:00,699
and keep going to church what are your

909
00:43:07,919 --> 00:43:03,089
thoughts on MUFON William good question

910
00:43:11,909 --> 00:43:07,929
I'm going to be frank here I've had many

911
00:43:14,879 --> 00:43:11,919
issues with MUFON as of late due to some

912
00:43:16,510 --> 00:43:14,889
of the individuals involved and I'm just

913
00:43:19,420 --> 00:43:16,520

gonna straight-out say it

914

00:43:21,850 --> 00:43:19,430

there are members of MUFON whom I hope I

915

00:43:23,830 --> 00:43:21,860

never come into contact with in person

916

00:43:26,440 --> 00:43:23,840

because I don't think it would be pretty

917

00:43:28,390 --> 00:43:26,450

and I'm not trying to sound masculine or

918

00:43:29,710 --> 00:43:28,400

that I would fight them I just have

919

00:43:32,410 --> 00:43:29,720

absolutely no respect for these

920

00:43:33,730 --> 00:43:32,420

individuals on a personal level that

921

00:43:35,590 --> 00:43:33,740

doesn't necessarily have to do with the

922

00:43:38,050 --> 00:43:35,600

organization and that's something I've

923

00:43:40,330 --> 00:43:38,060

come to terms with as of late the

924

00:43:42,490 --> 00:43:40,340

organization itself is moving into a

925

00:43:45,040 --> 00:43:42,500

very positive direction with a new

926
00:43:47,590 --> 00:43:45,050
director of research mr. Chris Cogswell

927
00:43:49,690 --> 00:43:47,600
who I just interviewed about his new

928
00:43:51,460 --> 00:43:49,700
position and his new approaches that is

929
00:43:52,600 --> 00:43:51,470
going to be taking with MUFON and I will

930
00:43:57,370 --> 00:43:52,610
tell you right now after interviewing

931
00:43:59,110 --> 00:43:57,380
him I'm sold I look forward to what

932
00:44:00,310 --> 00:43:59,120
MUFON comes up with next for those who

933
00:44:02,770 --> 00:44:00,320
don't know MUFON is the mutual UFO

934
00:44:05,950 --> 00:44:02,780
network it is the largest UFO

935
00:44:08,920 --> 00:44:05,960
investigative organization in the world

936
00:44:11,410 --> 00:44:08,930
it has members in every neck of the

937
00:44:13,690 --> 00:44:11,420
woods on this planet which is pretty

938
00:44:16,030 --> 00:44:13,700

awesome it's a civilian run organization

939

00:44:18,610 --> 00:44:16,040

you can become a member and go invest

940

00:44:21,370 --> 00:44:18,620

investigate UFOs yourself and become the

941

00:44:23,980 --> 00:44:21,380

actual Fox Mulder or Dana Scully that we

942

00:44:27,400 --> 00:44:23,990

always want to be or this third guy I

943

00:44:29,620 --> 00:44:27,410

forget his name is something Reggie

944

00:44:31,390 --> 00:44:29,630

Reggie something watch the latest

945

00:44:35,080 --> 00:44:31,400

x-files you'll know what I mean

946

00:44:37,120 --> 00:44:35,090

so yeah MUFON good luck with everything

947

00:44:41,040 --> 00:44:37,130

hope to talk at your symposium this

948

00:44:50,680 --> 00:44:44,800

well that's Mardi Gras is coming up yes

949

00:44:53,320 --> 00:44:50,690

episode of UFO bullshitters I will

951
00:44:57,730 --> 00:44:55,400
definitely do that Michael that is gonna

952
00:44:59,920 --> 00:44:57,740
be a patreon only for those who don't

953
00:45:02,650 --> 00:44:59,930

patrons right now which is more than I

969

00:45:43,720 --> 00:45:41,450

