52
00:02:49,400 --> 00:02:43,620
know Facebook live Q&A right now all

53
00:02:51,380 --> 00:02:49,410
right so yeah it's currently 505 p.m.

54
00:02:52,730 --> 00:02:51,390
here on the west coast I don't know I

55
00:02:55,070 --> 00:02:52,740
just looked at my mic I should be

56
00:03:02,590 --> 00:02:55,080
looking at you guys in camera it's clear

57
00:03:05,570 --> 00:03:02,600
I do audio mostly alright so yeah um

58
00:03:09,050 --> 00:03:05,580

59
00:03:10,490 --> 00:03:09,060
shop about with you guys here today um I

60
00:03:13,040 --> 00:03:10,500
don't know if it's the same for you but

61
00:03:18,860 --> 00:03:13,050
my video is all trippy right now it's

62
00:03:20,660 --> 00:03:18,870
like 8-bit over here let's see let's see

63
00:03:23,150 --> 00:03:20,670

Mike : why do you keep changing your

64

00:03:24,620 --> 00:03:23,160

logo I just like to switch it up man but

65

00:03:26,750 --> 00:03:24,630

I love the work that you do

66

00:03:29,270 --> 00:03:26,760

Mike low-end actually is going to be on

67

00:03:31,490 --> 00:03:29,280

the show in the next two weeks or so

68

00:03:34,040 --> 00:03:31,500

talking about his follow up book mess

69

00:03:36,800 --> 00:03:34,050

stories from the messengers so please be

70

00:03:39,920 --> 00:03:36,810

on the lookout for that Mike does some

71

00:03:42,830 --> 00:03:39,930

incredible work with connecting UFOs -

72

00:03:45,560 --> 00:03:42,840

owls you know we always see these images

73

00:03:47,900 --> 00:03:45,570

of owls when it comes to UFO films and

74

00:03:51,040 --> 00:03:47,910

literature and and television shows and

75

00:03:54,110 --> 00:03:51,050

it doesn't end there the connections are

76

00:03:55,850 --> 00:03:54,120

extremely interesting and he wrote a

77

00:03:58,940 --> 00:03:55,860

massive book about this called the

78

00:04:01,340 --> 00:03:58,950

messengers last year right Mike and the

79

00:04:03,830 --> 00:04:01,350

follow up just came out so do check that

80

00:04:09,380 --> 00:04:03,840

out on Amazon stories from the

81

00:04:10,520 --> 00:04:09,390

messengers by Michael Ellen Chris

82

00:04:14,330 --> 00:04:10,530

Wilford asked me what are you listening

83

00:04:15,290 --> 00:04:14,340

to musically lately Chris I am a product

84

00:04:19,250 --> 00:04:15,300

of the 90s

85

00:04:22,310 --> 00:04:19,260

I love 90s rock you know Toad the Wet

86

00:04:25,460 --> 00:04:22,320

Sprocket Goo Goo Dolls

87

00:04:27,320 --> 00:04:25,470

you know a green day all those kind of

88

00:04:29,960 --> 00:04:27,330

bands those are definitely my guilty

89

00:04:31,280 --> 00:04:29,970

pleasures all right now I don't know if

90

00:04:34,660 --> 00:04:31,290

you guys can hear those sirens

91

00:04:36,830 --> 00:04:34,670

I live in Koreatown and LA and a lot of

92

00:04:40,370 --> 00:04:36,840

mischievous things going on constantly

93

00:04:41,840 --> 00:04:40,380

around here anywho what am i listening

94

00:04:44,660 --> 00:04:41,850

do you know I'm listening to a lot of

95

00:04:47,090 --> 00:04:44,670

chill wave music it seems to really be a

96

00:04:50,110 --> 00:04:47,100

good flow for my creative process when

97

00:04:52,610 --> 00:04:50,120

I'm either creating a podcast episode or

98

00:04:55,010 --> 00:04:52,620

I'm also a screenwriter and a playwright

99

00:04:57,650 --> 00:04:55,020

and I write scripts constantly that's

100

00:05:00,020 --> 00:04:57,660

that's what I do and I always have to

101
00:05:01,910 --> 00:05:00,030
have some sort of music playing all of

102
00:05:04,760 --> 00:05:01,920
my plays have been inspired directly

103
00:05:06,380 --> 00:05:04,770
from music I listen to you so there's a

104
00:05:09,140 --> 00:05:06,390
little tidbit about my playwriting

105
00:05:11,390 --> 00:05:09,150
career again guys asked me anything you

106
00:05:13,970 --> 00:05:11,400
want today doesn't have to be about UFOs

107
00:05:16,340 --> 00:05:13,980
or the paranormal I'm here just giving

108
00:05:17,300 --> 00:05:16,350
this a try seeing if I think what gives

109
00:05:26,600 --> 00:05:17,310
a

110
00:05:29,480 --> 00:05:26,610

out there to Nova Scotia last year for

128

00:06:17,720 --> 00:06:15,480

thanks David Ross

135

00:06:41,680 --> 00:06:39,500

all right it's two years ago Mike I

136

00:06:44,700 --> 00:06:41,690

apologize the book was God time flies

137

00:06:47,560 --> 00:06:44,710

Mike booth

138

00:06:48,370 --> 00:06:47,570

all right let's see if I have any

139

00:06:50,830 --> 00:06:48,380

questions here

140

00:06:54,550 --> 00:06:50,840

Chris Wolford asks what beer is your

141

00:06:57,400 --> 00:06:54,560

personal favorite so Chris as you

142

00:06:59,500 --> 00:06:57,410

probably know and many of my Instagram

143

00:07:02,380 --> 00:06:59,510

followers and whatnot know I was

144

00:07:06,610 --> 00:07:02,390

currently err tightly I wish I was

145

00:07:09,130 --> 00:07:06,620

recently in Hawaii so my girlfriend's

146

00:07:14,170 --> 00:07:09,140

parents they are incredible people and

147

00:07:17,260 --> 00:07:14,180

so so generous in allowing me to come to

148

00:07:19,300 --> 00:07:17,270

Hawaii to visit them along with Jane my

149

00:07:21,490 --> 00:07:19,310

girlfriend from time to time so I've

150

00:07:24,490 --> 00:07:21,500

been to Hawaii three times in the last

151

00:07:26,890 --> 00:07:24,500

two years never in my life did I ever

152

00:07:29,350 --> 00:07:26,900

think I would make it to Hawaii but that

153

00:07:31,960 --> 00:07:29,360

all changed and I feel so honored to

154

00:07:34,240 --> 00:07:31,970

have that opportunity it's in amazing

155

00:07:37,330 --> 00:07:34,250

place and while I was there I checked

156

00:07:40,300 --> 00:07:37,340

out the Honolulu beer company and they

157

00:07:41,890 --> 00:07:40,310

had some incredible craft beers I mean

158

00:07:44,980 --> 00:07:41,900

we're talking like coconut head the

159

00:07:50,050 --> 00:07:44,990

Bisons what else did I have I had a

160

00:07:52,750 --> 00:07:50,060

coffee chocolate Porter I had a God what

161

00:07:55,780 --> 00:07:52,760

was the other one a pineapple IPA it was

162

00:07:57,550 --> 00:07:55,790

so cool man I love those I love any any

163

00:08:00,400 --> 00:07:57,560

kind of craft beer honestly

164

00:08:02,740 --> 00:08:00,410

except IPAs I'm not a huge IPA fan -

165

00:08:08,110 --> 00:08:02,750

bitter - happy for me I'm a big stout

166

00:08:10,870 --> 00:08:08,120

fan I'm a big brown nut fan yeah so

167

00:08:12,970 --> 00:08:10,880

favorite beers probably one of my

168

00:08:15,070 --> 00:08:12,980

favorites is definitely Guinness I know

169

00:08:19,360 --> 00:08:15,080

it's kind of boring but it is the

170

00:08:21,460 --> 00:08:19,370

perfect beer it is low in calories you

171

00:08:23,770 --> 00:08:21,470

only need one to fill you up and get you

172

00:08:30,960 --> 00:08:23,780

a little tipsy so yeah I will always go

173

00:08:30,970 --> 00:08:38,160

let's see

174

00:08:44,200 --> 00:08:41,880

so yeah I'm gonna do a little more house

175

00:08:46,510 --> 00:08:44,210

housecleaning I guess says it were here

176

00:08:46,930 --> 00:08:46,520

guys I talked about my recent trip to

177

00:08:48,970 --> 00:08:46,940

Hawaii

178

00:08:52,960 --> 00:08:48,980

so Jane and I had incredible eight days

179

00:08:56,050 --> 00:08:52,970

on Oahu we did a ton of hiking we did a

180

00:08:59,080 --> 00:08:56,060

ton of swimming in shark's Cove now this

181

00:09:02,530 --> 00:08:59,090

is in the North Shore of Oahu and I saw

182

00:09:04,870 --> 00:09:02,540

so many different fish it was incredible

183

00:09:07,600 --> 00:09:04,880

I also got caught in a current which

184

00:09:11,410 --> 00:09:07,610

sent me into a coral reef so I've got

185

00:09:13,000 --> 00:09:11,420

some pretty gnarly wounds to prove it

186

00:09:15,670 --> 00:09:13,010

I've got some of my legs too I won't

187

00:09:17,740 --> 00:09:15,680

show you that but you have had an

188

00:09:21,160 --> 00:09:17,750

incredible time it rained quite a bit

189

00:09:24,160 --> 00:09:21,170

which is not unusual for Hawaii but they

190

00:09:25,930 --> 00:09:24,170

it was like constant like 24 hours so

191

00:09:28,810 --> 00:09:25,940

the hikes were a little treacherous at

192

00:09:31,720 --> 00:09:28,820

times but clearly we survived we're here

