WITH RYAN SPRAGUE

**UFO
HAPPY
HOUR!**

VOL. 2

1
00:00:04,160 --> 00:00:02,180
hey y'all Ryan Sprague here as you all

2
00:00:06,920 --> 00:00:04,170
know this summer in the skies podcast is

3
00:00:09,500 --> 00:00:06,930
always free to consume but it isn't free

4
00:00:11,360 --> 00:00:09,510
to create that's why I've started this

5
00:00:14,089 --> 00:00:11,370
somewhere in the skies patreon campaign

6
00:00:15,919 --> 00:00:14,099
you on a monthly basis you give what you

7
00:00:18,740 --> 00:00:15,929
think the show is worth you'll be

8
00:00:21,260 --> 00:00:18,750
helping the show continue grow and to be

9
00:00:23,480 --> 00:00:21,270
something truly communal and remember

10
00:00:25,580 --> 00:00:23,490
there are rewards for each level of

11
00:00:28,070 --> 00:00:25,590
contribution and the list is only

12
00:00:30,470 --> 00:00:28,080
growing so please help somewhere in the

13
00:00:34,750 --> 00:00:30,480

skies now by becoming a patron to

14

00:00:39,410 --> 00:00:34,760

contribute and to learn more visit WWE

15

00:00:41,150 --> 00:00:39,420

TLC I thank you for your support and now

16

00:00:42,560 --> 00:00:41,160

on with the show they're out there man

17

00:00:44,990 --> 00:00:42,570

I've seen them I've been out there or

18

00:00:45,950 --> 00:00:45,000

Aurora Texas they got them little graves

19

00:00:48,709 --> 00:00:45,960

and stuff

20

00:00:50,690 --> 00:00:48,719

yeah I've been out there and I know I'm

21

00:00:52,910 --> 00:00:50,700

planning a trip I'm planning a trip

22

00:00:54,319 --> 00:00:52,920

we're going out to like Arizona or

23

00:00:57,529 --> 00:00:54,329

something that figures something out

24

00:00:59,660 --> 00:00:57,539

we're not Arizona what was it yeah is

25

00:01:01,430 --> 00:00:59,670

Arizona right the Air Force one where

26

00:01:04,039 --> 00:01:01,440

they found all that stuff I got pictures

27

00:01:06,020 --> 00:01:04,049

of war I've seen grave sites they're out

28

00:01:08,030 --> 00:01:06,030

there man and I I'm flying in the plane

29

00:01:09,560 --> 00:01:08,040

I'm always hallucinating but who really

30

00:01:10,100 --> 00:01:09,570

knows what I'm looking at you know what

31

00:01:12,020 --> 00:01:10,110

I'm saying

32

00:01:15,410 --> 00:01:12,030

who knows dude they could be made of

33

00:01:16,390 --> 00:01:15,420

water I don't even know water man you

34

00:01:20,380 --> 00:01:16,400

heard the man

35

00:01:22,490 --> 00:01:20,390

water they give me made of anything

36

00:01:24,090 --> 00:01:22,500

extraterrestrial that the

37

00:01:28,880 --> 00:01:24,100

extra-terrestrial

38

00:01:28,890 --> 00:01:32,900

[Applause]

39

00:01:37,470 --> 00:01:36,240

this is somewhere in the skies the

40

00:01:58,800 --> 00:01:37,480

Branzburg

41

00:02:06,340 --> 00:02:02,580

Rob welcome back to another edition of

42

00:02:08,680 --> 00:02:06,350

UFO happy hour how are you my man I'm

43

00:02:11,290 --> 00:02:08,690

good thanks for having me on again how

44

00:02:13,710 --> 00:02:11,300

are you dude I am good it's 1:00 in the

45

00:02:16,930 --> 00:02:13,720

afternoon here and I have got a nice

46

00:02:19,480 --> 00:02:16,940

Templeton rye sitting next to me here

47

00:02:20,020 --> 00:02:19,490

with one ice cube I'm going classy today

48

00:02:22,600 --> 00:02:20,030

man

49

00:02:25,120 --> 00:02:22,610

so would you bring to the the barstool

50

00:02:29,560 --> 00:02:25,130

today well we're gonna we're gonna

51
00:02:33,340 --> 00:02:29,570
reprise this again and we've got a we've

52
00:02:36,070 --> 00:02:33,350
got a nice 16 ounce aluminum can of

53
00:02:39,400 --> 00:02:36,080
Labatt blue because you just can't go

54
00:02:42,580 --> 00:02:39,410
wrong with this Canadian Pilsner I love

55
00:02:46,360 --> 00:02:42,590
it and you know it's it's not gonna fill

56
00:02:48,880 --> 00:02:46,370
me up so it's the best it is the best

57
00:02:50,800 --> 00:02:48,890
it's a miracle drug I can't wait man to

58
00:02:55,360 --> 00:02:50,810
get back on the East Coast and have my

59
00:02:57,460 --> 00:02:55,370
Canadian beers again I miss it so I can

60
00:03:00,699 --> 00:02:57,470
understand man I can understand cuz it's

61
00:03:05,080 --> 00:03:00,709
just whoo it takes the edge off the end

62
00:03:06,880 --> 00:03:05,090
of the day and you know it doesn't it

63
00:03:08,800 --> 00:03:06,890

doesn't weigh you down so yeah I

64

00:03:10,120 --> 00:03:08,810

couldn't agree more we'll see if I even

65

00:03:11,620 --> 00:03:10,130

make it through this interview with

66

00:03:13,810 --> 00:03:11,630

Bourbon I don't know what I was thinking

67

00:03:16,440 --> 00:03:13,820

but 1:00 in the afternoon is we're

68

00:03:19,270 --> 00:03:16,450

recording this on the west coast but I

69

00:03:21,400 --> 00:03:19,280

you know I need all the drinks I can get

70

00:03:24,220 --> 00:03:21,410

right now man I'm in the process of

71

00:03:26,140 --> 00:03:24,230

packing and moving back so if it's a

72

00:03:28,390 --> 00:03:26,150

little echoey I apologize to the

73

00:03:29,920 --> 00:03:28,400

listeners and to you my son quality

74

00:03:32,350 --> 00:03:29,930

might not be as good as it usually is

75

00:03:35,140 --> 00:03:32,360

but we will we will barrel through this

76
00:03:37,540 --> 00:03:35,150
oh yeah man we're gonna we're gonna do

77
00:03:40,120 --> 00:03:37,550
it I I wanted you to come to the table

78
00:03:43,210 --> 00:03:40,130
with your top three UFO cases today and

79
00:03:46,030 --> 00:03:43,220
knowing you of course you did not fail

80
00:03:47,710 --> 00:03:46,040
me you picked some amazing cases that

81
00:03:50,350 --> 00:03:47,720
we're gonna discuss in a little bit but

82
00:03:53,770 --> 00:03:50,360
there's two stories I wanted to bring up

83
00:03:55,720 --> 00:03:53,780
one most recently that I believe I found

84
00:03:59,080 --> 00:03:55,730
through you and several other

85
00:04:01,570 --> 00:03:59,090
researchers and that was the story that

86
00:04:03,790 --> 00:04:01,580
recently broke from Tyler Roca way over

87
00:04:06,309 --> 00:04:03,800
at the war zone which is a sector of the

88
00:04:09,460 --> 00:04:06,319

more widely known online news site

89

00:04:11,860 --> 00:04:09,470

and it involved a bizarre chase there a

90

00:04:14,979 --> 00:04:11,870

high-security Nevada nuclear test site

91

00:04:19,270 --> 00:04:14,989

that ended in someone being shot dead

92

00:04:23,800 --> 00:04:19,280

this is crazy man yeah this this story

93

00:04:25,300 --> 00:04:23,810

broke on on Tuesday and like somebody

94

00:04:28,740 --> 00:04:25,310

posted on Twitter I was like what

95

00:04:34,290 --> 00:04:28,750

somebody somebody was killed so

96

00:04:38,050 --> 00:04:34,300

basically yeah on Monday at 5:18 p.m.

