4  
00:00:13,850 --> 00:00:11,580  
somewhere in the skies podcast facebook

page give me one sec I got a link this

8  
00:00:30,290 --> 00:00:27,570  
anyone coming in here there are a few

9  
00:00:32,600 --> 00:00:30,300  
things I want to get out to you guys

10  
00:00:34,729 --> 00:00:32,610  
some some what would you call it my

11  
00:00:37,760 --> 00:00:34,739  
laundry list as it were get that out to

12  
00:00:39,700 --> 00:00:37,770  
you here before I take any questions or

13  
00:00:43,280 --> 00:00:39,710

or whatnot

14

00:00:47,000 --> 00:00:43,290

first of all this past week in the I

15

00:00:49,760 --> 00:00:47,010

guess paranormal world or UFO world or

16

00:00:52,630 --> 00:00:49,770

even radio broadcasting and podcasting

17

00:00:55,790 --> 00:00:52,640

world we lost someone very very

18

00:00:57,459 --> 00:00:55,800

influential and that was art Bell for

19

00:01:00,470 --> 00:00:57,469

many of you who don't know art Bell

20

00:01:02,720 --> 00:01:00,480

founded and was the first-ever host of

21

00:01:04,369 --> 00:01:02,730

coast to coast am now I first heard

22

00:01:06,950 --> 00:01:04,379

about coast to coast am through a

23

00:01:08,660 --> 00:01:06,960

college roommate of mine who said look

24

00:01:10,340 --> 00:01:08,670

there's this late-night radio show I

25

00:01:12,830 --> 00:01:10,350

think you'll really dig it it's about

26  
00:01:14,960 --> 00:01:12,840  
UFOs the paranormal and I wasn't really

27  
00:01:17,960 --> 00:01:14,970  
out about like all that stuff I was

28  
00:01:21,080 --> 00:01:17,970  
interested in in college so it was cool

29  
00:01:23,270 --> 00:01:21,090  
to have that outlet to listen to at the

30  
00:01:25,789 --> 00:01:23,280  
time and art Bell has been so

31  
00:01:29,030 --> 00:01:25,799  
influential to many of us podcasters out

32  
00:01:31,730 --> 00:01:29,040  
there and it was very sad news that we

33  
00:01:33,980 --> 00:01:31,740  
lost him unexpectedly this week but he

34  
00:01:36,380 --> 00:01:33,990  
truly was a pioneer in the radio and

35  
00:01:39,920 --> 00:01:36,390  
broadcasting late-night talk show world

36  
00:01:42,649 --> 00:01:39,930  
and he will be missed immensely for a

37  
00:01:45,080 --> 00:01:42,659  
younger person getting into this both

38  
00:01:48,380 --> 00:01:45,090

the paranormal UFOs and radio and

39

00:01:50,780 --> 00:01:48,390

broadcasting he was extremely

40

00:01:53,510 --> 00:01:50,790

influential and I'll never forget what

41

00:01:55,760 --> 00:01:53,520

he did and the good example he set for a

42

00:01:58,160 --> 00:01:55,770

lot of us out there I did not agree with

43

00:02:00,200 --> 00:01:58,170

his politics whatsoever a lot of you

44

00:02:04,249 --> 00:02:00,210

know my politics and I'm very vocal

45

00:02:07,459 --> 00:02:04,259

about that but it showed that even

46

00:02:09,499 --> 00:02:07,469

beyond politics we all have a lot in

47

00:02:12,110 --> 00:02:09,509

common and I think that's what we should

48

00:02:14,190 --> 00:02:12,120

be focusing on nowadays is finding that

49

00:02:16,290 --> 00:02:14,200

common ground finding those things

50

00:02:17,910 --> 00:02:16,300

we're all interested in and remembering

51  
00:02:20,250 --> 00:02:17,920  
that there's more to life than just who

52  
00:02:22,259 --> 00:02:20,260  
our president is so that's all I'm gonna

53  
00:02:25,559 --> 00:02:22,269  
say about that so yeah I just wanted to

54  
00:02:38,330 --> 00:02:25,569  
get that out there We will miss you art

55  
00:02:44,520 --> 00:02:41,610  
what's up Karen Sam Sharon is telling me

56  
00:02:46,740 --> 00:02:44,530  
that my privacy settings are making it

57  
00:02:50,699 --> 00:02:46,750  
so I this can't be viewed that's

58  
00:02:53,640 --> 00:02:50,709  
extremely depressing um from being

59  
00:02:58,410 --> 00:02:53,650  
shared oh I see Sam I guess I'm not

60  
00:03:00,180 --> 00:02:58,420  
sharing it this dive buddy um but thank

61  
00:03:01,589 --> 00:03:00,190  
you for telling me that that man I will

62  
00:03:05,300 --> 00:03:01,599  
definitely look into that next time

63  
00:03:07,949 --> 00:03:05,310

hello - Corrine hello - Brentley hi Sam

64

00:03:09,870 --> 00:03:07,959

who else do we got here Desdemona is

65

00:03:13,559 --> 00:03:09,880

here

66

00:03:17,400 --> 00:03:13,569

what's up Matthew let's see Breedlove is

67

00:03:18,690 --> 00:03:17,410

here alejandro is here alejandro thanks

68

00:03:25,580 --> 00:03:18,700

my man I couldn't agree with you more

69

00:03:28,860 --> 00:03:25,590

hello Wes hi Edwin Paul Jill let's see

70

00:03:31,590 --> 00:03:28,870

hi to all of you guys um so yeah so art

71

00:03:34,620 --> 00:03:31,600