193

00:09:34,960 --> 00:09:31,730

and it was amazing so yeah again I I

194

00:09:39,250 --> 00:09:34,970

felt so fortunate to to go have a proper

195

00:09:41,560 --> 00:09:39,260

vacation you know we all all of us we

196

00:09:43,270 --> 00:09:41,570

all work so hard we deserve a little

197

00:09:46,210 --> 00:09:43,280

break from the world every now and again

198

00:09:47,680 --> 00:09:46,220

so that was mine and you can check out a

199

00:09:52,000 --> 00:09:47,690

bunch of those pictures over at my

200

00:09:53,500 --> 00:09:52,010

Instagram at Spragg 5/1 I think it's my

201

00:09:56,440 --> 00:09:53,510

Instagram I don't know you'll find it

202

00:10:00,640 --> 00:09:56,450

just I've been Ryan Sprague I'm so bad

203

00:10:03,400 --> 00:10:00,650

with that kind of stuff let's see I've

204

00:10:05,680 --> 00:10:03,410

got some questions here I know I'm

205

00:10:07,270 --> 00:10:05,690

skipping a bunch let's see I'll ask what

206

00:10:09,850 --> 00:10:07,280

I asked Chris how do I get my wife to

207

00:10:12,070 --> 00:10:09,860

take the UFO subject and myself serious

208

00:10:14,050 --> 00:10:12,080

David that's a great question man you

209

00:10:17,230 --> 00:10:14,060

know what if she doesn't take it serious

210

00:10:19,420 --> 00:10:17,240

don't worry about it man my girlfriend

211

00:10:21,970 --> 00:10:19,430

is very accepting of my you Falah jicka

212

00:10:23,830 --> 00:10:21,980

ways she does support me she she did

213

00:10:26,470 --> 00:10:23,840

have a keen interest in these sort of

214

00:10:28,420 --> 00:10:26,480

topics before we met so that kind of

215

00:10:30,730 --> 00:10:28,430

helped but you know what man if your

216

00:10:33,070 --> 00:10:30,740

wife doesn't have an interest in it you

217

00:10:37,000 --> 00:10:33,080

can't force it upon anyone it's a very

218

00:10:40,300 --> 00:10:37,010

niche topic profound topic it could

219

00:10:43,570 --> 00:10:40,310

change humanity but not everyone you

220

00:10:45,550 --> 00:10:43,580

know isn't that so you know if she wants

221

00:10:47,830 --> 00:10:45,560

to talk about it she'll chill chill talk

222

00:10:48,690 --> 00:10:47,840

about it but you know don't bring it up

223

00:10:51,210 --> 00:10:48,700

at dinner

224

00:10:53,640 --> 00:10:51,220

you know while you're watching TV or

225

00:10:56,520 --> 00:10:53,650

anything because I've learned that you

226

00:10:58,020 --> 00:10:56,530

gotta separate yourself from the UFO

227

00:10:59,970 --> 00:10:58,030

topic every now and again or else it

228

00:11:02,610 --> 00:10:59,980

completely consumes you just like any

229

00:11:04,290 --> 00:11:02,620

other hobby in life so uh I hope that

230

00:11:05,880 --> 00:11:04,300

help meant that or no I'm no

231

00:11:08,400 --> 00:11:05,890

relationship expert

232

00:11:15,050 --> 00:11:08,410

Jane can attest to that oh wait she's

233

00:11:20,550 --> 00:11:17,960

Rob berliner asks I know you're all

234

00:11:22,560 --> 00:11:20,560

Hollywood these days but enquiring minds

235

00:11:24,720 --> 00:11:22,570

back in NYC theatres want to know your

236

00:11:26,130 --> 00:11:24,730

feelings about musical theater and if

237

00:11:28,890 --> 00:11:26,140

you've ever written or considered

238

00:11:31,110 --> 00:11:28,900

writing the book to a musical Rob I'm so

239

00:11:33,570 --> 00:11:31,120

happy you asked me that man I actually

240

00:11:36,990 --> 00:11:33,580

did write the book to a musical now I I

241

00:11:38,940 --> 00:11:37,000

grew up loving musicals I was a closeted

242

00:11:42,800 --> 00:11:38,950

musical freak you know when I wasn't

243

00:11:45,720 --> 00:11:42,810

playing baseball or you know golfer or

244

00:11:46,470 --> 00:11:45,730

lacrosse I travel across at one point

245

00:11:48,660 --> 00:11:46,480

hockey

246

00:11:50,730 --> 00:11:48,670

I was definitely an athlete but I also

247

00:11:53,400 --> 00:11:50,740

really loved musicals and I thank my

248

00:11:56,090 --> 00:11:53,410

parents for you know showing me that

249

00:11:59,220 --> 00:11:56,100

showing me that world that incredible

250

00:12:01,140 --> 00:11:59,230

fantasy world where everyone is just

251

00:12:03,720 --> 00:12:01,150

free and you can express yourself

252

00:12:07,350 --> 00:12:03,730

through music when words can't be enough

253

00:12:09,720 --> 00:12:07,360

so yeah man I love musicals I was a huge

254

00:12:14,220 --> 00:12:09,730

rent head I seen the musical Rent

255

00:12:15,870 --> 00:12:14,230

probably at least 2530 times now I know

256

00:12:17,280 --> 00:12:15,880

there's a tour going on right now I

257

00:12:20,000 --> 00:12:17,290

haven't heard the best of things but uh

258

00:12:23,010 --> 00:12:20,010

sure my theatre peeps can attest to that

259

00:12:25,050 --> 00:12:23,020

that being said I did write the book to

260

00:12:27,690 --> 00:12:25,060

a musical now it didn't really go

261

00:12:32,400 --> 00:12:27,700

anywhere but I I had a great opportunity

262

00:12:33,840 --> 00:12:32,410

where a a composer came to me and asked

263

00:12:36,270 --> 00:12:33,850

look I know you're a playwright you've

264

00:12:37,890 --> 00:12:36,280

only written plays before but I would

265

00:12:39,540 --> 00:12:37,900

love for you to come in and sort of

266

00:12:42,060 --> 00:12:39,550

flesh out this music that I've written

267

00:12:43,530 --> 00:12:42,070

and create a story around it so I did I

268

00:12:46,560 --> 00:12:43,540

actually wrote the book to a

269

00:12:48,360 --> 00:12:46,570

pre-existing musical completely wiped

270

00:12:51,270 --> 00:12:48,370

the entire plot and story line of what

271

00:12:53,820 --> 00:12:51,280

this composer had and I created my own

272

00:12:56,250 --> 00:12:53,830

story according to her lyrics to her

273

00:12:58,560 --> 00:12:56,260

melodies to her rhythms it was very

274

00:13:00,420 --> 00:12:58,570

interesting extremely extremely

275

00:13:02,249 --> 00:13:00,430

collaborative we had a lot of shouting

276

00:13:04,710 --> 00:13:02,259

matches we had a lot of good

277

00:13:08,549 --> 00:13:04,720

bad vibes and in the end we did a stage

278

00:13:11,069 --> 00:13:08,559

greeting and it was beautifully that

279

00:13:15,629 --> 00:13:11,079

being said you know musicals are a dime

280

00:13:17,939 --> 00:13:15,639

a dozen and michw it was what it was at

281

00:13:20,009 --> 00:13:17,949

the time that it was and I was so

282

00:13:23,249 --> 00:13:20,019

grateful for the opportunity it was

283

00:13:26,009 --> 00:13:23,259

called as I go away the musical rock pop

284

00:13:27,869 --> 00:13:26,019

sort of music and it was a great

285

00:13:30,359 --> 00:13:27,879

experience what I do it again I don't

286

00:13:33,659 --> 00:13:30,369

know the problem I have is a playwright

287

00:13:36,239 --> 00:13:33,669

is I want to build that scene and I want

288

00:13:38,279 --> 00:13:36,249

to write that climax to a scene but

289

00:13:40,979 --> 00:13:38,289

that's where a song comes in and musical

290

00:13:43,979 --> 00:13:40,989

when if that energy is that high and and

291

00:13:45,599 --> 00:13:43,989

the character can't really express

292

00:13:48,090 --> 00:13:45,609

themselves through words alone that's

293

00:13:50,129 --> 00:13:48,100

where the song comes in so I always felt

294

00:13:52,049 --> 00:13:50,139

like I was sort of building to something

295

00:13:54,090 --> 00:13:52,059

and I always got cheated as soon as that

296

00:13:56,309 --> 00:13:54,100

song came in so maybe it was a little

297

00:13:58,529 --> 00:13:56,319

egotistical on my part as a writer that

298

00:14:01,199 --> 00:13:58,539

I wanted to write that climax that

299

00:14:02,369 --> 00:14:01,209

resolution but that's the songs for and

300

00:14:05,939 --> 00:14:02,379

I think that's what's most beautiful

301
00:14:08,369 --> 00:14:05,949
about musicals so that's all I can say

302
00:14:14,249 --> 00:14:08,379
on the writing a book - a musical thing

303
00:14:17,629 --> 00:14:14,259
Rob thanks for asking them in hmm let's

304
00:14:20,669 --> 00:14:17,639
see what else we've got here

305
00:14:23,400 --> 00:14:20,679
hello Zion when did you first start

306
00:14:25,169 --> 00:14:23,410
getting interested in aliens and UFOs I

307
00:14:27,900 --> 00:14:25,179
