[Music]

16
00:00:50,330 --> 00:00:54,340
[Applause]

17
00:01:15,660 --> 00:00:58,930
this is somewhere in the skies Branzburg

18
00:01:30,660 --> 00:01:15,670
[Music]

19
00:01:33,170 --> 00:01:30,670
I have lived all my life in the

20
00:01:36,240 --> 00:01:33,180
Adirondack Park of northern New York

21
00:01:40,230 --> 00:01:36,250
it's kind of a quiet picturesque kind of

22
00:01:42,810 --> 00:01:40,240
place if there's one town that stands

23
00:01:45,779 --> 00:01:42,820
out just by reputation it's Lake Placid

24
00:01:49,469 --> 00:01:45,789
just because it was the site of the

25
00:01:52,020 --> 00:01:49,479
Miracle on Ice in 1980 other than that

26

00:01:54,630 --> 00:01:52,030

the area is kind of unremarkable it's

27

00:01:55,980 --> 00:01:54,640

it's beautiful in its landscape you're

28

00:01:59,630 --> 00:01:55,990

surrounded by mountains you're

29

00:02:05,880 --> 00:01:59,640

surrounded by trees and it's a lot of

30

00:02:10,109 --> 00:02:05,890

beauty to take in really and where I

31

00:02:14,460 --> 00:02:10,119

live it's a very dark in secluded place

32

00:02:17,729 --> 00:02:14,470

it's a town of about 5,000 people and we

33

00:02:22,530 --> 00:02:17,739

have an observatory there isn't a ton of

34

00:02:24,569 --> 00:02:22,540

light pollution up here but when I moved

35

00:02:28,920 --> 00:02:24,579

to the town I live in now which was

36

00:02:33,690 --> 00:02:28,930

about almost nine years ago strange

37

00:02:39,900 --> 00:02:33,700

things started to happen for for about

38

00:02:43,020 --> 00:02:39,910

four years you could see this object in

39

00:02:45,390 --> 00:02:43,030

the sky at night I don't know what it

40

00:02:48,750 --> 00:02:45,400

was I know it wasn't a satellite and I

41

00:02:52,340 --> 00:02:48,760

know it wasn't a plane but nearly every

42

00:02:57,150 --> 00:02:52,350

night you could see this red or white

43

00:03:00,090 --> 00:02:57,160

light in the sky flying usually lower

44

00:03:01,770 --> 00:03:00,100

than what an airplane would it made no

45

00:03:04,890 --> 00:03:01,780

sound

46

00:03:08,280 --> 00:03:04,900

it would just fly in this slow manner

47

00:03:10,110 --> 00:03:08,290

over the town and if you talk to people

48

00:03:12,480 --> 00:03:10,120

around town they would tell you that

49

00:03:15,900 --> 00:03:12,490

they had seen it that they didn't really

50

00:03:17,730 --> 00:03:15,910

think much of it some friends I remember

51
00:03:21,449 --> 00:03:17,740
took snapchats that are like oh hey look

52
00:03:23,610 --> 00:03:21,459
it's a UFO and that's kind of how many

53
00:03:26,820 --> 00:03:23,620
of them look at it and that's how I look

54
00:03:30,330 --> 00:03:26,830
at it I don't know what it was but I do

55
00:03:36,090 --> 00:03:30,340
believe that I actually saw this during

56
00:03:41,130 --> 00:03:36,100
the day three years ago in June of 2015

57
00:03:43,949 --> 00:03:41,140
I was at work and it was about 10:00

58
00:03:46,410 --> 00:03:43,959
10:30 in the morning and a friend had

59
00:03:49,830 --> 00:03:46,420
come down to grab me to go out for a

60
00:03:52,920 --> 00:03:49,840
break it was stuffy I do the laundry at

61
00:03:54,900 --> 00:03:52,930
a medium science nursing home so in the

62
00:03:55,830 --> 00:03:54,910
room where I am it's really stuffy like

63
00:03:58,620 --> 00:03:55,840

all the time

64

00:04:00,990 --> 00:03:58,630

at first they turned him down for it I

65

00:04:04,199 --> 00:04:01,000

had a lot of work to do at the time and

66

00:04:05,910 --> 00:04:04,209

I didn't see the point but he kind of

67

00:04:08,600 --> 00:04:05,920

just kept relent he's like dude just

68

00:04:13,610 --> 00:04:08,610

come on outside you know it'll be fine

69

00:04:16,140 --> 00:04:13,620

so I relented and we went outside and

70

00:04:18,330 --> 00:04:16,150

where we take our breaks it's

71

00:04:22,290 --> 00:04:18,340

technically off the property because as

72

00:04:24,140 --> 00:04:22,300

a nursing home it's under like hospital

73

00:04:29,090 --> 00:04:24,150

rules so you can't smoke on the property

74

00:04:33,029 --> 00:04:29,100

so we're standing on this corner and

75

00:04:35,190 --> 00:04:33,039

there's a house adjacent to us we're

76
00:04:38,250 --> 00:04:35,200
just talking you know shooting the

77
00:04:40,920 --> 00:04:38,260
breeze and all that good stuff we always

78
00:04:43,740 --> 00:04:40,930
just talked about you know music or

79
00:04:46,710 --> 00:04:43,750
whatever was happening in our lives or

80
00:04:51,719 --> 00:04:46,720
whatever and all of a sudden I just

81
00:04:54,779 --> 00:04:51,729
looked up and the sky was it was bright

82
00:04:57,120 --> 00:04:54,789
blue that day I you know remember it

83
00:05:01,520 --> 00:04:57,130
clearly there was no clouds in the sky

84
00:05:04,800 --> 00:05:01,530
but there was this really strange object

85
00:05:10,830 --> 00:05:04,810
if I had to describe it

86
00:05:12,390 --> 00:05:10,840
it would be as if you took an egg turned

87
00:05:17,240 --> 00:05:12,400
it on its side

88
00:05:20,610 --> 00:05:17,250

blew it up like 300 times the size of

89

00:05:22,500 --> 00:05:20,620

what a normal egg would be you threw it

90

00:05:24,659 --> 00:05:22,510

up in the air and you somehow got it to

91

00:05:28,469 --> 00:05:24,669

stick and fly there that's literally

92

00:05:33,450 --> 00:05:28,479

what it looked like it had a white color

93

00:05:35,939 --> 00:05:33,460

to it I wasn't reflective at all and it

94

00:05:39,750 --> 00:05:35,949

was moving parallel to where we were

95

00:05:43,080 --> 00:05:39,760

standing and it was moving in that slow

96

00:05:48,450 --> 00:05:43,090

pace that that object we've been seeing

97

00:05:51,689 --> 00:05:48,460

for years and years was moving and we

98

00:05:53,700 --> 00:05:51,699

both looked up at it and we just stood

99

00:05:56,580 --> 00:05:53,710

there that was the odd thing we didn't

100

00:05:59,279 --> 00:05:56,590

jump around proclaiming hey look at this

101
00:06:01,830 --> 00:05:59,289
UFO hey everybody get a get a look at

102
00:06:07,350 --> 00:06:01,840
this UFO that's not what happened we

103
00:06:12,529 --> 00:06:07,360
just stood there and we watched it it

104
00:06:15,629 --> 00:06:12,539
was like I said moving in that slow pace

105
00:06:17,159 --> 00:06:15,639
parallel to where we were standing it

106
00:06:19,830 --> 00:06:17,169
didn't seem like it was at a high

107
00:06:25,710 --> 00:06:19,840
elevation but I really couldn't be too

108
00:06:30,270 --> 00:06:25,720
sure it kind of look it was large it was

109
00:06:32,129 --> 00:06:30,280
really large whatever it was and we just

110
00:06:35,190 --> 00:06:32,139
didn't want to take a picture of it and

111
00:06:37,529 --> 00:06:35,200
I can't wrap my head around that to this

112
00:06:40,860 --> 00:06:37,539
day why didn't we want to take a picture

113
00:06:45,029 --> 00:06:40,870

of this was it doing something to us

114

00:06:47,129 --> 00:06:45,039

that made us calm that made us not even

115

00:06:50,189 --> 00:06:47,139

think about taking a picture we had

116

00:06:52,810 --> 00:06:50,199

phones on us we both had phones on us

117

00:06:57,070 --> 00:06:52,820

and yet

118

00:06:59,830 --> 00:06:57,080

so weird

119

00:07:04,360 --> 00:06:59,840

and I'd still ruminate on this on it

120

00:07:08,710 --> 00:07:04,370

this you know today as the object was

121

00:07:11,200 --> 00:07:08,720

moving closer to where we were all of a

122

00:07:16,360 --> 00:07:11,210

sudden it stopped in the middle of the

123

00:07:19,930 --> 00:07:16,370

air it turned a full 90 degrees and then

124

00:07:24,280 --> 00:07:19,940

it started flying away from us at the

125

00:07:28,270 --> 00:07:24,290

