

**NEWSMAKER
SUNDAY**

**RYAN SPRAGUE
AND JEREMY CORBELL
ON UFOS**

1
00:00:05,630 --> 00:00:03,710
newsmakers Sunday with Fox tens John

2
00:00:07,099 --> 00:00:05,640
Hook guys you're wondering what the

3
00:00:10,070 --> 00:00:07,109
background is we are gonna make a

4
00:00:11,860 --> 00:00:10,080
complete departure today we are going to

5
00:00:14,660 --> 00:00:11,870
talk about things from out-of-this-world

6
00:00:16,400 --> 00:00:14,670
UFOs and since it's early in the morning

7
00:00:18,859 --> 00:00:16,410
it's a great time to get off on a

8
00:00:20,450 --> 00:00:18,869
subject that many people they're a

9
00:00:26,089 --> 00:00:20,460
little ticklish talking about it frankly

10
00:00:28,550 --> 00:00:26,099
but 36% of Americans 80 million believe

11
00:00:30,650 --> 00:00:28,560
UFOs exist and 1/10 believe they have

12
00:00:33,470 --> 00:00:30,660
spotted one this is from a National

13
00:00:35,930 --> 00:00:33,480

Geographic poll 17% said they did not

14

00:00:37,639 --> 00:00:35,940

believe in UFOs or unidentified flying

15

00:00:40,790 --> 00:00:37,649

objects and nearly half of those

16

00:00:42,200 --> 00:00:40,800

surveyed said they were unsure put me in

17

00:00:42,530 --> 00:00:42,210

that category I don't know what to

18

00:00:46,040 --> 00:00:42,540

believe

19

00:00:47,900 --> 00:00:46,050

don't know if we've been visited but

20

00:00:50,240 --> 00:00:47,910

we're gonna talk about it with two guys

21

00:00:52,340 --> 00:00:50,250

who were here for this massive UFO

22

00:00:53,119 --> 00:00:52,350

convention going on a week opaw up in

23

00:00:56,630 --> 00:00:53,129

Scottsdale

24

00:00:58,189 --> 00:00:56,640

Jeremy is a Korbels yep Jeremy Korbels is

25

00:00:58,849 --> 00:00:58,199

an investigative filmmaker he's on the

26

00:01:01,400 --> 00:00:58,859

right of your screen

27

00:01:03,500 --> 00:01:01,410

Ryan Sprague is a UFO journalist thanks

28

00:01:05,690 --> 00:01:03,510

for joining us thank you usually when

29

00:01:07,730 --> 00:01:05,700

you do a news program and we have

30

00:01:11,899 --> 00:01:07,740

politicians on we have guys on all the

31

00:01:14,590 --> 00:01:11,909

time do are the journalists skeptical or

32

00:01:17,330 --> 00:01:14,600

fairly open-minded about this subject

33

00:01:19,940 --> 00:01:17,340

well you're a journalist yeah

34

00:01:22,550 --> 00:01:19,950

that's a great question um I think as a

35

00:01:25,100 --> 00:01:22,560

journalist it is your job to remain

36

00:01:27,530 --> 00:01:25,110

open-minded about the topic you're

37

00:01:31,039 --> 00:01:27,540

covering especially when it comes to

38

00:01:32,840 --> 00:01:31,049

UFOs there's such a broad spectrum of

39

00:01:36,710 --> 00:01:32,850
phenomenon that seems to be happening

40

00:01:39,289 --> 00:01:36,720
and I think by remaining open that's

41

00:01:40,910 --> 00:01:39,299
when the journalists can really get to

42

00:01:42,620 --> 00:01:40,920
the core of the phenomenon and the

43

00:01:44,569 --> 00:01:42,630
people they're dealing with Jeremy let

44

00:01:47,120 --> 00:01:44,579
me ask you there it seems that this is

45

00:01:49,429 --> 00:01:47,130
broken down into out of a hundred

46

00:01:51,200 --> 00:01:49,439
percent of sightings and UFOs are only

47

00:01:52,399 --> 00:01:51,210
unidentified flying objects that's all

48

00:01:54,440 --> 00:01:52,409
we don't know what they are it doesn't

49

00:01:56,660 --> 00:01:54,450
hang there space aliens they're just we

50

00:01:59,080 --> 00:01:56,670
don't know what it is it seems that when

51
00:02:01,760 --> 00:01:59,090
you break it down the research I've done

52
00:02:04,160 --> 00:02:01,770
90% can be explained and then you're

53
00:02:06,249 --> 00:02:04,170
left with 10% that can't really be

54
00:02:08,719 --> 00:02:06,259
explained very well and that's where

55
00:02:09,529 --> 00:02:08,729
that's where the rub is right you make a

56
00:02:11,839 --> 00:02:09,539
really good point

57
00:02:13,400 --> 00:02:11,849
your your intro this is not about belief

58
00:02:15,920 --> 00:02:13,410
it's either true

59
00:02:18,080 --> 00:02:15,930
where it's not true if one sighting in

60
00:02:20,810 --> 00:02:18,090
the millions of sightings from credible

61
00:02:22,340 --> 00:02:20,820
Americans people that have walked on the

62
00:02:25,880 --> 00:02:22,350
moon like dr. Edgar Mitchell right

63
00:02:28,070 --> 00:02:25,890

astronauts exactly if even one of these

64

00:02:30,860 --> 00:02:28,080

sightings is real and it is in fact a

65

00:02:32,870 --> 00:02:30,870

craft of origin from somewhere other

66

00:02:35,120 --> 00:02:32,880

than Earth just one out of the millions

67

00:02:36,440 --> 00:02:35,130

then we have a real phenomena

68

00:02:38,420 --> 00:02:36,450

something's actually going on but it's

69

00:02:40,340 --> 00:02:38,430

not a matter of belief it's either true

70

00:02:42,350 --> 00:02:40,350

or it's not true it can be an

71

00:02:44,330 --> 00:02:42,360

extraordinary belief until there's

72

00:02:46,010 --> 00:02:44,340

evidence and so as a investigative

73

00:02:47,600 --> 00:02:46,020

filmmaker that's what I try to do is

74

00:02:50,120 --> 00:02:47,610

talk with people on the inside let me go

75

00:02:51,860 --> 00:02:50,130

through and this this stunned me okay I

76

00:02:56,120 --> 00:02:51,870

just want to run down this list of

77

00:02:59,180 --> 00:02:56,130

believers okay Richard Nixon Jimmy

78

00:03:02,240 --> 00:02:59,190

Carter Ronald Reagan Mikhail Gorbachev

