VOLUME FOUR

1
00:00:04,160 --> 00:00:02,180
hey y'all Ryan Sprague here as you all

2
00:00:06,920 --> 00:00:04,170
know this summer on the skies podcast is

3
00:00:09,470 --> 00:00:06,930
always free to consume but it isn't free

4
00:00:11,570 --> 00:00:09,480
to create that's why I've started this

5
00:00:14,089 --> 00:00:11,580
somewhere in the skies patreon can pay

6
00:00:15,919 --> 00:00:14,099
you on a monthly basis you give what you

7
00:00:18,769 --> 00:00:15,929
think the show is worth you'll be

8
00:00:21,260 --> 00:00:18,779
helping the show continue grow and to be

9
00:00:23,450 --> 00:00:21,270
something truly communal and remember

10
00:00:26,000 --> 00:00:23,460
there are rewards for each level of

11
00:00:28,730 --> 00:00:26,010
contribution and the list is only grown

12
00:00:31,370 --> 00:00:28,740
so please help someone in the skies now

13
00:00:37,450 --> 00:00:31,380

by becoming a patron to contribute and

16

00:01:27,390 --> 00:01:23,440

hi my name's Simon sets I'm 56 years of

17

00:01:31,510 --> 00:01:27,400

age I live in Cape Town South Africa and

18

00:01:33,940 --> 00:01:31,520

just to relate my UFO experience that I

19

00:01:36,070 --> 00:01:33,950

had last year before I start I'd just

20

00:01:38,710 --> 00:01:36,080

like to say that my interest in UFOs

21

00:01:41,950 --> 00:01:38,720

started in the mid 1980s

22

00:01:44,830 --> 00:01:41,960

and I was born in the UK and I went back

23

00:01:48,090 --> 00:01:44,840

to visit family there in the mid 1980s

24

00:01:52,240 --> 00:01:48,100

ends my aunt gave me a book on the

25

00:01:54,190 --> 00:01:52,250

Barney and Betty Hill abduction case I'd

26

00:01:56,430 --> 00:01:54,200

never heard of heard of it before when

27

00:01:59,530 --> 00:01:56,440

it was a fascinating book to read and

28

00:02:02,650 --> 00:01:59,540

they got me interested in UFOs

29

00:02:04,990 --> 00:02:02,660

I keep an open mind and find it a great

30

00:02:06,520 --> 00:02:05,000

subject and I'm lucky to be on this

31

00:02:08,639 --> 00:02:06,530

amazing Facebook group the other

32

00:02:13,150 --> 00:02:08,649

dimension where we can openly discuss

33

00:02:16,030 --> 00:02:13,160

the subject and share articles relating

34

00:02:18,580 --> 00:02:16,040

to the sighting that I had took place on

35

00:02:22,600 --> 00:02:18,590

the 1st of January last year at 12

36

00:02:24,340 --> 00:02:22,610

minutes past midnight in Cape Town and I

37

00:02:27,670 --> 00:02:24,350

was actually house-sitting for a friend

38

00:02:29,140 --> 00:02:27,680

they had they had a couple of dogs and

39

00:02:31,720 --> 00:02:29,150

there was just a bit way that when they

40

00:02:34,390 --> 00:02:31,730

went out to the New Year celebrations

41

00:02:37,000 --> 00:02:34,400

that the dogs might be disturbed by the

42

00:02:40,000 --> 00:02:37,010

fireworks going off so I agreed to sort

43

00:02:43,360 --> 00:02:40,010

of babysit or house set the dogs for

44

00:02:45,670 --> 00:02:43,370

them and I was the houses up on the hill

45

00:02:47,350 --> 00:02:45,680

on the slopes of Table Mountain I had

46

00:02:49,600 --> 00:02:47,360

just finished watching the fireworks

47

00:02:51,910 --> 00:02:49,610

display which has just died down over

48

00:02:55,210 --> 00:02:51,920

Cape Town Hobbit I glanced up and I

49

00:02:58,180 --> 00:02:55,220

noticed a circular shape it was sort of

50

00:03:00,520 --> 00:02:58,190

a wireframe circular shape and sort of a

51
00:03:03,300 --> 00:03:00,530
two-dimensional shape and the colour the

52
00:03:06,820 --> 00:03:03,310
wireframe sort of colour of it was a

53
00:03:09,250 --> 00:03:06,830
pinkish orange color and it was moving

54
00:03:12,009 --> 00:03:09,260
fairly quickly from Southwest to

55
00:03:15,250 --> 00:03:12,019
Northeast as in a rough direction it was

56
00:03:18,699 --> 00:03:15,260
kind of over a saddle between Table

57
00:03:21,070 --> 00:03:18,709
Mountain and lions head to points of

58
00:03:22,570 --> 00:03:21,080
interest in Cape Town immediately

59
00:03:26,020 --> 00:03:22,580
following the circular shape is a

60
00:03:26,750 --> 00:03:26,030
triangle also a pinky pinky orange in

61
00:03:29,720 --> 00:03:26,760
colour

62
00:03:32,059 --> 00:03:29,730
also a sort of wireframe shape at a

63
00:03:35,119 --> 00:03:32,069

perfect triangle and right behind that

64

00:03:38,240 --> 00:03:35,129

was a long oblong shape the same colors

65

00:03:40,190 --> 00:03:38,250

all of the shapes were rotating slowly

66

00:03:42,920 --> 00:03:40,200

or there they were wobbling slightly on

67

00:03:45,530 --> 00:03:42,930

a common axis and they all appear to be

68

00:03:48,770 --> 00:03:45,540

Hollow no solids formed to them at all

69

00:03:50,780 --> 00:03:48,780

just outlines they appear to be all in a

70

00:03:52,970 --> 00:03:50,790

straight line and they were undulating

71

00:03:55,729 --> 00:03:52,980

or wobbling slightly from side to side

72

00:03:59,449 --> 00:03:55,739

but all of them moving along this this

73

00:04:02,000 --> 00:03:59,459

common axis in a in a Linus two and one

74

00:04:04,460 --> 00:04:02,010

behind the other the last site that I

75

00:04:07,210 --> 00:04:04,470

had was was at the long oblong object

76
00:04:10,250 --> 00:04:07,220
disappearing from IV behind some trees

77
00:04:14,330 --> 00:04:10,260
the the long oblong shape the loss when

78
00:04:17,509 --> 00:04:14,340
the past overhead was sort of moving on

79
00:04:20,719 --> 00:04:17,519
a flat plane but moving very much like

80
00:04:23,240 --> 00:04:20,729
those ships radars the military ships

81
00:04:25,700 --> 00:04:23,250
have these long oblong shaped radar

82
00:04:27,620 --> 00:04:25,710
devices which slowly move around at the

83
00:04:30,230 --> 00:04:27,630
movements of the shape that I saw was

84
00:04:32,480 --> 00:04:30,240
similar to that although as I say wasn't

85
00:04:35,930 --> 00:04:32,490
a solid object it was a to the wireframe

86
00:04:38,900 --> 00:04:35,940
shaped hood I guess the altitude they

87
00:04:42,260 --> 00:04:38,910
were probably between 700 to a thousand

88
00:04:45,020 --> 00:04:42,270

foot above where I was sitting difficult

89

00:04:48,260 --> 00:04:45,030

really to to judge exactly how high they

90

00:04:52,330 --> 00:04:48,270

were and what size but I suppose if they

91

00:04:55,159 --> 00:04:52,340

were I guess the size is probably about

92

00:04:58,460 --> 00:04:55,169

25 foot across each object it was

93

00:05:01,219 --> 00:04:58,470

probably about that size if they were a

