throughout the weekend and to purchase

43

00:02:23,610 --> 00:02:21,040

tickets visit the alien Kong comm when I

44

00:02:26,520 --> 00:02:23,620

first launched the podcast I wasn't sure

45

00:02:28,800 --> 00:02:26,530

how it was all gonna go obviously who

46

00:02:31,800 --> 00:02:28,810

would want to hear a podcast about UFOs

47

00:02:34,170 --> 00:02:31,810

on a weekly basis I decided to give it a

48

00:02:36,690 --> 00:02:34,180

try but knew I had to get a guest that

49

00:02:38,640 --> 00:02:36,700

would really up the stakes and bring not

50

00:02:41,369 --> 00:02:38,650

only insight on the topic but a

51  
00:02:44,070 --> 00:02:41,379  
knowledge of the history of UFOs the

52  
00:02:46,170 --> 00:02:44,080  
present state of UFO studies and the

53  
00:02:48,479 --> 00:02:46,180  
foresight of where we may be heading

54  
00:02:50,880 --> 00:02:48,489  
with this mystery and how it's handled

55  
00:02:54,540 --> 00:02:50,890  
by both the public and those who seek to

56  
00:02:56,790 --> 00:02:54,550  
control the information that guest was

57  
00:02:59,010 --> 00:02:56,800  
none other than my publisher Richard

58  
00:03:00,570 --> 00:02:59,020  
Dolan and right out of the gate the

59  
00:03:02,840 --> 00:03:00,580  
premiere episode of somewhere in the

60  
00:03:05,120 --> 00:03:02,850  
skies skyrocketed into

61  
00:03:07,400 --> 00:03:05,130  
stratosphere of downloads and that's

62  
00:03:11,630 --> 00:03:07,410  
what I knew people did want to hear

63  
00:03:13,880 --> 00:03:11,640

about UFOs on a weekly basis so after 60

64

00:03:16,370 --> 00:03:13,890

main episodes and a handful of bonus

65

00:03:18,230 --> 00:03:16,380

episodes I'm excited and honored to

66

00:03:20,660 --> 00:03:18,240

bring back the man who helped put

67

00:03:23,540 --> 00:03:20,670

someone in the skies on the podcast map

68

00:03:25,490 --> 00:03:23,550

fresh off the plane Dolan sits down with

69

00:03:28,430 --> 00:03:25,500

me to talk all about his recent trip to

70

00:03:30,680 --> 00:03:28,440

Indian Wells California for contact in

71

00:03:33,200 --> 00:03:30,690

the desert one of the largest UFO

72

00:03:34,790 --> 00:03:33,210

conferences in North America with

73

00:03:37,400 --> 00:03:34,800

speakers from all over the world in

74

00:03:38,930 --> 00:03:37,410

every field of study it remains one of

75

00:03:41,540 --> 00:03:38,940

the most well attended gatherings of

76

00:03:43,580 --> 00:03:41,550

those who seek answers to the UFO

77

00:03:46,610 --> 00:03:43,590

phenomenon and possibility of

78

00:03:48,650 --> 00:03:46,620

extraterrestrial visitation Richard

79

00:03:51,050 --> 00:03:48,660

Dolan has been invited to speak every

80

00:03:53,690 --> 00:03:51,060

single year of the event with good

81

00:03:56,360 --> 00:03:53,700

reason as you'll hear today we run

82

00:03:58,790 --> 00:03:56,370

through three vastly different lectures

83

00:04:00,860 --> 00:03:58,800

he gave at the event ranging from false

84

00:04:04,880 --> 00:04:00,870

flag operations to the new-age

85

00:04:07,370 --> 00:04:04,890

derailment of UFO studies we then tackle

86

00:04:10,310 --> 00:04:07,380

UFO secrecy through the lens of the

87

00:04:12,500 --> 00:04:10,320

recent Pentagon UFO program story to the

88

00:04:15,350 --> 00:04:12,510

stars Academy in the never-ending battle

89

00:04:18,560 --> 00:04:15,360

between corporate and alternative media

90

00:04:21,170 --> 00:04:18,570

coverage of the UFO topic this is a

91

00:04:23,780 --> 00:04:21,180

jam-packed interview with one of the

92

00:04:27,020 --> 00:04:23,790

most well respected historians and UFO

93

00:04:29,810 --> 00:04:27,030

researchers out there today so without

94

00:04:34,450 --> 00:04:29,820

further ado let's make contact with

95

00:04:39,470 --> 00:04:37,040

rich thank you so much for joining me

96

00:04:39,860 --> 00:04:39,480

today on somewhere in the skies again hi

97

00:04:41,390 --> 00:04:39,870

Ryan

98

00:04:42,950 --> 00:04:41,400

oh it's a pleasure to be on with you I'm

99

00:04:44,600 --> 00:04:42,960

glad it's been too long so I'm glad to

100

00:04:46,790 --> 00:04:44,610

be doing it now way too long man

101  
00:04:49,310 --> 00:04:46,800  
you were my premiere guest for the show

102  
00:04:51,860 --> 00:04:49,320  
and it is still to this day my most

103  
00:04:54,740 --> 00:04:51,870  
highly downloaded episode so full circle

104  
00:04:57,170 --> 00:04:54,750  
man you're back and fresh off the heels

105  
00:04:57,950 --> 00:04:57,180  
of contact of the desert am i correct oh

106  
00:05:00,170 --> 00:04:57,960  
yes

107  
00:05:02,300 --> 00:05:00,180  
Tracy and I just I just got married by

108  
00:05:05,270 --> 00:05:02,310  
the way a month ago to my um I love

109  
00:05:07,430 --> 00:05:05,280  
Tracy Garbett and she's traveling with

110  
00:05:09,650 --> 00:05:07,440  
me we we did contact in the desert just

111  
00:05:12,560 --> 00:05:09,660  
last weekend and yes it was interesting

112  
00:05:14,950 --> 00:05:12,570  
I did three lectures one of which was a

113  
00:05:18,560 --> 00:05:14,960

brand-new lecture two of which I've been

114

00:05:20,690 --> 00:05:18,570

tweaking and updating over the last year

115

00:05:23,390 --> 00:05:20,700

or so so he has a lot of a lot of new

116

00:05:25,580 --> 00:05:23,400

information I had to present right first

117

00:05:27,380 --> 00:05:25,590

congratulations on the marriage you know

118

00:05:28,100 --> 00:05:27,390

I thank you I was there when you popped

119

00:05:30,110 --> 00:05:28,110

the question

120

00:05:33,290 --> 00:05:30,120

well in the same vicinity I should say

121

00:05:35,690 --> 00:05:33,300

so that was quite a memorable experience

122

00:05:37,670 --> 00:05:35,700

to say the least so that was at the

123

00:05:40,370 --> 00:05:37,680

International Congress in 2017 that's

124

00:05:42,920 --> 00:05:40,380

right yeah yeah someone took a picture

125

00:05:46,940 --> 00:05:42,930

of the moment that I asked it from a

126

00:05:50,900 --> 00:05:46,950

distance and put it on Twitter saying

127

00:05:52,700 --> 00:05:50,910

god bless oh thank you yes so yeah so

128

00:05:55,640 --> 00:05:52,710

we're we're sort of gonna run through

129

00:05:58,520 --> 00:05:55,650

your three intensive lectures workshops

130

00:06:00,800 --> 00:05:58,530

talks that you gave this week all very

131

00:06:03,260 --> 00:06:00,810

different the first was Friday you spoke

132

00:06:05,840 --> 00:06:03,270

about this was called down the rabbit

133

00:06:07,640 --> 00:06:05,850

hole of false flags you talked all about

134

00:06:09,830 --> 00:06:07,650

what they are how they happened the

135

00:06:12,110 --> 00:06:09,840

evolution so yeah if you wouldn't mind

136

00:06:13,940 --> 00:06:12,120

giving us sort of a primer on what this

137

00:06:16,100 --> 00:06:13,950

was all about this is kind of a new

138

00:06:18,560 --> 00:06:16,110

venture you've you've been diving into

139

00:06:20,180 --> 00:06:18,570

and been working on it is I've been I've

140

00:06:22,250 --> 00:06:20,190

been deeply involved in the research now

141

00:06:24,170 --> 00:06:22,260

for a couple of years so what I did is

142

00:06:26,270 --> 00:06:24,180

really presented my current I guess

143

00:06:28,820 --> 00:06:26,280

thinking on what false legs are and why

144

00:06:31,130 --> 00:06:28,830

they why they are such a big part of our

145

00:06:32,570 --> 00:06:31,140

world today for anyone who just doesn't

146

00:06:35,120 --> 00:06:32,580

know what the phrase mean a false flag

147

00:06:38,210 --> 00:06:35,130

is simply an event or an action that is

148

00:06:39,710 --> 00:06:38,220

done by a party usually a government or

149

00:06:41,180 --> 00:06:39,720

not always a government could be an

150

00:06:43,880 --> 00:06:41,190

intelligence agency it could be anyone

151  
00:06:45,350 --> 00:06:43,890  
that is then blamed on somebody else and

152  
00:06:47,480 --> 00:06:45,360  
that event is usually

153  
00:06:49,490 --> 00:06:47,490  
being traumatic or awful something that

154  
00:06:51,529 --> 00:06:49,500  
is designed to elicit emotional reaction

155  
00:06:54,140 --> 00:06:51,539  
blamed on someone else and then that is

156  
00:06:56,330 --> 00:06:54,150  
then used to justify something that

157  
00:06:59,450 --> 00:06:56,340  
would be very hard to justify otherwise

158  
00:07:01,510 --> 00:06:59,460  
so you know I think people have really

159  
00:07:04,459 --> 00:07:01,520  
gotten into talking about false flags

160  
00:07:06,589 --> 00:07:04,469  
particularly since 9/11 there's been a l

161  
00:07:08,149 --> 00:07:06,599  
think as you and many listeners realized

162  
00:07:11,390 --> 00:07:08,159  
it a little a great deal of research

163  
00:07:13,909 --> 00:07:11,400

done on 9/11 that more than just shows

164

00:07:15,499 --> 00:07:13,919

suspicion suspicious actions of the

165

00:07:17,689 --> 00:07:15,509

United States government about many

166

00:07:19,909 --> 00:07:17,699

things but really lead people to believe

167

00:07:22,879 --> 00:07:19,919

that the u.s. elements of the US

168

00:07:26,180 --> 00:07:22,889

government deliberately made the events

169

00:07:29,059 --> 00:07:26,190

of that day to happen blamed it on al

170

00:07:31,610 --> 00:07:29,069

Qaeda and then use that to justify the

171

00:07:33,980 --> 00:07:31,620

the wars in Afghanistan and Iraq and and

172

00:07:35,809 --> 00:07:33,990

really the imposition of a of a homeland

173

00:07:38,930 --> 00:07:35,819

security state which we are living in to

174

00:07:40,339 --> 00:07:38,940

this day so 9/11 you know and I think in

175

00:07:42,350 --> 00:07:40,349

anyone's analysis is really the

176

00:07:44,570 --> 00:07:42,360

centerpiece of false flags of the modern

177

00:07:47,570 --> 00:07:44,580

era but it's not the first and not the

178

00:07:50,149 --> 00:07:47,580

last one of the things that I have done

179

00:07:53,480 --> 00:07:50,159

with false flags at least conceptually

180

00:07:56,330 --> 00:07:53,490

is to point out that this really is a

181

00:07:59,240 --> 00:07:56,340

distinctively modern phenomenon false

182

00:08:01,640 --> 00:07:59,250

flags you often read on the web people

183

00:08:02,930 --> 00:08:01,650

will say it's ancient phenomenon people

184

00:08:05,959 --> 00:08:02,940

have been doing false flags since

185

00:08:09,469 --> 00:08:05,969

ancient times that's kind of it's really

186

00:08:11,809 --> 00:08:09,479

not true I mean there are events in the

187

00:08:13,999 --> 00:08:11,819

ancient world that could well qualify as

188

00:08:15,709 --> 00:08:14,009

false flags in my study of ancient

189

00:08:19,249 --> 00:08:15,719

history I have found a number of events

190

00:08:21,230 --> 00:08:19,259

that I would say are false flag II I'm

191

00:08:23,450 --> 00:08:21,240

the header leg false flag but they're

192

00:08:25,579 --> 00:08:23,460

not quite really quite what you'd expect

193

00:08:27,879 --> 00:08:25,589

out of a false flag like a covert op

194

00:08:30,230 --> 00:08:27,889

that's you know just deliberately

195

00:08:31,879 --> 00:08:30,240

perniciously you know in gating and

196

00:08:34,069 --> 00:08:31,889

engaging an act of what what might be

197

00:08:36,319 --> 00:08:34,079

called perfidy you know like a really

198

00:08:39,469 --> 00:08:36,329

devious sort of a lie and that's that's

199

00:08:41,509 --> 00:08:39,479

really a specifically modern 19th really

200

00:08:43,939 --> 00:08:41,519

20th century phenomenon and in our in

201  
00:08:46,370 --> 00:08:43,949  
our own era and the reason that this is

202  
00:08:48,160 --> 00:08:46,380  
a modern phenomenon in my opinion it is

203  
00:08:51,710 --> 00:08:48,170  
because it's only in the 20th century

204  
00:08:54,470 --> 00:08:51,720  
particularly after the bloody carnage of

205  
00:08:56,569 --> 00:08:54,480  
the First World War which was kind of

206  
00:08:59,060 --> 00:08:56,579  
made a horrible meat-grinder of human

207  
00:09:01,280 --> 00:08:59,070  
humanity to be honest it just some

208  
00:09:04,490 --> 00:09:01,290  
that utterly traumatized Europe in

209  
00:09:06,170 --> 00:09:04,500  
particular because they just convulsed

210  
00:09:09,410 --> 00:09:06,180  
upon themselves and millions of dead

211  
00:09:11,600 --> 00:09:09,420  
young men so as a result of that there

212  
00:09:14,480 --> 00:09:11,610  
is the development of of what you would

213  
00:09:17,150 --> 00:09:14,490

say a specific international law that

214

00:09:20,630 --> 00:09:17,160

made wars of aggression illegal and

215

00:09:22,910 --> 00:09:20,640

definitely immoral hard - hard to

216

00:09:24,620 --> 00:09:22,920

remember and easy to forget that before

217

00:09:27,140 --> 00:09:24,630

the first world war which was just 100

218

00:09:29,180 --> 00:09:27,150

years ago nations had traipse off to war

219

00:09:32,420 --> 00:09:29,190

like as if it was a great wonderful

220

00:09:35,840 --> 00:09:32,430

glorious glorious thing to do and after

221

00:09:38,120 --> 00:09:35,850

the first world war no it is not and and

222

00:09:41,260 --> 00:09:38,130

so what happened is that nations still

223

00:09:43,910 --> 00:09:41,270

perceived a need to engage in warfare

224

00:09:45,980 --> 00:09:43,920

elites still perceived a need to steal

225

00:09:47,750 --> 00:09:45,990

things from other parts of the world I

226

00:09:49,460 --> 00:09:47,760

mean that never goes away but

227

00:09:53,750 --> 00:09:49,470

increasingly what you'd find is a need