bell we got that out of the way we he

72

00:03:36,000 --> 00:03:34,630

will be sorely sorely missed something

73

00:03:37,710 --> 00:03:36,010

else wanted to talk about I haven't

74

00:03:39,509 --> 00:03:37,720

talked to a lot of you guys since the

75

00:03:42,809 --> 00:03:39,519

end of the x-files

76

00:03:45,270 --> 00:03:42,819

so the x-files finale was um was

77

00:03:50,490 --> 00:03:45,280

interesting for any of you who are huge

78

00:03:52,979 --> 00:03:50,500

fans it it left me kind of cold left me

79

00:03:55,530 --> 00:03:52,989

kinda sour and left me feeling like I'm

80

00:03:57,720 --> 00:03:55,540

done I'm done with the x-files I don't

81

00:04:00,449 --> 00:03:57,730

need more I don't think I needed more

82

00:04:02,610 --> 00:04:00,459

after that season 10 debacle and this

83

00:04:04,890 --> 00:04:02,620

season 11 that being said there were a

84

00:04:07,830 --> 00:04:04,900

lot of strong episodes this past season

85

00:04:12,030 --> 00:04:07,840

and some really well written scripts

86

00:04:14,729 --> 00:04:12,040

some amazingly directed material but as

87

00:04:17,099 --> 00:04:14,739

it is always with the x-files it begins

88

00:04:18,479 --> 00:04:17,109

and ends with Chris Carter and it was

89

00:04:21,779 --> 00:04:18,489

very obvious that Chris Carter had been

90

00:04:24,149 --> 00:04:21,789

making up this season 11 as it was going

91

00:04:25,890 --> 00:04:24,159

on and it's sad it's sad to follow

92

00:04:28,320 --> 00:04:25,900

something your entire life and to see it

93

00:04:31,110 --> 00:04:28,330

kind of fizzle out like that

94

00:04:33,330 --> 00:04:31,120

one of the main writers and directors in

95

00:04:37,200 --> 00:04:33,340

the original x-files Vince Gilligan went

96

00:04:39,600 --> 00:04:37,210

on to create Breaking Bad and that is

97

00:04:42,810 --> 00:04:39,610

the prime example of knowing when to

98

00:04:44,879 --> 00:04:42,820

fold them and when to hold them Vince

99

00:04:47,220 --> 00:04:44,889

ended Breaking Bad after season 5 I

100

00:04:48,600 --> 00:04:47,230

think I've got three more episodes left

101

00:04:50,129 --> 00:04:48,610

I'm rewatching it right now

102

00:04:52,080 --> 00:04:50,139

and he knew what he was doing he knew

103

00:04:53,760 --> 00:04:52,090

and his story was done and I think the

104

00:04:56,670 --> 00:04:53,770

x-files should have done that as well

105

00:04:59,460 --> 00:04:56,680

but it was good to see Mulder and Scully

106

00:05:01,379 --> 00:04:59,470

again and if that's the last time I am

107

00:05:04,050 --> 00:05:01,389

completely okay with that if you do want

108

00:05:06,600 --> 00:05:04,060

to hear many passionate x-files fans

109

00:05:08,940 --> 00:05:06,610

thoughts on the finale and the season 11

110

00:05:10,500 --> 00:05:08,950

overall please listen to a bonus episode

111

00:05:12,540 --> 00:05:10,510

of sever in this guy's podcast you can

112

00:05:15,360 --> 00:05:12,550

find it at somewhere in the skies calm

113

00:05:17,190 --> 00:05:15,370

and I had people from all over the world

114

00:05:19,830 --> 00:05:17,200

call in and leave their thoughts and

115

00:05:21,870 --> 00:05:19,840

opinions on it so that was so cool and

116

00:05:25,020 --> 00:05:21,880

if any of them are here tonight thank

117

00:05:27,810 --> 00:05:25,030

you for doing that and yeah it was great

118

00:05:30,810 --> 00:05:27,820

and again I do still believe that the

119

00:05:32,760 --> 00:05:30,820

truth is out there what else do I got

120

00:05:36,029 --> 00:05:32,770

for you I released a new episode of

121

00:05:37,440 --> 00:05:36,039

somewhere in the skies today Monday it

122

00:05:41,070 --> 00:05:37,450

is called somewhere in the whiskey

123

00:05:45,240 --> 00:05:41,080

I spoke to MJ vinius in academic out of

124

00:05:47,730 --> 00:05:45,250

Canada and we sat down had a glass of

125

00:05:50,400 --> 00:05:47,740

whiskey digitally you know together

126

00:05:53,130 --> 00:05:50,410

I guess clink glasses and got a little

127

00:05:56,219 --> 00:05:53,140

drunk and talked about UFOs so if you

128

00:05:59,010 --> 00:05:56,229

want to hear me drunk talking about UFOs

129

00:06:01,350 --> 00:05:59,020

brutally honest uncensored unscripted

130

00:06:03,240 --> 00:06:01,360

please check that out that's available

131

00:06:06,270 --> 00:06:03,250

again at somewhere on this guy's comm

132

00:06:08,340 --> 00:06:06,280

episode 52 I believe it is and that is

133

00:06:11,250 --> 00:06:08,350

somewhere in the whiskey I'll have part

134

00:06:12,719 --> 00:06:11,260

two coming next week with MJ again and

135

00:06:15,120 --> 00:06:12,729

after that this is going to be a new