94

00:05:03,710 --> 00:05:01,229

thousand foot above there was absolutely

95

00:05:07,219 --> 00:05:03,720

no noise from any of the objects at all

96

00:05:07,969 --> 00:05:07,229

and I've never seen anything like this

97

00:05:10,460 --> 00:05:07,979

before

98

00:05:11,900 --> 00:05:10,470

and I did look in the in the newspapers

99

00:05:13,430 --> 00:05:11,910

and online the next day to see if

100

00:05:15,320 --> 00:05:13,440

anything had been reported anything

101
00:05:17,690 --> 00:05:15,330
similar I didn't see anything so I don't

102
00:05:19,070 --> 00:05:17,700
know what they were but I'm quite

103
00:05:21,260 --> 00:05:19,080
familiar with aircraft I have a

104
00:05:23,540 --> 00:05:21,270
fascination in flying and I have done

105
00:05:25,190 --> 00:05:23,550
four years so I'm pretty sure they

106
00:05:27,620 --> 00:05:25,200
weren't helicopters they weren't drones

107
00:05:29,270 --> 00:05:27,630
there was no sound from them and it

108
00:05:31,760 --> 00:05:29,280
would be odd to have drones over that

109
00:05:33,830 --> 00:05:31,770
area three of them one behind the other

110
00:05:35,420 --> 00:05:33,840
those shapes as well I could imagine

111
00:05:37,330 --> 00:05:35,430
drones over the harbor while the

112
00:05:40,010 --> 00:05:37,340
fireworks were going off at midnight but

113
00:05:42,369 --> 00:05:40,020

this is 12 minutes after midnight I

114

00:05:45,920 --> 00:05:42,379

still don't think there were drones I've

115

00:05:47,649 --> 00:05:45,930

never seen anything that's this proven

116

00:05:50,480 --> 00:05:47,659

either way that these were or were not

117

00:05:52,279 --> 00:05:50,490

man-made objects I don't know whether

118

00:05:54,309 --> 00:05:52,289

they were from another dimension and

119

00:05:56,930 --> 00:05:54,319

other planets or whether they were

120

00:05:59,839 --> 00:05:56,940

something man-made that I just don't

121

00:06:02,029 --> 00:05:59,849

know about when I wrote up a report to

122

00:06:03,950 --> 00:06:02,039

the South African UFO website the next

123

00:06:06,589 --> 00:06:03,960

day I did notice that there was a

124

00:06:08,540 --> 00:06:06,599

sighting also funnily enough - 12

125

00:06:09,770 --> 00:06:08,550

minutes past midnight through the

126

00:06:11,839 --> 00:06:09,780

sighting the other sighting was in

127

00:06:13,850 --> 00:06:11,849

Johannesburg but it wasn't the

128

00:06:15,559 --> 00:06:13,860

description wasn't the same as mine I'm

129

00:06:16,909 --> 00:06:15,569

not sure what objects they saw in

130

00:06:17,779 --> 00:06:16,919

Johannesburg but it was nothing like

131

00:06:20,480 --> 00:06:17,789

what I'd seen

132

00:06:22,730 --> 00:06:20,490

just oddly enough it was at the same

133

00:06:24,529 --> 00:06:22,740

time that I suppose being New Year's Eve

134

00:06:28,909 --> 00:06:24,539

and there'd be a lot of lights in the

135

00:06:31,129 --> 00:06:28,919

sky and I suppose if any alien entity

136

00:06:33,140 --> 00:06:31,139

wanted to sort of disguise their actions

137

00:06:37,339 --> 00:06:33,150

in the New Year would be a good time to

138

00:06:40,159 --> 00:06:37,349

bring out a brightly lit craft anyway I

139

00:06:42,080 --> 00:06:40,169

have a keen fascination and it's it's

140

00:06:45,680 --> 00:06:42,090

it's made me even more interested in the

141

00:06:47,899 --> 00:06:45,690

subject and I am weary about the report

142

00:06:49,850 --> 00:06:47,909

that I read I do quite a bit of research

143

00:06:53,120 --> 00:06:49,860

on it before I make a decision for

144

00:06:56,439 --> 00:06:53,130

myself as to what it is but I I found

145

00:06:59,600 --> 00:06:56,449

that my ongoing interest is just

146

00:07:02,089 --> 00:06:59,610

intensified now and I was just very

147

00:07:04,339 --> 00:07:02,099

lucky to have that sighting I'm not sure

148

00:07:07,129 --> 00:07:04,349

exactly what it was but I've never seen

149

00:07:10,040 --> 00:07:07,139

anything like it since then I never seen

150

00:07:12,050 --> 00:07:10,050

anything like it before then anyway that

151
00:07:13,670 --> 00:07:12,060
was my sighting and that's what I want

152
00:07:15,830 --> 00:07:13,680
to report and Thank You Ryan for the

153
00:07:18,080 --> 00:07:15,840
opportunity to speak and this is all

154
00:07:26,089 --> 00:07:18,090
from me Simon sets here in Cape Town

155
00:07:29,689 --> 00:07:26,099
South Africa well in 1968 I was a much

156
00:07:32,809 --> 00:07:29,699
younger man at that time and I was in my

157
00:07:36,980 --> 00:07:32,819
automobile and I had taken a ride to a

158
00:07:41,300 --> 00:07:36,990
local park called seaside park which has

159
00:07:42,980 --> 00:07:41,310
a large beach area and at the time I was

160
00:07:43,590 --> 00:07:42,990
supposed to meet a friend of mine who

161
00:07:47,100 --> 00:07:43,600
was

162
00:07:50,970 --> 00:07:47,110
a fisherman and the striped bass had

163
00:07:53,970 --> 00:07:50,980

been biting at that time and when I had

164

00:07:56,520 --> 00:07:53,980

arrived at the park no one was there at

165

00:07:59,250 --> 00:07:56,530

that particular time but usually the

166

00:08:01,320 --> 00:07:59,260

fisherman showed up at a later point in

167

00:08:04,800 --> 00:08:01,330

the morning and I I arrived very early

168

00:08:09,480 --> 00:08:04,810

and if I remember correctly that time

169

00:08:12,330 --> 00:08:09,490

was probably like Iran that just be just

170

00:08:14,370 --> 00:08:12,340

around daybreak even if I wanted to say

171

00:08:18,660 --> 00:08:14,380

6 o'clock in the morning 6:30 in the

172

00:08:22,440 --> 00:08:18,670

morning and I was in my car and I

173

00:08:25,290 --> 00:08:22,450

stepped out of the vehicle and I looked

174

00:08:27,780 --> 00:08:25,300

at the water and because Long Island

175

00:08:32,339 --> 00:08:27,790

Sound is directly across from Seaside

176

00:08:35,940 --> 00:08:32,349

Park Port Jefferson New York is long is

177

00:08:40,560 --> 00:08:35,950

what I am talking about and I looked at

178

00:08:44,610 --> 00:08:40,570

the water in I saw this it looked like a

179

00:08:48,810 --> 00:08:44,620

large sphere like a ball cylinder tank

180

00:08:50,340 --> 00:08:48,820

boat whatever it was today that if I

181

00:08:53,580 --> 00:08:50,350

wanted to say vehicle or whatever

182

00:08:57,120 --> 00:08:53,590

something veneris airship or whatever it

183

00:09:00,020 --> 00:08:57,130

was but it was a large ball shape and it

184

00:09:04,050 --> 00:09:00,030