97

00:04:41,770 --> 00:04:38,060

there was a guy in a car he drove

98

00:04:43,900 --> 00:04:41,780

through a security checkpoint at where

99

00:04:48,820 --> 00:04:43,910

what they call area 23 which is

100

00:04:51,700 --> 00:04:48,830

designated as mercury and a car chase

101
00:04:53,800 --> 00:04:51,710
ensued with not only private security

102
00:04:57,280 --> 00:04:53,810
but the nine county sheriff's deputies

103
00:05:00,219 --> 00:04:57,290
and it went for eight miles the guy

104
00:05:02,440 --> 00:05:00,229
eventually pulled over got out of his

105
00:05:04,650 --> 00:05:02,450
vehicle and he was holding some kind of

106
00:05:10,600 --> 00:05:04,660
what they called a a metallic

107
00:05:13,450 --> 00:05:10,610
cylindrical object that could they be

108
00:05:17,950 --> 00:05:13,460
any more enigmatic no no definitely not

109
00:05:20,680 --> 00:05:17,960
and so this guy he's not listening to

110
00:05:23,800 --> 00:05:20,690
the commands of the security personnel

111
00:05:26,170 --> 00:05:23,810
and the sheriff's deputies and he

112
00:05:28,180 --> 00:05:26,180
basically was going to go confront them

113
00:05:30,130 --> 00:05:28,190

and they opened fired shot and killed

114

00:05:34,270 --> 00:05:30,140

him right right on the spot there so

115

00:05:36,610 --> 00:05:34,280

yeah we have we have a lot of questions

116

00:05:38,950 --> 00:05:36,620

and they're not getting answered and I

117

00:05:42,000 --> 00:05:38,960

know it's early on this this story still

118

00:05:45,279 --> 00:05:42,010

developed me but developing but he

119

00:05:47,650 --> 00:05:45,289

there's no motive of why he was there

120

00:05:50,290 --> 00:05:47,660

what he was doing his level of sobriety

121

00:05:52,360 --> 00:05:50,300

which I thought was funny tyleryoga way

122

00:05:54,279 --> 00:05:52,370

brings up but it's very rare for these

123

00:05:56,560 --> 00:05:54,289

things to happen at this nuclear test

124

00:05:59,020 --> 00:05:56,570

site I mean we're all familiar with area

125

00:06:01,750 --> 00:05:59,030

51 and the sign saying we can shoot you

126
00:06:04,800 --> 00:06:01,760
on premises if you trespass but you know

127
00:06:08,080 --> 00:06:04,810
these other areas this vast area of

128
00:06:09,370 --> 00:06:08,090
Nevada the tests say we have no idea

129
00:06:12,250 --> 00:06:09,380
what else is going on up there

130
00:06:15,100 --> 00:06:12,260
apparently there could be like ordnance

131
00:06:18,580 --> 00:06:15,110
out there or like things that could

132
00:06:19,030 --> 00:06:18,590
explode so who knows why this guy was

133
00:06:21,460 --> 00:06:19,040
going

134
00:06:24,220 --> 00:06:21,470
out there what his plans truly were yeah

135
00:06:27,520 --> 00:06:24,230
and I mean like this is now it's been

136
00:06:29,350 --> 00:06:27,530
kicked to the FBI so it's probably gonna

137
00:06:31,480 --> 00:06:29,360
be a long time coming before we really

138
00:06:34,510 --> 00:06:31,490

get any information if we do get any

139

00:06:37,750 --> 00:06:34,520

information because we don't know you

140

00:06:40,930 --> 00:06:37,760

know what kind of national security risk

141

00:06:43,090 --> 00:06:40,940

this guy was and yeah we really don't

142

00:06:46,000 --> 00:06:43,100

know what the heck he was doing I mean

143

00:06:49,270 --> 00:06:46,010

he's pretty brash to just you know drop

144

00:06:52,110 --> 00:06:49,280

Lao pass security detail and just yeah

145

00:06:55,090 --> 00:06:52,120

the problem with this too Rob is like

146

00:06:57,070 --> 00:06:55,100

because you know they shot him dead if

147

00:06:59,290 --> 00:06:57,080

there's very little to work backwards on

148

00:07:02,140 --> 00:06:59,300

to find out why he did this I mean yeah

149

00:07:04,510 --> 00:07:02,150

it probably lays in whatever that object

150

00:07:06,790 --> 00:07:04,520

was he had with him I don't know I don't

151
00:07:08,830 --> 00:07:06,800
know yeah I don't either man and it's

152
00:07:11,980 --> 00:07:08,840
like it's kind of terrifying

153
00:07:15,790 --> 00:07:11,990
you know because you just it's it's that

154
00:07:18,310 --> 00:07:15,800
unknown of you nobody's ever really done

155
00:07:22,210 --> 00:07:18,320
this before or if they have we've never

156
00:07:23,680 --> 00:07:22,220
heard of it so yeah it's it's just

157
00:07:25,810 --> 00:07:23,690
frightening to think about it's

158
00:07:27,580 --> 00:07:25,820
frightening it's fascinating and of

159
00:07:30,520 --> 00:07:27,590
course all of us UFO people find it

160
00:07:32,380 --> 00:07:30,530
intriguing because it is near area 51

161
00:07:34,420 --> 00:07:32,390
but at the end of the day we got to

162
00:07:36,960 --> 00:07:34,430
remember someone was shot and killed I

163
00:07:40,000 --> 00:07:36,970

mean this guy's gone so it's tragic

164

00:07:42,310 --> 00:07:40,010

beyond anything else and you know that

165

00:07:45,760 --> 00:07:42,320

comes up with another case that you and

166

00:07:47,530 --> 00:07:45,770

I had been discussing similar to to the

167

00:07:51,790 --> 00:07:47,540

Nevada testing sites we have Dugway

168

00:07:54,250 --> 00:07:51,800

proving ground as well in 2011 this kind

169

00:07:56,800 --> 00:07:54,260

of reminded me of what was going on here

170

00:08:00,520 --> 00:07:56,810

a top secret base where you know a guy

171

00:08:03,010 --> 00:08:00,530

wasn't pronounced dead just yet he was

172

00:08:05,070 --> 00:08:03,020

pronounced missing and that was Joseph

173

00:08:07,120 --> 00:08:05,080

bushland a soldier he was assigned at

174

00:08:09,940 --> 00:08:07,130

Fort Collins Colorado

175

00:08:12,610 --> 00:08:09,950

but then he was stationed at Dugway and

176

00:08:15,610 --> 00:08:12,620

for those who don't know Dugway is

177

00:08:18,070 --> 00:08:15,620

considered by many to be area 52

178

00:08:21,940 --> 00:08:18,080

where a lot of top-secret stuff is going

179

00:08:24,160 --> 00:08:21,950

on UFOs have been reported so yeah this

180

00:08:27,400 --> 00:08:24,170

was back in 2011 Joseph borrowed a

181

00:08:29,080 --> 00:08:27,410

friend's car and they think he went out

182

00:08:30,790 --> 00:08:29,090

there they were sightsee you know the

183

00:08:32,020 --> 00:08:30,800

desert and he ended up calling a friend

184

00:08:34,209 --> 00:08:32,030

and left a message

185

00:08:35,830 --> 00:08:34,219

saying that he'd run out of gas he was

186

00:08:38,260 --> 00:08:35,840

going to try to walk back to Dugway

187

00:08:40,659 --> 00:08:38,270

proving ground and he said he was very

188

00:08:43,510 --> 00:08:40,669

cold he lost his flip-flops and he was

189

00:08:45,310 --> 00:08:43,520

using his shirt as Footwear and it was

190

00:08:46,990 --> 00:08:45,320

raining so I mean everything that could

191

00:08:47,890 --> 00:08:47,000

go wrong seemed to be going wrong for

192

00:08:49,480 --> 00:08:47,900

him at this point

193

00:08:52,770 --> 00:08:49,490

he'd never arrived back at Dugway and

194

00:08:56,200 --> 00:08:52,780

he'd never been heard from again

195

00:08:58,420 --> 00:08:56,210

no and as far as we can tell there's

196

00:09:03,130 --> 00:08:58,430

never been a body found and I mean

197

00:09:05,050 --> 00:09:03,140

Dugway is vast in size like you could

198

00:09:07,840 --> 00:09:05,060

probably go missing and nobody would

199

00:09:10,090 --> 00:09:07,850

find you they also made mention of how

200

00:09:13,120 --> 00:09:10,100

there's like unexploded ordnance out

201
00:09:15,220 --> 00:09:13,130
there so there's a you know chance that

202
00:09:19,120 --> 00:09:15,230
he could have stepped on something and

203
00:09:22,150 --> 00:09:19,130
and you know met his end that way but

204
00:09:27,070 --> 00:09:22,160
yeah it was just it was kind of weird

205
00:09:28,690 --> 00:09:27,080
because he was heading towards it's I I

206
00:09:32,140 --> 00:09:28,700
don't know exactly how it's pronounced

207
00:09:35,560 --> 00:09:32,150
kalau gate which is is one of doug ways

208
00:09:40,180 --> 00:09:35,570
gates and they he never made it there

209
00:09:42,910 --> 00:09:40,190
and they ended up going out and in a

210
00:09:45,010 --> 00:09:42,920
pattern from where they found the car up

211
00:09:46,810 --> 00:09:45,020
and to this gate and they never found

212
00:09:51,370 --> 00:09:46,820
his body at all the only thing that they

213
00:09:55,270 --> 00:09:51,380

found of his was an Iban arkansas

214

00:09:56,860 --> 00:09:55,280

razorbacks hat that was it yeah so you

215

00:10:01,240 --> 00:09:56,870

got to wonder what happened to this guy

216

00:10:04,900 --> 00:10:01,250

wait where did he go and and the last

217

00:10:07,570 --> 00:10:04,910

update I ever saw on this case

218

00:10:13,750 --> 00:10:07,580

his parents that had set up a Twitter

219

00:10:16,540 --> 00:10:13,760

account and there was a dead link to a I

220

00:10:19,660 --> 00:10:16,550

believe as a blog post about some bones

221

00:10:21,370 --> 00:10:19,670

found out near Dugway so there's a

222

00:10:24,220 --> 00:10:21,380

chance they may have found him but we

223

00:10:26,860 --> 00:10:24,230

just don't know as far as I'm like I can

224

00:10:30,760 --> 00:10:26,870

tell he's still he's officially declared

225

00:10:33,400 --> 00:10:30,770

dead but he's also on many sites listed

226

00:10:36,160 --> 00:10:33,410

as missing right I mean the authorities

227

00:10:37,930 --> 00:10:36,170

ruled out suicide and foul play and like

228

00:10:40,650 --> 00:10:37,940

you said they did pronounced him dead

229

00:10:43,690 --> 00:10:40,660

there was a death certificate issued in

230

00:10:45,199 --> 00:10:43,700

2014 you know so his family could

231

00:10:48,230 --> 00:10:45,209

receive military benefit

232

00:10:50,660 --> 00:10:48,240

and life insurance so that's kind of

233

00:10:53,359 --> 00:10:50,670

understandable at this point the fact

234

00:10:56,119 --> 00:10:53,369

that you know we found nothing and he

235

00:10:58,759 --> 00:10:56,129

hasn't shown up anywhere but his friend

236

00:11:01,069 --> 00:10:58,769

who he called likes to think that maybe

237

00:11:03,650 --> 00:11:01,079

he's still out there somewhere or made

238

00:11:05,989 --> 00:11:03,660

it to somewhere safer and just live in

239

00:11:08,359 --> 00:11:05,999

the good life but again just another

240

00:11:11,419 --> 00:11:08,369

tragic tragic thing to happen at these

241

00:11:14,359 --> 00:11:11,429

mysterious top secret installations I

242

00:11:16,369 --> 00:11:14,369

mean Dugway itself has so much Lord look

243

00:11:18,949 --> 00:11:16,379

at the the sheep incident that happened

244

00:11:22,009 --> 00:11:18,959

back in the 60s wasn't it yeah it was

245

00:11:26,720 --> 00:11:22,019

the Skull Valley incident in March of 68

246

00:11:29,889 --> 00:11:26,730

where you know all these sheeps all

247

00:11:33,949 --> 00:11:29,899

these sheep on farmers land just died

248

00:11:36,470 --> 00:11:33,959

hundreds of sheep and it was linked to a

249

00:11:39,439 --> 00:11:36,480

chemical at Dugway proving ground

250

00:11:42,049 --> 00:11:39,449

because Dugway is essentially where we

251
00:11:46,730 --> 00:11:42,059
test chemical weapons so yeah it was it

252
00:11:48,949 --> 00:11:46,740
was linked back to that and yeah I I

253
00:11:50,840 --> 00:11:48,959
feel bad for but the bushland family

254
00:11:52,669 --> 00:11:50,850
here because they seem to think that

255
00:11:57,410 --> 00:11:52,679
something happened to him and that they

256
00:11:58,879 --> 00:11:57,420
know what happened to him and you know

257
00:12:01,249 --> 00:11:58,889
your heart just goes out to him because

258
00:12:02,809 --> 00:12:01,259