228

00:09:56,420 --> 00:09:53,760

to hide and mask that because again wars

229

00:09:58,490 --> 00:09:56,430

of aggression we're really after 1918

230

00:10:00,380 --> 00:09:58,500

considered absolutely wrong the other

231

00:10:03,050 --> 00:10:00,390

thing about the World War 1 era is that

232

00:10:05,180 --> 00:10:03,060

after World War 1 you get the growth in

233

00:10:08,570 --> 00:10:05,190

the modern world of a wide range of

234

00:10:10,510 --> 00:10:08,580

nations that were ostensibly democratic

235

00:10:13,790 --> 00:10:10,520

you know prior to World War one

236

00:10:16,210 --> 00:10:13,800

democracy was very much in a minority

237

00:10:18,380 --> 00:10:16,220

type of a government there were very few

238

00:10:21,800 --> 00:10:18,390

nations in the world that were openly

239

00:10:24,260 --> 00:10:21,810

democratic after World War one very very

240

00:10:25,460 --> 00:10:24,270

different in every it seemed like every

241

00:10:26,720 --> 00:10:25,470

nation in the world was like oh yes

242

00:10:28,940 --> 00:10:26,730

we're a democracy - and we're a

243

00:10:32,540 --> 00:10:28,950

democracy and we're a democracy so with

244

00:10:35,510 --> 00:10:32,550

that attitude nations and governments

245

00:10:37,070 --> 00:10:35,520

and elites still needed to they felt the

246

00:10:38,240 --> 00:10:37,080

need to do the kind of aggression and

247

00:10:40,490 --> 00:10:38,250

all the things that need to do but they

248

00:10:42,500 --> 00:10:40,500

had a will corral the public more and

249

00:10:45,050 --> 00:10:42,510

more so the public increasingly felt

250

00:10:47,660 --> 00:10:45,060

that they were part of the process of

251

00:10:50,540 --> 00:10:47,670

making decisions and so as a result it

252

00:10:52,610 --> 00:10:50,550

became necessary to fool the public more

253

00:10:55,460 --> 00:10:52,620

and more like I say to people if you're

254

00:10:57,770 --> 00:10:55,470

in North Korea today Kim jong-un doesn't

255

00:11:00,050 --> 00:10:57,780

need to false-flag you like he'll do

256

00:11:02,240 --> 00:11:00,060

what he wants to do and that's all there

257

00:11:05,120 --> 00:11:02,250

is to it Saudi Arabia same thing like

258

00:11:07,280 --> 00:11:05,130

false flags are not really necessary in

259

00:11:09,290 --> 00:11:07,290

a completely openly authoritarian

260

00:11:11,480 --> 00:11:09,300

government but in a government where the

261

00:11:14,090 --> 00:11:11,490

people at least have a pretense

262

00:11:16,790 --> 00:11:14,100

of ruling it's more and more important

263

00:11:18,619 --> 00:11:16,800

for elites to be able to fake out to do

264

00:11:20,509 --> 00:11:18,629

a head-fake on the people and false

265

00:11:22,100 --> 00:11:20,519

flags one of those ways to do it along

266

00:11:24,410 --> 00:11:22,110

with the growth of major media is the

267

00:11:28,100 --> 00:11:24,420

last piece of the puzzle really less big

268

00:11:31,609 --> 00:11:28,110

piece where governments now have the

269

00:11:33,679 --> 00:11:31,619

ability if they dominate major media to

270

00:11:35,540 --> 00:11:33,689

get their messaging out there and then

271

00:11:37,850 --> 00:11:35,550

of course the development of good covert

272

00:11:39,439 --> 00:11:37,860

ops teams which also comes really out of

273

00:11:42,290 --> 00:11:39,449

world war one and then world war two so

274

00:11:45,739 --> 00:11:42,300

it's truly the 20th century you get the

275

00:11:47,749 --> 00:11:45,749

real need and ability for false flags to

276

00:11:50,090 --> 00:11:47,759

be perpetrated on the public in a

277

00:11:52,639 --> 00:11:50,100

significant way and it's really in the

278

00:11:55,939 --> 00:11:52,649

1930s honestly where you start seeing

279

00:11:58,069 --> 00:11:55,949

real false flags like Germany Japan the

280

00:11:59,960 --> 00:11:58,079

Soviet Union all during that era did

281

00:12:01,609 --> 00:11:59,970

false flags like a ragtag fire which

282

00:12:04,040 --> 00:12:01,619

many people have heard of that was

283

00:12:07,309 --> 00:12:04,050

Germany's 9/11 that was with near

284

00:12:09,169 --> 00:12:07,319

certainty we can say the the Nazis

285

00:12:11,780 --> 00:12:09,179

planned and orchestrated this even today

286

00:12:13,910 --> 00:12:11,790

80 plus years later historians argue

287

00:12:15,829 --> 00:12:13,920

about the Reichstag but generally

288

00:12:17,900 --> 00:12:15,839

speaking I think there's a reasonable

289

00:12:20,419 --> 00:12:17,910

consensus that Hermann Goering and other

290

00:12:22,939 --> 00:12:20,429

Nazis planned and did this as a way to

291

00:12:25,400 --> 00:12:22,949

blame it on Communists and as a way to

292

00:12:27,739 --> 00:12:25,410

give Hitler extreme powers which really

293

00:12:29,119 --> 00:12:27,749

led to his dictatorship prior to that he

294

00:12:32,119 --> 00:12:29,129

was just a chancellor just a prime

295

00:12:34,400 --> 00:12:32,129

minister basically so yet in the 1930s

296

00:12:36,739 --> 00:12:34,410

and then after World War two it's it's

297

00:12:39,230 --> 00:12:36,749

America's game and I I do want to ask

298

00:12:41,569 --> 00:12:39,240

you this rich just for a moment here

299

00:12:44,239 --> 00:12:41,579

this is a very hot button issue as of

300

00:12:46,069 --> 00:12:44,249

late is this idea of these mass

301  
00:12:48,169 --> 00:12:46,079  
shootings that have gone on in the

302  
00:12:50,720 --> 00:12:48,179  
United States is this anything you've

303  
00:12:52,309 --> 00:12:50,730  
looked at in terms of the false flag not

304  
00:12:54,650 --> 00:12:52,319  
phenomenon but the whole the whole

305  
00:12:56,840 --> 00:12:54,660  
theory of this does this play any role

306  
00:12:59,419 --> 00:12:56,850  
in that or do you do you find this

307  
00:13:00,769 --> 00:12:59,429  
politically motivated in some way what

308  
00:13:02,239 --> 00:13:00,779  
do you think about that whole yeah it's

309  
00:13:04,519 --> 00:13:02,249  
that's a really really good question

310  
00:13:07,160 --> 00:13:04,529  
Ryan and to be honest with you shootings

311  
00:13:08,929 --> 00:13:07,170  
are are a tricky one with false flags I

312  
00:13:11,600 --> 00:13:08,939  
do believe that some of the shootings

313  
00:13:14,150 --> 00:13:11,610

the mass shootings which have been done

314

00:13:15,769 --> 00:13:14,160

are I mean false legs and not in the

315

00:13:18,350 --> 00:13:15,779

sense that they didn't happen I mean I

316

00:13:20,119 --> 00:13:18,360

think that they did happen and that the

317

00:13:22,939 --> 00:13:20,129

shooters involved may well have been

318

00:13:24,690 --> 00:13:22,949

involved but but in in the sense of some

319

00:13:25,860 --> 00:13:24,700

other things that are

320

00:13:28,740 --> 00:13:25,870

I think that there are things that are

321

00:13:31,140 --> 00:13:28,750

wrong with some of these events and and

322

00:13:33,450 --> 00:13:31,150

that it is entirely possible that some

323

00:13:35,610 --> 00:13:33,460

of the shooters who have been arrested

324

00:13:37,350 --> 00:13:35,620

and incarcerated were were innocent of

325

00:13:39,120 --> 00:13:37,360

what they did you know I do believe this

326

00:13:40,440 --> 00:13:39,130

this is Anning but a bombing I believe

327

00:13:44,250 --> 00:13:40,450

is the case of the Boston Marathon

328

00:13:47,430 --> 00:13:44,260

bombing event of 2013 I think that those

329

00:13:50,730 --> 00:13:47,440

brothers the Sarnia brothers were almost

330

00:13:51,930 --> 00:13:50,740

certainly unjustly convicted well one of

331

00:13:54,000 --> 00:13:51,940

them was murdered but the other one was

332

00:13:57,000 --> 00:13:54,010

convicted but as some of the shootings

333

00:13:58,410 --> 00:13:57,010

it's tricky and honestly you know some

334

00:13:59,790 --> 00:13:58,420

of them I think it may be impossible to

335

00:14:01,260 --> 00:13:59,800

know with certainty what you have to

336

00:14:03,810 --> 00:14:01,270

look for with with any of these events

337

00:14:06,990 --> 00:14:03,820

--is are inconsistencies in the

338

00:14:09,960 --> 00:14:07,000

narratives so where in other words you

339

00:14:11,580 --> 00:14:09,970

see a number of people will say I saw

340

00:14:13,530 --> 00:14:11,590

multiple shooters at such-and-such a

341

00:14:15,390 --> 00:14:13,540

shooting event and this did happen in a

342

00:14:17,610 --> 00:14:15,400

number of them like the aurora colorado

343

00:14:19,680 --> 00:14:17,620

shooting james holmes you had a number

344

00:14:23,280 --> 00:14:19,690

of witnesses who said they saw multiple

345

00:14:25,700 --> 00:14:23,290

shooters you can't always be do the same

346

00:14:28,920 --> 00:14:25,710

thing when people say they hear multiple

347

00:14:30,570 --> 00:14:28,930

shots because there is an echo effect i

348

00:14:32,100 --> 00:14:30,580

just had a long discussion with someone

349

00:14:33,900 --> 00:14:32,110

about the las vegas shooting you know

350

00:14:37,110 --> 00:14:33,910

which was just recent which involves

351  
00:14:40,890 --> 00:14:37,120  
stephen paddock and there are definitely

352  
00:14:43,320 --> 00:14:40,900  
oddities about the las vegas shooting

353  
00:14:44,810 --> 00:14:43,330  
and i personally want to look more

354  
00:14:46,830 --> 00:14:44,820  
deeply into them i think that there's

355  
00:14:48,900 --> 00:14:46,840  
very definitely something wrong about

356  
00:14:51,510 --> 00:14:48,910  
that but some of the things that people

357  
00:14:53,340 --> 00:14:51,520  
talk about i just i try to be careful of

358  
00:14:55,650 --> 00:14:53,350  
what you do find with a lot of these is

359  
00:14:58,070 --> 00:14:55,660  
with shootings or any of the other small

360  
00:15:00,420 --> 00:14:58,080  
flags --is if you find that the patsy is

361  
00:15:02,430 --> 00:15:00,430  
typically killed off quickly or the the

362  
00:15:04,410 --> 00:15:02,440  
suspect i should say is typically killed

363  
00:15:06,180 --> 00:15:04,420

off quickly you really have to wonder

364

00:15:08,070 --> 00:15:06,190

and then when even if they're alive

365

00:15:09,890 --> 00:15:08,080

they're convicted in a secret kangaroo

366

00:15:13,290 --> 00:15:09,900

court which basically happens that

367

00:15:15,870 --> 00:15:13,300

Dzhokhar tsarnaev's Sonia brother in

368

00:15:17,640 --> 00:15:15,880

Boston but with the shootings you know

369

00:15:20,040 --> 00:15:17,650

people ask me about Sandy Hook like all

370

00:15:22,800 --> 00:15:20,050

the time Sandy Hook is one of those

371

00:15:26,600 --> 00:15:22,810

shootings that is dreadful to look into

372

00:15:28,740 --> 00:15:26,610

because it just seems like an utterly

373

00:15:30,360 --> 00:15:28,750

unsatisfying investigative experience

374

00:15:32,070 --> 00:15:30,370

people have tried looking into Sandy

375

00:15:34,560 --> 00:15:32,080

Hook and have had very little success

376

00:15:35,820 --> 00:15:34,570

and that's that's the reality now that

377

00:15:37,920 --> 00:15:35,830

doesn't mean that a shooting didn't

378

00:15:38,730 --> 00:15:37,930

happen it doesn't mean that we haven't

379

00:15:40,530 --> 00:15:38,740

even heard that

380

00:15:42,570 --> 00:15:40,540

we may very well have heard the truth

381

00:15:44,610 --> 00:15:42,580

about Sandy Hook from the official

382

00:15:46,260 --> 00:15:44,620

establishment maybe it's true but the

383

00:15:47,880 --> 00:15:46,270

truth is that there have been

384

00:15:50,250 --> 00:15:47,890

investigators have tried to look into

385

00:15:53,610 --> 00:15:50,260

that and they have not been able to get

386

00:15:55,620 --> 00:15:53,620

very far and with a lot of these modern

387

00:15:58,380 --> 00:15:55,630

shootings that seems to be the case like

388

00:16:01,380 --> 00:15:58,390

the door just closed shut and I do

389

00:16:02,880 --> 00:16:01,390

wonder with a lot of them you do see

390

00:16:06,540 --> 00:16:02,890

whether they're false flags or not you

391

00:16:08,010 --> 00:16:06,550

see a highly politicized result coming

392

00:16:11,010 --> 00:16:08,020

out of them for example with Sandy Hook

393

00:16:13,199 --> 00:16:11,020

not simply gun control calls for that

394

00:16:15,000 --> 00:16:13,209

but even more significantly calls for

395

00:16:17,100 --> 00:16:15,010

psychological profiling the mentally ill

396

00:16:18,690 --> 00:16:17,110

was a big issue out of Sandy Hook out of

397

00:16:20,730 --> 00:16:18,700

the recent Florida shooting in the

398

00:16:23,340 --> 00:16:20,740

school shooting a horrible thing you now

399

00:16:25,350 --> 00:16:23,350

get a movement to basically turn our

400

00:16:28,230 --> 00:16:25,360

schools into open air prisons or closed

401  
00:16:30,900 --> 00:16:28,240  
prisons with to make students feel safe

402  
00:16:32,610 --> 00:16:30,910  
metal detectors and you know random

403  
00:16:34,260 --> 00:16:32,620  
Locker searches and all of that in fact

404  
00:16:36,329 --> 00:16:34,270  
you find a lot of the students in the

405  
00:16:38,340 --> 00:16:36,339  
front row calling to be safe and I'm

406  
00:16:39,480 --> 00:16:38,350  
like okay great if you want to be safe

407  
00:16:41,910 --> 00:16:39,490  
that's what's gonna happen you're gonna

408  
00:16:44,160 --> 00:16:41,920  
have metal detectors and random Locker

409  
00:16:45,960 --> 00:16:44,170  
searches for the rest of all time so get

410  
00:16:48,120 --> 00:16:45,970  
used to it yeah so there there's

411  
00:16:49,740 --> 00:16:48,130  
