55
00:02:38,240 --> 00:02:37,140

this was perfect for huge fans of the

67

00:03:08,180 --> 00:03:06,299

show and we also didn't know there was

68

00:03:10,039 --> 00:03:08,190

another season we thought it was done so

69

00:03:12,110 --> 00:03:10,049

that's very exciting to know that we

70

00:03:16,100 --> 00:03:12,120

group right yeah there's this super

76

00:03:56,990 --> 00:03:55,470

boring for a lot of you you're literally

77

00:03:58,729 --> 00:03:57,000

watching me type on my computer and I

78

00:04:00,680 --> 00:03:58,739

know it's wobbly

79

00:04:04,910 --> 00:04:00,690

come join me right now for a Facebook

80

00:04:06,580 --> 00:04:04,920

live Q & A if any of you are part of the

81

00:04:09,860 --> 00:04:06,590

somewhere in this guy's Facebook podcast

82

00:04:11,809 --> 00:04:09,870

group and you want to just link this

83

00:04:18,640 --> 00:04:11,819

video to that page that'd be great

84

00:04:23,719 --> 00:04:22,550

cool so I'm doing that alright so let me

85

00:04:27,200 --> 00:04:23,729

get hi Jane

86

00:04:29,210 --> 00:04:27,210

peace peace Jane is at the grocery store

87

00:04:32,060 --> 00:04:29,220

right now so you might hear her come in

88

00:04:32,540 --> 00:04:32,070

shortly you guys need to come to

89

00:04:34,400 --> 00:04:32,550

Portland

90

00:04:36,440 --> 00:04:34,410

Jennifer we would love that Jane's

91

00:04:39,440 --> 00:04:36,450

sibling lives in Portland and we want to

92

00:04:40,700 --> 00:04:39,450

go visit him very soon I love that city

93

00:04:43,790 --> 00:04:40,710

I've been there a couple times I've been

94

00:04:45,350 --> 00:04:43,800

to the sci-fi Museum there to the zoo I

95

00:04:51,110 --> 00:04:45,360

would love to go back there's such a

96

00:04:54,440 --> 00:04:51,120

cool cool little town let's see Theresa

97

00:05:01,300 --> 00:04:54,450

hello Jane wants to go to Portland we

98

00:05:01,310 --> 00:05:10,249

see what I'm missing anything here

99

00:05:16,820 --> 00:05:14,610

cool so um Vance actually who I think is

100

00:05:20,010 --> 00:05:16,830

here already Vance what's up brother

101
00:05:22,140 --> 00:05:20,020
told me about this and I have to bring

102
00:05:25,710 --> 00:05:22,150
it up so I think it's like a month ago

103
00:05:27,719 --> 00:05:25,720
around Christmas when us on the west

104
00:05:30,180 --> 00:05:27,729
coast here had a very surprising event

105
00:05:32,550 --> 00:05:30,190
happen where we saw this crazy thing in

106
00:05:33,570 --> 00:05:32,560
the sky at night and it turned out to be

107
00:05:36,450 --> 00:05:33,580
a SpaceX launch

108
00:05:39,029 --> 00:05:36,460
I did record it on my phone and posted

109
00:05:41,790 --> 00:05:39,039
it immediately you know what the hell is

110
00:05:43,469 --> 00:05:41,800
this what's going on and as it was

111
00:05:45,210 --> 00:05:43,479
happening people were messaging me

112
00:05:46,680 --> 00:05:45,220
texting me like what's going on there

113
00:05:48,839 --> 00:05:46,690

dude there's something in the sky blah

114

00:05:51,390 --> 00:05:48,849

blah blah turned out to be a specific

115

00:05:53,430 --> 00:05:51,400

SpaceX launch that we had been told

116

00:05:55,439 --> 00:05:53,440

about many months prior but I don't

117

00:05:58,680 --> 00:05:55,449

remember hearing anything about it we

118

00:06:01,409 --> 00:05:58,690

now have been told that whatever this

119

00:06:02,879 --> 00:06:01,419

you know this this launch was tons of

120

00:06:05,490 --> 00:06:02,889

satellites were put up in the space and

121

00:06:07,260 --> 00:06:05,500

the main one actually crashed into the

122

00:06:08,790 --> 00:06:07,270

ocean and hasn't been found yet so

123

00:06:11,279 --> 00:06:08,800

that's pretty interesting

124

00:06:15,420 --> 00:06:11,289

but Vance wanted to make me aware that

125

00:06:16,950 --> 00:06:15,430

tomorrow Tuesday between 1:30 p.m. and

126

00:06:20,010 --> 00:06:16,960

4:00 p.m. Eastern Standard Time

127

00:06:21,300 --> 00:06:20,020

SpaceX is doing another launch so be on

128

00:06:22,620 --> 00:06:21,310

the lookout for that West Coasters

129

00:06:24,029 --> 00:06:22,630

you're gonna hear it you're probably

130

00:06:25,320 --> 00:06:24,039

gonna see it although it's gonna be

131

00:06:30,209 --> 00:06:25,330

daytime so I don't know if it'll be as

132

00:06:32,010 --> 00:06:30,219

dramatic as the one we saw at night but

133

00:06:33,719 --> 00:06:32,020

this is gonna be the SpaceX Falcon Heavy

134

00:06:36,540 --> 00:06:33,729

this is going to be the most powerful

135

00:06:39,089 --> 00:06:36,550

rocket ever launched into space now

136

00:06:41,129 --> 00:06:39,099

what's pretty cool about this is that

137

00:06:43,589 --> 00:06:41,139

this is actually the rocket the

138

00:06:47,040 --> 00:06:43,599

prototype for what Elon Musk wants to

139

00:06:49,260 --> 00:06:47,050

send people actual people to Mars with

140

00:06:52,320 --> 00:06:49,270

saying that it's so powerful that it is

141

00:06:54,209 --> 00:06:52,330

capable of bringing humans to Mars guys

142

00:06:58,170 --> 00:06:54,219

we might see this in our lifetime the

143

00:07:00,779 --> 00:06:58,180

thing I always try to to to tell people

144

00:07:03,089 --> 00:07:00,789

is that private space exploration is

145

00:07:06,120 --> 00:07:03,099

where it's at no longer this

146

00:07:07,830 --> 00:07:06,130

government-funded NASA program these

147

00:07:10,589 --> 00:07:07,840

guys have been through hell and back

148

00:07:13,379 --> 00:07:10,599

with funding and we never get anything

149

00:07:16,260 --> 00:07:13,389

out of it really that's not entirely

150

00:07:18,450 --> 00:07:16,270

true but private space exploration the

151
00:07:20,730 --> 00:07:18,460
things being done by SpaceX things being

152
00:07:21,399 --> 00:07:20,740
done by Robert Bigelow these are where

153
00:07:23,529 --> 00:07:21,409
we're gonna find

154
00:07:25,779 --> 00:07:23,539
true discoveries and get further than we

155
00:07:27,519 --> 00:07:25,789
ever thought possible possibly within

156
00:07:29,949 --> 00:07:27,529
our lifetime so I think that's pretty

157
00:07:32,259 --> 00:07:29,959
cool so West Coast be prepared tomorrow

158
00:07:35,469 --> 00:07:32,269
for another SpaceX launch that's pretty

159
00:07:37,179 --> 00:07:35,479
exciting news what else do I have for

160
00:07:39,309 --> 00:07:37,189
you guys I do want to do a little

161
00:07:41,499 --> 00:07:39,319
housecleaning before I start answering

162
00:07:43,329 --> 00:07:41,509
some questions if anyone has anything

163
00:07:46,169 --> 00:07:43,339

that says this is gonna be the Tesla

164

00:07:48,879 --> 00:07:46,179

Roadster launch so that's pretty awesome

165

00:07:50,229 --> 00:07:48,889

so like I mentioned I was late to

166

00:07:53,499 --> 00:07:50,239

getting this started because I was

167

00:07:55,029 --> 00:07:53,509

recording a podcast with Carolyn and

168

00:07:58,389 --> 00:07:55,039

Vanessa of then not another x-files

169

00:08:00,699 --> 00:07:58,399

podcast podcast x-files is all my life

170

00:08:02,290 --> 00:08:00,709

has been lately so yeah we're gonna be

171

00:08:04,359 --> 00:08:02,300

talking about the episode ghuli this

172

00:08:06,579 --> 00:08:04,369

past weeks new episode of the x-files on

173

00:08:08,350 --> 00:08:06,589

that that should be out very soon so you

174

00:08:11,019 --> 00:08:08,360

can check that out just Google not

175

00:08:13,509 --> 00:08:11,029

another Xbox podcast podcast it was an

176
00:08:15,159 --> 00:08:13,519
incredible conversation that lasted way

177
00:08:17,709 --> 00:08:15,169
longer than we expected so that's always

178
00:08:19,899 --> 00:08:17,719
a good thing um speaking of the x-files

179
00:08:21,790 --> 00:08:19,909
I dropped an episode this morning of

180
00:08:23,859 --> 00:08:21,800
somewhere in the skies with an impromptu

181
00:08:26,529 --> 00:08:23,869
interview I did with Brian Huskey

182
00:08:28,449 --> 00:08:26,539
you guys probably recognize this guy you

183
00:08:30,129 --> 00:08:28,459
might not know his name but he is all

184
00:08:32,889 --> 00:08:30,139
over the place he's killing it Comedy

185
00:08:33,939 --> 00:08:32,899
Central Adult Swim x-files people of

186
00:08:36,399 --> 00:08:33,949
Earth on TBS

187
00:08:39,429 --> 00:08:36,409
this dude is in everything he does

188
00:08:41,620 --> 00:08:39,439

voiceover work for Bob's Burgers he was

189

00:08:45,730 --> 00:08:41,630

on an episode of the x-files two weeks

190

00:08:48,639 --> 00:08:45,740

ago where he played Reggie something the

