rob christopherson of the our strange

19

00:00:51,270 --> 00:00:49,039

skies podcast here's the thing about

20

00:00:53,189 --> 00:00:51,280

that case that case is charming as hell

21

00:00:56,229 --> 00:00:53,199

as opposed to billy meyer who is not

22

00:00:57,750 --> 00:00:56,239

charming in the slightest joe simonton i

23

00:01:00,470 --> 00:00:57,760

would listen to that man if he was still

24

00:01:01,200 --> 00:01:00,480

alive today tell me all about his alien

25

00:01:10,710 --> 00:01:01,210

pancakes

26
00:01:18,060 --> 00:01:13,590
this is somewhere in the skies with ryan

27
00:01:34,710 --> 00:01:31,510
[Music]

28
00:01:37,109 --> 00:01:34,720
we are tipping back a few brews and we

29
00:01:39,429 --> 00:01:37,119
are just gonna chat the night aways

30
00:01:41,990 --> 00:01:39,439
we've got some listener questions that

31
00:01:44,149 --> 00:01:42,000
we're going to answer and today i am so

32
00:01:45,990 --> 00:01:44,159
excited to be doing this with my good

33
00:01:49,350 --> 00:01:46,000
buddy my colleague and my fellow

34
00:01:51,670 --> 00:01:49,360
podcaster rob christopherson of the our

35
00:01:54,149 --> 00:01:51,680
strange skies podcast rob what's going

36
00:01:55,910 --> 00:01:54,159
on my man not too much you know just uh

37
00:01:58,149 --> 00:01:55,920
just a chill night kicking back some

38
00:01:59,910 --> 00:01:58,159

bruce talking about ufos uh so thanks

39
00:02:01,910 --> 00:01:59,920
for having me on man thank you thank you

40
00:02:04,709 --> 00:02:01,920
so much what are you drinking tonight uh

41
00:02:07,910 --> 00:02:04,719
i am kicking back a hearty bottle of

42
00:02:10,469 --> 00:02:07,920
lebat blue my beer of choice oh i love

43
00:02:12,710 --> 00:02:10,479
it you know not many people know the bat

44
00:02:15,750 --> 00:02:12,720
outside of you know the east coast and

45
00:02:18,790 --> 00:02:15,760
canada so to hear that is just you know

46
00:02:22,229 --> 00:02:18,800
making my heart warm up my man

47
00:02:25,510 --> 00:02:22,239
yeah i mean there uh everybody goes to

48
00:02:27,430 --> 00:02:25,520
budweiser in america but the bat is like

49
00:02:29,430 --> 00:02:27,440
budweiser but a little bit lighter so

50
00:02:31,670 --> 00:02:29,440
you're not like kicking your butt by

51
00:02:32,630 --> 00:02:31,680
like eight o'clock at night so that's

52
00:02:34,229 --> 00:02:32,640
why i

53
00:02:36,630 --> 00:02:34,239
that's why you go with lebat it's it's

54
00:02:38,630 --> 00:02:36,640
great oh it's so good and it just you

55
00:02:41,750 --> 00:02:38,640
know it reminds me of home so much i

56
00:02:43,670 --> 00:02:41,760
miss new york and i was home for a few

57
00:02:46,390 --> 00:02:43,680
weeks recently and that's all i drank

58
00:02:49,910 --> 00:02:46,400
was lebat so it tasted good tastes like

59
00:02:52,070 --> 00:02:49,920
home and uh i'm very jealous right now i

60
00:02:55,350 --> 00:02:52,080
am getting a little fancy out here in

61
00:02:58,630 --> 00:02:55,360
los angeles i am drinking uh this is

62
00:03:01,270 --> 00:02:58,640
from modern times brewery right here in

63
00:03:03,830 --> 00:03:01,280

la it's called blazing world i thought

64

00:03:05,990 --> 00:03:03,840

that was very appropriate for tonight uh

65

00:03:08,550 --> 00:03:06,000

it's an amber l a little fruity a little

66

00:03:10,869 --> 00:03:08,560

hoppy a lot more hoppy for an l to be

67

00:03:13,589 --> 00:03:10,879

honest i thought maybe it was an ipa but

68

00:03:15,509 --> 00:03:13,599

which i usually hate i like the darker

69

00:03:17,589 --> 00:03:15,519

stuff i like the ambers

70

00:03:20,390 --> 00:03:17,599

but this is pretty good so i'm gonna go

71

00:03:23,350 --> 00:03:20,400

with this you know it's it's 95 degrees

72

00:03:26,070 --> 00:03:23,360

here i'm i'm recording in my mini studio

73

00:03:27,430 --> 00:03:26,080

which many people know is just my closet

74

00:03:29,430 --> 00:03:27,440

so uh

75

00:03:30,869 --> 00:03:29,440

so to have a nice cold light bear i

76

00:03:34,390 --> 00:03:30,879

think that's a perfect way to get this

77

00:03:36,149 --> 00:03:34,400

thing going absolutely man so we decided

78

00:03:39,430 --> 00:03:36,159

to do this because

79

00:03:42,229 --> 00:03:39,440

dude we talk off air so much about our

80

00:03:44,789 --> 00:03:42,239

grievances with things that go on

81

00:03:46,390 --> 00:03:44,799

in the ufo field and if there's one

82

00:03:49,110 --> 00:03:46,400

thorn in the side that has been

83

00:03:51,030 --> 00:03:49,120

bothering both of us i want to get this

84

00:03:52,550 --> 00:03:51,040

out of the way before we get to the

85

00:03:54,229 --> 00:03:52,560

listener questions which i think is

86

00:03:57,670 --> 00:03:54,239

going to be really fun but we're going

87

00:04:00,229 --> 00:03:57,680

to have what i'm calling a mummy

88

00:04:04,630 --> 00:04:00,239

skeleton party right now so let's take a

89

00:04:10,229 --> 00:04:07,670

so let's start with the 2003 case this

90

00:04:11,990 --> 00:04:10,239

is the atacama skeleton how much

91

00:04:13,429 --> 00:04:12,000

knowledge do you have on this one man

92

00:04:15,670 --> 00:04:13,439

because i remember when this first

93

00:04:17,430 --> 00:04:15,680

started and i remember when the first

94

00:04:19,349 --> 00:04:17,440

images started going around about it and

95

00:04:21,909 --> 00:04:19,359

i i will admit it was extremely

96

00:04:24,230 --> 00:04:21,919

compelling and pretty interesting but

97

00:04:26,870 --> 00:04:24,240

then i saw who was connected to this

98

00:04:29,270 --> 00:04:26,880

case so what do you know about our

99

00:04:33,909 --> 00:04:29,280

little atacama baby here

100

00:04:36,070 --> 00:04:33,919

so it was discovered in 2003 in

101

00:04:37,830 --> 00:04:36,080

uh it was in a chilean town near the

102

00:04:41,030 --> 00:04:37,840

atacama desert

103

00:04:44,150 --> 00:04:41,040

it was found by a guy named oscar munoz

104

00:04:46,230 --> 00:04:44,160

and he ended up selling it to a spanish

105

00:04:49,510 --> 00:04:46,240

businessman and

106

00:04:52,710 --> 00:04:49,520

eventually there were people that got

107

00:04:55,909 --> 00:04:52,720

wind of it one notable individual mr

108

00:04:57,590 --> 00:04:55,919

stephen greer who um how do we uh uh

109

00:04:58,870 --> 00:04:57,600

we're not fans let's just put it that

110

00:04:59,990 --> 00:04:58,880

way we're not

111

00:05:02,790 --> 00:05:00,000

sorry

112

00:05:04,550 --> 00:05:02,800

uh i'm gonna have to clean that up

113

00:05:08,230 --> 00:05:04,560

you were saying

114

00:05:10,790 --> 00:05:08,240

we're not fans of of this individual but

115

00:05:12,550 --> 00:05:10,800

on uh on one of his documentaries what

116

00:05:14,710 --> 00:05:12,560

what the heck documentary was that it

117

00:05:16,870 --> 00:05:14,720

wasn't it was the latest one

118

00:05:19,350 --> 00:05:16,880

was it yeah it was just yeah it was

119

00:05:21,749 --> 00:05:19,360

serious and let me tell you he was

120

00:05:25,749 --> 00:05:21,759

seriously talking about how this thing

121

00:05:27,029 --> 00:05:25,759

was an alien um nice pun yeah

122

00:05:28,870 --> 00:05:27,039

well i mean no matter what i mean if

123

00:05:30,790 --> 00:05:28,880

you're a scientist and in the biologies

124

00:05:32,790 --> 00:05:30,800

yeah if this is we know this is an

125

00:05:35,990 --> 00:05:32,800

organism it's not matched up to any

126

00:05:39,350 --> 00:05:36,000

primate right any ancient hominid any

127

00:05:41,270 --> 00:05:39,360

modern primate any thing that is known

128

00:05:43,830 --> 00:05:41,280

so it's it's an unknown right it's what

129

00:05:46,310 --> 00:05:43,840

discovery is about and so you know the

130

00:05:47,990 --> 00:05:46,320

point i make to people is that

131

00:05:50,469 --> 00:05:48,000

so let it go where it goes

132

00:05:52,469 --> 00:05:50,479

i mean it's a it's a short skeleton it's

133

00:05:55,430 --> 00:05:52,479

only uh i think like

134

00:05:59,430 --> 00:05:55,440

15 or 16 inches long

135

00:06:03,110 --> 00:05:59,440

and eventually gary nolan and his team

136

00:06:05,189 --> 00:06:03,120

actually did dna studies on the skeleton

137

00:06:08,710 --> 00:06:05,199

they found it to be you know human

138

00:06:09,990 --> 00:06:08,720

because we've never had alien bodies i

139

00:06:12,230 --> 00:06:10,000

don't believe we've ever had alien

140

00:06:14,629 --> 00:06:12,240

bodies and it certainly didn't look

141

00:06:17,430 --> 00:06:14,639

alien to me it just looked like a child

142

00:06:20,309 --> 00:06:17,440

that obviously had some problems some

143

00:06:22,150 --> 00:06:20,319

deformities of some kind and now gary

144

00:06:25,110 --> 00:06:22,160

nolan is under fire

145

00:06:26,870 --> 00:06:25,120

for testing the skeleton it's dna

146

00:06:30,550 --> 00:06:26,880

because they went about it uh

147

00:06:33,270 --> 00:06:30,560

unethically and it it this thing is just

148

00:06:35,110 --> 00:06:33,280

a disaster all the way around absolutely

149

00:06:36,469 --> 00:06:35,120

you know and

150

00:06:38,790 --> 00:06:36,479

the thing is this thing has been

151
00:06:41,430 --> 00:06:38,800
haunting us forever now we thought it

152
00:06:44,070 --> 00:06:41,440
was kind of done and now

153
00:06:45,510 --> 00:06:44,080
you know once once they once they sort

154
00:06:47,990 --> 00:06:45,520
of i'm going to put that in quotes

155
00:06:50,230 --> 00:06:48,000
definitively said this was human this

156
00:06:51,909 --> 00:06:50,240
was a stillborn of a

157
00:06:54,390 --> 00:06:51,919
a a female

158
00:06:56,390 --> 00:06:54,400
stephen greer and his cronies they

159
00:06:59,189 --> 00:06:56,400
refused to give up on this thing you

160
00:07:00,309 --> 00:06:59,199
know they they said we gotta give this

161
00:07:02,309 --> 00:07:00,319
thing back

162
00:07:05,430 --> 00:07:02,319
like this is so unethical that we keep

163
00:07:07,589 --> 00:07:05,440

doing this and greer went so far as to

164

00:07:09,670 --> 00:07:07,599

say that this was a cover-up within the

165

00:07:11,189 --> 00:07:09,680

scientific community

166

00:07:14,070 --> 00:07:11,199

dude this is

167

00:07:16,550 --> 00:07:14,080

this is disgusting it's it's immoral and

168

00:07:18,790 --> 00:07:16,560

it's just plain stupid i i can't even

169

00:07:20,309 --> 00:07:18,800

believe that this is up for debate in

170

00:07:22,469 --> 00:07:20,319

the ufo community still and i can't

171

00:07:24,950 --> 00:07:22,479

believe people like carol sue rosin

172

00:07:27,029 --> 00:07:24,960

promote greer's actions with this yeah

173

00:07:29,430 --> 00:07:27,039

you know um i used to respect this woman

174

00:07:32,230 --> 00:07:29,440

and to see that she's doing this it just

175

00:07:34,870 --> 00:07:32,240

it disheartens me so much

176

00:07:38,309 --> 00:07:34,880

yeah because it it precludes the fact

177

00:07:41,749 --> 00:07:38,319

like we need to stop dehumanizing

178

00:07:43,909 --> 00:07:41,759

whatever we find in archaeological digs

179

00:07:45,990 --> 00:07:43,919

in order to get us to that next step

180

00:07:47,110 --> 00:07:46,000

where we think we discovered alien life

181

00:07:49,589 --> 00:07:47,120

it is

182

00:07:53,749 --> 00:07:49,599

one of the most disgusting things i have

183

00:07:56,230 --> 00:07:53,759

ever come across it is highly unethical

184

00:07:59,510 --> 00:07:56,240

and it just gets my blood boiling it's a

185

00:08:00,869 --> 00:07:59,520

200 year old skeleton of a stillborn

186

00:08:03,029 --> 00:08:00,879

child and

187

00:08:05,029 --> 00:08:03,039

let's be honest to begin with gary nolan

188

00:08:07,029 --> 00:08:05,039

thought this thing was eight years old

189

00:08:09,110 --> 00:08:07,039

like what why what would make you think

190

00:08:09,830 --> 00:08:09,120

it's eight years old but look there was

191

00:08:15,189 --> 00:08:09,840

a

192

00:08:19,270 --> 00:08:15,199

put

193

00:08:22,150 --> 00:08:19,280

like you can look at features of the

194

00:08:24,469 --> 00:08:22,160

skeleton and say it's 100 human it's

195

00:08:26,550 --> 00:08:24,479

it's a child like

196

00:08:28,869 --> 00:08:26,560

what are these people thinking

197

00:08:31,749 --> 00:08:28,879

and this is not the only case of this i

198

00:08:35,350 --> 00:08:31,759

mean oh god right there

199

00:08:37,190 --> 00:08:35,360

there are two others 2003 2003 this is

200

00:08:39,190 --> 00:08:37,200

when this sort of started so we learned

201
00:08:41,029 --> 00:08:39,200
our lesson right right rob we're not we

202
00:08:43,909 --> 00:08:41,039
would never do this again

203
00:08:46,630 --> 00:08:43,919
no no we didn't we didn't learn our our

204
00:08:50,870 --> 00:08:46,640
lesson at all um of course

205
00:08:53,110 --> 00:08:50,880
we have uh the peruvian mummies that uh

206
00:08:55,509 --> 00:08:53,120
were recently discovered

207
00:08:58,070 --> 00:08:55,519
i forget how long ago now maybe a couple

208
00:09:00,310 --> 00:08:58,080
years ago now that had they had

209
00:09:03,190 --> 00:09:00,320
deformities they had three fingers and i

210
00:09:05,509 --> 00:09:03,200
believe three toes and they had

211
00:09:06,389 --> 00:09:05,519
supposedly elongated heads

212
00:09:08,550 --> 00:09:06,399
and

213
00:09:10,550 --> 00:09:08,560

for the longest time they're touting

214

00:09:11,750 --> 00:09:10,560

these as alien mummies

215

00:09:15,509 --> 00:09:11,760

alien

216

00:09:17,350 --> 00:09:15,519

mommies mummies nazca peru and uh

217

00:09:20,190 --> 00:09:17,360

so yeah that was i believe it was either

218

00:09:23,190 --> 00:09:20,200

the tail end of 2016 or

219

00:09:26,630 --> 00:09:23,200

2017 maybe even early just when this

220

00:09:29,030 --> 00:09:26,640

came about and uh so who was first

221

00:09:32,389 --> 00:09:29,040

connected to this because this guy is

222

00:09:34,230 --> 00:09:32,399

gonna come up in our next one as well um

223

00:09:37,670 --> 00:09:34,240

our favorite person

224

00:09:39,750 --> 00:09:37,680

from mexico city mr

225

00:09:41,990 --> 00:09:39,760

mr heimi musan

226

00:09:44,150 --> 00:09:42,000

my name is jaime mausan i am an

227

00:09:46,790 --> 00:09:44,160

investigative journalist and i've been

228

00:09:50,150 --> 00:09:46,800

working as a journalist for the last 47

229

00:09:51,750 --> 00:09:50,160

years of my life

230

00:09:54,400 --> 00:09:51,760

he's one of your favorites

231

00:09:55,910 --> 00:09:54,410

one of your favorites

232

00:09:58,230 --> 00:09:55,920

[Laughter]

