

SOMEWHERE IN THE SKIES

WITH RYAN SPRAGUE

ENGAGING THE
STRANGE

WITH GREG AND DANA
NEWKIRK

1
00:00:00,000 --> 00:00:04,720

[Music]

2
00:00:04,730 --> 00:00:08,740

[Applause]

3
00:00:13,290 --> 00:00:12,350

this is somewhere in the skies with rain

4
00:00:30,340 --> 00:00:13,300

spider

5
00:00:32,810 --> 00:00:30,350

[Music]

6
00:00:36,470 --> 00:00:32,820

welcome to somewhere in the skies I'm

7
00:00:38,900 --> 00:00:36,480

your host Ryan Sprague honesty time life

8
00:00:41,360 --> 00:00:38,910

gets in the way of podcasting that's the

9
00:00:43,250 --> 00:00:41,370

simplest way of saying it I've strived

10
00:00:45,710 --> 00:00:43,260

since the show began to bring you

11
00:00:47,479 --> 00:00:45,720

something new each and every week but

12
00:00:49,310 --> 00:00:47,489

I've recently had to fly home to the

13
00:00:51,950 --> 00:00:49,320

East Coast to be with family for

14

00:00:53,930 --> 00:00:51,960

personal matters how study the show will

15

00:00:54,770 --> 00:00:53,940

be in the coming weeks has yet to be

16

00:00:58,100 --> 00:00:54,780

determined

17

00:01:00,619 --> 00:00:58,110

but please know I always have and will

18

00:01:04,160 --> 00:01:00,629

continue to try my best to bring you new

19

00:01:06,350 --> 00:01:04,170

shows thank you for understanding that

20

00:01:08,270 --> 00:01:06,360

being said this week I've pulled perhaps

21

00:01:11,389 --> 00:01:08,280

one of my favorite interviews ever

22

00:01:13,520 --> 00:01:11,399

conducted over at the hit podcast into

23

00:01:16,370 --> 00:01:13,530

the frame and for those who may not know

24

00:01:18,800 --> 00:01:16,380

this multi topic show hosted by cryptid

25

00:01:21,889 --> 00:01:18,810

investigator and researcher Shannon

26

00:01:24,920 --> 00:01:21,899

Dubrow is one of my all-time favorite

27

00:01:26,870 --> 00:01:24,930

shows from time to time I come on to

28

00:01:28,400 --> 00:01:26,880

co-host as Shannon if she was covering

29

00:01:30,350 --> 00:01:28,410

UFOs or aliens

30

00:01:33,080 --> 00:01:30,360

and give my thoughts and pose questions

31

00:01:34,490 --> 00:01:33,090

to the guests but when I heard she was

32

00:01:37,240 --> 00:01:34,500

interviewing the people you're going to

33

00:01:41,449 --> 00:01:37,250

hear from today I had to be involved

34

00:01:43,760 --> 00:01:41,459

UFOs are not for nearly two decades

35

00:01:46,550 --> 00:01:43,770

Greg and Dana knew Kirk had transversed

36

00:01:48,469 --> 00:01:46,560

North America on hundreds of paranormal

37

00:01:51,230 --> 00:01:48,479

adventures in search of everything from

38

00:01:53,690 --> 00:01:51,240

legendary monsters to mind-bending

39

00:01:54,859 --> 00:01:53,700

psychic phenomenon covering everything

40

00:01:57,260 --> 00:01:54,869

in between

41

00:01:59,380 --> 00:01:57,270

they've come face-to-face with Bigfoot

42

00:02:01,969 --> 00:01:59,390

deep in the hills of West Virginia

43

00:02:04,669 --> 00:02:01,979

successfully orchestrated an alien

44

00:02:07,999 --> 00:02:04,679

abduction on North Carolina's mysterious

45

00:02:10,339 --> 00:02:08,009

Brown Mountain and grappled with angry

46

00:02:12,710 --> 00:02:10,349

ghosts in a violently cursed town in

47

00:02:15,050 --> 00:02:12,720

Pennsylvania to name just a few

48

00:02:17,030 --> 00:02:15,060

expeditions they are also the

49

00:02:19,790 --> 00:02:17,040

proprietors of the world's only

50

00:02:22,699 --> 00:02:19,800

traveling museum of the paranormal and

51
00:02:24,830 --> 00:02:22,709
the occult today we talk about some of

52
00:02:27,559 --> 00:02:24,840
their adventures and the haunted items

53
00:02:29,210 --> 00:02:27,569
they have in their possession what they

54
00:02:31,070 --> 00:02:29,220
believe to be behind the activity

55
00:02:33,500 --> 00:02:31,080
connected to the items and their

56
00:02:37,610 --> 00:02:33,510
personal experiences with the unknown

57
00:02:39,709 --> 00:02:37,620
this episode is not about UFOs and for

58
00:02:42,210 --> 00:02:39,719
those who may be bummed I'm gonna say

59
00:02:44,220 --> 00:02:42,220
right now that you will not be

60
00:02:46,860 --> 00:02:44,230
appointed somewhere in the skies is

61
00:02:49,200 --> 00:02:46,870
about more than UFOs or aliens

62
00:02:52,260 --> 00:02:49,210
it's about peering into the vast unknown

63
00:02:54,360 --> 00:02:52,270

and hoping something will appear back

64

00:02:57,120 --> 00:02:54,370

and when it comes to Greg and Dana

65

00:02:58,740 --> 00:02:57,130

Newkirk something always finds a way to

66

00:03:01,710 --> 00:02:58,750

do exactly that

67

00:03:04,260 --> 00:03:01,720

so I hope you keep an open mind today

68

00:03:07,200 --> 00:03:04,270

and join us on a journey of engaging the

69

00:03:11,670 --> 00:03:07,210

strange with real life Mulder and Scully

70

00:03:17,370 --> 00:03:11,680

Greg and Dana Newkirk enjoy I miss Ohio

71

00:03:18,660 --> 00:03:17,380

guys how was Ohio until you leave when

72

00:03:21,510 --> 00:03:18,670

you're there though you're like what the

73

00:03:24,540 --> 00:03:21,520

hell am i doing in Ohio shitty part of

74

00:03:27,120 --> 00:03:24,550

Ohio we're in in Cincinnati and it is

75

00:03:28,220 --> 00:03:27,130

muggy muggy muggy it's horrible it's

76
00:03:30,690 --> 00:03:28,230
worse than when I lived in Florida

77
00:03:33,300 --> 00:03:30,700
that's actually insane because Florida

78
00:03:35,580 --> 00:03:33,310
has some serious humidity no point in

79
00:03:41,540 --> 00:03:35,590
taking a shower all the worst parts

80
00:03:44,070 --> 00:03:41,550
Florida without beaches and Disneyland

81
00:03:46,199 --> 00:03:44,080
is a special place have you guys went up

82
00:03:49,940 --> 00:03:46,209
to Salt Fork to camp and ran into any

83
00:03:52,290 --> 00:03:49,950
big feets up there times but not to camp

84
00:03:53,670 --> 00:03:52,300
you've just been for like the the

85
00:03:58,320 --> 00:03:53,680
convention right

86
00:04:00,540 --> 00:03:58,330
OBC yeah no no big big feets though no

87
00:04:02,580 --> 00:04:00,550
it's too hard during the that conference

88
00:04:06,780 --> 00:04:02,590

too because you at night when you go out

89

00:04:10,440 --> 00:04:06,790

to do any don't know it's nothing but

90

00:04:19,130 --> 00:04:10,450

yeah a lot of people in overalls just

91

00:04:22,110 --> 00:04:19,140

hollering in the woods you know yeah

92

00:04:24,810 --> 00:04:22,120

there's so many timberland boots and

93

00:04:26,969 --> 00:04:24,820

overalls okay anyway I'll stop insulting

94

00:04:28,740 --> 00:04:26,979

everyone I miss Ohio love Ohio you're in

95

00:04:31,230 --> 00:04:28,750

Nevada now though right yeah I'm back in

96

00:04:33,510 --> 00:04:31,240

no come on I think it's that bad I I

97

00:04:35,700 --> 00:04:33,520

mean it's I do miss the woods

98

00:04:37,680 --> 00:04:35,710

I miss camping but I tell you what those

99

00:04:39,630 --> 00:04:37,690

winters up there will kick your ass and

100

00:04:41,130 --> 00:04:39,640

when I wake up here and it's like you

101
00:04:42,659 --> 00:04:41,140
know it's I mean it gets cold we get

102
00:04:44,460 --> 00:04:42,669
below freezing but it's a completely

103
00:04:46,469 --> 00:04:44,470
different kind of cold and I don't need

104
00:04:49,890 --> 00:04:46,479
my Sorrell snow boots anymore so that's

105
00:04:51,750 --> 00:04:49,900
a plus I'm like well the Pug needs to

106
00:04:53,219 --> 00:04:51,760
take a whiz and I don't have to spend

107
00:04:54,870 --> 00:04:53,229
five minutes getting dressed just to

108
00:04:55,620 --> 00:04:54,880
take them outside to do that on a walk

109
00:04:58,260 --> 00:04:55,630
so

110
00:05:00,150 --> 00:04:58,270
- we tried to buy snow boots for the pug

111
00:05:10,050 --> 00:05:00,160
that didn't go so well he's like

112
00:05:13,260 --> 00:05:10,060
stomping around like Hitler panic

113
00:05:14,430 --> 00:05:13,270

attacks like you humans are such

114

00:05:16,530 --> 00:05:14,440

[h__\h] man

115

00:05:18,630 --> 00:05:16,540

so Greg and Dana I wasn't I wasn't

116

00:05:20,370 --> 00:05:18,640

trying to do the interview

117

00:05:22,530 --> 00:05:20,380

probably like you've done a hundred

118

00:05:24,690 --> 00:05:22,540

times I'm gonna try to skip a lot of

119

00:05:27,000 --> 00:05:24,700

maybe the history stuff and I think that

120

00:05:28,470 --> 00:05:27,010

for the most part if they're listening

121

00:05:31,350 --> 00:05:28,480

to this right now they know who you are

122

00:05:32,910 --> 00:05:31,360

but I will say this on our Halloween

123

00:05:35,130 --> 00:05:32,920

episode which you guys were kind enough

124

00:05:37,260 --> 00:05:35,140

to call into I compared you guys to the

125

00:05:39,150 --> 00:05:37,270

modern-day Ed and Lorraine Warren as far

126

00:05:40,650 --> 00:05:39,160

as you collect these items and you're

127

00:05:42,270 --> 00:05:40,660

you know you your boots on the ground

128

00:05:42,750 --> 00:05:42,280

you go out and you investigate you do

129

00:05:44,730 --> 00:05:42,760

your work

130

00:05:45,870 --> 00:05:44,740

Ill said on that episode - I was like I

131

00:05:48,330 --> 00:05:45,880

don't know how they're gonna take that

132

00:05:50,790 --> 00:05:48,340

but that's how I see them like I I see

133

00:05:52,710 --> 00:05:50,800

it as a really good compliment but I

134

00:05:56,100 --> 00:05:52,720

don't know how you guys label yourselves

135

00:05:57,870 --> 00:05:56,110

or how you take what I labeled us with

136

00:06:02,910 --> 00:05:57,880

ed Murray Warren so take it away

137

00:06:05,040 --> 00:06:02,920

I don't like Greg take this it's equal

138

00:06:08,580 --> 00:06:05,050

parts like flattering and equal parts

139

00:06:11,660 --> 00:06:08,590

kind of nerve-wracking because you know

140

00:06:14,250 --> 00:06:11,670

I would like I always answer hopefully

141

00:06:16,110 --> 00:06:14,260

god it's so it's so hard to put it

142

00:06:19,140 --> 00:06:16,120

delicately hopefully with a better

143

00:06:22,620 --> 00:06:19,150

reputation yeah I totally understand

144

00:06:24,480 --> 00:06:22,630

yeah but I think that's I mean that's

145

00:06:26,700 --> 00:06:24,490

that's fair I can see what people would

146

00:06:28,530 --> 00:06:26,710

say that I mean you know don't know too

147

00:06:30,810 --> 00:06:28,540

many husband-wife teams who go out and

148

00:06:33,840 --> 00:06:30,820

chase monsters and write have a museum

149

00:06:36,240 --> 00:06:33,850

the Museum of haunted objects and we're

150

00:06:38,100 --> 00:06:36,250

a little less religious though yes all

151
00:06:41,210 --> 00:06:38,110
right and you guys aren't actually going

152
00:06:44,220 --> 00:06:41,220
out and exercising folks and whatnot oh

153
00:06:45,360 --> 00:06:44,230
not yet anyway yeah they are you guys

154
00:06:47,340 --> 00:06:45,370
working up to that

155
00:06:50,340 --> 00:06:47,350
no we haven't you haven't run into that

156
00:06:52,080 --> 00:06:50,350
situation yet thankfully we're gonna be

157
00:06:52,950 --> 00:06:52,090
the ones who need the exorcisms yeah

158
00:06:55,650 --> 00:06:52,960
because you know when you watch the

159
00:06:59,100 --> 00:06:55,660
movies the conjuring contouring to the

160
00:07:00,810 --> 00:06:59,110
those parts are very dramatic and from

161
00:07:02,820 --> 00:07:00,820
what it looked like what Lorraine went

162
00:07:04,710 --> 00:07:02,830
through you're going well god I don't

163
00:07:06,480 --> 00:07:04,720

want any part of that ever I mean

164

00:07:08,200 --> 00:07:06,490

there's a lot of there's a lot of people

165

00:07:10,450 --> 00:07:08,210

I mean you've been around a long time

166

00:07:13,120 --> 00:07:10,460

where it was advantageous for them to

167

00:07:15,370 --> 00:07:13,130

make things a little more scary than

168

00:07:16,930 --> 00:07:15,380

they might have actually been or to have

169

00:07:18,070 --> 00:07:16,940

the people the family a little more

170

00:07:19,210 --> 00:07:18,080

freaked out than they might have been

171

00:07:21,249 --> 00:07:19,220

because that would have resulted in a

172

00:07:23,860 --> 00:07:21,259

really great book or a really great

173

00:07:25,240 --> 00:07:23,870

movie eventually so I don't know I don't

174

00:07:27,040 --> 00:07:25,250

think I don't think jumping to the

175

00:07:30,670 --> 00:07:27,050

conclusion where all of the hauntings

176

00:07:32,589 --> 00:07:30,680

are super scary things it's really the

177

00:07:33,820 --> 00:07:32,599

best place to take it you know one of

178

00:07:36,370 --> 00:07:33,830

the things that dan and I are always

179

00:07:37,510 --> 00:07:36,380

talking about is how most hauntings you

180

00:07:39,700 --> 00:07:37,520

know if they're not something that's

181

00:07:42,040 --> 00:07:39,710

residual they're trying to get people to

182

00:07:44,560 --> 00:07:42,050

realize something they're trying to to

183

00:07:46,450 --> 00:07:44,570

talk to us in a way and it's scary

184

00:07:48,670 --> 00:07:46,460

because the only way they can they can

185

00:07:50,589 --> 00:07:48,680

communicate with us is in ways that are

186

00:07:52,960 --> 00:07:50,599

unnatural that shouldn't be happening

187

00:07:54,640 --> 00:07:52,970

and so we get scared but most the time I

188

00:07:56,050 --> 00:07:54,650

think there's a story to be told and a

189

00:07:57,219 --> 00:07:56,060

lot of these things they don't they're

190

00:07:59,589 --> 00:07:57,229

not out to steal your mortal soul

191

00:08:02,980 --> 00:07:59,599

they're just trying to find some peace

192

00:08:07,379 --> 00:08:02,990

all right and probably just as scared as

193

00:08:10,930 --> 00:08:07,389

you are as the witness absolutely

194

00:08:13,060 --> 00:08:10,940

neither our friend John Tenney always

195

00:08:14,230 --> 00:08:13,070

will tell this story during his one of

196

00:08:15,969 --> 00:08:14,240

his lectures and it's sort of an

197

00:08:17,950 --> 00:08:15,979

interesting piece of advice that I think

198

00:08:20,080 --> 00:08:17,960

everybody should really bring with them

199

00:08:21,580 --> 00:08:20,090

when when doing any kind of paranormal

200

00:08:24,399 --> 00:08:21,590

research and he often talks about how

201
00:08:26,379 --> 00:08:24,409
people sometimes in haunted buildings

202
00:08:28,149 --> 00:08:26,389
they'll experience scratches or they'll

203
00:08:30,249 --> 00:08:28,159
experience having their hair tugged or

204
00:08:32,560 --> 00:08:30,259
their they'll you know being pulled on

205
00:08:34,209 --> 00:08:32,570
or pushed and sort of from his

206
00:08:36,550 --> 00:08:34,219
perspective he'll often say like could

207
00:08:39,279 --> 00:08:36,560
you imagine if you were dead and you've

208
00:08:41,709 --> 00:08:39,289
spent X amount of time building up

209
00:08:43,899 --> 00:08:41,719
energy to reach out to the living and

210
00:08:46,630 --> 00:08:43,909
try to make some kind of contact with

211
00:08:49,120 --> 00:08:46,640
them and in the process you accidentally

212
00:08:50,650 --> 00:08:49,130
scratch them or push them or tug on

213
00:08:53,730 --> 00:08:50,660

their hair or do something that could

214

00:08:57,310 --> 00:08:53,740

potentially be kind of misconstrued as

215

00:08:59,019 --> 00:08:57,320

evil or violent when really it was sort

216

00:09:01,180 --> 00:08:59,029

of accidental it wasn't necessarily

217

00:09:03,340 --> 00:09:01,190

meant to be this violent act it was

218

