down with Vanessa and Caroline of the

32
00:02:03,820 --> 00:02:01,759
not another x-files podcast podcast to

33
00:02:04,600 --> 00:02:03,830
discuss the recent x-files season 11

34
00:02:07,320 --> 00:02:04,610
episode

35
00:02:10,330 --> 00:02:07,330
ghuli in which Mulder and Scully's son

36
00:02:13,030 --> 00:02:10,340
re-emerges with dire and extraordinary

37
00:02:15,550 --> 00:02:13,040
consequences what did we all think of

38
00:02:18,010 --> 00:02:15,560

this tearjerker of an episode and how

39

00:02:20,380 --> 00:02:18,020

the hell can't Gillian Anderson be

40

00:02:23,280 --> 00:02:20,390

nominated for an Emmy next year for this

41

00:02:26,380 --> 00:02:23,290

we also died deep into Edgar Cayce

42

00:02:28,660 --> 00:02:26,390

hypnagogic States and the truth behind

43

00:02:31,420 --> 00:02:28,670

our feelings for shipping between

44

00:02:33,970 --> 00:02:31,430

everyone's favorite FBI agents so

45

00:02:36,040 --> 00:02:33,980

without further ado here's the somewhere

46

00:02:44,780 --> 00:02:36,050

in the skies and not another x-files

47

00:02:49,720 --> 00:02:47,100

[Music]