233

00:10:01,110 --> 00:09:58,240

that's the sound of 7 000 people

234

00:10:03,990 --> 00:10:01,120

clapping for him at his be witness event

235

00:10:06,949 --> 00:10:04,000

but we'll get to that in just a minute

236

00:10:08,870 --> 00:10:06,959

so the nazca peru mummy rob this

237

00:10:10,310 --> 00:10:08,880

what they sort of deduced from this and

238

00:10:11,910 --> 00:10:10,320

i know there's still

239

00:10:14,710 --> 00:10:11,920

tests being done

240

00:10:17,430 --> 00:10:14,720

on this um they believe that this was

241

00:10:20,550 --> 00:10:17,440

almost an amalgamation of different body

242

00:10:22,230 --> 00:10:20,560

parts from different mummies that were

243

00:10:23,990 --> 00:10:22,240

infused together

244

00:10:26,550 --> 00:10:24,000

this if you look at the photos of this

245

00:10:28,150 --> 00:10:26,560

thing it's got like this like white

246

00:10:30,310 --> 00:10:28,160

powdery

247

00:10:33,509 --> 00:10:30,320

plaster over it the moments are covered

248

00:10:36,470 --> 00:10:33,519

completely in this white dust but it's

249

00:10:37,670 --> 00:10:36,480

not just white dust it's something that

250

00:10:38,949 --> 00:10:37,680

is going to

251
00:10:41,670 --> 00:10:38,959
really

252
00:10:44,150 --> 00:10:41,680
dry the skin and the skin will be able

253
00:10:45,990 --> 00:10:44,160
to survive for so many years and they

254
00:10:47,509 --> 00:10:46,000
say this is what you know is masking

255
00:10:49,350 --> 00:10:47,519
that different body parts are put

256
00:10:51,509 --> 00:10:49,360
together so whatever this thing is it

257
00:10:53,829 --> 00:10:51,519
seems like there were you know grave

258
00:10:56,069 --> 00:10:53,839
robbers who kind of took piece by piece

259
00:10:57,670 --> 00:10:56,079
and lego'd this thing together

260
00:11:01,030 --> 00:10:57,680
maybe hoping someone would find it

261
00:11:03,829 --> 00:11:01,040
someday and someone did find it and i

262
00:11:06,790 --> 00:11:03,839
know that jaime put a lot of money into

263
00:11:10,389 --> 00:11:06,800

this you know to get the thing but again

264

00:11:17,269 --> 00:11:10,399

we are dealing with the remains of human

265

00:11:23,110 --> 00:11:20,150

no it's ridiculous man because like and

266

00:11:25,990 --> 00:11:23,120

i mean like it wasn't just jaime it was

267

00:11:27,590 --> 00:11:26,000

gaia.com gaia is completely committed to

268

00:11:29,670 --> 00:11:27,600

the story we're gonna let you know if

269

00:11:31,269 --> 00:11:29,680

it's human if it's non-human like i said

270

00:11:33,990 --> 00:11:31,279

our whole mission

271

00:11:36,389 --> 00:11:34,000

is just pure curiosity what could it be

272

00:11:38,790 --> 00:11:36,399

and to honestly give a journalistic

273

00:11:40,550 --> 00:11:38,800

approach to that that is our mission and

274

00:11:43,509 --> 00:11:40,560

that's what we hope to bring to you yes

275

00:11:47,110 --> 00:11:45,350

that series of documentaries about it

276

00:11:49,829 --> 00:11:47,120

and it's just like

277

00:11:51,670 --> 00:11:49,839

did you guys even bother to to like go

278

00:11:53,910 --> 00:11:51,680

through genetic testing before you just

279

00:11:55,590 --> 00:11:53,920

touted this thing is an alien and and

280

00:11:57,030 --> 00:11:55,600

that frustrates me more than anything

281

00:11:58,710 --> 00:11:57,040

that's that's not even good science

282

00:12:01,670 --> 00:11:58,720

that's not even science at all it's just

283

00:12:03,509 --> 00:12:01,680

speculation exactly yes and for a price

284

00:12:05,670 --> 00:12:03,519

you get to follow you know their

285

00:12:07,030 --> 00:12:05,680

discoveries as they make them this is

286

00:12:08,949 --> 00:12:07,040

just the beginning

287

00:12:11,590 --> 00:12:08,959

this is not the end not even with the

288

00:12:13,430 --> 00:12:11,600

samples there is so much more to come

289

00:12:15,829 --> 00:12:13,440

news flash it's

290

00:12:17,910 --> 00:12:15,839

body parts from humans okay so the most

291

00:12:20,069 --> 00:12:17,920

frustrating one out of these for me man

292

00:12:22,870 --> 00:12:20,079

was actually a couple years before the

293

00:12:27,030 --> 00:12:22,880

peru mummy and this was

294

00:12:34,230 --> 00:12:31,030

the roswell slides how nostalgic at this

295

00:12:35,829 --> 00:12:34,240

point oh yeah right

296

00:12:39,269 --> 00:12:35,839

so this

297

00:12:41,910 --> 00:12:39,279

sort of started um almost a year before

298

00:12:45,590 --> 00:12:41,920

the quote-unquote roswell slides came

299

00:12:46,870 --> 00:12:45,600

out when mr tom carey one of the

300

00:12:49,030 --> 00:12:46,880

original

301
00:12:52,949 --> 00:12:49,040
investigators most well-known on the

302
00:12:54,150 --> 00:12:52,959
roswell case said at an event we have a

303
00:12:55,990 --> 00:12:54,160
body

304
00:12:58,310 --> 00:12:56,000
and we have proof

305
00:12:59,910 --> 00:12:58,320
so this kind of went under the radar but

306
00:13:03,190 --> 00:12:59,920
i remember reading about it and i was

307
00:13:05,030 --> 00:13:03,200
like holy [h__h] what what he's just gonna

308
00:13:07,110 --> 00:13:05,040
leave us hanging like that

309
00:13:09,269 --> 00:13:07,120
and that that really got the ufo

310
00:13:11,910 --> 00:13:09,279
community buzz you know that tom carrey

311
00:13:13,910 --> 00:13:11,920
one of the lead investigators on roswell

312
00:13:15,990 --> 00:13:13,920
was saying that we have a body

313
00:13:17,590 --> 00:13:16,000

and then it kind of went silent for a

314

00:13:20,389 --> 00:13:17,600

while do you remember that

315

00:13:22,870 --> 00:13:20,399

yep yep they didn't nothing nothing came

316

00:13:24,790 --> 00:13:22,880

out and then oh god oh god and then it

317

00:13:26,790 --> 00:13:24,800

all came out

318

00:13:29,190 --> 00:13:26,800

yeah um

319

00:13:32,069 --> 00:13:29,200

well for for one thing okay let's just

320

00:13:35,590 --> 00:13:32,079

let's just describe this this photo of

321

00:13:36,870 --> 00:13:35,600

this mummy it's under glass clearly

322

00:13:38,870 --> 00:13:36,880

under glass

323

00:13:42,710 --> 00:13:38,880

it's also in a museum you could tell

324

00:13:45,430 --> 00:13:42,720

it's in a museum and i don't get where

325

00:13:47,350 --> 00:13:45,440

the alien portion comes it's

326

00:13:49,430 --> 00:13:47,360

like even if you go on the description

327

00:13:51,829 --> 00:13:49,440

of the bodies that were supposedly found

328

00:13:54,790 --> 00:13:51,839

at roswell is way too short for that

329

00:13:57,110 --> 00:13:54,800

right exactly well okay and even even

330

00:13:59,829 --> 00:13:57,120

like you said under glass in a museum

331

00:14:02,150 --> 00:13:59,839

with a placard yeah placard and you

332

00:14:03,910 --> 00:14:02,160

could tell that the placard was uh i

333

00:14:05,829 --> 00:14:03,920

believe it was

334

00:14:07,509 --> 00:14:05,839

rearranged or moved so you couldn't

335

00:14:09,189 --> 00:14:07,519

actually see what it said

336

00:14:11,350 --> 00:14:09,199

because in the photo you can see that

337

00:14:13,350 --> 00:14:11,360

it's just white there's nothing you

338

00:14:15,509 --> 00:14:13,360

could discern from it so obviously that

339

00:14:17,670 --> 00:14:15,519

was moved but Carrie what are you

340

00:14:18,870 --> 00:14:17,680

thinking man like you just shot yourself

341

00:14:20,870 --> 00:14:18,880

in the foot

342

00:14:21,509 --> 00:14:20,880

like the guy one of the guys that gave

343

00:14:24,389 --> 00:14:21,519

us

344

00:14:26,949 --> 00:14:24,399

the essential timeline to Roswell and

345

00:14:29,590 --> 00:14:26,959

you and you go and you present crap like

346

00:14:32,790 --> 00:14:29,600

this your credibility is down the tubes

347

00:14:35,189 --> 00:14:32,800

and and and for me like Roswell is one

348

00:14:37,269 --> 00:14:35,199

of those things like when somebody asks

349

00:14:38,230 --> 00:14:37,279

me to recommend them a book

350

00:14:42,550 --> 00:14:38,240

like

351
00:14:44,150 --> 00:14:42,560
give them something that will maybe wet

352
00:14:46,629 --> 00:14:44,160
their whistle or something like that

353
00:14:49,110 --> 00:14:46,639
that's kind of what roswell is because

354
00:14:50,790 --> 00:14:49,120
there's so much crap to roswell so much

355
00:14:53,189 --> 00:14:50,800
controversy that it's

356
00:14:55,910 --> 00:14:53,199
it's almost a joke now at least it is to

357
00:14:58,550 --> 00:14:55,920
me i mean there may be some people that

358
00:15:00,310 --> 00:14:58,560
are finding new avenues and stuff like

359
00:15:02,870 --> 00:15:00,320
nick redferr's stuff is great right you

360
00:15:04,949 --> 00:15:02,880
know it's it's an interesting theory

361
00:15:07,110 --> 00:15:04,959
that you know is completely plausible

362
00:15:09,750 --> 00:15:07,120
but i i think like

363
00:15:11,829 --> 00:15:09,760

the roswell thing we just

364

00:15:13,269 --> 00:15:11,839

people got to stop acting like they

365

00:15:15,590 --> 00:15:13,279

found the new

366

00:15:18,150 --> 00:15:15,600

hip thing we found the bodies like no we

367

00:15:21,189 --> 00:15:18,160

haven't stop it yeah well and here's the

368

00:15:23,350 --> 00:15:21,199

thing man like so this whole debacle

369

00:15:25,670 --> 00:15:23,360

went down jaime musson rented out this

370

00:15:27,030 --> 00:15:25,680

huge auditorium and it was mexico city

371

00:15:28,790 --> 00:15:27,040

right yeah

372

00:15:30,150 --> 00:15:28,800

supposedly there were seven thousand or

373

00:15:32,230 --> 00:15:30,160

so people there

374

00:15:34,389 --> 00:15:32,240

uh he packed the place because he's

375

00:15:36,470 --> 00:15:34,399

really he's a celebrity there and he

376

00:15:38,870 --> 00:15:36,480

said that they had an alien body they

377

00:15:41,590 --> 00:15:38,880

had definitive proof that they found the

378

00:15:44,550 --> 00:15:41,600

roswell alien and there's proof done

379

00:15:45,990 --> 00:15:44,560

boom be witness witness the change of

380

00:15:48,550 --> 00:15:46,000

history

381

00:15:51,030 --> 00:15:48,560

hire your pay-per-view service now so

382

00:15:53,910 --> 00:15:51,040

you can enjoy the biggest event of all

383

00:15:56,069 --> 00:15:53,920

time high memo sign brings to you the

384

00:15:59,030 --> 00:15:56,079

evidence that extraterrestrial beings

385

00:16:02,550 --> 00:15:59,040

and the ufo phenomenon are a reality on

386

00:16:04,230 --> 00:16:02,560

our planet and that in 1947

387

00:16:07,350 --> 00:16:04,240

people who came from the deaths of the

388

00:16:09,509 --> 00:16:07,360

cosmos were recovered and also you could

389

00:16:12,230 --> 00:16:09,519

pay online to watch the entire event

390

00:16:15,829 --> 00:16:12,240

this event lasted four and a half hours

391

00:16:19,990 --> 00:16:15,839

to show one [h__\h] slide oh my god so

392

00:16:22,150 --> 00:16:20,000

it was david ike level madness

393

00:16:24,389 --> 00:16:22,160

it reminded me of like the days of like

394

00:16:26,310 --> 00:16:24,399

you know the the the freak shows the

395

00:16:29,670 --> 00:16:26,320

circus yeah you know the circus was in

396

00:16:32,069 --> 00:16:29,680

town that day for for this event and

397

00:16:33,749 --> 00:16:32,079

again you mentioned tom carrey let's not

398

00:16:34,829 --> 00:16:33,759

forget don schmidt being involved with

399

00:16:38,629 --> 00:16:34,839

this as

400

00:16:40,710 --> 00:16:38,639

well the all-star roswell people and

401

00:16:43,430 --> 00:16:40,720

here's the thing with this one

402

00:16:45,829 --> 00:16:43,440

rob i don't know about you i still am

403

00:16:46,870 --> 00:16:45,839

questioning whether carrie and schmidt

404

00:16:49,910 --> 00:16:46,880

like

405

00:16:51,990 --> 00:16:49,920

if they really genuinely thought this

406

00:16:54,790 --> 00:16:52,000

was authentic and this was going to be

407

00:16:57,430 --> 00:16:54,800

it or if they knew all along that this

408

00:16:59,590 --> 00:16:57,440

was all a guise of this adam do

409

00:17:01,350 --> 00:16:59,600

character who brought the slides forward

410

00:17:04,069 --> 00:17:01,360

was going to make this documentary about

411

00:17:06,710 --> 00:17:04,079

the slides and that never came to be

412

00:17:08,630 --> 00:17:06,720

apparently right um i think dew was

413

00:17:10,710 --> 00:17:08,640

behind this the whole time and duped

414

00:17:12,150 --> 00:17:10,720

everybody probably made off with a [h__\h]