00:09:04,360 --> 00:09:03,350

meant to be your your way of being able

219

00:09:06,370 --> 00:09:04,370

to kind of reach out and make contact

220

00:09:08,910 --> 00:09:06,380

that's kind of I mean it's whether

221

00:09:11,710 --> 00:09:08,920

things reims

222

00:09:14,019 --> 00:09:11,720

Greg Greg and I have always felt exactly

223

00:09:17,410 --> 00:09:14,029

the same way is really constantly been

224

00:09:19,540 --> 00:09:17,420

part of our rulebook when doing any kind

225

00:09:21,420 --> 00:09:19,550

of paranormal investigation however do

226

00:09:23,610 --> 00:09:21,430

you guys think as far as when you

227

00:09:25,980 --> 00:09:23,620

location have you ever got the feeling

228

00:09:28,800 --> 00:09:25,990

that in fact you weren't dealing with a

229

00:09:30,960 --> 00:09:28,810

human spirit that is around you and it

230

00:09:33,900 --> 00:09:30,970

is something else like a demon I mean

231

00:09:35,519 --> 00:09:33,910

it's hard to classify it as as a demon

232

00:09:38,160 --> 00:09:35,529

just because of the religious

233

00:09:39,720 --> 00:09:38,170

connotations but I think that you know

234

00:09:42,060 --> 00:09:39,730

there have been several times where I've

235

00:09:44,220 --> 00:09:42,070

been somewhere where I can say whatever

236

00:09:45,930 --> 00:09:44,230

was there was malevolent yeah it was not

237

00:09:47,699 --> 00:09:45,940

nice and it was doing things that

238

00:09:49,590 --> 00:09:47,709

weren't nice whether or not that's

239

00:09:51,780 --> 00:09:49,600

because it's an agent of Satan or not

240

00:09:55,139 --> 00:09:51,790

I'll leave that up to the clergy I have

241

00:09:57,120 --> 00:09:55,149

been in situations where I was pretty

242

00:09:58,800 --> 00:09:57,130

sure that what was there was did not

243

00:10:01,440 --> 00:09:58,810

have the best intentions but I think

244

00:10:03,180 --> 00:10:01,450

that's exceedingly rare yeah they were

245

00:10:05,010 --> 00:10:03,190

saying I've listened to plenty of

246

00:10:08,040 --> 00:10:05,020

podcast what they're like the actual

247

00:10:09,660 --> 00:10:08,050

instances of where someone needs an

248

00:10:12,389 --> 00:10:09,670

exorcism because there's a some kind of

249

00:10:14,850 --> 00:10:12,399

demonic entity in them is so few and far

250

00:10:16,889 --> 00:10:14,860

between and I don't know how often the

251
00:10:18,840 --> 00:10:16,899
church actually goes out on these things

252
00:10:20,490 --> 00:10:18,850
or what kind of you know you watch the

253
00:10:22,829 --> 00:10:20,500
movies they they have to get permission

254
00:10:24,840 --> 00:10:22,839
right from the Vatican to get exercises

255
00:10:26,519 --> 00:10:24,850
performed or whatever but would be nice

256
00:10:28,740 --> 00:10:26,529
to be a fly on the wall and see what the

257
00:10:30,810 --> 00:10:28,750
what the bullet points are for stuff

258
00:10:31,829 --> 00:10:30,820
like that until they go okay we might

259
00:10:35,010 --> 00:10:31,839
have a problem here

260
00:10:37,140 --> 00:10:35,020
well I mean it all depends to on on you

261
00:10:39,480 --> 00:10:37,150
know what religious sect it is I mean

262
00:10:42,240 --> 00:10:39,490
you know cuz Catholics are only one of

263
00:10:45,210 --> 00:10:42,250

many who do exorcisms you know there's

264

00:10:48,000 --> 00:10:45,220

you know Buddhists do exorcisms there's

265

00:10:49,890 --> 00:10:48,010

all kinds of ways to cleanse people of

266

00:10:52,740 --> 00:10:49,900

an evil spirit or cleanse buildings of

267

00:10:55,230 --> 00:10:52,750

an evil spirit so-called evil spirit and

268

00:10:56,430 --> 00:10:55,240

it just really depends on I mean it's

269

00:10:57,570 --> 00:10:56,440

all the same it all comes down to the

270

00:10:59,850 --> 00:10:57,580

same thing it's just people that are

271

00:11:02,640 --> 00:10:59,860

focusing their intentions on reading

272

00:11:05,130 --> 00:11:02,650

this place of a specific feeling or or

273

00:11:06,930 --> 00:11:05,140

entity and I don't I don't even think

274

00:11:10,319 --> 00:11:06,940

you have to be religious to do that I

275

00:11:12,420 --> 00:11:10,329

think you can do that just by feeling it

276

00:11:14,190 --> 00:11:12,430

strongly enough or calling in a group of

277

00:11:16,860 --> 00:11:14,200

people who will feel that intention

278

00:11:19,199 --> 00:11:16,870

strongly enough to drive this thing out

279

00:11:20,970 --> 00:11:19,209

I mean it's really I think it all just

280

00:11:22,650 --> 00:11:20,980

comes down to your your intentions is

281

00:11:24,000 --> 00:11:22,660

all it is and I want to get back to your

282

00:11:25,590 --> 00:11:24,010

haunted items but I have one last

283

00:11:27,090 --> 00:11:25,600

question kind of in the same vein that

284

00:11:30,510 --> 00:11:27,100

we're talking about when we're talking

285

00:11:33,910 --> 00:11:30,520

about poltergeist activity you always

286

00:11:36,430 --> 00:11:33,920

will hear someone say well it

287

00:11:39,040 --> 00:11:36,440

a teenage girl and she's going through

288

00:11:40,810 --> 00:11:39,050

puberty and she's the one causing the

289

00:11:42,310 --> 00:11:40,820

activity what's the thinking behind that

290

00:11:44,230 --> 00:11:42,320

what do you guys feel on that I think

291

00:11:46,540 --> 00:11:44,240

that's really just another one of those

292

00:11:48,699 --> 00:11:46,550

you know it's the heightened hormones

293

00:11:50,439 --> 00:11:48,709

and I don't think it always is just a

294

00:11:53,199 --> 00:11:50,449

young girl I think that a lot of people

295

00:11:55,389 --> 00:11:53,209

who are haunted are haunting themselves

296

00:11:57,879 --> 00:11:55,399

and again I think it comes down to how

297

00:12:00,519 --> 00:11:57,889

much intention and willpower you're

298

00:12:02,259 --> 00:12:00,529

putting into the idea of it and I think

299

00:12:03,879 --> 00:12:02,269

with kids they don't they don't always

300

00:12:05,680 --> 00:12:03,889

understand what's happening they don't

301

00:12:08,889 --> 00:12:05,690

always understand that it's going it's

302

00:12:11,199 --> 00:12:08,899

going on but you know we've we've dealt

303

00:12:13,569 --> 00:12:11,209

with cases before where I'm positive

304

00:12:14,860 --> 00:12:13,579

that the only reason that that a certain

305

00:12:17,290 --> 00:12:14,870

house is haunted is because the people

306

00:12:20,290 --> 00:12:17,300

really wanted it to be haunted and they

307

00:12:22,480 --> 00:12:20,300

were just feeding it I mean it can even

308

00:12:26,050 --> 00:12:22,490

I think that it can even be connected to

309

00:12:28,150 --> 00:12:26,060

kind of the emotional state of a family

310

00:12:30,280 --> 00:12:28,160

or or a group of people like if they're

311

00:12:32,560 --> 00:12:30,290

in sort of you know a bad place and

312

00:12:34,060 --> 00:12:32,570

there is a lot of kind of negative

313

00:12:36,129 --> 00:12:34,070

emotions or just heightened emotions

314

00:12:38,470 --> 00:12:36,139

kind of being pumped out into an

315

00:12:40,210 --> 00:12:38,480

environment a lot of the times they that

316

00:12:42,370 --> 00:12:40,220

will often kind of be associated with

317

00:12:43,540 --> 00:12:42,380

poltergeist like activity as well well

318

00:12:45,250 --> 00:12:43,550

and that's where the thirteen-year-old

319

00:12:46,480 --> 00:12:45,260

girl thing comes in you know they're

320

00:12:47,920 --> 00:12:46,490

going through puberty they've got

321

00:12:50,500 --> 00:12:47,930

heightened emotions they're they're

322

00:12:53,439 --> 00:12:50,510

really really emotional and it's just

323

00:12:55,420 --> 00:12:53,449

oozing off of them and because of that

324

00:12:57,250 --> 00:12:55,430

it just you know it just amps up the

325

00:12:59,710 --> 00:12:57,260

energy in the place and that can result

326

00:13:01,150 --> 00:12:59,720

in depending on how you want to look at

327

00:13:03,850 --> 00:13:01,160

it that can result in maybe you

328

00:13:05,410 --> 00:13:03,860

manifesting a ghost or maybe you're

329

00:13:08,019 --> 00:13:05,420

drawing them in mm-hmm

330

00:13:10,389 --> 00:13:08,029

that's what's kind of gets strange with

331

00:13:11,439 --> 00:13:10,399

these kind of weird manifestations is

332

00:13:15,130 --> 00:13:11,449

you don't know if you're the one

333

00:13:16,540 --> 00:13:15,140

creating them or if there's something is

334

00:13:18,639 --> 00:13:16,550

something's drawn to this energy that

335

00:13:21,400 --> 00:13:18,649

you're putting out Oh interesting I

336

00:13:23,860 --> 00:13:21,410

actually have a question to sort of tie

337

00:13:26,610 --> 00:13:23,870

in to that guys have you have you ever

338

00:13:28,900 --> 00:13:26,620

interviewed kids I mean like

339

00:13:31,000 --> 00:13:28,910

prepubescent or even teenagers when

340

00:13:34,329 --> 00:13:31,010

you've been out on investigations and if

341

00:13:36,610 --> 00:13:34,339

you have have you seen like sort of if

342

00:13:38,379 --> 00:13:36,620

the parents were of any sort of

343

00:13:40,870 --> 00:13:38,389

influence on them answering your

344

00:13:43,300 --> 00:13:40,880

questions has that ever come up like

345

00:13:44,620 --> 00:13:43,310

maybe they see it completely different

346

00:13:47,079 --> 00:13:44,630

you know that they're supposed to be

347

00:13:47,650 --> 00:13:47,089

innocent and they might have a

348

00:13:49,120 --> 00:13:47,660

completely

349

00:13:51,190 --> 00:13:49,130

different perception of what's going on

350

00:13:53,170 --> 00:13:51,200

in the house other than the parent it's

351
00:13:56,290 --> 00:13:53,180
actually interesting that you mentioned

352
00:13:59,380 --> 00:13:56,300
that because there was a time where my

353
00:14:01,840 --> 00:13:59,390
my previous ghost hunting team and I

354
00:14:04,390 --> 00:14:01,850
were at an old farmhouse that was in

355
00:14:06,670 --> 00:14:04,400
Ontario Canada and the house itself was

356
00:14:08,110 --> 00:14:06,680
really haunted and a similar sort of

357
00:14:10,210 --> 00:14:08,120
situation like that happened where we

358
00:14:12,430 --> 00:14:10,220
had spent a lot of time with the mother

359
00:14:14,710 --> 00:14:12,440
and the father and they sort of told us

360
00:14:17,800 --> 00:14:14,720
there's their version of the story which

361
00:14:19,960 --> 00:14:17,810
was a very frightening and then when

362
00:14:22,060 --> 00:14:19,970
their son when I actually sat down and

363
00:14:24,490 --> 00:14:22,070

kind of interviewed their son he sort of

364

00:14:26,200 --> 00:14:24,500

explained the same story but it seemed a

365

00:14:29,350 --> 00:14:26,210

little bit less frightening almost as if

366

00:14:31,840 --> 00:14:29,360

the adults sort of were looking at it

367

00:14:33,370 --> 00:14:31,850

with that in mind they thought okay this

368

00:14:35,260 --> 00:14:33,380

stuff is happening in our house that's

369

00:14:37,780 --> 00:14:35,270

terrifying and it has to be something

370

00:14:39,280 --> 00:14:37,790

negative and the child was sort of like

371

00:14:40,660 --> 00:14:39,290

this stuff's happening in our house but

372

00:14:43,990 --> 00:14:40,670

I don't necessarily feel like it's

373

00:14:45,280 --> 00:14:44,000

something that's bad so yeah I mean that

374

00:14:47,020 --> 00:14:45,290

was an interesting thing where it was

375

00:14:48,900 --> 00:14:47,030

sort of like it was interesting to

376

00:14:52,990 --> 00:14:48,910

separate them and be able to kind of see

377

00:14:54,550 --> 00:14:53,000

the two different age groups what what

378

00:14:55,750 --> 00:14:54,560

each of them were experiencing even

379

00:14:57,490 --> 00:14:55,760

though they were all experiencing the

380

00:14:59,080 --> 00:14:57,500

same kind of phenomena gotcha

381

00:15:01,450 --> 00:14:59,090

all right so taking it back to be

382

00:15:03,460 --> 00:15:01,460

haunted items how many haunted items do

383

00:15:05,560 --> 00:15:03,470

you guys have in your possession last

384

00:15:14,070 --> 00:15:05,570

count was I want to say like a hundred

385

00:15:19,150 --> 00:15:16,750

it wasn't always this much but we

386

00:15:20,740 --> 00:15:19,160

started officially doing the traveling

387

00:15:24,340 --> 00:15:20,750

Museum of the paranormal in the occult

388

00:15:26,410 --> 00:15:24,350

three years ago and since then it's

389

00:15:28,570 --> 00:15:26,420

every time we do an event there's people

390

00:15:31,120 --> 00:15:28,580

just come and they give us stuff or

391

00:15:34,210 --> 00:15:31,130

we'll have we have a post-office box and

392

00:15:36,130 --> 00:15:34,220

it's just always getting stuff so before

393

00:15:39,310 --> 00:15:36,140

that there was there was far less I mean

394

00:15:40,660 --> 00:15:39,320

we had a lot of stuff more than I wanted

395

00:15:47,410 --> 00:15:40,670

to say more than most normal people

396

00:15:50,170 --> 00:15:47,420

might have but it's the the number is

397

00:15:52,840 --> 00:15:50,180

growing exponentially every year so I'm

398

00:15:54,910 --> 00:15:52,850

curious on when you take possession of

399

00:15:56,970 --> 00:15:54,920

an item and you walk it into your house

400

00:15:59,920 --> 00:15:56,980

is there a certain process is there a

401
00:16:01,900 --> 00:15:59,930
blessing you do over it do you I don't

402
00:16:04,690 --> 00:16:01,910
put salt around it you know some of

403
00:16:06,370 --> 00:16:04,700
um techniques that we've seen or heard

404
00:16:08,860 --> 00:16:06,380
about what do you guys do with them

405
00:16:11,710 --> 00:16:08,870
usually I mean we kind of stick to the

406
00:16:13,780 --> 00:16:11,720
same sort of checklist that we'll go

407
00:16:15,760 --> 00:16:13,790
through when we first receive an object

408
00:16:18,040 --> 00:16:15,770
and it's a lot of just documenting what

409
00:16:19,690 --> 00:16:18,050
it physically looks like because we've

410
00:16:21,910 --> 00:16:19,700
actually had objects that have sort of

411
00:16:24,880 --> 00:16:21,920
changed shape and color as we've had

412
00:16:26,080 --> 00:16:24,890
them so that's a process that we kind of

413
00:16:28,030 --> 00:16:26,090

go through where we'll take we'll

414

00:16:30,640 --> 00:16:28,040

photograph it we will kind of

415

00:16:32,440 --> 00:16:30,650

obsessively video it we'll make sure

416

00:16:34,840 --> 00:16:32,450

that we know exactly what it was like

417

00:16:37,510 --> 00:16:34,850

when it came to the museum and the only

418

00:16:40,420 --> 00:16:37,520

real quote-unquote ritual that we go

419

00:16:43,180 --> 00:16:40,430

through it sounds super silly but it

420

00:16:45,850 --> 00:16:43,190

most the time it works we sit down with

421

00:16:48,340 --> 00:16:45,860

the object and we plainly and calmly say

422

00:16:50,260 --> 00:16:48,350

we're giving you a place to live if

423

00:16:53,380 --> 00:16:50,270

somebody else found you you might end up

424

00:16:56,020 --> 00:16:53,390

in a bonfire or they would bury you or

425

00:16:58,660 --> 00:16:56,030

throw you in the ocean we're gonna give

426
00:17:00,310 --> 00:16:58,670
you some of our space respect our space

427
00:17:02,200 --> 00:17:00,320
will respect you and we'll have a good

428
00:17:04,150 --> 00:17:02,210
relationship and most of the time that's

429
00:17:06,850 --> 00:17:04,160
enough to take care of it there are a

430
