4
00:00:11,910 --> 00:00:09,519
to create that's why i've started this

5
00:00:14,230 --> 00:00:11,920

7
00:00:18,710 --> 00:00:15,920
think the show is worth you'll be

8
00:00:21,349 --> 00:00:18,720
helping the show continue grow and to be

9
00:00:23,429 --> 00:00:21,359
something truly communal and remember

10
00:00:25,670 --> 00:00:23,439
there are rewards for each level of

11
00:00:28,070 --> 00:00:25,680
contribution and the list is only

12
00:00:30,550 --> 00:00:28,080
growing so please help somewhere in the

13
00:00:32,790 --> 00:00:30,560

skies now by becoming a patron to

14

00:00:35,510 --> 00:00:32,800

[Applause]

18

00:00:55,220 --> 00:00:52,709

this is somewhere in the skies with ryan

19

00:01:19,670 --> 00:00:55,230

spread

20

00:01:21,350 --> 00:01:19,680

[Music]

21

00:01:24,149 --> 00:01:21,360

welcome to somewhere in the skies i'm

22

00:01:26,950 --> 00:01:24,159

your host ryan sprague sometimes you

23

00:01:28,550 --> 00:01:26,960

just gotta unwind and treat yourself and

24

00:01:30,870 --> 00:01:28,560

that's no exception when it comes to the

25

00:01:33,510 --> 00:01:30,880

podcast i've been chatting back and

26
00:01:36,149 --> 00:01:33,520
forth with colleague mj banayas about uh

27
00:01:39,190 --> 00:01:36,159
you'll never guess ufos

28
00:01:42,230 --> 00:01:39,200
what and as we were talking we both

29
00:01:44,469 --> 00:01:42,240
realized we were huge whiskey fans and

30
00:01:46,469 --> 00:01:44,479
if we're gonna talk ufos and drink

31
00:01:49,830 --> 00:01:46,479
whiskey it seemed like the perfect

32
00:01:52,149 --> 00:01:49,840
combination for some good content so we

33
00:01:53,350 --> 00:01:52,159
decided to hit the old record button and

34
00:01:55,830 --> 00:01:53,360
let it fly

35
00:01:57,990 --> 00:01:55,840
this is a two-part series of somewhere

36
00:02:00,550 --> 00:01:58,000
in the skies and it's a little different

37
00:02:03,030 --> 00:02:00,560
than you're used to it's just mj and i

38
00:02:06,230 --> 00:02:03,040

bouncing thoughts theories and opinions

39

00:02:09,190 --> 00:02:06,240

off on one another it's conversation

40

00:02:10,550 --> 00:02:09,200

it's discourse and it's completely

41

00:02:12,949 --> 00:02:10,560

uncensored

42

00:02:15,030 --> 00:02:12,959

you've been warned and you've been

43

00:02:16,869 --> 00:02:15,040

invited to grab a seat with us borrow

44

00:02:20,150 --> 00:02:16,879

yourself a healthy dose of whiskey

45

00:02:22,869 --> 00:02:20,160

bourbon or water i'm not judging and

46

00:02:26,390 --> 00:02:22,879

join us in this free-for-all discussion

47

00:02:29,589 --> 00:02:26,400

on ufos and a human approach to an alien

48

00:02:32,550 --> 00:02:29,599

phenomenon here is part one and in the

49

00:02:35,750 --> 00:02:32,560

words of the american poet richard hovey

50

00:02:42,470 --> 00:02:35,760

may the beam of your glass never destroy

51
00:02:46,309 --> 00:02:44,150
mj how you doing tonight my man i'm

52
00:02:48,550 --> 00:02:46,319
doing great living the dream man living

53
00:02:50,790 --> 00:02:48,560
the dream living the dream as always now

54
00:02:52,470 --> 00:02:50,800
first of all this was your idea so i

55
00:02:55,270 --> 00:02:52,480
have to credit you with this we are

56
00:02:56,790 --> 00:02:55,280
sitting back we are having a whiskey and

57
00:02:58,869 --> 00:02:56,800
we're just gonna we're just gonna chat

58
00:03:00,550 --> 00:02:58,879
man whatever comes to mind there's

59
00:03:03,030 --> 00:03:00,560
nothing better than like a good glass of

60
00:03:04,309 --> 00:03:03,040
whisk in conversation yes exactly what

61
00:03:07,350 --> 00:03:04,319
are you drinking what do you got over

62
00:03:09,910 --> 00:03:07,360
there tonight uh i have a little little

63
00:03:12,309 --> 00:03:09,920

nip of uh it's called the ardmore it's a

64

00:03:14,869 --> 00:03:12,319

it's a scotch i think highland scotch

65

00:03:16,949 --> 00:03:14,879

nice little blend nothing too fancy but

66

00:03:20,149 --> 00:03:16,959

um you know it's got a bit of heat i'll

67

00:03:22,949 --> 00:03:20,159

say that it's it's it's about 44 so uh

68

00:03:25,589 --> 00:03:22,959

the the back end is a little burny so uh

69

00:03:28,229 --> 00:03:25,599

it's it's enjoyable mellow up front

70

00:03:30,550 --> 00:03:28,239

um nice and punchy in the back so if the

71

00:03:33,589 --> 00:03:30,560

ardmore scotch whiskey oh yummy i'm

72

00:03:36,789 --> 00:03:33,599

drinking a scotch as well i got a uh

73

00:03:37,750 --> 00:03:36,799

wolf burn so this is from northland i

74

00:03:40,070 --> 00:03:37,760

believe

75

00:03:42,229 --> 00:03:40,080

scotland so it's only a year old they

76
00:03:45,030 --> 00:03:42,239
the distillery opened about a year and a

77
00:03:48,470 --> 00:03:45,040
half ago the the original one burnt down

78
00:03:51,910 --> 00:03:48,480
as they do and uh yeah they just started

79
00:03:54,710 --> 00:03:51,920
up a new single malt and uh i'd have to

80
00:03:57,270 --> 00:03:54,720
compare it the same it's uh you know

81
00:03:58,789 --> 00:03:57,280
very very good finish

82
00:04:00,869 --> 00:03:58,799
sweeter than i thought it's got a lot of

83
00:04:03,429 --> 00:04:00,879
honey notes to it so it was a lot more

84
00:04:04,390 --> 00:04:03,439
of a dessert whiskey than i anticipated

85
00:04:07,110 --> 00:04:04,400
but uh

86
00:04:09,350 --> 00:04:07,120
ugh good nonetheless sounds terrific uh

87
00:04:11,350 --> 00:04:09,360
like i said a good whiskey and some ufos

88
00:04:13,110 --> 00:04:11,360

so man i mean we we're just gonna kind

89

00:04:14,869 --> 00:04:13,120

of go off the cuff here but there are a

90

00:04:17,749 --> 00:04:14,879

few things i wanted to bring up you

91

00:04:21,030 --> 00:04:17,759

being in canada this story's been making

92

00:04:24,870 --> 00:04:21,040

the rounds lately about a new canadian

93

00:04:26,629 --> 00:04:24,880

coin that features a ufo case what have

94

00:04:28,790 --> 00:04:26,639

you found out about this and have you

95

00:04:30,310 --> 00:04:28,800

gotten your hands on this yet okay yeah

96

00:04:33,110 --> 00:04:30,320

so i've read this in the newspaper and

97

00:04:35,670 --> 00:04:33,120

it was uh like because the mint in

98

00:04:37,670 --> 00:04:35,680

canada is is in my

99

00:04:40,710 --> 00:04:37,680

it's in like my my city so it's pretty

100

00:04:43,590 --> 00:04:40,720

local um and it's a it's a 20 silver

101
00:04:45,110 --> 00:04:43,600
coin and it's shaped sort of not it's

102
00:04:46,870 --> 00:04:45,120
not really circular it's sort of like a

103
00:04:48,950 --> 00:04:46,880
teardrop shaper and sort of an oval with

104
00:04:51,189 --> 00:04:48,960
a and it kind of rounds off to the

105
00:04:53,909 --> 00:04:51,199
bottom into like a teardrop and it and

106
00:04:56,710 --> 00:04:53,919
it's it's it's to commemorate the falcon

107
00:05:00,070 --> 00:04:56,720
lake uh ufo encounter which happened in

108
00:05:02,310 --> 00:05:00,080
falcon lake manitoba in 1967 and it's

109
00:05:04,870 --> 00:05:02,320
sort of one of the best known

110
00:05:08,550 --> 00:05:04,880
or best sort of investigated i suppose

111
00:05:11,430 --> 00:05:08,560
ufo encounters close encounters um in

112
00:05:13,270 --> 00:05:11,440
canadian history um so the coin i think

113
00:05:15,029 --> 00:05:13,280

is about 120

114

00:05:17,189 --> 00:05:15,039

canadian to buy

115

00:05:18,790 --> 00:05:17,199

so i i'm kind of viewing that as a

116

00:05:20,550 --> 00:05:18,800

slight rip-off i mean the silver is

117

00:05:23,270 --> 00:05:20,560

worth about 20 but it's gonna cost me

118

00:05:24,710 --> 00:05:23,280

120 to buy it um that being said when

119

00:05:26,230 --> 00:05:24,720

something like that comes out it's tough

120

00:05:28,469 --> 00:05:26,240

for me not to get the credit card out

121

00:05:30,310 --> 00:05:28,479

and just start throwing money at me

122

00:05:32,469 --> 00:05:30,320

so yeah the the back of the coin

123

00:05:33,990 --> 00:05:32,479

features the typical canadian sort of

124

00:05:35,830 --> 00:05:34,000

the canadian you know

125

00:05:39,430 --> 00:05:35,840

head which is the queen and then on the

126

00:05:41,670 --> 00:05:39,440

front end is um a sort of a picture of a

127

00:05:42,710 --> 00:05:41,680

man who is supposed to be stephen

128

00:05:44,710 --> 00:05:42,720

uh

129

00:05:47,590 --> 00:05:44,720

stephen

130

00:05:49,749 --> 00:05:47,600

there we go we got it sorry and uh he

131

00:05:52,070 --> 00:05:49,759

sort of crouched down his he's sort of

132

00:05:54,150 --> 00:05:52,080

looking up into the sky as this sort of

133

00:05:56,150 --> 00:05:54,160

disc like object is sort of descending

134

00:05:57,670 --> 00:05:56,160

over him in the lake um in the

135

00:05:59,909 --> 00:05:57,680

background so it's a it's and it's

136

00:06:01,830 --> 00:05:59,919

colored and it's it's quite sort of i

137

00:06:04,550 --> 00:06:01,840

mean it's kind of silly looking but like

138

00:06:06,469 --> 00:06:04,560

i said it's a ufo coin and i have to be

139

00:06:08,790 --> 00:06:06,479

i have to say as a canadian i'm pretty

140

00:06:10,870 --> 00:06:08,800

proud that my country decided to release

141

00:06:13,350 --> 00:06:10,880

a limited edition ufo coin it's

142

00:06:16,070 --> 00:06:13,360

absolutely it's so trippy man looking at

143

00:06:17,830 --> 00:06:16,080

this thing but again i love it i'm i

144

00:06:19,590 --> 00:06:17,840

really want to fork out the money here

145

00:06:21,510 --> 00:06:19,600

because how often do you get this could

146

00:06:23,670 --> 00:06:21,520

you imagine if the us ever did something

147

00:06:26,469 --> 00:06:23,680

like this i i can't even imagine if we

148

00:06:28,230 --> 00:06:26,479

got like a roswell one or this that this

149

00:06:30,469 --> 00:06:28,240

that and why not right why not there

150

00:06:31,909 --> 00:06:30,479

should be coins with ufos on them i mean

151

00:06:33,909 --> 00:06:31,919

i think they're interesting historically

152

00:06:36,070 --> 00:06:33,919

i wonder why they did it though like

153

00:06:38,230 --> 00:06:36,080

that's the question yeah of all the

154

00:06:40,550 --> 00:06:38,240

coins you could have made you know like

155

00:06:41,749 --> 00:06:40,560

and minted and like what you could have

156

00:06:43,270 --> 00:06:41,759

celebrated

157

00:06:45,350 --> 00:06:43,280

like

158

00:06:48,150 --> 00:06:45,360

a little ufo encounter right in the

159

00:06:50,469 --> 00:06:48,160

middle of like the the wilderness in in

160

00:06:52,390 --> 00:06:50,479

manitoba in canada is like i gotta be

161

00:06:54,390 --> 00:06:52,400

honest like you you have someone on the

162

00:06:55,909 --> 00:06:54,400

inside though like you've got one guy

163

00:06:57,350 --> 00:06:55,919

who sits on that board it's like you

164

00:06:59,830 --> 00:06:57,360

know we should do a ufo coin and

165

00:07:01,749 --> 00:06:59,840

everyone was just really high that day