it's just and and I think what people

259
00:12:06,980 --> 00:12:02,819
need to understand is this guy was a

260
00:12:10,850 --> 00:12:06,990
medic he was he was going later that

261
00:12:14,829 --> 00:12:10,860
week down to Texas to actually get his

262
00:12:17,989 --> 00:12:14,839
RN to become an RN a registered nurse so

263
00:12:21,199 --> 00:12:17,999

you gotta wonder it's like he was he was

264

00:12:23,780 --> 00:12:21,209

definitely panicked yeah right so he was

265

00:12:25,819 --> 00:12:23,790

panicked so that kinda it kind of rules

266

00:12:28,910 --> 00:12:25,829

out that you know he went out there to

267

00:12:30,859 --> 00:12:28,920

you know commit suicide or anything like

268

00:12:33,590 --> 00:12:30,869

that I mean he was on the right track to

269

00:12:37,549 --> 00:12:33,600

some pretty good stuff in his life so

270

00:12:42,109 --> 00:12:37,559

yeah again just a tragedy all around but

271

00:12:45,019 --> 00:12:42,119

you know besides that that you mentioned

272

00:12:48,949 --> 00:12:45,029

the sheep incident in the 60s we also in

273

00:12:50,600 --> 00:12:48,959

2011 we I found an article where the

274

00:12:52,369 --> 00:12:50,610

facility at Dugway was put under an

275

00:12:57,000 --> 00:12:52,379

extreme lockdown when the loss of a

276

00:12:59,370 --> 00:12:57,010

toxic nerve agent and was lost

277

00:13:02,579 --> 00:12:59,380

recovered the shut down the entire like

278

00:13:04,050 --> 00:13:02,589

area so they got a I don't know what's

279

00:13:05,970 --> 00:13:04,060

going out there in Dugway but they gotta

280

00:13:09,060 --> 00:13:05,980

be more careful man these things are

281

00:13:12,090 --> 00:13:09,070

like killing six thousand sheep in the

282

00:13:14,519 --> 00:13:12,100

60s was like the total number and now in

283

00:13:17,519 --> 00:13:14,529

nerve agent like goes missing and on the

284

00:13:20,610 --> 00:13:17,529

same day like numerous UFO reports were

285

00:13:23,129 --> 00:13:20,620

sighted in the area so oh man this

286

00:13:24,540 --> 00:13:23,139

Dugway proving ground dude I I look

287

00:13:26,850 --> 00:13:24,550

forward to hearing more about what's

288

00:13:29,189 --> 00:13:26,860

going on out there he probably didn't

289

00:13:31,680 --> 00:13:29,199

help themselves when Rob Lowe and his

290

00:13:35,430 --> 00:13:31,690

kids decided to go there for on their TV

291

00:13:37,199 --> 00:13:35,440

show exactly again once these bases are

292

00:13:40,470 --> 00:13:37,209

acknowledged you know everything is

293

00:13:42,629 --> 00:13:40,480

getting moved somewhere else so but our

294

00:13:44,970 --> 00:13:42,639

good friend Dave Rosenfeld he's a UFO

295

00:13:47,220 --> 00:13:44,980

investigator he he goes out to Dugway

296

00:13:49,680 --> 00:13:47,230

all the time constantly and monitors all

297

00:13:52,769 --> 00:13:49,690

the weird aerial phenomena going on out

298

00:13:53,069 --> 00:13:52,779

there so I'll wish him all the luck out

299

00:13:56,490 --> 00:13:53,079

there

300

00:13:57,960 --> 00:13:56,500

I hope he's being careful and we got to

301
00:14:00,329 --> 00:13:57,970
keep our eye on Dugway I guess that's

302
00:14:02,910 --> 00:14:00,339
the only way to sort of put it yeah I

303
00:14:05,699 --> 00:14:02,920
mean he knows that that base but it will

304
00:14:09,540 --> 00:14:05,709
like the back of his hand so I mean he's

305
00:14:12,420 --> 00:14:09,550
the guy for it and yeah it's just now

306
00:14:14,490 --> 00:14:12,430
it's in kind of in the spotlight because

307
00:14:17,040 --> 00:14:14,500
people are being drawn more and more to

308
00:14:20,730 --> 00:14:17,050
it so yeah be interesting to see what

309
00:14:22,769 --> 00:14:20,740
happens at Dugway going forward and I

310
00:14:24,809 --> 00:14:22,779
did I will admit I did a deep dive on

311
00:14:29,220 --> 00:14:24,819
reddit which I don't suggest anyone out

312
00:14:31,470 --> 00:14:29,230
there I did do a deep dive and just

313
00:14:34,110 --> 00:14:31,480

didn't to see if anyone was talking

314

00:14:37,620 --> 00:14:34,120

about Dugway and I found like so many

315

00:14:41,280 --> 00:14:37,630

military people who were saying yeah

316

00:14:43,769 --> 00:14:41,290

like Dugway I I wanted to be stationed

317

00:14:45,900 --> 00:14:43,779

there and it was always denied and

318

00:14:47,819 --> 00:14:45,910

whenever you'd ask about going to Dugway

319

00:14:49,949 --> 00:14:47,829

like it was immediately stamped down

320

00:14:51,809 --> 00:14:49,959

like no no no one's getting put out at

321

00:14:54,569 --> 00:14:51,819

Dugway like no information out there

322

00:14:56,069 --> 00:14:54,579

untuk way like just pick somewhere else

323

00:14:58,170 --> 00:14:56,079

so I found that pretty interesting that

324

00:15:00,240 --> 00:14:58,180

even a lot of military people on reddit

325

00:15:02,579 --> 00:15:00,250

we're saying we have no idea what's

326

00:15:05,519 --> 00:15:02,589

going on out there and we want to know

327

00:15:07,889 --> 00:15:05,529

too so yeah yeah I guess we'll leave it

328

00:15:09,310 --> 00:15:07,899

at that when it comes to to that but the

329

00:15:10,480 --> 00:15:09,320

real reason

330

00:15:13,120 --> 00:15:10,490

robbed I wanted to have you here today

331

00:15:16,660 --> 00:15:13,130

not just to have a beer and a burden but

332

00:15:18,250 --> 00:15:16,670

I want to hear about your top three UFO

333

00:15:21,640 --> 00:15:18,260

cases I thought this would be a really

334

00:15:23,440 --> 00:15:21,650

good way to to wet our whistle and get

335

00:15:25,660 --> 00:15:23,450

back to UFOs here on somewhere in the

336

00:15:28,570 --> 00:15:25,670

skies so I'm gonna let you take the

337

00:15:29,800 --> 00:15:28,580

steering wheel with this man which one

338

00:15:30,370 --> 00:15:29,810

would you like to start with are we

339

00:15:32,110 --> 00:15:30,380

gonna go

340

00:15:34,750 --> 00:15:32,120

you know ascending order of descending

341

00:15:39,010 --> 00:15:34,760

order whatever you want my man I think

342

00:15:41,140 --> 00:15:39,020

we'll go from we'll go we'll go

343

00:15:48,160 --> 00:15:41,150

chronologically backward we'll start

344

00:15:50,590 --> 00:15:48,170

with 1977 and the Lee Parrish abduction

345

00:15:52,990 --> 00:15:50,600

this is an abduction case that not a lot

346

00:15:56,200 --> 00:15:53,000

of people know about its briefly

347

00:15:59,830 --> 00:15:56,210

mentioned in an a pro news bulletin and

348

00:16:02,080 --> 00:15:59,840

like occasionally you can find bits and

349

00:16:05,440 --> 00:16:02,090

pieces of information about it on there

350

00:16:07,660 --> 00:16:05,450

on various websites but and you can find

351
00:16:11,170 --> 00:16:07,670
some pretty cool-looking artwork too but

352
00:16:14,380 --> 00:16:11,180
essentially this 19 year old guy Lee

353
00:16:17,440 --> 00:16:14,390
Parrish he works on his family farm he

354
00:16:20,230 --> 00:16:17,450
was visiting a friend a female friend

355
00:16:24,460 --> 00:16:20,240
and left her house at one o'clock at

356
00:16:28,750 --> 00:16:24,470
night and he was driving home and he

357
00:16:32,410 --> 00:16:28,760
sees a light coming from he fed he kind

358
00:16:35,440 --> 00:16:32,420
of experiences missing time and and he

359
00:16:38,710 --> 00:16:35,450
just sees the light fly away and what he

360
00:16:42,520 --> 00:16:38,720
notices is that he's missing 35 minutes

361
00:16:46,050 --> 00:16:42,530
now this is a five minute drive for him

362
00:16:48,670 --> 00:16:46,060
from this woman's house to his home so

363
00:16:51,730 --> 00:16:48,680

he was kind of freaked out about it and

364

00:16:52,720 --> 00:16:51,740

he went home his his mother was asking

365

00:16:54,940 --> 00:16:52,730

him where you know where had you been

366

00:16:59,380 --> 00:16:54,950

what do you would eat why you home so

367

00:17:02,380 --> 00:16:59,390

late and he proceeds to kind of panic a

368

00:17:04,300 --> 00:17:02,390

little bit but the next day in in what's

369

00:17:07,510 --> 00:17:04,310

great about this case is like it there's

370

00:17:10,240 --> 00:17:07,520

no time left here the next day he has he

371

00:17:14,560 --> 00:17:10,250

goes in for a hypnosis session and what

372

00:17:16,300 --> 00:17:14,570

he finds is that a an object stopped his

373

00:17:21,699 --> 00:17:16,310

truck in the in the middle of the road

374

00:17:23,079 --> 00:17:21,709

and from his memory he he's in the truck

375

00:17:26,649 --> 00:17:23,089

and then all of a sudden he's

376

00:17:30,100 --> 00:17:26,659

on board this craft and he's standing in

377

00:17:34,239 --> 00:17:30,110

a room and in front of him to his left

378

00:17:36,190 --> 00:17:34,249

is this really tall he guessed that it

379

00:17:40,450 --> 00:17:36,200

was about ten feet tall it looked like a

380

00:17:43,090 --> 00:17:40,460

wall with a bump on it and in front of

381

00:17:45,279 --> 00:17:43,100

him was I would say the best way to

382

00:17:47,590 --> 00:17:45,289

describe it would be a large like an

383

00:17:50,710 --> 00:17:47,600

oversized adding machine almost and it

384

00:17:55,840 --> 00:17:50,720

was the color white and on his right was

385

00:17:57,909 --> 00:17:55,850

this rectangular object that he said

386

00:17:59,859 --> 00:17:57,919

resembled like a like a Coke machine

387

00:18:04,109 --> 00:17:59,869

like an old-school Coke machine right

388

00:18:07,299 --> 00:18:04,119

and all of a sudden the this black wall

389

00:18:11,139 --> 00:18:07,309

comes forward and it has an arm on it

390

00:18:15,730 --> 00:18:11,149

and it just hits Lee in the on his left

391

00:18:19,379 --> 00:18:15,740

arm and he starts freaking out he and

392

00:18:22,899 --> 00:18:19,389

and to quote him during the hypnosis

393

00:18:26,350 --> 00:18:22,909

sessions he says oh no not the black one

394

00:18:31,899 --> 00:18:26,360

and I'm like oh god that is not a good

395

00:18:36,039 --> 00:18:31,909

quote out of context but that one seems

396

00:18:38,379 --> 00:18:36,049

to unsettle him but then the red coke

397

00:18:41,350 --> 00:18:38,389

machine has an arm of its own and it

398

00:18:43,570 --> 00:18:41,360

gets him in I believe like the shoulder

399

00:18:47,200 --> 00:18:43,580

or the neck and it kind of calms him

400

00:18:50,619 --> 00:18:47,210

down and what he believes and what he

401
00:18:54,609 --> 00:18:50,629
feels is that the white machine in front

402
00:18:57,310 --> 00:18:54,619
of him is kind of this it's the leader

403
00:18:59,619 --> 00:18:57,320
almost and it's observing what's

404
00:19:04,450 --> 00:18:59,629
happening and and the other two are kind

405
00:19:11,769 --> 00:19:04,460
of this these subservient robots and

406
00:19:14,499 --> 00:19:11,779
what happens is the the red boxy robot

407
00:19:17,399 --> 00:19:14,509
thing basically backs off it ends up

408
00:19:21,119 --> 00:19:17,409
going behind the white machine and

409
00:19:25,119 --> 00:19:21,129
eventually the the black wall thing

410
00:19:27,399 --> 00:19:25,129
basically takes its arm away and the

411
00:19:30,519 --> 00:19:27,409
white machine goes behind the black wall

412
00:19:34,629 --> 00:19:30,529
and after that he finds himself

413
00:19:36,940 --> 00:19:34,639

transported back into his truck and that

414

00:19:42,490 --> 00:19:36,950

that's the end of it it lasted 35

415

00:19:44,530 --> 00:19:42,500

minutes but it's just so Ill I don't

416

00:19:47,620 --> 00:19:44,540

even know how to categorize this because

417

00:19:50,530 --> 00:19:47,630

nobody it's not like these are robots

418

00:19:53,560 --> 00:19:50,540