ever imagined and it's a monthly

970

00:45:45,910 --> 00:45:43,730

donation to the show to help me continue

971

00:45:47,920 --> 00:45:45,920

doing it there are so many unforeseen

972

00:45:50,710 --> 00:45:47,930

costs when it comes to a podcast from

973

00:45:52,750 --> 00:45:50,720

audio hosting to equipment I got my

974

00:45:57,160 --> 00:45:52,760

beautiful mic right here I would love to

975

00:46:00,190 --> 00:45:57,170

976

00:46:01,900 --> 00:46:00,200

it's not cheap my main show is always

977

00:46:05,050 --> 00:46:01,910

free to consume it's not free to create

978

00:46:06,640 --> 00:46:05,060

so any help is greatly appreciated and

979

00:46:10,240 --> 00:46:06,650

you do get many rewards in return

980

00:46:12,400 --> 00:46:10,250

including these lovely stickers right

981

00:46:14,319 --> 00:46:12,410

982

00:46:17,310 --> 00:46:14,329

these if you haven't please let me know

983

00:46:22,480 --> 00:46:17,320

984

00:46:23,550 --> 00:46:22,490

yeah yeah my director is telling me good

985

00:46:27,099 --> 00:46:23,560

job

986

00:46:28,839 --> 00:46:27,109

the fans how is my mom doing Wow thank

987

00:46:31,060 --> 00:46:28,849

you so much for asking man and Dave

988

00:46:35,020 --> 00:46:31,070

Alberg REO is well I can't stop using

989

00:46:36,460 --> 00:46:35,030

people's last names I'm so sorry my mom

990

00:46:40,030 --> 00:46:36,470

is doing really well for those who don't

991

00:46:45,579 --> 00:46:40,040

know my mom's had it rough for most of

992

00:46:48,579 --> 00:46:45,589

her life she was diagnosed with diabetes

993

00:46:51,309 --> 00:46:48,589

when she was extremely young and had

994

00:46:56,020 --> 00:46:51,319

kidney failure throughout her life and

995

00:47:00,160 --> 00:46:56,030

yeah it was it was it was tough she she

996

00:47:04,210 --> 00:47:00,170

was on dialysis for a while and we did

997

00:47:05,740 --> 00:47:04,220

almost lose her at one point but she got

998

00:47:08,500 --> 00:47:05,750

a transplant a kidney and pancreas

999

00:47:10,599 --> 00:47:08,510

transplant and it saved her life she

1000

00:47:13,210 --> 00:47:10,609

literally got a second chance at life

1001
00:47:17,440 --> 00:47:13,220
and I could not ask for more than that

1002
00:47:20,020 --> 00:47:17,450
um a young man by the name of Terry was

1003
00:47:23,500 --> 00:47:20,030
her donor unfortunately he did pass away

1004
00:47:27,550 --> 00:47:23,510
in order for this miracle with my mother

1005
00:47:29,770 --> 00:47:27,560
to happen in my eyes so every year we

1006
00:47:32,109 --> 00:47:29,780
celebrate Terry's life and my mother

1007
00:47:34,000 --> 00:47:32,119
second chance at life that being said

1008
00:47:36,550 --> 00:47:34,010
there are many complications that come

1009
00:47:38,790 --> 00:47:36,560
with transplant recipients and my mother

1010
00:47:42,070 --> 00:47:38,800
has pretty much hate every one of those

1011
00:47:44,530 --> 00:47:42,080
but she is the Bionic Woman

1012
00:47:48,340 --> 00:47:44,540
she has made it through some very scary

1013
00:47:50,830 --> 00:47:48,350

times and this last time is no different

1014

00:47:53,470 --> 00:47:50,840

she went into evasive surgery about a

1015

00:47:54,820 --> 00:47:53,480

week ago and now she's in recovery and