first got interested in aliens and UFOs

308
00:14:30,239 --> 00:14:27,910
when I was 12 years old so I had a

309
00:14:34,099 --> 00:14:30,249
sighting in upstate New York of a

310
00:14:36,960 --> 00:14:34,109
triangular UFO craft and it's absolutely

311
00:14:39,259 --> 00:14:36,970
terrified me I became obsessed after

312
00:14:43,079 --> 00:14:39,269
that I took up books from the library on

313
00:14:45,929 --> 00:14:43,089

UFOs aliens locked this monster ghosts

314

00:14:47,699 --> 00:14:45,939

Bigfoot everything you can think of my

315

00:14:50,609 --> 00:14:47,709

world had been expanded my mind had been

316

00:14:53,279 --> 00:14:50,619

opened and that obsession turns into a

317

00:14:55,109 --> 00:14:53,289

fascination and I've been searching for

318

00:14:56,970 --> 00:14:55,119

answers ever since so that's kind of

319

00:14:59,069 --> 00:14:56,980

where where my interest in the topic

320

00:15:01,559 --> 00:14:59,079

really stemmed from was a personal UFO

321

00:15:03,779 --> 00:15:01,569

sighting if you want I go into great

322

00:15:05,460 --> 00:15:03,789

detail about that I believe on the first

323

00:15:08,609 --> 00:15:05,470

episode of the somewhere in the skies

324

00:15:10,529 --> 00:15:08,619

podcast whoo guys I'm almost at 50

325

00:15:12,840 --> 00:15:10,539

episodes and I'm gonna have a very

326

00:15:14,419 --> 00:15:12,850

special guest coming on for episode 50

327

00:15:16,140 --> 00:15:14,429

so so stay tuned for that

328

00:15:19,200 --> 00:15:16,150

speaking of the podcast

329

00:15:21,480 --> 00:15:19,210

before we go any further I did really

330

00:15:23,730 --> 00:15:21,490

send episode to day so you can go check

331

00:15:27,210 --> 00:15:23,740

that out somewhere in the skies calm or

332

00:15:29,880 --> 00:15:27,220

all available podcast apps where I talk

333

00:15:31,980 --> 00:15:29,890

about the amazing cases that happened in

334

00:15:33,510 --> 00:15:31,990

the year nineteen forty eight nineteen

335

00:15:36,350 --> 00:15:33,520

forty eight was a very pivotal year for

336

00:15:39,030 --> 00:15:36,360

UFO cases there were so many dramatic

337

00:15:41,190 --> 00:15:39,040

sightings and incidents that happened

338

00:15:43,410 --> 00:15:41,200

that year that it actually prompted the

339

00:15:44,730 --> 00:15:43,420

US Air Force to get involved to

340

00:15:47,460 --> 00:15:44,740

investigate these things through

341

00:15:49,500 --> 00:15:47,470

something called Project sine they

342

00:15:52,350 --> 00:15:49,510

wanted to make sure that our skies were

343

00:15:54,630 --> 00:15:52,360

safe and that the public knew our skies

344

00:15:56,430 --> 00:15:54,640

were safe project sign was later

345

00:15:58,800 --> 00:15:56,440

dissolved turned into project grudge

346

00:16:00,750 --> 00:15:58,810

what was more of a debunking sort of

347

00:16:02,720 --> 00:16:00,760

project about UFOs you know weather

348

00:16:04,740 --> 00:16:02,730

balloons swamp gas that's all it was

349

00:16:06,870 --> 00:16:04,750

hallucinations blah blah blah

350

00:16:08,610 --> 00:16:06,880

eventually project registered into

351

00:16:11,250 --> 00:16:08,620

Project Blue Book which is the best

352

00:16:14,070 --> 00:16:11,260

well-known project about the government

353

00:16:16,200 --> 00:16:14,080

involving UFOs we now have the secret

354

00:16:18,690 --> 00:16:16,210

Pentagon UFO program that we are

355

00:16:22,290 --> 00:16:18,700

currently waiting through with Tom

356

00:16:25,380 --> 00:16:22,300

DeLonge and the to the stars Academy so

357

00:16:27,750 --> 00:16:25,390

yeah tons of UFO investigations have

358

00:16:29,220 --> 00:16:27,760

gone on in the past in terms of the

359

00:16:32,100 --> 00:16:29,230

government being involved and

360

00:16:34,680 --> 00:16:32,110

intelligence agencies crazy crazy stuff

361

00:16:36,810 --> 00:16:34,690

but please check out the new episode it

362

00:16:48,540 --> 00:16:36,820

was so much fun to make and I really

363

00:16:50,490 --> 00:16:48,550

hope they get alright let's see my head

364

00:16:53,610 --> 00:16:50,500

Joanne says my mom can't get on here for

365

00:16:56,610 --> 00:16:53,620

some reason I'm sorry mom I love you I

366

00:16:58,410 --> 00:16:56,620

hope you could figure out Facebook at

367

00:17:00,990 --> 00:16:58,420

some point can't really walk you through

368

00:17:01,440 --> 00:17:01,000

it right now but your sister lives next

369

00:17:03,330 --> 00:17:01,450

door

370

00:17:05,730 --> 00:17:03,340

maybe I ever come over and figure that

371

00:17:11,460 --> 00:17:05,740

out this coming from your fellow IT

372

00:17:13,740 --> 00:17:11,470

technician I'm not a comedian Chris

373

00:17:16,530 --> 00:17:13,750

asked what my favorite Current TV show

374

00:17:19,320 --> 00:17:16,540

is that is a great question

375

00:17:21,270 --> 00:17:19,330

well I recently watched the Waco

376

00:17:23,400 --> 00:17:21,280

miniseries on the Paramount Network

377

00:17:25,400 --> 00:17:23,410

which was awesome if you haven't seen

378

00:17:29,790 --> 00:17:25,410

that go check it out six part series

379

00:17:31,980 --> 00:17:29,800

amazing let's see I'm currently Jane and

380

00:17:34,050 --> 00:17:31,990

are we watching Breaking Bad I think

381

00:17:35,940 --> 00:17:34,060

this is her second time watching it

382

00:17:37,830 --> 00:17:35,950

she's like my third or fourth watching

383

00:17:40,710 --> 00:17:37,840

the entire show all the way through the

384

00:17:43,610 --> 00:17:40,720

reason I'm watching it is because I am

385

00:17:47,130 --> 00:17:43,620

currently reading Bryan Cranston's

386

00:17:48,810 --> 00:17:47,140

memoir a life in parts Wow

387

00:17:50,640 --> 00:17:48,820

this dude has had an incredible life

388

00:17:53,040 --> 00:17:50,650

like we know him is Walter White we know

389

00:17:53,430 --> 00:17:53,050

mrs. goofy character from Malcolm in the

390

00:17:56,250 --> 00:17:53,440

Middle

391

00:17:58,640 --> 00:17:56,260

but this dude has led one of the most I

392

00:18:01,710 --> 00:17:58,650

don't even know how to put it just in an

393

00:18:04,770 --> 00:18:01,720

extremely interesting life he was a

394

00:18:07,530 --> 00:18:04,780

chicken farmer when he was a kid you

395

00:18:09,450 --> 00:18:07,540

know he visited a Morgan I saw dead

396

00:18:13,080 --> 00:18:09,460

bodies at one point he was a police

397

00:18:15,990 --> 00:18:13,090

officer what else he lost his virginity

398

00:18:17,790 --> 00:18:16,000

to a prostitute in Amsterdam

399

00:18:19,230 --> 00:18:17,800

I mean these are things he talks about

400

00:18:21,240 --> 00:18:19,240

in the book and things you would never

401
00:18:23,790 --> 00:18:21,250
expect when you hear him talk when you

402
00:18:25,830 --> 00:18:23,800
see him on TV um it's an extremely

403
00:18:26,310 --> 00:18:25,840
personal book clearly from what I just

404
00:18:29,280 --> 00:18:26,320
said

405
00:18:31,050 --> 00:18:29,290
but uh I definitely recommend it if

406
00:18:33,210 --> 00:18:31,060
you're into memoirs or if you're really

407
00:18:34,500 --> 00:18:33,220
into the craft of acting and how one

408
00:18:36,480 --> 00:18:34,510
makes a career out of it

409
00:18:38,730 --> 00:18:36,490
this book is for you and it's just a

410
00:18:40,020 --> 00:18:38,740
good read he's an incredible writer like

411
00:18:43,350 --> 00:18:40,030
you just feel like you're in the room

412
00:18:46,080 --> 00:18:43,360
with him having a whiskey and just

413
00:18:48,000 --> 00:18:46,090

shooting the and he goes in depth a

414

00:18:50,190 --> 00:18:48,010

lot into the process of making Breaking

415

00:18:52,260 --> 00:18:50,200

Bad so that was really interesting as

416

00:18:54,660 --> 00:18:52,270

well check out Breaking Bad if you

417

00:18:58,230 --> 00:18:54,670

haven't while we're on the topic of TV

418

00:19:00,570 --> 00:18:58,240

before I go any further the last episode

419

00:19:03,120 --> 00:19:00,580

of the x-files airs this Wednesday guys

420

00:19:06,600 --> 00:19:03,130

when I say last I'm starting to really

421

00:19:09,450 --> 00:19:06,610

think this is the last episode of the

422

00:19:12,030 --> 00:19:09,460

x-files maybe not they've done this

423

00:19:13,950 --> 00:19:12,040

before but no matter the case it's been

424

00:19:16,170 --> 00:19:13,960