136

00:06:18,690 --> 00:06:15,130

series of someone this guy's where I sit

137

00:06:21,150 --> 00:06:18,700

down with someone's wine beer whiskey

138

00:06:24,300 --> 00:06:21,160

whatever they got coffee I don't care

139

00:06:26,460 --> 00:06:24,310

and just chat chat no interviews no

140

00:06:28,290 --> 00:06:26,470

scripts no blueprints just see where we

141

00:06:32,250 --> 00:06:28,300

go so look for more of that in the

142

00:06:36,839 --> 00:06:32,260

future I'm just scrolling to see if I've

143

00:06:40,560 --> 00:06:36,849

missed anything here hello - Ryan hello

144

00:06:41,399 --> 00:06:40,570

- Jonathan - Vance Christopher hi guys

145

00:06:44,249 --> 00:06:41,409

so good

146

00:06:46,439 --> 00:06:44,259

see all of you there is some other big

147

00:06:48,869 --> 00:06:46,449

news in the UFO field for those of you

148

00:06:51,689 --> 00:06:48,879

who are not into my UFO work I apologize

149

00:06:54,839 --> 00:06:51,699

a little UFO heavy tonight Chris Cox

150

00:06:56,969 --> 00:06:54,849

well the was appointed the new director

151

00:06:59,189 --> 00:06:56,979

of research for MUFON recently after

152

00:07:01,439 --> 00:06:59,199

about three weeks of work rigorous work

153

00:07:04,529 --> 00:07:01,449

I must say Chris Coatesville has decided

154

00:07:07,379 --> 00:07:04,539

to resign from MUFON for personal

155

00:07:10,139 --> 00:07:07,389

reasons for moral reasons and I'm not

156

00:07:12,479 --> 00:07:10,149

going to shy away from that there was a

157

00:07:14,519 --> 00:07:12,489

gentleman who was in the MUFON

158

00:07:17,249 --> 00:07:14,529

organization very high up who made some

159

00:07:20,909 --> 00:07:17,259

extremely extremely disheartening

160

00:07:23,839 --> 00:07:20,919

remarks racist remarks on Facebook at

161

00:07:27,299 --> 00:07:23,849

one point and when this came to light

162

00:07:29,669 --> 00:07:27,309

many in the UFO community and MUFON as

163

00:07:32,399 --> 00:07:29,679

well they do not want this dude

164

00:07:34,979 --> 00:07:32,409

representing their organization so they

165

00:07:38,129 --> 00:07:34,989

reached out to the head of MUFON to take

166

00:07:41,100 --> 00:07:38,139

care of this and he was pretty defensive

167

00:07:44,879 --> 00:07:41,110

about the guy and also shamed those who

168

00:07:47,129 --> 00:07:44,889

brought it forward that was a huge huge

169

00:07:49,049 --> 00:07:47,139

discrepancy that many of us had now I'm

170

00:07:51,600 --> 00:07:49,059

not a member of MUFON I cannot speak for

171

00:07:53,399 --> 00:07:51,610

MUFON maybe I shouldn't be but when it

172

00:07:56,159 --> 00:07:53,409

comes to someone making a racist rant

173

00:07:59,189 --> 00:07:56,169

and then representing a UFO organization

174

00:08:02,189 --> 00:07:59,199

I feel a duty to step in and say this is

175

00:08:06,540 --> 00:08:02,199

not cool it was said that this guy got

176

00:08:09,749 --> 00:08:06,550

fired that he left MUFON but he did not

177

00:08:13,619 --> 00:08:09,759

he is organizing conferences he is the

178

00:08:16,019 --> 00:08:13,629

treasurer of a local MUFON State

179

00:08:19,350 --> 00:08:16,029

Director he's a he was a state director

180

00:08:21,839 --> 00:08:19,360

he was demoted and he's still a part of

181

00:08:23,939 --> 00:08:21,849

it he's he's dealing with money he's

182

00:08:26,219 --> 00:08:23,949

giving money to move on it's a mess guys

183

00:08:28,889 --> 00:08:26,229

all I'm gonna say is I agree with a Kris

184

00:08:31,350 --> 00:08:28,899

Cogswell did and I'm with him on this

185

00:08:33,059 --> 00:08:31,360

I'm sorry to see him go I think MUFON

186

00:08:35,040 --> 00:08:33,069

could have benefitted greatly from

187

00:08:37,740 --> 00:08:35,050

Chris's work but he's going to go on and

188

00:08:39,689 --> 00:08:37,750

do things and I will be included in that

189

00:08:42,089 --> 00:08:39,699

so I'm I'm honored and I'm looking

190

00:08:44,759 --> 00:08:42,099

forward to that and if I could say

191

00:08:48,179 --> 00:08:44,769

anything it's if you have a racist who

192

00:08:51,449 --> 00:08:48,189

is that outright on Facebook get rid of

193

00:08:53,579 --> 00:08:51,459

him cut all ties and move on be the

194

00:08:54,590 --> 00:08:53,589

better person in that and move on did

195

00:09:01,129 --> 00:08:54,600

not do that

196

00:09:07,579 --> 00:09:05,120

let's see hello to Amy hello to Jordan

197

00:09:10,189 --> 00:09:07,589

let's see Jordan yes I will link to

198

00:09:13,069 --> 00:09:10,199

articles about that I will do that when

199

00:09:13,519 --> 00:09:13,079

we're done here hello Christy my sister

200

00:09:17,180 --> 00:09:13,529