191

00:08:50,769 --> 00:08:48,649

third partner of Mulder and Scully now

192

00:08:53,110 --> 00:08:50,779

this was a Darin Morgan episode one of

193

00:08:54,879 --> 00:08:53,120

the funny ones and it explored the idea

194

00:08:57,009 --> 00:08:54,889

at the mendella effect you know this

195

00:08:59,350 --> 00:08:57,019

alternate reality or this alternate

196

00:09:01,030 --> 00:08:59,360

history that you know masses of people

197

00:09:04,299 --> 00:09:01,040

seem to remember differently from other

198

00:09:06,519 --> 00:09:04,309

people very interesting concept and one

199

00:09:08,379 --> 00:09:06,529

that made for really good comedy so I

200

00:09:09,579 --> 00:09:08,389

was able to get Brian on the show to

201
00:09:12,189 --> 00:09:09,589
talk all about his episode of the

202
00:09:13,689 --> 00:09:12,199
x-files about the Mandela effect about

203
00:09:16,299 --> 00:09:13,699
his work on people of Earth and his

204
00:09:20,769 --> 00:09:16,309
thoughts on UFOs alien abductions and

205
00:09:22,629 --> 00:09:20,779
kind of the idea of truth being valuable

206
00:09:24,189 --> 00:09:22,639
especially here in the United States

207
00:09:28,480 --> 00:09:24,199
right now we're dealing with this whole

208
00:09:30,939 --> 00:09:28,490
battle with fake news and weird times

209
00:09:33,960 --> 00:09:30,949
weird political climate we're living in

210
00:09:36,360 --> 00:09:33,970
right now this country is so divided

211
00:09:37,949 --> 00:09:36,370
I see a glimmer of hope I see people

212
00:09:39,960 --> 00:09:37,959
starting to really wake up and see

213
00:09:41,999 --> 00:09:39,970

what's going on in the world and in this

214

00:09:44,610 --> 00:09:42,009

country so I won't take it any further

215

00:09:47,540 --> 00:09:44,620

than that but Brian and I do tackle the

216

00:09:51,929 --> 00:09:47,550

Trump era that we are living in and how

217

00:09:54,480 --> 00:09:51,939

malleable and I don't know just how

218

00:09:57,269 --> 00:09:54,490

flexible the truth can be nowadays and

219

00:10:00,059 --> 00:09:57,279

hopefully how we're gonna battle that in

220

00:10:02,490 --> 00:10:00,069

terms of mainstream media and journalism

221

00:10:04,410 --> 00:10:02,500

and I do have hope I have hope for the

222

00:10:06,600 --> 00:10:04,420

future of journalism you look at

223

00:10:07,800 --> 00:10:06,610

something like the recent Pentagon story

224

00:10:10,170 --> 00:10:07,810

that came out from the New York Times

225

00:10:12,300 --> 00:10:10,180

they held off on this thing for months

226
00:10:14,040 --> 00:10:12,310
and months vetting everyone and getting

227
00:10:15,600 --> 00:10:14,050
their facts straight so that shows that

228
00:10:20,389 --> 00:10:15,610
there's still careful journalism going

229
00:10:26,689 --> 00:10:20,399
on so keep that in mind take a little

230
00:10:31,410 --> 00:10:29,759
michael says he can't watch but keep up

231
00:10:33,269 --> 00:10:31,420
the great work the more honest info we

232
00:10:37,139 --> 00:10:33,279
get all the more better for the UFO

233
00:10:40,079 --> 00:10:37,149
field Michael I just crawled grows is so

234
00:10:43,710 --> 00:10:40,089
embarrassing I agree full heartedly man

235
00:10:45,840 --> 00:10:43,720
my drooling self included we need that

236
00:10:47,429 --> 00:10:45,850
more than ever man Jennifer says I do

237
00:10:49,559 --> 00:10:47,439
have a question this is both for you and

238
00:10:52,199 --> 00:10:49,569

Jane if you could choose to be a

239

00:10:53,610 --> 00:10:52,209

werewolf this question is not going

240

00:10:55,980 --> 00:10:53,620

where expecting if you could choose to

241

00:10:56,790 --> 00:10:55,990

be a werewolf or a vampire which would

242

00:10:58,410 --> 00:10:56,800

you choose and why

243

00:11:03,900 --> 00:10:58,420

or would you even choose to give up your

244

00:11:06,179 --> 00:11:03,910

human life to do that Wow um definitely

245

00:11:06,600 --> 00:11:06,189

not a vampire I do not want to live

246

00:11:08,519 --> 00:11:06,610

forever

247

00:11:11,790 --> 00:11:08,529

whatever the afterlife is wherever we're

248

00:11:14,579 --> 00:11:11,800

headed after this this embodiment here

249

00:11:16,110 --> 00:11:14,589

on earth I'm kind of willing to take the

250

00:11:17,699 --> 00:11:16,120

risk of whatever comes next

251

00:11:18,990 --> 00:11:17,709

it's kind of how I look at it I do not

252

00:11:22,230 --> 00:11:19,000

want to live forever I don't want to

253

00:11:24,059 --> 00:11:22,240

suck people's blood Oh No thank you no

254

00:11:25,740 --> 00:11:24,069

thank you I'd rather be Highlander if

255

00:11:28,139 --> 00:11:25,750

I'm gonna be in a mortal I wanted to be

256

00:11:31,199 --> 00:11:28,149

Highlander Duncan MacLeod from the

257

00:11:34,499 --> 00:11:31,209

series not Connor MacLeod and see what

258

00:11:37,679 --> 00:11:34,509

that would be like as for a werewolf

259

00:11:40,619 --> 00:11:37,689

I don't know Jennifer if it's anything

260

00:11:42,749 --> 00:11:40,629

like werewolf in london or that really

261

00:11:44,699 --> 00:11:42,759

bad body horde that we see in a lot of

262

00:11:47,260 --> 00:11:44,709

the movies i don't think i want to

263

00:11:50,240 --> 00:11:47,270

experience that either

264

00:11:52,940 --> 00:11:50,250

out of the Universal Monsters I think

265

00:11:54,710 --> 00:11:52,950

I'd want to be the Invisible Man that'd

266

00:11:56,960 --> 00:11:54,720

be pretty cool just to like spend a day

267

00:11:59,390 --> 00:11:56,970

you know with in that sort of

268

00:12:03,200 --> 00:11:59,400

voyeuristic sense not in a creepy way

269

00:12:06,410 --> 00:12:03,210

maybe um like just to see the world

270

00:12:08,630 --> 00:12:06,420

through the eyes of someone and see the

271

00:12:10,660 --> 00:12:08,640

unfiltered way that people go on with

272

00:12:13,280 --> 00:12:10,670

their lives knowing that you're not

273

00:12:15,860 --> 00:12:13,290

there or at least they can't perceive

274

00:12:19,550 --> 00:12:15,870

that you there so let go with that weird

275

00:12:20,320 --> 00:12:19,560

answer sorry hi Kristen hi Jennifer hi

276

00:12:24,350 --> 00:12:20,330

Eddie

277

00:12:26,750 --> 00:12:24,360

let's see Tibor thank you for sharing

278

00:12:28,310 --> 00:12:26,760

this my man mario asks has anyone in

279

00:12:29,570 --> 00:12:28,320

your close circle of friends or family

280

00:12:31,850 --> 00:12:29,580

members come out with their own

281

00:12:33,470 --> 00:12:31,860

experiences I've interviewed local

282

00:12:35,090 --> 00:12:33,480

people over the last three to four years

283

00:12:36,680 --> 00:12:35,100

and as soon as I talk about my

284

00:12:37,250 --> 00:12:36,690

experiences people come out and spill

285

00:12:39,380 --> 00:12:37,260

the beans

286

00:12:40,700 --> 00:12:39,390

that is so true man so there's there's

287

00:12:43,880 --> 00:12:40,710

been so many times where I've been in

288

00:12:46,430 --> 00:12:43,890

like a bar or at work and I've brought

289

00:12:48,320 --> 00:12:46,440

up that I'm into UFOs and aliens people

290

00:12:50,930 --> 00:12:48,330

like oh that's interesting like have you

291

00:12:54,110 --> 00:12:50,940

seen something and I open up about my

292

00:12:55,400 --> 00:12:54,120

personal UFO sighting at age 12 I won't

293

00:12:57,110 --> 00:12:55,410

get into that here I've done it so many

294

00:12:57,500 --> 00:12:57,120

times if you really want to hear about

295

00:12:58,970 --> 00:12:57,510

it

296

00:13:00,320 --> 00:12:58,980

check out Chapter one of my books

297

00:13:02,540 --> 00:13:00,330

someone this guy's a human approach to

298

00:13:05,720 --> 00:13:02,550

an alien phenomenon available on Amazon

299

00:13:09,680 --> 00:13:05,730

in paperback in eBook Illuminati

300

00:13:10,880 --> 00:13:09,690

brainwashing you book so yeah I'll open

301

00:13:12,530 --> 00:13:10,890

up and tell them about it and I think

302

00:13:14,900 --> 00:13:12,540

that really lets people's guard down and

303

00:13:17,540 --> 00:13:14,910

they're like oh I guess I can talk about

304

00:13:19,850 --> 00:13:17,550

it and everyone everyone has a story

305

00:13:22,430 --> 00:13:19,860

whether it's a UFO sighting or like a

306

00:13:25,610 --> 00:13:22,440

ghost experience or just like something

307

00:13:27,560 --> 00:13:25,620

super weird I think opening up that to

308

00:13:29,870 --> 00:13:27,570

them and letting you know that like yeah

309

00:13:31,550 --> 00:13:29,880

like I'm serious about this stuff but

