

**ASK ME
ANYTHING**

1
00:00:06,619 --> 00:00:04,130
hey guys Ryan sprite here doing a

2
00:00:09,080 --> 00:00:06,629
Facebook live with you guys

3
00:00:10,640 --> 00:00:09,090
I have nothing really planned for this

4
00:00:12,950 --> 00:00:10,650
it's Friday night

5
00:00:16,400 --> 00:00:12,960
I'm a loser I'm home and I hope you'll

6
00:00:17,810 --> 00:00:16,410
join me in that I do have a few things

7
00:00:20,990 --> 00:00:17,820
that I'd like to talk about

8
00:00:23,570 --> 00:00:21,000
most recently the television show that I

9
00:00:25,670 --> 00:00:23,580
appeared in on the CW the Roswell

10
00:00:28,670 --> 00:00:25,680
mysteries decoded it was a one-hour

11
00:00:30,439 --> 00:00:28,680
special that aired on the CW and then

12
00:00:33,500 --> 00:00:30,449
subsequently went on to their free

13
00:00:37,040 --> 00:00:33,510

streaming network CW seed which you can

14

00:00:40,250 --> 00:00:37,050

watch right now for free just go to CW

15

00:00:41,630 --> 00:00:40,260

see calm and look for Roswell mysteries

16

00:00:44,119 --> 00:00:41,640

decoded so if anyone has any questions

17

00:00:46,850 --> 00:00:44,129

about the show what we experienced what

18

00:00:47,450 --> 00:00:46,860

we did behind the scenes stuff I'm here

19

00:00:49,100 --> 00:00:47,460

for you

20

00:00:52,369 --> 00:00:49,110

I'm ready to do that be as transparent

21

00:00:54,049 --> 00:00:52,379

as I'm allowed to be but yeah anything

22

00:00:56,510 --> 00:00:54,059

you want to ask about that please feel

23

00:00:58,970 --> 00:00:56,520

free but this doesn't have to just be

24

00:01:01,040 --> 00:00:58,980

about UFOs either I do have a life

25

00:01:02,420 --> 00:01:01,050

outside of the UFO field and I'm always

26

00:01:05,329 --> 00:01:02,430

willing to share that with people as

27

00:01:07,429 --> 00:01:05,339

well so if you want ask away otherwise

28

00:01:09,380 --> 00:01:07,439

I'll just kind of fire through the

29

00:01:12,770 --> 00:01:09,390

things I did want to talk about which

30

00:01:15,530 --> 00:01:12,780

are most likely ufo-related so hello to

31

00:01:17,899 --> 00:01:15,540

everyone out there Thank You Mario thank

32

00:01:19,429 --> 00:01:17,909

you for enjoying the show I hope people

33

00:01:20,719 --> 00:01:19,439

enjoyed it please let me know what you

34

00:01:23,300 --> 00:01:20,729

thought about it

35

00:01:27,410 --> 00:01:23,310

it is rasma one of the oldest cases in

36

00:01:29,510 --> 00:01:27,420

UFO lore 72 years of mystery behind this

37

00:01:31,640 --> 00:01:29,520

thing so a lot of people were a little

38

00:01:33,469 --> 00:01:31,650

hesitant when they knew that I was out

39

00:01:34,969 --> 00:01:33,479

there investigating Roswell they thought

40

00:01:37,310 --> 00:01:34,979

what the hell could you possibly

41

00:01:39,620 --> 00:01:37,320

discover that no one's done before but I

42

00:01:41,420 --> 00:01:39,630

bet the different that we did find some

43

00:01:44,420 --> 00:01:41,430

new stuff some new evidence and some new

44

00:01:45,920 --> 00:01:44,430

avenues avenues to go down with that so

45

00:01:49,609 --> 00:01:45,930

that's my only defense

46

00:01:53,300 --> 00:01:49,619

so yeah let's see what we got here Kevin

47

00:01:56,389 --> 00:01:53,310

asks do you like Star Wars yes I am a

48

00:01:58,280 --> 00:01:56,399

huge huge Star Wars fan the Kevin asked

49

00:02:00,530 --> 00:01:58,290

me anything hopefully I'll be able to

50

00:02:03,319 --> 00:02:00,540

answer it but I am a Star Wars guy over

51
00:02:08,029 --> 00:02:03,329
a Star Trek guy for sure so that answers

52
00:02:09,380 --> 00:02:08,039
that one Helier was a good show say was

53
00:02:11,650 --> 00:02:09,390
did I already mention I was going to be

54
00:02:13,190 --> 00:02:11,660
talking about that

55
00:02:15,619 --> 00:02:13,200
so for those

56
00:02:18,619 --> 00:02:15,629
you don't know this past week or last

57
00:02:21,320 --> 00:02:18,629
week a web series I should say a

58
00:02:23,330 --> 00:02:21,330
documentary series was released to the

59
00:02:25,640 --> 00:02:23,340
public and it was called Helier and this

60
00:02:28,220 --> 00:02:25,650
was made by my mutual friends and

61
00:02:30,830 --> 00:02:28,230
colleagues over at planet weird Greg and

62
00:02:34,759 --> 00:02:30,840
Dana knew Kirk and the director Carl

63
00:02:38,750 --> 00:02:34,769

Pfeiffer and this was about these weird

64

00:02:40,520 --> 00:02:38,760

creatures that this mysterious guy had

65

00:02:44,150 --> 00:02:40,530

reported to Greg and Dana Newkirk

66

00:02:45,589 --> 00:02:44,160

who are paranormal investigators sent an

67

00:02:46,850 --> 00:02:45,599

email to him and said that these

68

00:02:49,400 --> 00:02:46,860

creatures were coming out of an

69

00:02:53,150 --> 00:02:49,410

abandoned mineshaft and terrorizing his

70

00:02:55,759 --> 00:02:53,160

family and that he had found Greg and

71

00:02:56,870 --> 00:02:55,769

Dana through a mutual contact and that

72

00:02:58,449 --> 00:02:56,880

he wanted them to come out there and

73

00:03:00,350 --> 00:02:58,459

investigate what's going on

74

00:03:02,660 --> 00:03:00,360

investigating what was going on they go

75

00:03:05,210 --> 00:03:02,670

out there and this guy is in order to be

76
00:03:06,800 --> 00:03:05,220
found that emailed them but they went on

77
00:03:09,920 --> 00:03:06,810
in an investigation to try to find those

78
00:03:12,680 --> 00:03:09,930
creatures and it got pretty crazy and

79
00:03:15,589 --> 00:03:12,690
pretty strange from there so be sure to

80
00:03:19,970 --> 00:03:15,599
check out helia right now it is free to

81
00:03:23,240 --> 00:03:19,980
stream on Amazon Prime Vimeo YouTube I

82
00:03:25,190 --> 00:03:23,250
believe and also at Helier Duck TV so

83
00:03:26,890 --> 00:03:25,200
please go support those guys in their

84
00:03:29,690 --> 00:03:26,900
endeavors it is a fascinating

85
00:03:31,819 --> 00:03:29,700
investigation and documentary series and

86
00:03:34,190 --> 00:03:31,829
I can't wait to see where it goes from

87
00:03:36,680 --> 00:03:34,200
there five episodes each about an hour

88
00:03:38,720 --> 00:03:36,690

long so it is a time commitment take

89

00:03:43,789 --> 00:03:38,730

your time parcel through it it's well

90

00:03:46,250 --> 00:03:43,799

worth it for sure all right I'm gonna

91

00:03:48,650 --> 00:03:46,260

see if I can pull up the questions on my

92

00:03:49,550 --> 00:03:48,660

phone so I'm not constantly messing with

93

00:04:00,240 --> 00:03:49,560

stuff over here

94

00:04:12,700 --> 00:04:03,610

it would work okay you know I can hear

95

00:04:17,140 --> 00:04:12,710

myself talking right hi Andrew hi Nathan

96

00:04:20,140 --> 00:04:17,150

hi James James asks how was the talk

97

00:04:21,850 --> 00:04:20,150

with Diana so he is referencing my

98

00:04:24,190 --> 00:04:21,860

upcoming episode on the somewhere in the

99

00:04:27,850 --> 00:04:24,200

skies podcast this upcoming Monday I

100

00:04:29,770 --> 00:04:27,860

spoke to Diana Walsh csoka who just came

101
00:04:32,830 --> 00:04:29,780
out with a book called American cosmic

102
00:04:34,780 --> 00:04:32,840
UFO is religion and Technology I might

103
00:04:36,910 --> 00:04:34,790
have mixed those up I apologize to Anna

104
00:04:39,970 --> 00:04:36,920
but the book did release this week and

105
00:04:43,180 --> 00:04:39,980
diana is a professor of Religious

106
00:04:45,100 --> 00:04:43,190
Studies at I believe the University of

107
00:04:46,840 --> 00:04:45,110
North Carolina have really got to do my

108
00:04:50,080 --> 00:04:46,850
homework on that anyway she wrote a

109
00:04:52,270 --> 00:04:50,090
fascinating book all about religion and

110
00:04:55,480 --> 00:04:52,280
UFOs and how they're interconnected and

111
00:04:57,880 --> 00:04:55,490
how UFOs can be considered a new form of

112
00:05:00,370 --> 00:04:57,890
religion and how she made these

113
00:05:02,590 --> 00:05:00,380

revelations and connections between it

114

00:05:06,130 --> 00:05:02,600

and how technology plays a big role in

115

00:05:08,080 --> 00:05:06,140

all of this as well you know these UFOs

116

00:05:11,820 --> 00:05:08,090

and crafts that seem to be far more

117

00:05:14,740 --> 00:05:11,830

advanced than our own technology and how

118

00:05:17,409 --> 00:05:14,750

how what we want and what we strive for

119

00:05:19,930 --> 00:05:17,419

in our future is what these UFOs

120

00:05:23,290 --> 00:05:19,940

actually represent a greater technology

121

00:05:25,750 --> 00:05:23,300

a higher intelligence so she makes all

122

00:05:28,390 --> 00:05:25,760

these amazing observations correlations

123

00:05:31,330 --> 00:05:28,400

and she talks to a lot of scientists who

124

00:05:33,310 --> 00:05:31,340

are interested in the UFO topic and are

125

00:05:36,460 --> 00:05:33,320

actually researching and investigating

126

00:05:38,580 --> 00:05:36,470

it in the shadows they call this the

127

00:05:40,780 --> 00:05:38,590

invisible college the scientists who

128

00:05:43,330 --> 00:05:40,790

investigate you of those but don't ever

129

00:05:45,550 --> 00:05:43,340

talk about it so it's fascinating she

130

00:05:48,040 --> 00:05:45,560

she goes along for a ride with Jacques

131

00:05:50,710 --> 00:05:48,050

Vallee who a lot of the UFO people out

132

00:05:52,750 --> 00:05:50,720

there will know that name for sure

133

00:05:56,230 --> 00:05:52,760

one of the entrepreneurs in Silicon

134

00:05:59,860 --> 00:05:56,240

Valley helped create the entire computer

135

00:06:02,440 --> 00:05:59,870

science platform so that it was a really

136

00:06:03,850 --> 00:06:02,450

good book I loved it and we had a really

137

00:06:06,250 --> 00:06:03,860

good conversation that you're gonna hear

138

00:06:09,880 --> 00:06:06,260

this upcoming Monday on the show so

139

00:06:12,030 --> 00:06:09,890

please be sure to check that out let's

140

00:06:13,680 --> 00:06:12,040

see

141

00:06:16,320 --> 00:06:13,690

Kevin asks any tips for someone who

142

00:06:19,590 --> 00:06:16,330

wants to start a podcast any resources

143

00:06:21,240 --> 00:06:19,600

or things to read yes Kevin there is one

144

00:06:24,060 --> 00:06:21,250

book that I consider my Bible when it

145

00:06:27,060 --> 00:06:24,070

comes to podcasting and it's called

146

00:06:28,980 --> 00:06:27,070

maverick podcasting by Micah Hanks who a

147

00:06:29,730 --> 00:06:28,990

lot of you may know that name he hosts

148

00:06:32,580 --> 00:06:29,740

the graylien

149

00:06:36,930 --> 00:06:32,590

report a highly acclaimed podcast out

150

00:06:39,660 --> 00:06:36,940

there in the esoteric world UFO science

151
00:06:41,700 --> 00:06:39,670
technology futurism paranormal you name

152
00:06:44,940 --> 00:06:41,710