48

00:02:52,780 --> 00:02:49,730

everyone this is not another x-files

49

00:02:54,190 --> 00:02:52,790

podcast podcast and this is Ryan Sprague

50

00:02:57,190 --> 00:02:54,200

from these somewhere in the skies

51
00:02:59,920 --> 00:02:57,200
podcast our podcast follows the x-files

52
00:03:01,180 --> 00:02:59,930
every week yes every week we watch an

53
00:03:03,460 --> 00:03:01,190
episode of the x-files and then we talk

54
00:03:05,130 --> 00:03:03,470
about it and I'm Vanessa I'm Caroline

55
00:03:07,030 --> 00:03:05,140
yes just so that you know who is who and

56
00:03:09,280 --> 00:03:07,040
we're really excited to be doing this

57
00:03:11,200 --> 00:03:09,290
crossover with Ryan so excited yeah yeah

58
00:03:11,830 --> 00:03:11,210
absolutely I mean I've been a fan of

59
00:03:14,589 --> 00:03:11,840
your guys show

60
00:03:17,619 --> 00:03:14,599
for a while now and as a both x-files

61
00:03:21,400 --> 00:03:17,629
and a UFO aficionado like it was so cool

62
00:03:23,080 --> 00:03:21,410
to to find people who who loved the

63
00:03:25,390 --> 00:03:23,090

x-files as much as I did and I know

64

00:03:27,580 --> 00:03:25,400

there's so many of us out there but to

65

00:03:30,190 --> 00:03:27,590

connect and actually like talk about an

66

00:03:36,160 --> 00:03:30,200

episode is like a dream come true for

67

00:03:38,619 --> 00:03:36,170

someone like me so oh yeah sorry I'm so

68

00:03:40,960 --> 00:03:38,629

my show is all about talking UFOs you

69

00:03:43,150 --> 00:03:40,970

know what do people actually believe

70

00:03:45,880 --> 00:03:43,160

when it comes to this topic have they

71

00:03:48,819 --> 00:03:45,890

had a sighting and encounter an

72

00:03:51,160 --> 00:03:48,829

abduction experience it really runs the

73

00:03:53,170 --> 00:03:51,170

gamut from week to week and you know I

74

00:03:55,720 --> 00:03:53,180

have people on in all walks of life you

75

00:03:58,569 --> 00:03:55,730

know I've got like scientists academic

76

00:04:00,610 --> 00:03:58,579

you know musicians artists anyone you

77

00:04:02,110 --> 00:04:00,620

could think of and what they might think

78

00:04:04,869 --> 00:04:02,120

about these topics these

79

00:04:06,850 --> 00:04:04,879

paradigm-shifting things that could

80

00:04:09,000 --> 00:04:06,860

ultimately tell us a lot about ourselves

81

00:04:12,610 --> 00:04:09,010

so it's a pretty interesting

82

00:04:15,610 --> 00:04:12,620

sociological experiment every week and I

83

00:04:17,170 --> 00:04:15,620

love doing it and the x-files coming

84

00:04:19,930 --> 00:04:17,180

back has been a big you know

85

00:04:21,370 --> 00:04:19,940

invigorating part of all of that so yeah

86

00:04:23,469 --> 00:04:21,380

I could not be more excited if he's

87

00:04:25,960 --> 00:04:23,479

acting you guys so now Ryan you actually

88

00:04:35,170 --> 00:04:25,970

wrote a book - you're an actual

89

00:04:37,629 --> 00:04:35,180

real-life yeah yeah the book was about

90

00:04:40,330 --> 00:04:37,639

two years in the making and I went

91

00:04:44,010 --> 00:04:40,340

across the country and spoke to people

92

00:04:46,690 --> 00:04:44,020

in England in South Africa and Australia

93

00:04:48,700 --> 00:04:46,700

all over the place about their

94

00:04:50,980 --> 00:04:48,710

encounters and how it changed their

95

00:04:52,659 --> 00:04:50,990

lives you know I I talked about what

96

00:04:54,969 --> 00:04:52,669

happened to these people but it was more

97

00:04:57,100 --> 00:04:54,979

about what happened afterwards like what

98

00:05:00,010 --> 00:04:57,110

did their family think about what they

99

00:05:02,050 --> 00:05:00,020

experienced their neighbours you know

100

00:05:04,120 --> 00:05:02,060

the pillars of the community having a

101
00:05:06,040 --> 00:05:04,130
UFO setting like what does that mean for

102
00:05:09,370 --> 00:05:06,050
the community so it was really

103
00:05:11,200 --> 00:05:09,380
interesting to to see what people what

104
00:05:13,240 --> 00:05:11,210
they believed happened to them and how

105
00:05:15,460 --> 00:05:13,250
it affected them afterwards so yeah

106
00:05:17,409 --> 00:05:15,470
there's two years of my life and it

107
00:05:19,659 --> 00:05:17,419
turned out beautifully the reception was

108
00:05:22,990 --> 00:05:19,669
great and that kind of led to my podcast

109
00:05:24,800 --> 00:05:23,000
you know I had so much awesome yeah too

110
00:05:26,870 --> 00:05:24,810
much material to put in the book

111
00:05:28,370 --> 00:05:26,880
so I'm like how can I keep doing this

112
00:05:30,500 --> 00:05:28,380
and that's where the idea for the

113
00:05:32,150 --> 00:05:30,510

podcast came from and your book is

114

00:05:34,610 --> 00:05:32,160

called the book is called somewhere in

115

00:05:37,310 --> 00:05:34,620

the skies a human approach to an alien

116

00:05:39,860 --> 00:05:37,320

phenomenon there's always a subtitle of

117

00:05:41,720 --> 00:05:39,870

course that's awesome level and and what

118

00:05:43,159 --> 00:05:41,730

comes out and we were super excited to

119

00:05:44,930 --> 00:05:43,169

do this podcast with you also because

120

00:05:47,570 --> 00:05:44,940

you're like you're just so excited about

121

00:05:50,090 --> 00:05:47,580

the topics and so like it's just really

122

00:05:51,950 --> 00:05:50,100

fun to have somebody to I mean not that

123

00:05:53,629 --> 00:05:51,960

our other guests or not guests but our

124

00:05:55,310 --> 00:05:53,639

other people that we podcast with are

125

00:05:56,629 --> 00:05:55,320

not you know super excited as well but

126

00:05:59,030 --> 00:05:56,639

it's just nice to have people who are

127

00:06:01,159 --> 00:05:59,040

passionate about something to be on do

128

00:06:03,110 --> 00:06:01,169

this crossover with so absolutely I mean

129

00:06:04,970 --> 00:06:03,120

I mean in terms of the crossover I have

130

00:06:07,460 --> 00:06:04,980

to ask you guys you know turn the tables

131

00:06:10,070 --> 00:06:07,470

here what what really got you into the

132

00:06:17,030 --> 00:06:10,080

x-files were you both like hardcore fans

133

00:06:18,770 --> 00:06:17,040

from the start well I came to expose a

134

00:06:20,870 --> 00:06:18,780

little bit later I was pretty young when

135

00:06:22,130 --> 00:06:20,880

it first started but um I started

136

00:06:25,730 --> 00:06:22,140

watching right after the first movie

137

00:06:28,340 --> 00:06:25,740

came out yeah still pretty young I think

138

00:06:30,680 --> 00:06:28,350

that's about the same for me like I I

139

00:06:32,270 --> 00:06:30,690

made have seen a little bit before fight

140

00:06:35,180 --> 00:06:32,280

the future came out but I think I was

141

00:06:36,650 --> 00:06:35,190

about 13 when I started watching it but

142

00:06:39,530 --> 00:06:36,660

I got really into it in high school

143

00:06:43,640 --> 00:06:39,540

it's totally me - ya know Alex with the

144

00:06:45,560 --> 00:06:43,650

DVDs yeah Netflix still does DVDs and

145

00:06:48,650 --> 00:06:45,570

online streaming I think it does DVD in

146

00:06:51,020 --> 00:06:48,660

the States yeah yeah crazy we don't get

147

00:06:52,730 --> 00:06:51,030

the DVDs up here you know the DVDs are

148

00:06:56,029 --> 00:06:52,740

so much better you get so much more

149

00:06:57,740 --> 00:06:56,039

selection true I still might I have a

150

00:06:59,900 --> 00:06:57,750

co-op my collection it's very precious

151
00:07:03,200 --> 00:06:59,910
to me and special feature my x-files

152
00:07:07,219 --> 00:07:03,210
DVDs yeah yeah but I've just always been

153
00:07:10,070 --> 00:07:07,229
like in love with mysteries and ghost

154
00:07:12,710 --> 00:07:10,080
stories and legends um

155
00:07:15,320 --> 00:07:12,720
urban or otherwise like I'm so finding a

156
00:07:17,420 --> 00:07:15,330
show that had all that plus like an

157
00:07:18,890 --> 00:07:17,430
amazing group of characters that you

158
00:07:21,290 --> 00:07:18,900
actually cared about their struggle

159
00:07:23,330 --> 00:07:21,300
their journey building that just blew my

160
00:07:24,050 --> 00:07:23,340
like young mind open that's like oh my

161
00:07:26,510 --> 00:07:24,060
gosh

162
00:07:31,730 --> 00:07:26,520
not to mention you know Scully is

163
00:07:33,260 --> 00:07:31,740

amazing and we love shipping that was

164

00:07:35,870 --> 00:07:33,270

gonna be my next question are you guys

165

00:07:37,040 --> 00:07:35,880

shippers or not oh yeah we unabashedly

166

00:07:41,480 --> 00:07:37,050

show

167

00:07:46,270 --> 00:07:41,490

in scholarship I didn't for the longest

168

00:07:51,409 --> 00:07:49,460

revelation oh my god is it being thrown

169

00:07:53,210 --> 00:07:51,419

in her face this season in a good way

170

00:07:55,580 --> 00:07:53,220

feel like Chris Carter's finally like

171

00:07:57,619 --> 00:07:55,590

finally not like shying away from it

172

00:08:00,080 --> 00:07:57,629

yeah or he's just giving us like almost

173

00:08:01,640 --> 00:08:00,090

a last hurrah for the fans like okay

174

00:08:04,790 --> 00:08:01,650

I'll give you what you want God just

175

00:08:07,580 --> 00:08:04,800

stop like bothering me about it oh my

176

00:08:08,960 --> 00:08:07,590

god I mean I will say you know before we

177

00:08:11,029 --> 00:08:08,970

even get into the episode we're gonna be

178

00:08:14,629 --> 00:08:11,039

talking about like this season seems

179

00:08:16,399 --> 00:08:14,639

like love letter to the fans like he

180

00:08:18,860 --> 00:08:16,409

just hopped right in it's like I don't

181

00:08:21,980 --> 00:08:18,870

give a crap if you didn't pay attention

182

00:08:23,930 --> 00:08:21,990

to the first ten seasons like we're here

183

00:08:25,909 --> 00:08:23,940

this is what we're doing and I'm giving

184

00:08:27,620 --> 00:08:25,919

him what you want so it's interesting

185

00:08:29,839 --> 00:08:27,630

and actually speaking of that I

186

00:08:32,240 --> 00:08:29,849

literally right before we got recording

187

00:08:34,190 --> 00:08:32,250

I read and I read this little interview

188

00:08:37,250 --> 00:08:34,200

that Chris Carter did with an online

189

00:08:38,779 --> 00:08:37,260

magazine called Digital Spy and I just

190

00:08:39,949 --> 00:08:38,789

like it was like I have to talk about

191

00:08:41,360 --> 00:08:39,959

this on the podcast because he talks

192

00:08:44,510 --> 00:08:41,370

about kind of like what the future of

193

00:08:45,920 --> 00:08:44,520

the x-files is going to be and so you

194

00:08:48,860 --> 00:08:45,930

know he talks about how like he's having

195

00:08:50,210 --> 00:08:48,870

so much fun doing it again and like you

196

00:08:51,920 --> 00:08:50,220

know working with these old care I mean

197

00:08:53,269 --> 00:08:51,930

Season ten wasn't that long ago but

198

00:08:55,370 --> 00:08:53,279

still working with these old characters

199

00:08:58,940 --> 00:08:55,380

that he's created and that he's kind of

200

00:09:01,660 --> 00:08:58,950

watched grow up in a way and then he

201
00:09:03,980 --> 00:09:01,670
talks about how wasn't actually aware

202
00:09:05,180 --> 00:09:03,990
that Jillian was saying that she was

203
00:09:07,490 --> 00:09:05,190
going to be done like when she actually

204
00:09:08,600 --> 00:09:07,500
went public and said it but he was like

205
00:09:10,460 --> 00:09:08,610
well I've been kind of wondering how

206
00:09:11,900 --> 00:09:10,470
long they were really gonna be like

207
00:09:14,360 --> 00:09:11,910
sticking with it it's been 25 years

208
00:09:16,940 --> 00:09:14,370
they've done you know six to seven

209
00:09:19,970 --> 00:09:16,950
thousand hours of filming which is like

210
00:09:23,449 --> 00:09:19,980
crazy to think about and he kind of said

211
00:09:29,269 --> 00:09:23,459
like I still see a future to the x-files

212
00:09:32,900 --> 00:09:29,279
so it's like he just doesn't could he be

213
00:09:35,660 --> 00:09:32,910

more vague yeah he basically was like

214

00:09:36,980 --> 00:09:35,670

you know let's see I always thought of

215

00:09:39,130 --> 00:09:36,990

David the way I thought about okay so

216

00:09:41,660 --> 00:09:39,140

this is they asked him about you know

217

00:09:43,040 --> 00:09:41,670

okay I'll just read the whole thing this

218

00:09:44,449 --> 00:09:43,050

is the interviewer you've said the show

219

00:09:45,920 --> 00:09:44,459

has always been Mulder and Scully and

220

00:09:47,600 --> 00:09:45,930

David has said a few things about the

221

00:09:48,949 --> 00:09:47,610

seasons without him how do you feel

222

00:09:50,000 --> 00:09:48,959

about the Doggett and Reyes years

223

00:09:51,650 --> 00:09:50,010

looking back

224

00:09:53,000 --> 00:09:51,660

and then he says I always thought of

225

00:09:55,490 --> 00:09:53,010

David the way I thought about the child

226

00:09:56,810 --> 00:09:55,500

William as an absence Center even when

227

00:09:58,880 --> 00:09:56,820

he wasn't there he was the center of

228

00:10:00,500 --> 00:09:58,890

everyone's concern and the story is

229

00:10:02,060 --> 00:10:00,510

revolved around him I think that's an

230

00:10:04,070 --> 00:10:02,070

interesting problem for storytellers and

231

00:10:06,110 --> 00:10:04,080

I think that if the x-files is to go

232

00:10:08,690 --> 00:10:06,120

forward then Scully would be a similar

233

00:10:11,480 --> 00:10:08,700

absent center that's interesting yeah I

234

00:10:15,830 --> 00:10:11,490

mean they seem to be focusing a lot on

235

00:10:18,350 --> 00:10:15,840

her in this new season so I I do wonder

236

00:10:21,380 --> 00:10:18,360

like will we get life after this and

237

00:10:24,640 --> 00:10:21,390

will it really involve the the memory of

238

00:10:28,910 --> 00:10:24,650

Scully or you know maybe William III do

239

00:10:31,100 --> 00:10:28,920

and will we keep watching yeah that's a

240

00:10:33,350 --> 00:10:31,110

good question I mean to be honest like I

241

00:10:34,850 --> 00:10:33,360

mean we stopped watching when Mulder and

242

00:10:36,680 --> 00:10:34,860

Scully left the first time because like

243

00:10:38,630 --> 00:10:36,690

a lot of people as much as we love

244

00:10:39,890 --> 00:10:38,640

Doggett and Reyes like they should have

245

00:10:41,540 --> 00:10:39,900

that chemistry they didn't have that

246

00:10:44,840 --> 00:10:41,550

spark you know that David Duchovny

247

00:10:47,030 --> 00:10:44,850

Gillian had yeah in its you can't even

248

00:10:49,190 --> 00:10:47,040

describe it it's sort of this something

249

00:10:51,860 --> 00:10:49,200

that's there but it's really poignant

250

00:10:53,360 --> 00:10:51,870

and you know we love watching it mm-hmm

251
00:10:56,210 --> 00:10:53,370
they just have this chemistry that you

252
00:10:56,570 --> 00:10:56,220
can't replicate and you can't create out

253
00:11:02,240 --> 00:10:56,580
of nothing

254
00:11:03,470 --> 00:11:02,250
yeah and that's why we ship I love it

255
00:11:10,120 --> 00:11:03,480
you know most people don't have an

256
00:11:13,790 --> 00:11:10,130
answer they just want to go there to

257
00:11:16,070 --> 00:11:13,800
like no yeah just there the care for

258
00:11:18,200 --> 00:11:16,080
each other like hmm yeah like I love how

259
00:11:19,430 --> 00:11:18,210
the season it's more like well we've

260
00:11:21,590 --> 00:11:19,440
gone through this whole journey together

261
00:11:22,850 --> 00:11:21,600
and I love in the last episode where she

262
00:11:24,680 --> 00:11:22,860
was talking about like what does this

263
00:11:26,990 --> 00:11:24,690

mean what is like what's our future like

264

00:11:28,730 --> 00:11:27,000

for the characters do exactly the show

265

00:11:30,560 --> 00:11:28,740

it wasn't just you know Mulder and

266

00:11:33,500 --> 00:11:30,570

Scully's like relationship whether it's

267

00:11:35,030 --> 00:11:33,510

with a little R or a capital R it's also

268

00:11:37,250 --> 00:11:35,040

like what is the future of the show and

269

00:11:39,290 --> 00:11:37,260

and whereas what is its place in 2018

270

00:11:41,450 --> 00:11:39,300

you know yeah definitely that's a really

271

00:11:43,280 --> 00:11:41,460

good point I mean they took so that's so

272

00:11:44,840 --> 00:11:43,290

much time off you know in between coming

273

00:11:49,250 --> 00:11:44,850

back with the season 10 that like the

274

00:11:51,320 --> 00:11:49,260

world changed so much and to really put

275

00:11:53,060 --> 00:11:51,330

that into the show they had to they were

276

00:11:55,940 --> 00:11:53,070

sort of forced into a corner to do that

277

00:11:57,860 --> 00:11:55,950

so you know season 10 aside I think so

278

00:12:00,530 --> 00:11:57,870

far these first what is it now five

279

00:12:02,120 --> 00:12:00,540

episodes we've seen yeah yeah like

280

00:12:04,280 --> 00:12:02,130

they're doing a great job especially

281

00:12:08,610 --> 00:12:04,290

with the forehead sweat

282

00:12:11,699 --> 00:12:08,620

yes that was so much fun yeah right on

283

00:12:13,949 --> 00:12:11,709

the notes my god yeah so Ryan speaking

284

00:12:15,720 --> 00:12:13,959

of that you recently interviewed the

285

00:12:16,829 --> 00:12:15,730

actor who plays Reggie something afraid

286

00:12:19,619 --> 00:12:16,839

his name thank you

287

00:12:21,840 --> 00:12:19,629

yeah Brian Huskey yes so you know after

288

00:12:23,970 --> 00:12:21,850

the episode aired I just was like in

289

00:12:26,790 --> 00:12:23,980

stitches as I'm sure you guys were with

290

00:12:29,340 --> 00:12:26,800

his work on the episode it was just so

291

00:12:31,860 --> 00:12:29,350

good oh my god it was unbelievable to

292

00:12:34,319 --> 00:12:31,870

see him like implanted into these old

293

00:12:36,389 --> 00:12:34,329

episodes that we hold so dear to our

294

00:12:38,910 --> 00:12:36,399

hearts like my favorite part I would go

295

00:12:44,009 --> 00:12:38,920

fine on the couch yelling at the TV like

296

00:12:45,660 --> 00:12:44,019

spitting like I was watching so I

297

00:12:47,309 --> 00:12:45,670

immediately I'm not kidding you right

298

00:12:50,069 --> 00:12:47,319

after the episode I got on Twitter I

299

00:12:52,110 --> 00:12:50,079

found him and I tweeted to him I'm never

300

00:12:54,509 --> 00:12:52,120

gonna hear from him I'm like an hour

301

00:12:56,639 --> 00:12:54,519

later the dude Peart like DMS me on

302

00:12:59,759 --> 00:12:56,649

Twitter he's a I love podcasting let's

303

00:13:03,059 --> 00:12:59,769

do this oh oh my god he was so inviting

304

00:13:04,590 --> 00:13:03,069

we did it the next morning and Wow how

305

00:13:11,189 --> 00:13:04,600

much time do you have for me he's like

306

00:13:12,749 --> 00:13:11,199

whatever you need let's do it so cool

307

00:13:14,369 --> 00:13:12,759

that kind of happened with us and Dean

308

00:13:16,110 --> 00:13:14,379

Haglund - I just approached him on

309

00:13:17,910 --> 00:13:16,120

Facebook and he was like let's do it I

310

00:13:20,910 --> 00:13:17,920

know you you've interviewed Dean Haglund

311

00:13:23,610 --> 00:13:20,920

- all right so I have to okay

312

00:13:25,350 --> 00:13:23,620

story yeah confession time the only

313

00:13:30,960 --> 00:13:25,360

reason I interviewed Dean Haglund is

314

00:13:33,059 --> 00:13:30,970

because of you guys you're both

315

00:13:35,309 --> 00:13:33,069

trendsetters and I was riding your

316

00:13:37,379 --> 00:13:35,319

coattails I'm like wow this dude was

317

00:13:40,079 --> 00:13:37,389

like so accommodating and like this is

318

00:13:45,780 --> 00:13:40,089

so cool I'm gonna do a little copying

319

00:13:47,970 --> 00:13:45,790

here and I made sure I covered as long

320

00:13:50,249 --> 00:13:47,980

as there's more Dean Haglund in the

321

00:13:52,559 --> 00:13:50,259

universe I will never be upset shame

322

00:13:54,509 --> 00:13:52,569

yeah that's amazing like go and find

323

00:13:55,829 --> 00:13:54,519

that episode you guys I admit I that is

324

00:13:58,049 --> 00:13:55,839

one of yours that I haven't listened to

325

00:14:00,869 --> 00:13:58,059

you and I will have to do that same with

326

00:14:02,519 --> 00:14:00,879

you guys yeah I loved like I loved

327

00:14:04,439 --> 00:14:02,529

getting like a local perspective because

328

00:14:06,299 --> 00:14:04,449

he's kind of from where you guys are

329

00:14:08,910 --> 00:14:06,309

from right yeah he grew up in Vancouver

330

00:14:11,309 --> 00:14:08,920

right and he went to the University that

331

00:14:13,980 --> 00:14:11,319

we that I go to and where I work and

332

00:14:15,449 --> 00:14:13,990

that I write anyway

333

00:14:16,620 --> 00:14:15,459

he always has these connections with

334

00:14:19,530 --> 00:14:16,630

people like we

335

00:14:22,440 --> 00:14:19,540

me it was he lived in LA for a while so

336

00:14:24,240 --> 00:14:22,450

he he now comes back from Australia and

337

00:14:27,030 --> 00:14:24,250

gives these tours of all these old

338

00:14:28,560 --> 00:14:27,040

theatres in LA which is really cool

339

00:14:31,380 --> 00:14:28,570

because I walk by these theaters every

340

00:14:34,650 --> 00:14:31,390

day and now they're like a Men's

341

00:14:36,990 --> 00:14:34,660

Warehouse or in Urban Outfitters and soo

342

00:14:39,110 --> 00:14:37,000

sad but he'll come and give you the

343

00:14:41,670 --> 00:14:39,120

history of these things and as like a

344

00:14:43,440 --> 00:14:41,680

movie buff and a screenwriter like

345

00:14:45,300 --> 00:14:43,450

that's a dream come true for me so next

346

00:14:47,100 --> 00:14:45,310

time he's here I'm going on a personal

347

00:14:49,380 --> 00:14:47,110

tour with him so there you go guys

348

00:14:51,900 --> 00:14:49,390

a gentleman throwing through that is

349

00:14:53,640 --> 00:14:51,910

awesome we got so lucky with this

350

00:14:56,400 --> 00:14:53,650

pandemic yeah everybody involved this

351
00:14:59,040 --> 00:14:56,410
fandom is amazing and I will say like so

352
00:15:00,870 --> 00:14:59,050
my partner has a podcast on Buffy the

353
00:15:02,610 --> 00:15:00,880
Vampire Slayer and it's harder to reach

354
00:15:04,860 --> 00:15:02,620
people in that you know universe like

355
00:15:07,080 --> 00:15:04,870
you know actors and that not fandom but

356
00:15:09,360 --> 00:15:07,090
in that show it's harder to reach them

357
00:15:10,860 --> 00:15:09,370
it's harder to get them to you know sign

358
00:15:12,390 --> 00:15:10,870
on with you to do an interview or

359
00:15:15,420 --> 00:15:12,400
whatever and they they haven't really

360
00:15:19,140 --> 00:15:15,430
done it because wow it's just been maybe

361
00:15:22,230 --> 00:15:19,150
I don't know why I do wonder you know

362
00:15:24,150 --> 00:15:22,240
the Buffy was a much later than the

363
00:15:26,970 --> 00:15:24,160

x-files I'm correcting that right I'm

364

00:15:29,550 --> 00:15:26,980

trying to think about my it started a

365

00:15:31,650 --> 00:15:29,560

few years later but then right the bulk

366

00:15:33,570 --> 00:15:31,660

of the x-files and the bulk of Buffy

367

00:15:34,950 --> 00:15:33,580

were on simultaneously and it's actually

368

00:15:37,260 --> 00:15:34,960

kind of fun because in Buffy they'll

369

00:15:40,980 --> 00:15:37,270

make comments about the x-files x-files

370

00:15:43,800 --> 00:15:40,990

doesn't really make comm that reminds me

371

00:15:46,530 --> 00:15:43,810

a lot of how in the fight the future

372

00:15:49,020 --> 00:15:46,540

movie they literally piss on an

373

00:15:50,610 --> 00:15:49,030

independent state poster when an

374

00:15:52,920 --> 00:15:50,620

independent stayed there like fawning

375

00:15:56,010 --> 00:15:52,930

over the x-files Chris Carter nope I

376

00:15:57,810 --> 00:15:56,020

don't give a crap one of my favorite

377

00:15:58,830 --> 00:15:57,820

things in fight the future I always

378

00:16:19,230 --> 00:15:58,840

pointed out like especially if I'm

379

00:16:20,730 --> 00:16:19,240

watching I'm like mm dooby doo divvied

380

00:16:26,640 --> 00:16:20,740

up that I can't do it as well as they

381

00:16:28,290 --> 00:16:26,650

can they got paid a lot to do that so

382

00:16:29,400 --> 00:16:28,300

don't worry about it and they're still

383

00:16:30,390 --> 00:16:29,410

around yeah I know

384

00:16:33,030 --> 00:16:30,400

like what

385

00:16:36,210 --> 00:16:33,040

it's crazy they only got better with age

386

00:16:45,840 --> 00:16:36,220

you say yes I agree with that they don't

387

00:16:47,700 --> 00:16:45,850

look like little girls I remember when

388

00:16:50,670 --> 00:16:47,710

that first music video came out and I

389

00:16:54,570 --> 00:16:50,680

was like wow that lead singers kind of

390

00:16:59,670 --> 00:16:54,580

cute then I realized it was a guy many

391

00:17:01,800 --> 00:16:59,680

years later so three brothers oh that's

392

00:17:04,140 --> 00:17:01,810

not really the way I swing but oh well I

393

00:17:07,710 --> 00:17:04,150

would say that was you know 15 year old

394

00:17:10,690 --> 00:17:07,720

Ryan's first you know his first

395

00:17:12,890 --> 00:17:10,700

perception of his sexuality right there

396

00:17:17,460 --> 00:17:12,900

[Laughter]