79

00:03:04,910 --> 00:03:02,250

professor Stephen Hawking Hawking now

80

00:03:06,620 --> 00:03:04,920

one of the theoretical physicists one of

81

00:03:09,290 --> 00:03:06,630

the brightest guys in in the in the

82

00:03:10,940 --> 00:03:09,300

known world believes in UFOs and

83

00:03:13,480 --> 00:03:10,950

extraterrestrials and in an interview

84

00:03:17,990 --> 00:03:13,490

said of course it's possible that UFOs

85

00:03:20,150 --> 00:03:18,000

really do contain aliens in a part of

86

00:03:22,970 --> 00:03:20,160

interpolant interplanetary craft of some

87

00:03:25,640 --> 00:03:22,980

sort and my colleagues are confident

88

00:03:28,010 --> 00:03:25,650

that they do not originate in our solar

89

00:03:31,010 --> 00:03:28,020

system so you've got a lot of guys out

90

00:03:33,350 --> 00:03:31,020

there credible people who are believers

91

00:03:35,360 --> 00:03:33,360

yeah we had a huge panel it's called the

92

00:03:37,580 --> 00:03:35,370

citizen hearing and one of my business

93

00:03:39,710 --> 00:03:37,590

partners Reuben Langdon we essentially

94

00:03:42,260 --> 00:03:39,720

documented the whole thing and it was

95

00:03:44,330 --> 00:03:42,270

you know 40 different witnesses

96

00:03:46,760 --> 00:03:44,340

you know from everywhere from astronauts

97

00:03:48,199 --> 00:03:46,770

to pilots so people are coming forward

98

00:03:50,510 --> 00:03:48,209

and people are saying and finally

99

00:03:52,580 --> 00:03:50,520

without ridicule saying I believe but

100

00:03:53,630 --> 00:03:52,590

again I stand to the point it's not a

101

00:03:55,729 --> 00:03:53,640

matter of belief

102

00:03:58,640 --> 00:03:55,739

it's an extraordinary religion he is

103

00:04:01,130 --> 00:03:58,650

correct it's true or it's not true and

104

00:04:02,990 --> 00:04:01,140

so the idea is if it is true what does

105

00:04:04,820 --> 00:04:03,000

that mean and to what degree is it okay

106

00:04:06,410 --> 00:04:04,830

let me go let me go through the through

107

00:04:09,080 --> 00:04:06,420

the list here Ryan let's start with you

108

00:04:11,600 --> 00:04:09,090

what is the best proof that we have to

109

00:04:13,610 --> 00:04:11,610

date that we didn't visit it that we've

110

00:04:17,170 --> 00:04:13,620

been visited yes that is a great

111

00:04:19,970 --> 00:04:17,180

question you can look at experience

112

00:04:22,099 --> 00:04:19,980

experiences such as Travis Walton right

113

00:04:25,159 --> 00:04:22,109

here in Arizona here in Arizona one of

114

00:04:26,790 --> 00:04:25,169

the best documented cases of all time he

115

00:04:28,740 --> 00:04:26,800

says he was abducted he says he was a

116

00:04:31,559 --> 00:04:28,750

northern Arizona yes he's been put under

117

00:04:34,680 --> 00:04:31,569

polygraph tests the other witnesses who

118

00:04:37,469 --> 00:04:34,690

saw this with him saw him literally be

119

00:04:39,749 --> 00:04:37,479

shot with a beam by a craft of unknown

120

00:04:41,339 --> 00:04:39,759

origin we're put under polygraph tests

121

00:04:43,499 --> 00:04:41,349

and they all passed with flying colors

122

00:04:44,879 --> 00:04:43,509

what's the best you've got Jeremy yeah

123

00:04:46,439 --> 00:04:44,889

the best evidence that I have because

124

00:04:48,390 --> 00:04:46,449

man I'm looking for it too you know I

125

00:04:50,070 --> 00:04:48,400

want the smoking gun either way I mean

126

00:04:51,930 --> 00:04:50,080

that's like I have made so this is what

127

00:04:53,850 --> 00:04:51,940

we deal with I need proof right yeah

128

00:04:55,800 --> 00:04:53,860

I've made some wild films you know I

129

00:04:58,350 --> 00:04:55,810

made a film called patient 17 about a

130

00:04:59,700 --> 00:04:58,360

man who had an alleged implant that we

131

00:05:01,830 --> 00:04:59,710

removed physically and I actually

132

00:05:03,270 --> 00:05:01,840

followed the whole process never thought

133

00:05:05,339 --> 00:05:03,280

I would do something like that that

134

00:05:07,080 --> 00:05:05,349

didn't prove it to me fully but I think

135

00:05:08,990 --> 00:05:07,090

what gives me the greatest sense of

136

00:05:11,580 --> 00:05:09,000

proof for myself to really my

137

00:05:14,459 --> 00:05:11,590

imagination has been weaponized and as a

138

00:05:16,950 --> 00:05:14,469

young child it had been I am so curious

139

00:05:19,350 --> 00:05:16,960

I want to know so the best proof that I

140

00:05:23,040 --> 00:05:19,360

have is essentially people of high

141

00:05:25,649 --> 00:05:23,050

credibility in positions to know have

142

00:05:28,409 --> 00:05:25,659

told me directly off camera and on

143

00:05:30,779 --> 00:05:28,419

camera that yes it is true there other

144

00:05:32,490 --> 00:05:30,789

there are intelligent life you know out

145

00:05:34,469 --> 00:05:32,500

there that they are visiting our planet

146

00:05:37,589 --> 00:05:34,479

and engaging humanity now I personally

147

00:05:39,540 --> 00:05:37,599

have no experience with that but wait

148

00:05:42,180 --> 00:05:39,550

you come up to people becomes heavy

149

00:05:43,890 --> 00:05:42,190

evidence becomes heavy over time I don't

150

00:05:46,200 --> 00:05:43,900

have the luxury of disbelief but what I

151
00:05:47,999 --> 00:05:46,210
do have is a camera which is a passport

152
00:05:49,830 --> 00:05:48,009
into these stories and they'll tell you

153
00:05:51,629 --> 00:05:49,840
the story yes they you know quick quick

