

1  
00:00:06,530 --> 00:00:04,070  
what's up guys Ryan Sprague here doing a

2  
00:00:08,690 --> 00:00:06,540  
Facebook live event very impromptu

3  
00:00:09,860 --> 00:00:08,700  
tonight usually I make an announcement

4  
00:00:13,039 --> 00:00:09,870  
if I'm going to do one of these things

5  
00:00:14,990 --> 00:00:13,049  
for a lot of my podcast listeners but I

6  
00:00:17,660 --> 00:00:15,000  
just decided to do this on a whim I was

7  
00:00:20,359 --> 00:00:17,670  
sitting here watching Parks and Rec for

8  
00:00:22,220 --> 00:00:20,369  
the 80th time all the way through and I

9  
00:00:23,540 --> 00:00:22,230  
figured what the hell am I doing this I

10  
00:00:25,460 --> 00:00:23,550  
could be doing other stuff I could be

11  
00:00:28,580 --> 00:00:25,470  
interacting with people online I could

12  
00:00:31,550 --> 00:00:28,590  
be dare I say going outside and talking

13  
00:00:33,400 --> 00:00:31,560

to people but this is what I chose to do

14

00:00:35,540 --> 00:00:33,410

because I love doing things like this

15

00:00:37,100 --> 00:00:35,550

and I say we already have some people

16

00:00:39,560 --> 00:00:37,110

hopping in here which is awesome

17

00:00:41,630 --> 00:00:39,570

hi Bella hi des pie Nathan um so yeah

18

00:00:43,459 --> 00:00:41,640

this is just gonna be kind of gonna do a

19

00:00:45,500 --> 00:00:43,469

few announcements about stuff with

20

00:00:48,319 --> 00:00:45,510

somewhere in this guy's podcast but

21

00:00:49,729 --> 00:00:48,329

other than that this is all you guys if

22

00:00:52,520 --> 00:00:49,739

you have any questions if not it's gonna

23

00:00:56,420 --> 00:00:52,530

be very awkward and I'll probably end it

24

00:00:58,760 --> 00:00:56,430

pretty quick but yes so I guess in terms

25

00:01:02,810 --> 00:00:58,770

of the podcast before we get started hi

26  
00:01:04,460 --> 00:01:02,820  
Adrienne hi and before we get started I

27  
00:01:06,500 --> 00:01:04,470  
have some really cool announcements

28  
00:01:09,710 --> 00:01:06,510  
about the podcast the future of the

29  
00:01:13,190 --> 00:01:09,720  
podcast and things to do with that so I

30  
00:01:16,190 --> 00:01:13,200  
think it was mid week it was on Monday

31  
00:01:19,219 --> 00:01:16,200  
actually I was at work and I have this

32  
00:01:20,990 --> 00:01:19,229  
problem with checking the the algorithms

33  
00:01:23,240 --> 00:01:21,000  
for the downloads of my podcast every

34  
00:01:25,670 --> 00:01:23,250  
week I feel like all podcasters probably

35  
00:01:28,730 --> 00:01:25,680  
do that overages what's up William hello

36  
00:01:31,039 --> 00:01:28,740  
Ryan this hi Kate hi Dave

37  
00:01:34,640 --> 00:01:31,049  
yes I did Dave I did get that link from

38  
00:01:36,050 --> 00:01:34,650

you I'm gonna check that out so yeah it

39

00:01:37,670 --> 00:01:36,060

was that work and I was checking the

40

00:01:40,580 --> 00:01:37,680

downloads of the podcast and I noticed

41

00:01:43,069 --> 00:01:40,590

that they had almost quadrupled in the

42

00:01:44,870 --> 00:01:43,079

last week and last week's episode is

43

00:01:48,200 --> 00:01:44,880

pretty cool it was about the Brooklyn

44

00:01:53,630 --> 00:01:48,210

Bridge abduction of 1989 of Linda

45

00:01:55,550 --> 00:01:53,640

Cortile / Linda Napolitano and a case

46

00:01:57,590 --> 00:01:55,560

that I wasn't too familiar with before I

47

00:01:59,300 --> 00:01:57,600

met Peter Robbins my mentor who had

48

00:02:01,999 --> 00:01:59,310

worked with the late Budd Hopkins the

49

00:02:04,280 --> 00:02:02,009

alien abduction investigators /

50

00:02:06,889 --> 00:02:04,290

researcher and this is a really

51  
00:02:09,949 --> 00:02:06,899  
interesting case where a woman woke up

52  
00:02:12,570 --> 00:02:09,959  
with alien beings in her bedroom they

53  
00:02:15,150 --> 00:02:12,580  
floated her out of a solid window

54  
00:02:16,970 --> 00:02:15,160  
outside and up into a UFO that

55  
00:02:21,830 --> 00:02:16,980  
disappeared over the Brooklyn Bridge now

56  
00:02:24,120 --> 00:02:21,840  
this case sounds extremely you know

57  
00:02:25,050 --> 00:02:24,130  
they're very hard to swallow let's put

58  
00:02:28,140 --> 00:02:25,060  
it that way

59  
00:02:30,860 --> 00:02:28,150  
but there was over 20 witnesses to this

60  
00:02:34,890 --> 00:02:30,870  
event including several security authors

61  
00:02:37,800 --> 00:02:34,900  
officers excuse me to a UN Secretary

62  
00:02:40,740 --> 00:02:37,810  
General so this is a really interesting

63  
00:02:42,810 --> 00:02:40,750

case I covered in depth on the last

64

00:02:46,020 --> 00:02:42,820

episode and while it was really good

65

00:02:48,390 --> 00:02:46,030

compelling fun to do I didn't know why

66

00:02:50,040 --> 00:02:48,400

the down was a quadruple so then and I

67

00:02:53,730 --> 00:02:50,050

received an email from my podcast

68

00:02:56,790 --> 00:02:53,740

network telling me that I was number one

69

00:03:00,360 --> 00:02:56,800

on iTunes in Canada at that moment in

70

00:03:02,670 --> 00:03:00,370

the social social science category and

71

00:03:05,550 --> 00:03:02,680

also number four in science and medicine

72

00:03:08,070 --> 00:03:05,560

so overnight somewhere this guy's blew

73

00:03:10,650 --> 00:03:08,080

up became number one on iTunes and my

74

00:03:12,240 --> 00:03:10,660

done with skyrocketed so before I go any

75

00:03:14,670 --> 00:03:12,250

further I just want to thank my podcast

76  
00:03:16,710 --> 00:03:14,680  