it he does it but he wrote a book about

153
00:06:47,550 --> 00:06:44,950
how to start podcast what programs to

154
00:06:50,910 --> 00:06:47,560
use what resources to get how to do it

155
00:06:51,930 --> 00:06:50,920
on the cheap it's not cheap I can tell

156
00:06:54,060 --> 00:06:51,940
you that right now

157
00:06:57,780 --> 00:06:54,070
hence why I have a patreon campaign

158
00:07:00,920 --> 00:06:57,790
shameless plug in it's a lot of time I'm

159
00:07:04,620 --> 00:07:00,930
gonna admit it is a second job I spend

160
00:07:07,920 --> 00:07:04,630
hours upon hours every week doing a show

161
00:07:10,850 --> 00:07:07,930
so be prepared for that it is a second

162
00:07:13,290 --> 00:07:10,860
marriage it is a second job Kevin so

163
00:07:16,470 --> 00:07:13,300

forewarning you on that but it is all

164

00:07:19,170 --> 00:07:16,480

worth it I love doing it I love it's

165

00:07:20,880 --> 00:07:19,180

just creating every week informing the

166

00:07:22,590 --> 00:07:20,890

public on a topic that I'm super

167

00:07:25,590 --> 00:07:22,600

passionate about and might have

168

00:07:27,720 --> 00:07:25,600

something to contribute to that's all we

169

00:07:29,850 --> 00:07:27,730

can really ask for so check out maverick

170

00:07:35,040 --> 00:07:29,860

podcasting by Micah Hanks that is my

171

00:07:38,090 --> 00:07:35,050

number one go-to for that and you Arnold

172

00:07:40,530 --> 00:07:38,100

hello my friend Jason what's up man

173

00:07:42,510 --> 00:07:40,540

Jason asks so what happened with a scrap

174

00:07:45,240 --> 00:07:42,520

metal claim on a recent Facebook page

175

00:07:48,930 --> 00:07:45,250

what would scrap metal be doing on a

176

00:07:51,990 --> 00:07:48,940

sheep bridge so he's referring to these

177

00:07:54,330 --> 00:07:52,000

materials that we actually discovered in

178

00:07:57,120 --> 00:07:54,340

Roswell New Mexico through Frank Kindler

179

00:07:59,430 --> 00:07:57,130

a geologist and earth science professor

180

00:08:01,710 --> 00:07:59,440

at the Military Institute in Roswell New

181

00:08:03,570 --> 00:08:01,720

Mexico so we my investigative partner

182

00:08:05,820 --> 00:08:03,580

Jennifer Marshall and I didn't actually

183

00:08:07,980 --> 00:08:05,830

find these pieces of metal at the

184

00:08:09,870 --> 00:08:07,990

supposin a Roswell crash site Frank had

185

00:08:10,920 --> 00:08:09,880

found these before we were there to

186

00:08:13,560 --> 00:08:10,930

obtain the meadows

187

00:08:15,630 --> 00:08:13,570

check them out and then get them looked

188

00:08:18,030 --> 00:08:15,640

at and find out what exactly they were

189

00:08:21,090 --> 00:08:18,040

so your question of why were they out

190

00:08:23,670 --> 00:08:21,100

there I honestly couldn't tell you man

191

00:08:25,619 --> 00:08:23,680

the fact that we were a hundred miles

192

00:08:28,019 --> 00:08:25,629

away from any

193

00:08:30,029 --> 00:08:28,029

any life anything out there at the

194

00:08:32,279 --> 00:08:30,039

suppose at Roswell craft say and we

195

00:08:36,540 --> 00:08:32,289

found metal I should say Frank found

196

00:08:37,740 --> 00:08:36,550

metal out there it's fascinating and I

197

00:08:40,379 --> 00:08:37,750

don't know why anything would be out

198

00:08:43,170 --> 00:08:40,389

there no garbage out there that's kind

199

00:08:46,499 --> 00:08:43,180

of what we expected to find and like I

200

00:08:47,939 --> 00:08:46,509

said no life no bugs no birds no reason

201

00:08:50,819 --> 00:08:47,949

for anything to be out there a Frank

202

00:08:54,120 --> 00:08:50,829

found metal you know foot under the

203

00:08:55,769 --> 00:08:54,130

surface and he also found and this is

204

00:08:56,490 --> 00:08:55,779

very interesting it didn't make it into

205

00:08:59,939 --> 00:08:56,500

the show

206

00:09:02,999 --> 00:08:59,949

unfortunately he found military buttons

207

00:09:05,550 --> 00:09:03,009

from army fatigues out there dated back

208

00:09:07,769 --> 00:09:05,560

to the forties so what's up with that I

209

00:09:09,689 --> 00:09:07,779

honestly don't know but I do firmly

210

00:09:12,930 --> 00:09:09,699

believe this is the site where the

211

00:09:14,699 --> 00:09:12,940

Roswell UFO crash happened Frank pretty

212

00:09:17,490 --> 00:09:14,709

much proved that at least to me he did

213

00:09:19,319 --> 00:09:17,500

and I apologize for that truck outside

214

00:09:22,199 --> 00:09:19,329

going in Reverse if you can hear that I

215

00:09:26,790 --> 00:09:22,209

am in Koreatown Los Angeles of all

216

00:09:29,610 --> 00:09:26,800

places no comment but yeah very

217

00:09:32,249 --> 00:09:29,620

interesting I definitely suggest people

218

00:09:34,079 --> 00:09:32,259

go check out the special Roswell misfits

219

00:09:36,600 --> 00:09:34,089

decoded now streaming for free on the CW

220

00:09:38,370 --> 00:09:36,610

seed and take a look at what we found

221

00:09:40,829 --> 00:09:38,380

and what we discovered in what those

222

00:09:44,269 --> 00:09:40,839

medals were and where we're going next

223

00:09:49,740 --> 00:09:44,279

with our investigation into those

224

00:09:51,300 --> 00:09:49,750

alright alright Nathan says might have

225

00:09:54,480 --> 00:09:51,310

been early for my question in light of

226

00:09:57,030 --> 00:09:54,490

Bob lazarre's Navy tax return an ID

227

00:10:00,210 --> 00:09:57,040

badge what do you think of the majestic

228

00:10:01,170 --> 00:10:00,220

theory I I don't even know where to

229

00:10:05,579 --> 00:10:01,180

begin with that my man

230

00:10:07,139 --> 00:10:05,589

unfortunately what do you think of the

231

00:10:09,720 --> 00:10:07,149

majestic theory I don't know what that's

232

00:10:11,280 --> 00:10:09,730

in reference to I know majestic 12 but I

233

00:10:12,840 --> 00:10:11,290

don't know anything further than that my

234

00:10:17,819 --> 00:10:12,850

friend we might have to have a private

235

00:10:20,850 --> 00:10:17,829

conversation on that one Dean asks who

236

00:10:24,179 --> 00:10:20,860

do you really respect in the UFO field I

237

00:10:28,069 --> 00:10:24,189

don't know where to begin I mean it

238

00:10:32,780 --> 00:10:28,079

probably starts with Jacques Vallee

239

00:10:36,000 --> 00:10:32,790

Stanton Friedman J Allen Hynek gosh

240

00:10:37,920 --> 00:10:36,010

James McDonald all these prominent

241

00:10:39,900 --> 00:10:37,930

people who paved the way for us younger

242

00:10:43,500 --> 00:10:39,910

UFO research

243

00:10:47,100 --> 00:10:43,510

people like Peter Robbins and Richard

244

00:10:49,019 --> 00:10:47,110

Dolan and I there's so many I don't even

245

00:10:51,360 --> 00:10:49,029

know where to begin moving your areata

246

00:10:54,000 --> 00:10:51,370

is another big one for me

247

00:10:55,860 --> 00:10:54,010

James Clarkson the list goes on and on

248

00:10:58,740 --> 00:10:55,870

and on I feel like I'm listing my thank

249

00:11:01,620 --> 00:10:58,750

yous at the Oscars but um yeah those are

250

00:11:03,689 --> 00:11:01,630

the ones I really turn to and like to

251

00:11:05,850 --> 00:11:03,699

consult with before I go public with any

252

00:11:07,980 --> 00:11:05,860

of my own findings I want to know if

253

00:11:10,490 --> 00:11:07,990

this information has already been out

254

00:11:14,370 --> 00:11:10,500

there or if it's already been proven

255

00:11:15,660 --> 00:11:14,380

false or hoaxes are true even so yeah

256

00:11:18,660 --> 00:11:15,670

those would be some names I would look

257

00:11:20,519 --> 00:11:18,670

at Erika Luke's and chase klutzy are two

258

00:11:22,079 --> 00:11:20,529

other investigators that I highly

259

00:11:24,420 --> 00:11:22,089

respect the investigative work that they

260

00:11:26,939 --> 00:11:24,430

have done as well diligent and

261

00:11:29,160 --> 00:11:26,949

persistent and just extremely

262

00:11:30,990 --> 00:11:29,170

knowledgeable on the topic so those are

263

00:11:32,490 --> 00:11:31,000

a lot of the names check them out check

264

00:11:34,620 --> 00:11:32,500

out their websites their podcasts all

265

00:11:37,319 --> 00:11:34,630

that good stuff go back and listen to me

266

00:11:39,300 --> 00:11:37,329

again if you miss those names um maybe

267

00:11:45,230 --> 00:11:39,310

I'll put a list together after this and

268

00:11:49,139 --> 00:11:47,519

Jason said it's a great special I

269

00:11:53,250 --> 00:11:49,149

believe he's referring to Roswell

270

00:11:57,329 --> 00:11:53,260

mysteries decoded honestly I think there

271

00:12:00,389 --> 00:11:57,339

could be a miniseries given to it no

272

00:12:02,189 --> 00:12:00,399

comment now if you want to see more of

273

00:12:06,059 --> 00:12:02,199

Roswell mysteries decoded I am letting

274

00:12:09,240 --> 00:12:06,069

everyone know to tweet and Facebook post

275

00:12:10,970 --> 00:12:09,250

and so I don't know snaps you have

276

00:12:15,150 --> 00:12:10,980

Instagram whatever you want to do just

277

00:12:17,670 --> 00:12:15,160

send to the CW and the CW seed that you

278

00:12:19,530 --> 00:12:17,680

want to see more hash tag Roswell

279

00:12:21,689 --> 00:12:19,540

mysteries decoded we've got a good

280

00:12:24,780 --> 00:12:21,699

campaign going on with that I know for a

281

00:12:27,960 --> 00:12:24,790

fact the CW is paying attention to those

282

00:12:30,120 --> 00:12:27,970

posts so please do that for us we are

283

00:12:30,689 --> 00:12:30,130

not done investigating Roswell not by a

284

00:12:33,059 --> 00:12:30,699

long shot

285

00:12:35,790 --> 00:12:33,069

how the hell could we be so we already

286

00:12:38,490 --> 00:12:35,800

know what we want to investigate what

287

00:12:41,639 --> 00:12:38,500

people we want to talk to you and what

288

00:12:42,870 --> 00:12:41,649

we want to do moving forward so yes if

289

00:12:45,540 --> 00:12:42,880

you would like to see more of the show

290

00:12:48,120 --> 00:12:45,550

please do that for us reach out to CW +

291

00:12:50,250 --> 00:12:48,130

CW seed and know that things are in the

292

00:12:52,139 --> 00:12:50,260

works they always are in show business

293

00:12:52,549 --> 00:12:52,149

but um we just want to get back out

294

00:12:54,439 --> 00:12:52,559

there

295

00:12:56,629 --> 00:12:54,449

I don't give a crap if it's on TV or not

296

00:12:58,489 --> 00:12:56,639

I'm gonna go back to Roswell and I want

297

00:13:02,589 --> 00:12:58,499

to dig so that's all I'm gonna say about

298

00:13:06,499 --> 00:13:04,429

let's see

299

00:13:09,709 --> 00:13:06,509

hi Ryan could you find your way back to

300

00:13:11,959 --> 00:13:09,719

that spot on your own I she's referring

301
00:13:14,089 --> 00:13:11,969