00:17:08,920 --> 00:17:06,860
few cases rare cases where things will

431
00:17:11,760 --> 00:17:08,930
require some more precautions or we'll

432
00:17:14,290 --> 00:17:11,770
have to put something in its own box

433
00:17:16,510 --> 00:17:14,300
occasionally there's there's kosher salt

434
00:17:19,900 --> 00:17:16,520
involves certain things respond to

435
00:17:23,260 --> 00:17:19,910
certain iconography differently but most

436
00:17:26,320 --> 00:17:23,270
of the time we try our best not to not

437
00:17:29,770 --> 00:17:26,330
to make enemies with something that that

438
00:17:31,360 --> 00:17:29,780

might not really care for what we have

439

00:17:33,490 --> 00:17:31,370

to say to it we try and keep things as

440

00:17:35,830 --> 00:17:33,500

as peaceful as possible you know you

441

00:17:37,390 --> 00:17:35,840

don't curse at it or throw things I like

442

00:17:39,100 --> 00:17:37,400

some of the other folks like to get

443

00:17:43,030 --> 00:17:39,110

things really riled up generally they do

444

00:17:45,730 --> 00:17:43,040

that at us so you know it's a really

445

00:17:47,410 --> 00:17:45,740

good item right I just I don't like the

446

00:17:51,370 --> 00:17:47,420

idea of making enemies with something

447

00:17:52,840 --> 00:17:51,380

that could possibly be timeless and you

448

00:17:54,730 --> 00:17:52,850

know come come back at the worst

449

00:17:57,490 --> 00:17:54,740

possible moment to remind me of the time

450

00:17:59,980 --> 00:17:57,500

I decided to pretend I was I was more

451
00:18:02,680 --> 00:17:59,990
important or powerful than it right yeah

452
00:18:04,540 --> 00:18:02,690
I always go back to the pork guy and in

453
00:18:06,730 --> 00:18:04,550
poltergeist when he's standing in the

454
00:18:07,540 --> 00:18:06,740
mirror and he's ripping his own face off

455
00:18:11,120 --> 00:18:07,550
you know

456
00:18:14,060 --> 00:18:11,130
we don't need visions like that nothing

457
00:18:16,820 --> 00:18:14,070
quite that bad yet yeah yeah that's good

458
00:18:19,160 --> 00:18:16,830
I was just gonna play off of that have

459
00:18:22,460 --> 00:18:19,170
you guys ever had someone ask for an

460
00:18:25,490 --> 00:18:22,470
item back no no I think we ever have no

461
00:18:27,680 --> 00:18:25,500
most people they want to get rid of it I

462
00:18:29,030 --> 00:18:27,690
assume some of the objects that we have

463
00:18:30,890 --> 00:18:29,040

I mean everything in the museum is

464

00:18:33,710 --> 00:18:30,900

donated and some of the objects we have

465

00:18:36,200 --> 00:18:33,720

are sort of on they're not permanent so

466

00:18:38,360 --> 00:18:36,210

someone will send us something for a

467

00:18:40,040 --> 00:18:38,370

couple years or for a period of time to

468

00:18:42,200 --> 00:18:40,050

kind of study it and then eventually

469

00:18:43,520 --> 00:18:42,210

though they'll ask for it back but I

470

00:18:45,290 --> 00:18:43,530

don't think we've ever had anyone kind

471

00:18:46,400 --> 00:18:45,300

of say okay I need to have this thing

472

00:18:48,440 --> 00:18:46,410

back yeah one of the one of the

473

00:18:50,180 --> 00:18:48,450

qualifiers as always because people ask

474

00:18:52,160 --> 00:18:50,190

us you know where have you bought your

475

00:18:54,590 --> 00:18:52,170

stuff and and we said we don't buy it

476
00:18:56,150 --> 00:18:54,600
that's one of our rules because you know

477
00:19:00,200 --> 00:18:56,160
people are always saying these I saw

478
00:19:02,270 --> 00:19:00,210
this haunted doll on ebay generally most

479
00:19:04,010 --> 00:19:02,280
people who have a real haunted object

480
00:19:06,530 --> 00:19:04,020
are more than happy to get rid of it for

481
00:19:10,370 --> 00:19:06,540
free if you're being charged for it it

482
00:19:13,070 --> 00:19:10,380
is probably a scam as well as the fact

483
00:19:15,170 --> 00:19:13,080
that buying and selling things in

484
00:19:16,790 --> 00:19:15,180
exchanging money for something is one of

485
00:19:19,670 --> 00:19:16,800
the oldest cleansing rituals in the

486
00:19:21,740 --> 00:19:19,680
world it's meant to cleanse ownership so

487
00:19:23,870 --> 00:19:21,750
actually paying for something that has

488
00:19:25,940 --> 00:19:23,880

an entity attached to it is probably the

489

00:19:28,310 --> 00:19:25,950

quickest way to happen to exorcise that

490

00:19:29,750 --> 00:19:28,320

entity mm-hmm yeah and I think that's a

491

00:19:31,100 --> 00:19:29,760

lot of time why people will buy a

492

00:19:32,270 --> 00:19:31,110

haunted house and all of a sudden it's

493

00:19:33,440 --> 00:19:32,280

not haunted anymore and there's

494

00:19:35,510 --> 00:19:33,450

different reasons for that I mean it

495

00:19:37,460 --> 00:19:35,520

could be a lot of a lot of hauntings

496

00:19:40,550 --> 00:19:37,470

again comes back to the idea of intent

497

00:19:42,290 --> 00:19:40,560

and connection a lot of haunted objects

498

00:19:44,660 --> 00:19:42,300

that they've been given to us with these

499

00:19:46,190 --> 00:19:44,670

really big stories but they've never

500

00:19:49,070 --> 00:19:46,200

acted up because I think that the

501
00:19:51,260 --> 00:19:49,080
trigger for those is the the household

502
00:19:53,720 --> 00:19:51,270
it was in the area was in the people

503
00:19:55,040 --> 00:19:53,730
that they owned it or even the again

504
00:19:57,320 --> 00:19:55,050
like we were saying before even the

505
00:19:58,850 --> 00:19:57,330
emotional state that was happening you

506
00:20:00,470 --> 00:19:58,860
know with those people at the time that

507
00:20:02,540 --> 00:20:00,480
can even be a triggering in and of

508
00:20:05,110 --> 00:20:02,550
itself anyway long story short don't buy

509
00:20:07,850 --> 00:20:05,120
haunted I don't because you're getting

510
00:20:10,010 --> 00:20:07,860
and this is a question for each one of

511
00:20:12,020 --> 00:20:10,020
you is there an object that really

512
00:20:14,000 --> 00:20:12,030
bothers you Greg or really bothers you

513
00:20:16,250 --> 00:20:14,010

Dana that you just you will not mess

514

00:20:18,050 --> 00:20:16,260

with no matter what or maybe the second

515

00:20:20,350 --> 00:20:18,060

you took a look at it you're like nope

516

00:20:22,000 --> 00:20:20,360

this one this one of me are not

517

00:20:23,830 --> 00:20:22,010

friends it's probably the same one I

518

00:20:27,160 --> 00:20:23,840

think yeah I think we probably have the

519

00:20:28,900 --> 00:20:27,170

same it's the Crone if you ask me it'd

520

00:20:30,789 --> 00:20:28,910

be the Crone it's the only one of the

521

00:20:31,840 --> 00:20:30,799

only it's like we have three objects in

522

00:20:33,850 --> 00:20:31,850

the museum that we don't let people

523

00:20:37,180 --> 00:20:33,860

touch or handle and this is one of them

524

00:20:38,890 --> 00:20:37,190

and the immediately the day that it

525

00:20:40,450 --> 00:20:38,900

showed up we started having really

526
00:20:42,130 --> 00:20:40,460
strange things happen and it was one of

527
00:20:44,110 --> 00:20:42,140
those ones that wouldn't cooperate even

528
00:20:47,830 --> 00:20:44,120
after we had the conversation with it

529
00:20:51,340 --> 00:20:47,840
and I know I know that it won't end

530
00:20:53,919 --> 00:20:51,350
until we we've been able to stop a lot

531
00:20:55,659 --> 00:20:53,929
of the weird activity and and it was it

532
00:20:57,250 --> 00:20:55,669
was at one point looking like it was

533
00:20:58,870 --> 00:20:57,260
going to be dangerous and I know it's

534
00:21:01,720 --> 00:20:58,880
not going to end until we take it back

535
00:21:04,900 --> 00:21:01,730
to wherever it was taken from it's a

536
00:21:08,049 --> 00:21:04,910
it's a carved hand-carved statue that

537
00:21:11,169 --> 00:21:08,059
was found in the Catskill Mountains by a

538
00:21:12,760 --> 00:21:11,179

couple hikers and they decided to take

539

00:21:13,990 --> 00:21:12,770

it home and it looks terrifying like

540

00:21:16,510 --> 00:21:14,000

will you look at it and you go I would

541

00:21:18,640 --> 00:21:16,520

never take this thing home it's got yeah

542

00:21:21,820 --> 00:21:18,650

rusty nails driven into the eyes it has

543

00:21:23,919 --> 00:21:21,830

a noose around its neck and they said

544

00:21:25,299 --> 00:21:23,929

the one guy said we're not taking this

545

00:21:26,380 --> 00:21:25,309

the other guy's like no way this thing's

546

00:21:28,930 --> 00:21:26,390

awesome we're taking it home

547

00:21:30,310 --> 00:21:28,940

it was it was moving from where they put

548

00:21:32,650 --> 00:21:30,320

it they were starting to get this

549

00:21:35,980 --> 00:21:32,660

overwhelming smell of pond water I mean

550

00:21:39,250 --> 00:21:35,990

full full-body apparitions like an old

551
00:21:42,340 --> 00:21:39,260
nude woman in their living room no oh

552
00:21:43,690 --> 00:21:42,350
yeah wet footprints muddy footprints

553
00:21:44,740 --> 00:21:43,700
that walked through the house they

554
00:21:47,260 --> 00:21:44,750
couldn't figure out where they were

555
00:21:50,169 --> 00:21:47,270
coming from the dogs were acting strange

556
00:21:51,460 --> 00:21:50,179
and it got to the point where they they

557
00:21:55,690 --> 00:21:51,470
just couldn't handle it anymore

558
00:21:57,549 --> 00:21:55,700
and weirdly serendipitously one of the

559
00:22:00,640 --> 00:21:57,559
PAS from Finding Bigfoot

560
00:22:05,080 --> 00:22:00,650
was reading this reddit thread while he

561
00:22:07,060 --> 00:22:05,090
was on break and he just spent a week in

562
00:22:08,770 --> 00:22:07,070
a van with us listening to all of our

563
00:22:11,919 --> 00:22:08,780

stories and he said you got to get ahold

564

00:22:13,659 --> 00:22:11,929

of these guys and they asked for advice

565

00:22:14,740 --> 00:22:13,669

I said you need to take it back you need

566

00:22:16,419 --> 00:22:14,750

to apologize

567

00:22:18,340 --> 00:22:16,429

they said apologize to who I said it

568

00:22:20,830 --> 00:22:18,350

doesn't matter apologize to the cave

569

00:22:22,720 --> 00:22:20,840

apologize to the object to the entity

570

00:22:25,330 --> 00:22:22,730

back out of the cave and hope that that

571

00:22:27,730 --> 00:22:25,340

was enough they wouldn't do it they were

572

00:22:29,650 --> 00:22:27,740

afraid to go back and so I said fine

573

00:22:33,010 --> 00:22:29,660

here's my post office box centered in

574

00:22:34,120 --> 00:22:33,020

the day that it arrived we left it alone

575

00:22:39,790 --> 00:22:34,130

in the

576

00:22:40,720 --> 00:22:39,800

office a few hours later walked in and I

577

00:22:42,250 --> 00:22:40,730

couldn't figure out what was wrong

578

00:22:44,560 --> 00:22:42,260

because everything looked the same until

579

00:22:46,810 --> 00:22:44,570

I almost stepped on Jesus which had been

580

00:22:50,200 --> 00:22:46,820

pulled off of a crucifix that was

581

00:22:52,180 --> 00:22:50,210

hanging right above the Crone and the

582

00:22:57,850 --> 00:22:52,190

chair we left it in and it was just his

583

00:23:00,070 --> 00:22:57,860

single arm swinging and so I said okay

584

00:23:02,470 --> 00:23:00,080

we have to capture this thing doing this

585

00:23:03,820 --> 00:23:02,480

and we set up a trail camera and it took

586

00:23:05,350 --> 00:23:03,830

us about three weeks but eventually

587

00:23:06,790 --> 00:23:05,360

between the hours of 3:00 and 4:00 in

588

00:23:09,310 --> 00:23:06,800

the morning the camera triggered three

589

00:23:11,080 --> 00:23:09,320

times the photos were very strange there

590

00:23:12,460 --> 00:23:11,090

were some weird light anomalies that

591

00:23:14,080 --> 00:23:12,470

we're actually giving off their own

592

00:23:15,820 --> 00:23:14,090

light you can see them giving off light

593

00:23:17,800 --> 00:23:15,830

as they float around the room and that

594

00:23:20,650 --> 00:23:17,810

was as strange as it was until we

595

00:23:21,850 --> 00:23:20,660

stitched the pictures together and when

596

00:23:24,240 --> 00:23:21,860

you stitch them together you can

597

00:23:26,650 --> 00:23:24,250

actually see the Crone moves by itself

598

00:23:28,720 --> 00:23:26,660

it's not very far but it's enough to

599

00:23:31,630 --> 00:23:28,730

notice that it did move by itself

600

00:23:33,460 --> 00:23:31,640

nothing else moves and then after that

601
00:23:34,120 --> 00:23:33,470
was when things started to get really

602
00:23:38,530 --> 00:23:34,130
scary

603
00:23:41,380 --> 00:23:38,540
because we started to to smell the

604
00:23:44,560 --> 00:23:41,390
strong scent of POD water there was a

605
00:23:48,460 --> 00:23:44,570
constant feeling of this this oppressive

606
00:23:49,600 --> 00:23:48,470
energy and one night Dana calls me from

607
00:23:51,670 --> 00:23:49,610
the living room and says why were you

608
00:23:54,220 --> 00:23:51,680
standing on the back of the couch and it

609
00:23:56,140 --> 00:23:54,230
was the strangest thing I like there

610
00:23:59,110 --> 00:23:56,150
were two perfectly formed human

611
00:24:00,610 --> 00:23:59,120
footprints that were wax literally

612
00:24:04,030 --> 00:24:00,620
standing right on the back of the couch

613
00:24:05,890 --> 00:24:04,040

and I thought at first I thought did he

614

00:24:08,830 --> 00:24:05,900

like take a shower and then change a

615

00:24:11,530 --> 00:24:08,840

light bulb or like what is what my brain

616

00:24:12,910 --> 00:24:11,540

wasn't a rat right everything because if

617

00:24:14,770 --> 00:24:12,920

it had been in the living or in the

618

00:24:16,360 --> 00:24:14,780

kitchen I would have been like okay it's

619

00:24:19,390 --> 00:24:16,370

water from a sink or if it is in the

620

00:24:21,550 --> 00:24:19,400

bathroom same thing but it was two

621

00:24:23,650 --> 00:24:21,560

perfect footprint shapes

622

00:24:27,250 --> 00:24:23,660

standing right on the back of our couch

623

00:24:29,200 --> 00:24:27,260

and it was just the weirdest thing but I

624

00:24:31,830 --> 00:24:29,210

mean I could have found at that point in

625

00:24:33,430 --> 00:24:31,840

time yeah cats started acting weird and

626

00:24:35,350 --> 00:24:33,440

eventually it just got to the point

627

00:24:37,780 --> 00:24:35,360

where I said okay all right well let's

628

00:24:39,940 --> 00:24:37,790

have the talk again and we as we were

629

00:24:41,530 --> 00:24:39,950

having the discussion we heard the sound

630

00:24:44,140 --> 00:24:41,540

of rushing water coming from the other

631

00:24:46,210 --> 00:24:44,150

side of the of the house mmm and we just

632

00:24:47,860 --> 00:24:46,220

dealt with a burst pipe and anyone who's

633

00:24:48,100 --> 00:24:47,870

ever dealt with a burst pipe knows that

634

00:24:52,840 --> 00:24:48,110

it

635

00:24:55,240 --> 00:24:52,850

horrible and I thought oh no not again

636

00:24:57,220 --> 00:24:55,250

and we both jumped up and we rushed to

637

00:24:59,710 --> 00:24:57,230

the other side of house but there's

638

00:25:02,049 --> 00:24:59,720

nothing there there's there's no sound

639

00:25:05,530 --> 00:25:02,059

of rushing water instead we here in the

640

00:25:07,960 --> 00:25:05,540

living room we hear this thump and then

641

00:25:10,150 --> 00:25:07,970

thumb thumb thumb thumb and we walk back

642

00:25:12,940 --> 00:25:10,160

in the living room the Crone is gone

643

00:25:14,980 --> 00:25:12,950

it's not on the coffee table so we left