a hell of a ride the season 11 had its

425

00:19:18,930 --> 00:19:16,180

ups and downs but um some really good

426

00:19:21,420 --> 00:19:18,940

episodes and some clunkers and this

427

00:19:25,070 --> 00:19:21,430

Wednesday we get to see what happens at

428

00:19:27,660 --> 00:19:25,080

the finale so if you're an x-files fan

429

00:19:30,540 --> 00:19:27,670

I'm with you in spirit let's hope this

430

00:19:34,230 --> 00:19:30,550

is good let's hope it goes out on a good

431

00:19:36,210 --> 00:19:34,240

note and yeah that'll be on Fox at 8:00

432

00:19:40,830 --> 00:19:36,220

p.m. Eastern Standard Time this

433

00:19:42,690 --> 00:19:40,840

wednesday john john rutledge asks hello

434

00:19:43,560 --> 00:19:42,700

good sir I keep hearing the Pentagon

435

00:19:46,140 --> 00:19:43,570

officials are

436

00:19:48,050 --> 00:19:46,150

that to the stars UFO videos were not

437

00:19:51,080 --> 00:19:48,060

officially released by the Pentagon is

438

00:19:54,600 --> 00:19:51,090

there merit to this or misinformation

439

00:19:57,960 --> 00:19:54,610

John from what I can gather they did not

440

00:20:00,150 --> 00:19:57,970

personally like they didn't release

441

00:20:03,030 --> 00:20:00,160

these videos but these videos were

442

00:20:05,910 --> 00:20:03,040

Declassified therefore Lewis Elizondo

443

00:20:08,190 --> 00:20:05,920

was able to obtain them there's a huge

444

00:20:10,140 --> 00:20:08,200

chain of custody Kris Wolford who is

445

00:20:11,670 --> 00:20:10,150

listening right now and watching is

446

00:20:13,530 --> 00:20:11,680

definitely the dude to talk to you about

447

00:20:15,870 --> 00:20:13,540

that there's a crazy chain of custody

448

00:20:18,150 --> 00:20:15,880

when it comes to stuff like this so the

449

00:20:20,340 --> 00:20:18,160

Pentagon officially did not release

450

00:20:22,470 --> 00:20:20,350

these videos it was a chain of custody

451

00:20:24,660 --> 00:20:22,480

it's pretty convoluted from what I can

452

00:20:27,150 --> 00:20:24,670

gather and that's how to the Stars

453

00:20:29,010 --> 00:20:27,160

Academy was able to obtain them so yeah

454

00:20:37,100 --> 00:20:29,020

definitely talk to Kris Walford about

455

00:20:47,100 --> 00:20:45,240

let's see William asks have you heard of

456

00:20:50,280 --> 00:20:47,110

the bent light discovery of

457

00:20:52,410 --> 00:20:50,290

extraterrestrial messages I have not

458

00:20:55,290 --> 00:20:52,420

William definitely something I'm I'm

459

00:20:56,790 --> 00:20:55,300

interested in learning more about and I

460

00:20:58,650 --> 00:20:56,800

know you've sent me some messages about

461

00:21:01,530 --> 00:20:58,660

that so please man tell me what you got

462

00:21:02,160 --> 00:21:01,540

through email spread five one at hotmail

463

00:21:04,890 --> 00:21:02,170

com

464

00:21:05,400 --> 00:21:04,900

yes I still use hotmail I can't get rid

465

00:21:09,620 --> 00:21:05,410

of it

466

00:21:11,910 --> 00:21:09,630

I don't make any apologies for that I

467

00:21:22,380 --> 00:21:11,920

see you're linking stuff there William

468

00:21:24,270 --> 00:21:22,390

cool in let's see wormwood

469

00:21:31,350 --> 00:21:24,280

yes I did watch wormwood Chris Wohlford

470

00:21:35,820 --> 00:21:31,360

on Netflix awesome awesome series the

471

00:21:40,380 --> 00:21:35,830

Breaking Bad Dodie Dodie daddy I'm sorry

472

00:21:43,530 --> 00:21:40,390

I agree love the show David asks have

473

00:21:47,940 --> 00:21:43,540

ever tried any martial arts training so

474

00:21:50,340 --> 00:21:47,950

when I was about I'd say 10 or 11 years

475

00:21:53,790 --> 00:21:50,350

old my good buddy a couple Street's up

476

00:21:55,800 --> 00:21:53,800

for me his father taught karate in his

477

00:21:56,650 --> 00:21:55,810

backyard so he had a bunch of the kids

478

00:21:58,720 --> 00:21:56,660

from the neighborhood

479

00:22:01,570 --> 00:21:58,730

who would come once a week to the back

480

00:22:05,170 --> 00:22:01,580

yard he was very strict and would teach

481

00:22:07,840 --> 00:22:05,180

us karate and I just remember like not

482

00:22:10,690 --> 00:22:07,850

really being good at it and not really

483

00:22:11,440 --> 00:22:10,700

understanding it that well and falling a

484

00:22:13,960 --> 00:22:11,450

lot

485

00:22:16,540 --> 00:22:13,970

so that was my extent with martial arts

486

00:22:20,200 --> 00:22:16,550

it was fun though they dude like did

487

00:22:22,030 --> 00:22:20,210

karate during like if we hit hum or

488

00:22:24,670 --> 00:22:22,040

something it's a very convoluted sort

489

00:22:26,770 --> 00:22:24,680

story I can't really get into it here I

490

00:22:30,160 --> 00:22:26,780

know like he worked for some like

491

00:22:32,200 --> 00:22:30,170

special ops thing I can't go any further

492

00:22:33,790 --> 00:22:32,210

I don't remember much of what he told me

493

00:22:36,370 --> 00:22:33,800

about that I was too scared of him the

494

00:22:46,060 --> 00:22:36,380

dude was like six five and kicked my

495

00:22:48,030 --> 00:22:46,070

butt so yeah all right see what else

496

00:22:51,670 --> 00:22:48,040

would God hear I'm trying to keep up

497

00:22:54,670 --> 00:22:51,680

guys I apologize what's my view on crop

498

00:22:55,450 --> 00:22:54,680

circles daddy um I think I answered this

499

00:23:00,060 --> 00:22:55,460

once before

500

00:23:05,920 --> 00:23:02,010

gross

501
00:23:08,290 --> 00:23:05,930
crops are this interesting I did I I

502
00:23:09,550 --> 00:23:08,300
think they're really cool and intricate

503
00:23:12,610 --> 00:23:09,560
I don't think they have anything to do

504
00:23:13,930 --> 00:23:12,620
with UFOs I think they are man-made that

505
00:23:16,300 --> 00:23:13,940
does not take anything away from that

506
00:23:19,150 --> 00:23:16,310
they are amazing and I don't know how

507
00:23:21,280 --> 00:23:19,160
people do that but yeah amazing

508
00:23:24,010 --> 00:23:21,290
nonetheless um I do want to take a

509
00:23:26,530 --> 00:23:24,020
second to show this mug so this is so

510
00:23:28,810 --> 00:23:26,540
cool Jane got this for Christmas and

511
00:23:31,120 --> 00:23:28,820
when you put something hot in it that's

512
00:23:34,150 --> 00:23:31,130
when these things show up otherwise it's

513
00:23:36,670 --> 00:23:34,160

like just a plain black mug pretty cool

514

00:23:38,410 --> 00:23:36,680

how you guys like that Cheers

515

00:23:44,320 --> 00:23:38,420

what's everyone drinking is anyone

516

00:23:46,870 --> 00:23:44,330

drinking anything right now slurp I'm

517

00:23:49,150 --> 00:23:46,880

drinking don't judge me I'm drinking

518

00:23:52,750 --> 00:23:49,160

instant coffee from Starbucks because I

519

00:23:57,340 --> 00:23:52,760

got late starting this and I didn't have

520

00:23:59,710 --> 00:23:57,350

time to make actual coffee Carrie says

521

00:24:01,840 --> 00:23:59,720

522

00:24:03,280 --> 00:24:01,850

531
00:24:27,560 --> 00:24:25,559
case I'm looking into it right now Paul

532
00:24:32,030 --> 00:24:27,570
expect an episode on that in the very

533
00:24:34,159 --> 00:24:32,040
near future science drinking water I've

534
00:24:36,620 --> 00:24:34,169
got to stay hydrated couldn't agree more

535
00:24:37,280 --> 00:24:36,630
Dave quit drinking five years ago cheers

536
00:24:40,039 --> 00:24:37,290

well welcome welcome to the group my man

546

00:25:09,770 --> 00:25:08,160

I'll be heading your way to Nova Scotia

547

00:25:11,750 --> 00:25:09,780

I don't know how far you are from there

548

00:25:15,380 --> 00:25:11,760

probably pretty far I know Canada's

549

00:25:17,030 --> 00:25:15,390

freaking huge but yeah another thing I

550

00:25:19,159 --> 00:25:17,040

wanted to bring up guys for my UFO peeps

551
00:25:21,970 --> 00:25:19,169
out there if you are not aware the

552
00:25:26,000 --> 00:25:21,980
godfather of ufology Stanton Friedman is

553
00:25:28,669 --> 00:25:26,010
retiring at the age of 83 the students

554
00:25:31,010 --> 00:25:28,679
done everything he basically broke the

555
00:25:32,900 --> 00:25:31,020
story of Roswell if you don't know

556
00:25:35,150 --> 00:25:32,910
anything about Stanton Friedman googled

557
00:25:36,560 --> 00:25:35,160
the dude right now a million thing isn't

558
00:25:38,210 --> 00:25:36,570
gonna show up he's been on every UFO