to the crash site I assume in Roswell

302
00:13:16,339 --> 00:13:14,099
not a chance in hell

303
00:13:18,699 --> 00:13:16,349
Ellen no there's nothing there's no way

304
00:13:21,129 --> 00:13:18,709
I mean again we were in the Jeep for

305
00:13:25,009 --> 00:13:21,139
maybe an hour and a half to two hours

306
00:13:29,569 --> 00:13:25,019
driving out to Corona where where this

307
00:13:31,939 --> 00:13:29,579
all happened and no there's no way once

308
00:13:34,299 --> 00:13:31,949
you leave the main road to get to the

309
00:13:36,859 --> 00:13:34,309
actual crash site it's like a

310
00:13:37,429 --> 00:13:36,869
free-for-all war zone out there in the

311
00:13:39,739 --> 00:13:37,439
desert

312
00:13:43,099 --> 00:13:39,749
we were just hopping all around in our

313
00:13:46,729 --> 00:13:43,109

in our Jeep and hit my head on the roof

314

00:13:49,789 --> 00:13:46,739

a couple of times doing that and once it

315

00:13:50,839 --> 00:13:49,799

got dark there's no way in hell I would

316

00:13:52,789 --> 00:13:50,849

have been able to get out of there

317

00:13:55,639 --> 00:13:52,799

without the assistance of Frank Kindler

318

00:13:57,559 --> 00:13:55,649

funny story about that he'd never been

319

00:13:59,749 --> 00:13:57,569

out to the site when it turned dark and

320

00:14:05,210 --> 00:13:59,759

once the Sun set first of all it dropped

321

00:14:08,089 --> 00:14:05,220

about 35 degrees within a 10-minute span

322

00:14:10,789 --> 00:14:08,099

so it was freezing out there we had to

323

00:14:13,039 --> 00:14:10,799

cut filming finish everything wrap up

324

00:14:15,589 --> 00:14:13,049

get all our gear into the vehicles and

325

00:14:16,849 --> 00:14:15,599

then Frank let us out and because he

326

00:14:18,499 --> 00:14:16,859

couldn't see the landmarks that he

327

00:14:19,729 --> 00:14:18,509

usually uses during the day to get out

328

00:14:22,339 --> 00:14:19,739

of that sight

329

00:14:25,819 --> 00:14:22,349

we got lost for about an hour and a half

330

00:14:27,859 --> 00:14:25,829

and we didn't have that much gas I'm not

331

00:14:30,079 --> 00:14:27,869

gonna lie I was in the car with my

332

00:14:31,999 --> 00:14:30,089

investigative partner Jennifer and our

333

00:14:33,199 --> 00:14:32,009

director and we were scared we thought

334

00:14:35,419 --> 00:14:33,209

we were gonna get stuck in the middle of

335

00:14:37,009 --> 00:14:35,429

the desert all night but no gas and it

336

00:14:39,710 --> 00:14:37,019

was just a horror movie in the making

337

00:14:41,749 --> 00:14:39,720

that Hills Have Eyes style so um that

338

00:14:43,549 --> 00:14:41,759

was a good funny behind-the-scenes thing

339

00:14:47,059 --> 00:14:43,559

that obviously didn't make it into the

340

00:14:49,729 --> 00:14:47,069

show we eventually got out and we

341

00:14:51,529 --> 00:14:49,739

survived but yeah it was a little scary

342

00:14:54,139 --> 00:14:51,539

not a chance I would be able to find

343

00:14:55,819 --> 00:14:54,149

that by myself and how Frank found the

344

00:14:58,309 --> 00:14:55,829

craft study is another really

345

00:15:03,570 --> 00:14:58,319

interesting and intriguing story and you

346

00:15:11,100 --> 00:15:08,370

all right Tim says what's your thoughts

347

00:15:14,250 --> 00:15:11,110

on the latest release of the a tip news

348

00:15:16,680 --> 00:15:14,260

so for those who don't know a tip is the

349

00:15:19,920 --> 00:15:16,690

secret Pentagon UFO program that was

350

00:15:22,769 --> 00:15:19,930

announced to the public in late December

351
00:15:25,590 --> 00:15:22,779
of 2017 I believe what we learned from

352
00:15:28,259 --> 00:15:25,600
the New York Times that the Pentagon had

353
00:15:31,590 --> 00:15:28,269
been investigating UFOs in severus for

354
00:15:34,440 --> 00:15:31,600
about nine years or so and the head of

355
00:15:36,960 --> 00:15:34,450
that program left the position because

356
00:15:38,639 --> 00:15:36,970
he was sick of the public being left in

357
00:15:41,430 --> 00:15:38,649
the dark about all this and started

358
00:15:43,560 --> 00:15:41,440
working with Tom DeLonge the blink-182

359
00:15:46,170 --> 00:15:43,570
frontman who eventually started his own

360
00:15:49,110 --> 00:15:46,180
UFO research company which is called to

361
00:15:51,240 --> 00:15:49,120
the stars Academy very interesting where

362
00:15:54,000 --> 00:15:51,250
all of this is heading the most recent

363
00:15:57,720 --> 00:15:54,010

releases about a tip came from Freedom

364

00:16:01,050 --> 00:15:57,730

of Information requests I believe that

365

00:16:03,329 --> 00:16:01,060

actually told us that it wasn't really

366

00:16:06,300 --> 00:16:03,339

UFOs that they were looking at they were

367

00:16:08,850 --> 00:16:06,310

looking into like warp drives and

368

00:16:12,630 --> 00:16:08,860

wormholes and all this really weird

369

00:16:14,490 --> 00:16:12,640

stuff that is super fringe and not

370

00:16:17,280 --> 00:16:14,500

really what we expected we thought this

371

00:16:19,949 --> 00:16:17,290

was you know simple national security

372

00:16:22,740 --> 00:16:19,959

threats in our skies that they were

373

00:16:24,240 --> 00:16:22,750

investigating but it seems to go much

374

00:16:26,639 --> 00:16:24,250

deeper than that and a lot more

375

00:16:28,980 --> 00:16:26,649

paranormal and fringe than we expected

376

00:16:31,260 --> 00:16:28,990

so kudos to those who were able to

377

00:16:34,260 --> 00:16:31,270

obtain those files I haven't been able

378

00:16:36,389 --> 00:16:34,270

to really look at them too well yet I am

379

00:16:38,790 --> 00:16:36,399

in the process of moving across the

380

00:16:40,440 --> 00:16:38,800

country so if it's at go in here that's

381

00:16:43,560 --> 00:16:40,450

because my Los Angeles apartment is

382

00:16:45,900 --> 00:16:43,570

pretty much empty and I've been busy

383

00:16:48,780 --> 00:16:45,910

just packing and getting ready for the

384

00:16:50,550 --> 00:16:48,790

big move so a lot of the current UFO

385

00:16:57,360 --> 00:16:50,560

news I'm not really up-to-date on so I

386

00:16:59,040 --> 00:16:57,370

apologize for that but yeah andrew says

387

00:17:01,500 --> 00:16:59,050

Ryan you and Michael need to come to

388

00:17:03,900 --> 00:17:01,510

Australia so many iconic cases here

389

00:17:07,650 --> 00:17:03,910

that's very true a lot of there's no

390

00:17:11,540 --> 00:17:07,660

case a lot of UFO cases out of Australia

391

00:17:13,610 --> 00:17:11,550

one of which I covered on an episode

392

00:17:15,620 --> 00:17:13,620

recently and another one in New Zealand

393

00:17:17,419 --> 00:17:15,630

that I did an episode

394

00:17:21,169 --> 00:17:17,429

which is probably my favorite episode of

395

00:17:22,460 --> 00:17:21,179

summer in the skies yet so if you get a

396

00:17:25,579 --> 00:17:22,470

chance check that out it's called

397

00:17:27,860 --> 00:17:25,589

finding mrs. Moreland where I hired the

398

00:17:29,779 --> 00:17:27,870

assistance of some of my actor friends

399

00:17:31,700 --> 00:17:29,789

in New York to to do an audio

400

00:17:33,740 --> 00:17:31,710

documentary for me and I couldn't have

401
00:17:35,269 --> 00:17:33,750
asked for a better turnout of that

402
00:17:40,210 --> 00:17:35,279
episode so check that out in the

403
00:17:50,749 --> 00:17:48,680
losing my voice already right back to

404
00:17:53,480 --> 00:17:50,759
the sheep ranch did anybody look into

405
00:17:56,360 --> 00:17:53,490
the history of the land itself had

406
00:17:58,610 --> 00:17:56,370
always been owned by the brazils brazza

407
00:18:01,639 --> 00:17:58,620
Fresno was the sheep rancher he didn't

408
00:18:04,490 --> 00:18:01,649
actually own that that area he was a

409
00:18:08,840 --> 00:18:04,500
foreman on on the ranch at the time from

410
00:18:10,310 --> 00:18:08,850
what I remember no the the the land

411
00:18:12,409 --> 00:18:10,320
itself had been owned by many different

412
00:18:14,090 --> 00:18:12,419
people throughout the years but now it

413
00:18:16,970 --> 00:18:14,100

is federal land and it's under the

414

00:18:18,680 --> 00:18:16,980

Bureau of Land Management Protection so

415

00:18:21,590 --> 00:18:18,690

we had to get special permission to go

416

00:18:23,930 --> 00:18:21,600

out there Frank needs special permission

417

00:18:26,269 --> 00:18:23,940

to even take anything off the premises

418

00:18:29,629 --> 00:18:26,279

you know specks of dirt anything it's

419

00:18:32,810 --> 00:18:29,639

got to be run by then no so um yeah

420

00:18:34,940 --> 00:18:32,820

federal land my friend so if you do end

421

00:18:36,710 --> 00:18:34,950

up finding out where it is like we did

422

00:18:40,129 --> 00:18:36,720

don't go out there digging or you're

423

00:18:41,570 --> 00:18:40,139

gonna get arrested funny that the

424

00:18:46,970 --> 00:18:41,580

government owns the Roswell UFO crash

425

00:18:50,269 --> 00:18:46,980

site you know isn't it what about the

426

00:18:52,580 --> 00:18:50,279

new Roswell series on the CW Tommy asks

427

00:18:56,450 --> 00:18:52,590

I think it's great

428

00:18:58,629 --> 00:18:56,460

I got to see the pilot episode maybe two

429

00:19:01,159 --> 00:18:58,639

months ago for those who don't know

430

00:19:04,039 --> 00:19:01,169

Roswell New Mexico is a completely

431

00:19:06,619 --> 00:19:04,049

separate entity from our special Roswell

432

00:19:07,820 --> 00:19:06,629

misters Dakota yes they both air on the

433

00:19:15,049 --> 00:19:07,830

CW

434

00:19:17,060 --> 00:19:15,059

it's based on the Roswell show that was

435

00:19:20,240 --> 00:19:17,070

back in the I want to say late 90s and

436

00:19:24,440 --> 00:19:20,250

early 2000s kind of that like Dawson's

437

00:19:27,740 --> 00:19:24,450

Creek well they won't they alien romance

438

00:19:30,280 --> 00:19:27,750

show this is a reimagining of that

439

00:19:32,720 --> 00:19:30,290

so and I've got to be honest I really

440

00:19:34,460 --> 00:19:32,730

really dig it I think they think it's

441

00:19:35,930 --> 00:19:34,470

well-made I think they covered the

442

00:19:37,700 --> 00:19:35,940

Roswell incident pretty well in their

443

00:19:41,120 --> 00:19:37,710

first episode you know where the show

444

00:19:43,490 --> 00:19:41,130

goes after that I can't tell you but I

445

00:19:45,890 --> 00:19:43,500

am working closely with the creative

446

00:19:47,570 --> 00:19:45,900

team of Roswell New Mexico and with the

447

00:19:49,750 --> 00:19:47,580

cast we've done some press junkets

448

00:19:53,930 --> 00:19:49,760

together I actually had the amazing

449

00:19:56,060 --> 00:19:53,940

opportunity to speak at their major

450

00:19:58,460 --> 00:19:56,070

press event right before their first