154
00:05:55,320 --> 00:05:51,639
aside on Travis Walton I was doing a

155
00:05:57,570 --> 00:05:55,330
story back in 94 on winter sports up up

156
00:05:59,670 --> 00:05:57,580
on the muggy on rim and a guy gave us a

157
00:06:01,920 --> 00:05:59,680
ride on a snowmobile who had taken

158
00:06:03,689 --> 00:06:01,930
Travis Walton out to the area where he

159
00:06:05,999 --> 00:06:03,699
had been abducted he took him out with a

160
00:06:07,950 --> 00:06:06,009
film crew and here's what he told me he

161
00:06:09,450 --> 00:06:07,960
said I don't know whether Travis Walton

162
00:06:11,279 --> 00:06:09,460
was abducted or not he goes but let me

163
00:06:12,990 --> 00:06:11,289

tell you something Travis Walton

164

00:06:15,240 --> 00:06:13,000

believes he was abducted he said I can

165

00:06:17,519 --> 00:06:15,250

tell you that for certain because as we

166

00:06:19,320 --> 00:06:17,529

got closer to where he was abducted he

167

00:06:21,149 --> 00:06:19,330

started freaking out and actually

168

00:06:23,279 --> 00:06:21,159

demanded at one point that they stop and

169

00:06:25,050 --> 00:06:23,289

turn around he got so adjutant people

170

00:06:26,670 --> 00:06:25,060

passed polygraph tests on the people

171

00:06:28,379 --> 00:06:26,680

aren't lying there's millions and

172

00:06:30,420 --> 00:06:28,389

millions of Americans that are seeing

173

00:06:32,309 --> 00:06:30,430

things in the sky that defy all known

174

00:06:34,529 --> 00:06:32,319

physics and that's the important and

175

00:06:36,689 --> 00:06:34,539

interesting idea we had it happen here

176

00:06:38,480 --> 00:06:36,699

the Phoenix lights or I show you that

177

00:06:41,300 --> 00:06:38,490

story okay

178

00:06:44,080 --> 00:06:41,310

sorry yeah this is one of the best known

179

00:06:46,550 --> 00:06:44,090

cases tape number two the Phoenix lights

180

00:06:48,620 --> 00:06:46,560

this is the way the lights looked over

181

00:06:51,439 --> 00:06:48,630

Phoenix at about 10 o'clock last night

182

00:06:53,510 --> 00:06:51,449

this was our report eight years ago the

183

00:06:54,800 --> 00:06:53,520

day after the Phoenix lights appear

184

00:06:56,839 --> 00:06:54,810

there have been multiple descriptions

185

00:07:07,189 --> 00:06:56,849

but the people up in northern Arizona

186

00:07:16,790 --> 00:07:07,199

saw lights that were deciding happenings

187

00:07:19,100 --> 00:07:16,800

in the sky she's a phoenix doctor I

188

00:07:22,100 --> 00:07:19,110

actually pushed my entire professional

189

00:07:24,529 --> 00:07:22,110

life aside for four years in search of

190

00:07:24,920 --> 00:07:24,539

an answer what really happened that

191

00:07:27,379 --> 00:07:24,930

night

192

00:07:29,870 --> 00:07:27,389

some believe the state of Arizona was

193

00:07:32,450 --> 00:07:29,880

visited by a parade of alien spacecraft

194

00:07:35,390 --> 00:07:32,460

at least one of which was a large

195

00:07:37,999 --> 00:07:35,400

triangular vessel seen by thousands of

196

00:07:40,100 --> 00:07:38,009

people there was this huge formation of

197

00:07:41,870 --> 00:07:40,110

lights the formation of lights

198

00:07:44,060 --> 00:07:41,880

nextly no it was in a nice shape and

199

00:07:46,459 --> 00:07:44,070

most you've heard stories always talk

200

00:07:47,839 --> 00:07:46,469

about being round ships but this was a

201
00:07:50,089 --> 00:07:47,849
big black triangle

202
00:07:51,889 --> 00:07:50,099
after months of saying nothing the Air

203
00:07:54,109 --> 00:07:51,899
Force came up with their explanation

204
00:07:56,449 --> 00:07:54,119
claiming it was flares in the sky that

205
00:07:58,790 --> 00:07:56,459
night like these dropped over the Barry

206
00:08:01,699 --> 00:07:58,800
Goldwater bombing range southwest of the

207
00:08:04,219 --> 00:08:01,709
valley but dr. Lemke ties sightings

208
00:08:07,519 --> 00:08:04,229
began from a Paradise Valley home two

209
00:08:09,409 --> 00:08:07,529
years earlier in 1995 my husband who's

210
00:08:11,149 --> 00:08:09,419
also a physician and I with no interest

211
00:08:13,669 --> 00:08:11,159
or knowledge in this topic at all

212
00:08:16,669 --> 00:08:13,679
witnessed a very close sighting to our

213
00:08:18,709 --> 00:08:16,679

home three amber orbs appeared outside

214

00:08:20,959 --> 00:08:18,719

their rooms window I did get photos of

215

00:08:26,619 --> 00:08:20,969

it wondered for two years what we saw

216

00:08:28,639 --> 00:08:26,629

had no idea then okay March 13th 1997

217

00:08:31,609 --> 00:08:28,649

extraordinary also featured in the

218

00:08:33,649 --> 00:08:31,619

documentary UFO investigator Michael

219

00:08:36,040 --> 00:08:33,659

Tanner I was responsible for putting

220

00:08:38,600 --> 00:08:36,050

together the timeline and the whole

221

00:08:41,300 --> 00:08:38,610

summary of the events that took place on

222

00:08:43,189 --> 00:08:41,310

march 13th eight years ago the various

223

00:08:43,759 --> 00:08:43,199

sightings were reported that night from

224

00:08:46,340 --> 00:08:43,769

Kingman

225

00:08:48,980 --> 00:08:46,350

to Prescott through Phoenix down to

226

00:08:51,710 --> 00:08:48,990

Tucson over a span of more than four

227

00:08:53,400 --> 00:08:51,720

hours the intent seemed to be clearly to

228

00:08:56,249 --> 00:08:53,410

demonstrate that

229

00:08:57,840 --> 00:08:56,259

possess the technology that's so far in

230

00:09:01,650 --> 00:08:57,850

advance of our own that there's

231