was actually resting on the water

185

00:09:08,280 --> 00:09:04,060

approximately maybe 400 yards offshore

186

00:09:10,410 --> 00:09:08,290

and I was kind of amazed because I had

187

00:09:12,300 --> 00:09:10,420

never seen anything like that I thought

188

00:09:14,730 --> 00:09:12,310

possibly at the time maybe though I

189

00:09:16,260 --> 00:09:14,740

notice of course he aircraft is in

190

00:09:19,890 --> 00:09:16,270

Bridgeport Connecticut where they make

191

00:09:23,580 --> 00:09:19,900

helicopters and I thought possibly maybe

192

00:09:26,160 --> 00:09:23,590

the US Navy was doing some tests work on

193

00:09:29,010 --> 00:09:26,170

some vehicle or whatnot and I continued

194

00:09:31,500 --> 00:09:29,020

to look and I didn't have a pair of

195

00:09:33,060 --> 00:09:31,510

binoculars in the car I say let me get

196

00:09:36,690 --> 00:09:33,070

my binoculars I ran to get my binoculars

197

00:09:40,050 --> 00:09:36,700

and I you know he focused in I had a 10

198

00:09:43,080 --> 00:09:40,060

by 50 binoculars set and I focused in on

199

00:09:46,710 --> 00:09:43,090

the object and it appeared like the

200

00:09:49,830 --> 00:09:46,720

figures that I could not describe there

201
00:09:53,700 --> 00:09:49,840
weren't some kind of a some type of a

202
00:09:54,939 --> 00:09:53,710
uniform or or some type of a camouflage

203
00:10:03,609 --> 00:09:54,949
uniform

204
00:10:05,590 --> 00:10:03,619
and they had some type of a hose in the

205
00:10:07,479 --> 00:10:05,600
water it appeared to be like a whole is

206
00:10:09,099 --> 00:10:07,489
it looked like they were taking

207
00:10:11,679 --> 00:10:09,109
something out of the water or whatever

208
00:10:15,429 --> 00:10:11,689
they were doing and no uh then all of a

209
00:10:19,720 --> 00:10:15,439
sudden this thing just started to ascend

210
00:10:23,289 --> 00:10:19,730
and long behold I continued to look and

211
00:10:25,809 --> 00:10:23,299
in a matter of a second or two it was

212
00:10:29,199 --> 00:10:25,819
out of sight it appeared like a little

213
00:10:32,739 --> 00:10:29,209

little tiny circle in the sky and I lost

214

00:10:34,659 --> 00:10:32,749

sight of it I immediately you know I I

215

00:10:36,329 --> 00:10:34,669

didn't know what the heck I had seen at

216

00:10:39,249 --> 00:10:36,339

the time you know you hear so much about

217

00:10:42,759 --> 00:10:39,259

UFOs you know so called unidentified

218

00:10:45,099 --> 00:10:42,769

flying objects I at that time of course

219

00:10:46,780 --> 00:10:45,109

we had no cell phones like today today

220

00:10:49,269 --> 00:10:46,790

of course you have cellphones Rambla

221

00:10:53,319 --> 00:10:49,279

communicating at that time we had no

222

00:10:55,059 --> 00:10:53,329

cell phone and what I did was I I drove

223

00:10:58,479 --> 00:10:55,069

home because my friend hadn't showed up

224

00:11:01,179 --> 00:10:58,489

and I was so excited about it I drove

225

00:11:03,280 --> 00:11:01,189

home and I I really didn't want to tell

226

00:11:05,229 --> 00:11:03,290

anybody you know especially local police

227

00:11:07,569 --> 00:11:05,239

authorities because I I thought they'd

228

00:11:10,989 --> 00:11:07,579

think I was crazy at the time so I went

229

00:11:12,759 --> 00:11:10,999

home and I told my wife about it and she

230

00:11:15,549 --> 00:11:12,769

told me that I should report it so I

231

00:11:19,449 --> 00:11:15,559

immediately uh you know at that time

232

00:11:22,359 --> 00:11:19,459

call 9-1-1 and they put me in touch with

233

00:11:25,329 --> 00:11:22,369

the local Bridgeport Police Department

234

00:11:27,850 --> 00:11:25,339

and you know it's been so many years now

235

00:11:30,879 --> 00:11:27,860

that I really don't remember who I had

236

00:11:33,340 --> 00:11:30,889

spoken to but the officer that I did

237

00:11:36,400 --> 00:11:33,350

talk to at the time he kind of laughed

238

00:11:39,549 --> 00:11:36,410

and you know but she she was making a

239

00:11:41,199 --> 00:11:39,559

sort of a joke about it and I says

240

00:11:41,710 --> 00:11:41,209

officer it's just listen this I'm not

241

00:11:44,559 --> 00:11:41,720

crazy

242

00:11:47,199 --> 00:11:44,569

I really saw this this so-called

243

00:11:48,850 --> 00:11:47,209

cylinder object you know in the water

244

00:11:50,579 --> 00:11:48,860

look like it had been taking something

245

00:11:52,749 --> 00:11:50,589

out of the water and then it ascended

246

00:11:53,919 --> 00:11:52,759

until I couldn't see them anywhere I was

247

00:11:56,919 --> 00:11:53,929

looking at it with a pair of binoculars

248

00:11:59,169 --> 00:11:56,929

and it looked like the people or

249

00:12:01,479 --> 00:11:59,179

whatever they were they appear to be

250

00:12:03,159 --> 00:12:01,489

they look like people their addresses

251

00:12:05,529 --> 00:12:03,169

sometimes but it look like deep sea

252

00:12:06,190 --> 00:12:05,539

outfits and and they were onboard that

253

00:12:09,640 --> 00:12:06,200

crash

254

00:12:12,430 --> 00:12:09,650

it just took off immediately and in a

255

00:12:14,020 --> 00:12:12,440

blink of an eye it was gone and the

256

00:12:16,780 --> 00:12:14,030

officer said well you're not the first

257

00:12:18,640 --> 00:12:16,790

one to report seeing something somebody

258

00:12:20,500 --> 00:12:18,650

else called to it said they had seen it

259

00:12:23,200 --> 00:12:20,510

so I guess you're right

260

00:12:26,320 --> 00:12:23,210

but he was it was making it more like a

261

00:12:28,120 --> 00:12:26,330

joke he really wasn't acting serious so

262

00:12:29,860 --> 00:12:28,130

nothing was really thought about it and

263

00:12:33,040 --> 00:12:29,870

I looked in the local newspapers the

264

00:12:36,250 --> 00:12:33,050

next day and there was a small article

265

00:12:38,140 --> 00:12:36,260

about the the some sightings in

266

00:12:41,010 --> 00:12:38,150

Bridgeport but but that was about it

267

00:12:44,470 --> 00:12:41,020

nothing ever became a bit but I

268

00:12:47,200 --> 00:12:44,480

experienced this and hey I'm 73 years

269

00:12:50,230 --> 00:12:47,210

old and I know what I saw and until this

270

00:12:53,590 --> 00:12:50,240

day I swear that that is what I saw and

271

00:12:55,810 --> 00:12:53,600

this object moves so fast it was faster

272

00:12:57,700 --> 00:12:55,820

than a jet fashioned anything that I

273

00:13:00,870 --> 00:12:57,710

have ever seen in my lifetime and

274

00:13:05,940 --> 00:13:02,340

[Music]