definitely political actions that come

412  
00:16:51,810 --> 00:16:49,750  
out of these but whether the shootings

413  
00:16:53,940 --> 00:16:51,820

are all false flags I it's a real tough

414

00:16:55,740 --> 00:16:53,950

one what I would like to emphasize is

415

00:16:58,290 --> 00:16:55,750

that that's not really where the true

416

00:17:00,350 --> 00:16:58,300

action is in my view with false legs

417

00:17:03,120 --> 00:17:00,360

today I think the rail action is

418

00:17:05,850 --> 00:17:03,130

typically United States organized

419

00:17:09,210 --> 00:17:05,860

activities in nations abroad for example

420

00:17:11,100 --> 00:17:09,220

Syria has been subjected to many many

421

00:17:12,990 --> 00:17:11,110

false flags by the United States over

422

00:17:15,299 --> 00:17:13,000

the last few years I could talk a great

423

00:17:17,240 --> 00:17:15,309

length about some of that there was one

424

00:17:19,939 --> 00:17:17,250

just quite recently and I'm very very

425

00:17:22,199 --> 00:17:19,949

strongly of the opinion that the last

426

00:17:24,360 --> 00:17:22,209

chemical weapons attack attributed to

427

00:17:26,819 --> 00:17:24,370

the Bashar al-Assad government just a

428

00:17:28,470 --> 00:17:26,829

month and a half ago was a false flag

429

00:17:31,500 --> 00:17:28,480

against them we believe it was false

430

00:17:36,100 --> 00:17:31,510

flag for one reason and simple reason if

431

00:17:39,580 --> 00:17:36,110

there was gas leakage or attack

432

00:17:42,940 --> 00:17:39,590

and you're talking about 60 dead in that

433

00:17:44,830 --> 00:17:42,950

city how could the city continue this

434

00:17:48,279 --> 00:17:44,840

life normally they didn't evacuate the

435

00:17:51,029 --> 00:17:48,289

city no one left the city life continued

436

00:17:55,899 --> 00:17:51,039

as normal and this is mass destruction

437

00:17:57,730 --> 00:17:55,909

the other day they attacked Arash Wyatt

438

00:17:59,440 --> 00:17:57,740

where they said there was the gas

439

00:18:01,870 --> 00:17:59,450

Deportes and they attacked all the

440

00:18:04,779 --> 00:18:01,880

reports and there was no gas coming out

441

00:18:07,870 --> 00:18:04,789

of that Airport no one of our army

442

00:18:11,980 --> 00:18:07,880

officers or staff military stuff was

443

00:18:16,480 --> 00:18:11,990

affected by any gas so for us there was

444

00:18:20,470 --> 00:18:16,490

no gas attack and no gas support it was

445

00:18:23,200 --> 00:18:20,480

false flag play just to justify their

446

00:18:25,180 --> 00:18:23,210

attack on the share that base this was

447

00:18:27,220 --> 00:18:25,190

one day before that government was going

448

00:18:29,680 --> 00:18:27,230

to excuse me one day before there was a

449

00:18:32,070 --> 00:18:29,690

chemical weapons inspection scheduled to

450

00:18:34,659 --> 00:18:32,080

take place and then BOOM a day before

451  
00:18:36,700 --> 00:18:34,669  
there's a chemical weapons attack anyone

452  
00:18:39,519 --> 00:18:36,710  
who's looked into this has seen that

453  
00:18:41,680 --> 00:18:39,529  
there is actually nothing linking the

454  
00:18:43,299 --> 00:18:41,690  
Assad government to that and in previous

455  
00:18:45,580 --> 00:18:43,309  
chemical weapons attacks you see that

456  
00:18:46,930 --> 00:18:45,590  
it's it's the jihadists that were

457  
00:18:48,610 --> 00:18:46,940  
organized and trained and funded by the

458  
00:18:50,769 --> 00:18:48,620  
United States that are predominantly

459  
00:18:53,470 --> 00:18:50,779  
behind these false these chemical

460  
00:18:57,250 --> 00:18:53,480  
weapons attacks yeah it always seems to

461  
00:18:58,930 --> 00:18:57,260  
circle back to us somehow in the world

462  
00:19:01,779 --> 00:18:58,940  
of false Flags the United States is the

463  
00:19:04,509 --> 00:19:01,789

Olympic champion every year a gold medal

464

00:19:07,810 --> 00:19:04,519

we don't want yeah one thing I would

465

00:19:11,139 --> 00:19:07,820

mention in terms of regime changing

466

00:19:13,440 --> 00:19:11,149

false Flags the United States is really

467

00:19:15,879 --> 00:19:13,450

the expert at influencing elections

468

00:19:18,310 --> 00:19:15,889

rigging elections and switching out

469

00:19:20,379 --> 00:19:18,320

governments it never ceases to amaze me

470

00:19:23,049 --> 00:19:20,389

when I hear about people talking about

471

00:19:24,490 --> 00:19:23,059

how Russia supposedly influenced our

472

00:19:26,680 --> 00:19:24,500

last election I'm like are you kidding

473

00:19:28,750 --> 00:19:26,690

me that's our job that's what the US

474

00:19:29,620 --> 00:19:28,760

does is rigged elections Russians you

475

00:19:31,840 --> 00:19:29,630

got to be kidding me

476

00:19:34,120 --> 00:19:31,850

the United States went through a very

477

00:19:36,820 --> 00:19:34,130

very sophisticated transformation in the

478

00:19:39,070 --> 00:19:36,830

1980s and 90s by which they switched out

479

00:19:41,560 --> 00:19:39,080

the responsibility for doing false flag

480

00:19:43,539 --> 00:19:41,570

regime changes from the CIA which

481

00:19:45,669 --> 00:19:43,549

previously years before just did one

482

00:19:47,830 --> 00:19:45,679

coup organized the military of one

483

00:19:48,970 --> 00:19:47,840

nation military of another nation to do

484

00:19:49,270 --> 00:19:48,980

a coup against the government whether

485

00:19:53,080 --> 00:19:49,280

it's

486

00:19:56,260 --> 00:19:53,090

Brazil or or Laos like a million times

487

00:19:58,900 --> 00:19:56,270

or Greece or Cambodia or Bolivia or

488

00:20:00,790 --> 00:19:58,910

Chile famously the end a government

489

00:20:03,370 --> 00:20:00,800

switched out for the the torturous

490

00:20:05,200 --> 00:20:03,380

Pinochet government in Chile I mean this

491

00:20:08,020 --> 00:20:05,210

has gone on this is all part of the US

492

00:20:10,540 --> 00:20:08,030

history but by the mid and late 70s

493

00:20:12,640 --> 00:20:10,550

there was a backlash against that it was

494

00:20:14,080 --> 00:20:12,650

after Watergate after Vietnam and people

495

00:20:16,300 --> 00:20:14,090

are like you know maybe we shouldn't be

496

00:20:19,090 --> 00:20:16,310

using the CIA to throw out governments

497

00:20:21,790 --> 00:20:19,100

that often are elected by their people

498

00:20:24,130 --> 00:20:21,800

and putting in military dictatorships so

499

00:20:26,740 --> 00:20:24,140

what the u.s. did is in 1983 this is in

500

00:20:28,150 --> 00:20:26,750

the Reagan years created something known

501  
00:20:31,420 --> 00:20:28,160  
as the National Endowment for democracy

502  
00:20:33,880 --> 00:20:31,430  
the anyd it's an NGOs a non-governmental

503  
00:20:35,890 --> 00:20:33,890  
organization which just happens to get

504  
00:20:38,920 --> 00:20:35,900  
all of its money from the US government

505  
00:20:41,470 --> 00:20:38,930  
to function a lot of CIA money State

506  
00:20:45,190 --> 00:20:41,480  
Department but what the NAD does is it

507  
00:20:47,350 --> 00:20:45,200  
funds international NGOs like Freedom

508  
00:20:49,450 --> 00:20:47,360  
House oh my goodness

509  
00:20:51,360 --> 00:20:49,460  
the National Democratic Institute for

510  
00:20:53,500 --> 00:20:51,370  
International Affairs and NDI the

511  
00:20:54,790 --> 00:20:53,510  
International Republican Institute and

512  
00:20:57,280 --> 00:20:54,800  
all these others they're international

513  
00:20:59,560 --> 00:20:57,290

NGOs and or call dingoes and what they

514

00:21:03,100 --> 00:20:59,570

do is they will funnel money to the

515

00:21:06,070 --> 00:21:03,110

local NGOs of target nations to create

516

00:21:08,470 --> 00:21:06,080

revolutionary movements so so like when

517

00:21:11,160 --> 00:21:08,480

you like the so called color revolutions

518

00:21:13,930 --> 00:21:11,170

of the early 2000 in Eastern Europe or

519

00:21:17,710 --> 00:21:13,940

the Arab Spring of 2011 is a perfect

520

00:21:19,600 --> 00:21:17,720

example where you have US money through

521

00:21:20,980 --> 00:21:19,610

the CIA and through State Department

522

00:21:23,970 --> 00:21:20,990

funneling through these various

523

00:21:28,660 --> 00:21:23,980

organizations to start up public

524

00:21:31,300 --> 00:21:28,670

revolution organized at all times by us

525

00:21:33,550 --> 00:21:31,310

hand-picked leaders of those local

526

00:21:35,410 --> 00:21:33,560

revolutions and all those revolutions of

527

00:21:37,870 --> 00:21:35,420

course end up being Pro Western

528

00:21:40,420 --> 00:21:37,880

corporate pro-western finance Pro us

529

00:21:42,250 --> 00:21:40,430

like every last one of them so that's

530

00:21:43,710 --> 00:21:42,260

how the the CIA doesn't now it's through

531

00:21:48,700 --> 00:21:43,720

the National Endowment for democracy

532

00:21:50,680 --> 00:21:48,710

it's a whole NGO structure that's that's

533

00:21:53,530 --> 00:21:50,690

very very effective because it really

534

00:21:56,140 --> 00:21:53,540

keeps the u.s. fingerprints much farther

535

00:21:57,460 --> 00:21:56,150

removed from the from the scene of the

536

00:22:00,220 --> 00:21:57,470

crime and you know there are a lot of

537

00:22:01,750 --> 00:22:00,230

analysts who are right on this and they

538

00:22:03,140 --> 00:22:01,760

know exactly how the whole thing works

539

00:22:04,940 --> 00:22:03,150

through these NGOs but

540

00:22:06,890 --> 00:22:04,950

it's really an amazing thing just in a

541

00:22:09,860 --> 00:22:06,900

few steps you can you know start with a

542

00:22:11,930 --> 00:22:09,870

few million dollars you can overthrow

543

00:22:13,940 --> 00:22:11,940

your own government now to fund your

544

00:22:15,410 --> 00:22:13,950

core leaders you they hire the key

545

00:22:17,690 --> 00:22:15,420

workers and trainers they create the

546

00:22:19,750 --> 00:22:17,700

social media and news infrastructure on

547

00:22:22,549 --> 00:22:19,760

YouTube Facebook all the web pages

548

00:22:24,730 --> 00:22:22,559

Twitter they create a physical and

549

00:22:28,700 --> 00:22:24,740

infrastructure like shanty towns and

550

00:22:30,470 --> 00:22:28,710

band stands and banners and signage then

551  
00:22:33,710 --> 00:22:30,480  
the one thing they have to do is create

552  
00:22:35,840 --> 00:22:33,720  
an event that sparks the movement that

553  
00:22:37,970 --> 00:22:35,850  
could be an election that you decide is

554  
00:22:40,070 --> 00:22:37,980  
your gonna say is fraudulent even before

555  
00:22:43,370 --> 00:22:40,080  
it's happened or it can be someone who's

556  
00:22:46,850 --> 00:22:43,380  
in prison or it could be or it could be

557  
00:22:49,280 --> 00:22:46,860  
a violent protest that that generates a

558  
00:22:51,020 --> 00:22:49,290  
police response and you've got social

559  
00:22:53,870 --> 00:22:51,030  
media ready to record it you put it on

560  
00:22:55,700 --> 00:22:53,880  
your your Facebook and that's the event

561  
00:22:56,930 --> 00:22:55,710  
or you know whatever it could be a lot

562  
00:22:58,490 --> 00:22:56,940  
of things you want to give the

563  
00:23:00,590 --> 00:22:58,500

appearance of an actual movement that

564

00:23:02,330 --> 00:23:00,600

generates interest by the public then

565

00:23:03,770 --> 00:23:02,340

you get the local politicians to support

566

00:23:06,260 --> 00:23:03,780

and then you get the US to support it

567

00:23:08,150 --> 00:23:06,270

you get the US to support you you're on

568

00:23:10,160 --> 00:23:08,160

your way to running your own little

569

00:23:12,830 --> 00:23:10,170

country the thing is like when people

570

00:23:15,320 --> 00:23:12,840

see this stuff in the news they're like

571

00:23:18,530 --> 00:23:15,330

oh well good for the people they're

572

00:23:20,120 --> 00:23:18,540

they're protesting against the evil

573

00:23:22,220 --> 00:23:20,130

government but you got to understand

574

00:23:24,500 --> 00:23:22,230

like this happens time and again now in

575

00:23:27,110 --> 00:23:24,510

the last 20 years it's happened so many

576

00:23:29,299 --> 00:23:27,120

times and it's not that people don't

577

00:23:32,419 --> 00:23:29,309

have a right to have a better life of

578

00:23:36,080 --> 00:23:32,429

course they do but we really are we

579

00:23:38,810 --> 00:23:36,090

would be wise to investigate just who is

580

00:23:40,910 --> 00:23:38,820

paying for these revolutions and for

581

00:23:43,700 --> 00:23:40,920

these rebellions and frequently when you

582

00:23:46,190 --> 00:23:43,710

really trace the the finances it goes

583

00:23:48,440 --> 00:23:46,200

right back to Washington DC follow the

584

00:23:51,680 --> 00:23:48,450

money the rabbit-hole aspect of your

585

00:23:54,860 --> 00:23:51,690

title is all right they're moving to

586

00:23:56,360 --> 00:23:54,870

your second talk rich this was oh I can

587

00:23:59,000 --> 00:23:56,370

only imagine this was a little

588

00:24:00,770 --> 00:23:59,010

controversial I contacted the dealer we

589

00:24:03,590 --> 00:24:00,780

have all these connotations that this is

590

00:24:06,320 --> 00:24:03,600

a big you know outside event with a lot

591

00:24:09,169 --> 00:24:06,330

of new-age aspects to it and your talk

592

00:24:11,810 --> 00:24:09,179

was called the New Age SIOP how it has

593

00:24:14,210 --> 00:24:11,820

derailed the study of UFOs how did this

594

00:24:16,640 --> 00:24:14,220

one go over did you get out did you get

595

00:24:18,900 --> 00:24:16,650

lynched for this one I have to thank you

596