644

00:25:17,140 --> 00:25:14,990

it I'm looking all over to see where

645

00:25:19,750 --> 00:25:17,150

this thing is it had rolled off of the

646

00:25:22,870 --> 00:25:19,760

coffee table under the television stand

647

00:25:24,280 --> 00:25:22,880

and so I walk over and I get down on my

648

00:25:26,200 --> 00:25:24,290

hands and knees and I'm reaching out of

649

00:25:29,470 --> 00:25:26,210

the coffee table or under the television

650

00:25:31,570 --> 00:25:29,480

stand and I hear Dana scream and I look

651
00:25:36,130 --> 00:25:31,580
up and the television is tipping over on

652
00:25:39,909 --> 00:25:36,140
my head oh my god and Dana runs over and

653
00:25:42,340 --> 00:25:39,919
she grabs the TV and luckily it didn't

654
00:25:43,870 --> 00:25:42,350
land on him yeah he just just keeps it

655
00:25:45,070 --> 00:25:43,880
from landing on my head and that's when

656
00:25:47,080 --> 00:25:45,080
I said all right if this is how it's

657
00:25:48,840 --> 00:25:47,090
going to be then we're going to lock you

658
00:25:51,280 --> 00:25:48,850
up and you're gonna stay locked up and

659
00:25:54,159 --> 00:25:51,290
immediately as soon as I'd finish saying

660
00:25:54,909 --> 00:25:54,169
it there were three just loud booms that

661
00:25:58,299 --> 00:25:54,919
sounded like they were coming from

662
00:26:01,330 --> 00:25:58,309
inside the wall just boom boom boom I

663
00:26:04,510 --> 00:26:01,340

said fine that's it and so now it stays

664

00:26:06,310 --> 00:26:04,520

locked up no one touches it you know

665

00:26:09,640 --> 00:26:06,320

occasionally we'll still get that strong

666

00:26:11,650 --> 00:26:09,650

smell and I know that it won't end until

667

00:26:14,710 --> 00:26:11,660

we take it back because it wants to be

668

00:26:16,870 --> 00:26:14,720

back work where it was taken from and it

669

00:26:18,520 --> 00:26:16,880

won't stop until then I'm sure and when

670

00:26:21,400 --> 00:26:18,530

you say locked up it's in a glass case

671

00:26:23,470 --> 00:26:21,410

like in a closet or oh no it's it's in a

672

00:26:26,159 --> 00:26:23,480

wooden we have a wooden case with a big

673

00:26:28,960 --> 00:26:26,169

padlock on it gets wrapped up in a cloth

674

00:26:30,789 --> 00:26:28,970

yeah occasionally we'll throw a little a

675

00:26:33,549 --> 00:26:30,799

little salt or holy water in there if it

676

00:26:37,270 --> 00:26:33,559

starts to get nasty but it tried to drop

677

00:26:38,620 --> 00:26:37,280

your TV on your head oh yeah yeah that's

678

00:26:40,720 --> 00:26:38,630

oh my god

679

00:26:43,210 --> 00:26:40,730

so after that we thought yeah this

680

00:26:46,240 --> 00:26:43,220

thing's not gonna cooperate and you know

681

00:26:47,650 --> 00:26:46,250

I like I said I really don't take doing

682

00:26:51,159 --> 00:26:47,660

things like that very lightly because I

683

00:26:52,630 --> 00:26:51,169

again I don't think making supernatural

684

00:26:53,530 --> 00:26:52,640

enemies is probably the wisest thing

685

00:26:55,360 --> 00:26:53,540

mm-hm

686

00:26:56,950 --> 00:26:55,370

so now that it's locked up though you

687

00:26:59,230 --> 00:26:56,960

said occasionally you smell pond water

688

00:27:00,570 --> 00:26:59,240

do you still hear Boone's and and things

689

00:27:02,970 --> 00:27:00,580

like that in your house

690

00:27:05,399 --> 00:27:02,980

it has never been that pronounced since

691

00:27:06,990 --> 00:27:05,409

then Wow you know occasionally and it

692

00:27:09,930 --> 00:27:07,000

gets I mean it gets hard to figure out

693

00:27:13,860 --> 00:27:09,940

what's what around here sometimes yeah

694

00:27:15,149 --> 00:27:13,870

but most of its pretty pretty benign you

695

00:27:16,620 --> 00:27:15,159

know we see some of a lot of the same

696

00:27:19,769 --> 00:27:16,630

things and usually can kind of tell what

697

00:27:21,960 --> 00:27:19,779

what it is it's to blame but it's the

698

00:27:24,690 --> 00:27:21,970

pond water is generally when it gets

699

00:27:26,700 --> 00:27:24,700

really really strong we know that it

700

00:27:28,560 --> 00:27:26,710

just sits reminding us you need to take

701
00:27:30,990 --> 00:27:28,570
me take me home yeah I was watching your

702
00:27:32,370 --> 00:27:31,000
live feed today and I know that the Idol

703
00:27:33,690 --> 00:27:32,380
of nightmares is on there right now live

704
00:27:36,060 --> 00:27:33,700
and if anyone hasn't checked that out

705
00:27:37,830 --> 00:27:36,070
you guys have that running 24/7 and how

706
00:27:40,320 --> 00:27:37,840
often do you switch those guys out and

707
00:27:42,570 --> 00:27:40,330
my next question is I'm assuming it

708
00:27:45,720 --> 00:27:42,580
would be a stupid question but has the

709
00:27:48,120 --> 00:27:45,730
crow never been live on camera before we

710
00:27:52,529 --> 00:27:48,130
actually did we we gave her I think we

711
00:27:53,430 --> 00:27:52,539
did like four or five days yeah and it

712
00:27:56,820 --> 00:27:53,440
was crazy

713
00:27:58,019 --> 00:27:56,830

I mean evidence that at one point we

714

00:27:59,669 --> 00:27:58,029

were we thought okay well let's

715

00:28:01,710 --> 00:27:59,679

introduce some trigger objects just to

716

00:28:04,970 --> 00:28:01,720

see if you know and it will capture

717

00:28:07,950 --> 00:28:04,980

anything different and we said we have a

718

00:28:11,100 --> 00:28:07,960

coffin nail that has been used in and

719

00:28:12,870 --> 00:28:11,110

loads of voodoo rituals so we set this

720

00:28:14,340 --> 00:28:12,880

coffin nail next to the crown we

721

00:28:16,080 --> 00:28:14,350

actually propped it right up against the

722

00:28:18,360 --> 00:28:16,090

Crone and I think it was like three or

723

00:28:20,460 --> 00:28:18,370

four o'clock in the morning the camera

724

00:28:22,409 --> 00:28:20,470

if the camera senses any kind of like

725

00:28:24,960 --> 00:28:22,419

heat or any sort of movement it

726

00:28:26,460 --> 00:28:24,970

instantly will send us on notification

727

00:28:28,649 --> 00:28:26,470

to our phones letting us know that

728

00:28:30,450 --> 00:28:28,659

something is moving and it's caught it's

729

00:28:32,610 --> 00:28:30,460

it's not just like airing it's called

730

00:28:33,990 --> 00:28:32,620

it's recording the whole time as well so

731

00:28:37,710 --> 00:28:34,000

we can go back and look at all that

732

00:28:39,750 --> 00:28:37,720

footage and it was this this rusty nail

733

00:28:42,210 --> 00:28:39,760

leaning up against the Crone and it

734

00:28:44,570 --> 00:28:42,220

looks like it gets kind of flicked off

735

00:28:47,879 --> 00:28:44,580

of it because it sort of has like a

736

00:28:50,399 --> 00:28:47,889

moment where it ride flies up into the

737

00:28:52,200 --> 00:28:50,409

air and and not not like it doesn't just

738

00:28:54,269 --> 00:28:52,210

tumble over and kind of roll so it

739

00:28:55,620 --> 00:28:54,279

wasn't I mean that was a really

740

00:28:58,440 --> 00:28:55,630

interesting thing that happened and

741

00:29:00,240 --> 00:28:58,450

people were writing in a report that as

742

00:29:01,740 --> 00:29:00,250

they were watching the Crone's they were

743

00:29:04,889 --> 00:29:01,750

getting strange activity in their own

744

00:29:06,570 --> 00:29:04,899

homes and that hasn't really happened

745

00:29:07,080 --> 00:29:06,580

with any of the other objects we've had

746

00:29:10,320 --> 00:29:07,090

on display

747

00:29:12,720 --> 00:29:10,330

it was mostly that one and it was like

748

00:29:14,220 --> 00:29:12,730

half a dozen people we're saying you

749

00:29:16,169 --> 00:29:14,230

know I'm seeing things

750

00:29:17,640 --> 00:29:16,179

is is this going to last forever how

751

00:29:19,919 --> 00:29:17,650

long is this gonna last what did I do

752

00:29:21,990 --> 00:29:19,929

I think someone even wrote in to tell us

753

00:29:23,700 --> 00:29:22,000

that they did smell like oh yes tea

754

00:29:26,789 --> 00:29:23,710

water yeah Wow

755

00:29:29,460 --> 00:29:26,799

yeah so we try and change them up like

756

00:29:34,620 --> 00:29:29,470

once a week but we've had the idol we

757

00:29:38,100 --> 00:29:34,630

call him Billy because he's an idol for

758

00:29:40,080 --> 00:29:38,110

like three weeks now just because we've

759

00:29:41,460 --> 00:29:40,090

been we've just been super busy and we

760

00:29:44,159 --> 00:29:41,470

haven't had time to figure out what's

761

00:29:45,419 --> 00:29:44,169

what's next but we'll have we normally

762

00:29:46,950 --> 00:29:45,429

have them changed like once a week and

763

00:29:48,419 --> 00:29:46,960

we try and do new stuff all the time

764

00:29:51,240 --> 00:29:48,429

you know guys there's there's times

765

00:29:54,090 --> 00:29:51,250

where like I'll try to remember my

766

00:29:59,970 --> 00:29:54,100

masculinity and I will look at the photo

767

00:30:02,580 --> 00:29:59,980

Greg the black mirror I might be one

768

00:30:05,190 --> 00:30:02,590

whiskey torso but I'll always stare into

769

00:30:06,659 --> 00:30:05,200

the photo of the black mirror just to

770

00:30:11,450 --> 00:30:06,669

see if anything happened yeah does that

771

00:30:13,409 --> 00:30:11,460

work the same yeah absolutely and it was

772

00:30:15,180 --> 00:30:13,419

there were people who were saying

773

00:30:16,590 --> 00:30:15,190

reporting different things all of them

774

00:30:18,090 --> 00:30:16,600

yes seeing different things in the

775

00:30:20,520 --> 00:30:18,100

mirror so and I'm they were also

776

00:30:23,549 --> 00:30:20,530

experiencing like headaches and kind of

777

00:30:26,370 --> 00:30:23,559

like nausea yeah but even if you look at

778

00:30:28,440 --> 00:30:26,380

a picture of you holding it people have

779

00:30:30,360 --> 00:30:28,450

reported strange things with it I don't

780

00:30:32,130 --> 00:30:30,370

know I mean in the question is how much

781

00:30:35,130 --> 00:30:32,140

of that is the power of suggestion and

782

00:30:37,440 --> 00:30:35,140

those days because I heard you guys say

783

00:30:38,880 --> 00:30:37,450

um to Jim on youth event that you

784

00:30:43,740 --> 00:30:38,890

neither one of you have looked into the

785

00:30:45,299 --> 00:30:43,750

black mirror right no kind of that like

786

00:30:48,180 --> 00:30:45,309

you know we don't want to create any

787

00:30:50,070 --> 00:30:48,190

kind of emotional yeah connection with

788

00:30:54,380 --> 00:30:50,080

many of the things that we have because

789

00:30:58,799 --> 00:30:54,390

it that's sort of how we accept Billy

790

00:31:00,120 --> 00:30:58,809

yeah of course not yeah so we both of us

791

00:31:01,740 --> 00:31:00,130

haven't looked in the mirror at all it

792

00:31:04,110 --> 00:31:01,750

you know I mean it lives in our house

793

00:31:05,880 --> 00:31:04,120

and yes it's like you're close enough

794

00:31:07,230 --> 00:31:05,890

right like that's enough know one of the

795

00:31:09,210 --> 00:31:07,240

reasons I don't want to look into it is

796

00:31:11,039 --> 00:31:09,220

because I can never shake the feeling

797

00:31:12,720 --> 00:31:11,049

that it wants me to look into it which

798

00:31:13,919 --> 00:31:12,730

is why I don't want to do it but your

799

00:31:15,630 --> 00:31:13,929

cat's won't even look into it right

800

00:31:17,490 --> 00:31:15,640

that's what you had mentioned as well no

801
00:31:19,500 --> 00:31:17,500
the cat's refused we thought because it

802
00:31:21,000 --> 00:31:19,510
used to be on display when we're not on

803
00:31:23,730 --> 00:31:21,010
the road it's just on display in our

804
00:31:25,320 --> 00:31:23,740
house the the mirror was always on

805
00:31:27,750 --> 00:31:25,330
display but we always kept it covered it

806
00:31:28,110 --> 00:31:27,760
was given to us with this this like

807
00:31:30,240 --> 00:31:28,120
hanker

808
00:31:32,160 --> 00:31:30,250
if that was kept over it and I would

809
00:31:34,530 --> 00:31:32,170
notice that it started to uncover itself

810
00:31:36,570 --> 00:31:34,540
at night and I thought it's gotta be the

811
00:31:38,430 --> 00:31:36,580
cats they're just messing with it the

812
00:31:40,320 --> 00:31:38,440
cats would go nowhere near it I'd try to

813
00:31:42,870 --> 00:31:40,330

show it to them and they would run and

814

00:31:44,040 --> 00:31:42,880

hide for like an hour because they

815

00:31:45,960 --> 00:31:44,050

wanted nothing to do with this thing so

816

00:31:47,940 --> 00:31:45,970

wasn't the cats that was uncovering it

817

00:31:49,320 --> 00:31:47,950

and I'd even catch myself sitting on the

818

00:31:51,240 --> 00:31:49,330

couch and I would just kind of be

819

00:31:53,340 --> 00:31:51,250

staring in this general direction and

820

00:31:55,380 --> 00:31:53,350

I'd realize oh my god what am i doing

821

00:31:57,750 --> 00:31:55,390

and the cover would be off

822

00:31:58,980 --> 00:31:57,760

it's like Collins oh I'd yeah that's why

823

00:32:00,210 --> 00:31:58,990

I don't want to look into it I don't

824

00:32:01,980 --> 00:32:00,220

know I don't think I need to see

825

00:32:04,410 --> 00:32:01,990

anything it wants to show me I don't

826

00:32:06,630 --> 00:32:04,420

yeah it's like the old quote guys I mean

827

00:32:08,430 --> 00:32:06,640

if you stare into the void long you know

828

00:32:09,750 --> 00:32:08,440

if something's gonna say you're back you

829

00:32:12,330 --> 00:32:09,760

know it's really funny we were just

830

00:32:14,460 --> 00:32:12,340

maybe like half an hour before we jumped

831

00:32:17,010 --> 00:32:14,470

on the call we were going through EVPs

832

00:32:19,320 --> 00:32:17,020

that we'd collected over the last like

833

00:32:20,730 --> 00:32:19,330

half a dozen events we've done and one

834

00:32:23,970 --> 00:32:20,740

of them that had must have just missed

835

00:32:26,070 --> 00:32:23,980

us somebody in the crowd asks they asked

836

00:32:28,110 --> 00:32:26,080

the entity in the mirror they say you

837

00:32:30,450 --> 00:32:28,120

know where where are you from and it

838

00:32:32,820 --> 00:32:30,460

says clear as a bell it says from hell

839

00:32:34,650 --> 00:32:32,830

oh my goodness gracious

840

00:32:38,310 --> 00:32:34,660

alrighty then yeah you're like yeah

841

00:32:40,050 --> 00:32:38,320

that'll do it for that then yeah that's

842

00:32:41,910 --> 00:32:40,060

why we don't look into that mirror well

843

00:32:44,130 --> 00:32:41,920

I know Ryan's got some questions for you

844

00:32:46,560 --> 00:32:44,140

guys take it away Ryan well I kind of I

845

00:32:49,410 --> 00:32:46,570

love reading the articles that you guys

846

00:32:51,510 --> 00:32:49,420

do they're so insightful extensive it's

847

00:32:53,340 --> 00:32:51,520

clear you've done your research and I

848

00:32:55,830 --> 00:32:53,350

wanted to talk about a couple of them

849

00:32:58,650 --> 00:32:55,840

that really stood out to me I think the

850

00:33:02,490 --> 00:32:58,660

most recent one was this guy Mike in

851
00:33:06,420 --> 00:33:02,500
Kentucky who's he's offering special

852
00:33:08,670 --> 00:33:06,430
effects services to haunt houses am I am

853
00:33:11,820 --> 00:33:08,680
i reading this correctly what is this

854
00:33:14,070 --> 00:33:11,830
guy doing like is he he seems to be

855
00:33:16,740 --> 00:33:14,080
enemy number one now for paranormal

856
00:33:18,540 --> 00:33:16,750