275

00:13:08,880 --> 00:13:05,950

driving home from wells coming up to log

276
00:13:10,350 --> 00:13:08,890
ease I I was driving my husband was in

277
00:13:14,490 --> 00:13:10,360
the passenger seat Travis was in the

278
00:13:15,990 --> 00:13:14,500
backseat we were kind of as I'm driving

279
00:13:17,430 --> 00:13:16,000
the most Oakland thing at my husband

280
00:13:20,310 --> 00:13:17,440
because we're talking having a

281
00:13:24,900 --> 00:13:20,320
conversation and just out of the corner

282
00:13:27,810 --> 00:13:24,910
of his eye I saw a bright light and I

283
00:13:30,930 --> 00:13:27,820
thought oh cool shooting star was my

284
00:13:32,370 --> 00:13:30,940
original thought right away and then I

285
00:13:36,750 --> 00:13:32,380
looked and it was just it was too big

286
00:13:39,030 --> 00:13:36,760
and it wasn't falling or moving sideways

287
00:13:42,090 --> 00:13:39,040
like shooting stars do I've seen a lot

288
00:13:44,250 --> 00:13:42,100

of shooting stars in my life and kept

289

00:13:47,970 --> 00:13:44,260

driving a few seconds later and it

290

00:13:50,610 --> 00:13:47,980

showed up again I mean okay this this is

291

00:13:52,560 --> 00:13:50,620

too weird I'm pulling over he says no go

292

00:13:55,650 --> 00:13:52,570

up to the junction you know get out of

293

00:13:57,480 --> 00:13:55,660

traffic I pulled over anyway I started

294

00:13:59,580 --> 00:13:57,490

get out to go up to the junction get out

295

00:14:01,350 --> 00:13:59,590

of traffic I real quick pulled into the

296

00:14:04,800 --> 00:14:01,360

junction by the time I got out of the

297

00:14:07,020 --> 00:14:04,810

truck it had disappeared standing there

298

00:14:10,060 --> 00:14:07,030

looking around and it showed up in the

299

00:14:12,970 --> 00:14:10,070

original spot again right in front of us

300

00:14:16,360 --> 00:14:12,980

and I hollered at seanix is my cameras

301
00:14:18,939 --> 00:14:16,370
are in my purse grab him and I'll see if

302
00:14:22,920 --> 00:14:18,949
we can get it on video so he's grabbing

303
00:14:26,350 --> 00:14:22,930
my cameras and well he's doing that

304
00:14:29,230 --> 00:14:26,360
little black car pulls up next to us guy

305
00:14:29,800 --> 00:14:29,240
jumps out and he said are you guys

306
00:14:31,449 --> 00:14:29,810
seeing this

307
00:14:33,639 --> 00:14:31,459
I said yeah are you seeing the same

308
00:14:34,780 --> 00:14:33,649
thing he says yeah he says look at all

309
00:14:37,600 --> 00:14:34,790
the people back there on the road and

310
00:14:40,269 --> 00:14:37,610
there's probably I'm guessing four or

311
00:14:42,759 --> 00:14:40,279
five cars pulled off the side of the

312
00:14:44,800 --> 00:14:42,769
highway you know within probably a

313
00:14:47,230 --> 00:14:44,810

5-mile radius because it's a real flat

314

00:14:50,019 --> 00:14:47,240

long stretch of road right there and you

315

00:14:53,350 --> 00:14:50,029

can see them all pull it off and stop it

316

00:14:54,370 --> 00:14:53,360

and he says have you ever seen anything

317

00:14:56,710 --> 00:14:54,380

like this before

318

00:14:58,720 --> 00:14:56,720

and we all said no he says well this is

319

00:15:01,180 --> 00:14:58,730

the second time I've I've seen it

320

00:15:02,920 --> 00:15:01,190

he's done from America's own Isis and I

321

00:15:06,069 --> 00:15:02,930

saw him down there two or three years

322

00:15:07,900 --> 00:15:06,079

ago Isis oh this is really neat and then

323

00:15:10,540 --> 00:15:07,910

right in the middle of our conversation

324

00:15:14,350 --> 00:15:10,550

all of a sudden appear appeared off to

325

00:15:17,829 --> 00:15:14,360

the left again and there were two of

326

00:15:20,230 --> 00:15:17,839

them and I got that one I got my camera

327

00:15:23,430 --> 00:15:20,240

up in time that I caught barely caught

328

00:15:27,250 --> 00:15:23,440

him after that they they blinked off and

329

00:15:29,319 --> 00:15:27,260

then way way way far out in the distance

330

00:15:32,590 --> 00:15:29,329

I mean just I mean it looked like it was

331

00:15:34,389 --> 00:15:32,600

probably 50 miles away it showed up

332

00:15:36,670 --> 00:15:34,399

again but it was real real dim because

333

00:15:38,550 --> 00:15:36,680

it was so far away it kind of looked

334

00:15:40,750 --> 00:15:38,560

like the end of a lit cigarette and

335

00:15:43,689 --> 00:15:40,760

Travis is the one that spotted that one

336

00:15:45,610 --> 00:15:43,699

I done of us saw it at first until he

337

00:15:48,400 --> 00:15:45,620

pointed it out and said it's way way out

338

00:15:51,550 --> 00:15:48,410

there we stood there for a few minutes

339

00:15:52,629 --> 00:15:51,560

looking around didn't see anything so we

340

00:15:56,110 --> 00:15:52,639

were gonna get back in the truck and

341

00:15:58,540 --> 00:15:56,120

head head home and all of a sudden in

342

00:16:01,509 --> 00:15:58,550

the original spot where we first saw him

343

00:16:03,879 --> 00:16:01,519

there were three of them from what it

344

00:16:06,819 --> 00:16:03,889

looked like to me I had quite a bit of

345

00:16:10,929 --> 00:16:06,829

space in between them so it didn't look

346

00:16:13,110 --> 00:16:10,939

to me like it was one solid thing it

347

00:16:16,319 --> 00:16:13,120

looked like three different things

348

00:16:18,840 --> 00:16:16,329

and then since I'd already put my camera

349

00:16:20,850 --> 00:16:18,850

away I didn't catch that one but I jump

350

00:16:22,019 --> 00:16:20,860

back out at the truck and we stood there

351

00:16:25,259 --> 00:16:22,029

for another few minutes

352

00:16:28,739 --> 00:16:25,269

and then they came back on again two of

353

00:16:30,290 --> 00:16:28,749

them after they blinked off that time we

354

00:16:33,269 --> 00:16:30,300

didn't see him again

355

00:16:35,489 --> 00:16:33,279

we stood there for probably another I'm

356

00:16:38,249 --> 00:16:35,499

guessing maybe 10 minutes or so the

357

00:16:40,710 --> 00:16:38,259

gentleman he left he was on his way back

358

00:16:42,780 --> 00:16:40,720

to Arizona the he left so we stood there

359

00:16:45,389 --> 00:16:42,790

and watched didn't see anything for a

360

00:16:47,489 --> 00:16:45,399

while so we decided to go because Shawn

361

00:16:49,379 --> 00:16:47,499

had to work as we're getting in the

362

00:16:52,259 --> 00:16:49,389

truck is when Travis pointed out to me

363

00:16:53,579 --> 00:16:52,269

that he start to see in jets and stuff

364

00:16:56,009 --> 00:16:53,589

and of course that I don't know what's

365

00:16:57,869 --> 00:16:56,019

one of their you know the planes wise I

366

00:16:59,129 --> 00:16:57,879

know their planes because you can see

367

00:17:01,199 --> 00:16:59,139

him moving you can see the flashing

368

00:17:03,780 --> 00:17:01,209

lights and you can see what looked like

369

00:17:05,819 --> 00:17:03,790

almost like a little tail coming off of

370

00:17:08,189 --> 00:17:05,829

him and like a comet really far away and

371

00:17:11,370 --> 00:17:08,199

he told me that's what afterburners do

372

00:17:12,240 --> 00:17:11,380

I'm taking his word for that it did see

373

00:17:15,779 --> 00:17:12,250

quite a few of them

374

00:17:18,480 --> 00:17:15,789

I'm guessing five or six at least really

375

00:17:19,649 --> 00:17:18,490

really fast I've never seen things moved

376

00:17:21,689 --> 00:17:19,659

quite that fast before

377

00:17:24,329 --> 00:17:21,699

they seem to be coming from just about

378

00:17:27,029 --> 00:17:24,339

all different directions and all headed

379

00:17:31,320 --> 00:17:27,039

toward the same spot then which is

380

00:17:34,560 --> 00:17:31,330

basically as I was looking probably just

381

00:17:36,419 --> 00:17:34,570

to the right of wind over which I don't

382

00:17:37,649 --> 00:17:36,429

know if the base there is still active

383

00:17:39,750 --> 00:17:37,659

and I don't think it is I don't think

384

00:17:40,980 --> 00:17:39,760

it's been active in a while but it

385

00:17:42,480 --> 00:17:40,990

seemed like they were all coming from

386

00:17:45,810 --> 00:17:42,490