they're machines mm-hmm and and there

419

00:19:56,050 --> 00:19:53,570

was no other beings that he interacted

420

00:19:58,120 --> 00:19:56,060

with and you just had a loss like what

421

00:20:00,070 --> 00:19:58,130

what what happened here and and he's

422

00:20:02,110 --> 00:20:00,080

this nineteen year old kid that has

423

00:20:05,730 --> 00:20:02,120

nothing to gain by telling his story and

424

00:20:09,910 --> 00:20:05,740

it's a story that still is not you know

425

00:20:12,220 --> 00:20:09,920

widely known even in most of UFO culture

426
00:20:14,920 --> 00:20:12,230
unless you're you know into perusing old

427
00:20:17,470 --> 00:20:14,930
APRA bulletins exactly yeah I mean I

428
00:20:20,140 --> 00:20:17,480
before you talked about this on your own

429
00:20:22,000 --> 00:20:20,150
show I hadn't really heard about it and

430
00:20:24,370 --> 00:20:22,010
I it's hard to find anything on the

431
00:20:26,260 --> 00:20:24,380
internet about it which is you know your

432
00:20:28,750 --> 00:20:26,270
last-ditch effort when you're trying to

433
00:20:31,870 --> 00:20:28,760
look for UFO information is go to the

434
00:20:35,950 --> 00:20:31,880
Internet but um with this one now

435
00:20:37,900 --> 00:20:35,960
how did we get his story did he he he

436
00:20:40,600 --> 00:20:37,910
remember this right he recalled it or

437
00:20:43,720 --> 00:20:40,610
was he put under her basically he

438
00:20:47,500 --> 00:20:43,730

contacted a bro okay and there was a

439

00:20:50,860 --> 00:20:47,510

local psychologist that I believe was

440

00:20:54,600 --> 00:20:50,870

also hip to you know hypnosis and was

441

00:20:58,870 --> 00:20:54,610

able to do it like the very next day oh

442

00:21:01,420 --> 00:20:58,880

yeah hypnosis copywriting that my man

443

00:21:06,130 --> 00:21:01,430

along with tell ya secret space program

444

00:21:09,070 --> 00:21:06,140

right oh yeah definitely the suck it

445

00:21:12,880 --> 00:21:09,080

Corey good what can I say I know the

446

00:21:17,680 --> 00:21:12,890

subtitle of this episode now either hip

447

00:21:20,200 --> 00:21:17,690

to hypnosis or suck it Corey good this

448

00:21:23,950 --> 00:21:20,210

is one of those episodes that's okay

449

00:21:31,270 --> 00:21:23,960

we're drinkin man drinkin which is fine

450

00:21:33,790 --> 00:21:31,280

but mning case and like look at all the

451
00:21:35,740 --> 00:21:33,800
weirdness that is Kentucky and I know I

452
00:21:36,510 --> 00:21:35,750
I don't think people realize just how

453
00:21:41,500 --> 00:21:36,520
weird

454
00:21:43,450 --> 00:21:41,510
Kentucky is I mean I mean we have we've

455
00:21:46,210 --> 00:21:43,460
got the hell year documentary series

456
00:21:48,940 --> 00:21:46,220
that is just phenomenal if I urge

457
00:21:50,620 --> 00:21:48,950
everybody if you have not seen it stop

458
00:21:56,640 --> 00:21:50,630
what you're doing and go watch it

459
00:22:00,580 --> 00:21:56,650
it's enthralling it brings a new view to

460
00:22:02,799 --> 00:22:00,590
how we look at not just it's not a

461
00:22:05,500 --> 00:22:02,809
documentary about goblins it's about

462
00:22:08,260 --> 00:22:05,510
more than that oh yeah I mean that that

463
00:22:11,650 --> 00:22:08,270

itself relates in the way to the Kelly

464

00:22:14,140 --> 00:22:11,660

Hopkinsville goblin encounter from 1955

465

00:22:17,529 --> 00:22:14,150

and and and and it goes through the

466

00:22:21,909 --> 00:22:17,539

spiraling thing where for Leigh Parrish

467

00:22:24,130 --> 00:22:21,919

it wasn't the only kind of there was a

468

00:22:26,950 --> 00:22:24,140

more well-known abduction account that

469

00:22:31,630 --> 00:22:26,960

took place a year before involving three

470

00:22:33,789 --> 00:22:31,640

women near Stanford Kentucky and they

471

00:22:35,980 --> 00:22:33,799

were celebrating I believe Mona's

472

00:22:41,190 --> 00:22:35,990

Stafford it was her name her birthday

473

00:22:44,110 --> 00:22:41,200

and all three of them get abducted and

474

00:22:47,110 --> 00:22:44,120

they they end up going through hypnosis

475

00:22:49,149 --> 00:22:47,120

and they don't even get all the answers

476

00:22:51,250 --> 00:22:49,159

that they need all they can really say

477

00:22:54,760 --> 00:22:51,260

is that they were tortured by these

478

00:22:59,020 --> 00:22:54,770

shadowy figures that they couldn't

479

00:23:03,370 --> 00:22:59,030

really make out but in probably the

480

00:23:06,010 --> 00:23:03,380

national Enquirer's like only like move

481

00:23:08,380 --> 00:23:06,020

of sympathy like that I could ever point

482

00:23:11,799 --> 00:23:08,390

to them they actually they were in

483

00:23:14,470 --> 00:23:11,809

desperate need of psychiatric help so

484

00:23:17,080 --> 00:23:14,480

basically what they did is they they

485

00:23:19,690 --> 00:23:17,090

ended up paying for it for the exclusive

486

00:23:23,049 --> 00:23:19,700

right to their story so that's that's

487

00:23:24,880 --> 00:23:23,059

about the only the only case of the

488

00:23:27,820 --> 00:23:24,890

National Enquirer having a heart that I

489

00:23:30,490 --> 00:23:27,830

can think of yeah yeah I know they

490

00:23:32,680 --> 00:23:30,500

weren't too too good to us back in the

491

00:23:36,190 --> 00:23:32,690

day when it came to UFO stories let's

492

00:23:38,230 --> 00:23:36,200

just put it that way yeah exactly or to

493

00:23:42,549 --> 00:23:38,240

people who claimed authentic and genuine

494

00:23:45,010 --> 00:23:42,559

experiences yeah the the second case and

495

00:23:52,560 --> 00:23:45,020

this is one that whenever I talk to

496

00:23:56,080 --> 00:23:52,570

anybody about this this case is so m'd

497

00:23:59,860 --> 00:23:56,090

it's it's there's so many elements going

498

00:24:02,220 --> 00:23:59,870

on to it so this is the abduction case

499

00:24:05,129 --> 00:24:02,230

of a man named David Stephens

500

00:24:08,230 --> 00:24:05,139

and

501
00:24:10,930 --> 00:24:08,240
David Stephens he had just gotten out of

502
00:24:15,519 --> 00:24:10,940
the Navy like maybe a few weeks before

503
00:24:19,000 --> 00:24:15,529
and he meets this guy named Glenn gray

504
00:24:21,700 --> 00:24:19,010
they have the they they both worked

505
00:24:24,009 --> 00:24:21,710
factory jobs so I think one works in a

506
00:24:26,529 --> 00:24:24,019
meat processing plant and I forget what

507
00:24:28,990 --> 00:24:26,539
the other one did but they both worked

508
00:24:31,360 --> 00:24:29,000
night shifts so they kind of just hit it

509
00:24:36,039 --> 00:24:31,370
off and they moved into this trailer in

510
00:24:38,769 --> 00:24:36,049
Maine and one night they they both had

511
00:24:40,570 --> 00:24:38,779
the same day off and they were up late

512
00:24:42,909 --> 00:24:40,580
because they didn't want to really mess

513
00:24:46,560 --> 00:24:42,919

up their sleep schedules so they were

514

00:24:50,830 --> 00:24:46,570

just hanging out listening to music and

515

00:24:53,169 --> 00:24:50,840

they heard a booming sound and that was

516

00:24:55,570 --> 00:24:53,179

like around 1 o'clock in the morning

517

00:25:00,580 --> 00:24:55,580

again it's we're in the witching hour

518

00:25:02,950 --> 00:25:00,590

damn it okay and they get drawn outside

519

00:25:06,700 --> 00:25:02,960

and when they when they go outside they

520

00:25:08,590 --> 00:25:06,710

don't see anything but Glenn gray turns

521

00:25:11,289 --> 00:25:08,600

to David Stevens and he says hey let's

522

00:25:14,860 --> 00:25:11,299

go for a ride and he's like yeah sure no

523

00:25:17,919 --> 00:25:14,870

problem that's fine so they hop in the

524

00:25:22,029 --> 00:25:17,929

car and they're driving driving for a

525

00:25:25,690 --> 00:25:22,039

little while and eventually the car

526
00:25:29,110 --> 00:25:25,700
starts to move and drive on its own the

527
00:25:32,470 --> 00:25:29,120
David Stevens loses control of the

528
00:25:36,970 --> 00:25:32,480
vehicle and it takes them down this

529
00:25:40,330 --> 00:25:36,980
these series of backroads and what

530
00:25:42,940 --> 00:25:40,340
happens is they both see this object in

531
00:25:44,529 --> 00:25:42,950
a field there are it looks like lights

532
00:25:45,879 --> 00:25:44,539
to them so they figured all there's

533
00:25:47,710 --> 00:25:45,889
people out there they must be looking

534
00:25:50,110 --> 00:25:47,720
for something and then these lights

535
00:25:53,860 --> 00:25:50,120
begin to rise up and they come near the

536
00:25:56,320 --> 00:25:53,870
car and they're both kind of freaking

537
00:25:59,049 --> 00:25:56,330
out there's an incident of missing time

538
00:26:02,350 --> 00:25:59,059

and it's it's almost like like a

539

00:26:04,990 --> 00:26:02,360

cutscene and a fast-forward here and the

540

00:26:06,759 --> 00:26:05,000

two like desperately at first try to

541

00:26:09,759 --> 00:26:06,769

start the car and they can't do it and

542

00:26:12,570 --> 00:26:09,769

eventually they they're able to start

543

00:26:17,710 --> 00:26:12,580

the vehicle they they just booked it and

544

00:26:18,070 --> 00:26:17,720

this UFO follows them and it toys with

545

00:26:22,810 --> 00:26:18,080

them

546

00:26:25,509 --> 00:26:22,820

for a number of miles for in and for a

547

00:26:28,630 --> 00:26:25,519

number of hours like they just went back

548

00:26:32,169 --> 00:26:28,640

and forth with this UFO and eventually

549

00:26:38,440 --> 00:26:32,179

at like 7:30 in the morning it finally

550

00:26:42,060 --> 00:26:38,450

flies away and they both go home and and

551

00:26:44,950 --> 00:26:42,070

there are in just freaked out yeah and

552

00:26:47,169 --> 00:26:44,960

almost immediately they had poltergeist

553

00:26:51,340 --> 00:26:47,179

like activity in their house there was

554

00:26:54,870 --> 00:26:51,350

yeah there was bangs there was cupboards

555

00:26:58,750 --> 00:26:54,880

opening and and and stuff like that and

556

00:27:01,659 --> 00:26:58,760

eventually they I believe they were they

557

00:27:04,500 --> 00:27:01,669

contacted the International UFO Bureau

558

00:27:07,620 --> 00:27:04,510

back when it was up and running and

559

00:27:10,210 --> 00:27:07,630

eventually they they finally get into

560

00:27:13,240 --> 00:27:10,220

hypnosis sessions and what you find is

561

00:27:15,789 --> 00:27:13,250

that when they first saw the UFO rise up

562

00:27:18,519 --> 00:27:15,799

out of that field what had happened was

563

00:27:20,860 --> 00:27:18,529

and I forgot to mention it but when they

564

00:27:24,759 --> 00:27:20,870

came when they came out of that missing

565

00:27:26,049 --> 00:27:24,769

time episode they were on the other side

566

00:27:27,700 --> 00:27:26,059

of the road they went from the

567

00:27:30,039 --> 00:27:27,710

right-hand side of the road to the

568

00:27:32,799 --> 00:27:30,049

left-hand side of the road and what he

569

00:27:36,340 --> 00:27:32,809

finds is that he was taken David

570

00:27:40,210 --> 00:27:36,350

Stephens was taken aboard this craft he

571

00:27:42,460 --> 00:27:40,220

was he interacted with these beings that

572

00:27:46,840 --> 00:27:42,470

he described as having mushroom-shaped

573

00:27:48,970 --> 00:27:46,850

heads and they're kind of a gray

574

00:27:51,310 --> 00:27:48,980

archetype and in a way I mean they have

575

00:27:54,100 --> 00:27:51,320

these big bulbous heads but like they

576

00:27:55,690 --> 00:27:54,110

almost look like in a way they remind me

577

00:27:58,029 --> 00:27:55,700

of a hammerhead shark if a hammerhead

578

00:28:01,029 --> 00:27:58,039

shark had like a really rounded head and