same slow pace than it had been moving

126

00:07:30,880 --> 00:07:28,280

at whatever it was it was it was kind of

127

00:07:37,870 --> 00:07:30,890

nonchalant it did what it wanted to do

128

00:07:42,400 --> 00:07:37,880

and to this day I don't know how to

129

00:07:44,260 --> 00:07:42,410

describe this experience I haven't

130

00:07:46,240 --> 00:07:44,270

talked to my friend in a long time but

131

00:07:47,860 --> 00:07:46,250

I've always wanted to kind of get in

132

00:07:51,550 --> 00:07:47,870

touch with them again and talk about

133

00:07:53,140 --> 00:07:51,560

this you have one of the most incredible

134

00:07:57,430 --> 00:07:53,150

experiences of your life and yet you

135

00:08:00,250 --> 00:07:57,440

don't want a document in why this is

136

00:08:01,990 --> 00:08:00,260

there something deeper to that is there

137

00:08:04,680 --> 00:08:02,000

something deeper to this experience that

138

00:08:10,870 --> 00:08:04,690

I don't yet

139

00:08:14,530 --> 00:08:10,880

but that sighting has had a lasting

140

00:08:18,310 --> 00:08:14,540

impact on me I read UFO books all the

141

00:08:21,640 --> 00:08:18,320

time I have a UFO podcast I think about

142

00:08:23,650 --> 00:08:21,650

UFOs and what they are and why are they

143

00:08:25,510 --> 00:08:23,660

here why do people see them I think

144

00:08:31,000 --> 00:08:25,520

about this stuff all the time all

145

00:08:33,909 --> 00:08:31,010

because some egg-shaped object was in

146

00:08:36,280 --> 00:08:33,919

the sky if this one day and I happen to

147

00:08:40,170 --> 00:08:36,290

see it and I think another interesting

148

00:08:42,210 --> 00:08:40,180

aspect of this is that

149

00:08:44,910 --> 00:08:42,220

one of the cases that has always

150

00:08:47,820 --> 00:08:44,920

fascinated me as Lonnie Zamora sighting

151

00:08:52,290 --> 00:08:47,830

it's kind of how I started looking into

152

00:08:56,550 --> 00:08:52,300

this stuff and he reported seeing an

153

00:09:01,320 --> 00:08:56,560

egg-shaped object and I reported seeing

154

00:09:04,980 --> 00:09:01,330

an MPEG shaped object we both reported

155

00:09:08,730 --> 00:09:04,990

egg-shaped objects and in kind of a way

156

00:09:11,370 --> 00:09:08,740

it's connection to him in his sighting

157

00:09:19,880 --> 00:09:11,380

the sighting that has had such a lasting

158

00:09:24,930 --> 00:09:23,400

this has been about 10 years ago not far

159

00:09:26,550 --> 00:09:24,940

from where I used to live I was going

160

00:09:28,320 --> 00:09:26,560

down this it's a long road the long

161

00:09:30,480 --> 00:09:28,330

winding road and the guy that I used to

162

00:09:32,760 --> 00:09:30,490

live with for nine years I was following

163

00:09:34,970 --> 00:09:32,770

him it was it was it was night okay I

164

00:09:37,680 --> 00:09:34,980

was following him he was in front of me

165

00:09:40,050 --> 00:09:37,690

we're on the same Road and then it'll

166

00:09:42,660 --> 00:09:40,060

come up to this place and it's like it's

167

00:09:43,980 --> 00:09:42,670

like a pond on the right I've been going

168

00:09:46,530 --> 00:09:43,990

down this road since I was a teenager

169

00:09:47,700 --> 00:09:46,540

okay so as a kid but on the right

170

00:09:49,620 --> 00:09:47,710

there's this pine and there's some

171

00:09:52,200 --> 00:09:49,630

houses that surround it and it's kind of

172

00:09:53,400 --> 00:09:52,210

wooded but you can see the pond and I

173

00:09:55,350 --> 00:09:53,410

was driving up through there's like a

174

00:09:58,320 --> 00:09:55,360

clearing and I see this triangle of

175

00:10:00,570 --> 00:09:58,330

lights it looked like I was like what is

176

00:10:02,670 --> 00:10:00,580

that is that a plane but it was right

177

00:10:04,800 --> 00:10:02,680

above the trees and I was like what is

178

00:10:08,490 --> 00:10:04,810

it I'm just like it wasn't I was moving

179

00:10:12,120 --> 00:10:08,500

real slow like super slow like and I'm

180

00:10:13,890 --> 00:10:12,130

like what is that and it was like these

181

00:10:15,960 --> 00:10:13,900

lights were like going around it and

182

00:10:19,920 --> 00:10:15,970

it's like an it looked triangular to me

183

00:10:22,050 --> 00:10:19,930

and I'm looking I'm thinking why doesn't

184

00:10:24,000 --> 00:10:22,060

this guy see you know I'm like you know

185

00:10:25,830 --> 00:10:24,010

I'm like he takes he's still going

186

00:10:27,630 --> 00:10:25,840

normal and I pull over at a church

187

00:10:30,090 --> 00:10:27,640

because I roll my window down I'm like

188

00:10:31,470 --> 00:10:30,100

why don't I hear anything you know if it

189

00:10:33,560 --> 00:10:31,480

planes that close you're gonna hear it

190

00:10:36,210 --> 00:10:33,570

okay it was right above the trees I

191

00:10:38,820 --> 00:10:36,220

don't look over there you know then I

192

00:10:42,330 --> 00:10:38,830

got out of my car I'm not looking at it

193

00:10:43,920 --> 00:10:42,340

I'm like how did he not stop and that

194

00:10:46,320 --> 00:10:43,930

thing is it

195

00:10:48,030 --> 00:10:46,330

maybe everyone can't see them maybe just

196

00:10:49,890 --> 00:10:48,040

certain people can see them maybe there

197

00:10:52,110 --> 00:10:49,900

just don't I don't know maybe I don't

198

00:10:55,170 --> 00:10:52,120

know why he didn't see that or maybe he

199

00:10:57,390 --> 00:10:55,180

just stupid that's it but um I jumped

200

00:10:58,800 --> 00:10:57,400

back in my car I oh you know you hear

201
00:11:01,890 --> 00:10:58,810
about people being abducted and stuff

202
00:11:03,570 --> 00:11:01,900
I'm like this is weird I'm leaving and I

203
00:11:05,250 --> 00:11:03,580
went I got found when we finally got

204
00:11:07,920 --> 00:11:05,260
home he was there I said did you not see

205
00:11:09,780 --> 00:11:07,930
that thing how could you not see that he

206
00:11:13,680 --> 00:11:09,790
didn't see it hey did not even see it

207
00:11:15,180 --> 00:11:13,690
I'm like I'm not seeing things it's

208
00:11:19,110 --> 00:11:15,190
right there

209
00:11:22,079 --> 00:11:19,120
it was very big and it was pretty big

210
00:11:24,329 --> 00:11:22,089
it's probably big as a house that the

211
00:11:26,220 --> 00:11:24,339
width of it I could see the top I just

212
00:11:29,370 --> 00:11:26,230
saw the bottom part of it there's like a

213
00:11:32,610 --> 00:11:29,380

black thing these different colored

214

00:11:36,930 --> 00:11:32,620

lights going around it so that's my UFO

215

00:11:39,660 --> 00:11:36,940

story take it any way you want to it's

216

00:11:42,630 --> 00:11:39,670

what I saw I'm not making this up this

217

00:11:45,090 --> 00:11:42,640

really happened I don't know could it

218

00:11:46,950 --> 00:11:45,100

have been like a like a hot-air balloon

219

00:11:48,570 --> 00:11:46,960

could have been one of those drone

220

00:11:51,870 --> 00:11:48,580

things I don't know but it's so big I

221

00:11:53,280 --> 00:11:51,880

really thought it was a plane but it it

222

00:11:56,520 --> 00:11:53,290

was right above the trees and that's not

223

00:12:03,949 --> 00:11:56,530

too far up and it's gonna make an MNO no

224

00:12:13,620 --> 00:12:11,389

my name is Joseph Cory I am 49 years old

225

00:12:18,060 --> 00:12:13,630

about to tell you a story that happened

226

00:12:21,030 --> 00:12:18,070

to me when I was 22 years old at the

227

00:12:21,810 --> 00:12:21,040

time I was living overseas in Sydney

228

00:12:24,720 --> 00:12:21,820

Australia

229

00:12:26,939 --> 00:12:24,730

I married very young we are very first

230

00:12:29,939 --> 00:12:26,949

born and we had moved out on our own

231

00:12:33,030 --> 00:12:29,949

after living with my wife's parents for