investigators could you yeah sort of run

857
00:33:20,970 --> 00:33:18,550
this through for us what exactly this

858
00:33:23,760 --> 00:33:20,980
guy Mike is doing this guy is a

859
00:33:26,700 --> 00:33:23,770
professional special-effects artist he's

860
00:33:29,700 --> 00:33:26,710
from the Louisville area and he normally

861
00:33:33,420 --> 00:33:29,710
works with haunted houses like the fake

862
00:33:38,280 --> 00:33:33,430
kind the fake kind yes and he's he's

863
00:33:39,840 --> 00:33:38,290

also a magician he's he's clearly he

864

00:33:41,010 --> 00:33:39,850

clearly knows his stuff when it comes to

865

00:33:43,710 --> 00:33:41,020

special effects

866

00:33:47,850 --> 00:33:43,720

and I noticed on his website the other

867

00:33:50,250 --> 00:33:47,860

day that he was offering hot services

868

00:33:53,750 --> 00:33:50,260

where he would go to allegedly haunted

869

00:33:57,090 --> 00:33:53,760

locations and he and his team would

870

00:33:59,790 --> 00:33:57,100

covertly sneak into ghost hunting groups

871

00:34:01,260 --> 00:33:59,800

as guests as like they were paying

872

00:34:03,120 --> 00:34:01,270

guests they'd arrive in unmarked vans

873

00:34:06,570 --> 00:34:03,130

and they claimed that they could do

874

00:34:08,280 --> 00:34:06,580

everything from showing apparitions

875

00:34:10,409 --> 00:34:08,290

making apparitions appear that would

876

00:34:13,889 --> 00:34:10,419

appear and disappear in front of guests

877

00:34:15,630 --> 00:34:13,899

eyes they could manipulate ghost hunting

878

00:34:16,950 --> 00:34:15,640

devices they could I think they even

879

00:34:18,780 --> 00:34:16,960

said at one point they could make people

880

00:34:21,899 --> 00:34:18,790

feel ill yeah I could make a whole group

881

00:34:23,370 --> 00:34:21,909

of people feel ill at the same time so a

882

00:34:26,399 --> 00:34:23,380

lot of things that are commonly

883

00:34:29,460 --> 00:34:26,409

associated with with hauntings and that

884

00:34:32,070 --> 00:34:29,470

he was offering this service tailored to

885

00:34:33,899 --> 00:34:32,080

whatever whatever haunted locations

886

00:34:37,110 --> 00:34:33,909

wanted to hire him to do it both private

887

00:34:39,840 --> 00:34:37,120

and public and he seems that there he

888

00:34:41,880 --> 00:34:39,850

has many clients already he met he's

889

00:34:44,370 --> 00:34:41,890

told me he's done at least two dozen

890

00:34:48,360 --> 00:34:44,380

successfully so far for both big and

891

00:34:49,909 --> 00:34:48,370

small clients I have to ask why like

892

00:34:55,889 --> 00:34:49,919

what's his intention I mean obviously

893

00:34:58,200 --> 00:34:55,899

money thing but what what is he what

894

00:35:00,900 --> 00:34:58,210

does he think to gain from this it seems

895

00:35:02,850 --> 00:35:00,910

like I don't know I don't know what what

896

00:35:05,310 --> 00:35:02,860

is his motivation you said you talked to

897

00:35:07,380 --> 00:35:05,320

him yeah I mean when I saw that he was

898

00:35:08,910 --> 00:35:07,390

offering the service I had to reach out

899

00:35:11,580 --> 00:35:08,920

and see if he'd do an interview with me

900

00:35:14,730 --> 00:35:11,590

and I thought he would shirk me but no

901
00:35:17,130 --> 00:35:14,740
he was he was all too happy to talk and

902
00:35:19,980 --> 00:35:17,140
he said you know his reasoning for doing

903
00:35:22,530 --> 00:35:19,990
it is again you know one money but two

904
00:35:24,420 --> 00:35:22,540
he sees it as a challenge and it's it's

905
00:35:27,450 --> 00:35:24,430
hard to disagree with him when he says

906
00:35:30,180 --> 00:35:27,460
if Ghost Hunters are worth their salt

907
00:35:31,530 --> 00:35:30,190
they will know that something's not

908
00:35:34,140 --> 00:35:31,540
right and they'll know that someone's

909
00:35:37,140 --> 00:35:34,150
behind it the problem is you know newer

910
00:35:38,640 --> 00:35:37,150
ghost hunters who have no idea that this

911
00:35:40,020 --> 00:35:38,650
is this can happen aren't probably

912
00:35:40,710 --> 00:35:40,030
aren't very good at what they're doing

913
00:35:42,150 --> 00:35:40,720

so far

914

00:35:43,680 --> 00:35:42,160

you know if they go in and they

915

00:35:46,050 --> 00:35:43,690

experience all this stuff and they start

916

00:35:48,720 --> 00:35:46,060

to try and pass that off as as real

917

00:35:51,600 --> 00:35:48,730

evidence you know it's it's not exactly

918

00:35:54,240 --> 00:35:51,610

the best thing for for the paranormal

919

00:35:56,250 --> 00:35:54,250

community yeah and also I think well

920

00:35:58,260 --> 00:35:56,260

really the bottom line is once sort of a

921

00:35:59,850 --> 00:35:58,270

light was put on the fact that he's

922

00:36:01,290 --> 00:35:59,860

actually doing this it's made a lot of

923

00:36:02,580 --> 00:36:01,300

people really paranoid about the

924

00:36:05,340 --> 00:36:02,590

locations if they're already

925

00:36:07,380 --> 00:36:05,350

investigating like alright he's in a

926

00:36:09,060 --> 00:36:07,390

place that I've been is it you know

927

00:36:12,480 --> 00:36:09,070

could it yes my editing some of the big

928

00:36:14,190 --> 00:36:12,490

ones like those sorts of things so so

929

00:36:16,320 --> 00:36:14,200

it's it's kind of a weird

930

00:36:17,970 --> 00:36:16,330

it's a weird situation because I think

931

00:36:19,680 --> 00:36:17,980

Mike is probably one of the only people

932

00:36:21,900 --> 00:36:19,690

who's just talking about the fact that

933

00:36:23,970 --> 00:36:21,910

he's doing it and I I've heard la mean

934

00:36:26,430 --> 00:36:23,980

as soon as I published the article I was

935

00:36:28,560 --> 00:36:26,440

getting inbox by people who say oh I

936

00:36:32,940 --> 00:36:28,570

know that this location does it and I

937

00:36:34,830 --> 00:36:32,950

can prove it by doing this and so you

938

00:36:38,160 --> 00:36:34,840

know people were dropping big names

939

00:36:39,840 --> 00:36:38,170

names of really big places it's it's

940

00:36:41,160 --> 00:36:39,850

going to be something I think we're

941

00:36:42,450 --> 00:36:41,170

going to have to worry about in

942

00:36:45,450 --> 00:36:42,460

especially in the ghost hunting

943

00:36:47,970 --> 00:36:45,460

community a lot more in the coming years

944

00:36:49,380 --> 00:36:47,980

because I think I think we're getting

945

00:36:52,380 --> 00:36:49,390

ready to have another there's kind of

946

00:36:54,210 --> 00:36:52,390

these these weird ABS and flows and in

947

00:36:55,500 --> 00:36:54,220

paranormal entertainment then I think

948

00:36:57,450 --> 00:36:55,510

we're about ready to go into another one

949

00:36:58,650 --> 00:36:57,460

where there's going to be a lot of new

950

00:37:00,540 --> 00:36:58,660

ghost hunting shows and there's going to

951

00:37:04,040 --> 00:37:00,550

be a lot of new interest in the

952

00:37:06,210 --> 00:37:04,050

paranormal and a lot of unscrupulous

953

00:37:07,500 --> 00:37:06,220

businesses will probably try and profit

954

00:37:08,910 --> 00:37:07,510

off of it I mean yeah all you would

955

00:37:11,730 --> 00:37:08,920

really have to do at that point would be

956

00:37:13,770 --> 00:37:11,740

to buy a building that you could kind of

957

00:37:16,260 --> 00:37:13,780

attach a story to right have this guy

958

00:37:18,630 --> 00:37:16,270

come in and basically you know have all

959

00:37:20,910 --> 00:37:18,640

of your fake paranormal activity going

960

00:37:23,490 --> 00:37:20,920

on and you could be making a lot of

961

00:37:24,810 --> 00:37:23,500

money from it yeah exactly you might

962

00:37:27,720 --> 00:37:24,820

better hope that nobody posts his

963

00:37:29,670 --> 00:37:27,730

address on reddit or something huh his

964

00:37:31,920 --> 00:37:29,680

his phone number is listed I mean I mean

965

00:37:33,930 --> 00:37:31,930

you can he actually told me I was like

966

00:37:35,160 --> 00:37:33,940

you know do you have any any photos and

967

00:37:36,900 --> 00:37:35,170

I was like you know I'll blur your face

968

00:37:42,600 --> 00:37:36,910

he's like you'd have to do that oh I got

969

00:37:45,210 --> 00:37:42,610

hear something about that he would only

970

00:37:46,980 --> 00:37:45,220

give up the list if it police sort of

971

00:37:49,140 --> 00:37:46,990

like yeah that's the other thing yes yes

972

00:37:51,450 --> 00:37:49,150

that I will only you know they're never

973

00:37:53,430 --> 00:37:51,460

reveal who I work with

974

00:37:56,340 --> 00:37:53,440

unless the police come knocking with a

975

00:37:58,230 --> 00:37:56,350

warrant so yeah man you kind of have to

976

00:38:00,780 --> 00:37:58,240

respect the guy I'm not gonna lie but at

977

00:38:02,250 --> 00:38:00,790

the same time it's extremely

978

00:38:04,170 --> 00:38:02,260

disheartening for the paranormal

979

00:38:06,720 --> 00:38:04,180

community well he compares himself to

980

00:38:07,450 --> 00:38:06,730

Houdini but I think his motives are far

981

00:38:12,760 --> 00:38:07,460

less all through

982

00:38:14,440 --> 00:38:12,770

stick then I would say so yeah well Dana

983

00:38:17,830 --> 00:38:14,450

I wanted to bring up another article

984

00:38:22,060 --> 00:38:17,840

that I read of yours you actually

985

00:38:25,900 --> 00:38:22,070

researched a modern witch trial in the

986

00:38:27,760 --> 00:38:25,910

early 80s with Carole Compton could you

987

00:38:29,860 --> 00:38:27,770

tell us a little about this story this

988

00:38:32,170 --> 00:38:29,870

really intrigued me that even today

989

00:38:34,180 --> 00:38:32,180

there was a trial about someone who was

990

00:38:37,210 --> 00:38:34,190

supposedly practicing witchcraft

991

00:38:39,490 --> 00:38:37,220

yeah Carole Compton was a young woman I

992

00:38:41,110 --> 00:38:39,500

think she was Scottish and she met an

993

00:38:43,960 --> 00:38:41,120

Italian man and fell in love with him

994

00:38:48,670 --> 00:38:43,970

and he decided to bring her to Italy and

995

00:38:51,280 --> 00:38:48,680

she got a job as a nanny and it was a

996

00:38:53,410 --> 00:38:51,290

very religious family and some of the

997

00:38:55,720 --> 00:38:53,420

family members claimed that every time

998

00:38:57,400 --> 00:38:55,730

she would walk past a religious object

999

00:38:59,020 --> 00:38:57,410

it would sort of fall off the wall or it

1000

00:39:01,960 --> 00:38:59,030

would tumble over onto the ground and

1001
00:39:05,290 --> 00:39:01,970
this continued happening and and it

1002
00:39:07,810 --> 00:39:05,300
coupled with her going on vacation with

1003
00:39:10,240 --> 00:39:07,820
them and a small fire starting while

1004
00:39:12,310 --> 00:39:10,250
they were on vacation and so the family

1005
00:39:13,450 --> 00:39:12,320
eventually they didn't want to deal with

1006
00:39:15,580 --> 00:39:13,460
it and they fired her and she got

1007
00:39:17,950 --> 00:39:15,590
another job as a nanny and the same

1008
00:39:19,000 --> 00:39:17,960
types of things started happening with

1009
00:39:21,250 --> 00:39:19,010
the second family

1010
00:39:24,430 --> 00:39:21,260
unfortunately the fire that started with

1011
00:39:26,530 --> 00:39:24,440
the second family was a lot bigger than

1012
00:39:28,630 --> 00:39:26,540
the first one and it was actually in one

1013
00:39:30,250 --> 00:39:28,640

of the I think it was the daughter's

1014

00:39:32,980 --> 00:39:30,260

bedroom and it nearly burned the entire

1015

00:39:34,660 --> 00:39:32,990

house down and the police that showed up

1016

00:39:37,200 --> 00:39:34,670

and the fireman that showed up

1017

00:39:39,880 --> 00:39:37,210

recognized her from the first fire and

1018

00:39:42,220 --> 00:39:39,890

she was instantly arrested and they kept

1019

00:39:45,670 --> 00:39:42,230

her in jail for I think about a year and

1020

00:39:48,940 --> 00:39:45,680

a half waiting for the trial and it

1021

00:39:51,730 --> 00:39:48,950

became this massive media story about

1022

00:39:55,990 --> 00:39:51,740

this woman who the media sort of dubbed

1023

00:39:58,240 --> 00:39:56,000

as a witch and she had never accepted or

1024

00:40:00,100 --> 00:39:58,250

you know admitted to the fact that she

1025

00:40:01,660 --> 00:40:00,110

was a witch she never she wouldn't even

1026

00:40:04,300 --> 00:40:01,670

say that she was the one starting the

1027

00:40:05,560 --> 00:40:04,310

fires today what was the who was the

1028

00:40:08,320 --> 00:40:05,570

paranormal investigator that tried to

1029

00:40:10,120 --> 00:40:08,330

get in it was Maurice grosse it wasn't

1030

00:40:13,150 --> 00:40:10,130

her own it was guy Lyon Playfair

1031

00:40:15,010 --> 00:40:13,160

yeah man field he really only Wow yeah

1032

00:40:17,230 --> 00:40:15,020

he desperately tried to kind of get

1033

00:40:19,510 --> 00:40:17,240

involved because he sort of you know

1034

00:40:20,800 --> 00:40:19,520

felt bad for her that she had been

1035

00:40:22,780 --> 00:40:20,810

painted you know

1036

00:40:23,830 --> 00:40:22,790

in this really evil light that that she

1037

00:40:26,110 --> 00:40:23,840

had the ability to you thought it was

1038

00:40:28,180 --> 00:40:26,120

just some like latent psychokinetic yeah

1039

00:40:30,280 --> 00:40:28,190

kind of thing but she was really adamant

1040

00:40:31,930 --> 00:40:30,290

about not having him involved because

1041

00:40:33,460 --> 00:40:31,940

she sort of really just wanted to say a

1042

00:40:35,380 --> 00:40:33,470

hundred percent I don't want to have any

1043

00:40:37,120 --> 00:40:35,390

attachments to the paranormal because

1044

00:40:38,440 --> 00:40:37,130

they don't I don't want this to you know

1045

00:40:42,400 --> 00:40:38,450

change the way that people are looking

1046

00:40:44,440 --> 00:40:42,410

at me so yeah she the the entire trial

1047

00:40:47,500 --> 00:40:44,450

went on and it was just madness like

1048

00:40:50,290 --> 00:40:47,510

they they kept her in an iron cage in

1049

00:40:52,060 --> 00:40:50,300

the courtroom because the the everyone

1050

00:40:54,040 --> 00:40:52,070

in the courtroom was so terrified of her

1051

00:40:55,660 --> 00:40:54,050

ability or psychic and you know

1052

00:40:57,010 --> 00:40:55,670

paranormal abilities that they thought

1053

00:40:59,340 --> 00:40:57,020

you know we'll keep her in this iron

1054

00:41:02,410 --> 00:40:59,350

cage so she can't do anything crazy and

1055

00:41:05,050 --> 00:41:02,420

she I think that she was charged with

1056

00:41:06,520 --> 00:41:05,060

they found her guilty of arson even

1057

00:41:08,620 --> 00:41:06,530

though even though there was no evidence

1058

00:41:11,140 --> 00:41:08,630

yeah and the interesting thing is like

1059

00:41:14,770 --> 00:41:11,150

the forensics people even said that the

1060

00:41:17,170 --> 00:41:14,780

fires started in a unnatural way that

1061

00:41:18,640 --> 00:41:17,180

you know that it wasn't that someone had

1062

00:41:20,380 --> 00:41:18,650

like a book of matches and they were

1063

00:41:22,240 --> 00:41:20,390

like starting a fire that way they

1064

00:41:25,570 --> 00:41:22,250

couldn't really explain why these fires

1065

00:41:26,740 --> 00:41:25,580

were starting yeah so she she was they

1066

00:41:28,510 --> 00:41:26,750

relieved her because she'd pray

1067

00:41:30,370 --> 00:41:28,520

basically yes she had done it yes she

1068