397

00:17:27,870 --> 00:17:17,470

Wow okay so that's going in the

398

00:17:30,419 --> 00:17:27,880

description so that's an excuse a

399

00:17:32,910 --> 00:17:30,429

bargain for this kidding I feel special

400

00:17:39,060 --> 00:17:32,920

that you admitted that on our part wait

401
00:17:40,919 --> 00:17:39,070
and you're the great shall we get

402
00:17:42,390 --> 00:17:40,929
started I think we should okay let's do

403
00:17:44,340 --> 00:17:42,400
it do you want to read a description

404
00:17:47,790 --> 00:17:44,350
today we are going to be talking about

405
00:17:49,530 --> 00:17:47,800
ghuli season 11 episode 5 I have a

406
00:17:54,419 --> 00:17:49,540
description for you that means we're

407
00:17:57,000 --> 00:17:54,429
halfway through sorry know when a pair

408
00:17:59,000 --> 00:17:57,010
of teenage girls attack one another each

409
00:18:01,490 --> 00:17:59,010
believing the other to be a monster

410
00:18:03,780 --> 00:18:01,500
mulder and scully find that their

411
00:18:07,080 --> 00:18:03,790
investigation could possibly lead back

412
00:18:11,270 --> 00:18:07,090
to their long-lost son William and it

413
00:18:17,930 --> 00:18:15,630

so I don't know what to start talking

414

00:18:20,730 --> 00:18:17,940

about in this episode but the whole

415

00:18:22,470 --> 00:18:20,740

ghuli thing we talked about the name

416

00:18:24,540 --> 00:18:22,480

first and then like get into that a

417

00:18:27,690 --> 00:18:24,550

little bit yes please so this is a

418

00:18:31,440 --> 00:18:27,700

episode just predicated on legends and

419

00:18:34,049 --> 00:18:31,450

what's real what's not real and the

420

00:18:36,900 --> 00:18:34,059

people's perceptions and was it last

421

00:18:39,000 --> 00:18:36,910

week that we had memory memory and this

422

00:18:40,560 --> 00:18:39,010

week it's perceptions yeah oh I'm sorry

423

00:18:42,480 --> 00:18:40,570

I forgot what to do one thing written

424

00:18:44,130 --> 00:18:42,490

and directed by James Wong the great

425

00:18:45,570 --> 00:18:44,140

long I felt that something

426

00:18:48,420 --> 00:18:45,580

was missing thankfully you said that

427

00:18:51,630 --> 00:18:48,430

that's it that was the thing yes so yeah

428

00:18:54,600 --> 00:18:51,640

so this character ghuli has a life on

429

00:18:56,520 --> 00:18:54,610

the internet like in the show or not in

430

00:18:59,490 --> 00:18:56,530

the show no they actually there is a

431

00:19:01,800 --> 00:18:59,500

[h__h] dotnet that's what I wanted to

432

00:19:03,990 --> 00:19:01,810

get into for that and the whole

433

00:19:07,070 --> 00:19:04,000

Slenderman connection in a moment oh oh

434

00:19:09,750 --> 00:19:07,080

oh what I didn't know you were going now

435

00:19:15,300 --> 00:19:09,760

twists and turns I only want you to see

436

00:19:18,930 --> 00:19:15,310

what I want you to see okay Vanessa nice

437

00:19:21,060 --> 00:19:18,940

reference are you ghuli I'm no I'm for

438

00:19:24,900 --> 00:19:21,070

reals you it's just that that's what she

439

00:19:27,380 --> 00:19:24,910

says yeah I lost I say this to everybody

440

00:19:31,800 --> 00:19:27,390

now and they're like excuse me you are

441

00:19:35,460 --> 00:19:31,810

you're in a CVS right now please just

442

00:19:37,710 --> 00:19:35,470

take your prescription leave okay yeah

443

00:19:40,740 --> 00:19:37,720

so there was a did you check out the

444

00:19:43,560 --> 00:19:40,750

website right yeah so I had no idea that

445

00:19:45,090 --> 00:19:43,570

they created that website first of all I

446

00:19:47,670 --> 00:19:45,100

thought that was like an actual urban

447

00:19:49,230 --> 00:19:47,680

legend like Slenderman so I think a few

448

00:19:50,670 --> 00:19:49,240

people did like a few people thought

449

00:19:53,070 --> 00:19:50,680

that it was a tweet or somebody was in

450

00:19:54,930 --> 00:19:53,080

the in the fandom oh yeah hook line is

451

00:19:57,780 --> 00:19:54,940

sinker I fell for it yeah it's so

452

00:19:59,340 --> 00:19:57,790

amazing so for those of you for those

453

00:20:01,650 --> 00:19:59,350

listeners who don't know there is a

454

00:20:06,060 --> 00:20:01,660

website called goo that's on ghuli

455

00:20:08,310 --> 00:20:06,070

dotnet and it basically has like it's

456

00:20:10,650 --> 00:20:08,320

like a modern urban legend site it has

457

00:20:12,060 --> 00:20:10,660

like drawings of this ghuli character

458

00:20:14,850 --> 00:20:12,070

and has like a whole list where people

459

00:20:17,190 --> 00:20:14,860

can write down what they've seen there

460

00:20:19,290 --> 00:20:17,200

are legit like screenshots from other

461

00:20:21,330 --> 00:20:19,300

x-files episodes in there are there

462

00:20:23,220 --> 00:20:21,340

really I didn't know so like there's

463

00:20:25,200 --> 00:20:23,230

this whole this hope this one called

464

00:20:30,030 --> 00:20:25,210

sighting in a lab which is a picture for

465

00:20:33,120 --> 00:20:30,040

more of the copper pages well I think

466

00:20:35,960 --> 00:20:33,130

you can actually can people put in their

467

00:20:38,820 --> 00:20:35,970

own I think you can submit things to it

468

00:20:43,470 --> 00:20:38,830

was hilarious and I loved it

469

00:20:47,180 --> 00:20:43,480

oh yeah oh my god that is so funny so

470

00:20:49,410 --> 00:20:47,190

people have been like really proud of

471

00:20:50,760 --> 00:20:49,420

episodes and stuff that's so good and

472

00:20:51,210 --> 00:20:50,770

there's probably like fan art on here

473

00:20:53,550 --> 00:20:51,220

too

474

00:20:56,700 --> 00:20:53,560

oh my gosh like that which is what I

475

00:20:57,539 --> 00:20:56,710

love about this is like it's so the

476

00:20:59,279 --> 00:20:57,549

x-files

477

00:21:01,289 --> 00:20:59,289

yeah because in the beginning like x1

478

00:21:05,159 --> 00:21:01,299

that internet was in its infancy yes

479

00:21:06,389 --> 00:21:05,169

when X Files X file with a pH when went

480

00:21:09,119 --> 00:21:06,399

onto the internet so like talk to other

481

00:21:11,909 --> 00:21:09,129

fans and Chris Carter trolled those

482

00:21:13,080 --> 00:21:11,919

sites and got ideas for the story so

483

00:21:14,369 --> 00:21:13,090

this is kind of one of those ripped from

484

00:21:16,799 --> 00:21:14,379

the headlines ripped from the internet

485

00:21:19,200 --> 00:21:16,809

kind of story so I love it yeah I agree

486

00:21:21,450 --> 00:21:19,210

I think it's the expose always did that

487

00:21:23,850 --> 00:21:21,460

so well of listening to their fans and

488

00:21:26,789 --> 00:21:23,860

we know you know Dean Haglund mentions

489

00:21:29,039 --> 00:21:26,799

it and even Carter that they made

490

00:21:31,560 --> 00:21:29,049

episodes directly from fan suggestions

491

00:21:33,539 --> 00:21:31,570

so that's so cool and I'm glad they're

492

00:21:34,739 --> 00:21:33,549

still doing that it's great like

493

00:21:37,859 --> 00:21:34,749

especially in these days when the

494

00:21:39,810 --> 00:21:37,869

internet so ubiquitous yeah other other

495

00:21:41,999 --> 00:21:39,820

TV shows like you know can't ignore it

496

00:21:43,619 --> 00:21:42,009

so I'm glad they started that other Navy

497

00:21:46,889 --> 00:21:43,629

shows can't ignore the Internet

498

00:21:49,409 --> 00:21:46,899

oh yeah yeah yeah you know totally I

499

00:21:50,519 --> 00:21:49,419

can't ignore it either it's like it's a

500

00:21:53,729 --> 00:21:50,529

space twentyforseven

501
00:21:55,349 --> 00:21:53,739
constantly no I'm serious like the only

502
00:21:57,149 --> 00:21:55,359
time I'm like not on the Internet I

503
00:21:59,789 --> 00:21:57,159
swear is when I'm in bed like I use it

504
00:22:01,830 --> 00:21:59,799
for work I use it to drive places it's

505
00:22:03,749 --> 00:22:01,840
speaking of that I did I have to ask you

506
00:22:06,239 --> 00:22:03,759
guys a question is it still weird for

507
00:22:09,269 --> 00:22:06,249
you to seem older with like a smartphone

508
00:22:22,289 --> 00:22:09,279
or like on the Internet god I just can't

509
00:22:23,669 --> 00:22:22,299
get used to it I'm a darknet I will say

510
00:22:25,109 --> 00:22:23,679
though like some people have been like

511
00:22:26,609 --> 00:22:25,119
you know you know he's getting old man

512
00:22:29,669 --> 00:22:26,619
and I'm like yeah of course he's aged

513
00:22:31,499 --> 00:22:29,679

but like there were a couple shots in

514

00:22:33,299 --> 00:22:31,509

this episode where he didn't look that

515

00:22:35,249 --> 00:22:33,309

much different than young Mulder yeah

516

00:22:36,869 --> 00:22:35,259

and I was like wow like I really feel

517

00:22:38,909 --> 00:22:36,879

like I'm being kind of propelled back in

518

00:22:40,710 --> 00:22:38,919

time sometimes like it's pretty cool I

519

00:22:42,840 --> 00:22:40,720

do love how they like just for like okay

520

00:22:44,700 --> 00:22:42,850

Mulder what a smolder you know really

521

00:22:46,259 --> 00:22:44,710

did age and then is really talking like

522

00:22:47,220 --> 00:22:46,269

this and it's like yeah that's what he

523

00:22:49,379 --> 00:22:47,230

would be like that's what he would be

524

00:22:50,909 --> 00:22:49,389

like so like I enjoy that yeah I like

525

00:22:53,159 --> 00:22:50,919

that they didn't try to make him to like

526

00:22:54,960 --> 00:22:53,169

you know technology forward yeah you

527

00:22:56,879 --> 00:22:54,970

think that would have been not not in

528

00:22:59,580 --> 00:22:56,889

keeping this character at all he's never

529

00:23:02,009 --> 00:22:59,590

been a Langley it's true so why would

530

00:23:03,450 --> 00:23:02,019

you suddenly make him one yeah yeah so

531

00:23:05,609 --> 00:23:03,460

can we talk about a little real-life

532

00:23:07,460 --> 00:23:05,619

connection here with the Slenderman

533

00:23:10,070 --> 00:23:07,470

killing yeah

534

00:23:12,860 --> 00:23:10,080

so the killings that happened in real

535

00:23:13,970 --> 00:23:12,870

life yeah oh it's creepy right it's

536

00:23:16,249 --> 00:23:13,980

creepy and sad

537

00:23:19,070 --> 00:23:16,259

yeah for sure Ryan do you know anything

538

00:23:20,779 --> 00:23:19,080

about this yeah so I mean I I've been

539

00:23:22,789 --> 00:23:20,789

following this Slenderman thing for a

540

00:23:26,119 --> 00:23:22,799

while I remember I was in New York and I

541

00:23:28,850 --> 00:23:26,129

was I'm primarily a playwright that's

542

00:23:31,999 --> 00:23:28,860

like where my my heart truly is and I

543

00:23:33,740 --> 00:23:32,009

was in a play Reading Festival where one

544

00:23:36,019 --> 00:23:33,750

of my horror plays was getting done and

545

00:23:37,789 --> 00:23:36,029

there was a play about the play horror

546

00:23:42,139 --> 00:23:37,799

plays it's a thing if you could believe

547

00:23:46,100 --> 00:23:42,149

it so I'm you're saying like don't stop

548

00:23:48,080 --> 00:23:46,110

talking I wish you guys were in New York

549

00:23:50,659 --> 00:23:48,090

like a month couple months ago I had my

550

00:23:55,730 --> 00:23:50,669

my play about Jack the Ripper was going

551
00:23:57,799 --> 00:23:55,740
on there anyways amazing yeah I'll be

552
00:23:59,539 --> 00:23:57,809
there for the West Coast opening in

553
00:24:03,230 --> 00:23:59,549
Vancouver that's right it's gonna be

554
00:24:04,700 --> 00:24:03,240
here right continental wink wink if you

555
00:24:07,340 --> 00:24:04,710
know any theatre companies he let me

556
00:24:10,879 --> 00:24:07,350
know but yeah there was like a short

557
00:24:13,070 --> 00:24:10,889
5-minute play about this tall faceless

558
00:24:15,169 --> 00:24:13,080
man that was following these children

559
00:24:17,509 --> 00:24:15,179
around and it terrified me I had no idea

560
00:24:19,430 --> 00:24:17,519
that this was an online urban legend I

561
00:24:21,860 --> 00:24:19,440
thought this playwright had completely

562
00:24:23,240 --> 00:24:21,870
made this up in his own head so then I

563
00:24:26,180 --> 00:24:23,250

started doing all this research online

564

00:24:28,279 --> 00:24:26,190

and seeing all the like kind of blurry

565

00:24:30,649 --> 00:24:28,289

photos I'm like wait a second it's like

566

00:24:33,230 --> 00:24:30,659

a real phenomenon and then the more I

567

00:24:35,419 --> 00:24:33,240

learned about creepypasta and like went

568

00:24:37,249 --> 00:24:35,429

down that rabbit hole I was like whoa

569

00:24:39,320 --> 00:24:37,259

and then when they stock you mentioned

570

00:24:41,029 --> 00:24:39,330

when when the the killings the actual

571

00:24:42,379 --> 00:24:41,039

killings with these young girls happen

572

00:24:44,749 --> 00:24:42,389

right then and there I'm like all right

573

00:24:47,360 --> 00:24:44,759

this is a moment in time where the

574

00:24:50,119 --> 00:24:47,370

Internet you know as it has many times

575

00:24:53,269 --> 00:24:50,129

before has directly impacted people and

576

00:24:55,009 --> 00:24:53,279

caused death so I mean it's terrifying

577

00:24:56,210 --> 00:24:55,019

to think about that it's terrifying to

578

00:24:59,840 --> 00:24:56,220

think about the fact that the internet

579

00:25:02,539 --> 00:24:59,850

almost like reaches out to us in those

580

00:25:04,039 --> 00:25:02,549

ways like you know or the urban legends

581

00:25:05,869 --> 00:25:04,049

that are on the Internet reach out from

582

00:25:07,460 --> 00:25:05,879

the internet towards us like sometimes

583

00:25:09,440 --> 00:25:07,470

there's this you know there's there's

584

00:25:12,740 --> 00:25:09,450

been an ethical discussion about this

585

00:25:15,799 --> 00:25:12,750

for a while now like what is real what

586

00:25:16,999 --> 00:25:15,809

is not like our kids going to think that

587

00:25:18,440 --> 00:25:17,009

some things are real that they see on

588

00:25:19,919 --> 00:25:18,450

the internet but they're not really you

589

00:25:22,680 --> 00:25:19,929

know fake news

590

00:25:25,019 --> 00:25:22,690

I actually just saw a article about a

591

00:25:27,029 --> 00:25:25,029

high school and I think it was in New

592

00:25:29,190 --> 00:25:27,039

York where they had a class on fake news

593

00:25:32,070 --> 00:25:29,200

like how to spot fake news good like

594

00:25:34,200 --> 00:25:32,080

what is a real source like I am so happy

595

00:25:36,359 --> 00:25:34,210

to my face all the time like Wikipedia

596

00:25:40,019 --> 00:25:36,369

is okay to look at but don't you dare

597

00:25:41,940 --> 00:25:40,029

quote that yeah right so Carolyn tell us

598

00:25:43,799 --> 00:25:41,950

a little bit about these killings that

599

00:25:46,139 --> 00:25:43,809

Ryan just mentioned oh yeah well he

600

00:25:49,769 --> 00:25:46,149

pretty much got it there was - there was

601
00:25:52,919 --> 00:25:49,779
a sixteen-year-old girl and another girl

602
00:25:54,869 --> 00:25:52,929
who attacked a twelve-year-old I believe

603
00:25:59,489 --> 00:25:54,879
so yeah yeah I think all deserve her

604
00:26:02,580 --> 00:25:59,499
yeah she yeah and I just hear that the

605
00:26:04,109 --> 00:26:02,590
trial just finished did it yeah that

606
00:26:07,669 --> 00:26:04,119
happened a few years ago though didn't

607
00:26:11,039 --> 00:26:07,679
it the trial finished in December yeah

608
00:26:13,950 --> 00:26:11,049
yeah I guess trials can like they can be

609
00:26:16,710 --> 00:26:13,960
kind of drawn out sometimes yeah she the

610
00:26:18,960 --> 00:26:16,720
sixteen-year-old received 25 years in a

611
00:26:23,519 --> 00:26:18,970
psychiatric institution well that's yeah

612
00:26:25,680 --> 00:26:23,529
good honestly I mean super hard to

613
00:26:26,970 --> 00:26:25,690

believe that right and they made a

614

00:26:29,039 --> 00:26:26,980

documentary about it where they

615

00:26:30,299 --> 00:26:29,049

Chronicle like the parents lives after

616

00:26:32,879 --> 00:26:30,309

this all happened and it was

617

00:26:34,980 --> 00:26:32,889

heartbreaking oh I bet you know cuz

618

00:26:36,720 --> 00:26:34,990

everyone of course blames the parents

619

00:26:38,850 --> 00:26:36,730

for not being there for neglecting the

620

00:26:41,759 --> 00:26:38,860

children and causing this to happen and

621

00:26:44,100 --> 00:26:41,769

that's a huge can of worms we don't want

622

00:26:46,169 --> 00:26:44,110

to open right now but like no I think

623

00:26:47,820 --> 00:26:46,179

it's pretty unfair though I think it's

624

00:26:48,749 --> 00:26:47,830

pretty unfair anyway it's more

625

00:26:51,779 --> 00:26:48,759

complicated than that

626

00:26:54,659 --> 00:26:51,789

exactly exactly so this is just such a

627

00:26:57,869 --> 00:26:54,669

just a tragic thing and you know here we

628

00:26:59,129 --> 00:26:57,879

see it now entering into the x-files so

629

00:27:02,190 --> 00:26:59,139

well the expose has always been pretty

630

00:27:02,850 --> 00:27:02,200

timely with sort of the things going on

631

00:27:05,249 --> 00:27:02,860

in the world

632

00:27:07,109 --> 00:27:05,259

yeah at the time of their production do

633

00:27:11,489 --> 00:27:07,119

you want I do want to get into what

634

00:27:13,440 --> 00:27:11,499

Williams like mindset was when he these

635

00:27:15,029 --> 00:27:13,450

events into motion maybe she could get

636

00:27:17,399 --> 00:27:15,039

back to that when we start talking about

637

00:27:20,700 --> 00:27:17,409

him later in the toilet but yeah so the

638

00:27:23,489 --> 00:27:20,710

this episode opens up I guess on this on

639

00:27:26,310 --> 00:27:23,499

the girls going to you know find each

640

00:27:27,330 --> 00:27:26,320

other and attack Ghoulie they both think

641

00:27:28,310 --> 00:27:27,340

they're looking for googly we don't know

642

00:27:31,440 --> 00:27:28,320

what they're doing at the time which is

643

00:27:32,920 --> 00:27:31,450

x-files cold opens are like the best

644

00:27:35,320 --> 00:27:32,930

cold opens I've ever

645

00:27:37,330 --> 00:27:35,330

and every other TV show that want like

646

00:27:39,610 --> 00:27:37,340

should take a note from their playbook

647

00:27:41,560 --> 00:27:39,620

think they're cold opens are so good I

648

00:27:42,490 --> 00:27:41,570

think a lot of TV shows have tried yeah

649

00:27:47,620 --> 00:27:42,500

yeah

650

00:27:50,740 --> 00:27:47,630

keep trying it's okay because it just

651
00:27:52,390 --> 00:27:50,750
opens up in a creepy location to people

652
00:27:53,950 --> 00:27:52,400
you don't know either day they're doing

653
00:27:56,680 --> 00:27:53,960
something totally out of the ordinary

654
00:27:57,820 --> 00:27:56,690
like how do you not like want to just

655
00:28:00,820 --> 00:27:57,830
watch the whole show after that

656
00:28:02,320 --> 00:28:00,830
seriously like I can't Ryan you've done

657
00:28:03,610 --> 00:28:02,330
screenwriting is that right as well as

658
00:28:05,440 --> 00:28:03,620
playwriting hmm

659
00:28:08,560 --> 00:28:05,450
what do you feel about that technique

660
00:28:10,960 --> 00:28:08,570
yeah so I mean this one was a little I

661
00:28:13,600 --> 00:28:10,970
will admit a little different from a lot

662
00:28:14,470 --> 00:28:13,610
of x-files in terms of like the

663
00:28:16,870 --> 00:28:14,480

cold-open

664

00:28:18,220 --> 00:28:16,880

has very little to do what plays out

665

00:28:21,190 --> 00:28:18,230

with the rest of the episode which is

666

00:28:23,890 --> 00:28:21,200

kind of rare for x-files usually the

667

00:28:25,990 --> 00:28:23,900

cold-open is like are thrust into the

668

00:28:28,860 --> 00:28:26,000

world of what we're going to now see yes

669

00:28:31,750 --> 00:28:28,870

it tied into it a lot intrinsically but

670

00:28:34,630 --> 00:28:31,760

ghuli the actual monster as I'm sure

671

00:28:37,120 --> 00:28:34,640

we'll get into really was not a big part

672

00:28:39,220 --> 00:28:37,130

of all this I thought this was gonna be

673

00:28:41,950 --> 00:28:39,230

our first monster of the week of this

674

00:28:45,730 --> 00:28:41,960

season and it kind of was kind of wasn't

675

00:28:49,570 --> 00:28:45,740

but you are correct in that the x-files

676
00:28:52,299 --> 00:28:49,580
of any other show they know how to that

677
00:28:54,250 --> 00:28:52,309
hook you know whether it's a movie a TV

678
00:28:55,840 --> 00:28:54,260
show or a play like you got to get

679
00:28:58,330 --> 00:28:55,850
people within the first five minutes or

680
00:29:00,549 --> 00:28:58,340
they are tuning out and they're gone so

681
00:29:03,130 --> 00:29:00,559
they they knew how to do that week after

682
00:29:05,440 --> 00:29:03,140
week after week and I'm you know the

683
00:29:09,220 --> 00:29:05,450
best ones in my opinion is fight the

684
00:29:11,320 --> 00:29:09,230
future yeah oh my gosh that is like I

685
00:29:13,540 --> 00:29:11,330
mean if that doesn't hook you into that

686
00:29:16,330 --> 00:29:13,550
movie I don't know what would you mean

687
00:29:18,040 --> 00:29:16,340
the cavemen yeah yeah yeah with the kid

688
00:29:23,590 --> 00:29:18,050

I mean yeah the caveman is one thing but

689

00:29:26,950 --> 00:29:23,600

they give me some sweet caveman footage

690

00:29:29,830 --> 00:29:26,960

any day of the week when the kid

691

00:29:31,660 --> 00:29:29,840

actually ended up kid falls down and

692