different directions headed towards wind

387

00:17:47,399 --> 00:17:45,820

over I mean I've seen some weird things

388

00:17:49,860 --> 00:17:47,409

but they're all explainable you know

389

00:17:52,019 --> 00:17:49,870

I've seen shooting stars that are really

390

00:17:54,389 --> 00:17:52,029

big in different colors you know blue

391

00:17:56,130 --> 00:17:54,399

ones and purple ones and you know but

392

00:17:57,810 --> 00:17:56,140

you always know what they are until you

393

00:18:01,529 --> 00:17:57,820

see the stuff coming off the end of them

394

00:18:06,330 --> 00:18:01,539

and you tell there shooting stars planes

395

00:18:09,899 --> 00:18:06,340

of course even hot air balloons gliders

396

00:18:13,080 --> 00:18:09,909

and this was out they they were such an

397

00:18:15,089 --> 00:18:13,090

odd orange it's like we keep saying

398

00:18:17,609 --> 00:18:15,099

they're we kind of liken him to a

399

00:18:19,469 --> 00:18:17,619

streetlight but they were even a deeper

400

00:18:21,930 --> 00:18:19,479

orange than that but really really

401
00:18:23,700 --> 00:18:21,940
bright and I just I can't look at a

402
00:18:25,589 --> 00:18:23,710
streetlight the same now because every

403
00:18:28,619 --> 00:18:25,599
time I look at a streetlight I'm almost

404
00:18:31,769 --> 00:18:28,629
thinking is that one of them it's like

405
00:18:33,570 --> 00:18:31,779
being maybe a block away from a

406
00:18:35,879 --> 00:18:33,580
streetlight and looking at that

407
00:18:37,229 --> 00:18:35,889
streetlight that's about the size and if

408
00:18:41,959 --> 00:18:37,239
it was just a little bit deeper color

409
00:18:44,310 --> 00:18:41,969
that would be it round orange bright

410
00:18:46,769 --> 00:18:44,320
that's the best thing that I can relate

411
00:18:48,919 --> 00:18:46,779
it to because they were that big it was

412
00:18:53,489 --> 00:18:48,929
like originally what I thought

413
00:18:55,999 --> 00:18:53,499

size-wise was on a full moon if you take

414

00:18:58,739 --> 00:18:56,009

the full moon and you cut it in quarters

415

00:19:02,459 --> 00:18:58,749

you know four quarters it was about the

416

00:19:04,320 --> 00:19:02,469

size of a quarter of the moon it was it

417

00:19:06,779 --> 00:19:04,330

was big I could hear the peacocks

418

00:19:07,979 --> 00:19:06,789

clucking across the street other than

419

00:19:10,139 --> 00:19:07,989

that I mean there was not that wasn't

420

00:19:13,829 --> 00:19:10,149

even any wind that night not a cloud in

421

00:19:16,320 --> 00:19:13,839

the sky no wind no nothing it was just

422

00:19:20,570 --> 00:19:16,330

perfectly still I want to know what it

423

00:19:22,849 --> 00:19:20,580

is cuz at times I feel like I'm crazy I

424

00:19:31,139 --> 00:19:22,859

just I really want to know what it is

425

00:19:34,139 --> 00:19:31,149

it's got me really interested hello my

426

00:19:37,739 --> 00:19:34,149

name is Larry Gessner and I am in

427

00:19:40,619 --> 00:19:37,749

mcklusky North Dakota and the event that

428

00:19:45,959 --> 00:19:40,629

I'm going to talk about happened to me

429

00:19:52,469 --> 00:19:45,969

and my wife at the time back on 710 of

430

00:19:54,450 --> 00:19:52,479

o3 I had just gotten home from drive

431

00:19:58,619 --> 00:19:54,460

someplace I can't remember exactly where

432

00:20:00,899 --> 00:19:58,629

it was that I came from and I had sat

433

00:20:04,070 --> 00:20:00,909

down in the living room to watch I think

434

00:20:07,529 --> 00:20:04,080

that tonight's show had just started and

435

00:20:10,200 --> 00:20:07,539

my wife decided she wanted to go outside

436

00:20:13,019 --> 00:20:10,210

on the back deck and have a cigarette

437

00:20:16,289 --> 00:20:13,029

and so she went out to have a cigarette

438

00:20:19,000 --> 00:20:16,299

and I was watching TV and all of a

439

00:20:22,600 --> 00:20:19,010

sudden she started screaming

440

00:20:25,750 --> 00:20:22,610

now I at the time I was sheriff of

441

00:20:30,130 --> 00:20:25,760

Sheridan County where we lived and we

442

00:20:32,770 --> 00:20:30,140

still live and the scream that she let

443

00:20:34,270 --> 00:20:32,780

out kind of shook me up because I

444

00:20:37,690 --> 00:20:34,280

figured somebody was trying to kill her

445

00:20:40,240 --> 00:20:37,700

and so I raced out the back door to find

446

00:20:43,780 --> 00:20:40,250

her on the deck pointing up in the sky

447

00:20:46,299 --> 00:20:43,790

and she said that that that that star

448

00:20:49,180 --> 00:20:46,309

that star just shot out of the sky it

449

00:20:53,830 --> 00:20:49,190

stopped and and red lights came on and

450

00:20:55,240 --> 00:20:53,840

there it is and I looked and I you know

451
00:20:57,340 --> 00:20:55,250
at first I thought okay it's probably

452
00:21:00,250 --> 00:20:57,350
maybe a meteor or something but then I'm

453
00:21:02,860 --> 00:21:00,260
looking at the red lights or above the

454
00:21:06,700 --> 00:21:02,870
you know above the horizon or just at

455
00:21:09,490 --> 00:21:06,710
the horizon and it looks like they're

456
00:21:10,600 --> 00:21:09,500
off in the distance but not too far and

457
00:21:13,090 --> 00:21:10,610
all of a sudden I'm thinking to myself

458
00:21:15,520 --> 00:21:13,100
it almost looks like that thing is

459
00:21:17,590 --> 00:21:15,530
headed towards us and then as it started

460
00:21:19,990 --> 00:21:17,600
to get closer I thought maybe it's an

461
00:21:22,720 --> 00:21:20,000
aircraft or something that you know we

462
00:21:24,909 --> 00:21:22,730
just didn't understand what it was but

463
00:21:28,990 --> 00:21:24,919

as the object started to get closer I

464

00:21:32,320 --> 00:21:29,000

noticed that the red lights and now we

465

00:21:34,210 --> 00:21:32,330

were seeing green lights as well and it

466

00:21:38,380 --> 00:21:34,220

was in a vertical formation not

467

00:21:40,810 --> 00:21:38,390

horizontal and I just really puzzled me

468

00:21:42,850 --> 00:21:40,820

because I you know I've been in ground

469

00:21:45,310 --> 00:21:42,860

aircraft my whole life I spent 14 years

470

00:21:48,490 --> 00:21:45,320

in the Air Force around flight lines

471

00:21:50,919 --> 00:21:48,500

around all kinds of aircraft and I knew

472

00:21:54,730 --> 00:21:50,929

the light configuration of aircraft and

473

00:21:57,549 --> 00:21:54,740

I looked at this and I said this is not

474

00:22:00,580 --> 00:21:57,559

rent something's not right and as it got

475

00:22:05,200 --> 00:22:00,590

closer we could tell it was farther up

476
00:22:07,180 --> 00:22:05,210
in the sky and I guess we we estimated

477
00:22:11,710 --> 00:22:07,190
maybe it was around 800 feet in the sky

478
00:22:13,270 --> 00:22:11,720
but as it got closer now the thing I

479
00:22:15,730 --> 00:22:13,280
forgot to tell you is the time period

480
00:22:21,100 --> 00:22:15,740
you know somewhere between I'm gonna say

481
00:22:25,270 --> 00:22:21,110
20 minutes to 11 our time to you know 10

482
00:22:28,989 --> 00:22:25,280
minutes to 11 our time at night but this

483
00:22:32,829 --> 00:22:28,999
guy had just turned dark in other words

484
00:22:35,949 --> 00:22:32,839
it was light enough that you could still

485
00:22:39,069 --> 00:22:35,959
tell it was sky but it was dark enough

486
00:22:42,969 --> 00:22:39,079
to where you would have trouble making

487
00:22:45,279 --> 00:22:42,979
things out I you know so as this as this

488
00:22:49,089 --> 00:22:45,289

object is getting closer we're trying to

489

00:22:51,759 --> 00:22:49,099

look at it and I see this vertical

490

00:22:53,409 --> 00:22:51,769

formation of lights and I'm thinking

491

00:22:56,079 --> 00:22:53,419

this is this is just not right what

492

00:22:58,539 --> 00:22:56,089

could this be and this had got closer we

493

00:23:00,939 --> 00:22:58,549

realized it was it probably around oh I

494

00:23:04,959 --> 00:23:00,949

would guess maybe 800 feet in the air

495

00:23:06,759 --> 00:23:04,969

and it was big the best I can I can

496

00:23:08,469 --> 00:23:06,769

describe this probably just to give you

