1
00:00:05,030 --> 00:00:02,690
hi guys Ryan Sprague here from the

2
00:00:07,039 --> 00:00:05,040
somewhere in the skies podcast and I am

3
00:00:10,040 --> 00:00:07,049
fresh off the heels of alien con

4
00:00:12,320 --> 00:00:10,050
Baltimore November 9th or 11th in

5
00:00:14,509 --> 00:00:12,330
Baltimore Maryland and I was there with

6
00:00:16,580 --> 00:00:14,519
my good buddy Jason McClellan of rogue

7
00:00:19,400 --> 00:00:16,590
planet so please check out all of our

8
00:00:21,830 --> 00:00:19,410
stuff over at rogue planet TV we'll have

9
00:00:23,599 --> 00:00:21,840
some exclusive interviews videos stuff

10
00:00:25,970 --> 00:00:23,609
like that from a link on over there and

11
00:00:27,650 --> 00:00:25,980
also be sure to check out this upcoming

12
00:00:30,410 --> 00:00:27,660
Monday episode of someone this guy's

13
00:00:32,840 --> 00:00:30,420

with exclusive interviews with both

14

00:00:36,040 --> 00:00:32,850

attendees and speakers of the event it

15

00:00:38,360 --> 00:00:36,050

is probably one of the most epic epic

16

00:00:40,670 --> 00:00:38,370

episodes of the show that I have ever

17

00:00:43,520 --> 00:00:40,680

done so please be sure to check that out

18

00:00:46,369 --> 00:00:43,530

but the real reason I am here today with

19

00:00:48,440 --> 00:00:46,379

you is because while I was in Baltimore

20

00:00:51,279 --> 00:00:48,450

something arrived in the mail for me and

21

00:00:53,990 --> 00:00:51,289

I just have to show you guys this all

22

00:00:57,049 --> 00:00:54,000

right so we've got the History Channel

23

00:00:59,569 --> 00:00:57,059

AAA Project Blue Book I have no idea

24

00:01:01,549 --> 00:00:59,579

what this is how they got my address

25

00:01:04,039 --> 00:01:01,559

maybe I signed up for something but I

26
00:01:06,469 --> 00:01:04,049
wanted to do some unboxings today with

27
00:01:08,060 --> 00:01:06,479
you guys just like I did before when my

28
00:01:10,250 --> 00:01:08,070
good buddy Nathan sent me all this stuff

29
00:01:16,190 --> 00:01:10,260
from area 51 let me actually grab that

30
00:01:18,830 --> 00:01:16,200
right now check it actual rocks from

31
00:01:21,230 --> 00:01:18,840
area 51 thank you again my man for that

32
00:01:23,240 --> 00:01:21,240
but today we are here for Project Blue

33
00:01:25,219 --> 00:01:23,250
Book whatever is in here I have no idea

34
00:01:26,649 --> 00:01:25,229
and I also have another box I'm going to

35
00:01:29,240 --> 00:01:26,659
open from one of our loyal listeners

36
00:01:41,039 --> 00:01:29,250
Wayne and we'll get to that in a minute

37
00:01:47,889 --> 00:01:43,529
check this out

38
00:01:49,840 --> 00:01:47,899

confidential project Bluebook it's you

39

00:01:59,499 --> 00:01:49,850

think that coffee stains on it look at

40

00:02:03,669 --> 00:01:59,509

that that's amazing alright this is so

41

00:02:05,339 --> 00:02:03,679

cool I don't even know where to begin

42

00:02:08,559 --> 00:02:05,349

guys look at this

43

00:02:10,270 --> 00:02:08,569

there's our boy hi Nick with an alien

44

00:02:13,119 --> 00:02:10,280

little contentious we all know that he

45

00:02:15,039 --> 00:02:13,129

actually never met with aliens but it is

46

00:02:17,890 --> 00:02:15,049

a fiction show based on natural time so

47

00:02:20,650 --> 00:02:17,900

I'm sure we will talk about that at some

48

00:02:28,720 --> 00:02:20,660

point on the show there again is our man

49

00:02:33,119 --> 00:02:28,730

mister hi Nick let's see this is you've

50

00:02:38,380 --> 00:02:33,129

got some folders video evidence

51
00:02:40,479 --> 00:02:38,390
screeners I I think I know what this is

52
00:02:47,259 --> 00:02:40,489
I think this is probably some of the

53
00:02:49,780 --> 00:02:47,269
episodes of the show I I'm speechless at

54
00:02:51,430 --> 00:02:49,790
alien con Project Blue Book was in full

55
00:02:53,199 --> 00:02:51,440
force there at the TV show they showed a

56
00:02:55,150 --> 00:02:53,209
couple minutes from an episode from what

57