166

00:07:04,070 --> 00:07:01,759

yeah you know what sounds great let's

167

00:07:05,749 --> 00:07:04,080

just do a ufo coin yeah who's got

168

00:07:07,510 --> 00:07:05,759

munchies you know and then it was just

169

00:07:08,710 --> 00:07:07,520

somehow voted in and all of a sudden we

170

00:07:11,510 --> 00:07:08,720

now have one

171

00:07:13,270 --> 00:07:11,520

it's ridiculous i i i'm still like

172

00:07:15,430 --> 00:07:13,280

trying to wrap my head around this and

173

00:07:17,670 --> 00:07:15,440

yeah i mean it's an interesting case i

174

00:07:19,909 --> 00:07:17,680

don't know much about it but uh i know

175

00:07:21,029 --> 00:07:19,919

that image of what uh what's our guy's

176
00:07:23,430 --> 00:07:21,039
name again

177
00:07:25,589 --> 00:07:23,440
stephanie steven yeah

178
00:07:28,550 --> 00:07:25,599
stefan as i put it very

179
00:07:30,309 --> 00:07:28,560
very uh elegant yeah he uh

180
00:07:32,629 --> 00:07:30,319
like that famous photo of him with like

181
00:07:34,469 --> 00:07:32,639
the radiation marks on his chest and

182
00:07:37,430 --> 00:07:34,479
whatnot like that photo's been making

183
00:07:39,589 --> 00:07:37,440
the rounds for decades um i never knew

184
00:07:40,710 --> 00:07:39,599
it was from this case actually yeah it's

185
00:07:42,790 --> 00:07:40,720
it's actually

186
00:07:44,629 --> 00:07:42,800
a really well investigated case i mean

187
00:07:46,710 --> 00:07:44,639
it's part of the blue book investigation

188
00:07:49,350 --> 00:07:46,720

so when blue book is running they they

189

00:07:51,189 --> 00:07:49,360

did come to investigate this case but

190

00:07:52,629 --> 00:07:51,199

they sort of well you know i mean you

191

00:07:55,110 --> 00:07:52,639

know the listeners of your show know

192

00:07:57,830 --> 00:07:55,120

blue book wasn't exactly the most

193

00:07:59,990 --> 00:07:57,840

legitimate sort of ufo investigation

194

00:08:02,469 --> 00:08:00,000

sort of ever done a lot of it was based

195

00:08:04,469 --> 00:08:02,479

upon debunking sort of the phenomenon

196

00:08:06,230 --> 00:08:04,479

not really investigating it properly so

197

00:08:08,550 --> 00:08:06,240

they made claims that you know he was

198

00:08:10,070 --> 00:08:08,560

burned by by his barbecue and you know

199

00:08:11,990 --> 00:08:10,080

he was drunk and he fell onto his

200

00:08:13,749 --> 00:08:12,000

barbecue and that's what burned him and

201
00:08:15,430 --> 00:08:13,759
uh you know all these other ridiculous

202
00:08:17,589 --> 00:08:15,440
claims that sort of this is what

203
00:08:19,670 --> 00:08:17,599
happened right meanwhile you know

204
00:08:22,070 --> 00:08:19,680
the mayo clinic uh which is where they

205
00:08:23,749 --> 00:08:22,080
went to sort of have him checked out

206
00:08:25,350 --> 00:08:23,759
sort of officially almost like zero

207
00:08:27,589 --> 00:08:25,360
chance this is a barbecue i mean the

208
00:08:29,589 --> 00:08:27,599
burns keep showing up you know every few

209
00:08:31,589 --> 00:08:29,599
months or every few years for some

210
00:08:33,829 --> 00:08:31,599
reason you know when the burns do show

211
00:08:36,630 --> 00:08:33,839
up he this man emits this sort of

212
00:08:37,829 --> 00:08:36,640
sulfur-like smell yeah and it sort of

213
00:08:39,110 --> 00:08:37,839

followed him for the rest of his life

214

00:08:41,589 --> 00:08:39,120

right and these burns would sort of

215

00:08:43,110 --> 00:08:41,599

recur every once in a while and no that

216

00:08:44,310 --> 00:08:43,120

like i've never seen a barbecue with

217

00:08:45,990 --> 00:08:44,320

like round

218

00:08:48,070 --> 00:08:46,000

grills right you know like a barbecue

219

00:08:50,550 --> 00:08:48,080

has like a you know the typical kind of

220

00:08:53,110 --> 00:08:50,560

linear grill marks uh and he sort of has

221

00:08:54,389 --> 00:08:53,120

these round burns and stuff so this was

222

00:08:56,070 --> 00:08:54,399

one of those cases i think that blue

223

00:08:58,630 --> 00:08:56,080

book kind of went out of their way to

224

00:09:00,790 --> 00:08:58,640

sort of try and debunk um rather than

225

00:09:01,910 --> 00:09:00,800

sort of properly investigate

226

00:09:03,110 --> 00:09:01,920

um

227

00:09:04,870 --> 00:09:03,120

it didn't help that he was sort of you

228

00:09:06,550 --> 00:09:04,880

know a polish immigrant didn't speak

229

00:09:07,910 --> 00:09:06,560

english very well you know i think that

230

00:09:09,190 --> 00:09:07,920

there was maybe a little i'm not gonna

231

00:09:10,710 --> 00:09:09,200

claim that there was racism but i think

232

00:09:12,470 --> 00:09:10,720

there may have been a little bit of you

233

00:09:15,350 --> 00:09:12,480

know discrimination a little bit

234

00:09:17,829 --> 00:09:15,360

you know he wasn't exactly you know a uh

235

00:09:19,829 --> 00:09:17,839

a military man and he wasn't exactly um

236

00:09:22,550 --> 00:09:19,839

you know a ceo of a company right he was

237

00:09:25,350 --> 00:09:22,560

a blue-collar polish guy

238

00:09:28,949 --> 00:09:25,360

with a very very huge interest in like

239

00:09:31,110 --> 00:09:28,959

geology so you know i can see them just

240

00:09:32,550 --> 00:09:31,120

trying to write this one off yeah

241

00:09:34,389 --> 00:09:32,560

none of that i mean he made a lot of

242

00:09:36,070 --> 00:09:34,399

strange claims i mean you know the thing

243

00:09:38,630 --> 00:09:36,080

landed he walked up to it he leaned

244

00:09:40,790 --> 00:09:38,640

inside he heard a couple voices you know

245

00:09:43,030 --> 00:09:40,800

like there was a lot of um strange

246

00:09:44,389 --> 00:09:43,040

claims but the one thing that you can't

247

00:09:46,230 --> 00:09:44,399

sort of dismiss is the fact that he did

248

00:09:48,230 --> 00:09:46,240

get burned right he did see doctors it's

249

00:09:49,670 --> 00:09:48,240

all documented it's documented in police

250

00:09:50,630 --> 00:09:49,680

records it's documented in hospital

251
00:09:52,070 --> 00:09:50,640
records

252
00:09:54,949 --> 00:09:52,080
it's documented in blue book i mean

253
00:09:57,110 --> 00:09:54,959
there's so much evidence to support this

254
00:09:58,550 --> 00:09:57,120
case that something weird happened you

255
00:09:59,750 --> 00:09:58,560
can't just you know write it off as

256
00:10:01,829 --> 00:09:59,760
being a drunk guy who fell on his

257
00:10:04,150 --> 00:10:01,839
barbecue exactly yeah and i mean i've

258
00:10:06,790 --> 00:10:04,160
seen you know recent interviews with his

259
00:10:08,310 --> 00:10:06,800
son and you know he he tears up every

260
00:10:10,470 --> 00:10:08,320
time he starts talking about this

261
00:10:13,190 --> 00:10:10,480
because his father you know passed away

262
00:10:14,710 --> 00:10:13,200
and to this day the son genuinely

263
00:10:17,350 --> 00:10:14,720

believes that this happened to his

264

00:10:20,310 --> 00:10:17,360

father that means nothing you know to to

265

00:10:22,630 --> 00:10:20,320

the public at large it's only this son's

266

00:10:24,550 --> 00:10:22,640

belief in his father which we all want

267

00:10:26,949 --> 00:10:24,560

to believe anything our fathers tell us

268

00:10:29,509 --> 00:10:26,959

but uh yeah man i mean there's something

269

00:10:33,110 --> 00:10:29,519

to that you know when when you hear a

270

00:10:34,710 --> 00:10:33,120

story like that and uh your your kids

271

00:10:36,630 --> 00:10:34,720

back you up and

272

00:10:39,030 --> 00:10:36,640

that really convinced me i mean i know

273

00:10:41,030 --> 00:10:39,040

that's not going on much and as a

274

00:10:43,110 --> 00:10:41,040

researcher and investigator i should go

275

00:10:45,590 --> 00:10:43,120

on more to

276

00:10:47,269 --> 00:10:45,600

to look at a case but um again it's that

277

00:10:49,750 --> 00:10:47,279

human aspect that always gets to me

278

00:10:51,829 --> 00:10:49,760

which we will talk about in a little bit

279

00:10:53,990 --> 00:10:51,839

but uh yeah fascinating nonetheless if

280

00:10:55,670 --> 00:10:54,000

they're gonna do a case and make a coin

281

00:10:57,110 --> 00:10:55,680

out of it i think this was the one to do

282

00:10:58,710 --> 00:10:57,120

it for for sure

283

00:11:00,710 --> 00:10:58,720

yeah i got actually it's interesting i

284

00:11:02,949 --> 00:11:00,720

got to meet his son last year um really

285

00:11:05,190 --> 00:11:02,959

at sort of a talk that was given by him

286

00:11:07,269 --> 00:11:05,200

and chris rutkowski who helped him out

287

00:11:09,350 --> 00:11:07,279

with sort of re-releasing the original

288

00:11:11,590 --> 00:11:09,360

book about this case right and it was

289

00:11:13,990 --> 00:11:11,600

fascinating because they had like a talk

290

00:11:16,790 --> 00:11:14,000

um sort of a q a and everything and like

291

00:11:19,430 --> 00:11:16,800

it's crazy to to listen to this this

292

00:11:21,910 --> 00:11:19,440

sort of he's i mean he's in his 50s now

293

00:11:23,829 --> 00:11:21,920

but his son talked about you know how

294

00:11:26,470 --> 00:11:23,839

his parents marriage was affected as a

295

00:11:29,910 --> 00:11:26,480

result of this incident right how his

296

00:11:31,269 --> 00:11:29,920

dad became very very sort of depressed

297

00:11:33,350 --> 00:11:31,279

and became very disconnected from his

298

00:11:35,350 --> 00:11:33,360

family because of this odd event and and

299

00:11:37,430 --> 00:11:35,360

none of that he became quite ill like he

300

00:11:39,590 --> 00:11:37,440

he like his hair fell out he was

301
00:11:41,670 --> 00:11:39,600
nauseous all the time he was barely he

302
00:11:43,829 --> 00:11:41,680
suddenly his dad he said his dad lost

303
00:11:45,430 --> 00:11:43,839
something like 50 pounds as a result of

304
00:11:47,030 --> 00:11:45,440
this incident because he just got sick

305
00:11:48,949 --> 00:11:47,040
and he was and he was hyper ill for a

306
00:11:50,150 --> 00:11:48,959
long time and like like i said like

307
00:11:51,990 --> 00:11:50,160
these burn marks would come back every

308
00:11:53,509 --> 00:11:52,000
once in a while and like this stench

309
00:11:54,870 --> 00:11:53,519
would fill the house like he said like

310
00:11:56,710 --> 00:11:54,880
rotten eggs and

311
00:11:58,150 --> 00:11:56,720
and it's just like the the whole family

312
00:12:00,310 --> 00:11:58,160
was affected right it wasn't just this

313
00:12:01,910 --> 00:12:00,320

one man it was the family the community

314

00:12:03,910 --> 00:12:01,920

right you know he was the crazy guy who

315

00:12:05,829 --> 00:12:03,920

saw a ufo like i mean you can imagine

316

00:12:07,509 --> 00:12:05,839

you know i'm sure as a as a as a good

317

00:12:08,870 --> 00:12:07,519

sort of polish immigrant to canada you

318

00:12:10,310 --> 00:12:08,880

know how do you go to church on sundays

319

00:12:11,590 --> 00:12:10,320

and not have people talk about you

320

00:12:13,190 --> 00:12:11,600