232

00:12:35,819 --> 00:12:33,040

at least a couple years so we moved out

233

00:12:38,430 --> 00:12:35,829

on our own and we got ourselves an

234

00:12:41,280 --> 00:12:38,440

apartment which wasn't really that far

235

00:12:45,900 --> 00:12:41,290

away from my work about a 15-minute

236

00:12:48,210 --> 00:12:45,910

drive in Sydney this one evening like

237

00:12:49,500 --> 00:12:48,220

any other evening we would I would get

238

00:12:53,310 --> 00:12:49,510

up early because I worked the night

239

00:12:56,699 --> 00:12:53,320

shift at a gas station very similar to

240

00:12:59,939 --> 00:12:56,709

like a fast track and in this in the

241

00:13:02,189 --> 00:12:59,949

States and my shift used to start at 10

242

00:13:04,710 --> 00:13:02,199

o'clock in the evening till 8 o'clock in

243

00:13:07,590 --> 00:13:04,720

the morning so I would get up early have

244

00:13:09,870 --> 00:13:07,600

something to eat and then my wife had

245

00:13:11,730 --> 00:13:09,880

packed me some food to take with me to

246

00:13:13,850 --> 00:13:11,740

work in case I want to have something to

247

00:13:17,180 --> 00:13:13,860

snack on through this through the night

248

00:13:20,670 --> 00:13:17,190

well I left the apartment that evening

249

00:13:23,150 --> 00:13:20,680

after saying my goodbyes and grab my

250

00:13:25,079 --> 00:13:23,160

lunch and started my vehicle and I

251

00:13:28,259 --> 00:13:25,089

started heading to work

252

00:13:31,199 --> 00:13:28,269

I was probably into my drive maybe about

253

00:13:34,230 --> 00:13:31,209

seven eight minutes into my drive I'd

254

00:13:37,769 --> 00:13:34,240

come to a light which you know I had to

255

00:13:42,509 --> 00:13:37,779

come to a complete stop a very like like

256

00:13:43,980 --> 00:13:42,519

a cross intersection highway and as I'm

257

00:13:46,579 --> 00:13:43,990

looking waiting for the lights to change

258

00:13:51,210 --> 00:13:46,589

at a distance I noticed something that

259

00:13:53,819 --> 00:13:51,220

was moving to my right above the highway

260

00:13:58,249 --> 00:13:53,829

bridge that I've got to travel over

261

00:14:01,679 --> 00:13:58,259

and I noticed that am I the only person

262

00:14:03,749 --> 00:14:01,689

seeing this like like nobody else it

263

00:14:06,030 --> 00:14:03,759

would notice that I noticed the whole

264

00:14:07,319 --> 00:14:06,040

thing that it was happening right in

265

00:14:10,559 --> 00:14:07,329

front of my own eyes that there's

266

00:14:13,619 --> 00:14:10,569

something moving above the traffic and

267

00:14:16,199 --> 00:14:13,629

it was illuminating some really weird

268

00:14:18,749 --> 00:14:16,209

strange looking lights the more I looked

269

00:14:22,169 --> 00:14:18,759

at it the more curious I became like

270

00:14:23,699 --> 00:14:22,179

this is this is really weird like how

271

00:14:25,470 --> 00:14:23,709

could this be whatever what is it I

272

00:14:27,869 --> 00:14:25,480

don't hear a sound I don't hear anything

273

00:14:29,699 --> 00:14:27,879

my window was down I don't hear anything

274

00:14:32,489 --> 00:14:29,709

it's not a helicopter it's not an

275

00:14:34,289 --> 00:14:32,499

airplane what is it so as the light

276
00:14:36,090 --> 00:14:34,299
change I started going through the gears

277
00:14:38,729 --> 00:14:36,100
like a maniac trying to speed up to

278
00:14:41,249 --> 00:14:38,739
catch up with it as its passing over the

279
00:14:43,949 --> 00:14:41,259
the bridge which it's kind of almost

280
00:14:45,960 --> 00:14:43,959
veering to my left heading in the

281
00:14:47,999 --> 00:14:45,970
direction to where I work at the service

282
00:14:49,350 --> 00:14:48,009
station well I got up there and it

283
00:14:52,049 --> 00:14:49,360
already passed

284
00:14:56,189 --> 00:14:52,059
I couldn't see it anymore this had

285
00:14:59,160 --> 00:14:56,199
happened probably between 9:30 9:45 in

286
00:15:01,350 --> 00:14:59,170
the evening anyhow I got into the area

287
00:15:03,600 --> 00:15:01,360
and I got up ahead of it as fast as I

288
00:15:06,600 --> 00:15:03,610

can I come to a stop to see if whether

289

00:15:08,910 --> 00:15:06,610

it passed me or did I get ahead of it so

290

00:15:10,769 --> 00:15:08,920

I stopped the vehicle and I stood in the

291

00:15:13,439 --> 00:15:10,779

street looking around and as I'm looking

292

00:15:18,449 --> 00:15:13,449

around there it was now it's coming

293

00:15:20,369 --> 00:15:18,459

right towards me if anything it really

294

00:15:22,980 --> 00:15:20,379

scared the heck out of me so I stood by

295

00:15:26,009 --> 00:15:22,990

the telephone pole staring at it and it

296

00:15:28,590 --> 00:15:26,019

was as high as the treetops above the

297

00:15:31,019 --> 00:15:28,600

telephone pole as well like in line

298

00:15:34,410 --> 00:15:31,029

maybe couple feet maybe 20 feet above

299

00:15:36,569 --> 00:15:34,420

the treetops so I asked to mate probably

300

00:15:40,590 --> 00:15:36,579

about a hundred and twenty five hundred

301
00:15:42,989 --> 00:15:40,600
fifty feet in the air no sound okay

302
00:15:45,929 --> 00:15:42,999
I'm very mechanically inclined I didn't

303
00:15:48,119 --> 00:15:45,939
hear any sound nothing all I could see

304
00:15:51,809 --> 00:15:48,129
was lights emanating from underneath

305
00:15:53,699 --> 00:15:51,819
this this vessel confused the scared I

306
00:15:55,530 --> 00:15:53,709
made the sign of the Cross I even

307
00:15:57,809 --> 00:15:55,540
pinched myself am I really seeing what

308
00:16:01,109 --> 00:15:57,819
I'm seeing but still again confused I

309
00:16:04,019 --> 00:16:01,119
didn't know what it was now it kept

310
00:16:05,050 --> 00:16:04,029
moving as I kept staring at it started

311
00:16:06,820 --> 00:16:05,060
to make my eyes

312
00:16:09,340 --> 00:16:06,830
because I'm more curious and more

313
00:16:11,380 --> 00:16:09,350

curious to know what it is so then as it

314

00:16:13,390 --> 00:16:11,390
passed me it was heading in the

315

00:16:15,940 --> 00:16:13,400
direction so I figured heading in the

316

00:16:17,410 --> 00:16:15,950
direction to where I work so I figured

317

00:16:19,330 --> 00:16:17,420
if I hopped in the car and got there

318

00:16:21,700 --> 00:16:19,340
real quick maybe I can get somebody else

319

00:16:23,920 --> 00:16:21,710
to see it like one of my workers I get

320

00:16:25,980 --> 00:16:23,930
there in my fellow worker was outside

321

00:16:29,860 --> 00:16:25,990
taking meter readings at the pumps I

322

00:16:31,600 --> 00:16:29,870
drove in like a maniac car running open

323

00:16:33,520 --> 00:16:31,610
door jumped out I said you got to see

324

00:16:35,260 --> 00:16:33,530
this and the guy's name at the time was

325

00:16:36,580 --> 00:16:35,270
Robin what are you doing what what are

326

00:16:37,840 --> 00:16:36,590

you doing I said listen you got to come

327

00:16:39,190 --> 00:16:37,850

and look at this something I don't know

328

00:16:39,870 --> 00:16:39,200

what it is but it's gonna come right

329

00:16:42,730 --> 00:16:39,880

over us

330

00:16:44,170 --> 00:16:42,740

so I pulled him away from the the awning

331

00:16:47,290 --> 00:16:44,180

of the hanger of the earth where the

332

00:16:49,450 --> 00:16:47,300

pumps are and you know right in front of

333

00:16:51,910 --> 00:16:49,460

us there there's the highway that cars

334

00:16:53,380 --> 00:16:51,920

are going back and forth I told him to

335

00:16:55,150 --> 00:16:53,390

keep looking up it's got to come this

336

00:16:57,750 --> 00:16:55,160

way so what am I looking for us it look

337

00:17:00,340 --> 00:16:57,760

up it's gonna have to come this way and

338

00:17:01,570 --> 00:17:00,350