497

00:23:11,649 --> 00:23:08,479

a rough estimation probably the size of

498

00:23:15,789 --> 00:23:11,659

a football field and you know 100 yards

499

00:23:18,989 --> 00:23:15,799

by 50 yards or 20 you know 25 yards and

500

00:23:22,239 --> 00:23:18,999

I think it's 50 yards across but anyway

501
00:23:26,709 --> 00:23:22,249
as this thing is starting to come closer

502
00:23:29,939 --> 00:23:26,719
we're making out a strange shape on it

503
00:23:33,309 --> 00:23:29,949
and can't quite put together what it is

504
00:23:36,309 --> 00:23:33,319
but we can tell as it gets closer that

505
00:23:40,959 --> 00:23:36,319
one of the white lights that we're

506
00:23:45,339 --> 00:23:40,969
seeing is up in the upper part of this

507
00:23:49,919 --> 00:23:45,349
shape on our side and as it starts to

508
00:23:53,049 --> 00:23:49,929
get closer we start to hear what I

509
00:23:55,029 --> 00:23:53,059
automatically assumed it was thrust the

510
00:23:58,839 --> 00:23:55,039
sound of a you know thrust from an

511
00:24:03,399 --> 00:23:58,849
aircraft but the object was traveling

512
00:24:04,919 --> 00:24:03,409
slow probably around 35 30 30 miles an

513
00:24:08,139 --> 00:24:04,929

hour or something like that

514

00:24:10,359 --> 00:24:08,149

and it was moving slow and as it got

515

00:24:12,069 --> 00:24:10,369

closer and closer we were looking at it

516

00:24:17,529 --> 00:24:12,079

and all of a sudden I realized that this

517

00:24:20,289 --> 00:24:17,539

side light is a window and it's backlit

518

00:24:26,069 --> 00:24:20,299

from the inside of what appears to be

519

00:24:29,349 --> 00:24:26,079

some sort of a craft and the craft is

520

00:24:33,819 --> 00:24:29,359

starting to take on what I would assume

521

00:24:36,080 --> 00:24:33,829

or estimate as a diamond shape it's got

522

00:24:39,530 --> 00:24:36,090

angles a right angle to it

523

00:24:42,890 --> 00:24:39,540

yeah slope in the front the slope on the

524

00:24:44,870 --> 00:24:42,900

side as it's getting closer we're

525

00:24:47,020 --> 00:24:44,880

looking up at it I hear this thrust

526

00:24:51,350 --> 00:24:47,030

sound but the thrust sound does not

527

00:24:54,290 --> 00:24:51,360

equate to what I knew thrust to be from

528

00:24:57,710 --> 00:24:54,300

jet engines on aircraft there wasn't

529

00:25:00,740 --> 00:24:57,720

enough of the sound of thrust to keep

530

00:25:05,300 --> 00:25:00,750

this thing of this size up in the air

531

00:25:07,750 --> 00:25:05,310

and so I I'm just totally bewildered I

532

00:25:10,010 --> 00:25:07,760

just I'm I'm in the law I can't you know

533

00:25:12,560 --> 00:25:10,020

figure out what the heck I'm looking at

534

00:25:14,720 --> 00:25:12,570

I can't you know it's not like anything

535

00:25:16,570 --> 00:25:14,730

I used to know aircraft that I've ever

536

00:25:20,270 --> 00:25:16,580

seen before

537

00:25:23,390 --> 00:25:20,280

so it's it's getting closer and closer

538

00:25:28,340 --> 00:25:23,400

it finally gets to just about over our

539

00:25:29,900 --> 00:25:28,350

heads and I'm freaking out my wife is

540

00:25:32,180 --> 00:25:29,910

freaking out we're looking at this thing

541

00:25:34,520 --> 00:25:32,190

and I'm looking and trying to see I

542

00:25:36,260 --> 00:25:34,530

focused on the window at this point

543

00:25:39,050 --> 00:25:36,270

there was two sets or two rows of

544

00:25:42,830 --> 00:25:39,060

windows and I was focused probably on

545

00:25:45,200 --> 00:25:42,840

the upper set and I could see inside the

546

00:25:47,660 --> 00:25:45,210

window and I'm thinking myself am I

547

00:25:52,430 --> 00:25:47,670

gonna see an alien am I gonna see an

548

00:25:55,520 --> 00:25:52,440

alien in an alien craft and what I did

549

00:26:00,920 --> 00:25:55,530

see was some sort of a structural wall

550

00:26:04,370 --> 00:26:00,930

now in aircraft design they drill out

551
00:26:06,860 --> 00:26:04,380
holes in support structures to lessen

552
00:26:09,140 --> 00:26:06,870
oblique this is an engineering thing

553
00:26:11,720 --> 00:26:09,150
that they do and I worked on b-52s and

554
00:26:16,730 --> 00:26:11,730
I've seen as before in a structural

555
00:26:18,320 --> 00:26:16,740
integrity of the b-52s so I'm looking at

556
00:26:22,100 --> 00:26:18,330
this and I'm saying to myself my god

557
00:26:24,620 --> 00:26:22,110
this thing is is is it man-made it you

558
00:26:26,510 --> 00:26:24,630
know I'm looking at the holes in the

559
00:26:28,130 --> 00:26:26,520
wall and saying less that this looks

560
00:26:31,960 --> 00:26:28,140
just like a structural element off a

561
00:26:35,180 --> 00:26:31,970
b-52 and it almost had that lime green

562
00:26:37,190 --> 00:26:35,190
colored to it that you would see on the

563
00:26:40,940 --> 00:26:37,200

inside of an aircraft like up in the

564

00:26:42,860 --> 00:26:40,950

wheel well or something so you know at

565

00:26:43,670 --> 00:26:42,870

this point my wife and I were just we're

566

00:26:48,500 --> 00:26:43,680

just dumbfounded

567

00:26:49,270 --> 00:26:48,510

I mean you become paralyzed because your

568

00:26:50,770 --> 00:26:49,280

brain is

569

00:26:52,270 --> 00:26:50,780

make sense of something that isn't

570

00:26:54,010 --> 00:26:52,280

making any sense to you

571

00:26:56,980 --> 00:26:54,020

this is something that you know it

572

00:27:00,070 --> 00:26:56,990

defies the laws of physics if it can't

573

00:27:02,680 --> 00:27:00,080

be anything that you know and we're

574

00:27:05,230 --> 00:27:02,690

watching it and all of a sudden my god

575

00:27:08,800 --> 00:27:05,240

this is a UFO I can't believe this and

576
00:27:10,000 --> 00:27:08,810
so all of a sudden I sort of snap to and

577
00:27:12,400 --> 00:27:10,010
I said oh my god

578
00:27:16,300 --> 00:27:12,410
this is headed it had started in the

579
00:27:18,880 --> 00:27:16,310
southeast and was headed or basically

580
00:27:22,660 --> 00:27:18,890
just behind my house headed in the

581
00:27:25,390 --> 00:27:22,670
northeast direction and as it started to

582
00:27:27,280 --> 00:27:25,400
go overhead I sort of snap to and said

583
00:27:30,100 --> 00:27:27,290
oh my god it's headed right for Picard

584
00:27:34,930 --> 00:27:30,110
Ville which is where one of my deputies

585
00:27:37,960 --> 00:27:34,940
lived and so I ran inside my wife ran

586
00:27:39,520 --> 00:27:37,970
out to the the west side of the house we

587
00:27:42,700 --> 00:27:39,530
were on the east side and the back deck

588
00:27:45,610 --> 00:27:42,710

and she ran out to the front door on the

589

00:27:47,830 --> 00:27:45,620

west side and I stood there and watched

590

00:27:48,190 --> 00:27:47,840

it as it went over the house and kept

591

00:27:50,920 --> 00:27:48,200

going

592

00:27:53,290 --> 00:27:50,930

and I tried to call my deputy now my

593

00:27:55,000 --> 00:27:53,300

deputy answers the phone and I tell him

594

00:27:58,000 --> 00:27:55,010

you've got to get outside you got to get

595

00:28:00,280 --> 00:27:58,010

outside right now there's a UFO headed

596

00:28:02,340 --> 00:28:00,290

right over your house headed right for

597

00:28:06,730 --> 00:28:02,350

you it's got to be pretty close by now

598

00:28:09,880 --> 00:28:06,740

so he's laughing at me and you know I

599

00:28:12,370 --> 00:28:09,890

said I'm dead serious get outside and so

600

00:28:15,040 --> 00:28:12,380

he finally gets outside at about that

601
00:28:19,600 --> 00:28:15,050
time I ran out the front door to see

602
00:28:21,670 --> 00:28:19,610
where it was and my wife goes I was

603
00:28:22,780 --> 00:28:21,680
listening to you she goes you're not

604
00:28:25,540 --> 00:28:22,790
gonna believe this

605
00:28:30,160 --> 00:28:25,550
she goes as soon as you said the word

606
00:28:32,950 --> 00:28:30,170
UFO that crap stopped dead stopped a

607
00:28:35,080 --> 00:28:32,960
white light came on on the back end of

608
00:28:37,980 --> 00:28:35,090
it and it shot straight up an air and

609
00:28:40,810 --> 00:28:37,990
unbelievable speed and it was gone and

610
00:28:43,330 --> 00:28:40,820