is here

201  
00:09:20,590 --> 00:09:17,190  
nice to see you Christy let's see what

202  
00:09:25,009 --> 00:09:22,730  
hmm let's see let's see

203  
00:09:27,740 --> 00:09:25,019  
Oh so I've got some really cool

204  
00:09:29,720 --> 00:09:27,750  
episode's coming up of the show I am

205  
00:09:31,730 --> 00:09:29,730  
going to be I just found this podcast

206  
00:09:34,879 --> 00:09:31,740  
about a couple weeks ago called Oh No

207  
00:09:36,350 --> 00:09:34,889  
Ross and Carrie if any of you have heard

208  
00:09:40,160 --> 00:09:36,360  
this show I'd love to hear what you have

209  
00:09:42,620 --> 00:09:40,170  
to say I instantly fell in love with the

210  
00:09:45,110 --> 00:09:42,630  
show so Ross and Carrie are two

211  
00:09:47,420 --> 00:09:45,120  
investigative journalists who embed

212  
00:09:50,930 --> 00:09:47,430  
themselves into things so we don't have

213  
00:09:54,710 --> 00:09:50,940

to so what do they do they go to UFO

214

00:09:57,439 --> 00:09:54,720

conferences and they review and analyze

215

00:10:00,650 --> 00:09:57,449

all of the talks of these things it is

216

00:10:02,689 --> 00:10:00,660

so refreshing to get an outside eye on

217

00:10:05,449 --> 00:10:02,699

these UFO conferences the people that

218

00:10:07,689 --> 00:10:05,459

speak at and the topics that come up and

219

00:10:09,800 --> 00:10:07,699

it's a great time they're funny they're

220

00:10:11,809 --> 00:10:09,810

compassionate and they're objective

221

00:10:15,889 --> 00:10:11,819

they're objective that's what we need in

222

00:10:18,920 --> 00:10:15,899

this field we need people to to give

223

00:10:21,800 --> 00:10:18,930

give us those logical answers to things

224

00:10:25,759 --> 00:10:21,810

that are very illogical sometimes and

225

00:10:27,139 --> 00:10:25,769

they're honest and I loved it it's a

226

00:10:28,550 --> 00:10:27,149

little uncomfortable when they're there

227

00:10:32,420 --> 00:10:28,560

talking about friends and colleagues

228

00:10:34,069 --> 00:10:32,430

that I know but we need that we need to

229

00:10:35,710 --> 00:10:34,079

be challenged I wrote a book all about

230

00:10:38,059 --> 00:10:35,720

people who claim they've seen UFOs

231

00:10:40,429 --> 00:10:38,069

encountered non-human intelligences and

232

00:10:42,199 --> 00:10:40,439

I need to be challenged on that and I

233

00:10:44,420 --> 00:10:42,209

think all of those people who saw those

234

00:10:45,889 --> 00:10:44,430

things do as well if we don't challenge

235

00:10:47,720 --> 00:10:45,899

these things we're never gonna have a

236

00:10:50,059 --> 00:10:47,730

conversation and we're never gonna move

237

00:10:51,889 --> 00:10:50,069

things forward so if you have a chance

238

00:10:54,319 --> 00:10:51,899

check out oh no Ross and Carrie I'm

239

00:10:56,269 --> 00:10:54,329

going to have both of them on my show in

240

00:10:58,129 --> 00:10:56,279

the near future to talk all about what

241

00:11:00,110 --> 00:10:58,139

they've experienced at UFO conferences

242

00:11:03,079 --> 00:11:00,120

their thoughts and theories on these

243

00:11:06,019 --> 00:11:03,089

things and where we may be heading in

244

00:11:08,630 --> 00:11:06,029

terms of UFOs and just the way that we

245

00:11:10,640 --> 00:11:08,640

study these things analyze them

246

00:11:12,950 --> 00:11:10,650

and yeah yeah it's gonna be really cool

247

00:11:19,700 --> 00:11:12,960

so that's gonna be coming to you within

248

00:11:21,890 --> 00:11:19,710

the next month or so hello Tanya let's

249

00:11:25,940 --> 00:11:21,900

see what else do I have here hello Kevin

250

00:11:28,670 --> 00:11:25,950

hello Jennifer on the subject of the

251

00:11:30,380 --> 00:11:28,680

show I'm also going to be I've been

252

00:11:32,960 --> 00:11:30,390

watching this layer of Rimini I believe

253

00:11:34,790 --> 00:11:32,970

her name is a TV show the Scientology

254

00:11:37,790 --> 00:11:34,800

one where she's exposing the church

255

00:11:42,110 --> 00:11:37,800

talking to former members and finding

256

00:11:44,330 --> 00:11:42,120

the most god-awful disgusting disturbing

257

00:11:46,310 --> 00:11:44,340

things about this this church this is

258

00:11:48,770 --> 00:11:46,320

not a church no church would do the

259

00:11:50,360 --> 00:11:48,780

things that this church does so I'm

260

00:11:52,520 --> 00:11:50,370

saying that right here and now they're

261

00:11:56,330 --> 00:11:52,530

probably bugging me for just saying

262

00:11:58,070 --> 00:11:56,340

Scientology that being said a couple

263

00:11:59,990 --> 00:11:58,080

weeks ago I met a gentleman who I

264

00:12:02,240 --> 00:12:00,000

