

# SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

THE PHILOSOPHY OF  
**UFO S**  
WITH MJ BANIAS

1  
00:00:04,309 --> 00:00:02,070  
hey y'all ryan spreck here as you all

2  
00:00:07,030 --> 00:00:04,319  
know the summer on the skies podcast is

3  
00:00:09,430 --> 00:00:07,040  
always free to consume but it isn't free

4  
00:00:11,830 --> 00:00:09,440  
to create that's why i've started this

5  
00:00:14,150 --> 00:00:11,840  
somewhere in the skies patreon campaign

6  
00:00:15,749 --> 00:00:14,160  
on a monthly basis you give what you

7  
00:00:18,630 --> 00:00:15,759  
think the show is worth you'll be

8  
00:00:21,269 --> 00:00:18,640  
helping the show continue grow and to be

9  
00:00:23,269 --> 00:00:21,279  
something truly communal and remember

10  
00:00:26,150 --> 00:00:23,279  
there are rewards for each level of

11  
00:00:28,390 --> 00:00:26,160  
contribution and the list is only grown

12  
00:00:31,189 --> 00:00:28,400  
so please help somewhere in the skies

13  
00:00:35,430 --> 00:00:31,199

now by becoming a patron to contribute

14

00:00:38,389 --> 00:00:35,440

and to learn more visit [www.patreon.com](http://www.patreon.com)

15

00:00:43,370 --> 00:00:38,399

backslash somewhere skies thank you for

16

00:00:43,380 --> 00:00:49,830

[Music]

17

00:00:54,760 --> 00:00:52,790

this is somewhere in the skies with ryan

18

00:00:57,460 --> 00:00:54,770

spread

19

00:00:57,810 --> 00:00:57,470

[Music]

20

00:01:07,710 --> 00:00:57,820

[Applause]

21

00:01:08,280 --> 00:01:07,720

[Music]

22

00:01:17,030 --> 00:01:08,290

[Applause]