00:41:33,010 --> 00:41:30,380

had served her time and she was released

1069

00:41:35,560 --> 00:41:33,020

and obviously like anyone would she

1070

00:41:38,470 --> 00:41:35,570

instantly booked it back to Scotland

1071

00:41:40,450 --> 00:41:38,480

yeah I think she moved to America she

1072

00:41:43,060 --> 00:41:40,460

did and I think she'd just put a book

1073

00:41:45,100 --> 00:41:43,070

out she did she long ago yeah she should

1074

00:41:47,230 --> 00:41:45,110

you know sort of saying it was basically

1075

00:41:50,020 --> 00:41:47,240

her perspective on the entire thing and

1076

00:41:52,450 --> 00:41:50,030

about how for a short period of time the

1077

00:41:55,180 --> 00:41:52,460

country kind of in in the early 80s

1078

00:41:57,880 --> 00:41:55,190

which is crazy became obsessed with the

1079

00:42:00,250 --> 00:41:57,890

idea that this poor woman was a witch

1080

00:42:02,770 --> 00:42:00,260

that was trying to kill children and

1081

00:42:05,020 --> 00:42:02,780

torment families and but yeah it's it's

1082

00:42:07,360 --> 00:42:05,030

crazy it's absolutely insane when you

1083

00:42:08,350 --> 00:42:07,370

think that it was like 1983 I think

1084

00:42:10,120 --> 00:42:08,360

that's nuts

1085

00:42:12,100 --> 00:42:10,130

you don't ever think of modern stuff

1086

00:42:13,150 --> 00:42:12,110

like that you always just know less but

1087

00:42:14,560 --> 00:42:13,160

I mean at the same time you know there's

1088

00:42:16,120 --> 00:42:14,570

that kind of stuff going on in Africa

1089

00:42:17,260 --> 00:42:16,130

yeah like this day you know there's

1090

00:42:20,320 --> 00:42:17,270

people being hacked apart because

1091

00:42:22,540 --> 00:42:20,330

they're they're bub you know Bob I know

1092

00:42:25,150 --> 00:42:22,550

people are being are being killed

1093

00:42:28,030 --> 00:42:25,160

because their parts are magic rituals

1094

00:42:30,010 --> 00:42:28,040

pieces alright so you know it's it's

1095

00:42:31,720 --> 00:42:30,020

happening it's just crazy to imagine it

1096

00:42:34,330 --> 00:42:31,730

happening in a place you know this is

1097

00:42:35,830 --> 00:42:34,340

supposed to be civilized

1098

00:42:40,180 --> 00:42:35,840

something tells me she's not gonna be

1099

00:42:47,730 --> 00:42:40,190

babysitting again I'm surprised she got

1100

00:42:50,530 --> 00:42:47,740

the second nanny job to be honest yeah

1101
00:42:53,020 --> 00:42:50,540
hobbies Oh which graph do you know you

1102
00:42:55,060 --> 00:42:53,030
know yeah

1103
00:42:56,800 --> 00:42:55,070
Oh one of the other articles guys that

1104
00:43:00,610 --> 00:42:56,810
really caught my attention was the black

1105
00:43:04,300 --> 00:43:00,620
head black hen excuse me planchet from

1106
00:43:06,850 --> 00:43:04,310
the Ouija board so this thing burst into

1107
00:43:09,610 --> 00:43:06,860
flames if I'm correct allegedly

1108
00:43:12,250 --> 00:43:09,620
allegedly and an exorcist was called in

1109
00:43:13,780 --> 00:43:12,260
what what what what is this this is an

1110
00:43:17,380 --> 00:43:13,790
object you have in your possession

1111
00:43:19,630 --> 00:43:17,390
correct this is one that we got about a

1112
00:43:22,150 --> 00:43:19,640
year and a half maybe two years ago we

1113
00:43:24,070 --> 00:43:22,160

had we were I forget where we were but

1114

00:43:25,780 --> 00:43:24,080

we were talking about the museum and

1115

00:43:28,450 --> 00:43:25,790

some of the items that we had and a

1116

00:43:30,490 --> 00:43:28,460

woman gets ahold of us after this

1117

00:43:32,560 --> 00:43:30,500

interview and says I have something that

1118

00:43:35,680 --> 00:43:32,570

you guys might like and it might be a

1119

00:43:38,770 --> 00:43:35,690

good addition I can go and dig it up if

1120

00:43:41,050 --> 00:43:38,780

you'd like and of course you know we we

1121

00:43:43,120 --> 00:43:41,060

had to know what this thing was and this

1122

00:43:45,100 --> 00:43:43,130

woman told us the story about how when

1123

00:43:48,670 --> 00:43:45,110

she was a lot younger this was back in

1124

00:43:51,550 --> 00:43:48,680

the 90s her and her brother went out to

1125

00:43:54,190 --> 00:43:51,560

Bachelor's Grove Cemetery which is it's

1126
00:43:56,020 --> 00:43:54,200
a legendary haunted location there's a

1127
00:43:58,500 --> 00:43:56,030
really famous photograph of the the

1128
00:44:02,280 --> 00:43:58,510
Madonna of Bachelor's Grove this this

1129
00:44:04,780 --> 00:44:02,290
ghostly woman sitting on a tombstone and

1130
00:44:07,110 --> 00:44:04,790
this was a place where there were all

1131
00:44:10,150 --> 00:44:07,120
these rumors that the mob from Chicago

1132
00:44:14,020 --> 00:44:10,160
used to dump their bodies in this pond

1133
00:44:15,940 --> 00:44:14,030
nearby and so her and her brother went

1134
00:44:19,030 --> 00:44:15,950
out there to speak to the dead mobsters

1135
00:44:20,230 --> 00:44:19,040
and as they were out there her brother

1136
00:44:22,540 --> 00:44:20,240
and a friend

1137
00:44:25,750 --> 00:44:22,550
they'd snuck out there in the cemetery

1138
00:44:27,220 --> 00:44:25,760

it was in a bad area and and they start

1139

00:44:31,000 --> 00:44:27,230

to notice strange things there's there's

1140

00:44:33,430 --> 00:44:31,010

the shadow people walking around and the

1141

00:44:36,460 --> 00:44:33,440

the planchette would only spell out

1142

00:44:39,280 --> 00:44:36,470

black hen black hen over and over and

1143

00:44:43,150 --> 00:44:39,290

over and then the board started to smoke

1144

00:44:46,750 --> 00:44:43,160

and it's caught on fire and they freaked

1145

00:44:47,590 --> 00:44:46,760

out and they ran away as you do and came

1146

00:44:49,660 --> 00:44:47,600

back the next day

1147

00:44:51,310 --> 00:44:49,670

to collect the board because they

1148

00:44:53,350 --> 00:44:51,320

couldn't believe what happened and when

1149

00:44:55,930 --> 00:44:53,360

they found the board the board is half

1150

00:44:58,990 --> 00:44:55,940

burned the planchette is melted and

1151
00:45:01,450 --> 00:44:59,000
twisted and they said holy crap we need

1152
00:45:03,490 --> 00:45:01,460
to show our parents and they took it

1153
00:45:05,440 --> 00:45:03,500
home and they showed their parents their

1154
00:45:07,120 --> 00:45:05,450
parents got furious because not only had

1155
00:45:10,360 --> 00:45:07,130
they snuck out but they went to a really

1156
00:45:11,800 --> 00:45:10,370
bad part of town and they were sick of

1157
00:45:14,560 --> 00:45:11,810
these kids playing with the Ouija board

1158
00:45:16,540 --> 00:45:14,570
so they did all the time and so they

1159
00:45:19,030 --> 00:45:16,550
threw in the trash grounded the kids and

1160
00:45:20,650 --> 00:45:19,040
that was that except the next morning

1161
00:45:22,030 --> 00:45:20,660
they woke up and the board in the

1162
00:45:24,700 --> 00:45:22,040
planchette are in the middle of the

1163
00:45:26,820 --> 00:45:24,710

living room ashes everywhere they blamed

1164

00:45:29,380 --> 00:45:26,830

it on the dog threw it in the trash and

1165

00:45:31,090 --> 00:45:29,390

took the trash out to the garage of

1166

00:45:31,750 --> 00:45:31,100

course the next day it's back in the

1167

00:45:34,120 --> 00:45:31,760

living room

1168

00:45:36,820 --> 00:45:34,130

after this happened they started to

1169

00:45:38,380 --> 00:45:36,830

experience you know strange knocks on

1170

00:45:40,930 --> 00:45:38,390

the wall the brothers started to get

1171

00:45:42,670 --> 00:45:40,940

strange nosebleeds all of their fire

1172

00:45:45,400 --> 00:45:42,680

alarms would start to go off in sequence

1173

00:45:48,820 --> 00:45:45,410

a lot of really really strange things

1174

00:45:51,760 --> 00:45:48,830

and it got so bad that I think was less

1175

00:45:54,880 --> 00:45:51,770

than a month they decided to seek some

1176
00:45:56,500 --> 00:45:54,890
religious intervention and they weren't

1177
00:45:59,620 --> 00:45:56,510
really church-going people they didn't

1178
00:46:02,050 --> 00:45:59,630
know who to who to get in to do

1179
00:46:04,360 --> 00:46:02,060
something like this so their mother

1180
00:46:07,810 --> 00:46:04,370
called their grandmother and she

1181
00:46:12,100 --> 00:46:07,820
suggested her her priest or her bishop

1182
00:46:16,180 --> 00:46:12,110
at it was a Roman Orthodox chair Greek

1183
00:46:19,210 --> 00:46:16,190
Orthodox Church and he came by and did

1184
00:46:23,200 --> 00:46:19,220
an exorcism on this place that ended

1185
00:46:25,540 --> 00:46:23,210
with him taking this planchette wrapping

1186
00:46:29,010 --> 00:46:25,550
it up blessing it and burying it in

1187
00:46:32,200 --> 00:46:29,020
their backyard and it sat there for

1188
00:46:36,910 --> 00:46:32,210

20-25 years and then she dug it up and

1189

00:46:39,220 --> 00:46:36,920

sent it to us and so far nothing too

1190

00:46:41,890 --> 00:46:39,230

crazy it's it's you know the only time

1191

00:46:43,350 --> 00:46:41,900

we've ever really heard anything was we

1192

00:46:45,730 --> 00:46:43,360

have a little glass case and

1193

00:46:47,920 --> 00:46:45,740

occasionally it sounds like maybe it's

1194

00:46:50,620 --> 00:46:47,930

moving around in the case but it's never

1195

00:46:52,630 --> 00:46:50,630

been anything more than that I would

1196

00:46:54,730 --> 00:46:52,640

love to be in you guys's home and just

1197

00:46:56,290 --> 00:46:54,740

you know I have nothing on no TV no

1198

00:46:59,110 --> 00:46:56,300

radio just sit on the couch and just

1199

00:47:00,730 --> 00:46:59,120

listen for things well we'd see how long

1200

00:47:01,360 --> 00:47:00,740

it would take before everybody's huddled

1201
00:47:05,440 --> 00:47:01,370
in one room

1202
00:47:07,870 --> 00:47:05,450
yeah I mean do you guys feel like you

1203
00:47:10,450 --> 00:47:07,880
know I mean if you're home do you ever

1204
00:47:12,910 --> 00:47:10,460
feel strange where you're like I really

1205
00:47:14,530 --> 00:47:12,920
would like to have the TV on or I have

1206
00:47:17,200 --> 00:47:14,540
some music on or something do you ever

1207
00:47:19,900 --> 00:47:17,210
feel like that or is that I mean you're

1208
00:47:22,240 --> 00:47:19,910
so used to it by now yes yes that's I

1209
00:47:24,760 --> 00:47:22,250
mean we sleep with the television every

1210
00:47:26,440 --> 00:47:24,770
night do you really oh yeah oh yeah we

1211
00:47:31,120 --> 00:47:26,450
have to we would never get any sleep oh

1212
00:47:32,740 --> 00:47:31,130
my gosh it's always something I mean it

1213
00:47:34,750 --> 00:47:32,750

and it again you know like I said

1214

00:47:37,360 --> 00:47:34,760

earlier it's it's mostly benign it's

1215

00:47:39,850 --> 00:47:37,370

it's never anything really is bothersome

1216

00:47:42,460 --> 00:47:39,860

and I think that because we've we've set

1217

00:47:44,260 --> 00:47:42,470

these this precedent where we said we're

1218

00:47:46,330 --> 00:47:44,270

gonna share our space we want to

1219

00:47:48,640 --> 00:47:46,340

understand you we want to help you

1220

00:47:50,590 --> 00:47:48,650

because of that I think a lot of these

1221

00:47:53,470 --> 00:47:50,600

things take it easy on us

1222

00:47:56,530 --> 00:47:53,480

yeah and you know there are other things

1223

00:47:58,780 --> 00:47:56,540

again like the Kron where it has to be

1224

00:48:00,820 --> 00:47:58,790

it has to be locked up and it's not

1225

00:48:03,760 --> 00:48:00,830

something that will play nice with other

1226

00:48:05,890 --> 00:48:03,770

things and we are going to have to take

1227

00:48:10,120 --> 00:48:05,900

it back we're gonna have to try and take

1228

00:48:13,210 --> 00:48:10,130

it home you're scheduled for that or the

1229

00:48:16,240 --> 00:48:13,220

problem is so the guys who found it I

1230

00:48:17,830 --> 00:48:16,250

only spoke to them on reddit and they

1231

00:48:20,200 --> 00:48:17,840

had made a throwaway account it was the

1232

00:48:22,420 --> 00:48:20,210

one guy he'd made a throwaway okay and

1233

00:48:24,340 --> 00:48:22,430

I've tried to contact him at least a

1234

00:48:26,380 --> 00:48:24,350

dozen times since then and I get

1235

00:48:27,850 --> 00:48:26,390

absolutely no response so my hope is

1236

00:48:29,380 --> 00:48:27,860

that eventually he'll log into that

1237

00:48:32,260 --> 00:48:29,390

someday and I'm sure he's gonna be just

1238

00:48:34,930 --> 00:48:32,270

overwhelmed with the responses and and

1239

00:48:37,900 --> 00:48:34,940

will get back to me because while I know

1240

00:48:39,820 --> 00:48:37,910

the general area it was found without

1241

00:48:42,070 --> 00:48:39,830

their help it's gonna take a lot of

1242

00:48:44,170 --> 00:48:42,080

footwork to figure out that we never

1243

00:48:49,690 --> 00:48:44,180

want to like accidentally bring it to

1244

00:48:52,420 --> 00:48:49,700

the wrong place and sort of if we if we

1245

00:48:54,270 --> 00:48:52,430

like you know the idea is we can leave

1246

00:48:56,170 --> 00:48:54,280

it where it is but that problem is I

1247

00:48:57,970 --> 00:48:56,180

can't I don't want to put too many

1248

00:48:59,470 --> 00:48:57,980

details about where we think this

1249

00:49:00,880 --> 00:48:59,480

thing's from online because I know it'll

1250

00:49:02,020 --> 00:49:00,890

happen if we take it back someone else

1251

00:49:02,860 --> 00:49:02,030

will just go looking for it right yes

1252

00:49:04,840 --> 00:49:02,870

yeah of course

1253

00:49:06,880 --> 00:49:04,850

and and then who knows maybe that maybe

1254

00:49:08,950 --> 00:49:06,890

it'll still continue to happen to us

1255

00:49:11,320 --> 00:49:08,960

because we didn't do anything correctly

1256

00:49:14,740 --> 00:49:11,330

we didn't yeah exact or the people who

1257

00:49:16,050 --> 00:49:14,750

took it will go back and and they'll be

1258

00:49:19,240 --> 00:49:16,060

the ones left

1259

00:49:20,740 --> 00:49:19,250

right does it perpetuate everything

1260

00:49:23,050 --> 00:49:20,750

because this in the Catskills just

1261

00:49:25,630 --> 00:49:23,060

covered with caves and and holes and

1262

00:49:28,330 --> 00:49:25,640

little yeah I would be that would be a

1263

00:49:30,880 --> 00:49:28,340

tall order to find the right place yeah

1264

00:49:32,170 --> 00:49:30,890

I mean the the place where it was found

1265

00:49:34,360 --> 00:49:32,180

you know Dana and I have different

1266

00:49:36,100 --> 00:49:34,370

opinions on what this thing was created

1267

00:49:37,660 --> 00:49:36,110

for I mean it's clear looking at it it

1268

00:49:40,510 --> 00:49:37,670

probably wasn't very nice whatever it

1269

00:49:43,300 --> 00:49:40,520

was yeah what the the location was found

1270

00:49:46,060 --> 00:49:43,310

I mean it's it has some ties to to

1271

00:49:49,210 --> 00:49:46,070

old-school witchcraft you know a lot of

1272

00:49:51,340 --> 00:49:49,220

the buildings in that area are you know

1273

00:49:53,740 --> 00:49:51,350

colonial buildings that still have

1274

00:49:56,140 --> 00:49:53,750

spikes in the chimneys to keep the

1275

00:49:58,030 --> 00:49:56,150

witches from crawling down at night okay

1276

00:50:00,580 --> 00:49:58,040

I didn't know that that was like sort of

1277

00:50:03,640 --> 00:50:00,590

the you know the symbology of the spikes

1278

00:50:06,130 --> 00:50:03,650

that's interesting I think my my

1279

00:50:09,190 --> 00:50:06,140