451
00:20:01,190 --> 00:19:58,470
episode premiered I was invited to come

452
00:20:04,730 --> 00:20:01,200
and give a presentation on the Roswell

453
00:20:07,070 --> 00:20:04,740
incident to the press the LA Times you

454
00:20:07,370 --> 00:20:07,080
know variety all the big big names out

455
00:20:12,200 --> 00:20:07,380
there

456
00:20:14,990 --> 00:20:12,210
them the real story of Roswell before

457
00:20:17,170 --> 00:20:15,000
this fiction show went in their own

458
00:20:19,220 --> 00:20:17,180
direction and I was extremely

459
00:20:21,260 --> 00:20:19,230
appreciative of that opportunity that

460
00:20:22,940 --> 00:20:21,270
they wanted to inform the public about

461
00:20:24,770 --> 00:20:22,950
what actually happened there before

462
00:20:28,430 --> 00:20:24,780
their fiction show does what it does I

463
00:20:30,680 --> 00:20:28,440

think it's responsible and I thought it

464

00:20:32,690 --> 00:20:30,690

was a great opportunity and it also got

465

00:20:34,280 --> 00:20:32,700

the word out about our show if you want

466

00:20:36,770 --> 00:20:34,290

to know the real story watch Roswell

467

00:20:41,180 --> 00:20:36,780

mysteries decoded so I love what they're

468

00:20:43,250 --> 00:20:41,190

doing the cast is so nice and I talked

469

00:20:44,540 --> 00:20:43,260

to all of them almost on a daily basis

470

00:20:47,450 --> 00:20:44,550

now they're asking me all these

471

00:20:49,850 --> 00:20:47,460

questions about UFOs and how they can

472

00:20:51,650 --> 00:20:49,860

get involved and you know the

473

00:20:53,240 --> 00:20:51,660

intricacies of the Roswell case and how

474

00:20:55,160 --> 00:20:53,250

that can influence their characters

475

00:20:57,410 --> 00:20:55,170

moving forward in the show so it's more

476
00:20:59,360 --> 00:20:57,420
than I could ever ask being also a

477
00:21:02,480 --> 00:20:59,370
playwright and screenwriter this is like

478
00:21:04,430 --> 00:21:02,490
mixing my worlds together and I love it

479
00:21:07,160 --> 00:21:04,440
I love that they've welcomed me into

480
00:21:08,540 --> 00:21:07,170
their Roswell New Mexico family and I

481
00:21:10,400 --> 00:21:08,550
can't wait to see where that goes so

482
00:21:12,640 --> 00:21:10,410
yeah you could check out Roswell New

483
00:21:14,600 --> 00:21:12,650
Mexico it airs every I think Tuesday

484
00:21:16,220 --> 00:21:14,610
coincidentally the same known as Project

485
00:21:18,200 --> 00:21:16,230
Blue Book on the History Channel

486
00:21:19,940 --> 00:21:18,210
so you got to pick your UFO shows now

487
00:21:23,600 --> 00:21:19,950
guys we're at that point there's too

488
00:21:24,920 --> 00:21:23,610

many to choose from so yeah I dig it I

489

00:21:34,680 --> 00:21:24,930

love it and I can't wait to see where it

490

00:21:39,970 --> 00:21:37,480

what do you get out on most when it

491

00:21:41,770 --> 00:21:39,980

comes to you UFO investigated in the

492

00:21:42,250 --> 00:21:41,780

military connections the biology behind

493

00:21:45,250 --> 00:21:42,260

it

494

00:21:48,040 --> 00:21:45,260

genetics cultural implications oh that

495

00:21:53,080 --> 00:21:48,050

was a that is a lot of questions Brad

496

00:21:55,330 --> 00:21:53,090

thank you let's see I'm gonna go

497

00:21:57,610 --> 00:21:55,340

probably with the cultural implications

498

00:21:59,830 --> 00:21:57,620

I mean for a lot of people who read my

499

00:22:03,040 --> 00:21:59,840

first book I focused solely on the

500

00:22:05,050 --> 00:22:03,050

individuals who had UFO events and how

501
00:22:07,960 --> 00:22:05,060
it affected their lives moving forward

502
00:22:10,510 --> 00:22:07,970
which ultimately influences cultural in

503
00:22:13,660 --> 00:22:10,520
general so I find the cultural aspects

504
00:22:15,190 --> 00:22:13,670
of the UFO topic and phenomenon very

505
00:22:17,440 --> 00:22:15,200
fascinating and I want to keep looking

506
00:22:20,440 --> 00:22:17,450
into that in terms of you know its

507
00:22:22,990 --> 00:22:20,450
connections to mysticism cryptozoology

508
00:22:25,150 --> 00:22:23,000
ghosts and all that stay tuned I am

509
00:22:28,560 --> 00:22:25,160
writing a new book right now it is in

510
00:22:31,000 --> 00:22:28,570
development and already has been

511
00:22:33,850 --> 00:22:31,010
assigned to publisher so I'm super

512
00:22:36,040 --> 00:22:33,860
excited about that and it's gonna be

513
00:22:44,020 --> 00:22:36,050

just about that Brad so stay tuned for

514

00:22:50,790 --> 00:22:44,030

that what would you do if you ever met

515

00:22:59,220 --> 00:22:52,720

just kidding I don't know what I would

516

00:23:05,920 --> 00:22:59,230

do to be honest I probably asked them

517

00:23:09,400 --> 00:23:05,930

hmm I'd probably ask them why they chose

518

00:23:13,660 --> 00:23:09,410

our planet to come you know survey and

519

00:23:15,430 --> 00:23:13,670

float around and disappear from you know

520

00:23:16,960 --> 00:23:15,440

within moments and why they're here and

521

00:23:18,580 --> 00:23:16,970

what they're doing and their motivations

522

00:23:19,060 --> 00:23:18,590

something tells me they wouldn't tell me

523

00:23:22,690 --> 00:23:19,070

the truth

524

00:23:27,790 --> 00:23:22,700

but I don't know I think I would want to

525

00:23:30,040 --> 00:23:27,800

ask what what made them come here what

526
00:23:34,740 --> 00:23:30,050
made them want to seek out our planet so

527
00:23:42,360 --> 00:23:34,750
yeah hello Tony

528
00:23:49,540 --> 00:23:47,620
hey Luke hey Marilyn all right Nathan

529
00:23:52,030 --> 00:23:49,550
asks what did you think of the Roswell

530
00:23:54,460 --> 00:23:52,040
UFO museum and especially the library

531
00:23:55,770 --> 00:23:54,470
for me it was humbling so yeah so for

532
00:23:59,350 --> 00:23:55,780
those who don't know we also went to the

533
00:24:01,750 --> 00:23:59,360
International UFO museum in our TV

534
00:24:06,460 --> 00:24:01,760
special and I've been there once before

535
00:24:09,130 --> 00:24:06,470
and I it's the mecca for UFO researchers

536
00:24:12,820 --> 00:24:09,140
I mean you've got like the displays this

537
00:24:17,260 --> 00:24:12,830
sort of cheesy alien stuff and all that

538
00:24:19,420 --> 00:24:17,270

crap but you have also the most amazing

539

00:24:22,660 --> 00:24:19,430

resources for researchers out there

540

00:24:25,450 --> 00:24:22,670

every you know UFO magazine ever written

541

00:24:29,800 --> 00:24:25,460

the app broke bulletins Project Blue

542

00:24:31,390 --> 00:24:29,810

Book files fate magazine and just MUFON

543

00:24:34,030 --> 00:24:31,400

stuff just everything you can think of

544

00:24:37,150 --> 00:24:34,040

they have in this huge massive room that

545

00:24:38,800 --> 00:24:37,160

I actually took a sweeping video of that

546

00:24:42,430 --> 00:24:38,810

you can see on my Instagram so they'll

547

00:24:44,860 --> 00:24:42,440

check that out as well endless endless

548

00:24:48,190 --> 00:24:44,870

amounts of a UFO library biggest UFO

549

00:24:50,650 --> 00:24:48,200

library I haven't ever seen my book was

550

00:24:52,210 --> 00:24:50,660

not in there but I'll get it in there

551
00:24:55,270 --> 00:24:52,220
probably enough to sneak it in but

552
00:24:58,180 --> 00:24:55,280
that's okay but yeah I think it was a

553
00:25:00,790 --> 00:24:58,190
treasure trove of UFO information but

554
00:25:02,440 --> 00:25:00,800
also a huge resource for us in our

555
00:25:04,780 --> 00:25:02,450
investigation there were affidavits

556
00:25:06,430 --> 00:25:04,790
signed affidavits that I found there

557
00:25:08,560 --> 00:25:06,440
that I never knew about when I came to

558
00:25:12,340 --> 00:25:08,570
the Roswell caves one in particular

559
00:25:14,350 --> 00:25:12,350
really stood out to me from a pilot who

560
00:25:16,890 --> 00:25:14,360
was on the airplane

561
00:25:22,600 --> 00:25:16,900
bringing the wreckage from Roswell to

562
00:25:24,940 --> 00:25:22,610
Fort Worth I believe in Texas and and he

563
00:25:26,380 --> 00:25:24,950

was saying how it was him and two guards

564

00:25:27,940 --> 00:25:26,390

that were on the plane with this

565

00:25:31,240 --> 00:25:27,950

wreckage they didn't talk the whole time

566

00:25:34,390 --> 00:25:31,250

they landed and immediately the cargo

567

00:25:36,700 --> 00:25:34,400

was taken off he stayed there Jesse

568

00:25:38,320 --> 00:25:36,710

Marcel got onto the plane with him and

569

00:25:40,720 --> 00:25:38,330

they headed back to Roswell this was

570

00:25:43,330 --> 00:25:40,730

within moments the flight landed Jesse

571

00:25:45,760 --> 00:25:43,340

Marcel got on they got Vic in and went

572

00:25:48,670 --> 00:25:45,770

right back to Roswell so all of this was

573

00:25:50,530 --> 00:25:48,680

highly secretive highly classified this

574

00:25:52,180 --> 00:25:50,540

dude didn't know what he was doing why

575

00:25:52,900 --> 00:25:52,190

he was there he was just told to go with

576
00:25:55,270 --> 00:25:52,910
the wreckage

577
00:25:57,850 --> 00:25:55,280
come back immediately so that was pretty

578
00:26:00,400 --> 00:25:57,860
cool I know Jennifer found some really

579
00:26:03,310 --> 00:26:00,410
cool things there as well

580
00:26:05,590 --> 00:26:03,320
so yeah a lot I didn't know about how

581
00:26:07,510 --> 00:26:05,600
many people were actually involved with

582
00:26:11,050 --> 00:26:07,520
the Roswell incident and how high up a

583
00:26:13,230 --> 00:26:11,060
cover-up actually went so I loved it I

584
00:26:20,970 --> 00:26:13,240
can't wait to go back there again

585
00:26:20,980 --> 00:26:28,740
hello Marco hi Cory

586
00:26:32,410 --> 00:26:30,790
Ellen so glad you made it back from the

587
00:26:35,820 --> 00:26:32,420
crash site me too and we wouldn't be

588
00:26:40,510 --> 00:26:38,200

chris says hey Ryan what do you think of

589

00:26:42,730 --> 00:26:40,520

all the new young guns to the UFO

590

00:26:45,490 --> 00:26:42,740

research community I think it's amazing

591

00:26:47,260 --> 00:26:45,500

I've been striving for younger people to

592

00:26:49,810 --> 00:26:47,270

get involved with this topic ever since

593

00:26:52,810 --> 00:26:49,820

I started which was like in my my teens

594

00:26:54,790 --> 00:26:52,820

and you know people like me are now

595

00:26:56,890 --> 00:26:54,800

considered the youngest UFO researchers

596

00:26:59,260 --> 00:26:56,900

and I don't think it should be that way

597

00:27:01,150 --> 00:26:59,270

there are people hwayeong girl in me who

598

00:27:03,940 --> 00:27:01,160

are very interested and passionate about

599

00:27:06,730 --> 00:27:03,950

this topic in fact I just released an

600

00:27:08,590 --> 00:27:06,740

article today at rogue planet that's a

601
00:27:10,810 --> 00:27:08,600