before you know it was like right over

339

00:17:03,280 --> 00:17:01,580

our head

340

00:17:05,280 --> 00:17:03,290

we're both standing there and shocked

341

00:17:08,020 --> 00:17:05,290

he's like what the heck is it these

342

00:17:10,300 --> 00:17:08,030

lights that were eliminating out of the

343

00:17:12,430 --> 00:17:10,310

underneath belly of this vessel were

344

00:17:15,760 --> 00:17:12,440

like rainbow colors coming out like like

345

00:17:17,020 --> 00:17:15,770

if you took a cone the the homes that

346

00:17:19,510 --> 00:17:17,030

they put on the street and you shoved

347

00:17:21,790 --> 00:17:19,520

them into something and now at the base

348

00:17:23,980 --> 00:17:21,800

of them these rainbow colors were coming

349

00:17:26,470 --> 00:17:23,990

out there was three of them on this

350

00:17:28,990 --> 00:17:26,480

vessel and it was just moving real slow

351
00:17:31,660 --> 00:17:29,000
like with the wind as if as if it was

352
00:17:33,370 --> 00:17:31,670
just gliding with the wind not a sound

353
00:17:35,740 --> 00:17:33,380
and then it disappeared into the

354
00:17:38,200 --> 00:17:35,750
darkness towards the city between two

355
00:17:40,690 --> 00:17:38,210
buildings above the buildings just right

356
00:17:42,970 --> 00:17:40,700
through there and that was the end of it

357
00:17:46,270 --> 00:17:42,980
I never believed in anything like this

358
00:17:49,570 --> 00:17:46,280
UFOs or when this happened it really

359
00:17:52,660 --> 00:17:49,580
woke me up it like it really changed my

360
00:17:55,240 --> 00:17:52,670
whole life if anybody was skeptic about

361
00:17:56,890 --> 00:17:55,250
this it would be me if anybody brought

362
00:18:00,070 --> 00:17:56,900
anything up about this kind of thing

363
00:18:02,410 --> 00:18:00,080

back then I would tell me crazy it's not

364

00:18:03,610 --> 00:18:02,420

true it's evil it's you can't believe in

365

00:18:05,470 --> 00:18:03,620

anything like that there's only

366

00:18:08,410 --> 00:18:05,480

awesomeness in this world in this

367

00:18:10,190 --> 00:18:08,420

universe and that's it but when this

368

00:18:12,890 --> 00:18:10,200

happened to me

369

00:18:15,110 --> 00:18:12,900

that is something I'll never forget it

370

00:18:16,640 --> 00:18:15,120

was just something very unbelievable

371

00:18:18,590 --> 00:18:16,650

I've been living with this for the

372

00:18:20,990 --> 00:18:18,600

longest time I've told a few people

373

00:18:23,810 --> 00:18:21,000

about it over the years but it's

374

00:18:26,690 --> 00:18:23,820

something I'll never forget so I tell my

375

00:18:29,330 --> 00:18:26,700

cousin about it and he thought it was

376

00:18:31,880 --> 00:18:29,340

crazy later that morning there was a

377

00:18:33,680 --> 00:18:31,890

newscast on the radio I was putting

378

00:18:36,770 --> 00:18:33,690

things away in the gas station mopping

379

00:18:38,630 --> 00:18:36,780

up cleaning up getting ready to leave in

380

00:18:40,460 --> 00:18:38,640

a couple hours so I've got to give this

381

00:18:43,340 --> 00:18:40,470

shift to the next person you know pretty

382

00:18:45,290 --> 00:18:43,350

much organized in there and I had told

383

00:18:46,520 --> 00:18:45,300

my cousin about earlier than 90 like I

384

00:18:49,730 --> 00:18:46,530

said he said I was nuts

385

00:18:52,760 --> 00:18:49,740

well the news newscast at 6 o'clock in

386

00:18:55,040 --> 00:18:52,770

the morning stated that they had several

387

00:18:58,670 --> 00:18:55,050

hundred sightings that evening over

388

00:19:01,550 --> 00:18:58,680

Sydney Australia where police you know

389

00:19:03,770 --> 00:19:01,560

people from hospitals all walks of life

390

00:19:07,490 --> 00:19:03,780

reporting that there was a UFO sighting

391

00:19:10,550 --> 00:19:07,500

in Sydney and right there it confirmed

392

00:19:13,730 --> 00:19:10,560

everything to my cousin and he believed

393

00:19:15,350 --> 00:19:13,740

every word I said after that and me it

394

00:19:16,330 --> 00:19:15,360

made a believer out of me and changed my

395

00:19:24,100 --> 00:19:16,340

whole life

396

00:19:26,780 --> 00:19:24,110

thank you I wanted to share with you my

397

00:19:31,880 --> 00:19:26,790

experience my encounter with the UFO as

398

00:19:36,200 --> 00:19:31,890

I was a kid I was maybe between 9 and 12

399

00:19:40,610 --> 00:19:36,210

years old and I was with my parents at

400

00:19:44,120 --> 00:19:40,620

vacation at the Adriatic Sea in Croatia

401
00:19:47,330 --> 00:19:44,130
on the island rap in town

402
00:19:49,600 --> 00:19:47,340
rap you can google it and see where that

403
00:19:54,070 --> 00:19:49,610
is and you can also see how beautiful

404
00:19:58,900 --> 00:19:54,080
this place this old town is it was

405
00:20:01,790 --> 00:19:58,910
around 92 94 I don't know the exact time

406
00:20:06,350 --> 00:20:01,800
because I was there with my parents like

407
00:20:08,300 --> 00:20:06,360
five six times on vacation so I don't

408
00:20:11,450 --> 00:20:08,310
exactly know which time it was it was

409
00:20:13,580 --> 00:20:11,460
just once and I never at the beginning

410
00:20:15,830 --> 00:20:13,590
after the encounter I didn't share it

411
00:20:18,860 --> 00:20:15,840
right then I was pretty young and and

412
00:20:20,669 --> 00:20:18,870
nobody saw it next to me I was the only

413
00:20:22,649 --> 00:20:20,679

one looking up and

414

00:20:24,359 --> 00:20:22,659

the whole encounter went like between

415

00:20:27,269 --> 00:20:24,369

seven and nine seconds after that I

416

00:20:30,119 --> 00:20:27,279

looked down and nobody shared the the

417

00:20:32,639 --> 00:20:30,129

sight I was witness it was evening

418

00:20:36,869 --> 00:20:32,649

and we just had dinner in the restaurant

419

00:20:41,730 --> 00:20:36,879

and I finished my meal and I looked up

420

00:20:45,330 --> 00:20:41,740

and in this moment I something something

421

00:20:47,070 --> 00:20:45,340

flew from the right side into my into my

422

00:20:50,359 --> 00:20:47,080

view into my sight

423

00:20:51,869 --> 00:20:50,369

and it was so fast that I didn't even

424

00:20:54,659 --> 00:20:51,879

see it

425

00:20:57,029 --> 00:20:54,669

moving it was just so fast I had the

426
00:21:00,470 --> 00:20:57,039
feeling it came from the right side came

427
00:21:02,940 --> 00:21:00,480
from the right horizon of my sight and

428
00:21:05,850 --> 00:21:02,950
it stopped immediately it was like

429
00:21:08,159 --> 00:21:05,860
system and then it it started to made a

430
00:21:13,379 --> 00:21:08,169
zig-zag pattern and had made six I up

431
00:21:18,029 --> 00:21:13,389
and down somewhere and then again it it

432
00:21:20,369 --> 00:21:18,039
was so fast going out of my sight on the

433
00:21:23,129 --> 00:21:20,379
left side that I didn't could I could

434
00:21:25,169 --> 00:21:23,139
not follow it to the left it was just

435
00:21:29,519 --> 00:21:25,179
the the feeling you know that you're I

436
00:21:33,570 --> 00:21:29,529
can better register register movements

437
00:21:37,889 --> 00:21:33,580
then then colors was so fast I just felt

438
00:21:40,619 --> 00:21:37,899

it went left but it stopped immediately

439

00:21:45,480 --> 00:21:40,629

from the encounter and then made a say

440

00:21:48,529 --> 00:21:45,490

exact pattern with angles of 30 lower

441

00:21:52,350 --> 00:21:48,539

than 45 degrees it was even just the

442

00:21:55,649 --> 00:21:52,360

maneuvers this is this thing flew was

443

00:21:59,430 --> 00:21:55,659

unbelievable had this typical UFO shape

444

00:22:01,180 --> 00:21:59,440

it was burning orange red yellow light

445

00:22:03,120 --> 00:22:01,190

and

446

00:22:06,210 --> 00:22:03,130

[Music]