network key one podcasts and I also want

77  
00:03:18,570 --> 00:03:16,720  
to thank everyone in Canada for really

78  
00:03:20,250 --> 00:03:18,580  
embracing someone this guy's for

79  
00:03:22,979 --> 00:03:20,260  
bringing it into your home's every day

80  
00:03:25,350 --> 00:03:22,989  
every night and for helping us climb to

81  
00:03:27,390 --> 00:03:25,360  
number one that was amazing I hope that

82  
00:03:31,470 --> 00:03:27,400  
continues I hope that I can continue to

83  
00:03:33,600 --> 00:03:31,480  
produce caliber shows for you and that's

84  
00:03:35,640 --> 00:03:33,610  
what I'm hoping to do so before I go

85  
00:03:38,310 --> 00:03:35,650  
anywhere I do want to say that I have

86  
00:03:40,259 --> 00:03:38,320  
some awesome episodes coming up I did

87  
00:03:42,690 --> 00:03:40,269  
secure the rights to an article about a

88  
00:03:46,350 --> 00:03:42,700

very obscure case out of New Zealand a

89  
00:03:47,699 --> 00:03:46,360  
UFO encounter with a woman so I am gonna

90  
00:03:49,620 --> 00:03:47,709  
be doing an episode about that I've

91  
00:03:52,199 --> 00:03:49,630  
hired some amazing actors out of New

92  
00:03:55,590 --> 00:03:52,209  
York City and abroad to come in and do

93  
00:03:57,390 --> 00:03:55,600  
an audio drama about this case so super

94  
00:04:00,420 --> 00:03:57,400  
excited about that stay tuned for that

95  
00:04:03,240 --> 00:04:00,430  
in the near future next week I have Mike

96  
00:04:06,120 --> 00:04:03,250  
Demonte joining me on the show from punk

97  
00:04:07,710 --> 00:04:06,130  
rock in UFOs I love this guy he's a good

98  
00:04:10,110 --> 00:04:07,720  
friend a colleague he's just come up

99  
00:04:12,539 --> 00:04:10,120  
with a follow-up to his original book

100  
00:04:15,120 --> 00:04:12,549  
punk rock and UFOs cryptozoology meets

101

00:04:18,030 --> 00:04:15,130

anarchy the follow-up book is called

102

00:04:20,909 --> 00:04:18,040

true believers and we talk all about

103

00:04:23,610 --> 00:04:20,919

belief systems within ufology and beyond

104

00:04:25,650 --> 00:04:23,620

it was such a fun talk that dude has

105

00:04:26,520 --> 00:04:25,660

some incredible theories on UFOs and he

106

00:04:29,340 --> 00:04:26,530

brings them forth in the

107

00:04:32,090 --> 00:04:29,350

we talk all about that um before we go

108

00:04:35,250 --> 00:04:32,100

any further I'm gonna show off this

109

00:04:36,060 --> 00:04:35,260

tricking took it a nice espresso coffee

110

00:04:38,370 --> 00:04:36,070

tonight

111

00:04:44,240 --> 00:04:38,380

yes espresso coffee I took espresso

112

00:04:49,590 --> 00:04:47,310

what else oh that the week after Mike

113

00:04:52,650 --> 00:04:49,600

show I've also got Rob Kristofferson

114

00:04:56,190 --> 00:04:52,660

from the our strange skies podcast so

115

00:04:59,460 --> 00:04:56,200

what we did is we we bent a lot to one

116

00:05:01,200 --> 00:04:59,470

another we we talked online we talk

117

00:05:03,120 --> 00:05:01,210

offline all about the things that really

118

00:05:05,220 --> 00:05:03,130

bother us in the UFO fields and beyond

119

00:05:06,990 --> 00:05:05,230

so we decided to get drunk

120

00:05:09,030 --> 00:05:07,000

and when I say drunk I don't mean like

121

00:05:13,230 --> 00:05:09,040

one beer we tweak I don't wanna waste it

122

00:05:16,590 --> 00:05:13,240

and vent it for about two hours so look

123

00:05:18,150 --> 00:05:16,600

for the UFO happy hour I believe that

124

00:05:20,280 --> 00:05:18,160

would be August 6th

125

00:05:22,950 --> 00:05:20,290

coming to somewhere in the skies that's

126  
00:05:26,610 --> 00:05:22,960  
a show unlike one you've ever heard we

127  
00:05:29,340 --> 00:05:26,620  
bash people we scrutinize people and the

128  
00:05:31,470 --> 00:05:29,350  
f-bombs were just going nuts so that's

129  
00:05:32,940 --> 00:05:31,480  
gonna be a really fun show again unlike

130  
00:05:35,070 --> 00:05:32,950  
anything we've done before get a slap

131  
00:05:37,050 --> 00:05:35,080  
that oh an explicit tag on that one and

132  
00:05:38,070 --> 00:05:37,060  
it's gonna be a good time so I really

133  
00:05:39,300 --> 00:05:38,080  
hope you like it

134  
00:05:42,870 --> 00:05:39,310  
I know I'm probably gonna get some

135  
00:05:45,000 --> 00:05:42,880  
haters from that but uh such as life and

136  
00:05:46,200 --> 00:05:45,010  
then after that I've got no Mars I'd be

137  
00:05:49,440 --> 00:05:46,210  
coming on the show

138  
00:05:53,010 --> 00:05:49,450

he is a UFO researcher out of the main

139

00:05:54,180 --> 00:05:53,020

area and the New England area who has

140

00:05:56,070 --> 00:05:54,190

just come up with a book called

141

00:05:57,930 --> 00:05:56,080

otherworldly encounters so we're gonna

142

00:06:00,000 --> 00:05:57,940

talk all of us look all about these

143

00:06:02,700 --> 00:06:00,010

amazing cases he's investigated in the

144

00:06:05,159 --> 00:06:02,710

New England area and his thoughts and

145

00:06:06,840 --> 00:06:05,169

theories just on how the paranormal and

146

00:06:10,230 --> 00:06:06,850

UFOs can connect and how they can be

147

00:06:12,659 --> 00:06:10,240

investigated simultaneously so really

148

00:06:15,000 --> 00:06:12,669

good really cool shows coming up for you

149

00:06:16,590 --> 00:06:15,010

guys so that's somewhere in the skies

150

00:06:19,290 --> 00:06:16,600

you can find that at somewhere in the

151

00:06:22,980 --> 00:06:19,300

skies calm and on all major podcast