sister company that I work with is

602
00:27:13,570 --> 00:27:10,820
somewhere in the skies rogue planet TV I

603
00:27:16,270 --> 00:27:13,580
released an interview with a young much

604
00:27:20,320 --> 00:27:16,280
younger than me man named to Tesh Yadav

605
00:27:23,680 --> 00:27:20,330
and he lives in Delhi India and he is

606
00:27:26,290 --> 00:27:23,690
the youngest UFO researcher probably in

607
00:27:28,180 --> 00:27:26,300
the world to be honest not just in India

608
00:27:30,310 --> 00:27:28,190
and he started up his own UFO

609
00:27:31,840 --> 00:27:30,320
investigation team in India and they go

610
00:27:34,240 --> 00:27:31,850
all around the country investigating

611
00:27:35,800 --> 00:27:34,250
UFOs so I'm in close contact with him

612
00:27:38,860 --> 00:27:35,810
constantly hearing about all these

613
00:27:40,300 --> 00:27:38,870

fascinating cases in India and he's out

614

00:27:43,690 --> 00:27:40,310

there doing this thing no matter what

615

00:27:46,060 --> 00:27:43,700

people think and really making some a

616

00:27:47,950 --> 00:27:46,070

lot of big strides in the UFO research

617

00:27:49,480 --> 00:27:47,960

community so if you want you could check

618

00:27:54,100 --> 00:27:49,490

out that interview right now at rogue

619

00:27:56,620 --> 00:27:54,110

planet dots TV other than that I think

620

00:27:58,330 --> 00:27:56,630

it's super exciting that younger people

621

00:28:01,060 --> 00:27:58,340

are getting involved and I think the

622

00:28:04,390 --> 00:28:01,070

biggest thing is that today's generation

623

00:28:04,950 --> 00:28:04,400

they take they take for granted the fact

624

00:28:06,779 --> 00:28:04,960

that we're

625

00:28:08,070 --> 00:28:06,789

not alone in the universe they know it

626

00:28:10,080 --> 00:28:08,080

okay

627

00:28:11,639 --> 00:28:10,090

it's no longer a question of whether or

628

00:28:15,090 --> 00:28:11,649

not we're alone it's if they've actually

629

00:28:17,870 --> 00:28:15,100

been here or are coming here and if

630

00:28:21,149 --> 00:28:17,880

they're experimenting on people or

631

00:28:23,399 --> 00:28:21,159

messing with our pilots or whatnot so I

632

00:28:26,060 --> 00:28:23,409

think it's really cool that a lot of

633

00:28:29,430 --> 00:28:26,070

people are willing to take that leap and

634

00:28:31,139 --> 00:28:29,440

legitimize the topic and get involved I

635

00:28:32,789 --> 00:28:31,149

think Tom the wrong has a lot to do with

636

00:28:34,680 --> 00:28:32,799

that no matter what you think about to

637

00:28:37,169 --> 00:28:34,690

the Stars Academy he has brought a lot

638

00:28:39,870 --> 00:28:37,179

of younger people into this topic and I

639

00:28:44,580 --> 00:28:39,880

can only see it getting better you know

640

00:28:48,149 --> 00:28:44,590

we were on the CW a TV network geared

641

00:28:49,919 --> 00:28:48,159

towards teenagers so the fact that they

642

00:28:52,049 --> 00:28:49,929

were probably hearing about Roswell for

643

00:28:54,299 --> 00:28:52,059

the very first time the actual incident

644

00:28:56,880 --> 00:28:54,309

is exciting to me now they're gonna go

645

00:28:59,460 --> 00:28:56,890

out and look into this thing and one

646

00:29:02,399 --> 00:28:59,470

gnome owner so right there a 72 year old

647

00:29:04,440 --> 00:29:02,409

case that we all you know think is gone

648

00:29:07,500 --> 00:29:04,450

and dead and everyone's heard about it

649

00:29:09,630 --> 00:29:07,510

is new to a lot of people to a new

650

00:29:16,139 --> 00:29:09,640

generation and I can't wait to see where

651
00:29:18,960 --> 00:29:16,149
that goes knows Carol asks would you go

652
00:29:22,230 --> 00:29:18,970
to Mars with mr. musk for the story of a

653
00:29:23,820 --> 00:29:22,240
lifetime I've thought about that a lot

654
00:29:25,139 --> 00:29:23,830
of people asked like would if you have

655
00:29:27,510 --> 00:29:25,149
the opportunity to go to another planet

656
00:29:31,470 --> 00:29:27,520
would you um I mean from what I'm told

657
00:29:33,779 --> 00:29:31,480
this is a this is a one-way ticket and

658
00:29:38,820 --> 00:29:33,789
there's probably no coming back so I

659
00:29:42,210 --> 00:29:38,830
don't know it would be a big a big thing

660
00:29:43,320 --> 00:29:42,220
to ask of me personally in my own life I

661
00:29:47,220 --> 00:29:43,330
don't know if I would be able to leave

662
00:29:50,130 --> 00:29:47,230
my my friends my family my significant

663
00:29:52,830 --> 00:29:50,140

other behind for that pursuit of course

664

00:29:55,710 --> 00:29:52,840

it would be historical and it would just

665

00:29:57,299 --> 00:29:55,720

be an incredible experience but knowing

666

00:30:01,560 --> 00:29:57,309

that I might never come back I just

667

00:30:04,490 --> 00:30:01,570

don't have the I don't know I don't have

668

00:30:08,370 --> 00:30:04,500

the courage to do something like that

669

00:30:10,370 --> 00:30:08,380

I'll leave that to you much smarter and

670

00:30:11,549 --> 00:30:10,380

dedicated people when it comes to space

671

00:30:13,560 --> 00:30:11,559

exploration

672

00:30:18,040 --> 00:30:13,570

would you care I'd like to know would

673

00:30:25,460 --> 00:30:22,940

let's see there's a big shift in people

674

00:30:26,870 --> 00:30:25,470

believing in UFOs aliens and about not

675

00:30:34,160 --> 00:30:26,880

being alone I've loved it

676

00:30:35,930 --> 00:30:34,170

Kevin I agree with you my man cool so I

677

00:30:38,360 --> 00:30:35,940

said this would it be all about UFOs but

678

00:30:41,000 --> 00:30:38,370

clearly it is if anyone wants to ask me

679

00:30:45,220 --> 00:30:41,010

it asked me anything other than things

680

00:30:53,180 --> 00:30:49,340

other than that little cleaning house

681

00:30:56,000 --> 00:30:53,190

here I'm moving back to New York City

682

00:30:58,400 --> 00:30:56,010

next week and I'm very excited for those

683

00:31:02,360 --> 00:30:58,410

who know we were out here in Los Angeles

684

00:31:04,070 --> 00:31:02,370

for a limited amount of time we knew we

685

00:31:06,200 --> 00:31:04,080

were gonna be moving out of Los Angeles

686

00:31:07,520 --> 00:31:06,210

it came to a surprise to some people but

687

00:31:10,610 --> 00:31:07,530

nope this was planned from the beginning

688

00:31:11,030 --> 00:31:10,620

I'm very excited to be going back to New

689

00:31:14,840 --> 00:31:11,040

York

690

00:31:16,250 --> 00:31:14,850

I am extremely appreciative of the

691

00:31:18,890 --> 00:31:16,260

opportunities I was given here in Los

692

00:31:21,049 --> 00:31:18,900

Angeles and where those might go I don't

693

00:31:24,380 --> 00:31:21,059

know but I'm extremely excited to go

694

00:31:28,520 --> 00:31:24,390

back to to New York greatest city in the

695

00:31:30,290 --> 00:31:28,530

world honestly and and to get back into

696

00:31:32,690 --> 00:31:30,300

the swing of things get back into the

697

00:31:35,180 --> 00:31:32,700

theater world for those of you who may

698

00:31:38,480 --> 00:31:35,190

not know I am a playwright and theatre

699

00:31:40,190 --> 00:31:38,490

is my other big passion in life so I'm

700

00:31:44,720 --> 00:31:40,200

excited to go back and see some shows

701
00:31:46,880 --> 00:31:44,730
and get my job back on Broadway and get

702
00:31:50,330 --> 00:31:46,890
back into writing again for sure

703
00:31:51,799 --> 00:31:50,340
rest assured my UFO work is not going to

704
00:31:54,010 --> 00:31:51,809
the wayside I will be doing that as well

705
00:32:02,060 --> 00:31:54,020
but yeah super excited to get back and

706
00:32:08,710 --> 00:32:02,070
see what happens from there Cory says I

707
00:32:12,470 --> 00:32:10,010
how do you

708
00:32:14,870 --> 00:32:12,480
the Falcon Lake experience the

709
00:32:17,480 --> 00:32:14,880
Lake UFO incident is extremely

710
00:32:19,570 --> 00:32:17,490
interesting and I just received a book

711
00:32:22,850 --> 00:32:19,580
about it that I'm going to review and

712
00:32:24,530 --> 00:32:22,860
interview people about in the near

713
00:32:26,480 --> 00:32:24,540

future so stay tuned for that but a

714

00:32:27,920 --> 00:32:26,490

really fascinating case out of Canada so

715

00:32:30,500 --> 00:32:27,930

if you haven't heard of it

716

00:32:32,990 --> 00:32:30,510

Google Falcon Lake UFO encounter and

717

00:32:34,850 --> 00:32:33,000

check it out and be prepared for a very

718

00:32:36,650 --> 00:32:34,860

explosive interview about that on

719

00:32:41,350 --> 00:32:36,660

somewhere in the skies in the near

720

00:32:49,760 --> 00:32:46,010

let's see hi Nicole hi Derrick Derrick

721

00:32:57,160 --> 00:32:49,770

asks what's your favorite food my

722

00:33:02,630 --> 00:32:59,480

probably polka

723

00:33:04,430 --> 00:33:02,640

I've I love polka for some reason I

724

00:33:06,860 --> 00:33:04,440

probably just say that because I had it

725

00:33:11,360 --> 00:33:06,870

today but every time I have it it never

726
00:33:16,900 --> 00:33:11,370
ceases to amaze me and really into sushi

727
00:33:19,280 --> 00:33:16,910
as well I guess everything for raw fish

728
00:33:21,710 --> 00:33:19,290
other than that I am a sucker for a

729
00:33:28,520 --> 00:33:21,720
digital no pizza you don't know why I

730
00:33:32,600 --> 00:33:28,530
just am let's see what did you think of

731
00:33:34,760 --> 00:33:32,610
the last Jedi Kevin asks yeah I feel

732
00:33:39,290 --> 00:33:34,770
like that was like so long ago at this

733
00:33:41,600 --> 00:33:39,300
point I really liked it I know a lot of

734
00:33:43,880 --> 00:33:41,610
people had issues with it and how things

735
00:33:45,770 --> 00:33:43,890
sort of turned out for our Luke

736
00:33:48,410 --> 00:33:45,780
Skywalker but I thought it was a

737
00:33:48,620 --> 00:33:48,420
beautiful movie I have some issues with

738
00:33:50,720 --> 00:33:48,630

it

739

00:33:52,520 --> 00:33:50,730

storytelling wise but other than that I

740

00:33:54,940 --> 00:33:52,530

love the direction these movies are

741

00:33:58,970 --> 00:33:54,950

going I love that we are getting new

742

00:34:00,920 --> 00:33:58,980

characters good rich characters with

743

00:34:04,820 --> 00:34:00,930

substance that we can now follow into a

744

00:34:07,310 --> 00:34:04,830

new old generation of Star Wars I'm glad

745

00:34:09,800 --> 00:34:07,320

they're kind of you know calibrating no

746

00:34:12,830 --> 00:34:09,810

not forcing these movies down our throat

747

00:34:14,510 --> 00:34:12,840

every December so and that they're

748

00:34:17,780 --> 00:34:14,520

stepping back with like these standalone

749

00:34:19,700 --> 00:34:17,790

movies at the Han Solo I think they were

750

00:34:23,360 --> 00:34:19,710

going to do a Boba Fett movie Darth

751