447

00:22:08,460 --> 00:22:06,220

even if maybe it was a natural

448

00:22:13,350 --> 00:22:08,470

phenomenon anyway

449

00:22:15,570 --> 00:22:13,360

it was breaking some physical rules it

450

00:22:18,560 --> 00:22:15,580

was shattering what we knew what I

451
00:22:22,200 --> 00:22:18,570
didn't then didn't knew I saw something

452
00:22:27,590 --> 00:22:22,210
breaking Newton's laws breaking a Greg

453
00:22:30,539 --> 00:22:27,600
the laws of gravity by an object just

454
00:22:33,289 --> 00:22:30,549
flying angles of 30 degrees making a C

455
00:22:35,730 --> 00:22:33,299
exact pattern in the sky in an

456
00:22:39,149 --> 00:22:35,740
unbelievable speed so the question is

457
00:22:41,909 --> 00:22:39,159
how could anything fly like that

458
00:22:44,490 --> 00:22:41,919
anything that has a mass and you move it

459
00:22:49,169 --> 00:22:44,500
in some speed you do not even can make a

460
00:22:51,299 --> 00:22:49,179
90-degree angle not speaking of a 30

461
00:22:53,460 --> 00:22:51,309
degree angle of a C exact pattern in

462
00:22:57,930 --> 00:22:53,470
this speed unbelievable and the second

463
00:23:01,710 --> 00:22:57,940

question is with what was it fueled what

464

00:23:04,680 --> 00:23:01,720

energy source was it what got it moving

465

00:23:06,810 --> 00:23:04,690

so fast and it stopped you remember it

466

00:23:09,840 --> 00:23:06,820

stopped and then flew again these

467

00:23:12,860 --> 00:23:09,850

unbelievable speeds because of this

468

00:23:16,740 --> 00:23:12,870

experience I still are waiting for

469

00:23:20,519 --> 00:23:16,750

things like anti-gravity technology and

470

00:23:23,519 --> 00:23:20,529

I also wait like for zero-point energy

471

00:23:25,590 --> 00:23:23,529

now of course they knew that before and

472

00:23:29,279 --> 00:23:25,600

I'm not saying like it's for sure that

473

00:23:32,279 --> 00:23:29,289

this exists I just have can now put it

474

00:23:34,830 --> 00:23:32,289

different in consideration then because

475

00:23:36,840 --> 00:23:34,840

I'm also a critical mind as somebody

476
00:23:37,470 --> 00:23:36,850
that didn't didn't make this experience

477
00:23:40,590 --> 00:23:37,480
this encounter

478
00:23:43,289 --> 00:23:40,600
I understand it it's a Mario I I studied

479
00:23:45,360 --> 00:23:43,299
physics and I cannot believe what you

480
00:23:50,580 --> 00:23:45,370
are saying maybe you were hallucinating

481
00:23:52,110 --> 00:23:50,590
or it is some odd all Fenneman one you

482
00:23:54,509 --> 00:23:52,120
can explain on a different way we just

483
00:23:56,129 --> 00:23:54,519
don't know it now it was as clear as

484
00:24:00,169 --> 00:23:56,139
when you see a bird flying in front of

485
00:24:05,039 --> 00:24:00,179
my eyes it was it was burning orange red

486
00:24:06,810 --> 00:24:05,049
yellow light and it flew with an

487
00:24:09,990 --> 00:24:06,820
unbelievable velocity with an

488
00:24:12,450 --> 00:24:10,000

unbelievable speed and made maneuvers

489

00:24:15,299 --> 00:24:12,460

you cannot explain in this exact pattern

490

00:24:16,289 --> 00:24:15,309

and the whole encounter was like nine

491

00:24:18,919 --> 00:24:16,299

seconds long

492

00:24:22,039 --> 00:24:18,929

how would you travel when you have

493

00:24:26,220 --> 00:24:22,049

anti-gravity and multi-dimensional

494

00:24:27,779 --> 00:24:26,230

traveling and zero-point energy or

495

00:24:29,340 --> 00:24:27,789

something like that what that will mean

496

00:24:32,330 --> 00:24:29,350

for our travel it would be something

497

00:24:35,430 --> 00:24:32,340

totally different you cannot think

498

00:24:38,370 --> 00:24:35,440

aligned with what we know without rocket

499

00:24:41,580 --> 00:24:38,380

fuel this is amazing amazing thought

500

00:24:49,230 --> 00:24:41,590

imagine one day not just to be able to

501
00:24:53,789 --> 00:24:49,240
see beauty like from our nature here to

502
00:24:56,279 --> 00:24:53,799
also one day see a totally totally

503
00:25:00,090 --> 00:24:56,289
different world of course I believe in

504
00:25:03,690 --> 00:25:00,100
in existence after after the physical

505
00:25:06,539 --> 00:25:03,700
death and that we cannot imagine what

506
00:25:08,909 --> 00:25:06,549
what what kind of mesmerizing life is

507
00:25:11,610 --> 00:25:08,919
awaiting us there

508
00:25:14,419 --> 00:25:11,620
what kind of love peace and whatever I

509
00:25:18,149 --> 00:25:14,429
waiting awaiting us but it would be

510
00:25:23,430 --> 00:25:18,159
unbelievable if even now as long as I

511
00:25:29,500 --> 00:25:23,440
live one day could be taken to another

512
00:25:36,380 --> 00:25:33,620
on the night of 1997 I believe it was

513
00:25:38,900 --> 00:25:36,390

August I don't remember the exact date

514

00:25:41,630 --> 00:25:38,910

but I do remember it was in August and

515

00:25:43,850 --> 00:25:41,640

it was in 1997 my family was sitting

516

00:25:45,710 --> 00:25:43,860

down was about 9:30 at night and we were

517

00:25:47,330 --> 00:25:45,720

watching one of our favorite movies

518

00:25:49,520 --> 00:25:47,340

which was clear and present danger with

519

00:25:52,670 --> 00:25:49,530

with Harrison Ford and I remember this

520

00:25:55,670 --> 00:25:52,680

like it was yesterday now let me say

521

00:25:57,410 --> 00:25:55,680

this even if I was a skeptic of UFOs I

522

00:25:59,990 --> 00:25:57,420

probably still would remember this

523

00:26:02,810 --> 00:26:00,000

because it stands so clearly out in my

524

00:26:07,190 --> 00:26:02,820

mind and it was such a weird feeling

525

00:26:08,780 --> 00:26:07,200

that you get so I went ahead and was

526

00:26:11,210 --> 00:26:08,790

watching this movie with my family

527

00:26:12,680 --> 00:26:11,220

everybody in the house was in the house

528

00:26:15,230 --> 00:26:12,690

watching the movie it's not like we were

529

00:26:17,600 --> 00:26:15,240

separated we were all enjoying family

530

00:26:20,660 --> 00:26:17,610

time together the next thing we knew the

531

00:26:22,880 --> 00:26:20,670

power went out and this is about 9:45

532

00:26:25,610 --> 00:26:22,890

almost 10 o'clock at night and the power

533

00:26:27,500 --> 00:26:25,620

completely went out were just like what

534

00:26:29,870 --> 00:26:27,510

the hell was that so my dad goes who's

535

00:26:31,310 --> 00:26:29,880

and grabs the flashlight and he's like

536

00:26:33,410 --> 00:26:31,320

whoa I wonder if it's just you know our

537

00:26:35,540 --> 00:26:33,420

section of the neighborhood so we opened

538

00:26:36,830 --> 00:26:35,550

up the blinds and look out and all of

539

00:26:38,120 --> 00:26:36,840

the houses behind us the only thing

540

00:26:40,040 --> 00:26:38,130

that's all on the street lights and

541

00:26:41,390 --> 00:26:40,050

street lights run on a separate grid so

542

00:26:43,190 --> 00:26:41,400

that they're on in case of a power

543

00:26:45,020 --> 00:26:43,200

outage it's so I was like well that's

544

00:26:47,450 --> 00:26:45,030

not that big video so soon maybe

545

00:26:50,330 --> 00:26:47,460

somebody hit a power line so we didn't

546

00:26:51,950 --> 00:26:50,340

really think that much of it and then we

547

00:26:54,350 --> 00:26:51,960

went to the back at the front side of

548

00:26:56,120 --> 00:26:54,360

the house this is a are living at room

549

00:26:58,070 --> 00:26:56,130

actually was butted up towards the back

550

00:26:59,600 --> 00:26:58,080

of the house and so you had to go

551
00:27:02,030 --> 00:26:59,610
through the front area of the living

552
00:27:04,670 --> 00:27:02,040
area and through the dining area to get

553
00:27:08,030 --> 00:27:04,680
to the front of the house and we lived

554
00:27:09,860 --> 00:27:08,040
really closely to a lake we lived across

555
00:27:12,620 --> 00:27:09,870
the street from a lake so we had a

556
00:27:14,960 --> 00:27:12,630
pretty much no houses and that had built

557
00:27:16,940 --> 00:27:14,970
on the the lakefront so you could

558
00:27:18,350 --> 00:27:16,950
clearly see across the lake and the

559
00:27:21,410 --> 00:27:18,360
house was up high enough where you had a

560
00:27:23,600 --> 00:27:21,420
very good vantage point so looking out

561
00:27:26,030 --> 00:27:23,610
my dad's like what the hell

562
00:27:28,460 --> 00:27:26,040
across the lake was completely blacked

563
00:27:30,560 --> 00:27:28,470

out it was blacked out within the and

564

00:27:33,460 --> 00:27:30,570

that that's at least a mile across the

565

00:27:36,580 --> 00:27:33,470

lake from our house to the

566

00:27:37,779 --> 00:27:36,590

would beyond the lake so we're looking

567

00:27:40,029 --> 00:27:37,789

around and we're just like it's

568

00:27:41,500 --> 00:27:40,039

completely black outside I mean there's

569

00:27:43,060 --> 00:27:41,510