started talking to you and realize that

265

00:12:05,240 --> 00:12:02,250

he is a ex-member of the Scientology

266

00:12:09,020 --> 00:12:05,250

Church Scientology is very big here in

267

00:12:11,300 --> 00:12:09,030

Los Angeles and it's a little scary

268

00:12:12,830 --> 00:12:11,310

because I want to bring up the topic but

269

00:12:16,430 --> 00:12:12,840

I never know who's around me who may be

270

00:12:17,990 --> 00:12:16,440

a member but what I decided to do is I

271

00:12:21,260 --> 00:12:18,000

wanted to sit down face to face with

272

00:12:23,120 --> 00:12:21,270

this guy and hear about his experiences

273

00:12:26,380 --> 00:12:23,130

now what makes him different from a lot

274

00:12:28,940 --> 00:12:26,390

of people is that he was not duped or

275

00:12:31,010 --> 00:12:28,950

manipulated into joining this church he

276

00:12:33,740 --> 00:12:31,020

was born into the church he had no

277

00:12:37,790 --> 00:12:33,750

choice so he grew up in Scientology is

278

00:12:39,290 --> 00:12:37,800

all he knew he was able to break away we

279

00:12:42,860 --> 00:12:39,300

will get into that in the interview of

280

00:12:44,660 --> 00:12:42,870

how he did that why it happened and what

281

00:12:47,690 --> 00:12:44,670

he's dealing with and struggling with

282

00:12:50,330 --> 00:12:47,700

now as a a former member of a church his

283

00:12:52,580 --> 00:12:50,340

entire life and realizing what he'd been

284

00:12:54,020 --> 00:12:52,590

missing or what had been going on in the

285

00:12:56,810 --> 00:12:54,030

world and what was happening to him

286

00:12:58,160 --> 00:12:56,820

within this church so be on the lookout

287

00:13:00,560 --> 00:12:58,170

for that I'm gonna be sitting down face

288

00:13:03,110 --> 00:13:00,570

to face with this guy in their coming

289

00:13:04,460 --> 00:13:03,120

weeks and very interested to do that I

290

00:13:06,170 --> 00:13:04,470

want to start branching out with

291

00:13:08,300 --> 00:13:06,180

somewhere in the skies and covering

292

00:13:10,190 --> 00:13:08,310

other topics so that'll be really cool

293

00:13:12,350 --> 00:13:10,200

so I hope you'll tune in for that if you

294

00:13:15,100 --> 00:13:12,360

have any questions for my guest this

295

00:13:17,750 --> 00:13:15,110

former member of Scientology please

296

00:13:21,620 --> 00:13:17,760

personal message me or you can email me

297

00:13:24,710 --> 00:13:21,630

at spread 5/1 at hotmail.com

298

00:13:26,570 --> 00:13:24,720

yes I still use no again you have any

299

00:13:30,190 --> 00:13:26,580

questions ask him anything about

300

00:13:32,420 --> 00:13:30,200

Scientology you know why why he left

301

00:13:34,310 --> 00:13:32,430

what's going on with it

302

00:13:36,200 --> 00:13:34,320

who we met while he was there anything

303

00:13:37,850 --> 00:13:36,210

anything you want to know shoot those to

304

00:13:44,900 --> 00:13:37,860

me and I'll be sure to ask them when I

305

00:13:48,650 --> 00:13:44,910

do the interview let's see gotta run

306

00:13:52,130 --> 00:13:48,660

thanks Karen have a good night my man so

307

00:13:53,840 --> 00:13:52,140

that's kind of all I have in terms of

308

00:13:55,610 --> 00:13:53,850

like what I wanted to share with you

309

00:13:57,110 --> 00:13:55,620

guys that's going on so if you have any

310

00:14:00,050 --> 00:13:57,120

questions please feel free to throw them

311

00:14:04,340 --> 00:14:00,060

in here right now and I'll try to answer

312

00:14:06,680 --> 00:14:04,350

them cool David hello David whether Lee

313

00:14:14,900 --> 00:14:06,690

is in the house check out all of his

314

00:14:17,150 --> 00:14:14,910

work amazing amazing hmm let her move

315

00:14:20,420 --> 00:14:17,160

fun hate going on not my intention guys

316

00:14:23,470 --> 00:14:20,430

but that being said I think I think it's

317

00:14:26,270 --> 00:14:23,480

time that we we start looking at UFOs

318

00:14:27,830 --> 00:14:26,280

ourselves and not looking for some huge

319

00:14:30,080 --> 00:14:27,840

organization to do it for us because

320

00:14:33,860 --> 00:14:30,090

when you have an organization that big

321

00:14:35,960 --> 00:14:33,870

you can't you can't keep tabs or a leash

322

00:14:38,690 --> 00:14:35,970

on everyone who makes their personal

323

00:14:41,240 --> 00:14:38,700

thoughts and opinions on Facebook gets

324

00:14:43,160 --> 00:14:41,250

it out there and I understand that so

325

00:14:46,640 --> 00:14:43,170

for the head of MUFON I all I have to

326

00:14:47,180 --> 00:14:46,650

say is I know it's hard and I know you

327

00:14:50,660 --> 00:14:47,190

can't

328

00:14:53,030 --> 00:14:50,670

Alysha on people nor should you but when

