1
00:00:04,400 --> 00:00:02,540
season's greetings everyone I'm Ryan

2
00:00:06,710 --> 00:00:04,410
Sprague the host of the summer in the

3
00:00:09,230 --> 00:00:06,720
skies podcast and at this time of the

4
00:00:11,450 --> 00:00:09,240
year I have a tradition to give to an

5
00:00:14,390 --> 00:00:11,460
organization that I firmly believe in

6
00:00:16,670 --> 00:00:14,400
and that is the women's refugee

7
00:00:18,439 --> 00:00:16,680
Commission the women's refugee

8
00:00:20,900 --> 00:00:18,449
Commission improves the lives and

9
00:00:23,599 --> 00:00:20,910
protects the rights of women children

10
00:00:25,790 --> 00:00:23,609
and youth displaced by conflict and

11
00:00:28,189 --> 00:00:25,800
crisis they research their needs

12
00:00:30,980 --> 00:00:28,199
identify solutions and advocate for

13
00:00:33,139 --> 00:00:30,990

programs and policies to strengthen the

14

00:00:35,389 --> 00:00:33,149

resilience and drive change in

15

00:00:38,389 --> 00:00:35,399

humanitarian practice there are

16

00:00:41,240 --> 00:00:38,399

currently more than 66 million persons

17

00:00:44,540 --> 00:00:41,250

forcibly displaced worldwide so let's

18

00:00:48,350 --> 00:00:44,550

help make change this holiday season for

19

00:00:50,569 --> 00:00:48,360

the entire month of December 50% of new

20

00:00:52,189 --> 00:00:50,579

patreon subscriptions book sales and

21

00:00:54,500 --> 00:00:52,199

sells of any somewhere in the sky's

22

00:00:57,529 --> 00:00:54,510

merchandise will be given to the women's

23

00:00:59,060 --> 00:00:57,539

refugee Commission I'm so excited to

24

00:01:01,369 --> 00:00:59,070

have increased both the percentage and

25

00:01:03,830 --> 00:01:01,379

opportunities to help this amazing

26

00:01:07,160 --> 00:01:03,840

organization and by supporting the show

27

00:01:09,800 --> 00:01:07,170

you will too so head on over to patreon

28

00:01:12,380 --> 00:01:09,810

and become a member at patreon.com slash

29

00:01:14,780 --> 00:01:12,390

summer scotts by the somewhere in the

30

00:01:18,410 --> 00:01:14,790

skies book on Amazon just search for it

31

00:01:20,510 --> 00:01:18,420

by title or by name Ryan Sprague awesome

32

00:01:24,170 --> 00:01:20,520

when the sky's merch is available at T

33

00:01:26,060 --> 00:01:24,180

public comm that's t ee public comm and

34

00:01:28,880 --> 00:01:26,070

search for the summer in the skies store

35

00:01:30,950 --> 00:01:28,890

thank you for helping and i'm wishing

36

00:01:34,340 --> 00:01:30,960

all of you a very happy holiday season

37

00:01:35,640 --> 00:01:34,350

in a bright new year and now on with the

38

00:01:48,200 --> 00:01:35,650

show

39

00:01:52,810 --> 00:01:52,800

this is somewhere in the skies

40

00:02:14,430 --> 00:02:12,230

[Music]