00:29:35,110 --> 00:29:31,670

then like he looks up at his eyes turned

693

00:29:36,610 --> 00:29:35,120

black and you're like yep pretty much

694

00:29:39,630 --> 00:29:36,620

yeah no that's what I mostly bet not

695

00:29:42,480 --> 00:29:39,640

that I'm sorry I'm into your ear there

696

00:29:44,620 --> 00:29:42,490

poor Ryan does it mean the movie theater

697

00:29:46,630 --> 00:29:44,630

oh yeah

698

00:29:49,840 --> 00:29:46,640

no yeah I mean you're like I'm in the

699

00:29:51,850 --> 00:29:49,850

room with you guys this is awesome I

700

00:29:53,320 --> 00:29:51,860

hope actually we've had people tell us

701
00:29:54,490 --> 00:29:53,330
that that's what it feels like when they

702
00:29:56,740 --> 00:29:54,500
listen to our podcast which is really

703
00:29:58,720 --> 00:29:56,750
funny that's what a podcast is if it

704
00:30:01,990 --> 00:29:58,730
wasn't it would be broadcasting and

705
00:30:04,600 --> 00:30:02,000
that's boring true broadcasting has its

706
00:30:09,880 --> 00:30:04,610
own you know its own place yeah

707
00:30:12,040 --> 00:30:09,890
shout-out to CBC I love them CBC shows

708
00:30:13,480 --> 00:30:12,050
oh yeah NPR totally there are some CBC

709
00:30:15,070 --> 00:30:13,490
shows that they only play on the radio

710
00:30:17,560 --> 00:30:15,080
and NPR shows too that they only play on

711
00:30:20,230 --> 00:30:17,570
the radio that could be podcasts like

712
00:30:24,880 --> 00:30:20,240
they're just yeah can listen to them

713
00:30:26,860 --> 00:30:24,890

anytime anyway what should we get into

714

00:30:29,110 --> 00:30:26,870

the actual episode episode these tricked

715

00:30:30,400 --> 00:30:29,120

us into having a mythology episode by

716

00:30:33,520 --> 00:30:30,410

using this great cold-open

717

00:30:36,010 --> 00:30:33,530

yeah well yeah and there's been

718

00:30:38,560 --> 00:30:36,020

mythology throughout almost all of these

719

00:30:42,130 --> 00:30:38,570

episodes so far I mean in this maybe

720

00:30:44,380 --> 00:30:42,140

there wasn't so much and in lost art of

721

00:30:46,510 --> 00:30:44,390

forehead sweat there wasn't a ton of

722

00:30:52,540 --> 00:30:46,520

mythology either I still don't even know

723

00:30:54,070 --> 00:30:52,550

how much of that is you know they could

724

00:30:56,560 --> 00:30:54,080

have put it anywhere I think in this

725

00:30:58,210 --> 00:30:56,570

season that's very true and that's the

726
00:30:59,920 --> 00:30:58,220
best thing about Darin Morgan episodes

727
00:31:02,050 --> 00:30:59,930
you know it doesn't matter just just

728
00:31:04,080 --> 00:31:02,060
drop it in parachute it in wherever you

729
00:31:06,610 --> 00:31:04,090
want big ratings and a lot of

730
00:31:07,900 --> 00:31:06,620
controversy and you're good to go it's

731
00:31:10,030 --> 00:31:07,910
true at the same time we've talked about

732
00:31:12,040 --> 00:31:10,040
the fact that Darren Morgan

733
00:31:14,350 --> 00:31:12,050
probably knows at least Mulder and

734
00:31:16,030 --> 00:31:14,360
Scully better than anybody except for

735
00:31:17,440 --> 00:31:16,040
Chris Carter oh yeah sure

736
00:31:19,840 --> 00:31:17,450
so even though he doesn't really write

737
00:31:21,610 --> 00:31:19,850
mythology heavy episodes he's still like

738
00:31:23,620 --> 00:31:21,620

really knows what's up yeah say the

739

00:31:28,270 --> 00:31:23,630

Morgan brothers and yeah course mr. Wong

740

00:31:29,140 --> 00:31:28,280

yeah anyway everything so we have my

741

00:31:32,800 --> 00:31:29,150

trouble three which is obviously

742

00:31:35,110 --> 00:31:32,810

mythology this didn't really have well

743

00:31:39,670 --> 00:31:35,120

or it's that episode that doesn't exist

744

00:31:49,900 --> 00:31:39,680

yeah like okay it's like the

745

00:31:51,640 --> 00:31:49,910

hypothetical future episode yeah this

746

00:31:54,130 --> 00:31:51,650

didn't really have very much mythology

747

00:31:55,000 --> 00:31:54,140

and then what was number three plus plus

748

00:31:57,340 --> 00:31:55,010

more

749

00:31:57,880 --> 00:31:57,350

yeah okay so there we get a little bit

750

00:31:59,950 --> 00:31:57,890

more into the

751
00:32:04,660 --> 00:31:59,960
right the mythology of shipping I mean

752
00:32:07,150 --> 00:32:04,670
yes of course so I watched that episode

753
00:32:09,010 --> 00:32:07,160
I was back home in New York during plus

754
00:32:11,620 --> 00:32:09,020
one and I watched that episode with my

755
00:32:14,590 --> 00:32:11,630
parents and at the end of the episode

756
00:32:16,270 --> 00:32:14,600
I'm like sitting there okay I'm 33 like

757
00:32:19,120 --> 00:32:16,280
I shouldn't get embarrassed when like

758
00:32:26,770 --> 00:32:19,130
sex scenes come on TV but I'm with my

759
00:32:32,830 --> 00:32:26,780
parents and I'm like that is the best

760
00:32:37,240 --> 00:32:35,500
so they I wasn't allowed to watch it

761
00:32:39,130 --> 00:32:37,250
when I was younger because it was tough

762
00:32:41,080 --> 00:32:39,140
carry and we've heard that from other

763
00:32:42,669 --> 00:32:41,090

people too yeah yeah yeah it was just me

764

00:32:45,310 --> 00:32:42,679

and Carolyn who you know went behind our

765

00:32:47,190 --> 00:32:45,320

parents backs yeah yeah yeah my mom

766

00:32:49,960 --> 00:32:47,200

found out about later she's not happy

767

00:32:51,909 --> 00:32:49,970

but when my like huge obsession with

768

00:32:54,010 --> 00:32:51,919

UFOs started they're like alright maybe

769

00:32:54,610 --> 00:32:54,020

we need somewhere for him to focus that

770

00:32:57,070 --> 00:32:54,620

energy

771

00:32:59,470 --> 00:32:57,080

let's just let's let him watch the show

772

00:33:01,690 --> 00:32:59,480

and live in this fantasy world for Lulu

773

00:33:04,570 --> 00:33:01,700

can I ask you something absolutely

774

00:33:06,280 --> 00:33:04,580

okay so when I was like 13 and was

775

00:33:09,909 --> 00:33:06,290

starting to watch the x-files I got

776

00:33:12,700 --> 00:33:09,919

really into 311 the band he because they

777

00:33:14,350 --> 00:33:12,710

had that one album where they like it's

778

00:33:16,210 --> 00:33:14,360

like the alien on the front or whatever

779

00:33:18,010 --> 00:33:16,220

yeah yeah and like do you know what I'm

780

00:33:20,080 --> 00:33:18,020

talking about yeah the the alien head

781

00:33:21,250 --> 00:33:20,090

the big yep yeah and then there's a

782

00:33:23,320 --> 00:33:21,260

picture of them like in the little

783

00:33:24,970 --> 00:33:23,330

booklet because you know CDs for those

784

00:33:27,820 --> 00:33:24,980

listening who don't know what a CD is

785

00:33:29,230 --> 00:33:27,830

CDs would come with you know like CD

786

00:33:30,820 --> 00:33:29,240

albums would come with little like

787

00:33:32,020 --> 00:33:30,830

booklets of pictures and lyrics and

788

00:33:33,190 --> 00:33:32,030

stuff anyway and there was a picture of

789

00:33:35,049 --> 00:33:33,200

them where they had like I make up to

790

00:33:37,210 --> 00:33:35,059

make them look like alien eyes mm-hmm

791

00:33:38,830 --> 00:33:37,220

okay I was hoping that maybe you would

792

00:33:42,190 --> 00:33:38,840

be like yeah I was totally into that oh

793

00:33:44,530 --> 00:33:42,200

god I love 311 for okay good yeah I mean

794

00:33:46,240 --> 00:33:44,540

there were so many bad like that's the

795

00:33:48,700 --> 00:33:46,250

other big thing what's the x-files hit

796

00:33:50,980 --> 00:33:48,710

pop culture like everyone tried to get

797

00:33:53,950 --> 00:33:50,990

on that alien train like every band was

798

00:33:56,860 --> 00:33:53,960

using like alien imagery or like

799

00:33:58,960 --> 00:33:56,870

computers were now had you know aliens

800

00:34:02,110 --> 00:33:58,970

on them every commercial had UFOs in

801
00:34:04,450 --> 00:34:02,120
them it really exploded in the early 90s

802
00:34:06,640 --> 00:34:04,460
when that's true x-files came around but

803
00:34:10,389 --> 00:34:06,650
yeah that that album I remember it

804
00:34:13,389 --> 00:34:10,399
distinctly I owned it and I def

805
00:34:14,529 --> 00:34:13,399
jump on my wall yeah because I went

806
00:34:16,180 --> 00:34:14,539
through I mean I still find it

807
00:34:18,099 --> 00:34:16,190
fascinating but I went through a phase

808
00:34:19,569 --> 00:34:18,109
where I was really fascinated with UFOs

809
00:34:21,639 --> 00:34:19,579
and so that was about the same time that

810
00:34:24,129 --> 00:34:21,649
I was watching x-files and stuff so yeah

811
00:34:26,649 --> 00:34:24,139
yeah it's funny how those things run in

812
00:34:28,169 --> 00:34:26,659
tandem and it's yet to leave my life so

813
00:34:31,180 --> 00:34:28,179

I don't see that happening anytime soon

814

00:34:33,309 --> 00:34:31,190

so that would be your x-files story is

815

00:34:34,720 --> 00:34:33,319

that you were into UFOs and your parents

816

00:34:37,899 --> 00:34:34,730

then let you watch the x-files

817

00:34:40,869 --> 00:34:37,909

yes so well I I had okay so another

818

00:34:44,169 --> 00:34:40,879

another confessional time I had a UFO

819

00:34:45,819 --> 00:34:44,179

sighting when I was 12 I was 12 years it

820

00:34:47,589 --> 00:34:45,829

right I was actually I actually had a

821

00:34:48,879 --> 00:34:47,599

note to ask you about that is this a

822

00:34:51,430 --> 00:34:48,889

good time to talk about that Vanessa

823

00:34:52,960 --> 00:34:51,440

sure yes since we're talking about like

824

00:34:54,789 --> 00:34:52,970

we're talking about ghuli we're talking

825

00:34:56,440 --> 00:34:54,799

about like what we've seen and what we

826

00:34:57,069 --> 00:34:56,450

people want us to see I would love to

827

00:34:58,960 --> 00:34:57,079

hear this story

828

00:34:59,920 --> 00:34:58,970

sure yeah yes long as you guys are cool

829

00:35:04,529 --> 00:34:59,930

with it I don't want to get too

830

00:35:09,579 --> 00:35:06,910

you know what that's true what this is

831

00:35:13,079 --> 00:35:09,589

the perfect podcast for that thank you

832

00:35:17,589 --> 00:35:15,010

we're giving each other high-fives over

833

00:35:20,319 --> 00:35:17,599

the table so yeah when I was 12 years

834

00:35:22,569 --> 00:35:20,329

old I had a UFO sighting in upstate New

835

00:35:24,220 --> 00:35:22,579

York over a body of water it was a

836

00:35:27,490 --> 00:35:24,230

triangular formation

837

00:35:30,160 --> 00:35:27,500

I did not see like a craft like

838

00:35:31,599 --> 00:35:30,170

machinery but it was like distinctly

839

00:35:33,160 --> 00:35:31,609

three white lights in a triangular

840

00:35:35,650 --> 00:35:33,170

formation and I couldn't see anything

841

00:35:39,339 --> 00:35:35,660

behind it like Stars or the moon or

842

00:35:42,609 --> 00:35:39,349

anything so I was terrified it made no

843

00:35:43,960 --> 00:35:42,619

noise and I start screaming for my dad

844

00:35:46,210 --> 00:35:43,970

to come out and look at this thing and

845

00:35:48,069 --> 00:35:46,220

he actually does he runs out and he sees

846

00:35:50,109 --> 00:35:48,079

the tail end of it as it's going over

847

00:35:53,319 --> 00:35:50,119

the water and heading towards the the

848

00:35:54,609 --> 00:35:53,329

Canadian border actually and even the

849

00:35:56,559 --> 00:35:54,619

aliens are like now we're not gonna stay

850

00:35:59,620 --> 00:35:56,569

down in that we're coming to Canada

851

00:36:05,049 --> 00:35:59,630

let's go to Canada let's go get some

852

00:36:07,210 --> 00:36:05,059

free health care Wow so your dad sought

853

00:36:08,260 --> 00:36:07,220

to yeah so we saw the tail end of it and

854

00:36:10,779 --> 00:36:08,270

he was like oh it's just a plane

855

00:36:13,059 --> 00:36:10,789

whatever but I like I'd seen this thing

856

00:36:16,450 --> 00:36:13,069

directly over my head and it was silent

857

00:36:18,390 --> 00:36:16,460

it made no noise it like I never know

858

00:36:21,640 --> 00:36:18,400

how to describe this but it like

859

00:36:23,970 --> 00:36:21,650

vibrated my body whatever the hell that

860

00:36:26,370 --> 00:36:23,980

means I could feel like my

861

00:36:29,010 --> 00:36:26,380

organs like just shaking it and maybe I

862

00:36:31,020 --> 00:36:29,020

was like just adrenaline or whatever but

863

00:36:34,500 --> 00:36:31,030

it like whatever that thing was it was

864

00:36:36,810 --> 00:36:34,510

like physiologically affecting me so wow

865

00:36:38,400 --> 00:36:36,820

I don't know I I still don't know what

866

00:36:40,140 --> 00:36:38,410

to make of it I have no idea what it was

867

00:36:42,330 --> 00:36:40,150

maybe it was a plane maybe it was like

868

00:36:44,700 --> 00:36:42,340

some top-secret saying I don't know but

869

00:36:47,760 --> 00:36:44,710

it definitely like sent me on a path to

870

00:36:49,290 --> 00:36:47,770

take out books on UFOs and like enquire

871

00:36:52,440 --> 00:36:49,300

with people if they'd ever seen anything

872

00:36:54,599 --> 00:36:52,450

it was 12 at the time so I'm like going

873

00:36:56,880 --> 00:36:54,609

around like I'm working for the the

874

00:36:57,660 --> 00:36:56,890

newspaper and like what did you see what

875

00:37:01,050 --> 00:36:57,670

did you see

876

00:37:03,180 --> 00:37:01,060

and then the x-files happened and I was

877

00:37:06,180 --> 00:37:03,190

like I was sold as soon as I saw you

878

00:37:07,280 --> 00:37:06,190

know the UFO in the opening theme I was

879

00:37:09,720 --> 00:37:07,290

sold

880

00:37:12,599 --> 00:37:09,730

yeah that's awesome so did you feel kind

881

00:37:15,270 --> 00:37:12,609

of like a kindred connection or

882

00:37:17,130 --> 00:37:15,280

something with the women in the what is

883

00:37:18,450 --> 00:37:17,140

their group called the ones the group of

884

00:37:21,810 --> 00:37:18,460

women that are getting abducted all the

885

00:37:25,680 --> 00:37:21,820

time it's on the tip my tongue oh gosh

886

00:37:28,920 --> 00:37:25,690

MUFON move on yes that's an actual thing

887

00:37:32,070 --> 00:37:28,930

yeah that's the one that max Fenig right

888

00:37:34,290 --> 00:37:32,080

my cap my cap yeah max is part of my cap

889

00:37:36,840 --> 00:37:34,300

which is in actual okay see Ryan knows

890

00:37:39,240 --> 00:37:36,850

he knows we'll just defer to him oh I

891

00:37:41,190 --> 00:37:39,250

got you on these ones as well

892

00:37:44,570 --> 00:37:41,200

the women are part of a group they're

893

00:37:45,810 --> 00:37:44,580

based off an actual group that's called

894

00:37:49,349 --> 00:37:45,820

Starworks

895

00:37:51,090 --> 00:37:49,359

which is an actual group a support group

896

00:37:52,950 --> 00:37:51,100

that meet and claim that they've all

897

00:37:55,050 --> 00:37:52,960

been abducted by aliens I met with these

898

00:37:57,060 --> 00:37:55,060

people I don't know if you guys have

899

00:38:02,700 --> 00:37:57,070

ever seen people of Earth that comedy

900

00:38:04,830 --> 00:38:02,710

show on TBS so Brian Huskey okay I know

901
00:38:11,040 --> 00:38:04,840
heartbreak so our brains such a good

902
00:38:13,800 --> 00:38:11,050
joke oh I'll send it to you we can put

903
00:38:15,420 --> 00:38:13,810
it into the show don't like to it

904
00:38:17,460 --> 00:38:15,430
somewhere so yeah it's a show about

905
00:38:19,740 --> 00:38:17,470
alien abductees so they actually went

906
00:38:22,050 --> 00:38:19,750
out in like spoke to these people and

907
00:38:24,720 --> 00:38:22,060
used it as research for this show so

908
00:38:25,680 --> 00:38:24,730
pretty interesting which have you seen

909
00:38:27,450 --> 00:38:25,690
Dean Haglund

910
00:38:29,849 --> 00:38:27,460
the truth is out there documentary

911
00:38:31,170 --> 00:38:29,859
absolutely yep yep I still haven't seen

912
00:38:32,880 --> 00:38:31,180
it and I really want to see it it's

913
00:38:35,510 --> 00:38:32,890

great he actually I've been thinking

914

00:38:38,270 --> 00:38:35,520

about doing a bonus episode of it No

915

00:38:40,430 --> 00:38:38,280

Brian if you wanna do a bonus episode

916

00:38:42,440 --> 00:38:40,440

you know where to find me huh yeah

917

00:38:44,630 --> 00:38:42,450

awesome as long as it's got x-files in

918

00:38:47,360 --> 00:38:44,640

it I am good anyway sorry you were

919

00:38:49,700 --> 00:38:47,370

talking about the group of women back to

920

00:38:51,350 --> 00:38:49,710

the group of women no I you know i I've

921

00:38:52,880 --> 00:38:51,360

met with a lot of these people and

922

00:38:54,320 --> 00:38:52,890

honestly guys I don't know what to make

923

00:38:57,050 --> 00:38:54,330

of all of it like if these people are

924

00:39:00,290 --> 00:38:57,060

actually experiencing alien abductions

925

00:39:02,630 --> 00:39:00,300

but they firmly believe they are and you

926
00:39:04,820 --> 00:39:02,640
know what the way I look at it in any of

927
00:39:07,130 --> 00:39:04,830
like this stuff that the x-files covers

928
00:39:09,470 --> 00:39:07,140
or that I cover in real life I wasn't

929
00:39:11,210 --> 00:39:09,480
there I wasn't there when it happened so

930
00:39:13,670 --> 00:39:11,220
I'm not gonna tell them that it didn't

931
00:39:16,160 --> 00:39:13,680
happen I'm just gonna you know relay

932
00:39:17,900 --> 00:39:16,170
their stories the best I can and try to

933
00:39:20,210 --> 00:39:17,910
make some sense out of it so that's kind

934
00:39:23,030 --> 00:39:20,220
of where I stand on all of this the

935
00:39:25,370 --> 00:39:23,040
esoteric the paranormal the the you

936
00:39:27,170 --> 00:39:25,380
falah jekyll and that goes for the show

937
00:39:29,180 --> 00:39:27,180
as well I just say that was my like

938
00:39:31,340 --> 00:39:29,190

favorite thing about like your your your

939

00:39:34,010 --> 00:39:31,350

book and your show is you just it's not

940

00:39:35,900 --> 00:39:34,020

about like it is kind of is about what

941

00:39:37,460 --> 00:39:35,910

happened but it's more about like the

942

00:39:39,290 --> 00:39:37,470

person who had happened to and how it

943

00:39:40,760 --> 00:39:39,300

affected them because at the end of the

944

00:39:42,740 --> 00:39:40,770

day that's the most important part I

945

00:39:45,500 --> 00:39:42,750

think so I think so and I think it says

946

00:39:47,540 --> 00:39:45,510

a lot about us as humans and sort of you

947

00:39:49,880 --> 00:39:47,550

know maybe they're looking for aliens or

948

00:39:52,490 --> 00:39:49,890

UFOs but I always sort of envision it as

949

00:39:54,440 --> 00:39:52,500

putting a mirror back on themselves like

950

00:39:56,480 --> 00:39:54,450

whatever they perceive it as that says a

951

00:39:58,580 --> 00:39:56,490

lot about them as an individual some

952

00:40:02,300 --> 00:39:58,590

people take it as a religious experience

953

00:40:04,460 --> 00:40:02,310

some as a you know something completely

954

00:40:06,980 --> 00:40:04,470

different so it's interesting it's it's

955

00:40:09,680 --> 00:40:06,990

it's fascinating and I and I'm so happy

956

00:40:14,780 --> 00:40:09,690

that the x-files came around and covered

957

00:40:17,990 --> 00:40:14,790

these topics it made it cool like right

958

00:40:19,490 --> 00:40:18,000

and like you're never gonna know exactly

959

00:40:20,930 --> 00:40:19,500

what somebody's experience is because

960

00:40:23,360 --> 00:40:20,940

you didn't live it and you're not them

961

00:40:24,950 --> 00:40:23,370

so the most you can do is just give them

962

00:40:27,890 --> 00:40:24,960

like a platform and give them the space

963

00:40:29,780 --> 00:40:27,900

to you know talk about their experiences

964

00:40:31,760 --> 00:40:29,790

and whatever way they they need to write

965

00:40:33,500 --> 00:40:31,770

so absolutely give them a voice and

966

00:40:35,030 --> 00:40:33,510

that's sometimes that's all the closure

967

00:40:36,470 --> 00:40:35,040

these people need for whatever they're

968

00:40:40,190 --> 00:40:36,480

dealing with just didn't get it

969

00:40:43,070 --> 00:40:40,200

out there you know so yeah anyways Wow I

970

00:40:46,640 --> 00:40:43,080

feel like I have I've added to your

971

00:40:48,200 --> 00:40:46,650

tangent bill by tenfold it's great we

972

00:40:48,500 --> 00:40:48,210

love it we wouldn't have it any other

973

00:40:49,070 --> 00:40:48,510

way

974

00:40:50,180 --> 00:40:49,080

there's my

975

00:40:53,840 --> 00:40:50,190

actually be a good time to talk about

976
00:40:55,700 --> 00:40:53,850
edgar cayce because we're talking which

977
00:40:58,010 --> 00:40:55,710
i'm just gonna come out here and say

978
00:40:59,480 --> 00:40:58,020
that when i was looking him up his name

979
00:41:02,840 --> 00:40:59,490
is not spelled how you would ever think

980
00:41:06,110 --> 00:41:02,850
that it would be yeah isn't it a edgar

981
00:41:08,600 --> 00:41:06,120
and then see a yce or something yeah see

982
00:41:11,690 --> 00:41:08,610
a YC yeah and I only know that's what

983
00:41:15,830 --> 00:41:11,700
they say mom likes to follow the trends

984
00:41:18,170 --> 00:41:15,840
of different new agey things and so she

985
00:41:19,910 --> 00:41:18,180
I think even has did he write books did

986
00:41:22,790 --> 00:41:19,920
you find that in your I think he might

987
00:41:25,280 --> 00:41:22,800
have a couple of his books no way yeah

988
00:41:29,750 --> 00:41:25,290

Wow my mom

989