152

00:06:26,700 --> 00:06:22,990

outlets and number one in good so thank

153

00:06:28,440 --> 00:06:26,710

you again guys what else oh another

154

00:06:29,850 --> 00:06:28,450

really big I'm sorry I guess I'm not

155

00:06:31,740 --> 00:06:29,860

even looking at the questions here's

156

00:06:34,950 --> 00:06:31,750

what I'm going to do I'm going to pull

157

00:06:37,279 --> 00:06:34,960

up this video oh my gosh it's still on

158

00:06:39,439 --> 00:06:37,289

here I'm going to pull up this video on

159

00:06:41,450 --> 00:06:39,449

my phone so that I can

160

00:06:43,480 --> 00:06:41,460

the questions and talk to you is please

161

00:06:47,589 --> 00:06:43,490

bear with me for just a second here

162

00:06:54,769 --> 00:06:52,640

phone case mug as you can tell I'm

163

00:06:56,629 --> 00:06:54,779

relaunching the x-files again what is

164

00:06:59,209 --> 00:06:56,639

your favorite x-files episode please put

165

00:07:00,679 --> 00:06:59,219

it into the answer and question area I

166

00:07:02,450 --> 00:07:00,689

really want to know

167

00:07:04,399 --> 00:07:02,460

I'm watching a lot of the two partners

168

00:07:06,980 --> 00:07:04,409

that Chris Carter wrote recently they

169

00:07:11,239 --> 00:07:06,990

had to do with the alien mythology which

170

00:07:14,119 --> 00:07:11,249

they're all they're okay but a lot of

171

00:07:16,249 --> 00:07:14,129

them are so so but I love him just the

172

00:07:19,279 --> 00:07:16,259

same and I saw a really interesting

173

00:07:21,619 --> 00:07:19,289

episode recently called it was called

174

00:07:23,629 --> 00:07:21,629

pusher or this dude could like make

175

00:07:25,579 --> 00:07:23,639

people do things and see things with his

176  
00:07:27,050 --> 00:07:25,589  
mind really interesting I don't remember

177  
00:07:30,379 --> 00:07:27,060  
seeing that one when I originally

178  
00:07:34,519 --> 00:07:30,389  
watched the show what is happening here

179  
00:07:36,469 --> 00:07:34,529  
I'm not able to get on Facebook on my

180  
00:07:38,420 --> 00:07:36,479  
phone it's a cover-up

181  
00:07:41,029 --> 00:07:38,430  
anyways so I'm gonna check out the

182  
00:07:43,850 --> 00:07:41,039  
questions here quickly guys haters gonna

183  
00:07:45,439 --> 00:07:43,860  
hate yes I agree Lindsey just was that

184  
00:07:46,459 --> 00:07:45,449  
shag Harbor UFO conference meeting

185  
00:07:48,379 --> 00:07:46,469  
things went great

186  
00:07:51,290 --> 00:07:48,389  
awesome George check Harbor

187  
00:07:52,730 --> 00:07:51,300  
anniversaries in October I think George

188  
00:07:54,379 --> 00:07:52,740

if you give us a specific date of the

189

00:07:56,480 --> 00:07:54,389

shake Harbor event I was in Nova Scotia

190

00:07:59,959 --> 00:07:56,490

recently talked to a bunch of people

191

00:08:02,119 --> 00:07:59,969

there and I have books at the shag

192

00:08:04,969 --> 00:08:02,129

Harbor Museum if anyone is in the

193

00:08:06,800 --> 00:08:04,979

Halifax or Nova Scotia area you can go

194

00:08:09,499 --> 00:08:06,810

by somewhere on the skies right now I

195

00:08:11,689 --> 00:08:09,509

donated about a dozen or so of my books

196

00:08:14,149 --> 00:08:11,699

to the museum to help them raise funds

197

00:08:16,159 --> 00:08:14,159

to keep the museum going so please go

198

00:08:18,409 --> 00:08:16,169

check out the shag Harbor Museum just

199

00:08:21,909 --> 00:08:18,419

google it online and please go to the

200

00:08:24,350 --> 00:08:21,919

shag Harbor UFO conference in October

201  
00:08:25,519 --> 00:08:24,360  
William says have to ask what are your

202  
00:08:29,689 --> 00:08:25,529  
thoughts about this year's MUFON

203  
00:08:31,909 --> 00:08:29,699  
symposium William I actually I'm looking

204  
00:08:32,870 --> 00:08:31,919  
forward to it you know I really am I

205  
00:08:35,329 --> 00:08:32,880  
know there's been a lot of controversy

206  
00:08:37,850 --> 00:08:35,339  
with with fun lately myself included

207  
00:08:40,100 --> 00:08:37,860  
with that but I think it's really cool

208  
00:08:43,100 --> 00:08:40,110  
that they got movies Elizondo from the a

209  
00:08:44,840 --> 00:08:43,110  
tip and to the Stars Academy is gonna be

210  
00:08:47,150 --> 00:08:44,850  
speaking I always love to hear what that

211  
00:08:49,189 --> 00:08:47,160  
dude has to say no matter what it is no

212  
00:08:51,500 --> 00:08:49,199  
matter how many times have heard it I

213  
00:08:52,730 --> 00:08:51,510

love everything it's bringing forward so

214

00:08:55,130 --> 00:08:52,740

I'm looking forward to that they

215

00:08:58,460 --> 00:08:55,140

sella Sadiq who is one of the original

216

00:09:01,250 --> 00:08:58,470

witnesses of the the simple case the

217

00:09:03,470 --> 00:09:01,260

alien encounter who is in my my recent

218

00:09:06,139 --> 00:09:03,480

presentation I gave and a link on more

219

00:09:07,340 --> 00:09:06,149

news on that in a second so I really

220

00:09:09,050 --> 00:09:07,350

look forward to hearing what she has to

221

00:09:11,570 --> 00:09:09,060

say so I think mu5 did a really good job

222

00:09:12,940 --> 00:09:11,580

job with this symposium this year so

223

00:09:15,560 --> 00:09:12,950

looking forward to it

224

00:09:17,630 --> 00:09:15,570

let's see Chris says what do you think

225

00:09:19,280 --> 00:09:17,640

of the Adam to the stars announcement

226

00:09:20,780 --> 00:09:19,290

today I think it's pretty cool man help

227

00:09:23,240 --> 00:09:20,790