41

00:02:17,430 --> 00:02:14,440

welcome to the somewhere in the skies

42

00:02:20,490 --> 00:02:17,440

and unknown podcast crossover episode

43

00:02:23,190 --> 00:02:20,500

recorded live at alien con Baltimore I

44

00:02:25,620 --> 00:02:23,200

am one of your hosts for today Ryan

45

00:02:28,199 --> 00:02:25,630

Sprague my colleague over at rogue

46

00:02:30,570 --> 00:02:28,209

planet Jason McClellan and I had an

47

00:02:33,030 --> 00:02:30,580

amazing opportunity to record a

48

00:02:35,190 --> 00:02:33,040

crossover episode in front of a live

49

00:02:38,520 --> 00:02:35,200

audience and a link on a few weeks ago

50

00:02:41,400 --> 00:02:38,530

and this was the outcome we discuss our

51
00:02:43,920 --> 00:02:41,410
personal UFO sightings and then audience

52
00:02:46,290 --> 00:02:43,930
members share theirs as well it was a

53
00:02:48,960 --> 00:02:46,300
powerful and insightful discussion

54
00:02:51,390 --> 00:02:48,970
reminiscent of my previous witness

55
00:02:54,180 --> 00:02:51,400
account episodes in the archives

56
00:02:56,460 --> 00:02:54,190
while the UFO investigator or researcher

57
00:02:58,740 --> 00:02:56,470
can relay someone's UFO account to the

58
00:03:00,600 --> 00:02:58,750
best of their abilities it just spells

59
00:03:04,050 --> 00:03:00,610
in comparison to hearing it straight

60
00:03:05,760 --> 00:03:04,060
from a witness's heart and voice so

61
00:03:07,560 --> 00:03:05,770
that's what you're gonna hear today I

62
00:03:13,310 --> 00:03:07,570
hope you enjoy this very special episode

63
00:03:18,570 --> 00:03:15,960

greeting citizens and welcome to this

64
00:03:21,539 --> 00:03:18,580
somewhere in the skies unknown crossover

65
00:03:23,009 --> 00:03:21,549
episode I'm Jason McClellan and Ryan and

66
00:03:26,280 --> 00:03:23,019
I are excited to be recording this

67
00:03:28,680 --> 00:03:26,290
episode live from alien Con Baltimore

68
00:03:31,560 --> 00:03:28,690
and we had the privilege of being joined

69
00:03:37,020 --> 00:03:31,570
today by this awesome audience at alien

70
00:03:40,620 --> 00:03:37,030
Con how are you guys today are you

71
00:03:42,509 --> 00:03:40,630
having fun yet we were so worried about

72
00:03:44,069 --> 00:03:42,519
that being so early in the morning so

73
00:03:46,020 --> 00:03:44,079
thank you this is one of the first

74
00:03:48,030 --> 00:03:46,030
sessions that alien cons so yeah we know

75
00:03:50,280 --> 00:03:48,040
it's it's great for you to be here great

76

00:03:52,140 --> 00:03:50,290

that you have some energy to join us

77

00:03:53,370 --> 00:03:52,150

well what about you Ryan are you having

78

00:03:55,949 --> 00:03:53,380

fun as alien con this isn't your first

79

00:03:58,920 --> 00:03:55,959

car no I did the last event in Pasadena

80

00:04:01,530 --> 00:03:58,930

this past summer which was amazing I had

81

00:04:03,750 --> 00:04:01,540

no idea what to expect as a UFO

82

00:04:06,420 --> 00:04:03,760

researcher you know I watch ancient

83

00:04:08,190 --> 00:04:06,430

aliens I am I'm up with the times with

84

00:04:09,600 --> 00:04:08,200

all that but I had no idea what to

85

00:04:11,789 --> 00:04:09,610

expect and when I got there I was blown

86

00:04:13,170 --> 00:04:11,799

away and that's kind of how I feel today

87

00:04:15,089 --> 00:04:13,180

here on the East Coast where I'm

88

00:04:17,279 --> 00:04:15,099

originally from so it's it's good to be

89

00:04:18,390 --> 00:04:17,289

home it's good to see a lot of familiar

90

00:04:20,939 --> 00:04:18,400

faces new face

91

00:04:22,800 --> 00:04:20,949

is a nun pump men yeah I love events

92

00:04:27,540 --> 00:04:22,810

like this this is my first alien con but

93

00:04:30,390 --> 00:04:27,550

we do a lot of UFO specific events and a

94

00:04:32,430 --> 00:04:30,400

lot of the UFO conferences are largely

95

00:04:35,939 --> 00:04:32,440

academic you know where they're they're

96

00:04:37,830 --> 00:04:35,949

focused on the large speaker component

97

00:04:41,219 --> 00:04:37,840

with lectures and and talks about

98

00:04:42,570 --> 00:04:41,229

various topics related to UFOs and what

99

00:04:44,730 --> 00:04:42,580

I think alien Khan has done really well

100

00:04:46,439 --> 00:04:44,740

with is blend the two types of

101
00:04:48,120 --> 00:04:46,449
conferences that I go to a lot cuz I do

102
00:04:50,550 --> 00:04:48,130
a lot of Comic Cons and things like that

103
00:04:53,580 --> 00:04:50,560
too and taking the two kind of blending

104
00:04:55,140 --> 00:04:53,590
the best of both worlds in a topic so

105
00:04:57,689 --> 00:04:55,150
that Senator on topic that we love yeah

106
00:04:59,520 --> 00:04:57,699
absolutely and bringing a lot of people

107
00:05:01,950 --> 00:04:59,530
together that might normally not we all

108
00:05:03,960 --> 00:05:01,960
have this one sort of interesting

109
00:05:06,180 --> 00:05:03,970
passion in common and that's you know

110
00:05:07,680 --> 00:05:06,190
the question of aliens right right and

111
00:05:09,900 --> 00:05:07,690
you know we're gonna be talking a lot

112
00:05:11,400 --> 00:05:09,910
more about UFOs today absolutely how

113
00:05:13,379 --> 00:05:11,410

they're connected how they may not be

114

00:05:15,390 --> 00:05:13,389

connected stuff like that yeah so let's

115

00:05:18,029 --> 00:05:15,400

get into it so the focus of our episode

116

00:05:19,830 --> 00:05:18,039

today is going to be specifically on UFO

117

00:05:22,409 --> 00:05:19,840

sightings on UFO experiences

118

00:05:25,770 --> 00:05:22,419

extraterrestrial experiences and we're

119

00:05:29,070 --> 00:05:25,780

going to hear some of our experiences

120

00:05:31,409 --> 00:05:29,080

and also some of the experiences of our

121

00:05:33,240 --> 00:05:31,419

attendees here today so I'm excited for

122

00:05:35,790 --> 00:05:33,250

that but let's get started with ours

123

00:05:37,140 --> 00:05:35,800

Ryan why don't you share whatever you

124

00:05:39,779 --> 00:05:37,150

would like to share yeah absolutely I

125

00:05:42,240 --> 00:05:39,789

mean so I feel like a lot of UFO

126

00:05:44,939 --> 00:05:42,250

researchers have that origin story of

127

00:05:47,700 --> 00:05:44,949

how they got involved why they do this

128

00:05:50,070 --> 00:05:47,710

with every free moment they have which

129

00:05:52,560 --> 00:05:50,080

is what we do you know we research study

130

00:05:54,960 --> 00:05:52,570

investigate UFOs every waking moment

131

00:05:59,730 --> 00:05:54,970

when we're not you know paying the bills

132

00:06:01,710 --> 00:05:59,740

and everything so for me I had a UFO

133

00:06:07,439 --> 00:06:01,720

event when I was 12 years old

134

00:06:09,330 --> 00:06:07,449

this happened in 1995 and it was off the

135

00:06:12,899 --> 00:06:09,340

st. Lawrence River if anyone's familiar

136

00:06:15,750 --> 00:06:12,909

this was the border between upstate New

137

00:06:18,960 --> 00:06:15,760

York and Canada and the the river

138

00:06:21,510 --> 00:06:18,970

literally connected the two and I was on

139

00:06:23,219 --> 00:06:21,520

a weekend getaway with my parents to go

140

00:06:26,850 --> 00:06:23,229

fishing and we were staying at a motel

141

00:06:29,700 --> 00:06:26,860

right right on the water and it was late

142

00:06:30,330 --> 00:06:29,710

at night and I was listening to Green

143

00:06:32,280 --> 00:06:30,340

Day

144

00:06:35,550 --> 00:06:32,290

on my discman that brings it back to the

145

00:06:37,920 --> 00:06:35,560

90s and I was just you know casting my

146

00:06:39,780 --> 00:06:37,930

reel out bringing it in Casa no bringing

147

00:06:44,159 --> 00:06:39,790

it in and listening to music and I

148

00:06:45,570 --> 00:06:44,169

noticed three lights in the water and I

149

00:06:47,820 --> 00:06:45,580

thought there was something under the

150

00:06:51,210 --> 00:06:47,830

water so I started like peering over the

151
00:06:53,040 --> 00:06:51,220
edge and I noticed that it was not in

152
00:06:56,850 --> 00:06:53,050
the water it was a reflection

153
00:06:59,370 --> 00:06:56,860
so naturally I look up and above me I

154
00:07:02,219 --> 00:06:59,380
couldn't tell you how high up how close

155
00:07:06,240 --> 00:07:02,229
it was but it was three white lights and

156
00:07:08,940 --> 00:07:06,250
a like a reddish orange basketball

157
00:07:11,700 --> 00:07:08,950
shaped thing in the middle it was in a

158
00:07:13,770 --> 00:07:11,710
triangular formation I did not see a

159
00:07:15,360 --> 00:07:13,780
structure to this thing I didn't see

160
00:07:17,670 --> 00:07:15,370
metal I didn't see anything connecting

161
00:07:19,950 --> 00:07:17,680
it but the lights were stationary they

162
00:07:22,140 --> 00:07:19,960
were floating above me and I could not

163
00:07:24,750 --> 00:07:22,150

see the stars or anything behind it so I

164

00:07:27,029 --> 00:07:24,760

am guessing this was a solid object but

165

00:07:28,529 --> 00:07:27,039

I can't say for sure and it was silent I

166

00:07:30,570 --> 00:07:28,539

didn't hear a thing all I could hear was

167

00:07:33,210 --> 00:07:30,580

the water hitting the dock for us

168

00:07:35,300 --> 00:07:33,220

fishing I flung my headphones off

169

00:07:39,420 --> 00:07:35,310

waiting to hear for some sort of

170

00:07:41,400 --> 00:07:39,430

propulsion nothing I was really scared

171

00:07:44,670 --> 00:07:41,410

this thing was floating silently above

172

00:07:47,490 --> 00:07:44,680

me so I tried to yell for my father who

173

00:07:50,010 --> 00:07:47,500

was inside our motel watching a Yankees

174

00:07:53,640 --> 00:07:50,020

game so I couldn't get him away from the

175

00:07:57,510 --> 00:07:53,650

Hat but I was frozen I could feel like a

176

00:08:00,000 --> 00:07:57,520

vibration from the back of my neck going

177

00:08:02,129 --> 00:08:00,010

down into my chest during all this I

178

00:08:04,070 --> 00:08:02,139

don't know what that was maybe I was

179

00:08:06,570 --> 00:08:04,080

just scared maybe whatever this was was

180

00:08:09,029 --> 00:08:06,580

doing something I don't know but I was

181

00:08:10,650 --> 00:08:09,039

frozen I couldn't talk nothing I finally

182

00:08:14,730 --> 00:08:10,660

was able to get a little squeal out and

183

00:08:16,770 --> 00:08:14,740

my dad runs out and as he's coming out

184

00:08:19,650 --> 00:08:16,780

the thing starts going over the water

185

00:08:22,800 --> 00:08:19,660

towards Canada and disappears out of

186

00:08:24,600 --> 00:08:22,810

sight I don't know if it just went over

187

00:08:26,339 --> 00:08:24,610

the horizon or if it actually went into

188

00:08:28,440 --> 00:08:26,349

the water I couldn't tell you but my

189

00:08:31,469 --> 00:08:28,450

father did see the tail end of this

190

00:08:33,990 --> 00:08:31,479

thing so I knew I wasn't just seeing

191

00:08:35,870 --> 00:08:34,000

things he told me it was a plane just a

192

00:08:38,670 --> 00:08:35,880

plane you know doing his fatherly job

193

00:08:41,700 --> 00:08:38,680

but I knew different I saw it right

194

00:08:45,030 --> 00:08:41,710

above me silent massive

195

00:08:47,070 --> 00:08:45,040

and the next morning we went to the

196

00:08:49,020 --> 00:08:47,080

motel person and said did anyone report

197

00:08:50,760 --> 00:08:49,030

anything weird he said no but we get

198

00:08:52,950 --> 00:08:50,770

stuff like that all the time so that

199

00:08:54,450 --> 00:08:52,960

scared me even more this was not the

200

00:08:58,110 --> 00:08:54,460

first time a UFO had been seen in this

201
00:09:00,750 --> 00:08:58,120
area again I was 12 years old I it was

202
00:09:02,610 --> 00:09:00,760
fear it was just fear I didn't know what

203
00:09:04,530 --> 00:09:02,620
it was and that kind of led to an

204
00:09:08,100 --> 00:09:04,540