impression is I really do think that

1280

00:50:10,810 --> 00:50:09,200

whoever created this thing I think it's

1281

00:50:14,380 --> 00:50:10,820

been used multiple times for multiple

1282

00:50:16,240 --> 00:50:14,390

purposes probably by multiple people who

1283

00:50:17,980 --> 00:50:16,250

use the cave as a ritual space and I

1284

00:50:21,370 --> 00:50:17,990

think that they were probably calling

1285

00:50:24,010 --> 00:50:21,380

upon the spirit of a witch or who they

1286

00:50:27,490 --> 00:50:24,020

believed was a witch to do their bidding

1287

00:50:30,100 --> 00:50:27,500

some way or some form I think that it

1288

00:50:32,080 --> 00:50:30,110

was possibly made sort of the same way

1289

00:50:35,610 --> 00:50:32,090

that we would kind of put gargoyles on

1290

00:50:38,680 --> 00:50:35,620

the outside of buildings sort of like I

1291

00:50:40,660 --> 00:50:38,690

think the cave was probably definitely

1292

00:50:43,900 --> 00:50:40,670

being used by some kind of magical

1293

00:50:45,670 --> 00:50:43,910

practitioner and maybe the the statue

1294

00:50:49,860 --> 00:50:45,680

itself was sort of sort of put there to

1295

00:50:52,450 --> 00:50:49,870

ward off other people or evil spirits or

1296

00:50:54,490 --> 00:50:52,460

anything really and sort of and these

1297

00:50:55,990 --> 00:50:54,500

guys wandered in and took this thing

1298

00:50:58,150 --> 00:50:56,000

which is kind of like the equivalent of

1299

00:50:59,890 --> 00:50:58,160

sort of desecrating Acheron Shores

1300

00:51:01,930 --> 00:50:59,900

something like that just trying to

1301
00:51:04,420 --> 00:51:01,940
imagine what was going on that cave is

1302
00:51:06,760 --> 00:51:04,430
is witchcraft that might create the

1303
00:51:08,650 --> 00:51:06,770
Crone for whatever reason is that

1304
00:51:10,540 --> 00:51:08,660
usually tied to some kind of a blood

1305
00:51:13,210 --> 00:51:10,550
sacrifice like killing a chicken or

1306
00:51:15,280 --> 00:51:13,220
whatever in that cave at the same time I

1307
00:51:16,600 --> 00:51:15,290
mean it absolutely could be I mean

1308
00:51:19,630 --> 00:51:16,610
that's part of the problem is we don't

1309
00:51:21,610 --> 00:51:19,640
know exactly what the purpose was or who

1310
00:51:23,320 --> 00:51:21,620
put it there you know we don't know what

1311
00:51:24,670 --> 00:51:23,330
exactly they were practicing a lot of

1312
00:51:26,620 --> 00:51:24,680
people look at it and they think well

1313
00:51:28,060 --> 00:51:26,630

that's probably some kind of Voodoo but

1314

00:51:29,230 --> 00:51:28,070

I really don't think that's the case

1315

00:51:31,240 --> 00:51:29,240

because you

1316

00:51:33,010 --> 00:51:31,250

I don't think that the Catskill

1317

00:51:36,250 --> 00:51:33,020

Mountains have a deep-blue do history

1318

00:51:39,730 --> 00:51:36,260

right I think it's probably more some

1319

00:51:42,520 --> 00:51:39,740

kind of Appalachian folk magic going on

1320

00:51:44,230 --> 00:51:42,530

and you know that that does occasionally

1321

00:51:46,450 --> 00:51:44,240

call for you know some kind of a blood

1322

00:51:48,310 --> 00:51:46,460

sacrifice you know we we sprayed it with

1323

00:51:51,010 --> 00:51:48,320

luminol and it hasn't lit lit up so

1324

00:51:54,900 --> 00:51:51,020

there's probably no blood off there's

1325

00:51:58,030 --> 00:51:54,910

that not that this may even be

1326
00:52:00,460 --> 00:51:58,040
applicable for any reason but have you

1327
00:52:02,620 --> 00:52:00,470
guys maybe thought about dating it or

1328
00:52:04,150 --> 00:52:02,630
seeing what the age of it is I don't

1329
00:52:06,250 --> 00:52:04,160
like I said I don't that even narrowly

1330
00:52:08,650 --> 00:52:06,260
matters but that's something that we've

1331
00:52:11,830 --> 00:52:08,660
tried to do and what's interesting is

1332
00:52:14,800 --> 00:52:11,840
the carving itself is clearly the oldest

1333
00:52:17,590 --> 00:52:14,810
piece of it it's pretty weathered it's

1334
00:52:19,990 --> 00:52:17,600
been out there for a while but the nails

1335
00:52:22,390 --> 00:52:20,000
are a little bit newer so they're not

1336
00:52:25,510 --> 00:52:22,400
quite as old as the wood and the noose

1337
00:52:27,010 --> 00:52:25,520
is even newer than the nails which kind

1338
00:52:29,650 --> 00:52:27,020

of is why it leads me to believe that

1339

00:52:32,530 --> 00:52:29,660

this piece for whatever reason has been

1340

00:52:34,210 --> 00:52:32,540

used numerous times probably for

1341

00:52:36,310 --> 00:52:34,220

different purpose different people yeah

1342

00:52:40,020 --> 00:52:36,320

sort of your generation yeah exactly

1343

00:52:42,820 --> 00:52:40,030

it's like being built upon each

1344

00:52:44,920 --> 00:52:42,830

interesting Wow Greg well you didn't

1345

00:52:48,910 --> 00:52:44,930

have a TV fall on your head

1346

00:52:51,790 --> 00:52:48,920

thank God um you did have a pretty

1347

00:52:54,130 --> 00:52:51,800

interesting experience at the Ohio State

1348

00:52:57,190 --> 00:52:54,140

Reformatory and I thought this would be

1349

00:52:59,500 --> 00:52:57,200

a good way to end the conversation you

1350

00:53:01,420 --> 00:52:59,510

gotta tell us about this man it's rare

1351
00:53:04,510 --> 00:53:01,430
to find evidence of paranormal activity

1352
00:53:06,730 --> 00:53:04,520
in real time but you had a very visceral

1353
00:53:08,800 --> 00:53:06,740
experience so could you tell us a little

1354
00:53:12,070 --> 00:53:08,810
about what that experience was and how

1355
00:53:14,260 --> 00:53:12,080
it changed your beliefs we were at a

1356
00:53:15,940 --> 00:53:14,270
high OH State Reformatory about what was

1357
00:53:19,480 --> 00:53:15,950
it a year ago a little over year little

1358
00:53:21,730 --> 00:53:19,490
over a year ago and you know to set this

1359
00:53:24,880 --> 00:53:21,740
up I need to say I've been I've been

1360
00:53:26,380 --> 00:53:24,890
ghost hunting for nearly 20 years and in

1361
00:53:28,990 --> 00:53:26,390
that time I've seen some very strange

1362
00:53:32,859 --> 00:53:29,000
things I've heard some strange things

1363
00:53:37,180 --> 00:53:32,869

but I've never been what I would say is

1364

00:53:38,410 --> 00:53:37,190

is harmed okay I've never had these you

1365

00:53:39,609 --> 00:53:38,420

know one of the big things that happens

1366

00:53:40,580 --> 00:53:39,619

to people is you know somebody gets

1367

00:53:42,860 --> 00:53:40,590

scratched

1368

00:53:45,200 --> 00:53:42,870

in an in a building and it's you know oh

1369

00:53:47,960 --> 00:53:45,210

my god I've got scratched it's a demon

1370

00:53:50,030 --> 00:53:47,970

etc etc nothing like that has ever

1371

00:53:52,880 --> 00:53:50,040

happened to me until a high OH State

1372

00:53:54,800 --> 00:53:52,890

Reformatory Ohio State Reformatory I

1373

00:53:57,410 --> 00:53:54,810

mean a lot of people will recognize it

1374

00:54:00,110 --> 00:53:57,420

from Shawshank Redemption it's it's a

1375

00:54:01,670 --> 00:54:00,120

place that I can say I really do truly

1376
00:54:02,750 --> 00:54:01,680
believe is haunted I think there's stuff

1377
00:54:04,790 --> 00:54:02,760
going on there

1378
00:54:09,050 --> 00:54:04,800
I think it's really active but this

1379
00:54:11,810 --> 00:54:09,060
night we had this special guest that was

1380
00:54:14,810 --> 00:54:11,820
there and his name was Michael and he

1381
00:54:17,450 --> 00:54:14,820
was a former inmate when the place was

1382
00:54:18,740 --> 00:54:17,460
still running and he said I want to take

1383
00:54:20,270 --> 00:54:18,750
you guys to a place that most people

1384
00:54:21,830 --> 00:54:20,280
don't go I'm gonna take you to the chair

1385
00:54:24,350 --> 00:54:21,840
room and he said there's something in

1386
00:54:25,370 --> 00:54:24,360
the chair room it's an entity and we you

1387
00:54:26,840 --> 00:54:25,380
know we know each other

1388
00:54:28,880 --> 00:54:26,850

and so we're like okay yeah absolutely

1389

00:54:30,770 --> 00:54:28,890

we're not gonna pass this up so we

1390

00:54:33,440 --> 00:54:30,780

follow this guy upstairs to this

1391

00:54:36,740 --> 00:54:33,450

windowless room that they think might

1392

00:54:39,680 --> 00:54:36,750

have been used for like almost was a

1393

00:54:42,860 --> 00:54:39,690

Masonic Masonic rituals at one point

1394

00:54:45,650 --> 00:54:42,870

it's shaped shaped like an octagon yeah

1395

00:54:47,810 --> 00:54:45,660

no windows in it it's it's a very and

1396

00:54:50,870 --> 00:54:47,820

it's also the very center point of the

1397

00:54:52,400 --> 00:54:50,880

entire building building okay right in

1398

00:54:54,800 --> 00:54:52,410

the middle of the room was this big old

1399

00:54:57,230 --> 00:54:54,810

wooden chair and as we walk into the

1400

00:54:59,090 --> 00:54:57,240

room it was me and there was almost half

1401
00:55:00,980 --> 00:54:59,100
a dozen people in the room with us he

1402
00:55:02,480 --> 00:55:00,990
walks up to this chair and he kicks it

1403
00:55:04,460 --> 00:55:02,490
with his foot and he slides it across

1404
00:55:08,120 --> 00:55:04,470
the room and he started to yell at this

1405
00:55:10,430 --> 00:55:08,130
entity and I'm I'm definitely not a guy

1406
00:55:11,990 --> 00:55:10,440
who likes to go into places to provoke

1407
00:55:14,510 --> 00:55:12,000
these things like I said I don't like to

1408
00:55:17,810 --> 00:55:14,520
make enemies particularly paranormal

1409
00:55:20,150 --> 00:55:17,820
ones and he walks in he starts yelling

1410
00:55:23,300 --> 00:55:20,160
at this stuff and I'm just watching it

1411
00:55:26,300 --> 00:55:23,310
happen and then all of a sudden I feel

1412
00:55:28,100 --> 00:55:26,310
somebody push me and this is going on at

1413
00:55:30,680 --> 00:55:28,110

a ghost hunting event there were 200

1414

00:55:31,910 --> 00:55:30,690

people if not more and I thought oh it's

1415

00:55:34,040 --> 00:55:31,920

just another ghost hunter trying to

1416

00:55:37,250 --> 00:55:34,050

trying to get by me I turned around

1417

00:55:39,290 --> 00:55:37,260

there's just a wall behind me I have no

1418

00:55:41,510 --> 00:55:39,300

idea what just happened but somebody

1419

00:55:43,010 --> 00:55:41,520

definitely pushed me they pushed me as

1420

00:55:45,590 --> 00:55:43,020

if they were trying to get by in a hurry

1421

00:55:48,200 --> 00:55:45,600

and so I told everybody I noted what

1422

00:55:50,150 --> 00:55:48,210

happened and about five minutes later I

1423

00:55:52,590 --> 00:55:50,160

start to feel this intense burning

1424

00:55:55,140 --> 00:55:52,600

sensation on my back right

1425

00:55:58,500 --> 00:55:55,150

where I was pushed again I just as

1426
00:56:00,360 --> 00:55:58,510
calmly as I can I say my back feels like

1427
00:56:02,820 --> 00:56:00,370
it's on fire I don't know what's

1428
00:56:04,290 --> 00:56:02,830
happening here and Mike turns and he

1429
00:56:06,390 --> 00:56:04,300
looks at me and he says you got tagged I

1430
00:56:08,190 --> 00:56:06,400
said what do you mean he said it happens

1431
00:56:11,130 --> 00:56:08,200
all the time he's like you got scratched

1432
00:56:12,330 --> 00:56:11,140
he's like lift up your shirt and I'm at

1433
00:56:15,480 --> 00:56:12,340
the time I was wearing a leather jacket

1434
00:56:17,370 --> 00:56:15,490
I tried to figure out did I rub against

1435
00:56:19,710 --> 00:56:17,380
something yeah you have to remember to

1436
00:56:22,470 --> 00:56:19,720
also I was filming the entire yeah this

1437
00:56:25,080 --> 00:56:22,480
this whole thing's on film okay getting

1438
00:56:26,310 --> 00:56:25,090

to I think from the moment we enter the

1439

00:56:28,200 --> 00:56:26,320

room to the moment we leave the room

1440

00:56:30,960 --> 00:56:28,210

there's a full cut of the whole thing

1441

00:56:33,420 --> 00:56:30,970

and the moment that Greg gets sort of

1442

00:56:35,100 --> 00:56:33,430

pushed is actually on film yeah it's

1443

00:56:37,980 --> 00:56:35,110

full view like you can tell there's no

1444

00:56:39,900 --> 00:56:37,990

shenanigans and again there's there's a

1445

00:56:42,720 --> 00:56:39,910

half a dozen people in here watching all

1446

00:56:45,030 --> 00:56:42,730

this happen and I pull up my my jacket

1447

00:56:47,220 --> 00:56:45,040

my shirt and there are these three long

1448

00:56:49,710 --> 00:56:47,230

red marks that go all the way down my

1449

00:56:52,680 --> 00:56:49,720

back and everybody starts freaking out

1450

00:56:55,230 --> 00:56:52,690

and I'm I'm I'm trying to figure out

1451
00:56:57,750 --> 00:56:55,240
what in the world happened did I scratch

1452
00:57:00,150 --> 00:56:57,760
myself on something the weirdest part

1453
00:57:03,030 --> 00:57:00,160
about these scratches though which I've

1454
00:57:05,490 --> 00:57:03,040
come to find is is pretty common in a

1455
00:57:08,640 --> 00:57:05,500
lot of people who Isis I truly do think

1456
00:57:12,840 --> 00:57:08,650
are genuine they weren't actually

1457
00:57:14,520 --> 00:57:12,850
scratches these were raised marks almost

1458
00:57:16,440 --> 00:57:14,530
as if someone had come up and slapped

1459
00:57:17,100 --> 00:57:16,450
you across the back really hard like a

1460
00:57:19,710 --> 00:57:17,110
welt

1461
00:57:21,480 --> 00:57:19,720
yeah well felt almost like a burn so the

1462
00:57:25,170 --> 00:57:21,490
skin wasn't broken there was no blood

1463
00:57:26,970 --> 00:57:25,180

and within an hour hour and a half of

1464

00:57:29,670 --> 00:57:26,980

after I'd left the building they were

1465

00:57:32,280 --> 00:57:29,680

gone completely gone no trace it's I

1466

00:57:33,540 --> 00:57:32,290

mean I roll this over in my head over

1467

00:57:35,190 --> 00:57:33,550

and over and over to try to figure out

1468

00:57:38,010 --> 00:57:35,200

what this could have been how this could

1469

00:57:40,920 --> 00:57:38,020

have happened and and we've been back

1470

00:57:42,390 --> 00:57:40,930

since then and and nothing nothing no I

1471

00:57:43,680 --> 00:57:42,400

don't even get it I don't even get in

1472

00:57:45,000 --> 00:57:43,690

the weird thing was like I wasn't even

1473

00:57:46,980 --> 00:57:45,010

getting a weird feeling when I was in

1474

00:57:49,830 --> 00:57:46,990

there before when when oh it was going

1475

00:57:53,220 --> 00:57:49,840

down I was mostly wiggling out because I

1476
00:57:54,810 --> 00:57:53,230
how upset this guy was getting and how

1477
00:57:57,000 --> 00:57:54,820
aggressive he was getting while he was

1478
00:57:59,190 --> 00:57:57,010
riling this thing up I didn't feel

1479
00:58:01,540 --> 00:57:59,200
anything supernatural happening I you

1480
00:58:04,390 --> 00:58:01,550
know I'm psychic as a rock but

1481
00:58:06,280 --> 00:58:04,400
I you know everybody knows when you're

1482
00:58:07,480 --> 00:58:06,290
in a weird situation - the hair stands

1483
00:58:08,950 --> 00:58:07,490
up on your neck and you feel a little

1484
00:58:11,470 --> 00:58:08,960
strange I didn't feel any of that it

1485
00:58:13,960 --> 00:58:11,480
just can of nowhere and I've not felt it

1486
00:58:16,290 --> 00:58:13,970
I've not felt it there since so I don't

1487
00:58:18,310 --> 00:58:16,300
know exactly what happened but it was

1488
00:58:20,200 --> 00:58:18,320

was the one of the strangest things

1489

00:58:22,240 --> 00:58:20,210

that's ever happened to me Wow didn't

1490