23

00:01:20,789 --> 00:01:18,789

welcome to somewhere in the skies i'm

24

00:01:22,390 --> 00:01:20,799

your host ryan sprague

25

00:01:25,429 --> 00:01:22,400

by the time you'll be hearing this i'm

26  
00:01:27,590 --> 00:01:25,439  
on my way home from alien con which took

27  
00:01:28,870 --> 00:01:27,600  
place this past weekend in pasadena

28  
00:01:31,030 --> 00:01:28,880  
california

29  
00:01:32,870 --> 00:01:31,040  
it was an incredible event where i was

30  
00:01:35,670 --> 00:01:32,880  
able to reconnect with old friends and

31  
00:01:38,069 --> 00:01:35,680  
colleagues meet new ones and ask new

32  
00:01:40,310 --> 00:01:38,079  
questions about the ufo phenomenon and

33  
00:01:42,950 --> 00:01:40,320  
the ever-present question of whether or

34  
00:01:44,710 --> 00:01:42,960  
not we're alone in the universe

35  
00:01:47,190 --> 00:01:44,720  
i got to spend some valuable time with

36  
00:01:49,350 --> 00:01:47,200  
my good friend and now colleague dean

37  
00:01:52,389 --> 00:01:49,360  
aliotto i also got to see some really

38  
00:01:54,710 --> 00:01:52,399

cool panels including one on the x-files

39

00:01:57,749 --> 00:01:54,720

which featured david duchovny and mitch

40

00:02:00,310 --> 00:01:57,759

palecki all in all the weekend was just

41

00:02:02,789 --> 00:02:00,320

so much fun and i had a blast and the

42

00:02:05,350 --> 00:02:02,799

turnout for my presentation was much

43

00:02:07,270 --> 00:02:05,360

more than i ever could have anticipated

44

00:02:09,669 --> 00:02:07,280

so that was pretty cool too

45

00:02:11,750 --> 00:02:09,679

i was able to conduct some interviews

46

00:02:13,510 --> 00:02:11,760

between all the craziness and i'll be

47

00:02:15,990 --> 00:02:13,520

sharing all of that with you in the very

48

00:02:19,030 --> 00:02:16,000

near future but for now let's get to

49

00:02:24,550 --> 00:02:22,150

he is no stranger to the show you may

50

00:02:26,790 --> 00:02:24,560

remember him from our two-part series

51  
00:02:28,790 --> 00:02:26,800  
somewhere in the whiskey yup that's

52  
00:02:31,350 --> 00:02:28,800  
right today i'm sharing a great

53  
00:02:34,070 --> 00:02:31,360  
interview from the archives with mj

54  
00:02:37,190 --> 00:02:34,080  
banayas we hear all about how we got

55  
00:02:39,750 --> 00:02:37,200  
involved in ufo studies his thoughts and

56  
00:02:42,710 --> 00:02:39,760  
theories on the topic and what role

57  
00:02:46,229 --> 00:02:42,720  
philosophy truly plays in the grand

58  
00:02:54,309 --> 00:02:46,239  
theater of the mind we call ufos

59  
00:02:59,589 --> 00:02:57,670  
my origin story um you know when i was

60  
00:03:01,430 --> 00:02:59,599  
starting out you know i did a lot of

61  
00:03:02,470 --> 00:03:01,440  
stuff in sort of the local community

62  
00:03:03,830 --> 00:03:02,480  
when it came to paranormal

63  
00:03:05,670 --> 00:03:03,840

investigations and stuff like that like

64

00:03:07,270 --> 00:03:05,680

ghost hunting whatever you know the

65

00:03:09,670 --> 00:03:07,280

occasional uh

66

00:03:11,430 --> 00:03:09,680

the occasional bigfoot or when to go

67

00:03:13,030 --> 00:03:11,440

kind of thing i'm in canada so you know

68

00:03:15,509 --> 00:03:13,040

we we don't really have we have bigfoot

69

00:03:16,869 --> 00:03:15,519

here but they're not really you know

70

00:03:19,190 --> 00:03:16,879

we're more when to go people where i'm

71

00:03:21,110 --> 00:03:19,200

from but um you know did that kind of

72

00:03:23,190 --> 00:03:21,120

stuff and you know i found it great i

73

00:03:25,830 --> 00:03:23,200

found it fun but i didn't find it sort

74

00:03:27,509 --> 00:03:25,840

of as you know what i it wasn't my

75

00:03:29,750 --> 00:03:27,519

passion i'd always been a fan of the

76

00:03:31,670 --> 00:03:29,760

x-files and twilight zone and we had

77

00:03:33,990 --> 00:03:31,680

outer limits here in canada which was a

78

00:03:34,869 --> 00:03:34,000

cheesy version of the twilight zone oh

79

00:03:37,110 --> 00:03:34,879

yeah

80

00:03:39,110 --> 00:03:37,120

it was terrific but so really into that

81

00:03:42,309 --> 00:03:39,120

i just always was into

82

00:03:43,990 --> 00:03:42,319

the sort of culture of ufos and

83

00:03:45,670 --> 00:03:44,000

i always found it interesting um the

84

00:03:47,430 --> 00:03:45,680

sort of mysterious and murky world that

85

00:03:49,509 --> 00:03:47,440

it is and you know i met up with chris

86

00:03:51,190 --> 00:03:49,519

rakowski who's uh you know lives in the

87

00:03:52,070 --> 00:03:51,200

same city i do and we started chatting

88

00:03:53,830 --> 00:03:52,080

and

89

00:03:55,830 --> 00:03:53,840

i spoke to him before because i had a

90

00:03:57,910 --> 00:03:55,840

gentleman contact me concerning a an

91

00:03:59,589 --> 00:03:57,920

abduction situation through the

92

00:04:01,030 --> 00:03:59,599

paranormal group that i was with and it

93

00:04:02,630 --> 00:04:01,040

just sort of took off from there we sort

94

00:04:04,070 --> 00:04:02,640

of built a friendship and uh you know i

95

00:04:05,429 --> 00:04:04,080

started reading some of his stuff and i

96

00:04:06,789 --> 00:04:05,439

really started getting into it and then

97

00:04:08,070 --> 00:04:06,799

i decided to start writing for myself

98

00:04:10,869 --> 00:04:08,080

because i think i have i had a lot to

99

00:04:12,789 --> 00:04:10,879

say about sort of the state of ufology

100

00:04:14,070 --> 00:04:12,799

um you know where it is now i mean it's

101  
00:04:16,069 --> 00:04:14,080  
something that's been around for a long

102  
00:04:18,229 --> 00:04:16,079  
time and you know hasn't made

103  
00:04:20,949 --> 00:04:18,239  
significant progress in 60 something

104  
00:04:22,870 --> 00:04:20,959  
years you know i don't know so i guess

105  
00:04:23,749 --> 00:04:22,880  
my perspective is trying to bring that

106  
00:04:28,629 --> 00:04:23,759  
fresh

107  
00:04:30,150 --> 00:04:28,639  
world that is the ufo

108  
00:04:33,110 --> 00:04:30,160  
right right yeah and we'll definitely

109  
00:04:35,110 --> 00:04:33,120  
get into that uh state of mythology

110  
00:04:38,150 --> 00:04:35,120  
throughout this conversation mj it's

111  
00:04:40,070 --> 00:04:38,160  
funny you mentioned that sort of chris

112  
00:04:41,110 --> 00:04:40,080  
kind of took you under his wing i had a

113  
00:04:42,950 --> 00:04:41,120

similar

114

00:04:45,990 --> 00:04:42,960

experience with peter robbins here in

115

00:04:47,830 --> 00:04:46,000

the us the ufo researcher um and it

116

00:04:50,390 --> 00:04:47,840

seems like that's sort of how it goes

117

00:04:53,189 --> 00:04:50,400

where you have like the young protege

118

00:04:55,590 --> 00:04:53,199

coming in and trying to uh you know get

119

00:04:58,150 --> 00:04:55,600

what they can from the the quote-unquote

120

00:05:00,629 --> 00:04:58,160

old guard of ufology um

121

00:05:02,550 --> 00:05:00,639

not by any means pulling a darth vader

122

00:05:04,870 --> 00:05:02,560

of such but uh

123

00:05:08,070 --> 00:05:04,880

you know sort of taking what we can from

124

00:05:11,270 --> 00:05:08,080

the old guard of ufology the history of

125

00:05:13,590 --> 00:05:11,280

ufos and move it forward so we'll we'll

126

00:05:16,070 --> 00:05:13,600

definitely propel in that way so when

127

00:05:17,670 --> 00:05:16,080

exactly did you start investigating ufos

128

00:05:19,510 --> 00:05:17,680

and writing about them what was sort of

129

00:05:21,990 --> 00:05:19,520

your first dive into

130

00:05:23,670 --> 00:05:22,000

ufo journalism i guess

131

00:05:27,029 --> 00:05:23,680

writing about it has been really recent

132

00:05:28,950 --> 00:05:27,039

um i did a few ufo investigations and

133

00:05:30,950 --> 00:05:28,960

it was mainly abductions um

134

00:05:32,070 --> 00:05:30,960

you know chris was really in in where

135

00:05:35,510 --> 00:05:32,080

where we are

136

00:05:37,670 --> 00:05:35,520

in canada chris is really uh the ufo guy

137

00:05:39,990 --> 00:05:37,680

um like he gets i don't know like

138

00:05:41,670 --> 00:05:40,000

transport canada sends him their files

139

00:05:43,510 --> 00:05:41,680

when they have ufo reports like he is mr

140

00:05:45,430 --> 00:05:43,520

ufo in this country so he was really

141

00:05:46,710 --> 00:05:45,440

handling that stuff it was more every

142

00:05:48,790 --> 00:05:46,720

once in a while you know we would get an

143

00:05:51,270 --> 00:05:48,800

abduction case and and he would sort of

144

00:05:52,790 --> 00:05:51,280

route us because ultimately you know who

145

00:05:54,629 --> 00:05:52,800

has the attack and the equipment to

146

00:05:55,990 --> 00:05:54,639

investigate potential abductions but you

147

00:05:58,070 --> 00:05:56,000

know ghost hunters right we have ir

148

00:06:00,230 --> 00:05:58,080

cameras we have um emf detectors you

149

00:06:01,830 --> 00:06:00,240

know we had all that stuff right so um

150

00:06:03,590 --> 00:06:01,840

you know we started dealing with with uh

151  
00:06:07,510 --> 00:06:03,600  
some people who had who had alleged

152  
00:06:08,950 --> 00:06:07,520  
abductions um you know and

153  
00:06:10,950 --> 00:06:08,960  
that was that was that was all well and

154  
00:06:13,189 --> 00:06:10,960  
good and and you know for personal

155  
00:06:15,830 --> 00:06:13,199  
reasons i sort of had to leave that kind

156  
00:06:17,270 --> 00:06:15,840  
of world behind whether it was just uh

157  
00:06:19,430 --> 00:06:17,280  
it was it was you know kind of getting a

158  
00:06:21,270 --> 00:06:19,440  
little too strange for me and and

159  
00:06:23,029 --> 00:06:21,280  
some people were definitely latching on

160  
00:06:25,350 --> 00:06:23,039  
you know they wanted to be more than

161  
00:06:27,510 --> 00:06:25,360  
just you know a client um you know they

162  
00:06:28,790 --> 00:06:27,520  
wanted sort of your friendship and and

163  
00:06:30,070 --> 00:06:28,800

they wanted sort of psychological

164

00:06:32,469 --> 00:06:30,080

support and just like listen i'm not

165

00:06:34,390 --> 00:06:32,479

qualified at all to do this you know

166

00:06:37,270 --> 00:06:34,400

so uh you know it kind of got a little

167

00:06:39,590 --> 00:06:37,280

sticky i guess about a year ago a little

168

00:06:42,150 --> 00:06:39,600

little longer a year ago um i decided to

169

00:06:43,350 --> 00:06:42,160

join mufon um so i became a mufon field

170

00:06:45,350 --> 00:06:43,360

investigator

171

00:06:46,629 --> 00:06:45,360

about a year ago uh

172

00:06:48,309 --> 00:06:46,639

and that sort of officially launched me

173

00:06:50,710 --> 00:06:48,319

into the world of actually investigating

174

00:06:52,469 --> 00:06:50,720

like actual ufo sightings in relation to

175

00:06:54,390 --> 00:06:52,479

just dealing with abduction cases

176

00:06:56,150 --> 00:06:54,400

and then i started writing probably a

177

00:06:57,430 --> 00:06:56,160

couple months after that as i started to

178

00:06:59,990 --> 00:06:57,440

deal with

179

00:07:03,430 --> 00:07:00,000

some actual mufon cases and how mufon

180

00:07:04,469 --> 00:07:03,440

handled the ufo world um and

181

00:07:06,070 --> 00:07:04,479

and how

182

00:07:07,670 --> 00:07:06,080

other investigators were working and i

183

00:07:08,790 --> 00:07:07,680

guess you know i mean

184

00:07:10,390 --> 00:07:08,800

as i kind of

185

00:07:12,309 --> 00:07:10,400

delve deeper into the world i started to

186

00:07:15,430 --> 00:07:12,319

have a lot of concerns you know you

187

00:07:16,950 --> 00:07:15,440

start to sort of see the the this

188

00:07:18,950 --> 00:07:16,960

field that you're really interested in

189

00:07:21,589 --> 00:07:18,960

and it starts taking these awkward turns

190

00:07:23,350 --> 00:07:21,599

and you know i watched a lot of

191

00:07:24,710 --> 00:07:23,360

hanger one uh i think i commented on my

192

00:07:26,710 --> 00:07:24,720

blog once that is my favorite it's my

193

00:07:28,230 --> 00:07:26,720

favorite comedy on television you know

194

00:07:29,510 --> 00:07:28,240

and um you know

195

00:07:32,230 --> 00:07:29,520

that's kind of where i decided to start

196

00:07:33,589 --> 00:07:32,240

writing about it like i am i'm in no way

197

00:07:36,710 --> 00:07:33,599

sort of some

198

00:07:38,309 --> 00:07:36,720

debunker or hardline skeptic but um

199

00:07:41,189 --> 00:07:38,319

i think that there's a lot i think

200

00:07:42,790 --> 00:07:41,199

there's a lot of issues um in in ufology

201  
00:07:44,150 --> 00:07:42,800  
um and

202  
00:07:45,670 --> 00:07:44,160  
i think chris the first one to say that

203  
00:07:47,110 --> 00:07:45,680  
you know there's there's some weird

204  
00:07:48,309 --> 00:07:47,120  
stuff going on out there and and you

205  
00:07:50,870 --> 00:07:48,319  
know chris is definitely a man of

206  
00:07:51,990 --> 00:07:50,880  
science um and if it's not substantiated

207  
00:07:53,350 --> 00:07:52,000  
sort of by

208  
00:07:55,589 --> 00:07:53,360  
uh you know

209  
00:07:58,390 --> 00:07:55,599  
extraordinary evidence um then that

210  
00:07:59,589 --> 00:07:58,400  
extraordinary claim isn't you know he's

211  
00:08:02,309 --> 00:07:59,599  
not going to pay much attention to it

212  
00:08:03,589 --> 00:08:02,319  
because you know we really need the

213  
00:08:06,309 --> 00:08:03,599

the scientific background and the

214

00:08:09,270 --> 00:08:06,319

scientific information there the data

215

00:08:11,990 --> 00:08:09,280

absolutely yeah i mean

216

00:08:14,230 --> 00:08:12,000

that you bring up a really good point um

217

00:08:16,309 --> 00:08:14,240

and that sort of ties into something mj

218

00:08:18,629 --> 00:08:16,319

i know you and i talked about

219

00:08:21,589 --> 00:08:18,639

um and you touched on briefly in one of

220

00:08:23,909 --> 00:08:21,599

your blogs which i'd also like to uh

221

00:08:26,550 --> 00:08:23,919

talk about that as well your new project

222

00:08:28,150 --> 00:08:26,560

you got going on but

223

00:08:31,589 --> 00:08:28,160

sort of

224

00:08:33,509 --> 00:08:31,599

i i believe it was um

225

00:08:35,110 --> 00:08:33,519

it came up when

226

00:08:37,190 --> 00:08:35,120

i did an interview with actually michael

227

00:08:40,149 --> 00:08:37,200

hanks our mutual colleague

228

00:08:42,230 --> 00:08:40,159

um and he brought up the issue of the

229

00:08:45,590 --> 00:08:42,240

difference between scientific study of

230

00:08:47,990 --> 00:08:45,600

ufology and more of a philosophical

231

00:08:50,949 --> 00:08:48,000

angle this issue came

232

00:08:52,790 --> 00:08:50,959

um came up after some quotes that he

233

00:08:55,269 --> 00:08:52,800

brought up from

234

00:08:57,110 --> 00:08:55,279

some of the leading scientists out there

235

00:08:58,310 --> 00:08:57,120

and i'd love to delve into this a little

236

00:08:59,590 --> 00:08:58,320

bit with you and get your thoughts do

237

00:09:02,550 --> 00:08:59,600

you see

238

00:09:03,509 --> 00:09:02,560

science or philosophy as one having more

239

00:09:06,870 --> 00:09:03,519

merit

240

00:09:08,870 --> 00:09:06,880

or so over the other one studying ufos

241

00:09:10,550 --> 00:09:08,880

you know this is this is a massive

242

00:09:13,269 --> 00:09:10,560

question i think this is what my blog is

243

00:09:15,110 --> 00:09:13,279

sort of tr is evolving into because it

244

00:09:16,230 --> 00:09:15,120

started out with me just sort of you

245

00:09:18,949 --> 00:09:16,240

know

246

00:09:20,790 --> 00:09:18,959

talking about ufological phenomena or or

247

00:09:21,630 --> 00:09:20,800

you know cases or whatever but it's very

248

00:09:24,550 --> 00:09:21,640

much

249

00:09:25,829 --> 00:09:24,560

becoming um sort of i think these two

250

00:09:28,310 --> 00:09:25,839

juggernauts and i don't think there

251

00:09:30,870 --> 00:09:28,320

necessarily is a separation between

252

00:09:32,230 --> 00:09:30,880

science and philosophy or theory i think

253

00:09:33,509 --> 00:09:32,240

that they're kind of they need each

254

00:09:35,190 --> 00:09:33,519

other right i think they need to sort of

255

00:09:37,590 --> 00:09:35,200

bolster each other because because

256

00:09:39,030 --> 00:09:37,600

scientific philosophy is is meaningless

257

00:09:40,230 --> 00:09:39,040

and i think philosophy without science

258

00:09:41,750 --> 00:09:40,240

is is

259

00:09:43,670 --> 00:09:41,760

useless right like they don't they sort

260

00:09:45,590 --> 00:09:43,680

of really really need to co-exist

261

00:09:47,590 --> 00:09:45,600

and um you know micah brought up during

262

00:09:49,590 --> 00:09:47,600

an interview and i wrote a blog post

263

00:09:51,030 --> 00:09:49,600

about it it was it was a great interview

264

00:09:54,630 --> 00:09:51,040

because he he raised some interesting

265

00:09:55,829 --> 00:09:54,640

questions um in regards to

266

00:09:59,110 --> 00:09:55,839

you know

267

00:10:00,790 --> 00:09:59,120

can science really help us solve the ufo

268

00:10:02,470 --> 00:10:00,800

phenomenon and i would say you know when

269

00:10:04,550 --> 00:10:02,480

you look at facebook when you look at

270

00:10:05,910 --> 00:10:04,560

the forums when you look at

271

00:10:07,670 --> 00:10:05,920

all the websites right that deal with

272

00:10:09,590 --> 00:10:07,680

ufos it really we're dealing with a lot

273

00:10:10,949 --> 00:10:09,600

of philosophy and a lot of theology

274

00:10:13,670 --> 00:10:10,959

right a lot of the discussion is about

275

00:10:16,389 --> 00:10:13,680

belief it's not about

276

00:10:18,550 --> 00:10:16,399

actual data um and i think

277

00:10:19,430 --> 00:10:18,560

you know at this point right now i think

278

00:10:22,710 --> 00:10:19,440

some

279

00:10:25,590 --> 00:10:22,720

science is sort of um is impotent in

280

00:10:27,910 --> 00:10:25,600

helping solve the ufo phenomenon right

281

00:10:29,509 --> 00:10:27,920

now um i think it is a big question of

282

00:10:30,550 --> 00:10:29,519

philosophy it's a big question of theory

283

00:10:31,590 --> 00:10:30,560

because

284

00:10:33,829 --> 00:10:31,600

um

285

00:10:36,310 --> 00:10:33,839

you know what can science really talk

286

00:10:38,470 --> 00:10:36,320

about when it comes to ufos right ufos

287

00:10:42,750 --> 00:10:38,480

don't follow

288

00:10:44,470 --> 00:10:42,760

they don't they can't they're not

289

00:10:46,470 --> 00:10:44,480

reproducible you know in order for a

290

00:10:47,990 --> 00:10:46,480

claim that is to be scientific it has to

291

00:10:50,310 --> 00:10:48,000

be reproduced right we have to prove

292

00:10:52,150 --> 00:10:50,320

that we can sort of recreate this event

293

00:10:53,670 --> 00:10:52,160

over and over and over again test

294

00:10:55,509 --> 00:10:53,680

various theories against it test various

295

00:10:56,389 --> 00:10:55,519

hypotheses sorry against it

296

00:10:58,230 --> 00:10:56,399

and

297

00:11:00,710 --> 00:10:58,240

potentially get an answer to what this

298

00:11:02,949 --> 00:11:00,720

thing is right ufos don't do this right

299

00:11:04,949 --> 00:11:02,959

and i think science and i think the

300

00:11:06,389 --> 00:11:04,959

reason why there's this massive ufo

301  
00:11:07,590 --> 00:11:06,399  
taboo out there right why science

302  
00:11:09,269 --> 00:11:07,600  
doesn't talk about

303  
00:11:10,790 --> 00:11:09,279  
about it and why you know people like

304  
00:11:12,150 --> 00:11:10,800  
you and me ryan are cranks and crazies

305  
00:11:14,550 --> 00:11:12,160  
and lunatics

306  
00:11:16,389 --> 00:11:14,560  
is because science can't provide an

307  
00:11:18,230 --> 00:11:16,399  
answer right and i think i think science

308  
00:11:21,190 --> 00:11:18,240  
is frightened by this right i think that

309  