310

00:13:34,130 --> 00:13:31,560

I'm also like I understand there's

311

00:13:35,960 --> 00:13:34,140

humility in it as well I think that's

312

00:13:37,610 --> 00:13:35,970

really important and I've had some

313

00:13:39,110 --> 00:13:37,620

amazing conversations with people who've

314

00:13:41,750 --> 00:13:39,120

never even thought about the topic but

315

00:13:44,540 --> 00:13:41,760

ever like oh I saw this when I was a kid

316

00:13:46,430 --> 00:13:44,550

or my mom saw this this that this but so

317

00:13:47,780 --> 00:13:46,440

yeah bring it up bring it up in

318

00:13:50,300 --> 00:13:47,790

conversation guys whether it's with

319

00:13:51,110 --> 00:13:50,310

family or friends like talk about it

320

00:13:52,880 --> 00:13:51,120

embrace it

321

00:13:53,440 --> 00:13:52,890

there's some weird [h__h] going on in the

322

00:13:55,480 --> 00:13:53,450

world

323

00:13:57,790 --> 00:13:55,490

in terms of these little saucers right

324

00:13:59,650 --> 00:13:57,800

here and whether you believe that

325

00:14:01,480 --> 00:13:59,660

they're alien or not that's completely

326

00:14:03,640 --> 00:14:01,490

besides the point people are saying

327

00:14:06,730 --> 00:14:03,650

things they can't explain that defy all

328

00:14:08,770 --> 00:14:06,740

physics and logic here on earth so what

329

00:14:10,630 --> 00:14:08,780

are they I couldn't tell you I'm still

330

00:14:13,120 --> 00:14:10,640

searching for that answer myself but uh

331

00:14:15,250 --> 00:14:13,130

bring it up you'd be surprised what

332

00:14:17,250 --> 00:14:15,260

people will say when you actually you

333

00:14:22,260 --> 00:14:17,260

know talk about it in a serious manner

334

00:14:27,280 --> 00:14:25,090

let's William asks what are your

335

00:14:29,890 --> 00:14:27,290

thoughts about the vetting if any of UFO

336

00:14:31,480 --> 00:14:29,900

evidence claims um

337

00:14:33,760 --> 00:14:31,490

I struggle with that William all the

338

00:14:35,650 --> 00:14:33,770

time in terms of evidence you know what

339

00:14:39,820 --> 00:14:35,660

is evidence in what is proof when it

340

00:14:41,680 --> 00:14:39,830

comes to something like this so I am a

341

00:14:44,410 --> 00:14:41,690

relay er of stories that's what I do

342

00:14:46,090 --> 00:14:44,420

I'm not a MUFON field investigator I'm

343

00:14:50,830 --> 00:14:46,100

not out there boots on the ground

344

00:14:56,620 --> 00:14:54,550

so I'm probably not the one to ask that

345

00:14:57,820 --> 00:14:56,630

question of actually but if I could give

346

00:15:00,460 --> 00:14:57,830

my personal opinion I think it's

347

00:15:03,160 --> 00:15:00,470

extremely important but I'm a

348

00:15:06,220 --> 00:15:03,170

storyteller I relay stories and that's

349

00:15:13,210 --> 00:15:06,230

kind of where we're where I put it in

350

00:15:15,190 --> 00:15:13,220

terms of that Rodriguez says I think the

351

00:15:16,720 --> 00:15:15,200

Pentagon disclosure made people open

352

00:15:18,820 --> 00:15:16,730

their minds to the possibility of earth

353

00:15:20,650 --> 00:15:18,830

being visited I agree

354

00:15:23,260 --> 00:15:20,660

people who never even thought about it

355

00:15:25,810 --> 00:15:23,270

now are now aware that the government

356

00:15:32,770 --> 00:15:25,820

has you know secretly been investigating

357

00:15:38,860 --> 00:15:32,780

these things so pretty interesting Jane

358

00:15:49,800 --> 00:15:38,870

like five people said hello see if I

359

00:15:54,480 --> 00:15:52,500

all right I'm in a weird mood guys I was

360

00:15:59,580 --> 00:15:54,490

really expecting to do this at 7:30 and

361

00:16:02,460 --> 00:15:59,590

things got a little thrown off oh I have

362

00:16:04,620 --> 00:16:02,470

to point out this guy sorry my camera's

363

00:16:06,540 --> 00:16:04,630

backwards so everything's alternate

364

00:16:09,150 --> 00:16:06,550

reality doppelganger Ryan I don't know

365

00:16:12,300 --> 00:16:09,160

if you can see this why you follow just

366

00:16:14,610 --> 00:16:12,310

pain so I got this from a guy who runs

367

00:16:16,500 --> 00:16:14,620

the company cosmic creature comics I

368

00:16:18,810 --> 00:16:16,510

thought it was the coolest thing ever a

369

00:16:20,610 --> 00:16:18,820

ufologist pin it's official now I mean

370

00:16:22,110 --> 00:16:20,620

you follow just so I reached out to this

371

00:16:24,900 --> 00:16:22,120

dude I've been buying a bunch of his

372

00:16:27,690 --> 00:16:24,910

stuff and we actually connected and

373

00:16:30,570 --> 00:16:27,700

partnered together and this morning he

374

00:16:32,610 --> 00:16:30,580

sent me some designs for official

375

00:16:34,800 --> 00:16:32,620

somewhere in the skies merchandise that

376

00:16:38,070 --> 00:16:34,810

he's designed and created exclusively

377

00:16:40,140 --> 00:16:38,080

for the podcast so that is going to be

378

00:16:42,810 --> 00:16:40,150

available to you guys soon we're

379

00:16:44,910 --> 00:16:42,820

speaking about logistics and final

380

00:16:47,340 --> 00:16:44,920

designs I cannot wait to show you guys

381

00:16:50,040 --> 00:16:47,350

this stuff it's unlike anything I've

382

00:16:51,960 --> 00:16:50,050

seen before and I'm so honored that he

383

00:16:54,780 --> 00:16:51,970

decided to do this with me he listens to

384

00:16:56,460 --> 00:16:54,790

the show I'm a big fan of his work and

385

00:16:57,930 --> 00:16:56,470

he's got some really cool stuff so if

386

00:17:00,570 --> 00:16:57,940

you get a chance to head on over to Etsy

387

00:17:02,730 --> 00:17:00,580

and type in cosmic creature comics and

388

00:17:05,340 --> 00:17:02,740

check out his stuff really really cool

389

00:17:06,840 --> 00:17:05,350

and be on the lookout for exclusive

390

00:17:13,079 --> 00:17:06,850

somewhere on this guy's merchandise over

391

00:17:15,480 --> 00:17:13,089

there soon let's see that's kind of all

392

00:17:18,090 --> 00:17:15,490

I got for notes here guys about what I

393

00:17:19,890 --> 00:17:18,100

wanted to share Thank You Wendy I will

394

00:17:23,630 --> 00:17:19,900

keep up the good work I really

395

00:17:23,640 --> 00:17:29,120

hmm

396

00:17:32,610 --> 00:17:31,170

so yeah guys I've got to open to

397

00:17:35,790 --> 00:17:32,620

anything anything you want to talk about

398

00:17:37,200 --> 00:17:35,800

right now please be my guest

399

00:17:40,170 --> 00:17:37,210

otherwise we're gonna be sitting here in

400

00:17:41,760 --> 00:17:40,180

awkward silence I didn't really have

401

00:17:44,190 --> 00:17:41,770

anything planned for this I just kind of

402

00:17:47,190 --> 00:17:44,200

decided to do it Mondays are usually my

403

00:17:50,880 --> 00:17:47,200

chill night so are you working on a

404

00:17:53,670 --> 00:17:50,890

second book Jason asks yes yes I am I

405

00:17:55,260 --> 00:17:53,680

always will be probably it is a work in

406

00:17:58,020 --> 00:17:55,270

progress for sure

407

00:18:00,060 --> 00:17:58,030

I did open up that word file and kind of

408

00:18:01,800 --> 00:18:00,070

just let it spill so yes Jason I'm

409

00:18:03,570 --> 00:18:01,810

definitely working on a book - I have so

410

00:18:05,190 --> 00:18:03,580

much material from the first one that

411

00:18:07,260 --> 00:18:05,200

didn't make it in and that's kind of why

412

00:18:09,120 --> 00:18:07,270

I created the podcast I had so much

413

00:18:10,890 --> 00:18:09,130

stuff that I just couldn't fit into the

414

00:18:12,840 --> 00:18:10,900

book that I wanted to continue that in

415

00:18:14,940 --> 00:18:12,850

podcast form so I thought that would be

416

00:18:16,650 --> 00:18:14,950

a really cool way to do it but then you

417

00:18:19,140 --> 00:18:16,660

know the stories continue they they

418

00:18:20,640 --> 00:18:19,150

built they they progress a lot of the

419

00:18:22,500 --> 00:18:20,650

people I interviewed in the first book

420

00:18:25,140 --> 00:18:22,510

like it's not over for them just because

421

00:18:26,460 --> 00:18:25,150

they told their story and had a singular

422

00:18:28,800 --> 00:18:26,470

experience doesn't mean that these

423

00:18:30,300 --> 00:18:28,810

things aren't still going on so what I

424

00:18:33,840 --> 00:18:30,310

think is very important about UFO

425

00:18:37,470 --> 00:18:33,850

research is following up with people who

426

00:18:39,210 --> 00:18:37,480

have had sightings or experiences it

427

00:18:41,700 --> 00:18:39,220

doesn't always end after a singular

428

00:18:43,620 --> 00:18:41,710