329

00:14:55,460 --> 00:14:53,040

someone like that makes such a blatant

330

00:14:56,570 --> 00:14:55,470

racist remark on a social network he

331

00:14:58,610 --> 00:14:56,580

should not be representing your

332

00:15:00,640 --> 00:14:58,620

organization and you should do all you

333

00:15:05,330 --> 00:15:00,650

can to get him out of there completely

334

00:15:09,290 --> 00:15:05,340

this man is still in MUFON still in

335

00:15:13,130 --> 00:15:09,300

MUFON a racist a known admitted racist

336

00:15:18,920 --> 00:15:13,140

is still in MUFON and has power so I'm

337

00:15:26,310 --> 00:15:22,290

what did he actually say Ryan um I will

338

00:15:29,160 --> 00:15:26,320

link to that I choose not to perpetuate

339

00:15:31,560 --> 00:15:29,170

that here today I'll definitely send

340

00:15:33,420 --> 00:15:31,570

that to you and I'd love to hear what

341

00:15:38,970 --> 00:15:33,430

you think about it

342

00:15:41,639 --> 00:15:38,980

yeah Tania says she's going to be doing

343

00:15:42,120 --> 00:15:41,649

a documentary on Ingrid Cole injured

344

00:15:44,610 --> 00:15:42,130

cold

345

00:15:46,230 --> 00:15:44,620

that's so cool Tania please keep me

346

00:15:50,960 --> 00:15:46,240

posted I want to have you on the show to

347

00:16:00,269 --> 00:15:58,170

hello Steph like I guess yeah if you

348

00:16:02,040 --> 00:16:00,279

have any questions feel free to throw

349

00:16:04,850 --> 00:16:02,050

them up there now that's kind of all I

350

00:16:07,470 --> 00:16:04,860

have right now I am drinking my

351

00:16:10,139 --> 00:16:07,480

afternoon coffee man

352

00:16:12,900 --> 00:16:10,149

in my girlfriend's mug I didn't realize

353

00:16:18,240 --> 00:16:12,910

that she's not gonna be happy oh well

354

00:16:20,579 --> 00:16:18,250

whatever Jane hello Paul

355

00:16:25,740 --> 00:16:20,589

Oh Paul Paul is a friend of mine from

356

00:16:28,019 --> 00:16:25,750

New York so something I did not make

357

00:16:30,360 --> 00:16:28,029

public on Facebook and did not announce

358

00:16:32,250 --> 00:16:30,370

yet but I think it's pretty pretty solid

359

00:16:34,199 --> 00:16:32,260

to do so right now I've told some of my

360

00:16:35,970 --> 00:16:34,209

closer friends and colleagues but I'm

361

00:16:39,120 --> 00:16:35,980

gonna say it right here officially on

362

00:16:40,559 --> 00:16:39,130

this Facebook live for those of you know

363

00:16:43,319 --> 00:16:40,569

I've been spending the last year and a

364

00:16:45,720 --> 00:16:43,329

half or so here in Los Angeles it's been

365

00:16:48,840 --> 00:16:45,730

incredible I've seen so much I've met

366

00:16:50,000 --> 00:16:48,850

some of the nicest people I've ever met

367

00:16:52,680 --> 00:16:50,010

and some of the most hard-working

368

00:16:54,600 --> 00:16:52,690

creative people I've ever met it's been

369

00:16:56,759 --> 00:16:54,610

so rewarding for me

370

00:16:58,379 --> 00:16:56,769

I'm happy I did it I'm happy I stepped

371

00:16:59,189 --> 00:16:58,389

out of my comfort zone and moved

372

00:17:02,689 --> 00:16:59,199

somewhere else

373

00:17:04,770 --> 00:17:02,699

other than New York but that being said

374

00:17:05,579 --> 00:17:04,780

I'm gonna be heading back to New York

375

00:17:08,579 --> 00:17:05,589

City

376

00:17:10,470 --> 00:17:08,589

I've told friends I've told family but

377

00:17:12,240 --> 00:17:10,480

I'm gonna tell you guys right now right

378

00:17:14,929 --> 00:17:12,250

here for any of my New York friends I'm

379

00:17:17,399 --> 00:17:14,939

coming back so I can't get rid of me

380

00:17:20,130 --> 00:17:17,409

very excited about that

381

00:17:21,659 --> 00:17:20,140

it came to a surprise to both Jamie and

382

00:17:23,880 --> 00:17:21,669

I that she's gonna be graduating

383

00:17:26,159 --> 00:17:23,890

graduate school early because she's so

384

00:17:28,950 --> 00:17:26,169

damn smart and brilliant and an

385

00:17:30,450 --> 00:17:28,960

incredible person and because of that

386

00:17:31,590 --> 00:17:30,460

we're gonna be heading back to New York

387

00:17:34,200 --> 00:17:31,600

City after she

388

00:17:36,659 --> 00:17:34,210

graduates about half a year earlier than

389

00:17:38,250 --> 00:17:36,669

anticipated so excited about that

390

00:17:41,400 --> 00:17:38,260

excited to get back into the New York

391

00:17:43,169 --> 00:17:41,410

swing of things and looking forward to

392

00:17:45,630 --> 00:17:43,179

seeing what comes next when we get back

393

00:17:48,720 --> 00:17:45,640

to let's be honest the greatest city in

394

00:17:51,590 --> 00:17:48,730

the world brag brag I know so yeah

395

00:17:53,610 --> 00:17:51,600