put offs been working on this step for a

228

00:09:25,910 --> 00:09:23,250

while so to the Stars Academy for those

229

00:09:27,980 --> 00:09:25,920

who don't know is Tom DeLonge the former

230

00:09:30,949 --> 00:09:27,990

frontman of blink 182 his new venture

231

00:09:32,930 --> 00:09:30,959

looking into UFOs exotic technologies

232

00:09:35,660 --> 00:09:32,940

implementing them into the world today

233

00:09:38,240 --> 00:09:35,670

and changing things from humanity and

234

00:09:40,190 --> 00:09:38,250

they are the ones who basically brought

235

00:09:42,860 --> 00:09:40,200

forward all this information about the

236

00:09:44,930 --> 00:09:42,870

secret Pentagon UFO program that the New

237

00:09:47,329 --> 00:09:44,940

York Times covered to the Stars Academy

238

00:09:49,310 --> 00:09:47,339

is partially responsible for that and

239

00:09:51,650 --> 00:09:49,320

are working with many of the people who

240

00:09:53,990 --> 00:09:51,660

worked on that project including Lois

241

00:09:55,910 --> 00:09:54,000

Elizondo this new project sounds really

242

00:09:58,190 --> 00:09:55,920

cool it's whether scientists are going

243

00:10:01,550 --> 00:09:58,200

to study materials that have supposedly

244

00:10:04,460 --> 00:10:01,560

been retrieved from downed UFO is there

245

00:10:05,780 --> 00:10:04,470

exotic technology able to implement our

246

00:10:07,940 --> 00:10:05,790

own science and you're trying to figure

247

00:10:09,800 --> 00:10:07,950

out what exactly these technologies

248

00:10:12,319 --> 00:10:09,810

consist of and what these materials are

249

00:10:14,300 --> 00:10:12,329

so I think it's really cool Chris I know

250

00:10:16,160 --> 00:10:14,310

a lot of people are giving it some hate

251  
00:10:17,960 --> 00:10:16,170  
that it's been around for a while it's

252  
00:10:19,850 --> 00:10:17,970  
just under a new name yes that might be

253  
00:10:23,090 --> 00:10:19,860  
true but it's getting out to the

254  
00:10:24,949 --> 00:10:23,100  
mainstream which is most important so I

255  
00:10:29,319 --> 00:10:24,959  
think it's awesome and I look forward to

256  
00:10:32,360 --> 00:10:30,800  
let's see

257  
00:10:35,180 --> 00:10:32,370  
Williams favorite episode is jose

258  
00:10:36,740 --> 00:10:35,190  
chung's from outer space I agree with

259  
00:10:40,970 --> 00:10:36,750  
that

260  
00:10:42,710 --> 00:10:40,980  
let's see George asks nope our

261  
00:10:45,230 --> 00:10:42,720  
conference this year oh my gosh I'm so

262  
00:10:47,420 --> 00:10:45,240  
sorry George I am so sorry my man the

263  
00:10:49,940 --> 00:10:47,430

conference is August 3rd 4th and 5th in

264

00:10:52,880 --> 00:10:49,950

shag harbour please guys check that out

265

00:10:55,160 --> 00:10:52,890

Google shag Harbor conference for that

266

00:10:56,600 --> 00:10:55,170

Andrew what's up my man how was her

267

00:10:57,710 --> 00:10:56,610

family hope all is well thank you

268

00:11:00,340 --> 00:10:57,720

William thank you for asking for those

269

00:11:03,620 --> 00:11:00,350

who don't know I did have to fly home

270

00:11:04,670 --> 00:11:03,630

for three weeks recently from the west

271

00:11:06,559 --> 00:11:04,680

coast to the East Coast to be with

272

00:11:08,780 --> 00:11:06,569

family we had some personal

273

00:11:10,819 --> 00:11:08,790

things come up but everyone's doing

274

00:11:13,280 --> 00:11:10,829

really great right now everything's on

275

00:11:15,139 --> 00:11:13,290

track and I love going home even under

276

00:11:18,530 --> 00:11:15,149

those circumstances I love my family

277

00:11:20,749 --> 00:11:18,540

so so much they mean everything to me as

278

00:11:22,100 --> 00:11:20,759

family often Tripp and I might add

279

00:11:24,229 --> 00:11:22,110

family is what you make it it doesn't

280

00:11:27,410 --> 00:11:24,239

just have to be blood guys um but that

281

00:11:29,059 --> 00:11:27,420

being said I love my blood family I have

282

00:11:33,109 --> 00:11:29,069

a younger sister and I have my two

283

00:11:36,229 --> 00:11:33,119

parents and their dog and I I love them

284

00:11:38,179 --> 00:11:36,239

to the ends of the earth and even though

285

00:11:40,759 --> 00:11:38,189

it wasn't the best of circumstances it

286

00:11:44,479 --> 00:11:40,769

was just great being with them now I'm

287

00:11:46,389 --> 00:11:44,489

back in LA for about a week and then I'm

288

00:11:50,269 --> 00:11:46,399

heading to apply for an actual vacation

289

00:11:52,039 --> 00:11:50,279

so that's gonna be fun I'm really

290

00:11:54,679 --> 00:11:52,049

looking forward to that I'm going to be

291

00:11:56,900 --> 00:11:54,689

bringing this guy with me to reread for

292

00:11:58,819 --> 00:11:56,910

about the 8th time gives me nightmares

293

00:12:00,949 --> 00:11:58,829

every single time for those who don't

294

00:12:03,679 --> 00:12:00,959

know this is communion probably one of

295

00:12:08,359 --> 00:12:03,689

the first books about alien abduction

296

00:12:10,729 --> 00:12:08,369

and that that image is just so iconic so

297

00:12:13,460 --> 00:12:10,739

freakin iconic within UFO lore and pop

298

00:12:15,319 --> 00:12:13,470

culture a story of whitley strieber and

299

00:12:16,879 --> 00:12:15,329

his abduction experience the book is

300

00:12:20,329 --> 00:12:16,889

terrifying if you get a chance to check

301

00:12:21,979 --> 00:12:20,339

it out it's it's a classic let's see

302

00:12:24,109 --> 00:12:21,989

what is your opinion on the recently