579

00:28:04,600 --> 00:28:01,039

these eyes on the side that had they

580

00:28:06,460 --> 00:28:04,610

were white with the black pupils and he

581

00:28:09,419 --> 00:28:06,470

sensed these right I think I've seen

582

00:28:11,980 --> 00:28:09,429

sketches of that he sketched it and then

583

00:28:14,590 --> 00:28:11,990

one of the investigators actually did a

584

00:28:16,330 --> 00:28:14,600

really really great sketch of this thing

585

00:28:19,210 --> 00:28:16,340

and like when you look at it it's

586

00:28:24,610 --> 00:28:19,220

wearing this like almost flowing robe

587

00:28:29,230 --> 00:28:24,620

it's it's got webbed hands which is very

588

00:28:31,360 --> 00:28:29,240

very weird at one point there when

589

00:28:35,590 --> 00:28:31,370

David's first arrives on the

590

00:28:37,330 --> 00:28:35,600

you fo he's one of these beings you know

591

00:28:39,520 --> 00:28:37,340

comes in the room they draw him into

592

00:28:41,500 --> 00:28:39,530

another where there are multiple other

593

00:28:43,420 --> 00:28:41,510

beings and basically they want him to

594

00:28:45,100 --> 00:28:43,430

take his clothes off well he doesn't

595

00:28:46,720 --> 00:28:45,110

want anything to do it he doesn't have

596

00:28:48,780 --> 00:28:46,730

anything to do with that so he ends up

597

00:28:52,290 --> 00:28:48,790

hitting one of them in the face

598

00:28:56,080 --> 00:28:52,300

awesome Travis Walton style right and

599

00:28:57,820 --> 00:28:56,090

they they back up they give him some

600

00:28:59,620 --> 00:28:57,830

space and then he comes forward and then

601
00:29:02,680 --> 00:28:59,630
he just kind of complies with whatever

602
00:29:05,560 --> 00:29:02,690
they they won they conduct a medical

603
00:29:08,350 --> 00:29:05,570
examination on him and I believe they

604
00:29:12,520 --> 00:29:08,360
even take blood and at a certain point

605
00:29:14,350 --> 00:29:12,530
and they they deposited him back in his

606
00:29:16,600 --> 00:29:14,360
car and and realistically I don't

607
00:29:20,560 --> 00:29:16,610
understand why the UFO toyed with them

608
00:29:23,169 --> 00:29:20,570
for another like three hours until it

609
00:29:25,510 --> 00:29:23,179
flew away but it did and one of the most

610
00:29:30,340 --> 00:29:25,520
fascinating features of this account is

611
00:29:34,900 --> 00:29:30,350
that he worked with a he was a family

612
00:29:37,690 --> 00:29:34,910
physician but he also did hypnosis to

613
00:29:40,240 --> 00:29:37,700

help aid in women going through

614

00:29:41,680 --> 00:29:40,250

childbirth should try to ease pain and

615

00:29:42,280 --> 00:29:41,690

stuff like that his name is Herbert

616

00:29:46,600 --> 00:29:42,290

Hopkins

617

00:29:51,940 --> 00:29:46,610

and he went through about six or so

618

00:29:53,320 --> 00:29:51,950

hypnosis sessions and they learned all

619

00:29:56,799 --> 00:29:53,330

this but one of the most fascinating

620

00:29:58,870 --> 00:29:56,809

things was when Herbert would ask him

621

00:30:01,049 --> 00:29:58,880

about the feet he wouldn't describe the

622

00:30:03,400 --> 00:30:01,059

feet he would just ignore the question

623

00:30:05,470 --> 00:30:03,410

okay and then and then the only thing

624

00:30:08,020 --> 00:30:05,480

that he ever said about their feet is

625

00:30:11,140 --> 00:30:08,030

that some were wearing shoes in some

626

00:30:14,440 --> 00:30:11,150

weren't that was it and it's like one of

627

00:30:15,820 --> 00:30:14,450

those nagging details that kind of I

628

00:30:19,020 --> 00:30:15,830

kind of get obsessed with at times

629

00:30:21,640 --> 00:30:19,030

because more and more when you go over

630

00:30:24,820 --> 00:30:21,650

some abduction accounts and even close

631

00:30:26,590 --> 00:30:24,830

encounter of the Third Kind reports they

632

00:30:30,010 --> 00:30:26,600

don't describe the feet for whatever

633

00:30:32,020 --> 00:30:30,020

reason yeah which right yeah and maybe

634

00:30:34,419 --> 00:30:32,030

it's just because I mean you know it's

635

00:30:37,360 --> 00:30:34,429

it's the feet that's the lowest point to

636

00:30:39,550 --> 00:30:37,370

a to a humanoid or a human being like

637

00:30:42,220 --> 00:30:39,560

it's it's probably the least interesting

638

00:30:44,669 --> 00:30:42,230

point to people but like they always

639

00:30:47,220 --> 00:30:44,679

describe everything else and like

640

00:30:50,970 --> 00:30:47,230

detail but the feet it just never seems

641

00:30:53,609 --> 00:30:50,980

to be there was yeah poltergeist

642

00:30:54,570 --> 00:30:53,619

activity in their home in David Stevens

643

00:30:56,700 --> 00:30:54,580

parents home

644

00:30:59,940 --> 00:30:56,710

there was Poulter lice poltergeist like

645

00:31:02,909 --> 00:30:59,950

activity knocks on doors and it was

646

00:31:07,109 --> 00:31:02,919

experienced by family members

647

00:31:11,970 --> 00:31:07,119

the and and this likes to Herbert

648

00:31:15,930 --> 00:31:11,980

Hawkins is this he exceda men and black

649

00:31:22,409 --> 00:31:15,940

experience that may not in fact be true

650

00:31:24,149 --> 00:31:22,419

or there's a blog post that that says

651
00:31:27,629 --> 00:31:24,159
that it was a completely and totally

652
00:31:31,710 --> 00:31:27,639
made-up but you know that is what it is

653
00:31:34,169 --> 00:31:31,720
but that abduction account is just it's

654
00:31:36,749 --> 00:31:34,179
so and I mean it ruined

655
00:31:40,379 --> 00:31:36,759
Glenn gray he actually ended up being -

656
00:31:42,779 --> 00:31:40,389
I think Kansas because his own family

657
00:31:44,159 --> 00:31:42,789
didn't believe him well yeah what do you

658
00:31:45,539 --> 00:31:44,169
do at that point when someone is so

659
00:31:47,100 --> 00:31:45,549
vocal about it the other one doesn't

660
00:31:49,590 --> 00:31:47,110
really want to talk about it at all I

661
00:31:52,379 --> 00:31:49,600
mean Glenn never talked about this from

662
00:31:56,100 --> 00:31:52,389
what I can gather afterwards really no

663
00:31:58,409 --> 00:31:56,110

he didn't is life yeah and he refused to

664

00:32:00,869 --> 00:31:58,419

be hypnotized so we don't even really

665

00:32:04,139 --> 00:32:00,879

know what the full level of his

666

00:32:06,629 --> 00:32:04,149

experience was so yep yep I've dealt

667

00:32:08,940 --> 00:32:06,639

with that a lot with claimed abductees

668

00:32:10,680 --> 00:32:08,950

who I've asked them like do you want to

669

00:32:12,720 --> 00:32:10,690

go under a regression or is it something

670

00:32:15,659 --> 00:32:12,730

you've ever considered and a lot of them

671

00:32:18,899 --> 00:32:15,669

say no you know I have the the faint

672

00:32:21,090 --> 00:32:18,909

memories or snippets in my memory now I

673

00:32:23,100 --> 00:32:21,100

don't want to know anymore of what

674

00:32:26,730 --> 00:32:23,110

happened to me or I don't want something

675

00:32:28,649 --> 00:32:26,740

to be you know implanted into my my

676
00:32:32,519 --> 00:32:28,659
subconscious that didn't actually happen

677
00:32:34,080 --> 00:32:32,529
so the whole hypnosis thing obviously we

678
00:32:36,749 --> 00:32:34,090
have to take with a grain of salt but

679
00:32:39,749 --> 00:32:36,759
when you get a story like this from

680
00:32:41,940 --> 00:32:39,759
Stevens like it's so like you said it's

681
00:32:45,539 --> 00:32:41,950
so out there and so weird and I'm like

682
00:32:47,669 --> 00:32:45,549
how could anyone make all this up yeah

683
00:32:50,460 --> 00:32:47,679
he has nothing to gain from it this is

684
00:32:53,909 --> 00:32:50,470
not a widely known abduction account

685
00:32:56,759 --> 00:32:53,919
this is you if you peruse the pages of

686
00:32:58,590 --> 00:32:56,769
you know issues of flying saucer review

687
00:33:01,529 --> 00:32:58,600
from the

688
00:33:04,470 --> 00:33:01,539

mid to late 70s you'll find these

689

00:33:08,009 --> 00:33:04,480

accounts but that's where they remain

690

00:33:09,899 --> 00:33:08,019

and you you will find certain little you

691

00:33:13,499 --> 00:33:09,909

know mentions of it here and there there

692

00:33:15,360 --> 00:33:13,509

was an article by Micah Hanks he

693

00:33:18,749 --> 00:33:15,370

mentioned it briefly Richard Dolan

694

00:33:20,940 --> 00:33:18,759

mentions it and one of his UFOs in the

695

00:33:23,789 --> 00:33:20,950

national security state books but like

696

00:33:27,180 --> 00:33:23,799

that's all it ever gets is just this

697

00:33:30,180 --> 00:33:27,190

brief mention but it's also preserved in

698

00:33:33,139 --> 00:33:30,190

a great book called UFO dynamics by

699

00:33:36,570 --> 00:33:33,149

Berthold ich warts who was a

700

00:33:39,240 --> 00:33:36,580

psychiatrist who I believe was

701

00:33:43,139 --> 00:33:39,250

affiliated with a pro for a number of

702

00:33:45,389 --> 00:33:43,149

years but if you I highly recommend UFO

703

00:33:47,490 --> 00:33:45,399

dynamics get your hands on this book

704

00:33:49,649 --> 00:33:47,500

it's hard to it's hard to come by for a

705

00:33:52,680 --> 00:33:49,659

decent price but there are so many great

706

00:33:57,060 --> 00:33:52,690

cases there's an interview with Betty

707

00:33:59,970 --> 00:33:57,070

Hill years later talking about UFO

708

00:34:03,269 --> 00:33:59,980

experiences that she had after the one

709

00:34:07,259 --> 00:34:03,279

that her and Barney had and there's

710

00:34:10,649 --> 00:34:07,269

other contactee claims and there's a

711

00:34:12,329 --> 00:34:10,659

like a story from Woodstock it's it's

712

00:34:15,450 --> 00:34:12,339

really great it's a really great

713

00:34:18,059 --> 00:34:15,460

collection interesting so we might have

714

00:34:21,119 --> 00:34:18,069

had a alien invasion going on at

715

00:34:23,190 --> 00:34:21,129

Woodstock you never know man it kind of

716

00:34:28,589 --> 00:34:23,200

seems that way there was an invasion of

717

00:34:31,589 --> 00:34:28,599

something happening so well

718

00:34:35,099 --> 00:34:31,599

this case is just the encounter of David

719

00:34:38,490 --> 00:34:35,109

Stephens is amazing it's so rich with

720

00:34:41,069 --> 00:34:38,500

detail and you heard it here on UFO

721

00:34:43,470 --> 00:34:41,079

happy hour so go get that book that Rob

722

00:34:45,480 --> 00:34:43,480

just brought up please I can't get my

723

00:34:49,260 --> 00:34:45,490

hands on that if I can get my hands on

724

00:34:53,309 --> 00:34:49,270

it alright so what is our number one top

725

00:34:57,839 --> 00:34:53,319

UFO case for Rob Kristofferson for me

726

00:35:00,780 --> 00:34:57,849

it's always going to be the case of

727

00:35:05,280 --> 00:35:00,790

Lonnie some more in his close encounter

728

00:35:09,120 --> 00:35:05,290

of the Third Kind her one day to do this

729

00:35:12,020 --> 00:35:09,130

yeah cheers to that yeah absolutely my

730

00:35:14,550 --> 00:35:12,030

history with this case goes back to

731

00:35:18,540 --> 00:35:14,560

unsolved mysteries it's one of the very

732

00:35:20,790 --> 00:35:18,550

few UFO cases that I can think of that

733

00:35:22,620 --> 00:35:20,800

they ever did they they covered Gulf

734

00:35:25,440 --> 00:35:22,630

Breeze they covered the Hudson Valley

735

00:35:27,660 --> 00:35:25,450

sightings they covered the the the other

736

00:35:30,120 --> 00:35:27,670

one that yep they covered Roswell which

737

00:35:33,780 --> 00:35:30,130

is how Roswell made it to the mainstream

738

00:35:37,110 --> 00:35:33,790

for a lot of people and it they covered

739

00:35:39,750 --> 00:35:37,120

the one of the most terrifying stories

740