obsession I started taking out books at

205
00:09:10,440 --> 00:09:08,110
the library on UFOs and cryptids and all

206
00:09:14,220 --> 00:09:10,450
that good stuff and I would have

207
00:09:15,810 --> 00:09:14,230
nightmares about what I saw and it just

208
00:09:18,300 --> 00:09:15,820
really stuck with me but I wanted to

209
00:09:21,510 --> 00:09:18,310
educate myself and I started getting all

210
00:09:23,610 --> 00:09:21,520
the books and that's kind of my origin

211
00:09:25,770 --> 00:09:23,620
story as it were and that's how I became

212
00:09:28,230 --> 00:09:25,780
a UFO researcher we'll see and that's

213
00:09:30,270 --> 00:09:28,240

that's the cool thing about your origin

214

00:09:33,510 --> 00:09:30,280

story is that it actually is tied to a

215

00:09:37,830 --> 00:09:33,520

sighting yeah so you get to tell both of

216

00:09:41,100 --> 00:09:37,840

yours in the same time always fun oh I

217

00:09:42,990 --> 00:09:41,110

think I'm gonna start just briefly by

218

00:09:44,190 --> 00:09:43,000

mentioning my sighting of the Phoenix

219

00:09:47,220 --> 00:09:44,200

lights you're probably familiar with the

220

00:09:50,760 --> 00:09:47,230

Phoenix lights is a large mass UFO

221

00:09:55,020 --> 00:09:50,770

sighting in Arizona and it was in March

222

00:09:58,760 --> 00:09:55,030

of 1997 I was a 17 year old boy back

223

00:10:02,670 --> 00:09:58,770

then and I grew up in the remote desert

224

00:10:07,410 --> 00:10:02,680

on the outskirts of Phoenix and on that

225

00:10:09,270 --> 00:10:07,420

night I was out forget our property had

226

00:10:11,280 --> 00:10:09,280

like I think our house was on like an

227

00:10:13,260 --> 00:10:11,290

acre or something of nothing but desert

228

00:10:17,400 --> 00:10:13,270

and we had very few neighbors it was

229

00:10:19,320 --> 00:10:17,410

very very remote very very lonely but

230

00:10:23,640 --> 00:10:19,330

that night walking walking around the

231

00:10:25,380 --> 00:10:23,650

property the lights were very hard to

232

00:10:29,430 --> 00:10:25,390

miss we saw a lot of weird things in the

233

00:10:31,830 --> 00:10:29,440

sky all the time and just for fun

234

00:10:33,780 --> 00:10:31,840

sometimes we would go out and watch the

235

00:10:34,710 --> 00:10:33,790

military dropping flares because from

236

00:10:37,020 --> 00:10:34,720

where our house was

237

00:10:39,600 --> 00:10:37,030

we had a clear line of sight to the

238

00:10:41,700 --> 00:10:39,610

Barry Goldwater range where the a-10

239

00:10:44,040 --> 00:10:41,710

frequently dropped the test flares that

240

00:10:47,490 --> 00:10:44,050

were later attributed to the Phoenix

241

00:10:49,230 --> 00:10:47,500

lights but I knew right from the moment

242

00:10:51,090 --> 00:10:49,240

I saw those lights that they were not

243

00:10:53,190 --> 00:10:51,100

military flares I knew that this was

244

00:10:53,920 --> 00:10:53,200

something out of the ordinary something

245

00:10:56,470 --> 00:10:53,930

that

246

00:10:57,730 --> 00:10:56,480

I had never seen before and something

247

00:11:00,970 --> 00:10:57,740

that I should probably pay attention to

248

00:11:03,670 --> 00:11:00,980

so I stared at these lights that were

249

00:11:06,940 --> 00:11:03,680

seemingly directly over my head

250

00:11:10,329 --> 00:11:06,950

a series of seven lights and they were

251
00:11:13,420 --> 00:11:10,339
completely motionless completely silent

252
00:11:15,460 --> 00:11:13,430
and did not change in their formation or

253
00:11:18,880 --> 00:11:15,470
their appearance at all they didn't

254
00:11:21,460 --> 00:11:18,890
flicker or change color they were just a

255
00:11:24,970 --> 00:11:21,470
constant steady series of lights

256
00:11:27,670 --> 00:11:24,980
hovering in the sky now this frustrates

257
00:11:32,650 --> 00:11:27,680
me to no end because of my career now

258
00:11:37,180 --> 00:11:32,660
but as a 17 year old kid my attention

259
00:11:39,730 --> 00:11:37,190
span was very limited and after 15

260
00:11:44,470 --> 00:11:39,740
minutes or so I kind of lost interest

261
00:11:47,560 --> 00:11:44,480
and went back inside did something else

262
00:11:48,760 --> 00:11:47,570
but I came back later probably ten

263
00:11:53,680 --> 00:11:48,770

minutes later the lights were still

264

00:11:57,120 --> 00:11:53,690

there and it gets worse I grabbed our

265

00:12:00,640 --> 00:11:57,130

camcorder and I recorded these lights

266

00:12:02,440 --> 00:12:00,650

for probably 10 minutes I'm pretty sure

267

00:12:06,190 --> 00:12:02,450

that video was recorded over by one of

268

00:12:09,670 --> 00:12:06,200

my brother's soccer games so that that's

269

00:12:12,340 --> 00:12:09,680

haunted me for a while but the Phoenix

270

00:12:14,560 --> 00:12:12,350

lights was was an incredible thing and I

271

00:12:16,420 --> 00:12:14,570

will say that those lights remained out

272

00:12:18,850 --> 00:12:16,430

there and I didn't see them disappear I

273

00:12:22,030 --> 00:12:18,860

don't know how they left but I was aware

274

00:12:25,269 --> 00:12:22,040

that they were there for probably a span

275

00:12:27,730 --> 00:12:25,279

of 45 minutes and I will say recounting

276

00:12:29,949 --> 00:12:27,740

any of my UFO sighting experiences I've

277

00:12:33,519 --> 00:12:29,959

learned over the years and having dealt

278

00:12:35,050 --> 00:12:33,529

with so many experiences from witnesses

279

00:12:35,829 --> 00:12:35,060

and knowing what I know about witness

280

00:12:40,569 --> 00:12:35,839

testimony

281

00:12:43,150 --> 00:12:40,579

valuable valuable I value that probably

282

00:12:46,720 --> 00:12:43,160

over much evidence that there is with

283

00:12:48,640 --> 00:12:46,730

UFO sightings however I do know the

284

00:12:50,620 --> 00:12:48,650

problems with eyewitness testimony

285

00:12:52,690 --> 00:12:50,630

especially with my own I have a terrible

286

00:12:54,730 --> 00:12:52,700

brain and I know thinking back to

287

00:12:58,449 --> 00:12:54,740

something that happened so long ago

288

00:13:00,519 --> 00:12:58,459

I would like to firmly say that oh I

289

00:13:02,230 --> 00:13:00,529

remember there were clearly seven lights

290

00:13:03,940 --> 00:13:02,240

and they clearly did this and I looked

291

00:13:06,910 --> 00:13:03,950

at my watch and it was this time to the

292

00:13:07,630 --> 00:13:06,920

second I have no clue I don't remember

293

00:13:09,400 --> 00:13:07,640

what I had for get

294

00:13:11,800 --> 00:13:09,410

last week let alone you know what

295

00:13:14,590 --> 00:13:11,810

happened to the second on the night so

296

00:13:16,840 --> 00:13:14,600

long ago so I do try to preface my

297

00:13:19,210 --> 00:13:16,850

stories with that saying this is what I

298

00:13:21,490 --> 00:13:19,220

seem to recall is what I think happened

299

00:13:25,450 --> 00:13:21,500

to the best of my recollection but not

300

00:13:27,160 --> 00:13:25,460

100% certain so I try to avoid very firm

301

00:13:29,110 --> 00:13:27,170

details with these stories Phoenix

302

00:13:31,360 --> 00:13:29,120

lights however as incredible as it was

303

00:13:32,980 --> 00:13:31,370

and it became such a monumental case you

304

00:13:35,380 --> 00:13:32,990

know the largest mass sighting in in

305

00:13:38,260 --> 00:13:35,390

modern history wasn't the one that had

306

00:13:39,280 --> 00:13:38,270

the most effect on me and I hate saying

307

00:13:41,890 --> 00:13:39,290

that because it makes me sound like a

308

00:13:43,840 --> 00:13:41,900

jerk but to this point I mean I I've

309

00:13:46,990 --> 00:13:43,850

lost count of how many UFO sightings

310

00:13:49,450 --> 00:13:47,000

I've had and when I say UFO sightings

311

00:13:51,820 --> 00:13:49,460

again this is coming from this

312

00:13:53,320 --> 00:13:51,830

perspective of somebody who is a UFO

313

00:13:55,300 --> 00:13:53,330

researcher and journalist somebody who's

314

00:13:57,910 --> 00:13:55,310

done this professionally I was paid a

315

00:13:59,770 --> 00:13:57,920

salary full time 50 hours a week for a

316

00:14:04,480 --> 00:13:59,780

period of seven years to do nothing but

317

00:14:08,800 --> 00:14:04,490

UFO research so I have reviewed and

318

00:14:11,080 --> 00:14:08,810

analyzed literally thousands of UFO

319

00:14:13,330 --> 00:14:11,090

photos and videos and being a

320

00:14:15,460 --> 00:14:13,340

responsible journalist and researcher I

321

00:14:18,340 --> 00:14:15,470

got pretty darn good at being able to

322

00:14:20,860 --> 00:14:18,350

identify mundane things that they pop up

323

00:14:22,570 --> 00:14:20,870

in a lot of UFO photos and videos to

324

00:14:25,810 --> 00:14:22,580

weed those out and focus on the more

325

00:14:27,940 --> 00:14:25,820

interesting cases so when I talk about

326

00:14:30,130 --> 00:14:27,950

my personal UFO sightings sure I've seen

327

00:14:32,050 --> 00:14:30,140

plenty of junk in the sky because the

328

00:14:33,760 --> 00:14:32,060

sky is littered with with all sorts of

329

00:14:36,280 --> 00:14:33,770

things that we that looks weird to us

330

00:14:39,550 --> 00:14:36,290

but the things based on my experience

331

00:14:42,970 --> 00:14:39,560

that defy explanation that I haven't

332

00:14:45,790 --> 00:14:42,980

been able to put an answer to it's I've

333

00:14:49,210 --> 00:14:45,800

lost count but I see typically it's

334

00:14:50,320 --> 00:14:49,220

about a dozen to this point and again

335

00:14:52,180 --> 00:14:50,330

the Phoenix lights isn't the most

336

00:14:54,250 --> 00:14:52,190

exciting one to me although it's the

337

00:14:56,080 --> 00:14:54,260

most well-known and became this this

338

00:14:58,090 --> 00:14:56,090

giant thing as it should because it's

339

00:15:01,180 --> 00:14:58,100

incredibly important and fascinating I

340

00:15:03,640 --> 00:15:01,190

think my first sighting as a researcher

341

00:15:06,250 --> 00:15:03,650

happened with the aid of night vision

342

00:15:08,620 --> 00:15:06,260

and if you've ever had the ability to

343

00:15:12,130 --> 00:15:08,630

use night vision and go sky watching it

344

00:15:14,590 --> 00:15:12,140

is incredible you see all sorts of stuff

345

00:15:16,960 --> 00:15:14,600

that you have no idea is there and again

346

00:15:19,330 --> 00:15:16,970

a lot of this stuff is normal stuff that

347

00:15:20,170 --> 00:15:19,340

should be there but then there are the

348

00:15:22,590 --> 00:15:20,180

things

349

00:15:25,870 --> 00:15:22,600

that make you scratch your head and

350

00:15:29,130 --> 00:15:25,880

maybe sometimes pee-your-pants but once

351
00:15:31,420 --> 00:15:29,140
they scratch your head for yourself and

352
00:15:34,150 --> 00:15:31,430
yeah one of the one of the first first

353
00:15:38,620 --> 00:15:34,160
times I went to did an outing with with

354
00:15:40,960 --> 00:15:38,630
night vision I did see the objects that

355
00:15:43,090 --> 00:15:40,970
you hear reference so often of things

356
00:15:45,460 --> 00:15:43,100
moving through the sky seemingly like

357
00:15:47,410 --> 00:15:45,470
satellites with a similar behavior and

358
00:15:51,639 --> 00:15:47,420
appearance of a satellite moving through

359
00:15:54,670 --> 00:15:51,649
the sky but then stopping remaining in

360
00:15:56,530 --> 00:15:54,680
that same point and then shooting off in

361
00:15:57,240 --> 00:15:56,540
another direction and disappearing from

362
00:16:01,810 --> 00:15:57,250
sight

363
00:16:04,329 --> 00:16:01,820

those situations just take your breath

364

00:16:07,540 --> 00:16:04,339

away you're all that that can't happen

365

00:16:12,280 --> 00:16:07,550

but it just did so those are some of the

366

00:16:14,889 --> 00:16:12,290

better ones that leave me very excited

367

00:16:17,380 --> 00:16:14,899

and have happened multiple times but