303

00:12:25,939 --> 00:12:24,119

uncovered black sarcophagus and tree

304

00:12:27,789 --> 00:12:25,949

masks and do you want to drink the

305

00:12:30,949 --> 00:12:27,799

liquid inside of it

306

00:12:33,559 --> 00:12:30,959

why why white people why do you have to

307

00:12:35,929 --> 00:12:33,569

do this so this black sarcophagus was

308

00:12:39,169 --> 00:12:35,939

found it wasn't really you know it

309

00:12:40,639 --> 00:12:39,179

wasn't you know a king it wasn't a queen

310

00:12:41,929 --> 00:12:40,649

it wasn't anyone of royalty it was

311

00:12:43,970 --> 00:12:41,939

probably just a few peasants or

312

00:12:46,249 --> 00:12:43,980

something from what I gather but there

313

00:12:49,280 --> 00:12:46,259

was a bunch of this weird disgusting

314

00:12:52,189 --> 00:12:49,290

sewage and liquid found in the tombs and

315

00:12:55,100 --> 00:12:52,199

the sarcophagus and now people want to

316

00:12:58,009 --> 00:12:55,110

drink those liquids to gain the power of

317

00:13:00,379 --> 00:12:58,019

the ancient ancient ones I think it's

318

00:13:01,850 --> 00:13:00,389

utterly ridiculous and I think we have

319

00:13:04,519 --> 00:13:01,860

to be careful when we do this sort of

320

00:13:06,289 --> 00:13:04,529

archaeology people are so quick to jump

321

00:13:09,019 --> 00:13:06,299

to it could be a king it could be this

322

00:13:10,369 --> 00:13:09,029

it could be royalty um no that's nothing

323

00:13:12,350 --> 00:13:10,379

with people that were buried fact that

324

00:13:13,639 --> 00:13:12,360

guys and the fact that people like they

325

00:13:15,259 --> 00:13:13,649

want to exploit this and drink the

326

00:13:17,600 --> 00:13:15,269

liquid in there like give me a break I

327

00:13:19,639 --> 00:13:17,610

think it's ridiculous and I don't I

328

00:13:23,179 --> 00:13:19,649

don't think it holds any stuff so

329

00:13:26,600 --> 00:13:23,189

my answer on Ellen where can I get your

330

00:13:29,269 --> 00:13:26,610

book back home Lindsay asks the book is

331

00:13:31,249 --> 00:13:29,279

available on Amazon in paperback and

332

00:13:33,109 --> 00:13:31,259

ebook Lindsay just search for somewhere

333

00:13:35,869 --> 00:13:33,119

in the skies the human approach between

334

00:13:38,059 --> 00:13:35,879

alien phenomenon on Amazon or you can go

335

00:13:40,040 --> 00:13:38,069

to Richard Dolan press com

336

00:13:43,210 --> 00:13:40,050

that's my publisher and he sells it

337

00:13:49,069 --> 00:13:45,259

Kate says lucky to have such a great

338

00:13:52,460 --> 00:13:49,079

family I agree thank you so much Kate so

339

00:13:54,619 --> 00:13:52,470

yeah I was talking about alien Con a

340

00:13:56,299 --> 00:13:54,629

little earlier I do want to make a very

341

00:13:59,239 --> 00:13:56,309

exciting announcement I found out

342

00:14:02,269 --> 00:13:59,249

yesterday that myself and Jason

343

00:14:05,119 --> 00:14:02,279

McClellan from rogue planet and the

344

00:14:08,689 --> 00:14:05,129

unknown podcast we are going to be

345

00:14:11,299 --> 00:14:08,699

speaking and doing a panel at alien Con

346

00:14:13,730 --> 00:14:11,309

in Baltimore that is in November

347

00:14:15,530 --> 00:14:13,740

November 9th 10th and 11th in Baltimore

348

00:14:17,419 --> 00:14:15,540

I don't know if the exact location has

349

00:14:19,189 --> 00:14:17,429

been specified yet but I will give you

350

00:14:21,619 --> 00:14:19,199

more information on that as it comes in

351  
00:14:24,110 --> 00:14:21,629  
but I'm so excited I spoke at Pasadena a

352  
00:14:25,759 --> 00:14:24,120  
link on which was incredible and they

353  
00:14:28,009 --> 00:14:25,769  
invited me back and I'm so happy to have

354  
00:14:29,710 --> 00:14:28,019  
Jason coming with me I can't even

355  
00:14:32,720 --> 00:14:29,720  
imagine how much fun we're gonna have

356  
00:14:33,799 --> 00:14:32,730  
doing panels moderating giving talks

357  
00:14:36,290 --> 00:14:33,809  
it's gonna be awesome

358  
00:14:37,999 --> 00:14:36,300  
they're just starting to unload the

359  
00:14:40,220 --> 00:14:38,009  
guest list for that so if you want to

360  
00:14:42,799 --> 00:14:40,230  
learn more you can go to the alien Con

361  
00:14:44,749 --> 00:14:42,809  
calm for anyone in the Maryland area of

362  
00:14:46,610 --> 00:14:44,759  
Baltimore or even just the East Coast I

363  
00:14:48,799 --> 00:14:46,620

look forward to hopefully seeing you at

364

00:14:51,079 --> 00:14:48,809

that event where I will be there all

365

00:14:53,449 --> 00:14:51,089

weekend you know I will have a table

366

00:14:55,249 --> 00:14:53,459

selling books I'll be there to talk do

367

00:14:57,499 --> 00:14:55,259

the interviews for the podcast Facebook

368

00:15:00,949 --> 00:14:57,509

live events and just having a great time

369

00:15:02,929 --> 00:15:00,959

again it's it's not a serious event it's

370

00:15:04,999 --> 00:15:02,939

just to have fun in embrace aliens and

371

00:15:06,949 --> 00:15:05,009

it's so much so much fun so hope you'll

372

00:15:13,100 --> 00:15:06,959

join us November 9th 10th and 11th in

373

00:15:15,639 --> 00:15:13,110

Baltimore what's up who do we got that's

374

00:15:17,809 --> 00:15:15,649

new Eric hello Eric how are you my man

375

00:15:23,090 --> 00:15:17,819

let's see if I have any other

376

00:15:25,489 --> 00:15:23,100

announcements here let's see I think

377

00:15:27,679 --> 00:15:25,499

that's about it this might be a really

378

00:15:29,780 --> 00:15:27,689