00:09:03,749 --> 00:09:01,660

literally no contest military sources

232

00:09:06,509 --> 00:09:03,759

tell Tanner that fighter jets from Luke

233

00:09:09,389 --> 00:09:06,519

Air Force Base did intercept the lights

234

00:09:12,059 --> 00:09:09,399

in the sky eyewitnesses reported one

235

00:09:14,610 --> 00:09:12,069

officer we ran across without giving his

236

00:09:17,009 --> 00:09:14,620

name or allowing us to reveal his name

237

00:09:19,829 --> 00:09:17,019

said it was the worst night of his

238

00:09:23,610 --> 00:09:19,839

military life it was sheer pandemonium

239

00:09:26,429 --> 00:09:23,620

at Luke Air Force Base a topic expertise

240

00:09:28,710 --> 00:09:26,439

documentary before another officer comes

241

00:09:31,350 --> 00:09:28,720

formation I don't leave their Flair I

242

00:09:37,639 --> 00:09:31,360

don't play their conventional aircraft I

243

00:09:42,329 --> 00:09:40,379

what's going on here what is this the

244

00:09:44,819 --> 00:09:42,339

mass sighting that night prompted key

245

00:09:47,069 --> 00:09:44,829

tide to begin an investigation knowing

246

00:09:49,499 --> 00:09:47,079

full well that publishing a book and now

247

00:09:52,110 --> 00:09:49,509

producing a film puts her professional

248

00:09:56,009 --> 00:09:52,120

reputation at risk there's been ridicule

249

00:09:58,470 --> 00:09:56,019

and snickering and the witness accounts

250

00:10:01,019 --> 00:09:58,480

have not been taken taken as seriously

251
00:10:03,840 --> 00:10:01,029
as maybe they should this story comes

252
00:10:05,460 --> 00:10:03,850
from someone who was honestly seeking to

253
00:10:08,400 --> 00:10:05,470
know and understand the truth for

254
00:10:10,679 --> 00:10:08,410
herself and a great risk to her

255
00:10:13,889 --> 00:10:10,689
professional standing stature and

256
00:10:16,470 --> 00:10:13,899
reputation but her book and documentary

257
00:10:19,050 --> 00:10:16,480
film key tie hopes to help change all

258
00:10:21,780 --> 00:10:19,060
that to convince other that it's okay to

259
00:10:24,720 --> 00:10:21,790
report sightings that even without all

260
00:10:27,430 --> 00:10:24,730
the answers questions are still worth

261
00:10:30,070 --> 00:10:27,440
asking just because we may not have the

262
00:10:32,020 --> 00:10:30,080
technology yet to definitively define

263
00:10:34,270 --> 00:10:32,030

what these things are it doesn't mean

264

00:10:37,210 --> 00:10:34,280

they're not real there are people that

265

00:10:38,560 --> 00:10:37,220

can't deal with this reality it's time

266

00:10:40,240 --> 00:10:38,570

we get it out in the open and that's why

267

00:10:44,080 --> 00:10:40,250

I'm doing this and we address it we

268

00:10:45,340 --> 00:10:44,090

accept it and we study it by the way in

269

00:10:46,840 --> 00:10:45,350

a recent interview with governor Fife

270

00:10:48,850 --> 00:10:46,850

Symington of course he was one of the

271

00:10:51,310 --> 00:10:48,860

people who saw this and he told me I

272

00:10:53,410 --> 00:10:51,320

pressed him on it he said look and he

273

00:10:54,520 --> 00:10:53,420

you know he's a Navy aviator right he

274

00:10:56,920 --> 00:10:54,530

flew planes for the Navy

275

00:10:59,140 --> 00:10:56,930

he said all I know is what I saw and it

276

00:11:01,570 --> 00:10:59,150

was not of this world he saw it up by

277

00:11:02,740 --> 00:11:01,580

Peak do you guys have a theory as

278

00:11:06,820 --> 00:11:02,750

to what was going on and has the

279

00:11:08,290 --> 00:11:06,830

government explained this I I honestly

280

00:11:10,060 --> 00:11:08,300

don't think the government knows what

281

00:11:12,040 --> 00:11:10,070

they're dealing with we hear all the

282

00:11:16,000 --> 00:11:12,050

time about government cover-ups and

283

00:11:20,170 --> 00:11:16,010

black ops projects but the simplest way

284

00:11:23,470 --> 00:11:20,180

to deny that it happened is to to deny

285

00:11:24,910 --> 00:11:23,480

that it happened but thousands of people

286

00:11:26,740 --> 00:11:24,920

saw the Phoenix oh there's no doubt I

287

00:11:28,090 --> 00:11:26,750

still get emails from them okay let me

288

00:11:30,580 --> 00:11:28,100

let me play devil's advocate for a

289

00:11:34,770 --> 00:11:30,590

minute if we were in the development of

290

00:11:38,470 --> 00:11:34,780

the b-1 bomber okay the the the

291

00:11:40,600 --> 00:11:38,480

diamond-shaped craft right when that was

292

00:11:42,280 --> 00:11:40,610

developed if that was being flown over a

293

00:11:44,350 --> 00:11:42,290

metro area people would have said oh my

294

00:11:46,630 --> 00:11:44,360

god what is that thing it's not like an

295

00:11:48,460 --> 00:11:46,640

airplane right is it possible what we're

296

00:11:51,040 --> 00:11:48,470

seeing our craft that we're building

297

00:11:52,930 --> 00:11:51,050

some of what we're seeing are craft that

298

00:11:54,700 --> 00:11:52,940

we're building but the problem you have

299

00:11:57,010 --> 00:11:54,710

without argument is that these sightings

300

00:11:59,110 --> 00:11:57,020

go back throughout history you know oh

301

00:12:00,940 --> 00:11:59,120

I've heard some from the 1600s oh

302

00:12:04,180 --> 00:12:00,950

absolutely four and if it was flying

303

00:12:07,060 --> 00:12:04,190

discs cylindrical shaped craft I mean

304

00:12:08,560 --> 00:12:07,070

that the the the entire experience that

305

00:12:10,390 --> 00:12:08,570

people are having where they're seeing