00:41:35,150 --> 00:41:29,760

sure he has yeah Corinne we all love our

990

00:41:37,720 --> 00:41:35,160

moms we all love your mom

991

00:41:40,970 --> 00:41:37,730

listen to our Christmas oh my god

992

00:41:50,060 --> 00:41:40,980

however long ago that was oh my gosh

993

00:41:52,640 --> 00:41:50,070

your mom in it yeah it's pretty funny

994

00:41:58,310 --> 00:41:52,650

it's pretty far back I realized in April

995

00:42:01,360 --> 00:41:58,320

it's gonna be our third a birthday I

996

00:42:05,090 --> 00:42:01,370

think we have to do a birthday episode

997

00:42:07,640 --> 00:42:05,100

anyway yeah so edgar cayce very

998

00:42:10,190 --> 00:42:07,650

interesting character tell us all about

999

00:42:12,110 --> 00:42:10,200

yes i mean i mean you obviously might

1000

00:42:13,610 --> 00:42:12,120

know i actually don't know that much

1001
00:42:15,380 --> 00:42:13,620
about him I just know my mom had a

1002
00:42:17,210 --> 00:42:15,390
couple books or tapes or something good

1003
00:42:20,780 --> 00:42:17,220
have you heard about him before right

1004
00:42:23,840 --> 00:42:20,790
yes yeah I mean his quotes sort of are

1005
00:42:26,630 --> 00:42:23,850
all over the UFO quote-unquote community

1006
00:42:28,790 --> 00:42:26,640
and the paranormal but I never I've

1007
00:42:31,010 --> 00:42:28,800
never really looked into his actual work

1008
00:42:32,510 --> 00:42:31,020
I've just heard these quotes been like

1009
00:42:35,600 --> 00:42:32,520
ah that sounds awesome I'm gonna use

1010
00:42:37,700 --> 00:42:35,610
that for something so okay so all

1011
00:42:42,620 --> 00:42:37,710
dimensions have in this the the the pock

1012
00:42:46,400 --> 00:42:42,630
he does he doesn't unfortunately I would

1013
00:42:49,520 --> 00:42:46,410

listen to that so um Mulder mentions him

1014

00:42:52,760 --> 00:42:49,530

because he is so he was this person who

1015

00:42:55,220 --> 00:42:52,770

lived from 1877 to 1945 he's part of

1016

00:42:56,660 --> 00:42:55,230

this the beginning of the spiritualist

1017

00:42:58,400 --> 00:42:56,670

movement United States where people were

1018

00:43:01,460 --> 00:42:58,410

thinking about the afterlife and trying

1019

00:43:02,930 --> 00:43:01,470

to find answers and he was when was that

1020

00:43:05,690 --> 00:43:02,940

like late 1800s

1021

00:43:10,210 --> 00:43:05,700

300 early 1900s this one it got really

1022

00:43:14,210 --> 00:43:10,220

big this one um uh people would go from

1023

00:43:16,490 --> 00:43:14,220

city to city and do seances and yeah try

1024

00:43:18,920 --> 00:43:16,500

to talk to dead relatives and right um

1025

00:43:20,900 --> 00:43:18,930

there's a lot of people and during this

1026
00:43:23,930 --> 00:43:20,910
era who are really famous for that now

1027
00:43:26,630 --> 00:43:23,940
both of whom have been shown to be

1028
00:43:28,400 --> 00:43:26,640
frauds who true I don't know so much

1029
00:43:30,349 --> 00:43:28,410
about this guy though whether or not I

1030
00:43:33,020 --> 00:43:30,359
don't because let me let me tell you a

1031
00:43:34,339 --> 00:43:33,030
little more okay so he's like Mulder's

1032
00:43:37,700 --> 00:43:34,349
in the episode he got the nickname the

1033
00:43:39,050 --> 00:43:37,710
sleeping prophet apparently he would go

1034
00:43:41,420 --> 00:43:39,060
into a trance and that's where he would

1035
00:43:42,829 --> 00:43:41,430
get all his information and what he

1036
00:43:46,359 --> 00:43:42,839
would do is he wouldn't give a lot of

1037
00:43:49,430 --> 00:43:46,369
prophecies about the world to come and

1038
00:43:53,150 --> 00:43:49,440

what's crazy is that a lot of them kind

1039

00:43:54,500 --> 00:43:53,160

of came true what you know right let me

1040

00:43:55,370 --> 00:43:54,510

tell you about a few of them yes please

1041

00:43:56,630 --> 00:43:55,380

yeah

1042

00:44:01,270 --> 00:43:56,640

you see you know look I'm giving Carolyn

1043

00:44:03,859 --> 00:44:01,280

right now on my face apparently he

1044

00:44:05,960 --> 00:44:03,869

prophesized the stock market crash in

1045

00:44:09,770 --> 00:44:05,970

1925 oh my god like the Great Depression

1046

00:44:11,359 --> 00:44:09,780

yeah he basically foresaw I want to say

1047

00:44:14,089 --> 00:44:11,369

Black Friday but it was actually Black

1048

00:44:16,640 --> 00:44:14,099

Thursday right I don't know the crash of

1049

00:44:18,920 --> 00:44:16,650

the stock market in 1929 and he told a

1050

00:44:20,540 --> 00:44:18,930

26 year old physician that he would soon

1051

00:44:22,160 --> 00:44:20,550

find himself and should have a great

1052

00:44:24,559 --> 00:44:22,170

deal of money but he should exercise

1053

00:44:27,849 --> 00:44:24,569

caution especially in the face of

1054

00:44:31,940 --> 00:44:27,859

adverse forces that will come in 1929

1055

00:44:33,980 --> 00:44:31,950

whoa yeah so and then in march six

1056

00:44:36,859 --> 00:44:33,990

months before the stock market crashed

1057

00:44:38,120 --> 00:44:36,869

he gave a warning to a stockbroker that

1058

00:44:41,780 --> 00:44:38,130

there would be a great disturbance in

1059

00:44:43,220 --> 00:44:41,790

financial circles which is like okay i'm

1060

00:44:45,890 --> 00:44:43,230

sure there are some people who have

1061

00:44:47,510 --> 00:44:45,900

given those kinds of for sure you know

1062

00:44:50,450 --> 00:44:47,520

predictions or whatever and then just

1063

00:44:52,370 --> 00:44:50,460

hoped that they would be true here's the

1064

00:44:53,480 --> 00:44:52,380

thing you own like we like we've talked

1065

00:44:55,609 --> 00:44:53,490

we've talked before we talked a little

1066

00:44:57,620 --> 00:44:55,619

about this a lot when we did our our

1067

00:44:59,990 --> 00:44:57,630

little side tangent about the Lone

1068

00:45:03,790 --> 00:45:00,000

Gunmen yep it's easy to find patterns

1069

00:45:10,460 --> 00:45:03,800

after the fact yep also he apparently

1070

00:45:13,250 --> 00:45:10,470

perceived World War two what yes in 1935

1071

00:45:15,410 --> 00:45:13,260

he warned a freight agent of

1072

00:45:16,520 --> 00:45:15,420

catastrophic events they were building

1073

00:45:18,860 --> 00:45:16,530

an international community

1074

00:45:20,630 --> 00:45:18,870

I'm sorry I should have I'll give you my

1075

00:45:23,780 --> 00:45:20,640

source here this is a website called

1076

00:45:25,010 --> 00:45:23,790

edgar cayce org yeah you see seven

1077

00:45:26,690 --> 00:45:25,020

prophecies that came true because

1078

00:45:28,880 --> 00:45:26,700

there's still like books being published

1079

00:45:30,740 --> 00:45:28,890

yes yeah there's a whole website there's

1080

00:45:33,730 --> 00:45:30,750

a whole side over there newsletter and

1081

00:45:37,160 --> 00:45:33,740

you got Cortes quarterly magazine yeah

1082

00:45:43,970 --> 00:45:37,170

yeah and you can and you also get a

1083

00:45:47,860 --> 00:45:43,980

personalized astrology chart okay things

1084

00:45:51,580 --> 00:45:47,870

coming up so I'm just saying listeners

1085

00:45:54,200 --> 00:45:51,590

that's what you want for your birthday I

1086

00:45:59,000 --> 00:45:54,210

want for my birthday is an astrology

1087

00:45:59,810 --> 00:45:59,010

reading so I'll just tell you some of

1088

00:46:03,410 --> 00:45:59,820

the other ones

1089

00:46:06,920 --> 00:46:03,420

he also good news he I'm sorry this

1090

00:46:11,680 --> 00:46:06,930

one's kind of he prophesized there would

1091

00:46:14,300 --> 00:46:11,690

be a shift in polls oh that the Earth's

1092

00:46:15,860 --> 00:46:14,310

Earth's cycle would shift

1093

00:46:17,450 --> 00:46:15,870

I think the magnetic poles may catch

1094

00:46:19,010 --> 00:46:17,460

holes which stretch yeah see that's

1095

00:46:20,660 --> 00:46:19,020

interesting because the jury apparently

1096

00:46:22,790 --> 00:46:20,670

is kind of I know out on that one

1097

00:46:24,170 --> 00:46:22,800

because like some people say oh if it

1098

00:46:26,660 --> 00:46:24,180

happened it would be catastrophic like

1099

00:46:27,770 --> 00:46:26,670

the world would basically like and and

1100

00:46:29,420 --> 00:46:27,780

other people are like yeah we wouldn't

1101

00:46:31,820 --> 00:46:29,430

even notice it like I don't know who's

1102

00:46:33,260 --> 00:46:31,830

right yeah I've read both things well he

1103

00:46:35,840 --> 00:46:33,270

said that it could have happened and

1104

00:46:38,030 --> 00:46:35,850

some people including a PBS show said

1105

00:46:40,310 --> 00:46:38,040

that it that it actually did happen I

1106

00:46:43,370 --> 00:46:40,320

mean maybe I realize that article is

1107

00:46:49,480 --> 00:46:43,380

quoting yeah we have like earthquakes in

1108

00:46:53,420 --> 00:46:51,710

yeah I'll just blame everything on the

1109

00:46:54,860 --> 00:46:53,430

pole shift yeah right I can't come to

1110

00:46:58,700 --> 00:46:54,870

work today did you hear the polls

1111

00:47:01,160 --> 00:46:58,710

shifted yeah sorry I can't even leave my

1112

00:47:01,790 --> 00:47:01,170

bed yeah I like that excuse somebody's

1113

00:47:05,090 --> 00:47:01,800

that one too

1114

00:47:08,960 --> 00:47:05,100

also prophesized that about the Dead Sea

1115

00:47:11,240 --> 00:47:08,970

Scrolls mm-hmm what is that what do you

1116

00:47:14,300 --> 00:47:11,250

mean he prophesized a no prophesize he

1117

00:47:17,270 --> 00:47:14,310

described the people who wrote them oh

1118

00:47:18,710 --> 00:47:17,280

the Essenes who were a very little known

1119

00:47:20,510 --> 00:47:18,720

sect at that time because they hadn't

1120

00:47:22,370 --> 00:47:20,520

found the Dead Sea Scrolls yet right

1121

00:47:24,890 --> 00:47:22,380

which Dead Sea Scrolls have all those

1122

00:47:26,960 --> 00:47:24,900

extra biblical texts yeah and since this

1123

00:47:28,040 --> 00:47:26,970

guy was Christian he was like way in

1124

00:47:29,260 --> 00:47:28,050

that's right he was a Christian like

1125

00:47:31,420 --> 00:47:29,270

miss Mystic

1126

00:47:33,100 --> 00:47:31,430

Christian mystic yeah yeah whoo I was

1127

00:47:34,960 --> 00:47:33,110

like what what's the right word Oh what

1128

00:47:37,360 --> 00:47:34,970

did what did Scully see in the episode

1129

00:47:40,020 --> 00:47:37,370

she says about oh he believed Atlantis

1130

00:47:42,640 --> 00:47:40,030

they were really into Italy right yeah

1131

00:47:45,820 --> 00:47:42,650

my mom might have a book on that to go

1132

00:47:47,890 --> 00:47:45,830

hey I Atlantis could be a thing I

1133

00:47:49,600 --> 00:47:47,900

wouldn't be surprised anyway so yeah

1134

00:47:51,850 --> 00:47:49,610

that that seems to me a little weird

1135

00:47:53,200 --> 00:47:51,860

that he thought that he knew about these

1136

00:47:54,370 --> 00:47:53,210

people so he basically was like there

1137

00:47:56,140 --> 00:47:54,380

are these people who wrote these scrolls

1138

00:47:58,510 --> 00:47:56,150

and then they found them after he had

1139

00:48:00,610 --> 00:47:58,520

talked about it yeah okay wow that's

1140

00:48:03,070 --> 00:48:00,620

interesting is that's like not a that's

1141

00:48:05,680 --> 00:48:03,080

clearly not a after the fact sort of

1142

00:48:07,780 --> 00:48:05,690

thing you know what I mean yeah yeah I

1143

00:48:09,100 --> 00:48:07,790

mean I mean a lot of these you could

1144

00:48:11,410 --> 00:48:09,110

just like well he said something like

1145

00:48:14,080 --> 00:48:11,420

this oh we could you know connect it to

1146

00:48:17,970 --> 00:48:14,090

anything that's true yeah maybe that one

1147

00:48:21,070 --> 00:48:17,980

maybe not though he also said that he

1148

00:48:24,730 --> 00:48:21,080

saw that blood would be more important

1149

00:48:27,310 --> 00:48:24,740

with using it to tell stuff about people

1150

00:48:30,310 --> 00:48:27,320

is your blood used as a diagnostic tool

1151

00:48:31,750 --> 00:48:30,320

oh I didn't test people's blood for

1152

00:48:33,640 --> 00:48:31,760

anything right they didn't know about

1153

00:48:34,720 --> 00:48:33,650

how to look at your blood and find right

1154

00:48:36,670 --> 00:48:34,730

right right

1155

00:48:39,340 --> 00:48:36,680

he's like the fact that they look at my

1156

00:48:41,130 --> 00:48:39,350

blood and go you have low iron and be

1157

00:48:43,870 --> 00:48:41,140

like how come you ain't dead yet

1158

00:48:45,550 --> 00:48:43,880

pretty much you here's a quote the name

1159

00:48:47,050 --> 00:48:45,560

may yet arrived when one may take a drop

1160

00:48:51,610 --> 00:48:47,060

of blood and diagnose the condition of

1161

00:48:53,620 --> 00:48:51,620

any physical body Wow okay that's pretty

1162

00:48:56,170 --> 00:48:53,630

weird I didn't actually know that like

1163

00:49:00,100 --> 00:48:56,180

wow like I'm willing to believe or like

1164

00:49:02,620 --> 00:49:00,110

you know entertain the idea that this

1165

00:49:04,030 --> 00:49:02,630

that prophecies could be true or that

1166

00:49:07,870 --> 00:49:04,040

you know there's somebody who's sort of

1167

00:49:10,150 --> 00:49:07,880

linked into God more closely I mean

1168

00:49:12,790 --> 00:49:10,160

that's what Jesus is said to have been

1169

00:49:14,500 --> 00:49:12,800

as you know Jay liked more closely to

1170

00:49:17,200 --> 00:49:14,510

God in some way so I'm like I'm willing

1171

00:49:18,580 --> 00:49:17,210

to you know entertain that idea and then

1172

00:49:23,500 --> 00:49:18,590

when you hear things like that it's like

1173

00:49:29,860 --> 00:49:23,510

hmm that's a good connection to start

1174

00:49:31,690 --> 00:49:29,870

talking about hypnagogia yeah so that's

1175

00:49:33,190 --> 00:49:31,700

this that what Scully was talking about

1176
00:49:36,370 --> 00:49:33,200
the beginning of the episode sounds like

1177
00:49:38,740 --> 00:49:36,380
sleep paralysis REM atonia did you hear

1178
00:49:39,830 --> 00:49:38,750
of hissing or buzzing did you feel an

1179
00:49:41,510 --> 00:49:39,840
electric current

1180
00:49:43,790 --> 00:49:41,520
winnings from your body no it was

1181
00:49:46,790 --> 00:49:43,800
different Mulder I mean after did the

1182
00:49:49,220 --> 00:49:46,800
initial jolt of fear I I felt compelled

1183
00:49:50,720 --> 00:49:49,230
to follow the dark figure and I don't

1184
00:49:53,180 --> 00:49:50,730
know if you know anything about this I

1185
00:49:55,130 --> 00:49:53,190
do not I was gonna look it up and then I

1186
00:49:58,100 --> 00:49:55,140
didn't have a chance

1187
00:50:00,050 --> 00:49:58,110
little disclosure hey that's why you got

1188
00:50:03,430 --> 00:50:00,060

me that's why I'm here yay you're out

1189

00:50:05,810 --> 00:50:03,440

your residence Scully this episode

1190

00:50:06,710 --> 00:50:05,820

you're the researcher of the group I'm a

1191

00:50:09,140 --> 00:50:06,720

medical doctor

1192

00:50:10,490 --> 00:50:09,150

yes quote Scully I was gonna say I'm a

1193

00:50:12,650 --> 00:50:10,500

medical doctor I'm not a medical doctor

1194

00:50:15,670 --> 00:50:12,660

but I play one on TV I play one on this

1195

00:50:20,090 --> 00:50:15,680

podcast I play a lot of things on this

1196

00:50:22,630 --> 00:50:20,100

true so hypnagogia is I give you a

1197

00:50:32,420 --> 00:50:22,640

little there's a whole website called

1198

00:50:34,610 --> 00:50:32,430

hypnagogia dot-com or whatever I tell

1199

00:50:37,130 --> 00:50:34,620

you about is better apparently there's

1200

00:50:41,690 --> 00:50:37,140

this thing called hypnagogic pop which

1201
00:50:42,590 --> 00:50:41,700
is like music genre yeah I have like 311

1202
00:50:45,980 --> 00:50:42,600
there you go

1203
00:50:48,230 --> 00:50:45,990
oh yeah well it's also it's it's like

1204
00:50:51,410 --> 00:50:48,240
chill wave or Gulf I I don't know if you

1205
00:50:52,880 --> 00:50:51,420
okay yes yeah it's nice to fall asleep

1206
00:50:54,710 --> 00:50:52,890
too because it just like lulls you into

1207
00:50:56,090 --> 00:50:54,720
this I listen to that kind of thing when

1208
00:50:57,290 --> 00:50:56,100
I'm like working on a blog post or

1209
00:50:59,240 --> 00:50:57,300
something at work cuz it just gets me

1210
00:51:01,880 --> 00:50:59,250
really focused if you want to listen to

1211
00:51:03,860 --> 00:51:01,890
music that could easily double as party

1212
00:51:07,580 --> 00:51:03,870
music or going to sleep music there's

1213
00:51:09,680 --> 00:51:07,590

Simpsons chillwave it's on yeah it's

1214

00:51:11,480 --> 00:51:09,690

like The Simpsons The Simpsons so they

1215

00:51:14,030 --> 00:51:11,490

they take Simpsons

1216

00:51:15,650 --> 00:51:14,040

I love to sit together they take clips

1217

00:51:17,600 --> 00:51:15,660

from The Simpsons and they turn into

1218

00:51:19,850 --> 00:51:17,610

music videos slash music and it is

1219

00:51:22,100 --> 00:51:19,860

freaking amazing and I I need to like

1220

00:51:24,270 --> 00:51:22,110

I'll link to it in the description so

1221

00:51:26,640 --> 00:51:24,280

for that because I don't remember who

1222

00:51:28,950 --> 00:51:26,650

makes it but it's really that's awesome

1223

00:51:31,200 --> 00:51:28,960

Wow there is everything out there there

1224

00:51:33,080 --> 00:51:31,210

is everything out there okay so this is

1225

00:51:34,980 --> 00:51:33,090

just a Huffington Post article about it

1226

00:51:36,750 --> 00:51:34,990

how the state between sleep and

1227

00:51:39,120 --> 00:51:36,760

wakefulness is a key to creativity blah

1228

00:51:41,220 --> 00:51:39,130

blah blah but it's telling me about all

1229

00:51:43,860 --> 00:51:41,230

these people who used to do this

1230

00:51:46,700 --> 00:51:43,870

who used to who used to go into a trance

1231

00:51:50,400 --> 00:51:46,710

to get ideas you're being creative like

1232

00:51:54,540 --> 00:51:50,410

yeah so like Salvador Dali apparently

1233

00:51:56,430 --> 00:51:54,550

used to take hold a key and then like go

1234

00:51:58,290 --> 00:51:56,440

to sleep and then as soon as he would

1235

00:51:59,790 --> 00:51:58,300

fall asleep he would drop the key and

1236

00:52:01,320 --> 00:51:59,800

then it would wake him up and then he he

1237

00:52:03,150 --> 00:52:01,330

would be able to retain all those ideas

1238

00:52:05,640 --> 00:52:03,160

from when he was like in between sleep

1239

00:52:09,210 --> 00:52:05,650

and wakefulness not surprised that yeah

1240

00:52:12,630 --> 00:52:09,220

that's that one that his yeah his

1241

00:52:14,820 --> 00:52:12,640

pictures right yes yeah um also Mary

1242

00:52:18,150 --> 00:52:14,830

Shelley apparently got her idea for

1243

00:52:19,590 --> 00:52:18,160

Frankenstein by she woke up and she just

1244

00:52:20,670 --> 00:52:19,600

had and she's like you know when you

1245

00:52:22,500 --> 00:52:20,680

wake up and you have a really great idea

1246

00:52:26,040 --> 00:52:22,510

ya have to write it down right away I

1247

00:52:26,490 --> 00:52:26,050

love that book right so good so creepy

1248

00:52:28,770 --> 00:52:26,500

too

1249

00:52:30,060 --> 00:52:28,780

yeah yeah a very interesting

1250

00:52:31,170 --> 00:52:30,070

coming-of-age story

1251

00:52:34,770 --> 00:52:31,180

or a very different sort of

1252

00:52:38,330 --> 00:52:34,780

coming-of-age story apparently Edison

1253

00:52:40,620 --> 00:52:38,340

also did this he would take to like

1254

00:52:43,440 --> 00:52:40,630

metal balls and he put them in his hand

1255

00:52:45,120 --> 00:52:43,450

okay hold on to them and then when he

1256

00:52:47,160 --> 00:52:45,130

fell asleep he would drop them and

1257

00:52:48,810 --> 00:52:47,170

they'd wake him up and then he would

1258

00:52:50,550 --> 00:52:48,820

because I write things down right away

1259

00:52:52,410 --> 00:52:50,560

yes that was the creative time between

1260

00:52:53,700 --> 00:52:52,420

like when he was between when he was

1261

00:52:55,710 --> 00:52:53,710

awake and when he was just falling

1262

00:52:58,320 --> 00:52:55,720

asleep that's when huh all those ideas

1263

00:52:59,790 --> 00:52:58,330

and those trance-like thoughts would

1264

00:53:01,760 --> 00:52:59,800

come to him I feel like this is

1265

00:53:04,440 --> 00:53:01,770

something I should be doing I mean right

1266

00:53:08,490 --> 00:53:04,450

really cuz like I wake up from you know

1267

00:53:10,020 --> 00:53:08,500

a night of sleeping but dreaming and I

1268

00:53:13,170 --> 00:53:10,030

know I dreamt something but I don't

1269

00:53:16,110 --> 00:53:13,180

remember it yeah I know sometimes I wake

1270

00:53:17,760 --> 00:53:16,120

up and I've like had like a dream that

1271

00:53:21,030 --> 00:53:17,770

it's so vivid I'm like I'm gonna write

1272

00:53:22,200 --> 00:53:21,040

this down and otherwise cuz you like the

1273

00:53:24,600 --> 00:53:22,210

more and more awake you get the more

1274

00:53:26,580 --> 00:53:24,610

more you lose it totally mm-hmm yeah I

1275

00:53:29,340 --> 00:53:26,590

remember I think it was Mitch Hedberg

1276
00:53:31,560 --> 00:53:29,350
the late comedian who said like he would

1277
00:53:35,130 --> 00:53:31,570
you know he would fall asleep and have

1278
00:53:37,349 --> 00:53:35,140
these incredible you know jokes come

1279
00:53:39,930 --> 00:53:37,359
into his head while he was asleep and

1280
00:53:42,180 --> 00:53:39,940