00:11:22,470 --> 00:11:21,200  
there is genuinely um

310  
00:11:23,670 --> 00:11:22,480  
this underlying concern i'm not saying

311  
00:11:24,949 --> 00:11:23,680  
scientists you know actually worry about

312  
00:11:27,590 --> 00:11:24,959  
this and they go to bed at night

313  
00:11:29,430 --> 00:11:27,600

panicked about ufos but i think they or

314

00:11:33,110 --> 00:11:29,440

i think the scientific community says

315

00:11:34,790 --> 00:11:33,120

you know listen we can't really prove it

316

00:11:38,069 --> 00:11:34,800

um and i think this puts a huge limit on

317

00:11:39,990 --> 00:11:38,079

science right um because ufos

318

00:11:41,590 --> 00:11:40,000

you know aren't they're paranormal but

319

00:11:43,910 --> 00:11:41,600

they're not right you know ufos tend to

320

00:11:45,670 --> 00:11:43,920

leave once in a while trace evidence you

321

00:11:47,110 --> 00:11:45,680

know they show up on radar once in a

322

00:11:49,030 --> 00:11:47,120

while

323

00:11:51,430 --> 00:11:49,040

um they they leave imprints and and

324

00:11:53,269 --> 00:11:51,440

depressions in the ground um you know

325

00:11:55,350 --> 00:11:53,279

they have you know

326

00:11:57,269 --> 00:11:55,360

crop circles which uh you know sometimes

327

00:11:59,269 --> 00:11:57,279

obviously are human made but generally a

328

00:12:01,190 --> 00:11:59,279

lot of times there is sort of no

329

00:12:02,069 --> 00:12:01,200

explanation to what caused them um so

330

00:12:03,430 --> 00:12:02,079

well

331

00:12:05,350 --> 00:12:03,440

once in a while we get this weird moment

332

00:12:07,030 --> 00:12:05,360

where we have all of this actual

333

00:12:09,430 --> 00:12:07,040

physical evidence but science can't

334

00:12:11,509 --> 00:12:09,440

provide an answer just to what it is and

335

00:12:14,150 --> 00:12:11,519

scientists i think hate

336

00:12:15,829 --> 00:12:14,160

i don't know as an answer um so it's a

337

00:12:18,470 --> 00:12:15,839

lot easier to say it doesn't exist

338

00:12:20,069 --> 00:12:18,480

exactly yeah and i mean we have

339

00:12:21,910 --> 00:12:20,079

and that's not to say that scientists

340

00:12:24,389 --> 00:12:21,920

aren't interested yeah they're probably

341

00:12:27,269 --> 00:12:24,399

not going to bed you know with this

342

00:12:29,829 --> 00:12:27,279

conundrum keeping them up at night but

343

00:12:31,590 --> 00:12:29,839

uh we both i'm sure have spoken to many

344

00:12:32,870 --> 00:12:31,600

scientists interested in the topic but

345

00:12:34,470 --> 00:12:32,880

like you said

346

00:12:36,310 --> 00:12:34,480

there is no

347

00:12:38,949 --> 00:12:36,320

repeated evidence for something like

348

00:12:41,269 --> 00:12:38,959

this once a ufo is spotted it's gone in

349

00:12:44,069 --> 00:12:41,279

an instant so how do you

350

00:12:47,030 --> 00:12:44,079

track that uh how do you

351

00:12:48,710 --> 00:12:47,040

analyze data and how do you repeat it

352

00:12:50,870 --> 00:12:48,720

it's just it's simply

353

00:12:53,269 --> 00:12:50,880

not the thing and that's where like you

354

00:12:57,110 --> 00:12:53,279

said philosophy comes into

355

00:12:59,350 --> 00:12:57,120

into the uh the realm of ufo studies and

356

00:13:01,990 --> 00:12:59,360

the dreamers are the ones we sort of

357

00:13:03,990 --> 00:13:02,000

depend on and that can be either a huge

358

00:13:07,190 --> 00:13:04,000

hindrance to the field or it can be the

359

00:13:09,750 --> 00:13:07,200

only way to open it up for conversation

360

00:13:12,870 --> 00:13:09,760

so it's it's frustrating nonetheless but

361

00:13:14,150 --> 00:13:12,880

uh yeah you bring up many good points um

362

00:13:17,910 --> 00:13:14,160

in terms of

363

00:13:20,389 --> 00:13:17,920

of evidence or tracking on radar mj

364

00:13:22,230 --> 00:13:20,399

there is a very interesting case that

365

00:13:25,269 --> 00:13:22,240

happened in your neck of the woods i

366

00:13:28,550 --> 00:13:25,279

believe this was in 1967 the famous shag

367

00:13:31,430 --> 00:13:28,560

harbor ufo incident um are you are you

368

00:13:32,550 --> 00:13:31,440

at all familiar with this case

369

00:13:33,829 --> 00:13:32,560

oh

370

00:13:35,430 --> 00:13:33,839

you know what this is you know people

371

00:13:36,310 --> 00:13:35,440

call this canada's roswell right this is

372

00:13:39,670 --> 00:13:36,320

the

373

00:13:41,990 --> 00:13:39,680

this is that that case that um you know

374

00:13:44,069 --> 00:13:42,000

people give a lot of credit to i think

375

00:13:45,670 --> 00:13:44,079

because of the amount of investigation

376

00:13:48,069 --> 00:13:45,680

there was because of the amount of

377

00:13:50,949 --> 00:13:48,079

witnesses there were

378

00:13:53,590 --> 00:13:50,959

testimony from people on the ground

379

00:13:55,750 --> 00:13:53,600

civilians and people you know on navy

380

00:13:57,509 --> 00:13:55,760

vessels actual military officers you

381

00:13:59,030 --> 00:13:57,519

know people who are involved from sort

382

00:14:00,310 --> 00:13:59,040

of this whole

383

00:14:01,430 --> 00:14:00,320

massive

384

00:14:02,870 --> 00:14:01,440

spectrum

385

00:14:05,030 --> 00:14:02,880

um

386

00:14:06,870 --> 00:14:05,040

it's it's a big case you know

387

00:14:08,470 --> 00:14:06,880

i personally you know i don't know what

388

00:14:10,150 --> 00:14:08,480

it is we can talk about i'd love to sort

389

00:14:11,990 --> 00:14:10,160

of get into this with you

390

00:14:13,670 --> 00:14:12,000

but you know it

391

00:14:15,910 --> 00:14:13,680

is definitely one of those massive cases

392

00:14:17,990 --> 00:14:15,920

and 1967 is this weird year for canada i

393

00:14:20,949 --> 00:14:18,000

can be honest there are so many

394

00:14:23,509 --> 00:14:20,959

ufo reports and sightings and big

395

00:14:24,389 --> 00:14:23,519

cases in canada in 1967 it was like

396

00:14:25,670 --> 00:14:24,399

something happened like something

397

00:14:28,230 --> 00:14:25,680

exploded and suddenly people were seeing

398

00:14:29,990 --> 00:14:28,240

ufos and and things were crashing and

399

00:14:31,509 --> 00:14:30,000

you know there's a great case out of my

400

00:14:34,069 --> 00:14:31,519

neck of the woods called the falcon lake

401  
00:14:37,189 --> 00:14:34,079  
ufo incident uh where a guy got burned

402  
00:14:38,790 --> 00:14:37,199  
by a ufo i mean there's yeah i mean it

403  
00:14:40,069 --> 00:14:38,800  
you know left evidence right trace

404  
00:14:42,389 --> 00:14:40,079  
evidence and and it's one of those

405  
00:14:44,150 --> 00:14:42,399  
things um

406  
00:14:45,910 --> 00:14:44,160  
yeah great year for ufos and a great

407  
00:14:47,590 --> 00:14:45,920  
definitely incident the shag harbor ufo

408  
00:14:49,030 --> 00:14:47,600  
case yeah and i mean like you said

409  
00:14:52,069 --> 00:14:49,040  
that's that's very interesting that you

410  
00:14:53,750 --> 00:14:52,079  
sort of had a flap in 67 and we we

411  
00:14:56,629 --> 00:14:53,760  
wonder why these things happen i mean

412  
00:14:58,310 --> 00:14:56,639  
look at 1947 you know we didn't we

413  
00:15:01,590 --> 00:14:58,320

didn't just have roswell like many

414

00:15:04,550 --> 00:15:01,600

people think i mean we had the

415

00:15:06,949 --> 00:15:04,560

first quote-unquote modern ufology case

416

00:15:09,590 --> 00:15:06,959

being kenneth arnold we had the maury

417

00:15:11,110 --> 00:15:09,600

island incident and you wonder why why

418

00:15:13,189 --> 00:15:11,120

are these flaps happening in certain

419

00:15:16,230 --> 00:15:13,199

locations at this time is it some sort

420

00:15:19,269 --> 00:15:16,240

of mass hysteria uh have we opened the

421

00:15:21,189 --> 00:15:19,279

consciousness of the possibility of ufos

422

00:15:23,189 --> 00:15:21,199

inviting it in um

423

00:15:26,629 --> 00:15:23,199

in terms of shag harbor right there you

424

00:15:31,110 --> 00:15:26,639

have almost this return of the the foo

425

00:15:33,189 --> 00:15:31,120

fighters these glowing orange orbs um

426

00:15:34,310 --> 00:15:33,199

sort of descending into the waters in

427

00:15:35,590 --> 00:15:34,320

canada

428

00:15:38,150 --> 00:15:35,600

so yeah what do you think about the

429

00:15:40,710 --> 00:15:38,160

whole idea of a flap mj i mean this this

430

00:15:41,509 --> 00:15:40,720

comes and goes all the time in ufology

431

00:15:43,350 --> 00:15:41,519

and

432

00:15:45,350 --> 00:15:43,360

what do you make of that

433

00:15:47,430 --> 00:15:45,360

you know it's it

434

00:15:49,910 --> 00:15:47,440

lapses are these interesting things

435

00:15:51,430 --> 00:15:49,920

because you know it's tough right

436

00:15:53,790 --> 00:15:51,440

you know all

437

00:15:56,550 --> 00:15:53,800

are people actually seeing physical

438

00:15:58,389 --> 00:15:56,560

objects in the sky and whatever is

439

00:15:59,350 --> 00:15:58,399

controlling these objects assuming that

440

00:16:01,030 --> 00:15:59,360

you know their objects they're being

441

00:16:02,230 --> 00:16:01,040

controlled intelligently or whatever you

442

00:16:03,509 --> 00:16:02,240

know

443

00:16:05,269 --> 00:16:03,519

did they just

444

00:16:07,670 --> 00:16:05,279

kind of show up for it for a few weeks

445

00:16:09,509 --> 00:16:07,680

or a few days or a few months or a year

446

00:16:11,189 --> 00:16:09,519

and then suddenly they disappear and and

447

00:16:12,550 --> 00:16:11,199

you know are they you know kind of

448

00:16:13,990 --> 00:16:12,560

showing up

449

00:16:15,670 --> 00:16:14,000

and then deciding to hang out for a bit

450

00:16:17,590 --> 00:16:15,680

and then leave um

451

00:16:21,590 --> 00:16:17,600

or or is it like i don't say mass

452

00:16:24,389 --> 00:16:21,600

hysteria but is it sort of a cultural um

453

00:16:26,710 --> 00:16:24,399

i don't know a build-up of of thinking

454

00:16:29,189 --> 00:16:26,720

um you know people see where people see

455

00:16:30,949 --> 00:16:29,199

articles and reports and the radio they

456

00:16:32,470 --> 00:16:30,959

hear reports about ufos and then they

457

00:16:34,710 --> 00:16:32,480

start seeing lights in the sky so they

458

00:16:37,269 --> 00:16:34,720

think well i'm seeing one too and you

459

00:16:38,949 --> 00:16:37,279

sort of get this progression of of

460

00:16:40,389 --> 00:16:38,959

visions of ufos that that aren't

461

00:16:42,790 --> 00:16:40,399

necessarily there or they're seeing

462

00:16:43,990 --> 00:16:42,800

something but it's not

463

00:16:45,350 --> 00:16:44,000

you know intelligently controlled or

464

00:16:47,990 --> 00:16:45,360

anything it's just you know a random

465

00:16:49,670 --> 00:16:48,000

natural phenomenon in the sky um

466

00:16:51,670 --> 00:16:49,680

you know i can be honest it's i find it

467

00:16:53,269 --> 00:16:51,680

tough to to talk about the idea of a

468

00:16:55,590 --> 00:16:53,279

flap because i don't think i necessarily

469

00:16:59,590 --> 00:16:55,600

know where i stand on one or or i stand

470

00:17:01,749 --> 00:16:59,600

on the idea of of ufo flaps um

471

00:17:04,390 --> 00:17:01,759

yeah um

472

00:17:06,150 --> 00:17:04,400

it's a tough one yeah it is i mean and

473

00:17:08,309 --> 00:17:06,160

who's to say they're all connected or

474

00:17:09,750 --> 00:17:08,319

disconnected it's it's a case-to-case

475

00:17:12,870 --> 00:17:09,760

basis for sure

476

00:17:14,390 --> 00:17:12,880

and i think the idea of the flap is is

477

00:17:15,909 --> 00:17:14,400

you know it's not a scientific idea

478

00:17:18,549 --> 00:17:15,919

right it's not something that we can

479

00:17:20,230 --> 00:17:18,559

sort of um prove and reproduce

480

00:17:21,429 --> 00:17:20,240

yeah right it's very theological right

481

00:17:23,270 --> 00:17:21,439

like i think we're going to have a

482

00:17:24,470 --> 00:17:23,280

debate about you know whether we believe

483

00:17:25,669 --> 00:17:24,480

in them or not right not necessarily

484

00:17:27,110 --> 00:17:25,679

whether they're actually occurring or

485

00:17:29,110 --> 00:17:27,120

not

486

00:17:31,909 --> 00:17:29,120

right yeah actually

487

00:17:33,909 --> 00:17:31,919

exactly i mean again it's it's what it's

488

00:17:36,390 --> 00:17:33,919

not whether or not it's

489

00:17:38,150 --> 00:17:36,400

it's occurring you know um it is

490

00:17:40,789 --> 00:17:38,160

happening it's just a matter of what it

491

00:17:41,669 --> 00:17:40,799

is and that's again another struggle we

492

00:17:44,230 --> 00:17:41,679

all

493

00:17:47,110 --> 00:17:44,240

have and um we sort of try to lump it in

494

00:17:49,990 --> 00:17:47,120

to this idea because it's our way of

495

00:17:51,590 --> 00:17:50,000

um dealing with it you know instead of

496

00:17:53,510 --> 00:17:51,600

from this could be from another

497

00:17:55,350 --> 00:17:53,520

dimension another time another world

498

00:17:57,110 --> 00:17:55,360

let's throw it all together in a nuts

499

00:17:59,270 --> 00:17:57,120

and bolts sort of way

500

00:18:00,870 --> 00:17:59,280

and say that these are quote unquote

501  
00:18:02,150 --> 00:18:00,880  
non-human

502  
00:18:03,270 --> 00:18:02,160  
piloted

503  
00:18:05,750 --> 00:18:03,280  
craft

504  
00:18:07,510 --> 00:18:05,760  
visiting our planet i mean

505  
00:18:10,150 --> 00:18:07,520  
it's a sweeping assumption to say the

506  
00:18:11,190 --> 00:18:10,160  
least oh 100 and i think

507  
00:18:12,710 --> 00:18:11,200  
that you know i think people and i think

508  
00:18:14,630 --> 00:18:12,720  
this is a big reason why there is such a

509  
00:18:16,390 --> 00:18:14,640  
ufo taboo out there right why the the

510  
00:18:17,990 --> 00:18:16,400  
mainstream media you know whenever they

511  
00:18:19,669 --> 00:18:18,000  
report on a ufo sighting there's always

512  
00:18:21,190 --> 00:18:19,679  
that kind of rye smile on the snicker

513  
00:18:23,590 --> 00:18:21,200

right on the on the anchor's face or

514

00:18:25,909 --> 00:18:23,600

whatever right um i think that

515

00:18:28,789 --> 00:18:25,919

for for people

516

00:18:30,630 --> 00:18:28,799

in general right we view sort of

517

00:18:33,430 --> 00:18:30,640

ourselves as

518

00:18:35,350 --> 00:18:33,440

um you know we have complete control in

519

00:18:36,870 --> 00:18:35,360

essence over this planet

520

00:18:38,470 --> 00:18:36,880

right we are sort of the be-all and the

521

00:18:40,470 --> 00:18:38,480

end-all of

522

00:18:42,710 --> 00:18:40,480

um intelligence on this planet right you

523

00:18:43,909 --> 00:18:42,720

know every single animal is generally

524

00:18:45,510 --> 00:18:43,919

you know we can control it we can

525

00:18:46,710 --> 00:18:45,520

generally control mother nature once in

526

00:18:48,789 --> 00:18:46,720

a while you know if we need to move a

527

00:18:50,390 --> 00:18:48,799

river we can move a river um you know if

528

00:18:51,510 --> 00:18:50,400

we need to build a hill we can build a

529

00:18:53,190 --> 00:18:51,520

hill you know once in a while mother

530

00:18:54,310 --> 00:18:53,200

nature throws us a curveball but she

531

00:18:56,549 --> 00:18:54,320

doesn't do it on purpose you know she

532

00:18:58,150 --> 00:18:56,559

just kind of is

533

00:18:59,590 --> 00:18:58,160

um and i think you know we as humans

534

00:19:02,310 --> 00:18:59,600

kind of think you know we kind of run

535

00:19:03,430 --> 00:19:02,320

the show here and i think that the the

536

00:19:06,549 --> 00:19:03,440

um

537

00:19:08,470 --> 00:19:06,559

the idea of something else right

538

00:19:09,750 --> 00:19:08,480

intelligently controlling objects in our

539

00:19:11,430 --> 00:19:09,760

skies

540

00:19:13,190 --> 00:19:11,440

it's i think it's

541

00:19:14,870 --> 00:19:13,200

really quite a frightening concept not

542

00:19:16,230 --> 00:19:14,880

just physically frightening you know

543

00:19:17,750 --> 00:19:16,240

we're afraid of being invaded or

544

00:19:20,070 --> 00:19:17,760

whatever other movie

545

00:19:23,590 --> 00:19:20,080

alien trope there is um i think it

546

00:19:26,630 --> 00:19:23,600

really threatens our uh sort of sense

547

00:19:28,230 --> 00:19:26,640

of control and i think this is uh you

548

00:19:29,750 --> 00:19:28,240

know something some philosophy that

549

00:19:31,990 --> 00:19:29,760

exists within us right some some innate

550

00:19:35,830 --> 00:19:32,000

desire to be in control to have power

551

00:19:37,909 --> 00:19:35,840

and i think the idea of uh the

552

00:19:39,909 --> 00:19:37,919

intelligent other and only that the

553

00:19:42,390 --> 00:19:39,919

intelligent other that also thinks the

554

00:19:44,549 --> 00:19:42,400

same way we do in that you know i can be

555

00:19:47,669 --> 00:19:44,559

in charge right i have agency over the

556

00:19:49,430 --> 00:19:47,679

world around me um you know i

557

00:19:50,630 --> 00:19:49,440

can be in control uh you know it would

558

00:19:51,909 --> 00:19:50,640

be frightening to think that there's

559

00:19:53,830 --> 00:19:51,919

another

560

00:19:57,029 --> 00:19:53,840

group out there that

561

00:20:00,070 --> 00:19:57,039

isn't us but has free will and thinks

562

00:20:01,830 --> 00:20:00,080

and um wants to be

563

00:20:03,270 --> 00:20:01,840

in control of the situation and i think

564

00:20:04,549 --> 00:20:03,280

this is this is really problematic and i

565

00:20:06,950 --> 00:20:04,559

think you know when we kind of think

566

00:20:08,870 --> 00:20:06,960

about how people deal with ufos you know

567

00:20:10,390 --> 00:20:08,880

i don't i think people generally don't

568

00:20:11,990 --> 00:20:10,400

want to think there's something actually

569

00:20:13,350 --> 00:20:12,000

going on right we're okay to kind of

570

00:20:14,710 --> 00:20:13,360

believe in it and snicker about it and

571

00:20:16,390 --> 00:20:14,720

watch episodes of the x-files and star

572

00:20:18,710 --> 00:20:16,400

trek but we don't necessarily want to

573

00:20:20,470 --> 00:20:18,720

kind of deal with this potential

574

00:20:22,150 --> 00:20:20,480

potential potential i say potential i'm

575

00:20:24,710 --> 00:20:22,160

not saying there are there's anything

576  
00:20:25,909 --> 00:20:24,720  
out there but potential threat that you

577  
00:20:27,590 --> 00:20:25,919  
know

578  
00:20:30,070 --> 00:20:27,600  
there's another intelligence out there

579  
00:20:31,990 --> 00:20:30,080  
and we would have to sort of

580  
00:20:33,750 --> 00:20:32,000  
deal with this especially if this other

581  
00:20:35,190 --> 00:20:33,760  
showed up on our planet and said you

582  
00:20:36,230 --> 00:20:35,200  
know we're going to share this place now

583  
00:20:39,110 --> 00:20:36,240  
i mean this

584  
00:20:41,190 --> 00:20:39,120  
frost would be like this would totally

585  
00:20:43,510 --> 00:20:41,200  
change everything um it would be an

586  
00:20:47,909 --> 00:20:43,520  
entire philosophical philosophical shift

587  
00:20:49,590 --> 00:20:47,919  
in thinking of uh you know what is uh

588  
00:20:51,350 --> 00:20:49,600

our agency on this planet are we

589

00:20:53,750 --> 00:20:51,360

actually in control

590

00:20:55,430 --> 00:20:53,760

so i think you know when we talk about

591

00:20:57,110 --> 00:20:55,440

flaps and we talk about the science

592

00:20:58,710 --> 00:20:57,120

versus the philosophy of ufos i'm not

593

00:20:59,990 --> 00:20:58,720

sure if science really wants to deal

594

00:21:02,549 --> 00:21:00,000

with ufos

595

00:21:03,430 --> 00:21:02,559

because of the the potential

596

00:21:07,990 --> 00:21:03,440

um

597

00:21:10,230 --> 00:21:08,000

situation that would that would arise or

598

00:21:11,510 --> 00:21:10,240

could arise and and like i said it's not

599

00:21:13,830 --> 00:21:11,520