quick Facebook live event guys unless

379

00:15:33,319 --> 00:15:29,790

anyone wants to throw a question in here

380

00:15:33,560 --> 00:15:33,329

I might just hop off it's really hot in

381

00:15:37,340 --> 00:15:33,570

the

382

00:15:40,069 --> 00:15:37,350

today it's like 99.5 degrees or something

383

00:15:42,829 --> 00:15:40,079

in LA and we don't have central air or

384

00:15:48,430 --> 00:15:42,839

air conditioning so while I'm drinking

385

00:15:50,960 --> 00:15:48,440

hot coffee I can't tell you mm-hmm

386

00:15:55,550 --> 00:15:50,970

Jason and Shane were painting Roswell

387

00:15:57,259 --> 00:15:55,560

Cray during the UFO festival Shawn keep

388

00:16:01,540 --> 00:15:57,269

up the great work Ryan thank you so much

389

00:16:06,410 --> 00:16:04,490

let's see let's see thanks for the help

390

00:16:13,610 --> 00:16:06,420

you rock of course George my pleasure my

391

00:16:16,400 --> 00:16:13,620

man I think that's about it guys unless

392

00:16:18,470 --> 00:16:16,410

anyone else has any questions Dave adds

393

00:16:20,300 --> 00:16:18,480

I really like the x-files episode the

394

00:16:22,910 --> 00:16:20,310

Jersey Devil that's what I haven't

395

00:16:24,680 --> 00:16:22,920

thought about in a while Dave and detour

396

00:16:26,870 --> 00:16:24,690

that's another really good one as well

397

00:16:28,309 --> 00:16:26,880

they're the closest they've ever got to

398

00:16:30,439 --> 00:16:28,319

looking into Bigfoot although neither

399

00:16:33,050 --> 00:16:30,449

episode creatures were actually Bigfoot

400

00:16:35,509 --> 00:16:33,060

that's true the only Bigfoot slash

401  
00:16:38,269 --> 00:16:35,519  
Sasquatch we ever got was in the the

402  
00:16:41,300 --> 00:16:38,279  
newest season of the x-files season 11

403  
00:16:44,180 --> 00:16:41,310  
in the aptly titled the lost art of

404  
00:16:46,280 --> 00:16:44,190  
forehead sweat possibly my all-time new

405  
00:16:48,559 --> 00:16:46,290  
favorite episode of the x-files if you

406  
00:16:51,110 --> 00:16:48,569  
have a chance go to Hulu check out that

407  
00:16:53,809 --> 00:16:51,120  
episode season 11 the lost art of

408  
00:16:56,329 --> 00:16:53,819  
forehead sweat and then go listen to my

409  
00:16:58,840 --> 00:16:56,339  
interview with Brian Huskey who is the

410  
00:17:00,889 --> 00:16:58,850  
one of the lead actors in that episode

411  
00:17:02,930 --> 00:17:00,899  
we had a really good time something

412  
00:17:04,880 --> 00:17:02,940  
about his experiences filming the

413  
00:17:06,949 --> 00:17:04,890

episode what it was like meeting Gillian

414

00:17:08,480 --> 00:17:06,959

Anderson David Duchovny what he thinks

415

00:17:10,789 --> 00:17:08,490

about the Mandela effect which is what

416

00:17:13,189 --> 00:17:10,799

the episode sort of centered around a

417

00:17:14,899 --> 00:17:13,199

great great time I was so happy to get

418

00:17:16,819 --> 00:17:14,909

him on the show and he was awesome he

419

00:17:19,100 --> 00:17:16,829

talked how about aliens with me he was

420

00:17:21,649 --> 00:17:19,110

also on one of my favorite shows people

421

00:17:24,230 --> 00:17:21,659

of Earth which unfortunately has been

422

00:17:25,610 --> 00:17:24,240

cancelled I did do an interview with the

423

00:17:27,079 --> 00:17:25,620

writer and creator of people of Earth

424

00:17:30,159 --> 00:17:27,089

that could be found in the archives it's

425

00:17:32,840 --> 00:17:30,169

somewhere in the skies calm as well and

426

00:17:36,230 --> 00:17:32,850

it was really sad it was going to come

427

00:17:38,030 --> 00:17:36,240

back for its third season they wrote the

428

00:17:39,649 --> 00:17:38,040

entire season they got the green light

429

00:17:42,350 --> 00:17:39,659

and then like a couple weeks before

430

00:17:43,039 --> 00:17:42,360

production they nixed it and it got

431

00:17:45,470 --> 00:17:43,049

cancelled

432

00:17:47,170 --> 00:17:45,480

I hate that that's the way the industry

433

00:17:49,240 --> 00:17:47,180

works but it happens

434

00:17:51,150 --> 00:17:49,250

just what happens in the entertainment

435

00:17:55,180 --> 00:17:51,160

industry we all know it too well

436

00:17:56,440 --> 00:17:55,190

unfortunately so looks like we won't be

437

00:17:58,180 --> 00:17:56,450

seeing any more people of Earth but

438

00:17:59,620 --> 00:17:58,190

that's okay I'm sure another

439

00:18:01,990 --> 00:17:59,630

alien-abduction chill will come around

440

00:18:04,120 --> 00:18:02,000

soon or UFO show will come around soon

441

00:18:06,160 --> 00:18:04,130

speaking of which did y'all see the

442

00:18:06,940 --> 00:18:06,170

trailer for Project Blue Book on the

443

00:18:10,120 --> 00:18:06,950

History Channel

444

00:18:12,730 --> 00:18:10,130

all about our UFO dad dr. J Allen Hynek

445

00:18:14,890 --> 00:18:12,740

the famous astronomer who was hired by

446

00:18:17,890 --> 00:18:14,900

the government to investigate UFOs and

447

00:18:20,620 --> 00:18:17,900

to debunk them he could not and he

448

00:18:21,960 --> 00:18:20,630

started to become a believer so that's

449

00:18:26,500 --> 00:18:21,970

what the show is going to be about and

450

00:18:28,000 --> 00:18:26,510

to celebrate the show I have created a

451

00:18:32,260 --> 00:18:28,010

new design over the somewhere in the

452

00:18:34,450 --> 00:18:32,270

skies official store I think you can get

453

00:18:37,300 --> 00:18:34,460

this in stickers t-shirts mugs pillows

454