you wake up and his first inclination

1281
00:53:45,029 --> 00:53:42,190
was to like get up and go write it down

1282
00:53:46,470 --> 00:53:45,039
but he was so lazy that he would

1283
00:53:55,640 --> 00:53:46,480
convince himself that the joke wasn't

1284
00:54:01,049 --> 00:53:58,079
you know this is interesting because I

1285
00:54:03,839 --> 00:54:01,059
the only way I've heard of this this

1286
00:54:06,660 --> 00:54:03,849
whole thing is a lot of people who claim

1287
00:54:08,609 --> 00:54:06,670
to have been abducted by aliens they say

1288
00:54:09,989 --> 00:54:08,619

that you know they were paralyzed and

1289

00:54:13,170 --> 00:54:09,999

they saw this figure in their room

1290

00:54:15,599 --> 00:54:13,180

they're taken aboard a craft or you know

1291

00:54:17,910 --> 00:54:15,609

communicated with some dark figure so I

1292

00:54:20,700 --> 00:54:17,920

always sounds like they're having night

1293

00:54:23,309 --> 00:54:20,710

terrors yes yes exactly you know sleep

1294

00:54:26,279 --> 00:54:23,319

paralysis or night Aaronson that's and

1295

00:54:29,220 --> 00:54:26,289

or in this state this hypnagogic is that

1296

00:54:30,839 --> 00:54:29,230

how I guess yeah yeah like that's the

1297

00:54:33,660 --> 00:54:30,849

only way I ever heard of it not as like

1298

00:54:35,759 --> 00:54:33,670

a tool for artists or you know free

1299

00:54:37,349 --> 00:54:35,769

thinkers it's very fascinating to hear

1300

00:54:39,479 --> 00:54:37,359

this side of it and it's definitely a

1301
00:54:41,420 --> 00:54:39,489
thing in this episode I actually noticed

1302
00:54:44,999 --> 00:54:41,430
when I rewatched

1303
00:54:47,160 --> 00:54:45,009
yesterday actually that there's a part

1304
00:54:52,380 --> 00:54:47,170
where Scully is lying in sort of the

1305
00:54:54,329 --> 00:54:52,390
waiting room yeah and she is on a couch

1306
00:54:56,759 --> 00:54:54,339
and there's like kind of like like a

1307
00:54:59,269 --> 00:54:56,769
coffee table type of table and it's

1308
00:55:02,220 --> 00:54:59,279
glass and you can see her reflection in

1309
00:55:04,729 --> 00:55:02,230
the glass but she's moving on the couch

1310
00:55:06,900 --> 00:55:04,739
but the reflection isn't moving and

1311
00:55:08,069 --> 00:55:06,910
actually to be honest it's somebody it

1312
00:55:09,809 --> 00:55:08,079
was somebody on tumblr who actually

1313
00:55:10,950 --> 00:55:09,819

pointed that out the first time but then

1314

00:55:12,599 --> 00:55:10,960

I like kind of thought about it I was

1315

00:55:14,749 --> 00:55:12,609

like okay what could this be saying like

1316

00:55:17,729 --> 00:55:14,759

is there a deeper meaning to this and

1317

00:55:21,269 --> 00:55:17,739

yeah apparently it was an intentional it

1318

00:55:22,440 --> 00:55:21,279

was intentional sorry and it's if you

1319

00:55:24,359 --> 00:55:22,450

look at the picture like if you take a

1320

00:55:26,519 --> 00:55:24,369

still of it it looks like she is a

1321

00:55:29,940 --> 00:55:26,529

perfect it's a perfect symmetrical

1322

00:55:33,059 --> 00:55:29,950

picture so you know it's like if you

1323

00:55:34,620 --> 00:55:33,069

were to fold that image in half like

1324

00:55:36,239 --> 00:55:34,630

together it would be perfectly

1325

00:55:38,400 --> 00:55:36,249

symmetrical so I thought that was really

1326
00:55:39,960 --> 00:55:38,410
interesting so it was kind of like maybe

1327
00:55:41,819 --> 00:55:39,970
there wasn't really much meaning to it

1328
00:55:44,370 --> 00:55:41,829
but just sort of a nod towards this idea

1329
00:55:46,079 --> 00:55:44,380
of like this this in-between state or

1330
00:55:48,569 --> 00:55:46,089
this like what is real what's a dream

1331
00:55:49,920 --> 00:55:48,579
like wow so what her reflection is not

1332
00:55:51,190 --> 00:55:49,930
moving because she's not really moving

1333
00:55:52,839 --> 00:55:51,200
she's just sleeping

1334
00:55:54,010 --> 00:55:52,849
well she's moving on the couch you can

1335
00:55:55,750 --> 00:55:54,020
see her kind of like twitching in her

1336
00:55:59,170 --> 00:55:55,760
sleep right but the reflection she's not

1337
00:56:00,760 --> 00:55:59,180
moving and so I think just like an

1338
00:56:02,049 --> 00:56:00,770

intentional there's something

1339

00:56:03,400 --> 00:56:02,059

intentional there hmm

1340

00:56:04,990 --> 00:56:03,410

it's not sure what it is yeah I didn't

1341

00:56:05,799 --> 00:56:05,000

catch that I watched it twice and I

1342

00:56:07,690 --> 00:56:05,809

think this is one of those episodes

1343

00:56:10,569 --> 00:56:07,700

where you have to watch it more than

1344

00:56:13,380 --> 00:56:10,579

once there is no way you can digest this

1345

00:56:16,390 --> 00:56:13,390

one there's so much be below the surface

1346

00:56:19,059 --> 00:56:16,400

so much I'm like we haven't even gotten

1347

00:56:25,990 --> 00:56:19,069

to some things like yeah I know

1348

00:56:28,240 --> 00:56:26,000

Wow okay anything else about no okay

1349

00:56:32,829 --> 00:56:28,250

what stop talk let's stop sleeping let's

1350

00:56:35,799 --> 00:56:32,839

start waking up very nice so Ryan yes

1351
00:56:40,720 --> 00:56:35,809
tell me what you thought about William

1352
00:56:43,510 --> 00:56:40,730
slash Jackson yeah okay so yeah so like

1353
00:56:46,900 --> 00:56:43,520
you guys season 9 was kind of a blur to

1354
00:56:49,630 --> 00:56:46,910
me so like the entire Williams storyline

1355
00:56:51,940 --> 00:56:49,640
kind of passed me by and I didn't really

1356
00:56:55,930 --> 00:56:51,950
think about it you know and then in

1357
00:56:57,670 --> 00:56:55,940
season 10 we got was it what not home

1358
00:57:00,309 --> 00:56:57,680
was it home again where we got like that

1359
00:57:04,089 --> 00:57:00,319
that like fantasy life that mold or saw

1360
00:57:05,890 --> 00:57:04,099
with his son yeah but like Mulder

1361
00:57:08,170 --> 00:57:05,900
envisioned this perfect life with his

1362
00:57:08,680 --> 00:57:08,180
son like playing baseball with him and

1363
00:57:11,140 --> 00:57:08,690

this and that

1364

00:57:13,089 --> 00:57:11,150

oh that's pretty cool I guess I should

1365

00:57:16,270 --> 00:57:13,099

go back and learn about William again

1366

00:57:18,460 --> 00:57:16,280

but then this season like we heard that

1367

00:57:20,920 --> 00:57:18,470

William was gonna be an integral part of

1368

00:57:22,780 --> 00:57:20,930

it and we were waiting to see how they

1369

00:57:24,160 --> 00:57:22,790

were gonna bring him into the x-files

1370

00:57:27,579 --> 00:57:24,170

and back into Mulder and Scully's life

1371

00:57:30,400 --> 00:57:27,589

and I thought this was pretty

1372

00:57:32,829 --> 00:57:30,410

interesting and definitely not the way I

1373

00:57:34,539 --> 00:57:32,839

thought it was gonna go for sure I I

1374

00:57:37,150 --> 00:57:34,549

don't know what to make of him so first

1375

00:57:38,859 --> 00:57:37,160

we did mention these two when these two

1376

00:57:40,660 --> 00:57:38,869

girls in the beginning you they end up

1377

00:57:43,120 --> 00:57:40,670

you know slicing and dicing one another

1378

00:57:46,470 --> 00:57:43,130

and then we find out that it's because

1379

00:57:51,460 --> 00:57:46,480

of van der Kemp is that was his

1380

00:57:53,650 --> 00:57:51,470

pseudonym Jackson camp yeah who to be

1381

00:57:54,940 --> 00:57:53,660

William he was adopted by the van der

1382

00:57:58,059 --> 00:57:54,950

camps and that's something that we found

1383

00:57:59,260 --> 00:57:58,069

out in season whenever Scully gives him

1384

00:58:04,180 --> 00:57:59,270

up for adoption isn't it like we found

1385

00:58:05,110 --> 00:58:04,190

that out well in that episode the my

1386

00:58:09,400 --> 00:58:05,120

struggle 3 didn't

1387

00:58:14,140 --> 00:58:09,410

krycek come and tell her sorry bender

1388

00:58:16,030 --> 00:58:14,150

I wish crisis me too I mean they brought

1389

00:58:19,990 --> 00:58:16,040

CSM back but they didn't bring krycek

1390

00:58:22,870 --> 00:58:20,000

back Ryan you and I just said that at

1391

00:58:25,150 --> 00:58:22,880

the exact same time one armed wonder

1392

00:58:26,590 --> 00:58:25,160

seriously but like but I thought that

1393

00:58:28,650 --> 00:58:26,600

that was something that actually was

1394

00:58:31,210 --> 00:58:28,660

known earlier on in the series as well

1395

00:58:32,710 --> 00:58:31,220

maybe Scully forgot or maybe Scully

1396

00:58:34,330 --> 00:58:32,720

never found out but somebody else did I

1397

00:58:35,740 --> 00:58:34,340

can't remember the details but yeah cuz

1398

00:58:37,750 --> 00:58:35,750

when they say van der cam she's like oh

1399

00:58:41,140 --> 00:58:37,760

yeah she doesn't realize no she realizes

1400

00:58:42,550 --> 00:58:41,150

if she remembers yeah okay I go to the

1401

00:58:44,770 --> 00:58:42,560

house she's like I don't need I'm

1402

00:58:45,880 --> 00:58:44,780

freaking out right now right and then

1403

00:58:47,290 --> 00:58:45,890

she gets in the car and drives and

1404

00:58:48,550 --> 00:58:47,300

that's not really he says I'm gonna feel

1405

00:58:53,740 --> 00:58:48,560

like I'm falling a flood she can't say

1406

00:58:58,660 --> 00:58:53,750

man I'm freaking out you know what to do

1407

00:59:00,220 --> 00:58:58,670

anymore I'm creepy yeah but yeah I

1408

00:59:02,620 --> 00:59:00,230

thought it was an interesting way to

1409

00:59:05,650 --> 00:59:02,630

introduce William to us but at the same

1410

00:59:07,920 --> 00:59:05,660

time I was kind of really turned off by

1411

00:59:12,490 --> 00:59:07,930

the fact that this dude is like a player

1412

00:59:14,470 --> 00:59:12,500

from this start watching this going okay

1413

00:59:16,900 --> 00:59:14,480

look you're young you're like 17 or

1414

00:59:19,570 --> 00:59:16,910

whatever yeah and like actually I think

1415

00:59:22,510 --> 00:59:19,580

it is I think he has 17 because I think

1416

00:59:24,550 --> 00:59:22,520

he is born in the year 2000 anyway

1417

00:59:25,840 --> 00:59:24,560

yeah whatever it doesn't matter and he's

1418

00:59:27,640 --> 00:59:25,850

like doing this you know he's like

1419

00:59:29,170 --> 00:59:27,650

seeing the two girls and I'm like okay

1420

00:59:32,260 --> 00:59:29,180

look you're young you don't understand

1421

00:59:33,880 --> 00:59:32,270

like the the greater world or whatever

1422

00:59:36,760 --> 00:59:33,890

there are some people who do

1423

00:59:39,190 --> 00:59:36,770

non-monogamy not like this yeah I mean

1424

00:59:42,100 --> 00:59:39,200

you do not know because he was like he's

1425

00:59:43,120 --> 00:59:42,110

like Mulder's son I don't believe the

1426

00:59:46,420 --> 00:59:43,130

see a son was telling the truth

1427

00:59:49,210 --> 00:59:46,430

I don't I'm pretty sure that's not gonna

1428

00:59:50,860 --> 00:59:49,220

be actually a thing but it better be or

1429

00:59:53,260 --> 00:59:50,870

maybe that's westphall thinking on but

1430

00:59:56,800 --> 00:59:53,270

yeah but anyway yeah I was like ah this

1431

00:59:58,540 --> 00:59:56,810

kids a douche and then like I started to

1432

01:00:01,240 --> 00:59:58,550

kind of reflect on like what I was like

1433

01:00:03,400 --> 01:00:01,250

at 17 and I'm like you know what I did

1434

01:00:05,200 --> 01:00:03,410

not see you know the forest beyond the

1435

01:00:07,390 --> 01:00:05,210

trees at that point I I wasn't thinking

1436

01:00:09,280 --> 01:00:07,400

about like how this would affect the two

1437

01:00:11,200 --> 01:00:09,290

girls they're like oh this would affect

1438

01:00:14,320 --> 01:00:11,210

anyone I was the center of the universe

1439

01:00:16,390 --> 01:00:14,330

when I was 17 right and I'm like okay if

1440

01:00:18,579 --> 01:00:16,400

I had these superpowers and I was able

1441

01:00:20,920 --> 01:00:18,589

to makes people perceive things like

1442

01:00:22,930 --> 01:00:20,930

maybe that'd be fun but like the fact

1443

01:00:24,459 --> 01:00:22,940

that he did this elaborate prank on two

1444

01:00:26,499 --> 01:00:24,469

people that he supposedly cared about

1445

01:00:29,229 --> 01:00:26,509

knowing full well that something like

1446

01:00:30,459 --> 01:00:29,239

really bad could happen I don't know I

1447

01:00:32,650 --> 01:00:30,469

don't know what to make of it I don't

1448

01:00:34,569 --> 01:00:32,660

know if I care about it I don't know so

1449

01:00:36,609 --> 01:00:34,579

wait are you saying that I'm not the

1450

01:00:40,359 --> 01:00:36,619

center of the universe I mean I would

1451

01:00:44,589 --> 01:00:40,369

take that back oh wait but I'm the

1452

01:00:50,259 --> 01:00:44,599

center you know I am teenager cafes

1453

01:00:51,759 --> 01:00:50,269

ladies yeah so you're so wait a minute

1454

01:00:53,380 --> 01:00:51,769

let me let me you wrap up everything

1455

01:00:57,630 --> 01:00:53,390

you're saying right you're saying hey

1456

01:00:59,979 --> 01:00:57,640

them wouldn't want to date him exactly

1457

01:01:01,150 --> 01:00:59,989

like he does say later when he needs

1458

01:01:03,009 --> 01:01:01,160

somebody's like oh I never meant for you

1459

01:01:06,969 --> 01:01:03,019

guys just stab each other but you're

1460

01:01:08,559 --> 01:01:06,979

like dude I mean yeah he's like you're

1461

01:01:11,289 --> 01:01:08,569

gonna you're gonna go see a monster like

1462

01:01:13,809 --> 01:01:11,299

you know arm yourself even not like

1463

01:01:15,819 --> 01:01:13,819

going on that abandoned chimera ship

1464

01:01:17,289 --> 01:01:15,829

like anything could happen it could have

1465

01:01:19,900 --> 01:01:17,299

fallen through they could have drowned

1466

01:01:23,890 --> 01:01:19,910

like come on dude I mean that's where

1467

01:01:25,719 --> 01:01:23,900

the kids go to smoke weed so which like

1468

01:01:27,759 --> 01:01:25,729

is not probably very far from the truth

1469

01:01:34,380 --> 01:01:27,769

like kids do stupid things like go into

1470

01:01:41,489 --> 01:01:38,589

yeah but do you mean talk about the fact

1471

01:01:44,229 --> 01:01:41,499

that the ship is called chimera yeah

1472

01:01:48,609 --> 01:01:44,239

yeah you wanna you wanna helm this

1473

01:02:00,940 --> 01:01:48,619

conversation helm this conversation good

1474

01:02:03,759 --> 01:02:00,950

job it's sink or swim now so yeah this

1475

01:02:05,410 --> 01:02:03,769

um this was pretty cool the ship was

1476
01:02:08,829 --> 01:02:05,420
called chimera which was a reference to

1477
01:02:09,729 --> 01:02:08,839
a season 7 episode of that name which

1478
01:02:12,309 --> 01:02:09,739
was hmm

1479
01:02:14,229 --> 01:02:12,319
from what I'm trying to remember I don't

1480
01:02:16,180 --> 01:02:14,239
remember the episode that clearly but it

1481
01:02:19,089 --> 01:02:16,190
had a lot to do with I think like a

1482
01:02:21,539 --> 01:02:19,099
mother wasn't it do you guys remember at

1483
01:02:25,499 --> 01:02:21,549
all I don't know this one very well oh

1484
01:02:28,630 --> 01:02:25,509
this one oh yeah this one we have the

1485
01:02:32,559 --> 01:02:28,640
housewife or something yes and then um

1486
01:02:35,769 --> 01:02:32,569
there's it's like it's like there is a

1487
01:02:37,689 --> 01:02:35,779
by a monster they can't see and they

1488
01:02:40,630 --> 01:02:37,699

think that it's somebody who's killing

1489

01:02:43,299 --> 01:02:40,640

someone else there's a bird yeah there's

1490

01:02:45,729 --> 01:02:43,309

all the birds are dying in this one no I

1491

01:02:46,659 --> 01:02:45,739

think the birds are attacking people

1492

01:02:50,499 --> 01:02:46,669

aren't they

1493

01:02:52,900 --> 01:02:50,509

no that's the movie called the bird but

1494

01:02:55,390 --> 01:02:52,910

like wikipedia says right here

1495

01:02:57,939 --> 01:02:55,400

oh please dig up Martha's body with claw

1496

01:02:59,679 --> 01:02:57,949

marks all over her face just right yeah

1497

01:03:02,259 --> 01:02:59,689

and they think it was a raven or

1498

01:03:04,059 --> 01:03:02,269

something yeah yeah yeah so it looks

1499

01:03:07,870 --> 01:03:04,069

like I mean the episode sort of centered

1500

01:03:10,299 --> 01:03:07,880

around like white suburban existence it

1501

01:03:12,189 --> 01:03:10,309

kind of like the undertones of that

1502

01:03:13,959 --> 01:03:12,199

world which I could sort of see

1503

01:03:17,319 --> 01:03:13,969

reflecting in this episode with like the

1504

01:03:19,599 --> 01:03:17,329

idea of creepypasta and these girls like

1505

01:03:21,309 --> 01:03:19,609

online and like they have nothing better

1506

01:03:24,489 --> 01:03:21,319

to do than create this fantasy world

1507

01:03:26,589 --> 01:03:24,499

around ghuli so maybe that's why they

1508

01:03:28,509 --> 01:03:26,599

chose chimeras the name of the ship I

1509

01:03:30,880 --> 01:03:28,519

don't know if we're getting too deep but

1510

01:03:32,709 --> 01:03:30,890

we do know that they love making

1511

01:03:35,620 --> 01:03:32,719

references to other episodes in this

1512

01:03:37,959 --> 01:03:35,630

that's true I mean maybe it could also

1513

01:03:40,419 --> 01:03:37,969

just be a reference to the legendary

1514

01:03:41,709 --> 01:03:40,429

creature chimera yeah that type has all

1515

01:03:43,299 --> 01:03:41,719

those many different parts that are you

1516

01:03:44,499 --> 01:03:43,309

go together so the story has all these

1517

01:03:45,669 --> 01:03:44,509

different parts are kind of sewn

1518

01:03:47,649 --> 01:03:45,679

together it's like doesn't the chimera

1519

01:03:49,120 --> 01:03:47,659

have like different like its its body

1520

01:03:51,219 --> 01:03:49,130

parts are from different animals yeah

1521

01:03:51,669 --> 01:03:51,229

right so that could be part of it too I

1522

01:03:53,919 --> 01:03:51,679

don't know

1523

01:03:56,019 --> 01:03:53,929

yeah yeah not sure what to read about

1524

01:03:58,149 --> 01:03:56,029

like how to read into that text it's

1525

01:04:01,870 --> 01:03:58,159

deep for sure deep like the see that the

1526

01:04:06,509 --> 01:04:01,880

chimera floats uh it was kind of a

1527

01:04:09,009 --> 01:04:06,519

shallow base so it was kind of that was

1528

01:04:12,929 --> 01:04:09,019

yeah probably yeah I did a lot of north

1529

01:04:15,189 --> 01:04:12,939

fan filming oh the waves the waves where

1530

01:04:20,349 --> 01:04:15,199

Mulder keeps getting called Bob which we

1531

01:04:22,870 --> 01:04:20,359

should talk about briefly that's a sorry

1532

01:04:27,609 --> 01:04:22,880

that coffee shop is a waves in North

1533

01:04:29,229 --> 01:04:27,619

Vancouver it's an actual place it is

1534

01:04:31,539 --> 01:04:29,239

yeah I mean they didn't say the name of

1535

01:04:33,429 --> 01:04:31,549

the coffee shop in the show but um and

1536

01:04:37,419 --> 01:04:33,439

I'm just happen to know it was filmed in

1537

01:04:40,959 --> 01:04:37,429

a way yeah I just wanted to say that

1538

01:04:42,849 --> 01:04:40,969

that's where that was built and Jackson

1539

01:04:45,890 --> 01:04:42,859

van de Kamp's house is like such a

1540

01:04:47,510 --> 01:04:45,900

Vancouver like it Solano

1541

01:04:49,490 --> 01:04:47,520

like two million dollar house come on Oh

1542

01:04:51,829 --> 01:04:49,500

God I guess they're supposed to be in

1543

01:04:53,930 --> 01:04:51,839

Virginia I think but yeah it's

1544

01:04:55,819 --> 01:04:53,940

interesting too like when when William

1545

01:04:58,339 --> 01:04:55,829

was put up for adoption and whatnot we

1546

01:05:01,130 --> 01:04:58,349

we thought like we're gonna see a very

1547

01:05:04,430 --> 01:05:01,140

like down out of his luck sort of

1548

01:05:06,680 --> 01:05:04,440

teenager super like dark and and twisted

1549

01:05:08,299 --> 01:05:06,690

and he kind of is obviously because of

1550

01:05:10,450 --> 01:05:08,309

you know what he's going through

1551

01:05:13,099 --> 01:05:10,460

but he lives with these amazing

1552

01:05:15,349 --> 01:05:13,109

supportive parents who you know are

1553

01:05:17,690 --> 01:05:15,359

really taking care of him so it's

1554

01:05:21,079 --> 01:05:17,700

interesting to see you know what the

1555

01:05:23,390 --> 01:05:21,089

future kind of held for him and where he

1556

01:05:25,549 --> 01:05:23,400

is at right now in his life and you know

1557

01:05:28,400 --> 01:05:25,559

that Scully are now coming into it and

1558

01:05:31,099 --> 01:05:28,410

all this is going down I I do want to

1559

01:05:36,620 --> 01:05:31,109

thoughts about that hmm first of all

1560

01:05:39,140 --> 01:05:36,630

that bedroom has planets and baseball

1561

01:05:41,210 --> 01:05:39,150

stuff yes how could that not be Mulder's

1562

01:05:42,920 --> 01:05:41,220

son come on I'm not the only person who

1563

01:05:44,809 --> 01:05:42,930

has pointed this out but like I just

1564

01:05:48,349 --> 01:05:44,819

want to say it absolutely

1565

01:05:49,880 --> 01:05:48,359

he's like top secret FBI or government

1566

01:05:52,039 --> 01:05:49,890

files come on

1567

01:05:54,920 --> 01:05:52,049

I know the secret hidden computer

1568

01:05:59,960 --> 01:05:54,930

obviously this is all genetics you know

1569

01:06:00,829 --> 01:05:59,970

like all that stuff is no toddler no but

1570

01:06:02,019 --> 01:06:00,839

the other thing I wanted to talk about