00:24:20,490 --> 00:24:18,910

this is something of an in-your-face

597

00:24:22,110 --> 00:24:20,500

kind of a lecture and that kind of a

598

00:24:24,750 --> 00:24:22,120

conference and here's the thing like

599

00:24:27,450 --> 00:24:24,760

I've contacted the desert has been going

600

00:24:29,700 --> 00:24:27,460

for I believe six years and someone just

601  
00:24:31,919 --> 00:24:29,710  
said to me that I was invited every

602  
00:24:34,799 --> 00:24:31,929  
single year and like that wow that's I

603  
00:24:36,480 --> 00:24:34,809  
have gone many times I enjoy contact in

604  
00:24:38,850 --> 00:24:36,490  
the desert it's a fun experience for me

605  
00:24:41,549 --> 00:24:38,860  
it always has been good people it is

606  
00:24:43,440 --> 00:24:41,559  
very new aging it's not as new agey as

607  
00:24:45,290 --> 00:24:43,450  
some of the new life Expos in New York

608  
00:24:49,080 --> 00:24:45,300  
or LA but it's it's still definitely

609  
00:24:50,370 --> 00:24:49,090  
right out there and as such I have often

610  
00:24:51,419 --> 00:24:50,380  
felt a little bit like a fish out of

611  
00:24:53,580 --> 00:24:51,429  
water that's the truth

612  
00:24:55,440 --> 00:24:53,590  
and I'll always agree to go it's always

613  
00:24:57,240 --> 00:24:55,450

a nice time but there's a very very

614

00:25:01,410 --> 00:24:57,250

strong element of New Age philosophy

615

00:25:05,250 --> 00:25:01,420

that is is there and it's not that I'm

616

00:25:06,840 --> 00:25:05,260

against all forms of strange ways of

617

00:25:09,060 --> 00:25:06,850

getting information my goodness

618

00:25:10,910 --> 00:25:09,070

my wife Tracy is a very very excellent

619

00:25:13,740 --> 00:25:10,920

remote viewer and she's been

620

00:25:15,510 --> 00:25:13,750

professionally trained by a man who

621

00:25:18,060 --> 00:25:15,520

actually has taught for many years at

622

00:25:20,040 --> 00:25:18,070

the Monroe Institute he's very good and

623

00:25:21,480 --> 00:25:20,050

she's excellent that's real and my and

624

00:25:24,080 --> 00:25:21,490

I've studied remote viewing long before

625

00:25:26,700 --> 00:25:24,090

I knew Tracy I've been I never need any

626

00:25:27,900 --> 00:25:26,710

convincing on that and there's a lot of

627

00:25:29,580 --> 00:25:27,910

other strange things about our world

628

00:25:31,799 --> 00:25:29,590

I've studied UFOs long enough to know

629

00:25:34,410 --> 00:25:31,809

that things like consciousness actually

630

00:25:38,480 --> 00:25:34,420

are important in this there is some kind

631

00:25:41,340 --> 00:25:38,490

of mind to mind connection that many

632

00:25:44,190 --> 00:25:41,350

experiencers have with with this UFO

633

00:25:46,140 --> 00:25:44,200

phenomenon that's all real and and what

634

00:25:48,540 --> 00:25:46,150

it means is that there's a very big part

635

00:25:51,240 --> 00:25:48,550

of our reality that's not being

636

00:25:54,600 --> 00:25:51,250

explained by contemporary physics in my

637

00:25:56,490 --> 00:25:54,610

view for these things to be true for a

638

00:25:57,660 --> 00:25:56,500

remote viewer for instance to be able to

639

00:26:00,510 --> 00:25:57,670

see something on the other side of the

640

00:26:02,520 --> 00:26:00,520

world or in another time tells me that

641

00:26:04,799 --> 00:26:02,530

space and time are a little bit

642

00:26:07,020 --> 00:26:04,809

different than how we typically

643

00:26:08,460 --> 00:26:07,030

understand it and that's a hole in our

644

00:26:11,040 --> 00:26:08,470

understanding that can leave the door

645

00:26:13,140 --> 00:26:11,050

open for what we might call paranormal

646

00:26:15,660 --> 00:26:13,150

or New Age philosophy or consciousness

647

00:26:18,030 --> 00:26:15,670

so I'm not here I'm not like Michael

648

00:26:20,640 --> 00:26:18,040

Shermer I'm not I'm not sam Harris I'm

649

00:26:21,990 --> 00:26:20,650

not trying to debunk all of this I come

650

00:26:23,430 --> 00:26:22,000

from a perspective where I know there's

651

00:26:26,850 --> 00:26:23,440

a lot of strange things having said that

652

00:26:30,080 --> 00:26:26,860

I I gave a lecture here that looks at

653

00:26:33,680 --> 00:26:30,090

New Age philosophy in in ufology

654

00:26:35,299 --> 00:26:33,690

as a PSYOP whether it is or isn't as

655

00:26:37,399 --> 00:26:35,309

another issue but one thing I would

656

00:26:39,610 --> 00:26:37,409

point out to people is when you look at

657

00:26:42,680 --> 00:26:39,620

the the birth of the hippie generation

658

00:26:45,470 --> 00:26:42,690

that has been argued very effectively to

659

00:26:47,930 --> 00:26:45,480

be a psychological operation by the Navy

660

00:26:49,310 --> 00:26:47,940

intelligence and CIA and the good work

661

00:26:51,620 --> 00:26:49,320

on that's been done by the late Dave

662

00:26:54,470 --> 00:26:51,630

McGowan and I would encourage anyone to

663

00:26:56,630 --> 00:26:54,480

go read his analysis of the 1960s and

664

00:26:58,760 --> 00:26:56,640

the hippies called the strange but

665

00:27:01,279 --> 00:26:58,770

mostly true story of Laurel Canyon and

666

00:27:01,820 --> 00:27:01,289

the birth of the hippie generation long

667

00:27:03,860 --> 00:27:01,830

title

668

00:27:06,100 --> 00:27:03,870

it's on the web anyone can read it it's

669

00:27:09,769 --> 00:27:06,110

outstanding and what McGowan does is he

670

00:27:11,750 --> 00:27:09,779

paints a picture of this sleepy little

671

00:27:14,480 --> 00:27:11,760

town Laurel Canyon outside of La in the

672

00:27:16,010 --> 00:27:14,490

mid sixties it at one point around then

673

00:27:18,139 --> 00:27:16,020

didn't even have its own zip code and

674

00:27:19,820 --> 00:27:18,149

suddenly every major future rock star

675

00:27:22,460 --> 00:27:19,830

seemed to descend on the area

676

00:27:25,850 --> 00:27:22,470

Jim Morrison Frank Zappa a young rock

677

00:27:27,340 --> 00:27:25,860

star wannabe named Charlie Manson John

678

00:27:30,710 --> 00:27:27,350

Phillips of the Mamas and the Papas

679

00:27:32,810 --> 00:27:30,720

David Crosby Stephen Stills and people

680

00:27:35,060 --> 00:27:32,820

with talent people without talent Jim

681

00:27:38,600 --> 00:27:35,070

Morrison if I didn't mention him and

682

00:27:41,570 --> 00:27:38,610

what he finds is that a large number of

683

00:27:43,760 --> 00:27:41,580

these people come from families of the

684

00:27:45,860 --> 00:27:43,770

US military intelligence Navy

685

00:27:49,610 --> 00:27:45,870

intelligence particularly or CIA

686

00:27:51,740 --> 00:27:49,620

connections like a large number so that

687

00:27:52,190 --> 00:27:51,750

made him McGavin go hmmm what's this all

688

00:27:54,649 --> 00:27:52,200

about

689

00:27:56,899 --> 00:27:54,659

what does this mean anything he went

690

00:28:00,889 --> 00:27:56,909

further he found that Laurel Canyon for

691

00:28:03,440 --> 00:28:00,899

20 years prior had had a u.s. classified

692

00:28:05,659 --> 00:28:03,450

Navy propaganda film studio there so the

693

00:28:08,899 --> 00:28:05,669

US Navy had a presence in Laurel Canyon

694

00:28:11,810 --> 00:28:08,909

since the 1940s he found that Laurel

695

00:28:14,990 --> 00:28:11,820

Canyon was right where LSD began to

696

00:28:16,340 --> 00:28:15,000

spring out of American culture to the

697

00:28:18,529 --> 00:28:16,350

nation at large

698

00:28:21,200 --> 00:28:18,539

yes LSD had been around before them but

699

00:28:24,529 --> 00:28:21,210

it was in Laurel Canyon in 1965 that it

700

00:28:26,389 --> 00:28:24,539

starts to explode 1965 was when you get

701

00:28:28,789 --> 00:28:26,399

the first real hippies with the long

702

00:28:30,470 --> 00:28:28,799

hair and the crazy clothing with the

703

00:28:32,990 --> 00:28:30,480

emphasis on sex and drugs and rock and

704

00:28:35,149 --> 00:28:33,000

roll a strong occult emphasis out of

705

00:28:37,180 --> 00:28:35,159

Laurel Canyon a lot of a lot of young

706

00:28:41,720 --> 00:28:37,190

Psychopaths like Manson go there and

707

00:28:43,250 --> 00:28:41,730

what McGowan starts to argue is that

708

00:28:43,880 --> 00:28:43,260

this really looks like it was an

709

00:28:46,100 --> 00:28:43,890

operation

710

00:28:49,010 --> 00:28:46,110

and by the US intelligence community to

711

00:28:51,830 --> 00:28:49,020

derail the then viable peace movement

712

00:28:54,890 --> 00:28:51,840

that was spreading across the u.s. not

713

00:28:56,780 --> 00:28:54,900

by hippies but by young people as you

714

00:28:59,690 --> 00:28:56,790

know when the pocket protectors and

715

00:29:01,670 --> 00:28:59,700

their plaid pants and holding hands and

716

00:29:03,260 --> 00:29:01,680

marching for civil rights or against the

717

00:29:06,010 --> 00:29:03,270

war and they were very you know

718

00:29:09,740 --> 00:29:06,020

principled young people and that became

719

00:29:11,900 --> 00:29:09,750

the Woodstock experience of free love

720

00:29:14,420 --> 00:29:11,910

and getting high and doing LSD and

721

00:29:16,580 --> 00:29:14,430

really getting out of political activism

722

00:29:18,920 --> 00:29:16,590

and I think McGowan made a very strong

723

00:29:21,260 --> 00:29:18,930

argument that the hippie culture was a

724

00:29:24,290 --> 00:29:21,270

was an operation now that's not proof

725

00:29:27,040 --> 00:29:24,300

but what I would say is that the CIA has

726

00:29:30,380 --> 00:29:27,050

a long history of cultural manipulation

727

00:29:32,600 --> 00:29:30,390

of media manipulation and mind control

728

00:29:36,470 --> 00:29:32,610

through MKULTRA and follow-up programs

729

00:29:38,000 --> 00:29:36,480

of infiltration of UFO organizations all

730

00:29:40,760 --> 00:29:38,010

of this is documented going back to the

731

00:29:43,130 --> 00:29:40,770

1950s then you've got the FBI example of

732

00:29:45,830 --> 00:29:43,140

COINTELPRO where the FBI explicitly

733

00:29:48,440 --> 00:29:45,840

infiltrated active u.s. groups for

734

00:29:49,790 --> 00:29:48,450

social change and and undermine them and

735

00:29:52,010 --> 00:29:49,800

destroyed them like the Black Panthers

736

00:29:53,900 --> 00:29:52,020

or students for a Democratic Society so

737

00:29:56,200 --> 00:29:53,910

there's this example in American history

738

00:30:01,190 --> 00:29:56,210

of the u.s. intelligence

739

00:30:03,500 --> 00:30:01,200

actively working to control our culture

740

00:30:05,690 --> 00:30:03,510

and it's not very well known but it's

741

00:30:08,660 --> 00:30:05,700

true that the CIA promoted Abstract

742

00:30:10,070 --> 00:30:08,670

Expressionism in art by funding it like

743

00:30:12,080 --> 00:30:10,080

people like Jackson Pollock and the like

744

00:30:14,450 --> 00:30:12,090

through the Congress for cultural

745

00:30:15,710 --> 00:30:14,460

freedom in the 1950s and 60s and you

746

00:30:18,290 --> 00:30:15,720

might think well that's cool you might

747

00:30:22,160 --> 00:30:18,300

think that's weird it's probably both

748

00:30:24,080 --> 00:30:22,170

the CIA funded you know the craziest of

749

00:30:27,440 --> 00:30:24,090

the crazy Abstract Expressionists art as

750

00:30:30,140 --> 00:30:27,450

a tool in the cultural Cold War and and

751

00:30:32,660 --> 00:30:30,150

all that means is that there's a long

752

00:30:35,240 --> 00:30:32,670

history actually of the CIA involved and

753

00:30:37,760 --> 00:30:35,250

engage in u.s. culture and then there's

754

00:30:40,610 --> 00:30:37,770

the CIA's connection to the New Age is

755

00:30:42,770 --> 00:30:40,620

their answer yes there's a book called

756

00:30:45,590 --> 00:30:42,780

the Course in Miracles which was one of

757

00:30:47,810 --> 00:30:45,600

the early sort of new-age statements in

758

00:30:49,610 --> 00:30:47,820

American culture well they the man who

759

00:30:51,970 --> 00:30:49,620

is the the boss of the woman who

760

00:30:56,690 --> 00:30:51,980

channeled Jesus which is what that was

761

00:30:57,680 --> 00:30:56,700

he was a longtime MKULTRA and mind

762

00:30:59,750 --> 00:30:57,690

control

763

00:31:03,080 --> 00:30:59,760

scientists with the CIA his name was

764

00:31:04,670 --> 00:31:03,090

William Thetford or bill thetford and he

765

00:31:07,370 --> 00:31:04,680

might have been a nice guy but he worked

766

00:31:09,590 --> 00:31:07,380

with MKULTRA for years years and years

767

00:31:11,360 --> 00:31:09,600

it just so happens does it mean

768

00:31:15,620 --> 00:31:11,370

something well it might

769

00:31:17,270 --> 00:31:15,630

I looked into early odd connections with

770

00:31:20,780 --> 00:31:17,280

intelligence with the Esalen Institute

771

00:31:22,460 --> 00:31:20,790

which is in California or its

772

00:31:25,790 --> 00:31:22,470

connections to the famous Tavistock

773

00:31:27,020 --> 00:31:25,800

Institute which is as in London and was

774

00:31:29,180 --> 00:31:27,030

a collaboration of British military

775

00:31:33,170 --> 00:31:29,190

intelligence and the psychiatric

776

00:31:36,050 --> 00:31:33,180

community and and the whole CIA possible

777

00:31:39,050 --> 00:31:36,060

connection of creation of cults there's

778

00:31:41,180 --> 00:31:39,060

a long study of CIA connection to the

779

00:31:43,340 --> 00:31:41,190

Jim Jones cult known as the People's

780

00:31:45,080 --> 00:31:43,350

Temple which resulted in a mass suicide

781

00:31:47,600 --> 00:31:45,090

in that in the South American nation of

782

00:31:49,370 --> 00:31:47,610

Guyana and I think this is the claim

783