that's really exciting news and and

396

00:17:55,890 --> 00:17:53,620

hopefully I'll dive back into the world

397

00:17:58,770 --> 00:17:55,900

of theater when I get there and get my

398

00:18:01,169 --> 00:17:58,780

hands on some scripts again so yeah

399

00:18:05,850 --> 00:18:01,179

really looking forward to that big Apple

400

00:18:10,080 --> 00:18:05,860

here we come again Thank You Vance thank

401  
00:18:13,020 --> 00:18:10,090  
you Bruce asks me what's your favorite

402  
00:18:15,210 --> 00:18:13,030  
UFO case aside from your own sighting my

403  
00:18:17,570 --> 00:18:15,220  
own sighting is not by far my favorite

404  
00:18:19,710 --> 00:18:17,580  
UFO case kind of boring

405  
00:18:21,539 --> 00:18:19,720  
now I'm not boring it was pretty

406  
00:18:24,570 --> 00:18:21,549  
dramatic at the time I was 12 years old

407  
00:18:26,610 --> 00:18:24,580  
when it happened but my favorite case

408  
00:18:29,460 --> 00:18:26,620  
I'm gonna be honest here would have to

409  
00:18:32,669 --> 00:18:29,470  
be the Zimbabwe case Bruce so many

410  
00:18:34,860 --> 00:18:32,679  
witnesses so many people who who

411  
00:18:38,039 --> 00:18:34,870  
experienced what happened there with a

412  
00:18:41,310 --> 00:18:38,049  
UFO landing in a schoolyard so many kids

413  
00:18:42,960 --> 00:18:41,320

were able to to come forward and sketch

414

00:18:46,020 --> 00:18:42,970

what they've seen separately they were

415

00:18:48,630 --> 00:18:46,030

all separated and did this and John Mac

416

00:18:51,180 --> 00:18:48,640

the Harvard psychiatrist went there

417

00:18:53,909 --> 00:18:51,190

interviewed a bunch of the kids and it

418

00:18:55,080 --> 00:18:53,919

was so compelling and so credible and a

419

00:18:57,419 --> 00:18:55,090

lot of the witnesses are still speaking

420

00:18:59,970 --> 00:18:57,429

about it today so I would have to say

421

00:19:03,450 --> 00:18:59,980

this in Bob Wayne case is probably one

422

00:19:05,940 --> 00:19:03,460

of my most favorite to date so that and

423

00:19:06,390 --> 00:19:05,950

the tehran UFO case where a fighter

424

00:19:08,659 --> 00:19:06,400

pilot

425

00:19:12,810 --> 00:19:08,669

we just lost actually Parviz Jafari

426

00:19:18,500 --> 00:19:12,820

passed away recently he had a dog fight

427

00:19:21,570 --> 00:19:18,510

with a UFO over Iran and he was able to

428

00:19:24,740 --> 00:19:21,580

chase this thing and it shut down all of

429

00:19:27,360 --> 00:19:24,750

his equipment and his radar and his

430

00:19:29,580 --> 00:19:27,370

telecommunications so it was pretty

431

00:19:30,930 --> 00:19:29,590

scary pretty dramatic I've got a article

432

00:19:32,520 --> 00:19:30,940

all about that case that I'll link to

433

00:19:34,649 --> 00:19:32,530

after this as well if anyone's

434

00:19:41,740 --> 00:19:34,659

interested so yeah I'm going with Iran

435

00:19:45,520 --> 00:19:43,090

welcome back to the East Coast Thank You

436

00:19:46,840 --> 00:19:45,530

Cisco yeah the countdown is on we've

437

00:19:48,190 --> 00:19:46,850

still got about eight months or so here

438

00:19:50,800 --> 00:19:48,200

in LA we're definitely gonna make the

439

00:19:52,630 --> 00:19:50,810

most of it I've got some very very cool

440

00:19:54,940 --> 00:19:52,640

things happening here in LA that

441

00:19:57,610 --> 00:19:54,950

wouldn't be very sad to to leave but

442

00:19:59,530 --> 00:19:57,620

more thing here that I should share with

00:21:53,500 --> 00:21:51,860  
you this is a really cool thing I just

483  
00:21:55,060 --> 00:21:53,510  
picked up today it's the x-files

484  
00:21:57,760 --> 00:21:55,070  
conspiracy theory

485  
00:21:59,680 --> 00:21:57,770  
everything's connected so cool it's a

486  
00:22:03,280 --> 00:21:59,690  
tabletop game not really tabletop game

487  
00:22:05,200 --> 00:22:03,290  
it's a card game where you are molder

488  
00:22:08,260 --> 00:22:05,210

and you are trying to explain your case

489

00:22:10,330 --> 00:22:08,270

to the head of the FBI so you you come

490

00:22:12,190 --> 00:22:10,340

up with um what the case is who the

491

00:22:13,630 --> 00:22:12,200

suspects are what you think is happening

492

00:22:15,340 --> 00:22:13,640

it's a lot of fun

493

00:22:17,740 --> 00:22:15,350

Jane and I cracked it open last night

494

00:22:20,200 --> 00:22:17,750

and we've been having a ball with it me

495

00:22:23,440 --> 00:22:20,210

497

00:22:28,510 --> 00:22:26,510

498

00:22:34,540 --> 00:22:28,520

called everything is connected really

499

00:22:37,060 --> 00:22:34,550

cool game Beth Mason says in Liverpool

500

00:22:38,830 --> 00:22:37,070

it will not be in Liverpool Beth this

501