behind your back and like you know i

321

00:12:15,350 --> 00:12:13,200

can't imagine yeah and you know what

322

00:12:17,910 --> 00:12:15,360

this this reminds me so much of the cash

323

00:12:20,150 --> 00:12:17,920

landrum case as well you know you know

324

00:12:20,949 --> 00:12:20,160

so much physical trace evidence in terms

325

00:12:23,350 --> 00:12:20,959

of

326

00:12:25,350 --> 00:12:23,360

possible radiation and whatnot and you

327

00:12:27,190 --> 00:12:25,360

know things hair falling out this and

328

00:12:29,590 --> 00:12:27,200

that and it really

329

00:12:32,150 --> 00:12:29,600

really makes me think both cash landrum

330

00:12:35,269 --> 00:12:32,160

and this case that we were dealing with

331

00:12:37,190 --> 00:12:35,279

something military uh top secret but who

332

00:12:38,389 --> 00:12:37,200

am i to say but that's kind of what it

333

00:12:39,990 --> 00:12:38,399

sounds like to me

334

00:12:41,509 --> 00:12:40,000

and if the guy's going to go around

335

00:12:43,750 --> 00:12:41,519

saying it was a

336

00:12:44,949 --> 00:12:43,760

space aliens of course they're not going

337

00:12:46,550 --> 00:12:44,959

to argue that they're going to be like

338

00:12:48,790 --> 00:12:46,560

great let him keep saying that but i

339

00:12:50,550 --> 00:12:48,800

feel so bad for him

340

00:12:52,310 --> 00:12:50,560

oh anyway it's funny because he actually

341

00:12:54,069 --> 00:12:52,320

it's in the book he didn't think it was

342

00:12:55,910 --> 00:12:54,079

aliens at all like he he was totally

343

00:12:57,430 --> 00:12:55,920

convinced it was

344

00:13:00,949 --> 00:12:57,440

like an american

345

00:13:03,350 --> 00:13:00,959

advanced like propulsion like he

346

00:13:05,110 --> 00:13:03,360

in the book as he walks up to the ship

347

00:13:07,990 --> 00:13:05,120

or whatever this thing that's landed on

348

00:13:10,710 --> 00:13:08,000

this rock he and he leans inside and he

349

00:13:12,310 --> 00:13:10,720

yells do you yanks need some help

350

00:13:14,150 --> 00:13:12,320

that's what he yells right because he

351
00:13:16,310 --> 00:13:14,160
was convinced it was just some american

352
00:13:17,910 --> 00:13:16,320
piece of you know hardware that was

353
00:13:19,430 --> 00:13:17,920
coming out of the cold war and you know

354
00:13:21,030 --> 00:13:19,440
it just you know they had to land it

355
00:13:23,030 --> 00:13:21,040
somewhere i guess and this was a perfect

356
00:13:26,069 --> 00:13:23,040
place you know clearing in the woods so

357
00:13:28,310 --> 00:13:26,079
yeah no in fact he he went to his grave

358
00:13:32,069 --> 00:13:28,320
never at all claiming it was aliens um

359
00:13:33,910 --> 00:13:32,079
he he he died believing it was

360
00:13:36,629 --> 00:13:33,920
um some advanced piece of human

361
00:13:37,910 --> 00:13:36,639
technology um i think other people

362
00:13:39,509 --> 00:13:37,920
started to sort of think it was

363
00:13:40,629 --> 00:13:39,519

potentially alien or something and that

364

00:13:43,430 --> 00:13:40,639

sort of just became part of the

365

00:13:45,829 --> 00:13:43,440

mythology right as it often does anytime

366

00:13:48,230 --> 00:13:45,839

you hear a ufo it always it always goes

367

00:13:50,230 --> 00:13:48,240

back to et which is one of the biggest

368

00:13:52,710 --> 00:13:50,240

problems we have these days and that

369

00:13:54,150 --> 00:13:52,720

we've had for a long long time but i

370

00:13:55,829 --> 00:13:54,160

mean there are people out there looking

371

00:13:58,550 --> 00:13:55,839

at it differently and that's all we can

372

00:14:00,790 --> 00:13:58,560

really ask for but uh yeah interesting

373

00:14:02,150 --> 00:14:00,800

there was one thing i wanted to bring up

374

00:14:06,550 --> 00:14:02,160

to you i brought it up to you tonight

375

00:14:08,870 --> 00:14:06,560

man this is a find i just made yesterday

376

00:14:10,870 --> 00:14:08,880

and i don't even know if i i'm sure some

377

00:14:12,790 --> 00:14:10,880

of the people in the quote unquote ufo

378

00:14:15,910 --> 00:14:12,800

community know about this but it was

379

00:14:18,870 --> 00:14:15,920

news to me and i am loving it this is a

380

00:14:21,430 --> 00:14:18,880

podcast i found it's called oh no ross

381

00:14:24,710 --> 00:14:21,440

and cary so it's this this woman in this

382

00:14:27,110 --> 00:14:24,720

man in los angeles and they go to ufo

383

00:14:30,710 --> 00:14:27,120

conferences all around the country and

384

00:14:33,110 --> 00:14:30,720

they review every talk in every speaker

385

00:14:35,990 --> 00:14:33,120

that they see so they went to the ozark

386

00:14:38,069 --> 00:14:36,000

ufo conference last year they broke it

387

00:14:41,030 --> 00:14:38,079

up into i think like six episodes

388

00:14:42,949 --> 00:14:41,040

they're like 50 minutes each and they go

389

00:14:44,949 --> 00:14:42,959

so in-depth like talking about each

390

00:14:47,670 --> 00:14:44,959

speaker what they look like their

391

00:14:49,670 --> 00:14:47,680

mannerisms um how they acted before

392

00:14:52,069 --> 00:14:49,680

their talk how they responded to

393

00:14:53,910 --> 00:14:52,079

questions after and then they do a deep

394

00:14:57,110 --> 00:14:53,920

dive into each of them and oh my god

395

00:14:59,350 --> 00:14:57,120

dude like it is the most entertaining

396

00:15:01,590 --> 00:14:59,360

and eye-opening thing i've heard in a

397

00:15:03,430 --> 00:15:01,600

long time from people from the outside

398

00:15:05,509 --> 00:15:03,440

which i think is really

399

00:15:07,910 --> 00:15:05,519

interesting you know i i i don't know

400

00:15:10,150 --> 00:15:07,920

about you but i feel so embedded in this

401
00:15:12,710 --> 00:15:10,160
stuff that i almost feel loyalty to some

402
00:15:15,030 --> 00:15:12,720
of these these people these you know the

403
00:15:18,470 --> 00:15:15,040
quote unquote like the big guns in the

404
00:15:20,230 --> 00:15:18,480
field to respect everything they say and

405
00:15:23,269 --> 00:15:20,240
when you start to hear someone from the

406
00:15:24,870 --> 00:15:23,279
outside making extremely logical

407
00:15:26,710 --> 00:15:24,880
observations about some of the things

408
00:15:29,269 --> 00:15:26,720
these people are saying it's

409
00:15:33,350 --> 00:15:29,279
crazy like yeah some of the stuff they

410
00:15:35,670 --> 00:15:33,360
say is absolutely nuts so oh yeah

411
00:15:37,509 --> 00:15:35,680
i'm so happy i found it it's a little

412
00:15:40,310 --> 00:15:37,519
uncomfortable when i hear them talk

413
00:15:43,030 --> 00:15:40,320

about you know friends of mine who i

414

00:15:44,150 --> 00:15:43,040

talk to on a daily basis but at the same

415

00:15:47,110 --> 00:15:44,160

time

416

00:15:48,710 --> 00:15:47,120

it's it's amazing it's refreshing and i

417

00:15:50,629 --> 00:15:48,720

i wanted to let you know about that and

418

00:15:53,030 --> 00:15:50,639

for any of the listeners out there go

419

00:15:55,990 --> 00:15:53,040

check this out oh no ross and kerry

420

00:15:58,949 --> 00:15:56,000

podcast i mean uh steven career

421

00:15:59,749 --> 00:15:58,959

holy that was

422

00:16:00,790 --> 00:15:59,759

like

423

00:16:02,629 --> 00:16:00,800

really

424

00:16:03,670 --> 00:16:02,639

yeah you how do you not rip them apart

425

00:16:04,949 --> 00:16:03,680

but okay

426

00:16:06,870 --> 00:16:04,959

i'm subscribing i literally just

427

00:16:07,590 --> 00:16:06,880

subscribed on podcast so i'm gonna enjoy

428

00:16:09,509 --> 00:16:07,600

this

429

00:16:11,910 --> 00:16:09,519

it's great man contact in the desert

430

00:16:14,230 --> 00:16:11,920

they went to you know yeah they talk

431

00:16:17,910 --> 00:16:14,240

about you know everything from you know

432

00:16:20,150 --> 00:16:17,920

giorgio suclose to uh eric von danigan

433

00:16:22,230 --> 00:16:20,160

and it's it's great like they they're

434

00:16:24,790 --> 00:16:22,240

respectful but at the same time they

435

00:16:28,230 --> 00:16:24,800

keep it real so for anyone out there who

436

00:16:30,389 --> 00:16:28,240

wants to hear the other side of ufo

437

00:16:32,790 --> 00:16:30,399

conjecture i guess this is definitely

438

00:16:34,230 --> 00:16:32,800

one for you so yeah you know if you

439

00:16:35,430 --> 00:16:34,240

bring up an interesting point this idea

440

00:16:37,430 --> 00:16:35,440

of we're gonna get into our first

441

00:16:39,990 --> 00:16:37,440

conversation this idea of sort of trying

442

00:16:41,829 --> 00:16:40,000

to remain loyal to

443

00:16:43,189 --> 00:16:41,839

sort of like people in the field right

444

00:16:44,790 --> 00:16:43,199

or or like you say the big guns right

445

00:16:47,269 --> 00:16:44,800

like the experts or whatever and it's

446

00:16:48,710 --> 00:16:47,279

interesting because we need to kind of

447

00:16:50,710 --> 00:16:48,720

think about you know why we do this

448

00:16:54,629 --> 00:16:50,720

right like why do we

449

00:16:57,269 --> 00:16:54,639

defer common sense or why do we defer

450

00:17:01,110 --> 00:16:57,279

critical thought to just being like okay

451

00:17:03,189 --> 00:17:01,120

i i i believe you right um and

452

00:17:04,309 --> 00:17:03,199

it's i think that there

453

00:17:06,309 --> 00:17:04,319

i think that's maybe there's two things

454

00:17:09,350 --> 00:17:06,319

i think first the ufo community or ufo

455

00:17:12,789 --> 00:17:09,360

subculture is so sort of fringy that

456

00:17:14,789 --> 00:17:12,799

ultimately anyone who sort of

457

00:17:17,110 --> 00:17:14,799

puts the message out there kind of puts

458

00:17:18,549 --> 00:17:17,120

the message out for everyone right like

459

00:17:20,789 --> 00:17:18,559

like you it's sort of it's like some

460

00:17:23,189 --> 00:17:20,799

sort of odd rights movement right like

461

00:17:25,990 --> 00:17:23,199

the ufo rights movement right like any

462

00:17:29,350 --> 00:17:26,000

progress is progress regardless of what

463

00:17:31,510 --> 00:17:29,360

that progress is so when stephen greer

464

00:17:34,390 --> 00:17:31,520

gets you know his two documentaries on

465

00:17:36,230 --> 00:17:34,400

netflix into like a mainstream

466

00:17:37,029 --> 00:17:36,240

like netflix is a mainstream provider

467

00:17:38,870 --> 00:17:37,039

yeah

468

00:17:40,710 --> 00:17:38,880

carrying a bunch of ufo documentaries i

469

00:17:41,909 --> 00:17:40,720

mean i think you know when he gets his

470

00:17:43,510 --> 00:17:41,919

two in there we're kind of like you know

471

00:17:44,950 --> 00:17:43,520

okay well that's good because the

472

00:17:46,710 --> 00:17:44,960

message is gonna get out there i mean

473

00:17:48,549 --> 00:17:46,720

it's grier's message which is

474

00:17:51,350 --> 00:17:48,559

nonsensical half the time and pretty

475

00:17:53,990 --> 00:17:51,360

dubious but it's still getting out there

476

00:17:55,190 --> 00:17:54,000