415

00:17:13,510 --> 00:17:12,160

ton of money but

416

00:17:15,590 --> 00:17:13,520

at the end of the day

417

00:17:18,309 --> 00:17:15,600

this one really

418

00:17:20,230 --> 00:17:18,319

really hurt the ufo community for a

419

00:17:22,870 --> 00:17:20,240

while you know it was a huge joke in the

420

00:17:25,189 --> 00:17:22,880

mainstream and it was a huge joke to us

421

00:17:27,829 --> 00:17:25,199

as well you know don schmidt i will give

422

00:17:30,710 --> 00:17:27,839

him credit you know wrote a really long

423

00:17:33,190 --> 00:17:30,720

apology about it and said i i was i i

424

00:17:35,430 --> 00:17:33,200

just got caught up in it i got excited

425

00:17:37,669 --> 00:17:35,440

and you know this is just a lesson i've

426

00:17:39,190 --> 00:17:37,679

learned that's okay dude but how many

427

00:17:43,029 --> 00:17:39,200

lessons do you have to learn before you

428

00:17:45,990 --> 00:17:43,039

can say like we don't have bodies like

429

00:17:47,750 --> 00:17:46,000

right we're we're over 70 years now you

430

00:17:49,510 --> 00:17:47,760

could stop with the bodies thing you

431

00:17:50,549 --> 00:17:49,520

could just stop it

432

00:17:52,150 --> 00:17:50,559

and

433

00:17:54,630 --> 00:17:52,160

they said they couldn't decipher that

434

00:17:58,390 --> 00:17:54,640

placard we were talking about somebody

435

00:18:00,789 --> 00:17:58,400

did it a day later after the slide was

436

00:18:02,390 --> 00:18:00,799

out to the public a day later

437

00:18:05,270 --> 00:18:02,400

you're telling me you guys investigated

438

00:18:08,310 --> 00:18:05,280

this slide for years to see its

439

00:18:10,310 --> 00:18:08,320

authenticity and in a day a group of

440

00:18:11,029 --> 00:18:10,320

people was able to yeah

441

00:18:12,150 --> 00:18:11,039

yeah

442

00:18:16,950 --> 00:18:12,160

it's

443

00:18:19,350 --> 00:18:16,960

stock in the alien mummy thing we just

444

00:18:22,150 --> 00:18:19,360

need to stop it just listen like we

445

00:18:25,909 --> 00:18:22,160

don't even know what an alien is we just

446

00:18:28,549 --> 00:18:25,919

have this massive pop cultural

447

00:18:30,470 --> 00:18:28,559

thing where the alien has an enlarged

448

00:18:33,430 --> 00:18:30,480

head almond-shaped eyes and that's

449

00:18:35,590 --> 00:18:33,440

that's the only alien that we have like

450

00:18:37,830 --> 00:18:35,600

no we need to we need to stop we've

451
00:18:40,230 --> 00:18:37,840
never we don't have physical proof of an

452
00:18:42,870 --> 00:18:40,240
alien we just don't like if you want to

453
00:18:44,390 --> 00:18:42,880
go so far as to say that neil armstrong

454
00:18:46,870 --> 00:18:44,400
was an alien for stepping foot on the

455
00:18:49,909 --> 00:18:46,880
moon go ahead go ahead that's fine

456
00:18:52,390 --> 00:18:49,919
that's fine yeah but other than that we

457
00:18:54,630 --> 00:18:52,400
just need to stop speculating that

458
00:18:56,390 --> 00:18:54,640
human bodies found in the desert because

459
00:18:58,230 --> 00:18:56,400
these were all found in the desert have

460
00:19:00,150 --> 00:18:58,240
you noticed that yeah

461
00:19:02,230 --> 00:19:00,160
yeah exactly

462
00:19:04,150 --> 00:19:02,240
just human bodies found in the desert

463
00:19:06,710 --> 00:19:04,160

don't speculate they're aliens people

464

00:19:08,470 --> 00:19:06,720

please do not speculate they're aliens

465

00:19:10,789 --> 00:19:08,480

we don't have physical proof of an alien

466

00:19:12,870 --> 00:19:10,799

just stop it just stop it you know what

467

00:19:15,830 --> 00:19:12,880

i i i have nothing to add to that just

468

00:19:18,549 --> 00:19:15,840

stop it all right my man so moving on to

469

00:19:21,029 --> 00:19:18,559

another discussion you and i have had

470

00:19:23,990 --> 00:19:21,039

off air the term

471

00:19:26,710 --> 00:19:24,000

ufo now this is a big one under

472

00:19:29,669 --> 00:19:26,720

contention as of late i'd say especially

473

00:19:33,669 --> 00:19:29,679

after hillary clinton you know went

474

00:19:36,230 --> 00:19:33,679

public with uap in in in the press you

475

00:19:38,870 --> 00:19:36,240

know leading up to uh the election night

476

00:19:42,630 --> 00:19:38,880

and and you know there's a new name it's

477

00:19:44,630 --> 00:19:42,640

unexplained aerial phenomenon

478

00:19:46,950 --> 00:19:44,640

unexplained aerial phenomena really yep

479

00:19:49,029 --> 00:19:46,960

uap that's the latest nomenclature i

480

00:19:52,070 --> 00:19:49,039

like the old one i like ufo i don't know

481

00:19:53,270 --> 00:19:52,080

why so this one this one it's hard

482

00:19:54,710 --> 00:19:53,280

because

483

00:19:57,990 --> 00:19:54,720

we're so

484

00:19:59,830 --> 00:19:58,000

so conditioned to the acronym ufo when

485

00:20:03,430 --> 00:19:59,840

it comes to this topic

486

00:20:05,029 --> 00:20:03,440

but it's really not good anymore for

487

00:20:06,230 --> 00:20:05,039

what we're dealing with so i'm going to

488

00:20:07,590 --> 00:20:06,240

let you take the lead on this one

489

00:20:09,990 --> 00:20:07,600

because this was this was one you

490

00:20:12,710 --> 00:20:10,000

brought up to me first and foremost so

491

00:20:13,909 --> 00:20:12,720

yeah why isn't it why is it inadequate

492

00:20:14,950 --> 00:20:13,919

there we go

493

00:20:16,870 --> 00:20:14,960

well

494

00:20:18,549 --> 00:20:16,880

if we go back to the origins we go back

495

00:20:21,350 --> 00:20:18,559

to 52

496

00:20:23,110 --> 00:20:21,360

and we're going to project blue book and

497

00:20:25,110 --> 00:20:23,120

they were kind of looking for a new term

498

00:20:27,669 --> 00:20:25,120

to describe these because flying saucers

499

00:20:30,149 --> 00:20:27,679

just wasn't cutting it because i mean

500

00:20:32,789 --> 00:20:30,159

there's so much ridicule to the term and

501
00:20:34,470 --> 00:20:32,799
not everything was a saucer so it might

502
00:20:37,350 --> 00:20:34,480
have been rupelt himself that came up

503
00:20:40,149 --> 00:20:37,360
with the term unidentified flying object

504
00:20:42,310 --> 00:20:40,159
and i believe it was yeah yeah and

505
00:20:43,590 --> 00:20:42,320
the problem that i have with the term is

506
00:20:46,789 --> 00:20:43,600
is the word

507
00:20:49,110 --> 00:20:46,799
object and the the problem is is that

508
00:20:50,310 --> 00:20:49,120
you've you've now front loaded the term

509
00:20:53,029 --> 00:20:50,320
if we're

510
00:20:55,669 --> 00:20:53,039
taking ufos into this larger context of

511
00:20:58,230 --> 00:20:55,679
something that may not be 100 physical

512
00:21:00,870 --> 00:20:58,240
it doesn't totally fall in the realm of

513
00:21:03,430 --> 00:21:00,880

an object it's it's something else

514

00:21:05,990 --> 00:21:03,440

beyond that so for me

515

00:21:09,750 --> 00:21:06,000

object just it's too

516

00:21:11,590 --> 00:21:09,760

limiting as to what a ufo could be and

517

00:21:13,830 --> 00:21:11,600

also too the way that people throw

518

00:21:16,470 --> 00:21:13,840

around the term ufo i don't know if they

519

00:21:18,390 --> 00:21:16,480

totally understand it because like what

520

00:21:20,390 --> 00:21:18,400

i'll hear in conversations all the time

521

00:21:22,470 --> 00:21:20,400

is like well it was unidentified and it

522

00:21:24,630 --> 00:21:22,480

was flying so it's got to be a ufo and

523

00:21:26,870 --> 00:21:24,640

like no that's not what the term ufo

524

00:21:29,190 --> 00:21:26,880

means that's not what its intention was

525

00:21:31,270 --> 00:21:29,200

the intention was and i think

526

00:21:33,590 --> 00:21:31,280

the way heinek put it was you see

527

00:21:35,350 --> 00:21:33,600

something in the sky uh that remains

528

00:21:37,029 --> 00:21:35,360

unidentified long enough for someone to

529

00:21:40,549 --> 00:21:37,039

write a report about it

530

00:21:42,390 --> 00:21:40,559

yes or something like that but oh god

531

00:21:44,789 --> 00:21:42,400

yeah it's like not everything that's in

532

00:21:47,430 --> 00:21:44,799

the sky that you see is a ufo it has the

533

00:21:50,470 --> 00:21:47,440

potential to be a ufo but unless you got

534

00:21:52,230 --> 00:21:50,480

eyes and ears on it it and it's totally

535

00:21:55,430 --> 00:21:52,240

been investigated then it's not really a

536

00:21:58,549 --> 00:21:55,440

ufo i mean even if you go to heinek's

537

00:22:01,590 --> 00:21:58,559

long drawn out definition of ufo in the

538

00:22:03,669 --> 00:22:01,600

ufo uh experience it's

539

00:22:06,549 --> 00:22:03,679

there's working parts there i mean you

540

00:22:08,149 --> 00:22:06,559

got the person that sees it you've got

541

00:22:09,510 --> 00:22:08,159

you got the object itself and then the

542

00:22:11,510 --> 00:22:09,520

person that

543

00:22:13,669 --> 00:22:11,520

investigates it so it's a little more

544

00:22:15,830 --> 00:22:13,679

complicated than we

545

00:22:17,830 --> 00:22:15,840

then than we make it out to be but also

546

00:22:21,190 --> 00:22:17,840

it's just very limiting because

547

00:22:24,230 --> 00:22:21,200

yeah objects realistically a ufo you're

548

00:22:26,549 --> 00:22:24,240

only observing it with one sense most of

549

00:22:29,350 --> 00:22:26,559

the time yeah i mean sometimes you hear

550

00:22:32,070 --> 00:22:29,360

you hear something you get two but like

551
00:22:33,590 --> 00:22:32,080
that's pretty much it so

552
00:22:36,630 --> 00:22:33,600
i feel like

553
00:22:39,350 --> 00:22:36,640
ufo is definitely limiting to

554
00:22:43,190 --> 00:22:39,360
where people like john keel jacques

555
00:22:46,070 --> 00:22:43,200
valley uh even heinek towards the middle

556
00:22:48,870 --> 00:22:46,080
seventies on we're we're you know

557
00:22:50,950 --> 00:22:48,880
working with this and we're theorizing

558
00:22:53,270 --> 00:22:50,960
about it like it's

559
00:22:54,789 --> 00:22:53,280
object is just a little too limiting for

560
00:22:56,310 --> 00:22:54,799
me and

561
00:22:59,029 --> 00:22:56,320
you know maybe

562
00:23:00,710 --> 00:22:59,039
maybe clinton was a little too you know

563
00:23:02,470 --> 00:23:00,720

a little too brash you need to dial it

564

00:23:05,830 --> 00:23:02,480

back a bit you're not in the community

565

00:23:07,350 --> 00:23:05,840

lady yeah she wishes she wishes

566

00:23:09,029 --> 00:23:07,360

yeah just because you hang with john

567

00:23:11,590 --> 00:23:09,039

podesta doesn't mean you're part of this

568

00:23:12,950 --> 00:23:11,600

stop it i know fear of missing out on

569

00:23:14,070 --> 00:23:12,960

her part

570

00:23:15,830 --> 00:23:14,080

yeah

571

00:23:17,990 --> 00:23:15,840

so i guess you know my question for you

572

00:23:20,230 --> 00:23:18,000

rob would be then what what should we

573

00:23:21,909 --> 00:23:20,240

call them if we're not going to use ufo

574

00:23:23,590 --> 00:23:21,919

anymore because of all the baggage that

575

00:23:25,190 --> 00:23:23,600

comes with that what should we call

576

00:23:27,510 --> 00:23:25,200

these things or should we just use all

577

00:23:30,630 --> 00:23:27,520

different acronyms at this point i mean

578

00:23:33,510 --> 00:23:30,640

i'm all for like singling in and

579

00:23:35,510 --> 00:23:33,520

expediting but yeah what do we do if we

580

00:23:36,470 --> 00:23:35,520

can't use this term that we've had for

581

00:23:39,750 --> 00:23:36,480

so long

582

00:23:42,310 --> 00:23:39,760

right well i mean uap's

583

00:23:44,470 --> 00:23:42,320

it's a good term in in terms of

584

00:23:45,909 --> 00:23:44,480

it's not it's broad it's it's not

585

00:23:47,750 --> 00:23:45,919

limiting it's

586

00:23:49,590 --> 00:23:47,760

it's good to go with but

587

00:23:51,750 --> 00:23:49,600

maybe there is another term out there

588

00:23:55,110 --> 00:23:51,760

maybe we'll come across it down the line

589

00:23:57,510 --> 00:23:55,120

but i i think uap is a good start maybe

590

00:23:59,590 --> 00:23:57,520

we could refine it down the line but

591

00:24:01,350 --> 00:23:59,600

it's a good start it is a good start

592

00:24:02,789 --> 00:24:01,360

because you change the o to p for

593

00:24:06,310 --> 00:24:02,799

phenomena but then you still have the

594

00:24:08,070 --> 00:24:06,320

aerial thing you know yeah so what about

595

00:24:10,789 --> 00:24:08,080

what about are the objects seen under

596

00:24:13,350 --> 00:24:10,799

water or this and that yeah it's just it

597

00:24:15,990 --> 00:24:13,360

could go a million different ways so you

598

00:24:17,029 --> 00:24:16,000

know it's tough it's tough yeah and i

599

00:24:19,430 --> 00:24:17,039

mean like

600

00:24:21,990 --> 00:24:19,440

if you think about it too like when we

601
00:24:24,390 --> 00:24:22,000
call them you know abductions that's

602
00:24:26,710 --> 00:24:24,400
also a limiting term too because we

603
00:24:27,750 --> 00:24:26,720
don't fully know what's going on there

604
00:24:30,070 --> 00:24:27,760
and

605
00:24:31,909 --> 00:24:30,080
we can't always document that the people

606
00:24:33,909 --> 00:24:31,919
that are being abducted have actually

607
00:24:36,149 --> 00:24:33,919
left physically so

608
00:24:38,470 --> 00:24:36,159
you know that's another tough one too so

609
00:24:40,870 --> 00:24:38,480
it is yeah we're so

610
00:24:43,750 --> 00:24:40,880
you know in the ufo field in general i'd

611
00:24:47,029 --> 00:24:43,760
say we we're stuck with these terms that

612
00:24:50,710 --> 00:24:47,039
we a lot of the older guard i would say

613
00:24:52,870 --> 00:24:50,720

refuse to adapt to or evolve with so

614

00:24:55,350 --> 00:24:52,880

it's hard it's hard because you know

615

00:24:57,590 --> 00:24:55,360

abductions and ufos we've we've dealt

616

00:25:00,630 --> 00:24:57,600

with this for so long you know but how

617

00:25:02,549 --> 00:25:00,640

do we get the field quote unquote uh to

618

00:25:04,390 --> 00:25:02,559

move forward with these new terms i

619

00:25:06,710 --> 00:25:04,400

guess we just do it one research at a

620

00:25:08,549 --> 00:25:06,720

time and hope the rest will follow and

621

00:25:11,990 --> 00:25:08,559

if not you know going to leave you in

622

00:25:15,110 --> 00:25:12,000

the dust guys i'm sorry guys and girls

623

00:25:17,430 --> 00:25:15,120

i mean that's why this field needs

624

00:25:20,149 --> 00:25:17,440

younger people more young people to you

625

00:25:22,390 --> 00:25:20,159

know get some new inject some new life

626
00:25:24,549 --> 00:25:22,400
into this you know it's definitely

627
00:25:25,750 --> 00:25:24,559
needed at this point because when you

628
00:25:28,390 --> 00:25:25,760
look at

629
00:25:30,630 --> 00:25:28,400
the phenomenon from the course of like

630
00:25:33,590 --> 00:25:30,640
the late 1800s all the way to now it's

631
00:25:34,470 --> 00:25:33,600
evolved on its own it's evolved to suit

632
00:25:37,269 --> 00:25:34,480
like

633
00:25:39,830 --> 00:25:37,279
kind of our needs and what we

634
00:25:42,149 --> 00:25:39,840
need to perceive it as so why shouldn't

635
00:25:44,470 --> 00:25:42,159
we evolve with it i love that well you

636
00:25:47,430 --> 00:25:44,480
did mention heinek a couple times and i

637
00:25:49,909 --> 00:25:47,440
have to ask you on the spot here we had

638
00:25:53,029 --> 00:25:49,919

this past week a trailer released for

639

00:25:56,789 --> 00:25:53,039

the new history television show

640

00:26:01,830 --> 00:25:56,799

based on true events it claims called

641

00:26:04,230 --> 00:26:01,840

project blue book with our ufo dad as

642

00:26:06,230 --> 00:26:04,240

the main character

643

00:26:07,830 --> 00:26:06,240

we have a situation in west virginia

644

00:26:09,190 --> 00:26:07,840

family reported seeing something falling

645

00:26:11,430 --> 00:26:09,200

from the sky i'll get down there right

646

00:26:14,549 --> 00:26:11,440

away i need you to meet someone first

647

00:26:17,590 --> 00:26:14,559

my name is dr alan heineck you want me

648

00:26:20,950 --> 00:26:17,600

to investigate flying saucers i want you

649

00:26:23,909 --> 00:26:20,960

to help me prove to the public the truth

650

00:26:26,789 --> 00:26:23,919

they don't exist so i have to ask you

651
00:26:29,830 --> 00:26:26,799
you being probably the biggest highnick

652
00:26:31,269 --> 00:26:29,840
fan i have ever met in my life

653
00:26:34,230 --> 00:26:31,279
what did you think man what did you

654
00:26:36,870 --> 00:26:34,240
think when you saw this trailer i um the

655
00:26:38,390 --> 00:26:36,880
first thing that i thought was i need to

656
00:26:39,990 --> 00:26:38,400
throw my phone

657
00:26:42,470 --> 00:26:40,000
just like throw it across the room

658
00:26:45,230 --> 00:26:42,480
because i was i i was

659
00:26:48,789 --> 00:26:45,240
not thrilled with it for the heineken

660
00:26:51,269 --> 00:26:48,799
aficionados you're not gonna find a lot

661
00:26:52,789 --> 00:26:51,279
good about this like the first thing

662
00:26:54,549 --> 00:26:52,799
like one of the first things that shows

663
00:26:57,510 --> 00:26:54,559

is the flatwoods monster which pineak

664

00:27:00,950 --> 00:26:57,520

did not investigate right

665

00:27:04,149 --> 00:27:00,960

and um other things uh heinek never saw

666

00:27:07,750 --> 00:27:04,159

alien bodies in any bunkers heinek never

667

00:27:09,350 --> 00:27:07,760

personally saw ufo up close and and all

668

00:27:11,510 --> 00:27:09,360

that stuff

669

00:27:14,149 --> 00:27:11,520

that being said if i could divorce

670

00:27:16,310 --> 00:27:14,159

myself from the fact that this is j alan

671

00:27:19,110 --> 00:27:16,320

heineck i might be able to enjoy this

672

00:27:23,029 --> 00:27:19,120

but it's going to be hard agreed this

673

00:27:24,710 --> 00:27:23,039

show looks slick it looks uh very well

674

00:27:26,950 --> 00:27:24,720

written at least from the dialogue i

675

00:27:29,669 --> 00:27:26,960

heard in the trailer and

676

00:27:32,070 --> 00:27:29,679

again like kudos on them for finding

677

00:27:34,230 --> 00:27:32,080

some obscure cases flatwoods lubbock

678

00:27:35,510 --> 00:27:34,240

lights i saw in there a little bit what

679

00:27:38,149 --> 00:27:35,520

else did we have

680

00:27:39,110 --> 00:27:38,159

a few others but again you know like the

681

00:27:43,510 --> 00:27:39,120

the

682

00:27:46,230 --> 00:27:43,520

events yes but having nothing to do with

683

00:27:48,549 --> 00:27:46,240

your main character that that is where i

684

00:27:51,110 --> 00:27:48,559

have a problem why couldn't they have

685

00:27:54,149 --> 00:27:51,120

just used some fictional character

686

00:27:57,110 --> 00:27:54,159

instead of taking the legacy of a hero

687

00:28:00,149 --> 00:27:57,120

in the ufo field and beyond even the

688

00:28:02,870 --> 00:28:00,159

astronomy field and sully his name with

689

00:28:05,269 --> 00:28:02,880

this fictional account the the case

690

00:28:06,870 --> 00:28:05,279

history the actual case history is

691

00:28:08,470 --> 00:28:06,880

interesting enough

692

00:28:10,549 --> 00:28:08,480

why do we have to add all this other

693

00:28:12,950 --> 00:28:10,559

stuff to it but again being in the

694

00:28:15,350 --> 00:28:12,960

entertainment field myself i understand

695

00:28:17,590 --> 00:28:15,360

that artistic license and that creative

696

00:28:20,870 --> 00:28:17,600

process you have to

697

00:28:23,190 --> 00:28:20,880

you have to divorce yourself from facts

698

00:28:26,149 --> 00:28:23,200

sometimes but in this case

699

00:28:28,950 --> 00:28:26,159

we personally both have spoken to and

700

00:28:30,710 --> 00:28:28,960

reviewed the book of mark o'connell yeah

701
00:28:33,669 --> 00:28:30,720
close encounters man it's it's a

702
00:28:36,710 --> 00:28:33,679
phenomenal book i mean it

703
00:28:37,669 --> 00:28:36,720
you could there's a great story in there

704
00:28:39,590 --> 00:28:37,679
like

705
00:28:41,350 --> 00:28:39,600
and he investigated a number of great

706
00:28:42,950 --> 00:28:41,360
cases i mean

707
00:28:44,789 --> 00:28:42,960
like i think one of my favorite facts

708
00:28:47,510 --> 00:28:44,799
from that book is that when he was going

709
00:28:49,510 --> 00:28:47,520
to investigate lonnie zamora's sighting

710
00:28:51,830 --> 00:28:49,520
their car breaks down he's hitchhiking

711
00:28:53,990 --> 00:28:51,840
all the way into socorro because he's

712
00:28:55,909 --> 00:28:54,000
not gonna wait around like

713
00:29:00,710 --> 00:28:55,919

there's so many great

714

00:29:03,029 --> 00:29:00,720

cases from 47 all the way up to 69 if

715

00:29:05,750 --> 00:29:03,039

you want to go there and even beyond you

716

00:29:07,909 --> 00:29:05,760

know with qfos and and all the stuff

717

00:29:09,669 --> 00:29:07,919

they were doing i don't understand why

718

00:29:11,669 --> 00:29:09,679

you need to embellish because like if

719

00:29:13,909 --> 00:29:11,679

you look at the tone of the trailer a

720

00:29:17,190 --> 00:29:13,919

bit it almost kind of has a tiny bit of

721

00:29:19,909 --> 00:29:17,200

a horror element to it like it's it's

722

00:29:21,990 --> 00:29:19,919

suspenseful but it's like trying to like

723

00:29:23,669 --> 00:29:22,000

rope you in because like the first shot

724

00:29:25,269 --> 00:29:23,679

is of this

725

00:29:26,950 --> 00:29:25,279

one guy in his car and then it

726
00:29:30,070 --> 00:29:26,960
automatically just shuts down and then

727
00:29:32,310 --> 00:29:30,080
bam there's a blue beam of light and

728
00:29:34,630 --> 00:29:32,320
you know like i don't think we need to

729
00:29:37,909 --> 00:29:34,640
go at it from a horror element because

730
00:29:39,990 --> 00:29:37,919
there aren't a lot of good like even the

731
00:29:42,070 --> 00:29:40,000
alien abduction horror movies there

732
00:29:43,510 --> 00:29:42,080
aren't a lot of good ones right so it's

733
00:29:45,510 --> 00:29:43,520
like there's enough like high

734
00:29:47,909 --> 00:29:45,520
strangeness on its own

735
00:29:49,750 --> 00:29:47,919
is a frightening concept uh when you

736
00:29:51,830 --> 00:29:49,760
think about it and and

737
00:29:54,070 --> 00:29:51,840
the fact that it just does not most of

738
00:29:56,310 --> 00:29:54,080

what happens just does not fit into your

739

00:29:58,789 --> 00:29:56,320

concept of what things are with that

740

00:30:00,870 --> 00:29:58,799

being said i can kind of also understand

741

00:30:02,389 --> 00:30:00,880

too at the same time because i

742

00:30:04,470 --> 00:30:02,399

high strange is just not something that

743

00:30:07,190 --> 00:30:04,480

you could probably easily film a perfect

744

00:30:09,750 --> 00:30:07,200

example is the mothman prophecies if you

745

00:30:11,430 --> 00:30:09,760

look at that movie like uh and you know

746

00:30:13,350 --> 00:30:11,440

i'm i'm good friends with rich adam and

747

00:30:16,149 --> 00:30:13,360

i've talked to him about the script and

748

00:30:18,149 --> 00:30:16,159

he's like they had to edit so much of

749

00:30:20,149 --> 00:30:18,159

that script that you know the really

750

00:30:22,470 --> 00:30:20,159

scary stuff they left out because it

751

00:30:25,190 --> 00:30:22,480

didn't make any sense so high

752

00:30:28,389 --> 00:30:25,200

strangeness not an easy thing to film

753

00:30:30,389 --> 00:30:28,399

i'll watch it begrudgingly and i'm

754

00:30:31,990 --> 00:30:30,399

probably going to be angry about it but

755

00:30:34,630 --> 00:30:32,000

you know what a tiny bit of me will

756

00:30:36,470 --> 00:30:34,640

enjoy this i guarantee it i was going to

757

00:30:39,190 --> 00:30:36,480

say the same thing man you know we are

758

00:30:41,990 --> 00:30:39,200

ufo fanboys when it really comes down to

759

00:30:44,070 --> 00:30:42,000

it yes we're researchers yes we are

760

00:30:46,070 --> 00:30:44,080

investigators yes we're podcasters but

761

00:30:49,269 --> 00:30:46,080

at the end of the day like we're fanboys

762

00:30:52,389 --> 00:30:49,279

of ufos we really are and i embrace that

763

00:30:55,510 --> 00:30:52,399

wholeheartedly and you know even just

764

00:30:57,909 --> 00:30:55,520

hearing heineck hearing that name

765

00:30:58,870 --> 00:30:57,919

on mainstream television like i got

766

00:31:02,470 --> 00:30:58,880

chills

767

00:31:05,110 --> 00:31:02,480

the

768

00:31:07,269 --> 00:31:05,120

flatwoods monster scene played out in

769

00:31:09,750 --> 00:31:07,279

the trailer i'm just like oh my god this

770

00:31:12,149 --> 00:31:09,760

is so cool so at the end of the day i'm

771

00:31:13,510 --> 00:31:12,159

going to watch it and i'm probably going

772

00:31:15,750 --> 00:31:13,520

to enjoy it because it looks

773

00:31:17,269 --> 00:31:15,760

entertaining as hell and there are going

774

00:31:19,909 --> 00:31:17,279

to be those cherry-picking moments where

775

00:31:22,070 --> 00:31:19,919

we're gonna be like oh mantel oh roswell

776

00:31:23,669 --> 00:31:22,080

oh uh

777

00:31:25,350 --> 00:31:23,679

socorro you know

778

00:31:27,830 --> 00:31:25,360

it's gonna happen and we're gonna be

779

00:31:29,510 --> 00:31:27,840

excited and then you and i and the other

780

00:31:31,590 --> 00:31:29,520

researchers are gonna pick out the

781

00:31:33,590 --> 00:31:31,600

things that were wrong and we're gonna

782

00:31:35,909 --> 00:31:33,600

bitterly talk about it with one another

783

00:31:37,509 --> 00:31:35,919

and that's that's what television is

784

00:31:39,110 --> 00:31:37,519

there's a million podcasts out there

785

00:31:41,029 --> 00:31:39,120

about every television show you can

786

00:31:42,470 --> 00:31:41,039

think of and that's what they do so

787

00:31:45,590 --> 00:31:42,480

maybe we'll have to do that a little

788

00:31:48,789 --> 00:31:45,600

project blue book uh mini sewed thing

789

00:31:50,789 --> 00:31:48,799

once this thing starts but uh oh yeah i

790

00:31:52,950 --> 00:31:50,799

think it'll be fun but again at the end

791

00:31:55,029 --> 00:31:52,960

of the day the fact that heinek is

792

00:31:58,310 --> 00:31:55,039

getting out there to the mainstream and

793

00:32:00,389 --> 00:31:58,320

the ufo topic again i'm all for it even

794

00:32:02,310 --> 00:32:00,399

if it is masked in entertainment and

795

00:32:03,830 --> 00:32:02,320

some inaccuracies i'm still going to

796

00:32:07,750 --> 00:32:03,840

watch it but it doesn't mean i'm not

797

00:32:10,070 --> 00:32:07,760

going to complain about it yeah exactly

798

00:32:12,310 --> 00:32:10,080

all right my man so let's move on to

799

00:32:14,870 --> 00:32:12,320

some listener questions i put this out a

800

00:32:16,630 --> 00:32:14,880

few days ago to see if anyone would

801
00:32:18,310 --> 00:32:16,640
would bite and we got some really

802
00:32:20,389 --> 00:32:18,320
interesting questions from listeners of

803
00:32:22,870 --> 00:32:20,399
both your show the our strange skies

804
00:32:26,950 --> 00:32:22,880
podcast and somewhere in the skies so i

805
00:32:29,029 --> 00:32:26,960
want to start with um let's see

806
00:32:32,710 --> 00:32:29,039
let's see what i got here this one is

807
00:32:35,590 --> 00:32:32,720
from kevin and he asks is it possible

808
00:32:39,590 --> 00:32:35,600
that the creation of space force pew pew

809
00:32:41,269 --> 00:32:39,600
was inspired by intel about an alien

810
00:32:42,870 --> 00:32:41,279
threat so

811
00:32:44,710 --> 00:32:42,880
what are your thoughts on this this

812
00:32:47,110 --> 00:32:44,720
whole space force thing that trump is

813
00:32:49,669 --> 00:32:47,120

doing my administration is reclaiming

814

00:32:50,789 --> 00:32:49,679

america's heritage as the world's

815

00:32:53,590 --> 00:32:50,799

greatest

816

00:32:55,909 --> 00:32:53,600

space-faring nation the essence of the

817

00:32:59,830 --> 00:32:55,919

american character is to explore new

818

00:33:02,710 --> 00:32:59,840

horizons and to tame new frontiers but

819

00:33:05,190 --> 00:33:02,720

our destiny beyond the earth is not only

820

00:33:08,310 --> 00:33:05,200

a matter of national identity but a

821

00:33:11,029 --> 00:33:08,320

matter of national security so important

822

00:33:12,870 --> 00:33:11,039

for our military so important and people

823

00:33:14,789 --> 00:33:12,880

don't talk about it when it comes to

824

00:33:16,950 --> 00:33:14,799

defending america

825

00:33:20,310 --> 00:33:16,960

it is not enough to merely have an

826

00:33:23,750 --> 00:33:20,320

american presence in space we must have

827

00:33:25,830 --> 00:33:23,760

american dominance in space do you have

828

00:33:28,630 --> 00:33:25,840

any thoughts on this like i have this

829

00:33:31,590 --> 00:33:28,640

picture in my head of somebody

830

00:33:33,990 --> 00:33:31,600

in trump's cabinet like playing like

831

00:33:37,110 --> 00:33:34,000

footage of gary mckinnon

832

00:33:39,590 --> 00:33:37,120

talking about you know the uh whatever

833

00:33:42,070 --> 00:33:39,600

the heck project he was talking about

834

00:33:44,630 --> 00:33:42,080

officers i believe yes yeah yeah

835

00:33:46,549 --> 00:33:44,640

non-terrestrial officers that's right um

836

00:33:49,190 --> 00:33:46,559

and talking about

837

00:33:51,029 --> 00:33:49,200

all this crazy crap and then you know

838

00:33:53,509 --> 00:33:51,039

you've got the uh

839

00:33:55,990 --> 00:33:53,519

the truthers coming forward and talking

840

00:33:58,230 --> 00:33:56,000

about their service and our our space

841

00:33:59,190 --> 00:33:58,240

force that we already apparently have

842

00:34:00,950 --> 00:33:59,200

and

843

00:34:02,549 --> 00:34:00,960

i i really

844

00:34:05,269 --> 00:34:02,559

i really don't know maybe the man just

845

00:34:07,190 --> 00:34:05,279

wants like to dominate the entire

846

00:34:09,109 --> 00:34:07,200

universe

847

00:34:12,069 --> 00:34:09,119

his ego might be that big i don't know

848

00:34:13,909 --> 00:34:12,079

but it was i i um

849

00:34:16,310 --> 00:34:13,919

i'm trying to remember exactly what i

850

00:34:17,829 --> 00:34:16,320

did that day i think i laughed for about

851
00:34:19,990 --> 00:34:17,839
five minutes

852
00:34:21,829 --> 00:34:20,000
when i saw the video because i'm like i

853
00:34:23,750 --> 00:34:21,839
understand how my country works and i

854
00:34:25,829 --> 00:34:23,760
understand that the only way this is

855
00:34:28,230 --> 00:34:25,839
gonna happen is if congress approves it

856
00:34:29,829 --> 00:34:28,240
we we already spend enough on you know

857
00:34:32,310 --> 00:34:29,839
our military budget there's no way

858
00:34:34,069 --> 00:34:32,320
you're going to be able to ask people to

859
00:34:35,829 --> 00:34:34,079
pay you're talking trillions more

860
00:34:38,230 --> 00:34:35,839
there's no way that you could get that

861
00:34:41,510 --> 00:34:38,240
off the ground without you know taxing

862
00:34:43,990 --> 00:34:41,520
people like crazy here's an idea

863
00:34:47,030 --> 00:34:44,000

why don't they charge every person that

864

00:34:49,430 --> 00:34:47,040

goes to this uh this big military parade

865

00:34:50,389 --> 00:34:49,440

he's putting on charge them each like

866

00:34:53,669 --> 00:34:50,399

you know

867

00:34:56,470 --> 00:34:53,679

45 million each ahead maybe that could

868

00:34:58,310 --> 00:34:56,480

work that you know that that's not a bad

869

00:35:00,150 --> 00:34:58,320

strategy

870

00:35:02,310 --> 00:35:00,160

before i go any further man i do want to

871

00:35:03,750 --> 00:35:02,320

say i have nothing but respect for our

872

00:35:06,790 --> 00:35:03,760

military

873

00:35:09,910 --> 00:35:06,800

yeah no police listeners don't take that

874

00:35:12,230 --> 00:35:09,920

as an offense i i i highly respect them

875

00:35:13,829 --> 00:35:12,240

yes they deserve a parade if it's the

876

00:35:16,550 --> 00:35:13,839

best way to spend our money that's a

877

00:35:20,230 --> 00:35:16,560

different question but yeah anyways i

878

00:35:21,589 --> 00:35:20,240

interrupted no that's it's all good um i

879

00:35:23,750 --> 00:35:21,599

just don't

880

00:35:26,150 --> 00:35:23,760

understand what would inspire someone to

881

00:35:28,790 --> 00:35:26,160

say we need a space force maybe this is

882

00:35:31,910 --> 00:35:28,800

like you know that leftover reagan era

883

00:35:34,150 --> 00:35:31,920

star wars stuff that he's you know all

884

00:35:35,910 --> 00:35:34,160

giddy about or something well maybe i

885

00:35:37,910 --> 00:35:35,920

don't know i mean

886

00:35:40,550 --> 00:35:37,920

there they have been saying that this

887

00:35:42,870 --> 00:35:40,560

actually has been long before trump was

888

00:35:45,109 --> 00:35:42,880

in office that this was a possibility

889

00:35:47,030 --> 00:35:45,119

and that a lot of a lot of people

890

00:35:49,510 --> 00:35:47,040

thought it was a good idea including

891

00:35:51,270 --> 00:35:49,520

neil degrasse tyson who actually

892

00:35:54,069 --> 00:35:51,280

responded and said i think it's a good

893

00:35:56,390 --> 00:35:54,079

idea he said you know in case there's

894

00:35:58,230 --> 00:35:56,400

asteroids that ever reach the earth like

895

00:36:00,710 --> 00:35:58,240

at least there's a contingency plan

896

00:36:03,109 --> 00:36:00,720

ready for something like that 24 7

897

00:36:04,950 --> 00:36:03,119

monitoring it ready to blow it up if

898

00:36:07,109 --> 00:36:04,960

need be he said you know in terms of

899