559
00:25:41,630 --> 00:25:38,220
documentary

560
00:25:44,030 --> 00:25:41,640
he is a former nuclear physicist the

561
00:25:46,430 --> 00:25:44,040
dude knows his and he is a huge

562
00:25:48,830 --> 00:25:46,440
inspiration to many of us younger UFO

563
00:25:51,049 --> 00:25:48,840

researchers out there and he has paved

564

00:25:53,570 --> 00:25:51,059

the way for all of us the fact that he's

565

00:25:55,520 --> 00:25:53,580

retiring is sad but he's 83 he wants to

566

00:25:58,220 --> 00:25:55,530

live the rest of his life cut the dudes

567

00:26:00,799 --> 00:25:58,230

some slack this is what happens you know

568

00:26:03,830 --> 00:26:00,809

actors do this athletes do this UFO

569

00:26:15,540 --> 00:26:03,840

researchers can do it too I'm retiring

570

00:26:19,210 --> 00:26:17,860

Karrie asks do you listen to the

571

00:26:22,120 --> 00:26:19,220

competition ie

572

00:26:22,330 --> 00:26:22,130

other UFO related podcasts of course I

573

00:26:24,070 --> 00:26:22,340

do

574

00:26:26,020 --> 00:26:24,080

if there's anything I've learned from

575

00:26:27,700 --> 00:26:26,030

screenwriting and playwriting Kerry it's

576

00:26:28,420 --> 00:26:27,710

that you have to know what you're up

577

00:26:31,030 --> 00:26:28,430

against

578

00:26:33,580 --> 00:26:31,040

so I went when I'm writing movies and

579

00:26:35,860 --> 00:26:33,590

plays I am reading plays I am watching

580

00:26:37,270 --> 00:26:35,870

movies I have taken notes and I do the

581

00:26:39,760 --> 00:26:37,280

same thing with podcasts do I

582

00:26:41,230 --> 00:26:39,770

necessarily see it as competition no but

583

00:26:43,090 --> 00:26:41,240

I want to know what's going on out there

584

00:26:45,550 --> 00:26:43,100

what's in the zeitgeist of the creative

585

00:26:47,200 --> 00:26:45,560

process what are people doing I don't

586

00:26:49,480 --> 00:26:47,210

want to spend you know a year and a half

587

00:26:52,000 --> 00:26:49,490

writing something and come to find out

588

00:26:54,640 --> 00:26:52,010

you know paramount studios and a

589

00:26:56,740 --> 00:26:54,650

universal and this that this that that

590

00:26:58,570 --> 00:26:56,750

they all are writing the same thing you

591

00:27:00,760 --> 00:26:58,580

want to be different you want to you

592

00:27:02,350 --> 00:27:00,770

want to you want to contribute to the

593

00:27:04,900 --> 00:27:02,360

conversation rather than just you know

594

00:27:07,690 --> 00:27:04,910

sit back and let things be status quo

595

00:27:09,670 --> 00:27:07,700

that goes with my UFO podcast as well I

596

00:27:11,500 --> 00:27:09,680

don't want to just retread on everything

597

00:27:12,850 --> 00:27:11,510

everyone has ever done I want to be

598

00:27:14,980 --> 00:27:12,860

different I want to do things

599

00:27:17,680 --> 00:27:14,990

differently but I also want to have

600

00:27:19,690 --> 00:27:17,690

those people on who have the podcasts

601
00:27:21,070 --> 00:27:19,700
because they are clearly some of the

602
00:27:23,110 --> 00:27:21,080
most passionate people if they're

603
00:27:25,840 --> 00:27:23,120
spending trust me if you're making a

604
00:27:28,510 --> 00:27:25,850
podcast a weekly podcast even a biweekly

605
00:27:32,710 --> 00:27:28,520
podcast about UFOs that ain't easy

606
00:27:34,870 --> 00:27:32,720
I spent so many hours doing it per week

607
00:27:37,600 --> 00:27:34,880
but I love it it's my passion I love

608
00:27:39,310 --> 00:27:37,610
doing it every week and it just keeps

609
00:27:42,010 --> 00:27:39,320
getting better and better and I just

610
00:27:44,680 --> 00:27:42,020
keep learning more and more so yeah yeah

611
00:27:46,150 --> 00:27:44,690
I listen to tons of UFO podcasts and I

612
00:27:49,450 --> 00:27:46,160
love all of them for all different

613
00:27:55,530 --> 00:27:49,460

reasons so yeah there's my answer to

614

00:27:55,540 --> 00:28:00,090

let's see

615

00:28:06,240 --> 00:28:02,970

more sirens man what is going on in

616

00:28:08,240 --> 00:28:06,250

k-town this happened last night I don't

617

00:28:10,110 --> 00:28:08,250

know it's been a lot more prevalent

618

00:28:15,650 --> 00:28:10,120

lately but that's what happens when you

619

00:28:21,870 --> 00:28:20,070

let's see good points thank you James I

620

00:28:25,020 --> 00:28:21,880

thank you do a great job thank you thank

621

00:28:27,420 --> 00:28:25,030

you so much Gary Tyler asks when are you

622

00:28:30,000 --> 00:28:27,430

coming to Utah let's go skywatching

623

00:28:32,700 --> 00:28:30,010

Tyler I would love that brother I want

624

00:28:35,880 --> 00:28:32,710

to get out there and hang out with you

625

00:28:38,460 --> 00:28:35,890

and UFO Dave and Erica Luke's two

626

00:28:43,620 --> 00:28:38,470

amazing UFO researchers out of that area

627

00:28:46,920 --> 00:28:43,630

as well I do get a conference going I

628

00:28:49,710 --> 00:28:46,930

know you tell you a folk festival and it

629

00:28:51,090 --> 00:28:49,720

out there for that I would love to to

630

00:28:56,090 --> 00:28:51,100

get out your way I know there's some

631

00:29:01,050 --> 00:28:58,710

Rodrigo asks if I've thought about doing

632

00:29:03,810 --> 00:29:01,060

a show about UFO crashes in materials

633

00:29:12,230 --> 00:29:03,820

yep all of these things guys are coming

634

00:29:20,130 --> 00:29:17,750

let's see more sirens get out get out

635

00:29:21,480 --> 00:29:20,140

masks based on your knowledge how deep

636

00:29:24,210 --> 00:29:21,490

of an understanding do you think the

637

00:29:27,420 --> 00:29:24,220

government or corporate elite has on the

638

00:29:28,470 --> 00:29:27,430

UFO subject do you subscribe to the idea

639

00:29:30,390 --> 00:29:28,480

that if the government actually

640

00:29:31,950 --> 00:29:30,400

recovered material and rate contact they

641

00:29:35,760 --> 00:29:31,960

would dump it into corporations to

642

00:29:38,910 --> 00:29:35,770

prevent foi a disclosure I don't know

643

00:29:41,130 --> 00:29:38,920

man that's a good theory I don't think

644

00:29:44,400 --> 00:29:41,140

they know that much and I made this

645

00:29:46,200 --> 00:29:44,410

point before I I think I think they may

646

00:29:48,990 --> 00:29:46,210

know a little more than the public but

647

00:29:51,180 --> 00:29:49,000

what they don't know they can at least

648

00:29:53,190 --> 00:29:51,190

control the information that gets out to

649

00:29:56,520 --> 00:29:53,200

the public so that's that's almost just

650

00:29:59,300 --> 00:29:56,530

as important so yeah keep that in mind

651
00:30:02,280 --> 00:29:59,310
when when we talk about governments and

652
00:30:08,730 --> 00:30:02,290
governments investigations and you know

653
00:30:11,910 --> 00:30:08,740
involvement with the UFO topic Missy to

654
00:30:18,030 --> 00:30:15,780
among us yes or no daddy do you mean

655
00:30:22,830 --> 00:30:18,040
like are there aliens among us or is

656
00:30:24,180 --> 00:30:22,840
aliens among us a movie here a book yeah

657
00:30:32,610 --> 00:30:24,190
just clarify that for me and I'll be

658
00:30:35,820 --> 00:30:32,620
happy to answer see if I got any more

659
00:30:38,730 --> 00:30:35,830
housecleaning to do here guys oh here's

660
00:30:40,230 --> 00:30:38,740
another cool thing so this came to my

661
00:30:42,840 --> 00:30:40,240
attention from a colleague of mine Rob

662
00:30:47,130 --> 00:30:42,850
Kristofferson he found this really cool

663
00:30:48,570 --> 00:30:47,140

zine on Etsy calm so go to Etsy you know

664

00:30:50,880 --> 00:30:48,580

it's independent artists selling their

665

00:30:53,520 --> 00:30:50,890

stuff and he found this really cool zine

666

00:30:56,400 --> 00:30:53,530

about UFOs it's called the truth is out

667

00:30:59,190 --> 00:30:56,410

there this thing is so cool I mean I

668

00:31:01,170 --> 00:30:59,200

don't know exactly who the artist is but

669

00:31:03,780 --> 00:31:01,180

she I know it's a she she did a

670

00:31:07,140 --> 00:31:03,790

wonderful job like sort of running us

671

00:31:10,440 --> 00:31:07,150

through the first 50 so years or so of

672

00:31:12,390 --> 00:31:10,450

ufology it's so cool

673

00:31:14,880 --> 00:31:12,400

I'm reading it right now and she's

674

00:31:17,610 --> 00:31:14,890

taking contributions as well there's mr.