so I'm talking to my deputy and he goes

611
00:28:45,760 --> 00:28:43,340
I don't see anything and I go yeah I

612
00:28:49,330 --> 00:28:45,770
guess you don't it's gone it's already

613
00:28:51,960 --> 00:28:49,340

gone at that point we knew we had seen

614

00:28:54,450 --> 00:28:51,970

something incredible something that

615

00:28:58,000 --> 00:28:54,460

either

616

00:29:02,370 --> 00:28:58,010

we have the capability to have ships

617

00:29:08,830 --> 00:29:02,380

like that or we are being visited by a

618

00:29:12,909 --> 00:29:08,840

intelligent race and the the craft is of

619

00:29:14,710 --> 00:29:12,919

a unbelievable size I mean I don't know

620

00:29:16,750 --> 00:29:14,720

what this craft would have been used for

621

00:29:20,230 --> 00:29:16,760

and the thing that I'm still trying to

622

00:29:24,690 --> 00:29:20,240

wrap my head around is when they travel

623

00:29:28,210 --> 00:29:24,700

it those unbelievable speeds and stop

624

00:29:30,070 --> 00:29:28,220

how is it that they can do that I mean

625

00:29:33,250 --> 00:29:30,080

if you're driving in a car and you slam

626
00:29:36,549 --> 00:29:33,260
on the brakes you launch forward and so

627
00:29:38,230 --> 00:29:36,559
that's it a you know a normal speed or a

628
00:29:40,690 --> 00:29:38,240
little bit faster but when you're

629
00:29:44,590 --> 00:29:40,700
traveling at excess of a thousand miles

630
00:29:46,480 --> 00:29:44,600
an hour I can't I just can't I can't

631
00:29:48,850 --> 00:29:46,490
imagine how anybody could survive

632
00:29:50,440 --> 00:29:48,860
something like that without breaking the

633
00:29:52,630 --> 00:29:50,450
laws of physics so there must be

634
00:29:59,380 --> 00:29:52,640
something else going on here that we

635
00:30:01,539 --> 00:29:59,390
can't explain when it comes to that my

636
00:30:03,700 --> 00:30:01,549
name is Sean Kevin Jason and I'm a

637
00:30:07,299 --> 00:30:03,710
computer analyst from Las Vegas Nevada

638
00:30:09,279 --> 00:30:07,309

now Ryan had graciously asked me to tell

639

00:30:11,919 --> 00:30:09,289

you about my story which is included in

640

00:30:14,440 --> 00:30:11,929

this book somewhere in the skies so I'm

641

00:30:16,240 --> 00:30:14,450

gonna give you a brief overview of what

642

00:30:19,210 --> 00:30:16,250

happened if you would like the full

643

00:30:22,210 --> 00:30:19,220

details please go out and purchase the

644

00:30:24,909 --> 00:30:22,220

book and help support Ryan's work it was

645

00:30:27,100 --> 00:30:24,919

about a quarter after nine o'clock and I

646

00:30:28,960 --> 00:30:27,110

was still at work at the time it was at

647

00:30:31,870 --> 00:30:28,970

that moment when I was struck with a

648

00:30:33,700 --> 00:30:31,880

strong sensation and my gut that is like

649

00:30:37,060 --> 00:30:33,710

a cross between butterflies in your

650

00:30:39,010 --> 00:30:37,070

stomach and that queasy feeling you get

651
00:30:42,250 --> 00:30:39,020
when you drop in a roller coaster really

652
00:30:44,560 --> 00:30:42,260
fast at the same time I would get that

653
00:30:47,980 --> 00:30:44,570
sensation I would hear a voice in my

654
00:30:51,520 --> 00:30:47,990
head now this had happened several times

655
00:30:53,770 --> 00:30:51,530
on my teenage years but on this

656
00:30:57,159 --> 00:30:53,780
particular occasion it was basically

657
00:30:59,980 --> 00:30:57,169
telling me to go to area 51 this was the

658
00:31:03,900 --> 00:30:59,990
first time it was happening with regards

659
00:31:05,580 --> 00:31:03,910
to a potential UFO encounter

660
00:31:08,130 --> 00:31:05,590
there was only one reason I ever went

661
00:31:11,400 --> 00:31:08,140
out to area 51 was in hopes of seeing a

662
00:31:12,780 --> 00:31:11,410
UFO on my previous trips out there

663
00:31:15,030 --> 00:31:12,790

nothing happened

664

00:31:19,740 --> 00:31:15,040

Tennessee anything noteworthy or

665

00:31:23,490 --> 00:31:19,750

eventful so when this happened I knew

666

00:31:25,830 --> 00:31:23,500

right away what it meant at least what I

667

00:31:29,670 --> 00:31:25,840

believed it meant was that I was going

668

00:31:34,290 --> 00:31:29,680

to have a UFO encounter that evening

669

00:31:37,410 --> 00:31:34,300

oddly enough within minutes after this

670

00:31:40,290 --> 00:31:37,420

event the manager had asked if I would

671

00:31:42,240 --> 00:31:40,300

like to leave early business was slow

672

00:31:44,730 --> 00:31:42,250

that night she was looking to cut staff

673

00:31:47,220 --> 00:31:44,740

and asked me first if I wanted to go

674

00:31:47,670 --> 00:31:47,230

home of course which I said yes right

675

00:31:51,020 --> 00:31:47,680

away

676
00:31:53,730 --> 00:31:51,030
so gathered my stuff got out of there

677
00:31:55,200 --> 00:31:53,740
hit up my mom's house which was just

678
00:31:55,890 --> 00:31:55,210
down the street where my brother was

679
00:31:58,500 --> 00:31:55,900
staying

680
00:32:01,050 --> 00:31:58,510
he had a pin tucks film camera which I

681
00:32:04,800 --> 00:32:01,060
wanted to borrow for the trip so I swung

682
00:32:07,770 --> 00:32:04,810
by there to grab the camera but both he

683
00:32:09,000 --> 00:32:07,780
and the camera were gone so I left from

684
00:32:13,170 --> 00:32:09,010
there and went home

685
00:32:16,350 --> 00:32:13,180
so after stopping at home and changing I

686
00:32:20,310 --> 00:32:16,360
hit the road and started heading out

687
00:32:23,730 --> 00:32:20,320
towards area 51 there's a bend in

688
00:32:26,130 --> 00:32:23,740

highway 93 your first turn as she

689

00:32:31,170 --> 00:32:26,140

started turning from a north direction

690

00:32:32,730 --> 00:32:31,180

more - of a northeast direction and as

691

00:32:34,530 --> 00:32:32,740

soon as I started coming around the bend

692

00:32:37,110 --> 00:32:34,540

off in a distance I couldn't see some

693

00:32:39,480 --> 00:32:37,120

lights and my first thought was it's

694

00:32:42,540 --> 00:32:39,490

just another car in the road first car

695

00:32:45,690 --> 00:32:42,550

in the pass of the night so I continued

696

00:32:48,300 --> 00:32:45,700

driving and as I do so I begin to

697

00:32:50,460 --> 00:32:48,310

realize that that might often a distance

698

00:32:52,530 --> 00:32:50,470

isn't getting any closer to me but I'm

699

00:32:54,240 --> 00:32:52,540

getting closer to it so I suspected

700

00:32:55,080 --> 00:32:54,250

maybe a car was pulled off to the side

701
00:32:58,500 --> 00:32:55,090
of the road

702
00:33:02,010 --> 00:32:58,510
possibly they had broken down and this

703
00:33:03,630 --> 00:33:02,020
caused me some concern because I was

704
00:33:05,490 --> 00:33:03,640
debating as to whether or not I was

705
00:33:07,470 --> 00:33:05,500
going to stop and help them or keep

706
00:33:08,850 --> 00:33:07,480
driving and since this was the middle of

707
00:33:11,460 --> 00:33:08,860
nowhere

708
00:33:15,210 --> 00:33:11,470
I was somewhat concerned about stopping

709
00:33:19,350 --> 00:33:15,220
to help so I was debating this in my

710
00:33:21,030 --> 00:33:19,360
head when it dawned on me or when I

711
00:33:24,000 --> 00:33:21,040
realized that the lights were not

712
00:33:25,890 --> 00:33:24,010
actually on the road but hovering over

713
00:33:29,250 --> 00:33:25,900

the road I was getting close enough now

714

00:33:31,590 --> 00:33:29,260

that I can see that and my first

715

00:33:34,200 --> 00:33:31,600

reaction was to slam on the brakes

716

00:33:36,330 --> 00:33:34,210

because I was speeding I was in a hurry

717

00:33:39,539 --> 00:33:36,340

to try to get to area 51 I was on the

718

00:33:44,010 --> 00:33:39,549

first leg of a two-hour drive so I

719

00:33:47,400 --> 00:33:44,020

thought running behind and speeding I'm

720

00:33:49,350 --> 00:33:47,410

thinking these lights must be a metro

721

00:33:52,380 --> 00:33:49,360

helicopter you know out there looking

722

00:33:55,340 --> 00:33:52,390

for speeders and that thought maybe

723

00:33:57,780 --> 00:33:55,350

lasted for two seconds because it was

724

00:34:00,900 --> 00:33:57,790