just physical it's not a threat of

600

00:21:15,430 --> 00:21:13,840

invasion or whatever it's

601  
00:21:16,950 --> 00:21:15,440  
like i said i think it's more innate

602  
00:21:19,029 --> 00:21:16,960  
it's more um

603  
00:21:21,590 --> 00:21:19,039  
that which drives us as humans on this

604  
00:21:22,630 --> 00:21:21,600  
planet right this this instinct to be in

605  
00:21:25,669 --> 00:21:22,640  
control

606  
00:21:27,430 --> 00:21:25,679  
exactly i mean and it says so much more

607  
00:21:29,590 --> 00:21:27,440  
about us than it does

608  
00:21:30,630 --> 00:21:29,600  
this potential other

609  
00:21:36,470 --> 00:21:30,640  
other

610  
00:21:38,710 --> 00:21:36,480  
off that mj you you shared a video on

611  
00:21:41,190 --> 00:21:38,720  
your blog um also let's give the name of

612  
00:21:42,710 --> 00:21:41,200  
the blog i don't think we've given it

613  
00:21:44,789 --> 00:21:42,720

a course

614

00:21:47,270 --> 00:21:44,799

you need a plug yeah let's let's do it

615

00:21:49,909 --> 00:21:47,280

um you have a a new blog that you're

616

00:21:52,390 --> 00:21:49,919

running with chris um another canadian

617

00:21:54,470 --> 00:21:52,400

ufo researcher what's that called yeah

618

00:21:58,630 --> 00:21:54,480

so our blog is

619

00:21:58,640 --> 00:22:01,630

t-e-r-r-a

620

00:22:06,390 --> 00:22:04,789

o-b-s-c-u-r-a dot net um i think you can

621

00:22:09,149 --> 00:22:06,400

google us we're like

622

00:22:11,669 --> 00:22:09,159

we're not the first hit but that's okay

623

00:22:12,470 --> 00:22:11,679

obscura.net and it's um it's sort of

624

00:22:14,630 --> 00:22:12,480

where

625

00:22:16,470 --> 00:22:14,640

culture theory and high strangeness meet

626

00:22:19,190 --> 00:22:16,480

it's a sort of a critical

627

00:22:21,590 --> 00:22:19,200

theory approach to ufology um

628

00:22:23,750 --> 00:22:21,600

so we sort of look at

629

00:22:25,190 --> 00:22:23,760

not necessarily uh the question of do

630

00:22:26,390 --> 00:22:25,200

you believe in ufos which i think is

631

00:22:28,710 --> 00:22:26,400

actually a waste of time

632

00:22:29,909 --> 00:22:28,720

really we're thinking we talk about

633

00:22:32,789 --> 00:22:29,919

why

634

00:22:35,270 --> 00:22:32,799

don't uh governments and

635

00:22:36,789 --> 00:22:35,280

academics and scientists study ufos what

636

00:22:38,549 --> 00:22:36,799

are the the

637

00:22:40,230 --> 00:22:38,559

uh what are the philosophies that exist

638

00:22:43,750 --> 00:22:40,240

behind

639

00:22:46,149 --> 00:22:43,760

the lack of attention for ufos uh um so

640

00:22:47,590 --> 00:22:46,159

yeah i hope people read i i realize i'm

641

00:22:49,830 --> 00:22:47,600

really enjoying writing it because it's

642

00:22:52,630 --> 00:22:49,840

it's definitely my academic background

643

00:22:54,950 --> 00:22:52,640

uh mixing with um ufos which are the

644

00:22:56,710 --> 00:22:54,960

coolest thing in the world yeah

645

00:22:59,350 --> 00:22:56,720

agreed my man um

646

00:23:01,029 --> 00:22:59,360

well uh yeah i absolutely love it i get

647

00:23:03,750 --> 00:23:01,039

so excited when i see you posting

648

00:23:06,390 --> 00:23:03,760

something new um so i definitely suggest

649

00:23:09,190 --> 00:23:06,400

listening listeners check that out um

650

00:23:11,909 --> 00:23:09,200

you did post on the blog uh not too long

651  
00:23:13,430 --> 00:23:11,919  
ago about a video that ufo historian

652  
00:23:15,990 --> 00:23:13,440  
richard dolan

653  
00:23:17,270 --> 00:23:16,000  
um was interviewed about disclosure so

654  
00:23:19,750 --> 00:23:17,280  
let's sort of get into that

655  
00:23:21,909 --> 00:23:19,760  
quote-unquote potential of something

656  
00:23:22,870 --> 00:23:21,919  
coming to this planet or if it already

657  
00:23:24,789 --> 00:23:22,880  
has

658  
00:23:26,549 --> 00:23:24,799  
um

659  
00:23:28,549 --> 00:23:26,559  
what do you make of the idea of

660  
00:23:31,430 --> 00:23:28,559  
disclosure like you said it would be a

661  
00:23:32,390 --> 00:23:31,440  
complete paradigm shift a perception

662  
00:23:35,029 --> 00:23:32,400  
shift

663  
00:23:37,590 --> 00:23:35,039

what do you make of the possibility of a

664

00:23:40,549 --> 00:23:37,600

disclosure of a non-human intelligence

665

00:23:44,789 --> 00:23:42,950

so you're asking me you're asking me i'm

666

00:23:46,950 --> 00:23:44,799

assuming there is something to disclose

667

00:23:49,110 --> 00:23:46,960

let's say let's say they're assuming

668

00:23:52,390 --> 00:23:49,120

there is something to disclose um

669

00:23:55,110 --> 00:23:52,400

whether that comes again forcefully by

670

00:23:57,110 --> 00:23:55,120

this intelligence to the planet or

671

00:24:00,230 --> 00:23:57,120

for some

672

00:24:02,710 --> 00:24:00,240

improbable reason some government body

673

00:24:05,350 --> 00:24:02,720

discloses the truth which i think we can

674

00:24:07,669 --> 00:24:05,360

both agree probably will never happen um

675

00:24:10,149 --> 00:24:07,679

what would that disclosure entail what

676

00:24:12,470 --> 00:24:10,159

would it do to humanity

677

00:24:14,549 --> 00:24:12,480

right so you know i think we i think i

678

00:24:16,310 --> 00:24:14,559

think you know richard dolan you know i

679

00:24:18,070 --> 00:24:16,320

love the guy i think he kind of hits the

680

00:24:19,830 --> 00:24:18,080

nail on the head in this video of i

681

00:24:21,029 --> 00:24:19,840

think what it would do politically i

682

00:24:23,590 --> 00:24:21,039

think there would be

683

00:24:25,510 --> 00:24:23,600

a lot of problems i think you'd

684

00:24:28,710 --> 00:24:25,520

have as he mentions in his interview you

685

00:24:29,990 --> 00:24:28,720

know you'd have this massive shift in in

686

00:24:31,750 --> 00:24:30,000

uh you know right i think you'd have a

687

00:24:33,029 --> 00:24:31,760

right wing sort of fundamentalism

688

00:24:35,510 --> 00:24:33,039

occurring where people you know the

689

00:24:36,789 --> 00:24:35,520

heavy xenophobia you know you know there

690

00:24:38,630 --> 00:24:36,799

would be i think he said there'd be

691

00:24:39,430 --> 00:24:38,640

occupy area 51 or

692

00:24:40,710 --> 00:24:39,440

something like that i think that's a

693

00:24:42,070 --> 00:24:40,720

little silly but i think you know you

694

00:24:44,070 --> 00:24:42,080

would definitely have a lot of protests

695

00:24:45,909 --> 00:24:44,080

you would have a lot of um people saying

696

00:24:47,830 --> 00:24:45,919

you know go away right you know humanity

697

00:24:48,950 --> 00:24:47,840

doesn't want you uh and then i think

698

00:24:49,909 --> 00:24:48,960

you'd have the other side right you'd

699

00:24:51,510 --> 00:24:49,919

have people who would probably be

700

00:24:53,669 --> 00:24:51,520

willing to embrace

701  
00:24:55,669 --> 00:24:53,679  
um this

702  
00:24:58,830 --> 00:24:55,679  
uh reality that that you know we are

703  
00:25:01,830 --> 00:24:58,840  
simply a voice in a chorus of of uh

704  
00:25:03,190 --> 00:25:01,840  
others um that sort of occupy you know

705  
00:25:06,789 --> 00:25:03,200  
the same time and space we do let's say

706  
00:25:07,990 --> 00:25:06,799  
or universe or galaxy or whatever um

707  
00:25:09,590 --> 00:25:08,000  
so i think he hits a nail on the head

708  
00:25:11,590 --> 00:25:09,600  
there i think for humans though in

709  
00:25:13,590 --> 00:25:11,600  
general i i don't think

710  
00:25:16,390 --> 00:25:13,600  
i think sorry we would have like like i

711  
00:25:17,750 --> 00:25:16,400  
said before this this really fundamental

712  
00:25:20,789 --> 00:25:17,760  
upset

713  
00:25:23,510 --> 00:25:20,799

to the way we perceive ourselves um you

714

00:25:25,350 --> 00:25:23,520

know we kind of you know you and i

715

00:25:27,430 --> 00:25:25,360

are both westerners we grew up in north

716

00:25:29,590 --> 00:25:27,440

america you know a good western liberal

717

00:25:32,789 --> 00:25:29,600

capitalist democracy bless it you know

718

00:25:34,149 --> 00:25:32,799

um for all of its faults um and i think

719

00:25:35,909 --> 00:25:34,159

you know we

720

00:25:37,510 --> 00:25:35,919

as we grow up in in our little social

721

00:25:39,430 --> 00:25:37,520

world you know we go to school and and

722

00:25:41,269 --> 00:25:39,440

our teachers tell us that you know you

723

00:25:44,630 --> 00:25:41,279

need to get a good job to be happy and

724

00:25:46,870 --> 00:25:44,640

you need to live your life uh in

725

00:25:48,230 --> 00:25:46,880

it you know in a good capitalist way and

726

00:25:49,269 --> 00:25:48,240

um you know you definitely don't want to

727

00:25:50,390 --> 00:25:49,279

work for broadway because there's no

728

00:25:52,789 --> 00:25:50,400

money there

729

00:25:57,269 --> 00:25:52,799

just messing with you buddy

730

00:26:02,310 --> 00:25:59,750

i'm a huge fan of theater actually my

731

00:26:03,190 --> 00:26:02,320

wife is is a theater major and then oh

732

00:26:04,310 --> 00:26:03,200

wow

733

00:26:06,390 --> 00:26:04,320

and then she teaches and she teaches

734

00:26:08,070 --> 00:26:06,400

theater so i you know i'm i i'm on your

735

00:26:09,750 --> 00:26:08,080

side don't worry but

736

00:26:11,909 --> 00:26:09,760

you you are right there there's no money

737

00:26:13,830 --> 00:26:11,919

in it but moving no i know yeah that's

738

00:26:16,149 --> 00:26:13,840

what i do

739

00:26:17,669 --> 00:26:16,159

exactly right because ufology makes us

740

00:26:18,950 --> 00:26:17,679

like oh

741

00:26:20,950 --> 00:26:18,960

my goodness

742

00:26:22,950 --> 00:26:20,960

all those google ads yeah

743

00:26:25,269 --> 00:26:22,960

at a what half a cent uh

744

00:26:27,110 --> 00:26:25,279

right every thousand likes

745

00:26:28,470 --> 00:26:27,120

i think you would have this this

746

00:26:30,870 --> 00:26:28,480

horrible

747

00:26:32,710 --> 00:26:30,880

realization and and um you know the term

748

00:26:34,830 --> 00:26:32,720

i'm sort of that i have been dancing

749

00:26:36,470 --> 00:26:34,840

around is something called anthro

750

00:26:40,710 --> 00:26:36,480

anthropocentrism

751  
00:26:41,590 --> 00:26:40,720  
which is um the idea that humans

752  
00:26:42,390 --> 00:26:41,600  
are

753  
00:26:43,909 --> 00:26:42,400  
um

754  
00:26:45,750 --> 00:26:43,919  
sort of

755  
00:26:47,430 --> 00:26:45,760  
the only things on this planet that have

756  
00:26:48,870 --> 00:26:47,440  
agency right you know animals don't

757  
00:26:50,390 --> 00:26:48,880  
really you know we kind of control

758  
00:26:52,070 --> 00:26:50,400  
animals on this planet right and there's

759  
00:26:53,510 --> 00:26:52,080  
nothing really else you know god you

760  
00:26:55,350 --> 00:26:53,520  
know while i'm sure you know maybe

761  
00:26:57,669 --> 00:26:55,360  
there's a god i don't know but

762  
00:26:59,350 --> 00:26:57,679  
god probably has free will but

763  
00:27:00,710 --> 00:26:59,360

ultimately he doesn't really do anything

764

00:27:02,549 --> 00:27:00,720

you know he doesn't walk around on our

765

00:27:05,110 --> 00:27:02,559

planet and like you know send

766

00:27:06,950 --> 00:27:05,120

thunderbolts at us or anything um so you

767

00:27:09,590 --> 00:27:06,960

know at the end of the day humans are

768

00:27:11,350 --> 00:27:09,600

sort of that which control

769

00:27:13,110 --> 00:27:11,360

earth and and our world around us you

770

00:27:15,029 --> 00:27:13,120

know if we want it we can do it if we

771

00:27:17,190 --> 00:27:15,039

take enough money

772

00:27:19,510 --> 00:27:17,200

versus wealth treasure talent and throw

773

00:27:21,110 --> 00:27:19,520

it at a problem we can generally solve

774

00:27:23,750 --> 00:27:21,120

it

775

00:27:27,269 --> 00:27:23,760

um and i think that this the idea of

776

00:27:30,390 --> 00:27:27,279

disclosure would upset this concept

777

00:27:32,950 --> 00:27:30,400

right we no longer be what's sort of the

778

00:27:36,149 --> 00:27:32,960

pinnacle of intelligence um there would

779

00:27:39,269 --> 00:27:36,159

be something potentially that is

780

00:27:42,390 --> 00:27:39,279

uh bigger smarter um

781

00:27:44,549 --> 00:27:42,400

better than us um and and this is really

782

00:27:45,750 --> 00:27:44,559

i think frightening for people um and

783

00:27:48,230 --> 00:27:45,760

humans aren't generally good with the

784

00:27:51,110 --> 00:27:48,240

unknown and the other anyway i mean you

785

00:27:53,990 --> 00:27:51,120

look at um you know racial issues or you

786

00:27:55,909 --> 00:27:54,000

look at issues you know uh with um you

787

00:27:57,190 --> 00:27:55,919

know terrorism out of the middle east or

788

00:28:01,269 --> 00:27:57,200

or

789

00:28:04,789 --> 00:28:01,279

problems on this planet that

790

00:28:06,230 --> 00:28:04,799

humans we generally fear the unknown we

791

00:28:07,430 --> 00:28:06,240

fear what we don't understand we fear

792

00:28:09,430 --> 00:28:07,440

the other because we don't necessarily

793

00:28:10,950 --> 00:28:09,440

know how the other thinks um and and

794

00:28:12,310 --> 00:28:10,960

this would be compounded by a disclosure

795

00:28:13,990 --> 00:28:12,320

right because

796

00:28:15,590 --> 00:28:14,000

because then not only

797

00:28:18,470 --> 00:28:15,600

are these others they're not human

798

00:28:20,549 --> 00:28:18,480

others right they don't think like us

799

00:28:21,830 --> 00:28:20,559

um they don't necessarily think the same

800

00:28:23,669 --> 00:28:21,840

import you know they don't think what we

801

00:28:25,269 --> 00:28:23,679

think is important is actually important

802

00:28:27,830 --> 00:28:25,279

um so

803

00:28:30,310 --> 00:28:27,840

i i think we would have this huge upset

804

00:28:32,230 --> 00:28:30,320

to the system um not only government and

805

00:28:33,830 --> 00:28:32,240

statutory but

806

00:28:35,750 --> 00:28:33,840

um i think personally and

807

00:28:37,590 --> 00:28:35,760

philosophically and and it would really

808

00:28:40,070 --> 00:28:37,600

force us to question

809

00:28:46,389 --> 00:28:40,080

what our

810

00:28:48,789 --> 00:28:46,399

yeah you uh you said it so succinctly

811

00:28:51,990 --> 00:28:48,799

man i mean this this phenomenon in

812

00:28:54,149 --> 00:28:52,000

general uh despite disclosure it says so

813

00:28:58,310 --> 00:28:54,159

much more about us than whatever it

814

00:29:01,190 --> 00:28:58,320

actually is and i find myself you know

815

00:29:03,110 --> 00:29:01,200

circling that conundrum constantly you

816

00:29:04,950 --> 00:29:03,120

know what is

817

00:29:08,950 --> 00:29:04,960

this ufo

818

00:29:10,950 --> 00:29:08,960

uh phenomenon um and how is that

819

00:29:13,830 --> 00:29:10,960

different from the quote unquote ufo

820

00:29:15,590 --> 00:29:13,840

culture that we sort of self-proclaimed

821

00:29:17,830 --> 00:29:15,600

and seeded and

822

00:29:21,510 --> 00:29:17,840

seen go in so many different directions

823

00:29:23,669 --> 00:29:21,520

um there was a quote by uh james carrion

824

00:29:26,870 --> 00:29:23,679

who used to be i believe the executive

825

00:29:29,430 --> 00:29:26,880

director of mufon um okay i i think i

826

00:29:31,190 --> 00:29:29,440

i'm personally not a member so i uh

827

00:29:33,430 --> 00:29:31,200

i'm not too in tune with the history of

828

00:29:35,430 --> 00:29:33,440

mufon um but that being said he once

829

00:29:38,389 --> 00:29:35,440

said that

830

00:29:40,950 --> 00:29:38,399

therein lies the problem with ufology

831

00:29:43,430 --> 00:29:40,960

and ufologists they race after every

832

00:29:45,750 --> 00:29:43,440

case every witness every shred of

833

00:29:47,190 --> 00:29:45,760

evidence regardless of providence that

834

00:29:49,269 --> 00:29:47,200

will help prove

835

00:29:51,990 --> 00:29:49,279

what remains in their bucket but will

836

00:29:55,110 --> 00:29:52,000

ignore all evidence to the contrary if

837

00:29:57,750 --> 00:29:55,120

we examine what the ufo bucket really is

838

00:30:00,470 --> 00:29:57,760

it is an egocentric belief

839

00:30:02,789 --> 00:30:00,480

that we humans are so interesting in our

840

00:30:05,350 --> 00:30:02,799

planet so alluring that other

841

00:30:08,389 --> 00:30:05,360

civilizations for any number of reasons

842

00:30:10,549 --> 00:30:08,399

can't help but to visit us very

843

00:30:12,710 --> 00:30:10,559

interesting quote um the reason i pulled

844

00:30:14,549 --> 00:30:12,720

that out is because it sort of ties

845

00:30:17,750 --> 00:30:14,559

exactly into what we're talking about

846

00:30:20,870 --> 00:30:17,760

you know are we worth coming here

847

00:30:22,549 --> 00:30:20,880

and monitoring are we worth looking at

848

00:30:26,230 --> 00:30:22,559

for some sort of

849

00:30:28,470 --> 00:30:26,240

cosmic uh galactic federation as it were

850

00:30:30,710 --> 00:30:28,480

like you said we have so many issues

851  
00:30:33,029 --> 00:30:30,720  
here on our own planet if another

852  
00:30:34,070 --> 00:30:33,039  
intelligence is visiting

853  
00:30:36,230 --> 00:30:34,080  
um

854  
00:30:38,070 --> 00:30:36,240  
they're probably on their way out man i

855  
00:30:39,590 --> 00:30:38,080  
mean sort of looking at what we're doing

856  
00:30:41,510 --> 00:30:39,600  
they don't want anything to do with it

857  
00:30:43,029 --> 00:30:41,520  
again this is all hypothetical of course

858  
00:30:44,630 --> 00:30:43,039  
yeah you know from you know and it's

859  
00:30:46,389 --> 00:30:44,640  
funny because you know

860  
00:30:48,870 --> 00:30:46,399  
that same argument the quote that you

861  
00:30:50,389 --> 00:30:48,880  
cited you know skeptics will often use

862  
00:30:51,190 --> 00:30:50,399  
this to their advantage too they'll say

863  
00:30:52,230 --> 00:30:51,200

well you know they would have just made

864

00:30:53,590 --> 00:30:52,240

themselves known already right they

865

00:30:55,190 --> 00:30:53,600

would have landed on the white

866

00:30:56,630 --> 00:30:55,200

house lawn or something

867

00:30:58,230 --> 00:30:56,640

um as if

868

00:30:59,590 --> 00:30:58,240

the united states is some bastion of

869

00:31:01,110 --> 00:30:59,600

like everything i'm sorry no offense

870

00:31:04,310 --> 00:31:01,120

america i love you guys

871

00:31:05,590 --> 00:31:04,320

but you know come on um so you know we

872

00:31:06,950 --> 00:31:05,600

have this you know both skeptics and

873

00:31:08,789 --> 00:31:06,960

believers you know say you know all

874

00:31:09,830 --> 00:31:08,799

humanity you know the skeptics say they

875

00:31:11,510 --> 00:31:09,840

would have shown up already and they

876

00:31:12,870 --> 00:31:11,520

would have made themselves known here we

877

00:31:15,669 --> 00:31:12,880

are

878

00:31:17,510 --> 00:31:15,679

technology with you welcome to the

879

00:31:19,830 --> 00:31:17,520

united federation of planets piccard is

880

00:31:21,909 --> 00:31:19,840

you know on the bridge

881

00:31:23,909 --> 00:31:21,919

and you know the believers i think you

882

00:31:26,789 --> 00:31:23,919

know like you say you're right there's

883

00:31:28,870 --> 00:31:26,799

this fascination with you know

884

00:31:29,750 --> 00:31:28,880

and maybe it's a fear i don't know

885

00:31:32,389 --> 00:31:29,760

we

886

00:31:35,029 --> 00:31:32,399

can't be alone right it's this fear of

887

00:31:35,990 --> 00:31:35,039

loneliness um but it's weird because you

888

00:31:39,430 --> 00:31:36,000

know

889

00:31:40,789 --> 00:31:39,440

alone because we don't want something

890

00:31:42,710 --> 00:31:40,799

horrible to come and invade us and

891

00:31:43,830 --> 00:31:42,720

exterminate us but we also you know

892

00:31:45,509 --> 00:31:43,840

don't we

893

00:31:47,029 --> 00:31:45,519