00:58:23,860 --> 00:58:22,250

have you had an experience anywhere

1491

00:58:27,280 --> 00:58:23,870

close to that and where something

1492

00:58:30,820 --> 00:58:27,290

physically attacked you I don't I mean I

1493

00:58:33,340 --> 00:58:30,830

felt like tugs on my clothing and maybe

1494

00:58:35,200 --> 00:58:33,350

my hair and I mean a few of those times

1495

00:58:36,820 --> 00:58:35,210

they've been in a kind of really

1496

00:58:39,250 --> 00:58:36,830

terrifying situations where I've been by

1497

00:58:43,210 --> 00:58:39,260

myself but I've never I've never been

1498

00:58:44,740 --> 00:58:43,220

scratched or pushed or what I felt you

1499

00:58:46,480 --> 00:58:44,750

know would be like harmed I've never

1500

00:58:48,760 --> 00:58:46,490

experienced anything like that so even

1501
00:58:51,010 --> 00:58:48,770
for me like watching this thing kind of

1502
00:58:52,930 --> 00:58:51,020
unfold I think I'm the most hysterical

1503
00:58:54,850 --> 00:58:52,940
person in the video because I was like

1504
00:58:56,290 --> 00:58:54,860
I'm like trying to film everything and

1505
00:58:58,360 --> 00:58:56,300
then I'm worried about him like I'm like

1506
00:59:00,910 --> 00:58:58,370
oh he just done like literally this huge

1507
00:59:03,700 --> 00:59:00,920
scratch down his back so yeah I know it

1508
00:59:05,650 --> 00:59:03,710
was it was very over it was an

1509
00:59:08,560 --> 00:59:05,660
incredibly overwhelming experience

1510
00:59:10,690 --> 00:59:08,570
because it came out of nowhere and none

1511
00:59:12,100 --> 00:59:10,700
of us could explain what happened but no

1512
00:59:13,990 --> 00:59:12,110
luckily I mean I've never had anything

1513
00:59:17,830 --> 00:59:14,000

like that it happened to me personally

1514

00:59:20,470 --> 00:59:17,840

and I hate to keep circling back to your

1515

00:59:23,020 --> 00:59:20,480

home but it's fascinating what you guys

1516

00:59:25,090 --> 00:59:23,030

go through at your house and the whole

1517

00:59:26,530 --> 00:59:25,100

TV on at night thing that's that's

1518

00:59:29,770 --> 00:59:26,540

fascinating I hadn't heard that before

1519

00:59:31,450 --> 00:59:29,780

so do you guys get your dana d get your

1520

00:59:32,920 --> 00:59:31,460

hair touched at home do you get little

1521

00:59:35,350 --> 00:59:32,930

taps or is there anything like that

1522

00:59:37,630 --> 00:59:35,360

going on at your house yeah I mean we do

1523

00:59:39,550 --> 00:59:37,640

experience I we just recently I think it

1524

00:59:42,520 --> 00:59:39,560

was like two nights ago both of us

1525

00:59:44,470 --> 00:59:42,530

thought we saw something and it was at

1526

00:59:46,630 --> 00:59:44,480

different times and we we kind of like

1527

00:59:48,220 --> 00:59:46,640

you know came together and said what did

1528

00:59:51,610 --> 00:59:48,230

it look like and we sort of were able to

1529

00:59:53,890 --> 00:59:51,620

say something very similar oh my god we

1530

00:59:57,030 --> 00:59:53,900

had we recently had some friends of ours

1531

01:00:00,310 --> 00:59:57,040

give us some nails from the Washoe club

1532

01:00:02,080 --> 01:00:00,320

and so we were like okay well this is

1533

01:00:03,460 --> 01:00:02,090

the newest thing that we've introduced

1534

01:00:04,930 --> 01:00:03,470

so let's in these four nails they had

1535

01:00:08,380 --> 01:00:04,940

been thrown I've been here I've been

1536

01:00:10,510 --> 01:00:08,390

thrown by an invisible force so we

1537

01:00:13,630 --> 01:00:10,520

thought maybe we as we as we try to

1538

01:00:14,980 --> 01:00:13,640

deduce what was going on yeah we we

1539

01:00:16,510 --> 01:00:14,990

think it was the nails but

1540

01:00:19,240 --> 01:00:16,520

we did lock them up and they're in the

1541

01:00:20,980 --> 01:00:19,250

they're locked away and we have not

1542

01:00:23,590 --> 01:00:20,990

experienced anything like that since

1543

01:00:28,330 --> 01:00:23,600

then so so you thought it was the flaw

1544

01:00:30,970 --> 01:00:28,340

it was the nails that were flying out in

1545

01:00:32,740 --> 01:00:30,980

on display before for all before we

1546

01:00:35,410 --> 01:00:32,750

started to both see the same thing and

1547

01:00:36,220 --> 01:00:35,420

so after that we put them back but I

1548

01:00:37,810 --> 01:00:36,230

mean there's always there's always

1549

01:00:40,150 --> 01:00:37,820

something we just got a we just got a

1550

01:00:43,390 --> 01:00:40,160

drum that was used to conjure Iowa

1551
01:00:45,220 --> 01:00:43,400
in voodoo ceremonies and this was given

1552
01:00:47,290 --> 01:00:45,230
to our book to us by a friend John Teddy

1553
01:00:51,850 --> 01:00:47,300
he literally handed it to me and said

1554
01:00:53,740 --> 01:00:51,860
don't ever play this like I like just

1555
01:00:55,750 --> 01:00:53,750
stood there holding it in my hand like I

1556
01:00:57,850 --> 01:00:55,760
I don't even want to be holding right

1557
01:01:01,180 --> 01:00:57,860
you're like John don't worry I will not

1558
01:01:03,040 --> 01:01:01,190
play this ever there's a box for this

1559
01:01:05,620 --> 01:01:03,050
thing yes where we keep it locked up and

1560
01:01:08,170 --> 01:01:05,630
yet we will be sitting in the living

1561
01:01:10,630 --> 01:01:08,180
room and we will hear it play right

1562
01:01:14,260 --> 01:01:10,640
between us yeah it was like two weeks

1563
01:01:16,150 --> 01:01:14,270

ago I literally heard a drum play about

1564

01:01:18,700 --> 01:01:16,160

a foot in front of my face and there was

1565

01:01:20,650 --> 01:01:18,710

nothing I mean it was it was there was

1566

01:01:22,359 --> 01:01:20,660

no way to mistake what it was and it was

1567

01:01:24,010 --> 01:01:22,369

just it was like dude it dude

1568

01:01:26,380 --> 01:01:24,020

yeah and it always does the same thing

1569

01:01:29,640 --> 01:01:26,390

like doo doo doo doo and I tried some

1570

01:01:33,820 --> 01:01:29,650

experiments with it weeks ago we played

1571

01:01:35,680 --> 01:01:33,830

like drum Suresh Babu do like drum beats

1572

01:01:37,420 --> 01:01:35,690

and the and it was actually heating up

1573

01:01:41,050 --> 01:01:37,430

like that it was the temperature was

1574

01:01:42,190 --> 01:01:41,060

rising my drum itself yeah so there's

1575

01:01:44,740 --> 01:01:42,200

something there's something with that

1576

01:01:47,890 --> 01:01:44,750

dry I mean the story behind it was it

1577

01:01:50,920 --> 01:01:47,900

actually belonged to a family that was

1578

01:01:53,380 --> 01:01:50,930

deeply into voodoo and they would use it

1579

01:01:54,910 --> 01:01:53,390

to conjure up the Lowa but they started

1580

01:01:58,270 --> 01:01:54,920

to get an entity that they called

1581

01:02:00,370 --> 01:01:58,280

criminal the arm twister and he would

1582

01:02:03,190 --> 01:02:00,380

come in uninvited quite often so the

1583

01:02:05,560 --> 01:02:03,200

first drum they they actually sank to

1584

01:02:08,260 --> 01:02:05,570

the bottom of the Detroit River and this

1585

01:02:10,720 --> 01:02:08,270

was the second drum they'd used and it

1586

01:02:13,570 --> 01:02:10,730

started to happen the same exact way and

1587

01:02:16,030 --> 01:02:13,580

they just abandoned it at the of one of

1588

01:02:17,859 --> 01:02:16,040

Detroit's biggest like magic ritual

1589

01:02:20,530 --> 01:02:17,869

shops where you get ritual ingredients

1590

01:02:24,070 --> 01:02:20,540

and that's actually she was a friend of

1591

01:02:25,810 --> 01:02:24,080

our friend Tenny and he'd been in the

1592

01:02:26,859 --> 01:02:25,820

the magic shop recently and they said

1593

01:02:29,019 --> 01:02:26,869

you know your friend left this thing

1594

01:02:31,630 --> 01:02:29,029

here and she has not come

1595

01:02:35,140 --> 01:02:31,640

to get it in years you want to take it

1596

01:02:36,880 --> 01:02:35,150

and it he was actually even telling us

1597

01:02:40,269 --> 01:02:36,890

that the spot where he was storing the

1598

01:02:45,519 --> 01:02:40,279

drum the drum was was started to act up

1599

01:02:47,229 --> 01:02:45,529

come on reason he gave it to it reacts

1600

01:02:50,890 --> 01:02:47,239

to when you play like something from

1601
01:02:53,439 --> 01:02:50,900
YouTube of foo do traditional voodoo

1602
01:02:54,729 --> 01:02:53,449
drum beats and we started to play it and

1603
01:02:57,609 --> 01:02:54,739
I mean you can watch it we were watching

1604
01:02:59,859 --> 01:02:57,619
on a FLIR heat up while this while this

1605
01:03:02,309 --> 01:02:59,869
drumming and even touch like you go yes

1606
01:03:05,849 --> 01:03:02,319
you can feel them you can feel it oh

1607
01:03:08,979 --> 01:03:05,859
yeah wow it was like a physical reaction

1608
01:03:10,959 --> 01:03:08,989
from a meeting now we just have to like

1609
01:03:13,539 --> 01:03:10,969
not play it because it's so tempting

1610
01:03:16,359 --> 01:03:13,549
have you ever have you ever once just

1611
01:03:21,729 --> 01:03:16,369
thumped it just one ring you know he did

1612
01:03:24,999 --> 01:03:21,739
cannot even believe he was talking about

1613
01:03:27,669 --> 01:03:25,009

it and he he took his finger and like

1614

01:03:35,289 --> 01:03:27,679

gesture to it and he went and he tapped

1615

01:03:42,939 --> 01:03:35,299

the top of the drum and I just play the

1616

01:03:43,779 --> 01:03:42,949

drum like it I don't know if it works

1617

01:03:45,429 --> 01:03:43,789

that way

1618

01:03:52,719 --> 01:03:45,439

rhythmic rhythm kind of way I don't know

1619

01:03:54,669 --> 01:03:52,729

hope don't touch the items I was just

1620

01:03:59,499 --> 01:03:54,679

gonna say every time you get an item you

1621

01:04:01,329 --> 01:03:59,509

must get used to hearing don't ever know

1622

01:04:05,949 --> 01:04:01,339

what we hear the most is this is my

1623

01:04:08,349 --> 01:04:05,959

favorite is it's your problem now it's

1624

01:04:11,199 --> 01:04:08,359

your prize well is there like one item

1625

01:04:14,529 --> 01:04:11,209

out there that you you just want so bad

1626

01:04:16,269 --> 01:04:14,539

you know the way that I look at it is I

1627

01:04:17,769 --> 01:04:16,279

try not to have any expectations about

1628

01:04:20,259 --> 01:04:17,779

that kind of thing because I feel like

1629

01:04:21,729 --> 01:04:20,269

the longer we do this the more things

1630

01:04:24,459 --> 01:04:21,739

just kind of find their way to us in

1631

01:04:27,579 --> 01:04:24,469

strange ways so we we get what we're

1632

01:04:29,739 --> 01:04:27,589

supposed to have and so I try not to put

1633

01:04:31,269 --> 01:04:29,749

out again I really do think that most

1634

01:04:32,829 --> 01:04:31,279

everything that we experience in the

1635

01:04:35,709 --> 01:04:32,839

paranormal and I think that a lot of

1636

01:04:36,789 --> 01:04:35,719

this has to do with with all facets of

1637

01:04:39,279 --> 01:04:36,799

anything that could be considered

1638

01:04:41,109 --> 01:04:39,289

paranormal you know Bigfoot even you

1639

01:04:42,460 --> 01:04:41,119

know things like alien abduction I think

1640

01:04:45,880 --> 01:04:42,470

a lot of this stuff

1641

01:04:48,490 --> 01:04:45,890

on your will and your intent and you

1642

01:04:51,910 --> 01:04:48,500

draw things to you I really do believe

1643

01:04:54,790 --> 01:04:51,920

that you draw things to you and I try to

1644

01:04:56,230 --> 01:04:54,800

be very careful about my intentions so

1645

01:04:58,000 --> 01:04:56,240

when it comes to things like haunted

1646

01:05:00,609 --> 01:04:58,010

objects I try not to think too much

1647

01:05:03,640 --> 01:05:00,619

about what I wish I had mm-hm

1648

01:05:06,760 --> 01:05:03,650

it doesn't really it doesn't really work

1649

01:05:10,359 --> 01:05:06,770

that way you know it's we get what is

1650

01:05:12,579 --> 01:05:10,369

supposed to find us and we we consider

1651
01:05:14,620 --> 01:05:12,589
ourselves more as caretakers of these

1652
01:05:17,349 --> 01:05:14,630
objects not owners we're just the

1653
01:05:18,970 --> 01:05:17,359
caretakers and if we can help whatever

1654
01:05:20,589 --> 01:05:18,980
is attached to them in some way shape or

1655
01:05:23,260 --> 01:05:20,599
form then you know that's what we want

1656
01:05:25,450 --> 01:05:23,270
to do but yeah I don't know we get what

1657
01:05:27,880 --> 01:05:25,460
we need to have I guess well I would

1658
01:05:30,849 --> 01:05:27,890
just like to say you are probably one of

1659
01:05:32,800 --> 01:05:30,859
the ballsiest couples in Ohio and

1660
01:05:35,440 --> 01:05:32,810
probably have one of the coolest houses

1661
01:05:38,309 --> 01:05:35,450
so I just have to say that I didn't know

1662
01:05:42,550 --> 01:05:38,319
about all the other stuff going on very

1663
01:05:44,740 --> 01:05:42,560

very very cool where is the best place

1664

01:05:46,990 --> 01:05:44,750

for folks to find you and please tell

1665

01:05:48,370 --> 01:05:47,000

everyone about the live feed and the

1666

01:05:50,349 --> 01:05:48,380

best place to find that as well

1667

01:05:51,819 --> 01:05:50,359

yeah if people are interested in the

1668

01:05:54,130 --> 01:05:51,829

traveling Museum or they want to come

1669

01:05:57,370 --> 01:05:54,140

and see this for themselves we do events

1670

01:06:00,880 --> 01:05:57,380

all over the country every month at

1671

01:06:03,220 --> 01:06:00,890

least they can find out dates more about

1672

01:06:05,200 --> 01:06:03,230

the items more about us at para museum

1673

01:06:07,660 --> 01:06:05,210

comm there's a link there where they can

1674

01:06:10,450 --> 01:06:07,670

go check out a 24/7 live camera that we

1675

01:06:12,880 --> 01:06:10,460

run it has like a k2 meter that's set up

1676

01:06:15,069 --> 01:06:12,890

we switch out the objects we do live EVP

1677

01:06:16,930 --> 01:06:15,079

sessions where people can ask their

1678

01:06:18,510 --> 01:06:16,940

questions and we'll ask them to the

1679

01:06:20,910 --> 01:06:18,520

objects and we play them back live

1680

01:06:22,930 --> 01:06:20,920

little experiments and things like that

1681

01:06:24,160 --> 01:06:22,940

and if they you know if they want to

1682

01:06:25,540 --> 01:06:24,170

read some of the articles about some of

1683

01:06:28,240 --> 01:06:25,550

the adventures we've gone on they can go

1684

01:06:31,150 --> 01:06:28,250

to week in weird comm and then finally

1685

01:06:33,579 --> 01:06:31,160

if they just are interested and in Dana

1686

01:06:34,900 --> 01:06:33,589

and I they can go to weird HQ comm the

1687

01:06:36,609 --> 01:06:34,910

Greg and Dana thank you so much for

1688

01:06:40,300 --> 01:06:36,619

coming on like I said it's been uh it's

1689

01:06:42,400 --> 01:06:40,310

been long overdue and as you guys know

1690

01:06:45,400 --> 01:06:42,410

if I hear of any interesting haunted

1691

01:06:48,640 --> 01:06:45,410

items I will immediately try to send

1692

01:06:49,900 --> 01:06:48,650

them your way oh my god we had so much

1693

01:06:51,819 --> 01:06:49,910

fun yeah thank you guys so much for

1694

01:06:54,560 --> 01:06:51,829

having us yeah you guys have a good

1695

01:07:02,560 --> 01:06:54,570

night tell oh hell ohayo not hell

1696

01:07:10,970 --> 01:07:08,090

tell he'll hello for me no hello

1697

01:07:13,610 --> 01:07:10,980

yeah right yeah if the Crone has its way

1698

01:07:15,530 --> 01:07:13,620

huh that's it for this week's episode