so that people will then maybe

477

00:17:56,549 --> 00:17:55,200

watch it and then they'll do more

478

00:17:58,390 --> 00:17:56,559

research and then eventually like

479

00:18:00,710 --> 00:17:58,400

hopefully learn how crazy it is but you

480

00:18:02,310 --> 00:18:00,720

know keep going down that road you know

481

00:18:04,310 --> 00:18:02,320

is that one thing is that why we kind of

482

00:18:06,390 --> 00:18:04,320

try to stay loyal a little bit it's a

483

00:18:09,029 --> 00:18:06,400

struggle yeah i mean i remember back

484

00:18:11,590 --> 00:18:09,039

when unacknowledged first came out and i

485

00:18:13,909 --> 00:18:11,600

went on a tirade i'm like i will never

486

00:18:15,750 --> 00:18:13,919

talk about that documentary on my show i

487

00:18:17,750 --> 00:18:15,760

will never have steven grier on

488

00:18:19,750 --> 00:18:17,760

that guy you know i'm like a curmudgeon

489

00:18:21,510 --> 00:18:19,760

at this point with it but

490

00:18:23,669 --> 00:18:21,520

then my girlfriend really you know

491

00:18:26,710 --> 00:18:23,679

calmed me down and she's like look at

492

00:18:29,990 --> 00:18:26,720

least the ufo topic is being discussed

493

00:18:31,990 --> 00:18:30,000

in a public like a mainstream uh outlet

494

00:18:34,150 --> 00:18:32,000

such as netflix and whatnot again like

495

00:18:35,750 --> 00:18:34,160

you said it's the message that gets out

496

00:18:37,590 --> 00:18:35,760

there and you and i have talked in the

497

00:18:39,750 --> 00:18:37,600

past about you know and you know robbie

498

00:18:41,750 --> 00:18:39,760

graham would have i i think agree with

499

00:18:45,270 --> 00:18:41,760

this too if having someone like tom

500

00:18:47,830 --> 00:18:45,280

delong as the face of ufology like is

501
00:18:49,110 --> 00:18:47,840
that good that now we have someone that

502
00:18:51,909 --> 00:18:49,120
is getting it out there to the

503
00:18:54,230 --> 00:18:51,919
mainstream but it's his agenda it's his

504
00:18:55,029 --> 00:18:54,240
message it's whatever you know books he

505
00:18:57,590 --> 00:18:55,039
read

506
00:19:00,789 --> 00:18:57,600
by career included um that is going to

507
00:19:03,990 --> 00:19:00,799
get out there and it it is it's a weird

508
00:19:07,029 --> 00:19:04,000
game of loyalties and

509
00:19:08,549 --> 00:19:07,039
alliances and i i don't think it does

510
00:19:11,029 --> 00:19:08,559
the field any

511
00:19:11,909 --> 00:19:11,039
any good with that stuff but at the same

512
00:19:13,350 --> 00:19:11,919
time

513
00:19:15,029 --> 00:19:13,360

you know what do you do what do you do

514

00:19:17,270 --> 00:19:15,039

when like someone you've looked up to

515

00:19:18,950 --> 00:19:17,280

for so long finds out that they've been

516

00:19:21,510 --> 00:19:18,960

lied to for

517

00:19:24,390 --> 00:19:21,520

you know 25 odd years about one of the

518

00:19:26,870 --> 00:19:24,400

most famous ufo cases um

519

00:19:28,230 --> 00:19:26,880

it's hard man and i i find myself

520

00:19:29,830 --> 00:19:28,240

between a rock and a hard place

521

00:19:31,590 --> 00:19:29,840

constantly with that i don't know about

522

00:19:32,950 --> 00:19:31,600

you well i think you also have you know

523

00:19:35,909 --> 00:19:32,960

we also have to contend with the fact

524

00:19:37,669 --> 00:19:35,919

that the yofo community

525

00:19:39,590 --> 00:19:37,679

how to put this

526
00:19:40,630 --> 00:19:39,600
gently

527
00:19:43,510 --> 00:19:40,640
there are

528
00:19:46,549 --> 00:19:43,520
a few individuals let's say in the ufo

529
00:19:47,990 --> 00:19:46,559
community a few in the ufo community who

530
00:19:50,150 --> 00:19:48,000
you know we could probably say are are

531
00:19:51,830 --> 00:19:50,160
very extreme to the point where if you

532
00:19:52,710 --> 00:19:51,840
question

533
00:19:58,870 --> 00:19:52,720
their

534
00:20:01,430 --> 00:19:58,880
hypotheses or theories um not only do

535
00:20:03,990 --> 00:20:01,440
they come swinging at you their cronies

536
00:20:05,830 --> 00:20:04,000
come swinging at you right yes and and

537
00:20:08,230 --> 00:20:05,840
you know i don't want to pick on steven

538
00:20:10,310 --> 00:20:08,240

greer much more because i fear the wrath

539

00:20:12,789 --> 00:20:10,320

of his cronies but he has a lot of he

540

00:20:14,710 --> 00:20:12,799

has a lot of people who buy into his

541

00:20:16,230 --> 00:20:14,720

message another character

542

00:20:18,150 --> 00:20:16,240

like this is like corey good or david

543

00:20:21,029 --> 00:20:18,160

wilcock they have a significant

544

00:20:22,710 --> 00:20:21,039

following and being critical of them

545

00:20:25,750 --> 00:20:22,720

they're able to muster a sort of a

546

00:20:27,830 --> 00:20:25,760

significant force of of people to sort

547

00:20:29,990 --> 00:20:27,840

of go after you right whether it's

548

00:20:31,750 --> 00:20:30,000

emails or hate mail or whether you know

549

00:20:33,270 --> 00:20:31,760

you you go on their youtube channel like

550

00:20:35,270 --> 00:20:33,280

you know like like they'll know start

551
00:20:37,190 --> 00:20:35,280
believing belittling you on their

552
00:20:39,510 --> 00:20:37,200
youtube channel they'll say you're part

553
00:20:41,270 --> 00:20:39,520
of the the cabal or whatever and all of

554
00:20:43,190 --> 00:20:41,280
a sudden you know there's

555
00:20:45,590 --> 00:20:43,200
20 000 people out there who no longer

556
00:20:47,750 --> 00:20:45,600
like you right and are willing to some

557
00:20:49,590 --> 00:20:47,760
of them are willing to you know make

558
00:20:50,950 --> 00:20:49,600
your life a living hell they'll try and

559
00:20:52,310 --> 00:20:50,960
hack your facebook account they'll try

560
00:20:53,590 --> 00:20:52,320
and hack other social media stuff

561
00:20:55,669 --> 00:20:53,600
they'll try to break into your emails

562
00:20:57,270 --> 00:20:55,679
they'll they'll post pictures of you

563
00:20:58,390 --> 00:20:57,280

like public you know publicity photos

564

00:20:59,590 --> 00:20:58,400

you've done or whatever or anything you

565

00:21:01,270 --> 00:20:59,600

know they'll just post pictures of them

566

00:21:03,110 --> 00:21:01,280

that are all warped and morphed and

567

00:21:04,789 --> 00:21:03,120

they'll release fake blog posts about

568

00:21:07,190 --> 00:21:04,799

you know like they'll just kind of

569

00:21:10,310 --> 00:21:07,200

really rake you over the coals a little

570

00:21:12,149 --> 00:21:10,320

bit yeah it's like leaving scientology

571

00:21:16,230 --> 00:21:12,159

yeah as like a punishment like how dare

572

00:21:17,350 --> 00:21:16,240

you question our you know cult leader so

573

00:21:19,110 --> 00:21:17,360

that's another thing i mean i think

574

00:21:20,230 --> 00:21:19,120

people in the uf ufo community also are

575

00:21:22,310 --> 00:21:20,240

aware of this right you have to be very

576

00:21:24,070 --> 00:21:22,320

cautious and and you have to be willing

577

00:21:25,350 --> 00:21:24,080

to take a hit if you're going to kind of

578

00:21:27,750 --> 00:21:25,360

go that route like if you're going to

579

00:21:30,310 --> 00:21:27,760

you know walk out and say publicly that

580

00:21:31,750 --> 00:21:30,320

you know like corey goode is a fraud you

581

00:21:34,149 --> 00:21:31,760

need to be prepared that corey goods

582

00:21:35,830 --> 00:21:34,159

guys are going to come after you and and

583

00:21:37,110 --> 00:21:35,840

you know try and tear you a new

584

00:21:39,110 --> 00:21:37,120

you know now i'm fortunate i don't have

585

00:21:41,190 --> 00:21:39,120

a podcast so i can say you know kind of

586

00:21:42,630 --> 00:21:41,200

whatever you want and it doesn't matter

587

00:21:45,110 --> 00:21:42,640

because the people

588

00:21:46,870 --> 00:21:45,120

corey good's followers don't read me you

589

00:21:48,710 --> 00:21:46,880

know what i mean but if you i can

590

00:21:49,990 --> 00:21:48,720

imagine like if you have i'm not saying

591

00:21:52,310 --> 00:21:50,000

i'm not using an example but i mean if

592

00:21:54,549 --> 00:21:52,320

you have a broader podcast like let's

593

00:21:57,190 --> 00:21:54,559

say fade to black or coast to coast

594

00:22:00,149 --> 00:21:57,200

right um you can't really alienate

595

00:22:01,750 --> 00:22:00,159

anyone because ultimately you need them

596

00:22:03,110 --> 00:22:01,760

at some point to listen to your show

597

00:22:05,029 --> 00:22:03,120

right like you can't

598

00:22:07,510 --> 00:22:05,039

you can't come out and say corey good as

599

00:22:09,990 --> 00:22:07,520

a fraud because you know that you might

600

00:22:11,909 --> 00:22:10,000

lose 50 000 followers as a result or 50

601
00:22:13,430 --> 00:22:11,919
000 listeners as a result and that means

602
00:22:15,590 --> 00:22:13,440
revenue that means money that means

603
00:22:17,029 --> 00:22:15,600
publicity that means a whole lot so

604
00:22:18,310 --> 00:22:17,039
there's i think that factor as well i

605
00:22:20,310 --> 00:22:18,320
think i think it's sort of like a this

606
00:22:22,789 --> 00:22:20,320
double-edged sword right we we want to

607
00:22:25,909 --> 00:22:22,799
support the ufo community we want we

608
00:22:27,510 --> 00:22:25,919
want our own to make it but there's a

609
00:22:29,990 --> 00:22:27,520
lot of people within the ufo community

610
00:22:32,470 --> 00:22:30,000
who whose messages are not only

611
00:22:34,470 --> 00:22:32,480
fraudulent but they are purposely lying

612
00:22:37,590 --> 00:22:34,480
for the sake of gaining notoriety or

613
00:22:39,510 --> 00:22:37,600

money or or whatever glory to run the

614

00:22:41,110 --> 00:22:39,520

conference circuit so

615

00:22:43,590 --> 00:22:41,120

it's yeah it's sort of dubious and

616

00:22:46,070 --> 00:22:43,600

nefarious i think so and i think you

617

00:22:47,990 --> 00:22:46,080

know greg bishop brings this up a lot

618

00:22:50,630 --> 00:22:48,000

too and i'd have to agree with him on

619

00:22:53,590 --> 00:22:50,640

this the the ufo researcher do your own

620

00:22:55,510 --> 00:22:53,600

work and just worry about that i i i'm

621

00:22:57,669 --> 00:22:55,520

finding more and more the more i want to

622

00:22:59,510 --> 00:22:57,679

attack the corey goodes or the stephen

623

00:23:02,070 --> 00:22:59,520

griers or jimmy church why are you

624

00:23:04,870 --> 00:23:02,080

having these guys on this that like i i

625

00:23:07,350 --> 00:23:04,880

understand at a point like yeah like

626

00:23:08,870 --> 00:23:07,360

this is your job like

627

00:23:10,789 --> 00:23:08,880

your family is not going to eat if you

628

00:23:12,390 --> 00:23:10,799

don't get those those list that

629

00:23:14,789 --> 00:23:12,400

listenership you're looking for for a

630

00:23:17,029 --> 00:23:14,799

radio show i get it i get that and i

631

00:23:19,029 --> 00:23:17,039

think everyone should have a chance to

632

00:23:21,270 --> 00:23:19,039