00:36:09,109 --> 00:36:07,119

like science and astronomy like this is

900

00:36:12,150 --> 00:36:09,119

a good idea but again

901
00:36:14,710 --> 00:36:12,160
space force it's military branch so

902
00:36:16,710 --> 00:36:14,720
again it's just funneling more money

903
00:36:18,310 --> 00:36:16,720
into the military industrial complex if

904
00:36:21,910 --> 00:36:18,320
you think about it and money that we

905
00:36:24,150 --> 00:36:21,920
don't have like you said so

906
00:36:26,390 --> 00:36:24,160
that's kind of my thoughts on it i'm on

907
00:36:28,550 --> 00:36:26,400
the fence you know i'd rather explore

908
00:36:31,030 --> 00:36:28,560
space you know and help save our planet

909
00:36:32,950 --> 00:36:31,040
rather than militarize it even more yeah

910
00:36:35,190 --> 00:36:32,960
here's a here's a better idea why don't

911
00:36:36,790 --> 00:36:35,200
you increase nasa's funding how about we

912
00:36:38,150 --> 00:36:36,800
do that

913
00:36:39,430 --> 00:36:38,160

i'm all for it you know instead of

914

00:36:42,069 --> 00:36:39,440

cutting the funding how about you give

915

00:36:45,190 --> 00:36:42,079

more money yeah i'm with you done

916

00:36:47,589 --> 00:36:45,200

yeah um let's see kevin also asks what

917

00:36:49,670 --> 00:36:47,599

do other countries say about ufos and

918

00:36:52,470 --> 00:36:49,680

aliens which country do you guys think

919

00:36:54,550 --> 00:36:52,480

is most open to disclosure what do you

920

00:36:58,710 --> 00:36:54,560

think rob uh

921

00:37:01,589 --> 00:36:58,720

disclosure that fun fun word um i i've

922

00:37:03,349 --> 00:37:01,599

kind of come down to this theory that i

923

00:37:05,589 --> 00:37:03,359

don't think disclosure's a real thing

924

00:37:08,310 --> 00:37:05,599

because i don't think our military knows

925

00:37:10,630 --> 00:37:08,320

anything about ufos so it's kind of just

926
00:37:13,109 --> 00:37:10,640
like that buzz term you throw around

927
00:37:15,190 --> 00:37:13,119
just because like automatically your

928
00:37:16,950 --> 00:37:15,200
government has to know more i don't

929
00:37:19,750 --> 00:37:16,960
think there's any government on this

930
00:37:22,870 --> 00:37:19,760
planet that knows any more than any of

931
00:37:24,790 --> 00:37:22,880
us but if you look at even in countries

932
00:37:27,430 --> 00:37:24,800
like mexico

933
00:37:30,310 --> 00:37:27,440
you look at england you the united

934
00:37:33,109 --> 00:37:30,320
kingdom uh you look at

935
00:37:35,910 --> 00:37:33,119
belgium all these places are a hell of a

936
00:37:38,390 --> 00:37:35,920
lot more open about it than than we are

937
00:37:41,030 --> 00:37:38,400
and i don't think disclosure's going to

938
00:37:43,270 --> 00:37:41,040

be a thing that any government's going

939

00:37:45,349 --> 00:37:43,280

to give to us it's just

940

00:37:46,390 --> 00:37:45,359

i don't think they know what we think

941

00:37:51,589 --> 00:37:46,400

they know

942

00:37:52,470 --> 00:37:51,599

if anything a tiny bit more but nothing

943

00:37:54,550 --> 00:37:52,480

i don't think they know anything

944

00:37:57,030 --> 00:37:54,560

substantial i would have to agree yeah

945

00:37:58,550 --> 00:37:57,040

the the only place i can really think of

946

00:37:59,750 --> 00:37:58,560

that really kind of looked into it was

947

00:38:01,670 --> 00:37:59,760

france

948

00:38:03,750 --> 00:38:01,680

you know with guy pen and separa you

949

00:38:05,270 --> 00:38:03,760

know they were the most open about it in

950

00:38:07,910 --> 00:38:05,280

terms of the community

951

00:38:10,470 --> 00:38:07,920

yep yep exactly brazil like you

952

00:38:13,670 --> 00:38:10,480

mentioned as well uh mexico like they

953

00:38:15,990 --> 00:38:13,680

all embrace the topic of ufos and aliens

954

00:38:17,589 --> 00:38:16,000

uh whether or not like disclosure is

955

00:38:20,550 --> 00:38:17,599

gonna happen through another country i

956

00:38:22,310 --> 00:38:20,560

don't know but like you said i agree i

957

00:38:25,270 --> 00:38:22,320

don't think our military and or

958

00:38:27,630 --> 00:38:25,280

government that big overarching word

959

00:38:30,550 --> 00:38:27,640

government we have to remember how

960

00:38:31,510 --> 00:38:30,560

compartmentalized it actually is um

961

00:38:33,349 --> 00:38:31,520

that

962

00:38:34,069 --> 00:38:33,359

they don't know

963

00:38:36,150 --> 00:38:34,079

but

964

00:38:38,550 --> 00:38:36,160

my friend robbie graham says they may

965

00:38:40,390 --> 00:38:38,560

not know what's going on out there or

966

00:38:42,390 --> 00:38:40,400

can control it but they control the

967

00:38:44,470 --> 00:38:42,400

information that can get to the public

968

00:38:46,870 --> 00:38:44,480

so that's kind of where i leave that i

969

00:38:49,990 --> 00:38:46,880

don't know yeah not just the information

970

00:38:50,790 --> 00:38:50,000

but the way that it's perceived yes it's

971

00:38:54,870 --> 00:38:50,800

that

972

00:38:56,630 --> 00:38:54,880

don't think a lot of people give

973

00:38:59,109 --> 00:38:56,640

consideration to but like look at

974

00:39:02,230 --> 00:38:59,119

popular culture that's been formed i

975

00:39:04,310 --> 00:39:02,240

mean it's it's not formed in like really

976
00:39:05,589 --> 00:39:04,320
any kind of truth it's just gray alien

977
00:39:07,190 --> 00:39:05,599
heads and

978
00:39:09,190 --> 00:39:07,200
uh actually most of the time they're

979
00:39:12,069 --> 00:39:09,200
green now even though nobody reports

980
00:39:14,630 --> 00:39:12,079
ever seeing green aliens so

981
00:39:17,589 --> 00:39:14,640
i do wonder where that sort of started i

982
00:39:20,550 --> 00:39:17,599
don't know little green men yeah it's

983
00:39:23,109 --> 00:39:20,560
interesting well okay so let's see

984
00:39:25,190 --> 00:39:23,119
kevin's next question kevin kevin really

985
00:39:27,510 --> 00:39:25,200
really yeah

986
00:39:30,390 --> 00:39:27,520
he did i love it locked and loaded

987
00:39:32,310 --> 00:39:30,400
according to cheryl costa's data ufo

988
00:39:34,870 --> 00:39:32,320

sightings have dropped off in recent

989

00:39:36,870 --> 00:39:34,880

years could this be due to lack of

990

00:39:39,030 --> 00:39:36,880

reporting or do you think our technology

991

00:39:42,310 --> 00:39:39,040

has advanced to the point where they may

992

00:39:45,270 --> 00:39:42,320

be more cautious to approach hmm that's

993

00:39:47,270 --> 00:39:45,280

a really good question i think

994

00:39:49,349 --> 00:39:47,280

what it comes down to is

995

00:39:50,550 --> 00:39:49,359

more people aren't reporting their ufo

996

00:39:51,430 --> 00:39:50,560

sightings

997

00:39:54,310 --> 00:39:51,440

and

998

00:39:57,510 --> 00:39:54,320

uh to me i think you know there are uh

999

00:40:00,550 --> 00:39:57,520

some factors to that i i discussed the

1000

00:40:03,190 --> 00:40:00,560

some of it on my podcast when you

1001
00:40:05,270 --> 00:40:03,200
like when mufon and and the whole john

1002
00:40:07,510 --> 00:40:05,280
ventray thing like i get that people

1003
00:40:09,190 --> 00:40:07,520
have their own views and i get how other

1004
00:40:11,589 --> 00:40:09,200
people have a right to express those

1005
00:40:14,069 --> 00:40:11,599
views but at the same time if you want

1006
00:40:15,990 --> 00:40:14,079
to harbor someone in your organization

1007
00:40:17,750 --> 00:40:16,000
who expresses those views well hey guess

1008
00:40:19,510 --> 00:40:17,760
what there's going to be a certain

1009
00:40:22,150 --> 00:40:19,520
sector of people that aren't going to

1010
00:40:24,470 --> 00:40:22,160
want to report ufos to your organization

1011
00:40:28,870 --> 00:40:24,480
you mean everyone but white males

1012
00:40:31,030 --> 00:40:28,880
yes exactly oh okay okay yeah and that's

1013
00:40:32,790 --> 00:40:31,040

problematic that makes your data

1014

00:40:35,349 --> 00:40:32,800

problematic that makes it skewed quite a

1015

00:40:37,589 --> 00:40:35,359

bit and if you look at the

1016

00:40:39,750 --> 00:40:37,599

reporting centers look at mufon's

1017

00:40:41,670 --> 00:40:39,760

website it is the most dated thing i

1018

00:40:43,910 --> 00:40:41,680

think i have ever seen i don't think

1019

00:40:46,710 --> 00:40:43,920

it's been updated since probably the

1020

00:40:51,430 --> 00:40:46,720

early 2000s and then having experience

1021

00:40:52,950 --> 00:40:51,440

with their cms it looks god awful

1022

00:40:54,710 --> 00:40:52,960

it it really

1023

00:40:57,750 --> 00:40:54,720

needs updating

1024

00:40:59,589 --> 00:40:57,760

badly um and i mean even new fork their

1025

00:41:03,670 --> 00:40:59,599

website like they pretty much want you

1026

00:41:07,990 --> 00:41:03,680

to fill a pdf out and send it to them

1027

00:41:09,510 --> 00:41:08,000

i can't do that yeah like um

1028

00:41:11,750 --> 00:41:09,520

yeah for a reason

1029

00:41:13,990 --> 00:41:11,760

yeah don't this generation don't you

1030

00:41:16,150 --> 00:41:14,000

understand we're we're on phones and

1031

00:41:18,390 --> 00:41:16,160

stuff it's instant like why why has

1032

00:41:19,349 --> 00:41:18,400

nobody upgraded this thing and sure i'm

1033

00:41:21,430 --> 00:41:19,359

sure

1034

00:41:24,870 --> 00:41:21,440

a portion of it comes down to money but

1035

00:41:26,630 --> 00:41:24,880

you'd figure mufon of all places that

1036

00:41:29,030 --> 00:41:26,640

yeah maybe they don't then maybe they're

1037

00:41:30,470 --> 00:41:29,040

not swimming in it but they're gotta be

1038

00:41:32,710 --> 00:41:30,480

they gotta have enough money to upgrade

1039

00:41:35,510 --> 00:41:32,720

their system i mean yeah i mean where is

1040

00:41:37,589 --> 00:41:35,520

the membership dues going yeah i mean it

1041

00:41:42,150 --> 00:41:37,599

was something like new fork you've got a

1042

00:41:44,710 --> 00:41:42,160

one-man band in a you know a abandoned

1043

00:41:47,589 --> 00:41:44,720

missile silo taking all these reports

1044

00:41:49,589 --> 00:41:47,599

like i get that he's he's on the older

1045

00:41:51,829 --> 00:41:49,599

side he doesn't he probably isn't tech

1046

00:41:54,470 --> 00:41:51,839

savvy when it comes to like the website

1047

00:41:57,030 --> 00:41:54,480

like you leave the dude messages on his

1048

00:41:59,190 --> 00:41:57,040

answering machine to report these things

1049

00:42:01,510 --> 00:41:59,200

yeah you know that's how you do it if

1050

00:42:04,150 --> 00:42:01,520

you're not going filling out a pdf

1051
00:42:06,790 --> 00:42:04,160
online but in terms of move fun you're

1052
00:42:09,270 --> 00:42:06,800
right man like they have

1053
00:42:11,750 --> 00:42:09,280
clearly have people who are tech savvy

1054
00:42:13,270 --> 00:42:11,760
within the organization and they have

1055
00:42:15,430 --> 00:42:13,280
funds and

1056
00:42:17,510 --> 00:42:15,440
you're right it's just i i don't get it

1057
00:42:20,309 --> 00:42:17,520
i don't get it but you know what i in

1058
00:42:22,230 --> 00:42:20,319
terms of like his point of have they had

1059
00:42:24,630 --> 00:42:22,240
the reports dropped off or has the

1060
00:42:26,390 --> 00:42:24,640
activity dropped off that's another big

1061
00:42:28,790 --> 00:42:26,400
one that i kind of was looking at i

1062
00:42:31,829 --> 00:42:28,800
think people are looking to the skies

1063
00:42:33,670 --> 00:42:31,839

less too now and yes and of course

1064

00:42:35,349 --> 00:42:33,680

that's also going to dramatically affect

1065

00:42:37,270 --> 00:42:35,359

reporting if they're not actually

1066

00:42:39,349 --> 00:42:37,280

looking in the sky and seeing things i

1067

00:42:42,390 --> 00:42:39,359

also think that it's quite possible that

1068

00:42:45,030 --> 00:42:42,400

if some sort of intelligence has and is

1069

00:42:46,630 --> 00:42:45,040

visiting our planet maybe they've

1070

00:42:48,550 --> 00:42:46,640

started to move on at this point you

1071

00:42:50,309 --> 00:42:48,560

know that's kind of what the the comedic

1072

00:42:53,030 --> 00:42:50,319

episode of the x-files was in this

1073

00:42:55,190 --> 00:42:53,040

season 11. the aliens finally came down

1074

00:42:58,069 --> 00:42:55,200

and told mulder um

1075

00:43:00,069 --> 00:42:58,079

yeah we're here but we're never coming

1076

00:43:01,990 --> 00:43:00,079

back we've sort of given up on you guys

1077

00:43:03,510 --> 00:43:02,000

so goodbye

1078

00:43:06,309 --> 00:43:03,520

good luck

1079

00:43:08,790 --> 00:43:06,319

see ya um so i thought that was a

1080

00:43:10,230 --> 00:43:08,800

brilliant way to sort of cap off the

1081

00:43:12,710 --> 00:43:10,240

x-files that should have been their

1082

00:43:15,510 --> 00:43:12,720

finale but maybe it's true maybe we

1083

00:43:17,910 --> 00:43:15,520

aren't as you know such great importance

1084

00:43:21,190 --> 00:43:17,920

to this galactic federation any longer

1085

00:43:22,870 --> 00:43:21,200

or maybe they're just on vacation

1086

00:43:25,030 --> 00:43:22,880

i imagine it's not easy coming all the

1087

00:43:27,349 --> 00:43:25,040

way here adapting to our atmosphere

1088

00:43:29,589 --> 00:43:27,359

trying to stay off radars be elusive

1089

00:43:32,390 --> 00:43:29,599

abduct people maybe they just needed a

1090

00:43:33,109 --> 00:43:32,400

really good vacation maybe they're you

1091

00:43:41,670 --> 00:43:33,119

know

1092

00:43:42,950 --> 00:43:41,680

thing but like when you think about like

1093

00:43:45,670 --> 00:43:42,960

the um

1094

00:43:47,349 --> 00:43:45,680

the all-time great cases going back the

1095

00:43:49,589 --> 00:43:47,359

last 70 years

1096

00:43:50,550 --> 00:43:49,599

how many of them are from the year 2000

1097

00:43:53,750 --> 00:43:50,560

and up

1098

00:43:58,390 --> 00:43:53,760

not that many they you you have the

1099

00:44:01,589 --> 00:43:58,400

southern illinois sightings you have um

1100

00:44:03,190 --> 00:44:01,599

o'hare you have stephenville um and

1101
00:44:05,190 --> 00:44:03,200
these are just the american sightings

1102
00:44:07,030 --> 00:44:05,200
i'm not even talking about uh the

1103
00:44:08,710 --> 00:44:07,040
sightings in other countries but like

1104
00:44:10,790 --> 00:44:08,720
those are the really the only three that

1105
00:44:12,630 --> 00:44:10,800
come to mind oh and then maybe tinley

1106
00:44:14,390 --> 00:44:12,640
park you know because a bunch of people

1107
00:44:15,360 --> 00:44:14,400
who are coming from oz fest saw some

1108
00:44:16,710 --> 00:44:15,370
ufos

1109
00:44:18,230 --> 00:44:16,720
[Music]

1110
00:44:20,069 --> 00:44:18,240
yeah

1111
00:44:21,349 --> 00:44:20,079
i'm sure they weren't on anything at

1112
00:44:24,230 --> 00:44:21,359
that time

1113
00:44:26,069 --> 00:44:24,240

no but i mean like you know like that's

1114

00:44:28,710 --> 00:44:26,079

what one of the things that i miss more

1115

00:44:30,150 --> 00:44:28,720

than anything like please cancel

1116

00:44:32,390 --> 00:44:30,160

please cancel

1117

00:44:33,829 --> 00:44:32,400

ancient aliens bring back ufo hunters i

1118

00:44:35,910 --> 00:44:33,839

don't care

1119

00:44:37,829 --> 00:44:35,920

you know how crazy they got on that show

1120

00:44:39,670 --> 00:44:37,839

because they did here and there i would

1121

00:44:43,349 --> 00:44:39,680

rather have that than ancient aliens all

1122

00:44:45,270 --> 00:44:43,359

day long agreed i loved ufo hunters for

1123

00:44:47,990 --> 00:44:45,280

anyone out there if you haven't watched

1124

00:44:51,030 --> 00:44:48,000

the show please watch it please please

1125

00:44:53,270 --> 00:44:51,040

go watch it um bill burns is [h__\h]

1126

00:44:55,589 --> 00:44:53,280

crazy and i love it

1127

00:44:57,349 --> 00:44:55,599

he is but like you know what he gets

1128

00:44:59,349 --> 00:44:57,359

things done with his craziness i will

1129

00:45:01,349 --> 00:44:59,359

give him that much absolutely yeah and

1130

00:45:03,030 --> 00:45:01,359

he's not afraid to go there you know

1131

00:45:04,790 --> 00:45:03,040

while he's got the skeptical

1132

00:45:05,829 --> 00:45:04,800

investigators out there actually like

1133

00:45:08,150 --> 00:45:05,839

trying to

1134

00:45:11,349 --> 00:45:08,160

replicate a ufo event and actually find

1135

00:45:14,230 --> 00:45:11,359

answers eliot it's aliens it's aliens i

1136

00:45:17,670 --> 00:45:14,240

love it i love bill burns so much

1137

00:45:19,510 --> 00:45:17,680

uh yeah oh man bring back ufo hunters

1138

00:45:20,950 --> 00:45:19,520

please please please all right so here's

1139

00:45:24,470 --> 00:45:20,960

the last one from kevin i think we've

1140

00:45:26,790 --> 00:45:24,480

given kevin um is uh his time here this

1141

00:45:28,950 --> 00:45:26,800

is a good one too what planet or moon in

1142

00:45:31,589 --> 00:45:28,960

our solar system do you think has the

1143

00:45:34,309 --> 00:45:31,599

best chance of harboring life this one's

1144

00:45:36,710 --> 00:45:34,319

interesting i actually i i spoke to seth

1145

00:45:38,470 --> 00:45:36,720

shawstack at aliencon maybe what was it

1146

00:45:40,150 --> 00:45:38,480

like a month ago now and i actually

1147

00:45:41,829 --> 00:45:40,160

asked him that same question so i'm so

1148

00:45:43,589 --> 00:45:41,839

happy kevin brought this up you know

1149

00:45:44,950 --> 00:45:43,599

he's the senior astronomer at the seti

1150

00:45:47,349 --> 00:45:44,960

institute for anyone who doesn't know

1151

00:45:49,589 --> 00:45:47,359

right and he told me he believes it to

1152

00:45:52,230 --> 00:45:49,599

be a moon actually a moon of saturn

1153

00:45:53,990 --> 00:45:52,240

called enceladus i i hope i'm

1154

00:45:54,790 --> 00:45:54,000

pronouncing that right i i'm not good

1155

00:45:59,589 --> 00:45:54,800

with

1156

00:46:01,670 --> 00:45:59,599

are reservoirs of liquid water that lie

1157

00:46:03,190 --> 00:46:01,680

beneath the frozen surface and you know

1158

00:46:04,870 --> 00:46:03,200

they're warmed by the gravitational

1159

00:46:07,670 --> 00:46:04,880

interactions between the moon and other

1160

00:46:09,670 --> 00:46:07,680

moons on saturn uh so he thinks that's

1161

00:46:12,150 --> 00:46:09,680

our best bet i don't know do you have

1162

00:46:16,870 --> 00:46:12,160

any ideas rob you brushed up on your

1163

00:46:19,589 --> 00:46:16,880

astronomy here no not really like

1164

00:46:22,390 --> 00:46:19,599

i know i know i i kind of rail against

1165

00:46:24,390 --> 00:46:22,400

it a little bit just because like uh i'm

1166

00:46:26,390 --> 00:46:24,400

i'm so worn out by the extraterrestrial

1167

00:46:29,589 --> 00:46:26,400

hypothesis i'm just like

1168

00:46:31,670 --> 00:46:29,599

um i i don't know i don't think i i we

1169

00:46:33,829 --> 00:46:31,680

don't have the technology to visit them

1170

00:46:36,069 --> 00:46:33,839

maybe when they come to visit us we'll

1171

00:46:38,309 --> 00:46:36,079

figure that out but it's just it's

1172

00:46:40,390 --> 00:46:38,319

something that i don't even think about

1173

00:46:43,109 --> 00:46:40,400

largely because like at the same time

1174

00:46:44,710 --> 00:46:43,119

while it's exciting we're so i'm so worn

1175

00:46:46,550 --> 00:46:44,720

out over hey

1176
00:46:48,790 --> 00:46:46,560
we found this many planets that could

1177
00:46:51,190 --> 00:46:48,800
support life in the goldilocks zone or

1178
00:46:53,270 --> 00:46:51,200
we found this many stars that could

1179
00:46:55,589 --> 00:46:53,280
support life and it's to me that's

1180
00:46:59,270 --> 00:46:55,599
almost kind of limiting because

1181
00:47:01,510 --> 00:46:59,280
your parameters for what life is is

1182
00:47:04,710 --> 00:47:01,520
limited to what we are and what we have

1183
00:47:07,430 --> 00:47:04,720
on this planet and right and while i can

1184
00:47:10,870 --> 00:47:07,440
totally entertain that to me it's just

1185
00:47:14,710 --> 00:47:10,880
limiting so whenever i hear

1186
00:47:17,109 --> 00:47:14,720
new information about uh oh we found a

1187
00:47:19,670 --> 00:47:17,119
planet that has water on it and and

1188
00:47:22,390 --> 00:47:19,680

could totally support life i'm just like

1189

00:47:24,470 --> 00:47:22,400

cool i i dig it when are the aliens

1190

00:47:27,349 --> 00:47:24,480

showing up

1191

00:47:29,670 --> 00:47:27,359

exactly yeah we do we always base it on

1192

00:47:30,550 --> 00:47:29,680

you know our composition you know what

1193

00:47:33,030 --> 00:47:30,560

uh

1194

00:47:35,030 --> 00:47:33,040

life on earth you know the carbon makeup

1195

00:47:37,589 --> 00:47:35,040

of us why does it have to be that why

1196

00:47:40,630 --> 00:47:37,599

can't life thrive on you know a methane

1197

00:47:42,309 --> 00:47:40,640

planet or or a planet full of arsenic i

1198

00:47:44,150 --> 00:47:42,319

don't know you're right

1199

00:47:46,550 --> 00:47:44,160

yeah yeah like just bring me bring me

1200

00:47:48,950 --> 00:47:46,560

the aliens awesome kevin thank you for

1201

00:47:51,670 --> 00:47:48,960

those questions next up is saul sal's

1202

00:47:53,510 --> 00:47:51,680

got a good one here if there is one ufo

1203

00:47:55,670 --> 00:47:53,520

incident or event that you would wish to

1204

00:47:58,069 --> 00:47:55,680

investigate and solve

1205

00:47:59,910 --> 00:47:58,079

if that would be possible he adds which

1206

00:48:02,230 --> 00:47:59,920

would you choose and what do you think

1207

00:48:05,190 --> 00:48:02,240

the conclusion would be

1208

00:48:08,150 --> 00:48:05,200

yeah the case that has oh god it is it

1209

00:48:10,470 --> 00:48:08,160

has bugged me for years is

1210

00:48:12,630 --> 00:48:10,480

lonnie zamora and part of the reason why

1211

00:48:14,710 --> 00:48:12,640

lonnie zamora's case gets to me so much

1212

00:48:16,470 --> 00:48:14,720

is just he's this innocent cop that's

1213

00:48:18,150 --> 00:48:16,480

just in the wrong place at the wrong

1214

00:48:19,910 --> 00:48:18,160

time and

1215

00:48:22,230 --> 00:48:19,920

one of the most charming things about

1216

00:48:24,069 --> 00:48:22,240

him is that when all is said and done

1217

00:48:26,230 --> 00:48:24,079

the guy's upset because he didn't re he

1218

00:48:27,030 --> 00:48:26,240

didn't uh meet his quota for tickets for

1219

00:48:28,069 --> 00:48:27,040

the day

1220

00:48:33,430 --> 00:48:28,079

like

1221

00:48:36,710 --> 00:48:33,440

the most transformational

1222

00:48:38,710 --> 00:48:36,720

ufo experiences of his life and he ends

1223

00:48:40,710 --> 00:48:38,720

up getting ridiculed off the police

1224

00:48:41,990 --> 00:48:40,720

force ends up retiring from the police

1225

00:48:44,230 --> 00:48:42,000

force and

1226
00:48:45,349 --> 00:48:44,240
the thing is is like when you boil down

1227
00:48:49,270 --> 00:48:45,359
all the

1228
00:48:51,829 --> 00:48:49,280
you get to the nitty gritty of it it's

1229
00:48:54,390 --> 00:48:51,839
either from earth or it's not from earth

1230
00:48:56,870 --> 00:48:54,400
those are the only explanations that are

1231
00:48:58,950 --> 00:48:56,880
you know that could even fit and you

1232
00:49:01,910 --> 00:48:58,960
know we we know it's a good case because

1233
00:49:03,990 --> 00:49:01,920
we have a correlated sighting from some

1234
00:49:07,349 --> 00:49:04,000
family at a gas station that said that

1235
00:49:09,349 --> 00:49:07,359
hey our car was buzzed by a ufo and then

1236
00:49:11,430 --> 00:49:09,359
when you when did this happen rob i'm

1237
00:49:14,309 --> 00:49:11,440
sorry this is the socorro case oh the

1238
00:49:15,750 --> 00:49:14,319

socorro yeah it was in 1964. thank you

1239

00:49:19,349 --> 00:49:15,760

thank you yes

1240

00:49:21,109 --> 00:49:19,359

in new mexico um and uh yeah we could

1241

00:49:23,510 --> 00:49:21,119

just like run down the basics of it for

1242

00:49:25,349 --> 00:49:23,520

those that that don't know why not yeah

1243

00:49:27,910 --> 00:49:25,359

i you know i'm trying to open the show

1244

00:49:29,670 --> 00:49:27,920

up to uh a lot of people who may not be

1245

00:49:31,510 --> 00:49:29,680

familiar with these things so this might

1246

00:49:33,349 --> 00:49:31,520

be a good primer for him for sure

1247

00:49:34,630 --> 00:49:33,359

because this is one of my favorite cases

1248

00:49:36,950 --> 00:49:34,640

as well if you don't mind i know you

1249

00:49:38,710 --> 00:49:36,960

have extensive uh you've done you've

1250

00:49:40,710 --> 00:49:38,720

done your homework on this one for sure

1251

00:49:42,710 --> 00:49:40,720

oh yeah oh yeah so

1252

00:49:45,670 --> 00:49:42,720

lonnie zamora he's

1253

00:49:48,309 --> 00:49:45,680

pursuing a car south of town it's about

1254

00:49:49,349 --> 00:49:48,319

5 45 in the afternoon

1255

00:49:51,430 --> 00:49:49,359

and

1256

00:49:55,510 --> 00:49:51,440

all of a sudden he hears this really

1257

00:49:58,390 --> 00:49:55,520

loud roaring sound and he sees this blue

1258

00:50:00,790 --> 00:49:58,400

light this blue beam of fire just

1259

00:50:03,510 --> 00:50:00,800

descending into the desert at first he

1260

00:50:05,349 --> 00:50:03,520

just thinks that it's the uh the mayor's

1261

00:50:08,710 --> 00:50:05,359

old dynamite shack and it's about to

1262

00:50:10,950 --> 00:50:08,720

explode because you know every you know

1263

00:50:14,309 --> 00:50:10,960

outskirts of town needs a dynamite shack

1264

00:50:16,309 --> 00:50:14,319

so he uh he approaches the dynamite

1265

00:50:18,950 --> 00:50:16,319

shack and

1266

00:50:21,190 --> 00:50:18,960

he sees at first what he believes to be

1267

00:50:23,270 --> 00:50:21,200

an overturned car because he could see

1268

00:50:25,270 --> 00:50:23,280

people outside

1269

00:50:27,270 --> 00:50:25,280

road

1270

00:50:29,750 --> 00:50:27,280

about a half a mile and then i stuck my

1271

00:50:32,230 --> 00:50:29,760

car and i got out and looked up

1272

00:50:33,990 --> 00:50:32,240

and i could see a white

1273

00:50:35,349 --> 00:50:34,000

uh looking object

1274

00:50:36,790 --> 00:50:35,359

in the distance

1275

00:50:39,190 --> 00:50:36,800

i thought it was an overturned car at

1276

00:50:40,870 --> 00:50:39,200

first but i got into my patrol car went

1277

00:50:43,190 --> 00:50:40,880

up closer to it

1278

00:50:45,670 --> 00:50:43,200

and when i started to get out of the car

1279

00:50:46,630 --> 00:50:45,680

i could i heard a big

1280

00:50:48,829 --> 00:50:46,640

roar

1281

00:50:51,910 --> 00:50:48,839

as i got to it i could see

1282

00:50:53,270 --> 00:50:51,920

a couple of look like couple of

1283

00:50:55,510 --> 00:50:53,280

coveralls

1284

00:50:57,430 --> 00:50:55,520

hanging from a close line i couldn't see

1285

00:50:59,670 --> 00:50:57,440

what it was but it looked like a couple

1286

00:51:01,750 --> 00:50:59,680

of cover holes when he gets closer what

1287

00:51:03,670 --> 00:51:01,760

he realizes is no it's not an overturned

1288

00:51:06,630 --> 00:51:03,680

car it's an egg-shaped

1289

00:51:10,470 --> 00:51:06,640

object that has landing pods down and

1290

00:51:13,030 --> 00:51:10,480

there are two humanoids uh wearing these

1291

00:51:15,270 --> 00:51:13,040

white coveralls just outside the craft

1292

00:51:18,150 --> 00:51:15,280

doing whatever they're doing

1293

00:51:20,390 --> 00:51:18,160

and uh when one of them

1294

00:51:22,390 --> 00:51:20,400

sees lonnie zamora they get they got

1295

00:51:26,150 --> 00:51:22,400

this shocked look on their face

1296

00:51:30,390 --> 00:51:26,160

they get back into their uh ufo

1297

00:51:32,230 --> 00:51:30,400

and uh the that blue stream of fire it

1298

00:51:35,510 --> 00:51:32,240

lifts the craft up into the air and then

1299

00:51:37,829 --> 00:51:35,520

it silently flies off and lonnie zamora

1300

00:51:40,390 --> 00:51:37,839

just a really salt to the earth guy he

1301

00:51:42,790 --> 00:51:40,400

calls in for backup and his buddy

1302

00:51:44,870 --> 00:51:42,800

sergeant chavez shows up and they go and

1303

00:51:46,630 --> 00:51:44,880

they go looking at the landing site and

1304

00:51:49,910 --> 00:51:46,640

they find that there are

1305

00:51:52,549 --> 00:51:49,920

bushes that are singeing they find marks

1306

00:51:54,710 --> 00:51:52,559

in the ground yeah this uh this case

1307

00:51:55,589 --> 00:51:54,720

pretty much ruined lonnie zamora's life

1308

00:51:57,990 --> 00:51:55,599

yeah

1309

00:51:59,750 --> 00:51:58,000

unfortunately but it's it's become kind

1310

00:52:02,549 --> 00:51:59,760

of a stronger case over the years and

1311

00:52:04,870 --> 00:52:02,559

even jacques valet has this nice little

1312

00:52:07,829 --> 00:52:04,880

anecdote about a

1313

00:52:09,270 --> 00:52:07,839

ufo sighting from uh earlier in the day

1314

00:52:12,309 --> 00:52:09,280

in new york of a

1315

00:52:13,430 --> 00:52:12,319

of a craft that matches the description

1316

00:52:15,589 --> 00:52:13,440

of course

1317

00:52:17,589 --> 00:52:15,599

uh when zamora reported it he talked

1318

00:52:20,069 --> 00:52:17,599

about seeing some kind of symbol on the

1319

00:52:22,150 --> 00:52:20,079

side but this new york farmer that came

1320

00:52:24,950 --> 00:52:22,160

across it didn't see it but he did

1321

00:52:27,510 --> 00:52:24,960

encounter these uh two humanoid beings

1322

00:52:28,630 --> 00:52:27,520

and they told him that they were from

1323

00:52:30,870 --> 00:52:28,640

mars

1324

00:52:35,109 --> 00:52:30,880

and that they wanted fertilizer

1325

00:52:37,190 --> 00:52:35,119

so so the the farmer goes and gets the

1326
00:52:39,750 --> 00:52:37,200
fertilizer and as he's leaving the craft

1327
00:52:41,430 --> 00:52:39,760
lifts off and disappears he brings the

1328
00:52:43,109 --> 00:52:41,440
fertilizer back though

1329
00:52:45,910 --> 00:52:43,119
and the next morning when he goes out to

1330
00:52:47,670 --> 00:52:45,920
this uh plot of land which he was um he

1331
00:52:50,549 --> 00:52:47,680
was looking for to

1332
00:52:52,950 --> 00:52:50,559
uh increase his farmland he goes back

1333
00:52:55,430 --> 00:52:52,960
out there the fertilizer's gone so

1334
00:52:57,030 --> 00:52:55,440
you know this uh this is one of those

1335
00:53:00,710 --> 00:52:57,040
really weird

1336
00:53:03,349 --> 00:53:00,720
fun cases that um yeah if if i could

1337
00:53:05,750 --> 00:53:03,359
solve that i would totally be

1338
00:53:07,190 --> 00:53:05,760

uh i would be elated i would retire i

1339

00:53:09,589 --> 00:53:07,200

wouldn't even need to do a podcast

1340

00:53:12,150 --> 00:53:09,599

anymore i just you know uh go soak it up

1341

00:53:13,910 --> 00:53:12,160

or something call it a day i love it i

1342

00:53:15,349 --> 00:53:13,920

love it man that's one of my favorite

1343

00:53:18,549 --> 00:53:15,359

cases as well

1344

00:53:20,710 --> 00:53:18,559

goofy is all hell but again such a

1345

00:53:22,950 --> 00:53:20,720

straight shooter that you you can't help

1346

00:53:24,390 --> 00:53:22,960

but believe this guy you can't help it

1347

00:53:27,589 --> 00:53:24,400

there's another silly case we're gonna

1348

00:53:30,309 --> 00:53:27,599

cover a little later here um as well one

1349

00:53:31,990 --> 00:53:30,319

of the questions that we have but um for

1350

00:53:34,150 --> 00:53:32,000

me i think it would have to be

1351

00:53:36,950 --> 00:53:34,160

rendelsham you know i was looking for a

1352

00:53:39,270 --> 00:53:36,960

really obscure case but i kept coming

1353

00:53:42,470 --> 00:53:39,280

back to britain's roswell this happened

1354

00:53:45,030 --> 00:53:42,480

in 1980 in rental share forest which was

1355

00:53:48,630 --> 00:53:45,040

between two joint military bases in

1356

00:53:51,109 --> 00:53:48,640

england there was three consecutive

1357

00:53:52,950 --> 00:53:51,119

nights of ufo events in this forest a

1358

00:53:54,710 --> 00:53:52,960

ton of military personnel were sent out

1359

00:53:56,950 --> 00:53:54,720

to investigate it

1360

00:53:59,750 --> 00:53:56,960

uh there was a craft that was seen

1361

00:54:02,390 --> 00:53:59,760

hovering above one of the bases

1362

00:54:05,030 --> 00:54:02,400

lights coming down over the nuclear

1363

00:54:06,549 --> 00:54:05,040

bunkers that were secretly nuclear

1364

00:54:09,349 --> 00:54:06,559

weapons were being housed at one of the

1365

00:54:12,150 --> 00:54:09,359

bases at the time unbeknownst to england

1366

00:54:14,549 --> 00:54:12,160

uh the american-owned base was hiding

1367

00:54:17,030 --> 00:54:14,559

them supposedly a craft landed a couple

1368

00:54:19,589 --> 00:54:17,040

officers touched it and then this thing

1369

00:54:21,990 --> 00:54:19,599

shot up disappeared and it's crazy man

1370

00:54:23,910 --> 00:54:22,000

it's a crazy case there it's well

1371

00:54:25,589 --> 00:54:23,920

documented but there were so many

1372

00:54:27,510 --> 00:54:25,599

witnesses to it

1373

00:54:29,910 --> 00:54:27,520

and that's what really got me there's

1374

00:54:33,030 --> 00:54:29,920

documents there's audio recordings

1375

00:54:35,430 --> 00:54:33,040

there's the first ever lawsuit that was

1376
00:54:38,150 --> 00:54:35,440
won by one of the officers that involved

1377
00:54:40,390 --> 00:54:38,160
an actual ufo event as the cause of the

1378
00:54:43,430 --> 00:54:40,400
officer's ailments after this all

1379
00:54:44,470 --> 00:54:43,440
happened and it's just so full of weird

1380
00:54:46,150 --> 00:54:44,480
[h__\h]