306

00:12:12,250 --> 00:12:10,400

these things it's been going on since

307

00:12:14,320 --> 00:12:12,260

the beginning of recorded human history

308

00:12:16,540 --> 00:12:14,330

so that theory just doesn't hold water

309

00:12:17,920 --> 00:12:16,550

because eventually you and by the way I

310

00:12:19,870 --> 00:12:17,930

mean part of what I do is I interview

311

00:12:22,990 --> 00:12:19,880

you know government witnesses so I can

312

00:12:25,180 --> 00:12:23,000

tell you matter of fact that some parts

313

00:12:27,220 --> 00:12:25,190

of the government are just as confused

314

00:12:27,730 --> 00:12:27,230

as we are about the whole are they

315

00:12:29,950 --> 00:12:27,740

scared

316

00:12:31,810 --> 00:12:29,960

is the government frightened of this

317

00:12:34,090 --> 00:12:31,820

that's that's a personal question I mean

318

00:12:36,280 --> 00:12:34,100

a fear is a personal human thing it just

319

00:12:38,110 --> 00:12:36,290

is one person scared because they are

320

00:12:39,220 --> 00:12:38,120

you know extremely religious compared to

321

00:12:40,620 --> 00:12:39,230

another person that is just purely

322

00:12:44,070 --> 00:12:40,630

scientific but

323

00:12:46,500 --> 00:12:44,080

I do believe doubt the doubt if there is

324

00:12:48,330 --> 00:12:46,510

another intelligent civilization

325

00:12:50,430 --> 00:12:48,340

contacting us it's more highly advanced

326

00:12:52,320 --> 00:12:50,440

I mean that's a problem that's a problem

327

00:12:53,730 --> 00:12:52,330

for anybody right because if they're not

328

00:12:56,120 --> 00:12:53,740

telling us that because they're able to

329

00:12:59,130 --> 00:12:56,130

travel from insane with impunity

330

00:13:01,940 --> 00:12:59,140

throughout our skies that is a problem

331

00:13:05,700 --> 00:13:01,950

for any nation so it's a serious issue

332

00:13:08,190 --> 00:13:05,710

does anybody talk about whether this and

333

00:13:11,310 --> 00:13:08,200

this is really getting out there that

334

00:13:13,710 --> 00:13:11,320

something from outside I mean way

335

00:13:17,310 --> 00:13:13,720

outside would be the catalyst that could

336

00:13:19,320 --> 00:13:17,320

bring the nations on earth that are

337

00:13:21,360 --> 00:13:19,330

always in conflict together Ronald

338

00:13:23,160 --> 00:13:21,370

Reagan said that like seven times in a

339

00:13:25,860 --> 00:13:23,170

bunch of his speeches at the UN the

340

00:13:29,730 --> 00:13:25,870

threat from an extraterrestrial presence

341

00:13:31,590 --> 00:13:29,740

would instantaneously unite humanity so

342

00:13:33,660 --> 00:13:31,600

presidents have been talking about this

343

00:13:37,410 --> 00:13:33,670

I mean look it up Ronald Reagan at the

344

00:13:39,690 --> 00:13:37,420

UN said those exact words so that's

345

00:13:44,940 --> 00:13:39,700

that's something that people think about

346

00:13:47,550 --> 00:13:44,950

quite a bit if we were to have this

347

00:13:49,770 --> 00:13:47,560

disclosure of an et presence the

348

00:13:51,810 --> 00:13:49,780

implications are just astounding okay

349

00:13:54,270 --> 00:13:51,820

religion socially everything if we've

350

00:14:00,120 --> 00:13:54,280

been visited because we know kind of the

351

00:14:03,600 --> 00:14:00,130

makeup of at least within our boy what

352

00:14:05,130 --> 00:14:03,610

will we say our universe are we know

353

00:14:07,860 --> 00:14:05,140

that this this has to be something

354

00:14:10,230 --> 00:14:07,870

coming from way way beyond any kind of

355

00:14:11,880 --> 00:14:10,240

propulsion that that we know of that

356

00:14:14,430 --> 00:14:11,890

could get you there and keep people

357

00:14:15,990 --> 00:14:14,440

alive or creatures alive long enough to

358

00:14:17,880 --> 00:14:16,000

get you there it's really interesting

359

00:14:20,070 --> 00:14:17,890

that you bring that up because at this

360

00:14:22,800 --> 00:14:20,080

UFO Congress one of the big highlights

361

00:14:25,500 --> 00:14:22,810

of the Congress is an individual named

362

00:14:27,240 --> 00:14:25,510

Bob Lazar I have followed the case for

363

00:14:29,880 --> 00:14:27,250

many years because my mentor is George

364

00:14:32,040 --> 00:14:29,890

Knapp who grew up watching him he's a

365

00:14:33,540 --> 00:14:32,050

new he's a television news reporter he

366

00:14:34,140 --> 00:14:33,550

body award-winning journalist he's

367

00:14:36,120 --> 00:14:34,150

amazing

368

00:14:38,160 --> 00:14:36,130

so basically I've been able to see it

369

00:14:40,350 --> 00:14:38,170

from a very unique perspective Bob is is

370

00:14:43,910 --> 00:14:40,360

coming in to talk to this conference he

371

00:14:46,230 --> 00:14:43,920

claims that he back engineered

372

00:14:48,210 --> 00:14:46,240

extraterrestrial technologies propulsion

373

00:14:50,520 --> 00:14:48,220

systems advanced propulsion systems that

374

00:14:53,100 --> 00:14:50,530

essentially warp space-time they

375

00:14:54,510 --> 00:14:53,110

essentially amplify gravity waves in

376

00:14:56,940 --> 00:14:54,520

order to travel the

377

00:14:58,350 --> 00:14:56,950

most incredible idea and you know what I

378

00:14:59,940 --> 00:14:58,360

just got to say on the record after

379

00:15:02,760 --> 00:14:59,950

looking at this as an investigative

380

00:15:05,190 --> 00:15:02,770

journalist I believe Bob and he's gonna

381

00:15:06,990 --> 00:15:05,200

be there to talk with everybody after 25