1016

00:47:56,530 --> 00:47:54,830

she's doing really well

1017

00:47:59,800 --> 00:47:56,540

I heard from my father today that she's

1018

00:48:01,510 --> 00:47:59,810

had the best day yet so I will hopefully

1019

00:48:03,580 --> 00:48:01,520

be talking to her tomorrow and I'll keep

1020

00:48:06,460 --> 00:48:03,590

you all updated on that she is the most

1021

00:48:09,820 --> 00:48:06,470

incredible woman I've ever met

1022

00:48:12,040 --> 00:48:09,830

and she's like shorter than me and if

1023

00:48:14,200 --> 00:48:12,050

anyone knows I'm pretty short but she

1024

00:48:17,020 --> 00:48:14,210

packs a punch and she's an extremely

1025

00:48:18,280 --> 00:48:17,030

strong individual and my inspiration so

1026

00:48:20,860 --> 00:48:18,290

I'll leave it at that

1027

00:48:27,610 --> 00:48:20,870

sue spreg we hope to see you on Facebook

1028

00:48:32,650 --> 00:48:27,620

soon let's see what do you think about

1029

00:48:35,170 --> 00:48:32,660

the cattle mutilation stories um who did

1030

00:48:38,230 --> 00:48:35,180

I interview about this I don't remember

1031

00:48:41,310 --> 00:48:38,240

now uh I the cattle mutilation

1032

00:48:44,530 --> 00:48:41,320

phenomenon is really scary and I know

1033

00:48:47,500 --> 00:48:44,540

Linda how did a amazing documentary on

1034

00:48:48,100 --> 00:48:47,510

this many years ago who else Chris

1035

00:48:52,270 --> 00:48:48,110

O'Brien

1036

00:48:54,280 --> 00:48:52,280

who co-hosts the para cast he also does

1037

00:48:55,510 --> 00:48:54,290

a lot of work into this as well I don't

1038

00:48:58,390 --> 00:48:55,520

know what to make the cattle mutilation

1039

00:49:00,520 --> 00:48:58,400

phenomenon personally I don't think it

1040

00:49:02,740 --> 00:49:00,530

has anything to do with aliens I'll

1041

00:49:06,790 --> 00:49:02,750

leave it at that I don't know what

1042

00:49:10,090 --> 00:49:06,800

causes it if it's other animals if it's

1043

00:49:12,970 --> 00:49:10,100

humans I honestly I don't know if I want

1044

00:49:16,900 --> 00:49:12,980

to know but it's interesting it's

1045

00:49:18,880 --> 00:49:16,910

terrifying and for anyone interested in

1046

00:49:21,700 --> 00:49:18,890

learning more about that definitely look

1047

00:49:24,490 --> 00:49:21,710

at the work of Chris O'Brien and also

1048

00:49:27,610 --> 00:49:24,500

Jeremy Korbelt who's doing a documentary

1049

00:49:29,430 --> 00:49:27,620

on skinwalker ranch in Utah where a lot

1050

00:49:32,260 --> 00:49:29,440

of mutilations have occurred as well

1051

00:49:34,450 --> 00:49:32,270

UFOs ghosts Bigfoot

1052

00:49:37,930 --> 00:49:34,460

it's literally like an orgy of

1053

00:49:40,900 --> 00:49:37,940

phenomenon in this one enclosed area in

1054

00:49:48,700 --> 00:49:40,910

Utah so definitely look out for that

1055

00:49:57,830 --> 00:49:52,000

let's see what else

1056

00:49:59,180 --> 00:49:57,840

hello Deb Kevin Smith got to give a

1057

00:50:01,580 --> 00:49:59,190

shout-out to Earl Grey chief

1058

00:50:04,850 --> 00:50:01,590

investigator from MUFON and Callie Earl

1059

00:50:07,670 --> 00:50:04,860

Grey is an awesome dude I've yet to meet

1060

00:50:10,460 --> 00:50:07,680

him I have to he supports the show and

1061