1381
00:54:48,549 --> 00:54:46,160
that for me

1382
00:54:50,470 --> 00:54:48,559
what i think my conclusion with this

1383
00:54:53,109 --> 00:54:50,480
case would be is that it was some sort

1384
00:54:56,630 --> 00:54:53,119
of mk ultra like thing

1385
00:54:59,109 --> 00:54:56,640
and i know my mentor peter robbins if he

1386
00:55:00,790 --> 00:54:59,119
hears this is going to hate me for

1387
00:55:02,549 --> 00:55:00,800
saying that

1388
00:55:04,549 --> 00:55:02,559

because he did write like one of the

1389

00:55:06,870 --> 00:55:04,559

definitive books on the case a british

1390

00:55:08,950 --> 00:55:06,880

bestseller but the way i look at it you

1391

00:55:11,829 --> 00:55:08,960

know these guys were drugged after the

1392

00:55:13,190 --> 00:55:11,839

events happened to try to get them to

1393

00:55:15,670 --> 00:55:13,200

tell the truth about what they'd

1394

00:55:17,190 --> 00:55:15,680

experienced and whatnot a lot of the

1395

00:55:19,109 --> 00:55:17,200

officers said they were in like a

1396

00:55:22,069 --> 00:55:19,119

dream-like state while it was all

1397

00:55:24,790 --> 00:55:22,079

happening and it seemed just so

1398

00:55:27,430 --> 00:55:24,800

odd so weird and also

1399

00:55:29,670 --> 00:55:27,440

staged that was another big thing like

1400

00:55:32,710 --> 00:55:29,680

it almost seemed too good to be true

1401

00:55:34,549 --> 00:55:32,720

in many ways i think maybe

1402

00:55:37,190 --> 00:55:34,559

this was some sort of psycho this was

1403

00:55:39,430 --> 00:55:37,200

during the cold war this is in the 80s

1404

00:55:42,069 --> 00:55:39,440

you know some shady [h__h] was going on

1405

00:55:43,829 --> 00:55:42,079

man but the way it was all handled it

1406

00:55:47,190 --> 00:55:43,839

just to me

1407

00:55:50,390 --> 00:55:47,200

it seemed like it was almost planned and

1408

00:55:53,670 --> 00:55:50,400

i don't know how else to put that i'm

1409

00:55:56,150 --> 00:55:53,680

sure there's so much to contradict

1410

00:55:58,069 --> 00:55:56,160

everything i just said but at the end of

1411

00:56:00,470 --> 00:55:58,079

the day it it happened there's

1412

00:56:02,789 --> 00:56:00,480

documentation of it there's audio

1413

00:56:04,230 --> 00:56:02,799

recordings sorry what were you gonna add

1414

00:56:06,470 --> 00:56:04,240

well like

1415

00:56:09,030 --> 00:56:06,480

when you think about it like what's the

1416

00:56:11,030 --> 00:56:09,040

other really famous case from that time

1417

00:56:12,789 --> 00:56:11,040

that actually shares a lot of features

1418

00:56:15,589 --> 00:56:12,799

of the rentals from case

1419

00:56:18,470 --> 00:56:15,599

cash landrum if you look at cash landrum

1420

00:56:20,870 --> 00:56:18,480

the object that they saw was like

1421

00:56:22,870 --> 00:56:20,880

it had harsh geometrical patterns it was

1422

00:56:25,430 --> 00:56:22,880

like diamond shaped right

1423

00:56:27,270 --> 00:56:25,440

whereas in in rendell shim it was this

1424

00:56:29,510 --> 00:56:27,280

like there were like it was like a

1425

00:56:32,230 --> 00:56:29,520

triangle on top of a triangle you have

1426
00:56:35,750 --> 00:56:32,240
the witnesses that both experienced you

1427
00:56:37,829 --> 00:56:35,760
know ill health effects from this object

1428
00:56:39,990 --> 00:56:37,839
and they both end up suing the

1429
00:56:41,910 --> 00:56:40,000
government over this you're right i

1430
00:56:43,910 --> 00:56:41,920
forgot about that yeah cash ledger that

1431
00:56:46,630 --> 00:56:43,920
was in texas correct

1432
00:56:47,910 --> 00:56:46,640
yeah yeah it was in texas and i think it

1433
00:56:53,190 --> 00:56:47,920
was like

1434
00:56:56,390 --> 00:56:53,200
maybe day before day after you're right

1435
00:56:58,150 --> 00:56:56,400
yeah yeah uh two women a little boy they

1436
00:57:00,150 --> 00:56:58,160
witnessed it and they all had elements

1437
00:57:01,589 --> 00:57:00,160
afterwards radiation

1438
00:57:03,349 --> 00:57:01,599

sickness which

1439

00:57:05,190 --> 00:57:03,359

also a lot of the people in the rental

1440

00:57:06,549 --> 00:57:05,200

shrimp case had and then they went out

1441

00:57:09,349 --> 00:57:06,559

there with gender counters and those

1442

00:57:11,270 --> 00:57:09,359

things were [h__h] going nuts i mean

1443

00:57:12,390 --> 00:57:11,280

clearly there was some sort of

1444

00:57:13,750 --> 00:57:12,400

technology

1445

00:57:16,309 --> 00:57:13,760

emitting

1446

00:57:18,870 --> 00:57:16,319

very unhealthy doses of radiation at

1447

00:57:21,430 --> 00:57:18,880

both these events so you do

1448

00:57:23,670 --> 00:57:21,440

really have to wonder you have to wonder

1449

00:57:26,710 --> 00:57:23,680

i i don't know so in terms of that i'd

1450

00:57:29,589 --> 00:57:26,720

say rendlesham for me it just all seemed

1451
00:57:30,470 --> 00:57:29,599
too good to be true but if anyone hasn't

1452
00:57:34,069 --> 00:57:30,480
heard

1453
00:57:36,630 --> 00:57:34,079
go to youtube right now and type in uh

1454
00:57:40,309 --> 00:57:36,640
bass commander recordings rendosham

1455
00:57:42,470 --> 00:57:40,319
forest or anything charles halt render

1456
00:57:44,789 --> 00:57:42,480
shrimp forest you can hear the audio

1457
00:57:46,549 --> 00:57:44,799
recordings of the base commander doing a

1458
00:57:53,030 --> 00:57:46,559
play-by-play of what was happening in

1459
00:57:56,230 --> 00:57:54,390
still getting terrifying on the meter

1460
00:57:57,910 --> 00:57:56,240
about two clicks

1461
00:57:59,030 --> 00:57:57,920
three to four clicks getting stronger

1462
00:58:00,150 --> 00:57:59,040
all right i think it's something other

1463
00:58:00,870 --> 00:58:00,160

than the ground i think it's something

1464

00:58:03,270 --> 00:58:00,880

that's

1465

00:58:05,109 --> 00:58:03,280

something valuable or tree right

1466

00:58:08,150 --> 00:58:05,119

the first night we've seen we're about

1467

00:58:10,150 --> 00:58:08,160

150 to 200 yards on the site everything

1468

00:58:11,990 --> 00:58:10,160

else is just definitely calm

1469

00:58:14,630 --> 00:58:12,000

there is no doubt about it or some type

1470

00:58:17,109 --> 00:58:14,640

of strange flashing red light ahead so i

1471

00:58:18,230 --> 00:58:17,119

saw y'all attention it too

1472

00:58:20,390 --> 00:58:18,240

weird

1473

00:58:22,309 --> 00:58:20,400

it's terrifying listening to these tapes

1474

00:58:24,390 --> 00:58:22,319

so yeah that's it for me if i could

1475

00:58:25,190 --> 00:58:24,400

solve one case for me it would have to

1476

00:58:28,069 --> 00:58:25,200

be

1477

00:58:30,870 --> 00:58:28,079

rendosham so let's move on to our mutual

1478

00:58:33,910 --> 00:58:30,880

friend here rosie from the rabbit hole

1479

00:58:35,510 --> 00:58:33,920

motel podcast she's got a couple really

1480

00:58:37,990 --> 00:58:35,520

good ones and these are actually for you

1481

00:58:38,789 --> 00:58:38,000

rob so get ready brother buckle yourself

1482

00:58:41,270 --> 00:58:38,799

up

1483

00:58:42,390 --> 00:58:41,280

her first question here is here's one i

1484

00:58:45,109 --> 00:58:42,400

think rob will have something

1485

00:58:47,190 --> 00:58:45,119

interesting to say why do you think ufo

1486

00:58:49,109 --> 00:58:47,200

phenomena have different eras there's

1487

00:58:51,109 --> 00:58:49,119

time periods where it seems to be mostly

1488

00:58:53,430 --> 00:58:51,119

aerial sightings then it becomes about

1489

00:58:56,789 --> 00:58:53,440

abductions for a while i know he's very

1490

00:58:58,950 --> 00:58:56,799

interested in how weird the 70s get it's

1491

00:59:01,109 --> 00:58:58,960

all like they're fads of some sort so

1492

00:59:04,150 --> 00:59:01,119

what do you make of that man ufos

1493

00:59:05,030 --> 00:59:04,160

throughout the decades it's kind of like

1494

00:59:08,549 --> 00:59:05,040

the

1495

00:59:11,910 --> 00:59:08,559

talks about

1496

00:59:14,150 --> 00:59:11,920

how the phenomena changes to fit our

1497

00:59:18,390 --> 00:59:14,160

world view in a certain sense you go

1498

00:59:21,510 --> 00:59:18,400

from airships in 1896 to 1897.