00:34:24,260 --> 00:34:23,370
Vader movie at one point so I'm happy

752
00:34:27,260 --> 00:34:24,270
that they're kind of

753
00:34:29,600 --> 00:34:27,270
like realizing that there can be too

754
00:34:32,300 --> 00:34:29,610
much of something even if we love it so

755
00:34:34,340 --> 00:34:32,310
take your time Disney I know you're

756
00:34:36,530 --> 00:34:34,350
watching this right now take your time

757
00:34:38,570 --> 00:34:36,540
give us that third installment of this

758
00:34:40,430 --> 00:34:38,580
new trilogy and I can't wait to see

759
00:34:42,740 --> 00:34:40,440
where it goes next I'm also very excited

760
00:34:46,070 --> 00:34:42,750
about the new TV show coming out the

761
00:34:47,780 --> 00:34:46,080
mandalorian I love I love Boba Fett I

762
00:34:50,240 --> 00:34:47,790
know this isn't motive that in the show

763
00:34:51,800 --> 00:34:50,250

but I love that whole concept and just a

764

00:34:53,870 --> 00:34:51,810

tank and I can't wait to see what they

765

00:34:56,540 --> 00:34:53,880

come up with that show and take of my TV

766

00:35:00,650 --> 00:34:56,550

is directing it as well so that's super

767

00:35:07,070 --> 00:35:03,730

let's see Carol says my entire believe

768

00:35:10,430 --> 00:35:07,080

Retton resumes musical meets you

769

00:35:14,960 --> 00:35:10,440

oh so I think it's coming up kind of

770

00:35:16,850 --> 00:35:14,970

soon but Fox is doing a live recording

771

00:35:20,780 --> 00:35:16,860

or no sorry a live broadcast of rent

772

00:35:22,760 --> 00:35:20,790

which is my favorite musical for anyone

773

00:35:24,800 --> 00:35:22,770

who knows me for my theater days that's

774

00:35:28,160 --> 00:35:24,810

the show that got me into theater I was

775

00:35:30,650 --> 00:35:28,170

a young kid young jock playing baseball

776

00:35:35,720 --> 00:35:30,660

that was my life and my mom forced me to

777

00:35:38,120 --> 00:35:35,730

go to a a regional production of a show

778

00:35:40,730 --> 00:35:38,130

in Syracuse New York where I'm from and

779

00:35:43,220 --> 00:35:40,740

it was rent and after the first song I

780

00:35:45,800 --> 00:35:43,230

just was blown away I was hooked after

781

00:35:47,870 --> 00:35:45,810

that I became obsessed with rent I

782

00:35:50,120 --> 00:35:47,880

became obsessed with musical theater and

783

00:35:53,290 --> 00:35:50,130

then theater in general so much so that

784

00:35:56,930 --> 00:35:53,300

I ended up giving up my my baseballs

785

00:35:59,120 --> 00:35:56,940

aspirations and joined the theater club

786

00:36:01,040 --> 00:35:59,130

in high school and then eventually in

787

00:36:02,860 --> 00:36:01,050

college and majored in theater I've

788

00:36:05,870 --> 00:36:02,870

spent two years on the road acting

789

00:36:07,400 --> 00:36:05,880

educational theater doing theater for

790

00:36:09,470 --> 00:36:07,410

underprivileged kids all across the

791

00:36:11,620 --> 00:36:09,480

country which was probably one of the

792

00:36:13,820 --> 00:36:11,630

most rewarding experiences of my life

793

00:36:17,240 --> 00:36:13,830

more so than going to the Roswell UFO

794

00:36:19,700 --> 00:36:17,250

crash I have to admit that and I miss it

795

00:36:21,170 --> 00:36:19,710

I miss it sometimes but I am a

796

00:36:24,020 --> 00:36:21,180

playwright now and that's what I find

797

00:36:26,570 --> 00:36:24,030

most rewarding is creating creating

798

00:36:29,750 --> 00:36:26,580

plays and creating characters for actors

799

00:36:32,930 --> 00:36:29,760

to then interpret their own way in their

800

00:36:36,140 --> 00:36:32,940

own intricacies so yeah yeah I'm a big

801
00:36:37,460 --> 00:36:36,150
theatre fan as well back to rent it's

802
00:36:37,670 --> 00:36:37,470
gonna be a live broadcast I don't know

803
00:36:39,019 --> 00:36:37,680
how

804
00:36:40,730 --> 00:36:39,029
oh they're gonna do that for a family

805
00:36:44,720 --> 00:36:40,740
from the audience rent is a little

806
00:36:46,940 --> 00:36:44,730
risque for those who know but there was

807
00:36:49,519 --> 00:36:46,950
an article recently about is rent a good

808
00:36:51,440 --> 00:36:49,529
or bad show and a lot of people think

809
00:36:54,049 --> 00:36:51,450
it's a bad show a lot of people love it

810
00:36:56,539 --> 00:36:54,059
but for me rent just is it just is it

811
00:36:57,980 --> 00:36:56,549
was that for me and it got me into the

812
00:37:03,970 --> 00:36:57,990
world of theater and changed my life so

813
00:37:13,700 --> 00:37:09,740

let's see who's your favorite Star Trek

814

00:37:15,950 --> 00:37:13,710

captain Jason asks I never really got

815

00:37:20,930 --> 00:37:15,960

into Star Trek but I would probably have

816

00:37:23,329 --> 00:37:20,940

to go with with jean-luc Picard just

817

00:37:26,240 --> 00:37:23,339

because that was the only version of

818

00:37:29,150 --> 00:37:26,250

Star Trek I ever watched semi

819

00:37:31,670 --> 00:37:29,160

consistently I guess and Atris theory

820

00:37:33,680 --> 00:37:31,680

like he's amazing so I'd have to go with

821

00:37:38,359 --> 00:37:33,690

him I don't know much about Star Trek

822

00:37:45,289 --> 00:37:38,369

I'm sorry the kid says you'd liked last

823

00:37:54,440 --> 00:37:45,299

Jedi blasphemy yes I liked it let's see

824

00:37:58,579 --> 00:37:54,450

if I'm missing anything here can you

825

00:38:00,170 --> 00:37:58,589

guys hear that bicycle horn can anyone

826

00:38:03,769 --> 00:38:00,180

hear that let me know if you can hear

827

00:38:05,720 --> 00:38:03,779

that there's a guy who comes by our

828

00:38:07,940 --> 00:38:05,730

apartment building every night with a

829

00:38:11,450 --> 00:38:07,950

bicycle horn and he sells something I

830

00:38:16,460 --> 00:38:11,460

don't know some kind of food or I think

831

00:38:20,210 --> 00:38:16,470

it's like what do you call pork rinds or

832

00:38:22,130 --> 00:38:20,220

something like that but yeah I know it's

833

00:38:24,349 --> 00:38:22,140

about 7:30 every night when I hear that

834

00:38:26,390 --> 00:38:24,359

bike horn coming through the

835

00:38:34,640 --> 00:38:26,400

neighborhood for sure I'll probably miss

836

00:38:35,809 --> 00:38:34,650

that when I leave um let's see what else

837

00:38:38,870 --> 00:38:35,819

do I have here

838

00:38:41,799 --> 00:38:38,880

for you guys oh I'm going to be speaking

839

00:38:45,589 --> 00:38:41,809

at Eglin con here in Los Angeles on June

840

00:38:48,859 --> 00:38:45,599

21st 22nd and 23rd I will be joined by

841

00:38:50,390 --> 00:38:48,869

my fellow rogue planet colleague Jason

842

00:38:51,109 --> 00:38:50,400

McClellan we're going to be giving talks

843

00:38:56,569 --> 00:38:51,119

and

844

00:38:59,660 --> 00:38:56,579

podcast recordings experimenter sessions

845

00:39:01,640 --> 00:38:59,670

so if you've had a UFO sighting or close

846

00:39:03,890 --> 00:39:01,650

encounter experience or anything of the

847

00:39:05,959 --> 00:39:03,900

El come you can come to this and tell

848

00:39:10,579 --> 00:39:05,969

your story so we're really excited about

849

00:39:14,120 --> 00:39:10,589

all this and this will be my third alien

850

00:39:16,099 --> 00:39:14,130

con hosted by AME and the ancient aliens

851
00:39:18,200 --> 00:39:16,109
television show no matter what you think

852
00:39:21,200 --> 00:39:18,210
of hz' aliens they put on one heck of a

853
00:39:23,569 --> 00:39:21,210
convention and they are so welcoming to

854
00:39:25,579 --> 00:39:23,579
the actual UFO researchers out there and

855
00:39:28,099 --> 00:39:25,589
have opened their arms to us and wants

856
00:39:30,799 --> 00:39:28,109
us to get our information out to the

857
00:39:33,640 --> 00:39:30,809
mass public who consume ancient aliens

858
00:39:37,069 --> 00:39:33,650
and see how it can all work together to

859
00:39:39,140 --> 00:39:37,079
bring actual UFO information to the

860
00:39:41,390 --> 00:39:39,150
public so I'm really excited about that

861
00:39:43,670 --> 00:39:41,400
if you're on the west coast or even if

862
00:39:46,130 --> 00:39:43,680
you're not it's early enough to start

863
00:39:49,489 --> 00:39:46,140

thinking about coming June 21st 22nd

864

00:39:51,499 --> 00:39:49,499

23rd at the LA Convention Center I will

865

00:39:53,569 --> 00:39:51,509

have a discount code for tickets for

866

00:39:56,569 --> 00:39:53,579

somewhere on the skies so look for that

867

00:39:59,660 --> 00:39:56,579

in upcoming episodes at the podcast on

868

00:40:01,999 --> 00:39:59,670

my social networks Twitter and Facebook

869

00:40:04,599 --> 00:40:02,009

and all that good stuff and I hope to

870

00:40:07,640 --> 00:40:04,609

see that it's a super super fun

871

00:40:10,160 --> 00:40:07,650

convention and you can do one day two

872

00:40:12,380 --> 00:40:10,170

days three days whatever you want I'll

873

00:40:15,200 --> 00:40:12,390

be there the whole time signing books

874

00:40:17,959 --> 00:40:15,210

selling stuff again doing a lot of

875

00:40:19,999 --> 00:40:17,969

interviews and whatnot so come say hi

876

00:40:22,039 --> 00:40:20,009

I'd love to meet you if I haven't before

877

00:40:29,569 --> 00:40:22,049

so yeah really looking forward to that

878

00:40:32,239 --> 00:40:29,579

in June speaking of books right now I am

879

00:40:34,099 --> 00:40:32,249

doing a pre-order for my book somewhere

880

00:40:37,160 --> 00:40:34,109

in the skies a human approach to an

881

00:40:38,779 --> 00:40:37,170

alien phenomenon so yeah if you're

882

00:40:41,930 --> 00:40:38,789

interested inside books of getting a

883

00:40:45,019 --> 00:40:41,940

limited amount before an alien con and

884

00:40:46,880 --> 00:40:45,029

that is available to anyone all you got

885

00:40:49,249 --> 00:40:46,890

to do is reach out to me on Facebook

send me a personal message or use the

887

00:40:53,209 --> 00:40:50,759

contact tab at the somewhere in the

888

00:40:55,910 --> 00:40:53,219

skies website and reach out to meet

889

00:40:57,739 --> 00:40:55,920

890

00:40:59,870 --> 00:40:57,749

want in there give you my chicken

891

00:41:01,910 --> 00:40:59,880

scratch and send it on its way those

892

00:41:03,749 --> 00:41:01,920

books will be available in mid February

893

00:41:05,969 --> 00:41:03,759

but you can pre-order them right now

894

00:41:08,309 --> 00:41:05,979

895

00:41:10,559 --> 00:41:08,319

actually going really fast way faster

896

00:41:12,749 --> 00:41:10,569

than they ever expected so thank you to

897

00:41:14,699 --> 00:41:12,759

all of you for your support

898

00:41:24,870 --> 00:41:14,709

900

00:41:26,939 --> 00:41:26,380

someone knocking at your door selling

901
00:41:29,759 --> 00:41:26,949
weed

902
00:41:34,799 --> 00:41:29,769
Nathan asks no just pork rinds my man