voice you know their theories their

633

00:23:23,430 --> 00:23:21,280

thoughts and he gives them that outlet

634

00:23:26,310 --> 00:23:23,440

is that something i want to do no i i

635

00:23:29,510 --> 00:23:26,320

don't um so the more i've tried to

636

00:23:31,909 --> 00:23:29,520

temper my my anger with people in the

637

00:23:33,830 --> 00:23:31,919

ufo field the more i realize you know in

638

00:23:35,510 --> 00:23:33,840

the greater scheme of things it doesn't

639

00:23:38,789 --> 00:23:35,520

really matter you know they're gonna

640

00:23:42,549 --> 00:23:38,799

have their faction that believe him and

641

00:23:45,430 --> 00:23:42,559

follow him until his dying day and then

642

00:23:47,590 --> 00:23:45,440

there's the other end where you've got

643

00:23:49,590 --> 00:23:47,600

people who are just doing their work

644

00:23:51,590 --> 00:23:49,600

underground and being like look i found

645

00:23:53,590 --> 00:23:51,600

this you know what do you think of this

646

00:23:55,909 --> 00:23:53,600

and they're doing their thing so while

647

00:23:58,710 --> 00:23:55,919

it's a very fractured field and i use

648

00:24:01,669 --> 00:23:58,720

that word field very with a lot of

649

00:24:03,350 --> 00:24:01,679

flexibility um it's interesting man and

650

00:24:05,510 --> 00:24:03,360

i don't know where i lay in the grand

651
00:24:08,070 --> 00:24:05,520
scheme of you know loyalty and whatnot

652
00:24:11,029 --> 00:24:08,080
but uh that whole the whole term ufo

653
00:24:13,110 --> 00:24:11,039
community just rubs me the wrong way and

654
00:24:15,590 --> 00:24:13,120
i i don't know where i stand on it to be

655
00:24:16,789 --> 00:24:15,600
honest yeah it's it's pretty nebulous

656
00:24:18,789 --> 00:24:16,799
i've been doing a lot of research into

657
00:24:20,710 --> 00:24:18,799
this and it's very nervous like there is

658
00:24:22,470 --> 00:24:20,720
you know how do you define someone who's

659
00:24:24,230 --> 00:24:22,480
a member of the ufo community right

660
00:24:25,750 --> 00:24:24,240
there is really no

661
00:24:27,909 --> 00:24:25,760
there's no governing body right like

662
00:24:29,029 --> 00:24:27,919
there's no organization that sort of

663
00:24:31,430 --> 00:24:29,039

says you know

664

00:24:33,750 --> 00:24:31,440

this is what makes someone a member or

665

00:24:35,750 --> 00:24:33,760

not you know there's no there's no ivory

666

00:24:37,750 --> 00:24:35,760

tower like there's no real system in

667

00:24:39,830 --> 00:24:37,760

place right it's kind of this it's the

668

00:24:42,149 --> 00:24:39,840

subculture where where there's no

669

00:24:44,710 --> 00:24:42,159

borders right it just kind of

670

00:24:47,990 --> 00:24:44,720

is but it's weird because that being

671

00:24:49,909 --> 00:24:48,000

said while there is no sort of border

672

00:24:51,830 --> 00:24:49,919

that encapsulates sort of the ufo

673

00:24:54,230 --> 00:24:51,840

community um you and i can still sit

674

00:24:55,590 --> 00:24:54,240

down and talk about it and use language

675

00:24:57,669 --> 00:24:55,600

we both understand and we use the

676

00:24:59,029 --> 00:24:57,679

buzzwords and you know like we you

677

00:25:00,870 --> 00:24:59,039

communicate about it because we're both

678

00:25:03,269 --> 00:25:00,880

members right

679

00:25:04,870 --> 00:25:03,279

we sort of engage with the discourse so

680

00:25:07,190 --> 00:25:04,880

it's really funny to think about like

681

00:25:09,590 --> 00:25:07,200

how does one become a member and how is

682

00:25:12,390 --> 00:25:09,600

one not a member and and where do we

683

00:25:13,590 --> 00:25:12,400

draw lines right yeah and can we can we

684

00:25:15,269 --> 00:25:13,600

even draw lines and that's sort of the

685

00:25:17,110 --> 00:25:15,279

bigger question is it even possible

686

00:25:18,310 --> 00:25:17,120

absolutely i mean my mentor peter

687

00:25:20,149 --> 00:25:18,320

roberts always said if you want to be a

688

00:25:22,070 --> 00:25:20,159

ufo just spin around three times and

689

00:25:24,630 --> 00:25:22,080

touch your nose and

690

00:25:26,710 --> 00:25:24,640

you know i i followed that to this day

691

00:25:28,870 --> 00:25:26,720

and it's interesting because you know

692

00:25:31,269 --> 00:25:28,880

as you know younger researchers we get

693

00:25:33,350 --> 00:25:31,279

tapped for like tv shows all the time

694

00:25:35,510 --> 00:25:33,360

because they want those young faces to

695

00:25:37,510 --> 00:25:35,520

tell them what these things are in our

696

00:25:38,630 --> 00:25:37,520

skies and they're like well you're

697

00:25:41,750 --> 00:25:38,640

you're like

698

00:25:42,470 --> 00:25:41,760

one of the the ufo experts right and

699

00:25:48,230 --> 00:25:42,480

no

700

00:25:50,870 --> 00:25:48,240

into it i've got a podcast but that's as

701
00:25:53,990 --> 00:25:50,880
far as as i go in terms of saying that

702
00:25:56,789 --> 00:25:54,000
i'm a ufo researcher i read books i

703
00:25:58,630 --> 00:25:56,799
interview people and i have a show that

704
00:26:01,190 --> 00:25:58,640
i talk about it with with people like

705
00:26:03,269 --> 00:26:01,200
you there is no ivory tower there's no

706
00:26:05,110 --> 00:26:03,279
lieutenants there's no generals there's

707
00:26:05,909 --> 00:26:05,120
no king

708
00:26:08,789 --> 00:26:05,919
it's interesting it's a

709
00:26:11,110 --> 00:26:08,799
self-perpetuating field and anyone can

710
00:26:12,470 --> 00:26:11,120
join and anyone can get kicked out but

711
00:26:14,549 --> 00:26:12,480
the minute they get kicked out they can

712
00:26:17,269 --> 00:26:14,559
be invited right back in as we've seen

713
00:26:18,870 --> 00:26:17,279

many times before yeah but who does the

714

00:26:21,029 --> 00:26:18,880

kicking out like who has the authority

715

00:26:23,029 --> 00:26:21,039

right because ultimately you know i

716

00:26:24,870 --> 00:26:23,039

would probably i could probably if i

717

00:26:26,789 --> 00:26:24,880

really had to i could probably muster a

718

00:26:28,470 --> 00:26:26,799

lot of people in the ufo community who

719

00:26:30,230 --> 00:26:28,480

would argue that

720

00:26:31,269 --> 00:26:30,240

sorry corey but you know i had a lot of

721

00:26:32,310 --> 00:26:31,279

people in the ufo community who could

722

00:26:33,990 --> 00:26:32,320

people who basically come out and say

723

00:26:35,510 --> 00:26:34,000

yeah corey good's a fraud and i could

724

00:26:37,190 --> 00:26:35,520

muster probably a pretty sizable force

725

00:26:39,990 --> 00:26:37,200

of individuals in the uh community who

726

00:26:41,750 --> 00:26:40,000

would say that but at the end of the day

727

00:26:43,750 --> 00:26:41,760

so can he and he can come out and say

728

00:26:44,710 --> 00:26:43,760

you know i'm not a fraud and you know

729

00:26:46,789 --> 00:26:44,720

here's

730

00:26:49,110 --> 00:26:46,799

my story and i have a website and it's

731

00:26:50,789 --> 00:26:49,120

great and we'd just be butting heads you

732

00:26:52,070 --> 00:26:50,799

know like there would be no

733

00:26:54,149 --> 00:26:52,080

there's no one to do the ex

734

00:26:55,430 --> 00:26:54,159

communicating right there's no pope so i

735

00:26:56,630 --> 00:26:55,440

don't know that's one thing i like about

736

00:26:58,230 --> 00:26:56,640

the ufo community though you know like

737

00:26:59,990 --> 00:26:58,240

they're because there is no order it's

738

00:27:01,830 --> 00:27:00,000

just this total anarchy yeah right it's

739

00:27:03,190 --> 00:27:01,840

just this this complete

740

00:27:04,870 --> 00:27:03,200

system of chaos but there's something to

741

00:27:06,310 --> 00:27:04,880

be said for that i think i think maybe

742

00:27:07,830 --> 00:27:06,320

the phenomenon likes that i think maybe

743

00:27:09,430 --> 00:27:07,840

you know whatever is responsible for

744

00:27:10,149 --> 00:27:09,440

ufos i think it kind of digs the fact

745

00:27:14,310 --> 00:27:10,159

that

746

00:27:16,230 --> 00:27:14,320

investigating the phenomenon are in a

747

00:27:18,549 --> 00:27:16,240

chaotic state at all times right like

748

00:27:20,310 --> 00:27:18,559

there's no law and order here

749

00:27:22,950 --> 00:27:20,320

we're not academia we're not the

750

00:27:25,590 --> 00:27:22,960

scientific community we're not colleges

751

00:27:27,190 --> 00:27:25,600

or universities right we are just this

752

00:27:30,710 --> 00:27:27,200

group of

753

00:27:32,470 --> 00:27:30,720

anarchists who run around and just

754

00:27:33,669 --> 00:27:32,480

stir up all the time i think the

755

00:27:35,190 --> 00:27:33,679

ufos love that like i think that

756

00:27:37,029 --> 00:27:35,200

whatever is responsible like i said it's

757

00:27:39,190 --> 00:27:37,039

like excellent right that's how it

758

00:27:41,350 --> 00:27:39,200

should be ah they're eating that up

759

00:27:43,350 --> 00:27:41,360

i mean our our good friend red pill

760

00:27:45,110 --> 00:27:43,360

junkie and i know i'm i'm throwing a lot

761

00:27:46,470 --> 00:27:45,120

of names out there and i don't want

762

00:27:48,789 --> 00:27:46,480

anyone to think this is like a name

763

00:27:51,909 --> 00:27:48,799

dropping episode but this is the work

764

00:27:53,990 --> 00:27:51,919

being done by people today you know we

765

00:27:56,230 --> 00:27:54,000

look at ufos for framing the debate and

766

00:27:59,430 --> 00:27:56,240

red pill junkie talk his essay is called

767

00:28:01,029 --> 00:27:59,440

anarchy in the ufo whatever's in charge

768

00:28:03,029 --> 00:28:01,039

of this phenomenon and i'm not saying

769

00:28:05,669 --> 00:28:03,039

it's one thing one source anything like

770

00:28:08,310 --> 00:28:05,679

that i think they love this that like

771

00:28:10,310 --> 00:28:08,320

we're arguing we're bickering uh you

772

00:28:12,630 --> 00:28:10,320

know we got to the stars going on we've

773

00:28:14,789 --> 00:28:12,640

got seti we've got uh

774

00:28:17,110 --> 00:28:14,799

you know we got bob bigelow we got elon

775

00:28:19,990 --> 00:28:17,120

musk doing it's like it's all over

776

00:28:22,470 --> 00:28:20,000

the place and everyone's just trying to

777

00:28:26,070 --> 00:28:22,480

make new discoveries and explore and

778

00:28:28,310 --> 00:28:26,080

that's exciting but it's messy as

779

00:28:30,950 --> 00:28:28,320

and i don't think we're ever gonna have

780

00:28:33,029 --> 00:28:30,960

like one single answer to any of this uh

781

00:28:35,190 --> 00:28:33,039

that would be extremely depressing to be

782

00:28:36,870 --> 00:28:35,200

honest yeah i mean whatever that answer

783

00:28:38,230 --> 00:28:36,880

is right would really i think would have

784

00:28:40,310 --> 00:28:38,240

to be it would have to be a fundamental

785

00:28:42,310 --> 00:28:40,320

shift in in sort of everything human

786

00:28:44,630 --> 00:28:42,320

right like our culture would be it would