382

00:15:08,760 --> 00:15:07,000

years of radio silence when you when you

383

00:15:10,290 --> 00:15:08,770

okay yeah he's been silent on the issue

384

00:15:12,300 --> 00:15:10,300

because he didn't want to be hassled by

385

00:15:13,860 --> 00:15:12,310

people correct the private guy okay let

386

00:15:15,810 --> 00:15:13,870

me ask you this when you say

387

00:15:17,670 --> 00:15:15,820

reverse-engineered did they have a piece

388

00:15:21,540 --> 00:15:17,680

of a craft yeah they were trying to back

389

00:15:22,770 --> 00:15:21,550

down that is exactly as yeah and a

390

00:15:23,880 --> 00:15:22,780

number of people I've talked with who

391

00:15:25,890 --> 00:15:23,890

have been on the inside have also

392

00:15:28,340 --> 00:15:25,900

explained that to the tea so there have

393

00:15:31,020 --> 00:15:28,350

been recoveries of crap we not only

394

00:15:34,680 --> 00:15:31,030

allegedly have recoveries but we also

395

00:15:37,620 --> 00:15:34,690

have craft that may not even be damaged

396

00:15:39,870 --> 00:15:37,630

what about aliens you know the story

397

00:15:43,770 --> 00:15:39,880

about Nessun taking Jackie Gleason to

398

00:15:45,210 --> 00:15:43,780

homestead Air Force passing aliens but

399

00:15:46,830 --> 00:15:45,220

it may have been a hoax but we don't

400

00:15:48,570 --> 00:15:46,840

know look he may have been pulling a

401
00:15:50,550 --> 00:15:48,580
prank on let's not jump ahead cart

402
00:15:53,610 --> 00:15:50,560
before the horse if there are

403
00:15:55,800 --> 00:15:53,620
intelligent beings that created you know

404
00:15:57,660 --> 00:15:55,810
craft that are visiting earth because

405
00:15:59,310 --> 00:15:57,670
that's the I think the big news let's

406
00:16:00,870 --> 00:15:59,320
say over the next 20 years it is that

407
00:16:03,120 --> 00:16:00,880
true are we being visited

408
00:16:05,250 --> 00:16:03,130
are they drones or do they have the

409
00:16:07,920 --> 00:16:05,260
intelligences that made them riding in

410
00:16:11,700 --> 00:16:07,930
them and you know I want to know - if

411
00:16:13,470 --> 00:16:11,710
this is true are there extraterrestrials

412
00:16:17,760 --> 00:16:13,480
visiting and that would be you guys find

413
00:16:25,319 --> 00:16:17,770

out will you love me know this would be

414

00:16:29,199 --> 00:16:27,670

all right you may think I've lost my

415

00:16:31,240 --> 00:16:29,209

mind but I'm having a ball with these

416

00:16:33,069 --> 00:16:31,250

guys this is Jeremy Korb on the right

417

00:16:35,860 --> 00:16:33,079

he's an investigative filmmaker Ryan

418

00:16:37,960 --> 00:16:35,870

Sprague as a UFO journalist and as you

419

00:16:42,730 --> 00:16:37,970

can tell by the backdrop we are we are

420

00:16:44,680 --> 00:16:42,740

just exploring what if here I started

421

00:16:46,780 --> 00:16:44,690

the show by saying that 36% of Americans

422

00:16:49,180 --> 00:16:46,790

80 million people believe that UFOs

423

00:16:51,249 --> 00:16:49,190

exist a tenth believe they've spotted

424

00:16:54,309 --> 00:16:51,259

one this is according to a National

425

00:16:56,740 --> 00:16:54,319

Geographic poll do you guys think that

426

00:16:58,569 --> 00:16:56,750

public sentiment is changing on this

427

00:17:02,050 --> 00:16:58,579

issue that people have maybe gone from

428

00:17:05,740 --> 00:17:02,060

all hogwash nonsense to you know what I

429

00:17:08,169 --> 00:17:05,750

don't know is that happening yeah I can

430

00:17:11,620 --> 00:17:08,179

see it happening every day especially

431

00:17:13,659 --> 00:17:11,630

within the mass media it's just it's

432

00:17:16,449 --> 00:17:13,669

astounding how much it's changed and

433

00:17:18,850 --> 00:17:16,459

what is that is why is that I think as

434

00:17:20,620 --> 00:17:18,860

we draw closer scientifically I mean

435

00:17:22,809 --> 00:17:20,630

we're discovering all these exoplanets

436

00:17:26,470 --> 00:17:22,819

we're discovering we're sending message

437

00:17:29,140 --> 00:17:26,480

sending an unmanned you know craft to

438

00:17:31,240 --> 00:17:29,150

Europa these are opening up the

439

00:17:33,490 --> 00:17:31,250

possibilities of life elsewhere whether

440

00:17:36,580 --> 00:17:33,500

it be biological I have a theory as well

441

00:17:39,580 --> 00:17:36,590

yeah I think as we get smarter we start

442

00:17:41,169 --> 00:17:39,590

to understand how much we don't know yes

443

00:17:42,940 --> 00:17:41,179

and I think that's playing into it

444

00:17:45,520 --> 00:17:42,950

yeah and I think you know my personal

445

00:17:46,690 --> 00:17:45,530

opinion on it is that when I started

446

00:17:48,850 --> 00:17:46,700

talking to people about this when I was

447

00:17:50,560 --> 00:17:48,860

like 13 years old so you know I don't

448

00:17:53,049 --> 00:17:50,570

know how many years ago over two decades

449

00:17:55,570 --> 00:17:53,059

ago people would almost laugh when you

450

00:17:58,210 --> 00:17:55,580

said extraterrestrials probably exist

451
00:18:00,730 --> 00:17:58,220
the worldview has changed now we know

452
00:18:03,070 --> 00:18:00,740
all these exoplanets trillions of star

453
00:18:05,200 --> 00:18:03,080
systems with habitable planets so the

454
00:18:06,970 --> 00:18:05,210
whole paradigm has shifted what's the

455
00:18:09,520 --> 00:18:06,980
next thing and now you're gonna connect

456
00:18:11,590 --> 00:18:09,530
you exactly you're gonna be ahead ten

457
00:18:13,480 --> 00:18:11,600