675

00:31:19,470 --> 00:31:17,620

J Allen Hynek my hero

676

00:31:21,060 --> 00:31:19,480

she's taking contributions so if you

677

00:31:23,400 --> 00:31:21,070

like you ever wanted to write about UFOs

678

00:31:25,320 --> 00:31:23,410

or you have any questions they will pose

679

00:31:28,410 --> 00:31:25,330

them in the zine this is only Volume one

680

00:31:30,630 --> 00:31:28,420

there's a cool little comic it's just so

681

00:31:33,900 --> 00:31:30,640

cool a really cool collector's item now

682

00:31:36,090 --> 00:31:33,910

I have two of these I did that for a

683

00:31:38,880 --> 00:31:36,100

reason I want to give one of these to my

684

00:31:40,920 --> 00:31:38,890

listeners of the podcast so what you got

685

00:31:43,860 --> 00:31:40,930

to do guys is I need you to go to iTunes

686

00:31:45,780 --> 00:31:43,870

I need you to subscribe rate and review

687

00:31:48,240 --> 00:31:45,790

the show on iTunes

688

00:31:49,830 --> 00:31:48,250

iTunes is the most important podcast

689

00:31:52,440 --> 00:31:49,840

outlet I know a lot of people don't use

690

00:31:55,110 --> 00:31:52,450

it it's a little funky but it's the only

691

00:31:57,120 --> 00:31:55,120

way to gain a lot of new listeners so if

692

00:31:59,160 --> 00:31:57,130

you go there subscribe rate and review

693

00:32:01,170 --> 00:31:59,170

once your review is up there let me know

694

00:32:04,080 --> 00:32:01,180

and I'm gonna put you into a drawing to

695

00:32:07,020 --> 00:32:04,090

win a free copy of this scene if you

696

00:32:09,330 --> 00:32:07,030

want to reach the artists who made this

697

00:32:16,730 --> 00:32:09,340

her Etsy shop is called beat

698

00:32:21,120 --> 00:32:16,740

zine stir that's B e i t Z i n e s t e a r e

699

00:32:28,250 --> 00:32:21,130

the truth is out there x-files well you

700

00:32:33,180 --> 00:32:30,210

David asked me what do I think of love

701
00:32:34,710 --> 00:32:33,190
and saucers I love it man I did I hope

702
00:32:36,660 --> 00:32:34,720
you listen to my interview with the

703
00:32:38,520 --> 00:32:36,670
director of that amazing documentary if

704
00:32:40,230 --> 00:32:38,530
guys if you haven't go back listen to

705
00:32:42,450 --> 00:32:40,240
that episode it's called lovin saucers

706
00:32:44,430 --> 00:32:42,460
where I talked to Brad Abraham's the

707
00:32:46,200 --> 00:32:44,440
director of the film about david huggins

708
00:32:48,840 --> 00:32:46,210
this guy who claims to have lost his

709
00:32:51,620 --> 00:32:48,850
virginity to an alien when he was 17

710
00:32:56,130 --> 00:32:51,630
years old really interesting

711
00:32:57,720 --> 00:32:56,140
sociological sort of thing and I loved

712
00:32:59,850 --> 00:32:57,730
it no matter what you make of alien

713
00:33:02,549 --> 00:32:59,860

abductions or this man's claims it's a

714

00:33:04,169 --> 00:33:02,559

beautiful documentary and you learn

715

00:33:12,720 --> 00:33:04,179

something you definitely learn something

716

00:33:15,030 --> 00:33:12,730

no matter what Rick Doty welcome to the

717

00:33:17,430 --> 00:33:15,040

chat my friend I just listened to your

718

00:33:19,200 --> 00:33:17,440

interview on the podcast awesome work my

719

00:33:21,090 --> 00:33:19,210

man I know a lot of people have

720

00:33:23,250 --> 00:33:21,100

contention with what you've what with

721

00:33:25,830 --> 00:33:23,260

your work in the past but I respect that

722

00:33:27,870 --> 00:33:25,840

you're coming forward in doing a lot of

723

00:33:30,570 --> 00:33:27,880

what you're doing right now and telling

724

00:33:32,370 --> 00:33:30,580

us what's up so man if you ever want to

725

00:33:34,110 --> 00:33:32,380

come on then my show somewhere in the

726

00:33:43,460 --> 00:33:34,120

skies I would love to have you

727

00:33:45,810 --> 00:33:43,470

we'll talk after this brother hmm

728

00:33:51,750 --> 00:33:45,820

we're scrolling up a little bit guys to

729

00:33:53,730 --> 00:33:51,760

see if I missed anything mmm I don't see

730

00:33:56,460 --> 00:33:53,740

anything anyone want to talk about

731

00:33:58,320 --> 00:33:56,470

anything but UFOs that's the reason that

732

00:34:01,950 --> 00:33:58,330

most of you are here and I can't blame

733

00:34:04,860 --> 00:34:01,960

you for that it is my life 24/7 pretty

734

00:34:07,380 --> 00:34:04,870

much so that's all I sort of got for

735

00:34:10,050 --> 00:34:07,390

what I had I did make a list this time

736

00:34:11,850 --> 00:34:10,060

so I didn't come off too clueless about

737

00:34:15,450 --> 00:34:11,860

what I was doing

738

00:34:17,909 --> 00:34:15,460

so yeah if anyone has any questions that

739

00:34:23,190 --> 00:34:17,919

they want to throw my way about I don't

740

00:34:26,250 --> 00:34:23,200

know plays movies TV any of that stuff

741

00:34:31,139 --> 00:34:26,260

I'm here otherwise I'm probably gonna

742

00:34:36,320 --> 00:34:31,149

wrap it up pretty shortly I just slurp

743

00:34:41,010 --> 00:34:38,190

david says if you're ever in south

744

00:34:44,520 --> 00:34:41,020

carolina let me know I'm in Charleston

745

00:34:47,460 --> 00:34:44,530

let's see better UFO hotspot yes yes I

746

00:34:49,860 --> 00:34:47,470

know I've been to South Carolina a few

747

00:34:51,120 --> 00:34:49,870

times and saw some crazy stuff there man

748

00:34:53,399 --> 00:34:51,130

what to talk about that personally

749

00:34:55,740 --> 00:34:53,409

together at some point

750

00:34:57,450 --> 00:34:55,750

can we talk playwriting yes we can Dave

751
00:35:00,990 --> 00:34:57,460
all bellario what you got for me brother

752
00:35:05,480 --> 00:35:01,000
what do you want to know what's your

753
00:35:09,390 --> 00:35:05,490
favorite dinner plates Zion asks ooh wow

754
00:35:13,050 --> 00:35:09,400
so the meal I make best would have to be

755
00:35:17,610 --> 00:35:13,060
salmon I love salmon salmon is my

756
00:35:19,130 --> 00:35:17,620
lifblood I made it a couple days ago I

757
00:35:23,660 --> 00:35:19,140
don't think he's a very

758
00:35:27,420 --> 00:35:23,670
heavy sort of recipe thyme rosemary

759
00:35:31,410 --> 00:35:27,430
garlic onion a little bit in salt and

760
00:35:33,090 --> 00:35:31,420
pepper and dash of lemon and I usually

761
00:35:35,850 --> 00:35:33,100
make mashed potatoes with that with a

762
00:35:37,890 --> 00:35:35,860
side of asparagus or zucchini that is my

763
00:35:40,860 --> 00:35:37,900

number one meal - never done me wrong

764