00:22:42,130 --> 00:22:38,840

this will be in the actual city of

502

00:22:43,570 --> 00:22:42,140

507

508

00:22:57,910 --> 00:22:53,660

now grow a beard van says dude I'm

509

00:23:03,490 --> 00:22:57,920

trying it's not easy it's not easy being

510

00:23:05,860 --> 00:23:03,500

this baby-faced as it were um I'm not

511

00:23:13,750 --> 00:23:05,870

serious about that by the way I feel

512

00:23:19,600 --> 00:23:13,760

536

00:24:16,250 --> 00:24:14,250

backslash somewhere skies while we're on

537

00:24:18,830 --> 00:24:16,260

that again if you listen on iTunes

538

00:24:19,760 --> 00:24:18,840

please subscribe rate and review the

539

00:24:22,190 --> 00:24:19,770

show on iTunes

540

00:24:24,170 --> 00:24:22,200

it's the biggest largest podcast format

541

00:24:26,150 --> 00:24:24,180

I know it's a little wonky at times but

542

00:24:27,950 --> 00:24:26,160

it is where most people get their

543

00:24:29,750 --> 00:24:27,960

podcasts and I'd love for you to go

544

00:24:32,690 --> 00:24:29,760

there rate and review somewhere in the

545

00:24:35,240 --> 00:24:32,700

skies I see some stuff coming up here so

546

00:24:39,350 --> 00:24:35,250

we are not getting out of here just yet

547

00:24:42,650 --> 00:24:39,360

guys Ryan asks were there any actual

548

00:24:44,120 --> 00:24:42,660

photos or videos from Zimbabwe kids do

549

00:24:46,790 --> 00:24:44,130

have active imaginations

550

00:24:50,780 --> 00:24:46,800

and they could mistake something for you

551  
00:24:53,300 --> 00:24:50,790  
a completely viable on that ride yeah as

552  
00:24:55,790 --> 00:24:53,310  
far as I know there is no photos there

553  
00:24:57,380 --> 00:24:55,800  
is no video we only have the sketches

554  
00:24:59,900 --> 00:24:57,390  
and the testimony of the children to

555  
00:25:01,880 --> 00:24:59,910  
rely on and again that's not admissible

556  
00:25:03,950 --> 00:25:01,890  
in court any longer so a lot of people

557  
00:25:06,140 --> 00:25:03,960  
don't take that for what it is but I

558  
00:25:08,630 --> 00:25:06,150  
have met several of the witnesses I do

559  
00:25:10,940 --> 00:25:08,640  
in my gut firmly believe they believe

560  
00:25:13,430 --> 00:25:10,950  
this happened I don't think they made

561  
00:25:15,950 --> 00:25:13,440  
this up what it was I could not tell you

562  
00:25:18,980 --> 00:25:15,960  
but I do think something genuine

563  
00:25:22,400 --> 00:25:18,990

happened in Zimbabwe say I'll leave it

564

00:25:22,880 --> 00:25:22,410

at that Becky come down to the Mothman

565

00:25:25,490 --> 00:25:22,890

fest

566

00:25:27,620 --> 00:25:25,500

I would love to Mothman is my favorite

567

00:25:29,720 --> 00:25:27,630

cryptid and I gotta get to West Virginia

568

00:25:32,450 --> 00:25:29,730

at some point I've never made it there

569

00:25:34,310 --> 00:25:32,460

to be completely honest and Mothman has

570

00:25:36,260 --> 00:25:34,320

scared the crap out of me ever since I

571

00:25:38,330 --> 00:25:36,270

saw the movie and then read John Key

572

00:25:40,790 --> 00:25:38,340

look after that which scared me even

573

00:25:42,650 --> 00:25:40,800

more so yeah I will definitely try to

574

00:25:44,210 --> 00:25:42,660

make it to that let me know all the info

575

00:25:48,430 --> 00:25:44,220

on that and I will try to make that

576

00:25:52,610 --> 00:25:50,690

does anyone out there know what the

577

00:25:54,890 --> 00:25:52,620

whole story was about art bells threats

578

00:25:57,470 --> 00:25:54,900

to him his home and family know of any

579

00:25:59,120 --> 00:25:57,480

podcasts on this Debra I don't that

580

00:26:01,400 --> 00:25:59,130

sounds a little scary especially since

581

00:26:02,930 --> 00:26:01,410

we've lost him a couple days ago I hope

582

00:26:05,120 --> 00:26:02,940

there weren't any sort of threats or

583

00:26:07,790 --> 00:26:05,130

anything questionable about his death

584

00:26:09,860 --> 00:26:07,800

I'm not one to spread conspiracy

585

00:26:13,220 --> 00:26:09,870

theories like that please do not quote

586

00:26:14,750 --> 00:26:13,230

me on that no matter what it's a tragedy

587

00:26:21,300 --> 00:26:14,760

that we lost them they don't leave it at

588

00:26:26,350 --> 00:26:23,530

James says he's been trying to grow beer

589

00:26:27,850 --> 00:26:26,360

since age 17 I'm now 42 and have some

590

00:26:29,580 --> 00:26:27,860

devil Wow

591

00:26:32,080 --> 00:26:29,590

594

00:26:41,620 --> 00:26:36,470

tell you that much man I shave probably

595

00:26:43,750 --> 00:26:41,630

once every two weeks or so and it's

596

00:26:45,910 --> 00:26:43,760

annoying man I hate doing it but I can't

597

00:26:49,440 --> 00:26:45,920