we want them to also be kind of nice too

894

00:31:48,230 --> 00:31:47,039

like you know we want like the beginning

895

00:31:49,430 --> 00:31:48,240

of mars attacks but we don't want the

896

00:31:50,630 --> 00:31:49,440

end of mars attacks you know we want

897

00:31:53,029 --> 00:31:50,640

them to show up and it's be this

898

00:31:55,110 --> 00:31:53,039

beautiful ceremony and then you know all

899

00:31:56,470 --> 00:31:55,120

the guns come out right um

900

00:31:58,710 --> 00:31:56,480

i think the quote is interesting and i

901  
00:32:02,310 --> 00:31:58,720  
think that it came from a mufon director

902  
00:32:03,509 --> 00:32:02,320  
is interesting too because i think mufon

903  
00:32:06,789 --> 00:32:03,519  
yeah again

904  
00:32:09,430 --> 00:32:06,799  
i i disclaimer i'm a member of mufon

905  
00:32:11,110 --> 00:32:09,440  
i love mufon thank you for letting me

906  
00:32:14,310 --> 00:32:11,120  
be thank you for

907  
00:32:17,190 --> 00:32:14,320  
letting me be an investigator um but i

908  
00:32:18,950 --> 00:32:17,200  
think mufon and and i think

909  
00:32:21,590 --> 00:32:18,960  
the the quote is correct in saying that

910  
00:32:24,389 --> 00:32:21,600  
you know every single shred of evidence

911  
00:32:26,950 --> 00:32:24,399  
every single little piece is is is made

912  
00:32:28,230 --> 00:32:26,960  
to fit into the puzzle right um and the

913  
00:32:29,509 --> 00:32:28,240

problem is a lot of those pieces don't

914

00:32:31,190 --> 00:32:29,519

fit at all they're actually useless

915

00:32:32,470 --> 00:32:31,200

pieces they're they're um they're not

916

00:32:33,590 --> 00:32:32,480

even the right puzzle you're you're

917

00:32:35,029 --> 00:32:33,600

borrowing pieces from other puzzles and

918

00:32:36,870 --> 00:32:35,039

you're jamming them into the ufo

919

00:32:38,149 --> 00:32:36,880

ufological puzzle like you know how the

920

00:32:39,669 --> 00:32:38,159

kids right they make the puzzle pieces

921

00:32:40,950 --> 00:32:39,679

fit right they kind of put the pieces

922

00:32:42,549 --> 00:32:40,960

together they're hammering it on with

923

00:32:44,470 --> 00:32:42,559

their fists um i think that's kind of

924

00:32:45,830 --> 00:32:44,480

what's going on and and i think

925

00:32:47,350 --> 00:32:45,840

i think mufon and mufon field

926  
00:32:49,110 --> 00:32:47,360  
investigators definitely play a role in

927  
00:32:50,470 --> 00:32:49,120  
this right um

928  
00:32:52,149 --> 00:32:50,480  
you look at the amount of move on field

929  
00:32:53,509 --> 00:32:52,159  
investigators who are who are believers

930  
00:32:55,590 --> 00:32:53,519  
themselves right

931  
00:32:58,230 --> 00:32:55,600  
or who have had experiences themselves

932  
00:33:00,230 --> 00:32:58,240  
that they want answers for um you know i

933  
00:33:02,789 --> 00:33:00,240  
would say a significant chunk of the

934  
00:33:06,350 --> 00:33:02,799  
ranks of mufon are people who have had

935  
00:33:09,350 --> 00:33:06,360  
experiences or are believers already in

936  
00:33:10,789 --> 00:33:09,360  
intelligent beings others visiting our

937  
00:33:12,070 --> 00:33:10,799  
planet right and i think that this is a

938  
00:33:14,950 --> 00:33:12,080

dangerous position to be in because

939

00:33:16,870 --> 00:33:14,960

ufology is not a belief in alien life

940

00:33:19,269 --> 00:33:16,880

right and i think that this is what

941

00:33:20,870 --> 00:33:19,279

often gets muddied here exactly right

942

00:33:22,230 --> 00:33:20,880

this is why in the news you know

943

00:33:23,590 --> 00:33:22,240

whenever you get interviewed

944

00:33:24,630 --> 00:33:23,600

uh in the news people you know the news

945

00:33:26,070 --> 00:33:24,640

anchor was asked well do you believe in

946

00:33:28,070 --> 00:33:26,080

ufos and it's like what are you asking

947

00:33:31,110 --> 00:33:28,080

me right are you asking me do i believe

948

00:33:32,710 --> 00:33:31,120

in things in the sky that people see

949

00:33:34,549 --> 00:33:32,720

and they can't make sense of yeah of

950

00:33:36,230 --> 00:33:34,559

course it happens all the time we all

951  
00:33:37,750 --> 00:33:36,240  
experience these weird lights in the sky

952  
00:33:38,789 --> 00:33:37,760  
or something and upon further research

953  
00:33:40,789 --> 00:33:38,799  
we figure out you know oh it's just the

954  
00:33:42,950 --> 00:33:40,799  
space station or it was a satellite or

955  
00:33:45,909 --> 00:33:42,960  
whatever um or upon for the research we

956  
00:33:48,870 --> 00:33:45,919  
have no clue at all what it is uh and

957  
00:33:51,269 --> 00:33:48,880  
and that's a ufo right and i think

958  
00:33:52,950 --> 00:33:51,279  
that the other side of ufology

959  
00:33:54,230 --> 00:33:52,960  
jesus curious

960  
00:33:55,750 --> 00:33:54,240  
you know it's got to be aliens man it's

961  
00:33:57,190 --> 00:33:55,760  
got to be aliens it's got to be aliens

962  
00:34:00,389 --> 00:33:57,200  
and

963  
00:34:02,230 --> 00:34:00,399

this is not ufology this is a belief in

964

00:34:03,750 --> 00:34:02,240

aliens and the other and and

965

00:34:05,509 --> 00:34:03,760

interdimensional beings or ultratesters

966

00:34:07,590 --> 00:34:05,519

or whatever you want to call them

967

00:34:10,869 --> 00:34:07,600

and the two are clumped together and

968

00:34:11,909 --> 00:34:10,879

they shouldn't be um and i think that

969

00:34:13,589 --> 00:34:11,919

one thing that definitely needs to

970

00:34:16,069 --> 00:34:13,599

happen is the separation right a

971

00:34:17,829 --> 00:34:16,079

separation of ufology into the study of

972

00:34:20,710 --> 00:34:17,839

unidentified flying objects or

973

00:34:23,669 --> 00:34:20,720

unidentified aerial phenomena and then

974

00:34:26,629 --> 00:34:23,679

the other side which is a belief

975

00:34:28,790 --> 00:34:26,639

a very much a theological belief in

976

00:34:30,149 --> 00:34:28,800

alien life

977

00:34:31,669 --> 00:34:30,159

because there is no science right to

978

00:34:33,430 --> 00:34:31,679

prove aliens really exist there's no

979

00:34:34,470 --> 00:34:33,440

science to disprove it either

980

00:34:36,389 --> 00:34:34,480

and i'm a full

981

00:34:38,389 --> 00:34:36,399

skeptic of science as much as i am of of

982

00:34:40,950 --> 00:34:38,399

the belief right i i don't think science

983

00:34:43,909 --> 00:34:40,960

is is you know necessarily um this

984

00:34:45,669 --> 00:34:43,919

bastion of truth um that we all hope it

985

00:34:47,109 --> 00:34:45,679

is um and that our government tells us

986

00:34:49,109 --> 00:34:47,119

it is right

987

00:34:50,790 --> 00:34:49,119

but i think that there's definitely

988

00:34:52,230 --> 00:34:50,800

concern i think as you

989

00:34:53,430 --> 00:34:52,240

you follow just ryan i'm sure you agree

990

00:34:55,430 --> 00:34:53,440

with me here that you know we kind of

991

00:34:56,710 --> 00:34:55,440

get lumped into this pile right and

992

00:34:57,910 --> 00:34:56,720

people you know

993

00:34:59,589 --> 00:34:57,920

often ask like oh what do you do and you

994

00:35:01,670 --> 00:34:59,599

know i have my job and then i also kind

995

00:35:03,510 --> 00:35:01,680

of you know study ufos and i'm into that

996

00:35:04,630 --> 00:35:03,520

kind of thing and people go oh yeah ufos

997

00:35:05,910 --> 00:35:04,640

man the aliens they're here right you're

998

00:35:06,950 --> 00:35:05,920

just like oh man

999

00:35:10,150 --> 00:35:06,960

no

1000

00:35:11,109 --> 00:35:10,160

i have to have this conversation with

1001  
00:35:12,550 --> 00:35:11,119  
everyone i mean right now well you know

1002  
00:35:14,310 --> 00:35:12,560  
you know ufo isn't necessarily alien it

1003  
00:35:16,550 --> 00:35:14,320  
could be a lot of things and yeah like a

1004  
00:35:18,230 --> 00:35:16,560  
trap yeah oh that is the first thing i

1005  
00:35:20,870 --> 00:35:18,240  
say to everyone you know when they say

1006  
00:35:22,470 --> 00:35:20,880  
what do you do with ufos yeah it's okay

1007  
00:35:25,430 --> 00:35:22,480  
i'm not talking about aliens i'm talking

1008  
00:35:27,430 --> 00:35:25,440  
about ufos that's right huge distinction

1009  
00:35:28,829 --> 00:35:27,440  
um and it's hard to separate people's

1010  
00:35:32,470 --> 00:35:28,839  
minds from that we've been so

1011  
00:35:34,390 --> 00:35:32,480  
conditioned by either hollywood or um

1012  
00:35:37,030 --> 00:35:34,400  
you know these quote unquote real

1013  
00:35:41,910 --> 00:35:37,040

documentaries we see and it all sort of

1014

00:35:44,550 --> 00:35:41,920

ties into the mainstream you know i mean

1015

00:35:46,950 --> 00:35:44,560

i guess a lot of ufo researchers myself

1016

00:35:48,870 --> 00:35:46,960

and i am guessing you included

1017

00:35:51,030 --> 00:35:48,880

we've been taken to task for saying that

1018

00:35:53,829 --> 00:35:51,040

the mainstream media is beginning to

1019

00:35:56,230 --> 00:35:53,839

take these topics more seriously now

1020

00:35:57,990 --> 00:35:56,240

more than ever um what are your thoughts

1021

00:36:00,310 --> 00:35:58,000

on the perception of the ufo phenomenon

1022

00:36:02,630 --> 00:36:00,320

in the eyes of the mass public like you

1023

00:36:03,829 --> 00:36:02,640

just said we get this all the freaking

1024

00:36:05,750 --> 00:36:03,839

time um

1025

00:36:08,470 --> 00:36:05,760

are we seeing a shift in consciousness

1026  
00:36:10,630 --> 00:36:08,480  
or is it just some more you know media

1027  
00:36:13,190 --> 00:36:10,640  
brainwashing in a sense

1028  
00:36:14,870 --> 00:36:13,200  
not to get too conspiratorial but

1029  
00:36:15,990 --> 00:36:14,880  
oh well

1030  
00:36:17,349 --> 00:36:16,000  
i'm not i won't say i have like

1031  
00:36:19,670 --> 00:36:17,359  
conspiracies but you know i think the

1032  
00:36:21,910 --> 00:36:19,680  
media just reacts to us you know and

1033  
00:36:24,310 --> 00:36:21,920  
whatever we think right so you know the

1034  
00:36:25,349 --> 00:36:24,320  
media kind of bounces off

1035  
00:36:26,550 --> 00:36:25,359  
the public and the public kind of

1036  
00:36:28,630 --> 00:36:26,560  
bounced off the media and we're sort of

1037  
00:36:30,630 --> 00:36:28,640  
in this weird symbiotic relationship but

1038  
00:36:31,510 --> 00:36:30,640

um

1039

00:36:32,950 --> 00:36:31,520

you know

1040

00:36:35,030 --> 00:36:32,960

it's really tough right it's really

1041

00:36:37,750 --> 00:36:35,040

tough because i think social media has

1042

00:36:39,430 --> 00:36:37,760

played a huge role in the ufo world

1043

00:36:41,030 --> 00:36:39,440

right everyone

1044

00:36:42,150 --> 00:36:41,040

watches youtube everyone goes on well

1045

00:36:43,430 --> 00:36:42,160

not facebook is that still thing people

1046

00:36:45,349 --> 00:36:43,440

still go i still on facebook but i know

1047

00:36:46,390 --> 00:36:45,359

like young people don't

1048

00:36:49,030 --> 00:36:46,400

you know everyone's on twitter and

1049

00:36:51,109 --> 00:36:49,040

instagram and um you know access to this

1050

00:36:53,270 --> 00:36:51,119

information is

1051

00:36:55,349 --> 00:36:53,280

hugely out there you know

1052

00:36:57,670 --> 00:36:55,359

much more than before yeah and i think

1053

00:36:58,790 --> 00:36:57,680

the media like the mainstream media like

1054

00:37:00,310 --> 00:36:58,800

you know

1055

00:37:01,670 --> 00:37:00,320

cnn fox all those

1056

00:37:03,109 --> 00:37:01,680

uh i don't

1057

00:37:04,390 --> 00:37:03,119

know what else there is other media

1058

00:37:05,670 --> 00:37:04,400

channels cnn and fox are kind of the

1059

00:37:07,190 --> 00:37:05,680

demons of the media world right we

1060

00:37:10,710 --> 00:37:07,200

always have to pick on them

1061

00:37:13,589 --> 00:37:10,720

i think that when we really look at the

1062

00:37:15,430 --> 00:37:13,599

the the way the media perceives the ufo

1063

00:37:18,150 --> 00:37:15,440

as a thing as an object

1064

00:37:22,069 --> 00:37:18,160

it's this weird mix of

1065

00:37:24,470 --> 00:37:22,079

one people who watch cnn and fox

1066

00:37:26,870 --> 00:37:24,480

to be you know believers right or they

1067

00:37:28,550 --> 00:37:26,880

believe in in some of this you know some

1068

00:37:32,390 --> 00:37:28,560

of these more paranormal things you know

1069

00:37:34,069 --> 00:37:32,400

whether it's ghosts or bigfoot or um

1070

00:37:35,510 --> 00:37:34,079

chupacabra whatever's out there right

1071

00:37:37,190 --> 00:37:35,520

yeah um

1072

00:37:39,109 --> 00:37:37,200

so i think you know cnn fox is

1073

00:37:40,230 --> 00:37:39,119

potentially catering to numbers

1074

00:37:41,910 --> 00:37:40,240

sometimes

1075

00:37:43,270 --> 00:37:41,920

when it comes to media coverage of ufo

1076  
00:37:44,710 --> 00:37:43,280  
reports but again you know you look at

1077  
00:37:47,030 --> 00:37:44,720  
the bulk of ufo stuff it doesn't get

1078  
00:37:48,790 --> 00:37:47,040  
covered at all right it's only when

1079  
00:37:50,790 --> 00:37:48,800  
it's in some

1080  
00:37:52,630 --> 00:37:50,800  
big way you know um tom delong right

1081  
00:37:53,990 --> 00:37:52,640  
blink 182 you know when he started doing

1082  
00:37:55,750 --> 00:37:54,000  
his he got tons of coverage right

1083  
00:37:58,470 --> 00:37:55,760  
because you have a celebrity talking

1084  
00:37:59,430 --> 00:37:58,480  
about ufos which is kind of weird um

1085  
00:38:00,790 --> 00:37:59,440  
meanwhile i'm sure there's a lot of

1086  
00:38:02,710 --> 00:38:00,800  
celebrities out there that have ufo

1087  
00:38:04,470 --> 00:38:02,720  
fascinations they just can't talk about

1088  
00:38:06,630 --> 00:38:04,480

them right because of the taboo it is

1089

00:38:08,550 --> 00:38:06,640

it's you know apart from him because you

1090

00:38:10,950 --> 00:38:08,560

know he's a punk rocker and i think that

1091

00:38:12,470 --> 00:38:10,960

he's allowed um socially to be into

1092

00:38:13,990 --> 00:38:12,480

weird stuff because he is a punk rocker

1093

00:38:15,670 --> 00:38:14,000

right you know taylor swift i don't know

1094

00:38:17,109 --> 00:38:15,680

if she has that freedom

1095

00:38:19,750 --> 00:38:17,119

i i think you know it's very easy to get

1096

00:38:22,069 --> 00:38:19,760

blackballed it's very easy to kind of be

1097

00:38:23,190 --> 00:38:22,079

put on the crazy person list and then

1098

00:38:24,630 --> 00:38:23,200

you know people start avoiding your

1099

00:38:25,750 --> 00:38:24,640

phone calls and and then suddenly you

1100

00:38:27,190 --> 00:38:25,760

know you're not getting any more gigs

1101  
00:38:28,710 --> 00:38:27,200  
and you know people start paying

1102  
00:38:30,310 --> 00:38:28,720  
attention to you because you're the ufo

1103  
00:38:31,670 --> 00:38:30,320  
nut yeah

1104  
00:38:33,430 --> 00:38:31,680  
so you know i don't really know how to

1105  
00:38:35,030 --> 00:38:33,440  
answer your question properly because i

1106  
00:38:37,349 --> 00:38:35,040  
don't know if the media is paying more

1107  
00:38:39,030 --> 00:38:37,359  
attention or or because you know is the

1108  
00:38:40,550 --> 00:38:39,040  
disclosure movement actually making

1109  
00:38:42,310 --> 00:38:40,560  
headway like

1110  
00:38:44,150 --> 00:38:42,320  
who knows right i mean you never know

1111  
00:38:46,630 --> 00:38:44,160  
crazier things have happened but you

1112  
00:38:50,390 --> 00:38:46,640  
know i i don't necessarily think

1113  
00:38:53,190 --> 00:38:50,400

it's occurring because there is some

1114

00:38:55,910 --> 00:38:53,200

massive shift in the way people think um

1115

00:38:57,990 --> 00:38:55,920

about ufos i think people

1116

00:39:00,710 --> 00:38:58,000

i think we're still sort of taught

1117

00:39:02,230 --> 00:39:00,720

and trained to use the conspiratorial

1118

00:39:03,589 --> 00:39:02,240

term i

1119

00:39:05,750 --> 00:39:03,599

think we still sort of have this belief

1120

00:39:07,589 --> 00:39:05,760

that ufos don't exist right or or sorry

1121

00:39:09,430 --> 00:39:07,599

not ufos that intelligently controlled

1122

00:39:11,750 --> 00:39:09,440

ufos don't exist

1123

00:39:14,390 --> 00:39:11,760

and you know they're tongue-in-cheek and

1124

00:39:16,630 --> 00:39:14,400

therefore the x-files and and and you

1125

00:39:20,470 --> 00:39:16,640

know the history channel late at night

1126

00:39:22,550 --> 00:39:20,480

um and that's about it uh right so well

1127

00:39:24,630 --> 00:39:22,560

yeah i mean that that's a a great way to

1128

00:39:27,109 --> 00:39:24,640

put it i mean like we could even go back

1129

00:39:29,030 --> 00:39:27,119

to what you said of this fear of it

1130

00:39:30,950 --> 00:39:29,040

being a possibility so

1131

00:39:33,030 --> 00:39:30,960

of course sort of ignorance is bliss in

1132

00:39:34,630 --> 00:39:33,040

that sense we'll leave the idea to

1133

00:39:36,790 --> 00:39:34,640

hollywood to uh

1134

00:39:38,790 --> 00:39:36,800

perpetuate these sort of fictionalized

1135

00:39:39,589 --> 00:39:38,800

versions um and that's a you know it's a

1136

00:39:41,349 --> 00:39:39,599

terrible way of putting it right

1137

00:39:43,190 --> 00:39:41,359

ignorance is bliss because i think i

1138

00:39:45,030 --> 00:39:43,200

think ultimately any state like

1139

00:39:47,349 --> 00:39:45,040

government any any state or any

1140

00:39:50,950 --> 00:39:47,359

scientific organization

1141

00:39:53,670 --> 00:39:50,960

any you know university whatever

1142

00:39:55,349 --> 00:39:53,680

um you know if if there is

1143

00:39:56,710 --> 00:39:55,359

no solution to the problem right if

1144

00:39:58,790 --> 00:39:56,720

there is no

1145

00:40:01,349 --> 00:39:58,800

fix if we can't identify it if we can't

1146

00:40:02,710 --> 00:40:01,359

measure it or track it or trace it

1147

00:40:04,310 --> 00:40:02,720

the last thing we want to

1148

00:40:07,109 --> 00:40:04,320

do is talk about it right yeah

1149

00:40:08,870 --> 00:40:07,119

especially especially if it does have

1150

00:40:10,710 --> 00:40:08,880

some physical

1151

00:40:12,710 --> 00:40:10,720

properties right especially if it does

1152

00:40:15,589 --> 00:40:12,720

show up on radar or once in a while or

1153

00:40:17,270 --> 00:40:15,599

it does interfere in um you know

1154

00:40:19,430 --> 00:40:17,280

operations that the government is

1155

00:40:21,349 --> 00:40:19,440

concerned about such as nuclear test

1156

00:40:24,230 --> 00:40:21,359

sites or nuclear facilities rather you

1157

00:40:26,310 --> 00:40:24,240

know if it does leave

1158

00:40:28,310 --> 00:40:26,320

on the ground or burn marks or whatever

1159

00:40:29,990 --> 00:40:28,320

right if it leaves us trace evidence but

1160

00:40:32,950 --> 00:40:30,000

we can't

1161

00:40:34,790 --> 00:40:32,960

understand it it's a lot better to

1162

00:40:36,630 --> 00:40:34,800

say it doesn't exist or or it's just

1163

00:40:38,230 --> 00:40:36,640

lunacy in regards to being like okay

1164

00:40:39,829 --> 00:40:38,240

we're going to study this and we have no

1165

00:40:41,990 --> 00:40:39,839

freaking clue what we're studying but

1166

00:40:43,349 --> 00:40:42,000

we're going to try you know i

1167

00:40:45,190 --> 00:40:43,359

think the two have very different

1168

00:40:46,870 --> 00:40:45,200

messages i think politically right yeah

1169

00:40:48,710 --> 00:40:46,880

one is they don't exist we don't have to

1170

00:40:51,030 --> 00:40:48,720

deal with it fine move on and the other

1171

00:40:52,390 --> 00:40:51,040

one is you know listen we're our job is

1172

00:40:54,310 --> 00:40:52,400

to maintain power

1173

00:40:56,630 --> 00:40:54,320

uh as a government

1174

00:40:58,150 --> 00:40:56,640

or as a you know as a scientific body or

1175