00:50:14,270 --> 00:50:10,470

he's got the coolest name ever my

1062

00:50:15,860 --> 00:50:14,280

favorite team out there I know him

1063

00:50:18,500 --> 00:50:15,870

personally and he is one of the best in

1064

00:50:25,010 --> 00:50:18,510

move on I couldn't agree more I recently

1065

00:50:26,750 --> 00:50:25,020

saw Earl on a on a was a vice or a

1066

00:50:30,050 --> 00:50:26,760

brought it was one of those like

1067

00:50:31,670 --> 00:50:30,060

millennial websites who do really short

1068

00:50:34,100 --> 00:50:31,680

documentaries and they actually

1069

00:50:35,900 --> 00:50:34,110

interviewed Earl and it was awesome like

1070

00:50:38,090 --> 00:50:35,910

they did a really good job with it and

1071

00:50:40,460 --> 00:50:38,100

Earl represented both youth on and

1072

00:50:44,780 --> 00:50:40,470

ufology and a very shining light for

1073

00:50:46,340 --> 00:50:44,790

sure the sticker would make a good

1074

00:50:49,810 --> 00:50:46,350

tattoo yeah I'll think about that

1075

00:50:54,770 --> 00:50:49,820

William for sure I gotta have you on man

1076

00:50:58,010 --> 00:50:54,780

test my you falah djegal history sign up

1077

00:51:00,890 --> 00:50:58,020

to donate your organs mario says yes i'm

1078

00:51:04,100 --> 00:51:00,900

a huge advocate for organ donation

1079

00:51:05,420 --> 00:51:04,110

obviously what many people don't know is

1080

00:51:09,200 --> 00:51:05,430

just signing your name on the back of

1081

00:51:11,090 --> 00:51:09,210

your driver's license is not enough my

1082

00:51:13,730 --> 00:51:11,100

mother has made this very clear to me

1083

00:51:16,190 --> 00:51:13,740

you have to talk about organ donation

1084

00:51:17,780 --> 00:51:16,200

and your thoughts on it and what you

1085

00:51:20,180 --> 00:51:17,790

want to do with your family because

1086

00:51:21,140 --> 00:51:20,190

ultimately it's their decision you could

1087

00:51:23,660 --> 00:51:21,150

write your name on the back of your

1088

00:51:26,390 --> 00:51:23,670

license doesn't mean a thing your family

1089

00:51:28,940 --> 00:51:26,400

makes the final decision and luckily for

1090

1094

00:51:45,530 --> 00:51:42,350

and saved their lives

1095

00:51:48,290 --> 00:51:45,540

that's incredible so please become an

1096

00:51:50,150 --> 00:51:48,300

from India I recently interviewed a dish

1103
00:52:11,650 --> 00:52:08,750
on my website he is one of the only UFO

1104
00:52:14,290 --> 00:52:11,660
investigators who created his own UFO

1105
00:52:16,660 --> 00:52:14,300
magazine and investigative team in India

1106
00:52:19,180 --> 00:52:16,670
so please check out his work his

1107
00:52:21,040 --> 00:52:19,190
magazine is incredible he's also younger

1108
00:52:22,120 --> 00:52:21,050
than me so I think he's the youngest UFO

1109
00:52:25,660 --> 00:52:22,130
researcher out there

1110
00:52:32,950 --> 00:52:25,670
so whatever dude know his work is

1111
00:52:40,210 --> 00:52:32,960

00:52:48,790 --> 00:52:47,450

told I should cut this in 2d you have a

1114

00:52:52,500 --> 00:52:48,800

great night and take care thank you

1115

00:52:55,460 --> 00:52:54,910

Michael says give my liver to someone

1116

00:52:57,120 --> 00:52:55,470

you hate

1117

00:53:02,590 --> 00:52:57,130

[Laughter]