1499

00:59:25,190 --> 00:59:21,520

and then it's pretty quiet for a while

1500

00:59:27,750 --> 00:59:25,200

and then you go to 42 and in the battle

1501
00:59:28,789 --> 00:59:27,760
of los angeles whatever happened there

1502
00:59:30,789 --> 00:59:28,799
you know and

1503
00:59:33,349 --> 00:59:30,799
that's still something that's hotly

1504
00:59:34,549 --> 00:59:33,359
contested mostly because we only have

1505
00:59:37,349 --> 00:59:34,559
one real

1506
00:59:39,349 --> 00:59:37,359
uh eyewitness that has come forward to

1507
00:59:42,150 --> 00:59:39,359
actually talk about it and his i believe

1508
00:59:43,910 --> 00:59:42,160
his name is c scott littleton and

1509
00:59:46,470 --> 00:59:43,920
he actually wrote a book about what it

1510
00:59:48,789 --> 00:59:46,480
was like to grow up in los angeles

1511
00:59:51,030 --> 00:59:48,799
around that time so

1512
00:59:52,710 --> 00:59:51,040
you have that and then stuffed yeah

1513
00:59:54,710 --> 00:59:52,720

stuff just goes crazy in l.a they're

1514

00:59:56,470 --> 00:59:54,720

shooting in the air and um

1515

00:59:58,230 --> 00:59:56,480

maybe they get the idea well we'll come

1516

01:00:01,510 --> 00:59:58,240

back in a few years and see if anything

1517

01:00:03,430 --> 01:00:01,520

has changed so you hit 47 and

1518

01:00:05,990 --> 01:00:03,440

despite the fact that

1519

01:00:08,789 --> 01:00:06,000

they were calling them flying saucers

1520

01:00:11,589 --> 01:00:08,799

they all weren't saucers they were discs

1521

01:00:13,990 --> 01:00:11,599

which you can call you know a spade a

1522

01:00:16,230 --> 01:00:14,000

spade or whatever but to me that's a

1523

01:00:18,789 --> 01:00:16,240

totally different thing uh from there

1524

01:00:22,309 --> 01:00:18,799

they've kind of you know stayed within

1525

01:00:24,870 --> 01:00:22,319

the same you know kind of configurations

1526

01:00:26,789 --> 01:00:24,880

you had the triangles start to show up

1527

01:00:30,950 --> 01:00:26,799

in the 60s but

1528

01:00:33,349 --> 01:00:30,960

yeah it just seems to curtail itself to

1529

01:00:35,510 --> 01:00:33,359

whatever era we're in in in our

1530

01:00:38,230 --> 01:00:35,520

understanding of our place in the

1531

01:00:40,870 --> 01:00:38,240

universe the 70s were a really weird

1532

01:00:43,750 --> 01:00:40,880

time for abductions and a lot of them go

1533

01:00:45,670 --> 01:00:43,760

like under not under reported but just

1534

01:00:47,589 --> 01:00:45,680

they're not talked about you know past

1535

01:00:50,069 --> 01:00:47,599

kagula that has got to be

1536

01:00:52,470 --> 01:00:50,079

uh the pascagoula abductions uh uh

1537

01:00:54,390 --> 01:00:52,480

charles hickson and calvin parker holy

1538

01:00:55,270 --> 01:00:54,400

crap those beings

1539

01:00:57,430 --> 01:00:55,280

um

1540

01:01:00,150 --> 01:00:57,440

let's let's see the descriptors uh they

1541

01:01:02,150 --> 01:01:00,160

had they were like five feet tall had

1542

01:01:03,829 --> 01:01:02,160

wrinkly skin which makes me always think

1543

01:01:05,750 --> 01:01:03,839

of the michelin man

1544

01:01:07,430 --> 01:01:05,760

and then they had like carrot-like

1545

01:01:10,870 --> 01:01:07,440

appendages on their

1546

01:01:12,950 --> 01:01:10,880

head they had lobster claws and elephant

1547

01:01:15,030 --> 01:01:12,960

feet i don't even know where you begin

1548

01:01:18,230 --> 01:01:15,040

with that um

1549

01:01:20,950 --> 01:01:18,240

yeah and it it gets weirder and weirder

1550

01:01:23,349 --> 01:01:20,960

there's there's a case that i talk about

1551
01:01:25,910 --> 01:01:23,359
on patreon on my patreon it'd actually

1552
01:01:27,270 --> 01:01:25,920
be a free episode so everybody will be

1553
01:01:29,990 --> 01:01:27,280
able to check it out but it's the

1554
01:01:35,349 --> 01:01:30,000
abduction of this man named lee parish

1555
01:01:38,470 --> 01:01:35,359
he was abducted in uh kentucky in 1977

1556
01:01:40,950 --> 01:01:38,480
and he was abducted by machine like

1557
01:01:43,030 --> 01:01:40,960
beings he was driving home from a

1558
01:01:45,109 --> 01:01:43,040
friend's house late at night

1559
01:01:47,829 --> 01:01:45,119
and he gets taken up and aboard this

1560
01:01:50,710 --> 01:01:47,839
craft and what he sees before them is

1561
01:01:53,829 --> 01:01:50,720
this really large black um it almost

1562
01:01:55,109 --> 01:01:53,839
looks like a wall to his left he sees

1563
01:01:57,030 --> 01:01:55,119

this white

1564

01:01:59,349 --> 01:01:57,040

machine in front of him and then he sees

1565

01:02:00,150 --> 01:01:59,359

this red one on his right and they do

1566

01:02:04,950 --> 01:02:00,160

these

1567

01:02:07,510 --> 01:02:04,960

that are attached and then they deposit

1568

01:02:10,150 --> 01:02:07,520

him back in his truck like 30 some odd

1569

01:02:14,870 --> 01:02:10,160

minutes later it is one of the weirdest

1570

01:02:16,950 --> 01:02:14,880

cases i have ever read uh i did one on i

1571

01:02:18,470 --> 01:02:16,960

did an episode on the david stevens

1572

01:02:21,829 --> 01:02:18,480

abduction which

1573

01:02:24,630 --> 01:02:21,839

the beings in that had mushroom shaped

1574

01:02:26,630 --> 01:02:24,640

heads with they had really large kind of

1575

01:02:27,990 --> 01:02:26,640

black eyes with white pupils and they

1576

01:02:33,190 --> 01:02:28,000

had webbed

1577

01:02:34,470 --> 01:02:33,200

hands they did the 70s are just weird

1578

01:02:36,630 --> 01:02:34,480

i love it

1579

01:02:40,069 --> 01:02:36,640

yeah and then when you then when you

1580

01:02:43,910 --> 01:02:40,079

transition into the 80s you get these

1581

01:02:46,390 --> 01:02:43,920

archetypal grays and like kind of the

1582

01:02:48,549 --> 01:02:46,400

similar looking grays and

1583

01:02:51,109 --> 01:02:48,559

it seems like you know whitley strieber

1584

01:02:52,710 --> 01:02:51,119

kind of just popularized the these

1585

01:02:54,470 --> 01:02:52,720

beings and that's what everybody

1586

01:02:56,150 --> 01:02:54,480

interacted with but that's not always

1587

01:02:57,750 --> 01:02:56,160

the case and i mean right even in your

1588

01:03:00,470 --> 01:02:57,760

even in your book you've taught you've

1589

01:03:03,510 --> 01:03:00,480

talked to people who reported very very

1590

01:03:05,750 --> 01:03:03,520

strange looking beings that i've never

1591

01:03:08,470 --> 01:03:05,760

come across before or since so there's

1592

01:03:10,390 --> 01:03:08,480

definitely a variety but i i do think

1593

01:03:13,510 --> 01:03:10,400

it's a phenomenon that shapes itself

1594

01:03:15,510 --> 01:03:13,520

around our not world view but our view

1595

01:03:17,910 --> 01:03:15,520

of the universe and everything around us

1596

01:03:19,589 --> 01:03:17,920

so yeah it's it's definitely one of the

1597

01:03:20,789 --> 01:03:19,599

weird features of the phenomenon for

1598

01:03:22,549 --> 01:03:20,799

sure yeah

1599

01:03:25,510 --> 01:03:22,559

absolutely and i love that about it it's

1600

01:03:27,670 --> 01:03:25,520

extremely amorphous it it tries to

1601
01:03:29,670 --> 01:03:27,680
relate to maybe you know what's going on

1602
01:03:32,549 --> 01:03:29,680
in our society and culture at the time

1603
01:03:34,789 --> 01:03:32,559
just to have some sort of resemblance

1604
01:03:36,549 --> 01:03:34,799
you know to communicate something to us

1605
01:03:38,390 --> 01:03:36,559
what that is i have no idea when it

1606
01:03:40,870 --> 01:03:38,400
comes to a mushroom head and black eyes

1607
01:03:41,829 --> 01:03:40,880
or lobster claws but at the end of the

1608
01:03:44,630 --> 01:03:41,839
day

1609
01:03:46,789 --> 01:03:44,640
like that's what it is and that's what

1610
01:03:48,789 --> 01:03:46,799
it's you know trying to that's what it's

1611
01:03:50,230 --> 01:03:48,799
showing us and it's up to us how we

1612
01:03:53,270 --> 01:03:50,240
interpret that and how we give it

1613
01:03:55,270 --> 01:03:53,280

meaning and purpose i think so yeah

1614

01:03:57,829 --> 01:03:55,280

it's fascinating so rosie's next

1615

01:04:00,150 --> 01:03:57,839

question is in the history of public

1616

01:04:02,789 --> 01:04:00,160

acceptance of citing claims it seems

1617

01:04:04,870 --> 01:04:02,799

like things are changing less belittling

1618

01:04:07,670 --> 01:04:04,880

and teasing and fewer mocking news

1619

01:04:09,109 --> 01:04:07,680

stories i give credit to millennials who

1620

01:04:11,270 --> 01:04:09,119

tend to honor everyone's different

1621

01:04:13,510 --> 01:04:11,280

perspective journey than previous

1622

01:04:15,829 --> 01:04:13,520

generations there's lots of good with

1623

01:04:19,109 --> 01:04:15,839

this it's exciting to watch the shift in

1624

01:04:21,670 --> 01:04:19,119

the waters but how do you both see that

1625

01:04:24,150 --> 01:04:21,680

this could also cause problems how do we

1626

01:04:26,710 --> 01:04:24,160

proceed with caution and not end up

1627

01:04:29,190 --> 01:04:26,720

reaffirming to the less invested public

1628

01:04:33,510 --> 01:04:29,200

that this phenomenon is something silly

1629

01:04:36,950 --> 01:04:35,589

you know that's that's a tough one just

1630

01:04:38,870 --> 01:04:36,960

because

1631

01:04:41,430 --> 01:04:38,880

there's always going to be an element of

1632

01:04:43,910 --> 01:04:41,440

this phenomenon that's just not going to

1633

01:04:45,349 --> 01:04:43,920

be taken seriously by whatever groups of

1634

01:04:47,910 --> 01:04:45,359

people

1635

01:04:49,270 --> 01:04:47,920

it might be maybe the older crowd is

1636

01:04:51,670 --> 01:04:49,280

definitely not open to it and the

1637

01:04:55,190 --> 01:04:51,680

younger crowd is but

1638

01:04:57,109 --> 01:04:55,200

you're always going to have a large to

1639

01:04:58,870 --> 01:04:57,119

me a large portion of the population

1640

01:05:00,870 --> 01:04:58,880

that is not

1641

01:05:03,349 --> 01:05:00,880

even going to consider this

1642

01:05:06,470 --> 01:05:03,359

an actual thing i i don't think it's any

1643

01:05:08,950 --> 01:05:06,480

particular one thing uh that is going to

1644

01:05:11,109 --> 01:05:08,960

prevent people from you know looking

1645

01:05:13,829 --> 01:05:11,119

into this anymore because like if you if

1646

01:05:16,470 --> 01:05:13,839

you look at the crazy cases of the 70s

1647

01:05:17,829 --> 01:05:16,480

compared to now a lot of ufo sightings

1648

01:05:20,309 --> 01:05:17,839

are

1649

01:05:22,710 --> 01:05:20,319

i would say tamer

1650

01:05:24,470 --> 01:05:22,720

at least in in the public like we don't

1651
01:05:27,750 --> 01:05:24,480
hear an awful lot about abduction

1652
01:05:29,510 --> 01:05:27,760
reports today right um and and i think

1653
01:05:31,190 --> 01:05:29,520
you know maybe that has something to do

1654
01:05:34,549 --> 01:05:31,200
with the fact that you know those that

1655
01:05:36,470 --> 01:05:34,559
were investigating it um were very you

1656
01:05:37,430 --> 01:05:36,480
know they tried to keep a a

1657
01:05:40,150 --> 01:05:37,440
public

1658
01:05:41,910 --> 01:05:40,160
face about themselves and you don't have

1659
01:05:43,750 --> 01:05:41,920
as much of that anymore i mean like

1660
01:05:45,990 --> 01:05:43,760
kathleen martin's doing great work with

1661
01:05:47,990 --> 01:05:46,000
mufon but that's with mufon it's it it's

1662
01:05:48,710 --> 01:05:48,000
not going beyond that

1663
01:05:51,910 --> 01:05:48,720

so

1664

01:05:54,069 --> 01:05:51,920

i think largely it's you know part of it

1665

01:05:56,309 --> 01:05:54,079

comes down to

1666

01:05:58,390 --> 01:05:56,319

who's who's now shaping this phenomenon

1667

01:06:00,710 --> 01:05:58,400

the people that are bringing this uh

1668

01:06:03,589 --> 01:06:00,720

information to the public you know it's

1669

01:06:05,510 --> 01:06:03,599

being i think reshaped by different

1670

01:06:08,549 --> 01:06:05,520

people but i don't think there's any

1671

01:06:11,109 --> 01:06:08,559

going to be any major block

1672

01:06:13,430 --> 01:06:11,119

or any major thing to prevent people

1673

01:06:14,789 --> 01:06:13,440

from you know even considering this it's

1674

01:06:16,230 --> 01:06:14,799

just going to come down to the

1675

01:06:19,029 --> 01:06:16,240

perspectives

1676

01:06:21,670 --> 01:06:19,039

of the that these people have i agree

1677

01:06:23,829 --> 01:06:21,680

yeah and i think another big thing is we

1678

01:06:26,230 --> 01:06:23,839

spend so much time trying to legitimize

1679

01:06:28,309 --> 01:06:26,240

the topic with credible cases like what

1680

01:06:31,270 --> 01:06:28,319

to the stars is doing bringing military

1681

01:06:32,630 --> 01:06:31,280

footage to the public of like very

1682

01:06:35,510 --> 01:06:32,640

highly advanced

1683

01:06:37,349 --> 01:06:35,520

aircraft that pilots are witnessing you

1684

01:06:39,109 --> 01:06:37,359

know some of the most credible witnesses

1685

01:06:40,789 --> 01:06:39,119

we could possibly have

1686

01:06:43,190 --> 01:06:40,799

and yeah that's what's getting out to

1687

01:06:45,270 --> 01:06:43,200

the mainstream right now and making it

1688

01:06:46,870 --> 01:06:45,280

more acceptable but it's a double-edged

1689

01:06:49,670 --> 01:06:46,880

sword because you and i both know that

1690

01:06:52,549 --> 01:06:49,680

what for every military witness there is

1691

01:06:55,349 --> 01:06:52,559

there's also a civilian witness seeing

1692

01:06:57,510 --> 01:06:55,359

super back [h__h] crazy stuff

1693

01:06:59,349 --> 01:06:57,520

and we can't we can't ignore that you

1694

01:07:01,510 --> 01:06:59,359

know we can't play it down because we're

1695

01:07:03,670 --> 01:07:01,520

doing a disservice but to both the

1696

01:07:05,829 --> 01:07:03,680

witness their testimony and to the

1697

01:07:07,990 --> 01:07:05,839

phenomenon you know again we're not

1698

01:07:10,549 --> 01:07:08,000

dealing with just [h__h] metal

1699

01:07:12,150 --> 01:07:10,559

saucers zipping through the air we're

1700

01:07:14,230 --> 01:07:12,160

dealing with every type of phenomena you

1701

01:07:16,390 --> 01:07:14,240

can possibly think of possibly

1702

01:07:18,230 --> 01:07:16,400

interconnected with other things that

1703

01:07:19,190 --> 01:07:18,240

are happening to people

1704

01:07:21,990 --> 01:07:19,200

so

1705

01:07:24,390 --> 01:07:22,000

i i do wonder you know as the topic

1706

01:07:27,029 --> 01:07:24,400

becomes more mainstream and possibly

1707

01:07:30,069 --> 01:07:27,039

acceptable what about all the really

1708

01:07:32,470 --> 01:07:30,079

really weird stuff that's going on

1709

01:07:34,150 --> 01:07:32,480

is that going to sort of teeter off and

1710

01:07:36,390 --> 01:07:34,160

we're only going to look at these

1711

01:07:37,270 --> 01:07:36,400

reports that are being given to us

1712

01:07:40,710 --> 01:07:37,280

through

1713

01:07:42,390 --> 01:07:40,720

ready rob drip drip disclosure

1714

01:07:44,390 --> 01:07:42,400

i don't know

1715

01:07:45,990 --> 01:07:44,400

i really don't know

1716

01:07:48,390 --> 01:07:46,000

yeah it's a

1717

01:07:51,430 --> 01:07:48,400

it's tough to really say because like

1718

01:07:54,309 --> 01:07:51,440

when it when i do look at these like

1719

01:07:56,950 --> 01:07:54,319

the the cases that are

1720

01:08:01,430 --> 01:07:56,960

you know the the the ones that

1721

01:08:05,109 --> 01:08:01,440

people cite from 2000 to 2018

1722

01:08:09,029 --> 01:08:05,119

i just they are very tame yeah even for

1723

01:08:11,190 --> 01:08:09,039

even for commander david fravor's story

1724

01:08:13,029 --> 01:08:11,200

because like the video that's been

1725

01:08:14,870 --> 01:08:13,039

provided is not

1726

01:08:16,470 --> 01:08:14,880

it's not a video from his plane it's a

1727

01:08:18,390 --> 01:08:16,480

video from another plane that went out

1728

01:08:20,070 --> 01:08:18,400

later that day so

1729

01:08:23,590 --> 01:08:20,080

for me

1730

01:08:25,189 --> 01:08:23,600

it's just it's so tame right now that it

1731

01:08:27,430 --> 01:08:25,199

that it just doesn't seem like there

1732

01:08:29,189 --> 01:08:27,440

would be a lot of barriers

1733

01:08:31,910 --> 01:08:29,199

to to

1734

01:08:34,870 --> 01:08:31,920

being open to this i it's just

1735

01:08:36,950 --> 01:08:34,880

it's changed so much just in

1736

01:08:39,590 --> 01:08:36,960

the people that have investigated it the

1737

01:08:43,030 --> 01:08:39,600

people have who have reported it to the

1738

01:08:45,829 --> 01:08:43,040

public so in all honesty maybe it's the

1739

01:08:47,990 --> 01:08:45,839

the fact that it's not it that we're

1740

01:08:50,309 --> 01:08:48,000

trying to make it a public thing again

1741

01:08:52,229 --> 01:08:50,319

at least two the star seems to you know

1742

01:08:53,030 --> 01:08:52,239

be trying to make this a public thing

1743

01:08:54,550 --> 01:08:53,040

although

1744

01:08:57,030 --> 01:08:54,560

i don't think we can

1745

01:08:58,709 --> 01:08:57,040

do what tom delonge thinks you can and

1746

01:09:01,269 --> 01:08:58,719

just strong-arm the government into

1747

01:09:04,149 --> 01:09:01,279

releasing all of this information that's

1748

01:09:06,149 --> 01:09:04,159

not how it works and like you could go

1749

01:09:08,470 --> 01:09:06,159

to jail for that if you just you know

1750

01:09:10,630 --> 01:09:08,480

release the information without without

1751

01:09:12,630 --> 01:09:10,640

getting you know without getting it

1752

01:09:15,669 --> 01:09:12,640

declassified so

1753

01:09:18,630 --> 01:09:15,679

it's really tough i [h__h]

1754

01:09:20,390 --> 01:09:18,640

yeah i i don't really know you know like

1755

01:09:22,630 --> 01:09:20,400

like beyond that it's just

1756

01:09:25,189 --> 01:09:22,640

we don't have those like killer cases

1757

01:09:27,910 --> 01:09:25,199

like we used to i know and maybe and

1758

01:09:30,070 --> 01:09:27,920

maybe it's just because we don't have

1759

01:09:31,510 --> 01:09:30,080

the investigators out in the field doing

1760

01:09:34,470 --> 01:09:31,520

this as much

1761

01:09:36,229 --> 01:09:34,480

yeah that could be it yeah yeah yeah i

1762

01:09:38,149 --> 01:09:36,239

agree with you yeah it seems to have

1763

01:09:41,030 --> 01:09:38,159

teetered off like sheryl costa's

1764

01:09:43,030 --> 01:09:41,040

analysis would tell us but yeah we don't

1765

01:09:44,950 --> 01:09:43,040

have roswells we don't have rental shums

1766

01:09:47,269 --> 01:09:44,960

we don't have those anymore but who

1767

01:09:49,510 --> 01:09:47,279

knows maybe maybe we'll get one or maybe

1768

01:09:52,309 --> 01:09:49,520

maybe maybe this is it

1769

01:09:54,070 --> 01:09:52,319

maybe we have to accept the sobering and

1770

01:09:56,709 --> 01:09:54,080

depressing fact that

1771

01:09:59,110 --> 01:09:56,719

ufo phenomenon might might be coming to

1772

01:10:00,390 --> 01:09:59,120

an end uh i know

1773

01:10:01,669 --> 01:10:00,400

millions of people who would disagree

1774

01:10:04,149 --> 01:10:01,679

with me and say it's still happening

1775

01:10:06,390 --> 01:10:04,159

every day and maybe it is maybe it is i

1776

01:10:09,030 --> 01:10:06,400

don't know all right here's another one

1777

01:10:10,790 --> 01:10:09,040

for you my man um considering your first

1778

01:10:13,990 --> 01:10:10,800

time on my show we talked all about the

1779

01:10:17,910 --> 01:10:14,000

men in black uh this question comes from

1780

01:10:20,229 --> 01:10:17,920

val she asks why is it that mibs

1781

01:10:23,189 --> 01:10:20,239

assuming they're connected are so often

1782

01:10:25,510 --> 01:10:23,199

out of date but only in a past but never

1783

01:10:27,750 --> 01:10:25,520

future manner such as their clothes

1784

01:10:29,270 --> 01:10:27,760

their speech their mannerisms do they

1785

01:10:32,070 --> 01:10:29,280

actually not know

1786

01:10:33,750 --> 01:10:32,080

when they're coming from here or are

1787

01:10:36,709 --> 01:10:33,760

they making a point that they're not

1788

01:10:39,110 --> 01:10:36,719

from our time or possibly outside of it

1789

01:10:41,910 --> 01:10:39,120

that's a loaded question but really i i

1790

01:10:44,470 --> 01:10:41,920

get what she's saying you know like they

1791

01:10:47,189 --> 01:10:44,480

you talked even about like how weird and

1792

01:10:49,510 --> 01:10:47,199

strange the men in black seem to be and

1793

01:10:52,550 --> 01:10:49,520

disconnected from the present time

1794

01:10:55,750 --> 01:10:52,560

they're in and even like simple human

1795

01:10:58,149 --> 01:10:55,760

mannerisms at times so yeah what do you

1796

01:11:01,110 --> 01:10:58,159

make of all that either they're the best

1797

01:11:02,070 --> 01:11:01,120

actors that we have on this planet and

1798

01:11:04,149 --> 01:11:02,080

they

1799

01:11:06,950 --> 01:11:04,159

just act in these really

1800

01:11:09,750 --> 01:11:06,960

odd ways and and and we also have to

1801

01:11:11,830 --> 01:11:09,760

take into consideration here too is that

1802

01:11:14,149 --> 01:11:11,840

the men in black phenomenon as it is is

1803

01:11:15,910 --> 01:11:14,159

such a varying phenomenon sometimes it's

1804

01:11:17,990 --> 01:11:15,920

somebody who acts definitely like a

1805

01:11:20,229 --> 01:11:18,000

government agent is just saying hey shut

1806

01:11:22,390 --> 01:11:20,239

the hell up or we'll take care of you as

1807

01:11:25,830 --> 01:11:22,400

opposed to like the

1808

01:11:28,310 --> 01:11:25,840

the herbert hopkins type encounters or

1809

01:11:29,590 --> 01:11:28,320

the shane sovar type encounters that

1810

01:11:32,630 --> 01:11:29,600

appear to be

1811

01:11:34,790 --> 01:11:32,640

maybe you know beings from some other

1812

01:11:37,590 --> 01:11:34,800

time or place or

1813

01:11:41,910 --> 01:11:37,600

planet or whatever it's such a varying

1814

01:11:43,830 --> 01:11:41,920

topic in terms of why they dress and

1815

01:11:46,790 --> 01:11:43,840

what the vehicles they drive and all

1816

01:11:48,630 --> 01:11:46,800

that stuff it could be just a yeah it

1817

01:11:51,669 --> 01:11:48,640

could be that disconnect between hey

1818

01:11:53,750 --> 01:11:51,679

we're we're not from around here and uh

1819

01:11:55,669 --> 01:11:53,760

we we we kind of want to you know give

1820

01:11:57,750 --> 01:11:55,679

you a clue as to that because i mean

1821

01:12:01,430 --> 01:11:57,760

like there are even cases

1822

01:12:04,390 --> 01:12:01,440

reported of abduction cases where

1823

01:12:06,390 --> 01:12:04,400

people see aliens wearing very strange

1824

01:12:09,350 --> 01:12:06,400

and out of place outfits

1825

01:12:11,270 --> 01:12:09,360

like uh whitley strieber's their

1826

01:12:12,630 --> 01:12:11,280

his last encounter in the bedroom when

1827

01:12:14,870 --> 01:12:12,640

he asked for a quote-unquote

1828

01:12:16,870 --> 01:12:14,880

confirmation there was an alien wearing

1829

01:12:19,189 --> 01:12:16,880

a double-breasted suit so

1830

01:12:22,310 --> 01:12:19,199

nice

1831

01:12:23,830 --> 01:12:22,320

and i mean um that fancy [h__\h]