00:31:51,410 --> 00:31:49,380

that that's a CIA operation and

784

00:31:54,110 --> 00:31:51,420

experiment in social control of

785

00:31:56,360 --> 00:31:54,120

mind-control is a good argument it's not

786

00:31:57,440 --> 00:31:56,370

open and shut but it's a good one there

787

00:32:00,200 --> 00:31:57,450

are a number of these others that I've

788

00:32:02,030 --> 00:32:00,210

looked into that make me think the CIA

789

00:32:04,280 --> 00:32:02,040

may indeed have an interest in creating

790

00:32:07,520 --> 00:32:04,290

cults when I look at New Age movement

791

00:32:11,540 --> 00:32:07,530

how it exploded into UFOs really during

792

00:32:13,310 --> 00:32:11,550

the 1990s I see something that has done

793

00:32:15,050 --> 00:32:13,320

one thing in particular a couple of

794

00:32:18,110 --> 00:32:15,060

things actually one is it's brought in a

795

00:32:22,130 --> 00:32:18,120

lot of self-described prophets and

796

00:32:25,130 --> 00:32:22,140

predictors who give claims that I mean

797

00:32:27,050 --> 00:32:25,140

are impossible to check like you it's

798

00:32:30,320 --> 00:32:27,060

not you know when someone says that they

799

00:32:32,630 --> 00:32:30,330

met with and Ramadan's and and make one

800

00:32:35,570 --> 00:32:32,640

prediction after another that's always

801  
00:32:37,550 --> 00:32:35,580  
wrong I wonder it's just and this is

802  
00:32:39,320 --> 00:32:37,560  
true this was you know one such person

803  
00:32:41,210 --> 00:32:39,330  
and they're always wrong you have to

804  
00:32:43,010 --> 00:32:41,220  
wonder it what is the purpose here is it

805  
00:32:45,860 --> 00:32:43,020  
someone just self-aggrandizing just

806  
00:32:47,690 --> 00:32:45,870  
working off of people's gullibility that

807  
00:32:51,100 --> 00:32:47,700  
could very well be the case but you've

808  
00:32:54,470 --> 00:32:51,110  
got a lot of examples of New Age

809  
00:32:56,810 --> 00:32:54,480  
mentality there's a lady wooz with zeta

810  
00:32:58,280 --> 00:32:56,820  
talker name is nancy lieder and I mean

811  
00:32:59,900 --> 00:32:58,290  
she's really one of the more out there

812  
00:33:03,260 --> 00:32:59,910  
of all of them admittedly but she would

813  
00:33:05,270 --> 00:33:03,270

talk about how this is back in o3 I

814

00:33:07,040 --> 00:33:05,280

believe she had a prediction for the

815

00:33:10,269 --> 00:33:07,050

collision with Nibiru you know the

816

00:33:13,180 --> 00:33:10,279

planet supposedly Sitchin wrote about

817

00:33:16,289 --> 00:33:13,190

and aliens and Zeta Reticuli told her

818

00:33:18,519 --> 00:33:16,299

through messages via a brain implant of

819

00:33:20,169 --> 00:33:18,529

this planet which would enter our solar

820

00:33:22,389 --> 00:33:20,179

system and cause a pole shift that would

821

00:33:24,299 --> 00:33:22,399

destroy most of humanity these people

822

00:33:26,649 --> 00:33:24,309

just keep coming and coming and coming

823

00:33:28,779 --> 00:33:26,659

and and then of course everything

824

00:33:31,440 --> 00:33:28,789

leading up to ascension 2012 which I

825

00:33:35,619 --> 00:33:31,450

think was one of the most pernicious of

826

00:33:37,509 --> 00:33:35,629

all of them of the New Age intrusions in

827

00:33:39,519 --> 00:33:37,519

ufology was just horrible

828

00:33:41,680 --> 00:33:39,529

that this thing really gained the

829

00:33:43,839 --> 00:33:41,690

momentum it did it was very damaging to

830

00:33:46,029 --> 00:33:43,849

I think the critical thinking skills of

831

00:33:48,430 --> 00:33:46,039

anyone loosely connected with the UFO

832

00:33:49,989 --> 00:33:48,440

field the idea that planet Earth was

833

00:33:52,180 --> 00:33:49,999

shifting from a third dimensional to a

834

00:33:54,009 --> 00:33:52,190

fourth and fifth dimensional vibrational

835

00:33:55,109 --> 00:33:54,019

frequency you hear dissolve one would

836

00:33:56,229 --> 00:33:55,119

hear this all the time and

837

00:33:58,659 --> 00:33:56,239

extraterrestrials

838

00:34:00,129 --> 00:33:58,669

along with angels or spiritual

839

00:34:02,169 --> 00:34:00,139

hierarchies or whatever would be the

840

00:34:04,389 --> 00:34:02,179

catalyst to usher in great changes and

841

00:34:05,440 --> 00:34:04,399

this is all predicted for 2012 and of

842

00:34:08,500 --> 00:34:05,450

course it did not happen

843

00:34:11,440 --> 00:34:08,510

so my point about this is that these

844

00:34:14,049 --> 00:34:11,450

types of predictions are based on

845

00:34:15,819 --> 00:34:14,059

evidence free assertions and it's as if

846

00:34:20,500 --> 00:34:15,829

because they come from a supposedly

847

00:34:22,029 --> 00:34:20,510

intuitive point of knowledge that it's

848

00:34:24,819 --> 00:34:22,039

impossible to check it with with

849

00:34:26,260 --> 00:34:24,829

anything like evidence and how dare you

850

00:34:29,440 --> 00:34:26,270

for thinking that you should ask for

851  
00:34:31,629 --> 00:34:29,450  
evidence so I mean that's really how it

852  
00:34:33,970 --> 00:34:31,639  
went and and what ended up happening is

853  
00:34:35,950 --> 00:34:33,980  
that a certain portion of the culture

854  
00:34:38,289 --> 00:34:35,960  
that follows UFOs basically lost their

855  
00:34:40,059 --> 00:34:38,299  
mind I mean just lost their mind and

856  
00:34:41,230 --> 00:34:40,069  
they haven't they haven't regained it

857  
00:34:43,839 --> 00:34:41,240  
because you still hear talk about

858  
00:34:46,440 --> 00:34:43,849  
ascension to this day I'm like what what

859  
00:34:48,549 --> 00:34:46,450  
is what do you need to understand that

860  
00:34:51,069 --> 00:34:48,559  
ascension is nothing other than a mass

861  
00:34:53,500 --> 00:34:51,079  
cultural death wish right that's that is

862  
00:34:54,819 --> 00:34:53,510  
what it is pure escapism I mean and then

863  
00:34:56,799 --> 00:34:54,829

there's all the rest like all of the

864

00:34:58,329 --> 00:34:56,809

supposed to disclosure events that were

865

00:35:01,120 --> 00:34:58,339

going to happen that's not necessarily a

866

00:35:04,059 --> 00:35:01,130

new-age thing but these happen because

867

00:35:06,250 --> 00:35:04,069

people get used to they get used to

868

00:35:09,220 --> 00:35:06,260

claims without evidence through a kind

869

00:35:11,039 --> 00:35:09,230

of new-age oriented mentality and it

870

00:35:13,630 --> 00:35:11,049

leads the door open for all these other

871

00:35:15,190 --> 00:35:13,640

charlatans to come along and say I've

872

00:35:17,950 --> 00:35:15,200

got inside sources that say there's

873

00:35:19,539 --> 00:35:17,960

gonna be disclosure this year or this

874

00:35:21,579 --> 00:35:19,549

year or this year you know there was a

875

00:35:22,960 --> 00:35:21,589

claim about a decade ago when Obama was

876

00:35:24,010 --> 00:35:22,970

just elected that he was the

877

00:35:26,590 --> 00:35:24,020

reincarnation

878

00:35:28,270 --> 00:35:26,600

of the Egyptian god Horus and if people

879

00:35:30,760 --> 00:35:28,280

want to know who made the prediction go

880

00:35:32,440 --> 00:35:30,770

google it I'll let you do the work but

881

00:35:34,390 --> 00:35:32,450

it's an embarrassment and that these

882

00:35:37,330 --> 00:35:34,400

things get traction the way that they do

883

00:35:39,250 --> 00:35:37,340

and it never seems to stop so I thought

884

00:35:42,910 --> 00:35:39,260

you know I don't know that this is a CIA

885

00:35:45,250 --> 00:35:42,920

operation but here's the thing if I were

886

00:35:47,140 --> 00:35:45,260

trying to hide evidence of a secret

887

00:35:48,940 --> 00:35:47,150

space program or if some other really

888

00:35:50,650 --> 00:35:48,950

advanced thing that I don't want the

889

00:35:53,820 --> 00:35:50,660

public to know about I would make sure

890

00:35:57,880 --> 00:35:53,830

that I litter the field with as much

891

00:36:00,040 --> 00:35:57,890

unprovable nonsensical data as I could

892

00:36:02,290 --> 00:36:00,050

to turn the whole field into like a

893

00:36:04,300 --> 00:36:02,300

Where's Waldo cartoon like where you

894

00:36:08,500 --> 00:36:04,310

know the real thing is there but it's

895

00:36:10,690 --> 00:36:08,510

surrounded by all this other stuff good

896

00:36:13,060 --> 00:36:10,700

luck finding it one of the elements of

897

00:36:15,220 --> 00:36:13,070

this mentality that I think is very

898

00:36:17,740 --> 00:36:15,230

dangerous is this idea about avoiding

899

00:36:21,000 --> 00:36:17,750

negativity because the concept is that

900

00:36:23,500 --> 00:36:21,010

you create your own reality therefore by

901  
00:36:25,600 --> 00:36:23,510  
emphasising anything negative the theory

902  
00:36:28,990 --> 00:36:25,610  
is that you're you're giving power to

903  
00:36:32,590 --> 00:36:29,000  
negativity and this is a very incorrect

904  
00:36:35,200 --> 00:36:32,600  
and dangerous idea it is I believe and I

905  
00:36:38,410 --> 00:36:35,210  
believed in my whole life that the way

906  
00:36:40,990 --> 00:36:38,420  
that I think affects my behavior and

907  
00:36:43,000 --> 00:36:41,000  
affects my my character and my future

908  
00:36:45,580 --> 00:36:43,010  
and so that the way that we think is

909  
00:36:47,410 --> 00:36:45,590  
very important indeed and you want to

910  
00:36:49,690 --> 00:36:47,420  
talk to yourself in the right way to

911  
00:36:52,030 --> 00:36:49,700  
have a healthy life but I would say at

912  
00:36:54,510 --> 00:36:52,040  
the same time by avoiding looking at the

913  
00:36:57,370 --> 00:36:54,520

difficult things in this world which is

914

00:37:00,040 --> 00:36:57,380

really easy to do for someone who's a

915

00:37:02,680 --> 00:37:00,050

true God in the world New Age mentality

916

00:37:04,420 --> 00:37:02,690

type of person by avoiding things that

917

00:37:07,300 --> 00:37:04,430

they feel are negative they are setting

918

00:37:10,510 --> 00:37:07,310

themselves up to be dominated and been

919

00:37:13,720 --> 00:37:10,520

controlled by a power structure that is

920

00:37:15,370 --> 00:37:13,730

relentless by us the smallest number of

921

00:37:17,620 --> 00:37:15,380

people now who want to own everything

922

00:37:19,990 --> 00:37:17,630

that is worth owning in this world that

923

00:37:22,030 --> 00:37:20,000

is a war and and it doesn't help to

924

00:37:25,630 --> 00:37:22,040

fight that war if one lives inside a

925

00:37:28,450 --> 00:37:25,640

mental bubble that gives them a reason

926

00:37:30,460 --> 00:37:28,460

to avoid evidence-based claims in in

927

00:37:32,770 --> 00:37:30,470

favor of hard centeredness or whatever

928

00:37:34,960 --> 00:37:32,780

what have you it impedes clear thinking

929

00:37:37,400 --> 00:37:34,970

and what we need more than ever is clear

930

00:37:38,630 --> 00:37:37,410

thinking because this is

931

00:37:40,880 --> 00:37:38,640

this is not fun and games that were

932

00:37:43,340 --> 00:37:40,890

involved in this is a really serious

933

00:37:45,980 --> 00:37:43,350

situation not just and ufology but the

934

00:37:47,870 --> 00:37:45,990

world in general so I just want to

935

00:37:50,330 --> 00:37:47,880

mention that I think and again it's not

936

00:37:53,450 --> 00:37:50,340

to deny that we live in a strange world

937

00:37:55,940 --> 00:37:53,460

and it's not to deny that that even

938

00:37:57,800 --> 00:37:55,950

things like psychics are all invalid I

939

00:37:59,570 --> 00:37:57,810

don't say that but we have to be able to

940

00:38:02,240 --> 00:37:59,580

recognize BS when it comes our way and

941

00:38:06,350 --> 00:38:02,250

we've got to be able to be willing to

942

00:38:08,480 --> 00:38:06,360

ask for evidence when we receive claims

943

00:38:10,520 --> 00:38:08,490

of any sort whatsoever and we just have

944

00:38:12,590 --> 00:38:10,530

to be in that mindset it's the only way

945

00:38:14,240 --> 00:38:12,600

to win is by seeing what the other guy

946

00:38:16,820 --> 00:38:14,250

is actually doing and you can't do that

947

00:38:17,840 --> 00:38:16,830

if you are living in a mental bubble I

948

00:38:20,840 --> 00:38:17,850

couldn't agree more

949

00:38:22,760 --> 00:38:20,850

I mean mindset is it's it's it's

950

00:38:24,620 --> 00:38:22,770

necessary and it's the most powerful

951  
00:38:26,420 --> 00:38:24,630  
tool I think we have that could be

952  
00:38:29,480 --> 00:38:26,430  
wielded for good and bad that you make a

953  
00:38:31,790 --> 00:38:29,490  
really good point with that reg well in

954  
00:38:33,560 --> 00:38:31,800  
terms of your last talk now this is

955  
00:38:36,560 --> 00:38:33,570  
where it got a little bit more nuts and

956  
00:38:39,470 --> 00:38:36,570  
bolts for us ufologists out there right

957  
00:38:42,290 --> 00:38:39,480  
and very current this has a lot to do

958  
00:38:45,110 --> 00:38:42,300  
with to the stars bass a tip all of it

959  
00:38:48,380 --> 00:38:45,120  
disclosure this was the global UFO

960  
00:38:49,760 --> 00:38:48,390  
secrecy new revelations now I know

961  
00:38:51,920 --> 00:38:49,770  
you're not a big fan of the New York

962  
00:38:54,680 --> 00:38:51,930  
Times but they were the first to bring

963  
00:38:57,440 --> 00:38:54,690

this story to the mainstream public so I

964

00:39:00,140 --> 00:38:57,450

would love to hear your thoughts on all

965

00:39:03,290 --> 00:39:00,150

of this all of those relations were

966

00:39:05,690 --> 00:39:03,300

having let's dive in so I did have a lot

967

00:39:08,510 --> 00:39:05,700

to say about Tom DeLonge to the Stars