368

00:16:20,079 --> 00:16:17,390

there's been a lot of weird sightings

369

00:16:21,579 --> 00:16:20,089

too I mean they're all weird but you

370

00:16:23,710 --> 00:16:21,589

know Ryan mentioned a triangular shape

371

00:16:27,640 --> 00:16:23,720

that's a probably the most commonly

372

00:16:29,800 --> 00:16:27,650

cited shape today but they run the gamut

373

00:16:31,630 --> 00:16:29,810

they really do and I love the names they

374

00:16:33,460 --> 00:16:31,640

come up with especially in the UK they

375

00:16:35,110 --> 00:16:33,470

have like hamburger shaped UFOs and

376

00:16:37,360 --> 00:16:35,120

things that are great I've never seen a

377

00:16:40,480 --> 00:16:37,370

hamburger shaped UFO but I have seen a

378

00:16:42,699 --> 00:16:40,490

rectangle UFO and that one was was

379

00:16:44,680 --> 00:16:42,709

hovering above the freeway I was driving

380

00:16:46,090 --> 00:16:44,690

down the freeway and saw this object and

381

00:16:49,120 --> 00:16:46,100

it was it was dark so you couldn't

382

00:16:51,519 --> 00:16:49,130

really see or make out shape of an

383

00:16:52,540 --> 00:16:51,529

object until I was directly under it and

384

00:16:54,910 --> 00:16:52,550

I could see that this object was

385

00:16:59,110 --> 00:16:54,920

motionless over the freeway and it was

386

00:17:01,390 --> 00:16:59,120

probably again Who am i but to make this

387

00:17:03,370 --> 00:17:01,400

assessment but I'm guessing it was about

388

00:17:05,559 --> 00:17:03,380

a hundred feet off the ground but

389

00:17:10,090 --> 00:17:05,569

looking up at it as we drove under it

390

00:17:13,720 --> 00:17:10,100

I could see edges and it had lights it

391

00:17:16,270 --> 00:17:13,730

had round big round lights on each edge

392

00:17:20,140 --> 00:17:16,280

of it so it was just a big big rectangle

393

00:17:23,860 --> 00:17:20,150

with two circular lights gigantic craft

394

00:17:25,329 --> 00:17:23,870

just hovering over the freeway and I've

395

00:17:28,030 --> 00:17:25,339

seen those actually a couple of times

396

00:17:30,310 --> 00:17:28,040

you know I've spoken to many witnesses

397

00:17:31,410 --> 00:17:30,320

who've seen very similar craft as well

398

00:17:33,570 --> 00:17:31,420

yeah it

399

00:17:37,080 --> 00:17:33,580

does run the gamut the days of flying

400

00:17:39,660 --> 00:17:37,090

saucers have come and gone I mean that

401
00:17:42,420 --> 00:17:39,670
was a product of its time but we know

402
00:17:44,580 --> 00:17:42,430
now like people are seeing the weirdest

403
00:17:48,420 --> 00:17:44,590
things you can possibly think of some

404
00:17:51,570 --> 00:17:48,430
even seem organic I've come across cases

405
00:17:54,330 --> 00:17:51,580
where people see things like almost

406
00:17:56,820 --> 00:17:54,340
breathing or thriving in the sky like

407
00:17:59,580 --> 00:17:56,830
some sort of biological entity almost

408
00:18:02,310 --> 00:17:59,590
it's very interesting just you know

409
00:18:04,380 --> 00:18:02,320
trying to we we spent so much time

410
00:18:07,410 --> 00:18:04,390
trying to put things in a box but we can

411
00:18:09,480 --> 00:18:07,420
we can't I don't think anyone really can

412
00:18:12,480 --> 00:18:09,490
when it comes to having a UFO sighting

413
00:18:14,820 --> 00:18:12,490

because it is something you've sort of

414

00:18:17,340 --> 00:18:14,830

you've never experienced before you

415

00:18:19,500 --> 00:18:17,350

there's no box to put it in and again I

416

00:18:22,800 --> 00:18:19,510

always try to keep an open mind even if

417

00:18:24,720 --> 00:18:22,810

I think I know an explanation

418

00:18:27,450 --> 00:18:24,730

the most likely explanation for

419

00:18:29,700 --> 00:18:27,460

something that I've seen I know that

420

00:18:32,490 --> 00:18:29,710

that's just one explanation there could

421

00:18:34,260 --> 00:18:32,500

be other possibilities and one of those

422

00:18:36,960 --> 00:18:34,270

you know speaking about the biologic UFO

423

00:18:39,330 --> 00:18:36,970

that's another example of one of the

424

00:18:43,650 --> 00:18:39,340

weird ones that I've seen with a super

425

00:18:46,500 --> 00:18:43,660

crazy high-powered lens in Mexico City I

426

00:18:49,710 --> 00:18:46,510

watched this object seemingly swim

427

00:18:52,170 --> 00:18:49,720

through this guy and looking back at it

428

00:18:55,050 --> 00:18:52,180

now you know it's fully convinced this

429

00:18:56,970 --> 00:18:55,060

wasn't the case then now I as time

430

00:19:00,830 --> 00:18:56,980

passes I consider the possibility more

431

00:19:02,490 --> 00:19:00,840

and more that yeah it was most likely a

432

00:19:04,830 --> 00:19:02,500

researchable in a weather balloon

433

00:19:07,020 --> 00:19:04,840

because they do have this appearance

434

00:19:09,630 --> 00:19:07,030

that had a long tail where the payload

435

00:19:11,730 --> 00:19:09,640

you know is typically suspended from but

436

00:19:14,880 --> 00:19:11,740

when I was there when I was watching

437

00:19:18,420 --> 00:19:14,890

this thing move on the cameras LCD I

438

00:19:21,530 --> 00:19:18,430

could see these motions I could see what

439

00:19:26,220 --> 00:19:21,540

seemed to be intelligent color shifting

440

00:19:28,530 --> 00:19:26,230

it was wild and so I although I do think

441

00:19:31,680 --> 00:19:28,540

it probably was was a weather balloon

442

00:19:34,110 --> 00:19:31,690

and just a result of seeing with it

443

00:19:36,360 --> 00:19:34,120

being so high in the altitude at high

444

00:19:38,460 --> 00:19:36,370

altitude and the Sun was reflecting off

445

00:19:41,850 --> 00:19:38,470

at quite a bit causing these seeming

446

00:19:43,769 --> 00:19:41,860

color changes I still come back to that

447

00:19:45,989 --> 00:19:43,779

possibility based on based on

448

00:19:47,999 --> 00:19:45,999

when I saw I'm open to the possibility

449

00:19:49,950 --> 00:19:48,009

of the biologic UFO yeah yeah well

450

00:19:53,279 --> 00:19:49,960

Roswell was a weather balloon too Jason

451
00:19:55,709 --> 00:19:53,289
yeah right well I think we should

452
00:19:58,320 --> 00:19:55,719
probably open it up to hear some of our

453
00:20:01,919 --> 00:19:58,330
audience's stories here so if you would

454
00:20:04,560 --> 00:20:01,929
like to share a sighting or an encounter

455
00:20:07,139 --> 00:20:04,570
that you may have had please come up to

456
00:20:09,299 --> 00:20:07,149
the microphone and again we'll try to

457
00:20:11,399 --> 00:20:09,309
keep these as brief as possible so we

458
00:20:12,779 --> 00:20:11,409
can allow as many people as possible to

459
00:20:15,089 --> 00:20:12,789
share stories and again you don't have

460
00:20:16,529 --> 00:20:15,099
to share stories you don't have to use

461
00:20:18,979 --> 00:20:16,539
your name you don't have to use your

462
00:20:21,359 --> 00:20:18,989
name again it's not video it's audio and

463
00:20:22,680 --> 00:20:21,369

certainly we'll be around all weekend so

464

00:20:24,180 --> 00:20:22,690

if you'd like to share your stories with

465

00:20:25,829 --> 00:20:24,190

us and not be recorded that's also a

466

00:20:28,589 --> 00:20:25,839

possibility for you later

467

00:20:31,399 --> 00:20:28,599

so we'll keep talking feel free to come

468

00:20:34,709 --> 00:20:31,409

up to the mic and we'll jump to you as

469

00:20:37,169 --> 00:20:34,719

it seems appropriate I want to point out

470

00:20:38,669 --> 00:20:37,179

I'll bring up another sighting I had in

471

00:20:43,079 --> 00:20:38,679

San Diego or actually I was on my way to

472

00:20:45,509 --> 00:20:43,089

San Diego and this is how I get so

473

00:20:47,820 --> 00:20:45,519

frustrated at myself with how lazy and

474

00:20:50,339 --> 00:20:47,830

complacent I've become with with UFO

475

00:20:51,869 --> 00:20:50,349

sightings because I just I don't know

476

00:20:53,940 --> 00:20:51,879

they don't affect me like they used to

477

00:20:55,259 --> 00:20:53,950

and when I I've had a couple of these

478

00:20:58,079 --> 00:20:55,269

sightings where I'm driving and I see

479

00:21:00,209 --> 00:20:58,089

something remarkable and I should pull

480

00:21:01,799 --> 00:21:00,219

over and look at this thing and I even

481

00:21:03,839 --> 00:21:01,809

sometimes have camera equipment in my

482

00:21:05,909 --> 00:21:03,849

car and I don't you know take photos or

483

00:21:06,629 --> 00:21:05,919

video I just keep driving them all oh

484

00:21:09,419 --> 00:21:06,639

that's cool

485

00:21:11,969 --> 00:21:09,429

well that's the biggest issue we run

486

00:21:14,070 --> 00:21:11,979

into with skeptics is why didn't you

487

00:21:15,180 --> 00:21:14,080

record it why don't these people pull

488

00:21:17,669 --> 00:21:15,190

out their cell phone we have the

489

00:21:19,499 --> 00:21:17,679

technology now it's in our pocket every

490

00:21:22,109 --> 00:21:19,509

second why aren't we taking photos and

491

00:21:25,979 --> 00:21:22,119

videos of these things at least from

492

00:21:28,349 --> 00:21:25,989

personal experience I the last thing on

493

00:21:28,739 --> 00:21:28,359

my mind was taking a photo of what I was

494

00:21:33,239 --> 00:21:28,749

seeing

495

00:21:35,639 --> 00:21:33,249

I it's a very personal powerful moment

496

00:21:37,619 --> 00:21:35,649

even if it's a prosaic thing you're

497

00:21:40,129 --> 00:21:37,629

looking at that you later discover was

498

00:21:42,690 --> 00:21:40,139

you know something you misidentified

499

00:21:45,329 --> 00:21:42,700

that moment of seeing something you've

500

00:21:47,399 --> 00:21:45,339

never seen before your total your

501
00:21:49,229 --> 00:21:47,409
reality or perception being a skewed

502
00:21:51,119 --> 00:21:49,239
last thing you're thinking of is oh I

503
00:21:53,759 --> 00:21:51,129
want to I want to post this on YouTube

504
00:21:56,250 --> 00:21:53,769
or Instagram it's just I don't think

505
00:21:58,680 --> 00:21:56,260
that's really yeah that's you're in

506
00:22:00,480 --> 00:21:58,690
at immediate moment like enjoy it for

507
00:22:02,160 --> 00:22:00,490
what it's worth that's that's what I say

508
00:22:03,720 --> 00:22:02,170
does it suck because we don't have

509
00:22:06,420 --> 00:22:03,730
photographic evidence of what you saw

510
00:22:09,840 --> 00:22:06,430
yeah it does but I think UFO sightings

511
00:22:12,030 --> 00:22:09,850
are deeply personal and they impact you

512
00:22:13,680 --> 00:22:12,040
in your own ways however your beliefs

513
00:22:16,080 --> 00:22:13,690

were before that might be shifted

514

00:22:17,280 --> 00:22:16,090

they might not who knows but I know so

515

00:22:18,630 --> 00:22:17,290

many people who are like oh that was

516

00:22:20,700 --> 00:22:18,640

interesting and they went on with their

517

00:22:23,010 --> 00:22:20,710

day yeah well some people it changed

518

00:22:24,150 --> 00:22:23,020

their entire lives yeah so the last one

519

00:22:26,550 --> 00:22:24,160

in San Diego that I should have pulled

520

00:22:29,310 --> 00:22:26,560

over for I was actually going out to to

521

00:22:32,190 --> 00:22:29,320

San Diego to see Tom DeLonge a to the

522

00:22:34,530 --> 00:22:32,200

Stars and I was driving it was it was

523

00:22:37,050 --> 00:22:34,540

very early in the morning I mean very

524

00:22:39,270 --> 00:22:37,060

like probably an hour or two before the

525

00:22:40,830 --> 00:22:39,280

Sun came up so I was still dark driving

526

00:22:44,460 --> 00:22:40,840

on the road only vehicle on the road and

527

00:22:46,380 --> 00:22:44,470

I saw this light ahead it was in the sky

528

00:22:48,540 --> 00:22:46,390

but I couldn't tell how far off the road

529

00:22:51,930 --> 00:22:48,550

it was I assumed that it was an airplane

530

00:22:53,850 --> 00:22:51,940