00:18:39,010 --> 00:18:37,310

tote bags iPhone cases take tough sweat

455

00:18:41,770 --> 00:18:39,020

shirts hoodies whatever you want it's

456

00:18:44,560 --> 00:18:41,780

over there go to T public that's te

457

00:18:47,650 --> 00:18:44,570

public comm and search for somewhere in

458

00:18:50,500 --> 00:18:47,660

the skies or t ee public comm search for

459

00:18:53,440 --> 00:18:50,510

Hynek so what I'm going to do today guys

460

00:18:55,270 --> 00:18:53,450

is I'm going to promote the patreon

461

00:18:57,160 --> 00:18:55,280

campaign for somewhere on the skies if

462

00:18:59,350 --> 00:18:57,170

you become a patreon of somewhere in the

463

00:19:02,350 --> 00:18:59,360

skies you get tons of rewards goodies

464

00:19:04,270 --> 00:19:02,360

bonus episodes bonus material Skype

465

00:19:07,900 --> 00:19:04,280

sessions with me and some other of the

466

00:19:09,730 --> 00:19:07,910

patrons and tons and tons of rewards so

467

00:19:11,890 --> 00:19:09,740

if you head on over to patreon comm

468

00:19:13,960 --> 00:19:11,900

slash somewhere skies you could become a

469

00:19:15,490 --> 00:19:13,970

member and like I said you'll be helping

470

00:19:18,340 --> 00:19:15,500

out the show will grow in quality

471

00:19:20,410 --> 00:19:18,350

quantity and it's it costs a lot to do

472

00:19:22,600 --> 00:19:20,420

the podcast I'm not gonna lie on a

473

00:19:24,730 --> 00:19:22,610

pocket every week I sacrificed so much

474

00:19:27,400 --> 00:19:24,740

money time and effort to bring the show

475

00:19:29,350 --> 00:19:27,410

every week and I am so happy that people

476

00:19:30,790 --> 00:19:29,360

do appreciate that but if you'd like to

477

00:19:33,310 --> 00:19:30,800

appreciate it more you can always help

478

00:19:36,060 --> 00:19:33,320

the show by becoming a patron so for the

479

00:19:38,650 --> 00:19:36,070

next two patreon subscribers who

480

00:19:41,140 --> 00:19:38,660

contribute monthly to the show at the \$5

481

00:19:44,620 --> 00:19:41,150

level or above you will receive one of

482

00:19:47,290 --> 00:19:44,630

two stickers Hynek stickers so head on

483

00:19:50,470 --> 00:19:47,300

484

00:19:52,660 --> 00:19:50,480

499

00:20:27,400 --> 00:20:25,670

thing that freaked me out the most about

500

00:20:29,350 --> 00:20:27,410

X Files was to discover the Gillian

501  
00:20:32,110 --> 00:20:29,360

512  
00:20:58,270 --> 00:20:56,150  
skies and also she did an interview at

513  
00:21:00,070 --> 00:20:58,280

into the fray radio into the fray radio

514

00:21:01,720 --> 00:21:00,080

calm just look for the summer in the

515

00:21:04,240 --> 00:21:01,730

skies episode right in every thought

516

00:21:06,370 --> 00:21:04,250

that all about her very startling

517

00:21:08,820 --> 00:21:06,380

experiences as a child I hope you don't

518

00:21:11,080 --> 00:21:08,830

mind me sharing that Claudette

Ronald shared me thanks brother I

520

00:21:15,940 --> 00:21:14,420

522

00:21:20,860 --> 00:21:19,190

it out oh I'm the hiccups why would that

523

00:21:22,750 --> 00:21:20,870

happen when I'm doing a Facebook like I

524

00:21:24,010 --> 00:21:22,760

haven't had hiccups since I was like 10

525

00:21:32,620 --> 00:21:24,020

years old and now I get it right now

526

00:21:36,060 --> 00:21:32,630

anyways hmm that is a damn fine cup of

527

00:21:40,299 --> 00:21:36,070

so bear with me for a minute I'm gonna

531

00:21:55,840 --> 00:21:52,840

here we go

532

00:21:57,850 --> 00:21:55,850

got it all right so now I don't have to

533

00:22:00,430 --> 00:21:57,860

keep looking and scrolling through so if

534

00:22:07,270 --> 00:22:00,440

anyone has any questions you can put

535

00:22:09,430 --> 00:22:07,280

them in now let's see Ronald says I

536

00:22:10,919 --> 00:22:09,440

would be willing to talk to you on an

537

00:22:13,260 --> 00:22:10,929

interview I have my own radio station

538

00:22:15,090 --> 00:22:13,270

can I share the name here at

539

00:22:18,510 --> 00:22:15,100

lutely man put it right in there please

540

00:22:20,550 --> 00:22:18,520

be my guest this is a community of sorts

541

00:22:30,240 --> 00:22:20,560

this is not about me so please put it in

542

00:22:33,060 --> 00:22:30,250

there brother all right Karen I like

543

00:22:38,730 --> 00:22:33,070

that mother good damn good fine cup of

544

00:22:40,320 --> 00:22:38,740

coffee right there oh yeah so if anyone

545

00:22:41,430 --> 00:22:40,330

unless let's see thought okay William

546

00:22:43,470 --> 00:22:41,440

has a question thoughts about the

547

00:22:45,000 --> 00:22:43,480

retirement of Stanton Friedman I hope

548

00:22:47,700 --> 00:22:45,010

people listen to my interview with

549

00:22:50,400 --> 00:22:47,710

cendol about his retiring UFO field he

550

00:22:52,890 --> 00:22:50,410

is the Dean of the apology a nuclear

551  
00:22:54,630 --> 00:22:52,900  
physicist turned ufologists who's been

552  
00:22:57,210 --> 00:22:54,640  
in the lecture circuit and research

553  
00:23:00,390 --> 00:22:57,220  
circuit for over 40 years and he's

554  
00:23:02,730 --> 00:23:00,400  
retiring he's done he's tired he's is

555  
00:23:05,580 --> 00:23:02,740  
he's over it and I don't blame him it's

556  
00:23:07,440 --> 00:23:05,590  
a very taxing and exhausting topic to be

557  
00:23:09,150 --> 00:23:07,450  
involved with but he's still gonna do

558  
00:23:10,470 --> 00:23:09,160  
research still gonna write books he's

559  
00:23:12,270 --> 00:23:10,480  
just done traveling and doing the