903
00:41:37,409 --> 00:41:34,809
wouldn't mind the weed though I didn't

904
00:41:39,899 --> 00:41:37,419
say that if my mom's watching she's not

905
00:41:45,359 --> 00:41:39,909
watching it's her birthday so happy

906
00:41:48,809 --> 00:41:45,369
birthday sue Sprague it's been a it's

907
00:41:51,120 --> 00:41:48,819
been a turbulent year for my mother

908
00:41:52,949 --> 00:41:51,130
health-wise and for a lot of you who

909
00:41:55,319 --> 00:41:52,959
don't know she had a organ transplant

910
00:41:58,739 --> 00:41:55,329
almost two decades ago with this one

911
00:42:01,229 --> 00:41:58,749
which is insane she's exceeded every

912
00:42:03,899 --> 00:42:01,239
expectation from her doctors and lives a

913
00:42:06,179 --> 00:42:03,909

full life and today is yet another day

914

00:42:10,739 --> 00:42:06,189

to celebrate another year in her life so

915

00:42:12,479 --> 00:42:10,749

I'm super super touched for everyone

916

00:42:14,549 --> 00:42:12,489

who's reached out to her and wished her

917

00:42:16,079 --> 00:42:14,559

a happy birthday and I'm wishing her one

918

00:42:22,849 --> 00:42:16,089

right now she's probably in bed at this

919

00:42:32,329 --> 00:42:27,019

what is the best place to visit in LA

920

00:42:39,749 --> 00:42:36,169

well I think some of the best places are

921

00:42:42,389 --> 00:42:39,759

probably the museums to be honest I love

922

00:42:45,059 --> 00:42:42,399

me New York but the museums in Los

923

00:42:48,359 --> 00:42:45,069

Angeles are incredible I have to admit

924

00:42:50,789 --> 00:42:48,369

that so if you're in this area check out

925

00:42:52,620 --> 00:42:50,799

any museum they got every kind of one

926

00:42:56,519 --> 00:42:52,630

you can think of in the building a new

927

00:42:58,289 --> 00:42:56,529

one near the National History Museum in

928

00:43:00,749 --> 00:42:58,299

downtown Los Angeles and it's gonna be

929

00:43:04,109 --> 00:43:00,759

George Lucas related which is going to

930

00:43:07,309 --> 00:43:04,119

be really cool Mark Hamill was cited on

931

00:43:14,390 --> 00:43:07,319

the USC campus a couple days ago

932

00:43:19,280 --> 00:43:16,430

let's see any plans of you coming to

933

00:43:21,350 --> 00:43:19,290

Canada for convention Cory asks I hope

934

00:43:24,550 --> 00:43:21,360

so man actually yes I've actually

935

00:43:28,190 --> 00:43:24,560

already scheduled for a convention in

936

00:43:30,020 --> 00:43:28,200

2020 so these guys really like to plan

937

00:43:33,410 --> 00:43:30,030

ahead but yes I'll be speaking at the

938

00:43:35,980 --> 00:43:33,420

shag harbour convention in 2020 I'll

939

00:43:38,510 --> 00:43:35,990

have a lot more information on that as

940

00:43:40,940 --> 00:43:38,520

2019 passes again they really like to

941

00:43:43,010 --> 00:43:40,950

plan ahead but I respect that and I'm

942

00:43:46,700 --> 00:43:43,020

super excited to do that other than that

943

00:43:49,130 --> 00:43:46,710

I might be in the Nova Scotia area at

944

00:43:51,800 --> 00:43:49,140

some point I do the esoteric on every

945

00:43:54,620 --> 00:43:51,810

year hosted by Paul Kimball our mutual

946

00:43:57,860 --> 00:43:54,630

colleague in the UFO field and ghost

947

00:44:01,040 --> 00:43:57,870

hunter he has a wonderful show on East

948

00:44:03,800 --> 00:44:01,050

flank in Nova Scotia in Canada called

949

00:44:05,630 --> 00:44:03,810

haunted so if you do live in Canada

950

00:44:07,610 --> 00:44:05,640

please be sure to check that out it's

951
00:44:09,590 --> 00:44:07,620
one of the most unreal paranormal

952
00:44:11,990 --> 00:44:09,600
investigative shows I've ever seen like

953
00:44:14,810 --> 00:44:12,000
they cut past all the BS all the

954
00:44:16,940 --> 00:44:14,820
sensationalism and do true paranormal

955
00:44:19,880 --> 00:44:16,950
investigations so check that out so

956
00:44:21,710 --> 00:44:19,890
hopefully esoterica in 2018 I will be

957
00:44:23,240 --> 00:44:21,720
seeing you guys I don't know maybe they

958
00:44:27,190 --> 00:44:23,250
don't want me back maybe I'm too boring

959
00:44:36,730 --> 00:44:31,400
let's see your mom rocks Courtney says I

960
00:44:41,870 --> 00:44:40,220
let's see any nobody answered that did

961
00:44:50,960 --> 00:44:41,880
you see any UFOs in Hawaii

962
00:44:54,290 --> 00:44:50,970
Ellen asks hmm no actually I'd see any

963
00:44:56,510 --> 00:44:54,300

UFOs um I had some really weird kind of

964

00:44:59,900 --> 00:44:56,520

like paranormal experiences when I went

965

00:45:02,180 --> 00:44:59,910

on a ghost tour with Iopaka Kappa Nui

966

00:45:06,760 --> 00:45:02,190

who's like the pre-eminent paranormal

967

00:45:09,350 --> 00:45:06,770

investigator on the island of Oahu and

968

00:45:12,560 --> 00:45:09,360

that was really cool I got like a

969

00:45:15,680 --> 00:45:12,570

private ghost to her with my girlfriend

970

00:45:19,310 --> 00:45:15,690

and her mom and he took us to the eel

971

00:45:23,330 --> 00:45:19,320

ami palace which is in downtown Honolulu

972

00:45:25,660 --> 00:45:23,340

and we were going by the palace and as

973

00:45:27,940 --> 00:45:25,670

we approached the front of

974

00:45:31,750 --> 00:45:27,950

I looked up into a window on like the

975

00:45:34,450 --> 00:45:31,760

second floor and I saw a like silhouette

976

00:45:35,590 --> 00:45:34,460

of a woman peeking out of the curtain

977

00:45:37,480 --> 00:45:35,600

and that closed it quickly and

978

00:45:38,770 --> 00:45:37,490

disappeared and I was like I was

979

00:45:41,140 --> 00:45:38,780

probably like someone cleaning the room

980

00:45:44,590 --> 00:45:41,150

cleaning the windows or whatever but the

981

00:45:47,460 --> 00:45:44,600

palace was closed at this point and not

982

00:45:49,930 --> 00:45:47,470

only that after I had that experience

983

00:45:51,970 --> 00:45:49,940

lopaka informed us that that was the

984

00:45:54,880 --> 00:45:51,980

room that they actually kept someone who

985

00:45:57,970 --> 00:45:54,890

like imprisoned basically a young woman

986

00:46:01,420 --> 00:45:57,980

in that room the Queen I believe at the

987

00:46:03,040 --> 00:46:01,430

time so that was super interesting I had

988

00:46:05,440 --> 00:46:03,050

no idea about the history about the

989

00:46:07,690 --> 00:46:05,450

palace or any of that I saw it and then

990

00:46:08,800 --> 00:46:07,700

he went on to tell me about this woman

991

00:46:11,350 --> 00:46:08,810

was trapped in that room and she would

992

00:46:15,280 --> 00:46:11,360

look out the window a lot so that gave

993

00:46:17,770 --> 00:46:15,290

me chills and I I told him that after

994

00:46:19,600 --> 00:46:17,780

after he had told us that so he wasn't

995

00:46:21,400 --> 00:46:19,610

influenced about anything I had told him

996

00:46:22,990 --> 00:46:21,410

so I don't know what to make of it it

997

00:46:24,820 --> 00:46:23,000

was someone in there cleaning windows I

998

00:46:26,980 --> 00:46:24,830

don't know but it was pretty late dark

999

00:46:29,200 --> 00:46:26,990

the whole palace was dark but that one

1000

00:46:30,940 --> 00:46:29,210

light was on and I definitely saw

1001
00:46:31,330 --> 00:46:30,950
someone in there so I don't know what to

1002
00:46:38,640 --> 00:46:31,340
make of that

1003
00:46:42,070 --> 00:46:41,020
Paulists did the deep state silence

1004
00:46:45,220 --> 00:46:42,080
diana pisanka

1005
00:46:47,680 --> 00:46:45,230
my guest on next week's episode so yeah

1006
00:46:50,620 --> 00:46:47,690
if anyone did follow Diana on her social

1007
00:46:53,260 --> 00:46:50,630
networks she has disappeared she's ghost

1008
00:46:55,210 --> 00:46:53,270
did the Internet and we actually talked

1009
00:46:57,099 --> 00:46:55,220
before the interview about that and she

1010
00:46:58,990 --> 00:46:57,109
gave a really good reason these

1011
00:47:01,300 --> 00:46:59,000
scientists she are working with she is

1012
00:47:05,260 --> 00:47:01,310
working with it I can't talk

1013
00:47:08,200 --> 00:47:05,270

they are very prominent and she made me

1014

00:47:10,480 --> 00:47:08,210

aware of these individuals some of them

1015

00:47:11,980 --> 00:47:10,490

and I don't blame her

1016

00:47:14,500 --> 00:47:11,990

not only that she is working with

1017

00:47:16,890 --> 00:47:14,510

government and military people on the

1018

00:47:19,450 --> 00:47:16,900

interviews that she got for the book and

1019

00:47:19,720 --> 00:47:19,460

some further research she's doing right

1020

00:47:23,680 --> 00:47:19,730

now

1021

00:47:26,650 --> 00:47:23,690

and in order to keep those sources and

1022

00:47:29,260 --> 00:47:26,660

to get their information she had to get

1023

00:47:32,730 --> 00:47:29,270

off of things like facebook Messenger

1024

00:47:35,380 --> 00:47:32,740

you know where we know that all of our

1025

00:47:37,910 --> 00:47:35,390

conversations are monitored at some

1026

00:47:39,740 --> 00:47:37,920

point and they didn't want

1027

00:47:41,720 --> 00:47:39,750

a chance of her like leaking their names

1028

00:47:43,610 --> 00:47:41,730

to the public or even like Facebook

1029

00:47:44,990 --> 00:47:43,620

finding out this information that she

1030

00:47:47,890 --> 00:47:45,000

was giving to them and stuff so I

1031

00:47:50,150 --> 00:47:47,900

thought that was really interesting and

1032

00:47:52,340 --> 00:47:50,160

when she does give interviews

1033

00:47:55,160 --> 00:47:52,350

she's briefed on what she can and can't

1034

00:47:57,320 --> 00:47:55,170

talk about so I think she did the safe

1035

00:47:59,150 --> 00:47:57,330

thing and got off of social networks

1036

00:48:00,200 --> 00:47:59,160

maybe we'll see her back on in the

1037

00:48:03,410 --> 00:48:00,210

future but for now I completely

1038

00:48:06,500 --> 00:48:03,420

understand it I respect it and I know

1039

00:48:08,510 --> 00:48:06,510

it's for the better so yeah that's all I

1040

00:48:12,580 --> 00:48:08,520

got to say about that deep state no then

1041

00:48:19,250 --> 00:48:15,950

um asks did my girlfriend graduate yes

1042

00:48:19,820 --> 00:48:19,260

he at the yet yes the answer is yes yes

1043

00:48:22,100 --> 00:48:19,830

she did

1044

00:48:24,230 --> 00:48:22,110

she graduated a couple months ago

1045

00:48:26,660 --> 00:48:24,240

actually she just got her tip loma and

1046

00:48:28,730 --> 00:48:26,670

is on the track to some incredible

1047

00:48:33,850 --> 00:48:28,740

things that I can't talk about she's

1048

00:48:36,410 --> 00:48:33,860

gonna be a spy no not really

1049

00:48:43,480 --> 00:48:36,420

yes she did she graduated at the top of

1050

00:48:51,760 --> 00:48:47,390

let's see I'll buy you a beer thank you

1051
00:49:01,160 --> 00:48:55,010
Carol yes I did apparently see the Queen