but as I kept driving it seemed to just

531

00:22:56,040 --> 00:22:53,860

stay in the same place and it was there

532

00:22:58,110 --> 00:22:56,050

for quite a while and I had a clear view

533

00:23:00,990 --> 00:22:58,120

for a very long stretch of nothingness

534

00:23:03,750 --> 00:23:01,000

road and so I just assumed well this

535

00:23:05,760 --> 00:23:03,760

must be a planet then because clearly up

536

00:23:08,070 --> 00:23:05,770

my angle I'm out I can't tell

537

00:23:09,300 --> 00:23:08,080

perspective but it's a planet it hasn't

538

00:23:11,640 --> 00:23:09,310

moved it hasn't changed an appearance

539

00:23:13,800 --> 00:23:11,650

and it's it's pretty prominent so I

540

00:23:16,350 --> 00:23:13,810

think it's a planet as I kept

541

00:23:18,000 --> 00:23:16,360

approaching it was still there that's

542

00:23:19,980 --> 00:23:18,010

all that can't be a planet it's too low

543

00:23:21,480 --> 00:23:19,990

in the sky I kept getting closer and

544

00:23:23,730 --> 00:23:21,490

closer and it stayed in that same spot

545

00:23:25,440 --> 00:23:23,740

it's all wait a second I need to start

546

00:23:26,760 --> 00:23:25,450

paying attention to this so as I got

547

00:23:29,670 --> 00:23:26,770

closer and closer I could tell I was

548

00:23:31,350 --> 00:23:29,680

gonna pass directly under it and if I

549

00:23:34,080 --> 00:23:31,360

did I looked up and there was just a

550

00:23:36,900 --> 00:23:34,090

solid light there in the sky pretty far

551

00:23:39,870 --> 00:23:36,910

up but still quite seemingly large and

552

00:23:42,480 --> 00:23:39,880

bright as I passed it I saw a sign for a

553

00:23:44,850 --> 00:23:42,490

rest area so I took the exit got off at

554

00:23:47,430 --> 00:23:44,860

the rest area got out of my car turned

555

00:23:49,980 --> 00:23:47,440

around I was gone this covers nothing

556

00:23:53,250 --> 00:23:49,990

there yeah welcome to our lives it's

557

00:23:55,350 --> 00:23:53,260

gonna pull over faster yeah yeah hi hi

558

00:23:57,870 --> 00:23:55,360

there I just want to share my story also

559

00:24:00,900 --> 00:23:57,880

I wish I had a closer experience like

560

00:24:03,720 --> 00:24:00,910

you but my friends and I this was back

561

00:24:05,580 --> 00:24:03,730

in the early 90s we were at the

562

00:24:07,860 --> 00:24:05,590

Wachusett reservoir and we were watching

563

00:24:09,060 --> 00:24:07,870

you know the Perseid meteor showers that

564

00:24:11,730 --> 00:24:09,070

night

565

00:24:13,169 --> 00:24:11,740

we were looking up in the sky and you

566

00:24:15,169 --> 00:24:13,179

know fire up everything just looks like

567

00:24:17,669 --> 00:24:15,179

a white dot right those are the stars

568

00:24:21,509 --> 00:24:17,679

then all of a sudden one of those dots

569

00:24:24,600 --> 00:24:21,519

from north to south started jumping down

570

00:24:26,850 --> 00:24:24,610

in a straight line so it wasn't blinking

571

00:24:32,330 --> 00:24:26,860

it was like jumping and then it stopped

572

00:24:35,190 --> 00:24:32,340

and made a perfect 90-degree change to

573

00:24:37,740 --> 00:24:35,200

you know to the east and did the same

574

00:24:40,680 --> 00:24:37,750

thing and then blinked off and I said to

575

00:24:42,149 --> 00:24:40,690

my friends did you see that and they

576

00:24:44,850 --> 00:24:42,159

laughed at me I said what could that

577

00:24:46,889 --> 00:24:44,860

possibly be but it was so far up you

578

00:24:48,960 --> 00:24:46,899

could be you know I start that's what it

579

00:24:51,149 --> 00:24:48,970

looked like but it couldn't have been a

580

00:24:52,680 --> 00:24:51,159

star because stars don't move like that

581

00:24:55,409 --> 00:24:52,690

yeah so we really couldn't figure out

582

00:24:56,220 --> 00:24:55,419

what it was but it was exciting that's

583

00:24:58,619 --> 00:24:56,230

terrific

584

00:25:02,190 --> 00:24:58,629

yeah I mean the the whole stopping and

585

00:25:04,470 --> 00:25:02,200

making a 90-degree turn right to me I

586

00:25:07,230 --> 00:25:04,480

mean no conventional aircraft with a

587

00:25:09,659 --> 00:25:07,240

pilot could survive something like that

588

00:25:11,879 --> 00:25:09,669

and it was so high not like you know

589

00:25:14,820 --> 00:25:11,889

Space Station doesn't do that or

590

00:25:18,240 --> 00:25:14,830

anything like that yeah so you do have

591

00:25:20,730 --> 00:25:18,250

to wonder for sure yeah I mean of course

592

00:25:22,860 --> 00:25:20,740

like you want to jump - it was aliens

593

00:25:25,200 --> 00:25:22,870

but we don't know all right no but at

594

00:25:27,659 --> 00:25:25,210

the same time you have to wonder if it

595

00:25:29,490 --> 00:25:27,669

was fun to see I can my father also

596

00:25:32,249 --> 00:25:29,500

hadn't experienced that he told me about

597

00:25:34,379 --> 00:25:32,259

that was a little closer he was driving

598

00:25:37,619 --> 00:25:34,389

down the street with his wife and off

599

00:25:40,409 --> 00:25:37,629

into the woods he saw these rotating

600

00:25:42,240 --> 00:25:40,419

different colored lights and they both

601
00:25:45,840 --> 00:25:42,250
looked and they saw that it was some

602
00:25:47,789 --> 00:25:45,850
kind of typical round craft that was

603
00:25:49,940 --> 00:25:47,799
just going through the woods following

604
00:25:53,220 --> 00:25:49,950
the road that they were on and

605
00:25:55,139 --> 00:25:53,230
eventually you know got to forested and

606
00:25:56,519 --> 00:25:55,149
he couldn't see it anymore but I wish I

607
00:25:58,289 --> 00:25:56,529
had been there for that one cuz that was

608
00:26:00,570 --> 00:25:58,299
a little bit closer of an encounter and

609
00:26:01,950 --> 00:26:00,580
I didn't you know but yeah I find it

610
00:26:04,830 --> 00:26:01,960
fascinating it's a really fascinating

611
00:26:06,869 --> 00:26:04,840
yeah yeah a lot of people always say

612
00:26:09,149 --> 00:26:06,879
like you know I want to see a UFO I want

613
00:26:10,549 --> 00:26:09,159

to see a UFO you understand that impulse

614

00:26:13,440 --> 00:26:10,559

for sure

615

00:26:15,419 --> 00:26:13,450

I'm happy I saw what I saw

616

00:26:18,180 --> 00:26:15,429

I guess it led me on this path I am

617

00:26:21,090 --> 00:26:18,190

today into this room right now even but

618

00:26:22,770 --> 00:26:21,100

at the same time it was really scary

619

00:26:25,230 --> 00:26:22,780

yeah really scary when you

620

00:26:27,990 --> 00:26:25,240

young like that yeah it's such a young

621

00:26:31,350 --> 00:26:28,000

age yeah it really I wouldn't say

622

00:26:33,390 --> 00:26:31,360

traumatize me but it definitely changed

623

00:26:36,570 --> 00:26:33,400

my perception of the world but you

624

00:26:37,560 --> 00:26:36,580

didn't have missing time correct that's

625

00:26:41,580 --> 00:26:37,570

a tough one

626

00:26:44,660 --> 00:26:41,590

I had what many have coined the odds

627

00:26:47,130 --> 00:26:44,670

factor occur when I had my sighting this

628

00:26:49,620 --> 00:26:47,140

feeling of everything slowing down

629

00:26:51,360 --> 00:26:49,630

around you and your senses are just

630

00:26:53,580 --> 00:26:51,370

going all over the place like I said I

631

00:26:57,420 --> 00:26:53,590

had this weird vibration going through

632

00:26:59,850 --> 00:26:57,430

my body and just everything seemed to be

633

00:27:02,280 --> 00:26:59,860

blurry and going in slow motion

634

00:27:04,170 --> 00:27:02,290

you know I when I finally did yell for

635

00:27:06,570 --> 00:27:04,180

my dad to come out like it felt like

636

00:27:08,700 --> 00:27:06,580

forever when in reality it was probably

637

00:27:10,590 --> 00:27:08,710

just like that I don't know I don't know

638

00:27:12,450 --> 00:27:10,600

how long the event lasted to be

639

00:27:15,090 --> 00:27:12,460

completely honest memory is available at

640

00:27:17,220 --> 00:27:15,100

times what I remember most is how I felt

641

00:27:19,260 --> 00:27:17,230

and I think that's the same for a lot of

642

00:27:20,820 --> 00:27:19,270

people like they they grab on to that

643

00:27:23,550 --> 00:27:20,830

one thing they know best and that's how

644

00:27:25,950 --> 00:27:23,560

they feel during something not how high

645

00:27:27,510 --> 00:27:25,960

up was it how big was it yeah those

646

00:27:29,850 --> 00:27:27,520

things are great and we would love those

647

00:27:31,320 --> 00:27:29,860

as investigators and if we can narrow in

648

00:27:33,360 --> 00:27:31,330

we can try to figure out what it was but

649

00:27:35,430 --> 00:27:33,370

at the same time whatever you saw that

650

00:27:38,220 --> 00:27:35,440

night and whatever your father saw like

651
00:27:40,440 --> 00:27:38,230
that's for you right for you thank you

652
00:27:42,870 --> 00:27:40,450
yeah thank you for sharing yeah I will

653
00:27:45,030 --> 00:27:42,880
say that you touched on it a lot of

654
00:27:47,670 --> 00:27:45,040
people ask us how do i how do I see a

655
00:27:49,890 --> 00:27:47,680
UFO where do I goes go to see a UFO it's

656
00:27:52,770 --> 00:27:49,900
something that a lot of people ask and I

657
00:27:54,720 --> 00:27:52,780
mean sadly or maybe not so sadly that

658
00:27:57,470 --> 00:27:54,730
there is no magic formula to seeing UFO

659
00:28:01,560 --> 00:27:57,480
but what I always tell people is just

660
00:28:03,510 --> 00:28:01,570
look up if you invest the time you'll

661
00:28:05,460 --> 00:28:03,520
probably see something because there's a

662
00:28:09,180 --> 00:28:05,470
lot of stuff up there all the time day

663
00:28:11,070 --> 00:28:09,190

or night so this guy watching isn't for

664

00:28:13,470 --> 00:28:11,080

everybody it can be incredibly boring

665

00:28:16,410 --> 00:28:13,480

because it's a lot of time where a lot

666

00:28:18,960 --> 00:28:16,420

of nothing is happening but the times

667

00:28:21,630 --> 00:28:18,970

I've gone and really spent full nights

668

00:28:24,090 --> 00:28:21,640

staring at the sky you see some of the

669

00:28:26,370 --> 00:28:24,100

greatest stuff even if it's not alien

670

00:28:28,500 --> 00:28:26,380

the things the natural things going on

671

00:28:30,720 --> 00:28:28,510

in our world are just as exciting that

672

00:28:32,549 --> 00:28:30,730

are up there it's it's astounding hi

673

00:28:35,610 --> 00:28:32,559

hello

674

00:28:38,970 --> 00:28:35,620

this was in the 90s I was visiting a

675

00:28:42,419 --> 00:28:38,980

friend in Pagosa Springs Colorado

676
00:28:45,090 --> 00:28:42,429
right in here dulce Mexico so there's a

677
00:28:47,879 --> 00:28:45,100
lot of activity I hear around there so I

678
00:28:50,730 --> 00:28:47,889
was had been interested in UFOs and I

679
00:28:52,529 --> 00:28:50,740
was visiting her going and we I got

680
00:28:56,190 --> 00:28:52,539
there a little late it was dark at that

681
00:28:59,610 --> 00:28:56,200
time and we went out on her deck had a

682
00:29:02,549 --> 00:28:59,620
great view so I I sort of I saw some

683
00:29:07,859 --> 00:29:02,559
planes coming in from the left very long

684
00:29:08,820 --> 00:29:07,869
view and so I I said hi hey just joking

685
00:29:10,619 --> 00:29:08,830
Wow

686
00:29:11,909 --> 00:29:10,629
two planes turned into about eight them

687
00:29:15,570 --> 00:29:11,919
being Bing Bing Bing Bing Bing Bing

688
00:29:20,580 --> 00:29:15,580

as if they answered me mm-hmm here's a

689

00:29:22,730 --> 00:29:20,590

hi Wow Wow interesting

690

00:29:25,859 --> 00:29:22,740

have you tried have you tried that again

691

00:29:27,989 --> 00:29:25,869

to go back to well to go back to and

692

00:29:31,950 --> 00:29:27,999

there must be some familiarity with me

693

00:29:35,249 --> 00:29:31,960

of me because this wasn't a sighting but

694

00:29:38,820 --> 00:29:35,259