560  
00:23:14,580 --> 00:23:12,280  
lecture circuit you know he's up there

561  
00:23:17,280 --> 00:23:14,590  
in his 80s and he said it's just not

562  
00:23:18,360 --> 00:23:17,290  
easy to travel anymore so you can't

563  
00:23:24,350 --> 00:23:18,370

blame him for that

564

00:23:29,460 --> 00:23:27,330

good night people's off to bed Karen

565

00:23:38,220 --> 00:23:29,470

thanks for joining us brother sleep

566

00:23:41,940 --> 00:23:38,230

tight don't let the aliens I'm in a

567

00:23:43,950 --> 00:23:41,950

weird mood tonight Tim asks what's your

568

00:23:45,960 --> 00:23:43,960

thoughts on all's ando finally going to

569

00:23:47,910 --> 00:23:45,970

speak at the MUFON symposia you know I

570

00:23:49,170 --> 00:23:47,920

think it's awesome to him we talked

571

00:23:50,910 --> 00:23:49,180

about this a little bit earlier I think

572

00:23:52,530 --> 00:23:50,920

before you hop down I'm actually really

573

00:23:54,780 --> 00:23:52,540

excited about this move fun event I

574

00:23:57,450 --> 00:23:54,790

think it's gonna be really good and

575

00:23:59,130 --> 00:23:57,460

Jennifer Stein has done an incredible

576

00:24:02,970 --> 00:23:59,140

job of getting the speakers there this

577

00:24:08,010 --> 00:24:02,980

year and I wish I could go but such as

578

00:24:09,900 --> 00:24:08,020

life in such as vacation so yeah I

579

00:24:12,240 --> 00:24:09,910

really look forward to whatever he has

580

00:24:14,670 --> 00:24:12,250

to say I hope he had some new stuff to

581

00:24:16,170 --> 00:24:14,680

the mix about to the stars Academy and

582

00:24:17,820 --> 00:24:16,180

some things he discovered during his

583

00:24:20,070 --> 00:24:17,830

time with the secret Pentagon UFO

584

00:24:22,140 --> 00:24:20,080

program so yeah really excited about

585

00:24:24,360 --> 00:24:22,150

that and I think he's a really cool guy

586

00:24:25,590 --> 00:24:24,370

would love to get him on the show so

587

00:24:27,000 --> 00:24:25,600

everyone

588

00:24:29,039 --> 00:24:27,010

are trying to find this man's contact

589

00:24:33,510 --> 00:24:29,049  
information and help him get on

590

00:24:35,610 --> 00:24:33,520  
somewhere in the skies please please

591

00:24:39,960 --> 00:24:35,620  
subscribe Ronald yes please go subscribe

592

00:24:41,549 --> 00:24:39,970

00:24:48,169 --> 00:24:41,559  
having an individual like Steve

594

00:24:52,350 --> 00:24:48,179  
Hutchings in love no comment

595

00:24:54,330 --> 00:24:52,360  
sorry sorry I've actually been talking

596

00:24:56,549 --> 00:24:54,340  
back and forth through Steve recently

597

00:24:58,500 --> 00:24:56,559  
trying to keep it civil trying to keep a

598

00:25:00,779 --> 00:24:58,510  
call trying to keep it only you Falacci

599

00:25:04,649 --> 00:25:00,789  
Co which is hard to do sometimes with

600

00:25:10,409 --> 00:25:04,659  
people like him but I respect him in

601  
00:25:14,010 --> 00:25:10,419  
some ways that being said hey brother

602  
00:25:16,350 --> 00:25:14,020

603  
00:25:18,659 --> 00:25:16,360

talking about right Luke is that what

605  
00:25:27,419 --> 00:25:20,200  
you mean

606  
00:25:29,250 --> 00:25:27,429  
I will try let's see oh I might have to

607  
00:25:31,909 --> 00:25:29,260  
cut this really soon guys or you're

608  
00:25:37,399 --> 00:25:31,919  
gonna start to see really sweaty me

609  
00:25:48,270 --> 00:25:42,630  
Bueller whoa it sounded like a kid just

610  
00:25:49,860 --> 00:25:48,280  
vomited outside my window that was

611  
00:25:56,930 --> 00:25:49,870  
disgusting I don't know if the mic

612  
00:26:03,149 --> 00:25:59,970  
all right so I'm gonna give this about

613  
00:26:05,070 --> 00:26:03,159

30 to 40 more seconds guys if anyone has

614

00:26:06,990 --> 00:26:05,080

any more questions I'd be happy to

615

00:26:11,130 --> 00:26:07,000

answer them otherwise I think I'm going

616

00:26:12,450 --> 00:26:11,140

622

00:26:25,980 --> 00:26:23,770

that you have the historical one for

623

00:26:28,110 --> 00:26:25,990

further listeners I love going to that

624

00:26:32,390 --> 00:26:28,120

page every day and the polls that you do

625

00:26:37,649 --> 00:26:35,760

all right I'm gonna give it about 15

626  
00:26:39,299 --> 00:26:37,659

632  
00:26:51,119 --> 00:26:49,690  
you tuning in as do I everybody I love

633  
00:26:52,739 --> 00:26:51,129  
doing this stuff this one was very

634  
00:26:56,700 --> 00:26:52,749  
impromptu I didn't really have anything

635  
00:26:59,700 --> 00:26:56,710  
planned it's 95 degrees and I was just

636  
00:27:01,649 --> 00:26:59,710  
boards to be honest so this is so cool

637  
00:27:04,200 --> 00:27:01,659  
that I can just hop on have as many

638  
00:27:06,149 --> 00:27:04,210

people contribute into this I just I

639

00:27:07,259 --> 00:27:06,159

appreciate everyone's telling like for

640

00:27:09,720 --> 00:27:07,269

you to like take the time out of your

641

00:27:11,039 --> 00:27:09,730

night to just listen to me blab is more

642

00:27:15,060 --> 00:27:11,049

than I could ever ask for and that goes

643

00:27:18,450 --> 00:27:15,070

for the podcast as well so let's see

644

00:27:20,159 --> 00:27:18,460

UFOs real a historical review yes

645

00:27:20,970 --> 00:27:20,169

652  
00:27:36,600 --> 00:27:34,450  
I almost had him and within 45 seconds I

653  
00:27:40,830 --> 00:27:36,610  
didn't have him that's a story for

654  
00:27:41,669 --> 00:27:40,840  
another time but um I think I'm gonna

655  
00:27:44,310 --> 00:27:41,679