1118

00:53:06,000 --> 00:53:02,600

meets a man meat to you Susan says take

1119

00:53:14,260 --> 00:53:06,010

1120

00:53:18,430 --> 00:53:14,270

cow gilmer what's up my man can't tell

1121

00:53:25,330 --> 00:53:18,440

if the scrolling is paused or there's

1122

00:53:32,160 --> 00:53:25,340

just no more questions guy what's up

1123

00:53:38,559 --> 00:53:35,880

let's see this was awesome

1124

00:53:39,940 --> 00:53:38,569

alright maybe I'll take like two more

1125

00:53:41,229 --> 00:53:39,950

questions if anyone has any more

1126
00:53:42,999 --> 00:53:41,239
questions and then I think I'm gonna

1127
00:53:44,499 --> 00:53:43,009
wrap it up for this first time this was

1128
00:53:47,039 --> 00:53:44,509
way more successful than I could have

1129
00:53:51,759 --> 00:53:47,049
ever imagined there's like 150 comments

1130
00:53:53,829 --> 00:53:51,769
I will be less nervous next time Thank

1131
00:53:56,410 --> 00:53:53,839
You Teresa thank you for joining me this

1132
00:53:58,630 --> 00:53:56,420
was awesome thank you John

1133
00:54:01,390 --> 00:53:58,640
so yeah less calling questions what's

1134
00:54:03,989 --> 00:54:01,400
your blood type I don't remember I used

1135
00:54:06,460 --> 00:54:03,999
to give blood every chance I could

1136
00:54:08,410 --> 00:54:06,470
obviously you know the whole organ

1137
00:54:11,849 --> 00:54:08,420
donation thing stretches even further

1138
00:54:15,489 --> 00:54:11,859

donate blood if you can I don't remember

1139

00:54:17,349 --> 00:54:15,499

RH Rh negative is that the really weird

1140

00:54:21,719 --> 00:54:17,359

one where people get superpowers

1141

00:54:29,410 --> 00:54:21,729

I don't remember that's mine

1142

00:54:32,019 --> 00:54:29,420

RH Kevin says I'm requesting you do this

1143

00:54:38,019 --> 00:54:32,029

weekly I'll buy you a new mic please do

1144

00:54:41,430 --> 00:54:38,029

it dude you got it Kyle asks would you

1145

00:54:43,599 --> 00:54:41,440

ever want to visit each study ranch umm

1146

00:54:46,209 --> 00:54:43,609

yeah absolutely

1147

00:54:48,539 --> 00:54:46,219

uh this is a ranch Kyle you're gonna

1148

00:54:52,509 --> 00:54:48,549

have to refresh my memory on where it is

1149

00:54:54,880 --> 00:54:52,519

but where everyone sees UFOs that's it

1150

00:54:59,079 --> 00:54:54,890

you go there you see UFO I don't know

1151

00:55:01,120 --> 00:54:59,089

how it happens why it happens but so

1152

00:55:03,370 --> 00:55:01,130

many people have told me that they went

1153

00:55:05,589 --> 00:55:03,380

there extremely skeptical and they had

1154

00:55:08,170 --> 00:55:05,599

an experience they saw something

1155

00:55:09,370 --> 00:55:08,180

incredible there so I would definitely

1156

00:55:12,779 --> 00:55:09,380

like to go there if I ever get the

1157

00:55:19,180 --> 00:55:15,700

nitesh asks what is my future plans in

1158

00:55:22,029 --> 00:55:19,190

ufology to keep looking for answers I

1159

00:55:24,819 --> 00:55:22,039

guess I will say right here and now I am

1160

00:55:26,709 --> 00:55:24,829

working on a second book I have it open

1161

00:55:31,059 --> 00:55:26,719

right here on my computer actually right

1162

00:55:34,779 --> 00:55:31,069

now and continuing the podcast as much

1163

00:55:37,089 --> 00:55:34,789

as I can and I actually just talked to

1164

00:55:38,440 --> 00:55:37,099

Jeremy Korbelt today many of you know

1165

00:55:40,839 --> 00:55:38,450

whom he spent on the show you've

1166

00:55:43,359 --> 00:55:40,849

probably seen his documentaries and we

1167

00:55:44,370 --> 00:55:43,369

are going to be meeting up next week to

1168

00:55:47,970 --> 00:55:44,380

discuss some feature

1169

00:55:51,690 --> 00:55:47,980

projects so be on the lookout for for

1170

00:55:57,299 --> 00:55:51,700

that a Korbelt slash spread joint in the

1171

00:56:02,370 --> 00:55:57,309

near future and I don't mean marijuana

1172

00:56:04,650 --> 00:56:02,380

I mean like Spike Lee of the show thank

1173

00:56:07,079 --> 00:56:04,660

you thank you thank you Gary

1174

00:56:09,450 --> 00:56:07,089

the desert

1177
00:56:16,230 --> 00:56:14,710
maybe it's in Joshua tree at Joshua Tree

1178
00:56:19,920 --> 00:56:16,240
I don't know how that what the proper