experience so yeah I think that's kind

429

00:18:45,090 --> 00:18:43,630

of where the book is going to lead as

430

00:18:47,010 --> 00:18:45,100

some follow up with people that were in

431

00:18:50,310 --> 00:18:47,020

the first book and some new thoughts and

432

00:18:52,770 --> 00:18:50,320

opinions this is a continuing and

433

00:18:55,170 --> 00:18:52,780

evolution if you will of the phenomenon

434

00:18:56,970 --> 00:18:55,180

and the people experiencing it so that's

435

00:19:00,180 --> 00:18:56,980

kind of what I wanna tackle in book 2

436

00:19:01,200 --> 00:19:00,190

somewhere in the skies Part D I don't

437

00:19:03,930 --> 00:19:01,210

know what I'm gonna call it yet that

438

00:19:10,740 --> 00:19:03,940

will not be a title but yeah I'm

439

00:19:12,420 --> 00:19:10,750

definitely working on that my man Casey

440

00:19:14,190 --> 00:19:12,430

says I've always been intrigued by bob

441

00:19:17,010 --> 00:19:14,200

lazar story what are your thoughts on it

442

00:19:20,010 --> 00:19:17,020

if it's true or not I gave my thoughts

443

00:19:21,900 --> 00:19:20,020

on this in a recent episode Casey called

444

00:19:23,520 --> 00:19:21,910

the incredible story of bob lazar on the

445

00:19:24,780 --> 00:19:23,530

summer in the skies podcast so I would

446

00:19:28,880 --> 00:19:24,790

definitely suggest going back and

447

00:19:31,890 --> 00:19:28,890

listening to that in the archives I am a

448

00:19:34,910 --> 00:19:31,900

pretty strong proponent for the story I

449

00:19:37,820 --> 00:19:34,920

do believe that Bob Lazar was there I

450

00:19:40,380 --> 00:19:37,830

believe that he saw what he says he saw

451

00:19:41,100 --> 00:19:40,390

what it actually was couldn't tell you

452

00:19:44,850 --> 00:19:41,110

but

453

00:19:46,470 --> 00:19:44,860

in person I've spoken to him

454

00:19:48,750 --> 00:19:46,480

face-to-face and he just seems like a

455

00:19:51,720 --> 00:19:48,760

genuine guy a lot of people argue that

456

00:19:55,980 --> 00:19:51,730

his knowledge and physics and science is

457

00:19:58,380 --> 00:19:55,990

pretty amateur but um I don't know I

458

00:20:00,720 --> 00:19:58,390

don't know I tend to believe him and the

459

00:20:02,700 --> 00:20:00,730

things he was saying to me like God

460

00:20:04,200 --> 00:20:02,710

sounded pretty credible to me so

461

00:20:07,080 --> 00:20:04,210

definitely go back and check out that

462

00:20:08,610 --> 00:20:07,090

episode where I I give both ends of the

463

00:20:11,100 --> 00:20:08,620

story those who believed him in those

464

00:20:16,500 --> 00:20:11,110

who do not and I sort of like someone in

465

00:20:18,600 --> 00:20:16,510

the middle for that Matthew asks how has

466

00:20:20,640 --> 00:20:18,610

your UFO were changed being in LA

467

00:20:23,610 --> 00:20:20,650

compared to New York oh that's a good

468

00:20:26,190 --> 00:20:23,620

question I think there's a lot of

469

00:20:28,620 --> 00:20:26,200

opportunity out on the west coast to get

470

00:20:30,810 --> 00:20:28,630

out there and look in the sky and see

471

00:20:32,370 --> 00:20:30,820

things we don't really get that in New

472

00:20:35,700 --> 00:20:32,380

York a lot there's so much light

473

00:20:38,070 --> 00:20:35,710

pollution and there's also just not

474

00:20:41,130 --> 00:20:38,080

enough space to go out and investigate

475

00:20:44,220 --> 00:20:41,140

things I tend to go to Arizona once a

476
00:20:46,890 --> 00:20:44,230
year to go to conferences and to do some

477
00:20:48,659 --> 00:20:46,900
sky watching and it's incredible like

478
00:20:49,830 --> 00:20:48,669
you feel so small when you're out there

479
00:20:52,110 --> 00:20:49,840
looking at the sky

480
00:20:54,330 --> 00:20:52,120
and seeing things at a constant rate you

481
00:20:57,810 --> 00:20:54,340
know shooting stars or satellites or

482
00:21:00,270 --> 00:20:57,820
even planets and unknowns as well so I

483
00:21:01,740 --> 00:21:00,280
think my time out here on the west coast

484
00:21:04,230 --> 00:21:01,750
I really want to take advantage of that

485
00:21:07,140 --> 00:21:04,240
and actually get out and in to do some

486
00:21:09,299 --> 00:21:07,150
sky watching and and talk to people I

487
00:21:11,100 --> 00:21:09,309
mentioned on the last Q&A I'm gonna be

488
00:21:12,900 --> 00:21:11,110

working with Jeremy Korbelt who a lot of

489

00:21:15,419 --> 00:21:12,910

you are familiar with the documentary

490

00:21:17,730 --> 00:21:15,429

filmmaker we got some stuff you know in

491

00:21:20,070 --> 00:21:17,740

the works since I'm out here I'm gonna

492

00:21:22,710 --> 00:21:20,080

take advantage of that opportunity so

493

00:21:24,840 --> 00:21:22,720

yeah I think things are progressing with

494

00:21:28,440 --> 00:21:24,850

my work in the UFO field out here for

495

00:21:30,810 --> 00:21:28,450

sure and I'm just going to you know take

496

00:21:36,150 --> 00:21:30,820

advantage of that for sure where it ends

497

00:21:38,820 --> 00:21:36,160

up after that I don't know it's there

498

00:21:40,200 --> 00:21:38,830

life on Mars Timur asks that's a good

499

00:21:43,289 --> 00:21:40,210

question man and I think that's what

500

00:21:46,070 --> 00:21:43,299

Elon Musk is gonna gonna do with this

501
00:21:48,539 --> 00:21:46,080
this SpaceX launch happening tomorrow

502
00:21:50,280 --> 00:21:48,549
yeah this is just the beginning man is

503
00:21:53,100 --> 00:21:50,290
there life on Mars I don't know I

504
00:21:54,109 --> 00:21:53,110
couldn't tell you I guess some will find

505
00:21:58,039 --> 00:21:54,119
out whatever Kerry

506
00:21:59,689 --> 00:21:58,049
to the ends up finding their I don't

507
00:22:02,329 --> 00:21:59,699
know I don't know what to make of it if

508
00:22:04,639 --> 00:22:02,339
there's there's life on there or not

509
00:22:06,979 --> 00:22:04,649
it's such a cold dead planet but who

510
00:22:10,519 --> 00:22:06,989
knows you know things can survive

511
00:22:12,139 --> 00:22:10,529
outside of what we consider habitable so

512
00:22:18,469 --> 00:22:12,149
who knows man

513
00:22:26,989 --> 00:22:18,479

I don't event says he is from Mars

514

00:22:27,649 --> 00:22:26,999

I could definitely believe that let's

515

00:22:29,749 --> 00:22:27,659

see

516

00:22:31,759 --> 00:22:29,759

are you meeting a whole new group of UFO

517

00:22:33,669 --> 00:22:31,769

people there on the west coast like Earl

518

00:22:36,439 --> 00:22:33,679

Grey in the astonishing astonishing

519

00:22:37,999 --> 00:22:36,449

legends guys I love that podcast ever

520

00:22:41,749 --> 00:22:38,009

I'm hoping to meet up with those guys

521

00:22:43,789 --> 00:22:41,759

very soon in terms of meeting people I

522

00:22:45,199 --> 00:22:43,799

still have to meet up with Earl Grey I

523

00:22:47,929 --> 00:22:45,209

got to make that happen

524

00:22:50,389 --> 00:22:47,939

do you - awesome um yeah they haven't

525

00:22:53,479 --> 00:22:50,399

had really had the opportunity yet to to

526
00:22:55,669 --> 00:22:53,489
come face to face with anyone but I am

527
00:22:58,429 --> 00:22:55,679
in contact with the local MUFON group

528
00:22:59,779 --> 00:22:58,439
here in Los Angeles hoping to meet up

529
00:23:02,389 --> 00:22:59,789
with them soon and do some work with

530
00:23:04,669 --> 00:23:02,399
them i do have an episode coming out

531
00:23:06,949 --> 00:23:04,679
very soon with the new director of

532
00:23:09,739 --> 00:23:06,959
researcher MUFON so I think you guys are

533
00:23:13,159 --> 00:23:09,749
really going to enjoy that so yeah it's

534
00:23:15,919 --> 00:23:13,169
been an interesting growth since I moved

535
00:23:18,259 --> 00:23:15,929
out here to LA for sure both you Falah

536
00:23:25,339 --> 00:23:18,269
jaqui and in my creative endeavors as

537
00:23:28,609 --> 00:23:25,349
well William asks what are your thoughts

538
00:23:30,769 --> 00:23:28,619

about mj-12 documents again kind of like

539

00:23:32,269 --> 00:23:30,779

Bob Lazar William I I kind of lies

540

00:23:35,839 --> 00:23:32,279

somewhere in the middle of this I think

541

00:23:37,849 --> 00:23:35,849

the mj-12 documents are a little bit of

542

00:23:39,919 --> 00:23:37,859

fiction and a little bit of truth and

543

00:23:41,899 --> 00:23:39,929

that's kind of what we all consider

544

00:23:44,539 --> 00:23:41,909

disinformation you know sandwich chain

545

00:23:46,669 --> 00:23:44,549

these truths with lies and I think

546

00:23:48,379 --> 00:23:46,679

that's kind of the idea of them like

547

00:23:51,739 --> 00:23:48,389