00:40:59,109 --> 00:40:58,160

whatever we're here to maintain control

1176

00:41:01,030 --> 00:40:59,119

and and we're here to make sure

1177

00:41:03,670 --> 00:41:01,040

everything makes sense and and we can't

1178

00:41:04,870 --> 00:41:03,680

make sense of this the i don't know is

1179

00:41:06,390 --> 00:41:04,880

frightening right it's one of the most

1180

00:41:07,910 --> 00:41:06,400

frightening things someone can say about

1181

00:41:10,069 --> 00:41:07,920

something right i have no idea what's

1182

00:41:12,150 --> 00:41:10,079

going on is terrifying especially to

1183

00:41:14,790 --> 00:41:12,160

people um and the general public right

1184

00:41:16,390 --> 00:41:14,800

this would be like i said upsetting yeah

1185

00:41:18,150 --> 00:41:16,400

it would be a very awkward moment if you

1186

00:41:19,670 --> 00:41:18,160

know barack obama walks out and says

1187

00:41:21,109 --> 00:41:19,680

yeah listen we've been studying ufos for

1188

00:41:22,950 --> 00:41:21,119

a while and

1189

00:41:25,670 --> 00:41:22,960

we have no clue what they are i think

1190

00:41:27,270 --> 00:41:25,680

this would be an awful moment um cnn

1191

00:41:29,109 --> 00:41:27,280

would be having a

1192

00:41:31,430 --> 00:41:29,119

heyday it would be great

1193

00:41:33,990 --> 00:41:31,440

yeah and i mean the the whole the whole

1194

00:41:35,910 --> 00:41:34,000

idea of that we don't know mj it it sort

1195

00:41:38,710 --> 00:41:35,920

of boils down to

1196

00:41:41,510 --> 00:41:38,720

if some governmental agency intelligence

1197

00:41:42,710 --> 00:41:41,520

agency or the military um again we like

1198

00:41:44,950 --> 00:41:42,720

to lump these things together but

1199

00:41:47,030 --> 00:41:44,960

they're so compartmentalized you can't

1200

00:41:49,109 --> 00:41:47,040

even imagine um that being said

1201  
00:41:51,030 --> 00:41:49,119  
if the government

1202  
00:41:53,270 --> 00:41:51,040  
doesn't know what's going on

1203  
00:41:55,829 --> 00:41:53,280  
um they at least have the power to

1204  
00:41:58,230 --> 00:41:55,839  
contain that information they do have

1205  
00:42:00,230 --> 00:41:58,240  
maintain it in a way that they see fit

1206  
00:42:03,829 --> 00:42:00,240  
and you know we sort of run into that

1207  
00:42:06,550 --> 00:42:03,839  
problem time and time again

1208  
00:42:08,710 --> 00:42:06,560  
and i guess it sort of boils down to you

1209  
00:42:11,750 --> 00:42:08,720  
know

1210  
00:42:14,710 --> 00:42:11,760  
those of us who seriously study

1211  
00:42:17,829 --> 00:42:14,720  
ufos are we going to stand up for what

1212  
00:42:19,670 --> 00:42:17,839  
is actually true when it comes to this

1213  
00:42:21,829 --> 00:42:19,680

no matter what that truth may be it

1214

00:42:24,309 --> 00:42:21,839

might not be the answer we want it might

1215

00:42:25,750 --> 00:42:24,319

not be the answer the believers want nor

1216

00:42:28,309 --> 00:42:25,760

the skeptics it could be something

1217

00:42:30,550 --> 00:42:28,319

completely different far stranger than

1218

00:42:32,870 --> 00:42:30,560

we ever imagined or it could be as

1219

00:42:35,030 --> 00:42:32,880

mundane as you know

1220

00:42:37,589 --> 00:42:35,040

comp all weather anomalies or natural

1221

00:42:40,710 --> 00:42:37,599

phenomena um you know that's a huge

1222

00:42:42,069 --> 00:42:40,720

stretch but when it comes down to it

1223

00:42:44,150 --> 00:42:42,079

i think we have a

1224

00:42:47,109 --> 00:42:44,160

crucial decision you know do we do we

1225

00:42:49,190 --> 00:42:47,119

actually want to solve the ufo mystery

1226

00:42:51,829 --> 00:42:49,200

or do we want to continue to

1227

00:42:54,069 --> 00:42:51,839

to sort of perpetuate it it's it's

1228

00:42:54,870 --> 00:42:54,079

fascinating and it says more about like

1229

00:42:57,670 --> 00:42:54,880

the

1230

00:42:59,030 --> 00:42:57,680

society and culture than anything

1231

00:43:00,950 --> 00:42:59,040

yeah but you know it's it's one of those

1232

00:43:02,550 --> 00:43:00,960

things i think i think if there was a

1233

00:43:05,270 --> 00:43:02,560

legitimate disclosure like let's you

1234

00:43:07,829 --> 00:43:05,280

know let's assume the government has

1235

00:43:09,589 --> 00:43:07,839

been actively studying ufos in some top

1236

00:43:11,270 --> 00:43:09,599

secret fashion that that you know only

1237

00:43:12,630 --> 00:43:11,280

they know about right yeah i don't think

1238

00:43:14,710 --> 00:43:12,640

they need to i honestly don't i think

1239

00:43:17,109 --> 00:43:14,720

that you know we kind of recap ourselves

1240

00:43:19,349 --> 00:43:17,119

in in the ufo phenomenon just in the way

1241

00:43:20,470 --> 00:43:19,359

we sort of ourselves live our life right

1242

00:43:21,910 --> 00:43:20,480

you know like i talked about before

1243

00:43:24,150 --> 00:43:21,920

right we have this general fear of the

1244

00:43:25,430 --> 00:43:24,160

other and you know an intelligent other

1245

00:43:27,030 --> 00:43:25,440

that isn't human would be even worse so

1246

00:43:29,030 --> 00:43:27,040

i think we're kind of we're fine

1247

00:43:31,510 --> 00:43:29,040

ourselves to maintain some sort of

1248

00:43:33,510 --> 00:43:31,520

mystery or lie if there is one but um

1249

00:43:35,109 --> 00:43:33,520

you know that if assuming or or for

1250

00:43:36,790 --> 00:43:35,119

argument's sake that the government is

1251

00:43:37,990 --> 00:43:36,800

actually hiding some top secret study of

1252

00:43:39,750 --> 00:43:38,000

ufos

1253

00:43:41,829 --> 00:43:39,760

you know and that was released and said

1254

00:43:43,030 --> 00:43:41,839

yeah here's all all of our files and it

1255

00:43:44,790 --> 00:43:43,040

was done honestly here's actually

1256

00:43:46,309 --> 00:43:44,800

everything we have there's no bodies in

1257

00:43:47,829 --> 00:43:46,319

some area 51 basement or there's no

1258

00:43:49,430 --> 00:43:47,839

ships or anything we're just you know we

1259

00:43:51,589 --> 00:43:49,440

have been studying and we don't have an

1260

00:43:52,710 --> 00:43:51,599

answer right these things show up and

1261

00:43:54,230 --> 00:43:52,720

they do whatever they want and then they

1262

00:43:56,069 --> 00:43:54,240

leave and then there were you know we

1263

00:43:57,829 --> 00:43:56,079

can track them once

1264

00:43:59,430 --> 00:43:57,839

in a while and and that's it but they're

1265

00:44:01,030 --> 00:43:59,440

gone as quick as they come i think if

1266

00:44:03,829 --> 00:44:01,040

that happened and then suddenly you know

1267

00:44:05,750 --> 00:44:03,839

you had academic eight you know academic

1268

00:44:08,230 --> 00:44:05,760

schools universities you know scientific

1269

00:44:09,829 --> 00:44:08,240

organizations whatever start picking up

1270

00:44:11,589 --> 00:44:09,839

these studies and actually

1271

00:44:12,790 --> 00:44:11,599

scientifically studying them i think a

1272

00:44:14,150 --> 00:44:12,800

lot of you i think you follow just would

1273

00:44:15,910 --> 00:44:14,160

be out of a job you know i think because

1274

00:44:17,109 --> 00:44:15,920

what would happen is is it would leave

1275

00:44:19,430 --> 00:44:17,119

the realm of ufology right it would

1276

00:44:21,510 --> 00:44:19,440

become a general science and i don't

1277

00:44:23,670 --> 00:44:21,520

think the because the vast majority of

1278

00:44:25,430 --> 00:44:23,680

you follow just out there um the vast

1279

00:44:27,510 --> 00:44:25,440

majority you know aren't in any way

1280

00:44:29,750 --> 00:44:27,520

scientifically trained or aren't in any

1281

00:44:32,230 --> 00:44:29,760

way um philosophically trained you know

1282

00:44:33,510 --> 00:44:32,240

what i mean like the vast majority of us

1283

00:44:35,750 --> 00:44:33,520

are are just people who just kind of

1284

00:44:37,109 --> 00:44:35,760

picked it up as a hobby and this hobby

1285

00:44:38,230 --> 00:44:37,119

became this horrible monster which

1286

00:44:39,990 --> 00:44:38,240

became our life and then suddenly you

1287

00:44:42,309 --> 00:44:40,000

know we've identified uh you know

1288

00:44:43,430 --> 00:44:42,319

ourselves as being ufologists um i don't

1289

00:44:44,870 --> 00:44:43,440

necessarily think you know we would be

1290

00:44:46,630 --> 00:44:44,880

the ones who would be hired you know

1291

00:44:48,710 --> 00:44:46,640

like would suddenly you know the you

1292

00:44:49,750 --> 00:44:48,720

know you know would suddenly mit be like

1293

00:44:51,750 --> 00:44:49,760

okay yeah we're gonna start studying

1294

00:44:52,790 --> 00:44:51,760

ufos uh so you know ufologists all of

1295

00:44:54,230 --> 00:44:52,800

you guys who've been selling ufos for

1296

00:44:55,910 --> 00:44:54,240

the last 30 years of your life you know

1297

00:44:57,589 --> 00:44:55,920

please apply like i don't think that

1298

00:44:59,109 --> 00:44:57,599

would happen right they would

1299

00:45:00,950 --> 00:44:59,119

send it to their in-house trained

1300

00:45:02,790 --> 00:45:00,960

engineers and scientists biologists

1301  
00:45:04,230 --> 00:45:02,800  
chemists you know physicists whatever

1302  
00:45:07,030 --> 00:45:04,240  
and it would be done as an actual

1303  
00:45:08,710 --> 00:45:07,040  
scientific study um with their with sort

1304  
00:45:10,950 --> 00:45:08,720  
of their people right the people who are

1305  
00:45:13,510 --> 00:45:10,960  
within this elite scientific community

1306  
00:45:15,190 --> 00:45:13,520  
um so you know i think what would stop

1307  
00:45:16,790 --> 00:45:15,200  
happening is ufo experts showing up on

1308  
00:45:18,309 --> 00:45:16,800  
history channel uh to be interviewed

1309  
00:45:19,270 --> 00:45:18,319  
right i think that would that would end

1310  
00:45:21,510 --> 00:45:19,280  
right

1311  
00:45:23,910 --> 00:45:21,520  
the the reign of the ufo expert would

1312  
00:45:25,510 --> 00:45:23,920  
would probably collapse um because it's

1313  
00:45:26,950 --> 00:45:25,520

no longer a mystery right it's now

1314

00:45:29,750 --> 00:45:26,960

something that's studied by the general

1315

00:45:31,990 --> 00:45:29,760

sciences well put i mean

1316

00:45:34,870 --> 00:45:32,000

look at any government investigation

1317

00:45:37,030 --> 00:45:34,880

into ufos to date they all came back

1318

00:45:39,430 --> 00:45:37,040

with the same conclusions of

1319

00:45:41,270 --> 00:45:39,440

uh we don't know what's going on what we

1320

00:45:43,109 --> 00:45:41,280

do know is that it is not a threat to

1321

00:45:44,710 --> 00:45:43,119

national security and when it comes down

1322

00:45:47,270 --> 00:45:44,720

to it that's

1323

00:45:49,109 --> 00:45:47,280

that's what they deem an answer a

1324

00:45:51,990 --> 00:45:49,119

conclusion like this this isn't

1325

00:45:53,990 --> 00:45:52,000

threatening us therefore we're no longer

1326

00:45:56,309 --> 00:45:54,000

going to investigate it pump millions of

1327

00:45:58,470 --> 00:45:56,319

dollars into it so you make a good point

1328

00:46:00,309 --> 00:45:58,480

it's a fantasy that we would be the ones

1329

00:46:02,150 --> 00:46:00,319

called upon when this all happens but

1330

00:46:04,470 --> 00:46:02,160

let's be honest you know i'm a

1331

00:46:06,069 --> 00:46:04,480

playwright living in new york city you

1332

00:46:09,589 --> 00:46:06,079

know i i

1333

00:46:12,550 --> 00:46:09,599

bartend at night that's what i do yes i

1334

00:46:15,109 --> 00:46:12,560

i'm absolutely fascinated by ufos

1335

00:46:17,270 --> 00:46:15,119

i make it my second job because i love

1336

00:46:20,150 --> 00:46:17,280

it and i have a passion to find answers

1337

00:46:21,990 --> 00:46:20,160

but they're not gonna call me uh when it

1338

00:46:23,109 --> 00:46:22,000

comes down to it to be like what do you

1339

00:46:24,870 --> 00:46:23,119

know

1340

00:46:27,349 --> 00:46:24,880

exactly right because ultimately you

1341

00:46:30,470 --> 00:46:27,359

know the the facts that we have you know

1342

00:46:31,510 --> 00:46:30,480

i would i would say aren't facts right i

1343

00:46:34,470 --> 00:46:31,520

think they're i think they're

1344

00:46:36,710 --> 00:46:34,480

theological or philosophical beliefs i i

1345

00:46:38,309 --> 00:46:36,720

i don't think we have really a lot of

1346

00:46:39,670 --> 00:46:38,319

hard data and again you know people

1347

00:46:41,190 --> 00:46:39,680

disagree with me right mufon i think

1348

00:46:43,750 --> 00:46:41,200

would be one of the first groups to say

1349

00:46:45,990 --> 00:46:43,760

you know what mj you are fired messed up

1350

00:46:47,190 --> 00:46:46,000

look at look at look at that's right um

1351

00:46:48,630 --> 00:46:47,200

look at our case management system look

1352

00:46:51,750 --> 00:46:48,640

at all that data and i would say you

1353

00:46:53,829 --> 00:46:51,760

know maybe you know maybe that's data

1354

00:46:55,670 --> 00:46:53,839

but but honestly mj what has that done

1355

00:46:56,790 --> 00:46:55,680

and that's not a slight against mufon

1356

00:46:59,109 --> 00:46:56,800

you look at like

1357

00:47:00,790 --> 00:46:59,119

new fork you look at all these reporting

1358

00:47:03,109 --> 00:47:00,800

centers throughout the years what has

1359

00:47:05,990 --> 00:47:03,119

their data actually done to further the

1360

00:47:08,710 --> 00:47:06,000

study of ufos we we always hear

1361

00:47:11,430 --> 00:47:08,720

nothing has changed in the past 50 years

1362

00:47:13,109 --> 00:47:11,440

um i tend to disagree with that i think

1363

00:47:15,829 --> 00:47:13,119

you know um

1364

00:47:17,990 --> 00:47:15,839

any new information is uh quote unquote

1365

00:47:20,710 --> 00:47:18,000

good information there has been some

1366

00:47:23,430 --> 00:47:20,720

progression in terms of what the what

1367

00:47:25,030 --> 00:47:23,440

ufos are not um

1368

00:47:25,750 --> 00:47:25,040

but uh

1369

00:47:31,270 --> 00:47:25,760

it's

1370

00:47:34,950 --> 00:47:31,280

these investigations by mufon but then

1371

00:47:37,190 --> 00:47:34,960

what what what what happens from there

1372

00:47:38,710 --> 00:47:37,200

yeah and and you know that that's that's

1373

00:47:40,790 --> 00:47:38,720

a big question right that is that is the

1374

00:47:43,270 --> 00:47:40,800

big question like why hasn't anything

1375

00:47:45,990 --> 00:47:43,280

changed why hasn't ufology

1376  
00:47:46,870 --> 00:47:46,000  
been able to break through into some

1377  
00:47:49,589 --> 00:47:46,880  
sort of

1378  
00:47:52,550 --> 00:47:49,599  
standardization or into maybe some sort

1379  
00:47:54,550 --> 00:47:52,560  
of academic sphere or why hasn't been it

1380  
00:47:56,470 --> 00:47:54,560  
been able to sort of puncture into the

1381  
00:47:59,030 --> 00:47:56,480  
mainstream sciences like what is going

1382  
00:48:00,710 --> 00:47:59,040  
on right yeah and i think that that's

1383  
00:48:02,390 --> 00:48:00,720  
that's and again i'm gonna plug my blog

1384  
00:48:04,309 --> 00:48:02,400  
again i think that's kind of what my

1385  
00:48:05,829 --> 00:48:04,319  
blog is is trying to address right it's

1386  
00:48:07,510 --> 00:48:05,839  
not necessarily oh do you believe in

1387  
00:48:08,550 --> 00:48:07,520  
ufos or what are ufos because i'm not

1388  
00:48:09,430 --> 00:48:08,560

sure if that's a question we can

1389

00:48:10,950 --> 00:48:09,440

currently answer right we don't

1390

00:48:14,309 --> 00:48:10,960

necessarily have the science right now

1391

00:48:16,309 --> 00:48:14,319

to be able to get to a solution

1392

00:48:18,550 --> 00:48:16,319

because science requires reproduction

1393

00:48:20,390 --> 00:48:18,560

and testing you know ufos don't do this

1394

00:48:21,990 --> 00:48:20,400

right um

1395

00:48:23,670 --> 00:48:22,000

but they do leave physical evidence

1396

00:48:24,870 --> 00:48:23,680

behind sometimes which is kind of this

1397

00:48:26,230 --> 00:48:24,880

weird

1398

00:48:28,150 --> 00:48:26,240

this is what makes the mystery even

1399

00:48:30,549 --> 00:48:28,160

better right you know and

1400

00:48:32,630 --> 00:48:30,559

they leave stuff behind once in a while

1401

00:48:34,870 --> 00:48:32,640

and um and i think that

1402

00:48:38,549 --> 00:48:34,880

really where ufology needs to go

1403

00:48:40,069 --> 00:48:38,559

away from uh from sorry not away from i

1404

00:48:41,750 --> 00:48:40,079

think it needs to employ science i think

1405

00:48:44,150 --> 00:48:41,760

euphology needs science behind it but i

1406

00:48:45,589 --> 00:48:44,160

think it needs a lot more theory a lot

1407

00:48:48,549 --> 00:48:45,599

more critical theory a lot more

1408

00:48:51,750 --> 00:48:48,559

philosophy it needs this

1409

00:48:57,270 --> 00:48:54,790

why are scientists and governments not

1410

00:49:00,710 --> 00:48:57,280

officially and publicly looking into the

1411

00:49:02,150 --> 00:49:00,720

phenomenon of ufos right i think this is

1412

00:49:03,670 --> 00:49:02,160

you know critical theory for all the

1413

00:49:05,349 --> 00:49:03,680

listeners who don't know what it is is

1414

00:49:07,270 --> 00:49:05,359

it's a branch of philosophy that studies

1415

00:49:09,430 --> 00:49:07,280

sort of the power systems that are in

1416

00:49:11,349 --> 00:49:09,440

place in our world right so stuff like

1417

00:49:13,109 --> 00:49:11,359

uh western liberal democracy capitalism

1418

00:49:14,870 --> 00:49:13,119

communism feminism gender studies

1419

00:49:16,790 --> 00:49:14,880

whatever all that stuff is clumped into

1420

00:49:18,549 --> 00:49:16,800

cultural theory or cultural studies and

1421

00:49:20,470 --> 00:49:18,559

critical theory i think ufology is

1422

00:49:23,349 --> 00:49:20,480

definitely needs to be studied in this

1423

00:49:25,349 --> 00:49:23,359

way um so what is preventing

1424

00:49:27,910 --> 00:49:25,359

the state and what is preventing the

1425

00:49:31,430 --> 00:49:27,920

scientific community from actively

1426  
00:49:32,470 --> 00:49:31,440  
looking into ufos and why are scientists

1427  
00:49:33,589 --> 00:49:32,480  
and

1428  
00:49:35,349 --> 00:49:33,599  
government

1429  
00:49:37,270 --> 00:49:35,359  
officials and anyone who is actively

1430  
00:49:39,190 --> 00:49:37,280  
trying to push for this study why are

1431  
00:49:42,950 --> 00:49:39,200  
they being blackballed or why are they

1432  
00:49:44,549 --> 00:49:42,960  
sort of being laughed at and why do

1433  
00:49:45,829 --> 00:49:44,559  
anchors news anchors on on fox news and

1434  
00:49:48,069 --> 00:49:45,839  
cnn snicker

1435  
00:49:50,230 --> 00:49:48,079  
every time a ufo story pops up right and

1436  
00:49:52,230 --> 00:49:50,240  
why is it okay like why does the general

1437  
00:49:55,670 --> 00:49:52,240  
public why do just you me and joe

1438  
00:49:56,829 --> 00:49:55,680

six-pack sort of deem it okay that that

1439

00:49:59,829 --> 00:49:56,839

the study of

1440

00:50:02,230 --> 00:49:59,839

ufos is not acceptable right why is it

1441

00:50:04,470 --> 00:50:02,240

lunacy yeah and and i think that this is

1442

00:50:07,109 --> 00:50:04,480

this is the big question you know um and

1443

00:50:08,710 --> 00:50:07,119

i don't know if science uh

1444

00:50:12,790 --> 00:50:08,720

is is where it needs to be for us to

1445

00:50:14,950 --> 00:50:12,800

actively study ufos properly but i think

1446

00:50:16,870 --> 00:50:14,960

that you know if if time and energy was

1447

00:50:18,150 --> 00:50:16,880

actually put into it right if if

1448

00:50:20,549 --> 00:50:18,160

scientific communities were actually

1449

00:50:23,109 --> 00:50:20,559

given funding to study ufos if they were

1450

00:50:25,109 --> 00:50:23,119

actually um given the opportunity and

1451  
00:50:26,870 --> 00:50:25,119  