absurd to think there would be a police

725

00:34:03,090 --> 00:34:00,910

helicopter hovering maybe 10 20 feet

726

00:34:09,020 --> 00:34:03,100

right over the highway looking for

727

00:34:11,940 --> 00:34:09,030

speeders it's so when I ruled that out

728

00:34:14,399 --> 00:34:11,950

then dawned on me that maybe these

729

00:34:17,399 --> 00:34:14,409

lights were the very reason I was coming

730

00:34:19,889 --> 00:34:17,409

out there so I decided to grab my

731

00:34:23,220 --> 00:34:19,899

binoculars to see if I couldn't get a

732

00:34:25,230 --> 00:34:23,230

look at the object before I arrived at

733

00:34:28,530 --> 00:34:25,240

this sight just in case it should leave

734

00:34:30,389 --> 00:34:28,540

before I get there now so I picked them

735

00:34:32,490 --> 00:34:30,399

up and I'm looking at the object and I

736

00:34:34,530 --> 00:34:32,500

can definitely see there's something

737

00:34:38,040 --> 00:34:34,540

hovering over the road and it's lights

738

00:34:41,190 --> 00:34:38,050

are shining down on it and if you've

739

00:34:43,470 --> 00:34:41,200

ever tried to drive by looking through

740

00:34:46,590 --> 00:34:43,480

binoculars at the same time it's pretty

741

00:34:48,960 --> 00:34:46,600

much impossible and at one point I

742

00:34:52,500 --> 00:34:48,970

nearly lost control so I threw them in

743

00:34:54,359 --> 00:34:52,510

the backseat because as simply wasn't

744

00:34:56,159 --> 00:34:54,369

working but it was enough to at least

745

00:34:57,660 --> 00:34:56,169

establish there was indeed something

746

00:35:00,120 --> 00:34:57,670

there hovering over the road so I

747

00:35:01,560 --> 00:35:00,130

stepped on the gas and their desperate

748

00:35:04,680 --> 00:35:01,570

attempt to hurry up and get there before

749

00:35:06,830 --> 00:35:04,690

it left it sat there and waited for me

750

00:35:10,470 --> 00:35:06,840

until I pulled up underneath the

751
00:35:13,110 --> 00:35:10,480
triangle UFO and parked my car which was

752
00:35:15,780 --> 00:35:13,120
hovering about 20 feet over the road

753
00:35:19,110 --> 00:35:15,790
and I had parked my car just under the

754
00:35:22,490 --> 00:35:19,120
very first light or tip of this triangle

755
00:35:25,370 --> 00:35:22,500
on the underside of it there were nine

756
00:35:28,590 --> 00:35:25,380
what seemed like standard aircraft

757
00:35:31,560 --> 00:35:28,600
floodlights the craft was a perfect

758
00:35:35,040 --> 00:35:31,570
triangle pitch-black so I couldn't make

759
00:35:37,440 --> 00:35:35,050
out any detail on the skin of the craft

760
00:35:41,070 --> 00:35:37,450
the only thing that really offered any

761
00:35:43,650 --> 00:35:41,080
detail were the lights on it so for the

762
00:35:46,530 --> 00:35:43,660
remainder of the sighting I sat there

763
00:35:49,170 --> 00:35:46,540

and studied the lights and tried

764

00:35:52,710 --> 00:35:49,180

remembering as much detail as I could of

765

00:35:56,040 --> 00:35:52,720

these lights I decided I was going to

766

00:35:58,830 --> 00:35:56,050

use my binoculars to get an even better

767

00:36:01,800 --> 00:35:58,840

look at the light I figured if there was

768

00:36:03,510 --> 00:36:01,810

maybe some logo or identifying marks at

769

00:36:06,360 --> 00:36:03,520

the center of the bulb like we

770

00:36:08,970 --> 00:36:06,370

traditionally use I might be able to

771

00:36:11,010 --> 00:36:08,980

identify the lights so I reached behind

772

00:36:13,260 --> 00:36:11,020

me to grab for him without taking my

773

00:36:15,120 --> 00:36:13,270

eyes off the craft but apparently when I

774

00:36:18,870 --> 00:36:15,130

threw him in the back seat on the way

775

00:36:20,970 --> 00:36:18,880

there they had got stuck behind one of

776

00:36:23,100 --> 00:36:20,980

the seats so I had to take my eyes off

777

00:36:26,880 --> 00:36:23,110

the craft to reach behind me and grab

778

00:36:29,700 --> 00:36:26,890

them and and so doing that very second

779

00:36:32,670 --> 00:36:29,710

the craft decided to take off so I had

780

00:36:35,040 --> 00:36:32,680

to scan horizon and eventually caught

781

00:36:38,010 --> 00:36:35,050

sight of it again to my 7 o'clock

782

00:36:40,440 --> 00:36:38,020

position now probably a football field

783

00:36:42,930 --> 00:36:40,450

away from me and it was hovering over

784

00:36:45,750 --> 00:36:42,940

the ground much like a Speed Racer

785

00:36:48,030 --> 00:36:45,760

and a Star Wars movie it just always

786

00:36:52,170 --> 00:36:48,040

stayed 20 feet from the ground and all

787

00:36:54,870 --> 00:36:52,180

of the terrain as it moved westward from

788

00:36:58,620 --> 00:36:54,880

my spot eventually it made a right turn

789

00:37:01,140 --> 00:36:58,630

and headed north going over the mountain

790

00:37:04,080 --> 00:37:01,150

arranged as just north of that road and

791

00:37:06,120 --> 00:37:04,090

it kind of just climbed over the

792

00:37:09,420 --> 00:37:06,130

mountain rather than flying over it it

793

00:37:10,890 --> 00:37:09,430

stayed close to the ground and basically

794

00:37:12,570 --> 00:37:10,900

inched his way up the side of the

795

00:37:14,420 --> 00:37:12,580

mountain before disappearing over the

796

00:37:17,790 --> 00:37:14,430

top and dropping down the other side

797

00:37:20,099 --> 00:37:17,800

after that I figured well this was just

798

00:37:24,380 --> 00:37:20,109

the introduction

799

00:37:27,539 --> 00:37:24,390

whatever that message was calling me to

800

00:37:31,620 --> 00:37:27,549

still was waiting for me at area 51 so I

801
00:37:33,959 --> 00:37:31,630
continued on after that and I think and

802
00:37:37,589 --> 00:37:33,969
you know there's still more to come but

803
00:37:39,660 --> 00:37:37,599
when I got out there eventually nothing

804
00:37:42,900 --> 00:37:39,670
else happened I don't see anything else

805
00:37:45,150 --> 00:37:42,910
and after a short while I decided to

806
00:37:48,359 --> 00:37:45,160
turn around and head back home and the

807
00:37:51,599 --> 00:37:48,369
drive home was uneventful as well so

808
00:37:53,789 --> 00:37:51,609
what do I believe happened basically we

809
00:37:58,049 --> 00:37:53,799
are dealing with a control system that

810
00:38:01,559 --> 00:37:58,059
is responsible for preventing paradoxes

811
00:38:05,009 --> 00:38:01,569
by ensuring that space-time is

812
00:38:08,459 --> 00:38:05,019
self-consistent and it does this by

813
00:38:11,309 --> 00:38:08,469

programming the observer using psychic

814

00:38:14,579 --> 00:38:11,319

phenomenon such as precognition your gut

815

00:38:17,640 --> 00:38:14,589

instinct or intuition to ensure that a

816

00:38:21,120 --> 00:38:17,650

future event happens as has been

817

00:38:24,359 --> 00:38:21,130

programmed by the system the message or

818

00:38:28,199 --> 00:38:24,369

voice is being used to elicit a very

819

00:38:31,739 --> 00:38:28,209

specific chain of events these chain of

820

00:38:34,160 --> 00:38:31,749

events must lead up to the future event

821

00:38:36,709 --> 00:38:34,170

that's being predicted and in this way

822

00:38:40,259 --> 00:38:36,719

space-time is self-consistent and

823

00:38:42,719 --> 00:38:40,269

preventing a paradox if you're familiar

824

00:38:45,900 --> 00:38:42,729

at all with the work of Jacques Vallee

825

00:38:48,299 --> 00:38:45,910

and his theory or hypothesis on the

826

00:38:51,089 --> 00:38:48,309

control system essentially this case is

827

00:38:53,910 --> 00:38:51,099

a textbook example of that control

828

00:38:57,269 --> 00:38:53,920

system I had reached the same

829

00:39:00,929 --> 00:38:57,279

conclusions as Valley has independently

830

00:39:04,919 --> 00:39:00,939

of his work and as for the black

831

00:39:07,769 --> 00:39:04,929

triangle I saw that night based on the

832

00:39:11,370 --> 00:39:07,779

terrestrial technology I identified on

833

00:39:13,949 --> 00:39:11,380

the craft I believe that was built here

834

00:39:15,210 --> 00:39:13,959

on earth by humans and is not of

835

00:39:24,170 --> 00:39:15,220

extraterrestrial origin