slowly leaked into the public some of

548

00:23:54,649 --> 00:23:51,749

these ideas and individuals involved

549

00:23:56,739 --> 00:23:54,659

with investigating UFOs including James

550

00:24:00,889 --> 00:23:56,749

Forrestal which I just did a part to a

551
00:24:03,489 --> 00:24:00,899
two part series on and his connections

552
00:24:06,859 --> 00:24:03,499
with the mj-12 documents and project

553
00:24:07,460 --> 00:24:06,869
yeah I tend to lean on the side that

554
00:24:09,980 --> 00:24:07,470
most

555
00:24:11,270 --> 00:24:09,990
the mj-12 documents are fabricated but I

556
00:24:13,970 --> 00:24:11,280
do think there is some authentic

557
00:24:16,159 --> 00:24:13,980
information in there in terms of who was

558
00:24:17,750 --> 00:24:16,169
involved so I'll leave it at that

559
00:24:19,940 --> 00:24:17,760
whether the documents themselves are

560
00:24:21,409 --> 00:24:19,950
genuine I don't know I don't know what

561
00:24:23,870 --> 00:24:21,419
to make of that man but the people

562
00:24:33,350 --> 00:24:23,880
involved is kind of where I'm at in

563
00:24:35,180 --> 00:24:33,360

looking at that so Wes asks Ryan have

564

00:24:37,430 --> 00:24:35,190

you looked into the Stardust Ranch and

565

00:24:39,560 --> 00:24:37,440

what is your take I have not please let

566

00:24:48,200 --> 00:24:39,570

me know what that is I absolutely I've

567

00:24:50,419 --> 00:24:48,210

never heard of it so yeah school me look

568

00:24:52,880 --> 00:24:50,429

pakka Cap'n Nui is joining me all the

569

00:24:54,350 --> 00:24:52,890

way from Hawaii what's up my man if and

570

00:24:56,120 --> 00:24:54,360

when you get back to Hawaii I'll take

571

00:24:58,340 --> 00:24:56,130

you to places where UFO sightings have

572

00:25:00,350 --> 00:24:58,350

been reported I planned on doing that

573

00:25:04,789 --> 00:25:00,360

with you man last time I was there

574

00:25:06,649 --> 00:25:04,799

Lopaka gave Jane and I a exclusive ghost

575

00:25:08,779 --> 00:25:06,659

to her when we were in Hawaii last time

576
00:25:11,510 --> 00:25:08,789
and it was an incredible experience now

577
00:25:15,320 --> 00:25:11,520
Jennifer asked me earlier if I'd ever

578
00:25:17,390 --> 00:25:15,330
had another ghost experience and I had

579
00:25:21,440 --> 00:25:17,400
one when I was with Opaka that I haven't

580
00:25:24,560 --> 00:25:21,450
really talked about that often so we

581
00:25:27,470 --> 00:25:24,570
were at the Jane what's the the palace

582
00:25:30,200 --> 00:25:27,480
called lolani the lolani Palace in

583
00:25:31,820 --> 00:25:30,210
Hawaii lopaka brought us to and told us

584
00:25:33,440 --> 00:25:31,830
some incredible stories about things

585
00:25:35,450 --> 00:25:33,450
that have happened there and before we

586
00:25:38,659 --> 00:25:35,460
even got to the front of the palace I

587
00:25:41,360 --> 00:25:38,669
stared up at a room in the right top

588
00:25:44,630 --> 00:25:41,370

hand corner of the palace and in the

589

00:25:47,180 --> 00:25:44,640

window I'm not kidding you I saw a

590

00:25:51,140 --> 00:25:47,190

figure looking out and brushed the

591

00:25:53,060 --> 00:25:51,150

curtain and go away and I kind of

592

00:25:55,520 --> 00:25:53,070

shrugged it off you know maybe my eyes

593

00:25:57,560 --> 00:25:55,530

are playing tricks on me and then lo

594

00:26:00,350 --> 00:25:57,570

pockets only the story of who actually

595

00:26:04,730 --> 00:26:00,360

was in that room and what had happened

596

00:26:12,310 --> 00:26:04,740

there and I got chills it was the it was

597

00:26:19,940 --> 00:26:12,320

extremely not scary but powerful lopaka

598

00:26:21,760 --> 00:26:19,950

he he did a prayer for us and I'm kind

599

00:26:23,919 --> 00:26:21,770

of losing my words here

600

00:26:26,770 --> 00:26:23,929

how I felt when this happened but it was

601
00:26:29,500 --> 00:26:26,780
some something very powerful and I will

602
00:26:30,460 --> 00:26:29,510
never forget that so when I go back

603
00:26:32,680 --> 00:26:30,470
there man

604
00:26:35,770 --> 00:26:32,690
I want the exclusive tour again in terms

605
00:26:37,930 --> 00:26:35,780
of a UFO is for sure it's great to hear

606
00:26:41,380 --> 00:26:37,940
from you and Jane and I will probably be

607
00:26:42,940 --> 00:26:41,390
in Hawaii closer sooner than you think

608
00:26:54,450 --> 00:26:42,950
so I will definitely be reaching out to

609
00:26:59,289 --> 00:26:56,500
what are your thoughts on skinwalker

610
00:27:03,310 --> 00:26:59,299
ranch of Bob Nikolov skinwalker ranch is

611
00:27:06,430 --> 00:27:03,320
one of those things that eludes me it's

612
00:27:08,590 --> 00:27:06,440
terrifying it's crazy the amount of

613
00:27:10,630 --> 00:27:08,600

stuff that's going on there and I

614

00:27:12,820 --> 00:27:10,640

mentioned in the last Q&A that Jeremy

615

00:27:14,140 --> 00:27:12,830

Korbel is working on a documentary right

616

00:27:16,180 --> 00:27:14,150

now all about skinwalker

617

00:27:19,169 --> 00:27:16,190

you can follow his progress at Hunt the

618

00:27:22,780 --> 00:27:19,179

skinwalker com

619

00:27:26,020 --> 00:27:22,790

Ill I haven't told many people about

620

00:27:29,289 --> 00:27:26,030

this Jane knows about this but I did go

621

00:27:31,390 --> 00:27:29,299

to skinwalker ranch in my my younger

622

00:27:34,900 --> 00:27:31,400

days my more naive days to investigate

623

00:27:39,070 --> 00:27:34,910

the place and ran into some unfriendly

624

00:27:41,440 --> 00:27:39,080

people that didn't really want us there

625

00:27:43,120 --> 00:27:41,450

and it was an interesting experience I

626
00:27:44,590 --> 00:27:43,130
would leave it at that if anyone wants

627
00:27:46,690 --> 00:27:44,600
to hear about it I'm willing to talk to

628
00:27:50,020 --> 00:27:46,700
you privately I was kind of told not to

629
00:27:51,940 --> 00:27:50,030
talk about it so yeah I'll leave it at

630
00:27:54,400 --> 00:27:51,950
that there's some crazy stuff going on

631
00:27:56,289 --> 00:27:54,410
there and Bigelow purchased the ranch at

632
00:27:59,110 --> 00:27:56,299
one point to investigate everything that

633
00:28:01,000 --> 00:27:59,120
was going on there and then sold it and

634
00:28:02,650 --> 00:28:01,010
then purchased it again so clearly

635
00:28:05,110 --> 00:28:02,660
Bigelow who's also connected to the

636
00:28:08,380 --> 00:28:05,120
Pentagon's story and possibly has

637
00:28:10,299 --> 00:28:08,390
artifacts from crashed UFOs Briana this

638
00:28:12,159 --> 00:28:10,309

dude is really interested in all this

639

00:28:14,950 --> 00:28:12,169

stuff and clearly something's going on

640

00:28:16,960 --> 00:28:14,960

with the skinwalker ranch check out the

641

00:28:18,789 --> 00:28:16,970

work of Ryan Skinner is well he does a

642

00:28:21,610 --> 00:28:18,799

lot of research into skinwalker ranch

643

00:28:31,680 --> 00:28:21,620

believe he lives in Utah so he's

644

00:28:38,169 --> 00:28:36,730

let's see yeah Richard Doty has become

645

00:28:40,990 --> 00:28:38,179

more vocal about his disinformation

646

00:28:43,600 --> 00:28:41,000

years while in the OSI do you plan to

647

00:28:45,220 --> 00:28:43,610

invite him to your show I already have

648

00:28:48,220 --> 00:28:45,230

Richard Jodie might even be watching

649

00:28:50,200 --> 00:28:48,230

this he he's all over my facebook which

650

00:28:52,570 --> 00:28:50,210

kind of gives me the heebie-jeebies no

651

00:28:55,120 --> 00:28:52,580

but he seems like a really nice guy

652

00:28:58,210 --> 00:28:55,130

I don't know what to think of the work

653

00:29:00,909 --> 00:28:58,220

that he's done and his connections to

654

00:29:05,200 --> 00:29:00,919

the disinformation within the UFO field

655

00:29:10,390 --> 00:29:05,210

check out the documentary the name is

656

00:29:12,250 --> 00:29:10,400

escaping me right now majestic something

657

00:29:15,940 --> 00:29:12,260

there was a documentary that Richard

658

00:29:22,000 --> 00:29:15,950

Doty is featured in heavily so

659

00:29:23,740 --> 00:29:22,010

definitely check that out maybe you're

660

00:29:25,810 --> 00:29:23,750

lucky you didn't get shot out at

661

00:29:29,100 --> 00:29:25,820

skinwalker ranch Patrick it was not far

662

00:29:31,450 --> 00:29:29,110

from that gonna be completely honest

663

00:29:34,270 --> 00:29:31,460

never been to area 51 though that's

664

00:29:35,919 --> 00:29:34,280

something I would I would love to do

665

00:29:37,750 --> 00:29:35,929

while I'm here out here on the west

666

00:29:40,390 --> 00:29:37,760