00:02:57,190 --> 00:02:55,160
I'm told I was giving the talk during

58
00:02:58,300 --> 00:02:57,200
that so I wasn't able to see it and some

59
00:03:00,970 --> 00:02:58,310
of the creatives were there talking

60
00:03:03,129 --> 00:03:00,980
about the show but I honestly don't know

61
00:03:05,319 --> 00:03:03,139
what's in here I will have to view it

62
00:03:08,319 --> 00:03:05,329
and let you guys know on Twitter and on

63
00:03:14,979 --> 00:03:08,329

the Facebook group but it is a DVD video

64

00:03:16,599 --> 00:03:14,989

evidence screeners so cool this might

65

00:03:25,350 --> 00:03:16,609

look familiar to some of you we've got

66

00:03:31,149 --> 00:03:28,869

there are tons of these in here like

67

00:03:35,800 --> 00:03:31,159

it's kind of it looks like what it is is

68

00:03:38,589 --> 00:03:35,810

kind of the close encounters list as hi

69

00:03:47,979 --> 00:03:38,599

Nick made up of like how to fill out a

70

00:03:52,649 --> 00:03:47,989

UFO report for Project Blue Book some

71

00:03:56,830 --> 00:03:54,759

you guys are definitely gonna recognize

72

00:03:58,569 --> 00:03:56,840

this little dude who I believe is in the

73

00:04:00,160 --> 00:03:58,579

first episode of Project Blue Book that

74

00:04:04,270 --> 00:04:00,170

is the flatwoods monster one of my

75

00:04:05,349 --> 00:04:04,280

favorite favorite stories ah this is so

76

00:04:11,050 --> 00:04:05,359

cool

77

00:04:12,399 --> 00:04:11,060

I can't believe they went through the

78

00:04:17,110 --> 00:04:12,409

trouble of doing this and I honestly

79

00:04:19,150 --> 00:04:17,120

don't know why they did this but really

80

00:04:21,520 --> 00:04:19,160

interesting these look like a lot of a

81

00:04:24,550 --> 00:04:21,530

lot of photos from the show I'm sure

82

00:04:28,689 --> 00:04:24,560

these mysterious looking military dudes

83

00:04:34,830 --> 00:04:28,699

are going to come into play possibly a

84

00:04:42,550 --> 00:04:34,840

love interest I'm guessing mr. honey hmm

85

00:04:46,060 --> 00:04:42,560

what's she up to no good there's one for

86

00:04:49,060 --> 00:04:46,070

you I this is so cool

87

00:04:51,670 --> 00:04:49,070

there's the leading man in the show I

88

00:04:54,969 --> 00:04:51,680

believe other than Hynek perhaps his uh

89

00:04:56,589 --> 00:04:54,979

his nemesis of some sort or his partner

90

00:04:59,050 --> 00:04:56,599

I don't really know much about the show

91

00:05:01,570 --> 00:04:59,060

yet to be honest but that being said we

92

00:05:03,550 --> 00:05:01,580

are going to have the creative team of

93

00:05:06,700 --> 00:05:03,560

Project Blue Book on the History Channel

94

00:05:08,740 --> 00:05:06,710

on somewhere in the skies very soon to

95

00:05:11,230 --> 00:05:08,750

talk all about the show all about hi

96

00:05:14,560 --> 00:05:11,240

Nick and I'm super super excited for

97

00:05:18,100 --> 00:05:14,570

that as I am to get this my own Project

98

00:05:19,899 --> 00:05:18,110

Blue Book so cool thank you to the

99

00:05:21,670 --> 00:05:19,909

History Channel thank you to Project

100

00:05:24,730 --> 00:05:21,680

Blue Book for this I will treasure this

101
00:05:26,439 --> 00:05:24,740
until the day I die and be sure to check

102
00:05:28,870 --> 00:05:26,449
out the show it premieres on the History

103
00:05:31,629 --> 00:05:28,880
Channel on January 8th just checkout

104
00:05:32,910 --> 00:05:31,639
history comm follow them on all their

105
00:05:34,860 --> 00:05:32,920
socials

106
00:05:37,830 --> 00:05:34,870
and I have no doubt it's going to be a

107
00:05:39,960 --> 00:05:37,840
contentious show with us UFO buffs out

108
00:05:43,590 --> 00:05:39,970
there but also exciting to get Hynek

109
00:05:45,450 --> 00:05:43,600
into the mainstream so amazing alright

110
00:05:48,060 --> 00:05:45,460
that was a mouthful I was very excited

111
00:05:50,910 --> 00:05:48,070
for that I had no idea what to expect we

112
00:05:54,000 --> 00:05:50,920
are moving on to my next listener gift

113
