00:00:00,040 --> 00:00:07,540

[Music]

2
00:00:12,980 --> 00:00:10,520

6
00:00:20,750 --> 00:00:18,900

was from

7
00:00:22,460 --> 00:00:20,760

when I looked at the return address I

8
00:00:24,859 --> 00:00:22,470

noticed the name and I noticed that it

9
00:00:27,800 --> 00:00:24,869

was one of my patreon subscribers and

10
00:00:30,109 --> 00:00:27,810

fellow supporters of the show so I

11
00:00:32,659 --> 00:00:30,119

immediately contacted him on Facebook

12
00:00:34,850 --> 00:00:32,669

and asked him what is this what's going

13
00:00:37,930 --> 00:00:34,860

on he told me there was a surprise and

14

00:00:40,490 --> 00:00:37,940

that he wanted me to do a video of the

15

00:00:42,770 --> 00:00:40,500

unboxing so I have no idea what's in

16

00:00:46,250 --> 00:00:42,780

17

00:00:48,170 --> 00:00:46,260

18

00:00:51,529 --> 00:00:48,180

court in good standing license to

33

00:02:13,650 --> 00:02:11,709

practice in the state of Oklahoma having

34

00:02:15,030 --> 00:02:13,660

handled cases ranging from small claims

35

00:02:18,030 --> 00:02:15,040

to first-degree murder

36

00:02:23,090 --> 00:02:18,040

enclosed are two items number one a

37

00:02:26,910 --> 00:02:23,100

would display box of pema's pedals okay

38

00:02:29,100 --> 00:02:26,920

number two a ceramic mug more

39

00:02:29,699 --> 00:02:29,110

particularly the rocks were gathered by

40

00:02:32,759 --> 00:02:29,709

myself

41

00:02:37,440 --> 00:02:32,769

at approximately 12:55 p.m. local time

42

00:02:40,710 --> 00:02:37,450

on October 17th 2017 at the back gate

43

00:02:45,630 --> 00:02:40,720

entrance to the facility known as area

44

00:02:47,280 --> 00:02:45,640

51 well these particular pebbles were

45

00:02:49,680 --> 00:02:47,290

obtained by me lying on the ground

46

00:02:53,300 --> 00:02:49,690

outside the gate and physically reaching

47

00:02:56,310 --> 00:02:53,310

about two inches past the checkpoint

48

00:02:58,350 --> 00:02:56,320

imaginary line in partial view of the

49

00:03:02,220 --> 00:02:58,360

base security personnel thus making

50

00:03:04,890 --> 00:03:02,230

these pebbles truly from inside area 51

51
00:03:08,490 --> 00:03:04,900
this was witnessed by a combat decorated

52
00:03:09,930 --> 00:03:08,500
NCO officer of the US Army identity is

53
00:03:13,010 --> 00:03:09,940
help for security purposes

54
00:03:17,520 --> 00:03:13,020
understandable the ceramic of what

55
00:03:19,620 --> 00:03:17,530
exceeds me the ceramic mug was purchased

56
00:03:22,860 --> 00:03:19,630
in person off the shelf of the little

57
00:03:25,470 --> 00:03:22,870
alien diner in Rachel Nevada a lot of

58
00:03:26,580 --> 00:03:25,480
you area 51 aficionados who know exactly

59
00:03:30,120 --> 00:03:26,590
what he's talking about

60
00:03:33,360 --> 00:03:30,130
on October 17 2017 and not via the

61
00:03:36,630 --> 00:03:33,370
internet and or Bell the box and bow are

62
00:03:37,440 --> 00:03:36,640
original the mug was taken out of the

63
00:03:39,210 --> 00:03:37,450

original box

64

00:03:42,120 --> 00:03:39,220

on one occasion photographed for

65

00:03:44,160 --> 00:03:42,130

documentation for you then repackaged

66

00:03:45,870 --> 00:03:44,170

with extra packing material before shape

67

00:03:48,720 --> 00:03:45,880

this is very detailed like you tell oh

68

00:03:51,000 --> 00:03:48,730

is definitely by a lawyer the chain of

69

00:03:53,699 --> 00:03:51,010

custody for these items would be area 51

70

00:03:56,010 --> 00:03:53,709