this had to do with totally inexplicable

695

00:29:43,619 --> 00:29:38,830

and yes lickable when I was I'm a twin

696

00:29:46,619 --> 00:29:43,629

they liked it study twins I gather and I

697

00:29:50,820 --> 00:29:46,629

must have been about six five six years

698

00:29:56,269 --> 00:29:50,830

old in Indiana used to like to watch for

699

00:30:01,259 --> 00:29:56,279

whatever reason the stars at night and

700

00:30:04,080 --> 00:30:01,269

the Venus Venus I was just fascinated I

701
00:30:05,369 --> 00:30:04,090
was watching every night well and it

702
00:30:07,049 --> 00:30:05,379
must been earlier than that because I

703
00:30:09,450 --> 00:30:07,059
was still in diapers I guess must be

704
00:30:11,700 --> 00:30:09,460
earlier but maybe that's why later

705
00:30:14,789 --> 00:30:11,710
I was watching Venus having forgotten

706
00:30:17,039 --> 00:30:14,799
about this very small me and my twin

707
00:30:21,409 --> 00:30:17,049
brother in Indiana were found outside

708
00:30:24,930 --> 00:30:21,419
all the windows closed in the morning

709
00:30:28,769 --> 00:30:24,940
wandering around in our diapers doors

710
00:30:30,899 --> 00:30:28,779
closed windows closed that was

711
00:30:35,039 --> 00:30:30,909
interesting mom told us about it I don't

712
00:30:38,399 --> 00:30:35,049
remember specifically and then very

713
00:30:41,930 --> 00:30:38,409

shortly after that during the summer we

714

00:30:45,130 --> 00:30:41,940

would have simultaneous bleeding noses

715

00:30:47,240 --> 00:30:45,140

well duh

716

00:30:49,760 --> 00:30:47,250

something's happening there we didn't

717

00:30:52,760 --> 00:30:49,770

think anything of it Oh Glenn has a has

718

00:30:55,640 --> 00:30:52,770

a bleeding nose oh you do too in

719

00:30:58,700 --> 00:30:55,650

separate bedrooms you know uh so that

720

00:31:00,800 --> 00:30:58,710

may have been some early connection but

721

00:31:03,230 --> 00:31:00,810

it wasn't a visual other than I was

722

00:31:04,970 --> 00:31:03,240

looking at the Stars and and then in

723

00:31:07,700 --> 00:31:04,980

another interesting thing that when you

724

00:31:10,100 --> 00:31:07,710

think about it I had this big fear of

725

00:31:12,260 --> 00:31:10,110

being I didn't have the word abducted

726

00:31:15,230 --> 00:31:12,270

did not have that or kidnapped or

727

00:31:19,490 --> 00:31:15,240

anything but I just knew that I didn't

728

00:31:21,980 --> 00:31:19,500

want to be taken away and I and that

729

00:31:24,560 --> 00:31:21,990

would you that the thing under the under

730

00:31:27,470 --> 00:31:24,570

the the bad bad guy under the bed kind

731

00:31:31,310 --> 00:31:27,480

of thing or a closet no I was apparently

732

00:31:34,790 --> 00:31:31,320

very rather courageous because I got up

733

00:31:38,150 --> 00:31:34,800

and looked in that closet just to prove

734

00:31:40,460 --> 00:31:38,160

my brother wrong and let me see it's a

735

00:31:42,980 --> 00:31:40,470

lot it's a lot these things are very

736

00:31:45,200 --> 00:31:42,990

rarely chronological they're messy

737

00:31:48,950 --> 00:31:45,210

they're again there's snippets of things

738

00:31:51,950 --> 00:31:48,960

that we sometimes try to push down or

739

00:31:53,300 --> 00:31:51,960

don't want to remember but yeah that's

740

00:31:56,780 --> 00:31:53,310

all very interesting

741

00:31:59,260 --> 00:31:56,790

yeah old nose bloody nose thing we come

742

00:32:01,460 --> 00:31:59,270

across that a lot in researching the

743

00:32:06,940 --> 00:32:01,470

quote-unquote abduction phenomenon

744

00:32:09,800 --> 00:32:06,950

thanks for filling in yeah I I saw a

745

00:32:12,950 --> 00:32:09,810

cartoon because I was really worried

746

00:32:17,600 --> 00:32:12,960

about being taken away no no my had saw

747

00:32:20,900 --> 00:32:17,610

this cartoon of a teddy bear that that

748

00:32:23,060 --> 00:32:20,910

was a paper cartoon teddy bear and the

749

00:32:24,950 --> 00:32:23,070

teddy bear some bad people were gonna

750

00:32:28,220 --> 00:32:24,960

take these people that teddy bear became

751

00:32:31,400 --> 00:32:28,230

a big bear and protected her I that was

752

00:32:33,170 --> 00:32:31,410

very that was helped I thought I thought

753

00:32:34,820 --> 00:32:33,180

of a teddy bear every time that would

754

00:32:36,590 --> 00:32:34,830

grow into a grizzly bear and those

755

00:32:38,870 --> 00:32:36,600

children were not being taken away

756

00:32:41,450 --> 00:32:38,880

through they were kidnappers I had a

757

00:32:43,550 --> 00:32:41,460

word for it then so I there you go

758

00:32:45,530 --> 00:32:43,560

that's those are some experiences of

759

00:32:48,360 --> 00:32:45,540

mind wanders thank you thank you so much

760

00:32:51,399 --> 00:32:48,370

very much welcome appreciate that

761

00:32:53,649 --> 00:32:51,409

hey I'll make this quick

762

00:32:57,220 --> 00:32:53,659

I live New Jersey by Fort Dix for

763

00:32:58,930 --> 00:32:57,230

McGuire for Lakehurst Naval Station are

764

00:33:00,789 --> 00:32:58,940

all together right I'm sure you heard

765

00:33:04,360 --> 00:33:00,799

about the alien getting killed in Fort

766

00:33:06,370 --> 00:33:04,370

Dix way back and stuff this was back in

767

00:33:09,039 --> 00:33:06,380

August this year this would led me here

768

00:33:10,629 --> 00:33:09,049

as my first UFO conference ever I went

769

00:33:13,690 --> 00:33:10,639

outside of my mother's house right

770

00:33:15,730 --> 00:33:13,700

talking on the phone is a little woods a

771

00:33:17,830 --> 00:33:15,740

service road and in this big garden

772

00:33:19,690 --> 00:33:17,840

parking lot power lines in front of me I

773

00:33:22,029 --> 00:33:19,700

walk out there talking to my cousin

774

00:33:23,470 --> 00:33:22,039

looking up I think at 8:10 a movie was

775

00:33:25,539 --> 00:33:23,480

coming on so it ate a cloud knew I had

776

00:33:27,369 --> 00:33:25,549

like 10 minutes I look up and you see a

777

00:33:30,100 --> 00:33:27,379

plane flying in the air and I look over

778

00:33:31,330 --> 00:33:30,110

to the left and a lane approaching and I

779

00:33:32,889 --> 00:33:31,340

remember whatever she was saying I'm

780

00:33:34,899 --> 00:33:32,899

like wow I said this thing's like really

781

00:33:36,730 --> 00:33:34,909

bright you know and she's like maybe

782

00:33:38,680 --> 00:33:36,740

it's a you have fun we laughed and when

783

00:33:41,049 --> 00:33:38,690

I took a step back I remember the power

784

00:33:43,119 --> 00:33:41,059

lines two plane moves under it because

785

00:33:46,419 --> 00:33:43,129

my head moves well this light like

786

00:33:47,799 --> 00:33:46,429

almost followed my head and I'm laugh-in

787

00:33:49,330 --> 00:33:47,809

I'm joking and this thing started

788

00:33:51,399 --> 00:33:49,340

getting closer and closer now my my

789

00:33:53,440 --> 00:33:51,409

heart started pounding and I'm saying

790

00:33:55,240 --> 00:33:53,450

this can't be happening so instead of

791

00:33:56,710 --> 00:33:55,250

running like I was I stopped they said

792

00:33:58,330 --> 00:33:56,720

let's see if it's really coming after me

793

00:34:00,700 --> 00:33:58,340

and this thing was coming straight over

794

00:34:02,230 --> 00:34:00,710

me so now I ran when I got to the

795

00:34:04,360 --> 00:34:02,240

beginning of the trail I looked up and

796

00:34:06,549 --> 00:34:04,370

it was gone I don't know what made me

797

00:34:09,129 --> 00:34:06,559

look up but about 200 feet over my head

798

00:34:10,869 --> 00:34:09,139

was a ball of light and you can see

799

00:34:13,599 --> 00:34:10,879

something moving in it I entered a

800

00:34:16,930 --> 00:34:13,609

completely different level of fear and I

801
00:34:18,609 --> 00:34:16,940
took off what you said before brought

802
00:34:20,559 --> 00:34:18,619
probably after two steps I felt like

803
00:34:23,559 --> 00:34:20,569
somebody poured cement on me and I could

804
00:34:25,540 --> 00:34:23,569
barely get to the garage I was dragging

805
00:34:27,669 --> 00:34:25,550
my feet across the sidewalk as I was

806
00:34:29,680 --> 00:34:27,679
trying to like run in and when I got

807
00:34:32,139 --> 00:34:29,690
into the garage about a 2 or 3 feet it I

808
00:34:35,050 --> 00:34:32,149
felt like I got everything back hmm fell

809
00:34:37,809 --> 00:34:35,060
on the ground got up ran in the house my

810
00:34:40,480 --> 00:34:37,819
mother sees me all in a panic I don't

811
00:34:42,520 --> 00:34:40,490
know what to say you know I'm looking

812
00:34:44,770 --> 00:34:42,530
out the windows and everything and then

813
00:34:47,260 --> 00:34:44,780

she's like I thought you'd be back

814

00:34:48,940 --> 00:34:47,270

earlier that's what you mean now I hear

815

00:34:50,139 --> 00:34:48,950

the phone ring and it's my phone I don't

816

00:34:52,930 --> 00:34:50,149

have an arm you know it's in the garage

817

00:34:54,940 --> 00:34:52,940

I go it's under my mother's truck I pick

818

00:34:56,109 --> 00:34:54,950

it up and she's like what's all the

819

00:34:58,240 --> 00:34:56,119

commotion out there and everything

820

00:34:59,740 --> 00:34:58,250

there's helicopters flying in back

821

00:34:59,950 --> 00:34:59,750

around everything and then it dawned on

822

00:35:01,560 --> 00:34:59,960

me

823

00:35:04,950 --> 00:35:01,570

it was pitch black out

824

00:35:08,040 --> 00:35:04,960

50 47 minutes of my life was gone

825

00:35:09,920 --> 00:35:08,050

ran off the clock the question halfway

826

00:35:11,460 --> 00:35:09,930

is people told me you should go to hip

827

00:35:12,660 --> 00:35:11,470

hypnotherapy or something but other

828

00:35:14,010 --> 00:35:12,670

people tell me not it's like I don't

829

00:35:15,870 --> 00:35:14,020

know whether I want to know what

830

00:35:18,330 --> 00:35:15,880

happened because it blows me away that I

831

00:35:22,500 --> 00:35:18,340

can remember every second from when I

832

00:35:24,930 --> 00:35:22,510

seen it to the garage but 47 minutes ran

833

00:35:26,880 --> 00:35:24,940

off the clock oh yeah incredible but if

834

00:35:28,230 --> 00:35:26,890

you recommend it I don't know still like

835

00:35:30,180 --> 00:35:28,240

up in the air if I even want to know

836

00:35:32,430 --> 00:35:30,190

what happened I never say UFO before I

837

00:35:33,960 --> 00:35:32,440

don't even know what this thing was but

838

00:35:35,190 --> 00:35:33,970

wow that's my story

839

00:35:37,920 --> 00:35:35,200

that's incredible thank you for sharing

840

00:35:42,540 --> 00:35:37,930

in it I will just add in terms of

841

00:35:45,290 --> 00:35:42,550

hypnotherapy it's tough it's I think

842

00:35:47,850 --> 00:35:45,300

again it's up to the individual I don't

843

00:35:50,160 --> 00:35:47,860

promote it I also don't condemn it by

844

00:35:52,740 --> 00:35:50,170

any means if you wanted if you if that's

845

00:35:55,650 --> 00:35:52,750

something you want to do to try to get

846

00:35:57,840 --> 00:35:55,660

some stuff out I say go for it but at

847

00:36:00,450 --> 00:35:57,850

the same time it's hard it's hard

848

00:36:02,640 --> 00:36:00,460

because you have to trust the person

849

00:36:04,710 --> 00:36:02,650

you're going to you have to make sure

850

00:36:06,900 --> 00:36:04,720

that there's no sort of contamination or

851

00:36:10,410 --> 00:36:06,910

leading questions when it comes to all

852

00:36:13,980 --> 00:36:10,420

that and it also if you want to remember

853

00:36:15,450 --> 00:36:13,990

what happened is another big one if your

854

00:36:18,600 --> 00:36:15,460

cook if you're good with what you

855

00:36:21,080 --> 00:36:18,610

remember I say that's enough for me that

856

00:36:25,020 --> 00:36:21,090

that event clearly had an impact on you

857