00:05:56,670 --> 00:05:54,010

box as it were and this comes to us

114

00:05:58,350 --> 00:05:56,680

compliments of Wayne Wayne has been

115

00:06:01,020 --> 00:05:58,360

following the show for a while now and

116

00:06:03,120 --> 00:06:01,030

he he told me that he was working on

117

00:06:05,850 --> 00:06:03,130

some really cool stuff in his art studio

118

00:06:09,150 --> 00:06:05,860

at home having to do with aliens UFOs

119

00:06:11,940 --> 00:06:09,160

and I had noticed he was working on this

120

00:06:13,920 --> 00:06:11,950

really cool little alien statuette and

121

00:06:15,870 --> 00:06:13,930

when I reached out to him and said dude

122

00:06:17,520 --> 00:06:15,880

the minute these go on sale please tell

123

00:06:19,860 --> 00:06:17,530

me I'm gonna buy one he said nope I'm

124

00:06:22,500 --> 00:06:19,870

giving you one so I am assuming that's

125

00:06:25,400 --> 00:06:22,510

what we got here which says fragile all

126

00:06:27,810 --> 00:06:25,410

over it so I'm guessing we have an

127

00:06:30,000 --> 00:06:27,820

extraterrestrial biological entity in

128

00:06:32,340 --> 00:06:30,010

here I could be wrong I don't know but

129

00:06:49,620 --> 00:06:32,350

we're gonna be very careful opening this

130

00:06:58,400 --> 00:06:49,630

to see what we get alright I see here's

131

00:07:07,150 --> 00:07:02,800

and I'm guessing this is app right here

132

00:07:10,270 --> 00:07:07,160

it is that is the alien so what I'm

133

00:07:11,590 --> 00:07:10,280

gonna do now is I'm at least gonna open

134

00:07:13,629 --> 00:07:11,600

up the alien and show you guys this

135

00:07:16,629 --> 00:07:13,639

because I saw some photos that he was

136

00:07:18,250 --> 00:07:16,639

posting in the process of making it and

137

00:07:20,590 --> 00:07:18,260

I will put the whole thing together and

138

00:07:22,990 --> 00:07:20,600

throw up an image of it at the end of

139

00:07:25,570 --> 00:07:23,000

this video and on all the socials as

140

00:07:29,980 --> 00:07:25,580

well so let's take a look at the alien

141

00:07:42,060 --> 00:07:29,990

so excited I don't want to do anything

142

00:07:50,379 --> 00:07:45,940

Wow okay I need to be very careful with

143

00:07:52,810 --> 00:07:50,389

this look at that waiting that is

144

00:07:54,879 --> 00:07:52,820

incredible man looks like our little

145

00:07:57,940 --> 00:07:54,889

dude here was definitely part of the

146

00:08:00,610 --> 00:07:57,950

Roswell crash missing a limb couple

147

00:08:05,920 --> 00:08:00,620

limbs there but my god the detail on

148

00:08:10,150 --> 00:08:05,930

this is incredible when you are a

149

00:08:12,100 --> 00:08:10,160

talented young man and I I can't thank

150

00:08:15,460 --> 00:08:12,110

you enough for this again it come it

151
00:08:17,080 --> 00:08:15,470
came with a glass cryo chamber and a

152
00:08:17,680 --> 00:08:17,090
base so I'm gonna set that up in a

153
00:08:19,680 --> 00:08:17,690
little while

154
00:08:21,700 --> 00:08:19,690
but look at that look at like the detail

155
00:08:23,950 --> 00:08:21,710
definitely hit his head on a rock out

156
00:08:28,150 --> 00:08:23,960
there in the Roswell crash site I'm

157
00:08:29,800 --> 00:08:28,160
assuming amazing amazing now Wayne I

158
00:08:32,350 --> 00:08:29,810
hope it's okay that I share this with

159
00:08:34,810 --> 00:08:32,360
our listeners please guys check out the

160
00:08:36,459 --> 00:08:34,820

170

00:09:03,130 --> 00:09:00,230

it for me guys doing the show week to

171

00:09:04,570 --> 00:09:03,140

week the amount of time and effort and

172

00:09:06,790 --> 00:09:04,580

work that goes into it I can't even

173

00:09:08,320 --> 00:09:06,800

begin to tell you but it's because I

174

00:09:10,570 --> 00:09:08,330

with all of you

180

00:09:23,540 --> 00:09:21,510

after receiving things like this that

181

00:09:25,940 --> 00:09:23,550

you spend your hard-earned money on and

182

00:09:28,070 --> 00:09:25,950

your time and talents on as well so

183