1179
00:56:23,539 --> 00:56:19,930
word is is for that but um maybe I would

1180
00:56:28,499 --> 00:56:25,769
hmm southern Washington is where that

1181
00:56:30,960 --> 00:56:28,509
you said he ranches James

1182
00:56:34,890 --> 00:56:30,970
Gillian ranch yeah I actually met James

1183
00:56:37,140 --> 00:56:34,900
he's a really cool guy and yeah I don't

1184
00:56:39,900 --> 00:56:37,150
know why but he bought this ranch and

1185
00:56:43,980 --> 00:56:39,910
now like you go there and you see crazy

1186
00:56:46,230 --> 00:56:43,990
crazy so check that out if you can

1187
00:56:48,420 --> 00:56:46,240
trout lake in Washington yes good night

1188
00:56:56,190 --> 00:56:48,430

Ryan Sprague the best your mom thank you

1189

00:56:58,999 --> 00:56:56,200

Mario I am going to do one more question

1190

00:57:02,220 --> 00:56:59,009

guys if anyone has one more question

1191

00:57:05,069 --> 00:57:02,230

shout it out right now and then I think

1192

00:57:08,670 --> 00:57:05,079

I'm gonna wrap things up for sure

1193

00:57:14,860 --> 00:57:08,680

starving it's 8:30 here in California

1194

00:57:17,590 --> 00:57:14,870

and I'm hungry your fish is

1195

00:57:20,620 --> 00:57:17,600

the first UFO conference in India he

1196

00:57:24,100 --> 00:57:20,630

would love to invite me I am I am their

1197

00:57:32,670 --> 00:57:24,110

man let me know when where and let's do

1198

00:57:36,040 --> 00:57:32,680

this dos

1199

00:57:45,400 --> 00:57:36,050

Dulce New Mexico yes or no that's John's

1200

00:57:48,100 --> 00:57:45,410

question uh know if he's better Roswell

1201
00:57:49,780 --> 00:57:48,110
I'll buy you a few beers William I would

1202
00:57:51,310 --> 00:57:49,790
love that I've only been to Roswell once

1203
00:57:52,690 --> 00:57:51,320
in my life it was an incredible

1204
00:57:58,210 --> 00:57:52,700
experience again it's where I got my

1205
00:58:00,580 --> 00:57:58,220
question mark tattoo and it was awesome

1206
00:58:02,530 --> 00:58:00,590
it's such a cool little town the street

1207
00:58:06,250 --> 00:58:02,540
lamps are all aliens the McDonald's is a

1208
00:58:08,170 --> 00:58:06,260
UFO and if you talk to any of the locals

1209
00:58:10,780 --> 00:58:08,180
there they will bring you to where they

1210
00:58:13,090 --> 00:58:10,790
think the UFO crash occurred which

1211
00:58:15,850 --> 00:58:13,100
happens to be like 80 different places

1212
00:58:21,960 --> 00:58:15,860
in the desert but that's a chief ology

1213
00:58:30,030 --> 00:58:21,970

for you Michael says they'll say is BS

1214

00:58:34,049 --> 00:58:31,680

all right guys

1215

00:58:38,250 --> 00:58:34,059

yeah I think I'm gonna sort of wrap it

1216

00:58:40,230 --> 00:58:38,260

up here before I go I did want to let

1217

00:58:42,240 --> 00:58:40,240

you guys know that I recently

1218

00:58:44,849 --> 00:58:42,250

interviewed Paul Cornell the guy who

1219

00:58:47,130 --> 00:58:44,859

wrote Saucer country the comic book for

1220

00:58:51,720 --> 00:58:47,140

government stuff politics everything you

1224

00:59:01,230 --> 00:58:58,119

1225

00:59:07,190 --> 00:59:01,240

intrinsically links to UFOs is involved

1226

00:59:09,930 --> 00:59:07,200

I have a few examples here of his work

1227

00:59:11,819 --> 00:59:09,940

what I'm gonna be doing is a contest

1228

00:59:14,789 --> 00:59:11,829

very soon I'm gonna be giving away the

1229

00:59:17,279 --> 00:59:14,799

two volumes of saucer country and the

1230

00:59:20,279 --> 00:59:17,289

entire run of the new saucer staked all

1231

00:59:20,730 --> 00:59:20,289

by Paul Cornell this dude did his

1232

00:59:22,980 --> 00:59:20,740

homework

1233

00:59:24,240 --> 00:59:22,990

and he knows everything about UFOs and

1234

00:59:27,569 --> 00:59:24,250

he's made it into a very entertaining

1235

00:59:28,380 --> 00:59:27,579

comic book for the masses so check it

1236

00:59:31,500 --> 00:59:28,390

1247

00:59:58,740 --> 00:59:56,589

the teeth for ufology by many many

1248

01:00:01,769 --> 00:59:58,750

different authors who you can all see

1249

01:00:05,039 --> 01:00:01,779

here including yours truly I wrote an

1250

01:00:07,589 --> 01:00:05,049

essay called Frankenstein and flying

1257

01:00:26,069 --> 01:00:22,660