and there's no light except for the

570

00:27:45,520 --> 00:27:43,070

street lights and street lights out my

571

00:27:47,740 --> 00:27:45,530

area we're not very there wasn't a whole

572

00:27:49,600 --> 00:27:47,750

bunch of them so it wasn't casting a lot

573

00:27:52,029 --> 00:27:49,610

of you know excessive like noise

574

00:27:55,149 --> 00:27:52,039

pollution or a light pollution I should

575

00:27:56,770 --> 00:27:55,159

say and so my dad's like well I'm gonna

576

00:27:58,570 --> 00:27:56,780

go outside and see if I can hear sirens

577

00:28:00,789 --> 00:27:58,580

because maybe maybe somebody hit a power

578

00:28:01,779 --> 00:28:00,799

pole or whatever transformer blues so we

579

00:28:03,970 --> 00:28:01,789

should be able to hear that they're

580

00:28:07,090 --> 00:28:03,980

getting ready to show up to clear up the

581

00:28:09,100 --> 00:28:07,100

situation so we step outside and it's

582

00:28:11,590 --> 00:28:09,110

just real eerie quiet there's not really

583

00:28:13,060 --> 00:28:11,600

much noise and by no means did we live

584

00:28:16,120 --> 00:28:13,070

out in the middle of nowhere this this

585

00:28:17,500 --> 00:28:16,130

was a very well populated area and so

586

00:28:20,830 --> 00:28:17,510

we're just sitting there and then we

587

00:28:24,310 --> 00:28:20,840

hear this hum now I don't know how to

588

00:28:29,919 --> 00:28:24,320

explain the hum the hum is I would

589

00:28:32,200 --> 00:28:29,929

consider it like a but a very very very

590

00:28:33,640 --> 00:28:32,210

faint hum it's not real loud this is not

591

00:28:35,890 --> 00:28:33,650

this is almost sound that you're like

592

00:28:38,260 --> 00:28:35,900

holy I can hear that so well it's

593

00:28:40,480 --> 00:28:38,270

not like that it's you're you kind of

594

00:28:43,270 --> 00:28:40,490

hear it but you feel the vibration kind

595

00:28:46,120 --> 00:28:43,280

of in your body you can feel it and I'm

596

00:28:48,520 --> 00:28:46,130

like you know I'm a kid I'm about maybe

597

00:28:50,200 --> 00:28:48,530

13 14 I look at my dad I'm like dad what

598

00:28:51,760 --> 00:28:50,210

the hell is that sound he's like I don't

599

00:28:53,799 --> 00:28:51,770

I don't know I don't know what that

600

00:28:55,210 --> 00:28:53,809

sound is and we try to kind of like walk

601
00:28:57,190 --> 00:28:55,220
around and like kind of turn our head

602
00:28:58,870 --> 00:28:57,200
and stuff and we're kind of trying to

603
00:29:01,570 --> 00:28:58,880
figure out where the hell this sound is

604
00:29:04,270 --> 00:29:01,580
coming from and to the right of us is

605
00:29:07,419 --> 00:29:04,280
another house but it's separated by big

606
00:29:09,640 --> 00:29:07,429
giant trees and it's about 200 250 yards

607
00:29:11,799 --> 00:29:09,650
away from our but this is this was a

608
00:29:14,440 --> 00:29:11,809
development but it was a very slow

609
00:29:16,450 --> 00:29:14,450
developing area so there was a lot of

610
00:29:19,450 --> 00:29:16,460
open space and lots and stuff and this

611
00:29:20,950 --> 00:29:19,460
was a really big house but it was very

612
00:29:23,409 --> 00:29:20,960
far away from us and they had this

613
00:29:25,600 --> 00:29:23,419

separating tree line and at the top of

614

00:29:28,060 --> 00:29:25,610

the tree line you could see that maybe

615

00:29:29,680 --> 00:29:28,070

40 to 50 feet above the tree line which

616

00:29:31,120 --> 00:29:29,690

the trees are probably 40 to 50 feet

617

00:29:36,130 --> 00:29:31,130

themselves so we're talking about maybe

618

00:29:38,590 --> 00:29:36,140

110 120 feet in the air is this orb

619

00:29:41,560 --> 00:29:38,600

and when I say orb I don't mean like a

620

00:29:43,720 --> 00:29:41,570

light ball I mean like this shape and

621

00:29:48,700 --> 00:29:43,730

the shape of that I can explain to you

622

00:29:51,130 --> 00:29:48,710

is it was a flat plane with lights that

623

00:29:53,380 --> 00:29:51,140

were going sinker melee around it they

624

00:29:54,760 --> 00:29:53,390

were constantly you could at the angle

625

00:29:57,010 --> 00:29:54,770

that you were at because it was up high

626

00:29:58,750 --> 00:29:57,020

you could actually see the lights come

627

00:29:59,970 --> 00:29:58,760

from one side then go around the other

628

00:30:02,980 --> 00:29:59,980

so it was almost like it was a

629

00:30:05,290 --> 00:30:02,990

elliptical shape and that elliptical

630

00:30:06,820 --> 00:30:05,300

shape was what really freaked me out I

631

00:30:08,530 --> 00:30:06,830

mean if it was just lights up there it

632

00:30:10,690 --> 00:30:08,540

would have freaked me out but I was

633

00:30:12,910 --> 00:30:10,700

freaked out now just a little bit of

634

00:30:16,780 --> 00:30:12,920

backstory on my father my father was in

635

00:30:18,610 --> 00:30:16,790

the u.s. Navy he was a a hall tech for

636

00:30:21,550 --> 00:30:18,620

the Navy and so he'd been around a lot

637

00:30:23,680 --> 00:30:21,560

of planes a lot of ships a lot of in

638

00:30:25,440 --> 00:30:23,690

technology of course this is not the

639

00:30:28,660 --> 00:30:25,450

same era that he was in the military but

640

00:30:31,090 --> 00:30:28,670

you know he expects to explain what it

641

00:30:32,500 --> 00:30:31,100

is because he knows that military has

642

00:30:33,700 --> 00:30:32,510

jets and all this stuff and we're

643

00:30:35,380 --> 00:30:33,710

sitting there and we're just like

644

00:30:37,890 --> 00:30:35,390

gawking at this thing and it's not

645

00:30:41,650 --> 00:30:37,900

moving it's just sitting quietly still

646

00:30:44,140 --> 00:30:41,660

very faint hum like I said and the light

647

00:30:45,760 --> 00:30:44,150

strobing around it which really was the

648

00:30:48,370 --> 00:30:45,770

big thing for all of us were like holy

649

00:30:49,030 --> 00:30:48,380

crap that's a UFO like in it's not one

650

00:30:51,130 --> 00:30:49,040

of those things where you're

651
00:30:54,220 --> 00:30:51,140
automatically just gonna go is UFO you

652
00:30:56,410 --> 00:30:54,230
know looking at and seeing it's it

653
00:30:58,180 --> 00:30:56,420
completely still and the distance well

654
00:30:59,530 --> 00:30:58,190
that it was from us there was what my

655
00:31:01,240 --> 00:30:59,540
dad's like that's not a plane that's not

656
00:31:02,470 --> 00:31:01,250
a helicopter and I said to him I was

657
00:31:04,780 --> 00:31:02,480
like well dad what do you think it is

658
00:31:07,570 --> 00:31:04,790
and he's like I don't know what it is he

659
00:31:09,310 --> 00:31:07,580
shined his light up and it was too far

660
00:31:12,040 --> 00:31:09,320
away to really see anything with the

661
00:31:13,480 --> 00:31:12,050
white but when he shined it up is it was

662
00:31:14,860 --> 00:31:13,490
almost like he was like well just shine

663
00:31:16,870 --> 00:31:14,870

on oh oh wait a minute maybe I shouldn't

664

00:31:18,670 --> 00:31:16,880

do that so he shined it directly at it

665

00:31:21,040 --> 00:31:18,680

and then moved it away very very quickly

666

00:31:23,020 --> 00:31:21,050

and was like let's get in the house it

667

00:31:24,520 --> 00:31:23,030

freaked my dad out and for it to freak

668

00:31:26,350 --> 00:31:24,530

my dad out it freaked me out even more

669

00:31:29,040 --> 00:31:26,360

cuz I was like well dad can't explain it

670

00:31:32,650 --> 00:31:29,050

you know what the hell is it and so I

671

00:31:34,420 --> 00:31:32,660

sat there and probably about four hours

672

00:31:35,860 --> 00:31:34,430

later the power came back on now a lot

673

00:31:37,090 --> 00:31:35,870

of people are probably gonna be like oh

674

00:31:38,740 --> 00:31:37,100

well it was just somebody who hit a

675

00:31:40,570 --> 00:31:38,750

power line well the problem is is I

676
00:31:43,570 --> 00:31:40,580
talked to somebody later on down the

677
00:31:45,940 --> 00:31:43,580
road and the person had pretty much told

678
00:31:48,250 --> 00:31:45,950
me that these grids are set up we

679
00:31:50,169 --> 00:31:48,260
then blocks and so that the power

680
00:31:53,230 --> 00:31:50,179
doesn't go across the board they're

681
00:31:54,639 --> 00:31:53,240
split so from the lake to us is a power

682
00:31:56,889 --> 00:31:54,649
grid and on the other side of the lake

683
00:31:58,330 --> 00:31:56,899
is power grid so there's no way that it

684
00:32:00,370 --> 00:31:58,340
went and knocked all that power it

685
00:32:02,789 --> 00:32:00,380
there's it's impossible and I know where

686
00:32:05,440 --> 00:32:02,799
the transformer was and I know that a

687
00:32:07,600 --> 00:32:05,450
single pole getting hit wouldn't have

688
00:32:09,669 --> 00:32:07,610

caused it all to go out at the same time

689

00:32:11,289 --> 00:32:09,679