00:35:42,810 --> 00:35:39,760

the story of the allagash abductions

741

00:35:45,630 --> 00:35:42,820

which are just terrifying

742

00:35:48,090 --> 00:35:45,640

long story short on that one folks do

743

00:35:49,110 --> 00:35:48,100

not signal a UFO with a flashlight when

744

00:35:51,810 --> 00:35:49,120

you're in the middle of the woods just

745

00:35:54,390 --> 00:35:51,820

don't do it no matter what Steven Greer

746

00:35:57,720 --> 00:35:54,400

tells you do not vector in a UFO guys

747

00:36:01,380 --> 00:35:57,730

nope no don't do it don't do it but

748

00:36:04,290 --> 00:36:01,390

Lonnie Zamora is the one case that I

749

00:36:07,170 --> 00:36:04,300

remember so vividly from unsolved

750

00:36:09,420 --> 00:36:07,180

mysteries and I believe it's the first

751
00:36:12,000 --> 00:36:09,430
time that I ever heard the name J Allen

752
00:36:14,910 --> 00:36:12,010
Hynek to be honest and I was yeah I was

753
00:36:17,850 --> 00:36:14,920
a little kid at the time but I have this

754
00:36:21,870 --> 00:36:17,860
faint memory of being in middle school

755
00:36:24,870 --> 00:36:21,880
in we were doing this English project

756
00:36:27,210 --> 00:36:24,880
where we were basically taking apart the

757
00:36:28,560 --> 00:36:27,220
song we didn't start the fire by Billy

758
00:36:31,560 --> 00:36:28,570
Joel we were breaking it down into

759
00:36:33,900 --> 00:36:31,570
decade we were researching and writing

760
00:36:36,630 --> 00:36:33,910
reports on like all of the events that

761
00:36:39,240 --> 00:36:36,640
he mentions in there and the other part

762
00:36:42,060 --> 00:36:39,250
of the project was that we were supposed

763
00:36:45,810 --> 00:36:42,070

to add on to it and stuff like that and

764

00:36:48,030 --> 00:36:45,820

and and put events that we think should

765

00:36:50,540 --> 00:36:48,040

have made it into that song into it now

766

00:36:54,510 --> 00:36:50,550

it was kind of a really cool project but

767

00:36:58,350 --> 00:36:54,520

Lonnie Zamora is maybe one of the best

768

00:37:01,890 --> 00:36:58,360

UFO witnesses on on record oh absolutely

769

00:37:03,870 --> 00:37:01,900

I I firmly believe that and you know I

770

00:37:06,840 --> 00:37:03,880

don't want to disparage him really at

771

00:37:09,390 --> 00:37:06,850

all but like he's not a highly

772

00:37:12,000 --> 00:37:09,400

intelligent individual he's not but he's

773

00:37:16,250 --> 00:37:12,010

not somebody who's who's gonna make

774

00:37:21,720 --> 00:37:16,260

stuff up now the story starts this is

775

00:37:24,630 --> 00:37:21,730

1964 April 1964 and this it's about it's

776

00:37:27,600 --> 00:37:24,640

close to 6:00 at night and

777

00:37:33,470 --> 00:37:27,610

he's chasing a speeder south of Socorro

778

00:37:37,170 --> 00:37:33,480

New Mexico and he suddenly hears this

779

00:37:39,900 --> 00:37:37,180

high-frequency roar but he doesn't

780

00:37:42,360 --> 00:37:39,910

describe it as like kind of like a

781

00:37:46,020 --> 00:37:42,370

rocket or anything like that which which

782

00:37:48,630 --> 00:37:46,030

is kind of weird but he he describes it

783

00:37:54,860 --> 00:37:48,640

as going from a high frequency to a low

784

00:37:58,130 --> 00:37:54,870

frequency and he believes that it's the

785

00:38:00,900 --> 00:37:58,140

mayor's local it's the dynamite Shack

786

00:38:02,940 --> 00:38:00,910

that is going to explode because the

787

00:38:06,390 --> 00:38:02,950

mayor just happened to have one yeah

788

00:38:10,200 --> 00:38:06,400

it's every town yeah every town needs a

789

00:38:12,600 --> 00:38:10,210

old dynamite checked so he breaks off

790

00:38:16,350 --> 00:38:12,610

pursuit and he heads in the direction of

791

00:38:19,590 --> 00:38:16,360

this sound and he it takes him a little

792

00:38:23,070 --> 00:38:19,600

bit to get up this little hill but when

793

00:38:27,330 --> 00:38:23,080

he does he he could see what he thinks

794

00:38:29,750 --> 00:38:27,340

is a car that's overturned and he could

795

00:38:33,470 --> 00:38:29,760

see people outside these people

796

00:38:36,090 --> 00:38:33,480

apparently see him coming and they

797

00:38:37,680 --> 00:38:36,100

disappear in back into this object but

798

00:38:42,080 --> 00:38:37,690

once Lonnie Zamora gets close enough

799

00:38:46,290 --> 00:38:42,090

what he realizes is that this is a an

800

00:38:48,290 --> 00:38:46,300

oval-shaped object that has from his

801
00:38:52,670 --> 00:38:48,300
vantage point what he could see is

802
00:38:55,950 --> 00:38:52,680
there's two landing platforms down and

803
00:39:00,300 --> 00:38:55,960
he also describes hearing this sound

804
00:39:04,830 --> 00:39:00,310
which it sounds like a door closing in

805
00:39:06,720 --> 00:39:04,840
in a way and this this object that's

806
00:39:09,630 --> 00:39:06,730
sitting there all of a sudden it the

807
00:39:12,030 --> 00:39:09,640
heat that familiar roaring sound comes

808
00:39:13,860 --> 00:39:12,040
back it goes from a low frequency to a

809
00:39:16,950 --> 00:39:13,870
high frequency and and all of a sudden

810
00:39:19,380 --> 00:39:16,960
he just sees this flame coming out of

811
00:39:21,690 --> 00:39:19,390
the bottom of it and he could feel the

812
00:39:25,620 --> 00:39:21,700
heat he takes cover behind his car he

813
00:39:29,880 --> 00:39:25,630

ends up hitting his ankle on his bumper

814

00:39:33,290 --> 00:39:29,890

but he ultimately makes it further back

815

00:39:36,450 --> 00:39:33,300

behind the car and when the sound stops

816

00:39:38,550 --> 00:39:36,460

he turns around and he looks and he can

817

00:39:42,440 --> 00:39:38,560

see this object hover

818

00:39:46,650 --> 00:39:42,450

about 15 to 20 feet off the ground and

819

00:39:49,650 --> 00:39:46,660

uh it's at first it starts to slowly

820

00:39:52,110 --> 00:39:49,660

move away and it barely makes it over

821

00:39:56,490 --> 00:39:52,120

the top of this dynamite Shack and it

822

00:39:58,680 --> 00:39:56,500

just zips away from him he's white as a

823

00:40:02,660 --> 00:39:58,690

ghost he doesn't understand what he has

824

00:40:06,530 --> 00:40:02,670

seen and he radios in for backup and

825

00:40:09,960 --> 00:40:06,540

eventually sergeant Chavez one of his

826

00:40:11,640 --> 00:40:09,970

friends from the police force eventually

827

00:40:14,790 --> 00:40:11,650

makes it out to him he could see that

828

00:40:18,750 --> 00:40:14,800

Lonnie Zamora is hooking up he's pale

829

00:40:20,850 --> 00:40:18,760

he's sweating profusely but he goes down

830

00:40:24,180 --> 00:40:20,860

to the landing site and he can see that

831

00:40:26,990 --> 00:40:24,190

there are bushes that are on fire there

832

00:40:29,520 --> 00:40:27,000

was some landing marks in the ground

833

00:40:34,050 --> 00:40:29,530

trace evidence thank ya

834

00:40:36,420 --> 00:40:34,060

yep trace evidence and soon after you

835

00:40:38,910 --> 00:40:36,430

you've got blue book coming in to invest

836

00:40:43,170 --> 00:40:38,920

this kit investigate this case Hynek was

837

00:40:47,760 --> 00:40:43,180

on the ground within I believe 48 hours

838

00:40:49,790 --> 00:40:47,770

it was with oh yeah and and the most

839

00:40:52,560 --> 00:40:49,800

amazing thing about that story is that

840

00:40:56,240 --> 00:40:52,570

when they're when they're driving into

841

00:40:59,310 --> 00:40:56,250

Socorro their car gets a flat tire and

842

00:41:00,330 --> 00:40:59,320

Hynix not wait and he did he hitchhikes

843

00:41:03,420 --> 00:41:00,340

into town

844

00:41:06,960 --> 00:41:03,430

oh god that's amazing

845

00:41:09,840 --> 00:41:06,970

I can't wait to see if Project Blue Book

846

00:41:12,540 --> 00:41:09,850

the television show covers that I really

847

00:41:21,360 --> 00:41:12,550

hope they do it's it's too good a story

848

00:41:24,660 --> 00:41:21,370

not to and oh yeah so Hynek gets out

849

00:41:28,950 --> 00:41:24,670

there he does his investigation and they

850

00:41:30,900 --> 00:41:28,960

radio around to because I forget what

851

00:41:34,050 --> 00:41:30,910

what base is around there our White

852

00:41:37,020 --> 00:41:34,060

Sands Missile Range is just it's nearby

853

00:41:41,820 --> 00:41:37,030

they radio over there it's nothing from

854

00:41:45,360 --> 00:41:41,830

them and you know Hynek this is one of

855

00:41:50,280 --> 00:41:45,370

those cases that is a high watermark for

856

00:41:52,349 --> 00:41:50,290

Hynek because of it he initially railed

857

00:41:57,829 --> 00:41:52,359

against the close encounter of the third

858

00:42:00,989 --> 00:41:57,839

in cases he was he didn't like them but

859

00:42:02,160 --> 00:42:00,999

if you read the UFO experience he talks

860

00:42:04,140 --> 00:42:02,170

about just because you don't like

861

00:42:05,940 --> 00:42:04,150

something doesn't mean that they aren't

862

00:42:09,989 --> 00:42:05,950

happening and then it doesn't deserve to

863

00:42:12,479 --> 00:42:09,999

be quantified so Hynek really you know

864

00:42:15,950 --> 00:42:12,489

he looks at so Mora and sees a guy who's

865

00:42:20,220 --> 00:42:15,960

really credible and a guy who ultimately

866

00:42:22,229 --> 00:42:20,230

after this experience happens and after

867

00:42:24,239 --> 00:42:22,239

he shakes off you know the fear and

868

00:42:25,890 --> 00:42:24,249

stuff is ultimately upset because he

869

00:42:33,299 --> 00:42:25,900

didn't reach his quota for tickets for

870

00:42:36,539 --> 00:42:33,309

the day but we we also have a correlated

871

00:42:38,640 --> 00:42:36,549

sighting of this object from I believe

872

00:42:42,299 --> 00:42:38,650

it's a family in a station wagon that

873

00:42:44,910 --> 00:42:42,309

ended up calling a local radio station

874

00:42:48,599 --> 00:42:44,920

to report it but there's also the story

875

00:42:52,499 --> 00:42:48,609

of this guy named Gary T Wilcox and his

876

00:42:55,999 --> 00:42:52,509

story it had it takes place in I believe

877

00:42:59,849 --> 00:42:56,009

it's called Tioga city in New York and

878

00:43:02,549 --> 00:42:59,859

he's he's a farmer and one day he's on

879

00:43:05,729 --> 00:43:02,559

the same day of the more sighting hours

880

00:43:08,849 --> 00:43:05,739

before he's looking to increase his

881

00:43:11,579 --> 00:43:08,859

farmland any and he comes to this one

882

00:43:14,759 --> 00:43:11,589

area and he can see this oval shaped

883

00:43:18,269 --> 00:43:14,769

object that is that has landed and there

884

00:43:21,539 --> 00:43:18,279

are these two humanoids in these white

885

00:43:23,970 --> 00:43:21,549

jumpsuits that are outside they talk to

886

00:43:26,069 --> 00:43:23,980

him but what he says is that it's not

887

00:43:27,930 --> 00:43:26,079

they didn't talk to him from their mouth

888

00:43:33,749 --> 00:43:27,940

it felt like it was coming from their

889

00:43:35,819 --> 00:43:33,759

abdomen of all places and they tell him

890

00:43:41,009 --> 00:43:35,829

they tell him that they're from Mars and

891

00:43:44,579 --> 00:43:41,019

that they need fertilizer and you know

892

00:43:46,609 --> 00:43:44,589

Gary T Wilcox nice guy he goes and you

893

00:43:49,319 --> 00:43:46,619

know he goes and gets that fertilizer

894

00:43:52,650 --> 00:43:49,329

while he's doing that the ship takes off

895

00:43:53,900 --> 00:43:52,660

and leaves what he stopped yeah this but

896

00:43:56,789 --> 00:43:53,910

he still comes back with the fertilizer

897

00:44:00,630 --> 00:43:56,799

okay and the next day when he goes out

898

00:44:02,880 --> 00:44:00,640

there it's gone yeah so it's it's an

899

00:44:05,740 --> 00:44:02,890