1052
00:49:03,470 --> 00:49:01,170
in Hawaii where would you suggest is the

1053
00:49:08,810 --> 00:49:03,480
most active spot for UFO sightings in

1054
00:49:12,830 --> 00:49:08,820
the US Ashley asks man anywhere

1055
00:49:14,830 --> 00:49:12,840
probably in the Arizona or New Mexico

1056
00:49:18,530 --> 00:49:14,840
areas where the skies are just

1057
00:49:23,150 --> 00:49:18,540
completely pitch black filled with stars

1058
00:49:25,610 --> 00:49:23,160
satellites and the most incredible like

1059
00:49:28,340 --> 00:49:25,620
sky watches you can ever imagine so I

1060
00:49:31,160 --> 00:49:28,350
would say a lot of UFO sightings in the

1061
00:49:33,590 --> 00:49:31,170
US are in those areas California's

1062
00:49:36,410 --> 00:49:33,600
another big one once you get out of the

1063
00:49:39,470 --> 00:49:36,420

LA areas and head out into the mountains

1064

00:49:42,290 --> 00:49:39,480

and deserts so if you really want to see

1065

00:49:47,090 --> 00:49:42,300

a UFO you can make it happen we're not

1066

00:49:49,490 --> 00:49:47,100

saying it's aliens yeah go to Joshua

1067

00:49:51,060 --> 00:49:49,500

Tree if you're in the California area

1068

00:49:52,980 --> 00:49:51,070

get out there

1069

00:49:54,780 --> 00:49:52,990

and check out the skies you're gonna see

1070

00:49:57,510 --> 00:49:54,790

some incredible things even if they

1071

00:50:00,180 --> 00:49:57,520

aren't UFOs it's just it's incredible

1072

00:50:02,130 --> 00:50:00,190

what is out there that is identifiable

1073

00:50:09,080 --> 00:50:02,140

so yeah I'd say anywhere in the

1074

00:50:15,210 --> 00:50:11,400

Cory asks have you ever seen yourself

1075

00:50:18,420 --> 00:50:15,220

seeing a UFO yourself yeah I have I told

1076

00:50:20,850 --> 00:50:18,430

this many times on the podcast in the

1077

00:50:22,290 --> 00:50:20,860

book and on the Roswell mysteries to

1078

00:50:24,180 --> 00:50:22,300

code an episode as well I had a UFO

1079

00:50:26,880 --> 00:50:24,190

sighting when I was 12 years old of a

1080

00:50:28,440 --> 00:50:26,890

triangular formation in the sky three

1081

00:50:31,680 --> 00:50:28,450

white lights red light in the middle

1082

00:50:33,750 --> 00:50:31,690

prototypical of a triangular UFO I did

1083

00:50:35,760 --> 00:50:33,760

not see a structure so I can't tell you

1084

00:50:38,790 --> 00:50:35,770

if this was like a machine or not but it

1085

00:50:40,980 --> 00:50:38,800

was a huge triangular formation floated

1086

00:50:43,800 --> 00:50:40,990

over the Saint Lawrence River in upstate

1087

00:50:45,630 --> 00:50:43,810

New York the River connects Canada in

1088

00:50:48,210 --> 00:50:45,640

the US and it floated from the US over

1089

00:50:50,310 --> 00:50:48,220

to Canada so they clearly wanted free

1090

00:50:51,300 --> 00:50:50,320

health insurance or something I don't

1091

00:50:52,950 --> 00:50:51,310

know

1092

00:50:55,470 --> 00:50:52,960

let's see those are just so damn nice

1093

00:50:57,060 --> 00:50:55,480

over there so yes I have had a UFO

1094

00:50:58,830 --> 00:50:57,070

sighting it sent me on the course I am

1095

00:51:07,670 --> 00:50:58,840

today and I want to change that for a

1096

00:51:10,860 --> 00:51:07,680

thing let's see

1097

00:51:13,290 --> 00:51:10,870

Rick says had a discussion about you at

1098

00:51:16,740 --> 00:51:13,300

my winery tonight guests talking about

1099

00:51:18,330 --> 00:51:16,750

UFOs and aliens after a while of some of

1100

00:51:20,040 --> 00:51:18,340

their wild stories I mentioned your

1101
00:51:21,990 --> 00:51:20,050
podcast and they all want to listen now

1102
00:51:23,130 --> 00:51:22,000
maybe a few new listeners Wow Rick

1103
00:51:25,200 --> 00:51:23,140
that's so awesome

1104
00:51:28,710 --> 00:51:25,210
thank you man word of mouth is the best

1105
00:51:31,440 --> 00:51:28,720
way to get your podcast across to people

1106
00:51:32,760 --> 00:51:31,450
I've learned that for those of you who

1107
00:51:34,230 --> 00:51:32,770
follow me on social networks

1108
00:51:36,270 --> 00:51:34,240
I am shameless when it comes to

1109
00:51:38,880 --> 00:51:36,280
promoting my podcast but that's just why

1110
00:51:41,340 --> 00:51:38,890
I am like that I like the hustle but it

1111
00:51:43,080 --> 00:51:41,350
is word-of-mouth that really really gets

1112
00:51:45,090 --> 00:51:43,090
it out there and I've heard from so many

1113
00:51:47,280 --> 00:51:45,100

people that they told someone about it

1114

00:51:49,470 --> 00:51:47,290

they started listening so I really

1115

00:51:51,330 --> 00:51:49,480

appreciate when you guys do that you

1116

00:51:54,140 --> 00:51:51,340

know you telling one person in about the

1117

00:51:56,670 --> 00:51:54,150

podcast then is a trickle effect and

1118

00:51:59,130 --> 00:51:56,680

normalizes the topic and gets more

1119

00:52:01,620 --> 00:51:59,140

people interested and telling their own

1120

00:52:03,340 --> 00:52:01,630

stories so that we can bring those

1121

00:52:06,520 --> 00:52:03,350

stories to the public and make the

1122

00:52:08,140 --> 00:52:06,530

topic even more normal so yeah thank you

1123

00:52:10,510 --> 00:52:08,150

to everyone who's ever done that told

1124

00:52:13,200 --> 00:52:10,520

anyone about the podcast book or just

1125

00:52:16,360 --> 00:52:13,210

the UFO community and field in general

1126
00:52:19,540 --> 00:52:16,370
it only helps us so thank you thank you

1127
00:52:21,760 --> 00:52:19,550
so much for doing that what kind of

1128
00:52:27,550 --> 00:52:21,770
warning were they drinking I'm a

1129
00:52:31,230 --> 00:52:27,560
Cabernet then Nathan a scotch

1130
00:52:34,660 --> 00:52:31,240
preferences favorite wines or cocktails

1131
00:52:36,610 --> 00:52:34,670
let's see whiskey I am a rife and

1132
00:52:41,710 --> 00:52:36,620
Templeton rye is probably my go-to for

1133
00:52:43,930 --> 00:52:41,720
that also Buffalo Trace bourbon I've

1134
00:52:47,110 --> 00:52:43,940
been to that distillery twice now and I

1135
00:52:49,030 --> 00:52:47,120
love love me some some Buffalo Trace so

1136
00:52:52,450 --> 00:52:49,040
those are my favorite in terms of the

1137
00:52:55,390 --> 00:52:52,460
Browns cocktails i've really gotten

1138
00:52:58,870 --> 00:52:55,400

hooked on gin Atomics it is the most

1139

00:53:01,180 --> 00:52:58,880

refreshing experience ever and I have to

1140

00:53:03,010 --> 00:53:01,190

thank my wonderful significant other for

1141

00:53:05,380 --> 00:53:03,020

giving me hooked on those so if we're

1142

00:53:09,880 --> 00:53:05,390

going cocktails definitely that or a

1143

00:53:11,740 --> 00:53:09,890

nice what's it called Don Draper drink

1144

00:53:14,670 --> 00:53:11,750

I'm old fashioned there we have I love

1145

00:53:22,220 --> 00:53:14,680

old fashions as well

1146

00:53:24,800 --> 00:53:22,230

wine makes me do sleepy Frank says just

1147

00:53:26,810 --> 00:53:24,810

- shut up big fan in your podcast you're

1148

00:53:29,480 --> 00:53:26,820

a great interviewer I've got a couple of

1149

00:53:30,920 --> 00:53:29,490

experiences to share soon I can't wait

1150

00:53:32,900 --> 00:53:30,930

to hear about this Frank yes please

1151
00:53:35,420 --> 00:53:32,910
reach out to me through the contact tab

1152
00:53:37,190 --> 00:53:35,430
on the website or think Facebook message

1153
00:53:39,290 --> 00:53:37,200
or whatever you want to do man let's get

1154
00:53:52,090 --> 00:53:39,300
hooked that band down let's talk for

1155
00:53:59,210 --> 00:53:57,280
am I forgetting anything on my list I

1156
00:54:01,760 --> 00:53:59,220
think that's it what do you guys think a

1157
00:54:04,160 --> 00:54:01,770
project Bluebook anyone out there a fan

1158
00:54:06,710 --> 00:54:04,170
not a fan how does it compare to the

1159
00:54:09,020 --> 00:54:06,720
actual life of Jo Ann hi Nick I had the

1160
00:54:11,000 --> 00:54:09,030
creator and the showrunner both of them

1161
00:54:13,460 --> 00:54:11,010
on the show a few weeks ago to talk all

1162
00:54:15,650 --> 00:54:13,470
about the process their research but

1163
00:54:18,170 --> 00:54:15,660

it's a very divisive show right now for

1164

00:54:20,060 --> 00:54:18,180

the UFO enthusiasts out there and how

1165

00:54:22,160 --> 00:54:20,070

far it reaches into the fictional realm

1166

00:54:25,630 --> 00:54:22,170

but we're dealing with that with the

1167

00:54:29,330 --> 00:54:25,640

Roswell New Mexico show - these are not

1168

00:54:32,240 --> 00:54:29,340

documentaries these are fiction shows so

1169

00:54:32,900 --> 00:54:32,250

those out there making that argument get

1170

00:54:34,820 --> 00:54:32,910

over it

1171

00:54:37,580 --> 00:54:34,830

all right just enjoy it for what it is

1172

00:54:39,470 --> 00:54:37,590

you may not like the show but don't hate

1173

00:54:42,109 --> 00:54:39,480

on those who do because I really enjoy

1174

00:54:46,670 --> 00:54:42,119

it and I think it's well acted

1175

00:54:48,740 --> 00:54:46,680

well-written it's gorgeous and it gets

1176

00:54:50,690 --> 00:54:48,750

Jalen her next name out there may not be

1177

00:54:53,570 --> 00:54:50,700

the most accurate but they've got the

1178

00:54:55,490 --> 00:54:53,580

blessing of the family for the show and

1179

00:54:57,890 --> 00:54:55,500

that's all I need to hear is that they

1180

00:55:01,190 --> 00:54:57,900

gave the okay for it and they continued

1181

00:55:03,320 --> 00:55:01,200

to promote it so yeah check out Project

1182

00:55:05,480 --> 00:55:03,330

Blue Book on the History Channel follow

1183

00:55:08,060 --> 00:55:05,490

week to week with jail and Hynek in his

1184

00:55:10,820 --> 00:55:08,070

UFO investigations based on actual UFO

1185

00:55:14,090 --> 00:55:10,830

cases that project Bluebook covered back

1186

00:55:16,640 --> 00:55:14,100

in the 50s and 60s and then after the

1187

00:55:18,859 --> 00:55:16,650

show they do a little special with my

1188

00:55:20,720 --> 00:55:18,869

publisher Richard Dolan UFO historian

1189

00:55:23,120 --> 00:55:20,730

Jacques Vallee they got some prominent

1190

00:55:24,620 --> 00:55:23,130

people telling the actual case so they

1191

00:55:26,359 --> 00:55:24,630

are doing their due diligence and

1192

00:55:28,460 --> 00:55:26,369

getting the actual UFO cases out there

1193

00:55:33,910 --> 00:55:28,470

and how their show differs from the

1194

00:55:49,870 --> 00:55:43,670

let's see hi Audrey how are you tonight

1195

00:55:54,469 --> 00:55:52,940

1200

00:56:21,380 --> 00:56:18,390

actually hopped in and had questions to

1201
00:56:23,299 --> 00:56:21,390

1202
00:56:25,459 --> 00:56:23,309

up in my face but you've made that not

1204
00:56:31,400 --> 00:56:27,900
happen so thank you so much for joining

1205