so it was very peculiar and even the

690

00:32:13,299 --> 00:32:11,299

guys that I taught to that were for the

691

00:32:15,220 --> 00:32:13,309

Power Company this is about two or three

692

00:32:16,539 --> 00:32:15,230

years later I asked him I said you guys

693

00:32:17,889 --> 00:32:16,549

remember that year and he's like yeah

694

00:32:20,470 --> 00:32:17,899

because we couldn't figure out what it

695

00:32:22,930 --> 00:32:20,480

was we don't we don't know what took the

696

00:32:24,610 --> 00:32:22,940

power grid down we don't know and we

697

00:32:26,139 --> 00:32:24,620

didn't stay outside to figure out what

698

00:32:29,560 --> 00:32:26,149

it was and we didn't stay outside to see

699

00:32:31,210 --> 00:32:29,570

how long it lasted for the UFO we don't

700

00:32:34,539 --> 00:32:31,220

know how long it stayed there for so to

701
00:32:36,039 --> 00:32:34,549
say that the power turned on you know as

702
00:32:38,350 --> 00:32:36,049
soon as we went back in the house that

703
00:32:39,940 --> 00:32:38,360
didn't happen so we don't know how wide

704
00:32:42,340 --> 00:32:39,950
the power was going out and we don't

705
00:32:44,500 --> 00:32:42,350
know how long it lasted for as far as

706
00:32:45,639 --> 00:32:44,510
the UFO staying there and I know that

707
00:32:47,049 --> 00:32:45,649
there's a couple people in my

708
00:32:48,250 --> 00:32:47,059
neighborhood that actually put reports

709
00:32:50,080 --> 00:32:48,260
off because they saw the same thing we

710
00:32:51,310 --> 00:32:50,090
did and we don't we don't really it

711
00:32:53,230 --> 00:32:51,320
wasn't something that people wanted to

712
00:32:55,509 --> 00:32:53,240
talk back secure like it was kind of be

713
00:32:57,490 --> 00:32:55,519

quiet about it you know so a very

714

00:32:59,529 --> 00:32:57,500

strange thing and and I had also read

715

00:33:01,600 --> 00:32:59,539

and a lot of the research that I'd done

716

00:33:03,519 --> 00:33:01,610

about UFOs that a lot of the times they

717

00:33:06,129 --> 00:33:03,529

shut the power out they shut off power

718

00:33:09,220 --> 00:33:06,139

grids and they it's almost like they

719

00:33:10,000 --> 00:33:09,230

absorb the the surrounding power in that

720

00:33:12,639 --> 00:33:10,010

area

721

00:33:15,669 --> 00:33:12,649

and so I was very very bizarre it was a

722

00:33:18,129 --> 00:33:15,679

very interesting day to say the least

723

00:33:20,440 --> 00:33:18,139

a very scary night and so that's my

724

00:33:22,690 --> 00:33:20,450

that's my little story of the

725

00:33:24,759 --> 00:33:22,700

interaction that I had and the UFO

726

00:33:26,230 --> 00:33:24,769

sighting that I had and it's not the

727

00:33:28,389 --> 00:33:26,240

most glamorous I didn't get to see a

728

00:33:30,850 --> 00:33:28,399

being I didn't get to see you know a

729

00:33:32,980 --> 00:33:30,860

crap ton of structure I just got to

730

00:33:34,899 --> 00:33:32,990

pretty much see the lights and it was

731

00:33:37,299 --> 00:33:34,909

very dark of course with the power going

732

00:33:39,039 --> 00:33:37,309

out it was even darker but it was still

733

00:33:43,380 --> 00:33:39,049

enough that it sticks out in your mind

734

00:33:51,010 --> 00:33:46,210

so my UFO experience was quite different

735

00:33:53,080 --> 00:33:51,020

it was back when Freddie Mercury had

736

00:33:57,130 --> 00:33:53,090

passed away and they were doing that

737

00:33:59,289 --> 00:33:57,140

massive tribute to Freddie Mercury in

738

00:34:02,169 --> 00:33:59,299

London now the only reason I remember

739

00:34:06,520 --> 00:34:02,179

that as a kid was because I remember the

740

00:34:08,919 --> 00:34:06,530

concert being on my parents TV anyway so

741

00:34:11,520 --> 00:34:08,929

it was that day when it happened it's

742

00:34:15,879 --> 00:34:11,530

kind of weird because it's kind of like

743

00:34:17,770 --> 00:34:15,889

it is it's kind of like a faded memory

744

00:34:19,840 --> 00:34:17,780

I've only got bits of the memory I

745

00:34:20,740 --> 00:34:19,850

haven't got I don't know if I've got the

746

00:34:22,659 --> 00:34:20,750

whole day

747

00:34:24,990 --> 00:34:22,669

I've definitely only got bits in the

748

00:34:27,250 --> 00:34:25,000

memory of the night time and the evening

749

00:34:30,190 --> 00:34:27,260

so many wait to cut a long story short

750

00:34:33,639 --> 00:34:30,200

this is as best as I remember him right

751
00:34:37,510 --> 00:34:33,649
now we had a landing in a house where

752
00:34:39,639 --> 00:34:37,520
there was a side window where it looked

753
00:34:41,530 --> 00:34:39,649
in between two other houses in a sense

754
00:34:43,930 --> 00:34:41,540
but there were there it was looking onto

755
00:34:45,639 --> 00:34:43,940
a street but you know if you stayed

756
00:34:49,060 --> 00:34:45,649
straight out you would see in between

757
00:34:51,399 --> 00:34:49,070
two houses I don't I don't know if I

758
00:34:53,379 --> 00:34:51,409
remember being caught upstairs or how I

759
00:34:56,050 --> 00:34:53,389
saw it but I remember looking at this

760
00:34:59,260 --> 00:34:56,060
window and seeing this silver shaped

761
00:35:02,800 --> 00:34:59,270
disc object just hovering in between the

762
00:35:05,170 --> 00:35:02,810
two houses and it was the weirdest thing

763
00:35:06,849 --> 00:35:05,180

was there was no reference for it do you

764

00:35:09,820 --> 00:35:06,859

know what I mean there was there was

765

00:35:11,290 --> 00:35:09,830

absolutely nothing to sort of in my

766

00:35:13,960 --> 00:35:11,300

brain to be able to work out what the

767

00:35:18,250 --> 00:35:13,970

hell that was except for it did look

768

00:35:28,060 --> 00:35:18,260

like a classic UFO saucer shaped object

769

00:35:30,040 --> 00:35:28,070

and what I remember is see this is where

770

00:35:32,109 --> 00:35:30,050

it gets really strange gonna I just

771

00:35:38,020 --> 00:35:32,119

don't remember much it but I remember

772

00:35:40,450 --> 00:35:38,030

somehow we were all a gas by looking out

773

00:35:42,400 --> 00:35:40,460

the side window when I say we all my

774

00:35:43,870 --> 00:35:42,410

family but you know they were they must

775

00:35:46,720 --> 00:35:43,880

have got word of what was going on or

776

00:35:49,450 --> 00:35:46,730

you know one had called me up and and

777

00:35:51,830 --> 00:35:49,460

all the rest came up to see it I don't

778

00:35:54,950 --> 00:35:51,840

know I really don't know but

779

00:35:58,820 --> 00:35:54,960

do remember is I remember going out the

780

00:36:03,200 --> 00:35:58,830

front of my house and there was no one

781

00:36:05,150 --> 00:36:03,210

there as in like neighbors which that

782

00:36:08,030 --> 00:36:05,160

was not that odd but there were no cars

783

00:36:09,530 --> 00:36:08,040

there were no birds there was no sound

784

00:36:11,540 --> 00:36:09,540

that's the I remote I think I remember

785

00:36:13,610 --> 00:36:11,550

that I think I remember that there was

786

00:36:16,340 --> 00:36:13,620

no sound but yet again this was years

787

00:36:18,440 --> 00:36:16,350

ago and my memory is quite faded do you

788

00:36:20,000 --> 00:36:18,450

know on the mean but don't think there

789

00:36:22,880 --> 00:36:20,010

was I don't think there was any sound

790

00:36:24,650 --> 00:36:22,890

I'm not too sure which one of my family

791

00:36:27,980 --> 00:36:24,660

members was outside with me outside the

792

00:36:34,820 --> 00:36:27,990

front of the house I can't remember but

793

00:36:36,590 --> 00:36:34,830

I think I remember the object that was

794

00:36:40,220 --> 00:36:36,600

in between the houses being almost

795

00:36:44,120 --> 00:36:40,230

directly over us at that point and it

796

00:36:49,340 --> 00:36:44,130

was like time had frozen and stood still

797

00:36:52,340 --> 00:36:49,350

and it was just me and my family that

798

00:36:56,660 --> 00:36:52,350

were observing this thing the next bit I

799

00:37:00,250 --> 00:36:56,670

remember was a bit later on it's still

800

00:37:02,570 --> 00:37:00,260

light and I was out the back garden

801
00:37:08,270 --> 00:37:02,580
because someone has shouted us out there

802
00:37:10,880 --> 00:37:08,280
and there were all these orbs I seem to

803
00:37:14,750 --> 00:37:10,890
be ops I don't know what they were lots

804
00:37:17,390 --> 00:37:14,760
of them just moving around in the sky

805
00:37:18,920 --> 00:37:17,400
again I don't know how long this had

806
00:37:21,050 --> 00:37:18,930
this went on for I don't know how many

807
00:37:24,830 --> 00:37:21,060
of them there were it seemed like many

808
00:37:26,630 --> 00:37:24,840
very high up in the sky and it's it

809
00:37:28,650 --> 00:37:26,640
seemed to that memory seemed to go on

810