00:35:50,589 --> 00:35:40,870

and I think one over my girlfriend so

765

00:35:56,380 --> 00:35:54,969

thank you so much brother Kate asks how

766

00:35:59,160 --> 00:35:56,390

is Hollywood know that you have been

767

00:36:02,380 --> 00:35:59,170

there a while Hollywood is very

768

00:36:04,390 --> 00:36:02,390

interesting Kate so for those of you who

769

00:36:06,339 --> 00:36:04,400

don't know what I'm not doing UFO work

770

00:36:08,950 --> 00:36:06,349

when I'm not writing I work at a coffee

771

00:36:11,920 --> 00:36:08,960

shop in Hollywood that's what I do to

772

00:36:13,779 --> 00:36:11,930

pay the bills we all got to do it and as

773

00:36:16,150 --> 00:36:13,789

an artist that probably you're always

774

00:36:18,309 --> 00:36:16,160

gonna be doing it at some point but I

775

00:36:20,019 --> 00:36:18,319

have no shame in that that's that is

776

00:36:23,999 --> 00:36:20,029

what it is and I actually really enjoy

777

00:36:26,440 --> 00:36:24,009

my job so anyways so I have you know

778

00:36:27,910 --> 00:36:26,450

being working at a coffee shop in

779

00:36:30,910 --> 00:36:27,920

Hollywood I see everyone you can think

780

00:36:33,430 --> 00:36:30,920

of Sacha Baron Cohen is one of our

781

00:36:35,680 --> 00:36:33,440

regulars he comes in every day yes I'm

782

00:36:39,039 --> 00:36:35,690

name-dropping two bad guys that's where

783

00:36:43,630 --> 00:36:39,049

she do in Hollywood famous directors who

784

00:36:45,579 --> 00:36:43,640

I won't name models musicians they all

785

00:36:47,620 --> 00:36:45,589

come in every day so it's very exciting

786

00:36:50,559 --> 00:36:47,630

I get to hear some interesting stories I

787

00:36:52,180 --> 00:36:50,569

get to schmooze with the elite every now

788

00:36:56,140 --> 00:36:52,190

and again even though I'm the one making

789

00:36:59,019 --> 00:36:56,150

their coffee but it's fine

790

00:37:01,690 --> 00:36:59,029

Hollywood is a very weird place but it's

791

00:37:04,359 --> 00:37:01,700

also extremely invigorating I'm here to

792

00:37:06,459 --> 00:37:04,369

write I'm here to try to make movies

793

00:37:08,410 --> 00:37:06,469

that's what I want to do and these are

794

00:37:11,890 --> 00:37:08,420

the people doing it so it's extremely

795

00:37:14,559 --> 00:37:11,900

inspiring and just keeps me going keeps

796

00:37:17,170 --> 00:37:14,569

that passion going I'm meeting people

797

00:37:18,069 --> 00:37:17,180

I'm making connections so you know I

798

00:37:20,680 --> 00:37:18,079

miss New York

799

00:37:23,019 --> 00:37:20,690

I love New York so much it is my home

800

00:37:25,630 --> 00:37:23,029

but being out here in Hollywood is an

801
00:37:28,539 --> 00:37:25,640
opportunity that I'm so happy I took the

802
00:37:30,789 --> 00:37:28,549
leap and did it and things are going

803
00:37:33,279 --> 00:37:30,799
pretty good I should have some news very

804
00:37:35,920 --> 00:37:33,289
soon about some very interesting things

805
00:37:37,630 --> 00:37:35,930
I'm gonna be doing here in California so

806
00:37:39,910 --> 00:37:37,640
uh be on the lookout for that

807
00:37:42,579 --> 00:37:39,920
I can't say anything yet I know that's

808
00:37:46,059 --> 00:37:42,589
annoying and vague but this is vague

809
00:37:48,309 --> 00:37:46,069
book after all vague book live so yeah

810
00:37:49,809 --> 00:37:48,319
probably what's cool I like it actually

811
00:37:52,329 --> 00:37:49,819
I like it more than I thought I was

812
00:37:54,059 --> 00:37:52,339
gonna like it so make of that what you

813
00:37:58,809 --> 00:37:54,069

will

814

00:38:02,620 --> 00:37:58,819

is chocolate a life force Tina asks yeah

815

00:38:07,089 --> 00:38:04,690

that's all I got yes of course it is I

816

00:38:12,910 --> 00:38:07,099

just ate Trader Joe's chocolate right

817

00:38:15,099 --> 00:38:12,920

before I started this David asks there's

818

00:38:17,380 --> 00:38:15,109

a lot of films about recent released

819

00:38:18,720 --> 00:38:17,390

recently about marginalized groups any

820

00:38:22,870 --> 00:38:18,730

thoughts

821

00:38:25,420 --> 00:38:22,880

what better time and I mean we live in a

822

00:38:27,609 --> 00:38:25,430

time right now where this country and

823

00:38:29,890 --> 00:38:27,619

other countries have never been this

824

00:38:33,930 --> 00:38:29,900

divided whether it's politically whether

825

00:38:36,339 --> 00:38:33,940

it's so socially black can't talk

826

00:38:39,009 --> 00:38:36,349

religiously everything seems to be very

827

00:38:41,430 --> 00:38:39,019

divided right now everyone's opinions

828

00:38:44,170 --> 00:38:41,440

seem to mean more than facts nowadays

829

00:38:46,870 --> 00:38:44,180

and that's extremely disheartening to me

830

00:38:48,609 --> 00:38:46,880

I miss the days when facts actually

831

00:38:51,999 --> 00:38:48,619

meant something when the truth actually

832

00:38:55,299 --> 00:38:52,009

meant something so that being said I

833

00:38:57,999 --> 00:38:55,309

think that writers are now tapping into

834

00:39:00,730 --> 00:38:58,009

that and they're trying to get messages

835

00:39:01,930 --> 00:39:00,740

across in very interesting ways and I

836

00:39:05,920 --> 00:39:01,940

think this is a perfect time for

837

00:39:08,559 --> 00:39:05,930

marginalized films and plays and music

838

00:39:12,309 --> 00:39:08,569

and we see so much diversity within that

839

00:39:15,609 --> 00:39:12,319

now and that's amazing you know as a as

840

00:39:17,740 --> 00:39:15,619

a heterosexual white male I don't have

841

00:39:21,130 --> 00:39:17,750

much to complain about when it comes to

842

00:39:24,759 --> 00:39:21,140

that sort of thing so all I can do is be

843

00:39:26,259 --> 00:39:24,769

an ally and help any way I can in

844

00:39:30,700 --> 00:39:26,269

getting the word out about these films

845

00:39:33,789 --> 00:39:30,710

about about those who who do feel

846

00:39:37,210 --> 00:39:33,799

oppressed as artists or as human beings

847

00:39:39,160 --> 00:39:37,220

in general so those voices need to be

848

00:39:42,880 --> 00:39:39,170

heard and they need to be heard right

849

00:39:45,940 --> 00:39:42,890

now so do yourself a favor get on

850

00:39:48,099 --> 00:39:45,950

Netflix get on Hulu and just look for

851
00:39:50,230 --> 00:39:48,109
something different look for something

852
00:39:52,120 --> 00:39:50,240
new look for something that is going to

853
00:39:53,650 --> 00:39:52,130