coast mirage man Thank You Rodrigo I

667

00:29:43,030 --> 00:29:40,400

couldn't think of the name yeah mark

668

00:29:44,560 --> 00:29:43,040

pick up inking ttan I always get his

669

00:29:46,419 --> 00:29:44,570

last name wrong you always confuse him

670

00:29:50,680 --> 00:29:46,429

with the dude who works with Ricky

671

00:29:52,450 --> 00:29:50,690

contains yamaraj med is an awesome

672

00:29:54,490 --> 00:29:52,460

documentary all about you know how the

673

00:29:55,960 --> 00:29:54,500

UFO community can also be their own

674

00:29:58,780 --> 00:29:55,970

worst enemy when it comes to

675

00:30:01,650 --> 00:29:58,790

disinformation and money in the waters

676

00:30:07,960 --> 00:30:01,660

when it comes to truth with these topics

677

00:30:14,820 --> 00:30:10,570

William asks which well-known UFO event

678

00:30:16,990 --> 00:30:14,830

do you feel may be illegitimate hmm

679

00:30:23,410 --> 00:30:17,000

that's a really good question

680

00:30:26,260 --> 00:30:23,420

all of them no I'm just kidding um Aztec

681

00:30:28,150 --> 00:30:26,270

maybe that one I don't know

682

00:30:30,820 --> 00:30:28,160

never seems to really stand the test of

683

00:30:31,780 --> 00:30:30,830

time in terms of evidence so I'm gonna

684

00:30:46,550 --> 00:30:31,790

go with that one

685

00:30:56,570 --> 00:30:54,350

and it's awkward silence seeing if I

686

00:31:12,100 --> 00:30:56,580

missed anything have you oh I skipped

687

00:31:15,310 --> 00:31:13,690

for those of you just joining you're

688

00:31:17,529 --> 00:31:15,320

just literally watching me staring at my

689

00:31:19,000 --> 00:31:17,539

computer if anyone has any questions

690

00:31:21,039 --> 00:31:19,010

please feel free you doesn't have to be

691

00:31:24,130 --> 00:31:21,049

about UFOs you know it's not my whole

692

00:31:26,320 --> 00:31:24,140

life I'm working on some scripts and

693

00:31:30,810 --> 00:31:26,330

stuff like that so always wanting to

694

00:31:43,330 --> 00:31:30,820

talk about that shaking your head at me

695

00:31:47,769 --> 00:31:43,340

he's my director let's see I guess I

696

00:31:50,230 --> 00:31:47,779

could talk a little bit about this past

697

00:31:52,000 --> 00:31:50,240

weeks x-files episode if any of you

698

00:31:54,430 --> 00:31:52,010

happen to catch that I mean you're gonna

699

00:31:56,889 --> 00:31:54,440

hear all about it on the Not Another

700

00:31:59,039 --> 00:31:56,899

x-files podcast podcast please go

701
00:32:01,570 --> 00:31:59,049
subscribe to that it's an awesome

702
00:32:03,549 --> 00:32:01,580
podcast hosted by the Nessa and Carolyn

703
00:32:06,730 --> 00:32:03,559
and they break down every episode of the

704
00:32:09,100 --> 00:32:06,740
x-files from a very really interesting

705
00:32:12,039 --> 00:32:09,110
stance a very sociological stance a

706
00:32:15,639 --> 00:32:12,049
feminist stance and something that we

707
00:32:20,950 --> 00:32:15,649
don't see often in a sci-fi show sci-fi

708
00:32:22,990 --> 00:32:20,960
is wrought with amazing sociological

709
00:32:25,779 --> 00:32:23,000
stuff so definitely check out the work

710
00:32:28,000 --> 00:32:25,789
they're doing it was so much fun like

711
00:32:30,340 --> 00:32:28,010
breaking down the x-files in ways that I

712
00:32:33,779 --> 00:32:30,350
never done before so that should be

713
00:32:36,310 --> 00:32:33,789

available either tomorrow or Wednesday

714

00:32:41,620 --> 00:32:36,320

what is your take on the secret space

715

00:32:43,899 --> 00:32:41,630

program hmm this is where the idea of

716

00:32:45,250 --> 00:32:43,909

the the breakaway civilization comes in

717

00:32:47,889 --> 00:32:45,260

William I know you probably know that

718

00:32:52,860 --> 00:32:47,899

term very well and Richard Dolan talks

719

00:32:55,990 --> 00:32:52,870

about a lot of you know this part of the

720

00:32:58,269 --> 00:32:56,000

scientific community and the black

721

00:33:00,310 --> 00:32:58,279

budget community that doesn't answer to

722

00:33:03,639 --> 00:33:00,320

anyone and are creating their own

723

00:33:05,500 --> 00:33:03,649

technology for their own benefits I

724

00:33:08,680 --> 00:33:05,510

think this could have something to do

725

00:33:11,110 --> 00:33:08,690

with a secret space program you know

726

00:33:12,730 --> 00:33:11,120

going up in investigating not

727

00:33:14,560 --> 00:33:12,740

investigating but exploring space to

728

00:33:20,310 --> 00:33:14,570

their own benefit what that might be I

729

00:33:23,320 --> 00:33:20,320

have no idea in terms of like you know

730

00:33:25,760 --> 00:33:23,330

the secret space program involving like

731

00:33:27,260 --> 00:33:25,770

you know communication with a

732

00:33:30,049 --> 00:33:27,270

and stuff like that I don't know this

733

00:33:33,620 --> 00:33:30,059

was the big controversy with MUFON

734

00:33:36,169 --> 00:33:33,630

symposium this past year where people

735

00:33:38,510 --> 00:33:36,179

claimed to have traveled to Mars and

736

00:33:40,549 --> 00:33:38,520

traveled back in time and fought

737

00:33:45,110 --> 00:33:40,559

Martians with Obama

738

00:33:49,640 --> 00:33:45,120

I don't he had any leadership of mine

739

00:33:51,650 --> 00:33:49,650

I don't put any credence into that I

740

00:33:53,090 --> 00:33:51,660

said I wouldn't name names when it came

741

00:33:54,799 --> 00:33:53,100

to people that I don't trust in the UFO

742

00:33:57,350 --> 00:33:54,809

community but I'm gonna do it right here

743

00:34:00,760 --> 00:33:57,360

in terms of the secret space program the

744

00:34:06,049 --> 00:34:00,770

work being done by Corey Goode is

745

00:34:07,790 --> 00:34:06,059

completely false and I know that's a big

746

00:34:10,010 --> 00:34:07,800

statement for someone like me to make

747

00:34:12,500 --> 00:34:10,020

because I wasn't there I don't know if

748

00:34:14,300 --> 00:34:12,510

he's actually traveled back in time and

749

00:34:18,020 --> 00:34:14,310

worked for the government and fought

750

00:34:20,389 --> 00:34:18,030

alien wars but um when you cannot bring

751
00:34:23,119 --> 00:34:20,399
a single shred of evidence to the table

752
00:34:26,810 --> 00:34:23,129
to support your claims then I'm sorry

753
00:34:28,909 --> 00:34:26,820
like I just can't buy into it and the

754
00:34:33,169 --> 00:34:28,919
cult-like mentality that centers around

755
00:34:36,470 --> 00:34:33,179
this dude is it's scary the blue avian

756
00:34:38,690 --> 00:34:36,480
aliens that he communicates with the

757
00:34:41,810 --> 00:34:38,700
minute you questioned him on this his

758
00:34:44,300 --> 00:34:41,820
cohorts will attack you so I'm looking

759
00:34:47,119 --> 00:34:44,310
forward to that after this airs but um

760
00:34:48,800 --> 00:34:47,129
or his broadcast so yeah in terms of the

761
00:34:49,460 --> 00:34:48,810
secret space program I'm gonna say right

762
00:34:51,349 --> 00:34:49,470
now

763
00:34:53,240 --> 00:34:51,359

I don't put much credence into it but

764

00:34:55,129 --> 00:34:53,250

I'm definitely open to it and there are

765

00:34:58,010 --> 00:34:55,139

probably our space missions going on

766

00:35:00,410 --> 00:34:58,020

that we don't know about Apollo missions

767

00:35:02,780 --> 00:35:00,420

in the past that we may not be too privy

768

00:35:04,310 --> 00:35:02,790

to and the idea of exploring the dark

769

00:35:08,390 --> 00:35:04,320

side of the moon is so he's intrigued me

770

00:35:10,640 --> 00:35:08,400

as well so yeah yeah yeah that's pretty

771

00:35:11,720 --> 00:35:10,650

much all I have to say about that do you

772

00:35:12,440 --> 00:35:11,730

think we are getting closer to

773

00:35:15,859 --> 00:35:12,450

disclosure

774

00:35:17,240 --> 00:35:15,869

Tibor tasks yes and no I I don't think

775

00:35:19,220 --> 00:35:17,250

we're ever gonna get an official

776

00:35:22,599 --> 00:35:19,230

disclosure by the government I think

777

00:35:24,740 --> 00:35:22,609

that people have their own personal

778

00:35:26,570 --> 00:35:24,750

disclosures Tibor and I think that's

779

00:35:28,430 --> 00:35:26,580

kind of what my book taught me and the

780

00:35:29,930 --> 00:35:28,440

people I spoke and that I've spoken to

781

00:35:31,609 --> 00:35:29,940

is that we're all having our own

782

00:35:34,520 --> 00:35:31,619

personal disclosure so when it comes to

783

00:35:38,150 --> 00:35:34,530

this topic if you see they seen a UFO

784

00:35:39,470 --> 00:35:38,160

and you've had that experience and you

785

00:35:42,080 --> 00:35:39,480