1571

01:06:06,049 --> 01:06:02,029

was um

1572

01:06:09,769 --> 01:06:06,059

Kelly's monologue she William one of the

1573

01:06:11,440 --> 01:06:09,779

more in season that has been a like cuz

1574

01:06:14,120 --> 01:06:11,450

and this one in the last season to

1575

01:06:16,760 --> 01:06:14,130

really delved into the I like motherhood

1576

01:06:17,539 --> 01:06:16,770

what does it mean to be a mother all the

1577

01:06:19,370 --> 01:06:17,549

time yeah

1578

01:06:21,650 --> 01:06:19,380

like he likes talking about that and so

1579

01:06:24,500 --> 01:06:21,660

Scully's been steeped in that for a

1580

01:06:26,539 --> 01:06:24,510

while yeah but now she's face to face

1581

01:06:28,400 --> 01:06:26,549

with her son and she doesn't even get

1582

01:06:31,579 --> 01:06:28,410

shocked him because he's cold unquote

1583

01:06:34,160 --> 01:06:31,589

dead right and I I think we should play

1584

01:06:40,720 --> 01:06:34,170

a clip here of the monologue I don't

1585

01:06:40,730 --> 01:06:45,820

but if you are William

1586

01:06:56,530 --> 01:06:52,690

this is what I'd say I'm sorry

1587

01:07:00,819 --> 01:06:56,540

I'm so sorry that I didn't get a chance

1588

01:07:06,870 --> 01:07:00,829

to know you or you gonna chance to know

1589

01:07:14,099 --> 01:07:10,859

I gave you up for adoption not because I

1590

01:07:19,170 --> 01:07:14,109

didn't want you or because you were any

1591

01:07:27,990 --> 01:07:19,180

less loved I was trying to keep you safe

1592

01:07:29,789 --> 01:07:28,000

I hope you know that and maybe maybe I

1593

01:07:34,170 --> 01:07:29,799

should have had the courage to stand by

1594

01:07:36,210 --> 01:07:34,180

you but I thought I was being strong

1595

01:07:47,359 --> 01:07:36,220

because it was the hardest thing I've

1596

01:07:53,510 --> 01:07:47,369

ever done to let go I don't know that I

1597

01:07:58,000 --> 01:07:55,580

but it turns out that this is the

1598

01:07:58,010 --> 01:08:07,980

to see the oak and I failed you

1599

01:08:22,030 --> 01:08:12,819

yeah I need you to know that I never

1600

01:08:26,229 --> 01:08:22,040

forgot you and I thought I felt even

1601
01:08:48,930 --> 01:08:26,239
recently that we were gonna somehow be

1602
01:08:55,749 --> 01:08:52,749
and that's so tragic because he was

1603
01:08:59,140 --> 01:08:55,759
awake and he heard everything that she

1604
01:09:00,249 --> 01:08:59,150
said and then he sees the girls in the

1605
01:09:02,320 --> 01:09:00,259
hospital later and he's like oh there

1606
01:09:03,400 --> 01:09:02,330
was this woman like she like talked to

1607
01:09:04,360 --> 01:09:03,410
me I don't know I think she might be my

1608
01:09:07,240 --> 01:09:04,370
birth mother or something like he

1609
01:09:11,079 --> 01:09:07,250
completely brushes it off and I was like

1610
01:09:12,999 --> 01:09:11,089
that is so 17 year old boy I don't know

1611
01:09:15,430 --> 01:09:13,009
maybe it was probably the most important

1612
01:09:18,490 --> 01:09:15,440
moment in my life who knows yeah I mean

1613
01:09:21,970 --> 01:09:18,500

we get it later on in the episode when

1614

01:09:24,459 --> 01:09:21,980

you see him on the security camera like

1615

01:09:26,140 --> 01:09:24,469

footage and you see that it's him

1616

01:09:27,400 --> 01:09:26,150

and he says you know I really I wish I

1617

01:09:28,780 --> 01:09:27,410

could have known you like you seemed

1618

01:09:31,539 --> 01:09:28,790

like a really good person or whatever he

1619

01:09:33,280 --> 01:09:31,549

says and then oh my god like Scully and

1620

01:09:35,079 --> 01:09:33,290

Mulder like standing there and Mulder

1621

01:09:36,910 --> 01:09:35,089

has his hand on her shoulder and she's

1622

01:09:39,760 --> 01:09:36,920

like crying and smiling at the same time

1623

01:09:41,229 --> 01:09:39,770

een it's just amazing yeah but it's just

1624

01:09:43,300 --> 01:09:41,239

really interesting like he kind of

1625

01:09:46,120 --> 01:09:43,310

brushes that whole monologue off but

1626
01:09:47,740 --> 01:09:46,130
then maybe maybe he did really hear it

1627
01:09:49,229 --> 01:09:47,750
and maybe he did feel something from it

1628
01:09:53,829 --> 01:09:49,239
and kind of see later in the episode

1629
01:09:55,990 --> 01:09:53,839
yeah it's his power of like distorting

1630
01:09:57,520 --> 01:09:56,000
people's perception I think we're gonna

1631
01:09:59,860 --> 01:09:57,530
see a lot more of what he's actually

1632
01:10:02,830 --> 01:09:59,870
capable of I feel in like probably the

1633
01:10:10,240 --> 01:10:02,840
last episode maybe yeah he's coming back

1634
01:10:12,070 --> 01:10:10,250
edgar cayce in this one I think I'm

1635
01:10:14,260 --> 01:10:12,080
really feeling your mystical presence

1636
01:10:20,110 --> 01:10:14,270
here you know I'm holding a key in my

1637
01:10:22,180 --> 01:10:20,120
hand in two metal balls in the other but

1638
01:10:24,520 --> 01:10:22,190

yeah I'm interested to see like what

1639

01:10:26,830 --> 01:10:24,530

other abilities he has but the fact that

1640

01:10:29,500 --> 01:10:26,840

like throughout the episode it's kind of

1641

01:10:31,870 --> 01:10:29,510

he's trying to learn more about his

1642

01:10:34,090 --> 01:10:31,880

mother not his father which I think is

1643

01:10:36,430 --> 01:10:34,100

pretty interesting and Mulder as well

1644

01:10:39,010 --> 01:10:36,440

just kind of seems like he wants nothing

1645

01:10:40,780 --> 01:10:39,020

to do with it and he noticed that I know

1646

01:10:43,390 --> 01:10:40,790

what I mean like he were hears about

1647

01:10:45,790 --> 01:10:43,400

Scully that's it and I love that like

1648

01:10:48,790 --> 01:10:45,800

they're soulmates he looks out for her

1649

01:10:51,400 --> 01:10:48,800

first and foremost he always has but I

1650

01:10:52,860 --> 01:10:51,410

find it really excited you are about

1651

01:10:57,430 --> 01:10:52,870

this right now

1652

01:10:58,890 --> 01:10:57,440

what's the S word you just used I think

1653

01:11:00,069 --> 01:10:58,900

he was talking about William but Scully

1654

01:11:03,390 --> 01:11:00,079

right

1655

01:11:04,990 --> 01:11:03,400

you talk about Mulder and Scully yeah

1656

01:11:06,250 --> 01:11:05,000

yeah I think you're talking about

1657

01:11:08,680 --> 01:11:06,260

soulmates not in this sense of like

1658

01:11:10,930 --> 01:11:08,690

romantic but like you know some people

1659

01:11:12,640 --> 01:11:10,940

think that like you know like their bond

1660

01:11:14,560 --> 01:11:12,650

is deeper Scullion yeah

1661

01:11:15,970 --> 01:11:14,570

and Williams cuz they're you know mother

1662

01:11:17,830 --> 01:11:15,980

and son well something that I found

1663

01:11:19,959 --> 01:11:17,840

interesting to kind of like on from

1664

01:11:21,520 --> 01:11:19,969

another angle is that he because he

1665

01:11:22,870 --> 01:11:21,530

doesn't have any interaction really with

1666

01:11:26,260 --> 01:11:22,880

Mulder he only has interaction with

1667

01:11:28,600 --> 01:11:26,270

Scully is that the writers or you know

1668

01:11:28,839 --> 01:11:28,610

Chris Carter or whoever trying to tell

1669

01:11:31,060 --> 01:11:28,849

us

1670

01:11:34,689 --> 01:11:31,070

suddenly that Mulder is not his father

1671

01:11:36,459 --> 01:11:34,699

right and I I remember reading in an

1672

01:11:37,930 --> 01:11:36,469

interview with James Wong that he didn't

1673

01:11:40,600 --> 01:11:37,940

know about the cigarette smoking man

1674

01:11:41,680 --> 01:11:40,610

thing when he wrote this episode okay

1675

01:11:44,140 --> 01:11:41,690

but that doesn't mean that things

1676

01:11:47,589 --> 01:11:44,150

weren't changed later right yes that's

1677

01:11:49,060 --> 01:11:47,599

that's very true but yeah also like if

1678

01:11:50,740 --> 01:11:49,070

he was Mulder's quote/unquote brother

1679

01:12:01,959 --> 01:11:50,750

like they might have somewhere yeah

1680

01:12:07,839 --> 01:12:01,969

that's a good point too yeah cuz that

1681

01:12:10,839 --> 01:12:07,849

just is so William B Davis we love you

1682

01:12:12,580 --> 01:12:10,849

but we love you amazing actor yeah if

1683

01:12:14,490 --> 01:12:12,590

you could just move fossa it for the

1684

01:12:17,260 --> 01:12:14,500

next couple of episodes that's great

1685

01:12:22,419 --> 01:12:17,270

comeback comeback in the cloud but don't

1686

01:12:24,280 --> 01:12:22,429

really be around I almost like jumped

1687

01:12:27,069 --> 01:12:24,290

out of my seat when William was about to

1688

01:12:28,990 --> 01:12:27,079

get up and confront Mulder and Scully I

1689

01:12:34,270 --> 01:12:29,000

was like oh my god yes finally finally

1690

01:12:36,430 --> 01:12:34,280

finally no and it didn't happen oh god

1691

01:12:40,359 --> 01:12:36,440

that was such an amazing there were some

1692

01:12:41,979 --> 01:12:40,369

just some images and you know small

1693

01:12:43,839 --> 01:12:41,989

moments in this episode that I think

1694

01:12:47,379 --> 01:12:43,849

like are the pinnacle of the entire

1695

01:12:49,240 --> 01:12:47,389

series like the monologue by Scully God

1696

01:12:52,770 --> 01:12:49,250

that last moment of seeing him on the

1697

01:12:55,930 --> 01:12:52,780

camera and like just that look of like

1698

01:12:57,970 --> 01:12:55,940

resolution and closure for Scully in

1699

01:13:00,790 --> 01:12:57,980

some ways like it ain't over by a long

1700

01:13:03,520 --> 01:13:00,800

shot but like Justin no he's still there

1701

01:13:05,290 --> 01:13:03,530

and that he reached out to her like god

1702

01:13:08,589 --> 01:13:05,300

I can't even imagine as a mother like

1703

01:13:10,450 --> 01:13:08,599

what that must have meant to her yeah at

1704

01:13:11,770 --> 01:13:10,460

the same time like Eve both times that I

1705

01:13:13,870 --> 01:13:11,780

watched this episode I got to the end of

1706

01:13:16,390 --> 01:13:13,880

the episode and I just was like weird

1707

01:13:18,580 --> 01:13:16,400

go from here like I felt kind of I felt

1708

01:13:21,640 --> 01:13:18,590

hopeful but I also just felt kind of

1709

01:13:23,500 --> 01:13:21,650

like empty in a weird way I can't really

1710

01:13:26,470 --> 01:13:23,510

describe it it was kind of like I just

1711

01:13:28,810 --> 01:13:26,480

don't know where we go from here

1712

01:13:33,250 --> 01:13:28,820

I think a big part of that at least

1713

01:13:34,990 --> 01:13:33,260

personally is that we're going to

1714

01:13:37,450 --> 01:13:35,000

inevitably end with a Chris Carter

1715

01:13:39,100 --> 01:13:37,460

episode at least with this season yeah

1716

01:13:42,010 --> 01:13:39,110

god knows if it's ever gonna continue

1717

01:13:44,080 --> 01:13:42,020

after that but like knowing impending

1718

01:13:46,450 --> 01:13:44,090

that we have to see my struggle for

1719

01:13:47,830 --> 01:13:46,460

we're like oh maybe that's what I was

1720

01:13:50,080 --> 01:13:47,840

feeling right there right know what I

1721

01:13:52,180 --> 01:13:50,090

mean just this emptiness of like we're

1722

01:13:53,860 --> 01:13:52,190

gonna get some sort of wrap up by Chris

1723

01:13:57,070 --> 01:13:53,870

Cartland and these my struggle episodes

1724

01:13:58,959 --> 01:13:57,080

don't go over well they never have so

1725

01:14:02,439 --> 01:13:58,969

it's like we're getting this beautiful

1726

01:14:05,350 --> 01:14:02,449

writing by Wong and Morgan and we have

1727

01:14:07,149 --> 01:14:05,360

to end with the mythology and I don't

1728

01:14:10,149 --> 01:14:07,159

know I did I know what you mean like

1729

01:14:12,550 --> 01:14:10,159

it's a beautiful episode but again it

1730

01:14:14,439 --> 01:14:12,560

all seems a little rushed yes we get ten

1731

01:14:16,149 --> 01:14:14,449

episodes this time but I still feel like

1732

01:14:17,919 --> 01:14:16,159

that's not enough for the stakes that

1733

01:14:19,870 --> 01:14:17,929

they're trying to do at least it doesn't

1734

01:14:22,240 --> 01:14:19,880

feel as rushed as he's intended he's not

1735

01:14:23,680 --> 01:14:22,250

gonna was ridiculous but yeah you're

1736

01:14:25,899 --> 01:14:23,690

right it's still pretty rushed yeah

1737

01:14:27,879 --> 01:14:25,909

that's my part I mean it needs to be

1738

01:14:34,209 --> 01:14:27,889

that we would get 20 plus episodes in a

1739

01:14:40,959 --> 01:14:34,219

season drag it out from Crytek's arm to

1740

01:14:45,970 --> 01:14:40,969

finally follow really and then finally

1741

01:14:47,260 --> 01:14:45,980

he's got the fake I'm excited to see

1742

01:14:48,640 --> 01:14:47,270

where this is all going to end up even

1743

01:14:50,910 --> 01:14:48,650

if we have to end with a Chris Carter

1744

01:14:52,810 --> 01:14:50,920

episode but it's still kind of like

1745

01:14:55,180 --> 01:14:52,820

what's gonna happen

1746

01:14:57,310 --> 01:14:55,190

well yeah cuz I'm scared at this point

1747

01:14:59,229 --> 01:14:57,320

we we know like the next one is an

1748

01:15:00,910 --> 01:14:59,239

origin story for Skinner but then we

1749

01:15:03,610 --> 01:15:00,920

know nothing about what's coming after

1750

01:15:06,820 --> 01:15:03,620

that so that's exciting yeah there's one

1751

01:15:09,250 --> 01:15:06,830

episode on IMDB that has a name it's

1752

01:15:11,500 --> 01:15:09,260

kitten which is the Skinner episode

1753

01:15:13,149 --> 01:15:11,510

mm-hmm which is episode 6 right so then

1754

01:15:14,260 --> 01:15:13,159

there's one more episode that we don't

1755

01:15:16,510 --> 01:15:14,270

know the name of and then I think it's

1756

01:15:20,229 --> 01:15:16,520

an episode 8 is called

1757

01:15:21,790 --> 01:15:20,239

a shoot I'll have to look it up um I'm

1758

01:15:25,310 --> 01:15:21,800

just gonna look on IMDB real quick but

1759

01:15:27,740 --> 01:15:25,320

anyway so episode 8 has a title and

1760

01:15:31,610 --> 01:15:27,750

then nine and ten don't have titles yet

1761

01:15:33,650 --> 01:15:31,620

I think so let me see here yeah so

1762

01:15:36,740 --> 01:15:33,660

Episode eight is nothing lasts forever

1763

01:15:38,960 --> 01:15:36,750

and there's a little picture here on

1764

01:15:41,720 --> 01:15:38,970

IMDB and it's Mulder and Scully in front

1765

01:15:42,140 --> 01:15:41,730

of stained glass stained glass oh my

1766

01:15:45,590 --> 01:15:42,150

goodness

1767

01:15:48,890 --> 01:15:45,600

but Scully's hair is short ah well like

1768

01:15:52,400 --> 01:15:48,900

it's cut to above her shoulders what is

1769

01:15:53,870 --> 01:15:52,410

she new or is it a weird flashback to

1770

01:15:56,120 --> 01:15:53,880

something we never saw before

1771

01:15:59,180 --> 01:15:56,130

hey great but I mean how could they do

1772

01:16:01,850 --> 01:15:59,190

that I'm sorry Mulder looks aged sorry

1773

01:16:05,630 --> 01:16:01,860

David Duchovny well you know they can do

1774

01:16:08,540 --> 01:16:05,640

wonders with CGI these days that's very

1775

01:16:09,830 --> 01:16:08,550

true and it is 2018 and not 1993 so they

1776

01:16:13,340 --> 01:16:09,840

might actually be able to do something

1777

01:16:15,140 --> 01:16:13,350

that looks halfway decent I mean if we

1778

01:16:16,970 --> 01:16:15,150

could put Carrie Fisher into a movie now

1779

01:16:20,110 --> 01:16:16,980

I think they can pretty much do anything

1780

01:16:24,080 --> 01:16:20,120

and Disney owns Fox now so there you go

1781

01:16:25,460 --> 01:16:24,090

parts of Fox which is too bad because I

1782

01:16:28,400 --> 01:16:25,470

kind of wanted them to take Fox News but

1783

01:16:30,380 --> 01:16:28,410

anyway her hair is really cut I think

1784

01:16:32,950 --> 01:16:30,390

that you I think she might just be at a

1785

01:16:35,180 --> 01:16:32,960

weird angle no because then I saw

1786

01:16:36,920 --> 01:16:35,190

another picture of her where she and

1787

01:16:38,150 --> 01:16:36,930

David Duchovny are like sitting there

1788

01:16:39,980 --> 01:16:38,160

and they're being interviewed or

1789

01:16:41,900 --> 01:16:39,990

something and she has her hair it's like

1790

01:16:43,000 --> 01:16:41,910

a short red haired wig nothing lasts

1791

01:16:48,440 --> 01:16:43,010

forever

1792

01:16:52,490 --> 01:16:48,450

like her hair I hope this isn't like

1793

01:16:54,680 --> 01:16:52,500

this equal to Milagro oh god which one

1794

01:16:57,050 --> 01:16:54,690

was that though a bird they she spent

1795

01:16:59,720 --> 01:16:57,060

the whole episode in the church yeah oh

1796

01:17:00,980 --> 01:16:59,730

yeah kind of looking forward to podcast

1797

01:17:02,090 --> 01:17:00,990

me that what though yeah it's good

1798

01:17:04,400 --> 01:17:02,100

episode it's good actually

1799

01:17:06,320 --> 01:17:04,410

oh yeah the guy who's in that episode

1800

01:17:08,270 --> 01:17:06,330

like grew up with a friend of mine I do

1801

01:17:11,780 --> 01:17:08,280

wonder like for you guys there must be

1802

01:17:13,940 --> 01:17:11,790

so many like small you know seven what

1803

01:17:18,230 --> 01:17:13,950

is it like things of separation living

1804

01:17:20,270 --> 01:17:18,240

in Vancouver like oh no the series were

1805

01:17:23,030 --> 01:17:20,280

shot there and a lot of the actors it's

1806

01:17:25,490 --> 01:17:23,040

so obvious there you know by their

1807

01:17:28,490 --> 01:17:25,500

accents where they're from I would

1808

01:17:30,140 --> 01:17:28,500

really like to get the girl who played

1809

01:17:31,760 --> 01:17:30,150

one of the girls in this episode the

1810

01:17:34,160 --> 01:17:31,770

blonde one shoot I'm forgetting her name

1811

01:17:35,480 --> 01:17:34,170

I think it might be Madeleine Albert or

1812

01:17:36,920 --> 01:17:35,490

something like that mm-hmm

1813

01:17:38,840 --> 01:17:36,930

and it would be so fun to get her on the

1814

01:17:42,530 --> 01:17:38,850

podcast I'll have to see if I can find

1815

01:17:44,240 --> 01:17:42,540

agent or somebody yeah so I'm really

1816

01:17:47,660 --> 01:17:44,250

excited for the future there's one thing

1817

01:17:51,500 --> 01:17:47,670

we didn't talk about yet Bob oh what

1818

01:17:55,370 --> 01:17:51,510

about Bob say I wasn't gonna say that I

1819

01:17:57,860 --> 01:17:55,380

was gonna say the the project that yes

1820

01:18:00,830 --> 01:17:57,870

oh yeah you know I'm talking about

1821

01:18:02,330 --> 01:18:00,840

project crossroads crossroads have we

1822

01:18:10,220 --> 01:18:02,340

heard about project crossroads before in

1823

01:18:14,450 --> 01:18:10,230

the x-files I don't right we know that

1824

01:18:17,180 --> 01:18:14,460

Scully was abducted and that like like

1825

01:18:20,180 --> 01:18:17,190

apparently this is the project that made

1826

01:18:21,320 --> 01:18:20,190

her and William have alien and human DNA

1827

01:18:23,570 --> 01:18:21,330

right ha

1828

01:18:25,910 --> 01:18:23,580

thanks to smoking man yeah yeah that's

1829

01:18:27,140 --> 01:18:25,920

interesting cuz like it kinda came out

1830

01:18:29,390 --> 01:18:27,150

in nowhere and I thought it was

1831

01:18:31,730 --> 01:18:29,400

interesting that Skinner was the one to

1832

01:18:33,140 --> 01:18:31,740

tell molder about it like I don't know

1833

01:18:34,940 --> 01:18:33,150

what to make of Skinner yet and I think

1834

01:18:37,160 --> 01:18:34,950

that's again the brilliance of the

1835

01:18:39,140 --> 01:18:37,170

writing of his character we never know

1836

01:18:41,060 --> 01:18:39,150

whether to trust him or not but the fact

1837

01:18:43,370 --> 01:18:41,070

that like he divulged project crossroads

1838

01:18:45,800 --> 01:18:43,380

to Mulder in this episode it's pretty

1839

01:18:48,110 --> 01:18:45,810

interesting and it kind of came out of

1840

01:18:49,580 --> 01:18:48,120

left field to you know this this

1841

01:18:52,670 --> 01:18:49,590

eugenics project that they've been

1842

01:18:54,350 --> 01:18:52,680

working on for so long and you know and

1843

01:18:57,260 --> 01:18:54,360

then at the end of this episode which I

1844

01:19:00,890 --> 01:18:57,270

thought was weird is that supposedly

1845

01:19:02,600 --> 01:19:00,900

Scully thought that the guy in charge of

1846

01:19:04,760 --> 01:19:02,610

the project was the dude she was talking

1847

01:19:07,370 --> 01:19:04,770

to at the gas station oh my come on

1848

01:19:09,020 --> 01:19:07,380

Scully you know out of nowhere ask this

1849

01:19:10,760 --> 01:19:09,030

guy at a gas station were you in charge

1850

01:19:13,610 --> 01:19:10,770

of this top-secret government project

1851

01:19:15,530 --> 01:19:13,620

like I know she's like are you dr. Matsu

1852

01:19:17,000 --> 01:19:15,540

moto or whatever yeah no I didn't even

1853

01:19:18,890 --> 01:19:17,010

finish high school which by the way if

1854

01:19:20,990 --> 01:19:18,900

he if that's William which it is he

1855

01:19:23,840 --> 01:19:21,000

hasn't finished high school exactly yeah

1856

01:19:25,010 --> 01:19:23,850

but yeah then if he's like oh yeah

1857

01:19:26,690 --> 01:19:25,020

that's me why do you ask

1858

01:19:28,820 --> 01:19:26,700

oh you're that doctor for a blahblah

1859

01:19:31,100 --> 01:19:28,830

like she keeps on seeing and she keeps

1860

01:19:32,810 --> 01:19:31,110

on seeing random places right well

1861

01:19:34,580 --> 01:19:32,820