00:37:31,620 --> 00:37:28,660
for a little bit

811
00:37:33,029 --> 00:37:31,630
but again I don't know how sequential

812
00:37:36,990 --> 00:37:33,039
this fits into the next part I'm going

813
00:37:39,900 --> 00:37:37,000

to tell you because I don't remember how

814

00:37:43,520 --> 00:37:39,910

that progressed on now maybe that's just

815

00:37:48,569 --> 00:37:43,530

poor memory maybe the orbs in the sky

816

00:37:51,089 --> 00:37:48,579

would not anything et you know it could

817

00:37:52,099 --> 00:37:51,099

be a number of things so then this is

818

00:37:55,859 --> 00:37:52,109

where it gets weird

819

00:37:59,490 --> 00:37:55,869

the next big memory are that I remember

820

00:38:01,049 --> 00:37:59,500

is we was all in my bedroom my family

821

00:38:04,620 --> 00:38:01,059

and I were all in my bedroom now I think

822

00:38:08,880 --> 00:38:04,630

I had called them up because this this

823

00:38:12,980 --> 00:38:08,890

cigar shaped object was going past my

824

00:38:16,770 --> 00:38:12,990

bedroom window huge a bloody thing with

825

00:38:19,190 --> 00:38:16,780

ultra weird writing on the side that

826

00:38:21,920 --> 00:38:19,200

looked

827

00:38:26,299 --> 00:38:21,930

I don't know it wasn't english it wasn't

828

00:38:28,339 --> 00:38:26,309

it wasn't but even I don't know what it

829

00:38:30,920 --> 00:38:28,349

was it was these weird symbols on the

830

00:38:35,690 --> 00:38:30,930

side it's almost like it floated past

831

00:38:38,660 --> 00:38:35,700

and disappeared like it blipped in and

832

00:38:41,569 --> 00:38:38,670

it then faded when flipped out

833

00:38:43,460 --> 00:38:41,579

now again I'm sure my parents

834

00:38:45,289 --> 00:38:43,470

recollection of that and my sisters and

835

00:38:47,599 --> 00:38:45,299

my brother or one sister and one brother

836

00:38:52,160 --> 00:38:47,609

is different to the way that I remember

837

00:38:54,140 --> 00:38:52,170

in it so that memory stayed with us

838

00:38:57,079 --> 00:38:54,150

those memories stay with us for a while

839

00:38:59,839 --> 00:38:57,089

but what was really unique was the next

840

00:39:01,760 --> 00:38:59,849

day there was still my sister and my mum

841

00:39:05,180 --> 00:39:01,770

because I wasn't there said they saw

842

00:39:09,079 --> 00:39:05,190

more UF UFO activity outside our house

843

00:39:12,410 --> 00:39:09,089

and the weirdest thing was all these

844

00:39:15,410 --> 00:39:12,420

years later and I said pretty I can't

845

00:39:18,589 --> 00:39:15,420

show you this but my sister's got it she

846

00:39:20,839 --> 00:39:18,599

drew a picture and she dated it and it

847

00:39:22,370 --> 00:39:20,849

was a number of years ago when I asked

848

00:39:23,839 --> 00:39:22,380

her to see the picture this is like 10

849

00:39:28,789 --> 00:39:23,849

years ago I asked her to see the picture

850

00:39:31,190 --> 00:39:28,799

on this picture as a kid she drew the

851
00:39:35,930 --> 00:39:31,200
UFO that we saw between the two houses

852
00:39:39,170 --> 00:39:35,940
and she dated it so that's what she saw

853
00:39:41,930 --> 00:39:39,180
back as a kid now the reason I got her

854
00:39:48,440 --> 00:39:41,940
to show me that picture was because back

855
00:39:51,980 --> 00:39:48,450
in 2002 or 2003 I can't remember when I

856
00:39:54,980 --> 00:39:51,990
was in Los Angeles and before I got to

857
00:39:57,799 --> 00:39:54,990
Los Angeles I'd read this book by dr.

858
00:40:00,010 --> 00:39:57,809
Bruce Goldberg called past lies future

859
00:40:03,500 --> 00:40:00,020
lives and he's a regression in

860
00:40:04,970 --> 00:40:03,510
regression estándar progressionist so it

861
00:40:06,920 --> 00:40:04,980
takes people into past lives it takes

862
00:40:11,030 --> 00:40:06,930
people into future lives books an

863
00:40:14,990 --> 00:40:11,040

appointment to see him and got a past

864

00:40:17,870 --> 00:40:15,000

life regression on that event on that

865

00:40:19,460 --> 00:40:17,880

day now I had a bit more than that done

866

00:40:21,559 --> 00:40:19,470

with him but

867

00:40:25,490 --> 00:40:21,569

we're just talking about this right now

868

00:40:27,650 --> 00:40:25,500

with him and the difference was when we

869

00:40:30,500 --> 00:40:27,660

were all outside seeing the orbs in the

870

00:40:36,049 --> 00:40:30,510

sky and then the next most significant

871

00:40:43,210 --> 00:40:36,059

memory was myself lying naked on this

872

00:40:50,120 --> 00:40:47,470

beings around me like small beings and I

873

00:40:56,420 --> 00:40:50,130

remember being petrified and then this

874

00:40:59,660 --> 00:40:56,430

this taller being came in and and calmed

875

00:41:03,349 --> 00:40:59,670

me down and said everything's all right

876

00:41:06,020 --> 00:41:03,359

do you know don't panic don't worry and

877

00:41:08,089 --> 00:41:06,030

I felt very at ease

878

00:41:11,720 --> 00:41:08,099

and I don't know what they were doing I

879

00:41:13,640 --> 00:41:11,730

don't know much about what happened

880

00:41:16,039 --> 00:41:13,650

except for the next most significant

881

00:41:17,900 --> 00:41:16,049

thing was they were telling me that I

882

00:41:19,579 --> 00:41:17,910

was always gonna be watched and I was

883

00:41:23,480 --> 00:41:19,589

one of them and I was gonna do some

884

00:41:25,069 --> 00:41:23,490

important stuff that mattered and I'm

885

00:41:26,809 --> 00:41:25,079

just sort of fine things here I mean you

886

00:41:31,970 --> 00:41:26,819

know a lot of people listening to this

887

00:41:33,529 --> 00:41:31,980

are gonna think well you know it's

888

00:41:36,140 --> 00:41:33,539

regression you know you're just making

889

00:41:39,019 --> 00:41:36,150

it up you want that experience to have

890

00:41:43,700 --> 00:41:39,029

happened and that's exactly how I feel

891

00:41:44,990 --> 00:41:43,710

but like the regression is said to me as

892

00:41:47,390 --> 00:41:45,000

I got out the chair I said I've just

893

00:41:49,370 --> 00:41:47,400

made all that up and he said to me yep

894

00:41:51,890 --> 00:41:49,380

that's what they all say

895

00:41:55,420 --> 00:41:51,900

then in the regression the next most

896

00:41:59,350 --> 00:41:55,430

significant thing was when we saw that

897

00:42:03,200 --> 00:41:59,360

cigar shape object coming past my window

898

00:42:05,840 --> 00:42:03,210

basically that I saw myself being moved

899

00:42:07,730 --> 00:42:05,850

into position to stand next to my

900

00:42:11,300 --> 00:42:07,740

parents and my brother they were all

901
00:42:13,760 --> 00:42:11,310
paused they were all like frozen and I

902
00:42:16,820 --> 00:42:13,770
was being ushered in to stand next to

903
00:42:19,610 --> 00:42:16,830
them and they I think I must have stood

904
00:42:23,630 --> 00:42:19,620
still and that and then maybe I froze

905
00:42:25,760 --> 00:42:23,640
and for whatever they did to me and the

906
00:42:27,590 --> 00:42:25,770
next minute I just we was all back in

907
00:42:31,360 --> 00:42:27,600
that memory of rule in my room and

908
00:42:34,760 --> 00:42:31,370
seeing this cigar shape going by but I

909
00:42:38,510 --> 00:42:34,770
mean it makes no sense to me what I'm

910
00:42:42,170 --> 00:42:38,520
saying except for they put me back there

911
00:42:45,320 --> 00:42:42,180
at that moment but then did they I might

912
00:42:46,910 --> 00:42:45,330
you know is that you know is that

913
00:42:51,260 --> 00:42:46,920

something I made up in their regression

914

00:42:53,330 --> 00:42:51,270

I don't know I don't know why I mean me

915

00:42:54,920 --> 00:42:53,340

sharing this story it's just I think

916

00:42:57,560 --> 00:42:54,930

I've had too many people come to me

917

00:43:00,410 --> 00:42:57,570

recently that are pretty serious people

918

00:43:02,090 --> 00:43:00,420

and they've seen something and they

919

00:43:06,680 --> 00:43:02,100

can't explain it and there'll be lots of

920

00:43:08,510 --> 00:43:06,690

people who have seen something and we'll

921

00:43:11,810 --> 00:43:08,520

never talk about it because you know

922

00:43:14,540 --> 00:43:11,820

they'll be they'll feel very stupid to

923

00:43:16,070 --> 00:43:14,550

talk about it I can't really say I feel

924

00:43:18,020 --> 00:43:16,080

stupid talking about it I'm just

925

00:43:21,020 --> 00:43:18,030

reporting back what came from the

926

00:43:23,750 --> 00:43:21,030

regression and if I made it up well

927

00:43:26,960 --> 00:43:23,760

that's okay but I don't know I don't

928

00:43:31,520 --> 00:43:26,970

know if I did but I'm open-minded but

929

00:43:33,480 --> 00:43:31,530

anyway so there you go and there's my

930

00:43:38,730 --> 00:43:33,490

story and I'm glad I've shared it

931

00:43:42,940 --> 00:43:41,200