787

00:28:46,230 --> 00:28:44,640

be totally unknown like i came in fathom

788

00:28:48,630 --> 00:28:46,240

it would be we would be living in this

789

00:28:51,269 --> 00:28:48,640

curious society and curious culture that

790

00:28:53,350 --> 00:28:51,279

accepts the reality that you know weird

791

00:28:54,870 --> 00:28:53,360

happens all the time right or you

792

00:28:56,549 --> 00:28:54,880

know there's these other realms that

793

00:28:57,830 --> 00:28:56,559

exist or or aliens are real or whatever

794

00:29:00,149 --> 00:28:57,840

like it would be a totally different

795

00:29:01,990 --> 00:29:00,159

world i think it wouldn't be the second

796

00:29:03,669 --> 00:29:02,000

it sort of became common knowledge if

797

00:29:05,909 --> 00:29:03,679

consensus reality

798

00:29:07,990 --> 00:29:05,919

allowed ufos to be real

799

00:29:10,230 --> 00:29:08,000

it would be pretty wild i think anarchy

800

00:29:11,750 --> 00:29:10,240

it would be anarchy again

801
00:29:14,789 --> 00:29:11,760
yeah it would be a strange form of

802
00:29:16,549 --> 00:29:14,799
society that's for sure yeah well i mean

803
00:29:18,630 --> 00:29:16,559
i did bring up tom delonge dude we

804
00:29:21,909 --> 00:29:18,640
haven't talked since um you know the

805
00:29:23,990 --> 00:29:21,919
2017 wrap-up episode when that all kind

806
00:29:25,909 --> 00:29:24,000
of broke you know the first videos came

807
00:29:27,590 --> 00:29:25,919
out the pentagon story came out i want

808
00:29:29,190 --> 00:29:27,600
to know what you think we won't spend

809
00:29:31,909 --> 00:29:29,200
too much time on this because i don't

810
00:29:33,430 --> 00:29:31,919
know if it necessarily deserves it but

811
00:29:35,590 --> 00:29:33,440
where do you stand right now with all

812
00:29:37,669 --> 00:29:35,600
this i'm looking at tom delong's

813
00:29:40,549 --> 00:29:37,679

investment things that's that thing is

814

00:29:43,029 --> 00:29:40,559

not climbed in the past like few months

815

00:29:45,590 --> 00:29:43,039

and then we've got three videos now

816

00:29:47,430 --> 00:29:45,600

people are really very divisive on all

817

00:29:48,789 --> 00:29:47,440

of it um where do you stand right now

818

00:29:51,590 --> 00:29:48,799

with this whole thing to the stars

819

00:29:54,230 --> 00:29:51,600

academy and whatnot yeah i really i

820

00:29:56,549 --> 00:29:54,240

think in my mind i think in my mind i

821

00:29:59,909 --> 00:29:56,559

really try to separate now especially

822

00:30:00,950 --> 00:29:59,919

now in 2017 when we had that wrap up

823

00:30:02,630 --> 00:30:00,960

you know i was in a different place it

824

00:30:04,310 --> 00:30:02,640

was all new and i wasn't sure of how it

825

00:30:06,149 --> 00:30:04,320

was all working and i wasn't sure of the

826

00:30:07,510 --> 00:30:06,159

structure and it was all kind of i

827

00:30:09,269 --> 00:30:07,520

didn't have any sort of additional

828

00:30:10,950 --> 00:30:09,279

background information yeah

829

00:30:13,590 --> 00:30:10,960

now you know a year later it's been a

830

00:30:15,669 --> 00:30:13,600

year i've been i mean months later

831

00:30:19,350 --> 00:30:15,679

you know i want to separate tom delong

832

00:30:21,190 --> 00:30:19,360

from to the stars i i don't necessarily

833

00:30:22,389 --> 00:30:21,200

have an issue

834

00:30:25,029 --> 00:30:22,399

with

835

00:30:27,750 --> 00:30:25,039

to the stars academy as a concept

836

00:30:29,269 --> 00:30:27,760

i don't neces i i i the funding is

837

00:30:31,190 --> 00:30:29,279

problematic but i don't necessarily have

838

00:30:33,750 --> 00:30:31,200

an issue with the idea of a bunch of

839

00:30:35,909 --> 00:30:33,760

individuals who are really into ufos and

840

00:30:37,990 --> 00:30:35,919

and managed to put something together um

841

00:30:39,669 --> 00:30:38,000

in an attempt to maybe because they have

842

00:30:41,990 --> 00:30:39,679

some higher access

843

00:30:44,710 --> 00:30:42,000

than the rest of us to try and bring

844

00:30:46,549 --> 00:30:44,720

some more ufological information out

845

00:30:47,990 --> 00:30:46,559

okay i don't have a problem with that

846

00:30:49,990 --> 00:30:48,000

assuming they're all telling the truth

847

00:30:51,430 --> 00:30:50,000

and they're all honest and and whatever

848

00:30:53,510 --> 00:30:51,440

which you know we can have a debate

849

00:30:55,190 --> 00:30:53,520

about that and then there's tom delonge

850

00:30:57,190 --> 00:30:55,200

you know what i mean like just because

851

00:30:59,350 --> 00:30:57,200

he's the current ceo

852

00:31:01,350 --> 00:30:59,360

i think and and just because he's kind

853

00:31:02,549 --> 00:31:01,360

of the face of the project doesn't

854

00:31:04,070 --> 00:31:02,559

necessarily mean

855

00:31:07,269 --> 00:31:04,080

that he's much more than the face of the

856

00:31:09,669 --> 00:31:07,279

project and and he's probably

857

00:31:11,830 --> 00:31:09,679

responsible probably responsible for

858

00:31:13,350 --> 00:31:11,840

sort of the media stuff right he's

859

00:31:15,990 --> 00:31:13,360

probably responsible for you know the

860

00:31:18,310 --> 00:31:16,000

marketing aspect um the entertainment

861

00:31:21,350 --> 00:31:18,320

aspect but i don't really see him being

862

00:31:23,350 --> 00:31:21,360

responsible for much else i don't see

863

00:31:25,510 --> 00:31:23,360

him being the guy who

864

00:31:27,909 --> 00:31:25,520

manages to get you know videos released

865

00:31:29,190 --> 00:31:27,919

or whatever that comes from

866

00:31:31,430 --> 00:31:29,200

the other individuals in his

867

00:31:34,149 --> 00:31:31,440

organization because they clearly have

868

00:31:34,870 --> 00:31:34,159

clearance to do this stuff um or or at

869

00:31:37,110 --> 00:31:34,880

least

870

00:31:38,870 --> 00:31:37,120

sorry they have clearance to have

871

00:31:41,990 --> 00:31:38,880

conversations with people who have

872

00:31:44,149 --> 00:31:42,000

clearance and the ability to potentially

873

00:31:46,070 --> 00:31:44,159

you know declassify certain things

874

00:31:47,590 --> 00:31:46,080

um and make that happen right it's they

875

00:31:49,830 --> 00:31:47,600

have social capital right they have or

876

00:31:52,070 --> 00:31:49,840

they have clearance social capital right

877

00:31:53,590 --> 00:31:52,080

they know people within that community

878

00:31:55,750 --> 00:31:53,600

who can

879

00:31:57,269 --> 00:31:55,760

grease those wheels a little bit

880

00:32:00,310 --> 00:31:57,279

versus you know just you and me sending

881

00:32:01,750 --> 00:32:00,320

an fo ia request so i think that's

882

00:32:03,830 --> 00:32:01,760

interesting i think that there's there's

883

00:32:05,190 --> 00:32:03,840

something very compelling there you know

884

00:32:07,110 --> 00:32:05,200

do i still think there's sort of agendas

885

00:32:09,990 --> 00:32:07,120

on top of agendas potentially i don't

886

00:32:11,830 --> 00:32:10,000

know um i i can't speak to sort of

887

00:32:13,430 --> 00:32:11,840

um necessarily you know what the

888

00:32:15,190 --> 00:32:13,440

intelligence community is up to and what

889

00:32:16,870 --> 00:32:15,200

their intentions are their agendas are

890

00:32:18,470 --> 00:32:16,880

it's impossible really to speculate

891

00:32:20,470 --> 00:32:18,480

fundamentally right because ultimately

892

00:32:23,190 --> 00:32:20,480

whatever you think is going on isn't

893

00:32:24,389 --> 00:32:23,200

because they're 18 steps ahead of you um

894

00:32:26,950 --> 00:32:24,399

and it and it doesn't matter how

895

00:32:29,909 --> 00:32:26,960

conspiratorial you are or or what you

896

00:32:32,230 --> 00:32:29,919

think um you're wrong right because

897

00:32:33,669 --> 00:32:32,240

they're not stupid and and

898

00:32:35,590 --> 00:32:33,679

they've already guessed what you've what

899

00:32:36,710 --> 00:32:35,600

you're thinking and they're moving

900

00:32:37,990 --> 00:32:36,720

beyond to the point where they're not

901
00:32:40,789 --> 00:32:38,000
doing anything i don't know like

902
00:32:42,230 --> 00:32:40,799
circular but yeah i i so

903
00:32:43,990 --> 00:32:42,240
i almost like i say i want to separate

904
00:32:45,509 --> 00:32:44,000
tom that's a long i've jeez i've just

905
00:32:47,190 --> 00:32:45,519
been tanging it's the whiskey i really

906
00:32:49,590 --> 00:32:47,200
want to separate tom delong from from

907
00:32:52,470 --> 00:32:49,600
ttsa a little bit um i think he's still

908
00:32:53,909 --> 00:32:52,480
an aspect but i don't really think he's

909
00:32:55,990 --> 00:32:53,919
like i don't think he's a key player i

910
00:32:58,149 --> 00:32:56,000
think he's he's a source of money he's a

911
00:33:01,509 --> 00:32:58,159
source of of maybe a bit of marketing

912
00:33:03,990 --> 00:33:01,519
prowess i think he's a source of uh

913
00:33:06,470 --> 00:33:04,000

knowledge on how to sort of sell stuff

914

00:33:09,190 --> 00:33:06,480

and how to promote stuff which is like

915

00:33:10,950 --> 00:33:09,200

hugely important in the ufo field

916

00:33:12,389 --> 00:33:10,960

so i'm not saying he's not unimportant i

917

00:33:14,389 --> 00:33:12,399

just don't i think he's sort of that

918

00:33:17,509 --> 00:33:14,399

angle i think he's kind of the glitz and

919

00:33:20,310 --> 00:33:17,519

the glitter um he's he's the sizzle uh

920

00:33:21,909 --> 00:33:20,320

not so much the stake in tsa right i i

921

00:33:24,149 --> 00:33:21,919

think that's a really good point man i

922

00:33:25,909 --> 00:33:24,159

mean i think and i think he knows that i

923

00:33:28,470 --> 00:33:25,919

think he's okay with that role at this

924

00:33:31,269 --> 00:33:28,480

point and i think maybe it was planned

925

00:33:33,350 --> 00:33:31,279

all along that he said look i'll be like

926

00:33:35,509 --> 00:33:33,360

the one to take the hits and

927

00:33:38,389 --> 00:33:35,519

this and that and be like the poster boy

928

00:33:40,470 --> 00:33:38,399

and in return he's getting that insider

929

00:33:41,669 --> 00:33:40,480

information he's always wanted yeah i

930

00:33:44,149 --> 00:33:41,679

mean if he's willing to take the

931

00:33:46,070 --> 00:33:44,159

financial hits that's fine like he's

932

00:33:48,389 --> 00:33:46,080

getting you know and we've seen this

933

00:33:51,269 --> 00:33:48,399

before where people within the field or

934

00:33:53,909 --> 00:33:51,279

whatnot you know will sacrifice certain

935

00:33:56,310 --> 00:33:53,919

things or do certain things to get

936

00:33:57,750 --> 00:33:56,320

information for themselves and

937

00:33:59,269 --> 00:33:57,760

in one way i can't really blame them for

938

00:34:01,110 --> 00:33:59,279

that but one thing that's really

939

00:34:03,190 --> 00:34:01,120

interesting and i wasn't going to bring

940

00:34:04,470 --> 00:34:03,200

this up on the show because i was kind