interesting correlated kind of

900

00:44:08,710 --> 00:44:05,750

correlated sighting that

901
00:44:11,290 --> 00:44:08,720
it's big for Jacques Vallee in his

902
00:44:14,890 --> 00:44:11,300
contact trilogy in one of the books and

903
00:44:19,210 --> 00:44:14,900
he briefly mentions it in passport Touma

904
00:44:22,440 --> 00:44:19,220
Gonia but it's interesting there's one

905
00:44:27,400 --> 00:44:22,450
issue that I kind of have with it in

906
00:44:30,370 --> 00:44:27,410
when Zamora saw this object when it

907
00:44:33,010 --> 00:44:30,380
eventually went silent he could see on

908
00:44:35,440 --> 00:44:33,020
the side of this object there was a

909
00:44:37,540 --> 00:44:35,450
symbol on it yes yeah I know this is a

910
00:44:41,560 --> 00:44:37,550
bit contentious part of the case yes

911
00:44:44,590 --> 00:44:41,570
elaborate so the way that he drew it and

912
00:44:46,570 --> 00:44:44,600
the way that he's drawn it repeatedly

913
00:44:50,110 --> 00:44:46,580

over and over again is what it looks

914

00:44:52,630 --> 00:44:50,120

like is it's in red there's like a half

915

00:44:54,970 --> 00:44:52,640

circle underneath the half circle is an

916

00:44:59,350 --> 00:44:54,980

arrow that's pointing up and underneath

917

00:45:04,240 --> 00:44:59,360

that is a horizontal line that is what

918

00:45:08,020 --> 00:45:04,250

he is drawn now we've been researching

919

00:45:10,120 --> 00:45:08,030

this case for about three months I I've

920

00:45:12,790 --> 00:45:10,130

got a really fantastic researchers

921

00:45:14,440 --> 00:45:12,800

name's Rory he's been really diving into

922

00:45:17,170 --> 00:45:14,450

this case going through the blue book

923

00:45:20,830 --> 00:45:17,180

files and just picking it apart detail

924

00:45:22,720 --> 00:45:20,840

by detail and one of the things that we

925

00:45:26,200 --> 00:45:22,730

have arrived at is that what he has

926

00:45:29,230 --> 00:45:26,210

written down and in the symbol that

927

00:45:31,960 --> 00:45:29,240

people associate that I just described

928

00:45:34,900 --> 00:45:31,970

is not the actual symbol that he saw it

929

00:45:38,680 --> 00:45:34,910

is a different symbol that basically

930

00:45:40,930 --> 00:45:38,690

looks like an inverted V and there are

931

00:45:44,140 --> 00:45:40,940

three horizontal lines going through it

932

00:45:49,360 --> 00:45:44,150

and and a lot of people describe that as

933

00:45:51,700 --> 00:45:49,370

a decoy simple but we've actually we've

934

00:45:53,920 --> 00:45:51,710

gone through the blue book reports we've

935

00:45:59,220 --> 00:45:53,930

gone through the appro bulletins we've

936

00:46:01,870 --> 00:45:59,230

gone through testimony that basically

937

00:46:02,890 --> 00:46:01,880

the people that were invested that the

938

00:46:05,140 --> 00:46:02,900

people from the government

939

00:46:08,770 --> 00:46:05,150

Hynek excluded that we're investigating

940

00:46:11,410 --> 00:46:08,780

this case said do not go public with

941

00:46:13,510 --> 00:46:11,420

this symbol because it's it's kind of an

942

00:46:15,820 --> 00:46:13,520

investigative hallmark here if somebody

943

00:46:18,490 --> 00:46:15,830

else saw it we'll know but at the same

944

00:46:22,030 --> 00:46:18,500

time they basically suppress this symbol

945

00:46:24,070 --> 00:46:22,040

so yeah so the symbol that we come to

946

00:46:26,260 --> 00:46:24,080

associate with this encounter is wrong

947

00:46:31,540 --> 00:46:26,270

it's it's not what we think it is it's

948

00:46:35,380 --> 00:46:31,550

not that arrow pointing up it's not yeah

949

00:46:37,060 --> 00:46:35,390

wow that's fascinating man I mean and

950

00:46:41,200 --> 00:46:37,070

these are the kinds of things that they

951
00:46:43,570 --> 00:46:41,210
hope will be so you know bury it so deep

952
00:46:46,780 --> 00:46:43,580
that no one will come to find this out

953
00:46:51,099 --> 00:46:46,790
but you can never underestimate a UFO

954
00:46:53,380 --> 00:46:51,109
researcher right and I'm not gonna get

955
00:46:55,480 --> 00:46:53,390
too into detail with it because it's a

956
00:46:58,150 --> 00:46:55,490
we're eventually going to cover it on on

957
00:47:00,370 --> 00:46:58,160
my podcast but basically we we have

958
00:47:03,520 --> 00:47:00,380
enough we we have enough information

959
00:47:08,470 --> 00:47:03,530
where we believe we can speculate that

960
00:47:11,410 --> 00:47:08,480
this was a government object a

961
00:47:13,900 --> 00:47:11,420
government craft of some kind and and

962
00:47:17,200 --> 00:47:13,910
we'll be getting into it it's uh it's

963
00:47:19,420 --> 00:47:17,210

it's interesting and I honestly when we

964

00:47:21,609 --> 00:47:19,430

started to look at this case when Rory

965

00:47:25,240 --> 00:47:21,619

went into it I didn't think we would

966

00:47:29,770 --> 00:47:25,250

find anything in the details in many

967

00:47:32,230 --> 00:47:29,780

cases are so different and the narrative

968

00:47:34,599 --> 00:47:32,240

is so different that we actually got a

969

00:47:37,329 --> 00:47:34,609

lot to bite on with it I can't wait and

970

00:47:39,910 --> 00:47:37,339

I know you you were making your way

971

00:47:42,190 --> 00:47:39,920

through race Stanford's book to write

972

00:47:45,160 --> 00:47:42,200

recently the socorro so Serena Pentagon

973

00:47:49,480 --> 00:47:45,170

pantry yeah raised an interesting

974

00:47:52,420 --> 00:47:49,490

character and at first that yeah I

975

00:47:54,210 --> 00:47:52,430

reached out to your listeners on your

976
00:47:59,589 --> 00:47:54,220
Facebook group because I was trying to

977
00:48:01,720 --> 00:47:59,599
track down a decently priced copy yeah

978
00:48:04,420 --> 00:48:01,730
it's a coral saucer and a Pentagon

979
00:48:06,700 --> 00:48:04,430
pantry yeah it's a hard book to come by

980
00:48:09,270 --> 00:48:06,710
for a decent price and then I still

981
00:48:12,339 --> 00:48:09,280
wanted either yeah one of your listeners

982
00:48:14,320 --> 00:48:12,349
actually gave me his email at first they

983
00:48:16,270 --> 00:48:14,330
gave me an old email that didn't work

984
00:48:18,670 --> 00:48:16,280
but uh but they gave me this new email

985
00:48:21,310 --> 00:48:18,680
and I and I contacted him and he's and

986
00:48:27,880 --> 00:48:21,320
here's the thing Ray Ray knows how much

987
00:48:29,940 --> 00:48:27,890
his book is worth yeah so I I can

988
00:48:31,960 --> 00:48:29,950

officially say that this is the most

989

00:48:35,830 --> 00:48:31,970

amount of money I've ever paid

990

00:48:39,040 --> 00:48:35,840

for a UFO book which was about \$60 but

991

00:48:41,349 --> 00:48:39,050

the cool thing is is that one it's

992

00:48:44,470 --> 00:48:41,359

autographed to me now so you know that's

993

00:48:46,900 --> 00:48:44,480

that's amazing but second yes it comes

994

00:48:53,140 --> 00:48:46,910

with this bookmark that has a correction

995

00:48:56,140 --> 00:48:53,150

in it oh yeah it's really cool but yeah

996

00:48:58,720 --> 00:48:56,150

Rey was one of the he was an independent

997

00:49:00,640 --> 00:48:58,730

researcher on the ground with it and if

998

00:49:03,760 --> 00:49:00,650

you look at the he book jacket he

999

00:49:06,190 --> 00:49:03,770

actually had files taken from him by the

1000

00:49:09,490 --> 00:49:06,200

government so you know that's that's an

1001

00:49:12,400 --> 00:49:09,500

interesting angle we also have Kevin

1002

00:49:17,020 --> 00:49:12,410

Randall's book here too that just came

1003

00:49:20,130 --> 00:49:17,030

out I believe in 2017 about this Socorro

1004

00:49:22,390 --> 00:49:20,140

case and like his angle which was a

1005

00:49:26,130 --> 00:49:22,400

different angle he actually went through

1006

00:49:29,500 --> 00:49:26,140

I believe certain government officials

1007

00:49:31,180 --> 00:49:29,510

for that book so it's it's gonna be

1008

00:49:34,300 --> 00:49:31,190

interesting to tackle it from all sides

1009

00:49:38,020 --> 00:49:34,310

but it's just such a fascinating case

1010

00:49:39,220 --> 00:49:38,030

that I think people don't know as much

1011

00:49:41,650 --> 00:49:39,230

as they think about it

1012

00:49:45,640 --> 00:49:41,660

yeah yeah it seems to be one of those

1013

00:49:47,980 --> 00:49:45,650

kind of like you know I hate comparing

1014

00:49:49,089 --> 00:49:47,990

things in Roswell but it's true like the

1015

00:49:51,460 --> 00:49:49,099

minute you think you have an answer

1016

00:49:53,680 --> 00:49:51,470

something flips it on its head and

1017

00:49:55,510 --> 00:49:53,690

changes everything and that's kind of

1018

00:49:58,180 --> 00:49:55,520

what I've experienced in the past few

1019

00:50:01,240 --> 00:49:58,190

months of my life is I thought I kind of

1020

00:50:04,329 --> 00:50:01,250

knew what happened in Roswell and now

1021

00:50:07,260 --> 00:50:04,339

the further I'm digging in and the more

1022

00:50:10,000 --> 00:50:07,270

stories I'm hearing and literally being

1023

00:50:12,370 --> 00:50:10,010

boots on the ground in Roswell talking

1024

00:50:15,010 --> 00:50:12,380

to locals my entire theory on Roswell

1025

00:50:18,070 --> 00:50:15,020

has been thrown out the window so yeah

1026

00:50:20,260 --> 00:50:18,080

it's it's fascinating man and I'm glad

1027

00:50:22,120 --> 00:50:20,270

to hear that they're still developing

1028

00:50:24,820 --> 00:50:22,130

stories when it comes to Socorro because

1029

00:50:26,530 --> 00:50:24,830

it is it's it's one of those pivotal

1030

00:50:28,810 --> 00:50:26,540

cases that we can turn to and be like

1031

00:50:33,040 --> 00:50:28,820

this is a credible witness no one can

1032

00:50:35,170 --> 00:50:33,050

ever like denounce that and and it's

1033

00:50:38,609 --> 00:50:35,180

amazing that you guys are finding new

1034

00:50:42,310 --> 00:50:38,619

stuff so god I can't wait to hear that

1035

00:50:45,520 --> 00:50:42,320

absolutely man and I can't stress enough

1036

00:50:48,310 --> 00:50:45,530

to the people that are looking into this

1037

00:50:51,070 --> 00:50:48,320

tails matter and when details are

1038

00:50:55,800 --> 00:50:51,080

represented it can totally throw off a

1039

00:50:58,720 --> 00:50:55,810

case it and it's done so repeatedly like

1040

00:51:00,160 --> 00:50:58,730

look at what how it's been how things

1041

00:51:02,170 --> 00:51:00,170

have been portrayed in Kelly

1042

00:51:05,860 --> 00:51:02,180

Hopkinsville with the Kelly Hopkinsville

1043

00:51:08,110 --> 00:51:05,870

Kaplan's you know they were labeled in

1044

00:51:10,240 --> 00:51:08,120

in and they're still known in in many

1045

00:51:12,880 --> 00:51:10,250

circles as the Kelly little green men

1046

00:51:15,520 --> 00:51:12,890

even though they weren't green they were

1047

00:51:17,800 --> 00:51:15,530

very they were wearing metallic they

1048

00:51:20,620 --> 00:51:17,810

were metallic of swearing metallics you

1049

00:51:23,110 --> 00:51:20,630

know suits or something because you know

1050

00:51:24,640 --> 00:51:23,120

every time that this family shot at them

1051

00:51:27,670 --> 00:51:24,650

they would kind of hear this metallic

1052

00:51:30,460 --> 00:51:27,680

ping here and there so the details

1053

00:51:33,430 --> 00:51:30,470

matter and mmin of the most fascinating

1054

00:51:35,740 --> 00:51:33,440

details of that case that gets passed up

1055

00:51:38,410 --> 00:51:35,750

every single time is that when the first

1056

00:51:42,810 --> 00:51:38,420

being approached the house its hands

1057

00:51:47,230 --> 00:51:42,820

were up like it was surrendering oh [h__h]