took something away from it I

786

00:35:43,849 --> 00:35:42,090

that's disclosure for you and I think

787

00:35:45,380 --> 00:35:43,859

that's all that really matters in terms

788

00:35:46,700 --> 00:35:45,390

of leg the government's ever gonna be

789

00:35:49,280 --> 00:35:46,710

like look we've been lying to you for

790

00:35:50,960 --> 00:35:49,290

sixty odd years about what we know

791

00:35:53,000 --> 00:35:50,970

aliens have been visiting the planet uh

792

00:35:55,460 --> 00:35:53,010

no I don't that's never gonna happen

793

00:35:58,099 --> 00:35:55,470

until their hand is forced and they have

794

00:36:00,080 --> 00:35:58,109

to at least say they've been looking

795

00:36:02,060 --> 00:36:00,090

into it and that they don't know what

796

00:36:06,410 --> 00:36:02,070

the hell is going on so that's kind of

797

00:36:08,960 --> 00:36:06,420

where I stand on disclosure Rodrigo asks

798

00:36:11,660 --> 00:36:08,970

if I've seen twin peak season three no I

799

00:36:15,320 --> 00:36:11,670

have not I watched the first two seasons

800

00:36:17,270 --> 00:36:15,330

the originals and it was great I loved

801

00:36:19,880 --> 00:36:17,280

it and I watched the first episode of

802

00:36:22,820 --> 00:36:19,890

season three and it scared the [h__h] out

803

00:36:25,010 --> 00:36:22,830

of me and I kind of just fell off after

804

00:36:27,170 --> 00:36:25,020

that I've heard good and bad about it I

805

00:36:28,849 --> 00:36:27,180

should probably go and watch it since I

806

00:36:33,140 --> 00:36:28,859

invested so much time into the original

807

00:36:35,750 --> 00:36:33,150

one but um no I have not seen it let me

808

00:36:40,790 --> 00:36:35,760

know if it's worth my time and I will

809

00:36:42,770 --> 00:36:40,800

definitely do that Williams says my

810

00:36:44,930 --> 00:36:42,780

members loved your last live feed Maya

811

00:36:50,390 --> 00:36:44,940

post tonight's feed absolutely man the

812

00:36:57,440 --> 00:36:50,400

more the merrier hi Laura

813

00:36:59,960 --> 00:36:57,450

hi Trina I'm Michael I've watched

814

00:37:02,270 --> 00:36:59,970

everything Rodrigo says I've watched

815

00:37:04,640 --> 00:37:02,280

everything from Stargate and all the UFO

816

00:37:06,020 --> 00:37:04,650

lore is right there they did great

817

00:37:08,780 --> 00:37:06,030

research for the show do you think

818

00:37:10,340 --> 00:37:08,790

people take what do you think people

819

00:37:13,280 --> 00:37:10,350

take from the show or vice versa

820

00:37:16,490 --> 00:37:13,290

um yeah I mean I think a lot of people

821

00:37:19,460 --> 00:37:16,500

that that get involved with UFO centric

822

00:37:20,570 --> 00:37:19,470

television or movies or anything in that

823

00:37:22,760 --> 00:37:20,580

realm

824

00:37:24,440 --> 00:37:22,770

their curiosity is definitely piqued I

825

00:37:28,540 --> 00:37:24,450

mean look at Dean Haglund from the

826

00:37:31,730 --> 00:37:28,550

x-files the dude like became an actual

827

00:37:34,070 --> 00:37:31,740

researcher of UFOs after being on the

828

00:37:37,430 --> 00:37:34,080

x-files he created a documentary all

829

00:37:39,950 --> 00:37:37,440

about UFOs and I mean us to do anything

830

00:37:41,990 --> 00:37:39,960

about you know people in the field and

831

00:37:44,330 --> 00:37:42,000

theories out there and he will just

832

00:37:47,750 --> 00:37:44,340

rattle it off off the bat which i think

833

00:37:49,520 --> 00:37:47,760

is awesome stargates another really

834

00:37:51,470 --> 00:37:49,530

interesting one I never really got into

835

00:37:52,819 --> 00:37:51,480

that show but I know they do they dealt

836

00:37:56,109 --> 00:37:52,829

a lot with like human

837

00:38:00,319 --> 00:37:56,119

alien interactions and you know

838

00:38:02,719 --> 00:38:00,329

wormholes and ways of for like aliens to

839

00:38:04,190 --> 00:38:02,729

hop in and out of time and space that's

840

00:38:05,539 --> 00:38:04,200

pretty interesting and I have no doubt

841

00:38:06,410 --> 00:38:05,549

that some of the actors on that show

842

00:38:08,089 --> 00:38:06,420

including them

843

00:38:10,880 --> 00:38:08,099

what's the dude's name who played

844

00:38:20,949 --> 00:38:10,890

MacGyver it was on Stargate he got

845

00:38:26,150 --> 00:38:24,199

michael says close encounters is great

846

00:38:28,940 --> 00:38:26,160

intelligent film about ufos and alien

847

00:38:31,640 --> 00:38:28,950

life-forms Close Encounters is an

848

00:38:34,219 --> 00:38:31,650

incredible film Michael and many people

849

00:38:35,809 --> 00:38:34,229

don't know this but J Allen Hynek was

850

00:38:38,269 --> 00:38:35,819

actually featured in the Close

851
00:38:42,739 --> 00:38:38,279
Encounters movie J Allen Hynek was the

852
00:38:44,690 --> 00:38:42,749
first scientific person to work for

853
00:38:47,979 --> 00:38:44,700
Project Blue Book the official

854
00:38:51,079 --> 00:38:47,989
government investigation group into UFOs

855
00:38:54,440 --> 00:38:51,089
so much so that Spielberg wanted him

856
00:38:56,569 --> 00:38:54,450
involved in you know in creating this

857
00:38:57,890 --> 00:38:56,579
film so he put him he featured him in

858
00:38:59,680 --> 00:38:57,900
the end of the movie which is pretty

859
00:39:01,910 --> 00:38:59,690
awesome

860
00:39:03,859 --> 00:39:01,920
definitely Jael and Hynek is a hero of

861
00:39:05,390 --> 00:39:03,869
mine and to know that like he was

862
00:39:08,569 --> 00:39:05,400
involved with that movie and that they

863
00:39:11,569 --> 00:39:08,579

took the time to actually to use people

864

00:39:13,189 --> 00:39:11,579

like Jo and Hynek means a lot I think

865

00:39:17,359 --> 00:39:13,199

Spielberg is one of the greatest

866

00:39:20,150 --> 00:39:17,369

filmmakers of our time and and handles

867

00:39:22,609 --> 00:39:20,160

the topic of aliens and the possibility

868

00:39:26,029 --> 00:39:22,619

of an alien visitation very responsibly

869

00:39:27,829 --> 00:39:26,039

very very Entertainment centric

870

00:39:29,509 --> 00:39:27,839

obviously but also with a lot of

871

00:39:31,699 --> 00:39:29,519

respective people that actually look

872

00:39:40,630 --> 00:39:31,709

into the topic and the history of it so

873

00:39:44,750 --> 00:39:42,859

Patrick asks what are your thoughts on

874

00:39:48,079 --> 00:39:44,760

Elizondo and his work in the Pentagon

875

00:39:49,460 --> 00:39:48,089

however you spell it yeah in my opinion

876

00:39:51,700 --> 00:39:49,470

this is the closest we will come to

877

00:39:57,800 --> 00:39:51,710

disclosure in our lives

878

00:39:59,780 --> 00:39:57,810

um I think Elizondo is like totally

879

00:40:02,180 --> 00:39:59,790

genuine in his pursuits of getting

880

00:40:04,670 --> 00:40:02,190

information out there Patrick to what

881

00:40:06,710 --> 00:40:04,680

extent the people higher up from him and

882

00:40:09,980 --> 00:40:06,720

the information they're letting him

883

00:40:12,530 --> 00:40:09,990

release is another story but he seems

884

00:40:14,390 --> 00:40:12,540

very invested in just getting the

885

00:40:16,609 --> 00:40:14,400

information he's privy to out to the

886

00:40:18,410 --> 00:40:16,619

public he's very open and receptive to

887

00:40:21,530 --> 00:40:18,420

the UFO community in their thoughts and

888

00:40:24,740 --> 00:40:21,540

theories on the topic and he's going to

889

00:40:27,170 --> 00:40:24,750

be giving an exclusive interview to open

890

00:40:28,849 --> 00:40:27,180

minds to at the UFO Congress which is

891

00:40:32,210 --> 00:40:28,859

coming up in mid-february in just a

892

00:40:34,940 --> 00:40:32,220

couple weeks exclusively for members at

893

00:40:35,690 --> 00:40:34,950

the conference so if you haven't yet get

894

00:40:37,790 --> 00:40:35,700

your tickets

895

00:40:40,730 --> 00:40:37,800

get your ass to Arizona and go to the

896

00:40:41,990 --> 00:40:40,740

conference to hear from him and he's

897

00:40:44,210 --> 00:40:42,000

gonna be answering questions from the

898

00:40:46,550 --> 00:40:44,220

audience as well so that's pretty

899

00:40:48,740 --> 00:40:46,560

awesome um yeah I think he's a really

900

00:40:51,200 --> 00:40:48,750

cool dude he just did a exclusive

901
00:40:55,910 --> 00:40:51,210
interview with George Knapp over klas

902
00:40:58,220 --> 00:40:55,920
and yeah I honestly feel that he just

903
00:41:00,050 --> 00:40:58,230
wants to get what he learned while he

904
00:41:02,120 --> 00:41:00,060
was working with the program out to the