941

00:34:07,509 --> 00:34:04,480

of i was really bummed when this

942

00:34:09,909 --> 00:34:07,519

happened but so a week ago here in l.a

943

00:34:12,149 --> 00:34:09,919

de long was doing a book signing with aj

944

00:34:14,710 --> 00:34:12,159

hartley and i was like holy like

945

00:34:16,790 --> 00:34:14,720

this is my chance like i live

946

00:34:18,950 --> 00:34:16,800

20 minutes from where he's doing this

947

00:34:20,869 --> 00:34:18,960

i'm gonna reach out and be like

948

00:34:23,829 --> 00:34:20,879

drop some names that i know because i'm

949

00:34:27,030 --> 00:34:23,839

i'm not shameless uh or i am shameless i

950

00:34:28,149 --> 00:34:27,040

don't know and uh and say look i i would

951
00:34:29,990 --> 00:34:28,159
love to just talk to him for a few

952
00:34:31,669 --> 00:34:30,000
minutes about where he stands on the

953
00:34:33,669 --> 00:34:31,679
academy everything that's happened and

954
00:34:35,750 --> 00:34:33,679
what the reception's been like so his

955
00:34:37,829 --> 00:34:35,760
first publicist got back to me and said

956
00:34:39,589 --> 00:34:37,839
tom would be delighted he's like let us

957
00:34:42,710 --> 00:34:39,599
know when you're here and we'll set it

958
00:34:44,790 --> 00:34:42,720
up so i'm like i'm so excited

959
00:34:47,349 --> 00:34:44,800
man i'm like who else has talked to de

960
00:34:49,990 --> 00:34:47,359
long since like the the horrible thing

961
00:34:52,310 --> 00:34:50,000
he did with rogan and whatnot right and

962
00:34:54,230 --> 00:34:52,320
i'm like oh i'm gonna like i'm gonna be

963
00:34:56,470 --> 00:34:54,240

the one to like break the story and get

964

00:34:58,550 --> 00:34:56,480

him on and get his personal reactions

965

00:35:00,870 --> 00:34:58,560

not 20 minutes later i get an email from

966

00:35:03,910 --> 00:35:00,880

another public publicist saying we're so

967

00:35:05,750 --> 00:35:03,920

sorry uh we take back what we said mr

968

00:35:07,430 --> 00:35:05,760

delong will not be making any more

969

00:35:09,510 --> 00:35:07,440

public interviews about to the stars

970

00:35:11,910 --> 00:35:09,520

academy and i found that very

971

00:35:14,310 --> 00:35:11,920

interesting that within 20 minutes they

972

00:35:17,030 --> 00:35:14,320

completely flipped it around and at this

973

00:35:18,870 --> 00:35:17,040

point he's very he hasn't been very

974

00:35:21,270 --> 00:35:18,880

vocal you know maybe some tweets here

975

00:35:23,910 --> 00:35:21,280

and there about the academy but he's not

976
00:35:26,310 --> 00:35:23,920
posting hoaxed photos it's interesting i

977
00:35:28,950 --> 00:35:26,320
i really think that this is the role he

978
00:35:31,430 --> 00:35:28,960
was set up to have with this is let me

979
00:35:33,670 --> 00:35:31,440
let me like drop the bomb at first get

980
00:35:35,349 --> 00:35:33,680
it out there do these book signings and

981
00:35:37,270 --> 00:35:35,359
then take over the entertainment side of

982
00:35:38,870 --> 00:35:37,280
it let the ones with the insider

983
00:35:41,510 --> 00:35:38,880
knowledge and the like you said the

984
00:35:42,950 --> 00:35:41,520
social capital do it you know get that

985
00:35:46,150 --> 00:35:42,960
information out there i think you're

986
00:35:48,310 --> 00:35:46,160
right i i or you know i mean the joe

987
00:35:50,470 --> 00:35:48,320
rogan interview was

988
00:35:53,270 --> 00:35:50,480

incredibly embarrassing yeah

989

00:35:56,470 --> 00:35:53,280

so i can also see potentially the

990

00:35:58,870 --> 00:35:56,480

individuals in tssa the stake and not

991

00:36:00,710 --> 00:35:58,880

the sizzle i can see the steak kind of

992

00:36:02,230 --> 00:36:00,720

looking at the sizzle and and kind of

993

00:36:03,670 --> 00:36:02,240

being like listen man

994

00:36:05,510 --> 00:36:03,680

we got to kind of put you on a leash

995

00:36:06,870 --> 00:36:05,520

here a little bit yeah right otherwise

996

00:36:09,270 --> 00:36:06,880

we're going to cut you out of this right

997

00:36:10,390 --> 00:36:09,280

otherwise otherwise you know you

998

00:36:12,310 --> 00:36:10,400

otherwise we're just not going to tell

999

00:36:13,349 --> 00:36:12,320

you things anymore i'm not saying that

1000

00:36:15,270 --> 00:36:13,359

they did that

1001

00:36:17,829 --> 00:36:15,280

i have no evidence to support this i'm

1002

00:36:20,470 --> 00:36:17,839

just suggesting that you know after that

1003

00:36:22,950 --> 00:36:20,480

interview if i was if i was let's say an

1004

00:36:25,589 --> 00:36:22,960

individual within the ufo community who

1005

00:36:27,670 --> 00:36:25,599

who had sort of clearance and and you

1006

00:36:30,470 --> 00:36:27,680

know i'm relatively well known and and

1007

00:36:32,390 --> 00:36:30,480

i'm also an academic you know i'm not

1008

00:36:34,630 --> 00:36:32,400

just some guy off the street you know

1009

00:36:36,069 --> 00:36:34,640

like i worked for the cia or i have cia

1010

00:36:37,750 --> 00:36:36,079

clearance and blah blah after that

1011

00:36:39,510 --> 00:36:37,760

interview you know we're trying to do

1012

00:36:41,589 --> 00:36:39,520

something great here at ttsa you know

1013

00:36:43,589 --> 00:36:41,599

we're trying to promote and we're trying

1014

00:36:45,829 --> 00:36:43,599

to get this information out there

1015

00:36:48,150 --> 00:36:45,839

and then you go on joe rogan and and

1016

00:36:49,270 --> 00:36:48,160

that happens i can see sort of as one of

1017

00:36:51,430 --> 00:36:49,280

those individuals being like you know

1018

00:36:53,990 --> 00:36:51,440

what man i'm thinking about walking away

1019

00:36:55,510 --> 00:36:54,000

right now because whatever that was

1020

00:36:57,109 --> 00:36:55,520

shouldn't have happened you know like

1021

00:36:59,430 --> 00:36:57,119

you're you're supposed to be my

1022

00:37:02,550 --> 00:36:59,440

marketing guru and you somehow dropped

1023

00:37:03,990 --> 00:37:02,560

the ball on that so i can see that also

1024

00:37:05,349 --> 00:37:04,000

being the case i can see just because

1025

00:37:06,950 --> 00:37:05,359

that's how i would do it right like you

1026
00:37:08,630 --> 00:37:06,960
know i work in a school i used to be a

1027
00:37:09,990 --> 00:37:08,640
school administrator

1028
00:37:12,550 --> 00:37:10,000
if one of my teachers did something

1029
00:37:15,190 --> 00:37:12,560
stupid like that i could be like listen

1030
00:37:18,310 --> 00:37:15,200
things aren't working out you know so i

1031
00:37:19,589 --> 00:37:18,320
can i can kind of fathom that reaction

1032
00:37:20,470 --> 00:37:19,599
as well i mean these are still people

1033
00:37:22,150 --> 00:37:20,480
these are still individuals there's

1034
00:37:23,270 --> 00:37:22,160
still people who are trying to not sell

1035
00:37:25,109 --> 00:37:23,280
something but these individuals who are

1036
00:37:27,349 --> 00:37:25,119
trying to promote an idea and if you

1037
00:37:28,630 --> 00:37:27,359
have someone standing in the way not by

1038
00:37:30,790 --> 00:37:28,640

their own fault you know he was probably

1039

00:37:33,109 --> 00:37:30,800

just nervous he was probably unsure what

1040

00:37:34,870 --> 00:37:33,119

to do through no fault of his own maybe

1041

00:37:36,790 --> 00:37:34,880

still really screwed up

1042

00:37:38,630 --> 00:37:36,800

like that interview was bad man it was

1043

00:37:42,069 --> 00:37:38,640

horrible dude i got through like the

1044

00:37:45,750 --> 00:37:42,079

first 20 minutes maybe and i'm like what

1045

00:37:49,270 --> 00:37:45,760

either de long is like on coke right now

1046

00:37:51,510 --> 00:37:49,280

or some something's going on maybe

1047

00:37:54,069 --> 00:37:51,520

yeah i i do too i mean again like this

1048

00:37:56,470 --> 00:37:54,079

was his first major interview since he

1049

00:37:58,870 --> 00:37:56,480

announced the academy and who knows who

1050

00:38:01,270 --> 00:37:58,880

knows my i guess my question would be

1051
00:38:04,310 --> 00:38:01,280
like let's say they do have him on a

1052
00:38:07,190 --> 00:38:04,320
leash you know who in their right mind

1053
00:38:08,870 --> 00:38:07,200
at the top of whatever is going on here

1054
00:38:11,670 --> 00:38:08,880
you know the trickle-down effect of all

1055
00:38:14,150 --> 00:38:11,680
the people he got involved with it who

1056
00:38:16,069 --> 00:38:14,160
said this is the guy that we're gonna

1057
00:38:17,990 --> 00:38:16,079
pick to do our marketing and to get the

1058
00:38:20,470 --> 00:38:18,000
information out there is it merely

1059
00:38:22,150 --> 00:38:20,480
because he was interested in ufos before

1060
00:38:23,910 --> 00:38:22,160
this or

1061
00:38:25,430 --> 00:38:23,920
why didn't they get george

1062
00:38:28,710 --> 00:38:25,440
clooney or something

1063
00:38:30,550 --> 00:38:28,720

so any face or figure that wasn't

1064

00:38:32,310 --> 00:38:30,560

talking about jacking off in every song

1065

00:38:33,910 --> 00:38:32,320

he's ever written you know what i mean i

1066

00:38:36,390 --> 00:38:33,920

would say that that the vast majority of

1067

00:38:38,630 --> 00:38:36,400

the individuals in tsa sort of know

1068

00:38:41,030 --> 00:38:38,640

each other well yeah i would say that

1069

00:38:43,349 --> 00:38:41,040

they're all probably regular and

1070

00:38:45,670 --> 00:38:43,359

regularly sort of you know engaged with

1071

00:38:47,750 --> 00:38:45,680

each other sort of within ufo discourse

1072

00:38:51,109 --> 00:38:47,760

right i mean you know these these the

1073

00:38:52,790 --> 00:38:51,119

names behind tsa the these individuals

1074

00:38:55,349 --> 00:38:52,800

clearly are are interested in the

1075

00:38:57,750 --> 00:38:55,359

phenomenon and clearly their interests

1076

00:38:59,829 --> 00:38:57,760

sort of lay outside of really any

1077

00:39:00,950 --> 00:38:59,839

financial gain their interests lay

1078

00:39:03,990 --> 00:39:00,960

outside

1079

00:39:05,750 --> 00:39:04,000

of any sort of gain for glory or

1080

00:39:07,270 --> 00:39:05,760

anything like that they're just they're

1081

00:39:09,349 --> 00:39:07,280

really interested in ufos and and the

1082

00:39:11,910 --> 00:39:09,359

phenomenon itself and trying to figure

1083

00:39:15,270 --> 00:39:11,920

it out i think that you probably had a

1084

00:39:16,870 --> 00:39:15,280

situation where de long started after

1085

00:39:18,950 --> 00:39:16,880

you know as he says he read a lot of

1086

00:39:20,790 --> 00:39:18,960

books after he read all those books he

1087

00:39:23,030 --> 00:39:20,800

probably started to reach out and only

1088

00:39:26,069 --> 00:39:23,040

that you know tom delonge has probably

1089

00:39:26,950 --> 00:39:26,079

significant access to individuals who

1090

00:39:28,550 --> 00:39:26,960

can

1091

00:39:30,069 --> 00:39:28,560

contact other individuals right like you

1092

00:39:32,069 --> 00:39:30,079

know if you're a publicist or whatever

1093