years right now what would the big deal

458
00:18:16,630 --> 00:18:13,490
be what is the biggest lie well if these

459
00:18:18,610 --> 00:18:16,640
things are real are they coming here so

460
00:18:20,560 --> 00:18:18,620
that's the question if we can kind of

461
00:18:22,600 --> 00:18:20,570
narrow in the discussion to that now

462
00:18:24,580 --> 00:18:22,610
rather than extra Stroh's don't exist

463
00:18:25,570 --> 00:18:24,590

okay well we just have the one planet

464

00:18:27,820 --> 00:18:25,580

out of trillions and billions of

465

00:18:30,580 --> 00:18:27,830

billions that has life on it well then

466

00:18:31,659 --> 00:18:30,590

the question about UFOs okay maybe the

467

00:18:34,060 --> 00:18:31,669

question should be do you believe

468

00:18:35,600 --> 00:18:34,070

there's life out there that's a whole

469

00:18:37,039 --> 00:18:35,610

different thing you probably have a

470

00:18:38,240 --> 00:18:37,049

a lot more people who believe well I'm

471

00:18:40,850 --> 00:18:38,250

just saying that's the simple one that

472

00:18:42,530 --> 00:18:40,860

we should all be far beyond you know if

473

00:18:43,970 --> 00:18:42,540

people have we should be just the

474

00:18:45,590 --> 00:18:43,980

science of it the sheer numbers we

475

00:18:47,780 --> 00:18:45,600

should be on that question the question

476

00:18:49,880 --> 00:18:47,790

we should be asking is okay there

477

00:18:53,180 --> 00:18:49,890

probably is life everywhere microbial

478

00:18:55,700 --> 00:18:53,190

and intelligent are they visiting here

479

00:18:57,830 --> 00:18:55,710

and if so what are the implication what

480

00:19:00,980 --> 00:18:57,840

has anybody come up with a theory if we

481

00:19:02,720 --> 00:19:00,990

have been visited okay I again I I don't

482

00:19:03,470 --> 00:19:02,730

believe we have but I'm keeping an open

483

00:19:06,020 --> 00:19:03,480

mind about it

484

00:19:08,090 --> 00:19:06,030

if we've been visited why have they not

485

00:19:10,789 --> 00:19:08,100

presented themselves in a more dramatic

486

00:19:11,450 --> 00:19:10,799

way and said look we come from Planet X

487

00:19:15,140 --> 00:19:11,460

here we are

488

00:19:18,970 --> 00:19:15,150

does anybody explain this yeah I mean

489

00:19:24,409 --> 00:19:18,980

there have been tons in tons of cases of

490

00:19:27,080 --> 00:19:24,419

these supposed beings who may not think

491

00:19:28,940 --> 00:19:27,090

we're ready we may be on some sort of

492

00:19:31,460 --> 00:19:28,950

timetable of their so we have to sort of

493

00:19:34,130 --> 00:19:31,470

look at it as if they are coming from

494

00:19:34,640 --> 00:19:34,140

vast distances and they are this ahead

495

00:19:37,780 --> 00:19:34,650

of us

496

00:19:41,330 --> 00:19:37,790

you know technologically and perhaps

497

00:19:44,150 --> 00:19:41,340

intelligently that maybe we haven't

498

00:19:46,669 --> 00:19:44,160

reached that potential to handle it to

499

00:19:48,770 --> 00:19:46,679

handle it yet III yeah I give you enough

500

00:19:50,240 --> 00:19:48,780

issues to worry about on this plan okay

501
00:19:52,700 --> 00:19:50,250
this is the last thing on a lot of

502
00:19:55,250 --> 00:19:52,710
people's minds where it's one of the

503
00:19:57,110 --> 00:19:55,260
first on ours I gotta chime in here on

504
00:19:58,549 --> 00:19:57,120
this so one of my dear friends growing

505
00:19:59,659 --> 00:19:58,559
up is rod Roddenberry you Gene

506
00:20:01,669 --> 00:19:59,669
Roddenberry's the son of Gene

507
00:20:03,200 --> 00:20:01,679
Roddenberry so I interviewed him for

508
00:20:04,970 --> 00:20:03,210
this conference and I have a piece that

509
00:20:06,409 --> 00:20:04,980
I'm gonna be playing at the conference

510
00:20:08,270 --> 00:20:06,419
where he's weighing and for the first

511
00:20:09,950 --> 00:20:08,280
time on the extra-terrestrial issue I

512
00:20:13,370 --> 00:20:09,960
mean which is weird you figured he'd way

513
00:20:15,020 --> 00:20:13,380

and sooner but essentially they talk

514

00:20:16,760 --> 00:20:15,030

about things like the the prime

515

00:20:18,409 --> 00:20:16,770

directive the idea of non-interference

516

00:20:19,730 --> 00:20:18,419

and this is he kind of talked to me

517

00:20:21,620 --> 00:20:19,740

about this he says I don't know if it's

518

00:20:23,539 --> 00:20:21,630

just microbial life or intelligent life

519

00:20:25,850 --> 00:20:23,549

he says my preference is intelligent

520

00:20:27,860 --> 00:20:25,860

life he says but let's say they are here

521

00:20:29,120 --> 00:20:27,870

let's say they are visiting maybe there

522

00:20:31,039 --> 00:20:29,130

is a prime director

523

00:20:33,770 --> 00:20:31,049

maybe there's a non-interference clause

524

00:20:36,320 --> 00:20:33,780

where they want us to evolve as human

525

00:20:38,210 --> 00:20:36,330

beings before you know before real

526

00:20:39,950 --> 00:20:38,220

content rights but but there has been

527

00:20:41,240 --> 00:20:39,960

contact that's the thing that you and I

528

00:20:43,640 --> 00:20:41,250

don't get because we haven't seen

529

00:20:46,669 --> 00:20:43,650

anything but people millions of people

530

00:20:48,110 --> 00:20:46,679

have had what they call content what is

531

00:20:48,989 --> 00:20:48,120

interesting about that I got to take a

532

00:20:51,779 --> 00:20:48,999

break is

533

00:20:54,599 --> 00:20:51,789

how similar a lot of these accounts are

534

00:20:55,949 --> 00:20:54,609