the state actively did it you know i

1452  
00:50:28,549 --> 00:50:26,880  
think this would be a different i think

1453  
00:50:30,390 --> 00:50:28,559  
it might be a different beast you know

1454  
00:50:33,190 --> 00:50:30,400  
blue book didn't work

1455  
00:50:34,549 --> 00:50:33,200  
grant a lot of state-run ufo

1456  
00:50:36,790 --> 00:50:34,559  
investigations didn't work but a lot of

1457  
00:50:37,990 --> 00:50:36,800  
people would say they were already

1458  
00:50:39,829 --> 00:50:38,000  
when they first were first created kind

1459  
00:50:41,349 --> 00:50:39,839  
of kneecapped by the people who are

1460  
00:50:43,430 --> 00:50:41,359  
running them right i mean you know you

1461  
00:50:44,870 --> 00:50:43,440  
read heinek you know i love i love

1462  
00:50:46,230 --> 00:50:44,880  
heineken and his work and he talks about

1463  
00:50:47,910 --> 00:50:46,240

when he worked on project blue book you

1464

00:50:49,910 --> 00:50:47,920

know every single

1465

00:50:51,510 --> 00:50:49,920

military officer he worked with was a

1466

00:50:53,030 --> 00:50:51,520

junior level officer they were all like

1467

00:50:54,549 --> 00:50:53,040

majors and captains like they didn't

1468

00:50:55,829 --> 00:50:54,559

have a single colonel a single general

1469

00:50:57,109 --> 00:50:55,839

okay they had a left hand and a colonel

1470

00:50:59,589 --> 00:50:57,119

but you know they had all these junior

1471

00:51:01,510 --> 00:50:59,599

officers who could they couldn't

1472

00:51:03,349 --> 00:51:01,520

requisition what requisition a car have

1473

00:51:05,270 --> 00:51:03,359

at the time to go visit a witness right

1474

00:51:06,390 --> 00:51:05,280

the the government like the military

1475

00:51:07,990 --> 00:51:06,400

just wouldn't give them funding to be

1476

00:51:10,069 --> 00:51:08,000

like okay yeah i need to borrow a

1477

00:51:12,150 --> 00:51:10,079

company car for a couple hours sorry you

1478

00:51:13,510 --> 00:51:12,160

can't right and it's like well if you're

1479

00:51:14,870 --> 00:51:13,520

gonna kneecap it before it even starts

1480

00:51:16,150 --> 00:51:14,880

then this is you know we're not gonna

1481

00:51:17,430 --> 00:51:16,160

get anywhere and i think that this is

1482

00:51:18,790 --> 00:51:17,440

kind of where we're at right it's this

1483

00:51:20,870 --> 00:51:18,800

taboo

1484

00:51:23,510 --> 00:51:20,880

subject of nobody really wants to talk

1485

00:51:25,030 --> 00:51:23,520

about it um and nobody wants to study it

1486

00:51:25,829 --> 00:51:25,040

but i think there's a lot of interest in

1487

00:51:27,109 --> 00:51:25,839

it and i think there's a lot of people

1488

00:51:30,309 --> 00:51:27,119

who are probably concerned about it i

1489

00:51:31,750 --> 00:51:30,319

mean you know if we go to the nth degree

1490

00:51:34,230 --> 00:51:31,760

to the belief let's go to the believer's

1491

00:51:36,230 --> 00:51:34,240

side for a second right and we go full

1492

00:51:37,510 --> 00:51:36,240

pull out uh yeah we go out full out you

1493

00:51:38,870 --> 00:51:37,520

know they're here

1494

00:51:40,630 --> 00:51:38,880

all the time visiting us and they do it

1495

00:51:41,990 --> 00:51:40,640

you know this is concerning right i

1496

00:51:43,750 --> 00:51:42,000

think that this is freaks a lot of

1497

00:51:44,870 --> 00:51:43,760

people out because they can do whatever

1498

00:51:46,790 --> 00:51:44,880

they want

1499

00:51:47,670 --> 00:51:46,800

and there is no way of stopping them

1500

00:51:48,470 --> 00:51:47,680

right

1501  
00:51:50,790 --> 00:51:48,480  
and

1502  
00:51:52,150 --> 00:51:50,800  
this is really problematic assuming you

1503  
00:51:53,910 --> 00:51:52,160  
know that's what's going on you know

1504  
00:51:55,270 --> 00:51:53,920  
again for argument's sake i

1505  
00:51:58,950 --> 00:51:55,280  
i don't want to talk about my personal

1506  
00:52:01,990 --> 00:51:58,960  
beliefs because you know that's crazy

1507  
00:52:05,510 --> 00:52:02,000  
yeah i mean in the same in the same vein

1508  
00:52:08,069 --> 00:52:05,520  
mj um we know that just like any sort of

1509  
00:52:10,870 --> 00:52:08,079  
strange or esoteric topic uh

1510  
00:52:11,910 --> 00:52:10,880  
there are those who claim to be experts

1511  
00:52:14,309 --> 00:52:11,920  
uh

1512  
00:52:16,230 --> 00:52:14,319  
and we know full well that's complete

1513  
00:52:18,710 --> 00:52:16,240

[h\_\_\h] i mean i i can honestly say

1514

00:52:21,910 --> 00:52:18,720

straight up that when it comes to ufos i

1515

00:52:24,549 --> 00:52:21,920

have without hesitation stated

1516

00:52:27,589 --> 00:52:24,559

that i do not know what they are and i

1517

00:52:30,069 --> 00:52:27,599

do not know what they represent um yet

1518

00:52:32,870 --> 00:52:30,079

we are the ones who are considered ufo

1519

00:52:35,109 --> 00:52:32,880

quote-unquote experts um we both know

1520

00:52:37,030 --> 00:52:35,119

that's utter nonsense we have no clue

1521

00:52:40,069 --> 00:52:37,040

but that doesn't mean i'm going to stop

1522

00:52:42,790 --> 00:52:40,079

trying to find answers and i i guess my

1523

00:52:44,069 --> 00:52:42,800

my convoluted question in this uh

1524

00:52:47,510 --> 00:52:44,079

who

1525

00:52:50,150 --> 00:52:47,520

for the most credible and beneficial

1526

00:52:52,950 --> 00:52:50,160

information who out there in the ufo

1527

00:52:55,589 --> 00:52:52,960

quote unquote field inspires you who

1528

00:52:57,910 --> 00:52:55,599

someone uh you could steer us towards i

1529

00:53:02,309 --> 00:53:00,390

ryan's ryan sprague oh my god

1530

00:53:03,670 --> 00:53:02,319

stop no i'm just i'm just

1531

00:53:04,950 --> 00:53:03,680

um you know

1532

00:53:06,950 --> 00:53:04,960

god you know that's such a tough

1533

00:53:08,150 --> 00:53:06,960

question right because

1534

00:53:09,990 --> 00:53:08,160

i think

1535

00:53:11,430 --> 00:53:10,000

i can tell you who inspires me

1536

00:53:13,510 --> 00:53:11,440

but i don't necessarily think they're

1537

00:53:15,990 --> 00:53:13,520

right you know what i mean absolutely i

1538

00:53:16,950 --> 00:53:16,000

can tell you who i think is is

1539

00:53:20,309 --> 00:53:16,960

um

1540

00:53:21,829 --> 00:53:20,319

they're great writers they're great uh

1541

00:53:24,069 --> 00:53:21,839

they have a lot of knowledge on the

1542

00:53:25,349 --> 00:53:24,079

subject of of sightings and and i think

1543

00:53:27,510 --> 00:53:25,359

i mentioned this in one of my blog posts

1544

00:53:29,270 --> 00:53:27,520

this idea of the expert right what makes

1545

00:53:31,430 --> 00:53:29,280

an expert an expert

1546

00:53:33,030 --> 00:53:31,440

it's all ideology maybe but we can

1547

00:53:34,870 --> 00:53:33,040

that's a later that's a later auxiliary

1548

00:53:37,750 --> 00:53:34,880

episode

1549

00:53:39,190 --> 00:53:37,760

the the problem with the expert is is

1550

00:53:40,549 --> 00:53:39,200

we're all kind of experts in what we

1551

00:53:42,630 --> 00:53:40,559

don't know and i think that's what that

1552

00:53:44,230 --> 00:53:42,640

what the ufo phenomenon is right we have

1553

00:53:47,030 --> 00:53:44,240

no idea what's going on and anyone who

1554

00:53:48,470 --> 00:53:47,040

says they do is crazy um sorry no

1555

00:53:50,150 --> 00:53:48,480

offense to everyone who thinks they know

1556

00:53:52,710 --> 00:53:50,160

what's going on but i'm gonna call it

1557

00:53:55,349 --> 00:53:52,720

you're crazy um because there is no

1558

00:53:57,589 --> 00:53:55,359

evidence to support anything of what's

1559

00:54:00,230 --> 00:53:57,599

actually going on we have stories and we

1560

00:54:02,870 --> 00:54:00,240

have uh some evidence once in a while

1561

00:54:04,390 --> 00:54:02,880

but that doesn't prove anything right it

1562

00:54:06,630 --> 00:54:04,400

doesn't prove you know that they're from

1563

00:54:08,549 --> 00:54:06,640

another dimension or that they are

1564

00:54:10,549 --> 00:54:08,559

intelligent or they are

1565

00:54:13,109 --> 00:54:10,559

uh you know from this particular star

1566

00:54:14,710 --> 00:54:13,119

system or whatever um you know the

1567

00:54:17,109 --> 00:54:14,720

people i really listen to and the people

1568

00:54:19,109 --> 00:54:17,119

i really read um you know

1569

00:54:20,870 --> 00:54:19,119

there's a handful um i'm excited for

1570

00:54:23,510 --> 00:54:20,880

somewhere in the skies that's for sure

1571

00:54:24,630 --> 00:54:23,520

um because i think you know your your

1572

00:54:26,150 --> 00:54:24,640

potential book i mean i don't know

1573

00:54:27,990 --> 00:54:26,160

anything about it but i i only know the

1574

00:54:30,230 --> 00:54:28,000

heading in the sub or the subtitle uh

1575

00:54:32,710 --> 00:54:30,240

which is you know a a huge uh a human

1576

00:54:35,270 --> 00:54:32,720

what is a human expert uh

1577

00:54:37,190 --> 00:54:35,280

no uh approach yep human approach to an

1578

00:54:38,710 --> 00:54:37,200

alien phenomenon yeah and you know it's

1579

00:54:40,549 --> 00:54:38,720

beautiful because that that is kind of

1580

00:54:42,390 --> 00:54:40,559

where we're at right it's a human

1581

00:54:43,990 --> 00:54:42,400

approach to something that is totally

1582

00:54:45,270 --> 00:54:44,000

other and totally alien we don't have

1583

00:54:47,030 --> 00:54:45,280

any idea so i think you know i'm really

1584

00:54:50,230 --> 00:54:47,040

looking forward to that um

1585

00:54:53,670 --> 00:54:50,240

send me a copy absolutely i'll amazon it

1586

00:54:55,829 --> 00:54:53,680

otherwise um i really like micah hanks i

1587

00:54:58,950 --> 00:54:55,839

like micah hanks because i think he kind

1588

00:55:00,950 --> 00:54:58,960

of follows a lot of the same sort of

1589

00:55:03,910 --> 00:55:00,960

mentality you know potentially you and i

1590

00:55:06,069 --> 00:55:03,920

follow right right something is going on

1591

00:55:07,910 --> 00:55:06,079

i think we kind of can hit that nail on

1592

00:55:09,670 --> 00:55:07,920

the head right something strange is

1593

00:55:10,950 --> 00:55:09,680

going on we just have no clue what it is

1594

00:55:13,589 --> 00:55:10,960

and i think that that's kind of my

1595

00:55:15,990 --> 00:55:13,599

position as well um you know do i think

1596

00:55:18,870 --> 00:55:16,000

ufos are things in the sky that people

1597

00:55:20,549 --> 00:55:18,880

kind of can't identify yes um

1598

00:55:21,829 --> 00:55:20,559

do i think that there's anything you

1599

00:55:22,870 --> 00:55:21,839

know do i think their aliens are you

1600

00:55:24,069 --> 00:55:22,880

know or do i think that it's

1601  
00:55:26,549 --> 00:55:24,079  
interdimensional beings or whatever i

1602  
00:55:27,829 --> 00:55:26,559  
don't know right i i i don't know at all

1603  
00:55:30,309 --> 00:55:27,839  
and i think that that is kind of the

1604  
00:55:31,349 --> 00:55:30,319  
best position to take in ufology um

1605  
00:55:33,589 --> 00:55:31,359  
because you can't prove anything

1606  
00:55:35,910 --> 00:55:33,599  
otherwise yeah so i would say you know

1607  
00:55:38,230 --> 00:55:35,920  
micah hanks is this great kind of uh

1608  
00:55:40,549 --> 00:55:38,240  
public very public character in the ufo

1609  
00:55:41,990 --> 00:55:40,559  
world right um who actively kind of

1610  
00:55:44,630 --> 00:55:42,000  
promotes this message right you know

1611  
00:55:46,630 --> 00:55:44,640  
ufology is not about speculation it's

1612  
00:55:49,030 --> 00:55:46,640  
not about speculating as to you know the

1613  
00:55:51,030 --> 00:55:49,040

star system or or the or the type of uh

1614

00:55:52,069 --> 00:55:51,040

you know warp drive these vehicles have

1615

00:55:54,150 --> 00:55:52,079

or whatever it's not about that right

1616

00:55:56,549 --> 00:55:54,160

it's it's about sort of why are people

1617

00:55:58,470 --> 00:55:56,559

seeing these things and and um you know

1618

00:56:00,309 --> 00:55:58,480

can we ever find an answer so i do like

1619

00:56:03,190 --> 00:56:00,319

micah hanks i like his grayling report i

1620

00:56:06,470 --> 00:56:03,200

i do really enjoy that show um i think

1621

00:56:08,069 --> 00:56:06,480

richard dolan um on a historical aspect

1622

00:56:10,309 --> 00:56:08,079

this guy kind of knows everything it's

1623

00:56:12,950 --> 00:56:10,319

ridiculous um i'm right now cutting

1624

00:56:14,630 --> 00:56:12,960

through his um his recent book his ufos

1625

00:56:15,589 --> 00:56:14,640

for the 21st century mind

1626  
00:56:17,349 --> 00:56:15,599  
you know

1627  
00:56:19,270 --> 00:56:17,359  
i think i think as like it's almost like

1628  
00:56:21,910 --> 00:56:19,280  
an encyclopedia right it's this general

1629  
00:56:23,430 --> 00:56:21,920  
overview of ufology since it's sort of

1630  
00:56:24,950 --> 00:56:23,440  
inception and i think it's great i think

1631  
00:56:26,069 --> 00:56:24,960  
that no obviously it deals with a lot of

1632  
00:56:27,990 --> 00:56:26,079  
cases and it deals with a lot of

1633  
00:56:29,190 --> 00:56:28,000  
speculation at times um and that's

1634  
00:56:30,230 --> 00:56:29,200  
totally fine i mean that's that's the

1635  
00:56:33,270 --> 00:56:30,240  
point of the book though right it's to

1636  
00:56:35,750 --> 00:56:33,280  
offer this overview of the world of ufos

1637  
00:56:37,829 --> 00:56:35,760  
um you know do i necessarily agree with

1638  
00:56:40,390 --> 00:56:37,839

some of some of mr dolan's sort of other

1639

00:56:42,470 --> 00:56:40,400

opinions in regards to what the ufos are

1640

00:56:44,710 --> 00:56:42,480

or who is driving the ufos let's say or

1641

00:56:46,950 --> 00:56:44,720

flying them you know i'm not sure if i

1642

00:56:48,390 --> 00:56:46,960

necessarily buy into all that but um i

1643

00:56:52,150 --> 00:56:48,400

think that from a

1644

00:56:54,870 --> 00:56:52,160

historical sort of um solid you know

1645

00:56:57,190 --> 00:56:54,880

well-researched ufological

1646

00:56:59,349 --> 00:56:57,200

side i think he's great um you know and

1647

00:57:03,030 --> 00:56:59,359

there's there's tons i guess sam and

1648

00:57:04,309 --> 00:57:03,040

shannon at uh at into the fray love them

1649

00:57:06,390 --> 00:57:04,319

i could be honest i didn't know much

1650

00:57:08,789 --> 00:57:06,400

about bigfoot before and now i know more

1651

00:57:11,109 --> 00:57:08,799

about bigfoot than i care to

1652

00:57:12,870 --> 00:57:11,119

isn't that crazy man i'm the same way

1653

00:57:14,630 --> 00:57:12,880

you know yeah and it's funny hey like

1654

00:57:17,349 --> 00:57:14,640

because i think i think big foot is sort

1655

00:57:18,710 --> 00:57:17,359

of similar to ufos right yeah and that

1656

00:57:21,030 --> 00:57:18,720

you know he's kind of mysterious he

1657

00:57:22,950 --> 00:57:21,040

shows up or she shows up whenever he or

1658

00:57:24,150 --> 00:57:22,960

she wants and then you know once in a

1659

00:57:25,270 --> 00:57:24,160

while they leave evidence right they

1660

00:57:27,190 --> 00:57:25,280

leave a footprint kicking around every

1661

00:57:28,630 --> 00:57:27,200

once in a while you know and you go

1662

00:57:29,990 --> 00:57:28,640

that's kind of interesting you know but

1663

00:57:31,670 --> 00:57:30,000

the problem is you know i'm not sure if

1664

00:57:33,510 --> 00:57:31,680

bigfoot could invade the planet and and

1665

00:57:35,270 --> 00:57:33,520

you know enslave us in some sort of you

1666

00:57:37,589 --> 00:57:35,280

know cocoon like race where we just you

1667

00:57:39,190 --> 00:57:37,599

know our mindless zombies

1668

00:57:40,950 --> 00:57:39,200

um you never know i don't know feels

1669

00:57:42,069 --> 00:57:40,960

bigfoot um yeah

1670

00:57:44,069 --> 00:57:42,079

there's so many people out there but i

1671

00:57:46,230 --> 00:57:44,079

guess the consistent ones you know i

1672

00:57:47,750 --> 00:57:46,240

just mentioned uh chris rodkowski

1673

00:57:50,789 --> 00:57:47,760

obviously you know absolutely as a

1674

00:57:52,309 --> 00:57:50,799

canadian ufologist the guy is

1675

00:57:54,870 --> 00:57:52,319

the guy is definitely a man of science

1676

00:57:56,710 --> 00:57:54,880

he is not he's just not sort of

1677

00:57:57,990 --> 00:57:56,720

he doesn't enjoy whimsy and he you know

1678

00:58:00,309 --> 00:57:58,000

like you know

1679

00:58:02,390 --> 00:58:00,319

but he is like this is like this is what

1680

00:58:04,309 --> 00:58:02,400

we know and and and it's this tiny

1681

00:58:06,549 --> 00:58:04,319

sliver and everything we don't know is

1682

00:58:08,390 --> 00:58:06,559

this you know titanic of a

1683

00:58:10,069 --> 00:58:08,400

of a beast that is just you know waiting

1684

00:58:11,589 --> 00:58:10,079

around and like we know nothing about

1685

00:58:12,950 --> 00:58:11,599

what's going on but you know something

1686

00:58:14,309 --> 00:58:12,960

weird is going on right so i don't have

1687

00:58:16,950 --> 00:58:14,319

to give props to chris

1688

00:58:18,950 --> 00:58:16,960

chris chris i have to add mj i mean

1689

00:58:21,670 --> 00:58:18,960

chris has called me out on [h\_\_h] so

1690

00:58:23,750 --> 00:58:21,680

many times and that's what we need we

1691

00:58:25,750 --> 00:58:23,760

need someone there to sort of reign us

1692

00:58:27,990 --> 00:58:25,760

in when they can see we're getting a

1693

00:58:29,430 --> 00:58:28,000

little too out there you know

1694

00:58:31,829 --> 00:58:29,440

when you and i

1695

00:58:33,910 --> 00:58:31,839

uh again we're on the younger side we're

1696

00:58:35,750 --> 00:58:33,920

sort of we're we're still stumbling

1697

00:58:38,390 --> 00:58:35,760

we're trying to find our way in this

1698

00:58:42,069 --> 00:58:38,400

this field and um when we have people

1699

00:58:44,309 --> 00:58:42,079

like chris uh like dolan to sort of

1700

00:58:46,309 --> 00:58:44,319

pull us back in and remind us like you

1701

00:58:48,789 --> 00:58:46,319

know go back to the facts look at the

1702

00:58:50,309 --> 00:58:48,799

history and then move forward

1703

00:58:52,950 --> 00:58:50,319

i can't tell you how many times i've

1704

00:58:54,230 --> 00:58:52,960

been wrong and you have to be willing to

1705

00:58:55,589 --> 00:58:54,240

admit that and i think someone like

1706

00:58:57,510 --> 00:58:55,599

chris or

1707

00:58:59,829 --> 00:58:57,520

or dolan like these are people who are

1708

00:59:03,030 --> 00:58:59,839

willing to do that um oh for sure you

1709

00:59:05,030 --> 00:59:03,040

know and that's such a great way to uh

1710

00:59:06,950 --> 00:59:05,040

to approach it and you know dolan being

1711

00:59:09,270 --> 00:59:06,960

my publisher and micah having written

1712

00:59:10,630 --> 00:59:09,280

the forward for my book i'm so happy

1713

00:59:13,030 --> 00:59:10,640

that you brought those two up it makes

1714

00:59:15,349 --> 00:59:13,040

me feel more comfortable moving forward

1715

00:59:16,870 --> 00:59:15,359

with my own research um

1716

00:59:19,109 --> 00:59:16,880

well yeah i mean you know there's

1717

00:59:21,190 --> 00:59:19,119

there's very few voices in the field of

1718

00:59:23,829 --> 00:59:21,200

ufology that i would say sort of are

1719

00:59:26,470 --> 00:59:23,839

this middle ground right right

1720

00:59:28,230 --> 00:59:26,480

we we admit to saying yeah you know what

1721

00:59:30,069 --> 00:59:28,240

there is something strange going on but

1722

00:59:32,710 --> 00:59:30,079

we aren't prepared to kind of drink the

1723

00:59:35,829 --> 00:59:32,720

kool-aid and go full out you know

1724

00:59:38,230 --> 00:59:35,839

full-out believer disclosurists you know

1725

00:59:40,309 --> 00:59:38,240

they're here they have ships and and

1726

00:59:41,510 --> 00:59:40,319

their bodies are buried in an area 51.