that's another crazy thing about the

1862

01:19:36,680 --> 01:19:34,590

fact that he makes himself look like

1863

01:19:38,540 --> 01:19:36,690

that pickup artist it's like okay he's

1864

01:19:40,730 --> 01:19:38,550

got a pickup artist book in his room

1865

01:19:44,660 --> 01:19:40,740

he's a player who has two girlfriends

1866

01:19:46,730 --> 01:19:44,670

come on William just come on like what

1867

01:19:49,460 --> 01:19:46,740

kind of a player are you what kind of an

1868

01:19:52,310 --> 01:19:49,470

adult are you going to be I just laughs

1869

01:19:54,470 --> 01:19:52,320

yeah I don't I just don't see a

1870

01:19:56,720 --> 01:19:54,480

good future for William at all I don't

1871

01:20:01,010 --> 01:19:56,730

see their this can't end happy

1872

01:20:03,250 --> 01:20:01,020

it can't either his real dad's not the

1873

01:20:14,240 --> 01:20:03,260

circus monkey man it's Morris Fletcher

1874

01:20:15,649 --> 01:20:14,250

no oh less Lebanese I thought no what

1875

01:20:16,669 --> 01:20:15,659

does he say Oh lesbian I thought you

1876

01:20:18,760 --> 01:20:16,679

said Lebanese or maybe it's the other

1877

01:20:20,899 --> 01:20:18,770

way around in the Lone Gunmen yeah

1878

01:20:22,490 --> 01:20:20,909

Lebanese I thought you said lesbian I

1879

01:20:25,640 --> 01:20:22,500

don't remember what it was

1880

01:20:28,459 --> 01:20:25,650

so yeah so dr. Matsumoto he burned all

1881

01:20:29,510 --> 01:20:28,469

the files to protect the subjects and

1882

01:20:31,280 --> 01:20:29,520

then he disappeared and everyone's

1883

01:20:32,959 --> 01:20:31,290

trying to track them down what episode

1884

01:20:34,970 --> 01:20:32,969

was that was that did they talk about

1885

01:20:38,089 --> 01:20:34,980

this and that in this episode or did

1886

01:20:39,740 --> 01:20:38,099

that happen in the past maybe they did

1887

01:20:41,240 --> 01:20:39,750

yeah yeah I think that's what kind of

1888

01:20:43,280 --> 01:20:41,250

what Skinner was getting at with molder

1889

01:20:45,319 --> 01:20:43,290

yeah okay but we haven't seen that

1890

01:20:46,879 --> 01:20:45,329

happen in the past no it's it's really

1891

01:20:49,040 --> 01:20:46,889

crazy because I'm watching this like as

1892

01:20:50,810 --> 01:20:49,050

an audience member and going you know

1893

01:20:53,990 --> 01:20:50,820

okay I thought we always knew that

1894

01:20:55,430 --> 01:20:54,000

Scully had alien DNA and whatever I

1895

01:20:57,229 --> 01:20:55,440

thought we always knew some things about

1896

01:20:59,270 --> 01:20:57,239

William but I'm forgetting which

1897

01:21:01,459 --> 01:20:59,280

characters know what about the story

1898

01:21:02,870 --> 01:21:01,469

right and I think that's where this show

1899

01:21:05,600 --> 01:21:02,880

is always kind of suffered it's like

1900

01:21:08,000 --> 01:21:05,610

there's so much convoluted things that

1901

01:21:10,399 --> 01:21:08,010

we we forget about because it's spoken

1902

01:21:13,220 --> 01:21:10,409

of in like one line and never again plus

1903

01:21:15,470 --> 01:21:13,230

it was like 17 years ago and when the

1904

01:21:20,169 --> 01:21:15,480

show ended yeah everything that we

1905

01:21:22,550 --> 01:21:20,179

learned on season 8 9 nobody remembers

1906

01:21:23,629 --> 01:21:22,560

it's it's just really hard to keep it

1907

01:21:24,770 --> 01:21:23,639

all straight and that's something we've

1908

01:21:26,540 --> 01:21:24,780

been saying since we even started this

1909

01:21:27,890 --> 01:21:26,550

podcast and when Amanda was on the

1910

01:21:29,810 --> 01:21:27,900

podcast with us she was like I don't

1911

01:21:30,290 --> 01:21:29,820

know what's going on poor Amanda poor

1912

01:21:32,060 --> 01:21:30,300

Amanda

1913

01:21:35,510 --> 01:21:32,070

we're like don't ask questions we have

1914

01:21:38,600 --> 01:21:35,520

the benefit of hindsight man yep this is

1915

01:21:40,459 --> 01:21:38,610

a crazy episode yeah I you know overall

1916

01:21:42,770 --> 01:21:40,469

I loved it just to get that out there

1917

01:21:45,260 --> 01:21:42,780

like I thought it was really good

1918

01:21:49,040 --> 01:21:45,270

writing it it was a great character

1919

01:21:50,660 --> 01:21:49,050

exploration for Scully and you know I I

1920

01:21:53,169 --> 01:21:50,670

look forward to seeing what happens with

1921

01:21:55,879 --> 01:21:53,179

William totally agree 100%

1922

01:21:58,399 --> 01:21:55,889

there's good stuff on the horizon yeah

1923

01:22:00,109 --> 01:21:58,409

definitely well I don't know cuz like I

1924

01:22:02,810 --> 01:22:00,119

don't know if William is gonna have a

1925

01:22:04,580 --> 01:22:02,820

good ending I hope so but I don't know

1926

01:22:06,270 --> 01:22:04,590

if he will there's like this instinct in

1927

01:22:08,280 --> 01:22:06,280

me going what at the x-file

1928

01:22:10,320 --> 01:22:08,290

goes on to season 12 and they just

1929

01:22:12,780 --> 01:22:10,330

follow William around or what if William

1930

01:22:16,530 --> 01:22:12,790

and Gibson actually were friends like

1931

01:22:17,640 --> 01:22:16,540

you've talked about oh my god someone

1932

01:22:19,320 --> 01:22:17,650

they need to bring back

1933

01:22:22,200 --> 01:22:19,330

you should have Jeff coca and you're on

1934

01:22:24,240 --> 01:22:22,210

your podcast he's fun yeah really yeah

1935

01:22:26,670 --> 01:22:24,250

so much fun yeah hopefully we'll have

1936

01:22:30,620 --> 01:22:26,680

him on again sometime cool how old is he

1937

01:22:33,780 --> 01:22:30,630

now uh he's our age okay yeah he's about

1938

01:22:35,370 --> 01:22:33,790

he's in his 30s is we like talk to him

1939

01:22:37,140 --> 01:22:35,380

like before is thirty like the day

1940

01:22:38,430 --> 01:22:37,150

before is there oh yeah that's right I'm

1941

01:22:42,990 --> 01:22:38,440

going up for my birthday right

1942

01:22:45,780 --> 01:22:43,000

ah bed sauce he's super approachable and

1943

01:22:48,030 --> 01:22:45,790

early nice cool anyway okay so we've

1944

01:22:50,700 --> 01:22:48,040

been going on for quite a while I think

1945

01:22:52,080 --> 01:22:50,710

I think everything that I wanted to say

1946

01:22:58,020 --> 01:22:52,090

I've said except for Bob we haven't

1947

01:23:00,900 --> 01:22:58,030

realized so Bob is the name of a certain

1948

01:23:06,170 --> 01:23:00,910

part of Mulder's anatomy that the fandom

1949

01:23:11,460 --> 01:23:08,460

I'm a late bloomer to the x-files

1950

01:23:14,720 --> 01:23:11,470

internet fandom so I had no idea about

1951

01:23:20,280 --> 01:23:14,730

this until Lindsay our friend told me

1952

01:23:22,740 --> 01:23:20,290

okay Wow I see i thought bob was that

1953

01:23:25,230 --> 01:23:22,750

weird dude that keeps popping up in the

1954

01:23:30,450 --> 01:23:25,240

background of every episode you know

1955

01:23:32,280 --> 01:23:30,460

like that photo of the guy in the lake

1956

01:23:34,530 --> 01:23:32,290

that shows up in the Lone Gunmen picture

1957

01:23:36,570 --> 01:23:34,540

and like secretly or whatever like that

1958

01:23:38,700 --> 01:23:36,580

sort of Easter Egg yeah yeah right but

1959

01:23:42,780 --> 01:23:38,710

no now I'm learning right now that it's

1960

01:23:44,340 --> 01:23:42,790

actually Mulder's package awesome okay

1961

01:23:46,050 --> 01:23:44,350

then I do have to say like you were

1962

01:23:47,460 --> 01:23:46,060

saying earlier Ryan that this is

1963

01:23:49,140 --> 01:23:47,470

basically a love letter to the fans this

1964

01:23:50,670 --> 01:23:49,150

whole season so far and that's another

1965

01:23:52,470 --> 01:23:50,680

thing where they took something from the

1966

01:23:55,380 --> 01:23:52,480

fandom and they were like we got to put

1967

01:23:56,880 --> 01:23:55,390

this in here and then there was the

1968

01:23:58,860 --> 01:23:56,890

fajitas thing when they were in the

1969

01:24:01,740 --> 01:23:58,870

diner which is a you know

1970

01:24:10,890 --> 01:24:01,750

reference to a fanfic that apparently is

1971

01:24:13,680 --> 01:24:10,900

very racy mylanta just get the smelling

1972

01:24:14,960 --> 01:24:13,690

salts in the fans yeah sure the fan of

1973

01:24:18,830 --> 01:24:14,970

that just keeps on giving

1974

01:24:20,840 --> 01:24:18,840

yeah very generous I know and and

1975

01:24:22,100 --> 01:24:20,850

the x-files creators are like huh we

1976

01:24:24,560 --> 01:24:22,110

could do something with that thanks for

1977

01:24:25,820 --> 01:24:24,570

doing our work for us yeah I'm sure you

1978

01:24:28,160 --> 01:24:25,830

guys have talked about this too you like

1979

01:24:30,110 --> 01:24:28,170

the fact that in was a my struggle at

1980

01:24:32,660 --> 01:24:30,120

the beginning of this season you know

1981

01:24:34,580 --> 01:24:32,670

that voice going backwards was actually

1982

01:24:37,370 --> 01:24:34,590

Chris Carter's like saying thank you to

1983

01:24:40,670 --> 01:24:37,380

all the fans and everything I Homer that

1984

01:24:42,170 --> 01:24:40,680

it might have been Jillian because it's

1985

01:24:45,050 --> 01:24:42,180

hard to tell if you listen to it it's

1986

01:24:46,850 --> 01:24:45,060

obviously been kind of auto-tuned or

1987

01:24:49,790 --> 01:24:46,860

whatever yeah yeah yeah yeah and it's

1988

01:24:51,680 --> 01:24:49,800

backwards so but yeah it's just it is

1989

01:24:53,180 --> 01:24:51,690

like a little yeah

1990

01:24:57,520 --> 01:24:53,190

something out there for the fans totally

1991

01:24:59,210 --> 01:24:57,530

I love it yeah yeah we love it too I

1992

01:25:01,430 --> 01:24:59,220

don't think I've had this much fun

1993

01:25:08,510 --> 01:25:01,440

podcasting a long time Ryan thank you so

1994

01:25:11,180 --> 01:25:08,520

much for staring at Vanessa and plus all

1995

01:25:14,120 --> 01:25:11,190

of our lovely guests we've had on yeah

1996

01:25:16,940 --> 01:25:14,130

no this has been awesome like I like I

1997

01:25:19,940 --> 01:25:16,950

said I talked UFOs every single week but

1998

01:25:22,580 --> 01:25:19,950

then to talk about the show that kept me

1999

01:25:25,610 --> 01:25:22,590

going and searching for the actual truth

2000

01:25:27,320 --> 01:25:25,620

that's out there like I I love it and to

2001

01:25:29,900 --> 01:25:27,330

find people as passionate as I am about

2002

01:25:33,740 --> 01:25:29,910

the x-files that's something I hold very

2003

01:25:37,010 --> 01:25:33,750

dear to my heart the the x ph files were

2004

01:25:39,740 --> 01:25:37,020

still out there were alive and weekly we

2005

01:25:43,190 --> 01:25:39,750

will follow this show you know till the

2006

01:25:45,020 --> 01:25:43,200

very bitter end and it was such a

2007

01:25:47,450 --> 01:25:45,030

pleasure and honor to do this with you

2008

01:25:49,640 --> 01:25:47,460

guys yeah it was awesome having you on

2009

01:25:52,340 --> 01:25:49,650

as well like in our little crossover

2010

01:25:53,930 --> 01:25:52,350

here just out of curiosity because like

2011

01:25:55,550 --> 01:25:53,940

there are other x-files podcasts out

2012

01:25:59,270 --> 01:25:55,560

there what other x-files podcasts do you

2013

01:26:01,340 --> 01:25:59,280

like yes so I I I was pretty late to the

2014

01:26:03,590 --> 01:26:01,350

podcasting game until I started my own

2015

01:26:06,140 --> 01:26:03,600

so I started you know seeing what else

2016

01:26:15,050 --> 01:26:06,150

yeah yeah I didn't start this podcast

2017

01:26:18,860 --> 01:26:15,060

let's be fair yes what else do I listen

2018

01:26:21,350 --> 01:26:18,870

to Kumail Nanjiani obviously love love

2019

01:26:23,300 --> 01:26:21,360

that one I wish he was still doing it it

2020

01:26:27,890 --> 01:26:23,310

kind of just fell off I don't think he

2021

01:26:29,870 --> 01:26:27,900

has time yeah yeah it all right get all

2022

01:26:32,669 --> 01:26:29,880

big and everything on us whatever I

2023

01:26:35,399 --> 01:26:32,679

don't know he seems like an awesome day

2024

01:26:37,020 --> 01:26:35,409

no doubt to the big sick so the big sick

2025

01:26:39,439 --> 01:26:37,030

Oh God incredible

2026

01:26:43,109 --> 01:26:39,449

I listen to the ex cast obviously a

2027

01:26:45,199 --> 01:26:43,119

amazing community of exponents yes

2028

01:26:48,660 --> 01:26:45,209

and you guys I think that's it if you

2029

01:26:52,140 --> 01:26:48,670

Rex on what I should be listening to to

2030

01:26:54,540 --> 01:26:52,150

continue my obsession do I have one you

2031

01:26:56,819 --> 01:26:54,550

should listen to Jin and topics okay

2032

01:26:59,189 --> 01:26:56,829

they're a relatively new podcast they're

2033

01:27:01,410 --> 01:26:59,199

two lovely women who are have been

2034

01:27:04,080 --> 01:27:01,420

x-files fans also forever and they're

2035

01:27:06,870 --> 01:27:04,090

really like good at reading sort of the

2036

01:27:09,719 --> 01:27:06,880

text of the episodes and really getting

2037

01:27:11,310 --> 01:27:09,729

into like the the how do I want to say

2038

01:27:14,069 --> 01:27:11,320

this like the literary kind of aspect of

2039

01:27:15,719 --> 01:27:14,079

it um they're very like they critique

2040

01:27:17,279 --> 01:27:15,729

really really well and I just find them

2041

01:27:18,479 --> 01:27:17,289

really awesome so anybody like you

2042

01:27:21,060 --> 01:27:18,489

should all go check them out they're so

2043

01:27:23,250 --> 01:27:21,070

good see that's great I love hearing

2044

01:27:25,080 --> 01:27:23,260

like that people are looking at this

2045

01:27:27,810 --> 01:27:25,090

from all different all different ways

2046

01:27:31,290 --> 01:27:27,820

you know I mean I've always sort of seen

2047

01:27:32,899 --> 01:27:31,300

like the x-files as bigger than the show

2048

01:27:35,459 --> 01:27:32,909

ever could be you know you could take

2049

01:27:42,029 --> 01:27:35,469

crypto feminism stance on it you could

2050

01:27:43,649 --> 01:27:42,039

say like like I do like absolutely you

2051

01:27:45,989 --> 01:27:43,659

know you could look at it like I do of

2052

01:27:49,589 --> 01:27:45,999

like the history and mythology behind

2053

01:27:51,839 --> 01:27:49,599

UFOs you know and believers and that

2054

01:27:53,489 --> 01:27:51,849

sort of subculture so there's so many

2055

01:27:55,199 --> 01:27:53,499

different ways to look at this show and

2056

01:27:57,629 --> 01:27:55,209

I think that's the brilliance of it and

2057

01:27:59,250 --> 01:27:57,639

you know no matter people's thoughts on

2058

01:28:01,799 --> 01:27:59,260

how Chris Carter treats his winning in

2059

01:28:06,209 --> 01:28:01,809

his episode sometimes don't get me

2060

01:28:07,890 --> 01:28:06,219

started I think he has you know he just

2061

01:28:09,689 --> 01:28:07,900

wants everyone to be happy

2062

01:28:12,299 --> 01:28:09,699

he I don't think he ever envisioned

2063

01:28:14,310 --> 01:28:12,309

x-files being this big she's kind of

2064

01:28:16,859 --> 01:28:14,320

like George Lucas in Star Wars so like

2065

01:28:19,919 --> 01:28:16,869

you will never please everyone but he

2066

01:28:21,779 --> 01:28:19,929

his hardest and just the fact that we

2067

01:28:26,160 --> 01:28:21,789

get to see these characters again like

2068

01:28:28,770 --> 01:28:26,170

take my money I will keep I might be a

2069

01:28:32,399 --> 01:28:28,780

little over in over his head sometimes

2070

01:28:34,679 --> 01:28:32,409

although that's why he has his team you

2071

01:28:37,489 --> 01:28:34,689

know James Wong's of the world and the

2072

01:28:41,069 --> 01:28:37,499

Darin and Glenn Morgan's of the world

2073

01:28:42,479 --> 01:28:41,079

yes Gilligan's the Vince Gilligan's

2074

01:28:44,699 --> 01:28:42,489

absolutely I wish he'd come back but

2075

01:28:46,350 --> 01:28:44,709

it's you know take what we can get and

2076

01:28:48,570 --> 01:28:46,360

please get us some more female right

2077

01:28:49,979 --> 01:28:48,580

please oh well yeah there is at least

2078

01:28:51,990 --> 01:28:49,989

one episode coming up that has a female

2079

01:28:54,240 --> 01:28:52,000

writing team okay so that's awesome yeah

2080

01:28:56,700 --> 01:28:54,250

we're headed in the right direction I

2081

01:29:00,510 --> 01:28:56,710

think so yeah I know

2082

01:29:04,379 --> 01:29:00,520

ears new to this crossover Ryan would

2083

01:29:05,790 --> 01:29:04,389

you like to rate with us yeah what okay

2084

01:29:07,859 --> 01:29:05,800

yeah let's do it

2085

01:29:09,689 --> 01:29:07,869

we've kind of we were like being

2086

01:29:11,700 --> 01:29:09,699

ridiculous with our ratings earlier in

2087

01:29:14,669 --> 01:29:11,710

the season but we could just do it out

2088

01:29:16,649 --> 01:29:14,679

of ten if you'd like okay I mean what do

2089

01:29:18,270 --> 01:29:16,659

you want us to go first sure yeah yeah

2090

01:29:18,540 --> 01:29:18,280

I'll take your lead okay you want to go

2091

01:29:21,359 --> 01:29:18,550

first

2092

01:29:22,859 --> 01:29:21,369

I don't but now that you mean now you're

2093

01:29:25,770 --> 01:29:22,869

putting you on the spot I can try to go

2094

01:29:27,689 --> 01:29:25,780

for a pressure zone you know I actually

2095

01:29:31,020 --> 01:29:27,699

really liked this episode for a lot of

2096

01:29:36,200 --> 01:29:31,030

reasons which we talked about let's talk

2097

01:29:38,399 --> 01:29:36,210

about the board three hour episode

2098

01:29:41,100 --> 01:29:38,409

exactly that is the thing on some

2099

01:29:43,080 --> 01:29:41,110

podcast so long I think I'm gonna give

2100

01:29:44,250 --> 01:29:43,090

this one a seven and a half okay it's a

2101

01:29:46,350 --> 01:29:44,260

pretty high waiting for me

2102

01:29:51,149 --> 01:29:46,360

yeah that's pretty good i seven and a

2103

01:29:54,510 --> 01:29:51,159

half out of ten Greek mythology named

2104

01:29:57,270 --> 01:29:54,520

seafaring vessels Wow okay if we were

2105

01:30:02,609 --> 01:29:57,280

still doing the veloute would get the

2106

01:30:07,220 --> 01:30:02,619

veloute I didn't go for hand-holding I'm

2107

01:30:12,330 --> 01:30:11,520

my bread and butter right all right

2108

01:30:14,850 --> 01:30:12,340

who's next

2109

01:30:17,310 --> 01:30:14,860

should I go next go ahead Carolyn's

2110

01:30:18,930 --> 01:30:17,320

looking at me like expectantly all right

2111

01:30:21,479 --> 01:30:18,940

I'm gonna actually give it an 8 out of

2112

01:30:23,879 --> 01:30:21,489

10 Wow they also very much enjoyed this

2113

01:30:26,520 --> 01:30:23,889

episode I'm going to give it an 8 out of

2114

01:30:29,609 --> 01:30:26,530

10 I'm gonna give it eight pick up

2115

01:30:31,229 --> 01:30:29,619

artists books out of 10 oh you mean the

2116

01:30:33,750 --> 01:30:31,239

pickup artist books written by someone

2117

01:30:37,260 --> 01:30:33,760

named Peter Wong oh is that what the

2118

01:30:40,729 --> 01:30:37,270

name was on there just maybe he's one of

2119

01:30:42,870 --> 01:30:40,739

James family members hilarious

2120

01:30:47,040 --> 01:30:42,880

amazing those pickup artist books are

2121

01:30:49,050 --> 01:30:47,050

hilarious yeah so good good oh let's see

2122

01:30:55,320 --> 01:30:49,060

you know what I think I'm gonna go with

2123

01:30:57,170 --> 01:30:55,330

an 8.5 oh the highest rating increments

2124

01:30:58,820 --> 01:30:57,180

of 5 this time

2125

01:31:02,690 --> 01:30:58,830

yeah and I'm giving the point five

2126
01:31:05,060 --> 01:31:02,700
merely for Scully's monologue and the

2127
01:31:07,790 --> 01:31:05,070
last moment where Mulder puts his hand

2128
01:31:10,700 --> 01:31:07,800
on her shoulder I just like I melted

2129
01:31:14,210 --> 01:31:10,710
inside just seeing that you're the one

2130
01:31:19,280 --> 01:31:14,220
giving the shippi rating apparently I'm

2131
01:31:25,490 --> 01:31:19,290
a shipper I just did this baby shipper

2132
01:31:27,020 --> 01:31:25,500
here I'm so proud growing up so eight

2133
01:31:32,660 --> 01:31:27,030
out of ten or eight and a half out of

2134
01:31:37,540 --> 01:31:32,670

2178

01:33:51,490 --> 01:33:47,930

that was a very nice segue you can find

01:33:55,000 --> 01:33:51,500

us on patreon.com slash not another XF

2180

01:33:57,820 --> 01:33:55,010

pod and patreon is spelled patr yo n

2181

01:33:59,920 --> 01:33:57,830

like patron woody I just always spell it

2182

01:34:04,660 --> 01:33:59,930

out cuz people are like how do you what

2183

01:34:06,130 --> 01:34:04,670

is that word yeah yeah I mean I think

2184

01:34:08,110 --> 01:34:06,140

it's important that people know like we

2185

01:34:10,630 --> 01:34:08,120

do this for the love and passion we have

2186

01:34:12,130 --> 01:34:10,640

for these topics and it you know it's

2187

01:34:17,770 --> 01:34:12,140

free to consume but it's not always free

2188

01:34:19,570 --> 01:34:17,780

to create so very true by the way I have

2189

01:34:22,450 --> 01:34:19,580

actually some exciting news so if you

2190

01:34:25,450 --> 01:34:22,460

2197

01:34:42,730 --> 01:34:40,880

ideas I had they didn't think they

2198

01:34:44,290 --> 01:34:42,740

already existed so I'm like can I just

2199

01:34:49,930 --> 01:34:44,300

do my first name they're like sure I'm

2200

01:34:53,290 --> 01:34:49,940