00:36:27,600 --> 00:36:25,030

and I say run with that not to make

858

00:36:32,340 --> 00:36:27,610

light of any any situation like that but

859

00:36:36,300 --> 00:36:32,350

you know I certainly been told by many

860

00:36:41,670 --> 00:36:36,310

many many people over the years at UFO

861

00:36:45,570 --> 00:36:41,680

conferences that they can fill in blanks

862

00:36:48,060 --> 00:36:45,580

for me and they have they're happy to

863

00:36:50,160 --> 00:36:48,070

and and have informed me that I'm a

864

00:36:52,080 --> 00:36:50,170

collaborator collaborator with

865

00:36:53,700 --> 00:36:52,090

extraterrestrials and they've been

866

00:36:55,560 --> 00:36:53,710

aboard the same ships I have and I've

867

00:36:58,500 --> 00:36:55,570

been been a commander aboard a ship and

868

00:37:00,180 --> 00:36:58,510

and they were taken the same night I was

869

00:37:02,490 --> 00:37:00,190

there and they saw me working with the

870

00:37:06,000 --> 00:37:02,500

extraterrestrials so I've heard that

871

00:37:07,950 --> 00:37:06,010

story multiple times so I hear it

872

00:37:11,220 --> 00:37:07,960

without going to hypnotherapist I know a

873

00:37:12,960 --> 00:37:11,230

lot of hypnotherapist Yvonne Smith is a

874

00:37:14,370 --> 00:37:12,970

is a good one I would recommend if

875

00:37:17,860 --> 00:37:14,380

you're looking for something like that

876

00:37:20,520 --> 00:37:17,870

but I don't know I would take it with a

877

00:37:23,890 --> 00:37:20,530

grain of salt yeah go to an actual

878

00:37:26,530 --> 00:37:23,900

therapist too if you know does good work

879

00:37:29,110 --> 00:37:26,540

yeah yeah if someone who's completely

880

00:37:31,690 --> 00:37:29,120

disconnected from the UFO topic might be

881

00:37:33,880 --> 00:37:31,700

a good choice or again yeah deal with it

882

00:37:39,220 --> 00:37:33,890

on your own terms I guess yeah that's

883

00:37:42,600 --> 00:37:39,230

right yeah it's a good advice no this

884

00:37:46,030 --> 00:37:42,610

this happened about three years ago and

885

00:37:49,480 --> 00:37:46,040

in Ashburn Virginia it's not too far

886

00:37:52,000 --> 00:37:49,490

from Dulles Airport and this was at

887

00:37:54,280 --> 00:37:52,010

nighttime about 8:30 or so I was picking

888

00:37:56,350 --> 00:37:54,290

my daughter up from work and I just

889

00:37:57,820 --> 00:37:56,360

always have a habit of just looking up

890

00:38:03,760 --> 00:37:57,830

at night I don't know why I just always

891

00:38:06,640 --> 00:38:03,770

do and I noticed 12 objects in the sky

892

00:38:08,880 --> 00:38:06,650

and I was like okay this is kind of

893

00:38:11,380 --> 00:38:08,890

strange because there were 12

894

00:38:13,540 --> 00:38:11,390

let's say flying saucers but like 12

895

00:38:16,150 --> 00:38:13,550

disc-like objects and they were all kind

896

00:38:19,090 --> 00:38:16,160

of bunched together and they had like it

897

00:38:21,610 --> 00:38:19,100

was like red white and green lights and

898

00:38:24,070 --> 00:38:21,620

they were traveling as a bunch and I

899

00:38:26,380 --> 00:38:24,080

told my kids I had my kids in the car

900

00:38:29,260 --> 00:38:26,390

I was like look you know look what is

901
00:38:31,750 --> 00:38:29,270
that and they're like oh no and so we

902
00:38:33,340 --> 00:38:31,760
watched him for a minute and as I was

903
00:38:36,310 --> 00:38:33,350
driving I kept looking I'm like what's

904
00:38:39,400 --> 00:38:36,320
going on and then all of a sudden it was

905
00:38:41,380 --> 00:38:39,410
like there was a sudden drop and then

906
00:38:44,530 --> 00:38:41,390
they darted off in different directions

907
00:38:46,240 --> 00:38:44,540
quickly and I've never seen anything

908
00:38:48,220 --> 00:38:46,250
like that I'm like planes don't travel

909
00:38:50,650 --> 00:38:48,230
like that and planes wouldn't you know

910
00:38:54,400 --> 00:38:50,660
do what what I saw like what in the

911
00:38:56,080 --> 00:38:54,410
world is that and we were as I was

912
00:38:57,730 --> 00:38:56,090
driving I was like oh my goodness I'm so

913
00:38:59,170 --> 00:38:57,740

scared I just want to hurry up and get

914

00:39:00,790 --> 00:38:59,180

in my house because I didn't know what

915

00:39:02,290 --> 00:39:00,800

was going on I called my husband at work

916

00:39:03,760 --> 00:39:02,300

he thought I was crazy I'm like there's

917

00:39:04,960 --> 00:39:03,770

something going on in the sky I don't

918

00:39:07,920 --> 00:39:04,970

know if you don't hear from me again

919

00:39:12,930 --> 00:39:11,279

and and I told some of my co-workers and

920

00:39:14,400 --> 00:39:12,940

stuff the next day what I saw and

921

00:39:16,259 --> 00:39:14,410

everybody's like oh you're crazy you're

922

00:39:18,839 --> 00:39:16,269

crazy is nothing and you know and we're

923

00:39:21,180 --> 00:39:18,849

so close to Dulles it was planes like no

924

00:39:22,829 --> 00:39:21,190

it's not planes and I have a cousin

925

00:39:24,269 --> 00:39:22,839

who's a pilot and I was telling him

926

00:39:26,400 --> 00:39:24,279

about it he's like no planes don't act

927

00:39:29,789 --> 00:39:26,410

like that so I don't know what it was

928

00:39:33,299 --> 00:39:29,799

but it really scared me yeah it's I feel

929

00:39:35,309 --> 00:39:33,309

like it's in our nature to have that

930

00:39:36,690 --> 00:39:35,319

defense first you know we see something

931

00:39:39,239 --> 00:39:36,700

we don't know what it is we can't

932

00:39:41,220 --> 00:39:39,249

explain it's gonna be a threat possibly

933

00:39:43,230 --> 00:39:41,230

a threat you know whereas some people

934

00:39:45,630 --> 00:39:43,240

you know like someone like Travis Walton

935

00:39:47,039 --> 00:39:45,640

saw a UFO knows like I'm gonna go I'm

936

00:39:49,109 --> 00:39:47,049

gonna go out and I want to see what's

937

00:39:51,660 --> 00:39:49,119

going on with this thing so those are

938

00:39:54,150 --> 00:39:51,670

rare occasions that would say well that

939

00:39:56,160 --> 00:39:54,160

wonder all an excitement is over it was

940

00:39:57,690 --> 00:39:56,170

just it was scary and I guess what

941

00:39:59,910 --> 00:39:57,700

really scare me is the fact there were

942

00:40:02,160 --> 00:39:59,920

so many of them because I I stopped

943

00:40:03,839 --> 00:40:02,170

counting at 12 there may have been more

944

00:40:05,519 --> 00:40:03,849

than that but the fact that they were

945

00:40:07,109 --> 00:40:05,529

just you know they were all kind of

946

00:40:09,329 --> 00:40:07,119

traveling together for a minute and they

947

00:40:11,489 --> 00:40:09,339

just darted I mean like a sudden drop

948

00:40:13,319 --> 00:40:11,499

almost and then this one went here and

949

00:40:17,489 --> 00:40:13,329

this one I mean this in different

950

00:40:21,269 --> 00:40:17,499

directions quickly interesting Wow thank

951

00:40:24,229 --> 00:40:21,279

you thank you it was how common UFOs are

952

00:40:26,640 --> 00:40:24,239

I mean they're seen every day by people

953

00:40:28,849 --> 00:40:26,650

all over the world you know it's

954

00:40:31,799 --> 00:40:28,859

fascinating and and sad that we still

955

00:40:34,769 --> 00:40:31,809

have to deal with the ridicule factor

956

00:40:36,299 --> 00:40:34,779

it's still so strong I mean you know I'm

957

00:40:38,489 --> 00:40:36,309

sure many of us have had that reaction

958

00:40:40,009 --> 00:40:38,499

and were telling telling people a story

959

00:40:42,239 --> 00:40:40,019

or something that happened to us and

960

00:40:44,339 --> 00:40:42,249

getting that getting that laugh getting

961

00:40:47,150 --> 00:40:44,349

the ridicule I have lost so many second

962

00:40:48,680 --> 00:40:47,160

dates bringing up this topic

963

00:40:50,510 --> 00:40:48,690

it's a good way to weed out a date

964

00:40:52,730 --> 00:40:50,520

though it is it's true it really is a

965

00:40:56,180 --> 00:40:52,740

good filtering mechanism I guess for

966

00:41:00,290 --> 00:40:56,190

sure I mind it's more of an experience

967

00:41:03,350 --> 00:41:00,300

that I can't explain I'm a few decades

968

00:41:05,300 --> 00:41:03,360

older than you guys but this first part

969

00:41:07,760 --> 00:41:05,310

of this that happened in the 50s and

970

00:41:09,800 --> 00:41:07,770

unlike most people I can remember my

971

00:41:12,650 --> 00:41:09,810

childhood very vividly and I was very

972

00:41:14,450 --> 00:41:12,660

precocious and active walked at 7 months

973

00:41:16,340 --> 00:41:14,460

started knocking things off the top of

974

00:41:20,060 --> 00:41:16,350

the refrigerator by climbing up right

975

00:41:22,910 --> 00:41:20,070

after that so I was about 2 and we were

976

00:41:25,070 --> 00:41:22,920

traveling through Missouri and I heard

977

00:41:27,170 --> 00:41:25,080

Mike was in the backseat and I heard my

978

00:41:30,140 --> 00:41:27,180

father say look at that look at that

979

00:41:32,600 --> 00:41:30,150

and he says what is that and he and my

980

00:41:34,730 --> 00:41:32,610

mother got out they stopped the car and

981

00:41:36,050 --> 00:41:34,740

got out to look at whatever it was and I

982

00:41:37,580 --> 00:41:36,060

thought well I want to see it too you

983

00:41:39,890 --> 00:41:37,590

know i'm miss rambunctious i got to be

984

00:41:41,810 --> 00:41:39,900

in everything but the whole time I felt

985

00:41:44,480 --> 00:41:41,820

like something was pressing me down on

986

00:41:47,930 --> 00:41:44,490

the back seat and I couldn't get up and

987

00:41:50,570 --> 00:41:47,940

then I went to sleep now jump for it a

988

00:41:52,850 --> 00:41:50,580

couple of years I lived in very isolated

989

00:41:55,760 --> 00:41:52,860

areas we didn't have a television I had

990

00:41:57,620 --> 00:41:55,770

no exposure to anything that would be

991

00:41:59,510 --> 00:41:57,630

considered science fiction or anything

992

00:42:02,750 --> 00:41:59,520

else although I think my father had

993

00:42:05,780 --> 00:42:02,760

taken some astronomy at pH D so that was

994

00:42:08,870 --> 00:42:05,790

one of the courses he took but when I

995

00:42:12,110 --> 00:42:08,880

was 5 I had this really vivid dream I

996

00:42:14,570 --> 00:42:12,120

can still visualize it and it was

997

00:42:16,670 --> 00:42:14,580

something I couldn't understand and I

998

00:42:18,350 --> 00:42:16,680

didn't have the vocabulary to explain it

999

00:42:20,950 --> 00:42:18,360

which you know makes me feel a little

1000

00:42:23,600 --> 00:42:20,960

bit sympathetic towards the stories of

1001
00:42:25,250 --> 00:42:23,610
encounters from the Bible and whatnot

1002
00:42:27,830 --> 00:42:25,260
because they didn't have the technical

1003
00:42:30,050 --> 00:42:27,840
language either but I tried to tell my

1004
00:42:32,470 --> 00:42:30,060
father about it after I woke up and I'm

1005
00:42:34,940 --> 00:42:32,480
giving him these detailed and you know

1006
00:42:38,770 --> 00:42:34,950
descriptions and he kind of teared up

1007
00:42:42,530 --> 00:42:38,780
pieces what you just described was a

1008
00:42:44,480 --> 00:42:42,540
spaceship going around Mars and the two

1009
00:42:47,480 --> 00:42:44,490
smaller items were Phobos and Deimos

1010
00:42:49,720 --> 00:42:47,490
which are the moons I had never heard of

1011
00:42:53,890 --> 00:42:49,730
anything like that but it was just

1012
00:42:56,630 --> 00:42:53,900
really vivid so I don't know if some

1013
00:42:58,570 --> 00:42:56,640

information was implanted or how that

1014

00:43:00,880 --> 00:42:58,580

would have come about but that's

1015

00:43:03,510 --> 00:43:00,890

story fantastic thank you for sure

1016

00:43:07,390 --> 00:43:03,520

saying thank you yeah there's always a

1017

00:43:08,680 --> 00:43:07,400

interesting physiological effect to I

1018