1727

00:59:43,430 --> 00:59:41,520

you know what i mean like there's this

1728

00:59:45,270 --> 00:59:43,440

it needs a middle ground i think and i

1729

00:59:46,549 --> 00:59:45,280

think that this is kind of where

1730

00:59:48,789 --> 00:59:46,559

you myself and some of these other

1731

00:59:50,789 --> 00:59:48,799

people kind of arrest

1732

00:59:51,990 --> 00:59:50,799

yeah because otherwise everything else

1733

00:59:54,069 --> 00:59:52,000

is speculation right we can only

1734

00:59:56,069 --> 00:59:54,079

speculate we can only speculate and like

1735

00:59:58,150 --> 00:59:56,079

and the true

1736

01:00:01,190 --> 00:59:58,160

research is going to come from those who

1737

01:00:03,510 --> 01:00:01,200

aren't out there touting tv shows and

1738

01:00:05,349 --> 01:00:03,520

books and this like if people want to

1739

01:00:08,150 --> 01:00:05,359

buy my book great if they want to read

1740

01:00:10,630 --> 01:00:08,160

your blog awesome i don't expect that i

1741

01:00:12,549 --> 01:00:10,640

don't give a you know i don't care how

1742

01:00:14,390 --> 01:00:12,559

well the book does this is what

1743

01:00:15,829 --> 01:00:14,400

information i got

1744

01:00:18,309 --> 01:00:15,839

and this is what i want to give to the

1745

01:00:20,870 --> 01:00:18,319

public uh whether you accept that or not

1746

01:00:23,109 --> 01:00:20,880

great um so i think the real research

1747

01:00:25,190 --> 01:00:23,119

does come from underground i know mike

1748

01:00:28,230 --> 01:00:25,200

has talked a lot about this as well

1749

01:00:29,990 --> 01:00:28,240

it's those sort of not out there not

1750

01:00:32,309 --> 01:00:30,000

giving their names who are doing this

1751

01:00:34,309 --> 01:00:32,319

true research and that's what

1752

01:00:37,670 --> 01:00:34,319

counts it's the information it's not the

1753

01:00:40,150 --> 01:00:37,680

people whenever skeptics say ufology is

1754

01:00:41,829 --> 01:00:40,160

dead it's because they're looking at the

1755

01:00:43,990 --> 01:00:41,839

people involved they're attacking the

1756

01:00:46,470 --> 01:00:44,000

personalities and that's all it's based

1757

01:00:48,150 --> 01:00:46,480

on and in some ways i don't blame them

1758

01:00:49,990 --> 01:00:48,160

there's a lot of charlatans out there a

1759

01:00:51,910 --> 01:00:50,000

lot of quote unquote experts who say

1760

01:00:54,710 --> 01:00:51,920

they have all the answers like you said

1761

01:00:56,549 --> 01:00:54,720

earlier we cannot trust them um

1762

01:00:58,789 --> 01:00:56,559

so yeah i think the real work is being

1763

01:01:00,710 --> 01:00:58,799

done underground uh it's being done

1764

01:01:02,870 --> 01:01:00,720

independently and that comes with things

1765

01:01:04,950 --> 01:01:02,880

like tara obscura the ghrelian report

1766

01:01:06,630 --> 01:01:04,960

into the frame you know um i'm gonna

1767

01:01:07,589 --> 01:01:06,640

just keep naming them until you stop me

1768

01:01:08,390 --> 01:01:07,599

but um

1769

01:01:11,430 --> 01:01:08,400

again

1770

01:01:13,430 --> 01:01:11,440

that's what it is it's civilians it's

1771

01:01:15,990 --> 01:01:13,440

people on the ground who have

1772

01:01:17,750 --> 01:01:16,000

experienced these things or are relaying

1773

01:01:19,829 --> 01:01:17,760

that information that i think matter

1774

01:01:21,109 --> 01:01:19,839

most i don't know how you feel well i

1775

01:01:22,549 --> 01:01:21,119

mentioned that in my blog post when i

1776

01:01:24,549 --> 01:01:22,559

talked about sort of the ideology of

1777

01:01:27,109 --> 01:01:24,559

science and sort of whether you know

1778

01:01:29,190 --> 01:01:27,119

ufology can fit into this ideology and

1779

01:01:31,109 --> 01:01:29,200

um you know i kind of ended it by saying

1780

01:01:32,390 --> 01:01:31,119

that you know really it's the grassroots

1781

01:01:33,430 --> 01:01:32,400

right that are going to make a

1782

01:01:35,190 --> 01:01:33,440

difference right here it's those

1783

01:01:37,750 --> 01:01:35,200

scientists and those thinkers and

1784

01:01:40,069 --> 01:01:37,760

philosophers and theorists and whoever

1785

01:01:41,430 --> 01:01:40,079

who are going to kind of

1786

01:01:43,750 --> 01:01:41,440

they don't necessarily worry about

1787

01:01:45,430 --> 01:01:43,760

existing on the fringe a little bit and

1788

01:01:47,829 --> 01:01:45,440

and dealing with it and writing about it

1789

01:01:49,589 --> 01:01:47,839

and thinking about it because ufology as

1790

01:01:50,950 --> 01:01:49,599

much as much as science is needed it's a

1791

01:01:53,670 --> 01:01:50,960

thinking man's game or a thinking

1792

01:01:55,349 --> 01:01:53,680

woman's game um and

1793

01:01:57,750 --> 01:01:55,359

uh there definitely needs to be some

1794

01:02:01,030 --> 01:01:57,760

some critical thought put into you know

1795

01:02:02,789 --> 01:02:01,040

this this field um that that has i don't

1796

01:02:05,030 --> 01:02:02,799

want to say run amok but a little bit

1797

01:02:07,430 --> 01:02:05,040

has kind of run amok into um like you

1798

01:02:09,109 --> 01:02:07,440

said right the shows and and uh the

1799

01:02:11,829 --> 01:02:09,119

documentaries are

1800

01:02:13,750 --> 01:02:11,839

you know uh that try to make people

1801

01:02:15,109 --> 01:02:13,760

money and whatever that being said on a

1802

01:02:16,990 --> 01:02:15,119

side note history channel if you do want

1803

01:02:18,870 --> 01:02:17,000

to call me

1804

01:02:21,190 --> 01:02:18,880

[www.tarabschera.net](http://www.tarabschera.net) you can say contact

1805

01:02:23,190 --> 01:02:21,200

and i will take your money um

1806

01:02:25,190 --> 01:02:23,200

you know but it's it's you know it's one

1807

01:02:26,789 --> 01:02:25,200

of those things um you know it

1808

01:02:28,230 --> 01:02:26,799

it gets that easy to become an expert

1809

01:02:29,990 --> 01:02:28,240

right you know history channel gives you

1810

01:02:32,390 --> 01:02:30,000

a couple minutes of time and they put

1811

01:02:33,990 --> 01:02:32,400

ufo expert on there and boom

1812

01:02:37,190 --> 01:02:34,000

you're invited to congress and you're

1813

01:02:38,230 --> 01:02:37,200

invited to set for life all of the yes

1814

01:02:40,069 --> 01:02:38,240

yes

1815

01:02:41,829 --> 01:02:40,079

and then your uh your hair just gets

1816

01:02:43,430 --> 01:02:41,839

bigger and bigger it's funny i saw that

1817

01:02:44,309 --> 01:02:43,440

meme on facebook somebody posted it with

1818

01:02:47,109 --> 01:02:44,319

the

1819

01:02:48,870 --> 01:02:47,119

funny actually his hair does get better

1820

01:02:50,549 --> 01:02:48,880

bigger every season

1821

01:02:53,109 --> 01:02:50,559

like he's getting sucked up by a ufo

1822

01:02:54,630 --> 01:02:53,119

it's great it's beautiful yeah

1823

01:02:57,750 --> 01:02:54,640

oh man uh

1824

01:02:58,549 --> 01:02:57,760

mj uh sort of to cap it off there is um

1825

01:03:01,190 --> 01:02:58,559

you know

1826

01:03:02,950 --> 01:03:01,200

do you see ufo activity

1827

01:03:05,030 --> 01:03:02,960

decreasing i don't know about you man

1828

01:03:07,109 --> 01:03:05,040

but like it seems like there are less

1829

01:03:09,349 --> 01:03:07,119

and less of these big cases out there

1830

01:03:12,549 --> 01:03:09,359

the last one i can really think of uh

1831

01:03:15,190 --> 01:03:12,559

was chicago o'hare airport um and again

1832

01:03:18,470 --> 01:03:15,200

i'm looking at it strictly from

1833

01:03:20,230 --> 01:03:18,480

uh perhaps ignorant western eyes these

1834

01:03:23,190 --> 01:03:20,240

things are happening all over the world

1835

01:03:26,230 --> 01:03:23,200

obviously you know huge in china huge in

1836

01:03:28,710 --> 01:03:26,240

brazil um even huge in canada you know

1837

01:03:31,270 --> 01:03:28,720

being my northern neighbor i don't even

1838

01:03:33,349 --> 01:03:31,280

hear about cases out of canada a lot and

1839

01:03:35,750 --> 01:03:33,359

we're so focused on the united states

1840

01:03:39,029 --> 01:03:35,760

when it comes to this topic um

1841

01:03:41,990 --> 01:03:39,039

again do you see ufo activity um sort of

1842

01:03:44,470 --> 01:03:42,000

waning um what does that say about us or

1843

01:03:46,870 --> 01:03:44,480

what does it say about the phenomenon i

1844

01:03:48,390 --> 01:03:46,880

don't know what do you think

1845

01:03:50,309 --> 01:03:48,400

you know i think there's i think there's

1846

01:03:53,270 --> 01:03:50,319

a couple things i mean you know

1847

01:03:55,510 --> 01:03:53,280

one i think that a lot of ufo sightings

1848

01:03:56,789 --> 01:03:55,520

um a lot the vast majority of them you

1849

01:03:58,230 --> 01:03:56,799

know obviously aren't anything

1850

01:04:00,309 --> 01:03:58,240

interesting right there there's natural

1851  
01:04:02,230 --> 01:04:00,319  
phenomenon i think people generally are

1852  
01:04:03,750 --> 01:04:02,240  
becoming a little more aware of what's

1853  
01:04:06,630 --> 01:04:03,760  
out there in the skies

1854  
01:04:07,990 --> 01:04:06,640  
satellites space stations etc um so i

1855  
01:04:09,910 --> 01:04:08,000  
think we you know i think people are

1856  
01:04:11,109 --> 01:04:09,920  
generally a little more

1857  
01:04:13,190 --> 01:04:11,119  
are a little better educated as to

1858  
01:04:14,950 --> 01:04:13,200  
what's going on yeah not only that the

1859  
01:04:16,630 --> 01:04:14,960  
ability to access information on where

1860  
01:04:17,990 --> 01:04:16,640  
the space station is at a given time or

1861  
01:04:19,109 --> 01:04:18,000  
what stars are out there or whatever you

1862  
01:04:21,349 --> 01:04:19,119  
know there's an app for your phone right

1863  
01:04:23,589 --> 01:04:21,359

sky watch or sky view or whatever right

1864

01:04:25,670 --> 01:04:23,599

that you can literally track what's um

1865

01:04:26,789 --> 01:04:25,680

going on live you know i think that

1866

01:04:29,109 --> 01:04:26,799

really

1867

01:04:30,390 --> 01:04:29,119

helps reduce a lot of sighting reports

1868

01:04:32,470 --> 01:04:30,400

um i also think you know studying

1869

01:04:34,069 --> 01:04:32,480

reports are are sort of mythological in

1870

01:04:36,309 --> 01:04:34,079

nature right they're ideological in

1871

01:04:37,589 --> 01:04:36,319

nature people are watching television

1872

01:04:39,190 --> 01:04:37,599

people are on facebook people are

1873

01:04:40,309 --> 01:04:39,200

watching movies people are my cat just

1874

01:04:42,789 --> 01:04:40,319

walked in the room people are consuming

1875

01:04:45,029 --> 01:04:42,799

media it scared me sorry um people are

1876

01:04:46,950 --> 01:04:45,039

consuming more media and i think that

1877

01:04:48,870 --> 01:04:46,960

the you know ufo sightings are are

1878

01:04:50,789 --> 01:04:48,880

becoming this um

1879

01:04:52,309 --> 01:04:50,799

like myth that people believe in just

1880

01:04:53,589 --> 01:04:52,319

like people used to believe in i don't

1881

01:04:54,470 --> 01:04:53,599

know vampires and fairies and stuff like

1882

01:04:58,150 --> 01:04:54,480

that

1883

01:04:59,670 --> 01:04:58,160

i agree you know these massive sightings

1884

01:05:01,430 --> 01:04:59,680

that sort of are the bread and butter of

1885

01:05:03,910 --> 01:05:01,440

ufology right you mentioned chicago

1886

01:05:06,309 --> 01:05:03,920

o'hare which is such a great sighting

1887

01:05:07,750 --> 01:05:06,319

that you know there's no evidence really

1888

01:05:10,309 --> 01:05:07,760

to document it apart from witness

1889

01:05:12,069 --> 01:05:10,319

testimony but there's so many witnesses

1890

01:05:13,670 --> 01:05:12,079

um and not only that there's you know

1891

01:05:15,990 --> 01:05:13,680

radar or not radar sorry there's radio

1892

01:05:17,430 --> 01:05:16,000

recordings of of people

1893

01:05:18,870 --> 01:05:17,440

talking to each other about it you know

1894

01:05:19,829 --> 01:05:18,880

like i'm standing outside and staring at

1895

01:05:20,950 --> 01:05:19,839

this thing you can literally hear the

1896

01:05:22,549 --> 01:05:20,960

conversations people are having with

1897

01:05:24,470 --> 01:05:22,559

each other um because there's all this

1898

01:05:25,829 --> 01:05:24,480

all recorded that is a solid case and i

1899

01:05:27,990 --> 01:05:25,839

you know i wish we had another one one

1900

01:05:29,589 --> 01:05:28,000

of my favorite cases um that ever sort

1901

01:05:31,349 --> 01:05:29,599

of occurred ever in history because i

1902

01:05:34,390 --> 01:05:31,359

think that there is a lot of evidence in

1903

01:05:36,950 --> 01:05:34,400

regards to it is the 2007 alderney ufo

1904

01:05:40,309 --> 01:05:36,960

sighting which occurred over um the

1905

01:05:43,670 --> 01:05:40,319

english channel um you had a flight a

1906

01:05:45,910 --> 01:05:43,680

routine flight in 2007 um that was going

1907

01:05:47,430 --> 01:05:45,920

across the english channel and this guy

1908

01:05:49,910 --> 01:05:47,440

in his little plane

1909

01:05:52,549 --> 01:05:49,920

with whatever 20 passengers sees you

1910

01:05:54,870 --> 01:05:52,559

know these two objects um just hovering

1911

01:05:56,710 --> 01:05:54,880

there and then you know he asks tower or

1912

01:05:57,829 --> 01:05:56,720

asks the tower rather if there's you

1913

01:05:59,750 --> 01:05:57,839

know if there's anything on radar and

1914

01:06:02,150 --> 01:05:59,760

sure enough you know the guy is there on

1915

01:06:02,870 --> 01:06:02,160

radar and then the radar operator asks

1916

01:06:07,349 --> 01:06:02,880

for

1917

01:06:09,109 --> 01:06:07,359

aircraft if he has visual confirmation

1918

01:06:10,470 --> 01:06:09,119

on this and this guy's about 20 000 feet

1919

01:06:12,789 --> 01:06:10,480

high and he sees something right he

1920

01:06:14,230 --> 01:06:12,799

records yeah i see this sort of shining

1921

01:06:15,750 --> 01:06:14,240

object right and it's this beautiful

1922

01:06:18,309 --> 01:06:15,760

case where you have

1923

01:06:19,510 --> 01:06:18,319

where you have about 20 people on board

1924

01:06:22,630 --> 01:06:19,520

an aircraft

1925

01:06:24,630 --> 01:06:22,640

see it including the pilot you have a

1926

01:06:25,910 --> 01:06:24,640

radar operator who gets several radar

1927

01:06:27,349 --> 01:06:25,920

hits and they're kind of ghosting right

1928

01:06:30,069 --> 01:06:27,359

they're not a consistent hit it's kind

1929

01:06:32,230 --> 01:06:30,079

of in and out but enough that you know

1930

01:06:34,789 --> 01:06:32,240

i i get you get a ghost once in a while

1931

01:06:36,230 --> 01:06:34,799

but you know consistent radar ghosts

1932

01:06:38,789 --> 01:06:36,240

over a short period of time that's

1933

01:06:40,549 --> 01:06:38,799

pretty good uh followed by confirmation

1934

01:06:43,190 --> 01:06:40,559

from another pilot who is on a separate

1935

01:06:45,510 --> 01:06:43,200

flight you know at a different altitude

1936

01:06:47,750 --> 01:06:45,520

i mean this is one of those ufo case

1937

01:06:48,789 --> 01:06:47,760

that you know i wish we had another one

1938

01:06:51,270 --> 01:06:48,799

for you know what i mean i wish one

1939

01:06:52,789 --> 01:06:51,280

would pop up soon because this is one of

1940

01:06:55,510 --> 01:06:52,799

those cases that that

1941

01:06:58,150 --> 01:06:55,520

is just it's so unknown

1942

01:07:00,309 --> 01:06:58,160

and the information and the details that

1943

01:07:03,349 --> 01:07:00,319

are presented are all there you have so

1944

01:07:05,670 --> 01:07:03,359

many witnesses you have radar you have a

1945

01:07:06,950 --> 01:07:05,680

second pilot like you this is one of

1946

01:07:08,549 --> 01:07:06,960

those ufo cases where you kind of go

1947

01:07:10,710 --> 01:07:08,559

this is mind-blowing like this how does

1948

01:07:12,470 --> 01:07:10,720

this happen and how does no one sort of

1949

01:07:14,069 --> 01:07:12,480

properly look into this like how does

1950

01:07:15,190 --> 01:07:14,079

how does no government i mean maybe they

1951

01:07:17,029 --> 01:07:15,200

do who knows you know the british secret

1952

01:07:18,870 --> 01:07:17,039

service mi6 or am i five or whatever

1953

01:07:20,069 --> 01:07:18,880

right you know um maybe they did look

1954

01:07:23,190 --> 01:07:20,079

into it but

1955

01:07:26,470 --> 01:07:23,200

it it's such a beautiful example of a

1956

01:07:28,630 --> 01:07:26,480

case similar to chicago o'hare um

1957

01:07:29,829 --> 01:07:28,640

that you wish you know you could just

1958

01:07:30,870 --> 01:07:29,839

wish you could be there for one you know

1959

01:07:33,430 --> 01:07:30,880

what i mean like you wish you'd just be

1960

01:07:35,029 --> 01:07:33,440

like i was there when it happened um but

1961

01:07:36,630 --> 01:07:35,039

i don't know i i do i think that that

1962

01:07:37,910 --> 01:07:36,640

sightings are are waning i don't know i

1963

01:07:39,270 --> 01:07:37,920

think individual sightings will never

1964

01:07:41,349 --> 01:07:39,280

win i think they'll probably go up and

1965

01:07:43,190 --> 01:07:41,359

down you know the canadian ufo report

1966

01:07:45,510 --> 01:07:43,200

that chris churkowski does um you know

1967

01:07:48,150 --> 01:07:45,520

stats are up in canada yeah people are

1968

01:07:49,589 --> 01:07:48,160

seeing more ufos in canada than than

1969

01:07:51,109 --> 01:07:49,599

previous years

1970

01:07:52,549 --> 01:07:51,119

so you know in canada i would say you

1971

01:07:54,789 --> 01:07:52,559

know obviously at least the numbers say

1972

01:07:56,630 --> 01:07:54,799

they're not going down

1973

01:07:58,150 --> 01:07:56,640

but that's exciting

1974

01:08:00,069 --> 01:07:58,160

but i think you know and people are

1975

01:08:01,029 --> 01:08:00,079

getting smarter people are are being a

1976

01:08:02,710 --> 01:08:01,039

little more critical of what they're

1977

01:08:04,150 --> 01:08:02,720

seeing people are able to check what

1978

01:08:05,589 --> 01:08:04,160

they're seeing they don't have to see

1979

01:08:06,710 --> 01:08:05,599

something and then write a letter and

1980

01:08:09,029 --> 01:08:06,720

wait two weeks for them to get a

1981

01:08:10,630 --> 01:08:09,039

response from some society

1982

01:08:12,309 --> 01:08:10,640

that you know yeah it was a meteor or

1983

01:08:14,789 --> 01:08:12,319

not or whatever right you know this

1984

01:08:16,309 --> 01:08:14,799

information is all instant yeah

1985

01:08:17,269 --> 01:08:16,319

yeah so i hope i hope really what

1986

01:08:18,709 --> 01:08:17,279

happens because i deal with like i said

1987

01:08:19,669 --> 01:08:18,719

i'm a muslim investigator so i deal with

1988

01:08:22,390 --> 01:08:19,679

a lot of

1989

01:08:23,829 --> 01:08:22,400

chinese lanterns and venus and um

1990

01:08:25,669 --> 01:08:23,839

international space stations flying by

1991

01:08:26,950 --> 01:08:25,679

and people saying they're seeing ufos i

1992

01:08:28,229 --> 01:08:26,960

i really

1993

01:08:30,470 --> 01:08:28,239

can't stress enough you know for people

1994

01:08:32,550 --> 01:08:30,480

who do have a sighting look online first

1995

01:08:34,470 --> 01:08:32,560

you know go online and see

1996

01:08:36,789 --> 01:08:34,480

you know was the space station

1997

01:08:39,030 --> 01:08:36,799

over me at this time or was it a flight

1998

01:08:40,550 --> 01:08:39,040

you know flight radar is a great website

1999

01:08:42,470 --> 01:08:40,560

it tracks flights live and you can go

2000

01:08:43,990 --> 01:08:42,480

back a week to see you know if anything

2001  
01:08:45,510 --> 01:08:44,000  
has was overhead at the time like these

2002  
01:08:46,789 --> 01:08:45,520  
are the tools of the ufo investigator

2003  
01:08:48,390 --> 01:08:46,799  
and and i think people need to

2004  
01:08:50,070 --> 01:08:48,400  
definitely sort of use them weather

2005  
01:08:51,669 --> 01:08:50,080  
underground for strange you know weather

2006  
01:08:53,510 --> 01:08:51,679  
phenomena and stuff like that these are

2007  
01:08:55,829 --> 01:08:53,520  
great sites and tools that people can

2008  
01:08:58,390 --> 01:08:55,839  
use to sort of track their own ufo

2009  
01:09:00,950 --> 01:08:58,400  
sighting before making a report

2010  
01:09:03,430 --> 01:09:00,960  
yes yeah i mean people have mistaken the

2011  
01:09:04,470 --> 01:09:03,440  
moon for a ufo and you come

2012  
01:09:06,950 --> 01:09:04,480  
you know make sure to check where the

2013  
01:09:09,349 --> 01:09:08,229

but you know honest mistakes happen as

2014

01:09:10,470 --> 01:09:09,359

well and

2015

01:09:11,829 --> 01:09:10,480

you know what i mean that's that's the

2016

01:09:13,430 --> 01:09:11,839

job of the field investigator right is

2017

01:09:15,510 --> 01:09:13,440

to kind of get in there and try to find

2018

01:09:18,789 --> 01:09:15,520

those mistakes in

2019

01:09:20,149 --> 01:09:18,799

regards to actual sightings um right and

2020

01:09:22,070 --> 01:09:20,159

i'm sure it makes your job more

2021

01:09:23,910 --> 01:09:22,080

frustrating when it's just turns out to

2022

01:09:26,550 --> 01:09:23,920

be one of those things but wouldn't you

2023

01:09:28,709 --> 01:09:26,560

rather have someone report something

2024

01:09:30,709 --> 01:09:28,719

possibly unknown than

2025

01:09:32,630 --> 01:09:30,719

not reported at all you know you know

2026

01:09:34,309 --> 01:09:32,640

true and but then you kind of go back to

2027

01:09:35,990 --> 01:09:34,319

the old you know what we started off

2028

01:09:37,510 --> 01:09:36,000

this interview talking about right is

2029

01:09:39,590 --> 01:09:37,520

can we actually figure out what it is

2030

01:09:41,189 --> 01:09:39,600

yeah yeah you know you know we have

2031

01:09:42,870 --> 01:09:41,199

chicago o'hare like you said you know do

2032

01:09:44,950 --> 01:09:42,880

we actually know what happened or we

2033

01:09:46,709 --> 01:09:44,960

have alderney the older ufo sighting i

2034

01:09:48,709 --> 01:09:46,719

mean do we actually know what happened

2035

01:09:50,870 --> 01:09:48,719

and can we prove it like can we actually

2036

01:09:52,709 --> 01:09:50,880

sit down and can science actually you

2037

01:09:54,870 --> 01:09:52,719

know run through it and figure out what

2038

01:09:57,910 --> 01:09:54,880

it was no of course not right now we

2039

01:09:59,590 --> 01:09:57,920

can't so it's this weird catch 22. it

2040

01:10:02,470 --> 01:09:59,600

really is yeah i mean that that's a

2041

01:10:04,470 --> 01:10:02,480

fascinating case by the way mj i see and

2042

01:10:05,990 --> 01:10:04,480

i've never heard of that one and that's

2043

01:10:07,510 --> 01:10:06,000

what it's about you know it's

2044

01:10:08,790 --> 01:10:07,520

mind-blowing and it's funny because a

2045

01:10:10,550 --> 01:10:08,800

lot of people haven't because it's out

2046

01:10:12,310 --> 01:10:10,560

of the uk and it didn't get very much

2047

01:10:13,750 --> 01:10:12,320

coverage or very much i mean it did for

2048

01:10:16,149 --> 01:10:13,760

you know the few weeks when it happened

2049

01:10:18,709 --> 01:10:16,159

and whatever but apart from that it's

2050

01:10:21,590 --> 01:10:18,719

it's like no one's really talking about

2051

01:10:23,430 --> 01:10:21,600

these cases that are actually

2052

01:10:25,669 --> 01:10:23,440

interesting you know i love the roswell

2053

01:10:27,830 --> 01:10:25,679

situation roswell's great but you know

2054

01:10:29,110 --> 01:10:27,840

what evidence really is there and most

2055

01:10:31,270 --> 01:10:29,120

of the evidence that we have is the

2056

01:10:33,830 --> 01:10:31,280

evidence is missing yep or it was taken

2057

01:10:35,669 --> 01:10:33,840

away by the powers of the be

2058

01:10:37,430 --> 01:10:35,679

whereas in you know the 2007 alderney

2059

01:10:39,990 --> 01:10:37,440

ufo sighting

2060

01:10:41,990 --> 01:10:40,000

none of that's missing right the radar

2061

01:10:43,669 --> 01:10:42,000

hits are all out there you can see them

2062

01:10:46,310 --> 01:10:43,679

on the internet you can watch the videos

2063

01:10:48,390 --> 01:10:46,320

you can literally see you know the the

2064

01:10:49,910 --> 01:10:48,400

the radar information you can listen to

2065

01:10:51,750 --> 01:10:49,920

the audio between

2066

01:10:53,189 --> 01:10:51,760

all three or the two pilots on the radar

2067

01:10:54,870 --> 01:10:53,199

and the radio tower you know you can

2068

01:10:56,950 --> 01:10:54,880

hear witness test it's all public right

2069

01:10:59,830 --> 01:10:56,960

no one has hidden anything there's no

2070

01:11:01,750 --> 01:10:59,840

data missing there's no pieces of

2071

01:11:03,110 --> 01:11:01,760

alien craft in some bunker somewhere you

2072

01:11:04,790 --> 01:11:03,120

know like this is one of those cases

2073

01:11:06,790 --> 01:11:04,800

where everything is only open so anyone

2074

01:11:09,110 --> 01:11:06,800

can investigate or anyone can look at it

2075

01:11:11,110 --> 01:11:09,120

and and the data is good you know the

2076

01:11:13,110 --> 01:11:11,120

data is generally good

2077

01:11:16,870 --> 01:11:13,120

that's incredible i'm gonna i'm gonna

2078

01:11:19,030 --> 01:11:16,880

have to look into that one yeah gts that

2079

01:11:21,110 --> 01:11:19,040

um wow mj this

2080

01:11:23,110 --> 01:11:21,120

thank you so much man it's been such a

2081

01:11:25,030 --> 01:11:23,120

pleasure having you with us today one

2082

01:11:27,910 --> 01:11:25,040

more time where can we find your work

2083

01:11:29,189 --> 01:11:27,920

taraobskura.net

2084

01:11:30,950 --> 01:11:29,199

thank you so much this has been tons of

2085

01:11:33,990 --> 01:11:30,960

fun right good i'm glad you had a good

2086

01:11:35,990 --> 01:11:34,000

time again it's so it's so exciting to

2087

01:11:38,870 --> 01:11:36,000

have someone with such a fresh

2088

01:11:40,870 --> 01:11:38,880

perspective um who has some humility

2089

01:11:42,550 --> 01:11:40,880

with the topic as well and is willing to

2090

01:11:45,590 --> 01:11:42,560

go those links to

2091

01:11:47,430 --> 01:11:45,600

tell their honest opinion but also rely

2092

01:11:49,430 --> 01:11:47,440

on the facts so i have to thank you for

2093

01:11:51,990 --> 01:11:49,440

what you've done for the field uh what

2094

01:11:53,510 --> 01:11:52,000

you'll continue to do and uh thank you

2095

01:11:54,600 --> 01:11:53,520

so much for joining us thank you very

2096

01:11:59,440 --> 01:11:54,610

much

2097

01:11:59,960 --> 01:11:59,450

[Music]

2098

01:12:12,900 --> 01:11:59,970

[Applause]

2099

01:12:13,610 --> 01:12:12,910

[Music]

2100

01:12:16,149 --> 01:12:13,620

[Applause]

2101

01:12:18,070 --> 01:12:16,159

[Music]

2102

01:12:20,149 --> 01:12:18,080

somewhere in the skies is produced by

2103

01:12:22,070 --> 01:12:20,159

third kind productions in association

2104

01:12:23,669 --> 01:12:22,080

with the entertainment one podcast