968

00:39:10,310 --> 00:39:08,520

and a tip prior to that I just I always

969

00:39:11,960 --> 00:39:10,320

like to set the stage for what I think

970

00:39:13,670 --> 00:39:11,970

is the general scenario of what's going

971

00:39:17,390 --> 00:39:13,680

on in this world but there's a definite

972

00:39:19,040 --> 00:39:17,400

phenomenon of of UFOs that's that's real

973

00:39:21,440 --> 00:39:19,050

that is here that is represented by

974

00:39:23,600 --> 00:39:21,450

beings that are not us they came here

975

00:39:25,580 --> 00:39:23,610

from wherever they came with incredibly

976

00:39:28,460 --> 00:39:25,590

advanced technology and even beyond that

977

00:39:30,860 --> 00:39:28,470

space-time manipulation incredible

978

00:39:32,480 --> 00:39:30,870

powers of the mind there they're doing

979

00:39:34,220 --> 00:39:32,490

some contact some abductions they've

980

00:39:35,810 --> 00:39:34,230

been here a long time I think probably a

981

00:39:37,730 --> 00:39:35,820

lot of them are artificially created

982

00:39:41,000 --> 00:39:37,740

organisms but that's just my own opinion

983

00:39:42,800 --> 00:39:41,010

our response to that has been obtained

984

00:39:44,420 --> 00:39:42,810

as much of the technology as possible to

985

00:39:46,190 --> 00:39:44,430

create a breakaway civilization secret

986

00:39:48,350 --> 00:39:46,200

space program desperately trying to

987

00:39:50,000 --> 00:39:48,360

catch up weaponizing to the technology

988

00:39:51,230 --> 00:39:50,010

is hiding the breakthroughs all of it I

989

00:39:54,829 --> 00:39:51,240

think is what's going on

990

00:39:57,700 --> 00:39:54,839

and in that context you know we have the

991

00:40:00,320 --> 00:39:57,710

latest kind of outing of information

992

00:40:03,160 --> 00:40:00,330

which was New York Times revelations

993

00:40:05,270 --> 00:40:03,170

starting December 16 2017 and for

994

00:40:07,550 --> 00:40:05,280

someone who just wants a quick recap

995

00:40:10,040 --> 00:40:07,560

it's real simple on that date the New

996

00:40:14,270 --> 00:40:10,050

York Times posted two not one two

997

00:40:16,820 --> 00:40:14,280

halfway-decent articles validating the

998

00:40:19,130 --> 00:40:16,830

UFO phenomenon which is that's actually

999

00:40:21,910 --> 00:40:19,140

war historical because the New York

1000

00:40:24,440 --> 00:40:21,920

Times has never done this before never

1001  
00:40:26,480 --> 00:40:24,450  
the New York Times from its beginning

1002  
00:40:30,170 --> 00:40:26,490  
from the beginning of the flying saucer

1003  
00:40:32,329 --> 00:40:30,180  
UFO phenomenon in 1947 since it's become

1004  
00:40:34,579 --> 00:40:32,339  
a thing in our culture has always

1005  
00:40:37,880 --> 00:40:34,589  
debunked and not just debunked a little

1006  
00:40:39,800 --> 00:40:37,890  
bit but like hardcore fish is just

1007  
00:40:42,200 --> 00:40:39,810  
throwing it you know kicking it to the

1008  
00:40:45,950 --> 00:40:42,210  
curb debunking and that has always been

1009  
00:40:50,329 --> 00:40:45,960  
the New York sign style and yet suddenly

1010  
00:40:54,109 --> 00:40:50,339  
you have to reasonably decent articles

1011  
00:40:56,270 --> 00:40:54,119  
that describe the UFO phenomenon as

1012  
00:40:59,030 --> 00:40:56,280  
something legitimate and you know the

1013  
00:41:00,050 --> 00:40:59,040

revelations I mean I'll just recap one

1014

00:41:02,870 --> 00:41:00,060

thing that they state is that the

1015

00:41:05,420 --> 00:41:02,880

pentagon spent 22 million dollars on UFO

1016

00:41:08,150 --> 00:41:05,430

research for at least five years from oh

1017

00:41:10,370 --> 00:41:08,160

7 to 2012 it's not that long ago its

1018

00:41:12,260 --> 00:41:10,380

recent history on a per with a program

1019

00:41:13,630 --> 00:41:12,270

known as the a tip advanced aerospace

1020

00:41:16,430 --> 00:41:13,640

threat identification program

1021

00:41:18,440 --> 00:41:16,440

interesting title managed by Louise

1022

00:41:20,690 --> 00:41:18,450

Elizondo a career intelligence officer

1023

00:41:22,940 --> 00:41:20,700

and by the way elizondo's statements

1024

00:41:24,079 --> 00:41:22,950

have been very interesting I'm sure

1025

00:41:25,820 --> 00:41:24,089

you're very familiar with it I'm sure

1026

00:41:27,230 --> 00:41:25,830

your listeners are but he would say

1027

00:41:29,900 --> 00:41:27,240

things we've never seen anything like

1028

00:41:32,630 --> 00:41:29,910

these sightings or the technology beyond

1029

00:41:33,770 --> 00:41:32,640

next generation that's heavy-duty mister

1030

00:41:35,390 --> 00:41:33,780

elisandra joins us tonight

1031

00:41:37,579 --> 00:41:35,400

good to see you thank you for having so

1032

00:41:40,190 --> 00:41:37,589

did I overstate that is there a growing

1033

00:41:41,630 --> 00:41:40,200

corpus of evidence not drunk people on a

1034

00:41:43,940 --> 00:41:41,640

lonely rural road at 3:00 in the morning

1035

00:41:45,950 --> 00:41:43,950

but sober military pilots saying

1036

00:41:47,780 --> 00:41:45,960

something that we can't explain is

1037

00:41:49,970 --> 00:41:47,790

happening that is correct you're talking

1038

00:41:51,589 --> 00:41:49,980

about individuals who have very high

1039

00:41:53,480 --> 00:41:51,599

security clearances they are trained

1040

00:41:55,520 --> 00:41:53,490

observers we've actually paid them and

1041

00:41:57,620 --> 00:41:55,530

put them through schools to be trained

1042

00:41:59,120 --> 00:41:57,630

and very keen observers to scrutinize

1043

00:42:01,579 --> 00:41:59,130

what they're seeing these are

1044

00:42:03,660 --> 00:42:01,589

individuals who we trust to fly weapons

1045

00:42:06,750 --> 00:42:03,670

platform sometimes with live Union issue

1046

00:42:09,510 --> 00:42:06,760

/ US cities and to fight and win wars on

1047

00:42:11,760 --> 00:42:09,520

our behalf and they're reporting to us

1048

00:42:13,530 --> 00:42:11,770

that they're seeing something that they

1049

00:42:15,510 --> 00:42:13,540

can't explain and it's also being backed

1050

00:42:17,490 --> 00:42:15,520

up by the video evidence and the radar

1051  
00:42:19,380 --> 00:42:17,500  
data and then talking about recovered

1052  
00:42:21,870 --> 00:42:19,390  
materials which they described as metal

1053  
00:42:24,270 --> 00:42:21,880  
alloys from objects that were being

1054  
00:42:26,520 --> 00:42:24,280  
studied by Bigelow Aerospace which is

1055  
00:42:28,020 --> 00:42:26,530  
the main the contractor to the Pentagon

1056  
00:42:30,359 --> 00:42:28,030  
for this and then the other thing that

1057  
00:42:31,410 --> 00:42:30,369  
came out or at least that was confirmed

1058  
00:42:34,680 --> 00:42:31,420  
by the New York Times was the

1059  
00:42:36,180 --> 00:42:34,690  
extraordinary UFO encounter by commander

1060  
00:42:38,960 --> 00:42:36,190  
David Freiburger known as the Tic Tac

1061  
00:42:41,760 --> 00:42:38,970  
encounter from November of oh four

1062  
00:42:42,990 --> 00:42:41,770  
honestly I wanted to fly it you know

1063  
00:42:44,819 --> 00:42:43,000

there's you know talking to some

1064

00:42:46,680 --> 00:42:44,829

physicists they don't think the human

1065

00:42:48,390 --> 00:42:46,690

body could handle that kind of force but

1066

00:42:49,950 --> 00:42:48,400

it doesn't it doesn't sound it does

1067

00:42:51,299 --> 00:42:49,960

inside the human body could so bottom

1068

00:42:53,760 --> 00:42:51,309

line what do you think this was I

1069

00:42:55,859 --> 00:42:53,770

believe as do the other folks that were

1070

00:42:58,549 --> 00:42:55,869

on the flight that we visually saw that

1071

00:43:01,349 --> 00:42:58,559

it was something not from this world

1072

00:43:03,059 --> 00:43:01,359

when presumably you expressed that

1073

00:43:05,250 --> 00:43:03,069

belief to your superiors what did they

1074

00:43:07,770 --> 00:43:05,260

say well actually we we caught a lot of

1075

00:43:09,990 --> 00:43:07,780

grief getting back to the boat and it

1076

00:43:12,180 --> 00:43:10,000

got passed off is an event that no one

1077

00:43:13,620 --> 00:43:12,190

could explain now keep in mind they had

1078

00:43:15,690 --> 00:43:13,630

been tracking these for two weeks prior

1079

00:43:17,039 --> 00:43:15,700

to us seeing it and this was the first

1080

00:43:19,829 --> 00:43:17,049

time that manned airplanes had been

1081

00:43:21,870 --> 00:43:19,839

airborne when the objects appeared so

1082

00:43:23,430 --> 00:43:21,880

those are the big the big revelations

1083

00:43:25,589 --> 00:43:23,440

and that's a lot so this is something

1084

00:43:27,480 --> 00:43:25,599

where people who follow the UFO field

1085

00:43:31,410 --> 00:43:27,490

would read these two articles and say

1086

00:43:32,700 --> 00:43:31,420

AHA this is validation of what we've

1087

00:43:35,069 --> 00:43:32,710

been interested in all this time and

1088

00:43:37,650 --> 00:43:35,079

absolutely like you know came out just

1089

00:43:40,680 --> 00:43:37,660

before Christmas I'm sure there were a

1090

00:43:43,440 --> 00:43:40,690

lot of Christmas discussions family

1091

00:43:46,200 --> 00:43:43,450

get-togethers that December seriously

1092

00:43:48,270 --> 00:43:46,210

where people were like I told you yeah

1093

00:43:49,890 --> 00:43:48,280

this is real Uncle Jimmy see that you

1094

00:43:52,740 --> 00:43:49,900

think it was all nonsense it isn't I'm

1095

00:43:54,359 --> 00:43:52,750

sure a lot of that happened and I think

1096

00:43:57,359 --> 00:43:54,369

that's a very good thing like it was

1097

00:43:59,970 --> 00:43:57,369

this acknowledgement by the corporate

1098

00:44:01,589 --> 00:43:59,980

media that this phenomenon has

1099

00:44:03,750 --> 00:44:01,599

legitimacy now I would point out a few

1100

00:44:05,730 --> 00:44:03,760

things one is that even in the New York

1101  
00:44:07,200 --> 00:44:05,740  
Times pieces like they give you a little

1102  
00:44:09,000 --> 00:44:07,210  
bit then they take away at the same

1103  
00:44:10,410 --> 00:44:09,010  
moment in the New York Times piece for

1104  
00:44:12,839 --> 00:44:10,420  
example the main one called glowing

1105  
00:44:15,210 --> 00:44:12,849  
auras and black money the Pentagon's

1106  
00:44:17,130 --> 00:44:15,220  
mysterious UFO program even the title is

1107  
00:44:18,829 --> 00:44:17,140  
very like sensationalistic but in

1108  
00:44:21,599 --> 00:44:18,839  
your article you've got gratuitous

1109  
00:44:24,269 --> 00:44:21,609  
skeptical statements by James Oberg

1110  
00:44:28,079 --> 00:44:24,279  
longtime skeptic debunker and this

1111  
00:44:30,599 --> 00:44:28,089  
astronomer from Yale totally unrelated

1112  
00:44:33,269 --> 00:44:30,609  
to anything in the article why included

1113  
00:44:35,069 --> 00:44:33,279

included just to give you the reader the

1114

00:44:36,809 --> 00:44:35,079

idea don't get excited

1115

00:44:39,059 --> 00:44:36,819

still you can still be skeptical so

1116

00:44:41,819 --> 00:44:39,069

there was that hesitancy that they had

1117

00:44:43,769 --> 00:44:41,829

but really what you find is that other

1118

00:44:46,769 --> 00:44:43,779

than the initial follow-up coverage in

1119

00:44:49,529 --> 00:44:46,779

the establishment media so you had CNN

1120

00:44:51,150 --> 00:44:49,539

and Fox doing interviews with Elizondo

1121

00:44:53,339 --> 00:44:51,160

and flavor and some of the others and

1122

00:44:55,680 --> 00:44:53,349

and most of that was fairly positive

1123

00:44:57,210 --> 00:44:55,690

coverage it's been definitely slowed

1124

00:44:59,609 --> 00:44:57,220

down and you definitely see no real

1125

00:45:01,769 --> 00:44:59,619

follow-up from the establishment media

1126  
00:45:05,329 --> 00:45:01,779  
from the corporate media on any of these

1127  
00:45:07,680 --> 00:45:05,339  
these claims like nothing and there's no

1128  
00:45:11,370 --> 00:45:07,690  
self-examination on why the media has

1129  
00:45:13,559 --> 00:45:11,380  
been was so dismissive of UFOs no follow

1130  
00:45:15,299 --> 00:45:13,569  
up on Bigelow's possession of these

1131  
00:45:16,170 --> 00:45:15,309  
recovered materials like how do they

1132  
00:45:18,120 --> 00:45:16,180  
just let it go

1133  
00:45:20,279 --> 00:45:18,130  
ya know follow up on elizondo's points

1134  
00:45:21,930 --> 00:45:20,289  
like you Elizondo said these sightings

1135  
00:45:24,450 --> 00:45:21,940  
are unbelievable and we had no interest

1136  
00:45:26,490 --> 00:45:24,460  
in the higher-ups why like they're

1137  
00:45:28,890 --> 00:45:26,500  
incredible no one bothering to ask about

1138  
00:45:30,120 --> 00:45:28,900

the implications of a cover-up like in

1139

00:45:32,279 --> 00:45:30,130

other words all the work that's been

1140

00:45:34,650 --> 00:45:32,289

done since then has been done by private

1141

00:45:36,359 --> 00:45:34,660

researchers so it just tells me that the

1142

00:45:40,349 --> 00:45:36,369

establishment or corporate media's

1143

00:45:41,970 --> 00:45:40,359

treatment was is not serious and and I

1144

00:45:45,089 --> 00:45:41,980

asked myself why and I just think well

1145

00:45:47,819 --> 00:45:45,099

to the Stars Academy was already going

1146

00:45:50,069 --> 00:45:47,829

as as full speed ahead as they were able

1147

00:45:53,880 --> 00:45:50,079

to they just got Elizondo on board and

1148

00:45:55,799 --> 00:45:53,890

my opinion and no one has debunked me of

1149

00:45:58,880 --> 00:45:55,809

this opinion so far yet is that the New

1150