1832

01:12:26,950 --> 01:12:23,840

yeah right and

1833

01:12:29,910 --> 01:12:26,960

there's uh um uh because when i had rich

1834

01:12:31,910 --> 01:12:29,920

had him on to talk about abductions he

1835

01:12:34,950 --> 01:12:31,920

pointed out this one

1836

01:12:37,110 --> 01:12:34,960

letter that uh whitley and ann got in

1837

01:12:39,110 --> 01:12:37,120

the communion letters where this

1838

01:12:40,950 --> 01:12:39,120

i believe it was a woman but it was it

1839

01:12:42,550 --> 01:12:40,960

was hard to tell because the

1840

01:12:44,229 --> 01:12:42,560

you couldn't totally make out gender in

1841

01:12:45,669 --> 01:12:44,239

every letter but

1842

01:12:46,950 --> 01:12:45,679

this one woman

1843

01:12:50,790 --> 01:12:46,960

claimed

1844

01:12:53,830 --> 01:12:50,800

to see uh on board this craft an alien

1845

01:12:56,550 --> 01:12:53,840

wearing a world war one style helmet

1846

01:12:59,030 --> 01:12:56,560

with a green trench coat

1847

01:13:03,669 --> 01:13:01,750

you have that kind of weird stuff uh you

1848

01:13:06,149 --> 01:13:03,679

know all over the place as to its

1849

01:13:08,390 --> 01:13:06,159

significance it's tough to say you you

1850

01:13:10,070 --> 01:13:08,400

could speculate all day long that it's

1851

01:13:13,110 --> 01:13:10,080

it may be just

1852

01:13:15,350 --> 01:13:13,120

the they have uh out-of-date fashion

1853

01:13:18,149 --> 01:13:15,360

styles i don't know they could they

1854

01:13:20,630 --> 01:13:18,159

could uh they could just be you know

1855

01:13:23,430 --> 01:13:20,640

trying to get that signal across that

1856

01:13:25,510 --> 01:13:23,440

we're not from around here and and

1857

01:13:27,990 --> 01:13:25,520

we don't we just kind of want to tip you

1858

01:13:28,709 --> 01:13:28,000

off about that or or whatever it's such

1859

01:13:47,270 --> 01:13:28,719

a

1860

01:13:50,550 --> 01:13:47,280

comic book series where i think it's the

1861

01:13:52,550 --> 01:13:50,560

the military uh playing pranks on people

1862

01:13:54,709 --> 01:13:52,560

you know i love that the entire men in

1863

01:13:57,510 --> 01:13:54,719

black phenomenon is just a prank that

1864

01:13:59,110 --> 01:13:57,520

they play to uh entertain themselves so

1865

01:14:01,189 --> 01:13:59,120

maybe they're maybe it's something like

1866

01:14:03,189 --> 01:14:01,199

that too i don't know yeah yeah you

1867

01:14:05,750 --> 01:14:03,199

never know

1868

01:14:08,709 --> 01:14:05,760

all right so our next question comes

1869

01:14:13,189 --> 01:14:08,719

from scott and he wants our takes on the

1870

01:14:14,550 --> 01:14:13,199

aztec case of 1948 so are you familiar

1871

01:14:17,189 --> 01:14:14,560

with this one at all

1872

01:14:17,910 --> 01:14:17,199

yeah i'm uh i'm a bit familiar with it

1873

01:14:20,550 --> 01:14:17,920

um

1874

01:14:22,390 --> 01:14:20,560

probably not as much as i should be but

1875

01:14:23,350 --> 01:14:22,400

i've got some thoughts on it what do you

1876

01:14:24,070 --> 01:14:23,360

think

1877

01:14:30,390 --> 01:14:24,080

the

1878

01:14:33,030 --> 01:14:30,400

highly publicized crash cases so

1879

01:14:35,510 --> 01:14:33,040

i mean we could quote uh a couple of

1880

01:14:37,430 --> 01:14:35,520

them off the off the cuff here um

1881

01:14:38,390 --> 01:14:37,440

kecksberg we

1882

01:14:42,229 --> 01:14:38,400

you know

1883

01:14:44,070 --> 01:14:42,239

that happened in real time uh we've got

1884

01:14:45,830 --> 01:14:44,080

roswell which took

1885

01:14:49,270 --> 01:14:45,840

if you think about it

1886

01:14:50,470 --> 01:14:49,280

over 40 years to actually and maybe even

1887

01:14:52,310 --> 01:14:50,480

longer than that i think it was like

1888

01:14:54,709 --> 01:14:52,320

more towards the 50th anniversary that

1889

01:14:57,270 --> 01:14:54,719

it really kind of just blew up but yeah

1890

01:14:59,270 --> 01:14:57,280

i remember being a kid and like

1891

01:15:01,430 --> 01:14:59,280

it was the fact that

1892

01:15:03,110 --> 01:15:01,440

it ended up on unsolved mysteries that

1893

01:15:05,669 --> 01:15:03,120

people just started taking an interest

1894

01:15:08,390 --> 01:15:05,679

in this case i mean stanton friedman was

1895

01:15:10,229 --> 01:15:08,400

there in 78 when somebody just you know

1896

01:15:11,990 --> 01:15:10,239

happened to mention oh you should go

1897

01:15:15,030 --> 01:15:12,000

talk to jesse marcel

1898

01:15:18,070 --> 01:15:15,040

okay great but it took forever for that

1899

01:15:20,950 --> 01:15:18,080

case to come about and um even um the

1900

01:15:23,110 --> 01:15:20,960

cape gerardo crash i mean dean aliotto

1901
01:15:25,750 --> 01:15:23,120
was talking about that on your show and

1902
01:15:28,229 --> 01:15:25,760
and how he's looking into that case and

1903
01:15:30,630 --> 01:15:28,239
there's a woman named linda wallace

1904
01:15:33,110 --> 01:15:30,640
who's been looking into that case for uh

1905
01:15:34,390 --> 01:15:33,120
years interviewing alleged eyewitnesses

1906
01:15:36,310 --> 01:15:34,400
to it and

1907
01:15:39,110 --> 01:15:36,320
uh she actually put out a great book

1908
01:15:40,390 --> 01:15:39,120
called covert retrieval a few years ago

1909
01:15:41,910 --> 01:15:40,400
uh so

1910
01:15:44,630 --> 01:15:41,920
if you're interested in the cape gerard

1911
01:15:46,790 --> 01:15:44,640
oh crash which happened in in 41 you

1912
01:15:49,669 --> 01:15:46,800
know six years before roswell

1913
01:15:51,830 --> 01:15:49,679

yeah yeah yeah go check out that book

1914

01:15:53,030 --> 01:15:51,840

it's a it's really great book uh with

1915

01:15:55,750 --> 01:15:53,040

aztec

1916

01:15:58,310 --> 01:15:55,760

it's it was ruled a hoax and now

1917

01:15:59,750 --> 01:15:58,320

it's not a hoax and it's it's kind of

1918

01:16:02,870 --> 01:15:59,760

confusing but

1919

01:16:05,669 --> 01:16:02,880

to begin with it it started with frank

1920

01:16:09,669 --> 01:16:05,679

scully and his book uh was it behind the

1921

01:16:11,830 --> 01:16:09,679

flying saucer yes yep and he reported i

1922

01:16:14,149 --> 01:16:11,840

i think a number of crashes in there but

1923

01:16:16,870 --> 01:16:14,159

one of them was the aztec new mexico

1924

01:16:19,270 --> 01:16:16,880

crash and then it turned out that uh

1925

01:16:21,669 --> 01:16:19,280

there were two individuals uh silas

1926

01:16:24,390 --> 01:16:21,679

newton and uh leoga bauer they it was

1927

01:16:26,229 --> 01:16:24,400

claimed that they made up this story and

1928

01:16:29,750 --> 01:16:26,239

in order to sell

1929

01:16:34,470 --> 01:16:31,830

they were known con men at this point

1930

01:16:36,790 --> 01:16:34,480

they were they were but you know that's

1931

01:16:39,910 --> 01:16:36,800

where scully said he got his story from

1932

01:16:42,470 --> 01:16:39,920

and you know a few years ago um scott

1933

01:16:45,510 --> 01:16:42,480

and suzanne ramsey uh

1934

01:16:47,590 --> 01:16:45,520

put out this book you know the aztec ufo

1935

01:16:48,470 --> 01:16:47,600

incident i believe it is and

1936

01:16:50,870 --> 01:16:48,480

you know

1937

01:16:53,189 --> 01:16:50,880

they talk to numerous eyewitnesses i'm

1938

01:16:55,189 --> 01:16:53,199

kind of on the fence about it you know

1939

01:16:56,630 --> 01:16:55,199

it's it's interesting but like how do we

1940

01:16:58,790 --> 01:16:56,640

go from hoax to

1941

01:17:00,870 --> 01:16:58,800

legitimate here yeah

1942

01:17:02,709 --> 01:17:00,880

it usually goes the other way

1943

01:17:05,110 --> 01:17:02,719

yeah yeah

1944

01:17:07,990 --> 01:17:05,120

i'm i'm with you man i don't know what

1945

01:17:09,510 --> 01:17:08,000

to make of it and it's what's even more

1946

01:17:11,350 --> 01:17:09,520

interesting is that it happened in new

1947

01:17:14,470 --> 01:17:11,360

mexico only

1948

01:17:16,470 --> 01:17:14,480

less than a year after roswell so a lot

1949

01:17:18,310 --> 01:17:16,480

of people just believe this was they

1950

01:17:21,270 --> 01:17:18,320

were trying to

1951

01:17:23,590 --> 01:17:21,280

bank off of roswell and be like oh

1952

01:17:27,430 --> 01:17:23,600

we had a crash too you know

1953

01:17:29,750 --> 01:17:27,440

um so i i don't know again it was proven

1954

01:17:30,470 --> 01:17:29,760

a hoax almost from the start i don't

1955

01:17:32,390 --> 01:17:30,480

know

1956

01:17:34,149 --> 01:17:32,400

i i will be honest i have not read the

1957

01:17:36,950 --> 01:17:34,159

book by the ramsey so i cannot

1958

01:17:38,550 --> 01:17:36,960

definitively say if it's a hoax or not

1959

01:17:40,470 --> 01:17:38,560

clearly but

1960

01:17:43,910 --> 01:17:40,480

there are those out there who who do

1961

01:17:45,830 --> 01:17:43,920

believe it stan freedman is open to the

1962

01:17:48,149 --> 01:17:45,840

possibility that it could have happened

1963

01:17:50,310 --> 01:17:48,159

but um yeah i don't put much stock in

1964

01:17:52,470 --> 01:17:50,320

the aztec case to be honest i think we

1965

01:17:56,390 --> 01:17:52,480

have much better cases with

1966

01:17:58,870 --> 01:17:56,400

documentation and way more evidence

1967

01:18:01,830 --> 01:17:58,880

that something actually happened yeah i

1968

01:18:03,830 --> 01:18:01,840

mean even the the uh cave gerardo crash

1969

01:18:05,510 --> 01:18:03,840

there's allegedly a photograph of these

1970

01:18:08,310 --> 01:18:05,520

people holding up an alien whether that

1971

01:18:09,110 --> 01:18:08,320

exists truly exists i don't know and

1972

01:18:09,910 --> 01:18:09,120

like

1973

01:18:12,390 --> 01:18:09,920

here's

1974

01:18:14,870 --> 01:18:12,400

to to kind of put this into perspective

1975

01:18:16,709 --> 01:18:14,880

okay if we're if we're talking about

1976

01:18:19,189 --> 01:18:16,719

aztec right now

1977

01:18:22,149 --> 01:18:19,199

it was rule the hoax that that kind of

1978

01:18:24,790 --> 01:18:22,159

you know puts a big you know x in it for

1979

01:18:26,870 --> 01:18:24,800

me as opposed to cape girardeau which

1980

01:18:28,709 --> 01:18:26,880

initially came forward from a third-hand

1981

01:18:30,229 --> 01:18:28,719

source not even the second-hand source a

1982

01:18:33,270 --> 01:18:30,239

third-hand source you know it came

1983

01:18:36,550 --> 01:18:33,280

forward from charlotte mann who was i

1984

01:18:38,390 --> 01:18:36,560

believe the granddaughter of reverend

1985

01:18:40,950 --> 01:18:38,400

william huffman who

1986

01:18:43,590 --> 01:18:40,960

you know huffman told his story to his

1987

01:18:46,070 --> 01:18:43,600

wife and then his wife on her deathbed

1988

01:18:48,149 --> 01:18:46,080

told it to charlotte man so in

1989

01:18:50,229 --> 01:18:48,159

any case i believe that one a little bit

1990

01:18:53,430 --> 01:18:50,239

more than i do aztec and and we're

1991

01:18:54,950 --> 01:18:53,440

talking about your hand testimony yeah

1992

01:18:56,630 --> 01:18:54,960

yeah

1993

01:18:58,790 --> 01:18:56,640

that that's a really good point though

1994

01:19:00,709 --> 01:18:58,800

man yeah yeah that's a good one i

1995

01:19:03,350 --> 01:19:00,719

suggest people check that out the cape

1996

01:19:05,910 --> 01:19:03,360

gerardo case in missouri right

1997

01:19:08,550 --> 01:19:05,920

yeah yeah that's another really good one

1998

01:19:10,790 --> 01:19:08,560

shag harbor as well which will be coming

1999

01:19:13,430 --> 01:19:10,800

up the anniversary in october that's a

2000

01:19:16,149 --> 01:19:13,440

it's a good one out of nova scotia all

2001

01:19:19,830 --> 01:19:16,159

right here we go i've been waiting for

2002

01:19:21,830 --> 01:19:19,840

this one this one comes from a listener

2003

01:19:24,950 --> 01:19:21,840

chris he would like to know what the

2004

01:19:26,070 --> 01:19:24,960

both of us think about the billy meyer

2005

01:19:28,550 --> 01:19:26,080

case

2006

01:19:29,910 --> 01:19:28,560

yes i really hope michael horn is

2007

01:19:32,070 --> 01:19:29,920

listening to this

2008

01:19:34,550 --> 01:19:32,080

i'm gonna have to tag him in the episode

2009

01:19:36,630 --> 01:19:34,560

i've read that it's all been a big hoax

2010

01:19:39,189 --> 01:19:36,640

chris says yet it spawned this hippy

2011

01:19:42,790 --> 01:19:39,199

dippy starseed astro healing movement

2012

01:19:45,910 --> 01:19:42,800

that just seems so damn delusional to me

2013

01:19:48,470 --> 01:19:45,920

that's a really good descriptor kudos on

2014

01:19:51,350 --> 01:19:48,480

that chris yeah so i've definitely got

2015

01:19:53,510 --> 01:19:51,360

an answer for this one but rob what what

2016

01:19:57,030 --> 01:19:53,520

do you make of the entire billy meyer

2017

01:19:58,070 --> 01:19:57,040

affair the one armed swedish farmer i'll

2018

01:20:00,709 --> 01:19:58,080

try to

2019

01:20:02,709 --> 01:20:00,719

keep it simple i think he's a 100

2020

01:20:07,189 --> 01:20:02,719

[h__\h] but

2021

01:20:09,510 --> 01:20:07,199

for me the thing about billy meyer is

2022

01:20:11,510 --> 01:20:09,520

they his photos are hoaxed

2023

01:20:13,669 --> 01:20:11,520

100 they've proven that

2024

01:20:16,550 --> 01:20:13,679

that they found the model i mean it's

2025

01:20:19,910 --> 01:20:16,560

it's like ed walters except like mufon

2026

01:20:23,030 --> 01:20:19,920

determined that the model was not his or

2027

01:20:25,350 --> 01:20:23,040

whatever bill for billy meyer it was and

2028

01:20:26,870 --> 01:20:25,360

i think what we also have to take into

2029

01:20:30,229 --> 01:20:26,880

consideration like

2030

01:20:32,950 --> 01:20:30,239

despite being this this uh hippy dippy

2031

01:20:35,510 --> 01:20:32,960

kind of dude he has some very racist

2032

01:20:38,390 --> 01:20:35,520

leanings and if you go and you read some

2033

01:20:40,390 --> 01:20:38,400

of his stuff it is definitely

2034

01:20:43,350 --> 01:20:40,400

racist so

2035

01:20:46,390 --> 01:20:43,360

definitely don't put stock into him and

2036

01:20:49,189 --> 01:20:46,400

and i'm gonna kind of go on a a a little

2037

01:20:50,630 --> 01:20:49,199

maybe a little tirade here and like

2038

01:20:51,590 --> 01:20:50,640

that's what tonight's for man take a

2039

01:20:53,910 --> 01:20:51,600

drink

2040

01:20:56,390 --> 01:20:53,920

well you know this is gonna this is

2041

01:20:59,830 --> 01:20:56,400

gonna alienate a certain sect of people

2042

01:21:01,910 --> 01:20:59,840

and uh this is gonna and alienate uh

2043

01:21:04,310 --> 01:21:01,920

x-files watchers um

2044

01:21:05,910 --> 01:21:04,320

oh my goodness i'm gonna hang up on you

2045

01:21:06,709 --> 01:21:05,920

no no no no no

2046

01:21:07,830 --> 01:21:06,719

no

2047

01:21:08,630 --> 01:21:07,840

okay so

2048

01:21:10,390 --> 01:21:08,640

so

2049

01:21:12,709 --> 01:21:10,400

i don't think a lot of people realize

2050

01:21:14,870 --> 01:21:12,719

that the poster on the wall that says i

2051

01:21:17,189 --> 01:21:14,880

want to believe that's a billy meyer

2052

01:21:19,030 --> 01:21:17,199

photo on that it is it's in my living

2053

01:21:21,910 --> 01:21:19,040

room right now framed

2054

01:21:25,030 --> 01:21:21,920

yeah and like take into consideration

2055

01:21:27,270 --> 01:21:25,040

like the words i want to believe and the

2056

01:21:30,229 --> 01:21:27,280

fact that the photo is it's pulling the

2057

01:21:33,030 --> 01:21:30,239

rug out from underneath your eyes do you

2058

01:21:35,350 --> 01:21:33,040

think chris carter meant to do that

2059

01:21:36,709 --> 01:21:35,360

maybe i you know or he was like oh

2060

01:21:38,870 --> 01:21:36,719

that's a really good

2061

01:21:40,070 --> 01:21:38,880

photo it's very clear let's use that i

2062

01:21:43,350 --> 01:21:40,080

don't know

2063

01:21:45,510 --> 01:21:43,360

i mean it depends on how much you know

2064

01:21:47,110 --> 01:21:45,520

how into the phenomenon you think chris

2065

01:21:49,590 --> 01:21:47,120

carter was and like

2066

01:21:52,709 --> 01:21:49,600

i don't think he was into it as much as

2067

01:21:55,189 --> 01:21:52,719

like you know people may make out to be

2068

01:21:58,229 --> 01:21:55,199

but it's like one of those things where

2069

01:22:00,070 --> 01:21:58,239

like that show promoted that phrase i

2070

01:22:03,270 --> 01:22:00,080

want to believe

2071

01:22:06,470 --> 01:22:03,280

and i believe i believe that phrase has

2072

01:22:09,270 --> 01:22:06,480

been damaging at least it turned to

2073

01:22:11,669 --> 01:22:09,280

like the public perception of of ufos

2074

01:22:14,149 --> 01:22:11,679

belief has nothing at all to do with

2075

01:22:17,110 --> 01:22:14,159

this phenomenon belief does not confirm

2076

01:22:18,149 --> 01:22:17,120

or deny the existence of anything

2077

01:22:21,350 --> 01:22:18,159

so

2078

01:22:22,550 --> 01:22:21,360

if you're going around saying uh i want

2079

01:22:24,229 --> 01:22:22,560

to believe get that out of your

2080

01:22:25,669 --> 01:22:24,239

vocabulary

2081

01:22:27,110 --> 01:22:25,679

i'm just going to say it now get it out

2082

01:22:28,629 --> 01:22:27,120

of your vocabulary if you want to take

2083

01:22:31,430 --> 01:22:28,639

this seriously

2084

01:22:34,470 --> 01:22:31,440

and the other phrase that

2085

01:22:37,189 --> 01:22:34,480

i rail against from the x-files that has

2086

01:22:40,790 --> 01:22:37,199

embedded itself into popular culture the

2087

01:22:43,030 --> 01:22:40,800

truth is out there i don't think for one

2088

01:22:45,590 --> 01:22:43,040

second like when anybody says we're

2089

01:22:48,149 --> 01:22:45,600

looking for the truth that may be true

2090

01:22:49,990 --> 01:22:48,159

but you need clues before you even get

2091

01:22:52,950 --> 01:22:50,000

to the truth i don't even think we have

2092

01:22:55,669 --> 01:22:52,960

a damn clue at this point but

2093

01:22:57,590 --> 01:22:55,679

don't jump the shark to say hey we're

2094

01:23:00,709 --> 01:22:57,600

looking for the truth now get a clue

2095

01:23:03,110 --> 01:23:00,719

first and then we'll look for the truth

2096

01:23:05,030 --> 01:23:03,120

welcome to x-files bashing hour with rob

2097

01:23:07,669 --> 01:23:05,040

christopherson

2098

01:23:09,750 --> 01:23:07,679

don't get me wrong i i do love the

2099

01:23:12,709 --> 01:23:09,760

x-files when i whenever i want to get

2100

01:23:14,950 --> 01:23:12,719

romantic about ufos i go watch the

2101
01:23:16,950 --> 01:23:14,960
x-files of course man yeah of course

2102
01:23:18,250 --> 01:23:16,960
you're a shooter

2103
01:23:20,149 --> 01:23:18,260
yeah

2104
01:23:22,870 --> 01:23:20,159
[Laughter]