oh my gosh there's a similarity with all

535

00:20:57,869 --> 00:20:55,959

of these different people who say

536

00:21:00,089 --> 00:20:57,879

they've seen something yeah what they've

537

00:21:03,389 --> 00:21:00,099

seen a lot of times lines up it's not

538

00:21:05,789 --> 00:21:03,399

the multiple witnesses multiple angles

539

00:21:10,609 --> 00:21:05,799

air radar ground radar air visual

540

00:21:14,879 --> 00:21:13,169

back on newsmakers Sunday final moments

541

00:21:15,869 --> 00:21:14,889

with Jeremy Korbelt an investigative

542

00:21:18,509 --> 00:21:15,879

filmmaker on the right of your screen

543

00:21:22,499 --> 00:21:18,519

he's on the right here in Ryan Sprague a

544

00:21:23,759 --> 00:21:22,509

UFO journalist final moments what would

545

00:21:25,349 --> 00:21:23,769

you like people to take away and I know

546

00:21:26,909 --> 00:21:25,359

we've got the conference going on and

547

00:21:29,009 --> 00:21:26,919

people you're saying if people want to

548

00:21:30,329 --> 00:21:29,019

just drop by do it I mean what I

549

00:21:32,159 --> 00:21:30,339

personally want people to take away is I

550

00:21:33,989 --> 00:21:32,169

again I want your imagination to be

551
00:21:36,139 --> 00:21:33,999
weaponized this is not a marketing ploy

552
00:21:39,329 --> 00:21:36,149
this is not that's a lack of imagination

553
00:21:41,939 --> 00:21:39,339
there is a true and real phenomena that

554
00:21:43,469 --> 00:21:41,949
is occurring with a cursory glance you

555
00:21:46,709 --> 00:21:43,479
will become interested I guarantee just

556
00:21:48,719 --> 00:21:46,719
look into it personally I my films are

557
00:21:51,029 --> 00:21:48,729
seen that extraordinary beliefs calm you

558
00:21:52,709 --> 00:21:51,039
can see all this is ordinary beliefs

559
00:21:54,359 --> 00:21:52,719
calm correct and that's where you can

560
00:21:56,669 --> 00:21:54,369
see all my films on the subject matter

561
00:21:58,589 --> 00:21:56,679
that take a real hardcore documentary

562
00:22:00,659 --> 00:21:58,599
approach to figuring out if any of these

563
00:22:02,039 --> 00:22:00,669

stories are true okay and that's what I

564

00:22:04,469 --> 00:22:02,049

have to say right what do you guys I

565

00:22:07,379 --> 00:22:04,479

mean just to piggyback off that we have

566

00:22:09,839 --> 00:22:07,389

over 3,000 people who have already

567

00:22:12,299 --> 00:22:09,849

attended we're expecting another 2,000

568

00:22:13,769 --> 00:22:12,309

or so over the weekend and people come

569

00:22:16,699 --> 00:22:13,779

from all over the world to this

570

00:22:19,109 --> 00:22:16,709

conference and it's because we have

571

00:22:22,259 --> 00:22:19,119

astrobiologists nuclear physicists

572

00:22:24,809 --> 00:22:22,269

speaking at the event telling us this is

573

00:22:26,849 --> 00:22:24,819

a real phenomenon news I mean next to

574

00:22:28,649 --> 00:22:26,859

questions about God in religion this is

575

00:22:30,479 --> 00:22:28,659

this is probably right there

576

00:22:32,969 --> 00:22:30,489

all right this is the this is the

577

00:22:36,329 --> 00:22:32,979

existential question of are we alone

578

00:22:39,329 --> 00:22:36,339

yeah and people out there I'm sure

579

00:22:41,279 --> 00:22:39,339

believe we are not alone it's going to

580

00:22:43,859 --> 00:22:41,289

be easier to prove the existence of

581

00:22:45,959 --> 00:22:43,869

other intelligent life it'll be easier

582

00:22:48,269 --> 00:22:45,969

to prove that than the existence of God

583

00:22:50,339 --> 00:22:48,279

to be a mass public I think that it's

584

00:22:52,229 --> 00:22:50,349

either true or it's not true and

585

00:22:53,699 --> 00:22:52,239

hopefully one day soon we'll find out

586

00:22:55,139 --> 00:22:53,709

how much is the government our

587

00:22:58,109 --> 00:22:55,149

government working on trying to make

588

00:22:59,939 --> 00:22:58,119

contact it's a really startling out

589

00:23:00,780 --> 00:22:59,949

stuff out to the universe right we are

590

00:23:02,430 --> 00:23:00,790

see very

591

00:23:04,500 --> 00:23:02,440

the very beginning we shoot up in you

592

00:23:06,030 --> 00:23:04,510

know messages all the time I mean it's

593

00:23:09,120 --> 00:23:06,040

like yeah but there that's a there's a

594

00:23:10,740 --> 00:23:09,130

much deeper story to that and maybe we

595

00:23:12,960 --> 00:23:10,750

will have to talk about that later how

596

00:23:15,840 --> 00:23:12,970

worried is we've got 30 seconds how

597

00:23:19,200 --> 00:23:15,850

worried is for instance in United States

598

00:23:22,050 --> 00:23:19,210

about this issue that this is a threat

599

00:23:23,910 --> 00:23:22,060

that we could not handle I think that's

600

00:23:26,220 --> 00:23:23,920

a great question we have people like

601

00:23:29,010 --> 00:23:26,230

John Podesta who's currently come

602

00:23:31,080 --> 00:23:29,020

forward about he regretting that he was

603

00:23:32,820 --> 00:23:31,090

not able to get the UFO information out

604

00:23:35,400 --> 00:23:32,830

to the public when he was working for

605

00:23:37,140 --> 00:23:35,410

Clinton and Obama did you see that tweet

606

00:23:39,330 --> 00:23:37,150

yeah this was his biggest number one

607

00:23:41,310 --> 00:23:39,340

regret John Podesta see that yeah was

608

00:23:42,990 --> 00:23:41,320

that he didn't get disclosure so the

609

00:23:45,030 --> 00:23:43,000

government is worried of course but the