00:46:01,680 --> 00:45:58,890

York Times got ahead of this because

1151  
00:46:02,880 --> 00:46:01,690  
someone had to and if they weren't going

1152  
00:46:05,460 --> 00:46:02,890  
to cauterize the wound

1153  
00:46:07,140 --> 00:46:05,470  
then it could just continue and continue

1154  
00:46:09,329 --> 00:46:07,150  
in other words the New York Times you

1155  
00:46:12,269 --> 00:46:09,339  
you pretend to give up a secret by

1156  
00:46:14,789 --> 00:46:12,279  
concealing by by giving up some of it

1157  
00:46:16,499 --> 00:46:14,799  
and concealing the rest so like you and

1158  
00:46:17,819 --> 00:46:16,509  
I think that's what they did and like

1159  
00:46:19,349 --> 00:46:17,829  
one of the examples is that the New York

1160  
00:46:20,430 --> 00:46:19,359  
Times said well yeah the program are in

1161  
00:46:22,650 --> 00:46:20,440  
force

1162  
00:46:24,660 --> 00:46:22,660  
but it's it's done they don't do it

1163  
00:46:27,390 --> 00:46:24,670

anymore like that was the story like it

1164

00:46:29,519 --> 00:46:27,400

ended in 2012 but in fact every analysis

1165

00:46:31,020 --> 00:46:29,529

that's gone in depth to this has said

1166

00:46:33,510 --> 00:46:31,030

it's still going

1167

00:46:37,880 --> 00:46:33,520

but the New York Times says no seams

1168

00:46:40,740 --> 00:46:37,890

have been ended 2012 so so I think it's

1169

00:46:44,300 --> 00:46:40,750

until I am persuaded otherwise my

1170

00:46:48,180 --> 00:46:44,310

feeling is that this is an example of a

1171

00:46:49,980 --> 00:46:48,190

drip drip of disclosure but also really

1172

00:46:52,140 --> 00:46:49,990

an example of just giving up as much as

1173

00:46:53,970 --> 00:46:52,150

you need to and then get the story to go

1174

00:46:57,240 --> 00:46:53,980

away for as long as possible you you've

1175

00:46:59,700 --> 00:46:57,250

interviewed individuals who work for

1176

00:47:01,590 --> 00:46:59,710

alternative media outlets who are still

1177

00:47:04,050 --> 00:47:01,600

digging into this and even found a

1178

00:47:05,910 --> 00:47:04,060

different name for the program so I mean

1179

00:47:08,220 --> 00:47:05,920

right there is showing that the

1180

00:47:10,020 --> 00:47:08,230

mainstream is kind of done with this you

1181

00:47:12,570 --> 00:47:10,030

know they did they said their piece for

1182

00:47:14,700 --> 00:47:12,580

their own agenda but but we know that

1183

00:47:17,100 --> 00:47:14,710

there are adamant researchers out there

1184

00:47:18,420 --> 00:47:17,110

who will dig deeper and maybe they

1185

00:47:20,640 --> 00:47:18,430

weren't expecting that I don't know what

1186

00:47:23,790 --> 00:47:20,650

do you think no that's exactly right in

1187

00:47:25,290 --> 00:47:23,800

fact the researcher that I've I've

1188

00:47:28,470 --> 00:47:25,300

talked about his name Paul Dean out of

1189

00:47:29,910 --> 00:47:28,480

Australia and he's an amazing document

1190

00:47:32,190 --> 00:47:29,920

researcher really one of the best in the

1191

00:47:34,140 --> 00:47:32,200

world and he argued in one of his blog

1192

00:47:36,930 --> 00:47:34,150

pieces and I spoke with Paul that the

1193

00:47:38,730 --> 00:47:36,940

main name or the other name for this

1194

00:47:41,940 --> 00:47:38,740

program is known as advanced aerospace

1195

00:47:44,420 --> 00:47:41,950

weapons systems application program AWS

1196

00:47:47,430 --> 00:47:44,430

ap and there's a couple of variations of

1197

00:47:50,520 --> 00:47:47,440

that that are out there but it's it's a

1198

00:47:52,560 --> 00:47:50,530

AWS ap and that's added a little bit of

1199

00:47:53,640 --> 00:47:52,570

confusion to the mix as well so like but

1200

00:47:57,060 --> 00:47:53,650

you don't get this from the mainstream

1201  
00:47:58,980 --> 00:47:57,070  
establishment or the corporate media so

1202  
00:48:00,810 --> 00:47:58,990  
now there is some some good news that

1203  
00:48:03,450 --> 00:48:00,820  
came out a George Knapp I mentioned this

1204  
00:48:05,280 --> 00:48:03,460  
in my lecture over at klas in Las Vegas

1205  
00:48:07,740 --> 00:48:05,290  
and of course that's been very very good

1206  
00:48:09,870 --> 00:48:07,750  
on UFOs for a long time

1207  
00:48:13,890 --> 00:48:09,880  
just less than a month ago and funding

1208  
00:48:15,990 --> 00:48:13,900  
on May 18th his team obtained an

1209  
00:48:17,850 --> 00:48:16,000  
in-depth report which they said was

1210  
00:48:19,650 --> 00:48:17,860  
prepared by the military and for the

1211  
00:48:23,220 --> 00:48:19,660  
military which analyzes the tick-tack

1212  
00:48:25,500 --> 00:48:23,230  
UFO stating that this is like way way

1213  
00:48:27,540 --> 00:48:25,510

beyond anything that we are any of the

1214

00:48:29,190 --> 00:48:27,550

nation have basically that it was so

1215

00:48:31,350 --> 00:48:29,200

advanced it made us capabilities

1216

00:48:33,180 --> 00:48:31,360

ineffective which is true that the

1217

00:48:35,640 --> 00:48:33,190

tick-tack UFO from what we are learning

1218

00:48:38,190 --> 00:48:35,650

about it this object the key thing about

1219

00:48:38,760 --> 00:48:38,200

is that flavor and his other the other

1220

00:48:40,890 --> 00:48:38,770

pilot

1221

00:48:43,560 --> 00:48:40,900

we're told a vector into a particular

1222

00:48:44,520 --> 00:48:43,570

rendezvous point the UFO was not there

1223

00:48:46,890 --> 00:48:44,530

at the time that they

1224

00:48:49,110 --> 00:48:46,900

were told to go there when they arrived

1225

00:48:51,210 --> 00:48:49,120

the object was there as if waiting for

1226

00:48:54,210 --> 00:48:51,220

them and this is significant because the

1227

00:48:57,420 --> 00:48:54,220

Navy communications are highly encrypted

1228

00:48:59,220 --> 00:48:57,430

all right so being able to defeat highly

1229

00:49:01,110 --> 00:48:59,230

encrypted communications by the US Navy

1230

00:49:03,150 --> 00:49:01,120

is important aside from the fact that

1231

00:49:06,840 --> 00:49:03,160

they changed the encryption every 15

1232

00:49:08,580 --> 00:49:06,850

minutes this is really major and and of

1233

00:49:10,980 --> 00:49:08,590

course it was able to outperform their

1234

00:49:14,310 --> 00:49:10,990

top-of-the-line fighter jet the f-18 a

1235

00:49:16,800 --> 00:49:14,320

Super Hornet so whatever this was now

1236

00:49:18,600 --> 00:49:16,810

the one critique of Knapp's finding is

1237

00:49:19,860 --> 00:49:18,610

that people have argued it wasn't a

1238

00:49:21,810 --> 00:49:19,870

military report it might have been a

1239

00:49:25,080 --> 00:49:21,820

bass report that is big low advanced

1240

00:49:27,660 --> 00:49:25,090

aerospace systems but even so it's a

1241

00:49:29,940 --> 00:49:27,670

very interesting a very very interesting

1242

00:49:32,460 --> 00:49:29,950

report and I would assume you know in

1243

00:49:35,190 --> 00:49:32,470

terms of the tick-tack UFO event as well

1244

00:49:38,310 --> 00:49:35,200

that the videos were getting from from

1245

00:49:41,010 --> 00:49:38,320

to the stars are only a portion of what

1246

00:49:43,110 --> 00:49:41,020

actually has reported that day right I

1247

00:49:44,700 --> 00:49:43,120

mean there's no way it was only three

1248

00:49:46,830 --> 00:49:44,710

four five seconds long

1249

00:49:50,190 --> 00:49:46,840

no no you're exactly right Ryan and and

1250

00:49:51,840 --> 00:49:50,200

so I've you know I just was this weekend

1251  
00:49:52,890 --> 00:49:51,850  
at the conference one of the people

1252  
00:49:55,200 --> 00:49:52,900  
there was Peter lavinda

1253  
00:49:57,840 --> 00:49:55,210  
and Peter Levin de co-authored the book

1254  
00:49:59,640 --> 00:49:57,850  
with Tunde long and he's associated with

1255  
00:50:01,770 --> 00:49:59,650  
to the Stars and let me just say I've

1256  
00:50:04,650 --> 00:50:01,780  
known Peter lavinda personally for the

1257  
00:50:06,420 --> 00:50:04,660  
last seven years and have only the

1258  
00:50:08,820 --> 00:50:06,430  
highest respect for him he's an

1259  
00:50:12,360 --> 00:50:08,830  
outstanding researcher with with nothing

1260  
00:50:14,790 --> 00:50:12,370  
but integrity and that's a fact and so I

1261  
00:50:16,200 --> 00:50:14,800  
asked Peter about about this and his

1262  
00:50:18,630 --> 00:50:16,210  
answer was very simple he said yeah

1263  
00:50:20,820 --> 00:50:18,640

that's true to the Stars has no control

1264

00:50:22,890 --> 00:50:20,830

over what gets Declassified or not

1265

00:50:25,740 --> 00:50:22,900

that's Pentagon's decision so the

1266

00:50:28,320 --> 00:50:25,750

Pentagon did have does have longer

1267

00:50:29,670 --> 00:50:28,330

versions of all of those videos and and

1268

00:50:31,860 --> 00:50:29,680

of others as well that have not yet been

1269

00:50:35,640 --> 00:50:31,870

released but longer versions of what we

1270

00:50:37,170 --> 00:50:35,650

have seen and their logic and we can

1271

00:50:39,900 --> 00:50:37,180

accept or not accept that logic is a

1272

00:50:42,240 --> 00:50:39,910

with held it because it longer sections

1273

00:50:43,920 --> 00:50:42,250

would give up the infamous sources and

1274

00:50:46,320 --> 00:50:43,930

methods of how they get their

1275

00:50:48,810 --> 00:50:46,330

intelligence and that's what they say

1276  
00:50:50,610 --> 00:50:48,820  
now that's not always true in my opinion

1277  
00:50:52,200 --> 00:50:50,620  
I think sometimes they're holding back

1278  
00:50:53,850 --> 00:50:52,210  
content but I don't think this is a

1279  
00:50:56,760 --> 00:50:53,860  
feature up to the stars I don't get the

1280  
00:50:57,900 --> 00:50:56,770  
idea that the to the stars are being coy

1281  
00:51:00,240 --> 00:50:57,910  
with their

1282  
00:51:01,829 --> 00:51:00,250  
data for a while I wasn't sure I mean

1283  
00:51:03,660 --> 00:51:01,839  
honestly I'd heard a couple of different

1284  
00:51:05,789 --> 00:51:03,670  
things and wondered if to the Stars was

1285  
00:51:08,250 --> 00:51:05,799  
just holding things back but according

1286  
00:51:11,609 --> 00:51:08,260  
to Peter Levin dumb and I'm just going

1287  
00:51:15,059 --> 00:51:11,619  
to say I'm believing him on this there

1288  
00:51:18,029 --> 00:51:15,069

they are doing everything they can to

1289

00:51:20,549 --> 00:51:18,039

get the videos Declassified from the

1290

00:51:23,279 --> 00:51:20,559

Pentagon so that's that's their story

1291

00:51:25,109 --> 00:51:23,289

and it's worth asking follow up with

1292

00:51:26,190 --> 00:51:25,119

Peter or if Tom DeLonge will ever do an

1293

00:51:29,130 --> 00:51:26,200

interview that would be great

1294

00:51:30,900 --> 00:51:29,140

I cannot speak for these guys yeah I

1295

00:51:33,980 --> 00:51:30,910

don't think we're gonna see Tom anytime

1296

00:51:39,450 --> 00:51:33,990

soon after that joe rogan interview but

1297

00:51:41,190 --> 00:51:39,460

that's another story unfortunately yeah

1298

00:51:42,930 --> 00:51:41,200

we've seen him sort of go back into the

1299

00:51:44,190 --> 00:51:42,940

shadows which is okay you know he's

1300

00:51:47,279 --> 00:51:44,200

gonna be working on the entertainment

1301

00:51:48,720 --> 00:51:47,289

aspect of all this so that's that's okay

1302

00:51:50,970 --> 00:51:48,730

I you know there's a lot of people

1303

00:51:54,900 --> 00:51:50,980

everyone has been beating up on to the

1304

00:51:57,210 --> 00:51:54,910

stars and and I don't know where I stand

1305

00:51:58,980 --> 00:51:57,220

on this right now I mean I'll probably I

1306

00:52:01,829 --> 00:51:58,990

know I'm gonna get hell for this and the

1307

00:52:04,410 --> 00:52:01,839

YouTube comments below but I my attitude

1308

00:52:06,990 --> 00:52:04,420

is I don't know for sure that they're a

1309

00:52:08,579 --> 00:52:07,000

PSYOP I just don't know now it's as

1310

00:52:12,000 --> 00:52:08,589

possible Tom DeLonge has been

1311

00:52:15,980 --> 00:52:12,010

manipulated in various ways what I

1312

00:52:19,920 --> 00:52:15,990

definitely believe is like his attitude

1313

00:52:22,079 --> 00:52:19,930

that the military are the are the real

1314

00:52:24,510 --> 00:52:22,089

white hats in all this is just not

1315

00:52:26,400 --> 00:52:24,520

realistic it's not true also I mentioned

1316

00:52:27,420 --> 00:52:26,410

this to Peter Levin des by the way and

1317

00:52:29,220 --> 00:52:27,430

his answer was look what do you expect

1318

00:52:30,690 --> 00:52:29,230

he's trying to cultivate these guys

1319

00:52:32,849 --> 00:52:30,700

you're not gonna cultivate them by

1320

00:52:34,620 --> 00:52:32,859

calling them you know evil incarnate you

1321

00:52:37,260 --> 00:52:34,630

want them to work with you I get that

1322

00:52:39,930 --> 00:52:37,270

what I will definitely say is that the

1323

00:52:41,839 --> 00:52:39,940

establishment media part of it New York

1324

00:52:44,309 --> 00:52:41,849

Times Washington Post all of the

1325

00:52:46,410 --> 00:52:44,319

integration and and that really happened

1326

00:52:51,230 --> 00:52:46,420

Christopher Mellon who's one of the TTS

1327

00:52:54,089 --> 00:52:51,240

a guys he's the former CIA was I am told

1328

00:52:57,120 --> 00:52:54,099

instrumental in getting Leslie Cain and

1329

00:53:00,000 --> 00:52:57,130

the New York Times on board so now if

1330

00:53:01,740 --> 00:53:00,010

that's true then you've got a direct

1331

00:53:04,079 --> 00:53:01,750

connection to the stars with

1332

00:53:06,839 --> 00:53:04,089

establishment media and that's always

1333