1058

00:51:50,530 --> 00:51:47,240

yeah so it clearly didn't want this

1059

00:51:52,930 --> 00:51:50,540

firefight that seemed to ensue no it did

1060

00:51:56,080 --> 00:51:52,940

it definitely didn't seem like it wanted

1061

00:51:57,310 --> 00:51:56,090

anything to do with that so again yeah

1062

00:52:00,790 --> 00:51:57,320

details matter

1063

00:52:03,610 --> 00:52:00,800

and when details are misrepresented it's

1064

00:52:06,010 --> 00:52:03,620

just it throws off an entire case and in

1065

00:52:08,830 --> 00:52:06,020

it and it could change the narrative

1066

00:52:12,490 --> 00:52:08,840

quickly absolutely I mean if you even

1067

00:52:14,710 --> 00:52:12,500

have like you're off by a day on a UFO

1068

00:52:18,940 --> 00:52:14,720

investigation that changes everything

1069

00:52:19,570 --> 00:52:18,950

like it is it's the devil is in the

1070

00:52:26,140 --> 00:52:19,580

details

1071

00:52:27,970 --> 00:52:26,150

you know okay so we have your last one

1072

00:52:30,430 --> 00:52:27,980

which again is one of my favorites as

1073

00:52:33,160 --> 00:52:30,440

well Socorro being investigated by mr. J

1074

00:52:36,580 --> 00:52:33,170

Alan Hynek so I'm going to bring it up

1075

00:52:38,860 --> 00:52:36,590

to recent times we have the Project Blue

1076

00:52:41,710 --> 00:52:38,870

Book television series on the History

1077

00:52:44,410 --> 00:52:41,720

Channel very divisive show right now in

1078

00:52:47,110 --> 00:52:44,420

the UFO community so I'm gonna get your

1079

00:52:49,060 --> 00:52:47,120

thoughts man um you know I think the

1080

00:52:51,010 --> 00:52:49,070

last time we spoke it was just being

1081

00:52:53,890 --> 00:52:51,020

announced that the show is starting but

1082

00:52:55,390 --> 00:52:53,900

now we're four episodes in and what do

1083

00:52:57,880 --> 00:52:55,400

you think what are your thoughts on

1084

00:52:59,350 --> 00:52:57,890

Project Blue Book the television series

1085

00:53:02,350 --> 00:52:59,360

it's

1086

00:53:06,070 --> 00:53:02,360

so great to see some of these cases come

1087

00:53:09,160 --> 00:53:06,080

to life but even even though like some

1088

00:53:12,010 --> 00:53:09,170

of the details are kind of altered here

1089

00:53:14,670 --> 00:53:12,020

and there but at the core of it are

1090

00:53:17,800 --> 00:53:14,680

these real stories

1091

00:53:19,990 --> 00:53:17,810

when you're talking flatwoods okay for

1092

00:53:22,900 --> 00:53:20,000

instance a lot of that stuff happened

1093

00:53:25,840 --> 00:53:22,910

like the town yeah they were kind of on

1094

00:53:28,570 --> 00:53:25,850

edge about things they didn't go to like

1095

00:53:32,530 --> 00:53:28,580

it didn't become this like Frankenstein

1096

00:53:34,690 --> 00:53:32,540

trope Thorpe's yeah yeah yeah but the

1097

00:53:35,980 --> 00:53:34,700

town was definitely you know uneasy

1098

00:53:39,910 --> 00:53:35,990

about this they didn't want that

1099

00:53:42,220 --> 00:53:39,920

attention but a you know it's it's kind

1100

00:53:43,480 --> 00:53:42,230

of like for entertainment value of

1101
00:53:46,840 --> 00:53:43,490
course they're gonna blow it out of

1102
00:53:49,450 --> 00:53:46,850
proportion the the Lubbock's lights

1103
00:53:51,520 --> 00:53:49,460
Lubbock lights case is another

1104
00:53:54,220 --> 00:53:51,530
fascinating one that I think they they

1105
00:53:56,140 --> 00:53:54,230
did a really good job did it really mess

1106
00:54:01,080 --> 00:53:56,150
with people's cars no it didn't it

1107
00:54:06,430 --> 00:54:04,690
cars being affected by UFOs you know

1108
00:54:10,090 --> 00:54:06,440
started to happen but you know what

1109
00:54:15,370 --> 00:54:10,100
there's a case from Texas you know that

1110
00:54:18,040 --> 00:54:15,380
that did happen so and in you know it's

1111
00:54:21,430 --> 00:54:18,050
cool to see that it's cool to see the

1112
00:54:23,650 --> 00:54:21,440
Lubbock lights you know portrayed on an

1113
00:54:26,710 --> 00:54:23,660

on a show it's cool to see the child's

1114

00:54:31,690 --> 00:54:26,720

witted account portrayed on a show even

1115

00:54:35,320 --> 00:54:31,700

in this larger context of Operation

1116

00:54:38,620 --> 00:54:35,330

Paperclip yeah and and and like I was

1117

00:54:40,300 --> 00:54:38,630

saying to you earlier it's like there is

1118

00:54:44,530 --> 00:54:40,310

more truth to it than I think people

1119

00:54:47,730 --> 00:54:44,540

realize now when people talk about child

1120

00:54:52,930 --> 00:54:47,740

witted what they may not realize is that

1121

00:54:54,610 --> 00:54:52,940

in Europe from 1946 to 1948 you know it

1122

00:54:56,170 --> 00:54:54,620

was kind of off and on what they had

1123

00:54:59,830 --> 00:54:56,180

sightings of were these things called

1124

00:55:03,550 --> 00:54:59,840

ghost rockets and for a long time people

1125

00:55:07,780 --> 00:55:03,560

thought this was like the Russians in

1126
00:55:10,690 --> 00:55:07,790
Germany launching these v1 or v2 rockets

1127
00:55:12,580 --> 00:55:10,700
and you kind of have that in the United

1128
00:55:13,509 --> 00:55:12,590
States with Operation Paperclip and

1129
00:55:16,029 --> 00:55:13,519
there's Verner

1130
00:55:20,289 --> 00:55:16,039
von braun you know the the face of this

1131
00:55:25,359 --> 00:55:20,299
entire thing and you know it's it's it's

1132
00:55:29,440 --> 00:55:25,369
cool to see how what they're playing up

1133
00:55:31,839 --> 00:55:29,450
is at first what it seems like well we

1134
00:55:35,259 --> 00:55:31,849
want to you know cover this up not

1135
00:55:37,210 --> 00:55:35,269
because there's nefarious stuff going on

1136
00:55:38,410 --> 00:55:37,220
but we you know we want it we want to

1137
00:55:40,480 --> 00:55:38,420
keep the public home

1138
00:55:42,190 --> 00:55:40,490

that's that's number one priority and

1139

00:55:44,950 --> 00:55:42,200

there's still kind of that but now

1140

00:55:47,559 --> 00:55:44,960

you're getting glimpses of you know deep

1141

00:55:50,049 --> 00:55:47,569

inside government stuff which is it's

1142

00:55:52,180 --> 00:55:50,059

just fun you know it's it's fun you know

1143

00:55:54,940 --> 00:55:52,190

from an x-files kind of like standpoint

1144

00:55:56,769 --> 00:55:54,950

but like I'm enjoying the show so far

1145

00:55:59,079 --> 00:55:56,779

Aidan Gillen is knocking it out of the

1146

00:56:02,230 --> 00:55:59,089

park Michael Bell our key knocking it

1147

00:56:04,720 --> 00:56:02,240

out of the park you know the woman

1148

00:56:07,240 --> 00:56:04,730

playing Mimi hi Nick I love ya that were

1149

00:56:09,910 --> 00:56:07,250

we're getting to see this other side of

1150

00:56:12,430 --> 00:56:09,920

hynek's life you know his personal life

1151

00:56:15,279 --> 00:56:12,440

and how this job affected his

1152

00:56:17,079 --> 00:56:15,289

relationship I mean I was listening to

1153

00:56:19,660 --> 00:56:17,089

an interview recently with the actress

1154

00:56:21,940 --> 00:56:19,670

playing me and she said like could you

1155

00:56:24,670 --> 00:56:21,950

imagine how heartbreaking that it is

1156

00:56:27,609 --> 00:56:24,680

that you have to like go into your

1157

00:56:29,950 --> 00:56:27,619

husband's office and peer into his

1158

00:56:32,470 --> 00:56:29,960

Diaries about what's going on in his

1159

00:56:34,509 --> 00:56:32,480

life because it's yes so top secret it's

1160

00:56:38,410 --> 00:56:34,519

just I can't imagine having to do that

1161

00:56:41,470 --> 00:56:38,420

yeah absolutely and I mean and and I

1162

00:56:43,779 --> 00:56:41,480

think it another thing that I don't

1163

00:56:46,569 --> 00:56:43,789

think people are talking about as much

1164

00:56:49,180 --> 00:56:46,579

as how well it's playing up this

1165

00:56:51,130 --> 00:56:49,190

paranoia angle in the 50s you know at

1166

00:56:52,569 --> 00:56:51,140

the Cold War and everything it's doing a

1167

00:56:55,870 --> 00:56:52,579

really great job with that

1168

00:56:58,210 --> 00:56:55,880

and at times I feel like the shows a

1169

00:57:00,160 --> 00:56:58,220

little busy with with what it's doing it

1170

00:57:03,309 --> 00:57:00,170

at times it seems like it has a little

1171

00:57:06,390 --> 00:57:03,319

too much going on maybe with like the

1172

00:57:08,920 --> 00:57:06,400

the Russian spy angle yeah it's kind of

1173

00:57:11,319 --> 00:57:08,930

it just seems kind of like a little shoe

1174

00:57:13,450 --> 00:57:11,329

who shoehorned in there but you know

1175

00:57:16,539 --> 00:57:13,460

it's it's it'll be interesting to see

1176

00:57:18,579 --> 00:57:16,549

how that develops you know it'll be

1177

00:57:20,589 --> 00:57:18,589

interesting to see you know what else is

1178

00:57:23,769 --> 00:57:20,599

covered where where it's going because I

1179

00:57:25,900 --> 00:57:23,779

don't think it's totally you don't

1180

00:57:26,589 --> 00:57:25,910

totally you know notice at this point

1181

00:57:29,769 --> 00:57:26,599

where is it

1182

00:57:32,499 --> 00:57:29,779

but yeah that's a good point yeah that's

1183

00:57:34,989 --> 00:57:32,509

that's nice thing about it but I could

1184

00:57:38,829 --> 00:57:34,999

see where like the the Hynek aficionados

1185

00:57:41,109 --> 00:57:38,839

get get upset but i think what people

1186

00:57:43,329 --> 00:57:41,119

need to understand too is that two of

1187

00:57:45,880 --> 00:57:43,339

hynek's children consulted on this show

1188

00:57:48,430 --> 00:57:45,890

yeah yeah exactly I mean they had the

1189

00:57:51,069 --> 00:57:48,440

blessing of the family so that's enough

1190

00:57:53,349 --> 00:57:51,079

for me but I agree with you and I agree

1191

00:57:56,529 --> 00:57:53,359

with the aficionados like no this is not

1192

00:57:59,079 --> 00:57:56,539

historically accurate by any stretch of

1193

00:58:01,349 --> 00:57:59,089

the imagination and we know History

1194

00:58:05,529 --> 00:58:01,359

Channel isn't known for always being

1195

00:58:08,440 --> 00:58:05,539

historically accurate I mean we have if

1196

00:58:11,380 --> 00:58:08,450

we want to run through briefly like the

1197

00:58:14,319 --> 00:58:11,390

History Channel's kind of relationship

1198

00:58:17,819 --> 00:58:14,329

with these strange these programs about

1199

00:58:19,839 --> 00:58:17,829

weird topics yeah it starts with

1200

00:58:21,999 --> 00:58:19,849

history's mysteries which was a great

1201

00:58:24,219 --> 00:58:22,009

show was kind of like the History

1202

00:58:25,719 --> 00:58:24,229

Channel's take almost on in search of it

1203

00:58:27,999 --> 00:58:25,729

was really fun you know a really fun

1204

00:58:31,079 --> 00:58:28,009

show and then you get into monster quest

1205

00:58:34,180 --> 00:58:31,089

which was you know cryptids all the time

1206

00:58:36,099 --> 00:58:34,190

you get into the Nostradamus effect

1207

00:58:39,549 --> 00:58:36,109

which was just straight-up garbage I'm

1208

00:58:43,890 --> 00:58:39,559

sorry but there's no other way to to go

1209

00:58:46,479 --> 00:58:43,900

around it they played up the paranoia of

1210

00:58:50,410 --> 00:58:46,489

2012 you know being the end of the world

1211

00:58:52,299 --> 00:58:50,420

yeah so be it and then the the

1212

00:58:56,200 --> 00:58:52,309

blockbuster ancient aliens of course

1213

00:58:58,150 --> 00:58:56,210

which motherlode oh yeah oh and we can't

1214

00:59:00,670 --> 00:58:58,160

forget we can't forget about UFO Hunters

1215

00:59:05,249 --> 00:59:00,680

even before that because that was on

1216

00:59:07,959 --> 00:59:05,259

history I forgot yeah my favorite shows

1217

00:59:10,150 --> 00:59:07,969

it is and you know what's really cool is

1218

00:59:14,739 --> 00:59:10,160

that at one point they actually talked

1219

00:59:16,989 --> 00:59:14,749

to Lonnie Zamora on that show yep and

1220

00:59:19,180 --> 00:59:16,999

now we have Project Blue Book which none

1221

00:59:21,039 --> 00:59:19,190

of us ever saw coming and never thought

1222

00:59:22,870 --> 00:59:21,049

we'd see the day when you know not only

1223

00:59:26,440 --> 00:59:22,880

was Project Blue Book gonna be covered

1224

00:59:29,529 --> 00:59:26,450

in like TV serial format but to see J

1225

00:59:32,890 --> 00:59:29,539

Allen Hynek who's now like this super

1226

00:59:35,620 --> 00:59:32,900

cool hero on television it's just that's

1227

00:59:37,569 --> 00:59:35,630

enough for me man yeah and he kind of is

1228

00:59:39,519 --> 00:59:37,579

a little bit of an action hero you know

1229

00:59:40,330 --> 00:59:39,529

just slightly not too much but I mean

1230

00:59:42,700 --> 00:59:40,340

like

1231

00:59:46,390 --> 00:59:42,710

in the first episode the man survives a

1232

00:59:48,730 --> 00:59:46,400

plane crash yeah yeah that was a little

1233

00:59:50,740 --> 00:59:48,740

much for me but yeah yeah yeah like this

1234

00:59:53,590 --> 00:59:50,750

is where the show is taking liberties

1235

00:59:57,250 --> 00:59:53,600

and what I really like is they're being

1236

00:59:59,520 --> 00:59:57,260

very respectful to the cases after the

1237

01:00:01,870 --> 00:59:59,530

episodes yeah in terms of like having

1238

01:00:04,120 --> 01:00:01,880

people like Richard Dolan or Jacques

1239

01:00:06,460 --> 01:00:04,130

Vallee come on and tell the actual case

1240

01:00:08,800 --> 01:00:06,470

that it's based on so I think that was

1241

01:00:10,480 --> 01:00:08,810

responsible of them and I look forward

1242

01:00:13,030 --> 01:00:10,490

to those every week and then you get to

1243

01:00:15,130 --> 01:00:13,040

compare and contrast what you saw in the

1244

01:00:16,750 --> 01:00:15,140

show and the sort of fictional arc

1245

01:00:19,630 --> 01:00:16,760

they're creating and what actually

1246

01:00:22,540 --> 01:00:19,640

happened I think it's pretty cool yeah

1247

01:00:26,320 --> 01:00:22,550

and I mean it's kind of a way to bring a

1248

01:00:28,570 --> 01:00:26,330

whole new audience to these UFO cases

1249

01:00:32,290 --> 01:00:28,580

you know to sell some more books damn it

1250

01:00:36,760 --> 01:00:32,300

you know why they'll not exactly exactly

1251

01:00:38,230 --> 01:00:36,770

well Rob this has been amazing my man I

1252

01:00:39,970 --> 01:00:38,240

always loved having you come on for

1253

01:00:43,060 --> 01:00:39,980

these because I know we don't really

1254

01:00:44,530 --> 01:00:43,070

have to plan months in advance for what

1255

01:00:47,170 --> 01:00:44,540

we're going to talk about I know here

1256

01:00:50,110 --> 01:00:47,180

always good for this and tipping back a

1257

01:00:52,390 --> 01:00:50,120

drink so what can we expect next from

1258

01:00:57,910 --> 01:00:52,400

you over at the our strange skies

1259

01:01:00,010 --> 01:00:57,920

podcast so right now we've basically got

1260

01:01:04,030 --> 01:01:00,020

two episodes in the works one of them

1261

01:01:06,040 --> 01:01:04,040

because I just randomly tweeted out one

1262

01:01:07,900 --> 01:01:06,050

day I was like you know this is all the

1263

01:01:09,580 --> 01:01:07,910

weird stuff that has happened to me in

1264

01:01:10,840 --> 01:01:09,590

my life all these weird experiences and

1265

01:01:15,610 --> 01:01:10,850

people are are you going to do an

1266

01:01:20,170 --> 01:01:15,620

episode about that you had to have

1267

01:01:22,330 --> 01:01:20,180

expected that man expected to get as

1268

01:01:25,930 --> 01:01:22,340

much attention as it did but unlike

1269

01:01:32,320 --> 01:01:25,940

alright sure so we've got a vote about

1270

01:01:35,320 --> 01:01:32,330

my my personal stories and I started a

1271

01:01:39,220 --> 01:01:35,330

series about the Gulf Breeze incidents

1272

01:01:42,310 --> 01:01:39,230

with my friends Sam and Jason of the not

1273

01:01:44,020 --> 01:01:42,320

alone podcast and it's been a it's been

1274

01:01:46,630 --> 01:01:44,030

a while we need to we need to go back

1275

01:01:50,470 --> 01:01:46,640

and finish it so that's what we're gonna

1276

01:01:52,910 --> 01:01:50,480

do we're gonna finish ed Walters crazy

1277

01:01:54,920 --> 01:01:52,920

story and his

1278

01:01:56,300 --> 01:01:54,930

easy encounters with these aliens and

1279

01:01:59,030 --> 01:01:56,310

all just the weird stuff that was

1280

01:02:01,040 --> 01:01:59,040

happening in Gulf Breeze and then after

1281

01:02:03,440 --> 01:02:01,050

that we're gonna be taking a year off

1282

01:02:05,540 --> 01:02:03,450

the rest of the year off and we're gonna

1283

01:02:07,610 --> 01:02:05,550

get our bearings back and you know this

1284

01:02:09,770 --> 01:02:07,620

there's changes that are gonna be coming

1285

01:02:12,560 --> 01:02:09,780

we're gonna be telling more stories

1286

01:02:14,480 --> 01:02:12,570

we're gonna be exploring it in a

1287

01:02:17,180 --> 01:02:14,490

different format and and trying

1288

01:02:20,630 --> 01:02:17,190

different things so you know that I'm

1289

01:02:24,140 --> 01:02:20,640

optimistic for what our strange skies is

1290

01:02:26,900 --> 01:02:24,150

1291

01:02:27,770 --> 01:02:26,910