2105
01:23:24,709 --> 01:23:22,880
whenever i need to reconnect with life i

2106
01:23:27,590 --> 01:23:24,719
throw on jose chung's from outer space

2107
01:23:29,590 --> 01:23:27,600
because i believe it's the best episode

2108
01:23:31,590 --> 01:23:29,600
of television ever produced it's that

2109
01:23:34,790 --> 01:23:31,600
great to me so

2110
01:23:36,790 --> 01:23:34,800
i don't hate the x-files i hate what the

2111
01:23:39,030 --> 01:23:36,800
x-files has embedded into popular

2112
01:23:41,590 --> 01:23:39,040
culture let me just put it that way and

2113
01:23:44,229 --> 01:23:41,600

and if we're being uh

2114

01:23:46,229 --> 01:23:44,239

if we're gonna cite anything here i do

2115

01:23:48,070 --> 01:23:46,239

believe it was richard doty that said he

2116

01:23:49,750 --> 01:23:48,080

worked on the x-files and that he even

2117

01:23:52,870 --> 01:23:49,760

wrote a couple episodes of the x-files

2118

01:23:54,870 --> 01:23:52,880

so if that's any indication there right

2119

01:23:56,790 --> 01:23:54,880

our favorite disinformation agent for

2120

01:23:58,390 --> 01:23:56,800

sure yeah

2121

01:24:01,350 --> 01:23:58,400

he very well could be listening to this

2122

01:24:04,310 --> 01:24:01,360

i i like dodie i i'm he's grown on me a

2123

01:24:05,590 --> 01:24:04,320

lot and he supports my work and uh i'm

2124

01:24:07,110 --> 01:24:05,600

gonna have to get him on the show at

2125

01:24:08,950 --> 01:24:07,120

some point but

2126

01:24:10,950 --> 01:24:08,960

you know before we leave

2127

01:24:13,110 --> 01:24:10,960

both billy meyer and the x-files i

2128

01:24:15,270 --> 01:24:13,120

always found it very ironic that the

2129

01:24:17,990 --> 01:24:15,280

truth is out there was their slogan and

2130

01:24:20,390 --> 01:24:18,000

then their other slogan was trust no one

2131

01:24:25,270 --> 01:24:22,790

it's really through me i'm like hmm

2132

01:24:26,709 --> 01:24:25,280

which do i which do i go with here um

2133

01:24:29,030 --> 01:24:26,719

but that just got to the point of the

2134

01:24:31,430 --> 01:24:29,040

show so so all right going back to the

2135

01:24:35,189 --> 01:24:31,440

billy meyer case it is so wrong with

2136

01:24:37,350 --> 01:24:35,199

contention that it makes my heart burn i

2137

01:24:39,270 --> 01:24:37,360

get so much indigestion just when i hear

2138

01:24:41,270 --> 01:24:39,280

this you know he's claimed contact

2139

01:24:44,070 --> 01:24:41,280

experiences with humanoid being since

2140

01:24:47,189 --> 01:24:44,080

the age of five he claims to be a

2141

01:24:49,669 --> 01:24:47,199

prophet he started a religious movement

2142

01:24:51,910 --> 01:24:49,679

he's apparently super racist which i

2143

01:24:53,750 --> 01:24:51,920

didn't know about and he has produced

2144

01:24:57,510 --> 01:24:53,760

many photos and videos like you said

2145

01:24:58,470 --> 01:24:57,520

that have been proven to be hoaxed this

2146

01:25:01,189 --> 01:24:58,480

dude

2147

01:25:03,510 --> 01:25:01,199

michael horn appears out of nowhere and

2148

01:25:07,189 --> 01:25:03,520

becomes the official spokesperson for

2149

01:25:09,510 --> 01:25:07,199

billy meyer and all right man this is

2150

01:25:11,430 --> 01:25:09,520

i i kind of made this connection not too

2151
01:25:13,189 --> 01:25:11,440
long ago and i know i'm not the first to

2152
01:25:15,910 --> 01:25:13,199
make it so i don't pretend to be all

2153
01:25:18,070 --> 01:25:15,920
smart about it but this is scientology

2154
01:25:20,550 --> 01:25:18,080
all over again if you think oh yeah the

2155
01:25:22,950 --> 01:25:20,560
billy meyer followers it is a cult i

2156
01:25:25,430 --> 01:25:22,960
will say that and i'm sorry to anyone

2157
01:25:27,830 --> 01:25:25,440
who listens to this show that believes

2158
01:25:30,950 --> 01:25:27,840
in this case this is a cult

2159
01:25:33,430 --> 01:25:30,960
meyer is l ron hubbard and his religion

2160
01:25:35,990 --> 01:25:33,440
was hijacked by horn who is david

2161
01:25:39,590 --> 01:25:36,000
miscavige if you think about it you know

2162
01:25:42,709 --> 01:25:39,600
he's made it into a money making venture

2163
01:25:44,629 --> 01:25:42,719

he is taking the belief system of people

2164

01:25:47,510 --> 01:25:44,639

and he is exploiting it to the nth

2165

01:25:50,950 --> 01:25:47,520

degree that's it you know going so far

2166

01:25:52,390 --> 01:25:50,960

as to have absolutely no

2167

01:25:54,470 --> 01:25:52,400

reliability

2168

01:25:57,110 --> 01:25:54,480

in claiming that any photo or video that

2169

01:25:59,510 --> 01:25:57,120

billy meyer has is real you know

2170

01:26:02,229 --> 01:25:59,520

everyone under the sun every photo

2171

01:26:05,510 --> 01:26:02,239

analysis every video person has said

2172

01:26:08,629 --> 01:26:05,520

these are hoaxes these are models and

2173

01:26:10,310 --> 01:26:08,639

horn cannot argue that he really can and

2174

01:26:12,709 --> 01:26:10,320

it sucks and the minute that a

2175

01:26:14,950 --> 01:26:12,719

researcher argues it you get

2176
01:26:16,070 --> 01:26:14,960
gang-stopped you get you get attacked

2177
01:26:18,070 --> 01:26:16,080
online

2178
01:26:19,350 --> 01:26:18,080
you know they they say that you were

2179
01:26:21,510 --> 01:26:19,360
part of the problem we're the

2180
01:26:23,990 --> 01:26:21,520
disinformation people why can't we just

2181
01:26:26,790 --> 01:26:24,000
accept this man's story and i'll tell

2182
01:26:29,669 --> 01:26:26,800
you why because it's all fake yeah billy

2183
01:26:32,149 --> 01:26:29,679
meyer's wife came forward and said oh

2184
01:26:34,149 --> 01:26:32,159
yeah the models were all over the place

2185
01:26:37,350 --> 01:26:34,159
you know these are not real so

2186
01:26:40,310 --> 01:26:37,360
aesthetically pleasing yes great for an

2187
01:26:42,390 --> 01:26:40,320
x-files poster yeah definitely have i

2188
01:26:43,350 --> 01:26:42,400

used them as my cover photo on facebook

2189

01:26:44,229 --> 01:26:43,360

yup

2190

01:26:45,750 --> 01:26:44,239

but

2191

01:26:47,350 --> 01:26:45,760

at the end of the day i don't believe a

2192

01:26:49,030 --> 01:26:47,360

god damn word that comes out of billy

2193

01:26:50,310 --> 01:26:49,040

meyer's mouth or michael horn's mouth

2194

01:26:51,910 --> 01:26:50,320

and i'm gonna leave it at that when it

2195

01:26:53,590 --> 01:26:51,920

goes to this one

2196

01:26:54,709 --> 01:26:53,600

yeah that's it's a good place to leave

2197

01:26:56,709 --> 01:26:54,719

it and

2198

01:26:59,270 --> 01:26:56,719

you know what don't anybody pick it up

2199

01:27:00,870 --> 01:26:59,280

just don't pick it up don't don't lick

2200

01:27:02,790 --> 01:27:00,880

ufos either

2201
01:27:04,390 --> 01:27:02,800
no don't do it you you know what you're

2202
01:27:07,030 --> 01:27:04,400
gonna have a worse time

2203
01:27:08,470 --> 01:27:07,040
than anybody from randall shimour cash

2204
01:27:11,189 --> 01:27:08,480
land room you're going to you're going

2205
01:27:12,629 --> 01:27:11,199
to burn your tongue off okay

2206
01:27:13,430 --> 01:27:12,639
bye tongue

2207
01:27:16,070 --> 01:27:13,440
well

2208
01:27:18,790 --> 01:27:16,080
he also brings up while

2209
01:27:20,870 --> 01:27:18,800
billy meyer is silly and delusional and

2210
01:27:22,390 --> 01:27:20,880
the case is ridiculous he brings up that

2211
01:27:24,229 --> 01:27:22,400
a lot of people believe this other

2212
01:27:26,950 --> 01:27:24,239
ridiculous case and this is when you've

2213
01:27:28,790 --> 01:27:26,960

covered the joe simonton case

2214

01:27:31,510 --> 01:27:28,800

pancake aliens

2215

01:27:34,070 --> 01:27:31,520

oh man like you know i don't i don't

2216

01:27:36,790 --> 01:27:34,080

like to pre-judge people but if if

2217

01:27:41,830 --> 01:27:36,800

if some italians gave me some some

2218

01:27:44,149 --> 01:27:41,840

pancakes you know i that that case is so

2219

01:27:45,990 --> 01:27:44,159

crazy and i mean like

2220

01:27:48,790 --> 01:27:46,000

it occurred the same year that betty of

2221

01:27:50,149 --> 01:27:48,800

barney hills abduction did for all of

2222

01:27:52,790 --> 01:27:50,159

you know and

2223

01:27:53,830 --> 01:27:52,800

here's the thing 62 year old chicken

2224

01:27:56,310 --> 01:27:53,840

farmer

2225

01:27:58,390 --> 01:27:56,320

sitting down to brunch at 11 o'clock in

2226

01:28:00,709 --> 01:27:58,400

the morning here's this sound

2227

01:28:03,990 --> 01:28:00,719

and he goes outside and he sees this

2228

01:28:07,110 --> 01:28:04,000

you this uh it would probably be like a

2229

01:28:10,070 --> 01:28:07,120

sauce or two he's he described the ufo

2230

01:28:12,629 --> 01:28:10,080

as two saucers uh connected by a

2231

01:28:14,550 --> 01:28:12,639

depression ring that had like these six

2232

01:28:17,189 --> 01:28:14,560

inch diameter pipes that were going all

2233

01:28:18,149 --> 01:28:17,199

around it and this hatch opens and he

2234

01:28:20,390 --> 01:28:18,159

sees

2235

01:28:22,950 --> 01:28:20,400

what he describes as three

2236

01:28:25,350 --> 01:28:22,960

five foot italian looking aliens with

2237

01:28:26,790 --> 01:28:25,360

mesmerizing eyes wearing onesies and

2238

01:28:28,709 --> 01:28:26,800

they want water

2239

01:28:30,629 --> 01:28:28,719

so i trade some water for some what he

2240

01:28:32,629 --> 01:28:30,639

calls pancakes even though i would call

2241

01:28:34,310 --> 01:28:32,639

them cookies and he gave me a salute for

2242

01:28:36,229 --> 01:28:34,320

the back of his hand the gesture of

2243

01:28:38,470 --> 01:28:36,239

thanks i presume

2244

01:28:39,990 --> 01:28:38,480

and then uh well i gave you my salute

2245

01:28:42,470 --> 01:28:40,000

what am i gonna do

2246

01:28:44,629 --> 01:28:42,480

i noticed this little man the same size

2247

01:28:47,030 --> 01:28:44,639

of a man right beside the right side of

2248

01:28:49,990 --> 01:28:47,040

the hatchway cooking uh cooking these

2249

01:28:53,669 --> 01:28:50,000

pancakes which i have one here yet he

2250

01:28:55,189 --> 01:28:53,679

was he was frying these these pancakes

2251
01:28:57,590 --> 01:28:55,199
and uh

2252
01:28:59,510 --> 01:28:57,600
i pointed to him and made a gesture like

2253
01:29:01,350 --> 01:28:59,520
eating i thought maybe i get a

2254
01:29:03,430 --> 01:29:01,360
conversation out of him nobody was

2255
01:29:05,510 --> 01:29:03,440
saying anything

2256
01:29:07,189 --> 01:29:05,520
but he uh

2257
01:29:09,430 --> 01:29:07,199
he didn't say a word he just reached

2258
01:29:10,790 --> 01:29:09,440
over and he got a handful before him

2259
01:29:13,030 --> 01:29:10,800
them down to me

2260
01:29:14,709 --> 01:29:13,040
and they were hot and greasy and with

2261
01:29:15,830 --> 01:29:14,719
that he reached up and he closed his

2262
01:29:18,310 --> 01:29:15,840
hats

2263
01:29:19,510 --> 01:29:18,320

with a heavy stud click-like when it

2264

01:29:21,830 --> 01:29:19,520

latched

2265

01:29:23,750 --> 01:29:21,840

and uh with that the thing started to

2266

01:29:25,910 --> 01:29:23,760

raise it's like it came down everything

2267

01:29:29,030 --> 01:29:25,920

was time perfect it went up about 20

2268

01:29:31,830 --> 01:29:29,040

feet it tilted 45 degree

2269

01:29:34,550 --> 01:29:31,840

straight south and shot off and within

2270

01:29:36,470 --> 01:29:34,560

two or three seconds it was out of sight

2271

01:29:39,030 --> 01:29:36,480

well there i stood in the driveway with

2272

01:29:41,510 --> 01:29:39,040

a handful of greasy pancakes my mouth

2273

01:29:43,669 --> 01:29:41,520

open wondering what the heck i saw what

2274

01:29:45,910 --> 01:29:43,679

had happened but you know what you were

2275

01:29:47,510 --> 01:29:45,920

about to sit down to brunch i understand

2276
01:29:49,270 --> 01:29:47,520
why you call them pancakes yeah yeah

2277
01:29:51,910 --> 01:29:49,280
they tell you how they taste they taste

2278
01:29:53,830 --> 01:29:51,920
like cardboard okay cool here's the

2279
01:29:55,590 --> 01:29:53,840
thing about that case that case is

2280
01:29:57,590 --> 01:29:55,600
charming as hell as opposed to billy

2281
01:30:00,149 --> 01:29:57,600
meyer who is not charming in the

2282
01:30:02,070 --> 01:30:00,159
slightest joe simonton i would listen to

2283
01:30:05,110 --> 01:30:02,080
that man if he was still alive today

2284
01:30:06,950 --> 01:30:05,120
tell me all about his alien pancakes i i

2285
01:30:08,790 --> 01:30:06,960
don't like to put a lot of stock into

2286
01:30:11,350 --> 01:30:08,800
into belief but listening to joe

2287
01:30:13,350 --> 01:30:11,360
simonton i believe that he did get some

2288
01:30:15,430 --> 01:30:13,360

pancakes from some italian looking

2289

01:30:17,270 --> 01:30:15,440

aliens who had mesmerizing eyes and they

2290

01:30:18,709 --> 01:30:17,280

just wanted some water i'm going with it

2291

01:30:20,390 --> 01:30:18,719

i don't care and

2292

01:30:22,310 --> 01:30:20,400

one of the coolest things

2293

01:30:24,070 --> 01:30:22,320

that's coming out this year

2294

01:30:25,350 --> 01:30:24,080

i believe it's still coming out this

2295

01:30:27,189 --> 01:30:25,360

year i had

2296

01:30:30,229 --> 01:30:27,199

john tenney on my podcast he has written

2297

01:30:32,629 --> 01:30:30,239

a children's book about this case

2298

01:30:36,070 --> 01:30:32,639

yeah that is coming out later this year

2299

01:30:39,350 --> 01:30:36,080

and it's all about joe simonton and uh

2300

01:30:42,149 --> 01:30:39,360

he even has a recipe in there for these

2301

01:30:43,510 --> 01:30:42,159

uh space pancakes

2302

01:30:46,550 --> 01:30:43,520

and he has

2303

01:30:49,030 --> 01:30:46,560

instructions for children to submit uh

2304

01:30:51,270 --> 01:30:49,040

foia requests

2305

01:30:52,470 --> 01:30:51,280

oh my god

2306

01:30:55,430 --> 01:30:52,480

yeah

2307

01:30:57,990 --> 01:30:55,440

if anything if anything this this case

2308

01:31:00,229 --> 01:30:58,000

got more charming just based on that so

2309

01:31:02,870 --> 01:31:00,239

i will believe joe simonton all day long

2310

01:31:04,070 --> 01:31:02,880

i love it i love it man and you and i

2311

01:31:06,310 --> 01:31:04,080

are going to make a trip to wright

2312

01:31:08,070 --> 01:31:06,320

patterson and we're going to bring are

2313

01:31:10,550 --> 01:31:08,080

you an ancient mama guy or a mrs

2314

01:31:11,990 --> 01:31:10,560

butterworth um i could go either way i

2315

01:31:13,590 --> 01:31:12,000

really could okay

2316

01:31:16,070 --> 01:31:13,600

all right we'll bring both just to be

2317

01:31:18,950 --> 01:31:16,080

safe

2318

01:31:21,110 --> 01:31:18,960

all right moving on from alien pancakes

2319

01:31:23,990 --> 01:31:21,120

to the paranormal

2320

01:31:26,149 --> 01:31:24,000

jamie asks what are our thoughts on how

2321

01:31:28,629 --> 01:31:26,159

the paranormal and the ufo phenomenon

2322

01:31:30,390 --> 01:31:28,639

might be related this is a really tough

2323

01:31:32,550 --> 01:31:30,400

one we could talk in the whole episode

2324

01:31:36,070 --> 01:31:32,560

about this one well and that's the thing

2325

01:31:38,390 --> 01:31:36,080

is like when you look at the cases where

2326

01:31:40,470 --> 01:31:38,400

paranormal activity

2327

01:31:42,149 --> 01:31:40,480

was associated with

2328

01:31:44,390 --> 01:31:42,159

ufos

2329

01:31:45,910 --> 01:31:44,400

you know you go to the mothman sightings

2330

01:31:47,990 --> 01:31:45,920

and there was a ton of that happening

2331

01:31:50,390 --> 01:31:48,000

where people were seeing ufos they were

2332

01:31:52,229 --> 01:31:50,400

getting these really weird phone calls

2333

01:31:54,470 --> 01:31:52,239

and then all of a sudden they had

2334

01:31:56,149 --> 01:31:54,480

poltergeist-like activity in their house

2335

01:31:57,830 --> 01:31:56,159

you have skinwalker ranch where there

2336

01:31:59,830 --> 01:31:57,840

was poltergeist activity happening

2337

01:32:01,030 --> 01:31:59,840

inside the house while there were ufos

2338

01:32:04,550 --> 01:32:01,040

seen

2339

01:32:05,430 --> 01:32:04,560

there was inter-dimensional uh bigfoots

2340

01:32:11,750 --> 01:32:05,440

and

2341

01:32:13,430 --> 01:32:11,760

documentary by jeremy corbell that comes

2342

01:32:14,629 --> 01:32:13,440

out in september it's going to be dope

2343

01:32:16,870 --> 01:32:14,639

there's

2344

01:32:17,830 --> 01:32:16,880

i don't know if it's just that it draws

2345

01:32:20,709 --> 01:32:17,840

in

2346

01:32:22,229 --> 01:32:20,719

that type of activity or if it's an

2347

01:32:23,350 --> 01:32:22,239

extension of that activity because if

2348

01:32:26,550 --> 01:32:23,360

you look

2349

01:32:28,270 --> 01:32:26,560

at uh for instance um uh case that i'm

2350

01:32:31,510 --> 01:32:28,280

gonna be covering is the

2351

01:32:34,629 --> 01:32:31,520

1973 case from pennsylvania where

2352

01:32:38,310 --> 01:32:34,639

this farmer and two kids walk up walk up

2353

01:32:41,910 --> 01:32:38,320

upon two bigfoot approaching a ufo okay

2354

01:32:44,550 --> 01:32:41,920

yeah and apparently there are numerous

2355

01:32:47,910 --> 01:32:44,560

cases like that in pennsylvania

2356

01:32:49,510 --> 01:32:47,920

seth breedlove did uh the uh invasion on

2357

01:32:51,350 --> 01:32:49,520

chestnut ridge which

2358

01:32:53,189 --> 01:32:51,360

yeah which is where all that stuff

2359

01:32:56,229 --> 01:32:53,199

apparently happens they have a ton of

2360

01:32:58,870 --> 01:32:56,239

cases like this even ancient aliens had

2361

01:33:00,950 --> 01:32:58,880

an episode about bigfoots and ufos so i

2362

01:33:02,149 --> 01:33:00,960

just saw that the other day they had a

2363

01:33:04,310 --> 01:33:02,159

marathon

2364

01:33:06,390 --> 01:33:04,320

and i just happened to be watching it

2365

01:33:10,709 --> 01:33:06,400

and i'm like oh god

2366

01:33:13,110 --> 01:33:10,719

here we go but again man yeah no you're

2367

01:33:16,070 --> 01:33:13,120

right i mean even some of the people in

2368

01:33:19,030 --> 01:33:16,080

my book they they claimed that after a

2369

01:33:21,350 --> 01:33:19,040

ufo event it just opened the floodgates

2370

01:33:23,910 --> 01:33:21,360

to everything you know the patty donahue

2371

01:33:26,070 --> 01:33:23,920

case with the her younger daughters that

2372

01:33:29,030 --> 01:33:26,080

had experiences with her in their home

2373

01:33:31,270 --> 01:33:29,040

after the ufo event and a possible

2374

01:33:33,910 --> 01:33:31,280

contact experience in the home with a

2375

01:33:35,910 --> 01:33:33,920

gray being they had poltergeist activity

2376

01:33:37,990 --> 01:33:35,920

they had really high strangeness things

2377

01:33:40,310 --> 01:33:38,000

going on to the point where they had to

2378

01:33:43,110 --> 01:33:40,320

have a a person an electrician come to

2379

01:33:45,750 --> 01:33:43,120

the home because so much weird

2380

01:33:49,350 --> 01:33:45,760

activity was going on and the guy

2381

01:33:51,590 --> 01:33:49,360

experienced it while he was there and he

2382

01:33:54,149 --> 01:33:51,600

told paddy i am never coming back here

2383

01:33:56,629 --> 01:33:54,159

again i will send another tech good luck

2384

01:33:57,590 --> 01:33:56,639

and goodbye so

2385

01:33:59,750 --> 01:33:57,600

yes

2386

01:34:02,070 --> 01:33:59,760

you know we hear all the time that after

2387

01:34:04,790 --> 01:34:02,080

a ufo event there are there are so many

2388

01:34:07,030 --> 01:34:04,800

other things that happen and whether it

2389

01:34:09,990 --> 01:34:07,040

is connected or not

2390

01:34:12,550 --> 01:34:10,000

i don't know but i think once

2391

01:34:15,110 --> 01:34:12,560

your mind has been open to one thing

2392

01:34:16,870 --> 01:34:15,120

it's only going to be open to others and

2393

01:34:19,189 --> 01:34:16,880

that may again

2394

01:34:21,750 --> 01:34:19,199

be inextricably linked with these

2395

01:34:24,790 --> 01:34:21,760

phenomena whether paranormal ufological

2396

01:34:27,750 --> 01:34:24,800

whatever it's just gonna open up doors

2397

01:34:29,750 --> 01:34:27,760

that you might not want opened but uh

2398

01:34:32,470 --> 01:34:29,760

it's crazy so do i think they're

2399

01:34:35,189 --> 01:34:32,480

connected yes and no

2400

01:34:37,910 --> 01:34:35,199

um i think some might be some might not

2401

01:34:40,229 --> 01:34:37,920

be some might just be aliens and some

2402

01:34:43,430 --> 01:34:40,239

might be something we can't even begin

2403

01:34:47,110 --> 01:34:43,440

to fathom so and i mean like even if you

2404

01:34:49,510 --> 01:34:47,120

look at like the really odd hot spots

2405

01:34:51,910 --> 01:34:49,520

uh around the united states you've got

2406

01:34:53,830 --> 01:34:51,920

the bridgewater triangle area where all

2407

01:34:56,870 --> 01:34:53,840

that stuff is kind of taking place in

2408

01:34:59,189 --> 01:34:56,880

one area you have um i would put central

2409

01:35:01,030 --> 01:34:59,199

kentucky on that map just because you

2410

01:35:03,990 --> 01:35:01,040

know i've i've been talking to people

2411

01:35:05,590 --> 01:35:04,000

and they talk about how there is so much

2412

01:35:08,070 --> 01:35:05,600

there's a concentration of so much

2413

01:35:10,149 --> 01:35:08,080

different stuff in that area that

2414

01:35:13,510 --> 01:35:10,159

it's just so varied

2415

01:35:16,070 --> 01:35:13,520

you know um what um chuck zukowski was

2416

01:35:18,310 --> 01:35:16,080

talking about uh on the 37th parallel i

2417

01:35:20,870 --> 01:35:18,320

think a lot of it does occur on the 37th

2418

01:35:23,910 --> 01:35:20,880

parallel you know but uh what is it

2419

01:35:26,629 --> 01:35:23,920

about these areas that makes it unique

2420

01:35:29,189 --> 01:35:26,639

to all of this phenomenon occurring at

2421

01:35:32,229 --> 01:35:29,199

the same time what was it about point

2422

01:35:34,149 --> 01:35:32,239

pleasant and the ohio valley in 66 and

2423

01:35:36,149 --> 01:35:34,159

67 that made it

2424

01:35:37,910 --> 01:35:36,159

so attractive to all this type of

2425

01:35:40,550 --> 01:35:37,920

different stuff that's the kind of crap

2426

01:35:42,470 --> 01:35:40,560

that keeps me up at night man i know

2427

01:35:45,270 --> 01:35:42,480

absolutely yeah i mean you could go so

2428

01:35:47,990 --> 01:35:45,280

far as you know the uh the

2429

01:35:50,390 --> 01:35:48,000

is it east city the east city ranch

2430

01:35:52,629 --> 01:35:50,400

yeah as well in washington like what is

2431

01:35:55,990 --> 01:35:52,639

with or the hazeltine lights

2432

01:35:57,669 --> 01:35:56,000

in is it norway i believe yeah yeah like

2433

01:35:59,910 --> 01:35:57,679

what is it about these areas brown

2434

01:36:02,709 --> 01:35:59,920

mountain even where these weird

2435

01:36:04,629 --> 01:36:02,719

phenomena seem to to happen chestnut

2436

01:36:07,669 --> 01:36:04,639

ridge you got bigfoot you got ghosts you

2437

01:36:09,830 --> 01:36:07,679

got aliens you got everything what is it

2438

01:36:12,070 --> 01:36:09,840

what is what makes it happen there i

2439

01:36:15,110 --> 01:36:12,080

don't know are we dealing with ley lines

2440

01:36:16,950 --> 01:36:15,120

are we dealing with some sort of uh

2441

01:36:19,110 --> 01:36:16,960

some sort of natural resources that

2442

01:36:21,830 --> 01:36:19,120

these things are feeding off of from the

2443

01:36:23,350 --> 01:36:21,840

planet i don't know i don't know but

2444

01:36:25,030 --> 01:36:23,360

it's fascinating

2445

01:36:27,830 --> 01:36:25,040

could it just be some something as

2446

01:36:29,430 --> 01:36:27,840

simple as water water does seem to

2447

01:36:30,790 --> 01:36:29,440

factor into it and

2448

01:36:31,590 --> 01:36:30,800

i covered

2449

01:36:33,270 --> 01:36:31,600

the

2450

01:36:35,430 --> 01:36:33,280

charlie red star

2451

01:36:38,709 --> 01:36:35,440

sightings on patreon and

2452

01:36:41,110 --> 01:36:38,719

i had amber and andrew from into the

2453

01:36:43,510 --> 01:36:41,120

portal on to talk about that and i asked

2454

01:36:46,310 --> 01:36:43,520

him because this is all in manitoba and

2455

01:36:47,669 --> 01:36:46,320

manitoba and canada is a hot spot for

2456

01:36:48,629 --> 01:36:47,679

ufos

2457

01:36:50,390 --> 01:36:48,639

and

2458

01:36:52,310 --> 01:36:50,400

the only conclusion that i could come up

2459

01:36:54,790 --> 01:36:52,320

with is water because if you look at

2460

01:36:56,870 --> 01:36:54,800

manitoba on a map it's just a ton of

2461

01:36:58,709 --> 01:36:56,880

water everywhere so

2462

01:37:00,629 --> 01:36:58,719

maybe it could be water it's definitely

2463

01:37:02,629 --> 01:37:00,639

it definitely seems to play a part it

2464

01:37:04,310 --> 01:37:02,639

very well could be especially if you're

2465

01:37:06,629 --> 01:37:04,320

you know a non-human intelligence coming

2466

01:37:07,910 --> 01:37:06,639

to a planet that is mostly water it's

2467

01:37:09,510 --> 01:37:07,920

like oh

2468

01:37:11,030 --> 01:37:09,520

you're like they really must depend on

2469

01:37:13,669 --> 01:37:11,040

this stuff let's see what this is all

2470

01:37:14,629 --> 01:37:13,679

about you gotta wonder you do have to

2471

01:37:17,189 --> 01:37:14,639

wonder

2472

01:37:20,229 --> 01:37:17,199

all right man well we are on our last

2473

01:37:22,310 --> 01:37:20,239

question and it comes from our mutual

2474

01:37:25,750 --> 01:37:22,320

friends over at the double density

2475

01:37:27,910 --> 01:37:25,760

podcast and they want to know

2476

01:37:30,390 --> 01:37:27,920

what do we believe is the biggest

2477

01:37:34,390 --> 01:37:30,400

misconception with ufology and its

2478

01:37:35,910 --> 01:37:34,400

related research i've got one sort of

2479

01:37:39,590 --> 01:37:35,920

sentence for this

2480

01:37:42,470 --> 01:37:39,600

and it is the eth hypothesis i have my

2481

01:37:43,990 --> 01:37:42,480

thoughts exactly oh i saw your thunder

2482

01:37:47,189 --> 01:37:44,000

no but it's good that we're on the same

2483

01:37:48,950 --> 01:37:47,199

page yeah as ufo researchers i mean the

2484

01:37:51,109 --> 01:37:48,960

biggest misconception

2485

01:37:53,430 --> 01:37:51,119

every day when someone when i tell them

2486

01:37:55,669 --> 01:37:53,440

i'm a ufo researcher like oh aliens i'm

2487

01:37:59,109 --> 01:37:55,679

like no yeah no no no no that's not what

2488

01:38:02,070 --> 01:37:59,119

i said i said ufos i study ufos i don't

2489

01:38:04,629 --> 01:38:02,080

study aliens that's up to biologists and

2490

01:38:07,750 --> 01:38:04,639

scientists and you know

2491

01:38:10,070 --> 01:38:07,760

alien theorists i look at ufo reports

2492

01:38:11,750 --> 01:38:10,080

ufo activity the witnesses who

2493

01:38:13,910 --> 01:38:11,760

experience that do i dive into

2494

01:38:15,669 --> 01:38:13,920

abductions yeah of course i do all the

2495

01:38:17,669 --> 01:38:15,679

time but i think the biggest

2496

01:38:22,070 --> 01:38:17,679

misconception is that when we study

2497

01:38:23,910 --> 01:38:22,080

ufology that it is aliens only and

2498

01:38:26,709 --> 01:38:23,920

everyone does that everyone makes that

2499

01:38:29,030 --> 01:38:26,719

mistake i make it myself all the time

2500

01:38:31,350 --> 01:38:29,040

all the time i i you know i put on

2501

01:38:33,030 --> 01:38:31,360

twitter i'm doing a ufo thing and i use

2502

01:38:34,950 --> 01:38:33,040

the little alien emoji and every time

2503

01:38:37,750 --> 01:38:34,960

i'm like god damn it why did i do that

2504

01:38:41,109 --> 01:38:37,760

you could use the ufo emoji

2505

01:38:43,510 --> 01:38:41,119

easily and you know i have a um alien

2506

01:38:45,430 --> 01:38:43,520

emoji pillow right next to me right now

2507

01:38:47,590 --> 01:38:45,440

and i'm like why do i do this to myself

2508

01:38:49,910 --> 01:38:47,600

you know i'm touting that ufos might not

2509

01:38:52,950 --> 01:38:49,920

be alien yet i've got all this alien

2510

01:38:54,310 --> 01:38:52,960

[h__\h] everywhere but um the emoji's cute

2511

01:38:56,470 --> 01:38:54,320

i like it

2512

01:38:59,430 --> 01:38:56,480

it's it's no italian pancake making

2513

01:39:01,350 --> 01:38:59,440

alien but it's cute but yeah

2514

01:39:03,430 --> 01:39:01,360

so you you would agree that the eth

2515

01:39:05,030 --> 01:39:03,440

seems to be the biggest misconception oh

2516

01:39:08,550 --> 01:39:05,040

yeah and i mean it's been pushed into

2517

01:39:10,709 --> 01:39:08,560

popular culture for so long now and like

2518

01:39:12,470 --> 01:39:10,719

i've i've asked i've asked around

2519

01:39:14,950 --> 01:39:12,480

because um

2520

01:39:16,310 --> 01:39:14,960

to me you got to kind of understand the

2521

01:39:18,310 --> 01:39:16,320

time periods and what you're dealing

2522

01:39:21,270 --> 01:39:18,320

with and and i've asked people is like

2523

01:39:24,390 --> 01:39:21,280

in the 80s was was there a lot of this

2524

01:39:26,390 --> 01:39:24,400

you know alien head kind of stuff that

2525

01:39:27,910 --> 01:39:26,400

was you know people were pedaling around

2526

01:39:30,310 --> 01:39:27,920

and they're all like no that didn't

2527

01:39:33,430 --> 01:39:30,320

start until the 90s you know the late

2528

01:39:35,990 --> 01:39:33,440

90s so you know it's become so prevalent

2529

01:39:38,950 --> 01:39:36,000

in pop culture that they are synonymous

2530

01:39:41,109 --> 01:39:38,960

that's it's aliens aliens you know ride

2531

01:39:42,390 --> 01:39:41,119

around in ufos they're the ones piloting

2532

01:39:44,870 --> 01:39:42,400

the ufos

2533

01:39:45,590 --> 01:39:44,880

so it's automatically that connection

2534

01:39:47,189 --> 01:39:45,600

but

2535

01:39:49,430 --> 01:39:47,199

we don't know what's

2536

01:39:50,950 --> 01:39:49,440

what the ufos are we don't even know if

2537

01:39:52,709 --> 01:39:50,960

they have pilots we don't even know if

2538

01:39:54,709 --> 01:39:52,719

they're physical things

2539

01:39:57,430 --> 01:39:54,719

we don't know what we don't know and i

2540

01:39:59,830 --> 01:39:57,440

feel like i i i quoted rumsfeld and i

2541

01:40:03,189 --> 01:39:59,840

didn't want to do that

2542

01:40:06,870 --> 01:40:03,199

too late yeah but i mean like whenever

2543

01:40:09,030 --> 01:40:06,880

anybody said whatever anybody um

2544

01:40:11,189 --> 01:40:09,040

and it happens sometimes ask me what is

2545

01:40:13,270 --> 01:40:11,199

ufologist the only answer i can give

2546

01:40:15,750 --> 01:40:13,280

them is it's an expert in speculation

2547

01:40:17,109 --> 01:40:15,760

that is what a ufologist is that oh my

2548

01:40:18,709 --> 01:40:17,119

god i love that

2549

01:40:20,229 --> 01:40:18,719

i'm gonna get that put on my business

2550

01:40:25,510 --> 01:40:20,239

cards

2551

01:40:27,990 --> 01:40:26,310

oh

2552

01:40:30,390 --> 01:40:28,000

yeah man it's

2553

01:40:31,910 --> 01:40:30,400

again you're right it is it's become

2554

01:40:33,910 --> 01:40:31,920

such a a

2555

01:40:35,750 --> 01:40:33,920

meme and popular culture and i don't

2556

01:40:38,070 --> 01:40:35,760

know if we're ever gonna shake it but it

2557

01:40:40,070 --> 01:40:38,080

really could begin with changing

2558

01:40:42,470 --> 01:40:40,080

the acronym of ufo and it really could

2559

01:40:45,189 --> 01:40:42,480

begin when we get past the fact that

2560

01:40:47,430 --> 01:40:45,199

these craft or these things we're seeing

2561

01:40:49,590 --> 01:40:47,440

might not be piloted by anything they

2562

01:40:51,669 --> 01:40:49,600

very well could be some sort of remote

2563

01:40:54,149 --> 01:40:51,679

controlled thing from another dimension

2564

01:40:55,910 --> 01:40:54,159

or planet or anything it could be

2565

01:40:58,550 --> 01:40:55,920

anything at this point yeah and i mean

2566

01:41:01,189 --> 01:40:58,560

like even if you look at you go back to

2567

01:41:03,350 --> 01:41:01,199

48 and you look at the gorman dogfight

2568

01:41:05,669 --> 01:41:03,360

that wasn't a ufo it was essentially a

2569

01:41:06,550 --> 01:41:05,679

really it was like a six inch light that

2570

01:41:07,430 --> 01:41:06,560

he was

2571

01:41:11,510 --> 01:41:07,440

you know

2572

01:41:16,870 --> 01:41:11,520

it's not always

2573

01:41:18,950 --> 01:41:16,880

a disc shaped craft that's not always

2574

01:41:21,830 --> 01:41:18,960

what it is sometimes it's just an orange

2575

01:41:25,189 --> 01:41:21,840

light or sometimes you know it's a it's

2576

01:41:28,390 --> 01:41:25,199

a black triangle it's so varied that

2577

01:41:30,310 --> 01:41:28,400

we we don't know anything and it's it's

2578

01:41:31,990 --> 01:41:30,320

not like you can hail them down and

2579

01:41:33,590 --> 01:41:32,000

they're gonna come and they're going to

2580

01:41:35,270 --> 01:41:33,600

get and whatever's in there is going to

2581

01:41:36,709 --> 01:41:35,280

get out and want to talk to you

2582

01:41:39,109 --> 01:41:36,719

they haven't wanted to talk to us for

2583

01:41:41,750 --> 01:41:39,119

years except for some people who they

2584

01:41:44,149 --> 01:41:41,760

have apparently talked to you know i i

2585

01:41:47,109 --> 01:41:44,159

haven't had a conversation with ashtar

2586

01:41:49,750 --> 01:41:47,119

but you know some people have and

2587

01:41:51,270 --> 01:41:49,760

and you know i maybe i would like to

2588

01:41:53,910 --> 01:41:51,280

know how injured cold is doing these

2589

01:41:55,669 --> 01:41:53,920

days but you know i'm not the person

2590

01:41:56,390 --> 01:41:55,679

that's going to be interacting with them

2591

01:41:58,229 --> 01:41:56,400

but

2592

01:41:59,590 --> 01:41:58,239

at the end of the day when you don't

2593

01:42:01,830 --> 01:41:59,600

know anything

2594

01:42:03,990 --> 01:42:01,840

you're just you're just speculating that

2595

01:42:06,070 --> 01:42:04,000

they're piloted by aliens yeah that's

2596

01:42:09,830 --> 01:42:06,080

that's it so like

2597

01:42:11,430 --> 01:42:09,840

when you hear ufo just think of it as

2598

01:42:12,470 --> 01:42:11,440

something

2599

01:42:16,070 --> 01:42:12,480

that

2600

01:42:17,990 --> 01:42:16,080

appears to be it appears to be so varied

2601
01:42:20,390 --> 01:42:18,000
that we we don't know a damn thing about

2602
01:42:22,709 --> 01:42:20,400
it all we just know is that people see

2603
01:42:24,629 --> 01:42:22,719
stuff and then they tell other people

2604
01:42:27,109 --> 01:42:24,639
about it and

2605
01:42:30,149 --> 01:42:27,119
they've been doing this since the 40s

2606
01:42:31,669 --> 01:42:30,159
that's it yep i love it that is the most

2607
01:42:34,070 --> 01:42:31,679
that is the most distinct way i think we

2608
01:42:36,629 --> 01:42:34,080
could say it man people see stuff and

2609
01:42:39,590 --> 01:42:36,639
they tell people about it

2610
01:42:42,149 --> 01:42:39,600
that is ufo reporting that is the ufo

2611
01:42:44,470 --> 01:42:42,159
phenomenon in a nutshell i can't think

2612
01:42:47,270 --> 01:42:44,480
of a better way to sort of sort of end

2613
01:42:49,109 --> 01:42:47,280

it there my man that was a marathon i

2614

01:42:51,750 --> 01:42:49,119

can't believe we got through that i'm a

2615

01:42:54,070 --> 01:42:51,760

little drunk and for some reason i

2616

01:42:56,229 --> 01:42:54,080

really want pancakes right now but uh

2617

01:42:58,310 --> 01:42:56,239

but i i mean you know if you could find

2618

01:43:00,550 --> 01:42:58,320

a denny's there might be an italian

2619

01:43:03,030 --> 01:43:00,560

looking alien that'll be able to mix you

2620

01:43:05,030 --> 01:43:03,040

mix you up some they might be there i'm

2621

01:43:06,870 --> 01:43:05,040

not [h__\h] you i can see a denny's

2622

01:43:07,670 --> 01:43:06,880

from my window it's two blocks from my

2623

01:43:09,430 --> 01:43:07,680

apartment

2624

01:43:12,470 --> 01:43:09,440

[Laughter]

2625

01:43:14,790 --> 01:43:12,480

perfect man perfect uh they they saw me

2626

01:43:17,910 --> 01:43:14,800

coming i'm about to drop some mad bills

2627

01:43:20,070 --> 01:43:17,920

over there but before we go my man

2628

01:43:22,310 --> 01:43:20,080

please tell us what you got coming up

2629

01:43:24,629 --> 01:43:22,320

over at the our strange skies podcast

2630

01:43:25,350 --> 01:43:24,639

what we can expect and where we can find

2631

01:43:27,350 --> 01:43:25,360

it

2632

01:43:29,669 --> 01:43:27,360

sure right now

2633

01:43:30,950 --> 01:43:29,679

planning a bunch of mini episodes

2634

01:43:33,510 --> 01:43:30,960

because

2635

01:43:35,109 --> 01:43:33,520

i'm in the stages of researching roswell

2636

01:43:36,390 --> 01:43:35,119

which is something that i am

2637

01:43:38,470 --> 01:43:36,400

begrudgingly

2638

01:43:41,109 --> 01:43:38,480

would you do that to yourself i know i'm

2639

01:43:42,390 --> 01:43:41,119

begudgingly doing because it's just it

2640

01:43:44,470 --> 01:43:42,400

feels like something that you have to

2641

01:43:46,390 --> 01:43:44,480

get out of the way but

2642

01:43:49,669 --> 01:43:46,400

we got roswell coming down the pike i

2643

01:43:52,550 --> 01:43:49,679

got a great series of episodes uh that

2644

01:43:55,030 --> 01:43:52,560

detail how the craziness that was the

2645

01:43:58,709 --> 01:43:55,040

year 65-67

2646

01:44:01,510 --> 01:43:58,719

that'll be coming up and uh i've got a

2647

01:44:05,109 --> 01:44:01,520

few interviews lined up but uh if you're

2648

01:44:08,470 --> 01:44:05,119

interested we are available on every

2649

01:44:10,390 --> 01:44:08,480