00:53:08,819 --> 00:53:06,849

questionable to me because the media has

1334

00:53:10,829 --> 00:53:08,829

not left the mockingbirds system in

1335

00:53:12,300 --> 00:53:10,839

other words operation Mockingbird CIA's

1336

00:53:14,460 --> 00:53:12,310

media control

1337

00:53:16,650 --> 00:53:14,470

program that that's stronger than ever

1338

00:53:18,180 --> 00:53:16,660

but again you know I was just listening

1339

00:53:20,070 --> 00:53:18,190

again to Peter Levin and I want to get

1340

00:53:21,930 --> 00:53:20,080

be fair to him his attitude is he says

1341

00:53:24,180 --> 00:53:21,940

look we know the mainstream media is a

1342

00:53:26,730 --> 00:53:24,190

corporate tool and it's an establishment

1343

00:53:30,300 --> 00:53:26,740

tool his attitude is look if you want to

1344

00:53:31,470 --> 00:53:30,310

change public discussion on UFOs you

1345

00:53:35,240 --> 00:53:31,480

have to go through the corporate media

1346

00:53:38,910 --> 00:53:35,250

so all right that's his position so

1347

00:53:40,190 --> 00:53:38,920

relating to the Stars you know I'm

1348

00:53:42,210 --> 00:53:40,200

just waiting for them to come up with

1349

00:53:44,040 --> 00:53:42,220

something that makes sense to me as a

1350

00:53:46,440 --> 00:53:44,050

business model that has never made sense

1351

00:53:48,030 --> 00:53:46,450

oh yeah I mean they weren't even able to

1352

00:53:50,340 --> 00:53:48,040

raise a portion of what they were

1353

00:53:53,270 --> 00:53:50,350

expecting which is unfortunate but yeah

1354

00:53:55,230 --> 00:53:53,280

I agree with you I think you know yeah I

1355

00:53:57,450 --> 00:53:55,240

look forward to where it goes

1356

00:54:00,030 --> 00:53:57,460

maybe DeLong will get his dream of

1357

00:54:02,790 --> 00:54:00,040

building a spaceship of some sort to

1358

00:54:04,410 --> 00:54:02,800

rival Elon Musk but maybe not in the

1359

00:54:07,230 --> 00:54:04,420

meantime we might get some really cool

1360

00:54:09,270 --> 00:54:07,240

UFO Doc's and books and everything in

1361

00:54:10,860 --> 00:54:09,280

between I don't know I want to say this

1362

00:54:12,570 --> 00:54:10,870

I mean I met Tom DeLonge a couple of

1363

00:54:17,460 --> 00:54:12,580

years ago and I found him to be very

1364

00:54:19,440 --> 00:54:17,470

gracious and and sincere and I have no

1365

00:54:21,750 --> 00:54:19,450

reason to think it's otherwise so I

1366

00:54:24,480 --> 00:54:21,760

think that he's really doing what he

1367

00:54:27,420 --> 00:54:24,490

feels has been his best to move this

1368

00:54:29,280 --> 00:54:27,430

issue forward so they made a lot of

1369

00:54:30,930 --> 00:54:29,290

gaffes coming out of the gate with the

1370

00:54:33,660 --> 00:54:30,940

you know displaying the image of the

1371

00:54:35,490 --> 00:54:33,670

mylar balloon as a genuine UFO I'm like

1372

00:54:37,130 --> 00:54:35,500

how did you do that I've looked into

1373

00:54:39,390 --> 00:54:37,140

this and I'm I believe that it was a

1374

00:54:41,580 --> 00:54:39,400

total bush-league mistake

1375

00:54:42,960 --> 00:54:41,590

I absolutely believe I don't think it

1376

00:54:46,020 --> 00:54:42,970

was disinfo I think they actually really

1377

00:54:48,900 --> 00:54:46,030

genuinely screwed up big time and got

1378

00:54:51,210 --> 00:54:48,910

really embarrassed over it excited yeah

1379

00:54:53,370 --> 00:54:51,220

I agree I think they you know they were

1380

00:54:56,010 --> 00:54:53,380

there ready and raring to go and it just

1381

00:54:57,660 --> 00:54:56,020

but you know what if if if anything

1382

00:54:59,910 --> 00:54:57,670

they'll learn from their mistakes so

1383

00:55:01,410 --> 00:54:59,920

we'll see we'll see well in terms of you

1384

00:55:03,180 --> 00:55:01,420

know what the future may hold rich I

1385

00:55:05,340 --> 00:55:03,190

know we don't have much time here left

1386

00:55:07,620 --> 00:55:05,350

but I did want to talk about a couple

1387

00:55:10,860 --> 00:55:07,630

other things before we wrap it up your

1388

00:55:13,380 --> 00:55:10,870

new website I mean this yes yeah you

1389

00:55:15,090 --> 00:55:13,390

sprung this on us a few months ago with

1390

00:55:17,670 --> 00:55:15,100

exclusive content so tell us a little

1391

00:55:20,880 --> 00:55:17,680

about Richard Dolan members before we go

1392

00:55:23,640 --> 00:55:20,890

thanks Ryan yes Richard all members calm

1393

00:55:24,240 --> 00:55:23,650

this is a site now that it's about two

1394

00:55:26,220 --> 00:55:24,250

months old

1395

00:55:28,680 --> 00:55:26,230

it's really quite new and

1396

00:55:31,140 --> 00:55:28,690

I have put a great deal of energy and

1397

00:55:33,660 --> 00:55:31,150

effort into it I've got at this point

1398

00:55:36,480 --> 00:55:33,670

actually dozens of video and a unique

1399

00:55:39,090 --> 00:55:36,490

audio and blog entries that are up there

1400

00:55:40,770 --> 00:55:39,100

for members there's free content and I

1401  
00:55:42,630 --> 00:55:40,780  
mean there's things that I put up that I

1402  
00:55:44,760 --> 00:55:42,640  
want the whole world to see but I've

1403  
00:55:47,609 --> 00:55:44,770  
decided look I want to create something

1404  
00:55:50,070 --> 00:55:47,619  
an exclusive web-based content if

1405  
00:55:51,660 --> 00:55:50,080  
someone's interested they can you know

1406  
00:55:53,160 --> 00:55:51,670  
join up for a month or a year and become

1407  
00:55:54,990 --> 00:55:53,170  
a member and see what what's in it for

1408  
00:55:56,520 --> 00:55:55,000  
them I found it to be a very very

1409  
00:55:58,530 --> 00:55:56,530  
positive experience I couldn't have a

1410  
00:56:00,150 --> 00:55:58,540  
could not have done this without Tracy

1411  
00:56:02,609 --> 00:56:00,160  
she's been instrumental in helping me

1412  
00:56:04,530 --> 00:56:02,619  
organize this this is just a lesson and

1413  
00:56:06,840 --> 00:56:04,540

the fact that like you can't do things

1414

00:56:09,540 --> 00:56:06,850

alone you really need really good

1415

00:56:11,099 --> 00:56:09,550

positive support from people who are

1416

00:56:14,430 --> 00:56:11,109

close to you and thankfully I have that

1417

00:56:16,380 --> 00:56:14,440

now so as a result of that the Richard

1418

00:56:19,680 --> 00:56:16,390

Elam members site is I just put up two

1419

00:56:23,670 --> 00:56:19,690

new posts today including a lot of video

1420

00:56:25,830 --> 00:56:23,680

and a 1,300 word blog and so there's I

1421

00:56:27,150 --> 00:56:25,840

just I'm creating a lot of content I'm

1422

00:56:31,620 --> 00:56:27,160

trying to tweak this and figure out

1423

00:56:33,780 --> 00:56:31,630

what's the best way to give free content

1424

00:56:35,820 --> 00:56:33,790

to the world while making it worthwhile

1425

00:56:37,530 --> 00:56:35,830

for members and I think we're striking

1426

00:56:41,010 --> 00:56:37,540

that balance one of the things that I'm

1427

00:56:42,930 --> 00:56:41,020

doing is all by radio shows to the

1428

00:56:44,130 --> 00:56:42,940

Richard Olin show I'm just I've taken

1429

00:56:46,410 --> 00:56:44,140

control and putting them up on my

1430

00:56:48,300 --> 00:56:46,420

YouTube channel every week so that's

1431

00:56:49,950 --> 00:56:48,310

something for everyone and a lot of the

1432

00:56:51,180 --> 00:56:49,960

articles that I write I put up free of

1433

00:56:52,349 --> 00:56:51,190

charge but I would encourage anyone

1434

00:56:54,599 --> 00:56:52,359

who's interested go to Richard all

1435

00:56:56,820 --> 00:56:54,609

members and it's actually turning out

1436

00:56:59,550 --> 00:56:56,830

better better than I had hoped it would

1437

00:57:01,320 --> 00:56:59,560

be and and believe me I wanted it to be

1438

00:57:03,300 --> 00:57:01,330

excellent from the beginning and I I

1439

00:57:06,210 --> 00:57:03,310

actually will say that I think it's

1440

00:57:07,740 --> 00:57:06,220

exceeded my expectations so I'm gonna

1441

00:57:09,960 --> 00:57:07,750

get more of that going in the future

1442

00:57:11,970 --> 00:57:09,970

that's awesome and I mean the other

1443

00:57:15,990 --> 00:57:11,980

website Richard Dolan press is where you

1444

00:57:18,270 --> 00:57:16,000

you house your own publications and the

1445

00:57:21,359 --> 00:57:18,280

publication of other authors as well you

1446

00:57:23,220 --> 00:57:21,369

exist on rich you'll impress I do I have

1447

00:57:25,680 --> 00:57:23,230

you to thank for putting me on the map

1448

00:57:28,980 --> 00:57:25,690

somewhere in the skies is there and is

1449

00:57:31,500 --> 00:57:28,990

is really one of the best most unique

1450

00:57:33,030 --> 00:57:31,510

books that I published with Richard will

1451  
00:57:36,240 --> 00:57:33,040  
impress over the last five years without

1452  
00:57:38,520 --> 00:57:36,250  
a doubt I love your book and your your

1453  
00:57:39,750 --> 00:57:38,530  
work is exactly the kind of work that I

1454  
00:57:42,720 --> 00:57:39,760  
like to promote it's

1455  
00:57:44,490 --> 00:57:42,730  
innovative original content that does

1456  
00:57:46,740 --> 00:57:44,500  
things that other other books haven't

1457  
00:57:48,990 --> 00:57:46,750  
done and in your case you you did

1458  
00:57:51,000 --> 00:57:49,000  
something that far as I can tell is an

1459  
00:57:54,120 --> 00:57:51,010  
utterly unique effort you know a

1460  
00:57:57,000 --> 00:57:54,130  
journalist a journalistic exploration of

1461  
00:57:59,430 --> 00:57:57,010  
a range of experiences you have the UFO

1462  
00:58:00,900 --> 00:57:59,440  
phenomenon and how what they experienced

1463  
00:58:03,360 --> 00:58:00,910

and how it affected them I think my god

1464

00:58:05,460 --> 00:58:03,370

you know what a need there is in our

1465

00:58:07,290 --> 00:58:05,470

culture for a work like that and I'm so

1466

00:58:09,180 --> 00:58:07,300

grateful that you did it and that I was

1467

00:58:12,060 --> 00:58:09,190

honored to be able to publish your book

1468

00:58:14,160 --> 00:58:12,070

well thank you so much I mean yeah I

1469

00:58:15,690 --> 00:58:14,170

mean if you can't contribute something

1470

00:58:17,910 --> 00:58:15,700

new what's the point so that's the way I

1471

00:58:19,830 --> 00:58:17,920

look at it but no I I can't thank you

1472

00:58:24,060 --> 00:58:19,840

enough for those very kind words well

1473

00:58:25,920 --> 00:58:24,070

and yeah but Richard Elam press has a

1474

00:58:27,930 --> 00:58:25,930

lot of other very interesting authors

1475

00:58:30,480 --> 00:58:27,940

without a doubt and it's got a lot of my

1476

00:58:31,740 --> 00:58:30,490

older essays and articles that I've

1477

00:58:33,900 --> 00:58:31,750

written over the years they're kind of

1478

00:58:35,430 --> 00:58:33,910

legacy there so yeah I mean those are

1479

00:58:36,800 --> 00:58:35,440

the two and anytime there's a new book

1480

00:58:39,360 --> 00:58:36,810

published booklet publish whatever

1481

00:58:41,880 --> 00:58:39,370

that's listed on the Richard Allen press

1482

00:58:43,380 --> 00:58:41,890

website as well perfect and do you have

1483

00:58:46,110 --> 00:58:43,390

any upcoming events or anything you'd

1484

00:58:48,450 --> 00:58:46,120

like to give us before we go well you

1485

00:58:50,730 --> 00:58:48,460

are just so so considerate of all of

1486

00:58:53,400 --> 00:58:50,740

that yes I've got a few that are coming

1487

00:58:56,070 --> 00:58:53,410

up so I just came back from we did a

1488

00:58:58,290 --> 00:58:56,080

almost a month in Australia and contact

1489

00:59:01,440 --> 00:58:58,300

in the desert but in the near future I

1490

00:59:03,870 --> 00:59:01,450

will be in Toronto or near Toronto at

1491

00:59:05,970 --> 00:59:03,880

what is called the alien cosmic Expo

1492

00:59:07,470 --> 00:59:05,980

that's the Toronto Airport Marriott

1493

00:59:10,500 --> 00:59:07,480

hotel in fact if you go to Richard all

1494

00:59:12,060 --> 00:59:10,510

members calm the events is freely

1495

00:59:14,070 --> 00:59:12,070

available people can just go check it

1496

00:59:16,350 --> 00:59:14,080

out get the events tab a week after that

1497

00:59:19,080 --> 00:59:16,360

I'll be in still in Canada in Vancouver

1498

00:59:20,520 --> 00:59:19,090

for the conference known as architects

1499

00:59:22,650 --> 00:59:20,530

of the new paradigm and my very good

1500

00:59:24,150 --> 00:59:22,660

friend Jordan Pease has organized that

1501

00:59:26,100 --> 00:59:24,160

that's always interesting

1502

00:59:28,410 --> 00:59:26,110

Danny Sheehan will be there Stephen

1503

00:59:30,680 --> 00:59:28,420

Bassett will be there and a number of

1504

00:59:35,130 --> 00:59:30,690

other very interesting post disclosure

1505

00:59:36,570 --> 00:59:35,140

world type events and beyond that my

1506

00:59:39,270 --> 00:59:36,580

goodness we have a summer and who knows

1507

00:59:40,850 --> 00:59:39,280

what things all the things going on in

1508

00:59:43,230 --> 00:59:40,860

September but that's so far away

1509

00:59:46,230 --> 00:59:43,240

exactly yeah let's not rush anything

1510

00:59:48,930 --> 00:59:46,240

rich your your insight your historical

1511

00:59:50,550 --> 00:59:48,940

knowledge or intuition on what we can

1512

00:59:53,009 --> 00:59:50,560

expect as we move forward with the

1513

00:59:55,559 --> 00:59:53,019

future of UFO studies and beyond it's

1514

00:59:56,909 --> 00:59:55,569

always amazed me so I have to thank you

1515

00:59:59,219 --> 00:59:56,919

1516

01:00:00,749 --> 00:59:59,229