00:43:11,410 --> 00:43:08,690

think a lot of these times or even

1019

00:43:15,550 --> 00:43:11,420

parapsychological I've come across cases

1020

00:43:17,530 --> 00:43:15,560

where people have said that I I just

1021

00:43:20,380 --> 00:43:17,540

something told me I should look up in

1022

00:43:21,910 --> 00:43:20,390

the sky at this moment or I should go

1023

00:43:24,580 --> 00:43:21,920

outside or I should look out my window

1024

00:43:26,980 --> 00:43:24,590

right now and almost like it's drawing

1025

00:43:29,590 --> 00:43:26,990

them to see it we're on the other hand

1026

00:43:31,120 --> 00:43:29,600

we have so many cases where the UFO just

1027

00:43:33,010 --> 00:43:31,130

fell into their lap complete

1028

00:43:35,560 --> 00:43:33,020

happenstance so I don't know what to

1029

00:43:38,290 --> 00:43:35,570

make of that the motives of these craft

1030

00:43:41,770 --> 00:43:38,300

aren't these intelligence but it's it

1031

00:43:43,450 --> 00:43:41,780

really is a wide spectrum for sure and I

1032

00:43:46,330 --> 00:43:43,460

just thought of something another thing

1033

00:43:47,890 --> 00:43:46,340

I like to point people to when they ask

1034

00:43:50,860 --> 00:43:47,900

that question about how do I see a UFO

1035

00:43:53,200 --> 00:43:50,870

or where do I go to see a UFO more times

1036

00:43:56,500 --> 00:43:53,210

than not when you read and again UFOs

1037

00:43:57,640 --> 00:43:56,510

are in mainstream media everyday more

1038

00:44:00,060 --> 00:43:57,650

times than not the stories that are

1039

00:44:03,310 --> 00:44:00,070

reported people having UFO sightings

1040

00:44:07,630 --> 00:44:03,320

involve people walking their dogs so

1041

00:44:08,980 --> 00:44:07,640

walk your dogs more people so that's a

1042

00:44:11,710 --> 00:44:08,990

good way to do it and also want to say

1043

00:44:14,830 --> 00:44:11,720

again with the the UFOs being in the

1044

00:44:17,200 --> 00:44:14,840

mainstream media there has been a lot of

1045

00:44:20,650 --> 00:44:17,210

a lot of the coverage lately has has

1046

00:44:22,930 --> 00:44:20,660

been pointing out how the numbers of UFO

1047

00:44:26,380 --> 00:44:22,940

sightings are down there's there's been

1048

00:44:28,450 --> 00:44:26,390

a decline and I would caution you to

1049

00:44:30,430 --> 00:44:28,460

read that properly so what they're

1050

00:44:34,300 --> 00:44:30,440

looking at is the number of reported

1051

00:44:37,270 --> 00:44:34,310

sightings and I will say this having

1052

00:44:38,980 --> 00:44:37,280

mentioned that I've had my 12 plus

1053

00:44:43,930 --> 00:44:38,990

sightings you know how many I've

1054

00:44:46,870 --> 00:44:43,940

reported most people who see UFOs don't

1055

00:44:49,240 --> 00:44:46,880

report them so that number is misleading

1056

00:44:51,820 --> 00:44:49,250

I didn't know what MUFON was when I was

1057

00:44:55,480 --> 00:44:51,830

12 years old you know a lot of people

1058

00:44:57,970 --> 00:44:55,490

don't you need the famous UFO lecturer

1059

00:45:00,400 --> 00:44:57,980

Stanton Friedman nuclear physicist when

1060

00:45:02,020 --> 00:45:00,410

he speaks at events he will ask the

1061

00:45:05,260 --> 00:45:02,030

audience like how many people have seen

1062

00:45:07,420 --> 00:45:05,270

a UFO 95% of the people raised their

1063

00:45:10,620 --> 00:45:07,430

hands and then he says how many of you

1064

00:45:13,859 --> 00:45:10,630

reported it maybe one person so

1065

00:45:16,109 --> 00:45:13,869

it's hard it's hard in there's so many

1066

00:45:18,299 --> 00:45:16,119

reasons for not reporting it I get it I

1067

00:45:20,849 --> 00:45:18,309

totally get it you know you're afraid of

1068

00:45:23,190 --> 00:45:20,859

what people might think or maybe you

1069

00:45:25,559 --> 00:45:23,200

came up with an explanation for it

1070

00:45:26,999 --> 00:45:25,569

before you reported it or maybe you just

1071

00:45:29,339 --> 00:45:27,009

don't want to know but at the end of the

1072

00:45:30,900 --> 00:45:29,349

day I think yeah if you want if you see

1073

00:45:32,849 --> 00:45:30,910

something say something that's what they

1074

00:45:34,109 --> 00:45:32,859

tell us in New York and I encourage

1075

00:45:36,239 --> 00:45:34,119

people to report their sightings

1076
00:45:37,920 --> 00:45:36,249
absolutely and that data is valuable and

1077
00:45:40,739 --> 00:45:37,930
I think MUFON and the national UFO

1078
00:45:43,109 --> 00:45:40,749
Reporting Center do a fantastic job they

1079
00:45:44,789 --> 00:45:43,119
do a great job of tracking this stuff at

1080
00:45:46,620 --> 00:45:44,799
stuff that should be tracked is that

1081
00:45:48,509 --> 00:45:46,630
exciting when people say I saw lighting

1082
00:45:49,829 --> 00:45:48,519
this guy no it's not but it's still data

1083
00:45:53,190 --> 00:45:49,839
that somebody should be tracking and I'm

1084
00:45:55,710 --> 00:45:53,200
glad that they do it that being said

1085
00:45:57,450 --> 00:45:55,720
when you take a look at these reporting

1086
00:45:59,700 --> 00:45:57,460
forms some of them are fairly lengthy

1087
00:46:04,799 --> 00:45:59,710
there and that's probably why I haven't

1088
00:46:06,630 --> 00:46:04,809

reported mine and they should be I mean

1089

00:46:08,339 --> 00:46:06,640

there's more to UFO sighting then I saw

1090

00:46:10,710 --> 00:46:08,349

light in the sky at this at this time in

1091

00:46:14,249 --> 00:46:10,720

this day so yeah at the end of the day I

1092

00:46:16,680 --> 00:46:14,259

think - reporting it normalizes this

1093

00:46:20,339 --> 00:46:16,690

topic more and more when we see everyday

1094

00:46:22,819 --> 00:46:20,349

people I have spoken to so many police

1095

00:46:26,190 --> 00:46:22,829

officers military people doctors

1096

00:46:27,779 --> 00:46:26,200

teachers psychologists everyone everyone

1097

00:46:30,029 --> 00:46:27,789

has a story to tell of seeing something

1098

00:46:32,249 --> 00:46:30,039

weird so I think you know reporting it

1099

00:46:34,920 --> 00:46:32,259

even if it's like to your local

1100

00:46:37,259 --> 00:46:34,930

newspaper or whatnot it normalizes this

1101

00:46:38,789 --> 00:46:37,269

topic it strips the ridicule funk from

1102

00:46:41,249 --> 00:46:38,799

it and I think we can start having

1103

00:46:43,620 --> 00:46:41,259

better conversations with more people

1104

00:46:45,390 --> 00:46:43,630

about this I mean just look at this room

1105

00:46:47,339 --> 00:46:45,400

right now these are so many people that

1106

00:46:48,989 --> 00:46:47,349

you could talk to about having seen

1107

00:46:50,729 --> 00:46:48,999

something no matter what it was maybe

1108

00:46:53,249 --> 00:46:50,739

they could help you find an explanation

1109

00:46:54,719 --> 00:46:53,259

for it but conferences are a great great

1110

00:46:58,079 --> 00:46:54,729

place to do that they're like a safe

1111

00:47:00,209 --> 00:46:58,089

space where all the similarly minded

1112

00:47:02,339 --> 00:47:00,219

people are in a room and the ridicule

1113

00:47:05,819 --> 00:47:02,349

factor is not going to exist here but I

1114

00:47:07,349 --> 00:47:05,829

will say the stigma is is going away it

1115

00:47:09,989 --> 00:47:07,359

might not feel like it at times but it

1116

00:47:12,539 --> 00:47:09,999

is dramatically improving and look I

1117

00:47:14,599 --> 00:47:12,549

mean again alien con is a perfect

1118

00:47:17,009 --> 00:47:14,609

illustration of that UFOs and

1119

00:47:19,529 --> 00:47:17,019

extraterrestrial topics have moved into

1120

00:47:22,109 --> 00:47:19,539

pop culture you know so it's accepted

1121

00:47:23,850 --> 00:47:22,119

now poll after poll indicates that you

1122

00:47:26,960 --> 00:47:23,860

know majority of the people

1123

00:47:29,490 --> 00:47:26,970

on this planet believe that

1124

00:47:33,530 --> 00:47:29,500

extraterrestrials exist and most likely

1125

00:47:36,660 --> 00:47:33,540

have been here and may be here now so

1126

00:47:38,010 --> 00:47:36,670

you know that initial reaction with

1127

00:47:40,590 --> 00:47:38,020

people it's gonna stick around for a

1128

00:47:42,480 --> 00:47:40,600

while the the the giggle factor of the

1129

00:47:45,240 --> 00:47:42,490

ridicule factor can tell you how many

1130

00:47:47,190 --> 00:47:45,250

people hear us when they hear that we

1131

00:47:49,800 --> 00:47:47,200

are taking UFOs seriously they breathe a

1132

00:47:51,420 --> 00:47:49,810

big sigh of relief and then open up but

1133

00:47:53,310 --> 00:47:51,430

their initial reaction is to laugh

1134

00:47:55,890 --> 00:47:53,320

because they think we're kidding yeah

1135

00:47:57,870 --> 00:47:55,900

let me say that you know we take UFO

1136

00:47:59,580 --> 00:47:57,880

seriously and when they find out that

1137

00:48:01,710 --> 00:47:59,590

we're serious then they can let their

1138

00:48:03,750 --> 00:48:01,720

guard down and go alright they're not

1139

00:48:06,060 --> 00:48:03,760

gonna make fun of me so it's a nice

1140

00:48:09,090 --> 00:48:06,070

feeling it really is yeah I remember my

1141

00:48:12,200 --> 00:48:09,100

parents came to see me talk at a UFO

1142

00:48:15,540 --> 00:48:12,210

conference for the first time ever and

1143

00:48:17,220 --> 00:48:15,550

skeptics again they they grew up knowing

1144

00:48:19,290 --> 00:48:17,230

I was interested in the topic I don't

1145

00:48:20,370 --> 00:48:19,300

think they knew how serious I actually

1146

00:48:23,850 --> 00:48:20,380

was about it

1147

00:48:26,120 --> 00:48:23,860

but they came to see me speak in New

1148

00:48:28,500 --> 00:48:26,130

York last year I think it was and

1149

00:48:30,450 --> 00:48:28,510

afterwards my mother came up to me and

1150

00:48:32,460 --> 00:48:30,460

I've never seen her so brutally honest

1151

00:48:36,330 --> 00:48:32,470

and she looked at me and said this is

1152

00:48:38,880 --> 00:48:36,340

real like that this like this stuff is

1153

00:48:41,190 --> 00:48:38,890

real and I was like yeah I mean

1154

00:48:42,630 --> 00:48:41,200

according to the data and the evidence

1155

00:48:44,490 --> 00:48:42,640

and what I've looked at and the people

1156

00:48:45,990 --> 00:48:44,500

I've spoken to I legitimately believe

1157

00:48:48,030 --> 00:48:46,000

this is a real phenomenon people are

1158

00:48:50,340 --> 00:48:48,040

having these experiences I don't know

1159

00:48:52,380 --> 00:48:50,350

what it is but it's happening and it's

1160

00:48:54,840 --> 00:48:52,390

happening all over the world and this

1161

00:48:56,760 --> 00:48:54,850

isn't just a Western phenomenon other

1162

00:48:58,260 --> 00:48:56,770

countries embrace this topic that

1163

00:49:00,780 --> 00:48:58,270

ridicule factor is nowhere to be found

1164

00:49:03,030 --> 00:49:00,790

so I think if we do that here we're

1165

00:49:05,220 --> 00:49:03,040

we're in good shape and you know people

1166

00:49:07,410 --> 00:49:05,230

like my mom who was a staunch skeptic

1167

00:49:09,080 --> 00:49:07,420

it's starting to come around to be like

1168

00:49:11,610 --> 00:49:09,090

wow I should look more into this and

1169

00:49:14,340 --> 00:49:11,620

yeah yeah that was that was a pivotal

1170

00:49:15,750 --> 00:49:14,350

moment for me for yeah for something

1171

00:49:17,850 --> 00:49:15,760

like that and that's when I knew that

1172

00:49:21,480 --> 00:49:17,860

the ridicule factor was leaving for sure

1173

00:49:23,730 --> 00:49:21,490

I'm optimistic yeah me too well we want

1174

00:49:25,920 --> 00:49:23,740

to thank the awesome alien Con audience

1175

00:49:27,600 --> 00:49:25,930

for participating with us today and as

1176

00:49:30,300 --> 00:49:27,610

we wrap up this episode I'll quickly let

1177

00:49:33,020 --> 00:49:30,310