challenge your own thoughts and beliefs

854
00:39:55,059 --> 00:39:53,660
on something because if there's

855
00:39:57,849 --> 00:39:55,069
something I think we're not doing right

856
00:39:59,859 --> 00:39:57,859
now in this country is listening to one

857
00:40:03,670 --> 00:39:59,869
another and I fall victim to that all

858
00:40:06,099 --> 00:40:03,680
the time as well I think if we were if

859
00:40:08,680 --> 00:40:06,109
we had more compassion and if we listen

860
00:40:10,269 --> 00:40:08,690
to each other a little bit more we make

861
00:40:12,160 --> 00:40:10,279
some really good headway in this country

862
00:40:15,130 --> 00:40:12,170
could get back to a place where I think

863
00:40:16,230 --> 00:40:15,140

it once was and that's really all I have

864

00:40:18,510 --> 00:40:16,240

to say about that I

865

00:40:21,270 --> 00:40:18,520

it's very exciting to see marginalized

866

00:40:23,460 --> 00:40:21,280

communities coming forward getting their

867

00:40:25,920 --> 00:40:23,470

stories out there it gives those who

868

00:40:27,510 --> 00:40:25,930

don't experience that a glimpse into it

869

00:40:30,000 --> 00:40:27,520

and then maybe we can start having

870

00:40:32,370 --> 00:40:30,010

conversations that all sounded might

871

00:40:34,740 --> 00:40:32,380

have sounded cliché but clichés are

872

00:40:37,500 --> 00:40:34,750

clichés for a reason in my opinion and I

873

00:40:39,390 --> 00:40:37,510

think right now we need we need those

874

00:40:41,280 --> 00:40:39,400

films we need those artists we need

875

00:40:44,310 --> 00:40:41,290

those people out there doing those

876

00:40:47,250 --> 00:40:44,320

things so hold each other's hands and

877

00:40:49,320 --> 00:40:47,260

just feel the love again that sounds

878

00:40:54,720 --> 00:40:49,330

corny but just feel the love guys that's

879

00:40:57,830 --> 00:40:54,730

it that's it Tibor says hello what's up

880

00:41:02,820 --> 00:41:00,840

call me by your name and love Simon more

881

00:41:06,150 --> 00:41:02,830

recently David I haven't seen either of

882

00:41:10,050 --> 00:41:06,160

those men if those are to you recommend

883

00:41:12,690 --> 00:41:10,060

I'm definitely gonna check them out chef

884

00:41:15,090 --> 00:41:12,700

David says you be chef and I try man

885

00:41:17,760 --> 00:41:15,100

there's only a few dishes I can I can

886

00:41:21,270 --> 00:41:17,770

cook but um the ones I do cook I cook

887

00:41:22,830 --> 00:41:21,280

well but the others that I I am not too

888

00:41:28,380 --> 00:41:22,840

familiar with don't always come out the

889

00:41:29,970 --> 00:41:28,390

best John asks if you don't mind getting

890

00:41:32,940 --> 00:41:29,980

political where do you see the Trump

891

00:41:37,740 --> 00:41:32,950

Russia investigation going

892

00:41:40,170 --> 00:41:37,750

that is a very interesting topic and and

893

00:41:43,890 --> 00:41:40,180

Jane's gonna jump in on that one just

894

00:41:46,380 --> 00:41:43,900

kidding she just got home where do I

895

00:41:49,110 --> 00:41:46,390

stand on all that I have no idea John I

896

00:41:55,260 --> 00:41:49,120

again you know I just spoke about you

897

00:41:58,260 --> 00:41:55,270

know the truth sort of being very bent

898

00:42:00,480 --> 00:41:58,270

now in days and I don't know what to

899

00:42:02,400 --> 00:42:00,490

make of all of it if there's anything to

900

00:42:05,040 --> 00:42:02,410

it I don't know if there's nothing to it

901
00:42:10,470 --> 00:42:05,050
I don't know I think the investigation

902
00:42:14,100 --> 00:42:10,480
should continue and should continue you

903
00:42:15,570 --> 00:42:14,110
know without interference by current

904
00:42:23,539 --> 00:42:15,580
presidents and that's really all I'm

905
00:42:28,469 --> 00:42:26,489
maybe a play about marginalized aliens

906
00:42:31,019 --> 00:42:28,479
from other planets David that's a great

907
00:42:33,140 --> 00:42:31,029
idea I'm gonna get started on that to

908
00:42:36,239 --> 00:42:33,150
night

909
00:42:37,769 --> 00:42:36,249
Patti asks do you talk UFOs to any of

910
00:42:39,359 --> 00:42:37,779
your customers or have any of them

911
00:42:42,539 --> 00:42:39,369
recognized to you because of the UFO

912
00:42:44,400 --> 00:42:42,549
topic actually yes I've had a few

913
00:42:47,969 --> 00:42:44,410

listeners who actually came into the

914

00:42:50,249 --> 00:42:47,979

shop and and said that they listened to

915

00:42:52,739 --> 00:42:50,259

the show also I work at a coffee shop

916

00:42:54,959 --> 00:42:52,749

called coffee for sasquatch so

917

00:42:58,019 --> 00:42:54,969

immediately that's kind of my in with

918

00:42:59,430 --> 00:42:58,029

most people you know clearly if they're

919

00:43:01,410 --> 00:42:59,440

in the shop and they're interested in

920

00:43:04,380 --> 00:43:01,420

Sasquatch they know something about

921

00:43:06,299 --> 00:43:04,390

these weird SHR topics we talked about

922

00:43:09,150 --> 00:43:06,309

so yeah that's kind of um the good

923

00:43:11,190 --> 00:43:09,160

icebreaker is the coffee shop itself so

924

00:43:14,489 --> 00:43:11,200

yeah I've started many conversations I

925

00:43:16,289 --> 00:43:14,499

also owns wear a pin that says ufologist

926
00:43:19,410 --> 00:43:16,299
on it because that's kind of shameless

927
00:43:20,749 --> 00:43:19,420
ufologist to him but yeah yeah I I

928
00:43:23,819 --> 00:43:20,759
definitely had some pretty interesting

929
00:43:26,069 --> 00:43:23,829
conversations with people who said

930
00:43:27,809 --> 00:43:26,079
they've seen things so I've racked up

931
00:43:30,420 --> 00:43:27,819
some people who I might even have on the

932
00:43:49,049 --> 00:43:30,430
show at some point so yeah it's been a

933
00:43:51,120 --> 00:43:49,059
great opportunity for shorter forgiveme

934
00:43:59,249 --> 00:43:51,130
guys I'm pretty far behind on the

935
00:44:01,559 --> 00:43:59,259
questions here so yeah guys it's looking

936
00:44:04,829 --> 00:44:01,569
like I'm probably gonna wrap this up in

937
00:44:06,839 --> 00:44:04,839
the next few minutes or so I've noticed

938
00:44:09,120 --> 00:44:06,849

that in ours a little too long for the

939

00:44:11,339 --> 00:44:09,130

last ones I was getting exhausted and I

940

00:44:13,709 --> 00:44:11,349

know you guys work too so yeah if you

941

00:44:15,359 --> 00:44:13,719

have any final questions throw them in

942

00:44:17,939 --> 00:44:15,369

948

00:44:32,849 --> 00:44:30,160