slash groom link then in my personal

71

00:03:58,020 --> 00:03:56,020

possession at my home office then

72

00:04:00,660 --> 00:03:58,030

package personally by mix-up and sent to

73

00:04:04,110 --> 00:04:00,670

you with no third party involvement on

74

00:04:05,910 --> 00:04:04,120

behalf of all fans I thank you for your

75

00:04:07,590 --> 00:04:05,920

efforts making this somewhere in the

76

00:04:10,190 --> 00:04:07,600

skies podcast and entertaining

77

00:04:11,699 --> 00:04:10,200

informative and fun experience

78

00:04:17,420 --> 00:04:11,709

respectfully submitted

79

00:04:21,659 --> 00:04:17,430

Nathan Hendricks wow that's amazing and

80

00:04:23,850 --> 00:04:21,669

here is a personal note to me which I

81

00:04:25,440 --> 00:04:23,860

will not read out loud about this story

82

00:04:28,130 --> 00:04:25,450

behind how he obtained the bevels

83

00:04:30,810 --> 00:04:28,140

clearly a lot has been redacted

84

00:04:33,420 --> 00:04:30,820

so this rejected letter is pretty

85

00:04:35,580 --> 00:04:33,430

interesting I have to admit Nathan says

86

00:04:38,370 --> 00:04:35,590

dear Ryan here is the real story about

87

00:04:40,590 --> 00:04:38,380

my trip to area 51 he that sort of goes

88

00:04:42,990 --> 00:04:40,600

on to tell me how he obtained the rocks

89

00:04:44,880 --> 00:04:43,000

and someone that he met while he was

90

00:04:47,640 --> 00:04:44,890

there who gave him some really

91

00:04:50,430 --> 00:04:47,650

interesting information again a lot of

92

00:04:52,170 --> 00:04:50,440

its redacted though so I don't really

93

00:04:55,820 --> 00:04:52,180

know who he's talking about or what

94

00:04:58,200 --> 00:04:55,830

exactly went down there but he says that

95

00:04:59,820 --> 00:04:58,210

here's the last paragraph I'm gonna read

96

00:05:02,040 --> 00:04:59,830

this to you guys it's so nice after

97

00:05:04,830 --> 00:05:02,050

decades of Lies redactions doublespeak

98

00:05:07,740 --> 00:05:04,840

dis information to finally get some

99

00:05:09,510 --> 00:05:07,750

clear answers for a change glad I could

100

00:05:10,230 --> 00:05:09,520

share this with you so that you could

101
00:05:13,020 --> 00:05:10,240

get it out

102
00:05:15,960 --> 00:05:13,030

to your podcast listeners I just hope

103
00:05:17,820 --> 00:05:15,970

that they don't pull with you the same

104
00:05:20,430 --> 00:05:17,830

thing they did to George Knapp and his

105
00:05:24,210 --> 00:05:20,440

metal Spears he let the atomic museum

106
00:05:27,140 --> 00:05:24,220

borrow they got conveniently lost when

107
00:05:30,420 --> 00:05:27,150

he asked for them back ours won't

108
00:05:33,300 --> 00:05:30,430

because I left all of the proof in the

109
00:05:37,620 --> 00:05:33,310

same box that I put the rocks in gigs of

110
00:05:40,439 --> 00:05:37,630

data on a thumb drive stashed it in the

111
00:05:43,260 --> 00:05:40,449

tissues in the box with the rocks they

112
00:05:45,420 --> 00:05:43,270

will never find it the second you get it

113
00:05:47,040 --> 00:05:45,430

publish it and do an emergency podcast

114

00:05:49,740 --> 00:05:47,050

talk to you soon

115

00:05:57,629 --> 00:05:49,750

Nathan Wow and now let's let's take a

116

00:06:03,149 --> 00:05:57,639

look at what we have so I'm assuming

117

00:06:14,490 --> 00:06:03,159

this is the mug love the alien green by

118

00:06:19,830 --> 00:06:14,500

the way Nathan your prototypical little

119

00:06:21,420 --> 00:06:19,840

green man in all its glory Wow obtained