00:39:34,390 --> 00:39:32,079

your job is to be able to make

1094

00:39:36,710 --> 00:39:34,400

meetings happen um so i can imagine tom

1095

00:39:39,190 --> 00:39:36,720

delong calling up i don't know

1096

00:39:40,790 --> 00:39:39,200

the the you know hell put off secretary

1097

00:39:43,670 --> 00:39:40,800

yeah and being like hey

1098

00:39:45,030 --> 00:39:43,680

you know tom delong of blink182

1099

00:39:46,870 --> 00:39:45,040

wants to talk to you and how put off's

1100

00:39:49,030 --> 00:39:46,880

like who and then they're like i know

1101

00:39:50,310 --> 00:39:49,040

it's a band and you know like google

1102

00:39:52,630 --> 00:39:50,320

searched it and he's like oh you know

1103

00:39:53,510 --> 00:39:52,640

yeah okay you know all the small things

1104

00:39:55,510 --> 00:39:53,520

got it

1105

00:39:57,750 --> 00:39:55,520

no yeah he's like wow you know their

1106

00:39:59,030 --> 00:39:57,760

youtube video has like 80 million hits

1107

00:40:00,950 --> 00:39:59,040

okay well i i you know i'll take a

1108

00:40:02,790 --> 00:40:00,960

meeting right um and i mean and i'm sure

1109

00:40:04,470 --> 00:40:02,800

tom you know like i said like i said

1110

00:40:06,630 --> 00:40:04,480

before i think in an article i wrote you

1111

00:40:08,790 --> 00:40:06,640

know i i appreciate tom delong as no

1112

00:40:11,030 --> 00:40:08,800

sort of hey seed in in sort of

1113

00:40:13,670 --> 00:40:11,040

ufological knowledge right like he like

1114

00:40:15,190 --> 00:40:13,680

he has read a lot oh yes

1115

00:40:16,790 --> 00:40:15,200

you know whether whether you know what

1116

00:40:19,270 --> 00:40:16,800

he takes in from his reading i don't

1117

00:40:22,150 --> 00:40:19,280

know whether he applies what he's read

1118

00:40:23,589 --> 00:40:22,160

and whether he synthesizes what he read

1119

00:40:25,990 --> 00:40:23,599

sort of in an intelligible way i don't

1120

00:40:28,470 --> 00:40:26,000

know i don't know the man but he knows a

1121

00:40:31,670 --> 00:40:28,480

lot of things about ufos so i can see

1122

00:40:33,829 --> 00:40:31,680

kind of them and and you know just

1123

00:40:35,349 --> 00:40:33,839

how people talk and you know email

1124

00:40:37,510 --> 00:40:35,359

chains happen and just being like hey

1125

00:40:38,790 --> 00:40:37,520

you know this guy and he wants to do

1126

00:40:40,230 --> 00:40:38,800

this and he has this idea maybe we

1127

00:40:41,030 --> 00:40:40,240

should work with him and you know it

1128

00:40:42,710 --> 00:40:41,040

probably just kind of happened

1129

00:40:43,750 --> 00:40:42,720

organically because i i can sort of see

1130

00:40:45,030 --> 00:40:43,760

like again that's how generally how

1131

00:40:46,470 --> 00:40:45,040

things work i don't think there was like

1132

00:40:48,069 --> 00:40:46,480

some guy at the top be like we should

1133

00:40:49,990 --> 00:40:48,079

choose tom de long

1134

00:40:52,230 --> 00:40:50,000

right right yeah and i know some people

1135

00:40:54,230 --> 00:40:52,240

think that that this is like the new

1136

00:40:56,950 --> 00:40:54,240

version of the aviary where this was all

1137

00:40:59,190 --> 00:40:56,960

planned and they found a fall guy i

1138

00:41:00,950 --> 00:40:59,200

don't necessarily buy into that either

1139

00:41:02,870 --> 00:41:00,960

you know the more the more you discuss

1140

00:41:05,589 --> 00:41:02,880

it the more i'm like yeah like tom had

1141

00:41:07,270 --> 00:41:05,599

this idea they saw his numbers you know

1142

00:41:08,870 --> 00:41:07,280

how much his net worth is and they're

1143

00:41:11,190 --> 00:41:08,880

like oh we could make some money

1144

00:41:13,430 --> 00:41:11,200

off of this and get some really cool

1145

00:41:14,470 --> 00:41:13,440

stuff going on like let's do this yeah

1146

00:41:15,990 --> 00:41:14,480

and i would even i would even sort of

1147

00:41:17,109 --> 00:41:16,000

say like listen i would hesitate and say

1148

00:41:18,390 --> 00:41:17,119

like we can get some money off this

1149

00:41:19,750 --> 00:41:18,400

because i gotta be honest they probably

1150

00:41:21,510 --> 00:41:19,760

could care less like they're like you

1151
00:41:23,430 --> 00:41:21,520
really look at the credentials of those

1152
00:41:24,630 --> 00:41:23,440
individuals like they all run like

1153
00:41:26,390 --> 00:41:24,640
they're all academics right like they

1154
00:41:29,190 --> 00:41:26,400
all have university careers like they're

1155
00:41:31,270 --> 00:41:29,200
not millionaires at least most of them

1156
00:41:32,550 --> 00:41:31,280
but you know like they're not hurting

1157
00:41:34,069 --> 00:41:32,560
for money like they're doing what

1158
00:41:36,150 --> 00:41:34,079
they're doing because they're interested

1159
00:41:37,910 --> 00:41:36,160
i think i think what delong offers apart

1160
00:41:39,829 --> 00:41:37,920
from sort of the media connection and

1161
00:41:41,990 --> 00:41:39,839
and knowing people within media right

1162
00:41:43,910 --> 00:41:42,000
like i mean ultimately if tom delong

1163
00:41:46,309 --> 00:41:43,920

makes a ufo documentary it's going on

1164

00:41:48,230 --> 00:41:46,319

netflix okay like that's a phone call

1165

00:41:49,750 --> 00:41:48,240

that's not we have to kind of you know

1166

00:41:50,870 --> 00:41:49,760

he doesn't have to go like the core bell

1167

00:41:52,950 --> 00:41:50,880

route which is like you have to send it

1168

00:41:54,069 --> 00:41:52,960

to them and they have to approve it and

1169

00:41:56,230 --> 00:41:54,079

you know it has to go through their

1170

00:41:57,829 --> 00:41:56,240

committee and you know well it takes

1171

00:41:59,829 --> 00:41:57,839

months and months right to win that car

1172

00:42:01,670 --> 00:41:59,839

bell hustle right exactly whereas in you

1173

00:42:04,470 --> 00:42:01,680

know tom delonge makes a phone call it's

1174

00:42:05,589 --> 00:42:04,480

on netflix the next day exactly um so i

1175

00:42:07,750 --> 00:42:05,599

don't think it's a money thing i think

1176

00:42:09,829 --> 00:42:07,760

it's it's just they have a fundamental

1177

00:42:11,270 --> 00:42:09,839

interest so i wouldn't say

1178

00:42:13,109 --> 00:42:11,280

sort of because again really like how

1179

00:42:15,190 --> 00:42:13,119

much money have they really raised i

1180

00:42:17,030 --> 00:42:15,200

think what delong can offer is his

1181

00:42:18,950 --> 00:42:17,040

connections within media yeah i think

1182

00:42:20,870 --> 00:42:18,960

that's the big thing that he can he can

1183

00:42:22,950 --> 00:42:20,880

fund a lot of this too right i mean he

1184

00:42:25,030 --> 00:42:22,960

can fund all of this on his own and

1185

00:42:26,630 --> 00:42:25,040

that's useful as well yeah there's a

1186

00:42:28,309 --> 00:42:26,640

there's a lot of money things going on

1187

00:42:30,630 --> 00:42:28,319

behind the scenes with this that i i

1188

00:42:31,910 --> 00:42:30,640

don't think i've really really looked

1189

00:42:34,870 --> 00:42:31,920

into but

1190

00:42:37,270 --> 00:42:34,880

the money is there to delonge's got a

1191

00:42:39,510 --> 00:42:37,280

cushion for all of this oh sure there's

1192

00:42:41,349 --> 00:42:39,520

a contingency plan for sure you know we

1193

00:42:43,829 --> 00:42:41,359

might see this thing completely fizzle

1194

00:42:46,470 --> 00:42:43,839

and everyone falls out and it's just old

1195

00:42:48,069 --> 00:42:46,480

news um or they might do some really

1196

00:42:49,589 --> 00:42:48,079

cool and in that time you know

1197

00:42:51,430 --> 00:42:49,599

right i'm gonna watch the documentary

1198

00:42:53,750 --> 00:42:51,440

i'm gonna buy the books and i'm gonna

1199

00:42:55,589 --> 00:42:53,760

take the ride because at this point like

1200

00:42:57,109 --> 00:42:55,599

you know what the hell do we have to

1201

00:42:59,510 --> 00:42:57,119

lose we're getting some pretty

1202

00:43:01,910 --> 00:42:59,520

interesting videos not as exciting as we

1203

00:43:04,390 --> 00:43:01,920

hoped but interesting nonetheless and

1204

00:43:06,390 --> 00:43:04,400

we're talking about it which is cool in

1205

00:43:07,829 --> 00:43:06,400

my opinion so you know i'm going to keep

1206

00:43:09,990 --> 00:43:07,839

i'm going to keep watching listening

1207

00:43:11,190 --> 00:43:10,000

reading whatever it is yeah and i think

1208

00:43:12,790 --> 00:43:11,200

there's no harm in that i think i think

1209

00:43:14,069 --> 00:43:12,800

where we have to be cautious is i mean i

1210

00:43:15,750 --> 00:43:14,079

heard be honest we've been talking about

1211

00:43:17,910 --> 00:43:15,760

this for last i don't know 15 20 minutes

1212

00:43:19,349 --> 00:43:17,920

i said we wouldn't i know and and we

1213

00:43:21,430 --> 00:43:19,359

have to be cautious because again we've

1214

00:43:23,510 --> 00:43:21,440

allocated you know 20 minutes of our

1215

00:43:25,589 --> 00:43:23,520

time talking about this and what haven't

1216

00:43:27,349 --> 00:43:25,599

we talked about right there's a lot of

1217

00:43:29,589 --> 00:43:27,359

other ufological work out there being

1218

00:43:30,950 --> 00:43:29,599

done that isn't getting attention

1219

00:43:33,589 --> 00:43:30,960

because of

1220

00:43:35,030 --> 00:43:33,599

to the stars and and you have to kind of

1221

00:43:36,470 --> 00:43:35,040

be critical like i'm not being critical

1222

00:43:38,790 --> 00:43:36,480

in a negative way but i'm being critical

1223

00:43:40,710 --> 00:43:38,800

because you know i'm critical we have to

1224

00:43:43,349 --> 00:43:40,720

be cautious of whose narrative

1225

00:43:45,670 --> 00:43:43,359

we tell do i think tsa is some grand

1226

00:43:47,030 --> 00:43:45,680

conspiracy run by the cia no don't be

1227

00:43:49,750 --> 00:43:47,040

stupid but

1228

00:43:51,990 --> 00:43:49,760

do i think that there's a bit of

1229

00:43:54,230 --> 00:43:52,000

perception management at times

1230

00:43:56,150 --> 00:43:54,240

potentially i mean you know if if the

1231

00:43:58,069 --> 00:43:56,160

intelligence community has its hands in

1232

00:43:59,829 --> 00:43:58,079

something perception is very much an

1233

00:44:01,430 --> 00:43:59,839

important aspect right optics right

1234

00:44:03,030 --> 00:44:01,440

controlling the optics but then you know

1235

00:44:04,950 --> 00:44:03,040

tom dylan goes on joe rogan there goes

1236

00:44:09,109 --> 00:44:04,960

the optic

1237

00:44:11,750 --> 00:44:09,119

gonna consider this part one of our

1238

00:44:13,990 --> 00:44:11,760

conversation the laundry list as it were

1239

00:44:16,630 --> 00:44:14,000

so hang tight everyone and join us next

1240

00:44:18,870 --> 00:44:16,640

week for part two when we tackle a very

1241

00:44:21,349 --> 00:44:18,880

human approach to a possible alien

1242

00:44:23,829 --> 00:44:21,359

phenomenon before we go though i want to

1243

00:44:26,790 --> 00:44:23,839