905
00:41:03,440 --> 00:41:02,130
public it's very altruistic and I think

906
00:41:06,230 --> 00:41:03,450
that's awesome

907
00:41:07,849 --> 00:41:06,240
he's not benefiting too much from it I

908
00:41:11,150 --> 00:41:07,859
mean he's working with Tom DeLonge on

909
00:41:14,510 --> 00:41:11,160
the his projects but again yeah I think

910
00:41:20,180 --> 00:41:14,520
he's a really cool guy and we need more

911
00:41:22,250 --> 00:41:20,190
of those people involved in this gone

912
00:41:24,730 --> 00:41:22,260
are the days of my cabin afro do you

913
00:41:27,050 --> 00:41:24,740

feel another major UFO investigate

914

00:41:27,950 --> 00:41:27,060

investigative group would push MUFON to

915

00:41:30,170 --> 00:41:27,960

greater heights

916

00:41:32,450 --> 00:41:30,180

uh yeah well you might do I think

917

00:41:35,300 --> 00:41:32,460

competition is always the best way for

918

00:41:38,960 --> 00:41:35,310

things to change within organizations or

919

00:41:41,780 --> 00:41:38,970

even in you know thought in general

920

00:41:44,599 --> 00:41:41,790

being challenged and I think right now

921

00:41:47,000 --> 00:41:44,609

MUFON is being challenged you have the

922

00:41:48,770 --> 00:41:47,010

to the starters' Academy coming up and

923

00:41:52,710 --> 00:41:48,780

being like look we just raised two

924

00:41:54,330 --> 00:41:52,720

million dollars to investigate UFOs

925

00:41:57,330 --> 00:41:54,340

and the technology they're using and

926
00:41:59,609 --> 00:41:57,340
build our own so you know that's pretty

927
00:42:01,290 --> 00:41:59,619
interesting so I think this is a time

928
00:42:04,380 --> 00:42:01,300
for MUFON to really step up their game

929
00:42:06,150 --> 00:42:04,390
and and get get their information out

930
00:42:08,330 --> 00:42:06,160
there and be more transparent and that's

931
00:42:10,589 --> 00:42:08,340
what Chris Cogswell is going to be doing

932
00:42:12,450 --> 00:42:10,599
MUFON is going to be more transparent

933
00:42:15,180 --> 00:42:12,460
than ever and they're also going to be

934
00:42:19,430 --> 00:42:15,190
asking the public for the or their take

935
00:42:22,380 --> 00:42:19,440
on their investigations so I'm gonna be

936
00:42:23,760 --> 00:42:22,390
releasing my episode with Chris within

937
00:42:25,380 --> 00:42:23,770
the next two weeks and you're gonna hear

938
00:42:27,720 --> 00:42:25,390

some really exciting information about

939

00:42:30,960 --> 00:42:27,730

how you can become a part of that review

940

00:42:34,320 --> 00:42:30,970

panel and and review the information

941

00:42:35,820 --> 00:42:34,330

that MUFON is bringing forth in terms of

942

00:42:38,359 --> 00:42:35,830

what their their investigations into

943

00:42:41,849 --> 00:42:38,369

UFOs yeah

944

00:42:43,950 --> 00:42:41,859

Rick Rick Dean Anderson Richard Dean

945

00:42:45,900 --> 00:42:43,960

Anderson plays McIver Thank You Justin

946

00:42:54,390 --> 00:42:45,910

MacGyver used to be one of my favorite

947

00:42:56,310 --> 00:42:54,400

television shows Scott asks hey Ryan I'm

948

00:42:57,990 --> 00:42:56,320

out of my element with all the UFO stuff

949

00:43:00,180 --> 00:42:58,000

even though it is cool to listen to you

950

00:43:00,990 --> 00:43:00,190

talk about it thanks man but I can't

951
00:43:05,670 --> 00:43:01,000
handle

952
00:43:07,770 --> 00:43:05,680
season three just make sure you want you

953
00:43:11,550 --> 00:43:07,780
watch the film Twin Peaks fire walk with

954
00:43:13,680 --> 00:43:11,560
me I have very mixed feelings on season

955
00:43:15,300 --> 00:43:13,690
three as a whole if you do watch I will

956
00:43:17,220 --> 00:43:15,310
say at different moments about the

957
00:43:18,810 --> 00:43:17,230
season you will at least see some of the

958
00:43:21,750 --> 00:43:18,820
most interesting filming techniques in

959
00:43:23,640 --> 00:43:21,760
all of TV history yes I would agree they

960
00:43:25,370 --> 00:43:23,650
did that in the original series as well

961
00:43:29,730 --> 00:43:25,380
really pushing the boundaries

962
00:43:32,550 --> 00:43:29,740
cinematically William asks how my mom is

963
00:43:34,200 --> 00:43:32,560

doing thanks for asking man good she

964

00:43:37,109 --> 00:43:34,210

should be out of the hospital Wednesday

965

00:43:39,900 --> 00:43:37,119

so very excited about that she's kicking

966

00:43:41,849 --> 00:43:39,910

butt as usual in very high spirits and

967

00:43:44,839 --> 00:43:41,859

she cannot wait to get home and be with

968

00:43:47,849 --> 00:43:44,849

her dog her third child as it were so

969

00:43:54,329 --> 00:43:47,859

yeah really really happy to hear that

970

00:43:56,010 --> 00:43:54,339

and again thank you for asking do you

971

00:44:00,900 --> 00:43:56,020

think Tom DeLonge is being played or

972

00:44:04,200 --> 00:44:00,910

after something money-wise um Casey

973

00:44:06,299 --> 00:44:04,210

that's a good question um Tom DeLonge is

974

00:44:09,179 --> 00:44:06,309

a businessman and

975

00:44:13,439 --> 00:44:09,189

he invests his money wisely and I think

976

00:44:15,269 --> 00:44:13,449

he is he's definitely in the pursuit of

977

00:44:17,039 --> 00:44:15,279

truth when it comes to the UFO topic but

978

00:44:19,019 --> 00:44:17,049

I think he'll also make a buck when he

979

00:44:21,269 --> 00:44:19,029

can and you know in some ways I don't

980

00:44:24,599 --> 00:44:21,279

blame them you know that's why he did

981

00:44:26,069 --> 00:44:24,609

this entire investment thing so he's not

982

00:44:28,979 --> 00:44:26,079

putting too much of his own money into

983

00:44:32,849 --> 00:44:28,989

it so yeah I think it's a little bit of

984

00:44:34,559 --> 00:44:32,859

both you know he's been kind of silent

985

00:44:37,349 --> 00:44:34,569

you ever since the new york times

986

00:44:39,660 --> 00:44:37,359

pentagon story came out we've heard very

987

00:44:41,910 --> 00:44:39,670

little from tom delonge he sort of went

988

00:44:43,920 --> 00:44:41,920

back into the corner and maybe that's

989

00:44:48,719 --> 00:44:43,930

the way they wanted his joe rogan

990

00:44:51,420 --> 00:44:48,729

interview was abysmal and was not good

991

00:44:53,130 --> 00:44:51,430

for his company so yeah maybe they're

992

00:44:56,279 --> 00:44:53,140

kind of like alright he's no longer the

993

00:44:57,689 --> 00:44:56,289

spokesman for the company I don't know I

994

00:45:00,929 --> 00:44:57,699

don't know what to make of Tom DeLonge

995

00:45:05,549 --> 00:45:00,939

yet but he made some good music in the

996

00:45:08,579 --> 00:45:05,559

past William says you need some stubble

997

00:45:18,720 --> 00:45:08,589

I know man I shaved this morning sorry

998

00:45:23,200 --> 00:45:20,770

alright gay so think I'm gonna cut this

999

00:45:24,940 --> 00:45:23,210

one short tonight so if anyone has any

1000

00:45:28,300 --> 00:45:24,950

more questions I'm definitely willing to

1001

00:45:30,910 --> 00:45:28,310

answer them but yeah this was fun again

1002

00:45:33,570 --> 00:45:30,920

thank you for joining me

1003

00:45:37,510 --> 00:45:33,580

squeeze your questions and now otherwise

1004

00:45:40,180 --> 00:45:37,520

I'm gonna try to do this maybe once

1005

00:45:42,280 --> 00:45:40,190

every three to four weeks you know keep

1006

00:45:43,210 --> 00:45:42,290

some mystery and I'll have more to talk

1007

00:45:45,720 --> 00:45:43,220

about

1008

00:45:49,710 --> 00:45:45,730

within a month span so much can happen

1009

00:45:52,870 --> 00:45:49,720

but yeah thank you again for joining me

1010

00:45:54,760 --> 00:45:52,880

it's been a blast I love just hopping on

1011

00:45:57,130 --> 00:45:54,770

and not really having anything planned

1012

00:45:58,750 --> 00:45:57,140

it leaves for some awkward moments of

1013

00:46:01,210 --> 00:45:58,760

silence but that's kind of what this is

1014

00:46:03,640 --> 00:46:01,220

all about doing these live things but um

1015

00:46:06,130 --> 00:46:03,650

if you have any questions and I didn't

1016

00:46:08,320 --> 00:46:06,140

get to them or I hang up here before you

1017

00:46:11,500 --> 00:46:08,330

ask them please feel free to reach out

1018

00:46:13,840 --> 00:46:11,510

to me at my website and ask me there and

1019

00:46:14,770 --> 00:46:13,850

I'll definitely get back to you when I

1020

00:46:19,200 --> 00:46:14,780

can

1021

00:46:22,570 --> 00:46:19,210

found at somewhere in the skies comm

1022

00:46:25,240 --> 00:46:22,580

pipeline for the show so I'm really

1030

00:46:43,480 --> 00:46:42,110