120

00:06:24,570 --> 00:06:21,430

from the little alien diner that is

121

00:06:27,240 --> 00:06:24,580

still cool Nathan in fact I have my

122

00:06:29,459 --> 00:06:27,250

night coffee with me right now that I

123

00:06:32,159 --> 00:06:29,469

think I'm going to immediately transfer

124

00:06:40,050 --> 00:06:32,169

to this let's make sure there's no

125

00:06:44,439 --> 00:06:40,060

pebbles in there cheers guys cheers to

126

00:06:51,290 --> 00:06:48,800

never tasted better so all right there

127

00:06:54,710 --> 00:06:51,300

is a box in here that's a start so let's

128

00:06:57,460 --> 00:06:54,720

look for the thumb drive all right

129

00:07:00,379 --> 00:06:57,470

there's another note actually right here

130

00:07:02,840 --> 00:07:00,389

on top of a box it says Tom i

131

00:07:06,920 --> 00:07:02,850

intercepted this package while it was on

132

00:07:07,790 --> 00:07:06,930

the way to California after dick gave me

133

00:07:10,900 --> 00:07:07,800

a heads up

134

00:07:13,820 --> 00:07:10,910

I switched boxes to mess with this head

135

00:07:16,969 --> 00:07:13,830

burden this note when you see it then

136

00:07:19,610 --> 00:07:16,979

melt Orion compliments of Lewis

137

00:07:21,170 --> 00:07:19,620

Elizondo that's a good one my man anyone

138

00:07:24,290 --> 00:07:21,180

who's been following the to the stars

139

00:07:26,900 --> 00:07:24,300

News knows that the joke is officially

140

00:07:30,560 --> 00:07:26,910

on me I assume there's no thumb drive in

141

00:07:32,030 --> 00:07:30,570

here of a bombshell information but that

142

00:07:33,409 --> 00:07:32,040

was a good one Nathan that was a good

143

00:07:39,350 --> 00:07:33,419

one but I'm gonna take a look at the box

144

00:07:41,270 --> 00:07:39,360

here Wow okay well I was not expecting

145

00:07:44,689 --> 00:07:41,280

this this is a lot cooler than I

146

00:07:48,670 --> 00:07:44,699

anticipated you say yep it comes

147

00:07:51,710 --> 00:07:48,680

right now cool here are my pebbles

148

00:07:54,890 --> 00:07:51,720

straight from area 51 in the shape of an

149

00:07:59,090 --> 00:07:54,900

alien that is so creative Nathan thank

150

00:08:01,670 --> 00:07:59,100

you that I don't know what to say but

151

00:08:05,060 --> 00:08:01,680

that's so cool I'm going to treasure

152

00:08:07,250 --> 00:08:05,070

this for the rest of my life this means

153

00:08:09,950 --> 00:08:07,260

the world to me that someone would go

154

00:08:11,960 --> 00:08:09,960

through all this trouble to play an

155

00:08:14,629 --> 00:08:11,970

elaborate prank on me and give me a gift

156

00:08:17,390 --> 00:08:14,639

that I'm never going to forget so -

157

00:08:19,400 --> 00:08:17,400

Nathan thank you thank you thank you so

158

00:08:21,890 --> 00:08:19,410

much for this I honestly don't know what

159

00:08:24,529 --> 00:08:21,900

else to say and thank you to all of my

160

00:08:27,050 --> 00:08:24,539

patreon subscribers and for everyone who

161

00:08:30,670 --> 00:08:27,060

supported the show it's things like this

162

00:08:33,560 --> 00:08:30,680

that truly make it all worth it so again

163

00:08:36,350 --> 00:08:33,570

thank you for supporting the show check

164

00:08:37,690 --> 00:08:36,360

out next week's episode and I guess I'll

165

00:08:40,339 --> 00:08:37,700

sort of leave it at that

166

00:08:42,709 --> 00:08:40,349

again all the support means the world to

167

00:08:44,089 --> 00:08:42,719

me and keep looking up keep your feet on
